What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks To Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in Colorado. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Colorado than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all your financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both you and your spouse's marital and personal assets at risk if your franchise fails.
3. **Sales Performance Requirement.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

NOTICE REQUIRED BY THE STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

The Michigan Franchise Law states in Sec. 445.1527, Sec. 27 that each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel, which deprives a franchisee of rights and protections, provided in this act. This will not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause will include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than five years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This will not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause will include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a *bona fide* third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor, Parents, Predecessors, and Affiliates

The franchisor is DPF Alternatives, LLC, a Colorado limited liability company. For ease of reference, the franchisor is referred to as “we,” “us,” “our,” or “DPF Alternatives” in this Franchise Disclosure Document (the “FDD”). The person or business entity that buys the franchise is referred to as “you,” “your,” or with similar pronouns in the FDD. If you are a business entity, certain provisions of the franchise agreement will also apply to your owners.

We are a Colorado limited liability company organized on September 22, 2016. We do business as “DPF Alternatives.” Our principal business address is 1745 Shea Center Drive, Fourth Floor, Highlands Ranch, Colorado 80129. We conduct business under our corporate name “DPF Alternatives, LLC” and under the “DPF Alternatives” trade name. Our business is operating the DPF Alternatives franchise system and granting franchises to third parties to develop and operate a DPF Business (each, a “Franchisee”). We began offering franchises in October, 2016. We are not in any other business, we have not conducted business in any other line of business, we do not conduct or operate a business of the type operated by franchisees, and we have not offered or sold franchises in any other line of business. Our registered agents for service of process are disclosed in Exhibit A.

We do not have any parents or predecessors. We have two affiliates.

Our affiliate DPFSOURCE, LLC (“DPFSOURCE”) is a Colorado limited liability company organized on June 14, 2018. DPFSOURCE does business as “DPFSOURCE.” DPFSOURCE’s principal business address is 1745 Shea Center Drive, Fourth Floor, Highlands Ranch, Colorado 80129. DPFSOURCE manufactures and sells some of our proprietary cleaning equipment. DPFSOURCE has never offered franchises in this or in any other line of business.

Our affiliate New Core, LLC (“New Core”) is a Colorado limited liability company organized on April 19, 2023. New Core does business as “New Core.” New Core’s principal business address is 1745 Shea Center Drive, Fourth Floor, Highlands Ranch, Colorado 80129. New Core manufactures and sells some of our proprietary cleaning equipment. New Core has never offered franchises in this or in any other line of business.

The Franchised Business

We grant franchisees the right to own and operate a DPF Business providing diesel filter cleaning services using state-of-the-art ultrasonic equipment, pick-up and drop off services, and other services and products pursuant to a DPF Alternatives, LLC Franchise Agreement (a “Franchise Agreement”). DPF Businesses feature the ultrasonic cleaning and maintenance of any diesel-emissions-related filters including diesel particulate filters, diesel oxidation catalyst filters, selective catalyst reduction systems, decomposition tubes, and similar components of diesel engines that require periodic maintenance to meet federal standards or must be regularly maintained. These filters, systems, and engine components are collectively referred to as “DPFs.” We license a system (the “System”) for the operation of a DPF Business within a geographic territory (a “Designated Territory”) that provides certain services and products (the “Services and Products”) using our proprietary equipment and such other programs, materials, equipment, products, and supplies we designate (the “System Supplies”). The Services and Products include, without limitation, reconditioning, rebuilding, restuffing, repacking, recoring, and newcoring DPFs. DPF Alternative Businesses are characterized by the Services and Products, our proprietary and protected

trademarks and trade dress (the “Marks), distinctive exterior and interior design and trade dress, uniform guidelines, specifications, and operational procedures, quality control protocols, proprietary back office electronic and point-of-sale equipment, and our advertising and promotional programs. We provide Franchisees with proprietary training, marketing assistance, design standards and specifications, and various pre-opening and post-opening services.

We previously offered licenses for the operation of businesses using the System until 2021. We have now discontinued our licensing program in every state but Virginia. With the exception of one remaining licensee in Virginia, all of our previous licensees have become franchisees.

Multi-Unit Development Agreement

In addition to signing a Franchise Agreement in the form attached as Exhibit B, you may have the option to enter into a DPF Alternatives, LLC Multi-Unit Development Agreement (a “Development Agreement”) to develop and operate multiple DPF Businesses (each, a “Development Business”) in the form attached to the FDD as Exhibit C. The total number of DPF Alternative Businesses you will be required to develop and operate under a Development Agreement will vary from three to 30 as negotiated before you execute your Development Agreement. You will develop each Development Business within a designated geographic area (the “Development Area”) under the terms of our then-current Franchise Agreement which may differ from your first Franchise Agreement. Your Development Agreement will include a development schedule (the “Development Schedule”) containing deadlines by which you will open each Development Business. Your Development Schedule will vary depending on your Development Area and your number of Development Businesses.

Unless otherwise specified, the information contained in the FDD applies to a single DPF Business under a Franchise Agreement and multi-unit development under a Development Agreement. We may occasionally offer franchises under different terms and conditions to reflect particular circumstances or overall market conditions. If you execute a Development Agreement, you will also execute individual Franchise Agreements; your first Franchise Agreement will be in the form of Franchise Agreement attached as Exhibit A. Your first Franchise Agreement will be concurrently executed with your Development Agreement.

Market and Competition

The market for DPF maintenance services and your DPF Business are owners of commercial vehicles that use diesel fuel. You will be competing with engine maintenance businesses, diesel vehicle dealerships, local and national service centers, and other businesses that offer similar services including businesses that offer DPF replacements.

Industry-Specific Laws and Regulations

You must comply with any local, state, and federal laws applicable to your DPF Business. Laws and regulations applicable to the operation of a DPF Business may include, without limitation, laws and regulations relating to business licensure, consumer data privacy, general consumer protection, customer health and safety, employment, environmental concerns, workers’ compensation, construction, fire safety, hazardous materials, taxation, unfair trade practices, and fraud. Depending on the specific services your DPF Business offers, federal laws that may be applicable to your DPF Business may include, without limitation, the Resource Conservation and Recovery Act of 1976, the Clean Water Act of 1977, the Clean Air Act, the Comprehensive Environmental Response Compensation and Liability Act, the Oil Pollution Act, the Occupational Safety and Health Act, and the Toxic Substance Control Act. In addition, some state laws have special provisions related to the automobile and transportation service industries. For example,

in California, the Bureau of Automotive Repairs implements and enforces legislation to accomplish its mission to ensure a fair and competitive automotive repair marketplace. There may be other local, state, or federal laws applicable to your DPF Business and we strongly advise you to consult with local legal counsel to determine the specific regulatory requirements imposed on your DPF Business.

The Initial Franchise Fee is paid as a lump sum, fully earned by us upon payment, used to offset certain franchise recruitment expenses, and defrays our costs for providing initial training and pre-opening assistance. The Initial Franchise Fee is non-refundable except that we will return 50% of the Initial Franchise Fee if you fail to complete our Initial Training Program (defined below). The Initial Franchise Fee is uniformly calculated as 10% of the total population of your Designated Territory multiplied by \$1,000 except that we may negotiate the Initial Franchise Fee for Designated Territories with a population in excess of 500,000 residents.

4. If two or more DPF Businesses are operating within a geographic area we designate, we may establish and require your participation in an advertising cooperative within the designated market (a “Cooperative”). If a Cooperative is established that includes your DPF Business, you will participate in the Cooperative and make on-going payments to the Cooperative in amounts established by the Cooperative. We anticipate that each DPF Business franchisee will have one vote for each DPF Business located within the Cooperative’s market and that Cooperative decisions will be made based on approval of a simple majority vote with a quorum of not less than 25% of the Cooperative’s members. Contributions to a Cooperative will count toward satisfaction of your minimum local advertising requirement.

5. The “Brand Development Fund Fee” is a monthly fee we may implement in the future in our discretion as described in Item 8.

6. The “Technology Maintenance Fee” is a monthly fee that will be used to maintain our website and provide support for a POS System (defined below) if we designate a POS System.

7. “Gross Sales” means the total dollar sales from all business and customers of your DPF Business and includes the total gross amount of revenues and sales from whatever source derived, whether in form of cash, credit, agreements to pay, or other consideration including the actual retail value of any goods or services traded, borrowed, or received by you in exchange for any form of non-money consideration (whether or not payment is received at the time of the sale), from or derived by you or any other person or corporate entity from business conducted or which started in, on, from, or through your DPF Business or your Designated Territory whether such business is conducted in compliance with or in violation of the terms of your Franchise Agreement. Gross Sales do not include (i) sales taxes that you collect and remit to the proper taxing authority, or (ii) authorized promotional discounts that you provide.

Notes:

1. Initial Franchise Fee. The Initial Franchise Fee varies based on the size of the Designated Territory as described in Item 5. For the purposes of this Item 7, we assume that your Designated Territory will have a minimum population of 25,000 citizens.

2. Construction and Leasehold Improvements. This estimate is for the cost of construction and build-out of a non-retail, back-office commercial facility (an “Operations Center”) for the administrative operation of your DPF Business, storage of equipment and commercial vehicles, customer pick-up and drop-off, and employee coordination. An Operations Center is typically located within an industrial park or similar facility of approximately 600 square feet to 1,250 square feet in size. This estimate assumes the location selected for your Operations Center has existing interior improvements with installed and functional heating/cooling delivery systems, essential lighting, electrical switches and outlets, lavatories, and finished ceilings, walls, and floors. Your Operations Center should not be accessible to the general public except for customers dropping off or requesting walk-in services. Your DPF Business premises may already be suitable for your Operations Center, in which case you will not incur any costs for construction or leasehold improvements.

3. Lease Deposit – Three Months. This estimate assumes you will lease your Operations Center’s premises and is for the estimated amount of the initial lease deposit you will be required to pay to the landlord which is typically equal to three months of rent payments. You will negotiate the amount of your lease deposit directly with the landlord. If your proposed DPF Business premises already has a lease

or is located on real property you own, you will not pay a lease deposit. This estimate does not include the cost of real property if you purchase the real property of your Operations Center.

12. Service Vehicle. You will use an approved, branded service vehicle for all customer visits. The low estimate assumes you already have a dedicated service vehicle that meets our standards and specifications and the high estimate is for an initial deposit and three months of installment payments for one leased or financed service vehicle. These payments will be an ongoing expense throughout the operation of your DPF Business. The service vehicle will be well-maintained, registered and insured as a commercial vehicle, and meet our standards and specifications at all times.

13. Licenses and Permits. You will obtain and maintain all required permits and licenses necessary to operate your DPF Business. The licenses will vary depending on applicable regulations.

14. **Additional Funds – Three Months of Operation.** This is an estimate of the additional funds that may be required to cover operating expenses during the first three months after you open your DPF Business to the general public including, without limitation, employee salaries, inventory, rent, and utilities. This is only an estimate for your initial three months of operations and more working capital and additional funds may be required depending on the sales and performance of your DPF Business. We have based this estimate on our experience and the experiences of DPFSource, New Core, and existing franchisees with the development of DPF Businesses. Your costs may vary. Factors that may influence your costs include the size of your DPF Business, local geographic market and economic conditions, local licensing costs, competition, the construction of your Operations Center, landlord-funded improvements and allowances, the capabilities of your management team, and the level of sales achieved by your DPF Business. Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases

You will adhere to the standards and specifications we establish while developing and operating your DPF Business including, without limitation, standards and specifications for your delivery of Services and Products, appearance, design, service quality, and performance. The specifications are based on our prior experience operating businesses similar to DPF Businesses and the ongoing experience of our franchisees.

We will communicate our standards and specifications to you during training, at other times before you open, and on an ongoing basis through other materials which may consist of written or electronic documents, bulletins, manuals, or other documents (collectively, the “Manual”). We may periodically issue new standards and specifications by written notice. We may modify any standard or specification on a regional or national basis by amendments to the Manual or written notice. You will implement any modifications following notification.

Required and Approved Suppliers

You will purchase all equipment used to service DPFs in accordance with our approved standards from us, DPFSOURCE, New Core, any other future affiliates, our designated suppliers, or our approved suppliers. We may communicate our standards and specifications directly to approved suppliers who supply you with Services and Products, furniture, fixtures, equipment, inventory, and signage. We, DPFSOURCE, New Core, and our approved suppliers are the only currently approved suppliers for this equipment. We may modify our approved suppliers at any time in our discretion. DPFSOURCE and New Core are the only sources for certain proprietary equipment.

Your initial inventory of Services and Products and certain other tools, equipment, and consumables necessary to operate your DPF Business must be purchased from us, DPFSOURCE, and New Core. You will maintain your DPF Business as needed to ensure a clean, safe, and attractive location. To the extent that this maintenance requires the purchase of additional goods that may only be purchased from us, DPFSOURCE, or New Core, you must make that purchase from us, DPFSOURCE, or New Core. You must purchase the POS System only from our approved supplier if we designate a POS System.

You may be required to renovate your DPF Business no more often than every five years to meet our then-current standards and specifications. Such renovation may also be required if you are awarded successor franchise rights, after each subsequent five-year period, and in connection with a transfer.

If implemented, we will be the only supplier of the services for which the Technology Maintenance Fee will be paid.

We may add new goods or services to the Services and Products in the future. You may incur additional expenses in connection with such additions that may be payable to us, DPFSOURCE, New Core, future affiliates, or third parties. If we add new goods or services, we will notify you in writing and give you a reasonable time to begin offering the new goods or services which will not exceed 60 days.

Except as described above, you may purchase all other furniture, fixtures, equipment, and materials from any approved source. A list of approved products and suppliers from whom other products may be purchased is published in our Manual. We may amend the list in our discretion.

Except for those items that must be purchased from us, DPFSOURCE, or New Core, there are no approved suppliers in which any of our officers own an interest. Except as stated, we, DPFSOURCE, and New Core are not approved suppliers.

Insurance

You will purchase and maintain the following insurance coverage during the entire term of the Franchise Agreement:

(i) Commercial general liability, including coverage for products-completed operations, contractual liability, personal and advertising injury, product liability, fire damage, and medical expenses having a combined single limit for bodily injury and property damage of \$1,000,000 per occurrence and \$2,000,000 in the aggregate;

(ii) Automobile liability insurance for your service vehicles including coverage for owned, non-owned, scheduled, and hired vehicles with bodily injury limits of \$500,000 per person and \$1,000,000 per accident, and property damage limits of \$50,000 per occurrence;

- (iii) Business interruption insurance of not less than \$50,000 for loss of income and other expenses with a limit of not less than nine months of coverage;
- (iv) Comprehensive crime and blanket employee dishonesty insurance in an amount of not less than \$5,000; and
- (v) Employer's liability and worker's compensation insurance as required by applicable state law.

Alternative Suppliers

You may wish to purchase a required good or service from a supplier that we have not previously approved. We will evaluate any proposed supplier and may charge you our then-current fee for this service. We do not maintain written criteria for approving suppliers and such criteria are not available to you or a proposed supplier. To obtain our approval, you must submit such information as we reasonably require in order to evaluate the supplier. We will evaluate the supplier and provide written notice of our decision to you within 30 days. You will reimburse for our actual costs incurred to evaluate the supplier regardless of whether or not we approve the supplier. We may grant or deny approval for any reason or no reason at all. Except as stated here, we have no process for approving suppliers.

We may revoke our approval of an approved supplier at any time if we determine in good faith that the goods or services they are supplying no longer meet our standards. We will notify you if we revoke our approval of any suppliers. You will immediately stop purchasing disapproved goods or services or purchases from a disapproved supplier.

