What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of your franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state may also have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

- 1. Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in Vermont. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Vermont than in your own state.
- 2. Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED
FOR PROSPECTIVE FRANCHISEES
BY STATE OF MICHIGAN**

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, according to the Michigan Department of Attorney General, Consumer Protection Division (the “Division”), the provisions are void and cannot be enforced against you:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided by the Michigan Franchise Investment Law. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee’s inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor’s intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This subsection does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside the State of Michigan. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor’s then **current** reasonable qualifications or standards.

- (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market value or appraised value of such assets if the franchisee has breached the lawful provisions of the Franchise Agreement and has failed to cure the breach in the manner provided in subdivision (c) above.

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the Attorney General of Michigan does not constitute approval, recommendation, or endorsement by the Attorney General.

UNIFORM FRANCHISE DISCLOSURE DOCUMENT**

Item 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Franchisor

To simplify the language in this Disclosure Document, “DMI,” “we” or “our” means DISCOVERY MAP INTERNATIONAL, INC., the franchisor. “You” means the person who buys the franchise. If a corporation, partnership, limited liability company or other entity buys the franchise, “you” also means each of the individual owners of the corporation, partnership, limited liability company or other entity.

We are a Vermont corporation, incorporated on October 18, 2005, under the name Resort Maps Acquisition Corporation for the purpose of purchasing the assets of our predecessor Murphy Holdings, Inc. (formerly Resort Maps Franchise, Inc.). On October 31, 2005, we purchased substantially all of the assets of Murphy Holdings, Inc. On November 2, 2005, we filed a Certificate of Amendment with the Vermont Secretary of State changing our name to Resort Maps Franchise, Inc. On October 19, 2011 RMFI acquired substantially all the assets of Starr Map Company, LLC, and Discovery Map International, LLC, both of which were headquartered at 918 4th Street, La Conner, WA, 98221-1500. Discovery Map International, LLC has ceased operation and is closed. The current address of Starr Map Company, LLC is 81 Canal Lane, Brinnon, WA, 98320. These companies were predecessors in interest of certain Franchise Agreements and intellectual property currently employed in the Discovery Map System. The year 1993 was the year of the first offer of franchises by our predecessor Resort Maps Franchise, Inc., which was 18 years prior to the name change to Discovery Map International, Inc., which was on November 1, 2011. Our principal business address is 5197 Main Street, Suite 8, P.O. Box 726, Waitsfield, VT 05673. We conduct business under our corporate name, under the trade name and service mark “DISCOVERY MAP®”, the trade name DISCOVERY MAPS AND GUIDES, the service mark “DISCOVERY MAPS & GUIDES®”, URLs, domain names, website addresses, email addresses, digital cellular addresses, wireless web addresses and the like (“e-names”) and associated logos, designs, symbols and trade dress (collectively, the “Marks”).

In the DISCOVERY MAP® System each map is defined as a Franchised Business. We franchise the right to operate a DISCOVERY MAP® Franchised Business which offers a multi-media alternative advertising program in the form of illustrated tourist and visitor information maps supported by advertising space purchased by restaurants, resorts, retail stores, local attractions and other tourist-based businesses in the community and to use our SYSTEM. The limited right to sign up businesses in your Area is included in your franchised business subject to the terms of this Agreement. All DISCOVERY MAP® Franchised Businesses are required by us to be consistent in general appearance and professional profile.

There is one exception: In the State of Washington, you will operate a DISCOVERY MAP® Franchised Business under solely the name DESTINATION MAP. Our predecessor began offering RESORT MAPS franchises in 1993.

As of the end of our last fiscal year we had 119 franchises.

Our agents for service are disclosed in Exhibit A.

Our Parents, Predecessors and Affiliates

We do not have a parent.

Our predecessor, Murphy Holdings, Inc. (formerly Resort Maps Franchise, Inc.), is a Vermont corporation, incorporated on May 13, 1993, with a principal business address at 1440 Ripley Road, Waterbury Center, VT 05677. Murphy Holdings, Inc., was established for the purpose of offering, establishing and managing Resort Maps franchises. Murphy Holdings, Inc., offered, sold and managed franchises from August 1, 1993, and ceased all franchise activity as of the date of the transfer of its assets to us on October 31, 2005. On that date Murphy Holdings, Inc., filed a Certificate of Amendment with the Vermont Secretary of State changing its name from Resort Maps Franchise, Inc., to Murphy Holdings, Inc.

We, or our closely-held affiliate, operate three DISCOVERY MAP® Franchised Businesses: Treasure Coast, FL, St. Augustine, FL and Palm Beach, FL. Except as provided above, we have no parents required to be disclosed in Item 1. Our affiliates have not offered franchises in this or any other line of business. We have not offered franchises in any other line of business. Except as disclosed in the Disclosure Document, neither we nor our affiliates nor any officers currently operate any other type of businesses.

We have no affiliate that provides products or services to our franchisees.

Market Competition

The primary user of DISCOVERY MAP® is the general public. The target market for the services and products provided by DISCOVERY MAP® is the purchaser of business advertising which typically includes restaurants, resorts, retail stores, local attractions and other businesses in the community. We consider this market for advertising to be well established. Your competitors will include local, regional and national similar advertising-based media. DISCOVERY MAP® is a year-round business.

Regulations

There are no regulations specific to our industry that will affect operation of your unit, other than those laws and regulations that may apply to businesses in general.

- (1) This fee is not refundable.
- (2) Typical 17"x22" map drawn by staff artist.
- (3) Variation will depend on map size.
- (4) Includes incorporation costs, accounting or other legal fees, business cards, office supplies and forms.
- (5) Estimated cost of down payment required to activate policy coverage. Costs vary widely from location to location and from state to state. Required coverage includes, without limitation, casualty, liability and workers compensation.

(6) Estimate of additional expenses over initial phase of business, which should not exceed 90 days. We have endeavored to consider all potential costs with launching a Discovery Map franchise, however we felt it prudent to add a small buffer in the event of unforeseen circumstances, unanticipated vendor price changes, and fluctuating market conditions. Our experience with unforeseen circumstances, unanticipated vendor price changes, and fluctuating market conditions has demonstrated that number to be no higher than 5% of the maximum estimated initial investment, hence, the amount is set at \$0 to \$1,850.

(7) Although we have tried to be as accurate as possible in our estimate of your initial investment, you should review these figures carefully with a skilled business advisor before you decide to purchase the franchise. The figures above are estimates and should be viewed accordingly. We cannot guarantee that you will not have additional expenses in starting your business. Your actual costs will depend on factors including the location and size of your DISCOVERY MAP® Franchised Business; how much you follow DISCOVERY MAP®'s recommended methods and procedures; your overall management, business and sales skill; local economic conditions; competition; and the amount and effectiveness of your promotion.

Note that our estimates above are based on you operating your DISCOVERY MAP® business from your home. If you choose to locate your business elsewhere, for example in a rented office space, your costs will likely be higher than those reflected in the Item 7 Table.

All payments to us are non-refundable. Other than the initial Franchise Fee, we do not offer direct or indirect financing to franchisees for any item. There are no other direct or indirect payments to us in conjunction with the purchase of this franchise.

Any refund of payments made to various vendors will depend on the terms you arrange with those vendors.

Item 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must purchase display racks, trademarked materials, printing, map layout and design services under specifications that are listed in the DISCOVERY MAP® Operations Manual and from us or suppliers that we have approved. We do not make our criteria for vendor/supplier approval available to our franchisees. We do not negotiate purchase arrangements with suppliers, including price terms, for the benefit of franchisees.

We are the only approved vendor for all trademarked material. As of the date of this Disclosure Document, we have not developed any trademarked materials for sale, but reserve the right to do so. If we do, you will be required to sell any products we develop and to purchase them from us or from a supplier that we designate. If and when we develop a line of trademarked materials for sale, we expect to generate a profit on these of up to 50%.

We are the only approved supplier of map layout and map assembly services and charge a standard hourly production rate for these services, which is currently a range between \$75 and \$95 per hour, and which may increase during the term of your franchise. The estimated proportion of required purchases and leases by the Franchisee to all purchases and leases by the Franchisee of goods and

services in establishing the Franchised Business is 5% to 7%. The estimated proportion of required purchases and leases by the Franchisee to all purchases and leases by the Franchisee of goods and services in operating the Franchised Business is 3% to 7%. The Franchisor's total revenue, based on the most recent audited financial statements is \$1,093,119. The Franchisor's revenues from all required purchases and leases totals \$74,125. 6.8% of the Franchisor's total revenue comes from all required purchases and leases. No affiliates receive revenues from required purchases and leases. The information used in computing the revenues in this paragraph came from the audited financials from the 2023 fiscal year.

DISCOVERY MAP INTERNATIONAL, INC. has developed automated online billing and credit card payment processing. This system is linked to our proprietary advertising management system and can be integrated with Quickbooks Online. Franchisees are required to use these services with Quickbooks Online. We expect any potential revenue from this system to be less than 5% of total revenue.

Other than the items listed above, there are currently no other items or services for which we or our affiliates are approved suppliers or the only approved suppliers.

There are no other approved suppliers in which any of our officers owns an interest.

The purchase of printing services, DPS, and other services we provide in connection with the digital publication of your maps, display racks and labels, map drawing and display advertising production services from designated suppliers will represent 70% to 90% of your overall purchases in operating your Franchised Business. Variation will depend on map size, production costs, the quantity of maps printed and the edition of the map. There are currently no purchasing or distribution cooperatives in which you will be required or expected to participate. We do not have any purchase arrangements with suppliers for the benefit of franchisees but we reserve the right to pursue these types of arrangements. No group purchasing agreements are permitted without prior approval from DMI. We reserve the right to negotiate purchase arrangements with suppliers for the benefit of franchisees and/or to derive revenue or other material consideration as a result of required purchases. We currently have an arrangement with approved print vendors under which we receive a small commission for preparing digital files, maintaining relationships between printer and Franchisee, and monitoring print quality on an ongoing basis. The franchisor does not provide material benefits to a franchisee based on the franchisee's purchase of a particular product or services or use of designated or approved suppliers.

Other than that disclosed above, neither we nor anyone directly related to us has any financial interest in any of the goods, services, purchase, lease or supplies sold to you or which are required to be used by you.

Our specifications for equipment and services have been designed to minimize costs and to create consistency between locations. Those specifications include standards for performance, competitive costs, ease of use, quality, availability, compatibility, and the supplier's service and credit history. We may grant approval of alternate suppliers as follows: If you wish to purchase goods or services from a supplier we have not previously approved, either you or the supplier may submit a written request to us seeking their designation as an approved supplier. You may contract with alternative suppliers only if approved by us. We may require that we be allowed to inspect that supplier's facilities, and/or have a sample of their product made available for testing or

evaluation. The qualifications may include, as with regard to the suppliers we have chosen previously, standards for performance, competitive costs, ease of use, quality, availability, compatibility, and the supplier's service and credit history. We must respond to your request in writing, advising of approval or disapproval, within 90 days. We do not charge a fee for evaluating alternative suppliers.

Our approval of vendors is important in that it enables us to help ensure that franchisees are purchasing products and services that meet our standards for quality, reliability, and reasonable costs.

If we give approval, our specifications and standards will be given to the vendor/supplier and they will be added to our approved list for you and all other franchisees. Approval of a supplier may be revoked at any time in our discretion. We will notify franchisees when any supplier's approval is revoked.

We continually monitor and evaluate all approved suppliers and vendors based on our experience and that of our franchisees. We will discontinue any vendor or supplier that fails to consistently meet quality control standards, conform to our specifications or meet the needs of our franchisees.

We do not require you to purchase a computer or any software from any particular vendor. We retain the right to approve and may restrict, designate, or control all of your e-commerce activities, if any. We may require that you utilize e-commerce products or services designated by us.

You must maintain the following types and minimum amount of insurance coverage: general property casualty insurance; general public/commercial liability insurance (including contractual indemnity coverage) and auto liability insurance (not less than \$500,000); and worker's compensation insurance, as required by applicable law. All policies of liability insurance must name us and/or any affiliate that we designate as an additional insured. You must deliver to us certificates of insurance evidencing your compliance no later than 10 days before you begin operation of your Franchised Business.

You must secure and maintain in force in your name all required licenses, permits, and certificates relating to the establishment and operation of your Franchised Business. You also must operate the Franchised Business in compliance with all applicable laws, ordinances, and regulations.

You must maintain the Franchised Business in accordance with standards stated in the DISCOVERY MAP® Operations Manual and other agreements you will sign. You must meet and maintain the highest standard and performance of customer service, as we reasonably require in the DISCOVERY MAP® Operations Manual. You must make additions, upgrades and replacements to your DISCOVERY MAP® Franchised Business as required in the DISCOVERY MAP® Operations Manual.

We restrict, designate, and have the right to approve or control all of your electronic media, including Internet activities. We may require that you utilize e-commerce products or services designated by us. We currently require you to use AdWiz, a custom proprietary software program used in the publication of maps and other content through various media.

We do not provide to or withhold from you material benefits (without limitation, renewing your DISCOVERY MAP® franchise or granting additional franchises) based on your purchase of particular products or services or your use of particular suppliers.

d) Train you and your key management people in the DISCOVERY MAP® System. (Franchise Agreement — Section 9) Anyone who attends the training program must complete the program to our satisfaction. We may extend the training program for anyone who fails to successfully complete it, but training must be completed satisfactorily at least seven (7) days prior to opening. There is no charge for initial training of up to two persons, but you must pay the travel and living expenses of yourself and your people during the training program. Initial training will last for up to four days, and will be conducted at our headquarters in Waitsfield, Vermont. Training programs are scheduled and run as needed. f) Provide you with specifications for fixtures, equipment, supplies and services that we make available to franchisees for use in map development. You must acquire fixtures, design and printing services from approved suppliers or us. These items must meet our specifications. (Franchise Agreement - Section 9)

An outline of the initial training program is as follows:

TRAINING PROGRAM

Subject	Hours of Classroom Training	Hours of On-The-Job Training	Location
Introduction/History of Company	1	Not applicable	Waitsfield, Vermont
Administration, Promotion, and Sales Introduction	3	Not applicable	Waitsfield, Vermont

Training courses are typically held from time to time during the course of the year. However, certain elements of our training are conducted at our headquarters offices and some elements may be held by video conference. Although the individuals instructing the training may vary, all of our instructors must have at least one year of relevant work experience. Presently, our principal trainers are: Peter Hans, our President, with eighteen years of training experience; Rob Amon, with

a total of thirty-four years of sales experience; Chris Sands with four years of training experience and Susan Klein with seven years of training experience.

During the operation of your business, we will:

- a) Provide up to five days of map mock-up development within your Territory (as defined in Item 12) as well as provide additional time as necessary to prepare preliminary map drawing to be used by you, prior to your completing the drawing, production and printing of your first map. In addition, you must pay us or our designee, at the then-current rate for map layout and map assembly services, to update and redraw the Franchised Business map every seven years after signing the original Franchise Agreement.
- b) Continue to loan you the DISCOVERY MAP® Operations Manual and furnish you with any and all updates and other manuals and training aids that are developed in the future. Any training films we make will be made available to you at our cost. (Franchise Agreement — Section 9)
- c) To the extent we deem it necessary or advisable, give you individual or group guidance and assistance, by personal visit, online presentation or telephone, or by newsletters, brochures, reports or bulletins. This help may include areas as maximizing sales and profits, marketing, employee hiring and training, customer service, vendor relations, equipment and facility maintenance, or any operating problems you may be experiencing. (Franchise Agreement — Section 9)
- d) Allow you to participate in programs that may be developed and offered by us on a system-wide basis to our franchisees (Franchise Agreement — Section 9)
- e) Provide you with copies of our available advertising material, if you desire, at a payment equal to DISCOVERY MAP INTERNATIONAL, INC.'s hourly cost for preparation. You may also develop and use your own advertising material, but any material you use is subject to our prior review and approval. (Franchise Agreement — Section 19)
- f) Provide you with additional training on programs that we may develop in the future. There is no charge for the training on programs you must attend, but you must pay the costs and expenses for yourself and anyone attending with you. We may charge for optional training programs at a rate of \$500 per person, per day. (Franchise Agreement — Section 14)
- g) Maintain an Internet Website and provide you with a minimum of one page on our website, which will contain contact and other specific information for your Franchised Business as well as provide you with no less than one Email address or alias.

