What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in Pennsylvania. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Pennsylvania than in your own state.

2. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

Franchisor, Predecessor and Our Business Activities

We were originally incorporated in the State of New Jersey on April 6, 2005, as Hand and Stone Franchise Corp., for the sole purpose of offering HAND AND STONE MASSAGE AND FACIAL SPA franchises. Hand and Stone Franchise Corp. offered franchises from 2005 to June 2022. It also had previously offered a Regional Developer program. On June 22, 2022, following the Parent Merger (as defined below in this Item 1 under Our Parents, Subsidiaries and Affiliates), Hand and Stone Franchise Corp. merged with and into Hand and Stone Franchise LLC, a New Jersey limited liability company and a newly formed wholly-owned subsidiary of our parent HS Parent Inc., with Hand and Stone Franchise LLC being the surviving entity in the merger. As a result of this merger, Hand and Stone Franchise LLC became the franchisor, and Hand and Stone Franchise Corp. became its predecessor. Hand and Stone Franchise LLC has been offering franchises since June 2022. Our principal business address is 1210 Northbrook Drive, Trevese, Pennsylvania 19053. We do business under our corporate name and the names “HAND AND STONE”, “HAND AND STONE MASSAGE SPA”, and “HAND AND STONE MASSAGE AND FACIAL SPA”. We have not offered franchises in any other line of business.

We grant franchises to qualified persons in conjunction with the service mark “HAND AND STONE MASSAGE AND FACIAL SPA” and certain associated logos (collectively referred to as the “Marks”).* We refer to the “HAND AND STONE MASSAGE AND FACIAL SPA” you will operate as the “Franchised Business.”

HAND AND STONE MASSAGE AND FACIAL SPA offers professional massage, facial, waxing, skincare, face and body contouring, and face and body sculpting services and related retail products. General Description of the Market and Competition

Our concept is targeted to the general public. As a franchisee, you will compete for consumers with a variety of other businesses, including those that only offer massage services, facial services, waxing, skincare, face and body contouring, and face and body sculpting services and those that offer spa services in general. Your competition may be local, independent businesses or may be part of a regional or national chain or franchise. Our business concept is not typically seasonal in nature. Demand for the services you

offer may be dependent on the local and national economic conditions and their effect on the public's discretionary spending.

Regulations

Many states have laws and regulations requiring the examination and certification of massage therapists and estheticians. Some states have laws and regulations that restrict the types of services and treatments massage therapists or estheticians can offer. You should investigate whether there are regulations and requirements that may apply in the geographic area in which you are interested in locating a HAND AND STONE franchise and you should consider both their effect and cost of compliance. State, Local, or Federal laws require you to obtain various licenses and/or permits for the operation of your HAND AND STONE franchise. Each state may differ in licensing and permit requirements for the services you will offer. It is your sole responsibility to research the requirements that apply to your specific territory, and to operate your HAND AND STONE franchise in full compliance with all State, Local and/or Federal laws that apply to your business.

No other fees or payments are to be paid to us, nor do we impose or collect any other fees or payments for any other third party. All fees are nonrefundable.

NOTES:

1. “Gross Sales” means the aggregate of all revenue collected from the sale of products, gift cards, barter or exchange, complimentary services and services from all sources in connection with the Franchised Business whether for check, cash, credit or otherwise, including all proceeds from any business interruption insurance, but excluding tips received by massage therapists and estheticians, any sales and equivalent taxes that you collect and pay to any governmental taxing authority, and the value of any allowance issued or granted to any of your customers that you credit in full or partial satisfaction of the price of any products and services offered by the Franchised Business. (Section 1)

2. If we terminate your Franchise Agreement for cause, you must pay us within 15 days after the effective date of termination liquidated damages equal to the average monthly Royalty Fees you were assessed during the 12 months of operation preceding the effective date of termination multiplied by (a) 36 (being the number of months in three full years), or (b) the number of months remaining in the Agreement had it not been terminated, whichever is lower. (Section 17.7). The liquidated damages only cover our damages from the loss of cash flow from the Royalty Fees. It does not cover any other damages, including damages to our Marks, Confidential Information, reputation with the public and landlords and damages arising from a violation of any provision of the Franchise Agreement other than the Royalty Fee section. You agree that the liquidated damages provision does not give us an adequate remedy at law for any default under, or for the enforcement of, any provision of the Franchise Agreement other than the Royalty Fee provisions.

3. Upon termination, rescission, expiration, non-renewal, and/or transfer of the Franchise Agreement, you are responsible for the costs associated with de-identifying yourself and the Franchised Business from the Hand and Stone System. You must also comply with your post term covenants against competition discussed in Item 17.

4. To ensure that you have accurate financial records and reporting, during the first year of the term of the Franchise Agreement, upon request or until you demonstrate a proficiency in preparing and submitting to us correct financial statements and/or other requested financial data of the Franchised Business’ operations, we require you to use the services of one of our designated and preferred accounting firms (the “Accounting Firm”). The Accounting Firm will gather weekly transactional information from your Franchised Business and enter such information into its accounting software, reconcile monthly cash and credit card activity, produce monthly financial statements for the Franchised Business, perform bank reconciliations, calculate sales taxes and prepare K-1s. You are required to pay the Accounting Firm’s then current monthly fee (the “Accounting Fees”) and the Accounting Fees are subject to future increases. We can require you to use the Accounting Firm and pay the Accounting Fees at any time during the term in the event that you fail to provide us with accurate financial statements.

NOTES

1. Franchise Fee. The Franchise Fee is described in greater detail in ITEM 5 of this Disclosure Document.
2. Real Estate. This range provides estimated amounts for one month's security deposit plus one month's prepaid rent on a triple-net lease in your first year. You must lease or otherwise provide a suitable facility for the operation of the Franchised Business. Typically, a HAND AND STONE franchise will be located within a strip mall or shopping center and should be approximately 2,200-3,200 square feet. Lease costs will vary based upon the square footage leased, the cost per square foot, your geographic area and the required maintenance costs. We assume you will have to pay the first month's rent and a security deposit equal to one month's rent in advance. The amounts you pay are typically not refundable, but in certain circumstances the security deposit may be.
3. Utility Deposits. If you are a new customer of your local utilities, you will generally have to pay deposits in connection with services such as electric, telephone, gas and water. The amount of deposit will vary depending upon the policies of the local utilities.
4. Leasehold Improvements. The facility must be renovated according to our standards and specifications. The cost of the leasehold improvements will vary depending upon the size of the facility you lease, the location of the Franchised Business, local wage rates, whether union labor is required, and the cost of materials. Landlord may provide partial build-out allowance, and this estimate assumes a landlord contribution of between \$78,458 and \$182,449. Landlord contributions include tenant improvement allowances, free rent or any other capital allocation offset. You may or may not receive landlord contributions. This category includes non-movable millwork and retail tables. The estimates above are based upon most recently completed projects which include both union and non-union labor.
5. Furniture, Fixtures & Equipment. You must purchase (or lease) office and reception area furniture, massage tables, water feature, artwork and equipment necessary for providing the various services

offered by HAND AND STONE MASSAGE AND FACIAL SPAS. Although some of these items may be leased, the range shown represents an estimated purchase price.

6. Computer/POS System. You must purchase and install our specified point-of-sale system, which is described in detail in ITEM 11.
7. Connectivity Fee. You must pay an initial fee of \$2,500 for connection to the Hand and Stone Technology, which is described in detail in Item 11 and Section 12.5 of the Franchise Agreement.
8. Insurance. You must purchase the type and amount of insurance specified in Section 15 of the Franchise Agreement in addition to any other insurance that may be required by applicable law, any lender or your landlord. The initial payment shown above represents 25% of the estimated annual premium which is typically paid prior to opening.
9. Office Equipment and Supplies. You must purchase general office supplies including stationery and typical office equipment. Factors that may affect your cost of office equipment and supplies include local market conditions, competition among suppliers and other factors.
10. Camera and Music System. You must purchase and install a camera and music system. The cost of the system and its installation will vary based on competition among suppliers, local wage rates and other factors.
11. Initial Inventory. You must carry an inventory of bags, tissue paper and other packaging goods, plus products for retail sale, such as massage oils, candles, and facial products. The cost of these items may vary based on manufacturers' discounts and specials at the time of purchase and other factors.
12. Travel Expenses. The cost of initial training is included in the Franchise Fee, but you must pay transportation and expenses for meals and lodging while attending training. The total cost will vary depending on the number of people attending, how far you travel and the type of accommodations you choose.
13. Signage. This range includes the cost of all signage used in the Franchised Business. The signage requirements and costs will vary based upon the size and location of the Franchised Business, local zoning requirements, landlord specifications and local wage rates for installation.
14. Grand Opening. You must spend a minimum of \$10,000 on Grand Opening Advertising. You must pay this money to us, and our Advertising Agency will conduct your Grand Opening Advertising campaign on your behalf. In addition, you are required to provide approximately \$2,500 in complimentary services during the Grand Opening event.
15. Licenses, Permits and Architectural Fees. Local government agencies typically charge fees for occupancy permits, operating licenses and sales tax licenses. You must use HS Design or an approved architect. If you used an approved architect, we must review their plans and will charge for the supervisory services. Our charge to review an architect's plans will not exceed \$1,500. Your actual costs may vary based on the requirements of local government agencies.
16. Legal & Accounting. You will need to employ an attorney, an accountant and other consultants of your choosing to assist you in reviewing the franchise agreement and in establishing your Franchised Business. These fees may vary from location to location depending upon the prevailing rates of local attorneys, accountants and consultants.

17. Additional Funds. We recommend that you have a minimum amount of working capital available to cover operating expenses, including employees' salaries, for the first 9 months that the Franchised Business is open. However, we cannot guarantee that our recommendation will be sufficient. Additional working capital may be required if sales are low or operating costs are high.
18. Total. In compiling this chart, we relied on our 19 years of franchising experience, including the most recently completed projects. The amounts shown are estimates only and may vary for many reasons including the size of the facility you lease, the capabilities of your management team, where you locate your Franchised Business and your business experience and acumen. You should review these estimates carefully with an accountant or other business advisor before making any decision to buy a franchise. These figures are estimates only and we cannot guarantee that you will not have additional expenses in starting the Franchised Business. The costs estimated in this Item 7 are not intended to be a forecast of the actual costs you or any particular franchisee will incur.

We do not offer, either directly or indirectly, financing to franchisees for any items.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Except as indicated below, you are not required to purchase or lease any goods, services, supplies, fixtures, equipment, inventory or real estate relating to the establishment or operation of the Franchised Business from us or our designees.

Specifications

You must remodel, furnish and equip the Franchised Business according to our standards and specifications in accordance with the Operations Manual. Many of the products, supplies and services needed in connection with establishing your Franchised Business, such as massage tables, river stones, heaters, fixtures, reception area furniture, paper goods and retail products inventory, computer hardware and software and signs, must meet our specifications for appearance, quality, performance and functionality. Additionally, some of the products, supplies and services needed in connection with the ongoing operation of your Franchised Business, such as paper goods and retail products inventory, gift cards, advertising materials, stationery, software licenses, point-of-sale system or computer services and business insurance, for example, must meet our specifications for appearance, quality, performance and functionality. We list the specifications for these items and services in the Manual or in other written or electronic communications provided to you. We formulate and modify our specifications for products, supplies and services based upon our and our Affiliate's industry knowledge and our Affiliate's experience in developing and operating as HAND AND STONE spas.

Approved Suppliers

The products, supplies and services discussed above may only be purchased from Approved Suppliers in accordance with the Manual. We will provide you with a list of these items and services and their Approved Suppliers, which may include or be limited to us or an Affiliate. Our list of Approved Suppliers is contained in our Manual and is subject to change occasionally. We are an Approved Supplier of certain items you must purchase, including water feature, lobby furniture, cabinetry and millwork, signage, attention buttons, and HS Design for architectural services, but we may approve alternate suppliers if appropriate.

Our subsidiary Advertising Agency is the only approved supplier for expending the Local Advertising Fee, however, franchisees may use other agencies for expanding advertising above the required Local Advertising Fee. Advertising Agency and HS Design are solely owned by us. The following officers have an ownership interest in us, and we are an approved supplier of certain items: Todd Leff, John Teza, Jack Bachinsky, Cindy Meiskin, Lisa Rossmann, Kris Smith, and Meghan Lally,. There are no other approved suppliers in which any of our officers owns an interest. HS Hamilton Spa is not an Approved Supplier of any item.

In the fiscal year ended December 31, 2023, we derived \$40,617,599 (or 34%) of our total gross revenues of \$119,178,493 from required franchisee purchases and leases. In the fiscal year ended December 31, 2023, Advertising Agency derived \$5,101,707 from commissions on the placement of the required Local Advertising Fees and additional voluntary local advertising contributions. Additionally, Advertising Agency earned commissions totaling \$510,171 from the placement of required Marketing Fund contributions.

If you want to use any item or service in establishing or operating the Franchised Business that we have not approved (for items or services that require supplier approval), you must first send us sufficient information, specifications or samples for us to determine whether the item or service complies with our standards and specifications or whether the supplier meets our Approved Supplier criteria. You must reimburse us for all of our reasonable expenses in connection with determining whether we will approve an item, service or supplier. We will decide within a reasonable time (usually 30 days) after receiving the required information whether you may purchase or lease the items or services or if you may purchase from the supplier. Our approval process generally focuses on the supplier's dependability, general reputation and ability to provide sufficient quantity of product or services, and the products' or services' prices and quality.

Miscellaneous

For the products you purchase from us or our Affiliates, we or our Affiliate will include a reasonable markup in the price to compensate us for the time and effort involved in providing these products. We may also negotiate group rates, including price terms, for the purchase of equipment, inventory and supplies necessary for the operation of the Franchised Business. Presently, there are no purchasing or distribution cooperatives that you must join. We will receive rebates, discounts or other financial benefits from Approved Suppliers, or any other suppliers based on our franchisees' purchase of goods or services.

Rebates paid by Approved Suppliers range between 2% to 20% of sales to the System or are based on a flat amount per individual franchisee purchase. During the year ended December 31, 2023, we earned rebates totaling \$3,972,487 or 3.3% of our total revenues.

If you want to use any item or service in establishing or operating the Franchised Business that we have not approved (for items or services that require supplier approval), you must first send us sufficient information, specifications or samples for us to determine whether the item or service complies with our standards and specifications or whether the supplier meets our Approved Supplier criteria. You must reimburse us for all of our reasonable expenses in connection with determining whether we will approve an item, service or supplier. We will decide within a reasonable time (usually 30 days) after receiving the required information whether you may purchase or lease the items or services or if you may purchase from the supplier. Our approval process generally focuses on the supplier's dependability, general reputation and ability to provide sufficient quantity of product or services, and the products' or services' prices and quality.

Our Advertising Agency may also earn rebates, commissions or other payments based on advertising activities, including from the Marketing Fund, local advertising and grand opening advertising.

If the Advertising Agency earns these rebates, commission or other payments, there is no restriction on our Advertising Agency regarding the use of those funds, and the Advertising Agency may keep these rebates, commissions or other payments as profit.

We estimate that approximately between 70% and 80% of your expenditures for purchases in establishing your Franchised Business will be for goods and services that must be purchased from either us or an Approved Supplier or in accordance with our standards and specifications. We estimate that approximately between 70% and 80% of your expenditures on an ongoing basis will be for goods and services that must be purchased from either us or an Approved Supplier, or in accordance with our standards and specifications.

We do not provide or withhold material benefits to you (such as renewal rights or the right to open additional HAND AND STONE spas) based on whether or not you purchase through the sources we designate or approve; however, purchases of unapproved products or from unapproved suppliers in violation of the Franchise Agreement will entitle us to terminate the Franchise Agreement.

Insurance

All policies (except any workers' compensation insurance) shall expressly name us as an additional insured, and all shall contain a waiver of all subrogation rights against us and our successors and assigns. (f) such insurance as necessary to provide coverage under the indemnity provisions set forth in Section 20.3 of the Franchise Agreement.

We have the right to reasonably increase the minimum liability protection requirement annually and require different or additional insurance coverage(s) to reflect inflation, changes in standards of liability, future damage awards or other relevant changes in circumstances. Such policies shall be written by an insurance company licensed in the state in which Franchisee operates and having at least an “A” Rating Classification as indicated in the latest issue of A.M. Best’s Key Rating Guide. As may be required in the Manual, we have the right to require Franchisee’s participation in any group insurance established or approved by us for Franchisees that meets any of the requirements. You must provide, annually, or more frequently if requested, certificates of insurance showing compliance with the foregoing requirements. Such certificates shall state that said policy or policies shall not be canceled or altered without at least thirty (30) days’ prior written notice to us and shall reflect proof of payment of premiums. Should you not procure and maintain the above insurance coverage, we have the right (but not the obligation) to immediately procure such insurance coverage and to charge the premiums to you, which charges, together with a reasonable fee for expenses incurred by us in connection with such procurement, shall be payable by you immediately upon notice.

The above specifications are subject to change without prior notice. You must take all steps, including but not limited to those related to visibility and management of your Franchised Business, that are necessary to ensure that your Franchised Business is compliant with all Payment Card Industry Data Security Standards (PCI DSS) requirements, as such standards may be revised and modified by the PCI Security Standards Council (see www.pcisecuritystandards.org).

You must pay us an initial fee of Two thousand five hundred dollars (\$2,500.00) for connection to the Hand and Stone Technology (hereinafter “Connectivity Fee”). The Connectivity Fee shall be paid at the time of the Initial Franchise Fee. You must execute the sublicense agreement attached to the Franchise Agreement as Exhibit “J”, and purchase a subscription for the Zenoti POS and related software and support from us. (Section 12.5)

In addition to the fees set forth above, we reserve the right to require that you pay us or our designated (s) a fee (which may be collected monthly, quarterly, or annually) associated with maintaining any required computer hardware and software and any other present or future technology used now or in the future in the operation of Franchised Business, and such payment shall be made in the manner we or the designated vendor(s) prescribed, as applicable. (Section 12.5) We reserve the right to change the manner, scope, or manner of payment of the fee described in this Section, at any time upon providing reasonable notice to you, as changes are made to the System’s hardware, software and other computer requirements or as required by the third-party service provider(s) or by any regulatory agency.

E. Methods Used to Select the Location of the Franchised Business

If you have a potential site for the Franchised Business, you may propose the location for our consideration. Within 30 days, we may consent to the site after we have evaluated it. If you do not have a

proposed site when you sign the Franchise Agreement, then you must find one within the Designated Area. The Designated Area is delineated for the sole purpose of site selection. You must obtain our written approval of the Franchised Business's proposed site before you sign any lease, sublease or other document for the site. We will use reasonable efforts to help analyze your market area, to help determine site feasibility, and to assist in designating the location, although we will not conduct site selection activities for you. You must locate an approved site for the Franchised Business within the Designated Area within 180 days after the Effective Date of the Franchise Agreement (the "Site Selection Period"). If you fail to secure an acceptable site for the Franchised Business before the expiration of the Site Selection Period, we may terminate your Franchise Agreement. (Sections 2.3 and 5.1)

The general site selection and evaluation criteria which we consider in approving your site includes the condition of the premises, demographics and population density of the surrounding area, proximity to other HAND AND STONE spas and other competitive businesses, traffic patterns, neighborhood characteristics, lease requirements, visibility, ease of access, available parking and other physical characteristics. We will provide you with written notice of our approval or disapproval of any proposed site within a reasonable time after receiving all requested information. You may not relocate the Franchised Business without our consent.

F. Typical Length of Time Before Operation

We estimate that the typical length of time between the signing of the Franchise Agreement and the opening of a HAND AND STONE franchise is twelve months. You must open your Franchised Business and be operational not later than twelve months after signing the Franchise Agreement. In the event you fail to do so, we may terminate your Franchise Agreement. Factors that may affect your beginning operations include ability to secure permits, zoning and local ordinances, weather conditions and delays in installation of equipment and fixtures. (Section 5.4). While reserving our right to terminate, if the Franchised Business is not opened and operating within twelve (12) months after the Effective Date, your rights to establish the Franchised Business at the Approved Location, as well as your rights and interests in your Protected Territory, as outlined on Exhibit A of the Franchise Agreement, shall automatically expire and be null and void without any further notice to you. Thereafter, we may establish, own or operate, or grant rights to or license any other person to establish, own or operate, any other HAND AND STONE MASSAGE AND FACIAL SPA anywhere within your Protected Territory. You will then need to come to an agreement with us as to where to locate your Franchised Business.

G. Training

We will conduct an initial training program that you and the Designated Manager must attend and complete to our satisfaction prior to opening. Although initial training is mandatory for the Designated Manager, it is also available for up to three additional assistants. Training will take place at our headquarters, or at another location we designate. We reserve the right to substitute any in-person training for virtual training at our discretion.

The initial training program is approximately two weeks long and covers the business and administrative aspects of the operation of a HAND AND STONE franchise including sales and marketing methods; financial controls; maintenance of quality standards; customer service techniques, record keeping and reporting procedures, other operational issues and on-the-job training.

For new locations, we will also make an initial massage protocol training program available to you and your therapists, including your Lead Therapist. The Lead Therapist must complete to our satisfaction. The initial massage protocol training program is approximately two days long and includes classroom instruction pertaining to all massage protocols and training techniques.

If you replace your Designated Manager or Lead Therapist, your new Designated Manager or Lead Therapist must attend our training program. Although we do not charge for initial training, you may be charged fees, currently \$500 per day, for additional training of a new Designated Manager or Lead Therapist. You must train your own employees and other management personnel. (Section 8)

The instructional materials we use in our initial training program include our Operations Manual, Supplemental Materials, and other information that we believe is beneficial to our franchisees in the initial training program. Our initial training program consists of:

If circumstances require, a substitute trainer may provide training. A substitute trainer will have a minimum of one-year experience in the massage industry. We also reserve the right to name additional trainers periodically. There are no limits on our right to assign a substitute to provide training.

Periodically we may require that previously trained and experienced franchisees, their managers, and/or employees attend refresher-training programs. Attendance at these programs will be at your sole expense; however, we will not require you to attend more than two of these programs in any calendar year and these programs will not collectively exceed seven days during any calendar year. (Section 8.5)

ITEM 12 **TERRITORY**

You must operate your Franchise at a location that we approve (the “Approved Location”) and you may not relocate without our written approval. We may allow you to relocate if the lease for the Approved Location expires or terminates without the fault of you, or if the Franchised Business’s premises are destroyed, condemned or otherwise rendered unusable, or for other reasons as we may agree upon with you in writing. Any such relocation shall be at your sole expense, and shall proceed in accordance with the site selection, lease, development and opening requirements as set forth in Sections 5.1 through 5.4 of the Franchise Agreement. We have no obligation to provide relocation assistance.

We will grant you a Protected Territory. Your Protected Territory will surround your Franchised Business and be an eight-minute drive time around your specific location. However, in highly dense areas such as “downtown” areas and cities, the Protected Territory will be less than an eight-minute drive time.

We may also redefine or reduce the boundaries of your Protected Territory based on the following changes, which may include but not be limited to; demographics, population, demand for services, travel times and economic conditions. (Section 2.5). We have the right to offer HAND AND STONE franchises to others in the newly defined Protected Territory that does not encompass your Approved Location, provided, however you will be granted a first right of refusal to establish an additional franchise in the newly defined Protected Territory. You must be in full compliance and meet all requirements for new franchisees, including financial resources and human resources to manage an additional HAND AND STONE franchise. You will have 30 days after receiving notice of our intent to divide the newly defined Protected Territory and you must execute a new franchise agreement and pay the corresponding franchise fee within sixty (60) days thereafter.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

If you are in full compliance with the Franchise Agreement during its term, we will not establish, or license others to establish, a HAND AND STONE MASSAGE AND FACIAL SPA franchise within the Protected Territory.

You may not advertise on the Internet without our prior written consent. You are strictly prohibited from promoting your Franchised Business or using the Proprietary Marks without our prior written approval in any manner on the Internet, including social and networking websites such as Facebook, LinkedIn, Instagram, Pinterest, X, Groupon, TikTok, and/or YouTube.

You may sell our proprietary products and related merchandise to retail customers and prospective retail customers who live anywhere but who choose to shop in your Franchise. You may not engage in any promotional activities or sell our proprietary products or similar products or services, whether directly or indirectly, through or on the Internet, the World Wide Web, or any other similar proprietary or common carrier electronic delivery system (collectively, the “Electronic Media”); through catalogs or other mail order devices sent or directed to customers or prospective customers located anywhere; or by telecopy or other telephonic or electronic communications, including toll-free numbers, directed to or received from customers or prospective customers located anywhere. You may not place advertisements in printed media and on television and radio that are targeted to customers and prospective customers located outside of your Protected Territory, without our permission. You have no options, rights of first refusal, or similar rights to acquire additional franchises. You may not sell our proprietary products to any business or other customer for resale.

We and our affiliates may sell products under the Proprietary Marks within and outside your Protected Territory through any method of distribution other than a dedicated HAND AND STONE franchise, including sales through the channels of distribution as the Internet, catalog sales, telemarketing or other direct marketing sales (together, “alternative distribution channels”). You may not use alternative distribution channels to make sales outside or inside your Protected Territory except as described in the following paragraph and you will not receive any compensation for our sales through alternative distribution channels except as described in the following paragraph.

If we engage in electronic commerce through any Internet, World Wide Web or other computer network site or sell through any other alternative distribution channel, and we receive orders for any proprietary products or other products (but not services) offered by a HAND AND STONE franchise calling for delivery in your Protected Territory, then we will offer the order to you at the price we establish. If you choose not to fulfill the order or are unable to do so, then we, one of our affiliates or a third party we designate (including another franchisee) may fulfill the order, and you will not be entitled to any compensation in connection with this.

We have not yet established other franchises or company-owned outlets or another distribution channel selling or leasing similar products or services under a different trademark. We describe earlier in this Item 12 what we may do anywhere and at any time.

Except for the Spas operated by our affiliate, neither we nor any parent or affiliate has established, or presently intends to establish, other franchised or company-owned Stores which sell our proprietary products or services under a different trade name or trademark, but we reserve the right to do so in the future, without first obtaining your consent.