Purchase Agreements and Cooperatives

We may negotiate purchase agreements, including price terms, with designated suppliers for source-restricted goods and services on behalf of the System in our discretion. We may establish preferred vendor programs with suppliers on behalf of some or all DPF Businesses and in doing so, we may limit the number of approved suppliers you may use. We may designate one supplier as your sole approved supplier. There are no current purchase or supply agreements in effect for source-restricted products or services. There are currently no purchasing or distribution cooperatives that you must join. You will not receive any material benefits by using our designated or approved suppliers.

Our Right to Receive Compensation and Our Revenue From Source-Restricted Purchases

We, DPFSOURCE, New Core, or other affiliates may receive rebates, payments, or other material benefits from approved suppliers based on franchisee purchases. We may institute rebate programs in the future in our discretion. We did not receive revenue from third party suppliers of franchisee purchases of source-restricted products or services in 2022. DPFSOURCE received \$1,245,366 in 2022 from the sale of our proprietary DPF cleaning equipment to franchisees.

Establishment and Ongoing Expenses

We estimate that your purchase of goods and services from designated or approved suppliers will represent approximately 85% of your total purchases made to establish your DPF Business and approximately 50% of the ongoing operating expenses of your DPF Business.

Item 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Assistance

Before you open, we will:

1. Grant to you the right to operate your DPF Business within a Designated Territory (Franchise Agreement, Article 2.A).
2. Provide you with site selection guidelines for your Operations Center's location. Your Operations Center must be located within your Designated Territory at a site that we approve before you enter into a lease or similar agreement. Factors we consider in connection with site approval include, without limitation, population density, potential customer density, local competition, and physical suitability for a DPF Business. If you do not secure an approved Operations Center location within 120 days after you execute your Franchise Agreement, your Franchise Agreement may be subject to termination (Franchise Agreement, Article 3.C).
3. Designate your Development Area if you execute a Development Agreement. Your Development Businesses must be located within your Development Area. We will define the specific Designated Territory for each of your Development Businesses when you execute each Development

Agreement's respective Franchise Agreement. Our approval of future Development Business locations will be based on our then-current criteria (Development Agreement, Article 2.1).

4. Provide you with one copy of the Manual as constituted when you sign your Franchise Agreement (Franchise Agreement, Article 4.C).

5. Provide you with a list of our approved suppliers to the extent we designate them as part of the Manual or otherwise in writing (Franchise Agreement, Article 3.E).

6. Provide you with a list of our approved signage, equipment, furniture, and fixtures to the extent we designate them as part of the Manual or otherwise in writing. You must obtain our prior approval of your proposed signage, equipment, furniture, and fixtures. We do not provide assistance with the delivery or installation of your signage, equipment, furniture, or fixtures (Franchise Agreement, Article 3.H and Article 9.E).

7. Identify your DPF Business on our website. We strictly control your use of websites and digital media. You will assign all website media and digital media accounts to us (Franchise Agreement, Article 9.E).

8. Provide you and one other person with training at our initial training program. If you are a business entity, you may designate a person who is one of your owners (a "Principal Operator") or a person who is not one of your owners (a "Designated Manager") to operate your DPF Business from day to day. Not less than 45 days before you open your DPF Business, you and your Designated Manager, Principal Operator, or other additional person must successfully complete our initial training program to our satisfaction (Franchise Agreement, Article 4.A).

Typical Length of Time Before Opening

The typical length of time between execution of a Franchise Agreement and opening the DPF Business is between one to six months. You must open your DPF Business on or before the end of the sixth month from the date of your Franchise Agreement (the "Opening Deadline"). Factors that may affect the length of time include, without limitation, the availability of suitable commercial space for your DPF Business, the availability and amount of the initial inventory and equipment you purchase, your construction schedule, when you complete our initial training program, and the time required to obtain all required licenses and permits. We may reasonably extend the Opening Deadline if factors beyond your control prevent you from meeting the Opening Deadline and you request an extension in writing at least 15 days before the Opening Deadline.

Continuing Obligations

During your operation of your DPF Business, we will:

1. Establish or modify standards, procedures, and requirements for your DPF Business's operations including, without limitation, for Services and Products, System Supplies, and marketing materials. We may modify these standards, procedures, and requirements in our discretion at any time. We will communicate these standards, procedures, and requirements to you through the Manual or otherwise in writing (Franchise Agreement, Article 3.E).

2. We will review your proposed marketing materials upon your request. You may not use any marketing materials that we have not previously approved (Franchise Agreement, Article 9.C).

Item 12

TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

You will operate your DPF Business only from your Operations Center in your Designated Territory. Your Designated Territory will be determined when you execute your Franchise Agreement. Your Designated Territory will be defined by physical boundaries such as streets, geographic boundaries such as mountains and waterways, ZIP codes, political boundaries such as counties or cities, or other boundaries we designate. There is no minimum size of a Designated Territory; rather, we will determine your Designated Territory in conjunction with you based on a number of relevant factors including, without limitation, the number of potential customer businesses in your immediate area, overall population density, local infrastructure, and the Designated Territories of existing franchisees.

As long as you have complied with your Franchise Agreement, we will not license, franchise, or operate a DPF Business in your Designated Territory except as described below pursuant to our reserved rights.

You may relocate your DPF Business only with our prior written permission. Before you relocate your DPF Business, you must first have the new location approved by us in the same manner as we are then approving locations for new franchisees. You will pay us our then-current relocation fee (Item 6). Your relocated DPF Business cannot be in another franchisee's Designated Territory.

You may advertise your DPF Business only within your Designated Territory unless you are a member of a Cooperative or participating in a regional advertising program. You may serve all customers who enter your DPF Business regardless of origin.

You have no other option, right of first refusal, or similar rights to acquire additional franchise rights.

You must earn the Quota each month to maintain your rights in your Designated Territory. Beginning with your seventh full month of operations, the Quota will be a minimum of \$5,000 in Gross Sales per month. Beginning in the 18th full month of operations, the Quota will be a minimum of \$10,000 in Gross Sales per month. Beginning in the 31st month of operation and for each month thereafter, the Quota will be a minimum of \$15,000 in Gross Sales per month.

If you fail to reach the Quota in any two of four successive quarters, in addition to terminating your rights to your Designated Territory, we may require you to complete additional training or terminate your Franchise Agreement in our discretion.

Reservation of Rights

Notwithstanding the foregoing, we and our affiliates may:

(i) Own, franchise, or operate businesses that are similar to your DPF Business using the Marks or the System at any location outside of your Designated Territory;

(ii) Use the Marks or the System to sell any products or services (which may be similar to those that you will sell) through any alternate channels of distribution whether located within or outside of your Designated Territory. These alternate channels include, without limitation, wholesale outlets, retail outlets, to unrelated vehicle dealerships, or over the Internet. You cannot use alternate channels of distribution without our prior written permission;

(iii) Purchase, be purchased by, merge, or combine with any other business including, without limitation, a business that competes directly with your DPF Business, whether located within or outside of your Designated Territory; and

(iv) Acquire and convert to our System any businesses offering services and products similar to those you offer including, without limitation, businesses operated by competitors or otherwise operated independently, as part of, or in association with any other system or chain, whether franchised or corporately owned, and whether located within or outside of your Designated Territory.

Although we may use alternative channels of distribution within a Designated Territory to make sales of goods, items, and services associated with the System or the Marks, or associated with any other system or trademarks, service marks, trade names, logos, and the like, we have not done so as of the date of this FDD. We may do so at any time in our discretion.

Neither we nor any affiliate currently plan to operate or franchise a business that will sell products or services similar to the Services and Products under a trademark other than the Marks.

We do not compensate you for any solicitation or business we conduct in your Designated Territory.

Item 13

TRADEMARKS

You will be granted a license to use the Marks and such other trademarks we designate only in connection with the operation of your DPF Business. We may supplement and modify the trademarks you may use at any time in our discretion. You may not use the Marks in the name of any corporate entity that you establish.

Principal Trademarks Registered With the United States Patent and Trademark Office

The principal trademarks identified in the schedule below are a part of the Marks, registered with the United States Patent and Trademark Office (the “USPTO”), and will be used by you in the operations of your DPF Business. All required affidavits for the following trademarks have been filed with the USPTO.

Mark	USPTO Registration Number	Registration Type	Registration Date
	5626492	Principal	August 7, 2018
DPF Alternatives (word)	5533241	Principal	December 11, 2018

There are no currently effective material determinations by the USPTO, the Trademark Trial and Appeal Board, any court, or the trademark administrator of any state relating to our principal trademarks (including the Marks). There are no pending infringement, opposition, or cancellation proceedings and no pending litigation involving our principal marks. We know of no superior rights or infringing uses that could materially affect your use of our principal marks or other related rights in any state.

You will provide us with written notice of all claims you become aware of concerning the Marks including claims relating to your use of the Marks or associated with a third party’s use of a trademark that is identical or confusingly similar to the Marks. We may take any action we believe appropriate in response to any trademark infringement, challenge, or claim in our discretion. We will exclusively control any litigation, legal proceedings, administrative proceedings, or settlements concerning any infringement, challenge, or claim relating to the Marks. You will execute any instruments or agreements and undertake any actions that we determine advisable to protect the Marks in any proceeding. We will reimburse you for the reasonable out-of-pocket administrative expenses that you incur to comply with our directions.

We will protect your rights to use the Marks and defend you against claims of infringement and unfair competition relating to the Marks provided that your use of the Marks is in accordance with your Franchise Agreement, the Manual, and our instructions. We will indemnify you against direct damages for trademark infringement in a proceeding arising out of your compliant, permitted use of the Marks provided that you timely notify us of the associated claim, give us sole control of the defense and settlement of the claim, and are otherwise in material compliance with your Franchise Agreement. Notwithstanding the foregoing, if we defend a claim at our expense, we have no obligation to indemnify or reimburse you for any legal expenses you incur if you retain your own counsel.

If any third party establishes to our satisfaction that its rights to the Marks are superior to our rights or of a nature that we believe makes it advisable to discontinue using or modify the Marks, then we may discontinue or modify the Marks and you will use any substitutions, replacements, or variations of or to the Marks we designate. In such event, our sole liability and obligation will be to reimburse you for the direct out-of-pocket costs you incur to comply with this obligation, which you must document to our satisfaction including, without limitation, alterations in signage and the replacement of marketing materials.

(iii) Tax Obligations. If any federal, state, or local tax other than an income tax is imposed on the Royalty Fee paid by Franchisee to Franchisor that Franchisor cannot directly and dollar-for-dollar offset against taxes required to be paid by Franchisor under any applicable laws, Franchisee will compensate Franchisor in the manner prescribed by Franchisor so that the net amount or net rate received by Franchisor for the Royalty Fee is not less than that which has been established by this Agreement and which was due to Franchisor on the effective date of this Agreement.

(viii) All Other Fees and Obligations Set Forth in This Agreement. Franchisee will pay all other fees, charges, or expenses set forth in this Agreement to Franchisor, Franchisor's affiliates, or Franchisor's designees in accordance with the terms of this Agreement. If no particular due date is stated in this Agreement, then such date will be determined by Franchisor in Franchisor's discretion.

5.D APPLICATION OF PAYMENTS

Franchisor has sole discretion to apply any payments received from Franchisee or to offset any indebtedness of Franchisee to Franchisor to any past due indebtedness of Franchisee for Royalty Fees, Advertising Contributions, purchases from Franchisor or its affiliates, interest, or any other indebtedness of Franchisee to Franchisor or Franchisee's affiliates.

5.E WITHHOLDING PAYMENTS UNLAWFUL

Under no circumstance is Franchisee entitled to withhold payments due to Franchisor under this Agreement. Without limitation to the foregoing, any claim by Franchisee regarding the alleged non-performance of Franchisor's obligations will not permit or entitle Franchisee to withhold payments due Franchisor under this Agreement.

ARTICLE 6 RESTRICTIVE COVENANTS AND OBLIGATIONS

6.A NECESSITY FOR RESTRICTIVE COVENANTS

Only through the course of entering into this Agreement is Franchisee being provided with access to the System, Franchisor's training, use of the Licensed Marks, and access to the Operations Manual and Confidential Information. Competition by Franchisee, Owners, Spouses, or Immediate Family Members

may jeopardize the entire System and cause irreparable harm to Franchisor and franchisees of DPF Businesses. Accordingly, Franchisee and Franchisee's Owners and Spouses will comply with the restrictive covenants set forth in the Agreement.

6.B RESTRICTIVE COVENANTS: KNOW-HOW

During the Term and after expiration, termination, or Transfer of the Agreement, Franchisee will (i) not use the Know-How in any business or capacity other than the operation of Franchisee's DPF Business pursuant to this Agreement or as instructed by Franchisor, (ii) maintain the confidentiality of the Know-How at all times, (iii) not make unauthorized copies of documents containing any Know-How, (iv) take all reasonable steps that Franchisor requires from time to time to prevent unauthorized use or disclosure of the Know-How, and (v) stop using the Know-How immediately upon the expiration, termination, or Transfer of this Agreement. The foregoing covenants and obligations will also apply to (i) Franchisee's Owners and Spouses and Franchisee's Owners and Spouses will each execute and deliver to Franchisor the Guarantee, and (ii) Franchisee's directors, officers, employees, or agents where disclosure of the Know-How was necessary for the operations of Franchisee's DPF Business and where such director, officer, employee, or agent previously executed and timely delivered the Confidentiality Agreement to Franchisor.

6.C RESTRICTIVE COVENANTS: CONFIDENTIAL INFORMATION

During the Term and after expiration, termination, or Transfer of the Agreement, Franchisee will (i) not use the Confidential Information in any business or capacity other than the DPF Business operated by Franchisee, (ii) maintain the confidentiality of the Confidential Information at all times, (iii) not make unauthorized copies of documents containing any Confidential Information, (iv) take such reasonable steps as Franchisor may ask of Franchisee from time to time to prevent unauthorized use or disclosure of the Confidential Information, and (v) stop using the Confidential Information immediately upon the expiration, termination or Transfer of this Agreement. The foregoing covenants and obligations will also apply to (i) Franchisee's Owners and Spouses, and Franchisee's Owners and Spouses will each execute and deliver the Guarantee to Franchisor, and (ii) Franchisee's directors, officers, employees, or agents where disclosure of the Confidential Information was necessary for the operations of Franchisee's DPF Business and where such director, officer, employee, or agent previously executed and timely delivered the Confidentiality Agreement to Franchisor.

6.D RESTRICTIVE COVENANTS: UNFAIR COMPETITION AND IN-TERM NON-COMPETITION OBLIGATIONS

During the Term, Franchisee will not engage in the Prohibited Activities. If Franchisee engages in the Prohibited Activities, such actions would be unfair, constitute unfair competition, and cause irreparable harm to Franchisor, the System, and other DPF Business franchisees. The foregoing covenants and obligations will also apply to Franchisee's Owners and Spouses. Franchisee's Owners and Spouses will each execute and deliver the Guarantee to Franchisor. The restrictions of this Article 6.D may not apply to a Competitive Conversion Business in Franchisor's discretion.

6.E RESTRICTIVE COVENANTS: UNFAIR COMPETITION AND POST-TERMINATION NON-COMPETITION OBLIGATIONS

During the Post-Term Restricted Period, Franchisee will not engage in any Prohibited Activities; provided, however, that the Prohibited Activities relating to Franchisee's having an interest in a Competitive Business will only apply with respect to a Competitive Business that is located within a

Restricted Territory. If Franchisee is engaged in any Prohibited Activities during the Post-Term Restricted Period, Franchisee's Post-Term Restricted Period will be extended by the period of time during which Franchisee was engaging in the Prohibited Activity and any such extension of time will not be construed as a waiver of Franchisee's breach or otherwise impair any of Franchisor's rights or remedies relating to Franchisee's breach. The foregoing covenants and restrictions will also apply to Franchisee's Owners and Spouses and that Franchisee's Owners and Spouses will each execute and deliver the Guarantee to Franchisor. Franchisee acknowledges that the covenants and restrictions set forth in this Article 6 are fair and reasonable and that if Franchisee engaged in any Prohibited Activity, such actions will constitute acts of unfair competition causing irreparably harm to Franchisor and the System.