At your option, you may sell additional advertising, but only through our Web Ad program. Under the Web Ad Program, you may sell additional web-based advertising space on our website to clients, whether or not they purchase ads on your print map.

We receive a 10% share of your revenues for print advertisements.

All revenue you generate from selling advertisements on any of our digital tools, excluding those web ads that are included in your print ad base price, will be split seventy-five percent (75%) to you and twenty-five percent (25%) to us, net of directly-related third party expenses (such as cost-per-view fees we are assessed). (Franchise Agreement – Section 9).

Each print ad purchaser receives a corresponding listing on your map's web page on our website. Currently this listing advertisement is included in the price that clients pay you for a print ad on your map.

We reserve the right to institute a regional or national advertising program, and to charge you an additional fee to fund it. Upon 90 days written notice that the Advertising Fund has been established, you must pay the Advertising Fund Fee of 1% of your Gross Sales payable and at the same time and in the same manner as the Royalty. (See Items 6 and 9 of this Disclosure Document) If a program is begun, the advertising fund will be administered by our officers under the direction of an advertising council made up of our representatives and franchisees. The advertising council will initially consist of the three of our officers and managers and two franchisee representatives. Franchisees will have the opportunity to elect their representatives once a year. As the DISCOVERY MAP® franchise system expands, we may effect changes in the composition and selection of the advertising council. The fund created and overseen by the council may be established as a not-for-profit corporation. The fund will prepare income and expense statements at least once each calendar quarter, and at a time as is practical, the entire fund will be audited annually. Income and expense statements and audit results will be available to any franchisee upon request. Excess funds not spent in any given fiscal year will be carried forward to the next fiscal year. Although once established the fund is intended to remain in existence, we reserve the right to terminate the fund but only after all monies have been spent for advertising and promotion.

There are no advertising cooperatives, none are planned and you cannot be required to contribute to an advertising cooperative.

The advertising council will develop and place advertising for our system; decide whether to use advertising agencies and which ones; and decide which media to use, which may include print, radio, television, direct mail, or local in-store promotions. It may also include development of a national website or other digital marketing and advertising efforts. All franchise and company-owned DISCOVERY MAP® businesses will contribute to the advertising fund on the same basis, and the expenditure of funds will be limited to advertising, promoting and marketing the goods and services offered by our system. Franchisees who are not yet contributing to the fund (see limiting note in Item 6) may be excluded from receiving benefits from the activities of the fund. No portion of the advertising funds will be used to sell franchises, although advertising and promotional materials designed to promote DISCOVERY MAP® franchisees' business may also publicize the availability of DISCOVERY MAP® franchises. Neither we nor any of our affiliates will receive payment of any kind from the fund. The advertising council's operating rules and guidelines will be determined by a majority vote of its members. We will spend funds to benefit the DISCOVERY MAP® franchise system. This does not mean, however, that expenditures in your Territory will be equivalent or proportionate to your contribution. We may place additional regional or national advertising at our own expense but are not obligated to do so. (Franchise Agreement — Section 18) You may develop your own advertising materials provided they are submitted to us in advance for review and approval.

There was no advertising program to which franchisees were required to contribute during 2023.

We do not approve or impose requirements or restrictions on your choice of business office site, except that you will not have the right to lease or purchase a premise to operate the business office outside of your Territory.

Currently we do not require our franchisees to use any specific brand of computer hardware. You are required to have a full-color inkjet or laser printer. You are required to run an operating system new enough to be supported with manufacturer's updates for security and other bugs, and you must be able to run the current version of a browser designated by us on the computer in order to access our website and digital production and media systems. You may purchase the hardware and software from any source. The computer is not proprietary and does not require a maintenance or service agreement. You must purchase and arrange delivery of this equipment with the vendor. The computer system manages your sales activities and general business operations. You must have a broadband connection for your computer that meets at least the FCC Guidelines for "Medium Use", and we strongly recommend one that meets the FCC Guidelines for "Advanced Use". We reserve the right to require you, at your expense and in the time frame determined by us, to update or upgrade the hardware, software and/or network connectivity you use to conform to new standards or specifications. There are no limitations on the cost and frequency of the obligation to update the computer system. However, we do not request the right to remotely access information and data maintained on the computer system. The cost of purchasing or leasing the computer system can range from \$500 to \$1,200. We do not require any annual update, upgrade or contract for the computer system. We estimate the cost of maintaining, updating and/or upgrading your system to be \$250 per year. The cost of broadband service will vary depending on locale and available providers, and we expect that since most franchisees will already have an adequate broadband connection in their household independently of the needs of their franchise, it will not be an added cost.

We restrict, designate, and have the right to approve or control all of your electronic media, including Internet activities, which relate to your Franchise Business.

You may have as many telephone numbers and telephone directory listings for your Franchised Business as you choose. However, we will own all rights to the telephone listings and you must transfer them to us on the expiration, termination, repurchase or transfer of your Franchise, at your expense. Google Voice® is not an approved telephone service provider for your franchised business. You must sign an authorization that grants us the right to change, transfer or terminate your telephone listings, your email addresses, domain names and comparable electronic identities, on your behalf upon expiration, termination, repurchase or transfer of your Franchise.

We do not approve or impose requirements or restrictions on your choice of business office site.

The length of time between the signing of your Franchise Agreement and actually opening for business is typically 90 to 120 days. You may operate your DISCOVERY MAP® Franchised Business as a home-based business. The factors that affect this timetable are your ability to locate and secure a site and negotiate a lease if you do not locate your office as a home-based business, and to deal with any applicable local zoning issues or ordinances, weather conditions, and unforeseeable delays in the delivery or installation of signs or equipment.

Item 12 TERRITORY

You receive an exclusive Territory called an “Area of Exclusive Rights” (“Area”). A minimum Area of Exclusive Rights is mutually agreed upon prior to execution of the Franchise Agreement. The area typically consists of at least 400 businesses, and it is based on a number of factors such as physical and human geography. Your Area means that we will not grant another franchise for a DISCOVERY MAP® business within your Area.

You have a specific approved location and you may relocate your business if you have elected to operate the business from your home and your proposed new location does not infringe on the territorial rights of any other DISCOVERY MAP® or affiliated business and the new location is within your Area. You may reserve for one year an Area in which you are not franchised by paying a non-refundable fee equal to 20% of the current franchise fee. We do not reduce an Area based on sales results, but you are required to meet certain sales and market penetration goals to avoid termination of your Franchise Agreement.

You cannot solicit business outside your Area but may do business in your Area with persons who contact you from inside or outside your exclusive territory.

We can develop, use and franchise other trade names and trademarks for other types of businesses anywhere. Presently, however, there are no plans to do so.

We also have the right to develop and use other channels of distribution, including the Internet, retail stores or other direct marketing for the sale of any trademarked services or merchandise, both within and outside of your Area except that we have agreed that we will not license another DISCOVERY MAP® franchise business in your Area. We also have the right to use other channels of distribution, including the Internet, retail stores, or other direct marketing, for the sale of products and services within and outside your Area under trademarks different from those you will use under your Franchise Agreement and under the DISCOVERY MAP® trademark under certain circumstances described below. Presently there are no plans to do so.

In the exercise of our rights reserved in this Item, including without limitation our soliciting or accepting orders inside your Area, we will pay you no compensation. That is, we will pay you no compensation for soliciting or accepting orders inside your Area.

We reserve the right to promote the availability of franchises and the DISCOVERY MAP® website on any and all maps, approved advertising, promotional and marketing media so long as you bear no additional financial cost or suffer a loss of advertising revenue from the ad placement.

Except when advertising cooperatively, or through media that, in addition to your Area also includes the Area of another franchise, you cannot advertise or solicit business within another franchisee's Area. We can advertise and solicit business within your Area as described above. You and we may accept business from outside of your Area without permission or special payment provided no other franchisee has rights in the outside Area. You may not use alternative distribution channels to make sales outside or inside your Area and you will receive no compensation for our sales through alternative distribution channels. You may not solicit advertising orders from customers outside of your Area. You do not have the right to use other

channels of distribution, such as the Internet, catalog sales, telemarketing or other direct marketing, to make sales outside of your Area.

You do not receive the right of first refusal to acquire additional franchises, however we may, in our sole discretion, grant you this right. If we do, your franchise fee for any additional franchise will be reduced as indicated in Item 5. The continuation of your rights under the Franchise Agreement including your rights in your Area is based solely on your compliance with the terms of your Franchise Agreement. The Franchise Agreement does require the printing and distribution of a map within one year from the date you sign the Franchise Agreement as well as annual renewals of the map thereafter.

The grant of your Area is expressly conditioned upon your successful penetration of the market in your Area. You must promote actively and aggressively the products and services of your DISCOVERY MAP® Franchised Business within your Area.

Franchisee must generate minimum sales revenue for each year as follows: year one (1st edition of the Franchise Business' map) TWENTY THOUSAND DOLLARS (\$20,000); year two (2nd edition of the Franchise Business' map), THIRTY THOUSAND DOLLARS (\$30,000); year three (3rd edition of the Franchise Business' map) and all subsequent years, FORTY THOUSAND DOLLARS (\$40,000)."

The travel and advertising industries change and the DISCOVERY MAP® business must adapt to changing technologies and circumstances, so you may be required to meet additional or different sales goals and quotas that we may establish as our business evolves and the industry changes, and the Franchise Agreement requires you to meet those goals and quotas.

In exceptional cases, we may reduce or otherwise modify the applicable minimum sales performance standard of an existing franchisee to better suit the individual Area. However, if you are not achieving the applicable minimum sales performance standard, you will be in default of the franchise agreement. There are no circumstances under which your Area will be reduced, but failure to take sufficient steps to cure the default in a given year could result in termination of the Franchise Agreement.

The minimum sales performance standards currently in place or as modified and supplemented in the future are not an earnings claim or financial performance representation (see Item 19) and do not imply that you will experience gross sales of any particular level.

Even though we grant you territorial rights under the franchise agreement, we retain the right to approach and solicit clients, customers or locations and sell advertising and other products and services in your Area whenever you are not meeting the then-applicable minimum sales or performance standards or participating in programs available to you to sell advertising or other products and services to business in the Area. Also, DISCOVERY MAP INTERNATIONAL, INC., retains the exclusive right to approach and solicit clients, customers or locations and sell advertising and other products and services within your Area, regardless of whether you currently provide services to them, in order to develop them as a regional or national account. A regional or national account is a customer or group of customers that operate under common ownership or control, under the same trademarks or service marks through company stores, independent franchisees, independent dealerships, or some other association, that we have arranged or may in the future arrange as DISCOVERY MAP® advertisers. We retain the right to negotiate with any

regional or national account and set the contract terms, conditions and prices. When a national account is available in your Area, you must participate in the regional or national account and abide by the contract terms, conditions and prices established by us. We retain the right to service all regional or national accounts established in your Area and receive up to 20% of the advertisement's sale price on these accounts as a sales and administration fee.

Item 13 TRADEMARKS

We grant you the right to operate a business under the name DISCOVERY MAP®, except in the State of Washington, where you are granted the right to operate under the name DESTINATION MAP. In Washington only, Discovery Map is used by another business. Consequently, Washington franchisees must use the alternative DESTINATION MAP name for their businesses and products. You may also use other current or future trademarks that we develop to identify the goods and services associated with the DISCOVERY MAP® system. By trademark, we mean trade name, trademark, service marks, logos or other commercial symbols used to identify your DISCOVERY MAP® Franchised Business. We have received federal registration for all of our six principal trademarks.

The following is a description of the principal trademarks we will license to you:

In the United States:

Mark	Registration No.	Registration Date	United States Patent and Trademark Office/ Principal or Supplemental Register
	5,059,409	October 11, 2016	Principal
	2,308,880	January 18, 2000	Principal

Registrations Nos. 2,308,880 is endorsed as follows:

“Registration limited to the area comprising the entire United States except for an area comprising Washington State.”

All required affidavits have been filed for each of these trademarks.

There are presently no effective determinations by the USPTO, Trademark Trial and Appeal Board, the trademark administrator of any state or any court, of any pending infringement, opposition, or cancellation proceedings, or any pending material litigation involving our trademarks. There are no agreements currently in effect which significantly limit our rights to use

or license the use of our trademarks in any manner material to the franchise except in the state of Washington, nor are there any superior rights or infringing uses actually known to us which would materially affect your use of the trademarks.

We have no affirmative obligation to preserve and protect the ownership and validity of our trademarks. However, we will take all steps that we deem reasonably appropriate. Any decision to protect your right to use these trademarks or to protect you against claims of infringement shall be made by us. Should we elect to protect the trademarks or protect you against claims of infringement, we will control any administrative proceeding or litigation involving a trademark licensed by us to you. If litigation involving our trademarks is filed or threatened against you, or you become aware of any infringement by a third party, you must tell us promptly and cooperate with us fully in pursuing, defending or settling the litigation. We will have no obligation to defend or indemnify you for your expenses or damages if the claim against you relates to your use of the trademarks in violation of the Franchise Agreement.

You must sign all documents requested by us or our counsel that are necessary to protect our trademarks or to maintain their validity and enforceability. We may substitute different trademarks to identify the business conducted under the DISCOVERY MAP® system if we can no longer use or license the trademarks, or if we decide that substitution of different trademarks is good for the business.

If that happens, you must make the modifications required by us within a reasonable time after you are notified that we have decided to substitute different trademarks to identify your Franchised Business. We shall have no liability or obligation whatsoever with respect to your modification or discontinuance of the Marks. You must not directly or indirectly contest our right to our trademarks, trade secrets or business techniques that are part of our business.

Your Franchise Agreement provides that any use of our trademarks that is not authorized is an infringement. You may not use our trademarks as part of your corporate or other legal name without our consent.

Item 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents or pending patent applications that are material to the franchise.

Although we have not filed applications for copyright registration, we claim common law copyrights on our published maps, and in addition we assert trade secret and copyright protection for our DISCOVERY MAP® Operations Manual. Although we have not filed an application for copyright registration, the information in the DISCOVERY MAP® Operations Manual (described in Item 11) is proprietary, and we claim trade secret and copyright protection for its contents. The DISCOVERY MAP® Operations Manual is our property and is being loaned to you during the term of your Franchise Agreement. You must keep the information in it confidential and current at all times, keep it in a secure place and not disclose it to anyone else.

Item 15
**OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE
FRANCHISE BUSINESS**

We recommend but do not require that you personally participate in the actual operation of the Franchised Business. However, you must devote your best efforts to the management of your franchise and we must approve anyone you hire as a general manager of the Franchised Business. Anyone actively involved in its management or operation or who owns more than 20% of the business must attend our training program (as described in Item 11). Your general manager need not own an equity interest in the business.

You must inform us of any changes in the management or operation of your franchise. In accordance with Addendum E to the Franchise Agreement, all shareholders, directors, officers, members, and/or partners of the Franchisee must sign the Guaranty in Addendum E.

Persons who must attend training will be identified in the Notice of Key Employees, attached as an Addendum to the Franchise Agreement. Anyone required to attend training cannot have an interest in or business relationship with any business competitive with the DISCOVERY MAP® concept. They must also sign a Non-Disclosure and Non-Competition Agreement that requires them to maintain confidentiality of the trade secrets described in Item 14 and to conform with the covenants not to compete described in Item 17.

Item 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

We require you to offer and sell only those goods and services that we have approved. You must offer all goods and services that we designate as required for all franchisees. You must obtain our permission to offer any goods and services that we have not approved. You may not engage in any business activities that compete with the services offered by us.

We have the right to add additional authorized services and merchandise, or to delete existing ones. There are no limits on our right to do so in the Franchise Agreement, although changes are subject to applicable law.

Except for the limitations in the Franchise Agreement on advertising and soliciting business outside of your Area of Exclusive Rights (see Item 12) and those set out in the DISCOVERY MAP® Operations Manual, you have no restrictions on who your customers are or where they come from.

Item 18 PUBLIC FIGURES

We do not use any public figures to promote our franchises.

