What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit G.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Florida. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Florida than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

1. A prohibition on the right of a Franchisee to join an association of Franchisees.
2. A requirement that a Franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a Franchisee of rights and protections provided in this act. This shall not preclude a Franchisee, after entering into a franchise agreement, from settling any and all claims.
3. A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the Franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
4. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the Franchisee by repurchase or other means for the fair market value at the time of expiration of the Franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the Franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the Franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
5. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other Franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
6. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the Franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
7. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - a. The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - b. The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - c. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - d. The failure of the Franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
8. A provision that requires the Franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such

assets if the Franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

9. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the Franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the Franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the Franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

ITEM 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Franchisor and any Parents, Predecessors and Affiliates

To simplify the language in this Franchise Disclosure Document, “**Valpak**” or “**we**” means Valpak Direct Marketing Systems, LLC, the franchisor. “**You**” means the person who buys the franchise, and if the Franchisee will be a corporation or other business entity, references to “you” will include the shareholders or other owners of the Franchisee. Valpak is a Delaware limited liability company that was formed in fiscal year 2021. We were previously incorporated in Delaware in August 1986 as Valpak Direct Marketing Systems, Inc. before we converted to a Delaware limited liability company in fiscal year 2021. Valpak’s principal business address is 1 Valpak Avenue North, St. Petersburg, Florida 33716. Valpak’s agents for service of process are listed in Exhibit “G.”

Valpak does business under its legal business name and under the name “Valpak.” Valpak’s parents, their parent and their principal business addresses are as follows:

Name	Principal Business Address	Its Parent
VP Holdings, LLC (“ VPH ”)	1 Valpak Avenue North St. Petersburg, FL 33716	PAK Acquisitions Corp (“ PAK ”)
PAK	1 Valpak Avenue North St. Petersburg, FL 33716	PAK International Holdings Corp (“ PAK Intermediate ”)
PAK Intermediate	1 Valpak Avenue North St. Petersburg, FL 33716	PAK Holding Corporation (“ PAK-HC ”)
PAK-HC	1 Valpak Avenue North St. Petersburg, FL 33716	Clipper Media Acquisition I LLC (“ Clipper MAI ”)
Clipper MAI	1 Valpak Avenue North St. Petersburg, FL 33716	Clipper Media Holdings Inc. (“ Clipper MH ”)

Clipper MH is a private equity investment vehicle sponsored by Amato Martin, a privately-owned private equity investment company with its principal business address located at 139 Cooper Avenue, Montclair, New Jersey 07043. Clipper MH is also the ultimate parent of Clipper Magazine, LLC (“**Clipper Mag**”), which owns and operates Clipper Magazine, a local, regional, and national direct-mail advertising company.

Valpak has offered franchises for the type of business the franchisee will operate since 1986 and began offering distributorships in 1968. Valpak has never operated a business of the type to be operated by you but its affiliate, Valpak Franchise Operations, LLC (“**VPFO**”), operates similar businesses of the type to be operated by you (“**Owned Market Business(es)**”). VPFO’s principal business address is 1 Valpak Avenue North, St. Petersburg, Florida 33716. VPFO has operated Owned Market Businesses since 2014. See Items 12 and 20.

No Valpak affiliates have offered franchises in any line of business, and none provide goods or services to franchisees. Valpak has no predecessors.

Valpak’s Business

Valpak’s primary business is printing, publishing, and distributing cooperative direct mail advertising. “Cooperative direct mail advertising” is a method of advertising in which advertisements from multiple businesses are included in a single envelope or package for mailing, allowing the costs of the mailing to be spread among the businesses. Valpak’s principal advertising medium is the “**VALPAK® Envelope.**” VALPAK® Envelopes are envelopes, identified by the “VALPAK®” trademark and/or other trademarks, service marks, trade names, and logos owned by Valpak (“**Marks**”), which contain Advertising Inserts, and

which are assembled, addressed, and prepared for publication and direct mailing by Valpak primarily to residential addresses. An “Advertising Insert” is an individual piece of advertising or promotional material, such as a coupon, that is included in a VALPAK® Envelope in accordance with the VALPAK® System, described below. Mailings are made to postal carrier routes or other designated areas in a manner that qualifies for third-class bulk mail postage rates. Valpak has developed methods, formats, specifications, standards, operating policies and procedures for use in the offer and sale of advertising and other promotional materials in VALPAK® Envelopes and the publication and distribution by Valpak of VALPAK® Envelopes (the “**VALPAK® System**”). Valpak may supplement and modify the VALPAK® System in its discretion, including the size and shape of VALPAK® Envelopes and Advertising Inserts.

Currently, Valpak prints and produces the VALPAK® Envelopes from a 466,000 square foot, production facility in St. Petersburg, Florida (the “**Valpak Manufacturing Center**” or “**VMC**”).

In addition to the printing of Advertising Inserts and the publication and distribution of VALPAK® Envelopes, Valpak operates an Internet website, www.valpak.com, which offers electronic coupon advertising. Valpak allows its franchisees to offer and sell electronic coupon advertising through various channels including valpak.com website, email, mobile applications and any other local or national promotional advertising distributed electronically on terms and conditions that may vary from time to time.

The Franchise Offered

Valpak is offering franchises to operate businesses under the VALPAK® System under its standard franchise agreement, the valpak.com Program and the VPOFFICE® Software License Agreement (the “**VPOffice® Agreement**”) (collectively, the “**Franchise Agreement**” unless the context refers to them separately). As a VALPAK® Franchisee, you will promote and sell cooperative direct mail advertising in VALPAK® Envelopes and related products to be distributed within a designated geographic area (the “**Territory**”), pursuant to the Franchise Agreement. Each VALPAK® Franchisee has an assigned geographic area in which it has the right to order mailings of VALPAK® Envelopes and related products. Valpak reserves the exclusive right to solicit certain types of accounts. You will have the exclusive right to solicit certain types of accounts; while others may be solicited by either Valpak or you. See Item 12. A copy of Valpak’s current standard form of Franchise Agreement is included in this Franchise Disclosure Document as Exhibit C-1.” New Franchisees must use the VPOffice® Software. Therefore, all new Franchisees must sign the VPOffice® Agreement. See Exhibit “F” and Items 6, 8 and 11.

If you acquire a new VALPAK® franchise either direct from Valpak or from an existing VALPAK® Franchisee, you must sign the Franchise Agreement. If you are a Franchisee renewing your franchise, you need to sign the Renewal Addendum which is designed to modify those aspects of the Franchise Agreement as they pertain to a renewal. See Exhibit “C-2” and Items 9 and 11.

As a VALPAK® Franchisee, you will receive marketing materials to assist you in promoting and selling advertising in VALPAK® Envelopes and related products, and guidance on Valpak’s specifications and standards for advertising in VALPAK® Envelopes and related products. Valpak will schedule dates for your proposed “Mailing” (as defined below) based on the Valpak Regional Mail Schedule and your required mailing frequency. You are responsible to meet the mailing performance requirements (See Item 12). You attempt to sell advertising to be distributed in your scheduled mailings. A “**Mailing**” is a distribution of VALPAK® Envelopes and PlusOne postcards by Valpak which is arranged to be made during a given period to one or more “**Neighborhood Trade Areas**” (also known as “**NTAS**”). NTAS are mapped out by you consistent with Valpak’s policies and procedures, to represent the smallest geographic area and number of addresses to which an Advertising Insert can be distributed for an advertiser. An NTA® represents a geographic area containing 10,000 residential addresses and is designated by postal carrier routes or similar designations.

The VALPAK® System has traditionally emphasized Mailings to residential addresses rather than to business addresses. Accordingly, the Territory Fee (described in Item 5) does not include any charge for business

addresses located within your Territory, and you are not required to make any Mailings to business addresses. You will assist your customers, as necessary, in developing concepts and layouts for their Advertising Inserts and will arrange for the preparation by Valpak of final proofs for customer approval. On approval, you will submit final proofs for Advertising Inserts to Valpak's plant, together with all other materials and information required by Valpak to produce a Mailing of VALPAK® Envelopes.

Valpak will use reasonable efforts to complete the production of the Mailing (including graphics preparation, printing, addressing, collation, insertion, and other related services performed in connection with the Mailing) and place the Mailing into distribution in accordance with the VALPAK® System within 9 business days after Valpak receives an "Insertion Order" from you. An "**Insertion Order**" is any order for a Mailing submitted by you for which Valpak has received all of the following: 1) final proofs approved by you and your customer for any Advertising Insert to be printed; 2) any Valpak approved Advertising Inserts not to be printed in quantity sufficient for distribution to at least one of the NTAS to which the ordered Mailing is to be made, in accordance with the VALPAK® System; 3) an adequate description, in accordance with the VALPAK® System, of the geographic areas and types of addresses to which the VALPAK® Envelopes are to be distributed; 4) payment of the amount due; and 5) any other information Valpak requires to complete the production of the ordered Mailing in accordance with the VALPAK® System.

Valpak requires the individuals who own and operate a VALPAK® franchise to be personally responsible to Valpak under the Franchise Agreement. Therefore, you must execute the Franchise Agreement in your individual capacity or agree to assume and guarantee the obligations of any corporation or partnership which is named as the Franchisee under the Franchise Agreement. A copy of the Personal Guaranty of Owner/Shareholder is included in this Franchise Disclosure Document as Exhibit "D."

As a VALPAK® Franchisee, you also sell electronic coupon advertising through Valpak's website - valpak.com (or any others that may be developed and authorized for use). You may offer advertising that Valpak will distribute from its Internet web site located at www.valpak.com. At the web site, customers may search for online coupons by location, category of business and keyword, download and print them from their computers, and then redeem them at businesses in your Territory. Valpak may discontinue it at any time; however, Valpak believes that this service will enhance the VALPAK® System and benefit its Franchisees.

PlusOne became a product of the VALPAK® System in December 2021 and changes to the Intermarket Sales Policy incorporating rules governing PlusOne Matrix Fees went into effect January 1, 2022. Franchisees may sell PlusOne to customers as part of the VALPAK® System. PlusOne is a direct mail advertising product that is mailed separately from VALPAK® Envelopes, as a stand-alone postcard, but must be mailed to the same households as the VALPAK® Envelopes.

Our franchisees may be given the option in the future to sell advertising in Clipper Magazine and on Local Flavor, a digital advertising platform operated by Clipper Mag, pursuant a separate written agreement.

General Market and Competition

The direct mail advertising business is a well-developed, highly competitive industry. The target market solicited by VALPAK® Franchisees generally consists of small to medium businesses which have a need for relatively inexpensive advertising. There have been several new competitors in the direct mail advertising business in recent years, many of which compete primarily based on price. As a VALPAK® Franchisee, you will compete with other advertising media and sellers of advertising services, particularly with those who offer advertising formats geared to promoting local businesses. These may include Clipper Mag and other sellers of cooperative direct mail advertising services, single-piece direct mail advertisements, magazines, local newspapers and their advertising supplements, and "shopper" brochures and newsletters. Some of these competitors are local companies, some are national in scope, and some are franchised chains.

Valpak believes that it has a competitive advantage over many competitors because of the name recognition associated with the VALPAK® name and Marks. Valpak is not aware of any laws or regulations which are specific to the operation of VALPAK® direct mail advertising businesses.

ITEM 3

LITIGATION

Stephen Sewalk and SMS Business Entities, Inc. v. Valpak Direct Marketing Systems, Inc. (Case No. 8:22-cv-168, United States District Court, Middle District of Florida, filed January 10, 2022). SMS Business Entities, Inc. (“**SMS Business Entities**”) was a franchisee that operated in southern Colorado. Stephen Sewalk

was an owner of SMS Business Entities. In July 2021, after defaulting on a personal loan, Mr. Sewalk personally filed for bankruptcy to reorganize debts incurred to capitalize SMS Business Entities. The filing of a bankruptcy petition by an owner of SMS Business Entities was an event of default under SMS Business Entities' Valpak franchise agreement. We therefore terminated the franchise agreement in November 2021. In their lawsuit against us, the plaintiffs alleged 2 causes of action; first, that we violated the automatic stay under 11 USC § 362; and second, that we breached the franchise agreement. The plaintiffs claimed that the franchise agreement was protected by the automatic stay that went into effect when Mr. Sewalk filed his personal bankruptcy petition. Relatedly, the plaintiffs claimed that we did not have cause to terminate the franchise agreement. The plaintiffs sought damages for the loss of their ongoing business valued at or near \$1 million dollars. The parties mediated their dispute on July 12, 2022, and executed a settlement agreement on the same date in which the Company agreed to pay Mr. Sewalk \$12,000 and the plaintiffs agreed to file a stipulation for dismissal with prejudice. Following mediation, the mediator submitted a report reflecting the matter as resolved and, on July 20, 2022, the District Court entered an order closing the case and providing for dismissal of the litigation. On August 15, 2022, the plaintiffs filed a motion to reopen the litigation, alleging the settlement agreement was the result of extortion by us. On September 6, 2022, the District Court denied the plaintiffs' motion and dismissed the matter. On September 23, 2022, the plaintiffs filed a motion to disclose mediation communications; that motion was denied on November 11, 2022. On November 11, 2022, the plaintiffs filed a notice of appeal to the United States Court of Appeals for the Eleventh Circuit, Case No. 22-13819. On February 26, 2023, the Court of Appeals affirmed the District Court's orders and denied the plaintiffs' appeal.

Single Branch, Direct Connect Inc. v. Valpak of Canada Limited, Valpak Direct Marketing Systems Inc., 1600228 Ontario Inc. Todd Leiser, Michael Vivio and Stephen Gracie (Court File No. CV-14-498347; February 13, 2014). The plaintiffs, franchisees of Valpak of Canada Limited, claimed that (i) Valpak provided a deficient disclosure document; (ii) the plaintiffs received misrepresentations about the potential profitability of the Valpak franchise being acquired, and that the template proforma provided by Valpak contained inaccurate or unrealistic information; (iii) Valpak failed to disclose sufficient information about a neighboring franchisee who was suffering losses, and (iv) Valpak failed to adequately review the proforma completed by the plaintiffs. Valpak denied plaintiffs' claims. On February 5, 2016, Valpak paid plaintiffs the amount of \$100,000 CDN, the parties' exchanged full and final releases and the lawsuit was dismissed with prejudice.

New York Direct Marketing Corp. d/b/a Valpak of New York v. Valpak Direct Marketing Systems, Inc. (Case No. 8:16-cv-324-T-36-TBM, United States District Court, Middle District of Florida, Tampa Division; February 11, 2016). In June of 2015, New York Direct Marketing Corp. ("NYDMC"), a Valpak® franchisee in New York, requested resolution by arbitration of several Intermarket Sales Policy disputes claiming compensation was due to it from because the purchasing representative for a certain Valpak® customer was located in NYDMC's territory. The arbitration was decided in favor of NYDMC, but it was awarded less damages than it had requested. NYDMC and the six franchisees then appealed the arbitration decision to Valpak's President, who in September 2016, reversed the arbitration decision except as against the franchise operated by Valpak's affiliate because its appeal was not timely. NYDMC's subsequently-brought lawsuit claimed that the arbitration decisions were arbitrarily and capriciously made and in manifest disregard of the facts. In March 2017, the parties agreed to settle all claims whereby, (i) the parties agreed to terminate NYDMC's franchise agreement; (ii) Valpak bought NYDMC's assets; (iii) Valpak paid NYDMC \$1,100,000; (iv) NYDMC's principal was retained by Valpak as an independent sales contractor to provide services for a particular customer in exchange for a commission based on future sales to that customer; and (v) the lawsuit was dismissed with prejudice.

NFocus Consulting Inc. v. Benjy Uhl and Valpak Direct Marketing Systems, Inc. (Case No. 2:20-cv-05106-MHW-KAJ, United States District Court, Southern District of Ohio; filed September 29, 2020). NFocus Consulting ("NFocus"), a former software vendor, filed a complaint against Valpak and its Executive Vice President, Audience and Product Development, Mr. Uhl. NFocus alleged that Mr. Uhl, who was previously employed by NFocus, improperly utilized NFocus' trade secrets, including customer lists and pricing, that he learned by virtue of his employment. NFocus claimed that Valpak developed certain data platforms using such trade secrets. NFocus alleged trade secret misappropriation under federal and state law, breach of contract,

tortious interference, and unjust enrichment. Valpak and Mr. Uhl denied plaintiffs' claims. On May 26, 2021, Valpak and NFocus agreed to settle all claims whereby (i) Valpak agreed to pay NFocus \$470,000 on behalf of itself and Mr. Uhl; (ii) Valpak and Mr. Uhl agreed that, for a term of 2 years following the effective date of the settlement agreement, they will not provide fulfillment services to or on behalf of Valassis Direct Mail, Inc., Vericast Corp., and their affiliates, related entities, parents, and subsidiaries (collectively, "Valassis"), unless Valassis becomes a majority owner of Valpak or Valpak becomes a majority owner of Valassis; (iii) the parties exchanged full and final releases; and (iv) the lawsuit was dismissed with prejudice on June 9, 2021.

Jennick Direct, Inc. d/b/a Valpak of South Florida et al v. Valpak Direct Marketing Systems, Inc. (Case No. 21-CA-3071, Circuit Court of the Thirteenth Judicial Circuit, for Hillsborough County, Florida; filed April 9, 2021. Jennick Direct, 4 other franchisees and the Valpak Franchisees Association (the "Association") filed a complaint against Valpak seeking declaratory relief, injunctive relief and other causes of action seeking damages in excess of \$30,000, excluding attorneys' fees, interest, and costs. The plaintiffs alleged that Valpak breached the Valpak Franchise Agreement by (a) introducing PlusOne without making it part of the VALPAK System, and relatedly, failing to make Matrix Fees on PlusOne placements into franchisees' territories, (b) retaining as a Management Fee a portion of a rebate from the United States Postal Service for the VALPAK System's participation in "Seamless Acceptance," and (c) failing to cause VPFO franchised markets to continue to pay Association Fees to the Association after the VPFO franchises withdrew from the Association. The plaintiffs' Amended Complaint, which was filed on July 15, 2021, contained the following causes of action: (1) breach of contract, (2) breach of contract, (3) injunctive relief, (4) declaratory judgment, (5) breach of contract, (6) unjust enrichment. Following a mediation and ongoing negotiations, the parties entered into a Settlement Agreement on December 13, 2021. Pursuant the Settlement Agreement, a vote to obtain consent of all franchisees was cast and passed to approve PlusOne becoming part of the VALPAK System; Valpak agreed that Solo mail is not a "Competitive Business" as a result of PlusOne becoming a product of the VALPAK System; Valpak agreed to pay the Association 50% of Marketing Fees received from franchisees who pay VPFO under the ISP for placing inserts into VPFO's franchised markets (for so long as the Franchisees Association represents a majority of independent franchisees); Valpak agreed to support the cost of business meeting functions of the Association; and Valpak agreed to stop collecting a management fee on "Seamless Acceptance" and to distribute to franchisees \$9,934 of management fees previously retained. Valpak did not admit to any wrongdoing or liability and the parties released one another. The Court approved the dismissal of the case with prejudice on January 6, 2022.

Premium Remodeling, Inc. v. Valpak Direct Marketing Systems, Inc., et al. and Valpak Direct Marketing Systems v. Premium Remodeling, Inc. (Case No. BC717948, Los Angeles County – Superior Court, California). In August 2018, Premium Remodeling, Inc., ("PMI") filed an action against us alleging that we breached a contract for advertising services with PMI by billing PMI for services that were never received. PMI sought damages for breach of contract, as well as injunctive relief and restitution under Section 17200 of the California Business & Professions Code, costs of suit, interest and attorneys' fees. In October 2018, we filed an answer and cross-complaint against PMI seeking payment for services rendered in the amount of \$114,600, as well as costs, attorneys' fees and interest. PMI filed an answer to our cross-complaint in December 2018. In April 2019, we filed a motion for judgment on the pleadings. In June 2019, the court granted our motion for judgment on the pleadings as to PMI's breach of contract claim, with 10 days leave for PMI to amend its complaint. In June 2019, PMI amended its complaint, alleging substantially the same claims as the original complaint. We filed our answer to the amended complaint in October 2019. The parties settled the dispute in May 2022 with Valpak paying PMI \$10,000 and the lawsuit was dismissed with prejudice on July 20, 2022.

Other than these actions, no litigation is required to be disclosed in this Item.

BANKRUPTCY

No bankruptcy is required to be disclosed in this Item.

ITEM 5

INITIAL FEES

Initial Franchise Fee

You must pay a \$2,000 non-refundable initial franchise fee to Valpak for an operating franchise or \$2,500 for a dormant franchise when you sign the Franchise Agreement. If you qualify for the VetFran Program sponsored by the International Franchise Association, Valpak will reduce this fee by 20% to \$1,600 for an operating franchise or \$2,000 for a dormant franchise. All new franchisees pay this uniform initial franchise fee.