The restrictions of this Article 6.E may not apply to a Competitive Conversion Business in Franchisor's discretion.

6.F IMMEDIATE FAMILY MEMBERS

If Franchisee circumvents the restrictive covenants and obligations of this Article 6 by disclosing Confidential Information to an Immediate Family Member, Franchisor and the System will be irreparably harmed. If Franchisee or one of Franchisee's Owners discloses Confidential Information to an Immediate Family Member and the Immediate Family Member uses the Confidential Information to engage in activities that qualify as Prohibited Activities, Franchisor and the System will be irreparably harmed. As between Franchisee and Franchisor, Franchisee and Franchisee's Owners are in a better position to know if Franchisee permitted or provided an Immediate Family Member with access to the Confidential Information and therefore Franchisee will be presumed to have violated the terms of this Agreement if any Immediate Family Member (i) engages in any Prohibited Activities during any period of time during which Franchisee is prohibited from engaging in the Prohibited Activities, or (ii) uses or discloses the Confidential Information or Know-how. Franchisee may rebut the foregoing presumption by providing evidence conclusively demonstrating that neither Franchisee nor Franchisee's Owners disclosed the Confidential Information and did not permit disclosure of the Confidential Information to the Immediate Family Member. The foregoing covenants, obligations, representations, and burden of proof will also apply to Franchisee's Owners and Spouses. Franchisee's Owners and Spouses will each execute and deliver the Guarantee to Franchisor.

6.G REASONABLENESS OF RESTRICTIVE COVENANTS AND OBLIGATIONS

Franchisee acknowledges that (i) the terms of this Article 6 are reasonable both in time and in scope of geographic area, and (ii) Franchisee has sufficient resources and business experience and opportunities to earn an adequate living while complying with the terms of this Article 6. Franchisee hereby waives any right to challenge the terms of this Article 6 as being overly broad, unreasonable, or otherwise unenforceable. Although Franchisee and Franchisor both believe that the restrictive covenants and obligations of this Article 6 to be reasonable in terms of scope, duration, and geographic area, Franchisor may at any time unilaterally modify the terms of this Article 6 (provided that such modification is in writing and signed by Franchisor) by limiting the scope of the Prohibited Activities, narrowing the definition of a Competitive Business, shortening the duration of the Post-Term Restricted Period, reducing the geographic scope of the Restricted Territory, or reducing the scope of any other covenant imposed upon Franchisee under this Article 6 to ensure that the terms and covenants are enforceable under applicable law.

6.H BREACH OF RESTRICTIVE COVENANTS AND OBLIGATIONS

Franchisee's or Franchisee's Owners' failure to comply with the restrictive covenants and obligations set forth in this Article 6 will cause irreparable harm to Franchisor or other DPF Business

franchisees for which there is no adequate remedy at law. Any violation of these Article 6 covenants and obligations by either Franchisee or any Owners will entitle Franchisor to injunctive relief. Franchisor may apply for such injunctive relief, without bond, but upon due notice, in addition to such further and other relief as may be available at equity or law, and the sole remedy of Franchisee in the event of the entry of such injunction will be the dissolution of such injunction upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). If a court requires the filing of a bond notwithstanding the preceding sentence, the amount of the bond will not exceed \$1,000. Franchisor's remedies under this Article 6.H are not exclusive of any other remedies, but may be combined with others under this Agreement, or at law or in equity including injunctive relief, specific performance, and recovery of monetary damages.

6.I OWNERSHIP OF INNOVATIONS, IMPROVEMENTS, AND INFORMATION

With regard to Franchisee's DPF Business, all customer lists and their contents and information represent Confidential Information and constitute an asset of Franchisor whether or not such information was supplied by Franchisor. During the Term and in connection with the development, establishment, marketing, promotion, or operation of Franchisee's DPF Business, Franchisee will disclose to Franchisor all of Franchisee's ideas, concepts, methods, and products conceived or developed by Franchisee and Franchisee's affiliates, Owners, agents, and employees relating to the development and operation of DPF Businesses. Franchisee hereby assigns to Franchisor and Franchisee agrees to procure from Franchisee's Owners, affiliates, and employees an assignment of any such ideas, concepts, methods, and products that Franchisee is required to disclose to Franchisor under this Article 6.I. Franchisor will have no obligation to make any lump sum or ongoing payments to Franchisee or Franchisee's Owners, affiliates, or employees with respect to any such idea, concept, method, or product. Franchisee will not use nor will Franchisee allow any other person or entity to use any such concept, method, or product without obtaining Franchisor's prior written approval.

(v) Franchisee will ensure that all advertising and promotion of Franchisee's DPF Business by Franchisee is completely factual and conforms to the highest standards of ethical advertising and Franchisor's standards and specifications. Franchisee will refrain from any business practice, advertising practice, or personal conduct that may be injurious to Franchisor, the System, DPF Businesses, or the Licensed Marks. Franchisee certifies that Franchisee and each Owner are not listed on the Annex to Executive Order 13244 (the Annex is available at <http://www.treasury.gov>) and will not become so listed, hire any person so listed, or have dealings with any person so listed. If Franchisee, an Owner, or Franchisee's employees violate any of the Anti-Terrorism Laws or become listed on the Annex to Executive Order 13244, Franchisor may terminate this Agreement immediately without prior notice to Franchisee.

In connection with Franchisee's compliance with the terms of this Article 7.H, if Franchisee becomes aware of any conflict or discrepancy between Franchisee's obligations under this Article 7.H with Franchisor's standards or specifications as contained in this Agreement, in the Operations Manual, or as otherwise designated by Franchisor, Franchisee will immediately notify Franchisor in writing of such

7.I MANAGEMENT OF FRANCHISEE'S DPF BUSINESS

(i) The development and operation of Franchisee's DPF Business will be managed, operated, and maintained under the active, continuing management, substantial personal involvement, and hands-on supervision of Franchisee or Franchisee's Managing Owner. The Managing Owner must at all times be actively involved in the operation of Franchisee's DPF Business unless Franchisee delegates management functions to an authorized Operating Manager who satisfactorily completes Franchisor's Initial Training program and otherwise meets the criteria and conditions for qualification as an Operating Manager as determined by Franchisor. If the Operating Manager is an Immediate Family Member of Franchisee or an Owner, the Operating Manager will execute the Guarantee.

(ii) Franchisee must faithfully, honestly, and diligently perform Franchisee's obligations hereunder and continuously exert best efforts to promote and enhance Franchisee's DPF Business and the goodwill of the Licensed Marks and the System.

(iii) If Franchisee's DPF Business is not being managed by a Managing Owner or Operating Manager at any time who satisfactorily completed the Training Program, Franchisor is authorized, but not required, to immediately appoint a manager to maintain the operations of Franchisee's DPF Business. Franchisor's appointment of a manager of Franchisee's DPF Business does not relieve Franchisee of Franchisee's obligations or constitute a waiver of Franchisor's right to terminate the Franchise pursuant to Article 16. Franchisor is not liable for any debts, losses, costs, or expenses incurred in the operations of Franchisee's DPF Business or to any creditor of Franchisee for any products, materials, supplies, or services purchased by Franchisee's DPF Business while it is managed by Franchisor's appointed manager. Franchisor may charge Management Service Fees to Franchisee in Franchisor's discretion. Any determination as to whether or not Franchisor may elect to provide management services, the extent of such services, or the discontinuation thereof will be exclusively determined by Franchisor in Franchisor's discretion. Management Service Fees will be immediately payable upon invoice.

(iv) Franchisee will maintain sufficient working capital to fulfill Franchisee's obligations under this Agreement at all times.

(v) Franchisee will attend any Annual Conference and pay an Annual Conference Fee as determined by Franchisee.

7.J REMEDIES FOR NONCOMPLIANCE WITH OPERATIONAL STANDARDS

In addition to all other rights afforded to Franchisor under this Agreement, in connection with any inspections, audits, or re-inspections directed or undertaken by Franchisor to determine whether or not a default under the Agreement has been cured in accordance with Franchisor's standards and specifications, Franchisee will pay to Franchisor the costs and expenses incurred by Franchisor in connection with Franchisor's determination. The foregoing does not constitute Franchisor's consent to or acquiescence to any default. Nothing contained in this Article 7.J will be interpreted as interfering with or negating Franchisor's rights and remedies as set forth in Article 16 or as otherwise set forth in this Agreement. All rights and remedies of Franchisor are cumulative and will be interpreted as cumulative to one another.

ARTICLE 8
INSURANCE

Franchisee will purchase and maintain in full force insurance policies protecting Franchisee and naming Franchisor, Franchisor's affiliates, Franchisor's successors and assigns, and the officers, directors, shareholders, partners, agents, representatives, independent contractors, and employees of Franchisor as additional insureds. The policies must be written by a carrier or carriers with an A.M. Best Rating of at least A-, VII that is reasonably acceptable to Franchisor. Franchisor may designate preferred insurance brokers and insurance carriers.

The required insurance policies, insurance coverage requirements, and insurance coverage amounts are set forth in the Operations Manual. Franchisor may periodically change the amounts of coverage required under such insurance policies and require different or additional kinds of insurance at any time in Franchisor's discretion. Notwithstanding the foregoing, Franchisor will not increase such minimum coverage more than once every two years. All public liability and property damages policies must contain a provision that Franchisor is entitled to recover under these policies on any loss occasioned to Franchisor, Franchisor's affiliates, Franchisor's successors and assigns, and the officers, directors, shareholders, members, owners, partners, agents, representatives, independent contractors, and employees of Franchisor by reason of the negligence of Franchisee or Franchisee's officers, directors, shareholders, members, owners, partners, agents, representatives, independent contractors, and employees. Franchisee is required to maintain in accordance with this Agreement.

If Franchisee fails to procure or maintain the insurance required by this Agreement, then Franchisor has the right and authority, but not the obligation, to immediately to procure insurance and charge all costs, fees, and expenses associated with same to Franchisee. The foregoing remedies are in addition to any other remedies Franchisor may have under this Agreement, at law, or in equity. Franchisee will provide a copy of any certificate to Franchisor either annually or upon a change to the policy.

Franchisor will have sole discretion with respect to the strategic direction, creative concepts, materials, and endorsements used by the Brand Development Fund, and the geographic, market, media placement, and the allocation thereof. Without limiting the foregoing, the Brand Development Fund may also be utilized for

evaluation and monitoring of the Business Management Systems, maintenance and upgrades to the System Website, and the development of Digital Media;

(iv) The purpose of the advertising, media, marketing, and activities financed by the Brand Development Fund is the general enhancement of the System brand. The Brand Development Fund may not be utilized to directly or indirectly market or promote Franchisee's DPF Business or pay for media placements that may benefit or include any media market that includes Franchisee's Operations Center or Designated Territory;

(v) The Brand Development Fund may be used to pay various costs and expenses of Franchisor for such reasonable salaries, wages, administrative costs, and overhead as Franchisor may incur in activities reasonably related to the administration, activities, or brand awareness goals of the Brand Development Fund including, without limitation, expenses incurred by Franchisor for advertising, marketing, product and service testing, product and service development, maintenance, evaluation, and monitoring of the Business Management Systems, upgrades to the System Website, development of Digital Media, and creative development that is internally administered or prepared by Franchisor and other marketing activities made by Franchisor; provided, however, that salary expenses for Franchisor's personnel paid by the Brand Development Fund will be commensurate with the amount of that time spent by such personnel on Brand Development Fund matters. Franchisor will not use contributions to the Brand Development Fund to defray any of Franchisor's general operating expenses except for such reasonable salaries, administrative costs, and overhead as Franchisor may incur in activities reasonably related to the administration and activities of the Brand Development Fund and creation or conduct of its marketing programs including, without limitation, conducting market research, preparing advertising and marketing materials, and collecting and accounting for contributions to the Brand Development Fund. Franchisor may spend in a fiscal year an amount greater or less than the aggregate contributions of all DPF Businesses to the Brand Development Fund in that fiscal year;

(vi) Franchisee will participate in all advertising, marketing, promotions, research, and public relations programs instituted by the Brand Development Fund;

(vii) DPF Businesses owned by Franchisor or Franchisor's affiliates are not required to pay any Brand Development Fund Fee or contribute to the Brand Development Fund;

Brand Development Fund Fees are not required to be segregated from other assets or accounts of Franchisor. The Brand Development Fund is not required to expend Brand Development Fund Fees in the fiscal year that they are collected and the Brand Development Fund may borrow from Franchisor or other lenders at standard commercial interest rates to cover deficits of the Brand Development Fund. Franchisor may cause the Brand Development Fund to invest any surplus for future use by the Brand Development Fund. All interest earned on monies contributed to the Brand Development Fund will be used to pay costs of the Brand Development Fund before other assets of the Brand Development Fund are expended. A summary statement of monies collected and costs incurred by the Brand Development Fund for Franchisor's immediately preceding fiscal year will be made available to Franchisee upon Franchisee's written request. Franchisor will have the right to cause the Brand Development Fund to be incorporated or operated through an entity separate from Franchisor at such time as Franchisor deems appropriate, and such successor entity will have all rights and duties of Franchisor pursuant to this Article 9.A(viii);

(ix) Although Franchisor will endeavor to utilize the Brand Development Fund to develop advertising and marketing materials and programs, Franchisor undertakes no obligation to ensure that

expenditures by the Brand Development Fund in or affecting any geographic area are proportionate or equivalent to the contributions to the Brand Development Fund by DPF Businesses operating in that geographic area or that any DPF Businesses will benefit directly or in proportion to its contribution to the Brand Development Fund from the development of advertising and marketing materials. Franchisor may use the Brand Development Fund to promote or benefit any type of DPF Businesses in the System. Franchisor may use the Brand Development Fund to promote or benefit DPF Businesses located within a particular region of the United States. Franchisee's failure to derive any such benefit will not serve as a basis for a reduction or elimination of its obligation to contribute to the Brand Development Fund. The failure (whether with or without Franchisor's permission) of any other franchisee to make the appropriate amount of contributions to the Brand Development Fund will not in any way release Franchisee from or reduce Franchisee's obligations under this Article 9, such obligations being separate and independent obligations of Franchisee under this Agreement. Except as expressly provided in this Article 9, Franchisor assumes no direct or indirect liability, responsibility, or obligation to Franchisee with respect to the maintenance, direction, or administration of the Brand Development Fund;

(x) Franchisor may use the Brand Development Fund to advertise Franchisor's offer of franchises; and

(xi) Franchisor may establish a council to provide guidance respecting the administration of the Brand Development Fund and marketing matters concerning the Brand Development Fund in Franchisor's discretion. The council will only serve in an advisory capacity and Franchisor will select members of the council which may be comprised of employees of Franchisor, Franchisor, franchisees of the System, or third parties.

In no event will such waiver or deferral extend beyond six months. However, at the end of any waiver or deferral period, Franchisee may resubmit a request for waiver or deferral of its obligations under the Brand Development Fund or, if applicable, Advertising Cooperative. Under no circumstance will Franchisor be under any obligation to grant any waiver or deferral. Franchisor may reject Franchisee's request for a waiver or deferral based on any reason or no reason at all and, nevertheless grant the request of another system franchisee.

Franchisee's marketing and Marketing Media must be directed toward Franchisee's Designated Territory and that under no circumstance will Franchisee cause, authorize or engage in any Media Distribution to customers, potential customers or customer referral sources outside of Franchisee's Designated Territory, unless (i) such Media Distribution is a joint distribution with other DPF Businesses pursuant to an Advertising Cooperative authorized by Franchisor in writing, and (ii) Franchisor agrees to same in writing in Franchisor's discretion.