Item 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets if there is a reasonable basis for the information and the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet that you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We are reporting on all franchise businesses that completed a full sales cycle and published a map in the fiscal year ending on September 30, 2023. All franchised units operate in a defined Area and typically publish one map per year. Each franchised business generates gross sales by selling advertising space to local businesses whose ads border the Map. Maps are two-sided. The majority of the maps we publish are either 17-inch by 22-inch or 17-inch by 25-inch in size. We do continue to publish two 17-inch by 11-inch maps but do not, in the normal course, offer franchises for new maps in this size. Therefore, these two maps are excluded from the analysis below. There are no other key demographic elements necessary in defining an Area.

Based upon the performance of the franchises which published a map in the fiscal year ending on September 30, 2023, and completed the selling cycle within the reported fiscal year, we are providing the following disclosure of the actual Gross Sales¹ which do not include unrelated and affiliate-owned franchises.

The total number of franchisees that operated franchises during the Fiscal Year ending September 30, 2023 was 77 and the total number of franchisees included in this FPR is 66.

The Average Map's Unit sales for Fiscal Year ending September 30, 2023 is as follows:

¹ Deductions from gross revenues to reach Gross Sales are the amount of all sales tax receipts and/or the amount of any documented refunds, charge backs, credits and allowances you give in good faith to customers.

	October 1, 2022 to September 30, 2023
Average Sales per Map	\$59,070
Median Sales	\$51,590
Number of Units	96
Number of Units achieving or surpassing Average Sales per Map	36
Proportion of Units achieving or surpassing Average Sales per Map	38%

Some franchisees have sold this amount. Your individual results may differ. There is no assurance that you will sell as much.

Note that this Financial Performance Representation is historic: the reasonable basis for this financial performance representation is past Gross Sales figures supplied to us in monthly reports by our franchisees. These reports comprise the written substantiation for the financial performance representation above.

NOTE: 96 (out of a total of 119) maps are included in this financial performance representation. This is because our financial performance representation is based only on maps that were published during our 2023 fiscal year in standard sizes. We do *not* include in this financial performance representation the following *unrepresentative* groups: (1) the small number of 11" x 17" maps, (2) maps that were not published during the fiscal year, and (3) company or affiliate owned map(s).

The aforementioned figures, which reflect Gross Sales, not profits, were calculated based upon information reported to us by our franchisees in their monthly reports.

The figures do not reflect the costs of sales, operating expenses or other costs and expenses that must be deducted from the Gross Sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your DISCOVERY MAP Franchised Business.

Written substantiation of the data used in preparing the financial performance representations will be made available to you upon reasonable request.

We do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representative to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Peter Hans (PO Box 726, Waitsfield VT, 05673, 802-316-4060), the Federal Trade Commission, and the appropriate state regulatory agencies.

Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

As discussed in Note 2 to the financial statements, the Company adopted new accounting guidance, Accounting Standards Codification 842, *Leases*, effective October 1, 2022. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal-control-related matters that we identified during the audit.

Discovery Map International, Inc.

Notes to Financial Statements

Note 1. Operations

Discovery Map International, Inc. (the Company) is a Vermont corporation that was formed in October 2005. The Company licenses, sells, and supports franchises for the design, production, and promotion of advertising maps in cities and towns principally in the United States, Puerto Rico and Canada. The Company also designs and produces maps commissioned by destination marketing organizations.

Note 2. Summary of Significant Accounting Policies

A summary of the Company's significant accounting policies applied in the preparation of the accompanying financial statements follows:

Basis of presentation: The Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Cash and cash equivalents: The Company considers all highly liquid instruments purchased with a maturity of three months or less to be cash equivalents.

Accounts receivable: Accounts receivable are customer obligations due under normal trade terms and are stated at the amount billed to the customer, reduced by a valuation allowance that reflects management's best estimate of the amounts that will not be collected. Management determines the allowance by regularly evaluating certain individual customer receivables and considering a customer's financial condition, credit history, and economic conditions, along with a general reserve for all other receivables. After all attempts to collect a receivable have failed, it is written off against the allowance. The Company estimated its allowance to be \$3,000 at September 30, 2023 and 2022.

Investments: Investments consist of certificates of deposit with maturities ranging from one to 12 months, which are recorded at amortized cost.

Property and equipment: The Company records property and equipment at cost. Depreciation and amortization are provided for in amounts sufficient to relate the cost of depreciable and amortizable assets to operations over their estimated service lives. Leasehold improvements related to leases with unrelated parties are amortized over the shorter of the terms of the respective leases or the service lives of the improvements and, for leased assets under common control, over the economic useful life of the leased assets. The straight-line method of depreciation and amortization is followed for substantially all assets for financial reporting purposes, but accelerated methods are used for tax purposes.

Intangible assets: The acquired franchise and dealer agreements, acquired trademarks, website, and website and application development costs are amortized on a straight-line basis over periods ranging from three to 10 years.

Discovery Map International, Inc.

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (continued)

Impairment of long-lived assets: Long-lived assets, such as property and equipment, and purchased intangible assets subject to amortization, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated undiscounted future cash flows. An impairment charge is recognized in the amount by which the carrying amount of the asset exceeds its fair value. No impairment charge was recorded for 2023 or 2022.

Leases: Effective October 1, 2022, the Company adopted Accounting Standards Codification (ASC) 842, *Leases*. The new standard was adopted using the modified retrospective transition method, under which periods prior to October 1, 2022 continue to be reported using historical accounting practices in accordance with ASC 840, *Leases*. The new standard provides a number of optional practical expedients in transition related to leases that commenced prior to the adoption of ASC 842. The Company elected the package of practical expedients that does not require a reassessment of lease classification, whether a contract contains a lease, or initial direct costs. The Company did not elect the use-of-hindsight practical expedient, which, if adopted, would have required the Company to reassess the impairment of right-of-use assets and the determination of lease terms, including with respect to renewals, terminations, and other purchase options.

Upon the adoption of ASC 842 on October 1, 2022, the Company recorded an operating lease liability and offsetting operating lease right-of-use asset of approximately \$111,000. The adoption did not have a material impact on the Company's results of operations or cash flows, and there was no cumulative-effect adjustment recorded upon the adoption.

The Company determines if an arrangement is or contains a lease at the inception of the agreement. In accordance with ASC 842, lessee leases are classified as operating or finance leases based upon various criteria. Right-of-use assets and lease liabilities are recognized at the lease commencement date based on the estimated present value of fixed lease payments over the lease terms. The lease term commences on the date the lessor makes the asset available to the Company and includes any renewal periods the Company is reasonably certain to exercise. Operating lease liabilities are amortized to operating expenses on a straight-line basis over the respective lease terms; related lease liabilities and right-of-use assets are reduced over the respective lease terms using the effective interest method. The Company has elected not to recognize short-term leases (with terms of one year or less or immaterial leases) as lease liabilities and right-of-use assets; related expenses are recognized on a straight-line basis over the lease term. Additionally, the Company has elected to apply the risk-free discount rate for leases in which there is no implicit discount rate.

Revenue recognition: Revenues are recognized when control of the promised goods or services is transferred to customers in an amount that reflects the consideration expected to be received in exchange for those goods or services. Control transfers when services are provided or product is shipped to customers because the customer has legal title, a present obligation to pay, and risks and rewards of ownership. The amount of consideration expected to be received and revenue expected to be recognized varies based on discounts offered to customers.

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (continued)

Franchise fees: The Company sells individual franchises that grant the right to own and operate businesses providing certain goods and services authorized and approved by the Company in designated areas. The franchise agreements require the franchisee to pay initial nonrefundable franchise fees prior to opening the respective business. The initial term of franchise agreements is typically 10 years, with options for renewal.

The Company considers the pre-opening services in its franchise contracts to be distinct from the franchise license and has elected to recognize the pre-opening services as a single performance obligation based on the stand-alone selling prices of each performance obligation. The pre-opening services are recognized at the completion of the pre-opening services, which is when the franchisee has the ability to benefit from these services. The franchise license is recognized as revenue on a straight-line basis over the 10-year term of the respective franchise agreement, beginning subsequent to the completion of the pre-opening services. Renewals require additional fees to be paid at a stand-alone value for the renewal period; accordingly, renewal terms are not estimated for purposes of amortizing the initial franchise fees, and renewal fees are amortized over the related renewal term. Transfers between franchisees require additional fees to be paid at a stand-alone value and are amortized over the term of the new franchise agreement. Amounts included in deferred revenue, representing the unrecognized portion of the initial franchise fees, renewal fees and transfer fees, were approximately \$335,000 and \$262,000 at September 30, 2023 and 2022, respectively.

Franchise royalty fees: The Company earns royalty fees as the franchisees sell advertising space on their respective advertising maps.

Production and proof fees: Production and proof fees primarily relate to advertising map updates requested by franchisees and other marketing organizations and are earned by the Company upon the approval of the advertising map.

Fees from other marketing organizations were previously classified as digital publication fees in the financial statements. In 2023, these fees were identified as production and proof fees and have been classified as such in the statements of income. Accordingly, approximately \$39,000 was reclassified to production and proof fees from digital publication fees in 2022.

Digital publication fees: Digital publication fees are annual fees related to web-based services provided to the franchisee, including the use of advertising software and the availability of the franchisee's interactive advertising maps on the Company's website. The Company earns these fees over the 12-month period coinciding with the franchisee's anniversary. Amounts included in deferred revenue were approximately \$87,000 and \$90,000 at September 30, 2023 and 2022, respectively.

Advertising: Advertising costs are charged to operations when incurred. Advertising expense charged to operations was approximately \$50,000 in 2023 and \$57,000 in 2022.

Income taxes: Income taxes on net income are payable personally by the stockholder pursuant to an election under Subchapter S of the Internal Revenue Code not to have the Company taxed as a corporation. Accordingly, no provision has been made for income taxes other than the state minimum income tax.

Discovery Map International, Inc.

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (continued)

Management evaluated the Company's tax positions and concluded that the Company had taken no uncertain tax positions that require adjustments to the financial statements. With few exceptions, the Company is subject to income tax examinations by U.S. federal, state or local tax authorities for the most recent three years.

In accordance with Internal Revenue Service (IRS) regulations, Subchapter S corporations electing to retain fiscal years are subject to a required payment to be deposited with the IRS.

Use of estimates: In preparing financial statements in accordance with GAAP, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

Evaluation of subsequent events: In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through November 17, 2023, the date the financial statements were available to be issued.

Note 3. Concentrations Risks

The Company has a line-of-business concentration in the sale and support of the advertising map concept. It has geographic and economic concentrations in the eastern and western United States. There were four maps operating outside the United States in 2023 and 2022; however, there were no significant international concentrations of revenues or accounts receivable.

Note 4. Contingent Liability

On March 7, 2018, the Company acquired substantially all assets related to the operations of a specific territory (Shoreline territory) from Lighthouse Maps, LLC. As part of this acquisition, the Company is required to pay up to \$50,000 for new franchises sold in Connecticut, as defined. The present value of expected future payments was estimated and recorded in other liabilities on the acquisition date and is adjusted annually.

At September 30, 2023 and 2022, the estimated obligation is approximately \$9,000, and the related franchise sale is anticipated to occur beyond one year.

Notes to Financial Statements

Note 7. Line of Credit

The Company has a \$125,000 line of credit available with Northfield Savings Bank that is due on February 10, 2024. Interest is payable monthly at the greater of 4% or *The Wall Street Journal* prime rate plus 0.75%. The line of credit is secured by substantially all assets of the Company and personally guaranteed by the stockholder and another company of which the stockholder is a member. There was no outstanding balance on the line of credit at September 30, 2023 or 2022.

Note 8. Long-Term Debt and Loan Forgiveness

During 2021, the Company obtained an unsecured note payable from Northfield Savings Bank in the amount of \$96,959, with interest at 1%, in connection with the Paycheck Protection Program (PPP) established by the federal Coronavirus Aid, Relief, and Economic Security Act (CARES Act) to assist small businesses in paying their employees and certain other expenses during the COVID-19 crisis, which was accounted for as long-term debt. In January 2022, the Company received confirmation that the entire amount of the PPP loan plus related interest was forgiven, and this amount was recognized as other income in 2022.

During 2023, the Company obtained an unsecured note payable from the Vermont Economic Development Authority (VEDA) in the amount of \$30,296, guaranteed by a related party, in connection with the Vermont Short-Term Forgivable Loan Program established under the American Rescue Plan Act to support businesses experiencing continued working capital shortfalls as a result of COVID-19, which was accounted for as long-term debt. In April 2023, the Company received confirmation that the entire amount of the VEDA loan was forgiven, and this amount was recognized as other income in 2023.

Note 9. Operating Leases

The Company currently leases office space from an affiliate of which the Company's stockholder is a partial owner (see Note 12). The lease agreement extends through October 2026. This lease has a variable cost component related to rent increases based on the Consumer Price Index; however, those increases begin in the fourth year of the lease and continue in subsequent years. Accordingly, these costs begin in 2024.

The Company has noncancelable operating leases that are short-term or immaterial, and therefore, the Company did not recognize the related operating lease right-of-use assets and operating lease liabilities. Costs associated with these leases are expensed as incurred.

Notes to Financial Statements

Note 10. Pension Plan

The Company has adopted a Savings Incentive Match Plan for Employees Individual Retirement Account, which is required to use a plan year ending on December 31. Eligible employees are those expected to receive at least \$5,000 in compensation for the plan year. Eligible employees may contribute, via salary reductions, up to established IRS annual limits.

The Company matches each employee's contribution up to 3% of compensation. With prior notice to participants, the Company can reduce its match obligation to as low as 1% of compensation in two out of any five years. Employer contributions were approximately \$11,000 in 2023 and \$12,000 in 2022.

Note 11. Employee Retention Credit (ERC)

The Company qualified for participation in the ERC program under the CARES Act. This program resulted in a payroll tax credit of approximately \$106,000, which was included in other income in 2022. As of September 30, 2022, the receivable related to this credit was approximately \$81,000 and this full amount was received in 2023.

The Company applied for the ERC and amended its 2021 federal income tax return during 2022 to apply the related reduction of payroll taxes, which resulted in additional income taxes payable by the Company's stockholder. These returns are subject to IRS audit for up to three years from the amended filing date, or indefinitely in the case of fraud. The statute of limitations on the filings of the related amended payroll tax filings was extended to a five-year statute for filings for the third quarter of 2021, and the IRS is currently considering the extension of this five-year statute for all ERC claims. Should the Company's payroll tax returns be audited and the ERC is fully or partially denied, the Company's stockholder would have to repay the amount denied and, depending on timing of the audit, may be unable to recover the related income taxes paid.

Note 12. Related-Party Transactions

The Company leases office space from Berkley Holdings, LLC, an entity for which the Company's stockholder is a partial owner (see Note 9). Related-party rent expense was approximately \$29,000 in 2023 and \$28,000 in 2022.

The Company provided map production services and collected royalties, initial franchise fees, and digital publication fees from five franchises that are owned by related parties. The Company earned revenue of approximately \$40,000 in 2023 and \$29,000 in 2022 from these related parties.

Independent Auditor's Report

To the Stockholder
Discovery Map International, Inc.

Opinion

We have audited the financial statements of Discovery Map International, Inc. (the Company), which comprise the balance sheets as of September 30, 2022 and 2021, the related statements of income, stockholder's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of September 30, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal-control-related matters that we identified during the audit.

Discovery Map International, Inc.

Notes to Financial Statements

Note 1. Operations

Discovery Map International, Inc. (the Company) is a Vermont corporation that was formed in October 2005. The Company licenses, sells, and supports franchises for the design, production, and promotion of advertising maps in cities and towns principally in the United States, Puerto Rico and Canada. The Company also designs and produces maps commissioned by destination marketing organizations.

Note 2. Summary of Significant Accounting Policies

A summary of the Company's significant accounting policies applied in the preparation of the accompanying financial statements follows:

Cash and cash equivalents: The Company considers all highly liquid instruments purchased with a maturity of three months or less to be cash equivalents.

Accounts receivable: Accounts receivable are stated at the amounts the Company expects to collect. The Company maintains allowances for doubtful accounts for estimated losses resulting from the inability of its customers to make required payments. Management considers the following factors when determining the collectability of specific customer accounts: customer creditworthiness, past transaction history with the customer, current economic industry trends, and changes in customer payment terms. If the financial condition of the Company's customers were to deteriorate, adversely affecting their ability to make payments, additional allowances would be required. Based on management's assessment, the Company provides for estimated uncollectible amounts through a charge to operations and a credit to a valuation allowance. Balances that remain outstanding after the Company has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. The allowance was \$3,000 and \$5,000 at September 30, 2022 and 2021, respectively.

