What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit N.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. Out-of-State Dispute Resolution. The franchise agreement requires you to resolve disputes with us by arbitration only in California. Out-of-state arbitration may force you to accept a less favorable settlement for disputes. It may also cost you more to arbitrate with us in California than in your own state.
2. Governing Law. The franchise agreement states that California law governs the agreement, and this law may not provide the same protections and benefits as local law. You may want to compare these laws.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

ITEM 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The franchisor is IHOP Franchisor LLC, a Delaware limited liability company, formed on July 28, 2014. In this Disclosure Document, the words “IHOP,” “we,” “our” and “us” refer to IHOP Franchisor LLC, and when appropriate, our affiliates. “You” means the person or entity who buys the franchise.

We conduct business under the names “IHOP” and “International House of Pancakes.” We test, develop, franchise and may operate other new fast casual and quick serve concepts, as well as concepts, restaurants, and prototypes located in urban and other markets, which may operate under the name “IHOP Express”, “flip’d by IHOP” or other names which may include “IHOP.” IHOP has no businesses other than as described in this Disclosure Document. Our registered agents for service of process are listed by state in Exhibit O of this Disclosure Document.

On or about September 30, 2014 (the “Closing Date”), our parent, Dine Brands Global, Inc. (“Dine Brands”) (formerly known as DineEquity, Inc.), and various of its existing direct and indirect subsidiaries closed a securitization transaction involving both the IHOP and Applebee’s brands (the “Securitization”), as part of which various existing subsidiaries contributed their assets, including intellectual property, real and personal property and equipment and related leases and subleases, notes and indebtedness of franchisees, and the business and related agreements concerning manufacturing, sourcing and sales of goods and services, to newly-formed subsidiaries of Dine Brands, including us.

On the Closing Date, International House of Pancakes, LLC (“IHOP LLC”) ceased offering and selling new domestic franchises and contributed all then-existing U.S. IHOP franchise agreements and related franchisee notes and guarantee agreements, among other assets, to newly-formed IHOP Restaurants LLC. IHOP LLC also contributed all then-existing U.S. area development agreements to us, and we became responsible for all new domestic franchise sales commencing October 1, 2014. Prior to January 4, 2016, IHOP LLC offered and sold IHOP franchises internationally. On January 4, 2016, Dine Brands conducted a reorganization of its international operations such that substantially all the international assets of IHOP LLC were transferred to Dine Brands International, Inc. (formerly known as DineEquity International, Inc.). The transfer included development and franchise agreements for territories outside of the United States (including Mexico). Dine Brands International, Inc. serves as the franchisor for all international IHOP franchisees and franchisees with restaurants in the U.S. territories.

Our parent companies, all organized under Delaware law, are: IHOP Funding LLC; IHOP SPV Guarantor LLC; IHOP LLC and Dine Brands.

We have two affiliates that offer franchises in the United States in any line of business. The first is Applebee’s Franchisor LLC (“Applebee’s”), whose principal business address is 10 West Walnut Street, Pasadena, California 91103. Dine Brands acquired the Applebee’s chain in November 2007. The second is Fuzzy’s Taco Opportunities, LLC (“FTO”), whose principal place of business is 4200 Regent Boulevard, Suite C-210, Irving, Texas 75063. Dine Brands acquired FTO and certain of its parent and affiliate entities in December 2022, and FTO became our affiliate. Applebee’s and FTO, and their respective franchised systems, are described further below.

Our affiliates that provide products or services to our franchisees, all organized under Delaware law are: Dine Brands, whose activities as manager include administering collections, franchising, marketing, real property, intellectual property, and providing certain pre-opening and post-opening services to franchised restaurants; IHOP Property LLC (“IHOP Property”) which subleases certain real property to franchisees; IHOP Leasing LLC (“IHOP Leasing”) which leases and subleases some franchised locations to franchisees, and IHOP TPGC LLC which administers our gift card program (each, excluding Applebee’s and FTO, is referred to as an “IHOP Affiliate”).

Our principal business address and that of our parent companies, and the IHOP Affiliates, is 10 West Walnut Street, Pasadena, California 91103.

We have offered franchises for restaurants operating under the “IHOP” and “International House of Pancakes” names (each a “Restaurant” or “IHOP Restaurant”) since October 1, 2014, but we generally do not directly operate Restaurants. We have no predecessor, however, several of our then-affiliated entities previously offered franchises under the “IHOP” and “International House of Pancakes” brand names since the chain began in 1958, namely:

International House of Pancakes, Inc. from 1960 until February 2007;

IHOP Franchising, LLC from March 2007 to February 2009;

IHOP Franchise Company, LLC from April 2009 through December 2011, when it assigned its then-existing U.S. franchise agreements to, and then merged with, IHOP LLC; and

IHOP LLC from December 2011 through September 2014 (this is the same entity that franchised from 1960 until February 2007, but in December 2008 converted to a limited liability company).

These Restaurants feature “IHOP” pancakes as well as a diverse menu of other breakfast, lunch and dinner items. As of January 1, 2023, there were a total of 1,683 franchised IHOP Restaurants in the U.S. and U.S. Territories. All Restaurants opened in Florida and several Restaurants opened in Georgia are operated by IHOP’s only subfranchisor, Sunshine Restaurant Partners, LP, a Delaware limited partnership.

Our affiliate, Applebee’s, has offered franchises for restaurants under the trade names “Applebee’s Neighborhood Grill & Bar,” “Applebee’s” and “Applebee’s Grill & Bar” (the “Applebee’s Marks”) since October 1, 2014, and does not offer franchises in other lines of business. Other affiliated entities have offered franchises under the Applebee’s Marks in the U.S. and internationally:

Applebee’s International, Inc. (“Applebee’s International”) from March 1988 to November 2007;

Applebee’s Franchising, LLC from November 2007 to December 2011 when it assigned its then-existing franchise agreements to, and then merged with, Applebee’s International;

Applebee’s International from January 2012 through September 2014 (in the U.S.); and from January 2012 to January 3, 2016 (internationally); and

Dine Brands International, Inc. from January 4, 2016 to the present (internationally and in the U.S. territories).

As of January 1, 2023, there were a total of 1,575 Applebee’s brand franchised restaurants in the U.S. and U.S. Territories.

Our affiliate, FTO, has offered franchises for “Fuzzy’s Taco Shop” restaurants in the U.S. since May 2008, and does not offer franchises in other lines of business. Fuzzy’s Taco Shops are Baja-style Mexican food fast-casual restaurants offered under the name “Fuzzy’s Taco Shop” that feature items like huevos rancheros and breakfast tacos, Baja-inspired tacos and burritos, traditional Mexican dinners, sandwiches, sides, and signature sauces. As of January 1, 2023, there were a total of 134 Fuzzy’s Taco Shop brand franchised restaurants in the U.S., and 3 company-owned Fuzzy’s Taco Shop brand restaurants that were operated by FTO or other affiliates.

Except as described in this Item 1, neither Dine Brands nor any of the IHOP Affiliates have operated IHOP Restaurants or offered franchises in other lines of business.

Franchise Programs. You, as a franchisee of IHOP, will conduct a family style three meal occasion Restaurant under the name “IHOP” and/or “International House of Pancakes.” The family dining segment of the foodservice market is highly developed and competitive. The types of potential competitors include family style restaurants, pancake houses, coffee shops, buffets serving breakfast, and diners. The items and products sold at IHOP Restaurants will be sold to any customer whom you may serve, and sales are not seasonal, although weather conditions in the geographic location of the Restaurant may have an impact on sales.

In this Disclosure Document, we offer franchises for traditional IHOP Restaurants, which feature a range of “signature” “IHOP” pancakes, crepes, coffee and other offerings, as well as a diverse menu of other breakfast, lunch and dinner items. These Restaurants are in free-standing buildings or an in-line center or other traditional commercial space (a “Traditional Venue”). If you become an IHOP franchisee you will serve the general public and will compete with other businesses offering similar products and services, including full-service, fast-casual, and fast-food restaurants. We use and file a separate franchise disclosure document, to offer franchises for “IHOP” full-service Restaurants and new IHOP concepts being developed under the name “IHOP Express” for fast-casual and/or quick-serve Restaurants to be located at another primary business or in conjunction with other businesses or at institutional settings such as schools, colleges and universities, military and other governmental facilities, hospitals, airports, highway rest stops, toll roads, hotels, motels, arenas, travel plazas, office or in-plant food facilities, supermarkets, grocery stores or convenience stores, casinos, stadiums, shopping malls and any other site, venue or location, some of which may be operated by a master concessionaire or contract food service provider (a “Non-Traditional Venue”). Additionally, within the category of “Other IHOP Concepts,” discussed below, IHOP franchises and may operate a business under a different trademark. Specifically, IHOP is developing, testing, refining and franchising a system for operating restaurants that fits within the definition of “Other IHOP Concepts” under the name “flip’d by IHOP” or another name selected by IHOP and may operate such restaurants. At this time, such offering is currently made only pursuant to exemptions from the registration and disclosure provisions of the franchise laws. The terms of such offerings may differ materially from the terms of this Disclosure Document. We offer several different franchise programs in this Disclosure Document, although we may not necessarily allow you the opportunity to purchase a franchise under any of these programs:

(1) Under the Single Store Development Program, you would develop and/or operate the Restaurant at an approved site (the “Franchised Location”) in a Traditional Venue. *See* Items 5, 7, and 11 for further information. If you are participating in the Single Store Development Program, you may sign a Single Store Development Agreement in the form attached as Exhibit K or a Franchise Agreement in the form attached as Exhibit B for either a specific site or a trade area, and you will also sign a General Release in the form attached as Exhibit R. If you sign a Single Store Development Agreement for a trade area, we would reserve for you a defined trade area in which you will be given the opportunity, which may or may not be exclusive, for approximately 180 days to identify a location to be approved by IHOP for construction of a Restaurant. The approved location of the Restaurant may not be located within a Non-Traditional Venue.

(2) Under the Multi-Store Development Program, we assign a territory within which you must develop and operate a specified number of Restaurants within a specified period of time in Traditional Venues. The territory may be one city, one or more counties, one or more states, or some other defined area. If you participate in this program, you would sign a Multi-Store Development Agreement in the form attached as Exhibit J which describes your territory, development schedule, Development Fee and Initial Franchise Fee, and a General Release in the form attached as Exhibit R. For each IHOP Restaurant you open pursuant to the Multi-Store Development Agreement, you would sign a separate Franchise Agreement on the then current form in use by IHOP at the time you acquire the right to the Restaurant site. In limited circumstances, IHOP may agree to sell you one or more operating Restaurants in conjunction with your execution of a Multi-Store Development Agreement. In this case, based on the terms negotiated, IHOP may require that in the event you

choose to sell, transfer or assign your interest in one of the Restaurants, you must sell, transfer or assign your interest in the Multi-Store Development Agreement, and in all the Restaurants to the same franchisee, and that a Material Breach under the Franchise Agreement for one of the Restaurants will constitute a Material Breach under the Franchise Agreement for all the Restaurants. For each IHOP Restaurant you purchase and/or develop under these circumstances, you would sign an Addendum to Franchise Agreement in substantially the form attached as Exhibit T. *See* Items 5, 7, 11 and 17 for further information.

You may be offered the opportunity to take over the ownership, operation and management of one or more Restaurants which have been developed and/or operated by IHOP Restaurants LLC (or another IHOP affiliate) before offering it as a Franchised Location (the “Purchase Program”). In limited circumstances, IHOP may agree to sell you a Multi-Store Development Agreement in conjunction with your purchase of one or more operating Restaurants by which you would take over the ownership, operation and management of the applicable Restaurants either concurrently or at different times ranging from between one day to several months of each other. In this case, based on the terms negotiated, IHOP may require that in the event you choose to sell, transfer or assign your interest in one of the Restaurants, you must sell, transfer or assign your interest in the Multi-Store Development Agreement if applicable, and in all the Restaurants to the same franchisee, and that a Material Breach under the Franchise Agreement for one of the Restaurants will constitute a Material Breach under the Franchise Agreement for all the Restaurants. For each IHOP Restaurant you purchase and/or develop under these circumstances, you would sign an Addendum to Franchise Agreement in substantially the form attached as Exhibit T.

Additionally, subject to the terms and conditions of IHOP’s 2023 Development Incentive Program (the “Development Incentive Program”), if you open a qualifying new Restaurant in 2023 (generally a new, incremental Restaurant not previously presented to IHOP and above and beyond what you or your affiliates are obligated to develop under any development agreements, replacement obligations or otherwise) or under a narrow set of circumstances you accelerate an obligation under an existing development agreement into 2023, you may be eligible to indicate your preference for one of the following development incentives: (A) waiver of your initial franchise fee, (B) a royalty rebate such that your royalty for the Restaurant will effectively be discounted by 3% from the date of your Restaurant opening through the first anniversary thereof; 2% from the first anniversary of your opening date to the second anniversary thereof; and 1% from the second anniversary of your restaurant opening date through the third anniversary thereof; (C) participation in IHOP’s equipment leasing program; or (D) key money of \$100,000 per Restaurant opened pursuant to and in accordance with the terms of the Development Incentive Program, if and only if your “franchise group” (as defined/determined by IHOP in its sole discretion) opens three or more Restaurants in 2023 each of which satisfies Development Incentive Program criteria and is approved for participation in the Development Incentive Program and this incentive option. The Development Incentive Program is subject to additional terms and conditions further described in the Development Incentive Program. This brief summary of the Development Incentive Program does not include all applicable terms and conditions and is qualified in its entirety by reference to the actual Development Incentive Program. Terms and conditions of the Development Incentive Program include but are not limited to there being a limited number of development incentives available (by type and in the aggregate), each incentive award and incentive election being approved by IHOP in writing, the Development Incentive Program being subject to change or revision by IHOP in its sole discretion and all questions of interpretation under the Development Incentive Program being made by IHOP in its sole discretion. In addition, you and each of your affiliates must be and remain in good standing and maintain full compliance with all agreements with IHOP and any of its affiliates. No franchisee or prospective franchisee may act in reliance on the Development Incentive Program unless and until informed in writing that a particular site/Restaurant is eligible for participation in the Development Incentive Program, even after which award of an incentive will depend on satisfaction of Development Incentive Program criteria.

Specific Industry Regulation. California and other states and local jurisdictions have enacted laws, rules, regulations and ordinances which may apply to the operation of your Restaurant, including those which (a) establish general standards, specifications and requirements for the construction, design and maintenance

of the Restaurant premises; (b) regulate matters affecting the health, safety and welfare of your customers, such as general health and sanitation requirements for Restaurants; employee practices concerning the storage, handling, cooking and preparation of food; nutrition and menu labeling; restrictions on smoking; availability of and requirements for public accommodations, including restrooms; (c) set standards pertaining to employee health and safety; (d) set standards and requirements for fire safety and general emergency preparedness; (e) govern the use of vending machines; (f) control the sale of alcoholic beverages; (g) regulate the proper use, storage and disposal of waste, insecticides, and other hazardous materials; and (h) establish mandatory nutritional content labeling and disclosures, including on menus, and impose restrictions on certain types of cups and containers. You should investigate whether there are regulations and requirements that may apply in the geographic area in which you are interested in locating your franchise and should consider both their effect and cost of compliance.

In 2020, 2021 and 2022, due to the global coronavirus pandemic, some state and local government agencies and at some point, possibly the federal government have ordered (or suggested) that Restaurants temporarily close for dining or have otherwise severely limited the ability to operate Restaurants, including without limitation through restrictions, including capacity restrictions, or prohibitions on the conduct of in restaurant dining and/or outdoor dining. We cannot predict what other government orders or suggestions may be adopted in response to the coronavirus pandemic or how long these conditions will last but anticipate that they will have a considerable impact on our business and that of our franchisees for at least a short-term basis.

Concluded Litigation

(1) *Irvine Food Corp. v. Dine Brands Global, Inc., et al.* (Superior Court of the State of California, County of Los Angeles), Case No. 19GDCV00749. On June 7, 2019, former franchisee Richard Miano, sole owner of Irvine Food Corp., filed a complaint against Dine Brands, IHOP, and its affiliates ("Dine Parties"). The complaint alleges that the Dine Parties failed to successfully negotiate a lease extension for Mr. Miano's IHOP located in Irvine, California. As a result of the landlord's decision to select another tenant to occupy the property, Mr. Miano was unable to continue operating his restaurant at the Irvine location. The complaint alleges claims for breach of contract, misrepresentation, violation of business and profession code § 20025, breach of the covenant of good faith and fair dealing, and unfair business practices. On July 11, 2019, the Dine Parties moved to compel arbitration and Plaintiff agreed to arbitrate the case. On March 16, 2021, the arbitrators found in the Dine Parties' favor on all claims. On April 23, 2021, the arbitrators awarded the Dine Parties \$1,266,515.10 in costs and attorney's fees.

On February 22, 2011, our franchisee I.H.O.P. No. 46-3, Inc. (the "Franchisee") and its owner Jennifer Alaimo (collectively referred to as "Plaintiffs") filed an action against us, our affiliate IHOP Properties, Inc. and International House Associates (the Landlord for the property from which the Franchisee operates its franchised IHOP Restaurant). The Plaintiffs claimed that we violated the New Jersey Practices Act and breached the franchise agreement and the implied covenant of good faith and fair dealing as a result of our requiring the Plaintiffs to pay a "re-franchising fee" and enter into a new franchise agreement which contains terms that are materially different than the terms of the franchisee's existing franchise agreement. The Plaintiffs sought injunctive relief to require us to: (i) together with IHOP Properties, Inc. enter a lease extension with the Landlord; and (ii) enter a renewal franchise agreement with the Franchisee under the terms and conditions of its existing franchise agreement. The Plaintiffs also sought compensatory,

On or around March 12, 2012, plaintiff amended her complaint and alleged only the claim for Truth in Consumer Contract Warranty and Notice Act. In February 2013, franchisee Ali Alforookh and the entities through which he owned and operated 19 Restaurants located in Illinois, Wisconsin and Missouri filed for bankruptcy protection. As a result of an order issued by the bankruptcy court, two of the 19 Restaurants were returned to Franchisor in the third quarter of 2013. Within the bankruptcy proceedings, the franchisee asserted adversarial proceedings against Franchisor, alleging violations of the franchise agreements. The Court granted IHOP's motion to stay the adversary proceeding in favor of the arbitration provisions in the agreement. The franchisee's adversary proceeding was subsequently dismissed. IHOP also brought adversary proceedings against the Debtors, and sought to terminate Debtors' exclusivity to propose a plan of reorganization on the grounds of incurable defaults of the franchise agreements, including underreporting of sales, and underpayment of royalties. In May 2014, the Chapter 11 trustee appointed an interim manager to operate the remaining 17 Restaurants. The trustee subsequently closed two of these Restaurants where the franchise agreements had expired during the bankruptcy proceedings. In June 2014, the remaining 15 Restaurants were transferred by the trustee to an existing franchisee, who will operate the Restaurants going forward. Franchisor and its affiliates received \$900,000 during the second quarter of 2014 as well as \$197,000 in the third quarter of 2014, including amounts due to the Franchisor for real estate taxes, gift card liabilities, and unpaid royalties resulting from the franchisee's underreporting of sales. The complaint alleges breach of contract regarding IHOP's termination of the franchise agreement and breach of covenant of good faith and fair dealing. Shouvik, LLC is seeking a preliminary injunction and a request for declaratory and injunctive relief. This matter was removed to United States District Court for the Northern District of Alabama, Case No.: 5-14-CV-02116-AKK on October 31, 2014. On November 7, 2014, International House of Pancakes, LLC as the franchisor filed an answer and counterclaim for trademark infringement, unfair competition, ejection, unlawful detainer and breach of contract. IHOP filed its own preliminary injunction motion in federal court. On December 29, 2014, the Court ruled in IHOP's favor and entered an order that the franchisee surrender the Restaurant to IHOP immediately. On February 13, 2015, the matter was ordered to arbitration. On April 4, 2016, the arbitrator ruled in IHOP's favor on all claims and awarded IHOP \$200,887.47 in compensatory damages, attorneys' fees and costs.

ITEM 5

INITIAL FEES

Initial Franchise Fees. All Initial Franchise Fees are non-refundable. We offer two different franchise programs in this Disclosure Document:

1. Single Store. Under the Single Store Development Program, you must sign a Single Store Development Agreement and pay a Location Fee of \$15,000 to hold either one site or one trade area (which may or may not be exclusive) pending IHOP's approval of a site or just sign a Franchise Agreement. If you enter into a Franchise Agreement, you must construct and equip the Restaurant, acquire and convert an existing building or acquire an existing IHOP Restaurant, and pay an Initial Franchise Fee of \$50,000. If you first sign a Single Store Development Agreement and pay us a Location Fee of \$15,000 and then sign a Franchise Agreement for the site, the Location Fee will be applied to the Initial Franchise Fee. The Initial Franchise Fee is payable upon execution of the Franchise Agreement. We reserve the right, in our sole discretion, to reduce or waive these fees in certain circumstances.

If you are acquiring a franchise under the Purchase Program, you would take over a Restaurant that has been developed and, in some instances, operated by IHOP or an IHOP Affiliate. You must typically sign a Sublease in the form attached as Exhibit H, or a Lease in the form attached as Exhibit U, for the land and

building, and an Equipment Lease in the form attached as Exhibit D, for all the equipment, furniture, smallwares inventory and other personal property at the existing Restaurant. In certain instances, if we agree to allow you to purchase these items, the purchase price would be payable in a lump sum at the time you signed the Franchise Agreement. The Initial Franchise Fee under the Purchase Program generally ranges between \$0 to \$300,000, depending on the particular facts and circumstances concerning the Restaurant, including its location, term of lease, the condition of the premises, its operating history, if any, profit margin and volume, and the condition of the personal property, as applicable. The Initial Franchise Fee is payable upon execution of the Franchise Agreement; however, we may allow Purchase Program franchisees to finance a portion of the Initial Franchise Fee on the terms described below. In addition, you must also purchase the entire existing inventories of unopened paper goods and food at the Restaurant. The fees disclosed in this section are subject to variance in accordance with the terms of the Development Incentive Program.

2. Multi-Store. Under the Multi-Store Development Program, you must develop a specified number of IHOP Restaurants within your area (which may or may not be exclusive) per a negotiated schedule. Like the Single Store Development Program, you would be responsible for acquiring or constructing and equipping the Restaurants. On signing the Multi-Store Development Agreement, you must pay a non-refundable “Development Fee” equal to \$20,000 times the number of Restaurants that you agree to develop. For each Restaurant you develop, you must sign a separate Franchise Agreement and pay an Initial Franchise Fee equal to \$40,000, and we will credit the Development Fee (at the rate of \$20,000 per Restaurant until exhausted) toward the Initial Franchise Fee for each Franchise Agreement that you sign. The total Development Fee varies between \$40,000 and \$300,000 (for two to 15 Restaurants obligations); we mutually agree on the number of Restaurants to be developed based upon factors including the size and population of the area involved. However, we reserve the right in our discretion to reduce or waive these fees in certain circumstances. If you signed an earlier form of our area development agreement or multi-store development agreement that differs from our current form, your initial franchise fee will be determined in accordance with your area development agreement or multi-store development agreement, as applicable. The fees disclosed in this section are subject to variance in accordance with the terms of the Development Incentive Program.

Renewals and Extensions. If you are presently signing a franchise agreement in connection with a Special Renewal Term, General Renewal Term or other option to renew, then, your existing franchise agreement will govern the amount of the Initial Franchise Fee or renewal fee payable to us, if any.

If you have exhausted the Special Renewal Term, General Renewal Term and/or other options to renew contained in your existing franchise agreement, although we have no obligation to do so, we may offer you the opportunity to sign a new franchise agreement in the then-current form of agreement being offered to new prospective franchisees to extend your right to operate your Restaurant for a term which is typically 10 years, with no further renewal rights, upon the expiration of your existing franchise agreement. In limited circumstances, if you agree to demolish and completely rebuild and re-equip or substantially remodel the Restaurant, we may offer you the opportunity to sign a new Franchise Agreement for a longer term of up to 20 years with an option to renew the term for an additional term of up to 10 years. The form of franchise agreement and term and conditions contained therein are subject to change and subject to any requirements of applicable law. If we offer you the opportunity to sign a new franchise agreement to extend your right to operate your Restaurant upon the expiration of your existing agreement (“New Franchise Agreement”), you will pay an Initial Franchise Fee for the New Franchise Agreement in an amount equal to the fee that is in effect as of the date you sign the New Franchise Agreement. As of the date of this Disclosure Document, the Initial Franchise Fee for a New Franchise Agreement to extend your right to operate your Restaurant upon the expiration of your existing agreement is \$50,000.

If you are signing a Multi-Store Development Agreement, depending on the number of Restaurants to be developed and the terms negotiated, your Multi-Store Development Agreement will govern the amount of the total Development Fee and Option Fee, if any, payable to us. The Option Fee, payable only if we agree to

grant you one or more options to renew, is currently \$5,000 per Restaurant to be developed during the Renewal Term, and we will credit the Option Fee to the Development Fee until exhausted if you exercise the options.

Range of Initial Franchise Fees and Development Fees. During Fiscal 2022, the Initial Franchise Fees paid by IHOP franchisees pursuant to franchise agreements under the Single Store Development Program and the Multi-Store Development Program did not vary from the standard Initial Franchise Fees mentioned above; there were no Initial Franchise Fees paid under the Purchase Program because we did not franchise any Restaurants under the Purchase Program during such period; and the Development Fees paid under the Multi-Store Development Program did not vary from the standard Development Fees mentioned above.

No Refund of Initial Franchise Fees or Development Fees. The Initial Franchise Fees and Development Fees are not refundable except to the limited extent provided for in the Development Incentive Program.

Financing of Initial Franchise Fees. Except as stated below, IHOP does not generally finance any part of the fees payable under the Franchise Agreement, Single Store Development Agreement or Multi-Store Development Agreement. IHOP may agree to finance part of the Initial Franchise Fee, in its sole discretion, up to 95%, for the Purchase Program only. *See* Item 10 for additional details.

Opening Training Support Fees. At its sole discretion, IHOP will determine the opening training needs for each location. If you are participating in the Single Store Development or Multi-Store Development Programs, and we determine you will need training support and/or operational assistance to open your Restaurant, you will pay an Opening Training Support Fee between \$0 and \$55,000 upon execution of your franchise agreement, based upon the number of trainers deemed necessary by IHOP. This fee is subject to increase if the opening schedule changes, if overtime is requested or if travel expenses exceed original projections. From time to time, we may agree to provide alternative training arrangements for certain qualifying franchisees. *See* Items 6, 7 and 11 for further information.

Technology: Point-of-Sale (“POS”) Setup, Training and Support. If we determine you will need POS setup, training and support for a new Restaurant opening, you will pay us or the vendor up to \$7,980 plus airfare for onsite implementation support for each of your first three Restaurant openings. Beginning with your fourth Restaurant, you may opt for remote POS setup, training and support for the cost of \$3,500.

Payments for Goods Received from Franchisor. If you are participating in the Single Store Development or Multi-Store Development Program, you must purchase and cause to be delivered and installed before the opening of the Restaurant(s), certain items of equipment and an inventory of smallwares. You may purchase these items of equipment and smallwares from any supplier which is approved by IHOP or from IHOP or an IHOP Affiliate, if it sells such items. If you elect to order and purchase any items from IHOP or an IHOP Affiliate, if it sells the items, the cost will be between approximately \$15,000 and \$30,000, depending on the items purchased. If you are participating in the Purchase Program and you are taking over the operation of an IHOP Affiliate-operated Restaurant, we may require that you purchase the entire existing paper goods and unopened food inventory of the Restaurant from IHOP before you take over the Restaurant.

All or part of the training fee may be waived to the extent that, in our judgment, training is not required.
Transfer Fee (Multi-Store Development Agreement)	\$2,500	50% of Transfer Fee payable at the time you notify IHOP of the proposed transfer, and the balance payable by the effective date of the transfer.	Payable if you are approved to sell your Multi-Store Development Agreement.
Food Safety Evaluation Reaudit Fee ⁷	\$0 to \$1,220	Upon demand.	See Note (7)
Egg Audit ⁸	\$0 to \$500	Upon demand.	See Note (8)

NOTES:

- (1) All fees are imposed by and are payable to IHOP. All fees are non-refundable.
- (2) "Gross Sales," as used in this Disclosure Document, shall mean the total revenues derived by you in and from the Restaurant, whether for cash sales of food and other merchandise or otherwise, or charge sales thereof, or revenues from any source arising out of the operation of the Restaurant, deducting therefrom: (a) all refunds and allowances, if any; (b) any sales or excise taxes which are separately stated and which you collect from customers and pays to any federal, state or local taxing authority; (c) any amounts deposited in any vending machines or pay telephones which are located in or about the Restaurant, if such vending machines and/or pay telephones are leased and not owned by you, in which case Gross Sales shall include only the commissions you receive therefrom; and (d) delivery fees imposed in connection with dispatch services provided by Mobo Systems, Inc. With respect to the Purchase Program, and in certain circumstances under the Single Store Development Program and the Multi-Store Development Program, depending upon the terms negotiated, the Continuing Royalty may be reduced or eliminated for a period of time either throughout the term of the Franchise, depending upon the sales volume of the Franchised Restaurant, and the terms negotiated, or in other cases, for a limited period, then remain at 4.5% for the balance of the term. You may be eligible for a credit on the Continuing Royalty and/or other fees paid on certain delivery fees related to delivery

orders made by pre-approved delivery vendors if you sign an amendment to your franchise agreement and enter into a delivery agreement with a pre-approved delivery vendor. The Continuing Royalty Rate may be subject to temporary reduction as described in the Development Incentive Program set forth in Item 1. We also reserve the right in our discretion to reduce or eliminate the Continuing Royalty in other circumstances. This fee will be electronically debited from your account if we request that you participate in our electronic funds transfer program authorizing us to receive payments from you by pre-authorized bank draft, wire transfer, automated clearinghouse transfer or otherwise.

- (3) Interest begins from the date of the underpayment.
- (4) Although time is of the essence, IHOP may in its sole discretion agree to grant you additional time of up to 18 months beyond the date set forth in the Franchise Agreement to open the Franchised Restaurant. In consideration for IHOP granting this additional time and agreeing to forestall termination of the Franchise Agreement, you must pay a fee to IHOP in an amount to be determined by IHOP in its sole discretion, not to exceed \$27,000. The fee can vary depending upon factors such as the status of the development, reasons for your inability to meet the scheduled opening date, the level of effort exhibited by you in the development process and the amount of additional time requested.
- (5) You must maintain insurance of the types and minimum amounts (naming IHOP, including its Parent and our designated subsidiaries and affiliates, and respective officers, directors, members, managers, employees, agent, successors and assigns of IHOP, as additional insureds) that we specify in the Standard Operation Procedures Manuals (as amended, restated, supplemented or otherwise modified from time to time in our sole discretion, "Operations Manuals") or supplementary insurance bulletins issued by us from time to time ("Insurance Bulletins"). Insurance policies may not be subject to cancellation without 10 days' prior written notice to us. You must provide certificates of insurance evidencing coverage on an ongoing basis. You may obtain additional insurance as you may desire.
- (6) You must participate in our Gift Card Program. As part of this, you must sign a Gift Card Participation Agreement in form and substance approved by us.
- (7) If your Restaurant fails a routine food safety evaluation ("FSE"), it will receive an automatic unannounced FSE reaudit prior to the next routine FSE. You will be billed (either by IHOP or the third party) and must promptly pay the approximately \$305 cost of the reaudit, which amount is subject to change from time to time. If your Restaurant fails the FSE reaudit, additional FSE reaudits will be conducted at your sole cost and expense until your Restaurant passes. If you have any unpaid FSE reaudit invoices, all pending reaudits for the franchisee may be put on hold. The \$1,220 figure represents a Restaurant that requires 4 FSE reaudits but note that you must pay for the costs of all reaudits until your Restaurant passes unless otherwise agreed to in writing by IHOP. See Item 8 for details.
- (8) If your Restaurant fails shell and/or liquid egg temperatures (> 41°F) during a routine FSE or FSE reaudit, it will receive an automatic unannounced egg audit prior to the next routine FSE or FSE reaudit. You will be billed (either by IHOP or the third party) and must promptly pay the approximately \$125 cost of the egg audit, which amount is subject to change from time to time. If an FSE reaudit was also triggered, the egg temperatures observed during the FSE reaudit may be used in place of an egg audit. If your Restaurant fails the egg audit, an additional egg audit will be conducted at your sole cost and expense. The \$500 figure represents a Restaurant that requires 4 egg audits but note that you must pay for the costs of all egg audits until your Restaurant passes unless otherwise agreed to in writing by IHOP.

NOTES:

- (1) All fees payable to IHOP are non-refundable. Payments to third-parties may be refundable depending upon your agreement with the third-party.
- (2) The above figures assume we will view only one proposed site. If we view a second site, you will reimburse IHOP for its costs, including transportation, meals and lodging. The cost will range approximately from \$200 to \$3,000.
- (3) If you have paid the Location Fee, it will be applied to the Initial Franchise Fee, in which case you will pay only the balance of \$35,000 upon execution of the Franchise Agreement. We reserve the right in our discretion to reduce or waive the Initial Franchise Fee in certain circumstances. The Initial Franchise Fee may be waived for eligible Restaurants as described in the Development Incentive Program set forth in Item 1.

- (4) The above figures assume that you will purchase the Franchised Location from a third party and convert or construct a Restaurant. The cost to purchase the Franchised Location varies due to geographic location. The typical Restaurant is approximately 4,000 to 6,000 square feet on a lot of approximately 30,000 to 60,000 square feet. If you wish and can lease the real estate and/or building from a third party, you must make lease payments typically on a monthly basis. Also, you may need to make security deposits with the Landlord. Unusual site preparation and utility connection costs and fees could increase costs.
- (5) These figures assume that you will pay the entire insurance premiums for the first year on or before opening the franchise. Most franchisees, however, pay the premiums in installments which may be monthly, quarterly or semi-annually, and the actual initial investment would be lower. You may obtain additional insurance as you may desire. The estimated costs depend on the building square footage, sales, payroll and workers' compensation rates in the state in which the Restaurant is located. The insurable risks specified in the Operations Manuals and Insurance Bulletins are minimum coverages. We urge franchisees to consult with their insurance brokers or agents to determine appropriate additional coverages for them.
- (6) You must obtain various photographs, surveys, demographic information packages, and similar items for submission to us in connection with obtaining approval of your proposed location.
- (7) If you propose a site for your Restaurant which is within a five-mile radius or a 10-minute drive of a Restaurant that is subject to the Development Impact Assistance Program (*see* Item 12), you must have an impact study conducted by an independent third party before IHOP can evaluate your proposed site. You must pay the cost of the impact study for each study conducted. The number of studies to be conducted will depend upon the number of existing franchised locations that are subject to the Development Impact Assistance Program and which IHOP determines are affected by your proposed site. We may accept or reject your proposed site in our sole discretion, regardless of the results of the impact study. If we agree to proceed with development of the proposed site, you must still complete our normal franchisee approval process and there is no assurance that we will ultimately enter into a Franchise Agreement with you.
- (8) The amount of the fee will be based on the number of trainers deemed necessary by IHOP, in its sole discretion, unless waived by IHOP. The fee is subject to increase if opening schedule changes after IHOP has secured the Training Team or if overtime is requested and/or approved by IHOP. *See* Item 11 for details.
- (9) The amount of the fee will be based on whether the POS support is onsite or remote. The support must be onsite for the first three Restaurants you open and will cost \$7,980 plus airfare. Beginning with your fourth Restaurant, you may opt for remote support at the fee of \$3,500.
- (10) The current fees reflect software as a service pricing based on the number of devices and functionality used in the restaurant. *See* Item 11 for details.
- (11) You currently must purchase this equipment and procure these services from an approved payment gateway vendor for credit card processing services. These figures include the estimated cost to purchase the equipment and a monthly fee of \$53.
- (12) You must achieve 50/20 internet bandwidth speed utilizing commercial grade hardware and including 4G or 5G back up and guest Wi-Fi to support restaurant operations and guests' needs. Wi-Fi connection is required in order to utilize IHOP Academy and other technology platforms. *See* Item 11 for further details.
- (13) You must have a kitchen display system ("KDS") to monitor and organize orders received at your Restaurant.

- (14) Server tablets are required. We require that you purchase one server tablet per server for the front of the house and you will need to have an approved service model that meets our specifications, as determined by us from time to time. Currently the required number of server tablets with payment device ranges from 8 to 12. These figures include the estimated cost to purchase the approximately 8 to 12 tablets, chargers, batteries, and skins.
- (15) You must sign an Authorized Operator Agreement for access and use of an approved provider's on-line ordering system in form and substance approved by us. These figures include the estimated cost for services provided by Mobo Systems, Inc. and a payment gateway related to on-line ordering.
- (16) This fee is required for all hardware in the restaurant. Fees are charged per terminal and range from \$12 per device annually to \$24 per device annually. See Item 11 for further details.
- (17) Digital products currently include "FlyBuy", but guest payment and ordering from their own device ("Bring Your Own Device"), and other digital products may be required in the future. The current fees reflect software as a service pricing but we may charge you transaction pricing in the future.
- (18) These fees relate to deployment and support for hardware and software upgrades, as well as other products.
- (19) Subject to some exceptions, you must purchase or lease, depending on the program, an IHOP-approved POS computer system unless another IHOP approved system is agreed to in writing by IHOP in its sole discretion. The current cost of purchasing the POS computer system is between \$20,000 to \$30,000 for POS hardware. All Restaurants must have a POS computer system that meets IHOP's specifications. This describes our current POS system and provider; however, we may, from time to time, evaluate and approve other systems and/or vendors as an additional POS provider. We reserve the right to increase these fees. See Item 11 for further details.
- (20) Waitlist enables restaurants to seat more guests, more efficiently through a service provided by an approved Waitlist vendor. Waitlist is currently optional but may be required by us in the future.
- (21) This fee may be funded by the National Advertising Fund or there could be all or a portion of the fees required to be paid directly by the Franchisee.
- (22) Catering is currently optional but may be required in the future. The current approved supplier for catering is Mobo Systems, Inc.; however, we may, from time to time, evaluate and approve other vendors as an approved supplier.
- (23) Membership in the Pancake Supply Chain Co-Op, Inc. is voluntary. If you choose to join, this fee must be paid. Payment must be made to the Pancake Supply Chain Co-Op, Inc. at the address set forth in the Membership Subscription Agreement and not to us. See Item 8 for details.
- (24) See "GENERAL NOTES" following the last table below.
- (25) The amount includes such items as promotional programs, tax deposits, license fees, utility deposits, and other costs as may be applicable to each location.
- (26) Includes 3 months of any amount set forth as a "per month" amount.

NOTES:

- (1) All fees payable to IHOP are non-refundable. Payments to third-parties may be refundable depending upon your agreement with the third-party.
- (2) These figures include the purchase of the equipment and fixtures from IHOP or an IHOP Affiliate if you purchase the land and building from an IHOP Affiliate.

If you participate in the Purchase Program, except in limited circumstances, you will lease the Franchised Location directly from an IHOP Affiliate. In those cases, it is the custom and practice of the IHOP Affiliates(s) to charge rentals which exceed both the base rent and the percentage rent payable by the applicable IHOP Affiliate to the Master Landlord. If the applicable IHOP Affiliate has the right to set-off taxes, maintenance and insurance against payments due and owing to the master Landlord, the IHOP Affiliate may nonetheless charge you for those fees, without passing the right of set-off on to you.
- (3) These figures assume you will lease the Equipment and Fixtures from IHOP or an IHOP Affiliate and represent one week's rent. The cost will range approximately from \$15,000-\$30,000 (purchase of Smallware Package and Opening Order only) to \$600,000, exclusive of signs, if you purchase these items.
- (4) These figures assume that you will pay the entire insurance premiums for the first year at or before opening your Restaurant. Most franchisees, however, pay the premiums in installments which may be monthly, quarterly or semi-annually, and the actual initial investment would be lower. You may obtain additional insurance as you may desire. The estimated costs depend on the building square footage, sales, payroll and workers' compensation rates in the particular state in which the Restaurant is located. MULTI-STORE DEVELOPMENT PROGRAM

Type of Expenditure (1)	Amount*		Method of Payment	When Due	To Whom Payment is to be Made
	Low	High			
Development Fee (2)	\$40,000	\$300,000	Certified or cashier's check or wire transfer	On signing of the Multi-Store Development Agreement. A portion will be applied to Initial Franchise Fee if you sign a Franchise Agreement.	IHOP
Initial Franchise Fee (3)	\$80,000 (less \$40,000 Development Fee paid, for a total of \$40,000)	\$600,000 (less \$300,000 Development Fee paid, for a total of \$300,000)	Certified or cashier's check or wire transfer	On signing of each Franchise Agreement.	IHOP
TOTAL (4)	\$80,000	\$600,000			

* Based on a Development Agreement ranging from two to 15 Restaurants obligations.

NOTES:

- (1) All fees payable to IHOP are non-refundable.
- (2) We reserve the right in our discretion to reduce or waive the Development Fees in certain circumstances.
- (3) The Initial Franchise Fee may be waived for eligible Restaurants as described in the Development Incentive Program set forth in Item 1.
- (4) The above figures cover the cost to purchase a Development Agreement with two to 15 Restaurant obligations. To determine the cost for each IHOP Restaurant to be built pursuant to the Multi-Store Development Program, subtract \$10,000 (see calculation below) from the total range in the Single Store Development Program chart for a total of \$1,140,066 to \$6,027,673.

Calculation: (A) Single Store Development Program Location Fee of \$15,000 plus the Initial Franchise Fee of \$35,000 (\$50,000 less the \$15,000 Location Fee) for a total of \$50,000, minus (B) Multi-Store Development Program Development Fee of \$20,000 plus the Initial Franchise Fee of \$20,000 (\$40,000 less the \$20,000 Development Fee) for a total of \$40,000 = \$10,000.

GENERAL NOTES. The figures in the charts above should be understood with the following explanation:

We are required to include an estimate of all costs and expenses to operate the franchise during the “initial phase” of the business, which is defined as three months or a longer period if “reasonable for the industry.” We are not aware of any established longer “reasonable period” for the restaurant industry, so our disclosures cover a three-month period (the total estimated initial investment includes pro-rated costs and expenses related to Transaction Services/OHEICS, wi-fi services, and on-line ordering for 3 months). The figures next to the “Additional Funds” column in each of the charts above assume you would cover the following specific expenses that you would incur during the first three months of operation and receive no operating income during this period; 3 months’ payroll (and related taxes and payroll expenses) for staff, utilities, and attorneys and accountants’ fees. The estimates do not cover rent or mortgage payments, Royalty payments, National Advertising Fees, Local Advertising Fees, or the cost of goods sold, all of which vary depending on your sales levels, nor do they cover any interest or other financing costs you may incur, which will vary depending on how much you borrow. Other than as noted above, all other expenditures are stated only through the franchise opening date. The

amounts stated above for working capital, deposits and prepaid expenses assume that sales from the Restaurant would be sufficient to defray operating expenses from the inception of operation by you. If, for any reason, sales are slow at the inception of operation, which has happened in certain Restaurants in the past and is a possibility which should be considered in any new Restaurant, additional funds might be needed to pay operating expenses. The figures stated above do not include any provision for managerial salaries or draws by you.

The amount required for equipment and for improvements to real property, or for modifications to same, is determined principally by the size and type of the Restaurant. Figures given, therefore, represent the best information known to IHOP and the IHOP Affiliates for the costs for the smallest and least complexly constructed and equipped Restaurant to the largest and most complexly constructed and equipped Restaurant likely to become the subject of the franchise.

If you operate from a leased location, the amount which you must pay generally will include taxes, insurance and maintenance. If the Restaurant is in a shopping center, you may be required to become a member of the shopping center's Merchant's Association and may be required to pay a percentage of the gross revenue to the association. Under the Single Store Development and Multi-Store Development Programs, no part of the taxes, maintenance and insurance of Merchant's Association fees to be paid in accordance with the lease is paid to IHOP. We relied on our experience and the experience of our affiliates and franchisees who provided projected or actual costs of Restaurants to compile this estimate.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Site Approval. Although you are solely responsible for selecting the site of your Restaurant, each site on which you propose to construct a Restaurant pursuant to the Single Store Development or Multi-Store Development Program must first be approved in writing by IHOP, and you must, at your own expense, construct, improve and equip the Restaurant in conformance to IHOP's then current standards and specifications. You are solely responsible for locating the site for your Restaurant, although we may assist you in our sole discretion. Even if we assist you to locate a site, you may not rely on any assistance we provide, or our acceptance of a site you propose as a guarantee or other assurance that your Restaurant will be successful. If you are participating in the Single Store Development or Multi-Store Development Program, upon your execution of a development agreement, we will provide you with information concerning the written materials that we require to be submitted ("Development Approval Procedure") in order for us to consider proposed locations for your Restaurant. If existing conditions, applicable laws such as the Americans with Disabilities Act, local building codes or zoning provisions require modifications to be made to the Franchised Location(s) or Restaurant(s), you must bring the Franchised Location(s) and Restaurant(s) into compliance at your sole cost and expense, and subject to our prior written approval. You must then, at your sole cost and expense, adapt the standard plans to the particular site in conformity with local requirements, and submit them to us for written approval. All modifications to the plans or deviations from the provided specifications are subject to our prior written approval. If requested by IHOP, upon completion of the construction, and prior to opening, you must submit to us a certification from your architect that the building was built or converted, as applicable, in accordance with plans previously submitted and approved by IHOP and that the plans as submitted comply with all applicable laws and codes, including the Americans with Disabilities Act.

We will not issue a franchise agreement to you unless you have successfully completed the Development Approval Procedure to our satisfaction. For each Restaurant to be developed during a development period, you are required to obtain our final written approval of the site at least six months before the date that the Restaurant is required to be open.

If you are participating in the Single Store Development or Multi-Store Development Program, for each proposed site, you must submit to us for our review a preliminary site review package, including a site plan, a map, a survey, a proposed floor plan, relevant statistics and characteristics of the site, and other

information regarding the proposed location that we require, at least eight months prior to the expiration of the applicable development period. You must complete the negotiation of the lease or purchase agreement, as applicable, and submit the lease or purchase agreement, as applicable, and such other information regarding the proposed Restaurant that we request to us for our final approval within 180 days following the submission of the preliminary site review package for your proposed site.

Unless waived in writing by us in our sole discretion, one condition of final lease approval will be that you and your landlord execute and deliver an Addendum to Lease in substantially the form of Exhibit S. You may not sign the lease or purchase agreement until we give you final approval and issue the Franchise Agreement for the site. You must provide a fully signed copy of the lease or purchase agreement in the form previously approved by IHOP promptly after execution and prior to the opening of the Restaurant.

Furniture, Fixtures and Equipment. If you are participating in the Single Store Development or Multi-Store Development Program, you must purchase and cause to be delivered and installed before the opening of the Restaurant(s), certain items of equipment and smallwares inventory, including, for example, kitchen equipment, booths, furniture, POS system with Server Tablets and Tablet Payment Device (*see* Item 11 for details), KDS and decor items, in quantities and in accordance with the specifications established by IHOP. You may purchase these items from any IHOP approved supplier/manufacturer. If you elect to order and purchase any items from IHOP or an IHOP Affiliate, and if it sells the items, IHOP and/or the IHOP Affiliate may be the sole supplier(s)/distributor(s)/manufacturer(s) of such items and IHOP and/or the IHOP Affiliate may derive revenue from the purchase.

We estimate that substantially all your expenditures for leases and purchases in establishing and operating your business will be for goods and services which are subject to sourcing restrictions (that is, from us, IHOP Affiliates, from suppliers approved by us, or purchased in accordance with our specifications). If you are participating in the Purchase Program, and taking over the operation of an IHOP Affiliate-operated or IHOP Affiliate-developed Restaurant, substantially all your initial purchases and leases are from IHOP and/or the IHOP Affiliates, and:

1. You must lease major items of equipment and the smallwares located at the Restaurant, including for example, refrigerators, freezers, ranges, kitchen equipment, POS system with Server Tablets and Tablet Payment Devices (*see* Item 11 for details), utensils and flatware from IHOP or an IHOP Affiliate. We have in the past, and IHOP and the applicable IHOP Affiliate may on an infrequent basis in the future, agree to allow you to purchase the major items of equipment and/or smallwares for a lump sum cash price in which case you must sign the “Equipment Purchase Agreement” attached as Exhibit E and/or the “Expendables Purchase Agreement-Smallwares” attached as Exhibit P. In rare instances, we may permit you to use the equipment purchased from us or an IHOP Affiliate as collateral for a loan in conjunction with a Multi-Store Development Agreement. However, these are not IHOP’s or any IHOP Affiliates’ standard practices and any agreement to allow you to use equipment as collateral would be subject to negotiation between the parties. You must also purchase the entire existing paper goods and unopened food inventory of the Restaurant and you must sign the form of “Expendables Purchase Agreement - Food and Paper Goods Inventory” attached as Exhibit F.

2. You must sublease the Franchised Location from an IHOP Affiliate and sign a “Sublease” in the form attached as Exhibit H. The IHOP Affiliate typically leases these locations from un-affiliated third-party landlords, although some real property is owned by IHOP Property LLC. Customarily, you will be charged a rental under a sublease in an amount which exceeds that paid by the IHOP Affiliate to its landlord. If the real property is owned by IHOP Property LLC, you must lease the franchised location from IHOP Property LLC and sign a “Lease” in the form attached as Exhibit U. In limited circumstances, IHOP Property LLC may either sell or assign a parcel of real estate to you, or sell a parcel with the building and equipment if already constructed, to you, and you will pay a price to be negotiated which will vary depending upon IHOP Property LLC’s investment in it and the terms negotiated. However, this is not IHOP’s or any IHOP Affiliate’s

standard practice and this point is subject to negotiation between the parties. IHOP and/or an IHOP Affiliate will derive revenue from the sale of those items to you. Refer to Items 5, 6 and 7 for more details.

3. You must sign an “Equipment Lease” attached as Exhibit D or an “Equipment Purchase Agreement” attached as Exhibit E, and an “Expendables Purchase Agreement - Food and Paper Goods Inventory” attached as Exhibit F. IHOP has in the past, and IHOP and the applicable IHOP Affiliate may on an infrequent basis in the future, agree to amend the Equipment Lease to include an option to purchase the equipment for a lump sum cash price to be paid at the end of the lease term, or to provide an accelerated payment plan with reduced payments for a portion of the term. However, this is not IHOP’s or any IHOP Affiliate’s standard practice and this point is subject to negotiation between the parties. IHOP and/or an IHOP Affiliate will derive revenue from the sale or lease of those items to you. In addition, if the term of the franchise is extended, IHOP has in the past and IHOP and/or the applicable IHOP Affiliate may in the future, agree to amend the Equipment Lease to reduce the rent for the personal property during the extended term. However, this is subject to negotiation between the parties.

Proprietary Products. You must purchase from IHOP or an IHOP Affiliate (if sold by the IHOP Affiliate) or from our designated distributors who have purchased the products from IHOP or an IHOP Affiliate, all of your requirements for buttermilk pancake mix, egg batter, Protein pancake mix, Corn Cake pancake mix, Belgian waffle batter, and those other future products as may be specified by IHOP, all of which use proprietary formulas owned by IHOP or an IHOP Affiliate (“Proprietary Products”). IHOP and/or an IHOP Affiliate may derive revenue from its sale of these items by charging a mark-up on the sale of these items to IHOP-designated distributors or, if applicable, to franchisees.

Trademarked Products. You must use certain products which bear the trademark, trade name or logo “IHOP,” “International House of Pancakes” or “House of Pancakes” or the “GFGB” brand identification (“Trademarked Products”) which may include dishware, silverware, napkins, placemats, coasters, uniforms, promotional items, syrup pitchers, coffee carafes, menus, guest checks, forms and other items. IHOP or an IHOP Affiliate shall, upon your request, provide specifications for the Trademarked Products, and you may purchase them either from IHOP or an IHOP Affiliate (if IHOP or the applicable IHOP Affiliate sells the products), suppliers/distributors/manufacturers designated by IHOP or suppliers/distributors/manufacturers you choose who are approved by IHOP and can meet IHOP’s specifications and who sign a royalty-free trademark license in a form reasonably satisfactory to IHOP. If you elect to purchase the Trademarked Products from IHOP or an IHOP Affiliate, they may or will derive profits from such purchases.

Other Products. Except for Proprietary Products, as described above, all food products, services, supplies, equipment and materials permitted or required to be used in each Restaurant must be purchased from IHOP or IHOP Affiliate(s), if offered by IHOP or IHOP Affiliate(s), from suppliers, distributors or manufacturers approved or designated by IHOP, or from suppliers, distributors or manufacturers you select (as described below) who are approved in writing by IHOP or IHOP Affiliate(s) and not subsequently disapproved. If you wish to purchase any non-specified food product other than the Proprietary Products, coffee, and other products that have not already been approved by IHOP, or if you wish to purchase any item from supplier(s), distributor(s) or manufacturer(s) you select, you must deliver notice to IHOP of your desire to do so, which notice must specify the name and address of the supplier, distributor or manufacturer, and the items desired to be purchased from that supplier/distributor/manufacturer. IHOP or an IHOP Affiliate will, upon your request, furnish specifications, by established brand name wherever possible, for such items. Before approval of any supplier/distributor/manufacturer, we can require that we be allowed to inspect the supplier’s or distributor’s or manufacturer’s facilities. We can also conduct tests on products, require full production runs, and require that samples from the supplier or distributor or manufacturer be delivered to us or to a designated independent testing laboratory for testing. You or the supplier/distributor/manufacturer, will be required to bear the costs associated with the inspections, tests and other procedures involved in the approval process. You may not purchase any products from a proposed supplier or distributor or manufacturer until and unless IHOP has provided written approval to you. IHOP or an IHOP Affiliate may disapprove or later withdraw its approval

of any supplier or distributor you select upon the grounds which include, but are not limited to, that the supplier or distributor or manufacturer has failed to demonstrate, to the reasonable satisfaction of IHOP or the IHOP Affiliate: (a) the ability of the supplier or distributor or manufacturer to supply a product meeting the specifications of IHOP; (b) the reliability of the quality of the supplier's or distributor's or manufacturer's product or service; (c) the supplier's production facility meets IHOP's standards for food safety; or (d) the willingness and agreement of the supplier or distributor to permit IHOP or an IHOP Affiliate to make periodic inspections, reasonable in respect to frequency, time and manner of inspection, to assure the supplier's or distributor's continued conformity to specifications and food safety standards. Franchisees will be notified of approval or disapproval of the proposed alternative supplier within two days to six months (time span is based on a variety of factors, including but not limited to the complexity of the ingredients, the process of matching the formula, third party audits and ability to commercialize the product and are prioritized by the order in which the requests are received).

Notwithstanding the above, you are prohibited from purchasing products, equipment, and other items, except as approved in writing by IHOP in its sole discretion. We ordinarily do not establish specific standards or specifications for, or require use of, approved suppliers for items such as repair and maintenance services and other miscellaneous items.

Effective February 16, 2009, affiliates of IHOP LLC and Applebee's International and representatives of franchisees in each system formed an independent purchasing and distribution cooperative, Centralized Supply Chain Services, LLC ("CSCS"), a Delaware limited liability company. CSCS performs the supply chain functions for certain franchised Restaurants in the IHOP and Applebee's systems. CSCS is owned and controlled by two separate cooperatives: a cooperative for the IHOP concept, Pancake Supply Chain Co-Op, Inc. (the "IHOP Co-op"), and a cooperative for the Applebee's concept, Apple Supply Chain Co-Op, Inc. (the "Applebee's Co-op"). Neither CSCS, nor the IHOP Co-op, nor the Applebee's Co-op is our affiliate. You may participate in the purchasing and distribution cooperative arrangement on a voluntary basis, as either a member or a nonmember.

If you choose to become a member of the IHOP Co-op, you will execute a Membership Subscription Agreement and pay \$100 for one share of IHOP Co-op common stock, regardless of how many Restaurants you own. These are the same terms under which franchisees participate. Members must purchase their requirements of certain products and services through CSCS. At times, members of the IHOP Co-op, including IHOP and participating franchisees, may also receive patronage dividends, based upon their purchases. Patronage dividends are not available to nonmembers.

As of the date of this Disclosure Document, none of our officers have disclosed any ownership interest in any of our suppliers. From time to time, one or more of our officers may own interests in suppliers as a result of ownership of mutual funds or equities which are purchased in managed accounts. In addition, a supplier may be a direct or indirect subsidiary of a public company in which one or more of our officers owns an interest, but that officer may be unaware of the public company's ownership interest in the supplier.

Without IHOP's prior written consent, you may not use, offer, sell, or give away except at the Franchised Location, any required products as set forth in the Operations Manuals, or other goods or services which utilize IHOP's Trade Secrets in whole or in part, including its recipes, or any goods, services, materials, supplies, or inventory (including food, beverages, condiments, and smallwares) purchased by you or any of your affiliates (or any Owner, officer, director, manager of either) from or through any approved supplier pursuant to any pricing or purchasing terms negotiated or arranged by IHOP or any IHOP Affiliate for or on behalf of IHOP or our franchisees. In addition, you shall not at any time purchase greater quantities of such products than necessary to meet your reasonably anticipated requirements to operate your IHOP Restaurant.

Insurance. You must procure and maintain during the term of the Franchise Agreement policies of insurance insuring you against the insurable risks specified in the Operations Manuals and Insurance Bulletins

and at least the amounts of coverage so specified. All policies of insurance must name IHOP including its Parent and our designated subsidiaries and affiliates, and respective Officers, Directors, Members, Managers, Employees, Agent, Successors and Assigns of IHOP (and others under some circumstances), if applicable, and nominees of IHOP as it may designate as additional insureds, as their interests may appear. In the event IHOP does not receive proper evidence of insurance, IHOP may, but is not obligated to procure such insurance as is necessary to meet its requirements, but the insurance need not name you as an insured or additional insured, and you shall be responsible for all payments for such insurance.

Gift Cards. We have a gift card system where an approved supplier produces or supplies and processes all gift cards, redemptions and settlements. The process fees are currently \$0.13 per card. The card production fees vary based on the volume of cards produced and typically range between \$0.11 and \$0.33 for each Restaurant gift card. New franchisees must sign a Gift Card Participation Agreement with IHOP TPGC LLC, our affiliate that administers the gift card program, and our third-party supplier of gift card processing services, Stored Value Solutions, Inc. (or any future supplier of gift card processing services) in form and substance approved by us. Under the gift card program, franchisees do not make any direct payment to IHOP TPGC LLC for the cards sold in their Restaurants, but will reimburse IHOP TPGC LLC for costs incurred to operate the gift card program, which includes without limitation, gift card production and gift card marketing costs for the national gift card program. (*See* Item 6.)

Pepsi-Cola. In 2012, IHOP LLC, certain of its affiliates and CSCS entered a multi-year agreement with PepsiCo Sales, Inc. (“Pepsi”), a wholly-owned subsidiary of PepsiCo., Inc., to be the fountain beverage supplier for the System in the United States. Pepsi contributes an amount per gallon of product sold in Restaurants, depending on the percentage of franchisees that meet an agreed-upon performance level, to an advertising and marketing fund. Each year, the fund proceeds are distributed to franchisees that have signed a participation agreement with Pepsi and met their performance obligations under such participation agreement. New franchisees must sign an agreement (the IHOP Beverage Sales Participation Agreement) with Pepsi in form and substance approved by us to supply their fountain beverages.

Guest Information Feedback Tool. We have entered an agreement with a vendor to administer a guest experience survey program for Restaurants. All franchisees must participate in the survey program. IHOP LLC will pay for the costs of the program in 2023. We reserve the right to require franchisees to pay for all costs of the program in 2024 and after.

Food Safety Evaluation (“FSE”). Restaurant food safety performance is routinely evaluated by an independent third party two times per year. IHOP will pay for the costs of the routine FSE program in 2023 and reserves the right to require franchisees to pay all costs associated with the FSE program in 2024 and after. If a Restaurant fails a routine food safety evaluation, it will receive an automatic unannounced FSE reaudit prior to the next routine FSE. The franchisee will be billed (either by IHOP or the third party) and must promptly pay the approximately \$305 cost of the reaudit, which amount is subject to change from time to time. If the Restaurant fails the FSE reaudit, additional FSE reaudits will be conducted at the franchisee’s sole cost and expense until the Restaurant passes. If a franchisee has any unpaid FSE reaudit invoices, all pending reaudits for the franchisee may be put on hold and passing reaudit scores reverted back to the original failing score.

On-Line Ordering. You must sign an Authorized Operator Agreement for access and use of an approved provider’s on-line ordering system in form and substance approved by us. *See* Item 11 for additional information.

Internet 50/20. You must achieve 50/20 internet bandwidth speed utilizing either your current supplier or one of the IHOP-negotiated suppliers (currently Comcast or Interface) utilizing commercial grade hardware and including 4G or 5G back up and guest Wi-Fi.

Digital Products. We may require that you purchase digital products from us that are brand standard in order to provide a consistent guest experience across our brand. These products may include products such as “Flybuy” and guest payment and ordering solutions (“Pay ‘n Go,” “Bring Your Own Device”) and others as we determine. You may be required to sign one or more agreements with approved third-party providers. Fees associated with these products may be payable to us or a third party.

EMV. We require franchisees to have Europay, Mastercard, and Visa (“EMV”) Point to Point Encryption (“P2P”) encryption certified solutions for processing payment in the Restaurant. Currently, we require franchisees to use approved payment devices (currently, Ingenico devices) purchased through FreedomPay and we currently require franchisees to use FreedomPay’s EMV processing as part of the credit card gateway solution or any future solution we may implement.

Delivery. You will be required to sign up for the Mobo Systems, Inc. dispatch platform (currently provided through DoorDash, which may be subject to change in the future) which allows guests to order delivery through our website or mobile app. We may impose additional delivery requirements in the future and you may be required to pay any and all related fees.

Public Relations; Crisis Communications. If you choose to retain an outside communications or public relations agency, you should inform us of if and when you retain a local public relations firm and provide us with the identity of that firm, and connect such firm with the IHOP communications team. Regardless of whether you have retained a local public relations firm, you should allow us to review and approve, in our sole discretion, all press releases and related external communications relating to us or our affiliates or Restaurant(s) before their distribution to the media (digital and/or traditional).