Training Fee

You must pay a \$12,500 non-refundable training fee to Valpak for an operating franchise or \$15,000 for a dormant franchise, when you sign the Franchise Agreement. If you qualify for the VetFran Program sponsored by the International Franchise Association, Valpak will reduce this fee by 20% to \$10,000 for an operating franchise or \$12,000 for a dormant franchise.

If you are already a VALPAK® Franchise Owner, you may not require all aspects of this training (i.e., Sales Orientation, NFOT, VPOffice® Training). In that case, Valpak may reduce the Training Fee to coincide with what you and it agree can be waived.

Valpak may waive one or more of these items for persons already in the VALPAK® System, in which case Valpak will reduce the training fee accordingly.

Territory Acquisition Fee

The initial franchise fee does not cover the cost of acquiring the rights to your particular Territory. You can acquire a Territory either directly from Valpak, or if it has already been assigned to another Franchisee, from that Franchisee. If you obtain the Territory directly from Valpak, you must pay a “**Territory Acquisition Fee**” when you sign the Franchise Agreement. The amount of the fee varies by its size and whether it is “dormant” or “active.” Generally your Territory must include a minimum of 50,000 Prime Households and will be defined by counties located in your Territory.

Dormant Territories

If you acquire a “dormant” territory (meaning a territory in which Mailings have not been made within the last 12 months), the Territory Acquisition Fee will be \$5,000 for every 10,000 “**Prime Households**” (as defined below) located in the county or counties situated in the territory rounded to the nearest 10,000 (an “**NTA**”) as determined by census and posted data provided by the United States Census Bureau and the United States Postal Service. For example, if there are 118,000 Prime Households located in your Territory, the Territory Acquisition Fee would be \$60,000, or 12 x \$5,000. Again, if you qualify for the VetFran program, Valpak will reduce this fee by 20%.

For dormant territories, our current policy is to phase in mailings so that you will start mailing only 3 NTAS. Thus, the initial payment in the above example would be \$15,000 (3 x \$5,000) or \$12,000 under the VetFran program. As you begin to mail other NTAS in your Territory, you must pay us \$5,000 for each such NTA until the Territory Acquisition Fee is paid in full (\$4,000 for the VetFran program). We may change this policy from time to time, including reverting back to requiring the full Territory Acquisition Fee to be paid when you sign the Franchise Agreement.

However, if the number of Prime Households located in the county or counties in your Territory is less than 50,000, then Valpak will establish the number of households (not necessarily Prime Households) within the

Territory on which the Territory Acquisition Fee will be calculated (based on its own judgment as to the number of households which are sufficiently near each other to form a reasonable mailing group). The Territory Acquisition Fee will still be calculated as \$5,000 for every 10,000 households (rounded to the nearest 10,000), but based only on the number of households which Valpak specifies in an exhibit to the Franchise Agreement.

During the 2023 fiscal year, we did not sell any dormant territories.

“**Prime Households**” are households within a given VALPAK® territory that are considered to be desirable recipients of VALPAK® Envelopes. In addition to certain other demographic criteria, Prime Households are chosen on the basis of a range of total household income. Currently, the range is determined by eliminating the top 5% and the bottom 15% of household incomes in each VALPAK® territory with annual gross income of \$20,000 or more; however, on your request, Valpak may in its discretion, agree to adjust the definition of Prime Households in your Territory based on demographics for your Territory.

Active Territories

An “active” territory is a territory that is not dormant. For any “active territory,” Valpak will determine the Territory Acquisition Fee or purchase price on a case by case basis, taking into account Valpak’s investment in that territory and the existing and potential business in that territory. During the 2023 fiscal year, Valpak did not sell any active territories.

Territory Acquired from Others

If you wish to acquire the rights to an area that is currently assigned to another VALPAK® Franchisee, you must obtain that Franchisee’s agreement to sell those rights to you on terms you negotiate. You must pay it when you sign the Franchise Agreement unless selling franchisee has provided financing of this fee. Valpak cannot estimate the price that you would pay to that Franchisee or the terms of payment. Although your acquisition of rights from another Franchisee is subject to Valpak’s consent, Valpak will not charge you a separate fee (although the initial franchise fee and the training fee will still be due) for the acquisition. Valpak is currently offering a program whereby existing Franchisees are encouraged to list their dormant territories for sale, and Valpak provides limited assistance to those Franchisees in locating prospective buyers. Franchisees who sell dormant territories through this program “list” their territories at \$5,000 per 10,000 Prime Households. This program may be discontinued at any time.

(1) Valpak publishes schedules of the prices charged for the various products and services provided by Valpak to produce VALPAK® Envelopes and other advertising services (including electronic coupons). (2) For the first 6 Mailings, you must submit full payment for each Mailing together with the Insertion Order for that Mailing. If you have established a satisfactory credit record with Valpak over the course of the first 6 Mailings (unless waived by Valpak in writing) and you are in compliance with all of the terms of the Franchise Agreement, payment terms for your remaining Mailings are as follows:

(4) “**Association Fees**” or “**Marketing Fees**” refer to required payments at a rate and according to mailing cycles that are mutually agreed upon from time to time between us and the Association for inserts placed into a mailing Franchisee’s NTA. The Association is a voluntary membership organization representing the interests of independent VALPAK® Franchisees. All new independent VALPAK® Franchisees will automatically be enrolled as members unless they notify Valpak in writing of their election not to participate. We collect Association Fees on behalf of the Association and remit them to the Association to be managed by its Board of Directors. We also collect Marketing Fees on intermarket inserts placed in markets owned and operated by VPFO. Marketing Fees and Association Fees are the same amount and are paid in the same manner. For so long as the Association is represented by a majority of independent Franchisees, we will remit 50% of Marketing Fees collected on intermarket inserts placed by independent VALPAK® Franchisees in markets owned and operated by VPFO to the Association to support the Association’s general operating expenses.

(5) Association Fees and Marketing Fees may be adjusted upon mutual agreement between us and the Association.

(6) Valpak charges standard fees for training additional persons and for any additional training it may provide at your request. You must pay for your and your employees’ travel, lodging, living expenses and compensation related to attending any additional, supplemental or refresher training programs, and any conventions or meetings held by Valpak. However, Valpak may elect, in its discretion, to pay some of your expenses, as described in Item 11.

(1) This fee is payable regardless of whether you are purchasing your franchise from Valpak or from another VALPAK® Franchisee. The low-end cost includes the 20% discount if you qualify for the VetFran Program. See Item 5.

(2) The low-end cost includes the 20% discount if you qualify for the VetFran Program. See Item 5 for details.

(3) This fee is based on \$5,000 for every 10,000 households located in your territory. The minimum cost includes the 20% discount if you qualify for the VetFran Program and assumes the minimum initial payment for a dormant territory. The minimum fee for those who do not qualify for the VetFran Program is \$25,000. See Item 5 for details. Also, if you buy a franchise for a dormant territory, then we may allow you to pay the Territory Acquisition Fee in installments as you add additional NTAS to your mailings. See Items 5 and 6.

(4) This figure is the estimated cost of the 1st 3 months' rent for your office and a security deposit equal to 1 month's rent. The actual amount will vary depending on local rental market conditions and the size, location and amenities of the office. It does not include any amount for leasehold improvements or decorating, which are at your discretion. The lower end of the range assumes rent of \$300 per month for cooperative shared office space and the higher end of the range assumes rent of \$1,200 per month for an office in a modest office building. If you choose to operate your franchise from your residence, you will not incur this type of expense.

(5) This figure is the estimated cost of the purchase, installation and hook-up of a business phone system. It does not include the costs of acquiring cellular phones. The cost of a more sophisticated phone system could exceed this estimate.

(6) This figure is the estimated cost of the purchase of 1 or more desks, chairs and filing cabinets of moderate quality and condition. Your furniture costs will primarily depend on your personnel arrangements and the quality and condition (new or used) of the furniture selected.

(7) This figure is the estimated cost of the purchase of a high-quality small photocopier and a facsimile transmission machine which meets Valpak's specifications. The actual amount spent will vary according to the equipment needs and size of your franchise, as well as the condition and quality of items purchased.

(8) The cost of computer equipment suitable for most Franchisees ranges from about \$2,500 to \$5,000. Valpak requires you to use a computer to operate VPOffice® and Salesforce.com.

(9) Valpak requires you to use computer software known as VPOffice® described in Item 11 under the heading "Computer Software." See Item 11 for details. Valpak also requires you to purchase the license to use the CRM Software known as Salesforce.com. The monthly fee for the Salesforce.com software is \$75 per user. Valpak also recommends that you have the Microsoft Office Suite. This includes 3 months Software License Fee and Software Support and Maintenance Fee for the VPOffice® Software and for Salesforce.com. This estimate does not include the optional email marketing services offered by Salesforce.com. (See Item 6)

(10) Valpak requires you to carry liability and other insurance coverage in such amounts as it specifies in its Operating Procedures. Valpak estimates that the cost of initial premiums for property insurance and business liability insurance for a franchise would range from \$1,000 to \$2,000. The cost of any required workers' compensation insurance will vary widely and cannot be reasonably estimated by Valpak. Insurance for the benefit of franchise personnel, such as medical and disability insurance, is also at your discretion, and their costs cannot be reasonably estimated by Valpak.

(11) This figure covers miscellaneous expenses for the first 3 month's operation of your franchise, such as business license fees, legal fees, accounting fees, office supplies (including forms, stationery and maps), a complete set of marketing materials supplied by Valpak (which is included within the training fee) and any travel or out-of-pocket costs for attending initial training.

(12) If you are beginning operations in a dormant territory, Valpak requires that you have available working capital (which may be in the form of a line of credit) in an amount of at least \$10,000 to \$15,000 for every mailed NTA in your Territory. Working capital is needed to cover general operating expenses, such as salaries for any personnel, as well as your costs for Mailings in your Territory. Depending on your market and your business objectives, you may need significantly greater working capital. In addition to this amount, you should have personal funds or outside income sufficient to cover living expenses for 9 to 12 months. If you buy an existing franchise, you may need additional working capital, but Valpak is unable to estimate any range of amounts which would be needed.

(13) You are not required by Valpak to acquire or use any motor vehicle in operating your franchise. However, you and your salespeople typically will make some business use of an automobile. You may use any automobile already owned by you, in which case you will not incur any initial expense for this item, or you may lease or purchase one or more automobiles for your franchise.

(14) This figure is the minimum estimated expense to be allocated toward initial marketing efforts for local advertising and brand building efforts associated with the purchase of a dormant territory. This expense is similar to “Grand Opening” expenses in other franchise systems. Valpak recommends some initial advertising when starting your franchise in a dormant market and offers assistance and recommendations for doing so. The advertising and marketing methods will vary by market.

(15) Valpak has over 50 years’ experience in the cooperative direct mail advertising business and has relied on that experience to compile these estimates. Valpak has not conducted any formal survey of its Franchisees to prepare this data; rather, these figures represent Valpak’s best estimates of the amounts that a typical Franchisee will spend for the purposes indicated. Your own expenses are likely to differ significantly from these estimates because of the wide variations among geographic regions, business conditions and management styles, and the particular circumstances affecting the franchise (such as the number of prime households in the franchise territory, the size and location of the Franchisee’s office, the number of personnel engaged to work for the Franchisee and their compensation arrangements), and the availability and use of financing or leasing arrangements for certain items. For example, the estimated costs shown in the table assume that you will operate from modest premises and will use simple but functional furnishings and equipment. If you choose to purchase expensive furniture or more sophisticated equipment, you should expect to spend substantially more than the amounts shown in the table. However, if you operate from your residence or lease rather than purchase most items, your investment may be less than the amounts shown in the table. You should review these figures carefully with a business advisor before making any decision to purchase a franchise.

(16) The estimated initial investment figures reflected in the table above assume that you are establishing an office for your franchise outside your home. Valpak also has assumed that you will be actively involved in operating your franchise on a full-time basis but that you may not draw a salary in the first 6 months.

(17) This table estimates your initial startup expenses. These figures are estimates and Valpak cannot guarantee that you will not have additional expenses starting the business.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

The following summarizes the approximate percentages of your purchases of equipment, supplies and services through sourcing restrictions, based on the nature of the restriction: All of your required purchases (which include items which must be purchased from us, our affiliates or approved suppliers and items which must be purchased in accordance with our specifications) represent approximately 34.3% of your total purchases in establishing your Valpak franchise and approximately 70% of your total ongoing operating expenses for your Valpak franchise.

Required Purchases

Valpak is the sole publisher and distributor of its trademarked VALPAK® Envelopes in the United States and will publish and distribute, at your expense, all Mailings of VALPAK® Envelopes in your Territory in accordance with the terms of the Franchise Agreement. Valpak will be the source of all services relating to the production of VALPAK® Envelopes and PlusOne for Mailings in your Territory (including graphics preparation, printing, addressing, collation, insertion and direct mailing), except as otherwise discussed below, and Valpak will derive revenue from the sale of these services to you. Valpak is the only permitted source for the VALPAK® Envelopes and PlusOne, and Valpak is the only permitted source of the collating, inserting and mailing service provided to VALPAK® Franchisees.

The amounts you pay to Valpak for the production and publication of VALPAK® Envelopes and PlusOne are a significant part of the cost of operating the franchised business. Depending on the volume of business, a Franchisee's payments to Valpak for services typically range between 50% and 70% of total revenue. This paragraph should not be construed as a representation or assurance by Valpak that you are likely to experience these operating margins, or that you will be successful in your business if you do realize such margins.

VALPAK® marketing materials are provided to you digitally at no cost. You may print them at your own expense. You must also purchase the VPOffice® Software and Salesforce.com software (or other software Valpak may require in the future) from Valpak. These costs are not estimated to be a significant portion of the cost of establishing or operating your franchised business.

For the fiscal year ended December 30, 2023, Valpak's revenues from sales of required purchases by Franchisees were \$138,258,765 representing approximately 70.6% of Valpak's total revenues of \$195,818,570. These figures are derived from our audited financial statements and internal financial data. No Valpak affiliates derive revenue from required purchases by Valpak's Franchisees.

All new Franchisees must use VPOffice® and Salesforce.com Software and obtain maintenance and support services from Valpak.

You will be offered Advertising Inserts and coupons sold by Valpak's National Sales Department. See Item 12. Valpak will compensate you for including these items in accordance with the rate schedule listed in the then-current version of the ISP. You will also be required to mail Advertising Inserts and Coupons from other Valpak Franchisees pursuant to the Intermarket Sales Policy and you will be compensated for doing so. See Item 12.

Valpak reserves the right to add additional required products and services to the franchised business at any time with the consent of Franchisees.

Approved Suppliers

Valpak does not require you to purchase or lease any goods, services, supplies, fixtures, equipment, inventory, computer hardware or software or real estate from any designated supplier. Valpak does not negotiate purchase agreements with suppliers, including price terms, for the benefit of franchisees. None of our officers own an interest in a required supplier.

Specifications and Standards

Valpak will, to a limited extent, allow you to provide certain Advertising Inserts for inclusion in VALPAK® Envelopes to accommodate those customers that wish to use their own pre-printed Advertising Inserts. The use of these customer-supplied Advertising Inserts will be subject to the limitations, policies, conditions and procedures established by Valpak. Valpak develops these policies, conditions and procedures based on factors including existing and planned production capabilities and capacities, arrangements with outside

sources, standards and requirements for the efficient, accurate and timely publication of Advertising Inserts and the need to maintain such standards, the accommodation of certain types of customers of VALPAK® advertising services and the testing and introduction of new products and procedures.

Valpak describes generally the procedures for the submission of customer-supplied Advertising Inserts for inclusion in a Mailing in the Operating Procedures. Valpak may place conditions on the use of customer-supplied Advertising Inserts including additional service charges, review and pre-approval procedures, the execution of licensing and restrictive agreements with Valpak by suppliers of the Advertising Inserts and restrictions pertaining to the time and place of delivery. In addition, any Advertising Inserts to be supplied by your customers must meet the standards and specifications of quality, function and appearance established by Valpak. Valpak considers such restrictions on customer-supplied Advertising Inserts to be essential to the efficient and accurate distribution of VALPAK® Envelopes meeting Valpak’s quality standards.

valpak.com Program

Valpak is the sole operator of, and sole distributor of coupons and other electronic advertising under the **valpak.com** website and such other websites as Valpak offers from time to time. You must comply with Valpak’s procedures and conditions when offering or selling electronic advertising services. Valpak may modify those terms in any manner (including implementing fees) or discontinue such electronic advertising services on 30 days’ notice to you. See Exhibit “C-3,” and Items 1, 6, 11 and 12 for details.

Insurance

At your expense, you must obtain and maintain in force such policies and types of insurance that Valpak prescribes. Valpak may prescribe the types , amounts, terms and conditions of insurance coverage you must carry; standards for underwriters and insurers of such policies; Valpak’s protection and rights under such policies as an additional named insured; required or impermissible insurance contract provisions; assignment of policy rights to Valpak; periodic verification of insurance coverage that must be furnished to Valpak; Valpak’s rights to obtain insurance coverage at your expense if you fail to obtain required coverage. The terms and conditions Valpak requires may be provided to you in any manner it determines, including being specified in the Operating Procedures. Valpak may periodically change required coverages, amounts and policy terms. (Please see footnote 10 in Item 7 for estimated costs of the required insurance coverages.)

Purchasing or Distribution Cooperatives

Valpak has no purchasing or distribution cooperatives.

ITEM 11

FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, Valpak is not required to provide you with any assistance:

Training Programs

NFOT is conducted at Valpak’s headquarters or through a virtual training environment (such as Microsoft Teams, Zoom and/or LMS) at the earliest possible date available after the franchise is awarded and all documents signed. This program is mandatory for all new VALPAK® franchisees. You (or, if you are an entity, at least 1 of your owners) must attend class after you sign the Franchise Agreement. On request, other key people involved in the operation of your business also may attend for an additional fee of \$1,000 per person.

New Franchise Owner Training (“NFOT”)

This portion of the training involves various departments to prepare the new franchisee for all of the related functions in running a VALPAK® franchise, including: Office Operations, Sales Operations, VPOffice® Training, Valpak.com/Digital Strategy, Network/Intermarket Sales, My Design Center and Graphics, GIS (Mapping), Usage of Valpak’s intranet (Insidevalpak.com), Customer Service, CRMI, Sales tools, Sales Process and Salesforce.com Training.

As of the date of this Franchise Disclosure Document, this combined program is presented over 3 to 5 days (typically Monday to Thursday or Friday). If training is hosted at Valpak’s headquarters, Valpak may pay for up to 5 nights lodging at approved hotel, some meals and travel between your hotel and the training office. Valpak also may pay for the travel to St. Petersburg, Florida, for up to 2 people. You pay all incidental expenses in conjunction with your visit to Valpak’s headquarters for this training.

All of Valpak’s obligations regarding training of franchisees are set forth in Section 5.1 of the Franchise Agreement. If you are part of a specific program that reduces training fees, you will be required to pay for your own travel and accommodation expenses.

New Representative Training

The initial training of a newly hired Sales Representative (“**Sales Rep**”) consists of two segments: (i) on-line training in the Valpak University Learning Management System (LMS) done at the local level; and (ii) attending a facilitator led training session (Orientation).

Sessions: Valpak University® LMS: A newly hired Sales Rep can immediately begin Valpak training by signing into the “Valpak University Learning Management System.” The “New Sales Rep Learning Path” includes many short modules which cover the entire sales process, including: planning, organization, prospecting, discovery, presentation, closing and developing the sale, and using the Salesforce customer relationship management (CRM) platform to manage sales activity. Completion of the New Sales Rep Learning Path is required before or concurrently while attending the Orientation session.

Orientation: Orientation sessions are scheduled throughout the year. This class is designed for newly hired Sales Reps. Orientation is a comprehensive and activity driven sales training program with live prospecting, role playing, handling objections and solution selling strategies. Sales Reps will be required to complete the New Sales Rep Learning Path in the LMS and will have a list of pre-work materials to prepare beforehand. This is a fantastic way to kick a new Sales Rep’s production into a higher gear. If traveling to Valpak’s headquarters, travel and hotel expenses are paid by the Valpak® Franchisee sending the Sales Rep. If attending the training virtually (via Microsoft Teams, Zoom, and/or LMS), computer with camera, Wi-Fi/internet access, and phone are paid or provided by the Valpak® Franchisee sending the Sales Rep.

Advanced Training Sessions

Valpak University® offers several courses designed for Sales Reps and Sales Leaders. These are specific to related topics and sessions are held at Valpak’s headquarters or through a virtual training environment (such as Microsoft Teams, Zoom and/or LMS). They are typically 1 to 2 days in length. Attendance is optional. Attendees traveling to Valpak’s headquarters are responsible for their own travel and hotel expenses. Some meals and all related class material are included. Available sessions are listed on [Insidevalpak.com/Valpak University](http://Insidevalpak.com/ValpakUniversity). If attending the training virtually, computer with camera, Wi-Fi/internet access, and phone are paid or provided by the Valpak® Franchisee sending the Sales Rep. Virtual classes may also be held in shorter 1-2 hour sessions on selected days over a 2-3 week period.

