Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits, or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Item 20.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor’s direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.

Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Prism Specialties Business in my area?	Item 12 and the “territory” provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.

What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends, even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law or other law that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends that franchise or has verified the information in this document. To find out if your state has registration requirements, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The Franchise Agreement requires you to resolve disputes with the Franchisor by mediation and/or litigation only in the city of our national headquarters (currently Livonia, Michigan). Out-of-state mediation and/or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate and/or litigate with the Franchisor in Michigan than in your own state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
3. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.
4. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials that have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if (i) the term of the franchise is less than five years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, tradename, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring arbitration or litigation to be conducted outside this state. This shall not preclude the franchisee from entering into an agreement at the time of arbitration to conduct an arbitration at a location outside this state.
- (g) A provision that permits a franchisor to refuse to permit a transfer of ownership of a franchise except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision that permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, 670 Williams Building, Lansing, Michigan 48913, telephone (517) 373-7117.

THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this Franchise Disclosure Document, "RSFG," "we," or "us" means Restoration Specialties Franchise Group, LLC, the franchisor of this business. "You" or "Franchisee" means the person who buys the franchise and includes your owners if you are a corporation or other business entity.

The Franchise

We franchise the right to operate a franchised business offering the following Service Lines under the proprietary marks we designate (each a "Franchised Business"):

(A) "Art Approved Services" or "Art Services" refers to the offering for sale services and related products for the recovery, repair, and restoration of artwork and collectibles, including paintings, frames, works on paper, photographs, sculptures, murals, mosaics, decorative arts, and other similar collectibles for both residential and commercial consumers using state-of-the-art fire and disaster recovery technologies; and/or

(B) "Electronic Approved Services" or "Electronic Services" refers to the offering for sale services and related products for the recovery, repair, and restoration of electronic equipment and data for both residential and commercial consumers using state-of-the-art fire and disaster recovery technologies; and/or

(C) "Textile Approved Services" or "Textile Services" refers to the offering for sale services and related products for the recovery, repair, and restoration of fabric, clothing, and textiles using state-of-the-art fire and disaster recovery technologies and/or

(D) "Document Approved Services" or "Document Services" refers to the offering for sale services and related products for the recovery, repair, and restoration of documents using state-of-the-art fire and disaster recovery technologies.

Collectively, "Art Approved Services," "Electronic Approved Services," and "Textile Approved Services" are referred to as "Primary Service Lines." Together, the "Primary Service Lines" and "Document Approved Services" are referred to as the "Approved Service Lines".

If we, in our sole business judgment, accept you as a franchisee, you will develop and operate the Franchised Business offering the services for which you are approved under the terms and conditions of the Franchise Agreement. You will be required to sign a Franchise Agreement to provide all available Primary Service Lines in the Primary Area of Responsibility (a "PAR," see Item 12). If you are an existing franchisee offering one or more Service Lines and wish to add an additional Service Line, we may enter into a new Franchise Agreement or addendum to your current franchise agreement, pursuant to which, if approved, you will be permitted and obligated to incorporate, the additional Service Line.

Under the terms of your Franchise Agreement, you will use the trademarks and service marks we designate (the "Trademarks") during the term in connection with the operation of the Franchised Business. We may change, replace, and/or alter the Trademarks at any time during the term of your Franchise Agreement on notice to you, and you will be required to comply with all designated changes. You must operate the Franchised Business following the RSFG franchise system (the "System"), which may include distinctive services and products, designated and approved suppliers, sales and business techniques, operational guidelines, initial and ongoing training programs, and procedures following our specified standards and procedures. As stated above, you will enter into a Franchise Agreement (attached as Exhibit C) for your Franchised Business (or, in the case of an existing franchisee incorporating an additional Service Line, an addendum to the current franchise agreement), which will designate the Service Lines you are authorized and obligated to provide (the "Approved Restoration Services").

The Approved Service Lines all have multiple Service Levels, except for Textiles. All Franchisees are automatically approved to perform Service Level 1 (sometimes called "Tier 1") claims after successfully completing Initial Training for any Service Line they are authorized to service. Service Levels are set by the complexity and scope of the restoration (collectively referred to as "Service Levels"). You may only offer services for the Service Levels you have been authorized to service.

In addition to signing the Franchise Agreement, you must also sign the "Add-On Services Addendum" in the form we designate (a current copy is attached to the Franchise Agreement, Exhibit C to this Disclosure Document), which will designate which Service Lines you are approved to offer.

Art Services

If you offer Art Approve Services, you will use state-of-the-art fire and disaster recovery technologies for the cleaning, repair, and restoration of artwork and collectibles, including paintings, frames, works on paper, photographs, sculptures, murals, mosaics, decorative arts, and other similar collectibles ("Artwork and Collectibles") for both residential and commercial consumers (this process is referred to as "Art Restoration").

Your skillset will determine what Service Levels you are approved to provide, which may include cleaning, repair, restoration, and/or conservation. Should you encounter Artwork and Collectibles that require services beyond your approved Service Level or carry an art insurance rider, you must contact us for approval before performing services on those items. We may authorize you to service the Artwork and Collectibles with or without assistance or require you to refer the items to a location with the appropriate Service Level approval. Approval considerations include training, education, certifications, years of experience, and other similar criteria. We also may require that you complete additional training for more complex items. Considerations for approval for additional Service Levels will be available in our Operation Manual and may be periodically updated.

Electronic Services

If you offer Electronic Approve Services, you will use state-of-the-art fire and disaster recovery technologies for the recovery, repair, and restoration of electronic equipment, data services, and related services, primarily for residential claims.

For any commercial claims, you must contact us for approval before servicing any commercial claim above the Service Level for which you are approved to service. We may authorize you to service the commercial claim with or without assistance. Considerations for approval include items such as staffing, available equipment, experience, and financial qualifications. We also may require that you complete additional training for more complex jobs. Considerations for approval for servicing commercial claims are in our Operations Manual and may be periodically updated.

Textile Services

If you offer Textile Services, you will use state-of-the-art fire and disaster recovery technologies and eco-friendly products for the recovery, repair, and restoration of fabric, clothing, and textiles damaged from fire, smoke, water, or mold ("Textile Restoration").

Document Services

If you offer Document Services, you will use state-of-the-art fire and disaster recovery technologies for the recovery, repair, and restoration of documents.

You will primarily market and sell to insurance restoration contractors, restoration specialty cleaners, insurance claims offices, insurance adjusters, and independent adjusters. Market competition may vary from one geographic area to another, but it is generally considered well-developed as insurance companies increasingly focus on restoration options. The services provided by the Franchised Businesses are not seasonal in nature. Your competitive advantage will be based on your compliance with our System standards, customer service focus, and managerial and entrepreneurial abilities.

Industry Specific Regulations, Licenses and Permits

The Franchised Business will be subject to various federal, state, and local government regulations regulating general businesses. You must comply with all laws that apply to businesses, including laws regulating the storage and/or disposal of waste, solvents, chemicals, and professional cleaning products, consumer protection, operations, and licenses (including, without limitation, all government regulations relating to occupational hazards and health-trade regulations, worker's compensation, and unemployment insurance). If you are a veteran of the U.S. Armed Forces who has been honorably discharged, you may be eligible to receive a \$2,000 discount off the Initial Franchise Fee for the first Franchise / Service Line awarded to you.

Subsequent Franchise

You may apply to develop a second Franchised Business offering Restoration Services in a new PAR. If we approve your request to award you an additional franchise, provided that you are in compliance with your existing Franchise Agreement(s), you must pay the then-current Initial Franchise Fee and Turn-Key Business Package rates. See Item 12 for more details on the approval requirements.

In our most recent fiscal year, Franchisees paid Initial Franchise Fees ranging between \$17,500 and \$17,500, which were for existing locations that added an additional service line.

In our most recent fiscal year, Franchisees paid Turn-Key Business Package Fees ranging from \$2,600 to \$7,900, with the low end being for a Transfer Package and the high end for an existing franchisee that adds the textile service line.

As described further in Item 10, we may finance the Initial Franchise Fee and Turn-Key Business Package Fee. Under our financing arrangement, the Initial Franchise Fee and Turn-Key Business Package Fee are paid in two installments. The first installment of \$20,000 is due and payable when you sign the Franchise Agreement (\$10,000 to be applied to the Initial Franchise Fee and \$10,000 to the Turn-Key Business Package). If you choose to pay the Initial Franchise Fee and Turn-Key Business Package Fee in

two installments, you will sign a Promissory Note (in the form attached as Appendix D to the Franchise Agreement for the remaining balance, which will be due as follows: The Franchise Fee is due within thirty (30) days of signing the Promissory Note, and the Initial Package Fee is due at the earlier of (i) four months following the date of the Promissory Note or (ii) one month prior to your attending our Initial Training Program. No interest will be assessed provided the balance is paid within 30 days of the date of the Promissory Note. If the balance is not paid within this timeframe, interest will be assessed at an annual percentage rate of 9.9%. We reserve the right not to order or ship the Turn-Key Business Package until payment has been made in full.

Except for any amounts financed as noted above and in Item 10, all fees disclosed in Item 5 are earned by us upon receipt and are non-refundable.

Notes:

- (1) The table above provides recurring or isolated fees or payments that you must pay to us or our affiliates or that we or our affiliates impose or collect in whole or in part on behalf of a third party or that you are required to spend by the Franchise Agreement. All fees and expenses described in Item 6 are nonrefundable. All fees are fully earned upon receipt.

Except for the Initial Franchise Fee, you must pay all fees and other amounts owed to us and/or our affiliates through an electronic funds transfer program (the "EFT Program"), under which we automatically deduct all payments owed to us and/or our affiliates, from the bank account you provide to us for use in connection with EFT Program (the "EFT Account"). You must immediately deposit all revenues from the operations of your Business into this bank account by the Saturday of the week in which you received the monies, including cash, checks, and credit card receipts. At least ten days prior to opening the Franchised Business, you must provide us with (i) your bank's name, address, and account number and (ii) a voided check from the bank account. You must immediately notify us of any change in your banking relationship, including any change to the EFT Account. We reserve the right to require you to pay any fees due under by other means as we may specify from time to time. If any Gross Revenue Report has not been received within the required time period, then we may process an electronic funds transfer for the subject month based on the most recent Gross Revenue Report you submitted, provided that if a Gross Sales

Report for the subject month is subsequently received and reflects: (i) that the actual amount of the fee due was more than the amount of the electronic funds transfer, then we may withdraw additional funds through an electronic funds transfer from your designated bank account for the difference; or (ii) that the actual amount of the fee due was less than the amount of the electronic funds transfer, then we will credit the excess amount to the payment of your future obligations.

- (2) We may change any due date with 30 days written notice to you.
- (3) “Gross Sales” means the aggregate of all sales and other income from the Business and any sales or other income resulting from your conduct of any business outside the Business involving the System or the Trademarks. Gross Sales include all proceeds from any business interruption insurance but exclude any and all sales and other taxes that you collect from customers and pay to any governmental authority. In addition, you will pay all state and local taxes, including, without limitation, taxes denominated as income or franchise taxes, that may be imposed on us as a result of our receipt or accrual of any fees or payments due from you to us (or our affiliates) under the Franchise Agreement, whether assessed against you through withholding or other means or whether paid by us directly. In either case, you will pay to us (and to the appropriate governmental authority) such additional amounts as are necessary to provide us, after taking such taxes into account (including any additional taxes imposed on such additional amounts), with the same amounts that we would have received or accrued had such withholding or other payment, whether by you or by us, not been required.
- (4) Following your first full year of operation, each month during the term of this Agreement, you must pay us a minimum monthly royalty fee. The Minimum Monthly Royalty is based on years of operation and the number of Primary Service Lines that you operate, and it is per PAR, as outlined in the table below.

Years in business	Minimum Monthly Royalty per PAR		
	Single Primary Service Line	Two Primary Service Lines	Three Primary Service Lines
Year 1	No Minimum	No Minimum	No Minimum
Year 2	\$1,050	\$1,575	\$2,100
Year 3	\$1,275	\$1,913	\$2,550
Year 4	\$1,425	\$2,138	\$2,850
Years 5 or more	\$1,650	\$2,475	\$3,300

Should you not meet the Minimum Monthly Royalty, then we may charge you a fee for the difference (the “Shortfall”). For example, if the Minimum Monthly Royalty is \$1,425 in a month, and you paid royalty of \$1,000, then the minimum royalty fee would be \$425 (\$1,425-\$1,000).

However, it is agreed that if you have met the Minimum Monthly Royalty requirement in a PAR over the last rolling 12-month period, then we will not assess the Minimum Monthly Royalty for that month for that PAR. For example, if your Minimum Monthly Royalty is \$3,300, and you paid royalties in that PAR of \$0 in a given month, AND you had also paid \$39,600 in royalties over the last 12 months for that PAR, then the Minimum Monthly Royalty for that month in that PAR would be \$0. However, if you had paid \$30,000 in royalties over the last 12 months in that PAR, then the Minimum Monthly Royalty in that PAR for that month would be \$9,600.

In addition, should we assess a Shortfall for three or more months in a twelve-month period, then we may also elect to establish another franchisee or affiliate in your PAR and/or allow another franchisee or an affiliate to advertise and service customers located inside your PAR.

The Minimum Monthly Royalty applicable to the Business you operate may vary from the performance standards applicable to other RSFG Franchised Businesses due to geographic area and other variables. We reserve the right to adjust the Minimum Monthly Royalty requirement for oversized PARs.

- (5) You must pay us a national marketing fund contribution to our national marketing fund (the “National Marketing Fund”) of two percent (2%) of your total Gross Sales each month (the “National Marketing Fund Contribution”) in the same manner as you are required to pay your Royalty Fee. Please see Item 11 of this disclosure document for additional information regarding the Fund and your other advertising/marketing obligations.
- (6) As further described in Item 11, we may designate a local advertising market and require you to contribute to and participate in an advertising cooperative. Each Franchisee will be a member of the advertising cooperative, regardless of the Service Lines offered. Each Franchised business within an advertising cooperative, including contributing Affiliated Businesses, will be a member of the cooperative and have one vote per business. The contribution amount designated by the cooperative is a minimum of the greater of 1% of Gross Sales or \$5,000 per business per year, with a maximum of the greater of 1% of Gross Sales or \$25,000 per business per year, unless all voting businesses (Franchise and Affiliate owned) unanimously agree to increase the fee beyond the maximum.
- (7) If you elect to purchase additional licenses, additional fees may apply. Currently, the cost for additional licenses ranges from \$1-\$25 per week, depending on the services you choose. Currently, and subject to change, the technology fee includes two licenses to our suite of software (desktop and mobile app), a license to Xact, and a subscription to a customer satisfaction measurement system. Additionally, we are currently giving you, at no cost, two email licenses and a forwarding (claims) email license.
- (8) You (or your required attendees) may be required to repeat, at your sole expense, all or any portion of the Initial Training Program if, in our sole judgment, we determine that you (or any of your required attendees) failed to acquire or understand any of the critical skills, knowledge and/or abilities needed to operate the Business. If you or a member of your staff is required to repeat any or the entire Initial Training Program, you will pay our then-current fee, which we estimate may be up to \$1,250 per person per week. The training fee will apply to any new Designated Manager (as defined in Item 16).
- (9) The NSF fee currently is \$37 per returned payment. This cost may increase but may be no higher than our actual costs incurred due to the returned payment, plus \$5 per returned payment as an administrative processing fee.
- (10) You must maintain accurate business records, reports, accounts, books, and data relating to the operation of your Franchised Business. We and our designees retain the right to inspect and/or audit your business records, which includes your call logs related to your Franchised Business, at any time during normal business hours, without notice, to determine whether you are current with suppliers and/or otherwise are operating in compliance with the terms of the Franchise Agreement and Operations Manual. In the event any such audit discloses an understatement of amounts reported or paid to us, you agree to pay to us the amount due, plus interest (at the rate and on the terms provided for herein) from the date originally due until the date of payment. Furthermore, you must reimburse us for our costs and expenses associated with conducting the audit in the event: (i) such audit is made necessary by your failure to timely furnish reports, supporting records, other information, or financial statements required under the Franchise Agreement; or (ii) if that audit reveals an understatement of greater than two percent (2%). These costs and expenses include, without limitation, our legal and accounting fees, travel, lodging, and meal expenses, as well as applicable per diem charges for our employees. The foregoing remedies are in addition to our other remedies and rights under the Franchise Agreement and/or applicable law. In the event any audit

reveals that your information has been inaccurately reported, we reserve the right to audit other entities owned, controlled by, or affiliated with you.

- (11) Should you be in default of the Franchise Agreement, in lieu of termination, and in addition to any other remedies under the Franchise Agreement, we may elect to assess a non-compliance fee of \$1,000 per occurrence.
- (12) If we prevail in any action or other legal/administrative proceeding brought against you arising out of the Franchise Agreement or any other agreement with us, you must reimburse us for our reasonable attorneys' fees and other costs paid that we incurred in such proceedings in the event we prevail. If you bring any legal action to interpret or enforce the terms of the Franchise Agreement or any other agreement with us, and your claim in such action is denied or the action is dismissed, then we are entitled to recover our reasonable attorneys' fees, and all other reasonable costs and expenses incurred in defending the matter, and to have such an amount awarded as part of the judgment in the proceeding.
- (13) You are solely responsible for and must indemnify and hold us harmless for all loss, damage, claims, or demands arising out of, or related to, the operation of your Franchised Business. Your indemnification obligations are described more fully in the Franchise Agreement.

Notes:

All fees and payments are non-refundable unless otherwise stated or permitted by the payee. The chart above estimates your initial investment to begin operating a Franchised Business. Actual costs will vary for each franchise location depending on several factors, including the Approved Services you are authorized and obligated to provide under the Franchise Agreement, the number of Service Lines offered, the market conditions, and the geographic location of your Franchised Business.

The Document Service line is only sold as part of a one, two, or three Service Line purchase. Any costs for operating the Document Service Line are reflected in the one, two, or three Service Lines as listed above.

(1) Initial Franchise Fee. You must purchase all available Approved Service Lines in the PAR. The Initial Franchise Fee is \$85,000 for all Approved Service Lines. We reserve the right to discount the Initial Franchise Fee by \$17,500 for each Primary Service Line unavailable. As outlined further in Items 5 and 10, we may finance the Initial Franchise Fee. A down payment of \$10,000 is required, and we may finance up to \$75,000. The interest rate is 0% if paid within the first thirty (30) days of signing the franchise agreement; if not paid within that time, the interest rate is 9.9% APR. If we were to finance the maximum amount of \$75,000, and you paid four months after signing, the estimated lump payment due would be \$77,482. See Items 5 and 10 for further details.

(2) Rent. As noted in the Operations Manual, you will need to acquire a physical location for the Business that meets our site-specific and architectural requirements. Among other requirements noted in the Operations Manual, the business's physical location must be outside your home and inside your PAR. The ideal location is approximately 2,500-3,500 sq ft for one service line, 3,500-4,500 sq ft for two service lines, and 4,500-5,500 sq ft for three or more service lines. Provided your proposed location for the Business satisfies our site selection criteria, we will not unreasonably withhold our acceptance of the site. The low rental estimate assumes rent for three months for the above-referenced low end of the square foot requirements at \$10 a square foot, and the high estimate assumes rent for three months for the above-referenced high end of the square foot requirements at \$24 a square foot. Some markets may experience higher or lower lease rates. Rental charges and terms will vary. You should consult a local real estate expert.

(3) Leasehold Improvements. You may be able to negotiate some of the leasehold improvements with your landlord. The low end is if you can find a facility that already has a lot of the requirements in place or where the landlord is willing to assume the cost. The high end is if you need to pay for them yourself. It includes items such as constructing a hydroxyl room (all Service Lines), a drying room (Textiles), adding in the required electrical, natural gas, and waterline requirements, ensuring proper ventilation, a drain trough (Textiles), hot water heater (Textiles), as well as building any offices and distinctions between Service Lines, etc.

(4) Security Deposits, Professional Fees, Business Licenses and Permits. A security deposit may be required by the lessee. Utility companies may require that you pay a deposit prior to installing telephone, broadband, gas, electricity, and related utility services. A typical utility security deposit is one month's expense. These deposits may be refundable in accordance with the agreements made with the utility companies and landlord. This estimate includes one month's rent as a security deposit to the landlord. You may also be required to acquire certain business licenses and/or permits as required by local and state laws and regulations.

5) Insurance. You must procure and maintain insurance throughout the term of the Franchise Agreement in such amounts that, at a minimum, meet the requirements outlined by us in writing, including commercial business and vehicle insurance. The actual cost of insurance and your payment schedule will vary based on various factors, including, without limitation, your insurer, policy limits, type of policies procured, commercial lease requirements (if any), nature and value of physical assets of the Business, number of employees, square footage, contents of the Business, geographical location, make and year of vehicle, credit score, your local market conditions and other factors bearing on risk exposure. Our estimate is for three months of the minimum level of insurance as outlined in Item 8 and Article 10. C.

(6) Training. You must arrange to attend our Initial Training Program and pay for all related expenses, including transportation, lodging, and meals. If applicable, your Designated Manager and Principal Operator (if a different person) must also attend the Initial Training Program. The amount spent will depend, in part, on the distance you must travel and the type of accommodation you choose. The typical training starts online. The in-person portion is one week in person for a single line to be attended by three people. If you add Art Services as a second Service Line, that training is one week in person for one person. There is no in-person requirement for Textiles if they are added as a second or third Service Line. All training in Document Services can be done online. Additional employees may attend training; however, you must pay our then-current daily training fee and all other related costs and expenses (e.g., travel, meals, etc.). These

figures do not include wages. These ranges assume a Franchisee, a BDM, and one additional employee per Service Line.

(7) Vehicle. In connection with the Business operations, you must acquire a vehicle with the minimum specifications noted in the Operations Manual. If you are entering into a Franchise Agreement to provide only Art Services or only Textile Services, you will need to acquire a transit. All other service line combinations require that you acquire a 16-foot cargo van. The ranges are for a lease, with the low range being for a white Transit-350, High Roof Super-Length Cargo Van, and the high range for a white Isuzu NPR-HR 150" WB 16' Box Truck with a lift gate. You also have the option to acquire a 2018 or newer model with under 60,000 miles. The vehicles must be painted according to our color and design specifications, and the trademarks must be professionally applied before the vehicle is put into service. The range in the table above includes the first three months of estimated lease payments (based upon a 5-year lease). The amount you will pay will depend on the amount of your down payment (if any). Your expenses may be higher than the estimate, depending on whether you purchase or lease a new vehicle.

(8) Turn-Key Business Package. The Turn-Key Business Package consists of various products and goods specified in the Operations Manual, including (i) equipment necessary to perform the Approved Services, (ii) software, (iii) initial inventory, (iv) office equipment and supplies; (v) vehicle decals; (vi) tools and equipment; (vii) marketing supplies; and (vi) uniforms. As outlined in Items 5 and 10, we may finance the Turn-Key Business Package.

The cost for the Turn-Key Business Package is \$45,820 for all Primary Service Lines, \$36,800 - \$42,250 for two Primary Service Lines, and \$30,185 - \$33,640 for one Primary Service Line. The ranges are calculated as follows: Electronic Services - \$33,640; Art Services - \$30,525; Textile Services - \$30,185; Art plus Electronic Services - \$36,800; Art plus Textile Services - \$39,810; and Electronic plus Textile Services - \$42,250. If this is a Transfer Business, you are not required to purchase the Turn-Key Business Package, but you will need to purchase the Transfer Package, which is \$3,555. If you are an existing Franchised Business adding Textiles, the cost is \$9,450. If you request and are authorized to provide Document Services in connection with the operation of the Franchised Business, as of the issuance date of this Disclosure Document, we do not require you to purchase a Turn-Key Business Package fee for the incorporation of the Document Services.

A \$10,000 down payment is required; we may finance up to \$35,820. The interest is 0% if paid at the earliest of one hundred and twenty (120) days after signing the franchise agreement or one month before attending Initial Training, whichever comes first. The interest rate is 9.9% APR if not paid within that time. If we were to finance the maximum amount of \$35,820, and you paid four months after signing, the estimated lump payment due would be \$35,820. See Items 5 and 10 for further details.

(9) Equipment and Supplies. You must acquire and maintain additional equipment and supplies for the franchised business. We estimate this to be \$6,655 - \$31,540 for one Primary Service Line, \$8,270 - \$33,040 for two Primary Service Lines, and \$18,478 - \$34,540 for three or more Primary Service Lines. This includes things such as specialty items for performing restoration, with the low end being if you purchase used and the high end if you purchase new, as well as computers, office fixtures, and other general supplies.

(10) Telephone System. You must acquire and maintain a dedicated business telephone number; you may be required to acquire this from our approved vendor. You also must maintain the ability to send and receive faxes. We reserve the right to require you to use a call center we designate to answer your incoming sales calls. We will give you 30 days' notice if we require you to use a call center. These estimates include one phone number per Service Line with two receivers.

(11) Software Fees. You must purchase the software that we require. The Technology Fee is due to us each week once you train. It is currently \$243 per week if you purchase all service lines, \$177 per week if you purchase one primary service line, and \$212 per week if you purchase two primary service lines. There is also an additional charge, currently \$1-25, for additional users, depending on your selected services.

Textile Services also requires you to purchase iCat, which currently has a \$750 down payment and is then \$250 per month.

(12) Local Sales and Marketing. During your first three months of operation, we highly recommend, but do not require, that you spend money on marketing to support your sales efforts. You will work with us to develop your local sales and marketing plan and determine which options you will choose to devote your financial resources to. This may include things such as attending area meetings, joining claims associations, hosting events, direct mail or email marketing campaigns, social media, branded merchandise, entertainment, or other items we have approved. It does not include personnel or travel costs.

(13) Additional Funds. This amount of working capital is projected as sufficient to cover initial operating expenses, payroll costs, gasoline and general auto maintenance, royalty, national marketing fund fees, national account fees, and any other general business expenses for a period of 3 months. The cost assumes your cell phone has GPS and a high-resolution camera, so you do not need to purchase those items separately. The estimate of additional funds does not include an owner's salary or draw. These figures are estimates only.

This estimate is based on our franchisees' experiences and our estimate of average costs and market conditions prevailing as of the date of this Disclosure Document.

(14) Total. This total is an estimate of your initial investment. It is based on our franchisee's experience and our estimate of average costs and market conditions prevailing as of the date of this Disclosure Document. You should review these figures carefully with a business advisor before purchasing the franchise.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must operate your Franchised Business in strict conformance with our methods, standards, and specifications, which we prescribe in our confidential operations and training manual and various other confidential manuals and writings prepared by us for use by you in operating a Franchised Business (collectively the "Operations Manual"), and which we may change and modify in our sole discretion. The Operations Manual shall remain confidential and is our exclusive property. You shall not disclose, duplicate, or make any unauthorized use of any portion of the Operations Manual. The Operations Manual's provisions constitute the Franchise Agreement's provisions as if they were fully written in the Franchise Agreement. You shall ensure that your copy of the Operations Manual is current and up to date. If there is a dispute relating to the contents of the Operations Manual, the master copy, which we maintain at our corporate headquarters, will control.