Advertising: Advertising costs are charged to operations when incurred. Advertising expense charged to operations was approximately \$57,000 in 2022 and \$36,000 in 2021.

Property and equipment: Property and equipment are recorded at cost. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives using the straight-line method.

Intangible assets: The acquired franchise and dealer agreements, acquired trademarks, noncompete covenants, website, and website and application development costs are amortized on a straight-line basis over periods ranging from three to 10 years.

Impairment of long-lived assets: Long-lived assets, such as property and equipment, and purchased intangibles subject to amortization, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated undiscounted future cash flows. An impairment charge is recognized in the amount by which the carrying amount of the asset exceeds its fair value.

Discovery Map International, Inc.

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (continued)

Revenue recognition: Revenues are recognized when control of the promised goods or services is transferred to customers in an amount that reflects the consideration expected to be received in exchange for those goods or services. Control transfers when services are provided or product is shipped to customers because the customer has legal title, a present obligation to pay, and risks and rewards of ownership. The amount of consideration expected to be received and revenue expected to be recognized varies based on discounts offered to customers.

Franchise fees: The Company sells individual franchises that grant the right to own and operate businesses providing certain goods and services authorized and approved by the Company in designated areas. The franchise agreements require the franchisee to pay initial nonrefundable franchise fees prior to opening the respective business. The initial term of franchise agreements is typically 10 years, with options for renewal.

The Company considers the pre-opening services in its franchise contracts to be distinct from the franchise license and has elected to recognize the pre-opening services as a single performance obligation based on the stand-alone selling prices of each performance obligation. The pre-opening services are recognized at the completion of the pre-opening services, which is when the franchisee has the ability to benefit from these services. The franchise license is recognized as revenue on a straight-line basis over the 10-year term of the respective franchise agreement, beginning subsequent to the completion of the pre-opening services. Renewals require additional fees to be paid at a stand-alone value for the renewal period; accordingly, renewal terms are not estimated for purposes of amortizing the initial franchise fees, and renewal fees are amortized over the related renewal term. Amounts included in deferred revenue, representing the unrecognized portion of the initial franchise fees and renewal fees, were approximately \$262,000 and \$269,300 at September 30, 2022 and 2021, respectively.

Franchise royalty fees: The Company earns royalty fees as the franchisees sell advertising space on their respective advertising maps.

Production and proof fees: Production and proof fees primarily relate to advertising map updates requested by the franchisees and are earned by the Company upon franchisee approval of the updated advertising map.

Digital publication fees: Digital publication fees are annual fees related to web-based services provided to the franchisee, including the use of advertising software and the availability of the franchisee's interactive advertising maps on the Company's website. The Company earns these fees over the 12-month period coinciding with the franchisee's anniversary. Amounts included in deferred revenue were approximately \$89,900 and \$84,200 at September 30, 2022 and 2021, respectively.

Income taxes: Income taxes are payable personally by the stockholder pursuant to an election under Subchapter S of the Internal Revenue Code not to have the Company taxed as a corporation. Accordingly, no provision has been made for income taxes other than the state minimum income tax.

Discovery Map International, Inc.

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (continued)

Management evaluated the Company's tax positions and concluded that the Company had taken no uncertain tax positions that required adjustments to the financial statements. With few exceptions, the Company is no longer subject to income tax examinations by U.S. federal, state, or local tax authorities for tax years before September 30, 2018.

In accordance with Internal Revenue Service (IRS) regulations, Subchapter S corporations electing to retain fiscal years are subject to a required payment to be deposited with the IRS. The Company makes payments based on computations prescribed by IRS regulations.

Grant income: Vermont Economic Recovery Grant income of \$60,608 was received in 2021 to offset costs associated with the response to COVID-19 and necessary expenditures for the Company. The unconditional grant income was recognized as income upon the receipt of the grant award.

Use of estimates: In preparing financial statements in accordance with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

Recently issued accounting pronouncement: The Company is currently evaluating the impact of the following accounting pronouncement on its financial position and results of operations:

Leases: In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, *Leases (Topic 842)*. This ASU was issued in three parts: (a) Section A, *Leases: Amendments to the FASB Accounting Standards Codification*, (b) Section B, *Conforming Amendments Related to Leases: Amendments to the FASB Accounting Standards Codification*, and (c) Section C, *Background Information and Basis for Conclusions*. While both lessees and lessors are affected by the new guidance, which includes many changes, the effects on lessees are much more significant. The most significant change for lessees is the requirement to recognize right-of-use assets and lease liabilities for all leases not considered short-term leases, affecting leases that previously were accounted for as operating leases. This ASU is effective for fiscal years beginning after December 15, 2021 and must be implemented using a modified retrospective approach.

Evaluation of subsequent events: In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through November 16, 2022, the date the financial statements were available to be issued.

Discovery Map International, Inc.

Notes to Financial Statements

Note 3. Contingent Liability

On March 7, 2018, the Company acquired substantially all assets related to the operations of a specific territory (Shoreline territory) from Lighthouse Maps, LLC. As part of this acquisition, the Company is required to pay up to \$50,000 for new franchises sold in Connecticut, as defined. The preset value of the expected future payments was estimated and recorded at acquisition in other liabilities and is adjusted annually.

At September 30, 2022, the estimated obligation is approximately \$9,000, and the related franchise sale is anticipated to occur beyond one year. At September 30, 2021, the estimated obligation was \$42,000 and classified based on when the related franchise sales were expected to occur.

Note 4. Intangible Assets

Following is a summary of the status of intangible assets subject to amortization as of September 30:

	2022		2021	
	Gross Amount	Accumulated Amortization	Gross Amount	Accumulated Amortization

There was no outstanding balance on the line of credit at September 30, 2022 or 2021.

Discovery Map International, Inc.

Notes to Financial Statements

Note 6. Long-Term Debt

During 2020, the Company obtained an unsecured note payable from Northfield Savings Bank in the amount of \$96,959, with interest at 1%, in connection with the Paycheck Protection Program (PPP) established by the federal Coronavirus Aid, Relief, and Economic Security Act (CARES Act) to assist small businesses in paying their employees and certain other expenses during the COVID-19 crisis. In February 2021, the Company received confirmation that the entire amount of the PPP loan received in 2020 plus related interest was forgiven, and this amount was recognized as other income in 2021.

During 2021, the Company obtained a second unsecured note payable from Northfield Savings Bank in the amount of \$96,959, with interest at 1%, in connection with the PPP and the CARES Act. In January 2022, the Company received confirmation that the entire amount of the PPP loan received in 2021 plus related interest was forgiven, and this amount has been recognized as other income in 2022.

Note 7. Operating Lease Commitments

The Company currently pays rent to an affiliate of which the Company's stockholder is a partial owner (see Note 10). The five-year lease agreement extends through October 2026 and includes monthly rent payments of \$2,450.

Total rent expense charged to operations was approximately \$28,000 in 2022 and \$27,000 in 2021.

Note 8. Pension Plan

The Company has adopted a Savings Incentive Match Plan for Employees Individual Retirement Account (SIMPLE IRA), which is required to use a plan year ending on December 31. Eligible employees are those expected to receive at least \$5,000 in compensation for the plan year. Eligible employees may contribute via salary reduction up to established IRS annual limits.

The Company matches each employee's contribution up to 3% of compensation. With prior notice to participants, the Company can reduce its match obligation to as low as 1% of compensation in two out of any five years. Employer contributions were approximately \$12,000 in 2022 and \$7,000 in 2021.

Note 9. Employee Retention Credit

The Company qualified for participation in the Employee Retention Credit program under the CARES Act and filed amended payroll tax returns during 2022. For the year ended September 30, 2022, this program resulted in a payroll tax credit of approximately \$106,000, which is included in other income. At September 30, 2022, approximately \$81,000 of the Employee Retention Credit remains receivable.

Discovery Map International, Inc.

Royalty fees shall be paid monthly and are due not later than the tenth (10th) day of the month for the prior month's sales or at such times as DISCOVERY MAP INTERNATIONAL, INC., may designate in the Operations Manual. In all cases all fees shall be paid before the Map Sales Cycle concludes. The Map Sales Cycle concludes five (5) days before DISCOVERY MAP INTERNATIONAL, INC., issues written final map approval. Royalty payments must include the Sales and Royalty Report for the payment period, submitted in either digital or printed format as approved by DISCOVERY MAP INTERNATIONAL, INC., along with signed copies of all Advertising Order Forms. In addition to any other remedies DISCOVERY MAP INTERNATIONAL, INC., may have, if Franchisee is more than five (5) days late in paying any royalty fees, interest will be payable on such royalty at the rate of one and one half percent (1.5%) each month or, if the maximum interest rate permitted by state law is less than the interest rate so calculated, interest at that state's maximum rate shall be payable on the unpaid royalty fee

Franchisee shall pay any and all of DISCOVERY MAP INTERNATIONAL, INC.'s expenses in collecting overdue payments from Franchisee including attorney's fees and the fees of any collection agencies hired by DISCOVERY MAP INTERNATIONAL, INC. Franchisee acknowledges that this subsection shall not constitute agreement by DISCOVERY MAP INTERNATIONAL, INC., to accept such payments after same are due or a commitment by DISCOVERY MAP INTERNATIONAL, INC., to extend credit to, or otherwise finance Franchisee's operation of the Franchised Business.

C. As used in this Agreement, the term "Gross Sales" shall mean and include the total of all revenue and income from the sale of services and products to customers of the Franchised Business or any other source, whether or not sold or performed at or from the Franchised Business and whether received in cash, in services in kind, from barter and/or exchange, on credit (whether or not payment is received), or otherwise. Franchisee will deduct from the Franchised Business' Gross Sales (but only to the extent they have been included) the amount of all sales tax receipts or similar tax receipts which, by law, are chargeable to customers, if such taxes are separately stated when the customer is charged and if such taxes are paid to the appropriate taxing authority. Franchisee will also deduct from the Franchised Business' Gross Sales the amount of any documented refunds, charge backs, credits and allowances Franchisee gives in good faith to customers. All barter and/or exchange transactions pursuant to which the Franchised Business furnishes services and/or products in exchange for goods or services to be provided to Franchisee or Franchised Business by a vendor, supplier or customer will, for the purpose of determining Gross Sales, be valued at the full value of the goods and/or services so provided to Franchisee or Franchised Business. Gross Sales shall also include all insurance proceeds received by Franchisee for loss of business due to a casualty to or similar event affecting the operation of the Franchised Business.

This report is to be delivered to DISCOVERY MAP INTERNATIONAL, INC., so as to be received by DISCOVERY MAP INTERNATIONAL, INC., on or before the tenth (10th) day of the following month.

E. Franchisee agrees to participate in and comply with the guidelines of the Discovery Map Publication System as outlined in the Operations Manual. This program provides franchisees with a browser-based information system for them to share information about their advertisers and their area with DISCOVERY MAP INTERNATIONAL, INC. as well as web-based advertising options to sell to existing and to new advertisers in their Area on DiscoveryMap.com. The fee for the Discovery Map Publication System is TWO THOUSAND ONE HUNDRED DOLLARS (\$2,100) per year, increased annually by up to five percent (5%), compounded. Furthermore, "Net Revenue" Franchisee generates from selling advertising on any digital platform provided by Franchisor will be split seventy-five percent (75%) to you and twenty-five percent (25%) to us. "Net Revenue" shall be defined as revenue net of "Direct Expenses" paid to third parties for software administration, etc. As "Direct Expenses" are not related to any particular advertisement, Franchisee and Franchisor agree "Direct Expenses" will be calculated at \$1 per month per advertiser.

F. Franchisee agrees to pay DISCOVERY MAP INTERNATIONAL, INC., a fee of TWO HUNDRED DOLLARS (\$200.00), payable upon receipt of such notice, in the event any payment,

request for information, forms, data, production schedule submissions or any item DISCOVERY MAP INTERNATIONAL, INC., deems appropriate is not received by established due date.

G. Franchisee must reimburse DISCOVERY MAP INTERNATIONAL, INC., for any taxes that DISCOVERY MAP INTERNATIONAL, INC., must pay to any state taxing authority on account of either Franchisee's operation or payments that Franchisee makes to DISCOVERY MAP INTERNATIONAL, INC.

I Franchisee shall not withhold payment of any royalty fees or any other amounts of money owed to DISCOVERY MAP INTERNATIONAL, INC., for any reason on grounds of alleged nonperformance by DISCOVERY MAP INTERNATIONAL, INC., of any obligation hereunder.

Pursuant to Section 18 of this Agreement, Franchisee is also required to provide DISCOVERY MAP INTERNATIONAL, INC., with annual reports of Gross Sales from Franchised Business' operation within thirty (30) days of the end of Franchisee's fiscal or other operating year. F. In order to allow DISCOVERY MAP INTERNATIONAL, INC., to establish and enforce standards of quality and uniformity for the distribution and sale of its products and services, and further, in order to preserve incentive for competent entities to, at some future date, become “DISCOVERY MAP®” franchisees, Franchisee shall not sell “DISCOVERY MAP®” products and services other than on a retail basis to the general public, and not for resale by the purchasers thereof, without the prior written consent of DISCOVERY MAP INTERNATIONAL, INC., and without executing a separate Agreement with DISCOVERY MAP INTERNATIONAL, INC., for the right to conduct such wholesale sales if DISCOVERY MAP INTERNATIONAL, INC., requests the execution of such an Agreement.

In such event Franchisee or the supplier may be charged a fee that we determine before we validate the proposed supplier's qualifications. DISCOVERY MAP INTERNATIONAL, INC., will issue a decision in writing. If DISCOVERY MAP INTERNATIONAL, INC., does not render a decision, the request is deemed denied.

H. Franchisee must have a fully trained general manager operate the Franchised Business at all times when Franchisee is not personally managing and operating the Franchised Business. If DISCOVERY MAP INTERNATIONAL, INC., reasonably determines that the Franchised Business is not in conformity with DISCOVERY MAP INTERNATIONAL, INC.’s standards, or if Franchisee has not made all preparations for opening the Franchised Business previously required by the Operations Manual, or if Franchisee failed to apply for and obtain all licenses required for the operation of the Franchised Business from the appropriate governmental agencies, then DISCOVERY MAP INTERNATIONAL, INC., shall have the right to delay opening of the Franchised Business until such time as any deficiencies are brought into compliance with such standards. Franchisee understands and acknowledges that DISCOVERY MAP INTERNATIONAL, INC., may revise the content of the Operations Manual, and Franchisee expressly agrees to comply with each changed requirement within such reasonable time as DISCOVERY MAP INTERNATIONAL, INC., may require. Any new or different requirements imposed will not unreasonably increase Franchisee's obligations or place an excessive economic burden on Franchisee's operations, or otherwise alter Franchisee's status or rights under this Agreement. Franchisee shall at all times ensure that its copy of the Operations Manual and any other manuals given to it are kept current and up-to-date and, in the event of any dispute as to the contents thereof, the terms of the master copies maintained by DISCOVERY MAP INTERNATIONAL, INC., at its principal place of business shall be controlling. The entire contents of the Operations Manual are and will remain confidential and the property of DISCOVERY MAP INTERNATIONAL, INC.

D. Franchisee will maintain the Franchised Business, equipment, fixtures and signage in a good, clean, attractive and safe condition in conformity with DISCOVERY MAP INTERNATIONAL, INC.'s standards and shall make such additions, alterations, repairs and replacements thereto (but no others without DISCOVERY MAP INTERNATIONAL, INC.'s prior written consent) as may be required by DISCOVERY MAP INTERNATIONAL, INC., to keep the Franchised Business and all equipment, fixtures and signage in the highest degree of repair and condition.

E. Franchisee will respond to all business communications—including but not limited to emails, phone calls and letters by mail—in a timely manner and will maintain automated answering systems on all business phone lines in such a manner as to allow callers to leave messages.

F. Franchisee will comply with all laws, ordinances and regulations affecting the operation of the Franchised Business.

G. H. Franchisee will pay on a timely basis for all supplies, materials and expenses incurred in the operation of the Franchised Business. Franchisee is aware that it is responsible for all liabilities and expenses of the Franchised Business, and that failure to make prompt payment to its suppliers, vendors, contractors or employees may cause irreparable harm to the reputation and credit of DISCOVERY MAP INTERNATIONAL, INC., and other franchisees.