Webinar Sessions

Valpak University® offers a variety of on-line webinars in a range of topics. These include new product roll outs, initiatives, sales strategies, etc. Most of these webinars are also recorded so that new owners and Sales Reps can view them at their convenience.

The materials used in training include the manuals as well as other presentation materials and handouts. The following is a summary of the experience of Valpak’s Field Support Personnel who may also provide training:

Mandy Febus, Chief Marketing Officer, oversees brand marketing and communication, customer acquisition and retention, and Salesforce.com strategies. She has over 17 years of experience in managing marketing strategies and Salesforce.com ecosystem, focusing on process improvement, user adoption, and creating actions from data insights. She also oversees the Franchise Development Manager, the Director of Training, Sales Trainers, and the LMS.

Franchise Support Services

Valpak will provide you with an electronic New Franchise Owner kit that contains key contact information and presentation materials.

In addition to receiving the New Franchise Owner kit, Valpak currently provides additional limited support. You may have an assigned Franchise Development Manager dedicated to providing support during your first year of operation. This includes coaching calls, conference calls and assistance as necessary. Valpak

support personnel also consist of Franchise Business Consultants. Franchise Business Consultants work with Franchise Development Managers to develop a financial plan and offer operation advice as needed, subject to their availability.

While Valpak believes that the support services described above may be helpful to many new Franchisees, there is no assurance that following the advice or recommendations of any of the support personnel will result in the success of your VALPAK® franchise or improve its performance.

Business Meeting

Valpak generally holds an Annual Business Meeting but is not required to do so. They typically last 2 to 3 days and are open to Franchise Owners and, at times, may be open to General Managers. The Business Meeting offers training including mini-sessions, panels, breakout session, an array of social events and an opportunity to interact with other members of the VALPAK® network.

Sales Support

Selling efforts of Franchisees and their sales representatives are supported by a variety of sales and research materials, newsletters and other promotional tools provided by Valpak. All Franchisees have 24/7 InsideValpak.com access to the Sales Tools, category resources, and industry trend intel. Franchisees and their sales representatives may request samples of client advertising, research, and other data from our marketing department. Certain fees apply to these services.

Incentive Programs

From time to time, Valpak uses several incentive programs to reward Franchisees, Franchisees' sales representatives and advertisers for the purchase and sale of VALPAK® advertising. Valpak is not obligated to offer any of these programs, and it may discontinue or modify any or all of these programs at any time.

Computer Requirements

Valpak requires you to use a software program known as VPOffice®. VPOffice® is a business and sales management system tailored to the needs of VALPAK® Franchise Owners. The core of the VPOffice® product is an enhanced order entry module that will provide the communication link to Valpak for all products and services. Basic order entry can occur in a simplified fashion and the system is developed in a way that will make the system easy to learn. VPOffice® will be used to process and track sales transactions for each franchise office. Specific characteristics that are used to create a specific transaction product (i.e. product type, selling price, quantity, NTA® destinations, advertiser information) are captured and stored in the VPOffice® system. The VPOffice® system uses a central database which is located at Valpak and you access it through the internet. You will use Citrix® software to access the VPOffice® system. Information entered into the VPOffice® system will only be accessible by the specific franchise office that created the data and by Valpak's support staff, not by other franchise offices. Specific transaction data pertaining to sale orders will be passed through to a backend Enterprise Resource Planning package for scheduling and processing of workflow data.

The VPOffice® Agreement is attached as Exhibit "F." The Software License Fee is based on the size of the Franchisee's market and is payable monthly over the first 5 years of the term of the Franchise Agreement. The Software Maintenance and Support fee is also based on the size of the Franchisee's market and is payable monthly. (See Item 6 for fee amounts.)

Valpak also provides support and services for Salesforce.com. The amount of the CRM Software Support and License Fee depends on your number of users and is payable monthly.

Under the Small/Micro Service Program, Valpak will provide data entry services including VPOffice® and MDC. The fee for this service is based on the NTA per month.

You are required to have specific computer hardware and software available to operate the system efficiently and effectively. The cost of computer equipment suitable for most Franchisees ranges from about \$2,500 to \$5,000. VPOffice® is proprietary and no other software package is available that will perform the same functions or integrate with the systems used at Valpak. Valpak will provide a download link to you that will contain the Citrix® software so that you may access the VPOffice® system.

Specific networking recommendations are available through the Corporate Support Center for franchise offices who plan to have multiple VPOffice® users within their franchise.

Updates to the list of components will occur by Valpak. New minimum requirements will be distributed to all franchise offices allowing sufficient time for the upgrades of hardware and software to occur. Franchise offices not complying with the required upgrades will not be allowed to process orders using VPOffice®.

Valpak intends to provide ongoing maintenance, support and software upgrades to all VPOffice® users once it has fully tested new software releases and is satisfied with the performance. As part of the pricing structure of VPOffice®, fees will be charged to cover the costs of upgrades and ongoing maintenance and support. (See Item 6 for Software Maintenance and Support Fees, CRM fees and data entry services fees for the small micro service program.)

Office Location

You will need an office from which to conduct the business of your franchise, which may be at your home or at another location. You will be responsible for the location, set up and operation of the office. Valpak does not specify or approve the type or location of your office.

Start of Franchise Operations

The period between signing the Franchise Agreement and your start of operations will vary, depending primarily on whether you are already familiar with the operation of a business under the VALPAK® System and whether your Territory is a dormant area or an active area (in which there have been recent Mailings) acquired from another VALPAK® Franchisee. A Franchisee who has worked within the VALPAK® System and whose Territory is active may begin operating his or her franchise immediately on execution of the Franchise Agreement if Valpak elects to waive the NFOT requirement. However, for those Franchisees who are new to the VALPAK® System, there may be an interval of 2 to 3 months to allow for training.

Upon request, you are required to provide Valpak with financial information regarding the operation of your franchised business. Valpak may establish and modify the specifications and scope of this financial information in its discretion.

Production of VALPAK® Envelopes and PlusOne

Valpak, as the sole publisher and distributor in the United States of VALPAK® Envelopes, will publish and distribute: (i) within your Territory, all VALPAK® Envelopes for which you have submitted Insertion Orders, all in accordance with the VALPAK® System; (ii) in such other geographic areas for Mailings ordered by other Franchisees in accordance with their franchise agreements and the Intermarket Sales Policy; and (iii) in such other geographic areas as Valpak decides to conduct Mailings from time to time. Valpak will handle the production of all VALPAK® Envelopes and PlusOne to be distributed within your Territory (except for advertiser-supplied inserts approved by Valpak), including, without limitation: 1) the graphics preparation and printing of any Advertising Inserts not supplied by your customers, in accordance with Valpak's policies; 2) collation and insertion of Advertising Inserts; 3) labeling and direct mailing of VALPAK® Envelopes and

PlusOne; and 4) any other services provided by Valpak as part of the VALPAK® System. Valpak will have final approval over the form and content of each Advertising Insert and PlusOne postcard prepared by you and the proposed contents submitted by you for each Mailing, taken as a whole. Valpak also will have the authority to determine the appearance and style of VALPAK® Envelopes and to modify them.

Valpak will use all reasonable efforts to place an ordered Mailing into distribution within 9 business days of receipt of an Insertion Order. Valpak will not be liable to either you or your customers for delays in delivery of VALPAK® Envelopes once Valpak delivers them to the U.S. Postal Service.

Valpak will not be in breach of its obligations to you under the Franchise Agreement if errors occur in the production or packaging of Advertising Inserts or in the distribution of VALPAK® Envelopes. However, Valpak may grant you a credit equal to 100% of the printing and insertion charges for those Advertising Inserts (but not postage charges), if Valpak has timely received an error-free final proof for the Advertising Insert from you and if you have fully complied with the Operating Procedures as it applies to that Mailing. While Valpak is only obligated to provide a 100% production credit in such instances, its current policy provides for a 200% production credit in the case of such production error. This policy is subject to change at any time. If Valpak delivers VALPAK® Envelopes to the U.S. Postal Service for 1 of your Mailings, and all or any portion of those envelopes are not delivered or are delivered to the wrong zip codes due to Valpak's error or the error of the U.S. Postal Service, Valpak will re-mail the envelopes to the areas which did not receive VALPAK® Envelopes at no additional charge to you, unless the error is your fault.

If Valpak is unable to produce VALPAK® Envelopes at its plant as the result of a strike, labor dispute, natural disaster, act of God or similar cause, Valpak will use all reasonable efforts to arrange for the production of VALPAK® Envelopes using alternate resources at a reasonable cost, on a reasonable schedule and in such manner as Valpak determines would facilitate the continuation of production for the VALPAK® System as a whole under the circumstances. If Valpak is unable to make such alternative arrangements, Valpak will notify you, and you may arrange for production by alternate sources. Valpak may require you to discontinue using an alternate source based on that source's general reputation for quality and reliability or on its evaluation of the quality of the products and services provided by that source. Valpak will only require discontinuation of the use of a particular source if other sources are available for production of VALPAK® Envelopes at a reasonable cost.

Valpak will pay you, via credits for amounts due from you, for the mailing costs of National Sales Inserts into your Mailings.

valpak.com®

As a VALPAK® Franchisee, you will offer and sell electronic advertising services to advertisers wanting to reach consumers in your Territory. Under this program, you may offer advertising that Valpak distributes from its Internet web site located at www.valpak.com. At the web sites, customers may search for online coupons by location, category of business and keyword, download and print them from their computers, and then redeem them at the advertisers' businesses.

Under the Valpak.com program, you must obtain written permission from each advertiser to distribute its coupons on the Internet or any comparable electronic medium, and submit an order for each online coupon to Valpak as provided in the Operating Procedures. Valpak will then create the online coupons, and place them on its web site. You may only offer online coupons to businesses located in your Territory, and the coupons may only be redeemed at businesses located in your Territory. See Items 6 and 12 and Exhibit "C-3." Valpak may modify this program in any manner or discontinue it on 30 days' notice to you (see Exhibit "C-1").

Electronic Advertising Compensation Plan

Valpak has established the Electronic Advertising Compensation Plan (the "EAC Plan") to compensate Franchisees for the sale of certain digital services on Valpak.com and other sites. To be eligible under the EAC

Plan, Franchisees must be in full compliance with their Franchise Agreements, including being current with all amounts owed to Company and they must not be engaged in any Competitive Business. The EAC Plan may be altered, changed, modified or discontinued at any time by Valpak. The EAC Plan is described on Schedule H to the Intermarket Sales Policy. See Exhibit “C-3” and Item 12.

Operating Procedures

During the term of your Franchise Agreement, Valpak will provide you with access to its operating information and procedures, including but not limited to its Production Handbook, Marketing Manual and Sales and Financial Tools (the “**Operating Procedures**”) via its website, insidevalpak.com, at no additional charge. Valpak may modify any of the Operating Procedures at any time to reflect changes in its specifications, standards, policies and operating procedures for the VALPAK® System. Changes to the Operating Procedures must be approved by one of its officers and will become effective upon notice to the VALPAK® franchisees.

Marketing Support

Valpak currently provides support to its Franchisee network through a variety of marketing support. This includes marketing research conducted by Valpak or independent contractors (including consumer awareness surveys, advertiser satisfaction and envelope design studies), product development, national advertising and public relations. Valpak makes digitally available to its Franchisees extensive materials to aid in selling VALPAK® advertising. Franchisees may print these materials at their own expense or utilize electronic versions. Valpak, through its in-house agency, will have approved creative for markets to use in local media, as well provide design assistance for local advertising opportunities.

Advertising and Franchisee Association

Valpak may advertise in various media including print, broadcast media, outdoor and online. Valpak is not obligated to spend any amount on advertising in your territory. Valpak also may offer Franchisees the opportunity to participate in special marketing efforts that aid causes and charities, which helps to promote the VALPAK® name and services.

Valpak has not established an advertising fund. However, currently every independent Franchisee contributes Association Fees to the Association at a rate which is \$0.168 per thousand (i.e., \$1.68 per NTA) mailed in the first 10 mailing cycles of a calendar year. Association Fees are paid to Valpak but held for the sole use of the Association. The Association is a voluntary membership organization representing the interests of independent Franchisees. All new Franchisees automatically will be enrolled as members unless they elect to not be enrolled. Members of the Association elect a Board of Directors who govern the Association’s affairs and appoint any officers. All expenditures by the Association are determined solely by its Board of Directors. Those funds are generally utilized to fund national media advertising programs and generate leads and other purposes authorized by the Board of Directors. You may obtain a copy of the governing documents of the Association upon request. The Association prepares periodic financial statements that are also available for your review on reasonable request. Valpak does not control the Association in any way and cannot require it to be formed, changed, dissolved or merged.

Franchises owned and operated by VPFO resigned from the Association in 2021. Independent Franchisees who mail Advertising Inserts or PlusOne into markets that are owned and operated by VPFO must pay VPFO a Marketing Fee at the same rate and in the same manner as Association Fees are paid. For so long as the Association represents a majority of independent Franchisees, Valpak will pay the Association, to assist with its general operating expenses, 50% of Marketing Fees Valpak receives from independent Franchisees for inserts placed (intermarket) into markets that are owned and operated by VPFO.

Local Advertising

All advertising, promotion and marketing must be completely clear and factual and not misleading and conform to the highest standards of ethical marketing and promotion policies that Valpak prescribes from time to time and to conform to regulatory requirements. Samples of all advertising, promotional and marketing materials which Valpak has not prepared nor previously approved must be submitted to Valpak for approval before you use them. If you do not receive written approval within 30 days after our receipt of such material, Valpak will be deemed to have disapproved such materials. You may not use any advertising or promotional materials that Valpak has disapproved.

ITEM 12

TERRITORY

Territory Description

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. Valpak will insert a description of your Territory in Exhibit A to the Franchise Agreement before its execution. Your Territory will generally be described by counties within a state, although other boundaries may be used. The size of a Franchisee's territory will vary for each franchise. Valpak generally requires a Franchisee's territory to include a minimum of 50,000 Prime Households located in 1 or more counties, although, depending on demographic and other factors, Valpak may grant a franchise for a territory with fewer Prime Households. See Item 5.

Rights Granted

If you become a VALPAK® Franchisee, Valpak will grant you the following rights under the Franchise Agreement:

- a. a right and license to sell, and place orders for distribution, Advertising Inserts, or other advertising products offered by Valpak to be placed in VALPAK® Envelopes to be distributed in your Territory to: (i) any advertiser which maintains a physical place of business within your Territory, or (ii) a purchasing representative with an office located within your Territory;
- b. a right and license to sell, and place orders for distribution of Advertising Inserts, or other advertising products offered by Valpak, to be placed in VALPAK® Envelopes to be distributed outside your Territory as Intermarket Advertising;
- c. to offer PlusOne;
- d. to offer online coupons; and
- e. the non-exclusive right to use Valpak's trademarks under the VALPAK® System. Valpak has not granted and will not grant to any other person the right to use Valpak's trademarks in your Territory, except as described under the headings "Intermarket Sales."

From time to time, Valpak may authorize you to offer certain other advertising and marketing services, including an opportunity to sell advertising in Clipper Magazine and on Local Flavor, a digital advertising platform operated by Clipper Mag, pursuant a separate written agreement. Currently, Valpak authorizes its franchisees to offer certain SEO (search engine optimization) services, pay per click advertising campaigns, and certain website and technical internet services. Those offering may or may not be continued and the programs for your participation in sales of them may vary.

Your territorial rights, and the rights of other VALPAK® Franchisees, are affected by the Intermarket Sales Policy and the types of customers. Certain types of customers are handled depending on their advertising profile and are divided into 4 categories: “A”, “B,” “C” and “F.”

- (a) A Category A Account is an advertiser who advertises solely within the single Franchisee Territory where its Purchasing Representative is located, or within a single “Designated Market Area” as defined by Neilson Media Research (“DMA”) provided that the Purchasing Representative and a portion of the DMA is located within the Franchisee Territory. Neither Valpak nor its National Sales Department has the right to solicit or sell advertising inserts, or other advertising products offered by us, to be distributed through the VALPAK® System to Category A Accounts.
- (b) A Category B Account is an advertiser who: (i) advertises in another, or multiple other, Franchisee Territory(ies) outside of the DMA of the Franchisee in whose Territory its Purchasing Representative is located; and (ii) is not listed as a “Category C Account.” Our National Sales Department may solicit and sell advertising inserts, or other advertising products offered by us, to be distributed through the VALPAK® System to Category B Accounts if it receives consent from the Territory Franchisee to do so.
- (c) A Category C Account is an advertiser that has minimum annual sales revenues of \$500 million. They are listed on www.insidevalpak.com or such other website Valpak designates. The Category C list will consist of a maximum of 500 Advertisers and Valpak may modify the list at any time. Valpak will publish the list by region or other agreed-upon geographic designation. The National Sales Department may not add accounts to the Category C list: (i) that have had sales activity with a franchisee in the preceding 12 months; or (ii) are listed on a franchisee’s Category B Account list. All consumer package goods manufacturers and direct response companies are categorized as Category C Accounts, but are not required to be included on the Category C Account list of 500 Advertisers. Also, Advertisers in the “franchised dining” category (defined in the Food Program section of the Production Handbook) are also not included as Category C Accounts. Our National Sales Department has the right to solicit and sell advertising services to any Category C Account wherever located and for mailings anywhere.
- (d) A Category F Account is an account that is listed on Schedule F of the Intermarket Sales Policy (see Exhibit “C-3” to this Franchise Disclosure Document). Except with respect to ART Reference Directory (a/k/a “ARD”), Network Sales and other similar programs that have been developed by Valpak, approved by the Association or other committee appointed by the Association, our National Sales Department shall not initiate contact with any F List Account for the purpose of selling VALPAK® advertising.
- (e) **“No Call Rule.”** Franchisees will not call on Category C Accounts listed on the Category C list that are active. An account is considered active if it is an account with which a party can demonstrate that it is using commercially reasonable efforts in an on-going manner, to obtain a VALPAK® Sales Agreement.

Intermarket Sales and National Sales

If you want to sell, and place orders for distribution, advertising inserts, or other advertising products offered by Valpak, for distribution through the VALPAK® System outside the Territory, the advertiser from whom you are soliciting business must maintain a purchasing representative within your Territory or you must obtain the written consent from the Franchisee in whose territory the purchasing representative is located or from Valpak if the territory has not been granted to another franchisee. A copy of the current VALPAK® Intermarket Sales Policy is attached as “C-3.”

If a purchasing representative for an advertiser who has mailed within the prior 12-month period, or is under current contract to mail over such period, five million or more advertising inserts or other advertising products offered by Valpak for distribution in VALPAK® Envelopes (a “**Designated Key Account**”) within your Territory relocates to a new Territory, the Designated Key Account will remain your account if: (i) within 30 days of the change, you provide written notice to Valpak and the new Territory Franchisee indicating your intent to continue to solicit and sell to the Designated Key Account; and (ii) the Designated Key Account continues to mail a minimum of five million advertising inserts, or other advertising products offered by us, in VALPAK® Envelopes per year. If the 30-day notice is not received, you will automatically lose your ability to follow the Designated Key Account. If the Designated Key Account fails to mail the requisite yearly minimum of VALPAK® Envelopes, its relationship with you is terminated, or if the purchasing representative requests, it will become the account of the Franchisee in whose Territory the purchasing representative has relocated. For the period of time that you retain a Designated Key Account, you must pay a fee to the Franchisee in whose Territory the purchasing representative is newly located.

You must carry any Advertising Inserts or other advertising products sold by another franchisee under the Intermarket Sales Policy or National Sales for distribution in your Territory. However, you will not be obligated to distribute such products if: (a) you reject the order within 3 business days if any of the following circumstances exist: (i) the advertisement violates your community standards; (ii) it is for a brand name product or service that is already scheduled for inclusion in that Envelope; (iii) the advertiser is delinquent in paying fees to you; (iv) the selling franchisee is delinquent in payments to you; (v) the advertiser has a current written VALPAK® Sales Agreement with you; (vi) any inbound Advertising Insert you believe, based on the existence of a verifiable state consumer complaint and negative local media cover of such Advertiser, will cause you to incur a significant loss of business; or (vii) the advertising insert falls into a category of which you are currently carrying 4 or more pieces within an individual neighborhood trade area; or (b) the selling franchisee is 90 days past due in payments to you. You will be compensated for carrying such materials in accordance with our Franchisee payment matrix then in effect. See Item 16.

If Valpak amends the Intermarket Sales Policy, it will consult with the Dealers’ Association in regard to any material changes. To ensure that as many Valpak® Franchisees as possible are operating under the same rules, new franchises (like you) must agree to follow the Intermarket Sales Policy as in effect from time to time as published by Valpak. Valpak may change the Intermarket Sales Policy at any time and, if so, your territorial rights may change.

