What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit C.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Georgia. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Georgia than in your own state.
2. **Mandatory Minimum Payment:** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Spousal Liability:** Your spouse must sign a document that makes your spouse, if they are in any way involved in the operation of the franchise, liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
4. **Sales Performance Requirement.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE
REQUIRED BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

THIS MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

ITEM 1: THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this Disclosure Document, “we,” “us,” “our,” or “**Franchisor**” means Merry Maids SPE LLC, the franchisor. “You,” “your,” or “**Franchisee**” means the person or entity purchasing a franchise. If you are a corporation, partnership, limited liability company or other entity, “you” includes your owners.

The Franchisor

We are a Delaware limited liability company formed in October 2020. Our principal business address is One Glenlake Parkway, 14th Floor, Atlanta, Georgia 30328. We do business under the name Merry Maids. Our agents for service of process are listed in Exhibit C.

Our business is limited to franchising residential cleaning businesses under the Merry Maids trademark throughout the United States. We have offered Merry Maids® franchises since March 2021. We do not offer franchises or engage in any other line of business, nor have we done so prior to the date of this Disclosure Document.

Parents

We are an indirect subsidiary of ServiceMaster OpCo Holdings LLC (“**SM Manager**”), a Delaware limited liability company with a principal address at One Glenlake Parkway, 14th Floor, Atlanta, Georgia 30328. SM Manager provides management and support services to us and our franchisees.

SM Manager is a direct subsidiary of RW Purchaser LLC (“**RW Purchaser**”), a Delaware limited liability company with a principal address at 1180 Peachtree Street, N.E., Suite 2500, Atlanta, Georgia 30309. Predecessors

Our predecessor, Merry Maids Limited Partnership (“**Predecessor**”), a Delaware limited partnership, offered Merry Maids® franchises between 1980 and December 2020. ITEM 3: LITIGATION

Disclosure Related to Predecessor

Angela Cruz, Maria Madrigal Lourdes Baiz and Christie Goodman v. MM879, Inc., Barrett Bus. Servs., Inc., ServiceMaster, Inc., Merry Maids LP, Merry Maids LLC, and Does 1-98, Cal. Super. Ct., No. 11CECG01156 and Angela Cruz, Maria Madrigal, Lourdes Baiz, and Christie Goodman v. MM879,

Inc., Barrett Bus. Servs., Inc., The ServiceMaster Company, LLC, Merry Maids LP, and MM Maids LLC, E.D. Cal., No. 1:150CV-01563-TLN-EPG

This matter was originally filed in 2011 in California Superior Court against franchisee Merry Maids of Fresno, incorporated as MM879, Inc., and Predecessor alleging various violations of California wage and hour law including failure to pay overtime, minimum wage, meal and rest periods, reimbursement for business related expenses and inaccurate wage statements. Predecessor contended that it was not a proper party defendant, as it was a franchisor and had no day-to-day control over the franchisee. After numerous amended complaints, motions, and interlocutory orders, in January 2015, Predecessor filed a motion for summary judgment, which was denied on August 10, 2015.

In October 2015, the case was removed to the United States District Court for the Eastern District of California. Plaintiffs filed a fifth amended complaint on March 18, 2016. Predecessor filed a motion for summary judgment on March 18, 2016. On August 26, 2016, Plaintiffs filed a motion for class certification. In January 2019, the district court granted Predecessor's motion for summary judgment on joint employment liability, but the district court denied the motion as to an agency theory and conditionally certified a collective action. On January 31, 2020, the district court granted Predecessor's motion for summary judgment on the agency theory and dismissed Predecessor from the case. Plaintiffs appealed the dismissal to the Ninth Circuit Court of Appeals in March 2020. Following briefing and oral argument, the lower court's order was affirmed on June 2, 2022.

Disclosures Regarding Affiliated Programs

The following affiliates who offer franchises resolved actions brought against them with settlements that involved their becoming subject to currently effective injunctive or restrictive orders or decrees. None of these actions allege any unlawful conduct by us.

The People of the State of California v. Arby's Restaurant Group, Inc. (California Superior Court, Los Angeles County, Case No. 19STCV09397, filed March 19, 2019). On March 11, 2019, our affiliate, Arby's Restaurant Group, Inc. ("ARG"), entered into a settlement agreement with the states of California, Illinois, Iowa, Maryland, Massachusetts, Minnesota, New Jersey, New York, North Carolina, Oregon and Pennsylvania. The Attorneys General in these states sought information from ARG on its use of franchise agreement provisions prohibiting the franchisor and franchisees from soliciting or employing each other's employees. The states alleged that the use of these provisions violated the states' antitrust, unfair competition, unfair or deceptive acts or practices, consumer protection and other state laws. ARG expressly denies these conclusions but decided to enter into the settlement agreement to avoid litigation with the states. Under the settlement agreement, ARG paid no money but agreed (a) to remove the disputed provision from its franchise agreements (which it had already done); (b) not to enforce the disputed provision in existing agreements or to intervene in any action by the Attorneys General if a franchisee seeks to enforce the provision; (c) to seek amendments of the existing franchise agreements in the applicable states to remove the disputed provision from the agreements; and (d) to post a notice and ask franchisees to post a notice to employees about the disputed provision. The applicable states instituted actions in their courts to enforce the settlement agreement through Final Judgments and Orders, Assurances of Discontinuance, Assurances of Voluntary Compliance, and similar methods.

The People of the State of California v. Dunkin' Brands, Inc. (California Superior Court, Los Angeles County, Case No. E25636618, filed on March 19, 2019). On March 14, 2019, our affiliate, Dunkin Brands, Inc. ("DBI"), entered into a settlement agreement with the Attorneys General of 13 states and jurisdictions concerning the inclusion of "no-poaching" provisions in Dunkin' restaurant franchise agreements. The settling states and jurisdictions included California, Illinois, Iowa, Maryland, Massachusetts, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, Vermont, and the District of Columbia. A small

number of franchise agreements in the Dunkin' system prohibit Dunkin' franchisees from hiring the employees of other Dunkin' franchisees and/or DBI's employees. A larger number of franchise agreements in the Dunkin' system contain a no-poaching provision that prevents Dunkin' franchisees and DBI from hiring each other's employees. Under the terms of the settlement, DBI agreed not to enforce either version of the no-poaching provision or assist Dunkin's franchisees in enforcing that provision. In addition, DBI agreed to seek the amendment of 128 franchise agreements that contain a no-poaching provision that bars a franchisee from hiring the employees of another Dunkin' franchisee. The effect of the amendment would be to remove the no-poaching provision. DBI expressly denied in the settlement agreement that it had engaged in any conduct that had violated state or federal law and, furthermore, that the settlement agreement should not be construed as an admission of law, fact, liability, misconduct, or wrongdoing on the part of DBI. The Attorney General of the State of California filed the above-reference lawsuit in order to place the settlement agreement in the public record, and the action was closed after the court approved the parties' stipulation of judgment.

New York v. Dunkin' Brands, Inc. (N.Y. Supreme Court for New York County, Case No. 451787/2019, filed September 26, 2019). In this matter, the N.Y. Attorney General ("NYAG") filed a lawsuit against our affiliate, DBI, related to credential-stuffing cyberattacks during 2015 and 2018. The NYAG alleged that the cyber attackers used individuals' credentials obtained from elsewhere on the Internet to gain access to certain information for DD Perks customers and others who had registered a Dunkin' gift card. The NYAG further alleged that DBI failed to adequately notify customers and to adequately investigate and disclose the security breaches, which the NYAG alleged violated the New York laws concerning data privacy as well as unfair trade practices. On September 21, 2020, without admitting or denying the NYAG's allegations, DBI and the NYAG entered into a consent agreement to resolve the State's complaint. Under the consent order, DBI agreed to pay \$650,000 in penalties and costs, issue certain notices and other types of communications to New York customers, and maintain a comprehensive information security program through September 2026, including precautions and response measures for credential-stuffing attacks.

Other than these actions, no litigation is required to be disclosed in this Item.

ITEM 4: BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5: INITIAL FEES

Initial Franchise Fee

If you purchase a Franchised Business, you must pay us an initial franchise fee (the "**Initial Franchise Fee**") upon execution of the Franchise Agreement. The Initial Franchise Fee is (a) \$37,500 for a Small-Sized Territory, (b) \$41,500 for a Mid-Sized Territory, and (c) \$41,500 to \$51,500 (calculated as \$41,500 plus \$0.50 for each additional Qualified Household over 40,000) for a Full-Sized Territory. If we grant a Full-Sized Territory with over 60,000 Qualified Households, the Initial Franchise Fee will exceed the \$51,500 listed above.

The Initial Franchise Fee includes (a) the registration fee for our initial training program (the "**Initial Training Program**") for one person, (b) the then-current National Seminar Attendance Fee for one person, (c) six months of license fees for the mobile application of our proprietary software program Merry Maids 360 ("**MM360**"), and (d) an opening package of initial inventory, equipment, cleaning supplies, and similar items listed in Exhibit G to the Disclosure Document (which is subject to change) (the "**Opening Inventory Package**"). The shipping and handling costs and sales tax on the Opening Inventory Package (which we

estimate to be \$300 to \$600) are not included in the Initial Franchise Fee and will vary based upon your location and the suppliers' locations and local sales taxes, if applicable. If you are an existing franchisee acquiring an additional Franchised Business, you will not receive an Opening Inventory Package or laptop from us for your Initial Franchise Fee and will need to purchase those items (which we estimate will cost approximately \$3,000).

Some available Territories contain Merry Maids® customers actively being served by a Franchised Business. If you purchase a Territory with Merry Maids® customers that are being actively serviced by a franchisee from another territory, you must pay such franchisee a customer acquisition fee of \$525 per customer for each active Merry Maids® customer within the Territory you are acquiring, in addition to the applicable Initial Franchise Fee or transfer fee you must pay us. You will sign a Customer Acquisition Agreement (attached as Exhibit I to this Disclosure Document) to acquire the transferring franchisee's rights to service such customers and any contracts that the franchisee has with such customers. If there are no active Merry Maids® customers in the Territory, the Customer Acquisition Agreement will not be applicable to your purchase of your Franchised Business.

At any given time, we may offer incentives or giveaways of cash, equipment, materials, supplies or other related items, which will, in effect, lower the Initial Franchise Fee or investment for prospective franchisees. We currently offer the following discounts off the Initial Franchise Fee (you may take advantage of only one discount):

- 1) Military Discount. A discount of 20% off the Initial Franchise Fee is available to honorably discharged veterans of the United States Armed Forces, do not currently own a Franchised Business, and otherwise meet our requirements to purchase a franchise. We are a member of the International Franchise Association (IFA) and participate in IFA's VetFran program.
- 2) Minority-Owned Business Discount. A discount of 10% off the Initial Franchise Fee is available to a business that is at least 51% owned by one or more persons who are African American, Hispanic, Native American, Asian or other minority race designation, have full operational control of the business, and otherwise meet our requirements to purchase a franchise.
- 3) Women-Owned Business Discount. A discount of 10% off the Initial Franchise Fee is available to a business that is at least 51% owned by a one or more women who have full operational control of the business and otherwise meet our requirements to purchase a franchise.
- 4) Existing Franchisee Discount. A discount of 15% off the Initial Franchise Fee is available to an existing franchisee that is approved to buy an additional Franchised Business.

In 2022, the Initial Franchise Fees we collected for Franchised Businesses ranged from \$35,275 to \$43,855.

Online Marketing Fund Deposit

In addition to the Initial Franchise Fee, upon signing the Franchise Agreement, you must pay us an online marketing fund deposit of \$3,000 (the "**Online Marketing Fund Deposit**"), which we will pay to a vendor to generate leads in your Territory through online marketing. We will contribute an additional \$2,000 of your Initial Franchise Fee towards these online marketing efforts. Any portion of these monies not utilized during your first year of operation may be, at our sole discretion, applied to offset your accounts with us or our affiliates. If you are an existing franchisee or a transferee, you will not be required to pay the Online Marketing Fund Deposit, and we are not required to add \$2,000 to your fund.

Initial Fees

The Initial Franchise Fee, the Online Marketing Fund Deposit, and any fees for the Opening Inventory Package are payable in one lump sum at the signing of the Franchise Agreement and are nonrefundable. We do not offer direct or indirect financing to franchisees for any of these fees.

Notes:

1. Fees in Item 6 are uniformly imposed by, and payable to, us and non-refundable. You must participate in an electronic funds transfer program under which monthly fees, such as Royalties, Ad Fund Contributions, and other weekly fees (“**Weekly Fees**”) will be deducted by auto draft or paid electronically from your bank account (the “**Account**”) based on the Gross Sales reported to us on the days that we specify. If you have not reported Gross Sales to us for any reporting period, we may debit the Account in an amount equal to the greater of the non-reported payment (if we can reasonably estimate or determine the owed amount) or 120% of the last reported Weekly Fees. If at any time we determine that you have under-reported Gross Sales or underpaid Weekly Fees, we may initiate immediately a debit to the Account in the appropriate amount in accordance with the foregoing procedure, including interest as provided for in this Agreement. An overpayment will be credited to the Account through a credit effective as of the first reporting date after we and you

determine that such credit is due. We may apply payments we receive to any of your past due indebtedness, in our sole discretion, regardless of how you designate a particular payment to be applied. In addition, we may offset any amount otherwise due to you against any amount owed to us. Finally, we may retain any amounts received for you or your affiliates' account (such as rebates from suppliers, national account or program work payments, or other payments) as payment against any amounts owed to us. We can exercise any of the foregoing rights in connection with amounts owed to or from us or our affiliates.

2. **“Gross Sales”** means all of your billings, whether collected or not, including cash sales and sales on account, monies billed for maid cleaning services whether performed by you or subcontracted, monies billed in connection with trade or barter agreements, or monies billed for any other cleaning and/or maintenance of any structure, interior or exterior, excluding sales tax or use tax.
3. Royalties are generally understood to be the fees the franchisee pays to use something that someone else created (i.e. the Franchised Business idea and trademarks and branding). Franchisees use our ideas, trademarks and branding to create sales, and a percentage of the Gross Sales is paid to us as a royalty fee in exchange for permission to use our proprietary trademarks and processes.
4. If you are entering into a renewal Franchise Agreement to continue to operate an existing Franchised Business, you may be eligible for the following Royalty incentive (the **“Royalty Incentive”**): The Royalty will be 7% of Gross Sales of the Franchised Business until such time as Gross Sales of the Franchised Business exceed \$500,000. If Gross Sales of the Franchised Business in a given calendar year exceed \$500,000, the Royalty Incentive will apply and will reduce the Royalty owed to 5% of Gross Sales of the Franchised Business for the duration of the calendar year. At the beginning of the next calendar year, the Royalty Incentive will be removed and the Royalty will revert back to 7% of Gross Sales of the Franchised Business until such time as Gross Sales once again exceed \$500,000. We may change or discontinue this Royalty Incentive at any time and in our sole discretion during the Term of this Franchise Agreement; if so, the Royalty will then revert to 7% of Gross Sales of the Franchised Business for the duration of the term of the Franchise Agreement. For the avoidance of doubt, for purpose of calculating whether the Franchised Business is eligible for the Royalty Incentive, Gross Sales will be based on the billings of only the single Franchised Business, which will not be combined with any billings achieved by other Franchised Businesses in which you, your owners, or your affiliates have an interest.
5. A qualified lead is defined as someone who has passed our screening process, our national background check, a credit check, and at a minimum a phone interview of the prospect. We are not responsible for locating leads and do not represent that we will do so. The Lead Fee also covers our advertising and marketing costs and administrative costs of such information sharing and gathering. The Lead Fee is not a Transfer Fee. You are responsible for notifying us that you desire to transfer (sell) your Franchised Business and to be added to our list of existing businesses for sale.

1. **General Item 7 Notes.** The estimated amounts included in this Item 7 are estimates based on our and Predecessor's many years of experience offering and supporting Franchised Businesses. None of these fees or payments are refundable unless otherwise noted below. We and our affiliates do not directly or indirectly offer financing for these expenses.
2. **Initial Franchise Fee.** See Item 5 for additional details about available discounts. This estimate does not include the Customer Acquisition Fee of \$525 per customer that you must pay if you acquire a customer from another Franchised Business that previously served customers in your Territory.
3. **Travel and Living Expenses During Training.** This estimate is the cost for one person to attend our ten-day initial training. Initial training will be held in Memphis, Tennessee. The cost of the training, as well as some meals, are included in the Initial Franchise Fee. You are responsible for the travel and living expenses, wages, and other expenses incurred by your trainees during the program. Your actual cost will depend on your point of origin, method of travel, class of accommodations, and dining choices.

4. **Real Estate and Improvements.** If you do not own adequate office space, you must lease an office in a retail office, industrial park, or other commercial location within the Territory. The typical office occupies 450 to 1,800 square feet. We estimate rent will be between \$6,000 and \$12,000 per year, depending on factors such as the size of your office and the location of the leased premises. The range in the table is an estimate only for the first three months of rent, the security deposit and any leasehold improvements.
5. **Software and Tablet.** This estimate includes the cost of (i) the annual license fee for Quick Books Accounting and Quick Books Payroll (\$475), (ii) an iPad® tablet with a cellular data plan (\$300 - \$450 used and \$500 - \$900 new), (iii) the quarterly license fees for MM360 (\$105 - \$135), and (iv) the quarterly license fees for our recommended Service Mobility Software for a tablet (\$477 for the standard version and \$567 for the extended version, if you opt to license it). As part of your Initial Franchise Fee, we will provide you with a laptop and the first six months of license fees for the MM360 mobile application. See Item 11 for additional details.
6. **Office Equipment.** This estimate includes the cost to purchase office furniture, office fixtures, a washer and dryer, and office decorations.
7. **Opening Inventory Package Expenses.** The Opening Inventory Package is included in the Initial Franchise Fee. This estimate is the cost of the shipping and handling costs and sales tax, which are not included in the Initial Franchise Fee. The cost varies based upon your location and the suppliers' locations and local sales taxes, if applicable.
8. **Insurance.** This is the estimated cost to prepay all insurance that is required during your first year of operation. See Item 8 for a description of the required insurance.
9. **Employee Screening.** This is the estimated cost of conducting employee background checks and drug screening for your initial employees.
10. **Telephone Answering Service.** This is the estimated cost of paying for a 24/7 answering service for your first month of operation.
11. **Online Marketing Fund Deposit.** This amount will be collected from you and paid by us to vendors to be used to attempt to generate leads in your Territory through online marketing. If you are an existing franchisee purchasing another Territory or a transferee, you will not pay this fee. See Item 5.
12. **Miscellaneous Opening Costs.** You will incur various miscellaneous costs to open your Franchised Business. These costs include your business license, security deposits, utilities, an insurance deposit, and incorporation fee (if you incorporate). You must also have high speed access internet at your office location. (See Item 11.) Fees for internet access providers will vary but should be approximately \$100 per month. You will incur costs of stationery items, pre-printed customer agreement forms, marketing and advertising collateral. We estimate the cost for a three-month supply to be approximately \$1,000.
13. **Professional Fees.** You may incur costs in seeking legal and accounting advice to assist you with the formation of your entity, your lease negotiation, your review of this Disclosure Document and related agreements, the development of your business plan, and your employee or independent contractor hiring practices.
14. **Additional Funds (3 Months).** This estimates the additional funds you may need to cover additional expenses you will incur before your Franchised Business opens and in its first three months of operation. These expenses may include, without limitation, employee salaries, wages,

benefits, employee uniforms, payroll taxes, various licenses, telephone and utility bills, ongoing vehicle payments, taxes and licensing of vehicles, bank charges, taxes, additional advertising expenses, miscellaneous supplies and equipment, and other miscellaneous items. You may incur other categories of expenses or expenses in excess of this estimate. We have based these figures on our and our Predecessor's over 30 years of experience franchising Franchised Businesses.

15. **Total Initial Investment.** These figures are estimates based on our and our Predecessor's many years of experience franchising Franchised Businesses. Your actual investment and expenditures and initial cash outlay may vary from the amounts shown depending on the choices you make, your local market, and the size of your Territory. If you choose to purchase additional equipment, products, supplies, and vehicles, your expenses may be higher.

ITEM 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must purchase or lease certain items to operate your Franchised Business and to render housecleaning services effectively and economically. Your purchases and leases will include cleaning products, equipment, computer software and various supplies, all pursuant to specifications set forth in our confidential Merry Maids Operations Manual (the "**Operations Manual**"). These specifications include standards for customer satisfaction and performance and are subject to change from time to time. Our specifications require primarily that you render services which meet or exceed any given customer's reasonable expectations for maid cleaning services. While our specifications are general in nature and are designed to assure that you meet our goal of total customer satisfaction, we do specifically require that you clean rooms in accordance with the checklists contained in our confidential Operations Manual and that you abide by all laws and regulations applicable to the cleaning supplies and equipment you choose to use.

We reserve the right to require you to purchase equipment, supplies, uniforms, and products required for the operation of the Franchised Business from us, our affiliates, or vendors that we approve that meet our specifications and standards. To the extent that we designate any required or approved suppliers or any specifications for any goods or services, the list of approved cleaning products, equipment, supplies, and services and approved vendors will be set forth in the Operations Manual and may be revised from time to time.

Currently, we have designated a preferred vendor that we recommend you use for purchasing products, equipment, and supplies that you use in your Franchised Business, but you may purchase these items from any vendor. You are required to purchase local digital marketing and other local marketing/advertising through approved vendors that we have listed in the Operations Manual.

Currently, we are not an approved supplier of any products or services that you will use in your Franchised Business.

Insurance. You must purchase and maintain insurance policies that meet our minimum requirements. Currently, you must purchase (i) commercial general liability insurance, including product liability coverage, with minimum limits of \$500,000 per person and \$1,000,000 for bodily injury; (ii) business automobile liability coverage for owned, hired and non-owned auto or any auto, with minimum limits of \$1,000,000 per person/\$1,000,000 per occurrence for bodily injury and \$100,000 for property damage liability; (iii) third party fidelity bond coverage for \$25,000; (iv) worker's compensation with a \$500,000 minimum employee liability; (v) employment practices liability insurance coverage with minimum limit of \$250,000 (or, if obtained as a sublimit to the general liability insurance, then a minimum limit of \$100,000); and (vi) any other insurance required by the laws of the state in which the Franchised Business is operated. We strongly recommend care, custody and control coverage including coverage for damage to property in your employees' control or property they are directly working on, with minimum limits of \$150,000 per

occurrence to adequately protect the operation of the business. We and our affiliates must be named as a certificate holder and as an additional insured on such policy or policies (except that we and our affiliates need not be named as an additional insured for worker's compensation and third-party crime bonds). All required policies must be written by an insurer with an A.M. Best rating of at least A-/VII.

You must provide proof of insurance before opening for business. All insurance must be procured prior to attending Initial Training or before the commencement of business in transfer situations. We reserve the right to change the coverage requirements where, in our business judgment such coverage is reasonably appropriate, and you will be required to comply with any new requirements.

Officer Interests. Our officers do not have any ownership interests in any approved suppliers.

Approval Process. If you wish to use any cleaning products, equipment and supplies, or software we have not previously approved, you may request approval in writing and provide a sample of the item you would like us to consider. We do not publish our criteria for approving such items or suppliers, and we may withhold our approval in our sole discretion. You will be charged a review fee for cleaning products, equipment and supplies you submit for approval. The fee depends on the estimated time it will take our staff to evaluate the item submitted for approval and provide a determination. Our review typically takes 120 days or more.

Revenue Earned from Purchases. We and our affiliates may receive discounts, volume rebates, administration fees, commissions, advertising allowances, or other advances from suppliers. Additionally, we and/or our affiliates have the right to be an approved supplier, exclusive or otherwise, and to earn a profit on any products or services sold to you. We do not currently markup products or services we sell you, but we reserve the right to do so.

Currently, certain approved vendors provide our affiliates with revenue based on sales made to you. This revenue ranges from 1% to 8% of the total revenue they receive from sales to you. We do not provide any special benefit or incentive to you for your purchases from these vendors.

In the year ending on December 31, 2022, SM Systems derived \$2,073,243 in revenue from its direct sale and its vendors' sales of supplies to Franchised Businesses, including cleaning solutions and compounds, equipment and specialty items. This revenue figure has been sourced from SM Systems' unaudited financial statements.

In the year ending on December 31, 2022, we did not receive any revenue from the required purchases of goods or services by our franchisees.

These revenue figures have been sourced from unaudited financial statements for each entity.

Percentage Subject to Specifications. Assuming that the estimated minimum initial costs to begin operations and other financial obligations are within the ranges described in Item 7, we estimate that your required purchases and leases from us, our affiliates or from a designated vendor, including the Opening Inventory Package and computer hardware and software, will be approximately 16% of all purchases and leases in establishing the Franchised Business and approximately 16% of all purchases and leases in operating the Franchised Business.

Purchasing or Distribution Cooperatives. As of the Issuance Date of this Disclosure Document, we do not have any purchasing or distribution cooperatives.

Purchase Arrangements. We have negotiated special franchise pricing with some vendors. For some

purchases, we and you may receive volume discounts in the form of manufacturer and wholesaler rebates, based on the total purchases by the Merry Maids® system.

Material Benefits or Incentives. We do not provide any material benefits or incentives to you for your purchases of certain products or services or your use of certain suppliers.

ITEM 10: FINANCING

We and our affiliates do not offer direct or indirect financing arrangements for any purpose in establishing or operating your Franchised Business. We and our affiliates do not guarantee your promissory note, lease, or any other obligation you may make to others.

We have relationships with certain banks and third-party lenders in different regions and may be able to refer you to a preferred source of financing for Initial Franchise Fees and franchise growth initiatives, but we do not have any arrangements with such lenders and do not receive any benefits from such lenders if you obtain financing from them.

We participate in the SBA's Franchise Directory. We may modify the Franchise Agreement, if necessary, to comply with SBA requirements for you to participate in certain SBA loan programs.

ITEM 11: FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

As noted in Item 1, we have entered into a management agreement with SM Manager for the provision of support and services to Merry Maids® franchisees. SM Manager may provide the training, support, marketing, and other services described in this Item 11 to you on our behalf and will have the authority to exercise many of our rights and perform many of our obligations under the Franchise Agreement. Though we may delegate any of our rights or responsibilities to SM Manager, we remain ultimately responsible for all of the support and services required under the Franchise Agreement.

Before you open your Franchised Business, we will:

- a) Designate your exclusive market (Franchise Agreement - Exhibit A);
- b) At your request, provide input regarding the site of your business office. (Franchise Agreement - Section 1.D) We do not review your construction, remodeling or decorating plans or approve your office site;
- c) Deliver the Opening Inventory Package listed in Exhibit G of this Disclosure Document once you have established an office location and are ready to commence business. (See Item 8; Franchise Agreement - Section N/A);
- d) Furnish an Initial Training Program for one person for all license types, as described below in this Item. (See Franchise Agreement – Section 5.A); and
- e) Give you access to our password protected franchisee intranet site (“**mmConnection**”) which contains the Operations Manual with both mandatory and suggested specifications, standards and procedures. (Franchise Agreement - Section 7) The Operations Manual is confidential and remains our property. We may modify the Operations Manual or any medium that replaces it at any time. The modifications will not alter your status and rights under the Franchise Agreement, but you must conduct your Franchised Business in accordance with the modifications. (Franchise Agreement - Section 7.C) The Table of Contents of the Operations Manual (which has a total of 118 pages) is listed in Exhibit H.

During the operation of your Franchised Business, we will:

- a) Continue to develop new products and/or procedures to offer to your customers and provide you with information about these developments. (Franchise Agreement - Section 11);
- b) Organize and hold the Merry Maids National Seminar as often, when and where it elects to do so. You are required, unless this is a renewal agreement, to attend the first Merry Maids National Seminar scheduled subsequent to the execution of the Franchise Agreement. (Franchise Agreement –Sections 2.B and 5.B);
- c) Hold regional instructional training meetings for you and other franchisees as often, when and where it elects to do so. (Franchise Agreement – Section 5.B);
- d) Provide training to you regarding best practices for hiring and training of your employees by providing sample policies and forms that you can use as a starting point. However, you are not required to use them. You need to make sure any forms or procedures you do use are reviewed by competent local counsel for compliance with the laws where you do business. We spend approximately 3 hours during training explaining to you sample hiring procedures set forth in the Operations Manual. You are not required to use them. We train you on the written forms, tools and programs we recommend for attracting prospective employees; setting the application appointment; the application and interview process; and screening and selection. (Franchise Agreement – Section 10.A.1) You are not required to use them. In addition, we spend 6 hours during training explaining our brand standards for products, equipment and procedures to you in the same manner as you would train an employee, which includes going into a test home to demonstrate. We spend another 4 hours reviewing the Operations Manual provisions regarding training procedures, employee relations, retention and disciplinary procedures; this training covers various forms, tools and programs that represent best practices for training a new employee. You are not required to use them;
- e) Provide advisory service as reasonably requested which shall include consultation on promotional, business and operational problems and an analysis of your marketing and financial data. (Franchise Agreement - Section 5.C); and
- f) From time to time, provide promotional materials, newsletters and/or bulletins describing new marketing developments, equipment, products and techniques. (Franchise Agreement – Section 5.D)
- g) Provide, until the first anniversary of the opening of your Franchised Business, the Sales Support Services to you. We may, in our sole discretion, offer to continue to provide the Sales Support Services to you after your first year of operation, but you will not be required to use such services. During any period in which we provide the Sales Support Services, you must pay the Customer Acquisition Assistance Fee for any customer leads that we generate. We may, in our sole discretion, add, delete, or modify the Sales Support Services. (Franchise Agreement – Section 5.E)

Site Selection

You must operate the Franchised Business from a retail office, industrial park, or other commercial location that is located within a 60-minute drive to all addresses in the Territory, as measured by the drive times during normal business hours that are estimated by Google Maps (or such other third-party source specified by us from time to time). We may change this office location policy from time to time in the Operations Manual. You will be responsible for selecting a site that is compliant with our office location policy. We do not have the right to approve your site and do not generally participate in site selection, but we may, if asked, provide input regarding possible sites.

Business Opening

Franchised Businesses typically open for business within 90 days after execution of the Franchise Agreement. Factors that affect this time usually include obtaining a satisfactory office location, financing arrangements, successful completion of the Initial Training Program, and hiring and training employees. You (or your designee) are required to attend and complete the Initial Training Program within 90 days of signing the Franchise Agreement and to open the location within 30 days of completing Initial Training. (Franchise Agreement – Section 5.A)

Advertising and Promotion

Our Advertising. We have no obligation to conduct any advertising for the franchise system, spend any amount on advertising in your market, or provide advertising materials and/or services to you. Currently, our in-house marketing department produces advertising and communication materials which you may use in your marketing program. A proprietary web site containing approved artwork and logos is available to you and is updated regularly. We will provide to you, marketing materials suggestions for advertising and promoting maid cleaning services in our Operations Manual or online. Certain marketing materials such as door hangers and sales brochures are available for purchase from proprietary websites or the Merry Maids Resource Center. We occasionally will employ an outside public relations agency to develop periodic press releases for distribution to newspapers in your Territory on your behalf.

Ad Fund. We have established the Ad Fund. You must pay into the Ad Fund on a weekly basis. The contribution is 1.3% of weekly gross sales. Currently, the company-owned Merry Maids® branch contributes to the Ad Fund on the same basis as franchisees; however, this may change at our sole discretion.

The Ad Fund will be maintained and administered by an advertising committee nominated and elected by franchisees and made up exclusively of franchisees who are in compliance with the Franchise Agreement (the “**Committee**”). The Committee shall develop all advertising programs and serve in an advisory role, but we retain the right to approve or disapprove the decisions of the Committee. We have the right to discontinue in the Ad Fund or to dissolve or modify the Committee or form a new advisory council.

The Ad Fund may, upon approval by the Committee, be used to meet any and all costs of maintaining, administering and preparing advertising and promoting Franchised Businesses and the products and services offered by franchisees including, without limitation, the cost of preparing and conducting television, radio, magazine and newspaper advertising campaigns and other sales, marketing, promotional, public and other relations activities and materials; to monitor and/or manage social media relating to the Franchise; employing advertising agencies; the costs relating to toll free numbers maintained by Franchisor and used in advertising and marketing campaigns; and such other costs and expenses as Franchisor and the Committee reasonably deems appropriate and in the best interests of all or any franchisees.

The Ad Fund will not be used to defray any of our general operating expenses, except for such reasonable administrative costs and overhead, if any, as Franchisor may incur, with the express approval of the Committee, in activities reasonably related to the administration of the Ad Fund and advertising programs including, without limitation, conducting research, preparing marketing, promotional and advertising materials, and collecting and accounting for assessments for the Ad Fund. While there is no contractual restriction on using the Ad Fund to promote the sale of franchises, the Ad Fund is currently not used to fund efforts to solicit new franchises. Any reasonable travel, meeting and other costs and expenses incurred by the Committee in connection with carrying out their duties related to the Ad Fund may also be reimbursed by the Ad Fund should the Committee deem them appropriate.