I. Franchise shall utilize the online billing and credit card payment system provided by DISCOVERY MAP INTERNATIONAL, INC. with Quickbooks Online for the processing of credit card payments related to map advertising sales. Franchisee will bear the cost of credit card processing.

J. Franchisee will permit authorized personnel of DISCOVERY MAP INTERNATIONAL, INC., to enter the Franchised Business at any time during normal business hours to inspect and examine the operations and facilities and will permit such personnel to visit or otherwise communicate with advertisers with which it has done or has attempted to do business. K. Franchisee will print and distribute the Franchised Business' map within one (1) year of the signing of this Franchise Agreement, and will resell, reprint and otherwise renew the Franchised Business' map at least once annually.

L. Franchisee must pay DISCOVERY MAP INTERNATIONAL, INC., or its designee, at the then-current rate for map layout and map assembly services, to update and redraw the Franchised Business map every seven (7) years from the date of this Franchise Agreement including the term of any renewal thereof.

M. The grant of the Franchisee's Area is expressly conditioned upon Franchisee's successful penetration of the market in the exclusive territory. If at any time you fail to meet the above-referenced enrollment quotas, we reserve the right to enroll merchants in your Area into the rewards program. If we exercise this right, you will not receive a percentage of the commission we receive for any merchants we enroll in the rewards program.

To allow DISCOVERY MAP INTERNATIONAL, INC., to adapt to changes in technology and circumstances in the travel and advertising industries, Franchisor reserves the right to establish additional or different sales goals and quotas and incorporate them into the System, and Franchisee agrees to comply with those additional or different goals and quotas.

In any year Franchisee does not achieve the foregoing minimum sales performance standards as they may be modified or supplemented from time to time for that specific year, Franchisee will be in default of this Franchise Agreement. Failure to take adequate steps to cure the default could result in termination of the Franchise Agreement pursuant to Section 23 (B)(13).

N. Franchisee must use reasonable effort in its hiring and contracting practices and must not employ any person:

- (1) who has been convicted of, or entered a plea of no contest to, any felony;
- (2) that demonstrates gross misconduct, which results in, or would likely result in material and demonstrable damage to Franchisee's Franchised Business, DISCOVERY MAP INTERNATIONAL, INC.'s business, or that of any other DISCOVERY MAP® franchised business;
- (3) who has a judgment against him/her involving any claim or other crime or offense that is likely to adversely affect Franchisee's reputation, DISCOVERY MAP INTERNATIONAL, INC.'s reputation, or the reputation of Franchisee's DISCOVERY MAP® Franchised Business or that of any other DISCOVERY MAP® franchisees.

16. TRADE SECRETS, NEW PROCESSES, CONCEPTS, IMPROVEMENTS, ETC.

Franchisee acknowledges that Franchisee's entire knowledge of the operation of the Franchised Business, including without limitation the contents of the Operations Manual, list of vendors, and the specifications, equipment, standards, and operating procedures of the Franchised Business, is derived from information disclosed to Franchisee by DISCOVERY MAP INTERNATIONAL, INC., and that such Operations Manual and such other information is confidential and a trade secret of DISCOVERY MAP INTERNATIONAL, INC. Franchisee agrees that Franchisee shall maintain the absolute confidentiality of the Operations Manual and all such other information during and after the term of the franchise. Franchisee agrees that Franchisee shall disclose confidential information only to those employees and/or contractors that need such confidential information to perform their job functions and only to the extent necessary for them to do so. Prior

to disclosing any confidential information, Franchisee shall require all such employees and/or contractors to sign Confidentiality Agreements in a form approved by DISCOVERY MAP INTERNATIONAL, INC., and shall forward a copy of same to DISCOVERY MAP INTERNATIONAL, INC. Franchisee agrees that Franchisee shall not use the Operations Manual and such other information in any other business or in any manner not specifically authorized or approved in writing by DISCOVERY MAP INTERNATIONAL, INC.

Franchisee agrees that if it shall develop any new concept, process or improvement in the operation or promotion of the Franchised Business, it shall promptly notify DISCOVERY MAP INTERNATIONAL, INC., of such and shall provide DISCOVERY MAP INTERNATIONAL, INC., with all necessary information with respect thereto that it requests, without compensation therefore. Franchisee also agrees that if it shall develop any new trademark, service mark, trade name and trade symbols, trade dress, signs, slogans, associated logos, designs, e-mark, copyrights, emblems, concept, process or improvement in the operation or promotion of the Franchised Business, that DISCOVERY MAP INTERNATIONAL, INC., will immediately become sole owner thereof. Franchisee acknowledges that DISCOVERY MAP INTERNATIONAL, INC., may itself subsequently utilize, license or disclose such information to other franchisees.

17. MARKS

A. Franchisee acknowledges and agrees that DISCOVERY MAP INTERNATIONAL, INC., is the owner of the Licensed Rights which include all Marks licensed to Franchisee under this Agreement and that Franchisee's right to use the Licensed Rights is derived solely from this Agreement and is limited to the conduct of the business by Franchisee pursuant to and in compliance with this Agreement and all applicable standards, specifications, and operating procedures prescribed by the DISCOVERY MAP INTERNATIONAL, INC., from time to time during the term of this Agreement. Any unauthorized use of the Marks by Franchisee is a breach of this Agreement and an infringement of the rights of DISCOVERY MAP INTERNATIONAL, INC., in and to the Marks. Franchisee acknowledges and agrees that all usage of the Marks by Franchisee and any goodwill established by Franchisee's use of the Marks shall inure to the exclusive benefit of DISCOVERY MAP INTERNATIONAL, INC., and that this Agreement does not confer any goodwill or other interests in or to the Marks upon Franchisee. Franchisee shall not, at any time during the term of this Agreement, or after its termination or expiration, contest the validity or ownership of any of the Marks or assist another person in contesting the validity or ownership of any of the Marks. All provisions of this Agreement applicable to the Marks apply to any additional trademarks, service marks, and commercial symbols authorized for use by and licensed to Franchisee by DISCOVERY MAP INTERNATIONAL, INC., after the date of this Agreement.

B. Franchisee shall not use any of the Marks as part of any corporate or trade name, or with any prefix, suffix, or other modifying words, terms, designs, or symbols, or in any modified form, nor may Franchisee use any of the Marks in connection with the sale of any unauthorized product or service or in any other manner not expressly authorized in writing by DISCOVERY MAP INTERNATIONAL, INC. Franchisee agrees to give such notices of trademark and service mark registrations as DISCOVERY MAP INTERNATIONAL, INC., specifies and to obtain such fictitious or assumed name registrations as may be required under applicable law or as requested by DISCOVERY MAP INTERNATIONAL, INC. Franchisee shall not use any of the Marks in any manner that has not been specified or approved by DISCOVERY MAP INTERNATIONAL, INC., prior thereto.

C. Franchisee shall immediately notify DISCOVERY MAP INTERNATIONAL, INC., in writing of any apparent infringement of or challenge to Franchisee's use of the Marks, which it becomes aware of, and of any claim by any person of any right in the Marks or any similar trade name, trademark, or service mark of which Franchisee becomes aware. Franchisee shall not directly or indirectly communicate with any person other than DISCOVERY MAP INTERNATIONAL, INC., and its counsel in connection with any such infringement, challenge, or claim. DISCOVERY MAP INTERNATIONAL, INC., shall have sole discretion to take such action as it deems appropriate and shall have the right to exclusively control any litigation, U.S. Patent and Trademark Office proceeding or other administrative proceeding arising out of such infringement, challenge or claim or otherwise relating to the Marks. Franchisee agrees to execute any and all instruments and documents, render such assistance, and do such acts and things as may, in the opinion of DISCOVERY MAP INTERNATIONAL, INC.'s counsel, be necessary or advisable to protect and maintain the interests of DISCOVERY MAP INTERNATIONAL, INC., in any such litigation, U.S. Patent and Trademark Office proceeding, or other administrative proceeding or to otherwise protect and maintain the interests of DISCOVERY MAP INTERNATIONAL, INC., in the Marks.

D. If it becomes advisable at any time in DISCOVERY MAP INTERNATIONAL, INC.'s sole discretion for DISCOVERY MAP INTERNATIONAL, INC., and/or Franchisee to modify or discontinue use of the Marks, and/or use one or more additional or substitute trade names, trademarks, service marks, or other commercial symbols, Franchisee agrees to comply with DISCOVERY MAP INTERNATIONAL, INC.'s directions within a reasonable time after notice to Franchisee by DISCOVERY MAP INTERNATIONAL, INC. DISCOVERY MAP INTERNATIONAL, INC., shall have no liability or obligation whatsoever with respect to Franchisee's modification or discontinuance of the Marks. Franchisee agrees that any costs for modifying or changing the Marks will be borne by Franchisee and such modification or change of Marks will be completed by Franchisee within a reasonable period of time after notification by DISCOVERY MAP INTERNATIONAL, INC.

18. FINANCIAL INFORMATION, AUDITS

A. Franchisee shall keep and maintain, during the term of this Agreement and any renewals or extensions thereof and shall preserve for a minimum of seven (7) years, full, complete and accurate books of account in accordance with generally accepted accounting standards and practices that shall accurately show the Gross Sales of the Franchised Business and any and all deductions therefrom that are expressly permitted by this Agreement marketing activities, payroll and accounts payable.

B. Franchisee shall, at its expense, deliver to DISCOVERY MAP INTERNATIONAL, INC., within thirty (30) days after the end of each fiscal year of Franchisee, a complete financial statement for the said fiscal year, including, without limitation, both an income statement and balance sheet, which may be unaudited, together with reports of Gross Sales from the year's operations and all amounts expended on advertising as well as such other information in such form as DISCOVERY MAP INTERNATIONAL, INC., may require. Each financial statement shall be signed by Franchisee or by Franchisee's Treasurer, Managing Member or Chief Financial Officer who shall attest that the statement is true and correct and prepared in accordance with DISCOVERY MAP INTERNATIONAL, INC.'s requirements.

C. Franchisee will permit authorized personnel of DISCOVERY MAP INTERNATIONAL, INC., to inspect, examine, compile, review and/or audit all of Franchisee's business records

relating to the Franchised Business, including but not limited to financial documents and tax returns, at any time during normal business hours.

D. Franchisee shall permit accountants designated by DISCOVERY MAP INTERNATIONAL, INC., to audit Franchisee's books of accounts. In the event that any such understatement is made deliberately, such understatement shall constitute an Event of Default and be considered a material breach as defined in Section 23 C. of this Agreement.

Should any audit reveal an understatement of more than five percent (5%) of the amount otherwise due or if the understatement is determined to be willful, the expenses of the DISCOVERY MAP INTERNATIONAL, INC.'s audit and inspection shall be borne by Franchisee and the deficiency shall be immediately due and payable with interest from the date the payments should have been made.

19. ADVERTISING AND PROMOTIONS

A. As of the date of this Agreement, DISCOVERY MAP INTERNATIONAL, INC., does not charge an advertising royalty or fee. DISCOVERY MAP INTERNATIONAL, INC., does, however, reserve the right to institute such a royalty or fee, in an amount equal to one percent (1%) of the Franchised Business's Gross Sales, in order to develop and maintain a regional or national advertising program. Should DISCOVERY MAP INTERNATIONAL, INC., in its sole discretion, decide to institute such an advertising fee, it will have the right to do so upon ninety (90) days written notice of Franchisor's intent to invoke its rights under this Subsection. Collection of any fees thus imposed will be accomplished in the same manner, and subject to the same conditions, as are more particularly outlined in Section 6 B. of this Agreement.

B. If or when an advertising fund is begun, it will be administered by the officers of DISCOVERY MAP INTERNATIONAL, INC., under the direction of an advertising council made up of three (3) representatives of DISCOVERY MAP INTERNATIONAL, INC., and two (2) representatives of the franchisees. Franchisees will have the right to elect their representatives once a year. The advertising council will be responsible for (1) developing and placing advertising for the benefit of the entire "DISCOVERY MAP®" SYSTEM; (2) deciding which media to use and under what terms; (3) preparing and making available to all franchisees a quarterly statement of income and expenses; (4) at such time as is practical, causing an annual audit of the fund to be performed and making the results available to all franchisees; and (5) securing the services of advertising agencies or other marketing professionals. Funds not spent in any given fiscal year will be carried forward to the next year. DISCOVERY MAP INTERNATIONAL, INC., reserves the right to place additional regional or national advertising at its own expense. All "DISCOVERY MAP®" company-owned or affiliate-owned businesses will contribute to the fund on the same basis as franchised businesses.

C. Irrespective of the development or implementation of any regional or national advertising program by DISCOVERY MAP INTERNATIONAL, INC., if any, Franchisee is strongly advised to devote at least one percent (1%) of its Gross Sales to local and regional advertising. Franchisee may do its own advertising, or hire an advertising agency, but in either event, Franchisee must obtain DISCOVERY MAP INTERNATIONAL, INC.'s prior written approval of all advertising and promotional plans and materials that Franchisee desires to use at least thirty (30) days before the start of any such use unless such plans and materials have been previously approved by DISCOVERY MAP INTERNATIONAL, INC. Franchisee shall submit such plans and materials

to DISCOVERY MAP INTERNATIONAL, INC., by personal delivery or through the mail, “Return Receipt Requested” or sent by overnight delivery paid for by sender. Franchisee shall not use such plans or materials until they have been approved by DISCOVERY MAP INTERNATIONAL, INC., in writing and shall promptly discontinue use of any advertising or promotional plans and materials upon the request of DISCOVERY MAP INTERNATIONAL, INC. Any plans or materials submitted by Franchisee to DISCOVERY MAP INTERNATIONAL, INC., that have not been approved or disapproved, in writing, within fifteen (15) days of receipt thereof by DISCOVERY MAP INTERNATIONAL, INC., shall be deemed disapproved.

D. DISCOVERY MAP INTERNATIONAL, INC., will provide advertising material to Franchisee, if Franchisee so desires, at a price equal to DISCOVERY MAP INTERNATIONAL, INC.'s cost thereof.

E. Until or unless DISCOVERY MAP INTERNATIONAL, INC., develops and implements a regional or national advertising program under the provisions of Sub-section 19 A. above, the cost of participating in any such program will be borne by Franchisee.

F. Except when advertising cooperatively with other franchisees or with DISCOVERY MAP INTERNATIONAL, INC., Franchisee is prohibited from advertising outside Franchisee’s Area. Unless granted specific written permission to the contrary, Franchisee's local advertising activity is limited to print and broadcast media, direct mail, speaking engagements, trade shows, billboards and all other types of activity designed to encourage and solicit business that lie only within Franchisee's Area. If Franchisee's Area lies within an Area of Dominant Influence (ADI) of media sources located outside of Franchisee’s Area, and if other “DISCOVERY MAP®” franchised or company-owned or affiliate-owned businesses lie within the same ADI, then DISCOVERY MAP INTERNATIONAL, INC., reserves the right to require Franchisee and other franchisees to cooperate and participate in advertising through that media source on a cooperative basis.

G. DISCOVERY MAP INTERNATIONAL, INC., reserves the right to require Franchisee to cooperate and participate in certain educational, Franchise conferences, special promotional events or campaigns that may from time to time be sponsored by DISCOVERY MAP INTERNATIONAL, INC., other franchisees, or both.

H. Immediately upon notification to do so, Franchisee shall discontinue any advertising that would, in DISCOVERY MAP INTERNATIONAL, INC.’s opinion, be detrimental.

I. Franchisee may sell advertising for publication on the Internet, world-wide web, and any other electronic medium of communication only through the DISCOVERY MAP INTERNATIONAL WEB AD SALES PROGRAM as outlined in the Operations Manual or any successor program to it as social networking, the world-wide web, and other electronic media evolve.

J. Franchisee may provide advertising spaces to its members or affiliated businesses at rates below standard rates established by DISCOVERY MAP INTERNATIONAL, INC. from time to time for markets of comparable size and type only with the consent of DISCOVERY MAPS INTERNATIONAL, INC. Franchisee acknowledges that sales made with consent below those rates will be included in Gross Sales as defined in the Franchise Agreement as if they had been sold at such standard published rates.

