## What You Need To Know About Franchising *Generally*

**Continuing responsibility to pay fees.** You may have to pay royalties and other fees even if you are losing money.

**Business model can change.** The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

**Supplier restrictions.** You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

**Operating restrictions.** The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

**Competition from franchisor.** Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal.** Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

**When your franchise ends.** The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

### Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

## Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Arizona. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Arizona than in your own state.
2. **Spousal Liability**. Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership in the franchise. This guaranty will place both you're and your spouse's marital and personal assets, perhaps even your house at risk if you franchise fails.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**ITEM 1**  
**THE FRANCHISOR, AND ANY PARENTS,**  
**PREDECESSORS AND AFFILIATES**

To simplify the language in this Franchise Disclosure Document, we will refer to O.P.E.N. America, Inc., the franchisor, as “OpenWorks,” “we,” or “us,” and the person or company that buys a janitorial franchise from OpenWorks as “you”. If you are a corporation or limited liability company, “you” includes your officers, directors and owners individually.

**OpenWorks’ Business the Franchise Being Offered**

OpenWorks is in the business of granting franchises for commercial janitorial service businesses. OpenWorks enters into janitorial service contracts with commercial clients. These contracts (or “accounts”) may then be “packaged” with other similar contracts to cumulate at one of four levels of a gross monthly dollar amount (also called the “initial monthly account volume” in the Franchise Agreement), and assigned to OpenWorks franchisees, who receive exclusive rights to service the contracts under OpenWorks’ trademarks and system. OpenWorks bills each client on a monthly basis and, after deducting fees and charges owed by you to OpenWorks under the Franchise Agreement, remits to you the balance of the gross monthly dollar amount for your accounts. After you meet our preopening requirements, OpenWorks will start to offer you cleaning accounts whose gross monthly dollar amount will add up to the initial monthly account volume you have purchased. OpenWorks considers the rights to these cleaning contracts, as well as the training and equipment provided to you, to be the primary benefit you receive for your initial franchise fee. OpenWorks has a certain number of days in which to offer you these cleaning accounts depending on the franchise package you select. This time period is called a “fulfillment period.” If OpenWorks does not offer you enough accounts to reach the applicable initial monthly account volume within the fulfillment period, then you may request a refund of a portion of your initial franchise fee as outlined in the Franchise Agreement. You must make this request in writing within 30 days after the end of the fulfillment period. If you do not, OpenWorks is still obligated to offer you the remaining gross monthly dollar amount over the course of the franchise term but you will have waived your right to a refund. See Item 5. You may refuse up to three accounts, but each such refusal will extend the fulfillment time which OpenWorks has to find other accounts by 30 days. Your refusals will not alter your payment obligations to OpenWorks. See Item 11. You may have the option to request or be required to have additional accounts under certain circumstances. See Item 11. You are encouraged to procure janitorial client accounts on your own behalf. If you do so, you will pay the same fees, except that you are not required to pay marketing fees. OpenWorks will also serve as your billing and collection agent for those accounts. See Item 11. If a cleaning account terminates its maintenance agreements with OpenWorks, OpenWorks will replace that account under certain circumstances. See Item 11. Your Franchise Agreement explains the franchise program in more detail. OpenWorks currently offers or plans to offer the following services to customers: integrated facility services, landscape maintenance, handyman services, green practices and consulting. OpenWorks does not currently franchise nor plans to franchise these services. These services may be similar or complementary to those provided by you.

**OpenWorks and Its Business Experience**

OpenWorks was incorporated in Arizona on June 5, 1987, and also did business under the names O.P.E.N. America, O.P.E.N. Cleaning Systems, O.P.E.N. of Arizona, O.P.E.N. of California and O.P.E.N. of Washington. In March 2000, OpenWorks began doing business under the name OpenWorks. Its principal business office is located at 2355 E. Camelback Road, Suite 600, Phoenix, Arizona 85016. OpenWorks’ agents for service of process are listed in **Exhibit K**. OpenWorks began operating the type of business being franchised on January 1, 1999 and began

offering franchises through a former subsidiary beginning in 1988. OpenWorks offered janitorial franchises under the name O.P.E.N. Cleaning Systems for a brief period in 1995, and resumed offering janitorial franchises in the first quarter of 1998. OpenWorks offered master franchises between 1987 and 1995 under a separate franchise disclosure document under the name O.P.E.N. Cleaning Systems. OpenWorks also offered master franchises under a separate franchise disclosure document from 1998 to 2004 and from 2013 to 2016. No master franchises were ever sold. If OpenWorks offers master franchises in the future, the franchise opportunity will be offered in a separate franchise disclosure document. OpenWorks has never offered any other type of franchise.

OpenWorks does not have a parent company or any affiliates.

### **Your OpenWorks Franchised Business**

You will provide janitorial services for commercial entities under contracts which you accept from OpenWorks. Once all required individuals have completed initial training and have your business license, you are also encouraged to generate additional accounts for your business. OpenWorks will offer marketing advice and pricing information to assist you in these efforts. OpenWorks provides the same administrative support and receives the same ongoing fees for accounts you obtain yourself as it does for accounts OpenWorks obtains, but it will not assess a marketing fee in connection with accounts you obtain for yourself.

You will not have an option to purchase additional franchises. However, you may request that OpenWorks provide you with additional accounts to be serviced under your existing franchise for a marketing fee, as described in Items 6, 8 and 11. You will execute an amendment to your Franchise Agreement for each additional account purchase, and if you qualify and decide to finance a portion of the marketing fee, you will be required to execute a promissory note. Whether the additional accounts will be provided will depend on whether OpenWorks has the ability to locate more accounts in your area and OpenWorks' assessment of whether you are able to service more accounts.

To effectively operate an OpenWorks franchise you will need to hire personnel. You will be responsible for your employees' wages, insurance and other benefits, and for processing payrolls for them.

The market for janitorial services is well developed and consists primarily of commercial enterprises that need regularly scheduled, high-quality janitorial services performed by independent contractors. This market segment includes healthcare facilities, residential property management facilities, logistics & transportation facilities, warehouse and manufacturing facilities, religious facilities, and other similar facilities. You will compete with other established providers of commercial janitorial services.

Your janitorial service business will be subject to all of the federal, state and local laws that apply to janitorial services and businesses generally, including but not limited to minimum-age and minimum-wage, environmental, and occupational health and safety laws. These laws vary from place to place. You should investigate these matters further and consult with local authorities and your attorney and other advisors about them.

**LITIGATION**

**Pending Actions**

Vontray Nubine v. O.P.E.N. America, Inc. DBA OpenWorks (Superior Court of Maricopa County, Case No. CV2021-011972). Mr. Nubine, a former Colorado franchisee, filed a complaint against OpenWorks alleging Breach of Contract and Breach of the Implied Covenant of Good Faith and Fair Dealing on July 28, 2021 and served OpenWorks on August 10, 2021. The Plaintiff sought damages in the amount of \$78,636.48. In January 2022, the Court granted OpenWorks' Motion to Dismiss in part and found that the Plaintiff's claims are subject to arbitration. The Court stayed the matter to allow time for the parties to participate in arbitration. The parties participated in arbitration in August 2022; the arbitrator ruled in OpenWorks' favor and the Plaintiff was ordered to pay \$67,920.36 in attorney fees to OpenWorks. Since that time, the Plaintiff has continued to file frivolous petitions and motions with the Maricopa County Superior Court and remains unsuccessful with these attempts. OpenWorks plans to seek court approval of the judgment and dismissal with prejudice in 2023.

## **Concluded Actions**

Jody Williams v. O.P.E.N. America, Inc. (Circuit Court of Cass County, Missouri, Case No. 21CA-CC00162). The Plaintiff sought damages in excess of \$25,000. The parties reached a settlement agreement in April 2022, with OpenWorks paying the Plaintiff \$9,000 and dissolving \$9,500 of Plaintiff's debt owed to OpenWorks.

JM & GW Investments LLC v. O.P.E.N. America. (No Case Filed). Jodie Leamer, a former Texas franchisee, through herself and her entity JM & GW Investments LLC, made allegations against OpenWorks claiming Breach of Contract during the years 2019 and 2020. The parties participated in mediation in September 2022 and reached a settlement agreement, with OpenWorks paying the Plaintiff \$10,000 and dissolving the remainder of the Plaintiff's debt owed to OpenWorks.

Amber Beasley v. O.P.E.N. America, Inc. d/b/a OPENWORKS (Superior Court of California, County of Los Angeles, Case No. 19STCV43673). Ms. Beasley, a former California franchisee, individually and through her corporate entity, A&M Truckings, LLC, filed a complaint against OpenWorks alleging Breach of Contract. Ruth Mark v. O.P.E.N. America, Inc. d/b/a/ OPENWORKS (U.S. District Court for the District of Colorado, Case No. 1:18-cv-02412-NRN; U.S. District Court for the District of Arizona, Case No. 2:18-cv-03780-JAT). Ms. Mark, a Colorado franchisee, filed a Class and Collective Action Complaint and Jury Demand against OpenWorks alleging breach of the Fair Labor Standards Act, violation of the Colorado Minimum Wage and Overtime Law, violation of the Arizona Consumer Fraud Act, as well as allegations under Arizona law for fraud, negligent misrepresentation and breach of the duty of good faith fair dealing. She sought an unspecified amount of actual, compensatory and punitive damages. OpenWorks was served with the lawsuit in October 2018. In November 2018, OpenWorks filed a Petition to Compel Arbitration in the U.S. District Court for the District of Arizona and filed a Motion to Stay Litigation in the Colorado District Court, asserting that the franchisee's claims arise from the Franchise Agreement and that the franchisee agreed in the Franchise Agreement to arbitrate all claims in Arizona. In Colorado, the Motion to Stay Litigation was denied in January 2019 and OpenWorks filed a Notice of Appeal to the U.S. Court of Appeals for the Tenth Circuit in January 2019. OpenWorks then filed in Colorado an Unopposed Motion to Stay All District Court Proceedings Pending Appeal which the Colorado District Court granted in February 2019. In March 2019, OpenWorks filed its appeal of the Colorado decision. In Arizona, OpenWorks filed a Petition to Compel Arbitration in February 2019. This matter was settled in November 2019, with OpenWorks paying the named Plaintiff \$70,000 and forgiving her debt in return for Plaintiff's release. This matter was fully settled in June 2020, with OpenWorks paying the six remaining opt-in plaintiffs a total of \$41,500 and forgiving their debts in return for releases from each of them.

Rosendo Selifis v. O.P.E.N. America, Inc., dba OpenWorks (Civil Action, Case No. 12- 2-07653-7 SEA). This case was originally filed in the Superior Court of Washington in and for King County on March 2, 2012. The plaintiff, a franchisee, alleged that OpenWorks (i) violated the Washington Franchise Investment Protection Act by making untrue statements and misrepresentations regarding the income plaintiff would receive from the franchise, selling a franchise for other than a fair and reasonable price and failing to deal with plaintiff in good faith, (ii) engaged in deceptive business practices and unfair methods of competition in violation of Washington law, (iii) breached its contract with plaintiff and (iv) committed fraud, all in relation to OpenWorks' alleged failure to provide plaintiff with accounts satisfying the initial monthly

account volume promised. The plaintiff sought general and special damages and treble damages, as well as attorney's fees and costs. This matter was settled effective November 2013 with OpenWorks paying the plaintiff \$15,000 and forgiving \$9,742.99 in debt in return for the plaintiff's release.

This case was originally filed in the Superior Court of Washington in and for King County on May 16, 2012 (Civil Action, Case No. 12-2-17440-7). The plaintiffs, OpenWorks franchisees, alleged (i) violation of the Washington Franchise Investment Protection Act and the Washington Consumer Protection Act, (ii) breach of contract and (iii) fraud, in connection with initial account volumes. The plaintiffs sought general damages and exemplary and treble damages, as well as attorney's fees and costs. This matter was settled effective November 2013 with OpenWorks paying the plaintiffs \$185,000 and forgiving \$107,868.97 in return for plaintiff's release.

Jinhua Li v. O.P.E.N. America, Inc., dba OpenWorks (Civil Action, Case No. 12-2- 30734-2). This case was filed in the Superior Court of Washington in and for King County on September 20, 2012. The plaintiff, a franchisee, alleged that OpenWorks violated common law contract principles, the Franchise Investment Protection Act and the Consumer Protection Act, all in relation to OpenWorks' alleged failure to provide the franchisee accounts with the promised per month dollar volume. The plaintiff sought such amount of damages as would put plaintiff in as good a position as she would have been had OpenWorks performed under the contract and an order that the franchise agreement not be enforced against plaintiff, as well attorney's fees and costs. This matter was settled on September 20, 2013 with OpenWorks paying the plaintiff \$11,000 and forgiving \$9,000 in debt in return for plaintiff's release.

L. Solano v. Tanaka, Reliable Maintenance, Cambro Manufacturing Co., OpenWorks, O.P.E.N. America, Inc. (Superior Ct. CA, Orange County, Case No. 30-2015-00823186-CU-OE- CJC). Luisa Solano was an employee of a Tanaka, an OpenWorks franchisee who was doing business as Reliable Maintenance. The employee provided cleaning services at Cambro Manufacturing ("Cambro") at the franchisee's instruction. The employee alleged claims of failure to provide meal periods, failure to authorize and permit rest periods, failure to pay minimum wages, failure to pay overtime wages, failure to pay split shift premiums, waiting time penalties, failure to make adequate itemized statements, violation of California Labor Code section 2801 and a general violation of Business and Professions Code Section 17200, et seq. for unlawful, unfair or fraudulent business practices. OpenWorks filed an answer July 2016, denying all claims made against it, and Cambro filed a demur, disagreeing with the allegations. The franchisee fled the country and refused to return. Without any admission of liability and with a denial that OpenWorks or Cambro ever acted in a manner that violated any statutory law or other right, OpenWorks and Cambro settled the matter for a payment of \$12,500 to the employee and a payment of \$2,500 to the California Labor Workforce and Development Agency in return for the employee's release and dismissal of claims against OpenWorks and Cambro, which was approved by the court in January 2017.

Other than these actions, no litigation is required to be disclosed in this Item.

#### **ITEM 4 BANKRUPTCY**

No bankruptcy is required to be disclosed in this Item.

Notes:

1. The initial monthly account volume is the amount of the gross monthly dollar volume of the cleaning accounts that are packaged together for the franchise level you purchase. Your monthly account volume may increase if you add additional cleaning accounts. If a cleaning account terminates its maintenance agreements, OpenWorks will replace that account under certain circumstances. Refunds are only offered as described below in this Item 5. If you pay the initial franchise fee in full when you sign your Franchise Agreement, other than for the OW P package, you will receive a 10% discount.
2. Principal and 12% annual interest (unless reduced in OpenWorks' sole discretion) to be paid in up to 24 months as shown. See Item 10.

Veterans Financing Program.

For veterans, OpenWorks will offer a 10% discount off the initial franchise fee, which discount is deducted from the amount financed.

#### Both programs

The fee schedule does not include sales tax which is your responsibility. It is your responsibility to comply with all applicable laws, including tax liability.

The initial franchise fee and terms of payment shown in the chart above are uniform for all franchisees, except in the event that OpenWorks adopts a temporary incentive program under certain circumstances. For example, if OpenWorks is expanding its franchise program into a new state, then OpenWorks may offer a discount reducing the total initial franchise fee for the first franchisees in that new area that execute franchise agreements. Discount programs are determined by OpenWorks in its sole discretion and most often range between a \$2,000 to a \$5,000 reduction in initial franchise fee. In 2021, OpenWorks did not discount its initial franchise fees. We may do so again in the future. Incentive programs may involve discounted initial franchise fees, additional financing or gift card programs. The initial franchise fee does not apply to franchisees signing a renewal agreement.

Higher franchise levels with increased account volume may be available in your area. If so, then the additional account volume would be offered in additional \$5,000 increments from the levels at OW 25. The franchise fee would be calculated as the OW 25 franchise fee of \$72,000 plus a multiplier of 3 times the increased volume amount. For example, for a \$5,000 increase from a \$25,000 account volume to a \$30,000 account volume, the initial fee would be calculated as  $\$72,000 + (\$5,000 * 3)$  or \$87,000. The amount financed under the standard program would remain at \$10,000 total and the down payment would be calculated as the franchise fee less the \$10,000 financed. The veteran's program would have the same down payment for each franchise level as the standard program but a 10% discount would be deducted. See Item 10.

The initial franchise fee is non-refundable unless OpenWorks has been unable to offer the applicable initial monthly account volume to you for the package you purchased within the fulfillment period specified in the Franchise Agreement. See Item 11 for the time periods in which

OpenWorks must offer accounts to you. The fulfillment periods range from 240 days for the OW 7 package to 780 days for the OW 25 package, following completion of all requirements. For packages over OW 25, the fulfillment period is an additional 150 days for each additional \$5,000 in account volume. If OpenWorks does not offer you the volume of accounts within the time period required, your sole remedy is a partial refund, as described below. OpenWorks can reduce the volume of accounts at any time by refunding the applicable portion of your initial fee.

If OpenWorks is unable to offer the initial monthly account volume for the franchise package you purchased during the applicable fulfillment period, you may request in writing within 30 days of the end of the fulfillment period a partial refund of the initial franchise fee instead of waiting for the remaining volume. The partial refund will be in the form of a reduction of a promissory note owed to OpenWorks by you, or if no promissory note exists, a cash refund. The credit or refund will be an amount equal to the difference between the initial monthly account volume of the package you purchased and the actual account volume of the account(s) actually provided, multiplied by the package multiplier applicable to the package that was purchased. The package multipliers are as follows:

| <u>OpenWorks Package</u> | <u>Multiplier</u> |
|--------------------------|-------------------|
| OWP                      | N/A               |
| OW7                      | 2.71              |
| OW10 and above           | 2.56              |

OpenWorks has the right to offset any amounts you owe it at the time of any refund against the amount of the refund.

The following is an example of the calculation of a credit or refund:

*You purchase OpenWorks Package OW7 for \$24,850, with \$14,850 down and \$10,000 financed. This Package should generate \$7,000 in Account Volume per month. However, OpenWorks offers you accounts that generate a total of \$6,000 in Account Volume per month by the end of the fulfillment period. To calculate your refund, the first step is to subtract the actual account volume from the initial monthly account volume for the package purchased, as follows:  $\$7,000 - \$6,000 = \$1,000$ . The difference is then multiplied by the multiplier for OpenWorks Package OW7:  $\$1,000 \times 2.71 = \$2,710$ . However, since you have an outstanding note balance of \$10,000 payable to OpenWorks (assuming no payments were made), the \$2,710 refund will apply to that balance. Therefore, in this case the promissory note is reduced from \$10,000 to \$7,290 ( $\$10,000 - \$2,710 = \$7,290$ ) and no cash refund is given.*

The reason why the net cost to you of the accounts provided to you in the above example is less than it would have been if you had purchased the smaller package in the first place is that the cost per dollar of initial account volume decreases as the size of the package increases. If OpenWorks fails to provide you with the initial monthly account volume for the package you purchase, your initial franchise fee is still calculated at the same cost per dollar of initial monthly account volume as the package that you purchased.

OpenWorks will verify the credit of and conduct a background check on all your owners and/or members. You must pay a background check fee of up to \$80.00 per individual.

Your estimated initial investment before you begin operating your business and for your first three months of operations are shown on this chart. Except for the initial franchise fee, all figures are estimates and payments to OpenWorks are nonrefundable.

**Notes:**

1. The initial franchise fee is non-refundable unless OpenWorks has been unable to offer the applicable initial monthly account volume to you, in which case you may elect to receive a partial refund. See Item 5. For all packages except the OW P package, you may choose to finance a portion of the initial franchise fee as described in Item 10.

2. Prior to executing the Franchise Agreement and as requested during the term of the Franchise Agreement, you will pay OpenWorks a background check fee for verifying the credit history and conducting a background check of each owner and/or member of Franchisee. The fee is currently up to \$80 per individual. You will execute the Background Check Release and Authorization Form attached to this Franchise Disclosure Document at **Exhibit N**.

3. Most trainees remain living at home and commute to training, but you may have costs for travel and meals during training.

4. If you hire cleaning crews, then all members of the cleaning crew must wear uniforms previously approved by OpenWorks. Uniforms for your cleaning crews consist of an OpenWorks shirt. During all business hour visits to the customer, you or your designated manager, if you have one, must be in professional business attire or in business casual attire with an OpenWorks polo shirt with the OpenWorks logo. The range shown is the initial purchase cost of uniforms for one to 20 people. OpenWorks will provide you with two t-shirts and one polo shirt as part of your initial package for all gross monthly dollar volume levels. The cost of t-shirts currently ranges from \$7 to \$15, the cost of polo shirts ranges from \$19 to \$24. All prices are determined by outside vendors and are subject to change.

5. You must have a computer system and mobile smart phone with sufficient data capabilities for you to access the Internet, e-mail, and other required mobile and non-mobile technology platforms.

6. You may elect to purchase additional supplies or purchase or lease additional equipment in addition to those supplied by OpenWorks.

7. The amount for organizational costs will include the cost to form an entity and obtain advice from independent advisors.

8. Premiums for the first three months for general liability, employer's liability coverage, and workers' compensation insurance. You may elect to purchase certain insurance through the insurance program we sponsor.

9. An OpenWorks franchise is designed to be compatible with a home-based business model. No retail or commercial location will be required. OpenWorks provides some administrative support from its offices, such as billing and customer service support. Factors that should be considered when selecting an office location for your OpenWorks business, if needed, should include: quality of neighborhood and area, overall need for leasehold improvement and/or fixtures and rental square footage rate for the area. All of the above factors are relative to one another. If you need to acquire office space to accommodate your OpenWorks business, you may need to make certain improvements to your office space. The cost of leasehold improvements will vary based upon size, condition and location of the premises, local wage rates and material costs. You may have to purchase or lease office furniture if you do not currently have office furniture. We do not recommend you begin operating your business from an outside location. The vast majority of past and current franchisees have chosen to operate their businesses out of their homes.

10. The estimate for additional operating funds includes amounts required to cover operating shortfalls and cash flow shortages during your first six to twelve months of operation. OpenWorks relied on its own experience and that of its former subsidiaries in estimating this amount. This figure DOES NOT include anything for your salary or living expenses.

### **RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

#### **Required Purchases from OpenWorks**

OpenWorks provides you with routine billing and collection services which you are required to use. For one-time special projects, OpenWorks charges a special project fee of 15% or 30% of the Gross Revenues from the project. See Item 11 for a detailed description of these services, and Item 6 for more information about the calculation of these fees. These fees are deducted from the revenue collected by OpenWorks and remitted to you.

There are no other goods or services that you must purchase from OpenWorks as of the date the Franchise Disclosure Document was issued, although OpenWorks may require you to do so in the future. Other than OpenWorks itself, there is no supplier in which an officer or director of OpenWorks owns an interest.

## **Optional Purchases and Leases from OpenWorks**

### **Marketing Services for Additional Accounts**

You may request OpenWorks to provide you with additional accounts. If your franchise and its services to your then-current accounts are in good standing, then OpenWorks may offer you such accounts or increased billings under accounts you are already servicing. See Item 11 for a description of these services. If you ask OpenWorks to provide you with additional accounts, or if you accept any additional or increased accounts, you must pay OpenWorks a marketing fee. The current marketing fee is 3.0 times the monthly additional account volume. The marketing fee is not refundable. OpenWorks may finance a portion of the marketing fee if you meet OpenWorks' conditions and qualifications. You must sign an Agreement for Account Assignment or Increase, which is attached as **Exhibit E** to this Disclosure Document, for each account you agree to service.

### **Equipment and Supplies**

OpenWorks itself is an approved supplier of equipment, and you may purchase equipment from OpenWorks if you wish. See the Equipment Purchase Agreement form attached as **Exhibit F** to this Disclosure Document. OpenWorks expects to sell this equipment at its cost, plus an administrative fee of up to 40%.

### **Insurance**

You will be subject to the following requirements and policies regarding insurance for your franchise:

- You must purchase and maintain a policy or policies of comprehensive public liability insurance, including employer's liability coverage, product liability coverage, covering all janitorial service assets, personnel and activities on an occurrence basis with a combined single limit for bodily injury, losses, death or property damage of not less than \$2,000,000.
- In some instances an Account may request additional insurance, which you will have to additionally purchase.
- You must obtain hired and non-hired auto insurance with a minimum of \$1,000,000 liability coverage on all vehicles involved in the OpenWorks business.
- You must carry property insurance in a minimum amount equal to the replacement value of your interest in the Janitorial Service supplies, vehicles and equipment.
- You must maintain workers' compensation policies for your employees in an amount not less than \$1,000,000 and not less than the minimum requirements of applicable law.
- You must maintain policies of disability insurance and any other types of insurance required by applicable law.
- You must maintain business interruption insurance in an amount sufficient to pay OpenWorks for at least six months of your obligations to us, including financed note payables, royalty fees, advertising fund fees and any other amounts that would have been earned or paid.

- OpenWorks may increase the minimum coverage requirements set forth in this Franchise Disclosure Document annually if necessary to reflect inflation or other changes in circumstances.
- Each insurance policy that is required under this Franchise Disclosure Document must contain a provision that the policy cannot be canceled without 10 days' written notice to OpenWorks; it must be issued by an insurance company with a rating of A- or better by A.M. Best, designate OpenWorks and its officers and directors as an additional named insured, and be satisfactory to OpenWorks in form, substance and coverage. You must deliver a certificate of the issuing insurance company evidencing each policy to OpenWorks within ten days after the policy is issued or renewed.
- If you fail to purchase the required general liability insurance or any additional insurance, OpenWorks may enroll you in any insurance program it sponsors or purchase the insurance for your benefit and deduct the premiums and other related costs from your monthly Gross Revenue. If enrolled, OpenWorks and its officers are named as an additional insured on the policy. Failure to maintain the required amounts and types of insurance set forth in this Franchise Disclosure Document, or any other insurance required by applicable law, may result in a loss of Accounts or termination of your Franchise Agreement.