The Committee is not obligated to making any expenditures from the Ad Fund in your designated Territory or to ensure that any particular Franchised Business benefits directly or pro rata from the placement of advertising. Certain benefits of the Ad Fund (e.g., paid search by zip code, paid social media efforts by zip code, Listen 360 access, and NAF contributions to local website development and maintenance) may be withheld from a franchisee who is not in good standing (i.e., a franchisee who has received a notice of default and has failed to cure such default within the applicable cure period and as further defined in the Franchise Agreement).

In 2022, the Ad Fund was allocated towards digital advertising (90.4%); non-digital advertising (0.2%); public relations (0.8%); social media (2.1%); creative development (5.4%); call center (0.4%); and administrative costs (0.7%).

All sums paid by franchisees to the Ad Fund shall be maintained in a separate account from our other funds. A financial review of the operation of the Ad Fund will be performed annually by an independent certified public accountant selected by the Committee. We will provide a financial report to you upon written request. We are not obligated to audit the Ad Fund.

Online Marketing Fund. In your first year of operation, if you are a new franchisee, we will collect from you monies that we will pay to a vendor to generate leads in your Territory through online marketing. The online marketing fund will be funded by your Online Marketing Fund Deposit of \$3,000 and an additional \$2,000 that we will provide from your Initial Franchise Fee. We will assist you in using these funds during the first year of operation of your Franchised Business, at times mutually agreed upon. Any portion of this fund not utilized during your first year of operation may be, in our sole discretion, forfeited to us or applied to offset your accounts with us or our affiliates.

Your Local Advertising. You are required to spend at least 0.7% of weekly gross sales on local digital marketing, or, with our approval, other local marketing/advertising. We may request that you to submit an accurate accounting of local marketing expenditures. Should you spend more than the required amount, you may not use any spend in excess of the required 0.7% on this type of marketing as an offset against required contributions to the Ad Fund or any future digital marketing required spend.

If you develop your own materials, you must submit samples of your advertising to us in advance for our approval. You must use our approved vendors to place the local digital marketing or other local marketing/advertising. A list of our approved vendors is contained in the Operations Manual.

You are not obligated to participate in any advertising cooperatives.

Computer System Requirements

A laptop computer with software is included in the Initial Franchise Fee. Should you need an additional computer in your business, you must purchase and install computer equipment to run our proprietary software and other required software programs. A computer with the required software would cost approximately \$1,400. Computer hardware and software recommended minimum requirements are as follows:

1. Laptop: Intel Core (minimum i5 series) with 4GB RAM (8GB or more recommended), 350GB or larger Hard Drive, 14" or larger screen, Wireless Network Card (N adapter or higher)
2. Windows Operating System (Windows 7 or higher)
3. Microsoft Office (Home & Business recommended)
4. Antivirus Protection strongly recommended
5. Laser printer, color an option

6. High-speed Internet Service with minimum 5 Mbps download and 2 Mbps upload dedicated to data (not shared with VoIP or other services)
7. A tablet device with cellular data plan (iOS, Windows, or Android)

We provide an application to assist MM Businesses in providing pricing to customers while in the field which requires a wireless mobile tablet device with a cellular data plan. You are required to purchase such a wireless mobile device and bring it to the Initial Training Program and Sales Training. This pricing application may be migrated to additional or different devices in the future.

You also must use MM360, which is a web-based program for operating your Franchised Business, and Listen 360, which is our customer satisfaction software and a component of MM360. MM360 is a licensed-based application, role-based, per seat that you must license from our designated third-party vendor. The cost of the standard license for MM360 is \$35-\$45 per seat per month and approximately \$12 per seat per month for the mobile license, and each is subject to change based on the then-current price charged by the third-party vendor. License seats are role based specific to your Franchised Business and are not generic; therefore, licenses must not be shared.

You must use the accounting application software prescribed by us for your Franchised Business and any other related entities, which we may modify from time to time. The software we currently specify is owned and developed by a third party. We lease the software from an authorized hosting provider, which you are required to use. You must install and maintain a software connection to enable accurate and complete transmittal of accounting data from you to us at the times and in the manner specified by us. You must update master file records to comply with changes to the accounting practices as prescribed by us. You must electronically transmit to us all data stored on your accounting application on a daily basis. The technical support for the software will be provided by the accounting application hosting vendor.

We also recommend you use a timekeeping software system for employees and a remote data back-up system (with at least 100GB of storage) in your Franchised Business. Any future updates to required software must be purchased and setup by you. We may substitute some software, at our discretion, which may have additional costs.

We recommend you use the Service Mobility Software for purposes of automating your management of jobs, dispatch and information in your Franchised Business. The cost is approximately \$129 - \$159 per month per Franchised Business depending on the type of service you select. The Service Mobility Software Extended Package, with additional functionality, may be available for \$30 per Franchised Business. The license agreement for the Service Mobility Software is attached as Exhibit J to this Disclosure Document.

The software systems run on the recommended hardware listed above. We have no obligation to upgrade your hardware. You have no contractual obligation to upgrade hardware components, but you should upgrade your individual systems if you wish to take full advantage of the speed and improvements of the software package. We have no obligation to provide or to assist you in obtaining the hardware or any software other than the MM360 software.

We independently have access to the information and data generated by our proprietary software described above. There are no contractual limitations on our right to access the information and data, and we will access it from time to time.

We may provide you with an internet electronic mail (e-mail) address and internet website and website address (URL/domain name) for use in operating the Franchised Business. This e-mail address and website and website address will be the only e-mail address, website and website address used by you in operating the Franchised Business. At our request, you will enter into one or more license agreements in the form we

require under which you will receive a license to use the designated e-mail address, website and website address.

Our Initial Training Program is led by our Business Process Manager, Melissa Witulski, who has over 16 years of experience with us and our Predecessor (8 years as a Branch Manager) and is considered the subject matter expert in our operating system; and other Home Office staff who are viewed as subject-matter experts.

Additional Training. During your first 12 weeks of business operations, we will provide business coaching consisting of regular telephone calls.

We usually hold a 3-day National Seminar at a hotel/convention center at a designated location within the United States. Typically, these National Seminars are held annually, but they may be held more or less frequently. The program for the National Seminar typically includes at least 15 hours of training sessions for franchise owners and managers.

You must attend, at your own expense, the first National Seminar (or other equivalent meeting that we designate) scheduled after you have signed the Franchise Agreement. If you are an existing franchisee purchasing an additional Franchised Business, a new franchisee attending your second or subsequent National Seminars (or would like additional people to attend your first National Seminar), or a transferee, you must pay the then-current Seminar Attendance Fee (which will not exceed \$1,000 per person) for each person attending the seminar. If you are a new franchisee, your first Seminar Attendance Fee is included as part of the Initial Franchise Fee. All Seminar fees are non-refundable.

We also hold Regional Meetings one or more times per year, at hotels in various cities. These meetings include at least six hours of training for franchise owners and managers. Either a member of our staff or one of our Regional Coordinators will conduct the Regional Meetings. You or a designated officer or manager of the Franchised Business are required to regularly attend the meetings offered each year, which includes the National Seminar and Regional Meetings which may be held virtually and include road shows provided by Franchisor. We do not currently charge a registration fee for Regional Meetings.

We may make additional virtual trainings are available throughout the year on topics which we believe will be of interest to Franchise Businesses.

You are responsible for the travel and living expenses, wages, and other expenses incurred by your trainees during any training programs.

ITEM 12: TERRITORY

You will receive a Territory with limited protected rights with 40,000 or more Qualified Households for a Full-Sized Territory, a minimum of 20,000 to 39,999 Qualified Households for a Mid-Sized Territory, and up to 20,000 Qualified Households for a Small-Sized Territory. In addition to Qualified Households, we also consider total population and relative affluence in designating each Territory, utilizing census data from SRC, LLC located in Orange, California. We will describe your Territory in writing in Exhibit A of the Franchise Agreement and also, when available, depict the Territory by a map.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets

that we own, or from other channels of distribution or competitive brands that we control. However, your Territory will have limited protected rights. Specifically, while your Franchise Agreement is in effect, we will not establish, or license a third party to establish, a Merry Maids® business or Franchised Business that offers residential maid cleaning services utilizing the System or the Marks within the Territory.

Beginning in the first full Period of your second year of operation, the continuation of these limited protected rights in your Territory is contingent upon your maintaining in each four-week period specified by us (a “**Period**”) the average minimum weekly Gross Sales levels set forth below, which is determined based on the size of the Territory purchased by you and the number of years that the Franchised Business has been operated (starting from its opening date) (the “**Minimum Average Weekly Gross Sales Requirement**”):

Years of Operation (from Opening Date)	Minimum Average Weekly Gross Sales Requirement of Franchised Business		
	Full-Sized Markets	Mid-Sized Markets	Small-Sized Markets
Periods Beginning in Year 1	No Minimum	No Minimum	No Minimum
Periods Beginning in Year 2	\$1,000	\$1,000	\$500
Periods Beginning in Year 3	\$2,000	\$1,500	\$1,000
Periods Beginning in Year 4	\$3,000	\$2,000	\$1,000
Periods Beginning in Year 5 and thereafter	\$3,000	\$2,000	\$1,000

To determine the average weekly Gross Sales in a Period, the total Gross Sales of the Franchised Business in such Period shall be divided by the number of weeks in such Period. From time to time and in any subsequent renewal agreements, we may change the Minimum Average Weekly Gross Sales Requirement and the manner in which Periods are determined. In addition, beginning in the sixth year of operation of the Franchised Business (whether during the Franchise Agreement or any renewal thereof), unless otherwise specified in a renewal franchise agreement, you must achieve a sales growth compounded annual growth rate (“**CAGR**”) of at least 2% over the term of the Franchise Agreement and an additional 2% over the term of each subsequent renewal agreement. This CAGR is measured on a calendar basis beginning in the year your renewal agreement is signed.

We may reduce the size of the Territory or terminate or not renew this Agreement if you fail to meet the Minimum Average Weekly Gross Sales Requirement in three or more Periods during any nine consecutive Periods (except in the event that local economic conditions and/or extenuating circumstances materially affect sales potential which, in our sole discretion, affects your ability to meet such sales levels).

There are no restrictions on our right to solicit or accept orders from customers located in your Territory. If you do not participate in the National Accounts Program, we have the right to refer the leads in your Territory to other cleaning or maid services businesses. In addition, we and our affiliates may use other channels of distribution (such as the Internet, telemarketing, or direct marketing) to make sales within your Territory while using the Marks or other marks. We are not obligated to compensate you for soliciting and/or conducting business within your Territory.

Except when advertising cooperatively with appropriate franchisees, you cannot advertise or solicit sales or accept orders outside your Territory.

You do not receive a right of first refusal to acquire additional Franchised Businesses within your Territory or contiguous territories; however, additional territories may be purchased with our approval.

You must operate the Franchised Business from an office that is located within a 60-minute drive to all addresses in the Territory, as measured by the drive times during normal business hours that are estimated by Google Maps (or such other third-party source specified by us from time to time). We may modify this office location policy from time to time in the Operations Manual. You may relocate your office to a another location that is compliant with this policy, but you must notify us before relocating.

Except as described above and in Item 1, we do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, our affiliates, including the Affiliated Programs described in Item 1 and other portfolio companies that currently are or in the future may be owned by private equity funds managed by Roark Capital Management, LLC, may operate and/or Franchised Businesses that sell similar goods or services to those that our franchisees sell.

Item 1 describes our current Affiliated Programs that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. All of these other brands (with limited exceptions) maintain offices and training facilities that are physically separate from the offices and training facilities of our franchise network. Other than some ServiceMaster® franchisees that offer competing cleaning services, the Affiliated Programs are not direct competitors of our franchise network given the products or services they sell. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from customers near your business. Because they are separate companies, we do not expect any conflicts between our franchisees and our affiliates’ franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

ITEM 13: TRADEMARKS

In the Securitization Transaction, ServiceMaster acquired the Marks from SM IP, which had acquired them from Predecessor, Former Parent, or other former affiliates of Predecessor in the Acquisition. Predecessor, Former Parent, or our Predecessor’s other former affiliates have registered the Marks listed below, among others, on the Principal Register of the United States Patent and Trademark Office (the “USPTO”) and filed all necessary affidavits and renewals for such Marks. ServiceMaster is in the process of recording its ownership of the Marks with the USPTO.

ServiceMaster has licensed the Marks and other intellectual property related to the operation of Franchised Businesses (collectively, the “Licensed IP”) to us and authorized us to use the Licensed IP in connection with the offer, sale, and support of franchises. The license agreement does not contain any significant limitation on our right to use or license the Licensed IP to you. The license agreement has a 99-year term and may be terminated unilaterally by either party only upon a material breach of such agreement. Upon termination of the license agreement, we and our franchisees must immediately discontinue the use of the Licensed IP.

There are no effective determinations of the USPTO, the Trademark Trial and Appeals Board, the trademark administrator of this state, or any court involving our principal Marks. There are no pending interference, opposition or cancellation proceedings and no pending material litigation involving the principal Marks. You must follow our rules when you use these Marks. You cannot use any name or mark as part of a corporate name or with any prefix, suffix, or other modifying words, terms, symbols or designs except for those which we license to you. You may not use the Merry Maids® registered name in connection with the sale of an unauthorized product or service or in a manner not authorized in writing by us.

There are no agreements currently in effect which significantly limit our right to use or license franchises to use the Marks.

You must not directly or indirectly contest our right to our Marks, trade secrets or business techniques that are part of our business. You must notify us immediately if you learn about an infringement of, challenge to, or unfair competition by others involving our Marks. We will take whatever action, if any, we deem appropriate. We have no contractual obligation to defend you or to prosecute any legal action against others with respect to any infringement, unfair competition or other claim in any way related to our Marks.

There are no infringing uses actually known to us which could materially affect your use of our principal Marks in this state or any other state in which your Franchised Business may be located.

If we require you to modify or discontinue use of a Mark as a result of a proceeding or settlement, we will reimburse you for your tangible costs of compliance (i.e., changing signs).

ITEM 14: PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We do not have any patents or patent applications that are material to the franchise system.

We or our affiliates claim copyright protection of our MM360 software, the Operations Manual, and all of the manuals, advertising and promotional materials, forms, and related materials that we produce, although these materials may not have been registered with the Copyright Office of the Library of Congress. The materials are proprietary and confidential and are considered our or our affiliates' property. You may use them only as long as you are a franchisee and are authorized by us to do so and only as provided in the Operations Manual or the Franchise Agreement.

There are currently no effective determinations of the Copyright Office of the Library of Congress or any court regarding any of our copyrighted materials. There are no agreements in effect that significantly limit our right to use or license the copyrighted materials. We are not aware of any infringing uses of these materials that could materially affect your use of these materials. We are not required by any agreement to protect or defend our or our affiliates' copyrights.

We will be disclosing to you certain information we believe to be confidential or proprietary information and trade secrets. This will include information contained in our manuals, and in materials separately provided to you. You may use these materials, in the manner we approve, in the operation of your business during the term of the Franchise Agreement. However, you may not use these materials in any other way for your own benefit, or communicate or disclose them to, or use them for the benefit of any other person or entity. These materials include any trade secrets, knowledge or know-how, confidential information, advertising, marketing, designs, plans, or methods of operation. This includes information about our sources of supply, and our recommendations on pricing. You may disclose this information to your employees, but only to the extent necessary to operate your business, and then only while the Franchise Agreement is in

effect. You are responsible for restricting your employees from improperly using or disclosing our confidential information.

ITEM 15: OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

We recommend, but do not require, that you personally supervise the Franchised Business. If you do not personally supervise the business, or if you are a corporation, partnership, or limited liability company, you must employ a manager who will be responsible for direct, on-premises supervision of the business. The manager must have successfully completed our training program, but need not have an ownership interest if you are a corporation, partnership, or limited liability company. You are responsible for restricting your managers from improperly using or disclosing our confidential information.

If you are a corporation, partnership, or limited liability company, we will require any owners that own directly or indirectly 15% or more of the ownership interests in your entity to sign the Guaranty of Franchisee’s Obligations attached to the Franchise Agreement. All of your other owners, and all of your owners’ spouses who are actively involved in the operation of the Franchised Business, will be required to sign confidentiality agreements and/or noncompete agreements that we prescribe. Your owners will also be required to sign the Item 23 Receipt attached to this Disclosure Document prior to signing a Franchise Agreement.

ITEM 16: RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and provide all the services we require. We restrict the type of goods or services that you may offer. You are required to follow our cleaning processes and use only cleaning products that we have approved. You are prohibited from providing services not described in the Franchise Agreement. We have the right to change the authorized services without limitation.

You must not actively solicit sales or accept orders from customers outside of your defined Territory. If a customer outside of your Territory is seeking cleaning services, you must refer the request to the Merry Maids® office which covers the customer’s area. If there is no Merry Maids® office covering that customer’s area and you wish to provide services to the customer, you may do so with our approval. If you are serving customers in an open Territory that is eventually sold, you must transfer these customers to the new owner of that Territory.

ITEM 18: PUBLIC FIGURES

We do not use any public figure to promote our franchises.

ITEM 19: FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned Units, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing Unit you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This Item 19 presents information about the financial performance during the period January 1, 2022 to December 31, 2022 (the "**Covered Period**") for certain Franchised Businesses that were Active Franchises throughout the Covered Period. An "**Active Franchise**" is a Franchised Business that (i) opened prior the Covered Period, (ii) reported Gross Sales in all 12 months of the Covered Period, and (iii) was owned by the same owner throughout the Covered Period.

We recommend that all franchisees operate an office within the Territory for each Franchised Business and require new franchisees to have an office that is located within a 60-minute drive of all addresses within their Territory. Some of our existing franchisees have been permitted to operate one or more Franchised Businesses from an office that is located outside of their Territory and outside of a 60-minute drive radius. In this Item 19, we refer to Active Franchises that operate an office within the assigned Territory for such Franchised Business as a "**Qualified Franchise**," and Active Franchises that do not operate an office within the assigned Territory for such Franchised Business as a "**Remote Office Franchise**."

In addition, in this Item 19, we have presented some data by Franchise Ownership Groups. A "**Franchise Ownership Group**" or "**FOG**" consists of one or more Franchised Businesses that are owned by one or more entities that are affiliated with each other by common ownership. We believe Franchise Ownership Groups are the best measurement of our franchisee's actual business operations, as many of our franchisees operate multiple Franchised Businesses within one overall business.

This Item 19 does not include data related to (i) company-owned units and (ii) Franchised Businesses that were not Active Franchise operating throughout all of the Covered Period, because such Franchised Businesses opened, closed, were reacquired by us, or were transferred to a new owner during the Covered Period or did not report Gross Sales for all 12 months of the Covered Period.

In the tables below, we have presented (i) Gross Sales data for all Qualified Franchises that operated throughout the Covered Period, (ii) Gross Sales data for all Franchise Ownership Groups with Active Franchises that operated throughout the Covered Period, and (iii) Gross Sales data for both Active Franchises and Franchise Ownership Groups, organized by number of Active Franchises within each Franchise Ownership Group.

Notes to Table 3:

1. See Note 1 to Table 2 for details about the Franchise Ownership Groups and Franchised Businesses included and excluded from this table.
2. As of December 31, 2022 (the end of the Covered Period), there were 958 Franchised Businesses. Of those 958 Franchised Businesses, 849 (88.6%) were Active Franchise throughout the Covered Period and are represented in these tables. These tables do not include (i) 91 Franchised Businesses that did not operate through all 12 months of the Covered Period (including 4 that opened during the Covered Period) and (ii) 18 Franchised Businesses that were transferred to a new owner in the Covered Period. These tables also do not include 42 Franchised Businesses that ceased operating in the Covered Period (none of which had opened within the 12 months prior to the date such Franchised Business closed).
3. This table reflects the financial performance of both Qualified Franchises and Remote Office Franchises.

NOTES TO ITEM 19:

1. **Some franchises have sold or earned this amount. Your individual results may differ. There is no assurance that you'll sell or earn as much.**

2. “Gross Sales” means all billings of the Franchised Business, whether or not collected, including but not limited to cash sales and sales on account, monies billed for maid cleaning services whether performed by you or subcontracted, monies billed in connection with trade or barter agreements, or monies billed for any other cleaning and/or maintenance of any structure, interior or exterior.
3. We calculated the figures in the tables in these financial performance representations using financial reports submitted by franchisees. In order to properly allocate revenue to each Franchised Business, we identified each sale by zip code and assigned the revenue to the appropriate Franchised Business. Some Franchised Businesses earned revenue through sales made outside of their Territories in Territories that have not yet been licensed or in Territories licensed to other franchisees. We have not included in the data any Gross Sales earned from zip codes outside of the Territories licensed to each Franchised Business, because most Franchised Businesses are not authorized to accept orders from customers outside of their defined Territories.
4. These sales figures do not reflect the costs of sales, operating expenses or other costs or expenses that must be deducted from the Gross Sales figures to obtain your net income or profit.
5. We have not audited or independently verified the financial reports submitted by our franchisees nor have we asked questions of the submitting franchisees to determine whether they are in fact accurate and complete, although we have no information or other reason to believe that they are unreliable. No certified public accountant has audited these figures or expressed his or her opinion concerning their content or form.
6. Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.
7. We encourage you to consult with your own accounting, business, and legal advisors to assist you to prepare your budgets and projections, and to assess the likely or potential financial performance of your franchise. We also encourage you to contact existing franchisees to discuss their experiences with the system and their franchise business. Notwithstanding the information set forth in this financial performance representation, our existing franchisees are your best source of information about franchise operations.

Other than in this Item 19, we do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting the Legal Department, Merry Maids SPE LLC, One Glenlake Parkway, 14th Floor, Atlanta, Georgia 30328, Telephone 800-756-5656, the Federal Trade Commission, and the appropriate state regulatory agencies.

We have not created, sponsored or endorsed any trademark-specific franchisee organization associated with our franchise system. No independent franchise organization has requested to be included in our Disclosure Document.

MERRY MAIDS FRANCHISE AGREEMENT

THIS MERRY MAIDS AGREEMENT (this “**Agreement**”) is made and entered into as of _____, 20____ (“**Effective Date**”) by and between MERRY MAIDS SPE LLC, a Delaware Limited Liability Company, with a mailing address of One Glenlake Parkway, 14th Floor, Atlanta, Georgia 30328 (“**Franchisor**”), and _____, a _____ (corporation, limited liability company, partnership, sole proprietorship), with a mailing address of _____ (“**Franchisee**”).

Background

(A) Franchisor, as the result of significant time, skill, effort and money, has acquired and developed a unique management and business system for providing residential maid cleaning services performed under the name “Merry Maids” (the “**System**”). The System includes the trademark Merry Maids®, other trademarks, trade names, service marks, commercial announcements (slogans) and related insignia (logos) Franchisor owns (the “**Marks**”) for which Franchisor has the right to license in connection with the System.

(B) Franchisor operates and licenses others to operate a Merry Maids® maid cleaning service business using the System, including the Marks (an “**MM Business**”);

(C) Franchisee desires to establish and operate an MM Business;

(D) Franchisee has completed the pre-purchase requirements of Franchisor, including the home office visit, written character and personality assessment, background check and credit evaluation testing and has been interviewed by Franchisor;

(E) Franchisee understands and acknowledges the importance of Franchisor’s high and uniform standards of quality and service and the necessity of operating MM Businesses in conformity with Franchisor’s standards and specifications. Franchisee acknowledges that the terms, conditions and covenants contained in this Agreement as being reasonably necessary to maintain Franchisor’s high standards of quality and service and the uniformity of those standards and thereby to protect and preserve the goodwill of the Marks; and

(F) Franchisor is willing to grant Franchisee the right to operate an MM Business in accordance with the terms and conditions of this Agreement.

NOW THEREFORE, the parties hereto, intending to be legally bound, in consideration of the mutual agreements, covenants and promises contained herein, do hereby agree as follows:

AGREEMENT

1. GRANT

A. The parties to this Merry Maids Franchise Agreement hereby agree that the paragraphs included under “Background” above are incorporated and made a part of this Agreement.

B. Franchisor hereby grants to Franchisee, upon the terms and conditions contained in this Agreement, a right and license to operate an MM Business using the System and the Marks (the “**Franchised Business**”) in the geographical area specified in Exhibit “A” attached hereto and made a part hereof (the “**Territory**”). The maid cleaning services to be performed pursuant to the System are generally cleaning and housekeeping services for homes, apartments and other residences, as more fully defined in the confidential Merry Maids Operations Manual (the “**Operations Manual**”) as that term is defined in Section 7 herein. Franchisee acknowledges that the boundaries of the Territory are delineated by a combination of boundary streets, highways, city limits, county lines, riverbanks and other prominent geographic features. Franchisee also acknowledges, if this is a first-time purchase, that Franchisor

selects Territories for franchises based upon population, household income and geographic size, based on data provided by SRC, LLC, located in Orange, California (“SRC”). Each Full-Sized Territory consists of 40,000 or more Qualified Households. Each Mid-Sized Territory consists of 20,000 to 39,999 Qualified Households. Each Small-Sized Territory consists of up to 20,000 Qualified Households. “Qualified Households” are defined as the foregoing stated number of households with an average annual income of \$75,000 or higher at the time of this Agreement. Each Territory is further defined based upon population and relative affluence utilizing the then-current census-based demographics data as provided by SRC.

C. Franchisor will not, so long as this Agreement is in full force and effect and Franchisee is not in default under any of the terms hereof, establish, or license another to perform, residential maid cleaning services utilizing the System or the Marks within Franchisee’s Territory.

D. Franchisee must operate the Franchised Business in a retail office, industrial park or other commercial location that is located within a 60-minute drive to all addresses in the Territory, as measured by the drive times during normal business hours that are estimated by Google Maps (or such other third-party source specified by Franchisor from time to time). Franchisor may change this office location policy from time to time in the Operations Manual.

E. The Franchised Business must at all times be under the direct, on-premises supervision of a manager (who may be Franchisee) who is known to Franchisor, has completed the Initial Training Program as defined in Section 5 herein and who devotes full-time and attention during business hours to the management of the Franchised Business. Such manager may not have any interest as an owner, employee, director, officer, salesperson, representative, agent, or in any other capacity in any business competitive with MM Businesses. After commencement of business, Franchisee shall operate the Franchised Business in the Territory continuously during the term hereof in accordance with the days and hours of operation customarily employed by an MM Business

F. Franchisee is limited to providing maid cleaning services and other cleaning services, such as window cleaning, as may be approved by Franchisor. Franchisee must be willing to service customers throughout the entire geographical area comprising the Territory and must offer services to all customers within the Territory. Franchisee must not solicit or serve customers outside of its designated Territory. If a customer outside of Franchisee’s Territory requests services, Franchisee shall refer this request to the MM Business which covers the customer’s area. If Franchisee chooses to serve a customer in a territory that has not been sold to a franchisee and the territory is eventually sold, Franchisee must transfer the customer(s) to the new owner.

G. Franchisee expressly acknowledges and agrees that this license relates solely to the System and solely to the Territory specified in Exhibit A and does not grant the Franchisee any rights under any other program of the Franchisor. Except as specifically described in this Agreement, all other programs performed under the Marks by the Franchisor and the Franchisor’s affiliates, including but not limited to such other programs as may be developed or acquired by the Franchisor in the future are specifically excluded from this license and specifically reserved for use by the Franchisor. The Franchisee understands and agrees that one or more of the other programs may utilize the confidential information from the System, and from the Operations Manual, and that other franchisees have been and will be licensed to operate MM Businesses under the System that utilize the System and the Marks outside the Territory.

H. Beginning in the first full Period in the second year of operation of the Franchised Business, Franchisee’s right to continue operating in the Territory is dependent on Franchisee earning in each four-week period specified by Franchisor (a “Period”) the average weekly Gross Sales that are set forth in the following table, which is determined based on the size of the Territory purchased by Franchisee (as stated on the cover page of this Agreement) and the number of years that the Franchised Business has been operated (starting from the Opening Date) (the “Minimum Average Weekly Gross Sales Requirement”):

Years of Operation (from Opening Date)	Minimum Average Weekly Gross Sales of Franchised Business		
	For Full-Sized Markets	For Medium-Sized Markets	For Small-Sized Markets
Periods Beginning in Year 1	No Minimum	No Minimum	No Minimum
Periods Beginning in Year 2	\$1,000	\$1,000	\$500
Periods Beginning in Year 3	\$2,000	\$1,500	\$1,000

Periods Beginning in Year 4	\$3,000	\$2,000	\$1,000
Periods Beginning in Year 5 and thereafter	\$3,000	\$2,000	\$1,000

Franchisee must achieve the Minimum Average Weekly Gross Sales Requirement in each Period during the term of this Agreement and all subsequent renewals thereof, provided that the Minimum Average Weekly Gross Sales Requirement may be increased from time to time and in subsequent renewal agreements. To determine the average weekly Gross Sales in a Period, the total Gross Sales of the Franchised Business in such Period shall be divided by the number of weeks in such Period. Franchisor may also modify the manner in which a Period is determined in its sole discretion (such as changing it to align with calendar months or another measurement of time) by specifying the revised Periods in the Operations Manual. In addition, beginning in the sixth year of operation of the Franchised Business (whether during this Agreement or any renewal thereof), unless otherwise specified in a renewal franchise agreement, the Franchised Business must achieve a sales growth Compounded Annual Growth Rate (“CAGR”) of at least two percent (2%) over the term of this Agreement and an additional two percent (2%) CAGR for each subsequent renewal term. The sales growth CAGR requirement will be based on the calendar year beginning January 1 and ending December 31 during the Term and beginning on the Effective Date noted herein. If Franchisee fails to meet the Minimum Average Weekly Gross Sales Requirement in three (3) or more Periods during any nine (9) consecutive Periods (except in the event that local economic conditions and/or extenuating circumstances materially affect sales potential which, in Franchisor’s sole discretion, affects Franchisee’s ability to meet such sales levels), then Franchisor shall have the right to (i) terminate or not renew this Agreement or (ii) reduce the size of the Market and license or establish another MM Business in the area eliminated from Franchisee’s Market. The amount of the Minimum Average Weekly Gross Sales Requirement shall not be construed or otherwise interpreted to be an earnings claim or a statement or projection of the potential revenue for any MM Business.

I. If Franchisee is a corporation, limited liability company, partnership, or other entity (collectively, an “Entity”), we refer to any person or Entity holding a direct or indirect ownership interest (whether of record, beneficially, or otherwise) or voting rights in Franchisee’s Entity, including any person or Entity who has a direct or indirect interest in Franchisee, this Agreement, the franchise, or the Franchised Business and any person or Entity who has any other legal or equitable interest, or the power to vest in himself or herself any legal or equitable interest, in their revenue, profits, rights, or assets or any capital appreciation relating thereto as an “Owner.”

2. INITIAL FRANCHISE FEES AND OPENING DEADLINE

A. Franchise Fee. In consideration for the grant of the license to operate the Franchised Business in the Territory, Franchisee will initially pay to Franchisor a franchise fee of _____, (the “Initial Franchise Fee”) payable upon the execution of this Agreement.

B. Seminar Attendance Fee. If this is the purchase of a new MM Business, the Seminar Attendance Fee shall be included in the Initial Franchise Fee and shall be applied to the registration cost of one person attending the first National Seminar (or such other equivalent meeting designated by Franchisor) occurring after execution of the Franchise Agreement.

C. Online Marketing Fund Deposit. If this is the purchase of a new MM Business, Franchisee shall pay Franchisor, upon execution of this Agreement, an online marketing fund deposit of \$3,000 (the “Online Marketing Fund Deposit”). Franchisor shall place this fee, along with \$2,000 of Franchisee’s Initial Franchise Fee into an online marketing fund for the Franchised Business (the “Online Marketing Fund”), which shall be utilized during the first year of Franchisee’s operation of the Franchised Business to target households in the Territory through online advertising or, with Franchisor’s prior approval, through the services of a third-party direct marketing vendor. Franchisor will assist Franchisee in using the funds in the Online Marketing Fund for mutually agreed upon expenses. Any portion of the Online Marketing Fund not submitted for reimbursement for local marketing in the Franchised Business’ first year of operation may be, in Franchisor’s sole discretion, forfeited to Franchisor or applied to offset Franchisee’s accounts with Franchisor or its affiliates.

D. Non-refundable Payments. The Initial Franchise Fee, Online Marketing Fund Deposit, and all other payments to Franchisor pursuant to this Agreement are non-refundable under any conditions except at the sole discretion of Franchisor.

E. Opening Deadline. Franchisee agrees to commence the operation of the Franchised Business within thirty (30) days after completion of the Initial Training Program as defined in Section 5 of this Agreement. The date that the Franchised Business begins operating shall be referred to as the “**Opening Date**.”

3. TERM AND RENEWAL

A. Term. The initial term of this Agreement is for five (5) years from the Effective Date. While this Agreement may be amended or modified by the mutual consent of Franchisor and Franchisee in writing, no other agreement shall affect the term hereof.