An intermarket order will not receive “must carry” status unless the selling franchisee or National Sales pay you the fee specified in Valpak’s current Matrix. If the selling franchisee or National Sales negotiate a lower fee with you than the fee indicated in the Matrix, the order will not receive “must carry” status. See Item 6. If a selling franchisee or National Sales enters into a VALPAK® Sales Agreement with an advertiser with a purchase representative located in your Territory, such selling franchisee or National Sales must pay you the current territory fee specified in the Matrix within 30 days after the mailing period ends. See Item 6. National Sales is not obligated to pay a territory fee for direct response or consumer packaged goods advertising inserts. You may earn compensation if you give referrals to National Sales or otherwise collaborate on sales calls with National Sales. You must pay Valpak its current rates when you use advertising inserts that are printed by third parties, known as Supplied Inserts (See Item 6).

You must notify Valpak prior to the initiation of any aggregation activity. An “**Aggregation**” effectively consolidates some or all of the purchasing decisions for an advertiser into your Territory and removes the decision-making authority from purchasing representatives of the advertiser that were located in other franchisee territories. In the event of a “top down” Aggregation, you must pay to eligible impacted franchisees applicable territory and Matrix fees and a displacement fee. In the event of a “bottom up” Aggregation, in addition to the foregoing fees, you must also pay to eligible impacted franchisees a service fee. See Item 6 and Exhibit “C-3”. If you receive displacement fees from a franchisee or National Sales initiating a “top down” Aggregation, you are prohibited from calling on advertisers participating in such Aggregation, during the term of such Aggregation, for the purpose of soliciting and selling VALPAK® advertising for the mailing dates in

effect for such Aggregation. If you receive displacement and/or service fees from a franchisee or National Sales initiating a “bottom up” Aggregation, you are prohibited from calling on advertisers participating in such Aggregation, during the term of such Aggregation, for the purpose of soliciting and selling VALPAK® advertising for the mailing dates in effect for such Aggregation, but you may solicit and sell VALPAK® advertising for mailing dates not included in such Aggregation and/or other products offered by Valpak not included in such Aggregation.

Under the Intermarket Sales Policy, disagreements between franchisees, among themselves or with the National Sales Department, are resolved by mediation and arbitration by the Dispute Resolution Team. The Dispute Resolution Team is a panel of 3 members, 1 of which is Valpak’s Vice President of Franchise Relations (or his or her designee) and 2 “disinterested” members designated by the Association annually. Decisions of the Dispute Resolution Team may be appealed to Valpak’s President. The President’s decision is final, except as to decisions which substantially support the National Sales Department or any company owned and operated by Valpak or its affiliates. In that case, a franchisee may file suit otherwise in accordance with the Franchise Agreement.

Rights Retained by Valpak

In its discretion and without granting any rights to you, Valpak may: 1) operate and grant others the license to operate businesses, including a business in accordance with the VALPAK® System, outside of your Territory; 2) engage in the offer and sale of any advertising services and products and/or engage in the publication and/or distribution of any advertising or promotional materials within your Territory, by direct mail or otherwise that do not use the Marks or the VALPAK® System or are not included in VALPAK® Envelopes; 3) identify itself (and its affiliates) by its legal business name in connection with any activity within your Territory, provided that such activity does not adversely affect the reputation and goodwill of the VALPAK® System; 4) use any of the Marks within your Territory in connection with the promotion of the VALPAK® System or any aspect of it; 5) solicit and sell, directly by National Sales, advertising products and services for distribution in your Territory using the Marks subject to the Intermarket Sales Policy; and 6) engage in any activity that is (a) not expressly prohibited by the Franchise Agreement or Intermarket Sales Policy; (b) that is not exclusively granted to you; and/or (c) that has been offered to you on terms and conditions generally available to other franchisees but for which you have chosen not to participate on such terms.

A Competitive Business means any activity involving or engaging in marketing, promotion or sale of advertising in, franchising or licensing businesses devoted to marketing, promotion or sale of advertising or print services of or for, or the distribution of: (1) a Cooperative Direct Mail Advertising Product; (2) any advertising product which consists of advertisements for more than one advertiser which are physically delivered by Direct Mail, to consumers; (3) coupon advertising distributed over the internet (or similar electronic medium) from or through anywhere other than a VALPAK® Site; (4) any product or service the same or similar to products or services subsequently developed and made a part of a Franchised business; or (5) any printing, publishing or packaging services (on a brokerage basis or otherwise) for any: (a) Competitive Business, (b) coupon advertising, or (c) any Cooperative Direct Mail Advertising Product. A Competitive Business does not include: (i) the ownership for investment purposes only of publicly traded securities representing 1% or less of the number of outstanding shares of that class of securities; or (ii) paid subscription products that contain editorial content for 20% or more of its total content or that consist primarily of display advertisements (and not coupons or discount offers) (“**Magazine(s)**”); or (iii) the operation of a VALPAK® franchise under a written franchise agreement with Valpak.

As used in this Franchise Disclosure Document, the term “consumer packaged goods” means mass-produced goods packaged by manufacturers and sold through retail outlets. Categories include beverage, food, pet supplies, tobacco, household supplies, baby care, cosmetics, dietary supplements, perfume, toiletries and over-the-counter remedies. As used in this Franchise Disclosure Document, the term “direct response advertising” means advertising which solicits consumers to place orders by mail, phone or the Internet for the product or service advertised, but will not include advertising for products or services: (i) to be delivered to or

provided at the consumer's home by the advertiser's employees or agents, or (ii) which can be obtained by consumers at any of the advertiser's retail store locations, which, collectively, constitute the major source of sales revenue for such products and/or services being advertised.

Valpak will not establish in your Territory, a company-owned outlet or any other channel of distribution using Valpak's trademarks, except:(i) as permitted by the Intermarket Sales Policy; or (ii) if you operate a Competitive Business. As permitted by the franchise agreement and the Intermarket Sales Policy, Valpak currently offers electronic advertising to its Franchisees but reserves the right to offer and sell such services on other terms and conditions or offer them only on its own or through affiliates (described in Item 11 and this Item 12) anywhere. Nevertheless, currently the offer and sale of electronic advertising is subject to the obligations and restrictions for sales activities under the Intermarket Sales Policy, except that Franchisees may not reject any electronic advertising in their Territory and no Intermarket Compensation is paid. Franchisees pay Electronic Advertising Services Fees. See Item 6. Currently, Company pays compensation to Franchisees under the EAC Plan. The EAC Plan is described on Schedule H to the Intermarket Sales Policy. See Exhibit "C-3." Franchisees are eligible to participate in the EAC Plan if they are in full compliance with their Franchise Agreements, are current in all payments to the Company and are not engaged in a Competitive Business. See Item 11.

Performance Requirements

General Requirements

The Franchise Agreement contains performance requirements which you must meet to maintain your rights as a VALPAK® Franchisee. If you fail to meet these performance requirements, Valpak may reduce your Territory (if the nonperformance relates only to a distinct "Performance Area," as described below), or terminate the Franchise Agreement. These requirements are summarized as follows:

If you are a new Franchisee, and the Territory you are purchasing has not been mailed for an extended period, during the first 12 months after the date specified in Exhibit B to the Franchise Agreement, you must place Insertion Orders for at least 10 Mailings. Valpak will also specify the minimum number of Envelopes for each of the 1st 10 mailings. After the first 12 months, and for each succeeding 12-month period for the rest of the Term, or if you are a renewing Franchisee, you must complete a minimum of 10 Mailings to be sent to at least 70% of the Prime Households in each county (or portion of one) within the Territory. Valpak may elect to phase in these performance requirements as described below. If so, they will be reflected on Exhibit B to the Franchise Agreement.

If you are a new Franchisee purchasing a Territory that is currently being mailed, unless otherwise specified by Valpak on Exhibit B, you must place Insertion Orders for Mailings at the same frequency currently existing in the Territory, but not less than 10 times during a 12-month period, to at least 70% of the Prime Households in each county.

If the Territory does not contain at least 1 county having more than 50,000 Prime Households, Valpak will establish the number of households within the Territory on which the performance requirements will be determined, based on Valpak's judgment as to the number of households which are sufficiently near each other to form a reasonable mailing group.

Valpak will indicate, in Exhibit B to the Franchise Agreement, the approximate number of Prime Households that are located in each county in the Territory on the date the Franchise Agreement is executed and will indicate the number of Prime Households to which you must make Mailings each year. Valpak will round all performance requirements to the nearest 10,000 Prime Households. If Valpak receives information indicating a change in the number of Prime Households, or if Valpak and you agree to adjust the definition of a Prime Household in 1 or more counties within the Territory, Valpak will provide you with a new Exhibit B reflecting the new performance requirements. Valpak will consult with the Association prior to making a final decision to

change the definition of Prime Households and will not effectuate any change until it gives 6 months prior notice to the Franchisee. Valpak generally divides a Territory containing more than 1 county into separate “Performance Areas” on Exhibit B to the Franchise Agreement. If you fail to meet the performance requirements for any Performance Area, Valpak may unilaterally amend the Franchise Agreement to delete from the definition of the Territory the Performance Area in which you did not meet the performance requirements (i.e., removing a county). If Valpak amends the Franchise Agreement in this manner, you will have no further rights in the Performance Area that was deleted from the Territory.

Phasing-In Requirements

For your benefit, Valpak, in its discretion, may allow you to phase-in performance requirements during the beginning years of your business. If Valpak does so, you must comply with the substitute performance requirements that Valpak specifies in Exhibit B to the Franchise Agreement, or otherwise in writing. They will not exceed the regular performance requirements (described above) without your consent.

In the past, Valpak has phased-in performance requirements in only a limited number of instances, primarily in markets with more than 100,000 Prime Households where no Mailings have been made for an extended period.

Valpak Franchisees who became Franchisees before the date of this offering may have different performance requirements. Your performance requirements will be those set forth in your Franchise Agreement.

National Sales Program

Under the National Sales Program, Valpak seeks to sell advertising to companies in certain categories, for Mailings, on a regional or national basis. Each participating Franchisee where such advertising is mailed is entitled to receive a portion of the revenues from that Mailing at a stated amount per thousand advertising pieces mailed, which amount varies depending on the volume of advertising. Valpak paid \$14,215,895 to Franchisees participating in this program during the fiscal year ending December 30, 2023. If Valpak successfully sells a national Advertising Insert to be mailed in your NTA®, Valpak will compensate you in accordance with the Intermarket Sales Policy. There is no assurance that you will realize any level of revenues from this program or that the level of revenues will bear any relation to the amounts paid to Franchisees in previous years. Furthermore, Franchisees in different markets of comparable size may realize significantly different results from participating in the program. Valpak has no obligation to utilize any minimum level of efforts or resources to generate national sales.

If you operate a Competitive Business, among other things, Valpak reserves the right to offer competitive products or services in your Territory.

There are no agreements currently in effect that significantly limit the right of Valpak to use or license the use of the Marks in any manner material to you. Valpak does not know of any infringing uses or superior rights that could materially affect your use of the Marks. On occasion, Valpak becomes aware of infringements of its trademark rights and takes action that it considers appropriate to protect its rights.

Your Obligations Regarding the Marks

You must follow Valpak's rules when you use the Marks, or any additional marks.

You may not at any time contest or assist any other person in contesting Valpak's rights and interest in and ownership of any Mark.

You must identify your franchised business and evidence your ownership of it in a manner Valpak approves. You must operate your VALPAK® Business under an assumed business name approved or specified by Valpak. That name typically will include the Mark “VALPAK” together with words descriptive of your Territory. Except as approved by Valpak, you may not use any Mark in any modified form or with any prefix, suffix or other modifying words, terms, designs or symbols. You may not use any Mark as part of any corporate name or legal business name, nor may you use any Mark to promote the sale of any unauthorized product or service or in any manner not expressly authorized in writing by Valpak.

If it becomes advisable at any time, in Valpak’s sole discretion, to modify or discontinue the use of any name or Mark, and/or use one or more additional or substitute Marks, you must comply with Valpak’s direction to do so within a reasonable time after notice from Valpak.

Valpak’s Obligations Regarding the Marks

You must notify Valpak immediately of any apparent infringement of or challenge to your use of any Mark, or claim by any person of any rights in any Mark or in any similar trade name or trademark, of which you become aware. You must not communicate with any person other than Valpak and its counsel about any infringement, challenge or claim described above. Valpak will have sole discretion to act as it deems appropriate and the right to exclusively control any litigation, USPTO proceeding or other administrative proceeding relating to an infringement, challenge or claim to any Mark. You must execute all documents, render such assistance and do such acts as may, in the opinion of Valpak’s attorneys, be necessary to protect and maintain Valpak’s interests in any litigation, USPTO proceeding or other administrative proceeding or to otherwise protect and maintain its interests in the Marks.

If you have timely notified Valpak of any claim or proceeding and have otherwise complied with the Franchise Agreement, and if Valpak has the right to control the defense of that claim or proceeding, Valpak will indemnify you against and reimburse you for all damages for which you are held liable in any proceeding arising out of your use of any Mark in compliance with the Franchise Agreement, and for all costs reasonably incurred by you in the defense of any claim brought against you, or in any proceeding in which you are named as a party.

Valpak has proprietary rights in confidential information relating to the VALPAK® System, as described in Section 8.1 of the Franchise Agreement. This information includes all information contained in the Operating Procedures, as well as information relating to the VALPAK® System including: (a) prices charged by Valpak for its services to you; (b) prices charged by Valpak to advertisers for national or regional sales; (c) prices charged by franchisees for intermarket sales; (d) marketing research conducted by Valpak or on Valpak’s behalf; (e) products or services planned or proposed to be offered by Valpak; (f) the Software, including all source codes, passwords, security precautions and databases relating to it; (g) training systems, methods and content; (h) the graphic library compilation; (i) Valpak’s publications to franchisees (i.e. *www.insidevalpak.com* and any other electronic communications); (j) production methods and processes; (k) sales and recruiting techniques; and (l) Customer lists, Customer data and information, proprietary maps and mapping, and demographic studies; except to the extent that any such information has become part of the public domain other than as a result of disclosure of such information by or through a franchisee. ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Your franchise must be operated under your direct supervision or that of a manager approved by Valpak who has completed Valpak's Franchisee training program (a "**Key Person**"). Valpak will charge a \$1,000 fee for the Key Person to participate in Valpak's initial training. The Key Person must execute a confidentiality and non-competition agreement in a form prescribed by Valpak, before Valpak will approve him or her as a Key Person.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must use your best efforts to promote your franchised business in the Territory through the promotion and sale of advertising in VALPAK® Envelopes and you may also promote and sell PlusOne. You may not use any Mark or the VALPAK® System to promote, offer, sell or otherwise distribute any products or services other than those offered under the VALPAK® System.

As described in Item 12 ("**Intermarket Sales and National Sales**"), you may not accept or place customer orders for any Advertising Inserts to be distributed outside your Territory, unless the advertiser maintains a purchasing representative with an office located within your Territory, or you have obtained written consent from the VALPAK® Franchisee in whose territory the purchasing representative is located or from Valpak if the purchasing representative is in a territory that has not been granted to another franchisee.

Valpak may reject any Advertising Insert which it believes could reflect negatively on Valpak, other Franchisees or other customers, or which could injure the goodwill associated with the Marks. In addition, Valpak has established certain policies and standards for the content of Advertising Inserts which are described in the Operating Procedures.

The Intermarket Sales Policy may restrict, modify or amend your right to accept or place customers for orders of Advertising Inserts to be distributed inside or outside of your Territory. See Item 12 and Exhibit "C-3." The Intermarket Sales Policy requires you to allow certain Advertising Inserts or coupons sold by Valpak to be included in the VALPAK® Envelopes for mailing. See Item 12 for more information.

Except as described above, there are no restrictions on the customers that you may serve.

Valpak may authorize Franchisees to offer and sell additional products and/or services. You are not required or obligated to offer or sell any goods or services which Valpak may authorize in the future, other than Advertising Inserts to be placed in VALPAK® Envelopes or electronic advertising. Valpak also has the right to change the nature, style and appearance of the VALPAK® Envelope at any time in its discretion.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The Federal Trade Commission’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about performance at a particular location or under particular circumstances.

Valpak does not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned outlets. Valpak also does not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing

outlet, however, Valpak may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Melanie Anderson, 1 Valpak Avenue North, St. Petersburg, Florida 33716, (727) 393-1270, the Federal Trade Commission, and the appropriate state regulatory agencies.

Independent Auditors' Report

To the Board of Directors and Management of
Valpak Direct Marketing Systems, LLC and Subsidiary:

Opinion

We have audited the accompanying consolidated financial statements of Valpak Direct Marketing Systems, LLC and Subsidiary (the "Company"), which comprise the consolidated balance sheet as of December 30, 2023, and the related consolidated statements of income, changes in equity, and of cash flows for the fiscal year then ended, including the related notes to the consolidated financial statements (collectively referred to as the "consolidated financial statements").

In our opinion, the 2023 consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 30, 2023, and the results of its operations and its cash flows for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("US GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Consolidated Financial Statements

The consolidated financial statements of the Company as of December 31, 2022 and December 25, 2021 were audited by other auditors whose reports were dated May, 3, 2023 and April 28, 2022, respectively, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

(1) Company Operations

(a) Description of the Business

Valpak Direct Marketing Systems, LLC (Valpak) and Subsidiary (together, the “Company”) prints coupons, flyers, and other promotional materials, and distributes them to residences throughout the United States of America in addition to providing digital advertising products. The Company markets these products through a network of franchises.

On December 30, 2016, PAK Acquisition Corporation (PAK) purchased 100% of the issued and outstanding capital stock of VP Holdings, Inc., the parent company of the Company from Cox Target Media, Inc. (CTM). The transaction qualified as a business combination under Accounting Standards Codification (“ASC”) 805 with PAK being the acquirer. The Company has elected not to apply pushdown accounting.

Prior to the transaction mentioned above, Valpak’s common stock was wholly owned by CTM, an indirect wholly owned subsidiary of Cox Enterprises, Inc. (Cox or CEI). Subsequent to the transaction above, VP Holdings, LLC (VPH), a wholly owned subsidiary of PAK, is the owner of the common stock of the Company. On December 27, 2020, the Company changed its legal structure to a single member limited liability company, changing its name from Valpak Direct Marketing Systems, Inc. to Valpak Direct Marketing Systems, LLC. Concurrent with the change, all 100 common stock shares were cancelled, and 1 member unit was issued. VPH remained the owner of the sole member unit. The consolidated statement of stockholder’s equity has been changed to the consolidated statement of changes in equity to reflect this transaction. Further, as a result, a noncash financing transaction of \$22,199,077 occurred which impacted the Company’s equity and converted Common Stock and APIC to Member’s Capital. VPH changed its legal structure on December 27, 2020 as well, changing its name from of VP Holdings, Inc. to of VP Holdings, LLC.

On November 21, 2023, Clipper Media Acquisition I LLC (Clipper) purchased 100% of the issued and outstanding capital stock of PAK Holding Corporation. PAK Holding Corporation’s wholly owned subsidiaries include PAK Intermediate Holding Corporation, PAK Acquisition Corporation, and VP Holdings, LLC. The transaction qualifies as a business combination under ASC 805 with Clipper being the acquirer. The Company has elected not to apply pushdown accounting.

Valpak has a wholly owned subsidiary, Valpak Marketing International, Inc. (VPMI) which has no net assets and is currently not in operation. The consolidated financial statements include the accounts of Valpak and VPMI.

(b) Revision to Prior Year Consolidated Financial Statements

The Company has identified an error in the previously issued 2021 consolidated financial statements due to the way it accounted for the sale leaseback arrangement in a prior year. The Company assessed this error and based on quantitative and qualitative considerations and has concluded that the error was not material to the previously issued consolidated financial statements and therefore has revised certain captions within the 2021 consolidated financial statements. In addition, the Company has revised Note 4 and Note 6 for the impact to the information within those notes.

(b) Accounts Receivable and Allowance for Credit Losses

The Company extends unsecured credit to its franchises and customers that subjects the Company to credit risk. An allowance for credit losses is an estimate based upon historical account write-off trends, facts about the current financial condition of the franchisees, forecasts of future operating results based upon current trends and macroeconomic factors. Credit quality is monitored through the timing of payments compared to payment terms and known facts regarding the financial condition of franchisees and customers. Accounts receivable balances are charged off against the allowance for credit losses after recovery efforts have ceased. The Company had the following activity for its allowance for credit losses for accounts receivable for the fiscal years ended December 30, 2023, December 31, 2022, and December 25, 2021:

	2023	2022	2021
Beginning balance	\$ 1,799,374	3,504,575	3,757,692
Provision for expected credit losses	840,000	(1,122,411)	345,488
Recovery of credit losses	(141,010)	(63,836)	-
Write-offs	(201,492)	(518,954)	(598,605)
Ending Balance	\$ 2,296,872	1,799,374	3,504,575

(c) Inventories

Raw materials inventories are stated at the lower of weighted-average cost or estimated net realizable value, and work-in-process and finished goods inventories are stated at the lower of standard cost, which approximates the first in first out method, or estimated net realizable value.