Currently, 47% of franchisees participate in the Worker's Compensation insurance program that OpenWorks sponsors with Argonaut Insurance Company, Pacific Compensation, and CopperPoint Western Insurance Companies ("WC Carriers") and 41% of franchisees participate in the General Liability insurance program that OpenWorks sponsors with QBE Insurance Corp. ("GL Carrier"). The remainder of franchisees elect to arrange for their own insurance from other insurance carriers. The WC Carrier offers Worker's Compensation that meets the applicable state's requirements and includes \$1,000,000 of coverage for bodily injury by Accident – each accident, \$1,000,000 of coverage for bodily injury by disease – each employee and \$1,000,000 of coverage for bodily injury by disease – policy limit. There is no deductible for the Workers Compensation program. The GL Carrier offers \$1,000,000 each occurrence, \$100,000 damage to premises rented to you, \$10,000 medical expense limit, \$1,000,000 personal injury limit, \$2,000,000 general aggregate limit and \$2,000,000 products/completed operations aggregate limit. The deductible for the General Liability insurance program ranges from \$0 to \$500. If a franchisee has a potential claim, the franchisee would contact OpenWorks who will provide the franchisee with the applicable insurance company agent to work with for processing the claim. The franchisee is liable for any claim that is outside of the policy coverage. OpenWorks annually purchases a policy that covers a certain amount of gross customer billings for its franchisees that elect to participate as well as coverage for itself and its own employees. OW evaluates the carriers each year and may substitute carriers during the year. OpenWorks determines the premium cost for its franchisees that elect to be covered under the policy based on the ranges of gross billing amounts by the franchisee. Franchisees with more gross billings will pay a higher premium. On an annual basis OpenWorks provides the franchisee information and gross billing amounts for all franchisees in the program to the insurance company along with insurance certificates for non-participating franchisees. The amount a franchisee will pay will vary on an annual basis based on the insurance costs and the franchisee's gross billings. OpenWorks includes an administrative fee for the premiums for handling the program but there is no markup on the deductible amount a franchisee pays for a claim. Franchisees electing to purchase workers compensation insurance through OpenWorks will be required to file the forms stated in the Manual which are currently a Form 941 Quarterly Tax Return to its WC Carrier or OpenWorks, in OpenWorks' discretion, each quarter within 10 days of filing. OpenWorks will provide a certificate of insurance to each cleaning customer upon request for any franchisee that elects to participate in the program and to any franchisee upon request.

## **Approved Suppliers and Specifications for Goods and Services**

In order to manage the reputation of the OpenWorks network for delivery of uniform, quality service, OpenWorks requires that you obtain all the office supplies, uniforms, forms, cleaning materials and supplies that you use from suppliers that OpenWorks designates or approves. OpenWorks will give you, in the Manual or otherwise in writing, a list of names and addresses of suppliers of goods and services that OpenWorks designates or approves. OpenWorks may revise the Manual periodically. See Item 11.

If you wish to use any product that is not previously approved by OpenWorks to meet OpenWorks' specifications or that is sold by a supplier not previously approved by OpenWorks, you must advise OpenWorks of this fact and, upon OpenWorks' request, give OpenWorks product specifications, sample products, and/or information about the supplier. OpenWorks will communicate either its approval or its reasons for withholding its approval to you within 10 business days. Silence may not be construed as consent. The primary criteria considered by OpenWorks in approving suppliers are the consistency and commercial-grade strength of products and the willingness of suppliers to render product support. As a condition of approving a supplier or product, OpenWorks may require you to reimburse it for any expenses reasonably incurred by OpenWorks in inspecting the supplier's premises, investigating the supplier, and testing the product. As a condition of approving a supplier of any product that will bear the Trade Name or Marks, OpenWorks may require that the supplier sign a license agreement with OpenWorks or provide a rebate. OpenWorks may withdraw its approval of a supplier or product if either or both no longer meet OpenWorks' standards or specifications. OpenWorks will notify you in writing if this occurs.

## **Revenues from Sales and Leases to Franchisees**

In the year ended December 31, 2022, the gross deposits for franchisee insurance and bonds collected by OpenWorks, net of premiums paid was \$1,952,730 which was 1.7% of OpenWorks' total revenues of \$113,772,350.

In the year ended December 31, 2022, the gross revenues of OpenWorks from franchisees' purchases of services and supplies, and purchases and leases of equipment, including interest where any such purchases were financed, were \$0, which was 0% percent of OpenWorks' total revenues of \$112,179,973.

## **Percentages of Franchisee Purchases and Leases**

OpenWorks estimates that the costs of the goods and services you purchase and lease from OpenWorks and its approved suppliers, and in accordance with OpenWorks' specifications, will be over 98% of your total purchases and leases in connection with the establishment of your business, and of your total annual purchases and leases thereafter in connection with the on-going operation of your business as of the date this Disclosure Document was issued.

## **Purchasing Cooperatives**

There are no purchasing or distribution cooperatives for the purchase or lease of goods or services relating to your business as of the date this Disclosure Document was issued.

## **Supplier Purchase Arrangements**

From time to time, OpenWorks or its affiliates may negotiate one or more agreements with suppliers of uniforms, chemicals, equipment or supplies in order to ensure competitive

pricing and quality for its franchisees. OpenWorks may also recommend certain suppliers of business services such as payroll services, accounting services, lending services, which are optional for you to use. OpenWorks may under some circumstances receive rebates from such suppliers of 1% to 15% of the amounts of purchases or services by franchisees. Except as discussed above, OpenWorks has not negotiated purchasing arrangements on behalf of its franchisees in the past.

### **Material Benefits**

OpenWorks does not provide any material inducements or special benefits (such as renewal or additional franchises) to you based on whether you make purchases or enter into leases with OpenWorks or any approved supplier.

## ITEM 10 FINANCING

### **Initial Franchise Fee or Marketing Fee**

You may finance a portion of the initial franchise fee, except if you are purchasing an OW P package, or a portion of any marketing fee, subject to OpenWorks' discretion and approval. The amount OpenWorks will agree to finance will depend on the size of the transaction, your other debt, your credit history, and your anticipated cash flow. In order for OpenWorks to evaluate your credit history, prior to execution of the Franchise Agreement you must complete a background check authorization form which is attached as **Exhibit O** to this Franchise Disclosure Document. (This form may be revised by the credit agency.) You will be required to provide your birth date, social security number, driver's license information and current address. Your execution of this

form is your notification that a background check will be ordered on you to evaluate your credit history.

Financing terms are 12% per year (unless reduced at OpenWorks' discretion) or the highest rate permitted by applicable law, whichever is less, over up to a two year period for both the initial franchise fee and the marketing fee. The loan will be evidenced by a promissory note in the form of **Exhibit D** to this Franchise Disclosure Document. A 10% discount is offered under the veteran's program.

For the marketing fee, if the down payment is not paid when the contract is signed, it must be paid as a first installment, and the balance plus interest will be payable in up to 24 equal monthly installments, in OpenWorks' sole discretion. The minimum down payment for the marketing fee is 20% of the additional billing volume.

No collateral is required to secure the note. However, the personal guaranties of the Franchise Agreement signed by your principals and their spouses will also cover the note. A personal guaranty may override the protections given to your personal assets that your ownership interest in a corporation or limited liability company generally provides. The guaranty includes a provision that you may not bring a counterclaim or setoff to any claim brought by OpenWorks under the note. The note may be prepaid at any time without penalty. There is an acceleration clause that becomes effective upon certain events of default.

If a default occurs under the note, your Franchise Agreement, or any other agreement that you have with OpenWorks, or if OpenWorks determines in its reasonable judgment that your financial condition has become unsatisfactory, OpenWorks can accelerate the entire amount due under the note, collect its costs and attorneys' fees, and terminate your franchise if the note is not paid in full immediately. One of the default provisions is that OpenWorks may accelerate the amount due under the note if you fail to pay, withhold, collect or remit any tax when it is assessed or due. There are other default provisions.

The note includes a waiver of notice. If the particular events of default listed in the note occur, OpenWorks is not required to give you notice of the default before calling the note due under the acceleration clause.

OpenWorks reserves the right to assign your note. OpenWorks has not sold notes in the past, and has no present intention to do so in the future. OpenWorks has pledged its stock to a bank as collateral for a loan, and anticipates continuing to do so. OpenWorks itself remains fully obligated to you to perform all the services for which you give the note and you retain all your defenses against OpenWorks. As a result of the pledge to the bank, however, you may not be able to assert your defenses against the bank if the bank is collecting your payments on the note. In that case, you would have to assert your claims against OpenWorks in a separate action.

## **Equipment**

OpenWorks has an equipment purchase program to finance purchases of equipment for use in its franchisees' businesses. OpenWorks is the lender in these transactions. It will finance the entire purchase price of the equipment at an annual interest rate of 12%. The agreement requires 12 equal monthly payments.

The equipment itself is the collateral and normally you are the only guarantor. Prepayment in whole or in part may be made at any time without notice or penalty. Should a default occur, then the whole sum of principal, and interest thereon which shall then have accrued but which remains unpaid, shall become immediately due and payable at the option of OpenWorks, with

default interest on the entire unpaid principal and accrued and unpaid interest from the date of such default until paid at the lesser of (i) the rate of one percent (1%) per month, or (ii) the highest rate permitted by applicable laws.

### **No Other Financing**

OpenWorks does not directly or indirectly offer any other financing to you. OpenWorks does not guarantee any loan, lease or other obligation you may enter into with a third party. OpenWorks does recommend certain independent third party lenders for franchisees to contact. OpenWorks receives a \$1,000 referral fee from Guidant Financial for each franchisee that enters into an agreement with the lender. OpenWorks does not receive any consideration from its other recommended lender, Bank of America. OpenWorks not receive any other direct or indirect payments for any financing you may receive from third parties.

(Franchise Agreement § 5.2.)

### **Our Obligations during Operations**

OpenWorks is not required to offer you any assistance not described below after you begin business.

Any such sums advanced to you by OpenWorks must be paid to OpenWorks within 90 days after the date upon which payment was due from the Account whose payment was delinquent. Thereafter, you must repay OpenWorks or it may deduct amounts owed to it by you for such advances from any and all money collected by OpenWorks on your behalf. You must pay OpenWorks interest at the rate of 12% per year on any advances for which OpenWorks has not been reimbursed within 90 days after the date upon which payment was due from the Account. (Franchise Agreement § 5.4.2.)
- (5) Additional Accounts. In certain circumstances only, OpenWorks may offer you additional accounts. (Franchise Agreement § 5.2.4.)

If any of your additional accounts terminates its janitorial service agreement within six months of your acceptance of the account, OpenWorks will, in its sole and absolute discretion, either: i) offer you a replacement account within 150 days or ii) issue a partial refund of the Marketing Fee for that particular account, pro-rated for account volume and days remaining in the first 6 months of the account. (Franchise Agreement § 5.2.4.)
- (7) Consultation. Upon your request, OpenWorks will use commercially reasonable efforts to make its personnel available to you at no charge for consultation. (Franchise Agreement § 5.5.)
- (8) Advertising Fund. OpenWorks will administer an advertising fund which will be used by OpenWorks for certain marketing development and branding. (Franchise Agreement § 5.7.)

## **Our Obligations in Detail Before and During Operations**

However, if you decide to work out of a location other than your home, you do not need our approval of the location, provided you stay within your territory. OpenWorks has neither an obligation to help you find a site for your business nor the right to approve it.

### **Training Program**

If applicable, before you begin business, OpenWorks will conduct a training program in the operation of an OpenWorks janitorial service business as more fully discussed below under the caption "Training." (Franchise Agreement § 5.1.1.) No initial training is provided to existing franchisees that renew their franchises; however, mandatory continuing training may be required prior to renewal, as well as occasionally during the term of the Franchise Agreement. You must arrange for your training and that of your employees. We may provide general recommendations on hiring, but all recommendations are optional, and we do not otherwise assist you in hiring your employees.

If you purchased an OW P package, OpenWorks will not provide you with an equipment and supply kit. The current equipment kit being provided by OpenWorks is described in Attachment 1 to the Franchise Agreement. OpenWorks may substitute certain items listed on Attachment 1 with other items that have equal or greater value or quality. No equipment and supply kit is provided to existing franchisees that renew their franchises. (Franchise Agreement § 5.3.)

### **Initial Accounts**

After all required individuals have successfully completed initial training and signed OpenWorks' certificate of completion of initial training, you have picked up your equipment, delivered to OpenWorks copies of your business license and any required registrations, and paid the initial franchise fee, OpenWorks will offer you cleaning accounts whose gross monthly dollar volume of cleaning services will be cumulated to reach the initial monthly account volume promised in the Franchise Agreement within the fulfillment period for the franchise package you purchase. OpenWorks' fulfillment periods are as follows for each franchise package:

| <b>OpenWorks Package</b> | <b>Initial Monthly Account Volume</b> | <b>Fulfillment Period (Days)</b> |
|--------------------------|---------------------------------------|----------------------------------|
| OW P                     | 0                                     | N/A                              |

|       |        |     |
|-------|--------|-----|
| OW 7  | 7,000  | 240 |
| OW 10 | 10,000 | 330 |
| OW 25 | 25,000 | 780 |

For packages more than the OW 25 level, the initial monthly account volume is offered in \$5,000 increments and may be available depending on your location. The fulfillment period is calculated as an additional 150 days per \$5,000 account volume.

If OpenWorks does not offer the applicable initial monthly account volume during the fulfillment period, your sole remedy is a credit or refund of a portion of your initial franchise fee, as described in Item 5. Such a credit or refund will fulfill OpenWorks' obligation to offer the remaining portion of the initial monthly account volume. No initial monthly account volume is provided to existing franchisees that renew their franchises. (Franchise Agreement § 5.2.1.)

You must sign an Agreement for Account Assignment or Increase, which is attached as **Exhibit E** to this Franchise Disclosure Document, for each initial and additional account you agree to service. You acknowledge and agree that you will not begin servicing an account until you have executed the applicable Account Assignment Agreement. (Franchise Agreement § 5.2.5.)

You may refuse up to three separate new accounts from the initial monthly account volume offered by OpenWorks for any reason whatsoever during the term of the franchise. To do so, you may refuse an account when it is initially offered to you. If you do not respond within the time OpenWorks designates when it invites you to a walk-through of an account, requests documentation of business plan for the account, or thereafter offers you the account, you will be deemed to have refused the account. However, each refusal of an account will extend the fulfillment period by an additional 30 days. (Franchise Agreement § 5.2.3.)

If, during the fulfillment period, you commit any default that would justify termination of an account or of your Franchise Agreement (including your failure to properly perform your janitorial service obligations) OpenWorks may, at its option, suspend the fulfillment period until the default is cured instead of terminating your service to an account or terminating the Franchise Agreement. If OpenWorks determines that you cannot or will not cure the default, OpenWorks may require you to repeat the initial training course. Once you have either cured the default or successfully completed retraining, as applicable, the prior fulfillment period will be cancelled and a new fulfillment period will begin. (Franchise Agreement § 5.2.1.)

## **Billing and Collection**

OpenWorks will provide billing and collection services for you. You must use this service and may not bill accounts yourself or make collection efforts unless authorized in writing by OpenWorks. Within 45 days after the end of each month, OpenWorks will send you your Gross Revenue for that month, after deduction of any sums currently due and payable by you to OpenWorks, and any amounts you have authorized OpenWorks to pay to third parties on your behalf. OpenWorks may adjust the deadlines for reporting by you and payment by OpenWorks if it determines these adjustments are necessary because of the payment practices of customers. You will be notified of any such adjustments. (Franchise Agreement § 5.4.1.)

## **Limited Cash Flow Protection Service**

For the first 90 days of each account you accept that is part of your initial fulfillment volume, at the time of sending your monthly Gross Revenue to you, OpenWorks will advance you a sum equal to any delinquent payments that should have been, but were not, received by OpenWorks from any customers you serviced if all of the following requirements are met:

- The customer was not delinquent in the immediately preceding month;
- You are not in Default of the Franchise Agreement;
- Prior to OpenWorks advancing such sum, the customer has not terminated its Maintenance Agreement with OpenWorks or requested a new service provider at the locations you serviced;
- OpenWorks had not previously instructed you to terminate service to the customer;
- The customer was originally provided by OpenWorks;
- You submitted to OpenWorks the monthly statement of all services rendered by you, including services rendered to the delinquent customer, in a timely manner and in the form prescribed by OpenWorks; and
- As otherwise required by OpenWorks in the Manual.

Any such sums advanced to you by OpenWorks must be repaid to OpenWorks within 90 days after the date upon which payment was due from the customer. You must repay OpenWorks or OpenWorks may deduct amounts you owe it for these advances from any and all money collected by OpenWorks on your behalf. You must pay OpenWorks interest at 12% per year on any advances for which OpenWorks has not been reimbursed within 90 days. (Franchise Agreement § 5.4.2.)

OpenWorks is entitled to recover from you any costs OpenWorks incurs in collecting money owed by customers you serviced. OpenWorks may apply any money you pay OpenWorks or that is paid by any such customers to collection costs. (Franchise Agreement § 5.4.3.)

### **Additional Accounts**

You will not have the option to purchase additional franchises. However, you may request additional accounts from OpenWorks. If your franchise and its services to your then-current accounts are in good standing (as defined in Franchise Agreement §3.13), additional accounts may be accounts offered to you by OpenWorks over and above the initial monthly account volume under the following scenarios:

- You may request OpenWorks to provide you with additional accounts;
- OpenWorks may offer additional accounts to you on its own and you may accept;
- OpenWorks, in conjunction with a proposed increase in an account you are servicing, may require you to purchase the increase in the dollar account volume of that account, in which case OpenWorks may assess a marketing fee from you that is proportionate to the increase; or
- OpenWorks, in conjunction with assigning an account to you under a previous obligation, may require you to purchase the overage if the acceptance of an account

would cause the gross dollar volume to exceed the amount OpenWorks is obligated to provide.

You must execute an amendment to the Franchise Agreement signifying an additional account purchase and pay the appropriate marketing fee. If you finance a portion of the marketing fee, you must execute a promissory note. See Item 10. OpenWorks may have outstanding obligations to offer accounts under more than one contract at a time. Assignment of a given account, if of sufficient monthly billing magnitude, may help to fulfill OpenWorks' obligations to offer accounts under more than one contract. (Franchise Agreement § 5.2.4.)

OpenWorks is under no obligation to provide you with additional accounts and may agree to do so solely at its own discretion.

### **Replacement of Accounts**

If any of your initial accounts terminates its janitorial service agreement within one year of when you begin servicing it, for a reason unrelated to your service of the account, OpenWorks will, at its sole and absolute discretion, either i) offer you replacement accounts within 150 days of the termination or ii) issue a partial refund of the Initial Franchise Fee, pro-rated for account volume terminated and days remaining in the one-year period. Any such partial refund will be first applied toward loan balances you owe to OpenWorks, regardless of whether they are related to the applicable account. If any of your additional accounts terminate their contracts within six months of your acceptance of the account, for a reason unrelated to your service of the account, OpenWorks will, at its sole and absolute discretion, either i) offer you replacement accounts within 150 days of the termination or ii) issue a partial refund of the Marketing Fee for the applicable account, pro-rated for account volume terminated and days remaining in the one-year period. Any such partial refund will be first applied toward loan balances you owe to OpenWorks, regardless of whether they are related to the applicable account. These obligations do not apply to accounts that are terminated as a result of your wrongful act or any nonprofessional interaction with the account, including but not limited to theft, breakage, failure to reset alarm systems, being argumentative with the account and your failure to properly provide janitorial services. OpenWorks has the sole discretion to determine if you have acted improperly. OpenWorks is not obligated to replace any account you lose because of the customer's request that the maintenance agreement be terminated for any of the reasons stated above or the customer's request that service be provided by another franchisee. OpenWorks is not obligated to replace replacement accounts. (Franchise Agreement § 5.2.4.)

A replacement account will be of the same or greater monthly billing magnitude as the terminated accounts it replaces. If the gross dollar volume billed per month under a replacement account exceeds the terminated account, OpenWorks may assess a marketing fee based on the overage. (Franchise Agreement § 5.2.4.)

### **Consultation**

Upon your request, OpenWorks will use commercially reasonable efforts to make its personnel available to you at no charge for consultation regarding the operation of your janitorial services business. (Franchise Agreement § 5.5.)

## Advertising

### Advertising Fund

OpenWorks has the right to require its janitorial franchisees to contribute up to 3% of their monthly Gross Revenue to the Advertising Fund each month. Currently, OpenWorks is requiring you to contribute 2.5% of monthly Gross Revenue. OpenWorks currently contributes to the Advertising Fund in excess of franchisee contributions; however, it reserves the right to decrease its contribution amounts in the future. In addition, OpenWorks currently subsidizes additional contributions on behalf of franchisees. (Franchise Agreement §5.7.1.)

The Advertising Fund may be used to pay for market research, development, branding, advertising materials (including marketing materials), media space and time (print, direct mail, electronic and broadcast media), marketing technology expenses (i.e.: automation software, website chat software) for promotion or public relations programs, for quality assurance, for a national or regional advertising program, a referral program, or any combination of them. Advertising will usually be developed by outside agencies, although OpenWorks has the right to use OpenWorks' in-house marketing department. OpenWorks will give preference to Advertising Fund projects that are national or regional in scope and may also make allocations of Advertising Fund money to regional groups of franchisees or individual franchisees when desirable. There is no requirement that any of the money be spent in your area. Because the benefits of advertising and promotion are difficult to measure with precision, OpenWorks reserves the unqualified right to determine how Advertising Fund money will be spent; the sole condition is that the Advertising Fund money must be used in a manner that is reasonably related to the promotion of the OpenWorks brand, trade names and marks. The Advertising Fund money may be used to compensate OpenWorks for overhead and other expenses incurred in connection with its administration of the Advertising Fund. If all advertising money is not spent in the year in which it is collected, it will remain in the Advertising Fund for spending in the following years. In the event OpenWorks' expenditures for advertising in any fiscal year shall exceed the total amount contributed to the Advertising Fund during that fiscal year, OpenWorks shall have the right to be reimbursed to the extent of such excess contributions from any amounts subsequently contributed to the Advertising Fund or to use such excess as a credit against its future contributions. OpenWorks does not make expenditures from the Advertising Fund to solicit new franchise sales. (Franchise Agreement § 5.7.2.)

OpenWorks will administer any Advertising Fund, which will be administratively segregated on its books and records. Any payments to the Advertising Fund may be deposited in OpenWorks' general operating account and may be commingled with OpenWorks' general operating funds; subject, however, to OpenWorks' obligation to expend the monies in the Advertising Fund in accordance with its specified terms. OpenWorks will prepare an annual summary of the manner in which the money was spent by percentages in general categories similar to the percentages listed below unless we are required by state law to provide an accounting to you. The summary or accounting will be available to you upon your written request. (Franchise Agreement § 5.7.3; Maryland Addendum). The Advertising Fund's books will not be separately audited from OpenWorks' other accounts.

During the last fiscal year, which ended December 31, 2022, OpenWorks allocated such expenditures from the Advertising Fund as follows:

|                         |       |
|-------------------------|-------|
| Production/PR Research  | 34.7% |
| Media Placement         | 12.4% |
| Administrative Expenses | 18.4% |

|                                  |        |
|----------------------------------|--------|
| Marketing Operations/Technology  | 24.0%  |
| Franchise Marketing              | 10.5%  |
| Total Used from Advertising Fund | 100.0% |

## **Your Advertising**

You are not required to conduct your own local advertising program. If you do conduct your own advertising, you must submit copies of all advertising materials that you propose to use to OpenWorks at least two weeks before the first time they are broadcast or published. OpenWorks will review the materials and notify you within 10 business days whether it approves or rejects them. OpenWorks will not withhold its approval unreasonably. Advertising materials that differ from previously approved materials only in such variables as date, price, or names of products will be considered to be previously approved. However, even if OpenWorks has approved specified materials, it may later withdraw its approval if it believes that is necessary to make the advertising conform to changes in the system or to correct any misrepresentation. You may not engage in telemarketing. (Franchise Agreement § 7.1.3.)

OpenWorks has no plans to establish advertising councils. There is no requirement that you participate in a local or regional advertising cooperative.

We have the right to control all electronic names and electronic commerce for our system. You may not establish an account or participate in any social networking sites (including, without limitation, Facebook, MySpace, Twitter, YouTube, LinkedIn or any other social or professional networking blog, bulletin board or chat room) or mention or discuss the franchise or OpenWorks without OpenWorks' prior written consent. If OpenWorks does consent, it has the right to review all on-line content on social media sites, blogs, in electronic communications and on other on-line sites on which OpenWorks' trademarks are used to protect the reputation and high quality associated with OpenWorks' trademarks. You must also provide OpenWorks with the account password. OpenWorks may require you to remove any questionable usage or content involving its trademarks or it may make the changes itself. OpenWorks may also require you to cease using its trademarks at all such sites. We also own any electronic names and any data collected in electronic commerce regarding our system and our trademarks.

## **Computer System**

OpenWorks requires you to have a computer system from which you can access the Internet and maintain an email account. You must buy a computer system if you do not already have one or upgrade your current computer system to meet OpenWorks' minimum specifications. You are required to have a computer system that is capable of running up-to-date operating systems and that is capable of receiving e-mails. We estimate the cost of purchasing the computer system will range from \$150 to \$1,200.

The approximate cost of basic single user software is estimated to be \$40. OpenWorks will not have independent access to any information maintained on your computer system.

OpenWorks will not assist you in obtaining or setting up your computer system, and will not provide you with any training or support for your computer system. You must maintain your computer system and make updates and upgrades at your expense as your franchise business requires (as specified in the Manual). You may pay up to \$500 annually for optional maintenance, updating, upgrading or support contracts for the computer system. (Franchise Agreement §§ 5.6, 7.2.2 & 7.7.) There are no contractual limitations on the frequency or cost of updates and upgrades that may be required in the future. Although you must maintain, repair and upgrade your computer

system hardware and any software you use, neither OpenWorks nor any third party is obligated to provide such maintenance, repairs or upgrades for you.