Approved Services

You may only offer Approved Restoration Services from your Franchised Business. We will provide you with a list of the Approved Restoration Services. All Approved Restoration Services must meet our standards and specifications. We have the right to require you to purchase certain items from us or other suppliers or distributors approved or designated by us to (i) better assure the quality of the Approved Restoration Services, (ii) assure the supply of the Approved Restoration Services, and/or (iii) enable us, in our sole discretion to take advantage of marketplace efficiencies. You will not receive any material benefit from purchasing from approved or designated suppliers.

You must offer services in the manner we prescribe and otherwise operate the Franchised Business in such a manner that will serve to emulate and enhance the image we intend for the System.

We may formulate and modify our standards and specifications for products and services based on our collective experience and that of our franchisees. Our standards and specifications may be described in the Franchise Agreement, the Operations Manual, and/or other written documents. We have the right, under the Franchise Agreement, to change the standards and specifications applicable to the operation of the

Franchised Business, including standards and specifications for services, products, signs, furnishings, supplies, fixtures, and equipment by written notice to you or through changes in the Operations Manual. You may incur an increased cost to comply with these changes, which you must pay at your own expense; however, no change will materially alter your fundamental rights under the Franchise Agreement.

We reserve the right to derive revenue from your required purchases. We derived revenue of \$396,236 from Franchisees for required purchases or leases, which was 6% of our total revenue of \$6,899,862, according to our 2023 audited financial statements, included as Exhibit B. In 2023, we expect to derive 6% of our revenues from required purchases or leases, although, as further noted below, we may derive revenue from required purchases or leases in the future.

We estimate that the items and services you must purchase or lease in accordance with our specifications will represent approximately 80% to 90% of total purchases or leases you will make to begin operations of the Business and that they will be 60% to 80% of the total purchases or leases required in the ongoing operation of the Business.

Approved Supplies and Vendors

The Operations Manual contains a list of approved manufacturers, vendors, suppliers, and distributors (“Approved Vendors List”), as well as approved products, equipment, computer hardware and software, technology, trademarked items, supplies, and other items or services necessary to operate the Business (“Approved Supplies List”). The Approved Vendors List may specify the specific manufacturer of a specific product, service, or piece of equipment. Unless we specify in writing to the contrary, you may purchase the specific product from any approved source that carries the specific approved products. Occasionally, we, an affiliate or a third-party vendor or supplier, may be the only approved vendor for certain products or services.

Currently, you must purchase the following products and/or services only from our affiliate, ERS Depot: The Turn-Key Business Package, ERS Depot branded chemicals, most additional chemicals, certain apparel, certain equipment, and other items that bear the trademarks we designate vehicle logos, and Software Licenses. We reserve the right to modify this list with 30 days’ notice to you, and such updates will be listed in our Operations Manual. The items included in the Turn-Key Business Package may be shipped F.O.B. from ERS Depot or approved suppliers, but you will pay ERS Depot directly for the Turn-Key Business Package. You will pay the then-current price for all products and services you receive from us or an affiliate.

The owners of RSFG also wholly own ERS Depot, which sells ERS Depot branded chemicals, the Turn-Key Business Package, additional chemicals, general job supplies, print materials, vehicle decals, certain equipment, and the other items noted in the prior paragraph. No other officer of the Franchisor owns an interest in any approved supplier. In 2023, ERS Depot’s total revenues from the sale of required purchases or leases to Franchisees was \$114,864.05.

You must use products approved by us. We establish and modify specifications and standards for approved supplies based on our ongoing review of using quality products through our affiliates’ operation of their respective businesses and our communications with manufacturers and vendors. The lists also may include other specific supplies, products, services, or equipment without reference to a particular manufacturer, or they may set forth the specifications and standards for other approved supplies. For example, you must obtain a telephone system from an approved supplier and purchase or lease a vehicle that meets our specifications and requirements as outlined in the Operations Manual. We may revise the Approved Vendors List and Approved Supplies List from time to time, which will be maintained in the Operations Manual. We will give you at least ten days written notice before any change is required.

We may form strategic alliances with certain vendors. We and our affiliates reserve the right to receive rebates or other consideration from vendors in connection with your purchase of goods, products, supplies, and services as described in Item 8. Most of these rebates will be calculated based on the quantity sold. We will retain and use such payments as we deem appropriate or as the vendor requires. We or our

affiliates also may derive revenue from items or services that we sell directly to you by charging you more than the cost. For example, you will pay the then-current price in effect for restoration services, ERS Depot branded chemicals, and other products and services for which we or our affiliates are the sole suppliers. In some cases, the cost of these items may be higher than the cost of comparable products and services on the market. In 2023, we received \$648.84 in rebates for purchases by Franchisees from Spectrum. Other than this, neither we nor any of our affiliates received revenue for any of these services.

There currently are no purchasing or distribution cooperatives. We may negotiate prices for products or services for the benefit of the System but not on behalf of individual franchisees. This does not guarantee that the price for these products or services will be lower than other similar products on the market. We are not aware of any purchasing or distribution cooperatives in the system. We do not provide material benefits to you (for example, renewal or granting additional franchises) based upon your purchase of specific products or services or use of specific suppliers. You may use only marketing and promotional materials that meet the standards described in Item 11.

Supplier Testing and Approval

Except for instances where we designate a single source vendor (for example, the items you must purchase from ERS Depot), if you want to offer for sale at the Business any brand of product or services or to use in the operation of the Business any material, item, service or supply that is not then approved by us, or to purchase any product or service from a vendor that is not then designated by us as an approved vendor, you must notify us in writing and obtain our written approval prior to use. If requested by us, you must submit samples and other information as we require for testing or to otherwise determine whether the product, material, service, or supply or the proposed vendor meets our specifications and quality standards. We will generally notify you of vendor approval or disapproval within 60 days of receiving all the information and samples we request. We may re-inspect the facilities and products of any vendor or item or supply and revoke our approval of any vendor or item or supply that fails to continue to meet any of our criteria. We will send written notice of any revocation of an approved vendor or item. If we incur any costs in connection with testing a particular product or evaluating an unapproved supplier at your request, you or the supplier must reimburse us for our reasonable testing costs, regardless of whether we subsequently approve the item or supplier. We are not required to approve any particular supplier. We may base our approval of any proposed item or supplier on considerations relating not only directly to the item or supplier itself but also indirectly to the uniformity, efficiency, and quality of operation we deem necessary or desirable in the System as a whole. We are not required to approve an unreasonable number of suppliers for a given item, which approval might, in our reasonable judgment, result in higher costs or prevent the effective or economical supervision of approved suppliers. We may revoke our approval of products or suppliers when we determine, in our sole discretion, that such products or suppliers no longer meet our standards. Upon receipt of written notice of such revocation, you must cease purchasing products from such supplier. You must use products purchased from approved suppliers solely in connection with the operation of your Franchised Business and not for any competitive business purpose.

We apply the following general criteria in approving a proposed vendor: (1) ability to deliver product or offer service in conformity with our specifications; (2) willingness to protect the secrets behind the uniqueness of a product and service without dissemination to others; (3) production, supply considerations, and delivery capability; (4) reputation and integrity of vendor; and (5) financial condition and insurance coverage of the vendor.

Advertising

We must approve all advertising before the first publication or use.

Insurance

You must procure and maintain during the term of the Franchise Agreement insurance policies protecting you, your employees, and us, our officers, employees, and other persons that we designate by

name, against all loss, liability, fire, personal injury, death, property damages, or theft arising from, or occurring in connection with, the operation and promotion of the Business. The insurance coverages noted below reflect the minimum amounts of coverage we require; it is not meant to reflect the actual needs you may have or other state-mandated coverage, and it is your sole responsibility to carefully evaluate whether such minimums will adequately meet your needs and state requirements (i.e., flood insurance, employment practices liability, pollution or major medical, etc.). We may require you to purchase insurance from a specific provider(s).

You must maintain these insurance levels throughout the term of your Franchise Agreement. You must provide us with proof of coverage on demand. You must obtain these insurance policies from insurance carriers that are rated “A” or better by Alfred M. Best & Company, Inc. and that are licensed and admitted in the state in which you operate your Franchised Business. All insurance policies must (i) name us (and our members, officers, directors, and employees) as additional insureds and (ii) contain a waiver by the insurance carrier of all subrogation rights against us. Furthermore, you shall be required to provide ten days prior written notice of the termination, expiration, cancellation, or modification of any insurance policy.

You must annually submit insurance certifications that demonstrate compliance with our insurance requirements. If you fail to comply with the minimum insurance requirements, we have the right to obtain such insurance and keep it in force and effect, and you shall pay us, on demand, the premium cost and administrative costs of 18% in connection with our obtaining the insurance. We have the right to increase or otherwise modify the minimum insurance requirements upon written notice to you, and you shall comply with any such modification within the time specified in the notice.

The insurance requirements are as follows:

- (1) Commercial General Liability, Contractor’s Pollution Liability Insurance, and Professional Liability Insurance. Coverage for “bodily injury,” “property damage,” and “personal and advertising injury” with no exclusion or limitation applying to the products / completed operations liability coverage. Limits must be at least \$2,000,000 general aggregate, \$2,000,000 products and completed operations aggregate, \$1,000,000 personal and advertising injury limit, and \$1,000,000 per occurrence.

Limits must specifically confirm coverage for pollution, including mold and lead, with minimum limits of \$1,000,000 each incident, with \$1,000,000 aggregate. The limited liability pollution endorsement does not meet the pollution insurance requirement. Contractual liability coverage including the assumed personal and advertising injury endorsement must be included to cover the indemnity provisions of this Franchise Agreement. The exclusion for employer’s liability shall not apply to claims for covered contractually assumed liability claims.

Such policy shall contain a waiver of subrogation endorsement as to claims against Restoration Specialties Franchise Group, LLC.

Restoration Specialties Franchise Group, LLC shall be named as an additional insured on this policy on a primary and noncontributory basis and with both a CG-2037 Products/Completed Operations Form and a Grantor of Franchise Form CG2029 or an insurer’s comparable form.

- (2) Automobile Liability Insurance. You are required to maintain insurance with a combined single limit (“CSL”) of \$1,000,000 for bodily injury and property damage for all owned or leased vehicles and include hired and non-owned vehicles. Additionally, coverage for uninsured motorists and under-insured motorists will be equal to the CSL.
- (3) Workers’ Compensation and Employers’ Liability. Statutorily required workers’ compensation insurance and employer’s liability insurance are required to be maintained with limits of at least \$500,000 by accident, \$500,000 by disease, and a \$500,000 policy limit. In “Monopolistic States,”

including Ohio, North Dakota, Washington, Wyoming, and West Virginia, “Stop Gap” coverage must be purchased separately or added to the commercial general liability policy and/or worker’s compensation and employers’ liability policy. “Stop Gap” in Ohio must not contain exclusion with the "substantially certain to occur" language.

- (4) Employee Dishonesty Insurance. You are required to maintain employee dishonesty insurance with minimum limits of \$50,000 per loss and such coverage is to also cover acts of stealing against third parties. This coverage must increase by \$50,000 for each \$4,000,000 in annual Gross Sales achieved up to \$250,000 per loss (for example, at \$4,000,000 in Gross Sales, your bond would need to increase to \$100,000 at \$8,000,000 to \$150,000, etc.)
- (5) Umbrella or Excess Liability Insurance. You are required to maintain a commercial umbrella liability insurance policy with minimum limits of \$1,000,000 per occurrence and aggregate and shall list the commercial general liability, pollution liability, and automobile liability as scheduled underlying policies. This policy will need to increase by \$1,000,000 per occurrence and aggregate for each \$4,000,000 in Gross Sales achieved up to \$10,000,000 per occurrence and aggregate (for example, at \$4,000,000 in Gross Sales, you would need to increase this to \$2,000,000, at \$8,000,000 to \$3,000,000, etc.).
- (6) Property Coverage: You are required to maintain insurance on your business personal property at amounts equivalent to replacement value.

You must also carry insurance coverage for property of others in your care, custody, and control (including work in progress), with minimum limits equal to the value of goods in your possession at any one time, or \$250,000, whichever amount is higher.

You must carry business income and expense coverage for twelve months.
- (7) Bailees Legal Liability: You are required to maintain Bailees Legal Liability Insurance, covering the liability for damage to Customer’s goods, which must have minimum limits equal to the value of goods in your possession at any one time, or \$250,000, whichever amount is higher.
- (8) Motor Truck Cargo: You are required to maintain motor truck cargo insurance to cover goods in transit at a minimum of \$100,000 per incident.

You are required to comply with any state, county, local, or other municipal insurance requirements.

You should carefully review your policy to make sure that they do not exclude items for (a) Art Services - rarity, antiquity, fine arts, (b) Electronic Services - electronics and/or data documents, (c) Textile Approved Services – textiles, clothing, including furs, suedes, and leather, drapery/curtains, as well as valuable collectibles such as dolls, quilts, etc., or (d) Document Services - paper, including items with confidential information.

No deductible or self-insured retention can exceed \$5,000 for any required insurance policy, except that you may have retention of up to \$10,000 on the Umbrella Liability Insurance policy.

You may not reduce the policy limits, restrict coverage, cancel, or otherwise alter or amend any insurance policy without our written consent.

Commercial General Liability, Contractor’s Pollution Liability Insurance, and Professional Liability Insurance, Automobile Liability Insurance, and Umbrella or Excess Liability Insurance policies will name Restoration Specialties Franchise Group, LLC as an additional insured **at the carrier level** and any other entities that we designate (the “Indemnified Parties”), will contain no provision which in any way limits or reduces coverage for you in the event of a claim by any one or more of the Indemnified Parties, will extend to and provide indemnity for all obligations assumed by you and all items for which you are required to indemnify us, will be primary to and without right of contribution from any other insurance purchased by the Indemnified Parties, and will provide, by endorsement, that we receive at least ten days

prior notice of any intent to cancel or materially alter any policy. Whenever a change is made to your policy, and before the expiration of any insurance coverage, you must submit to us a copy or certificate or other acceptable proof of such insurance with a copy of the Additional Insured Endorsement on your policy. On occasion, we may request complete copies of all insurance policies to ensure compliance with the insurance provisions of this contract.

Periodically we may modify the minimum insurance limits and require different or additional kinds of insurance to reflect changes in insurance standards, normal business practices, higher court awards and other relevant circumstances. You will receive at least 90 days advance written notice of any change.

ITEM 11

FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, RSFG is not required to provide you with any assistance.

Pre-Opening Assistance: Before you commence operations of the Business, we will:

1. Provide you with site selection criteria and consent for the location of the Business (Franchise Agreement, Article 5. A). We will accept your proposed site if it complies with our site selection criteria as outlined in the Operations Manual. We do not provide you with any other site selection assistance or lease negotiation assistance.
2. Provide you with the Turn-Key Business Package, Approved Vendor list, and Approved Supplies list (Franchise Agreement, Articles 6. A, 6. B, and 8. C). Additional equipment, signs, fixtures, opening inventory, and supplies outside of the Turn-Key Business Package will need to be purchased by you from Approved Vendors or other local suppliers. We will provide you with written specifications for those items that you need to purchase. We do not directly provide these items, nor do we deliver or install the items.
3. Provide you with access to a copy of the Operations Manual containing mandatory and suggested specifications, standards, and operating procedures for the Business (Franchise Agreement, Article 6. C).
4. Provide the training programs described below (Franchise Agreement, Article 7. B). We provide these training programs to up to 3 people without charge; however, you must pay all expenses for you and your employees, including training materials, travel, and living expenses.

Ongoing Assistance: During the operation of the Business, we will:

1. Maintain and administer the National Marketing Fund (Franchise Agreement, Article 9. A).
2. Provide updates to the Approved Services, Approved Vendors and Approved Supplies lists (Franchise Agreement, Article 6.B).
3. Provide refresher training courses, as we determine necessary, and require you to attend and pay for them. You must also pay all expenses for you and your employees, including training materials, travel, wages and living expenses (Franchise Agreement, Article 7.C).

4. Furnish you from time to time with updated and revised material for the Operations Manual (Franchise Agreement, Article 6. C).

5. Assist you in the development of a plan to address various operational aspects and goals for the Business (Franchise Agreement, Article 7.C.)

6. Make suggestions regarding your pricing policies. We may establish both maximum and minimum pricing in accordance with applicable legal requirements. However, unless the price list is a part of a National Account or an imposed maximum or minimum price, any such price list is a recommendation only (Franchise Agreement, Article 6.M.)

Site Selection

You are responsible for purchasing or leasing a site for the Business (“Franchised Location”) that meets our site selection criteria. You must select your Franchised Location within your PAR (defined in Item 12). Generally, we do not own the premises leased to our franchisees. You may not locate your Franchised Location outside of your PAR without our express written approval. We will accept your proposed site if it is located within your PAR and complies with our site selection criteria as outlined in the Operations Manual.

We will notify you of our approval or disapproval of the site location within ten days of our receipt of your request. You are solely responsible for obtaining all necessary permits or licenses and, in all other respects, complying with applicable legal requirements relating to the Business. We have no responsibility for the lease; it is your sole responsibility to evaluate, negotiate, and enter a lease for the Franchised Location. It is not required that we own the premises which you lease, although we may do so, if you and we agree.

If you fail to have your “site under control” (execute the lease or the purchase agreement within 60 days of execution of the Franchise Agreement), we will have the right to terminate the Franchise Agreement without the opportunity to cure pursuant to Article 11. A.

National Marketing Fund

You must pay us a National Marketing Fund Fee of 2% of your Gross Sales (the “Marketing Fund Fee”). The 2% Marketing Fund Fee will be part of one or more Marketing Funds, which may be segregated by Service Lines that we and/or our designee will administer. We may segregate and allocate the Marketing Fund Fee based on the Service Lines provided in connection with the operation of your Franchised Business. For example, if a portion of your Marketing Fund Fee is attributable to the provision of Art Services, we may allocate that portion of the Marketing Fund Fee to the “Art National Marketing Fund.” All franchisee-owned outlets that purchase a franchise under this Disclosure Document are required to contribute on the same percentage basis. Any Franchisor or Affiliate owned outlets that offer residential electronic restoration, art restoration or textile restoration may, but will not be required to contribute to the Marketing Fund on the same basis. We may use the Marketing Fund to formulate, develop, research, and conduct marketing, promotional, public relations, customer satisfaction, and/or lead generation programs to promote the RSFG System and one or more of the RSFG Service Lines in a form and media we determine in our sole judgment to be appropriate, including coverage that is local, regional, or national in scope. We may use national and regional agencies from time to time to create and place advertising and marketing communications and public relations campaigns and/or develop and administer lead generation studies or programs. We reserve the right to use the Marketing Fund to reimburse us for all costs that we (and /or our designee) incur related to such programs, campaigns, and studies, including the proportionate compensation of employees who devote time and render service in the conduct, formulation, development, and production of the programs, campaigns, and studies or the administration of the Marketing Fund.

We have no obligations to spend any amount on marketing in the area or PAR (as defined in Item 12) where you are located or for the Service Lines that you offer. Excess Marketing Fund contributions not spent in any fiscal year will be carried over for future use. The Marketing Fund is not a trust or escrow account and creates no fiduciary duties or obligations. You have no property rights of any kind with respect

to the monies in the Marketing Fund. The Marketing Fund is not audited; however, upon written request from a franchisee, we will provide you with an unaudited financial report showing disbursements of the Marketing Fund from the previous fiscal year. Requests are to be submitted in writing to the accounting department date and are available 90 days after the end of the fiscal year. The Marketing Fund will not be used for advertising principally directed at the sale of franchises; however, we may state in any advertisements that franchises are available and contact RSFG for information regarding this opportunity. During our last fiscal year of the National Marketing Fund (January 1-December 31, 2023, the Art and Electronic / Textile National Marketing Funds spent as follows:

Category	Art	Electronics / Textiles
Industry Conventions/Entertainment	12%	7%
Advertising and Promo	33%	21%
Miscellaneous *	1%	3%
Travel	8%	3%
Salaries	46%	62%
Carryover	0%	4%

* Miscellaneous is shipping/postage, continuing education, telephone routing, training & education, dues & subscriptions, etc.

Advertising Council

In November 2020, we established a National Marketing Committee (“NMC”) composed of Franchisees and RSFG representatives with representatives from Art, Textile, and Electronic Service Lines. Currently, one member of the NMC is part of the FAC, and there are three other at-large franchisees. For the initial launch of the NMC, the at-large Franchisees volunteered or were nominated, and they each have a staggered term so that one member’s term is up each year. Their role is to act as a sounding board for marketing strategies and tools, develop and improve innovative ideas, and provide feedback on marketing activities as requested by the marketing team.

Local Advertising Cooperatives

We have the right to establish and maintain local advertising cooperatives based on designated marketing areas. If a local or regional advertising cooperative is formed or organized in your market, you will be required to participate and contribute. The contribution amount designated by the cooperative must be on a percentage of Gross Sales basis and per Business and will be the greater of 1% of Gross Sales or \$5,000 per year, unless the participants vote to contribute a higher amount. Any residential Franchisor or Affiliate-owned businesses that are located within the local cooperative area will contribute to the fund on the same basis (this excludes SEMI Documents and SEMI’s Large Loss division). However, depending on the advertising venue, we may opt to only require those under the same Service Line to participate. Each Franchised business within an advertising cooperative, including contributing Affiliated Businesses, will be a member of the cooperative and have one vote per business. Each advertising cooperative will be required to adopt governing bylaws that meet our approval, and we may require the cooperative to amend them from time to time. We may provide each advertising cooperative with a sample form of bylaws that the cooperative must use and we must approve, containing certain terms and conditions that we require, although the bylaws cannot modify the voting structure outlined in this paragraph without our prior written permission. The advertising cooperatives must submit their meeting minutes to us upon our request. All advertising cooperatives must obtain our written approval of all promotional and advertising materials, creative execution, and media schedules prior to their implementation. The members of each cooperative and their elected officers will be responsible for the administration of the advertising cooperative. We reserve the right to administer the cooperatives’ funds and require payment from its members via electronic funds transfer. If we determine the need exists, we may require each advertising cooperative to engage the

services of a professional media buyer or advertising agency that meets with our approval and has expertise in the industry and in the specific market. We may require each cooperative to have an independent certified public accountant prepare annual financial statements, which will be available to us and to all franchisee members of the cooperative. We have the right to require advertising cooperatives to be formed, changed, dissolved, or merged. We may also implement a franchisee advisory council that will provide advisory input on marketing and related matters.

As of the date of this Disclosure Document, there are no Local Advertising Cooperatives formed.

Local Sales and Marketing

Prior to initial training, you must hire a Business Development Manager (BDM), an employee whose primary responsibility is to sell the Business Services to contractors, adjusters, and similar companies. You must have one for each PAR that you are awarded. With our prior written permission, you may serve in this capacity in one PAR; however, you must then hire a Designated Manager to manage the operation aspects of the Business.

We require you to record all sales activity in the software that we designate, as well as to meet certain Sales Activity Score as outlined in the Operations Manual (the “Sales Activity Score”). Currently, the fee for this software is part of the Technology Fee. The current Sales Activity Score will measure, on a scale of “0” to “100” (where “100” is the best score), the sales activity performed in your PAR through specific metrics noted in the Operations Manual. You must achieve a passing aggregate average Sales Activity Score for each rolling 90-day period, as outlined in the Operations Manual. Currently, a passing score is a Sales Activity Score of 60. If you fail to meet this aggregate Sales Activity Score rating, you will be deemed in default of the Franchise Agreement.

In addition to the Marketing Fund Fee and the requirement to hire a BDM, we recommend, but do not require, that you spend on local sales and marketing activities each year. In your first year of business, the recommendation is the greater of 5% of Gross Sales or \$12,000, and in the second year or more, the recommendation is the greater \$20,000 or 5% of Gross Sales, capped at \$50,000.

We require that you join and participate in the claims and insurance associations that we designate as being pertinent to your market. You must also claim and pay for the online listings that we designate. You also must list your Business in the Yellow Pages and White Pages of the primary telephone director servicing your PAR.

You must submit your local marketing materials to us for approval (including print, electronic, or other forms of media). We will not unreasonably withhold approval of your marketing materials if they are factually accurate and current, dignified and in good condition, and accurately reflect the Trademarks. Any local advertising materials you submit to us will be deemed approved if we do not disapprove or comment on the materials within ten business days of our receipt of the materials. We reserve the right to revoke the approval of any advertising material previously approved with 30 days' written notice to you.

Customer Satisfaction Ratings

We require you to use and pay for the customer service rating system that we approve, as well as to meet certain customer satisfaction ratings as outlined in the Operations Manual (the “Customer Satisfaction Ratings”). The current Customer Satisfaction Ratings will measure, on a scale of “-100” to “100” (where “100” is the best score), the level of service provided to customers of the Business you operate through specific metrics noted in the Operations Manual. You must achieve a passing aggregate average customer satisfaction rating for each rolling 90-day period, as outlined in the Operations Manual. Currently, a passing score is a Net Promoter Score of 45. If you fail to meet this aggregate average customer satisfaction rating, you will be deemed in default of the Franchise Agreement. Currently the Fee for this service is paid for as part of the Technology Fee.

Computer System

You must purchase and use any and all computer software programs (“Software”) that we have developed or may develop and/or designate for use for the System, and you must also purchase such computer hardware as may be necessary for the efficient operation of the Software. We have the right to require you to update or upgrade computer hardware components and/or Software as we deem necessary from time to time. In addition, we have the right to require you to enter into a separate maintenance agreement for such computer hardware and/or Software. Although you must buy, use, and maintain computer hardware and Software meeting our standards and specifications, you will have the sole and complete responsibility for (i) the acquisition, operation, maintenance, and upgrading of the computer hardware and Software; and (ii) any and all consequences that may arise if the computer hardware and Software is not properly operated, maintained and upgraded (Franchise Agreement, Article 6).

We have developed a custom-designed software program related to the operation of your Franchised Business (“Proprietary Software Program”), you, at your own expense, must obtain the computer hardware required to implement the Proprietary Software Program into your Business, and you must comply with all specifications and standards prescribed by us regarding the Proprietary Software Program as provided from time to time in the Operations Manual or otherwise in writing. You shall only utilize the Proprietary Software Program as we prescribe, and the Proprietary Software Program will be considered a part of our Confidential Information. We shall have the unlimited right to independently access all data contained in the Proprietary Software Program, as well as any other Software used by you in the operation of the Business, and you must take any and all actions specified by us to ensure that we have this access to the Proprietary Software Program and/or other Software. (Franchise Agreement, Article 6. E).

You are required to participate in any System-wide area computer network, intranet system, or extranet system that we implement, and you may be required by us to use such area computer network, intranet system, or extranet system to, among other things: (i) submit your reports due under the Franchise Agreement to us online; (ii) view and print portions of the Operations Manual; (iii) download approved local advertising and promotions materials; (iv) communicate with us and other System franchisees; and (v) participate in online training. You must agree to use the facilities of any such area computer network, intranet system, or extranet system in strict compliance with the standards, protocols, and restrictions that we include in the Operations Manual, including those related to the encryption of confidential information and prohibitions against the transmission of libelous, derogatory, or defamatory statements. (Franchise Agreement, Article 6).