You must comply with our or Dine Brands’ crisis communication protocol in effect at the time of the crisis. You must alert us to any actual crisis situation (or any potential crisis situation) that develops, regardless of whether you have obtained the assistance of a local public relations firm. All interaction with the media or statements provided must be run through the IHOP communications team before distribution.

Payments from Franchisees for Goods and Services. Neither IHOP nor the IHOP Affiliates provide material benefits to you based on your use of designated or approved sources for the purchase of goods, but doing so is one of your obligations and we may either require you to purchase replacement products from a designated supplier or terminate your franchise agreement if you purchase from unapproved sources in violation of your agreement. IHOP and the IHOP Affiliates may derive revenue and profit based on your purchases from IHOP or IHOP Affiliates. During Fiscal 2022:

1. IHOP LLC’s total revenues from all sources was \$1,653,000, and its revenue from purchases of products and services required to be purchased by franchisees from us or another supplier was \$904,000, representing 54.7% of its total revenues.
2. IHOP Restaurants LLC’s total revenues from all sources was \$160,410,000, and its revenue from purchases of products and services required to be purchased by franchisees from us or another supplier was \$50,891,000, representing 31.7% of its total revenues.
3. IHOP Leasing LLC’s total revenues from all sources was \$106,867,000, and its revenue from purchases of products and services required to be purchased by franchisees from us or another supplier was \$106,867,000, representing 100% of its total revenues.
4. IHOP Property LLC’s total revenues from all sources was \$9,348,000, and its revenue from purchases of products and services required to be purchased by franchisees from us or another supplier was \$9,348,000, representing 100% of its total revenues.

5. IHOP Franchisor LLC's total revenues from all sources was \$142,211,000, and its revenue from purchases of products and services required to be purchased by franchisees from us or another supplier was \$1,179,000, representing 0.8% of its total revenues.

ITEM 10

FINANCING

Under the Purchase Program only (except as discussed below in this Item 10), IHOP may finance a portion of the Initial Franchise Fee. The down payment will typically be 20% but may be as low as 5%, and is payable upon execution of the Franchise Agreement. The remainder, if any, is payable in equal installments weekly. In exceptional cases, in our sole, subjective discretion, we may agree to finance the entire Initial Franchise Fee. The unpaid balance will bear interest at a rate of between 1% and 12% per annum, but not more than the maximum rate allowed by law. The interest rate would be negotiated and can vary depending upon factors such as the current prime rate of interest, your financial condition and credit history, the operating history and the sales volume of the Restaurant, the length of the term of the lease, and the amount of the Initial Franchise Fee. Payments would begin the first week after the execution of the Franchise Agreement, and would be payable as follows:

The amount of the Initial Franchise Fee which we agree to finance is payable in weekly installments over a period of between (a) one to eight years if the Initial Franchise Fee is not more than \$500,000, or (b) one to 12 years if the Initial Franchise Fee is greater than \$500,000. Weekly payments would depend upon the loan amount, interest rate, and period of the loan.

If there are fewer than 10 years remaining on the term of the lease for the premises, we may in our sole discretion provide for payment of the Initial Franchise Fee in two-tiered installments: (a) one fee for the franchise given the then existing remaining lease term, payable in equal installments over one to eight years; and (b) a second fee, payable only if we or you obtain an extension of the lease term, in equal installments over one to five years (or, depending on the terms negotiated, up to 12 years if the total Initial Franchise Fee is greater than \$500,000). The second fee will be determined case by case based on the particular facts and circumstances, including the length of any extension actually obtained, the operating history, profit margin and volume of the Restaurant, and the condition of the premises and equipment.

If you finance the Initial Franchise Fee through IHOP, you must sign a Promissory Note in the form attached hereto as Exhibit L. In exceptional cases, in our sole, subjective discretion, we may also finance a portion of the down payment pursuant to a separate form of Promissory Note in the form attached hereto as Exhibit L-1, ordinarily payable in one or two installments, within six months to one year. The balance under either form of Promissory Note will, unless waived through negotiations for the down payment promissory note, bear interest at a rate of between 1% to 12% per annum, but not more than the maximum rate allowed by law.

Under the Purchase Program, Single Store Development Program or Multi-Store Development Program, if you have exhausted the Special Renewal Term, Renewal Term and/or other options to renew contained in your existing franchise agreement, and we offer you the opportunity to sign a new franchise agreement to extend your right to operate your Restaurant upon the expiration of your existing franchise agreement, IHOP may agree, in its sole discretion, to finance a portion of the Initial Franchise Fee. In that

case, the down payment will typically be 20%, and is payable upon execution of the Franchise Agreement. The remainder, if any, is payable in equal installments weekly, typically from one to two years. Weekly payments would depend upon the loan amount, interest rate, and period of the loan. If you finance the Initial Franchise Fee through IHOP, you must sign a Promissory Note in the form attached hereto as Exhibit L. The balance under the Promissory Note will typically bear interest at a rate of between 8% to 12% per annum, but not more than the maximum rate allowed by law.

Other than the interest charged, there is no finance charge for IHOP's financing of a portion of the Initial Franchise Fee. There is no pre-payment penalty under the Promissory Note. If you default under the Promissory Note, IHOP can declare the entire unpaid principal balance and accrued interest immediately due and payable, and a default under the Promissory Note will be a default under the franchise documents for the applicable Restaurant.

If you are participating in the Purchase Program, certain major items of equipment and a smallware package must be leased from IHOP or an IHOP Affiliate. Additionally, you must lease the real property and building from IHOP or an IHOP Affiliate. Occasionally, IHOP and/or an IHOP Affiliate will agree to sell these items to a franchisee for a lump sum payment.

If a franchisee is a corporation or other business entity, all its shareholders or owners and their spouses, as applicable, must sign a guarantee in the form(s) attached as Exhibit I, unless waived by IHOP in its sole discretion. The guarantee provides that we may proceed against the shareholders or owners independently of the business entity which owns the franchise and contains various provisions to facilitate this purpose, including waivers of notice and defenses.

There is no waiver of defenses or similar provision in any contract or other instrument to be signed by you, other than that provided in the guarantee. Under the guarantee, you will waive notice of acceptance of the guarantee by any person, notices, and the right to require proceeding against the franchisee under the franchise documents or franchise fee note, or pursuing any other remedy in IHOP's power before bringing an action against the guarantor. IHOP receives no fee or payment from any person for the placement of financing.

IHOP and/or the IHOP Affiliates, as a matter of regular practice (based on the historical operation of our Predecessors and IHOP Affiliates' predecessors), have in the past, and may in the future, assign to its lending institutions and others (for purposes of securing various obligations) some or all notes, contracts or other of your obligations. You must sign those documents required by IHOP, including a consent to assignment and an estoppel certificate, as may be required by the terms of IHOP's financing arrangements. (See paragraph 11.01 of Franchise Agreement (Exhibit B), Article XI of Equipment Lease (Exhibit D), Paragraph 9.1 of Sublease (Exhibit H), Promissory Note (Exhibits L and L-1), Paragraph 8.1 of Multi-Store Development Agreement (Exhibit J). In addition, pursuant to our securitization arrangements, our lending institutions will have a collateral security interest in the franchise documents you will execute.

If you purchase items from IHOP or an IHOP Affiliate or if IHOP or an IHOP Affiliate pays, on your behalf, an obligation of yours under your franchise documents, such as property taxes, IHOP will give you 30 days to pay it ("on account"). If the amount "on account" is not paid within 30 days, IHOP will charge you interest on the unpaid balance at the rate of 12% per year or 1% per month, but not more than the maximum legal rate allowed by law.

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, IHOP is not required to provide you with any assistance. Unless otherwise noted, all cited section references are to the Franchise Agreement.

As described in Item 1, the assistance described below may be performed by one or more IHOP Affiliates on our behalf.

Pre-Opening. If you become an IHOP franchisee, we will provide the following assistance to you before you open your Restaurant:

1. Locating a Site. If you are participating in the Single Store Development or Multi-Store Development Program, we will furnish to you, at no additional cost, information concerning the written materials that you must submit to us for us to consider proposed locations for a Restaurant. We call this the “Development Approval Procedures,” and it includes procedures for the preliminary site review package. If you are participating in the Multi-Store Development Program, we will also provide you with training to familiarize you with our site selection process and site selection guidelines. (Articles 6 and 7, Multi-Store Development Agreement; Article 4, Single Store Development Agreement.)

Although you are solely responsible for selecting the site for your Franchised Restaurant, if you are participating in the Single Store Development or Multi-Store Development Program, we will review information and data you provide regarding your proposed site(s). You may not develop a Restaurant until we have issued our acceptance of the site. IHOP estimates that it takes approximately seven months to obtain site acceptance. This time frame may vary depending on whether you provide the required information to IHOP in a timely manner. The matters considered by us in accepting the location for the proposed site may include the following: (1) proximity to existing IHOP Restaurants; (2) traffic patterns, parking, access and visibility; (3) weekend/weekday retail and commercial traffic generation; (4) existence of legal restrictions on items on signage and IHOP identity features (e.g., our signature blue roof, awning, building height and other architectural elements); (5) proximity to specialty attractions (such as race tracks, sports complexes); (6) population and demographic characteristics of the surrounding area; (7) rent and associated costs; (8) lease and term provisions; (9) estimated cost of tenant improvements; (10) physical characteristics of the premises if already in existence; (11) quality, vitality and growth trends or potential of the surrounding area; (12) effect on future development in the surrounding trade area; and (13) other factors particular to the proposed location or trade area. Under the terms of the Multi-Store Development Agreement you must submit a site to IHOP for review at least eight months before the date by which you must open the Restaurant and the site must be approved at least six months before the date the Restaurant is required to be open. Under the Single Store Development Program, you must submit a site for review by IHOP at least 60 days before the end of the term of the agreement.

If IHOP disapproves or rejects your site, you will not be issued a franchise agreement for the location, and you will not have any rights to develop an IHOP Restaurant at that site, and you must submit another site for approval by IHOP. Your failure to open a Restaurant by the date specified in your Multi-Store Development Agreement may result in termination of the agreement, and the fee is not refundable. You may forestall termination by paying a fee to IHOP to obtain additional time within which to open the Restaurant. (See Articles 2 and 6, Multi-Store Development Agreement and Articles 3 and 4, Single Store Development Agreement for further details regarding the timeframes and site selection process.)

2. Plans and Specifications. If you are participating in the Single Store Development or Multi-Store Development Programs, we will provide you with IHOP’s standard prototypical plans and specifications for the construction of a Restaurant and for equipment and signs and/or remodel specifications for the conversion of a Restaurant to an “IHOP” or “International House of Pancakes” Restaurant. (Section 4.01).

3. Training. This Item 11 summarizes IHOP’s existing training program for IHOP restaurants. IHOP evaluates its training program from time to time and reserves the right to make changes. There are two

primary components to IHOP's training program: (1) Certified Leader Training and (2) Initial Opening Training.

Certified Leader Training

First, First, IHOP requires that each Franchisee have two restaurant leaders (one of which may be Franchisee if he or she is actively participating in day-to-day operations of the restaurant) per restaurant trained in day-to-day IHOP restaurant operations and requires that each obtains and maintains certification through an approved IHOP training program such as the "SMILE Leadership" program described in more detail below. Individuals certified in the day-to-day operations of an IHOP restaurant, and that complete leadership training are referred to as IHOP Certified Restaurant Leaders, or Certified Leaders. Certified Leaders shall be responsible for running the day-to-day operation of the IHOP restaurant which shall be done in accordance with IHOP Standard Operating Procedures and applicable legal and health and safety code requirements.

The training and certification of the two required Certified Leaders must be completed prior to the opening of the new IHOP restaurant. This training is typically offered no later than two months before opening or take-over of the IHOP restaurant. If a Certified Leader is to be replaced by a new individual, such new individual must complete training and obtain his or her certification as a Certified Leader within 90 days of the departing Certified Leader's last day.

If Franchisor provides training to more than the two prospective Certified Leaders, or if Franchisee requests, and is approved to delay the Certified Leader Training more than six months following the opening date of the new IHOP location, Franchisee must pay Franchisor's then-current training fee for such training. As of the date of this Disclosure Document, the fee is \$5,000 per person.

The Certified Leader training program referred to above is comprised of two parts: (1) a six-week program of approximately 45 to 50 hours per week of training and (2) a leadership skills capstone workshop comprised of six sessions, held virtually, over a two-week time period. The initial training program covers foundational restaurant operation skills training and IHOP Brand Standard Operating Practices ("SOP"). This training is delivered through a blended learning approach utilizing a learning management system called IHOP Academy for consistent messaging and knowledge transfer to trainees, workbook assignments and interactive, real-world exercises designed to both introduce and reinforce learning activities. Trainers provide coaching and monitor trainees' progress through the approved IHOP leadership training program ("SMILE Leadership") to ensure key learnings are achieved and to validate that learners can execute IHOP's SOPs. SMILE Leadership includes team member skills training in each of the team member positions: cook, host, server, combo and cashier. The IHOP leadership skills training included in SMILE Leadership layers in various restaurant management topics. Those topics include: effective team leadership, guest safety, daily manager workflow, effective scheduling, productivity management, restaurant hospitality, revenue accounting procedures, team member training, restaurant financial controls, managing equipment, IHOP inspections and IHOP marketing programs. SMILE Leadership is designed as a 6-week program, consisting of five 10-hour days each week, including self-paced study. Trainees must pass online and practical tests which include observation and testing of on-the-job performance to demonstrate knowledge and skill level to advance from the restaurant training program to the restaurant leadership training program, and to graduate from restaurant leadership training. Passing grades must be achieved in both the position and leadership training programs. The leadership skills capstone workshop builds upon the 6-week program. These workshops are comprised of six sessions, held virtually, over a two-week time period. The learner is required to enroll and complete the leadership skills capstone workshop no later than 3 months after completion of the 6-week program. Additionally, trainees must successfully complete an IHOP-approved food safety certification program. Depending on the level of knowledge and experience of the trainee, IHOP reserves the right to increase or reduce the number of hours spent in training, or to change the location of the training to accommodate the needs of the trainee, or IHOP or the applicable IHOP Affiliate. From time to time, in our sole discretion we

may agree to waive or provide alternative training arrangements for certain qualifying franchisees by reason of such persons' prior training and experience.

Certified Leader Training shall be given at such time and location as shall be determined by Franchisor in its sole discretion and may be delivered in whole or in part in a virtual classroom, at an IHOP Restaurant, at a training center designated by Franchisor, or any combination thereof. The trainees shall pursue and complete such training to Franchisor's satisfaction in its sole discretion. IHOP, in its sole discretion, may extend the Initial Training of trainees to: (a) re-enforce skills with which they may be having difficulty; (b) have the trainee "shadow" a Certified Leader to observe, learn and re-enforce the formal training previously completed; or (c) attend a new IHOP opening. The length of training is extended until such time as each trainee is able to achieve its Certified Leader Certification or a mutual decision is reached between IHOP and Franchisee to terminate such trainee's training, which may result in IHOP requiring Franchisee to identify an alternative trainee. If an alternative trainee is identified, all costs associated with the training of such alternative trainee would be Franchisee's responsibility.

Franchisor shall have the right to require Franchisee, its Designated Representative (if applicable), and the Certified Leaders employed by Franchisee to attend at least one management seminar per year. Such management seminars may be given virtually, at an IHOP Restaurant, at a training center, or such other place or combination of places designated from time to time by Franchisor. Franchisor shall not impose any attendance fee or tuition for mandatory seminars but may charge a reasonable fee or tuition for optional seminars.

Even if Franchisor provides the Certified Leader Training, Initial Opening Training, or certain other management seminars without additional charge, Franchisee shall bear all costs and expenses incurred by Franchisee, its Designated Representative, its Certified Leaders, and any other attendees in connection with attendance at all training programs and seminars, including compensation, transportation costs, meals, lodging and other living expenses. Neither Franchisor nor any of its Affiliates will pay any compensation for any services performed by any trainee during any training.

Instructional materials supplied for trainee use during training presently includes a training plan, Operations Manuals, training videos, recipes, course materials, and various other materials as needed.

In addition, IHOP uses an e-Learning system (currently IHOP Academy). IHOP Academy is a web-based personal learning and training environment for the administration, delivery, tracking and reporting of learning programs. Currently, there are no fees associated with the use, access and maintenance of this program, but IHOP reserves the right to charge a fee in the future. IHOP Academy requires certain high-speed internet and technology hardware, and the costs of such internet access and hardware shall be Franchisee's responsibility. Each franchised restaurant is required to maintain 2 Wi-Fi enabled tablet or laptop devices. These devices must be in good working order and meet at least the minimum technical requirements for IHOP's e-Learning system.

Initial Opening Training

In addition to Certified Leader Training, IHOP requires training incident to the opening of each IHOP restaurant ("Initial Training"). IHOP will review Franchisee's experience and staffing plan in order to determine, at its sole discretion, the Initial Training requirements which must be met. In determining such training requirements, IHOP will consider such factors as the candidates' overall restaurant industry experience, IHOP specific experience, as well as whether such candidates have other training resources available to it (e.g. Franchisee already has trained employees that are Certified Leaders acceptable to IHOP who can assist in training the crew of the new IHOP restaurant), and if and when Franchisee last opened a IHOP restaurant. At its sole discretion, IHOP will determine the opening training needs (including the number of trainers required) for each location. IHOP may determine that it is necessary to provide a full complement

of trainers for Franchisee’s restaurant opening. If IHOP determines Franchisee will need training support and/or operational assistance from IHOP to open an IHOP restaurant, Franchisee will pay an Opening Training Support Fee of between \$0 and \$55,000 per restaurant based upon the number of trainers deemed necessary by IHOP. This fee is subject to increase if the opening schedule changes or if overtime is requested.

If applicable, the IHOP provided training team will provide initial training assistance to new hired Team Members for a period of approximately three weeks allocated at IHOP’s discretion between two weeks prior to opening and up to one week after the opening of the restaurant. The scheduling of the training team will generally be done 30 days prior to the anticipated opening date of the Franchised Restaurant, based on the schedule provided by Franchisee. If training must be rescheduled for any reason other than an act of God, Franchisee shall pay to IHOP any increase in costs that are incurred by IHOP due to the scheduling changes, which costs may include but are not limited to increases in airfare, hotel expenses, salaries, car rental, and training material shipping and storage. IHOP estimates this cost to be between \$500 and \$6,000 per person but such costs may be greater. Franchisee shall pay these charges to IHOP within 30 days after billing therefor.

In addition, IHOP uses an e-Learning system (currently IHOP Academy). IHOP Academy is a web-based personal learning and training environment for the administration, delivery, tracking and reporting of learning programs. Currently, there are no fees associated with the use, access and maintenance of this program, but IHOP reserves the right to charge a fee in the future. IHOP Academy requires certain high-speed internet and technology hardware, and the costs of such internet access and hardware shall be Franchisee’s responsibility. Each franchised restaurant is required to maintain 2 Wi-Fi enabled tablet or laptop devices. These devices must be in good working order and meet at least the minimum technical requirements for IHOP’s e-Learning system.

If Franchisee is utilizing IHOP’s training support and/or on-location assistance to open its restaurant and requests that IHOP personnel spend more than 40 hours per week in the restaurant and IHOP approves the request, Franchisee shall pay to IHOP any costs which it may incur, including without limitation, overtime, salaries, for the additional hours.

Currently, IHOP engages Modis Staffing to provide restaurant opening training when deemed necessary by the Brand. IHOP no longer employs staff members for training. Modis Staffing employs approximately 20 trainers with a combined experience of over 200 years.

Restaurant and Management training classes are held upon request of the trainee and held as scheduled with the specific Restaurant Training Program location. Training classes are held in franchisee-owned Restaurants at various locations around the U.S.

You will bear the costs and living expenses for you and your employees to attend training for both the six week program and all workshops. While additional training and refresher courses are offered by IHOP from time to time, you are not required to attend unless attendance is deemed essential by IHOP.

From time to time, we may agree to provide alternative training arrangements for certain qualifying franchisees.

4. Promotional Assistance. We will furnish you with promotional assistance at the time the Restaurant opens to the public. (Section 9.02(b))

5. On-location Assistance. We will furnish you with, at no cost to you, on-location assistance for as long as IHOP shall deem necessary, but not more than 30 days allocated at IHOP’s discretion between the time immediately before and after the opening of the Restaurant. (Section 9.02(a))

6. Technology – POS Setup, Training and Support. If we determine in our sole discretion that you will need POS setup, training, and support for a new Restaurant opening, we will provide you with onsite implementation support for each of your first three Restaurant openings for the cost of \$7,980 plus airfare for one of our support staff. Beginning with your fourth Restaurant, you may choose remote POS setup, training and support for the cost of \$3,500 per Restaurant. This describes our current POS system and provider; however, we may, from time to time, evaluate and approve other systems and/or vendors as an additional POS provider. We reserve the right to increase these fees.

7. Purchase Program. If you are participating in the Purchase Program and taking over the operation of an IHOP Affiliate-operated and IHOP Affiliate-developed Restaurant, you will lease the equipment, signs and fixtures from IHOP or an IHOP Affiliate, and you will purchase the entire existing inventory of paper goods and unopened food from IHOP or an IHOP Affiliate. (See Item 7 for details.) If you are participating in the Single Store or Multi-Store Development Programs, you will acquire the necessary equipment, signs, fixtures, opening inventory and supplies that meet IHOP’s written specifications as set forth in the Operations Manuals from third party suppliers. You may purchase these items from IHOP, or its Affiliates, if available.

Typical Length of Time Before Opening. IHOP estimates that the typical length of time between the signing of the Franchise Agreement and the opening of the Restaurant is: (1) between one to 18 months if you are participating in the Single Store Development or Multi-Store Development Program; and (2) between one hour and 16 weeks if you are participating in the Purchase Program. If you are participating in the Single Store Development or Multi-Store Development Program, factors which may affect these time periods include the obtaining of the necessary financing and completion of necessary construction and/or remodeling, as applicable. If you are participating in the Purchase Program, factors which may affect this time period include

you obtaining necessary funds, through financing or otherwise, and your successful completion of the Training Program.

IHOP's Obligations During the Operation of the Franchise. IHOP (or Dine Brands on our behalf) will provide the following assistance and other services during the operation of your Restaurant:

1. Furnish you with supervision and assistance from field representatives, who shall periodically visit the Restaurant. (Section 9.02(c))
2. Be available at its home office on an ongoing basis to you for guidance concerning the operation and management of the Restaurant. (Section 9.02(d))
3. Furnish you with, if available, additional staff assistance at your request, or if you do not have an IHOP approved manager, IHOP shall have the right to provide same. You must pay the then prevailing price per person per day as shall be specified by the Operations Manual, which price is \$350 per day as of the date of this Disclosure Document, plus any reasonable transportation and living expenses that are incurred by that person traveling to the Restaurant. (Section 9.02(e))
4. Develop advertising, public relations, and promotional campaigns, and consult with you on an ongoing basis concerning the type, content, frequency and nature of proposed national advertising programs. (Section 7.01)
5. Administratively segregate on its books and records an Advertising Fund (described below).
6. Furnish you with one set of Operations Manuals for the Franchised Location. (Section 10.05). Attached as Exhibit M is a copy of the table of contents of the Operations Manuals in effect as of the date of this Disclosure Document that indicates the number of pages devoted to each subject.

Except for the services described above, we are not obligated to provide you with any other services. In addition, if we say that "we may provide" you a service or use similar words, it means that we are not obligated to provide that service to you.

Advertising Expenditures. You will pay to IHOP an Advertising Expenditures Fee of 3.5% of your total Gross Sales, which is made up of the National Advertising Fee and the Local Advertising Fee (Section 7.01). As of the date of this Disclosure Document, 3.5% of your Gross Sales will be allocated to the National Advertising Fee and 0% of your Gross Sales will be allocated to the Local Advertising Fee, as further described below.

National Advertising Fund. The Advertising Fund contains all Table Allowances (as defined in Section 1.02), together with all National Advertising Fees paid by all U.S. franchisees and IHOP affiliates. Dine Brands will maintain an account designated as the "IHOP Advertising Fund Account" in the name of Dine Brands (or a subsidiary thereof) for fees payable by our or IHOP Restaurants LLC's franchisees to fund the national marketing and advertising activities and local advertising cooperatives with respect to the IHOP brand. You will pay a National Advertising Fee in an amount which as of the date of this Disclosure Document is equal to 3.5% of your respective Gross Sales (Sections 7.01, 7.02). Not all franchisees contribute to the National Advertising Fund at the same rate. IHOP (or IHOP Restaurants LLC with respect to franchisees existing as of September 30, 2014 as to whom it serves as franchisor) or Dine Brands will administratively segregate the Advertising Fund on its books and records and furnish you with annual audited summary of information with respect to the receipts and expenditures of monies by and from the National Advertising Fund. If you request a copy of the summary, we will use our best efforts to accommodate your request. IHOP, IHOP Restaurants LLC, or Dine Brands may disburse funds from the Advertising Fund for one or more of the following purposes: (a) advertising, public relations and promotional campaigns and materials designed to

promote and enhance the value of all “IHOP” Restaurants; (b) reimbursing IHOP for its actual expenses incurred in providing administrative services with respect to the National Advertising Fund, as well as the actual, general and administrative expenses of IHOP’s internal Marketing Department (some or all of these costs and expenses may be incurred by an IHOP Affiliate which may perform the services), consultants and third party agencies; and (c) providing contributions to Regional Advertising Cooperatives in an amount as we may determine in our discretion, for local advertising, as described below. No funds from the Advertising Fund are used for advertising that is principally a solicitation for the sale of franchises.

If Advertising Fund expenditures in any one calendar year exceed the total amount contributed to said fund during that year, IHOP (or Dine Brands, or IHOP Restaurants LLC, as applicable) shall have the right to be reimbursed from funds contributed to that fund in a succeeding year. If there is any excess remaining in the fund at the end of any calendar year, the excess shall be retained in the fund for future uses as described above.

Advertising may be disseminated in various media, including television, radio, print, POS, www.ihop.com, mobile app, outdoor banners, and billboards, online, digital, social media and other emerging media on a national, regional or local level, though most advertising is national. Advertising is generated primarily by a national advertising agency under the direction of IHOP’s Marketing Department. Occasionally, IHOP affiliates may receive payments from the Advertising Fund as reimbursement of costs incurred to provide or purchase services or premiums for use by a substantial number of Regional Advertising Cooperatives. During Fiscal 2022, IHOP LLC on its behalf and as agent for its affiliates; spent the following percentages of total Advertising and Marketing Fund revenues on:

Production of commercials and other advertisements	8.9%
Media placement	74.3%
Administrative expenses	3.9%
Public Relations	1.3%
Market Research	0.5%
Advertising Agency Fees	9.3%
Restaurant Advertising	1.7%

Local Advertising. As of the date of this Disclosure Document, there is no Local Advertising Fee. A portion of the Local Advertising Fee may be utilized to fund the purchase of media. You will be reimbursed or will receive credits against your obligation to pay the Local Advertising Fee, up to the amount of the Local Advertising Fee that must be paid by you, for your expenditures for local advertising, or for your contributions to a regional advertising cooperative of which you are a member. Reimbursement or credit is subject to you providing IHOP with suitable proof of the expenditures and to IHOP’s right to offset the costs or expenses which IHOP incurs on account of local advertising. All advertising by you locally, whether on television, radio, in print advertising, on banners, in any electronic or computer medium, or otherwise, must be approved by our Marketing Department. IHOP is not required to spend any amount of advertising in the area where your Restaurant is located.

Advertising Council. There is no advertising council composed of franchisees that advises IHOP on advertising policies. A Franchise Leadership Council of current IHOP franchisees from each IHOP-defined geographic region was created and is sponsored by IHOP and/or its affiliates. The Franchise Leadership

Council has established advertising and menu subcommittees to discuss pertinent issues regarding advertising and marketing. *See* Item 20 for information regarding IHOP’s franchisee Franchise Leadership Council.

Regional Advertising Cooperatives. IHOP or the IHOP Affiliates may develop Regional Advertising Cooperatives designed to promote and enhance the value of all IHOP Restaurants in each region. IHOP (or an IHOP Affiliate) is responsible for administration of the Regional Advertising Cooperatives. Regional Advertising Cooperatives operate pursuant to written Advertising Cooperative Operating Procedures established by IHOP, which are subject to revision from time to time and are available for review by you. The geographical area for each Regional Advertising Cooperative shall be designated by IHOP in our sole subjective judgment, presently based on Nielson’s defined “Designated Marketing Areas (DMA).” You have the option to participate in a Regional Advertising Cooperative that IHOP designates in your Restaurant’s DMA. The amount you contribute to your Regional Advertising Cooperative varies depending on your decision to participate. Not all franchisees contribute to the Regional Advertising Cooperative at the same rate. If the Regional Advertising Cooperative adheres to IHOP’s established Advertising Cooperative Operating Procedures, Restaurants owned by IHOP or one of the IHOP Affiliates within an advertising cooperative region will contribute to, participate in and vote on the same basis as franchised Restaurants in the Region, except that they will not vote on the formation of the advertising cooperative or on the amount to be contributed by members. Your Franchise Agreement provides IHOP with the power to require Regional Advertising Cooperatives to be formed, changed, dissolved or merged. IHOP may in its discretion contribute a portion of the National Advertising Fees paid by franchisees to the Regional Advertising Cooperatives. IHOP may decide to contribute to the advertising cooperatives at any time in its sole subjective discretion. If there are any cooperative contributions remaining in the cooperative at the end of any calendar year, which IHOP is not required to reimburse or credit on account of advertising expenditures incurred by Franchisee, they shall become part of the National Advertising Fund. The local Regional Advertising Cooperatives’ funds are not audited, and there are no financial statements available for review.

POS Systems. Subject to some exceptions, you must purchase or lease, depending on the program, an IHOP-approved POS computer system. All newly developed IHOP Restaurants under the Single Store Development, Purchase and Multi-Store Development Programs are required to have a preapproved computer system, unless a different system is agreed to in writing by IHOP in its sole discretion. The cost of purchasing the POS computer system is between \$20,000 to \$30,000 for hardware and an annual software license fee of \$1,100 to \$3,300, as further described below. All IHOP Restaurants must have a preapproved computer system that meets IHOP’s specifications, unless a different system is agreed to in writing by IHOP in its sole discretion. This section describes our current POS system and provider; however, we may, from time to time, evaluate and approve other systems and/or vendors as a POS provider. We reserve the right to increase these fees. The following POS computer systems are currently approved by IHOP:

The Tray POS system, which consists of hardware and software for a touch screen Android based POS system, through which all server orders are inputted into the server terminals and guest checks are tendered at either the server or cashier terminal, with orders printed in the kitchen via kitchen printers and/or kitchen display monitors. These handheld terminals (also referred to as Tablets) are required for all new restaurant openings.

All new IHOP Restaurants will utilize the current approved version of Tray POS or other preapproved POS system running on approved and up to date hardware, which may include terminals and tablets. In order to maintain compliance with PCI requirements, minimize system downtime, and improve ongoing support, IHOP is further advising franchisees to expect the following on an ongoing basis: (i) monthly updates on supported hardware and software for the POS systems, including those components that will be removed from support; (ii) minor upgrades to the Tray POS every 18 months or as required to meet security requirements;; (iii) server and front of the house terminal upgrades every four to five years; and (iv) Android Operating System upgrades as required to meet security requirements, end of life, and/or minimum systems requirements. Franchisees are responsible for the installation of the security, hardware, and software upgrades to their

operating system as recommended by Tray POS Systems, including all costs, in the timeframe specified by Tray, as required by third parties for PCI compliance.

The Tray POS system also generates various reports, including financial, menu mix, hourly sales, open and closed guest check reports and labor reporting information. IHOP began using the Tray POS System in September, 2021. The Tray POS System is supplied by Vendsy, Inc., Scottsdale, Arizona, 844-873-8729. Tray fees are based on a software as a service model and pricing ranges from \$1,100 to \$3,300 annually based on the number of devices and functionality used in the restaurant. Tray pricing is subject to change. You may obtain help desk support from the Dine Brands Restaurant Technology Support Center, 8700 State Line Road, Suite 200, Leawood, Kansas 66206, (866) 546-9920 at an approximate cost of \$1,000 to \$1,800 per year, subject to change.

All IHOP Restaurants must be compliant with the Payment Card Industry Data Security Standard (“PCI”). You are accountable for ensuring and maintaining PCI compliance at your Restaurant at your sole cost and expense. IHOP reserves the right to set minimally acceptable hardware, software, network, router, firewall and virus protection standards for use in all your IHOP Restaurants, at your cost and expense.

IHOP will have the right to access all the information (including sales and financial data) and the systems that generate them for marketing, audit and sales verification purposes and to retrieve transaction information including sales mix, usage and other operations data both in person and electronically through the internet via a broadband connection, to be obtained and maintained at your cost and expense, or if not available in your area, a separate dedicated telephone line and modem or such alternative electronic means of gathering this information, at your cost and expense, as IHOP may specify from time to time. There are no contractual or other limitations on IHOP’s right to access your computer system.

All IHOP franchisees are required to use Mobile Device Management (“MDM”) on all hardware in the restaurant. This service is currently provided by Esper, a third-party vendor but IHOP reserves the right to evaluate other providers and make changes as required. The fees for this service may be charged directly to you, the franchisee, or IHOP may choose to cover these fees. Fees are per terminal and range from \$12 per device annually to \$24 per device annually.

On-Line Ordering. You must sign an Authorized Operator Agreement for access and use of an approved provider’s on-line ordering system in form and substance approved by us. The current approved provider is Mobo Systems, Inc., but we may use other providers in the future. Currently, the fee with Mobo Systems, Inc. can range from \$65 to \$200 a month (per Restaurant) for the use, access and maintenance of the on-line ordering system. This monthly fee covers the application and menu setup, menu maintenance, service, support and production account maintenance.

EMV/P2P. You must purchase equipment and procure services from an approved vendor approved for credit card processing services. Specifically, you are required to use the approved payment devices (currently Ingenico Lane3000, Move5000, and Mobi tablet devices) purchased through an approved vendor and you are required to use the approved vendor’s EMV processing as part of the credit card gateway solution or any future solution we may implement. Currently, the initial investment ranges between \$1,000 and \$2,500 for equipment and a monthly fee of \$53 to be paid to the vendor.

KDS. You must have a KDS to monitor and organize orders received at your Restaurant. Currently, the initial investment for hardware and installation ranges between \$15,000 and \$30,000.

Curb Side Pick Up (CSPU). CSPU enables restaurants to provide guests the ability to order “to go” food and, through a service provided by “Fly Buy”, monitor when the guest arrives in the parking lot at which time a restaurant team member completes the transaction by bringing the food to the guest in his or her car.

CSPU with “FlyBuy” is SOP but IHOP may determine that it’s necessity or feasibility to provide may not be required for a specific location. This determination is determined by IHOP in its sole discretion.

Waitlist. Waitlist enables restaurants to seat more guests, more efficiently through a service provided by NoWait or Waitwhile. Waitlist is currently optional but may be required by IHOP in the future.

IHOP Loyalty. International Bank of Pancakes is the rewards program that a customer can join through downloading the IHOP app or through ihop.com. The loyalty program is primarily funded by the National Advertising Fund, and there are no additional technology or operating fees required to support the program. Except for certain non-traditional venues, all domestic restaurants must participate in the program. Customers earn “Pancoins” based on their spend on qualifying purchases in restaurant or through IHOP digital channels (app or ihop.com). The “Stack Market” is the virtual marketplace where customers will redeem their Pancoins for coupons for menu items or other items available in the market at that time. Pancoins can be accumulated and redeemed for menu or other items in the Stack Market and only expire after there has been 24 months of inactivity of the customer’s account. Franchisees are responsible for honoring the coupons earned by customers participating in the loyalty program. Additional details and requirements of the program are found in the International Bank of Pancakes Terms and Conditions.

None of the systems (other than the IHOP app referenced in the IHOP Loyalty section) are the proprietary property of IHOP. Except as described above, as of the date of this Disclosure Document, there are no other systems approved for your use. You may be required in the future to upgrade or change your system at IHOP’s request.

ITEM 12

TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. Upon renewal, we reserve the right to terminate, revise or otherwise modify the Franchised Area offered to you for the Restaurant.

Single Store Development Program. If you sign a Single Store Development Agreement in connection with the Single Store Development Program, we will assign you a trade area (which may be limited to a single address) in which you will find a single location and then seek our approval of that location for development of a Restaurant in accordance with our Development Approval Procedures. During the 240 days after we sign the Single Store Development Agreement, you will have the right to propose a Restaurant in a Traditional Venue (i.e., not a Restaurant that is located within another primary business or in conjunction with other businesses or at institutional settings such as schools, colleges and universities, military and other governmental facilities, hospitals, airports, highway rest stops, toll roads, hotels, motels, arenas, travel plazas, office or in-plant food facilities, supermarkets, grocery stores or convenience stores, casinos, stadiums, shopping malls and any other site, venue or location operated by a master concessionaire or contract food service provider in the assigned trade area) and enter into a Franchise Agreement if the site is approved by us.

Multi-Store Development Program. Under the Multi-Store Development Program, you are granted the right to develop and operate IHOP Restaurants in a specified Development Area which may be one or more cities, counties, states, or some other defined area. If and only if the Multi-Store Development Agreement provides you with exclusivity (which it may or may not do), except for Non-Traditional Venues (which such opportunities IHOP may first offer you under certain limited circumstances if the Non-Traditional Venue is in your Development Area (as more completely described in the Multi-Store Development Agreement)) and Other IHOP Concepts (as defined below), during the term of the Multi-Store Development Agreement, IHOP may not own, operate or franchise or license any other IHOP Restaurants in the Development Area unless

either (x) the Restaurant was already in existence at the time the Multi-Store Development Agreement was entered into or, subject to other restrictions, (y) the Restaurant serves as a replacement restaurant for a Restaurant that was already in existence at the time the Multi-Store Development Agreement was entered into and such replacement restaurant is located within the original Restaurant's Franchised Area. Until the termination or expiration of the Multi-Store Development Agreement, you shall retain your right to develop in the Development Area if you comply with your development and other obligations under the Multi-Store Development Agreement. If you fail to meet any of your obligations under the Multi-Store Development Agreement, including the development obligations, or if you breach any Franchise Agreement signed by you pursuant to the Multi-Store Development Agreement, or any other Multi-Store Development Agreement or Single Store Development Agreement with IHOP, IHOP may terminate your right to develop, open and operate new IHOP Restaurants in the Development Area. Termination of the right to develop the Development Area will not terminate any territorial rights relating to the Franchised Area granted under the Franchise Agreements then in effect between you and IHOP. "Other IHOP Concepts" means restaurants which: (a) feature self-serve or counter service and not full table service, (b) have a different or more limited menu than that offered at an IHOP Restaurant, even though that menu may include pancakes and certain other authorized menu items authorized at IHOP Restaurants, and (c) operate under a principal name and mark different from "IHOP" or "International House of Pancakes" but which may include "IHOP" or "International House of Pancakes" together with an additional prefix or suffix, such as and including "IHOP Express."

Under the Multi-Store Development Program only, the continuation of your right to develop in the Development Area is dependent upon your compliance with your development and other obligations under the Multi-Store Development Agreement, and all other agreements with IHOP, as described above.

Franchised Area. If you sign a Franchise Agreement under the Single Store Development, Multi-Store Development, or Purchase Programs, you are granted a franchise to operate one Restaurant at a specific Franchised Location which is agreed upon at the time of the execution of the Franchise Agreement. So long as franchisee is compliant with the terms of the Franchise Agreement, IHOP will not own, operate, franchise or license another Traditional Venue IHOP Restaurant within an exclusive area surrounding the Restaurant (the "Franchised Area"). The geographic scope of the Franchised Area will be determined based on computer modeling conducted by IHOP utilizing a proprietary program which evaluates factors including geo-demographic information about the individuals who work and reside in proximity to the Restaurant location, established drive times for IHOP customers, natural barriers and traffic patterns. We cannot provide any assurance as to the size or shape of the Franchised Area, as it may vary significantly depending on the above referenced factors. IHOP reserves the right to own, operate, franchise and license Restaurants or other business concepts operating under names other than International House of Pancakes or IHOP, to own, operate, franchise and license IHOP Restaurants in Non-Traditional Venues (as defined in the Franchise Agreement), Other IHOP Concepts, and to produce, franchise, license, distribute and market products at or through any Alternative Distribution Channels (as defined in the Franchise Agreement), regardless of the proximity to your Restaurant or location within the Franchised Area; provided, that, our current form franchise agreement provides that we will not develop full-service, full-menu non-traditional IHOP restaurants in travel plazas, truck stops, and convenience stores within 5 miles of the Restaurant. A map of the Franchised Area will be attached to the Franchise Agreement as Exhibit A before its execution. You are free to advertise for customers, wherever located, but all advertising must be approved by IHOP. Unless approved in writing by IHOP, you will not have the right to use other channels of distributions, such as the internet, catalog sales, telemarketing or other direct marketing, to make sales outside your territory. You have no option, right of first refusal or similar right to acquire additional franchises within the Franchised Area or any other areas. You will not have a right to relocate the Restaurant to any other location. If the Restaurant is closed due to governmental action, your death or disability, or force majeure, as provided for in Section 12.01(d) of the Franchise Agreement, and unrelated to a breach by you, you may continue business at the Franchised Location once the Restaurant is again operational.

Continuation of the exclusivity in the Franchised Area as described above is not dependent upon achievement of any particular sales volume, market penetration or other contingency and those rights may not be altered except by mutual written agreement as long as you faithfully perform and observe all of the obligations and conditions to be performed and observed by you under the Franchise Agreement.

Development Impact Assistance Program. In addition to the rights described above, IHOP currently has an internal Development Impact Assistance Program (the “Impact Policy”) which provides certain financial support to an existing Restaurant (the “Affected Restaurant”) if the Franchise Agreement for the Affected Restaurant was executed prior to April 1, 2013 and you open a Restaurant at a site which is: (i) within five miles of the Affected Restaurant; or (ii) adjacent to an interstate highway or freeway, within 10 minutes driving time at the posted speed limit from the Affected Restaurant. In this case, we will not grant you a franchise for the new Restaurant unless you agree to reimburse IHOP for any financial support it pays to the owner of the Affected Restaurant under the Impact Policy. The total amount of financial support that will be provided to the owner of the Affected Restaurant will be determined by IHOP based on a combination of factors, including but not limited to, a review of the relevant market, information from you and the owner of the Affected Restaurant, input from IHOP’s personnel, and any relevant impact study. At the close of each full calendar quarter for the 12 consecutive quarters following the opening of your Restaurant, the Affected Franchisee will be entitled to receive a credit against its general account balance equal to a portion of the financial support. 50% of the financial support will be credited in equal amounts for quarters one through four. 30% of the financial support will be credited in equal amounts for quarters five through eight. 20% of the financial support will be credited in equal amounts for quarters nine through 12. You will be fully informed about all reimbursement amounts you may be required to pay us before you are required to decide to execute your Franchise Agreement.

The Impact Policy is a program unilaterally accorded by IHOP to its franchisees as it may be in effect from time to time but it does not grant you any contractual rights or entitlements, nor does it amend your Franchise Agreement, and it is subject to termination, revision or withdrawal by IHOP in its sole and absolute discretion at any time or times, without notice. A copy of our current policy is attached as Exhibit Q.

IHOP or one or more IHOP affiliates have in the past and may in the future, acquire other chains, or establish other franchises or company-owned outlets, which sell similar products or services under a different trade name or trademark. As discussed in Item 1 of this Disclosure Document, IHOP’s affiliate, Applebee’s (or its affiliate), currently operates and franchises Restaurants under the trade name “Applebee’s Neighborhood Grill & Bar.” Additionally, IHOP’s affiliate, Fuzzy’s Taco Opportunities, LLC (or its affiliate) currently operates and franchises restaurants under the trade name “Fuzzy’s Taco Shop.” There is no restriction on these affiliates or their franchisees from developing restaurants of their systems (currently “Applebee’s Neighborhood Grill & Bar” brand Restaurants and “Fuzzy’s Taco Shop” brand restaurants) or other Restaurants that sell similar products or services unless under a different trade name or trademarks or soliciting customers near any IHOP Restaurant, nor is IHOP or its franchisees restricted from operating IHOP Restaurants or soliciting customers near any Applebee’s brand Restaurant or Fuzzy’s Taco Shop brand restaurant. We do not expect that there will be material conflicts between these systems regarding territory, customers or franchisor support. The principal business address for the Applebee’s operations is 10 West Walnut Street, Pasadena, California 91103, and the principal business address for the Fuzzy’s Taco Shop chain’s operations is 4200 Regent Boulevard, Suite C-210, Irving, Texas 75063.

Other IHOP Concepts. Within the category of “Other IHOP Concepts,” IHOP franchises and may operate a business under a different trademark. Specifically, IHOP is developing, testing, refining and franchising a system for operating restaurants that fits within the definition of “Other IHOP Concepts” under the name “flip’d by IHOP” or another name selected by IHOP and may operate such restaurants. It is contemplated that while such restaurants will have certain overlapping menu items with those sold by franchisees, including without limitation products like buttermilk pancakes, such restaurants will offer a different service model and guest experience. Accordingly, in circumstances where there exist both a traditional IHOP and a flip’d by IHOP in proximity to each other, a guest could potentially decide between the two restaurants based on the desired service level and guest experience. Based on factors including differences in the service model and guest experience between the two systems, we do not expect that there will be material conflicts between the systems regarding territory, customers and franchisor support. While it is contemplated that these restaurants will be franchised as opposed to franchisor owned or operated, IHOP reserves the right to own and operate such restaurants. IHOP began its test or pilot program for such restaurants during calendar 2022. The principal business address for Flip’d by IHOP operations is 10 West Walnut Street, Pasadena, California 91103. IHOP does not plan to maintain physically separate offices and training facilities for the two systems.

There is no presently effective determination of the United States Copyright Office (Library of Congress) or any court affecting these copyrights. There is no currently effective agreement that limits our right to use and/or license our copyrights. If the Franchisee is one of the two required Certified Leaders for a restaurant, you must actively participate in the day-to-day operation of the franchised restaurant and employ an additional Certified Leader. You must attend and satisfactorily complete IHOP's Certified Leader Training Program, unless IHOP agrees to waive this requirement. If IHOP waives this requirement for you to be actively involved in the day-to-day operation of the franchised restaurant, then two Certified Leaders are required to operate the restaurant's day to day operations. IHOP may at its discretion waive your Certified Leader Training requirement if: (i) you are deemed to have the necessary experience operating IHOP restaurants; or (ii) you agree to hire two Certified Leaders who have satisfactorily completed the IHOP's Certified Leader Training Program or who are deemed by IHOP to have the necessary experience operating IHOP Restaurants. There is no requirement that the Certified Leader own an equity interest in the franchise. In addition, at our request, you must have your Certified Leader enter a confidentiality agreement. Refer to Items 11 and 14 for details. Also, refer to Section 14.01 of the Franchise Agreement regarding non-competition.

In addition, that person shall be president (if a corporation), general partner (if a partnership), manager (if a limited liability company) or the comparable position if it is any other form of business entity. IHOP will review any proposed deviations from these approved structures at your request, provided you agree to reimburse IHOP for all legal fees and costs it may incur in this review process. Refer to Section 10.08 of the Franchise Agreement for details.

Each person who is or becomes a direct or indirect owner of the franchisee entity (including partners, limited liability company members, and shareholders) and the spouses of any owner must sign the Guarantee of Obligations in the form we prescribe, undertaking to be bound jointly and severally by the terms of the Franchise Agreement. The current form of Guarantee of Obligations is attached as Exhibit I. From time to time, we may make exceptions to this requirement in our sole discretion.

You must offer all items and products that IHOP designates as required for all franchisees for sale and service from or at the Restaurant. IHOP shall have the right, at its sole discretion, to change from time to time, without limitation, any items or products designated and approved for use by you without further modification to the Franchise Agreement or any other agreement between us. ___ years after the date the Franchised Restaurant opens for business, or

on _____.

3.02 Special Renewal Term.

(a) If: (i) the Initial Term set forth in Section 3.01 is less than ten years; (ii) Franchisor, the Leasing Affiliate, or Franchisee, as applicable, shall have accepted any renewal, extension or New Master Lease for the Franchised Location, thereby extending the Master Lease beyond the Initial Term; (iii) Franchisee shall have agreed to pay a Deferred Initial Fee as set forth in Section 5.01(b); and (iv) Franchisee shall have satisfied in all respects the requirements and conditions set forth in Sections 3.04 through 3.06, Franchisor shall provide Franchisee with the right, but not the obligation (“**Renewal Right**”), to execute a Renewal Agreement for a period (the “**Special Renewal Term**”) which shall commence at the end of the Initial Term and shall terminate (subject to earlier termination as provided in Section 3.01(b)) one day prior to the expiration of the New Master Lease (but in no event for a period which when combined with the Initial Term is more than 25 years).

(b) This Section 3.02 shall not apply: (i) if this Agreement has been executed as a renewal or extension of a preexisting franchise agreement; (ii) if Franchisee has executed this Agreement in connection with its purchase of an existing franchisee’s business and the existing franchisee’s franchise agreement does not expressly grant a Special Renewal Term; or (iii) if “other” is checked in Recital C to this Agreement.

(b) This Section 3.03 shall apply if this Agreement has been executed for a “Special Renewal Term” pursuant to Section 3.02 of Franchisee’s preexisting franchise agreement, but shall not apply: (i) if this Agreement has otherwise been executed as a renewal or extension of a preexisting franchise agreement (e.g., for an “option term” pursuant to Section 3.03 of Franchisee’s preexisting franchise agreement, or if such preexisting franchise agreement did not otherwise expressly grant Franchisee any further right to renew); (ii) if Franchisee has executed this Agreement in connection with its purchase of an existing franchisee’s business and the existing franchisee’s franchise agreement does not expressly grant a right to renew or to enter into a Renewal Agreement; or (iii) if “other” is checked in Recital C to this Agreement.

3.04 Form and Manner of Renewal.

Franchisee shall exercise its Renewal Right, if at all, strictly in the following manner:

(a) At least 18 months but not more than 24 months before the expiration of the Initial Term of this Agreement, Franchisee shall notify Franchisor in writing (“**Renewal Notice**”) that it intends to exercise its Renewal Right and shall request a copy of Franchisor’s Then-Current franchise disclosure document (the “**Franchise Disclosure Document**”), immediately upon receipt of which Franchisee shall sign and return to Franchisor the acknowledgment of receipt attached to the Franchise Disclosure Document, and no sooner than 14 days nor more than 21 days after Franchisee receives the Franchise Disclosure Document, if applicable, and execution copies of the Renewal Agreement, Franchisee shall execute the copies of the Renewal Agreement and return to Franchisor.

(b) If Franchisee subleases the Franchised Location from Franchisor or its Leasing Affiliate, Franchisee shall execute and return to Franchisor or its Leasing Affiliate, as applicable, the Then-Current form of sublease or amendment to sublease which Franchisor or the Leasing Affiliate, as applicable, shall prepare and deliver to Franchisee in accordance with Section 3.07(b), within 21 days after delivery of the same to Franchisee by Franchisor or the Leasing Affiliate.

(c) If Franchisee shall have exercised its Renewal Right in accordance with Section 3.04(a) and (b) and satisfied all of the conditions contained in Section 3.06, Franchisor shall execute the Renewal Agreement executed by Franchisee and at the expiration of the Initial Term deliver one fully executed copy thereof to Franchisee.

(d) If Franchisee fails to perform any of the acts, or deliver any of the documents required pursuant to the provisions of Section 3.04 in a timely fashion, such failure shall be deemed an election by Franchisee not to exercise its Renewal Right and shall automatically cause Franchisee’s Renewal Right to lapse and expire, and this Agreement shall terminate at the end of the Initial Term.

3.05 Modification of Renewal Franchise Agreement.

Notwithstanding anything to the contrary herein, the Renewal Agreement, if executed by parties hereto, shall differ, and be modified, from Franchisor’s Then-Current form of franchise agreement in the following respects:

(a) Franchisee shall be required to pay the Renewal Fee as set forth in Section 3.03(a) for the General Renewal Term; provided however, that if Franchisor has deferred the Initial Franchise Fee, in whole or in part, pursuant to Section 5.01(b), Franchisee, with respect to the Special Renewal Term, prior to

execution of the Renewal Agreement, shall have paid the Deferred Initial Fee and/or executed and delivered to Franchisor the promissory note, in accordance with Section 5.01(b).

(b) Franchisee's Continuing Royalty will not exceed the rate set forth in Section 6.01.

(c) The Term shall be deemed modified consistent with Section 3.03 (and Section 3.02, if applicable) and either: (i) all references to a Renewal Term contained in the Renewal Agreement shall be deleted and Franchisee shall have no further right or option to renew or to execute any further Renewal Agreement, or (ii) if this Agreement has been executed for a Special Renewal Term, Franchisee shall be provided with one additional Renewal Right after the Special Renewal Term, as described in Sections 3.02 and 3.03.

(d) Franchisee acknowledges and agrees that Franchisor's Then-Current form of franchise agreement may contain terms substantially different than those contained in this Agreement, which may include, without limitation, a different Franchised Area, and a National Advertising Fee and Local Advertising Fee exceeding the rates set forth in Section 7.01, depending on the rates set forth in the Then-Current franchise agreement.

3.06 General Conditions Precedent to Renewal.

Franchisee's right to enter into a Renewal Agreement, in accordance with the provisions of Section 3.03 (or Section 3.02, if applicable) is conditioned upon Franchisee's fulfillment of each and all of the following conditions precedent:

(a) At the time Franchisee delivers its Renewal Notice to Franchisor and at all times from such notification to the time of the commencement of the term of the Renewal Agreement, Franchisee shall have fully performed all of its obligations under this Agreement and under all other agreements which may then be in effect between Franchisee and Franchisor or its Affiliate, including any sublease, equipment lease, and promissory note, and each Franchisee-Affiliate shall have fully performed all of its obligations under each and every agreement between such Franchisee-Affiliate and Franchisor or its Affiliate.

(b) At the time Franchisee notifies Franchisor of its election to renew, and at the commencement of the Renewal Agreement, Franchisee shall have not received four or more notices of default during any 24-month period during the Initial Term of this Agreement, whether or not such defaults were cured.

(c) If Franchisor has deferred the Initial Franchise Fee, in whole or in part, pursuant to Section 5.01(b), with respect to the Special Renewal Term, if applicable, Franchisee shall have paid the Deferred Initial Fee and/or executed and delivered to Franchisor a promissory note providing for the payment of the Deferred Initial Fee, in accordance with Section 5.01(b), or Franchisee shall pay the Renewal Fee pursuant to Section 3.03(a) with respect to the General Renewal Term.

(d) Concurrently with Franchisee's delivery of its Renewal Notice, Franchisee shall have provided written evidence and assurance satisfactory to Franchisor of Franchisee's financial ability to refurbish and remodel the Franchised Restaurant pursuant to Section 4.03(b), and prior to the expiration of the Initial Term, Franchisee, at its sole expense, shall have completed refurbishing and remodeling the Franchised Restaurant, pursuant to Section 4.03(b), shall have repaired the Franchised Restaurant so that it is in first class condition and repair pursuant to Section 4.03(a), and shall have otherwise brought it into conformity with Franchisor's specifications and standards, as respects building design, furniture, fixtures, signs, equipment and color schemes, as are then applicable for new franchises being granted by Franchisor for the operation of IHOP Restaurants. If Franchisee fails to fully remodel the Franchised Restaurant prior to the commencement of the

Renewal Term, the Renewal Right shall lapse and this Agreement shall automatically terminate without notice to Franchisee unless the time for completion of the remodel has been extended by Franchisor in writing.

(e) Franchisee shall have secured the right to continue to occupy the Franchised Location after the expiration of the Initial Term and throughout the Renewal Term by having renewed or extended its lease or sublease, or executed a new or amended lease or sublease (at Franchisor's election, on the Then-Current form of agreement, if the Franchised Location is leased or subleased from Franchisor or its Affiliate) and Franchisee shall have delivered to Franchisor a fully executed copy of the lease, extension, or amendment, as applicable (including all exhibits, schedules, addendums, and amendments thereto), in the form approved by Franchisor, no later than the expiration of the Initial Term.

(f) At the time Franchisee delivers its Renewal Notice to Franchisor and at all times from and after such notification to the time of the commencement of the term of the Renewal Agreement, Franchisee shall meet the Then-Current standards set by Franchisor for issuing new franchises to existing franchisees.

3.07 No Duty by Franchisor to Renew Master Lease.

(a) Franchisee acknowledges that its right to enter into a Renewal Agreement, and the continuation of the Term, shall be subject to the continuation of Franchisee's right to occupy the Franchised Location. If the Franchised Location is leased or subleased by Franchisee from a third party, it shall be Franchisee's sole responsibility to maintain its lease or sublease for the Franchised Location in full force and effect. If Franchisee subleases the Franchised Location from Franchisor or its Leasing Affiliate, neither Franchisor nor its Leasing Affiliate shall be obligated to exercise any renewal right or option available to it under the Master Lease, or otherwise, and any decision to exercise any option to renew or extend the Master Lease may be exercised in its sole and absolute discretion. If Franchisor or such Leasing Affiliate shall decide not to renew or exercise any such option to renew, it may in its sole discretion (if and to the extent permitted to do so under its Master Lease) assign any such renewal right or option to Franchisee who may exercise it in its own name and behalf; provided however, that Franchisor shall not be required to continue, assume, or undertake, any continuing liability with respect to the lease for the Franchised Location, whether as assignor, signatory or guarantor, and it shall be Franchisee's exclusive responsibility to provide such guarantees, security or other financial assurances as may be acceptable to the lessor. Any such option (if exercised) or renewal, extension or new Master Lease (if accepted by Franchisor or the Leasing Affiliate, as applicable) shall be referred to herein as the "**New Master Lease.**"

(b) Should Franchisor or the Leasing Affiliate, as applicable, as a condition to or in consideration for the New Master Lease, be required to or otherwise agree to increases in base rental, percentage rental, taxes and/or "other expenses" in excess of those previously required of Franchisee as lessee, under the Master Lease, Franchisor or the Leasing Affiliate, as applicable, shall have the right to increase in a like dollar amount, any, all, or any combination of the base rental, percentage rental, taxes and/or "other expenses," respectively, to be paid by Franchisee to Franchisor or the Leasing Affiliate pursuant to the sublease or amendment to sublease to be executed by Franchisee under Sections 3.04(b) and 3.06(e), respectively. Any such increase(s) in Franchisee's base rental, percentage rental, taxes and/or "other expenses" shall be equal in dollar amount to the increase(s) therein required of Franchisor or the Leasing Affiliate, as applicable, as lessee in connection with the New Master Lease. By way of illustration, if the original Master Lease called for a minimum monthly rental of \$1,000.00, and the New Master Lease called for a minimum monthly rental of \$2,000.00, with no change in the amount of percentage rental, Franchisee's sublease minimum rental would increase by \$1,000.00 per month due and payable on a weekly basis. "Other expenses" may include a onetime payment to Franchisor's or the Leasing Affiliate's master landlord in consideration for the New Master Lease, new or increased administrative fees or common area maintenance charges, and/or capital expenditures or expenses for remodeling, refurbishment, expansion, renovation, repair or decoration of the interior, exterior or surrounding areas of the Franchised Location. Any such obligations shall be in addition to those required under Section 3.06(d); in the event of any conflict between work to be performed under Section 3.06(d) on the

one hand, and this Section 3.07(b), on the other hand, the resolution thereof shall be determined by Franchisor or the Leasing Affiliate, as applicable, in its sole and absolute discretion.

3.08 Notice of Expiration Required by Law.

If Applicable Law requires that Franchisor give notice to Franchisee prior to the expiration of the Term, this Agreement shall remain in effect on a week-to-week basis until Franchisor has given the requisite notice required by such Applicable Law. Notwithstanding anything to the contrary herein, if Franchisor is not offering new franchises or is otherwise not lawfully able to offer Franchisee its Then-Current form of franchise agreement at the time Franchisee elects to renew, Franchisor may, at its option, agree to renew this Agreement on its current terms, or extend the Term until it is lawfully able to offer its Then-Current form of franchise agreement.

IV
RESTAURANT CONSTRUCTION AND REFURBISHING

4.01 Standard Plans and Specifications.

(a) If the Franchised Restaurant has not been constructed as of the Effective Date, Franchisor or its Affiliate shall furnish to Franchisee, at no additional charge to Franchisee, Franchisor's standard plans and specifications for the erection of an IHOP Restaurant and for equipment and signs, but excluding site plans. Franchisee shall, at its sole cost and expense, prepare site plans, and make such modifications to Franchisor's standard plans and specifications, as may be required to construct the Franchised Restaurant and the entire Franchised Location in conformity with Applicable Law. Franchisee shall not make or allow any change or addition to be made in or to the plans or specifications furnished by Franchisor or its Affiliate without Franchisor's or its Affiliate's, as applicable, prior written consent and approval, which consent and approval shall not be unreasonably withheld. If requested by Franchisor, upon completion of the construction, and prior to opening, Franchisee shall cause its architect to provide to Franchisor a certification that the building was built in accordance with plans previously submitted and approved by Franchisor and that the plans as submitted to Franchisor comply with all Applicable Laws and codes. It is Franchisee's responsibility to ensure that the building complies with all Applicable Laws and codes.

(b) If the Franchised Restaurant is to be converted to an IHOP Restaurant by Franchisee, Franchisor or its Affiliate will furnish to Franchisee, at no cost to Franchisee, Franchisor's standard plans and specifications for the construction of an IHOP Restaurant and for equipment and signs, and/or remodel specifications for the conversion of a restaurant. Franchisee shall, at its sole cost and expense, adapt the standard plans to the particular site in conformity with Franchisor's standard plans, prepare site plans and submit the same to Franchisor or its Affiliate for its written approval. Any further modifications to the plans or deviations from the provided plans and specifications are subject to the prior written approval of Franchisor or its Affiliate, as applicable. If requested by Franchisor, upon completion of the construction, and prior to opening, Franchisee shall cause its architect to provide to Franchisor a certification that the building was converted in accordance with plans previously submitted and approved by Franchisor and that the plans as submitted to Franchisor comply with all Applicable Laws and codes. It is Franchisee's responsibility to ensure that the building complies with all Applicable Laws and codes.