**Manual**

OpenWorks will lend you its Operations and Safety Manual containing information on operational methods, safety, rules and policies, marketing, names of approved suppliers, and other information that OpenWorks believes will be necessary or helpful to you. OpenWorks will revise the Manual periodically to conform to the changing needs of the OpenWorks network and will distribute updates to you verbally or in writing. (Franchise Agreement § 5.6.)

A copy of the table of contents of OpenWorks’ Manual current as of the date this Disclosure Document was issued is attached as **Exhibit G** to this Disclosure Document. The table of contents shows the total number of pages.

**Opening**

The length of time between signing of the Franchise Agreement and payment of the initial franchise fee, and commencement of your business, may range between one day and six or more months, depending on your readiness and the availability of client accounts.

**Training**

Before the opening of your business, OpenWorks will conduct an initial training program in the operation of a Janitorial Service business under OpenWorks’ system for you, your designated manager, your principal owners involved in the business and any of your employees who wish to attend at the same time at no charge to you. The name of OpenWorks’ initial training program is FirstWorks®. If you purchased an OW P package, OpenWorks may waive the hands-on portion of the initial training requirements in its sole discretion. No initial training is provided for existing franchisees that renew their franchises; however, mandatory continuing training may be required prior to renewal. You must complete the initial training program to OpenWorks’ satisfaction before you can start operating your franchise. Upon successful completion of the program and the receipt of your certification, along with completion of all other requirements, you are open for business and ready to service customers. The initial training program will be offered once per month and will have to be completed by you within 45 days of the signing of your Franchise Agreement. Failure to successfully complete the training course within the allotted time is a violation of the Franchise Agreement. The current initial training program is summarized in the following chart:

Training consists of several sessions, including virtual classroom lectures, video training, homework assignments, open discussions, and hands-on training. Jennifer Jones, Director of Franchise Programs and Development, will oversee the initial training and has over 14 years in the field and with OpenWorks. Training is conducted by our Regional Performance Managers, under the direction and leadership of Director of Franchise Programs and Development.

**Note 1:** Both virtual classroom training and on-the-job training is offered by each OpenWorks regional team. Training facilities include remote classroom settings and at determined on-site locations in your regional area. During the last fiscal year, OpenWorks offered its classroom training remotely and in-person at various regional locations, and offered its on-the-job training program at various regional locations. OpenWorks determines the sequence of training.

If you hire new employees in the future who must be trained, OpenWorks will provide the initial training program for them at \$250 per group. If you have performance issues and are required to re-attend training, then OpenWorks' fulfillment obligations will be deferred until you successfully complete training. If you do not successfully complete the training course during your fulfillment period, OpenWorks' fulfillment obligations will cease.

OpenWorks also may offer continuing education classes, on an optional or mandatory basis, and may charge you for such classes or the platform they are conducted through. (Franchise Agreement § 5.1.2.) The current charges for such classes range from nothing to \$150 per class or platform. Continuing education classes are normally several hours in duration and taught by OpenWorks approved instructors who have at least one year experience in the field taught. Instructors may be recently hired by OpenWorks. If you are scheduled to attend a class and fail to appear, you must pay a \$50 cancellation charge.

Instructional material will consist of videos and various manuals and other written material, provided digitally through our education platform(s). All of which will be provided under the technology fee.

You must pay for transportation, meals and other incidental expenses incurred during training. Neither you nor your employees will be compensated by OpenWorks for any work performed during training.

## **ITEM 12 TERRITORY**

Under the Franchise Agreement, OpenWorks grants you the right to operate a janitorial services business within a designated territory using OpenWorks' trade names, marks and system. Unless otherwise allowed in writing by OpenWorks, the territory is usually the area encompassing a 60 mile radius from the business address you list in Article 1 of your Franchise Agreement. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. As there may be multiple franchisees in a territory, other franchisees and OpenWorks can and do compete there. You may seek new business within your territory, but you are not allowed to solicit business from existing OpenWorks customers or prospects where an active OpenWorks bid (within the last six months) exists. OpenWorks will not bid against you itself. You are restricted as to the area within which you may solicit business, which must be within the territory. In addition, unless otherwise allowed by OpenWorks in writing, you may not service prospects located outside of your territory, even if you did not solicit their business.

OpenWorks does not compete with you under different tradenames or trademarks within the territory (and it has no current plans to do so), but it does reserve the right to do so in the future.

OpenWorks reserves the right to use other channels of distribution such as the Internet, catalog sales and direct mail to make sales in your territory. OpenWorks need not compensate you for soliciting or accepting accounts from inside your territory.

Unless otherwise authorized in writing by OpenWorks, there are no conditions under which the territory might be modified while your Franchise Agreement is in effect. This includes relocations. You may purchase an additional franchise in a new territory and continue operating the franchise in your original territory. You may also sell your existing franchise and if you wish, purchase a new one in a new territory. All approval processes, transfer fees and initial franchise fees are applicable.

As of the date this Disclosure Document was issued, OpenWorks has filed all required affidavits and renewals for the trademarks with the USPTO. A list of additional trademarks is included as Attachment 5 to the Franchise Agreement in **Exhibit C**.

There were no currently effective determinations of the USPTO, the Trademark Trial and Appeal Board or any state trademark administrator or court, nor any pending infringement, opposition or cancellation proceeding, involving the trademarks as of the date this Disclosure Document was issued.

There was no pending material federal or state court litigation regarding OpenWorks use or ownership rights in the trademarks as of the date this Disclosure Document was issued.

No currently effective agreements significantly limit the rights of OpenWorks to use or license the use of its principal trademarks in a manner material to the franchise.

You cannot use the OpenWorks trademarks as part of your legal business name, or with other words, designs or symbols. You may not use our trademarks in connection with the sale of unauthorized products or services, or in any manner not authorized by us.

OpenWorks has invested substantial time, energy, and money in the promotion and protection of the trademarks. There is no present intention of altering them. However, changes in the trademarks may become desirable or necessary. Under the Franchise Agreement, therefore, OpenWorks reserves the right to change the trademarks and the specifications for each. You are obligated to conform, at your own expense, to any such changes.

You must notify OpenWorks immediately in writing if you become aware of any unauthorized use of OpenWorks' trademarks. This addendum to the Disclosure Document and Franchise Agreement is agreed to this \_\_ \_\_\_\_,  
and effectively amends and revises said Disclosure Document and Franchise Agreement as follows:

## ADDENDUM

### TO THE FRANCHISE DISCLOSURE DOCUMENT AND THE FRANCHISE AGREEMENT OF O.P.E.N. AMERICA, INC. DBA OPENWORKS REQUIRED BY THE STATE OF CALIFORNIA

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

Item 3. Neither the franchisor, any person or franchise broker in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling these persons from membership in this association or exchange.

Item 10. OpenWorks will comply with all appropriate laws governing any direct financing offered by us to you, including, if applicable, the California Finance Lenders Law.

Item 11. OpenWorks is dedicated to collecting amounts due on the cleaning services you provide. It closely monitors the billing and collection process and, if necessary it may utilize collection agencies and attorneys

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The franchise agreement requires binding arbitration. The arbitration will occur at Phoenix, Arizona with the costs being borne by the party against whom the arbitrator renders a decision. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The franchise agreement requires application of the laws of Arizona. This provision may not be enforceable under California law.

OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT [www.dfpi.ca.gov](http://www.dfpi.ca.gov).

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The provisions of this Addendum only apply if the jurisdictional requirements of the California Franchise Investment Law are met independently without reference to this Addendum and to the extent they are then valid requirements of the statute.

In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. 1. Item 13 of the Disclosure Document and Article 8.4 of the Franchise Agreement are amended by the addition of the following language to the original language that appears therein:

“In accordance with applicable requirements or Minnesota law, Franchisor shall protect Franchisee’s right to use the trademarks, service marks, trade names, logotypes or other commercial symbols and/or shall indemnify Franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding such use.”

2. Item 17 of the Disclosure Document and Article 10 of the Franchise Agreement are amended by the addition of the following language to the original language that appears therein:

3. Item 17 of the Disclosure Document and Section 11.8 of the Franchise Agreement are amended by the addition of the following language to the original language that appears therein:

“Minn. Stat. Sec. 80C.21 and Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring you to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Disclosure Document or agreements can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of jurisdiction.”

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Section 11.10 of the Franchise Agreement regarding Limitations of Claims is hereby amended to comply with Minn. Stat. §80C.17, Subd. 5.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. **ADDENDUM  
TO THE FRANCHISE DISCLOSURE DOCUMENT  
AND FRANCHISE AGREEMENT OF  
O.P.E.N. AMERICA, INC. DBA OPENWORKS  
REQUIRED BY THE STATE OF NORTH DAKOTA**

This addendum to the Disclosure Document is agreed \_\_\_\_\_, and effectively amends and revises said Disclosure Document and Franchise as follows:

1. Section 51-19-09 of the North Dakota franchise Investment Law prohibits us from requiring you to assent to a general release. Therefore, the general release required as a condition of renewal or assignment/transfer under Item 17(c) of the Disclosure Document and Section 4 of the Franchise Agreement shall not apply to any liability under North Dakota Law. Any reference to general release in the disclosure document or Franchise Agreement is hereby deleted.

2. Item 17(u) of the Disclosure Document and Section 11 of the Franchise Agreement provide that the franchisee must agree to the arbitration or mediation of disputes, such arbitration or mediation to be held in Arizona. The Commissioner has determined that franchise agreements, which provide that parties agree to the arbitration or mediation of disputes at a location that is remote from the site of the franchisee's business, are unfair, unjust, or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. Item 17(u) of the Disclosure Document and Section 11 of the Franchise Agreement are hereby amended by the addition of the following language to the original language that appears there:

"The site of the arbitration or mediation must be agreeable to all parties and not be remote from the franchisee's place of business."

3. Item 17(v) of the Disclosure Document and Section 11 of the Franchise Agreement provide that franchisees must consent to the jurisdiction of courts in Arizona. The Commissioner has held that requiring franchisees to consent to the jurisdiction of courts outside of North Dakota is unfair, unjust, or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. Any references to the consent to jurisdiction of courts in Arizona are hereby deleted.

4. Item 17(w) of the Disclosure Document, Section 11 of the Franchise Agreement, the Promissory Note (Exhibit D) and Section 10 of the Assignment of Majority Interest in Franchise Rights to Other Individuals (Exhibit O), provide that the agreement shall be construed according to the laws of the State of Arizona. Apart from civil liability as set forth in section 51-19-12 N.D.C.C., which is limited to violations of the North Dakota Franchise Investment Law (registration and fraud) the liability of the franchisor to a franchisee is based largely on contract law. Even though those provisions are not contained in the franchise investment law, those provisions contain substantive rights intended to be afforded to North Dakota residents, and is unfair to franchise investors to require them to waive their rights under North Dakota Law. The Commissioner has held that franchise agreements, which specify that they are to be governed by the laws of a state other than North Dakota, are unfair, unjust, or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. Therefore the word "Arizona" is replaced with the words "North Dakota".

Section 11 of the Franchise Agreement requires the franchisee to consent to a waiver of trial by jury. The Commissioner has determined this to be unfair, unjust, and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. All references to waiver of trial by jury in the Franchise Agreement are hereby deleted.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any

statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise

5. Section 11 of the Franchise Agreement requires the franchisee to consent to a waiver of exemplary and punitive damages. The Commissioner has determined this to be unfair, unjust, and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. All references to the consent to a waiver of exemplary and punitive damages are hereby deleted.

6. Section 11 of the Franchise Agreement requires the franchisee to consent to a limitation of claims within one year. The Commissioner has determined this to be unfair, unjust, and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. The provision shall be changed to read the statute of limitations under North Dakota Law will apply, therefore Section 11.10 of the Franchise Agreement is hereby amended by the addition of the following language to the original language that appears there:

"The statute of limitations under North Dakota Law will apply."

Retail Franchising Act, VA. CODE ANN. §§ 13.1-557 to -574.

**Relationship Laws**

Any “cross-default” provision in a franchise agreement in which a default by a franchisee on one agreement will cause a default in any other agreements with the franchisor is not enforceable when applied to a franchisee in Virginia because Virginia law prohibits any provision that allows a franchisor to cancel a franchise without reasonable cause or to use undue influence to induce a franchisee to surrender any right given to him by any provision in the franchise. § 13.1-564.

**Waivers and Releases**

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM  
TO THE FRANCHISE DISCLOSURE DOCUMENT  
AND THE FRANCHISE AGREEMENT OF  
O.P.E.N. AMERICA, INC. DBA OPENWORKS  
REQUIRED BY THE STATE OF WASHINGTON**

Special Risks

**Turnover Rate.** During the last 3 years, a large number of franchised outlets (302) were terminated, not renewed, re-acquired, or ceased operations for other reasons. This franchise could be a higher risk investment than a franchise system with a lower turnover rate.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.

## 2. RECITALS

**2.1 Ownership of System.** OpenWorks is the owner of certain intellectual property rights, including its Trade Names and the Marks, the distinctiveness and value of which you acknowledge. OpenWorks has spent a considerable amount of time, effort and money to devise, and continues to develop, business methods, technical knowledge and marketing concepts including, but not limited to, trade secrets, commercial ideas, advertising materials, marketing strategies, technology strategies, information on sources of supply, administrative procedures, business forms, and training techniques that, taken together, comprise a proprietary System for the operation of Janitorial Services that offer commercial janitorial and other facility services to Accounts pursuant to Maintenance Agreements, all of which are designed to enhance the reputation and goodwill with the public of the services offered pursuant to the System. OpenWorks may, from time to time, add to, amend, modify, delete or enhance any portion of the System (including any of the Trade Names and Marks) as may be necessary in OpenWorks' Reasonable Business Judgment (as defined below) to change, maintain or enhance the System, TradeNames, Marks or reputation, efficiency, competitiveness and/or quality of the System, or to adapt it to new conditions, materials or technology, or to better serve the public. You will fully comply, at your own expense, with all such additions or modifications reasonably designated as applicable to then existing franchise owners similarly situated.

**2.2 Definition of Reasonable Business Judgment.** OpenWorks agrees to use "Reasonable Business Judgment" in the exercise of its rights, obligations and discretion under this Agreement except where otherwise indicated in this Agreement. "Reasonable Business Judgment" means that OpenWorks' determination shall prevail even in cases where other alternatives are also reasonable so long as OpenWorks is intending to benefit or is acting in a way that could benefit the System by enhancing the value of the Marks, increasing customer satisfaction, or minimizing possible customer brand or location confusion. OpenWorks shall not be required to consider your particular economic or other circumstances when exercising its Reasonable Business Judgment. At no time are you or any third party (including, but not limited to any third party acting as a trier of fact) entitled to substitute your or its judgment for a judgment that has been made by or on behalf of OpenWorks and that meets the definition of Reasonable Business Judgment in recognition of the fact that the long-term goals of a franchised system, and the long-term interests of both OpenWorks and all franchise owners, taken together, require that OpenWorks have the latitude to exercise Reasonable Business Judgment.

##### **4.1 Granting Clause.**

**4.1.1 Non-exclusive Territory.** Subject to all the terms and conditions set forth in this Agreement, OpenWorks grants to you and you accept from OpenWorks a non-exclusive franchise to operate the Janitorial Service described in this Agreement solely within the Territory using the Trade Names, Marks and System in accordance with the terms of this Agreement. OpenWorks reserves all rights in the Trade Names, Marks and System not expressly granted in this Agreement. Your right to operate within the Territory is not exclusive. Other franchisees may compete there as there may be multiple franchisees in a territory. OpenWorks may compete with you for accounts in your Territory, including through alternative methods of distribution. You may, and OpenWorks encourages you to, solicit new business within your Territory, but may not solicit business from existing OpenWorks customers or prospects where an active OpenWorks or other OpenWorks franchisee bid (within the previous six (6) months) exists. OpenWorks will not bid against you itself. You may only solicit business within your Territory and only from prospects with their principal place of business located within your Territory. Unless approved in writing by OpenWorks, you may not service prospects located outside of your Territory, even if you did not solicit the business. OpenWorks reserves the right to compete with you for accounts under other tradenames or trademarks and offer services that are similar or complimentary to those provided by your franchise.

##### **4.2 Term and Renewal.**

**4.2.1 Initial Term.** The initial term of the franchise will begin on the Effective Date and will continue for a period of ten years unless terminated earlier pursuant to Article 10. If you continue to operate after the expiration of the term of this Agreement, OpenWorks may, at its option, consider the Agreement to be renewed on a month-to-month basis until the all the conditions set forth in 4.2.2 below are met or until the Agreement is terminated. Any continuance of business relations between OpenWorks and Franchisee after the termination or expiration of this Agreement will not constitute, and may not be construed as, a reinstatement, renewal, or extension of the Agreement (except for the limited circumstance stated above) unless Franchisee and OpenWorks agree in writing to such reinstatement, renewal, or extension.

**4.2.2 Renewal.** You will have the right to renew the franchise for your Janitorial Service for two additional ten year terms on the same terms and conditions as those on which OpenWorks is customarily granting new franchises at the time of renewal, if at the time of each renewal the following conditions are fulfilled:

- (a) You and your Affiliates are in Good Standing under this Agreement, any other agreement between OpenWorks or its Affiliates and you, and the Manual;
- (b) You have notified OpenWorks in writing at least 180 days before the expiration date of the then current agreement of your desire to renew;
- (c) You and any Affiliates that have signed this Agreement have signed a copy of the new franchise agreement not less than 30 days prior to the expiration of the then current agreement or 150 days after you receive a copy of the new Franchise Agreement from OpenWorks, whichever is later;

- (d) You have paid a renewal fee of \$2,500 when you signed the new franchise agreement; and
- (e) You and any Affiliates that are parties to this Agreement have signed a general release of claims in a form satisfactory to OpenWorks with respect to past dealings with OpenWorks and its Affiliates.

You understand that the terms of the standard franchise agreement in use by OpenWorks at the times of renewal may contain materially different terms than those contained in this Agreement, including, but not limited to (i) increased royalties and Advertising Fund contributions, (ii) different performance standards and (iii) execution of a general release in a form satisfactory to OpenWorks of any and all claims against OpenWorks or its Affiliates.

**5. SERVICES TO YOU.** OpenWorks agrees to perform the following services for you, at locations selected by OpenWorks, provided that you are, at the time when service is to be rendered, in Good Standing under this Agreement, any other agreement with OpenWorks or its Affiliates, and the Manual:

### **5.1 Training.**

**5.1.1 Initial Training.** Before the opening of your Janitorial Service business, OpenWorks will conduct an initial training program in the operation of the Janitorial Service under OpenWorks' System for you and any of your employees who wish to attend at the same time, at no charge to you. The initial training program operates to advance and protect the reputation of the OpenWorks name and the Proprietary Marks and ensure that the franchisee meets the customer requirements and OpenWorks' brand standards. Any of your principals who will be involved in the management of your Janitorial Service business, and in all cases at least one of your principals, and your Designated Manager must attend and successfully complete the initial training program to the satisfaction of OpenWorks, as evidenced by a Certificate of Completion of Initial Training awarded by OpenWorks, before you may start operating your Franchise. The initial training program is offered once a month and may be provided in person or virtually, and may have self-study portions. You must complete the program within 45 days of signing your Franchise Agreement. Any Designated Manager of your Janitorial Service business must also attend and successfully complete the initial training program to the satisfaction of OpenWorks. You (and any Designated Manager) will be evaluated on your ability to speak and write English fluently, your aptitude for the operation of your Janitorial Service business, whether you are a good fit within the System, and whether your operation might adversely affect the goodwill or reputation of the System. OpenWorks will charge you a fee for any initial training provided to anyone after the first initial training program. This fee will be collected as stated in the Manual, typically, upon registration for training. Notwithstanding the foregoing, if you purchased an OW P package, OpenWorks may waive the hands-on portion of the initial training requirements in its sole discretion.

**5.1.2 Continuing Education.** OpenWorks may offer continuing education programs on matters related to the operation or promotion of the Janitorial Service on an optional or mandatory basis, as it considers necessary for maintaining OpenWorks' brand standards. OpenWorks may charge you up to \$150 per class for these programs or the platform through which they are accessed. OpenWorks reserves the right to adjust this fee at any time in OpenWorks' discretion.

### **5.2 Offering Accounts.**

**5.2.1 Initial Accounts.** After all required individuals have successfully completed the initial training and signed OpenWorks' Certificate of Completion of Initial Training, and you have picked up your equipment, delivered to OpenWorks a copy of your business license, any additional entity/organizational documents OpenWorks requests, and any required registrations, and paid the initial

franchise fee, the fulfillment period for the Franchise Package you purchased will begin. OpenWorks will offer you the initial Account Volume promised in Section 6.1 of this Agreement within the applicable fulfillment period. OpenWorks will contact you by the method it chooses (e.g., by telephone or e-mail) to invite you to a walk-through of an account, request documentation of a business plan for the account, or thereafter offer you the account, and give you a certain amount of time to respond. If you do not respond during that time period for any of the aforementioned stages, you will be deemed to have refused the Account. OpenWorks reserves the right to update its account offer processes upon notice to Franchisee by updating the Manual. OpenWorks' fulfillment periods are as follows for each Franchise Package:

| Package | Initial Monthly Account Volume | Fulfillment Period (Days) |
|---------|--------------------------------|---------------------------|
| OW P    | 0                              | N/A                       |
| OW 7    | 7,000                          | 240                       |
| OW 10   | 10,000                         | 330                       |
| OW 25   | 25,000                         | 780                       |

If you and OpenWorks agree to an initial monthly account volume greater than \$25,000, the additional account volume will be offered in increments of \$5,000 and increments of 150 days for the fulfillment period.

In order to accept an account, you must execute an Account Acceptance Agreement provided by OpenWorks. You shall not begin service at an account unless and until you have received from an authorized OpenWorks representative a) the Account Acceptance Agreement and b) the Scope of Work for the account.

If OpenWorks does not offer Accounts totaling the promised initial Account Volume within the required fulfillment period, you will be entitled upon written request to a refund of a portion of your initial franchise fee, as described in Section 6.1 of this Agreement. Such a partial refund will fulfill OpenWorks' obligation to offer the remaining portion of the initial Account Volume. Such a partial refund may, without limitation, be in the form of a loan reduction or balance reduction. If you do not make a written request for a refund within 30 days after the end of the fulfillment period, you will be deemed to have waived your right to a refund, but OpenWorks will remain obligated to offer you the remaining portion of the initial Account Volume for the franchise package you selected.

If, during the fulfillment period, you commit any default that would justify termination of an Account or of this Agreement (including but not limited to the performance and noncompliance issues set forth in the Account Satisfaction provisions at Section 7.2.5) OpenWorks may, at its option, suspend the fulfillment period until the default is cured instead of terminating your service to an Account or terminating this Agreement. If it appears, in OpenWorks' Reasonable Business Judgment, that you cannot or will not cure the default, OpenWorks may require you to repeat the initial training course. OpenWorks' fulfillment obligations to you are suspended until you successfully complete training. If you fail to successfully complete the repeat initial training course during your original fulfillment period, then OpenWorks' fulfillment obligations to you will cease. Once you have cured the default or have successfully completed retraining course within the required time frame, the prior fulfillment period will be cancelled and a new fulfillment period will begin to run.

**5.2.2 Additional Accounts.** You will not have the option to purchase additional franchises. However, you may request Additional Accounts from OpenWorks. "Additional Accounts" are new Accounts, or an increase in the dollar Account Volume of an existing Account you are already servicing (through increased occupancy, additional services, or for any other reason), offered to you by OpenWorks

over and above the Initial Account Volume (“AdVol”), under any of the following scenarios if your franchise and its services to your then-current accounts are in Good Standing:

- (a) You may request that OpenWorks offer you Additional Accounts;
- (b) OpenWorks may offer Additional Accounts to you on its own;
- (c) OpenWorks, in conjunction with a proposed increase in an Account you are servicing, may require you to purchase an increase in the dollar Account Volume of that Account, and OpenWorks will assess a Marketing Fee (as defined in Section 6.8) from you that is based on the increase; or
- (d) OpenWorks, in conjunction with placing an Account with you under a previous obligation (initial Account Volume, Purchase Contract or replacement Account), will require you to purchase the overage if the acceptance of that Account would cause the gross dollar volume under that initial Account Volume, Purchase Contract or replacement Account to exceed the contracted amount.

In each of these cases, you are required to execute an amendment to the Franchise Agreement (a “**Purchase Contract**”), signifying the purchase of the right to service one or more Additional Accounts, and to pay the appropriate Marketing Fee as provided in Section 6.8.1 of this Agreement. In order to accept an Additional Account, you must execute an Account Acceptance Agreement provided by OpenWorks. You shall not begin service at an Additional Account unless and until you have received from an authorized OpenWorks representative and executed, if applicable, a) the Purchase Contract, including the account Acceptance Agreement, and b) the Scope of Work for the account. In the event that you begin servicing the Additional Account before signing the Purchase Contract in violation of the preceding sentence, you are deemed to have accepted the AdVol, regardless of when the Purchase Contract is executed and OpenWorks will impose any applicable Marketing Fee as of the date that you first serviced the account. OpenWorks may have outstanding obligations to offer you Accounts under more than one Purchase Contract at a time. Assignment of a given Account, if of sufficient monthly billing magnitude, may help to fulfill OpenWorks’ obligations to offer you Accounts under more than one Purchase Contract.

You agree that OpenWorks is under no obligation to provide you with Additional Accounts and may do so solely at its own discretion.

**5.2.3 Refusal of Initial Account Volume.** You may refuse up to three separate new Accounts from the initial Account Volume offered (whether offered telephonically or otherwise and whether or not accompanied by an actual assignment) by OpenWorks for any reason whatsoever during the term of this Agreement. However, each refusal of an offered Account (whether offered telephonically or otherwise and whether or not accompanied by an actual assignment) from the initial Account Volume will extend the fulfillment period by an additional 30 days. Your refusal of any Account (whether orally, in writing, or by failure to respond to or attend a walk-offer or failure to respond to an Account offer) will not relieve you of any payment obligations to OpenWorks, including without limitation your obligations under promissory notes for installments of your initial franchise fee or any Marketing Fee.