You must provide access to all financial and business records and information to us according to reporting formats, methodologies, and time schedules that we establish from time to time, including through any intranet or extranet system we develop or implement or other online communications. We may access your Computer System (as defined below), including through any intranet/extranet system we develop or implement, and retrieve, analyze, download, and use all data and files stored or used on the Computer System. We may have independent access to all this information for the Business with no contractual limitation on our right to the information. You understand that the data storage, phone line, modem, communication software, Internet access, email account, and all additional hardware and software needed to implement and maintain these services are at your cost.

You must acquire and comply with the standards and specifications for the computer hardware and software (the “Computer System”). Currently, you are required to acquire a laptop computer for the Franchisee (or Designated Manager) and your BDM. You must have at least one desktop computer for the Electronics division. All other electronic technicians, as well as art restorers, can use any computer that has a secure internet connection and that operates the software that we offer. (We do not support MAC and cannot guarantee that the Software will function on a MAC). Each pick-up and delivery team will need at least one iPad per team, although many choose to have one iPad per person. Each laundry personnel will need an iPad. You will need a printer with copying, faxing, and scanning functions. You will also need a portable printer (cigarette adapter) for each textile pick-up and delivery team. Our current specs for each device type are available in the Operations Manual. We estimate the initial cost for these items to be \$3,800-

\$4,900, and these costs are included under Equipment in Item 7. This assumes 1 Franchisee, 1 BDM, plus one additional employee. You also must use and install anti-virus software on all computers used in connection with your Business at your cost.

We have no obligation to maintain, update, upgrade, or otherwise modify any computer software or hardware. You, however, are required to make periodic upgrades and updates to the Computer System as we direct, and there are no contractual limitations on the frequency and cost of this requirement. These costs may include user fees, software licensing fees, or technical support fees. The current estimated weekly cost of these upgrade requirements or services if purchasing all three Service Lines is \$249 per week. We reserve the right to adjust the price if fewer Service Lines are available in your market, ranging from \$177-249 per week. The current fee for additional software user licenses ranges from \$1 to \$25 per week, depending on the type of license that you select. We have the right to charge more for additional services. Currently, the Textile Service Line also requires the purchase of iCat Software, which is currently \$750 for the first month and \$250 for each additional month, included in Item 7 as part of Additional Expenses. All prices for the Computer System and software are subject to change per market conditions.

You may be required to upgrade your Computer System to meet changing software requirements. Any Computer System upgrade will not be required more than once every three years. The cost to upgrade is set by third-party suppliers. We estimate the cost for these items to be \$4,000-\$5,500. Any Computer System update will be specified to you in writing.

You and any of your employees who interact with customers must maintain branded electronic methods of communication (currently email) accounts, which may be provided to you, and you must give us electronic access to information on your company computer and hosted by software providers, including viewing access to branded email accounts. We may discontinue or alter the current system of electronic communication at any time on notice to you, and you may then be required to maintain an account we designate or approve with a provider we approve or designate and pay the required fees. We are not obligated to monitor, create, or maintain any backup of email, information, file storage, or any data related to the email address provided to you. There are no contractual limits on our right to access information and data on electronic communication and electronic mail systems. You agree that you have no right of privacy in or to these electronic communications and/or electronic mail systems, and we or our designee may access these email communications and data at any time without notice. Any access to, monitoring, or copies of data related to electronic communications and emails will be solely for our benefit. We may require you to upgrade, update, or otherwise modify your computer hardware, software, and other office equipment. No contractual limitation exists on the frequency or cost of this obligation. We have the unrestricted right to independently access any data stored or collected electronically.

Internet

You must have and maintain adequate hardware and software to access the internet at the bit speed we require from time to time. We have established an internet website that provides information about the System and the products and services offered by the Franchised Business. We have sole discretion and control over the website (including timing, design, contents, and continuation). We may, but are not obligated to, create interior pages on our website(s) that contain information about your Franchised Business and other Franchised Business locations. If we do create these pages, we may require you to prepare all or a portion of the page for your Franchised Business at your expense, using a template that we provide. All such information will be subject to our approval prior to posting. (Franchise Agreement, Articles 6 and 9).

You must not establish or maintain a separate website, splash page, social media profile or other presence on the internet, or otherwise advertise on the internet or any other public computer network in connection with the Approved Restoration Services, System, or Franchised Business without our prior written approval. You must claim, update, and pay for all online listings as we (and/or our affiliates) designate or instructed.

We have the right to modify our policies regarding both our and your use of internet websites as we deem necessary or appropriate for the best interests of the System. (Franchise Agreement, Articles 6 and 9). You acknowledge that we and/or our affiliates are the lawful, rightful, and sole owners of the internet domain names www.prismspecialties.com, www.rsfg-us.com, www.art-us.com, www.ers-us.com, www.textiles-us.com, and www.documentfreezedrying.com, as well as any other internet domain names registered by us, and you unconditionally disclaim any ownership interest in such domain names and any colorably similar internet domain names. You agree not to register any internet domain name in any class or category that contains words used in or similar to any brand name owned by us or our affiliates or any abbreviation, acronym, phonetic variation, or visual variation of those words (Franchise Agreement, Article 6 and 9).

Typical Length of Time Before You Commence Operations of the Business

We estimate that it will take approximately three to four months from the signing of the Franchise Agreement to commence operations of your Franchised Business. The actual length of this period will depend upon factors such as your ability to complete the Jumpstart Program and the Initial Training Program. Under the Franchise Agreement, you must complete the Initial Training Program within six (6) months after signing the Franchise Agreement. If the Initial Training Program has not been completed within six (6) months, we may, at our sole discretion, elect to terminate your Franchise Agreement, though we reserve the right to grant you an extension upon your reasonable request. (Franchise Agreement, Articles 5, 7.B., and 11. A).

Factors that may impact this length of time may include your ability to locate acceptable lease space, ability to secure permits, zoning and local ordinances, weather conditions, unforeseen delays in delivery or installation of equipment and fixtures, your ability to hire personnel, our training schedule, your ability to attend training and similar factors. If you fail to begin operations within the time agreed upon between you and us, we may terminate the Franchise Agreement (Franchise Agreement, Article 2. A).

Operations Manual

We will provide you with access to or a copy of our Operations Manual. We may provide you with a copy of our Operations Manual through an internal website we establish. Our Operations Manual contains proprietary information, and you must keep such information confidential. We may revise the Operations Manual at any time. The current Operations Manual table of contents, as of the date of this Disclosure Document, is attached to this Disclosure Document as Exhibit F. The Operations Manual contains 1,121 pages, and the pages devoted to each topic are noted in the chart below.

Initial Training Program

As soon as you sign the Franchise Agreement, you will enter our “JumpStart” program, which is approximately an eight to fifteen-week program that includes numerous required activities that must be completed prior to attending the in-person Initial Training Program. It includes activities such as reading the Operations Manual, securing leased space, developing a sales alignment plan and proforma, securing all required permits, licenses, approved vehicles, hiring your first employees, and completing various preliminary training modules. Most JumpStart activities will be completed within your PAR, with phone assistance from our staff.

Included with the Initial Package is one slot in our online Sales Training program, which is approximately one-two hours per week, for 8-10 weeks, and conducted entirely online. This is subject to change.

At least one week before beginning operations of the Franchised Business, you and your employees must attend and successfully complete, to our satisfaction, our Initial Training Program. The Initial Training is four to five days in length; training for a transfer may be shorter. Your failure to successfully complete training may result in termination of the Franchise Agreement. Training may occur at our training facilities in Livonia, Michigan, or at a franchisee’s location (within the continental USA), which we will schedule with you. We offer the training program as we determine necessary. You must pay for the salaries, fringe benefits, travel costs and expenses, and related costs for the individuals associated with you who attend the training program, but there is no separate fee for you and up to two additional people to attend the initial training program. If you purchased a second or third Service Line, you may receive one additional spot in the initial training program per Service Line added. The cost of additional training is disclosed in Item 6 under “Training.” The cost does not include hotel, transportation, or most meals.

Any training provided by us to any of your employees will be limited to training or guiding them regarding the delivery of approved services to customers in a manner that reflects the customer and client

service standards of RSFG. You are and will remain the sole employer of your employees during all training programs, and you are solely responsible for all employment decisions and actions related to your employees. You must ensure that your employees receive adequate training.

As of the date of this Disclosure Document, the initial pre-training program is as listed below. The “Who” column indicates who will attend that training, the Franchisee, BDM, or Restoration Personnel.

- (1) Michelle Justavino, Vice President of Business Administration, currently oversees our training. Ms. Justavino has a B.A. in Education, and twenty-two years of training experience including eleven years overseeing our Continuing Education program for insurance adjusters, and fourteen years of experience in restoration. Additional employees and others who have at least 6 months’ experience (for example, opening, operations or systems management) will assist in training.
- (2) The instruction materials for the training consist of our Operations Manual and various presentations and demonstrations.
- (3) We reserve the right to modify the training class schedule and length. Transfers and additional service lines, in particular, may have more modifications based on their particular needs.

We may provide and require that you (if the franchisee is a sole proprietor) or your Principal Operator (if the franchisee is an entity), your Designated Manager (if applicable), and other employees we designate attend ongoing training. If you designate a new Designated Manager after the initial training program, the Designated Manager must complete the initial training program to our satisfaction within 60 days of hire or as we can reasonably accommodate in our regularly scheduled training course. In the event that you are given a notice of default, and the default relates, in whole or in part, to your failure to meet any operational standards, we may require as a condition of curing the default that you, your Designated Manager, and any other employees that we deem appropriate again attend and successfully complete our initial training program or another training program that we designate. This training will be at your expense.

After completion of Initial Training, we may send a representative to your location to assist you with your initial efforts. Typically, this ranges from 1-3 days.

In addition, we may hold and require that you, your Principal Operator, Designated Manager, or other designated employees attend, at your expense, any conference, meeting, convention, or seminar. The cost of additional training is disclosed in Item 6, “Conference Fee and Refresher Training Fees,” which is currently \$250 per day per person and does not include hotel, transportation, or most meals. At a minimum, you are required to attend (a) a refresher training course every two years and (b) the Franchise System Convention each year. Failure to attend such conferences, meetings, or seminars may result in an administrative fee of \$1,000 to compensate us for the employee time and expenses related to educating you and your employees with regard to the contents of such conferences, meetings, or seminars.

ITEM 12
TERRITORY

You will be assigned a Primary Area of Responsibility (“PAR”) where you must establish and operate an office for your Business. You will operate the Business from a specific location inside your PAR, to which we must first consent. Except as described further below, you may only market and service customers located inside your PAR.

You will not receive an exclusive territory. You will face competition from other franchisees, from outlets that we own, or from other channels of distribution or other competition brands that we control. Specifically, if you have not been approved to perform a specific Service Line, or in the event of catastrophic loss, failure to accept or handle a job, or inability to handle a job, then, we, our Affiliates, or another RSFG Franchisee may service customers as outlined below.

Each PAR will contain a minimum population of 1,500,000 and a maximum population of 2,000,000. We currently use population data from GbBis to determine the population of your PAR. Your PAR will be specified by zip codes within which you may market and operate your Business. The number of zip codes included in your PAR will be determined by the population included in each zip code. You may not advertise to or service in any way customers located outside your PAR without our prior written consent.

Zip codes and/or their boundaries change periodically, and in the event of a future change, we will use our best efforts to ensure your PAR comprises approximately the same population in approximately the same geographic location. We will not otherwise alter the PAR during the term of this Agreement without your prior written consent.

Additionally, you do not have the right to sell the Approved Service Lines, any other Restoration Services, or any other related product or service through any other channel or method of distribution (including catalog sales, telemarketing, the Internet, or any other existing or future form of electronic commerce), (together referred to as “Alternative Distribution Channels”), or to any person or entity for resale or further distribution. You also do not have the right to subfranchise, sublicense, assign, or transfer your rights under this Agreement, except for an assignment or transfer as specifically provided in this Agreement.

Except as noted below, during the term of your Franchise Agreement, we will not establish or, operate, or license any other party the right to establish or operate a Franchised Business offering the same Approved Service Line at the same Service Level in which you are authorized to provide under the Franchise Agreement from an office or business address located inside your PAR, with the exception of Document Services. Even if approved to do Document Services, you do not have exclusive rights to perform Document Services in your PAR. Other Franchisees and/or any of our Affiliates may indirectly advertise inside your PAR by advertising in national or regional print or other media not directed primarily at persons inside your PAR but which may reach or be received by persons in the PAR. You may advertise either as a single Franchisee, or if the advertising venue encompassing your PAR includes another franchisee’s PAR, we may require that you advertise as a prorated participant in a common group advertisement. You may not, without our prior written consent, conduct any business outside your PAR nor directly advertise outside your PAR, even if the area has not been awarded to another Franchisee or Affiliate offering the same Approved Restoration Services (an “Open PAR”), without our prior written consent. If there is someone who operates a different Service Line in the same PAR as you, they and you may market all the RSFG Approved Restoration Services, but they may not provide services other than the Service Lines that they are authorized to provide under their Franchise Agreement, and you may not provide services other than the Approved Service Lines you are authorized to provide under your Franchise Agreement. If you receive a lead for a service other than your Approved Service Lines, you must refer the lead to us or to the Franchisee offering the applicable Service Line, as we direct.

If a customer located inside your PAR needs service outside your PAR, you may provide service to this customer provided that (i) the service may only be performed in an Open PAR, and (ii) you receive

prior written permission from us. If at any time the Open PAR is awarded to another Franchisee or to one of our Affiliates, you must transfer all business you conducted inside the Open PAR to the new Franchisee or our Affiliate.

If you fail to properly perform a service or fail to provide a customer with a warranty in the form we prescribe, you will be given 30 business days to cure this default. If you fail to cure this default during the 30-day period, we may refer the business to another System Franchisee or one of our affiliates to perform the work with no further obligation to you, financial or otherwise, and you agree to fully indemnify us for any non-compliant work you performed.

Except as noted in this item, we will not alter the PAR or your territorial rights during the term of the Franchise Agreement without your prior written consent. You do not receive the right to acquire additional franchises within or outside of your PAR unless you meet our then-current expansion requirements, pay us a fee, and sign another franchise agreement with us. You may not relocate your office without our prior written approval. We will approve the relocation of your office provided the new location meets our then-current site criteria standards and is located inside your PAR.

The Franchise Agreement does not grant you any franchisee options, rights of first refusal, or similar rights to acquire additional franchises.

Services Performed

Your Business will offer the Approved Service Lines, primarily for Service Level 1 claims. You may not offer services above the Service Level that you have been approved to offer. Service Levels are set by the complexity and scope of the restoration to be performed (collectively referred to as “Service Levels”). All Franchisees are automatically approved to perform Service Level 1 claims after their successful completion of Initial Training.

Art Service Line: Your skillset will determine what services you are approved to provide, which may include cleaning, repair, restoration, and/or conservation. If you are authorized to provide Art Services, should you encounter Artwork and Collectibles that require services beyond your approved Service Level or that carry an art insurance rider, you must contact us for approval prior to performing services on those items. We may approve you to service the Artwork and Collectibles with or without assistance, or we may require you to refer the items to a location that has the appropriate Service Level approval for servicing that item. Considerations for approval include items such as training, education, certifications, years of experience, and other similar criteria. We also may require that you complete additional training for more complex items. Considerations for approval to additional Service Levels will be available in our Operations Manual and may be periodically updated.

Electronics Service Line: For any commercial claims above the Service Level for which you have been approved, you must contact us for approval prior to servicing the commercial claim. We may approve you to service the commercial claim with or without assistance. Considerations for approval include items such as staffing levels, available equipment, experience, and financial qualifications. We also may require that you complete additional training for more complex jobs. You may not restore medical equipment or any other equipment that requires third-party certification without our prior written permission. If approved, you will need to retain a copy of the third-party certification in the customer file. Considerations for approval to additional Service Levels will be available in our Operations Manual and may be periodically updated.

Document Service Line: For any Document claims above the Service Level for which you have been approved, you must contact us for approval prior to servicing the claim. We may approve you to service the claim with or without assistance. Considerations for approval include items such as staffing levels, available equipment, experience, and financial qualifications. We also may require that you complete additional training for more complex jobs. Considerations for approval to additional Service Levels will be available in our Operations Manual and may be periodically updated.

You must refer all jobs for Service Lines or Service Levels that you are not approved to do to us, and we may assign the job to either our Affiliate or another System Franchisee who is approved to perform those Service Lines or Service Levels. We will assign you any jobs we receive for service in your PAR for the Service Lines and Service Levels that you are approved to service, with the exception of Document Services (see below). We, our Affiliates, and/or another System franchisee may perform a job in your PAR if the job is at a Service Level that you have not yet been qualified to perform or a Service Line you have not been approved to perform, provided that the location performing the work has been qualified to perform jobs of that Service Level and/or Service. For example, if you have not been qualified to do Service Level 2, but another Franchise is qualified, then they could complete the job in your PAR, but if you were also qualified to do Service Level 2 jobs, then the job would be assigned to you. Additionally, we, our affiliates, and/or other System franchisees may perform a job in your PAR if you decline a job.

If more than one location is approved to perform Document Services in a PAR at the Service Level required for the claim, we will assign the job to the location closest to the claim. Alternatively, we may elect to assign the claim in a round-robin manner. However, if you are approved to do Document Services at that Service Level and you receive the call directly, you may service the Document claim.

If a customer directly contacts us, another System Franchisee, or one of our Affiliates and requests Service Lines different from those awarded to you (for example, if you were approved to do art restoration but not electronic restoration), and such a job is in your PAR, we, our Affiliates, and/or other RSFG Franchisees may perform the work inside your PAR without any compensation to you.

If you should refer a job to a Franchisee authorized to provide one or more Restoration Services, they may elect to pay you a referral fee, and vice versa. Alternatively, you and the referral Franchisee may elect not to pay each other referral fees. Should you elect to pay each other a referral fee, the referral fee should be agreed upon by the parties in writing. Referral fees must be recorded in the Computer System but are excluded from Gross Sales for royalty calculation purposes and do not count towards fulfillment of your minimum gross sales requirements.

In the event of catastrophic loss, which is defined as an area deemed by the government as a state or federal disaster area, or if you so request, then we may send a Commercial Loss Team (“CLT”), which may consist of RSFG, its Affiliates and other System Franchisees. (Although RSFG does not currently operate any franchises like the type being franchised, RSFG reserves the right to do so; additionally, we or our designees may supply management or administrative support in the event of a catastrophic loss). If we send a CLT, all referral fees will be paid as outlined in the then-current Operations Manual by the parties to whom you referred the job(s).

National Accounts

We, and our Affiliates, have the right to create and implement local, regional, and national relationships with customers (a “National Account”). We reserve the right to contract these services to any other entity at any time or to complete them ourselves. We may designate a customer as a National Account based upon (i) the size of the customer (if it encompasses the territories of two or more franchisees), (ii) size and/or scope of the work to be performed, and/or (iii) number of employees needed to complete the work. We or our designee will serve as the central contact within the System for all National Accounts to refer business, and we will assign the National Account business relationship for a specific project or portion of a project to a System Franchisee or to one of our Affiliates, who is able to perform the services and do so within the timeframe required regardless of whether the National Account work will be performed inside or outside your PAR.

If the National Account work will be performed inside your PAR, we may assign the National Account work to you for any Primary Approved Services for which you are approved to perform, provided you meet all standards and requirements necessary to complete the work. To receive National Account work, you may be required to meet certain standards and requirements, including entering into a separate agreement with the National Account vendor, paying a referral fee, being available for emergency response

24/7, agreeing to give a percentage discount, completing additional training, increasing your insurance, agreeing to the National Account's procedures, and/or meeting standards for response time or customer service. We reserve the right to charge a fee not to exceed 1% of Gross Sales or our actual costs in administering that program, whichever amount is more. We or a third party we designate (which may be another System Franchisee or Affiliate) may perform National Account work inside your PAR if you do not qualify to do the National Account work or if you opt out of the program.

If we assign work for a National Account to you and you perform the work, you will retain all Gross Sales for the work you performed for the National Account and pay us our standard Royalty and National Marketing Fee as outlined in Article 8.B., as well as any National Account fees.

Procedures for referring National Account jobs outside of your Approved Service Line or Service Level, or for Document Services, will follow the same guidelines as referenced above in this Item 12, in the section titled "Service Levels".

Co-venturing.

Co-venturing is defined as any job or project that would require two or more System Franchisees that offer the same Service Lines to complete. You may not service a customer if doing so is beyond your current equipment and/or personnel capabilities or if it would disrupt the normal servicing of your customers without our prior written approval. Co-venturing with other franchisees must be managed through us, and you may not negotiate directly with other System Franchisees for co-venturing at any time. We will determine whether to approve a co-venture or require that you refer the job to us or one of our Affiliates.

Rights We Reserve

We retain all rights that are not expressly granted to you under the Franchise Agreement. Further, we or our Affiliates may, among other things, on any terms and conditions we deem advisable, without compensation to any franchisee and without granting you any rights:

- (i) establish and operate a franchised or affiliate-owned business offering any or all Restoration Services whose office or business address is located outside your PAR;
- (ii) establish and operate, and/or license others to establish and operate, within and outside of your PAR, any business offering the same services you are authorized to provide under the Franchise Agreement under marks other than the Trademarks, which business or businesses may solicit and provide services to any customer located inside and outside your PAR;
- (iii) establish and operate, and/or license others to establish and operate, within and outside of your PAR, any business providing services other than the Approved Services Lines you are authorized to provide under the Franchise Agreement under the same or different Trademarks or any other marks, which business or businesses may solicit and provide services to any customer located inside and outside your PAR, including, without limitation, Document Restoration;
- (iv) offer, sell or distribute, within and outside your PAR, any products associated with the System (now or in the future) and/or identified by any of the Trademarks, or any other marks, through any distribution channels or methods, including, without limitation, to other recovery, repair, and restoration of Artwork and Collectibles, fabric, clothing and textiles, document, books, and paper, electronic restoration, and/or data recovery, businesses, stores or locations, and/or any business or store of any kind, and/or by mail order, catalog, and/or the Internet (or any other existing or future form of electronic commerce);

- (v) merge with, acquire, or become associated with any businesses or stores of any kind under other systems and/or other marks, which businesses and stores may convert to or operate under the Trademarks and offer or sell products and services that are the same as, similar to, or different than the products and services offered at or from your Business, and which may be located anywhere within or outside your PAR; and
- (vi) we reserve the exclusive right to market to all national and regional offices for insurance adjusters, general contractors or re-construction services, contents cleaning companies, third-party administrators, or similar restoration industry business concepts even if such office is in your PAR. However, we agree to refer you all residential and commercial jobs for your Approved Service Lines for which you qualify, which are in your PAR and are attained from these solicitations.

We are not required to pay you any compensation if we exercise any of the rights specified above inside or outside your PAR except as described in this Item.

Although we have the right to do so (as described above), we have not operated or franchised and have no plans to operate or franchise other businesses selling similar products or services under different proprietary marks.

Except as described in Item 12, we do not restrict you from soliciting or accepting orders from any customer or potential customer located within your PAR.

RSFG, SEMI, ART Inc., and/or its Affiliates also locate, sell, and manage restoration projects throughout the United States. Nothing in this Item 12 limits our or our Affiliates' right to investigate, estimate, manage, and conduct such work within your PAR for prospective and existing National Accounts.

Additional Franchises

Upon receiving your written request, we may award you additional franchises at our discretion, provided that you meet the then-current criteria we utilize in the awarding of additional franchises. The criteria to be awarded an additional Franchise are listed in our Manuals and may be updated at any time. Such criteria may include items such as the following:

- A. You have been operating your business for at least one year and are in compliance with your Franchise Agreement in all major respects.
- B. You are not operating in default and have not been in default during the preceding 12 months.
- C. Funding – You are able to pay the full Franchise Fee, purchase another Turn-Key Business Package, secure a physical location in the new PAR, hire a BDM and other staff to run the location, and have enough working capital to operate and market the new business without affecting your current Franchised Business.
- D. Outstanding Fees – All Royalty and National Marketing Fund Fees are current for the past twelve months (this includes entering payments into the software the week they are received). No other outstanding payments are outstanding to RSFG or any of its Affiliates.
- E. Vehicles – Your vehicles are in good working order, and with the approved color and decals.
- F. Uniforms – You and your staff wear the approved uniform when interacting with customers/referral partners.
- G. Insurance – All of your insurance policies are current and meet the then-current minimum requirements, and evidence satisfactory to us has been submitted to the Home Office.
- H. Conventions / Meetings – You are in compliance with regular attendance at all Conventions / Meetings (at least one per year).

- I. Reports – You submit on time, all profit & loss statements, bank statements, deposit details, tax returns, and any other required reports, during each of the past 12 months.
- J. Minimum Revenue – Meeting the minimum revenue requirements in each of your PARs over the last twelve months.
- K. Minimum Sales Activity Score – Meeting a minimum Sales Activity Score of 60 or more in each of your PARs over the past 12 months.
- L. Other Requirements – The territory may not be currently engaged in an active sale process with an identified candidate. The expansion may not hamper the ability to sell an adjacent territory. In the last twelve months, you have not previously expanded or had your business up for sale. You must follow all of the Expansion Procedures, including but not limited to the execution of all required documents and the payment of any fees.

Minimum Royalty Requirement

Following your first full year of operation of a Franchised Business, each month during the term of this Agreement, you must pay us a minimum monthly royalty fee (the “Minimum Monthly Royalty”). The Minimum Monthly Royalty is based on years of operation, the number of Service Lines that you operate, and is per PAR, as outlined in the table below.

Years in business	Minimum Monthly Royalty per PAR		
	Single Service Line	Two Service Lines	Three Service Lines
Year 1	No Minimum	No Minimum	No Minimum
Year 2	\$1,050	\$1,575	\$2,100
Year 3	\$1,275	\$1,913	\$2,550
Year 4	\$1,425	\$2,138	\$2,850
Years 5 or more	\$1,650	\$2,475	\$3,300

Should you not meet the Minimum Monthly Royalty, then we may charge you a fee for the difference (the “Shortfall”). For example, if the Minimum Monthly Royalty is \$1,425 in a month, and you paid royalty of \$1,000, then the minimum royalty fee would be \$425 (\$1,425-\$1,000).

In addition, should we assess a Shortfall for three or more months in a twelve-month period, then we may also elect to establish another franchisee or affiliate in your PAR and/or allow another franchisee or an affiliate to advertise and service customers located inside your PAR.

The Minimum Monthly Royalty applicable to the Business you operate may vary from the performance standards applicable to other RSFG Franchised Businesses due to geographic area and other variables. We reserve the right to adjust the Minimum Monthly Royalty requirement for oversized PARs.