(d) Prepaid Expenses and Other Current Assets

Prepaid expenses and other current assets consist primarily of expenses paid in advance as well as spare parts that are expected to be used by the Company's production facility within one year of the consolidated balance sheet date.

(e) Property, Plant and Equipment

Property, plant and equipment are stated at cost, net of accumulated depreciation and amortization. Depreciation is computed using the straight-line method over the following useful lives with the exception of leasehold improvements, whereby amortization is computed over the lesser of the estimated useful lives or the lease terms:

Machinery and equipment	5 - 20 years
Computer equipment and software	3 - 5 years
Furniture and fixtures	10 years
Leasehold improvements	22 years

(e) Property, Plant and Equipment - Continued

Cost and accumulated depreciation of assets sold or retired are removed from the accounts and any resulting gains or losses are credited or charged to earnings. Additions and betterments which extend the useful life of an asset are capitalized. Maintenance and repair costs are charged to expense as incurred.

In accordance with the Financial Accounting Standards Board (FASB) ASC Topic 360, *Property, Plant, and Equipment* (“ASC 360”), the Company reviews its long-lived assets for impairment if any events or changes in circumstances indicate that the carrying amounts may not be recoverable. In such an event, a comparison is made between the expected future operating cash flows of the long-lived assets on an undiscounted basis and their carrying amounts. If the carrying amounts of the long-lived assets exceed the sum of the expected undiscounted cash flows, an impairment charge is recognized, if necessary, in an amount equal to the excess of the carrying amount over the estimated fair value of the long-lived assets. No such impairment was noted for the fiscal years ended December 30, 2023, December 31, 2022, and December 25, 2021.

(f) Right-of-Use Assets and Lease Liabilities

The Company adopted FASB ASU No. 2016-02, *Leases* (Topic 842) on December 26, 2021 by electing the effective date method. Under this method, the cumulative-effect adjustment to the opening balance of retained earnings is recognized on the date of adoption; therefore, the comparative periods have not been adjusted and continue to be reported under the previous lease guidance. The Company elected the transition package of three practical expedients permitted within the standard including the election that allows for the combination of lease and non-lease components for all asset classes. For those leases that fall under the definition of a short-term lease, meaning a lease with a term of 12 months or less, the Company elected the short-term lease recognition exemption. Under this practical expedient, there are no lease assets or liabilities recorded and lease payments are recognized on a straight-line basis over the lease term. As permitted for non-public entities, the Company opted to use the risk-free rate expedient which allows for use of a risk-free rate of that comparable with the respective lease term for the present value calculation to apply against all company operating leases.

The adoption of this standard had a material impact on the accompanying consolidated balance sheets and related disclosures. Under the new guidance, a lease for the Company’s manufacturing facility that previously did not qualify for sale leaseback accounting under ASC 840, does under ASC 842 and as a result, a financing obligation in the amount of \$55,195,096 was removed upon adoption on December 26, 2021. In addition, the Company wrote off the corresponding right-of-use asset on the failed sale leaseback of \$33,574,853, net, classified within property, plant and equipment, within the accompanying consolidated balance sheets. The net of these two transactions is reflected within the adoption of new accounting standard line item impacting retained earnings within the accompanying consolidated statements of changes in equity. Upon adoption, an operating lease liability and corresponding operating right-of-use asset of \$90,670,350, respectively, were recorded based on the present value of the remaining minimum rental payments.

(f) Right-of-Use Assets and Lease Liabilities - Continued

The Company has lease arrangements for certain equipment used in operations. These leases typically have terms of 5 years and include an option for the Company to purchase the underlying asset for a nominal amount.

(g) Recently Adopted Accounting Standards

Effective January 1, 2023, the Company adopted FASB Accounting Standards Update (“ASU”) No. 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, as amended, which modifies the measurement of expected credit losses on certain financial instruments. The Company adopted this new guidance utilizing the modified retrospective transition method. The adoption of this Standard did not have a material impact on the Company's consolidated financial statements but did change how the allowance for credit losses is determined.

(h) Software Costs

The Company develops and purchases computer software that is used both internally by the Company and externally to provide services to franchisees. These costs are capitalized as qualifying internal and external costs incurred in connection with designing, coding, installing, and testing internal use software. The Company ceases capitalization at the point in which the project is substantially complete and ready for its intended use. These costs are amortized on the straight-line basis generally over 3 to 5 years.

(i) Goodwill

Goodwill relates substantially to the acquisition of the Company from predecessor owners as well as from newly acquired franchisees.

Under the current accounting guidance ASU No. 2014-02, *Accounting for Goodwill*, private companies have the option to amortize goodwill over 10 years or less, and use a simplified, trigger-based impairment model that allows an accounting policy election of assessing impairment at either the entity-wide level or the reporting unit level. The Company amortizes goodwill over ten years and has elected to assess impairment at the reporting unit level.

Under the accounting alternative elected, goodwill is tested for impairment by determining if an event has occurred or circumstances have changed that indicate that the fair value may be below carrying value. If it is determined that there are no triggering events, then further evaluation is unnecessary. If there is a triggering event, an assessment will be made to determine whether it is more likely than not that the fair value of the entity is less than its carrying amount. Asset values determined to be impaired are expensed in the period when impairment is determined. There were no goodwill impairment charges for the fiscal years ended December 30, 2023, December 31, 2022, and December 25, 2021.

(j) Income Taxes

In December 2019, the FASB issued ASU No. 2019-12, *Income Taxes (Topic 740) Simplifying the Accounting for Income Taxes*. The Board issued this Update as part of its Simplification Initiative to improve areas of GAAP and reduce cost and complexity while maintaining usefulness of the information provided to users of the financial statements. The amendments in this Update include simplifying income tax accounting in areas such as income-based franchise taxes, eliminating the requirements to allocate consolidated current and deferred tax expense to a legal entity that is not subject to tax in its separate financial statements, and requiring that an entity reflects the effect of enacted changes in tax laws or rates in the annual effective tax rate computation in the interim period that includes the enactment date. For nonpublic companies, the standard is effective for fiscal years beginning after December 15, 2021. Early adoption of the amendments is permitted for periods for which financial statements have not yet been made available for issuance. The Company early adopted ASU No. 2019-12 during the fiscal year ended December 25, 2021. This allows the Company to no longer record income tax expense and deferred taxes since it changed status from a taxable corporation to a single member limited liability company (Note 1) which is treated as a disregarded entity for income tax purposes effective December 27, 2020.

The amendments in this Update, related to the separate financial statements of legal entities that are not subject to tax, have been applied on a retrospective basis. All other amendments did not have a significant impact on the Company's financial results. As a result of the adoption, the Company recorded a reduction to deferred tax liability of \$7,391,537 through retained earnings during the year ended December 25, 2021.

As of December 30, 2023, December 31, 2022, and December 25, 2021, the Company had insignificant income tax expense related to state minimum taxes and no deferred tax assets/(liabilities).

(k) Revenue Recognition and Deferred Revenue

The Company applies the provisions of ASC Topic 606, *Revenue from Contracts with Customers* ("Topic 606"). The standard requires the Company to recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

The Company has evaluated each of the five steps in Topic 606, which are as follows: (1) identify the contract with the customer; (2) identify the performance obligations in the contract; (3) determine the transaction price; (4) allocate the transaction price to the performance obligations; and (5) recognize when (or as) performance obligations are satisfied.

The Company generates revenues primarily through the printing and distribution of coupons, flyers, and other promotional materials as well as through the offering of digital advertising products.

Printing and Mailing

Printed products are marketed through a network of franchises throughout the United States with the Company being the Franchisor. A franchise agreement is executed with the marketing firm (i.e., the franchise, who is the customer in the arrangement) and establishes general terms and conditions for sales and distribution of Valpak printed materials within the designated territory, as well as the terms for sales/distributions within different territories. The transaction price is determined through an agreed-upon price list between the Company and the franchise. In addition, the Company sells to national level companies for advertising in multiple Valpak franchise territories. In national sales arrangements, master agreements are executed between the Company and the national customer, under which they submit orders or statements of work which sets forth the specific goods and services to be provided, pricing, timing, and other relevant terms. The transaction price is determined based upon the terms stated within such agreement. National sales advertisements mail into the envelopes/territories that are owned by the individual franchises.

Because the contracts do not involve the franchises directly, the Company issues credits to the respective franchises for national ads that run in these envelopes/territories.

The transaction price for revenue derived from the franchise network and national customers typically consists of fixed consideration, some form of variable consideration, and reimbursements for postage. Variable consideration may include graphic cancellation fees that the Company may charge to the customer at its discretion. In addition, there is a potential for credits to be issued for errors on the part of the Company. All variable consideration has been estimated using the expected value method, and these estimates are constrained to the amount for which it is probable that a significant reversal will not occur, by taking into consideration historical activity with respect to customer behavior, sales history, and other factors impacting these estimates. The Company updates its estimate of the variable component of the transaction price throughout the term of the contract to depict conditions that exist at each reporting date.

Contracts with the franchise network and national customers contain provisions under which the Company will mail replacement envelopes at no additional charge to the customer in the event of a mailing error. These provisions represent assurance-type warranties and are accounted for as cost accruals under existing guidance. As of December 30, 2023, December 31, 2022, and December 25, 2021, the Company has estimated that its exposure under these provisions is immaterial in light of historical trends.

Revenue from printing and mailing is recognized at the estimated amount of the transaction price when the performance obligation is satisfied. The Company satisfies their performance obligation at the point in time at which control of the services transfers to the customer, which is generally at the point of mailing. The Company requires advance payment for some of its mailings. Payments received for mailings which were not completed and fulfilled at year-end are reflected in accrued expenses and other liabilities on the accompanying consolidated balance sheets.

Digital Marketing

Digital marketing refers to any method of marketing that enables our customers to reach their customers through digital channels, like the internet or mobile phones. Digital marketing solutions are a great addition to customers' direct mail campaign, increasing the reach of their offer and driving more consumers to their website or social channels. Performance obligations under these contracts typically include any of the following services:

- Development and Maintenance/Hosting
- Search Engine Marketing ("SEM")
- Display Advertising
- Search engine Optimization ("SEO")
- Social Media Marketing

The transaction price for these contracts typically consists of a one-time fixed setup fee and fixed monthly payments. Since fees are nonrefundable, and there are no contractual provisions for potential adjustments, there is no variable consideration attributable to probable reversals. The transaction price is allocated to the performance obligations on the basis of their stand-alone selling prices, which are based on list price. Pricing practices and policies take into account factors such as the type of customer and are applied consistently and systematically. Digital marketing service revenues are recognized over time given that, depending on the specific type of service, either:

- the customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs, or
- the Company's performance does not create an asset for which it has an alternative use and the Company has an enforceable right to payment for performance completed to date.

The measures of progress toward satisfaction of these performance obligations varies based on the specific service. Time-based ratable methods are used to recognize revenue from recurring monthly services or other stand-ready obligations. Other input methods, such as hours incurred relative to total hours, are used to measure progress for services such as website development.

(l) Fiscal Year End

The Company's fiscal years ended on December 30, 2023, December 31, 2022, and December 25, 2021, each containing 52, 53 and 52 weeks, respectively.

(m) Use of Estimates

The preparation of the accompanying consolidated financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent assets and liabilities at the date of the consolidated financial statements, as well as the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(n) Fair Value Measurements

The Company uses the framework established by the FASB for measuring fair value and disclosures about fair value measurements. This framework asserts that fair value is an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. The estimated fair value of amounts reported in the consolidated financial statements has been determined using available market information and valuation methodologies, as applicable. The carrying value of all current assets and liabilities approximates fair value because of their short-term nature. The carrying value of notes receivable approximates fair value as the interest rate is based on market rates for similar instruments and is reassessed periodically as market conditions change.

The framework established by the FASB for measuring fair value classifies the inputs used to measure fair value into the following hierarchy:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities;

Level 2: Unadjusted quoted prices in active markets for similar assets or liabilities, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active or inputs other-than-quoted prices that are observable for the asset or liability;

Level 3: Unobservable inputs for the assets or liabilities.

Financial assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Company does not have any significant accounts that are required to be marked-to-market on a recurring basis.

(o) Concentrations of Credit Risk

Financial instruments that potentially subject the Company to concentrations of credit risk consist of cash, accounts receivable, and notes receivable. Cash consists of cash demand accounts held with high-credit-quality financial institutions. The Company grants credit to its franchisees in the form of short-term accounts and notes receivable.

(p) Going Concern

On an annual basis, as required by ASC Topic 205, *Presentation of Financial Statements - Going Concern*, the Company performs an evaluation to determine whether there are conditions or events (known and reasonably knowable), considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued. The evaluation determined that there were no conditions, events, considered in the aggregate that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

(q) Reclassification

Certain accounts in the prior year 2022 consolidated financial statements have been reclassified for comparative purposes to conform with the presentation in the current year 2023 consolidated financial statements. These reclassifications had no effect on net income or total equity.

On December 8, 2017, the Company entered into an agreement to sell the land, building, building improvements and certain equipment at their manufacturing facility to an unrelated party and concurrently entered into a lease agreement for such property. The transaction did not qualify for sale leaseback accounting in accordance with ASC 840-40-20, *Leases*, because the lease included continuing involvement in the form of a parent company guarantee and thus was treated as a financing obligation. As mentioned in Note 2(f), the Company adopted FASB ASU No. 2016-02, *Leases* (Topic 842) effective December 26, 2021, which calls for reassessment of leases previously accounted for as a failed sale leaseback. Under the provisions of ASC 842, this lease now qualifies for sale leaseback accounting treatment as of December 26, 2021, resulting in a derecognition of the land, building, building improvements and certain equipment totaling \$33,574,853 net of accumulated depreciation of \$11,317,702, as of December 25, 2021. Total depreciation expense related to the leased equipment was \$0, \$0 and \$2,341,601 for the fiscal years ended December 30, 2023, December 31, 2022, and December 25, 2021, respectively.

Upon reassessing classification when adopting FASB ASU No. 2016-02, *Leases* (Topic 842), it was determined that the lease qualifies under the criteria as an operating lease, resulting in writing off the balance of the respective financing obligation of \$55,195,096 and in a derecognition of the land, building, building improvements and certain equipment on the accompanying consolidated balance sheets on December 26, 2021. Payments under the financing obligation for the fiscal year ended December 25, 2021 were \$4,849,121. (7) Operating Lease

The Company determines whether an arrangement is or contains a lease at contract inception. The lease term used in the evaluation includes the non-cancellable period for which the Company has the right to use the underlying asset, together with the renewal option periods when the exercise of the renewal option is reasonably certain. Leases do not contain any material residual value guarantees or material restrictive covenants. Certain leases contain provisions that require payment of common area maintenance costs which are expensed as incurred. Currently the manufacturing facility is the Company's only non-cancelable operating lease which has a contractual period of 22 years.

The following table presents supplemental consolidated balance sheet information, the weighted-average remaining lease term, and discount rate for operating leases as of December 30, 2023 and December 31, 2022:

Unless authorized in accordance with the preceding sentence, no amendment by COMPANY to the Intermarket Sales Policy (other than as provided in Section 3.2(b)(i)(A)) shall serve to reduce or infringe upon the rights granted to FRANCHISEE under this Agreement. Notwithstanding anything to the contrary, COMPANY and the Franchisees Association, upon their mutual written agreement, reserve the right to make changes, material or otherwise, to the Intermarket Sales Policy, including changes that may be imposed on short or no notice in order to serve the VALPAK® System.

(d) **Modifications to Electronic Advertising and Other Rights:** Notwithstanding anything to the contrary in this Section 3.2, FRANCHISEE agrees and acknowledges that: (i) Advertiser categories, and the rights and obligations of the parties with respect to the sale of Electronic Advertising or VALPAK® Envelopes to Advertisers in each category, are described in the Intermarket Sales Policy; (ii) COMPANY may, at any time in its sole discretion and without Consent of Franchisees, vary the duties, rights, obligations, compensation, pricing and vary the terms and conditions by which FRANCHISEE may participate in the sale and distribution of Electronic Advertising and Electronic Advertising Services, either as part of changes to the Intermarket Sales Policy, or otherwise; (iii) COMPANY may cancel its offering of Electronic Advertising and Electronic Advertising Services at any time upon six (6) months' notice; (iv) all such changes and/or cancellations will be effective, valid and binding on the FRANCHISEE on notice by the COMPANY to FRANCHISEE; and (v) any such cancellation, changes or modifications will have no other effect on the rights, duties and obligations of the parties under this Agreement.

3.3 **COMPANY Reserved Rights.** COMPANY reserves to itself and its affiliates the right, among others, in its sole judgment: to (a) operate and grant to others the license to operate businesses, including, without limitation, a business in accordance with the VALPAK® System, outside the Territory, on such terms and conditions as the COMPANY deems appropriate; (b) engage in the offer and sale of any advertising services and products and/or engage in the publication and/or distribution of any advertising or promotional materials within the Territory, by direct mail or otherwise that do not use the Marks or the VALPAK® System or are not included in VALPAK® Envelopes; (c) identify itself (and its affiliates) by its legal business name in connection with any activity within the Territory, provided that such activity does not adversely affect the reputation and goodwill of the VALPAK® System; (d) use any of the Marks within the Territory in connection with the promotion of the VALPAK® System or any aspect of the VALPAK® System; (e) solicit and sell, directly by National Sales, advertising products and services for distribution in the Territory using the Marks subject to the terms and conditions of the Intermarket Sales Policy; and (f) engage in any activity: (i) that the COMPANY is not otherwise expressly prohibited from engaging in by the terms and conditions of this Agreement or the Intermarket Sales Policy; and/or (ii) that is not exclusively granted to FRANCHISEE pursuant to Sections 3.1, 3.2 and 3.6 of this Agreement (anything not expressly granted by COMPANY to FRANCHISEE is reserved by COMPANY); and/or (iii) that FRANCHISEE has been given an opportunity to engage in, on terms and conditions generally available to other Franchisees, and that FRANCHISEE does not wish to engage in.

3.4 **Limitations.** The Franchise granted by this Agreement does not include any right on the part of FRANCHISEE to itself print, publish or distribute VALPAK® Envelopes or Advertising Inserts bearing the Marks or to cause any third party to do any of the foregoing, or to use the Marks other than in connection with the offer, sale and promotion of advertising in VALPAK® Envelopes in accordance with the VALPAK® System, and FRANCHISEE is expressly prohibited from engaging in any of such activities.

3.5 **Best Efforts.** During the Term, FRANCHISEE shall at all times: (a) faithfully, honestly and diligently perform its obligations hereunder; (b) continuously exert FRANCHISEE's best efforts to: (i) promote and enhance the VALPAK® System and the Marks; and (ii) the sale of Advertising Inserts, Electronic Advertising and all other products and services COMPANY authorizes FRANCHISEE to sell, in the Territory; and (c) follow and comply with Operating Procedures and participate in and support COMPANY's marketing, promotional and lead generation programs.

3.6 **Other Products and Services.** COMPANY may from time to time offer FRANCHISEE the right to promote, market, sell and distribute other products and services. COMPANY will specify the terms and conditions by which FRANCHISEE may participate in doing so and may vary them from time to time. In addition, COMPANY may, but will not be obligated to, develop new products and services which may be available to FRANCHISEE and become part of the Franchised Business. In doing so, COMPANY may consult with the Franchisees Association for advice. COMPANY may market, promote, sell and distribute such products and services anywhere through National Sales and through O&O Franchisees as part of its development, testing and introduction of such products consistent with the territorial rights contained in this Agreement and the Intermarket Sales Policy. If it wants to include FRANCHISEE in such development, testing and introduction, it will ask FRANCHISEE and FRANCHISEE, upon agreeing to do so, will participate in such development, testing and introduction without compensation from COMPANY and will provide information, data, recommendations and advice to COMPANY relating to such products and services in accordance with the means developed by COMPANY for doing so. COMPANY may require FRANCHISEE to sign a confidentiality agreement relating to such products and services and FRANCHISEE agrees to do so. FRANCHISEE agrees that its participation in such testing and development programs is at its own risk, that the terms of participation may vary, and that any products and services so introduced, developed and tested will constitute products and services that are part of a Competitive Business, unless COMPANY specifies otherwise in writing. If COMPANY decides such new product or service should constitute part of the Franchised Business, and

has obtained the Consent of Franchisees to do so, then: (a) FRANCHISEE must utilize its best efforts to promote, market, sell and distribute such products and services in its Territory on the terms and conditions as have been approved by the Consent of Franchisees, and that the sale or promotion of the same or similar products and services will also constitute a Competitive Business for all other purposes of this Agreement; and (b) if FRANCHISEE fails to do so within 6 months' notice from COMPANY, then COMPANY or its designees may market, promote, sell and distribute such products and services in the Territory without restriction or compensation to FRANCHISEE.