If Franchisee's DPF Business or Designated Territory is located within the geographic area of an Advertising Cooperative, Franchisee must participate in and contribute to the Advertising Cooperative. Further:

(i) If Franchisor previously instituted or, in the future, institutes an Advertising Cooperative that includes, in whole or in part, Franchisee's Designated Territory or Franchisee's DPF Business Location, Franchisee will participate in and make such ongoing financial contributions to the Advertising Cooperative, as determined by the Advertising Cooperative;

The parties' relationship is strictly a franchisor-and-franchisee relationship. Franchisee is the sole employer of the employees of Franchisee's DPF Business. Franchisee has the sole right to select, hire, and discharge Franchisee's employees. Franchisee is responsible for all decisions regarding hiring, firing, training, supervising, disciplining, scheduling, and paying wages to and withholding and paying taxes for Franchisee's employees. Franchisee, each Owner, each Spouse, and Franchisee's officers, directors, manager, agents, representatives, independent contractors, and employees will not be construed, considered, or represented as Franchisor's employees, representatives, or agents. There is no joint employer relationship between Franchisor and Franchisee or Franchisee's employees. Franchisee's compliance with all federal, state, and local labor laws rules and regulations will be exclusively determined and managed by Franchisee. To the extent that the Operations Manual includes information, specifications, procedures, criteria, or requirements regarding employees of Franchisee's DPF Business, such requirements will be interpreted exclusively for the purpose of maintaining brand standards associated with the System, to protect the good will associated with the System, and to ensure System uniformity requirements and standards concerning the Approved Services and Products, and under no circumstance will same relate to the employer-employee relationship. As to the foregoing issue of "joint employer" and the non-existence thereof, if any inconsistency or conflict between this Agreement and the Operations Manual arises, the terms of this Agreement will take precedence and govern.

Franchisee must conspicuously identify itself at the premises of Franchisee's DPF Business and in all dealings with customers, lessors, contractors, suppliers, public officials, and others as the owner of a DPF Business under a franchise from Franchisor. Franchisee must place other notices of independent ownership on signs, forms, stationery, advertising, and other materials as Franchisor requires.

Franchisee will not employ any Licensed Mark in signing any contract, lease, mortgage, check, purchase agreement, negotiable instrument, or other legal obligation. Franchisee will not employ any Licensed Mark in a manner that is likely to result in liability of Franchisor for any indebtedness, action, inaction, or obligation of Franchisee.

Franchisor and Franchisee will not make any express or implied agreements, guaranties, or representations, or incur any debt, in the name or on behalf of the other. Franchisor and Franchisee will not represent that their relationship is anything other than franchisor and franchisee. Franchisor and Franchisee will not be obligated by, or have any liability under, any agreements or representations made by the other that are not expressly authorized. Franchisor will not be obligated for any damages to any person or property directly or indirectly arising out of the operation of Franchisee's DPF Business, whether or not caused by Franchisee's negligent, willful act, or failure to act.

Franchisor will have no liability for any sales, use, excise, gross receipts, property, or other taxes, whether levied upon Franchisee, Franchisee's DPF Business or its assets, or upon Franchisor in connection with sales made, services performed, or business conducted by Franchisee.

10.B INDEMNIFICATION BY FRANCHISEE

Franchisee and each Owner will indemnify, defend through counsel acceptable to Franchisor, and hold the Franchisor Indemnified Parties harmless from all losses, expenses, claims, causes of action, lawsuits, liabilities, taxes, costs, demands, proceedings, investigation, hearing, or damages arising out of, or relating to, Franchisee's Operations Center, or Franchisee's DPF Business (including, without limitation, the ownership and operation of Franchisee's DPF Business), unless such loss, expense, claim, cause of action, lawsuit, liability, tax, cost, demand, proceeding, or damage is solely due to Franchisor's gross negligence, and Franchisee will pay all of the Franchisor Indemnified Parties' reasonable costs, fees, and expenses of defending any such claim, cause of action, lawsuit, demand, proceeding, investigation, or hearing brought against any of the Franchisor Indemnified Parties or any such claim, cause of action, lawsuit, demand, proceeding, investigation, or hearing in which any of the Franchisor Indemnified Parties is named as a party including, without limitation, reasonable accountant fees, attorney fees, expert witness fees, court costs, deposition fees, travel expenses, and other litigation expenses. At the expense and risk of Franchisee and each Owner, Franchisor may elect to assume, but is not obligated to undertake, the defense or settlement of any action, lawsuit, proceeding, claim, or demand. Such an election by Franchisor to assume its defense will not diminish the obligation of Franchisee and each Owner to indemnify, defend, and hold harmless the Franchisor Indemnified Parties. Franchisee and each Owner acknowledge and agree that the terms of this Article 10.B will survive the termination, expiration, or Transfer of this Agreement.

Under no circumstances are the Franchisor Indemnified Parties required or obligated to seek recovery from third parties or otherwise mitigate their respective losses to maintain a claim against Franchisee or any Owner. Franchisee and each of the Owners agree that Franchisor's failure to pursue recovery or mitigate loss in no way reduces the amounts recoverable from Franchisee or any Owner.

10.C INDEMNIFICATION BY FRANCHISOR

Franchisor will indemnify, defend, and hold the Franchisor Indemnified Parties harmless from all losses, expenses, claims, causes of action, lawsuits, liabilities, taxes, costs, demands, proceedings, investigation, hearing, or damages solely arising out of, or solely relating to, Franchisor's gross negligence in the operation of Franchisee's DPF Business that was the direct cause of any such loss, expense, liability, or damage provided Franchisee immediately notifies Franchisor of such claim, cause of action, lawsuit, demand, proceeding, investigation, or hearing, and Franchisor will pay all of the Franchisee Indemnified Parties' reasonable costs, fees, and expenses of defending any such claim, cause of action, lawsuit, demand,

proceeding, investigation, or hearing brought against any of the Franchisor Indemnified Parties or any such claim, cause of action, lawsuit, demand, proceeding, investigation, or hearing in which any of the Franchisor Indemnified Parties is named as a party including, without limitation, reasonable accountant fees, attorney fees, expert witness fees, court costs, deposition fees, travel expenses, and other litigation expenses provided Franchisee immediately notifies Franchisor of such claim, cause of action, lawsuit, demand, proceeding, investigation, or hearing. The terms of this Article 10.C will survive the termination, expiration, or Transfer of this Agreement.

Franchisor is the owner of all right, title, and interest in and to the Licensed Marks, the System, Web Based Media, Published Content, and the goodwill associated with the Licensed Marks and the System. Except as otherwise specifically provided in this Agreement, Franchisee possesses no interest or right, whatsoever, in or to the Licensed Marks, the System, Web Based Media, Published Content, and the goodwill associated with the Licensed Marks and the System. Franchisee's right to use the Licensed Marks and the System is derived solely from this Agreement. Any unauthorized use of the Licensed Marks or the System by Franchisee or any of Franchisee's affiliates will constitute an infringement of the rights of Franchisor in and to the Licensed Marks or the System. All usage of the Licensed Marks or the System by Franchisee, and all goodwill associated with the Licensed Marks and System, will exclusively benefit Franchisor without granting any goodwill interests or rights to Franchisee except for Franchisee's non-exclusive interest and limited right to use the Licensed Marks and the System in the operation of Franchisee's DPF Business, subject to the terms and conditions of this Agreement. Franchisee will not at any time during the Term or after the expiration, termination, or Transfer of this Agreement contest the validity or ownership of the Licensed Marks, the System, Web Based Media, Published Content, or the goodwill associated with the Licensed Marks and the System. At no time will Franchisee assist any other person in contesting the validity or ownership of the Licensed Marks, the System, Web Based Media, Published Content, or the goodwill associated with the Licensed Marks and the System. Franchisee and each Owner will not take any action that prejudices or interferes with the validity of Franchisor's rights with respect to Licensed Marks, the System, Web Based Media, Published Content, or the goodwill associated with the Licensed Marks and the System.

11.B USE OF THE LICENSED MARKS

The Licensed Marks will be the sole identification of Franchisee's DPF Business. Franchisee must operate, advertise, and market Franchisee's DPF Business only under the Licensed Marks as designated and specified by Franchisor in Franchisor's discretion. Franchisee will not use the Licensed Marks as part of its corporate or other legal name, and Franchisee will not use the Licensed Marks with modifying words, terms, designs, or symbols, or in any modified form. Franchisee will comply with Franchisor's instructions in filing and maintaining their requisite trade name or fictitious name registrations as may be required by applicable law.

11.C NOTIFICATION OF INFRINGEMENT AND CLAIMS

Franchisee must notify Franchisor immediately in writing of any apparent infringement of, or challenge to, Franchisee's use of any Licensed Mark or the System or of any claim by any person claiming any rights in any manner with respect to the Licensed Mark, the System, or any similar trade name, trademark or service mark of which Franchisee becomes aware. Franchisee must not communicate with

any person other than Franchisor and its counsel in connection with any infringement, challenge, or claim by any third party to the Licensed Marks or the System. Franchisor or Franchisor's licensor will possess sole and complete discretion to take any action or to refrain from taking action Franchisor or Franchisor's licensor deems appropriate including, without limitation, the right to exclusively control any litigation or administrative proceeding arising out of, or relating to, any infringement, challenge, claim or otherwise relating to any Licensed Mark or the System. Franchisee will execute all documents, render assistance, and take all actions as may be necessary or advisable to protect and maintain the interests of Franchisor or Franchisor's licensor in any litigation or administrative proceeding or to otherwise protect and maintain, as directed by Franchisor, the interests of Franchisor or Franchisor's licensor in the Licensed Marks. Franchisor will reimburse Franchisee for reasonable direct expenses incurred by Franchisee in assisting Franchisor in any such litigation or administrative proceeding provided Franchisee timely notifies Franchisor of such proceeding and Franchisee complies with the written instructions of Franchisor respecting any such proceeding.

11.D DISCONTINUANCE OF USE OF LICENSED MARKS

If Franchisor determines in Franchisor's discretion at any time that it is advisable for Franchisor, the System, or Franchisee to replace, modify, substitute, or discontinue use of any of Licensed Marks, then Franchisee will comply with Franchisor's determination and instructions as to the replacement, modification, substitution, or discontinuance of such Licensed Marks. Franchisee will comply within the foregoing requirements within a reasonable time period after notice by Franchisor. If Franchisee is required to take action pursuant to instruction by Franchisor pursuant to this Article 11.D or, if Franchisee is otherwise required to replace, modify, substitute, or discontinue use of any of Licensed Marks, the sole liability and obligation of Franchisor to Franchisee will be to reimburse Franchisee for the reasonable and direct costs incurred by Franchisee in complying with this obligation, which Franchisee will document to the satisfaction of Franchisor. Franchisor has the exclusive right to modify any features or components of the Licensed Marks or the System at any time in Franchisor's discretion.

11.E INDEMNIFICATION OF FRANCHISEE

If Franchisee is sued in a legal proceeding or is threatened with an IP Claim, Franchisor will indemnify Franchisee for the reasonable and direct costs incurred by Franchisee or any judgment entered against Franchisee; provided, however, that (i) Franchisee immediately notified Franchisor of the IP Claim by a written notice sent to Franchisor via priority overnight courier, (ii) Franchisee provided and afforded Franchisor the absolute opportunity and right to defend against the IP Claim and to select and appoint legal counsel of Franchisor's choosing, and (iii) Franchisee utilized the Licensed Marks in accordance with the terms of this Agreement and the System. Time is of the essence with respect to notifying Franchisor of an IP Claim.

11.F OWNERSHIP OF INNOVATIONS, IMPROVEMENTS, AND INFORMATION

With regard to Franchisee's DPF Business, all customer lists, including the contents and information contained in all customer lists, constitute Confidential Information and an asset of Franchisor whether or not such information was supplied by Franchisor. During the Term, in connection with Franchisee's DPF Business, Franchisee will disclose to Franchisor all of Franchisee's ideas, concepts, methods, and products conceived or developed by Franchisee, any Owner, or Franchisee's affiliates, officers, directors, shareholders, partners, agents, members, representatives, independent contractors, servants and employees relating to Franchisee's DPF Businesses and the System. Franchisee hereby assigns to Franchisor, and Franchisee agrees to procure an assignment of, any such ideas, concepts, methods, and products that Franchisee is required to disclose to Franchisor under this Article 11.F from each Owner and Franchisee's affiliates, officers, directors, shareholders, partners, agents, members, representatives,

independent contractors, servants, and employees. Franchisor will have no obligation to tender any lump sum payment, ongoing payments, or any other consideration to Franchisee, any Owner, each Owner and Franchisee's affiliates, officers, directors, shareholders, partners, agents, members, representatives, independent contractors, servants, and employees with respect to any such idea, concept, method, technique, or product. Franchisee will not use, or allow any other person or entity to use, any such concept, method, technique, or product without obtaining Franchisor's prior written approval.

ARTICLE 12 RECORDS AND REPORTS

12.A MAINTENANCE AND PRESERVATION OF RECORDS

Franchisee will maintain and preserve full, complete, and accurate books, records, and accounts from Franchisee's DPF Business for at least three years from the dates of preparation. Such records will be maintained and preserved in the form and manner by Franchisor in the Operations Manual or otherwise in writing.

12.B REPORTING OBLIGATIONS

In addition to the reporting obligations otherwise set forth in this Agreement, Franchisee will comply with the following additional reporting obligations as they may be modified by Franchisor from time to time:

(i) Royalty and Activity Reports. On the Due Date each month, Franchisee will report, transmit, confirm, or otherwise make available to Franchisor, the Royalty and Activity Report as Franchisor designates in accordance with the terms of this Agreement.

(ii) Monthly Financial Statements and Reports. Within 30 days of the end of each calendar month Franchisee will submit to Franchisor monthly financial statements and other reports related to the operations of Franchisee's DPF Business including, without limitation, income statements, statements of cash flows, balance sheets, and other operational reports designated by Franchisor. Franchisee represents that the financial statements, information, and reports submitted to or made available to Franchisor will be true and accurate. Financial statements must be prepared in accordance with GAAP and will reconcile Gross Sales per GAAP to Gross Sales per this Agreement;

(iii) Annual Financial Statements and Reports. Within 60 days of the end of each calendar year, Franchisee will submit to Franchisor Franchisee's annual financial statements and other reports related to the operations of Franchisee's DPF Business including, without limitation, income statements, statements of cash flows, balance sheets, and other operational reports designated by Franchisor. The financial statements must be prepared by a licensed CPA in accordance with GAAP and will reconcile Gross Sales per GAAP to Gross Sales per this Agreement;

(iv) Tax Returns. Franchisee will provide to Franchisor, Franchisee's annual federal, state and local tax returns as same are prepared and submitted to the applicable federal, state and local entities. Said tax returns will be submitted to Franchisor within 45 days of Franchisee or Franchisee's agent filing such returns with the applicable federal, state, and local entities; and

(v) Other Reports. Franchisee will timely submit to Franchisor all other forms, reports, records, information, and data as Franchisor may reasonably request in writing or as otherwise set forth in the Operations Manuals.

ARTICLE 13
INSPECTION AND AUDITS

13.A FRANCHISOR'S RIGHT TO INSPECT

Franchisor has the right at any time during business hours, and without prior notice to Franchisee, to inspect Franchisee's Operations Center, Service Vehicles and System Supplies. Franchisee will fully cooperate with representatives of Franchisor making any inspection and permit such representatives of Franchisor to take photographs, videos, or recordings of Franchisee's DPF Business, operations of Franchisee's DPF Business, interview employees and customers of Franchisee's DPF Business, conduct secret-shopper inspections, and other inspections either with or without notice to Franchisee. Franchisor will undertake reasonable efforts to minimize the impact of any inspection on the operations of Franchisee's DPF Business.