While reserving our right to terminate the Franchise Agreement, if the Franchised Business is not opened and operating within twelve (12) months after the Effective Date, your rights to establish the Franchised Business at the Approved Location, as well as your rights and interests in your Protected Territory, as outlined on Exhibit A of the Franchise Agreement, shall automatically expire and be null and void without any further notice to you. Thereafter, we may establish, own or operate, or grant rights to or license any other person to establish, own or operate, any other HAND AND STONE MASSAGE AND FACIAL SPA anywhere within your Protected Territory. You will then need to come to an agreement with us as to where to locate your Franchised Business.

Except as stated above, there are no minimum sales, market penetration or other contingency that you must meet to maintain your rights to the Protected Territory.

Rights We Retain: Nevertheless, we retain the right, on behalf of ourselves or through affiliates, in our discretion, and without granting any rights to you, to:

- (a) establish, own or operate, by ourselves or through affiliates, and license others to establish, own or operate, HAND AND STONE franchises outside of the Protected Territory;
- (b) establish, own or operate, and license others to establish, own or operate, other businesses under other systems using other trademarks whether located or operating inside or outside of the Protected Territory;
- (c) provide the services and sell any products authorized for HAND AND STONE franchises, whether now existing or developed in the future, using the Marks or other trademarks and commercial symbols through alternate channels of distribution, such as joint marketing with partner companies and Internet and catalog sales; provided, however, that no such services or products shall be sold by us or our Affiliates to any Competitive Business within the Protected Territory. You acknowledge that this Agreement grants you no rights: (i) to distribute such products or services as described in this Section; or (ii) to share in any of the proceeds received by any such party therefrom;
- (d) establish, own or operate, and license others to establish, own or operate, HAND AND STONE franchises in captive locations, including those locations within or outside of the Protected Territory, including college campuses, airports, or train stations;
- (e) engage in any activities not expressly forbidden by the Franchise Agreement; and
- (f) communicate directly with any of your customers for the purpose of monitoring your performance and compliance with the terms of the Franchise Agreement.

ITEM 13 **TRADEMARKS**

We grant our franchisees the right to operate HAND AND STONE franchises under the names “HAND AND STONE MASSAGE SPA” and “HAND AND STONE MASSAGE AND FACIAL SPA” which is the principal Mark used to identify our System of operation. You may also use any other current or future Mark to operate your Franchised Business that we designate in writing, including the logo on the front of this Disclosure Document and the trademarks listed below. By “Marks” we mean the trade names, trademarks, service marks and logos used to identify HAND AND STONE MASSAGE AND FACIAL SPAS.

There are currently no effective material determinations of the PTO, trademark trial and appeal board, the trademark administrator of this state or any court; pending infringement, opposition, or cancellation; or pending material litigation involving the Marks. All applicable Section 8 & 15 Affidavits have been filed with the United States Patent and Trademark Office for the Trademarks and we will continue to do so at the proper time for the balance of the Trademarks.

To our knowledge, there are no infringing or prior superior uses actually known to us that could materially affect the use of the Marks in this state or any other state in which a HAND AND STONE franchise may be located.

There are no agreements currently in effect, which significantly limit our rights to use or license the use of the Marks in any manner material to the franchise.

You will not receive any rights to the Marks other than the nonexclusive right to use them in the operation of your Franchised Business. You may only use the Marks in accordance with our standards, operating procedures and specifications. Any unauthorized use of the Marks by you is a breach of the Franchise Agreement and an infringement of our rights in the Marks. You may not contest the validity or ownership of the Marks, including any Marks that we license to you after you sign the Franchise Agreement. You may not assist any other person in contesting the validity or ownership of the Marks.

You must immediately notify us of any apparent infringement of, or challenge to your use of, any Mark, or any claim by any person of any rights in any Marks, and you may not communicate with any person other than us and our counsel regarding any infringements, challenges or claims unless you are legally required to do so, however, you may communicate with your own counsel at your own expense. We may take whatever action we deem appropriate in these situations; we have exclusive control over any settlement or proceeding concerning any Mark. You must take any actions that, in the opinion of our counsel, may be advisable to protect and maintain our interests in any proceeding or to otherwise protect and maintain our interests in the Marks.

We can require you to modify or discontinue the use of any Mark and to use other trademarks or service marks. We will not be required to reimburse you for modifying or discontinuing the use of a Mark or for substituting another trademark or service mark for a discontinued Mark. We are not obligated to reimburse you for any loss of goodwill associated with a modified or discontinued Mark.

We will reimburse you for all of your expenses reasonably incurred in any legal proceeding disputing your authorized use of any Mark, but only if you notify us of the proceeding in a timely manner and you have complied with our directions with regard to the proceeding. We have the right to control the defense and settlement of any the proceeding. Our reimbursement does not include your expenses for removing signage or discontinuing your use of any Mark. Our reimbursement also does not apply to any disputes where we challenge your use of a Mark. Our reimbursement does not apply to legal fees you incur in seeking separate, independent legal counsel.

You must use the Marks as the sole trade identification of the Franchised Business, but you may not use any Mark or part of any Mark as part of your corporate name in any modified form. You may not use any Mark in connection with the sale of any unauthorized products or services, or in any other manner that we do not authorize in writing. You must obtain a fictitious or assumed name registration if required by your state or local law.

You must notify us if you apply for your own trademark or service mark registrations. You must not register or seek to register as a trademark or service mark, either with the PTO or any state or foreign country, any of the Marks or a trademark or service mark that is confusingly similar to any of our Marks.

You may not establish, create or operate an Internet site, website, or email using any domain name containing the words HAND AND STONE or any variation thereof without our prior written consent. You may not use the Marks as part of any advertisement on the Internet without our permission.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

No patents are material to the franchise. We own copyrights in the Manual, marketing materials and other copyrightable items that are part of the System. While we claim copyrights in these and similar items, we have not registered these copyrights with the United States Registrar of Copyrights and need not do so to protect them. You may use these items only as we specify while operating the Franchised Business and you must stop using them if we direct you to do so.

To our knowledge, there are currently no effective determinations of the U.S. Copyright Office or any court regarding the copyrighted materials. Our right to use or license copyrighted items is not materially limited by any agreement or known infringing use.

We have developed certain Trade Secrets and other Confidential Information, including certain trade secrets, methods of business management, sales and promotion techniques, and know-how, knowledge of, and experience in, operating a HAND AND STONE franchise. We will provide our Trade Secrets and other Confidential Information to you during training, in the Manual and as a result of the assistance we furnish you during the term of the franchise. You may only use the Trade Secrets and other Confidential Information for the purpose of operating your Franchised Business. You may only divulge Trade Secrets and other Confidential Information to employees who must have access to it to operate the Franchised Business. You must enforce the confidentiality provisions as to your employees.

We have the right to require you (and any member of your immediate family or household), any holder of a legal or beneficial interest in you (if you are a legal entity), and any officer, director, executive, or Designated Manager, as well as any other individuals having access to Trade Secrets or other Confidential Information, to sign nondisclosure and non-competition agreements in a form the same as or like the Nondisclosure and Non-Competition Agreement attached to the Franchise Agreement. We will be a third-party beneficiary with the independent right to enforce the agreements.

All ideas, concepts, techniques or materials concerning the Franchised Business, whether or not protectable intellectual property and whether created by or for you or your owners or employees, must be promptly disclosed to us and will be deemed our sole and exclusive property and a part of the System that we may choose to adopt and/or disclose to other franchisees. Likewise, we will disclose to you concepts and developments of other franchisees that we make part of the System. You must also assist us in obtaining intellectual property rights in any concept or development if requested.

ITEM 15 **OBLIGATION TO PARTICIPATE IN THE ACTUAL** **OPERATION OF THE FRANCHISED BUSINESS**

The day-to-day affairs of the Franchised Business must always be under the direct full-time supervision of Franchisee or a Designated Manager. Your Designated Manager must attend and satisfactorily complete our initial training programs before opening the Franchised Business. You must keep us informed of the identity of your current Designated Manager.

As described in ITEM 14, we have the right to require you (and any member of your immediate family or household), any holder of a legal or beneficial interest in you (if you are a legal entity), and any officer, director, executive, or Designated Manager, as well as any other individuals having access to Trade Secrets or other Confidential Information, to sign nondisclosure and non-competition agreements in a form the same as or like the Nondisclosure and Non-Competition Agreement attached to the Franchise Agreement. We will be a third-party beneficiary with the independent right to enforce the agreements.

You will have sole authority and control over the day-to-day operations of the Franchised Business and your employees and/or independent contractors. (Section 13.14). You are solely responsible for all employment decisions and to comply with all state, federal, and local hiring laws and functions of the Franchised Business, including without limitation, those related to hiring, firing, training, wage and hour requirements, compensation, promotion, record-keeping, supervision, and discipline of employees, paid or unpaid, full or part-time. At no time will you or your employees be deemed to be our or our affiliates' employees.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer the massage, facial and spa services, retail products and membership and gift card programs we specify periodically, in strict accordance with our standards and specifications. You may not sell any services or products that we have not authorized, and you must discontinue offering any services, products or programs that we may, in our sole discretion, disapprove in writing at any time.

We may periodically change required or authorized services, products, or programs. There are no limits on our right to do so. If we modify the System, you may have to add or replace equipment, signs, and fixtures, and you may have to make improvements or modifications as necessary to maintain uniformity with our current standards and specifications.

On a case-by-case basis, we may allow you or other HAND AND STONE franchisees to offer certain additional services, products or programs that are not otherwise part of the System. We will decide which franchisees can offer additional services based on test marketing, the franchisee’s qualifications and operational history, differences in regional or local markets and other factors.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This Item presents certain historical data as provided by our franchisees and our subsidiary owned outlets. We have not audited this information, nor independently verified this information. Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request. The information contained in this Item is for the period January 1, 2023 through December 31, 2023 (the "2023 Calendar Year").

As of December 31, 2023, we had 527 franchised outlets open in the United States and 15 subsidiary-owned outlets open in the United States (the "Subsidiary Outlets"). All of the Subsidiary Outlets have been open for more than 24 months and are substantially similar to the franchise opportunity being offered under this Franchise Disclosure Document.

The following Outlets were excluded from the financial performance information presented in this Item 19: the 24 franchised outlets that converted and joined the System in 2023, and the 20 franchised outlets that were not open for a full twelve months as of December 31, 2023. The financial performance information presented in this Item 19 includes performance information for the remaining 483 franchised outlets that were open for at least 12 months as of December 31, 2023 (the "Franchised Outlets") and the Subsidiary Outlets.

Assumptions

1. With the exception of the limited expense information presented in Table #7 for the 14 Subsidiary Outlets, this analysis does not contain information concerning operating costs or expenses, including royalty and advertising or other costs or expenses that must be deducted from gross sales. Operating costs and expenses may vary substantially from outlet to outlet. Franchisees or former franchisees listed in this franchise disclosure document may be one source of this information.

2. We recommend that you consult with an attorney and other business advisors before purchasing a franchise. We suggest strongly that you consult your financial advisor or personal accountant concerning financial projections and federal, state and local income taxes and any other applicable taxes that you may incur in operating a Franchised Business.

3. **Some outlets have earned this amount. Your individual results may differ. There is no assurance that you will earn as much.**

Other than the preceding financial performance representation, Hand and Stone Franchise LLC does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing

outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Jennifer Durham at 1210 Northbrook Drive, Suite 150, Trevoese, PA 19053 (Telephone: 215.259.7540), the Federal Trade Commission, and the appropriate state regulatory agencies.

RSM US LLP

Independent Auditor's Report

Board of Directors
Hand and Stone Franchise LLC

Opinion

We have audited the consolidated financial statements of Hand and Stone Franchise LLC and Subsidiaries (the Company), which comprise the consolidated balance sheets as of December 31, 2023 (Successor) and 2022 (Successor), the related consolidated statements of operations, changes in stockholders' and member's equity and cash flows for the year ended December 31, 2023 (Successor), the period from June 2, 2022 to December 31, 2022 (Successor) and the period from January 1, 2022 to June 1, 2022 (Predecessor), and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 (Successor) and 2022 (Successor), and the results of their operations and their cash flows for the year ended December 31, 2023 (Successor), the period from June 2, 2022 to December 31, 2022 (Successor) and the period from January 1, 2022 to June 1, 2022 (Predecessor), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Hand and Stone Franchise LLC and Subsidiaries

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies

Nature of business: HS Spa Holdings Inc. (Holdings) is the parent company to HS Parent LLC (Parent), which is the parent company to Hand and Stone Franchise LLC (the LLC or Franchisor). Franchisor is engaged in the business of providing franchise opportunities in the facials and massage spa industry throughout the United States of America. The spas offer a variety of hot stone, therapeutic and relaxation massages and facial services to the general public through member and non-member programs. All spas are independently owned and operated under the terms of conventional franchise arrangements (Franchisees). When granting franchises, Franchisor is very selective in the franchisee qualification process. After paying the initial franchise fee, franchisees contribute to Franchisor's revenue stream through the payment of royalties, based upon a percentage of sales. The conventional franchise arrangement typically lasts 10 years for franchisees and 15 years for regional developers, at which time the arrangements are able to be renewed. On October 1, 2014, Hand and Stone Franchise LLC also acquired HS Hamilton Spa, LLC, which owns and operates a franchise location under license from the franchisor. HS Hamilton Spa, LLC provides the same variety of services mentioned above. In October of 2018, Hand and Stone Franchise LLC formed H&S Spa Management LLC, which owns and operates 15 franchise locations under the license from the franchisor.

Basis of presentation and principles of consolidations: The accompanying financial statements present the consolidated financial statements of Franchisor and its wholly owned subsidiaries, HS Card Services, Inc., HS Hamilton Spa, LLC., H&S Spa Management LLC., HS Design, LLC. and HSM Advertising, Inc. (collectively, the Company). HS Card Services, Inc. was formed in July 2013 to market, sell, process and maintain the national gift card program for Corp. HS Card Services, Inc. is a Pennsylvania corporation. HS Hamilton Spa, LLC. was formed in October 2014 to purchase the assets of the Hamilton Hand and Stone Massage and Facial Spa from common ownership. HS Hamilton Spa, LLC. is a Pennsylvania company, as they re-domiciled in 2015 from New Jersey. H&S Spa Management, LLC was formed in 2018 to purchase the assets of various spas. HSM Advertising, Inc. was formed in August 2009 to be the in-house advertising agency for Franchisor and its franchisees. HSM Advertising Inc. is a New Jersey corporation. HS Design, LLC. was formed in September 2017 to provide architectural drawings and other design services, and to be the in-house design company for Franchisor and its franchisees. HS Design, LLC. is a Pennsylvania company. All significant intercompany balances and transactions have been eliminated.

On June 2, 2022, pursuant to an Agreement and Plan of Merger (the agreement), the Company was acquired by HP H&S Purchaser, Inc. Pursuant to the agreement, Hand and Stone Franchise Corp (the Predecessor) converted to Hand and Stone Franchise LLC. See Note 2 for further description of the acquisition. As a result, the consolidated financial statements for the periods prior to and including June 1, 2022, reflect the consolidated financial statements of the Company prior to the acquisition (Predecessor). Subsequent to June 1, 2022, the consolidated financial statements reflect the Company after the acquisition (Successor). The Company's assets and liabilities were adjusted to fair value on June 2, 2022, the closing date of the acquisition. Where applicable, the Predecessor and Successor periods have been separated by a vertical line to highlight the fact that the periods have been presented under the two differences bases of accounting and, therefore, are not necessarily comparable.

A summary of the Company's significant accounting policies follows:

Business combinations: The Company accounts for business combinations under the acquisition method of accounting. Under this method, acquired assets, including separately identifiable intangible assets and any assumed liabilities are recorded at their acquisition date estimated fair value. The excess of purchase price over the fair value amounts assigned to the assets acquired and liabilities assumed is recorded as goodwill.

Hand and Stone Franchise LLC and Subsidiaries

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

These fair value determinations require judgement and involve the use of significant estimates and assumptions, including assumptions with respect to the selection of valuation methodologies, estimates of future cash inflows and outflows, discount rates and a selection of comparable companies. The Company engages valuation specialists for assistance in determining fair value of the assets acquired and liabilities assumed in a business combination. During the measurement period, which may be up to one year from the acquisition date, the Company may record adjustments to the fair value of assets acquired and liabilities assumed, with a corresponding offset to goodwill.

Revenue recognition and deferred revenue: The Company's revenues consist principally of sales of franchises, royalty fees collected from franchisees and the sale of equipment and supplies. Other revenues include support service fees, vendor commissions and marketing and advertising fees.

Initial franchise fees are recognized as the performance obligations are met. Unearned franchise fees are included in deferred revenue in the accompanying consolidated balance sheets. Deferred revenue obtained through acquisition is recorded at historical carrying value in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2018-02. In accordance with the Company's Franchise Disclosure Document (FDD), the Franchisor will provide certain support services to the franchisees. Prior to the spa opening, the Franchisor will designate a protected territory for the franchisee, and approve the site and lease of the spa. The Franchisor will also provide the franchisee with standard plans and specifications of required supplies, equipment and improvements, which the franchisee is responsible for purchasing. The Company will also provide initial training, equipment set up and on-site assistance, in conjunction with the regional developers, if applicable, for five business days in conjunction with, and prior to, the beginning of operations.

A portion of the services provided in exchange for these initial franchise fees are highly interrelated with the franchise right, and are not individually distinct from the ongoing services the Company provides to its franchisees. As a result, a portion of the initial franchise fees are recognized on a straight-line basis over the term of the franchise agreement (10 years), which is consistent with the franchisee's right to use and benefit from the intellectual property. For any portion of the initial franchise fees that are considered to be individually distinct from the ongoing services provided to the franchisee, the Company would recognize those initial franchise fees as each individual performance obligation is satisfied.

Income from the sale of regional development agreements is recognized on a straight-line basis over the term of the agreement, since the Company's obligation remains the same during the entire term.

Royalties from franchisees are recognized in the period that the associated revenues of the franchisees are earned. In the case of terminated agreements, deferred regional development and initial franchise fee revenue is recognized immediately upon the termination of their respective agreements, as future services are no longer required by the Company. In addition, each franchisee is required to pay a monthly fee for computer software maintenance, support and cyber insurance, which is included in franchisee IT support fees.

The Company recognizes revenue from sales of equipment to franchisees upon opening of the spa, which is when the Company has performed substantially all opening services required by the franchise agreement. The Company's policy is to present sales revenues, net of sales taxes collected from its customers. Support service fees are recognized as services are provided. Vendor commissions are recognized as earned.

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Marketing fees are for future advertising, marketing and promotional programs. The Company's franchise network contribute part of its gross revenues as defined in the franchise agreement to the Company to promote the products and services offered by the franchise network. The gross revenues and expense associated with these payments are recognized in the consolidated statements of operations when billed.

National advertising fees are based on a percentage of franchisee gross monetary sales, as defined in the franchise agreement, and are used for marketing and advertising provided to franchisees. The Company is obligated to spend these advertising fees on advertising related costs on behalf of the franchisees. The receipts and expenditures associated with these payments are recognized in the consolidated balance sheets, having no effect on income from operations.

HS Hamilton Spa, LLC. and H&S Spa Management, LLC. (collectively, referred to as Spa), principally performs spa services through introductory offers, membership sales, gift card sales, product offerings and upgrades. Spa recognizes revenue for introductory offers, product sales and upgrades, when the service or transaction is complete. Spa recognizes revenue as the performance obligation is satisfied for both memberships and gift card sales. Unused membership and unredeemed gift cards are accounted for as deferred revenue, spa. Spa recognizes revenue from unredeemed membership packages 90 days after the cancellation of membership. Spa recognizes revenue from unredeemed gift card sales based on the age of the liability and the expected utilization. Spa recognized revenue from unredeemed gift cards and membership packages of \$3,384,460, \$1,488,818 and \$888,885 for the year ended December 31, 2023 (Successor), the period from June 2, 2022 to December 31, 2022 (Successor) and the period from January 1, 2022 to June 1, 2022 (Predecessor), respectively.

HS Design, LLC. (Design) principally performs architectural services through drawings and review of third-party drawings. Design recognizes revenue for drawings and reviews when the service is complete.

Deferred opening expenses of \$547,952 and \$383,921 at December 31, 2023 (Successor) and 2022 (Successor), respectively, represent commissions and other costs paid to individuals who performed certain services related to franchisees who have entered into franchise agreements, but not yet opened. These costs are deferred until such time as franchise revenue associated with these opening expenses is recognized.

Revenue from royalties, franchisee spa sales, equipment sales, marketing fees, gift certificate revenue, franchisee IT support fees, HS Design and other revenues are recognized at a point in time, whereas revenue from initial license fees and regional developer fees is recognized over time. Total revenue recognized at a point in time and over time was as follows for the year ended December 31, 2023 (Successor), the period from June 2, 2022 to December 31, 2022 (Successor) and for the period from January 1, 2022 to June 1, 2022 (Predecessor):

	December 31, 2023 (Successor)	December 31, 2022 (Successor)	June 1, 2022 (Predecessor)

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Use of estimates: The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Accounts receivable: Management reviews all accounts receivable and royalty receivable balances that exceed 90 days from the due date, and based on an assessment of current credit worthiness, estimates the portion, if any, of the balance that will not be collected. The Company believes that the receivables are fully collectible and, therefore, has not established a reserve for doubtful accounts. The Company does not require collateral from its customers, and the receivables are stated at amounts billed and are currently non-interest bearing.

Allowance for credit losses and doubtful accounts: The Company adopted Accounting Standards Update (ASC) 326, Financial Instruments—Credit Losses, as of January 1, 2023, with the cumulative-effect transition method with the required prospective approach. The measurement of expected credit losses under the current expected credit loss (CECL) methodology is applicable to financial assets measured at amortized cost, which includes trade receivables. An allowance for credit losses under the CECL methodology is determined using the loss-rate approach, and measured on a collective (pool) basis, when similar risk characteristics exist. Where financial instruments do not share risk characteristics, they are evaluated on an individual basis. The CECL allowance is based on relevant available information, from internal and external sources, relating to past events, current conditions and reasonable and supportable forecasts. The allowance for credit losses as of December 31, 2023, and change in the allowance for credit losses during the year ended December 31, 2023, was not material to the consolidated financial statements.

Prior to adoption of ASC 326, the Company maintained an allowance for doubtful accounts to reserve for potentially uncollectible receivables. The allowance for doubtful accounts as of December 31, 2022, was not material to the consolidated financial statements.

Inventory: Inventory, consisting of printed materials for resale to franchisees and spa products available for consumers, are stated at the lower of cost (first in, first out basis) and net realizable value.

Property and equipment: Property and equipment is stated at cost, less accumulated depreciation and amortization. Depreciation and amortization are provided on a straight-line method over the estimated useful lives of the assets as follows:

	<u>Estimated Useful Life</u>
Leasehold improvements	Shorter of lease term or useful life
Office equipment	5-10 years
Furniture and fixtures	5-10 years
ERP system development costs	5 years
Business intelligence platform	5 years
Website development costs	2-5 years

Hand and Stone Franchise LLC and Subsidiaries

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Franchise arrangements: Individual franchise arrangements generally include a license and provide for payment of initial fees, as well as continuing royalties of 5% to the Company, based on sales. Effective April 2016, all new franchise agreements and renewals executed subsequent to this date have royalties of 6% from the 53rd week of their operations and after. Hand and Stone franchisees are granted the right to operate a spa for a period of 10 years. As of December 31, 2023 (Successor) and 2022 (Successor), there were 542 and 501 franchise outlets including corporate owned franchisees in operation, respectively.

Regional development agreements: The regional developers have the opportunity to own and operate one or more franchises. Regional developers can also offer franchises to others within their territory.

Regional developers are responsible for servicing and training franchisees in their area on an ongoing basis. The Regional Developers currently receive 50% of the net initial franchise fee (after deduction for third party costs) and 40% to 50% of royalties from the franchises established in their territory, which are reflected in commission expense.

Commissions: Under the terms of various broker agreements with third parties, the Company agrees to pay for referral of a candidate who purchases an individual franchise. Commissions are deferred until the related revenue is recognized under the terms of the respective agreements.

Advertising: Advertising costs are expensed as incurred. Corporate advertising expense for the year ended December 31, 2023 (Successor), the period from June 2, 2022 to December 31, 2022 (Successor) and the period from January 1, 2022 to June 1, 2022 (Predecessor), was \$1,572,820, \$733,061 and \$497,871, respectively.

Incentive compensation plan: The Company accounts for unit compensation in accordance with FASB ASC 718, Share-Based Compensation, which requires that compensation cost relating to share based payment transactions be recognized as an expense in the financial statements on a straight-line basis over the vesting period, and cost measured based on the estimated fair value of the equity or liability instrument at the date granted. The policy also requires that forfeitures be estimated and recorded over the vesting period of the instrument. See Note 6.

Reacquired territory rights: Reacquired territory rights arising from the repurchase of regional development agreements are recorded at the lower of cost or market and are amortized over the unexpired term using the straight-line method. The amortization expense for the year ended December 31, 2023 (Successor), the period from June 2, 2022 to December 31, 2022 (Successor) and the period from January 1, 2022 to June 1, 2022 (Predecessor), was \$336,496, \$0 and \$3,812,195, respectively.

Gift card liability: Gift cards are sold through the national gift card website by HS Card Services, Inc. The gift card liability at December 31, 2023 (Successor) and 2022 (Successor), represents gift cards that have been sold prior to the consolidated balance sheet date that have not yet been redeemed. All Company gift cards issued in the U.S. by HS Card Services, Inc. are valid for services at any franchisee location in the U.S. Once gift cards are redeemed at local franchisees, the Company reimburses the local franchisee. The Company recognizes a gift card service fee at time of sale. The Company establishes a reserve for the estimated amount of gift cards that may not be redeemed, and records the change in the reserve as gift card revenue. The gift card liability as of December 31, 2023 (Successor) and 2022 (Successor), was \$4,284,827 and \$4,853,094, respectively. The Company recognized gift card breakage revenue of \$1,905,458, \$1,228,420 and \$925,000 for the year ended December 31, 2023 (Successor), the period from June 2, 2022 to December 31, 2022 (Successor) and January 1, 2022 to June 1, 2022 (Predecessor), respectively.