However, it is agreed that if you have met the Minimum Monthly Royalty requirement in a PAR over the last rolling 12-month period, then we will not assess the Minimum Monthly Royalty for that month for that PAR. For example, if your Minimum Monthly Royalty is \$3,300, and you paid royalties in that PAR of \$0 in a given month, AND you had also paid \$39,600 in royalties over the last 12 months for that PAR, then the Minimum Monthly Royalty for that month in that PAR would be \$0. However, if you had paid \$30,000 in royalties over the last 12 months in that PAR, then the Minimum Monthly Royalty in that PAR for that month would be \$9,600.

Failure to pay the Minimum Monthly Royalty constitutes a default under the Franchise Agreement. We will not modify your PAR if you fail to pay the Minimum Monthly Royalty or based upon any other contingency. If you fail to cure any Minimum Monthly Royalty default by paying the Minimum Monthly Royalty within 30 days, we may terminate the Franchise Agreement.

We do not own any registered patents or copyrights that are material to the franchise, however, we claim common law copyright and trade secret protection for several aspects of the System including our Operations Manual, advertising, and business materials.

There are no current determinations, proceedings or litigation involving any of our copyrighted materials. Should you become aware that any unauthorized third party is using any of our copyrighted materials, we request that you notify us of this unauthorized use. We may revise any of our copyrighted materials in our discretion and may require that you cease using any outdated copyrighted material. You will be responsible for printing any revised or new advertising, marketing, or other business materials.

During the term of the Franchise Agreement, you will receive information which we consider to be our trade secrets and confidential information, including but not limited to methods of restoration; the Restoration Services; information regarding the setup of a Franchised Business; information about proprietary merchandise; any proprietary software we may now or in the future create; our Operations Manual; trade secrets; price marketing mixes related to the sale of goods or services offered or authorized for sale by System franchisees; standards and specifications for restoration equipment, equipment layout, and lighting; systems and training manuals; training systems; compensation systems; marketing strategies; online marketing systems; merchandise sales systems; sales training; location identification and acquisition; general operations; our copyrighted materials; and methods and other techniques and know-how concerning the operation of the Franchised Business which may be communicated to you or of which you may be apprised by virtue of your operation of a Franchised Business (collectively, the "Confidential Information"). You shall not, during the term of the Franchise Agreement or after, communicate, divulge, or use for the benefit of any other person, partnership, association, corporation, or limited liability company any Confidential Information except to your employees that must have access to it to operate the Franchised Business. Certain additional information, including (i) current customer and prospective customer names and addresses, (ii) information about credit extensions to customers, (iii) customer service purchasing histories, (iv) rates charged to customers, and (v) sources of suppliers and purchasing arrangements with suppliers, also constitute our trade secrets and Confidential Information. All information, knowledge, know-how, techniques, and other data, which we designate as confidential will be deemed Confidential Information for purposes of the Franchise Agreement. We have expended considerable time, effort, and money to develop the System, and the Confidential Information is not well known outside of the System. ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

During the term of the Franchise Agreement, you (if franchisee is a sole proprietor) or the Principal Operator (if franchisee is an entity) must devote full time and best efforts to the management of the Business. You must provide direct supervision to the Business. If we grant you express, written permission, you can hire a Designated Manager to perform your management obligations, including supervising your restoration personnel. You, your Designated Manager, and any other individuals we designate must complete our training course. The Designated Manager need not have any equity interest in the franchise and/or franchisee entity (if applicable). The use of a Designated Manager in no way relieves you of your obligations to comply with the Franchise Agreement and to ensure that the Business is properly operated. If you fail to adhere to the above obligations, such failure will be deemed a default under the Franchise Agreement and, to ensure the continued integrity of our Trademarks and system, we may service all customer accounts of the Business on a temporary basis until you cure the default.

You (or at least one of your principals if you are a corporation or partnership) must personally supervise the day-to-day operations of the Franchised Business. You must devote your personal full-time attention and best efforts to the management and operation of the Franchised Business. You may, however, delegate the day-to-day management of your Franchised Business to a manager (the “Designated Manager”). We must approve your Designated Manager and your Designated Manager must successfully complete our Initial Training Program before assuming any managerial responsibility. At all times, your Franchised Business must be staffed by you (or one of your principals, who must have completed our Initial Training Program,) and/or your Designated Manager. If you operate in more than one physical location, you must have one (1) or more properly trained Designated Manager(s) who has been approved by us at each location. You shall keep us informed at all times of the identity of any employee acting as a Designated Manager of a Franchised Business. Designated Manager shall devote their full time and best efforts to the day-to-day operation and management of the Franchised Business and shall not engage in any other business activity without our prior written consent. The franchisee, and if applicable, its owners, partners, and any spouses of the forgoing must execute the form of Personal Guaranty attached to the Franchise Agreement as Exhibit A.

All shareholders, officers, directors, partners, members and all managers and other employees having access to our proprietary information must execute non-disclosure, non-solicitation, and non-competition agreements in a form we accept.

Any person or entity that is an owner of 5% or more of the franchisee, or any time becomes an owner of a minority interest of the franchisee, must execute the form of personal guaranty attached to the Franchise Agreement, whereby each guarantor personally guarantees the obligations of the franchisee (Franchise Agreement, Exhibit A).

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Item 8 of this Disclosure Document describes our requirements for approved supplies and vendors. You must offer for sale at the Franchised Business all the services and products that we periodically require, and you may not offer at the Business any unapproved services or products or use the office location (if applicable) for any purpose other than the operation of the Franchised Business nor may any products be sold to consumers or contractors without our prior written approval. You may not perform restoration services except for those Service Lines for which you have been approved.

Your skill set will determine what specific services you are approved to provide, which may include for example, cleaning, repair, restoration, commercial work, and/or conservation (collectively referred to as “Service Levels”). You may not offer services above the Service Level that you have been approved to offer.

If you are authorized to offer Art Services, you will be approved to at a minimum offer Service Level 1 cleaning services. Should you encounter Artwork and Collectibles that require services beyond your approved service level, or that carry an art insurance rider, you must contact us for approval prior to performing services on those items. We may approve you to service the Artwork and Collectibles with or without assistance, or we may require you to refer the items to a location that has the appropriate Service Level approval for servicing that item. Considerations for approval include items such as training, education, certifications, years of experience, and other similar criteria. We also may require that you complete additional training for more complex items. Considerations for approval to additional Service Levels will be available in our Operations Manual and may be periodically updated.

If you are authorized to offer Electronic Services, you will be approved to a minimum offer Service Level 1 electronic commercial services. You may not perform Service Level 2 or above electronic commercial restoration services until we, in our sole judgment, determine that you have gained sufficient experience in the performance of commercial restoration services. As you grow and become a more experienced franchisee, we may come to an agreement that you may begin to handle those larger commercial jobs, with the proper guidance. We estimate that it will take at least 1-2 years after you sign your Franchise Agreement for you to have sufficient experience to service commercial claims at Service Level 2. Additionally, you may not restore medical equipment, or any other equipment that requires third party certification without our prior written permission. If approved, you will need to retain a copy of the third-party certification in the customer file.

You must refer all Restoration Services other than the Service Lines that you were approved to perform in your Franchise Agreement to us or our designee. You must refer all Restoration Services that are at a Service Level above your approved Service Level to us or our designee. Any other services not covered by your Franchise Agreement license must be referred to a third party unless indicated otherwise in writing by us.

You may not resell, give, lease, rent or otherwise distribute any products that you purchase from us or our affiliates to any third party.

You may not market to any national and regional offices for insurance adjusters, general contractors or re-construction services, contents cleaning companies, third-party administrators, even if such office is in your PAR without our prior written permission. However, we agree to refer to you all claims that you are qualified to service, that are in your PAR, and which are attained from these solicitations, in accordance with the provisions of this section.

Except as noted above, you are not otherwise restricted to the customers located in your PAR to whom you may sell products or services except as otherwise expressly provided in writing by us. The success of the Franchised Business is largely dependent on your ability to attract and retain customers.

You are an independent contractor with control and direction of the Franchised Business and operations, subject to the conditions specified in the Franchise Agreement and Operations Manual. The Franchised Business you operate is separate and apart from any that we may operate. Neither you nor we may bind each other or make any representations tending to create apparent agency, employment, or partnership.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets if there is a reasonable basis for the information and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying, or (2) a franchisor supplements the information provided in Item 19, for example, by providing information about a possible performance at a particular location or under particular circumstances.

The following tables show Gross Sales and Job Size for Franchisees by Service Line and/or number of Service Lines.

As of December 31, 2023, there were: (a) 28 Franchisees operating 64 Franchises offering Electronic Services; (b) 29 Franchisees operating 58 Franchises offering Art Services; and (c) 26 Franchisees operating 32 Franchises offering Textile Services. Of those (a) (b) (c), 11 locations operate a single Primary Service Line, 10 that operate two Primary Service Lines, and 18 that offer 3 Primary Service Lines. All charts exclude Franchises that were not open for a full 12-month period. In 2023, results were excluded for one location that was signed but not opened (1 Textile); for 8 locations that closed (4 Electronics, 2 Art, and 2 Textile); for 1 Textile location that was not open for a full 12-month period.

As of December 31, 2022, there were (a) 29 Franchisees operating 68 Franchises offering Electronic Services, (b) 30 Franchisees operating 60 Franchises offering Art Services, and (c) 22 Franchisees operating 25 Franchises offering Textile Services. Of those (a), (b), and (c), 13 locations operate a single Primary Service Line, 9 operate two Primary Service Lines, and 18 offer three Primary Service Lines. All charts exclude Franchises that were not open for a full 12-month period. In 2022, results were excluded for 5

locations that were signed but not opened (1 Electronics, 2 Art, 2 Textile); for 5 locations that closed in 2022 (1 Art, 1 Textile, and 3 Electronics); and for 9 locations that were not open for a full 12-month period (1 Electronics, 2 Art, and 7 Textiles).

We have not included the results of our Affiliates because a substantial amount of their revenue is from Franchisees who have referred work to them, which is different from the scope of work that will be performed by the businesses described in this Disclosure Document.

Notes:

“Gross Sales” is the total revenue collected and derived from selling restoration services, less tax, discounts, allowances, returns, or refunds. Gross Sales are as reported to us in the software. It does not include any referral fees paid to them or revenue from other sources.

“Average” is the sum of all jobs that comprise the Gross Sales above, divided by the number of jobs in that set.

“Median” is found by taking the total number of jobs that make up the Gross Sales above and finding the middle number in that set.

All numbers are as reported by the Franchisees to us in the Software. In 2023, some Franchisees owned multiple franchises but reported their results to us through a single instance of the Software, including twenty-three (23) electronic locations, twenty-two (22) art locations, and three (3) textile locations. As such, these Franchisee's results are consolidated in the tables below. In 2023, twenty-eight (28) Franchisees operate multiple Service Lines; all such results are consolidated for the tables that show revenue by number of Service Lines. In 2022, some Franchisees owned multiple franchises but reported their results to us through a single instance of the Software, including twenty-five (25) electronic locations, twenty-two (22) art locations, and one textile location. As such, these Franchisee's results are consolidated in the tables below. In 2022, twenty-seven (27) Franchisees operate multiple Service Lines; all such results are consolidated for the tables that show revenue by number of Service Lines.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Restoration Specialties Franchise Group, LLC
doing business as Prism Specialties

Opinion

We have audited the accompanying financial statements of Restoration Specialties Franchise Group, LLC doing business as Prism Specialties (the Company), a State of Michigan LLC, which comprise the balance sheets as of December 31, 2023, 2022 and 2021 and the related statements of income and members' equity and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2023, 2022 and 2021 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of certain accounting policies followed in the preparation of these financial statements. The policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of these financial statements.

Company Operations

Restoration Specialties Franchise Group, LLC doing business as Prism Specialties (the “Company”), is the franchisor and has the right to develop franchised businesses offering one or more restoration service lines. These service lines consist of “Electronic Services”, “Art Services”, “Textile Services” and “Document Services”.

Electronic services include the recovery, repair and restoration of electronic equipment and data. Art services include the recovery, repair and restoration of artwork and collectables, including paintings, frames, works on paper, photographs, sculpture, murals, mosaics and decorative arts. Textile services include recovery, repair and restoration of fabric, clothing and textiles. Document services include the recovery, repair and restoration of documents.

The above services apply to both residential and commercial customers using state-of-the-art fire, flood and other disaster recovery technologies.

The Company is currently registered as a franchisor in 15 required states and in good standing in all states in which it operates.

Recently Adopted Accounting Guidance

Allowance for Credit Losses

In June 2016, the FASB issued guidance (FASB ASC 326) which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that aren’t measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity’s exposure to credit risk and the measurement of credit losses. Financial assets held by the company that are subject to the guidance in FASB ASC 326 were trade accounts receivable.

The Company adopted ASC 326 effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new disclosures only.

Recently Adopted Accounting Guidance (Continued)

Variable interest entities

In October 2018, the FASB issued guidance (ASU 2018-17), Targeted Improvements to Related Party Guidance for Variable Interest Entities. This ASU allows a private company (reporting entity) to not elect to apply VIE guidance to legal entities under common control if both the parent and the legal entity being evaluated for consolidation are not public business entities.

The Company adopted ASU 2018-17 effective January 1, 2022. As a result, the Company elected not to apply the VIE guidance to all affiliated entities under common control as management believes it meets all the criteria pertinent to the application of this accounting alternative.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents

The Company considers all liquid investment instruments with a maturity of three months or less to be cash equivalents.

Concentration of Credit Risk

The Company from time to time during the periods covered by these financial statements may have bank balances in excess of its insured limits. Management has deemed this as a normal business risk.

Accounts Receivable and Allowance for Doubtful Accounts

The Company carries its accounts receivable at invoiced amounts less an allowance for doubtful accounts. Generally, the Company does not require collateral for its accounts receivable. On a periodic basis, the Company evaluates its accounts receivable and establishes an allowance for doubtful accounts when deemed necessary. Management estimates that no allowance for doubtful accounts is necessary at December 31, 2023, 2022, and 2021.

Opening accounts receivable balance as of January 1, 2021 was \$181,775.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable and Allowance for Losses

Notes receivable are stated at unpaid principal balances, less an allowance for loan losses. Interest on loans is recognized over the term of the loan and is calculated using the simple-interest method on principal amounts outstanding. On a periodic basis, the Company evaluates its notes receivable and establishes an allowance for losses when deemed necessary.

Loans are placed on nonaccrual status when management believes, after considering economic conditions, business conditions, and collection efforts, that the loans are impaired or collection of interest is doubtful. Uncollectible interest previously accrued is charged off, or an allowance is established by a charge to interest income. Interest income on nonaccrual loans is recognized only to the extent cash payments are received.

Property and Equipment

Management capitalizes expenditures for property and equipment. Expenditures for maintenance and repairs are charged to expense. Property and equipment are carried at cost. Adjustments of the assets and the related accumulated depreciation and amortization accounts are made for property and equipment retirements and disposals, with the resulting gain or loss included in the statement of income.

Depreciation and amortization

Depreciation and amortization of property and equipment is computed using the straight-line and accelerated methods over the estimated useful lives of the assets at acquisition.

Income Taxes

The Company made an election to be treated as a Subchapter S corporation under the Internal Revenue Code. Under these provisions, the Company generally does not pay Federal or state corporate income taxes on its taxable income. Instead, the members are liable for individual Federal and State income taxes on their respective share of the Company's taxable income. The members may take distributions each year to pay their personal income tax liabilities. There were no uncertain tax positions at December 31, 2023, 2022, and 2021.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

The Company executes franchise agreements that set the terms of its arrangement with each franchisee. The Company's revenues consist of initial franchise fees, royalty and other fee income and referral fees.

Initial franchise fee revenues are recognized as revenue as the various performance obligations are satisfied. Initial franchise fee revenue is recognized at a point in time for the pre-opening services performance obligation with the remaining portion of the initial franchise fee recognized over time for the license of intellectual property performance obligation. The Company has elected to treat all pre-opening services as a single performance obligation.

Royalty and other fee income are based on a contracted percentage of franchisee revenue collections, as reported by the franchisees weekly over the period of the franchise term.

Referral fee income from related parties and affiliates are recognized as collected.

Advertising

Advertising and marketing costs are expensed as incurred and totaled \$553,233, \$674,988 and \$380,777 for the years ended December 31, 2023, 2022 and 2021, respectively.

In 2020, the Company received a Paycheck Protection Program (“PPP”) loan in the amount of \$378,700 that qualified as a government grant under the Coronavirus Aid, Relief, and Economic Security Act. GRANT OF LICENSE

The following provisions control with respect to the license we grant to you:

A. Rights Granted. We grant to you, subject to the terms and conditions of this Agreement, the right and license to operate the Franchised Business in the PAR offering the Approved Service Lines identified in Appendix A under the Trademarks we designate. You will operate the Business from a specific location inside your PAR, to which we must first consent. Except as described further below, you may only market and service customers located inside your PAR.

You accept said license and undertake the obligation to operate the Business faithfully, honestly, and diligently, using the System in compliance with our standards and requirements for the System. You may not commence operations of the Business until you have successfully completed our training program and we have approved the commencement date of operations.

Except as noted below, during the term of your Franchise Agreement, we will not establish, operate, or license any other party the right to establish or operate a Franchised Business offering the same Approved Service Line at the same Service Level in which you are authorized to provide under the Franchise Agreement from an office or business address located inside your PAR, with the exception of Document Services. Even if approved to do Document Services, you do not have exclusive rights to perform Document Services in your PAR. Other Franchisees and/or any of our Affiliates may indirectly advertise inside your PAR by advertising in national or regional print or other media not directed primarily at persons inside your PAR but which may reach or be received by persons in the PAR. You may advertise either as a single Franchisee, or if the advertising venue encompassing your PAR includes another franchisee's PAR, we may require that you advertise as a prorated participant in a common group advertisement. You may not, without our prior written consent, conduct any business outside your PAR nor directly advertise outside your PAR, even if the area has not been awarded to another Franchisee or Affiliate offering the same Approved Restoration Services (an "Open PAR"), without our prior written consent.

Additionally, you do not have the right to sell the Approved Service Lines, any other Restoration Services, or any other related product or service through any other channel or method of distribution (including catalog sales, telemarketing, the Internet, or any other existing or future form of electronic commerce, (together referred to as "Alternative Distribution Channels"), or to any person or entity for resale

or further distribution. You also do not have the right to subfranchise, sublicense, assign, or transfer your rights under this Agreement, except for an assignment or transfer as specifically provided in this Agreement.

If a customer located inside your PAR needs service outside your PAR, you may provide service to this customer provided that (i) the service may only be performed in an Open PAR, and (ii) you receive prior written permission from us. If at any time the Open PAR is awarded to another Franchisee or to one of our Affiliates, you must transfer all business you conducted inside the Open PAR to the new Franchisee or our Affiliate.

If you fail to properly perform a service or provide a customer with a warranty in the form we prescribe, you will be given 30 business days to cure this default. If you fail to cure this default during the 30-day period, we may refer the business to another System Franchisee or one of our affiliates to perform the work with no further obligation to you, financial or otherwise, and you agree to fully indemnify us for any non-compliant work you performed.

Zip codes and/or their boundaries change periodically, and in the event of a future change, we will use our best efforts to ensure your PAR comprises approximately the same population in approximately the same geographic location. We will not otherwise alter the PAR during the term of this Agreement without your prior written consent.

B. Services Performed. Your Business will offer the Approved Service Lines, primarily for Service Level 1 claims. You may not offer services above the Service Level that you have been approved to offer. Service Levels are set by the complexity and scope of the restoration needing to be performed (collectively referred to as “Service Levels”). You may not offer services above the Service Level that you have been approved to offer. All Franchisees are automatically approved to perform Service Level 1 claims after their successful completion of Initial Training for the Service Lines they are approved to service.

ART Service Line: Your skillset will determine what services you are approved to provide, which may include cleaning, repair, restoration, and/or conservation. If you are authorized to provide Art Services, should you encounter Artwork and Collectibles that require services beyond your approved Service Level or that carry an art insurance rider, you must contact us for approval prior to performing services on those items. We may approve you to service the Artwork and Collectibles with or without assistance, or we may require you to refer the items to a location that has the appropriate Service Level approval for servicing that item. Considerations for approval include items such as training, education, certifications, years of experience, and other similar criteria. We also may require that you complete additional training for more complex items. Considerations for approval to additional Service Levels will be available in our Operations Manual and may be periodically updated.

Electronic Service Line: For any commercial claims above the Service Level for which you have been approved, you must contact us for approval prior to servicing the commercial claim. We may approve you to service the commercial claim with or without assistance. Considerations for approval include items such as staffing levels, available equipment, experience, and financial qualifications. We also may require that you complete additional training for more complex jobs. You may not restore medical equipment or any other equipment that requires third-party certification without our prior written permission. If approved, you will need to retain a copy of the third-party certification in the customer file. Considerations for approval to additional Service Levels will be available in our Operations Manual and may be periodically updated. As you grow and become a more experienced franchisee, we may come to an agreement that you may begin to handle those larger commercial jobs with the proper guidance. We estimate that it will take at least 1-2 years after you sign your Franchise Agreement for you to have sufficient experience to service commercial claims at Service Level 2. Considerations for approval to additional Service Levels will be available in our Operations Manual and may be periodically updated. You may not restore medical equipment or any other equipment that requires third-party certification without our prior written permission. If approved, you will need to retain a copy of the third-party certification in the customer file.

Document Service Line: For any Document Restoration claims above the Service Level for which you have been approved, you must contact us for approval prior to servicing the claim. We may approve you to service the claim with or without assistance. Considerations for approval include items such as staffing levels, available equipment, experience, and financial qualifications. We also may require that you complete additional training for more complex jobs. Considerations for approval to additional Service Levels will be available in our Operations Manual and may be periodically updated.

You must refer all jobs for Service Lines or Service Levels that you are not approved to do to us, and we may assign the job to either our Affiliate or another System Franchisee who is approved to perform those Service Lines or Service Levels. We will assign to you any jobs that we receive for service in your PAR for the Service Lines and Service Levels that you are approved to service, with the exception of Document Services (see below). We, our Affiliates, and/or another System franchisee may perform a job in your PAR if the job is at a Service Level that you have not yet been qualified to perform or a Service Line you have not been approved to perform, provided that the location performing the work has been qualified to perform jobs of that Service Level and / or Service. For example, if you have not been qualified to do Service Level 2, but another Franchise is qualified, then they could complete the job in your PAR, but if you were also qualified to do Service Level 2 jobs, then the job would be assigned to you. Additionally, we, our affiliates, and/or other System franchisees may perform a job in your PAR if you decline a job.

If there are more than one location approved to perform Document Services in a PAR, at the Service Level required for the claim, then we will assign the job to the location closest to the claim. Alternatively, we may elect to assign the claim in a round-robin manner. However, if you are approved to offer Document Services at that Service Level, and you receive the call directly, you may service the Document Restoration claim.

If a customer directly contacts us, another System Franchisee, or one of our Affiliates and requests Service Lines different than those awarded to you (for example, if you were approved to do art restoration but not electronic restoration), and such job is in your PAR, we, our Affiliates, and/or other RSFG Franchisees may perform the work inside your PAR without any compensation to you.

If you should refer a job to a Franchisee authorized to provide one or more Restoration Services, they may elect to pay you a referral fee, and vice versa. Alternatively, you and the referral Franchisee may elect not to pay each other referral fees. Should you elect to pay each other a referral fee, the referral fee should be agreed upon by the parties in writing. Referral fees must be recorded in the Computer System but are excluded from Gross Sales for royalty calculation purposes and do not count towards fulfillment of your minimum gross sales requirements.

Any other services not covered by your Franchise Agreement license must be referred to a third party unless indicated otherwise in writing by us.

In the event of catastrophic loss, which is defined as an area deemed by the government as a state or federal disaster area, or if you so request, then we may send a Commercial Loss Team (“CLT”), which may consist of RSFG, its Affiliates and other System Franchisees. (Although RSFG does not currently operate any franchises like the type being franchised, RSFG reserves the right to do so. Additionally, we or our designees may supply management or administrative support in the event of a catastrophic loss). If we send a CLT, all referral fees will be paid as outlined in the then-current Operations Manual by the parties to whom you referred the job(s).

C. National Accounts. We, and our Affiliates, have the right to create and implement local, regional, and national relationships with customers (a “National Account”). We reserve the right to contract these services to any other entity at any time or to complete them ourselves. We may designate a customer as a National Account based upon (i) the size of the customer (if it encompasses the territories of two or more franchisees), (ii) size and/or scope of the work to be performed, and/or (iii) number of employees

needed to complete the work. We or our designee will serve as the central contact within the System for all National Accounts to refer business, and we will assign the National Account business relationship for a specific project or portion of a project to a System Franchisee or to one of our Affiliates, who is able to perform the services and do so within the timeframe required regardless of whether the National Account work will be performed inside or outside your PAR.

If the National Account work will be performed inside your PAR, we may assign the National Account work to you for any Primary Approved Services for which you are approved to perform, provided you meet all standards and requirements necessary to complete the work. To receive National Account work, you may be required to meet certain standards and requirements, including entering into a separate agreement with the National Account vendor, paying a referral fee, being available for emergency response 24/7, agreeing to give a percentage discount, completing additional training, increasing your insurance, agreeing to the National Account's procedures, and/or meeting standards for response time or customer service. We reserve the right to charge a fee not to exceed 1% of Gross Sales or our actual costs in administering that program, whichever amount is more. We or a third party we designate (which may be another System Franchisee or Affiliate) may perform National Account work inside your PAR if you do not qualify to do the National Account work or if you opt out of the program.

If we assign work for a National Account to you and you perform the work, you will retain all Gross Sales for the work you performed for the National Account and pay us our standard Royalty and National Marketing Fee as outlined in Article 8, as well as any National Account fees.

Procedures for referring National Account jobs outside of your Approved Service Line or Service Level or for Document Services will follow the same guidelines as referenced above in Article 2.B, in the section titled "Service Levels."

D. Co-venturing. Co-venturing is defined as any job or project that would require two or more System Franchisees that offer the same Service Lines to complete. You may not service a customer if doing so is beyond your current equipment and/or personnel capabilities or if it would disrupt the normal servicing of your customers without our prior written approval. Co-venturing with other franchisees must be managed through us, and you may not negotiate directly with other System Franchisees for co-venturing at any time. We will determine whether to approve a co-venture or require that you refer the job to us or one of our Affiliates.