20. BUSINESS RELATIONSHIP, INDEMNIFICATION, INSURANCE

A. DISCOVERY MAP INTERNATIONAL, INC., and Franchisee agree that each of them is an independent business entity or person, their only relationship is by virtue of this Agreement and no fiduciary relationship is created under this Agreement. Neither party is liable or responsible for the other's debts or obligations, nor shall either party be obligated for any damages to any person or property directly or indirectly arising out of the operation of the other party's business. DISCOVERY MAP INTERNATIONAL, INC., and Franchisee agree that neither of them will hold themselves out to be the agent, legal representative, subsidiary, joint venture, employer, or partner of the other and that neither of them has the authority to bind or incur liability on behalf of the other (unless expressly provided in this Agreement).

B. Franchisee understands and agrees that nothing in this Agreement authorizes Franchisee to make any contract, agreement, warranty or representation on DISCOVERY MAP INTERNATIONAL, INC.'s behalf, or to incur any debt or other obligation in DISCOVERY MAP INTERNATIONAL, INC.'s name. Franchisee further understands and agrees that DISCOVERY MAP INTERNATIONAL, INC., shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action or by reason of any act or omission of Franchisee in its conduct of the Franchised Business, or any claim or judgment arising therefrom against DISCOVERY MAP INTERNATIONAL, INC. Franchisee shall indemnify, defend and hold harmless DISCOVERY MAP INTERNATIONAL, INC., and DISCOVERY MAP INTERNATIONAL, INC.'s officers, directors, shareholders and employees, and agents from and against any and all claims, costs, obligations, and causes of action, arising directly or indirectly from, as a result of, or in connection with, Franchisee's operation of the Franchised Business, the actions of any of its employees or agents, or by reason of an omission relating to the operation of the Franchised Business, as well as the costs, including reasonable accountants', attorneys', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, involved in defending against same incurred by DISCOVERY MAP INTERNATIONAL, INC. This indemnity shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement or any renewals thereof.

C. Franchisee agrees to maintain insurance as follows:

(1) With respect to all insurable properties, Franchisee shall maintain or cause to be maintained, general property liability insurance against loss or damage by fire, lightning, windstorm, hail, flood, tornado, hurricane, earthquakes, explosion, riot, riot attending a strike, civil commotion, air traffic, vehicle smoke or other risks usually insured against by persons operating like properties in the localities where the Franchised Business operated by Franchisee is located, in amounts sufficient to prevent the Franchisee from becoming a co-insurer within the terms of the policies in question, and in any event in amounts not less than the replacement cost of the Franchised Business and contents;

(2) Franchisee shall maintain or cause to be maintained general public/commercial liability insurance, including product liability, against claims for personal injury, death or property damage suffered by others upon, in or about the Franchised Business or occurring as a result of the maintenance or operation by Franchisee of any automobiles, trucks or other vehicles or airplanes or other facilities or as a result of the use of products sold by it or services rendered by it or any claims arising out of the business of Franchisee pursuant to this Agreement or the operation of the Franchised Business and including contractual

indemnity coverage in amounts not less than FIVE HUNDRED THOUSAND DOLLARS (\$500,000); and

(3) Franchisee shall maintain or cause to be maintained worker's compensation insurance, in such amounts as are now or hereafter may be required by any applicable law, and shall withhold and pay any and all amounts required to be so paid for unemployment compensation, disability, social security, and other such taxes imposed upon Franchisee as an employer.

D. All policies of liability insurance shall insure Franchisee and DISCOVERY MAP INTERNATIONAL, INC., as an additional insured or loss payee as appropriate and shall protect Franchisee and DISCOVERY MAP INTERNATIONAL, INC., against any liability that may accrue by reason of the ownership, maintenance or operation by Franchisee of the Franchised Business.

E. Franchisee's obligation to obtain and maintain or cause to be maintained the foregoing policy or policies of insurance shall not be limited in any way by reason of any insurance that may be maintained by DISCOVERY MAP INTERNATIONAL, INC., nor shall Franchisee's performance of this obligation relieve it of liability under the indemnity provision set forth in this Agreement. Franchisee shall deliver to DISCOVERY MAP INTERNATIONAL, INC., certificates of insurance evidencing its compliance no less than ten (10) days prior to opening the Franchised Business. The evidence of insurance shall include a statement by the insurer that the policy or policies will not be cancelled or materially altered without giving at least thirty (30) days prior written notice to DISCOVERY MAP INTERNATIONAL, INC.

21. RENOVATION AND REMODELING

A. In the event Franchisee operates the Franchised Business from a commercial space and in order to maintain a modern, progressive, and uniform image, DISCOVERY MAP INTERNATIONAL, INC., shall have the following rights with respect to the physical condition of the Franchised Business:

(1) To conduct inspections of the Franchised Business on an annual basis, or more often if DISCOVERY MAP INTERNATIONAL, INC., deems doing so to be necessary. The cost of performing such inspections shall be borne by DISCOVERY MAP INTERNATIONAL, INC., and will pertain to the adequacy and condition of the fixtures and equipment of the Franchised Business, and the maintenance of DISCOVERY MAP INTERNATIONAL, INC.'s standards of safety and quality. Any deficiencies noted in the inspections will be the immediate responsibility of the Franchisee to correct, or have corrected, time being of the essence in so doing. In the event Franchisee fails to make corrections to any noted deficiencies which in the reasonable opinion of DISCOVERY MAP INTERNATIONAL, INC., poses a hazard, or in any way undermines the permanent need to provide a safe, clean, and visually appealing environment for its customers, such failure shall constitute a breach of the terms of the Agreement, and without limiting any remedies provided hereunder for such breach, DISCOVERY MAP INTERNATIONAL, INC., reserves the right to suspend operation of the Franchised Business until such repairs or replacements are made, or to have the necessary work performed on behalf of the Franchisee, and at the Franchisee's expense.

(2) After the expiration of five (5) years from the date of opening the Franchised Business, DISCOVERY MAP INTERNATIONAL, INC., may require, at any time and from time to time, that Franchisee perform such additional repairs, and replacements of the Franchised Business as DISCOVERY MAP INTERNATIONAL, INC., deems necessary and practical to bring the Franchised Business to the then-current standards of safety, cleanliness, and appearance as are being required of new “DISCOVERY MAP®” franchised businesses.

22. BUSINESS ORGANIZATION AND PERSONAL GUARANTIES

A. If Franchisee is an individual or individuals, then it is understood and agreed that the grant of license in Section 2 is made by DISCOVERY MAP INTERNATIONAL, INC., in reliance on the personal attributes of Franchisee and in consideration of the trust and confidence which DISCOVERY MAP INTERNATIONAL, INC., places in Franchisee, who will actively and substantially participate personally in the beneficial ownership and management of the “DISCOVERY MAP®” Franchised Business.

B. If Franchisee is a business entity (including but not limited to: a corporation, a limited liability corporation, a partnership, a limited liability partnership), then Franchisee must complete and sign the Principal Owner’s Statement attached to this Agreement as Addendum F and each individual with an ownership interest in Franchisee must also sign Addendum F. Further, Franchisee represents, warrants, and covenants that:

(1) Franchisee is duly organized and validly exists under the laws of the state in which it was formed;

(2) Franchisee is duly qualified and is authorized to do business in each jurisdiction in which its business activities or the nature of the properties owned by it require such qualification;

(3) The execution of this Agreement and the transactions contemplated hereby are within Franchisee’s powers;

(4) The ownership interests in Franchisee are listed in Addendum F and are listed accurately and completely;

(5) Each and every person with an ownership interest in Franchisee shall sign the Guaranty Agreement attached to this Agreement as Addendum E and the original signed Guaranty Agreement shall be provided to DISCOVERY MAP INTERNATIONAL, INC.;

(6) The stated purpose of the business entity shall consist only of the development, ownership, operation and maintenance of the “DISCOVERY MAP®” Franchised Business;

(7) Franchisee shall not issue any additional stock, membership, or interests in Franchisee and no individual with ownership interest in Franchisee shall transfer, assign or pledge any ownership interest in Franchisee without the prior written consent of DISCOVERY MAP INTERNATIONAL, INC., and a legend setting forth same shall be contained in the business entity’s organizational and governing documents and other

appropriate documents such as certificates and stocks. DISCOVERY MAP INTERNATIONAL, INC., shall not withhold its consent to such issuance, transfer, assignment or pledge without a reasonable basis for doing so. In giving its consent, DISCOVERY MAP INTERNATIONAL, INC., shall have the right (but not the obligation) to impose one or more reasonable conditions;

(8) Whenever the ownership interests in Franchisee changes, Franchisee must provide an updated Addendum F to DISCOVERY MAP INTERNATIONAL, INC., within five (5) business days of the change and the new recipient(s) of an ownership interest in Franchisee must sign the Guaranty Agreement attached to this Agreement as Addendum E;

(9) Prior to DISCOVERY MAP INTERNATIONAL, INC.'s signing of this Agreement, Franchisee shall deliver to DISCOVERY MAP INTERNATIONAL, INC., photocopies of the organizational and governing documents and other documents such as certificates and stocks reflecting compliance with the provisions of this Subsection; and

(10) Operation of the Franchised Business is within the use for which the business entity is authorized in the jurisdiction in which the Franchised Business shall be conducted.

C. At the discretion of DISCOVERY MAP INTERNATIONAL, INC., Franchisee and any other shareholder, officer, member or partner of Franchisee shall sign the Guaranty Agreement in Addendum E hereto.

23. TERMINATION

A. Franchisee and DISCOVERY MAP INTERNATIONAL, INC., may terminate this Agreement at any time by mutual agreement.

B. Franchisee acknowledges that the strict performance of all the terms of this Agreement is necessary not only for protection of DISCOVERY MAP INTERNATIONAL, INC., but also for the protection of Franchisee and other franchisees of DISCOVERY MAP INTERNATIONAL, INC. As a result, Franchisee acknowledges and agrees that the occurrence of any of the following events, each or any of which shall be considered a material breach of this Agreement, constitutes reasonable grounds for termination of this Franchise Agreement by DISCOVERY MAP INTERNATIONAL, INC.; provided, however that Franchisee shall be given the opportunity, within fifteen (15) days after receipt of written notice of such material breach, to cure the default by promptly providing proof thereof to DISCOVERY MAP INTERNATIONAL, INC. Notwithstanding the foregoing, if the breach is curable but is of a nature which cannot reasonably be cured within such fifteen (15) day period and Franchisee has commenced and is continuing to make good faith efforts to cure the breach, Franchisee shall be given an additional reasonable period of time to cure the same, and this Agreement shall not terminate. If any such default is not cured within the specified time, this Agreement shall terminate effective immediately upon notice of termination from us to Franchisee. Franchisee shall be in default under this Agreement for failure to comply with any of the requirements imposed by this Agreement, as it may from time to time be reasonably supplemented by DISCOVERY MAP INTERNATIONAL, INC.'s Operations Manual or other manuals or for failure to carry out the terms of this Agreement in good faith. Such defaults include, but are not limited to:

- (1) If, without the prior written consent of DISCOVERY MAP INTERNATIONAL, INC., Franchisee, or persons controlling, controlled by, or under common control with the Franchisee, shall have any interest, direct or indirect, in the ownership or operation of any business regardless of where located, engaged in the sale of products or services that are similar to those offered by DISCOVERY MAP®, or in any business, that looks like, copies, or imitates any “DISCOVERY MAP®” business, or operates in a manner tending to have such effect;
- (2) If Franchisee shall fail to remit any payments when due under this Agreement;
- (3) If Franchisee shall fail to equip, maintain, or remodel the Franchised Business in accordance with DISCOVERY MAP INTERNATIONAL, INC.'s plans and specifications;
- (4) If Franchisee shall fail to submit to DISCOVERY MAP INTERNATIONAL, INC., financial reports or other information required under this Agreement, or to allow reasonable access to its records;
- (5) If Franchisee shall fail to operate the Franchised Business in accordance with DISCOVERY MAP INTERNATIONAL, INC.'s Operations Manual or other manuals or shall fail to use products, methods, equipment or suppliers that conform to the specifications and standards of DISCOVERY MAP INTERNATIONAL, INC., or shall fail to maintain DISCOVERY MAP INTERNATIONAL, INC.'s standards of quality service in the operation of the Franchised Business;
- (6) If Franchisee shall be in default under any lease or sublease of the Franchised Business site, and loses the right to possession as a result thereof;
- (7) If Franchisee fails to obtain DISCOVERY MAP INTERNATIONAL, INC.'s prior written approval or consent as expressly required by this Agreement;
- (8) If Franchisee shall fail to accurately or completely record all sales made in, upon or from the Franchised Business at the time of sale;
- (9) If Franchisee breaches any other covenant, term, or provision of this Agreement;
- (10) If Franchisee shall fail to print and distribute the Franchised Business’ map within one (1) year of the signing of this Franchise Agreement, or fails to resell, reprint and otherwise renew the Franchised Business’s map at least once annually;
- (11) If Franchisee shall fail to comply with any of Franchisee’s agreements with any third parties as related to the Franchised Business;
- (12) If Franchisee generally shall not be paying the debts of the Franchised Business as they become due;
- (13) If Franchisee shall fail to meet any applicable minimum sales performance standard as they may be modified or supplemented from time to time.

C. In the event Franchisee is delivered three (3) or more notices of material breach pertaining to any one or more of the foregoing events, whether or not cured after notice, during the initial

term or any renewal terms of this Agreement, DISCOVERY MAP INTERNATIONAL, INC., shall have the right to terminate this Agreement. The effective date of any such termination noticed under this Subsection shall be upon the expiration of Franchisee's receipt of ten (10) days written notice to that effect, or such longer period as may be required by law.

D. Notwithstanding the foregoing, Franchisee shall be deemed to be in material breach and DISCOVERY MAP INTERNATIONAL, INC., at its option, may terminate this Agreement and all rights granted under it, without affording Franchisee any opportunity to cure the breach, effective immediately without written notice, if Franchisee does any of the following:

(1) Abandons, vacates, deserts, surrenders, transfers control or otherwise ceases operation of the Franchised Business or fails to continuously and actively operate the Franchised Business for a period of five (5) consecutive days or any shorter period that indicates an intent by Franchisee to discontinue operation of the Franchised Business without the express written consent of DISCOVERY MAP INTERNATIONAL, INC., to do so, unless and only to the extent that Franchisee is precluded from doing so by damage to the Franchised Business due to war, act of God, civil disturbance, natural disaster, labor dispute or other events beyond Franchisee's reasonable control and so long as within thirty (30) days, Franchisee has begun and diligently pursued relocation or reestablishment of the Franchised Business;

(2) Misuses the DISCOVERY MAP INTERNATIONAL, INC., SYSTEM or Licensed Rights, or any other names, marks, systems, insignias, symbols, or rights provided by DISCOVERY MAP INTERNATIONAL, INC., to Franchisee, or otherwise materially impairs the goodwill associated therewith or DISCOVERY MAP INTERNATIONAL, INC.'s rights therein, or if Franchisee shall use at the Franchised Business any names, marks, systems, insignias, or symbols not authorized by DISCOVERY MAP INTERNATIONAL, INC.;

(3) Consistently (meaning twice or more in any twelve (12) month period) fails or refuses to submit when due any financial statement, tax return or schedule, or to pay when due the Royalty Fees or any other payments or to submit any required reports due to DISCOVERY MAP INTERNATIONAL, INC.;

(4) Intentionally underreports Gross Sales in any amount or negligently underreports Gross Sales by five percent (5%) or more during any reporting period;

(5) Operates the Franchised Business in a manner that violates any federal, state, or local law, rule, regulation or ordinance;

(6) Has made a material misrepresentation to DISCOVERY MAP INTERNATIONAL, INC., or on Franchisee's application to own and operate the Franchise or in conducting the Franchised Business;

(7) Attempts to transfer, assign or sub-franchise this Agreement without having the prior written consent of DISCOVERY MAP INTERNATIONAL, INC., in accordance with this Agreement;

(8) Except as explicitly permitted in this Agreement, discloses or divulges to any person or

entity or copies or reproduces any of the contents of the Operations Manual or any other trade secrets or confidential information provided to Franchisee by DISCOVERY MAP INTERNATIONAL, INC., or by any of its subsidiaries or affiliates;

(9) Engages in any activity that has a material adverse effect on DISCOVERY MAP INTERNATIONAL, INC., and/or the Marks and/or engages in any other business within Franchisee's Area;

(10) Is convicted of or pleads "nolo contendere" to a felony, a crime involving fraud, deception or moral turpitude, or any crime or offense likely, in the sole opinion of DISCOVERY MAP INTERNATIONAL, INC., to materially and unfavorably affect the Licensed Rights, the Marks and/or the associated goodwill and reputation of "DISCOVERY MAP®" and/or DISCOVERY MAP INTERNATIONAL, INC.;

(11) (a) Fails to satisfy any material judgment (or several judgments which in the aggregate are material) within thirty (30) days unless a supersedes or other appeal bond has been filed; or (b) fails to have discharged within five (5) days an execution levied against Franchisee, Franchisee's business or property or any person with a controlling interest in Franchisee; or (c) fails to have dismissed within thirty (30) days a suit to foreclose any lien or mortgage against the Franchised Business, the equipment therein, or the land upon with the Franchised Business is situated; or (d) fails to have dismissed within a thirty (30) day period any attachments of Franchisee's bank accounts, property or receivables; or (e) if the real or personal property of Franchisee's business shall be sold after levy by any sheriff, marshal, or constable;

(12) Fails to maintain an independent contractor relationship with DISCOVERY MAP INTERNATIONAL, INC.