4.1 **Software.** FRANCHISEE must utilize, and license or purchase from COMPANY or its designees, as COMPANY may designate from time to time, all computer or other electronic device Software and related systems that COMPANY designates from time to time (currently known as VPOffice®). Pursuant to one or more separate written license agreements, COMPANY will, subject to this Agreement, license the Software to FRANCHISEE on a nonexclusive, nontransferable basis in accordance with the policies and procedures COMPANY designates for the use of such Software (or FRANCHISEE must license directly from COMPANY's designee, as COMPANY specifies). FRANCHISEE will sign and deliver to COMPANY such license agreements for the Software as COMPANY then currently requires. Upon the expiration (without renewal) or earlier termination of this Agreement, COMPANY will have full access to all data input in the Software for any purpose whatsoever, and FRANCHISEE's rights to use all such Software, and the related license agreements, will terminate. FRANCHISEE will be solely responsible for obtaining, maintaining and operating at its expense all computer hardware and Software necessary for the use of the Software. COMPANY will not require FRANCHISEE to purchase, license or use any Software unless COMPANY reasonably believes that FRANCHISEE's use of such Software will: (i) improve FRANCHISEE's performance under this Agreement; (ii) improve communication and dissemination of information between and among COMPANY and its Franchisees or with Customers and Advertisers; (iii) enable transmission of graphics, advertising copy, copyrighted designs, artwork and other information or data concerning VALPAK® products and services between and among Advertisers, Franchisees and COMPANY; and/or (iv) enable FRANCHISEE to furnish financial information to COMPANY and utilize such financial information to improve the operation of the Franchised Business.

4.2 **Restrictions on Use.** Except as expressly provided in this Agreement or as may be designated by COMPANY in the Operating Procedures, FRANCHISEE: may use the Software solely for internal business purposes related to the Franchised Business; and must not Transfer, sublicense or otherwise assign its rights in the Software to any third party nor allow any third party to access or use the Software. FRANCHISEE shall not have the right to alter or modify the Software without the express prior authorization of COMPANY. FRANCHISEE shall not have the right to, and must not, reverse engineer the Software to develop any other computer program or business system or methods. FRANCHISEE may make a reasonable number of object code copies of the Software for archival purposes. FRANCHISEE may not otherwise copy all or any part of the Software without COMPANY'S consent.

4.3 **New or Replacement Business Systems.** COMPANY may, in its sole judgment, designate new or replacement business systems, accounting systems, software, Customer relationship and prospective Customer/management systems ("CRM Software") from time to time, which FRANCHISEE must utilize and which COMPANY may require FRANCHISEE to license or purchase from COMPANY, its designees or third parties. FRANCHISEE must keep all types of data COMPANY designates in such or relating to such systems current, in accordance with the standards COMPANY may designate from time to time. FRANCHISEE must use and adhere to the accounting, bookkeeping, recordkeeping, prospecting/client management, and similar systems specified by COMPANY from time to time in the Operating Procedures. Some of these systems may be added to the Software or may be software acquired at FRANCHISEE's expense from third parties. FRANCHISEE acknowledges and agrees that, without

limitation of Section 8.1(c), all information and data input contained in the CRM Software at any time is at all times the sole property of COMPANY.

5. **TRAINING, GUIDANCE AND SERVICES.**

5.1 **Training.** COMPANY will provide to FRANCHISEE (or, if FRANCHISEE is a business entity, up to two Owners) and, unless COMPANY otherwise agrees in writing, FRANCHISEE (or, if FRANCHISEE is a business entity, at least one Owner) will attend and complete to COMPANY's satisfaction the new franchise owner training offered after the execution of this Agreement. In its discretion, COMPANY may offer new franchise owner training and New Representative Orientation to additional persons associated with FRANCHISEE. COMPANY may charge, and FRANCHISEE will pay, COMPANY's then-current standard fees for furnishing new franchise owner training and/or New Representative Orientation to additional persons. New franchise owner training and New Representative Orientation will occur at such places and times as COMPANY designates.

In addition to new Franchise owner training and New Representative Orientation, FRANCHISEE and/or its Owners shall attend and complete such supplemental, refresher or new or additional training programs as COMPANY, in its discretion, may require. COMPANY will provide sales training to large and regional Advertisers at such times and in such frequency as it determines appropriate based on the demand of Franchisees in general and the number of trainees qualified to undertake such training, and FRANCHISEE may attend such training if it has qualified for it, has the potential Customers and marketplace to justify attending, and resources to implement the training in its business. COMPANY may charge and FRANCHISEE will pay COMPANY's then-current standard fees for furnishing such training programs.

COMPANY may, but is not required to, host periodic Business Meetings for Franchisees. In its discretion, COMPANY may require FRANCHISEE (or if FRANCHISEE is a business entity, at least one Owner that is not an Entity Owner and/or the Key Person) to attend, another COMPANY-affiliated national meeting.

Unless COMPANY otherwise agrees, FRANCHISEE shall be solely responsible for all compensation, travel, lodging and living expenses incurred by FRANCHISEE, its Owners and employees in connection with attendance at new franchise owner training, and New Representative Orientation, supplemental and refresher training programs, and all other meetings and training sessions held by COMPANY.

Unless COMPANY and FRANCHISEE otherwise agree, COMPANY will provide to FRANCHISEE a New Franchise Owner Kit to assist FRANCHISEE with the start-up of the Franchised Business.

5.2 **Operating Procedures.** During the Term, COMPANY will provide FRANCHISEE with access to the Operating Procedures, either through insidevalpak.com or other electronic means, at no additional charge by COMPANY. COMPANY has the right to modify the Operating Procedures periodically to reflect changes in the specifications, standards, policies and Operating Procedures prescribed for franchised businesses operating under the VALPAK® System. All changes to the Operating Procedures shall be approved by an officer of COMPANY and shall become effective on the later of (i) 20 days after the date on which COMPANY gives notice of such change to FRANCHISEE, or (ii) such later date as COMPANY may specify in its notice to FRANCHISEE. FRANCHISEE shall keep any copies of Operating Procedures it maintains during the Term current; however, in the event of a dispute, the master copy maintained by the COMPANY at its principal office shall control. FRANCHISEE agrees that the contents of the Operating Procedures are confidential, and that FRANCHISEE will not disclose any

Operating Procedures to any person other than employees of the Franchised Business who need to know them.

5.3 **COMPANY's Publication of VALPAK® Envelopes.** If FRANCHISEE is not in default of any monetary obligations to COMPANY, is in substantial compliance with this Agreement, any related agreements with COMPANY and with Operating Procedures, then COMPANY and its affiliates, as the sole publisher and distributor of VALPAK® Envelopes, agrees to publish and distribute VALPAK® Envelopes: (1) within the Territory in Mailings for which FRANCHISEE has submitted Insertion Orders, all in accordance with the VALPAK® System; (2) in such other geographic areas for Mailings ordered by other Franchisees in accordance with and subject to their franchise agreements and the Intermarket Sales Policy; and (3) in such other geographic areas (that may be outside the network of VALPAK® Franchisees) as COMPANY decides in its sole discretion to conduct Mailings from time to time. Notwithstanding the foregoing, COMPANY will not be liable for, or be in breach of this Agreement due to, the failure to mail or distribute, or for the Production of, VALPAK® Envelopes anywhere other than in the Territory.

(a) **Content:** FRANCHISEE and COMPANY acknowledge and agree that COMPANY:

- (i) shall have final approval over the form and content of each individual item to be included in a VALPAK® Envelope;
- (ii) shall have the sole discretion to determine the appearance and style of VALPAK® Envelopes, and to modify them from time to time, after consulting with the Franchisees Association, but the content of the VALPAK® Envelope itself (as opposed to the contents inside the VALPAK® Envelope) is at COMPANY's sole discretion;
- (iii) shall have the right to reject any Advertising Insert if COMPANY believes that such Advertising Insert: (1) would violate any state, federal or local law; (2) would violate any common law, intellectual property, statutory or contractual right of any person or entity; or (3) the Customer ordering such Advertising Insert could, by association, reflect negatively on COMPANY, its franchisees or on other Customers or which could injure the goodwill associated with the Marks; and
- (iv) shall produce and distribute, or arrange for the Production and distribution, of all VALPAK® Envelopes to be distributed in accordance with this Agreement, which Production shall include, without limitation: (1) the graphics preparation and printing, from final proofs provided by FRANCHISEE, of all Advertising Inserts other than those supplied by FRANCHISEE in accordance with Section 9.2; (2) collation and insertion of Advertising Inserts, including those supplied by FRANCHISEE in accordance with Section 9.2; (3) labeling and direct mailing of VALPAK® Envelopes; and (4) any other services provided by COMPANY as part of the VALPAK® System.

(b) **Mailings:** COMPANY shall use its reasonable efforts to place an ordered Mailing into distribution within nine (9) business days, or such shorter time as COMPANY may from time to time specify, following its receipt of an Insertion Order. COMPANY shall not be deemed to be in breach of its obligations to FRANCHISEE as a result of errors in the Production or distribution of VALPAK® Envelopes. However, in the event that COMPANY delivers a Mailing to the U. S.

Postal Service and all or any portion of such Mailing is not delivered or is delivered to the wrong zip codes due to COMPANY's error or the error of the U.S. Postal Service, and through no fault of FRANCHISEE, COMPANY will re-mail VALPAK® Envelopes at no additional charge to FRANCHISEE. COMPANY shall publish in its Operating Procedures its policies regarding credits for Production errors, as such policies may be amended from time to time.

(c) **Disruptions / Alternatives:** In the event COMPANY is unable to accomplish the Production of VALPAK® Envelopes as a result of a strike, labor dispute, natural disaster, fire, war, act of terror, act of God or other event beyond the reasonable control of COMPANY, COMPANY shall use reasonable efforts to arrange for the Production of VALPAK® Envelopes using alternate resources. If COMPANY is unable to arrange for Production through an alternate source, then COMPANY shall so notify FRANCHISEE, and FRANCHISEE shall then be entitled to make arrangements for the Production of VALPAK® Envelopes using its own sources; provided however, that COMPANY may require FRANCHISEE to discontinue using such alternate source at any time based on the general reputation of such source for quality and reliability, or on COMPANY's evaluation of the quality of the products and services provided by such source, provided that other sources are then available on reasonable terms. FRANCHISEE shall resume using COMPANY for all Production at such time as COMPANY notifies FRANCHISEE that COMPANY is again able to perform Production services.

6. MARKS.

6.1 **Ownership and Goodwill of Marks.** FRANCHISEE acknowledges that FRANCHISEE has no right, title or interest in the Marks other than the limited right to use the Marks in strict accordance with this Agreement, and that FRANCHISEE's right to use the Marks is derived solely from this Agreement and is limited to the conduct of the Franchised Business pursuant to and in compliance with this Agreement and all applicable specifications, standards, policies and Operating Procedures prescribed by COMPANY from time to time. Any unauthorized use of the Marks by FRANCHISEE shall constitute an infringement of the rights of COMPANY in and to the Marks.

FRANCHISEE agrees that all usage of the Marks by FRANCHISEE and any goodwill established thereby shall inure to the exclusive benefit of COMPANY, and FRANCHISEE acknowledges that this Agreement does not confer any goodwill or other interest in the Marks upon FRANCHISEE. FRANCHISEE shall not, at any time during the Term or after its termination or expiration, contest COMPANY's rights and interest in and to the Marks, or COMPANY's ownership of any of the Marks, or assist any other person in contesting COMPANY's rights and interest in and to the Marks or COMPANY's ownership of any of the Marks, or the application for registration of any of the Marks as trademarks, service marks or trade names. FRANCHISEE further agrees that it will not, during the term hereof or thereafter, register or seek to register as a trademark, service mark, trade name or corporate name, federally or in any state, territory, district or foreign country, any of the Marks or any trademark, service mark, trade name or corporate name similar to or derivative of any of the Marks.

All provisions of this Agreement applicable to the Marks apply to any additional trademarks, logo forms and commercial symbols hereafter authorized for use by and licensed to FRANCHISEE pursuant to this Agreement.

6.2 **Limitation on FRANCHISEE's Use of Marks.** FRANCHISEE agrees to identify COMPANY and its ownership thereof in a manner prescribed or approved in writing by COMPANY and shall identify itself as a franchisee of COMPANY and a licensed user of the Marks. If FRANCHISEE uses a fictitious or assumed name in connection with the operation of the Franchised Business, it shall file appropriate fictitious or assumed name affidavits in the jurisdictions where it is conducting business.

FRANCHISEE shall not use any Mark as part of any corporate or legal business name, or (except in its assumed or fictitious business name approved by COMPANY) with any prefix, suffix or other modifying words, terms, designs or symbols, or in any modified form. FRANCHISEE shall not use any Mark in connection with the offer or sale of any products or services other than advertising in VALPAK® Envelopes, or in a manner that may result in liability of COMPANY for any indebtedness or obligation of FRANCHISEE, or in any other manner not expressly authorized in writing by COMPANY. Any advertising or promotional materials used by FRANCHISEE that use the Marks must be in compliance with COMPANY's requirements relating to such use of the Marks and with COMPANY's standards for advertising. FRANCHISEE agrees to display the Marks prominently and as prescribed by COMPANY on signs, stationery and forms, and to use only the Marks as the names or Marks in connection with the Franchised Business. FRANCHISEE agrees not to use the Marks in any manner which could adversely affect the reputation of COMPANY. In each instance that FRANCHISEE uses the name "VALPAK®," it shall use the symbol ® immediately after such name to denote the federal registration of the VALPAK® name. FRANCHISEE shall furnish to COMPANY upon request, at any time and from time to time, samples of all materials on which FRANCHISEE uses any of the Marks.

6.3 **Modification or Substitution.** If it becomes advisable at any time, in COMPANY's sole discretion, for COMPANY and/or FRANCHISEE to modify or discontinue use of any Mark, and/or to use one or more additional or substitute trademarks, FRANCHISEE agrees to comply with COMPANY's directions to do so immediately upon receipt of notice thereof by COMPANY, and FRANCHISEE shall have no right to compensation or reimbursement from COMPANY for any loss arising from the loss of the use of such Marks. COMPANY will consult with the Franchisees Association prior to making a final decision to modify or discontinue the VALPAK® mark.

6.4 **Notification of Infringements and Claims.** FRANCHISEE shall notify COMPANY of any apparent infringement of or challenge to FRANCHISEE's use of any Mark, or claim by any person of any rights in any Mark as soon as reasonably practicable but in no event later than ten days of the receipt by FRANCHISEE of notice of any of the foregoing. FRANCHISEE shall not communicate with any person other than COMPANY and COMPANY's counsel in connection with any such infringement, challenge or claim. COMPANY shall take such action, if any, as it, in its sole and absolute discretion, deems appropriate, and shall have the right to exclusively control any litigation or Patent and Trademark Office proceeding or other proceeding arising out of any such infringement, challenge or claim or otherwise relating to any Mark, and FRANCHISEE agrees to execute any and all instruments and documents, render such assistance and do such acts and things as may, in the opinion of COMPANY's counsel, be necessary or advisable to protect and maintain the interests of COMPANY in any such litigation or Patent and Trademark Office proceeding or other proceeding or to otherwise protect and maintain the interests of COMPANY in the Marks. COMPANY will reimburse FRANCHISEE for its reasonable out-of-pocket expenses incurred in complying with specific requests made by COMPANY under this Section 6.4.

7. **RELATIONSHIP OF THE PARTIES/INDEMNIFICATION.**

7.1 **Relationship of Parties.** The parties agree that this Agreement does not create a fiduciary relationship between them, that FRANCHISEE is an independent contractor, and that nothing in this Agreement is intended to make either party a general or special agent, legal representative, joint venturer, partner or employee of the other party for any purpose. FRANCHISEE shall conspicuously identify itself in all dealings with Customers, Advertisers, suppliers, public officials, employees and others as the independent owner and operator of the Franchised Business under a franchise agreement with COMPANY, and shall place such other notices of independent ownership and operation on such signs, forms, stationery, advertising and other materials as COMPANY may require from time to time.

In consideration of the Franchise granted to FRANCHISEE, FRANCHISEE, on behalf of itself and its predecessors, affiliates, owners, directors, officers, employees, representatives, agents, successors and assigns (for purposes of this Section 7.1, the “**FRANCHISEE Releasors**”), hereby release, discharge and agree to hold harmless the COMPANY and its predecessors, affiliates, owners, directors, officers, employees, representatives, agents, successors and assigns (for purposes of this Section 7.1, the “**COMPANY Releasees**”) from any and all suits, claims, liabilities, demands, promises, obligations, costs, expenses, actions and causes of action of every nature, character and description, in law or in equity, whether presently known or unknown, vested or contingent, suspected or unsuspected, which the FRANCHISEE Releasors now own or hold or have at any time heretofore owned or held or may at any time own or hold against the COMPANY Releasees arising out of or in any way related to FRANCHISEE’s independent contractor status including, without limitation, wage and hour laws, misclassification theories or any similar type of laws or liability theories aimed at protecting employees (“**Released Claims**”). FRANCHISEE Releasors hereby covenant not to bring any suit, action, or proceeding, or make any demand or claim of any type, against the COMPANY Releasees with respect to the Released Claims. Any of the COMPANY Releasees may plead or assert the covenant not to sue in this Section 7.1 as a complete defense and bar to any claim brought against any of them in contravention of this Section 7.1 and, if any such claim is brought against any of them, the FRANCHISEE Releasors, jointly and severally, shall indemnify, defend, and hold harmless any such COMPANY Releasees from and against any such claim. The FRANCHISEE Releasors acknowledge that they have read and understand the significance and consequences of Section 1542 of the California Civil Code which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Nevertheless, the FRANCHISEE Releasors acknowledge that this Section 7.1 has been agreed upon and they expressly waive any and all rights which any of them may have under Section 1542 of the California Civil Code, or any other state or federal statute or common law principle of similar effect.

Neither COMPANY nor FRANCHISEE shall make any express or implied agreements, guarantees or representations on behalf of the other, or incur any debt in the name of or on behalf of the other, or represent that FRANCHISEE has any relationship with COMPANY other than as a franchisee of COMPANY pursuant to this Agreement. COMPANY shall not be obligated by or have any liability under any agreements or representations made by FRANCHISEE, nor shall COMPANY be obligated for any damages to any person or property directly or indirectly arising out of the operation of the Franchised Business.

COMPANY and/or its affiliates will be solely responsible for all use and sales taxes imposed by any state on the sale of advertising, printing services and sales or use of other products and services by National Sales. But COMPANY shall have no liability for any sales, service, value added, use, excise, gross receipts, property or other taxes, whether levied upon FRANCHISEE, the Franchised Business or its assets, or upon COMPANY, in connection with sales made, services performed or business conducted by FRANCHISEE, or payments made to COMPANY by FRANCHISEE, except for (i) any taxes which COMPANY actually collects from FRANCHISEE with respect to purchases from COMPANY; (ii) any taxes due upon COMPANY’s taxable income; or (iii) taxes imposed by the State of Florida on the sale of COMPANY’s services to FRANCHISEE, provided that such taxes relate to Insertion Orders submitted by FRANCHISEE before COMPANY’s receipt of notice of such assessment, or to the first Insertion Order

submitted by FRANCHISEE thereafter. COMPANY agrees to notify FRANCHISEE of receipt of any such notice of assessment within a reasonable time thereafter.

7.2 **Indemnification by FRANCHISEE.**

(a) **Scope:** FRANCHISEE agrees to indemnify and hold all COMPANY-affiliated Indemnified Parties harmless against any loss, liability, expense or damages, which any of them may suffer or incur, which arises from or in connection with FRANCHISEE's breach of its obligations hereunder, FRANCHISEE's ownership or operation of the Franchised Business, the use of the Marks by FRANCHISEE in a manner which is inconsistent with COMPANY's instructions with respect thereto, any Advertising Insert or any other material provided to COMPANY by FRANCHISEE, or by reason of the Transfer or sublicensing of any interest in this Agreement, the Franchise, the Franchised Business, or the ownership of FRANCHISEE. For purposes of this Section, damages shall include all reasonable costs and expenses incurred by an Indemnified Party in connection with any claim, suit, proceeding or investigation against such Indemnified Party, including without limitation, reasonable accountants', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses.

(b) **Procedure:** If any claim or demand is asserted against or sought to be collected from an Indemnified Party by a third party, said Indemnified Party shall send a Claim Notice to FRANCHISEE within thirty (30) days of the receipt of such claim or demand; provided however, that any failure to give such COMPANY Claim Notice shall not constitute a waiver of any rights of the Indemnified Party hereunder unless such failure materially prejudices the defense of the third party claim. The Indemnified Party shall have the right to exercise exclusive control over the defense of any such claim or demand in such manner as it, in its sole discretion, deems appropriate or desirable. The Indemnified Party shall state in its Claim Notice whether it elects to control the defense of such claim or demand; provided however, that an election by the Indemnified Party not to control the defense of such claim or demand shall not preclude the Indemnified Party from subsequently assuming control of such defense, which it may do at any time during the pendency of such claim or demand by delivering written notice to FRANCHISEE of such election.