E. Our Reservation of Rights. We retain all rights that are not expressly granted to you under the Franchise Agreement. Further, we or our Affiliates may, among other things, on any terms and conditions we deem advisable, without compensation to any franchisee and without granting you any rights:

- (i) establish and operate a franchised or affiliate-owned business offering any or all Restoration Services whose office or business address is located outside your PAR;
- (ii) establish and operate, and/or license others to establish and operate, within and outside of your PAR, any business offering the same services you are authorized to provide under the Franchise Agreement under marks other than the Trademarks, which business or businesses may solicit and provide services to any customer located inside and outside your PAR;
- (iii) establish and operate, and/or license others to establish and operate, within and outside of your PAR, any business providing services other than the Approved Services Lines you are authorized to provide under the Franchise Agreement under the same or different Trademarks or any other marks, which business or businesses may solicit and provide services to any customer located inside and outside your PAR, including, without limitation, Document Services;

- (iv) offer, sell or distribute, within and outside your PAR, any products associated with the System (now or in the future) and/or identified by any of the Trademarks, or any other marks, through any distribution channels or methods, including, without limitation, to other recovery, repair, and restoration of Artwork and Collectibles, fabric, clothing and textiles, document, books, and paper, electronic restoration, and/or data recovery, businesses, stores or locations, and/or any business or store of any kind, and/or by mail order, catalog, and/or the Internet (or any other existing or future form of electronic commerce);
- (v) merge with, acquire, or become associated with any businesses or stores of any kind under other systems and/or other marks, which businesses and stores may convert to or operate under the Trademarks and offer or sell products and services that are the same as, similar to, or different than the products and services offered at or from your Business, and which may be located anywhere within or outside your PAR; and
- (vi) we reserve the exclusive right to market to all national and regional offices for insurance adjusters, general contractors or re-construction services, contents cleaning companies, third-party administrators, or similar restoration industry business concepts even if such office is in your PAR. However, we agree to refer to you all residential and commercial jobs for your Approved Service Lines for which you qualify, which are in your PAR and which are attained from these solicitations.

We are not required to pay you any compensation if we exercise any of the rights specified above inside or outside your PAR except as described in this Item.

Although we have the right to do so (as described above), we have not operated or franchised and have no plans to operate or franchise other businesses selling similar products or services under different proprietary marks.

Except for as described in Article 2, we do not restrict you from soliciting or accepting orders from any customer or potential customer located within your PAR.

SEMI, ART Inc., and/or its Affiliates also locate, sell, and manage restoration projects throughout the United States. Nothing in Article 2 limits our or our Affiliates' right to investigate, estimate, manage, and conduct such work within your PAR for prospective and existing National Accounts.

There is no exclusivity for Document Services in your PAR.

F. Minimum Royalty Requirement. To meet our goals for market penetration and for the growth of the System, you agree to be bound by the minimum monthly royalty requirement ("Minimum Monthly Royalty") as set forth below. The Minimum Monthly Royalty will be established for each year of the term of this Agreement following your first year of operation. You understand that meeting the Minimum Monthly Royalty does not suggest that you are sufficiently penetrating the market in the PAR or that the Business will be successful. Rather, the Minimum Monthly Royalty is a threshold minimum amount.

Your rights under the Franchise Agreement are conditioned upon your active and continuous development of the Business in the PAR. The Minimum Monthly Royalty is based on market potential and market share for your PAR, the growth rate of other businesses offering services that are the same as or similar to the Approved Service Lines, and other relevant factors.

Following your first full year of operation, you must pay us a minimum monthly royalty fee each month during the term of this Agreement. The Minimum Monthly Royalty is based on years of operation and the number of Service Lines that you operate and is per PAR, as outlined in the table below.

Minimum Monthly Royalty per PAR			
Years in business	Single Service Line	Two Service Lines	Three Service Lines
Year 1	No Minimum	No Minimum	No Minimum
Year 2	\$1,050	\$1,575	\$2,100
Year 3	\$1,275	\$1,913	\$2,550
Year 4	\$1,425	\$2,138	\$2,850
Years 5 or more	\$1,650	\$2,475	\$3,300

If you do not meet the Minimum Monthly Royalty, we may charge you a fee for the difference (the “Shortfall”). For example, if the Minimum Monthly Royalty is \$1,425 a month, and you paid a royalty of \$1,000, then the minimum royalty fee would be \$425 (\$1,425-\$1,000).

In addition, should we assess a Shortfall for three or more months in a twelve-month period, then we may also elect to establish another System Franchisee or affiliate in your PAR and/or allow another System Franchisee or an affiliate to advertise and service customers located inside your PAR.

However, it is agreed that if you have met the Minimum Monthly Royalty requirement in a PAR over the last rolling 12-month period, then we will not assess the Minimum Monthly Royalty for that month for that PAR. For example, if your Minimum Monthly Royalty is \$3,300, and you paid royalties in that PAR of \$0 in a given month, AND you had also paid \$39,600 in royalties over the last 12 months for that PAR, then the Minimum Monthly Royalty for that month in that PAR would be \$0. However, if you had paid \$30,000 in royalties over the last 12 months in that PAR, then the Minimum Monthly Royalty in that PAR for that month would be \$9,600.

The Minimum Monthly Royalty applicable to your Business may vary from the performance standards applicable to other System Franchisees, including due to geographic area and other variables.

The population number is fixed on the date when the territory is purchased but may be modified should any of the following transactions occur: transfer of the Franchise Agreement, renewal of the Franchise Agreement, or you purchase additional territory. If there is a decline in the cumulative population in your PAR of 20% or more, you may request, and we may consider, making an adjustment in the Minimum Monthly Royalty.

Failure to pay the Minimum Monthly Royalty constitutes a default under the Franchise Agreement. We will not modify your PAR if you fail to pay the Minimum Monthly Royalty or based upon any other contingency. If you fail to cure any Minimum Monthly Royalty default by paying the Minimum Monthly Royalty within 30 days, we may terminate the Franchise Agreement, as noted in Article 11. A.

G. Customer Satisfaction Ratings.

We require you to use and pay for the customer service rating system that we approve, as well as to meet certain customer satisfaction ratings as outlined in the Operations Manual (the “Customer Satisfaction Ratings”). The current Customer Satisfaction Ratings will measure, on a scale of “-100” to “100” (where “100” is the best score), the level of service provided to customers of the Business you operate through specific metrics noted in the Operations Manual. You must achieve a passing aggregate average customer satisfaction rating for each rolling 90-day period, as outlined in the Operations Manual. Currently, a passing score is a Net Promoter Score of 45. If you fail to meet this aggregate average customer satisfaction rating, you will be deemed in default of the Franchise Agreement.

If your 90-day rolling average is not passing, then depending on the severity of the Customer Service problem, we may require that you submit documentation showing (i) how you have addressed the

Customer Services problem(s) and (ii) the preventative action that will be taken to prevent similar Customer Service problem(s) from reoccurring.

If you fail to meet a passing aggregate average customer satisfaction rating for two or more quarters in a calendar year, if you fail to submit the documentation outlined in the above paragraph, and/or if you should fail to follow through on the preventative action plan as required, then you will be deemed in default of this Agreement. Accordingly, and pursuant to Article 11. A, your failure to meet the Customer Satisfaction Rating for any period set forth above will constitute grounds for termination of the Franchise Agreement unless, within 60 days after delivery of written notice of default, you cure the defaults by satisfying the Customer Satisfaction Rating for that recently completed period.

ARTICLE 3

TRADEMARK STANDARDS AND REQUIREMENTS

You hereby acknowledge and agree that the Trademarks are our property and that your right to use the Trademarks is specifically conditioned upon the following terms and conditions:

A. Trademark Ownership. The Trademarks are our valuable property, and we, or those we designate, are the exclusive owner of all rights, title, and interest in and to the Trademarks and all past, present, or future goodwill of the Business conducted within the PAR that is associated with or attributable to the Trademarks. Your use of the Trademarks will inure to our benefit. You may not, during or after the term of this Agreement, engage in any conduct directly or indirectly that would infringe upon, harm, or contest our rights in any of the Trademarks or the goodwill associated with the Trademarks, including any use of the Trademarks in a derogatory, negative, or other inappropriate manner in any media, including but not limited to print or electronic media.

B. Trademark Use. You may not use, or permit the use of, any trademarks, trade names, or service marks in connection with the Business, except those set forth in the Operations Manual or except as we otherwise direct in writing. You must use the Trademarks for the Approved Service Lines (as we designate) and only in connection with such products and services as we specify and only in the form and manner we prescribe in writing. You must comply with all trademark, trade name, and service mark notice marking requirements. You may use the Trademarks only in association with the operation of the Franchised Business in providing the Approved Service Lines, as approved by us and in accordance with our standards and/or requirements with respect to quality and production, service standards, and methods of operation. You must implement and abide by our requirements and recommendations directed to enhancing substantial System uniformity in the matters described in this Article.

C. Business Identification. You must use the Trademark for the Approved Service Lines, as we designate, as the trade name of the Business, and no other mark or words may be used to identify the Business without our prior written consent. You may not use any of the Trademarks as part of the name of your corporation, partnership, limited liability company, or other similar entity. You must hold yourself out to the public as an independent contractor operating the Business pursuant to a license from us.

You must clearly indicate on your business checks, stationery, purchase orders, receipts, and other written materials that you are the owner of the Business and that you are an independently owned and operated franchisee of the System. You may use the Trademarks for the Approved Service Lines, as we designate, on various materials, such as business cards, stationery, purchase orders and checks, provided you: (i) accurately depict the Trademarks on the materials; (ii) include a statement on the materials, in immediate proximity to the Trademark, indicating that you independently own and operate the Business; and (iii) do not use the Trademarks in connection with any other trademarks, trade names or service marks unless we specifically approve it in writing prior to the use.

You must affix the Trademarks for the Approved Service Lines (as we designate) to all vehicles, uniforms, equipment, containers, fixtures, signs, stationery, advertising, sales/promotional materials, and other objects we designate and according to the size, color, lettering style, and fashion as we may designate in the Operations Manual.

D. Litigation. In the event any person or entity improperly uses or infringes the Trademarks or challenges your use or our use or ownership of the Trademarks, we will control all litigation, and we have the right to decide as to whether a suit will be instituted, prosecuted, or settled, the terms of settlement and whether any other action will be taken. You must promptly notify us of any such use or infringement of which you are aware. You must promptly inform us of any claim arising out of your use of any Trademark and must, without compensation, cooperate with us in any action we undertake. We or our affiliate will be responsible for our fees and expenses with any such action unless the challenge or claim results from your misuse of the Trademarks in violation of this Agreement, in which case you must reimburse us for our fees and expenses.

E. Changes. You may not make any changes or substitutions to the Trademarks unless we direct you in writing. We reserve the right to change the Trademarks at any time. Upon receipt of our notice to change the Trademarks (whether in response to third-party claims of superior rights to the Trademarks or otherwise), you must, at your expense, cease using the former Trademarks and commence using the changed Trademarks. We will not be responsible for any other expenses or other amounts you may claim you are owed with respect to the changed Trademarks, and you agree that you will not commence or join in any litigation or other proceeding against us for any such expenses, losses, or damages.

ARTICLE 4

TERM OF FRANCHISE: FRANCHISEE'S RIGHT TO RENEW

The following provisions control with respect to the term and renewal of this Agreement:

A. Initial Term. The term of the license granted in this Agreement is for a period of 10 years from the date of this Agreement.

B. Renewal Term. You have the right to renew your license for two additional 10-year terms each, provided you have met the following conditions:

1. you must give written notice to us no less than nine months prior to the end of the expiring term of your intent to renew the license. You must execute the then-current form of franchise agreement and all other agreements then customarily used by us in the renewal of franchises and pay us a renewal fee equal to \$10,000 for all Franchise Agreements that are renewed concurrently. These agreements may vary materially from those agreements currently in use by us. Your failure or refusal to execute such agreements within 30 days after their delivery to you will be deemed an election by you not to renew the license. If you do not qualify for renewal of your Franchise Agreement and, we may, in some cases, but are not required to, offer to enter into a Franchise Agreement for a smaller territory or for some but not all of your PARs, and you would have the option to accept on the terms offered;

2. you are in compliance with all the terms and conditions of this Agreement and are in compliance with our operating and quality standards and requirements;

3. you have satisfied, prior to renewal, all monetary obligations owed by you to us, our affiliates, or your suppliers or creditors, whether pursuant to this Agreement or otherwise;

4. you have agreed, in writing, to make such reasonable expenditures as are necessary so that the Business will conform to our then-current standards;

5. you attend any training program, at your expense, that we deem necessary for you to operate the Business in accordance with our then-current standards;
6. you have continuously and actively operated the Business
7. you are meeting or exceeding the Minimum Performance Standards in Article 2. F, the minimum Sales Activity Score in 9.B., and the minimum Customer Satisfaction Ratings in Article 2.G.; and
7. you, your Principal Operator, Minority Operators, and your Personal Guarantors sign a general release of claims in a form we prescribe.

ARTICLE 5

PREMISES STANDARDS

You acknowledge and agree that we have the right to establish, from time to time, quality standards regarding the business operations of System franchised businesses to protect the distinction, goodwill, and uniformity symbolized by the Trademarks and the System. Accordingly, you agree to maintain and comply with our quality standards and agree to the following terms and conditions:

A. Franchised Location; Lease. You are responsible for purchasing or leasing a site for the Business (“Franchised Location”) that meets our site selection criteria. You must obtain our written acceptance of the Franchised Location. You may not use the Franchised Location or its premises for any purpose other than the operation of the Franchised Business offering only the Approved Service Lines during the term of this Agreement. We make no guarantees concerning the success of the Business located on any site that we accept. You are solely responsible for obtaining all necessary permits or licenses, and in all other respects complying with applicable legal requirements relating to the Business.

We have no responsibility for the lease; it is your sole responsibility to evaluate, negotiate and enter into the lease for the Franchised Location.

You must execute and provide us an executed copy of your lease or the purchase agreement for the selected and approved site for your Franchised Location within 5 days of the lease execution date and within 60 days from the date of execution of this Agreement. If you fail to have your “site under control” (execute the lease or the purchase agreement within the periods set forth in this subparagraph), we will have the right to terminate this Agreement without opportunity to cure pursuant to Article 11. A.

B. Construction; Opening Date. You must construct and equip the Franchised Location in strict accordance with our current approved specifications and standards pertaining to equipment, inventory, signage, fixtures, furnishings, supplies, and design and layout of the space. You must open for Business to the public no later than six months following the Effective Date.

C. Relocation. If you need to relocate because of condemnation, destruction, or expiration or cancellation of your lease for reasons other than your breach, we will grant you authority to do so at a site acceptable to us that is within your PAR provided that (i) we have issued our written acceptance of the new site; and (iii) the Business is open for business at the new Franchised Location within 150 days following your request to relocate, all in accordance with our then-current standards. If you voluntarily decide to relocate the Business to a new Franchised Location, your right to relocate the Business will be void, and your interest in this Agreement will be voluntarily abandoned unless you have given us notice of your intent to relocate not less than 60 days prior to closing the Business, have procured a site that has been accepted by us within 60 days after closing the prior Business, have opened the Business at the new Franchised Location within 150 days of such closure and complied with any other conditions that we reasonably require. You must pay the costs of any relocation, and we reserve the right to charge you for any reasonable costs that we incur.

You do not have the right to relocate in the event you lose the right to occupy the Franchised Location premises because of the cancellation of your lease due to your breach. The termination or cancellation of your lease due to your breach is grounds for immediate termination under Article 11. A.

D. Business Telephone Line; Answering Service; Fax. You must acquire and maintain a dedicated business telephone number, which is only available to you while you operate the Business. We may require that the telephone number be acquired from an approved vendor. You may not advertise or otherwise give out any other telephone number to customers or potential customers. You must comply with our standards and requirements as outlined in the Operations Manual relating to your Business telephone. You also must have the capability to send and receive faxes. Upon the termination or expiration of this Agreement, you must authorize the transfer of any Business telephone numbers, including cellular numbers and directory listing, to us.

You may be required to pay for, and use, an approved call center to answer incoming sales calls. We may, at any time, with 30 days prior notice to you, designate another method, vendor, or manner for answering sales calls.

You must continually list the Business in the "Yellow Pages" and "White Pages" of the primary telephone directory servicing your PAR.

ARTICLE 6

OPERATIONS STANDARDS AND REQUIREMENTS

You acknowledge and agree that we have established and may revise, from time to time, quality standards regarding the operations of System businesses to protect the distinction, goodwill, and uniformity symbolized by the Trademarks and the System. Accordingly, you agree to maintain and comply with our quality standards and requirements for the System and agree to the following terms and conditions:

A. Products and Services. You may market and sell to customers only the Approved Service Lines and such other products and services that we have expressly approved in writing to you, or, if we elect, through modifications to the Operations Manual (collectively, "Products and Services"). These Products and Services must meet the standards and specifications prescribed by us, which we may modify from time to time. You must conform to all quality and customer service standards we prescribe in writing.

B. Approved Vendors and Supplies. Unless we otherwise specify in writing, you must use approved vendors and supplies for all services, products, equipment, and materials that we determine meet our standards and specifications of quality required to protect the valuable goodwill and uniformity symbolized by and associated with the Trademarks and Business ("Approved Vendors and Supplies" or "Approved Supplies"). Approved Vendors are companies that are approved for a specific service or product they provide. You must comply with all billing and service provision policies of Approved Vendors, including any billing, invoicing, or refund policies. You acknowledge that we may designate a single vendor or source of supply and that we or an affiliate may be that vendor/source, as further noted in 16.M. Currently, we or an affiliate are the designated single source for the Turn-Key Business Package, ERS Depot branded chemicals, most additional chemicals, all print materials and certain apparel and other items that bear one or more of the Trademarks and vehicle logos, Hydroxyl machine, Fine Particle Vacuum, Chemical Sponges, and Software Licenses. We reserve the right to modify this list with 30 days' notice to you, and such updates will be listed in our Operations Manual or in any other form of written or electronic communication as we designate. You will pay the then-current price in effect for products and services that you are required to purchase from us or a designated vendor, and the cost to you for these products and services may be higher than comparable products and services on the market. Approved Supplies are the service or product that is approved. Except if we have designated a single vendor or source of supply, you may obtain that Approved Supply from any available source. Upon request, we will provide and update you with a written list of the

Approved Vendors and Supplies. ALTHOUGH APPROVED BY US, WE MAKE NO WARRANTY AND EXPRESSLY DISCLAIM ALL WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE, WITH RESPECT TO PRODUCTS, SERVICES, EQUIPMENT, SUPPLIES, FIXTURES, FURNISHINGS OR OTHER APPROVED PRODUCTS. WE, HOWEVER, WILL PASS THROUGH ANY APPLICABLE MANUFACTURER WARRANTIES ON PRODUCTS AND SERVICES THAT YOU PURCHASE FROM US, SUBJECT TO ALL WARRANTY TERMS AND CONDITIONS IMPOSED BY THE MANUFACTURER.

WHILE WE CURRENTLY DO NOT DO SO, IN THE EVENT WE PROVIDE YOU WITH ANY TECHNOLOGY PRODUCTS AND/OR SERVICES IN THE FUTURE, WE DO NOT WARRANT THAT SUCH PRODUCTS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE.

IN NO EVENT WILL WE BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, SPECIAL, OR PUNITIVE DAMAGES (INCLUDING, WITHOUT LIMITATION, ANY DAMAGES ASSOCIATED WITH LOSS OF USE, INTERRUPTION OF BUSINESS, LOSS OF DATA OR LOSS OF PROFITS) ARISING OUT OF OR IN ANY WAY RELATED TO ANY TECHNOLOGY PRODUCTS AND/OR SERVICES WE PROVIDE OR ANY PRODUCTS AND/OR SERVICES YOU OBTAIN FROM ONE OF OUR APPROVED SUPPLIERS.

C. Operations Manual. To help protect our reputation and goodwill and to maintain uniform operating standards under the Trademarks and Business, you must conduct the Business in accordance with the required System Standards and procedures contained in our Operations Manual and any other manuals, proprietary software, or computer data files created for use in the operation of the Franchised Business (collectively the "Operations Manual"). Any required specifications, standards, and/or operating procedures exist to protect our interest in the System and the Trademarks and to create a uniform customer experience, and not for establishing any control or duty to take control over those day-to-day operational matters that are reserved to you. "System Standards" mean the mandatory and suggested specifications, standards, operating procedures, and rules (the "System Standards") that we prescribe from time to time for the operation of a Franchised Business and information on your other obligations under this Agreement and related agreements.

We will loan to you one copy of the Operations Manual for the term of this Agreement. You must always treat and maintain the Operations Manual and the information contained therein, and any other proprietary information created for or approved for use in the operation of the Business as secret and confidential. The Operations Manual will always remain our sole property. We may from time to time revise the contents of the Operations Manual and you expressly agree to comply with each new or changed standard. You must always ensure that your copy of the Operations Manual is kept current and up to date. In the event of any dispute as to the contents of the Operations Manual, the terms of the master copy of the Operations Manual we maintain will be controlling. You acknowledge and agree that in the future the Operations Manual and other system communications may only be available on the Internet, our intranet system or other online or computer data transfer communications, as described in Article 6.M.

D. Operating Procedures. The required standards for the operation of the Business generally will be set forth in the Operations Manual or other written materials. The Operations Manual will also include guidelines or recommendations in addition to require standards. In some instances, the required standards will include recommendations or guidelines to meet the required standards. You may follow the recommendations or guidelines or some other suitable alternative, provided that you meet and comply with the required standards. In other instances, no suitable alternative may exist. In order to protect our interests in the System and Trademarks, we reserve the right to determine if you are meeting a required standard and whether an alternative is suitable to any recommendations or guidelines.

You must adopt and use the required standards, procedures, techniques, software, and systems described in the Operations Manual. We will revise the Operations Manual and their standards, procedures,

techniques, software, and systems periodically to meet changing conditions of operation in the best interest of all businesses operating under the Trademarks.

E. Computer System. We require you to use a computer in the operation of the Business. You must use any computer system that we develop or select for the Business, including all future updates, supplements, and modifications (the “Computer System”). The computer software package developed for use in the Business may include proprietary software. You may be required to license other forms of proprietary software from us, an affiliate or a third party and you also may be required to pay a software licensing fee in connection with your use of the proprietary software. All right, title and interest in the software will remain with the licensor of the software. The computer hardware component of the Computer System must conform to specifications we develop. You acknowledge and agree that we will have full and complete access to information and data produced by the Computer System. You will be required to use and pay for all future updates, supplements, and modifications to the Computer System. You agree to pay for any reasonable telephone computer support that we may choose to provide at our then-current charges, as set forth in the Operations Manual and updated from time to time.

It is your responsibility to make sure that you are in compliance with all laws that are applicable to the Computer System or other technology used in the operation of your Business, including but not limited to all data protection or security laws, such as PCI and CCPA compliance.

F. Confidential Information. You, your Principal Operator, your Minority Operators, any person you hire to perform management obligations related to the Business (“Designated Manager”), and your Personal Guarantors (as described in Article 16. F) must not, during the term of this Agreement or thereafter, communicate, divulge, or use for the benefit of any other person or entity any Confidential Information, except to such employees as must have access to it to operate the Business. For purposes of this Agreement, “Confidential Information” means proprietary information, knowledge, and know-how, including processes, materials, software, computer data files, methods, procedures, suggested pricing, specifications, techniques, and other data concerning the methods of operation of a System franchised business. All Confidential Information must not be used for any purpose other than conducting the Business in the PAR. You must obtain nondisclosure and confidentiality agreements in a form satisfactory to us from your Principal Operator, Minority Operators, and from other key employees. You must provide copies of the executed agreements to us upon request.

G. Customer Information. We own all data and information related to customers of the Business, including, without limitation, all customer lists. If we request, you must provide us with an up-to-date customer list in the form we prescribe. You acknowledge that we may require you to submit this information through our Internet system or other online communications. We have the right to contact the customers to ascertain your quality of service and the level of customer satisfaction. You may not use the customer lists or information for any purpose whatsoever other than in the normal conduct of the Business. Upon expiration, nonrenewal, transfer, or termination of this Agreement, you must promptly deliver to us all customer lists, data, and information for all past and current customers of the Business.

H. Evaluations. We or our authorized representative have the right to enter the Business premises at all reasonable times during the business day for the purpose of making periodic evaluations and to ascertain whether you are observing the provisions of this Agreement, to inspect and evaluate your premises used for the Business, to observe and accompany you on sales and customer service calls and visits, and to inspect and evaluate any customer correspondence and any products and services provided to customers. Upon our request, you must provide us copies of any proposals you present to customers for our review and evaluation. Any evaluation or inspection we conduct is not intended to exercise and does not constitute control over your day-to-day operation of the Business or assume any responsibility for your obligations under this Agreement.

I. Adaptations. Complete and detailed uniformity under many varying conditions may not always be possible or practical, and we reserve the right to vary the standards for any franchisee based upon

the customs or circumstances of a particular area of primary responsibility, geographic location, density of population, number of businesses, existing business practices, or any condition that we deem to be of importance to the operation of the franchisee's Business. You will not be entitled to require us to grant you a like or other variation hereunder on account of any variation from standards, specifications, and practices granted to any other franchisee. You acknowledge and agree that we have the right to modify, add to, or rescind any requirement, standard, or specification that we prescribe under this Agreement as may be necessary to adapt our System to changing conditions and competitive circumstances, business strategies, business practices, technological innovation, and any other changes as we deem appropriate. You must comply with these modifications, additions, or rescissions at your expense.

J. Continuous Operation of Business. You must operate the Business on a full-time basis. You acknowledge and agree that if the Business is closed or otherwise not operated for a period of 5 consecutive days or more without our prior written consent, the closure or failure to operate will constitute your voluntary abandonment of the franchise, and we have the right, in addition to other remedies provided for herein, to terminate this Agreement and the franchise operated hereunder. Acts of God, war, strikes, or riots preventing you temporarily from complying with the foregoing will suspend compliance therewith for the duration of the interference.

K. Compliance with Law. You must at all times conduct the Business in compliance with all applicable laws, regulations, codes, and ordinances. You acknowledge that you are an independent business and are solely responsible for control and management of the Business, including such matters as hiring and discharging your employees. You acknowledge that we have no power, responsibility, or liability in respect to employee relations issues, including hiring, discharge and discipline, and related matters. As between us and you, you are solely responsible for the safety and well-being of your employees and the customers of the franchise business. You must promptly notify us of any claim or litigation in which you are involved that arises from the operation of the Business.

L. Participation in an Internet Web Site or Other Online Communications. You must participate in our Web site and no other Web site related to the Business. We also may require you, at your expense, to participate in our intranet system. We have the right to determine the content and use of any Web site and our intranet system and will establish the rules under which franchisees may participate. You may not separately register any domain name or operate any Web site containing any of the Trademarks without our written approval. You may not conduct any business or advertise any products or services on the Internet (including, through social media), except as authorized by us in writing. You may not link or frame our website. We will retain all rights relating to our Web site and our intranet system and may alter or terminate our Web site or our intranet system without prior notice to you. Your general conduct on our Web site, our intranet system or on other online communications (including all current and future forms of social media networks and platforms) and, specifically, your use of the Trademarks or any advertising on any Web site or other such online communications is subject to the provisions of this Agreement and the policies outlined in the Operations Manual. For example, you must comply with our policies regarding the use and placement of key words, meta tags and titles, social media platforms, blogs, websites, domain names, URL's and linking. You further agree to claim, pay for, and update all online listings we designate. You may not use or download any software on your computer unless it has been authorized by us in writing. If you use or download any unauthorized software, you will be liable for all damages and problems caused by the unauthorized software in addition to the other remedies provided under this Agreement. You acknowledge that certain information obtained through your participation in our Web site and our intranet system may be considered Confidential Information, including access codes and identification codes. Your right to participate in our Web site and our intranet system or otherwise use the Trademarks or System on the Internet or other online communications will terminate when this Agreement expires or terminates.