**5.2.4 Replacement of Accounts.** If any of OpenWorks’ initial Accounts terminate their Maintenance Agreements within one year after you begin servicing the Account, OpenWorks will, in its sole and absolute discretion, either i) offer you replacement Accounts within 150 days, subject to the conditions set out in this Section or ii) issue a partial refund of the initial Franchise Fee, pro-rated for account volume terminated and days remaining in the one-year period.. If any of your Additional Accounts terminate their Maintenance Agreements within six months after their Maintenance Agreements commence, OpenWorks will, in its sole and absolute discretion, either i) offer you replacement Accounts

within 150 days, subject to the conditions set out in this Section or ii) issue a partial refund of the initial franchisee fee, pro-rated for account volume and days remaining in the first year of that particular account. The foregoing guarantees do not apply to Accounts that are terminated as a result of any wrongful act, omission, negligence or nonprofessional interaction with the Account by you or your agents or Affiliates, including but not limited to, theft or breakage of property, failure to reset security alarm systems, duplication of Account keys, being argumentative with the Account and violations of Section 7.2.5 of this Agreement pertaining to an Account's satisfaction with your Janitorial Service. OpenWorks is not obligated to replace any Account lost by you because of the Account's dissatisfaction for any of the reasons stated above, or the Account's request that service be provided by another franchisee. OpenWorks may act in its sole discretion in determining if the Account has been terminated due to your or your agents' or Affiliates' wrongful act, omission, negligence or nonprofessional interaction with an Account or the Account's dissatisfaction. OpenWorks is not obligated to replace replacement Accounts.

Replacement Account(s) will be the same or a greater monthly billing magnitude as the Account(s) they replace. If the monthly billing volume of the replacement Account(s) is greater than the terminated Account(s), OpenWorks may assess a Marketing Fee from you that is based on the overage.

**5.2.5 Account Assignment Agreement.** Each assignment to you of a new Account or an increase in an existing Account, beginning with the assignments of Accounts to fulfill your Initial Account Volume, will be made pursuant to a separate Agreement for Account Assignment or Increase (an "**Account Assignment Agreement**"), which will have its own date, Account information, and if applicable, Marketing Fee. You acknowledge and agree that you will not begin servicing an account until you have executed the applicable Account Assignment Agreement. By accepting the new Account or increase in an existing Account and performing services, you agree to all of the applicable terms set forth in this Agreement and in each Account Assignment Agreement as of the date of acceptance, which are hereby incorporated herein by reference, including without limitation, the following:

- (a) You acknowledge receiving a copy of the Maintenance Agreement and Account scheduling requirements for the assigned Account if requested by you.
- (b) You agree to service the Account and comply strictly with the terms of the Maintenance Agreement and Account scheduling requirements for the assigned Account, all according to the Manual and the standards, procedures and policies established by OpenWorks from time to time.
- (c) You certify that you have sufficient resources to service the assigned Account, including working capital to purchase all needed supplies and equipment, and to meet all expected payrolls for the first 45 days.
- (d) If any portion of the assigned Account is an Additional Account (additional business in excess of the Initial Account Volume or replacement Account volume OpenWorks is required to provide you), then you agree to pay OpenWorks the Marketing Fee stated in the Account Assignment Agreement.
- (e) You acknowledge that OpenWorks has made no representations to you about how long the Account will use your services except as expressly stated in the Maintenance Agreement. You understand that there is no assurance that the Account will renew or extend the Maintenance Agreement. OpenWorks retains all rights as the contracting party with the Account.
- (f) If you discontinue services for the assigned Account at any time for any reason, you agree to immediately turn over to OpenWorks the Account's keys, security codes and cards in

your possession or the possession of your employees. If you do not do so, you agree to pay OpenWorks all charges assessed by the Account plus \$500 a day until the Account's keys, codes and cards are delivered to OpenWorks.

**5.2.6 Accounts Obtained by You.** Once all required individuals have completed training and you have obtained your required business license, you are encouraged to solicit and procure janitorial customer Accounts on your own behalf. You must conduct all marketing activities in strict conformity with the guidelines, policies and procedures set forth in the Manual. OpenWorks must sign a Maintenance Agreement with these Accounts and will provide the same administrative services to support these Accounts as it does to support Accounts it procures for you. You will pay all the same types of fees in regard to these Accounts as you do in regard to Accounts procured by OpenWorks for you except that you will not be required to pay a Marketing Fee to OpenWorks for Accounts you obtain solely as the result of your own efforts. OpenWorks will impose the fees as of the date you begin servicing the Account unless we agree in writing that certain service calls or services are specifically excluded. Upon the Termination of this Agreement, Accounts you have procured must be assigned to OpenWorks if these Accounts do not already have a signed Maintenance Agreement with OpenWorks. In furtherance of this requirement, upon Transfer or Termination, you will immediately provide OpenWorks with a list of all Accounts and customers and facilities you are servicing or had serviced at any date during the 12 months preceding the date of such Transfer or Termination.

**5.3 Equipment and Supplier List.** You must purchase your equipment and supplies only from OpenWorks' designated and approved suppliers. OpenWorks will provide you with a recommended equipment list and a list of designated and approved suppliers. You may purchase your own equipment at any time or, for all packages except the OW P package, for your convenience, once you have completed training and have your business license, OpenWorks will provide you with an equipment and supply kit. If you purchased an OW P package, OpenWorks will not provide you with an initial equipment and supply kit. The current equipment kit being provided by OpenWorks is described in [Attachment 1](#). OpenWorks may substitute different brand names or make changes in specifications, but any substituted or changed item will be of equal or greater value and/or quality.

#### **5.4 Billing, Collection and Payment.**

**5.4.1 Billing and Collection Service.** OpenWorks will provide billing and collection service for you. You must use this service and may not bill Accounts yourself or make collection efforts unless authorized in writing by OpenWorks. Within 45 days after the end of each month, OpenWorks will send to you via electronic payment your Gross Revenue for that month, after deduction of any sums currently due and payable by you to OpenWorks under this Agreement. OpenWorks may adjust the deadlines for reporting by you and payment by OpenWorks if, in its sole discretion, such adjustments are made necessary by general changes in the payment practices of Accounts in the area. You will be notified in writing of any such adjustments. Under no circumstances shall Franchisee be permitted to assign payments to any other entity, including without limitation any factoring company.

**5.4.2 Limited Cash Flow Protection Service.** For the first 90 days of each Account you accept that is part of your initial Account Volume, at the time of sending your monthly Gross Revenue to you, OpenWorks will advance you a sum equal to any delinquent payments that should have been, but were not, received by OpenWorks from any Accounts you serviced during the month for which payment is made if the following four requirements are met:

- (a) The Account was not delinquent in the immediately preceding month;
- (b) You are not in Default of the Franchise Agreement;

- (c) Prior to OpenWorks advancing such sum, the customer has not terminated its Maintenance Agreement with OpenWorks or requested a new service provider at a location you serviced;
- (d) The customer has not requested that you stop servicing their Account;
- (e) The Account was originally provided by OpenWorks;
- (f) You submitted to OpenWorks the monthly statement of all services rendered by you, including services rendered to the delinquent Account, in a timely manner and in the form prescribed by OpenWorks; and
- (g) As otherwise required by OpenWorks in the Manual.

Any such sums advanced to you by OpenWorks must be paid to OpenWorks within 90 days after the date upon which payment was due from the Account whose payment was delinquent. Thereafter, you must repay OpenWorks or it may deduct amounts owed to it by you for such advances from any and all money collected by OpenWorks on your behalf. You must pay OpenWorks interest at the rate of 12% per year on any advances for which OpenWorks has not been reimbursed within 90 days after the date upon which payment was due from the Account.

**5.4.3 Cost of Collection.** OpenWorks is entitled to recover from you any costs it incurs, including but not limited to attorneys' and accountants' costs and fees, filing fees, delivery and photocopying charges, and costs of discovery, in collecting monies owed you by Accounts for your services. OpenWorks may apply to this obligation to any monies paid to OpenWorks by you or for your Account.

**5.5 Consultation.** Upon your request, OpenWorks will use commercially reasonable efforts to make its personnel available to you for consultation regarding operation of the Janitorial Service.

**5.6 Manual.** OpenWorks will lend you a Manual containing information on operational methods, safety, rules and policies, marketing, names of approved suppliers, and other information that OpenWorks believes will be necessary or helpful to you in your operation of the Janitorial Service. Operating your Janitorial Service in accordance with the Manual protects the reputation of the OpenWorks' name and the proprietary Marks, and ensures that the franchisee meets the customer's requirements and OpenWorks' brand standard. OpenWorks may revise the Manual periodically to conform to the changing needs of the Franchise Network and will distribute updates to you verbally, on the Internet, by email or in the form of memoranda containing these revisions. You are required to operate your Janitorial Service in accordance with the Manual and any of its revisions. In the event of any dispute regarding the Manual, the terms of the master copy maintained by OpenWorks shall be controlling.

## **5.7 Advertising.**

**5.7.1 Advertising Fund.** OpenWorks has established an advertising fund (an "Advertising Fund") to pool advertising monies of OpenWorks and each of its franchisees so as to achieve greater benefits for all in promoting the OpenWorks brand and its Trade Names and Marks. OpenWorks may, at its option, establish additional Advertising Funds. You must pay to OpenWorks as a contribution to the Advertising Fund up to 3% of your Gross Revenue, payable at the same times and in the same manner as royalties. OpenWorks currently contributes to the Advertising Fund in excess of franchisee contributions; however, OpenWorks reserves the right to decrease its contribution amounts in the future. OpenWorks shall administratively segregate all contributions to the Advertising Fund on its books and records. However, any

payments to the Advertising Fund may, at OpenWorks' discretion, be deposited in OpenWorks' general operating account; may be commingled with OpenWorks' general operating funds; and may be deemed an asset of OpenWorks, subject, however, to OpenWorks' obligation to expend the monies in the Advertising Fund in accordance with the terms hereof. OpenWorks may, in its sole discretion, elect to accumulate monies in the Advertising Fund for such periods of time as it deems necessary or appropriate, with no obligation to expend all monies received in any fiscal year during such fiscal year. From time to time, OpenWorks' expenditures for advertising in any fiscal year may exceed the total amount contributed to the Advertising Fund during such fiscal year. In such event, OpenWorks shall have the right to be reimbursed to the extent of such excess contributions from any amounts subsequently contributed to the Advertising Fund or to use such excess as a credit against its future contributions. The parties do not intend that the Advertising Fund be deemed a trust.

**5.7.2 Use of Funds.** The Advertising Fund may be used to pay for market research, development, branding, quality assurance, advertising materials, marketing technology expenses, promotion or public relations programs, media placement for a national or regional advertising program, a referral program, or any combination of them, as OpenWorks, in its sole discretion, may deem necessary or appropriate to advertise or promote OpenWorks and to assure and enhance the name, goodwill, reputation and quality of the System and OpenWorks' brand, Trade Names and Marks. OpenWorks shall direct all such programs and activities, with sole discretion over the methods, types of support (including without limitation, training, account quality visits and written materials), creative concepts, materials, endorsements and media used, and the timing, placement and allocation thereof. You agree that the Advertising Fund may be used to meet any and all costs of maintaining, administering, developing, creating, directing and preparing national, regional or local research, development, quality assurance, advertising and promotion materials, branding programs, advertising programs and activities, including without limitation, the costs of creating, preparing and conducting test marketing, surveys, direct mail/distribution, couponing, television, radio, magazine, bill board, newspaper and other media programs and activities, training and inspection programs, updated Manuals and the costs of hiring others to assist OpenWorks. OpenWorks may initiate Advertising Fund projects that are national or regional in scope and may also make allocations of Advertising Fund monies to local groups of franchisees or individual franchisees when OpenWorks considers it desirable. Because the benefits of advertising and promotion are difficult to measure with precision, OpenWorks reserves the unqualified right to determine, in its sole discretion, how Advertising Fund monies will be spent; provided that the monies must be used in a manner that is described above. You understand and acknowledge that the Advertising Fund is intended to maximize general public recognition and acceptance of the Trade Names and Marks for the benefit of the System as a whole and that OpenWorks undertakes no obligation in administering the Advertising Fund to ensure that any particular franchisee benefits directly or pro rata from the Advertising Fund. OpenWorks reserves the right to terminate the Advertising Fund, but in such event will spend or use all remaining Advertising Fund assets for advertising in accordance with this Section.

**5.7.3 Reports.** OpenWorks will prepare an annual summary of the percentages spent on production, media placement, administrative expenses and other categories as appropriate from the Advertising Fund in the prior year. This summary will be made available to you at OpenWorks' regional office within 10 business days from OpenWorks' receipt of your written request.

**5.8 Suggested Suppliers.** OpenWorks will give you, in the Manual or otherwise in writing, a list of names and addresses of suppliers of goods and services (including technology) that currently meet its standards and specifications. In advising you of suppliers that meet its standards and specifications, OpenWorks expressly disclaims any warranties or representations as to the condition of the goods or services sold by such suppliers, including, but not limited to, expressed or implied warranties as to merchantability or fitness for any intended purpose. You agree to look solely to the manufacturer of goods or the supplier of services for the remedy for any defect in the goods or services. You may request that

OpenWorks approve additional or alternate suppliers by providing OpenWorks with the required information for each proposed supplier in accordance with the Manual. OpenWorks will evaluate the proposed supplier and give you a written response to your request within sixty (60) days of the date OpenWorks receives the last piece of information from you. You must also reimburse OpenWorks for all costs incurred by OpenWorks in investigating and inspecting the proposed supplier and in testing the proposed supplier's product. OpenWorks has the right to deduct these fees from monies that are due to you from OpenWorks.

**6. PAYMENTS BY YOU.**

**6.1 Initial Fee.** You are required to pay OpenWorks in cashier's check or certified check payable to "O.P.E.N. America, Inc." or other form of payment acceptable to OpenWorks, an initial fee determined in accordance with Attachment 2 of this Agreement.

Higher franchise levels with increased account volume more than OW 25 may be available in your area. If so, then the additional account volume would be offered in additional \$5,000 increments from the levels at OW 25 stated in Attachment 2. The franchise fee would be calculated as the OW 25 franchise fee of \$72,000 plus a multiplier of 3 times the increased volume amount. For example, for a \$5,000 increase from a \$25,000 account volume to a \$30,000 account volume, the initial fee would be calculated as \$72,000 + (\$5,000 \* 3) or \$87,000. The amount financed under the standard program would remain at \$10,000 total and the down payment would be calculated as the franchise fee less the \$10,000 financed. The veteran's program would have the same down payment for each franchise level as the standard program, but a 10% discount would be deducted from the amount financed.

You have selected the Franchise Package as stated in Article 1 of this Agreement.

The fee schedule in Attachment 2 of this Agreement does not include sales tax, which, if applicable, must be paid by you.

Other than for the OW P package, if the franchise fee is paid in full before beginning operation, a 10% discount off the franchise fee will be applied. The exact amounts for the franchise packages are stated in Attachment 2.

If you wish to finance a portion of the franchise fee, OpenWorks will offer financing at 12% per year or at the highest rate permitted by applicable law, whichever is less, over a two-year period. The loan will be memorialized by a promissory note in substantially the form of Exhibit D to the Franchise Disclosure Document.

The initial franchise fee is non-refundable, unless OpenWorks has been unable to offer a sufficient dollar volume of Accounts to you for the package purchased by you within the fulfillment period specified in Section 5.2.1 of this Agreement. If the dollar volume of Accounts offered to you within the fulfillment period falls short of the amount specified in Section 5.2.1 of this Agreement, then your sole remedy is to receive a partial refund from OpenWorks, calculated as follows: The partial refund will be an amount equal to the difference between the initial Account Volume of the package and the Account volume of the Account(s) actually offered, multiplied by the package multiplier applicable to the package that was purchased. The package multipliers are as follows:

| <u>PKG.</u> | <u>MULTIPLIER</u> |
|-------------|-------------------|
| OW P        | N/A               |
| OW 7        | 2.71              |
| OW 10       | 2.56              |

At any time after the fulfillment period, OpenWorks, in its sole discretion, may elect to provide you with a partial refund in accordance with the above calculation in full satisfaction of all of its obligations to provide you with Accounts.

OpenWorks has the right to offset any amounts owed to it by you or your Affiliate against the amount of the refund. Therefore, a partial refund may, without limitation, be in the form of a loan reduction or balance reduction.

The following is an example of recalculations of the initial franchise fee:

*You purchase Package OW 7 for \$24,850, with \$14,850 down and \$10,000 financed. This Package should generate \$7,000 in Account Volume per month. However, OpenWorks offers to you Accounts that generate only \$6,000 in Account Volume per month within the fulfillment period. To calculate your refund, the first step is to subtract the actual Account Volume from the Initial Account Volume for the package purchased, as follows:  $\$7,000 - \$6,000 = \$1,000$ . The difference is then multiplied by the multiplier for Package OW 7:  $\$1,000 \times 2.71 = \$2,710$ . However, since you have an outstanding note balance of \$10,000 payable to OpenWorks (assuming no payments were made), the \$2,710 refund will apply to that balance. Therefore, in this case the promissory note is reduced from \$10,000 to \$7,290 ( $\$10,000 - \$2,710 = \$7,290$ ) and no actual cash refunds are given.*

The reason why the net cost to you of the Accounts provided to you in the example, above, is less than it would have been if you had purchased the smaller package in the first place is that the cost per dollar of Initial Account Volume decreases as the size of the package increases. If OpenWorks fails to offer you the requisite Initial Account Volume for the package purchased, your initial franchise fee is still calculated at the same lower cost per dollar of Initial Account Volume as the package that you purchased.

**6.2 Royalties.** You will owe OpenWorks a royalty fee equal to 15% of the monthly Gross Revenue of the Janitorial Service, calculated on the basis of your Gross Revenue for the immediately preceding month (the “**Royalty Fee**”). Beginning on the first full month in which OpenWorks fulfills the applicable Account Volume for the package you purchased, Franchisee agrees the Royalty Fee will be the greater of (i) 15% of the monthly Gross Revenue, or (ii) \$300.00 (the “**Minimum Royalty**”). The amount you owe will be deducted from the amounts OpenWorks collects as part of OpenWorks' billing and collection services described in Section 5.4.

**6.3 Special Project Fees.** You agree to pay OpenWorks a “**Special Project Fee**” of a specified percentage of the total contract price for the job, before deduction of royalty fees, of each one-time, non-recurring Account service job, such as a carpet cleaning, performed by you for which OpenWorks obtained and/or priced the job (regardless of who originally obtained the Account). If you obtained the job, but OpenWorks priced it, the Special Project Fee is 15% of the total contract price for the job; if OpenWorks obtained the job, but you priced it, the Special Project Fee is 15% of the total contract price for the job; if OpenWorks obtained and priced the job, the Special Project Fee is 30% of the total contract price for the job. If you obtained and priced the job, the Special Project Fee is zero. OpenWorks will deduct the Special Project Fee for assistance rendered during the preceding month from its monthly remittance of Gross Revenue to you.

**6.4 Advertising Fund Contributions.** You must pay a monthly contribution to the Advertising Fund of up to 3% of the monthly Gross Revenue of the Janitorial Service calculated on the basis of your Gross Revenue for the immediately preceding month, which will be expended in accordance

with Section 5.7. OpenWorks will deduct the Advertising Fund contribution from its monthly remittance of Gross Revenue to you. OpenWorks shall have the sole right to enforce your obligations and those of all other franchisees of the System who are obligated to contribute to the Advertising Fund, and neither you nor any other franchisee of the System who shall be obligated to contribute to the Advertising Fund shall be deemed a third-party beneficiary with respect to said Advertising Fund or have any right to enforce any obligation to contribute thereto.

**6.5 Payment of Royalties and Advertising Fund Contributions.** Your obligations to pay ongoing monthly royalties, monthly Advertising Fund contributions, and monthly Technology and Innovation Fee begin on the Effective Date of this Agreement, as defined above. Your obligation to pay your fees to OpenWorks is not excused by your failure or delay in returning any agreement or paperwork to OpenWorks.

**6.6 Inspection of Records.** Upon reasonable notice to OpenWorks, you will have the right during normal working hours to inspect the books and records of OpenWorks pertaining to billings and collections for the Accounts assigned to you.

**6.7 OpenWorks' Right to Audit Your Records.** You agree to keep and maintain for a period of three years (even if this Agreement is terminated) true, original, and accurate records of your business, including, without limitation, accounts, books, licenses, data, contracts and product supplier invoices, and not to engage in activities in violation of your Franchise Agreement, in particular direct billing of Accounts or provision of services to Accounts, without reporting them to OpenWorks. Furthermore, you agree to keep your books and records open to examination, copying and audit by OpenWorks. Upon OpenWorks' request, you shall prepare and produce all of your business/personal records, bank statements, financial statements, tax returns, financial statistics and any other relevant document or data for OpenWorks to verify that all fees due to it are paid by you. Any such information provided to OpenWorks pursuant to this Section shall belong to OpenWorks and may be used and published by OpenWorks in connection with the System. Upon OpenWorks' request, you shall furnish OpenWorks with a copy of each of your reports and reimbursement of sales, use and gross receipt taxes and complete copies of any federal or state income tax returns covering the operation of the Janitorial Service, all of which you shall certify as true and correct.

If an examination or audit by OpenWorks discloses that you have directly billed Accounts or provided services to Accounts without reporting them to OpenWorks, or that you have underreported your Gross Revenues to OpenWorks in any other manner, the total amount of all fees and charges due hereunder as a percentage of such Gross Revenues shall be immediately due and payable to OpenWorks, together with interest on late payments as provided in Section 6.11 of this Agreement. In addition, you must pay OpenWorks all reasonable costs, expenses and overhead incurred by OpenWorks in connection with its examination and/or audit.

## **6.8 Marketing Fee.**

**6.8.1 Amount and Payment.** You must pay OpenWorks a Marketing Fee for OpenWorks' services in locating Additional Accounts for you. Currently, the Marketing Fee is three times one month's gross billing of the Additional Account. OpenWorks reserves the right to increase the Marketing Fee at any time, in its sole discretion, by providing 30 days advanced written notice to you or by amending the Manual.

**The Marketing Fee applicable to any Purchase Contract may be altered at any time before signing of the Purchase Contract, depending on changes in market conditions or industry standards or on the type of Account to be offered.**

If you pay the Marketing Fee in full immediately, you will receive a 10% discount. The Marketing Fee may be partially or entirely financed in OpenWorks' sole discretion, considering the size of the transaction, other debt service payable by you to OpenWorks and others, your credit history, and your anticipated cash flow. Any portion of the Marketing Fee that is financed will be memorialized by a promissory note substantially similar to Exhibit D of the Franchise Disclosure Document. The current terms of financing are one payment equivalent to a down payment if you do not make the down payment at the time you contract for the Additional Accounts, and 0-24 equal monthly payments of the principal balance due plus annual interest of 12%. OpenWorks will deduct the Marketing Fee from its monthly remittance of Gross Revenue to you. The minimum down payment (or first note payment) and the number of monthly payments are summarized below:

| Marketing Fee (as a multiple of the full monthly billing) | Minimum Down Payment or First Note Payment (as a percentage of the full monthly billing) | Financing Terms                       |               | Discount (if paid in full at the time of acceptance) |
|---|--|---------------------------------------|---------------|--|
|   |  | Number of Additional Monthly Payments | Interest Rate |  |
| 3   | 20%  | 0-24                                  | 12%           | 10%  |

**6.8.2 No Refunds.** The Marketing Fee is not refundable, and OpenWorks has no obligation to offer you replacement Accounts, if an assigned Account is transferred at the request of the Account, or the Account cancels the assigned Account, in either case because of your wrongful act, omission, negligence or nonprofessional interaction with an Account, for the Account satisfaction reasons stated in Section 7.2.5, for any reason that you or your employees, agents or Affiliates could have controlled, including but not limited to, theft or breakage of property, failure to reset security alarm systems, duplication of Account keys, being argumentative with the Account, or for any violation of the Maintenance Agreement or Account's service schedule, this Agreement or the Manual.

**6.9 Technology and Innovation Fee. Technology and Innovation Fee.** You must pay a technology and innovation fee of up to 2% of the monthly Gross Revenue of the Janitorial Service for the development, set-up, use and maintenance costs for electronic and technologically-related services and support systems for guests, franchisees and the franchise system ("Technology Fee") as will be further described in the Manual. Vendors may also charge additional amounts for the services they provide. The Technology Fee percentage is currently .5% of monthly Gross Revenue and will be collected in the same time and manner as Royalty Fees. OpenWorks reserves the right to increase the fee (but not to more than to 2% of monthly Gross Revenue) upon thirty (30) days' notice to you. The Technology Fee being collected will be stated in the Manual. The Technology Fee may be used for any and all electronic and technological costs such as development, set up and ongoing costs, technology service costs, software development and operations, loyalty program and survey costs, customer facing online system development, polling, data collection, support and operations, customer and franchisee engagement platforms, customer applications, online training modules, operational videos, social media monitoring, information systems (including intranet and outside network systems, web-based systems, wireless, video and digital cameras systems, cleaning method and evaluation systems, back-of-house systems, digital media systems and network systems and the related hardware, middleware and software), and other telecommunication and electronic systems that are planned, in place or may be developed. For any electronic or technologically-related system, OpenWorks may have the right to independently access the system in various manners and to collect and use the data in any manner, including to promote the System and to sell franchises. In order to adapt the changes in technological needs, OpenWorks reserves the right to establish new programs and standards

to implement new technology, which may require a change in the Technology Fee. You should expect to update your electronic and technological systems on a regular basis. OpenWorks may require all or a portion of the Technology Fee to be paid to one or more designated third party administrators. OpenWorks may allocate and divide the Technology Fee into two or more sub-fees with different amounts for different categories of electronic or technologically related service or system. OpenWorks may modify the programs and systems at any time and the Technology Fee percentage may be periodically adjusted (but not to more than 2% of your monthly Gross Revenue) upon at least thirty (30) days' notice to you.