(c) **Defense:** Regardless of whether COMPANY elects to exercise control over the defense of any claim or demand in which COMPANY is a named party, in no event shall FRANCHISEE concede liability on its own behalf or on behalf of COMPANY, or compromise or offer to compromise such claim without COMPANY's prior written consent, nor will FRANCHISEE take any other action which might impair COMPANY's ability to defend such claim.

(d) **Limitations:** An Indemnified Party shall have no right to seek or obtain indemnification from FRANCHISEE under this Section unless it sends a Claim Notice to FRANCHISEE during the Term or within two years from its expiration or termination.

(e) **Remedies:** FRANCHISEE acknowledges and agrees that the provisions of this Section do not constitute an exclusive remedy, and COMPANY retains all remedies which it may otherwise have at law or in equity for the duration of the applicable statute of limitations.

7.3 Indemnification by COMPANY.

(a) **Scope:** COMPANY agrees to indemnify and hold all FRANCHISEE-affiliated Indemnified Parties harmless against any loss, liability, expense or damages, which any of them may suffer or incur, which arises from or in connection with:

- (i) National Sales;
- (ii) operation of COMPANY's or National Sales' business and their sale of advertising services and products, and any Advertising Insert or any other material provided by COMPANY; and
- (iii) infringement claims by third parties due to FRANCHISEE's use of the Marks pursuant to and in compliance with this Agreement.

For purposes of this Section, damages shall include all reasonable costs and expenses incurred by an Indemnified Party in connection with any claim, suit, proceeding or investigation against such Indemnified Party, including without limitation, reasonable accountants', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses.

(b) **Procedure:** If any claim or demand is asserted against or sought to be collected from an Indemnified Party by a third party, said Indemnified Party shall send a Claim Notice to COMPANY within thirty (30) days of the receipt of such claim or demand (or within 10 days for claims involving the VALPAK® Mark); provided however, that any failure to give such FRANCHISEE Claim Notice shall not constitute a waiver of any rights of the Indemnified Party hereunder unless such failure materially prejudices the defense of the third party claim. COMPANY shall have the right to exercise exclusive control over the defense of any such claim or demand in such manner as it, in its sole discretion, deems appropriate or desirable. Notwithstanding the foregoing, COMPANY shall have the right (but not the obligation) to exercise exclusive control over the defense of any such claim or proceeding involving infringement claims by giving written notice to FRANCHISEE of its intent to do so at any time during the pendency of such claim or proceeding or during any appeal relating thereto.

(c) **Defense:** In no event shall COMPANY concede liability on its own behalf or on behalf of FRANCHISEE, or compromise or offer to compromise such claim without FRANCHISEE's prior written consent, nor will COMPANY take any other action which might impair FRANCHISEE's ability to defend such claim, unless COMPANY is responsible for satisfying the claim without contribution from FRANCHISEE.

(d) **Limitations:** An Indemnified Party shall have no right to seek or obtain indemnification from COMPANY under this Section unless it sends a Claim Notice to COMPANY during the Term or within two years from its expiration or termination.

(e) **Remedies:** COMPANY acknowledges and agrees that the provisions of this Section do not constitute an exclusive remedy, and FRANCHISEE retains all remedies which it may otherwise have at law or in equity for the duration of the applicable statute of limitations.

8. **CONFIDENTIAL INFORMATION/EXCLUSIVE RELATIONSHIP.**

8.1 **Confidential Information.**

COMPANY has a proprietary interest in all Confidential Information and all Confidential Information shall constitute a trade secret of COMPANY. Certain Confidential Information will be disclosed to or learned by FRANCHISEE in connection with its ownership and operation of the Franchised Business. FRANCHISEE acknowledges and agrees that, among other things, all Customer lists and Customer data and information generated by the Franchised Business constitute Confidential Information and shall be and remain the sole and exclusive property of COMPANY.

(a) **Limitations On Use:** The Confidential Information is made available to FRANCHISEE by COMPANY solely on the condition that FRANCHISEE agrees, and FRANCHISEE does hereby agree, that FRANCHISEE (and each of its Owners): (1) will not use the Confidential Information in any other business or capacity; (2) will maintain the absolute confidentiality of the Confidential Information during and after the Term; (3) will not make copies of any Confidential Information provided to FRANCHISEE in writing; (4) will not reduce to writing any Confidential Information provided to FRANCHISEE in an unwritten form; and (5) will adopt and implement all reasonable procedures prescribed from time to time by COMPANY to prevent unauthorized use or disclosure of the Confidential Information, including without limitation, restrictions on disclosure thereof to FRANCHISEE's employees and contractors, and the use and enforcement of nondisclosure clauses in employment agreements or service contracts with such persons. FRANCHISEE (and its Owners) shall be responsible for any breach of this Section 8.1(a) by any of FRANCHISEE's officers, directors, employees, agents and representatives, and shall take all reasonable measures not prohibited by law, including but not limited to legal action, to restrain a violation hereof by any of such persons.

(b) **FRANCHISEE Compelled Disclosure:** In the event that FRANCHISEE (or its Owners), or FRANCHISEE's officers, directors, employees, agents, or representatives receives a request or is required (by deposition interrogatory, request for documents, subpoena, civil investigative demand or similar process) to disclose all or any part of the Confidential Information, FRANCHISEE (and its Owners) agree to (i) immediately notify COMPANY of the existence, terms and circumstances surrounding such a request, (ii) consult with COMPANY on the advisability of taking legally available steps to resist or narrow such request, and (iii) assist COMPANY in seeking a protective order or other appropriate remedy. In the event that such protective order or other remedy is not obtained or that COMPANY waives compliance with the provisions hereof, (1) FRANCHISEE may disclose to any tribunal only that portion of the Confidential Information which FRANCHISEE is advised by written opinion of counsel is legally required to be disclosed or else stand liable for contempt or suffer other censure or penalty, and shall exercise FRANCHISEE's best efforts to obtain assurance that confidential treatment will be accorded such and (2) FRANCHISEE shall not be liable for such disclosure unless disclosure to any such tribunal was caused by or resulted from a previous disclosure by FRANCHISEE (or its Owners), or FRANCHISEE's officers, directors, employees, agents or representatives in violation of this Agreement.

(c) **FRANCHISEE Financial Information:** Franchisee acknowledges and agrees that certain FRANCHISEE Financial Information will be disclosed to and/or learned by COMPANY in connection with its relationship to FRANCHISEE and the Franchised Business. The preceding sentence notwithstanding, COMPANY agrees that it (1) will not use FRANCHISEE Financial Information in any other business or capacity, including a Competitive Business, unless disclosure relates to a product to be distributed primarily through the VALPAK® System; (2) will

adopt and implement reasonable procedures to prevent unauthorized use or disclosure of FRANCHISEE Financial Information, including without limitation, restrictions on disclosure to COMPANY's Franchisees, affiliates, employees and contractors, and where appropriate, COMPANY shall use appropriate nondisclosure provisions in employment agreements and service contracts with persons who have access to FRANCHISEE Financial Information. Despite anything to the contrary, COMPANY and FRANCHISEE agree that this Section 8.1(c) shall supersede provisions contained in Software license agreements between COMPANY and FRANCHISEE that govern COMPANY's obligation to maintain FRANCHISEE Financial Information in confidence.

(d) **COMPANY Disclosure of FRANCHISEE Financial Information:** In the event that COMPANY, or COMPANY's officers, directors, employees, agents, or representatives, receives a request or is required to disclose FRANCHISEE Financial Information, COMPANY agrees to (i) notify FRANCHISEE of the existence, terms and circumstances surrounding such a request, (ii) consult with FRANCHISEE on the advisability of taking legally available steps to decline or narrow the scope of such request, and (iii) assist FRANCHISEE in seeking a protective order or other appropriate remedy.

8.2 **Competitive Activities.** FRANCHISEE acknowledges and agrees that COMPANY would be unable to protect its Confidential Information against unauthorized use or disclosure and would be unable to encourage a free exchange of ideas and any information among Franchisees if FRANCHISEE (or its Owners or affiliates) were permitted to hold interests in, engage in, or support in any capacity, directly or indirectly, any Competitive Business. Therefore, neither FRANCHISEE nor its Owners or affiliates may hold interests in, engage in, or support in any capacity, directly or indirectly, any Competitive Business that has not been approved by COMPANY, in COMPANY's sole discretion, in advance in writing.

(a) COMPANY may, in its sole discretion, grant a waiver from any of the restrictive provisions of this Section 8.2, and thereby permit FRANCHISEE, its Owners or affiliates, and/or other Franchisees, to hold interests in, engage in, or support a Competitive Business. Any such waiver must be in writing and signed by a duly authorized officer of COMPANY. COMPANY shall determine the standards and qualifications upon which it may grant such a waiver, any or all of which may change from time to time and which may, amongst other things, include the following:

- (i) the Competitive Business is not subject to control or restriction by any Person other than FRANCHISEE (or its Owner(s));
- (ii) FRANCHISEE does not share any Confidential Information with the Competitive Business and takes precautions satisfactory to COMPANY (including written and other substantiating evidence) to ensure Confidential Information is neither disclosed to, nor used by, the Competitive Business;
- (iii) the Competitive Business is not associated with any of the Marks in any way;
- (iv) the Competitive Business is conducted solely within the Territory, and will not involve the distribution, marketing, sale or publication of advertising products or services outside the Territory, unless written consent of the COMPANY and the Franchisees operating in the Territory affected have been obtained; and

(v) the Competitive Business does not involve an advertising product which is substantially similar to an advertising product which is included in the VALPAK® System.

(b) If engaged in a Competitive Business with the prior written approval of COMPANY, FRANCHISEE must:

(i) provide COMPANY with a detailed listing of all Customers of the Competitive Business, both Customers that use the services of both the Franchised Business and the Competitive Business, as well as any Customers for whom the Competitive Business provides services or distributes advertising outside of the Territory, along with an obligation to update that list on a monthly basis or as otherwise requested by COMPANY from time to time;

(ii) provide COMPANY with a detailed listing, with annual or periodic updates, of all advertising services and products provided by the Competitive Business, the markets in which the Competitive Businesses operate and the degree to which such businesses promote, market, sell, service and otherwise operate outside of the Territory; and

(iii) provide COMPANY with a list of directors, officers, partners, managers and all personnel in a management or sales level position with the Competitive Business and updates such information as changes occur.

(c) Information supplied by FRANCHISEE to COMPANY pursuant to the foregoing will constitute FRANCHISEE Financial Information.

(d) FRANCHISEE will not enter into any contracts or business relationships that would either: (i) result in a violation of this Agreement; or (ii) restrict FRANCHISEE's performance under this Agreement.

(e) Notwithstanding the foregoing or any other contrary provision of this Agreement, during the Term, FRANCHISEE must not engage, directly or indirectly, in any business that involves cooperative direct mail advertising or the sale, marketing, promotion, printing or distribution of any Cooperative Direct Mail Advertising Products, other than Magazines.

8.3 **Other Businesses.** FRANCHISEE must operate the Franchised Business on a full-time basis or have a Key Person doing so. FRANCHISEE may be engaged in other business activities (other than a Competitive Business which is addressed in Section 8.2 above) subject to its obligation to dedicate its best efforts and commitments to operating the Franchised Business and selling advertising products and services authorized by COMPANY, only on the following terms and conditions:

(a) FRANCHISEE represents and warrants to the COMPANY that it has fully disclosed to the COMPANY, prior to entering into this Agreement, all other business interests and investments of any kind or nature, other than passive investments in publicly traded securities or mutual funds if the FRANCHISEE or its Owners or affiliates own or control less than 5% of the voting and equity securities of such publicly traded company or mutual fund.

(b) During the Term, FRANCHISEE must notify the COMPANY before entering into any other businesses either directly, or separately, via its Owners or affiliates. Furthermore,

FRANCHISEE (and its Owners) agree to promptly, truthfully, accurately and completely disclose all other business interests to COMPANY as and when COMPANY requests, and on such forms and other documents as COMPANY directs.

8.4 **Discontinuation.** If FRANCHISEE is engaged in a Competitive Business (directly or indirectly) as of May 2003, and COMPANY has approved (in writing or otherwise) FRANCHISEE's engagement in such Competitive Business prior to May 2003, but COMPANY is not willing to approve FRANCHISEE's involvement in such Competitive Business going forward, then FRANCHISEE will have one year from the Effective Date of this Agreement to sell or otherwise discontinue all of its operations and ownership in such Competitive Business and will not be considered in violation of this Agreement if it does so.

9. **COVENANTS OF FRANCHISEE.**

9.1 **Specifications, Standards and Operating Procedures.** FRANCHISEE shall provide prompt and courteous service to its Customers and comply with Operating Procedures at all times. FRANCHISEE acknowledges that the operation of the Franchised Business in an ethical and professional manner and in compliance with Operating Procedures is essential to preserve Customer relations and the goodwill associated with the VALPAK® System.

9.2 **VALPAK® Envelope Requirements.** COMPANY has developed standards and specifications for the products and services used in the Production of VALPAK® Envelopes, and in order to protect and maintain the reputation and goodwill of the VALPAK® System, Company will provide all goods and services in connection with the Production of VALPAK® Envelopes, except as otherwise provided herein. COMPANY will permit FRANCHISEE to supply certain components of VALPAK® Envelopes to be distributed within the Territory to a limited extent in accordance with the policies, conditions and procedures for FRANCHISEE supplied components established by COMPANY in its sole discretion from time to time, it being agreed by the parties, however, that a material premise and condition of this Agreement upon which COMPANY relies is that COMPANY shall be the main source of the components of VALPAK® Envelopes. The policies, conditions, and procedures under which such components of VALPAK® Envelopes may be supplied by FRANCHISEE will be established in the discretion of COMPANY based upon factors that may include (but are not limited to) COMPANY's existing and planned Production capabilities and capacities, COMPANY's arrangements with outside sources, COMPANY's standards and requirements for the efficient, accurate and timely publication and distribution of VALPAK® Envelopes and the continuation of COMPANY's ability to maintain such standards, the accommodation of certain types of Customers, and the testing and introduction of new products and procedures. The conditions and limitations on the use of FRANCHISEE supplied components may include, without limitation, additional service charges, review and pre approval conditions and procedures, the entering of appropriate licensing and restrictive agreements with COMPANY by suppliers of such components, and restrictions or requirements pertaining to the time and place of delivery. In addition, any components of VALPAK® Envelopes to be supplied by FRANCHISEE must meet the standards and specifications of quality, function, and appearance established by COMPANY from time to time. COMPANY has no obligation to use in the Production of a Mailing any components of VALPAK® Envelopes not prepared or supplied by COMPANY (or its agents or subcontractors) except as provided by, and on the condition that there has been full compliance with, the terms of this Section and COMPANY's policies, conditions and procedures established hereunder.

9.3 **Management and Personnel of the Franchised Business.** The Franchised Business shall at all times be under the direct supervision of FRANCHISEE (or its Owners, if applicable), or with COMPANY's written permission, a Key Person. In order to be qualified as a Key Person, the Key Person must first: (i) have been approved by COMPANY; and (ii) shall have satisfactorily completed

COMPANY's new franchise owner training at FRANCHISEE's expense. As a condition to the designation of a Key Person, FRANCHISEE shall require such person to execute an agreement containing confidentiality and non-compete provisions, which agreement shall be in the form prescribed by COMPANY for such purpose. With exception of the hiring and initial training of a Key Person, FRANCHISEE shall be exclusively responsible for the hiring and firing of all of FRANCHISEE'S employees, the terms of their employment, the proper training and for complying with all applicable laws, such as, but not limited to, wage, withholding tax, overtime, labor, and workers compensation.

9.4 **Performance Requirements.** Without limiting FRANCHISEE's other obligations under this Agreement, during the first 12 months after the date specified in Exhibit "B" to this Agreement, FRANCHISEE will place Insertion Orders for at least 10 Mailings. COMPANY will specify the minimum number of Envelopes for each of the first 10 Mailings. The number of Prime Households to which Mailings must be made under this Section will be rounded to the nearest increment of 10,000. After the first 12 months and for each succeeding 12-month period and each calendar year thereafter, FRANCHISEE must complete a minimum of 10 Mailings sent to at least 70% of the Prime Households in each county (or portion thereof) that falls within the Territory for the remainder of the Term, or higher frequency and market penetration rates as have been established by COMPANY. COMPANY will not: (a) change the formula for determining the definition of Prime Households without the consent of the Franchisees Association board of directors; or (b) increase the required frequency of Mailings or the percentage of Prime Households for such Mailings unless it has obtained Consent of Franchisees. If you are a new Franchisee purchasing an existing Territory, except as otherwise provided on Exhibit "B," FRANCHISEE must place Insertion Orders for Mailings at the same frequency currently existing in the Territory, but not less than 10 times during a 12-month period, to at least 70% of the Prime Households in the Territory.

COMPANY, in its discretion, may elect to phase-in the performance requirements for the benefit of FRANCHISEE. If COMPANY chooses to do so, FRANCHISEE will comply with substitute performance requirements specified by COMPANY. The substitute performance requirements will not exceed the performance requirements stated above, unless FRANCHISEE consents. COMPANY will specify the substitute performance requirements in Exhibit "B" to this Agreement, or otherwise in writing.

If the Territory does not contain at least one county (or portion thereof) having more than 50,000 Prime Households, then COMPANY will establish the number of households within the Territory on which the performance requirements will be determined, based on COMPANY's judgment as to the number of households which are sufficiently near each other to form a viable mailing group.

If the Territory contains more than one county, the Territory may be divided into separate Performance Areas indicated on Exhibit "B" attached hereto. Despite anything contained in Section 13.2 below, failure by FRANCHISEE to satisfy the performance requirements set forth herein with respect to any county or Performance Area shall entitle COMPANY to unilaterally delete such Performance Area or county from the Territory by delivering written notice of such deletion to FRANCHISEE, and in such event, FRANCHISEE shall have no further rights with respect to such county or Performance Area.

Notwithstanding the foregoing, in the event that FRANCHISEE (or an Owner holding a controlling interest in FRANCHISEE) dies or becomes permanently disabled during the Term, the performance requirements applicable for the performance period in which such event occurs (or at FRANCHISEE's option, the next performance period) shall be reduced by one Mailing, but the performance requirements thereafter shall be as set forth above. FRANCHISEE agrees to provide COMPANY with such information as COMPANY specifies for each Mailing to be made in each calendar year during the Term no later than April 30 of the previous calendar year or such other date as may be agreed to by COMPANY and the Franchisees Association. Such information will include, without limitation, frequency, NTAs and Prime Households.

Nothing in this Agreement shall be construed as a representation by COMPANY that FRANCHISEE can or will achieve the performance requirements in this Section. FRANCHISEE'S failure to satisfy any performance requirement in this Section shall constitute a material breach of this Agreement and cause for termination, unless: (a) the Territory contains more than one Performance Area; and (b) such failure relates to less than all of FRANCHISEE's Performance Areas. However, if FRANCHISEE, or its Owners or affiliates, own or operate a Competitive Business, then FRANCHISEE must meet all performance requirements in this Section for all Performance Areas.

9.5 **Compliance with Laws and Good Business Practices.** FRANCHISEE shall secure and maintain in force all required licenses and permits relating to the operation of the Franchised Business, and shall operate the Franchised Business in full compliance with all applicable laws, ordinances, and regulations, including without limitation, all government regulations regarding workers' compensation insurance, unemployment insurance, and withholding and payment of federal, state, and local taxes. All advertising and promotion used by FRANCHISEE shall be accurate in all material respects and conform to the highest standards of ethical advertising and shall meet specifications issued by COMPANY from time to time. FRANCHISEE agrees to refrain from any business or advertising practice which may be harmful to the business of COMPANY, the goodwill associated with the Marks, or other VALPAK® Franchisees. FRANCHISEE shall notify COMPANY in writing as soon as reasonably practicable, but in no event later than ten days after FRANCHISEE receives notice of or otherwise becomes aware of the commencement of any action, suit, proceeding or investigation, or of the receipt of any notice of the issuance of any order, writ, injunction, award or decree of any court, agency or governmental unit which involves an alleged violation by FRANCHISEE of any law, ordinance or regulation which may adversely affect the operation, financial condition or reputation of COMPANY or any other VALPAK® Franchisee, or which may materially adversely affect the operation, financial condition or reputation of FRANCHISEE.