13.B FRANCHISOR'S RIGHT TO EXAMINE BOOKS AND RECORDS

Franchisor has the right at any time during business hours, and without prior notice to Franchisee, to examine or audit, or cause to be examined or audited by a third party, the business records, cash control devices, bookkeeping and accounting records, bank statements, sales and income tax records and returns, and other books, statements, and records of Franchisee's DPF Business and Franchisee. Franchisee will maintain complete and accurate copies all such books, statements, records and supporting documents at Franchisee's Operations Center at all times. Franchisee must fully cooperate with Franchisor, representatives of Franchisor, and third parties hired by Franchisor to conduct any such examination or audit.

ARTICLE 14
TRANSFER OF INTEREST

14.A TRANSFER BY THE FRANCHISOR

Franchisor has the sole, absolute, and unilateral right to Transfer or assign Franchisor's rights and obligations under this Agreement and the Ancillary Agreements, in whole or in part (for any purpose and in any form of transaction as may be designated or elected by Franchisor, in Franchisor's sole discretion) to any person, entity, Corporate Entity, or third party without the consent of Franchisee and without the approval of Franchisee or any other party. Nothing contained in this Agreement will restrain Franchisor from selling, transferring, conveying, or assigning this Agreement and the Ancillary Agreements, or Franchisor's rights and obligations under this Agreement and the Ancillary Agreements, to any person, entity, Corporate Entity or other third party. Franchisor has an unrestricted and unequivocal right to Transfer or assign any of its rights or obligations under this Agreement and the Ancillary Agreements, in whole or in part, in Franchisor's sole discretion. If Franchisor Transfers or assigns this Agreement or the Ancillary Agreements, or any or all of Franchisor's rights and obligations set forth in this Agreement or the Ancillary Agreements, to a person, an entity, Corporate Entity, or other third party, this Agreement and the Ancillary Agreements, will survive, remain in full force and effect, and inure to the benefit of the purchaser, transferee, conveyee, or assignee of this Agreement or the Ancillary Agreements or Franchisor's rights and obligations under this Agreement or the Ancillary Agreements.

14.B FRANCHISEE MAY NOT TRANSFER WITHOUT FRANCHISOR APPROVAL

Franchisee represents and warrants that Franchisee's Owners understand and agree that the rights and duties set forth in this Agreement are personal to Franchisee and each Owner. Accordingly:

(i) No ownership interest of any Owner in Franchisee may be Transferred without the prior written consent of Franchisor;

(ii) No obligations, rights, or interest of Franchisee in (a) this Agreement, (b) the lease or ownership interests in Franchisee's Operations Center, (c) Franchisee's DPF Business, or (d) all or substantially all of the assets of Franchisee's DPF Business may be Transferred without the prior written consent of Franchisor. This restriction will not prohibit Franchisee from granting a mortgage, charge, lien, or security interest in the assets of Franchisee's DPF Business or this Agreement for the exclusive purpose of securing financing for the initial development (occurring prior to the Actual Business Commencement Date) of Franchisee's DPF Business;

(iii) Without limitation to the foregoing, any Transfer by Franchisee respecting or relating to this Agreement or Franchisee's DPF Business or assets associated with Franchisee's DPF Business will require the prior written consent of Franchisor where such Transfer occurs by virtue of (a) divorce or legal dissolution of marriage, (b) insolvency, (c) dissolution of a Corporate Entity, (d) last will and testament, (e) intestate succession, or (f) declaration of or transfer in trust;

(iv) Any purported Transfer without the written consent of Franchisor, or otherwise in violation of this Agreement including, without limitation, this Article 14.B will constitute a breach of this Agreement and will convey to the transferee no rights or interests in this Agreement; and

(v) If a Transfer of this Agreement that is approved by Franchisor occurs, Franchisee will not be relieved of Franchisee's obligations under this Agreement whether said obligations accrued or arose prior to or after the date of Transfer.

14.C CONDITIONS FOR APPROVAL OF TRANSFER

Provided Franchisee and each Owner and Spouse are in substantial compliance with this Agreement and the Ancillary Agreements, and Franchisor does not elect to exercise Franchisor's right of first refusal as set forth in Article 14.F, Franchisor will not unreasonably withhold its approval of a Transfer by Franchisee or an Owner. The proposed transferee (including such assignee's owners and spouses if the proposed transferee is a Corporate Entity) must be of good moral character, have sufficient business experience, aptitude, and financial resources to own and operate a DPF Business, and otherwise meet Franchisor's then applicable standards for franchisees as determined by Franchisor in its sole, but reasonable discretion. The proposed transferee and the proposed transferee's owners and spouses may not own or operate, or intend to own or operate, a Competitive Business. Franchisor may condition approval of a Transfer upon Franchisee's satisfaction (either before, or contemporaneously with, the effective date of the Transfer) of the following:

(i) Franchisee must provide written notice to Franchisor of the proposed Transfer of this Agreement at least 30 days prior to the Transfer, and Franchisee must have also satisfied the obligations set forth in Article 14.F;

(ii) All accrued monetary obligations of Franchisee and all other outstanding obligations to Franchisor or Franchisor's affiliates under this Agreement and the Ancillary Agreements must be satisfied in a timely manner, and Franchisee must satisfy all trade, supplier, and vendor accounts and other debts, of whatever nature or kind, in a timely manner;

(iii) Franchisee, each Owner, and each Spouse must not be in default or material breach of this Agreement or the Ancillary Agreements;

(iv) The transferee will be bound by all terms and conditions of this Agreement, and each owner of the transferee and their respective spouses will personally execute the Guarantee;

(v) All obligations of Franchisee under this Agreement and the Ancillary Agreements will be assumed by the transferee, each individual owner of transferee, and their respective spouses in a manner satisfactory to Franchisor;

(vi) Franchisee, each Owner, and each Spouse must execute the General Release releasing Franchisor, Franchisor's affiliates, and Franchisor's past and present officers, directors, shareholders, members, partners, agents, representatives, independent contractors, servants, and employees, of any claims against Franchisor for matters arising on, or before, the effective date of the Transfer;

(vii) If the proposed Transfer includes or entails the Transfer of this Agreement, substantially all of the assets of Franchisee's DPF Business, a controlling interest in Franchisee, or is one of a series of Transfers which in the aggregate Transfers substantially all of the assets of Franchisee's DPF Business or a controlling interest in Franchisee, then, at the election of Franchisor and upon notice from Franchisor to Franchisee, the transferee may be required to execute (or, upon Franchisee's request, will cause all interested parties to execute) for a term ending on the expiration date of the original Term of this Agreement, the then-current form of franchise agreement offered to new franchisees of DPF Businesses and any other agreements as Franchisor requires. Such agreements will supersede this Agreement and its associated agreement in all respects, and the terms of Franchisor's then-current agreements may differ from the terms in this Agreement, provided that such agreements will provide for the same Royalty Fee, Advertising Contributions, and all other financial or monetary obligations established in this Agreement;

(viii) The transferee, at its expense, must improve, modify, refurbish, renovate, remodel, or otherwise upgrade Franchisee's Operations Center to conform to the then-current standards and specifications of Franchisor, and the transferee must complete such improvements, modifications, refurbishments, renovations, remodeling, or upgrading within the time period Franchisor reasonably specifies;

(ix) Franchisee, each Owner, and each Spouse will remain liable for all obligations to Franchisor set forth in this Agreement;

(x) At the transferee's expense, the transferee, and the transferee's managing owner, managers or any other applicable employees of transferee's DPF Business must complete any training programs then in effect for franchisees of DPF Businesses upon terms and conditions set forth in this Agreement or as Franchisor otherwise reasonably requires;

(xi) Franchisee must pay the Transfer Fee to Franchisor. The Transfer Fee is equal to either 75% of the then-current initial franchise fee or \$7,500 if Franchisee's DPF Business has not begun operations;

(xii) Franchisor's approval of the material terms and conditions of the Transfer, and Franchisor determines in Franchisor's discretion that the price and terms of payment are not so burdensome as to be detrimental to the future operations of Franchisee's DPF Business by the transferee;

(xiii) Transferee's employees, directors, officers, independent contractors, and agents who will have access to Confidential Information will execute the Confidentiality Agreement;

(xiv) Franchisee entering into an agreement with Franchisor agreeing to subordinate any obligations of transferee to make installment payments of the purchase price to Franchisee to the

transferee's obligations to Franchisor including, without limitation, transferee's obligations with respect to Royalty Fees and Advertising Contributions;

(xv) Franchisee and transferee acknowledge and agree that Franchisor's approval of the Transfer indicates only that the transferee meets, or Franchisor waived, the criteria established by Franchisor for franchisees as of the time of such transfer, and Franchisor's approval thereof does not constitute a warranty or guarantee by Franchisor, express or implied, of the suitability of the terms of sale, successful operation, or profitability of Franchisee's DPF Business;

(xvi) Franchisee and the transferee acknowledge and agree that Franchisor's approval of the Transfer at issue does not constitute Franchisor's approval of future or other Transfers or the waiver of the requirement that Franchisor must approve such future or other Transfers in accordance with this Agreement;

(xvii) The Transfer must be made in compliance with all applicable laws;

(xviii) The Transfer of Franchisee's DPF Business, the lease for Franchisee's Operations Center, and the assets of Franchisee's DPF Business will be made only in conjunction with a Transfer of this Agreement, approved by Franchisor in accordance with and subject to this Article 14 and the terms and conditions of this Agreement; and

(xix) Franchisor's consent to a Transfer of any interest that is subject to the restrictions of this Agreement will not constitute a waiver of any claims it may have against Franchisee or deemed a waiver of Franchisor's right to demand strict and exact compliance with this Agreement by the transferee.

14.D DEATH OR DISABILITY OF FRANCHISEE OR AN OWNER

(i) If Franchisee is an individual and not a Corporate Entity, upon the death or permanent disability of Franchisee, the executor, administrator, conservator, or other personal representative of Franchisee, must appoint a manager that meets the equivalent of an Operating Manager within a reasonable time, which will not exceed 30 days from the date of death or permanent disability. The appointed manager (as applicable) must serve and qualify as an Operating Manager and attend and successfully complete the Training Program within 60 days of the appointment. If Franchisee's DPF Business is not being managed by a Franchisor-approved Operating Manager within 30 days after such death or permanent disability, Franchisor is authorized, but not required, to immediately appoint a manager to maintain the operations of Franchisee's DPF Business for, and on behalf of, Franchisee at Franchisee's sole costs until an approved Operating Manager is able to assume the management and operation of Franchisee's DPF Business. Franchisor's appointment of a manager for Franchisee's DPF Business does not relieve Franchisee of its obligations under this Agreement, including this Article 14.D, or constitute a waiver of Franchisor's right to terminate this Agreement pursuant to Article 16. At all times, including while Franchisee's DPF Business may be managed by Franchisor's appointed manager, Franchisor will not be liable for any debts, losses, costs, or expenses incurred in the operations of Franchisee's DPF Business or to any creditor of Franchisee for any products, materials, supplies, or services purchased by Franchisee's DPF Business. Franchisor may charge a reasonable fee for such management services and may cease to provide management services at any time.

(ii) If Franchisee is a Corporate Entity, upon the death or permanent disability of Franchisee's Managing Owner, the remaining Owners within a reasonable time, which will not exceed 30 days from the date of death or permanent disability, must appoint a new Managing Owner that is approved by Franchisor. The appointed Managing Owner must attend and successfully complete the Training Program within 60 days of the appointment. If Franchisee's DPF Business is not being managed by a Franchisor approved Managing Owner (as applicable) within 30 days after such death or permanent disability, Franchisor is

authorized, but is not required, to immediately appoint a manager to maintain the operations of Franchisee's DPF Business for, and on behalf of, Franchisee at Franchisee's sole costs until an approved Managing Owner is able to assume the management and operation of Franchisee's DPF Business. Franchisor's appointment of a manager for Franchisee's DPF Business does not relieve Franchisee of its obligations under this Agreement, including this Article 14.D, or constitute a waiver of Franchisor's right to terminate this Agreement pursuant to Article 16. At all times, including while Franchisee's DPF Business may be managed by Franchisor's appointed manager, Franchisor will not be liable for any debts, losses, costs, or expenses incurred in the operations of Franchisee's DPF Business or to any creditor of Franchisee for any products, materials, supplies, or services purchased by Franchisee's DPF Business. Franchisor may charge a Management Service Fee for such management services and may cease to provide management services at any time. Notwithstanding the foregoing, if Franchisee is a Corporate Entity and the Managing Owner is the only Owner of Franchisee, then Article 14.D(i) will apply as if the Managing Owner were the sole individual Franchisee.

(iii) Upon the death of Franchisee or any Owner, the executor, administrator, conservator, or other personal representative of that deceased person must transfer his interest to a person Franchisor approves within a reasonable time, not to exceed twelve months from the date of death.

(iv) If Franchisee is an individual, then if the death or permanent disability of Franchisee occurs, this Agreement may be Transferred to any designated person, heir, or beneficiary without the payment of the Transfer Fee. Notwithstanding the immediately foregoing sentence, the Transfer of this Agreement to such transferee of Franchisee will be subject to the applicable terms and conditions of this Article 14, and the Transfer will not be valid or effective until Franchisor has received the properly executed legal documents, which Franchisor's attorneys deem necessary to properly and legally document such Transfer. The transferee must agree to be unconditionally bound by the terms and conditions of this Agreement and execute the Guarantee.

14.E TRANSFER TO WHOLLY-OWNED CORPORATE ENTITY

This Agreement may be Transferred by Franchisee to an Assignee Corporate Entity if Franchisee is an individual or individuals, provided that (i) Franchisee has provided Franchisor with 30 days' prior written notice of the proposed Assignment of this Agreement, (ii) Franchisee (individually, jointly, and severally as to each individual Franchisee) sign and be bound by the Guarantee, (iii) the Spouse of each Franchisee (individually, jointly, and severally as to each individual Spouse) sign and be bound by the Guarantee, (iv) Franchisee has provided Franchisor with true and accurate copies of corporate formation documents related to the Assignee Corporate Entity and the ownership of the Assignee Corporate Entity and has further provided Franchisor with all additional documentation as Franchisee may request concerning the proposed assignment or Assignee Corporate Entity, and (v) Franchisee is otherwise in compliance with the terms and conditions of this Agreement and any Ancillary Agreements. An assignment to an Assignee Corporate Entity will not relieve Franchisee of Franchisee's individual obligations under this Agreement as such obligations existed between Franchisee and Franchisor prior to the date of any assignment to the Assignee Corporate Entity.

14.F FRANCHISOR'S RIGHT OF FIRST REFUSAL

If Franchisee or an Owner desires to engage, in whole or in part, in a Transfer of Franchisee or Franchisee's DPF Business, this Agreement, Franchisee's DPF Business, Franchisee's Operations Center, or Franchisee's Operations Center, then Franchisee or such Owner (as applicable) must submit an exact copy of the Offer to Franchisor. Franchisor will have 30 days after receipt of the Offer to decide whether Franchisor will purchase the interest in Franchisee, Franchisee's DPF Business, Franchisee's Operations Center, or Franchisee's Operations Center for the same price and upon the same terms contained in the

Offer provided that Franchisor may substitute cash for any form of payment proposed in the Offer. If Franchisor notifies Franchisee that Franchisor intends to purchase the interest within said 30-day period, Franchisee or Owner (as applicable) must sell the interest to Franchisor. Franchisor will have at least an additional 60 days to prepare for closing. Franchisor will be entitled to receive from Franchisee or Owner (as applicable) all customary representations and warranties given by Franchisee or Owner (as applicable) as the seller of the assets or the ownership interest or, at Franchisor's election, the representations and warranties contained in the offer. If Franchisor does not exercise its right of first refusal, Franchisee or Owner (as applicable) may complete the Transfer to the purchaser pursuant to and in accordance with the terms of the Offer, provided that separate and apart from this right of first refusal, Franchisee complies with the terms of this Article 14. However, if the sale to the purchaser is not completed within 120 days after delivery of the Offer to Franchisor, or there is a material change in the terms of the sale, Franchisor will again have the right of first refusal specified in this Article 14.F. Franchisor's right of first refusal will not apply to any Transfer pursuant to Article 14.E.