B. Renewal. Franchisee may elect to renew Franchisee’s right to operate the Franchised Business for one addition five-year term, if Franchisee, in Franchisor’s sole discretion, satisfies the renewal conditions set forth in Section 3.B.1.

1. Renewal Conditions: Franchisee must satisfy the following conditions in order to be eligible for, and as a condition for entering into, a renewal term, each of which are agreed to be reasonable:

a. Franchisee must provide written notice to Franchisor between six (6) and nine (9) months prior to the end of either the initial term or any renewal term that Franchisee intends to enter into a renewal term;

b. Franchisee must be in Good Standing (as defined in Section 3.B.4.), must have substantially complied during the Term with the terms and conditions of this Agreement and Related Agreements (as defined in Section 3.B.4);

c. Franchisee must be then meeting or exceeding the Minimum Average Weekly Gross Sales Requirement and must not have failed to meet the Minimum Average Weekly Gross Sales Requirement three (3) or more Periods during any nine (9) consecutive Periods at any point during the term;

d. Franchisee must not be in default of any provision of this Agreement or any other agreement between Franchisee and Franchisor and must not have received four (4) or more written notices of default from Franchisor, concerning a material breach of this Agreement during the prior term, irrespective of whether the breaches were corrected within the prescribed cure period after receipt of any such notice of default;

e. Franchisee must meet Franchisor’s then-current requirements for franchisees qualifying to become franchisees in the Merry Maids franchise system;

f. Franchisee must pay Franchisor the then-current renewal franchise fee that is in effect at the time that it signs the Renewal Franchise Agreement (which is \$2,000 as of the Effective Date, but is subject to change);

g. Franchisee and each Owner and/or affiliate of Franchisee must have executed a general release (in the form substantially similar to that attached hereto as Exhibit “E” and by this reference incorporated herein) (the “**General Release**”) of any claims arising out of this Agreement against Franchisor and its affiliates, and their respective officers, directors, managers, agents, representatives and employees; and

h. Franchisee must execute Franchisor’s then-current Franchise Agreement which shall supersede this Agreement when accepted and executed by Franchisor (a “**Renewal Franchise Agreement**”), and which may contain terms and conditions different from those set forth in this Agreement.

2. Non-renewal. If (a) Franchisee provides written notice between six (6) and nine (9) months prior to the end of either the initial term or any renewal term that Franchisee does not intend to enter into a renewal term or (b) Franchisor determines, in its sole discretion, that Franchisee cannot satisfy the renewal conditions and provides Franchisee with a notice of non-renewal (the “**Non-Renewal Notice**”), this Agreement shall expire at the end of the then-current term.

3. Temporary Extension. If Franchisee fails to execute the Renewal Franchise Agreement and General Release and complete the renewal process by the expiration of the then-current term and Franchisee continues operating the Franchised Business, then, unless Franchisor has provided Franchisee with a Non-Renewal Notice, the

term shall continue on a month-to-month basis provided, however, that Franchisor shall have the right at any time to terminate this Agreement upon its issuance of a written Notice of Termination (the “**Termination Notice**”) to Franchisee, which termination shall be effective immediately upon Franchisee’s receipt of, or refusal to accept, such Termination Notice (or on the termination date specified in the Termination Notice, if different). If Franchisee fails to fully and completely execute the Renewal Franchise Agreement and General Release and complete the renewal process within sixty (60) days of the commencement of the temporary extension, then, effective immediately thereafter, the weekly Royalties payable under Section 12.A. shall increase by an amount equal to 2.5% of Gross Sales during each week that Franchisee fails to complete the renewal process until (i) the renewal process is completed (including execution of the Renewal Franchise Agreement and General Release and payment of the renewal fee) or (ii) this Agreement is terminated. By accepting any increased Royalties, Franchisor does not waive any of its rights and remedies under this Agreement including, without limitation, the right to terminate this Agreement pursuant to its terms and all such rights and remedies shall be cumulative of every other right or remedy.

4. Good Standing. “**Good Standing**” means, with respect to Franchisee, Franchisee is deemed to be in “Good Standing” if Franchisee and each of its Owners and affiliates (a) are in full compliance with all Obligations, (b) have not had any Related Agreements terminated during the Term as a result of their default, (c) have not received during the term more than four (4) default notices under this Agreement or any Related Agreement, and (d) have no pending or threatened litigation or disputes with Franchisor, its Affiliates, or its approved vendors. “**Obligations**” include all obligations to Franchisor, its affiliates, or its approved vendors, whether arising under (i) this Agreement, (ii) any other agreement between Franchisee (and/or any of its Owners or affiliates) and Franchisor (and/or any of its affiliates or approved vendors) (“**Related Agreements**”), (iii) the Operations Manual, or (iv) other standards or requirements specified by Franchisor.

4. PROPRIETARY MARKS

A. It is understood and agreed that this Agreement permits the use of Franchisor’s Marks only for the performance of maid cleaning services in connection with the operation of the Franchised Business in the Territory and includes such Marks as are now or may hereafter be designated by Franchisor in writing for use by Franchisee and does not include any other Marks of Franchisor now existing or yet to be developed or acquired by Franchisor or its affiliates. Franchisee agrees to operate and advertise the Franchised Business only under the Marks designated by Franchisor in the Identity Manual for that purpose.

B. Franchisee acknowledges Franchisor’s right, title and interest in and to the Marks, the identification schemes, standards, specifications, operating procedures and other concepts embodied by the Marks. Except as expressly provided by this Agreement, Franchisee acquires no right, title or interest in the Marks; any and all goodwill associated with the Franchised Business, the System, and the Marks shall inure exclusively to Franchisor’s benefit; and upon the expiration or termination of this Agreement, no monetary amount shall be assigned as attributable to the goodwill associated with Franchisee’s use of the System or the Marks. Franchisee accordingly agrees that any unauthorized use of the Marks is and shall be deemed an infringement of Franchisor’s rights.

C. Franchisee acknowledges that the use of the Marks outside the scope of this Agreement, without Franchisor’s prior written consent, including the performance of services other than maid cleaning services as defined in Section 1.B., is an infringement of Franchisor’s exclusive right, title and interest in and to the Marks, and Franchisee expressly covenants that during the term of this Agreement, and after the expiration or termination hereof, Franchisee shall not, directly or indirectly, commit an act of infringement or contest or aid in contesting the validity or ownership of Franchisor’s Marks, or take any other action in derogation thereof.

D. Franchisee shall promptly notify Franchisor of any use by any person or Entity, other than Franchisor or another of its franchises, of any Marks licensed hereunder, any colorable variation thereof, or any other mark in which Franchisor has or claims a proprietary interest. Franchisee further agrees to notify Franchisor promptly of any litigation instituted by any person or Entity against Franchisor or Franchisee involving the Marks, in which event Franchisor may in its sole discretion take such action as it deems appropriate or no action. Franchisor is not required to defend or prosecute any legal action on behalf of Franchisee with respect to any infringement, unfair competition or other claim in any way related to Franchisee’s use of any Marks or other name or mark. In the event Franchisor, in its sole discretion, undertakes the defense or prosecution of any litigation relating to the Marks, Franchisee agrees to execute and convey to Franchisor any and all documents, and to render such assistance as may, in the opinion of

Franchisor's counsel, be reasonably necessary to carry out such defense or prosecution. Franchisor makes no warranty, express or implied, as to the use, validity or enforceability of the Marks.

E. Franchisor hereby grants to Franchisee the right to use the words "Merry Maids" but only in conjunction with the Franchised Business. Franchisee may not use the words "Merry Maids", or the names and marks of any other affiliated company, as its primary business or corporate name, but shall duly file a fictitious business name statement or similar document whereby Franchisee is indicated as doing business as: "Merry Maids No. ". All customer contracts must contain a statement substantially equivalent to the following: "Services provided by an independently owned and operated franchisee of Merry Maids SPE LLC"

F. Franchisee shall not, without Franchisor's prior written consent, use the Marks, or the names and marks of any other affiliated company, as part of Franchisee's corporate or other legal name, nor hold out or otherwise employ the Marks to perform any activity or to incur any obligation or indebtedness, in such a manner as could reasonably result in making Franchisor liable therefore.

G. Franchisor may provide Franchisee with an internet electronic mail (e-mail) address, internet website and website address (URL/domain name) for use in operating the Franchised Business. This website and website address shall be the only website and website address used by Franchisee in operating the Franchised Business. Franchisee agrees to enter into one or more license agreements in the form Franchisor requires, under which Franchisee will receive a license to use the designated e-mail address, website and website address. Franchisee shall not establish a website on the internet using any domain name or address containing the Marks, the trademarks of any of its affiliates, or any variation thereof. Franchisor shall have the right to review the substance and content of Franchisee's web page and Franchisee agrees to immediately delete any materials which improperly use Franchisor's trademarks or logos, or contain, in Franchisor's sole discretion, derogatory or inappropriate materials. Franchisor also retains the right to pre-approve Franchisee's use of linking and framing between Franchisee's web pages and all other websites. Franchisee shall, within five (5) days, dismantle any frames and links between Franchisee's web pages and any other websites, if and as requested by Franchisor. Should Franchisee, in the sole discretion of Franchisor, be in compliance with the then-current identity requirements for web pages, Franchisor will allow Franchisee to link to Franchisor's website(s) and dealer locator-page.

H. Franchisee and Franchisor expressly acknowledge and agree that the grant to use the Marks in this Agreement is exclusive, so that the parties also agree and acknowledge as follows:

1. Franchisor will not locate, establish or license another to establish any other MM Business within Franchisee's Territory. Franchisee is prohibited from soliciting sales or accepting orders outside of the designated Territory.

2. Franchisor has not established and will not establish an MM Business using the Marks in Franchisee's Territory.

3. Under the ServiceMaster® or ServiceMaster Clean® trade name/trademarks, an affiliate company of Franchisor, ServiceMaster Clean/Restore SPE LLC, presently operates and franchises the operation of cleaning businesses specializing in: (a) janitorial services, both short and long term, for office buildings, schools, retail centers, or any other institutions that require cleaning on a daily, weekly, or monthly basis, which services include the cleaning and maintaining of general office areas, floors, walls, restrooms and public areas; and (b) the cleaning of carpeting, upholstery, floors, walls, and other heavy cleaning projects in homes and commercial buildings; and (c) proprietary certified services, other specialized services, or other ancillary services related to the maintenance of facilities. The businesses operating under the ServiceMaster or ServiceMaster Clean trade names/trademarks are not intended to be, but may be, competitive with or similar to the Franchised Business and other MM Businesses described in this Agreement, and such ServiceMaster franchisees may be located and/or solicit sales and accept orders within the Territory or any other market assigned to another MM Business. Franchisee and its Owners are prohibited from providing the services described in this Section 5.H.3.

I. Franchisee understands and acknowledges that each and every detail of the System is important to Franchisee and Franchisor in order to develop and maintain high and uniform standards of quality and service and to protect and enhance the reputation and goodwill of Franchisor. Franchisee accordingly agrees:

1. Except as provided under Section 4.E., to refrain from using any of the Marks in conjunction with any other word or symbol without Franchisor's prior written consent.

2. To adopt and use the Marks solely in the manner prescribed by Franchisor.

3. To observe all such requirements with respect to service mark, trademark and copyright notices, fictitious name registrations, and the display of the legal name or other identifications of Franchisee as Franchisor may direct in writing from time to time. All outside signage displayed on Franchisee's office location must conform to the trademark identity requirements which have been established by Franchisor. If any service mark or trademark is displayed incorrectly, Franchisor may require Franchisee to correct such display. Franchisee will be responsible for the costs of any required corrections.

4. To execute and convey all documents required by Franchisor or its counsel that are necessary to obtain protection for the Marks or to maintain their continued validity or enforceability thereof.

5. To follow the operational and marketing programs outlined by Franchisor during training, in the confidential Operations Manual, as defined in Section 7 of this Agreement, and in any updates, revisions, or other communications from Franchisor, including participating, at Franchisee's cost, in regularly recurring customer satisfaction measurement tools as may be reasonably required by Franchisor from time to time.

5. TRAINING AND ASSISTANCE

A. Prior to the commencement of the Franchised Business by Franchisee, Franchisor shall furnish a training program for Franchisee for one (1) person of up to ten (10) days consisting of instruction in all areas of the System and the operation of an MM Business including, but not limited to, office procedures; telephone usage; forms and functions; promotion and advertising; insurance and bonding; equipment and supplies; maintenance; cleaning procedures; the team concept; bidding and sales; service problems and solutions; financial accounting and reporting; computer software systems; and field support (the "**Initial Training Program**"). Franchisee, or a manager approved by Franchisor, must attend training within ninety (90) days of execution of this Agreement. Franchisee cannot provide services until it has completed training. If Franchisee has purchased an existing MM Business, Franchisee must pay the then-current fee for the Initial Training Program and attend training within six (6) months of assuming ownership of the business. The Initial Training Program shall be held in Memphis, Tennessee, or at such other location as Franchisor may designate. Franchisee will be responsible for all travel, lodging and personal expenses in connection with the Initial Training Program. Franchisee or Franchisee's manager is required to complete the Initial Training Program to the reasonable satisfaction of Franchisor. Upon successful completion by Franchisee or Franchisee's manager of the Initial Training Program, Franchisor will issue to Franchisee a certificate indicating the date of successful completion of the Initial Training Program. Franchisee shall commence operation of the Franchised Business within thirty (30) days after completion of the Initial Training Program.

B. Franchisee, or if Franchisee is an Entity, one officer or manager of Franchisee, designated by Franchisee and approved by Franchisor, shall be required to attend the first Merry Maids National Seminar scheduled subsequent to the execution of this Agreement unless this is a renewal agreement. Furthermore, it is also required that Franchisee, or a designated officer or manager of Franchisee, shall regularly attend Merry Maids meetings during the Term of this Agreement, offered each year, which shall include the Merry Maids National Seminar and Regional meetings which may be held virtually and include road shows provided by Franchisor.

C. Franchisor shall provide advisory services as reasonably requested by Franchisee, which shall include consultation on promotional, business and operational problems and an analysis of Franchisee's marketing and financial data. Any such advisory services shall be entirely in the nature of guidance and assistance and adherence to any guidance given by Franchisor shall not be deemed to be a requirement for the ongoing ownership or operation of the Franchisee.

D. Franchisor shall, from time to time when available, send to Franchisee promotional materials, newsletters and/or bulletins describing new marketing developments, equipment, products and techniques, if any.

E. Until the first anniversary of the Opening Date, Franchisor will provide to Franchisee, and Franchisee must utilize, certain sales support services, including lead generation and customer acquisition services (the "**Sales**

Support Services”). After the first anniversary of the Opening Date, Franchisor may, in its sole discretion, offer to continue to provide the Sales Support Services to Franchisee, but Franchisee shall not be required to use such services. During any period in which Franchisor provides the Sales Support Services to Franchisee, Franchisee must pay the Customer Acquisition Assistance Fee specified in Section 12.D. of this Agreement for any customer leads that Franchisor generates. Franchisor may, in its sole discretion, add, delete, or modify the Sales Support Services.

6. ADVERTISING AND MARKETING

Franchisee recognizes that advertising is a necessary and integral part of the Franchised Business and the value of advertising and the importance of the standardization of advertising programs to enhance the goodwill and public image of all Franchises, the Franchisee agrees:

A. To submit to Franchisor or its designated agency, for Franchisor’s prior approval, all sales promotion materials and advertising to be used by Franchisee, including, but not limited to, flyers, direct mailings and newspaper, radio and television advertising and internet homepages and/or websites. In the event Franchisee does not receive written disapproval of said advertising and/or promotional material from Franchisor or its designated agency within fifteen (15) days from the date such material is received by Franchisor, said materials shall be deemed approved. Franchisee’s failure to conform to the provisions herein and a subsequent non-action by Franchisor with respect to any such non-conformity of Franchisee shall not be deemed as a waiver of any further or additional non-conformity. The submission of advertising to Franchisor for approval shall not alter Franchisee’s right to determine the prices at which Franchisee sells its services.

B. Franchisee shall maintain a full-time telephone with a 24-hour answering service or voice mail message system or such other system as Franchisor may require.

C. Franchisor is not obligated to furnish any advertising or signs for Franchisee.

D. Franchisee shall not advertise or use the Marks in any advertisement or any other form of promotion without appropriate registration marks and in accordance with Identity Guidelines. Franchisee shall solicit and market to the customers in its Territory. Solicitation and marketing directed to customers outside of its Territory is prohibited without Franchisor’s permission.

E. Franchisor has established a National Advertising Fund (the “**Ad Fund**”). Franchisee shall contribute the Ad Fund Contribution (as defined and described in Section 12) to the Ad Fund on a weekly basis. Franchisor shall have the right, in its sole discretion, to discontinue the Ad Fund. The Ad Fund shall be maintained and administered by a committee elected by franchisees and made up exclusively of franchisees that are in compliance with their Franchise Agreement(s) (the “**Committee**”).

1. The Committee shall develop all advertising programs with primary discretion over the creative concepts, materials and media used in such advertising programs and the placement and allocation of advertising subject to the final approval of Franchisor. Franchisee agrees and acknowledges that the Ad Fund is intended to maximize general public recognition and acceptance of the Marks and MM Businesses and that Franchisor and the Committee undertake no obligation in administering the Ad Fund to make expenditures for Franchisee which are equivalent or proportionate to its contributions, or to ensure that any particular MM Business (including the Franchised Business) benefits directly or pro rata from the placement of advertising.

2. The Ad Fund may, upon approval by the Committee, be used to meet any and all costs of maintaining, administering and preparing advertising and promoting the Marks, the System, MM Businesses, and the products and services offered by franchisees, including, without limitation, the cost of preparing and conducting television, radio, magazine and newspaper advertising campaigns and other sales, marketing, promotional, public and other relations activities and materials; to monitor and/or manage social media relating to the Franchise; employing advertising agencies; the costs relating to toll free numbers maintained by Franchisor and used in advertising and marketing campaigns; and such other costs and expenses as Franchisor and the Committee reasonably deems appropriate and in the best interests of all or any franchisees. Certain benefits of the Ad Fund (e.g., paid search by zip code, paid social media efforts by zip code, Listen360 access, and Ad Fund contributions to local website development and maintenance) may be withheld from a franchisee who is not in Good Standing as defined herein. Any reasonable travel, meeting and other costs and expenses incurred by the Committee in connection with carrying out their duties

related to the Ad Fund may also be reimbursed by the Ad Fund should the Committee deem them appropriate. All sums paid by franchisees to the Ad Fund shall be maintained in a Franchisor account and tracked on a separate profit and loss statement and shall not be used to defray any of Franchisor's general operating expenses, except for such reasonable administrative costs and overhead, if any, as Franchisor may incur, with the express approval of the Committee, in activities reasonably related to the administration of the Ad Fund and advertising programs including, without limitation, conducting research, preparing marketing, promotional and advertising materials, and collecting and accounting for assessments for the Ad Fund. The Ad Fund profit and loss statement will be made available for review by the Ad Fund Committee or its designee not less than quarterly.

3. A financial review of the operation of the Ad Fund shall be prepared annually by an independent certified public accountant selected by the Committee and shall be made available to Franchisee upon request. The cost of the financial review shall be charged to the Ad Fund. A full audit of the Ad Fund may be required every three (3) years.

F. Franchisee agrees to spend at a minimum an amount equal to 0.7% of the weekly Gross Sales of the Franchised Business on local digital marketing or, with approval from Franchisor, on other local marketing or advertising (the "**Local Digital Marketing Program**"). During the Franchised Business' first year of operation, Franchisee may receive credit for this Local Digital Marketing Program requirement from the amount spent on online local marketing from the Online Marketing Fund. Franchisee is required to use Franchisor-approved vendors of local digital marketing. The approved vendors, contained in the Operations Manual, meet all of Franchisor's specifications and standards. If Franchisee's annual spend on local digital marketing exceeds the minimum required amount, Franchisee may not apply the excess spend as an offset against required contributions to the Ad Fund or future required amounts of the Local Digital Marketing Program.

Franchisor may request Franchisee to submit, in a specified format on a periodic basis, an accurate accounting of amounts spent as part of the Local Digital Marketing Program. If Franchisee fails to provide an accurate accounting or fails to spend the minimum amount on its Local Digital Marketing Program in any calendar year, in addition to any other remedies available to Franchisor, Franchisee will be required to pay Franchisor the difference between the minimum required amount on its Local Digital Marketing Program and what was actually spent by Franchisee, plus late fees and interest due. The payment of this difference will be added to the Ad Fund; Franchisor may, but has no obligation to, assign these funds for digital marketing in Franchisee's Territory. Failure by Franchisee to meet this local digital marketing requirement will be considered a material breach of this Agreement, and Agreement may be terminated in accordance with Section 14.B. of this Agreement.

G. Franchisor may, in its reasonable business judgment, require Franchisee to participate in marketing initiatives including physical, electronic or online (internet) based initiatives. For purposes of this Section 6.G., Franchisor's decisions or actions will be deemed to be the result of reasonable business judgment, even if other reasonable alternatives are available, if Franchisor's decision or action is intended, in whole or significant part, to promote or benefit the franchise system generally, even if the decision or action also promotes Franchisor's financial or other individual interest. Examples of items that will promote or benefit the franchise system include, without limitation, enhancing the value of the trademarks, car branding or wrapping, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization, and improving the competitive position of the franchise system.

7. CONFIDENTIAL OPERATIONS MANUAL

A. For purposes of this Agreement, the Operations Manual shall be all those manuals, documents, booklets, guides and related materials containing the specifications, standards, procedures and rules applicable to the operation of MM Businesses, as prescribed from time to time by Franchisor. In order to protect the reputation and goodwill associated with the Marks and to maintain the uniform standards of operation thereunder, Franchisee shall conduct its Franchised Business in strict accordance with Franchisor's Operations Manual. The Operations Manual shall include but not be limited to Franchisor's Operations Manual, Marketing Manual, basic operating system Manual, Identity Manual, software programs, and such other programs, materials and training aids designated as confidential and from time to time revised by Franchisor.

B. Franchisee shall at all times treat as confidential and require its employees and agents to treat as confidential and shall not at any time disclose, copy, duplicate, record or otherwise reproduce, in whole or in part, for

whatever reason or otherwise make available to any unauthorized person or source, the contents of the Operations Manual. The Franchisee shall divulge in strict accordance with those portions of the Franchisor's Operations Manual which are designated as "mandatory" or "required" such confidential information only to the employees who must have access to it in order to operate the Franchised Business and who agree to keep such information confidential.

C. Franchisor shall have the right, but not the obligation, from time to time, to add to or modify the Operations Manual, and Franchisee agrees to be bound by and to conduct the Franchised Business in accordance with such revisions to the Operations Manual.

8. CONFIDENTIAL INFORMATION AND IMPROVEMENTS BY THE FRANCHISEE

A. Franchisee acknowledges that its knowledge of the System, including the processes, services, proprietary information and know-how related to the operation of MM Businesses, is totally derived from information disclosed by Franchisor pursuant to this Agreement and is proprietary, confidential and a trade secret of Franchisor. Franchisee further agrees that during the term of this Agreement and at all times following the termination of this Agreement for any cause whatsoever, it will not directly or indirectly communicate or divulge to any person or Entity any trade secrets, business methods or processes, prices or customer information, or requirements, confidential data or information or names or addresses of customers or suppliers of Franchisor, including but not limited to the contents of the Operations Manual described in Section 7 above. To protect Franchisor's confidential information, Franchisee will adopt and implement reasonable procedures to prevent unauthorized use or disclosure of such information, including such procedures that Franchisor may specify from time to time. Franchisee further agrees that during the term of this Agreement and at all times thereafter, it will not directly or indirectly use in competition with Franchisor any trade secrets or confidential information which are the property of Franchisor. Franchisee shall divulge such confidential information only to those employees that must have access to it in order to operate the Franchised Business. Any and all information, knowledge, know-how and other data which Franchisor designates as confidential, shall be deemed confidential for purposes of this Agreement, except information which Franchisee can demonstrate it was made aware of prior to disclosure thereof by Franchisor; or which, at the time of disclosure by Franchisor to Franchisee, had become a part of the public domain through publication or communication by others; or which, after disclosure to Franchisee by Franchisor, becomes a part of the public domain through publication or communication by others. Each Owner shall bind themselves to the confidentiality provisions in this Section 8.A. by signing the Franchisor's then-current form of Guaranty (as defined in Section 10.L.) (if such Owner directly or indirectly holds a 15% or greater ownership interest in Franchisee's Entity) or a confidentiality agreement prescribed by Franchisor.

B. Franchisee acknowledges and agrees that all writings and other original works of authorship, regardless of form, including, but not limited to, proprietary Software programs, trademarks, copyrightable works, Internet Web pages or any other documents or information pertaining or relating to the Franchised Business, the core services offered, or the system of operation produced or authored by Franchisee during the term of this Agreement shall be deemed by the parties to be works made for hire and the property of the Franchisor. The Franchisor shall have the absolute right to obtain and hold, in its own name, rights of copyright, trademark and/or other similar protections which may be available in the documents or works. Franchisee hereby agrees to cooperate and execute all documents necessary to perfect such rights in the Franchisor.

C. Franchisee hereby assigns to the Franchisor its entire right, title and interest in any invention, technique, process, device, discovery, improvement or know-how hereafter made or conceived by Franchisee, its agents or its employees during the term of this Agreement which in any way relates to the actual or anticipated present or future business of the Franchisor or as suggested by or results from any activities performed by the Franchisee during the Term of the Franchise. Franchisee shall disclose any such invention, technique, process, device, discovery, improvement or know-how promptly to the Franchisor. Franchisee shall, upon request, promptly execute all documents necessary to assign Franchisee's right, title and interest in and to any such invention technique, process, device, discovery, improvement or know-how to the Franchisor and cooperate and take all steps necessary to enable the Franchisor to secure patent, trademark, copyright or any other proprietary rights in the United States, Canada or foreign countries.

9. ACCOUNTING AND RECORDS

A. During the term of this Agreement and for at least five (5) years thereafter, Franchisee agrees to keep and preserve full complete and accurate books and records for the Franchised Business in accordance with generally accepted accounting principles and in the form and manner prescribed by the Franchisor.

B. Franchisee must use the then-current accounting application software prescribed by Franchisor from time to time as described in the Operations Manual. Franchisee must install and maintain a software connection to enable accurate and complete transmittal of accounting data from Franchisee to Franchisor at the times and in the manner specified by Franchisor in the Operations Manuals. Franchisee must update its master file records to comply with changes to the accounting practices prescribed by Franchisor. Franchisor is not responsible for any technical support for the software, which will be provided by the software vendor.

C. Franchisee must electronically transmit to Franchisor all data stored on Franchisee's accounting application on a daily basis.

D. Franchisee shall, at its sole expense, submit to Franchisor within ninety (90) days after the end of Franchisee's fiscal year for each fiscal year or portion thereof that this Agreement is in force, a complete financial statement for the preceding fiscal year, including both an income statement and a balance sheet. Franchisee shall also provide a copy of the tax return and/or tax schedules reflecting all income and expenses of the Franchised Business for the fiscal year covered by the aforementioned financial statements.

E. Franchisee shall also submit to Franchisor, for review, survey, auditing or other purposes, such other files, forms, reports, records, information, data and the basic operating system database (as described in Section 9.E herein) as Franchisor may reasonably request from time to time. Franchisee specifically acknowledges that Franchisor may request and Franchisee must provide the basic operating system database when previously open territory that is adjacent to the geographic area comprising Franchisee's Territory is sold for purposes that include, but are not limited to determining whether any of Franchisee's customers are outside the Territory. Franchisee acknowledges and agrees that all such information set forth in this Section 9(c) is deemed to be the property of the Franchisor.

F. Franchisor's representatives shall have the right at all reasonable times to inspect or audit Franchisee's books, computer information, tax returns, cash control devices or system and other pertinent financial data and records, both during the term of this Agreement and for a period of one (1) year after the expiration or termination for any reason of this Agreement. In connection therewith, Franchisee agrees to execute such forms as Franchisor may request to obtain confirmation of the data being inspected and/or audited. Franchisee and any personal guarantors, by signing this Agreement, hereby explicitly consent to provide copies of all personal and business tax returns specified above to Franchisor and hereby waive any right to refuse or tax return privilege afforded by state or federal laws, rules, or regulations. If Franchisee fails to fully cooperate with any reasonable request by Franchisor for an audit or inspection, Franchisee shall reimburse Franchisor for any and all costs and expenses of conducting an audit or inspection including, without limitation, travel costs, and any reasonable accounting and attorneys' fees. If such inspection reveals that the Gross Sales (as defined in Section 12) reported by Franchisee to Franchisor are less than the Gross Sales ascertained by such inspection, then Franchisee shall immediately pay to Franchisor the amount owing to Franchisor in accordance with the corrected Gross Sales report. Upon the discovery of a discrepancy in the report of Gross Sales of two percent (2%) or more, Franchisee shall pay and reimburse Franchisor for any and all expenses connected with said inspection, including, but not limited to, reasonable accounting and attorney fees, as well as interest on the unreported revenue at eighteen percent (18%) per annum or the maximum rate permitted by law, whichever is less. Such payments are without prejudice to any other remedies Franchisor may have under this Agreement.

G. Franchisor hereby leases to Franchisee for the term of this Agreement the MM360 software, the basic operating system for MM Businesses, and a customer satisfaction measurement software, ("**Software**"). Franchisor may from time to time provide to Franchisee changes, modifications or enhancements to the Software as Franchisor may deem necessary for the benefit of Franchisee, all of which shall be deemed a part of the Software. It is understood and agreed that Franchisee acquires no proprietary interest in the Software. Franchisee agrees to use the Software in conjunction with the operation of the Franchised Business. Franchisee further agrees not to change or modify the Software in any manner. Franchisee recognizes that Franchisor is the only source of the Software to be used by Franchisee in the Franchised Business. The Software is to be used by all MM Businesses. Franchisee agrees to pay a Software fee that has been established by Franchisor for the provision of the Software. The Software fee is subject to change in Franchisor's sole discretion upon reasonable notice. The Software fee is paid quarterly by automatic

funds transfer as described in Section 12 of this Agreement or in such other intervals as Franchisor may require. The minimum computer hardware and software requirements are available on mmConnection or in the Operations Manuals and are subject to change from time to time. Other software requirements and recommendations are available on mmConnection or in the Operations Manual.

10. STANDARDS OF QUALITY

In order to maintain the high quality and consistent standards associated with the Marks and the System, Franchisee shall:

A. Devote full time and best efforts or designate someone employed by Franchisee who has successfully completed the Initial Training Program to devote full time and best efforts to establish, develop, and operate the Franchised Business. Franchisor reserves the right to approve the qualifications of the individual so designated by Franchisee and such approval shall not be unreasonably withheld. Franchisor reserves the right to require Franchisee's designee to attend the Initial Training Program, at Franchisee's expense, prior to approval.

B. Promote the Franchised Business using the advertising, operational and promotional materials developed from time to time by Franchisor and made available to Franchisee.

C. Complete and submit to Franchisor, on a timely basis, the then-current forms and reports listed in the Operations Manual.

D. Use and display the Marks only in such a manner as is contemplated within this Agreement or provided for within this Agreement, the Operations Manual and/or the Identity Manual, including such updates and improvements as the Franchisor may impose from time to time. Franchisee agrees promptly to comply, at Franchisor's sole expense, with all then-current requirements, standards and operating procedures relating to every aspect of the System and the operations of the Franchised Business, including, without limitation, computer hardware and software; supplier programs and operating systems; signs, logos, designs and advertising/ marketing materials and forms; car branding and wrapping; and website designs and formats.

E. Comply at all times with all federal, state and municipal laws, regulations, ordinances, orders, and rulings, including, without limitation, all state labor and employment laws, immigration laws, privacy laws and supply chain laws ("**Applicable Laws**"); obtain applicable permits or business licenses; and pay any and all taxes, assessments, fees, fines and penalties imposed on Franchisee. Franchisee must also comply with all applicable Payment Card Industry standards. Franchisee will, at its expense, be absolutely and exclusively responsible for determining the licenses and permits and certifications required by Applicable Laws for the Franchised Business, for obtaining and qualifying for all such licenses and permits and certifications, and for complying with all Applicable Laws.

F. Promptly respond to any and all customer inquiries or complaints and achieve customer satisfaction of reasonable complaints by refunding fees or re-cleaning to customer's satisfaction as may be appropriate. Should Franchisee fail to respond or satisfy any reasonable customer complaint, then Franchisor has the right to resolve the matter and charge Franchisee for any expense incurred in doing so. Franchisee's repeated failure to resolve material, substantiated customer complaints shall constitute a breach of this Agreement.

G. Adhere to and abide by all the requirements and standards for the Franchised Business as specified in this Agreement and in the Operations Manual, as said Operations Manual may, from time to time be modified by Franchisor.