You and any of your employees who interact with customers must maintain branded electronic methods of communication (currently email) accounts, which may be provided to you, and you must give us electronic access to information on your company computer and hosted by software providers, including

viewing access to branded email accounts. We may discontinue or alter the current system of electronic communication, at any time on notice to you, and you may then be required to maintain an account we designate or approve with a provider we approve or designate and pay the required fees. We are not obligated to monitor, create, or maintain any backup of email, information, file storage, or any data related to the email address provided to you. There are no contractual limits on our right to access information and data on the electronic communication and electronic mail systems. You agree that you have no right of privacy in or to these electronic communications and/or electronic mail systems, and we or our designee may access these email communications and data at any time without notice. Any access to, monitoring or copies of data related to electronic communications and emails will be solely for our benefit. We may require you to upgrade, update or otherwise modify your computer hardware, software, and other office equipment. No contractual limitation exists on the frequency or cost of this obligation. We have the unrestricted right to independently access any data stored or collected electronically.

M. Suggested Pricing Policies. We may, from time to time, make suggestions to you regarding your pricing policies. Notwithstanding any suggestions, you have the sole and exclusive right as to the fees you charge to customers, except for National Accounts for which we establish fees. We do, however, retain the right to modify the System on 60 days' written notice to give us the right to establish customer fees, both maximum and minimum in accordance with applicable legal requirements. Any list or schedule of fees we furnish to you may, unless otherwise specifically stated as to the maximum or minimum price, be treated as a recommendation only and failure to accept or implement any such suggestion will not in any way affect the relationship between you and us.

N. Innovations. You agree to fully and promptly disclose to us all ideas, plans, improvements, concepts, methods, and techniques relating to the development, marketing or operation of the Business or any similar business conceived or developed by Franchisee, your employees, independent contractors or other persons or entities acting on your behalf ("Innovations"). We and our affiliates own and have the right to authorize other franchisees to use any Innovations without any compensation to you. Nothing in this Article modifies your obligation to comply with System standards and the Operations Manual.

O. Legal Entity. If you are not a legal entity at the time you sign this Agreement, you must form a legal entity and transfer this Agreement and the Business to a legal entity owned by you prior to attending our initial training program. At such time that you form the legal entity and upon any subsequent changes, you must submit to us, in the format that we require, the names of all owners of the legal entity and their percentage of ownership in the legal entity. In the case of multiple owners, prior to attending our initial training program you must provide us with a copy of the dispute resolution agreement by and among the multiple owners.

You (or the legal entity) may not operate any other business other than the Business without our prior written permission.

P. Vehicles. You must purchase or lease vehicles that meet our specifications and requirements, including model type, condition, color, trademark representation, and appearance (no rust or body damage). These specifications are included in our Operations Manual.

Q. Privacy and Data Protection. You must comply with all laws and regulations related to privacy and data protection and must comply with any privacy policies or data protection and breach response policies that we may periodically establish. You are solely responsible for protecting yourself from disruptions, internet access failures, internet content failures, and attacks by hackers and other unauthorized intruders. Franchisee must notify Franchisor immediately of any suspected data breach at or in connection with the state.

ARTICLE 7

PERSONNEL AND TRAINING STANDARDS

The following provisions and conditions control with respect to personnel, training, and supervision.

A. Supervision of the Business. The Business must at all times be under the direct supervision of the Principal Operator. This means that the Principal Operator must operate the business year-round on a full-time and best-efforts basis. If, at any time during the term, the Business is not under the direct supervision of the Principal Operator, it must be operated by a fully trained Designated Manager who has been approved by us. In the event that it is not operated under the direct supervision of the Principal Operator or the Designated Manager, or if the operation of your Business breaches this Agreement such that the integrity of the Trademarks would be compromised, we have the right (but not the obligation) to service all customer accounts of the Business on a temporary basis until you appoint a new Principal Operator/fully-trained manager and/or cure the operational default (as the case may be). If it is not cured within 30 days, we can terminate this Agreement.

B. Training. Prior to commencement of the Business, and within four months of the Effective Date of this Agreement you, the Principal Operator, and any Designated Manager (if applicable) must attend and successfully complete our initial training program at our headquarters or any other location that we may designate. We provide initial training for up to 3 people for the first Service Line, and one additional person for each additional Service Line added, without charging you a fee. We provide Sales Training to one person per business. If you want to send more people to initial training or to sales training, we will charge you our then-current additional training fees. You are responsible for all room, board, and travel expenses during training. You understand that, except for the confidentiality and non-disclosure restrictions in Articles 6.C, 6.F and 12 (with which you will be bound as of the date you sign this Agreement and must adhere to even if you fail to successfully complete training), this Agreement will not become effective unless you successfully complete the initial training program.

C. Ongoing Training and Assistance. We may provide and require you, your Principal Operator, and your Designated Manager to attend or participate in ongoing training programs, including offsite and onsite training, conference calls, and Internet programs. We may charge you a fee to attend any additional training. You are required to attend at least one ongoing training every two years. You are responsible for all room, board, travel expenses and any applicable wages for your employees during any offsite ongoing training. We also may assist you periodically with creating or refining your plans for the Business, as described more fully in the Operations Manual.

D. Staffing. You must hire and supervise efficient, competent, and courteous persons as your employees for the operation of the Business and set and pay their wages, commissions, and incentives with no liability on us. No employee of yours will be deemed to be an employee of us for any purpose whatsoever, and nothing in any aspect of the System or the Trademark in any way shifts any employee or employment related responsibilities from you to us. You alone are responsible for the day-to-day operation of the Franchised Business and the terms and conditions and employment of Franchisee's personnel, including the soliciting, hiring, firing, discipline, paying, training, scheduling, managing, and supervising of Franchisee's employees.

Any training provided by us to any of your employees will be limited to training or guiding the employees regarding the delivery of approved services to customers in a manner that reflects the customer and client service standards of the System. You are and will remain the sole employer of your employees during all training programs, and you are solely responsible for all employment decisions and actions related to your employees. You must ensure that your employees receive adequate training.

E. Attendance at Meetings. You, your Principal Operator, and your Designated Manager must, at your expense, attend all conferences, seminars, or meetings that we sponsor for System Franchisees to set forth new methods and programs for operation, training, management, sales, or marketing. If you are unable

to attend any such meeting, you must notify us prior to the meeting and attempt to have a substitute person from the Business, acceptable to us, attend and represent you at such meeting. Failure to attend any required meetings will result in a fee of \$1,000 owed to us. You must attend at least one meeting per year. Failure to do so may result in termination of this Agreement.

F. Dress Code. You and your employees must adhere to the dress code we designate (which designations may be communicated through the Operations Manual) and utilize the uniform when interacting with customers or potential customers.

G. New Concepts. If you, your employees, or your principals develop any new concept, process or improvement in the operation or promotion of the Business, you shall promptly notify us and provide us with all necessary related information, without compensation. Any such concept, process or improvement shall become our sole property and we shall be the sole owner of all patents, patent applications, trademarks, copyrights, and other intellectual property rights related thereto. You and your principals hereby assign to us any rights you may have or acquire therein, including the right to modify such concept, process, or improvement, and otherwise waive and/or release all rights of restraint and moral rights therein and thereto. You and your principals agree to assist us in obtaining and enforcing the intellectual property rights to any such concept, process, or improvement in any and all countries, and further agree to execute and provide us with all necessary documentations for obtaining and enforcing such rights. You and your principals hereby irrevocably designate and appoint us as your agent and attorney-in-fact to execute and file any such documentation and to do all other lawful acts to further the prosecution and issuance of patents or other intellectual property rights related to any such concept, process, or improvement. In the event that the foregoing provisions of this Article 7.G are found to be invalid or otherwise unenforceable, you and your principals hereby grant to us a worldwide, perpetual, nonexclusive, fully paid license to use and sublicense the use of the concept, process, or improvement to the extent such use or sublicense would, absent this Agreement, directly or indirectly infringe your rights therein.

ARTICLE 8

FEES, REPORTING AND AUDIT RIGHTS

You must pay the fees described below and comply with the following provisions:

A. Initial Franchise Fee. You must pay to us an Initial Franchise Fee in the amount designated on the Data Sheet attached as Appendix A to this Agreement, upon execution of this Agreement. The Initial Franchise Fee is deemed fully earned by us upon receipt and is non-refundable.

B. Royalty Fee. In addition to the Initial Franchise Fee, during the full term of this Agreement and in consideration of the rights granted to you, you must pay to us a weekly Royalty Fee equal to 7% of Gross Sales of the Business, which includes all fees you generate from the Approved Service Lines and otherwise in connection with the operation of the Business.

C. Turn-Key Business Package. When you sign this Agreement, you must pay to us or one of our affiliates, including ERS Depot, Inc., as we designate, the Turn-Key Business Package Fee in the amount designated on the Data Sheet attached to this Agreement as Appendix A. The Turn-Key Business Package contains various products and equipment necessary for you to commence business operations, and depending on the package purchase, may include: (i) equipment necessary to perform Restoration Services; (ii) computer equipment and software; (iii) initial inventory; (iv) office equipment and supplies; (v) vehicle decals; (vi) tools and equipment; (v) marketing supplies; and (vi) uniforms, all of which we may periodically change. The materials that are included in our Turn-Key Business Package may be shipped F.O.B. from our approved suppliers. The costs you incur for the Turn-Key Business Package are non-refundable.

D. Technology Fee. You must pay the then-current weekly technology fee throughout the term of this Agreement. The fee may cover items such as lease of our proprietary software, listing on the website, and other technology that we deem necessary for the benefit of the System. The technology fee in effect as of the effective date of this Agreement is set forth on the Data Sheet attached to this Agreement as Appendix A and is subject to increase effective on notice to you. Additionally, we reserve the right to charge more for multiple users and/or additional services.

E. Computations and Remittances; Application of Payments. Except for the Initial Franchise Fee, you must compute all amounts due and owing at the end of each week's operation. The royalty week runs Sunday to Saturday, and the royalty report must be updated and submitted in the manner we require by Saturday of each week, and monies must be available for debiting on Wednesday for the preceding week of collected Gross Sales. We reserve the right to change the reporting day of the week for any or all amounts.

You must certify the computation of the amounts in the manner and form we specify, and you must supply to us any supporting or supplementary materials as we reasonably require verifying the accuracy of remittances. You waive any and all existing and future claims and offsets against any amounts due under this Agreement, which amounts you must pay when due. We have the right to apply or cause to be applied against amounts due to us or any of our affiliates any amounts that we or our affiliates may hold from time to time on your behalf or that we or our affiliates owe to you.

F. Electronic Transfer of Funds. You must sign an electronic transfer of funds authorization, attached as Appendix E, to authorize and direct your bank or financial institution to transfer electronically, on a weekly basis, directly to our account or our affiliates' and to charge to your account all amounts due to us or our affiliates. You must maintain a balance in your account sufficient to allow us and our affiliates to collect the amounts owed when due. You are responsible for any penalties, fines or other similar expenses associated with the transfer of funds described in this subparagraph.

G. Interest Charges; Late Fees. All amounts that you owe to us or to our affiliates will bear interest at the rate of 18% per annum or the maximum contract rate of interest permitted by governing law, whichever is less, from and after the date of accrual. In addition to interest charges on late Royalty Fee and Marketing Fund Fee payments, you must pay to us a late fee of \$25 for each delinquent report, and/or for each day that any payment that you owe to us under this Agreement is paid late, per occurrence. If a payment is returned to us because there are insufficient funds in your bank ("NSF") account, then for each returned payment, we may collect an additional payment equal to the greater of (i) \$37 or (ii) the amount we are charged by the bank plus a \$5 administrative fee. The late fee and NSF fees are not interest or a penalty, it is only to compensate us for increased administrative and management costs due to the late payment or NSF.

H. Financial Planning and Management. You must record the sale of all Approved Service Lines in the manner and timeframe we specify. You must use, and pay for the accounting system that we specify, which we may be able to access without limitation. You also must keep books and records and submit reports as we periodically require and, on the forms, and in accordance with the methods we require, all of which accurately reflect the operations and condition of the Business operations. You must provide this information to us according to reporting formats, methodologies, and time schedules that we establish from time to time. You also must preserve and retain the books, records, and reports for not less than 60 months. You must allow us electronic and manual access to all records relating to the Business.

I. Required Reports. You must submit to us all reports with respect to the preceding month by the dates and in the form and content as we periodically prescribe. The reports we may require include, but are not limited to, the following information for the preceding month: (i) amount of Gross Sales and gross receipts of the Business, amount of sales tax and the computation of the Royalty Fee and the Marketing Fund Fee; (ii) if we request, copies of your most recent Federal, state, or other income tax returns, details and monthly balance sheet and statement of profit and loss, including a summary of your costs for utilities, labor, rent and other material cost items; and (iii) if requested by us to verify your Gross Sales, all such books and records as we may require under our audit policies published from time to time. You also must, at your expense, submit to us

within 90 days after the end of each fiscal year a detailed balance sheet, profit and loss statement and statement of cash flows for such fiscal year, prepared on an accrual basis including all adjustments necessary for fair presentation of the financial statements, including a supplemental schedule of revenue and expenses prepared in the format we may periodically prescribe. We may require that the annual financial statements be reviewed or audited by a certified public accountant. You must certify all reports to be true and correct. Prior to opening, and by November 15th of each year, you must submit to us a business plan, your yearly financial projections, and your marketing plan in the manner specified by us. You acknowledge and agree that we have the right to impose these requirements on you regardless of whether we impose the same requirement on our other franchisees.

J. Our Audit Rights. We or our authorized representative have the right at all times during the business day to enter the premises where your books and records relative to the Business are kept and to evaluate, copy and audit such books and records. We also have the right to request information from your suppliers and vendors. In the event that any such evaluation or audit reveals any understatement of your Gross Sales, or that you serviced in another System Franchisee's territory, or in one of our Affiliate's territories, you must pay for the audit, and in addition to any other rights we may have, we have the right to conduct further periodic audits and evaluations of your books and records as we reasonably deem necessary for up to 2 years thereafter and any further audits and evaluations will be at your sole expense, including, without limitation, professional fees, travel, and room and board expenses directly related thereto. Furthermore, if you understate or underreport Gross Sales at any time, or if a subsequent audit or evaluation conducted within the 2-year period reveals any understatement of your Gross Sales of 2% or more, in addition to any other remedies provided for in this Agreement, at law or in equity, we have the right to terminate this Agreement immediately.

We will keep your financial books, records and reports confidential, unless the information is requested by tax authorities or used as part of a legal proceeding, for the purposes of Articles 12.B and 14.E, or where your information is grouped with similar information from other businesses to produce shared results like high-low ranges or average gross sales or expenses on a system-wide or regional basis.

K. Tax Payments. You will pay all state and local taxes, including, without limitation, taxes denominated as income or franchise taxes, that may be imposed on us as a result of our receipt or accrual of any fees or payments due from you to us (or our affiliates) under the Franchise Agreement, whether assessed against you through withholding or other means or whether paid by us directly. In either case, you will pay to us (and to the appropriate governmental authority) such additional amounts as are necessary to provide us (and to the appropriate governmental authority) such additional amounts as are necessary to provide us, after taking such taxes into account (including any additional taxes imposed on such additional amounts), with the same amounts that we would have received or accrued had such withholding or other payment, whether by you or by us, not been required.

L. Lien and Security Interest Grant. By signing this Agreement, you grant to us a lien and security interest in and against any and all personal property, equipment, and fixtures owned by you and used in connection with the Business as security for the payment of the obligations outlined in this Agreement.

ARTICLE 9

MARKETING

You agree to actively promote the Business, to abide by all our marketing requirements and to comply with the following provisions:

A. Marketing Fund Fee. You must pay to us a weekly Marketing Fund Fee in an amount equal to 2% of your Gross Sales (the "Marketing Fund"), in the manner described in Articles 8.C and 8.D. All

Marketing Fund Fees- will be placed in a Marketing Fund. We will manage the Marketing Fund. Excess Marketing Fund contributions not spent in any fiscal year will be carried over for future use. We may use the Marketing Fund to formulate, develop, research, and conduct marketing, promotional, public relations, customer satisfaction and/or lead generation programs to promote the RSFG System and one or more of the RSFG Service Lines in a form and media we determine in our sole judgment to be appropriate, including coverage that is local, regional, or national in scope.

An unaudited annual income and expense statement for the Marketing Fund will be available by request by April 15th of each year for the previous calendar year. You acknowledge and agree that: (i) we have the absolute and exclusive right to determine expenditures of funds collected and as to the selection of any programs for which said expenditures are made; (ii) the Marketing Fund is not a trust or escrow account and we have no fiduciary obligation to you or to any System Franchisee with respect to the marketing programs or expenditures of funds; and (iii) we reserve the right to use the Marketing Fund to reimburse us for all costs that we (and /or our designee) incur related to such programs, campaigns, and studies, including the proportionate compensation of employees who devote time and render service in the conduct, formulation, development and production of the programs, campaigns and studies or the administration of the Marketing Fund. We may make reasonable disbursements from the Marketing Fund for the payment of expenses incurred in connection with the general promotion of the Trademarks and System including the cost of formulating, developing and implementing customer lead generation programs and/or market studies, and the reasonable costs of administering these programs, including accounting expenses and the actual cost of salaries and fringe benefits paid to our employees or designees engaged in administration of the programs.

We have the absolute and exclusive right to determine the contents, terms and conditions of the market development programs. You have no property rights of any kind with respect to the monies in the Marketing Fund. We have no obligations to spend any amount on marketing in the area or PAR where you are located or for Service Lines that you offer. Excess Marketing Fund contributions not spent in any fiscal year will be carried over for future use.

We may use national and regional agencies from time to time to create and place advertising and marketing communications, public relations campaigns and/or develop and administer lead generation studies or programs.

The Marketing Fund will not be used for advertising principally directed at the sale of franchises; however, we may state on any advertisements that “franchises are available,” and to “contact us for information regarding this opportunity.”

B. Local Marketing. Prior to initial training, you must hire a Business Development Manager (BDM), an employee whose primary responsibility is to sell the Business Services to contractors, adjusters, and similar companies. You must have one for each PAR that you are awarded. With our prior written permission, you may serve in this capacity in one PAR; however, you must then hire a Designated Manager to manage the operation aspects of the Business.

We require you to record all sales activity in the software that we designate, as well as to meet certain Sales Activity Score as outlined in the Operations Manual (the “Sales Activity Score”). Currently, the fee for this software is paid for as part of the Technology Fee. The current Sales Activity Score will measure, on a scale of “0” to “100” (where “100” is the best score), the sales activity performed in your PAR through specific metrics noted in the Operations Manual. You must achieve a passing aggregate average Sales Activity Score for each rolling 90-day period, as outlined in the Operations Manual. Currently, a passing score is a Sales Activity Score of 60. If you fail to meet this aggregate Sales Activity Score rating, you will be deemed in default of the Franchise Agreement.

In addition to the Marketing Fund Fee, and the requirement to hire a BDM, we recommend, but do not require, that you spend money on local sales and marketing activities each year. In your first year of

business, the recommendation is the greater of 5% of Gross Sales or \$12,000, and in the second year or more, the recommendation is the greater \$20,000 or 5% of Gross Sales, capped at \$50,000.

We require that you join and participate in the claims and insurance associations that we designate as being pertinent to your market. You must also claim, and pay for, the online listings that we designate. You also must list your Business in the Yellow Pages and White Pages of the primary telephone director servicing your PAR when such listing is available at no or minimal cost.

C. Approved Marketing Materials. You must use only such marketing materials as we furnish, approve, or make available, and the materials must be used only in the manner that we prescribe. Any additional local marketing materials that you wish to utilize must be submitted to us for our prior written approval (including print, electronic, or other forms of media). We will not unreasonably withhold approval of your marketing materials if they are factually accurate and current, dignified and in good condition and accurately reflect the Trademarks. Any local advertising materials you submit to us will be deemed approved if we do not disapprove or comment on the materials within 10 business days of receipt of the materials. We reserve the right to revoke the approval of any advertising material previously approved with 30 days written notice to you.

Any public figures you choose to use in connection with local promotions must be approved by us, in the same manner as specified in the above paragraph.

D. Cooperative Advertising. We have the right to establish and maintain local advertising cooperatives based on designated marketing areas. If a local or regional advertising cooperative is formed or organized in your market, you will be required to participate and contribute. The contribution amount designated by the cooperative must be on a percentage of Gross Sales basis and per Franchised Business and must be the greater of 1% of Gross Sales or \$5,000 per year (the "Coop Contribution"). Each Franchised business within an advertising cooperative, including primarily residential businesses offering the Service Lines that are owned by us or our affiliate, will be a member of the cooperative and have one vote per business. Each advertising cooperative will be required to adopt governing bylaws that meet our approval and that we may require the cooperative to amend from time to time. We may provide each advertising cooperative with a sample form of bylaws that the cooperative must use, and we must approve, containing certain terms and conditions that we require, although the bylaws cannot modify the voting structure set forth in this paragraph without our prior written permission. The advertising cooperatives must submit to us its meeting minutes upon our request. All advertising cooperatives must obtain our written approval of all promotional and advertising materials, creative execution, and media schedules prior to their implementation. The members of each cooperative and their elected officers will be responsible for the administration of the advertising cooperative. We reserve the right to administer the cooperatives' funds and require payment from its members via electronic funds transfer. If we determine the need exists, we may require each advertising cooperative to engage the services of a professional media buyer or advertising agency that meets with our approval and has expertise in the industry and in the particular market. We may require each cooperative to have an independent certified public accountant prepare annual financial statements, which will be available to us and to all franchisee members of the cooperative. We have the right to require advertising cooperatives to be formed, changed, dissolved, or merged. We may also implement a franchisee advisory council that will provide advisory input on marketing and related matters.

YOUR OTHER OBLIGATIONS; NONCOMPETE COVENANTS

You agree to comply with the following terms and conditions:

A. Payment of Debts. You agree to pay promptly when due: (i) all payments, obligations, assessments and taxes due and payable to us, vendors, suppliers, lessors, federal, state or local governments,

or creditors in connection with the Business or Products or Services used in connection with the Business; (ii) all liens and encumbrances of every kind and character created or placed upon or against any of said property; and (iii) all accounts and other indebtedness of every kind incurred by you in the conduct of the Business. In the event you should default in making any payment, we will be authorized, but not required, to pay the same on your behalf and you covenant promptly to reimburse us on demand for any such payment.

B. Indemnification. You hereby waive all claims against us (and any affiliates, officers, directors, agents, and employees) for damages to property, death, or injuries to persons arising directly or indirectly out of the management or operation of the Business. You must indemnify and hold us (and any affiliates, officers, directors, agents and employees) harmless from and against any and all claims, demands and liabilities of any nature whatsoever arising in any manner, directly or indirectly, from or in connection with the operation, use, or occupancy of the Business or premises or any breach by you, or by your or your employees' actions or inactions, or by your failure to comply with the terms and conditions of this Agreement, including attorneys' fees and costs (regardless of cause or any concurrent or contributing fault or negligence of any party). As to third party claims related to Restoration Services that we provide to customers of your Business, we will indemnify and hold you harmless from and against all claims, demands and liabilities from third parties regarding work performed of any nature whatsoever arising in any manner, directly or indirectly, from such Restoration Services performed by us.

It is the intention of the parties to this Agreement that we shall not be deemed a joint employer with you for any reason; however, if we incur any cost, liability, loss, or damage as a result of any actions or omissions of you or your employees, including any that relate to any party making a finding of any joint employer status, you will fully indemnify us for any such cost, liability, loss, and damage.

C. Insurance. You agree to purchase the types and amounts of insurance coverage described below (as we may change or supplement, in our sole business judgment, as specified by the Operations Manual or otherwise by us in writing):

- (1) Commercial General Liability, Contractor's Pollution Liability Insurance, and Professional Liability Insurance. Coverage for "bodily injury," "property damage," and "personal and advertising injury" with no exclusion or limitation applying to the products / completed operations liability coverage. Limits must be at least \$2,000,000 general aggregate, \$2,000,000 products and completed operations aggregate, \$1,000,000 personal and advertising injury limit and \$1,000,000 per occurrence.

Limits must specifically confirm coverage for pollution, including mold and lead, with minimum limits of \$1,000,000 each incident, with \$1,000,000 aggregate. The limited liability pollution endorsement does not meet the pollution insurance requirement. Contractual liability coverage including the assumed personal and advertising injury endorsement must be included to cover the indemnity provisions of this Franchise Agreement. The exclusion for employer's liability shall not apply to claims for covered contractually assumed liability claims.

Such policy shall contain a waiver of subrogation endorsement as to claims against Restoration Specialties Franchise Group, LLC.

Restoration Specialties Franchise Group, LLC shall be named as an additional insured on this policy on a primary and noncontributory basis, and with both a CG-2037 Products/Completed Operations Form, and a Grantor of Franchise Form CG2029 or an insurer's comparable form.

- (2) Automobile Liability Insurance. You are required to maintain insurance with a combined single limit ("CSL") of \$1,000,000 for bodily injury and property damage for all owned or leased vehicles and include hired and non-owned vehicles. Additionally, uninsured motorist and under-insured motorist coverage will be equal to the CSL.

- (3) Workers' Compensation and Employers' Liability. Statutorily required workers' compensation insurance and employer's liability insurance is required to be maintained with limits of at least \$500,000 by accident, \$500,000 by disease and \$500,000 policy limit. In "Monopolistic States" including Ohio, North Dakota, Washington, Wyoming, and West Virginia "Stop Gap" coverage must be purchased separately or added to the commercial general liability policy and/or worker's compensation and employers' liability policy. "Stop Gap" in Ohio must not contain exclusion with the "substantially certain to occur" language.
- (4) Employee Dishonesty Insurance. You are required to maintain employee dishonesty insurance with minimum limits of \$50,000 per loss and such coverage is to also cover acts of stealing against third parties. This coverage must increase by \$50,000 for each \$4,000,000 in annual Gross Sales achieved up to \$250,000 per loss (for example, at \$4,000,000 in Gross Sales, your bond would need to increase to \$100,000 at \$8,000,000 to \$150,000, etc.)
- (5) Umbrella or Excess Liability Insurance. You are required to maintain a commercial umbrella liability insurance policy with minimum limits of \$1,000,000 per occurrence and aggregate and shall list the commercial general liability, pollution liability and automobile liability as scheduled underlying policies. This policy will need to increase by \$1,000,000 per occurrence and aggregate for each \$4,000,000 in Gross Sales achieved up to \$10,000,000 per occurrence and aggregate (for example, at \$4,000,000 in Gross Sales, you would need to increase this to \$2,000,000, at \$8,000,000 to \$3,000,000, etc.).
- (6) Property Coverage: You are required to maintain insurance on your business personal property, at amounts equivalent to replacement value.