E. Notwithstanding the foregoing provisions of this Section, Franchisee shall be in breach under this Agreement and all rights granted under this Agreement will automatically terminate without notice to Franchisee, if Franchisee does any of the following:

(1) Makes an assignment for the benefit of creditors or an admission of Franchisee's inability to pay its obligations as they become due;

(2) Files a voluntary petition in bankruptcy or any pleading seeking any reorganization, arrangement, composition, adjustment, liquidation, dissolution or similar release under any law, or admitting or failing to contest the material allegations of any such pleading filed against him, or is adjudicated bankrupt or insolvent, or a receiver is appointed for a substantial part of the assets of Franchisee or the Franchised Business, or the claims of creditors of Franchisee or the Franchised Business are abated or subject to moratorium under any laws.

F. In the event state law requires a notice period prior to the effective date of a termination under this Section, DISCOVERY MAP INTERNATIONAL, INC., shall have the right to take possession of the Franchised Business and diligently run it on Franchisee's behalf until such time as the termination becomes legally effective. Franchisee, on behalf of itself, Franchisee's heirs, and Franchisee's legal representatives, consents to such operation of the Franchised Business by

DISCOVERY MAP INTERNATIONAL, INC., and releases and indemnifies DISCOVERY MAP INTERNATIONAL, INC., from any liability arising in connection with its operation of the Franchised Business pursuant to the terms of this Subsection.

24. EFFECT OF TERMINATION / EXPIRATION

A. Upon termination of this Agreement for any reason, or upon expiration of the term hereof, Franchisee agrees as follows:

- (1) To pay immediately to DISCOVERY MAP INTERNATIONAL, INC., the full amount of all sums due under this Agreement;
- (2) To cease immediately to use the “DISCOVERY MAP®” SYSTEM and all of the Licensed Rights provided by DISCOVERY MAP INTERNATIONAL, INC., hereunder including but not limited to the “DISCOVERY MAP®” trademarks, service marks, or any other mark registered by DISCOVERY MAP INTERNATIONAL, INC., its affiliates or any of DISCOVERY MAP INTERNATIONAL, INC., trade secrets, signs, symbols, devices, materials constituting part of the “DISCOVERY MAP®” SYSTEM, and any confusingly similar name, marks, systems, insignias, symbols and other rights, procedures or methods except to the extent permitted pursuant to Section 24 B;
- (3) To return “DISCOVERY MAP®” Operations Manual and all other manuals, plans and specifications, designs, records, client lists, data, samples, models, programs, handbooks or drawings touching or concerning DISCOVERY MAP INTERNATIONAL, INC., operations or business;
- (4) To cease immediately to hold itself out in any way as a franchisee of “DISCOVERY MAP®” or to do anything that would indicate any relationship between Franchisee and DISCOVERY MAP INTERNATIONAL, INC., except to the extent permitted pursuant to Section 24 B;
- (5) To the extent possible, to remove or permanently cover any and all structures, signs or advertisements identifiable in any way with “DISCOVERY MAP®” name or image;
- (6) To cease immediately conducting business as a Franchisee including, but not limited to, soliciting customers, selling advertising, collecting any and all monies including advertising revenues and map distribution; and
- (7) Promptly assign to DISCOVERY MAP INTERNATIONAL, INC., any interest that Franchisee may have in the telephone number and telephone listing used by Franchisee in connection with the operation of the Franchised Business. Franchisee shall promptly transfer all telephone calls by call-forwarding to DISCOVERY MAP INTERNATIONAL, INC., or to such other party or entity as DISCOVERY MAP INTERNATIONAL, INC., shall direct; to execute any such instruments and take such actions as DISCOVERY MAP INTERNATIONAL, INC., may deem necessary to affect such transfer and call-forwarding of telephone calls. Franchisee acknowledges that this Agreement shall be conclusive evidence of DISCOVERY MAP INTERNATIONAL, INC.’s rights to such telephone numbers and directory listings and its authority to direct this transfer.

B. If Franchised Business premises are leased, and termination of this Agreement arises out of a default or defaults by Franchisee in complying with terms of this Agreement, DISCOVERY MAP INTERNATIONAL, INC., shall have the option to assume said lease (provided such assumption is permissible under the lease agreement between Franchisee and its lessor) and/or to purchase all or part of Franchisee's equipment (at the lesser of market value or Franchisee's cost less depreciation on a straight line basis) and to purchase (at Franchisee's cost) all or part of Franchisee's supplies and products used by Franchisee in the Franchised Business. Such option shall be exercised, if at all, in whole or in part, by DISCOVERY MAP INTERNATIONAL, INC., upon or within fifteen (15) days of termination of this Agreement. It is expressly understood that this provision is an option that DISCOVERY MAP INTERNATIONAL, INC., may or may not exercise, and that DISCOVERY MAP INTERNATIONAL, INC., is under no obligation to do so. Franchisee will have every right to maintain its own property not bearing any of the marks of DISCOVERY MAP INTERNATIONAL, INC., including equipment and supplies, and is under no obligation to sell such property to DISCOVERY MAP INTERNATIONAL, INC.

25. ASSIGNMENT; CONDITIONS AND LIMITATIONS

If Franchisee is not an individual, the terms of this Section 25 and of Section 27 hereof, shall also be deemed to apply to any management agreement, sale, resale, pledge, assignment, transfer or encumbrance of voting stock of, or other ownership interest in Franchisee which would, alone or together with other related, previous, simultaneous or proposed transfers, result in a change of ownership or management control of Franchisee.

As used in this Agreement, the term “transfer” includes Franchisee’s (or an owner’s) voluntary, involuntary, direct or indirect, assignment, sale, gift, pledge, encumbrance, or other disposition of any interest in (1) this Agreement, (2) the Franchisee entity, (3) the Franchised Business governed by this Agreement, or (4) all or a substantial portion of the assets of the Franchised Business. It also includes an assignment of day-to-day operational responsibilities for the Franchised Business pursuant to an operating agreement or otherwise. A transfer of the Franchised Business’ ownership, possession, or control, or all or a substantial portion of its assets, may be made only in compliance with the terms of this Agreement.

A. Franchisee shall neither sell, assign, transfer, nor encumber this Agreement, the franchise, the Licensed Rights, or any other interest hereunder, nor suffer or permit any such assignment, transfer or encumbrance to occur by operation of law or otherwise, without the prior written consent of DISCOVERY MAP INTERNATIONAL, INC., without complying with the terms of Section 27 hereof.

B. In the event Franchisee or its successor is not an individual, it is agreed as follows:

(1) The articles of incorporation (or other corporate charter pursuant to which Franchisee was formed) and the bylaws or operating agreement (or regulations or other instrument for the governance of the entity), or the partnership agreement, or other instruments pursuant to which Franchisee was created, shall reflect that the issuance and transfer of voting stock of, or other ownership interest therein (“securities”), is restricted by the terms of this Agreement. Franchisee shall furnish DISCOVERY MAP INTERNATIONAL, INC., at the time of execution of this Agreement or assignment to the corporation, limited liability company, partnership or other entity, an agreement executed by all stockholders, partners, members and other owners of any equity interest in

Franchisee, stating that none of such entities will sell, assign or transfer voluntarily or by operation of law any securities of Franchisee to any other entity, other than existing stockholders or partners to the extent permitted hereunder, without the prior written consent of DISCOVERY MAP INTERNATIONAL, INC. All securities issued by Franchisee will bear a legend in substantially the following form, which shall be printed legibly and conspicuously thereon:

“The transfer of these securities is restricted by the terms and conditions of Agreement(s) with DISCOVERY MAP INTERNATIONAL, INC. Any such transfer does not represent the transfer of any of the rights or interests existing under such Agreements. Reference is made to said Agreements and restrictions in the charter or operating agreements of this entity, a copy of which restrictions will be mailed, without charge, to the holder thereof within five (5) days of written request therefore.”

The Franchisee agrees to impose and enforce a stop transfer order against the transfer of any securities on Franchisee's records except transfers permitted by this Agreement.

C. Franchisee acknowledges and agrees that the restrictions on transfer imposed herein are reasonable and are necessary to protect the franchise; the “DISCOVERY MAP®” trademarks, service marks, trade secrets and operating procedures; “DISCOVERY MAP®” general high reputation and image; the “DISCOVERY MAP®” SYSTEM and Licensed Rights; as well as Franchisee and other “DISCOVERY MAP®” franchisees. Any assignment or transfer permitted by this Agreement shall not be effective until DISCOVERY MAP INTERNATIONAL, INC., receives a completely executed copy of all transfer documents and consents to such transfer in writing.

D. DISCOVERY MAP INTERNATIONAL, INC., agrees not to unreasonably withhold its consent to a sale, assignment or transfer by Franchisee hereunder. Consent to such transfer that is otherwise permitted, or permissible as reasonable, may be refused, unless:

- (1) All ascertained debts of Franchisee to DISCOVERY MAP INTERNATIONAL, INC., are paid;
- (2) Franchisee, at the time of the request to transfer and as of the date of transfer, is not in default under this Agreement or any other franchise agreement;
- (3) The transferee satisfactorily completes the training required of new franchisees on DISCOVERY MAP INTERNATIONAL, INC.’s then-current terms;
- (4) The transferee meets all of the requirements of DISCOVERY MAP INTERNATIONAL, INC., for new franchisees, including, but not limited to, good reputation and character, experience, business acumen, operational ability, financial strength and stability, willingness and ability to devote full time and best efforts to the operation of the Franchised Business and other business considerations as DISCOVERY MAP INTERNATIONAL, INC., may reasonably apply in evaluating new franchisees. DISCOVERY MAP INTERNATIONAL, INC., must be provided all information about the proposed transferee as DISCOVERY MAP INTERNATIONAL, INC., may reasonably require;

(5) The transferee executes and, in appropriate circumstances, causes all necessary parties to execute DISCOVERY MAP INTERNATIONAL, INC.'s then-current form of Franchise Agreement (provided that DISCOVERY MAP INTERNATIONAL, INC. reserves the right to decide whether such execution will serve to extend the then-remaining term of the franchise) and such other then-current ancillary agreements being required by DISCOVERY MAP INTERNATIONAL, INC.'s of new franchisees as of the date of transfer;

(6) Franchisee, except to the extent prohibited by state law, executes a general release of any and all claims against DISCOVERY MAP INTERNATIONAL, INC., and its subsidiaries and affiliates, and their respective officers, directors, agents and employees;

(7) Franchisee pays to DISCOVERY MAP INTERNATIONAL, INC., a non-refundable transfer fee equal to twenty-five percent (25%) of the then-current Initial Franchise Fee being charged to new franchisees to cover DISCOVERY MAP INTERNATIONAL, INC.'s reasonable costs in effecting the transfer;

(8) The proposed transfer is at a price and upon such terms and conditions as DISCOVERY MAP INTERNATIONAL, INC., in its sole and exclusive judgment, deems acceptable;

(9) Franchisee abides by all post-termination covenants including, without limitation, the covenant not to compete set forth in Section 28.

E. This Agreement shall inure to the benefit of DISCOVERY MAP INTERNATIONAL, INC., its successors and assigns, and DISCOVERY MAP INTERNATIONAL, INC., shall have the right to transfer or assign all or any part of its interest herein to any person or entity who agrees to assume DISCOVERY MAP INTERNATIONAL, INC.'s obligations under this Agreement.

26. DEATH, DISABILITY OR PERMANENT INCAPACITY OF FRANCHISEE

If the Franchisee or its principal owner dies or suffers a Permanent Disability, as defined below, while this Agreement is in effect, the individual's heirs, successors or beneficiaries will have ninety (90) days within which to complete initial training to our satisfaction (or appoint one of their number to do so) and pay the then-current training fees. If we approve the heirs, successors or beneficiaries or any of them as transferees of the Franchised Business, we will waive any transfer fee in connection with the transfer. If we advise the heirs or beneficiaries in writing that we do not approve them as transferees of the franchised business, or if we do not approve or disapprove the transfer within sixty (60) days following the death or Permanent Disability, the individual's heirs or beneficiaries will have one hundred twenty (120) additional days from the date of disapproval of the transfer within which to find and notify us of a proposed Transfer to a qualified transferee. If your heirs or beneficiaries do not submit a qualified transferee within the specified period, the Agreement will automatically terminate at the end of that period unless we have granted a written extension of time.

“Permanent Disability” means that the individual is unable, through mental or physical infirmity, to participate actively in the business for six (6) calendar months or more during a consecutive twelve (12) month period.

27. DISCOVERY MAP INTERNATIONAL, INC. RIGHT OF FIRST REFUSAL

If Franchisee receives from a third party and desires to accept a bona fide written offer to purchase Franchisee's business, franchise and interests hereunder (or seeks to effect a sale of the franchise), DISCOVERY MAP INTERNATIONAL, INC., shall have the option, exercisable within sixty (60) days after written notice and receipt of a copy of such offer, and the other information set forth in this Section 27, to purchase such business, franchise and interests hereunder, including Franchisee's right to occupy and use the Franchised Business, on the same terms and conditions as offered to or by said third party. In order that DISCOVERY MAP INTERNATIONAL, INC., may have information sufficient to enable it to determine whether to exercise its option, Franchisee shall deliver to DISCOVERY MAP INTERNATIONAL, INC., to the extent requested by DISCOVERY MAP INTERNATIONAL, INC., certified financial statements as of the end of Franchisee's most recent fiscal year, any financial statements prepared by or for Franchisee since the end of such fiscal year and such other information about the business and operations of Franchisee as Franchisee has provided or will make available to such third party. If DISCOVERY MAP INTERNATIONAL, INC., does not exercise its option, Franchisee may, within ninety (90) days from the expiration of the option period, sell, assign and transfer its business, franchise and interests hereunder upon the same terms and conditions to said third party, provided DISCOVERY MAP INTERNATIONAL, INC., has consented to such transfer as required by Section 25 hereof.

If Franchisee fails to make such sale, assignment or transfer within this ninety (90) day period, or if there is any material change in the terms of the offer, this right of first refusal by DISCOVERY MAP INTERNATIONAL, INC., or its nominee shall again be applicable as in the case of an initial offer. Failure by DISCOVERY MAP INTERNATIONAL, INC., to exercise the option afforded by this Section 27 shall not constitute a waiver of any other provisions of this Agreement, including all of the requirements of Section 25 hereof with respect to the proposed transfer.

If Franchisee is not an individual, this right of first refusal shall apply to any management agreement, sale, resale, pledge, assignment, transfer or encumbrance of the voting stock of, or other ownership interest in, Franchisee which would, alone or together with other related, previous, simultaneous or proposed transfers, result in a change of control of Franchisee.