ARTICLE 15 RENEWAL OF FRANCHISE

15.A FRANCHISEE'S RIGHT TO RENEW

Subject to Franchisee's satisfaction of the terms of this Agreement including, without limitation, the terms of this Article 15, Franchisee may renew the franchise for Franchisee's continued operation of Franchisee's DPF Business for three total Renewal Terms. The foregoing option will not be afforded to or available to Franchisee if Franchisee's DPF Business was previously operated or developed pursuant to a prior franchise agreement with Franchisor or Franchisor's predecessors respecting Franchisee's DPF Business before the Effective Date.

15.B CONDITIONS FOR RENEWAL

Franchisee's renewal rights under this Article 15 are subject to and contingent upon Franchisee's satisfaction of the following conditions and criteria:

(i) Not less than 180 days prior to the expiration of the initial Term Franchisee must provide Franchisor with a Renewal Notice;

(ii) At the time of delivering the Renewal Notice and at all times thereafter, Franchisee and Franchisee's Owners must be in compliance with the terms of this Agreement and all Ancillary Agreements, and without any default of this Agreement or the Ancillary Agreements;

(iii) Franchisee must possess, present, and demonstrate to Franchisor and, subject to Franchisor's reasonable satisfaction, that (a) Franchisee maintains the ability to continue to operate Franchisee's DPF Business within Franchisee's Designated Territory, and (b) Franchisee has the right to occupy and maintain Franchisee's Operations Center in accordance with Franchisor's then-current standards and specifications;

(iv) Franchisee must satisfy the maintenance, update, and upgrade obligations as set forth in Article 7.B;

(v) Franchisee will deliver a Renewal Franchise Agreement to Franchisor within 30 days of the date of delivery of the Renewal Franchise Agreement by Franchisor to Franchisee;

(vi) Franchisee's Owners and their Spouses must agree to, sign and deliver to Franchisor the Renewal Ancillary Agreements within 30 days of the date of delivery of the Renewal Ancillary Agreements by Franchisor to Franchisee;

(vii) Franchisee and the Owners must, prior to the Renewal Term, undertake and complete, to Franchisor's satisfaction, such additional training, if any, as determined by Franchisor in Franchisor's discretion; and

(viii) Franchisee and the Owners must agree to, sign, and deliver to Franchisor, within 30 days of the date of delivery by Franchisor to Franchisee, Franchisor's then-current form of general release whereby Franchisee and Franchisee's Owners will each fully release and discharge Franchisor, Franchisor's affiliates, and their officers, directors, shareholders, partners, agents, representatives, independent contractors, servants, employees, successors, and assigns from any claims, causes of action, and suits arising from or related to this Agreement. If local law precludes Franchisee's issuance of a general release, Franchisor at Franchisor's election, may condition renewal on Franchisee and each Owners delivery to Franchisor of an estoppel letter advising and informing Franchisor that the undersigned possesses no legal claim or cause of action against Franchisor and is not aware of any facts of circumstances involving any breach of this Agreement by Franchisor or Franchisor's agents or employees.

Failure by Franchisee, and, as applicable, each Owner and Spouse to timely comply with the foregoing conditions will be deemed an election by Franchisee not to renew the franchise.

15.C RENEWAL FRANCHISE AGREEMENT

Franchisee expressly acknowledges that the Renewal Franchise Agreement and Renewal Ancillary Agreements may contain terms, conditions, requirements, and rights that are materially and substantively different from those granted and contained in this Agreement as determined by Franchisor in Franchisor's sole discretion.

The foregoing events of default set forth in this Article 16.A(iii) will exclude events of default that are otherwise governed by or constitute events of default under Article 16.A(i) or Article 16.A(ii). 16.B TERMINATION BY FRANCHISEE

If Franchisee, Owners, and Spouses are in full compliance with each term and provision of this Agreement, any amendment, successor agreement, and any of the Ancillary Agreements, and Franchisor materially breaches Franchisor's substantive and material obligations set forth in this Agreement, Franchisee may terminate this Agreement in the event of the following:

(i) Franchisor does not correct the material breach within 30 days after Franchisor's receipt of Franchisee's written notice of such material breach to Franchisor; or

(ii) In a case where Franchisor's material breach cannot reasonably be cured within 30 days, within 30 days of Franchisor's receipt of Franchisee's written notice of Franchisor's material breach, Franchisor will be provided a reasonable time period to cure such material breach provided that Franchisor provides reasonable evidence to Franchisee of Franchisor's current, continuing, or planned efforts to correct the material breach within a reasonable time.

In either case, Franchisee's termination of this Agreement will not take effect until expiration of the 30-day period set forth above and or such reasonable time period as necessary to cure the material breach, and Franchisee delivers to Franchisor a separate written notice of termination. The termination date must be at least ten days after Franchisor's receipt of Franchisee's notice of termination. Franchisee's termination of this Agreement for any reason other than as set forth in this and in compliance with this Article 16.B will not constitute the termination of this Agreement and will constitute a material breach of this Agreement by Franchisee.

16.C FRANCHISOR'S ADDITIONAL RIGHTS, REMEDIES, AND DAMAGES

Article 16.A sets forth actions, inactions, omissions, events, or circumstances that, among other things, constitute, in every instance and subject to any applicable cure period, if any, a default of this Agreement permitting Franchisor to, among other things, terminate this Agreement or resulting in the automatic termination of this Agreement. The grounds constituting a default under Article 16.A are in addition to any other grounds for default as may be otherwise set forth in the Franchise Agreement. If an event of default of this Agreement by Franchisee occurs, termination of this Agreement is neither the sole nor exclusive remedy of Franchisor and that Franchisor's right or remedy of termination will be in addition to any other rights set forth in this Agreement and as otherwise available to Franchisor in law or equity.

Without limitation to the foregoing, if the termination of this Agreement as a result of a default or breach by Franchisee or Franchisee's Owners or affiliates of any Ancillary Agreements occurs, Franchisor will possess the following rights and remedies, each of which are not exclusive of the other and may be/are in conjunction with one another:

(i) To void and terminate this Agreement, and thereafter to market, sell, transfer, convey and assign the rights granted to Franchisee under this Agreement to any other person or entity in Franchisor's sole discretion and without compensation to Franchisee;

(ii) To hold Franchisee and Franchisee's Owners liable for, and recover from each of them, jointly and severally, all payments, fees, monetary obligations, financial obligations, interest, and charges due and owing to Franchisor from Franchisee pursuant to this Agreement, the Ancillary Agreements, or any other agreements between Franchisee and Franchisor including, without limitation, Royalty Fees and Advertising Contributions with each and every payment and obligation to be accelerated and due immediately;

(iii) To hold Franchisee and Franchisee's Owners liable for, and recover from each of them, jointly and severally, lost revenues, profits, and fees including, without limitation, Royalty Fees, Brand Development Fund Fee, Advertising Contributions, and all other fees, revenues or expenses that would have been paid to Franchisor, under the terms of this Agreement and throughout the Term of this Agreement, had a breach not occurred and had Franchisor not terminated this Agreement. Franchisee acknowledges that to calculate and determine such damages, it is fair and reasonable to use Franchisee's most recent calendar year Gross Sales and assume that such Gross Sales would have been earned in every year throughout the remainder of the Term had this Agreement not been terminated. If, however, Franchisee's DPF Business has been open and in operation for less than one calendar year, Franchisee acknowledges that it is fair and reasonable to use an average of DPF Business Gross Sales across the System during the year in which this Agreement was terminated for the purpose of calculating and determining Franchisor's lost revenues and fees. The foregoing is a form of liquidated damages;

(iv) To hold Franchisee and Franchisee's Owners liable for all costs, fees, expenses, or damages incurred by Franchisor or suffered by Franchisor as a result of a breach or termination including, without limitation, the recovery of reasonable attorney fees and expenses including court costs, arbitration fees, mediation fees, arbitrator fees, mediator fees, depositions, and other related expenses;

(v) To enjoin, restrain, and otherwise prohibit Franchisee from operating Franchisee's DPF Business or exercising any rights granted to Franchisee under this Agreement pursuant to a court order restraining order, injunction, or other means;

(vi) Declaratory judgment that this Agreement and all rights granted to Franchisee under this Agreement are terminated, null, and void; or

(vii) All other remedies or rights available to Franchisor as otherwise set forth in the Agreement or as may be otherwise available by law or equity.

If a breach or default of this Agreement occurs and Franchisor elects, at Franchisor's sole discretion, to not terminate this Agreement, such action will be without prejudice and without waiver of Franchisor's future rights. Franchisor may (i) temporarily or permanently suspend any existing credit arrangements or accommodations previously extended to Franchisee or refrain from offering or making available to Franchisee any credit arrangements or accommodations that may be offered or made available to other System franchisees, (ii) modify payment terms for approved products, supplies, or other merchandise purchased by Franchisee which may include, without limitation, requiring cash on delivery,

(iii) disqualify Franchisee from being eligible for, or from participating in, special promotion programs, rebates, or rebate sharing that may be offered or made available to other System franchisees, or (iv) refrain from providing or making available to Franchisee promotional materials or other materials developed by the Brand Development Fund or Advertising Cooperative.

If Franchisor does not pursue termination of this Agreement in the event of a default or breach by Franchisee, or Franchisor accepts any royalties, payments, contributions, funds, or other monetary sums from Franchisee, such actions do not constitute a waiver or acceptance of Franchisee's default or breach, and Franchisor reserves the right to pursue any additional remedies set forth in this Agreement, at law, or in equity. Franchisor's such rights and remedies are cumulative, and no exercise or enforcement by Franchisor of any such right or remedy precludes the exercise or enforcement by Franchisor of any other right or remedy which Franchisor is entitled by law to enforce.

16.D GUARANTEE

The payment of all payments and other financial obligations payable by Franchisee to Franchisor pursuant to this Agreement, and Franchisee's observance and performance of all terms and conditions of this Agreement, are guaranteed pursuant to the Guarantee.

16.E NOTICE OF LEGAL PROCEEDINGS AGAINST FRANCHISOR

Franchisee will give Franchisor a 30-Day Cure Notice as required. The 30-Day Cure Notice is a strict condition precedent to Franchisee commencing a legal proceeding against Franchisor for any reason whatsoever. Franchisee will have 30 days from Franchisor's receipt of a 30-Day Cure Notice to cure the alleged default by Franchisor of this Agreement described in the 30-Day Cure Notice.

ARTICLE 17 OBLIGATIONS UPON TERMINATION, EXPIRATION AND CONTINUING OBLIGATIONS

17.A PAYMENT OF AMOUNTS OWED TO FRANCHISOR

Without limitation as to any other article or provision of this Agreement, upon expiration or termination of this Agreement for any reason, Franchisee will immediately pay to Franchisor all sums and fees due from Franchisee to Franchisor under the terms of this Agreement including, without limitation, Royalty Fees, Advertising Contributions, and all other sums and fees due from Franchisee to Franchisor or Franchisor affiliates or suppliers for products and services including, without limitation, the System Supplies.

17.B CEASE OPERATIONS AND PROTECTION OF THE SYSTEM

Upon expiration, termination, or Transfer of this Agreement for any reason, Franchisee will immediately:

- (i) Permanently cease to be a franchise owner of the DPF Business that was the subject of this Agreement and cease to operate such DPF Business under the System;
- (ii) Directly or indirectly, hold itself out to any person or entity, or represent itself, as a present or former DPF Business franchisee;

(iii) Permanently cease to use, in any manner (a) the System including, without limitation, the Confidential Information, the Licensed Marks, the Business Management System Data, and the Operations Manual, (b) any methods, procedures, or techniques associated with the System in which Franchisor possesses proprietary rights or constitute Franchisor's trade secrets, (c) System Supplies, including communicating with or ordering products from Franchisor's designated suppliers and vendors of System Supplies, (d) the Approved Services and Products, and (e) any other advertising, marketing, media, and any other information, documents or things associated with Franchisor, the System, the Licensed Marks, DPF Businesses, Franchisee's DPF Business, and Franchisee's former DPF Business including, without limitation, any confidential, proprietary methods, procedures, descriptions of products, techniques, trade secrets, proprietary marks, distinctive forms, slogans, symbols, signs, stationery, advertising material, articles, logos, devices, items, and all other things, tangible or intangible, associated with Franchisor, the System, the Licensed Marks, and DPF Businesses;

(iv) Return to Franchisor the Operations Manual (including any parts, supplements, and copies of the Operations Manual), the Confidential Information (including, without limitation, the Business Management System Data and all customer lists and information), and all other confidential materials, equipment, software, information, and property owned by Franchisor and all copies thereof provided, however, that Franchisee may retain Franchisee's copies of this Agreement, correspondence between Franchisor and Franchisee, but not including Confidential Information that may be contained in or attached thereto, and other documents that Franchisee needs to retain pursuant to applicable law;

(v) Permanently cease accessing, immediately disconnect from, and discontinue using any digital media, intranets, cloud-based systems, or servers that store, maintain, or provide access to the Operations Manual, Confidential Information, and all other standards, specifications of Franchisor;

(vi) Immediately notify Franchisor, in writing, of any locations where Franchisee may have maintained or stored digital files or media containing all or parts of the Operations Manual, any Confidential Information, and all other standards and specifications of Franchisor, immediately turn over such digital files and media to Franchisor, and follow Franchisor's instructions as to the destruction of such digital files and media;

(vii) Except in the event an authorized transferee continues to operate Franchisee's former DPF Business at Franchisee's Operations Center subsequent to a Transfer, at Franchisee's sole cost and expense (a) modify and alter Franchisee's former DPF Business, Franchisee's former DPF Alternatives Operations Center and Franchisee's Operations Center, as reasonably necessary or otherwise required by Franchisor to ensure that Franchisee's Operations Center has been completely de-identified and differentiated from its former appearance to prevent any confusion by the public as to the continued existence of a DPF Business at Franchisee's Operations Center, (b) remove from Franchisee's Operations Center all distinctive physical and structural features identifying a DPF Business and all distinctive signs, trade dress and emblems associated with the System including, without limitation, signs, trade dress, and emblems bearing the Licensed Marks, and (c) make specific additional changes to Franchisee's Operations Center as Franchisor reasonably requests for the purpose of completely de-identifying Franchisee's former DPF Business. Franchisee will immediately initiate the foregoing actions and complete such actions within the period of time designated by Franchisor, and Franchisor or Franchisor's designated agents may enter the premises of Franchisee's Operations Center at any time to make foregoing alterations at Franchisee's sole risk and expense. Franchisee's failure to timely make modifications and alterations to Franchisee's Operations Center will cause irreparable injury to Franchisor and Franchisee consents to the entry, at Franchisee's expense, of any *ex parte* order by any court of competent jurisdiction authorizing Franchisor or its agents to take action if Franchisor seeks such an order;

(viii) Take all actions necessary or reasonably required to cancel all fictitious or assumed names or equivalent registrations relating to the Licensed Marks;

(ix) At no cost to Franchisor, take such action as may be determined by Franchisor to (a) provide and assign to Franchisor the Business Management System, the Business Management System Data, and all customer lists, customer information, and customer data, (b) transfer, disconnect, or otherwise assign, as directed by Franchisor, all telephone numbers, email addresses, yellow pages telephone directories, telephone directory type listings, Web Based Media listings, accounts and log-in information used in connection with Franchisee's former DPF Business or otherwise associated with the System or the Licensed Marks, (c) cancel Franchisee's interests in same as such cancellation may be directed by Franchisor, and (d) comply with Franchisee's obligations under the Assignment of Telephone Numbers and Digital Media Accounts;

(x) Abide by, and comply with, the restrictive covenants and obligations set forth in this Agreement including, without limitation, the restrictive covenants and obligations set forth in Article 6.B through Article 6.E; and

(xi) Provide Franchisor, within thirty (30) days of the expiration, termination, or Transfer of this Agreement, with written proof demonstrating that Franchisee has complied with the terms of this Article 17 and all other obligations under this Agreement that Franchisee must perform, abide by, and comply with, subsequent to the termination, expiration, or Transfer of this Agreement.