You must also carry insurance coverage for property of others in your care, custody, and control (including work in progress), with minimum limits equal to the value of goods in your possession at any one time, or \$250,000, whichever amount is higher.

You must carry business income and expense coverage for twelve months.
- (7) Bailees Legal Liability: You are required to maintain Bailees Legal Liability Insurance, covering the liability for damage to Customer's goods, which must have minimum limits equal to the value of goods in your possession at any one time, or \$250,000, whichever amount is higher.
- (8) Motor Truck Cargo: You are required to maintain motor truck cargo insurance to cover goods in transit, at a minimum of \$100,000 per incident.

You are required to comply with any state, county, local, or other municipal insurance requirements.

You should carefully review your policy to make sure that they do not exclude items of (a) for Art - rarity, antiquity, fine arts, (b) for Electronics - electronics and/or data documents, for (c) Textiles – textiles, clothing, including furs, suedes, and leather, drapery/curtains, as well as valuable collectibles such as dolls, quilts, etc., and for (d) Documents - paper, including items with confidential information.

No deductible or self-insured retention can exceed \$5,000 for any required insurance policy, except that you may have retention of up to \$10,000 on the Umbrella Liability Insurance policy.

You may not reduce the policy limits, restrict coverage, cancel, or otherwise alter or amend any insurance policy without our written consent. You must maintain these insurance levels throughout the term of this Agreement. You must provide us with proof of coverage on demand. You must obtain these insurance policies from insurance carriers that are rated "A" or better by Alfred M. Best & Company, Inc. and that are licensed and admitted in the state in which you operate your Franchised Business.

Commercial General Liability, Contractor's Pollution Liability Insurance, and Professional Liability Insurance, Automobile Liability Insurance, and Umbrella or Excess Liability Insurance policies

will name Restoration Specialties Franchise Group, LLC as an additional insured and any other entities that we designate (the “Indemnified Parties”), will contain no provision which in any way limits or reduces coverage for you in the event of a claim by any one or more of the Indemnified Parties, will extend to and provide indemnity for all obligations assumed by you and all items for which you are required to indemnify us, will be primary to and without right of contribution from any other insurance purchased by the Indemnified Parties, and will provide, by endorsement, that we receive at least 10 days prior notice of any intent to cancel or materially alter any policy. Whenever a change is made to your policy, and before expiration of any insurance coverage, you must submit to us a copy or certificate or other acceptable proof of such insurance with a copy of the Additional Insured Endorsement on your policy. On occasion, we may request complete copies of all insurance policies to insure compliance with the insurance provisions of this contract.

Periodically we may modify the minimum insurance limits and require different or additional kinds of insurance to reflect changes in insurance standards, normal business practices, higher court awards and other relevant circumstances. You will receive at least 90 days advance written notice of any change.

D. Non-competition Covenants. You agree that you will receive valuable training and Confidential Information that you otherwise would not receive or have access to but for the rights licensed to you under this Agreement. You therefore agree to the following noncompetition covenants:

1. Unless otherwise specified, the term “you” as used in this Article 10.D, 10.E. and 10.F., includes, collectively and individually, you, all Principal Operators, Minority Operators, your Designated Manager (if any), guarantors, officers, directors, members, managers, partners, and holders of any ownership interest in you. We may require you to obtain from your Designated Manager and other individuals identified in the preceding sentence a signed non-compete agreement in a form satisfactory to us that contains the non-compete provisions of this Article 10.D.

2. You covenant that during the term of this Agreement, you will not, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person or entity, own, manage, operate, maintain, engage in, consult with, or have any interest in any Competitive Activity other than as authorized by this Agreement or any other agreement between us and you. For purposes of this Agreement, “Competitive Activity” means any other business: (a) offering, marketing, selling or providing any service that is the same as or substantially similar to any of the Service Lines, and/or (b) selling products and services similar to the Products and Services sold by the Franchised Business, including but not limited to those Products and Services outlined in Articles 1.A, 1.B., 1.J and 2.B of this Agreement (each a “Competitive Business”). The term “Competitive Activity” also means any business offering franchise or license opportunities for the operation of a Competitive Business.

3. You covenant that you will not, for a period of 2 years after the expiration or termination of this Agreement, regardless of the cause of termination, or within 2 years of the sale of the Business or any interest in you, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person or entity, own, manage, operate, maintain, engage in, consult with or have any interest in a business engaging in a Competitive Activity within: (i) the PAR; (ii) a 40-mile radius outside the PAR; or (iii) within the primary area of responsibility of another System Franchisee.

4. You expressly agree that the 2-year period and geographical restrictions are the reasonable and necessary time and geographic scope needed to protect us, our franchisees, and the Franchised System if the Agreement expires or is terminated. You also agree that the length of time in subpart (3) will be tolled for any period during which you are in breach of the covenants or any other period during which we seek to enforce this Agreement. The parties agree that each of the foregoing covenants will be construed as independent of any other covenant or provision of this Agreement.

E. Non-Solicitation. As further outlined in Article 6.G we own all data and information related to customers and potential customers of the Business, including, without limitation, all customer lists. In the event of the expiration, nonrenewal, transfer or termination of this Agreement, you agree that you will not use, disclose, or retain, in any form any customer lists or other customer information. In addition, you agree that you will neither solicit, induce, or attempt to influence any former, current, or potential customers, clients, business associates, affiliates, suppliers, vendors, contractors, entities, or persons who refer business to you, us, or another System Franchisee, for any business purpose or in attempts to encourage them to cease doing business with you, us, or another System Franchisee. Your further acknowledge and agree the underlying business purpose for this Article 10.E is to address the damage that we will incur for the loss of the person hired away, including the costs of finding, hiring, and training a new management-level employee and for the loss of the services and experience of the employee hired away.

F. Spouses and Immediate Family Members. It shall be deemed a breach of this Agreement if your spouse, parent, sibling, or children should engage in any of the prohibited conduct outlined in Article 10.D and E.

Your failure to cure a default within the cure period will provide us with good cause to terminate this Agreement. Unless otherwise specified above, you must deliver satisfactory evidence of your completion of all the items in 12.A. and 12.B within 30 days.

ARTICLE 13

DISPUTE RESOLUTION

The following provisions apply with respect to dispute resolution:

A. Mediation. You and we have reached this Agreement in good faith and with the belief that it is advantageous to each of us. In recognition of the strain on time, unnecessary expense and wasted resources potentially associated with litigation, and in the spirit of cooperation, the parties pledge to try to resolve any dispute amicably, without litigation. Other than an action brought by us for any Excepted Claim (as defined below), and with the exception of injunctive relief or specific performance actions, before the filing of any litigation, you and we agree to mediate any dispute, controversy or claim between us and/or any of our affiliates, officers, directors, managers, shareholders, members, owners, guarantors, employees or agents (each a “Franchisor Related Party”), on the one hand, and you and/or any of your affiliates, officers, directors, managers, shareholders, members, owners, guarantors, employees or agents (each a “Franchisee Related Party”), including without limitation, in connection with any dispute, controversy or claim arising under, out of, in connection with or in relation to: (a) this Agreement; (b) the parties’ relationship; and/or (c) the events occurring prior to the entry into this Agreement. Good faith participation in these procedures to the greatest extent reasonably possible, despite lack of cooperation by one or more of the other parties, is a precondition to commencing and maintaining any legal action, including any action to interpret or enforce this Agreement. This agreement to mediate shall survive any transfer, termination, or expiration of this Agreement. The following provisions shall govern the mediation process:

1. Mediation will be conducted in the city and state of our National Headquarters. Persons authorized to settle the dispute must attend each mediation session in person. The party seeking

mediation (the “Initiating Party”) must commence mediation by sending the other party/parties a written notice of its request for mediation (the “Mediation Notice”). The Mediation Notice must specify, to the fullest extent possible, the nature of the dispute, the Initiating Party’s version of the facts surrounding the dispute, the amount of damages and the nature of any injunctive or other such relief such party claims, and must identify one or more persons with authority to settle the dispute for the Initiating Party.

2. Upon receipt of the Mediation Notice, the parties will endeavor, in good faith, to resolve the dispute outlined in the Dispute Notice. If the parties have been unable to resolve any such dispute within twenty (20) days after the date the Mediation Notice is provided by the Initiating Party to the other party, either party may initiate a mediation procedure in accordance with this provision. The parties agree to participate in the mediation proceedings in good faith with the intention of resolving the dispute if at all possible, within thirty (30) days of the date the mediator is mutually agreed upon by the parties. The parties agree to participate in the mediation procedure to its conclusion, as set forth in this section.

3. The mediator shall advise the parties in writing of the format for the meeting or meetings. If the mediator believes it will be useful after reviewing the position papers, the mediator shall give both himself or herself and the authorized person designated by each party an opportunity to hear an oral presentation of each party’s views on the matter in dispute. The mediator shall assist the authorized persons to negotiate a resolution of the matter in dispute, with or without the assistance of counsel or others. To this end, the mediator is authorized both to conduct joint meetings and to attend separate private caucuses with the parties. All mediation sessions will be strictly private. The mediator must keep confidential all information learned unless specifically authorized by the party from which the information was obtained to disclose the information to the other party.

4. The parties commit to participate in the proceedings in good faith with the intention of resolving the dispute if at all possible. The mediation may be concluded: (a) by the signing of a settlement agreement by the parties; (b) by the mediator’s declaration that the mediation is terminated; or (c) by a written declaration of either party, no earlier than at the conclusion of a full day’s mediation, that the mediation is terminated. Even if the mediation is terminated without resolving the dispute, the parties agree not to terminate negotiations and not to begin any legal action or seek another remedy before the expiration of five (5) days following the mediation. A party may begin litigation within this period only if the litigation might otherwise be barred by an applicable statute of limitations or in order to request an injunction from a Court of competent jurisdiction to prevent irreparable harm.

5. The fees and expenses of the mediator shall be shared equally by the parties. The mediator may not later serve as a witness, consultant, expert, or counsel for any party with respect to the dispute or any related or similar matter in which either of the parties is involved. The mediation procedure is a compromise negotiation or settlement discussion for purposes of federal and state rules of evidence. The parties agree that no stenographic, visual, or audio record of the proceedings may be made. Any conduct, statement, promise, offer, view, or opinion, whether oral or written, made in the course of the mediation by the parties, their agents or employees, or the mediator is confidential and shall be treated as privileged. No conduct, statement, promise, offer, view, or opinion made in the mediation procedure is discoverable or admissible in evidence for any purpose, not even impeachment, in any proceeding involving either of the parties. However, evidence that would otherwise be discoverable or admissible shall not be excluded from discovery or made inadmissible simply because of its use in the mediation.

B. Exceptions to Mediation. Notwithstanding anything contained in this Agreement to the contrary, the parties agree that the following claims will not be subject to mediation: Any: (i) claim by us and/or any of our affiliates for injunctive relief, including pursuant to Article 13.D; and/or (ii) claim, controversy, dispute, or claim that concerns an allegation that you and/or any of your owners have violated (or threatens to violate, or poses an imminent risk of violating): (a) any provision relating to use of the Marks, the System or any Confidential Information; (b) any federally or state protected intellectual property rights in the Marks, the System, or in any Confidential Information; (c) any of the restrictive covenants

contained in this Agreement, including the confidentiality and non-competition covenants; or (d) any claims to collect past due amounts owed to us and/or its affiliates (each, an “Excepted Claim” and collectively, the “Excepted Claims”). Without limiting the foregoing, we are permitted to seek immediate injunctive relief in the state or federal courts in any court with personal jurisdiction over you if you are violating or threatening to violate any confidentiality and/or restrictive covenant in this Agreement or if you are infringing on the Marks. In such an action, we are permitted but not obligated to assert any other existing claims against you.

C. Litigation. With the exception of Excepted Claims, and if not resolved by the negotiation and mediation procedures set forth in Article 16.A. above, either party may initiate litigation against the other upon a breach of this Agreement, seeking any and all remedies available under law and/or in equity. Such litigation will take place in jurisdiction as outlined in Article 16.I.1.

D. Injunctive Relief. You recognize that the Business is one of a large number of businesses identified by the Trademarks and similarly situated and selling to the public similar products and services, and the failure on the part of a single franchisee to comply with the terms of its agreement could cause irreparable damage to us or to some or all our other franchisees. Therefore, it is mutually agreed that in the event of a breach or threatened breach of any of the terms of this Agreement by you, we will forthwith be entitled to an injunction restraining such breach or to a decree of specific performance, without showing or proving any actual damage, together with recovery of reasonable attorneys’ fees and other costs incurred in obtaining said equitable relief. Similarly, it is mutually agreed that in the event of our breach or threatened breach of any of the terms of this Agreement, you will forthwith be entitled to an injunction restraining such breach or to a decree of specific performance, without showing or proving any actual damage, together with recovery of reasonable attorneys’ fees and other costs incurred in obtaining said equitable relief, until such time as a final and binding determination is made. The foregoing equitable remedies are in addition to, and not in lieu of, all other remedies or rights that the parties might otherwise have by virtue of any breach of this Agreement by the other party.

E. Attorneys’ Fees. The prevailing party in any action or proceeding arising under, out of, in connection with, or in relation to this Agreement or the Business will be entitled to recover its reasonable attorneys’ fees and costs from the other party. This Article 13.E will survive termination or expiration of this Agreement under any circumstances.

F. Enforcement. During the term of this Agreement, if you do not give us written notice of the alleged breach of this Agreement within one year from the date that you have knowledge of circumstances reasonably causing you to believe you may have a claim for a breach of this Agreement by us, then the alleged breach will be deemed to be waived by you in all respects and you will be barred from bringing any legal or other action against us for the alleged breach. Furthermore, upon expiration or termination of this Agreement, you may not assert any claim or cause of action against us arising under, out of, or in any way connected with or related to this Agreement, the relationship between the parties, or the Business unless the claim or cause of action is commenced within one year after the effective date of the expiration or termination of this Agreement. Notwithstanding the preceding two sentences, if the one-year time limitation is prohibited by or invalid under any applicable law, then no suit or action may be commenced or maintained unless it is commenced within the shortest applicable statute of limitations.

ARTICLE 14

ASSIGNMENT BY FRANCHISEE

You agree that the following provisions will govern any transfer or proposed transfer by you:

A. Transfers. This Agreement is entered by us with specific reliance upon the financial qualifications and the personal experience, skills and managerial and financial qualifications of you and your

Principal Operator, all of which are essential to the satisfactory operation of the Business licensed hereunder. Consequently, neither you nor your Principal Operator's interest in this Agreement or in the Business, nor your Principal Operator's interest in you, may be transferred or assigned to or assumed by any other person or entity (the "Assignee"), in whole or in part, unless you or your Principal Operator have first tendered to us the right of first refusal to acquire such interest in accordance with Article 14.E, and if we fail to exercise such right, unless our prior written consent is obtained and the transfer conditions described in Article 14.C are satisfied.

Any sale (including installment sale), lease, pledge, management agreement, contract for deed, option agreement, gift or otherwise or any arrangement pursuant to which you turn over all or part of the daily operation of the Business to a person or entity who shares in the losses and/or profits of the Business in a manner other than as an employee will be considered a transfer for purposes of this Agreement. Specifically, but without limiting the generality of the foregoing, the following events constitute a transfer, and you must comply with the right of first refusal, consent, Transfer Fee, and other transfer conditions in this Article 14:

1. Any change or series of changes in the percentage of the franchisee entity owned, directly or indirectly, by any Principal Operator (including any addition or deletion of any person or entity who qualifies as a Principal Operator) which results in the Principal Operator owning less than 67% of the franchisee entity;
2. Any change in the general partner of a franchisee that is a general, limited, or other partnership entity; or
3. For purposes of this Article 14.A, a pledge or seizure of any ownership interests in you or in any Principal Operator that affects the ownership of 1% or more of you or Principal Operator, which we have not approved in advance in writing.

In the event of your or your Principal Operator's insolvency or the filing of any petition by or against you or your Principal Operator under any provisions of any bankruptcy or insolvency law, if your legal representative, successor, receiver or trustee desires to succeed to your or your Principal Operator's interest in this Agreement or the Business, such person first must so notify us, must tender the right of first refusal provided for in Article 14.E, and if we fail to exercise such right, must apply for and obtain our consent to the transfer and satisfy the transfer conditions described in Article 14.C. In addition, you, your Principal Operator, or the Assignee must pay our attorneys' fees and costs incurred in any bankruptcy or insolvency proceeding pertaining to you or your Principal Operator.

B. Consent to Transfer. We will not unreasonably withhold our consent to transfer, provided that the Assignee is, in our reasonable judgment, qualified to provide active supervision over the operation of the Business, the Assignee possesses sufficient net worth and sources of capital to meet our standards for the Business, and the conditions defined in Article 14.C are satisfied. Application for our consent to a transfer and tender of the right of first refusal provided for in Article 14.E must be made by submission of our form of application for consent to transfer, which must be accompanied by the documents (including a copy of the proposed purchase or other transfer agreement) or other information required therein. The application must indicate whether you or your Principal Operator proposes to retain a security interest in the property to be transferred. No such security interest will be created without our prior written consent and except upon conditions acceptable to us. Any attempted transfer by you or your Principal Operator without our prior written consent or otherwise not in compliance with the terms of this Agreement will be void and will give us the right to terminate this Agreement.

C. Conditions of Transfer. Whether the transfer is to an individual, a corporation, a partnership or to any other entity, the following provisions apply:

1. We may condition our consent to any proposed transfer upon the following:

(a) all your obligations in connection with the Business have been assumed by the Assignee;

(b) all your ascertained or liquidated debts in connection with the Business, including all amounts owed to us or any of our affiliates or your suppliers have been paid in full;

(c) you are not in default under any provision of this Agreement; the Business must be in operation; and you must have completed Initial Training and opened the Business;

(d) the Assignee (i) meets the then current qualification criteria for the operation of the Franchised Business; (ii) enters into the then current form of Franchise Agreement; (iii) is not involved in a competitive business and (iv) completes the training program required of new franchisees;

(e) you or the Assignee has paid us the then-current transfer fee;

(f) you and all Personal Guarantors officers, directors and shareholders execute a general release in our favor;

(g) you and all Personal Guarantors, officers, directors, and shareholders agree to comply with the covenant not to compete and non-solicitation set forth in Articles 10.D, 10.E, and 10.F, of this Agreement; and

(h) in the case of an installment sale, if you or any Principal Operator proposes to retain a security interest or other financial interest in the Franchise Agreement or the Business operated thereunder (with our consent), you or such Principal Operator agrees to guarantee the performance of the Franchise Agreement until the final close of the installment sale or the termination of such interest, as the case may be.

(i) if you have been approved to do more than one Service Line in the same PAR, you must sell all Service Lines to the same buyer. If you own more than one PAR, you may sell each PAR to a separate buyer at our discretion.

2. Notwithstanding the conditions stated in Article 14.C.1 above, if you are an individual franchisee, you may assign the franchise to a corporation or other similar entity in which you own all the issued and outstanding capital stock provided that:

(a) the corporation or other similar entity is newly organized, and its activities are confined exclusively to acting as the franchisee under this Agreement;

(b) the corporation or other similar entity executes a document in a form approved by us in which it agrees to become a party to and be bound by all the provisions of this Agreement; and

(c) the Principal Operator remains personally liable in all respects under this Agreement and executes on a form approved by us a personal guarantee and agreement not to sell, assign, pledge, mortgage or otherwise transfer or encumber the stock.

3. We may require you to prepare and furnish to the Assignee or to us such financial reports and other data relating to the Business and its operations as we, in our sole and exclusive judgment, may deem necessary or appropriate for the Assignee or us to evaluate the Business and the proposed transfer. You agree that we have the right to confer with proposed assignees and furnish them with information concerning the Business and proposed transfer without being held liable to you. Any such information we furnish to proposed assignees is for the sole purpose of permitting the assignees to evaluate the Business and proposed transfer and must not be construed in any manner or form whatsoever as earnings claim or claims of success or failure.

D. Death, Disability, or Incapacity. If any individual franchisee (or Principal Operator) dies or becomes disabled or incapacitated and the decedent's or disabled or incapacitated person's heir or successor-in-interest wishes to continue as a franchisee hereunder, the person or entity must apply for our consent, successfully complete our training program, and pay the applicable Transfer Fee, all in accordance with this Article 14 as in any other case of a proposed transfer. Failure to transfer within 180 days of the Principal Operator's death, disability or incapacity constitutes a default under this Agreement. Further, we may temporarily manage and control the customer accounts of the Business during any interim or transition period associated with the transfer or assignment under this Article 14.D to ensure the continued integrity of the Trademarks and System.

E. Right of First Refusal. If you or your Principal Operator propose to transfer or assign this Agreement or your interest herein or in the Business, in whole or in part, to any third party, you or your Principal Operator first must offer to sell to us your interest as provided herein. In the event of a bona fide offer from such third party, you or your Principal Operator must obtain from the third-party offeror and deliver to us a statement in writing, signed by the offeror and by you or your Principal Operator, of the terms of the offer. In the event of (i) a transfer or assignment of stock or similar ownership interests in you or your Principal Operator's interest in you, or (ii) you, your Personal Owner's or a Personal Guarantor's insolvency or the filing of any petition by or against you, or your Principal Operator or a Personal Guarantor under any provisions of any bankruptcy or insolvency law, our offer will be to purchase you and your Principal Operator's interest in this Agreement and the Business. An amount and terms of purchase must be established by a qualified appraiser selected by you and us. If the parties cannot agree upon the selection of an appraiser, one will be appointed by the American Arbitration Association upon petition of either you or us to appoint an appraiser to establish such price in accordance with the rules and procedures of the Association. You or your legal representative must deliver to us a statement in writing incorporating the appraiser's report.

We will have 30 days from our receipt of the statement setting forth the third-party offer or the appraiser's report to accept the offer by delivering written notice of acceptance to you. The acceptance will be on the same price and terms set forth in the statement delivered to us; provided, however, we will have the right to substitute equivalent cash for any noncash consideration included in the offer. If we fail to accept the offer within the 30-day period, you will be free for 6 months from the date the offer was submitted to us to affect the disposition described in the statement delivered to us; provided the transfer is not at a lower price or with more favorable terms than have been offered to us and is otherwise in accordance with this Article 14. If the disposition is not closed within the six-month period with the proposed assignee, then you or your Principal Operator must reoffer to sell to us prior to the sale to a third party. You or your Principal Operator may affect no other sale or assignment of you, this Agreement, or the Business without first offering the same to us in accordance with this Article 14.E.

ARTICLE 15

ASSIGNMENT BY FRANCHISOR

We reserve the right to sell or assign, in whole or in part, our interest in this Agreement. Any such sale or assignment will inure to the benefit of any assignee or other legal successor.

ARTICLE 16

GENERAL PROVISIONS

The parties hereby agree to the following provisions:

A. Severability. Should one or more clauses of this Agreement be held void or unenforceable for any reason by any court of competent jurisdiction, such clause or clauses will be deemed to be separable in such jurisdiction and the remainder of this Agreement will be deemed to be valid and in full force and effect

and the terms of this Agreement will be equitably adjusted so as to compensate the appropriate party for any consideration lost because of the elimination of such clause or clauses. It is the intent and expectation of each of the parties that each provision of this Agreement will be honored, carried out and enforced as written. Consequently, each of the parties agrees that any provision of this Agreement sought to be enforced in any proceeding hereunder will, at the election of the party seeking enforcement and notwithstanding the availability of an adequate remedy at law, be enforced by specific performance or any other equitable remedy.

B. Waiver/Integration. Except as set forth in Article 13.D, no waiver by either party of any breach by the other party, nor any delay or failure by either party to enforce any provision of this Agreement, will be deemed to be a waiver of any other or subsequent breach or be deemed an estoppel to enforce the non-breaching party's rights with respect to that or any other or subsequent breach. Subject to our rights to modify Appendices or System standards and requirements and as otherwise provided herein, this Agreement may not be waived, altered, or rescinded, in whole or in part, except by a writing signed by you and us. This Agreement together with any addenda and appendices hereto constitute the entire, full and complete agreement and understanding between you and us and supersede all prior negotiations, understandings, representations, and agreements, no other representations, promises, warranties or agreements have induced you to execute this Agreement. Both parties agree that there are no oral or written representations, promises, assurances, warranties, covenants, side-deals, rights of first refusal, options, or understandings other than those expressly contained in this Agreement. The parties agree that, in entering into this Agreement, they are each relying on their own judgment, belief and knowledge as to any claims and further acknowledge that no promise, inducement or agreement not expressed herein have been made to procure their agreement hereto.

Nothing in this Agreement or in any related agreement is intended to disclaim the representations we made in the Franchise Disclosure Document we furnished to you. You are responsible for conducting your own independent investigation of the franchised business and you are strongly encouraged to consult with an attorney and business advisor before investing in this franchise opportunity.

You acknowledge that you are entering into this Agreement as a result of your own independent investigation of our franchised business and not as a result of any representations about us made by our shareholders, officers, directors, employees, agents, representatives, independent contractors, or franchisees that are contrary to the terms set forth in this Agreement, or in any disclosure document, prospectus, or other similar document required or permitted to be given to you pursuant to applicable law.

No agency, employment, or fiduciary relationship is created by this Agreement. Your Business is separate and apart from any that we may operate. Neither party to this Agreement may bind the other nor make any representations tending to create apparent agency, employment, or partnership.

Article 1051 et seq.), this Agreement is governed by and interpreted in accordance with the laws of Michigan, except that Michigan laws relating to franchises will not apply unless the jurisdictional requirements of such laws are satisfied independently of this provision. You are aware of the business purposes and needs underlying the language of this Article, and with a complete understanding thereof, agree to be bound in the manner set forth.

2. Our Rights. Whenever this Agreement provides that we have a certain right, that right is absolute, and the parties intend that our exercise of that right will not be subject to any limitation or review. We have the right to operate, administrate, develop, and change the System in any manner that is not specifically precluded by the provisions of this Agreement.

3. Our Reasonable Business Judgment. Whenever we reserve or are deemed to have reserved discretion in a particular area or where we agree or are deemed to be required to exercise our rights reasonably or in good faith, we will satisfy our obligations whenever we exercise Reasonable Business Judgment in making our decision or exercising our rights. A decision or action by us will be deemed to be the result of Reasonable Business Judgment, even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended, in whole or significant part, to promote or benefit the System generally even if the decision or action also promotes a financial or other individual interest of us. Examples of items that will promote or benefit the System include enhancing the value of the Trademarks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing, or encouraging modernization, and improving the competitive position of the System.

L. Acts Beyond Control of Parties. In the event of any failure of performance of this Agreement according to its terms by any party, the same will not be deemed a breach of this Agreement if it arose from a cause beyond the control of and without the negligence of the party. Such causes include strikes, wars, riots, and acts of government except as may be specifically provided for elsewhere in this Agreement.