4.02 Construction.

(a) If this Agreement has been signed under the Single Store Development Program or Franchisor's multi-store development program (the "**Multi-Store Development Program**"), Franchisee shall, at its sole cost and expense, acquire the Franchised Location through purchase or lease, and promptly either erect, or cause to be erected, or convert the building, as applicable, to an IHOP Restaurant at the Franchised Location which conforms to the plans and specifications furnished to Franchisee, pursuant to Section 4.01(a)

or (b) as applicable. Franchisee shall use its best efforts to promptly complete construction or conversion, as applicable, and have all fixtures, furnishings, machinery and equipment installed, parking areas completed, inventory delivered, business and other permits obtained, personnel employed and all other necessary things attended to so that the Franchised Restaurant shall be open for business to the public no later than _____ or as otherwise determined by Franchisor in writing in its sole discretion.

(b) If this Agreement has been signed under the Single Store Development Program or the Multi-Store Development Program, Franchisee shall provide Franchisor with comprehensive information regarding all phases of the development process of the Franchised Location as Franchisor may require, and weekly progress reports during construction, in a format designated by Franchisor. Such information shall include, without limitation, the name, telephone number, and address of the architect, civil engineer, surveyor, general contractor, and environmental consultant, and the primary contact for each, copies of all permits, and digital photographs, and shall be submitted to Franchisor via hard copy, electronically including subscribing to a web based construction tracking service, or by such other means as Franchisor may designate.

(c) If this Agreement has been signed under the Single Store Development Program, notwithstanding anything to the contrary contained in Section 4.02(a), Franchisee may, at its option, forestall the termination of this Agreement by Franchisor caused by Franchisee's failure to open the Franchised Restaurant by the date set forth in Section 4.02(a), provided Franchisee has broken ground and commenced construction by the date set forth in Section 4.02(a), by providing Franchisor with written notice of Franchisee's request for additional time, specifying the amount of additional time requested, which in no event shall exceed 60 days, and by paying to Franchisor the sum of \$350.00 per day ("**Delayed Development Fee**") in advance with such written notice, for each day (in whole or in part) for which the extension of time is requested; provided however, if Franchisee shall have failed to open the Franchised Restaurant within 60 days after the date set forth in Section 4.02(a), or to pay the Delayed Development Fee for the extended period, then such failure shall constitute a Material Breach of this Agreement pursuant to Section 12.01.

(d) If this Agreement has been signed under the Multi-Store Development Program, notwithstanding anything to the contrary contained in Section 4.02(a), Franchisee may, at its option, forestall the termination of this Agreement by Franchisor caused by Franchisee's failure to open the Franchised Restaurant by the date set forth in Section 4.02(a), provided Franchisee has broken ground and commenced construction by the date set forth in Section 4.02(a), by providing Franchisor with written notice of Franchisee's request for additional time, specifying the amount of additional time requested, which in no event shall exceed 60 days, and by paying to Franchisor the Delayed Development Fee in advance with such written notice, for each day (in whole or in part) for which the extension of time is requested; provided however, if Franchisee shall have failed to open the Franchised Restaurant within 60 days after the date set forth in Section 4.02(a), or to pay the Delayed Development Fee for the extended period, then such failure shall constitute a Material Breach of this Agreement pursuant to Section 12.01. Payment of the Delayed Development Fee hereunder shall constitute payment of the Delayed Development Fee as set forth in Section 2.1.2 of the multi-store development agreement (the "**Multi-Store Development Agreement**") between the parties hereto or their Affiliate(s), as applicable.

4.03 Maintaining and Refurbishing of Franchised Restaurant.

(a) Franchisee shall at all times during the Term maintain at its sole expense the interior and exterior of the Franchised Restaurant and the entire Franchised Location, including the parking lot and the point-of-sale system, in first class condition and repair, and in compliance with all Applicable Laws and the Operations Bulletins, except to the extent Franchisor may otherwise expressly agree in writing.

(b) Except as otherwise provided herein, every five years during the entire Term hereof, at Franchisee's sole cost and expense, Franchisee shall refurbish, remodel and improve the Franchised Restaurant in accordance with Franchisor's Then-Current standards as set forth in the Operations Bulletins or

as otherwise promulgated by Franchisor and provided to Franchisee. Franchisee shall commence the first such refurbishing, remodeling and improving [check one] [] on _____, or [] on the anniversary date occurring seven years from the Effective Date. Each subsequent refurbishing, remodeling and improving shall commence five years from the date on which the last such refurbishing, remodeling and improving was required to be commenced in accordance with the above, subject to exceptions approved in writing by Franchisor in its sole discretion. Franchisee shall complete any such refurbishing, remodeling and improving as expeditiously as possible, but in any event within 30 days after commencing same. This refurbishment and remodel requirement is in addition to and does not include the maintenance obligations set forth in Section 4.03(a). To the extent that Franchisor requires Franchisee to make additional changes to the refurbishing, remodeling and improving of the Franchised Restaurant in order to comply with Franchisor's Then-Current standards as set forth in the Operations Bulletins or as otherwise promulgated by Franchisor and provided to Franchisee, Franchisee shall promptly address such changes to Franchisor's satisfaction.

(c) Franchisor or its Affiliate may, on one or more occasions, by written notice to Franchisee, waive or defer for such period of time as Franchisor may deem appropriate, Franchisee's obligation to refurbish, remodel and improve the Franchised Restaurant.

4.04 Lease Requirements and Franchisor's Succession Rights.

(a) If Franchisee leases the Franchised Location or the Franchised Restaurant from a third party, the lease shall expressly provide, by lease addendum in a form prescribed by Franchisor, unless Franchisor modifies or waives these requirements in writing, that: (i) in the event of any breach or claim by the landlord thereunder of any breach by Franchisee, such landlord shall be obligated to notify Franchisor in writing at least 30 days prior to the termination of such lease, whereupon Franchisor or an Affiliate shall have the right, but not the obligation, to cure such breach and succeed to Franchisee's rights thereunder; (ii) in the event of the termination of this Agreement as a result of Franchisee's breach hereof, and upon Franchisor's or such Affiliate's written election to Franchisee to be made within ten days after the date of such termination, Franchisor or its Affiliate shall have the right to succeed to Franchisee's rights under the lease; and (iii) if Franchisor does not elect the foregoing right to succeed to Franchisee's rights under the lease, landlord shall permit Franchisor to have reasonable access to the leased premises for the purpose of de-identifying the Franchised Restaurant such that it will no longer be recognized as an IHOP Restaurant. If Franchisor or such Affiliate elects to succeed to Franchisee's rights under the lease, as described in this Section 4.04(a), Franchisee shall assign to Franchisor or such Affiliate all of its right, title and interest in and to such lease, whereupon the landlord thereunder shall attorn to Franchisor or such Affiliate as the tenant thereunder. Franchisee shall execute and deliver to Franchisor or such Affiliate such assignment and take such further action as Franchisor or such Affiliate, as applicable, in its sole and absolute discretion, may deem necessary or advisable to effect such assignment, within ten days after written demand by Franchisor or such Affiliate to do so, and upon Franchisee's failure to do so, Franchisor or such Affiliate shall be, and hereby is, appointed Franchisee's attorney in fact to do so. This power of attorney granted by Franchisee to Franchisor or such Affiliate is a special power of attorney coupled with an interest and is irrevocable and shall survive the death or disability of Franchisee. Any sum expended by Franchisor or such Affiliate to cure Franchisee's breach of the lease shall be deemed additional sums due Franchisor or its Affiliate hereunder and Franchisee shall pay such amount to Franchisor or its Affiliate upon demand. The covenants of Franchisee contained in this Section 4.04(a) shall survive the termination of this Agreement.

(b) Franchisee shall deliver to Franchisor a fully executed copy of the lease for the Franchised Location (including all exhibits, schedules, addendums, and amendments thereto) promptly after execution thereof by Franchisee and the landlord in the form previously approved by Franchisor, which shall be no later than the opening date of the Franchised Restaurant. Franchisee shall duly and timely perform all of the terms, conditions, covenants and obligations imposed upon Franchisee under the lease for the Franchised Location.

4.05 Damage and Destruction; Condemnation.

(a) In the event of damage or destruction to the Franchised Restaurant, or any portion thereof, at any time during the Term, this Agreement shall continue in full force and effect. Franchisee shall proceed as soon as possible but no later than 30 days after the date of the occurrence of any damage or destruction, to repair, replace and restore the Franchised Restaurant to its condition prior to such damage or destruction. If Franchisee is proceeding diligently and through no fault of Franchisee, Franchisee is unable to commence the repair, replacement and/or restoration within the 30-day period, Franchisor shall allow Franchisee such additional reasonable period of time as Franchisor deems reasonably necessary to commence same. Such construction shall be completed and the Franchised Restaurant shall reopen for business not later than 12 months following the date of such damage or destruction. If Franchisee is proceeding diligently and through no fault of Franchisee, Franchisee is unable to complete the construction and reopen for business within 12 months following the date of damage or destruction, Franchisor shall allow Franchisee such additional reasonable period of time as Franchisor deems reasonably necessary to complete same and reopen for business. Franchisee shall have available to it the proceeds, if any, from the policy or policies of insurance maintained by Franchisee pursuant to Section 10.4 and the Operations Bulletins to pay for such repair, replacement and restoration of the Franchised Restaurant, subject to the provisions of the Master Lease, if applicable. In the event the proceeds from such insurance are insufficient or not available to pay for any repair, replacement or restoration of the Franchised Restaurant, Franchisee shall, at its sole cost and expense, complete the repair, replacement and restoration of the Franchised Restaurant, and provide to Franchisor, within 15 days of a request by Franchisor, such written assurances as Franchisor may require, in its sole and absolute discretion, that Franchisee will pay for the cost of such repair, replacement and restoration. In the event Franchisee shall fail to provide Franchisor with satisfactory assurances that Franchisee shall pay for the total cost of any repair, replacement or restoration of the Franchised Restaurant, Franchisor may, in its sole and absolute discretion, in writing delivered to Franchisee within 90 days after such damage or destruction, terminate this Agreement as of the date of such damage or destruction.

(b) In the event that any portion of the Franchised Location or interest therein is taken by any Governmental Authority under power of eminent domain or a sale by landlord or Franchisor or its Affiliate, if Franchisor or its Affiliate is the landlord of the Franchised Location, to or as directed by any authority having the power of eminent domain either under the threat of condemnation or while condemnation proceedings are pending, then subject to the provisions of the Master Lease and Sublease with Franchisor or its Affiliate, if applicable, and unless the purpose of this Agreement is frustrated by such taking or sale of a portion of the Franchised Location, Franchisee shall repair and restore the Franchised Location at Franchisee's cost and expense.

(c) If Franchisee is required to repair or restore the Franchised Restaurant pursuant to Section 4.05(a) or (b), Franchisee shall make every effort to have the repaired or reconstructed Franchised Restaurant reflect the Then-Current image, design and specifications of new IHOP Restaurants.

(c) If Franchisee is executing this Agreement pursuant to the Single Store Development Program under which Franchisee paid a location fee (the "**Location Fee**"), Franchisee shall pay to Franchisor the sum of \$50,000.00 as the Initial Franchise Fee, less the Location Fee of \$15,000.00 paid for the Franchised Location, due and payable upon execution of this Agreement.

(f) If Franchisee is executing this Agreement pursuant to the terms of an area development agreement (the "**Area Development Agreement**") for a Franchised Location within the Exclusive Territory defined therein, there shall be no additional Initial Franchise Fee payable pursuant to the execution of this Agreement, but any balance which remains unpaid in respect of the franchise fee previously incurred by Franchisee pursuant to the Area Development Agreement shall remain due and payable on the terms previously agreed, as shall Franchisee's other obligations to Franchisor.

(g) If "other" is checked in Recital C to this Agreement, Franchisee shall pay to Franchisor the sum of \$50,000 as the Initial Franchise Fee, due and payable upon execution of this Agreement.

(h) If Franchisee is executing this Agreement as a renewal or extension of an existing franchise for a General Renewal Term, Franchisee shall pay to Franchisor the sum of \$10,000 as a "Renewal Fee", due and payable upon execution of this Agreement.

5.02 Any time a fee is due pursuant to Section 5.01 but Franchisor has not received such fee within 5 business days after the Effective Date, Franchisee authorizes Franchisor, at Franchisor's election and without obligation to do so, to electronically debit such fee from any of Franchisee's accounts enrolled in Franchisor's electronic funds transfer program. Should, for any reason whatsoever, the funds in any such account be insufficient to pay in full the amount due, Franchisee shall remain liable for such shortfall and, immediately upon demand, remit to Franchisor the full amount of any such deficiency.

VI

GROSS SALES AND RECORD KEEPING

6.01 Continuing Royalty.

Each week during the Term, Franchisee shall pay to Franchisor a continuing royalty (“**Continuing Royalty**”) in an amount equal to:

All such financial statements shall also comply with any specific requirements as Franchisor may from time to time designate. Franchisee hereby irrevocably consents to the inspection of such financial statements by Franchisor or its Affiliate and to Franchisor’s use of such financial statements, at Franchisor’s election, in the Franchise Disclosure Document. Franchisee shall submit all such financial statements to Franchisor by such means, including electronically, as Franchisor may designate from time to time.

(e) If Franchisee should at any time cause an audit of Franchisee’s business to be made by a public accountant, Franchisee shall furnish Franchisor with a copy of such audit, without any cost or expense to Franchisor.

Franchisee shall cause all such sales to be registered upon an electronic point-of-sale system, of such type and having such features as specified by Franchisor, and which may require a lock-in running total. At any time upon Franchisor's request, Franchisee shall provide to Franchisor or its authorized representatives access, and if applicable a key to permit reading of, the running total of the point-of-sale system. Any electronic point-of-sale system must at all times meet each and all of Franchisor's standard specifications and requirements then in effect for same.

(b) Franchisee shall keep and preserve for a period of not less than 36 months after the end of each calendar year or any longer period as may be required by Applicable Law, such business records as may be prescribed by Franchisor, including point-of-sale system reports, standardized numbered guest checks, sales tax or other tax returns, bank books, duplicate deposit slips, and other evidence of Gross Sales and business transactions in accordance with Franchisor's requirements promulgated from time to time. In addition to the rights granted to Franchisor under Section 10.07, Franchisor and its Affiliate shall have the right, at any time and from time to time, to enter the Franchised Restaurant and other business offices to inspect (including the right to inspect point-of-sale systems, and other equipment, as applicable, and to take readings of all documenters, pre-checkers and point-of-sale systems), audit, verify sales and make or request copies of books of account, bank statements, documents, records, tax returns, papers and files of Franchisee relating to Gross Sales and business transacted and, upon request by Franchisor, Franchisee shall make any such materials available for inspection by Franchisor and its Affiliate at the Franchised Restaurant or at Franchisee's other business offices as specified by Franchisor. Such audit and/or sales verification may include the on-site presence of one or more personnel of Franchisor or its Affiliate for seven full consecutive days. If Franchisor should cause an audit to be made and the Gross Sales business transacted and payments due to Franchisee as shown by Franchisee's statements should be found to be understated or unpaid by any amount, Franchisee shall immediately pay to Franchisor or its Affiliate, if applicable, the additional amount payable as shown by such audit, plus interest thereon at the highest rate of interest allowed by law, and if they are found to be understated by 2% or more, or if records are not produced as requested by Franchisor, Franchisee shall also immediately pay to Franchisor the cost of such audit and any subsequent audit and/or sales verification that may be performed due to Franchisee's prior failure to produce records; otherwise, the cost of the audit shall be paid by Franchisor.

(c) Upon request by Franchisor, Franchisee shall electronically link its Franchised Restaurant to Franchisor or its Affiliate, and allow Franchisor and/or its Affiliate, to poll the Franchised Restaurant on a daily or other basis at such times and in such manner as established by Franchisor or its Affiliate, with or without notice, through the computerized point-of-sale system and to retrieve such transaction information including sales, sales mix, usage, and other operations data as Franchisor and/or its Affiliate deems appropriate. Franchisee shall, at its sole cost and expense, obtain and maintain such means of making such information available electronically, such as the internet via a broadband connection, or if not available, a separate dedicated telephone line and modem or such other alternative electronic means of gathering this information, at Franchisee's cost and expense, as Franchisor or its Affiliate may specify from time to time.

VII ADVERTISING

7.01 Advertising Expenditures.

(a) In addition to all other payments provided for herein, each week during the Term, Franchisee shall pay to Franchisor an advertising expenditure fee (“**Advertising Expenditure Fee**”) in an amount which will not exceed 3.5% of the Gross Sales of the Franchised Restaurant, due and payable on the Wednesday following the Weekly Reporting Period in which such Gross Sales were earned (simultaneously with Franchisee’s Continuing Royalty payment for the same period). This amount represents the total maximum amount will be due and payable for the National Advertising Fee and the Local Advertising Fee, and shall be allocated between the National Advertising Fee and the Local Advertising Fee as determined on an annual basis by Franchisor in its sole discretion.

(b) As of the date of this Agreement, the Advertising Expenditure Fee shall be allocated as follows:

(i) “**National Advertising Fee**”: 3.5% of Franchisee’s Gross Sales; and

(ii) “**Local Advertising Fee**”: 0% of Franchisee’s Gross Sales.

(c) Franchisor may, from time to time, on an annual basis, change the allocation of the Advertising Expenditure Fee between the National Advertising Fee and the Local Advertising Fee.

7.02 National Advertising Fee.

(a) National Advertising Fees paid by Franchisee shall be administratively segregated on Franchisor’s or its Affiliate’s books and records (the “**National Advertising Fund**”), together with the aggregate of:

(i) National Advertising Fee payments made by all franchisees of IHOP Restaurants;

(ii) Payments equal to the National Advertising Fee (in the amount paid by franchisees pursuant to Franchisor’s allocation pursuant to Section 7.01(c)) for IHOP Restaurants operated by Franchisor and its Affiliates; and

(iii) All Table Allowances received by Franchisor or its Affiliates.

(b) From sums available in the National Advertising Fund, Franchisor shall develop advertising, public relations, and promotional campaigns and materials designed to promote and enhance the image, identity or patronage of all IHOP Restaurants. In addition, should sufficient sums be available in the National Advertising Fund, Franchisor may, but is not obligated to, make expenditures from the National Advertising Fund for the purpose of paying for advertising, public relations and promotional campaigns designed to promote and enhance the image, identity or patronage of all IHOP Restaurants. Permissible expenditures and activities may include, but are not limited to, conducting marketing studies, purchasing computer software and hardware to facilitate customer and marketing analysis or advertising generally, conducting focus groups or other consumer insight activities, employment of advertising agencies and the production and purchase of advertising art, commercials, musical jingles, print advertisements, point-of-sale materials, media advertising, outdoor advertising art, and direct mail pamphlets and literature. It is expressly agreed that in all phases and aspects of such activities, including cost, development, type, format and style, quantity, timing, placement, choice of media or agency, and all other matters relating to such advertising, public relations and promotional activities, the decision of Franchisor shall be final. Nothing herein shall be construed to require Franchisor to allocate or expend National Advertising Fund contributions so as to benefit

any particular franchisee or group of franchisees on a pro rata or proportional basis or otherwise. The National Advertising Fund shall not be a trust fund and shall be commingled with Franchisor's other funds. Franchisee shall not engage in any such activities, nor shall it erect or display any sign or notice of any kind without the prior written consent of Franchisor, whose decisions shall be final.

(c) Such advertising, public relations, and promotional services shall be provided and administered as follows:

(i) Franchisor shall consult with franchisees at regularly scheduled meetings concerning the type, content, frequency, development and nature of proposed national advertising programs, and shall give due consideration to the views of franchisees. The proposed advertising programs and allocation of advertising expenditures from the National Advertising Fund shall be finally determined by Franchisor, in its sole discretion.

(ii) Franchisor shall disburse funds from the National Advertising Fund for the purpose of paying for its actual administrative expenses with respect to the National Advertising Fund, its reimbursement of direct costs incurred by its Affiliate in providing administrative services respecting the National Advertising Fund, including, without limitation, the actual, general and administrative expenses of Franchisor's internal Marketing Department, consultants and third party agencies, but excluding any costs relating to Franchisor's Franchise Sales Program. To the extent Franchisor's Affiliate provides administrative services for the direct benefit of the National Advertising Fund and incurs expenses as a result thereof, such expenses will be reimbursed from the National Advertising Fund. Additionally, Franchisor shall disburse funds from the National Advertising Fund for the purpose of paying for the other expenses hereinabove set forth in Section 7.01(c).

(iii) Within a reasonable time after the expiration of each of Franchisor's fiscal years, Franchisor shall furnish franchisees summary information with respect to the receipts and expenditures of monies by and from the National Advertising Fund, which shall contain the following information:

(1) The opening balance in the National Advertising Fund at the beginning of such fiscal year;

(2) The total amount of fees paid into the National Advertising Fund by all franchisees during such fiscal year;

(3) The total amount of Table Allowances received by Franchisor and its Affiliates during such fiscal year;

(4) A reasonably itemized summary breakdown and description of all disbursements from the National Advertising Fund during such preceding fiscal year, sufficient to indicate separately each of the various classes of expenditures made from such Fund and the amount of the expenditures made for each class thereof; and

(5) The net balance, if any, remaining in the National Advertising Fund at the close of such fiscal year.

If Franchisor's National Advertising Fund expenditures in any one fiscal year shall exceed the total amount contributed to the National Advertising Fund during such fiscal year, Franchisor shall have the right to be reimbursed to the extent of the excess of those amounts subsequently contributed to the National Advertising Fund. If the contributions to the National Advertising Fund exceed the expenditures from such Fund in any fiscal year, such excess will be retained in the National Advertising Fund for future advertising.

7.03 Local Advertising Fee.

(a) Franchisor shall, from time to time, develop regional advertising cooperatives (“**Regional Advertising Cooperatives**”) designed to promote and enhance the value of all IHOP Restaurants in each region. Franchisor may establish and modify from time to time guidelines and procedures which shall govern the conduct and operation of the Regional Advertising Cooperatives. The geographical description of each region (the “**Advertising Region**”) shall be designated by Franchisor in its sole subjective judgment, exercised in good faith. The Franchised Restaurant and all IHOP Restaurants operated by Franchisor and its Affiliates located in the Advertising Region shall participate in the Regional Advertising Cooperative and contribute thereto on an equal basis with all other franchisees that are obligated to, or if applicable, voluntarily elect to, participate in such Regional Advertising Cooperative.

(b) From the Local Advertising Fee, but only to the extent that such fee actually has been paid by Franchisee to Franchisor during Franchisor’s fiscal year then in progress, Franchisor shall reimburse Franchisee or credit Franchisee’s account with Franchisor, amounts equal to: (i) Franchisee’s Franchisor-approved local advertising expenses incurred during such fiscal year (after deducting any expenses that Franchisor has previously paid or is or may be required to pay on account of advertising run by, for, or on behalf of Franchisee); and (ii) contributions made by Franchisee during such fiscal year (whether through payment to Franchisor or directly to a third party) to the Regional Advertising Cooperative, if any, of which Franchisee is a member, for advertising of the Franchised Restaurant; provided however, that the combined amount of Franchisor’s such reimbursements for any of its fiscal years pursuant to 7.03(b)(i) and 7.03(b)(ii) shall in no event exceed the Local Advertising Fee actually paid by Franchisee during such fiscal year, and such right of reimbursement shall be subject to the condition that Franchisee furnish Franchisor with appropriate verification, satisfactory to Franchisor, of such advertising expenditures and that the advertising resulting therefrom has been placed and paid for either by Franchisee or the Regional Advertising Cooperative of which Franchisee is a member and that no liability to any party exists or may exist with respect to such advertising.

7.04 General Advertising Requirements.

(a) Franchisee shall conduct all local advertising and promotion in accordance with such policies and provisions with respect to format, content, media, geographic coverage and other criteria as are from time to time contained in the Operations Bulletins, or as otherwise directed by Franchisor, and shall not use or publish any advertising material which does not conform to such policies and provisions or as to which Franchisee shall not have received Franchisor’s prior written approval; provided however, that if Franchisor shall not object to any proposed advertisement submitted by Franchisee for approval within 20 days after Franchisor’s receipt thereof, such advertisement shall be deemed approved subject to Franchisor’s right to subsequently withdraw its approval.

(b) Franchisee may not develop, create, generate, own, license, lease or use in any manner any computer medium or electronic medium (including any internet home page, website, social media site, including those utilizing mobile technology, bulletin board, newsgroup or other internet-related medium) which in any way uses or displays the Trademarks, in whole or part, and Franchisee shall not cause or allow the Trademarks, or any of them, to be used or displayed in whole or part, as an internet domain name, or on or in connection with any internet home page, website, social media site, including those utilizing mobile technology bulletin board, newsgroup or other internet-related activity without Franchisor’s express prior written consent, and then only in such manner and in accordance with such procedures, policies, standards and specifications as Franchisor may establish.

(c) Franchisor may (but is not required to) develop an intranet network (the “**Intranet**”) through which Franchisor and its franchisees (including Franchisee) may communicate by e-mail or similar electronic means and through which Franchisor may disseminate updates to the Systems and other confidential

information. If Franchisor develops the Intranet, Franchisee agrees to use the facilities of the Intranet in strict compliance with the Systems, and with such procedures, policies, standards and specifications as Franchisor may establish from time to time (including, without limitation, standards, protocols and restrictions relating to the encryption of confidential information and prohibitions against the transmission of libelous, derogatory or defamatory statements). If Franchisor shall develop the Intranet, Franchisor shall have no obligation to maintain the Intranet, and may discontinue its use at any time without liability to Franchisee.

7.05 As long as the Advertising Expenditure Fee shall be 3.5% of Gross Sales and 100% of the Advertising Expenditure Fee shall be contributed to the National Advertising Fund, Franchisor shall have no obligation to reimburse or pay for any local advertising expenses incurred by Franchisee or by the Regional Advertising Cooperative on Franchisee's behalf.

VIII TRADEMARKS AND TRADE SECRETS

8.01 License to Use Trademarks.

(a) Franchisor hereby grants to Franchisee, and Franchisee hereby accepts, the right, during the Term, upon the terms and conditions contained herein, to use and display the Trademarks, but only in connection with the retail sale at the Franchised Restaurant of those items contained on the standard menu of IHOP Restaurants as prescribed by the Operations Bulletins.

(b) Nothing herein shall give Franchisee any right, title or interest in or to the Trademarks, except a mere privilege and license, during the Term, to display and use the same according to the foregoing limitations and upon the terms, covenants and conditions contained herein.

8.02 Acts in Derogation of Franchisor's Trademarks.

(a) Franchisee agrees that, as between Franchisor and Franchisee, the Trademarks of Franchisor are the sole and exclusive property of Franchisor and Franchisee now asserts no claim and will hereafter assert no claim to any goodwill, reputation or ownership thereof by virtue of Franchisee's licensed use thereof. Franchisee agrees that it will not do or permit any act or thing to be done in derogation of any of Franchisor's rights in connection with the same, either during the Term or thereafter, and that it will use same only for the uses and in the manner licensed hereunder and as herein provided.

(b) Except to the limited extent expressly licensed hereunder, Franchisee shall not use, or permit the use, as part of its name, the phrases "IHOP," "International House of Pancakes," "House of Pancakes," or any phrase or combination of words confusingly similar thereto.

8.03 Prohibition against Disputing Franchisor's Rights.

Franchisee agrees that it will not, during or after the Term, in any way, dispute or impugn the validity of the Trademarks licensed hereunder, or the rights of Franchisor thereto, or the right of Franchisor, its Affiliates, or other franchisees of Franchisor to use the same both during the Term and thereafter.

8.04 Use of Franchisor's Name.

Franchisee agrees that the Franchised Restaurant shall be named "IHOP," "International House of Pancakes" or "International House of Pancakes Restaurant," or such other similar name, as specified by Franchisor or any combination thereof as may be approved by Franchisor in its sole discretion, without any suffix or prefix attached thereto and all signs, advertising and slogans will only bear the name "IHOP," "International House of Pancakes," or "International House of Pancakes Restaurant," or such other Trademarks as Franchisor may hereafter specify in the Operations Bulletins. Franchisee shall maintain a plaque of reasonable and suitable size and design, as approved by Franchisor, behind the host station on the interior of the premises, identifying the Franchised Restaurant as owned and operated by an independent franchisee of Franchisor or such other language as Franchisor shall designate from time to time, and shall use Franchisee's correct name on all invoices, orders, vouchers, checks, letterheads, and other similar materials, identifying the Franchised Restaurant as being a franchise of Franchisor which is independently owned and operated by Franchisee.

8.05 Trademark Protection.

In the event that any third-party makes any claim, by suit or otherwise, against Franchisee because of Franchisee's use in accordance with this Agreement of the Trademarks, Franchisee shall immediately notify Franchisor in writing. After receipt of such notice, Franchisor shall promptly take such action as may be necessary to protect and defend Franchisee against any such claim, suit or demand, and Franchisor shall protect, indemnify and save Franchisee harmless from any loss, costs or expenses arising out of or relating to any such claim, demand or suit. Franchisee shall have no right to settle, compromise, or litigate any such claim except in strict compliance with any specific directives provided by Franchisor relating to such specific claim. Franchisor shall have the right to defend, compromise or settle any such claim at Franchisor's sole cost and expense, using attorneys, advisors, experts and consultants of its own choosing, and Franchisee shall cooperate fully with Franchisor in connection with the defense of any such claim.

8.06 Prosecution of Infringers.

If Franchisee shall receive notice or is informed or learns that any third party, which it believes to be unauthorized to use the Trademarks, is using the Trademarks or any variant thereof, Franchisee shall promptly notify Franchisor of the facts relating to such alleged infringing use. Thereupon, Franchisor shall determine whether or not it wishes to take any action against such third person on account of such alleged infringement of the Trademarks. Franchisee shall have no right to make any demand against any such alleged infringer of the Trademarks or to prosecute or require Franchisor to prosecute any claim of any kind or nature whatsoever against such alleged infringer of the Trademarks for or on account of such infringement.

8.07 Modification of Trademarks.

From time to time, in the Operations Bulletins, Franchisor may add to, delete or modify any or all of the Trademarks. Franchisee shall accept, use, or cease using, as may be applicable, the Trademarks, including any such modified or additional trade names, trademarks, service marks, logotypes and commercial symbols, in accordance with the procedures, policies, rules and regulations contained in the Operations Bulletins, as though they were specifically set forth in this Agreement.

8.08 License to Use Trade Secrets.

(a) Franchisor hereby grants to Franchisee, and Franchisee hereby accepts, the right, during the Term, upon the terms and conditions contained herein, to use the Trade Secrets, but only in connection with the retail sale at the Franchised Restaurant of those items contained on the standard menu of IHOP Restaurants as prescribed by the Operations Bulletins.

(b) Franchisor will disclose certain of the Trade Secrets to Franchisee in the Operating Bulletins, confidential correspondence, or other confidential communications, and through Franchisor's training program and other guidance and management assistance, and in performing Franchisor's other obligations and exercising Franchisor's rights under this Agreement. Franchisee acknowledges that the Trade Secrets now and hereafter provided or revealed pursuant to this Agreement are revealed in confidence and Franchisee expressly agrees to keep and respect the confidence so reposed.

(c) Franchisee shall acquire no interest in the Trade Secrets other than the right to use them in developing and operating the Franchised Restaurant during the Term. Franchisee's duplication or use of the Trade Secrets in any other endeavor or business shall constitute an unfair method of competition. Franchisee shall: (i) not use the Trade Secrets in any business or other endeavor other than in connection with the Franchised Restaurant; (ii) maintain absolute confidentiality of the Trade Secrets during and after the Term; (iii) make no unauthorized copy of any portion of the Trade Secrets, including the Operating Bulletins, confidential correspondence, or other confidential communications, whether written or oral; and (iv) operate and implement all reasonable procedures prescribed from time to time by Franchisor to prevent unauthorized use and disclosure of the Trade Secrets, including restrictions on disclosure to Owners and others who may have access to the Operations Bulletins, or any of the Trade Secrets, and, at Franchisor's request, Franchisee shall cause such persons to execute confidentiality agreements on a form prescribed by Franchisor. Promptly upon Franchisor's request, Franchisee shall deliver executed copies of such agreements to Franchisor.

(d) Nothing herein contained shall be construed so as to require Franchisor to divulge any Trade Secret or other of its secret processes, formulae or ingredients. Franchisor expressly reserves all rights with respect to Franchisor's and its Affiliates' goods, products, Trademarks, Trade Secrets, except for the limited license expressly granted to Franchisee herein.

8.09 Obligations upon Termination or Expiration.

Upon the expiration or termination of this Agreement for any reason, Franchisee shall deliver and surrender up to Franchisor or its Affiliate any and all manuals, the Operations Bulletins, instruction sheets, forms, marks, devices, training materials, confidential communications, Trademarks, and the possession of any physical objects bearing or containing any of the Trademarks, and shall not thereafter use any of the same or any of the Trademarks or Trade Secrets; provided (and only if Franchisor has not exercised and will not exercise its option to purchase in accordance with Section 12.06), Franchisor or its Affiliate may, at its option purchase from Franchisee at a price equal to Franchisee's book value, consisting of Franchisee's cost therefor less depreciation computed in accordance with GAAP, all signs, paper goods, dishes, and other items of personal property purchased by Franchisee in the ordinary course of its business which are, in Franchisor's or its Affiliate's reasonable judgment, in good, usable condition and which bear any of the Trademarks of Franchisor. Further, to de-identify the Franchised Restaurant, Franchisee agrees that, within 30 days after the closing date of the Franchised Restaurant (which shall be pre-approved in writing by Franchisor), at its sole cost and expense, Franchisee will remove or replace any and all items that contain the Trademarks or any other symbols or images that are typically associated with the operation of an IHOP restaurant and will (a) repaint the Franchised Restaurant in a different color scheme which is satisfactory to Franchisor, (b) remove all window decals, exterior signage, pictures, awnings and other canvases, (c) return all Franchisor's manuals, wall charts, videos and other training related materials and documents, and (d) return all Franchisor's property (including, without limitation, any phone lines). Franchisor has the right to inspect the premises for compliance with the de-identification requirements set forth in this Section 8.09. Franchisee will reimburse Franchisor for the cost of any additional re-inspections due to Franchisee's failure to comply with such de-identification requirements, including reasonable travel expenses. In addition to the foregoing, Franchisee shall take any and all other actions determined by Franchisor in its sole discretion to be required to de-identify the Franchised Restaurant as an IHOP restaurant.

IX
FURTHER OBLIGATIONS OF FRANCHISOR

9.01 Initial Training.

If Franchisee, or in the case of a Franchisee which is a Business Entity, its Designated Representative, has not previously undergone training conducted by Franchisor for the operation of an IHOP Restaurant, Franchisor, itself or through its Affiliate, shall:

(a) Furnish six weeks of training in the operation of an IHOP Restaurant to Franchisee (or its Designated Representative if Franchisee is a Business Entity), and, upon Franchisee's request, to the manager of the Franchised Restaurant (the "**Initial Training**"). Such training shall be given at an IHOP Restaurant or a training center designated from time to time by Franchisor. Franchisee (or its Designated Representative if Franchisee is a Business Entity) shall pursue and complete such training to Franchisor's sole subjective satisfaction unless waived by Franchisor in its sole subjective judgment, exercised in good faith, by reason of such person's prior training and experience, in which case the proposed manager of the Franchised Restaurant shall be required to pursue and complete such training (unless waived by Franchisor). If the manager of the Franchised Restaurant is replaced by a new manager, such new manager must attend the Initial Training and complete same to Franchisor's sole subjective satisfaction (unless waived by Franchisor). Franchisor will provide the Initial Training to up to two persons during the first year following the Effective Date at no additional cost. If Franchisor provides training to more than two persons, or if Franchisee requests training for its manager more than one year following the Effective Date, Franchisee must pay Franchisor's Then-Current training fee for such training.

(b) If Franchisee has executed this Agreement in connection with a sale or transfer of the Franchised Restaurant to Franchisee from a preexisting franchisee, and Franchisee or its assignor has paid the Then-Current training fee as contemplated by Section 11.03(a)(iii), which is \$5,000 as of the date of this Agreement, Franchisor shall, in addition to the Initial Training, and at no additional charge to Franchisee, permit up to two of Franchisee's employees or Owners to attend one of Franchisor's regularly scheduled training classes conducted during the one year period following the Effective Date, subject to space availability and Franchisor's reasonable scheduling requirements (including that Franchisor's new franchisees shall have scheduling priority over additional training to Franchisee pursuant to this Section 9.01(b)).

(c) At Franchisor's election, furnish management seminars from time to time for the benefit of its franchisees, on an optional or mandatory basis. Franchisor shall have the right to require Franchisee, its Designated Representative (if applicable), or the manager employed by Franchisee for the Franchised Restaurant, to attend at least one management seminar per year if Franchisor deems attendance to be essential. Such management seminars shall be given at an IHOP Restaurant, a training center, or such other place designated from time to time by Franchisor. Franchisor shall not impose any attendance fee or tuition for mandatory seminars, but may charge a reasonable fee or tuition for optional seminars.

(d) Notwithstanding the fact that Franchisor shall provide the Initial Training and certain other management seminars at no additional charge, Franchisee shall bear all costs and expenses incurred by Franchisee, its Designated Representative, and its managers and other attendees in connection with attendance at all training programs and seminars, including transportation costs, meals, lodging and other living expenses. Neither Franchisor nor any of its Affiliates will pay any compensation for any services performed by any trainee during any training.

9.02 Other Services.

Franchisor or its Affiliates shall furnish Franchisee with:

(a) If this Agreement has been executed pursuant to the Single Store Development Program, Multi-Store Development Program or Purchase Program, on-location assistance for such period of time as Franchisor shall deem necessary, but not exceeding 30 days allocated at Franchisor's sole and absolute discretion between the time immediately prior to and after the opening of the Franchised Restaurant by Franchisee.

(b) If this Agreement has been executed pursuant to the Single Store Development Program, Multi-Store Development Program or Purchase Program, promotional assistance at the time of the opening of the Franchised Restaurant by Franchisee.

(c) Periodic supervision and assistance from field representatives who shall visit the Franchised Restaurant from time to time.

(d) Ongoing availability at its home office for consultation and guidance with respect to the operation and management of the Franchised Restaurant.

(e) In addition to the foregoing, additional assistance from the staff of Franchisor or its Affiliate: (i) upon Franchisee's request and subject to staff availability or (ii) if Franchisee does not have an approved manager, Franchisor shall have the right to provide same at a cost to be paid by Franchisee at the then prevailing price per person per day, as shall be specified from time to time in the Operations Bulletins, plus reasonable transportation and living expenses.

(f) If this Agreement has been executed pursuant to the Single Store Development Program or Multi-Store Development Program, and if Franchisor determines, in its sole discretion, that Franchisee will need training support and/or operational assistance to open the Franchised Restaurant, a training team will provide training support and/or operations assistance for a period of up to three weeks, allocated at Franchisor's sole and absolute discretion generally between one week prior to opening and up to two weeks after opening. Franchisee agrees to pay to Franchisor a training support fee of up to \$55,000. The amount of the fee will be based upon the number of trainers deemed necessary by Franchisor, which is determined by Franchisor in its sole discretion. The scheduling of the training team will generally be done 30 days prior to the anticipated opening date of the Franchised Restaurant, based on the schedule provided by Franchisee. If training must be rescheduled for any reason other than an act of God, Franchisee shall pay to Franchisor any increase in costs that are incurred by Franchisor due to the scheduling changes, which costs may include but are not limited to increases in airfare, car rental, and training material shipping and storage. Franchisor estimates this cost to be between \$500 and \$6,000 per person. Franchisee shall pay these charges to Franchisor within 30 days after billing therefor.

Franchisee shall sell, serve and dispense only those items and products as shall be designated by Franchisor in the Operations Bulletins. In connection therewith, the parties agree that Franchisor or its Affiliate may, from time to time, recommend or suggest those prices to be charged by Franchisee for each menu item sold or offered at IHOP Restaurants; and, for purposes of economy and cost-saving to those Franchisees who elect to follow such recommendations, may cause the production of pre-priced menus which Franchisor or its Affiliate shall offer for sale to Franchisee. Such recommended or suggested prices are not binding in any respect upon Franchisee, and Franchisee is and shall be at all times, free to charge prices entirely of its own choosing, regardless of whether the same do or do not conform to the recommended or suggested prices. Franchisee shall not be required to use or purchase any pre-priced menus, and shall be entirely free to

Further, Franchisee shall purchase only such blends of coffee as Franchisor shall from time to time designate.

(c) Except as provided in Sections 10.02(a) and (b), Franchisee shall purchase for use in the operation of the Franchised Restaurant certain products which bear the Trademarks that may include, as provided in the Operations Bulletins, dishware, silverware, napkins, placemats, coasters and other items (collectively, the “**Trademarked Products**”). All such required Trademarked Products shall comply with the specifications set forth in the Operations Bulletins. Franchisee may purchase Trademarked Products from Franchisor or its Affiliate, if made available by Franchisor or its Affiliate, suppliers designated by Franchisor or its Affiliate, or suppliers chosen by Franchisee as provided in Section 10.03, provided such suppliers execute a royalty-free trademark license in a form reasonably satisfactory to Franchisor.

(d) Without Franchisor’s prior written consent, Franchisee may not use, offer, sell, or give away, except at the Franchised Restaurant, any Required Products, Trademarked Products, or other goods or services which utilize Franchisor’s Trade Secrets in whole or in part, including its recipes, or any goods, services, materials, equipment, supplies, or inventory (including food, beverages, condiments, and smallwares) purchased by Franchisee or any Affiliate of Franchisee (or any Owner, officer, director, manager of either) from or through any supplier pursuant to any pricing or purchasing terms negotiated or arranged by IHOP or its Affiliates or by any approved purchasing co-operative such as CSCS, for or on behalf of itself or its franchisees. In addition, Franchisee shall not at any time purchase greater quantities of such products than necessary to meet its reasonably anticipated requirements to operate the Franchised Restaurant.

10.03 Compliance with Franchisor’s Specifications.

(a) All food products, services, supplies, equipment, materials, and menus, permitted or required to be used in the operation of the Franchised Restaurant shall be in full compliance with the specifications set forth in the Operations Bulletins and, except only those items referred to in Sections 10.02(a) and (b), shall be purchased and procured by Franchisee from Franchisor or its Affiliate (if offered by Franchisor or its Affiliate), from approved suppliers or distributors designated by Franchisor or its Affiliate, or from suppliers or distributors selected by Franchisee and not disapproved in writing by Franchisor or its Affiliate.

Franchisee shall deliver written notice to Franchisor or its Affiliate of its desire to do so, which notice shall identify the name and address of such supplier or distributor and the items desired to be purchased from such supplier or distributor. Franchisor shall have the right to

inspect the supplier's or distributor's facilities, conduct tests on products, require full production runs, and to require that samples from the supplier or distributor be delivered, at Franchisor's option, either to Franchisor or to an independent, certified laboratory designed by Franchisor for testing. Franchisee, or the supplier or distributor, shall pay the costs of any such test. Franchisor may withhold approval of any supplier or distributor proposed by Franchisee if, among other grounds, such suppliers or distributors shall fail to demonstrate, to the reasonable satisfaction of Franchisor or its Affiliate: (i) the ability to supply a product meeting Franchisor's specifications; (ii) reliability with respect to the quality of product or service; or (iii) willingness and agreement to permit Franchisor or its Affiliate to make periodic inspections, reasonable in respect of frequency, time and manner of inspection, to assure continued conformity to specifications. Franchisee may not purchase any products from a proposed supplier or distributor until and unless Franchisor has provided written approval thereof to Franchisee. Franchisor or its Affiliate shall be entitled to disapprove or to subsequently withdraw its approval of any food product, supplier or distributor selected by Franchisee only upon the ground that such food product, supplier or distributor has failed to meet one or more of the requirements hereinabove set forth. Once Franchisee has delivered a notice of its desire to purchase the specified items from any such supplier or distributor, and Franchisor has given Franchisee its approval thereof, it shall be entitled to purchase same from such supplier or distributor until it shall have received a timely statement of disapproval or withdrawal of approval from Franchisor or its Affiliate.

(c) In some instances, Franchisor's specifications may be such that only a single supplier or a limited number of suppliers can meet such specifications. With respect to such products, Franchisee shall purchase such products only from the source or sources designated by Franchisor or its Affiliate.

(d) Franchisee shall participate in any of Franchisor's gift card programs.

10.04 Insurance.

(a) Subject to any other additional requirements set forth in the Master Lease, sublease or equipment lease, Franchisee shall procure and maintain at Franchisee's expense during the Term policies of insurance meeting minimum standards, coverages, and limits and insuring Franchisee against the insurable risks prescribed in the Operations Bulletins. All such policies of insurance shall name Franchisor including its parent and its designated subsidiaries and affiliates, and respective officers, directors, members, managers, employees, agent, successors and assigns of Franchisor, if applicable, and such other parties as it may designate as additional insureds, as their interests may appear, and shall provide that Franchisor, its Affiliates, if applicable, and other parties shall receive at least ten days' prior written notification of any cancellation, termination, amendment or modification thereof.

(b) Franchisee shall provide Franchisor, its Affiliates, if applicable, and any other parties designated by Franchisor with certificates of insurance evidencing the required coverage at least ten days prior to the date on which the Franchised Restaurant opens for business to the public, ten days prior to the date on which any insurance policy is scheduled to expire, and at such other times as Franchisor may reasonably require.

(c) If Franchisee fails or refuses to procure and maintain insurance conforming to the requirements prescribed by the Operations Bulletins, or fails or refuses to provide Franchisor or any other party designated by Franchisor with a certificate of such insurance, Franchisor may but shall not be obligated to procure, through agents and insurance companies of its own choosing, such insurance as is necessary to meet such requirements; provided however, such insurance need not name Franchisee as an insured or additional insured thereunder. Payments for such insurance shall be borne by Franchisee. Nothing herein shall be construed or deemed to impose any duty or obligation on Franchisor to procure such insurance or as an undertaking or representation by Franchisor that such insurance as may be procured by Franchisee or by Franchisor for Franchisee will insure Franchisee against any or all insurable risks of loss which may or can

arise out of, or in connection with the Franchised Restaurant. Franchisee may obtain such other or additional insurance as Franchisee deems proper in connection with the operation of its business.

10.05 Compliance with Applicable Laws and Operations Bulletins.

Franchisee shall operate the Franchised Restaurant in strict compliance with all Applicable Laws and with the standard procedures, policies, rules and regulations established by Franchisor and incorporated herein, or in the Operations Bulletins. Such standard procedures, policies, rules and regulations established by Franchisor may be revised from time to time as circumstances warrant, and Franchisee shall strictly comply with all such procedures as they may exist from time to time as though they were specifically set forth in this Agreement and when incorporated in the Operations Bulletins the same shall be deemed incorporated herein by reference. By way of illustration and without limitation, such standard procedures, policies, rules and regulations may or will specify accounting records and information, payment procedures, specifications for required supplies and purchases, including Trademarked Products, hours of operation, advertising and promotion, cooperative programs, specifications regarding required insurance, minimum standards and qualifications for employees, design and color of uniforms, menu items, methods of production and food presentation, including the size and serving thereof, standards of sanitation, maintenance and repair requirements, specifications of furniture, fixtures and equipment, flue cleaning, and fire prevention service, appearance and cleanliness of the premises, accounting and inventory methods and controls, forms and reports, and in general will govern all matters that, in Franchisor's judgment, require standardization and uniformity in all IHOP Restaurants. Franchisor or its Affiliate will furnish Franchisee with the current Operations Bulletins upon the execution of this Agreement. The Operations Bulletins and all notices, amendments and supplements relating thereto shall at all times remain the property of Franchisor or its Affiliate. Franchisee shall not reproduce any portion of the Operations Bulletins by any means, shall at all times maintain same in a secure place at the Franchised Location and, upon termination or expiration of this Agreement shall deliver the Operations Bulletins to Franchisor or its Affiliate. Without limiting the generality of the foregoing, Franchisor may establish emergency procedures pursuant to which it may require Franchisee to temporarily close the Franchised Restaurant to the public, in which event Franchisor shall not be liable to Franchisee for any losses or costs, including consequential damages or lost profits occasioned thereby.

10.06 Taxes.

Franchisee shall pay in full any and all city, county, state and federal taxes arising in connection with or levied or assessed by any Governmental Authority in connection with all or any part of this Agreement, or the operation of the Franchised Restaurant, or all or any of the merchandise and assets being sold hereunder, promptly when due, and prior to any delinquency.

10.07 Inspection by Franchisor.

Franchisee expressly authorizes Franchisor, or its representatives, or those of its Affiliate, to enter the Franchised Restaurant at any time it is open for business, without notice, to inspect the premises, fixtures, furnishings and equipment therein, and to examine and inspect the operations in all respects to determine compliance with this Agreement and with Franchisor's standard operating procedures, policies, rules and regulations.

10.08 Participation in Operation of Franchised Restaurant.

Franchisee shall actively participate in the day-to-day operation of the Franchised Restaurant and devote such of its time as is reasonably necessary for the efficient operation of the Franchised Restaurant and the performance of its obligations under this Agreement, all ancillary documents relating hereto and all other agreements which may then be in effect between Franchisor and/or its Affiliate and Franchisee, or Franchisee may employ a manager to operate the Franchised Restaurant, who has previously satisfactorily

completed training conducted by Franchisor for the operation of an IHOP Restaurant, subject to the prior approval of Franchisor, unless waived by Franchisor in its sole subjective judgment, exercised in good faith, by reason of such person's prior training and experience. Franchisee shall not divorce himself or herself from the active conduct of the operation of the Franchised Restaurant. Franchisee shall be entitled to engage in other, noncompetitive business activities (as defined in Section 14.01) so long as same do not unreasonably interfere with the conduct of the operation of the Franchised Restaurant.

The Majority Owner of any Business Entity shall be, as applicable, the president of Franchisee if it is a corporation, the manager if it is a limited liability company, the general partner if it is a Partnership, and the comparable position if it is any other form of Business Entity, unless otherwise consented to by Franchisor in its sole, subjective judgment. Franchisor will review any proposed deviations from these approved structures provided Franchisee agrees to reimburse Franchisor for all legal fees and costs it may incur in this review process.

Franchisee is entering into this Agreement for its own account, and not with the intent to transfer the same (except as permitted pursuant to Section 11.03(b)), or to offer, sell, or negotiate the sale of franchises or licenses to any third party, or otherwise subfranchise, sublicense, subcontract (including execution of any management agreement), share, divide or partition this Agreement and nothing in this Agreement will be construed as granting Franchisee the right to do so. Without limiting the generality of the foregoing, Franchisee shall not: (1) delegate, contract for or otherwise permit a third party to perform or assume responsibility for any part of the operation of the Franchised Restaurant, including in connection with a management contract, purchase or other similar agreement; or (2) require or accept any payment or other consideration from any person for the right to manage or work in the Franchised Restaurant. Further, except with the prior written consent of Franchisor and otherwise in compliance with the provisions of Section 11, no employee or independent contractor may be an Owner of Franchisee if Franchisee is a Business Entity or otherwise have an interest in this Agreement or the Franchised Restaurant.

10.09 Personal Computer.

Upon request by Franchisor or its Affiliate, Franchisee shall, at its own cost and expense, obtain and maintain a personal computer as Franchisor or its Affiliate may specify from time to time.

10.10 Business and Ethical Practices.

As of the date of this Agreement, Franchisee and each of its Owners shall be and, during the Term shall remain, in full compliance with all Applicable Laws in each jurisdiction in which Franchisee or such Owners, as applicable, conducts business that prohibits unfair, fraudulent or corrupt business practices in the performance of its obligations under this Agreement and related activities, including but not limited to the following prohibitions:

(a) Neither Franchisee nor any of the Owners shall make any expenditure other than for lawful purposes or directly or indirectly offering, giving, promising to give or authorizing the payment or the gift of any money, or anything of value, to any person or Business Entity, while knowing or having reason to know that all or a portion of such money or thing of value will be given or promised, directly or indirectly, to any government official, official of an international organization, officer or employee of a foreign government or anyone acting in an official capacity for a foreign government, for the purpose of: (i) influencing any action, inaction or decision of such official in a manner contrary to his or her position or creating an improper advantage; or (ii) inducing such official to influence any government or instrumentality thereof to effect or influence any act or decision of such government or instrumentality.

(b) No government official, official of an international organization, political party or official thereof, or candidate is an Owner or has any investment interest in the revenues or profit of Franchisee.

(c) Neither Franchisee nor any of its Owners conducts any activity, or has failed to conduct any activity, if such action or inaction constitutes a money laundering crime, including any money laundering crime prohibited under the International Money Laundering Abatement and Anti-Terrorist Financing Act (the “**Patriot Act**”) and any amendments or successors thereto.

(d) Neither Franchisee nor any of its Owners nor any employee of any of them is named as a “Specially Designated Nationals” or “Blocked Persons” as designated by the U.S. Department of the Treasury’s Office of Foreign Assets Control. Currently, this list is published under the internet website address “www.treasury.gov/resource-center/sanctions/SDN-List/Pages/default.aspx”. Franchisee is neither directly nor indirectly owned nor controlled by the government of any country that is subject to a United States embargo. Nor does Franchisee or any of its Owners act directly or indirectly on behalf of the government of any country that is subject to a United States embargo. Franchisee agrees that it will notify Franchisor in writing immediately of the occurrence of any event, which renders the foregoing representations and warranties of this paragraph incorrect.

Franchisee and its Owners represent that they understand and have been advised by legal counsel on the requirements of the Applicable Laws referred to above, including the United States Foreign Corrupt Practices Act (currently located at www.usdoj.gov/criminal/fraud/fcpa.html), any local foreign corrupt practices laws and the Patriot Act (currently located at www.epic.org/privacy/terrorism/hr3162.html), and hereby acknowledge the importance to Franchisor, Franchisor’s IHOP Restaurant system and the parties’ relationship of their respective compliance with the requirements of this Section 10.10, including any applicable auditing requirements and any requirement to report or provide access to information to Franchisor or any government, that is made part of any Applicable Law. Franchisee shall take all reasonable steps to require its consultants, agents and employees to comply with such laws prior to engaging or employing any such persons.

**INITIALS: (Franchisee Name)
(Name & Title)**

Franchisee represents to Franchisor that it has taken all necessary and proper action required by the laws of the Franchised Area and has the right to execute this Agreement and perform under all of its terms.

10.11 Franchisee’s Representations and Warranties.

(a) Franchisee represents and warrants that the persons signing this Agreement on behalf of Franchisee have full authority to enter into this Agreement and the other agreements contemplated by the parties and that the execution of this Agreement or such other agreements by Franchisee does not and will not conflict with or interfere with, directly or indirectly, intentionally or otherwise, with the terms of any other agreement with any other third party to which Franchisee or any person with an ownership interest in Franchisee is a party.

(b) If Franchisee is a Business Entity, Franchisee makes the following representations and warranties: (i) it is duly organized and validly existing under the laws of the state of its formation and is in good standing in such state; (ii) it is qualified to do business in the state in which the Franchised Restaurant is located and is in good standing in such state; and (iii) execution of this Agreement and the development and operation of the Franchised Restaurant is permitted by its governing documents.

(c) If Franchisee is an individual, or a partnership comprised solely of individuals, Franchisee makes the following additional representations and warranties: (i) each individual has executed this Agreement; and (ii) each individual shall be jointly and severally bound by, and personally liable for the timely

and complete performance and a breach of, each and every provision of this Agreement.

(d) Franchisee represents and warrants that (x) the Entity Information Sheet attached as Exhibit 1 hereto accurately indicates the beneficial and direct ownership of all Stock of Franchisee, each owner of Stock of Franchisee, and each other entity specified thereon and (y) each person and entity indicated on Exhibit 1 as an authorized signatory and officer of Franchisee or other entity specified therein is in fact an authorized signatory and duly elected officer of such entity and has been duly authorized to execute and deliver this Agreement and all other agreements and instruments that may arise in connection with the Franchised Restaurant or this Agreement. Franchisor shall be entitled to rely on such representations and warranties on an ongoing basis throughout the term of this Agreement and Franchisee shall promptly update Franchisor as to any changes in the information provided on Exhibit 1.

XI ASSIGNMENT

11.01 Assignment by Franchisor.

Franchisor shall have the right to assign this Agreement and all of its rights and privileges hereunder to any other person or Business Entity; provided that, in respect to any assignment resulting in the subsequent performance by the assignee of the functions of Franchisor, the assignee shall expressly assume and agree to perform such obligations. Without limiting the foregoing, Franchisor may: (i) assign any and all of its rights and obligations under this Agreement to an Affiliate; (ii) sell its assets, its Trademarks, or Franchisor's IHOP Restaurant system outright to a third party; (iii) engage in a public offering of its securities; (iv) engage in a private placement of some or all of its securities; (v) undertake a refinancing, recapitalization, leveraged buy-out or other economic or financial restructuring; or (vi) merge, acquire other business entities or be acquired by another Business Entity. Franchisor shall be permitted to perform such actions without liability or obligation to Franchisee who expressly and specifically waives any claims, demands, or damages arising from or related to any or all of the above actions (or variations thereof).

11.02 Assignment by Franchisee.

(a) During the Term, Franchisee shall have the right to assign, transfer or sell its interest in this Agreement, upon the terms and conditions provided herein, and subject to the provisions contained in Sections 11.03 and 11.04. The terms “Assign” and “Assignment” shall include, if Franchisee is a Business Entity, each of the following: (i) the sale, assignment, transfer, conveyance, gift, pledge, mortgage, or other encumbrance of more than 49% in the aggregate, whether in one or more transactions, of the Stock of Franchisee or the Franchised Restaurant, by operation of law or otherwise or any other event(s) or transaction(s) which, directly or indirectly, effectively changes management control of Franchisee; (ii) the issuance of any securities by Franchisee which itself or in combination with any other transaction(s) results in the Owners existing as of the Effective Date owning less than 51% of the outstanding Stock, membership interests or voting power of Franchisee as constituted as of the Effective Date; (iii) if Franchisee is a Partnership, the withdrawal, death or legal incapacity of a general partner or limited partner owning 51% or more of the Partnership Rights of the Partnership, or the admission of any additional general partner or the transfer or assignment by any general partner of any of its Partnership Rights in the Partnership; (iv) the death or legal incapacity of any direct or indirect Majority Owner; (v) the sale, assignment, transfer, conveyance, gift, issuance of securities or any other event or transaction, whether in one or more transactions, by any direct or indirect Majority Owner as of the Effective Date which results in such Majority Owner owning, directly or indirectly, less than 51% of the Stock in Franchisee; and (vi) any merger, Stock redemption, consolidation, reorganization, recapitalization or other transfer of control of Franchisee, however effected. Notwithstanding the foregoing, Franchisee shall not have the right to pledge, encumber, hypothecate or otherwise give any third party a security interest in this Agreement or any of the rights of Franchisee hereunder, or in the operation of the Franchised Restaurant by any other person, in any manner whatsoever, without the express prior written

permission of Franchisor, which permission may be withheld for any reason whatsoever in Franchisor's sole subjective judgment. In all events, Franchisor shall have the right, but not the obligation, to furnish any prospective assignee with copies of all financial statements which have been furnished by Franchisee to Franchisor in accordance with this Agreement during the three year period prior to the date for which approval of the proposed Assignment is sought. Franchisor's approval of such proposed transaction shall not, however, be deemed a representation or guarantee by Franchisor that the terms and conditions of the proposed transaction are economically sound or that, if the transaction is consummated, the proposed assignee will be capable of successfully conducting the Franchised Restaurant and no inference to such effect shall be made from such approval. Notwithstanding anything to the contrary herein, in the event of the death or legal incapacity of Franchisee or, if Franchisee is a Business Entity, the Owner holding 50% or more of the Stock or voting power of Franchisee, the transfer of Franchisee's or such Owner's interest in this agreement to its heirs, personal representatives or conservators, as applicable, shall not give rise to Franchisor's right of first refusal hereunder, although such right shall apply as to any proposed Assignment by such heirs, personal representatives or conservators. Franchisee shall provide prior written notice to Franchisor of any proposed change in ownership of Franchisee as in effect on the Effective Date. If such proposed change in ownership would result in one or more new Owners, Franchisee shall obtain Franchisor's prior written consent, not to be unreasonably withheld, regardless of whether or not such change constitutes an Assignment. The withholding of such consent by Franchisor shall be reasonable if, by way of illustration and not by limitation, any such proposed new Owner and/or his or her spouse, as applicable, fail(s) or refuse(s) to execute a guaranty in a form satisfactory to Franchisor.

(b) In the event Franchisee has executed this Agreement pursuant to the Multi-Store Development Agreement, then notwithstanding anything to the contrary herein, during the term of the Multi-Store Development Agreement, this Agreement may not be transferred or assigned without a simultaneous assignment to the same proposed assignee of all then existing franchise agreements executed pursuant to the Multi-Store Development Agreement (and all of the assets of the IHOP Restaurants developed and under development pursuant thereto) and of the Multi-Store Development Agreement (or any successor area development agreement(s) executed for the Development Area (as such term is defined in the Multi-Store Development Agreement), in whole or in part), unless otherwise determined by Franchisor in its sole discretion.

11.03 Conditions to Assignment by Franchisee.

(a) Any Assignment by Franchisee shall be subject to the following conditions:

(i) Except in the case of Franchisee's death or legal incapacity, Franchisee shall serve upon Franchisor prior written notice of the proposed Assignment, setting forth all of its terms and conditions and all available information concerning the proposed assignee (the "**Notice of Intent to Assign**").

(ii) Franchisee shall obtain Franchisor's written consent, not to be unreasonably withheld, of the proposed Assignment. The withholding of such consent by Franchisor shall be reasonable if, by way of illustration and not by limitation, the proposed assignee: (1) is not financially responsible and economically or otherwise capable of performing the obligations of Franchisee hereunder; (2) does not meet the Then-Current standards set by Franchisor with respect to its new franchisees and/or its existing franchisees who desire to acquire additional franchises, as applicable; (3) fails to complete Franchisor's Initial Training program in accordance with Franchisor's Then-Current standards; (4) fails to designate a single individual acceptable to Franchisor, with whom Franchisor may primarily communicate; (5) fails, upon Franchisor's request, to sign Franchisor's form of franchise agreement then being offered to prospective franchisees (except that: (x) the proposed assignee shall not be obligated to pay any Initial Franchise Fee other than its assumption of any existing promissory note executed by its assignor which shall not have been paid in full; (y) the Term and any remaining Renewal Rights thereunder shall be the same as set forth in this Agreement; and (z) the proposed assignee's National Advertising Fee and Local Advertising Fee may exceed the rates set forth in

Section 7.01 hereof, but the proposed assignee's Continuing Royalty shall not exceed the rate set forth in Section 6.01); or (6) if any of the proposed assignee's Owners and/or spouses, as applicable, fail or refuse to execute a guaranty in a form satisfactory to Franchisor.