**6.10 Account Transfer Fee and Franchise Transfer Fee.** As a condition of Transfer of an Account or this franchise, you must pay to OpenWorks an Account Transfer fee of \$50 per Account for the Transfer of one or more (but less than substantially all) of the Accounts you service, and a Franchise Transfer Fee of \$2,500 for all other Transfers, unless special circumstances as stated in Section 9.

**6.11 Interest on Late Payments.** Any payment not received by OpenWorks when due will bear interest at 21% per year or at the highest rate allowed by applicable law from the date when payment is due, whichever is less. Interest charges on late payments are intended to partially compensate OpenWorks for loss of use of the funds and for internal administrative costs resulting from late payments, which would otherwise be difficult to measure with precision. The fact that such charges are imposed should not be construed as a waiver of the right to timely payment.

**6.12 Account Charges.** If you fail to turn over to OpenWorks all Account keys, security codes and cards immediately when you discontinue services to an Account, you must pay OpenWorks all charges assessed by any Account plus \$500 per day until the Account's keys, codes and cards are delivered to OpenWorks.

**6.13 Cancellation Charges.** You must pay OpenWorks a cancellation charge of \$50 if you fail to keep any appointment with OpenWorks or an Account (including but not limited to an appointment for a quality control inspection) unless you give at least 24 hours advance notice that you are canceling the appointment. You must pay OpenWorks a cancellation charge of \$50 for any missed date of service on an Account. You must pay OpenWorks a cancellation charge of \$50 if you, any of your owners, your Designated Manager or any of your employees fails to attend any training class for which you, he or she is scheduled.

**6.14 Intentionally Omitted.**

**6.15 Background Check Fee.** Prior to the signing of this Agreement, and at any time during the Term when you finance any Marketing Fee, OpenWorks will evaluate your credit history and charge you its background check fee.

**6.16 Document Preparation Fee.** If you request the preparation of customized documents for marketing or other purposes, you will be assessed a \$250 preparation fee due upon request for preparation.

**6.17 Manual Check Fee.** We will only make payments to you by ACH direct deposit into a designated account.

**6.18 Equipment and Supplies.** You must purchase your equipment and supplies only from OpenWorks' designated and approved suppliers. You may purchase your own equipment at any time or, for all packages except the OW P package, for your convenience, once you have completed training and have your business license, OpenWorks will provide you with an initial equipment and supply kit in accordance with Section 5.3. If you purchased an OW P package, OpenWorks will not provide you with an initial equipment and supply kit. If you purchase equipment or supplies through OpenWorks, OpenWorks will deduct amounts owed to OpenWorks from funds OpenWorks is obligated to pay to you. OpenWorks

reserves the right to require you to pay OpenWorks directly at the time you order any equipment or supplies from OpenWorks.

**6.19 Trouble Call Fee.** If OpenWorks is required to investigate or resolve a customer complaint on your behalf, you must pay OpenWorks a Trouble Call Fee of \$50 per occurrence plus reimburse OpenWorks for any service OpenWorks provides to your customer at the current hourly rate set forth in the Manual. OpenWorks has the right to deduct the Trouble Call Fee and any reimbursable charges from funds OpenWorks is obligated to pay you.

**6.20 Lost Document Fee.** If you have damaged, lost or otherwise misplaced any document relating to the franchise relationship and request a replacement of such document, OpenWorks will charge you \$25 for a replacement copy of each such document.

**6.21 Intentionally Omitted.**

**6.22 Unauthorized Marketing Fee.** If you fail to obtain OpenWorks' prior approval on any advertising material before use as required in Section 7.1.3 or you fail to stop using any advertising materials that OpenWorks has withdrawn its approval to use, then OpenWorks will impose a \$200 unapproved marketing fee per violation. Such a fee will continue to be imposed on a monthly or per use basis, in OpenWorks' discretion, if you continue to use unauthorized materials or fail to correct the unapproved advertising after notification.

## **7. YOUR OBLIGATIONS.**

### **7.1 Use of Trade Name and Marks.**

**7.1.1 Context.** You will use the Trade Names and Marks only in the operation of your Janitorial Service. You will not use any other trade names or marks in connection with your Janitorial Service. You cannot use the Trade Name or Marks as part of your legal business name, or with other words, designs or symbols. You may not use the Trade Name or Marks in connection with the sale of unauthorized products or services, or in any manner not authorized by OpenWorks. You will not represent in any manner that you have acquired any ownership rights in the Trade Names or Marks. You acknowledge OpenWorks' ownership in the Trade Names and Marks. Any goodwill associated with the System and identified by the Trade Names and Marks (including all future distinguishing characteristics, improvements and additions to or associated with the System) is OpenWorks' property and shall inure directly and exclusively to the benefit of OpenWorks. Upon the expiration or Termination of this Agreement for any reason, no monetary amount shall be assigned as attributable to any goodwill associated with your use of the Trade Names or Marks.

**7.1.2 Changes in Trade Names and Marks.** OpenWorks has invested substantial time, energy and money in the promotion and protection of its Trade Names and Marks as they exist on the date this Agreement is signed. It has no present intention of altering them. However, OpenWorks and you both recognize that rights in intangible property such as the Trade Names and Marks are often difficult to establish and defend and that changes in the cultural and economic environment within which the System operates may make changes in the Trade Names and Marks desirable or necessary. You understand that OpenWorks therefore reserves the right to change any of its Trade Names and Marks and the specifications for each when it believes that such changes will benefit the Franchise Network. You agree that you will promptly conform, at your own expense, to any such changes.

**7.1.3 Advertising.** You agree to submit to OpenWorks copies of all advertising materials that you propose to use at least two weeks before the first time they are distributed, broadcast or

published. All advertising must conform to the standards set out in the Manual. OpenWorks will review the materials and notify you within ten business days whether it approves or rejects them. Silence or failure to respond will not be deemed consent. OpenWorks will not withhold its approval unreasonably. For purposes of this Section, advertising materials that differ from previously approved materials only in such variables as date, price or names of products will be considered to be previously approved. However, even if OpenWorks has approved specified materials, it may later withdraw its approval if it reasonably believes it necessary to make the advertising conform to changes in the System or to correct unacceptable features, including, but not limited to, any misrepresentation in the advertising material, whether or not intentional. You may not engage in telemarketing in connection with your Janitorial Service.

**7.1.4 Legal Protection.** You agree to notify OpenWorks immediately in writing if you become aware of any unauthorized use of its Trade Names, Marks or System. You will promptly notify OpenWorks in writing of any claim, demand or suit against you or against your principals based upon or arising in connection with your use of the Trade Names, Marks or System. In any action or proceeding arising from or in connection with any such claim, demand or suit, you agree that OpenWorks may, but is not obligated to, select legal counsel and has the right to control the proceedings, including the right to compromise, negotiate and settle, in its discretion, such claims, demands or suits. You may not initiate any communication or respond with any information on any infringement or challenge with any person other than your legal counsel, OpenWorks, our affiliates, or our counsel. If OpenWorks undertakes the defense or prosecution of any litigation or proceedings relating to the Trade Names or Marks, you will execute any and all documents and do such acts and things as may, in the opinion of OpenWorks' legal counsel, be reasonably necessary to carry out such defense or prosecution.

## **7.2 Quality Control.**

**7.2.1 Opening.** You may not begin to operate the Janitorial Service until OpenWorks certifies in writing that you and your Designated Manager have satisfactorily completed initial training.

**7.2.2 Compliance With Manual.** You must operate your Janitorial Service in complete compliance with the standards and specifications set out in the Manual. OpenWorks may make changes in these standards and specifications, when, in its reasonable discretion, change is needed for the continued success and development of the System and the Franchise Network. Such changes may necessitate the purchase of equipment (including a computer system), supplies or other goods, completion of additional training by your employees, or other cost to you. You will promptly conform to the modified standards and specifications at your own expense. You must at all times keep your copy of the Manual current by inserting in it revised pages and other changes given to you by OpenWorks and deleting superseded pages. You must also protect its confidentiality by allowing access only by employees with a need to know its contents and by establishing and enforcing procedures to safeguard the Manual in a secure location when it is not in use. If there is any dispute as to the requirements of the Manual at any point in time, the terms of the master copy of the Manual maintained by OpenWorks will control.

**7.2.3 Your Performance.** You will provide Janitorial Services to your Accounts in a workmanlike and professional manner. Great weight will be given to the Accounts' opinions as to what is workmanlike and professional. You will carefully safeguard and protect the keys to your Accounts' buildings and will never give custody of the keys to any person not directly associated with the Janitorial Service or for any unauthorized purpose. You will diligently follow any instructions or warnings made by any Account as to the security of the Account's premises or as to how, when and where you may perform Janitorial Services. Failure to adhere strictly to these requirements will be considered grounds for immediate termination of your right to serve a particular Account. If violation of this Section occurs repeatedly, OpenWorks may terminate this Agreement.

**7.2.4 Services Offered.** You will offer and sell all the services and only the services that OpenWorks has authorized you to provide. You may purchase products that are to be used in the Janitorial Service from any source, as long as the supplier meets the standards established by OpenWorks and the products meet the specifications set out in the current version of the Manual. If you wish to use any product not previously certified by OpenWorks to meet its specifications or which is sold by a supplier not previously approved by OpenWorks, you will advise OpenWorks of this fact and, upon its request, will give OpenWorks product specifications, sample products, and/or information about the supplier. OpenWorks will communicate either its approval or its reasons for withholding its approval to you within ten business days. Silence may not be construed as consent. As a condition of approving a supplier or product, OpenWorks will require you to reimburse it for any expenses reasonably incurred by OpenWorks in inspecting the supplier's premises, checking the supplier's credentials, or testing the product. As a condition of approving a supplier of any product that bears the Trade Names or Marks, OpenWorks may require that the supplier sign a license agreement. OpenWorks may withdraw its approval of a supplier or product if either or both no longer meet its standards or specifications.

**7.2.5 Account Satisfaction.** OpenWorks may, at its sole discretion, terminate your right to serve and to Transfer a particular Account, and may assign the Account to another franchisee, upon the occurrence of one of the following events:

- (a) You have repeatedly failed to perform Janitorial Services to an Account's satisfaction and/or in accordance with the Maintenance Agreement or Manual and/or OpenWorks' standards;
- (b) You participate in any billing and/or collections activities with regard to an Account without prior written consent of OpenWorks;
- (c) An Account has lodged an oral or written complaint with OpenWorks regarding you, your service or your employees; OpenWorks has notified you of the substance of the complaint, and the Account remains dissatisfied for more than five days from the date of the notice;
- (d) OpenWorks receives an oral or written request from an Account that the Account be serviced by a different franchisee;
- (e) You provide Janitorial Service to an Account in a capacity other than that of an OpenWorks franchisee;
- (f) You abandon or fail to provide service to an Account as scheduled or the Account notifies OpenWorks that it is dissatisfied on any two days within a period of 60 consecutive days;
- (g) You cancel or fail to keep appointments with OpenWorks or an Account for quality control inspections on any two occasions within a period of 60 consecutive days;
- (h) OpenWorks receives an oral or written request from an Account that its Maintenance Agreement be terminated due to your or your employees' conduct or your failure to perform Janitorial Services to its satisfaction;
- (i) If you or your Designated Manager are not Fluent in English;
- (j) You fail to maintain an adequate staff of employees sufficient to provide service to an Account; or
- (k) You no longer wish to service an Account.

You waive any claim or right to payment for services performed for such Account, and agree to Transfer such Account, after OpenWorks terminates your services to the Account under this Section. You agree that you will not be entitled to any payment upon OpenWorks' assignment of the Account to another franchisee, or to any refund or reduction of fees paid or promised to OpenWorks by reason of the termination of your service to any Account under this Section. You agree to successfully assist OpenWorks' managers in the transition or termination of an Account. OpenWorks may also terminate your franchise, including all Accounts, for events in subsections (a) through (i) inclusive of this Section (see [Section 10.2](#)).

**7.2.6 Inspections.** To protect the reputation of the OpenWorks' name and the Marks, OpenWorks may conduct periodic quality control inspections of your Janitorial Service operation during normal business hours to ensure that you meet the Accounts' requirements and OpenWorks' brand standards. You must attend each of these inspections with OpenWorks or pay OpenWorks a cancellation charge of \$50. OpenWorks will give you advance notice of the inspections. If there are repeated cancellations or absenteeism, OpenWorks has the right to terminate your services to an Account and/or terminate your Agreement. OpenWorks may also make quality control inspections without prior notice for which you will not have to attend. Alternatively, OpenWorks may require you to conduct such inspections, and promptly provide OpenWorks with written reports of such inspections in a format that has sufficient detail for OpenWorks to confirm that Account requirements are being met and that OpenWorks' brand standards are being followed. You must promptly correct any deficiencies in your operation, which you discover or which are brought to your attention by OpenWorks. If you do not take immediate, effective steps to bring your operation up to OpenWorks' standards, your failure to do so will constitute a material breach of this Agreement. If a deficiency is discovered at any time, during an inspection or following a complaint, OpenWorks has the right to correct the deficiency and charge you \$50 for doing so.

**7.2.7 Notification of Complaints.** You will notify OpenWorks promptly if you are served with a complaint in any legal proceeding that is in any way related to the Janitorial Service or if you become aware that you are the subject of any complaint to or investigation by a governmental licensing authority or consumer protection agency.

**7.2.8 Employees.** You will maintain a staff of available and trained employees sufficient to operate the Janitorial Service in compliance with OpenWorks' standards. You must control your employment policies, including hiring, scheduling, pay rates, discipline or termination of your employees, except that you must adhere to our System standards in your Janitorial Business.

**7.2.9 Uniforms and Professional Attire.** Your staff of employees must wear a uniform when the employees are on an Account's premises. The uniform must meet the standards set forth in the Manual. You or your Designated Manager must be in professional attire or in business casual attire with an OpenWorks polo shirt with the OpenWorks logo when on the Account's premises during normal business hours. **8.5.1 Ownership.** You acknowledge that OpenWorks is the sole owner of all the Confidential Information; that the Confidential Information is being imparted to you in trust and confidence; and that the Confidential Information is not generally known to the trade or public and is not known to you except by reason of such disclosure. You further acknowledge that you will acquire no interest in the Confidential Information other than the right to utilize it in connection with the performance of your obligations hereunder and the operations of the Janitorial Service. In addition, you acknowledge that the

use, duplication or disclosure of the Confidential Information except as expressly permitted by this Agreement will constitute an unfair method of competition and that OpenWorks will suffer irreparable injury thereby.

**8.5.2 Work Product.** You agree that all documents, papers, notes and other material and work product containing or derived from the Confidential Information or connected with your conduct of the Janitorial Service business shall be Confidential Information. You agree that you will have no proprietary interest in any work product developed or used by you and related to this Agreement. You acknowledge that the Confidential Information is disclosed to you solely on the condition that you agree, and you hereby do agree, that you: (a) will use the Confidential Information in strict accordance with the instructions and directions given by OpenWorks from time to time; (b) will not use the Confidential Information, directly or indirectly, in any other business or capacity; (c) will not, at any time, in any manner or form, directly or indirectly, disclose, duplicate, license, sell, reveal, divulge, publish or communicate the Confidential Information, or any portion thereof, to any person or entity other than your authorized employees or consultants who need to have such information in connection with their jobs; (d) will not copy any materials containing the Confidential Information, including without limitation the System manuals, without OpenWorks' prior written consent; (e) will observe and implement all reasonable procedures imposed from time to time by OpenWorks to prevent the unauthorized use and disclosure of the Confidential Information; (f) will keep all System manuals and other written materials containing any portion of the Confidential Information in a secure manner and place; and (g) if you are legally compelled to disclose any of the Confidential Information, will do so only if you have used your best efforts to afford OpenWorks the opportunity of obtaining appropriate protective orders or other assurances of confidentiality satisfactory to OpenWorks. These restrictions are imposed for the term of this Agreement, and after this Agreement is terminated (or expires), the entire length of time that any Confidential Information is a trade secret and otherwise, the longest of either four years or as long as may be required by applicable law.

**8.5.4 Return of Confidential Material.** Upon the termination, expiration or cessation and non-renewal of this Agreement for any reason, you must immediately (but in any event within five days of such termination, cessation or expiration) return to OpenWorks all copies of any materials containing the Confidential Information (whether in original or duplicate form) and all property and equipment belonging to OpenWorks, in your or your Affiliates' possession, custody or control, including any of such items produced or prepared by you. To the maximum extent permitted by the law, OpenWorks reserves the right to deduct the cost of unreturned or damaged property, equipment or information from amounts otherwise due to you or your Affiliates.

## **8.6 Noncompetition.**

**8.6.1 Covenant.** You recognize that: (a) the commercial janitorial and other facility services business is very competitive; (b) the System is operated in multiple states and is intended to expand into other geographical areas; (c) by virtue of the performance of this Agreement, you will have access to the Confidential Information and will have close contacts with OpenWorks' Accounts for the purpose of maintaining and further developing the business and goodwill of the System; (d) you will have the attendant ability to divert customer trade; and (e) OpenWorks has strong legitimate interests in obtaining the covenant in this Section 8.6 for the protection of the goodwill of the System. You therefore agree that, without the express prior written consent of OpenWorks, which OpenWorks may withhold in its sole and absolute

discretion, you will not, during the Time Period (as defined below), directly or indirectly, whether personally or as an agent, employee, partner, representative, affiliate or in any other capacity on behalf of any person or entity, engage in, render services to, or provide financing to, or have any interest in, in any manner whatsoever, any Competitive Business (as defined below) located or conducting business within the Area (as defined below). In addition, You will not during the term of this Agreement or for a period of 180 days after the termination or expiration of this Agreement, refer or promote to any former or current customer the operation of any other business within the Area (as defined below), nor will You promote the operation of any Competitive Business (as defined below) in the Area (as defined below) during the Time Period (as defined below) or for a period of 180 days after the termination or expiration of the Agreement.

**8.6.2 Time Period.** For the purposes of this Agreement, the term “**Time Period**” shall mean for the period of time that this Agreement is in effect.

**8.6.3 Competitive Business.** For the purposes of this Agreement, the term “**Competitive Business**” shall mean any business providing janitorial services to commercial customers, or any other services that you are or were providing as part of your Janitorial Service business. Competitive Business shall not include Pre-Existing Accounts, provided any such Pre-Existing Accounts are listed on Attachment 2.

**8.6.4 Area.** For the purposes of this Agreement, the term “**Area**” shall mean (a) the geographical area in which you provide or provided services to Accounts, and (b) a radius of 75 miles from the regional office through which you conduct or conducted your Janitorial Service business, and (c) a radius of 75 miles from any other regional office operated by OpenWorks or any of its master franchisees in the state where you conduct or conducted your Janitorial Service business, and (d) a radius of 75 miles from any other regional office operated by OpenWorks or any of its master franchisees in any other state.

**8.7 Non-Solicitation of Customers.** You agree that while this Agreement is in effect, all solicitations you make relating to janitorial and other facility services will be made on behalf of your Janitorial Service business. You agree that after the expiration and non-renewal or the termination of this Agreement for any reason, you will not solicit as a customer for commercial janitorial or other facility services: (a) any Account you serviced as a franchisee of OpenWorks, or (b) any other Account of OpenWorks or any of its master franchisees serviced by others during the period this Agreement was in effect, or (c) any prospective customers to whom OpenWorks or any of its master franchisees had proposals or bids outstanding at the time this Agreement ended.

**8.8 Modification.** The covenants set forth in Sections 8.1 through 8.7 inclusive of this Agreement shall each be construed as independent of any other covenant or provision of any other agreement. OpenWorks may reduce the scope of the obligations under the covenants of Sections 8.1 through 8.7 inclusive of this Agreement unilaterally and without the consent of any other person or entity, effective upon giving notice to you.

**8.9 Lack of Prior Conflict.** You represent and acknowledge that any person who owns any interest in your business nor your Designated Manager is bound by any post-employment covenant with a third-party that would restrict the fulfillment of your obligations or duties under this Agreement. To the extent any such person is bound by any such post-employment covenants, you represent and warrant that you have provided OpenWorks with a copy of the applicable written covenant.

**8.10 Notification.** During the Time Period, you shall notify any new employer or business associate, prior to entering into the employment or business relationship, of the existence of this Agreement and will provide such new employer or business associate with a copy of this Agreement. You further agree and authorize OpenWorks to notify others, including customers of OpenWorks and your future employers or business associates of your obligations under this Agreement.

**8.11 Tolling of Time Periods.** The running of the Time Period or any period of time specified in Section 8.6.1 or Section 8.6.2 of this Agreement will be tolled and suspended for any period of time in which you are found by a court of competent jurisdiction to have been in violation of any restrictive covenant contained therein. You further agree that the existence of any claim you may have against OpenWorks, whether or not arising from this Agreement, shall not constitute a defense to OpenWorks' enforcement of the covenants contained in this Agreement.

**8.12 Non-Disclosure and Non-Competition Agreements.** You must obtain written non-disclosure and non-competition agreements, in the form of Attachment 4 to this Agreement, signed by each of the individuals who owns 5% or more of your business, and by the officers, directors, managers and other employees or consultants, including, but not limited to, your Designated Manager, who have or are likely to have access to the Confidential Information, and promptly send OpenWorks a copy of each such agreement.

## **9. TRANSFER.**

**9.1 Purpose of Conditions for Approval of Transfer.** OpenWorks' grant of this franchise to operate a Janitorial Service is made in reliance upon your integrity, ability, experience and financial resources and OpenWorks' investigation thereof. You may not make a Transfer (as defined in Section 3.21 of this Agreement) unless you have first obtained OpenWorks' written consent, which will not be unreasonably withheld if you comply with this Article 9. In order to ensure that no Transfer jeopardizes the Trade Names, the Marks, or OpenWorks' interest in the successful operation of the Janitorial Service, OpenWorks will consent to a Transfer only if you comply with all of the applicable provisions of this Article 9. You must obtain our commercially reasonable consent to any broker or transfer agent that you wish to use. You must not use any of the Marks in any listing for sale or transfer without our prior written approval. You must obtain our prior written approval of any advertising for any Transfer.

**9.2 Notice of Proposed Transfer.** If you wish to make a Transfer (including the Required Transfer), you must submit to OpenWorks (a) the form of franchise purchase application currently in use by OpenWorks completed by the prospective transferee; and (b) a written notice, setting forth all the terms and conditions of the proposed Transfer.

**9.3 Consent by OpenWorks.** OpenWorks must respond to your written notice within 15 days after receipt of the notice, or, if it requests additional information, within the later date of 15 days after receipt of the additional information or the final day of the original 15-day period. OpenWorks may either consent to the Transfer or state its reason for refusing to consent. Silence will not be construed as consent. If OpenWorks consents to the Transfer, then you may Transfer the interest described in the notice only to the named transferee and only upon the terms and conditions set forth in the notice and OpenWorks' consent. Consent by OpenWorks to a particular Transfer will not constitute consent to any other or subsequent Transfer. You acknowledge that OpenWorks' consent to the Transfer is not a representation to you that any transferred Account will continue as an OpenWorks Account or that the Account will use your services. OpenWorks has no obligation to you to disclose any concerns, complaints or Maintenance Agreement negotiations it had in the past or might have in the future with respect to any transferred Account. You understand that there is no assurance that any Account will renew or extend its Maintenance Agreement with OpenWorks.

**9.4 Conditions for Consent to Transfer.** Unless a waiver in Section 9.5 applies to some or all of the conditions set forth below in this Section 9.4, every Transfer is subject to all of the following requirements:

- (a) Transferee must be a legal entity;

- (b) OpenWorks' satisfaction that the proposed transferee meets all of the criteria of character, business experience, financial resources and other standards that OpenWorks customarily applies to new franchisees at the time of Transfer; and if the Transfer is to an existing OpenWorks franchisee, the franchisee must be in Good Standing and fully capable, in OpenWorks' sole reasonable judgment, of servicing the additional business;
- (c) Payment of all your outstanding debts to OpenWorks;
- (d) Cure of all defaults under the Franchise Agreement, any other agreement between OpenWorks and you, and the Manual;
- (e) Signing by the transferee of the then-current form of franchise agreement, which may contain terms substantially different from those in this Agreement, but in any event amended to waive payment of an initial fee by the proposed transferee; to shorten the term to the remainder of your current term; to provide that no supplies will be provided by OpenWorks; to state that no training is provided unless the \$250 training fee is paid; to identify whether OpenWorks has fulfilled its obligations on the initial Account Volume or to state the remaining initial Account Volume that OpenWorks is obligated to provide; to state the number and dollar amount, as applicable, of refusals for initial Account Volume previously made by You, and to clarify any remaining obligations of OpenWorks;
- (f) Providing OpenWorks with (i) the names and residential addresses of the owners and the officers or managers of any entity to whom a Transfer is being proposed, and their relative percentages of ownership; and (ii) the address where the entity will keep its business records;
- (g) Payment of the Transfer fee of \$2,500, or if only one or more (but not substantially all) of your Accounts are being transferred, a Transfer fee of \$1,000 for each transferred Account;
- (h) Completion by the transferee's owners and Designated Manager of OpenWorks' initial training program to its satisfaction, and payment of the \$250 training fee to OpenWorks;
- (i) Signing of a Non-Disclosure and Non-Competition Agreement substantially in the form of Attachment 4 to this Agreement by each entity to whom a Transfer is made and each of transferee's 5% owners, officers, directors, managers and other employees and consultants, including, but not limited to, transferee's Designated Manager, that have or may have access to Confidential Information;
- (j) Signing of a Personal Guaranty substantially in the form of Attachment 3 to this Agreement by each 5% owner of the entity to whom a Transfer is made (and by each such owner's spouse in a community property state);
- (k) Signing of a general release of claims by you in favor of OpenWorks;
- (l) Offering OpenWorks a first right of refusal to acquire the assets and/or interests that are subject to the Transfer, as provided in Section 9.6 of this Agreement; and
- (m) Requesting that OpenWorks provide the proposed transferee with the current form of franchise disclosure document at least fourteen calendar days before the closing.