28. NON-COMPETITION COVENANTS

A. Franchisee and persons controlling, controlled by or under common control with Franchisee specifically acknowledge that, pursuant to this Agreement, Franchisee will receive valuable specialized training, trade secrets, and confidential information, including, without limitation, information regarding the management, operational and marketing methods and techniques of DISCOVERY MAP INTERNATIONAL, INC., and the "DISCOVERY MAP®" SYSTEM which are beyond the present skills and experience of Franchisee and Franchisee's managers and employees. Franchisee acknowledges that such specialized training, trade secrets, and confidential information provide a competitive advantage and will be valuable to Franchisee in the operation of the Franchised Business, and that gaining access to such specialized training, trade secrets, and confidential information is, therefore, a primary reason why Franchisee is entering into this Agreement. In consideration for such specialized training, trade secrets, confidential information and exclusive rights described above, Franchisee and persons controlling, controlled by or under common control with Franchisee agree and covenant as follows:

(1) during the term of this Agreement and for a continuous uninterrupted period of two (2) years commencing upon the effective date of expiration or termination of this Agreement or the date that Franchisee begins to comply with this Section, whichever is later, Franchisee shall not, either directly or indirectly, for Franchisee, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation or other business entity:

(a) solicit, divert or attempt to solicit or attempt to divert any business or customer of the Franchised Business to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with DISCOVERY MAP INTERNATIONAL, INC.'s Proprietary Marks and the "DISCOVERY MAP®" SYSTEM;

(b) employ or seek to employ any person who is at that time employed by DISCOVERY MAP INTERNATIONAL, INC., or by any other franchisee of DISCOVERY MAP INTERNATIONAL, INC., or otherwise directly or indirectly induce such person to leave his or her employment;

(c) own, manage, maintain, operate, engage in, advise, consult with, invest in, be employed by or perform services as a director, officer, manager, representative, agent, consultant or otherwise, or have any interest in any business within the Area of the previously Franchised Business and/or any franchisee, DISCOVERY MAP INTERNATIONAL, INC.-owned or DISCOVERY MAP INTERNATIONAL, INC.'s affiliate-owned business in existence at the time this Franchise Agreement expires or is terminated, which is the same as or similar to the Franchised Business including, but not limited to, any business which is engaged in advertising-based tourist and visitor information maps (a "Competitive Business");

(d) own, manage, maintain, operate, engage in, advise, consult with, invest in, be employed by or perform services as a director, officer, manager, representative, agent, consultant or otherwise, or have any direct or indirect interest in any business in the United States which is granting franchises or licenses to others to operate a Competitive Business within the Area of the previously Franchised Business and/or any franchisee, DISCOVERY MAP INTERNATIONAL, INC.-owned or DISCOVERY MAP INTERNATIONAL, INC.'s affiliate-owned business in existence at the time this Franchise Agreement expires or is terminated.

(2) At any time, during the term of this Agreement or, use, in connection with the operation of any business any of the Licensed Rights, or any other names, marks, systems, insignias, or symbols provided by DISCOVERY MAP INTERNATIONAL, INC., to Franchisee pursuant to this Agreement, or cause or permit any such business or its products or services to look like, copy or imitate the "DISCOVERY MAP®" Franchised Business or its products or services or to be operated in a manner tending to have such effect.

(3) It is the express intention of the parties to this Agreement to comply with all laws applicable to the covenants contained in this Agreement. If any of the covenants contained

in this Section 28 are found to exceed in duration, geography or scope those permitted by applicable law, it is expressly agreed that such restrictive covenant may be reformed or modified by the final judgment of a court of competent jurisdiction, a duly appointed arbitrator or other lawful constituted authority to reflect a lawful and enforceable duration, geography or scope, and such covenant automatically shall be deemed to be amended and modified so as to comply with the judgment or order of such court or authority. If any one or more of the provisions contained in this Section 28 shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement, and this Agreement shall be construed as if such invalid, illegal or unenforceable provisions had never been contained herein.

(4) Franchisee understands and acknowledges that DISCOVERY MAP INTERNATIONAL, INC., shall have the right, in its sole discretion, to reduce the duration, geography or scope of any covenant set forth in Section 28 in this Agreement, or any portion thereof, without its consent, effective immediately upon notice to Franchisee; and Franchisee agrees that Franchisee shall comply forthwith with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Section 43 hereof.

(5) Franchisee expressly agrees that the existence of any claims Franchisee may have against DISCOVERY MAP INTERNATIONAL, INC., whether or not arising from this Agreement, shall not constitute a defense to the enforcement by DISCOVERY MAP INTERNATIONAL, INC., of the covenants in this Section 28.

(6) Franchisee understands and agrees that the restrictions contained in this Section 28 are reasonable and necessary to protect the legitimate interests of DISCOVERY MAP INTERNATIONAL, INC.

(7) Nothing contained in this Agreement shall prevent Franchisee from owning less than a one percent (1%) interest in any publicly traded equity or stock listed on a recognized national stock exchange or NASDAQ.

(8) Franchisee acknowledges and agrees that any failure to comply with the requirements of this Section 28 shall constitute a material event of default under this Agreement; that such failure will cause DISCOVERY MAP INTERNATIONAL, INC., irreparable injury, that money damages will not adequately compensate DISCOVERY MAP INTERNATIONAL, INC., and that DISCOVERY MAP INTERNATIONAL, INC., shall be entitled to enforce this Section 28 by a temporary restraining order and/or temporary, preliminary and/or permanent injunction, and/or specific performance, without the necessity of posting bond. This relief will be in addition to any other relief DISCOVERY MAP INTERNATIONAL, INC., may have under federal and/or state law. Franchisee agrees to pay all court costs and reasonable attorneys' fees incurred by DISCOVERY MAP INTERNATIONAL, INC., in enforcing its rights under this Section 28.

During the term of this Agreement, any officer or area supervisor of DISCOVERY MAP INTERNATIONAL, INC., shall have the right to inspect any competing business interest in which Franchisee or Management Person has an interest, at reasonable times and during normal business hours, to the extent reasonably necessary to determine whether the conditions of this Section are being satisfied. If, by reason of such inspections or otherwise, DISCOVERY MAP

INTERNATIONAL, INC., has reason to believe that Franchisee is in default hereunder, and Franchisee is so notified by DISCOVERY MAP INTERNATIONAL, INC., Franchisee shall have the burden of establishing that such default does not exist. For that reason, DISCOVERY MAP INTERNATIONAL, INC., and Franchisee agree as follows:

(1) Except for matters where either party seeks equitable relief, neither party will seek a judicial resolution of a dispute between them without first requesting a meeting or telephone conference with the other party by written notice, which notice will designate a party who is a senior executive with authority to reach a resolution of the dispute on their behalf. The party receiving the notice will also designate a representative of similar authority for the purpose of discussing the specific matter in dispute. At least one meeting or telephone conference of the designated representatives will be held in an effort to resolve the dispute. The parties will agree on a location, date and time for the meeting or telephone conference which must be within thirty (30) days of the initial notice. If the meetings and telephone conferences do not resolve the dispute, either party may pursue mediation in accordance with Subsection 33(A)(2).

(2) If the dispute is not resolved pursuant to Subsection 33(A)(1), the parties shall submit the dispute to mediation in accordance with the Commercial Arbitration Rules and Mediation Procedures (Including Procedures for Large, Complex Commercial Disputes) of the American Arbitration Association unless both parties agree to waive mediation and proceed directly to arbitration as set forth in Subsection 33(A)(3).

B. The Arbitration proceedings shall be conducted before a single arbitrator, selected in accordance with AAA Rules, and shall be a member of the bar of the State of Vermont, who has been actively engaged in the practice of law for at least ten (10) years. Prior to the commencement of hearings, the arbitrator shall provide an oath of undertaking of impartiality.

C. Arbitration shall take place in Vermont. The award of the arbitrator shall be final and judgment upon the award rendered in Arbitration may be entered in any Court having jurisdiction thereof. The costs and expenses of Arbitration, including compensation and expenses of the arbitrator, shall be borne by the non-prevailing party.

The rights and remedies of the parties hereto shall be continuing and may be exercised at any time or from time to time. The expiration, earlier termination, or exercise of DISCOVERY MAP INTERNATIONAL, INC.'s rights pursuant to Section 23 of this Agreement shall not discharge or release Franchisee from any liability or obligation then accrued, or any liability or obligation continuing beyond, or arising out of, the expiration, the earlier termination, or the exercise of such rights under this Agreement.

35. INJUNCTIVE RELIEF

A. Nothing in this Agreement shall bar DISCOVERY MAP INTERNATIONAL, INC.'s right to seek specific performance of the provisions of this Agreement and injunctive relief against threatened conduct that will cause it loss or damages under customary equity rules, including applicable rules for obtaining restraining orders and preliminary injunctions. Franchisee specifically acknowledges that any failure by Franchisee to comply with the requirements of Sections 28, 29 and/or 30 of this Agreement will cause DISCOVERY MAP INTERNATIONAL, INC., irreparable injury and that DISCOVERY MAP INTERNATIONAL, INC., shall be entitled to obtain specific performance of, and/or an injunction against any violation of, such requirements. C. Should legal proceedings have to be brought by DISCOVERY MAP INTERNATIONAL, INC., against Franchisee to enforce any Non-Competition Covenant or for Franchisee's failure to maintain Confidentiality and Protect against Infringement, the period of restriction shall be deemed to begin running on the date of entry of an order granting DISCOVERY MAP INTERNATIONAL, INC., injunctive relief and shall continue uninterrupted for the remainder of the period of restriction.

36. DAMAGES, NO CLASS ACTION OR CONSOLIDATED ACTION, AND WAIVER OF JURY TRIAL

The parties waive, to the extent permitted by law, any claim for punitive or exemplary damages against each other, regardless of each parties' respective right to such damages under the choice of law provision herein. The parties agree that the relationship contemplated by this Agreement is a unique and individual relationship between the parties and will be characterized by unique circumstances, actions and experiences that relate only to the Franchisee and its relationship with DISCOVERY MAP INTERNATIONAL, INC., THEREFORE, THE PARTIES AGREE THAT ANY ARBITRATION OR LITIGATION BETWEEN OR AMONG THE PARTIES TO THIS AGREEMENT AND ANY OF THEIR AFFILIATES WILL BE CONDUCTED ON AN INDIVIDUAL BASIS AND NOT ON A CONSOLIDATED OR CLASS-WIDE BASIS. If DISCOVERY MAP INTERNATIONAL, INC., is required to engage legal counsel (including in-house counsel) in connection with any failure by Franchisee to pay when due all monies owed hereunder or submit when due any reports, information or supporting records, in connection with any failure to otherwise comply with this Agreement, Franchisee shall reimburse

DISCOVERY MAP INTERNATIONAL, INC., for any of the above-listed costs and expenses incurred by it, regardless of whether or not any type of binding order or judgment is already entered. Franchisee's duty to pay the fees and costs described above shall survive termination or expiration of this Agreement.

38. WAIVER

No waiver by DISCOVERY MAP INTERNATIONAL, INC., or by Franchisee of any covenant or condition or the breach of any covenant or condition of this Agreement to be kept or performed by the other party shall constitute a waiver by the waiving party of any subsequent breach of such covenant or condition or authorize the breach or non-observance on any other occasion of the same or any other covenant or condition of this Agreement. Subsequent acceptance by DISCOVERY MAP INTERNATIONAL, INC., of any payments due to it hereunder shall not be deemed to be a waiver by DISCOVERY MAP INTERNATIONAL, INC., of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement. Any conditional waiver granted by DISCOVERY MAP INTERNATIONAL, INC., shall be subject to DISCOVERY MAP INTERNATIONAL, INC.'s continuing review, may subsequently be revoked for any reason effective upon Franchisee's receipt of ten (10) days prior written notice to that effect, and shall be without prejudice to any other rights DISCOVERY MAP INTERNATIONAL, INC., may have.

“THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE TO BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT.”

- a. The franchisor, any person or franchise broker in Item 2 of the FDD is not subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.
- b. California Business and Professions Code 20000 through 20043 provide rights to the franchisee concerning termination or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.
- c. The Franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law. (11 U.S.C.A. Sec. 101 et seq.).
- d. The Franchise Agreement contains a covenant not to compete, which extends beyond the termination of the franchise. This provision may not be enforceable under California law.
- e. The Franchise Agreement requires binding arbitration. The arbitration will occur in Vermont with the costs being borne by the non-prevailing party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a Franchise Agreement restricting venue to a forum outside the State of California.
- f. The Franchise Agreement requires application of the laws of Vermont. This provision may not be enforceable under California law.

- g. Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.
- h. You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 Voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

The first two paragraphs of Item 5 in the Franchise Disclosure Document are deleted in their entirety and shall have no force or effect, and the following text is substituted in lieu thereof:

“All initial fees and costs are deferred until the Franchisor’s pre-opening obligations to the franchisee are complete and the franchisee is open for business.

For purposes of this deferral, your business will be considered “open for business” (and the initial fees and costs due) when you have done one or more of the following:

1. Presented advertising material for our approval;
2. Ordered preapproved advertising material from us; or
3. Entered into an oral or written agreement with an advertiser for space on your map (e.g., accepted a completed Advertising Order Form).”

In recognition of the California Franchise Investment Law, Cal. Bus. & Prof. Code § 31000 *et seq.*, and the California Franchise Relations Act, Cal. Corp. Code § 20000 *et seq.*, the parties to the attached Franchise Agreement (the “Agreement”) agree as follows:

1. Section 25 D. (7) of the Agreement, under the heading “Assignment; Conditions and Limitations” shall be deleted in its entirety and shall have no force or effect, and the following shall be substituted in lieu thereof:

However, these provisions may not be enforceable under California law.

6. A new Sub-Section 33 F of the Agreement shall be added as follows:

THE STATE OF ILLINOIS

1. The following item is required to be included within the Franchise Disclosure Document and shall be deemed to supersede the language that is in the Franchise Disclosure Document itself:

Section 4 of the Illinois Franchise Disclosure Act dictates that “any provision in the Franchise Agreement which designates jurisdiction or venue in a forum outside of this State if void with respect to any cause of action which otherwise is enforceable in this State, provided that a Franchise Agreement may provide for arbitration in a forum outside of this State.” Therefore, the Illinois Franchise Disclosure Act supersedes any contrary provisions contained in the Franchise Agreement.

2. Illinois law requires fourteen calendar days’ disclosure prior to the signing of a binding agreement or any payment to the franchisor. This amends Item 23, the receipt to this Offering Circular.
3. Illinois law governs this Franchise Agreement.
4. Any releases that the Franchisor requests the Franchisee to sign must conform with the Illinois Franchise Disclosure Act.
5. Under Illinois law, a Franchise Agreement may not provide for a choice of law of any state other than Illinois. Accordingly, Item 11 is amended to state “there is no choice of law for Illinois franchisees except Illinois.” The Franchise Agreement is amended accordingly.
6. The Franchise Agreement is amended to state that it does not exclude the representations contained in, or the understandings communicated by, the Franchise Disclosure Document.
7. The Franchise Agreement is amended to comply with Section 27 of the Act to allow any and all claims and actions arising out of or relating to these Agreements, the relationship of Franchisor and Franchisee or Franchisee’s operation of the Franchise brought by Franchisee against Franchisor shall be commenced within three (3) years from the occurrence of the facts giving rise to such claim or action, within one (1) year after the Franchisee becomes aware of the facts or circumstances indicating Franchisee may have a claim for relief, or ninety (90) days after delivery to Franchisee of a written notice disclosing the violation, or such claim or action will be barred.
8. The Franchise Agreement is amended to state that any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of the Illinois Franchise Disclosure Act or any other law of Illinois is void. This section shall not prevent any person from entering into any settlement agreement or

executing a general release regarding a potential or actual lawsuit filed under any other provision of that Act, nor shall it prevent the arbitration of any claim pursuant to the provisions of Title 9 of the United States Code.

2. The following is to be added at the end of Item 3:

With the exception of what is stated above, the following applies to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

A. No such party has an administrative, criminal, or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature, or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation, or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as Rev. April 18, 2023 2 defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for a franchisee to renew or extend,” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”: You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum,” and Item 17(w), titled “Choice of law”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or the franchisee by Article 33 of the General Business Law of the State of New York

6. Franchise Questionnaires and Acknowledgements--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or

other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. FRANCHISE DISCLOSURE DOCUMENT

INFORMATION REQUIRED BY
STATE OF WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act (the “Act”), Chapter 19.100 RCW will prevail.

Section RCW 19.100.180 of the Act, may supersede the Franchise Agreement in your relationship with us, including the area of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with us including the area of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site will either be in the State of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the mediator or arbitrator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