(iii) Franchisee, or Franchisee's heirs, personal representatives or conservators in the case of Franchisee's death or incapacity, shall pay Franchisor the transfer fee specified from time to time in the Operations Bulletins, which shall be non-refundable (the "**Transfer Fee**"). As of the date of this Agreement, the Transfer Fee consists of a \$7,500 transfer fee and a \$5,000 training fee. One-half of the Transfer Fee shall be paid at the time Franchisee serves written notice upon Franchisor of the proposed Assignment, and the balance shall be paid by no later than the effective date of the proposed Assignment. Franchisor may waive all or part of the training fee to the extent that Franchisor determines in its sole subjective judgment that the proposed assignee does not require training.

(iv) As of the effective date of any such Assignment, Franchisee shall be in compliance with all of its obligations owing to Franchisor or any of its Affiliates whether pursuant to this Agreement, or any other agreements with Franchisor or its Affiliate, and shall pay in full all outstanding amounts owed to Franchisor and its Affiliates, and the remaining balance, if any, of the Initial Franchise Fee, unless waived by Franchisor.

(v) As a condition precedent to Franchisor's written consent, Franchisor itself, or through its Affiliate, shall have the right, at its sole discretion, to conduct an audit and/or sales verification prior to the proposed Assignment.

(vi) Unless Franchisor otherwise consents, if the proposed assignee is a Business Entity, one person approved by Franchisor shall at all times own directly or indirectly, 51% or more of the Stock of the proposed assignee.

(vii) Franchisee shall execute and deliver to Franchisor a general release, on a form prescribed by Franchisor of any and all known and unknown claims against Franchisor and its Affiliates and their officers, directors, agents, shareholders and employees, with respect to this Franchised Restaurant.

(b) In the event Franchisee has executed this Agreement pursuant to a development agreement in connection with the Multi-Store Development Program or the Single Store Development Program, Franchisee shall have the right, without paying a Transfer Fee and without complying with the provisions of Section 11.04, to simultaneously Assign this Agreement to a Business Entity formed by Franchisee for the purpose of owning and operating the Franchised Restaurant, after first complying with the following conditions:

(i) Franchisee shall, together with such proposed Business Entity, be jointly and severally liable for all existing or subsequent breaches of this Agreement and any other agreement between Franchisee and Franchisor or its Affiliate, and for all obligations accrued or accruing thereunder. Franchisee, his or her spouse, as applicable, and all other Owners and their spouses, as applicable, shall sign a guaranty in the form prescribed by Franchisor. Franchisee shall waive notice or demand in the event of default, and will be bound by any modifications or supplemental agreements entered into between the assignee Business Entity and Franchisor and/or its Affiliate, as hereinafter set forth;

(ii) The assignee Business Entity shall provide Franchisor with all charter or other documents, and execute an acceptance of such assignment, in the form prescribed by Franchisor which shall contain covenants agreeing to be bound by all of the terms and conditions herein contained;

(iii) Franchisee shall be possessed of and retain at all times, legal and beneficial ownership of not less than 51% of all the outstanding Stock of the assignee (including the voting power of such Stock), unless otherwise agreed to in writing by Franchisor in its sole discretion;

(iv) All of the Stock certificates or other evidence of ownership issued by assignee Business Entity shall have endorsed upon them the following legend: "The transfer of this Stock is subject to the terms and conditions of a Franchise Agreement, relating to an IHOP Restaurant, dated _____, 20__," and the date of this Agreement shall be inserted into such statement; and

(v) When incorporation or organization of the Business Entity shall have been completed, Franchisee shall advise Franchisor and thereafter keep Franchisor advised of the names, addresses and titles of the officers, directors, and resident agent of the proposed Business Entity assignee, the names and addresses of the Owners and the number of shares, membership interests, or Partnership Rights, as applicable, issued to each, and the address of the principal office of such proposed Business Entity assignee.

(vi) No Assignment pursuant to this Section 11.03(b) shall be deemed to be effective unless and until Franchisee shall have complied with all of the provisions hereunder.

11.04 Franchisor's Right of First Refusal.

(a) Except with respect to an Assignment to a Business Entity as provided for in Section 11.03(b), or an Assignment to Franchisee's heirs, personal representatives or conservators in the case of Franchisee's death or legal incapacity, within 30 days after Franchisor's receipt of the Notice of Intent to Assign as set forth in Section 11.03(a)(i), (or if Franchisor shall request additional information, within 30 days after receipt of such additional information), Franchisor may, at its option, accept the proposed Assignment to itself or its nominee, upon the terms and conditions specified in the Notice of Intent to Assign.

(b) Should Franchisor not exercise its option and Franchisee fails to consummate the proposed Assignment within 90 days upon the same terms and with the same assignee as disclosed in the Notice of Intent to Assign to Franchisor, Franchisor's right of first refusal shall revive.

11.05 Offers of Securities.

Securities, Partnership Rights or other ownership interests in Franchisee may not be offered to the public under the Securities Act of 1933, as amended, nor may they be registered under the Securities Exchange Act of 1934, as amended, or any comparable federal, state or foreign law, rule or regulation. Such interest may be offered by private offering or otherwise only with the prior written consent of Franchisor, which consent shall not be unreasonably withheld. All materials required for any such private offering by federal or state law shall be submitted to Franchisor for a limited review as discussed below prior to being filed with any governmental agency; and any materials to be used in any exempt offering shall be submitted to Franchisor for such review prior to their use. No such offering by Franchisee shall imply that Franchisor is participating in an underwriting, issuance or offering of securities of Franchisee or Franchisor, and Franchisor's review of any offering materials shall be limited solely to the subject of the relationship between Franchisee and Franchisor and its Affiliates. Franchisor may, at its option, require Franchisee's offering materials to contain a written statement prescribed by Franchisor concerning the limitations described in the preceding sentence. Franchisee, its Owners and the other participants in the offering must fully defend and indemnify Franchisor, and its Affiliates, their respective officers, directors, manager(s) (if a limited liability company), shareholders, members, partners, agents, representatives, independent contractors, servants and employees of each of them, from and against any and all losses, costs and liability in connection with the offering and shall execute any additional documentation required by Franchisor to further evidence this indemnity. For each proposed offering, Franchisee shall pay to Franchisor, in addition to the Transfer Fee, such amount as is necessary to reimburse Franchisor for its reasonable costs and expenses associated with reviewing the proposed offering including without limitation, legal and accounting fees. Franchisee shall give Franchisor written notice at least 30 days prior to the date of commencement of any offering or other transaction covered by this Section.

11.06 Delegation by Franchisor.

Franchisor shall have the right to delegate to one or more of its Affiliates some or all of Franchisor's duties to Franchisee under this Agreement; provided however, Franchisor shall remain fully responsible to Franchisee for the full and faithful performance of all its obligations to Franchisee hereunder.

XII DEFAULT BY FRANCHISEE

12.01 Right of Termination after Notice of Default.

Except as otherwise expressly provided for in this Agreement, including under Section 12.02, Franchisee shall have ten days (or five days in the case of non-payment of money) after Franchisor's written notice of a Material Breach within which to remedy such Material Breach, and to provide evidence of such remedy to Franchisor. If any such Material Breach is not cured within that time period, or such longer time period as Applicable Law may require or as Franchisor may specify in the notice of default, this Agreement and all rights granted by it shall thereupon automatically terminate at Franchisor's election without further notice or opportunity to cure. If any such Material Breach, except those relating to the nonpayment of money, by its nature cannot be cured within such ten-day period, and Franchisee shall immediately commence and diligently continue to cure such Material Breach, Franchisor shall upon Franchisee's written request given prior to the expiration of such ten-day cure period, allow Franchisee such additional reasonable period of time as Franchisor deems reasonably necessary to cure such Material Breach. As used herein, the phrase "**Material Breach**" shall include:

(a) Failure of Franchisee (or its Affiliate) to pay in full promptly when due any or all payment obligations arising under this Agreement or any of the agreements listed in Section 16.03, including,

without limitation, payments due under any development agreement, including payments under Franchisor's development impact assistance program, if applicable (together with this Agreement, "**the agreements**"); and

(b) Failure of Franchisee to comply with any other material obligation of Franchisee under the agreements, including a failure to comply with the Operations Bulletins as described in Section 10.05.

12.02 Termination without Notice.

Franchisee shall be deemed to be in material default and Franchisor may, at its option, terminate this Agreement and all rights granted hereunder, without affording Franchisee any opportunity to cure such default, effective immediately, without prior notice to Franchisee, upon the occurrence of any or all of the following events, each of which shall be deemed an incurable breach of this Agreement:

(a) If an audit or investigation conducted by Franchisor discloses that Franchisee has knowingly maintained false books or records, or submitted false reports to Franchisor, or knowingly understated its Gross Sales or withheld the reporting of any of its Gross Sales;

(b) Franchisee's material misrepresentation to Franchisor with respect to any information provided in connection with its application to become an IHOP franchisee, including any relevant credit information;

(c) If Franchisee shall attempt or purport to Assign this Agreement, without the prior written consent of Franchisor, or if an Assignment of this Agreement by Franchisee shall occur by operation of law, or by reason of judicial process;

(d) If Franchisee shall attempt to assign any of the Trademarks, or the goodwill connected thereto, or if Franchisee shall use, or permit the use of any of the Trademarks, or the goodwill connected thereto in derogation of Franchisor's rights pursuant to this Agreement, or if Franchisee shall use or permit the use of any of the Trademarks, or the goodwill annexed thereto in a manner, or at locations not authorized by Franchisor pursuant to the terms of this Agreement, or takes any action which reflects materially and unfavorably upon the operation and reputation of the Franchised Restaurant, or the "IHOP" chain generally and/or if Franchisee engages in the unauthorized use, disclosure, or duplication of the Trade Secrets, excluding independent acts of employees or others if Franchisee shall have exercised its best efforts to prevent such disclosures or use;

(e) If Franchisee, or any of its Owners, is convicted of or pleads guilty or nolo contendere to a felony or any other criminal misconduct which is relevant to the operation of the Franchised Restaurant, or that is reasonably likely, in the sole opinion of Franchisor, to adversely affect Franchisor's reputation, Franchisor's IHOP Restaurant system, the Trademarks or the goodwill associated therewith, or Franchisor's interest therein;

(f) If in Franchisor's reasonable judgment, Franchisee's continued operation of the Franchised Restaurant will result in an imminent danger to public health or safety;

(g) If Franchisee fails, for a period of 20 days after notification of noncompliance, to comply with any Applicable Law governing the operation of the Franchised Restaurant;

(h) If Franchisee is a party to a sublease with Franchisor or its Leasing Affiliate, the attachment of any involuntary lien in the sum of \$10,000 or more upon any of the business assets or property of Franchisee which lien is not removed, or for which Franchisee does not post bond sufficient to satisfy such lien within 30 days after notification of such lien;

(i) If this Agreement has been signed under the Single Store Development Program, and Franchisee fails to open the Franchised Restaurant by the date specified in Section 4.02 (a) (unless Franchisee has complied with Section 4.02(c));

(j) Any default or breach by Franchisee under any mortgage, deed of trust, lease or sublease, including any sublease with Franchisor or its Leasing Affiliate, covering the premises in which the Franchised Restaurant is located, which results in Franchisee being unable to continue operations at the Franchised Restaurant;

(k) If Franchisee shall “abandon” the Franchised Restaurant without Franchisor’s prior written consent. For purposes of this Agreement, “**abandon**” means Franchisee’s failure, at any time during the Term: (i) to keep the Franchised Restaurant open and operating for business during ordinary business hours for a period of three consecutive days, except as provided in the Operations Bulletins, or (ii) to keep the Franchised Restaurant open and operating for any period after which it is not unreasonable under the facts and circumstances for Franchisor to conclude that Franchisee does not intend to continue to operate the Franchised Restaurant, unless such failure to operate is due to Force Majeure event (subject to the requirements of Section 12.04) or such closure is caused by action by any Governmental Authority;

(l) Franchisee’s insolvency (as revealed by its records or otherwise); or if Franchisee files a voluntary petition and is adjudicated a bankrupt; or if an involuntary petition is filed against it and such petition is not dismissed within 30 days; or if it shall make an assignment for the benefit of creditors; or if a receiver or trustee in bankruptcy or similar officer, temporary or permanent, be appointed to take charge of Franchisee’s affairs or any of its property; or if dissolution be commenced by or against Franchisee or if any judgment against Franchisee remains unsatisfied or unbonded of record for 15 days;

(m) Upon the death or permanent disability of Franchisee, if Franchisee is an individual, or, if Franchisee is a Business Entity, the Majority Owner, unless the executor, administrator, conservator, or other personal representative of such person or Franchisee shall, promptly following such death or disability: (i) notify Franchisor of any death or disability; (ii) if Franchisee is an individual, notify Franchisor of the desire of an heir of Franchisee to continue as Franchisee hereunder; (iii) if Franchisee is an individual, or if such deceased or permanently disabled Majority Owner is the Chief Executive Officer or Director of Operations, within 60 days from the date of death or disability, appoint a designated successor reasonably acceptable to Franchisor to continue to oversee the proper ongoing development and operation of Franchisee and the Franchised Restaurant; and (iv) otherwise reasonably satisfy Franchisor that Franchisee’s (if Franchisee is an individual) or the Majority Owner’s (if Franchisee is a Business Entity) heir(s) meet all of the standards and qualifications for a transferee Franchisee, or Majority Owner, as the case may be, or agrees to transfer promptly (and in any event within 12 months) following such death or disability, his or her Equity in Franchisee to a third party who satisfies such standards and qualifications, and subject to Franchisor’s right to approval of such transfer and Franchisor’s right of first refusal; and

(n) Franchisee receives three or more written notices of default (whether concerning the same or different obligations) in any 12-month period during the Term, whether or not corrected after notice, which repeated course of conduct shall itself be grounds for termination of this Agreement without further notice or opportunity to cure.

12.03 Cross Default.

Except for a default or termination of any area development agreement, single store development agreement, multi-store development agreement or other development agreement offered by Franchisor, consisting solely of Franchisee’s failure to meet the development schedule thereunder, any material breach or default by Franchisee under the terms and conditions of any lease, or any other agreement between

Franchisor (or its Affiliate), on the one hand, and Franchisee (or its Affiliate), on the other, or any default by Franchisee of its obligations to any Regional Advertising Cooperative of which it is a member, shall be deemed to be a Material Breach of this Agreement. Notwithstanding the foregoing, Franchisor shall not declare a default under this Section 12.03 as to any agreement, which, if standing alone, would not be subject to default absent this cross-default provision, until an additional 60 days past the date of cure date specified in the noticed default and then, only if, such default remains uncured. The foregoing is not intended to amend, modify or limit the cross-default provisions in any such other agreement, if any.

12.04 Special Requirements for Asserted Force Majeure.

If Franchisee claims an event of Force Majeure, Franchisee shall provide written notice to Franchisor as soon as practicable, but in no event more than 30 days from the occurrence of the event. The notice must: (i) state that Franchisee believes that an event of Force Majeure has occurred and expressly include the words “Force Majeure”; (ii) describe the circumstances of the Force Majeure event with particularity; and (iii) describe how the Force Majeure event has impacted Franchisee’s performance under this Agreement. Franchisee must also provide all other information as may be requested by Franchisor, in its reasonable discretion, and periodic updates on Franchisee’s progress and diligence in responding to and overcoming the Force Majeure event. Thereafter, Franchisee must notify Franchisor immediately upon cessation of Force Majeure event. If Franchisee fails to notify Franchisor of any alleged Force Majeure event within seven days, or fails to provide updates at reasonable intervals during the continuance of the alleged Force Majeure event, Franchisee shall be deemed to have waived the right to claim Force Majeure.

12.05 Conformity with Laws.

If any valid law or regulation by a Governmental Authority with jurisdiction over this Agreement shall limit Franchisor’s rights of termination or require a longer or different notice than that specified in this Article XII, this Agreement shall be deemed amended to conform with the minimum notice periods or restrictions upon termination required by such law or regulation. Franchisor shall not, however, be precluded from contesting the validity, enforceability or application of such laws or regulations in any action, arbitration, hearing or dispute relating to this Agreement or the termination thereof.

12.06 Franchisor’s Rights Upon Termination.

(a) If the Franchised Restaurant is located on premises (the “**Restaurant Premises**”) owned by Franchisee, in the event of termination of this Agreement pursuant to Section 12.01 or Section 12.02, Franchisor shall have, for 30 days after the termination is effective, an option, exercisable upon written notice to Franchisee within such 30-day period, to elect to (i) purchase the Restaurant Premises from Franchisee for the fair market value of the land and buildings, furnishings, and equipment owned by Franchisee or one or more of its Affiliates located therein or (ii) lease the Restaurant Premises from Franchisee pursuant to Section 12.06(e).

(b) If Franchisor and Franchisee cannot agree on the purchase price or other terms of purchase within 30 days following Franchisor’s exercise of its option pursuant to Section 12.06(a), the price or disputed terms of purchase shall be determined as follows: (i) Franchisor to select an appraiser (“**Franchisor’s Appraiser**”) who performs an appraisal (“**Franchisor’s Appraiser’s Appraisal**”), (ii) if Franchisee disagrees with Franchisor’s Appraiser’s Appraisal, then Franchisee to select an appraiser (“**Franchisee’s Appraiser**”) who performs an appraisal (“**Franchisee’s Appraiser’s Appraisal**”), and (iii) if Franchisor disagrees with Franchisee’s Appraiser’s Appraisal, then Franchisor’s Appraiser and Franchisee’s Appraiser to collectively select a third appraiser (“**Third Appraiser**”) who performs an appraisal (“**Third Appraiser’s Appraisal**”). The purchase price shall be the average of the Third Appraiser’s Appraisal and the other appraisal that is closest to the Third Appraiser’s Appraisal. The fair market value shall be determined based on parameters to be agreed upon at the time of the appraisal. In the event of such an appraisal, each

party shall bear its own legal and other costs (including the appraisal fees of its selected appraiser) and shall split equally the appraisal fees of the Third Appraiser. The appraisers' determination of the price and other disputed terms of purchase shall be final and binding.

(c) If Franchisor elects to exercise its option to purchase upon termination of this Agreement, the purchase price shall be paid within 30 days of the determination of the purchase price and other terms of purchase.

(d) If the Restaurant Premises are leased by Franchisee from a third party, such lease must allow Franchisee to assign the lease to Franchisor. Upon termination of this Agreement pursuant to Section 12.01 or Section 12.02, Franchisor or its Affiliate shall have the right to succeed to Franchisee's rights under the lease upon Franchisor's or such Affiliate's written election to Franchisee to be made within ten days after the date of such termination, and shall have such other rights and obligations in connection with such election as are described in Section 4.04 and in any lease addendum executed in connection with the Franchised Restaurant. If Franchisor or its Affiliate exercises that right, it has an additional right, to be exercised within 30 days after taking possession of the Restaurant Premises, to purchase all of Franchisee's equipment, signs, decor items, furnishings, supplies, and other products and materials at their then-fair market value to the extent that such equipment, signs, decor items, furnishings, supplies and other products and materials are owned by Franchisee or one or more of its Affiliates. If Franchisor and Franchisee cannot agree on the price, the price will be determined in the manner set forth in connection with Franchisee-owned Restaurant Premises. If Franchisor elects not to purchase the items mentioned above, Franchisee shall, at Franchisee's own expense and under Franchisor's supervision, remove those items from the Restaurant Premises within 10 days after such final election, or 10 days after expiration of the option period, whichever is earlier. If Franchisee fails to remove all such property from the Restaurant Premises within such period, Franchisor shall be entitled to do so, or to authorize a third-party to do so, all at Franchisee's sole cost and expense.

(e) With respect to Restaurant Premises owned by Franchisee, in the event of termination of this Agreement pursuant to Section 12.01 or Section 12.02, Franchisor shall have, for 30 days after the termination is effective, an option, exercisable upon written notice to Franchisee within such 30-day period, to elect to lease the Restaurant Premises from Franchisee, pursuant to a lease which provides for rental at a fair market rate not to exceed 10% of Gross Sales. Such lease shall provide for a lease term of at least 10 years with two five-year options to renew. If Franchisor and Franchisee cannot agree on the rent or other rental terms within 30 days following Franchisor's exercise of its option pursuant to this Section 12.06, the rent or disputed rental terms shall be determined in the manner set forth in connection with Franchisee-owned Restaurant Premises. The appraisers' determination of the rent (so long as it does not exceed 10% of Gross Sales) and other disputed rental terms shall be final and binding. Notwithstanding anything to the contrary in this Section 12.06(e), in no event shall rent exceed 10% of Gross Sales.

(f) Notwithstanding anything in this Section 12.06 to the contrary, Franchisor and Franchisee acknowledge and agree that the rights and obligations set forth in this Section 12.06 are subject to the first priority security interest, if any, of any lender solely with respect to Franchisee's leases with third party landlords and real property, furnishings, equipment, and other tangible personal property entirely owned by Franchisee (the "**Franchisee-Owned Tangible Property**") so long as (i) Franchisee has provided Franchisor with written notice thereof within 14 business days following the grant of any such first priority security interest by Franchisee, (ii) Franchisor does not have any rights or interests in the Franchisee-Owned Tangible Property, and (iii) any such lender is not in breach of any agreement with Franchisor relating to this Agreement or any other agreement between Franchisor and Franchisee relating to the Franchised Restaurant (each, a "**Franchise Document**" and collectively, the "**Franchise Documents**"). Notwithstanding anything to the contrary herein, the term "Franchisee-Owned Tangible Property" shall not include any equipment, personal property, or other items subject to any equipment lease with Franchisor or any of its Affiliates. For the avoidance of doubt, nothing in this Section 12.06(f) shall serve to limit, modify or diminish Franchisor's rights under any other provision of this Agreement or the other Franchise Documents, nor shall anything herein

be deemed to confer any rights or interest in this Agreement or the subject matter hereof to any lender.

XIII ARBITRATION AND REMEDIES

13.01 Arbitration.

(a) Subject to Section 13.01(b), any controversy or claim, except those described in Section 13.03, arising out of or relating to this Agreement, or any agreement relating thereto, or any breach of this Agreement including any claim that this Agreement or any portion thereof is invalid, illegal or otherwise voidable, shall be submitted to arbitration before and in accordance with the commercial rules of the American Arbitration Association and judgment upon the award may be entered in any court having jurisdiction thereof; provided however, that this clause shall not limit either party's (or its Affiliate's) right to obtain any provisional remedy, including injunctive relief, or to obtain writs of recovery of possession, or similar relief, from any court of competent jurisdiction, as necessary or appropriate to require the other party to comply, or to prohibit the other party's non-compliance, with its obligations hereunder or under the sublease, if applicable, or in Franchisor's case to obtain possession of the Franchised Location or protect the Trademarks or other property rights of Franchisor (or its Affiliate), or, as part of such action or proceeding, to seek damages, costs and expenses caused to or incurred by it by reason of the act or action or non-action which caused such party (or its Affiliate) to institute such action or proceeding. The institution of any such action or proceeding for provisional remedy or similar relief shall not be deemed a waiver on its part to institution of an arbitration proceeding pursuant to the provisions of this Article. If Franchisee subleases the Franchised Restaurant or Franchised Location by or through Franchisor or its Affiliate, in the event of an arbitration award which includes a determination that this Agreement is or has expired or has been terminated by reason of Franchisee's default thereof, Franchisee consents to the entry of a judgment by a court of competent jurisdiction containing an appropriate writ for the recovery of possession of the premises. The situs of arbitration proceedings shall be in Los Angeles, California.

(b) All arbitration proceedings and claims shall be filed and prosecuted separately and individually in the name of Franchisee and Franchisor (and/or its Affiliate), and not in any class action or representative capacity, and shall not be consolidated with claims asserted by or against any other franchisee. The following shall not be subject to arbitration: any claim or dispute involving or contesting the validity of any of the Trademarks, any dispute alleging a violation of federal or state securities law, and class action claims. The decision of whether any issue, claim, controversy or dispute is arbitrable shall be made by the arbitrator, who shall have jurisdiction to make such determination. Unless prohibited by law, both Franchisor and Franchisee hereby waive the right, if any, to obtain any award for exemplary or punitive damages from the other in any arbitration, or judicial proceeding, or other adjudication, arising out of or with respect to this Agreement, or any breach thereof, including any claim that this Agreement, or any part thereof, is invalid, illegal or otherwise voidable or void. The arbitration and the parties' agreement therefor shall be deemed to be self executing, and if either party fails to appear at any properly noticed arbitration proceeding, an award may be entered against such party despite such failure to appear.

13.02 Remedies of Franchisor.

In the event of a Material Breach of this Agreement, Franchisor may, at its election pursue the following remedies in addition to such other remedies as may be available to it hereunder and at law or equity: (i) terminate this Agreement, and thereafter bring such action as it may deem proper to protect its rights hereunder, in accordance with the provisions of this Article XIII; (ii) seek to recover such damages, including all sums due and owing pursuant to this Agreement and any other agreement relating thereto, and the benefit of its bargain hereunder, as Franchisor may, in its discretion, deem appropriate; and (iii) take any and all actions set forth in Section 12.06. In computing such damages, it is agreed that the benefit of Franchisor's bargain shall include Franchisor's average Continuing Royalty fee of 4.5% of Franchisee's Gross Sales, computed on

the basis of the last 26 weeks that Franchisee conducted business at the Franchised Restaurant (or if the Franchised Restaurant is open for less than 26 weeks, the entire period that the Franchised Restaurant is open for business) multiplied by the number of weeks remaining under this Agreement, computed from the effective date of the termination of this Agreement. Such sum shall thereupon be “**present valued**” by discounting the same, on an annual basis, predicated upon the prime rate charged by the Chase Manhattan Bank of New York City, on the effective date of such termination.

13.03 Summary Possessory Actions.

If Franchisee subleases the Franchised Restaurant or Franchised Location from Franchisor or its Affiliate, Franchisor or such Affiliate shall be entitled to maintain actions in unlawful or forcible detainer or other appropriate summary possessory action for recovery of the premises of the Franchised Restaurant or the Franchised Location, in any court of competent jurisdiction without being required to resort to arbitration, in respect of any uncured default by Franchisee in payment of premises rental under the sublease or by reason of any of the causes specified in Sections 12.01, 12.02 and 12.03, for a judgment which shall, if Franchisor or such Affiliate shall prevail therein, include both an order for restitution of the premises and any monetary relief incident thereto which may by law be awarded in any such possessory action. In any such possessory action by Franchisor or such Affiliate, Franchisee shall be entitled to assert defenses, set offs and counterclaims, if any, which are permitted by Applicable Law in such a possessory action, but no others; and, if Franchisee shall prevail thereon, it may obtain any relief thereon which may by law be awarded in such possessory action.

13.04 Interest on Late Payments.

In addition to the other remedies available to Franchisor, in the event that Franchisee shall fail or refuse to make any of the payments due under this Agreement, any sublease, any equipment lease, or any purchase contracts for equipment or supplies which were entered into prior to, contemporaneously with or subsequent to this Agreement, when due, Franchisee shall pay interest at the highest rate permitted by law, or 1.5% per month, whichever is less, of such late obligations to defray the cost of maintaining Franchisee’s account in arrears, it being expressly understood that payment of this charge shall not forgive or excuse any arrearage.

13.05 In proceeding with arbitration and in making determinations through arbitration, the arbitrators shall not have the power or authority to waive, extend, amend, modify or suspend any terms of this Agreement or the reasonable standards of business performance and operation established by Franchisor in good faith. The filing of a demand for arbitration or any notice or request to arbitrate, shall not stay, postpone or rescind the effectiveness of any termination of this Agreement; provided however, that the foregoing is not intended to preclude either party from seeking any provisional remedy from the arbitrator, including bringing a motion requesting a restraining order or injunction with regard to such termination, if such party believes any termination of this Agreement was improper.

13.06 With respect to all claims which, as a matter of law or public policy, cannot be submitted to arbitration, then Franchisee hereby irrevocably submits to the exclusive jurisdiction of the Federal District Court for the Central District of California, Los Angeles, and if as a matter of law or public policy such matter cannot be heard in Federal Court, to the exclusive jurisdiction of the State Courts of Los Angeles County, California. Franchisee and its principals, directors, Owners, if any, hereby waive all questions of personal jurisdiction for the purpose of carrying out this provision, and that personal service may be made on them in any legal proceeding arising out of this Agreement by any means allowed by California or federal law. Franchisee and its principals, directors, and Owners, if any, further agree that venue for any legal proceeding relating to or arising out of this Agreement shall be Los Angeles County, California; provided that for any action: (i) for monies owed; (ii) for injunctive or other extraordinary relief; or (iii) involving possession or disposition of, or other relief relating to, real property, Franchisor’s Leasing Affiliate may bring an action in any state or Federal District Court which has jurisdiction.

XIV
NON-COMPETITION

14.01 General.

Without Franchisor's prior written consent which may be withheld for any reason in Franchisor's sole subjective discretion, Franchisee shall not, during the Term, including any extension or renewal thereof, directly or indirectly, own, operate, control or have any financial interest in any family style restaurant, pancake house, coffee shop, buffet serving breakfast, or diner, including but not limited to the Village Inn, Bob's Big Boy, Shoney's, Denny's, Perkins', Waffle House, Baker's Square, Coco's, JB's, Allie's, Cracker Barrel, Marie Callender's, Friendly's, Bob Evans' Farms, Mimi's, Carrows, Denny's Diner, Golden Corral, Original Pancake House, Country Kitchen, Hometown Buffet, or any other food service operation that sells pancakes or derives more than 25% of its total sales from sit down breakfast items. The foregoing prohibitions shall not apply to ownership by Franchisee of less than 3% of the issued and outstanding Stock of any company whose shares are listed for trading over any public exchange or over-the-counter market and whose business includes the owning, operating, or franchising of family style restaurants, pancake houses, or coffee shops, provided Franchisee does not control any such company. Franchisee also agrees that it will not at any time communicate, divulge, or use for the benefit of himself or herself or any other person or entity, other than in the course of conduct of the Franchised Restaurant, any information or knowledge which it may have acquired in connection with the operation of the Franchised Restaurant, and that it will not do any act prejudicial or injurious to the business or goodwill of Franchisor, any of its Affiliates, or any other IHOP franchisee. As used in this Section, "**Franchisee**" shall include Franchisee and each of its Owners and affiliates, the respective officers, directors, managers and affiliates of each of them, and the spouse and family members who live in the same household of each of the foregoing who are individuals.

XV
INDEMNITY BY FRANCHISEE

15.01 Indemnity by Franchisee.

Franchisee shall defend, indemnify and hold Franchisor and each Affiliate harmless from and against any and all claims, demands, losses, damages, costs, liabilities and expenses (including attorneys' fees and costs of suit) of whatever kind or character, on account of any actual or alleged loss, injury or damage to any person, firm or corporation or to any property arising out of or in connection with the operation of the Franchised Restaurant.

XVI
MISCELLANEOUS

16.01 Right to Cure Defaults.

In addition to all other remedies herein granted, if Franchisee shall default in the performance of any of its obligations or breach any term or condition of this Agreement or any related agreement, Franchisor or its Affiliate may, at its election, immediately or at any time thereafter, without waiving any claim for breach hereunder and without notice to Franchisee cure such default for the account and on behalf of Franchisee, and the cost to Franchisor or its Affiliate thereof shall be due and payable on demand and shall be deemed to be additional compensation due to Franchisor or its Affiliate hereunder and shall be added to the amount of compensation next accruing hereunder, at the election of Franchisor or its Affiliate.

16.02 Obligations upon Termination.

(a) In the event of the termination or expiration of this Agreement for whatever reason, Franchisee shall immediately discontinue the use of the Trademarks and shall not thereafter operate or do business under any name or in any manner that might tend to give the general public the impression that it is either directly or indirectly associated, affiliated, franchised or licensed by or related to, Franchisor's IHOP Restaurant system, and shall not, either directly or indirectly, use any name, logotype, symbol or format confusingly similar to the Trademarks or formats, at either the Franchised Location, the Franchised Restaurant or any other location not then franchised to Franchisee by Franchisor. Since the IHOP Restaurants have a distinctive color scheme, unless Franchisor exercises its right to cause an assignment of the lease for the Franchised Location or Franchised Restaurant pursuant to Section 4.04(a), Franchisee shall promptly upon demand by Franchisor or its Affiliate repaint the Franchised Restaurant in a different color scheme. In addition, upon such expiration or termination, Franchisee shall not, either directly or indirectly, for any purpose whatsoever, use any of the Trade Secrets, procedures, techniques or materials acquired by Franchisee by virtue of the relationship created by this Agreement, including: (i) recipes, formulae and descriptions of food products; (ii) the Operations Bulletins and all manuals, bulletins, instruction sheets, and supplements thereto and shall return same to Franchisor; (iii) all forms, advertising matter, marks, devices, insignias, slogans and designs used from time to time in connection with IHOP Restaurants; and (iv) all copyrights, Trademarks and patents now or hereafter applied for or granted in connection with the operation of IHOP Restaurants;

(b) Further, Franchisee shall, at Franchisor's option, cancel or assign to Franchisor or its designee all of Franchisee's right, title and interest in any internet and website home pages, domain name listings and registrations which contain the Trademarks, or any of them, in whole or part, and Franchisee shall notify Network Solutions, InterNIC or other applicable domain name registrar and all listing agencies, upon the termination or expiration hereof, of the termination of Franchisee's right to use any domain name, web page and other internet device associated with Franchisor or any IHOP Restaurant, and authorize and instruct their cancellation or transfer to Franchisor, as directed by Franchisor. Franchisee is not entitled to any compensation from Franchisor if Franchisor exercises its such rights or options;

(c) Franchisor shall have the option, exercisable by written notice within 30 days after the termination of this Agreement, to take an assignment of all telephone numbers (and associated listings) for the Franchised Restaurant, and Franchisee shall notify the telephone company and all listing agencies of the termination or expiration of Franchisee's right to use any telephone number and any classified or other telephone directory listings associated with the Franchised Restaurant, and authorize and instruct their transfer to Franchisor. Franchisee hereby irrevocably appoints Franchisor as Franchisee's attorney-in-fact to execute in the name of and on behalf of Franchisee any and all instruments necessary or appropriate to transfer any or all such telephone numbers and listings to Franchisor, if Franchisee fails to do so for any reason; and

(d) The covenants of Franchisee contained in this Section 16.02 shall survive the termination of this Agreement.

16.03 Entire Agreement.

This Agreement and the Operations Bulletins contain all of the terms and conditions agreed upon by the parties hereto with reference to the specific subject matter hereof, and no other agreements oral or otherwise shall be deemed to exist or to bind any of the parties hereto and all prior and contemporaneous agreements, understandings and representations are merged herein and superseded hereby. Except as set forth in the Franchise Disclosure Document, Franchisor represents that there are no contemporaneous agreements or understandings relating to the subject matter hereof between the parties that are not contained herein. No officer or employee or agent of Franchisor has any authority to make any representation or promise not contained in this Agreement or in any Franchise Disclosure Document for prospective franchisees required by Applicable Law, and Franchisee agrees that it has executed this Agreement without reliance upon any such representation or promise. Notwithstanding the foregoing, for purposes of default, with respect to any other

agreements relating hereto, including, but not limited to, any purchase agreement, single store or multi-store development agreement or other development agreement as may be offered by Franchisor from time to time, lease or sublease for the Franchised Location or Franchised Restaurant, any equipment purchase agreement, equipment lease or sublease, any sign lease, or any purchase contracts for equipment or supplies which were entered into prior to, contemporaneously with, or subsequent to the Effective Date between Franchisee and Franchisor or its Affiliate, or between Franchisee and third parties, or any franchise fee promissory note, any material breach or default thereof shall also be a Material Breach of this Agreement. This Agreement cannot be modified or changed except by written instrument expressly referring to this Agreement, signed by all of the parties hereto.

16.04 Severability.

Nothing contained in this Agreement shall be construed as requiring the commission of any act contrary to law. Whenever there is any conflict between any provisions of this Agreement or the Operations Bulletins and any present or future statute, law, ordinance, regulation, or judicial decision, contrary to which the parties have no legal right to contract, the latter shall prevail, but in such event the provision of this Agreement or the Operations Bulletins thus affected shall be curtailed and limited only to the extent necessary to bring it within the requirements of the law. In the event that any part, Article, Section paragraph, sentence or clause of this Agreement or the Operations Bulletins shall be held to be indefinite, invalid or otherwise unenforceable, the indefinite, invalid or unenforceable provision shall be deemed deleted, and the remaining part of this Agreement shall continue in full force and effect, unless such provision pertains to the payment of fees, pursuant to Articles V, VI and VII hereof, in which case this Agreement shall, at Franchisor's option, terminate.

16.05 Waiver and Delay.

No waiver by Franchisor of any breach or series of breaches or defaults in performance by Franchisee and no failure, refusal or neglect of Franchisor either to exercise any right, power or option given to it hereunder or to insist upon strict compliance with or performance of Franchisee's obligations under this Agreement or the Operations Bulletins, shall constitute a waiver of the provisions of this Agreement or the Operations Bulletins with respect to any prior, concurrent or subsequent breach thereof or a waiver by Franchisor of its rights at any time thereafter to require exact and strict compliance with the provisions thereof.

16.06 Survival of Covenants.

The covenants contained in this Agreement which by their terms require performance by the parties after the expiration or termination of this Agreement shall be enforceable notwithstanding such expiration or other termination of this Agreement for any reason whatsoever.

16.07 Successors and Assigns.

This Agreement shall be binding upon and inure to the benefit of the successors and assigns of Franchisor and shall be binding upon and inure to the benefit of Franchisee and its or their respective heirs, executors, administrators, successors and assigns, subject to the restrictions on Assignment contained herein.

16.08 Joint and Several Liability.

If Franchisee consists of more than one person or entity, or a combination thereof, the obligations and liabilities of each such person or entity to Franchisor are joint and several.

16.09 Governing Law.

All matters relating to arbitration and within the scope of the federal arbitration act (9 U.S.C. § 1 et seq.) will be governed by such act. Except to the extent governed by the Federal Arbitration Act, the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. 1051 et seq.) or other Federal law, this agreement and the relationship between Franchisee and Franchisor will be governed by and construed in accordance the laws of the state of California, without giving effect to principles of conflicts of law, except that: (a) the provisions of Section 14.01 of this Agreement respecting non-competition covenants shall be governed in accordance with the laws of the State where the Franchised Restaurant is located; and (b) the California Franchise Investment Law, and any other state law relating to: (1) the offer and sale of franchises (2) franchise relationships, or (3) business opportunities, will not apply unless the applicable jurisdictional requirements are met independently without reference to this Section.

16.10 Counterparts.

This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument.

16.11 Fees and Expenses.

Should any party hereto commence any action or proceeding for the purpose of enforcing, or preventing the breach of, any provision hereof, whether by arbitration, judicial or quasi-judicial action or otherwise, or for damages for any alleged breach of any provision hereof, or for a declaration of such party's rights or obligations hereunder, or commence any appeal therefrom, then the prevailing party shall be reimbursed by the losing party for all costs and expenses incurred in connection herewith, including reasonable attorneys' fees for the services rendered to such prevailing party. Notwithstanding the foregoing, if Franchisor incurs expenses in connection with Franchisee's failure to pay when due amounts owing to Franchisor or otherwise to comply with this Agreement, including, but not limited to legal and accounting fees, Franchisee will reimburse Franchisor for any such costs and expenses which Franchisor incurs.

B. CHECK IF APPLICABLE: [] Franchisee is bound by a Settlement Agreement entered into on November 7, 1973 and an Amendment thereto (collectively referred to herein as “Settlement Agreement”) pursuant to which the United States District Court for the Western District of Missouri, Western Division, approved the settlement of multi-district litigation in the form of a Class Action lawsuit entitled *In re: IHOP Franchise Litigation*, M.D.L. Docket No. 77 (hereinafter “Litigation”) by an order dated November 29, 1973 (hereinafter “Judgment Order”).

C. Franchisee may be a party to a Sublease (hereinafter “Sublease”) with IHOP Leasing LLC for the Franchised Location and Franchised Restaurant.

D. IHOP Property LLC or Franchisee may be a party to a Master Lease (hereinafter “Master Lease”) with a third party landlord for the Franchised Location.

E. F. IHOP Franchisor LLC and Franchisee have executed concurrently herewith a “Franchise Agreement,” pursuant to which IHOP Franchisor LLC grants to Franchisee a franchise to operate a Franchised Restaurant at the Franchised Location.

G. The parties hereto desire to release each other from certain obligations which may have arisen under their prior relationship, to clarify their obligations, to waive any rights arising under the Settlement Agreement and Judgment Order and to amend said Franchise Agreement in accordance with the terms and subject to the conditions hereinafter set forth.

WHEREFORE, IT IS AGREED:

1. IHOP and Franchisee, on behalf of themselves and their respective descendants, ancestors, dependents, heirs, executors, administrators, assigns, agents, servants, stockholders, members, partners, directors, officers, affiliates, employees, representatives, predecessors and successors, as applicable, hereby fully and forever release and discharge each other, and their respective descendants, ancestors, dependents, heirs, executors, administrators, assigns, agents, servants, stockholders, members, partners, directors, officers, affiliates, employees, representatives, predecessors and successors, as applicable, from any and all rights, obligations, actual and alleged claims, demands, losses, damages, causes of action, violations and actions whether known or unknown, asserted or unasserted, suspected or unsuspected, fixed or contingent, which each party and their abovementioned representatives now have against the other party and his or its

abovementioned representatives arising out of the Original Franchise Agreement, the Sublease, the Equipment Lease, the Settlement Agreement, and the Judgment Order, except as provided herein.

2. The parties hereby waive the benefits of Section 1542 of the California Civil Code which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE WHICH, IF KNOWN BY HIM, MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

Notwithstanding Section 1542, and except as provided herein, this Rider releases all claims whether known or unknown, foreseen, unforeseen, patent or latent which each party has as of the date hereof against the other and this release shall act as a release of future claims that may arise from acts arising prior to the date hereof under the Original Franchise Agreement, and if applicable, the Settlement Agreement and the Judgment Order, whether such claims are currently known, unknown, foreseen or unforeseen; provided, however, that this release shall not operate to release Franchisee from the obligation to pay any sums due to IHOP since the effective date of the Original Franchise Agreement. The parties understand and acknowledge the significance and consequence of such specific waiver of Section 1542 and hereby assume full responsibility of such injuries, damages, losses, or liability, under the Original Franchise Agreement, and if applicable, the Settlement Agreement and the Judgment Order.

3. Notwithstanding any terms of the Original Franchise Agreement, the parties hereby terminate in its entirety by mutual consent, as of the date hereof, said Original Franchise Agreement, as amended by the Settlement Agreement and the Judgment Order, if applicable, and the same shall have no force and effect with respect to any of its terms, including but not limited to any obligation of IHOP Franchisor LLC, whether express or implied, to provide accounting and other ancillary services.

4. If Recital B has been checked above, in consideration of the execution of the Franchise Agreement, the parties hereto waive and relinquish their respective rights under the Settlement Agreement and Judgment Order, whether such rights accrued prior to or will accrue subsequent to the date hereof.

5. If Recital B has been checked above, Franchisee acknowledges (s)he has read the Settlement Agreement and is aware of its terms.

6. IHOP Franchisor LLC and Franchisee agree that the Franchise Agreement and this Rider shall govern their relationship as franchisor and franchisee hereafter.

If at any time during the term hereof it shall be required by any governmental agency as a condition to doing business on the Premises that certain equipment be furnished or replaced according to plans and specifications prescribed by such agency, Lessee shall bear the cost of furnishing or replacing such equipment for his or her sole account and without reimbursement from Lessor.

Lessee shall be responsible for any damage to the Personal Property while in his or her possession and shall pay to Lessor or Lessor's designee the value of so much of it, or any part thereof, as may be damaged or destroyed. Upon the expiration of the term of this Lease or its termination pursuant to Article III hereof, Lessee shall promptly return the Personal Property to Lessor in as good condition as when received, reasonable wear and tear excepted, and in the quantities shown on **Exhibit(s) "A" and "B."**

Should Lessee at any time during the term hereof fail to so maintain or repair the Personal Property as required by Lessor or should Lessee fail to pay any personal property tax, sales tax or use tax when due, Lessor may defray such expense from Lessee's account and Lessee shall reimburse Lessor therefor within ten days after being notified in writing of the nature and amount of such expenditure.

Lessor, and its affiliates or agents, may at any time enter the Premises to inspect the Personal Property and the manner in which it is being used, maintained and repaired.

VI
INSURANCE

Subject to any other requirement set forth in the Franchise Agreement or Sublease, Lessee will, at Lessee's sole cost and expense, cause to be obtained, and Lessee shall keep in force during the term of this Lease, "All Risk" property insurance and burglary insurance in such amounts equal to the full replacement value of the Personal Property, with loss payable to Lessor.

Notwithstanding the damage or destruction of the Lessee's Premises and/or the Personal Property, rent and taxes payable hereunder shall not abate, although the Premises are closed for restoration and/or the Personal Property is inoperative. In order to assure the payment of the equipment rent and taxes hereunder, Lessee hereby covenants and agrees to obtain business interruption insurance coverage, naming Lessor as a co-insured, that shall include an increment sufficient to cover the rent and taxes payable hereunder for at least 39 weeks, Lessee hereby further covenanting and agreeing to assign to Lessor the proceeds of any proof of loss under such business interruption policy to the extent of the rent and taxes payable hereunder for the period of the loss, together with any and all arrearages hereunder at any time.

VII
ASSIGNMENT

The Lessee shall not assign, pledge, loan, mortgage, sublet or part with possession of the Personal Property or attempt in any other manner to dispose thereof, or remove the Personal Property from its location, or suffer any liens or legal process to be incurred or levied thereon or permit any other persons (the

agents and employees of Lessee excepted) to use the Personal Property without first having obtained the written consent of Lessor.

**VIII
REMEDIES OF LESSOR ON DEFAULT**

Upon default in the payment of any installment of rent, upon a breach of any other condition of this Lease to be performed or observed by the Lessee, or if during the term of this Lease bankruptcy or insolvency proceedings are commenced by or against the Lessee, or if a receiver is appointed for the business of the Lessee, or if the Lessee discontinues business at his or her present address, the Lessor shall have the right, in addition to all other remedies at law or in equity, without notice or demand, to terminate this Lease and to enter upon the premises and remove the Personal Property therefrom. Such termination shall neither release the Lessee from the payment of damages sustained by the Lessor, nor from the payment of any obligations theretofore accrued.

**IX
WARRANTIES**

Lessee acknowledges that Lessor is not the fabricator nor manufacturer of any of the Personal Property and Lessor makes no warranties of any kind or nature whatsoever with respect to the Personal Property. Lessor does hereby convey and assign to Lessee for the term of this Lease all of the warranties of fitness and merchantability, if any, and every other warranty of every kind or nature whatsoever, if any, which Lessor has received from the fabricators or manufacturers of the Personal Property. In the event that any of the Personal Property is defective, Lessor agrees to cooperate fully with Lessee to obtain such redress and recovery against the manufacturers or fabricators of such defective Personal Property as may be allowable pursuant to applicable law. Lessor shall have no further obligations in connection with such defects.

**X
NOTICES**

Any notice required or permitted to be given hereunder shall be in writing and shall be served upon the other party personally, or by registered or certified mail, with return receipt requested, postage prepaid. Any notice to Lessor shall be in duplicate. One copy shall be addressed to it IHOP Franchisor LLC at 450 N. Brand Boulevard, 7th Floor, Glendale, California 91203-2306, Attention: Legal Department, and the other copy shall be addressed to it at the regional office for the Lessor closest to the Premises. Any notice to Lessee may be addressed to him/her at the address of the Premises. Either party may designate another address at any time by appropriate written notice to the other.

**XI
MASTER EQUIPMENT AGREEMENT**

(Check One)

() This Lease is and shall be subordinate to the interest of _____ pursuant to a _____ and related documents between _____ and IHOP Franchisor LLC or its predecessor in interest (hereinafter collectively referred to as the “**Equipment Documents**”), copies of which are collectively attached hereto as **Exhibit “C”** and incorporated herein by this reference. In the event Lessor defaults under the Equipment Documents, Lessee herein shall be granted the right to cure the defaults of Lessor and to assume the payments of Lessor thereunder, which may include the obligation of Lessee to make payments to _____ of approximately \$ _____ per month plus applicable sales tax.

() The parties hereto acknowledge that Lessor may enter into a financing arrangement, including a lease, with a third party lender to acquire the Personal Property. In that event, Lessee agrees that this Lease shall be subject and subordinate to an equipment agreement between Lessee and its third party lender or Lessor, and Lessee agrees upon request to execute documents, including but not limited to an amendment to this Equipment Lease and an assignment of lease rentals, as may be required by the terms of Lessor's financing arrangements.

Depending upon the terms of the financing arrangements, Lessee could be subject to loss of the Personal Property or this Lease in the event of a default by Lessor, or Lessee could be required to cure any default by Lessor to maintain Lessee's possession of the Personal Property at the Premises. Should Lessee be permitted to assume Lessor's obligations following a default by Lessor, the payments which Lessee would be required to make to the party which financed the Personal Property may be higher than the payments required under this Lease; additionally, a balloon payment may be required at the end of the financing period, which is typically 5 to 7 years. Any such payments by Lessee would be in lieu of the payments required under this Lease and, while such payment could be higher and could require a balloon payment, they would be made only over a period of, typically, 5 to 7 years, not over the duration of the franchise as is the case for this Lease between Lessor and Lessee.

**XII
ATTORNEY FEES**

If any action or proceeding, whether judicial or non-judicial, is commenced with respect to any claim or controversy arising from a breach of this Equipment Lease or seeking the interpretation or enforcement of this Equipment Lease, in addition to any other relief, the prevailing party or parties in such action or proceeding shall receive and be entitled to recover all costs and expenses, including reasonable attorney's fees and costs, incurred by it on account of, or related to such action or proceeding, including any appeal therefrom.

**XIII
INTEREST ON LATE PAYMENTS**

In addition to other remedies available to Lessor, in the event that Lessee shall fail or refuse to make any of the payments due under this Equipment Lease, Lessee shall pay interest at the highest rate permitted by law, or 1.5% per month, whichever is less, of such late obligations to defray the cost of maintaining lessee's account in arrears, it being expressly understood that payment of this charge shall not forgive or excuse any arrearage.

**XIV
DELEGATION BY LESSOR**

Lessor shall have the right to delegate to one or more of its Affiliates some or all of Lessor's duties to Lessee under this Agreement; provided, however, Lessor shall remain fully responsible to Lessee for the full and faithful performance of all of its obligations to Lessee hereunder.

EQUIPMENT PURCHASE AGREEMENT

THIS EQUIPMENT PURCHASE AGREEMENT ("Agreement") is made and entered into as of the _____ day of _____, 20____, by and between IHOP FRANCHISOR LLC, a Delaware limited liability company ("Seller") and _____ ("Purchaser").

WITNESSETH:

WHEREAS, Purchaser (or Purchaser's predecessor-in-interest) has heretofore entered into (i) that certain Franchise Agreement (the "Franchise Agreement") with Seller (as "Franchisor"), pursuant to which Franchisor has granted to Purchaser the right to operate an "International House of Pancakes" or "IHOP" restaurant at _____ (the "Premises"), (ii) that certain Sublease or lease (the "Sublease") with IHOP Property LLC, a Delaware limited liability company (or its predecessor-in-interest), or IHOP Leasing, LLC, a Delaware limited liability company (or its predecessor-in-interest), and (iii) that certain Equipment Lease (the "Equipment Lease") with Seller (or its predecessor-in-interest). The Franchise Agreement, the Sublease and the Equipment Lease are collectively referred to herein as the "Franchise Documents", and

WHEREAS, in connection with the operation of said restaurant, Purchaser and Seller have mutually agreed to cancel said Equipment Lease and Purchaser has agreed to purchase from Seller, subject to the terms and conditions hereinafter set forth, certain equipment, fixtures and expendables (hereinafter referred to as "equipment") used in connection with the operation of said restaurant.

WHEREAS, Purchaser and Seller (as "Franchisor") have concurrently herewith entered into that certain Franchise Agreement (the "Franchise Agreement"), pursuant to which Franchisor has granted to Purchaser the right to operate an "International House of Pancakes" or "IHOP" restaurant at _____ ("the Premises"), and

WHEREAS, in connection with operation of said restaurant, Purchaser has elected to purchase from Seller, subject to the terms and conditions hereinafter set forth, certain equipment, fixtures and expendables (hereinafter referred to as "equipment") to be used in connection with operation of said restaurant.

NOW, THEREFORE, in consideration of the foregoing, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Seller hereby sells to Purchaser and Purchaser hereby purchases from Seller those items of equipment more fully described in Exhibits "A" and "B" hereto attached and which are hereby incorporated herein.
2. Purchaser agrees to pay to Seller, and Seller hereby agrees to accept from Purchaser as the sole purchase price for the items of equipment described in Exhibits "A" and "B" following, the sum of \$ _____ plus applicable sales tax of \$ _____, to be payable upon execution hereof by Purchaser.
3. Seller makes no warranties of any kind or nature whatsoever with respect to the equipment and particularly does not make any warranties of merchantability or fitness for a particular purpose. Purchaser acknowledges that he is taking said equipment "as is," "where is," and subject to all defects, known or unknown.
4. In order to preserve and protect Franchisor's interest in the names "International House of Pancakes" and "IHOP" and Franchisor's trademark and tradename rights therein for the benefit of Franchisor, Seller and the franchisees of Franchisor in the event of termination, cancellation or expiration of the franchise, Seller shall have the right but not the obligation, as an option at Seller's sole discretion, to repurchase the sign face located at the Premises and, as consideration therefor, shall pay to Purchaser an amount equal to the cost of said sign face as depreciated over a period of _____.

5. Notwithstanding the passage of title to the equipment, Seller and Purchaser, recognizing the interests of Seller and its affiliates in maintaining an operating International House of Pancakes restaurant at the Premises, agree to the following provisions which shall remain in effect for so long as Purchaser has any unpaid obligations under the Agreement or for the term of the Franchise Agreement, including any renewals, whichever is longer:

A. The Purchaser shall not remove any part or portion of the equipment or any replacements thereof from the Premises, and in no event shall he remove the equipment at any time or in any manner contrary to the provisions of the Master Lease (as defined in the Sublease) for the Premises; nor shall he or she sell, lien, mortgage or otherwise encumber or dispose of any part thereof during his or her occupancy and operation of the Premises unless a suitable and adequate substitution or replacement therefor is provided by him or her.

B. Seller shall have the right and option, but not the obligation, to repurchase the equipment upon the termination of the Franchise Agreement for any reason or upon any assignment or transfer by Purchaser of his or her rights under the Agreement, the Franchise Agreement or the Sublease for a sum equal to the balance of the purchase price then outstanding for the equipment in place.

C. In addition to the foregoing and not as a limitation thereon, if the Purchaser shall desire to either lease the equipment or sell, assign or transfer in any way his or her interests in it, then in such event the Seller shall have the first right to accept said lease, sale, assignment or transfer on the same terms and conditions as shall be contained in any written *bona fide* offer which the Purchaser shall be ready and willing to accept. The Purchaser shall give the Seller notice of the terms and conditions contained in any such offer as well as a copy of all documents or proposed documents related to such transaction and the Seller shall have 60 days from and after receipt of such notice, information and documents from the Purchaser within which to elect to accept such lease, sale, assignment or transfer of the equipment on the same terms and conditions as contained in such written proposal. If the Seller shall elect not to accept such proposal or shall fail to give the Purchaser notice within the aforesaid 60 day period provided for herein, then the Purchaser may effect such transaction, but only upon the terms and conditions specified in the notice Purchaser submitted to the Seller. If the Purchaser shall not consummate such transaction, then in such event the Seller's right hereunder shall continue with respect to any subsequent proposals.

D. Purchaser shall pay any and all property taxes, sales and/or use taxes assessed against the equipment or arising as a result of the Agreement.

E. Purchaser shall, at its sole cost and expense, keep the equipment in good condition and appearance and shall make all repairs, refurbishment and replacements necessary for its preservation and maintenance. Purchaser shall replace the equipment as needed, and the quantities thereof shall be maintained at levels equal to or greater than at the outset of the Agreement, all as more particularly provided in the Franchise Agreement, and all provisions of the Agreement shall apply to each of such replacement items.

Should Purchaser fail to so maintain, repair or replace the equipment or fail to pay any property, sales, use or other tax when due, Seller may defray such expense for Purchaser's account and Purchaser shall reimburse Seller therefore within ten days after being notified in writing of the nature and amount of such expenditure.

Seller, and its affiliates or agents, may at any time enter the Premises to inspect the equipment and the manner in which it is being used, maintained, repaired and replaced.

F. Purchaser shall keep in force fire and extended coverage insurance and burglary insurance in amounts equal to the full replacement value of the equipment, with loss payable to Seller, and Seller shall apply such payments to Purchaser's obligations to Seller, whether hereunder or otherwise.

Notwithstanding the damage or destruction of the Premises and/or the equipment, payments hereunder shall not abate, although the Premises are closed for restoration and/or the equipment is inoperative. In order to assure payment hereunder, Purchaser hereby covenants and agrees to obtain business interruption insurance coverage naming Seller as a co-insured that shall include an amount sufficient to cover the amounts of payments and taxes payable hereunder for at least 16 weeks. Purchaser hereby further covenants and

agrees to assign to Seller the proceeds of any proof of loss under such business interruption policy to the extent of the purchase price payments and taxes payable under the Agreement.

Purchaser assumes all risks of damage to or loss of the equipment, whether insured against or not.

6. In the event of any transfer of Purchaser's interest in the equipment (whether by sale, assignment, lease or otherwise), the transferee shall expressly assume all obligations of the Purchaser hereunder, who shall not be released therefrom.

7. It is further understood and agreed that the Agreement contains the complete agreement between the parties hereto, that no representations or warranties, express or implied, have been made by or on behalf of Seller except those which are set forth in the Agreement; that Purchaser has made an independent investigation of the equipment and has relied solely on his own investigation with reference thereto in entering into the Agreement, and has placed no reliance nor acted upon any representations or warranties upon the part of Seller or Seller's agent not specifically set forth therein. The Agreement shall inure to the benefit of and be binding on the heirs, executors, administrators, successors and assigns of the respective parties hereto, provided that the equipment shall remain subject to all provisions thereof.

8. Any notice required or permitted to be given hereunder shall be in writing and shall be served upon the other party personally, or by registered or certified mail, with return receipt requested, postage prepaid. Any notice to Seller shall be in duplicate. One copy shall be addressed to it at 450 North Brand Boulevard, 7th Floor, Glendale, California 91203-4415, Attention: Legal Department, and the other copy shall be addressed to it at the appropriate regional office of the Seller. Any notice to Purchaser may be addressed to him or her at the address of the Premises. Either party may designate another address at any time by appropriate written notice to the other.

9. In the event of any dispute between Seller and Purchaser regarding the Agreement or the business transaction evidenced hereby, the prevailing party shall receive full compensation for all attorneys' fees incurred in connection therewith, including any appellate proceedings.

10. Seller shall have the right to delegate to one or more of its Affiliates some or all of Seller's duties to Purchaser under this Agreement; provided, however, Seller shall remain fully responsible to Purchaser for the full and faithful performance of all of its obligations to Purchaser hereunder.

The effective date of this Equipment Purchase Agreement is _____.

Report of Independent Auditors

Member of IHOP Franchisor LLC

Opinion

We have audited the financial statements of IHOP Franchisor LLC (the Company), which comprise the balance sheets as of January 1, 2023 and January 2, 2022, and the related statements of income, member's equity and cash flows for the fiscal years then ended, and the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at January 1, 2023 and January 2, 2022, and the results of its operations and its cash flows for the fiscal years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

IHOP Franchisor LLC

Notes to the Financial Statements

1. Formation and Business

Organization

IHOP Franchisor LLC (the Company) is a single-member limited liability company formed in Delaware on July 28, 2014 and is governed by the limited liability company agreement dated July 28, 2014. The Company is a wholly-owned subsidiary of IHOP Funding LLC (the Member), which, through various entities, is a wholly-owned subsidiary of International House of Pancakes, LLC (IHOP LLC), which is a wholly-owned subsidiary of Dine Brands Global, Inc. (Dine).

On June 5, 2019, the Member and a sister entity (the Co-Issuers), each a special purpose, wholly-owned indirect subsidiary of Dine, issued \$1.3 billion of fixed rate senior secured notes. The Co-Issuers also replaced their existing revolving financing facility with a new revolving financing facility. The fixed rate senior secured notes and the revolving credit facility are referred to collectively herein as the “Notes.” The Notes were issued in a securitization transaction pursuant to which substantially all of Dine’s domestic revenue-generating assets and domestic intellectual property are held by the Co-Issuers and certain other special-purpose, wholly-owned indirect subsidiaries of Dine (the “Guarantors”) that act as guarantors of the Notes and that have pledged substantially all of their assets to secure the Notes.

Nature of Operations

The Company was formed as a special purpose entity to act as franchisor and to hold all rights, title and interest in new franchise agreements for International House of Pancakes® (IHOP) restaurants in the United States effective after September 30, 2014 (the Agreements) and all accrued and future rights to collection under the Agreements. In its capacity as the franchisor, the Company enters into all additional development and franchise agreements for IHOP® restaurants within the United States (including all substitute or replacement franchise agreements for existing IHOP restaurants).

As of January 1, 2023, there were 968 IHOP restaurants subject to franchise agreements held by the Company located in 47 states.

Fiscal Period

The Company has a 52/53 week fiscal year that ends on the Sunday nearest to December 31 of each year. The 2022 year presented herein began on January 3, 2022 and ended on January 1, 2023. The 2021 year presented herein began on January 4, 2021 and ended January 2, 2022. Both 2022 and 2021 fiscal years contained 52 weeks.

Profits and Losses and Distributions

All profits and losses and distributions will be allocated entirely to the Member.