OpenWorks may disclose to any proposed transferee any revenue reports or other financial information on your specific Janitorial Service business that OpenWorks has or that you provided to OpenWorks, subject to federal and state franchise laws. You agree to indemnify OpenWorks for any representations made to any proposed transferee. In no event will OpenWorks' consent to a Transfer of any of your interest or any of your assets constitute a waiver of claims OpenWorks may have against you or the individual transferring party, nor shall it be deemed a waiver of OpenWorks' right to demand exact compliance with any terms of this Agreement by the transferee.

## **9.5 Waivers of Some Conditions Upon Certain Types of Transfers.**

**9.5.1 Accounts.** In the event of a Transfer of one or more (but not substantially all) of your Accounts, OpenWorks waives the requirements of parts (e), (f), (h), (i) and (j) of Section 9.4.

**9.5.2 Incorporation.** In the event of a Transfer to a transferee where the beneficial ownership of the transferee immediately following the assignment is the same and in the same proportions as the beneficial ownership of Franchisee immediately before the assignment, then provided that the original party remains fully obligated under this Agreement, OpenWorks waives all of the requirements of parts (b), (c), (e), (h), (i) and (l) of Section 9.4. In lieu of part (g), the Transfer fee is \$1,000. The legal entity to which the Janitorial Service or franchise rights were transferred may not participate in any Competitive Business.

**9.5.3 Transfer of Partial Interest Between Co-Owners.** In the event of a Transfer of a partial ownership interest in Franchisee to an existing co-owner, OpenWorks waives all of the requirements of parts (b), (c), (e), (h), (i), (j) and (l) of Section 9.4. In lieu of part (g), the Transfer fee is \$1,000.

**9.5.4 Intentionally omitted.**

**9.5.5 Transfer of Minority Interest to a Third Party. Intentionally omitted.**

**9.5.6 Employee Stock Options.** In the event of a Transfer to any of your employees under any employee stock option plan or stock purchase plan, then provided that the cumulative total amount of such actual and optional ownership interests does not exceed 33% of the current or the possible future ownership interests in your corporation, and that any share certificate distributed under such a plan is marked with a legend describing the restrictions and conditions of Transfer required by this Agreement, OpenWorks waives all of the requirements of parts (b), (c), (e), (f), (g), (h), (i), (j) and (l) of Section 9.4.

**9.5.7 Death or Substantial Disability.** If you die, or become substantially and permanently disabled (whether physically or mentally as reasonably determined by an independent, qualified third-party) while this Agreement is in effect and prior to the Required Transfer, your heirs or representative will have 60 days within which to demonstrate to OpenWorks' satisfaction that they meet all of the criteria of character, business experience, financial responsibility, net worth and other standards that OpenWorks requires of new franchisees at that time. If OpenWorks approves your heirs or representative as transferees, OpenWorks will waive the requirement of part (g) of Section 9.4. If OpenWorks advises your heirs or representative in writing that it will not approve them as transferees of the franchise, or if OpenWorks fails to approve or disapprove the Transfer within 60 days following your death or disability, your heirs or representative will have 120 additional days from the date of disapproval of the Transfer within which to find and notify OpenWorks of a proposed Transfer to a qualified transferee in conformity with the provisions of Sections 9.2, 9.3, 9.4 and 9.5 of this Agreement. If your heirs or representative do not advise OpenWorks of a qualified transferee within the specified period, the franchise will automatically terminate at the end of the period unless a written extension of time has been granted by OpenWorks.

**9.6 OpenWorks' Right of First Refusal.** Except as otherwise provided in Section 9.5 above, if you wish to make a Transfer, you must first give OpenWorks written notice of all the terms of the proposed Transfer, which must be a bona fide offer from a bona fide source, and all available information about the proposed transferee, together with copies of all documentation including any written offer. Within 15 days after receipt of the notice and documentation, OpenWorks may, at its option, elect to become (or have its nominee become) the transferee. The exercise of the option shall be upon the terms specified in the notice and documents, subject to a set off for all amounts you and your Affiliates owe to OpenWorks. If OpenWorks declines to exercise its option within the time specified, you may thereafter make the Transfer to an approved transferee (but not on more favorable terms than those offered to OpenWorks) provided that all of the requirements of Section 9.4 (subject to the waivers provided for in Section 9.5) are satisfied. If the Transfer is not made within six months from the date of the notice to OpenWorks, then you must give OpenWorks another notice and option as provided in this Section 9.6 before you make any Transfer.

**9.7 Assignment by OpenWorks.** OpenWorks may assign this Agreement or any rights or obligations created by it, in whole or in part, at any time to any third-party, including without limitation, to any of your competitors or an OpenWorks master franchisee who will have exclusive rights to administer the OpenWorks Cleaning Systems regional office for your franchised business. Such an assignment may be made without your consent upon condition that the assignee expressly agrees in writing to assume OpenWorks' obligations under this Agreement.

**9.8 Legend.** Any certificates representing shares or interests in Franchisee, whether already or hereafter issued by Franchisee, shall, from and after the date hereof, bear a legend sufficient under applicable law to constitute notice of the restrictions on such shares or interest contained in this Agreement and to allow such restrictions to be enforceable. Such legend shall appear in substantially the following form:

“The sale, transfer, pledge or hypothecation of [this stock/these interests/these units] is restricted pursuant to Article 9 of a Franchise Agreement dated \_\_\_\_\_, between OpenWorks and the issuer of these securities.”

## **10. TERMINATION OF FRANCHISE.**

**10.1 Termination by Consent of the Parties.** This Agreement may be terminated at any time upon the mutual written consent of the parties.

**10.2 Termination by OpenWorks.** In addition to OpenWorks' rights to terminate this Agreement as provided elsewhere in this Agreement, OpenWorks may terminate this Agreement as provided in this Section 10.2.

**10.2.1 Acts of Default.** Upon the single occurrence of **any** one of the following defaults by you or your Affiliates, all of which are material defaults, and after notice and an opportunity to cure (as provided in Section 10.2.2), if any, OpenWorks, at its option, may terminate this Agreement:

- (a) Subject to Section 7.5 regarding Pre-Existing Accounts, if you or any of your owners or Affiliates has any direct or indirect interest in the ownership or operation of any business that provides commercial janitorial or other facility services to customers;
- (b) If you or your Affiliates fail to submit to OpenWorks in a timely manner any information you are required to submit under this Agreement;

- (c) If you or your Affiliates fail to begin operation of a Janitorial Service by the date required in this Agreement, or if you fail to operate a Janitorial Service in accordance with this Agreement and the Manual;
- (d) If you or your Affiliates act without prior written approval or consent of OpenWorks in regard to a matter for which its prior written approval or consent is expressly required by this Agreement;
- (e) If you or your Affiliates default in the performance of any material obligation under this Agreement or any other agreement with OpenWorks;
- (f) If you or your Affiliates are not actively engaged in providing the Janitorial Service, unless: (i) operations are suspended for a period of no more than three months and you have paid the Minimum Account Service Fee due under Section 6.14, or (ii) the suspension was caused by fire, condemnation, or act of God;
- (g) If you or your Affiliates misuse the Trade Names, Marks or the System or engage in conduct which reflects materially and unfavorably upon the goodwill associated with them, including without limitation inappropriate or obscene conduct toward a customer or an OpenWorks' employee, or if you use any names, marks, systems, logotypes or symbols that OpenWorks has not authorized you to use in connection with your Janitorial Service;
- (h) If you or your Affiliates have made any material misrepresentation in connection with the assignment of an Account, or to induce OpenWorks to enter into this Agreement;
- (i) If you or your Affiliates fail to permanently correct a breach of this Agreement or to meet the standards set out in the Manual after being twice requested in writing by OpenWorks to correct the problem in any 12 month period;
- (j) If OpenWorks makes a reasonable determination that the operation of the Janitorial Service poses a threat to public health or safety;
- (k) If you or your Affiliates fail to make any payment when due under this Agreement or any other agreement between you and OpenWorks or an Affiliate of OpenWorks;
- (l) Except as otherwise required by the United States Bankruptcy Code, if you become insolvent, are adjudicated as bankrupt, or file or have filed against you a petition in bankruptcy, reorganization or similar proceeding;
- (m) If you or your Affiliates attempt to assign your rights under this Agreement in any manner not authorized by this Agreement;
- (n) If you or your Affiliates are convicted of a felony or any criminal misconduct or offense (even if not a crime) that is reasonably likely, in the sole opinion of OpenWorks, to have a material adverse effect to the System, the Trade names or the Marks, or the goodwill associated with any of the foregoing;
- (o) If you or your Affiliates commit any of the defaults described above and have twice previously, within a 12-month period, been given notice by OpenWorks of the same type of default, whether or not the prior defaults were cured;

- (p) If you or your Affiliates have taken such action that would permit OpenWorks to terminate your right to service an Account under paragraphs (a) through (i) inclusive of Section 7.2.5 of this Agreement;
- (q) If you fail to maintain policies of workers compensation insurance required in Section 7.3, disability insurance or any other types of insurance required by law;
- (r) If you or your Affiliates willfully make or have made any material false statement or report to OpenWorks or its Affiliates in connection with this Agreement, any other agreement between you and OpenWorks or its Affiliates, or any applications presented to OpenWorks or its Affiliates that has a material adverse effect on OpenWorks, its Affiliates or the System: or
- (s) If you notify OpenWorks in writing that you will cease operating the Janitorial Service at a future date or take such action that OpenWorks reasonably concludes that you will cease operating the Janitorial Service at a future date.

If OpenWorks has given you formal notice of a default or termination, then OpenWorks has the right to suspend OpenWorks' performance of any of OpenWorks' obligations under this Agreement, in addition to other remedies, during the time in which you are curing the default or in the event that the default is not cured. OpenWorks' right to suspend our obligations to you includes but is not limited to, the right to suspend sales of any products, to stop providing any services to you and to not provide access to OpenWorks confidential materials.

**10.2.2 Notice of Default.** Termination will be effective automatically 30 days after written notice of default is given to you, specifying any of the defaults described in subsections (b) through (j) inclusive of Section 10.2.1, if the default has not been cured within the 30-day period. The description of any default in any notice OpenWorks transmits to Franchisee will in no way preclude OpenWorks from specifying additional or supplemental defaults under this Agreement or any related agreements in any action or proceeding relating to this Agreement or termination of this Agreement. For a monetary default described in subsection (k), termination will be effective automatically five days after written notice specifying amounts due to OpenWorks is given to you, if the default is not cured within the 5-day period. Termination will be effective immediately upon written notice to you if any of the defaults described above in subsections (a) or (l) through (r) inclusive occurs.

**10.3 Termination by You.** You may terminate this Agreement upon 90 days' written notice to OpenWorks if the conditions of Section 10.4 of this Agreement are met in full within the specified time periods.

**10.4 Rights and Obligations After Termination.** Upon the Termination of this Agreement by either party for any reason, all of your Accounts shall automatically revert to OpenWorks and the parties will have the following rights and obligations:

- (a) OpenWorks will have no further obligations under this Agreement except to settle up with you with respect to payments due and owed prior to the Termination under Section 5.4 and Article 6 of this Agreement;
- (b) You must pay OpenWorks, within 30 days after Termination, all payments due to OpenWorks;
- (c) You must immediately and permanently cease the use of the Trade Names and Marks or any confusingly similar names or marks, the System, and advertising, signs, stationery and

forms that bear identifying marks or colors that might give others the impression that you are associated with the System;

- (d) You must immediately deliver to OpenWorks the Manual, all Accounts' keys, security codes and cards, and any other proprietary material belonging to OpenWorks or any Account which is in your possession or the possession of your employees and otherwise comply with Section 8.5.4;
- (e) You must immediately provide OpenWorks with a list of all Accounts and customers and facilities you or your Affiliates are servicing or had serviced at any date during the 12 months preceding the date of Termination;
- (f) You must assign to OpenWorks or its designee any Accounts obtained by you that do not have an existing Maintenance Agreement with OpenWorks;
- (g) You will take such action as may be required by OpenWorks to transfer and assign to OpenWorks or its designee or to disconnect and forward all telephone numbers, white and yellow page telephone references and advertisements, and all trade and similar name registrations and business licenses, and to cancel any interest that Franchisee may have in the same;
- (h) You must, without any consideration, cancel or assign to OpenWorks all right, title and interest in any Internet and web site home pages, domain name listings, and registration that contain the Trade Names or Marks, or any of them, in whole or in part, and shall notify the applicable domain name registrars and all listing agencies, upon the termination or expiration hereof, of the termination of your right to use any domain name, web page and other Internet device associated with OpenWorks, and authorize and instruct their cancellation or transfer to OpenWorks, as directed by OpenWorks; and
- (i) You must not refer or promote to any former or current customer the operation of any other business, nor will You promote the operation of any Competitive Business in the Area for a period of 180 days after the termination or nonrenewal of this Agreement.

If the franchise granted in this Agreement is terminated because of your default, the rights of OpenWorks described above will not necessarily be its exclusive remedies, but will instead supplement any other equitable or legal remedies available to OpenWorks. If this Agreement is terminated because of your material default, nothing in this Section will be construed to deprive OpenWorks of the right to recover damages as compensation for lost profits. Termination of this Agreement will not extinguish any obligation of either party that has accrued prior to Termination. All obligations of the parties, which by their terms or by reasonable implication are to be performed in whole or in part after Termination, will survive Termination.

## **11. MISCELLANEOUS PROVISIONS.**

**11.1 Construction of Contract.** Section headings in this Agreement are for reference purposes only and will not in any way modify the statements contained in any Section of this Agreement. Each word in this Agreement will be deemed to include any number or gender that the context requires. If there is any conflict between this Agreement and the Manual, this Agreement will control.

**11.2 Governing Law.** Except for matters relating solely to Sections 8.4, 8.6, 8.7 and 8.8 and Attachment 4 of this Agreement, which are governed by the laws of the state in which the Territory is located and except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15

U.S.C. § 1051 et seq), this Agreement and all matters relating to it, must and will be governed by and interpreted by the laws of the State of Arizona; *provided, however*, that if any of the provisions of this Agreement would not be enforceable under the laws of Arizona, then such provisions must and will be governed by the laws of the state in which the Territory is located; *and provided further* that the Franchise Disclosure Document delivered to you contains a State Law Addendum, which is hereby incorporated into this Agreement, referencing and summarizing certain existing local laws of other jurisdictions, and the application of Arizona law will not abrogate or reduce any of your rights provided for under such existing local laws which by their terms apply and supersede Arizona law (unless local law conflicts with federal law and is preempted).

**11.3 Notices.** Each party to this Agreement shall direct any notice to the other party to the address in Article 1 of this Agreement, or at another address if advised in writing that the address has been changed. Notice may be delivered by facsimile (with simultaneous posting of a copy by first class mail), commercial courier, or first class mail. Notice may also be given by an email containing a PDF of a document to franchisee's last known email address. Notice by facsimile will be deemed delivered upon transmission; by courier, upon delivery; and by first class mail, three days after posting. Notice by email will be deemed delivered the day after it is sent by email provided that it is sent during regular business hours and an undeliverable email address notice is not received within 12 hours. If an undeliverable email address notice is received, then notice will be provided by another means stated in this Section.

**11.4 Amendments.** This Agreement may be amended only by a document signed by all of the parties to this Agreement or by their authorized agents.

**11.5 Waiver.** Waiver of any breach of this Agreement will not be interpreted as a waiver of any subsequent breach.

**11.6 Integration.** This Agreement, any exhibits or attachments to it, and the Franchise Disclosure Document that has been provided to you, constitute the entire agreement between the parties concerning the franchise granted under this Agreement, and supersede all prior and contemporaneous agreements and representations concerning the subject matter hereof; provided, however, that nothing herein is intended to disclaim the representations made in the Franchise Disclosure Document furnished to you.

**11.7 Modification.** The parties to this Agreement recognize that carrying out the overarching purpose of this Agreement, the creating of an effective, up-to-date, competitive consumer-oriented System under OpenWorks' name and Marks, and enhancing the potential value of that System for both OpenWorks and franchise owners as a group, requires flexibility in establishing and modifying standards for performance and operation under this Agreement, and may involve OpenWorks' development of other business activities not encompassed by the terms of this Agreement, taking particular account of the fact that business conditions and other circumstances are likely to change during the stated term of this agreement. The parties have addressed the prospect for such developments by the express provisions of this Agreement, including in particular, the provisions hereof defining the nature and scope of this Agreement and your obligation to observe the requirements of OpenWorks' Manual as it may, from time to time, be amended by OpenWorks to address efforts to maintain the long-term viability of OpenWorks' name, trademarks and other intellectual property rights, and/or its overall franchised System, among other things. No provision of this Agreement is to be read as creating a limitation on the right of OpenWorks to take such action except as the provision clearly and expressly establishes such a limitation.

**11.8 Arbitration.** Any dispute or claim (a "Claim") arising out of or in connection with this Agreement (including this arbitration agreement, the validity and scope of which the parties acknowledge and agree will be determined by an arbitrator, not a court), whether by contract, tort or other legal theory, must and will be resolved by arbitration; provided, however, that OpenWorks will not be required to arbitrate any Claim with respect to the ownership or use of its Trade Names or Marks, all of which issues

will be submitted to a court within the State of Arizona. The parties expressly consent to personal jurisdiction in the State where OpenWorks' principal place of business is located, currently the State of Arizona and agree that the state and federal court(s) must and will have exclusive jurisdiction over any such issues not subject to arbitration. The arbitration will be held where our principal place of business is located, currently the City of Phoenix, Arizona, governed by the United States Arbitration Act, 9 U.S.C. §§ 1-16, and conducted by one independent arbitrator who is experienced in franchise matters and has no past or present relationship with either party, appointed as set forth in this Section 11.8. This arbitration clause will not deprive either party of any right it may otherwise have to seek provisional injunctive relief from a court of competent jurisdiction. If proper notice of any hearing has been given, the arbitrator will have full power to proceed to take evidence or to perform any other acts necessary to arbitrate the matter in the absence of any party who fails to appear. The parties agree that arbitration will be conducted on an individual and not a collective or class-wide basis. The arbitrator, and not any federal, state, or local court or agency, will have the exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability or formation of this Agreement including, but not limited to any claim that all or any part of this Agreement is void or voidable, except the arbitrator will have no right to make any determination relating to the requirement that Claims be decided on an individual basis. The parties each waive any rights they may have to demand trial by jury or to seek punitive damages from the other party or its Affiliates. The arbitrator will have no power to (i) stay the effectiveness of any pending Termination of this Agreement; (ii) assess punitive damages; or (iii) make any award that modifies or suspends any lawful provision of this Agreement. All expenses of arbitration must be paid by the party against whom the arbitrator renders a decision. The award made by the arbitrator must and will be final, binding and conclusive on all parties to the arbitration for all purposes. Judgment upon any award and/or enforcing any order of the arbitrator may be entered by any court of competent jurisdiction. The Parties agree to the rules, practices and procedures under the Commercial Arbitration Rules from the American Arbitration Association to the extent any arbitration procedure or rule is not inconsistent with this Agreement. Notwithstanding the foregoing or anything to the contrary in this Agreement, if any court or arbitrator determines that all or any part of this Section 11.8 is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Section 11.8, then the parties agree that this arbitration clause will not apply to that dispute and that such dispute must and will be resolved in a judicial proceeding.

**11.8.1 Initiation of Arbitration.** In order to initiate an arbitration hereunder, the party wishing to make a Claim (the “**Initiator**”) must give a written notice of demand for arbitration hereunder (the “**Initial Notice**”) to the other party (the “**Respondent**”).

**11.8.2 Initial Notice.** To be valid, the Initial Notice must include the following: (i) a statement of the Claim; (ii) a proposed resolution (“**Initial Resolution**”) of the Claim; (iii) the address and phone and facsimile numbers of the Initiator; (iv) the date of the Initial Notice; and (v) the signature of the Initiator. The Initial Notice may include other matters as shall be deemed appropriate by the Initiator, but it may not contain any conditions to the effectiveness of the Initial Notice nor any other matter which affects the validity of the Initial Notice.

**11.8.3 The Response.** The Respondent is bound to respond to the Initial Notice in writing within 90 days of the Initial Notice (the “**Response**”) or suffer the consequences, as hereinafter defined. If the Respondent fails to timely respond with a valid Response, the Initial Resolution shall become effective as an arbitration award hereunder. A valid Response must contain the following: (i) A statement of the Response, including the factual disputes with the Initial Notice, and other facts supporting the Respondent's position; (ii) a proposed resolution (“**Second Resolution**”) of the Claim, such as alternative amounts of payment or damages or alternative resolutions of the claim; (iii) the address and phone and facsimile numbers of the Respondent; (iv) the date of the Response; and (v) the signature of the Respondent. The Response may include other matters as shall be deemed appropriate by the Respondent, including claims of the Respondent, but it may not contain any conditions to the effectiveness of the Response nor any other

matter which affects the validity of the Response. If the Respondent fails to timely give a valid Response, as provided above, or if the Respondent gives a notice of acceptance of the Initial Resolution, the arbitrator shall enter the award adopting the Initial Resolution.

**11.8.4 Designation of Arbitrator.** The Claim will be decided by a single arbitrator determined pursuant to the then-current rules of the American Arbitration Association. Upon determination, the arbitrator shall commence the arbitration process. The arbitrator shall make an award of the Initial Resolution or the Second Resolution or such other award as the arbitrator decides is just under the facts and applicable law, subject to the terms of this Agreement.

**11.8.5 Counterclaim.** The Respondent may include a “**Counterclaim**” in the Response. If the Respondent makes a Counterclaim, the Initiator shall be obligated to respond in the same time and in the same fashion as required of the Respondent.

**11.8.6 Discovery.** We both agree that, in any arbitration arising as described in this Section, requests for documents shall be limited to documents (including electronic documents) that are directly relevant to significant issues in the case or to the case’s outcome, shall be restricted in terms of time frame, subject matter and persons or entities to which the requests pertain, and shall not include broad phraseology such as “all documents directly or indirectly related to.” For electronic document discovery requests, we both agree that: (a) The production of electronic documents will be made on the basis of generally available technology in a searchable format which is convenient and economical for the party producing the documents and also usable by the party receiving the documents, (b) Unless there is a showing of compelling need, as determined by the arbitrator, the parties are not required to produce metadata, with the exception that the header fields of email correspondence may be produced; (c) Production of electronic documents need only be from sources used in the ordinary course of business. No documents shall be required to be produced from back-up servers, tapes or other media unless there is a showing of compelling need; (d) Only individuals whose electronic documents are reasonably expected to contain evidence that is material to the dispute shall be named as custodians and requested to provide such electronic documents; and (e) When the costs and burdens of electronic discovery are disproportionate to the nature of the dispute or to the amount in controversy, or to the relevance of the materials requested, the arbitrator shall either deny such requests or order disclosure on the condition that the requesting party advance the reasonable cost of production to the providing side. Such production costs may be part of the allocation of the costs in the final arbitration award.

**11.9 Injunctive Remedy for Breach.** You recognize that you are a member of a Franchise Network and that your acts and omissions may have a positive or negative effect on the success of other businesses operating under OpenWorks’ Trade Names and in substantial association with its Marks. Your failure to comply with the terms of this Agreement is likely to cause irreparable damage to OpenWorks and to some or all of the other franchisees of OpenWorks. For this reason, you agree that if OpenWorks can demonstrate to a court of competent jurisdiction that there is a substantial likelihood of a breach or threatened breach of any of the terms of this Agreement by you, OpenWorks will be entitled, without posting a bond, to a temporary restraining order or preliminary injunction enjoining the breach and/or to a decree of specific performance, without showing or proving any actual damage, until a final determination is made by an arbitrator. Any question on whether a dispute or claim is subject to an injunctive remedy will be determined as stated in Section 11.8 above.

**11.10 Limitation of Actions.** No action or arbitration proceeding may be maintained by you against OpenWorks unless (a) written notice of any claim alleged to exist is delivered by you to OpenWorks within 1 year after the event complained of becomes known to you and (b) an arbitration proceeding is commenced by you within 90 days after such notice.

**11.11 Attorneys' Fees and Costs.** If legal action, including any action on appeal, or arbitration is initiated to enforce the terms and conditions of this Agreement, the prevailing party will be entitled to recover reasonable compensation for preparation, investigation and court and/or arbitration costs (including but not limited to, expert witness fees, hearing transcription fees, arbitration fees, arbitrator's compensation, copying costs, delivery expenses and charges) and reasonable attorneys' fees, as fixed by a court of competent jurisdiction or by the arbitrator.

**11.12 Severability.** Each provision of this Agreement will be considered severable. If, for any reason, any provision is determined to be invalid or in conflict with any existing or future law or regulation, that provision will not impair the operation of the remaining provisions of this Agreement. The invalid provisions will be deemed not to be a part of this Agreement. However, if OpenWorks determines that the finding of illegality adversely affects the basic consideration for its performance under this Agreement, OpenWorks may, at its option, terminate it.

**11.13 Approval and Guarantees.** If you are a corporation, all officers and shareholders with a 5% or greater interest in you, or if you are a limited liability company, all your managers and managing members and all members with a 5% or greater interest in you and in each of the foregoing cases, the spouses of each person, must approve this Agreement, permit you to furnish the financial information required by OpenWorks, and agree to the restrictions placed on them, including restrictions on the transferability of their interests in the franchise and Janitorial Service and limitations on their rights to compete, and sign separately written guarantees of your and their payments and performance in the form of Attachment 3 to this Agreement. The spouse(s) of any owner of a 5% or greater interest in Franchisee must sign the spousal consent in the form of Attachment 6 to this Agreement.

**11.14 Acceptance by OpenWorks.** This Agreement will not be binding on OpenWorks unless and until it has been signed by an authorized officer of OpenWorks.

**11.15 Indulgences, Not Waivers.** Neither the failure nor any delay on the part of either party to exercise any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege preclude any other or further exercise of the same or of any other right, remedy, power or privilege, nor shall any waiver of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence.