H. Purchase the approved equipment, supplies, uniforms and products required for the operation of the Franchised Business from Franchisor or its affiliates, as listed in the Operations Manual, or from manufacturers, suppliers or distributors who shall with respect to such equipment, supplies or products, meet all of Franchisor's specifications and standards, which may be contained in part in the Operations Manual, and who shall adequately demonstrate their capacity and facilities to supply Franchisee's needs, at all times, in the quantities and with the reliability requisite to an efficient operation. For purposes of this paragraph, specifications may include minimum standards for performance, warranties, design, quality, safety, efficiency, uniformity, appearance and other restrictions.

1. If Franchisee proposes to purchase any products, equipment and supplies not approved by Franchisor as meeting its specifications, Franchisee shall first notify Franchisor and Franchisor may require submission of sufficient specifications, photographs, drawings and/or other information and samples to determine whether such items meet its specifications. Franchisor will advise Franchisee within a reasonable time whether such equipment or supplies meet its specifications. Franchisor may, in its sole discretion, withhold its approval of any product, equipment or supplies.

2. In the event Franchisor rejects Franchisee's intended purchase of new equipment, supplies, uniforms, or products, Franchisor must, within one hundred twenty (120) days of the receipt of Franchisee's notice, notify Franchisee in writing of its rejection. Said "Notice of Rejection" must list in detail how and in what respects the intended new item(s) fails to meet Franchisor's specifications and standards or other requirements as contained herein. Failure to so notify Franchisee within such time period shall constitute a waiver of any and all objections by Franchisor to Franchisee's purchase of intended new item(s).

3. Franchisee understands and agrees that the identification of the Franchised Business is important to Franchisee, Franchisor, and the System and that strict control of the identification of the business can only be maintained through compliance with the standards and specifications established by Franchisor for such products.

I. Offer and provide all the services to its customers as required by Franchisor and refrain from offering and providing any services not specifically authorized by Franchisor. The services will be offered in accordance with the terms of a standard form of contract, in a form acceptable to Franchisee. Such contract will specify the services, warranties and standards of services offered to the customer.

J. Franchisee agrees that all services licensed under this Agreement shall be performed solely by Franchisee and/or Franchisee's employees, including leased and/or temporary employees. It is expressly agreed and understood by the parties that Franchisee is an independent contractor and that nothing in this Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venture, partner, employee or servant of the other for any purpose whatsoever. Nothing in this Agreement is intended to create a joint employer relationship between the parties, it being expressly understood that any personnel policies or procedures, forms, guidance or other employment related materials or information provided by Franchisor is provided solely for Franchisee's convenience. Franchisee's use of such information is completely optional and should not be construed as any intent or right to control your operations, personnel decisions or relationships with your employees. Franchisee is advised to consult with its own independent counsel for labor and employment advice. Franchisee and all employees of Franchisee, while engaged in performance of all the services provided pursuant to the Franchise, shall wear uniforms conforming in color and design to the specifications designated by Franchisor in the Operations Manual or otherwise in writing. Franchisee and all employees of Franchisee shall at all times while on duty present a neat and clean appearance and render competent, sober, courteous and trustworthy service to the customers of the Franchised Business.

K. Allow Franchisor physical access for the purpose of observing Franchisee's business operations.

L. Franchisee agrees that its authorization to operate as an Entity shall be conditioned on the following requirements:

1. Unless otherwise agreed to by Franchisor, Franchisee's Owners that directly or indirectly hold a 15% or greater ownership interest in Franchisee's Entity shall at all times be personally bound by the terms of this Agreement and shall execute Franchisor's then-current form of guaranty (the "**Guaranty**"), the current form of which is incorporated into this Agreement. All other Owners, and all Owners' spouses that have any involvement in the operation of the Franchised Business, shall bind themselves to the confidentiality and noncompete provisions of this Agreement by signing a noncompete agreement and/or confidentiality agreement prescribed by Franchisor.

2. Each stock certificate of Franchisee or document reflecting an equity ownership interest in Franchisee shall have conspicuously endorsed upon its face a statement in a form satisfactory to Franchisor that it is held subject to this Agreement, and that any assignment or transfer of the stock certificate or ownership interest is subject to all restrictions imposed upon assignments by this Agreement.

3. Certified copies of Franchisee's Articles of Incorporation or Organization, By-Laws or Operating Agreement, and other governing documents, including the resolutions of the Board of Directors or Board of Managers authorizing entry into this Agreement, shall be promptly furnished to Franchisor.

4. If Franchisee is an individual or a partnership and wishes to form an Entity, Franchisee shall obtain prior written approval of Franchisor for transfer of the rights and duties under this Agreement to the new Entity in accordance with Section 14.D.1. of this Agreement.

M. The Franchisor has the right to establish a "**National Accounts Program**" designed to address the needs of customers desiring central billing accounts, multiple service destinations, and similar requests that are typical of large volume customers or businesses that have customers at more than one location or facility. Franchisee may participate in the National Accounts Program if Franchisee satisfies Franchisor's then-current qualifications and will sign a standard form National Accounts Agreement, acknowledging the performance requirements and standards for participation in the National Accounts Program. Franchisee understands that the Franchisor will establish the rules under which Franchisee will participate and be compensated for participation in the National Accounts Program, and that the Franchisor may terminate or modify the National Accounts Program consistent with the terms of a National Accounts Agreement. Franchisor reserves the right to require that Franchisee participate in a National Account Program. If Franchisee does not accept an assignment, then notwithstanding any other provision of this Agreement, Franchisor may assign such work to another franchisee or other independent contractor. The work performed by the franchisee or independent contractor will be deemed not to violate the exclusive Territory rights of Franchisee. Franchisee acknowledges and agrees that he/she/it/they may not receive and are not entitled to receive leads and/or jobs from National Accounts Programs offered by Franchisor from time to time, and that if they do receive such leads or jobs: (a) those leads or jobs may not be distributed equally; (b) the model for distributing those leads will be designed in Franchisor's sole discretion and may be modified from time to time; (c) national account customers may limit the number of participating franchisees in a market and direct work to specific franchisees; and (d) lead and/or job volume varies greatly across the United States, and that some geographic regions have few or no leads/jobs.

N. To protect the brand, Franchisor may participate in a social monitoring program and may recommend Franchisee to participate in a social monitoring program. Customer complaints in social media outlets (Twitter, Facebook, consumer rating pages, discussion groups and similar public forums) must be responded to as quickly as possible, but in no event more than 48 hours after Franchisee is notified of the complaint. Franchisee acknowledges and agrees that, except as set forth in this Section 10.N, Franchisee is solely responsible for the content and the conduct of its social media presence.

O. Franchisor may, but is not required to, immediately and directly respond to and settle customer complaints in social media outlets where, in its sole discretion, Franchisor determines intervention by the Franchisor is appropriate to protect the brand. Franchisee hereby authorizes Franchisor to manage and settle all such customer complaints in social media on the Franchisee's behalf. Franchisor may require Franchisee to reimburse Franchisor for costs of management and settlement of such customer complaints up to \$500 and Franchisee agrees to reimburse Franchisor within thirty (30) days of notification for all such costs and expenses.

P. Franchisor may participate in or establish a customer relations program and may require Franchisee to participate in a customer relations program, including, by way of example, programs for auditing customer satisfaction and/or other quality control measures. Franchisee agrees to request that its customers participate in any surveys performed by or on behalf of Franchisor from time to time.

11. MODIFICATION OF THE SYSTEM

Franchisee acknowledges that the System must continue to evolve in order to reflect changing market conditions and to meet new and changing consumer demands. Therefore, variations and additions to the System may be required from time to time in order to preserve and enhance the public image of the System and to enhance the continuing operational efficiency of all franchisees. Accordingly, Franchisee agrees that Franchisor may, from time to time, upon notice, add to, subtract from or otherwise change the System, including, without limitation, the adoption and use of new or modified trademarks, products, services, equipment and new techniques and methodologies relating to the sale, operation, promotion and marketing of services. Franchisee agrees to promptly accept, implement, use and display in the operation of the Franchised Business all such additions, modifications and changes at its sole cost and expense.

12. ROYALTIES, FEES, AND PAYMENTS

A. Royalties. Beginning with the first week of service to customers, Franchisee shall pay to Franchisor a weekly royalty equal to 7% of the Gross Sales of the Franchised Business (the “**Royalty**”).

1. The Royalties are paid in consideration of the license to use the System and Marks.

2. For purposes of this Agreement, “**Gross Sales**” shall mean all billings of the Franchised Business, whether or not collected, including but not limited to cash sales and sales on account, monies billed for maid cleaning services whether performed by Franchisee or subcontracted, monies billed in connection with trade or barter agreements, or monies billed for any other cleaning and/or maintenance of any structure, interior or exterior.

B. Ad Fund Contribution. Franchisee shall contribute to the Ad Fund an amount equal to 1.3% of the weekly Gross Sales of the Franchised Business (the “**Ad Fund Contribution**”). The contribution shall be received by Franchisor weekly via electronic funds transfer in the same manner as Royalties.

C. Technology Fee. Franchisor may require Franchisee to pay a monthly fee for various technology-related products and services, including the costs to license the MM360 software (or a successor platform) and other technologies that support the operation of Franchised Businesses (the “**Technology Fees**”). Franchisor will specify the Technology Fees in the Operations Manual. Franchisor may increase the Technology Fees and may add, delete, or modify the related products and services from time to time.

D. Customer Acquisition Assistance Fee. Until the first anniversary of the Opening Date and during any period in which Franchisee continues to receive the Sales Support Services, Franchisee must pay a weekly fee for the Sales Support Services that Franchisor provides (the “**Customer Acquisition Assistance Fee**”). Franchisor will specify the Customer Acquisition Assistance Fee in the Operations Manual. Franchisor may from time to time, in its sole discretion, increase or otherwise modify the Customer Acquisition Fee and add, delete, or modify the Sales Support Services. The Customer Acquisition Assistance Fees shall be received by Franchisor weekly via electronic funds transfer in the same manner as Royalties.

E. Other Fees. Franchisor may charge Franchisee a reasonable fee specified in the Operations Manual from time to time and any costs that Franchisor actually incurs (i) if Franchisee, in Franchisor’s sole discretion, fails to manage customer complaints and Franchisor, in its sole discretion, steps in to manage or settle the dispute on Franchisee’s behalf to protect the brand from harm (the fee is currently up to \$500 plus expenses); or (b) if Franchisee fails to transmit accounting data on a daily basis (the fee is currently \$100 per day). These fees may be increased from time to time.

F. Weekly Reporting and Payments. Franchisee shall close its weekly statement of Gross Sales for each weekly report period during the term of this Agreement. (The “**weekly report period**” shall be defined as each Sunday-Saturday period of seven (7) days which occurs during the course of this Agreement.) The weekly report shall be closed within fourteen (14) days following the close of each weekly report period or by such other date specified by Franchisor. Payment of the Royalty, Ad Fund Contribution, and any other weekly fees specified by Franchisor (“**Weekly Fees**”) will be made on the Friday of each week for the reported week period (or such other date specified by Franchisor) by automatic funds transfer from Franchisee’s bank account (the “**Account**”), which may be initiated by Franchisor by autodraft. The Authorization for Electronic Transfer of Funds which Franchisee must sign for Royalty and other payments is attached as Exhibit D. If Franchisee has not reported Gross Sales of the Franchised Business to Franchisor for any reporting period, Franchisor will be authorized to debit the Account in an amount equal to the greater of the non-reported payment (if Franchisor can reasonably estimate or determine the owed amount) or one hundred twenty percent (120%) of the Weekly Fees transferred from the Account for the last reporting period for which a report of the Gross Sales of the Franchised Business was provided to Franchisor. If at any time Franchisor determines that Franchisee has under-reported the Gross Sales of the Franchised Business or underpaid Weekly Fees due Franchisor under this Agreement, Franchisor will be authorized to immediately initiate a debit to the Account in the appropriate amount in accordance with the foregoing procedure, including interest as provided for in this Agreement. An overpayment will be credited to the Account through a credit effective as of the first reporting date after Franchisor and Franchisee determine that such credit is due. Franchisor’s use of electronic funds transfers as a method of collecting Royalties, Marketing Funds contributions, and products and other items purchased through

Franchisor or its affiliates due Franchisor does not constitute a waiver of any of Franchisee's obligations to provide Franchisor with weekly sales reports as required in this Agreement, nor shall it be deemed a waiver of any of the rights and remedies available to Franchisor under this Agreement.

G. Late Payments and Interest. If Franchisee fails to have sufficient funds available to pay any Weekly Fees or other payments within fifteen (15) days after the close of the weekly report period or is late making any other payments due under this Agreement, Franchisee shall pay interest on the amount due not to exceed .3462% per week (which equates to 18% per year) for each and every week the amount is not paid. In addition, Franchisee agrees to pay any expense incurred by Franchisor, including costs and attorneys' fees, for the collection of any fees or payments due under this Agreement.

H. Additional Remedies. If Franchisee fails to timely file Gross Sales reports or fails to timely pay any financial obligation contained in this Agreement, and such condition remains uncured for a period of sixteen (16) calendar days or more after the close of the weekly report period, Franchisor may, at its option, in addition to any other remedies (including termination of this Agreement) take the following actions by providing Franchisee with written notice:

1. Suspend access to any system or suspend functionality of any subset of such system, including Merry Maids 360 Software, or similar operating system, and/or
2. Suspend sale of Merry Maids products and equipment.

I. Application of Payments. When Franchisor receives a payment from Franchisee, Franchisor has the right in its sole discretion to apply it as Franchisor sees fit to any past due indebtedness of Franchisee due to Franchisor or its affiliates, whether for Royalties, Ad Fund Contributions, purchases, interest, or for any other reason, regardless of how Franchisee may designate a particular payment to be applied. In addition, Franchisor may offset any amount otherwise due to Franchisee, against any amount owed to Franchisor. Finally, Franchisor may retain any amounts received for Franchisee's account (and/or that of any affiliate of Franchisee), whether rebates from suppliers, national account or program work payments, or otherwise, as payment against any amounts owed to Franchisor, including then-current Royalties and Ad Fund Contributions which accrue to Franchisor from such national account or program work payments. Franchisor can exercise any of the foregoing rights in connection with amounts owed to or from Franchisor and/or any of its affiliates.

13. INSURANCE

A. Franchisee shall procure, before attending the Initial Training Program or before commencement of business in the case of a transfer of an existing Franchised Business (where Franchisor may permit Franchisee to begin operating prior to attending the Initial Training Program), and maintain in full force and effect during the entire term of this Agreement, at Franchisee's sole expense, an insurance policy or policies protecting Franchisee and Franchisor and their officers and employees against any loss, liability or expense whatsoever arising or occurring by reason of Franchisee's operation of the Franchised Business licensed hereunder. Franchisor, its parents, partners, affiliates, subsidiaries, successors and assigns and their respective officers, directors, employees, agents and partners shall be named as a certificate holder and as an additional insured on such policy or policies (except that Franchisor need not be named as an additional insured for Worker's Compensation and third-party crime bond). All insurance must be provided by an insurance company with an AM Best ranking of A-, with a size category of VII (or such equivalent standards if AM Best rankings are no longer available). The Franchisee's insurance must be written as primary and non-contributory to Franchisor insurance, and must, where not prohibited by applicable law, waive rights of subrogation against Franchisor and its parents, partners, affiliates, subsidiaries, successors and assigns and their respective officers, directors, employees, agents and partners. All such insurance must stipulate that the Franchisor will receive copies of all notices of cancellation, nonrenewal or coverage reduction or elimination at least thirty (30) days prior to the effective date of such cancellation, nonrenewal or coverage change.

B. Such policy or policies shall be written by an insurance company satisfactory to Franchisor in accordance with the standards and specifications set forth in the Operations Manual or otherwise in writing and shall include, at a minimum (except as additional coverage and higher policy limits may reasonably be specified for all Franchisees from time to time by Franchisor in the Operations Manual or otherwise in writing) the following:

1. Comprehensive general liability insurance, including product liability coverage, with minimum limits of \$500,000 per person and \$1,000,000 per occurrence for bodily injury;
2. Business automobile liability coverage for any owned, hired and non-owned auto or any auto, with minimum limits of \$1,000,000 per person/\$1,000,000 per occurrence for bodily injury, and \$100,000 for property damage liability;
3. Worker's Compensation and employer's liability insurance with a \$500,000 minimum employee liability limit, as well as such other insurance as may be required by statute or rule of the state(s) in which the Franchised Business is located and operated;
4. Third party crime bond coverage in the minimum amount of \$25,000 to protect your business in the event of employee theft from a customer; and
5. Employment Practices Liability Insurance (EPLI) coverage with minimum limit of \$250,000 or if obtained as a sublimit to the general liability insurance, then a minimum limit of \$100,000 will be permitted. Franchisor must be named as an additional insured as to sublimit if part of the general liability policy.

Further, Franchisor strongly recommends that Franchisee obtain care, custody and control insurance, including coverage for damage to property in its employees' control or property they are directly working on, with minimum limits of \$150,000 per occurrence, to adequately protect the operation of the Franchised Business.

C. Franchisor reserves the right to require additional insurance coverage where, in Franchisor's sole discretion, such coverage is reasonably appropriate. Further, Franchisor reserves the right to require specific coverage endorsements which Franchisee will be required to obtain to be in compliance with the requirements of this Section. New requirements will be discussed with the franchisee advisory council (if any) prior to implementation. Franchisor will provide a transition period of six (6) months for Franchisees to obtain the newly required insurance.

D. Upon obtaining the insurance required by this Agreement, and on each policy renewal date thereafter, Franchisee shall promptly submit evidence of satisfactory insurance and proof of payment therefore to Franchisor, together with, upon request, copies of all policies and policy amendments. The evidence of insurance shall include a statement by the insurer that the policy or policies will not be canceled or materially altered without at least thirty (30) days prior written notice to Franchisor.

E. If Franchisee at any time fails or refuses to maintain any insurance coverage required by the Franchisor, or fails to furnish satisfactory evidence thereof, the Franchisor, at its option and in addition to its other rights and remedies hereunder, may obtain such insurance coverage on behalf of the Franchisee, and any costs of premiums incurred by the Franchisor in connection therewith shall be paid by the Franchisee on demand.

14. TERMINATION OF THE FRANCHISE; POST-TERMINATION OBLIGATIONS; TRANSFERS

A. Termination with No Opportunity to Cure. Franchisor shall have the right, unless precluded by Applicable Laws, to terminate this Agreement effective immediately and without other cause or further notice upon delivery of notice of termination to Franchisee, if Franchisee:

1. makes an assignment for the benefit of creditors or an admission of an inability to pay Franchisee's obligations, as they relate to the Franchise, as they become due;
2. fails to pay any amount owed to Franchisor or its affiliates(s) after notification that the amount is legally due; or
3. fails to submit reports or financial data which Franchisor requires under this Agreement;
4. files a voluntary petition in bankruptcy or any pleading seeking any arrangement, composition or adjustment with creditors or similar relief under any law, or admitting or failing to contest the material allegations of such pleading filed against Franchisee; or is adjudicated as bankrupt or insolvent. (The provisions concerning bankruptcy may or may not be enforceable under the Bankruptcy Reform Act of 1978);

5. willfully violates any Applicable Laws related to the Franchised Business;
6. fails, for a period of 10 days after notification of noncompliance, to comply with any Applicable Laws;
7. makes an unauthorized assignment or transfer of or encumbers this Agreement;
8. willfully violates any provision of this Agreement or any Related Agreement;
9. is convicted of a felony or is declared incompetent under a judicial verdict or by civil or criminal court system;
10. engages in substantiated conduct of an egregious nature (e.g., violent or criminal acts or acts of moral turpitude), such that the reputation of Franchisor, the Marks, the System, or other MM Businesses are at risk of reputational damage;
11. has misrepresented the accounting of Gross Sales receipts, which Franchisee is required to make to Franchisor, as described in Section 12 of this Agreement;
12. has failed to meet the Minimum Average Weekly Gross Sales Requirement three (3) or more Periods during any nine (9) consecutive Periods at any point during the term (for the avoidance of doubt, each failure to meet the Minimum Average Weekly Gross Sales Requirement in a single Period shall be considered a separate default);
13. has otherwise failed to adhere to any material specification, standard or operating procedure prescribed by Franchisor;
14. has committed (or any of its Owners has committed) a material breach of Section 8 (Confidential Information and Improvements by the Franchisee) or Section 15 (In-Term Covenants Not to Compete);
15. has materially breached (or any of its Owners have materially breached) any other provision of this Agreement which by its nature cannot be cured;
16. engages in conduct or uses the Marks in any way which reflects materially and unfavorably on the operation, reputation and goodwill associated with the Marks, the System, Franchisor's business, or the network of MM Businesses, and Franchisee fails to correct the breach within twenty-four (24) hours of receipt of written notice from Franchisor of the specific breach;
17. abandons the Franchised Business by (a) closing the Franchised Business for a period of ten (10) consecutive business days without Franchisor's prior written consent or (b) having a repeated pattern of closures of the Franchised Business for periods of more than three (3) consecutive business days that we, in our sole discretion, determine adversely impacts the Franchised Business. The Franchised Business shall not be deemed abandoned if the closure is due to acts of God or other matters beyond Franchisee's control (other than Franchisee's inability to procure revenue or projects), provided that (i) Franchisee gives notice of any such closure to Franchisor within ten (10) days after the initial occurrence of the event resulting in the closure, (ii) Franchisor acknowledges in writing that the closure is due to one of the foregoing causes, and (iii) Franchisee resumes operating the Franchised Business in an approved location within sixty (60) days or such longer period as Franchisor may permit after the initial occurrence of the event which resulted in the closure; or
18. receives four (4) or more written notices of default from Franchisor, concerning a material breach of this Agreement during the term, irrespective of whether the breaches were corrected within the prescribed cure period after receipt of any such notice of default.

B. Termination after Opportunity to Cure. In addition to its right to terminate this Agreement as provided in Section 14.A, Franchisor shall have the right to terminate this Agreement upon written notice to Franchisee in the event Franchisee or any of its Owners fails to comply with any provision of this Agreement or any Related Agreement, any mandatory standard, including any procedures or requirements set forth in the Operations Manual or any standard relating to image or customer service or treatment, and does not correct such failure within (i) ten (10) days if such

failure relates to the use of any Mark or the payment of any money to Franchisor, its affiliates or to any other party under this Agreement or any other Related Agreement or (ii) within thirty (30) days after written notice of such failure to comply (which shall describe the action that Franchisee must take) is delivered to Franchisee.

C. Post-termination Obligations. The obligations of Franchisee after either the expiration, termination, or non-renewal of this Agreement include all of the following:

1. Payment of Obligations. Franchisee is obligated to pay within seven (7) days all Royalties or other fees and charges owed to Franchisor plus damages for the right to receive Royalties for each year or portion thereof remaining in the original term of this Agreement, together with any other damages suffered by Franchisor.

2. Ceasing Using the Marks and System. Franchisee shall not hold itself out as a Franchisee and shall cease doing business as MM Business and cease the use of all trademarks, processes, materials, methods, or promotional materials provided by Franchisor, including, without limitation, any use of the System, the Marks, or the name "Merry Maids" online.

3. Disassociation. Franchisee shall take all necessary steps to disassociate from Franchisor, including promptly assigning all telephone number(s) and listing(s) used by Franchisee to Franchisor or its assignee, the destruction of all letterhead and promotional material, the removal of all identification of the "Merry Maids" name and Marks and the discontinuance of all advertising.

4. Return of Materials. Franchisee shall return to Franchisor all software programs, video tapes, CDs, DVDs, materials, equipment and training and promotional aids. Franchisee shall remain responsible for and agrees to compensate Franchisor for any outstanding gift certificates presented for redemption or other outstanding obligations of the Franchised Business.

5. Liquidated Damages. If Franchisor terminates this Agreement based upon Franchisee's default (or if Franchisee purports to terminate this Agreement), then, within seven (7) days thereafter, Franchisee shall pay to Franchisor a lump sum (as liquidated damages for the loss of the benefit of the bargain that Franchisor is entitled to receive and not as a penalty) calculated as follows: (x) the average monthly Royalties and Ad Fund Contributions that Franchisee owed to Franchisor under this Agreement for the 12-month period preceding the date on which Franchisee ceased operating the Franchised Business (disregarding any fee waivers or reductions granted to Franchisee); multiplied by (y) the lesser of (i) twenty-four (24) or (ii) the number of months remaining in the then-current term of this Agreement. If Franchisee has not operated the Franchised Business for at least 12 months, then (x) will equal the average monthly Royalties and Ad Fund Contributions that Franchisee owed to Franchisor during the period that Franchisee operated the Franchised Business. The "Average Royalties and Ad Fund Contributions that Franchisee owed to Franchisor" shall not be discounted or adjusted due to any deferred or reduced Royalties and Ad Fund Contributions set forth in a policy, other writing, or an addendum to this Agreement, unless this Section 14.C.5. is specifically amended in a signed addendum. Franchisee agrees, and Franchisee directs any party construing this Agreement to conclusively presume, that the damages stated in this Section: (i) are true liquidated damages; (ii) are intended to compensate Franchisor for the harm Franchisor will suffer; (iii) are not a penalty; (iv) are a reasonable estimate of Franchisor's probable loss resulting from Franchisee's defaults, viewed as of the termination date; and (v) will be in addition to all other rights Franchisor has to obtain legal or equitable relief or remedies. If any valid law or regulation governing this Agreement limits Franchisee's obligation to pay, and/or Franchisor's right to receive, the liquidated damages for which Franchisee is obligated under this Section, then Franchisee shall be liable to Franchisor for any and all damages Franchisor incurs, now or in the future, as a result of Franchisee's breach of this Agreement.

6. Post-Term Covenant Not to Compete. Franchisee agrees that for a period of one (1) year following the termination or expiration of this Agreement for any cause whatsoever, within the Territory and twenty-five (25) miles from the outermost boundaries thereof where Franchisee conducts business he or she will not, on his or her own account, or as a partner, employee, agent, advisor, consultant, or in any other capacity of or for or on account of any person or Entity, or as an officer or director or owner (except a passive stockholder holding less than one percent (1%) of the stock of a publicly held corporation), or otherwise directly or indirectly engage in any business, enterprise or activity competitive with Franchisor or engage in the marketing or selling of residential or light commercial cleaning services, or directly or indirectly engage in any of the following activities: solicitation of customers; business patronage or teaching, assistance, participation in, or association with any program or matter revealed to Franchisee; or promotion, sale or dealing financially or otherwise in any services, materials or products or substantially similar

services, materials or products to those handled, sold, distributed, offered or processed by Franchisor presently or at any time during the term of this Agreement (further subject to Franchisee's ongoing obligations not to use or disclose any confidential or proprietary information of Franchisor).

a. The foregoing restrictive covenants of Franchisee shall be deemed separable and the invalidity of any covenant shall not affect the validity or enforceability of any other covenant. If any period of time or limitation of geographical area stated herein is longer or greater than the maximum period or geographical area permitted by applicable law, then the period of time or geographical area stated herein shall be deemed to be such maximum permissible period of time or geographical area, as the case may be. The existence of any claim or cause of action of Franchisee against Franchisor, whether predicated on this Agreement or otherwise, shall not constitute a defense to the enforcement by Franchisor of the covenants described above. Exemption to, or modification of, any or all of the aforementioned restrictive covenants between Franchisee and Franchisor must be mutually agreed to in writing at least thirty (30) days prior to the termination of this Agreement. No waivers of any defaults of any such covenants or any other waivers, either verbal or unsigned, shall be enforceable for purposes of this Section 14. Each of Franchisee's Owners, and any of their spouses that are in any way involved in the operation of the Franchised Business, shall bind themselves to the noncompete provisions in this Section 14.C.6 by signing the Franchisor's then-current Guaranty (if such Owner directly or indirectly holds a 15% or greater ownership interest in Franchisee's Entity) or a noncompete agreement prescribed by Franchisor.

b. For purposes of clarification, if Franchisee owns multiple licenses for the operation of MM Businesses, the post-termination/post-expiration covenant not to compete of one terminated/expired Franchise Agreement does not apply to the operation of any other MM Business pursuant to a valid franchise agreement that is in Good Standing with Franchisor.

7. Transfer of Listings and Accounts. It is agreed between the parties that following termination or expiration of this Agreement, all interest in and rights to use all telephone and facsimile numbers, domain names, listings, email addresses and all social media accounts whether or not bearing the Marks (collectively "listings and accounts") used by the Franchisee in any manner related to the operation of, or applicable to, the Franchised Business shall be transferred to or vested in the Franchisor, and the Franchisor shall thereupon have the full and exclusive right to use such listings and accounts or to authorize the use thereof by another franchisee of the Franchisor. The Franchisee hereby appoints the Franchisor as its attorney in fact to direct the telephone company and all listing agencies to transfer such listings and accounts to the Franchisor or as it may in writing direct. Any amounts owing by the Franchisee on account of such listings and accounts shall be paid immediately by the Franchisee. Franchisee must immediately notify all telephone company and listing agencies of the termination or expiration of Franchisee's right to use all telephone numbers and all classified and other directory listings associated with Franchisor and MM Businesses and assign all such telephone numbers to Franchisor.

8. De-identification. If Franchisee retains possession of the Franchised Business premises, Franchisee will make such necessary modifications in the exterior and interior decor to eliminate its identification as an MM Business.

9. Fulfill Financing. Franchisee is obligated to fulfill all financing obligations it, its Owners, or its affiliates incur related to the Franchised Business.

10. Return of Customer Lists. Franchisee shall have no right during the term of the Agreement or thereafter to give, sell, convey, or transfer the customer list to any third party without Franchisor's prior express written consent. In the event of an approved transfer of the Franchised Business, Franchisor will be deemed to have approved the transfer of the customer list to the approved transferee. During the term of this Agreement, Franchisor agrees that it will not provide the customer list to a competitor, other franchisees or any other third party. Franchisee shall relinquish all interest of every kind and description in the System and the Marks upon termination or expiration of this Agreement, including any goodwill established prior to or during the operation of the Franchised Business. Franchisee expressly acknowledges and agrees that the Marks, the name "Merry Maids" and all Goodwill associated with the Franchised Business is the property of the Franchisor. Franchisee agrees and acknowledges that the customer list of the Franchised Business is an intangible asset which exists only in connection with the System and, as such, reverts to Franchisor upon termination or expiration of this Agreement or any renewal agreement. Consequently, Franchisee shall turn over the customer list and the basic operating system database to Franchisor within twenty-four (24) hours of termination or expiration of the Agreement.

D. Transfers by Franchisee. Neither this Agreement, the Franchised Business, or any part of the ownership of Franchisee (which shall mean and include voting stock, securities, convertible thereto, proprietorship and general partnership interests) may be voluntarily, involuntarily, directly or indirectly assigned or otherwise transferred or encumbered by Franchisee or its Owners (including without limitation by will, declaration of or transfer in trust or the laws of intestate succession) except as provided therein, without the prior written approval of Franchisor, and any such assignment, transfer or encumbrance without such approval constitutes a breach of this Agreement. Franchisor will not, however, unreasonably withhold consent to an assignment if the conditions specified below are met. In the event Franchisor consents to any assignment, transfer or encumbrance, Franchisor shall at all times maintain a superior position vis-à-vis any other lienholder and Franchisor shall have the right to file a UCC-1 financing statement to assert its priority position.

1. Transfer to Entity. If Franchisee is comprised of one or more individuals and wishes to form an Entity, Franchisee shall obtain prior written approval of Franchisor, which may be granted at Franchisor's discretion, for transfer of Agreement and the Franchised Business to the new Entity at no additional monetary consideration, provided that (a) Franchisee owns all of the issued and outstanding ownership interests in the new Entity; (b) Franchisee or a manager approved by Franchisor actively manages the Entity and continues to devote best efforts and full and exclusive time to the day-to-day operation and development of the Franchised Business; (c) the Entity is newly organized in its activities or confined exclusively to acting as a Franchisee under this Agreement; (d) the Entity executes a document in such form as shall be approved by Franchisor in which it agrees to become a party to and be bound by all of the provisions of this Agreement and to assume all of the obligations of Franchisee; and (e) the Entity and its Owners comply with the requirements specified in Section 10.L. of this Agreement.

2. Restrictions on Transfers.

a. If the Franchisee is an Entity, except in accordance with a transfer permitted under the terms of this Agreement or as otherwise permitted by Franchisor, then the individuals named in Section 26.3 of this Agreement shall remain the owners of not less than 66% of the total ownership interests of such Entity during the entire term of this Agreement, with the effective unencumbered right to vote the ownership interests. The loss or surrender of the ownership or effective unencumbered right to vote the ownership interests, by any means whatever, shall constitute a breach of the terms of this Agreement.

b. Franchisee will not sell, assign or transfer this Agreement, any interest in Franchisee or Franchised Business, or any assets or accounts, including, but not limited to, the customer list of Franchisee or Franchised Business to any person or Entity that owns, operates, franchises, develops, consults with, manages, is involved in, or controls any business that is in any way competitive with Franchisor or the Franchised Business. If Franchisor refuses to permit an assignment or transfer based upon this provision, Franchisee's only remedy will be to have an arbitrator determine, in accordance with Section 24, whether the proposed assignee is a competitor of Franchisor.

c. Ownership of the Entity by a private equity group, an ESOP, trust, or any similarly structured entity is not permitted without the prior express written permission of Franchisor.