IHOP Franchisor LLC

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities, if any, at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates are made in the calculation and assessment of allowance for doubtful accounts and notes receivable and contingencies. On an ongoing basis, the Company evaluates its estimates based on historical experience, current conditions and various other assumptions that are believed to be reasonable under the circumstances. The Company adjusts such estimates and assumptions when facts and circumstances dictate. Actual results could differ from those estimates.

Risks and Uncertainties

Beginning in March 2020, federal, state, local and international governments reacted to the COVID-19 pandemic by encouraging or requiring social distancing, instituting shelter-in-place orders, and requiring, in varying degrees, reduced operating hours, restaurant dine-in and/or indoor dining limitations, capacity limitations or other restrictions that largely limited restaurants to off-premise sales (take-out and delivery). As infection rates from the initial outbreak declined, domestic governmental entities slowly began to relax restrictions, and the degree of relaxation varied by individual geographic area. Restaurants allowed to re-open were largely limited to occupancy of 50% or less of capacity during the period from May 2020 to March 2021. As vaccines became widely available and incidents of infection continued to decrease, many restrictions were removed during 2021. This information is helpful in reviewing results of operations from, and comparisons to, these time periods. We and our franchisees continue to monitor developing health authority recommendations and regulatory requirements.

The Company cannot predict how long the pandemic will last, whether/when recurrences of the virus and its variants may arise, what restrictions on in-restaurant dining may be enacted or re-enacted, the availability and acceptance of vaccines, the timing and extent of customer re-engagement with the Company's brand and in general, what the short- and long-term impact on consumer discretionary spending the COVID-19 pandemic might have on the Company and the restaurant industry as a whole, all of which are uncertain and cannot be predicted. As such, the extent to which the COVID-19 pandemic may continue to materially impact the Company's financial condition, liquidity, or results of operations remains highly uncertain.

Revenue Recognition

Franchise revenues consist primarily of royalty revenues, advertising fees and franchise fees. Franchise revenue is recognized in accordance with Accounting Standards Codification 606 - Revenue from Contracts with Customers ("ASC 606"). Under ASC 606, revenue is recognized upon transfer of control of promised services or goods to customers in an amount that reflects the consideration the Company expects to receive for those services or goods.

IHOP Franchisor LLC

Notes to the Financial Statements (continued)

2. Summary of Significant Accounting Policies, continued

The Company owns and franchises the IHOP restaurant concept. The franchise arrangement is documented in the form of a franchise agreement and, in most cases, a development agreement. The franchise arrangement between the Company as the franchisor and the franchisee as the customer requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the franchisee, but instead represent a single performance obligation, which is the transfer of the franchise license. The intellectual property subject to the franchise license is symbolic intellectual property as it does not have significant standalone functionality, and substantially all the utility is derived from its association with the Company's past or ongoing activities. The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's symbolic intellectual property over the term of the license. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation.

The transaction price in a standard franchise arrangement primarily consists of (a) initial franchise/development fees; (b) continuing franchise fees (royalties); and (c) advertising fees. Since the Company considers the licensing of the franchising right to be a single performance obligation, no allocation of the transaction price is required.

The Company recognizes the primary components of the transaction price as follows:

- Franchise and development fees are recognized as revenue ratably on a straight-line basis over the term of the franchise agreement commencing with the restaurant opening date. As these fees are typically received in cash at or near the beginning of the franchise term, the cash received is initially recorded as a contract liability until recognized as revenue over time;
- The Company is entitled to royalties and advertising fees based on a percentage of the franchisee's gross sales as defined in the franchise agreement. Royalty and advertising revenue are recognized when the franchisee's reported sales occur. Depending on timing within a fiscal period, the recognition of revenue results in accounts receivable on the balance sheet.

In determining the amount and timing of revenue from contracts with customers, the Company exercises significant judgment with respect to collectability of the amount; however, the timing of recognition does not require significant judgment as it is based on either the franchise term or the month of reported sales by the franchisee, neither of which requires estimation.

The Company does not incur a significant amount of contract acquisition costs in conducting its franchising activities. The Company believes its franchising arrangements do not contain a significant financing component.

Financing revenue is recorded as earned.

IHOP Franchisor LLC

Notes to the Financial Statements (continued)

2. Summary of Significant Accounting Policies, continued

Advertising

Costs of advertising typically are expensed either as incurred or the first time the advertising takes place. Any excess or deficiency of advertising fee revenue compared to advertising expenditures, is recognized on an annual basis. Any excess of revenue over expenditures is recognized only to the extent of previously recognized deficits. The advertising fees are recorded as a liability to International House of Pancakes, LLC as a component of Due to Affiliates against which specific costs are charged.

Concentrations of Credit Risk

The Company's cash and receivables are potentially subject to concentration of credit risk. Cash is placed with financial institutions that management believes are creditworthy. The Company does not believe that it is exposed to any significant credit risk on cash. At times, cash balances may be in excess of FDIC insurance limits.

Accounts receivables are derived from revenues earned from franchisees located in the United States. Financing receivables arise from the financing of restaurant equipment by franchisees. The Company is not subject to a significant concentration of credit risk with respect to accounts receivable.

As of January 1, 2023, two franchisees owned a total of 127 IHOP restaurants, representing 13% of the Company's restaurants. Revenues from these franchisees represented 14% of the Company's total revenues for the year ended January 1, 2023. No individual franchisee represented more than 10% of the Company's total revenue for the year ended January 1, 2023.

Allowance for Credit Losses

The Company determines the allowance based on historical experience, current payment patterns and reasonable and supportable forecasts used in assessing the franchisees' ability to pay outstanding balances. The primary indicator of credit quality is delinquency, which is considered to be a receivable balance greater than 90 days past due. Allowance for doubtful accounts is continually reviewed. Past due balances are reviewed individually for collectability. Account balances are charged against the allowance after all collection efforts have been exhausted and the potential for recovery is considered remote.

Income Taxes

The Company, a disregarded entity for both federal and state tax filing purposes, elected to simplify the accounting for income taxes under Accounting Standards Update No. 2019—12, *Income Taxes*, which does not require tax allocation. Accordingly, its results are included in the consolidated tax returns of Dine.

Restricted Cash

Long-term restricted cash of \$16.4 million at January 1, 2023 and January 2, 2022 represents interest reserves set aside for the duration of the Notes.

IHOP Franchisor LLC

Notes to the Financial Statements (continued)

2. Summary of Significant Accounting Policies, continued

Pre-opening Expenses

Expenditures related to the opening of new or relocated restaurants are charged to expense when incurred and are included as a component of franchise expenses in the Statement of Income.

Accounting Standards

The Company reviewed new accounting guidance that became effective as of the beginning of fiscal 2022 as well as other newly issued accounting pronouncements and concluded that they were either not applicable to its operations or had no material effect on its financial statements in the current or future fiscal years.

3. Revenue Disclosures

The following table disaggregates franchise revenue by major type for the years ended January 1, 2023 and January 2, 2022 (in thousands):

The balance of deferred revenue as of January 1, 2023 is expected to be recognized as follows:

	<i>(In thousands)</i>

4. Receivables

Receivables at January 1, 2023 and January 2, 2022 were as follows (in thousands):

	2022	2021
Accounts receivable	\$ 13,771	\$ 13,246

Less: current portion	<u>(16,964)</u>	<u>(16,557)</u>
Long-term receivables	<u>\$ 10,174</u>	<u>\$ 10,230</u>

Accounts receivable primarily includes royalty receivables due from franchisees. Financing receivables primarily relate to leasing of the restaurant equipment to franchisees. Equipment lease contracts are due in equal weekly installments, and bear a weighted-average interest rate of 9.6% per annum at January 1, 2023 and are collateralized by the equipment. The term of an equipment lease contract coincides with the term of the corresponding restaurant building lease.

The primary indicator of the credit quality of financing receivables is delinquency. As of January 1, 2023, there were no financing receivables delinquent more than 90 days.

IHOP Franchisor LLC

4. Receivables, continued

Changes in the allowance for credit losses during the fiscal years ended January 1, 2023 and January 2, 2022 were as follows:

5. Related Party Transactions

All cash receipts from the Company's operating revenue are collected and administered by the Member, resulting in a balance due from Member. All cash disbursements related to the Company's operating expenses are paid by affiliated entities (the Affiliates), resulting in a balance due to Affiliates. The Company, the Member and the Affiliates are under the common control of Dine. The Company and Dine determined that the balance due to Affiliates and the balance due from Member (collectively, the Related Party balances) will not be settled until the securitization structure described in Note 1 is dissolved. Since the Related Party balances will not be settled until the dissolution of the Company and the Company, the Member and the Affiliates are all under the common control of Dine, the net amount of the Related Party balances is classified within equity as Due from Member, net. Changes in Related Party balances are considered to be non-cash financing activity.

IHOP LLC allocates costs of general and administrative services to the Company, including information technology, human resources, quality assurance, training, legal, payroll, audit, tax, and communication. These costs are allocated on a basis the Company believes to be reasonable, primarily proportional allocation based on revenue, or specific identification, where applicable. The Company cannot estimate with any reasonable certainty what the charges for similar transactions would have been on a stand-alone basis. The total amounts of allocated costs charged to the Company of \$17.7 million and \$15.4 million for the fiscal years ended January 1, 2023 and January 2, 2022, respectively, is included in general and administrative expenses in the Statements of Income.

IHOP Franchisor LLC

Notes to the Financial Statements (continued)

5. Related Party Transactions, continued

In May 2016, Dine borrowed \$20.0 million from the Company at an interest rate of 6.5% per annum. The note was due in September 2021 with interest payable semiannually beginning in March 2017. This note was settled via dividend distribution of \$20.7 million in September 2021, representing repayment of principal and the final interest payment.

In November 2019, Dine borrowed an additional \$7.0 million from the Company at an interest rate of 6.5% per annum. This note was due in the second quarter of 2022 with interest payable semiannually beginning in December 2019. In June 2022, the note was amended and extended to June 2025. Total interest income of \$0.5 million and \$1.4 million related to these notes is included in other income, net in the Statements of Income for the fiscal years ended January 1, 2023 and January 2, 2022, respectively.

6. Lease Disclosures

The Company engages in leasing activity as a lessor. The Company's lease portfolio originated when Dine was actively involved in the development and financing of IHOP restaurants prior to the franchising of the restaurant to the franchisee. This activity included Dine's purchase or leasing of the site on which the restaurant was located, equipping the restaurant and subsequently leasing/subleasing the site and equipment to the franchisee. With a few exceptions, Dine ended this practice in 2003. The Company's lease activity is comprised of pre-existing lease arrangements renewed after September 30, 2014.

The Company recognized interest income on equipment leases of \$1.2 million and \$1.4 million during the fiscal years ended January 1, 2023 and January 2, 2022, respectively.

Future minimum payments to be received under equipment leases as of January 1, 2023 were as follows:

	<i>(In thousands)</i>
2023	\$ 4,125
2024	3,433
2025	2,870
2026	1,326

Less: interest	(16,170)
Total net investment in leases	11,746
Less: current portion	(2,858)
Total long-term investment in leases	<u><u>\$ 8,888</u></u>

IHOP Franchisor LLC

Notes to the Financial Statements (continued)

7. Commitments and Contingencies

The Company is subject to lawsuits, governmental inspections, administrative proceedings, audits, and claims arising in the ordinary course of business. Some of these lawsuits purport to be class actions and/or seek substantial damages. The Company is required to record an accrual for litigation loss contingencies that are both probable and reasonably estimable. Management regularly assesses the Company's insurance deductibles, analyzes litigation information with the Company's attorneys and evaluates its loss experience related to pending legal proceedings. While the Company does not presently believe that any of the legal proceedings to which the Company is currently a party will ultimately have a material adverse impact on the Company, there can be no assurance that the Company will prevail in all the proceedings the Company is party to, or that the Company will not incur material losses from them.

8. Subsequent Events

The Company has evaluated subsequent events for potential recognition or disclosure through March 23, 2023, the date the financial statements were available to be issued.

We have audited the accompanying financial statements of IHOP Franchisor LLC, which comprise the balance sheet as of January 3, 2021, and the related statements of income, member's equity and cash flows for the fiscal year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. 1. Formation and Business

Organization

IHOP Franchisor LLC (the Company) is a single-member limited liability company formed in Delaware on July 28, 2014 and is governed by the limited liability company agreement dated July 28, 2014. The Company is a wholly-owned subsidiary of IHOP Funding LLC (the Member), which, through various entities, is a wholly-owned subsidiary of International House of Pancakes, LLC (IHOP LLC), which is a wholly-owned subsidiary of Dine Brands Global, Inc. (Dine).

On June 5, 2019, the Member and a sister entity (the Co-Issuers), each a special purpose, wholly-owned indirect subsidiary of Dine, issued \$1.3 billion of fixed rate senior secured notes. The Co-Issuers also replaced their existing revolving financing facility with a new revolving financing facility. The fixed rate senior secured notes and the revolving credit facility are referred to collectively herein as the “Notes.” The Notes were issued in a securitization transaction pursuant to which substantially all of Dine’s domestic revenue-generating assets and domestic intellectual property are held by the Co-Issuers and certain other special-purpose, wholly-owned indirect subsidiaries of Dine (the “Guarantors”) that act as guarantors of the Notes and that have pledged substantially all of their assets to secure the Notes.

Nature of Operations

The Company was formed as a special purpose entity to act as franchisor and to hold all rights, title and interest in new franchise agreements for International House of Pancakes® (IHOP) restaurants in the United States effective after September 30, 2014 (the Agreements) and all accrued and future rights to collection under the Agreements. In its capacity as the franchisor, the Company enters into all additional development and franchise agreements for IHOP® restaurants within the United States (including all substitute or replacement franchise agreements for existing IHOP restaurants).

As of January 3, 2021, there were 806 IHOP restaurants subject to franchise agreements held by the Company located in 47 states.

Fiscal Period

The Company has a 52/53 week fiscal year that ends on the Sunday nearest to December 31 of each year. The 2020 year presented herein began on December 30, 2019 and ended January 3, 2021. The 2020 fiscal year contained 53 weeks.

Profits and Losses and Distributions

All profits and losses and distributions will be allocated entirely to the Member.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities, if any, at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates are made in the calculation and assessment of allowance for doubtful accounts and notes receivable and contingencies. On an ongoing basis, the Company evaluates its estimates based on historical experience, current conditions and various other assumptions that are believed to be reasonable under the circumstances. The Company adjusts such estimates and assumptions when facts and circumstances dictate. Actual results could differ from those estimates.

Risks and Uncertainties

The Company was subject to risks and uncertainties as a result of the outbreak of a novel strain of coronavirus, designated "COVID-19" and declared to be a pandemic in March 2020. The Company first began to experience impacts from COVID-19 in March 2020, as federal, state and local governments reacted to the COVID-19 pandemic by encouraging or requiring social distancing, instituting shelter-in-place orders, and requiring, in varying degrees, reduced operating hours, restaurant dine-in and/or indoor dining limitations, capacity limitations or other restrictions that largely limited restaurants to off-premise sales (take-out and delivery) in the early stages of the pandemic. Over the course of 2020, certain of these restrictions were relaxed as incidents of infection from the initial outbreak declined, but many of the restrictions were reinstated as incidents of infection surged. The degree and duration of restriction varied by individual geographic area. The extent of the continuing impact of the COVID-19 pandemic on the Company's business remains highly uncertain and difficult to predict, as the operating status of our restaurants remains fluid and subject to change as government authorities modify existing restrictions or implement new restrictions on restaurant operations in response to changes in the number of COVID-19 infections and the availability and acceptance of vaccines in their respective jurisdictions. Additionally, economies worldwide have been negatively impacted by the COVID-19 pandemic, which possibly could cause a domestic and/or global economic recession.

The Company has taken several actions to mitigate the effects of the COVID-19 pandemic on its operations and its franchisees, as follows (i) deferred franchisee payment of royalty, advertising and other fees, and lease obligations for up to two months on a case-by-case basis; (ii) deferred franchisee development obligations for up to 15 months; and (iii) deferred franchisee remodel obligation until the end of 2022. In addition, Dine, on behalf of various subsidiaries (including the Co-Issuers) engaged in restaurant franchising activities, as follows: (i) engaged a national real estate firm to assist franchisees with landlord discussions regarding rent deferrals, abatements and other modifications to lease agreements; (ii) negotiated deferrals and abatements for properties on which the Company was lessee and (iii) hired external consultants to work with franchisees in assessing their financial health and to better understand performance variability.

2. Summary of Significant Accounting Policies, continued

The severity of the continued impact of the COVID-19 pandemic on the Company's business will depend on a number of factors, including, but not limited to, how long the pandemic will last, whether/when recurrences of the virus may arise, what restrictions on in-restaurant dining may be enacted or re-enacted, the availability and acceptance of vaccines, the timing and extent of customer re-engagement with the Company's brands and, in general, what the short- and long-term impact on consumer discretionary spending the COVID-19 pandemic might have on the Company and the restaurant industry as a whole, all of which are uncertain and cannot be predicted. The Company's future results of operations and liquidity could be impacted adversely by the length of time dine-in restrictions are in place and the success of any initiatives or programs that the Company may undertake to address financial and operational challenges faced by itself and its franchisees. As such, the extent to which the COVID-19 pandemic may continue to materially impact the Company's financial condition, liquidity, or results of operations remains highly uncertain.

Revenue Recognition

The Company's revenues are recorded in franchise revenues. Franchise revenues consist primarily of royalty revenues, advertising fees and franchise fees. Franchise revenue is recognized in accordance with Accounting Standards Codification 606 - Revenue from Contracts with Customers ("ASC 606"). Under ASC 606, revenue is recognized upon transfer of control of promised services or goods to customers in an amount that reflects the consideration the Company expects to receive for those services or goods.

The Company owns and franchises the IHOP restaurant concept. The franchise arrangement is documented in the form of a franchise agreement and, in most cases, a development agreement. The franchise arrangement between the Company as the franchisor and the franchisee as the customer requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the franchisee, but instead represent a single performance obligation, which is the transfer of the franchise license. The intellectual property subject to the franchise license is symbolic intellectual property as it does not have significant standalone functionality, and substantially all the utility is derived from its association with the Company's past or ongoing activities. The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's symbolic intellectual property over the term of the license. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation.

The transaction price in a standard franchise arrangement primarily consists of (a) initial franchise/development fees; (b) continuing franchise fees (royalties); and (c) advertising fees. Since the Company considers the licensing of the franchising right to be a single performance obligation, no allocation of the transaction price is required.

2. Summary of Significant Accounting Policies, continued

The Company recognizes the primary components of the transaction price as follows:

- Franchise and development fees are recognized as revenue ratably on a straight-line basis over the term of the franchise agreement commencing with the restaurant opening date. As these fees are typically received in cash at or near the beginning of the franchise term, the cash received is initially recorded as a contract liability until recognized as revenue over time;
- The Company is entitled to royalties and advertising fees based on a percentage of the franchisee's gross sales as defined in the franchise agreement. Royalty and advertising revenue are recognized when the franchisee's reported sales occur. Depending on timing within a fiscal period, the recognition of revenue results in accounts receivable on the balance sheet.

In determining the amount and timing of revenue from contracts with customers, the Company exercises significant judgment with respect to collectability of the amount; however, the timing of recognition does not require significant judgment as it is based on either the franchise term or the month of reported sales by the franchisee, neither of which requires estimation.

The Company does not incur a significant amount of contract acquisition costs in conducting its franchising activities. The Company believes its franchising arrangements do not contain a significant financing component.

Advertising

Costs of advertising typically are expensed either as incurred or the first time the advertising takes place. Any excess or deficiency of advertising fee revenue compared to advertising expenditures, is recognized on an annual basis. Any excess of revenue over expenditures is recognized only to the extent of previously recognized deficits. The advertising fees are recorded as a liability to International House of Pancakes, LLC as a component of Due to Affiliates against which specific costs are charged.

Financing revenue is recorded as earned.

Concentrations of Credit Risk

The Company's cash and receivables are potentially subject to concentration of credit risk. Cash is placed with financial institutions that management believes are creditworthy. The Company does not believe that it is exposed to any significant credit risk on cash. At times, cash balances may be in excess of FDIC insurance limits.

Accounts receivables are derived from revenues earned from franchisees located in the United States. Financing receivables arise from the financing of restaurant equipment by franchisees. The Company is not subject to a significant concentration of credit risk with respect to accounts receivable.

2. Summary of Significant Accounting Policies, continued

As of January 3, 2021, one franchisee owned a total of 65 IHOP restaurants, representing 8.1% of the Company's restaurants. Revenues from this franchisee represented 9.2% of the Company's total revenues for the year ended January 3, 2021. No individual franchisee represented more than 10% of the Company's total revenue for the year ended January 3, 2021.

Allowance for Credit Losses

The Company determines the allowance based on historical experience, current payment patterns and reasonable and supportable forecasts used in assessing the franchisees' ability to pay outstanding balances. The primary indicator of credit quality is delinquency, which is considered to be a receivable balance greater than 90 days past due. Allowance for doubtful accounts is continually reviewed. Past due balances are reviewed individually for collectability. Account balances are charged against the allowance after all collection efforts have been exhausted and the potential for recovery is considered remote.

Income Taxes

In December 2019, the Financial Accounting Standards Board ("FASB") issued new guidance intended to simplify the accounting for income taxes, change the accounting for certain income tax transactions, and make other minor changes. The Company has elected to adopt the standard early through a retrospective approach. As the Company is a legal entity not subject to tax, the new guidance no longer requires the allocation of the consolidated amount of current and deferred tax expense of Dine. Accordingly, the cumulative income tax impacts historically recorded in the Company's financials have been reversed. The Company removed \$2.2 million deferred tax and recorded an increase of \$36.7 million in Due from Member, net and an adjustment of \$34.5 million to retained earnings as reflected in the Statement of Member's Equity.

Restricted Cash

Dine voluntarily increased the interest reserve for securitized debt held by the Co-Issuers from \$15.7 million to \$32.8 million. This reserve is included as long-term-restricted cash on the Company's balance sheet at January 3, 2021

Pre-opening Expenses

Expenditures related to the opening of new or relocated restaurants are charged to expense when incurred and are included as a component of franchise expenses in the Statement of Income.

2. Summary of Significant Accounting Policies, continued

Accounting Standards Adopted Effective December 30, 2019

In February 2016, the Financial Accounting Standards Board (“FASB”) issued new guidance on the measurement of current expected credit losses (“CECL”) on financial instruments. The new guidance has replaced the incurred loss methodology of recognizing credit losses on financial instruments with a methodology that estimates the expected credit loss on financial instruments and reflects the net amount expected to be collected on the financial instrument. The Company adopted this change in accounting principle as of the first day of the first fiscal quarter of 2020 using the modified retrospective method. Accordingly, financial information for periods prior to the date of initial application has not been adjusted.

Upon adoption of the new CECL guidance, the Company recognized an increase to its allowance for credit losses of \$59 thousand. The Company recognized an adjustment to retained earnings upon adoption of \$59 thousand.

Additional new accounting guidance became effective for the Company as of the beginning of fiscal 2020 that the Company reviewed and concluded was either not applicable to its operations or had no material effect on its financial statements in the current or future fiscal years.

The Company reviewed all other newly issued accounting pronouncements and concluded that they either are not applicable to the Company's operations or that no material effect is expected on the Company's financial statements when adoption is required in the future.

4. Receivables

Receivables balance at January 3, 2021 were as follows:

	<i>(In thousands)</i>
Accounts receivable	\$ 18,014
Equipment leases receivable	14,750
Notes receivable	<u>746</u>

	<u>29,060</u>
Less: current portion	<u>(17,935)</u>
Long-term receivables	<u>\$ 11,125</u>

Accounts receivable primarily includes royalty receivables due from franchisees. Financing receivables primarily relate to leasing of the restaurant equipment to franchisees. Equipment lease contracts are due in equal weekly installments, primarily bear interest averaging 9.5% per annum at January 3, 2021 and are collateralized by the equipment. The term of an equipment lease contract coincides with the term of the corresponding restaurant building lease.

The primary indicator of the credit quality of financing receivables is delinquency. As of January 3, 2021, there were no financing receivables delinquent more than 90 days.

Changes in the allowance for credit losses during the fiscal year ended January 3, 2021 were as follows:

5. Related Party Transactions

All cash receipts from the Company's operating revenue are collected and administered by the Member, resulting in a balance due from Member. All cash disbursements related to the Company's operating expenses are paid by affiliated entities (the Affiliates), resulting in a balance due to Affiliates. The Company, the Member and the Affiliates are under the common control of Dine. The Company and Dine determined that the balance due to Affiliates and the balance due from Member (collectively, the Related Party balances) will not be settled until the securitization structure described in Note 1 is dissolved. Since the Related Party balances will not be settled until the dissolution of the Company and the Company, the Member and the Affiliates are all under the common control of Dine, the net amount of the Related Party balances is classified within equity as Due from Member, net. Changes in Related Party balances are considered to be non-cash financing activity.

IHOP LLC allocates costs of general and administrative services to the Company, including information technology, human resources, quality assurance, training, legal, payroll, audit, tax, and communication. These costs are allocated on a basis the Company believes to be reasonable, primarily proportional allocation based on revenue, or specific identification, where applicable. The Company cannot estimate with any reasonable certainty what the charges for similar transactions would have been on a stand-alone basis. The total amount of allocated costs charged to the Company of \$11.3 million for the fiscal year ended January 3, 2021 is included in general and administrative expenses in the Statement of Income.

In May 2016, Dine borrowed \$20.0 million from the Company at an interest rate of 6.5% per annum. The note is due in September 2021 with interest payable semiannually beginning in March 2017. In November 2019, Dine borrowed an additional \$7.0 million from the Company at an interest rate of 6.5% per annum. This note will be due in the second quarter of 2022 with interest payable semiannually beginning in December 2019. A total interest income of \$1.8 million related to these notes is included in other income, net in the Statement of Income for the fiscal year ended January 3, 2021.

6. Lease Disclosures

The Company engages in leasing activity as a lessor. The Company's lease portfolio originated when Dine was actively involved in the development and financing of IHOP restaurants prior to the franchising of the restaurant to the franchisee. This activity included Dine's purchase or leasing of the site on which the restaurant was located, equipping the restaurant and subsequently leasing/subleasing the site and equipment to the franchisee. With a few exceptions, Dine ended this practice in 2003. The Company's lease activity is comprised of pre-existing lease arrangements renewed after September 30, 2014.

The Company recognized interest income on equipment leases of \$1.6 million during the fiscal year ended January 3, 2021.

7. Commitments and Contingencies

The Company is subject to lawsuits, governmental inspections, administrative proceedings, audits, and claims arising in the ordinary course of business. Some of these lawsuits purport to be class actions and/or seek substantial damages. The Company is required to record an accrual for litigation loss contingencies that are both probable and reasonably estimable. Management regularly assesses the Company's insurance deductibles, analyzes litigation information with the Company's attorneys and evaluates its loss experience related to pending legal proceedings. While the Company does not presently believe that any of the legal proceedings to which the Company is currently a party will ultimately have a material adverse impact on the Company, there can be no assurance that the Company will prevail in all the proceedings the Company is party to, or that the Company will not incur material losses from them.

8. Subsequent Events

The Company has evaluated subsequent events for potential recognition or disclosure through March 17, 2021, the date the financial statements were available to be issued.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Acquisition of Fuzzy's Taco Shop

Description of the Matter

During 2022, the Company completed its acquisition of FTO Holding Company, LLC for total consideration of \$80 million, as disclosed in Notes 1, 7 and 19 to the consolidated financial statements. The transaction was accounted for as a business combination, which requires that the assets acquired and liabilities assumed be recognized at their acquisition date fair values.

Auditing the Company's accounting for its acquisition of FTO Holding Company, LLC was complex due to the significant estimation required in management's determination of the fair value of the tradename intangible asset of \$57.2 million. The estimate was based on a complex discounted cash flow valuation model and was sensitive to changes in the significant underlying assumptions. The significant assumptions used included discount rates and future revenue growth rates, which are forward looking and could be affected by future economic and market conditions.

How We Addressed the Matter in Our Audit

We obtained an understanding, evaluated the design and tested the Company's controls over its accounting for business combinations. For example, we tested controls over the review of the valuation model and significant assumptions used to estimate the fair value of tradename intangible asset.

Our procedures to test the estimated fair value of the tradename intangible asset included, among others, evaluating the Company's selection of the valuation methodology, testing the significant assumptions used in the model, and evaluating the completeness and accuracy of the underlying data. For example, we compared the significant assumptions to market trends, to the historical results of the acquired entity, and to the Company's historical results. Further, we involved our valuation specialists to assist in the evaluation of the methodology and certain significant assumptions used in the valuation model, and to perform an independent estimate of the fair value.

Notes to the Consolidated Financial Statements

1. The Company

The first International House of Pancakes® (“IHOP”) restaurant opened in 1958 in Toluca Lake, California. Shortly thereafter, the Company began developing and franchising additional restaurants. The Company was incorporated as IHOP Corp. under the laws of the State of Delaware in 1976. In November 2007, the Company acquired Applebee's International, Inc., which became a wholly-owned subsidiary of the Company. Effective June 2, 2008, the name of the Company was changed to DineEquity, Inc. and on February 20, 2018, the name of the Company was changed to Dine Brands Global, Inc.® (“Dine Brands Global”). In December 2022, the Company acquired FTO Holding Company, LLC (“Fuzzy's”), which owns the Fuzzy's Taco Shop® concept and became a wholly-owned subsidiary of the Company.

The Company owns, franchises and operates three restaurant concepts: Applebee's Neighborhood Grill + Bar® (“Applebee's”), in the American full-service restaurant segment within the casual dining category of the restaurant industry; IHOP®, in the family dining mid-scale full-service category of the restaurant industry; and Fuzzy's Taco Shop®, in the Mexican food segment within the fast-casual dining category of the restaurant industry.

As of December 31, 2022, there were 1,781 IHOP restaurants, of which 1,625 were subject to franchise agreements and 156 were subject to area license agreements. These IHOP restaurants were located in all 50 states of the United States, the District of Columbia, two United States territories and nine countries outside the United States. As of December 31, 2022, there were 1,678 Applebee's® restaurants, all of which were subject to franchise agreements. These Applebee's restaurants were located in 49 states of the United States, two United States territories and 11 countries outside the United States. As of December 31, 2022, the Company had 137 Fuzzy restaurants in 18 states of the United States, of which 134 were subject to franchise agreements and three were company-operated.

References herein to Applebee's, IHOP, and Fuzzy's restaurants are to these restaurant concepts, whether operated by franchisees, area licensees or the Company. Retail sales at restaurants that are owned by franchisees and area licensees are not attributable to the Company.

Principles of Consolidation

The consolidated financial statements include the accounts of Dine Brands Global, Inc. and its wholly-owned subsidiaries. All intercompany accounts and transactions have been eliminated in consolidation.

Fiscal Periods

The Company has a 52/53 week fiscal year that ends on the Sunday nearest to December 31 of each year. In a 52-week fiscal year, each fiscal quarter contains 13 weeks, comprised of two, four-week fiscal months followed by a five-week fiscal month. In a 53-week fiscal year, the last month of the fourth fiscal quarter contains six weeks. For convenience, the Company refers to its fiscal years as ending on December 31 and its fiscal quarters as ending on March 31, June 30 and September 30. The December 31, 2022 fiscal year ended January 1, 2023 and contained 52 weeks. The 2021 fiscal year ended January 2, 2022 contained 52 weeks. The 2020 fiscal year ended January 3, 2021 contained 53 weeks.

Use of Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles (“U.S. GAAP”) requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities, if any, at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates are made in the calculation and assessment of the following: impairment of tangible and intangible assets and goodwill; income taxes; allowance for doubtful accounts and notes receivables; lease accounting estimates; contingencies; and stock-based compensation. On an ongoing basis, the Company evaluates its estimates based on historical experience, current conditions and various other assumptions that are believed to be reasonable under the circumstances. The Company adjusts such estimates and assumptions when facts and circumstances dictate. Actual results could differ from those estimates.

Risks and Uncertainties

The Company is subject to risks and uncertainties as a result of the outbreak of a novel strain of coronavirus, designated “COVID-19” and declared to be a pandemic in March 2020. The Company first began to experience impacts from COVID-19 in March 2020, as federal, state and local governments reacted to the public health crisis by encouraging and/or requiring social distancing, instituting shelter-in-place orders, and requiring, in varying degrees, restaurant dine-in limitations and other restrictions that largely limited the restaurants of the Company’s franchisees and its company-operated restaurants to take-out and delivery sales during the initial stages of the pandemic. Subsequently, government-imposed dine-in restrictions have been relaxed, removed and reinstated as incidents of infection decrease or increase within the respective governmental jurisdictions. As of December 31, 2022, almost all of the restaurants were open and operating without government-mandated restriction.

We cannot predict how long the pandemic will last, whether/when recurrences of the virus and its variants may arise, what restrictions on in-restaurant dining may be enacted or re-enacted, the availability and acceptance of vaccines, the timing and extent of customer re-engagement with the Company’s brands and, in general, what the short- and long-term impact on consumer discretionary spending the COVID-19 pandemic might have on the Company and the restaurant industry as a whole, all of which are uncertain and cannot be predicted. As such, the extent to which the COVID-19 pandemic may continue to materially impact the Company’s financial condition, liquidity, or results of operations remains highly uncertain.

Concentration of Credit Risk

The Company’s cash, cash equivalents, restricted cash and accounts receivable are potentially subject to concentration of credit risk. Cash and cash equivalents are placed with financial institutions that management believes are creditworthy. The Company does not believe that it is exposed to any significant credit risk on cash, cash equivalents and restricted cash. At times, cash, cash equivalents and restricted cash balances may be in excess of FDIC insurance limits.

Accounts receivable are derived from revenues earned from franchisees and area licensees located primarily in the United States. Financing receivables arise from the financing of restaurant equipment, real estate leases or franchise fees with the Company by IHOP franchisees. The Company is subject to a concentration of credit risk with respect to receivables from franchisees that own a large number of Applebee’s or IHOP restaurants. As of December 31, 2022, two franchisees (one Applebee’s franchisee and one franchisee with cross-brand ownership) operated a combined total of 825 Applebee’s and IHOP restaurants in the United States, which comprised 25.4% of the total Applebee’s and IHOP franchise and area license restaurants in the United States. Revenues from these two franchisees represented 18.8%, 18.0%, and 17.1% of total consolidated revenue for the years ended December 31, 2022, 2021 and 2020, respectively. One franchisee represented 12.5%, 11.8%, and 11.0% of total consolidated revenue for the years ended December 31, 2022, 2021 and 2020, respectively. Receivables from these franchisees totaled \$20.9 million and \$19.7 million at December 31, 2022 and 2021, respectively.

Cash and Cash Equivalents

The Company considers all highly liquid investment securities with remaining maturities at the date of purchase of three months or less to be cash equivalents. These cash equivalents are stated at cost which approximates market value. Cash held related to IHOP advertising funds and the Company’s gift card programs is not considered to be restricted cash as there are no restrictions on the use of these funds. The components of cash and cash equivalents were as follows:

	December 31,	
	2022	2021
	(In millions)	
Money market funds	\$ 75.0	\$ 30.0
IHOP advertising funds and gift card programs	96.7	101.5

Dine Brands Global, Inc. and Subsidiaries
Notes to the Consolidated Financial Statements (Continued)

2. Basis of Presentation and Summary of Significant Accounting Policies (Continued)

Restricted Cash

Current

Current restricted cash primarily consisted of funds required to be held in trust in connection with the Company's securitized debt and funds from Applebee's and Fuzzy's franchisees pursuant to franchise agreements, usage of which was restricted to advertising activities. The components of current restricted cash were as follows:

	December 31,	
	2022	2021
	(In millions)	
Securitized debt reserves	\$ 32.4	\$ 29.9
Applebee's advertising funds	5.4	17.5
Other	1.1	0.1
Total current restricted cash	\$ 38.9	\$ 47.5

Non-current

Non-current restricted cash of \$16.4 million and \$16.4 million at December 31, 2022 and 2021, respectively, represents interest reserves set aside for the duration of the securitized debt. The required reserve is approximately one quarter's interest payment on the Company's securitized debt. The Company voluntarily increased the amount held in non-current cash to twice the required amount during the year ended December 31, 2020 and reduced the reserve back to the minimum amount during the year ended December 31, 2021.

Property and Equipment

Property and equipment are stated at cost, net of accumulated depreciation. Properties under finance leases are stated at the present value of the minimum lease payments. Depreciation is computed using the straight-line method over the estimated useful lives of the assets or remaining useful lives. Leasehold improvements and properties under finance leases are amortized on a straight-line basis over their estimated useful lives or the lease term, if less. The general ranges of depreciable and amortizable lives are as follows:

Category	Depreciable Life
Buildings and improvements	25 to 40 years
Leaseholds and improvements	Shorter of primary lease term or between three to 40 years
Equipment and fixtures	Three to five years
Internal-use software	Three to 10 years
Properties under finance leases	Primary lease term or remaining primary lease term

Long-Lived Assets

On a regular basis, the Company assesses whether events or changes in circumstances have occurred that potentially indicate the carrying value of long-lived assets (primarily assets related to property and equipment leased or subleased to franchisees) may not be recoverable. The analysis is performed at the restaurant level for indicators of impairment. The Company tests for impairment using current and historical operating results and cash flows as well as other relevant facts and circumstances as the primary basis for estimates of future cash flows. The Company considers factors such as the number of years the franchisee's restaurant has been in operation, sales trends, cash flow trends, remaining lease life and other factors which apply on a case-by-case basis. Continuing losses associated with an asset are an indicator of impairment.

If it is decided that there has been an impairment, the carrying amount of the asset is written down to the estimated fair value as determined in accordance with U.S. GAAP governing fair value measurements. The primary method of estimating fair value is based on a discounted cash flow analysis. Any loss resulting from impairment is recognized as a charge against operations.

See *Note 13 - Closure and Long-lived Tangible Asset Impairment Charges*, of the Notes to the Consolidated Financial Statements for additional information.

2. Basis of Presentation and Summary of Significant Accounting Policies (Continued)

Goodwill and Intangible Assets

Goodwill is recorded when the aggregate purchase price of an acquisition exceeds the estimated fair value of the net identified tangible and intangible assets acquired. Intangible assets resulting from an acquisition are accounted for using the purchase method of accounting and are estimated by management based on the fair value of the assets received. The Company's identifiable intangible assets are comprised primarily of the Applebee's tradename and Applebee's franchise agreements and as of December 2022, the Fuzzy's tradename and Fuzzy's franchise agreements. Identifiable intangible assets with finite lives (franchise agreements) are amortized over the period of estimated benefit using the straight-line method and estimated useful lives. Goodwill and intangible assets considered to have an indefinite life (primarily the tradenames) are not subject to amortization. The determination of indefinite life is subject to reassessment if changes in facts and circumstances indicate the period of benefit has become finite.

Goodwill has been allocated to four reporting units. The significant majority of the Company's goodwill resulted from the November 29, 2007 acquisition of Applebee's and was allocated to the Applebee's franchised restaurants unit ("Applebee's franchise unit"). Smaller amounts of goodwill arising from other business combinations have been allocated to the Fuzzy's franchised restaurants unit ("Fuzzy's franchise unit"), the IHOP franchised restaurants unit ("IHOP franchise unit") and the Applebee's company restaurants unit ("Applebee's company unit"). See *Note 6 - Goodwill*, of the Notes to the Consolidated Financial Statements for additional information.

The Company evaluates the goodwill of the Applebee's franchise and company units and the indefinite-lived Applebee's tradename for impairment as of October 31 of each year. The Company evaluates the goodwill of the IHOP franchise unit and the Fuzzy's franchise unit for impairment as of December 31 of each year. In addition to the annual evaluation for impairment, goodwill and indefinite-lived intangible assets are evaluated more frequently if the Company believes indicators of impairment exist.

When evaluating goodwill and indefinite-lived intangible assets for impairment, under U.S. GAAP, the Company may first perform an assessment of qualitative factors to determine if the fair value of the reporting unit or the intangible asset is more-likely-than-not greater than the carrying amount. Such qualitative factors include, but are not limited to, macro-economic conditions, market and industry conditions, cost considerations, current and future income tax rates, the competitive environment, fluctuations in the market value of the Company's common stock, absolute and relative to peers, overall financial performance and results of past impairment tests. If, based on a review of the qualitative factors, the Company determines it is more-likely-than-not that the fair value is greater than the carrying value, the Company may bypass a quantitative test for impairment.

In performing the quantitative test for impairment of goodwill, the Company primarily uses the income approach method of valuation that includes the discounted cash flow method and the market approach that includes the guideline public company method. Significant assumptions used to determine fair value under the discounted cash flow method include expected future trends in sales, operating expenses, overhead expenses, capital expenditures and changes in working capital, along with an appropriate discount rate based on the Company's estimated cost of equity capital and after-tax cost of debt. Significant assumptions used to determine fair value under the guideline public company method include the selection of guideline companies and the valuation multiples applied. The Company measures impairment as the excess of a reporting unit's carrying amount over its fair value as determined by the quantitative test described above.

In the process of performing its quantitative impairment review of intangible assets considered to have an indefinite life, the Company primarily uses the relief of royalty method under the income approach method of valuation. Significant assumptions used to determine fair value under the relief of royalty method include future trends in sales, a royalty rate and an appropriate discount rate based on the Company's estimated cost of equity capital and after-tax cost of debt to be applied to the forecast revenue stream.

Business Combinations

From time to time, we may enter into business combinations. In accordance with Accounting Standards Codification ("ASC") 805, Business Combinations, the Company applies the acquisition method for acquisitions that meet the definition of a business combination. Under the acquisition method, the Company estimates the fair value of the identifiable assets and liabilities of the acquired entity on the acquisition date. Acquired intangible assets are valued using different methods under the income approach, including but not limited to, the multi-period excess earnings method for tradenames and franchising rights and the relief-from-royalty method for recipes. The Company measures goodwill as the excess of consideration transferred over the net of the acquisition date fair values of the identifiable assets acquired and liabilities assumed. Goodwill is assigned to each reporting unit that is expected to benefit from the synergies of the business combination. Acquisition-related expenses and

transaction costs associated with business combinations are expensed in the period incurred which is included in the transaction-related expenses line item of the Consolidated Statements of Comprehensive Income (Loss).

Revenue Recognition

The Company's revenues are recorded in four categories: franchise operations, company restaurant operations, rental operations and financing operations. Franchise revenue (which comprises most of the Company's revenues) and revenue from company-operated restaurants are recognized in accordance with ASC 606 - Revenue from Contracts with Customers ("ASC 606"). Under ASC 606, revenue is recognized upon transfer of control of promised services or goods to customers in an amount that reflects the consideration the Company expects to receive for those services or goods. The Company's rental and financing revenues are recognized in accordance with other U.S. GAAP accounting standards and are not subject to ASC 606.

Franchise Revenues

The Company franchises the Applebee's, IHOP and Fuzzy's restaurant concepts. The franchise arrangement for the brands is documented in the form of a franchise agreement and, in most cases, a development agreement. The franchise arrangement between the Company as the franchisor and the franchisee as the customer requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the franchisee, but instead represent a single performance obligation, which is the transfer of the franchise license. The intellectual property subject to the franchise license is symbolic intellectual property as it does not have significant standalone functionality, and substantially all the utility is derived from its association with the Company's past or ongoing activities. The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's symbolic intellectual property over the term of the license. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation.

The transaction price in a standard franchise arrangement for the brands primarily consists of (a) initial franchise/development fees; (b) continuing franchise fees (royalties); and (c) advertising fees. Since the Company considers the licensing of the franchising right to be a single performance obligation, no allocation of the transaction price is required. Additionally, all domestic IHOP franchise agreements require franchisees to purchase proprietary pancake and waffle dry mix from the Company.

The Company recognizes the primary components of the transaction price as follows:

- Franchise and development fees are recognized as revenues ratably on a straight-line basis over the term of the franchise agreement commencing with the restaurant opening date. As these fees are typically received in cash at or near the beginning of the franchise term, the cash received is initially recorded as a contract liability until recognized as revenue over time;
- The Company is entitled to royalties and advertising fees based on a percentage of the franchisee's gross sales as defined in the franchise agreement. Royalty and advertising revenues are recognized when the franchisee's reported sales occur. Depending on timing within a fiscal period, the recognition of revenue results in either a contract asset (unbilled receivable) or, once billed, accounts receivable, on the balance sheet;
- Revenue from the sales of proprietary pancake and waffle dry mix is recognized in the period in which distributors ship the franchisee's order; recognition of revenue results in accounts receivable on the balance sheet.

In determining the amount and timing of revenue from contracts with customers, the Company exercises judgment with respect to collectibility of the amount; however, the timing of recognition does not require significant judgment as it is based on either the franchise term, the month of sale as reported by the franchisee or the date of product shipment, none of which require estimation.

The Company does not incur a significant amount of contract acquisition costs in conducting its franchising activities. The Company believes its franchising arrangements do not contain a significant financing component.

Company Restaurant Revenues

Company restaurant revenues comprise retail sales at company-operated restaurants. Sales by company-operated restaurants are recognized when food and beverage items are sold. Company restaurant sales are reported net of sales taxes collected from guests that are remitted to the appropriate taxing authorities, with no significant judgments required.

Rental Revenues

Rental operations revenues include revenues from operating leases and interest income from real estate leases. See *Basis of Presentation and Summary of Significant Accounting Policies - Leases*.

Financing Revenues

Financing operations revenues consist primarily of interest income from the financing of franchise fees and equipment leases, other notes receivable from franchisees and sales of equipment associated with refranchised IHOP restaurants. Interest income is recorded as earned.

Gift Card

The Company administers gift card programs for each restaurant concept. The Company records a liability in the period in which a gift card is sold and recognizes costs associated with its administration of the gift card programs as prepaid assets when the costs are incurred. The liability and prepaid asset recorded on the Company's books are relieved when gift cards are redeemed. If redemption occurs at a franchisee-operated restaurant, the gift card revenue, net of costs, is remitted to the franchisee. The Company receives gift card breakage revenue only from gift cards redeemed at company-operated restaurants. Breakage revenue for gift cards estimated to be redeemable at company-operated restaurants for the years ended December 31, 2022, 2021 and 2020 was \$0.3 million in each year.

Allowance for Credit Losses

The allowance for credit losses is the Company's best estimate of the amount of probable credit losses incurred on existing receivables; however, changes in circumstances relating to receivables may result in changes to the allowance in the future. The Company determines the allowance based on historical losses, current conditions, and reasonable and supportable forecasts used in assessing the franchisee's or area licensee's ability to pay outstanding balances. The primary indicator of credit quality is delinquency, which is considered to be a receivable balance greater than 90 days past due. The Company continually reviews the allowance for credit losses. Past due balances and future obligations are reviewed individually for collectability. Account balances are charged against the allowance after all collection efforts have been exhausted and the potential for recovery is considered remote. See *Note 4, Current Expected Credit Losses*, of the Notes to the Consolidated Financial Statements for additional information.

Leases

The Company accounts for its leasing activities in accordance with accounting guidance for leases, as codified in Accounting Standards Topic 842 ("ASC 842"), adopted as of the beginning of its 2019 fiscal year. In adopting ASC 842, the Company utilized expedients that allowed it to retain the classification, as either an operating lease or a finance lease, that was previously determined under prior accounting guidance for leases. The Company reassesses this classification upon renewal, extension or the modification of an existing lease agreement. The Company determines the appropriate classification upon entering into a new contract determined to contain a lease.

Operating lease assets and liabilities are recognized at the lease commencement date, or were recognized upon adoption of ASC 842. Operating lease liabilities represent the present value of lease payments not yet paid. Operating lease assets represent the Company's right to use an underlying asset and are based upon the operating lease liabilities adjusted for prepayments or accrued lease payments, initial direct costs, lease incentives and impairment of operating lease assets.

The Company's lease agreements generally do not provide information to determine the implicit interest rate in the agreements. This requires the Company to estimate an incremental borrowing rate to be used in calculating operating lease liabilities as of the adoption or commencement date. The Company estimates the incremental borrowing rate primarily by reference to (i) yield rates on debt issuances by companies of a similar credit rating as the Company; (ii) U.S. Treasury rates as of the adoption or commencement date; and (iii) adjustments for differences between these rates and the lease term.

The cost of an operating lease is recognized over the lease term on a straight-line basis. The lease term commences on the date the Company has the right to control the use of the leased property. Certain leases may contain provisions for rent holidays and fixed-step escalations in payments over the base lease term, as well as renewal periods. The effects of the holidays and fixed-step escalations are reflected in rent expense on a straight-line basis over the expected lease term. Differences between amounts paid and amounts expensed are recorded as deferred rent. Certain leases may include rent escalations based on inflation indexes and fair market value adjustments. Certain leases may contain contingent rental provisions that include a fixed

base rent plus an additional percentage of the restaurant's sales. Subsequent escalations subject to such an index and contingent rental payments are recognized as variable lease expense.

The rental payments (as lessee) or receipts (as lessor) on those property leases that meet the finance lease criteria result in the recognition of interest expense or interest income and a reduction of finance lease obligation or financing lease receivable, respectively. Finance lease obligations are amortized based on the Company's incremental borrowing rate and real estate leases receivable are amortized using the implicit interest rate.

Pre-opening Expenses

Expenditures related to the opening of new or relocated restaurants are charged to expense when incurred.

Advertising

Advertising expense reflected in the Consolidated Statements of Comprehensive Income (Loss) includes contributions to the national advertising funds made by Applebee's and IHOP, local marketing advertising costs incurred by company-operated restaurants, and certain advertising costs incurred by the Company to benefit future franchise operations. Costs of advertising typically are expensed either as incurred or the first time the advertising takes place. Any excess or deficiency of advertising fee revenue compared to advertising expenditures, is recognized in the fourth quarter of the Company's fiscal year. Any excess of revenue over expenditures is recognized only to the extent of previously recognized deficits. When advertising revenues exceed the related advertising expenses and there is no recovery of a previously recognized deficit of advertising revenues, advertising costs are accrued up to the amount of revenues.

Advertising expense included in company restaurant operations for the years ended December 31, 2022, 2021 and 2020 was \$5.6 million, \$6.8 million and \$5.2 million, respectively.

Fair Value Measurements

The Company determines the fair market values of its financial assets and liabilities, as well as non-financial assets and liabilities that are recognized or disclosed at fair value on a recurring basis, based on the fair value hierarchy established in U.S. GAAP. As necessary, the Company measures its financial assets and liabilities using inputs from the following three levels of the fair value hierarchy:

- Level 1 inputs are quoted prices in active markets for identical assets or liabilities.
- Level 2 inputs are observable for the asset or liability, either directly or indirectly, including quoted prices in active markets for similar assets or liabilities.
- Level 3 inputs are unobservable and reflect the Company's own assumptions.

The Company does not have a material amount of financial assets or liabilities that are required under U.S. GAAP to be measured at fair value on a recurring basis. None of the Company's non-financial assets or non-financial liabilities is required to be measured at fair value on a recurring basis. Assets recognized or disclosed at fair value in the consolidated financial statements on a nonrecurring basis include items such as property and equipment, operating lease assets, goodwill and other intangible assets, which are measured at fair value if determined to be impaired. The Company has not elected to use fair value measurement for any assets or liabilities for which fair value measurement is not presently required.

The Company believes the fair values of cash and cash equivalents, restricted cash, accounts receivable and accounts payable approximate their carrying amounts due to their short duration.

The fair values of non-current financial instruments, determined based on Level 2 inputs, are shown in the following table:

Income Taxes

The Company utilizes the liability method of accounting for income taxes. Under the liability method, deferred taxes are determined based on the temporary differences between the financial statement and tax basis of assets and liabilities using enacted tax rates. A valuation allowance is recorded when it is more likely than not that some or all of the deferred tax assets will not be realized. The Company records estimated tax liabilities to the extent the contingencies are probable and can be reasonably estimated. The Company recognizes interest accrued related to unrecognizable tax benefits and penalties as a component of the income tax provision recognized in the Consolidated Statements of Comprehensive Income (Loss).

The Company is taxed on global intangible low-tax income ("GILTI") earned by certain foreign subsidiaries and recognizes the current tax on GILTI as an expense in the period the tax is incurred. The Company includes the current tax impact of GILTI in our effective tax rate.

The Company recognizes the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by taxing authorities based on its technical merits, including all appeals or litigation processes. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate resolution. For each reporting period, management applies a consistent methodology to measure and adjust all uncertain tax positions based on the available information.

Stock-Based Compensation

Members of the Board of Directors and certain employees are eligible to receive stock options, restricted stock, restricted stock units and performance units pursuant to the Dine Brands Global, Inc. 2019 Stock Incentive Plan. Shares of unvested restricted stock are subject to restrictions on transfer and forfeiture under certain circumstances. The holder of unvested restricted stock has the right to vote and receive regular cash dividends with respect to the shares of unvested restricted stock.

The Company accounts for all stock-based payments to employees and non-employee directors, including grants of stock options, restricted stock, restricted stock units and performance units to be recognized in the financial statements, based on their respective grant date fair values. The value of the portion of the award that is ultimately expected to vest is recognized as expense ratably over the requisite service periods.

The grant date fair value of restricted stock and stock-settled restricted stock units is determined based on the Company's stock price on the grant date. The Company estimates the grant date fair value of stock option awards using the Black-Scholes option pricing model, which considers, among other factors, a risk-free interest rate, the expected life of the award and the historical volatility of the Company's stock price. The Company estimates the grant date fair value of awards with performance-based market conditions using a Monte Carlo simulation method which considers, among other factors, the performance-based market condition, a risk-free interest rate, the expected life of the award and the historical volatility of the Company's stock price. Awards of cash-settled restricted stock units are classified as liabilities with the liability and compensation expense related to cash-settled awards adjusted to fair value at each balance sheet date.

Net Income (Loss) Per Share

Net income (loss) per share is calculated using the two-class method prescribed in U.S. GAAP. Basic net income (loss) per share is computed by dividing the net income (loss) available to common stockholders for the period by the weighted average number of common shares outstanding during the period. Diluted net income (loss) per share is computed by dividing the net income (loss) available to common stockholders for the period by the weighted average number of common shares and potential shares of common stock outstanding during the period if their effect is dilutive. The Company uses the treasury stock method to calculate the weighted average shares used in the diluted earnings per share calculation. Potentially dilutive common shares include the assumed exercise of stock options and assumed vesting of restricted stock.

Other Comprehensive Income (Loss)

For the years ended December 31, 2022, 2021 and 2020, the income tax benefit or provision allocated to items of other comprehensive income (loss) was not significant.

2. Basis of Presentation and Summary of Significant Accounting Policies (Continued)

Treasury Stock

The Company may from time to time utilize treasury stock when vested stock options are exercised, when restricted stock awards are granted and when restricted stock units settle in stock upon vesting. The cost of treasury stock re-issued is determined using the first-in, first-out method.

Dividends

Dividends declared on common stock are recorded as a reduction of retained earnings to the extent retained earnings are available at the close of the period prior to the date of the dividend declaration. Dividends declared in excess of retained earnings are recorded as a reduction of additional paid-in capital.

Reporting Segments

The Company identifies its reporting segments based on the organizational units used by management to monitor performance and make operating decisions. The Company has six operating segments: Applebee's franchise operations, IHOP franchise operations, Fuzzy's franchise operations, rental operations, financing operations and company-operated restaurant operations. The Company has four reporting segments: franchise operations, (an aggregation of each restaurant concept's franchise operations), rental operations, financing operations and company-operated restaurant operations. The Company considers these to be its reportable segments, regardless of whether any segment exceeds 10% of consolidated revenues, income before income tax provision or total assets.

Franchise Segment

As of December 31, 2022, the franchise operations reportable segment consisted of 1,678 restaurants operated by Applebee's franchisees in the United States, two United States territories and 11 countries outside the United States; 1,781 restaurants operated by IHOP franchisees and area licensees in the United States, two United States territories and nine countries outside the United States; and 134 restaurants operated by Fuzzy's franchisees in the United States. Franchise operations revenue consists primarily of royalties and advertising fees based on a percentage of the franchisee's gross sales, sales of proprietary products (primarily IHOP pancake and waffle dry mixes) and other franchise fees.

Franchise operations expenses include advertising expense, the cost of proprietary products, pre-opening training expenses and other franchise-related costs.

Rental Segment

Rental operations revenue includes revenue from operating leases and interest income from real estate leases. Rental operations expenses are costs of operating leases and interest expense of finance leases on franchisee-operated restaurants. The rental operations revenue and expenses are primarily generated by IHOP. Applebee's has an insignificant amount of rental activity.

Financing Segment

Financing operations revenue primarily consists of interest income from the financing of IHOP franchise fees and equipment leases, notes receivable from Applebee's and IHOP franchisees and sales of equipment associated with refranchised IHOP restaurants. Financing expenses are the cost of restaurant equipment.

Company Segment

As of December 31, 2022, the company-operated three Fuzzy's restaurants that were acquired in December 2022. During 2022, 2021 and 2020, the company-operated 69 Applebee's restaurants that were acquired from a former franchisee in December 2018. The 69 Applebee's company-operated restaurants were sold in October 2022. All company-operated restaurants were located in the United States. Company restaurant sales are retail sales at company-operated restaurants. Company restaurant expenses are operating expenses at company-operated restaurants and include food, beverage, labor, benefits, utilities, rent and other operating costs.

Accounting Standards Adopted in the Current Fiscal Year

In July 2021, the FASB issued guidance which affect lessors with lease contracts that (i) have variable lease payments that do not depend on a reference index or a rate and (ii) would have resulted in the recognition of a selling loss at lease commencement if classified as sales-type or direct financing. The amendments are effective for fiscal years beginning after December 15, 2021. Adoption did not have any material effect on the consolidated financial statements.

In March 2020, with an update in January 2021, the FASB issued guidance which provides optional expedients and exceptions for applying current U.S. GAAP to contracts, hedging relationships, and other transactions affected by the discontinuation of the London Interbank Offered Rate (“LIBOR”) or by another reference rate expected to be discontinued. The guidance can be adopted immediately and is applicable to contracts entered into on or before December 31, 2022. Adoption did not have any material effect on the consolidated financial statements.

Additional new accounting guidance became effective for the Company as of the beginning of fiscal 2022 that the Company reviewed and concluded was either not applicable to its operations or had no material effect on its consolidated financial statements in the current or future fiscal years.

Newly Issued Accounting Standards Not Yet Adopted

The Company reviewed all other newly issued accounting pronouncements and concluded that they either are not applicable to the Company's operations or that no material effect is expected on the Company's financial statements when adoption is required in the future.

4. Current Expected Credit Losses (“CECL”)

The CECL reserve methodology requires companies to measure expected credit losses on financial instruments based on the total estimated amount to be collected over the lifetime of the instrument. Under the CECL model, reserves may be established against financial asset balances even if the risk of loss is remote or has not yet manifested itself.

In applying the CECL methodology, the Company developed its estimated loss reserves in the following manner. The Company continued to record specific reserves against account balances of franchisees deemed “at-risk” when a potential loss is likely or imminent as a result of prolonged payment delinquency (greater than 90 days past due) and where notable credit deterioration has become evident. For financial assets that are not currently deemed “at-risk,” an allowance is recorded based on expected loss rates derived pursuant to the following CECL methodology that assesses four components: (1) historical losses, (2) current conditions, (3) reasonable and supportable forecasts, and (4) reversion to history, if applicable.

Historical Losses

Historical loss rates over a five-year span were calculated for financial assets with common risk characteristics. The Company determined historical loss rate data for each franchise brand concept was more relevant than a single blended rate. Historical losses were determined based on the average charge-off method. Historical loss rates are further adjusted by factors related to current conditions and forecasts of future economic conditions.

Current Conditions

The Company identified three metrics that it believes provide the most relevant reflection of the current risks inherent in the Company’s franchisee-based restaurant business, as follows: (1) delinquency status, (2) system-wide same-restaurant sales, and (3) restaurant unit-level economics. The current conditions adjustment factor was adjusted to account for the impact of the COVID-19 pandemic.

Reasonable and Supportable Forecasts

The third component in the CECL methodology involves consideration of macroeconomic conditions that can impact the estimate of expected credit losses in the future. The Company has not developed an internal methodology in this regard; rather, the Company utilizes existing, publicly accessible sources of economic data, primarily forecasts of overall unemployment rate as well as consumer spending based on the personal consumption expenditure index.

Reversion to History

The Company has determined that reversion to history was not required since the remaining average lives of the Company’s financial assets are not exceedingly lengthy.

The Company considers its portfolio segments to be the following:

Accounts Receivable (Franchise-Related)

Most of the Company’s short-term receivables due from franchisees are derived from royalty, advertising and other franchise-related fees.

Dine Brands Global, Inc. and Subsidiaries
Notes to the Consolidated Financial Statements (Continued)

4. Current Expected Credit Losses (Continued)

Gift Card Receivables

Gift card receivables consist primarily of amounts due from third-party vendors. Receivables related to gift card sales are subject to seasonality and usually peak around year end as a result of the December holiday season.

Notes Receivable

Notes receivable balances primarily relate to the conversion of certain Applebee's franchisee accounts receivable to notes receivable, cash loans to franchisees for working capital purposes, a note receivable in connection with the sale of IHOP company restaurants in June 2017, and IHOP franchise fee and other notes. The notes are typically collateralized by the franchise. The notes generally have a term from one to eight years and bear interest averaging 5.3% and 4.0% per annum at December 31, 2022 and 2021, respectively. Due to the risk inherent in Applebee's notes that were converted from previously delinquent franchisee accounts receivable balances, a significant portion of these notes have specific reserves recorded against them totaling \$8.8 million as of December 31, 2022.

Equipment Leases Receivable

Equipment leases receivable primarily relate to IHOP franchise development activity prior to 2003. IHOP provided the financing for the leasing of the equipment. Equipment lease contracts are collateralized by the equipment in the restaurant. Equipment lease contracts are due in equal weekly installments, and bear interest averaging 9.8% and 9.9% per annum at December 31, 2022 and 2021, respectively. The term of an equipment lease contract typically coincides with the term of the corresponding restaurant building lease. The weighted average remaining life of the Company's equipment leases is 3.9 years as of December 31, 2022. The estimated fair value of the equipment collateralizing these lease contracts are not deemed to be significant given the very seasoned and mature nature of this portfolio.