**11.16 Execution in Counterparts and in Electronic Signatures.** This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original as against any party whose signature appears thereon, and all of which shall together constitute one and the same instrument. This Agreement shall become binding when one or more counterparts hereof, individually or taken together, shall bear the signatures of the parties reflected hereon as the signatories. Any photographic or xerographic copy of this Agreement, with all signatures reproduced on one or more sets of signature pages, shall be considered for all purposes as if it were an executed counterpart of this Agreement. Signatures may be given by facsimile or other electronic transmission, and such signatures shall be fully binding on the party sending the same. Signatures made through an electronic signature process such as Adobe/PDF or such other electronic signature process are fully binding and deemed to be the same as any original.

**11.17 Time of Essence.** Time is of the essence of this Agreement.

**11.18 Franchisor Limited Liability.** You agree that there shall be no liability on the part of OpenWorks to you or any other person by reason of any approval given or withheld by OpenWorks to you or by reason of your complying with the Standards and Policies and requirements of OpenWorks or the provisions of this Agreement. OpenWorks shall not be liable to you if you adopt any suggestions or

requirements of OpenWorks, or if OpenWorks delays or fails to furnish any approval, or if OpenWorks provides to mortgagee(s) or lender(s) (actual or prospective) at its or your request, information regarding the status of the Agreement and/or your obligations hereunder. OpenWorks is not obligated for any reason to do any act or to furnish anything to you except as expressly set forth in this Agreement, and you acknowledge that OpenWorks is not required to provide services that produce any particular level of results.

### PERSONAL GUARANTY

1. In consideration of, and in order to induce O.P.E.N. America, Inc. (“**OpenWorks**”) to enter into a franchise agreement as of even date with this Guaranty (the “**Agreement**”), each of the undersigned (“**Guarantor**”), jointly and severally, unconditionally guarantees to OpenWorks that the Franchisee will fully, promptly and faithfully perform and discharge all of its obligations, duties and conditions under the Agreement, and under any and all instruments, documents or other evidence of indebtedness, executed in connection with the Agreement and all related obligations and undertakings, including obligations of payment when due, whether by acceleration or otherwise, of any and all liability of Franchisee or its Affiliates or to OpenWorks (the “**Guaranteed Obligations**”), together with all interest upon these liabilities and all attorneys’ fees, costs and expenses of collection incurred by OpenWorks in enforcing any of these liabilities.

2. OpenWorks, its successors and assigns, may from time to time, without notice to the undersigned (a) resort to the undersigned for payment or satisfaction of any of the Guaranteed Obligations of Franchisee, whether or not it or its successors have resorted to any property securing any of the Guaranteed Obligations or proceeded against any other of the undersigned or any party or parties or primarily or secondarily liable on any of the Guaranteed Obligations, (b) release or compromise any liability of any of the undersigned hereunder or any liability of any party or parties primarily or secondarily liable on any of the Guaranteed Obligations, and (c) extend, renew or credit any of the Guaranteed Obligations for any period (whether or not longer than the original period); alter, amend or exchange any of the Guaranteed Obligations; or give any other form of indulgence, whether under the Agreement or not.

3. Each of the undersigned agrees to comply with and abide by the restrictive covenants and nondisclosure provisions contained in Sections 8.5, 8.6 and 8.7 of the Agreement, as well as the provisions in the Agreement relating to the Marks and Transfers, to the same extent as and for the same period of time as Franchisee is required to comply with and abide by such covenants and provisions, except to the extent otherwise required by the Agreement. These obligations of the undersigned shall survive any expiration or termination of the Agreement or this Guaranty. This Guaranty will remain effective despite any renewal, modification, or waiver by OpenWorks of any of the Guaranteed Obligations under this Guaranty, and no such modification, renewal or waiver will operate to defeat this Guaranty.

4. This Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms of this Guaranty will be conclusively presumed to have been created in reliance on it.

5. Any and all rights and claims of Franchisee or Guarantor or any of their respective property, arising by reason of any payment by the undersigned to OpenWorks under the provisions of this Guaranty, will be subordinate and subject in right of payment to the prior payment in full of all liabilities of Franchisee or Guarantor to OpenWorks.

6. Guarantor waives the right of trial by jury in the event of any litigation between the parties to this Guaranty in respect of any matter arising under this Guaranty and agrees that, should OpenWorks bring any judicial proceeding or arbitration in relation to any such matter, Guarantor will not interpose any counterclaim or set off of any nature.

7. Each of the undersigned further waives presentment, demand, notice of dishonor, protest, nonpayment and all other notices whatsoever, including without limitation: notice of acceptance hereof; notice of all contracts and commitments; notice of the existence or creation of any liabilities under this Guaranty and the Agreement and of the amount and terms thereof; and notice of all defaults, disputes or controversies between Franchisee and OpenWorks resulting from such Guaranty or Agreement or otherwise, and the settlement, compromise or adjustment thereof.

8. Guarantor waives any and all rights or defenses based on suretyship or impairment of collateral including, but not limited to, any rights or defenses arising by reason of (i) any “one action” or “anti- deficiency” law or any other law, including without limitation A.R.S. Sections 12-1566, 33-729 and 33-814, which may prevent OpenWorks from bringing any action, including a claim for deficiency, against Guarantor, before or after OpenWorks’ commencement or completion of any foreclosure action, either judicially or by exercise of a power of sale or (ii) any defenses given to guarantors at law or in equity other than actual payment and performance of the indebtedness.

9. The undersigned agrees to pay all expenses paid or incurred by OpenWorks in enforcing the Agreement and this Guaranty against Franchisee and against the undersigned and in collecting or attempting to collect any amounts due thereunder and hereunder, including reasonable attorneys’ fees and costs if such enforcement or collection is by or through an attorney-at-law. Any waiver, extension of time or other indulgence granted from time to time by OpenWorks, its agents, its successors or assigns, with respect to the Agreement, shall in no way modify or amend this Guaranty, which shall be continuing, absolute, unconditional and irrevocable.

10. If more than one person has executed the Guaranty, the term “the undersigned,” as used herein shall refer to each such person, and the liability of each of the undersigned hereunder shall be joint and several and primary. A discharge in bankruptcy of the Franchisee by a Bankruptcy Court that is “full satisfaction” (or words to such effect) of the Franchise Agreement’s obligations, regardless as to whether the discharge was part of the resolution of a bankruptcy claim or as part of a plan of reorganization, does not excuse the obligations of Guarantor and Franchisor may pursue Guarantor for the entire amount due and owing Franchisor regardless of the discharge.

11. The provisions of the Agreement providing that Arizona law shall govern, and requiring binding arbitration in Phoenix, Arizona shall also apply to this Guaranty and each Guarantor.

### NON-DISCLOSURE AND NON-COMPETITION AGREEMENT

This Non-Disclosure and Non-Competition Agreement (this “**Agreement**”) is made as of

\_\_\_\_\_, by and between:

\_\_\_\_\_, (“**Franchisee**”), an  
OpenWorks Janitorial Franchisee under the janitorial Franchise Agreement between Franchisee and  
O.P.E.N. America, Inc. (“**OpenWorks**”) of even date herewith and to which this Agreement was attached  
(the “**Franchise Agreement**”); and

the undersigned (“**Recipient**”), who owns 5% or more of the ownership interests in Franchisee, and/or  
holds or has been offered a position as an employee or consultant of Franchisee (any such current and future  
interest or position held by Recipient is hereinafter referred to as the “**Position**”).

Recipient acknowledges that Franchisee is entering into this Agreement for itself and for the benefit of  
OpenWorks pursuant to the requirements of the Franchise Agreement. Any capitalized terms not otherwise  
defined will have such meaning as ascribed to them in the Franchise Agreement.

#### **BACKGROUND TO THE AGREEMENT**

In connection with their Position, Recipient will have access to, generate, or otherwise come into  
contact with certain proprietary and/or confidential information and trade secrets of Franchisee, OpenWorks  
or System, including without limitation training materials, programs, methods, techniques, specifications,  
standards, systems, procedures, sales and marketing programs and strategies, manuals, financial data,  
knowledge of specifications for and suppliers of equipment, supplies and services, bidding, pricing and  
billing methods, existing and prospective customer lists and information about them and their service  
contracts, at any time existing or under consideration, for the operation of OpenWorks’ regional offices and  
commercial janitorial and other facility service businesses (the “**Confidential Information**”).

Recipient, Franchisee and OpenWorks desire to prevent the dissemination or misuse of such  
Confidential Information. For these and other reasons, and the fact that there are many other employment  
opportunities available to Recipient if his/her Position shall terminate, Recipient is in full and complete  
agreement that the following restriction covenants are fair and reasonable and are freely, voluntarily and  
knowingly entered into. FURTHER, RECIPIENT HAS BEEN GIVEN THE OPPORTUNITY TO  
CONSULT WITH INDEPENDENT LEGAL COUNSEL BEFORE ENTERING INTO THIS  
AGREEMENT.

#### **AGREEMENT**

As an inducement to OpenWorks to enter into the Franchise Agreement with Franchisee, or to  
approve a transfer to or appointment of Recipient, and/or in consideration of Recipient’s employment or  
continued employment by Franchisee, Recipient and Franchisee (on behalf of both Franchisee and  
OpenWorks) agree as follows:

**1. Confidential Information.**

**1.1. Ownership.** Recipient acknowledges that OpenWorks and/or Franchisee is/are the sole owner of all the Confidential Information; that the Confidential Information is being imparted to Recipient in trust and confidence and only by reason of Recipient's Position; and that the Confidential Information is not generally known to the trade or public and is not known to Recipient except by reason of such disclosure. Recipient further acknowledges that Recipient shall acquire no interest in the Confidential Information, other than the right to utilize it in connection with the performance of duties associated with Recipient's Position. In addition, Recipient acknowledges that the use, duplication or disclosure of the Confidential Information except as expressly permitted by this Agreement shall constitute an unfair method of competition and that OpenWorks and Franchisee shall suffer irreparable injury thereby.

**1.2. Work Product.** Recipient agrees that all documents, papers, notes and other material and work product containing or derived from the Confidential Information or connected with Recipient's Position with Franchisee shall be Confidential Information. Recipient agrees that he will have no proprietary interest in any work product developed or used by him and arising out of his Position with Franchisee. Recipient will, from time to time, as may be requested by Franchisee or OpenWorks, do all things which may be necessary to establish or document Franchisee's or OpenWorks' ownership of any such work product, including without limitation execution of assignments.

**1.3. Confidentiality.** All of the Confidential Information and all information and knowledge about the System, which is not in the public domain and such other information and material as OpenWorks or Franchisee may designate as confidential shall be deemed Confidential Information for purposes of this Agreement. Recipient acknowledges that the Confidential Information is disclosed to Recipient solely on the condition that Recipient agree, and Recipient hereby does agree, that Recipient: (a) will use the Confidential Information in strict accordance with the instructions and directions given by Franchisee or OpenWorks from time to time; (b) will not use the Confidential Information, directly or indirectly, in any other business or capacity; (c) will not, at any time, while holding any Position with Franchisee or thereafter, in any manner or form, directly or indirectly, disclose, duplicate, license, sell, reveal, divulge, publish or communicate the Confidential Information, or any portion thereof, to any person or entity other than Franchisee, or authorized employees or consultants of Franchisee or OpenWorks who need to have such information in connection with their jobs; (d) will not copy any materials containing the Confidential Information, including without limitation the System manuals, without OpenWorks' prior written consent; (e) will observe and implement all reasonable procedures imposed from time to time by OpenWorks and/or Franchisee to prevent the unauthorized use and disclosure of the Confidential Information; (f) will keep all System manuals and other written materials containing any portion of the Confidential Information in a secure manner and place; and (g) if Recipient is legally compelled to disclose any of the Confidential Information, will do so only if Recipient has used his or her best efforts to afford OpenWorks and Franchisee the opportunity of obtaining appropriate protective orders or other assurances of confidentiality satisfactory to OpenWorks and Franchisee. These restrictions are imposed for the term of this Agreement, and after this Agreement is terminated (or expires), the entire length of time that any Confidential Information is a trade secret and otherwise, the longest of either four years or as long as may be required by applicable law.

**1.4. Return of Confidential Material.** Upon termination or cessation of his or her Position with Franchisee for any reason, Recipient shall immediately (but in any event within five days of such termination or cessation) return to Franchisee all copies of any materials containing the Confidential Information (whether in original or duplicate form) and all property or equipment belonging to Franchisee and OpenWorks, or either of them, in Recipient's possession, custody or control, including any of such items produced or prepared by Recipient. To the maximum extent of the law, OpenWorks reserves the

right to deduct the cost of unreturned or damaged property, equipment or information from Recipient's compensation.

## 2. **Noncompetition.**

2.1. **Covenant.** Recipient recognizes that (a) the commercial janitorial and other facility services business is very competitive; (b) the System is intended to expand to be national in scope; (c) Recipient by virtue of his or her Position will have access to the Confidential Information and will have close contacts with OpenWorks customers for the purpose of maintaining and further developing the business and goodwill of the System; (d) the Position provides Recipient with the attendant ability to divert customer trade; and (e) OpenWorks and Franchisee each have strong legitimate interests in obtaining the covenant herein for the protection of the goodwill of the System. Recipient therefore agrees that, without the express prior written consent of OpenWorks and Franchisee, which either may withhold in its sole and absolute discretion, Recipient shall not, during the Time Period (as defined below), directly or indirectly, whether personally or as an agent, employee, partner, representative, affiliate or in any other capacity on behalf of any person or entity, engage in, render services to, provide financing to, or have any interest in, in manner whatsoever any Competitive Business (as defined below) located or conducting business within the Area (as defined below). It is agreed and understood that the purpose of this covenant is not to deprive Recipient of a means of livelihood and will not do so but is rather to protect the goodwill and interest of Franchisee, OpenWorks and the System.

2.2. **Time Period.** For the purposes of Section 2.1 of this Agreement, the term "Time Period" shall mean for the period while Recipient holds a Position with Franchisee.

2.3. **Competitive Business.** For the purposes of Section 2.1 of this Agreement, the term "Competitive Business" shall mean any business providing janitorial services to commercial customers or any other services that Franchisee provides or provided to its customers while Recipient held a Position with Franchisee.

2.4. **Area.** For the purposes of Section 2.1 of this Agreement, the term "Area" shall mean (a) the geographical area in which Franchisee services or serviced OpenWorks customers, and (b) a radius of 75 miles from the regional office through which Franchisee conducts or conducted its OpenWorks business, and (c) a radius of 75 miles from any other OpenWorks regional office operated by OpenWorks or any of its master franchisees in the state where Franchisee conducts or conducted its OpenWorks business, and (d) a radius of 75 miles from any other OpenWorks regional office operated by OpenWorks or any of its master franchisees in any other state.

## 3. **No Solicitation.**

3.1. **Customers.** Recipient agrees that during the time Recipient holds a Position with Franchisee, and after Recipient's Position with Franchisee ends, except for solicitations Recipient makes on behalf of Franchisee, Recipient will never solicit as a customer for commercial janitorial or other facility services: (a) any OpenWorks customers serviced by Franchisee during the period Recipient held a Position with Franchisee, or (b) any other persons or entities who were OpenWorks customers serviced by others during the period Recipient held a Position with Franchisee. Recipient also agrees that after Recipient no longer holds any Position with Franchisee, Recipient will not thereafter solicit as a customer for commercial janitorial or other facility services any prospective customers to whom OpenWorks had proposals or bids outstanding at the time Recipient's Position with Franchisee ended.

**3.2. Lack of Prior Conflict.** Recipient represents and acknowledges that they are not bound by any post-employment covenant with a third-party that would restrict the fulfillment of the Recipient's Position or the duties Recipient performs on behalf of the Franchisee. To the extent Recipient is bound by any such post-employment covenants, Recipient represents and warrants that they have provided Franchisee with a copy of the applicable written covenant.

**3.3. Notification.** During the Time Period, Recipient shall notify any new employer or business associate, prior to entering into the employment or business relationship, of the existence of this Agreement and will provide such new employer or business associate with a copy of this Agreement. Recipient further agrees and authorizes Franchisee and OpenWorks to notify others, including customers of Franchisee or OpenWorks and Recipient's future employers or business associates of Recipient's obligations under this Agreement.

**3.4. Tolling of Time Periods.** The running of the Time Period or any period of time specified in Section 2 or Section 3 of this Agreement will be tolled and suspended for any period of time in which the Recipient is found by a court of competent jurisdiction to have been in violation of any restrictive covenant contained therein. Recipient further agrees that the existence of any claim it may have against Franchisee or OpenWorks whether or not arising from this Agreement, shall not constitute a defense to the enforcement by Franchisee or OpenWorks of the covenants contained in this Agreement.

**4. Modification.** The covenants set forth in this Agreement shall each be construed as independent of any other covenant or provision of any other agreement. OpenWorks may reduce the scope of the obligations under the covenants of this Agreement unilaterally and without the consent of any other person or entity, effective upon giving notice thereof to Franchisee and Recipient.

## **5. Remedies.**

**5.1. Recipient's Acknowledgements.** Recipient acknowledges and agrees that in the event of the termination of Recipient's Position with Franchisee, Recipient's experience and capabilities are such that the Recipient can obtain employment and engage in business activities which are of a different or non-competing nature from those of the Position; and that the enforcement of a remedy of injunction will not prevent Recipient from earning a reasonable living. Recipient further acknowledges and agrees that the covenants contained in this Agreement are necessary for the protection of Franchisee's and OpenWorks' legitimate business interests and are reasonable in scope and in content.

**5.2. Injunctive Relief.** In the event of an actual or threatened breach by Recipient of any of the provisions of this Agreement, Franchisee and OpenWorks, or either of them, or their agents, shall immediately be entitled to injunctive relief restraining Recipient from the breach or threatened breach without having to show any actual damage. It is specifically agreed that Franchisee and OpenWorks, or either of them, may incur incalculable and irreparable damage from any such violation, and that Franchisee and OpenWorks, or either of them, have no adequate remedy at law and are entitled to injunctive relief, without bond, for any such actual or threatened violation. Nothing herein shall be construed as prohibiting Franchisee and OpenWorks, or either of them, from pursuing any other available remedies for such breach.

**5.3. At-Will Employment.** If Recipient is an employee, nothing in this Agreement shall affect Recipient's status as an employee at will. Employment of Recipient by the Franchisee may be terminated by either Recipient or Franchisee for any lawful reason at any time with or without cause. Any representation to the contrary is unauthorized and not valid.

**5.4. Authority to Contract.** Unless otherwise specified in writing, Recipient shall have no power to, and Recipient shall not, obligate the Franchisee or OpenWorks in any manner whatsoever to any contract, agreement, undertaking, commitment or other obligation, unless specifically authorized and directed to do so, in advance and in writing by the Franchisee. Further, Recipient shall not, without specific approval of and direction by the Franchisee, borrow on behalf of the Franchisee or OpenWorks, purchase capital equipment, or sell any capital assets of Franchisee or OpenWorks.

**5.5. Enforceability.** Franchisee's or OpenWorks' failure to enforce any provisions of this Agreement shall not constitute a waiver of the Franchisee's or OpenWorks' right to pursue any prior or subsequent breach, violation or default of the Agreement.

**6. Survival.** The provisions of this Agreement shall survive the expiration or termination of any agreement or relationship between Franchisee and Recipient or OpenWorks and Franchisee for any reason, in accordance with the terms hereof and shall be enforceable notwithstanding the existence of any claim or cause of action of Recipient against Franchisee and OpenWorks, or either of them, predicated on any contract or other basis whatsoever.

**7. Severability.** In the event any term or provision of this Agreement is declared to be invalid or unenforceable for any reason, the provision shall be modified to the extent necessary to make it enforceable, or if it cannot be so modified, then severed, and the remaining terms of this Agreement shall remain in full force and effect, and it is hereby declared the intention of the parties that they would have executed the Agreement as so modified.

**8. Notice.** Any notice to be given to Recipient under this Agreement will be sufficient and deemed delivered if it is in writing and delivered to the U.S. Post Office to be sent prepaid by certified or registered mail addressed to Recipient at his or her address as provided below, or to such other address as Recipient shall have provided in writing to both Franchisee and OpenWorks.

**9. General.** Except as otherwise expressly stated herein, this Agreement contains the entire understanding between the parties with respect to the subjects hereof, and supersedes all prior oral and written negotiations and agreements. Except as provided in Section 4 of this Agreement, this Agreement may be amended only by an instrument in writing signed by Franchisee and Recipient and approved in writing by OpenWorks. The waiver of any breach or violation of this Agreement shall not be deemed to amend this Agreement and shall not constitute a waiver of any other or subsequent breach. Headings are for convenience and shall not limit or control interpretation. Words in this Agreement shall be deemed to refer to whatever number and gender the context requires. This Agreement shall be governed by the laws of the state in which Franchisee's OpenWorks business is conducted. Any claim or dispute arising out of or in connection with this Agreement shall be resolved by arbitration held in the City of Phoenix, Arizona, governed by the United States Arbitration Act 9 U.S.C. § 1-16, and conducted by one or more independent arbitrators who are experienced in franchise matters and have no past or present relationship with any party. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their successors and assigns. OpenWorks shall be a third party beneficiary of this Agreement and entitled to enforce it as though OpenWorks were a signatory but shall not be obligated to do so.

**ADDENDUM

REQUIRED BY THE STATE OF ILLINOIS**

This addendum to the Disclosure Document and Franchise Agreement is agreed to this \_\_\_\_\_ and effectively amends and revises said Disclosure Document and Franchise as follows:

Illinois law governs the Franchise Agreement.

Payment of the initial franchise fee/development fees will be deferred until the Franchisor has met its initial obligations to the franchisee and the franchisee has commenced doing business. This financial assurance requirement was imposed by the Office of the Illinois Attorney General due to the Franchisor's financial condition.

In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

**EXHIBIT D**  
**PROMISSORY NOTE**

\$ \_\_\_\_\_

For value received, the undersigned ("Maker") promises to pay to O.P.E.N. America, Inc., an Arizona corporation ("OpenWorks") ("Holder"), at Phoenix, Arizona, the principal sum of \_\_\_\_\_ U.S. Dollars (\$ \_\_\_\_\_), payable in installments as follows:

- (A) One Initial installment of \_\_\_\_\_ Dollars (\$ \_\_\_\_\_), without interest, payable on \_\_\_\_\_, 20\_\_ ; and
- (B) \_\_\_\_\_ (\_\_\_\_) successive equal monthly installments of principal, together with interest at the rate of 12% per year accruing on the unpaid principal from and after the date of \_\_\_\_\_, 20\_\_, each such payment of principal and interest in the amount of \_\_\_\_\_ Dollars (\$ \_\_\_\_\_), with the first such payment to be made on \_\_\_\_\_, 20\_\_, and the remaining payments to be made on the same day of each succeeding calendar month until all such payments have been made, on which date the entire unpaid balance of principal and interest shall be due and payable.

This Note is made pursuant to that certain Franchise Agreement of even date herewith (unless otherwise specified) by and between Maker and OpenWorks ("Franchise Agreement"). All capitalized terms that are not otherwise defined will have the meaning ascribed to them in the Franchise Agreement.

Principal and interest shall be payable in lawful money of the United States of America. Checks shall constitute payment when collected.

Prepayment in whole or in part may be made at any time without notice or penalty. Holder shall have the right to credit all payments received first against accrued but unpaid interest, then against any unpaid principal payment which is due or in default, and shall thereafter credit the remainder of any payment against the last principal payment(s) due under this Note. Holder shall have the right to offset payments due hereunder against any amounts which are or may become payable from Holder to Maker and such offset will not be deemed a default by Holder of any agreement under which such sums or payment is due. Any changes in the ownership of Maker shall not affect the enforceability of this Note.

Should any installment due hereunder not be paid as it matures, the amount of such installment, which constitutes interest shall bear interest at the same rate as principal.

This Note is secured by a Personal Guaranty executed by the owners of Maker, dated as of the same date of this Note.

A default shall be deemed to have occurred in the event (i) the Maker of this Note shall fail to pay any payment under this Note when due; (ii) the Franchise Agreement between Maker and OpenWorks is terminated; (iii) any Act of Default occurs under the Franchise Agreement (as set forth in Section 10.2.1 thereof) or any material breach or default by Maker under any other agreement between Maker and OpenWorks or its Affiliates (as defined in the Franchise Agreement), if the default is not cured within the time permitted, if any, under such agreement; (iv) any Maker of this Note becomes bankrupt or insolvent, or dies; (v) a judgment in excess of One Thousand Dollars (\$1,000.00) is entered

against any Maker and remains unsatisfied for over 30 days; (vi) a levy of attachment, execution or any other process is made against any of the assets of any Maker; (vii) Maker fails to pay, withhold, collect or remit any tax or tax deficiency when assessed or due; (viii) Maker makes a bulk sale or gives notice of an intent to do so; (ix) Maker suspends the conduct of business under the Franchise Agreement; or (x) Holder, at any time in its sole and absolute good faith discretion, believes that Maker's financial condition has become materially impaired or unsatisfactory.

Should a default occur, then the whole sum of principal, and interest thereon which shall then have accrued but which remains unpaid, shall become immediately due and payable at the option of Holder, with default interest on the entire unpaid principal and accrued and unpaid interest from the date of such default until paid at the lesser of (i) the rate of 1% per month, or (ii) the highest rate permitted by applicable commercial usury laws.

It is the intention of the parties hereto to conform strictly to applicable usury laws. Accordingly, if the transactions contemplated hereby would be usurious under applicable law (including the laws of the United States of America), then, in that event, notwithstanding anything to the contrary in this Note, it is agreed that: (i) the aggregate of all consideration which constitutes interest that is contracted for, taken, reserved, charged or received under this Note shall under no circumstances exceed the maximum amount allowed by such applicable law; (ii) in the event the maturity of this Note is accelerated by reason of an event of default, or in the event of any permitted prepayment, then such consideration that constitutes interest under applicable law may never include more than the maximum amount allowed by such applicable law; (iii) and excess interest, if any, provided for in this Note or otherwise shall be cancelled automatically and, if theretofore paid, shall be credited by Holder on the principal amount of this Note (or, to the extent that the principal amount of this Note shall have been or would thereby be paid in full, refunded by Holder to Maker). The acceleration of the maturity of this Note does not include the acceleration of any interest which has not otherwise accrued on the date of such acceleration, and Holder does not intend to collect any unearned interest in the event of acceleration.