Hand and Stone Franchise LLC and Subsidiaries

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Income taxes: The Company accounts for income taxes in accordance with FASB ASC 740, Income Taxes, which requires an asset and liability approach for the financial accounting and reporting of income taxes. Under this method, deferred income tax assets are recognized for deductible temporary differences, and deferred income tax liabilities are recognized for taxable temporary differences. These balances are measured using the enacted tax rates expected to apply in the year(s) in which these temporary differences are expected to reverse. The effect on deferred income taxes of a change in tax rates is recognized in income in the period when the change is enacted.

Based on consideration of all available evidence regarding their utilization, net deferred tax assets, are recorded to the extent that it is more likely than not that they will be realized. Where, based on the weight of all available evidence, it is more likely than not that some amount of a deferred tax asset will not be realized, a valuation allowance is established for that amount that, in management's judgment, is sufficient to reduce the deferred tax asset to an amount that is more likely than not to be realized.

The Company recognizes tax benefits of uncertain tax positions only when the position is more likely than not to be sustained, based solely on its technical merits and consideration of relevant taxing authorities widely understood administrative practices and precedents. The Company has analyzed its tax position and has concluded that no liability for unrecognized tax benefits should be recorded related to uncertain tax positions taken on returns filed for open tax years or expected to be taken on current tax returns. The Company is not aware of any tax positions for which it is reasonably possible that the total of amounts of unrecognized tax benefits will change in the next 12 months. The Company is no longer subject to U.S federal and state tax exemptions for the years prior to 2020. There are no current U.S. federal or state income tax examinations.

Defined contribution plan: The Company sponsors a qualified defined contribution salary reduction 401(k) plan covering all eligible employees of the Company. The maximum contribution payable under the plan is equal to a defined percentage of the eligible employee's salary subject to Internal Revenue Service (IRS) limits. The Company contributed \$306,353, \$136,949 and \$99,853 for the year ended December 31, 2023, the period from June 2, 2022 to December 31, 2022 (Successor) and the period from January 1, 2022 to June 1, 2022 (Predecessor), respectively.

Leases: In accordance with ASC 842, the Company determines if a contract is a lease or contains a lease at the date of inception. If a lease is determined to exist, the term of such lease is assessed based on the date on which the underlying asset is made available for the Company's use by the lessor. The Company's assessment of the lease term reflects the non-cancelable term of the lease, inclusive of any rent-free periods and any periods covered by early termination options which the Company is reasonably certain of not exercising, as well as periods covered by renewal options which the Company is reasonably certain to exercise. The Company also determines lease classification as of the lease commencement date, which governs the pattern of expense recognition and the presentation reflected in the consolidated statements of operations over the lease term.

The Company made an accounting policy election not to recognize right-of-use (ROU) assets and lease liabilities for leases with a term of 12 months or less. For leases with a term exceeding 12 months, a lease liability is recognized on the Company's consolidated balance sheet at lease commencement date (or January 1, 2022, for existing leases upon the adoption of SAC 842) reflecting the present value of its fixed payment obligations over the lease term. A corresponding ROU asset equal to the initial lease liability is also recognized, adjusted for any prepaid rent and/or initial direct costs incurred in connection with execution of the lease and reduced by any lease incentives received. To determine the present value of lease payments, the Company made an accounting policy election available to non-public companies to utilize a risk-free borrowing rate, which is aligned with the lease term at the lease commencement date (or remaining term for leases existing upon the adoption of ASC 842).

Hand and Stone Franchise LLC and Subsidiaries

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

For the Company's operating leases, fixed lease payments made over the lease term are recorded as lease expense on a straight-line basis. For leases with a term of 12 months or less, any fixed lease payments are recognized on a straight-line basis over the lease term and are not recognized on the Company's consolidated balance sheets as an accounting policy election. Variable lease payments are expenses as incurred.

Lease payments may include fixed rent escalation clauses or payments that depend on an index (such as the consumer price index). Subsequent changes to an index and any other periodic market-rate adjustment to base rent are recorded in variable lease expense in the period incurred.

The Company elected the practical expedient that permits lessees to account for each separate lease component of a contract and its associated non-lease components as single lease component for all asset classes. The non-lease components typically represent additional services transferred to the Company, such as common area maintenance, or real estate taxes, which are variable in nature and recorded in variable lease expense in the period incurred.

Goodwill: The Company accounts for goodwill in accordance with FASB ASU 2014-18. Under this guidance, the Company will not separately identify certain other identifiable intangible assets, such as customer lists and covenants not to compete, from goodwill. The Company is also electing to amortize goodwill over a 10-year life.

Concentration of credit risk: Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash. The Company maintains cash deposits in financial institutions in excess of federally insured limits. Management believes the risk is mitigated by maintaining all deposits in high quality financial institutions.

Intangible assets: The Company evaluates the useful lives of intangible assets. Reaching a determination on useful life requires significant judgments and assumptions. For the predecessor period, intangible assets include trade names, franchise relationships and program material, which are amortized on a straight-line basis over its useful lives, ranging from four to 15 years, except for the trade names, which were determined to have indefinite lives. For the successor period, intangible assets include franchise agreements which are amortized on a straight-line basis over its useful life of 12 years.

Impairment of long-lived assets: The Company reviews long-lived assets, including property and equipment and definite lived intangibles, for impairment whenever events or changes in business circumstances indicate that the carrying amount of the assets may not be recoverable. Recoverability of assets to be held and used is measured by comparison of the carrying amount of the asset to future undiscounted cash flows expected to be generated by the asset. If the asset is determined to be impaired, the impairment recognized is measured by the amount by which the carrying value of the asset exceeds its fair value.

Note 2. Acquisition of Businesses

As a result of the transaction discussed in Note 1, HP H&S Purchaser, Inc. obtained control of the Company on June 2, 2022. In accordance with ASC 805, all identifiable assets and assumed liabilities of the Company were measured at and adjusted to their estimated fair values as of June 2, 2022, and goodwill was recognized based on the difference between the purchase price and the estimated fair value of the identifiable net assets acquired, including the acquired intangible assets.

The purchase price related to Franchisor was \$833.3 million, inclusive of \$558.2 million of cash paid directly to sellers, rollover equity of \$13.5 million and \$98.0 million of transaction expenses, net of cash acquired of \$4.6 million.

The following table summarizes the estimated fair value of identifiable assets acquired and liabilities assumed in the Transaction and the resulting goodwill as of the acquisition date:

Accounts receivable, net	\$ 5,650,198

Goodwill	<u>603,498,588</u>
	<u><u>\$ 828,615,540</u></u>

Identifiable intangible assets represent the value of the franchise agreement acquired and were valued using a discounted cash flow method, which is an income method. The weighted average cost of capital utilized in this valuation was 11.5%, the risk free rate was 3.3% and the market risk premium was 6.0% as of the valuation date

Goodwill reflects the synergistic nature of the Company's identifiable assets that, when employed in combination, generate a value in excess of their individual values. Additionally, a portion of goodwill reflects the value of the Company's assembled workforce. The goodwill is not deductible for tax purposes.

Expenses associated with the transaction were \$98.0 million, and were comprised of \$85.2 million of contingent deal-related expenses included as consideration and \$12.8 million of acquisition related costs which were classified as transaction expenses for the period from January 1, 2022 to June 1, 2022 (Predecessor).

Pursuant to an asset purchase agreement (APA) dated May 2, 2023, the Company acquired all of the assets and assumed liabilities of a franchised spa located in Florida, for a total consideration of \$5,839,353.

The acquisitions of the Company were accounted for as business combinations using the acquisition method. Under the acquisition method of accounting, the assets acquired and liabilities assumed in the transaction were recorded at the date of acquisition at their respective fair values. The determination of fair value reflects the Company's estimates and assumptions. The Company recognized the excess of purchase price over the fair value of the net assets as goodwill. The goodwill arising from the acquisitions is attributed to the cumulative processes, procedures and knowledge of the workforce in place. A majority of the goodwill is deductible from income tax purposes. The estimated life of the acquired goodwill is 10 years and will be amortized on a straight-line basis.

In connection with the acquisitions, the Company incurred transactions costs of \$514,187 for the year ended December 31 2023 (Successor), \$184,271 for the period from June 2, 2022 to December 31, 2022 (Successor) and \$717,032 for the year ended December 31, 2021 (Predecessor), which is included in transaction expenses in the consolidated statements of operations.

In addition, such annual limitation amount may be increased by the recognized built-in gains during the five-year post-change Recognition Period. Some leases include one or more options to renew, generally at the Company's sole discretion, with renewal terms that can extend the lease term, which vary by location. Independent Auditor's Report

RSM US LLP

Board of Directors
Hand and Stone Franchise LLC

Opinion

We have audited the consolidated financial statements of Hand and Stone Franchise LLC and its subsidiaries (the Company), which comprise the consolidated balance sheets as of December 31, 2022 (Successor) and 2021 (Predecessor), the related consolidated statements of operations, changes in stockholders' and member's equity and cash flows for the period from June 2, 2022 to December 31, 2022 (Successor), the period from January 1, 2022 to June 1, 2022 (Predecessor) and the year ended December 31, 2021 (Predecessor), and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022 (Successor) and 2021 (Predecessor), and the results of their operations and their cash flows for the period from June 2, 2022 to December 31, 2022 (Successor), the period from January 1, 2022 to June 1, 2022 (Predecessor) and the year ended December 31, 2021 (Predecessor), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the Company was acquired through an Agreement and Plan of Merger on June 2, 2022, which has resulted in a change in control. Our opinion is not modified with respect to this matter.

Emphasis of Matter—Change in Accounting Policy

As discussed in Note 8 to the consolidated financial statements, in 2022, the Company adopted new accounting guidance for its leases under Financial Accounting Standards Board's Accounting Standards Codification Topic 842, Leases. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Hand and Stone Franchise Corp. and Subsidiaries

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies

Nature of business: HS Spa Holdings Inc. (Holdings) is the parent company to HS Parent LLC (Parent), which is the parent company to Hand and Stone Franchise LLC (the LLC or Franchisor). Franchisor is engaged in the business of providing franchise opportunities in the facials and massage spa industry throughout the United States of America. The spas offer a variety of hot stone, therapeutic and relaxation massages and facial services to the general public through member and non-member programs. All spas are independently owned and operated under the terms of conventional franchise arrangements (Franchisees). When granting franchises, Franchisor is very selective in the franchisee qualification process. After paying the initial franchise fee, franchisees contribute to Franchisor's revenue stream through the payment of royalties based upon a percentage of sales. The conventional franchise arrangement typically lasts 10 years for franchisees and 15 years for regional developers, at which time the arrangements are able to be renewed. On October 1, 2014, Hand and Stone Franchise LLC also acquired HS Hamilton Spa, LLC which owns and operates a franchise location under license from the franchisor. HS Hamilton Spa, LLC provides the same variety of services mentioned above. In October of 2018, Hand and Stone Franchise LLC formed H&S Spa Management LLC. which owns and operates 13 franchise locations under the license from the franchisor.

Basis of presentation and principles of consolidations: The accompanying financial statements present the consolidated financial statements of Franchisor and its wholly owned subsidiaries HS Card Services, Inc., HS Hamilton Spa, LLC., H&S Spa Management LLC., HS Design, LLC. and HSM Advertising, Inc. (collectively, the Company). HS Card Services, Inc. was formed in July 2013 to market, sell, process and maintain the national gift card program for Corp. HS Card Services, Inc. is a Pennsylvania corporation. HS Hamilton Spa, LLC., was formed in October 2014 to purchase the assets of the Hamilton Hand and Stone Massage and Facial Spa from common ownership. HS Hamilton Spa, LLC. is a Pennsylvania company as they re-domiciled in 2015 from New Jersey. H&S Spa Management, LLC, was formed in 2018 to purchase the assets of various spas. HSM Advertising, Inc. was formed in August 2009 to be the in-house advertising agency for Franchisor and its franchisees. HSM Advertising Inc. is a New Jersey corporation. HS Design, LLC. was formed in September 2017 to provide architectural drawings and other design services and to be the in-house design company for Franchisor and its franchisees. HS Design, LLC. is a Pennsylvania company. All significant intercompany balances and transactions have been eliminated.

On June 2, 2022 pursuant to an Agreement and Plan of Merger (the agreement), the Company was acquired by HP H&S Purchaser, Inc. Pursuant to the agreement, Hand and Stone Franchise Corp (the Predecessor) converted to Hand and Stone Franchise LLC. See Note 2 for further description of the acquisition. As a result, the consolidated financial statements for the periods prior to, and including June 1, 2022 reflect the financial statements of the Company prior to the acquisition (Predecessor). Subsequent to June 1, 2022, the consolidated financial statements reflect the Company after the acquisition (Successor). The Company's assets and liabilities were adjusted to fair value on June 2, 2022, the closing date of the acquisition. Where applicable, the Predecessor and Successor periods have been separated by a vertical line to highlight the fact that the periods have been presented under the two differences bases of accounting, and therefore are not necessarily comparable.

A summary of the Company's significant accounting policies follows:

Business combinations: The Company accounts for business combinations under the acquisition method of accounting. Under this method, acquired assets, including separately identifiable intangible assets, and any assumed liabilities are recorded at their acquisition date estimated fair value. The excess of purchase price over the fair value amounts assigned to the assets acquired and liabilities assumed is recorded as goodwill.

Hand and Stone Franchise Corp. and Subsidiaries

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

These fair value determinations require judgement and involve the use of significant estimates and assumptions, including assumptions with respect to the selection of valuation methodologies, estimates of future cash inflows and outflows, discount rates, and a selection of comparable companies. The Company engages valuation specialists for assistance in determining fair value of the assets acquired and liabilities assumed in a business combination. During the measurement period, which may be up to one year from the acquisition date, the Company may record adjustments to the fair value of assets acquired and liabilities assumed, with a corresponding offset to goodwill.

Revenue recognition and deferred revenue: The Company's revenues consist principally of sales of franchises, royalty fees collected from franchisees and the sale of equipment and supplies. Other revenues include support service fees, vendor commissions and marketing and advertising fees.

Initial franchise fees are recognized as the performance obligations are met. Unearned franchise fees are included in deferred revenue in the accompanying consolidated balance sheets. Deferred revenue obtained through acquisition is recorded at historical carrying value in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2018-02. In accordance with the Company's Franchise Disclosure Document (FDD), the Franchisor will provide certain support services to the franchisees. Prior to the spa opening, the Franchisor will designate a protected territory for the franchisee and approve the site and lease of the spa. The Franchisor will also provide the franchisee with standard plans and specifications of required supplies, equipment and improvements, which the franchisee is responsible for purchasing. The Company will also provide initial training, equipment set up and on-site assistance in conjunction with the regional developers, if applicable, for five business days in conjunction with, and prior to, the beginning of operations.

A portion of the services provided in exchange for these initial franchise fees are highly interrelated with the franchise right and are not individually distinct from the ongoing services the Company provides to its franchisees. As a result, a portion of the initial franchise fees are recognized on a straight-line basis over the term of the franchise agreement (10 years), which is consistent with the franchisee's right to use and benefit from the intellectual property. For any portion of the initial franchise fees that are considered to be individually distinct from the ongoing services provided to the franchisee, the Company would recognize those initial franchise fees as each individual performance obligation is satisfied.

Income from the sale of regional development agreements is recognized on a straight-line basis over the term of the agreement since the Company's obligation remains the same during the entire term.

Royalties from franchisees are recognized in the period that the associated revenues of the franchisees are earned. In the case of terminated agreements, deferred regional development and initial franchise fee revenue is recognized immediately upon the termination of their respective agreements as future services are no longer required by the Company. In addition, each franchisee is required to pay a monthly fee per month for computer software maintenance, support and cyber insurance, which is included in franchisee IT support fees.

The Company recognizes revenue from sales of equipment to franchisees upon opening of the spa, which is when the Company has performed substantially all opening services required by the franchise agreement. The Company's policy is to present sales revenues net of sales taxes collected from its customers. Support service fees are recognized as services are provided. Vendor commissions are recognized as earned.

Hand and Stone Franchise Corp. and Subsidiaries

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Marketing fees are for future advertising, marketing and promotional programs. The Company's franchise network contribute part of its gross revenues as defined in the franchise agreement to the Company to promote the products and services offered by the franchise network. The gross revenues and expense associated with these payments are recognized in the consolidated statements of operations.

National advertising fees are based on a percentage of franchisee gross monetary sales, as defined in the franchise agreement, and are used for marketing and advertising provided to franchisees. The Company is obligated to spend these advertising fees on advertising related costs on behalf of the franchisees. The receipts and expenditures associated with these payments are recognized in the consolidated balance sheets having no effect on income from operations.

HS Hamilton Spa, LLC. and H&S Spa Management, LLC. (collectively referred to as Spa), principally performs spa services through introductory offers, membership sales, gift card sales, product offerings and upgrades. Spa recognizes revenue for introductory offers, product sales and upgrades when the service or transaction is complete. Spa recognizes revenue as the performance obligation is satisfied for both memberships and gift card sales. Unused membership and unredeemed gift cards are accounted for as deferred revenue, spa. Spa recognizes revenue from unredeemed membership packages 90 days after the cancellation of membership. Spa recognizes revenue from unredeemed gift card sales based on the age of the liability and the expected utilization. Spa recognized revenue from unredeemed gift cards of \$1,488,818, \$888,885 and \$836,751 for the period from June 2, 2022 to December 31, 2022 (Successor), the period from January 1, 2022 to June 1, 2022 (Predecessor) and the year ended December 31, 2021 (Predecessor), respectively.

HS Design, LLC. (Design) principally performs architectural services through drawings and review of third-party drawings. Design recognizes revenue for drawings and reviews when the service is complete.

Deferred opening expenses of \$383,921 and \$2,818,661 at December 31, 2022 (Successor) and December 31, 2021 (Predecessor), represent commissions and other costs paid to individuals who performed certain services related to franchisees who have entered into franchise agreements, but not yet opened. These costs are deferred until such time as franchise revenue associated with these opening expenses is recognized.

Revenue from royalties, franchisee spa sales, equipment sales, marketing fees, gift certificate revenue, franchisee IT support fees, HS Design and other revenues are recognized at a point in time, whereas revenue from a portion of initial license fees and regional developer fees is recognized over time. Total revenue recognized at a point in time and over time was as follows for the period from June 2, 2022 to December 31, 2022 (Successor), for the period from January 1, 2022 to June 1, 2022 (Predecessor) and the year ended December 31, 2021 (Predecessor):

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Use of estimates: The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Accounts receivable: Management reviews all accounts receivable and royalty receivable balances that exceed 90 days from the due date and based on an assessment of current credit worthiness, estimates the portion, if any, of the balance that will not be collected. The Company believes that the receivables are fully collectible and, therefore, has not established a reserve for doubtful accounts. The Company does not require collateral from its customers, and the receivables are stated at amounts billed and are currently non-interest bearing.

Inventory: Inventory, consisting of printed materials for resale to franchisees and spa products available for consumers, are stated at the lower of cost (first in, first out basis) and net realizable value.

Notes receivable: Notes receivable consists of advances to management on future bonuses and an advance to a related party which were repaid in the period from January 1, 2022 to June 1, 2022 (Predecessor).

Property and equipment: Property and equipment is stated at cost, less accumulated depreciation and amortization. Depreciation and amortization are provided on a straight-line method over the estimated useful lives of the assets as follows:

	Estimated Useful Life
Leasehold improvements	Shorter of lease term or useful life
Office equipment	5-10 years
Furniture and fixtures	5-10 years
ERP system development costs	5 years
Business intelligence platform	5 years
Website development costs	2-5 years

Franchise arrangements: Individual franchise arrangements generally include a license and provide for payment of initial fees, as well as continuing royalties of 5% to the Company based on sales. Effective April 2016, all new franchise agreements and renewals executed subsequent to this date have royalties of 6% from the 53rd week of their operations and after. Hand and Stone franchisees are granted the right to operate a spa for a period of 10 years. As of December 31, 2022 (Successor) and December 31, 2021 (Predecessor), there were 515 and 473 franchise outlets including corporate owned franchisees in operation, respectively.

Regional development agreements: The regional developers have the opportunity to own and operate one or more franchises. Regional developers can also offer franchises to others within their territory.

Regional developers are responsible for servicing and training franchisees in their area on an ongoing basis. The Regional Developers currently receive 50% of the net initial franchise fee (after deduction for third party costs) and 40% to 50% of royalties from the franchises established in their territory, which are reflected in commission expense.

Hand and Stone Franchise Corp. and Subsidiaries

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Commissions: Under the terms of various broker agreements with third parties, the Company agrees to pay for referral of a candidate who purchases an individual franchise. Commissions are deferred until the related revenue is recognized under the terms of the respective agreements.

Advertising: Advertising costs are expensed as incurred. Advertising expense for the period from June 2, 2022 to December 31, 2022 (Successor), the period from January 1, 2022 to June 1, 2022 (Predecessor) and the year ended December 31, 2021 (Predecessor), was \$733,061, \$497,871 and \$643,782, respectively.

Stock option plan: The Company accounts for stock options in accordance with FASB Accounting Standards Codification (ASC) 718, Share-Based Compensation, which requires that compensation cost relating to share based payment transactions be recognized as an expense in the financial statements on a straight-line basis over the vesting period and cost measured based on the estimated fair value of the equity or liability instrument at the date granted. The policy also requires that forfeitures be estimated and recorded over the vesting period of the instrument. See Note 6.

Reacquired territory rights: Reacquired territory rights arising from the repurchase of regional development agreements are recorded at the lower of cost or market and are amortized over the unexpired term using the straight-line method. The amortization expense for the period from June 2, 2022 to December 31, 2022 (Successor), the period from January 1, 2022 to June 1, 2022 (Predecessor) and the year ended December 31, 2021, was \$0, \$3,812,195 and \$3,227,381, respectively.

Gift card liability: Gift cards are sold through the national gift card website by HS Card Services, Inc. The gift card liability at December 31, 2022 (Successor) and December 31, 2021 (Predecessor), represents gift cards that have been sold prior to the balance sheet date that have not yet been redeemed. All Company gift cards issued in the U.S. by HS Card Services, Inc. are valid for services at any franchisee location in the U.S. Once gift cards are redeemed at local franchisees, the Company reimburses the local franchisee. The Company recognizes a gift card service fee at time of sale. The Company establishes a reserve for the estimated amount of gift cards that may not be redeemed and records the change in the reserve as gift card revenue. The gift card liability as of December 31, 2022 (Successor) and December 31, 2021 (Predecessor), was \$4,853,094 and \$5,909,404, respectively. The Company recognized gift card breakage revenue of \$1,228,420, \$925,000 and \$3,889,781 for the period from June 2, 2022 to December 31, 2022 (Successor), January 1, 2022 to June 1, 2022 (Predecessor) and the year ended December 31, 2021 (Predecessor).

Income taxes: The Company accounts for income taxes in accordance with FASB ASC 740, Income Taxes, which requires an asset and liability approach for the financial accounting and reporting of income taxes. Under this method, deferred income tax assets are recognized for deductible temporary differences and deferred income tax liabilities are recognized for taxable temporary differences. These balances are measured using the enacted tax rates expected to apply in the year(s) in which these temporary differences are expected to reverse. The effect on deferred income taxes of a change in tax rates is recognized in income in the period when the change is enacted.

Based on consideration of all available evidence regarding their utilization, net deferred tax assets are recorded to the extent that it is more likely than not that they will be realized. Where, based on the weight of all available evidence, it is more likely than not that some amount of a deferred tax asset will not be realized, a valuation allowance is established for that amount that, in management's judgment, is sufficient to reduce the deferred tax asset to an amount that is more likely than not to be realized.

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

The Company recognizes tax benefits of uncertain tax positions only when the position is more likely than not to be sustained based solely on its technical merits and consideration of relevant taxing authorities widely understood administrative practices and precedents. The Company has analyzed its tax position and has concluded that no liability for unrecognized tax benefits should be recorded related to uncertain tax positions taken on returns filed for open tax years or expected to be taken on current tax returns. The Company is not aware of any tax positions for which it is reasonably possible that the total of amounts of unrecognized tax benefits will change in the next twelve months. The Company is no longer subject to U.S federal and state tax exemptions for the year prior to 2019. There are no current U.S. federal or state income tax examinations.

Defined contribution plan: The Company sponsors a qualified defined contribution salary reduction 401(k) plan covering all eligible employees of the Company. The maximum contribution payable under the plan is equal to a defined percentage of the eligible employee's salary subject to IRS limits. The Company contributed \$136,949, \$99,853 and \$205,670 for the period from June 2, 2022 to December 31, 2022 (Successor), the period from January 1, 2022 to June 1, 2022 (Predecessor) and the year ended December 31, 2021 (Predecessor), respectively.

Leases: In accordance with ASC 842 the Company determines if a contract is a lease or contains a lease at the date of inception. If a lease is determined to exist, the term of such lease is assessed based on the date on which the underlying asset is made available for the Company's use by the lessor. The Company's assessment of the lease term reflects the non-cancelable term of the lease, inclusive of any rent-free periods and any periods covered by early termination options which the Company is reasonably certain of not exercising, as well as periods covered by renewal options which the Company is reasonably certain to exercise. The Company also determines lease classification as of the lease commencement date, which governs the pattern of expense recognition and the presentation reflected in the consolidated statements of income (loss) over the lease term.