Real Estate Leases Receivable

Real estate lease receivable also primarily relate to IHOP franchise development activity prior to 2003 when IHOP typically leased or purchased the restaurant site, built and equipped the restaurant, and then franchised the restaurant to a franchisee. IHOP provided the financing for leasing or subleasing the site. Real estate lease receivables at December 31, 2022, were comprised of 48 leases with a weighted average remaining life of 10.2 years, and relate to locations that IHOP is leasing from third parties and subleasing to franchisees. Where applicable, building leases and equipment contracts contain cross-default provisions wherein a default under one constitutes a default under all.

Distributor Receivables

Receivables due from distributors are related to the sale of IHOP's proprietary pancake and waffle dry mix to franchisees through the Company's network of suppliers and distributors and are included as part of Other receivables.

Total receivables balances at December 31, 2022 and 2021 were as follows:

Accumulated depreciation and amortization includes accumulated amortization for properties under finance leases in the amount of \$45.3 million and \$52.7 million at December 31, 2022 and 2021, respectively.

6. Goodwill

The significant majority of the Company's goodwill arose from the November 29, 2007 acquisition of Applebee's. In October 2022, the disposition of assets of \$4.6 million was related to the refranchising and sale of the restaurant assets of 69 Applebee's company-operated restaurants. In December 2022, the addition to goodwill of \$7.0 million arose from the acquisition of Fuzzy's, which was determined to be a separate reporting unit. Changes in the carrying amount of goodwill for the years ended December 31, 2022, 2021 and 2020 are as follows:

	Applebee's Franchise Unit	Applebee's Company Unit	IHOP Franchise Unit	Fuzzy's Franchise Unit	Total

6. Goodwill (Continued)

The Company assesses goodwill for impairment in accordance with its policy described in *Note 2 - Basis of Presentation and Summary of Significant Accounting Policies*.

The Company evaluates its goodwill and the indefinite-lived tradenames for impairment annually in the fourth quarter of each year or on an interim basis if events or changes in circumstances between annual tests indicate a potential impairment. Definite-lived intangible assets and long-lived tangible assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset or asset group may not be recoverable based on estimated undiscounted future cash flows.

2022 and 2021 Assessments

In the fourth quarters of 2022 and 2021, the Company performed qualitative assessments of its goodwill in accordance with its accounting policies. As result of the qualitative assessment, the Company concluded it was more likely than not that the fair values of each unit exceeded the respective carrying amounts and therefore, a quantitative test of impairment was not necessary.

2020 Assessment

Because of the risks and uncertainties associated with the COVID-19 pandemic, the Company performed an interim assessment to determine whether the impact of COVID-19 indicated a potential impairment to its goodwill and intangible assets. In the second quarter of 2020, the Company noted that its common stock had recovered less of its early March 2020 (pre-pandemic) market value than the overall U.S. stock market had recovered. The Company also was able to assess several months of data as to the impact of the COVID-19 pandemic on its operations and, in turn, assess the impact that might have on the risk premium incorporated into its discount rate. Based on these developments, the Company determined that an interim quantitative test for impairment of the goodwill of the Applebee's Franchise and Company units should be performed as of May 24, 2020. In determining fair value, the Company utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible. The fair value technique used in this instance is classified as Level 3, where unobservable inputs are used when little or no market data is available.

In performing the quantitative test for impairment of goodwill, the Company used the income approach method of valuation that includes the discounted cash flow method and the market approach that includes the guideline public company method to determine the fair value of goodwill and intangible assets. Significant assumptions made by management in estimating fair value under the discounted cash flow model include future trends in sales, operating expenses, overhead expenses, depreciation, capital expenditures and changes in working capital, along with an appropriate discount rate based on the Company's estimated cost of equity capital and after-tax cost of debt. Significant assumptions used to determine fair value under the guideline public company method include the selection of guideline companies and the valuation multiples applied.

As a result of performing the quantitative test of impairment, the Company recognized an impairment loss of \$92.2 million in 2020 to the goodwill of the Applebee's Franchise unit. The majority of the impairment was due to an increase in the assessed risk premium incorporated into the discount rate assumption. There was no impairment of the Applebee's Company unit.

7. Other Intangible Assets

The significant majority of the Company's other intangible assets arose from the November 29, 2007 acquisition of Applebee's. Changes in the carrying amounts for the years ended December 31, 2022, 2021 and 2020 are as follows:

	Not Subject to Amortization		Subject to Amortization			Total

In December 2022, the Company acquired Fuzzy's and recorded \$57.2 million of tradename, \$14.8 million of franchising rights and \$0.5 million of recipes as intangible assets. Additions of other intangibles for the years ended December 31, 2022, 2021 and 2020 are individually insignificant. In October 2022, the \$4.7 million disposition of assets was related to the refranchising and sale of the restaurant assets of 69 Applebee's company-operated restaurants.

Impairments in 2020

As discussed in *Note 6 - Goodwill*, the Company determined that indicators of impairment existed prior to the annual test for impairment and performed an interim quantitative test for impairment of Applebee's tradename and reacquired franchise rights in the second quarter of 2020. In performing the impairment test of the tradename, the Company used the relief of royalty method under the income approach method of valuation. Significant assumptions used to determine fair value under the relief of royalty method include future trends in sales, a royalty rate and a discount rate applied to the forecast revenue stream. As a result of performing the quantitative test of impairment, the Company recognized an impairment of \$11.0 million to Applebee's tradename. The majority of the impairment was due to an increase in the assessed risk premium incorporated into the discount rate assumption. In addition, the Company determined that the carrying amounts of reacquired franchise rights and favorable leaseholds exceeded the estimated fair value by \$3.3 million and \$0.8 million, respectively, and recorded impairments to those intangible assets.

Annual amortization expense for the next five fiscal years is estimated to be approximately \$14.4 million per year.

Gross and net carrying amounts of intangible assets subject to amortization at December 31, 2022 and 2021 are as follows:

	December 31, 2022			December 31, 2021		
	Gross	Accumulated Amortization	Net	Gross	Accumulated Amortization	Net

In the fourth quarter of fiscal 2022 and 2021, the Company performed a qualitative assessment of the Applebee's tradename and concluded the fair value exceeded the carrying amount.

8. Long-Term Debt

Long-term debt at December 31, 2022 and 2021 consists of the following components:

Series 2019-1 4.194% Fixed Rate Senior Secured Notes, Class A-2-I	\$ 653.0	\$ 693.0

Long-Term Debt

On June 5, 2019, Applebee’s Funding LLC and IHOP Funding LLC (the “Co-Issuers”), each a special purpose, wholly-owned indirect subsidiary of the Company, issued two tranches of fixed rate senior secured notes, the Series 2019-1 4.194% Fixed Rate Senior Secured Notes, Class A-2-I (“Class A-2-I Notes”) in an initial aggregate principal amount of \$700 million and the Series 2019-1 4.723% Fixed Rate Senior Secured Notes, Class A-2-II (“Class A-2-II Notes”) in an initial aggregate principal amount of \$600 million (the “Class A-2-II Notes” and, together with the Class A-2-I Notes, the “2019 Class A-2 Notes”). The 2019 Class A-2 Notes were issued pursuant to an offering exempt from registration under the Securities Act of 1933, as amended.

On August 12, 2022, the Co-Issuers established a new revolving financing facility, the 2022-1 Variable Funding Notes, Class A-1 (the “Credit Facility”), that allows for drawings up to \$325 million of variable funding notes on a revolving basis and the issuance of letters of credit. In connection with this transaction, the Co-Issuers terminated their \$225 million revolving financing facility, the 2019-1 Variable Funding Notes, Class A-1 (the “Previous Credit Facility”). The Credit Facility and the 2019 Class A-2 Notes are referred to collectively herein as the “Notes.” The Notes were issued in securitization transactions pursuant to which substantially all the domestic revenue-generating assets and domestic intellectual property held by the Co-Issuers and certain other special-purpose, wholly-owned indirect subsidiaries of the Company (the “Guarantors”) were pledged as collateral to secure the Notes.

The Notes were issued under a Base Indenture, dated as of September 30, 2014, and amended and restated as of June 5, 2019 (the “Base Indenture”). In addition, the 2019 Class A-2 Notes were issued under the related Series 2019-1 Supplement to the Base Indenture, dated June 5, 2019 (the “Series 2019-1 Supplement”), among the Co-Issuers and Citibank, N.A., as the trustee (in such capacity, the “Trustee”) and securities intermediary and the Credit Facility was issued under the related Series 2022-1 Supplement to the Base Indenture, dated August 12, 2022 (“Series 2022-1 Supplement”), among the Co-Issuers and Citibank, N.A., as Trustee and securities intermediary. The Base Indenture, Series 2019-1 Supplement and Series 2022-1 Supplement (collectively, the “Indenture”) will allow the Co-Issuers to issue additional series of notes in the future subject to certain conditions set forth therein.

2019 Class A-2 Notes

The legal final maturity of the 2019 Class A-2 Notes is in June 2049, but it is anticipated that, unless earlier prepaid to the extent permitted under the Indenture, the Class A-2-I Notes will be repaid in June 2024 (the “Class A-2-I Anticipated Repayment Date”) and the Class A-2-II Notes will be repaid in June 2026 (the “Class A-2-II Anticipated Repayment Date”). If the Co-Issuers have not repaid or refinanced the Class A-2-I Notes by the Class A-2-I Anticipated Repayment Date or the Class A-2-II Notes by the Class A-2-II Anticipated Repayment Date, then additional interest will accrue on the Class A-2-I Notes and the Class A-2-II Notes, as applicable, at the greater of: (A) 5.0% and (B) the amount, if any, by which the sum of the following exceeds the applicable Class A-2 Note interest rate: (x) the yield to maturity (adjusted to a quarterly bond-equivalent basis) on the applicable anticipated repayment date of the United States Treasury Security having a term closest to 10 years plus (y) 5.0%, plus (z) 2.15% for the Class A-2-I Notes and 2.64% for the Class A-2-II Notes.

While the 2019 Class A-2 Notes are outstanding, payment of principal and interest is required to be made on the 2019 Class A-2 Notes on a quarterly basis. The payment of principal on the 2019 Class A-2 Notes may be suspended when the leverage ratio for the Company and its subsidiaries is less than or equal to 5.25x. Exceeding the leverage ratio of 5.25x does not violate any covenant related to the Notes. In general, the leverage ratio is the Company's indebtedness (as defined in the

Dine Brands Global, Inc. and Subsidiaries
Notes to the Consolidated Financial Statements (Continued)

8. Long-Term Debt (Continued)

Indenture) divided by adjusted EBITDA (as defined in the Indenture) for the four preceding quarterly periods. The complete definitions of all calculation elements of the leverage ratio are contained in the Indenture.

As of December 31, 2022 the Company's leverage ratio was 4.4x. As a result, quarterly principal payments on the 2019 Class A-2 Notes of \$3.25 million currently are not required. During fiscal 2021, the Company's leverage ratio exceeded 5.25x until the quarterly payment period ended September 30, 2021. Accordingly, the Company made three principal payments totaling \$9.75 million in fiscal 2021.

The Company may voluntarily repay the 2019 Class A-2 Notes at any time; however, if the 2019 Class A-2 Notes are repaid prior to certain dates, the Company would be required to pay make-whole premiums. As of December 31, 2022, the make-whole premium associated with voluntary prepayment of the Class A-2-I Notes was zero and will remain as such. As of December 31, 2022, the make-whole premium associated with voluntary prepayment of the Class A-2-II Notes was approximately \$0.5 million; this amount declines each quarter to zero in June 2024. The Company would also be subject to a make-whole premium in the event of a mandatory prepayment required following a Rapid Amortization Event (as defined in the Indenture) or certain asset dispositions. The mandatory make-whole premium requirements are considered derivatives embedded in the New Notes that must be bifurcated for separate valuation. The Company estimated the fair value of these derivatives to be immaterial as of December 31, 2022, based on the probability-weighted discounted cash flows associated with either event.

2019 Class A-1 Notes

The Previous Credit Facility allowed for drawings up to \$225 million of variable funding notes on a revolving basis and the issuance of letters of credit. In March 2020, the Company borrowed \$220.0 million against the Previous Credit Facility. The \$220.0 million was repaid on March 5, 2021, and as of December 31, 2021, there were no outstanding borrowings under the Previous Credit Facility.

The interest rate for borrowings under the Previous Credit Facility was the three-month LIBOR rate plus 2.15% for 60% of the advances and the commercial paper funding rate of our conduit investor plus 2.15% for 40% of the advances. The weighted average interest rate for the period outstanding during the year ended December 31, 2021 was 2.42%.

2022 Class A-1 Notes

In August 2022, the Co-Issuers entered into the Credit Facility that allows for drawings up to \$325 million of variable funding notes on a revolving basis and the issuance of letters of credit. The applicable interest rate under the Credit Facility depends on the type of borrowing by the Co-Issuers. The applicable interest rate for advances is generally calculated at a per annum rate equal to the commercial paper funding rate or one-, two-, three- or six-month Term SOFR Rate, in either case, plus 2.50%. The applicable interest rate for swingline advances and unreimbursed draws on outstanding letters of credit is a per annum base rate equal to the sum of (a) the greatest of (i) the Prime Rate in effect from time to time; (ii) the Federal Funds Rate in effect from time to time plus 0.50%; and (iii) Term SOFR for a one-month tenor in effect at such time plus 0.50% plus (b) 2.00%.

The legal final maturity of the Credit Facility is June 2052, but amortization will apply if there are outstanding amounts under the Credit Facility after June 2027 (the "Class A-1 Renewal Date"). The Class A-1 Renewal Date may be extended at the Co-Issuers' election for up to two successive one-year periods if certain conditions are met. If the Co-Issuers have not repaid or refinanced the Credit Facility by the Class A-1 Renewal Date (after giving effect to any extensions), then interest will accrue on the Credit Facility at a rate equal to 5.00% in addition to the regular interest rate applicable to the Credit Facility.

In August 2022, the Company borrowed \$100 million against the Credit Facility, all of which was outstanding at December 31, 2022. The amount of \$3.4 million was pledged against the Credit Facility for outstanding letters of credit, leaving \$21.6 million of the Credit Facility available for borrowing at December 31, 2022. It is anticipated that any principal and interest on the Credit Facility outstanding will be repaid in full on or prior to the quarterly payment date in June 2027, subject to two additional one-year extensions at the option of the Company upon the satisfaction of certain conditions. The letters of credit are used primarily to satisfy insurance-related collateral requirements. The weighted average interest rate for the period outstanding during the year ended December 31, 2022 was 3.64%.

Management Agreement

Under the terms of the Management Agreement, dated September 30, 2014, as amended and restated as of September 5, 2018, as further amended and restated as of June 5, 2019 and as amended by that certain Amendment No. 1 to Management Agreement dated November 21, 2019, among the Co-Issuers and the Guarantors (collectively, the "Securitization Entities"), the Company, Applebee's Services, Inc., International House of Pancakes, LLC and the Trustee, the Company will act as the

8. Long-Term Debt (Continued)

manager with respect to substantially all of the assets of the Securitization Entities (the “Securitized Assets”). The primary responsibilities of the manager will be to perform certain franchising, distribution, intellectual property and operational functions on behalf of the Securitization Entities with respect to the Securitized Assets pursuant to the Management Agreement. The manager will be entitled to the payment of the weekly management fee, as set forth in the Management Agreement and will be subject to the liabilities set forth in the Management Agreement. The Company, as Manager, voluntarily began waiving its receipt of the weekly management fee in April 2020 and resumed its receiving the weekly management fee in July 2020.

Covenants and Restrictions

The New Notes are subject to a series of covenants and restrictions customary for transactions of this type, including: (i) that the Co-Issuers maintain specified reserve accounts to be used to make required payments in respect of the New Notes, (ii) provisions relating to optional and mandatory prepayments, and the related payment of specified amounts, including specified call redemption premiums in the case of Class A-2 Notes under certain circumstances; (iii) certain indemnification payments in the event, among other things, the transfers of the assets pledged as collateral for the New Notes are in stated ways defective or ineffective and (iv) covenants relating to recordkeeping, access to information and similar matters. The New Notes are subject to customary rapid amortization events provided for in the Indenture, including events tied to failure of the Securitization Entities to maintain the stated debt service coverage ratio (“DSCR”), the sum of domestic retail sales for all restaurants being below certain levels on certain measurement dates, certain manager termination events, certain events of default and the failure to repay or refinance the Class A-2 Notes on the anticipated repayment dates. The New Notes are also subject to certain customary events of default, including events relating to non-payment of required interest, principal or other amounts due on or with respect to the New Notes, failure of the Securitization Entities to maintain the stated DSCR, failure to comply with covenants within certain time frames, certain bankruptcy events, breaches of specified representations and warranties and certain judgments.

In general, the DSCR ratio is Net Cash Flow (as defined in the Indenture) for the four quarters preceding the calculation date divided by the total debt service payments (as defined in the Indenture) of the preceding four quarters. The complete definitions of the DSCR and all calculation elements are contained in the Indenture. Failure to maintain a prescribed DSCR can trigger a Cash Flow Sweeping Event, a Rapid Amortization Event, a Manager Termination Event or a Default Event as described below. In a Cash Flow Sweeping Event, the Trustee is required to retain 50% of excess Cash Flow (as defined in the Indenture) in a restricted account. In a Rapid Amortization Event, all excess Cash Flow is retained and used to retire principal amounts of debt. In a Manager Termination Event, the Company may be replaced as manager of the assets securitized under the Indenture. In a Default Event, the outstanding principal amount and any accrued but unpaid interest can be called to become immediately due and payable. Key DSCRs are as follows:

- DSCR less than 1.75x - Cash Flow Sweeping Event
- DSCR less than 1.20x - Rapid Amortization Event
- Interest-only DSCR less than 1.20x - Manager Termination Event
- Interest-only DSCR less than 1.10x - Default Event

The Company's DSCR for the reporting period ended December 31, 2022 was approximately 4.1x.

(Gain)/Loss on Extinguishment of Debt

In connection with the termination of the Previous Credit Facility during the year ended December 31, 2022, the Company recognized a loss on extinguishment of debt of \$1.2 million, representing the remaining unamortized debt issuance costs associated with the Previous Credit Facility. In addition, the Company purchased \$40.0 million of its 2019 Class A-2 Notes under par and recognized a \$1.4 million gain on extinguishment of debt during the three months ended December 31, 2022.

Debt Issuance Costs

2022 Class A-1 Notes

In August 2022, the Company incurred costs of approximately \$6.3 million in connection with the issuance of the Credit Facility. These debt issuance costs are being amortized over the estimated life of the Credit Facility. Amortization of \$0.4 million of these costs was included in interest expense for the year ended December 31, 2022. Unamortized debt issuance costs of \$5.9 million related to the Credit Facility are classified as other non-current assets in the Consolidated Balance Sheets.

8. Long-Term Debt (Continued)

2019 Class A-2 Notes

The Company incurred costs of approximately \$12.9 million in connection with the issuance of the 2019 Class A-2 Notes. These debt issuance costs are being amortized using the effective interest method over estimated life of each tranche of the 2019 Class A-2 Notes. Amortization costs of \$2.4 million, \$2.2 million, and \$2.1 million included in interest expense for the years ended December 31, 2022, 2021 and 2020, respectively. Unamortized debt issuance costs of \$5.1 million are reported as a direct reduction of the Class A-2 Notes in the Consolidated Balance Sheets.

Amortization costs incurred in connection with the Previous Credit Facility of \$0.4 million, \$0.6 million, and \$0.6 million were included in interest expense for the years ended December 31, 2022, 2021 and 2020, respectively.

Total unamortized debt issuance costs of \$1.5 million related to the Previous Credit Facility were classified as other long-term assets because there are no borrowings outstanding against the Credit Facility at December 31, 2021.

Maturities of Long-term Debt

- The legal final maturity of the Class A-2 Notes is in June 2049, but it is anticipated that, unless repaid earlier, the Class A-2-I Notes will be repaid in June 2024 and the Class A-2-II Notes will be repaid in June 2026.
- The renewal date of the Credit Facility is June 2027, subject to two additional one-year extensions at the option of the Company upon the satisfaction of certain conditions.
- Quarterly principal payments on the Class A-2-I and Class A-2-II Notes totaling \$3.25 million (\$13.0 million per annum) are required if the Company's leverage ratio is greater than 5.25x.

9. Financing Obligations

On May 19, 2008, the Company entered into a Purchase and Sale Agreement relating to the sale and leaseback of 181 parcels of real property (the "Sale-Leaseback Transaction"), each of which is improved with a restaurant operating as an Applebee's Neighborhood Grill and Bar (the "Properties"). On June 13, 2008, the closing date of the Sale-Leaseback Transaction, the Company entered into a Master Land and Building Lease ("Master Lease") for the Properties. The proceeds received from the transaction were \$337.2 million. The Master Lease calls for an initial term of twenty years and four, five-year options to extend the term.

The Sale-Leaseback Transaction does not qualify as a sale under current U.S. GAAP. Accordingly, the Sale-Leaseback Transaction continues to be recorded under the financing method. The value of the land and leasehold improvements will remain on the Company's books and the leasehold improvements will continue to be depreciated over their remaining useful lives. The net proceeds received were recorded as a financing obligation. A portion of the lease payments is recorded as a decrease to the financing obligation and a portion is recognized as interest expense. In the event the lease obligation of any individual property or group of properties is assumed by a qualified franchisee, the portion of the transaction related to that property or group of properties is recorded as a sale in accordance with U.S. GAAP and the net book value of those properties will be removed from the Company's books, along with a ratable portion of the remaining financing obligation.

As of December 31, 2022, the portion of the original Sale-Leaseback Transaction related to 160 of the 181 Properties has qualified as a sale by assignment of the lease obligation to a qualified franchisee or a release from the lessor. In accordance with the accounting described above, the property and equipment and financing obligations have each been cumulatively reduced by approximately \$286.9 million.

10. Leases

The Company engages in leasing activity as both a lessee and a lessor. The majority of the Company's lease portfolio originated when the Company was actively involved in the development and financing of IHOP restaurants prior to the franchising of the restaurant to the franchisee. This activity included the Company's purchase or leasing of the site on which the restaurant was located and subsequently leasing/subleasing the site to the franchisee. With a few exceptions, the Company ended this practice in 2003 and the Company's current lease activity is predominantly comprised of renewals of existing lease arrangements and exercises of options on existing lease arrangements.

The Company currently leases from third parties the real property on which approximately 530 IHOP franchisee-operated restaurants and one Applebee's franchisee-operated restaurant are located; the Company (as lessor) subleases the property to the franchisees that operate those restaurants. The Company also leases property it owns to the franchisees that operate 52 IHOP restaurants and one Applebee's restaurant. The Company leases from third parties the real property on which company-operated restaurants are located. The Company also leases office space for its principal corporate office in Glendale, California and will be moving to Pasadena, California. In addition, the Company leases office space for restaurant support centers in Leawood, Kansas and Irving, Texas. The Company does not have a significant amount of non-real estate leases.

The Company's existing leases/subleases related to IHOP restaurants generally provide for an initial term of 20 to 25 years, with most having one or more five-year renewal options. Leases related to Applebee's restaurants generally have an initial term of 10 to 20 years, with renewal terms of five to 20 years. Option periods were not included in determining liabilities and right-of-use assets related to operating leases. Restaurants associated with approximately 325 of the Company's leases met the sales levels that required variable rent payments to the Company (as lessor), based on a percentage of restaurant sales in 2022. Restaurants associated with approximately 65 of the Company's leases met the sales levels that required variable rent payments by the Company (as lessee), based on a percentage of restaurant sales in 2022.

The individual lease agreements do not provide information to determine the implicit interest rate in the agreements. The Company made significant judgments in determining the incremental borrowing rates that were used in calculating operating lease liabilities. Due to the large number of leases, the Company applied a portfolio approach by grouping the leases based on the original lease term. The Company estimated the interest rate for each grouping primarily by reference to (i) yield rates on debt issuances by companies of a similar credit rating as the Company; (ii) U.S. Treasury rates as of the adoption date; and (iii) adjustments for differences in years to maturity.

11. Commitments and Contingencies

Purchase Commitments

In some instances, the Company enters into commitments to purchase advertising and other items. Most of these agreements are fixed price purchase commitments. At December 31, 2022, the outstanding purchase commitments were \$95.6 million, of which \$86.3 million related to advertising commitments over the next twelve months.

Lease Guarantees

In connection with the sale of Applebee's restaurants to franchisees and other parties, the Company has, in certain cases, guaranteed or had potential continuing liability for lease payments. The Company had outstanding lease guarantees or was contingently liable for approximately \$445.1 million and \$223.1 million as of December 31, 2022 and 2021, respectively. These amounts represent the maximum potential liability of future payments under these leases. These leases have been assigned to the buyers and expire at the end of the respective lease terms, which range from 2023 through 2058. Excluding unexercised option periods, the Company's potential liability for future payments under these leases as of December 31, 2022 was \$102.9 million. In the event of default, the indemnity and default clauses in our sale or assignment agreements govern our ability to pursue and recover damages incurred. No material liabilities for these guarantees have been recorded as of December 31, 2022.

Litigation, Claims and Disputes

The Company is subject to various lawsuits, governmental inspections, administrative proceedings, audits, and claims arising in the ordinary course of business. Some of these lawsuits purport to be class actions and/or seek substantial damages. The Company is required to record an accrual for litigation loss contingencies that are both probable and reasonably estimable. Legal fees and expenses associated with the defense of the Company's litigation are expensed as such fees and expenses are incurred. In the opinion of management, these matters are adequately covered by insurance or, if not so covered, are without merit or are of such a nature or involve amounts that would not have a material adverse impact on the Company's business or consolidated financial statements. Management regularly assesses the Company's insurance deductibles, analyzes litigation information with the Company's attorneys and evaluates its loss experience in connection with pending legal proceedings. While the Company does not presently believe that any of the legal proceedings to which the Company is currently a party will ultimately have a material adverse impact on the Company, there can be no assurance that the Company will prevail in all the proceedings the Company is party to, or that the Company will not incur material losses from them.

Letters of Credit

The Company provides letters of credit, primarily to various insurance carriers to collateralize obligations for outstanding claims. As of December 31, 2022, the Company had approximately \$3.4 million of unused letters of credit outstanding that reduce the Company's available borrowing under its 2022 Class A-1 Notes. These letters of credit expire on various dates in 2023 and are automatically renewed for an additional year if no cancellation notice is submitted.

12. Stockholders' Deficit

Stock Repurchase Programs

In February 2019, the Company's Board of Directors approved a stock repurchase program authorizing the Company to repurchase up to \$200 million of the Company's common stock (the "2019 Repurchase Program") on an opportunistic basis from time to time in the open market or in privately negotiated transactions based on business, market, applicable legal requirements and other considerations. The 2019 Repurchase Program, as approved by the Board of Directors, does not require the repurchase of a specific number of shares and can be terminated at any time.

On February 17, 2022, the Company's Board of Directors authorized a new share repurchase program, effective April 1, 2022, of up to \$250 million (the "2022 Repurchase Program"). In connection with the approval of the 2022 Repurchase Program, the 2019 Repurchase Program terminated effective April 1, 2022. In 2022, the Company repurchased 588,108 shares of common stock at a cost of \$41.4 million under the 2019 Repurchase Program through April 1, 2022.

Treasury Stock

Repurchases of the Company's common stock are included in treasury stock at the cost of shares repurchased plus any transaction costs. Treasury stock may be re-issued when vested stock options are exercised, when restricted stock awards are granted and when restricted stock units settle in stock upon vesting. The cost of treasury stock re-issued is determined on the first-in, first-out ("FIFO") method. The Company re-issued 205,293 shares, 660,718 shares and 433,477 shares, respectively, during the years ended December 31, 2022, 2021 and 2020 at a total FIFO cost of \$9.6 million, \$26.8 million and \$19.4 million, respectively.

13. Closure and Long-lived Tangible Asset Impairment Charges

Closure and long-lived tangible asset impairment charges for the years ended December 31, 2022, 2021 and 2020 were as follows:

	Year Ended December 31,

Long-lived tangible asset impairment	1.4	1.7	22.3
Total closure and long-lived tangible asset impairment charges	\$ 3.1	\$ 5.4	\$ 25.3

Closure Charges

The closure charges of \$1.7 million for the year ended December 31, 2022 comprised \$0.4 million related to three IHOP restaurants closed in fiscal 2022 and \$1.3 million for revisions to existing closure reserves, including accretion, primarily for approximately 40 IHOP restaurants closed prior to December 31, 2021.

The closure charges of \$3.7 million for the year ended December 31, 2021 comprised \$2.1 million related to 20 IHOP restaurants closed in 2021 and \$1.6 million for revisions to existing closure reserves, including accretion, primarily for 28 IHOP restaurants closed prior to December 31, 2020. Approximately \$1.6 million of closure charges for the year ended December 31, 2020 related to seven IHOP restaurants closed during 2020, with the remainder primarily related to adjustments to the reserve for IHOP and Applebee's restaurants closed prior to 2020.

Long-lived Tangible Asset Impairment

The long-lived asset impairment of \$1.4 million for the year ended December 31, 2022 related to five IHOP franchisee-operated restaurants for which the carrying amount exceeded the future projected cash flows. The primary method of estimating fair value is based on a discounted cash flow analysis. The Company also considers factors such as the number of years the restaurant has been in operation, sales trends, cash flow trends, remaining lease life and other factors which apply on a case-by-case basis. For locations owned by the Company, current purchase offers, if any, or valuations from independent third party sources are utilized, if available. The analysis is performed at the restaurant level for indicators of permanent impairment. The impairment recorded represented the difference between the carrying value and the estimated fair value. The impairments primarily related to operating lease right-of-use assets.

The long-lived asset impairment of \$1.7 million for the year ended December 31, 2021 related to five IHOP franchisee-operated restaurants for which the carrying amount exceeded the future projected cash flows. The long-lived asset impairment of \$22.3 million for the year ended December 31, 2020 related to 29 Applebee's company-operated restaurants and 29 IHOP franchisee-operated restaurants for which the carrying amount exceeded the undiscounted cash flows. Approximately \$15.1 million of the total impairment related to operating lease right-of-use assets, while \$7.2 million related to impairments of land, building, leasehold improvements and finance leases. The impairments by individual property varied in amount, ranging from the largest single-property impairment of \$1.3 million to less than \$5,000.

14. Stock-Based Incentive Plans

General Description

Currently, the Company is authorized to grant stock options, stock appreciation rights, restricted stock, cash-settled and stock-settled restricted stock units and performance units to officers, other employees and non-employee directors under the Dine Brands Global, Inc. 2019 Stock Incentive Plan (the “2019 Plan”). The 2019 Plan was approved by stockholders on May 14, 2019 to permit the issuance of up to 2,050,000 shares (subject to adjustment as defined in the 2019 Plan for shares that may become available from prior plans) of the Company’s common stock for incentive stock awards. The 2019 Plan will expire in May 2029.

The Dine Brands Global, Inc. 2016 Stock Incentive Plan (the “2016 Plan”) was adopted in 2016 to permit the issuance of up to 3,750,000 shares of the Company’s common stock for incentive stock awards. The 2016 Plan was terminated upon adoption of the 2019 Plan, but there are stock options (vested and unvested) and unvested restricted stock and restricted stock units issued under the 2016 Plan that are outstanding as of December 31, 2022.

The DineEquity, Inc. 2011 Stock Incentive Plan (the “2011 Plan”) was adopted in 2011 to permit the issuance of up to 1,500,000 shares of the Company’s common stock for incentive stock awards. The 2011 Plan was terminated upon adoption of the 2016 Plan, but there are vested stock options issued under the 2011 Plan that are outstanding as of December 31, 2022.

The 2019 Plan, 2016 Plan and the 2011 Plan are collectively referred to as the “Plans.”

Stock-Based Compensation Expense

From time to time, the Company has granted non-qualified stock options, restricted stock, cash-settled and stock-settled restricted stock units and performance units to officers, other employees and non-employee directors of the Company under the Plans. The non-qualified stock options generally vest ratably over a three-year period in one-third increments and have a maturity of ten years from the grant date. Options vest immediately upon a change in control of the Company, as defined in the Plans. Option exercise prices equal the closing price of the Company's common stock on the New York Stock Exchange on the date of grant. Restricted stock and restricted stock units are issued at no cost to the holder and vest over terms determined by the Compensation Committee of the Company's Board of Directors, generally either three years from the date of grant or in one-third increments over three years, as well as immediately upon a change in control of the Company, as defined in the Plans. The Company either utilizes treasury stock or issues new shares from its authorized but unissued share pool when vested stock options are exercised, when restricted stock awards are granted and when restricted stock units settle in stock upon vesting. See *Note 12, Stockholders' Deficit*, of Notes to the Consolidated Financial Statements, for treasury shares utilized related to equity grants during the years ended December 31, 2022, 2021 and 2020.

The following table summarizes the Company's stock-based compensation expense included as a component of general and administrative expenses in the consolidated financial statements:

Equity Classified Awards - Stock Options

The per share fair values of the stock options granted have been estimated as of the date of grant using the Black-Scholes option pricing model. 14. Stock-Based Incentive Plans (Continued)

Liability Classified Awards - Long-Term Incentive Awards

The Company has granted cash long-term incentive awards to certain employees (“LTIP awards”). Annual LTIP awards vest over a three-year period and are determined using a multiplier from 0% to 200% of the target award based on the total stockholder return of the Company's common stock compared to the total stockholder returns of a peer group of companies. Though LTIP awards are only paid in cash, since the multiplier is primarily based on the price of the Company's common stock, the awards are considered stock-based compensation in accordance with U.S. GAAP and are classified as liabilities. For the years ended December 31, 2022, 2021 and 2020, expense of \$1.2 million, \$0.8 million and \$0.7 million, respectively, was included in stock-based compensation expense related to the LTIP awards. At December 31, 2022 and 2021, liabilities of \$2.1 million and \$1.5 million, respectively, were included as accrued employee compensation and benefits in the Consolidated Balance Sheets.

15. Employee Benefit Plans

401(k) Savings and Investment Plan

Effective January 1, 2013, the Company amended the Dine Brands Global, Inc. 401(k) Plan to (i) modify the Company matching formula and (ii) eliminate the one-year completed service requirement that previously had to be met to become eligible for Company matching contributions. As amended, the Company matches 100% of the first four percent of the employee's eligible compensation deferral and 50% of the next two percent of the employee's eligible compensation deferral. All contributions under this plan vest immediately. Company common stock is not an investment option for employees in the 401(k) Plan, other than shares transferred from a prior employee stock ownership plan. Substantially all of the administrative cost of the 401(k) plan is borne by the Company. The Company's matching contribution expense was \$3.3 million, \$2.9 million and \$2.8 million for the years ended December 31, 2022, 2021 and 2020, respectively.

16. Income Taxes

The provision (benefit) for income taxes for the years ended December 31, 2022, 2021 and 2020 was as follows:

Note 16. Income Taxes (Continued)

The provision (benefit) for income taxes differs from the expected federal income tax rates as follows:

	Year Ended December 31,		
	2022	2021	2020
Statutory federal income tax rate	21.0 %	21.0 %	21.0 %
Non-deductibility of goodwill	0.8	—	(17.9)
Non-deductibility of officer's compensation	2.9	2.2	(0.9)
State and other taxes, net of federal tax benefit	3.1	3.1	1.2
Excess tax deficiencies or benefits	(0.5)	(7.1)	0.1
Change in unrecognized tax benefits	—	(0.1)	2.0
Change in valuation allowance	(0.3)	0.5	(1.5)
Changes in tax rates and state tax laws	3.4	0.2	(0.4)
General business credits	(1.4)	(0.9)	0.8
Other	0.3	0.8	(0.2)
Effective tax rate	<u>29.3 %</u>	<u>19.7 %</u>	<u>4.2 %</u>

The fiscal year 2022 effective tax rate of 29.3% applied to pretax book income was different than the statutory Federal income tax rate of 21% due to the state and local income taxes and the non-deductibility of executive compensation. The effective tax rate further increased due to the increase in the effective state tax rate applied to revaluing deferred tax balances. The increase in the effective state tax rate was due to the non-recurring refranchising of 69 Applebee's company-operated restaurants in the fourth quarter of 2022 and various state legislative changes.

The fiscal year 2021 effective tax rate of 19.7% applied to pretax book income was different than the statutory Federal income tax rate of 21% primarily due to the one-time recognition of excess tax benefits on stock-based compensation, offset by non-deductibility of executive compensation and state and local income taxes.

The fiscal year 2020 effective tax rate of 4.2% applied to pretax book loss was significantly different than the statutory Federal income tax rate of 21% primarily because of the \$92.2 million impairment of goodwill incurred, which was not deductible for income tax purposes and therefore had no associated tax benefit.

The Company files federal income tax returns and the Company or one of its subsidiaries file income tax returns in various state and international jurisdictions. With few exceptions, the Company is no longer subject to federal tax examinations by tax authorities for years before 2018 and state or non-United States tax examinations by tax authorities for years before 2011. The Company believes that adequate reserves have been recorded relating to all matters contained in the tax periods open to examination.

Net deferred tax assets (liabilities) at December 31, 2022 and 2021 consisted of the following components:

	2022	2021

As of each reporting date, the Company considers new evidence, both positive and negative, that could impact management's view with regards to future realization of deferred tax assets. During fiscal 2022, we released a valuation

Dine Brands Global, Inc. and Subsidiaries

Note 16. Income Taxes (Continued)

allowance of \$1.1 million related to state deferred tax assets based on positive evidence which suggests that deferred tax assets will be more likely than not to be realizable in the future. We also believe that the future realizability of benefits arising from foreign tax credit carryforwards and certain state net operating loss carryforwards does not meet the more-likely-than-not threshold. In recognition of this risk, there is a valuation allowance of \$3.5 million as of December 31, 2022.

The Company had gross operating loss carryforwards for state tax purposes of \$37.9 million and \$23.6 million as of December 31, 2022 and 2021, respectively. Certain net operating loss carryforwards will expire in 2029 if not utilized.

The total gross unrecognized tax benefit as of December 31, 2022 and 2021 was \$2.1 million and \$1.9 million, respectively, excluding interest, penalties and related income tax benefits. If recognized, these amounts would affect the Company's effective income tax rates.

The Company estimates the unrecognized tax benefits may decrease over the upcoming 12 months by an amount up to less than \$0.5 million related to settlements with taxing authorities and statute of limitations expirations. For the remaining liability, due to the uncertainties related to these tax matters, the Company is unable to make a reasonable estimate as to when cash settlement with a taxing authority will occur. A reconciliation of the beginning and ending amount of unrecognized tax benefits is as follows:

	Year Ended December 31,		
	2022	2021	2020
	(In millions)		
Unrecognized tax benefit as of January 1	\$ 1.9	\$ 2.2	\$ 7.6

Increases for tax positions related to the current year	0.4	0.3	0.2
Decreases relating to settlements and lapsing of statutes of limitations	(0.3)	(1.1)	(5.6)
Unrecognized tax benefit as of December 31	<u>\$ 2.1</u>	<u>\$ 1.9</u>	<u>\$ 2.2</u>

As of December 31, 2022, the accrued interest was \$0.7 million and accrued penalties were less than \$0.1 million, excluding any related income tax benefits. As of December 31, 2021, the accrued interest and penalties were \$0.6 million and less than \$0.1 million, respectively, excluding any related income tax benefits. The Company recognizes interest accrued related to unrecognized tax benefits and penalties as a component of the income tax provision recognized in the Consolidated Statements of Comprehensive Income (Loss).

17. Net Income (Loss) Per Share

The computation of the Company's basic and diluted net income (loss) per share is as follows:

Diluted	<u>\$ 4.96</u>	<u>\$ 5.66</u>	<u>\$ (6.43)</u>

For the year ended December 31, 2020, diluted loss per common share was computed using the basic weighted average number of shares outstanding during the period as the 100,056 shares from common stock equivalents would have been antidilutive.

19. Business Acquisition

On December 13, 2022, the Company purchased all of the issued and outstanding membership interests of Fuzzy's for approximately \$80 million in cash, pursuant to the Membership Interest Purchase Agreement, dated as of December 2, 2022, with Fuzzy's becoming a wholly-owned subsidiary of the Company. Fuzzy's is a dining company that develops, franchises and operates casual dining restaurants that offer a specialized menu of Baja-style Mexican food under the Fuzzy's Taco Shop brand. The Company acquired Fuzzy's as part of the Company's goal to investing in a high growth concept to accelerate growth.

The Company reviewed the SEC guidance in Regulation S-X on the significance of an acquired business that determines if an acquired business is required to provide financial statements and pro forma statements if the business exceeds 20% significance to the Company. Based on the three required tests (asset, investment and income) that were performed by the Company, the acquisition was not deemed to be a significant acquisition, and therefore the required disclosures are limited in these Consolidated Financial Statements. The results of operations related to Fuzzy's have been included in the consolidated results of the Company subsequent to the acquisition date.

The acquisition of Fuzzy's has been accounted for using the acquisition method of accounting in accordance with ASC 805, *Business Combinations*, with the Company treated as the accounting acquirer, which requires that the assets acquired, and liabilities assumed be recognized at their acquisition date fair value. The Company received a third-party actuarial valuation report to determine the fair value assigned to the assets acquired and liabilities assumed.

The intangible assets acquired include franchising rights with an estimated useful life of 20 years and a tradename with an indefinite useful life (see Note 7). The fair value of franchising rights was estimated based on the estimated future cash flows to be generated from these franchise agreements. The earnings expected to be generated by the franchising rights were forecasted over the estimated duration of the intangible asset. The earnings were then discounted to present value at a rate commensurate with the risk of the asset. The fair value of the tradename was estimated based on the multi-period excess earnings method, a variation of the income approach, using cash flows ("excess earnings") attributable only to the tradename intangible asset. These excess earnings were discounted to present value at a rate commensurate with the risk of the asset.

The fair value of the tangible personal property and other working capital assets and liabilities was assumed to approximate book value.

Operating lease liabilities were calculated using the present value of lease payments not yet paid and operating lease assets were calculated based upon the operating lease liabilities adjusted for prepayments or accrued lease payments. The contractual rent payments were determined to approximate market rates.

The following table summarizes the estimated fair value of net assets acquired at December 13, 2022:

	(In millions)
Receivables and other current assets	\$ 1.1
Property and equipment and other non-current assets	2.1
Tradename	57.2
Franchise agreements	14.8
Other intangible assets	0.5
Goodwill	7.0
Accounts payable and other liabilities	(4.4)
Net cash paid for acquisition	<u>\$ 78.3</u>

The excess of the purchase price over the fair value of identifiable net assets acquired amounted to approximately \$7.0 million. The acquisition goodwill arises from the expected synergies from combining the operations of the Company and Fuzzy's. The allocation of the purchase price is subject to potential changes due to working capital adjustments expected to be completed within approximately 90 days of the acquisition date. The Company's goodwill balance also may change during the allowable allocation period, which is up to one year from the acquisition date if additional information becomes available.

20. Subsequent Events

On February 16, 2023, the Company's Board of Directors authorized a debt repurchase program of up to \$100 million.

Such audit and/or sales verification may include the on-site presence of one or more personnel of Sublandlord and its affiliates or agents

If Sublandlord should cause an audit to be made and the gross sales and business transacted as shown by Subtenant's statements should be found to be understated by any amount, Subtenant shall immediately pay to Sublandlord the additional amount payable as shown by such audit, plus interest thereon at the highest rate of interest allowed by law, and if they are found to be understated by two percent (2%) or more, Subtenant shall also immediately pay to Sublandlord the cost of such audit; otherwise, the cost of the audit shall be paid by Sublandlord. If Subtenant should at any time cause an audit of Subtenant's business to be made by a public accountant, Subtenant shall furnish Sublandlord with a copy of said audit, without any cost or expense to Sublandlord. Subtenant also agrees to allow Sublandlord access to the state, federal and local income tax returns of Subtenant and Subtenant hereby waives any privilege pertaining thereto.

Should the Master Lease provide for maintenance of any or all of the Premises, common areas and/or the parking area by the Landlord (which maintenance may include, but need not be limited to, taxes, snow removal, lighting, insurance and other facilities) at Sublandlord's cost, Subtenant shall pay, as additional rent, the amounts required by the Master Lease.

If at any time during the Term it shall be required by any governmental agency that certain improvements be made to the Premises or fixtures or equipment be furnished or replaced as may be prescribed by such agency, Subtenant shall bear the cost of making the improvements and/or furnishing or replacing such equipment without reimbursement from Sublandlord.

Landlord, Sublandlord, and their respective agents may at any time enter and inspect the Premises to determine the manner in which they are being used, maintained and repaired.

Should the Subtenant at any time during the Term fail to maintain or repair the Premises as required herein, or should Subtenant fail to pay any amounts required by this Sublease, Sublandlord may, at its sole option, perform the repairs or pay such amounts and demand reimbursement thereof from Subtenant within seven (7) days after Subtenant has been notified in writing of the nature and amount of such expenditure by Sublandlord.

Upon expiration or earlier termination of this Sublease, Subtenant shall promptly return the Premises to Sublandlord in as good condition as when received, reasonable wear and tear excepted.

3.2 **Liens.** If, at any time during the Term, the Premises becomes subject to a lien for labor or materials furnished to Subtenant, within twenty (20) days after Subtenant's receipt of written notice informing Subtenant of the lien, Subtenant shall cause the lien to be bonded or discharged, and shall otherwise save Sublandlord and Landlord harmless on account thereof.

IV USE OF PREMISES

4.1 **Permitted Use.** The Premises shall be used only for the purpose of conducting thereon an INTERNATIONAL HOUSE OF PANCAKES or IHOP restaurant franchised by IHOP Franchisor LLC, a Delaware limited liability company, or its predecessor(s) in interest ("Franchisor"), and shall be used solely in conformity with the provisions of the Master Lease and that certain franchise agreement (the "Franchise Agreement") made and entered into between Subtenant and Franchisor pertaining to the Premises.

V INSURANCE

5.1 **Liability Insurance.** In addition to any other requirement set forth in the Franchise Agreement with Franchisor or that certain equipment lease (the "Equipment Lease") made and entered into as of the date hereof between Subtenant and IHOP Franchisor LLC, a Delaware limited liability company, or its predecessor in interest, Subtenant agrees that on or before the Commencement Date it will obtain and maintain, for the mutual benefit of Landlord, Sublandlord and Subtenant, commercial general liability insurance covering the Premises from an insurance company authorized or admitted to do business in the state in which the Premises are located. Such insurance shall provide coverage of at least Two Million Dollars (\$2,000,000) combined single limit for death or injury to one or more persons and property damage and shall name Landlord and Sublandlord as additional insureds.

5.2 **Property Insurance.** In addition to any other requirement set forth in the Franchise Agreement with Franchisor or the Equipment Lease, Subtenant agrees that on or before the Commencement Date it will obtain and maintain, for the mutual benefit of Landlord, Sublandlord, Subtenant and Landlord's mortgagee, if any, so-called "All Risk" property insurance with a code upgrade endorsement covering the Premises from an insurance company authorized or admitted to do business in the state in which the Premises are located in an amount equal to at least one hundred percent (100%) of the full replacement cost thereof, excluding foundation and excavation costs.

5.3 **Business Interruption Insurance.** Notwithstanding any damage or destruction of the Premises, all rent, taxes and additional rent and charges payable hereunder shall not abate even though the Premises may be closed for restoration. In order to assure the payment of all rent, taxes and additional rent and charges payable hereunder, Subtenant agrees to obtain and maintain business interruption insurance coverage naming Sublandlord as a co-insured and loss payee, in an amount sufficient to cover all of Subtenant's continuing obligations including but not limited to the rent, taxes and additional rent and charges payable hereunder for at least the minimum period required by Sublandlord which as of the date hereof is eight (8) months. In connection therewith, Subtenant hereby assigns to Sublandlord the proceeds of any proof of loss under such business

interruption policy to the extent of the rent, taxes and additional rent and charges payable hereunder for the period of the loss, together with any and all arrearages hereunder at any time.

5.4 **Other Insurance; Higher Coverage.** In addition to the insurance required hereunder, Subtenant agrees to obtain and maintain, at its sole cost and expense, such other insurance or higher coverage amounts as may be required by the Master Lease or by Sublandlord including, without limitation, higher amounts of coverage for the liability, property or business interruption insurance required above, earthquake or flood insurance.

5.5 **Policy Standards.** All insurance required hereunder shall (a) be maintained in full force and effect during the entire Term at Subtenant's sole cost and expense; (b) be carried and maintained with insurance companies satisfactory to and approved by Sublandlord; and (c) be cancelable only upon at least ten days' prior written notice by the insurance carrier to Sublandlord. Subtenant shall provide evidence of coverage required hereunder to Sublandlord annually and at any other time as Sublandlord may request same. Subtenant may, at its option, bring its obligations to insure under this Article 5 within the coverage of a "blanket" policy of insurance which it may now or hereafter carry, by appropriate amendment, rider, endorsement, or otherwise; provided, however, that the interest of Landlord (and its mortgage, if any) and Sublandlord shall thereby be as fully protected as if Subtenant obtained individual policies of insurance.

VI DAMAGE AND DESTRUCTION; CONDEMNATION

6.1 **Damage and Destruction.** Notwithstanding any statute or rule of law of the state in which the Premises are located, in the event of damage or destruction to the Premises, or any portion thereof, at any time during the Term, this Sublease shall continue in full force and effect and Subtenant shall continue to pay all rent, additional rent and other charges payable hereunder by Subtenant. Subtenant shall proceed as soon as possible but no later than thirty (30) days after the date of the occurrence of any damage or destruction to repair, replace and restore the Premises to its condition prior to such damage or destruction. If Subtenant is proceeding diligently and through no fault of Subtenant, Subtenant is unable to commence the repair, replacement or restoration within the 30 day period, Sublandlord shall allow Subtenant such additional reasonable period of time as Sublandlord deems reasonably necessary to commence same. Such Construction shall be completed and the IHOP restaurant on the Premises shall reopen for business not later than twelve (12) months following the date of such damage or destruction. If Subtenant is proceeding diligently and through no fault of Subtenant, Subtenant is unable to complete the construction and reopen for business within twelve (12) months following the date of such damage or destruction, Sublandlord shall allow Subtenant such additional reasonable period of time as Sublandlord deems reasonably necessary to complete same and reopen for business. Subtenant shall make every effort to have the repaired or reconstructed IHOP restaurant on the Premises reflect the then-current image, design and specifications of new IHOP restaurants. Subtenant shall have available to it the proceeds, if any, from the policy or policies of insurance maintained by Subtenant pursuant to Article 5 above to pay for such repair, replacement and restoration of the Premises, subject to the provisions of the Master Lease. In the event the proceeds from such insurance are insufficient or not available to pay for any repair, replacement or restoration of the Premises, Subtenant shall, at its sole cost and expense, complete the repair, replacement and restoration of the Premises, and provide to Sublandlord, within fifteen (15) days of a request by Sublandlord, such written assurances as Sublandlord may

require, in its sole and absolute discretion, that Subtenant will pay for the cost of such repair, replacement and restoration. In the event Subtenant shall fail to provide Sublandlord with satisfactory assurances that Subtenant shall pay for the total cost of any repair, replacement or restoration of the Premises, Sublandlord may, in its sole and absolute discretion, in writing delivered to Subtenant within ninety (90) days after such damage or destruction, terminate this Sublease as of the date of such damage or destruction. In the event Sublandlord shall terminate this Sublease pursuant to the foregoing sentence, Subtenant hereby assigns to Sublandlord all proceeds which may be available from insurance policies maintained by Subtenant to repair, replace or restore the Premises.

6.2 **Condemnation.** In the event that the Premises or any portion thereof or interest therein is taken by any governmental authority under power of eminent domain or a sale by Landlord or Sublandlord of the Premises or any portion thereof or any interest therein to or as directed by any authority having the power of eminent domain either under the threat of condemnation or while condemnation proceedings are pending, then subject to the provisions of the Master Lease and unless the purpose of this Sublease is frustrated by said taking or sale of a portion of the Premises, (a) this Sublease shall terminate as and only as to the Premises or any portion thereof or interest therein so taken or sold as to the date of such taking or sale, (b) the rental due hereunder shall be reduced as of the date of the taking or sale so that for the remainder of the Term, Subtenant shall pay (i) only such portion of the fixed weekly rent referred to in Section 2.1 above as the rental value of the part of the Premises remaining after the taking bears to the rental value of the Premises at the date of the taking, or (ii) the percentage rental referred to in Section 2.1 above, whichever is greater, and (c) Sublandlord shall be exclusively entitled to any and all compensation, damages, income, rent, awards and any other interest thereon whatsoever which may be paid or made in connection therewith and Subtenant shall have no claim whatsoever against Sublandlord for the value of the unexpired term or otherwise; provided, however, that Subtenant shall be exclusively entitled to any award made expressly for and only for the unamortized portion of any improvement costs to the Premises paid by Subtenant, subject to the terms of the Master Lease.

VII ASSIGNMENT; SUBLETTING

7.1 **Assignment or Subletting.** Subtenant shall not voluntarily or involuntarily, by operation of law or otherwise, assign or hypothecate this Sublease or any interest therein, or any portion thereof, nor shall Subtenant sublet any portion of the Premises nor permit any other person to occupy or use the Premises or any part thereof, without first having obtained the written consent of Sublandlord, subject to the terms of Article XI of the Franchise Agreement.

VIII REMEDIES OF SUBLANDLORD IN THE EVENT OF DEFAULT

8.1 **Remedies.** In the event of any breach by Subtenant of this Sublease, the Franchise Agreement, the Equipment Lease or the promissory note(s) in favor of Sublandlord executed by Subtenant in connection with the Franchise Agreement, then Sublandlord, besides any other rights or remedies it may have at law or in equity, may:

(A) Reenter the Premises with or without process of law and take possession of the same and of all equipment and fixtures of Subtenant therein, and expel or remove Subtenant and all other parties occupying the Premises, using such force as may be reasonably necessary to do so, without being liable for any prosecution for such reentry or for the use of such force, and without terminating this Sublease, may at any time and from time to time relet the Premises or any part thereof for the account of Subtenant, for such term, upon such conditions and at such rental as Sublandlord may deem proper. In such event Sublandlord may receive and collect the rent from such reletting and apply it against any amounts due from Subtenant hereunder (including, without limitation, such expenses as Sublandlord may have incurred in recovering possession of the Premises, placing the same in good order and condition, altering or repairing the same for reletting, and all other expenses, commissions and charges, including attorneys' fees, which Sublandlord may have paid or incurred in connection with such repossession and reletting). Sublandlord may execute any sublease made pursuant hereto in Sublandlord's name or in the name of Subtenant, as Sublandlord may see fit, and the subtenant thereunder shall be under no obligation to see to the application by Sublandlord of any rent collected by Sublandlord, nor shall Subtenant have any right to collect any rent thereunder. Whether or not the Premises are relet, Subtenant shall pay Sublandlord all amounts required to be paid by Subtenant up to the date of Sublandlord's reentry, and thereafter Subtenant shall pay Sublandlord, until the end of the Term hereof, the amount of all rent and other charges required to be paid by Subtenant hereunder, less the proceeds of such reletting during the Term hereof, if any, after payment of Sublandlord's expenses as provided above. Such payments by Subtenant shall be due at such times as are provided elsewhere in this Sublease, and Sublandlord need not wait until the termination of this Sublease to recover them by legal action or otherwise. Sublandlord shall not, by any reentry or other act, be deemed to have terminated this Sublease or the liability of Subtenant for the total rent hereunder unless Sublandlord shall give Subtenant written notice of Sublandlord's election to terminate this Sublease.

(B) Give written notice to Subtenant of Sublandlord's election to terminate this Sublease, reenter the Premises with or without process of law and take possession of the same and of all equipment and fixtures therein, and expel or remove Subtenant and all other parties occupying the Premises, using such force as may be reasonably necessary to do so, without being liable for any prosecution for such reentry or for the use of such force. In such event, Sublandlord shall thereupon be entitled to recover from Subtenant:

(1) the worth at the time of award of any unpaid rent which had been earned at the time of such termination; plus

(2) the worth at the time of award of the amount by which (a) the unpaid rent which would have been earned after termination until the time of award exceeds (b) the amount of such rental loss that Subtenant proves could have been reasonably avoided; plus

(3) the worth at the time of award of the amount by which (a) the unpaid rent for the balance of the Term after the time of award exceeds (b) the amount of such rental loss that Subtenant proves could be reasonably avoided; plus

(4) any other amount necessary to compensate Sublandlord for all the detriment proximately caused by Subtenant's failure to perform its obligations under this Sublease or which, in the ordinary course of things, would be likely to result therefrom.

As used in subsections (1) and (2) above, the “worth at the time of award” is computed by allowing interest at the rate of ten percent (10%) per annum. As used in subsection (3) above, the “worth at the time of award” is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award, plus one percent (1%).

The remedies herein stated shall not be deemed to be exclusive, but are cumulative of and in addition to all other remedies Sublandlord may have at law or in equity, hereunder or under the Master Lease or under any other agreement between Subtenant and Sublandlord or any affiliate of Sublandlord.

IX SUBORDINATION

9.1 **Subordination.** This Sublease and the rights of Subtenant hereunder are expressly subordinate and subject to the lien of the Master Lease and any mortgage, deed of trust, or other voluntary hypothecation now or hereafter encumbering the Premises or any land, building, or improvements included therein, or of which the Premises are a part, or any portions thereof. Subtenant hereby covenants and agrees without the necessity of any further action whatsoever to subordinate in writing all of its beneficial and legal right, title and interest in and to this Sublease to any deed of trust or mortgage encumbrance at any time now or in the future in any way affecting the Premises or any portion thereof, provided, however, that the beneficiary or mortgagee agree in writing delivered to Sublandlord to recognize all of Sublandlord’s beneficial and legal right, title and interest in and under the Master Lease (and, thus, the Sublease) so long as Sublandlord performs and complies with each and all of its covenants, agreements, terms and conditions of the Master Lease. Subtenant shall execute and deliver to Sublandlord such documents and take such further action as Sublandlord in its sole and absolute discretion deems necessary or advisable to effect or maintain such subordination within ten (10) days after written request of Sublandlord or such beneficiary or mortgagee to do so. If applicable, upon Subtenant’s failure to execute any such documents, at Sublandlord’s request, Sublandlord shall be, and hereby is, appointed Subtenant’s attorney-in-fact to do so. This power of attorney granted by Subtenant is a special power of attorney coupled with an interest and is irrevocable and shall survive the death or disability of Subtenant.

Subtenant also hereby covenants and agrees, without the necessity of any further action whatsoever, to subordinate all of its beneficial and legal right, title and interest in and to this Sublease to any new lease (“New Lease”) made by Sublandlord, as landlord thereunder, in substitution of, or in addition to, the Master Lease in connection with any sale, sale/leaseback or lease/leaseback transaction of the Premises; provided, however, that the New Lease shall not change the weekly rent by Subtenant under Section 2.1 of this Sublease or materially increase any of Subtenant’s other obligations under this Sublease. Subtenant shall execute and deliver to Sublandlord such documents and take such further action as Sublandlord in its sole and absolute discretion deems necessary or advisable to effect such substitution of the Master Lease or additional New Lease and effect or maintain such subordination within ten (10) days after written request of Sublandlord to do so. Upon the substitution of the New Lease for the Master Lease, all references in this Sublease to “Master Lease” shall be deemed a reference to the New Lease.

X
NOTICES AND DEMANDS

10.1 **Notices; Demands.** Any notice, demand or other communication required or permitted by law or any provision of the Lease to be given or served on either party shall be in writing, addressed (a) to Sublandlord in duplicate, with one copy addressed to Sublandlord c/o IHOP Franchisor LLC at 450 North Brand Boulevard, 7th Floor, Glendale, California 91203, Attention: Legal Department, and the other copy addressed to Sublandlord at the regional office of Sublandlord closest to the Premises, and (b) to Subtenant at the address of the Premises, and (i) deposited in the United States mail, registered or certified, return receipt requested, postage prepaid, (ii) delivered by an overnight private mail service which provides delivery confirmation such as; without limitation, Federal Express, Airborne or UPS, or (iii) personally delivered at such addresses. Either party may designate additional addresses for the receipt of notices or demands at any time by written notice to the other.

XI
ATTORNEYS' FEES

11.1 **Paid to Prevailing Party.** If any action or proceeding, whether judicial or non-judicial, is commenced with respect to any claim or controversy arising from a breach of this Sublease or seeking the interpretation or enforcement of this Sublease, including any exhibits attached hereto, in addition to any and all other relief, the prevailing party or parties in such action or proceeding shall receive and be entitled to recover all costs and expenses, including reasonable attorneys' fees and costs, incurred by it on account of or related to such action or proceeding.

XII
INDEMNITY

12.1 **Subtenant's Indemnity.** Subtenant agrees to protect, defend (with counsel satisfactory to Sublandlord), indemnify and hold Sublandlord harmless from and against all claims, losses, costs, expenses, damages and liabilities of any kind and nature, including attorneys' fees, costs and expenses, arising out of Subtenant's (a) possession, use, control or management of the Premises), (b) failure to comply with the obligations and responsibilities set forth herein, or (c) failure to comply with the obligations and responsibilities of the tenant under the Master Lease.

XIII
MERCHANTS' ASSOCIATION

Where required or provided for in the Master Lease, Subtenant shall become and remain a member in good standing of the Merchants' Association presently existing or which may be formed or organized hereafter for the purpose of promoting and/or advertising the shopping facility of which the Premises comprises a component part in accordance with terms and conditions contained therein. Subtenant shall abide by any rules or regulations promulgated by such Association, provided the same are not inconsistent with any other terms of the Master Lease or the Franchise Agreement. Subtenant shall pay to the Merchants' Association, each year during the term hereof, dues and/or assessments for promotional and/or advertising purposes provided in said Master Lease.

XIV
INTEREST ON LATE PAYMENTS

In addition to the other remedies available to Sublandlord, in the event that Subtenant shall fail or refuse to make any of the payments due under this Sublease, Subtenant shall pay interest at the highest rate permitted by law, or 1.5% per month, whichever is less, of such late obligations to defray the cost of maintaining Subtenant's account in arrears, it being expressly understood that payment of this charge shall not forgive or excuse any arrearage.

XV
GENERAL PROVISIONS

15.1 **Binding Effect.** This Sublease shall inure to the benefit of and bind the parties hereto and their respective heirs, successors, representatives and assigns.

15.2 **Severability.** If any term or provision of this Sublease or the application thereof to any person or circumstance shall be invalid or unenforceable, to any extent, the remainder of this Sublease, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this Sublease shall be valid and enforceable to the maximum extent permitted by law.