3. Consent Required. Franchisee shall not sell, assign, transfer, convey, give away, pledge, mortgage or otherwise encumber any interest in this Agreement without the prior written consent of the Franchisor. Any purported assignment or transfer, by operation of law or otherwise without the prior written consent of the Franchisor shall be null and void and shall constitute a material breach of this Agreement. Franchisee's transfer of five percent (5%) interest or more in the Agreement will require an amendment to add such transferee as an Owner. If a transferee holds directly or indirectly 15% or more of the ownership interests in Franchisee's Entity, such transferee shall execute Franchisor's then-current Guaranty. If as a result of any transfer to a person in a single transaction or series of transactions, the original Franchisee's ownership interest in this Agreement falls below 66%, then the Franchisee must sign the then-current form of franchise agreement and all of the then-current terms of that agreement will apply thereafter. Franchisor reserves the right to conduct an audit as a pre-condition to consent to any transfer.

4. Non-Control Transfer. Consent by Franchisor to an assignment of less than one-half (1/2) of the beneficial interest in the Franchised Business shall not be unreasonably withheld, provided such assignment is not part of a series of assignments intended to evade this provision, and further provided: (1) The assignee shall enter into a written agreement with Franchisor, in a form satisfactory to Franchisor, assuming and/or guaranteeing all of

Franchisee's obligations hereunder; (2) Any defaults under this Agreement on the part of the Franchisee have been remedied; (3) Such other reasonable conditions as may be required by Franchisor in connection with the assignment have been satisfied; and (4) assignee has demonstrated to Franchisor's satisfaction that it meets Franchisor's then-current standards for MM Businesses.

5. Control Transfer. If an assignment, alone or together with other previous, simultaneous, or proposed assignments, would have the effect of assigning one-half (1/2) or more of the beneficial interest in the Franchised Business, Franchisor shall not unreasonably withhold its consent to the assignment if all of the following conditions and requirements have been satisfied: (1) all obligations of Franchisee in connection with Franchisor have been assumed by assignee; (2) all ascertained or liquidated debts of Franchisee in connection with Franchisor have been paid; (3) Franchisee is not in default under any provision of this Agreement; (4) the assignee has completed the Initial Training Program required for new franchisees; (5) the assignee has executed the then-current franchise agreement for a full term as provided therein; (6) Franchisee or assignee has paid Franchisor's then-current transfer fee (the "**Transfer Fee**"); (7) Franchisee and all owners to which this Agreement has been assigned must execute a General Release; and (8) assignee has demonstrated to Franchisor's satisfaction that it meets Franchisor's then-current standards for MM Businesses. The same conditions shall apply to all potential transferees, including spouses, adult children, and existing managers of the Franchised Business. Franchisor may discount the Transfer Fees in accordance with Franchisor's then-current policies for transfers to a spouse or an adult child of Franchisee's controlling owner or to qualified managers of the Franchised Business. A qualified manager shall have been an approved manager of the Franchised Business for at least five (5) years and shall be current on all Franchisor-required training and certifications.

6. Right of First Refusal. Franchisor also has a right of first refusal whenever Franchisee seeks to assign all or any interest in the Franchised Business to a third party. Franchisee may not sell, transfer or assign any interest in the Franchised Business, without first offering the same to Franchisor, in writing, at a stated price and terms. When offering the Franchised Business or the assets thereof to Franchisor, Franchisee shall provide Franchisor with a bona fide written offer from a third party containing the terms of the offer, and also the Franchised Business's financial information, including, (1) any audited financials for the last two years; (2) income statements for the two most recently completed calendar years, and for the current year to date; (3) income tax returns for the two most recently completed calendar years; (4) Weekly Business Summaries for the final week of the two most recently completed calendar years and for the most recently completed week of the current year. Franchisee shall also provide other reasonably requested information within three (3) business days of Franchisor making the request. Franchisor may accept in writing at any time within thirty (30) days from receipt of the written offer and required accompanying information by Franchisee. If Franchisor declines or does not accept the offer within thirty (30) days, Franchisee may thereafter sell or dispose of the Franchised Business under the terms of the third-party offer provided to Franchisor, but not at a lower price nor on more favorable terms than have been offered to Franchisor, in writing and subject to Franchisor's right to approve the buyer. If Franchisee wants to sell the Franchised Business on different terms than previously presented to Franchisor, the Franchisee shall again present the new terms under the process herein outlined.

7. Transfers Upon Death or Incapacity. Upon the death or incapacity of Franchisee, or if Franchisee is an Entity, upon the death of any principal shareholder, Franchisee may, with the express written consent of Franchisor, transfer the respective ownership interest to an heir or legacy. The heirs or legacies who are entitled under controlling local law to the deceased's franchised interest in the Franchised Business may take the interest, provided that Franchisor is satisfied that the heirs or legacies meet the standards for Merry Maid franchisees, in Franchisor's reasonable discretion, and provided that they attend training and personally manage the Franchise. If the heir or legacy is a current Merry Maids franchisee, then Franchisor will consent to the transfer so long as the heir or legacy is a franchisee in Good Standing with Franchisor. In no event shall Franchisor unreasonably withhold consent to the transfer of the Franchised Business to the heir or legacy, provided the above conditions are met. Notwithstanding any provision to the contrary, whenever Franchisee becomes incapacitated or upon death (as defined above) and no consent is given by Franchisor to transfer ownership to an heir or legacy for any reason including if the heir or legacy does not meet Franchisor's standards outlined in this Agreement, then Franchisor shall have the right to purchase the Franchise. In the event Franchisor asserts its right to purchase the Franchise, the valuation of the Franchised Business shall be determined by a third-party valuation expert or company selected by Franchisor utilizing standard professional valuation methodology utilized in the franchise industry.

8. Transfers by Franchisor. Franchisor has the right to sell or assign this Agreement, in whole or in part, at its discretion, without prior notice or consent, which shall inure to the benefit of any assignee or other legal successor to the interest of Franchisor.

15. IN-TERM COVENANTS NOT TO COMPETE

A. The covenants of Franchisee not to compete during the term of this Agreement are as follows:

Franchisee agrees that during the term of this Agreement Franchisee will not, for Franchisee's own account, or as a partner, employee, agent, advisor, consultant, or in any other capacity of or for or on account of any person or Entity or as an officer, director or owner of any of the foregoing (except a passive stockholder holding less than one percent (1%) of the stock of a publicly held corporation), or otherwise, directly or indirectly:

1. Engage in any business, enterprise or activity competitive with Franchisor, or engage in the marketing or selling of maid cleaning services, material or products, or materials or products substantially similar to those handled, sold, distributed, offered or processed by Franchisor during the term of this Agreement or renewal thereof.

2. Divert or attempt to divert any business or customer of the Franchised Business to any competitor, by direct or indirect inducement, or otherwise.

B. The foregoing restrictive covenants of Franchisee shall be deemed separable and the invalidity of any covenant shall not affect the validity of enforceability of any other covenant. If any period of time or limitation of geographical area stated herein is longer or greater than the maximum period or geographical area permitted by applicable law, then the period of time or geographical area stated herein shall be deemed to be such maximum permissible period of time or geographical area, as the case may be. The existence of any claim or cause of action of Franchisee against Franchisor, whether predicated on this Agreement or otherwise, shall not constitute a defense to the enforcement by Franchisor of these covenants mentioned above. Each of Franchisee's Owners, and any of their spouses that are in any way involved in the operation of the Franchised Business, shall bind themselves to the noncompete provisions in this Section 15 by signing the Franchisor's then-current Guaranty (if such Owner directly or indirectly holds a 15% or greater ownership interest in Franchisee's Entity) or a noncompete agreement prescribed by Franchisor.

16. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

A. This Agreement does not render Franchisee an agent, legal representative, joint venturer, partner, employee, or servant of Franchisor for any purpose whatsoever; and it is understood between the parties hereto that Franchisee shall be an independent contractor. This Agreement does not create a fiduciary relationship between the parties. Franchisee is not authorized to make any contract, agreement, warranty or representation on behalf of Franchisor or to create any obligation, express or implied, on behalf of Franchisor. Nothing in this Agreement is intended to create a joint employer relationship between the parties, it being expressly understood that any personnel policies or procedures, forms, guidance or other employment related materials or information offered by Franchisor is provided solely for Franchisee's convenience. Franchisee's use of such information is completely optional and should not be construed as any intent or right to control Franchisee's operations, personnel decisions or relationship with its employees. Franchisee is expressly advised to consult its own independent counsel for labor and employment advice.

B. Under no circumstances shall Franchisor be liable for any act, omission, debt, or any other obligation of Franchisee. Franchisee shall indemnify and save Franchisor harmless against any such claim and all other fines, suits, proceedings, claims or demands which arise, directly or indirectly, as a result of or in connection with the operation of the Franchised Business, including costs and attorneys' fees.

C. Franchisee employees, personnel or Representatives shall be informed that they are not entitled to the provision of any employee benefits provided by Franchisor to Franchisor's employees and that such Representative is an employee solely of Franchisee and not of Franchisor. Franchisee shall ensure that all Franchisee's Representatives (as defined below) who perform work under this Agreement shall execute an Acknowledgment Agreement. For purposes of this Agreement, the term "**Representatives**" shall mean consultants, directors, employees, personnel, agents, advisers, subcontractors, franchisees, and other types of authorized third parties, representatives and advisers of Franchisee as applicable.

17. FRANCHISEE MAY NOT WITHHOLD PAYMENTS

The obligations of Franchisee to pay to Franchisor any fees or amounts described in this Agreement are not dependent on Franchisor's performance and are independent covenants by Franchisee. Franchisee shall make all such payments without offset or deduction. No endorsement or statement on any check or payment of any sum less than the full sum due to Franchisor shall be construed as an acknowledgment of payment in full or an accord and satisfaction, and Franchisor may accept and cash such check or payment without prejudice to its right to recover the balance due or pursue any other remedy provided herein or by law. As specified in Section 12.G., Franchisor may apply any payments made by Franchisee for any reason whatsoever against any past due indebtedness of Franchisee as Franchisor may see fit. Franchisor may set off against any sums payable to Franchisee hereunder any unpaid debts from Franchisee to Franchisor.

18. NOTICES

All notices to be given under and in accordance with the terms of this Agreement shall be in writing and shall be (i) delivered personally; or (ii) mailed, postage prepaid, by a reputable courier, delivery confirmation requested, to the other party at the address given on the first page of this Agreement or such other address given in accordance with the terms hereof.

19. WAIVERS AND CUMULATIVE RIGHTS AND REMEDIES

A. No waiver of any breach of any of the covenants, agreements or provisions herein contained shall be construed as a waiver of any subsequent breach of the same or any other covenant or provision.

B. All rights and remedies herein conferred upon or reserved to the parties shall be cumulative and concurrent and shall be in addition to every other right or remedy given to the parties herein or at law or in equity or by statute and are not intended to be exclusive of any other right or remedy. The termination or expiration of this Agreement shall not deprive either of the parties of any of its rights or remedies against the other to enforce at law or in equity any of the rights or remedies of the parties hereunder.

20. LIABILITY FOR BREACH

In the event of any default on the part of either party hereto, the party in default shall pay to the aggrieved party all amounts due and all damages, costs and expenses, including reasonable attorneys' fees, incurred by the aggrieved party as a result of any such default.

21. ENTIRE AGREEMENT AND MODIFICATIONS

A. Entire Agreement. This Agreement, the attached Exhibits hereto, and the documents referred to herein, shall be construed together and constitute the entire, full and complete agreement between Franchisor and Franchisee concerning the subject matter hereof, and supersedes all prior agreements, not disclaiming the representations made to Franchisee in the Franchise Disclosure Document (the "**FDD**") that Franchisor furnished to Franchisee. No other representations have induced Franchisee to execute this Agreement, and there are no representations, inducements, promises, or agreements, oral or otherwise, between the parties not embodied herein, which are of any force or effect with reference to this Agreement or otherwise. No amendment, change or variance from this Agreement shall be binding on either party unless executed in writing.

B. Modifications. This Agreement may be modified only if Franchisor and Franchisee agree in writing to the modification, subject, however, to the Franchisee and each Owner and/or affiliate of Franchisee executing a General Release and subject to the right of Franchisor to modify its Operations Manual and procedures unilaterally under any conditions and to any extent which Franchisor, in its sole discretion, deems necessary. Franchisee and Franchisor have agreed on the release provisions of this Agreement considering that: (i) the releases to be provided in the future will be effective as of future dates only, (ii) the release requirement is triggered by a discretionary choice made by Franchisee to receive various future benefits (e.g. a transfer, assignment franchise, etc.), and (iii) Franchisee providing a release to Franchisor is a practical business approach if Franchisee and/or Franchisor propose to change, extend, expand or otherwise modify Franchisee/Franchisor relationship at a future date and encourages thoughtful communication of potential issues between Franchisee and Franchisor. Franchisee and Franchisor agree that setting

mutual expectations for the receipt of such future releases and assenting to grant them now is more productive than being surprised by such requirements at a later point in Franchisee's/Franchisor's relationship.

22. SEVERABILITY AND CONSTRUCTION AND INTERPRETATION

A. Severability. Each section, part, term and/or provision of this Agreement shall be considered severable, and if, for any reason, any section, part, term and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation, such shall not impair the operation of or affect the remaining portions, sections, parts, terms and/or provisions of this Agreement, and the latter will continue to be given full force and effect and bind the parties hereto; and said invalid sections, parts, terms and/or provisions shall be deemed not to be a part of this Agreement; provided, however, that if Franchisor determines that said finding of illegality adversely affects the basic consideration of this Agreement, Franchisor may at its option, terminate this Agreement. The foregoing notwithstanding, it is agreed that the provisions set forth in Section 25 below shall control where applicable.

B. No Third-Party Beneficiaries. Anything to the contrary herein notwithstanding, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or Entity other than Franchisor or Franchisee and such of their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under or by reason of this Agreement.

C. Unenforceable Provisions. Franchisee expressly agrees to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

D. Captions. All captions herein are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof.

E. Franchisor's Sole Discretion. Franchisee understands and agrees that the exercise of judgment is critical to Franchisor's role in the System and to Franchisor's goals for its continuing improvement. Franchisee, Franchisor, and all other franchisees have a collective interest in working within a franchise system with the flexibility to adjust to business conditions, including the competitive environment, new regulatory developments and emerging business opportunities. Therefore, Franchisee and Franchisor agree that the ultimate decision-making responsibility for the System must be vested in Franchisor. When Franchisor uses the phrases "in Franchisor's sole discretion" or other similar phrases, whether in this Agreement or another context, Franchisee and Franchisor agree that Franchisor has the wholly unrestricted right to make decisions and/or take (or refrain from taking) actions. Franchisor shall exercise its judgment however Franchisor considers appropriate in its sole and absolute discretion, without any limitation. Franchisor will not be required to consider any particular interest group, including, Franchisee's individual interests or the interests of any other franchisee(s). So long as Franchisor acts in compliance with the requirements of this Agreement, Franchisor will have no liability for the exercise of Franchisor's discretion in accordance with the provisions of this Agreement.

23. SUCCESSORS

This Agreement shall inure to the benefit of and be binding upon the heirs, successors, personal representatives and assigns of the parties. Notwithstanding the foregoing, Franchisee shall have no right to transfer or assign this Agreement except in accordance with the terms of Section 14 above.

24. DISPUTE RESOLUTION.

A. Alternative Dispute Resolution Procedure. Except as otherwise provided in Section 24.B. (Excepted Disputes), any claim, dispute, suit, action, controversy, or proceeding of any type whatsoever between (i) Franchisee, its affiliates, or its Owners, and/or Franchisee's its affiliates', or its Owners' officers, directors, and employees (the "**Franchisee Related Parties**") and (ii) Franchisor, its affiliates, and/or its or its affiliates' officers, directors, owners, and employees (the "**Franchisor Related Parties**") relating to (a) this Agreement, (b) the relationship of any of the Franchisor Related Parties with any of the Franchisee Related Parties, or (c) the Franchised Business, including

disputes related to compliance with franchise, labor, or employment laws (collectively, (a) through (c), the “**Covered Disputes**”) must be resolved in accordance with the alternative dispute resolution procedures described in this Section 24.A. The Franchisee Related Parties and any Franchisor Related Parties shall all be considered third-party beneficiaries of this Agreement and shall be included in the term “parties” or “party” in this Section 24.

1. Informal Negotiation. To initiate the dispute resolution process, the party alleging a Covered Dispute must provide the other party with written notice setting forth the alleged Covered Dispute in detail and requesting a meeting (the “**Dispute Notice**”). Each Covered Dispute must be discussed in a face-to-face meeting or, upon agreement of the parties, in a video or telephone conference call held within thirty (30) days after such Dispute Notice is provided to the other party. Unless otherwise agreed by the parties, the party initiating the process must wait at least thirty (30) days after the Dispute Notice has been delivered to the other party before submitting the dispute to mediation.

2. Mediation. If the Covered Dispute is not resolved informally as provided in Section 24.A.1 (Informal Negotiation), the party alleging the Covered Dispute must submit the Covered Dispute for non-binding mediation. All parties must attend and participate in the mediation. The mediation shall be governed by the rules of the American Arbitration Association (the “AAA”) before one mediator selected by the parties, and if the parties cannot agree upon the mediator, then a mediator selected by the AAA. It is the intent of the parties that mediation shall be held not later than thirty (30) days after a written request for mediation shall have been served on the other parties. The mediation shall be held in the metropolitan area of Franchisor’s then-current principal place of business (currently, Atlanta, Georgia) and shall not last more than one day, unless the parties agree otherwise. The parties will split equally the cost of any mediation. Any party may be represented by counsel and may, with permission of the mediator, bring persons appropriate to the proceeding.

3. Arbitration. If the parties do not resolve the Covered Dispute after the conclusion of the mediation, such Covered Dispute must be subject to and resolved exclusively by binding arbitration. **This means that all Covered Disputes that either party would otherwise have the legal right to sue for in court shall be subject to final and binding arbitration under the arbitration provisions set forth in this Section 24.A.3 and not decided by a court or a jury.** If there are any ambiguities in the terms or conditions of this Section 24, it is the parties’ intent that all ambiguities be resolved in favor of arbitration. For the purposes of this Section 24.A.3, Covered Disputes will not include disputes that an applicable federal statute provides cannot be arbitrated or cannot be subject to a pre-dispute agreement to arbitrate.

a. Arbitration Procedure. Either party may commence arbitration by sending written demand for arbitration to the other party. The arbitration proceeding shall be conducted by one arbitrator and, except as otherwise provided in this Section 24, shall be conducted in accordance with the then-current Commercial Arbitration Rules of the AAA. All arbitration proceedings will be held at the offices of the AAA or other suitable offices that Franchisor selects in the metropolitan area in which its principal place of business is then located (currently, Atlanta, Georgia). The arbitrator shall have no authority to select a different hearing locale. All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.).

b. Scope. The arbitrator (and not a court) shall decide all issues in any Covered Dispute, including issues regarding the non-availability of class arbitration, timeliness, arbitration procedures, statute of limitations, and all other issues regarding the application, interpretation, enforceability, coverage, and implementation of this Section 24.A.3, including whether the parties have entered into this Agreement. In accordance with Section 24.E (Mutual Waiver of Class or Collective Actions), the arbitrator shall have no authority to consider or resolve any claim or issue in a Covered Dispute on any basis other than on an individual basis and may not consolidate or join one or more Covered Disputes pertaining to Franchisee or another Franchisee Related Party with any other dispute(s).

c. Relief. The arbitrator shall have the power and authority to award any remedy or relief available under Applicable Laws, including money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys’ fees and costs (in accordance with Section 20 (Liability for Breach)), except the arbitrator may not (a) declare any Mark generic or otherwise invalid or (b) award any special, consequential, exemplary, or punitive damages against either party, except as expressly provided in Section 24.D (Mutual Waiver of Punitive Damages).

d. Binding Decision. The decision and award of the arbitrator will be final, conclusive, and

binding on all parties regarding any claims, counterclaims, issues, or accountings presented or pled to the arbitrator, and judgment on the award, including any partial, temporary or interim award, may be entered in any court of competent jurisdiction (and such proceeding shall not itself be deemed a Covered Dispute).

e. Confidentiality. All evidence, testimony, records, documents and information disclosed in any arbitration hearing between the parties will be secret and confidential in all respects. Neither party will disclose any evidence, testimony, records, documents or information from any arbitration hearing to any other person or Entity except as required or expressly permitted by Applicable Laws.

B. Exceptions to Alternative Dispute Resolution.

1. Excepted Disputes. Unless Franchisor consents in writing otherwise, the following Covered Disputes will not be subject to or resolved through the informal negotiation, non-binding mediation, and binding arbitration procedures specified in Section 24.A (Alternative Dispute Resolution Procedure) and will instead be resolved through litigation: (a) disputes relating to Franchisee's use of the Marks (including Lanham Act or common law claims); (b) disputes that otherwise relate to the ownership or validity of any of Franchisor's intellectual property or the enforcement of Franchisor's intellectual property rights; (c) disputes that involve protection of Franchisor's confidential information; (d) disputes related to the enforcement of Section 15 (Covenants); (e) disputes related to the payment of sums that any of the Franchisee Related Parties owes to any of the Franchisor Related Parties; and (e) disputes related to the payment of sums that any of the Franchisee Related Parties owes to any of the Franchisor Related Parties (collectively, "**Excepted Disputes**").

2. Injunctive Relief. Notwithstanding the parties' agreement to resolve Covered Disputes through the informal negotiation, non-binding mediation, and binding arbitration procedures specified in Section 24.A (Alternative Dispute Resolution Procedure), either party will have the right to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction to obtain interim relief when deemed necessary by such court to preserve the status quo or prevent irreparable injury pending resolution of the actual Covered Dispute that would otherwise be subject to arbitration; provided, however, that such party must contemporaneously submit the Covered Dispute for arbitration on the merits as provided in Section 24.A.3 (Arbitration). In addition to any other relief available at law or equity, Franchisor will have the right to obtain restraining orders or temporary or permanent injunctions to, among other things: (a) enforce the provisions of this Agreement related to the use or protection of the Marks, Franchisor's confidential information, other components of the System, or other intellectual property of any of the Franchisor Related Parties; (b) enforce the non-compete covenants in Section 15 (In-Term Covenants Not to Compete) and Section 14.C.6. (Post-Term Covenant Not to Compete); (c) enforce the obligations of any Franchisee Related Party on termination or expiration of this Agreement; and (d) prohibit any act or omission by any Franchisee Related Party that is a violation of Applicable Laws or that threatens to harm the Marks, the System, or the business of other franchisees or the Franchisor Related Parties. Franchisee agrees that the Franchisor Related Parties will not be required to prove actual damages or post a bond in excess of \$1,000 or other security in seeking or obtaining injunctive relief (both preliminary and permanent) and/or specific performance with respect to this Agreement.

3. Forum for Litigation. Any litigation related to an Excepted Dispute will be filed exclusively in the state court or United States District Court for the district in which Franchisor has its principal place of business at the time of filing. The parties waive all questions of personal jurisdiction and venue for the purpose of carrying out this provision. Notwithstanding the foregoing, Franchisor may enforce this Agreement in the courts of the state or states in which Franchisee is domiciled or the Franchised Business is operated.

C. **MUTUAL WAIVER OF JURY TRIAL. THE PARTIES EACH KNOWINGLY, VOLUNTARILY, AND IRREVOCABLY WAIVE ANY RIGHT TO A TRIAL BY A JURY IN ANY COVERED DISPUTE AND ANY RIGHT TO HAVE A COVERED DISPUTE BE DECIDED BY A COURT OR A JURY.**

D. **MUTUAL WAIVER OF PUNITIVE DAMAGES. EXCEPT FOR (A) CLAIMS RELATED TO THE FRANCHISEE RELATED PARTIES' OBLIGATION TO INDEMNIFY FRANCHISOR AND THE FRANCHISOR INDEMNITIES FOR THIRD-PARTY CLAIMS UNDER PARAGRAPH 17.3 (INDEMNIFICATION), (B) CLAIMS RELATED TO ANY OF THE FRANCHISEE RELATED PARTIES' INFRINGEMENT OF ANY OF THE FRANCHISOR RELATED PARTIES' INTELLECTUAL PROPERTY,**

AND (C) CLAIMS RELATED TO ANY FRANCHISEE RELATED PARTIES' BREACH OF ITS OBLIGATIONS UNDER PARAGRAPH 8 (CONFIDENTIAL INFORMATION AND INNOVATIONS), NEITHER PARTY WILL BE ENTITLED TO RECOVER SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES UNDER THIS AGREEMENT.

E. MUTUAL WAIVER OF CLASS OR COLLECTIVE ACTIONS. FRANCHISOR AND FRANCHISEE EACH WAIVE ANY RIGHT TO BRING ANY CLAIMS ON A CLASS-WIDE OR GROUP, REPRESENTATIVE, CONSOLIDATED, JOINT, OR COLLECTIVE BASIS. EACH PARTY MUST BRING ANY CLAIMS AGAINST THE OTHER PARTY ON AN INDIVIDUAL BASIS AND MAY NOT JOIN ANY CLAIM IT MAY HAVE WITH CLAIMS OF ANY OTHER PERSON OR ENTITY OR OTHERWISE PARTICIPATE IN A CLASS OR COLLECTIVE ACTION AGAINST THE OTHER PARTY.

F. TWO-YEAR LIMITATION ON CLAIMS. ANY AND ALL CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR COVERED DISPUTES WILL BE BARRED UNLESS AN ARBITRATION OR JUDICIAL PROCEEDING IS COMMENCED IN THE PROPER FORUM WITHIN TWO YEARS FROM THE DATE ON WHICH THE VIOLATION, ACT, OMISSION, OR CONDUCT GIVING RISE TO THE CLAIM OCCURS, REGARDLESS OF WHEN THE PARTY ASSERTING THE CLAIM KNEW OR SHOULD HAVE KNOWN OF THE FACTS GIVING RISE TO THE CLAIM, except for claims (which may be brought by any Franchisor Related Party against any Franchisee Related Party at any time): (a) relating to third-party claims or suits brought against any Franchisor Related Party as a result of the operation of the Franchised Business; (b) relating to the enforcement of any intellectual property rights of any Franchisor Related Party; (c) relating to Franchisee's non-payment or underpayment of amounts owed to a Franchisor Related Party; (d) concerning the obligations of any Franchisee Related Party under Section 8 (Confidential Information and Improvements by the Franchisee), Section 15 (In-Term Covenants Not to Compete), or Section 14.C.6. (Post-Term Covenant Not to Compete) of this Agreement; (e) related to the non-compliance of any Franchisee Related Parties with any post-termination obligations under this Agreement; and (f) regarding an assignment of this Agreement or any ownership interest therein.

G. No Collateral Estoppel. No arbitration finding, conclusion or award may be used to collaterally estop either party from raising any like or similar issue or defense in any subsequent arbitration, litigation, court hearing or other proceeding involving third parties, including other franchisees.

H. Remedies Not Exclusive. No right or remedy that the parties have under this Agreement is exclusive of any other right or remedy under this Agreement or under Applicable Laws. Each and every such remedy will be in addition to, and not in limitation of or substitution for, every other remedy available at law or in equity or by statute or otherwise.

I. No Recourse. Franchisee acknowledges and agrees that except as provided under an express statutory liability for such conduct, none of Franchisor's past, present or future directors, officers, employees, incorporators, members, partners, stockholders, subsidiaries, affiliates, controlling parties, entities under common control, ownership or management, vendors, service providers, agents, attorneys or representatives will have any liability for (i) any of Franchisor's obligations or liabilities relating to or arising from this Agreement, (ii) any claim against Franchisor based on, in respect of, or by reason of, the relationship between Franchisee and Franchisor, or (iii) any claim against Franchisor based on any of Franchisor's alleged unlawful act or omission. For the avoidance of doubt, this provision constitutes an express waiver of any claims based on a theory of vicarious liability, unless such vicarious claims are authorized by a guarantee of performance or statutory obligation. It is not meant to bar any direct contractual, statutory, or common law claim that would otherwise exist.

J. Attorneys' Fees and Costs. Franchisee agrees to reimburse Franchisor for all expenses Franchisor reasonably incurs (including attorneys' fees): (i) to enforce the terms of this Agreement or any obligation owed to Franchisor by Franchisee and/or its Owners (whether or not Franchisor initiates a legal proceeding, unless Franchisor initiates and fails to substantially prevail in such court or formal legal proceeding); and (ii) in the defense of any claim Franchisee and/or its Owners assert against Franchisor on which Franchisor substantially prevails in court or other formal legal proceedings. Franchisor agrees to reimburse Franchisee for all expenses Franchisee reasonably incurs (including attorneys' fees): (a) to enforce the terms of this Agreement or any obligation owed to Franchisee by Franchisor (whether or not Franchisee initiates a legal proceeding, unless Franchisee initiates and fails to substantially

prevail in such court or formal legal proceeding); and (b) in the defense of any claim Franchisor asserts against Franchisee on which Franchisee substantially prevails in court or other formal legal proceedings.

K. Survival. This Section 24 will survive termination, expiration, and/or rescission of this Agreement.

25. APPLICABLE LAW

24.1 Governing Law. Except to the extent governed by the United States Trademark Act (the Lanham Act) or the Federal Arbitration Act, this Agreement and all disputes directly or indirectly related to or arising from this Agreement shall be governed, interpreted, and construed under the laws of the State of Georgia, which laws shall prevail in the event of any conflict of law, without regard to the application of any Georgia conflict-of-law rules.

24.2 Survival. This Section 25 will survive termination, expiration, and/or rescission of this Agreement.

1. Release by Franchisee, Transferee, and Owners. Franchisee and Transferee (on behalf of themselves and their parents, subsidiaries, and affiliates and their respective past and present officers, directors, shareholders, managers, members, agents, and employees, in their corporate and individual capacities), and Owners (on behalf of themselves and their respective heirs, representatives, successors and assigns) (collectively, the “**Releasors**”) freely and without any influence forever release (i) Franchisor, (ii)

This waiver extends to any other statute or common law principle of similar effect in any applicable jurisdiction, including without limitation, California and or any other jurisdiction in which the Releasors reside. Franchisee, Transferee, and Owners (on behalf of all Releasors) acknowledge and represent that they have each consulted with legal counsel before executing this release and that they understand its meaning, including the effect of Section 1542 of the California Civil Code, and expressly consent that this release shall be given full force and effect according to each and all of its express terms and provisions, including, without limitation, those relating to the release of unknown and unsuspected claims, demands, and causes of action.

Report of Independent Auditors

To the Board of Managers of RW Parent, LLC and Management of Servicemaster Systems, LLC

Opinion

We have audited the accompanying consolidated financial statements of Servicemaster Systems, LLC and its subsidiaries (the "Company"), which comprise the consolidated statement of financial position as of December 31, 2022, and the related consolidated statements of operations and comprehensive income, of members' equity and of cash flows for the year then ended, including the related notes (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

The consolidated financial statements of the Company as of December 31, 2021 and for the year then ended were audited by other auditors whose report, dated March 31, 2022, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

ServiceMaster Systems, LLC and Subsidiaries

(An indirect, wholly owned subsidiary of RW Purchaser, LLC)

Notes to Consolidated Financial Statements

December 31, 2022 and 2021

1. Description of Business

ServiceMaster Systems, LLC

The Company is a single-member limited liability company subsidiary of ServiceMaster Funding LLC (the "Issuer", "Member", or together with ServiceMaster of Canada Limited, the "Co-Issuers"), and an indirect wholly owned subsidiary of RW Purchaser. Through its subsidiaries, the Company franchises and operates restoration, cleaning, furniture repair, property inspection, moving and junk removal to both residential and commercial customers through the following brands: ServiceMaster Restore, ServiceMaster Recovery Management ("SRM") ServiceMaster Clean, Merry Maids, Furniture Medic, AmeriSpec, and Two Men and a Truck ("TMTI") (collectively, the "ServiceMaster Brands.")

References to "we," "us," "our" and "Company" in the accompanying consolidated financial statements (the "financial statements") are to the Company's business unless the context otherwise requires.

2. Significant Accounting Policies

The significant accounting policies described below, together with the other notes that follow, are an integral part of the financial statements.

Basis of Preparation

The historical results of our operations, financial position and cash flows have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP"). All significant intercompany transactions and balances have been eliminated in consolidation.

Use of Estimates

The preparation of the financial statements requires management to make certain estimates and assumptions required under US GAAP that may differ from actual results. The more significant areas requiring the use of management estimates relate to the valuation of tangible and intangible assets.