The Company made an accounting policy election not to recognize right of use assets and lease liabilities for leases with a term of twelve months or less. For leases with a term exceeding twelve months, a lease liability is recognized on the Company's consolidated balance sheet at lease commencement date (or January 1, 2022, for existing leases upon the adoption of SAC 842) reflecting the present value of its fixed payment obligations over the lease term. A corresponding right-of-use (ROU) asset equal to the initial lease liability is also recognized, adjusted for any prepaid rent and/or initial direct costs incurred in connection with execution of the lease and reduced by any lease incentives received. To determine the present value of lease payments, the Company made an accounting policy election available to non-public companies to utilize a risk-free borrowing rate, which is aligned with the lease term at the lease commencement date (or remaining term for leases existing upon the adoption of ASC 842).

For the Company's operating leases, fixed lease payments made over the lease term are recorded as lease expense on a straight-line basis. For leases with a term of twelve months or less, any fixed lease payments are recognized on a straight-line basis over the lease term and are not recognized on the Company's consolidated balance sheets as an accounting policy election. Variable lease payments are expenses as incurred.

Lease payments may include fixed rent escalation clauses or payments that depend on an index (such as the consumer price index). Subsequent changes to an index and any other periodic market-rate adjustment to base rent are recorded in variable lease expense in the period incurred.

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

The Company elected the practical expedient that permits lessees to account for each separate lease component of a contract and its associated non-lease components as single lease component for all asset classes. The non-lease components typically represent additional services transferred to the Company, such as common area maintenance, or real estate taxes, which are variable in nature and recorded in variable lease expense in the period incurred.

Goodwill: The Company accounts for goodwill in accordance with ASU 2014-18. Under this guidance, the Company will not separately identify certain other identifiable intangible assets, such as customer lists and covenants not to compete, from goodwill. The Company is also electing to amortize goodwill over a 10-year life.

Concentration of credit risk: Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash. The Company maintains cash deposits in financial institutions in excess of federally insured limits. Management believes the risk is mitigated by maintaining all deposits in high quality financial institutions.

Intangible assets: The Company evaluates the useful lives of intangible assets. Reaching a determination on useful life requires significant judgments and assumptions. Intangible assets include trade names, franchise relationships and program material which are amortized on a straight-line basis over its useful lives ranging from four to 15 years, except for the trade names which were determined to have indefinite lives.

Impairment of long-lived assets: The Company reviews long-lived assets, including property and equipment and definite lived intangibles, for impairment whenever events or changes in business circumstances indicate that the carrying amount of the assets may not be recoverable. Recoverability of assets to be held and used is measured by comparison of the carrying amount of the asset to future undiscounted cash flows expected to be generated by the asset. If the asset is determined to be impaired, the impairment recognized is measured by the amount by which the carrying value of the asset exceeds its fair value. Indefinite lived intangibles are subject to an annual impairment test using a two-step process prescribed by guidance issued by the FASB. The first step tests for potential impairment, while the second step measures the amount of impairment, if any. The Company performs the required annual impairment test during December of each year.

Recent accounting pronouncements: In June 2016, the FASB issued ASU 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, which creates a new credit impairment standard for financial assets measured at amortized cost and available-for-sale debt securities. The ASU requires financial assets measured at amortized cost (including loans, trade receivables and held-to-maturity debt securities) to be presented at the net amount expected to be collected, through an allowance for credit losses that are expected to occur over the remaining life of the asset, rather than incurred losses. The ASU requires that credit losses on available-for-sale debt securities be presented as an allowance rather than as a direct write-down. The measurement of credit losses for newly recognized financial assets (other than certain purchased assets) and subsequent changes in the allowance for credit losses are recorded in the statement of income as the amounts expected to be collected change. The ASU is effective for fiscal years beginning after December 15, 2022, including interim periods within those fiscal years. The Company is currently evaluating the impact of adopting this new guidance on its consolidated financial statements.

Note 2. Acquisition of Businesses

As a result of the transaction discussed in Note 1, HP H&S Purchaser, Inc. obtained control of the Company on June 2, 2022. In accordance with ASC 805, all identifiable assets and assumed liabilities of the Company were measured at and adjusted to their estimated fair values as of June 2, 2022, and goodwill was recognized based on the difference between the purchase price and the estimated fair value of the identifiable net assets acquired, including the acquired intangible assets.

The purchase price related to Franchisor was \$833.3 million, inclusive of \$558.2 million of cash paid directly to sellers, rollover equity of \$13.5 million, and \$98.0 million of transaction expenses, net of cash acquired of \$4.6 million.

The following table summarizes the estimated fair value of identifiable assets acquired and liabilities assumed in the Transaction and the resulting goodwill as of the acquisition date:

The weighted average cost of capital utilized in this valuation was 11.5%, the risk free rate was 3.3% and the market risk premium was 6.0% as of the valuation date

Goodwill reflects the synergistic nature of the Company's identifiable assets that, when employed in combination, generate a value in excess of their individual values. Additionally, a portion of goodwill reflects the value of the Company's assembled workforce. The goodwill is not deductible for tax purposes.

Expenses associated with the transaction were \$98.0 million and were comprised of \$85.2 million of contingent deal-related expenses included as consideration and \$12.8 million of acquisition related costs which were classified as transaction expenses for the period from January 1, 2022 to June 1, 2022 (Predecessor).

Pursuant to an asset purchase agreement (APA) dated November 1, 2022, the Company acquired all of the assets and assumed liabilities of several franchised spas located in Florida for a total consideration of \$5,832,535.

Note 2. Acquisition of Businesses (Continued)

The acquisitions of the Company were accounted for as business combinations using the acquisition method. Under the acquisition method of accounting, the assets acquired, and liabilities assumed in the transaction were recorded at the date of acquisition at their respective fair values. The determination of fair value reflects the Company's estimates and assumptions. The Company recognized the excess of purchase price over the fair value of the net assets as goodwill. The goodwill arising from the acquisitions is attributed to the cumulative processes, procedures and knowledge of the workforce in place. A majority of the goodwill is deductible from income tax purposes. The estimated life of the acquired goodwill is 10 years and will be amortized on a straight-line basis.

In connection with the acquisitions, the Company incurred transactions costs of \$184,271 for the period from June 2, 2022 to December 31, 2022 (Successor) and \$717,032 for the year ended December 31, 2021 (Predecessor), which is included in transaction expenses in the consolidated statements of operations.

The Tax Reform Legislation is subject to further clarification by the issuance of future technical guidance by the U.S. Department of the Treasury and/or future technical correction legislation.

As of December 31, 2022, the Company had federal and state NOL carryforwards of approximately \$71.6 million and \$59.3 million, respectively, before any limitations. The federal NOL has an indefinite carryforward period and the state NOLs will expire at various times beginning in 2032.

Utilization of NOL carryforwards are subject to an annual limitation due to ownership change limitations that have occurred as required by Section 382 of the Code. These ownership changes may limit the amount of NOL carryforwards that can be utilized annually to offset future taxable income. On June 2, 2022, a change in control occurred as defined by IRS section 382.

Consequently, the Company's utilization of the NOL carryforwards are subject to an annual limitation of approximately \$9 million under Section 382 of the Code, which is determined by first multiplying the value of the Company's stock at the time of the ownership change by the applicable long-term, tax-exempt rate, and then could be subject to additional adjustments, as required. In addition, such annual limitation amount may be increased by the recognized built-in gains during the five-year post-change Recognition Period. Accordingly, the total annual section 382 limitation for each year of the Recognition Period is increased by the yearly realized built-in gain amount of approximately \$55.6 million.

Note 6. Stock Options

The Company had a nonqualified stock option agreements with certain key employees. Under the terms of the agreements, the Company has granted options with 10-year terms that generally vest over a five-year period. The stock option plan was discontinued effective June 1, 2022.

The Company used the Black-Scholes option valuation model for estimating the fair value of its stock options upon the date of grant. Since the Company is not a public entity, the volatility of the stock was estimated using comparable industry companies.

At December 31, 2021 (Predecessor), 110,750 stock options were vested, and 328 were exercised.

Some leases include one or more options to renew, generally at the Company's sole discretion, with renewal terms that can extend the lease term which vary by location. These options to extend or terminate a lease are included in the lease terms when it is reasonably certain that the Company will exercise that option. The Company's operating leases generally do not contain any material restrictive covenants or residual value guarantees. These leases expire at various dates through September 2032.

For the period from June 2, 2022 to December 31, 2022 (Successor), the period from January 1, 2022 to June 1, 2022 (Predecessor) and the year ended December 31, 2021 (Predecessor), was \$707,383, \$480,616 and \$765,670, respectively.

For clarity, if Franchisee is executing this Agreement in connection with Franchisee’s acquisition of an operational Franchised Business, or a renewal of the franchise, the reduced weekly Royalty Fee of five percent (5%) shall not apply and Franchisee shall pay the six percent (6%) weekly Royalty Fee commencing immediately upon the Effective Date. Each weekly Royalty Fee shall accompany a Gross Sales Report, as required by Section 12.2, for the same period. If Franchisor requires Franchisee to pay Royalty Fees through electronic transfer as set forth in Section 3.6, such reports shall instead be submitted by Franchisee electronically or compiled by Franchisor electronically through access to Franchisee’s computer and point of sale system.

(“Advertising Agency”), to conduct local advertising on Franchisee’s behalf in accordance with Section 11.2.

3.5 **Taxes.** Franchisee shall pay to Franchisor an amount equal to all sales taxes, use taxes and similar taxes imposed on the fees payable by Franchisee to Franchisor hereunder and on services or goods furnished to Franchisee by Franchisor at the same time as Franchisee remits such fees to Franchisor, whether such services or goods are furnished by sale, lease or otherwise, unless the tax is an income tax assessed on Franchisor for doing business in the state where the Franchised Business is located or other federal, state or local taxes assessed against the income of the Franchisor.

Franchisee

shall provide Franchisor with continuous access to such account for the purpose of receiving any payments due to Franchisor. Every week, Franchisee shall make deposits to the account sufficient to cover amounts owed to Franchisor prior to the date such amounts are due. 3.9 **Customer Service Fee:** Franchisee shall reimburse Franchisor for any and all costs and expenses incurred by Franchisor in addressing any complaint raised by any customer of Franchisee, including, without limitation, the cost of any refund, gift card or other value provided to such customer in connection with addressing any such issue.

4.1 **Initial Term.** This Agreement shall be effective and binding for an initial term of ten (10) years from the Effective Date, unless sooner terminated pursuant to Article 16.

4.2 **Renewal Term.** Subject to the conditions below, Franchisee has the right to obtain a successor franchise at the expiration of this Agreement by entering into a new franchise agreement with Franchisor. Franchisee's right to obtain a successor franchise is limited to One (1) term of ten (10) years, such that the total term of the Franchise shall not exceed twenty (20) years. To qualify for a successor franchise, each of the following conditions shall have been fulfilled and remain true as of the last day of the term of this Agreement:

(a) Franchisee has, during the entire term of this Agreement, substantially complied with all material provisions;

(b) Franchisee has access to and, for the duration of the successor franchise's term, the right to remain in possession of the Approved Location, or a suitable substitute location approved by Franchisor, which is in full compliance with Franchisor's then-current specifications and standards, for the duration of the renewal term;

(c) Franchisee has, at its expense, made such capital expenditures as were necessary to maintain uniformity with any Franchisor-required System modifications such that the Franchised Business reflects Franchisor's then-current standards and specifications;

(d) Franchisee has satisfied all monetary obligations owed by Franchisee to Franchisor (or any Affiliate), and has timely met these obligations throughout the term of this Agreement;

(e) Franchisee is not currently in default in any material respect of any provision of this Agreement or any other agreement between Franchisee and Franchisor and has not been in default in any material respect more than twice during the term;

(f) Franchisee has given written notice of its intent to operate a successor franchise not less than nine (9) months nor more than twelve (12) months prior to the end of the term of this Agreement, such that Franchisor has no obligation to grant Franchisee a successor franchise without the timely receipt of such notice;

(g) Franchisee has executed Franchisor's then-current form of franchise agreement, or has executed renewal documents at Franchisor's election (with appropriate modifications to reflect the fact that the Franchise Agreement relates to the grant of a successor franchise), which franchise agreement shall supersede this Agreement in all respects, and the terms of which may differ from the terms of this Agreement by requiring, among other things, a different percentage Royalty Fee, Marketing Fund Contribution or Local Advertising Fee; provided, however, that Franchisee shall not be required to pay the then-current Franchise Fee but shall be required to pay a renewal fee of twenty-five percent (25%) of the then-current initial franchise fee;

ARTICLE 5

APPROVED LOCATION

5.1 **Selection of Site.** If the Approved Location is not identified as of the Effective Date, then no later than one hundred eighty (180) days following the Effective Date (the "Site Selection Period"), Franchisee shall: (a) locate a site for the Franchised Business within the Designated Area identified on Exhibit A to this Agreement that meets Franchisor's site selection criteria, as set forth in more detail below, and (b) execute a Lease for the Approved Location in accordance with the requirements of Section 5.2 of this Agreement. Franchisee acknowledges and agrees that Franchisee is not afforded any territorial protection in the Designated Area and that the Designated Area is delineated for the sole purpose of identifying the area within which the Approved Location must be located. Once Franchisee identifies a proposed site, Franchisee must submit the proposed site, along with any and all materials Franchisor requests, to determine if the site meets Franchisor's site selection criteria. Franchisee must comply with the Lease requirements set forth in Section 5.2 below and agrees to refrain from signing any lease, sublease, or other document for the proposed site before Franchisor has accepted the proposed site as the Approved Location. If Franchisor approves of such selection, the site will be designated as the Approved Location for purposes of Section 2.2 and Exhibit A will be updated to reflect the Approved Location and the Protected Territory. Notwithstanding the foregoing, the failure to update Exhibit A shall not affect the enforceability

of this Agreement. If Franchisor does not approve of Franchisee's proposed site selection, Franchisee shall continue to select a new site within the Designated Area until Franchisor approves of such selection. Franchisor shall provide Franchisee with general guidelines to assist Franchisee in selecting a site suitable for the Approved Location. Franchisor has the right to approve or disapprove a proposed location based on such factors as it deems appropriate, including the condition of the premises, demographics and population density of the surrounding area, proximity to other HAND AND STONE franchises, lease requirements, visibility, ease of access, available parking and overall suitability. Franchisee shall not locate the Franchised Business on a selected site without the prior written approval of Franchisor. Franchisor does not represent that it, any Affiliate or any of its owners or employees have special expertise in selecting sites. Neither Franchisor's assistance nor approval is intended to indicate or indicates that the Franchised Business will be profitable or successful at the Approved Location. Franchisee is solely responsible for finding and selecting a site for the Franchised Business.

5.2 **Lease of Approved Location.** After the approval of the Approved Location (and if the site is to be leased or purchased), Franchisee shall execute a lease for, or a binding agreement to purchase, the Approved Location, the terms of which must have been previously approved by Franchisor. Franchisor shall not unreasonably withhold its approval. Franchisor's review of a lease or purchase agreement, or any advice or recommendation offered by Franchisor, shall not constitute a representation or guarantee that Franchisee will succeed at the Approved Location nor constitute an expression of Franchisor's opinion regarding the terms of such lease or purchase agreement. Franchisor shall be entitled to require that nothing therein contained is contradictory to, or likely to interfere with, Franchisor's rights or Franchisee's duties under this Agreement. Franchisee shall take all actions necessary to maintain the lease, if any, of the Approved Location while this Agreement is in effect. Any default for which the lease may be terminated shall also be deemed a default hereunder and the time to cure the same shall expire when the lease is terminated. Franchisor has the right to require that the lease for the Approved Location be collaterally assigned by Franchisee to Franchisor, pursuant to the terms of its standard collateral assignment of lease form, to secure performance by Franchisee of its obligation under this Agreement. Franchisor's approval of a lease shall be conditioned upon inclusion of terms in the lease acceptable to Franchisor and, at Franchisor's option, the lease shall contain such provisions as Franchisor may reasonably require, including:

(a) a provision reserving to Franchisor the right, at Franchisor's election, to receive an assignment of the leasehold interest upon termination or expiration of the Franchise;

(b) a provision expressly permitting the lessor of the premises to provide Franchisor all sales and other information lessor may have obtained or received relating to the operation of the Franchised Business, as Franchisor may request;

(c) a provision requiring the lessor to provide Franchisor with a copy of any written notice of deficiency sent by the lessor to Franchisee, and granting to Franchisor the right (but not the obligation) to cure any deficiency under the lease should Franchisee fail to do so within fifteen (15) days after the expiration of the period in which Franchisee may cure the default;

(d) a provision allowing Franchisee to display the Marks in accordance with the specifications required by the Manual, subject only to the provisions of applicable law;

(e) a provision prohibiting the premises from being used for any purpose other than the operation of the Franchised Business;

(f) a provision allowing Franchisor, upon expiration or termination of the lease, to enter the premises and remove any signs containing the Marks; and

(g) a provision stating that upon default of this Agreement, Franchisor or its nominee has the right to take possession of the Approved Location and operate the Franchised Business

(h) a provision requiring that the lessor provide Franchisor notice in the event that Franchisee does not exercise an option to renew the lease term within a time required under the lease.

5.3 **Development of Approved Location.** Franchisor shall make available to Franchisee, at no charge to Franchisee, copies of standard plans and specifications for the development of a HAND AND STONE franchise, including exterior and interior design and layout, fixtures, equipment, décor and signs. Such plans and specifications are subject to alteration by Franchisor. Franchisee shall cause the Approved Location to be developed, equipped and improved in accordance with such plans and specifications within two hundred and seventy (270) days after the Effective Date. In connection with the development of the Approved Location, Franchisee shall:

(a) employ HS Design, LLC or such other architect that Franchisor approves in writing, to prepare, for Franchisor's approval, preliminary plans and specifications for improvement of the Approved Location adapted from the plans furnished by Franchisor. In the event Franchisee employs an approved architect besides HS Design, LLC, Franchisee shall pay Franchisor's costs and expenses to review of Franchisee's architectural plans, which shall not exceed \$1,500;

(b) obtain all zoning classifications and clearances that may be required by state and local laws, ordinances or regulations, and submit to Franchisor, for Franchisor's approval, final plans for construction based upon the preliminary plans and specifications;

(c) obtain all building, utility, sign, health, and business permits and licenses, and any other permits and licenses required for the build-out and operation of the Franchised Business and certify in writing and provide evidence to Franchisor that all such permits and certifications have been obtained;

(d) employ a qualified, licensed general contractor approved by Franchisor to complete construction of all required improvements to the Approved Location;

(e) purchase any supplies or inventory necessary for the operation of the Franchised Business;

(f) purchase and install all equipment, signs, artwork, furniture and fixtures, including any computer equipment and software, required for the operation of the Franchised Business;

(g) establish high-speed Internet access and obtain at least three (3) telephone numbers and one (1) facsimile number solely dedicated to the Franchised Business. Franchisee understands and acknowledges that all telephone numbers shall be owned by Franchisor, and that Franchisee shall be designated as the billing party on the applicable telephone service provider's records; and

(h) open an Electronic Depository Transfer Account and notify Franchisor of the pertinent account information.

5.4 **Opening.** Before opening the Franchised Business and commencing business, Franchisee shall:

(a) fulfill all of the obligations of Franchisee pursuant to the other provisions of this Article 5;

- (b) furnish Franchisor with copies of all insurance policies required by this Agreement, or by the lease, or such other evidence of insurance coverage and payment of premiums as Franchisor may request;
- (c) complete initial training to the satisfaction of Franchisor, and ensure that the Designated Manager and Designated Trainer have completed initial training to the satisfaction of Franchisor;
- (d) hire the personnel necessary or required for the operation of the Franchised Business;
- (e) obtain all necessary permits and licenses; and
- (f) pay in full all amounts due and owing to Franchisor.

Franchisee shall comply with these conditions and be prepared to open and continuously operate the Franchised Business within twelve (12) months after the Effective Date, or Franchisor may terminate Franchisee's Franchise Agreement. Time is of the essence. While reserving Franchisor's right to terminate, if the Franchised Business is not opened and operating within twelve (12) months after the Effective Date, Franchisee's rights to establish the Franchised Business at the Approved Location, as well as Franchisee's rights and interests in the Protected Territory, as outlined on Exhibit A, shall automatically expire and be null and void without any further notice to Franchisee. Thereafter, Franchisor may establish, own or operate, or grant rights to or license any other person to establish, own or operate, any other HAND AND STONE MASSAGE AND FACIAL SPA anywhere within the Protected Territory.

5.5 **Use of Approved Location.** Franchisee shall not use the Approved Location for any purpose other than for the operation of a HAND AND STONE franchise in full compliance with this Agreement and the Manual, unless approved in writing by Franchisor.

7.1 **Requirement of Confidentiality.** Franchisee acknowledges that Franchisor will disclose Trade Secrets and other Confidential Information to Franchisee during the training program, through the Manual, through the use of the System, and as a result of guidance furnished to Franchisee during the term of this Agreement. Franchisee shall not acquire any interest in the Trade Secrets or other Confidential Information, other than the right to utilize it in the development and operation of the Franchised Business and in performing its duties during the term of this Agreement. Franchisee acknowledges that the use or duplication of the Trade Secrets or other Confidential Information in any other business venture would constitute an unfair method of competition. Franchisee acknowledges that the Trade Secrets and other Confidential Information are proprietary and are disclosed to Franchisee solely on the condition that Franchisee (and all holders of a legal or beneficial interest in Franchisee and all officers, directors, executives, managers and members of the professional staff of Franchisee): (a) shall not use the Trade Secrets or other Confidential Information in any other business or capacity; (b) shall maintain the absolute confidentiality of the Trade Secrets and other Confidential Information during and after the term of this Agreement; (c) shall not make any unauthorized copies of any portion of the Trade Secrets or other Confidential Information disclosed in written or other tangible form; (d) shall adopt and implement all reasonable procedures prescribed from time to time by Franchisor to prevent unauthorized use or disclosure of the Trade Secrets and other Confidential Information and (e) shall not use Trade Secrets or Confidential Information to unfairly compete with any other Hand and Stone Massage and Facial Spa. Franchisee shall enforce this Section as to its employees, agents and representatives and shall be liable to Franchisor for any unauthorized disclosure or use of Trade Secrets or other Confidential Information by any of them. This Section shall survive the termination of this Agreement indefinitely.

7.2 **Additional Developments.** All ideas, concepts, techniques or materials concerning the Franchised Business, whether or not protectable intellectual property and whether created by or for Franchisee or its owners or employees, must be promptly disclosed to Franchisor and will be deemed the sole and exclusive property of Franchisor and works made-for-hire for Franchisor, and no compensation will be due to Franchisee or its owners or employees therefor. Franchisor may incorporate such items into the System. To the extent any item does not qualify as a “work made-for-hire” for Franchisor, Franchisee shall assign ownership of that item, and all related rights to that item, to Franchisor and shall sign any assignment or other document as Franchisor reasonably requests to assist Franchisor in obtaining or preserving intellectual property rights in the item. Franchisor shall disclose to Franchisee concepts and developments of other franchisees that are made part of the System. As Franchisor may reasonably request, Franchisee shall, at Franchisor’s expense, take all actions reasonably necessary to assist Franchisor’s efforts to obtain or maintain intellectual property rights in any item or process related to the System, whether developed by Franchisee or not.

7.3 **Exclusive Relationship.** Franchisee acknowledges that Franchisor would be unable to protect the Trade Secrets and other Confidential Information against unauthorized use or disclosure and would be unable to encourage a free exchange of ideas and information among HAND AND STONE franchisees if owners of HAND AND STONE franchise and members of their immediate families and households were permitted to hold an interest in or perform services for any Competitive Business. Therefore, during the term of this Agreement, neither Franchisee nor any member of their immediate family and household, nor any executive or manager of Franchisee, either directly or indirectly, for themselves, or through, on behalf of or in conjunction with any person, partnership, corporation, limited liability company or other business entity, shall:

(a) Divert or attempt to divert any business or client of the Franchised Business to any Competitive Business, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks or the System; or

(b) Own an interest in, manage, operate, or perform services for any Competitive Business wherever located.

Upon Franchisor’s request, Franchisee shall provide Franchisor with copies of all nondisclosure and non-competition agreements signed pursuant to this Section. Such agreements shall remain on file at the offices of Franchisee and are subject to audit or review as otherwise set forth herein. Franchisor shall be a third-party beneficiary with the right to enforce covenants contained in such agreements.

7.5 **Reasonableness of Restrictions.** Franchisee acknowledges that the restrictive covenants contained in this Section are essential elements of this Agreement and that without their inclusion, Franchisor would not have entered into this Agreement. Franchisee acknowledges that each of the terms set forth herein, including the restrictive covenants, is fair and reasonable and is reasonably required for the protection of Franchisor, Trade Secrets and other Confidential Information, the System and the Marks and Franchisee waives any right to challenge these restrictions as being overly broad, unreasonable or otherwise unenforceable. If, however, a court of competent jurisdiction determines that any such restriction is unreasonable or unenforceable, then Franchisee shall submit to the reduction of any such activity, time

period or geographic restriction necessary to enable the court to enforce such restrictions to the fullest extent permitted under applicable law. It is the desire and intent of the parties that the provisions of this Agreement shall be enforced to the fullest extent permissible under the laws and public policies applied in any jurisdiction where enforcement is sought.

7.6 **Relief for Breaches of Confidentiality, Non-Solicitation and Non-Competition.** Franchisee further acknowledges that an actual or threatened violation of the covenants contained in Article 7 of this Agreement will cause Franchisor immediate and irreparable harm, damage and injury that cannot be fully compensated for by an award of damages or other remedies at law. Accordingly, Franchisor shall be entitled, as a matter of right, to an injunction from any court of competent jurisdiction restraining any further violation by Franchisee of this Agreement, such right to an injunction shall be cumulative and in addition to, and not in limitation of, any other rights and remedies that Franchisor may have at law or in equity.

8.3 **Failure to Complete Initial Training Program.** If Franchisor determines that the Designated Manager or the Lead Therapist is unable to satisfactorily complete both components of the applicable training program described above, Franchisor has the right to terminate this Agreement. If the Designated Manager fails to complete the initial training program to Franchisor's reasonable satisfaction, Franchisee may be permitted to select a substitute Designated Manager and such substitute manager must

complete the initial training to Franchisor's reasonable satisfaction. Franchisee may be permitted to select a substitute Lead Therapist and such substitute trainer must complete the initial training to Franchisor's reasonable satisfaction. Grand Opening Advertising expenditures shall be in addition to any Local Advertising Fees and Marketing Fund Contributions. In addition, Franchisee is required to provide a minimum of TWO THOUSAND FIVE HUNDRED DOLLARS (\$2,500) in complimentary services during the Grand Opening event as outlined in the Operations Manual.