15.3 **Captions.** The captions used in this Sublease are inserted as a matter of convenience only, in no way define, limit or described the scope of this Sublease or the intentions of the parties hereto, and shall not in any way affect the interpretation or construction of this Sublease.

15.4 **No Waiver.** A waiver by Sublandlord of any breach of any provision of this Sublease shall not be deemed a waiver of any breach of any other provision hereof or of any subsequent breach by Subtenant of the same or any other provision.

15.5 **Holdover.** If Subtenant holds over after the Term with the consent, express or implied, of Sublandlord, such holding over shall be construed to be a tenancy from week to week only, and Subtenant shall pay the rent, taxes, additional rent and other sums as herein required for such further time as Subtenant continues its occupancy. The foregoing provision shall not affect Sublandlord's right of reentry or any rights of Sublandlord hereunder or as otherwise provided by law.

15.6 **Time of Essence.** Time is of the essence with regard to every provision of this Sublease and the exhibits attached hereto.

15.7 **No Third Party Rights.** The terms and provisions of this Sublease shall not be deemed to confer any rights upon, nor obligate any party hereto to, any person or entity other than the parties hereto.

15.8 **Designee.** Sublandlord may direct Subtenant to pay any sums required to be paid hereunder directly to a third party, including without limitation, an affiliate of Sublandlord, and Subtenant agrees to do so.

15.9 **Delegation**. Sublandlord shall have the right to delegate to one or more of its Affiliates some or all of Sublandlord's duties to Subtenant under this Agreement; provided, however, Sublandlord shall remain fully responsible to Subtenant for the full and faithful performance of all of its obligations to Subtenant hereunder.

IN WITNESS WHEREOF, the parties have executed this Sublease as of the date first written above.

This Guarantee shall be a continuing guarantee, and the liability of Guarantor hereunder shall in no way be affected or diminished in any manner whatsoever by reason of: (a) the assertion by IHOP against Franchisee of any of the rights or remedies reserved to IHOP pursuant to the Franchise Documents, (b) the waiver by IHOP, or the failure of IHOP, to enforce any of the provisions, covenants, or conditions of the Franchise Documents, or (c) the granting by IHOP of any indulgence or extension of time to Franchisee. The liability hereunder shall in no way be affected or diminished by reason of any amendment, modification, renewal or extension of the Franchise Documents, or the abandonment or surrender of the Restaurant by Franchisee.

Guarantor hereby expressly waives the following:

- i. notice of the acceptance of this Guarantee by any person or entity, and
- ii. any and all notices to which Guarantor might otherwise be entitled to in connection with this Guarantee and the Franchise Documents. It shall not be necessary for IHOP, in order to enforce this Guarantee, to first institute any suit or proceeding or exhaust legal remedies against Franchisee.

- iii. pursuing any other remedy in IHOP’s or its successors’ or assigns’ power whatsoever.

This Guarantee shall not be discharged or affected by the dissolution, liquidation or bankruptcy of Franchisee, the merger of Franchisee with another corporation or business entity, or any change in the ownership of Stock of Franchisee.

This Guarantee is an absolute guaranty of payment and not of collection. Guarantor agrees to pay reasonable attorneys' fees, court costs and any and all other costs and expenses which may be incurred in the enforcement of this Guarantee, whether or not suit is brought hereon.

This Guarantee shall inure to the benefit of the IHOP and its successors and assigns. Notice of assignment, transfer or disposition by IHOP of its interests hereunder or under the Franchise Documents is hereby waived by Guarantor.

Guarantor agrees to be personally bound by each and every provision of the Franchise Agreement, including without limitation, the agreement to arbitrate disputes in Article XIII thereof.

This Guarantee shall be governed by, and construed and enforced in accordance with, the internal laws of the State of California, without regard to its conflict of laws provisions.

No amendment or modification of this Guarantee will be binding unless executed in writing by the parties or their permitted successors or assigns. This Guarantee, together with all documents referenced herein, represents the entire agreement between the parties regarding the subject matter hereof, and supersedes any and all prior and contemporaneous proposals, agreements, understandings, representations, inducements and statements, whether oral or written, of the parties regarding the subject matter hereof. This Guarantee shall be binding upon and shall inure to the benefit of the parties and their permitted successors and assigns.

The invalidity or enforceability, in whole or in part, of any provision of this Guarantee will not affect the validity or enforceability of any other provision. In the event of a conflict or inconsistency between the terms of this Guarantee and any other agreement between and/or among Guarantor and IHOP, the terms of this Guarantee shall control.

No purported waiver of a breach or default will be valid unless specifically stated in writing by the waiving party. No such waiver waives any subsequent breach or default of the same or any other term in this Guarantee.

Guarantor may not assign any of its rights or delegate any of its obligations under this Guarantee without the prior written consent of IHOP. Any assignment by Guarantor in breach of this Guarantee is void.

Restaurants developed hereunder which are open and operating and which have been assigned to Affiliates of Franchisee in accordance with Section 8.4.3 with Franchisor’s consent, shall count in determining whether Franchisee has satisfied the Development Obligation for so long as the applicable Affiliate continues to satisfy the conditions set forth in Section 8.4.3. If there are one or more restaurants operating under the Marks in the Development Area on the Effective Date (each an “**Existing Restaurant**”) following the Effective Date, such Existing Restaurant(s) shall not be counted in determining whether Franchisee has satisfied the Development Obligation, unless otherwise indicated in **Exhibit “B”** hereto.

2.1.2 Notwithstanding anything to the contrary contained in Section 2.1.1, Franchisee may, at its option, forestall any termination of this Agreement by Franchisor caused by its failure to meet the Development Obligation by paying to Franchisor the sum of \$350.00 per day (“**Delayed Development Fee**”) in advance, for each day (in whole or in part) for which the Development Obligation is not satisfied; provided, however, if Franchisee shall have failed (i) to satisfy the Development Obligation within 60 days after the Development Period, or (ii) to pay the Delayed Development Fee during the 60-day period, then such failure, individually or in the aggregate, shall constitute a material breach of this Agreement and cause this Agreement to be subject to termination pursuant to Section 11.1.

2.1.3 If Franchisee exercises the Single Option to Renew set forth in Section 4.5, or the Multiple Options to renew as set forth in Section 4.7, if applicable, Franchisee shall (i) execute Franchise Agreements for, and (ii) open and thereafter continue to operate at (and only at) Venues approved by Franchisor within the Development Area, not less than the cumulative number of Restaurants within each Development Period specified in **Exhibit “B-1” and Exhibit “B-2,”** if applicable, in accordance with the Development Obligation.

ARTICLE 3

EXCLUSIVITY

3.1 Exclusivity.

3.1.1 During the Term of this Agreement, subject to Sections 3.1.2 and 3.1.3, neither Franchisor nor any Affiliate of Franchisor shall operate or grant a license or franchise to any other person other than Franchisee (or, pursuant to Section 8.4.3, Franchisee's Assignee) to operate a Restaurant at any Venue physically located within the Development Area.

3.1.2 Except as provided in Section 3.1.1, Franchisor expressly reserves all other rights, including without limitation, the exclusive, unrestricted right, in its sole and absolute discretion, directly and indirectly, through its employees, Affiliates, representatives, franchisees, licensees, assigns, agents and others, to own, operate and franchise or license others (which may include its Affiliates):

(a) to own or operate Restaurants at any site, venue or location which is not included within the Development Area, and at any Non-Traditional Venue at any site, venue or location, and of any type or category whatsoever, without regard to proximity to any Restaurant developed or under development or consideration by Franchisee;

(b) to own or operate and to franchise or license others (which may include its Affiliates) to own or operate restaurants or other business concepts which operate under names other than "International House of Pancakes" or "IHOP", including Other IHOP Concepts, at any site, venue or location, and of any type or category whatsoever, and wherever located, and regardless of its proximity to any Restaurant developed or under development or consideration by Franchisee;

(c) to produce, franchise, license, distribute and market products (whether or not under the Marks), including pre-packaged food, snacks and beverage products; books; clothing, souvenirs and novelty items, at or through any and all Alternative Distribution Channels (regardless of its proximity to any Restaurant developed or under development or consideration by Franchisee), whether or not under the “International House of Pancakes” or “IHOP” names or the Marks, or any of them; and

(d) to advertise and promote the System, and fill customer orders by providing catering and delivery services.

3.1.3 To the extent that there are one or more Existing Restaurants in the Development Area on the Effective Date, then the Development Area shall exclude the geographic area indicated on Exhibit A hereto surrounding each such Existing Restaurant and, in the event that a replacement restaurant for any of such Existing Restaurants is opened within the franchised area of such Existing Restaurants, the Development Area shall also exclude a geographic area around such replacement restaurant. In the event an Existing Restaurant ceases to do business and a replacement restaurant is not built, its previously excluded geographic area shall no longer be excluded from the Development Area; however, any development of a previously excluded area shall not be counted in determining whether Franchisee has satisfied the Development Obligation, and Franchisee shall pay the initial franchise fee therefor as then in existence.

3.1.4 Notwithstanding the foregoing, should Franchisor determine it desires to operate or grant a license to operate a Restaurant at a Travel Center Site (as defined below) physically located within a portion of Franchisee’s Development Area over which Franchisee has exclusivity pursuant to this Agreement, then Franchisor shall first approach Franchisee and inquire whether Franchisee is interested in exploring the opportunity of being the franchisee of the Restaurant at such site. If Franchisee indicates in writing to Franchisor within 15 days that it is interested in exploring such opportunity (the “**Notice of Interest**”), Franchisor shall refrain from opening a Restaurant at such Travel Center Site or granting a franchise to another party to operate a Restaurant at such Travel Center Site for a period of 45 days from the Notice of Interest. Should Franchisee either not timely deliver a Notice of Interest or not deliver to Franchisor an executed lease agreement for such Travel Center Site within 45 days of delivery of the Notice of Interest, Franchisor shall be free to operate or grant a license to operate a Restaurant at such Travel Center Site in its sole discretion. As used in this Section 3.1.4, “**Travel Center Site**” means a site at a Non-Traditional Venue that is a travel center or travel plaza and for which the travel center or travel plaza owner or operator determines to have an IHOP Restaurant for which a party other than the travel plaza or travel center owner or operator or an affiliate thereof is the franchisee. 8.3.1 This Agreement has been entered into by Franchisor in reliance upon and in consideration of the singular individual or collective character, reputation, skill, attitude, business ability, and financial capacity of Franchisee or, if applicable, its Owners who will actively and substantially participate in the development, ownership and operation of the Restaurants. Therefore, neither Franchisee’s interest in this Agreement nor any of its rights or privileges shall be assigned or transferred, voluntarily or involuntarily, in whole or in part, by operation of law or otherwise, in any manner (an “**Assignment**”), without the prior written consent of Franchisor (which it may grant or withhold in its sole and absolute discretion).

8.3.2 If Franchisee is a Business Entity, each of the following shall be deemed to be an Assignment of this Agreement: The terms “**Assign**” and “**Assignment**” shall include, if Franchisee is a Business Entity, each of the following: (i) the sale, assignment, transfer, conveyance, gift, pledge, mortgage, or other encumbrance of more than 49% in the aggregate, whether in one or more transactions, of the stock in Franchisee, by operation of law or otherwise or any other event(s) or transaction(s) which, directly or indirectly, effectively changes management control of Franchisee; (ii) the issuance of any securities by Franchisee which itself or in combination with any other transaction(s) results in the Owner existing as of the Effective Date owning less than 51% of the outstanding shares, membership interests or voting power of Franchisee as constituted as of the Effective Date; (iii) if Franchisee is a Partnership, the withdrawal, death or legal incapacity of a general Partner or limited Partner owning 51% or more of the Partnership Rights of the Partnership, or the admission of any additional general Partner or the transfer or assignment by any general Partner of any of its Partnership Rights in the Partnership; (iv) the death or legal incapacity of any direct or indirect Major Owner; (v) the sale, assignment, transfer, conveyance, gift, issuance of securities or any other event or transaction, whether in one or more transactions, by any direct or indirect Major Owner as of the Effective Date which results in such Major Owner owning, directly or indirectly, less than 51% of the stock in Franchisee; and (vi) any merger, stock redemption, consolidation, reorganization, recapitalization or other transfer of control of the Franchisee, however effected. If Franchisee is a Business Entity, Franchisee shall promptly provide Franchisor with written notice (stating such information as Franchisor may from time to time require) of each and every transfer, assignment and encumbrance by any Owner of any direct or indirect Equity or voting rights in Franchisee, notwithstanding that the same may not constitute an “Assignment” as defined under this Section 8.3.2.

8.3.3 Franchisee shall pay Franchisor the transfer fee specified from time to time (the “**Transfer Fee**”). As of the date of this Agreement, the Transfer Fee is \$2,500. 50% of the non-refundable transfer fee shall be paid at the time Franchisee serves written notice upon Franchisor of the proposed assignment, and the balance shall be paid by no later than the date of the assignment.

8.3.4 Franchisee shall not in any event have the right to pledge, encumber, hypothecate or otherwise give any third party a security interest in this Agreement in any manner whatsoever without the express prior written permission of Franchisor, which permission shall not be unreasonably withheld, but reasonable conditions may be imposed.

8.3.5 During the Term, this Agreement may not be transferred or assigned without a simultaneous assignment to the same assignee of all Franchise Agreements executed pursuant hereto. At any time that Franchisee transfers or assigns a Franchise Agreement executed pursuant to this Agreement,

Franchisee shall simultaneously transfer or assign its entire interest in the real property and the furniture, fixtures, and equipment associated with the Restaurant to the same transferee, provided, however, that if Franchisee owns the real property, Franchisee may retain ownership of the real property and lease it to the transferee, provided that Franchisor has approved the terms of the lease.

8.3.6 Securities, Partnership or other ownership interests in Franchisee may not be offered to the public under the Securities Act of 1933, as amended, nor may they be registered under the Securities Exchange Act of 1934, as amended, or any comparable federal, state or foreign law, rule or regulation. Such interests may be offered by private offering or otherwise only with the prior written consent of Franchisor, which consent shall not be unreasonably withheld. All materials required for any such private offering by federal or state law shall be submitted to Franchisor for a limited review as discussed below prior to being filed with any governmental agency; and any materials to be used in any exempt offering shall be submitted to Franchisor for such review prior to their use. No such offering by Franchisee shall imply that Franchisor is participating in an underwriting, issuance or offering of securities of Franchisee or Franchisor, and Franchisor's review of any offering materials shall be limited solely to the subject of the relationship between Franchisee and Franchisor and its affiliates. Franchisor may, at its option, require Franchisee's offering materials to contain a written statement prescribed by Franchisor concerning the limitations described in the preceding sentence. Franchisee, its Owners and the other participants in the offering must fully defend and indemnify Franchisor, and its affiliates, their respective Partners and the officers, directors, shareholders, Partners, agents, representatives, independent contractors, servants and employees of each of them, from and against any and all losses, costs and liability in connection with the offering. Unless waived by Franchisor, in its sole discretion, for each proposed offering, Franchisee shall pay to Franchisor a non-refundable fee of \$5,000, or such greater amount as is necessary to reimburse Franchisor for its reasonable costs and expenses associated with reviewing the proposed offering, including without limitation, legal and accounting fees. Franchisee shall give Franchisor written notice at least 30 days prior to the date of commencement of any offering or other transaction covered by this Section 8.3.6.

8.4 Individual Franchise Agreements.

8.4.1 Franchisee shall not execute any Franchise Agreement, or construct or equip any Restaurant with the intent of transferring or assigning such Franchise Agreement or Restaurant during the Term.

8.4.2 During the Term, no Franchise Agreement executed pursuant hereto may be transferred or assigned without a simultaneous assignment to the same assignee of all then existing Franchise Agreements executed pursuant hereto (and all of the assets of the Restaurants developed and under development pursuant thereto), and if this Agreement (or any successor area development agreement(s) executed for the Development Area, in whole or in part) is then in effect, without a simultaneous assignment to the same assignee of this Agreement (or such successor agreement). After the Term, and Renewal Term if applicable and exercised, Franchisee shall have the right to assign one, some, or all of the Franchise Agreements executed pursuant hereto, provided Franchisor must consent to any assignment, which consent shall not be unreasonably withheld.

8.4.3 Notwithstanding Sections 8.4.1 and 8.4.2, and without limiting the generality of Section 8.3.1, Franchisee may, with Franchisor's prior written consent, execute and contemporaneously assign a Franchise Agreement executed pursuant hereto to a separate Business Entity, provided and on condition that: (i) Franchisee owns and controls not less than 51% of the Equity and voting rights of such Business Entity on the date of execution of such Franchise Agreement and at all times thereafter; (ii) Franchisee or if Franchisee is a Business Entity, the Major Owner, has exclusive day-to-day operational control over such Business Entity; (iii) such Business Entity conducts no business other than the operation of the Restaurant and/or other IHOP Restaurants; (iv) Franchisee, each person or Business Entity comprising Franchisee, the Major Owner, all other existing and future holders (directly or indirectly) of the Equity or voting rights of any franchisee under any

and all Franchise Agreements executed pursuant to this Agreement and the respective spouses of each of them shall execute a written guaranty in a form prescribed by Franchisor, personally, irrevocably and unconditionally guaranteeing, jointly and severally, with all other guarantors, the full payment and performance of all of the obligations to Franchisor and to Franchisor's affiliates under this Agreement and each Franchise Agreement executed pursuant hereto; and (v) none of the Owners of the Equity of the franchisee under the applicable Franchise Agreement are, directly or indirectly, engaged in Competitive Activities.

ARTICLE 9

ADDITIONAL COVENANTS OF FRANCHISEE

9.1 Control of Franchisee. Franchisee expressly represents, warrants and covenants as follows:

9.1.1 If Franchisee is a Business Entity, Franchisee's Equity is not publicly traded, and Franchisee's articles of incorporation or articles of organization (or similar instrument) shall restrict Franchisee's business to developing, owning and operating Restaurants.

9.1.2 If Franchisee is a Business Entity, Franchisor shall be satisfied that the Major Owner has complete operational control of Franchisee.

9.1.3 Franchisee shall not make any Distribution to any Owner unless Franchisee is fully current in all payments to Franchisor and its Affiliates.

9.1.4 Franchisee represents and warrants that the information set forth in **Exhibit "C,"** which is annexed hereto and by this reference made a part hereof, is accurate and complete in all material respects. Franchisee shall notify Franchisor in writing within 10 days of any change in the information set forth in **Exhibit "C,"** and shall submit to Franchisor a revised **Exhibit "C,"** certified by Franchisee as true, correct and complete and upon acceptance thereof by Franchisor shall be annexed to this Agreement as **Exhibit "C."** Franchisee promptly shall provide such additional information as Franchisor may from time to time request concerning all persons who may have any direct or indirect financial interest in Franchisee.

9.1.5 If Franchisee is a Business Entity, Franchisee shall cause to be printed on each certificate or other document of ownership of Franchisee a legend referencing the restrictions contained herein, which will read substantially as follows:

"The transfer or assignment of this [certificate] [securities represented by this document] is subject to the terms and conditions of a Multi-Store Development Agreement with IHOP FRANCHISOR LLC dated as of _____, 20___. Reference is made to such Agreement and to the restrictive provisions contained in this company's articles [of organization] [of incorporation]."

9.2 Major Owner. The Major Owner shall be principally responsible for communicating and coordinating with Franchisor regarding business, operational and other ongoing matters concerning this Agreement and the Restaurants developed pursuant hereto. The Major Owner shall have the full authority to act on behalf of Franchisee in regard to performing, administering or amending this Agreement and all Franchise Agreements executed pursuant hereto. Franchisor may, but is not required to, deal exclusively with the Major Owner in such regards unless and until Franchisor's actual receipt of written notice from Franchisee of the appointment of a successor Major Owner, who shall have been approved by Franchisor.

9.3 Director of Operations. At all times throughout the Term and the term of each Franchise Agreement executed pursuant hereto, Franchisee shall employ and retain an individual (the "**Director of Operations**"), approved by Franchisor (and subject to subsequent disapproval by Franchisor) who shall be the

“chief operations officer” vested with the authority and responsibility for the day-to-day operations of all Restaurants owned by Franchisee within the Development Area. The Director of Operations, who may (but need not) be an Owner, shall devote full-time and best efforts solely to operation of the Restaurants and to no other business activities. The Director of Operations shall be responsible for all actions necessary to ensure that the Restaurants are operated in compliance with this Agreement, all Franchise Agreements therefor and the Manuals. If, during the Term, the Director of Operations is not able to continue to serve in such capacity or no longer qualifies to act as such in accordance with this Section (including Franchisor’s subsequent disapproval of such person), Franchisee shall promptly notify Franchisor and designate a replacement within 90 days after the Director of Operations ceases to serve, such replacement being subject to Franchisor’s approval.

ARTICLE 10

CONFIDENTIALITY; NON-COMPETITION; NON-SOLICITATION

10.1 Confidentiality.

10.1.1 Franchisor possesses and continues to develop, and during the course of the relationship established hereunder, Restricted Persons may have access to, proprietary and confidential information, including specifications, plans, procedures, concepts and methods and techniques of developing and operating Restaurant(s) (the “**Trade Secrets**”). Franchisor may disclose certain of its Trade Secrets to Restricted Persons in the Manuals, bulletins, supplements, confidential correspondence, or other confidential communications, and through the Franchisor’s training program and other guidance and management assistance, and in performing Franchisor’s other obligations and exercising Franchisor’s rights under this Agreement. “**Trade Secrets**” shall not include information which: (a) has entered the public domain or was known to Franchisee prior to Franchisor’s disclosure of such information to Franchisee, other than by the breach of an obligation of confidentiality owed (by anyone) to Franchisor or its Affiliates; (b) becomes known to the Restricted Persons from a source other than Franchisor or its Affiliates and other than by the breach of an obligation of confidentiality owed (by anyone) to Franchisor or its Affiliates; or (c) was independently developed by Franchisee without the use or benefit of any of the Franchisor’s Trade Secrets. The burden of proving the applicability of the foregoing exclusions will reside with Franchisee.

10.1.2 Each Restricted Person shall acquire no interest in the Trade Secrets other than the right to use them in developing Restaurants pursuant to this Agreement. A Restricted Person’s duplication or use of the Trade Secrets in any other endeavor or business shall constitute an unfair method of competition. Each Restricted Person shall: (i) not use the Trade Secrets in any business or other endeavor other than in connection with the Restaurants developed hereunder; (ii) maintain absolute confidentiality of the Trade Secrets during and after the Term of this Agreement; and (iii) make no unauthorized copy of any portion of the Trade Secrets, including without limitation, the Manuals, bulletins, supplements, confidential correspondence, or other confidential communications, whether written or oral. Franchisee shall operate and implement all reasonable procedures prescribed from time to time by Franchisor to prevent unauthorized use and disclosure of the Trade Secrets, including, implementing restrictions and limitations as Franchisor may prescribe on disclosure to employees and use of non-disclosure and non-competition provisions in employment agreements with employees who may have access to the Trade Secrets. Promptly upon Franchisor’s request, Franchisee shall deliver executed copies of such agreements to Franchisor.

10.1.3 In the event any portion of the above covenants violates laws affecting Franchisee or any other Restricted Person, or is held invalid or unenforceable in a final judgment to which Franchisor and Franchisee are parties, then the maximum legally allowable restriction permitted by law shall control and bind Franchisee. Franchisor may at any time unilaterally reduce the scope of any part of the above covenants, and Franchisee shall comply with any such reduced covenant upon receipt of written notice. The provisions of this

Section 10.1 shall be in addition to and not in lieu of any other confidentiality obligation of Franchisee, or any other person, whether pursuant to another agreement, or pursuant to Applicable Law.

10.2 Non-Competition. Franchisee acknowledges that the System is distinctive and has been developed by Franchisor at great effort, time, and expense, and that Franchisee has regular and continuing access to valuable and confidential information, training, and Trade Secrets regarding the System. Franchisee recognizes its obligations to keep confidential such information as set forth herein. Franchisee therefore agrees that during the Term, no Restricted Person shall in any capacity, either directly or indirectly, through one or more Affiliates, engage in any Competitive Activities at any location, whether within or outside the Development Area, unless Franchisor shall consent thereto in writing.

10.3 Non-Solicitation. During the Term of this Agreement and for one year following the expiration or termination and each Assignment, Franchisee shall not, without the prior written consent of Franchisor, directly or indirectly: (a) employ or attempt to employ any person who at that time is employed by Franchisor, an Affiliate of Franchisor, or any other Franchisee or multi-store developer of Franchisor, including, without limitation, any manager or assistant manager; (b) employ or attempt to employ any person who within six months prior thereto had been employed by Franchisor, an Affiliate of Franchisor, or any other Franchisee or multi-store developer of Franchisor; or (c) induce or attempt to induce any person to leave his or her employment with Franchisor, an Affiliate of Franchisor, or any franchisee or multi-store developer of Franchisor.

10.4 Modification. The parties have attempted in Sections 10.2 and 10.3 above to limit the Franchisee's right to compete only to the extent necessary to protect the Franchisor from unfair competition. The parties hereby expressly agree that if the scope or enforceability of Section 10.2 or Section 10.3 is disputed at any time by Franchisee, a court or arbitrator, as the case may be, may modify either or both of such provisions to the extent that it deems necessary to make such provision(s) enforceable under Applicable Law. In addition, the Franchisor reserves the right to reduce the scope of either, or both, of said provisions without Franchisee's consent, at any time or times, effective immediately upon notice to Franchisee.

ARTICLE 11

TERMINATION

11.1 Termination Pursuant to a Material Breach of This Agreement.

11.1.1 Subject to Applicable Law to the contrary, this Agreement may be terminated by Franchisor in the event of any material breach by Franchisee of this Agreement, unless such default is cured by Franchisee as provided herein. The cure period shall be seven days following written notice of default for a payment default and 30 days following written notice of default for any other default. Any failure to meet a Development Obligation within the Development Period, subject to any delay provided for in Section 2.1.2, is incurable.

11.1.2 A material breach shall include the failure of Franchisee to meet its Development Obligations as set forth in **Exhibit "B"** but shall not include the failure of Franchisee to meet the deadlines set forth in Article 6, provided however, that Franchisee acknowledges and agrees that: (a) in the event of any failure by Franchisee to meet the deadlines set forth in Article 6, Franchisor shall not be obligated to take extraordinary measures to assist Franchisee in meeting its Development Obligations; (b) the deadlines in Article 6 are intended to be conditions precedent to Franchisor meeting its obligations under Article 6; and (c) that Franchisee's failure to meet the deadlines while not a material breach, could cause Franchisee to fail to meet its Development Obligations, which would constitute a material breach that would entitle Franchisor to terminate this Agreement in accordance with the terms of Article 11.

11.1.3 Notwithstanding the applicable cure periods set forth above, the following defaults shall be deemed incurable and termination shall be immediate upon the occurrence of any of the following:

(a) Any attempt by Franchisee to engage in an Assignment, in whole or in part, of any or all rights and obligations under this Agreement, in violation of the terms of this Agreement, or without the written consents required, pursuant to this Agreement;

(b) The conviction of Franchisee or the Major Owner in a court of competent jurisdiction of any criminal offense which is relevant to the business conducted at the Restaurants, or any of them;

(c) The filing by Franchisee of any petition or action in bankruptcy or insolvency, or for appointment of a receiver or trustee, or an assignment by Franchisee for the benefit of creditors, or the failure to vacate or dismiss within 60 days after filing any such proceedings commenced against Franchisee by a third party; and

(d) Any violation of Article 10.

11.2 Termination by Reason of a Material Breach of Other Agreement. This Agreement may be terminated, at the election of Franchisor, in the event of any material breach by Franchisee (or any of its Affiliates) of an individual Franchise Agreement or any other agreement between Franchisor and Franchisee (or any of its Affiliates), upon the notice, and subject to the right to cure, if any, specified in the applicable Franchise Agreement or other agreement.

ARTICLE 12

GENERAL CONDITIONS AND PROVISIONS

12.1 Relationship of Franchisee to Franchisor. It is expressly agreed that the parties intend by this Agreement to establish between Franchisor and Franchisee the relationship of franchisor and franchisee. It is further agreed that Franchisee has no authority to create or assume in Franchisor's name or on behalf of Franchisor, any obligation, express or implied, or to act or purport to act as agent or representative on behalf of Franchisor for any purpose whatsoever. Neither Franchisor nor Franchisee is the employer, employee, agent, Partner or co-venturer of or with the other, each being independent. Franchisee agrees that it will not hold itself out as the agent, employee, Partner or co-venturer of Franchisor. All employees hired by or working for Franchisee shall be the employees of Franchisee and shall not, for any purpose, be deemed employees of Franchisor or subject to Franchisor control. Each of the parties agrees to file its own tax, regulatory and payroll reports with respect to its respective employees and operations, saving and indemnifying the other party hereto of and from any liability of any nature whatsoever by virtue thereof.

12.2 Indemnity. Franchisee hereby agrees to protect, defend and indemnify Franchisor, and all of its past, present and future Owners, Affiliates, officers, directors, employees, attorneys and designees and hold them harmless from and against any and all costs and expenses, including attorneys' fees, court costs, losses, liabilities, damages, claims and demands of every kind or nature on account of any actual or alleged loss, injury or damage to any person or Business Entity or to any property arising out of or in connection with Franchisee's operation of Restaurants pursuant hereto.

12.3 No Consequential Damages For Legal Incapacity. Franchisor shall not be liable to Franchisee for any consequential damages, including but not limited to lost profits, interest expense, increased construction or occupancy costs, or other costs and expenses incurred by Franchisee by reason of any delay in the delivery of Franchisor's Franchise Disclosure Document caused by legal incapacity during the Term, or other conduct not due to the gross negligence or misfeasance of Franchisor.

12.4 Waiver and Delay. No waiver by Franchisor of any breach or series of breaches or defaults in performance by Franchisee, and no failure, refusal or neglect of Franchisor to exercise any right, power or option given to it hereunder or under any other Franchise Agreement between Franchisor and Franchisee, whether entered into before, after or contemporaneously with the execution hereof (and whether or not related to the Restaurants) or to insist upon strict compliance with or performance of Franchisee's obligations under this Agreement or any other Franchise Agreement between Franchisor and Franchisee, whether entered into before, after or contemporaneously with the execution hereof (and whether or not related to the Restaurants), shall constitute a waiver of the provisions of this Agreement with respect to any subsequent breach thereof or a waiver by Franchisor of its right at any time thereafter to require exact and strict compliance with the provisions thereof.

12.5 Survival of Covenants. The covenants contained in this Agreement which, by their terms, require performance by the parties after the expiration or termination of this Agreement, shall be enforceable notwithstanding said expiration or other termination of this Agreement for any reason whatsoever.

12.6 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the successors and assigns of Franchisor and shall be binding upon and inure to the benefit of Franchisee and its or their respective heirs, executors, administrators, successors and assigns, subject to the prohibitions against Assignment contained herein.

12.7 Governing Law. This Agreement shall be deemed executed in California, and shall be construed in accordance with the laws of the State of California, without giving effect to any conflict of laws, excepting however the provisions of Section 10.2 (and to the extent applicable to Section 10.2, Section 10.4) respecting Non-Competition Covenants. Section 10.2 (and to the extent applicable to Section 10.2, Section 10.4) shall be construed and enforced in accordance with the laws of the State where the breach of said Section occurs. Subject to Section 12.15 below, the parties agree that any action brought by either party against the other in any court, whether federal or state, will be brought within the State of California. The parties hereby waive any right to demand or have trial by jury in any action relating to this Agreement in which the Franchisor is a party. The parties' consent to the exercise of personal jurisdiction over them by such courts and to the propriety of venue of such courts for the purpose of carrying out this provision, and they waive any objection that they would otherwise have to the same.

12.8 Entire Agreement. This Agreement and the Exhibits incorporated herein contain all of the terms and conditions agreed upon by the parties hereto concerning the subject matter hereof. No other agreements concerning the subject matter hereof, written or oral, shall be deemed to exist or to bind any of the parties hereto and all prior agreements, understandings and representations, are merged herein and superseded hereby. Franchisee represents that there are no contemporaneous agreements or understandings between the parties relating to the subject matter of this Agreement that are not contained herein. Notwithstanding the foregoing, nothing in this Agreement is intended to constitute a waiver by Franchisee of its right to rely upon any disclosure contained in the most recent Franchise Disclosure Document delivered by Franchisor to Franchisee prior to the execution hereof. No officer or employee or agent of Franchisor has any authority to make any representation or promise not contained in this Agreement or any Franchise Disclosure Document for prospective franchisees required by Applicable Law, and Franchisee agrees that it has executed this Agreement without reliance upon any such representation or promise. This Agreement cannot be modified or changed except by written instrument signed by all of the parties hereto.

12.9 Titles for Convenience. Article and paragraph titles used in this Agreement are for convenience only and shall not be deemed to affect the meaning or construction of any of the terms, provisions, covenants, or conditions of this Agreement.

12.10 Gender and Construction. All terms used in any one number or gender shall extend to mean and include any other number and gender as the facts, context, or sense of this Agreement or any article or paragraph hereof may require. As used in this Agreement, the words “include,” “includes” or “including” are used in a non-exclusive sense. Unless otherwise expressly provided herein to the contrary, any consent, approval, acceptance or authorization of Franchisor which Franchisee may be required to obtain hereunder may be given or withheld by Franchisor in its sole discretion, and on any occasion where Franchisor is required or permitted hereunder to make any judgment or determination, including any decision as to whether any condition or circumstance meets Franchisor’s standards or satisfaction, Franchisor may do so in its sole subjective judgment.

12.11 Severability. Nothing contained in this Agreement shall be construed as requiring the commission of any act contrary to law. Whenever there is any conflict between any provisions of this Agreement and any present or future statute, law, ordinance or regulation contrary to which the parties have no legal right to contract, the latter shall prevail, but in such event the provisions of this Agreement thus affected shall be curtailed and limited only to the extent necessary to bring it within the requirements of the law. In the event that any part, article, paragraph, sentence or clause of this Agreement shall be held to be indefinite, invalid or otherwise unenforceable, the indefinite, invalid or unenforceable provision shall be deemed deleted, and the remaining part of this Agreement shall continue in full force and effect.

12.12 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument.

12.13 Fees and Expenses. Should any party hereto commence any action or proceeding for the purpose of enforcing, or preventing the breach of, any provision hereof, whether by arbitration, judicial or quasi-judicial action or otherwise, or for damages for any alleged breach of any provision hereof, or for a declaration of such party’s rights or obligations hereunder, then the prevailing party shall be reimbursed by the losing party for all costs and expenses incurred in connection therewith, including, but not limited to, reasonable attorneys’ fees for the services rendered to such prevailing party.

12.14 Notices. Except as otherwise expressly provided herein, all written notices and reports permitted or required to be delivered by the parties pursuant hereto shall be sent by United States Registered or Certified Mail (Return Receipt Requested, postage prepaid), or by reputable overnight delivery service (such as Federal Express or Airborne), immediately confirmed by United States First Class Mail. Notices shall be deemed delivered three business days after placement in the United States Registered or Certified Mail, or one business day after sending by overnight delivery service. All notices shall be addressed as follows:

If to Franchisor: IHOP Franchisor LLC

 10 W. Walnut St.,
 Pasadena, CA 91103
 Attention: General Counsel

If to Franchisee: _____

 Attention: _____ (Name & Title)
 E-mail: _____

Any party may change its address by giving 10 days’ prior written notice of such change to all other parties.

12.15 Arbitration.

(a) Subject to Section 12.15(b), any controversy or claim arising out of or relating to this Agreement, or any agreement relating thereto, or any breach of this Agreement including any claim that this Agreement or any portion thereof is invalid, illegal or otherwise voidable, shall be submitted to arbitration before and in accordance with the commercial rules of the American Arbitration Association provided that the jurisdiction of the arbitrators shall be limited to a decision rendered pursuant to California common and statutory law and judgment upon the award may be entered in any court having jurisdiction thereof; provided, however, that this clause shall not limit Franchisor's or its Affiliate's right to obtain any provisional remedy, including injunctive relief or similar relief, from any court of competent jurisdiction, as Franchisor or its Affiliate deems to be necessary or appropriate in Franchisor's or such Affiliate's sole subjective judgment, to compel Franchisee to comply, or to prohibit Franchisee's non-compliance, with its obligations hereunder. Franchisor or such Affiliate may, as part of such action or proceeding, seek damages, costs and expenses caused to or incurred by it by reason of the act or action or non-action of Franchisee which caused Franchisor or such Affiliate to institute such action or proceeding. The institution of any such action or proceeding by Franchisor or its Affiliate shall not be deemed a waiver on its part to institution of an arbitration proceeding pursuant to the provisions of this Section. The situs of arbitration proceedings shall be in Los Angeles, California.

(b) All arbitration proceedings and claims shall be filed and prosecuted separately and individually in the name of Franchisee and Franchisor (and/or its Affiliate), and not in any representative capacity, and shall not be consolidated with claims asserted by or against any other franchisee. The following shall not be subject to arbitration: any claim or dispute involving or contesting the validity of any of the Trademarks, any dispute alleging a violation of federal or state securities law, and class action claims. The decision of whether any issue, claim, controversy or dispute is arbitrable shall be made by the arbitrator, who shall have jurisdiction to make such determination. Unless prohibited by law, both Franchisor and Franchisee hereby waive the right, if any, to obtain any award for exemplary or punitive damages from the other in any arbitration, or judicial proceeding, or other adjudication, arising out of or with respect to this Agreement, or any breach thereof, including any claim that said Agreement, or any part thereof, is invalid, illegal or otherwise voidable or void. The arbitration and the parties' agreement therefor shall be deemed to be self-executing, and if either party fails to appear at any properly-noticed arbitration proceeding, an award may be entered against such party despite said failure to appear.

12.16 Other Agreements. Nothing herein shall be construed to restrict the Franchisee from entering into other agreements with Franchisor covering other development areas.

12.17 Death or Disability of Franchisee or Major Owner. In the case of the death or disability of Franchisee or Major Owner, if Franchisee is a business entity, Franchisee's or Major Owner's heir(s), personal representative, or conservator may elect to cause Franchisor to repurchase Franchisee's exclusivity and development rights within the Development Area for a payment equal to the unused portion of the Development Fee. Such election shall be made in writing to Franchisor within 90 days of the death or disability of Franchisee or Major Owner. Franchisor shall have 30 days within which to pay Franchisee's or Major Owner's heir(s), personal representative or conservator, as applicable after (a) submission to IHOP of appropriate authorization from the probate court or other applicable legal authority, and (b) execution by Franchisee's or Major Owner's heir(s), personal representative or conservator of the documentation prepared by Franchisor terminating this Agreement and evidencing the repurchase. Alternatively, notwithstanding Section 8.3.1, in the event of the death or disability of Franchisee or Major Owner, the heir(s), personal representative or conservator may elect to assign this Agreement with Franchisor's prior written consent, which shall not be unreasonably withheld. All of the other provisions of Article 8 with respect to assignment shall apply.

ARTICLE 13

SUBMISSION OF AGREEMENT

13.1 General. The submission of this Agreement does not constitute an offer and this Agreement shall become effective only upon the execution thereof by Franchisor and Franchisee. THIS AGREEMENT SHALL NOT BE BINDING ON FRANCHISOR UNLESS AND UNTIL IT SHALL HAVE BEEN ACCEPTED AND SIGNED BY AN AUTHORIZED OFFICER OF FRANCHISOR.

ARTICLE 14

SINGLE STORE DEVELOPMENT AGREEMENT

EXHIBIT K

SINGLE STORE DEVELOPMENT AGREEMENT

This SINGLE STORE DEVELOPMENT AGREEMENT (this “**Agreement**”) will acknowledge that _____, a [corporation] [limited liability company] (“**Applicant**”) has submitted an application and paid a Location Fee (as defined in Section 2.1) to IHOP FRANCHISOR LLC, a Delaware limited liability company (“**Company**”) in connection with Company’s consideration of Applicant for a franchise to develop and operate one “International House of Pancakes” or “IHOP” restaurant (the “**Restaurant**”). The parties agree as follows:

1. Specific Location; Trade Area; Non-Traditional Development. Applicant desires to [check one]:

1.1 Locate a Restaurant at _____ (“**Specific Location**”).

1.2 Locate potential sites for one Restaurant within the geographic area set forth on Exhibit A which is attached hereto and incorporated herein by reference (the “**Trade Area**”). During the first 180 days following the Effective Date (as defined in Section 3), Company shall not develop or operate, undertake the Development Review Procedure for a third party’s proposal to develop and operate, nor issue any license or franchise to any other party other than Applicant to develop and operate, a Restaurant at a Venue (as defined in Section 4) in the Trade Area. Except as limited by this Section 1.2, Company expressly reserves all other rights, without regard to proximity to the Restaurant to be developed by Applicant. This Section 1.2 shall not limit the ability of Company to develop and operate Restaurants at Non-Traditional Venues (as defined in Section 1.4) in the Trade Area.

1.3 Applicant acknowledges and agrees that, subject only to Section 1.2, if applicable, this Agreement does not grant Applicant any rights whatsoever with respect to any geographic area including, without limitation, the Trade Area. Applicant further acknowledges and agrees that this Agreement does not constitute a commitment by Company to grant or execute a Franchise Agreement (defined below).

1.4 Nothing in this Single Store Development Agreement grants to Applicant any right to develop units other than a Restaurant at Venues. As used in this Agreement, the term “**Venues**” means any site, venue or location other than Non-Traditional Venues. As used in this Agreement, the term “**Non-Traditional Venue**” means a site, venue or location which is within another primary business or in conjunction with other businesses or at institutional settings such as schools, colleges and universities, military and other governmental facilities, hospitals, airports, toll roads, highway rest stops, office or in-plant food facilities, supermarkets, grocery stores or convenience stores, hotels and motels, casinos, stadiums, arenas, shopping malls, and any other site, venue or location operated by a master concessionaire or contract food service provider.

2. Fees.

2.1 Location Fee. Applicant shall tender to Company a fee (the “**Location Fee**”) of \$15,000 upon execution of this Agreement. The Location Fee is not refundable, except as provided in Section 2.3. If Applicant executes a Franchise Agreement with Company for a Restaurant within the Specific Location or Trade Area pursuant to Section 4.11 during the Term, the Location Fee shall be applied to the initial franchise fee payable under said Franchise Agreement executed by Applicant, if any.

2.2 Impact Fee Reimbursement. Applicant acknowledges receiving a copy of Company’s Development Impact Assistance Program as in effect on the date of this Agreement. In the event that any Restaurant developed hereunder causes Company to be obligated to pay any amounts under the Development Impact Assistance Program, then Applicant, upon demand, shall promptly reimburse Company for the amounts payable by Company under such program, as it may change from time to time. “**Development Impact Assistance Program**” shall mean Company’s Development Impact Assistance Program (as it may be amended, modified, or restated from time to time), which is designed to address declines in sales which may be due to the placement of a new Restaurant near an existing Restaurant, by providing the franchisee of the existing Restaurant with financial support aimed at assisting such franchisee to increase sales.

2.3 In the event Company does not grant preliminary acceptance of a Specific Location or Site within the Trade Area based, in whole or in part, an impact study pursuant to Section 4.4 hereof, Company will refund to Applicant the full Location Fee. However, if Company grants preliminary acceptance after receipt of an impact study, and subsequently does not grant Secondary Acceptance, Final Acceptance or Final Approval, based, in whole or in part on the impact study, Company shall not refund any portion of the Location Fee to Applicant.

3. Term.

3.1 The term of this Agreement shall commence on the date it is executed by Company (the “**Effective Date**”) and shall continue until _____, the date by which the Restaurant must open (the “**Opening Date**”), unless sooner terminated as provided herein (the “**Term**”).

3.2 Notwithstanding anything to the contrary contained in Section 3.1, Applicant may, at its option, forestall the termination of this Agreement caused by Applicant’s failure to meet its Development Approval obligation within 240 days of the Effective Date (“**Development Approval Date**”), provided Applicant has submitted at a minimum a preliminary package to Company, by submitting a written request for additional time within which to satisfy its Development Approval Obligation, which in no event may exceed 90 days (the “**Additional Approval Time**”) and by paying to Company the sum of \$170 per day (“**Delayed Development Approval Fee**”) in advance, for each day requested in order to meet its Development Approval obligation; provided, however, if Applicant shall have failed to satisfy its Development Approval obligation within 90 days after the Development Approval Date, or to pay the Delayed Development Approval Fee for the Additional Approval Time, then such failure shall result in the immediate termination of this Agreement.

4. Site Acquisition.

4.1 Upon execution of this Agreement, Company shall deliver to Applicant information concerning the written materials that Company requires to be submitted to Company (the “**Development Approval Procedure**”) for it to consider (i) the Specific Location, if the box in Section 1.1 is checked; or (ii) proposed locations within the Trade Area for the Restaurant, if the box in Section 1.2 is checked. Applicant is solely responsible for selecting the Site on which Applicant proposes to construct a Restaurant. If Company assists in locating a Site, Applicant acknowledges that Applicant is not relying on such assistance, or Company’s acceptance of such Site, as a guarantee or other assurance that the Restaurant will be successful. As used herein the term “Site” means the Specific Location, if the box in Section 1.1 is checked, or a location proposed by Applicant if the box in Section 1.2 is checked. A Site may only be located at a Venue.

4.2 Company will not issue a Franchise Agreement to Applicant pursuant hereto unless Applicant has successfully completed the Development Approval Procedure for the Site in accordance with this Section 4. Applicant shall obtain Company’s final written approval of the Site at least six months before the Opening Date.

4.3 Applicant shall first submit a preliminary site review package for the Site (the “**Preliminary Package**”) at least eight months prior to the Opening Date. If the box in Section 1.2 is checked, Applicant may submit up to 3 Preliminary Packages for review at any one time and no more than a total of 6 proposed Sites during the Term and Company shall have no obligation to review submissions for more than 3 proposed Sites at any particular time.

4.4 Applicant shall complete the negotiation of the lease or purchase agreement, as applicable, and submit the proposed lease or purchase agreement, as applicable, and such other information regarding the proposed Restaurant as Company may reasonably require, to Company for final approval of the lease or purchase agreement (“**Final Approval**”) within 180 days following the submission of the Preliminary Package for the Site.

4.5 Following receipt of Final Approval of the Site, Company shall provide Applicant with execution copies of the then-current Franchise Agreement for the site. Applicant shall not execute any lease or purchase agreement until after receipt from Company of the fully-executed then-current Franchise Agreement.

5. Acknowledgements and Agreements by Applicant. By executing this Agreement, Applicant agrees and acknowledges that:

(a) The Location Fee is not refundable for any reason, and is deemed fully earned in consideration of the administrative and other expenses incurred by the Company in connection with its execution and performance under this Agreement;

(b) Company’s acceptance of the Location Fee does not constitute the grant of any rights for a franchise to operate a Restaurant; and that such rights may only be granted through a Franchise Agreement that has been duly executed by both Company and Applicant and payment by Applicant of the Initial Franchise Fee specified therein;

(c) Applicant acknowledges that there may be existing Restaurants within the Trade Area and Company may have pre-existing contractual obligations which may be one of many potential reasons for Company to refuse to approve a particular Site;

(d) That Company's acceptance of the Trade Area and the Site does not constitute a representation, promise, warranty or guarantee, express or implied, by Company that the Restaurant will be profitable, will generate any level of volume or profits, or will otherwise be successful, and that Applicant is ultimately responsible for the selection, evaluation, development, operation and success of the Restaurant and its Site;

(e) Company has made no representation regarding the financial results which may be attained by Applicant at a Restaurant, and that the location of the Restaurant is only one factor in determining the financial results of the operation, and that such results are also dependent on Applicant's ability to manage and operate the Restaurant;

(f) Company has not made any representations or promises concerning the grant of a International House of Pancakes franchise to Applicant or any other person or entity, nor has Applicant been induced to take any action as a result of, or in reliance upon, any representations or promises by Company;

(g) Company may refuse to grant to Applicant or any other person or entity a International House of Pancakes franchise for any reason, within its sole discretion;

(h) During the Term, Company is in no manner restricted from (i) establishing or licensing any other to establish a Restaurant at a Non-Traditional Venue in the Trade Area or; (ii) considering or granting any other person or entity an International House of Pancakes franchise outside of the Trade Area; or (iii) subject to Section 1.1, considering or granting any other person or entity an International House of Pancakes franchise within the Trade Area; or (iv) conducting whatever franchise sales activities it deems appropriate within the Trade Area; or (v) to produce, franchise, license, distribute and market products (whether or not under the IHOP trademark), including pre-packaged food, snacks and beverage products, books, clothing, souvenirs and novelty items, or at or through any and all Alternative Distribution Channels (regardless of its proximity to the Specific Location (as defined in Section 1.1)). Alternative Distribution Channels means and includes any site, venue or location, including grocery stores, supermarkets and convenience stores (including those which may be located within the Trade Area) whether wholesale or retail, and including, without limitation, mail order catalogs, direct mail advertising, Internet marketing or other distribution methods;

(i) Applicant has conducted an independent investigation of the business venture contemplated by this Agreement and the Franchise Agreement and

recognizes that the success of this business venture involves substantial business risks and will largely depend upon the ability of Applicant;

(j) Applicant has received, read and understands this Agreement, the Franchise Agreement and related Attachments and agreements and that Company has afforded Applicant sufficient time and opportunity to consult with advisors selected by Applicant about the potential benefits and risks of entering into this Agreement;

(k) Applicant received a complete copy of this Agreement and all related attachments and agreements at least 5 business days prior to the date on which this Agreement was executed. Applicant further acknowledges that it has received Company's Franchise Disclosure Document at least 14 calendar days prior to the date on which this Agreement was executed;

(l) Applicant represents that any and all information provided by Applicant in its franchise application, financial statements, or otherwise is true, correct and complete in all respects; and

(m) Applicant shall not sign a lease, purchase agreement or other binding agreement for the Site until such time as Company has granted its Final Acceptance for the site and delivered to Applicant a Franchise Agreement for the Site, and Applicant has executed the Franchise Agreement for the Site.

6. Confidential Information. In connection with Applicant's ongoing discussions with Company pertaining to the feasibility of Applicant's entering into a Franchise Agreement for the operation of a Restaurant in the Trade Area, Company will disclose to Applicant certain confidential and proprietary information of a non-public nature (the "**Confidential Information**").

6.1 In consideration of such disclosures, Applicant agrees that any and all Confidential Information, whether written or oral, including but not limited to all specifications, plans, data, books, materials, reports or other information developed by Company or its affiliates prior to or during any discussion with Applicant, that is made available to Applicant or that Applicant obtains or to which Applicant has access by any means, shall be held and treated by Applicant, Applicant's agents and employees as a trade secret of Company's and in the strictest confidence. Such Confidential Information shall not be disclosed in whole or in part by Applicant, Applicant's agents or employees in any manner whatsoever or used or reproduced for any purposes other than for purposes directly connected with the discussions and activities described in this Agreement.

6.2 Applicant agrees that all documents and other materials containing Confidential Information shall remain the property of Company at all times and that Applicant shall account for and return to Company all documents, papers, books, records, data, translations and other information provided by Company under this Agreement, within 10 days of the decision by Applicant and/or Company not to proceed further with discussions concerning the operation of a Restaurant as described in this Agreement, or upon Company's written request.

6.3 Applicant agrees not to disclose the foregoing or any term, provision or condition of this Agreement to any third parties or use Company's name or marks in any advertising or other publication until such time as the parties mutually agree.

6.4 The confidentiality provisions of this Agreement shall survive the termination of the Term of this Agreement.

6.5 Applicant will, at Company's request, cause Applicant's spouse and any corporations, partnerships, or other entities and their respective officers, directors, agents, employees, and owners of any direct or indirect interest therein who receive or have access, directly or indirectly, to all or any of the Confidential Information to execute a confidentiality agreement with Company in a form acceptable to Company.

7. No License. Applicant understands and agrees that no right or license is granted to Applicant by Company in or to the name "International House of Pancakes," "IHOP" or any other trademark of Company, the Confidential Information or any documents or data contained therein, derived therefrom, or relating thereto (except as otherwise permitted herein). Further, Applicant agrees that, without limiting any other rights and remedies of Company, upon breach of this Agreement, Company may exercise any and all remedies, including obtaining an injunction to protect its rights under this Agreement. If Company exercises any of its legal or equitable remedies, Applicant will be responsible for any reasonable attorneys' fees or costs incurred by Company.

8. Termination. Company shall have the right to terminate this Agreement, upon the occurrence of any of the following events, which termination shall be effective in the case of the events described in Sections 8.2 through 8.6 upon the giving of such notice, and in the case of the events described in Sections 8.1 and 8.7 shall be effective immediately without notice:

8.1 The failure of Applicant to obtain Company's approval of a proposed Site within 180 days of the Effective Date of this Agreement;

8.2 The failure of Applicant to open the Restaurant by the Opening Date;

8.3 Any default or breach by Applicant of any of the provisions of this Agreement;

8.4 The discovery by Company of any material misrepresentation of any of the information or documentation submitted to Company by or on behalf of Applicant;

8.5 If Applicant is a corporation, partnership, limited liability company or other legal entity which is not an individual, a change in ownership control of such legal entity, or if Applicant is an individual, Applicant's death;

8.6 Any default or breach by Applicant of an individual Franchise Agreement or any other agreement between Company and Applicant (or any of its Affiliates); or

8.7 The commencement of any proceedings by or against Applicant under the bankruptcy laws, under any chapter thereof or amendment thereto, or under any other insolvency

act, whether federal or state; the appointment of a trustee or receiver for the business or property of Applicant; or any assignment by Applicant for the benefit of creditors.

9. Miscellaneous.

9.1 All terms used in any one number or gender shall extend to mean and include any other number and gender as the facts, context, or sense of this Agreement or any article or paragraph hereof may require. As used in this Agreement, the words “include,” “includes” or “including” are used in a non-exclusive sense. Unless otherwise expressly provided herein to the contrary, any consent, approval or authorization of Company which Applicant may be required to obtain hereunder may be given or withheld by Company in its sole discretion, and on any occasion where Company is required or permitted hereunder to make any judgment or determination, including any decision as to whether any condition or circumstance meets Company’s standards or satisfaction, Company may do so in its sole subjective judgment.

9.2 If Applicant consists of more than one person or business entity, or a combination thereof, the obligations and liabilities of each such person or business entity to Company are joint and several. For purposes of this Agreement, “Applicant” means and includes the applicant, individually; the applicant’s spouse, if an Applicant is an individual; and any corporation or other entity on behalf of which the applicant has executed this Agreement and indicated an interest to be considered for the International House of Pancakes franchise, including any corporations, partnerships or other entities and any officers, directors and owners of and direct or indirect interests therein.

9.3 This Agreement shall be deemed executed in California, and this Agreement shall be interpreted in accordance with the laws of the State of California, without giving effect to any conflict of laws. Subject to Section 10 below, the parties agree that any action brought by either party against the other in any court, whether federal or state, will be brought within the State of California. The parties hereby waive any right to demand or have trial by jury in any action relating to this Agreement in which the Company is a party. The parties consent to the exercise of personal jurisdiction over them by such courts and to the propriety of venue of such courts for the purpose of carrying out this provision, and they waive any objection that they would otherwise have to the same.

9.4 Should any party be required to bring legal action to enforce its rights under this Agreement, the prevailing party in such action shall be entitled to recover from the losing party its reasonable attorneys’ fees and costs in addition to any other relief to which it is entitled.

9.5 The failure of any party, at any time, to require timely performance by any other party of any provision of this Agreement shall not affect such party’s rights thereafter to enforce the same, nor shall the waiver by any party of any breach of any provision of this Agreement, whether or not agreed to in writing, be taken or held to be a waiver of the breach of any other provision or a waiver of any subsequent breach of the same provision of this Agreement. No extension of time for the performance of any obligation or act hereunder shall be deemed to be an extension of time for the performance of any other obligation or act hereunder.

9.5.1 Time is of the essence in the performance by Applicant of its obligations under this Agreement, subject only to Applicant's inability to meet a particular deadline solely as the direct result of Force Majeure or by force of law (including but not limited to any legal disability of Company to deliver a Franchise Disclosure Document required by law to be delivered as contemplated by Section 4.13 of this Agreement), which Applicant could not by the exercise of due diligence have avoided, in which case the affected deadline(s) shall be extended by an amount of time equal to the time period during which the Force Majeure shall have existed. In order to obtain such extension upon the occurrence of an event constituting Force Majeure, Applicant must notify Company in writing within 5 days following commencement of the alleged Force Majeure of the specific nature and extent of the Force Majeure, and how it has impacted Applicant's performance hereunder and Applicant must continue to provide Company with updates and all information as may be requested by Company, including Applicant's progress and diligence in responding to and overcoming the Force Majeure. "**Force Majeure**" means acts of God (such as tornadoes, earthquakes, hurricanes, floods, fire or other natural catastrophe); strikes, lockouts or other industrial disturbances; war, riot, terrorist act or other civil disturbances; epidemics; or other forces which Applicant could not by the exercise of due diligence have avoided.

9.6 Company shall have the right to assign this Agreement in whole or in part to any person, firm or entity if the assignee shall expressly assume and agree to perform such obligations of the Company in writing. Applicant acknowledges that Company will delegate some or all of Company's obligations to Applicant under this Agreement to one or more of Company's Affiliates or any other persons or entities, and Applicant hereby irrevocably consents to such delegation. None of the rights or duties of Applicant may be assigned or delegated without the prior written consent of Company.

9.7 No party has made any representations, warranties, covenants or promises relating to the subject matter of this Agreement except as set forth herein, and any prior or contemporaneous agreements or understandings not specifically set forth herein shall be of no force or effect. This Agreement constitutes the entire agreement of the parties relative to the subject matter hereof. Notwithstanding the foregoing, nothing in this Agreement is intended to constitute a waiver by Applicant of its right to rely upon any disclosure contained in the most recent Franchise Disclosure Document delivered by Company to Applicant prior to the execution hereof. This Agreement cannot be modified or changed except by written instrument signed by all of the parties hereto.

9.8 Nothing contained herein shall be construed to restrict the parties from entering into other agreements covering other trade areas or development opportunities.

9.9 In the case of Applicant's death or disability, Applicant's heir(s), personal representative(s) or conservator(s) may elect to cause Company to repurchase Applicant's development rights for the specific location or Trade Area, as applicable, for a payment equal to the Location Fee paid by Applicant. Such election shall be made in writing to Company within 90 days of Applicant's death or disability. Company shall have 30 days within which to pay Applicant's heir(s), personal representative(s) or conservator(s), as applicable, after (a) receipt by Company of appropriate authorization from the probate court or other applicable legal authority, and (b) execution by Applicant's heir(s), personal representative or conservator, as applicable of documentation prepared by Company terminating this Agreement and evidencing the repurchase.

Alternatively, notwithstanding Section 9.6, in the event of the death or disability of Applicant, the heir(s), personal representative(s) or conservator(s), as applicable, may elect to assign this Agreement with Company's prior written consent, which shall not be unreasonably withheld.

9.10 The covenants contained in this Agreement which, by their terms, require performance by the parties after the expiration or termination of this Agreement, shall be enforceable notwithstanding said expiration or other termination of this Agreement for any reason whatsoever.

10. Arbitration.

10.1 Subject to Section 10.2, any controversy or claim arising out of or relating to this Agreement, or any agreement relating thereto, or any breach of this Agreement including any claim that this Agreement or any portion thereof is invalid, illegal or otherwise voidable, shall be submitted to arbitration before and in accordance with the commercial rules of the American Arbitration Association provided that the jurisdiction of the arbitrators shall be limited to a decision rendered pursuant to California common and statutory law and judgment upon the award may be entered in any court having jurisdiction thereof; provided, however, that this clause shall not limit Company's or its Affiliate's right to obtain any provisional remedy, including injunctive relief, or to obtain writs of recovery of possession, or similar relief, from any court of competent jurisdiction, as Company or its Affiliate deems to be necessary or appropriate in Company's or such Affiliate's sole subjective judgment, to compel Applicant to comply, or to prohibit Applicant's non-compliance, with its obligations hereunder. Company or such Affiliate may, as part of such action or proceeding, seek damages, costs and expenses caused to or incurred by it by reason of the act or action or non-action of Applicant which caused Company or such Affiliate to institute such action or proceeding. The institution of any such action or proceeding by Company or its Affiliate shall not be deemed a waiver on its part to institution of an arbitration proceeding pursuant to the provisions of this Section. The situs of arbitration proceedings shall be in Los Angeles, California.

10.2 All arbitration proceedings and claims shall be filed and prosecuted separately and individually in the name of Applicant and Company (and/or its Affiliate), and not in any representative capacity, and shall not be consolidated with claims asserted by or against any other franchisee. The following shall *not* be subject to arbitration: any claim or dispute involving or contesting the validity of any of the Trademarks, any dispute alleging a violation of federal or state securities law, and class action claims. The decision of whether any issue, claim, controversy or dispute is arbitrable shall be made by the arbitrator, who shall have jurisdiction to make such determination. Unless prohibited by law, both Company and Applicant hereby waive the right, if any, to obtain any award for exemplary or punitive damages from the other in any arbitration, or judicial proceeding, or other adjudication, arising out of or with respect to this Agreement, or any breach thereof, including any claim that said Agreement, or any part thereof, is invalid, illegal or otherwise voidable or void. The arbitration and the parties' agreement therefor shall be deemed to be self-executing, and if either party fails to appear at any properly-noticed arbitration proceeding, an award may be entered against such party despite said failure to appear.

Company and Applicant have executed this Agreement as of the date Company executes this Agreement.

any and all other agreements (hereinafter collectively referred to as “Franchise Documents”) pursuant to which the maker of this note occupies and operates an IHOP or International House of Pancakes Restaurant located at _____, _____ (“IHOP #_____”); or (7) any circumstance or condition causing the holder hereof to reasonably consider itself financially insecure with respect to the debt evidenced hereby. Any default on this note shall also, at the holder’s election, be deemed a default in the aforesaid “Franchise Documents.” If the franchisee under such “Franchise Documents” is a corporation, the undersigned hereby agrees that the undersigned, personally as well as such corporation, shall be and is jointly and severally liable hereunder. Additionally, any default under said Franchise Documents shall be deemed a default under the terms and conditions of this promissory note.

In the event that I sell, assign, transfer or convey any or all of my interest in the franchise or Franchise Documents pursuant to which I operate IHOP #_____, then the holder of this note may, at its election, declare this note immediately due and payable without notice.