M. Notice of Potential Franchisor Profit. We hereby advise you that we or our affiliates may from time to time make available to you products or services for use in the Business on the sale of which we or our affiliates may make a profit. You agree that you will pay the then-current price in effect for any such goods, products, and services. We further advise you that we or our affiliates may from time to time receive consideration from Vendors in respect to Approved Supplies and other products or services you may use in the Business or in consideration of services rendered or rights licensed to such persons. There is no interest if the Principal is paid in full within 30 days of execution of this Promissory Note. However, if the Principal is not paid within ____ days of the date of this Promissory Note then interest will be due on the unpaid principal balance, at the rate of 9.9% percent per annum.

Principal and interest shall be payable in one lump sum to RSFG or its designees and is due at least one month before Franchisee (or Franchisee's representative) attends Initial Training, or four months from the date of this Promissory Note, whichever event occurs first.

All payments under this Promissory Note shall be in lawful money of the United States. In no event shall the interest and other charges in the nature of interest, if any, exceed the maximum amount of interest permitted by law. Any amount collected in excess of the maximum legal rate shall be applied to reduce the principal balance. All payments under this Promissory Note shall be applied first to interest, if any, and the balance to Principal.

If Franchisee fails to pay the Principal owed under this Promissory Note for 10 days after the same becomes due, then Franchisee will be in default of this Promissory Note. If Franchisee is in default of this Promissory Note RSFG may, at its option, declare this Promissory Note to be immediately due and payable, together with all accrued interest and any other charges, without notice or demand, whereupon this Promissory Note will be immediately due and payable in full. This Promissory Note will also become automatically due and payable (including accrued unpaid interest) without notice or demand should a petition be filed by or against Franchisee under the United States Bankruptcy Code or any other law relating to insolvency, reorganization, receivership, or relief of debtors or should a trustee, receiver or similar officer be appointed for Franchisee or for Franchisee's property. If this Promissory Note is not paid on the due date or any event occurs that would entitle RSFG to declare this Promissory Note to be immediately due and payable, RSFG will have the right to set off the indebtedness evidenced by this Promissory Note against any indebtedness of RSFG or its subsidiary to Franchisee. Franchisee agrees to pay all costs of collection incurred by RSFG, including but not limited to, attorneys' fees and legal expenses, if this Promissory Note is not paid when due whether suit is commenced or not, including but not limited to, costs and expenses in collection, litigation, bankruptcy, or insolvency proceedings.

This Promissory Note may be prepaid at any time, in whole or in part, without penalty or premium.

Franchisee expressly waives presentment, demand, notice, protest, and all other demands and notices in connection with this Promissory Note. No renewal or extension of this Promissory Note, nor release of any collateral or party liable hereunder, will release the liability of Franchisee.

Should the undersigned transfer or assign their franchise rights to a third party prior to the pay-off of this Promissory Note, said Promissory Note must be paid in full before RSFG will approve such transfer or assignment.

Failure of RSFG to exercise any right or option shall not constitute a waiver, nor shall it be a bar to the exercise of any right or option at any future time. If any provision of this Promissory Note shall be invalid or unenforceable, the remaining provisions shall remain in full force and effect. This Promissory Note shall be governed by the laws of Michigan.

Franchisee confirms that the proceeds of this Promissory Note will be used for the business purpose of starting up the Franchised Business under license from RSFG.

NOW THEREFORE, in consideration of the mutual agreements, covenants and promises contained in this Addendum and for mutual consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

AGREEMENT

1. **Background; Definitions.**

a. The parties agree and acknowledge that the Background portion of this Addendum, including all definitions and provisions set forth therein, is hereby incorporated by reference as if fully set forth in this Section.

b. For purposes of this Addendum, if a capitalized term in this Addendum is not specifically defined herein, that term will be given the same definition that the term is afforded in the Franchise Agreement.

2. **Add-On Services.** Subject to the terms and conditions of this Addendum, Franchisor hereby agrees that Franchisee may provide the below selected add-on services in addition to those Approved Service Lines identified in Article 2 of the Franchise Agreement: (check all that apply)

Document Services Textile Services Art Services Electronic Services

3. **Approved Service Lines.** Franchisee hereby agrees to provide the add-on service line(s) selected in paragraph 2 above (each an “Add-on Service Line” and collectively, the “Add-On Service Lines”) in connection with the operation of the Franchised Business in the PAR in accordance with the terms and conditions of the Franchise Agreement. The services Franchisee is permitted perform under the Franchise Agreement, are hereby amended to include the Add-On Service Line(s) (collectively, the “Approved Service Lines”).

4. **Initial Franchise Fee.** In consideration of the rights granted to Franchisee under this Addendum, Franchisee shall pay to Franchisor an Initial Franchise Fee in the amount of \$[] immediately upon execution of this Addendum, which fee shall be deemed fully earned and non-refundable upon payment.

5. **Turn-Key Business Package.** When you sign this Agreement, you must pay to us or one of our affiliates, which may include ERS Depot, Inc., as we designate, the Turn-Key Business Package Fee in the amount of \$_____. The Turn-Key Business Package contains various products and equipment necessary for you to commence business operations for the Add-On Service Lines, and depending on the package purchase, may include marketing supplies, software, equipment, and tools necessary to perform the Add-On Service Lines, all of which we may periodically change. The materials that are included in our Turn-Key Business Package may be shipped F.O.B. from our approved suppliers. The costs you incur for the Turn-Key Business Package are non-refundable.

[Documents] Turn-Key Business Package If the Add-On Service Line is for Document Services only, unless we designate otherwise, there is no Turn-Key Business Package purchase requirement. However, you understand that you will be required to purchase certain supplies to operate the Document Services. Such supplies must be purchased within three months of signing this Addendum. The most current list of required supplies is listed in the Manuals, and upon request can be obtained in writing prior to signing this Addendum.

6. **Royalty, National Marketing Fund, and other Fees.** In addition to any other fees due under the Franchise Agreement, you agree that during the term of the Franchise Agreement and in consideration of the rights granted to you, you must pay to us weekly (a) a Royalty Fee equal to 7% of Gross Sales of the Business, and (b) a Marketing Fund Fee equal to 2% of Gross Sales of the Business. You acknowledge and agree that the term Gross Sales includes, without limitation, any and all revenues generated in connection with the Add-On Service Lines in addition to all other revenues generated in connection with the operation of the Franchised Business. You also agree to pay the then-current Technology Fee, as we designate, which, as of the Addendum Effective Date is currently [\$XX] per week.

We reserve the right to change the Technology Fee effective on notice to you and you are obligated to comply with all such changes. [You are also required to purchase and use iCAT.]

7. **[Documents only] Services Performed.** Your Business will offer the Document Services, primarily for Service Level 1 claims. You may not offer for services above the Service Level that you have been approved to offer. Service Levels are set by the complexity and scope of the restoration to be performed (collectively referred to as “Service Levels”). You may not offer for services above the Service Level that you have been approved to offer. All Franchisees are automatically approved to perform Service Level 1 claims after their successful completion of Initial Training for the Service Lines they are approved to service.

For any Document Restoration claims above the Service Level for which you have been approved, you must contact us for approval prior to servicing the claim. We may approve you to service the claim with or without assistance. Considerations for approval include items such as staffing levels, available equipment, experience, and your financial qualifications. We also may require that you complete additional training for more complex jobs. Considerations for approval to additional Service Levels will be available in our Operations Manual and may be periodically updated.

You must refer all jobs for Service Lines or Service Levels that you are not approved to do, to us, and we may assign the job to either our Affiliate or another System Franchisee who is approved to perform those Service Lines or Service Levels. We will assign to you any jobs that we receive for service in your PAR for the Service Lines and Service Levels that you are approved to service. We, our Affiliates and/or another System franchisee may perform a job in your PAR if the job is at a Service Level that you have not yet been qualified to perform, or a Service Line you have not been approved to perform, provided that the location performing the work has been qualified to perform jobs of that Service Level and / or Service. For example, if you have not been qualified to do Service Level 2, but another Franchisee is qualified, then they could complete the job in your PAR, but if you were also qualified to do Service Level 2 jobs, then the job would be assigned to you. Additionally, we, our affiliates and/or other System franchisees may perform a job in your PAR if you decline a job.

If there is more than one location approved to perform Document Services in a PAR, at the Service Level required for the claim, then we will assign the job to the location closest to the claim. Alternatively, we may elect to assign the claim in a round-robin manner. However, if you are approved to offer Document Services at that Service Level, and you receive the call directly, you may service the Document Restoration claim.

8. **[Documents only] Rights Granted.** This grant of rights to offer Documents Services is non-exclusive, and Franchisee acknowledges and agrees that RSFG and/or its affiliates may allow other franchisees, affiliates and/ or third-party providers the right to establish, operate, conduct sales and marketing activities, and perform Document Services in your PAR without providing you with any rights or compensation. Notwithstanding, this does not in any way change your contractually protected right to offer [LIST] services in your Territory as set forth more fully in the Franchise Agreement.

9. **Additional Training; Licenses and Permits.** Prior to offering the Add-On Service Line(s), and within 60 days of the Effective Date of this Agreement, Franchisee must: (a) attend and complete, to Franchisor’s satisfaction, and at Franchisee’s sole cost and expense, any and all additional training programs Franchisor designates for the Add-On Service Line; and (b) obtain and maintain (throughout the term of the Franchise Agreement) all required licenses, permits and approvals to offer and provide the Add-On Service Line(s) in connection with the operation of the Franchised Business in the PAR.

10. **Minimum Royalty Requirement.** *The following supersedes and replaces the Minimum Royalty Requirement in your current Franchise Agreement.*

To meet our goals for market penetration and for the growth of the System, you agree to be bound by the minimum monthly royalty requirement (“Minimum Monthly Royalty”) as set forth below. The Minimum Monthly Royalty will be established for each year of the term of the Franchise Agreement following your first year of operation. You understand that meeting the Minimum Monthly Royalty does not suggest that you are sufficiently penetrating the market in the PAR or that the Business will be successful. Rather, the Minimum Monthly Royalty are threshold minimum amounts.

Your rights under the Franchise Agreement are conditioned upon your active and continuous development of the Business in the PAR. The Minimum Monthly Royalty is based on market potential and market share for your PAR, the growth rate of other businesses offering services that are the same as or similar to the Approved Service Lines, and other relevant factors.

You must pay us a minimum monthly royalty fee. The Minimum Monthly Royalty is based on years of operation, the number of Service Lines that you operate, and is per PAR, as outlined in the table below.

Minimum Monthly Royalty per PAR			
Years in business	Single Service Line	Two Service Lines	Three Service Lines
Year 1	No Minimum	No Minimum	No Minimum
Year 2	\$1,050	\$1,575	\$2,100
Year 3	\$1,275	\$1,913	\$2,550
Year 4	\$1,425	\$2,138	\$2,850
Years 5 or more	\$1,650	\$2,475	\$3,300

Should you not meet the Minimum Monthly Royalty, then we may charge you a fee for the difference (the “Shortfall”). For example, if the Minimum Monthly Royalty is \$1,425 in a month, and you paid royalty of \$1,000, then the minimum royalty fee would be \$425 (\$1,425-\$1,000).

In addition, should we assess a Shortfall for three or more months in a twelve-month period, then we may also elect to establish another System Franchisee or affiliate in your PAR and/or allow another System Franchisee or an affiliate to advertise and service customers located inside your PAR.

There is no additional Minimum Monthly Royalty requirement for the Document Service Line. If you currently operate another service line and are now adding another Service Line, we may modify the requirements, to blend the above rates based on your years in business for each service line. For example, if you were in year 5 of your first service line, year 3 of your second service line, and year 1 of your third, your current years requirement would be \$2,288, calculated as follows: \$1,650 (Year 5 - Single Service Line) + \$638 (Year 3 Two Service Lines year 3 is \$1,913, less Year 3 Single Service Line, which is \$1,275) + \$0 (Year 1 - Three Service Line).

The Minimum Monthly Royalty applicable to the Business you operate may vary from the performance standards applicable to other System Franchisees, including due to geographic area and other variables.

The population number is fixed on the date when the territory is purchased but may be modified should any of the following transactions occur: transfer of the Franchise Agreement, renewal of the Franchise Agreement, or if you should purchase additional territory. If there is a decline in the cumulative population in your PAR of 20% or more, you may request, and we may consider, making an adjustment in the Minimum Monthly Royalty.

Failure to pay the Minimum Monthly Royalty constitutes a default under the Franchise Agreement. Except as set forth in this paragraph, we will not modify your PAR if you fail to pay the Minimum Monthly Royalty or based upon any other contingency. If you fail to cure any Minimum Monthly Royalty default by paying

the Minimum Monthly Royalty within 30 days, we may terminate the Franchise Agreement, as noted in Article 11.A.

11. **Start Date.** You must open for Business to the public no later than four months following the Addendum Effective Date. To be approved to open, you must have (i) signed this addendum and paid all fees, (ii) completed to our satisfaction the Service Line Training program, and (iii) purchased and set-up, all required and equipment and supplies. The required list is available in the Operations Manuals. If you do not open with this time frame, at our discretion we may extend the start date or terminate this agreement.

12. **Release by Franchisee.** Franchisee and Guarantor, for themselves and all persons and entities claiming by, through, or under them, hereby release, acquit and forever discharge Franchisor and its present and former officers, employees, shareholders, directors, agents, servants, representatives, parents, affiliates, subsidiaries, franchisees, successors, and assigns (the “Franchisor Releasees”) from all obligations, claims, debts, demands, covenants, contracts, promises, agreements, liabilities, costs, attorneys’ fees, actions or causes of action whatsoever, whether known or unknown, which they, by themselves, on behalf of, or in conjunction with any other person, persons, partnership or corporation, has, had or claims to have against the Franchisor Releasees as of the date of this Agreement, including those arising out of or related to the offer or sale of the Franchised Business or Franchise Agreement or the operation of the Franchised Business, as well as the parties’ rights or obligations under the Franchise Agreement and any other agreement with the Franchisor Releasees. Franchisee and Guarantor represent and warrant that it has not assigned any of the claims released by this Agreement. Franchisee and Guarantor further represents and warrants that it will not initiate or assist or cooperate with any third party in connection with, an action or other proceeding against any Franchisor Releasees in connection with the claims released in this Section.

13. **Construction of Language.** The language of this Addendum will be construed according to its fair meaning, and not strictly for or against either party. The parties have had a reasonable opportunity to review this Addendum. In the event of an ambiguity or if a question of intent or interpretation arises, this Addendum shall be construed as if drafted jointly by all of the parties, and no presumptions or burdens of proof shall arise in favor of any party by virtue of the authorship of any of the provisions of this Addendum. Headings are for reference purposes and do not control interpretation.

14. **Multiple Copies or Counterparts of Agreement.** The original and one or more copies of this Addendum may be executed by one or more of the parties hereto. In such event, all of such executed copies shall have the same force and effect as the executed original and all of such counterparts taken together shall have the effect of a fully executed original.

15. **Entire Agreement.** The Franchise Agreement and this Addendum constitute the entire, full, and complete agreement between the parties with respect to the subject matter contained herein and supersede any and all prior agreements. In the event of a conflict between the terms of the Franchise Agreement and this Addendum, the terms of this Addendum shall control. Except as amended by this Addendum, all the other terms and conditions of the Franchise Agreement are hereby ratified and confirmed, including the provisions related to governing law, attorneys’ fees and costs, venue, and dispute resolution, all of which will also apply to any claims, causes of action or disputes arising out of or related to this Addendum.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound, have duly executed and delivered this Addendum on the date first written above.

- 1-3. [Note: Detail other terms and conditions of the Release.]
- 4. Release.
 - A. Franchisee and each of its respective heirs, successors, assigns, affiliates, shareholders, directors, employees, and agents, and on behalf of any other party claiming an interest through them (collectively and individually referred to as the “Franchisee Parties” for purposes of this Section 4), release and forever discharge RSFG, its predecessors, successors, and its current and former affiliates; as well as their respective past and present directors, officers, shareholders, agents, employees, heirs and assigns (collectively and individually referred to as the “RSFG Parties” for purposes of this Section 4) of and from any and all claims, debts, liabilities, demands, obligations, costs, expenses, actions and causes of action, whether known or unknown, vested or contingent, which Franchisee Parties may now or in the future own or hold, that in any way relate to the Franchise Agreement, any other agreement between Franchisee Parties and RSFG Parties, or the relationship between Franchisee Parties and RSFG Parties through the Effective Date (collectively, “Franchisee Parties Claims”), for known or unknown damages or other losses including, but not limited to, any alleged violations of any deceptive or unfair trade practices laws, franchise laws, or other local, municipal, state, federal, or other laws, statutes, rules or regulations, and any alleged violations of the Franchise Agreement or

- C. The release of Franchisee Parties Claims as set forth in Section 4.A and RSFG Parties Claims, as set forth in Section 4. B are intended by the Franchisee Parties and the RSFG Parties (collectively, the “Releasers”) to be a full and unconditional general release, as that phrase is used and commonly interpreted, extending to all claims of any nature, whether or not known, expected or anticipated to exist in favor of one of the Releasers against the other Releasers regardless of whether any unknown, unsuspected or unanticipated claim would materially affect settlement and compromise of any matter mentioned herein.

[The Releasers, for themselves, their heirs, successors, and assigns, hereby expressly, voluntarily and knowingly waive, relinquish and abandon each and every right, protection, and benefit to which they would be entitled, now or at any time hereafter under Section 1542 of the Civil Code of the State of California, as well as under any other statutes or common law principles of similar effect to said Section 1542, whether now or hereinafter existing under the laws of California or any other applicable federal and state law with jurisdiction over the parties relationship. The Franchisee Parties acknowledge that Section 1542 of the Civil Code of the State of California provides as follows:

“A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.”]

[Bracketed language for use in California only.]

In making this voluntary express waiver, the Releasers acknowledge that claims or facts in addition to or different from those which are now known to exist with respect to the matters mentioned herein may later be discovered and that it is the Releasers’ intentions to settle and release all matters, regardless of the possibility of later discovered claims or facts hereby fully and forever. This Release is and shall be and remain a full, complete, and unconditional general release. The Releasers acknowledge and agree that the foregoing waiver is an essential, integral, and material term of this Agreement and Release.

The Releasors further acknowledge and agree that no violation of this Agreement shall void the release set forth in this Section 4.

[For use in Washington only] This Release Agreement does not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

5. Acknowledgment. Franchisee acknowledges and agrees that the representations and agreements set forth in Section 4 are a material inducement to RSFG to enter into this Agreement, such that RSFG would not have entered into this Agreement in the absence of such agreements.

6. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by Franchisee and RSFG and their respective successors and assigns.

7. Governing Law/Venue. This Agreement shall be governed by, and construed in accordance with, the law of the State of Michigan without regard to principles of conflicts of law. The parties agree that any legal proceeding relating to this Agreement or the enforcement of any provision of this Agreement shall be brought or otherwise commenced only in the State or Federal courts of Michigan.

8. Attorney's Fees. The prevailing party in any legal proceeding to enforce the terms of this Agreement is entitled to recover its reasonable attorneys' fees and costs from the non-prevailing party.

9. Entire Agreement/Amendment. The Franchise Agreement and this Agreement constitute the entire, full, and complete agreement of the parties with respect to the subject matter hereof and supersedes all prior agreements. In the event of a conflict between the terms of the Franchise Agreement and the terms of this Agreement, the terms of this Agreement shall control. Except as amended hereby, all the other terms and conditions of the Franchise Agreement are ratified and confirmed. This Agreement shall not be amended except by the written agreement of the parties.

10. Representation by Counsel. Franchisee and RSFG have had the opportunity to consult with legal counsel of their respective choice with respect to this Agreement, including the full and final release of claims set forth herein.

11. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under all applicable laws and regulations. If, however, any provision of this Agreement shall be prohibited by or invalid under any such law or regulation in any jurisdiction, it shall, as to such jurisdiction, be deemed modified to conform to the minimum requirements of such law or regulation, or, if for any reason it is not deemed so modified, it shall be ineffective and invalid only to the extent of such prohibition or invalidity without affecting the remaining provisions of this Agreement, or the validity or effectiveness of such provision in any other jurisdiction.

12. Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Facsimile or scanned signatures shall be binding as if they were originals.

Accordingly, certain provisions in the Franchise Agreement relating to pre-opening obligations are inapplicable under the Franchise Agreement.

Franchisee further acknowledges that Franchisee has had an adequate opportunity to gather all information necessary to enter into this Agreement and to grant the releases contained herein.

Acknowledgment. Without limiting the scope of this paragraph, Franchisee acknowledges a familiarity with Section 1542 of the Civil Code of the State of California, which provides as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE WHICH, IF KNOWN BY HIM, MUST HAVE MATERIALLY AFFECTED THE SETTLEMENT WITH THE DEBTOR.”

Each party hereby waives and relinquishes every right or benefit which it may have under Section 1542 of the Civil Code of the State of California, and any similar statute under any other state or federal

law, to the fullest extent that he may lawfully waive such right or benefit. In connection with this waiver and relinquishment, with respect to the claims released above, each party acknowledges that it may hereafter discover facts in addition to or different from those which they now know or believe to be true but that it is the parties' intention, subject to the terms and conditions of this Agreement, to fully, finally and forever to settle and release all such claims, known or unknown, suspected or unsuspected, which now exist, may exist or did exist, and, in furtherance of such intention, the release given above shall be and remain in effect as a full and complete release, notwithstanding the discovery or existence of any such additional or different facts.

8. **Confidentiality.** Franchisee agrees to maintain the confidentiality of this Agreement and must not disclose the terms of this Agreement to any person or persons except their professional advisors for legitimate business purposes or otherwise as required by law.

9. **Severability.** In case any covenant, condition, term or provision contained in this Agreement shall be held to be invalid, illegal, or unenforceable in any respect, in whole or in part, by judgment, order or decree of any court or other judicial tribunal of competent jurisdiction, the validity of the remaining covenants, conditions, terms and provisions contained in this Agreement, and the validity of the remaining part of any term or provision held to be partially invalid, illegal or unenforceable, shall in no way be affected, prejudiced, or disturbed thereby.

10. **Applicable Law, Binding Effect and Venue.** The parties agree and acknowledge that the governing law, dispute resolution and venue provisions of the Franchise Agreement shall also govern this Agreement.

11. **Binding on Successors and Assigns.** The obligations of the Franchisee under this Agreement will be binding on Franchisee's successors and assigns (as permitted by Franchisor). The Franchisee may not assign this Agreement or any of the rights granted hereunder without the Franchisor's prior written consent (in accordance with the terms of the Renewal Franchise Agreement).

12. **Construction of Language.** The language of this Agreement will be construed according to its fair meaning, and not strictly for or against either party. The parties have had a reasonable opportunity to review this Agreement. In the event of an ambiguity or if a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by all of the parties, and no presumptions or burdens of proof shall arise in favor of any party by virtue of the authorship of any of the provisions of this Agreement. Headings are for reference purposes and do not control interpretation.

13. **Entire Agreement.** The Franchise Agreement and this Agreement constitute the entire, full, and complete agreement between the parties concerning the franchise and supersede any and all prior agreements. In the event of a conflict between the terms of this Agreement, the Franchise Agreement and the terms of this Agreement shall control. Except as amended by this Agreement, all the other terms and conditions of the Franchise Agreement are hereby ratified and confirmed.

14. **Counterparts.** The original and one or more copies of this Agreement may be executed by one or more of the parties hereto. In such an event, all of such executed copies shall have the same force and effect as the executed original and all of such counterparts taken together shall have the effect of a fully executed original.

I HAVE READ THE ABOVE AGREEMENT AND UNDERSTAND ITS TERMS. I WOULD NOT SIGN THIS AGREEMENT IF I DID NOT UNDERSTAND AND AGREE TO BE BOUND BY ITS TERMS.

State Addenda

CALIFORNIA ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

California Business and Professions Code Sections 20000 through 20043 provide rights to the Franchisee concerning termination, transfer, or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

- A. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).
- B. The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.
- C. The franchise agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.
- D. The franchise agreement requires application of the laws of the state of Michigan. To the extent that any provision in the Franchise Agreement is inconsistent with California law, California law will control.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

- a) Section 31125 of the Franchise Investment Law requires us to give to you a disclosure document approved by the Commissioner of Corporations before we ask you to consider a material modification of your franchise agreement.
- b) You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 Through 31516). Business and Professions Code Section 20010 Voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).
- c) Neither franchisor, any person or franchise broker in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A.78 a et seq., suspending or expelling such persons from membership in that association or exchange.
- d) We have posted a surety bond with Hartford Fire Insurance Company. This surety bond is on file with the California Department of Business Oversight.

- e) The earnings claim figures in Item 19 of this Disclosure Document does not reflect costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your (franchised business). Franchisees or former franchisees, listed in this Disclosure Document, may be one source of this information.
- f) Our website has not been reviewed or approved by the California Department of Financial Protection and Innovation. Any complaints concerning the content of this website may be directed to the California Department of Financial Protection and Innovation at www.dfpi.ca.gov.
- g) No statement, questionnaire, or acknowledgment signed or agreed to by a Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the Franchise.

[THIS REMAINDER OF THIS PAGE IS INTENTIONALLY BLANK]

**ADDENDUM TO THE FRANCHISE AGREEMENT
REQUIRED FOR CALIFORNIA FRANCHISEES**

This Addendum to the Franchise Agreement (“Franchise Agreement”) dated _____ between Restoration Specialties Franchise Group, LLC (“Franchisor”) and _____ (“Franchisee”) is entered into simultaneously with the execution of the Franchise Agreement.

1. The provisions of this Addendum form an integral part of and are incorporated into the Franchise Agreement. This Addendum is being executed because: (a) the offer or sale of the franchise to Franchisee was made in the State of California; (b) Franchisee is a resident of the State of California; and/or (c) the Franchised Business will be located or operated in the State of California.
2. California Business and Professions Code Sections 20000 through 20043, the California Franchise Relations Act, provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.
3. We have posted a surety bond with Hartford Fire Insurance Company. This surety bond is on file with the California Department of Business Oversight
4. No disclaimer, questionnaire, clause, or statement signed by a Franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the Franchisor that was a material inducement to a Franchisee’s investment. This provision supersedes any other or inconsistent term of any document executed in connection with the Franchise.
5. The third paragraph of Article 16.B. of the Franchise Agreement, beginning with “You acknowledge that you are entering...” is deleted in its entirety.
6. Any capitalized terms that are not defined in this Addendum shall have the meaning given them in the Franchise Agreement.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

The third paragraph of Article 16.B. of the Franchise Agreement, beginning with "You acknowledge that you are entering..." is deleted in its entirety.

No statement, questionnaire, or acknowledgment signed or agreed to by a Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the Franchise.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The franchisor [uses/may use] the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Carefully evaluate any information provided by a franchise broker about a franchise. Do your

own investigation by contacting the franchisor’s current and former franchisees to ask them about their experience with the franchisor.

We have posted a surety bond with Hartford Fire Insurance Company. This surety bond is on file with the Washington Department of Financial Institutions Security Division.

The undersigned does hereby acknowledge receipt of this addendum.