Following the end of each calendar quarter, the Advertising Agency shall provide Franchisee, upon written request, with a report detailing the Local Advertising expenditures from the Local Advertising Fees paid by Franchisee for the immediately preceding calendar quarter. Franchisor and the Advertising Agency may, from time to time, in their sole discretion, contract for advertising for the Franchised Business in excess of the Local Advertising Fees that have been charged under this Agreement as of a given date. Should this Agreement terminate for any reason whatsoever as of a date where there exists such an excess commitment of the advertising monies, Franchisee shall be liable to Franchisor for the full amount of the over expenditure. All decisions regarding the selection of the particular media and the advertising content, in any form of advertising or marketing whatsoever, whether paid for through the Local Advertising Fee or paid for by Franchisee directly, shall be within the sole discretion of Franchisor and the Advertising Agency and subject to Franchisor’s approval.

Franchisee agrees to prominently display franchise brochures that Franchisor or the Advertising Agency provides, at Franchisor’s cost, in Franchisee’s location to solicit prospective franchisees.

11.3 **Marketing Fund.** Franchisor has established a Marketing Fund, to which Franchisee shall pay the Marketing Fund Contribution as defined in Section 3.3. The Marketing Fund is presently maintained and administered by Franchisor’s Advertising Agency as follows:

(a) The Advertising Agency shall oversee all marketing programs, with sole control over the creative concepts, materials and media used in such programs, and the placement and allocation thereof. The Advertising Agency does not warrant that any particular franchisee will benefit directly or *pro rata* from expenditures by the Marketing Fund. The program(s) may be local, regional or System-wide.

(b) Franchisee’s Marketing Fund Contributions may be used to meet the costs of, or reimburse the Advertising Agency for its costs of, researching, producing, maintaining, administering and directing consumer or recruiting advertising (including, without limitation, the cost of preparing and conducting television, radio, Internet, magazine, newspaper, and direct mail advertising campaigns and other public relations and social media and reputation management activities; developing and/or hosting an Internet web page or site and similar activities; employing advertising agencies or its own personnel to assist therein; and providing promotional brochures and other marketing materials to franchisees). Marketing Fund Contributions will not be used for the direct solicitation of franchise sales, but Franchisor reserves the right to include a notation in any advertisement indicating “Franchises Available”.

(c) Franchisor shall endeavor to spend all Marketing Fund Contributions on marketing programs and promotions during the fiscal year within which such contributions are made. If excess amounts remain in any Marketing Fund at the end of such fiscal year, all expenditures in the following fiscal year(s)

shall be made first out of such excess amounts, including any interest or other earnings of the Marketing Fund, and next out of prior year contributions and then out of current contributions.

(d) Although the Marketing Fund is intended to be of perpetual duration, Franchisor and/or the Advertising Agency has the right to terminate the Marketing Fund at any time. The Marketing Fund shall not be terminated, however, until all Marketing Fund Contributions have been expended for advertising and promotional purposes or returned to Franchisee and other franchisees on a *pro rata* basis based on total Marketing Fund Contributions made in the aggregate by each franchisee.

(e) Each HAND AND STONE franchise operated by Franchisor, or an Affiliate of Franchisor, shall make Marketing Fund Contributions at the same rate as HAND AND STONE franchisees.

Franchisor retains the right to have the Marketing Fund audited, at the expense of the Marketing Fund, by an independent certified public accountant selected by Franchisor.

(g) Franchisee acknowledges that the Marketing Fund is not a trust and neither Franchisor nor the Advertising Agency assumes any fiduciary duty in administering the Marketing Fund.

11.4 **Internet Advertising.** Franchisee may not establish a presence on, or market using, the Internet in connection with the Franchised Business without Franchisor's prior written consent. The Connectivity Fee shall be paid at the time of the Initial Franchise Fee and is not refundable. Franchisor shall establish accounts and connectivity for Franchisee to the handandstone.com website, on-site connectivity of computer equipment to the System, connectivity to Hand and Stone online training programs, and connectivity to Hand and Stone consumer feedback platforms.

Franchisee must pay an ongoing monthly POS subscription and support services fee for the software to Franchisor, currently \$658 per month and \$35 per month for cyber insurance, which is subject to change. Franchisor will provide the software support and maintenance in conjunction with the software vendor. Franchisee must execute the sublicense agreement attached as Exhibit “J”. If Franchisor’s collects this fee directly, the fee must be paid as described in Section 3.6 of this Agreement, or as Franchisor

otherwise sets forth in writing. Franchisor reserves the right to change the manner, scope, or manner of payment of the fee described in this Section, at any time upon providing reasonable notice to Franchisee, as changes are made to the System's hardware, software and other computer requirements or as required by the third-party service provider(s) or by any regulatory agency.

12.6 **Right to Inspect.** Franchisor or its designee has the right, during normal business hours, to examine, copy and audit the books, records and tax returns of Franchisee. If the audit or any other inspection should reveal that any payments to Franchisor have been underpaid, then Franchisee shall immediately pay to Franchisor the amount of the underpayment plus interest from the date such amount was due until paid at the rate of eighteen percent (18%) per annum (or the highest rate allowed by law, whichever is lower). If the audit or any other inspection should reveal an underpayment of three percent (3%) or more of the amount due for any period covered by the audit, Franchisee shall, in addition to any other payments required above, reimburse Franchisor for any and all costs and expenses connected with the inspection (including, without limitation, travel expenses and reasonable accounting and attorneys' fees). The foregoing remedies shall be in addition to any other remedies Franchisor may have.

12.7 **Release of Records.** At Franchisor's request, Franchisee shall authorize and direct any third parties, including accounting professionals, to release to Franchisor all accounting and financial records arising from or relating to the operation of the Franchised Business including, but not limited to, records evidencing Gross Sales, profits, losses, income, tax liabilities, tax payments, revenues, expenses, and any correspondence, notes, memoranda, audits, business records, or internal accounts within said third parties' possession, custody or control, and to continue to release such records to Franchisor on a monthly basis for the length of the unexpired term of this Agreement or until such time as Franchisor withdraws its request. Franchisee shall execute all documents necessary to facilitate the release of records referenced herein to Franchisor.

12.8 **Accounting Firm.** To ensure that Franchisee has accurate financial records and reporting, during the first year of the term of this Agreement, or until Franchisee demonstrates a proficiency in preparing and submitting to Franchisor correct financial statements of the Franchised Business' operations, Franchisor requires Franchisee to use the services of one of its designated and preferred accounting firms (the "**Accounting Firm**"). The Accounting Firm will gather weekly transactional information from the Franchised Business and enter such information into its accounting software, reconcile monthly cash and credit card activity, produce monthly financial statements for the Franchised Business, perform bank reconciliations, calculate sales taxes and prepare K-1s. Franchisee is required to pay the Accounting Firm's then current monthly fee (the "**Accounting Fees**") and the Accounting Fees are subject to future increases. Franchisor may require Franchisee to use the Accounting Firm and pay the Accounting Fees at any time during the term of this Agreement in the event that Franchisee fails to provide Franchisor with accurate financial statements.

ARTICLE 13

STANDARDS OF OPERATIONS

13.1 **Authorized Products, Services and Suppliers.** Franchisee acknowledges that the reputation and goodwill of the System is based in large part on offering high quality products and services to its clients. Accordingly, Franchisee shall provide or offer for use at the Franchised Business only those products, supplies, signs, equipment and other items and services that Franchisor from time to time approves (and that are not thereafter disapproved) and that comply with Franchisor's specifications and quality standards. If required by Franchisor, any such items or services shall be purchased only from "Approved Suppliers" that Franchisor designates or approves (which might include, or be limited to, Franchisor or an Affiliate). Any purchases by Franchisee from Franchisor or its Affiliates will be at Franchisor's or the Affiliate's then-current price in effect. Franchisee shall not offer for sale, sell or provide

through the Franchised Business or from the Approved Location any products or services that Franchisor has not approved.

(a) Franchisor shall provide Franchisee, in the Manual or other written or electronic form, with a list of specifications and, if required, a list of Approved Suppliers for some or all of the supplies, signs, equipment and other approved or specified items and services, and Franchisor may from time-to-time issue revisions to such list. If Franchisor or an Affiliate is an Approved Supplier, Franchisee shall execute a standard form purchase or supply agreement for the items to be supplied by Franchisor or any Affiliate. If Franchisee desires to use any services or products that Franchisor has not approved (for services and products that require supplier approval), Franchisee shall first send Franchisor sufficient information, specifications and/or samples for Franchisor to determine whether the service or product complies with its standards and specifications or whether the supplier meets its Approved Supplier criteria. Franchisee shall bear all reasonable expenses incurred by Franchisor in connection with determining whether it shall approve an item, service or supplier. Franchisor will decide within a reasonable time (usually thirty (30) days) after receiving the required information whether Franchisee may purchase or lease such items or services or from such supplier. Approval of a supplier may be conditioned on the supplier's ability to provide sufficient quantity of product; quality of products or services at competitive prices; production and delivery capability; and dependability and general reputation. Nothing in this Section shall be construed to require Franchisor to approve any particular supplier, or to require Franchisor to make available to prospective suppliers, standards and specifications that Franchisor deems confidential.

(b) Notwithstanding anything contrary in this Agreement, Franchisor has the right to review from time to time its approval of any items or suppliers. Franchisor may revoke its approval of any item, service or supplier at any time by notifying Franchisee or the supplier. Franchisee shall, at its own expense, promptly cease using, selling or providing any items or services disapproved by Franchisor and shall promptly cease purchasing from suppliers disapproved by Franchisor.

(c) Franchisor has the right to designate certain programs, products and services, not otherwise authorized for general use as part of the System, to be offered locally or regionally based upon such factors as Franchisor determines including, but not limited to, franchisee qualifications, test marketing and regional or local differences. Franchisor has the right to give its consent to one (1) or more franchisees to provide certain products or services not authorized for general use as part of the System. Such consent will be based upon the factors set forth in Section 10.4 and shall not create any rights in Franchisee to provide the same products or services.

(d) Franchisor has the right to retain volume rebates, markups and other benefits from suppliers or in connection with the furnishing of suppliers. Franchisee shall have no entitlement to or interest in any such benefits.

13.2 **Membership Programs; Customer Data.** Franchisee shall institute membership programs as specified in the Manual. All Customer Information of Customers who participate in such membership programs (“**Members**”) is confidential information and the property of Franchisor, and shall be used by Franchisee in strict adherence to Franchisor's policies and procedures as stated in the Manual.

Franchisor may use the Customer Information as Franchisor deems appropriate (subject to applicable law), including sharing it with its Affiliates for cross-marketing or other purposes. Franchisee may only use Customer Information for the purpose of operating the Franchised Business to the extent permitted under this Agreement, including the Manual, during the term hereof and subject to such restrictions as Franchisor may from time to time impose and in compliance with all data privacy, security and other applicable laws. Without limiting the foregoing, Franchisee agrees to comply with applicable law in connection with its collection, storage and its use and Franchisor's use of such Customer Information,

including, if required under applicable law, obtaining consents from Customers to Franchisor's and its Affiliates' use of the Customer Information. Franchisee must comply with all laws and regulations relating to data protection, privacy and security, including data breach response requirements (“**Privacy Laws**”), as well as data privacy and security policies, procedures and other requirements Franchisor may periodically establish. Franchisee must notify Franchisor immediately of any suspected data breach at or in connection with the Franchised Business. Franchisee must fully cooperate with Franchisor and its counsel in determining the most effective way to meet Franchisor's standards and policies pertaining to Privacy Laws within the bounds of applicable law. Franchisee is responsible for any financial losses it incurs or remedial actions that it must take as a result of breach of security or unauthorized access to Customer Information in Franchisee's control or possession.

If any federal or state Privacy Law, including the California Consumer Privacy Act (“CCPA”), or as revised and when in effect, the California Consumer Privacy Rights Act (“CPRP”) Cal. Civ. Code § 1798.100, et seq., applies to the operation of the Franchised Business, whenever and to the extent Franchisee operates as a “Service Provider” under the CCPA, a “Contractor” under the CPRP, a data processor, or in a similar capacity under any federal or state Privacy Law, Franchisee represents and warrants that:

- (1) Except for the purpose of operating the Franchised Business in accordance with this Agreement, including the Manual, Franchisee will not retain, use, combine or disclose any Customer Information;
- (2) Franchisee will not sell, make available or otherwise disclose any Customer Information to any third party for valuable consideration or for the purpose of performing cross-context behavioral advertising;
- (3) Franchisee will not retain, use, or disclose Customer Information outside of the direct business relationship between Franchisee and Franchisor;
- (4) Franchisee will delete any Customer Information upon Franchisor's request unless Franchisee can prove that such request is subject to an exception under applicable law; and
- (5) If Franchisee receives a Customer Information data request (e.g., a request to delete Customer Information) directly from a consumer (e.g., a California resident under the CCPA or CPRP, or a resident of another jurisdiction under other applicable Privacy Law), Franchisee shall inform Franchisor of that request within one business day and cooperate with Franchisor to ensure that the consumer receives an appropriate and timely acknowledgement and response. As an example, currently under the CCPA, an acknowledgement is typically required within 10 business days and a final response is required within 45 calendar days.

Franchisee certifies that it understands the restrictions in Paragraphs (1) – (5) of this section and will comply with them. Franchisee also acknowledges and agrees that Franchisor may modify these restrictions from time to time by written notice to Franchisee, by issuing updates to Franchisor's standards and policies pertaining to Privacy Laws, including by adding other similar restrictions that may be required under other state or federal Privacy Laws, and Franchisee agrees to comply with the same. Franchisee also agrees to execute any addenda that Franchisor may determine are required to conform this Agreement to new or changed Privacy Laws.

To the extent that Franchisee engages a third party to collect, use, sell, store, disclose, analyze, delete, modify, or to otherwise perform any processing of Customer Information for the purpose of operating the Franchised Business (a “**Subprocessor**”), Franchisee will notify Franchisor of such engagement, which shall be governed by a written contract that includes the same restrictions as in Paragraphs (1) – (5) of this section and imposes reasonable confidentiality obligations on the Subprocessor.

13.3 **Appearance and Condition of the Franchised Business.** Franchisee shall maintain the Franchised Business and the Approved Location in “like new” condition, subject to reasonable wear and tear, and shall repair or replace furnishings, equipment, fixtures and signage as necessary to comply with

the health and safety standards and specifications of Franchisor and Franchisee's lessor and any applicable laws or regulations. The expense of such maintenance shall be borne by Franchisee and shall be in addition to any required System modifications, as described in Section 10.3.

13.4 **Ownership and Management.** The Franchised Business shall, at all times, be under the direct supervision of Franchisee or the Designated Manager. The Designated Manager shall devote his or her full-time efforts to the management of the day-to-day operation of the Franchised Business. Franchisee shall keep Franchisor informed, in writing, at all times of the identity of its Designated Manager. Franchisee must not engage in any business or other activities that will conflict with its obligations under this Agreement.

13.5 **Days of Operation.** Franchisee shall keep the Franchised Business open for business during normal business hours for HAND AND STONE franchises as specified in the Manual, subject to applicable law or the terms of the lease for the Approved Location.

13.6 **Licenses and Permits.** Franchisee shall secure and maintain in force all required licenses, permits and certificates necessary for the operation of the Franchised Business and shall operate the Franchised Business in full compliance with all applicable laws, ordinances and regulations. Franchisee shall ensure that each of its employees has any certifications or licenses required by applicable law. Franchisor makes no representation to Franchisee with regard to any legal requirements that Franchisee must satisfy or comply with in connection with the operation of the Franchised Business. Franchisee shall be solely responsible for investigating and complying with all such laws, ordinances and regulations with regard to the operation of the Franchised Business.

13.7 **Notification of Proceedings.** Franchisee shall notify Franchisor in writing of the commencement of any action, suit or proceeding involving Franchisee or the Franchised Business, and of the issuance of any order, writ, injunction, award or decree that may affect the operation or financial condition of the Franchised Business not more than five (5) days after such commencement or issuance. Franchisee shall deliver to Franchisor not more than five (5) days after Franchisee's receipt thereof, a copy of any inspection report, warning, certificate or rating by any governmental agency relating to any health or safety law, rule or regulation that reflects Franchisee's failure to meet and maintain the highest applicable rating or Franchisee's noncompliance or less than full compliance with any applicable law, rule or regulation. In addition, any and all consumer related complaints shall be answered by Franchisee within fifteen (15) days after receipt thereof or such shorter period of time as may be provided in the complaint. A copy of said answer shall be forwarded to Franchisor within three (3) days of the date that said answer is forwarded to the complainant. Furthermore, in the event of any bona fide dispute as to liability for taxes assessed or other indebtedness, Franchisee may contest the validity or the amount of tax or indebtedness in accordance with procedures of the taxing authority or applicable law; provided, however, in no event shall Franchisee permit a tax sale or seizure by levy of execution or similar writ or warrant of attachment by a creditor to occur against the premises of the Franchised Business or any improvements thereon.

13.8 **Compliance with Good Business Practices.** Franchisee acknowledges that the quality of service, and every detail of appearance and demeanor of Franchisee and its employees, is material to this Agreement and the relationship created hereby. Therefore, Franchisee shall endeavor to maintain high standards of quality and service in the operation of the Franchised Business. Franchisee shall at all times give prompt, courteous and efficient service to clients of the Franchised Business. The Franchised Business shall in all dealings with its clients, employees, vendors and the general public adhere to the highest standards of honesty, fair dealing and ethical conduct. If Franchisor deems that Franchisee did not fairly handle a complaint, Franchisor has the right to intervene. Franchisor has the right to terminate this Agreement for repeated violation of this Section. Franchisee shall reimburse Franchisor for all costs incurred by Franchisor in handling complaints for the Franchised Business pursuant to this Section.

13.9 **Uniforms.** Franchisee shall abide by any uniform requirements stated in the Manual. Uniforms, if required, must be purchased from an Approved Supplier, if such is designated, or if none, then a supplier who meets Franchisor's specifications and quality standards for uniforms.

13.10 **Credit Cards.** Franchisee shall, at its expense, lease or purchase the necessary equipment and/or software specified by the franchisor and shall have arrangements in place with Visa, MasterCard, Amex and such other credit card issuers as Franchisor may designate, from time to time, to enable the Franchised Business to accept such methods of payment from its clients.

13.11 **Best Efforts.** Franchisee shall use its best efforts to promote and increase the sales and recognition of services offered through the Franchised Business. Franchisee shall require all of Franchisee's employees, managers, officers, agents and representatives to make a good faith effort to enhance and improve the System and the sales of all services and products provided as part of the System.

13.12 **Gift Cards.** Franchisee shall sell or otherwise issue gift cards or certificates (together "Gift Cards") that have been prepared utilizing the standard form of Gift Card provided or designated by Franchisor, and only in the manner specified by Franchisor in the Operating Manual or otherwise in writing. Franchisee shall fully honor all Gift Cards that are in the form provided or approved by Franchisor regardless of whether a Gift Card was issued by Franchisor via its website, Franchisee or another HAND AND STONE franchise. Franchisee shall sell, issue, and redeem (without any offset against any Royalty Fees) Gift Cards in accordance with procedures and policies specified by Franchisor in the Operating Manual or otherwise in writing, including those relating to procedures by which Franchisee shall request reimbursement for Gift Cards issued by other HAND AND STONE franchise and for making timely payment to Franchisor, other operators of HAND AND STONE franchise, or a third-party service provider for Gift Cards issued from the Spa that are honored by Franchisor or other HAND AND STONE franchise operators.

13.13 **Telephone Numbers.** Franchisee acknowledges that all telephone numbers and directory listings for the Franchised Business are the property of Franchisor, and that Franchisor has the sole and exclusive right and authority to transfer, terminate and amend such telephone numbers and directory listings as Franchisor, in its sole discretion, deems appropriate. In the event Franchisor takes any action pursuant to this Section 13.13, the telephone company and all listing agencies, without liability to Franchisee, may accept this Agreement and the directions by or on behalf of Franchisor as conclusive of the exclusive rights of Franchisor in such telephone numbers and directory listings and its authority to direct their amendment, termination or transfer. In addition, Franchisee shall, contemporaneously with the execution of this Agreement, sign Franchisor's then-current form of Acknowledgment of Telephone Number Ownership, attached to this Agreement as Exhibit E.

13.14 **Staffing.** Franchisee will have sole authority and control over the day-to-day operations of the Franchised Business and Franchisee's employees and/or independent contractors. Franchisee agrees to be solely responsible for all employment decisions and to comply with all state, federal, and local hiring laws and functions of the Franchised Business, including without limitation, those related to hiring, firing, training, wage and hour requirements, compensation, promotion, record-keeping, supervision, and discipline of employees, paid or unpaid, full or part-time. At no time will Franchisee or Franchisee's employees be deemed to be employees of Franchisor or Franchisor's affiliates.

Franchisee acknowledges that its indemnification obligations under Section 20.3 of this Agreement extend to any lawsuit or arbitration action arising out of or related to any alleged act of intentional misconduct or negligence on the part of Franchisee, or any employee or agent of Franchisee, in which Franchisor and/or any of its past, present, and future (i) Affiliates, (ii) holders of a legal or beneficial interest in Franchisor,

and (iii) officers, directors, executives, managers, members, partners, owners, employees, agents, successors and assigns parents, affiliates, officers, directors, managers, employees, agents, successors or assigns are named as a defendant, and alleged to have committed any negligent acts or omissions.

ARTICLE 14 **FRANCHISOR'S ADDITIONAL OPERATIONS ASSISTANCE**

14.1 **General Advice and Guidance.** Franchisor shall be available to render advice, discuss problems and offer general guidance to Franchisee by telephone, e-mail, facsimile, newsletters and other methods with respect to planning, opening and operating the Franchised Business. Franchisor shall not charge for this service, however, Franchisor retains the right to discontinue this service should Franchisee be deemed to be utilizing this service too frequently or in an unintended manner. Franchisor's advice or guidance to Franchisee relative to prices for products and services that, in Franchisor's judgment, constitutes good business practice is based upon the experience of Franchisor and its franchisees in operating HAND AND STONE franchises and an analysis of costs and prices charged for competitive products and services. Franchisee shall have the sole right to determine the prices to be charged by the Franchised Business.

14.2 **Periodic Visits.** Franchisor or its representative shall make periodic visits to the Franchised Business for the purposes of consultation, assistance, compliance and guidance with respect to various aspects of the operation and management of the Franchised Business. Franchisee shall cooperate in allowing periodic visits (including unannounced visits during regular business hours) and shall allow access to the Franchised Business for periodic visits. Franchisor or its representatives who visit the Franchised Business may prepare, for the benefit of both Franchisor and Franchisee, written reports detailing any problems or concerns discovered during any such visit and outlining any required or suggested changes or improvements in the operations of the Franchised Business. A copy of any such written report may be provided to Franchisee. Franchisee shall implement any required changes or improvements in a timely manner.

14.3 **System Improvements.** Franchisor shall communicate improvements in the System to Franchisee as such improvements may be developed or acquired by Franchisor and implemented as part of the System.

14.4 **Marketing and Promotional Materials.** Franchisor may periodically provide formats for advertising and promotional materials including ad-slicks, brochures, fliers and other materials to the Franchisee for the Franchisee to produce and use in the operation of the Franchised Business. Franchisee must honor the terms of all promotional or discount programs that Franchisor may offer to the public for System businesses, and Franchisee must comply with any pricing policies Franchisor may specify, including minimum and maximum price policies, minimum advertised price policies and unilateral price policies. Franchisee must also provide those services and other items Franchisor specifies on such terms and at such rates, including free-of-charge, as Franchisor may specify.

ARTICLE 15 **INSURANCE**

15.1 **Types and Amounts of Coverage.** At its sole expense, Franchisee shall procure within sixty (60) days of Execution of Lease and maintain in full force and effect during the term of this Agreement, the types of insurance listed below. All policies (except any workers' compensation insurance) shall expressly name Franchisor as an additional insured and all shall contain a waiver of all subrogation rights against Franchisor and its successors and assigns. No such insurance shall have a deductible or self-

Franchisee’s property insurance policy shall include coverage for fire, vandalism and malicious mischief and must have coverage limits of at least full replacement cost;

(b) workers’ compensation insurance that complies with the statutory requirements of the state in which the Franchised Business is located and employer liability coverage with a minimum limit of ONE HUNDRED THOUSAND DOLLARS (\$100,000.00) or, if higher, the statutory minimum limit as required by state law;

(c) comprehensive General Liability Insurance, Professional Liability Insurance, and Employment Practices Liability Insurance (EPLI) against claims for bodily and personal injury, discrimination, wrongful termination, professional misconduct, death and property damage caused by, or occurring in conjunction with, the operation of the Franchised Business, or Franchisee’s conduct of business pursuant to this Agreement, with a minimum liability coverage of ONE MILLION DOLLARS (\$1,000,000.00) per occurrence or THREE MILLION DOLLARS (\$3,000,000.00) in the aggregate for Professional Liability and General Liability and a minimum liability coverage of FIVE HUNDRED THOUSAND DOLLARS (\$500,000.00) per occurrence and in the aggregate for EPLI or, if higher, the statutory minimum limit required by state law and coverage for sexual abuse with a minimum sublimit of TWO HUNDRED FIFTY THOUSAND DOLLARS (\$250,000.00) per occurrence or FIVE HUNDRED THOUSAND DOLLARS (\$500,000.00) in the aggregate;

15.3 **Carrier Standards and Group Policies.** Such policies shall be written by an insurance company licensed in the state in which Franchisee operates and having at least an “A” Rating Classification as indicated in the latest issue of A.M. Best’s Key Rating Guide. 15.4 **Evidence of Coverage.** Franchisee’s obligation to obtain and maintain the foregoing policies shall not be limited in any way by reason of any insurance that may be maintained by Franchisor, nor shall Franchisee’s performance of this obligation relieve it of liability under the indemnity provisions set forth in Section 20.3. Franchisee shall provide, annually, or more frequently if requested by Franchisor, certificates of insurance showing compliance with the foregoing requirements. Such certificates shall state

that said policy or policies shall not be canceled or altered without at least thirty (30) days' prior written notice to Franchisor and shall reflect proof of payment of premiums.