The failure of the holder of this Promissory Note to exercise its rights hereunder on the happening of one or more of the fore-going events shall not, in the absence of the express consent of the holder of this Promissory Note, constitute a waiver of the rights hereunder of the holder of this Promissory Note at that time or at any subsequent time, nor shall such failure nullify any prior exercise of such rights.

DEVELOPMENT IMPACT ASSISTANCE PROGRAM

EXHIBIT Q

Development Impact Assistance Program

Purpose of Program. The purpose of the Development Impact Assistance Program (the “**Program**”) is to address potential declines in sales which may be due in part to the opening of a new IHOP restaurant(s) near existing IHOP restaurants. The Program was made effective on September 1, 2000, and has been amended from time-to-time.

Definitions.

1. “**Adjacent**” means that the restaurant is located within 1000 feet of an off-ramp or exit from an interstate highway or freeway or directly visible from the interstate highway or freeway.
2. “**Affected Franchisee**” means the franchisee of an Affected Restaurant.
3. “**Affected Restaurant**” means an existing IHOP restaurant:
 - (i) for which the currently effective franchise agreement has been executed prior to April 1, 2013;
 - (ii) which has been in operation for at least 6 months prior to the opening of a “New Restaurant” (as defined below);
 - (iii) which is not located in a Non-Traditional Venue; and
 - (iv) which was not developed under the IHOP Non-Traditional Restaurant Program, or as part of the IHOP Express Test Program.
4. “**Good Standing**” means the full and faithful performance of all obligations under the IHOP franchise agreement and adherence to all franchise system standard operating procedures, as well as maintenance of an A/B status under current operations criteria.
5. “**Interstate Highway or Freeway**” means a highway or other multilane roadway, without intersections, stop signs, stoplights or signals, which has a speed limit of 50 mph or greater.
6. “**New Restaurant**” means an IHOP restaurant opened any time after the opening of the Affected Restaurant which is:
 - (i) located five miles or less (as measured by straight line distance) from an Affected Restaurant; or
 - (ii) located Adjacent to the same interstate highway or freeway as the Affected Restaurant, and within ten minutes driving time of the Affected Restaurant (at the posted speed limit);

Notwithstanding the above, a restaurant shall not be considered a New Restaurant if:

- (i) it is located in a Non-Traditional Venue;
- (ii) it is developed under the IHOP Non-Traditional Restaurant Program or IHOP Express Test Program;

- (iii) it is a delivery-only restaurant;
 - (iv) it is a carry out-only restaurant; or
 - (v) it is a restaurant that is an “Other IHOP Concept” (as defined below).
7. “**Non-Traditional Venue**” means any site, venue or location within another primary business or in conjunction with other businesses or at institutional settings such as schools, colleges and universities, military and other governmental facilities, hospitals, airports, highway rest stops, toll roads, hotels, motels, arenas, travel plazas, office or in-plant food facilities, supermarkets, grocery stores or convenience stores, casinos, stadiums, shopping malls and any other site, venue or location operated by a master concessionaire or contract food service provider.
8. “**Other IHOP Concepts**” means restaurants which: (i) feature self-serve or counter service and not full table service; (ii) have a different or more limited menu than that offered at an IHOP Restaurant, even though that menu may include pancakes and certain other authorized menu items authorized at IHOP Restaurants; and (iii) operate under a principal name and mark different from “IHOP” or “International House of Pancakes” but which may include “IHOP” or “International House of Pancakes” together with an additional prefix or suffix, such as and including “IHOP Express.”

Participation in Program. An Affected Restaurant is entitled to participate in the Program upon the opening of a New Restaurant, provided that under certain circumstances the Affected Franchisee may be disqualified from participating in the Program (see “**Disqualification**” below).

Duration of Financial Assistance. If an Affected Restaurant qualifies to participate in the Program, the Affected Franchisee may receive certain financial support for 12 calendar quarters after the date of opening of a New Restaurant (the “**Financial Assistance Period**”).

Financial Assistance. The amount of financial support to be provided to the Affected Franchisee (the “**Financial Assistance**”) shall be determined by IHOP Franchisor LLC, or its affiliates (the “**Franchisor**”) based on a combination of factors, including but not limited to, a review of the relevant market, information from the Affected Franchisee and the franchisee of the New Restaurant, input from Franchisor’s personnel, and any relevant impact study. The Franchisor’s determination of the Financial Assistance shall be final with no right of appeal or further review. The New Restaurant shall not be approved for development unless the franchisee of the New Restaurant agrees to reimburse the Franchisor for the Financial Assistance to be provided to the Affected Franchisee.

Affected Franchisee’s Financial Assistance Election. If the franchisee of the New Restaurant agrees to reimburse the Franchisor for the Financial Assistance, the Franchisor will inform the Affected Franchisee in writing. The Affected Franchisee may accept the offer of the Financial Assistance by executing the documents provided by the Franchisor indicating the Affected Franchisee’s agreement with the terms and conditions of the offer (the “**Acceptance Agreement**”). If the Affected Franchisee does not execute and return the Acceptance Agreement in the time permitted, the Affected Franchisee will be deemed to have waived participation in the Program, the offer of the Financial Assistance will expire, and the New Restaurant shall be developed with no Financial Assistance being paid to the

Affected Franchisee.

General Account Credit. At the close of each full calendar quarter for the 12 consecutive quarters following the opening of the New Restaurant, the Affected Franchisee will be entitled to receive a credit against the Affected Restaurant's general account balance equal to a portion of the Financial Assistance. Fifty percent (50%) of the Financial Assistance will be credited in equal amounts for quarters 1 through 4. Thirty percent (30%) of the Financial Assistance will be credited in equal amounts for quarters 5 through 8. Twenty percent (20%) of the Financial Assistance will be credited in equal amounts for quarters 9 through 12. If an Affected Franchisee is ineligible to receive Financial Assistance for any calendar quarter during the Financial Assistance Period, the Affected Franchisee will forfeit that portion of the Financial Assistance that would have been credited for that quarter with no right to recover the forfeit amounts if the Affected Franchisee subsequently becomes eligible for Financial Assistance as provided below.

Payment of Financial Assistance Amount by Franchisee of New Restaurant. At the close of each full calendar quarter following the opening of the New Restaurant, the general account balance of the New Restaurant will be charged an amount equal to the Financial Assistance credited to the Affected Franchisee's general account. If the Affected Franchisee is not eligible to receive any portion of the Financial Assistance for any calendar quarter during the Financial Assistance Period, the general account of the New Restaurant will not be charged for such portion of the Financial Assistance.

Disqualification.

1. If the Affected Franchisee is not in Good Standing as a result of a failure to be in full compliance with the terms of the franchise agreement for the Affected Restaurant at any time during the Financial Assistance Period, the franchisee of the New Restaurant will not be obligated to pay the Financial Assistance for the quarter during which Affected Franchisee was not in Good Standing.
2. If an Affected Franchisee is otherwise eligible to receive payments under this policy, but fails to satisfy any operations criteria required under the franchise agreement, the Affected Franchisee will forfeit all future Financial Assistance that would have otherwise been paid under the Program.
3. If at any time during a Financial Assistance Period, the Affected Franchisee has a quarterly food cost as a percentage of sales that is 2% higher than their "Regional and Sales Segment Group" designated by IHOP and set forth in the quarterly Rolling 12 Months Profits by Net Sales Segmentation report, or other report as designated by IHOP (the "**Disqualification Event**"), the franchisee of the New Restaurant will not be obligated to pay the Financial Assistance for the calendar quarter immediately following the Disqualification Event. If an Affected Franchisee has not submitted quarterly Profit and Loss Statements to IHOP for any trailing 12 month period prior to commencement of a Financial Assistance Period

then IHOP will determine on a case-by-case basis whether the Affected Franchisee is eligible to receive Financial Assistance.

4. Franchisor reserves the right to terminate future payments to a franchisee who defaults under any other term of its franchise agreement.
5. Once a decision regarding the amount of the Financial Assistance has been issued by the Franchisor, the franchisee of the New Restaurant shall not be entitled to any refund of the Financial Assistance reimbursements paid to the Franchisor and the Affected Franchisee shall not be permitted to make additional requests regarding the amount of the Financial Assistance.
6. If the New Restaurant was developed by the Affected Franchisee under the former IHOP Franchise Investor Program or Conversion Program, or under the current Multi-Store Development Program or Single Store Development Program.
7. If the Affected Franchisee does not fully cooperate with Franchisor in its efforts to determine whether Financial Assistance may be appropriate under the circumstances, and the appropriate amount of Financial Assistance, if any, under the circumstances, including without limitation by cooperating in the performance of a PIN study, then the Affected Franchisee shall be disqualified from participation in the Program.

If for the reasons listed above, the Franchisor disqualifies a franchisee from participation in the Program, the Franchisor shall immediately notify the disqualified franchisee of the reasons for the disqualification. The franchisee shall then have the right to request a meeting with an authorized IHOP representative to discuss the reasons for the decision and request a reversal of the disqualification.

THIS POLICY IS EXTENDED UNILATERALLY BY THE FRANCHISOR TO ITS FRANCHISEES, AS IT MAY BE IN EFFECT FROM TIME TO TIME. IT DOES NOT GRANT FRANCHISEES A CONTRACTUAL RIGHT OR ENTITLEMENT OF ANY KIND AND DOES NOT AMEND OR REVISE ANY FRANCHISE AGREEMENT. THIS POLICY IS SUBJECT TO ELIMINATION, REVISION OR WITHDRAWAL BY THE FRANCHISOR IN ITS SOLE AND ABSOLUTE DISCRETION, AT ANY TIME WITH OR WITHOUT NOTICE.

ADDENDUM TO LEASE

THIS ADDENDUM TO LEASE (the "Addendum") forms a part of that certain Lease dated _____, 20__, by and between _____, as Lessor, and _____, as Lessee, demising those certain premises located at _____.

RECITALS:

WHEREAS, Lessor and Lessee acknowledge that the anticipated use of the Demised Premises is the conduct of an International House of Pancakes or IHOP Restaurant thereon, pursuant to the terms of a certain Franchise Agreement (the "Franchise Agreement") to be entered into between IHOP Franchisor LLC, a Delaware limited liability company, or its affiliates, successors or assigns ("IHOP"), as Franchisor, and Lessee, as Franchisee, and that by reason of such use certain benefits will inure to Lessor and Lessee; and

WHEREAS, Lessor and Lessee further acknowledge that in the event the Lease or Franchise Agreement, or both, are terminated by reason of the default of Lessee and the business of an International House of Pancakes or IHOP Restaurant upon the Demised Premises ceases or is otherwise interrupted, certain damages to IHOP (or its Affiliates) and/or its servicemarks will result; therefore, IHOP has required, as a condition to the Franchise Agreement, that Lessor and Lessee enter into this Addendum for the purpose of granting certain succession rights to IHOP in the event of a default by Lessee under the Lease or in the event of a termination of the Franchise Agreement, or both, so that the business of an International House of Pancakes or IHOP Restaurant, at IHOP's election, may continue to be conducted upon the Demised Premises, as hereinafter provided.

NOW, THEREFORE, in consideration of the above premises and as an inducement to IHOP to enter into the Franchise Agreement with Lessee, the parties hereto hereby agree as follows:

Notwithstanding anything contained in the Lease to the contrary:

A. In the event Lessor shall declare a default under the Lease due to Lessee's failure to perform any obligation of Lessee under the terms of the Lease, and in the event Lessee shall fail to cure such default within the period provided in the Lease or at law for such cure, before Lessor shall take any action to terminate the Lease or Lessee's right to possession of the Demised Premises, Lessor shall give written notice to IHOP Franchisor LLC at 10 W. Walnut St., 5th Floor, Attn: Legal Dept., Pasadena, California 91103, of its intention to so terminate the Lease or Lessee's right to possession of the Demised Premises, whereupon IHOP shall have a period of 10 days after its receipt of said notice to notify Lessor in writing that IHOP has elected to cure such default and to succeed to Lessee's rights under the Lease. IHOP's right to so succeed to Lessee's interest under the Lease shall be conditioned upon IHOP tendering to Lessor an amount sufficient to cure any monetary defaults of Lessee then existing under the Lease, within 10 days after the date of IHOP's giving of such notice, and curing any nonmonetary defaults within a reasonable period of time after IHOP shall obtain possession of the Demised Premises. Notwithstanding the foregoing, in the event Lessee has obtained a leasehold mortgage, so long as Lessee's Mortgagee has

any cure rights with regards to the Lease, IHOP's notice and cure period described in this Addendum shall not commence until the expiration of the rights of Lessee's Mortgagee under the Lease.

B. If for any reason the Lease is terminated before IHOP shall have the right to exercise its election to succeed to Lessee's interest under the Lease, as contemplated above, Lessor shall promptly notify IHOP in writing of such termination, and, provided IHOP notifies Lessor in writing of its desire to obtain possession of the Demised Premises within 10 days after the date that IHOP shall receive written notice from Lessor that said Lease has been terminated, then Lessor shall enter into a new lease with IHOP for the remainder of the term and any option terms that would have been available under the Lease, but for such termination, within 10 days after the date that IHOP shall give such notice, provided IHOP pays Lessor an amount sufficient to cure any monetary defaults of Lessee then existing under the Lease and within a reasonable period of time after IHOP obtains possession of the Demised Premises, cures any nonmonetary defaults under the Lease.

C. In the event of the termination of the Franchise Agreement as a result of Lessee's breach thereof, IHOP shall also have the right to succeed to the interest of Lessee under the Lease by giving written notice to Lessor of its election to so succeed to Lessee's interest under the Lease, within 10 days after the date of the termination of the Franchise Agreement.

D. In the event IHOP elects to succeed to Lessee's interest under the Lease pursuant to paragraphs A, B or C above, IHOP shall attorn to Lessor and shall assume all of the obligations thereafter to be performed by Lessee under the Lease, including all amendments, addenda and supplements thereto.

E. In the event IHOP elects to succeed to Lessee's interest under the Lease pursuant to paragraphs A, B or C above, IHOP shall have the unqualified right to sublease the Demised Premises to a franchisee or prospective franchisee of IHOP meeting IHOP's minimum standard qualifications, without the written consent of Lessor, and in so doing IHOP shall have no obligation to pay to Lessor any consideration or portion thereof derived by IHOP in connection therewith.

F. Upon default by Lessee of the terms of its Franchise Agreement with IHOP, and where such default extends beyond all applicable cure periods in the Franchise Agreement, Lessor hereby grants IHOP, or its assignee, the right to enter the Premises to make any modifications necessary to protect the proprietary trademarks, trade dress and other intellectual property owned by IHOP and relating to the operation of an IHOP or International House of Pancakes Restaurant, without being deemed guilty of trespass or any other tort, to make such modifications reasonably necessary at the reasonable expense of Lessee, which expense Lessee shall pay to IHOP pursuant to the Franchise Agreement.

G. Upon the expiration or earlier termination of the Lease for any reason, Lessee shall, upon written demand of IHOP, remove all IHOP trademarks and elements of trade dress from all buildings, signs, fixtures and furnishings, and make reasonable alterations to and paint those portions of buildings and other improvements maintained pursuant to the Lease a neutral color to the extent necessary to protect the trade dress of the IHOP system. In addition to and without limiting the generality of the foregoing, Lessee shall make any other

changes which IHOP requests in order to protect the proprietary trademarks and trade dress of the IHOP system.

H. If Lessee shall fail to make or cause to be made any such removal, alteration or repainting within 30 days after written notice, Lessor shall use commercially reasonable efforts to give IHOP written notice of such failure. IHOP shall have the right to enter upon the Premises, upon at least 48 hours advance notice to Lessor, without being deemed guilty of trespass or any other tort, and make or cause to be made such removal, alterations and repainting at the reasonable expense of Lessee, for the purposes described in G. above, which expense Lessee shall pay to IHOP pursuant to the Franchise Agreement.

A true and correct photocopy of the Master Lease, as "Exhibit A" has been separately provided to Lessee, the receipt of which is hereby acknowledged. Lessee agrees (i) to be bound by all of the provisions of the Master Lease, except to the extent those provisions have been expressly modified herein, (ii) that all of the obligations and all sums required to be paid as provided in the Master Lease which are the obligations of the Lessee thereunder shall be the obligations of Lessee, except to the extent those obligations have been expressly modified herein, and (iii) that all such obligations run from Lessee to Lessor as well as to Lessor. Anything contained in this Lease to the contrary notwithstanding, Lessee's duties and obligations hereunder shall not be less than that of the Lessee under the Master Lease, except for the rental rate which shall be as stated in the Lease.

1.2 Demised Premises. For and in consideration of the rents, insurance and other charges and expenses to be paid by Lessee, and in consideration of the performance by Lessee of the covenants set forth herein, Lessor does hereby demise and Lease to Lessee that certain real property described herein as the Demised Premises, together with all existing equipment, [if Sublease include "subject to and incorporating herein the terms, conditions and covenants of the Master Lease"].

1.3 Condition of Demised Premises. Lessor makes no warranties or representations of any kind concerning the Demised Premises or the existing equipment. Lessee acknowledges that Lessee has had an opportunity to inspect the Demised Premises and existing equipment and accepts the same "AS IS" in their present condition without any warranty of Lessor whatsoever, express or implied. Notwithstanding the foregoing, Lessee shall have until _____, to complete all inspections regarding the Demised Premises ("Inspection Completion Date"). Only after obtaining the written approval of the Master Lease Lessor shall Subtenant be authorized to make structural improvements to the Demised Premises or raze the current building and re-build its prototype structure.

1.4 Term. The term of this Lease shall be _____ years, commencing _____, 20__ (the "Commencement Date"). Notwithstanding anything in this Lease to the contrary, the term of this Lease shall not extend beyond _____, 20__.

ARTICLE 2 – RENT

2.1 Monthly Rent. Lessee agrees to pay Lessor during the Term, in advance on the first day of each calendar month, at the address set forth above or such other address as Lessor may specify in writing from time to time, a minimum base rent ("Minimum Monthly Rent") as set forth in the table below.

Excluding the Security Deposit in the amount of \$_____, which shall accompany the executed Lease, the date on which Minimum Monthly Rent first becomes payable (the "Rent Start Date") shall be 90 days following the Inspection Completion Date or the date upon which Subtenant receives permits to commence construction, whichever is earlier.

Lease Year	Monthly Rent	Annual Rent
Lease Years 1 – 5	\$	\$
Lease Years 6 – 10	\$	\$
Lease Years 11 – 15	\$	\$
Lease Years 16 – 20	\$	\$
Lease Years 21 – 25	\$	\$
Lease Years 26 – 30	\$	\$

If the Rent Start Date is other than the first day of a calendar month, the Minimum Monthly Rent for that month shall be prorated based upon a 30 day month and the actual number of days from the Rent Start Date to the end of that calendar month. The term "Lease Year" as used herein shall mean each consecutive 12 month period from and after the Commencement Date until the expiration of the Term; provided, however, if the Rent Start Date falls on a day other than the first day of a calendar month, then the first Lease Year shall be longer than one calendar year and shall end on the last day of the 12th full calendar month after the Commencement Date. Each subsequent Lease Year shall end on the last day of that same calendar month.

Minimum Monthly Rent to be received by Lessor shall be a net rental to Lessor and not subject to any deductions whatsoever arising from the use and/or occupancy of the Demised Premises by Lessee.

2.2 Late Charge. If Lessee fails to pay any installment of Minimum Monthly Rent, additional rent, or any other charge that Lessee is obligated to pay Lessor hereunder within 5 days after the same is due and payable, then, and without limiting Lessor in the exercise of any other right or remedy of Lessor hereunder with respect to such failure, a late charge equal

to 5% of the amount of the late payment shall accrue to compensate Lessor for any inconvenience or damage resulting from the late payment. If a late charge has accrued with regard to a particular payment, such late charge shall be due and payable within 5 days after Lessee's receipt of Lessor's written demand therefor; provided, however, such late charge shall not be imposed more than once for any particular late payment and shall not be applicable to any payment which becomes due on or after the date on which Lessor elects to pursue any remedy set forth in Article 10 below; and provided further that Lessor's demand for payment of such late charge shall be made, if at all, within 180 days after the date on which the payment which is the subject of the late charge was originally due and payable. Notwithstanding the foregoing to the contrary, Lessor expressly agrees that in the first instance of Lessee's failure to pay any installment of Minimum Monthly Rent, additional rent, or any other charge that Lessee is obligated to pay Lessor hereunder occurring in any consecutive 12 month period during the Term, the late charge set forth in this Section 2.2 shall become due and payable if Lessee fails to make the subject payment within 5 days after the date said payment is due.

2.3 Security Deposit. Upon execution of this Lease, Lessee shall provide to Lessor a security deposit in the amount of \$_____ in guaranteed funds as security for Lessee's full and faithful performance of its obligations under this Lease.

ARTICLE 3 - TAXES; UTILITIES

3.1 Real Property Taxes and Assessments. Lessee shall pay all real property taxes and assessments, or installments thereof, which are levied or assessed against the Demised Premises and become due during the Term. The amount of such taxes shall be additional rent hereunder. If Lessee fails to pay any real property taxes or assessments as provided, Lessor may, at its option pay the tax or assessment and Lessee shall immediately reimburse Lessor therefor.

3.2 Utilities Expenses. Lessee shall make all arrangements for obtaining, and during the Term shall pay for, all utilities and services furnished to or to be used on the Demised Premises, including, without limitation, electricity, water, gas, sewer, telephone service and trash collection, and for all service commencement charges and meter reading fees. Such charges and expenses shall be paid directly to the utility companies or other entities to which such charges and fees are payable.

3.3 Personal Property Taxes. During the Term, Lessee shall pay all personal property taxes levied upon the personal property installed in or placed on the Demised Premises by Lessee.

3.4 Proration. All of the real property taxes or assessments, costs, expenses and charges referred to in Articles 4 and 5, except personal property taxes and utility or other charges attributable solely to the operation of the business on the Demised Premises, shall be prorated between the parties as of the date Lessee accepts delivery of the Demised Premises, and for the last year of the Term, as of the expiration or termination date.

3.5 Contest. Lessee may, in its name and at its expense, contest any tax or levy in any manner permitted by law; provided, however, whenever necessary, Lessee may pursue any such contest in Lessor's name, and Lessor agrees to cooperate with Lessee and execute any

documents or pleadings reasonably required for such purpose; provided, however, that Lessor shall not be required to incur any costs in connection therewith. Such contest may include appeals from any judgments, decrees, or orders until a final determination is made by a court or governmental department or authority having final jurisdiction in the matter. Before commencing any such contest, Lessee shall obtain a bond sufficient to cover the amount of the imposition or levy which would be due if the decision were adverse to Lessee.

ARTICLE 4 - REPAIR AND MAINTENANCE OF THE IMPROVEMENTS

4.1 Repairs and Maintenance. Except as expressly provided in this Lease, during the Term Lessee will, at its sole expense, make all necessary repairs to the building and keep the Demised Premises and improvements in good condition and repair at its own cost and expense, including without limitation, the interior of the building, windows and other glass, and all of the exterior of the Demised Premises, including without limitation, the roof and exterior walls, the parking area and exterior lighting, all signs, landscaping and exterior doors, in good condition and state of repair at all times during the term of this Lease. Should the Master Lease provide for maintenance of any or all of the Demised Premises, common areas and/or the parking area by the Lessor (which maintenance may include, but need not be limited to, snow removal, lighting, insurance and other facilities) at Lessor's cost, Lessee shall pay, as additional rental, the amounts therein set forth.

Furthermore, all of the obligations and all sums required to be paid as provided in Article IV of the Master Lease which are the obligations of the Lessee thereunder shall be the obligation of the Lessee.

If at any time during the Term hereof it shall be required by any governmental agency as a condition to doing business on the Demised Premises that certain improvements be made or fixtures or equipment be furnished or replaced according to plans and specifications prescribed by such agency, Lessee shall bear the cost of making the improvements and/or furnishing or replacing such equipment for his/her sole account and without reimbursement from Lessor.

Lessor, Lessor, and their respective agents may at any time enter and inspect the Demised Premises to determine the manner in which they are being used, maintained and repaired.

Upon expiration of the Term hereof pursuant to the provisions of this Lease, Lessee shall promptly return the Demised Premises to Lessor in as good condition and repair, exposure to the elements, casualty, condemnation, acts of God and reasonable wear and tear excepted. The determination of "good condition and repair" shall take into account the age of the building and components thereof at the time of delivery to Lessor and "wear and tear".

Should the Lessee at any time during the Term hereof fail to so maintain or repair the Demised Premises as required by the Lessor, or should Lessee fail to pay any real or personal property tax or other cost pursuant to Article 4 hereof, Lessor may, at its sole option, pay same and charge such expenses to the Lessee's account. In the event of such disbursement by the Lessor, Lessee must reimburse Lessor therefor within 10 days after having been notified in writing of the nature and amount of such expenditure.

4.2 Alterations. Lessee shall have the right, at any time and from time to time during the Term, to make non-structural changes or alterations to the Demised Premises provided however the cost shall not exceed \$10,000.00. Before making non-structural changes or alterations costing in excess of \$10,000.00, or any structural changes or alterations, Lessee shall give Lessor at least 30 days prior written notice to enable Lessor and the Lessor to post notices of non-responsibility, and Lessee shall permit Lessor and the Lessor or their respective authorized representatives to enter upon the Demised Premises during normal business hours for the purpose of posting such notices. Lessee shall comply with all laws, ordinances, codes, orders and regulations affecting the construction, use, occupancy, alteration, cleanliness, safety and operation of the Demised Premises, which are in force now or later. Lessor and Lessee acknowledge that, in accordance with the provisions of the Americans with Disabilities Act of 1990, as amended (the ADA), responsibility for compliance with the terms and conditions of Title III of the ADA and the accessibility standards may be allocated as between Lessor and Lessee. Notwithstanding anything to the contrary contained in the Lease, Lessor and Lessee agree that the responsibility for compliance with the ADA shall be allocated as follows: (i) Lessee shall be responsible for compliance with the provisions of the ADA for any and all alterations within the Leased Premises [i.e. the portion of the property for which Lessee is responsible if Lessee constructs such alterations, without the assistance of Lessor, regardless of whether Lessor consents to such alterations]; and (ii) Lessor shall be responsible for compliance with the provisions of the ADA for the property exterior of the Building and within the common areas, unless such compliance is required as a result of Lessee's work, in which event Lessee shall be responsible for such compliance. Notwithstanding the foregoing, Lessee shall not be responsible for any ADA compliance resulting in whole or in part from alterations installed by Lessor in the Building.

ARTICLE 5 - LIENS

If, at any time during the Term, the Demised Premises become subject to a lien for labor or materials furnished to Lessee in the construction of the building or repair of the improvements, within 20 days after Lessee's receipt of written notice informing Lessee of the recording of such lien, Lessee shall cause the lien to be bonded or discharged, and shall otherwise save Lessor harmless on account thereof; provided, however, that if Lessee desires in good faith to contest the validity or correctness of any such lien it may do so, and Lessor shall cooperate to whatever extent may be necessary, provided only that Lessee shall indemnify Lessor and Lessor against any costs, loss, liability or damage on account thereof.

ARTICLE 6 - USE OF DEMISED PREMISES

The Demised Premises shall be used for the purpose of conducting thereon the business of a prototypical IHOP restaurant or for any lawful purpose not in contravention of the Master Lease, applicable zoning laws or private covenants or restriction. Any use other than what is contemplated by this paragraph shall require Lessor approval. The Demised Premises shall not be used in such manner as to knowingly violate any applicable law, rule,

ordinance or regulation of any governmental body.

Any policy proceeds relating to the Premises from such insurance shall be paid to Lessor and such proceeds shall be used for the repair, construction and restoration or replacement of the property damaged or destroyed unless this Lease shall cease and terminate under the provisions of Section 17 of this Lease.

(iii) Workers' Compensation and Employer's Liability insurance affording statutory coverage and containing statutory limits with the Employer's Liability portion thereof to have minimum limits of \$500,000.00.

(iv) Any other form or forms of insurance or any changes or endorsements to the insurance required herein as Lessor, or any mortgagees or lessors of Lessor may reasonably require, from time to time, provided such forms of insurance, changes or endorsements are reasonably necessitated by Lessee's particular use of the Premises or reasonable business practices.

(b) Insurance Policy Requirement. All policies of the insurance provided for in this Section 16 shall be issued in form reasonably acceptable to Lessor by insurance companies with a rating and financial size of not less than A-VII in the most current available "Best's Insurance Reports", and licensed to do business in the state in which the Premises is located. Each and every such policy:

(i) shall name Lessor as an additional insured (as well as any mortgagee of Lessor of which Lessee has received written notice and any other party reasonably designated by Lessor to Lessee in writing) and the coverage in (ii), (iii) and (iv) shall also name Lessor as loss payee.

(ii) shall (and a certificate thereof shall be delivered to Lessor at or prior to the execution of the Lease) be delivered to each of Lessor and any such other parties in interest within 30 days after delivery of possession of the Premises to Lessee and thereafter within 30 days prior to the expiration of each such policy, and, as often as any such policy shall expire or terminate. Renewal or additional policies shall be procured and maintained by Lessee in like manner and to like extent;

(iii) shall be endorsed to contain a provision that the insurer will give to Lessor, and any ground lessor or Holder (as hereinafter defined) of which Lessee has received written notice at least 30 days' notice in writing in advance of any material change, cancellation, termination or lapse, or the effective date of any reduction in the amounts of insurance; and

(iv) shall be written as a primary policy which does not contribute to and is not in excess of coverage which Lessor may carry.

7.2 Exculpation of Lessor and Lessor. It is expressly understood and agreed by and between Lessor and Lessee that Lessor shall have no liability for damage or injury to any person or property in, on, or about the Demised Premises caused by or resulting from electricity, gas, rain, ice, snow, or leakage or flow of water from or into any part of the improvements, or from any other cause or occurrence, unless such damage or injury is caused by or results from the willful act or omission of Lessor or its agents, employees, representatives, or contractors. In addition, Lessee agrees that Lessor, as the fee owner of the Demised Premises shall have no liability for damage or injury to any person or property in, on, or about the Demised Premises caused by or resulting from electricity, gas, rain, ice, snow, or leakage or flow of water from or into any part of the improvements, or from any other cause or occurrence, unless such damage or injury is caused by or results from the willful act or omission of Lessor or its agents, employees, representatives, or contractors.

7.3 Lessee's Indemnification. During the Term, Lessee agrees to protect, defend (with counsel reasonably satisfactory to Lessor), indemnify and save Lessor harmless from and against all claims, costs, expenses and liability arising from (a) Sublessee's possession, use, control or management of the Demised Premises, (b) any condition upon the Demised Premises resulting from a breach or default in the performance of any covenant or agreement on Lessee's part to be performed hereunder, (c) the willful act or omission or negligence of Lessee or its employees, agents, licensees, or contractors, or (d) injury or damage to persons or property in or on the Demised Premises; provided, however, that if it is shown that a willful act or omission or some negligence of Lessor or its agents, employees, licensees or contractors, or a breach or default by Lessor hereunder, contributed to any loss, then this indemnity shall apply only to a percentage of the claims, costs, expenses or liabilities relating to the loss, which percentage shall be determined by subtracting from 100% the percentage of the loss shown to be contributed by the willful or negligent acts or omissions of Lessor or its agents, employees, licensees or contractors of by a breach or default by Lessor hereunder.

ARTICLE 8 - BANKRUPTCY

If at any time during the Term hereof proceedings in bankruptcy, insolvency or other similar proceedings be instituted by or against Lessee, whether or not such proceedings result in an adjudication against Lessee, or should a receiver of the business or assets of Lessee be appointed, such proceedings or adjudication shall not affect the validity of this Lease so long as Minimum Monthly Rent and additional rent reserved hereunder continues to be paid to Lessor and the other terms, covenants and conditions of this Lease on the part of the Lessee to be performed, are performed, and in such event this Lease shall continue to remain in full force and effect in accordance with the terms herein contained.

ARTICLE 9 - ASSIGNMENT; SUBLETTING

9.1 Assignment. Lessee may not assign this Lease, in whole or in part, without obtaining the prior written consent of Lessor, provided, however, that Lessee may assign this Lease, in whole or in part, without such consent: (a) as security or otherwise to a national or state chartered bank or other financial institution, (b) to a corporation controlled by, controlling, or under common control, Lessee, (c) to any surviving corporation resulting from a merger or consolidation of Lessee with any other corporation, or (d) to any corporation which purchases or otherwise acquires all or substantially all of the assets of Lessee. No such assignment shall relieve Lessee from its obligations hereunder. Consent to any assignment for which Lessor's consent is required shall not be deemed consent to any subsequent assignment.

9.2 Subletting. Lessee may not sublet the Demised Premises, without Lessor's prior written consent.

ARTICLE 10 - DEFAULT

10.1 Lessor's Remedies. In the event of a default by Lessee in the payment of any sum due and payable to Lessor hereunder, if the default is not cured within 15 days after Lessee's receipt of written notice thereof from Lessor, or, in the event of a non-monetary default, if the default is not cured within 30 days after Lessee's receipt of written notice thereof, or, if the default cannot reasonably be cured within such 30 day period, if Lessee does not commence to cure the default within such 30 day period, or does not thereafter continue its efforts with due diligence, then, at Lessor's option, and without limiting Lessor in the exercise of any other rights or remedies which Lessor may have at law or in equity by reason of such breach, with or without notice or demand, Lessor may:

(A) Without terminating this Lease, reenter the Demised Premises with or without process of law and take possession of the same and expel or remove Lessee and all other parties occupying the Demised Premises, and at any time and from time to time relet the Demised Premises or any part thereof for the account of Lessee, for such term, upon such conditions and at such rental as Lessor may deem proper. In such event, Lessor may receive and collect the rent from such reletting and shall apply it against any amounts due from Lessee hereunder, including, without limitation, such expenses as Lessor may have incurred in recovering possession of the Demised Premises, placing the same in good order and condition, altering or repairing the same for reletting, and all other expenses, commission and charges, including attorneys' fees, which Lessor may have paid or incurred in connection with such repossession and reletting. Lessor may execute any Lease made pursuant hereto in

Lessor's name or in the name of Lessee, as Lessor may see fit, and the lessee thereunder shall be under no obligation to see to the application by Lessor of any rent collected by Lessor, nor shall Lessee have any right to collect any rent thereunder. Whether or not the Demised Premises are relet, Lessee shall pay to Lessor all amounts required to be paid by Lessee up to the date of Lessor's reentry, and thereafter Lessee shall pay to Lessor, until the end of the Term, the amount of all rent and other charges required to be paid by Lessee hereunder, less the proceeds of such reletting as provided above. Such payments by Lessee shall be due at such times as are provided elsewhere in this Lease, and Lessor need not wait until the termination of this Lease to recover them by legal action or otherwise. Lessor shall not be deemed to have terminated this Lease or the liability of Lessee for the total rent hereunder by any reentry or other act, unless Lessor shall give Lessee written notice of Lessor's election to terminate this Lease.

(B) Terminate this Lease by giving written notice to Lessee of Lessor's election to so terminate, reenter the Demised Premises with or without process of law and take possession of the same, and expel or remove Lessee and all other parties occupying the Demised Premises. In such event, Lessor shall thereupon be entitled to recover from Lessee:

(1) The worth at the time of award of any unpaid rent which had been earned at the time of such termination; plus

(2) The worth at the time of award of the amount by which (a) the unpaid rent which would have been earned after termination until the time of award exceeds (b) the amount of such rental loss Lessee proves could have been reasonably avoided; plus

(3) The worth at the time of award of the amount by which (a) the unpaid rent for the balance of the Term after the time of award, exceeds (b) the amount of such rental loss that Lessee proves could be reasonably avoided; plus

(4) Any other amount reasonably necessary to compensate Lessor for all detriment proximately caused by Lessee's failure to perform its obligations under this Lease or which, in the ordinary course of things, would be likely to result therefrom.

As used in Subsections (i) and (ii) above, the "worth at the time of award" is computed by allowing interest at the rate of 10% per annum. As used in Subsection (iii) above, the "worth at the time of award" is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award, plus 1%.

10.2 Limitation on Recourse Against Lessor. In the event of a default or breach by Lessor in the performance of any of Lessor's obligations hereunder or a violation by Lessor of any of the provisions of this Lease, Lessor's liability therefor shall be limited to Lessor's estate in the Demised Premises and the rents, issues and profits therefrom. Lessor shall not be in default hereunder if curative action is commenced within 30 days after the Lessee delivers written notice of default to Lessor and thereafter Lessor diligently pursues until cured within 60 days.

ARTICLE 11 - PROPERTY INSURANCE

11.1 Lessee to Obtain "All Risk" Insurance. Lessee shall, at its cost and expense, obtain and maintain so-called "All Risk" property insurance with a code upgrade endorsement, with an insurance company authorized or admitted to do business in the State of _____, and rated A-/VII or better by the A.M. Best Company, for the mutual benefit of Lessee, Lessor, and Lessor, covering the improvements in an amount equal to 100% of the full replacement cost thereof, excluding building foundations and excavation costs. As often as any such policy expires or terminates, a renewal or replacement policy providing similar coverage shall be obtained by Lessee. In the event of fire or other casualty, proceeds of any such policy shall be payable to Lessee and Lessor, as their respective interests may appear, in accordance with the terms of Article 13 below. Lessee shall provide Lessor with a certificate of the company issuing the policy, certifying that the same is in full force and effect.

11.2 Lessee to Obtain "Business Interruption" Insurance. Notwithstanding the damage or destruction of the Demised Premises, rent and taxes payable hereunder shall not abate, although the Demised Premises are closed for restoration. In order to assure the payment of the rent and taxes hereunder, Lessee hereby covenants and agrees to obtain business interruption insurance coverage, naming Lessor as a coinsured, that shall include an increment sufficient to cover the rent and taxes payable hereunder for at least 12 months, Lessee hereby further covenanting and agreeing to assign to Lessor the proceeds of any proof of loss under such business interruption policy to the extent of the rent and taxes payable hereunder for the period of the loss, together with any and all arrearages hereunder at any time.

ARTICLE 12 - DAMAGE AND DESTRUCTION

12.1 No Abatement of Rent. Notwithstanding any statute or rule of law of the state in which the Demised Premises are located to the contrary, in the event of any damage to or destruction of the improvements or any part thereof by fire or other casualty, this Lease shall continue in full force and effect.

12.2 Restoration of Improvements. If the improvements and equipment on the Demised Premises or any part thereof are damaged or destroyed, Lessee shall diligently proceed to repair, restore, and replace the improvements and shall have available to it all proceeds from the property insurance maintained by Lessee pursuant to Article 11 above. Lessee shall as promptly as possible, cause the repair, restoration, or replacement of the Demised Premises to substantially the same condition that they were in before their damage or destruction.

ARTICLE 13 - CONDEMNATION

12.1 Complete Taking. In the event that the whole Demised Premises shall be taken during the term of this Lease for any public or quasi-public use under any governmental law, ordinance, regulation or by right of eminent domain, or shall be sold to the condemning authority under threat of condemnation (any of such events being hereinafter referred to as a "taking"), then this Lease shall terminate as of the date of such taking. In the event any part of the building located on the Demised Premises or a "material portion of the land" (as hereinafter defined) is taken, or if any part of a driveway or other access way which is reasonably necessary for access to the business on the Demised Premises shall be taken,

then Lessee shall have the option of terminating this Lease as of the earlier of the date title to such Demised Premises passes to the governmental authority, or the date the governmental authority shall take possession of the Demised Premises.

12.2 Partial Taking. In the event of any taking (other than a taking of the whole Demised Premises) which does not give rise to an option to terminate or in the event of a taking which does give rise to an option to terminate and Lessee does not elect to terminate, Lessor shall make its award available to Lessee and Lessee shall, to the extent of the award from such taking (which word "award" shall mean the net proceeds after deducting expenses of any settlement, or net purchase price under a sale in lieu of condemnation) promptly restore or repair the Demised Premises and all improvements thereon (except the items which Lessee is entitled to remove) to the same condition as existed immediately prior to such taking insofar as is reasonably possible. If the estimated cost of restoration or repair shall exceed the amount of Lessor's award, Lessee shall pay the amount of such excess. If the award shall exceed the amount spent to effect such restoration, repair or replacement, such excess shall unconditionally belong to Lessor and shall be paid to Lessor.

12.3 Right to Recover. In the event of a partial taking where this Lease is not terminated, Lessee shall not be entitled (except for use in reconstruction) to any part of the compensation or award given Lessor for its fee interest in the Demised Premises, but Lessor shall have the right to recover from the condemning authority such compensation as is specifically awarded to Lessor (i) to reimburse Lessor for any cost which Lessor may incur in removing, altering and/or replacing Lessor's property, and (ii) for loss of business.

ARTICLE 13 - QUIET ENJOYMENT AND TITLE

13.1 Covenant of Quiet Enjoyment. Subject to the terms of this Lease, upon paying the Minimum Monthly Rent and any additional rent and performing the other terms, covenants and conditions of this Lease on Lessee's part to be performed, Lessee shall and may peaceably and quietly have, hold, occupy, possess and enjoy the Demised Premises during the Term.

13.2 Right to Possession. Lessor covenants, warrants and represents that: (a) the Demised Premises are now unoccupied and tenant-free, and (b) absolute, tenant-free possession of the Demised Premises will be delivered to Lessee.

13.3 Ownership; Authority. Lessor covenants, warrants and represents that: (a) Lessor alone has the full right to Lease the Demised Premises for the Term as set forth in this Lease, and (b) Lessor has not entered into any agreement or instrument of any kind which would prohibit the use of the Demised Premises for the operation of a restaurant. It is expressly understood and agreed that these covenants by Lessor constitute a warranty by Lessor and that if Lessor does not have the sole right to Lease the Demised Premises or if there are any such restrictions, then (i) at the option of Lessee, this Lease shall become null and void and no rent shall accrue for the remainder Term or any part thereof, and (ii) Lessee may pursue any remedy available at law or in equity to recover damages or other relief.

13.4 Lessor Estoppel and Covenants. Lessor covenants, warrants, and represents that (a) Lessor is rightfully and lawfully in possession of the land described on Exhibit A, as the rightful owner [*Sublease Lessee under the Master Lease*]; [*Sublease: (b) the Master Lease*

is in full force and effect and has not been amended except as set forth in Section 1.1, 2.1 of this Sublease; (c) at the time of execution of this Lease, no event has occurred which constitutes, or with the passage of time would constitute, a default by Lessor as Lessee under the Master Lease; and (d) during the Term of this Lease, Lessor will not take any action, or fail to take any action, which action or failure to act would constitute, or result in, a default under the Master Lease.] Lessor understands and acknowledges that in entering into this Lease, Lessee is relying upon the covenants, representations, and warranties of Lessor set forth in this Section 13.4, and Lessor agrees that if any such representation or warranty is subsequently found to be incorrect or Lessor breaches any such covenants, then this Lease shall, at the option of Lessee, become null and void and thereafter no rent shall be due or accrue under this Lease.

ARTICLE 14 - SUBORDINATION

Provided that Lessor delivers to Lessee an agreement in writing and in recordable form from any future mortgagee or holder of a deed of trust or other encumbrance with respect to the Demised Premises to the effect that (a) such person shall not for any reason disturb the possession, use or enjoyment of the Demised Premises by Lessee, its successors and assigns, so long as all of the obligations of Lessee are fully performed in accordance with the terms of this Lease. [*may or may not apply: and (b) such person shall permit payment and application of insurance proceeds and condemnation proceeds in accordance with Articles 13 and 14 above, respectively, in the event of damage to or destruction of the improvements, or condemnation of the improvements or any part of the Demised Premises,*] then Lessee agrees to subordinate its rights hereunder to the lien of such mortgage, deed of trust or other encumbrance which may hereafter affect the Demised Premises. Provided such agreement is obtained, Lessee shall promptly execute and deliver to Lessor upon demand any instrument which may be necessary to effect such subordination.

ARTICLE 15 - REMOVAL OF DISTINCTIVE FEATURES

Lessor agrees that upon the expiration or earlier termination of this Lease, Lessee shall have the unqualified right to remove from the Demised Premises all signs, and other distinctive features of the business operated on the Demised Premises. Lessee shall, at its expense, repair any damage caused by such removal.

Lessor acknowledges, consents and agrees that all furniture, fixtures, chattels and equipment installed in or on or located in or about the improvements or other parts of the Demised Premises which are installed in or placed on the Premises by Lessee, (the "Trade Fixtures") shall be and at all time remain the property of Lessee and the same may be removed by Lessee at any time during the Term or upon the expiration or earlier termination of the Term, whether or not any such Trade Fixtures may be regarded as property of Lessor by operation of law or otherwise. Lessee shall, at its expense, repair any structural damage to the building or its interior caused by such removal.

ARTICLE 16 - REAL ESTATE COMMISSIONS

Lessor agrees to pay to _____ ("Lessor's Agent") for assisting with this Lease, a commission in an amount specified in a separate contract between Lessor and Lessor's Agent. Lessee represents that, except for Lessor's Agent, it has not dealt with any

real estate broker or other person acting in a similar capacity who might be entitled to a commission or finder's fee in this transaction. Each party hereby indemnifies the other and agrees to hold the other harmless from any commission, finder's fee or similar claims, and any liability, damages, judgments, and costs related thereto, including reasonable attorneys' fees and costs, arising through actions of the indemnifying party in contravention of the representations contained herein.

ARTICLE 17 - NOTICES AND DEMANDS

Any notice, demand or other communication required or permitted by law or any provision of the Lease to be given or served on either party shall be in writing, addressed to the party at the address set forth below, or such other address as the party may designate from time to time by notice, and (i) deposited in the United States mail, registered or certified, return receipt requested, postage prepaid, (ii) delivered by an overnight private mail service which provides delivery confirmation such as, without limitation, Federal Express, Airborne or UPS, or (iii) personally delivered at such address. All communications delivered as set forth herein shall be deemed received by the addressee on the delivery date or the delivery refusal date shown on the return receipt or the delivery confirmation.

ARTICLE 18 - ATTORNEYS' FEES

If any action or proceeding, whether judicial or non-judicial, is commenced with respect to any claim or controversy arising from a breach of this Lease or seeking the interpretation or enforcement of this Lease, including any exhibits attached hereto, in addition to any and all other relief, the prevailing party or parties in such action or proceeding shall receive and be entitled to recover all costs and expenses, including reasonable attorneys' fees and costs, incurred by it on account of or related to such action or proceeding.

ARTICLE 19 - GENERAL PROVISIONS

19.1 Binding on Successors. All of the covenants, agreements, provisions and conditions of this Lease shall inure to the benefit of and be binding upon the parties hereto, their successors, legal representatives and assigns.

19.2 Severability. If any term or provision of this Lease or the application thereof to any person or circumstance shall be invalid or unenforceable, to any extent, the remainder of this Lease, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this Lease shall be valid and enforceable to the maximum extent permitted by law.

19.3 Entire Agreement. This Lease and the exhibits attached hereto contain the entire agreement between the parties and shall not be modified in any manner except by a document executed by the parties hereto or their respective successors in interest.

19.4 Captions. The captions used in this Lease are inserted as a matter of convenience only, in no way define, limit or describe the scope of this Lease or the intentions of the parties hereto, and shall not in any way affect the interpretation or construction of this Lease.

19.5 Gender and Number. Words of any gender in this Lease shall be held to include any other gender, and words in the singular shall be held to include the plural, and vice versa, as the context permits or requires.

19.6 "Affiliate" Defined. 19.7 Guarantors. Concurrent with the execution of the Lease, Lessee shall execute a corporate Guaranty of Lease, which shall remain effective through the expiration of the Lease term.

19.8 Approvals. Wherever Lessor's or Lessee's approval or consent is required herein, such approval or consent shall not be unreasonably withheld or delayed.

19.9 No Waiver. A waiver by Lessor or Lessee of any breach of any provision of this Lease shall not be deemed a waiver of any breach of any other provision hereof or of any subsequent breach by Lessee or Lessor of the same or any other provision.

19.10 Holdover. If Lessee holds over after the expiration of the Term with the consent, express or implied, of Lessor, such holding over shall be construed to be a tenancy from month to month only, and Lessee shall pay the rent, additional rent and other sums as herein required for such further time as Lessee continues its occupancy. If Lessee hold over after the expiration of the Term without Lessor's consent, such holding over shall be construed to be a tenancy from month to month at the sufferance of Lessor, terminable upon 30 days written notice, and the Minimum Monthly Rent due from Lessee during such holding over shall be equal to 125% of the Minimum Monthly Rent in effect immediately prior to the expiration of the Term. The acceptance of rent during any period of holding over shall not be construed as a renewal of this Lease and shall not affect Lessor's right of reentry or any rights of Lessor hereunder or as otherwise provided by law.

19.11 Time of Essence. Time is of the essence with regard to every provision of this Lease and the exhibits attached hereto.

19.12 Governing Law. This Lease shall be governed by and construed in accordance with the laws of the state in which the Demised Premises are located.

19.13 Counterparts. This Lease may be executed in any number of counterparts, each of which shall be deemed an original but all of which shall constitute one and the same document.

19.14 No Third Party Rights. The terms and provisions of this Lease shall not be deemed to confer any rights upon, nor obligate any party hereto to, any person or entity other than the parties hereto.

19.15 Unexecuted Lease. The submission of this Lease for review or execution does not constitute a reservation of, or option for, the rights conferred herein. This Lease shall become effective only upon its execution and delivery by both Lessor and Lessee.

19.16 Lessor's Right of Entry. Lessor reserves the right with 48 hours prior notice (excepted in the event of an emergency), to enter upon the Demised Premises at any time during regular business hours to inspect the same or for the purpose of exhibiting the same to prospective purchasers or mortgagees or, during the last 6 months of the Term, to prospective lessees. Lessor may post any customary sign stating "for lease" or "for sale" during the last 6 months of the Term.

19.17 Estoppel Certificates. Lessor and Lessee agree that within 10 days after receipt of a written request from either to the other, the party receiving the request will execute and deliver to the other a certificate certifying (i) that this Lease is unmodified and in full force and effect, or, if modified, stating the nature of the modifications and that, as so modified, this Lease is in full force and effect, (ii) the date to which the rent and other charges hereunder are paid in advance, if any, (iii) the then-scheduled expiration date of the Term and the number and duration of any unexercised, unexpired options to extend the Term, and (iv) that to the certifying party's knowledge, as of the date of the certificate, there are no uncured defaults hereunder on the part of the requesting party or specifying such defaults as are claimed by the certifying party.

19.20 Force Majeure. If either party is delayed in the performance of any obligation on its part to be performed under this Lease because of any of the following causes: action of the elements, war, riot, labor dispute, inability to procure, or general shortage of, labor or materials in the normal channels of trade, delay in transportation, delay in inspections, governmental action or moratorium, or any other cause beyond the reasonable control of the party so obligated, whether similar or dissimilar to the foregoing, financial inability excepted, then the time permitted for performance shall be extended for a period equal to the period of the delay, except that the foregoing shall in no way affect Lessee's obligation to pay Monthly Rent or any other amount payable under this Lease or the length of the Term of this Lease.

19.21 Incorporation of Exhibits. All exhibits attached to this Lease are hereby incorporated herein as though set forth in full in this Lease itself.

19.22 [If a Sublease] No Option to Extend. *Lessee acknowledges and agrees that Lessee shall have no rights under Section 1.3 of the Master Lease, which remains the exclusive right of Lessee thereunder.*

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT FOR
THE STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

(a) A PROHIBITION ON THE RIGHT OF A FRANCHISEE TO JOIN AN ASSOCIATION OF FRANCHISEES.

(b) A REQUIREMENT THAT A FRANCHISEE ASSENT TO A RELEASE, ASSIGNMENT, NOVATION, WAIVER OR ESTOPPEL WHICH DEPRIVES A FRANCHISEE OF RIGHTS AND PROTECTIONS PROVIDED IN THIS ACT. THIS SHALL NOT PRECLUDE A FRANCHISEE, AFTER ENTERING INTO A FRANCHISE AGREEMENT, FROM SETTLING ANY AND ALL CLAIMS.

(c) A PROVISION THAT PERMITS A FRANCHISOR TO TERMINATE A FRANCHISE PRIOR TO THE EXPIRATION OF ITS TERM EXCEPT FOR GOOD CAUSE. GOOD CAUSE SHALL INCLUDE THE FAILURE OF THE FRANCHISEE TO COMPLY WITH ANY LAWFUL PROVISION OF THE FRANCHISE AGREEMENT AND TO CURE SUCH FAILURE AFTER BEING GIVEN WRITTEN NOTICE THEREOF AND A REASONABLE OPPORTUNITY, WHICH IN NO EVENT NEED MORE THAN 30 DAYS, TO CURE SUCH FAILURE.

(d) A PROVISION THAT PERMITS A FRANCHISOR TO REFUSE TO RENEW A FRANCHISE WITHOUT FAIRLY COMPENSATING THE FRANCHISEE BY REPURCHASE OR OTHER MEANS FOR THE FAIR MARKET VALUE AT THE TIME OF EXPIRATION OF THE FRANCHISEE'S INVENTORY, SUPPLIES, EQUIPMENT, FIXTURES, AND FURNISHINGS. PERSONALIZED MATERIALS WHICH HAVE NO VALUE TO THE FRANCHISOR AND INVENTORY, SUPPLIES, EQUIPMENT, FIXTURES, AND FURNISHINGS NOT REASONABLY REQUIRED IN THE CONDUCT OF THE FRANCHISE BUSINESS ARE NOT SUBJECT TO COMPENSATION. THIS SUBSECTION APPLIES ONLY IF (i) THE TERM OF THE FRANCHISE IS LESS THAN 5 YEARS AND (ii) THE FRANCHISEE IS PROHIBITED BY THE FRANCHISE OR OTHER AGREEMENT FROM CONTINUING TO CONDUCT SUBSTANTIALLY THE SAME BUSINESS UNDER ANOTHER TRADEMARK, SERVICE MARK, TRADE NAME, LOGOTYPE, ADVERTISING, OR OTHER COMMERCIAL SYMBOL IN THE SAME AREA SUBSEQUENT TO THE EXPIRATION OF THE FRANCHISE OR THE FRANCHISEE DOES NOT RECEIVE AT LEAST 6 MONTHS ADVANCE NOTICE OF FRANCHISOR'S INTENT NOT TO RENEW THE FRANCHISE.

(e) A PROVISION THAT PERMITS THE FRANCHISOR TO REFUSE TO RENEW A FRANCHISE ON TERMS GENERALLY AVAILABLE TO OTHER FRANCHISEES OF THE SAME CLASS OR TYPE UNDER SIMILAR CIRCUMSTANCES. THIS SECTION DOES NOT REQUIRE A RENEWAL PROVISION.

(f) A PROVISION REQUIRING THAT ARBITRATION OR LITIGATION BE CONDUCTED OUTSIDE THIS STATE. THIS SHALL NOT PRECLUDE THE FRANCHISEE FROM ENTERING INTO AN AGREEMENT, AT THE TIME OF ARBITRATION, TO CONDUCT ARBITRATION AT A LOCATION OUTSIDE THIS STATE.

(g) A PROVISION WHICH PERMITS A FRANCHISOR TO REFUSE TO PERMIT A TRANSFER OF OWNERSHIP OF A FRANCHISE, EXCEPT FOR GOOD CAUSE. THIS SUBDIVISION DOES NOT PREVENT A FRANCHISOR FROM EXERCISING A RIGHT OF FIRST REFUSAL TO PURCHASE THE FRANCHISE. GOOD CAUSE SHALL INCLUDE, BUT IS NOT LIMITED TO:

(i) THE FAILURE OF THE PROPOSED TRANSFEREE TO MEET THE FRANCHISOR'S THEN CURRENT REASONABLE QUALIFICATIONS OR STANDARDS.

(ii) THE FACT THAT THE PROPOSED TRANSFEREE IS A COMPETITOR OF THE FRANCHISOR OR SUBFRANCHISOR.

(iii) THE UNWILLINGNESS OF THE PROPOSED TRANSFEREE TO AGREE IN WRITING TO COMPLY WITH ALL LAWFUL OBLIGATIONS.

(iv) THE FAILURE OF THE FRANCHISEE OR PROPOSED TRANSFEREE TO PAY ANY SUMS OWING TO THE FRANCHISOR OR TO CURE ANY DEFAULT IN THE FRANCHISE AGREEMENT EXISTING AT THE TIME OF THE PROPOSED TRANSFER.

(h) A PROVISION THAT REQUIRES THE FRANCHISEE TO RESELL TO THE FRANCHISOR ITEMS THAT ARE NOT UNIQUELY IDENTIFIED WITH THE FRANCHISOR. THIS SUBDIVISION DOES NOT PROHIBIT A PROVISION THAT GRANTS TO A FRANCHISOR A RIGHT OF FIRST REFUSAL TO PURCHASE THE ASSETS OF A FRANCHISE ON THE SAME TERMS AND CONDITIONS AS A BONA FIDE THIRD PARTY WILLING AND ABLE TO PURCHASE THOSE ASSETS, NOR DOES THIS SUBDIVISION PROHIBIT A PROVISION THAT GRANTS THE FRANCHISOR THE RIGHT TO ACQUIRE THE ASSETS OF A FRANCHISE FOR THE MARKET OR APPRAISED VALUE OF SUCH ASSETS IF THE FRANCHISEE HAS BREACHED THE LAWFUL PROVISIONS OF THE FRANCHISE AGREEMENT AND HAS FAILED TO CURE THE BREACH IN THE MANNER PROVIDED IN SUBDIVISION (c).

(i) A PROVISION WHICH PERMITS THE FRANCHISOR TO DIRECTLY OR INDIRECTLY CONVEY, ASSIGN, OR OTHERWISE TRANSFER ITS OBLIGATIONS TO FULFILL CONTRACTUAL OBLIGATIONS TO THE FRANCHISEE UNLESS PROVISION HAS BEEN MADE FOR PROVIDING THE REQUIRED CONTRACTUAL SERVICES.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF MINNESOTA

1. Cover Page, Risk Factors 1 and 2 are amended by the addition of the following language:

Minnesota Statute §80C.21 and Minnesota Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the disclosure document or agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

2. Item 17, Renewal, Termination, Transfer and Dispute Resolution, shall be amended by the addition of the following paragraphs:

Minnesota Statute §80C.21 and Minnesota Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the disclosure document or agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

Minnesota law provides franchisees with certain termination rights. With respect to franchises governed by Minnesota law, Franchisor will comply with Minn. Stat. Sec. 80C. 14, Subds. 3, 4 and 5 which require, except in certain specified cases, that a franchisee be given 90 days' written notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement.

3. Minnesota law considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subdivision (g). Franchisor will protect the Franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.

4. Minnesota Rules 2860.4400 (0) prohibits a franchisor from requiring a franchisee to assent to a general release.

5. Each provision of this addendum shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Minnesota Franchise Law or the Rules and Regulations promulgated thereunder by the Minnesota Commission of Commerce are met independently without reference to this addendum to the disclosure document.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT
FOR THE COMMONWEALTH OF VIRGINIA

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the Development Agreement and/or Franchise Agreement do not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to use undue influence to induce a franchisee to surrender any right given to him under the franchise. If any provision of the Franchise Agreement involves the use of undue influence by the franchisor to induce a franchisee to surrender any rights given to him under the franchise, that provision may not be enforceable.

ADDENDUM TO FRANCHISE AGREEMENT
FOR STATE OF WASHINGTON

THIS ADDENDUM is entered into on _____, 20__ by and between IHOP FRANCHISOR LLC (hereinafter referred to as “Franchisor”) and _____ (hereinafter referred to as “Franchisee”), with reference to the following facts:

A. Concurrently herewith, Franchisor and Franchisee have entered into a Franchise Agreement, Sublease and Equipment Lease (hereinafter referred to as the “Franchise Documents”) in respect of the International House of Pancakes restaurant located at _____.

B. Pursuant to the laws of the State of Washington, and specifically under RCW 19.100.180(2)(i) and (j) of the Franchise Investment Protection Act (hereinafter referred to as the “Act”), a Franchisor is required to fully disclose a franchisee’s rights with respect to termination and renewal in the body of the Franchise Agreement.

WHEREFORE, IT IS AGREED:

The Franchise Agreement is hereby amended to fully disclose the rights of franchisee in the State of Washington with respect to termination and renewal of the franchise as follows:

1. In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

2. The Franchise Investment Protection Act, RCW Sections 19.100.010 through 19.100.940, governs the circumstances under which a Franchisor may terminate or fail to renew a franchise. Section 19.100.180(2)(j) of the Act prohibits a Franchisor from terminating a franchise prior to the expiration of its term except for good cause, and after reasonable written notice and opportunity to cure the default. Under certain circumstances, such as abandonment of the business, adjudication of bankruptcy or insolvency, the making of an assignment for the benefit of creditors, the conviction for violating any law relating to the franchise business, or three willful and material breaches of the same provisions of the franchise agreement within a twelve- month period, no notice is required prior to termination. Upon termination for good cause, a Franchisor must purchase, at a fair market value at the time of termination, the Franchisee’s inventory and supplies, except for personalized materials which have no value to the Franchisor, items not reasonably required to conduct the franchise business, and if Franchisee retains control of the premises, any inventory and supplies not purchased from Franchisor or on its express requirement. Also, the Franchisor may offset against amounts owed to the Franchisee, any amounts owed by the Franchisee to the Franchisor.

3. The Act also provides that if the Franchisor refuses to renew a franchise, the Franchisor must fairly compensate the Franchisee for the fair market value at the time of expiration of the franchise, of the Franchisee’s inventory, supplies, equipment and furnishings purchased from the Franchisor and good will, except for those items not reasonably required for the conduct of the franchise business. However, the Franchisor need not compensate the Franchisee for good will if the Franchisee is given at least one year’s prior written notice of non renewal and the Franchisor agrees in writing not to enforce any covenant which restrains the Franchisee from competing with Franchisor. Also, the Franchisor may offset against amounts owed to the Franchisee any amounts owed by the Franchisee to the Franchisor.

4. Notwithstanding the provisions of Paragraph 16.09 of the Franchise Agreement, the provisions of the Washington Franchise Investment Protection Act will control to the extent any provisions of the Franchise Agreement and/or California law are inconsistent with the Act.

5. Any general release does not include or extend to any of the Franchisee's rights under the Washington Franchise Investment Protection Act.

6. All other terms of the Franchise Documents shall remain the same and in full force and effect.