Each Maker waives any and all rights or defenses based on suretyship or impairment of collateral including, but not limited to, any rights or defenses arising by reason of (i) any "one action" or "anti-deficiency" law or any other law, including without limitation A.R.S. Sections 12-1566, 33-729 and 33-814, which may prevent OpenWorks or Holder from bringing any action, including a claim for deficiency, against Maker, before or after OpenWorks' or Holder's commencement or completion of any foreclosure action, either judicially or by exercise of a power of sale or (ii) any defenses given to guarantors at law or in equity other than actual payment and performance of the indebtedness.

Each Maker waives demand, diligence, presentment for payment, protest and notice of demand, protest and nonpayment. Each Maker further agrees that the granting without notice of any extension of time for payment of any sum due hereunder, or under any security agreement, guaranty or other instrument securing this Note, or for the performance of any covenant, condition or agreement hereof or thereof, or the taking or release of other or additional security, shall in no way release or discharge the liability of any Maker. Each Maker further agrees that this Note shall be enforceable by Holder notwithstanding the existence of any claim or cause of action by Maker against OpenWorks or Holder.

This Note shall be governed by and construed under the laws of the State of Arizona, without giving effect to the application of any Arizona conflict of law rules. Any proceeding brought by Holder against Maker may be brought in Maricopa County, Arizona, and each Maker and endorser hereof waives all questions of personal jurisdiction and venue for the purpose of carrying out this provision. The dispute resolution provisions of the Franchise Agreement, including arbitration, apply to this Note.

The obligations of each of the Makers under this Note are joint and several, and Holder may enforce this Note against all Makers, or any one or more but not necessarily all Makers. In the event Holder is required to file any action, legal or other, to enforce its rights under this Note, Holder shall be entitled to an award of its reasonable attorneys' fees and costs incurred in connection therewith.

Time is of the essence of this Note and each and every term and provision hereof. Holder's waiver of a default, or delay or failure to exercise any right upon default, or acceptance of late or partial payments, shall not be a waiver of Holder's rights and shall not impair Holder's rights upon other defaults of the same or a different kind.

Each Maker further agrees that the granting without notice of any extension of time for payment of any sum due hereunder, or under any security agreement, guaranty or other instrument securing this Note, or for the performance of any covenant, condition or agreement hereof or thereof, or the taking or release of other or additional security, shall in no way release or discharge the liability of any Maker. Each Maker further agrees that this Note shall be enforceable by Holder notwithstanding the existence of any claim or cause of action by Maker against OpenWorks or Holder.

This Note shall be governed by and construed under the laws of the State of Arizona, without giving effect to the application of any Arizona conflict of law rules. Any proceeding brought by Holder against Maker may be brought in Maricopa County, Arizona, and each Maker and endorser hereof waives all questions of personal jurisdiction and venue for the purpose of carrying out this provision. The dispute resolution provisions of the Franchise Agreement between Maker and OpenWorks, including arbitration, apply to this Note.

The obligations of each of the Makers under this Note are joint and several, and Holder may enforce this Note against all Makers, or any one or more but not necessarily all Makers. In the event Holder is required to file any action, legal or other, to enforce its rights under this Note, Holder shall be entitled to an award of its reasonable attorneys' fees and costs incurred in connection therewith.

Time is of the essence of this Note and each and every term and provision hereof. Holder's waiver of a default, or delay or failure to exercise any right upon default, or acceptance of late or

partial payments, shall not be a waiver of Holder's rights and shall not impair Holder's rights upon other defaults of the same or a different kind.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Change in Accounting Principle***

As discussed in Note 7 to the financial statements, the Company has adopted the provisions of FASB Accounting Standards Codification Topic 842, Leases, as of January 1, 2022 using the modified retrospective approach with an adjustment at the beginning of the adoption period. Our opinion is not modified with respect to this matter.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Note 1 - Principal Activity and Significant Accounting Policies**

### **Principal Business Activity**

O.P.E.N. America, Inc. dba OpenWorks (the Company) was incorporated in the State of Arizona in June 1987. The Company is engaged in the business of providing commercial janitorial services and selling janitorial service franchises to individuals throughout the continental United States. Generally, the Company executes fixed-priced janitorial service contracts for terms of one year or longer and, subsequently, sells the exclusive contract rights to franchisees.

A standard franchise agreement covers a ten-year period and includes an option for the franchisee to renew for two additional ten-year terms. Management anticipates that the renewal options will be exercised. Under a standard franchise agreement, the customers pay the Company which retains a 15% royalty fee. The balance of the amount collected is remitted to the franchisees net of any other amounts due to the Company.

### **Adoption of Accounting Standards Codification Topic 842**

Effective January 1, 2022, the Company adopted the new lease accounting guidance in Accounting Standards Update No. 2016-02, Leases (Topic 842). The Company elected to apply the guidance as of January 1, 2022, the beginning of the adoption period. The comparative financial information and disclosures presented are in accordance with the legacy standard, ASC 840. The standard requires the recognition of right-of-use assets and lease liabilities for lease contracts with terms greater than 12 months. Operating lease costs are recognized in the statements of operations as a single lease cost and finance lease costs are recognized in two components, interest expense and amortization expense. The Company has elected the package of practical expedients permitted in ASC Topic 842. Accordingly, the Company accounted for its existing leases as either finance or operating lease under the new guidance, without reassessing (a) whether the contract contains a lease under ASC Topic 842, (b) whether classification of the operating lease would be different in accordance with ASC Topic 842, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in ASC Topic 842 at lease commencement.

As a result of the adoption of the new lease accounting guidance, the Company recognized on January 1, 2022, the beginning of the adoption period, no cumulative effect adjustment to retained earnings, an operating lease liability of \$1,893,741, and an operating right-of-use asset of \$1,721,004. The finance lease right of use asset and liabilities were recorded as of January 1, 2022 at the carrying value under prior guidance. The adoption of the new standard did not materially impact the Company's Statements of Operations or Statements of Cash Flows. See Note 7 for further disclosure of the Company's lease contracts.

### **Concentrations of Credit Risk**

The Company maintains cash in deposit accounts in federally insured banks. At times, the balance in the accounts may be in excess of federally insured limits.

**Service Accounts Receivable**

Service accounts receivable are uncollateralized customer obligations. Service accounts receivable are stated at the invoice amount and are due upon receipt. These receivables totaled \$22,107,582, \$14,601,259 and 12,680,415 as of December 31, 2022 and 2021 and January 01, 2021, respectively.

Generally, account balances with invoices over 30 days old are considered delinquent. Payments of service accounts receivable are applied to the specific invoices identified on the customer's remittance advice or, if unspecified, to the earliest unpaid invoice.

The carrying amount of service accounts receivable is reduced by an allowance that reflects management's best estimate of amounts that will not be collected. The allowance for doubtful accounts is based on management's assessment of the collectability of specific customer accounts and the aging of the accounts receivable. If there is a deterioration of a major customer's credit worthiness or actual defaults are higher than the historical experience, management's estimates of the recoverability of amounts due the Company could be adversely affected. All accounts or portions thereof deemed to be uncollectable or to require an excessive collection cost are written off to the allowance for doubtful accounts and amounts due for additional accounts purchased by the franchisee.

**Franchisee Receivables**

Franchisee receivables are uncollateralized notes receivable for franchise obligations for initial franchisee fees less any down payment. Notes are for 12 to 48 months at 12% annual interest. Note payments are deducted from the payments due to the franchisees for services performed. Collections on the notes of up to 15% of the franchisees monthly revenue begin when the franchisee begins servicing its first customer. Once the Company has satisfied 50% of its fulfillment obligations, the full monthly note payment is deducted from the amounts paid to the franchisee.

If a franchisee is not generating any revenue for note payments, and no payments are being received from the franchisee, the note is considered delinquent and interest accruals are discontinued. An allowance is established for these accounts and any other accounts that management considers to be uncollectable.

If actual defaults are higher than expected management's estimates of the recoverability of amounts due to the Company would be adversely affected. All accounts or portions thereof deemed to be uncollectable or to require an excessive collection cost are written off to the allowance for doubtful accounts.

**Property and Equipment**

Property and equipment are recorded at cost. Expenditures for renewals and improvements that significantly add to the productive capacity or extend the useful life of an asset are capitalized. Expenditures for maintenance and repairs are charged to expense. When equipment is retired or sold, the cost and related accumulated depreciation are eliminated from the accounts and the resultant gain or loss is reflected in income.

Depreciation is provided using the straight-line method, based on useful lives of the assets which range from three to seven years.

The Company reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of the assets. The factors considered by management in performing this assessment include current operating results, trends and prospects, the manner in which the property is used, and the effects of obsolescence, demand, competition, and other economic factors. Based upon this assessment there was no impairment at December 31, 2022 and 2021.

#### **Payroll Protection Program (PPP) Loan**

The Company was granted a \$3,018,400 loan under the PPP administered by a Small Business Administration (SBA) approved partner. The loan is uncollateralized and is fully guaranteed by the Federal government. The Company initially recorded a note payable and subsequently recorded forgiveness when the loan obligation was legally released by the SBA. The Company recognized \$3,018,400 of loan forgiveness income for the year ended December 31, 2021.

#### **Stockholder Note Receivable**

Stockholder note receivable consists of a note receivable due from the Company's stockholder noting the loan is for personal non-business related matter. Amounts outstanding on the note receivable were \$2,850,000 at December 31, 2022 and 2021, respectively. The note bears interest at 2.36% at December 31, 2022 and 2021, respectively. The outstanding note is due from the stockholder on demand and no later than January 1, 2027 and is presented as a reduction to stockholder's equity in 2022 and 2021.

#### **Income Taxes**

The Company, with the consent of its stockholders, has elected under the Internal Revenue Code to be taxed as an S Corporation. The stockholders of an S Corporation are taxed on their proportionate share of the Company's taxable income. Therefore, no provision or liability for federal income taxes has been included in the financial statements. Certain specific deductions and credits flow through the Company to its stockholders.

The Company evaluates its tax positions that have been taken or are expected to be taken on income tax returns to determine if an accrual is necessary for uncertain tax positions. As of December 31, 2022 and 2021, the unrecognized tax benefits accrual was zero. The Company will recognize future accrued interest and penalties related to unrecognized tax benefits in income tax expense, if incurred.

**Revenue Recognition, Deferred Revenue, and Deferred Costs**

The Company recognizes initial franchise fee and additional franchise volume revenue and associated costs over time as substantially all material services as outlined in the written franchise agreement have been performed and the franchise reaches customer account fulfillment. Franchise revenue and associated costs for which services have not been performed are deferred for recognition in the future. Revenues from initial franchise fees are segregated into initial services, including training and provision of supplies, and initial account offering. Management anticipates that deferred revenue will be recognized within a 12-month period. The associated deferred costs are recorded up to the amount of the deferred revenue less estimated future costs that will be incurred to earn the revenue. Excess costs are expensed as incurred.

Royalty and advertising revenues are considered sales-based royalties that are related to the Company's performance obligation under the franchise agreement and are billed and recognized monthly as sales occur. These revenues are included in service revenues in the statement of operations. The Company has determined the advertising services provided to franchisees are highly interrelated with the franchise right and therefore are not distinct.

Service revenue is recognized over time. Service revenue for which the Company is responsible for the fulfillment of the service and is the primary obligor and is responsible for pricing is recorded on a gross basis while service revenue in which the Company is not the primary obligor and serves as an agent is recorded net of costs paid to the franchisee.

**Sales Taxes**

Various states impose a sales tax on the Company's sales to non-exempt customers. The Company collects sales taxes on certain transactions. The Company's accounting policy is to exclude the tax collected and remitted to the states from revenues and cost of revenues.

**Advertising Costs**

Advertising costs are expensed as incurred. Advertising expense was approximately \$1,100,000 and \$1,200,000 for the years ended December 31, 2022 and 2021, respectively.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## Recent Accounting Pronouncements

In June 2016, the FASB issued Accounting Standards Update 2016-13, Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments (ASU 2016-13), which replaces the incurred loss method of estimating credit losses with an expected loss method referred to as the current expected credit loss (CECL) model. The CECL model is applicable to the measurement of credit losses on financial assets measured at amortized cost, including trade and loan receivables, and held to maturity debt securities. Under the CECL model, an entity measures all expected credit losses for financial assets held at the reporting date based on historical experience, current conditions, and reasonable and supportable forecasts. The standard expands the disclosure requirements regarding an entity’s assumptions, models, and methods for estimating the allowance for loan and receivable losses. The update also requires that credit losses on available-for-sale debt securities be presented as an allowance rather than a write-down of the security.

ASU 2016-13 is effective for the Company in its annual reporting period beginning after December 15, 2022. The Company is currently evaluating the impact the new standard will have on its financial statements and related disclosures.

## Subsequent Events

The Company has evaluated subsequent events through April 19, 2023, the date which the financial statements were available to be issued.

The interest earnings totaled approximately \$649,000 and \$647,000 for the years ended December 31, 2022 and 2021, respectively.

Future maturities of notes receivable, net of allowance for doubtful accounts, are as follows:

| Balance, End of Year       | <u>\$ 766,079</u>  | <u>\$ 1,632,628</u> |

The revolving line bears interest at LIBOR (3.97% and 2.25% at December 31, 2022 and 2021, respectively), as defined by the lender. The line of credit is secured by substantially all of the Company's assets and is personally guaranteed by the stockholder. There was \$7,709,139 and \$0 outstanding on this line of credit at December 31, 2022 and 2021, respectively. The line of credit expires on June 30, 2023. **Note 6 - Deferred Revenue and Costs**

The Company received initial franchise fees which did not meet the requirements for revenue recognition as of December 31, 2022 and 2021. Consequently, recognition of the revenue and related costs will be deferred until the requirements are met. Management believes that the costs related to initial franchises exceed the initial franchise revenue. Excess costs are expensed as incurred.

Deferred revenue consisted of the following at December 31:

The deferred revenue and associated costs will be recognized for each individual franchisee, when the Company has provided the franchisee with the volume of offered accounts purchased by the franchisee. Deferred revenue and related deferred direct franchise costs as of January 01, 2021 was \$1,786,444.

### Note 7 - Leases

The Company leases offices, storage facilities, and equipment in multiple states under various terms under long-term, non-cancelable operating lease and finance lease agreements. The leases expire at various dates through 2025 and provide for renewal options ranging from one year to five years. The Company included in the determination of the right-of-use assets and lease liabilities any renewal options when the options are reasonably certain to be exercised. The leases provide for increases in future minimum annual rental payments based on defined increases in the Consumer Price Index, subject to certain minimum increases. Also, the agreements generally require the Company to pay real estate taxes, insurance, and repairs.

The Company elected the option to use the risk-free rate determined using a period comparable to the lease terms as the discount rate.

The Company elected the practical expedient to not separate lease and non-lease components for real estate leases.

Total right-of-use assets and lease liabilities at December 31, 2022 were as follows:

|                               |                                     |                     |

The Company maintains a defined contribution profit sharing plan covering all eligible employees defined in the plan. Contributions to the plan are discretionary and determined by the board of directors, subject to limitations allowable under applicable provisions of the Internal Revenue Code. The contributions were approximately \$155,000 and \$131,000 for the years ended December 31, 2022 and 2021, respectively.

**Note 9 - Franchise Operations**

**Note 10 - Commitments and Contingencies**

Under the terms of the Company's franchise agreements, the Company can be liable for certain losses or damages arising from the operations of the franchisees' cleaning service. However, the agreements provide that franchisees will indemnify the Company for all such losses resulting from claims against the Company and require franchisees to carry minimum liability insurance of \$4,000,000.

Upon the sale of a franchise, the Company's obligations are to: (1) provide training for the franchisee; (2) provide the initial service account volume purchased; and (3) replace service account volume for customers terminating service within one year of the commencement of service, subject to certain restrictions.

The Company is also subject to certain claims that arise in the ordinary course of business. In the opinion of management, no pending or threatened claims, actions or proceedings against the Company are expected to have a material adverse effect on the Company's operations or financial condition.

Loans issued under the PPP were subject to good-faith certifications of the necessity of the loan request. Borrowers with loans issued under the program in excess of \$2 million are subject to review by the SBA for compliance with the program requirements. If the SBA determines that a borrower lacked an adequate basis for the loan or did not meet the program requirements, the loan will not be eligible for loan forgiveness and the SBA will seek repayment of the outstanding PPP loan balance.

## Independent Auditor's Report

To the Stockholder and Board of Directors  
O.P.E.N. America, Inc. dba OpenWorks  
Phoenix, Arizona

### Report on the Audit of the Financial Statements

#### *Opinion*

We have audited the financial statements of O.P.E.N. America, Inc. dba OpenWorks (the Company), which comprise the balance sheets as of December 31, 2021 and 2020, and the related statements of earnings, stockholder's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

## ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Note 1 - Principal Activity and Significant Accounting Policies****Principal Business Activity**

O.P.E.N. America, Inc. dba OpenWorks (the Company) was incorporated in the State of Arizona in June 1987. The Company is engaged in the business of providing commercial janitorial services and selling janitorial service franchises to individuals throughout the continental United States. Generally, the Company executes fixed-priced janitorial service contracts for terms of one year or longer and, subsequently, sells the exclusive contract rights to franchisees.

A standard franchise agreement covers a ten-year period and includes an option for the franchisee to renew for two additional ten-year terms. Management anticipates that the renewal options will be exercised. Under a standard franchise agreement, the customers pay the Company which retains a 15% royalty fee. The balance of the amount collected is remitted to the franchisees net of any other amounts due to the Company.

**Concentrations of Credit Risk**

The Company maintains cash in deposit accounts in federally insured banks. At times, the balance in the accounts may be in excess of federally insured limits.

**Cash and Cash Equivalents**

Cash and cash equivalents consists of highly liquid investments with an original maturity of three months or less.

**Service Accounts Receivable**

Service accounts receivable are uncollateralized customer obligations. Service accounts receivable are stated at the invoice amount and are due upon receipt. These receivables totaled \$14,601,259 \$12,680,415 and 10,669,306 as of December 31, 2021 and 2020 and January 01, 2020, respectively.

Generally, account balances with invoices over 30 days old are considered delinquent. Payments of service accounts receivable are applied to the specific invoices identified on the customer's remittance advice or, if unspecified, to the earliest unpaid invoice.

The carrying amount of service accounts receivable is reduced by an allowance that reflects management's best estimate of amounts that will not be collected. The allowance for doubtful accounts is based on management's assessment of the collectability of specific customer accounts and the aging of the accounts receivable. If there is a deterioration of a major customer's credit worthiness or actual defaults are higher than the historical experience, management's estimates of the recoverability of amounts due the Company could be adversely affected. All accounts or portions thereof deemed to be uncollectable or to require an excessive collection cost are written off to the allowance for doubtful accounts and amounts due for additional accounts purchased by the franchisee.

**Franchisee Receivables**

Franchisee receivables are uncollateralized notes receivable for franchise obligations for initial franchisee fees less any down payment. Notes are for 12 to 48 months at 12% annual interest. Note payments are deducted from the payments due to the franchisees for services performed. Collections on the notes of up to 15% of the franchisees monthly revenue begin when the franchisee begins servicing its first customer. Once the Company has satisfied 50% of its fulfillment obligations, the full monthly note payment is deducted from the amounts paid to the franchisee.

If a franchisee is not generating any revenue for note payments, and no payments are being received from the franchisee, the note is considered delinquent and interest accruals are discontinued. An allowance is established for these accounts and any other accounts that management considers to be uncollectable.

If actual defaults are higher than expected management's estimates of the recoverability of amounts due to the Company would be adversely affected. All accounts or portions thereof deemed to be uncollectable or to require an excessive collection cost are written off to the allowance for doubtful accounts.

**Property and Equipment**

Property and equipment are recorded at cost. Expenditures for renewals and improvements that significantly add to the productive capacity or extend the useful life of an asset are capitalized. Expenditures for maintenance and repairs are charged to expense. When equipment is retired or sold, the cost and related accumulated depreciation are eliminated from the accounts and the resultant gain or loss is reflected in income.

Depreciation is provided using the straight-line method, based on useful lives of the assets which range from three to seven years or the length of the lease term for leasehold improvements.

The Company reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of the assets. The factors considered by management in performing this assessment include current operating results, trends and prospects, the manner in which the property is used, and the effects of obsolescence, demand, competition, and other economic factors. Based upon this assessment there was no impairment at December 31, 2021 and 2020.

**Goodwill**

Goodwill represents costs in excess of purchase price over the fair value of the assets of businesses acquired, including other identifiable intangible assets.

Goodwill is not amortized, rather potential impairment is considered on an annual basis, or more frequently upon the occurrence of an event or when circumstances indicate that the amount of goodwill is greater than its fair value. As of December 31, 2021 the carrying value of the Company's goodwill was written off.

**Payroll Protection Program (PPP) Loan**

The Company was granted a \$3,018,400 loan under the PPP administered by a Small Business Administration (SBA) approved partner. The loan is uncollateralized and is fully guaranteed by the Federal government. The Company initially recorded a note payable and subsequently recorded forgiveness when the loan obligation was legally released by the SBA. The Company recognized \$3,018,400 of loan forgiveness income for the year ended December 31, 2021.

**Stockholder Note Receivable**

Stockholder note receivable consists of a note receivable due from the Company's stockholder. Amounts outstanding on the note receivable were \$2,850,000 and \$3,550,736 at December 31, 2021 and 2020, respectively. The note bears interest at 2.36% and 1.72% at December 31, 2021 and 2020, respectively. The outstanding note is due from the stockholder on demand and no later than January 1, 2027.

As of December 31, 2021 and 2020, the Company's stockholder has the ability and intent to extend the demand notes beyond the current period. As such, the amount has been reclassified as reductions to stockholder's equity in 2021 and 2020.

**Income Taxes**

The Company, with the consent of its stockholders, has elected under the Internal Revenue Code to be taxed as an S Corporation. The stockholders of an S Corporation are taxed on their proportionate share of the Company's taxable income. Therefore, no provision or liability for federal income taxes has been included in the financial statements. Certain specific deductions and credits flow through the Company to its stockholders.

The Company evaluates its tax positions that have been taken or are expected to be taken on income tax returns to determine if an accrual is necessary for uncertain tax positions. As of December 31, 2021 and 2020, the unrecognized tax benefits accrual was zero. The Company will recognize future accrued interest and penalties related to unrecognized tax benefits in income tax expense, if incurred.

**Revenue Recognition, Deferred Revenue, and Deferred Costs**

The Company recognizes initial franchise fee and additional franchise volume revenue and associated costs over time as substantially all material services as outlined in the written franchise agreement have been performed and the franchise reaches customer account fulfillment. Franchise revenue and associated costs for which services have not been performed are deferred for recognition in the future. Revenues from initial franchise fees are segregated into initial services, including training and provision of supplies, and initial account offering. Management anticipates that deferred revenue will be recognized within a 12-month period. The associated deferred costs are recorded up to the amount of the deferred revenue less estimated future costs that will be incurred to earn the revenue. Excess costs are expensed as incurred.

Royalty and advertising revenues are considered sales-based royalties that are related to the Company's performance obligation under the franchise agreement and are billed and recognized monthly as sales occur. These revenues are included in service revenues in the statement of earnings.

Service revenue is recognized over time. Service revenue for which the Company is responsible for the fulfillment of the service and is the primary obligor and is responsible for pricing is recorded on a gross basis while service revenue in which the Company is not the primary obligor and serves as an agent is recorded net of costs paid to the franchisee.

### **Sales Taxes**

The Company collects sales taxes on certain transactions. The Company's accounting policy is to exclude the tax collected and remitted to the states from revenues and cost of revenues.

### **Advertising Costs**

Advertising costs are expensed as incurred. Advertising expense was approximately \$1,200,000 and \$1,200,000 for the years ended December 31, 2021 and 2020, respectively.

### **Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### **Recent Accounting Pronouncements**

In February 2016, the FASB issued Accounting Standards Update (ASU) No. 2016-02, *Leases (Topic 842)*, which requires lessees to recognize leases on the balance sheet and disclose key information about leasing arrangements. The new standard establishes a right-of-use (ROU) model that requires a lessee to recognize a ROU asset and lease liability on the balance sheet for all leases with a term longer than 12 months. Leases will be classified as finance or operating, with classification affecting the pattern and classification of the expense recognition in the income statement. The new standard is effective for the Company beginning January 1, 2022. The impact of the adoption of this standard will have a material effect on the Company's financial statements.

### **Subsequent Events**

The Company has evaluated subsequent events through March 31, 2022, the date which the financial statements were available to be issued.

**Note 10 - Major Customers**

The Company earned approximately 13% of its service revenues from one major customer during the year ended December 31, 2020. The Company was owed approximately \$840,000 from this major customer at December 31, 2020. There were no concentrations for the year ended December 31, 2021.

**Note 11 - Commitments and Contingencies**

Under the terms of the Company's franchise agreements, the Company can be liable for certain losses or damages arising from the operations of the franchisees' cleaning service. However, the agreements provide that franchisees will indemnify the Company for all such losses resulting from claims against the Company and require franchisees to carry minimum liability insurance of \$4,000,000.

Upon the sale of a franchise, the Company's obligations are to: (1) provide training for the franchisee; (2) provide the initial service account volume purchased; and (3) replace service account volume for customers terminating service within one year of the commencement of service, subject to certain restrictions.

The Company is also subject to certain claims that arise in the ordinary course of business. In the opinion of management, no pending or threatened claims, actions or proceedings against the Company are expected to have a material adverse effect on the Company's operations or financial condition.

Loans issued under the PPP were subject to good-faith certifications of the necessity of the loan request. Borrowers with loans issued under the program in excess of \$2 million are subject to review by the SBA for compliance with the program requirements. If the SBA determines that a borrower lacked an adequate basis for the loan or did not meet the program requirements, the loan will not be eligible for loan forgiveness and the SBA will seek repayment of the outstanding PPP loan balance.