15.5 **Failure to Maintain Coverage.** Should Franchisee not procure and maintain insurance coverage as required by this Agreement, or if not produced by Franchisee upon request by Franchisor, Franchisor has the right (but not the obligation) to immediately procure such insurance coverage and to charge the premiums to Franchisee, which charges, together with a reasonable fee for expenses incurred by Franchisor in connection with such procurement, shall be payable by Franchisee immediately upon notice.

ARTICLE 17

RIGHTS AND DUTIES UPON EXPIRATION OR TERMINATION

17.1 **Actions to be Taken.** Except as otherwise provided herein, upon termination or expiration of the Franchise, this Agreement and all rights granted hereunder to Franchisee shall terminate and Franchisee shall:

(a) immediately cease to operate the Franchised Business and shall not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former franchisee of Franchisor;

(b) cease to use the Trade Secrets and other Confidential Information, the System and the Marks including, without limitation, all signs, slogans, symbols, logos, advertising materials, stationery, forms and any other items that display or are associated with the Marks;

(c) upon demand by Franchisor, immediately assign (or, if an assignment is prohibited, sublease for the full remaining term, and on the same terms and conditions as Franchisee's lease) its interest in the lease then in effect for the Approved Location to Franchisor and Franchisee shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement, and Franchisor has the right to pay rent and other expenses directly to the party to whom such payment is ultimately due;

(d) take such action as may be necessary to cancel or assign to Franchisor, at Franchisor's option, any assumed name or equivalent registration filed with state, city or county authorities that contains the name "HAND AND STONE" or any other Marks, and Franchisee shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement;

(e) pay all sums owing to Franchisor and any Affiliate, which may include, but not be limited to, all damages, costs and expenses, including reasonable attorneys' fees, unpaid Royalty Fees, Marketing Fund Contributions, Local Advertising Fees, amounts owed for the purchase of products, and any other amounts due to Franchisor or any Affiliates;

(f) pay to Franchisor all costs and expenses, including reasonable attorneys' fees, incurred by Franchisor subsequent to the termination or expiration of the Franchise in obtaining injunctive or other relief for the enforcement of any provisions of this Agreement;

(g) immediately return to Franchisor the Manual, Trade Secrets and all other Confidential Information including records, files, instructions, brochures, agreements, disclosure statements and any and all other materials provided by Franchisor to Franchisee relating to the operation of the Franchised Business (all of which are acknowledged to be Franchisor's property);

(h) if required by the applicable telephone service provider, assign all telephone listings and numbers for the Franchised Business to Franchisor and shall notify the telephone company and all listing agencies of the termination or expiration of Franchisee's right to use any telephone numbers or facsimile numbers associated with the Marks in any regular, classified or other telephone directory listing and shall authorize transfer of same to or at the direction of Franchisor; and

(i) comply with all other applicable provisions of this Agreement applicable following termination or expiration.

17.2 **Post-Termination Non-Competition Covenants:**

Franchisee acknowledges that the restrictive covenants contained in this Section and in Section 7 are fair and reasonable and are justifiably required for purposes including, but not limited to, the following:

- (a) to protect the Trade Secrets and other Confidential Information of Franchisor;
- (b) to induce Franchisor to grant a Franchise to Franchisee; and
- (c) to protect Franchisor against its costs in training Franchisee and its officers, directors, executives, and Designated Managers.

17.2.1 Franchisee acknowledges and agrees that (i) the terms of the non-competition covenant set forth in this Article 17 are reasonable both in time and in scope of geographic area, (ii) Franchisee's use or enforcement of covenants similar to those described in this Article with respect to other HAND AND STONE franchisees benefits Franchisee and prevents others from unfairly competing with the Franchised Business; and (iii) Franchisee and its owners have sufficient resources and business experience and opportunities to earn an adequate living while complying with the terms of this Agreement. Franchisee hereby waives any right to challenge these restrictions as being overly broad, unreasonable or otherwise unenforceable. If, however, a court of competent jurisdiction determines that any such restriction is unreasonable or unenforceable, then Franchisee shall submit to the reduction of any such activity, time period or geographic restriction necessary to enable the court to enforce such restrictions to the fullest extent permitted under applicable law. It is the desire and intent of the parties that the provisions of this Agreement shall be enforced to the fullest extent permissible under the applicable laws.

17.2.2 Except as otherwise approved in writing by Franchisor, neither Franchisee, nor any holder of a legal or beneficial interest in Franchisee, nor any officer, director, member, manager, shareholder,

partner, owner, executive, or Designated Manager (collectively, the “Restricted Parties”), shall, for a continuous, uninterrupted period of two (2) years after the expiration, transfer, or termination of this Agreement, regardless of the cause of termination, either directly or indirectly, for themselves or through, on behalf of or in conjunction with, any person, persons, partnership, corporation, limited liability company or other business entity:

- (a) own, maintain, manage, operate, be employed as an officer, director or principal of, lend money to, or provide services or assistance to, or have any interest in any Competitive Business that is located or operating (a) at the Approved Location;
- (b) within a twenty (20) mile radius of the Approved Location (or within the Protected Territory, if greater), or
- (c) at the site of any other HAND AND STONE franchised business; or
- (d) within a twenty (20) mile radius of the location of any other HAND AND STONE franchise in existence or under construction at the time of termination, transfer or expiration, as applicable.

Franchisee must ensure that all of its employees, officers, directors, partners, members, independent contractors and other persons associated with Franchisee or the Franchised Business who may have access to Confidential Information sign and send to Franchisor a nondisclosure agreement and, to the fullest extent permissible under applicable law, non-competition agreement incorporating the protections set forth in the sample form of Nondisclosure and Non-Competition Agreement attached as Exhibit B. Franchisee acknowledges that it is Franchisee’s obligation to ensure that such form of nondisclosure and noncompetition agreement is prepared in accordance with and is enforceable under applicable law.

17.3 Relief for Breaches of Confidentiality, Non-Solicitation and Non-Competition.

Franchisee acknowledges that an actual or threatened violation of the covenants contained in Article 7 of this Agreement will cause Franchisor immediate and irreparable harm, damage and injury that cannot be fully compensated for by an award of damages or other remedies at law. Accordingly, Franchisor shall be entitled, as a matter of right, to an injunction from any court of competent jurisdiction restraining any further violation by Franchisee of this Agreement, and such right to an injunction shall be cumulative and in addition to, and not in limitation of, any other rights and remedies that Franchisor may have at law or in equity.

17.4 Unfair Competition. If Franchisee operates any other business, Franchisee shall not use any reproduction, counterfeit, copy or colorable imitation of the Marks, either in connection with such other business or the promotion thereof, that is likely to cause confusion, mistake or deception, or that is likely to dilute Franchisor’s rights in the Marks. Franchisee shall not utilize any designation of origin, description or representation that falsely suggests or represents an association or connection with Franchisor. This Section is not intended as an approval of Franchisee’s right to operate other businesses and in no way is it intended to contradict Section 17.1 or 17.2. If Franchisor elects not to receive an assignment or sublease of the Approved Location, Franchisee shall make such modifications or alterations to the Approved Location (including changing telephone and facsimile numbers) immediately upon termination or expiration of this Agreement as may be necessary to prevent any association between Franchisor or the System and any business subsequently operated by Franchisee or others at the Approved Location. Franchisee shall make such specific additional changes to the Approved Location as Franchisor may reasonably request for that purpose including, without limitation, removal of all physical and structural features identifying or distinctive to the System. If Franchisee fails or refuses to comply with the requirements of this Section, Franchisor has the right to enter upon the Approved Location for the purpose of making or causing to be made such changes as may be required, at the expense of Franchisee, which expense Franchisee shall pay upon demand.

17.5 **Franchisor's Option to Purchase Certain Business Assets.** Franchisor has the right (but not the duty), for a period of thirty (30) days after termination or expiration of this Agreement, to purchase any or all assets of the Franchised Business including leasehold improvements, equipment, supplies and other inventory. The purchase price shall be equal to the assets' book value, excluding any goodwill. If Franchisor elects to exercise this option to purchase, it has the right to set off all amounts due from Franchisee under this Agreement, if any, against the purchase price.

17.6 **Survival of Certain Provisions.** All obligations of Franchisor and Franchisee that expressly or by their nature survive the expiration or termination of this Agreement shall continue in full force and effect subsequent to and notwithstanding their expiration or termination and until satisfied or by their nature expire.

17.7 **Liquidated Damages.** Upon termination of this Agreement according to its terms and conditions, Franchisee agrees to pay to Franchisor within fifteen (15) days after the effective date of this Agreement's termination, in addition to the amounts owed hereunder, liquidated damages equal to the average monthly Royalty Fees Franchisee assessed during the twelve (12) months of operation preceding the effective date of termination multiplied by (a) thirty-six (36) (being the number of months in three (3) full years), or (b) the number of months remaining in the Agreement had it not been terminated, whichever is lower.

The parties hereto acknowledge and agree that it would be impracticable to determine precisely the damages Franchisor would incur from this Agreement's termination and the loss of cash flow from Royalty Fees due to, among other things, the complications of determining what costs, if any, Franchisor might have saved and how much the Royalty Fees would have grown over what would have been this Agreement's remaining term. The parties agree that this liquidated damage provision is a reasonable, good faith pre-estimate of such damages.

The liquidated damages provision only covers Franchisor's damages from the loss of cash flow from the Royalty Fees. It does not cover any other damages, including damages to Franchisor's Marks, Confidential Information, reputation with the public and landlords and damages arising from a violation of any provision of this Agreement other than the Royalty Fee section. Franchisee and each of its Owners agree that the liquidated damages provision does not give Franchisor an adequate remedy at law for any default under, or for the enforcement of, any provision of this Agreement other than the Royalty Fee section.

ARTICLE 18

TRANSFERABILITY OF INTEREST

18.1 **Transfer by Franchisor.** Franchisor has the right to sell, transfer, assign and/or encumber all or any part of Franchisor's assets and Franchisor's interest in, and rights and obligations under, this Agreement in Franchisor's sole discretion.

18.2 **Transfer by Franchisee to a Third Party.** The rights and duties of Franchisee as set forth in this Agreement, and the Franchise herein granted, are personal to Franchisee (or its owners), and Franchisor has entered into this Agreement in reliance upon Franchisee's personal or collective skill and financial ability. Accordingly, Franchisee may not sell, assign, convey, give away, pledge, mortgage, sublicense or otherwise transfer, whether by operation of law or otherwise, any interest in this Agreement, the Franchise granted hereby, the Approved Location used in operating the Franchised Business, its assets or any part or all of the ownership interest in Franchisee without the prior written approval of Franchisor. Any purported transfer without such approval shall be null and void and shall constitute a material breach

of this Agreement. If Franchisee is in compliance with this Agreement, Franchisor's consent to such transfer shall be conditioned upon the satisfaction of the following requirements:

- (a) Franchisee has complied with the requirements set forth in Article 19;
- (b) all obligations owed to Franchisor, and all other outstanding obligations relating to the Franchised Business, are fully paid and satisfied;
- (c) Franchisee has executed a general release, in a form the same as or similar to the General Release attached to the Disclosure Document as Exhibit J, of any and all claims against Franchisor, including its officers, directors, shareholders, managers, members, partners, owners and employees, in their corporate and individual capacities including, without limitation, claims arising under federal, state or local laws, rules or ordinances, and any other matters incident to the termination of this Agreement or to the transfer of Franchisee's interest herein or to the transfer of Franchisee's ownership of all or any part of the Franchise; provided, however, that if a general release is prohibited, Franchisee shall give the maximum release allowed by law;
- (d) the prospective transferee has satisfied Franchisor that it meets Franchisor's management, business and financial standards, and otherwise possesses the character and capabilities, including business reputation and credit rating, as Franchisor may require to demonstrate ability to conduct the Franchised Business and prospective transferee/assignee has satisfied Franchisor's training requirements;
- (e) the transferee and, if Franchisor requires, all persons owning any interest in the transferee, have, at Franchisor's option, executed either the then-current Franchise Agreement for new franchisees, which may be substantially different from this Agreement, including different Royalty Fee, Marketing Fund Contribution and Local Advertising Fee rates and other material provisions, of this Agreement; provided, however, the transferee shall not be required to pay an initial franchise fee. If a new franchise agreement is executed, Franchisor has the right to limit its term to the remaining term of this Agreement;
- (f) the transferee has executed a general release, in a form the same as or similar to the General Release attached to the Disclosure Document as Exhibit L, of any and all claims against Franchisor and its officers, directors, shareholders, managers, members, partners, owners and employees, in their corporate and individual capacities, with respect to any representations regarding the Franchise or the business conducted pursuant thereto or any other matter that may have been made to the transferee by Franchisee;
- (g) Franchisee has provided Franchisor with a complete copy of all contracts and agreements and related documentation between Franchisee and the prospective transferee relating to the intended sale or transfer of the Franchise;
- (h) Franchisee, or the transferee, has paid to Franchisor a transfer fee in the amount of fifty percent (50%) of the initial franchise fee payable by all new franchisees at the time of the transfer;
- (i) the transferee shall execute Franchisor's then-current Franchise Agreement for the unexpired term of this Agreement, the terms of which may have different material terms from this Agreement;
- (j) the transferee has obtained all necessary consents and approvals by third parties (such as the lessor of the Approved Location) and all applicable federal, state and local laws, rules, ordinances and requirements applicable to the transfer have been complied with or satisfied;

(k) Franchisee must request that Franchisor provide the prospective transferee with Franchisor's current form of disclosure document and Franchisor will not be liable for any representations not included in the disclosure document;

(l) Franchisee has executed and delivered to Franchisor a nondisclosure and non-competition agreement in a form the same as or similar to the standard form Nondisclosure and Non-Competition Agreement attached as Exhibit B;

(m) the transferee agrees that its Designated Manager shall complete, to Franchisor's satisfaction, a training program in substance similar to the initial training described in Section 8.1 prior to assuming the management of the day-to-day operation of the Franchised Business;

(n) the transferee, if not already operating a Hand and Stone Massage and Facial Spa, has paid Franchisor its then-current onsite transfer training fee (plus travel expenses);

(o) Notwithstanding the foregoing, Franchisee is not permitted to engage in a transfer to a third party during the first year of the initial term of this Agreement.

18.3 **Transfer to a Controlled Entity.** If Franchisee wishes to transfer this Agreement or any interest herein to a corporation, limited liability company or other legal entity that is entirely owned by Franchisee ("Controlled Entity"), which Controlled Entity was formed for the financial planning, tax or other convenience of Franchisee, Franchisor's consent to such transfer shall be conditioned upon the satisfaction of the following requirements subject to applicable state law:

(a) the Controlled Entity is newly organized, and its charter provides that its activities are confined exclusively to the operation of the Franchised Business;

(b) Franchisee owns all of the equity and voting power of the outstanding stock or other capital interest in the Controlled Entity;

(c) all obligations of Franchisee to Franchisor or any Affiliate are fully paid and satisfied; provided, however, that neither Franchisee nor the transferee shall be required to pay a transfer fee as required pursuant to Section 18.2;

(d) the Controlled Entity has entered into a Transfer Agreement with Franchisor, attached hereto as Exhibit C, expressly assuming the obligations of this Agreement and all other agreements relating to the operation of the Franchised Business. If the consent of any other party to any such other agreement is required, Franchisee has obtained such written consent and provided the same to Franchisor prior to consent by Franchisor;

(e) all holders of a legal or beneficial interest in the Controlled Entity have entered into an agreement with Franchisor jointly and severally guaranteeing the full payment of the Controlled Entity's obligations to Franchisor and the performance by the Controlled Entity of all the obligations of this Agreement;

(f) each stock certificate or other ownership interest certificate of the Controlled Entity has conspicuously endorsed upon the face thereof a statement in a form satisfactory to Franchisor that it is held subject to, and that further assignment or transfer thereof is subject to, all restrictions imposed upon transfers and assignments by this Agreement; and

(g) copies of the Controlled Entity's articles of incorporation, bylaws, operating agreement, and other governing regulations or documents, including resolutions of the board of directors authorizing entry into this Agreement, have been promptly furnished to Franchisor. Any amendment to any such documents shall also be furnished to Franchisor immediately upon adoption.

The term of the transferred franchise shall be the unexpired term of this Agreement, including all renewal rights, subject to any and all conditions applicable to such renewal rights.

Franchisor's consent to a transfer of any interest in this Agreement, or of any ownership interest in the Franchised Business, shall not constitute a waiver of any claims Franchisor may have against the transferor or the transferee, nor shall it be deemed a waiver of Franchisor's right to demand compliance with the terms of this Agreement.

18.4 **Franchisor's Disclosure to Transferee.** Franchisor has the right, without liability of any kind or nature whatsoever to Franchisee, to make available for inspection by any intended transferee of Franchisee all or any part of Franchisor's records relating to this Agreement, the Franchised Business or to the history of the relationship of the parties hereto. Franchisee hereby specifically consents to such disclosure by Franchisor and shall release and hold Franchisor harmless from and against any claim, loss or injury resulting from an inspection of Franchisor's records relating to the Franchised Business by an intended transferee identified by Franchisee.

18.5 **For-Sale Advertising.** Franchisee shall not, without prior written consent of Franchisor, place in, on or upon the location of the Franchised Business, or in any communication media, any form of advertising relating to the sale of the Franchised Business or the rights granted hereunder.

18.6 **Transfer by Death or Incapacity.** Upon the death or incapacity (as determined by a court of competent jurisdiction) of any individual Franchisee, the appropriate representative of such person (whether administrator, personal representative or trustee) will, within a reasonable time not exceeding one hundred eighty (180) days following such event, transfer such individual's interest in the Franchised Business or in Franchisee to a third party approved by Franchisor. Such transfers, including transfers by will or inheritance, shall be subject to the conditions for assignments and transfers contained in this Agreement. During such one hundred eighty (180) day period, the Franchised Business must remain at all times under the primary management of a Designated Manager who otherwise meets Franchisor's management qualifications.

ARTICLE 19

RIGHT OF FIRST REFUSAL

19.1 **Submission of Offer.** If Franchisee, or any of its owners, proposes to sell the Franchised Business (or any of its assets outside of the normal course of business), any ownership interest in Franchisee or any ownership interest in the Franchise granted hereunder, Franchisee shall obtain and deliver a *bona fide*, executed written offer or proposal to purchase, along with all pertinent documents including any contract or due diligence materials, to Franchisor. The offer must apply only to an approved sale of the assets or interests listed above and may not include any other property or rights of Franchisee or any of its owners.

19.2 **Franchisor's Right to Purchase.** Franchisor shall, for sixty (60) days from the date of delivery of all such documents, have the right, exercisable by written notice to Franchisee, to purchase the offered assets or interest for the price and on the same terms and conditions contained in such offer communicated to Franchisee. Franchisor has the right to substitute cash or cash equivalents for the fair market value of any form of payment proposed in such offer. Franchisor's credit shall be deemed at least

equal to the credit of any proposed buyer. After providing notice to Franchisee of Franchisor's intent to exercise this right of first refusal, Franchisor shall have up to one hundred twenty (120) days to close the purchase. Franchisor shall be entitled to receive from Franchisee all customary representations and warranties given by Franchisee as the seller of the assets or such ownership interest or, at Franchisor's election, such representations and warranties contained in the proposal.

19.3 **Non-Exercise of Right of First Refusal.** If Franchisor does not exercise this right of first refusal within sixty (60) days, the offer or proposal may be accepted by Franchisee or any of its owners, subject to Franchisor's prior written approval as required by Section 18.2 and the other terms and conditions of Section 18. Should the sale fail to close within one hundred twenty (120) days after the offer is delivered to Franchisor, Franchisor's right of first refusal shall renew and be implemented in accordance with this Section.

ARTICLE 20

RELATIONSHIP AND INDEMNIFICATION

20.1 **Relationship.** This Agreement is purely a contractual relationship between the parties and does not appoint or make Franchisee an agent, legal representative, joint venturer, partner, employee, servant or independent contractor of Franchisor for any purpose whatsoever. Franchisee may not represent or imply to third parties that Franchisee is an agent of Franchisor, and Franchisee is in no way authorized to make any contract, agreement, warranty or representation on behalf of Franchisor, or to create any obligation, express or implied, on Franchisor's behalf. During the term of this Agreement, and any extension or renewal hereof, Franchisee shall hold itself out to the public only as a franchisee and an independent owner of the Franchised Business operating the Franchised Business pursuant to a franchise from Franchisor. Franchisee shall take such affirmative action as may be necessary to do so including, without limitation, exhibiting a notice of that fact in a conspicuous place on the Approved Location and on all forms, stationery or other written materials, the content of which Franchisor has the right to specify. Under no circumstances shall Franchisor be liable for any act, omission, contract, debt or any other obligation of Franchisee. Franchisor shall in no way be responsible for any injuries to persons or property resulting from the operation of the Franchised Business. Neither this Agreement nor Franchisor's course of conduct is intended, nor may anything in this Agreement (nor Franchisor's course of conduct) be construed to state or imply that Franchisor is the employer of Franchisee's employees and/or independent contractor, nor vice versa. Any third-party contractors and vendors retained by Franchisee to convert or construct the premises are independent contractors of Franchisee alone.

20.2 **Standard of Care.** This Agreement does not establish a fiduciary relationship between the parties. Unless otherwise specifically provided in this Agreement with respect to certain issues, whenever this Agreement requires Franchisee to obtain Franchisor's written consent or permits Franchisee to take any action or refrain from taking any action, Franchisor is free to act in its own self-interest without any obligation to act reasonably, to consider the impact on Franchisee or to act subject to any other standard of care limiting Franchisor's right, except as may be provided by statute or regulation.

20.3 **Indemnification** To the fullest extent permissible under applicable law, Franchisee shall defend, hold harmless, and indemnify Franchisor, and all of its past, present, and future (i) Affiliates, (ii) holders of a legal or beneficial interest in Franchisor, and (iii) officers, directors, executives, managers, members, partners, owners, employees, agents, successors and assigns (collectively "Franchisor Indemnitees") from and against all losses, damages, fines, costs, expenses or liability (including attorneys' fees and all other costs of litigation) (collectively, "**Losses**") incurred in connection with any action, suit, demand, claim, investigation or proceeding, or any settlement thereof, that arises from or is based upon Franchisee's (a) ownership or operation of the Franchised Business; (b) violation, breach or asserted violation or breach of any federal, state or local law, regulation or rule; (c) breach of any representation,

warranty, covenant, or provision of this Agreement or any other agreement between Franchisee and Franchisor (or an Affiliate); (d) defamation of Franchisor or the System; (e) acts, errors or omissions committed or incurred in connection with Franchisee's ownership or operation of the Franchised Business, including any negligent or intentional acts; (f) infringement, violation or alleged infringement or violation of any Mark, patent or copyright or any misuse of the Confidential Information; (g) infringement, violation or alleged infringement or violation of any patent, trademark or copyright or other rights controlled by third parties; (h) latent or other defects in the Franchised Business whether or not discoverable by Franchisor or Franchisee; or (i) any services or products provided by any affiliated or non-affiliated participating entity.

It is the intention of the parties to this Agreement that Franchisor shall not be deemed a joint employer with Franchisee for any reason; however, Franchisee will, at its sole expense, defend, fully protect, indemnify and hold harmless, Franchisor Indemnitees, from any and all Losses arising in any manner, directly or indirectly, out of or in connection with or incidental to the actions or omissions of Franchisee's employees or independent contractors or allegations that Franchisor is the joint employer of Franchisee's employees. This indemnification obligation includes without limitation, Losses alleged to have been caused by the Franchisor Indemnitees' negligence, but excludes Losses that are determined, in a final, unappealable ruling issued by a court or arbitrator with competent jurisdiction, to be caused solely by the Franchisor Indemnitees' negligence or willful misconduct. Notwithstanding the foregoing, where joint liability is alleged against Franchisee and any of the Franchisor Indemnitees, this indemnification obligation shall extend only to any finding of comparative or contributory negligence attributable to Franchisee.

20.4 Right to Retain Counsel. Franchisor shall give Franchisee immediate notice of any such action, suit, demand, claim, investigation or proceeding that may give rise to a claim for indemnification by a Franchisor Indemnitee. Franchisor has the right to retain counsel of its own choosing in connection with any such action, suit, demand, claim, investigation or proceeding. In order to protect persons, property, Franchisor's reputation or the goodwill of others, Franchisor has the right to, at any time without notice, take such remedial or corrective actions as it deems expedient with respect to any action, suit, demand, claim, investigation or proceeding if, in Franchisor's sole judgment, there are grounds to believe any of the acts or circumstances listed above have occurred. Franchisee shall cooperate with Franchisor in its handling of any such action, suit, demand, claim, investigation or proceeding. If Franchisor's exercise of its rights under this Section causes any of Franchisee's insurers to refuse to pay a third-party claim, all cause of action and legal remedies Franchisee might have against such insurer shall automatically be assigned to Franchisor without the need for any further action on either party's part. Under no circumstances shall Franchisor be required or obligated to seek coverage from third parties or otherwise mitigate losses in order to maintain a claim against Franchisee. The failure to pursue such remedy or mitigate such loss shall in no way reduce the amounts recoverable by Franchisor from Franchisee.