Accounts Receivable and Notes Receivable

Accounts receivable consist primarily of national account revenue, royalties and franchise fees due from franchisees. Notes receivable consist primarily of licenses and equipment sold to franchisees. Accounts receivable are carried at their net realizable value. The Company accounts for credit losses using the Current Expected Credit Loss (CECL) model detailed in the Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") No. 2016-13, *Financial Instruments – Credit Losses (Topic 326)*.

The Company's expected loss allowance methodology for accounts receivable is developed using historical collection experience, current and future economic and market conditions and a review of the current status of customers' trade accounts receivable. Due to the short-term nature of such receivables, the estimate of accounts receivable that may not be collected is based on aging of the accounts receivable balances and consideration of customers' financial and macroeconomic conditions. Balances are written off when determined to be uncollectible. The exposure to concentrations of credit risk is limited due to the diverse product offerings and geographic areas covered by our operations.

Notes to Consolidated Financial Statements
December 31, 2022 and 2021

Estimates are used to determine the allowance. It is based on an assessment of anticipated payment and all other historical, current and future information that is reasonably available.

Inventories

Inventories are recorded at the lower of cost (primarily on a weighted-average cost basis) or net realizable value. Our inventories primarily consist of finished goods to be used on the customers' premises or sold to franchisees.

Property and Equipment and Intangible Assets

Property and equipment consist of the following:

<i>(in millions)</i>	December 31,		Estimated Useful Lives (Years)

Servicemaster Systems, LLC and Subsidiaries

(An indirect, wholly owned subsidiary of RW Purchaser, LLC)

Notes to Consolidated Financial Statements

December 31, 2022 and 2021

Property and equipment, leasehold improvements and intangible assets with finite lives are depreciated and amortized on a straight-line basis over their estimated useful lives. Property and equipment lives are based on our previous experience for similar assets, potential market obsolescence and other industry and business data.

Amortization of leasehold improvements is provided for on a straight-line method over the estimated benefit period of the related assets or the lease term, if shorter. As required by accounting standards for the impairment or disposal of long-lived assets, property and equipment and finite-lived intangible assets are tested for recoverability whenever events or changes in circumstances indicate their carrying amounts may not be recoverable. If the carrying value is no longer recoverable based upon the undiscounted future cash flows of the asset, an impairment loss could be recognized equal to the difference between the carrying amount and the fair value of the asset. Changes in the estimated useful lives or in the asset values could cause us to adjust the book values or future expense accordingly. There were no triggering events identified for the years ended December 31, 2022 and 2021.

Indefinite-lived intangible assets, primarily trade names, are assessed annually for impairment during the fourth quarter or earlier upon the occurrence of certain events or substantive changes in circumstances. The Company performed an annual impairment analysis as of October 1, 2022, which resulted in a \$12.4 million impairment of the Furniture Medic tradename and a \$8.1 million impairment to the AmeriSpec tradename. See Note 4, *Intangible Assets*, for our intangible assets balances.

Member's Equity

Our equity on the consolidated statements of financial position represents the Issuer's net investment in us and is presented as Member's Equity. Member's Equity includes the value of the net assets transferred to the Company, subsequent transfers of SRM and TMTI and the Issuer's share of our net income.

Fair Value Measurement

Fair value is defined as the exchange price that would be received for an asset or an exit price paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The fair value hierarchy defines a three-level valuation hierarchy for disclosure of fair value measurements as follows:

- Level 1 Valuations based on quoted prices in active markets for identical assets or liabilities that an entity has the ability to access;
- Level 2 Valuations based on quoted prices for similar assets or liabilities, quoted prices for identical assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable data for substantially the full term of the assets or liabilities; and
- Level 3 Valuations based on inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

ServiceMaster Systems, LLC and Subsidiaries

(An indirect, wholly owned subsidiary of RW Purchaser, LLC)

Notes to Consolidated Financial Statements

December 31, 2022 and 2021

The categorization of a financial instrument within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The carrying value of cash equivalents, accounts receivable, and accounts payable approximate fair value due to their short-term nature. The carrying value of the Company's debt approximates fair value due to the variable rate terms of the debt.

The transactions described in Note 5, *Acquisitions* have been accounted for as a business combination using the acquisition method in accordance with FASB Accounting Standards Codification ("ASC") 805, Business Combinations, and, accordingly, the purchase price has been allocated to the acquired assets and liabilities assumed at their estimated fair values as of the acquisition date. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Determining the fair value of intangible assets required the use of significant judgment, including the discount rates and the long-term plans about future revenues and expenses, capital expenditures and changes in working capital.

Leases

We determine if an arrangement is a lease at inception. We recognize a right-of-use ("ROU") asset and lease liability for all leases with terms of 12 months or more. ROU assets represent our right to use an underlying asset for the lease term, and lease liabilities represent our obligation to make lease payments arising from the lease. ROU assets and lease liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Our lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option. As most of our leases do not provide an implicit rate, we use our incremental borrowing rate based on the information available at commencement date in determining the present value of lease payments. We use the implicit rate when readily determinable. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term.

Revenue

Royalty Fees

The Company has franchise agreements in the ServiceMaster Restore, ServiceMaster Clean, Merry Maids, Furniture Medic, AmeriSpec and TMTI businesses. Royalty fee revenue consists principally of sales-based royalties received as part of the consideration for the franchise right and is calculated as a percentage of system wide sales. Royalty fees are recognized at the agreed-upon contractual rates over time as the customer-level revenue is generated by the franchisees. Revenue is recognized for an estimate of the unreported royalty fees, which are reported and remitted to us in arrears.

Commercial Cleaning and Other National Accounts

National account revenues are recognized at the agreed-upon contractual amounts over time as services are completed based on contractual arrangements to provide services at the customers' locations. The Company engages either a franchisee or third-party business to perform the services. Under these agreements, the Company is directly responsible for providing the services and receive payment directly from the customer. A receivable is recorded related to this revenue as the Company has an unconditional right to invoice and receive payment. Payments are typically received shortly after services have been rendered.

Servicemaster Systems, LLC and Subsidiaries

(An indirect, wholly owned subsidiary of RW Purchaser, LLC)

Notes to Consolidated Financial Statements

December 31, 2022 and 2021

Sales of Products

Revenues are generated from selling products to franchisees. Revenues from product sales are generally recognized once control of the products transfers to the customer. A receivable is recorded related to these sales as the Company has an unconditional right to invoice and receive payment. Payments are typically received shortly after a customer is invoiced.

Franchise Fees

Initial franchise fees result from the sale of a franchise license, which includes the use of the name, trademarks and proprietary methods. The franchise license is considered symbolic intellectual property and revenue related to the sale of this right is recognized at the agreed-upon contractual amount over the term of the initial franchise agreement.

Referral Fees

We have contractual arrangements with several national insurance companies to maintain a call center which receives and provides nonrecurring recovery and restoration referrals from the insurers to qualifying franchisees. We receive and recognize referral fees from franchisees at the agreed-upon contractual amount as revenue in the month the referral is issued.

National Advertising Fund

Franchisees contribute a percentage of customer-level revenue into a national advertising fund managed by us. In cases where we have ultimate control of the marketing and advertising, we recognize both revenue and expense for the amount earned.

Advertising

Advertising costs are expensed when the advertising occurs and are included in selling and administrative expenses. Advertising costs were \$19.0 million and \$15.7 million for the years ended December 31, 2022 and 2021, respectively. Advertising costs include national advertising fund expenses of \$18.1 million and \$14.5 million for the years ended December 31, 2022 and 2021, respectively, for which there is an equal amount recorded in revenue for the years ended December 31, 2022 and 2021

Income Taxes

The Company is a single-member limited liability corporation which has elected not to be taxed as a corporation, and consequently is not subject to U.S. federal or state income taxes. As such, for income tax purposes, the Company's earnings flow through directly to the Member.

Comprehensive Income

Comprehensive income represents net income for the period plus the results of certain other changes in Member's equity. The Company's comprehensive income is equal to its net income.

Newly Issued Accounting Standards

We have reviewed all recently issued, but not yet effective, accounting pronouncements and do not expect the future adoption of any such pronouncements to have a material impact on our financial condition or the results of our operations.

3. Revenue

The following table presents our revenues, disaggregated by revenue source. We disaggregate revenue from contracts with customers into major customer acquisition channels. We determined that disaggregating revenue into these categories achieves the disclosure objective to depict how the nature, amount, timing, and uncertainty of revenue and cash flows are affected by economic factors.

<i>(in millions)</i>	Years Ended December 31,	
	2022	2021

Royalty fees	\$ 175.7	\$ 141.3
Commercial cleaning and other national accounts	84.2	84.0
Sales of products	10.5	12.0
Other	80.2	64.3
Total	\$ 350.6	\$ 301.6

Costs to Obtain a Contract with a Customer

The Company capitalizes the incremental costs of obtaining a contract with a customer, primarily commissions, and recognizes the expense on a straight-line basis, as adjusted to match the timing of revenue recognition, over the expected customer relationship period. As of December 31, 2022 and 2021, there was an immaterial amount of activity related to capitalizable cost to obtain a contract.

Contract Balances

We record a receivable related to revenue recognized on services once we have an unconditional right to invoice and receive payment in the future related to the services provided. All accounts receivables are recorded within accounts receivable, less allowances, on the consolidated statements of financial position.

Deferred revenue from initial franchise fees represents a contract liability and is recognized when cash payments are received in advance of the performance of services, including when the amounts are refundable. Amounts are recognized as revenue in proportion to the costs expected to be incurred in performing services under our contracts.

Revenue is recognized net of any taxes collected from customers, which are subsequently remitted to taxing authorities.

5. Acquisitions

Acquisition of Two Men and a Truck, Inc.

On August 3, 2021 (the "TMTI Transaction Date"), RW Purchaser entered into a transaction (the "TMTI Transaction") to diversify its service offerings and expand its business into a new sector. The Company acquired substantially all of the assets and liabilities associated with the following brands and businesses: Two Men and a Truck/International, Inc., Eberly Transportation, Inc., TMT/Gold Rush, LLC, TMT – Delhi, L.L.C., and TMT – Lansing, LLC from TMTI Holdco, Inc., Eberly Holdco, Inc., Melanie Bergeron, Jon Sorber, and James Brigham Sorber for \$358.0 million. The total purchase price of the TMTI Transaction was allocated to the underlying assets acquired and liabilities assumed based upon their estimated fair values at the date of the TMTI Transaction.

Pursuant to the TMTI Transaction, a subset of the agreements resulted in the transfer of net assets comprising substantially all of the net assets of TMTI between certain related parties under the common control of RW Purchaser. As relevant parties involved with the transfer of net assets in

Other

On March 1, 2021, RW Purchaser acquired the loss recovery business (the “SRM Business”) from DSI Holdings Corporation to diversify its service offerings and expand its business into a new sector. Total cash consideration for the transaction was \$20.9 million, primarily consisting of the ServiceMaster Recovery Management loss recovery network. The total purchase price of the SRM Business was allocated to the underlying assets acquired and liabilities assumed based upon management’s estimated fair values at the date of acquisition. The total estimated fair value of the net identifiable tangible and intangible assets acquired was \$6.6 million and consisted of \$5.7 million of property and equipment, \$0.8 million of inventories, and \$0.1 million of intangible assets. The excess of purchase price over the estimated fair value of the net assets acquired resulted in \$14.3 million allocated to goodwill. The goodwill created through the purchase is attributable to the assumed future value of the cash flows from the business acquired. Approximately \$14.4 million of the acquired goodwill and intangible assets is deductible for tax purposes.

The Member entered into two agreements (termination agreement dated March 11, 2022 and asset purchase agreement dated June 2, 2022) related to ServiceMaster Coordinator License Agreements (collectively, the “Coordinator Agreements”) for \$47.9 million.

7. Commitments and Contingencies

We lease certain property and equipment under various operating lease arrangements. Most of the property leases provide that we pay taxes, insurance and maintenance applicable to the leased premises. As leases for existing locations expire, we expect to renew the leases or substitute another location and lease.

In the ordinary course of conducting business activities, we are and may in the future become involved in various litigation and claims incidental to our business. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flow.

Notes to Consolidated Financial Statements

December 31, 2022 and 2021

8. Related-Party Transactions

Management Fee

The Company entered into a management agreement with Opco (the "Management Agreement") where Opco is to provide, among other things, the managing of respective rights, powers, duties and obligations in connection with the Pre-Contribution Agreements, the franchise assets, the securitization IP, and all other securitization assets. In exchange for the services described above, the Company will pay an annual management fee equal to a fixed amount of \$7.8 million plus a variable fee of \$11,500 for every integer multiple of \$100,000 of aggregate U.S. retained collections, receivable on a weekly basis. The management fee will be subject to successive 2% annual increases following each anniversary of the closing date. Such fees are included in selling and administrative expenses in the consolidated statements of operations and comprehensive income. For the years ended December 31, 2022 and 2021 the Management fee was \$29.2 million and \$27.8 million, respectively.

9. Disposals

On September 30, 2021, the Company entered into four (4) separate asset sale agreements with existing franchisees to dispose of the following Company-owned branches:

- Service Master Merry Maids branch in Memphis, TN ("Memphis Branch")
- ServiceMaster Restore branches in Charlotte, NC and Wichita, KS ("Charlotte and Wichita Branches")
- ServiceMaster Restore branch in Chantilly, VA ("Chantilly Branch")
- ServiceMaster Clean branch in Albuquerque, NM ("Albuquerque Branch")

The transactions for each of the sales closed on October 29, 2021, with the exception of the sale of the Memphis Branch, which closed on October 25, 2021. The total consideration received for the sale of branches was de minimis and the Company will receive guaranteed royalty payments.

10. Subsequent Events

The Company evaluated subsequent events from December 31, 2022 through March 31, 2023, the date the financial statements were available to be issued. On November 22, 2022, the Company signed a letter of intent to sell the Furniture Medic and AmeriSpec businesses for \$25.0 million. As a result, the Company recorded an impairment charge for the indefinite lived tradenames as the carrying values of the tradenames were higher than the fair value. Refer to Note 2 *Significant Accounting Policies* for further reference. The Company anticipates the transaction will close by the second quarter of 2023. There were no other matters identified affecting the Company's financial position or requiring further disclosure.

INDEPENDENT AUDITOR'S REPORT

To the Board of Managers of RW Parent, LLC and
The Management of ServiceMaster Systems, LLC
Atlanta, Georgia

Opinion

We have audited the consolidated financial statements of ServiceMaster Systems, LLC and subsidiaries (the "Company"), which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of operations and comprehensive income, member's equity, and cash flows for the year ended December 31, 2021 and the period from December 9, 2020 (inception) to December 31, 2020, and the related notes to the consolidated financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the year ended December 31, 2021 and the period from December 9, 2020 (inception) to December 31, 2020 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SERVICEMASTER SYSTEMS, LLC AND SUBSIDIARIES
(AN INDIRECT, WHOLLY OWNED SUBSIDIARY OF RW PURCHASER, LLC)
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2021
AND FOR THE PERIOD FROM DECEMBER 9, 2020 (INCEPTION) TO DECEMBER 31, 2020

Note 1. Description of Business

On October 1, 2020, RW Purchaser LLC (“RW Purchaser”) entered into a transaction (the “Transaction”) to acquire the following brands and businesses: ServiceMaster Restore, ServiceMaster Clean, Merry Maids, Furniture Medic, AmeriSpec (collectively, the “ServiceMaster Brands.”) from Terminix Global Holdings, Inc. which included substantially all assets and liabilities associated with the ServiceMaster Brands. The total purchase price of the Transaction was allocated to the underlying assets acquired and liabilities assumed based upon their estimated fair values at the date of Transaction.

On December 9, 2020 (the “Securitization Date”), a series of agreements (collectively, the “Securitization”) were effectuated and gave rise to a revised legal entity structure of RW Purchaser’s subsidiaries as well as the issuance of approximately \$750,000,000 of Notes (as defined below) by RW Purchaser’s indirect subsidiaries, ServiceMaster Funding LLC (the “Issuer” or “Member”) and ServiceMaster of Canada Limited (collectively, the “Co-Issuers”), which have been guaranteed by commonly controlled RW Purchaser subsidiaries, ServiceMaster SPE Holdco LLC (“Holdco”) and RW Canada Intermediate Ltd., as well as all of the subsidiaries of the Issuer (collectively, the “Guarantors”), including ServiceMaster Systems, LLC (the “Company”).

References to “we,” “us,” “our” and “Company” in the accompanying consolidated financial statements (the “financial statements”) are to the Company’s business unless the context otherwise requires.

Organizational Structure

Pursuant to the Securitization, a subset of the agreements resulted in the transfer of net assets comprising substantially all of the assets of the ServiceMaster Brands (the “Pre-Contribution Assets”) between certain related parties under the common control of RW Purchaser. As relevant parties involved with the transfer of net assets in connection with the Securitization were under the common control of RW Purchaser, all of the assets and liabilities were contributed at their respective carrying cost as of the Securitization Date. As a result of the finalization of the determination of the fair value and allocation of the acquired net assets, a measurement period adjustment of \$102.3 million was recorded which reduced the value of the intangible assets allocated to the Company.

As part of the transfers, ServiceMaster Opco Holdings, LLC (“Opco”), a wholly owned subsidiary of RW Purchaser, entered into a contribution agreement with its 100% wholly owned subsidiary, Holdco; pursuant to which Opco contributed all of its right, title and interest in and to the Pre-Contribution Assets to Holdco. Subsequently, Holdco entered into a contribution agreement with its 100% wholly owned subsidiary, the Issuer, pursuant to which Holdco contributed all of its right, title and interest in and to the Pre-Contribution Assets to the Issuer. The Issuer then entered into a subsequent contribution agreement pursuant to which the Issuer contributed assets, net of liabilities, in the amount of \$1,517.1 million of the US portion of the ServiceMaster Brands to the Company, which were subsequently contributed by the Company to its wholly owned subsidiaries.

On March 1, 2021, RW Purchaser acquired the loss recovery business (the “SRM Business”) from DSI Holdings Corporation for \$20.9 million, primarily consisting of the ServiceMaster Recovery Management loss recovery network. The total purchase price of the SRM Business was allocated to the underlying assets acquired and liabilities assumed based upon management’s estimated fair values at the date of acquisition.

On July 30, 2021, a series of agreements were effectuated and gave rise to the issuance of approximately \$400,000,000 of Notes (as defined below in Note 7, *Long-term Debt*) by the Co-Issuers, which have been guaranteed by the Guarantors.

On August 3, 2021 (the “TMTI Transaction Date”), RW Purchaser entered into a transaction (the “TMTI Transaction”) to acquire substantially all of the assets and liabilities associated with the following brands and businesses: Two Men and a Truck/International, Inc., Eberly Transportation, Inc., TMT/Gold Rush, LLC, TMT – Delhi, L.L.C., and TMT – Lansing, LLC from TMTI Holdco, Inc., Eberly Holdco, Inc., Melanie Bergeron, Jon Sorber, and James Brigham Sorber. The total purchase price of the TMTI Transaction was allocated to the underlying assets acquired and liabilities assumed based upon their estimated fair values at the date of the TMTI Transaction. The allocation of the purchase price is preliminary and may change in future periods, perhaps materially, as fair value estimates of the assets acquired, and liabilities assumed are refined and finalized during the allowable one-year measurement period.

SERVICEMASTER SYSTEMS, LLC AND SUBSIDIARIES
(AN INDIRECT, WHOLLY OWNED SUBSIDIARY OF RW PURCHASER, LLC)
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2021
AND FOR THE PERIOD FROM DECEMBER 9, 2020 (INCEPTION) TO DECEMBER 31, 2020

Pursuant to the TMTI Transaction, a subset of the agreements resulted in the transfer of net assets comprising substantially all of the net assets of TMTI between certain related parties under the common control of RW Purchaser. As relevant parties involved with the transfer of net assets in connection with the TMTI Transaction were under the common control of RW Purchaser, all of the assets and liabilities were contributed at their respective carrying cost as of the TMTI Transaction Date. As these assets are a subset of the assets acquired as part of the TMTI Transaction on August 3, 2021, they are subject to a measurement period of one year from the date of the TMTI Transaction, August 3, 2021.

The Member then entered into a contribution agreement pursuant to which the Member contributed assets, net of liabilities, in the amount of \$301.8 million of TMTI (August 3, 2021) and SRM (March 1, 2021) to the Company, which were subsequently contributed by the Company to its wholly owned subsidiaries.

2021 Senior Notes

On July 30, 2021, in conjunction with the TMTI Transaction, as defined above, the Co-Issuers entered into an agreement (the “2021 Indenture”) for a senior note secured term loan facility in an aggregate principal amount of \$400,000,000 with Citibank. The Issuer issued \$150,000,000 of Series 2021-1 2.865% Fixed Rate Senior Secured Notes, Series 2021 Class A-2-I, \$250,000,000 of Series 2021-1, 3.113% Fixed Rate Senior Secured Notes, Series 2021 Class A-2-II (the “2021 Notes”). The legal final maturity date of the Notes is in July 2051. The 2021 Indenture provides for an anticipated repayment date of July 2028 for the Series 2021 Class A-2-I Notes and an anticipated repayment date of July 2031 for the Series 2021 Class A-2-II Notes (as applicable, the “Anticipated Repayment Date”). The lending commitment under the Series 2021-1 Class A-1 Notes will expire in July 2026, subject to two automatic annual renewals at the election of the Issuer if certain conditions are met.

The 2021 Notes are secured by substantially all of the assets of the Issuer and the Guarantors. The 2021 Notes are subject to a series of covenants and restrictions customary for transactions of this type, including (i) debt service coverage ratios and senior leverage ratios, (ii) maintenance of specified reserve accounts to be used to make required payments in respect of the 2021 Notes, and (iii) provisions relating to optional and mandatory prepayments, including certain make-whole payments.

2020 Securitized Notes

In connection with the 2020 Securitization, on December 9, 2020 the Co-Issuers entered into an agreement (the “2020 Indenture”) pursuant to which the Co-Issuers issued \$250,000,000 of Series 2020-1 2.841% Fixed Rate Senior Secured Notes, Series 2020 Class A-2-I (the “Class A-2-I Notes”), \$450,000,000 of Series 2020-1, 3.337% Fixed Rate Senior Secured Notes, Series 2020 Class A-2-II (the “Class A-2-II Notes”), and \$50,000,000 of variable funding notes, Series 2020 Class A-1 (the “Series 2020-1 Class A-1 Notes” and, collectively with the Series 2020 Class A-2-I Notes and the Series 2020 Class A-2-II Notes, the “2020 Notes”). Interest will accrue on the Series 2020-1 Class A-1 Notes at a variable rate depending on the outstanding amount drawn by the Co-Issuers from time to time thereunder, if any. The legal final maturity date of the Notes is in January 2051. As of December 31, 2020, no amounts were outstanding under the Series 2020-1 Class A-1 Notes. Unless earlier prepaid to the extent permitted, the 2020 Indenture provides for an anticipated repayment date of January 2028 for the Class A-2-I Notes and an anticipated repayment date of July 2031 for the Series 2020 Class A-2-II Notes (as applicable, the “Anticipated Repayment Date”). The lending commitment under the Series 2020-1 Class A-1 Notes will expire in July 2026, subject to two automatic annual renewals at the election of the Co-Issuers if certain conditions are met.

The 2020 Notes are secured by substantially all of the assets of the Co-Issuers and the Guarantors. The 2020 Notes are subject to a series of covenants and restrictions customary for transactions of this type, including (i) debt service coverage ratios and senior leverage ratios, (ii) maintenance of specified reserve accounts to be used to make required payments in respect of the 2020 Notes, and (iii) provisions relating to optional and mandatory prepayments, including certain make-whole payments. The 2020 Notes are also subject to customary rapid amortization events provided for in the Indenture and customary events of default. The 2020 Indenture also provides for quarterly principal amortization in respect of the Series 2020 Class A-2-I Notes and the Series 2020 Class A-2-II Notes equal to 0.25% of their original principal amount

ServiceMaster Systems, LLC

The Company is a single-member limited liability company subsidiary of the Issuer and an indirect wholly owned subsidiary of RW Purchaser. Through its subsidiaries, the Company franchises and operates restoration, cleaning, furniture repair, property inspection, moving, junk removal, and storage solution services to both residential and commercial customers through the ServiceMaster Brands: ServiceMaster Restore, ServiceMaster Clean, Merry Maids, Furniture Medic, AmeriSpec, and Two Men and a Truck (“TMTI”) (collectively, the “ServiceMaster Brands.”)

COVID-19

COVID-19 continues to impact the global economy. The impact of the COVID-19 pandemic depends on factors largely beyond the Company’s knowledge or control. The Company did not experience any material operational, or supply chain disruptions related to various efforts to mitigate the spread of COVID-19. However, there remains uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its impact on the U.S. and international economies. As such, the Company is unable to determine if it will have a material impact to its operations.

Note 2. Significant Accounting Policies

The significant accounting policies described below, together with the other notes that follow, are an integral part of the financial statements.

Basis of Preparation

The historical results of our operations, financial position and cash flows have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”).

Use of Estimates

The preparation of the financial statements requires management to make certain estimates and assumptions required under US GAAP that may differ from actual results. The more significant areas requiring the use of management estimates relate to revenue recognition; the allowance for uncollectible receivables; the possible outcome of outstanding legal matters; the deferral and amortization of customer acquisition costs; useful lives for determining depreciation and amortization expense; and the valuation of tangible and intangible assets.

Cash and Cash Equivalents

As part of the organizational design, all cash generated from the Company’s operations are to be transferred to a concentration account in the name of the Company. The Company utilizes a portion of the cash from operations to repay the Notes and related fees. Any residual or excess funds that remain with the Company after fulfilling scheduled payments associated with the Notes are further transferred to OpCo. Accordingly, all cash on-hand with the Company is transferred upstream within the organizational structure.

Accounts Receivable

Accounts receivable consist primarily of national account revenue due from customers, royalties and franchise fees due from franchisees. Accounts receivable are carried at their net realizable value. The Company accounts for credit losses using the Current Expected Credit Loss (CECL) model detailed in the Financial Accounting Standards Board (“FASB”) Accounting Standards Update (“ASU”) No. 2016-13, *Financial Instruments – Credit Losses (Topic 326)*. The Company’s expected loss allowance methodology for accounts receivable is developed using historical collection experience, current and future economic and market conditions and a review of the current status of customers’ trade accounts receivable. Due to the short-term nature of such receivables, the estimate of accounts receivable that may not be collected is based on aging of the accounts receivable balances and consideration of customers’ financial and macroeconomic conditions. Balances are written off when determined to be uncollectible. The Company considered the current and expected future economic

and market conditions surrounding the COVID-19 pandemic and determined that the estimate of credit losses was not significantly impacted.

Estimates are used to determine the allowance. It is based on an assessment of anticipated payment and all other historical, current and future information that is reasonably available.

Accounts receivable	\$	59.2	\$	35.1
Less: Allowance for credit losses		(5.9)		-
Accounts receivable, net of allowance	\$	53.3	\$	35.1

Deferred Customer Acquisition Costs

Customer acquisition costs, which are incremental and direct costs of obtaining a customer, are deferred and amortized over the expected customer relationship period.

Inventory

Inventories are recorded at the lower of cost (primarily on a weighted-average cost basis) or net realizable value. Our inventory primarily consists of finished goods to be used on the customers' premises or sold to franchisees.

Property and Equipment and Intangible Assets

Property and equipment consist of the following:

Building	\$	0.3	\$	-	39

Depreciation expense of property and equipment was \$1.8 million for the year ended December 31, 2021 and \$0.2 million for the period from December 9, 2020 (Inception) to December 31, 2020.

Property and equipment and intangible assets with finite lives are depreciated and amortized on a straight-line basis over their estimated useful lives. These lives are based on our previous experience for similar assets, potential market obsolescence and other industry and business data. As required by accounting standards for the impairment or disposal of long-lived assets, property and equipment and finite-lived intangible assets are tested for recoverability whenever events or changes in circumstances indicate their carrying amounts may not be recoverable. If the carrying value is no longer recoverable based upon the undiscounted future cash flows of the asset, an impairment loss could be recognized equal to the difference between the carrying amount and the fair value of the asset. Indefinite-lived intangible assets are tested annually for impairment by applying a fair-value based test. Changes in the estimated useful lives or in the asset values could cause us to adjust its book value or future expense accordingly.

Indefinite-lived intangible assets, primarily trade names, are assessed annually for impairment during the fourth quarter or earlier upon the occurrence of certain events or substantive changes in circumstances. The Company performed an annual

impairment analyses as of October 1, 2021 which did not result in any trade name impairments to continuing operations. See Note 4 to the financial statements for our intangible assets balances.

Member's Equity

Our equity on the statements of financial position represents the Issuer's net investment in us and is presented as Member's Equity. Member's Equity includes the value of the net assets transferred to the Company on the Securitization Date, subsequent transfers of SRM and TMTI and the Issuer's share of our net income since Inception.

Leases

We determine if an arrangement is a lease at inception. We recognize a right-of-use ("ROU") asset and lease liability for all leases with terms of 12 months or more. ROU assets represent our right to use an underlying asset for the lease term, and lease liabilities represent our obligation to make lease payments arising from the lease. ROU assets and lease liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Our lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option. As most of our leases do not provide an implicit rate, we use our incremental borrowing rate based on the information available at commencement date in determining the present value of lease payments. We use the implicit rate when readily determinable. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. See Note 8 to the accompanying consolidated financial statements for information related to our leases.

Revenue

Royalty fees

The Company has franchise agreements in the ServiceMaster Restore, ServiceMaster Clean, Merry Maids, Furniture Medic and AmeriSpec businesses. Royalty fee revenue consists principally of sales-based royalties received as part of the consideration for the franchise right and is calculated as a percentage of customer-level revenue. Revenue is recognized by us at the agreed-upon contractual rates over time as the customer-level revenue is generated by the franchisees. A receivable is recognized for an estimate of the unreported royalty fees, which are reported and remitted to us in arrears.

Commercial cleaning and other national accounts

National account revenues are recognized at the agreed-upon contractual amounts over time as services are completed based on contractual arrangements to provide services at the customers' locations. The Company engages either a franchisee or non-franchisee business to perform the services. Under these agreements, the Company is directly responsible for providing the services and receive payment directly from the customer. A receivable is recorded related to this revenue as the Company has an unconditional right to invoice and receive payment. Payments are typically received shortly after services have been rendered.

Sales of products

Revenues are generated from selling products to franchisees. Revenues from product sales are generally recognized once control of the products transfers to the customer. A receivable is recorded related to these sales as the Company has an unconditional right to invoice and receive payment. Payments are typically received shortly after a customer is invoiced.

Franchise Fees

Initial franchise fees result from the sale of a franchise license, which includes the use of the name, trademarks and proprietary methods. The franchise license is considered symbolic intellectual property and revenue related to the sale of this right is recognized at the agreed-upon contractual amount over the term of the initial franchise agreement.

(AN INDIRECT, WHOLLY OWNED SUBSIDIARY OF RW PURCHASER, LLC)
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2021
AND FOR THE PERIOD FROM DECEMBER 9, 2020 (INCEPTION) TO DECEMBER 31, 2020

We have contractual arrangements with several national insurance companies to maintain a call center which receives and provides nonrecurring recovery and restoration referrals from the insurers to qualifying franchisees. We receive and recognize referral fees from franchisees at the agreed-upon contractual amount as revenue in the month the referral is issued.

We recognize revenue from Company owned locations at the point in time when services are provided to the customer.

National advertising fund

Franchisees contribute a percentage of customer-level revenue into a national advertising fund managed by us. In cases where we have ultimate control of the marketing and advertising, we recognize both revenue and expense for the amount earned.

Advertising

Advertising costs are expensed when the advertising occurs and are included in selling and administrative expenses. Advertising costs were \$15.7 million and \$1.1 million for the year ended December 31, 2021 and the period from December 9, 2020 (Inception) to December 31, 2020, respectively. Advertising costs include national advertising fund expenses of \$14.5 million and \$0.7 million for the year ended December 31, 2021 and the period from December 9, 2020 (Inception) to December 31, 2020, respectively, for which there is an equal amount recorded in revenue for the year ended December 31, 2021, and the period from December 9, 2020 (Inception) to December 31, 2020.

Income Taxes

The Company is a single-member, limited liability corporation which has elected not to be taxed as a corporation, and consequently is not subject to U.S. federal or state income taxes. As such, for income tax purposes, the Company's earnings flow through directly to the Member.

Comprehensive Income

Comprehensive income represents net income for the period plus the results of certain other changes in Member's equity. The Company's comprehensive income is equal to its net income.

Newly Issued Accounting Standards

We have reviewed all recently issued, but not yet effective, accounting pronouncements and do not expect the future adoption of any such pronouncements to have a material impact on our financial condition or the results of our operations.

Note 3. Revenue

The following table presents our revenues, disaggregated by revenue source. We disaggregate revenue from contracts with customers into major customer acquisition channels. We determined that disaggregating revenue into these categories achieves the disclosure objective to depict how the nature, amount, timing, and uncertainty of revenue and cash flows are affected by economic factors.