17.C CONTINUING OBLIGATIONS

All obligations under this Agreement that expressly or by their nature survive or are intended to survive the expiration, termination, or Transfer of this Agreement will continue in full force and effect subsequent to and notwithstanding this Agreement's termination, expiration, or Transfer until such obligations are satisfied in full or, by the nature or terms, such obligations expire.

If a Transfer of this Agreement by Franchisee occurs, whether or not such Transfer is authorized by Franchisor or made in violation of this Agreement, under no circumstance will Franchisee be relieved of Franchisee's Obligations under this Agreement and under no circumstance will each Owners and Spouse be relieved of their respective guarantees, agreements, and obligations related to, or associated with, this Agreement including, without limitation, the guarantees, agreements, and obligations set forth in the Guarantee. The immediately foregoing will not be interpreted or otherwise construed as constituting consent to any Transfer of this Agreement without the express written consent by Franchisor and Franchisee's compliance with this Agreement respecting any such Transfer.

ARTICLE 18 ENFORCEMENT AND CONSTRUCTION

18.A SEVERABILITY AND SUBSTITUTION OF VALID PROVISIONS

(i) Except as expressly provided to the contrary in the Agreement, each term and provision of the Agreement will be interpreted or otherwise construed to be independent of each other and severable. Although each term and provision of this Agreement are considered by the parties to be reasonable and intended to be enforceable, if any such term or provision of this Agreement is found by a court of competent jurisdiction, agency, or other government agency to be unenforceable as written or otherwise, then such term and condition will be modified, rewritten, interpreted, or "blue-lined" to include as much of its nature and scope as will render it enforceable. If such term and condition cannot be so modified, rewritten, interpreted, or "blue-lined" in any respect, then it will not be given effect and severed from this Agreement,

and the remainder of this Agreement will be interpreted, construed, and enforced as if such term and condition was not included in this Agreement.

(ii) If any applicable and binding law or rule requires a greater prior notice of the termination of this Agreement than is required in this Agreement, or the taking of some other action not required by this Agreement, or if under any applicable and binding law or rule, any term and condition of this Agreement, or any specification, standard, or operating procedure Franchisor prescribes is invalid or unenforceable, then the greater prior notice or other action required by law or rule will be substituted for the comparable provisions, and Franchisor has the right, in Franchisor's sole discretion, to modify the invalid or unenforceable term and condition, specification, standard, or operating procedure to the extent required to be valid and enforceable. Franchisee will be bound by any such substituted or modified term and condition of this Agreement imposing the maximum duty permitted by law that is prescribed within the terms of any provision of this Agreement as though it were originally and separately articulated in, and made a part of, this Agreement as of the Effective Date or any specification, standard, or operating procedure Franchisor prescribes, which may result from striking from any terms and conditions, specifications, standards, or operating procedures, and any portion or portions thereof, a court may hold to be unenforceable or from reducing the scope of any promise or covenant to the extent required to comply with a court order. Modifications to this Agreement will be effective only in those jurisdictions in which such terms and conditions, specifications, standards, or operating procedures are found to be unenforceable, unless Franchisor elects to give them greater applicability, in which case, this Agreement will be enforced as originally made in all other jurisdictions.

18.B WAIVER OF OBLIGATIONS

No delay, waiver, omission, or forbearance on the part of Franchisor to enforce any term and condition of this Agreement or exercise any of Franchisor's rights, options, or powers under this Agreement constitutes a waiver by Franchisor to enforce any other term and condition of this Agreement or exercise any of Franchisor's other rights, options, or powers under this Agreement. No such delay, waiver, omission, or forbearance will constitute a waiver by Franchisor to subsequently enforce such term and condition of this Agreement or subsequently exercise such right, option, or power. Acceptance by Franchisor of any payments, fees, charges, or other amount from Franchisee payable to Franchisor pursuant to this Agreement will not constitute a waiver or acceptance of Franchisee's default or breach of this Agreement or otherwise a waiver of any term and condition of this Agreement, and Franchisor reserves the right to pursue any additional remedies set forth in this Agreement, at law, or in equity. Franchisor will likewise not be deemed to have waived or impaired any term and condition, right, option, or power set forth in this Agreement by virtue of any custom or practice of the parties at variance with the terms and conditions of this Agreement or Franchisor's insistence upon Franchisee's strict compliance with Franchisee's obligations, including any mandatory specification, standard, or operating procedure. No waiver by Franchisor of any term and condition of this Agreement will be valid unless in writing and signed by Franchisor.

18.C FORCE MAJEURE

The time period for performance of an obligation subject to *Force Majeure* will be extended by a period of time equal to the period of delay. Notwithstanding the immediately foregoing sentence, any delay resulting from *Force Majeure* will not excuse Franchisee's payment of any fee, charge, amount, or any other monetary or financial obligation to Franchisor under this Agreement including, without limitation, the payment of the Royalty Fee and Advertising Contributions, and the non-performance of any obligation under this Agreement due to *Force Majeure* will not be extended or otherwise excused for more than six months.

18.D SPECIFIC PERFORMANCE AND INJUNCTIVE RELIEF

Nothing in this Agreement will prohibit Franchisor from obtaining specific performance of the provisions of this Agreement or injunctive relief against threatened conduct that will cause damages or loss to Franchisor, the Licensed Marks, or the System. Without limitation to the rights set forth in Article 6, Franchisor may obtain such injunctive relief. Franchisor will not be required to post a bond (other than as set forth in Article 6.H) to obtain injunctive relief and that Franchisee's only remedy if an injunction is entered against Franchisee will be the dissolution of that injunction, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). The remedies available to Franchisor under Article 6.H are not exclusive of one another and may be combined with others under this Agreement, or at law or in equity, including injunctive relief, specific performance, and recovery of monetary damages. Without limitation to the foregoing, if a breach of this Agreement by Franchisee respecting or concerning the System or the Licensed Marks occurs, it will cause irreparable harm to Franchisor, the System, and the Licensed Marks. The foregoing will not be interpreted to invalidate the mediation and arbitration requirements set forth in Article 18.G.

18.E RIGHTS OF PARTIES ARE CUMULATIVE

The rights under the Agreement are cumulative and no exercise or enforcement by a party of any right or remedy precludes the exercise or enforcement by that party of any other right or remedy which Franchisor or Franchisee is entitled by law to enforce.

18.F GOVERNING LAW

EXCEPT TO THE EXTENT GOVERNED BY THE UNITED STATES TRADEMARK ACT OF 1946 (LANHAM ACT, 15 U.S.C. §§ 1051 *ET SEQ.*) OR OTHER FEDERAL LAW, THIS AGREEMENT AND THE RELATIONSHIP BETWEEN THE PARTIES HERETO WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF COLORADO, EXCEPT THAT ITS CHOICE OF LAW AND CONFLICTS OF LAWS RULES WILL NOT APPLY AND ANY FRANCHISE REGISTRATION, DISCLOSURE, RELATIONSHIP OR SIMILAR STATUTE WHICH MAY BE ADOPTED BY COLORADO WILL NOT APPLY UNLESS ITS JURISDICTIONAL REQUIREMENTS ARE MET INDEPENDENTLY WITHOUT REFERENCE TO THIS PARAGRAPH.

18.G CHOICE OF LAW, NON-BINDING MEDIATION, BINDING ARBITRATION, AND CONSENT TO JURISDICTION

(i) Non-Binding Mediation. Before either party may bring any action, dispute or controversy arising from or related to this Agreement or the franchise relationship between Franchisor and Franchisee in arbitration, the parties must first mediate the dispute through non-binding mediation. Mediation will be non-binding and conducted by the AAA in accordance with the AAA's then-current rules for the mediation of commercial disputes. All mediation proceedings will be conducted in Denver County, Colorado or, if a mediator is not available in Denver County, Colorado, then at a suitable location selected by the mediator that is located closest to Denver County, Colorado. Mediation will be conducted by one mediator. If Franchisor and Franchisee cannot agree on a mediator, then the mediator will be selected by the AAA. Mediation will be conducted within 45 days of the AAA's designation or acknowledgment of the selected mediator or such longer period as may be agreed to between Franchisor and Franchisee in writing. Franchisor and Franchisee will each be responsible for their own costs associated with mediation plus 50% of the mediator's fee and the AAA's mediation fees.

Notwithstanding the preceding paragraph, at Franchisor's election, this Article 18.G(i) and the prerequisite requirement of non-binding mediation will not apply to (i) any claims or disputes related to or concerning a breach of this Agreement by Franchisee that under the terms of this Agreement may entitle Franchisor to the award of injunctive relief including, without limitation, Franchisee's violation or purported violation of Article 6, or (ii) claims by either Franchisor or Franchisee under this Agreement that relate to either Franchisor's or Franchisee's failure to pay fees or other monetary obligations due under this Agreement.

(ii) Arbitration. Subject to the prerequisite requirements of non-binding mediation as set forth in Article 18.G(i), and except at Franchisor's election, as to any claims or disputes related to or concerning a breach of this Agreement by Franchisee that under the terms of this Agreement may entitle Franchisor to the award of injunctive relief including, without limitation, Franchisee's violation or purported violation of Article 6, Franchisor and Franchisee agree that all disputes, controversies, and claims, arising from or related to this Agreement, the relationship between Franchisor and Franchisee, the System, or the validity of this Agreement or the Ancillary Agreements will be submitted, on demand of either Franchisor or Franchisee, to the AAA for binding arbitration. Arbitration will be conducted by one arbitrator in accordance with the AAA's then-current rules for commercial disputes, except as may be otherwise required in this Article 18.G. All arbitration proceedings will be conducted in Denver County, Colorado, or if suitable AAA facilities are not available in Denver County, Colorado, then at a suitable AAA location selected by the arbitrator that is located closest to Denver County, Colorado.

In connection with binding arbitration, Franchisor and Franchisee further agree that:

(a) All matters relating to arbitration, will be governed by the United States Federal Arbitration Act, except as expressly or otherwise set forth in this Agreement;

(b) The arbitration hearing will be conducted within 180 days of the demand for arbitration;

Nothing contained in the Agreement will modify, reduce, or mitigate Developer's obligations to Franchisor. The only fee contained in any Franchise Agreement that is modified by the Agreement is the initial franchise fee paid by Developer

to Franchisor at the time of signing the Franchise Agreement. Such initial franchise fee is set forth in Article 4.2 and Schedule 1.

5.3 MODIFICATIONS TO FRANCHISE AGREEMENT

What constitutes Franchisor's then-current form of Franchise Agreement will be determined by Franchisor in Franchisor's discretion. The then-current form of Franchise Agreement may be modified from time to time by Franchisor and such modifications will not alter Developer's obligations pursuant to the Agreement.

5.4 COMPLIANCE WITH FRANCHISE AGREEMENTS

Developer will operate the Development DPF Businesses in strict compliance with the terms and conditions of each respective Franchise Agreement.

5.5 SITE SELECTION

Developer will be solely responsible for selecting the sites for the Development DPF Businesses' DPF Business Locations. In accordance with the terms and conditions of each respective Franchise Agreement, Developer must obtain Franchisor's prior written approval for each potential DPF Business Location selected by Developer. Developer will retain an experienced commercial real estate broker or salesperson who has sufficient experience with locating DPF Business Location sites to locate, acquire, purchase, or lease sites for the Development DPF Businesses' DPF Business Locations. No provision of the Agreement will be construed or interpreted to impose any obligation upon Franchisor to locate sites for the Development DPF Businesses' DPF Business Locations, to assist Developer in the selection of sites for the Development DPF Businesses' DPF Business Locations, or to provide any other assistance to Developer with the purchase or lease of sites for the Development DPF Businesses' DPF Business Locations.

5.6 SITE SELECTION CRITERIA

Developer will not lease, purchase, or otherwise acquire a DPF Business Location for a Development DPF Business until such information as Franchisor may require regarding the proposed site has been provided to Franchisor by Developer and the proposed site has been approved by Franchisor. Information requested by Franchisor may include, without limitation, information regarding accessibility, visibility, potential traffic flows, lease terms, and other relevant information. Developer will not enter into any lease or purchase agreement for any proposed DPF Business Location until Franchisor has approved the site.

ARTICLE 6 TRANSFER OF INTEREST

6.1 BY FRANCHISOR

Franchisor has the sole and absolute right to transfer or assign Franchisor's rights and obligations under this Agreement, in whole or in part (for any purpose and in any form of transaction as may be designated or elected by Franchisor, in Franchisor's sole discretion) to any person, entity, Corporate Entity, or third party without Developer's approval or consent.

6.2 BY DEVELOPER

Developer will neither Transfer nor assign the Agreement without the express written consent of Franchisor which consent Franchisor may withhold in Franchisor's discretion. If Developer is a Corporate Entity, the Owners will not Transfer their ownership or equity interests in Developer without the express written consent of Franchisor which consent Franchisor may withhold in Franchisor's discretion. Any Transfer or assignment in violation of the foregoing will constitute a material default of the Agreement and result in the immediate and automatic termination of the Agreement.

ARTICLE 7 ENFORCEMENT AND CONSTRUCTION

7.1 SEVERABILITY AND SUBSTITUTION OF VALID PROVISIONS

(1) Except as expressly provided to the contrary in the Agreement, each term and provision of the Agreement will be interpreted or otherwise construed to be independent of each other and severable. Although each term and provision of the Agreement are considered by the parties to be reasonable and intended to be enforceable, if any such term or provision of the Agreement is found by a court of competent jurisdiction, agency, or other government agency to be unenforceable as written or otherwise, then such term and condition will be modified, rewritten, interpreted, or "blue-lined" to include as much of its nature and scope as will render it enforceable. If such term and condition cannot be so modified, rewritten, interpreted, or "blue-lined" in any respect, then it will not be given effect and severed from the Agreement, and the remainder of the Agreement will be interpreted, construed, and enforced as if such term and condition was not included in the Agreement.

(2) If any applicable and binding law or rule requires a greater prior notice of the termination of the Agreement than is required in the Agreement, or the taking of some other action not required by the Agreement, or if under any applicable and binding law or rule, any term and condition of the Agreement, or any specification, standard, or operating procedure Franchisor prescribes is invalid or unenforceable, then the greater prior notice or other action required by law or rule will be substituted for the comparable provisions, and Franchisor has the right, in Franchisor's sole discretion, to modify the invalid or unenforceable term and condition, specification, standard, or operating procedure to the extent required to be valid and enforceable. Developer will bound by any such substituted or modified term and condition of the Agreement imposing the maximum duty permitted by law that is prescribed within the terms of any provision of the Agreement as though it were originally and separately articulated in, and made a part of, the Agreement as of the Effective Date or any specification, standard, or operating procedure Franchisor prescribes, which may result from striking from any terms and conditions, specifications, standards, or operating procedures, and any portion or portions thereof, a court may hold to be unenforceable or from reducing the scope of any promise or covenant to the extent required to comply with a court order. Modifications to the Agreement will be effective only in those jurisdictions in which such terms and conditions, specifications, standards, or operating procedures are found to be unenforceable, unless Franchisor elects to give them greater applicability, in which case, the Agreement will be enforced as originally made in all other jurisdictions.