20.5 Indemnification for Use of Marks. Franchisor agrees to indemnify and hold Franchisee harmless for all damages and expenses it may incur in any trademark infringement proceeding disputing Franchisee's authorized use of any Mark under this Agreement; provided Franchisee has timely notified Franchisor of the proceeding, has used the Mark in full compliance with Franchisor's standards and specification, and complies with Franchisor's directions in responding to the proceeding. At Franchisor's option, Franchisor may defend and control the defense of any proceeding relating to any Mark; provided Franchisor may not settle any such dispute without Franchisee's prior written consent unless, in connection with such settlement, Franchisee shall not be obligated to pay any amounts in settlement and Franchisee receives a general release of all claims.

ARTICLE 21

GENERAL CONDITIONS AND PROVISIONS

21.1 **No Waiver.** No failure of Franchisor to exercise any power reserved to it hereunder, or to insist upon strict compliance by Franchisee with any obligation or condition hereunder, and no custom nor practice of the parties in variance with the terms hereof, shall constitute a waiver of Franchisor's right to demand exact compliance with the terms of this Agreement. Waiver by Franchisor of any particular default by Franchisee shall not be binding unless in writing and executed by Franchisor and shall not affect nor impair Franchisor's right with respect to any subsequent default of the same or of a different nature. Subsequent acceptance by Franchisor of any payment(s) due shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

21.2 **Injunctive Relief.** As any breach by Franchisee of any of the restrictions contained in Sections 6, 7, 9 and 17 would result in irreparable injury to Franchisor, and as the damages arising out of any such breach would be difficult to ascertain, in addition to all other remedies provided by law or in equity, Franchisor shall be entitled to seek injunctive relief (whether a restraining order, a preliminary injunction or a permanent injunction), without posting a bond, against any such breach, whether actual or contemplated.

21.3 **Notices.** All notices required or permitted under this Agreement shall be in writing and shall be deemed received: (a) at the time delivered by hand to the recipient party (or to an officer, director or partner of the recipient party); (b) on the next business day after transmission by facsimile or other reasonably reliable electronic communication system; (c) two (2) business days after being sent via guaranteed overnight delivery by a commercial courier service; or (d) five (5) business days after being sent by Registered Mail, return receipt requested. Either party may change its address by a written notice sent in accordance with this Section 21.3. All notices, payments and reports required by this Agreement shall be sent to Franchisor at the following address:

Hand and Stone Franchise LLC

1210 Northbrook Drive
Suite 150
Trevose, PA 19053

With a copy to: Fisher Zucker LLC

21.4 **Approvals.** Whenever this Agreement requires the prior approval or consent of Franchisor, Franchisee shall make a timely written request to Franchisor therefor and, except as otherwise provided herein, any approval or consent granted shall be effective only if in writing. Franchisor makes no warranties or guarantees upon which Franchisee may rely, and assumes no liability or obligation to Franchisee or any third party to which it would not otherwise be subject, by providing any waiver, approval, advice, consent or services to Franchisee in connection with this Agreement, or by reason of any neglect, delay or denial of any request therefor.

21.5 **Entire Agreement.** This Agreement, its exhibits and the documents referred to herein shall be construed together and constitute the entire, full and complete agreement between Franchisor and Franchisee concerning the subject matter hereof and shall supersede all prior agreements; provided, however, that nothing in this or any related agreement is intended to disclaim the representations made by Franchisor in the Disclosure Document that was furnished to Franchisee by Franchisor. No other representation, oral or otherwise, has induced Franchisee to execute this Agreement, and there are no representations (other than those within Franchisor's HAND AND STONE Disclosure Document),

inducements, promises or agreements, oral or otherwise, between the parties not embodied herein, that are of any force or effect with respect to the matters set forth in or contemplated by this Agreement or otherwise. No amendment, change or variance from this Agreement shall be binding on either party unless executed in writing by both parties.

21.6 **Severability and Modification.** Except as noted below, each paragraph, part, term and provision of this Agreement shall be considered severable. If any paragraph, part, term or provision herein is ruled to be unenforceable, unreasonable or invalid, such ruling shall not impair the operation of or affect the remaining portions, paragraphs, parts, terms and provisions of this Agreement, and the latter shall continue to be given full force and effect and bind the parties; and such unenforceable, unreasonable or invalid paragraphs, parts, terms or provisions shall be deemed not part of this Agreement. If Franchisor determines that a finding of invalidity adversely affects the basic consideration of this Agreement, Franchisor has the right to, at its option, terminate this Agreement.

Notwithstanding the above, each of the covenants contained in Sections 7 and 17 shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of any such covenant is held to be unenforceable, unreasonable or invalid, then it shall be amended to provide for limitations on disclosure of Trade Secrets and other Confidential Information or on competition to the maximum extent provided or permitted by law.

21.7 **Construction.** All captions herein are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof.

21.8 **Force Majeure.** Whenever a period of time is provided in this Agreement for either party to perform any act, except for Franchisee's payment of monies to Franchisor, neither party shall be liable nor responsible for any delays due to strikes, lockouts, casualties, acts of God, global health pandemics, war, terrorism, governmental regulation or control or other causes beyond the reasonable control of the parties, and the time period for the performance of such act shall be extended for the amount of time of the delay. This clause shall not result in an extension of the term of this Agreement.

21.9 **Timing.** Time is of the essence; except as set forth in Section 21.8, failure to perform any act within the time required or permitted by this Agreement shall be a material breach.

21.10 **Withholding Payments.** Franchisee shall not, for any reason, withhold payment of any Royalty Fees or other amounts due to Franchisor or to an Affiliate. Franchisee shall not withhold or offset any amounts, damages or other monies allegedly due to Franchisee against any amounts due to Franchisor. No endorsement or statement on any payment for less than the full amount due to Franchisor will be construed as an acknowledgment of payment in full, or an accord and satisfaction, and Franchisor has the right to accept and cash any such payment without prejudice to Franchisor's right to recover the full amount due, or pursue any other remedy provided in this Agreement or by law. Franchisor has the right to apply any payments made by Franchisee against any of Franchisee's past due indebtedness as Franchisor deems appropriate. Franchisor shall set off sums Franchisor owes to Franchisee against any unpaid debts owed by Franchisee to Franchisor.

21.11 **Further Assurances.** Each party to this Agreement will execute and deliver such further instruments, contracts, forms or other documents, and will perform such further acts, as may be necessary or desirable to perform or complete any term, covenant or obligation contained in this Agreement.

21.12 **Third-Party Beneficiaries.** Anything to the contrary notwithstanding, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Franchisor

or Franchisee, and their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under this Agreement.

21.13 **Multiple Originals.** Both parties will execute multiple copies of this Agreement, and each executed copy will be deemed an original.

21.14 **Compliance with Anti-Terrorism Laws.** Franchisee and its owners agree to comply, and to assist Franchisor to the fullest extent possible in its efforts to comply with Anti-Terrorism Laws (defined below). In connection with that compliance, Franchisee and its owners certify, represent, and warrant that none of Franchisee's property or interests is subject to being blocked under, and that Franchisee and its owners otherwise are not in violation of, any of the Anti-Terrorism Laws. "Anti-Terrorism Laws" mean Executive Order 13224 issued by the President of the United States, the USA PATRIOT Act, and all other present and future federal, state, and local laws, ordinances, regulations, policies, lists, and other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war. Any violation of the Anti-Terrorism Laws by Franchisee or its owners, or any blocking of Franchisee or its owners' assets under the Anti-Terrorism Laws, shall constitute good cause for immediate termination of this Agreement.

ARTICLE 22

DISPUTE RESOLUTION

22.1 **Choice of Law.** Except to the extent this Agreement or any particular dispute is governed by the U.S. Trademark Act of 1946 or other federal law, this Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania (without reference to its conflict of laws principles). The Federal Arbitration Act shall govern all matters subject to arbitration. References to any law refer also to any successor laws and to any published regulations for such law as in effect at the relevant time. References to a governmental agency also refer to any regulatory body that succeeds the function of such agency.

22.2 **Cumulative Rights and Remedies.** No right or remedy conferred upon or reserved to Franchisor or Franchisee by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be in addition to every other right or remedy. Nothing contained herein shall bar Franchisor's right to obtain injunctive relief against threatened conduct that may cause it loss or damages, including obtaining restraining orders and preliminary and permanent injunctions.

22.3 **Limitations of Claims.** Any claim concerning the Franchised Business or this Agreement or any related agreement will be barred unless an action for a claim is commenced within one (1) year from the date on which Franchisee knew or should have known, in the exercise of reasonable diligence, of the facts giving rise to the claim.

22.4 **Limitation of Damages.** Except as set forth in Section 17.7 of this Agreement, each party hereto waives, to the fullest extent permitted by law, any right or claim for any punitive or exemplary damages against the other and agree that if there is a dispute with the other, each will be limited to the recovery of actual damages sustained by it including reasonable accounting and legal fees. Franchisee waives and disclaims any right to consequential damages in any action or claim against Franchisor concerning this Agreement or any related agreement. In any claim or action brought by Franchisee against Franchisor concerning this Agreement, Franchisee's contract damages shall not exceed and shall be limited to refund of Franchisee's Franchise Fee and Royalty Fee payments.

22.5 **Waiver of Jury Trial.** FRANCHISEE AND FRANCHISOR EACH IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, WHETHER AT LAW OR EQUITY, BROUGHT BY EITHER OF THEM.

22.6 **Non-Binding Mediation.** At Franchisor's option, all claims or disputes between Franchisee and Franchisor or its affiliates arising out of, or in any way relating to, this Agreement or any other agreement by and between Franchisee and Franchisor or its affiliates, or any of the parties' respective rights and obligations arising from such agreement, must be submitted first to mediation, in Philadelphia, Pennsylvania, under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any arbitration action against Franchisor or its affiliates with respect to any such claim or dispute, Franchisee must submit a notice to Franchisor, which specifies, in detail, the precise nature and grounds of such claim or dispute. Franchisor will have a period of 30 days following receipt of such notice within which to notify Franchisee as to whether Franchisor or its affiliates elect to exercise our option to submit such claim or dispute to mediation. Franchisee may not commence an arbitration action against Franchisor or its affiliates with respect to any such claim or dispute unless Franchisor fails to exercise its option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by Franchisor. Franchisor may specifically enforce its rights to mediation, as set forth under this Agreement. Each party shall bear its own cost of mediation. The mediator's fee shall be shared equally by the parties. Submission of a dispute to Non-Binding Mediation shall not toll or extend any statute of limitations or the Limitation of Claims period specified above.

22.7 **Binding Arbitration.** Except for claims of a breach of this Agreement by Franchisee of any of the Sections identified in Section 21.2 of this Agreement to which Franchisor shall have the right to injunctive relief from any court of competent jurisdiction in addition to all other available relief at law and in equity, if the parties have not resolved their dispute via non-binding mediation pursuant to Section 22.6 hereof, the dispute shall be submitted to arbitration which shall be binding on the parties hereto. The following shall supplement and, in the event of a conflict, shall govern any arbitration: If the claim is for less than \$50,000 then the matter shall be heard before a single arbitrator selected from the AAA list of arbitrators. If the claim, or a counterclaim, is for \$50,000 or more, the matter shall be heard before a panel of three (3) arbitrators and each party shall appoint its own arbitrator, and the appointed arbitrators shall appoint a "neutral" arbitrator who shall be a member of the American Bar Association's Forum on Franchising in good standing for at least five (5) years. Each party must bear its own costs of arbitration including the fee for their respective arbitrator, provided, however, that the neutral or the single arbitrator's fee shall be shared equally by the parties. The Arbitrator shall apply the substantive law of Pennsylvania. Unless the parties to the arbitration agree otherwise, the arbitration proceeding shall take place in Philadelphia, Pennsylvania. The arbitrators will be bound to the Federal Rules of Evidence and Discovery and shall be governed by the Federal Rules of Civil Procedure. The arbitrators shall have no authority to determine class action claims or other consolidated claims and shall have no authority to amend or modify the terms of the Agreement. To the extent permitted by applicable law, no issue of fact or law shall be given preclusive or collateral estoppel effect in any arbitration, except to the extent such issue may have been determined in another proceeding between the parties. Judicial review of the Arbitrator's award may be sought only upon the grounds of fraud, corruption, misconduct or erroneous conclusions of law. Judgment upon the award of the arbitrator shall be submitted for confirmation to the United States District Court for the Eastern District of Pennsylvania and, if confirmed, may be subsequently entered in any court having competent jurisdiction. This agreement to arbitrate shall survive any termination or expiration of this Agreement. Service of the Petition to Confirm Arbitration and the written notice of the time and place of hearing on the Petition to Confirm the Award of the Arbitrator shall be made in the same manner provided in Section 21.3 with respect to all notices. This agreement to arbitrate shall survive any termination or expiration of this Agreement.

22.8 **Attorneys' Fees.** Franchisee must pay all reasonable attorneys' fees, court costs and expenses Franchisor incurs whether or not formal arbitration or judicial proceedings are initiated by Franchisor against Franchisee for a breach of any monetary or non-monetary material obligation under this Agreement. If Franchisee institutes any arbitration or legal action against Franchisor to interpret or enforce the terms of this Agreement, and Franchisee's claims in such an action are denied or the action is dismissed, Franchisor is entitled to recover its reasonable attorneys' fees, and all other reasonable costs and expenses incurred in defending against same, and to have such an amount awarded as part of the judgment in the proceeding.

ARTICLE 24

OPERATION IN THE EVENT OF ABSENCE OR DISABILITY; STEP-IN RIGHTS

24.1 **Operation in the Event of Absence or Disability.** In order to prevent any interruption of the Franchised Business operations which would cause harm to the Franchised Business, thereby depreciating the value thereof, Franchisee authorizes Franchisor, who may, at its option, in the event that Franchisee is absent for any reason or is incapacitated by reason of illness and is unable, in the sole and reasonable judgment of Franchisor, to operate the Franchised Business, operate the Franchised Business

for so long as Franchisor deems necessary and practical, and without waiver of any other rights or remedies Franchisor may have under this Agreement. All monies from the operation of the Franchised Business during such period of operation by Franchisor shall be kept in a separate account, and the expenses of the Franchised Business, including reasonable compensation and expenses for Franchisor’s representative, shall be charged to such account. If, as herein provided, Franchisor temporarily operates the Franchised Business franchised herein for Franchisee, Franchisee agrees to indemnify and hold harmless Franchisor and any representative of Franchisor who may act hereunder, from any and all acts which Franchisor may perform, as regards the interests of Franchisee or third parties.

24.2 **Step-In Rights – Cause for Step-In.** If Franchisor determines in its sole judgment that the operation of Franchisee’s Franchised Business is in jeopardy, or if a default occurs, then in order to prevent an interruption of the Franchised Business which would cause harm to the System and thereby lessen its value, Franchisee authorizes Franchisor to operate his/her Franchised Business for as long as Franchisor deems necessary and practical, and without waiver of any other rights or remedies which Franchisor may have under this Agreement. In the sole judgment of Franchisor, Franchisor may deem Franchisee incapable of operating the Franchised Business if, without limitation, Franchisee is absent or incapacitated by reason of illness or death; Franchisee has failed to pay when due or has failed to remove any and all liens or encumbrances of every kind placed upon or against Franchisee’s Franchised Business; or Franchisor determines that operational problems require that Franchisor operate Franchisee’s Franchised Business for a period of time that Franchisor determines, in its sole discretion, to be necessary to maintain the operation of the Franchised Business as a going concern.

24.3 **Step-In Rights – Duties of Parties.** Franchisor shall keep in a separate account all monies generated by the operation of Franchisee’s Franchised Business, less the expenses of the Franchised Business, including reasonable compensation and expenses for Franchisor’s representatives. In the event of the exercise of the Step-In Rights by Franchisor, Franchisee agrees to hold harmless Franchisor and its representatives for all actions occurring during the course of such temporary operation. Franchisee agrees to pay all of Franchisor’s reasonable attorneys’ fees and costs incurred as a consequence of Franchisor’s exercise of its Step-In Rights. Nothing contained herein shall prevent Franchisor from exercising any other right which it may have under this Agreement, including, without limitation, termination.

EXHIBIT B TO THE FRANCHISE AGREEMENT
NONDISCLOSURE AND NON-COMPETITION AGREEMENT

This “Agreement” made as of the ____ day of _____, 20____, by and between _____, (“Franchisee”) (d/b/a a HAND AND STONE Franchise) and _____ (“Individual”).

W I T N E S S E T H:

WHEREAS, Franchisee is a party to that certain Franchise Agreement dated _____, 20____ (“Franchise Agreement”) by and between Franchisee and Hand and Stone Franchise LLC (“Company”); and

WHEREAS, Franchisee desires Individual to have access to and review certain Trade Secrets and other Confidential Information, which are more particularly described below; and

WHEREAS, Franchisee is required by the Franchise Agreement to have Individual execute this Agreement prior to providing Individual access to said confidential materials; and

WHEREAS, Individual understands the necessity of not disclosing any such information to any other party or using such information to compete against Company, Franchisee or any other franchisee of Company in the same or a similar business, (“Competitive Business”) now or in the future.

NOW, THEREFORE, in consideration of the mutual promises and undertakings set forth herein, and intending to be legally bound hereby, the parties hereby mutually agree as follows:

1. Trade Secrets and Confidential Information

Individual understands Franchisee possesses and will possess Trade Secrets and other Confidential Information that are important to its business. For the purposes of this Agreement, a “Trade Secret” is information in any form (including, but not limited to, massage therapy protocols, materials and techniques, technical or non-technical data, formulas, patterns, compilations, programs, devices, methods, techniques, drawings, processes, financial data, financial plans, product plans, passwords, lists of actual or potential clients or suppliers) related to or used in HAND AND STONE franchises that is not commonly known by or available to the public and that information: (a) derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; and (b) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy. For the purposes of this Agreement “Confidential Information” means technical and non-technical information related to or used in HAND AND STONE franchises that is not commonly known by or available to the public, including, without limitation, Trade Secrets and any other information identified as confidential when delivered by Franchisor. Confidential Information shall not include, however, any information that: (a) is now or subsequently becomes generally available to the public through no fault of Franchisee; (b) Franchisee can demonstrate was rightfully in its possession, without obligation of nondisclosure, prior to disclosure pursuant to this Agreement; (c) is independently developed without the use of any Confidential Information; or (d) is rightfully obtained from a third party who has the right, without obligation of nondisclosure, to transfer or disclose such information. Any information expressly designated by Company as “Trade Secrets” or “Confidential Information” shall be deemed such for all purposes of this Agreement, but the absence of designation shall not relieve Individual of his or her obligations hereunder in respect of information otherwise constituting Trade Secrets or Confidential Information. Individual understands Franchisee’s providing of access to the Trade Secrets

and other Confidential Information creates a relationship of confidence and trust between Individual and Franchisee with respect to the Trade Secrets and other Confidential Information.

2. Confidentiality/Non-Disclosure

a) Individual shall not communicate or divulge to (or use for the benefit of) any other person, firm, association, or corporation, with the sole exception of Franchisee, now or at any time in the future, any Trade Secrets, or other Confidential Information

b) Individual's obligations under paragraph 2(a) of this Agreement shall continue in effect after termination of Individual's relationship with Franchisee, regardless of the reason or reasons for termination, and whether such termination is voluntary or involuntary, and Franchisee is entitled to communicate Individual's obligations under this Agreement to any future client or employer to the extent deemed necessary by Franchisee for protection of its rights hereunder and regardless of whether Individual or any of its affiliates or assigns becomes an investor, partner, joint venturer, broker, distributor or the like in the HAND AND STONE System.

3. Non-Competition

a) During the term of employment and for a period of two (2) years after employment, Individual shall not, directly or indirectly, carry on, be engaged in or take part in, render services to, or own or share in the earnings of any Competitive Business anywhere within: (1) twenty (20) miles of the premises of Franchisee's HAND AND STONE franchise located at: _____ or (2) twenty (20) miles of any HAND AND STONE MASSAGE SPA without the express written consent of Franchisee.

b) "Competitive Business" means any business: (a) that offers (or grants franchises or licenses to others to operate a business that offers) any of the following services: massage, facial, skincare, face and body contouring, face and body sculpting, waxing services and any other spa services the same as or similar to those offered by the Franchised Business or any other HAND AND STONE franchises, or (b) any skincare products, waxing products, and any other goods that are the same or similar to those offered by the Franchised Business or any other HAND AND STONE franchises; or (c) in which Trade Secrets and other Confidential Information could be used to the disadvantage of Franchisor, any Affiliate or other HAND AND STONE franchisees; provided, however, that the term "Competitive Business" shall not apply to (a) any business operated by Franchisee under a Franchise Agreement with Franchisor, or (b) any business operated by a publicly-held entity in which Franchisee owns less than a five percent (5%) legal or beneficial interest

4. Reasonableness of Restrictions

Franchisee acknowledges that each of the terms set forth herein, including the restrictive covenants, is fair and reasonable and is reasonably required for the protection of Franchisee, Company, and Company's Trade Secrets and other Confidential Information, the System and the Marks, and Individual waives any right to challenge these restrictions as being overly broad, unreasonable or otherwise unenforceable. If, however, a court of competent jurisdiction determines that any such restriction is unreasonable or unenforceable, then Individual shall submit to the reduction of any such activity, time period or geographic restriction necessary to enable the court to enforce such restrictions to the fullest extent permitted under applicable law. It is the desire and intent of the parties that the provisions of this Agreement shall be enforced to the fullest extent permissible under the laws and public policies applied in any jurisdiction where enforcement is sought.

5. Relief for Breaches of Confidentiality and Non-Competition

Individual further acknowledges that an actual or threatened violation of the covenants contained in this Agreement will cause Franchisee and Company immediate and irreparable harm, damage and injury that cannot be fully compensated for by an award of damages or other remedies at law. Accordingly, Franchisee and Company shall be entitled, as a matter of right, to an injunction from any court of competent jurisdiction restraining any further violation by Individual of this Agreement, such right to an injunction shall be cumulative and in addition to, and not in limitation of, any other rights and remedies that Franchisee and Company may have at law or in equity.

6. Miscellaneous

a) This Agreement constitutes the entire Agreement between the parties with respect to the subject matter hereof. This Agreement supersedes any prior agreements, negotiations and discussions between Individual and Franchisee. This Agreement cannot be altered or amended except by an agreement in writing signed by the duly authorized representatives of the parties.

b) Individual shall reimburse Franchisee for any and all costs and attorney fees incurred by Franchisee in the enforcement of the terms of this Agreement.

c) This Agreement shall be effective as of the date this Agreement is executed and shall be binding upon the successors and assigns of Individual and shall inure to the benefit of Franchisee, its subsidiaries, successors and assigns. Company is an intended third-party beneficiary of this Agreement with the independent right to enforce the confidentiality and non-competition provisions contained herein.

d) The failure of either party to insist in any one (1) or more instances upon performance of any terms and conditions of this Agreement shall not be construed a waiver of future performance of any such term, covenant or condition of this Agreement and the obligations of either party with respect thereto shall continue in full force and effect.

e) The paragraph headings in this Agreement are included solely for convenience and shall not affect, or be used in connection with, the interpretation of this Agreement.

f) In the event that any part of this Agreement shall be held to be unenforceable or invalid, the remaining parts hereof shall nevertheless continue to be valid and enforceable as though the invalid portions were not a part hereof.

OPERATIVE TERMS

The Franchisor and the Franchisee agree as follows:

1. **Background Information:** The background information is true and correct. This Assignment will be interpreted by reference to, and construed in accordance with, the background information.
2. **Incorporation of Terms:** Terms not otherwise defined in this Assignment have the meanings as defined in the Lease.
3. **Indemnification of Franchisor:** The Franchisee agrees to indemnify and hold the Franchisor and its affiliates, stockholders, directors, officers and representatives harmless from and against any and all losses, liabilities, claims, proceedings, demands, damages, judgments, injuries, attorneys’ fees, costs and expenses, that they incur resulting from any claim brought against any of them or any action which any of them are named as a party or which any of them may suffer, sustain or incur by reason of, or arising out of, the Franchisee’s breach of any of the terms of the Lease, including the failure to pay rent or any other terms and conditions of the Lease.
4. **Conditional Assignment:** The Franchisee hereby grants to the Franchisor a security interest in and to the Lease, all of the furniture, fixtures, inventory and supplies located in the Site and the franchise relating to the Franchised Business, and all of the Franchisee’s rights, title and interest in and to the Lease as conditional for the payment of any obligation, liability or other amount owed by the Franchisee or its affiliates to the Lessor arising under the Lease and for any default or breach of any of the terms and provisions of the Lease, and for any default or breach of any of the terms and provisions of the Franchise Agreement. In the event of a breach or default by the Franchisee under the terms of the Lease, or, in the event the Franchisor makes any payment to the Lessor as a result of the Franchisee’s breach of the Lease, then such payment by the Franchisor, or such breach or default by the Franchisee, shall at Franchisor’s option be deemed to be an immediate default under the Franchise Agreement, and the Franchisor shall be entitled to the possession of the Site and to all of the rights, title and interest of the Franchisee in and to the

Lease and to all other remedies described herein or in the Franchise Agreement or at law or in equity, without prejudice to any other rights or remedies of the Franchisor under any other Agreements or under other applicable laws or equities. This Assignment shall constitute a lien on the interest of the Franchisee in and to the Lease until satisfaction in full of all amounts owed by the Franchisee to the Franchisor. In addition, the rights of the Franchisor to assume all obligations under the Lease provided in this Assignment are totally optional on the part of the Franchisor, to be exercised in its sole discretion. Franchisee agrees to execute any and all Uniform Commercial Code financing statements and all other documents and instruments deemed necessary by Franchisor to perfect or document the interests and assignments granted herein.

5. **No Subordination:** The Franchisee shall not permit the Lease to become subordinate to any lien without first obtaining Franchisor's written consent, other than the lien created by this Assignment, the Franchise Agreement, the Lessor's lien under the Lease, liens securing bank financing for the operations of Franchisee on the Site and the agreements and other instruments referenced herein. The Franchisee will not terminate, modify or amend any of the provisions or terms of the Lease without the prior written consent of the Franchisor. Any attempt at termination, modification or amendment of any of the terms without such written consent is null and void.