Costs to Obtain a Contract with a Customer

The Company capitalizes the incremental costs of obtaining a contract with a customer, primarily commissions, and recognizes the expense on a straight-line basis, as adjusted to match the timing of revenue recognition, over the expected customer relationship period. As of December 31, 2021 and 2020, there was an immaterial amount of activity related to capitalizable cost to obtain a contract.

Contract Balances

We record a receivable related to revenue recognized on services once we have an unconditional right to invoice and receive payment in the future related to the services provided. All accounts receivables are recorded within accounts receivables, less allowances, on the statements of financial position.

Deferred revenue from initial franchise fees represents a contract liability and is recognized when cash payments are received in advance of the performance of services, including when the amounts are refundable. Amounts are recognized as revenue in proportion to the costs expected to be incurred in performing services under our contracts.

Revenue is recognized net of any taxes collected from customers, which are subsequently remitted to taxing authorities.

AND FOR THE PERIOD FROM DECEMBER 9, 2020 (INCEPTION) TO DECEMBER 31, 2020

Note 5. Commitments and Contingencies

We lease certain property and equipment under various operating lease arrangements. Most of the property leases provide that we pay taxes, insurance and maintenance applicable to the leased premises. As leases for existing locations expire, we expect to renew the leases or substitute another location and lease. Please refer to Note 8, Leases, for further details.

In the ordinary course of conducting business activities, we are and may in the future become involved in judicial, administrative and regulatory proceedings involving both private parties and governmental authorities. These proceedings include insured and uninsured matters that are brought on an individual, collective, representative and class action basis, or other proceedings involving regulatory, employment, general and commercial liability, automobile liability, wage and hour, data privacy and other matters. Although it is not possible to predict with certainty the outcome or cost of these matters, we believe they will not have a material adverse effect on the financial statements.

Note 6. Employee Benefit Plans

The Company did not have employee benefit plans in place as of December 31, 2020. However, employees received compensation in lieu of a 401(k)-employer match in the amount of and recognized as an expense of \$0.2 million for the period from December 9, 2020 (Inception) to December 31, 2020, which were recorded in selling and administrative expenses on the consolidated statements of operations and comprehensive income. As of December 31, 2021, a 401(k)-employee benefit plan was in place. The amount of 401(k)-employer match was \$0.8 million for the year ended December 31, 2021 and was recognized in selling and administrative expenses on the consolidated statements of operations and comprehensive income.

Note 7. Long-term Debt

Notes Payable

The Company has notes payable with various parties. At December 31, 2021 and December 31, 2020, the amount owed under the notes payable were \$0.1 million and \$1.3 million, respectively. The entirety of the \$0.1 million notes payable balance at December 31, 2021 is payable within the following 12 months and classified as the current portion of long-term debt.

2021 Senior Notes

See Note 1 for a description of long-term debt issued under the 2021 Senior Notes.

2020 Securitized Notes

See Note 1 for a description of long-term debt incurred under the Securitization.

Note 8. Leases

The Company accounts for leases under FASB Accounting Standards Codification (“ASC”) 842, *Leases*. We determine if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use assets (“ROU”), net; current portion of lease liability; and long-term lease liability on the statements of financial position. Finance leases are included in property and equipment, net, current portion of finance lease liability and long-term finance lease liability and long-term debt on the statements of financial position.

We participate in a fleet agreement which allows us to obtain fleet vehicles through a leasing program. Vehicle leases have remaining lease terms of less than one year to eight years. For vehicle leases, we account for the lease and non-lease components separately.

Operating lease ROU assets and operating lease liabilities are recognized based on the present value of the future minimum lease payments, including fixed non-lease components, over the lease term at commencement date. Lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option. Leases,

including subleases, with a lease term of 12 months or less are not recorded on the statements of financial position. Lease expense for minimum lease payments and fixed non-lease components is recognized on a straight-line basis over the lease term.

As of December 31, 2021, assets recorded under finance leases were \$0.1 million and accumulated depreciation associated with finance leases was \$0.1 million. As of December 31, 2020, assets recorded under finance leases were \$0.7 million and accumulated depreciation associated with finance leases was \$0.1 million. The operating lease cost component of lease expense was \$0.5 million and \$0.1 million for the year ended December 31, 2021 and the period from December 9, 2020 (Inception) to December 31, 2020, respectively. The finance lease cost, depreciation of finance lease ROU assets, short-term lease cost and variable lease cost components of lease expense were immaterial.

As the rates implicit in our leases are not readily determinable, we use a collateralized incremental borrowing rate based on the information available at the lease commencement date in determining the present value of future payments. We use the portfolio approach and group leases into categories by lease term length, applying the corresponding incremental borrowing rates to these categories of leases.

Supplemental cash flow information and other information for leases was as follows:

In exchange for the services described above, the Company will pay an annual management fee equal to a fixed amount of \$7.8 million plus (B) a variable fee of \$11,500 for every integer multiple of \$100,000 of aggregate U.S. retained collections, receivable on a weekly basis. The management fee will be subject to successive 2% annual increases following each anniversary of the closing date. Such fees are included in selling and administrative expenses in the consolidated statement of operations and comprehensive income. For the year ended December 31, 2021 the Management fee was \$27.8 million. There was no such fee for the period from Inception to December 31, 2020.

- ServiceMaster Restore branches in Charlotte, NC and Wichita, KS (“Charlotte and Wichita Branches”)
- ServiceMaster Restore branch in Chantilly, VA (“Chantilly Branch”)
- ServiceMaster Clean branch in Albuquerque, NM (“Albuquerque Branch”)

The transactions for each of the sales closed on October 29, 2021, with the exception of the sale of the Memphis Branch, which closed on October 25, 2021. The total consideration received for the sale of branches was de minimis and the Company will receive guaranteed royalty payments.

Report of Independent Auditors

To the Board of Managers of RW Parent, LLC and Management of Servicemaster OpCo Holdings, LLC

Opinion

We have audited the accompanying consolidated financial statements of Servicemaster OpCo Holdings, LLC and its subsidiaries (the "Company"), which comprise the consolidated statement of financial position as of December 31, 2022, and the related consolidated statements of operations and comprehensive income, of members' equity and of cash flows for the year then ended, including the related notes (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

The consolidated financial statements of the Company as of December 31, 2021 and for the year then ended were audited by other auditors whose report, dated March 31, 2022, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Consolidated Financial Statements

1. Description of Business

ServiceMaster OpCo Holdings, LLC

ServiceMaster OpCo Holdings, LLC (the “Company”) is a limited liability company and a direct, wholly owned subsidiary of RW Purchaser LLC (“RW Purchaser” or “Member”). ServiceMaster Funding LLC (the “Issuer”), an indirect wholly owned subsidiary of the Company, will guarantee the Notes (as defined in Note 6, *Long-term Debt, net*), together with the other Guarantors (as defined below), pursuant to the Guarantee and Collateral Agreement. Through its direct wholly owned subsidiary ServiceMaster Holdco, LLC (“Holdco”), the Company acts as the manager of the securitization of restoration, cleaning, furniture repair, property inspection, moving and junk removal to both residential and commercial customers through the following brands: ServiceMaster Restore, ServiceMaster Recovery Management (“SRM”) ServiceMaster Clean, Merry Maids, Furniture Medic, AmeriSpec, and Two Men and a Truck (“TMTI”) (collectively, the “ServiceMaster Brands.”)

References to “we,” “us,” “our” and “Company” in the accompanying consolidated financial statements (the “financial statements”) are to the Company’s business unless the context otherwise requires.

2. Significant Accounting Policies

The significant accounting policies described below, together with the other notes that follow, are an integral part of the financial statements.

Basis of Preparation

The historical results of our operations, financial position and cash flows have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”).

Use of Estimates

The preparation of the financial statements requires management to make certain estimates and assumptions required under US GAAP that may differ from actual results. The more significant areas requiring the use of management estimates relate to the valuation of tangible and intangible assets.

Cash, Cash Equivalents and Restricted Cash

Cash and cash equivalents include highly liquid investments with maturity dates of three months or less from the date of purchase and are recorded at cost.

Restricted cash relates to the 2020 and 2021 securitized notes (as described in Note 6, *Long-term Debt, net*). As part of the transactions, the Company established certain cash and money market mutual fund accounts in the name of a financial institution (the “Trustee”) for the benefit of the Trustee and the noteholders and are restricted in their use. Restricted cash is comprised of cash collections and reserves due to the Trustee to be used for payments of principal, interest, commitment fees and other permissible operating expenses required for the notes of the Company.

Accounts Receivable and Notes Receivable

Accounts receivable consist primarily of national account revenue, royalties and franchise fees due from franchisees. Notes receivable consist primarily of licenses and equipment sold to franchisees. Accounts receivable are carried at their net realizable value. The Company accounts for credit losses using the Current Expected Credit Loss (CECL) model detailed in the Financial Accounting Standards Board (“FASB”) Accounting Standards Update (“ASU”) No. 2016-13, *Financial Instruments – Credit Losses (Topic 326)*. The Company’s expected loss allowance methodology for accounts receivable is developed using historical collection experience, current and future economic and market conditions and a review of the current status of customers’ trade accounts receivable. Due to the short-term nature of such receivables, the estimate of accounts receivable that may not be collected is based on aging of the accounts receivable balances and consideration of customers’ financial and macroeconomic conditions. Balances are written off when determined to be uncollectible. The exposure to concentrations of credit risk is limited due to the diverse product offerings and geographic areas covered by our operations.

Estimates are used to determine the allowance. It is based on an assessment of anticipated payment and all other historical, current and future information that is reasonably available.

Inventories

Inventories are recorded at the lower of cost (primarily on a weighted-average cost basis) or net realizable value. Our inventories primarily consist of finished goods to be used on the customers’ premises or sold to franchisees.

Property and Equipment and Intangible Assets

Property and equipment consist of the following:

<i>(in millions)</i>	December 31,		Estimated Useful Lives (Years)
	2022	2021	
Building	\$ 6.4	\$ 0.3	39
Land	0.9	7.0	-
Leasehold improvements	3.1	3.1	1-39
Technology and communications	12.3	9.3	2-10
Machinery and equipment	2.8	5.4	5-10
Office equipment, furniture and fixtures	4.4	0.8	3-17
Less: Accumulated depreciation	(9.2)	(4.5)	
Property and equipment, net	\$ 20.7	\$ 21.4	

Depreciation expense of property and equipment was \$4.7 million and \$3.6 million for the years ended December 31, 2022 and 2021, respectively.

Property and equipment, leasehold improvements and intangible assets with finite lives are depreciated and amortized on a straight-line basis over their estimated useful lives. Property and equipment lives are based on our previous experience for similar assets, potential market obsolescence and other industry and business data. Amortization of leasehold improvements is provided for on a straight-line method over the estimated benefit period of the related assets or the lease term, if shorter. As required by accounting standards for the impairment or disposal of long-lived assets, property and equipment and finite-lived intangible assets are tested for recoverability whenever events or changes in circumstances indicate their carrying amounts may not be recoverable. If the carrying value is no longer recoverable based upon the undiscounted future cash flows of the asset, an impairment loss could be recognized equal to the difference between the carrying amount and the fair value of the asset. Changes in the estimated useful lives or in the asset values could cause us to adjust the book values or future expense accordingly. There were no triggering events identified for the years ended December 31, 2022 and 2021.

Indefinite-lived intangible assets, primarily trade names, are assessed annually for impairment during the fourth quarter or earlier upon the occurrence of certain events or substantive changes in circumstances. The Company performed an annual impairment analysis as of October 1, 2022, which resulted in a \$12.4 million impairment of the Furniture Medic tradename and a \$8.1 million impairment to the AmeriSpec tradename. See Note 4, *Intangible Assets*, for our intangible assets balances.

Member's Equity

Our equity on the consolidated statements of financial position represents RW Purchaser's net investment in us and is presented as Member's equity. Member's equity includes net cash transfers and other net asset transfers to and from RW Purchaser and us.

Fair Value Measurement

Fair value is defined as the exchange price that would be received for an asset or an exit price paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The fair value hierarchy defines a three-level valuation hierarchy for disclosure of fair value measurements as follows:

- Level 1 Valuations based on quoted prices in active markets for identical assets or liabilities that an entity has the ability to access;
- Level 2 Valuations based on quoted prices for similar assets or liabilities, quoted prices for identical assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable data for substantially the full term of the assets or liabilities; and
- Level 3 Valuations based on inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The categorization of a financial instrument within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The carrying value of cash equivalents, accounts receivable, and accounts payable approximate fair value due to their short-term nature. The carrying value of the Company's debt approximates fair value due to the variable rate terms of the debt.

The transactions described in Note 5, *Acquisitions* have been accounted for as a business combination using the acquisition method in accordance with FASB Accounting Standards Codification ("ASC") 805, Business Combinations, and, accordingly, the purchase price has been allocated to the acquired assets and liabilities assumed at their estimated fair values as of the acquisition date. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Determining the fair value of intangible assets required the use of significant judgment, including the discount rates and the long-term plans about future revenues and expenses, capital expenditures and changes in working capital.

Leases

We determine if an arrangement is a lease at inception. We recognize a right-of-use ("ROU") asset and lease liability for all leases with terms of 12 months or more. ROU assets represent our right to use an underlying asset for the lease term, and lease liabilities represent our obligation to make lease payments arising from the lease. ROU assets and lease liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Our lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option. As most of our leases do not provide an implicit rate, we use our incremental borrowing rate based on the information available at commencement date in determining the present value of lease payments. We use the implicit rate when readily determinable. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. See Note 7, *Leases* to the accompanying consolidated financial statements for information related to our leases.

Revenue

Royalty Fees

The Company has franchise agreements in the ServiceMaster Restore, ServiceMaster Clean, Merry Maids, Furniture Medic, AmeriSpec, and TMTI businesses. Royalty fee revenue consists principally of sales-based royalties received as part of the consideration for the franchise right and is calculated as a percentage of system wide sales. Royalty fees are recognized at the agreed-upon contractual rates over time as the customer-level revenue is generated by the franchisees. Revenue is recognized for an estimate of the unreported royalty fees, which are reported and remitted to us in arrears.

Commercial Cleaning and Other National Accounts

National account revenues are recognized at the agreed-upon contractual amounts over time as services are completed based on contractual arrangements to provide services at the customers' locations. The Company engages either a franchisee or third-party business to perform the services. Under these agreements, the Company is directly responsible for providing the services and receive payment directly from the customer.

A receivable is recorded related to this revenue as the Company has an unconditional right to invoice and receive payment. Payments are typically received shortly after services have been rendered.

Sales of Products

Revenues are generated from selling products to franchisees. Revenues from product sales are generally recognized once control of the products transfers to the customer. A receivable is recorded related to these sales as the Company has an unconditional right to invoice and receive payment. Payments are typically received shortly after a customer is invoiced.

Franchise Fees

Initial franchise fees result from the sale of a franchise license, which includes the use of the name, trademarks and proprietary methods. The franchise license is considered symbolic intellectual property and revenue related to the sale of this right is recognized at the agreed-upon contractual amount over the term of the initial franchise agreement.

Referral Fees

We have contractual arrangements with several national insurance companies to maintain a call center which receives and provides nonrecurring recovery and restoration referrals from the insurers to qualifying franchisees. We receive and recognize referral fees from franchisees at the agreed-upon contractual amount as revenue in the month the referral is issued.

National Advertising Fund

Franchisees contribute a percentage of customer-level revenue into a national advertising fund managed by us. In cases where we have ultimate control of the marketing and advertising, we recognize both revenue and expense for the amount earned.

Advertising

Advertising costs are expensed when the advertising occurs and are included in selling and administrative expenses. Advertising costs were \$19.2 million and \$15.6 million for the years ended December 31, 2022 and 2021, respectively. Advertising costs include national advertising fund expenses of \$18.1 million and \$14.5 million for the years ended December 31, 2022 and 2021, respectively, for which there is an equal amount recorded in revenue for the years ended December 31, 2022 and 2021.

Stock Compensation

The Company accounts for equity-based compensation in accordance with ASC 718, Compensation – Stock Compensation. Accordingly, in exchange for employee and director services, compensation is given in the form of equity awards. The equity awards are recorded based on the grant date fair value and expensed over the requisite service period for the respective award.

The Company's equity-based awards include profit interest time units and profits interest performance units issued by the Company, which vest based on either time or the achievement of certain performance conditions. The Company records forfeitures as they occur. Compensation expense resulting from time-based vesting awards is recognized in the Company's consolidated statements of operations and comprehensive income, primarily within selling and administrative expenses, at the grant date fair value over the requisite service period. Compensation expense resulting from performance-based awards is recognized over the requisite service period when it is probable that the performance condition will be met. The calculated compensation expense for performance-based awards is adjusted based on an estimate of awards ultimately expected to vest. No performance-based compensation expense has been recorded by the Company as it is not deemed probable that the performance condition will be met.

The Company estimates grant date fair value using a Black-Scholes option pricing model that uses assumptions including expected volatility, expected term, and the expected risk-free rate of return. The Company has determined that the Black-Scholes option pricing model, as well as the underlying assumptions used in its application, is appropriate in estimating the fair value of its award grants.

The Company has included \$5.1 million of share based compensation expense related to time-based vesting awards in the statement of Member's Equity within contribution from RW Parent LLC ("RW Parent").

Income Taxes

The Company is a single-member, limited liability corporation which has elected not to be taxed as a corporation, and consequently is not subject to U.S. federal or state income taxes. As such, for income tax purposes, the Company's earnings flow through directly to the Member.

Comprehensive Income

Comprehensive income represents net income for the period plus the results of certain other changes in Member's equity. The Company's comprehensive income is equal to its net income.

Newly Issued Accounting Standards

In March 2020, the FASB issued ASU 2020-04, Reference Rate Reform (Topic 848) – Facilitation of the Effects of Reference Rate Reform on Financial Reporting. The amendments in this ASU provide guidance aimed at easing the potential burden in accounting for or recognizing the effects of reference rate reform on financial reporting. In response to concerns about structural risks of interbank offered rates (IBORs), and, particularly, the risk of cessation of the London Interbank Offered Rate (LIBOR), regulators in several jurisdictions around the world have undertaken reference rate reform initiatives to identify alternative reference rates that are more observable or transaction based and less susceptible to manipulation. The guidance was effective upon issuance and may be applied prospectively to contract modifications made on or before December 31, 2022. The Company's debt agreements utilize LIBOR and have not yet discontinued its use. The Company plans to apply the amendments in this ASU to account for contract modifications due to changes in reference rates when applicable. The Company does not expect these amendments to have a material impact on our financial statements and related disclosures.

Notes to Consolidated Financial Statements

December 31, 2022 and 2021

The Company has reviewed all other recently issued, but not yet effective, accounting pronouncements and do not expect the future adoption of any such pronouncements will have a material impact on our financial condition or the results of our operations.

3. Revenue

The following table presents our revenues, disaggregated by revenue source. We disaggregate revenue from contracts with customers into major customer acquisition channels. We determined that disaggregating revenue into these categories achieves the disclosure objective to depict how the nature, amount, timing, and uncertainty of revenue and cash flows are affected by economic factors.

<i>(in millions)</i>	Years Ended December 31,	
	2022	2021
Major service line		
Royalty fees	\$ 175.7	\$ 141.4
Commercial cleaning and other national accounts	84.2	84.0
Sales of products	10.5	12.0
Other	81.0	65.2
Total	\$ 351.4	\$ 302.6

Costs to Obtain a Contract with a Customer

The Company capitalizes the incremental costs of obtaining a contract with a customer, primarily commissions, and recognizes the expense on a straight-line basis, as adjusted to match the timing of revenue recognition, over the expected customer relationship period. As of December 31, 2022 and 2021, there was an immaterial amount of activity related to capitalizable cost to obtain a contract.

Contract Balances

We record a receivable related to revenue recognized on services once we have an unconditional right to invoice and receive payment in the future related to the services provided. All accounts receivables are recorded within accounts receivable, less allowances, on the consolidated statements of financial position.

Deferred revenue from initial franchise fees represents a contract liability and is recognized when cash payments are received in advance of the performance of services, including when the amounts are refundable. Amounts are recognized as revenue in proportion to the costs expected to be incurred in performing services under our contracts.

Revenue is recognized net of any taxes collected from customers, which are subsequently remitted to taxing authorities.

5. Acquisitions

Acquisition of Two Men and a Truck, Inc.

On August 3, 2021 (the "TMTI Transaction Date"), RW Purchaser entered into a transaction (the "TMTI Transaction") to diversify its service offerings and expand its business into a new sector. The Company acquired substantially all of the assets and liabilities associated with the following brands and businesses: Two Men and a Truck/International, Inc., Eberly Transportation, Inc., TMT/Gold Rush, LLC, TMT – Delhi, L.L.C., and TMT – Lansing, LLC from TMTI Holdco, Inc., Eberly Holdco, Inc., Melanie Bergeron, Jon Sorber, and James Brigham Sorber for \$358.0 million. The total purchase price of the TMTI Transaction was allocated to the underlying assets acquired and liabilities assumed based upon their estimated fair values at the date of the TMTI Transaction.

Pursuant to the TMTI Transaction, a subset of the agreements resulted in the transfer of net assets comprising substantially all of the net assets of TMTI between certain related parties under the common control of RW Purchaser. As relevant parties involved with the transfer of net assets in connection with the TMTI Transaction were under the common control of RW Purchaser, all of the assets and liabilities were contributed at their respective carrying cost as of the TMTI Transaction Date with the exception of goodwill, which remained at RW Purchaser.

The allocation of purchase price is as follows:

Other

On March 1, 2021, RW Purchaser acquired the loss recovery business (the "SRM Business") from DSI Holdings Corporation to diversify its service offerings and expand its business into a new sector. Total cash consideration for the transaction was \$20.9 million, primarily consisting of the ServiceMaster Recovery Management loss recovery network. The total purchase price of the SRM Business was allocated to the underlying assets acquired and liabilities assumed based upon management's estimated fair values at the date of acquisition. The total estimated fair value of the net identifiable tangible and intangible assets acquired was \$6.6 million and consisted of \$5.7 million of property and equipment, \$0.8 million of inventories, and \$0.1 million of intangible assets. The excess of purchase price over the estimated fair value of the net assets acquired resulted in \$14.3 million allocated to goodwill. The goodwill created through the purchase is attributable to the assumed future value of the cash flows from the business acquired. Approximately \$14.4 million of the acquired goodwill and intangible assets is deductible for tax purposes.

The Member entered into two agreements (termination agreement dated March 11, 2022 and asset purchase agreement dated June 2, 2022) related to ServiceMaster Coordinator License Agreements (collectively, the "Coordinator Agreements") for \$47.9 million.

December 31, 2022 and 2021

The 2021 Notes are also subject to customary rapid amortization events provided for in the Indenture and customary events of default. The 2021 Indenture also provides for quarterly principal amortization in respect of the Series 2021 Class A-2-I Notes and the Series 2021 Class A-2-II Notes equal to 0.25% of their original principal amount through their respective Anticipated Repayment Date, subject to a fall-away provision if the senior leverage ratio is less than a specified threshold on any quarterly test date.

Under the 2021 Indenture and the 2020 Indenture, the Company makes weekly payments of principal and interest for the balances outstanding under the 2021 Notes and the 2020 Notes. The payments are remitted to the Trustee weekly based on retained collections during the previous weekly collection period. The Company classifies such advance debt payments during the period they are held by the Trustee in Prepaid Expenses and Other Assets. The balances of the advance debt payments held by the Trustee amounted to \$10.6 million and \$8.5 million as of December 31, 2022 and 2021, respectively.

Letters of Credit

In connection with the Securitization, a commercial bank issued an interest reserve letter of credit in an amount up to \$8.9 million in favor of Citibank N.A. (the "Trustee") for the benefit of the senior noteholders and/or the servicer of the Securitization (each, a "Beneficiary"). The \$8.9 million funds will be made available to either Beneficiary in order for the Company to comply with the required interest reserve amounts pursuant to the Indenture (as defined in Note 6, *Long-term Debt, net*). The terms of the letter of credit automatically renew without an amendment on each anniversary of the date of issuance for a one-year period with a final expiry date of January 15, 2027. The Company intends to renew the letter of credit for as long as the Company holds the Notes (as defined in Note 6, *Long-term Debt, net*). As of December 31, 2022, no amounts were outstanding under the letter of credit.

The Company also has a letter of credit in the amount of \$6.1 million as of December 31, 2022, associated with a captive insurance program within TMTI. As of December 31, 2022, no amounts were outstanding under the letter of credit.

7. Leases

The Company accounts for leases under FASB ASC 842, *Leases*. We determine if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use assets ("ROU"), net; current portion of lease liability; and long-term lease liability on the consolidated statements of financial position.

Finance leases are included in property and equipment, net; current portion of finance lease liability and long-term finance lease liability and long-term debt on the consolidated statements of financial position.

Operating lease ROU assets and operating lease liabilities are recognized based on the present value of the future minimum lease payments, including fixed nonlease components, over the lease term at commencement date. Lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option. Leases, including subleases, with a lease term of 12 months or less are not recorded on the consolidated statements of financial position. Lease expense for minimum lease payments and fixed nonlease components is recognized on a straight-line basis over the lease term.

(An indirect, wholly owned subsidiary of RW Purchaser, LLC)

Notes to Consolidated Financial Statements

December 31, 2022 and 2021

As of December 31, 2022, no assets were recorded under finance leases. As of December 31, 2021, assets recorded under finance leases were \$0.1 million and accumulated depreciation associated with finance leases were \$0.1 million. The operating lease cost component of lease expense was \$2.3 million and \$2.4 million for the years ended December 31, 2022 and 2021, respectively. The ROU assets, short-term lease cost and variable lease cost components of lease expense were immaterial.

As the rates implicit in our leases are not readily determinable, we use a collateralized incremental borrowing rate based on the information available at the lease commencement date in determining the present value of future payments. We use the portfolio approach and group leases into categories by lease term length, applying the corresponding incremental borrowing rates to these categories of leases.

Supplemental cash flow information and other information for leases was as follows:

<i>(in millions, unless otherwise noted)</i>	<u>Years Ended December 31,</u>	
	2022	2021
ROU assets obtained in exchange for lease obligations		
Operating leases	\$ -	\$ 8.9
Weighted average remaining lease term (in years)		
Operating leases	8.5 Years	9.0 Years
Weighted average discount rate		
Operating leases	3.17 %	3.17 %

As of December 31, 2022, the finance leases included within current portion of finance lease liability and long-term portion of finance lease liability are immaterial on the consolidated statements of financial position. There was \$2.1 million and \$12.5 million of operating leases included within current portion of lease liability and long-term portion of lease liability, respectively, on the consolidated statements of financial position.

Future minimum lease payments under noncancellable leases as of December 31, 2022 were as follows:

8. Disposals

On September 30, 2021, the Company, through a wholly owned subsidiary, entered into four (4) separate asset sale agreements with existing franchisees to dispose of the following Company-owned branches:

- Service Master Merry Maids branch in Memphis, TN (“Memphis Branch”)
- ServiceMaster Restore branches in Charlotte, NC and Wichita, KS (“Charlotte and Wichita Branches”)
- ServiceMaster Restore branch in Chantilly, VA (“Chantilly Branch”)
- ServiceMaster Clean branch in Albuquerque, NM (“Albuquerque Branch”)

The transactions for each of the sales closed on October 29, 2021, with the exception of the sale of the Memphis Branch, which closed on October 25, 2021. The total consideration received for the sale of branches was de minimis and the Company will receive guaranteed royalty payments.

9. Commitments and Contingencies

We lease certain property and equipment under various operating lease arrangements. Most of the property leases provide that we pay taxes, insurance and maintenance applicable to the leased premises. As leases for existing locations expire, we expect to renew the leases or substitute another location and lease. Please refer to Note 7, *Leases*, for further details.

In the ordinary course of conducting business activities, we are and may in the future become involved in various litigation and claims incidental to our business. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flow.

10. Management Services Agreement

The Company has a management agreement with a related party. Under the agreement, the Company pays fees for management services, which totaled approximately \$3.0 million and \$2.1 million for the years ended December 31, 2022 and 2021. The fees were recorded in the consolidated statements of operations and comprehensive income in selling and administrative expenses.

11. Equity Agreements and Incentive Equity Plan

RW Management Holdings LLC, a member of RW Parent, entered into the 2020 RW Management Holdings LLC Profits Interest Incentive Plan (the Equity Plan). The Equity Plan is designed to provide an incentive to employees of RW Parent or any of its subsidiaries.

Servicemaster OpCo Holdings, LLC and Subsidiaries

Notes to Consolidated Financial Statements

December 31, 2022 and 2021

Under the Plan, interest units (“Unit Awards”) of RW Parent may be issued to the employees of the Company or any of its subsidiaries. The Unit Awards are subject to the terms of the Equity Plan, as well as, the terms of the respective unit grant agreements, which among other matters, define the vesting term.

As of December 31, 2022 and 2021, RW Management Holdings LLC had approximately 132,800 and 132,800 total Profits Interest Units reserved for issuance under the Equity Plan.

RW Parent granted 6,255 and 15,501 Profits Interest Time Units to certain employees providing services to the Company during the years ended December 31, 2022 and 2021, respectively.

RW Parent granted 10,480 and 15,501 Profits Interest Performance Units to certain employees providing services to the Company during the years ended December 31, 2022 and 2021, respectively.

	Profits Interest Time Units	Profits Interest Performance Units
December 31, 2020	29,006	29,006
Granted	15,501	15,501
Forfeited	(4,150)	(4,150)
December 31, 2021	40,357	40,357

Forfeited	(17,070)	(25,569)
End of Period – December 31, 2022	29,542	25,268
Vested	9,272	-

The Company recognized \$5.1 million in compensation expense in selling and administrative expenses in the consolidated statements of operations and comprehensive income for the time-based vesting awards for the year ended December 31, 2022.

The fair value of all incentive units granted was estimated using a Black-Scholes option pricing model using the following assumptions:

	Years Ended December 31,	
	2022	2021
Risk-free interest rate range	(1.6%)-1.9%	(1.9%)-(1.4)%
Expected volatility	28.2 %	26.4 %
Weighted-average expected option life (in years)	5.0 years	5.0 years
Weighted-average grant-date fair value	\$ 317.00	\$ 217.00
Dividend yield	0.0 %	0.0 %

The remaining unrecognized compensation expense for these awards were \$19.7 million and \$33.6 million as of December 31, 2022 and 2021, respectively.

Servicemaster OpCo Holdings, LLC and Subsidiaries

(An indirect, wholly owned subsidiary of RW Purchaser, LLC)

Notes to Consolidated Financial Statements

December 31, 2022 and 2021

The expected term of the incentive units is based on evaluations of historical and expected future employee exercise behavior. The risk-free interest rate is based on the U.S. Treasury rates at the date of grant with maturity dates approximately equal to the expected life at the grant date. Volatility is based on the historical volatility of several entities that are similar to the Company as the Company does not have sufficient historical transactions of its own shares on which to base expected volatility.

12. Subsequent Events

The Company evaluated subsequent events from December 31, 2022 through March 31, 2023, the date the financial statements were available to be issued. On November 22, 2022, the Company signed a letter of intent to sell the Furniture Medic and AmeriSpec businesses for \$25.0 million. As a result, the Company recorded an impairment charge for the indefinite lived tradenames as the carrying values of the tradenames were higher than the fair value. Refer to Note 2 *Significant Accounting Policies* for further reference. The Company anticipates the transaction will close by the second quarter of 2023. There were no other matters identified affecting the Company's financial position or requiring further disclosure.

INDEPENDENT AUDITOR'S REPORT

To the Board of Managers of RW Parent, LLC and
The Management of ServiceMaster OpCo Holdings, LLC
Atlanta, Georgia

Opinion

We have audited the consolidated financial statements of ServiceMaster OpCo Holdings, LLC and subsidiaries (the "Company"), which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of operations and comprehensive income, member's equity, and cash flows for the year ended December 31, 2021 and the period from October 1, 2020 (inception) to December 31, 2020, and the related notes to the consolidated financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the year ended December 31, 2021 and the period from October 1, 2020 (inception) to December 31, 2020 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2021
AND FOR THE PERIOD FROM OCTOBER 1, 2020 (INCEPTION) TO DECEMBER 31, 2020

Note 1. Description of Business

ServiceMaster Opco Holdings, LLC

ServiceMaster Opco Holdings, LLC (the “Company”) is a newly formed limited liability company and a direct, wholly owned subsidiary of RW Purchaser LLC (“RW Purchaser” or “Member”). ServiceMaster Funding LLC (the “Issuer”), an indirect wholly owned subsidiary of the Company, will guarantee the Notes (as defined in Note 7, *Long-term Debt*), together with the other Guarantors (as defined below), pursuant to the Guarantee and Collateral Agreement. Through its direct wholly owned subsidiary ServiceMaster Holdco, LLC (“Holdco”), the Company acts as the manager of the securitization of restoration, cleaning, furniture repair, property inspection, moving, junk removal, and storage solution services to both residential and commercial customers through the ServiceMaster Brands: ServiceMaster Restore, ServiceMaster Clean, Merry Maids, Furniture Medic, AmeriSpec, and Two Men and a Truck (“TMT”) (collectively, the “ServiceMaster Brands.”)