7.2 WAIVER OF OBLIGATIONS

No delay, waiver, omission, or forbearance on the part of Franchisor to enforce any term and condition of this Agreement or exercise any of Franchisor's rights, options, or powers under this Agreement constitutes a waiver by Franchisor to enforce any other term and condition of this Agreement or exercise

any of Franchisor's other rights, options, or powers under this Agreement. No such delay, waiver, omission, or forbearance will constitute a waiver by Franchisor to subsequently enforce such term and condition of this Agreement or subsequently exercise such right, option, or power. Acceptance by Franchisor of any payments, fees, charges, or other amount from Developer payable to Franchisor pursuant to this Agreement will not constitute a waiver or acceptance of Developer's default or breach of this Agreement or otherwise a waiver of any term and condition of this Agreement, and Franchisor reserves the right to pursue any additional remedies set forth in this Agreement, at law, or in equity. Franchisor will likewise not be deemed to have waived or impaired any term and condition, right, option, or power set forth in this Agreement by virtue of any custom or practice of the parties at variance with the terms and conditions of this Agreement or Franchisor's insistence upon Developer's strict compliance with Developer's obligations, including any mandatory specification, standard or operating procedure. No waiver by Franchisor of any term and condition of this Agreement will be valid unless in writing and signed by Franchisor.

7.3 SPECIFIC PERFORMANCE AND INJUNCTIVE RELIEF

Nothing in the Agreement will prohibit Franchisor from obtaining specific performance of the provisions of the Agreement or injunctive relief against threatened conduct that will cause damages or loss to Franchisor, the Licensed Marks, or the System.

7.4 RIGHTS OF PARTIES ARE CUMULATIVE

The rights under the Agreement are cumulative and no exercise or enforcement by a party of any right or remedy precludes the exercise or enforcement by that party of any other right or remedy which Franchisor or Developer is entitled by law to enforce.

7.5 GOVERNING LAW

EXCEPT TO THE EXTENT GOVERNED BY THE UNITED STATES TRADEMARK ACT OF 1946 (LANHAM ACT, 15 U.S.C. §§ 1051 *ET SEQ.*) OR OTHER FEDERAL LAW, THIS AGREEMENT AND THE RELATIONSHIP BETWEEN THE PARTIES HERETO WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF COLORADO, EXCEPT THAT ITS CHOICE OF LAW AND CONFLICTS OF LAWS RULES WILL NOT APPLY AND ANY FRANCHISE REGISTRATION, DISCLOSURE, RELATIONSHIP OR SIMILAR STATUTE WHICH MAY BE ADOPTED BY COLORADO WILL NOT APPLY UNLESS ITS JURISDICTIONAL REQUIREMENTS ARE MET INDEPENDENTLY WITHOUT REFERENCE TO THIS PARAGRAPH.

7.6 CHOICE OF LAW, NON-BINDING MEDIATION, BINDING ARBITRATION, AND CONSENT TO JURISDICTION

(1) Non-Binding Mediation. Developer and Franchisor agree that before either party may bring any action, dispute, or controversy arising from or related to this Agreement or the franchise relationship between Franchisor and Developer in arbitration, the parties must first mediate the dispute through non-binding mediation. Mediation will be non-binding and will be conducted by the AAA in accordance with the AAA's then-current rules for the mediation of commercial disputes. All mediation proceedings will be conducted in Denver County, Colorado or, if a mediator is not available in Denver County, Colorado then at a suitable location selected by the mediator that is located closest to Denver County, Colorado. Mediation will be conducted by one mediator and if Franchisor and Developer cannot agree on a mediator then the mediator will be selected by the AAA. Mediation will be conducted within 45 days of the AAA's designation or acknowledgment of the selected mediator or such longer period as may be agreed to between Franchisor and Developer in writing and signed by each respective party.

Franchisor and Developer will each be responsible for their own costs associated with mediation and Franchisor and Developer will each be responsible for and will each pay 50% of the mediator's fee and the AAA's mediation fees.

Notwithstanding the preceding paragraph, Franchisor and Developer agree this Article 7.6(1) and, thereby, the prerequisite requirement of non-binding mediation, will not, at Franchisor's election, apply to (i) any claims or disputes related to or concerning a breach of this Agreement by Developer that under the terms of this Agreement may entitle Franchisor to the award of injunctive relief, or (ii) claims by either Franchisor or Developer under this Agreement that relate to either Franchisor's or Developer's failure to pay fees or other monetary obligations due under this Agreement.

(2) Arbitration. Subject to the prerequisite requirements of non-binding mediation as set forth in Article 7.6(1), and except, at Franchisor's election, as to any claims or disputes related to or concerning a breach of this Agreement by Developer that under the terms of this Agreement may entitle Franchisor to the award of injunctive relief, Franchisor and Developer agree that all disputes, controversies, and claims, arising from or related to this Agreement, the relationship between Franchisor and Developer, the System, or the validity of this Agreement will be submitted, on demand of either Franchisor or Developer, to the AAA for binding arbitration. Arbitration will be conducted by one arbitrator in accordance with the AAA's then-current rules for commercial disputes, except as may be otherwise required in this Article 7.6. All arbitration proceedings will be conducted in Denver County, Colorado, or if suitable AAA facilities are not available in Denver County, Colorado, then at a suitable AAA location selected by the arbitrator that is located closest to Denver County, Colorado.

In connection with binding arbitration, Franchisor and Developer further agree that:

(i) All matters relating to arbitration, will be governed by the United States Federal Arbitration Act, except as expressly or otherwise set forth in this Agreement;

(ii) The arbitration hearing will be conducted within 180 days of the demand for arbitration;

(iii) The arbitrator will render written findings of fact and conclusions of law;

(iv) Except as may be otherwise required or prohibited by this Agreement including, without limitation, Article 7.8, Article 7.9, Article 7.13, Article 7.14, Article 7.17, and Article 7.23, the arbitrator may award or include in the arbitrator's award any relief that the arbitrator determines to be proper including monetary damages, interest on unpaid sums, specific performance, injunctive relief, attorneys' fees, and costs and expenses as allowable under this Agreement. Notwithstanding the foregoing, under no circumstance will the arbitrator be authorized to award or declare the Licensed Marks to be generic or invalid;

(v) They will each be bound to the limitations periods set forth in Article 7.8 and that in any arbitration proceeding, Franchisor and Developer must each timely submit, within the same arbitration proceeding, any claim that would constitute a compulsory counterclaim as such claims are defined and set forth under Rule 13 of the United States Federal Rules of Civil Procedure. Any claim that is not submitted or filed as required will be forever barred;

(vii) Judgment upon the arbitrator's award may be entered in any court of competent jurisdiction; and

(viii) Arbitration or any arbitration award must be conducted in accordance with the terms of this Agreement including, without limitation, the requirements set forth in this Article 7.

(3) Consent to Jurisdiction and Venue. STATE-SPECIFIC ADDENDA TO THE FRANCHISE DISCLOSURE DOCUMENT**

CALIFORNIA

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT.

2. SECTION 31125 OF THE CALIFORNIA CORPORATIONS CODE REQUIRES US TO GIVE YOU A FRANCHISE DISCLOSURE DOCUMENT, IN A FORM CONTAINING THE INFORMATION THAT THE COMMISSIONER MAY BY RULE OR ORDER REQUIRE, BEFORE A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

3. OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THE WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT WWW.DFPI.CA.GOV.

4. THE FRANCHISE AGREEMENT CONTAINS PROVISIONS THAT LIMIT FRANCHISEE'S RIGHTS AND MAY NOT BE ENFORCEABLE IN CALIFORNIA INCLUDING WITHOUT LIMITATION, A TIME LIMIT TO RAISE CLAIMS AGAINST THE FRANCHISOR, LIMITATION OF DAMAGES AND WAIVER OF JURY TRIAL.

5. Item 3 of the Franchise Disclosure Document is amended to provide that neither the franchisor, nor any person in Item 2 of the Franchise Disclosure Document, is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a *et seq.*, suspending or expelling such persons from membership in that association or exchange.

6. Item 6 of the Franchise Disclosure Document is amended to provide that the highest interest rate allowed in California is 10% per annum.

7. The following paragraphs are added at the end of Item 17 of the Franchise Disclosure Document:

Any condition, stipulation or provision in the Agreement that would result in your waiver of compliance with any provision of the California Franchise Relations Act (Business and Professions Code Sections 20000 through 20043) (the "Act") is void to the extent that such provision violates the Act. If the Franchise Agreement contains a provision that is inconsistent with the Act, the Act will control.

The Franchise Agreement provides for termination upon insolvency. This provision might not be enforceable under federal bankruptcy law (11 U.S.C.A. Secs. 101 *et seq.*).

You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Act.

The Franchise Agreement contains a covenant not to compete that extends beyond the termination of the franchise. This provision might not be enforceable under California law.

The Franchise Agreement requires binding arbitration. The arbitration will be conducted in Colorado where our headquarters are located, with the costs being borne as provided in the Franchise Agreement. You are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside of California.

The Franchise Agreement requires application of the laws of Colorado. These provisions might not be enforceable under California law.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship will have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

NORTH DAKOTA

1. Item 5 is supplemented by the addition of the following:

Refund and cancellation provisions will be inapplicable to franchises operating under North Dakota Law, North Dakota Century Code Annotated Chapter 51-19, Sections 51-19-01 through 51-19-17. If franchisor elects to cancel the Franchise Agreement, franchisor will be entitled to a reasonable fee for its evaluation of you and related preparatory work performed and expenses actually incurred.

2. Item 6 is supplemented by the addition of the following:

No consent to termination or liquidated damages will be required from franchisees in North Dakota.

3. Item 17 is supplemented by the addition of the following:

Any provision requiring a franchisee to sign a general release upon renewal of the Franchise Agreement has been determined to be unfair, unjust, and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

Any provision requiring a franchisee to consent to termination or liquidation damages has been determined to be unfair, unjust, and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

Covenants restricting competition contrary to Section 9-08-06 of the North Dakota Century Code, without further disclosing that such covenants may be subject to this statute, are unfair, unjust and inequitable. Covenants not to compete such as those mentioned above are generally considered unenforceable in North Dakota.

Any provision in the Franchise Agreement requiring a franchisee to agree to the arbitration or mediation of disputes at a location that is remote from the site of the franchisee's business has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. The site of arbitration or mediation must be agreeable to all parties and may not be remote from the franchisee's place of business.

Any provision in the Franchise Agreement which designates jurisdiction or venue or requires the franchisee to agree to jurisdiction or venue in a forum outside of North Dakota is void with respect to any cause of action which is otherwise enforceable in North Dakota.

Apart from civil liability as set forth in Section 51-19-12 of the N.D.C.C., which is limited to violations of the North Dakota Franchise Investment Law (registration and fraud), the liability of the franchisor to a franchisee is based largely on contract law. Despite the fact that those provisions are not contained in the franchise investment law, those provisions contain substantive rights intended to be afforded to North Dakota residents and it is unfair to franchise investors to require them to waive their rights under North Dakota Law.

Any provision in the Franchise Agreement requiring that the Franchise Agreement be construed according to the laws of a state other than North Dakota are unfair, unjust, or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

Any provision in the Franchise Agreement which requires a franchisee to waive his or her right to a jury trial has been determined to be unfair, unjust, and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship will have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

RHODE ISLAND

Item 17, “Renewal, Termination, Transfer and Dispute Resolution,” is supplemented by the addition of the following:

The Rhode Island Franchise Investment Act, R.I. Gen. Law Ch. 395 Sec. 19-28.1-14 provides that a provision in a Franchise Agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under the Rhode Island Franchise Investment Act.

Any general release as a condition of renewal, termination, or transfer will be void with respect to claims under the Rhode Island Franchise Investment Act.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship will have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON

The following paragraph is added to the end of Item 17 of the Franchise Disclosure Document:

If any of the provisions in this Franchise Disclosure Document or Franchise Agreement are inconsistent with the relationship provisions of Revised Code of Washington Section 19.100.180 or any other requirements of the Washington Franchise Investment Protection Act (the “Act”), then (if the Act applies by its terms) the provisions of the Act will prevail over the inconsistent terms of the Franchise Disclosure Document or Franchise Agreement.

1. **BACKGROUND.** Franchisor and Franchisee are parties to that certain DPF Alternatives, LLC Franchise Agreement dated _____, 20__, that has been signed concurrently with the signing of this Rider (the “Franchise Agreement”). This Rider is annexed to and forms part of the Franchise Agreement. This Rider is being signed because (a) the offer or sale of the franchise for the business that Franchisee will operate under the Franchise Agreement was made in Washington, (b) Franchisee is a resident of Washington, or (c) the business will be located or operated in Washington.

2. **WASHINGTON FRANCHISE INVESTMENT PROTECTION ACT.** The following is added to the Franchise Agreement:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the Franchise Agreement in Franchisee’s relationship with Franchisor including the areas of termination and renewal of Franchisee’s franchise. There may also be court decisions which may supersede the Franchise Agreement in Franchisee’s relationship with Franchisor including the areas of termination and renewal of Franchisee’s franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Franchise Agreement, Franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by Franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect Franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of Franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Franchise Agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits Franchisor from restricting, restraining, or prohibiting Franchisee from (i) soliciting or hiring any employee of a franchisee of Franchisor, or (ii) soliciting or hiring any employee of Franchisor. As a result, any such provisions contained in the Franchise Agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this Rider.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Management of DPF Alternatives

Opinion

We have audited the accompanying financial statements of DPF Alternatives a Colorado corporation, which comprise the balance sheet as of December 31, 2022, and the related statements of income, retained earnings, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of DPF Allternatives as of December 31, 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DPF Allternatives and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DPF Allternatives's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DPF Allternatives's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DPF Allternatives 's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of DPF Alternatives. (the Company) is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management who is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles (GAAP) and have been consistently applied in the preparation of the financial statements.

Nature of Business

DPF Alternatives, LLC, referred to herein as the "Company" is engaged in the business of franchising DPF Alternatives franchises across the United States. DPF Alternatives provides ultrasonic cleaning of any diesel-emissions- related filters, including diesel filters, diesel oxidation catalyst filters, selective catalyst reduction systems, decomposition tubes, and similar components of diesel engines that require periodic maintenance in order to meet federal clean-air rules, other standards or must be cleaned in order to properly operate the diesel engine.

The Company is primarily a franchisor. Franchising enables an individual to be his or her own employer and maintain control over all employment related matters, marketing and pricing decisions, while also benefiting from the technology used by DPF Alternatives.

The Company franchises the operation of a diesel filter cleaning service using ultrasonic equipment. The optimal ownership structure for an individual franchise is based on a variety of factors, including the availability of individuals with the entrepreneurial experience and financial resources, as well as the local demand for these services. The business relationship between the Company and its independent franchisees is supported by adhering to standards and policies and is of fundamental importance to overall performance and to protecting the Company's brand.

Cash and Cash Equivalents

The Company's cash and cash equivalents are considered to be cash on hand and bank demand or time deposits with original maturities of three months or less. For the purposes of the Statement of Cash Flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Recently Issued Accounting Standards and Adopted

In February 2016, the FASB issued the new leasing standard (ASU 2016-02- Leases (Topic 842)). The ASU affects all companies that lease assets such as real estate and equipment. Under the new guidance, lessees will recognize the right-of-use asset and corresponding liability on the balance sheet for all leases with terms of more than 12 months. The effective date of the new standard for nonpublic companies is for fiscal years beginning after December 15, 2021 . The Company implemented the leasing standard for the year ended December 31, 2021, and information on the impact of the leasing standard is included in Note G. Other accounting pronouncements recently issued by the FASB did not or are not believed by management to have a material impact on the Company's present or future financial statements.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Management periodically evaluates estimates used in the preparation of the financial statements for continued reasonableness. Appropriate adjustments, if any, to the estimates used are made prospectively based upon such periodic evaluation.

It is reasonably possible that changes may occur in the near term that would affect management's estimates with respect to the cost to cost method, allowance for doubtful accounts and accrued expenses. Revisions in estimated contract profits are made in the year in which circumstances requiring the revision become known.

Date of Management's Review

Subsequent events have been evaluated through April 23, 2023, which is the date the financial statements were available to be issued. Management is of the opinion there are no subsequent events to disclose.