6. **Exercise of Remedies:** In any case of default by the Franchisee under the terms of the Lease or under the Franchise Agreement, the Franchisor shall be entitled to exercise any one or more of the following remedies in its sole discretion:

- a) to take possession of the Site, or any part thereof, personally, or by its agents or attorneys;
- b) to, in its discretion, without notice and with or without process of law, enter upon and take and maintain possession of all or any part of the Site, together with all furniture, fixtures, inventory, books, records, papers and accounts of the Franchisee;
- c) to exclude the Franchisee, its agents or employees from the Site;
- d) as attorney-in-fact for the Franchisee, or in its own name, and under the powers herein granted, to hold, operate, manage and control the Franchised Business and conduct the business, if any, thereof, either personally or by its agents, with full power to use such measures, legally rectifiable, as in its discretion may be deemed proper or necessary to cure such default, including actions of forcible entry or detainer and actions in distress of rent, hereby granting full power and authority to the Franchisor to exercise each and every of the rights, privileges and powers herein granted at any and all times hereafter;
- e) to cancel or terminate any unauthorized agreements or subleases entered into by the Franchisee, for any cause or ground which would entitle the Franchisor to cancel the same;
- f) to disaffirm any unauthorized agreement, sublease or subordinated lien, to make all necessary or proper repairs, decorating, renewals, replacements, alterations, additions, betterments and improvements to the Site or the Site that may seem judicious, in the sole discretion of the Franchisor; and
- g) to insure and reinsure the same for all risks incidental to the Franchisor's possession, operation and management thereof; and/or

h) notwithstanding any provision of the Franchise Agreement to the contrary, to declare all of the Franchisee's rights but not obligations under the Franchise Agreement to be immediately terminated as of the date of the Franchisee's default under the Lease.

7. **Power of Attorney:** The Franchisee does hereby appoint irrevocably the Franchisor as its true and lawful attorney-in-fact in its name and stead and hereby authorizes it, upon any default under the Lease or under the Franchise Agreement, with or without taking possession of the Site, to rent, lease, manage and operate the Site to any person, firm or corporation upon such terms and conditions in its discretion as it may determine, and with the same rights and powers and immunities, exoneration of liability and rights of recourse and indemnity as the Franchisor would have upon taking possession of the Site pursuant to the provisions set forth in the Lease. The power of attorney conferred upon the Franchisor pursuant to this Assignment is a power coupled with an interest and cannot be revoked, modified or altered without the written consent of the Franchisor.

8. **Election of Remedies:** It is understood and agreed that the provisions set forth in this Assignment are deemed a special remedy given to the Franchisor and are not deemed to exclude any of the remedies granted in the Franchise Agreement or any other agreement between the Franchisor and the Franchisee, but are deemed an additional remedy and shall be cumulative with the remedies therein and elsewhere granted to the Franchisor, all of which remedies are enforceable concurrently or successively. No exercise by the Franchisor or any of the rights hereunder will cure, waiver or affect any default hereunder or default under the Franchise Agreement. No inaction or partial exercise of rights by the Franchisor will be construed as a waiver of any of its rights and remedies and no waiver by the Franchisor of any such rights and remedies shall be construed as a waiver by the Franchisor of any future rights and remedies.

9. **Binding Agreements:** This Assignment and all provisions hereof shall be binding upon the Franchisor and the Franchisee, their successors, assigns and legal representatives and all other persons or entities claiming under them or through them, or either of them, and the words "Franchisor" and "Franchisee" when used herein shall include all such persons and entities and any others liable for payment of amounts under the Lease or the Franchise Agreement. All individuals executing on behalf of corporate entities hereby represent and warrant that such execution has been duly authorized by all necessary corporate and shareholder authorizations and approvals.

10. **Assignment to Control.** This Assignment governs and controls over any conflicting provisions in the Lease.

11. **Attorneys' Fees, Etc.** Franchisee must pay all reasonable attorneys' fees, court costs and expenses Franchisor incurs whether or not formal arbitration or judicial proceedings are initiated by Franchisor against Franchisee for a breach of any material obligation under this Assignment. If Franchisee institutes any arbitration or legal action against Franchisor to interpret or enforce the terms of this Assignment, and Franchisee's claims in such an action are denied or the action is dismissed, Franchisor is entitled to recover its reasonable attorneys' fees, and all other reasonable costs and expenses incurred in defending against same, and to have such an amount awarded as part of the judgment in the proceeding.

12. **Severability.** If any of the provisions of this Assignment or any section or subsection of this Assignment shall be held invalid for any reason, the remainder of this Assignment or any such section or subsection will not be affected thereby and will remain in full force and effect in accordance with its terms.

IN WITNESS WHEREOF, the Parties have caused this Assignment to be executed as of the day and year first above written.

CALIFORNIA APPENDIX

1. California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination, transfer or non-renewal of a franchise. If the Franchise Agreement contains provisions that are inconsistent with the law, the law will control.
2. The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law (11 U.S.C.A. Sec. 101 et seq.).
3. The Franchise Agreement contains covenants not to compete which extend beyond the termination of the agreement. These provisions may not be enforceable under California law.
4. Section 31125 of the California Corporation Code requires the franchisor to provide you with a disclosure document before asking you to agree to a material modification of an existing franchise.
5. Neither the franchisor, any person or franchise broker in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 79a et seq., suspending or expelling such persons from membership in such association or exchange.
6. The franchise agreement requires binding arbitration. The arbitration will occur in Philadelphia, Pennsylvania with the costs being borne by the franchisee and franchisor. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5 Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.
7. The Franchise Agreement requires application of the laws of Pennsylvania. This provision may not be enforceable under California law.
8. You must sign a general release if you renew or transfer your franchise. California Corporation Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).
9. We have secured a surety bond in the amount of \$158,000.00 from the Fidelity and Deposit Company of Maryland to ensure fulfillment of all of our pre-opening obligations to you under the Franchise Agreement. The surety bond is on file with the California Department of Financial Protection and Innovation.

11. OUR WEBSITE, www.handandstone.com, HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION.

ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION at www.dfpi.ca.gov.

12. **The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.**
13. Franchisees must sign a personal guarantee, making you and your spouse individually liable for your financial obligations under the agreement if you are married. The guarantee will place your and your spouse's marital and personal assets at risk, perhaps including your house, if your franchise fails.
14. **No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee's investment. Any statements or representations signed by a franchisee purporting to understand any fact or its legal effect shall be deemed made only based upon the franchisee's understanding of the law and facts as of the time of the franchisee's investment decision. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.**
15. The highest interest rate allowed by law for Late Payments in the State of California is 10% annually.

Where required under Illinois law, the laws of the State of Illinois will govern. Accordingly, Items 17(v) and (w) are amended accordingly.

6. Section 22.6 of the Franchise Agreement is hereby amended in accordance with Section “1” above.

7. Section 22.3 of the Franchise Agreement is amended to comply with Section 27 of the Act to allow any and all claims and actions arising out of or relating to this Agreement, the relationship of Franchisor and Franchisee or Franchisee’s operation of the Franchise brought by Franchisee against Franchisor shall be commenced within three (3) years from the occurrence of the facts giving rise to such claim or action, within one (1) year after the Franchisee becomes aware of the facts or circumstances indicating Franchisee may have a claim for relief, or ninety (90) days after delivery to Franchisee of a written notice disclosing the violation, whichever expires first, or such claim or action will be barred.

8. The Franchise Agreement is hereby amended to comply with Section 41, Waivers, of the Act.

9. The Franchise Agreement is amended to state the following: “No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the

**ADDENDUM TO THE HAND AND STONE FRANCHISE LLC
DISCLOSURE DOCUMENT
REQUIRED BY THE STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty (30) days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than five (5) years, and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six (6) months' advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) Failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE ATTORNEY GENERAL.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, franchisee has the right to request an escrow arrangement.

**ADDENDUM TO THE HAND AND STONE FRANCHISE LLC
DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT AS REQUIRED BY THE STATE
OF WASHINGTON**

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington. The undersigned does hereby acknowledge receipt of this addendum.

Item 3 – To resolve an investigation by the Washington Attorney General and without admitting any liability, we have entered into an Assurance of Discontinuance (“AOD”) with the State of Washington dated October 7, 2019, where we affirmed that we already removed from our form franchise agreement any provision which restricted a franchisee from soliciting and/or hiring the employees of our other franchisees, which the Attorney General alleges violated Washington state and federal antitrust and unfair practices laws. We have agreed, as part of the AOD, to not enforce any such provisions in any existing franchise agreement, to not include any such provisions in future franchise agreements, to request that our Washington franchisees amend their existing franchise agreements to remove such provisions, and to notify our franchisees about the entry of the AOD. In addition, the State of Washington did not assess any fines or other monetary penalties against us.

Item 5

We have secured a surety bond in the amount of \$100,000.00 from the Fidelity and Deposit Company of Maryland to ensure fulfillment of all of our pre-opening obligations to you under the Franchise Agreement. The surety bond is on file with the Washington Department of Financial Institutions.

Section 17.7 of the Franchise Agreement is revised to omit the following language: “Franchisee and each of its Owners agree that the liquidated damages provision does not give Franchisor an adequate remedy at law for any default under, or for the enforcement of, any provision of this Agreement other than the Royalty Fee section.”

Section 18.2(k) of the Franchise Agreement is amended to include the following language: “, provided, however, that this provision is not intended to apply to statements made or information provided by Franchisor to the third party.”

Section 20.3 of the Franchise Agreement is amended such that franchisees have no obligation to indemnify or hold harmless an indemnified party for losses to the extent that they are determined to have been caused solely and directly by the indemnified party’s gross negligence, willful misconduct, strict liability, or fraud.

Section 21.4 of the Franchise Agreement is amended as follows:

Whenever this Agreement requires the prior approval or consent of Franchisor, shall make a timely written request to Franchisor therefor and, except as otherwise provided herein, any approval or consent granted shall be effective only if in writing. Franchisor makes no warranties or guarantees and assumes no liability or obligation to Franchisee or any third party to which it would not otherwise be subject, by providing any waiver, approval, advice, consent or services to Franchisee in connection with this Agreement, or by reason of any neglect, delay or denial of any request therefor.

Article 23 of the Franchise Agreement is amended to delete Sections 23.1, 23.3, 23.5, and 23.6, and Sections 23.8 and 23.9 do not apply to claims arising under the Franchise Investment Protection Act, RCW 19.100, or the rules adopted thereunder.

The Franchise Agreement is amended to state the following: “No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.”

The undersigned does hereby acknowledge receipt of this addendum.

SOFTWARE SUBLICENSE AGREEMENT

SUBLICENSE AGREEMENT

[TO BE REVIEWED BY LICENSEE; MATERIAL REVISIONS SUBJECT TO LICENSOR'S APPROVAL]

This Sublicense Agreement (“Agreement” or “License”), dated ___, 20___, is made by and between Hand and Stone Franchise LLC, a New Jersey limited liability company (“Sublicensor”), and _____ (“Sublicensee”).

RECITALS

A. Sublicensor is the franchisor of the Hand and Stone Franchise LLC massage and facial spa franchises. Sublicensor has licensed (with a right to sub-license) certain software for use in the operation of Hand and Stone Franchise LLC franchisees (the “Software”), which license is granted by the owner of the Software (the “Master Licensor”) upon the terms and condition set forth in the agreement between the Master Licensor and Sublicensor; and

B. Sublicensee has entered into a franchise agreement to operate a spa franchise (the “Franchise Agreement”); and

C. The Software is required for the operation of a spa franchise; and

D. Pursuant to the Franchise Agreement, Sublicensee is required to execute this Agreement and obtain a license to use the Software; and

E. Sublicensor wishes to grant certain rights and licenses to Sublicensee with respect to the Software, and Sublicensee wishes to obtain such rights and licenses with respect to the Software, on the terms and conditions set forth herein.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Services. Sublicensor hereby grants Sublicensee a non-exclusive, non-transferable, revocable, non-sublicenseable license to use the Software exclusively for the internal operations of a spa franchise and for no other purpose. Sublicensor shall provide all documentation for the operation of the Software.

2. Term. Unless sooner terminated, the term of this Agreement and of the sublicense granted herein will begin on the Effective Date and continue until the expiration or termination of the Franchise Agreement (“Term”). If Sublicensee enters into a successor franchise agreement with Sublicensor, then Sublicensee must execute the then current form of sublicense agreement and comply with all terms and conditions set forth in the then current form of sublicense agreement. The Sublicensee acknowledges that the terms and conditions of the then current form of sublicense agreement may be substantially different from the terms and conditions of this

Agreement including without limitation, with respect to fees.

3. Technical Requirements. Sublicensee agrees to comply with the applicable hardware, software and other technical and pre-setup requirements for Sublicensee's use of the Software as the Sublicensor or its licensor may establish from time to time during the Term.

4. Software Support.

(a) Sublicensor shall provide technical support for the Software during normal business hours Monday through Friday. If additional support is needed during non-business hours, Sublicensor may provide such support at an additional fee to Licensee, availability permitting. Sublicensor may contract with third parties to provide any or all maintenance and support services specified in this Agreement. If, in Sublicensor's judgment it is not commercially feasible to provide any maintenance or support services, Sublicensor may terminate any or all of such support or maintenance services.

(b) Certain locations may be susceptible to power outages and/or fluctuations that can cause a computer to crash or shut down. Sublicensee is responsible for the installation and maintenance battery backups systems and data backup. Sublicensor is not responsible for any such losses of data, nor does Sublicensor assume responsibility or liability for any losses or damages arising, directly, or indirectly, from Sublicensee's improper use or maintenance of the Software or hardware.

(c) Sublicensee is responsible for installing and maintaining updated anti-virus software at all times on any hardware that runs the Software.

5. Payment.

(a) It is the express understanding of the parties that the Sublicensor shall sublicense the software to its franchisees. In consideration for the Sublicense and the services to be performed hereunder, Sublicensee shall pay Sublicensor a monthly fee of \$587.00 dollars (the "Monthly Maintenance Fee") for each franchise location Sublicensee owns or operates. This Monthly Maintenance Fee may increase by a minimum of 3% percent on the first day of each calendar year thereafter, for each franchise location Sublicensee owns or operates, throughout the term of this Agreement.

(b) All applicable fees are to be paid to Sublicensor via an ACH bank transfer, due on the 1st day of each month or by the morning of the next business day. Any fees not received will be assessed a late fee penalty of 1.5% per month or, if lower, the highest rate permitted under applicable law, until said fees are paid in full.

(c) The Sublicensee will not, on grounds of the alleged nonperformance by Sublicensor of any of its obligations or for any other reason, withhold payment of any Software License Fees or payments due to Sublicensor pursuant to this Agreement or pursuant to any other contract, agreement or obligation. The Sublicensee will not have the right to "offset" any liquidated or unliquidated amounts, damages or other sums allegedly due to the Sublicensee by Sublicensor against any payments due to Sublicensor under this Agreement.

(d) If Sublicensor authorizes a sale of Sublicensee's franchise to a third party ("Transferee") Sublicensee must notify the Transferee that it will be obligated to enter into a new sublicense agreement with Sublicensor, and that a license transfer fee of \$300 dollars will be required to be paid to Sublicensor.

(e) For purposes of this Agreement, software setup fees and Monthly Maintenance Fees will be collectively referred to as "Software License Fees." The Sublicensee acknowledges that it has agreed, pursuant to the Franchise Agreement, to obtain and maintain at all times such computer equipment and software (including without limitation, the most current version of the Software) as may from time to time be required by Sublicensor for use in the operation of the Licensee's franchise. The Sublicensee further acknowledge that future changes in technology and the opportunity and need to meet and surpass competition may necessitate that Sublicensor upgrade the Software License Fees due hereunder to amounts reasonably sufficient to cover the costs such upgrade and a reasonable return to Sublicensor on its investment in and administration of such upgrade. The Sublicensee further acknowledges that any upgrade to the Software may necessitate upgrades in the Sublicensee's hardware and third-party software required to operate the Software, which may result in additional costs or fees payable by the Sublicensee.

6. Access to Software and Information. The Sublicensee agrees that Sublicensor will at all times have the right to access the Software and its data, by modem, print-out of data or any other means selected by Sublicensor, for purposes of obtaining financial, sales, customer, listing, business, supplier, teaching and all other data and information contained, resident or otherwise available in the Sublicensee's computer system, for purposes of verifying compliance by the Sublicensee with the terms of this Agreement or the Franchise Agreement, and for such other purposes as may be determined by Sublicensor, in its absolute, exclusive and unrestricted judgment. Sublicensor will have the right to retain and use any information obtained by accessing the Software licensed to Sublicensee for any purposes deemed appropriate by Sublicensor, in its absolute, exclusive and unrestricted judgment.

7. Sublicensee Training. Sublicensor shall conduct training session pursuant to the guidelines set forth in the Franchise Agreement. In addition, Sublicensee shall attend mandatory ongoing training sessions, at times and at such locations as Sublicensor shall establish.

8. Ownership. Sublicensee acknowledges that Sublicensor has the sole right to license and control Sublicensee's use of the Software. Sublicensee acknowledges that it has no ownership right into any data or information generated by the Software, including customer lists, customer data and other sales information. Sublicensee further acknowledges that it does not acquire any right, title or interest in the Software except as set forth herein. Master Licensor specifically retains all right, title and interest in and to all proprietary and intellectual property rights in and to the Software, including without limitation, trade secrets, data, customer lists, copyrights, trademarks, patents, functionality and business methodology embodied therein, and the like. All rights not expressly granted to Sublicensee herein are specifically reserved to Sublicensor and Master Licensor, as applicable. Upon termination of this Agreement, Sublicensee shall have no right to utilize the Software or any data generated by the Software.

9. Restrictions on Use.

(a) Sublicensee may not decompile, reverse compile, reverse engineer, reverse assemble or otherwise derive a source code equivalent for the Software. Sublicensee may not bypass or breach any security device or protection used on the Software. In addition, Sublicensee may not copy the Software without the Licensor's written consent. Sublicensee may not download any portion of the Software except as the Sublicensor may expressly permit or instruct. Sublicensee may not permit any third-party access to the Software, and may use the Software only on computers for which Sublicensee controls access to the Software. Sublicensee may not assign, transfer, sell, rent, license, sublicense, or grant any rights to or interests in the Software to any corporation, partnership or other business entity or any other person. Sublicensee may not, at any time, use or exploit or authorize any third party to use or exploit, any of the Software's content or data for the purpose of unfairly competing against any other Hand and Stone Franchisee or violating the privacy rights of any customers or employees of other franchisees. Sublicensee may not knowingly or through gross negligence input, upload, transmit or otherwise provide to or through the Software, any virus, worm, malware, spyware or other malicious computer code, computer instruction, device or technique that can or was designed to permit unauthorized access to, or to destroy, disrupt, disable, damage, distort, or otherwise harm or impede the Software or any computer, hardware, system or network, or any content or data. Sublicensee will comply with all terms and conditions packaged or accompanying any third-party software furnished to Licensee under this Agreement.

(b) Sublicensee is prohibited from printing or copying (including, without limitation, for back-up, training, testing or disaster recovery), in whole or in part, the Software except to the extent expressly permitted in advance in writing by Sublicensor, which permission Sublicensor may withhold in its sole discretion. Any back-up training, testing or disaster recovery system intended to be or used by Sublicensee must be approved in advance in writing by Sublicensor, which approval Sublicensor may withhold in its sole discretion. Sublicensee acknowledges and agrees that any and all diskettes, CDs or any other physical embodiments or media, including, but not limited to, authorized and unauthorized copies, of the Software are the sole and exclusive property of the Master Licensor. Any authorized copies of the Software must contain appropriate proprietary and trade secret, copyright, trademark or other applicable legends as designated by Licensor. Sublicensee shall not use the name of Software or refer to Software directly or indirectly in any papers, articles, advertisements, sales presentations, news releases or releases to any third party without the prior written approval of Sublicensor for each such use. You may not release the results of any performance or functional evaluation of any portion of the Licensed Software to any third party.

10. Exclusion of Warranties. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, SUBLICENSOR DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES OF ANY KIND OR NATURE, EXPRESS OR IMPLIED, ARISING OUT OF OR RELATED TO THIS AGREEMENT, THE SOFTWARE, OR ANY COMPONENT OF THE FOREGOING, INCLUDING WITHOUT LIMITATION, ANY WARRANTIES REGARDING QUALITY, CORRECTNESS, COMPLETENESS, COMPREHENSIVENESS, SUITABILITY, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR OTHERWISE (IRRESPECTIVE OF ANY COURSE OF DEALING, CUSTOM OR USAGE OF TRADE), OR ANY REPRESENTATION THAT THE SOFTWARE WILL MEET SUBLICENSEE'S

REQUIREMENTS OR THAT THE SUBLICENSEE'S OR ANY AUTHORIZED USER'S USE THEREOF WILL BE UNINTERRUPTED OR ERROR-FREE, EACH OF WHICH IS HEREBY EXCLUDED BY AGREEMENT OF THE PARTIES.

11. Limitation of Liability. SUBLICENSOR SHALL HAVE NO LIABILITY TO SUBLICENSEE OR TO ANY APPROVED FRANCHISEE WITH RESPECT TO SUBLICENSOR'S OBLIGATIONS UNDER THIS AGREEMENT OR OTHERWISE FOR CONSEQUENTIAL, EXEMPLARY, SPECIAL, INDIRECT, INCIDENTAL OR PUNITIVE DAMAGES, OR ANY LOSS OF PROFIT, REVENUE, DATA OR GOODWILL, WHETHER INCURRED OR SUFFERED AS A RESULT OF ANY ERRORS, DEFECTS OR NON-FUNCTIONING OF THE SOFTWARE PRODUCTS OR OTHERWISE, EVEN IF SUBLICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL SUBLICENSOR'S AGGREGATE LIABILITY HEREUNDER FOR ANY CAUSE IN ANY CALENDAR YEAR ARISING OUT OF OR RELATED TO SUBLICENSOR'S PERFORMANCE OR NON-PERFORMANCE UNDER THIS AGREEMENT OR OTHERWISE EXCEED THE AMOUNT OF THE MONTHLY MAINTENANCE FEES PAID HEREUNDER TO LICENSOR IN THE CALENDAR YEAR IN WHICH SUCH DIRECT DAMAGES ARE INCURRED. THIS LIMITATION APPLIES TO ALL CAUSES OF ACTION OR CLAIMS IN THE AGGREGATE INCLUDING WITHOUT LIMITATION, BREACH OF CONTRACT, BREACH OF LIMITED WARRANTY, NEGLIGENCE, STRICT LIABILITY, MISREPRESENTATION AND OTHER TORTS.

12. Remedies for Third Party Infringement. In the event the Software is held by any court of competent jurisdiction to infringe the rights of a third party or to violate a patent, and its use is enjoined, Sublicensor shall have the obligation, at its expense, to (i) modify the infringing Software, without impairing in any material respect its functionality, so that it is non-infringing or non-violative, or (ii) procure for Sublicensee the right to continue to use the infringing Software for any remaining unexpired portion of the Term, or (iii) replace the infringing Software with equally suitable non-infringing software. The foregoing is Sublicensee's sole remedy for infringement. If Sublicensor is unable to make any of the foregoing alternatives available to Sublicensee, Sublicensee shall receive a rebate of a prorated portion of the License fee charged hereunder, representing the fee due for the remaining unexpired portion of the Term.

13. Confidentiality; Non-Disclosure. Sublicensee agrees that the Software contains valuable proprietary information and that, except for those rights conveyed in this Agreement, Sublicensee retains no ownership rights in the Software. During the term of this Agreement, Sublicensee shall maintain the confidentiality of this information and not disclose the same to any third party or use it except as authorized by this Agreement. Sublicensee shall have no obligation of confidentiality or non-use with regard to information which (i) is or becomes a part of the public domain through no act or omission of Sublicensee, (ii) was in the Sublicensee's lawful possession prior to the disclosure thereto and had not been obtained by Sublicensee either directly or indirectly from Sublicensor, (iii) is lawfully disclosed to Sublicensee by a third party without restrictions on disclosure, (iv) is independently developed by Sublicensee, or (v) is required to be disclosed by law.

14. Termination. This Agreement shall automatically terminate upon the termination or expiration of the Franchise Agreement. The Sublicensor may terminate this Agreement: (a)

without notice at any time if Sublicensee is in default of the Franchise Agreement or Area Representative Agreement; (b) if Sublicensee fails to pay the Monthly Maintenance Fee when due and such failure continues unremedied for five (5) days; (c) upon ten (10) days written notice of Sublicensee's failure to comply with any other term of this Agreement if such failure is not remedied within ten (10) days following such notice. In the event of termination, and without limiting Sublicensor's remedies hereunder, Sublicensee shall be responsible for payment of all past due Monthly Maintenance Fees and charges up to the date of such termination.

15. Third Party Beneficiary. Sublicensee understands, acknowledges, and agrees with Sublicensor that Master Licensor, Sublicensor, and its affiliates, assigns and designees (which may include the creator of the Software) are an intended third-party beneficiary of the terms and conditions of this Agreement.

16. Restriction on Assignment. OR

Where required, electrical design will include new panels, lighting, receptacles, switches and other power requirements.

Electrical fault current calculations or energy calculations will be provided if required by the city or authority having jurisdiction.

Upon the completion of the initial Construction Documents, a "check set" will be provided to you, the Client as well as the landlord for review and to provide comments. Comments will then be incorporated into the drawings prior to issuing completed permit sets.

Permit Expediting Services:

HS Design can coordinate permit expediting services (highly recommended) on your behalf to help streamline the project. In many cases, this can move your Grand Opening up by weeks! These fees range from \$900 to \$2,250 for most locations.

In the event of termination, the Client shall pay the Architect for completed services up to the date of termination. The Architect will furnish copies of drawings and other documentation to the Client related to the services performed to the date of termination.

The Architect will furnish printed copies of drawings and other documentation to the Client related to the services performed to the date of suspension of the project.

If such matter relates to or is the subject of a lien arising out of the Architect's services, the Architect may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter by mediation or by binding dispute resolution. The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in Philadelphia, PA, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.