References to “we,” “us,” “our” and “Company” in the accompanying consolidated financial statements (the “financial statements”) are to the Company’s business unless the context otherwise requires.

Organizational Structure

On October 1, 2020, RW Purchaser entered into a transaction (the “Transaction”) to acquire substantially all of the assets and liabilities associated with the following brands and businesses: ServiceMaster Restore, ServiceMaster Clean, Merry Maids, Furniture Medic and AmeriSpec (collectively, the “ServiceMaster Brands”) from Terminix Global Holdings, Inc. The total purchase price of the Transaction was allocated to the underlying assets acquired and liabilities assumed based upon their estimated fair values at the date of Transaction.

On December 9, 2020 (the “Securitization Date”), a series of agreements (collectively, the “Securitization”) were effectuated and gave rise to a revised legal entity structure of RW Purchaser’s subsidiaries as well as the issuance of approximately \$750,000,000 of Notes (as defined in Note 7, *Long-term Debt*) by RW Purchaser’s indirect subsidiaries, Issuer and ServiceMaster of Canada Limited (“Canada Limited” and collectively, the “Co-Issuers”), which have been guaranteed by commonly controlled RW Purchaser subsidiaries, Holdco and RW Canada Intermediate Ltd., as well as all of the subsidiaries of the Issuer (collectively, the “Guarantors”).

Pursuant to the Securitization, a subset of the agreements resulted in the transfer of net assets comprising substantially all of the net assets of the ServiceMaster Brands between certain related parties under the common control of RW Purchaser. As relevant parties involved with the transfer of net assets in connection with the Securitization were under the common control of RW Purchaser, all of the assets and liabilities were contributed at their respective carrying cost as of the Securitization Date.

At the Securitization Date the Member then entered into a contribution agreement pursuant to which the Member contributed assets, net of liabilities, in the amount of \$1,433.5 million of the US portion of the ServiceMaster Brands to the Company, which were subsequently contributed by the Company to its wholly owned subsidiaries.

On March 1, 2021, the Company acquired the loss recovery business (the “SRM Business”) from DSI Holdings Corporation for \$20.9 million, primarily consisting of the ServiceMaster Recovery Management loss recovery network. The total purchase price of the SRM Business was allocated to the underlying assets acquired and liabilities assumed based upon management’s estimated fair values at the date of acquisition. The total estimated fair value of the net identifiable tangible and intangible assets acquired was \$6.6 million and consisted of \$5.7 million of property and equipment, \$0.8 million of inventories, and \$0.1 million of intangible assets. The excess of purchase price over the estimated fair value of the net assets acquired resulted in \$14.3 million allocated to goodwill.

SERVICEMASTER OPCO HOLDINGS, LLC AND SUBSIDIARIES
(AN INDIRECT, WHOLLY OWNED SUBSIDIARY OF RW PURCHASER, LLC)
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2021
AND FOR THE PERIOD FROM OCTOBER 1, 2020 (INCEPTION) TO DECEMBER 31, 2020

On July 30, 2021, a series of agreements were effectuated and gave rise to the issuance of approximately \$400,000,000 of Notes (as defined below in Note 7, *Long-term Debt*) by the Co-Issuers, which have been guaranteed by the Guarantors.

On August 3, 2021 (the “TMTI Transaction Date”), RW Purchaser entered into a transaction (the “TMTI Transaction”) to acquire substantially all of the assets and liabilities associated with the following brands and businesses: Two Men and a Truck/International, Inc., Eberly Transportation, Inc., TMT/Gold Rush, LLC, TMT – Delhi, L.L.C., and TMT – Lansing, LLC from TMTI Holdco, Inc., Eberly Holdco, Inc., Melanie Bergeron, Jon Sorber, and James Brigham Sorber. The total purchase price of the TMTI Transaction was allocated to the underlying assets acquired and liabilities assumed based upon their estimated fair values at the date of the TMTI Transaction. The allocation of the purchase price is preliminary and may change in future periods, perhaps materially, as fair value estimates of the assets acquired, and liabilities assumed are refined and finalized during the allowable one-year measurement period.

Pursuant to the TMTI Transaction, a subset of the agreements resulted in the transfer of net assets comprising substantially all of the net assets of TMTI between certain related parties under the common control of RW Purchaser. As relevant parties involved with the transfer of net assets in connection with the TMTI Transaction were under the common control of RW Purchaser, all of the assets and liabilities were contributed at their respective carrying cost as of the TMTI Transaction Date. As these assets are a subset of the assets acquired as part of the TMTI Transaction on August 3, 2021, they are subject to a measurement period of one year from the date of the TMTI Transaction, August 3, 2021.

The Member then entered into a contribution agreement pursuant to which the Member contributed assets, net of liabilities, in the amount of \$301.8 million of the TMTI (August 3, 2021) and SRM (March 1, 2021) to the Company, which were subsequently contributed by the Company to its wholly owned subsidiaries.

COVID-19

COVID-19 continues to impact the global economy. The impact of the COVID-19 pandemic depends on factors largely beyond the Company’s knowledge or control. The Company did not experience any material operational, or supply chain disruptions related to various efforts to mitigate the spread of COVID-19. However, there remains uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its impact on the U.S. and international economies. As such, the Company is unable to determine if it will have a material impact to its operations.

Note 2. Significant Accounting Policies

The significant accounting policies described below, together with the other notes that follow, are an integral part of the financial statements.

Basis of Preparation

The historical results of our operations, financial position and cash flows have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”).

Use of Estimates

The preparation of the financial statements requires management to make certain estimates and assumptions required under US GAAP that may differ from actual results. The more significant areas requiring the use of management estimates relate to revenue recognition; the allowance for uncollectible receivables; the possible outcome of outstanding legal matters; the deferral and amortization of customer acquisition costs; useful lives for determining depreciation and amortization expense; and the valuation of tangible and intangible assets.

Cash, Cash Equivalents and Restricted Cash

Cash and cash equivalents include highly liquid investments with maturity dates of three months or less from the date of purchase and are recorded at cost.

AND FOR THE PERIOD FROM OCTOBER 1, 2020 (INCEPTION) TO DECEMBER 31, 2020

Restricted cash relates to the 2021 and 2020 Securitizations. As part of the transactions, the Company established certain cash and money market mutual fund accounts in the name of a financial institution (the “Trustee”) for the benefit of the Trustee and the noteholders and are restricted in their use. Restricted cash is comprised of cash collections and reserves due to the Trustee to be used for payments of principal, interest, commitment fees and other permissible operating expenses required for the notes of the Company.

Accounts and Notes Receivable

Accounts receivable and notes receivable consist primarily of national account revenue due from customers, royalties and franchise fees due from franchisees and amounts financed for franchisees through our financing entity. Accounts receivable are carried at their net realizable value. The Company accounts for credit losses using the Current Expected Credit Loss (CECL) model detailed in the Financial Accounting Standards Board (“FASB”) Accounting Standards Update (“ASU”) No. 2016-13, *Financial Instruments – Credit Losses (Topic 326)*. The Company’s expected loss allowance methodology for accounts receivable is developed using historical collection experience, current and future economic and market conditions and a review of the current status of customers’ trade accounts receivable. Due to the short-term nature of such receivables, the estimate of accounts receivable that may not be collected is based on aging of the accounts receivable balances and consideration of customers’ financial and macroeconomic conditions. Balances are written off when determined to be uncollectible. The Company considered the current and expected future economic and market conditions surrounding the COVID-19 pandemic and determined that the estimate of credit losses was not significantly impacted.

Estimates are used to determine the allowance. It is based on an assessment of anticipated payment and all other historical, current and future information that is reasonably available.

Deferred Customer Acquisition Costs

Customer acquisition costs, which are incremental and direct costs of obtaining a customer, are deferred and amortized over the expected customer relationship period.

Inventories

Inventories are recorded at the lower of cost (primarily on a weighted-average cost basis) or net realizable value. Our inventories primarily consist of finished goods to be used on the customers’ premises or sold to franchisees.

Property and Equipment and Intangible Assets

Property and equipment consist of the following:

(in millions)	As of December 31, 2021	As of December 31, 2020	Estimated Useful Lives (Years)
Building	\$ 0.3	\$ –	39
Land	7.0	–	–
Leasehold improvements	3.1	1.8	1-39
Technology and communications	9.3	5.8	2-10

Office equipment, furniture and fixtures	0.8	0.5	3-17
Less: Accumulated depreciation	(4.5)	(0.9)	
Property and equipment, net	\$ 21.4	\$ 8.2	

Depreciation expense of property and equipment was \$3.6 million for the year ended December 31, 2021 and \$0.9 million for the period from Inception to December 31, 2020.

Property and equipment and intangible assets with finite lives are depreciated and amortized on a straight-line basis over their estimated useful lives. These lives are based on our previous experience for similar assets, potential market obsolescence and other industry and business data. As required by accounting standards for the impairment or disposal of long-lived assets, property and equipment and finite-lived intangible assets are tested for recoverability whenever events or changes in circumstances indicate their carrying amounts may not be recoverable. If the carrying value is no longer recoverable based upon the undiscounted future cash flows of the asset, an impairment loss could be recognized equal to the difference between the carrying amount and the fair value of the asset. Changes in the estimated useful lives or in the asset values could cause us to adjust its book value or future expense accordingly.

Indefinite-lived intangible assets, primarily trade names, are assessed annually for impairment during the fourth quarter or earlier upon the occurrence of certain events or substantive changes in circumstances. The Company performed an annual impairment analyses as of October 1, 2021 which did not result in any trade name impairments to continuing operations. See Note 4, *Intangible Assets*, for our intangible asset balances.

Member's Equity

Our equity on the consolidated statements of financial position represents RW Purchaser's net investment in us and is presented as Member's equity. Member's equity includes net cash transfers and other net asset transfers to and from RW Purchaser and us.

Leases

We determine if an arrangement is a lease at inception. We recognize a right-of-use ("ROU") asset and lease liability for all leases with terms of 12 months or more. ROU assets represent our right to use an underlying asset for the lease term, and lease liabilities represent our obligation to make lease payments arising from the lease. ROU assets and lease liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Our lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option. As most of our leases do not provide an implicit rate, we use our incremental borrowing rate based on the information available at commencement date in determining the present value of lease payments. We use the implicit rate when readily determinable. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. See Note 8 to the accompanying consolidated financial statements for information related to our leases.

Revenue

Royalty fees

The Company has franchise agreements in the ServiceMaster Restore, ServiceMaster Clean, Merry Maids, Furniture Medic, AmeriSpec, and Two Men and a Truck businesses. Royalty fee revenue consists principally of sales-based royalties received as part of the consideration for the franchise right and is calculated as a percentage of customer-level revenue. Royalty Fees are recognized at the agreed-upon contractual rates over time as the customer-level revenue is generated by the franchisees. A receivable is recognized for an estimate of the unreported royalty fees, which are reported and remitted to us in arrears.

Commercial cleaning and other national accounts

National account revenues are recognized at the agreed-upon contractual amounts over time as services are completed based on contractual arrangements to provide services at the customers' locations. The Company engages either a franchisee or third-party business to perform the services. Under these agreements, the Company is directly responsible for providing the services and receive payment directly from the customer. A receivable is recorded related to this revenue as the Company has an unconditional right to invoice and receive payment. Payments are typically received shortly after services have been rendered.

Sales of products

Revenues are generated from selling products to franchisees. Revenues from product sales are generally recognized once control of the products transfers to the customer. A receivable is recorded related to these sales as the Company has an unconditional right to invoice and receive payment. Payments are typically received shortly after a customer is invoiced.

Franchise Fees

Initial franchise fees result from the sale of a franchise license, which includes the use of the name, trademarks and proprietary methods. The franchise license is considered symbolic intellectual property and revenue related to the sale of this right is recognized at the agreed-upon contractual amount over the term of the initial franchise agreement.

We have contractual arrangements with several national insurance companies to maintain a call center which receives and provides nonrecurring recovery and restoration referrals from the insurers to qualifying franchisees. We receive and recognize referral fees from franchisees at the agreed-upon contractual amount as revenue in the month the referral is issued. The Company also collects a renewal fee from franchisees based on the terms of the initial franchise agreement entered into between the Company and franchisees.

We recognize revenue from Company owned locations at the point in time when services are provided to the customer.

National advertising fund

Franchisees contribute a percentage of customer-level revenue into a national advertising fund managed by us. In cases where we have ultimate control of the marketing and advertising, we recognize both revenue and expense for the amount earned.

Advertising

Advertising costs are expensed when the advertising occurs and are included in selling and administrative expenses. Advertising costs were \$15.6 million and \$4.4 million for the year ended December 31, 2021 and the period from Inception to December 31, 2020, respectively. Advertising costs include national advertising fund expenses of \$14.5 million and \$2.8 million for the year ended December 31, 2021 and the period from Inception to December 31, 2020, respectively, for which there is an equal amount recorded in revenue for the year ended December 31, 2021, and the period from Inception to December 31, 2020.

Income Taxes

The Company is a single-member, limited liability corporation which has elected not to be taxed as a corporation, and consequently is not subject to U.S. federal or state income taxes. As such, for income tax purposes, the Company's earnings flow through directly to the Member.

Comprehensive Income

Comprehensive income represents net income for the period plus the results of certain other changes in Member's equity. The Company's comprehensive income is equal to its net income.

Newly Issued Accounting Standards

Accounting Standards Issued But Not Yet Effective

In March 2020, the FASB issued ASU 2020-04, *Reference Rate Reform (Topic 848) – Facilitation of the Effects of Reference Rate Reform on Financial Reporting*. The amendments in this ASU provide guidance aimed at easing the potential burden in accounting for or recognizing the effects of reference rate reform on financial reporting. In response to concerns about structural risks of interbank offered rates (IBORs), and, particularly, the risk of cessation of the London Interbank Offered Rate (LIBOR), regulators in several jurisdictions around the world have undertaken reference rate reform initiatives to identify alternative reference rates that are more observable or transaction based and less susceptible to manipulation. The amendments in this ASU are effective for all entities as of March 12, 2020 through December 31, 2022. The Company's debt agreements utilize LIBOR and have not yet discontinued its use. We plan to apply the amendments in this ASU to account for contract modifications due to changes in reference rates when applicable. We do not expect these amendments to have a material impact on our financial statements and related disclosures.

We have reviewed all other recently issued, but not yet effective, accounting pronouncements and do not expect the future adoption of any such pronouncements will have a material impact on our financial condition or the results of our operations.

Note 3. Revenue

The following table presents our revenues, disaggregated by revenue source. We disaggregate revenue from contracts with customers into major customer acquisition channels. We determined that disaggregating revenue into these categories achieves the disclosure objective to depict how the nature, amount, timing, and uncertainty of revenue and cash flows are affected by economic factors.

As of December 31, 2021 and 2020, there was an immaterial amount of activity related to capitalizable cost to obtain a contract.

Contract Balances

We record a receivable related to revenue recognized on services once we have an unconditional right to invoice and receive payment in the future related to the services provided. All accounts receivables are recorded within accounts receivables, less allowances, on the consolidated statements of financial position.

Deferred revenue from initial franchise fees represents a contract liability and is recognized when cash payments are received in advance of the performance of services, including when the amounts are refundable. Amounts are recognized as revenue in proportion to the costs expected to be incurred in performing services under our contracts.

Revenue is recognized net of any taxes collected from customers, which are subsequently remitted to taxing authorities.

As leases for existing locations expire, we expect to renew the leases or substitute another location and lease. Please refer to Note 8, *Leases*, for further details.

In the ordinary course of conducting business activities, we are and may in the future become involved in various litigation and claims incidental to our business. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flow.

Interest accrues on the Bridge Loan at a variable rate equal to the alternate base rate plus the applicable margin, where the alternate base rate depends on the interest rate last quoted by the Wall Street Journal or, if the Wall Street Journal ceases to quote such a rate, the Federal Funds Effective Rate. In addition, a revolving line of credit in the amount of \$50,000,000 was made available to the Company. The Bridge Loan was set to mature on May 24, 2021. Note 8. Leases

The Company accounts for leases under FASB Accounting Standards Codification (“ASC”) 842, *Leases*. We determine if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use assets (“ROU”), net; current portion of lease liability; and long-term lease liability on the consolidated statements of financial position. Finance leases are included in property and equipment, net; current portion of finance lease liability and long-term finance lease liability and long-term debt on the consolidated statements of financial position.

We participate in a fleet agreement which allows us to obtain fleet vehicles through a leasing program. Vehicle leases have remaining lease terms of less than one year to eight years. For vehicle leases, we account for the lease and non-lease components separately.

Operating lease ROU assets and operating lease liabilities are recognized based on the present value of the future minimum lease payments, including fixed non-lease components, over the lease term at commencement date. Lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option. Leases, including subleases, with a lease term of 12 months or less are not recorded on the consolidated statements of financial position. Lease expense for minimum lease payments and fixed non-lease components is recognized on a straight-line basis over the lease term.

As of December 31, 2021, assets recorded under finance leases were \$0.1 million and accumulated depreciation associated with finance leases were \$0.1 million. As of December 31, 2020, assets recorded under finance leases were \$0.7 million and accumulated depreciation associated with finance leases were \$0.1 million. The operating lease cost component of lease expense was \$2.4 million and \$0.3 million for the year ended December 31, 2021 and the period from Inception to December 31, 2020, respectively. The finance lease cost, depreciation of finance lease ROU assets, short-term lease cost and variable lease cost components of lease expense were immaterial.

As the rates implicit in our leases are not readily determinable, we use a collateralized incremental borrowing rate based on the information available at the lease commencement date in determining the present value of future payments. We use the portfolio approach and group leases into categories by lease term length, applying the corresponding incremental borrowing rates to these categories of leases.

Supplemental cash flow information and other information for leases was as follows:

ADDENDUM TO THE DISCLOSURE DOCUMENT FOR THE STATES OF CALIFORNIA, HAWAII, ILLINOIS, INDIANA, MARYLAND, MICHIGAN, MINNESOTA, NEW YORK, NORTH DAKOTA, RHODE ISLAND, SOUTH DAKOTA, VIRGINIA, WASHINGTON, AND WISCONSIN

The following provision applies only to franchisees and Franchised Businesses that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, and/or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

ADDENDUM TO THE DISCLOSURE DOCUMENT FOR THE STATE OF CALIFORNIA

The following information applies to franchises and Franchisees subject to California statutes and regulations. Item numbers correspond to those in the main body:

1. The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise be delivered together with the offering circular.
2. No franchisor or any person in Item 2 of this FDD is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.
3. California Business and Professions Code 10000 through 10043 provides rights to the franchisee concerning termination or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.
4. No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.
5. The highest interest rate allowed by law for Late Payments in the State of California is 10% annually.
6. **The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.**
7. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law. (11 U.S.C.A. Sec. 101 et seq.)
8. The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.
9. The franchise agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.
10. The franchise agreement requires binding arbitration. The arbitration will occur in the metropolitan area of our then-current principal place of business (currently, Atlanta, Georgia), with the award of damages including actual damages costs and attorneys' fees will be decided by the arbitrators.
11. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.
12. The franchise agreement requires application of the laws of the State of Georgia. This provision may not be enforceable under California law.
13. Section 31124 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before a

solicitation of a proposed material modification of an existing franchise.

14. You must sign a general release if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31416). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§ 20000 through 20043).

ADDENDUM TO THE FRANCHISE AGREEMENT FOR THE STATE OF CALIFORNIA

This California Addendum is entered into concurrently with that certain Franchise Agreement of even date herewith by and between Merry Maids SPE LLC (“Merry Maids”) and _____ (“Franchisee”). Unless otherwise defined herein, capitalized terms shall have the same meaning as described in the Franchise Agreement. **The terms of this Addendum shall survive the termination or expiration of the Agreement.**

In consideration of the execution of the Franchise Agreement (the “Agreement”), Merry Maids and Franchisee agree to amend the Agreement as follows:

1. To the extent that Section 14 (“Termination of the Franchise; Post Termination Obligations; Transfer”) or any other terms of the Agreement are inconsistent with the California Franchise Relations Act (CA. Bus. & Prof. Code § 20020, et. seq.), the terms of the statute will control and the applicable Section shall be modified only to the extent required to comply with such law. The parties agree that in no event shall a reasonable opportunity to cure to the extent required under such statute be greater than seventy five (75) days.

2. Notwithstanding anything to the contrary contained in the Franchise Agreement, all written notices related to any proposed transfer or assignment by you as contained in Section 14, must be delivered by business courier or receipted U.S. mail.

3. Notwithstanding anything to the contrary stated in the Franchise Agreement, Merry Maids will provide sixty (60) days’ written notice (or such other cure period prescribed by California law from time to time), and opportunity to cure any default described in Section 14.A.3, A.5, A.8, A.9 (to the extent that the felony conviction is unrelated to the franchised business), A.10 and A.11.

4. The parties agree that if Franchisee or any its owners commit any of the breaches of this Agreement identified in Section 14.A, each such breach shall be deemed to be a failure by Franchisee to substantially comply with the Franchise Agreement requirements. The parties further agree that a breach by Franchisee or any of its owners under Section 14.A, of a material provision of this Agreement, or of any other agreement with Franchisor or any Franchisor Affiliate, or any mandatory requirement prescribed in any Manual shall be deemed to be a failure by Franchisee to substantially comply with the Franchise Agreement requirements.

5. The following language is added to the end of Section 14.C.6 of the Agreement:

The provisions of this Section 14.C.6 shall apply to the extent that the franchisee’s actions inherently call upon franchisee to use or disclose Franchisor’s confidential information, including, without limitation, Franchisor’s current and future, manuals; trade secrets, methods, know-how, or training as well as advertising and marketing plans and strategies; student/client lists and data; Franchised Businesses’ operating data and statistics; customer accounts and related information; and other methods, formulas, specifications and procedures for developing and operating Merry Maids businesses.

6. The following language is added at the end of Section 14.C.:

Franchisor shall have the right upon termination or non-renewal of the Franchise to purchase from Franchisee at the value of price paid by Franchisee, minus depreciation, Franchisee’s inventory, supplies,

equipment, fixtures and furnishings (the “Items”) purchased or paid for under the terms of this Agreement or an agreement ancillary hereto by Franchisee to Franchisor or to its approved suppliers that are possessed or used by Franchisee in the franchised business at the time of termination or non-renewal. For the purposes of this provision and compliance under and construction of the California Franchise Relations Act (CFRA), the parties agree that such depreciation shall be calculated based on whichever of the two (2) methods prescribed results in a lower valuation of the Items: i) the Modified Accelerated Cost Recovery System (MACRS) method applied in accordance with the applicable standard U.S. Internal Revenue Service (IRS) schedules effective for the calendar year immediately preceding the calendar year in which the Franchise Agreement terminated or expired and was not renewed; or ii) depreciation schedules included by Franchisee in the IRS income tax return for the franchised business filed for the calendar year immediately preceding the calendar year in which the Franchise Agreement terminated or expired and was not renewed. Franchisee shall provide Franchisor a true and complete copy of such income tax return and related schedules within five (5) business days of Franchisor’s request. Franchisee shall further provide Franchisor clear title to and possession of any such Items. Franchisor can offset against the amounts owed to Franchisee any amounts owed by Franchisee to Franchisor.

In the event a court or arbitrator finds that Franchisor has terminated or failed to renew this Agreement in violation of the CFRA, the parties agree that the fair market value of the franchised business and franchise assets (the “FMV”) for purposes of compliance with the CFRA shall be established in accordance with the following procedure: Franchisor and Franchisee shall mutually select an independent Certified Business Appraiser within thirty (30) days of such court/arbitrator finding. If unable to identify a mutually agreeable Certified Business Appraiser, Franchisor and Franchisee each shall select a person within forty-five (45) days of such court/arbitrator finding who is an independent Certified Business Appraiser (the “Designees”) and such Designees promptly shall mutually agree to a third independent Certified Business Appraiser whose determination of the FMV shall be final and binding on the parties. This provision shall survive the termination or expiration of the Franchise Agreement.

7. The following language is added as new Section 3.E:

Territory Withdrawal. If Franchisor publishes an announcement that it has determined that continued franchising in the state or in the standard metropolitan statistical area (as established by the United States Office of Management and Budget) within the state in which Franchisee’s Territory is located is not appropriate for reasons that relate to Franchisor’s economic or other interests and that it is completely withdrawing from all franchise activity in such state/area (provided that Franchisor can continue to service existing Franchisees under outstanding agreements), then Franchisor will be considered to have made a general market area withdrawal, will have no liability to Franchisee therefore and will not be required to offer Franchisee any renewal Franchise or similar rights (a “Territory Withdrawal”). In that event and if Franchisee is not in default of this Agreement, Franchisee will not be required to comply with its non-competition obligations under Section 14.C.6. Franchisor shall not prevent Franchisee from retaining control of the principal place of the Franchised Business in the event of a market withdrawal. Franchisee agrees that if any statute or court decision requires “good cause” (or any similar standard) for non-renewal, Franchisor’s compliance with the provisions of this clause will be deemed to be good cause.

8. To the extent a proper judicial body determines that this Addendum is in conflict with any term or condition of the Franchise Agreement, the terms of this Addendum shall control.

[Signature page to follow.]

IN WITNESS WHEREOF, each of the undersigned hereby acknowledges having read this Addendum, and understands and consents to be bound by all of its terms.

ADDENDUM TO THE DISCLOSURE DOCUMENT FOR THE STATE OF WASHINGTON

To the extent the Washington Franchise Investment Protection Act, Wash. Rev. Code §§19.100.010 – 19.100.940 applies, the terms of this Addendum apply.

Item 3, Additional Disclosures:

Re: Franchise No Poaching Provisions (Merry Maids, LP), State of Washington, King County Superior Court, Civil Case No. 18-2-56308-9. In January 2018, the State of Washington Office of Attorney General initiated an investigation into “no-poach” provisions in franchise agreements executed by Merry Maids, LP (“Merry Maids”). Merry Maids expressly denied (1) the inclusion of its restrictive covenant language in franchise agreements violated the Washington’s Consumer Protection Act, RC 19.86.030, or any other law; and (2) having engaged in conduct that constitutes a contract, combination or conspiracy in restraint of trade because it had not/has not enforced the no-poaching provision in or outside of State of Washington. On December 5, 2018, Merry Maids voluntarily entered into and filed an Assurance of Discontinuance (“AOD”) with the State of Washington. As part of the AOD, Merry Maids agreed to (1) not include no-poaching provisions in any of its future franchise agreements nationwide after the date of the AOD; (2) not enforce no-poaching provisions in any of its existing franchise agreements nationwide; (3) make all of its franchisees in the United States aware of the entry of the AOD and provide them with a copy upon request; and (4) offer to amend all existing franchise agreements within the State of Washington to remove any no-poaching provisions.

Item 5, Initial Fees:

Due to our financial condition, the Washington Department of Financial Institutions Securities Division requires us to defer our collection of the Initial Franchise Fee and the Online Marketing Fund deposit until we have fulfilled our initial pre-opening obligations under the Franchise Agreement and your Merry Maids franchise is open for business.

Item 17, Additional Disclosure:

The state of Washington has a statute, RCW 19.100.180 which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site shall be either in the State of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as deemed by the arbitrator. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchise, or a violation of the Washington Franchise Investment Protection Act, in Washington.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel.

Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

TERMS

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement agree as follows:

1. OBLIGATIONS

A. Transferor's Obligations. Upon the terms and subject to the conditions set forth in this Agreement, Transferor agrees to transfer and deliver to Transferee, and Transferee agrees to assume and accept from Transferor, all of Transferor's rights, title, and interests related to (i) the Customer List, (ii) the Acquired Customers, and (iii) the Customer Contracts. Transferor warrants that (a) the Customer List attached as Exhibit A is a complete and accurate list of all customers that it has serviced within the Transferee’s Territory at any time, and (b) Transferor will deliver to Transferee upon execution of this Agreement all of its active Customer Contracts,

each of which has been assigned to Transferee through this Agreement as of the Effective Date.

B. Rights to Revenue. Transferor shall be entitled to collect and receive any monies owed by Acquired Customers related to services provided by the Acquired Customer prior to the Effective Date but shall have no right to any monies paid or owed by Acquired Customers for services provided on or after the Effective Date. If Transferor has collected any prepaid revenue (such as any revenue under Customer Contracts) that relates to services that have not been fully rendered as of the Effective Date and must be provided to Acquired Customers after the Effective Date, Transferor shall pay Transferee a pro rata share of such revenue based on the proportion of services already rendered by Transferor and the proportion of services to be rendered in the future by Transferee.

C. Assumed Liabilities. Subject to the terms and conditions set forth in this Agreement, Transferee agrees that, as of the Effective Date, Transferee will assume and perform the services to the Acquired Customers on the Customer List and thereafter perform and discharge when due all obligations and liabilities with respect to the Customer Contracts that relate to events that occur after the Effective Date.

D. Liabilities Not Assumed. Transferee does not assume by virtue of this Agreement any obligations or liabilities of Transferor of any kind, character or description whatsoever, whether arising before, at, or after the Effective Date with respect to the Acquired Customers, the Customer List, or the Customer Contracts, including, without limitation, any liabilities or obligations related to acts or omissions of the Transferor prior to the Effective Date. Transferor shall remain solely responsible for any customer claims (including, without limitation, any warranty, damage, theft, and/or refund claims) related to the acts or omissions of Transferor prior to the Effective Date.

E. Purchase Price. Subject to the other terms and conditions of this Agreement, Transferee will remit to Transferor by check on the Effective Date the sum of _____ Dollars (\$____) [\$525 for each Acquired Customer that has received services from the Transferor in the 90-day period immediately preceding the Effective Date].

F. Transferor Warranty. Transferor warrants that it has not, as of the Effective Date, sold, leased, given, or provided the Customer List or the Customer Contracts to any third party and that Transferor will destroy all copies of the Customer List and the Customer Contracts upon transfer to Transferee, except insofar as such documents are incorporated into other necessary business records and are subject to record retention obligations imposed by state law. Transferor agrees that it shall no longer provide any services to any of the Acquired Customers after the Effective Date (unless Transferor or Transferee agree otherwise in writing), and it shall not directly or indirectly interfere with Transferee's relationship with such Acquired Customers.

G. Due Diligence. Transferor and Transferee represent and warrant to Franchisor that Transferor provided Transferee with the opportunity to carry out full and complete due diligence in relation to the acquisition of the Customer Contracts and Customer List, and that Transferee completed such due diligence to its satisfaction.

2. CONSENT TO TRANSACTION

A. Consent to Transaction. Transferor and Transferee acknowledge and agree that the Customer List and related Acquired Customer relationships are intangible assets of the Franchisor. Franchisor hereby consents to the proposed transaction that will transfer from Transferor to Transferee certain rights to use the Customer List and to service the Acquired Customers. After the Effective Date, Transferee must service the Acquired Customers in accordance with the terms of Transferee's Franchise Agreement during the term of such agreement.

B. Non-Responsibility of Franchisor. Transferor and Transferee acknowledge, agree, and understand that Franchisor, its legal counsel, and any other person or entity acting on Franchisor's behalf have not (i) made any claims, representations, promises, or otherwise with regard to the Acquired Customers, the Customer List, and the Customer Contracts or (ii) accepted or assumed any responsibility with respect to the transactions contemplated

by this Agreement. It is solely Transferee's duty to evaluate and investigate any representations made by Transferor, and Transferor is solely responsible for the accuracy and completeness of such representations. Franchisor's only involvement in this transaction is to give its consent to the transfer of the right to use its intangible assets from one franchisee to another.

3. INDEMNITY

A. Claims of Transferee. Transferor shall indemnify and hold harmless Transferee and Franchisor against, and in respect of:

- i. Any and all damages, losses, liabilities, costs, and expenses incurred or suffered by Transferee that result from, relate to, or arise out of any (a) breach of warranty or any representation made by Transferor contained in this Agreement or (b) any acts or omissions of the Transferor related to any Acquired Customer that occurred prior to the Effective Date; or
- ii. Any and all actions, suits, claims, proceedings, investigations, demands, assessments, audits, fines, judgments, costs, and other expenses (including, without limitation, reasonable legal fees and expenses) incident to any of the foregoing.

4. MISCELLANEOUS

A. Entirety. This Agreement constitutes the entire agreement of the parties with respect to the subject matter hereof and no statement, agreement, representation, or understanding is binding on either party unless it is contained in this Agreement and its Exhibit. Transferor, Transferee, and Franchisor acknowledge and agree that the Recitals are a material part of this Agreement.

B. Governing Law. The terms of this Agreement and any dispute concerning its interpretation or performance shall be governed by and construed in accordance with the laws of the State of Georgia, without recourse to principles of conflict of laws.