9.6 **Marketing Materials.** FRANCHISEE shall use its reasonable efforts to maintain at all times a complete set of then-current marketing materials available to VALPAK® Franchisees for use in the promotion of VALPAK® Envelopes and the sale of advertising services in connection therewith, and the first set of such materials shall be provided to FRANCHISEE by COMPANY at no charge. If requested by FRANCHISEE, COMPANY will at any time furnish FRANCHISEE with a complete additional set of then current marketing materials, and COMPANY shall have the right to charge a reasonable fee as established by COMPANY from time to time to cover its direct and indirect costs of providing such materials to FRANCHISEE. COMPANY will make available to FRANCHISEE from time to time such sales, marketing and promotional materials that it or National Sales utilize from time to time for marketing, promoting and selling VALPAK® advertising and services, to the extent COMPANY determines such materials will be beneficial for use by FRANCHISEE in the Franchised Business, that FRANCHISEE is fully trained and qualified to use them, and that FRANCHISEE has both the market of potential Customers and the resources to maximize the use of such materials. This provision does not apply to Customer-targeted or specific account marketing materials; but only to generic ones. Such materials will be available for such reasonable charges and fees as COMPANY establishes from time to time, and only upon written request by FRANCHISEE. FRANCHISEE must also purchase from COMPANY such NTA lists and data as COMPANY makes available from time to time at COMPANY's then-current rates and charges. All such fees, costs, shipping and handling charges must be paid by FRANCHISEE prior to shipment by COMPANY. FRANCHISEE agrees to participate in, cooperate with, and encourage its Customers to complete, such evaluation forms and surveys as COMPANY periodically prescribes, whether performed directly by COMPANY, FRANCHISEE, or others designated by COMPANY. FRANCHISEE must immediately correct or repair any unsatisfactory conditions COMPANY specifies.

9.7 **Inspections.** FRANCHISEE shall, during the one-year period commencing on the date specified in Exhibit "B" to this Agreement or for such longer period as COMPANY may specify, provide COMPANY with such financial information regarding the operation of the Franchised Business as

COMPANY may require, on a monthly basis or at such other intervals as COMPANY may specify. The specifications and scope of this financial information shall include, but will not be limited to, an income statement, balance sheet, accounts receivable aging report, commissions earned and cash disbursement journal. During any time period in which FRANCHISEE is not in compliance with this Agreement, FRANCHISEE must provide COMPANY with the information described above, and COMPANY or its designated agents have the right on 48 hours' prior notice to FRANCHISEE, during FRANCHISEE's regular business hours, to:

(a) Inspect FRANCHISEE's Business Office, and any other facility or location where FRANCHISEE conducts business activities and:

- (i) Observe the operations of the Franchised Business for such consecutive or intermittent periods as COMPANY deems necessary;
- (ii) Interview personnel, suppliers, subcontractors, service providers and Customers of the Franchised Business;
- (iii) Inspect, access and copy any books, records and documents relating to the operation of the Franchised Business; and
- (iv) Require the FRANCHISEE to provide COMPANY complete and accurate copies of all of FRANCHISEE's bank records, loan applications, tax records and other documents requested by COMPANY which reflect the Franchised Business.

(b) Inspect and audit, or cause to be inspected and/or audited: the Business Office business records, bookkeeping and accounting records, licensing applications and reports, sales, payroll and income tax or banking records and returns and other records of the Franchised Business (and such documents of any corporation or partnership which is the Owner of the Franchised Business under this Agreement).

(c) FRANCHISEE agrees to cooperate fully with COMPANY in connection with any such inspections, observations and interviews. FRANCHISEE agrees to cooperate fully with and provide unrestricted access for such inspection or audits to COMPANY's representatives and independent accountants it may hire to conduct any such inspection or audit.

(d) FRANCHISEE will allow COMPANY to inspect all books and records of any Competitive Business for purposes of determining compliance with this Agreement, on the same terms as otherwise granted to COMPANY with respect to the Franchised Business.

(e) The foregoing rights or remedies are in addition to COMPANY's other rights and remedies under this Agreement and applicable law.

9.8 **Conditional Assignment.** FRANCHISEE must sign and deliver to COMPANY its Conditional Assignment of Telephone Numbers, Listings, and Addresses maintained at any location in the form attached as an exhibit to the COMPANY's Franchise Disclosure Document.

9.9 **Security Agreement.** FRANCHISEE grants to COMPANY a security interest in all of its inventory, equipment, supplies, intangibles, goods, accounts receivables and any other assets of the FRANCHISEE used in the Franchised Business. FRANCHISEE agrees to execute and deliver to COMPANY the security agreement and UCC financing statements in the form attached as Exhibit "D."

FRANCHISEE covenants and agrees that at any time, and from time to time, it will execute and deliver such additional instruments and take such actions as may be reasonably requested by COMPANY to confirm or perfect or otherwise to carry out the intent and purposes of this Section. The Security Agreement and security interest will be effective at all times in which FRANCHISEE owes any amounts to COMPANY.

9.10 **Insurance**. During the Term of this Agreement, FRANCHISEE must obtain and maintain in force, at its expense, such policies and types of insurance as COMPANY prescribes from time to time. COMPANY may prescribe the types, amounts, terms and conditions of insurance coverage FRANCHISEE is required to carry; standards for underwriters and insurers of policies; COMPANY's protection and rights under such policies as an additional named insured; required or impermissible insurance contract provisions; assignment of policy rights to COMPANY; periodic verification of insurance coverage that must be furnished to COMPANY; COMPANY's right to obtain insurance coverage at FRANCHISEE's expense if it fails to obtain required coverage. COMPANY may specify the terms and conditions in the manner it specifies including in the Operating Procedures. COMPANY may periodically change required coverages, amounts and policy terms.

10. **FEES**.

10.1 **Initial Fees**. Upon execution of this Agreement, FRANCHISEE shall pay COMPANY an initial franchise fee in the amount of Two Thousand and 00/100 Dollars (\$2,000.00) for an active territory or Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) for a dormant territory, which shall be non-refundable and fully earned by COMPANY upon execution of this Agreement.

Unless otherwise provided in Exhibit "C" to this Agreement, FRANCHISEE shall pay COMPANY a training fee of Twelve Thousand Five Hundred and 00/100 Dollars (\$12,500.00) for an active territory or Fifteen Thousand and 00/100 Dollars (\$15,000.00) for a dormant territory upon execution of this Agreement, which shall be non-refundable and fully earned by COMPANY upon execution of this Agreement.

FRANCHISEE shall also pay COMPANY a Territory acquisition fee (if applicable) in the amount and on the terms set forth in Exhibit "A" to this Agreement.

10.2 **Payments for Mailings and Purchases**. COMPANY will publish from time to time schedules of the prices charged by COMPANY to its VALPAK® Franchisees for the products and services provided by COMPANY in connection with the Production of the VALPAK® Envelopes, Electronic Advertising and other products or services it makes available to FRANCHISEE, which prices shall be established by COMPANY in its reasonable discretion. FRANCHISEE agrees to pay COMPANY for Production of the VALPAK® Envelopes for all Mailings within the Territory, and for any other products and services ordered from COMPANY, in accordance with such price schedules as amended by COMPANY from time to time.

(a) **Mailings**: For the first six Mailings following the Effective Date of this Agreement, FRANCHISEE must pay COMPANY in full for each Mailing together with the Insertion Order for that Mailing. If FRANCHISEE establishes a satisfactory credit record with COMPANY over the course of FRANCHISEE's first six Mailings (unless waived by COMPANY in writing) and provided further that FRANCHISEE is in compliance with all of the terms of this Agreement, FRANCHISEE will pay for its Mailings as follows:

- (i) Mailings 7-12: 50% due on Insertion Order date; balance on Mailing Date;

- (ii) Mailings 13-18: Payments for prior Mailings must be paid in full before Insertion Order Date of next Mailing;
- (iii) Mailings 19-End: Payments for prior Mailings must be paid in full before Mailing Date of next Mailing.

If you are purchasing an existing Territory, this schedule may be modified.

(b) **Electronic Advertising Fees:** Payment obligations for Electronic Advertising Services are calculated as a flat fee per month per mailed NTA in accordance with its then-current rate card for Electronic Advertising Fees, which may change from time to time at Valpak's discretion.

(c) **Deficiencies:** If payment terms are not met, COMPANY may suspend its performance and require payments for any Mailings on or before the associated Insertion Order Date or Mailing Date, in COMPANY's discretion. All such payments shall be made on the basis of a good faith estimate by COMPANY of all cost items. FRANCHISEE hereby agrees that in the event that such charges exceed COMPANY's estimates thereof, it will pay such deficiency to COMPANY within ten (10) days of receipt of notice of such deficiency.

10.3 **Customer Relationship Management Software Support and License Fee.** FRANCHISEE must pay to COMPANY a monthly CRM Software fee ("CRM Fee") for support and services for CRM Software for so long as CRM Software is supplied by COMPANY or its affiliates. The amount of the CRM Fee will vary based on the size of the FRANCHISEE's Territory, but will not in any event be less than \$75 per month. If COMPANY designates a third party to provide CRM Software, then FRANCHISEE shall agree to the terms of use of such CRM Software and pay any associated fees for use thereof.

10.4 **Small/Micro Service Program Fee.** FRANCHISEE shall pay a monthly data entry services fee (currently \$50 per NTA per month) to COMPANY for so long as COMPANY offers this service to Franchisees, or to COMPANY's designated third party, if in the future a third party supplier is designated by COMPANY to supply this service to Franchisees.

10.5 **Association Fees and Marketing Fees.** All Franchisees must pay Association Fees and Marketing Fees, as applicable, in connection with all Mailings. All Association Fees and Marketing Fees are paid to the COMPANY at the rate and in accordance with the guidelines established by the COMPANY and Board of Directors of the Franchisees Association from time to time. Association Fees are remitted by the COMPANY to the Franchisees Association and expenditures of Association Fees are determined solely by the Board of Directors of the Franchisees Association. Except as provided in the Intermarket Sales Policy, Marketing Fees are retained by the COMPANY and expenditures of Marketing Fees are determined solely by the COMPANY.

10.6 **Interest on Late Payments.** All amounts due for Mailings ordered by FRANCHISEE and other amounts which FRANCHISEE owes to COMPANY or its affiliates shall bear interest commencing ten (10) days after the due date at the highest applicable legal rate for an account business credit, not to exceed one and one-half percent (1.5%) per month. FRANCHISEE acknowledges that this Section 10.6 shall not constitute COMPANY's agreement to accept such payments after same are due or a commitment by COMPANY to extend credit to, or otherwise finance FRANCHISEE's operation of, the Franchised Business. Further, FRANCHISEE acknowledges that its failure to pay all such amounts when due shall constitute an event of default.

10.7 **Intermarket Sales and Electronic Advertising.** FRANCHISEE must pay to COMPANY or to such other Franchisees as COMPANY may designate, all applicable fees or compensation designated in the Intermarket Sales Policy or COMPANY's Policy for Electronic Advertising (e.g., as may be defined in the Intermarket Sales Policy, without limitation: Turf Fees, Matrix Fees, Over-weight Postage Fees, Collaboration Fees, Electronic Advertising Fees, and the like). On a periodic basis, at times and in the manner determined by COMPANY (which may be by electronic means only), COMPANY will report to FRANCHISEE information to enable FRANCHISEE to determine its compensation and costs associated with National Sales activities and Intermarket transactions. COMPANY will design the format of these reports and will consult with the Franchisees Association from time to time to improve the method and content of such reports. COMPANY may specify such reporting in the Intermarket Sales Policy.

10.8 **Application of Payments.** COMPANY shall have sole discretion to apply any payments received from FRANCHISEE or any indebtedness of COMPANY to FRANCHISEE to any past due indebtedness of FRANCHISEE for Mailings ordered by FRANCHISEE, purchases from COMPANY or any other indebtedness of FRANCHISEE to COMPANY or its affiliates.

11. **TRANSFER.**

11.1 **Transfer by COMPANY.** This Agreement and COMPANY's interests under it are fully assignable by COMPANY and shall inure to the benefit of any transferee or other legal successor to COMPANY's interests herein.

11.2 **FRANCHISEE May Not Transfer Without Approval.** FRANCHISEE understands and acknowledges that the rights and duties created by this Agreement are personal to FRANCHISEE and that COMPANY has granted the Franchise to FRANCHISEE in reliance upon the individual or collective character, skill, aptitude, attitude, business ability and financial capacity of FRANCHISEE (or the Owners, where FRANCHISEE is a business entity). Accordingly, neither this Agreement nor the Franchise (or any interest therein), nor any part or all of the ownership of FRANCHISEE or the Franchised Business (or an interest therein) may be transferred without the prior written approval of COMPANY, which it may, except as set forth in Sections 11.3, 11.4 and 11.6, grant or deny in its sole discretion, and any such Transfer without such approval shall constitute a breach hereof and shall convey no rights to or interests in this Agreement, the Franchise, FRANCHISEE, or the Franchised Business. It is expressly agreed that FRANCHISEE shall not be permitted to grant or offer to grant any sublicense with respect to the Franchise, the Marks or the Franchised Business.

11.3 **Conditions for Approval of Transfer by FRANCHISEE.** If FRANCHISEE (or its Owners) desires to make a Transfer, then COMPANY shall not unreasonably withhold its approval of a Transfer that meets all the requirements of this Section. The conditions set forth below shall also apply to any Transfer which is not subject to COMPANY's right of first refusal pursuant to Section 11.6 but to which COMPANY, acting in its sole discretion, consents after receipt of a written request from FRANCHISEE.

A Transfer of ownership or rights to the assets or income of the Franchised Business may be made only in conjunction with a Transfer of the Franchise. As to any Transfer, all of the following conditions must be met prior to or concurrently with the effective date of the Transfer:

- (a) FRANCHISEE and its Owners must be in full compliance with this Agreement;
- (b) FRANCHISEE must pay all amounts owed to COMPANY or its affiliates or to other VALPAK® Franchisees which are then due and unpaid;

(c) the transferee (and each of its owners, if applicable) must: (i) have sufficient business experience, aptitude, and financial resources to successfully operate the Franchised Business; (ii) be of good character; and (iii) meet COMPANY's then-applicable standards for VALPAK® Franchisees (including all credit standards and financial capability, recognizing that COMPANY's standards may be greater for an active territory than for a startup);

(d) transferee (or its representative approved by COMPANY) must agree: (i) to complete COMPANY's training program to COMPANY's satisfaction at the transferee's own expense; and (ii) to be bound (jointly and severally with respect to owners of the transferee, if any) and execute COMPANY's then-current form of franchise agreement or at COMPANY's election (however, Consent of Franchisees or Board of Directors must have been obtained for a change in any provision in the then-current agreement that would have required such consent to change this Agreement), execute an assignment agreeing to be bound by all the terms and conditions of this Agreement for the remainder of its Term; and (iii) regardless of the form of franchise agreement, the transferee must agree to place Insertion Orders for Mailings at the same or greater frequency as FRANCHISEE at the time of Transfer, but not less than 10 times during each 12-month period to at least 70% of the Prime Households in the Territory.

(e) FRANCHISEE (and each of its Owners) must execute a general release, in a form satisfactory to COMPANY, of any and all claims against COMPANY, its affiliates, and their respective officers, directors, employees and agents;

(f) FRANCHISEE must pay COMPANY a Transfer fee in the amount of \$1,000, which amount may be increased from time to time in the reasonable discretion of COMPANY;

(g) COMPANY must have approved the material terms and conditions of the assignment and related contracts, and must have determined to its satisfaction (without representing same to transferee or FRANCHISEE) that the price and terms of payment are not so burdensome as to adversely affect the operation of the Franchised Business by the transferee (provided that FRANCHISEE and transferee acknowledge in writing that such approval shall not constitute a representation by COMPANY to transferee or FRANCHISEE as to the fairness of the contract terms or otherwise, or the agreement by COMPANY to any modification of this Agreement or a waiver by COMPANY of any of its rights under this Agreement or otherwise);

(h) FRANCHISEE shall have demonstrated to the satisfaction of COMPANY that the Transfer complies with all applicable state, federal, and local laws;

(i) if FRANCHISEE finances any part of the sale price of the transferred interest, FRANCHISEE (and its Owners) must agree that all obligations of the transferee to make payments to FRANCHISEE (and/or its Owners) under or pursuant to any promissory notes or agreements shall be subordinate to the transferee's obligations to pay COMPANY any amounts due to COMPANY or its affiliates and to otherwise satisfy its obligations to COMPANY. Notwithstanding the foregoing, in the event that FRANCHISEE has financed the sale of the transferred interest and has provided copies of all financing documents in connection with obtaining COMPANY's consent to such Transfer, should the transferee default on its obligations to COMPANY prior to the repayment in full of such transferee's indebtedness to FRANCHISEE, COMPANY shall, at its option, either (a) provide FRANCHISEE with 15 days' notice and opportunity to cure prior to exercising COMPANY's right to terminate the Franchise, or (b) if COMPANY elects to terminate the Franchise without prior notice to FRANCHISEE, COMPANY will permit FRANCHISEE to reacquire the Franchise from COMPANY, subject to the provisions hereof. In the event that FRANCHISEE desires to reacquire the Franchise pursuant to the

immediately preceding sentence, the exercise of such right shall be subject to (1) cure by FRANCHISEE of all of the defaults which were the basis for termination of the Franchise, including without limitation, the payment of all past due amounts, together with interest accrued thereon at the rate of two percent over the prime rate of interest, as published in the Wall Street Journal; (2) execution by FRANCHISEE of COMPANY's then current form of Franchise Agreement; and (3) payment by FRANCHISEE to the terminated Franchisee of any amounts which may be required by applicable law in connection with such termination;

(j) COMPANY may require that the transferee abide by the payment terms for Mailings that it then currently offers new Franchisees as a condition for approving the Transfer or other terms that may differ from the payment terms enjoyed by FRANCHISEE at the time of the Transfer, based on COMPANY's sole judgment;

(k) FRANCHISEE (and its Owners) must have fully complied with, and COMPANY must have chosen not to exercise, the right of first refusal described in Section 11.6; and

(l) if FRANCHISEE, its Owners or affiliates, own or operate a Competitive Business, then after the Transfer, neither the transferee nor its affiliates shall own or operate a Competitive Business without COMPANY's prior written approval and compliance with all terms and conditions, in this Agreement or the franchise agreement governing the transferee, for a franchisee's involvement with a Competitive Business.

Subsection 11.3(d) will not apply to Transfers made pursuant to Section 11.4 below. Transfers made due to death or disability of FRANCHISEE or any Owner are subject to Section 11.5 below and only conditions 11.3(b), (c), (d), (f), (g), (i) – but first sentence only, (j) (k) and (l) above.

11.4 Transfer to a Wholly Owned Corporation. Subject to the provisions of this Section 11.4, this Agreement and the Franchise may be assigned by FRANCHISEE to a newly-formed corporation with no debts or liabilities and which conducts no business other than the Franchised Business (and other VALPAK® franchised businesses), which FRANCHISEE actively manages, and in which FRANCHISEE is the sole legal and beneficial owner of all of the issued and outstanding capital stock. Such corporation must agree to assume and be bound by all the terms and conditions of this Agreement. FRANCHISEE (and each Owner) shall continue to be personally bound by this Agreement, jointly and severally. FRANCHISEE and such corporation shall be required to execute a form of assignment and assumption agreement then prescribed or approved by COMPANY for such assignments. Transfers of interests in such corporation will be subject to the terms and conditions of this Section 11.

11.5 Death or Disability of FRANCHISEE. Subject to the terms and conditions of Section 11.6 below, upon the death or permanent disability of FRANCHISEE (or any Owner), the executor, administrator, or other representative of such person, upon receipt of payment of the fair market value therefor, shall assign the interest of FRANCHISEE (or such Owner) in this Agreement and the Franchise (or such interest in FRANCHISEE), to a third party approved by COMPANY. Such disposition of this Agreement and the Franchise or such interest in the FRANCHISEE shall be completed within a reasonable time, not to exceed one year from the date of death or permanent disability, and shall be subject to all the terms and conditions applicable to Transfers contained in Section 11.3. Failure to so Transfer the interest in this Agreement and the Franchise or such interest in FRANCHISEE within the specified period shall constitute a breach of this Agreement. Notwithstanding the foregoing, the provisions of Section 11.3 (other than subparagraphs (c) and (d) thereof) and Section 11.6 below shall not be applicable to a Transfer to a family member of FRANCHISEE (or Owner, if FRANCHISEE is not a natural person) upon the death or disability of FRANCHISEE (or Owner), provided that such Transfer is consummated within one year of the date of such death or disability. For purposes of this Section, a member of a FRANCHISEE's (or

Owner's) family shall mean such person's spouse, lineal descendants or adopted children, ancestors, siblings or the lineal descendants or adopted children of siblings.

11.6 **COMPANY's Right of First Refusal.**

(a) **Offer:** If FRANCHISEE (or its Owners) shall at any time determine to make any Transfer (other than by gift or bequest), FRANCHISEE (or its Owners) shall obtain a bona fide, executed written firm offer from a responsible and fully disclosed purchaser and shall submit an exact copy of such offer to COMPANY. Any such offer must separate the Franchised Business being sold from any other business FRANCHISEE, its Owners or affiliates are selling or disposing of; including separate price and payment terms. Any contingency condition or term in such offer that makes the transaction contingent on the purchase or sale of both the Franchised Business and any other business or asset will not be binding on the COMPANY.

(b) **COMPANY Option:** COMPANY shall have the right, exercisable by written notice delivered to FRANCHISEE within twenty (20) days from the date of delivery of an exact copy of such offer to COMPANY, to purchase such assets or interest for the price and on the terms and conditions contained in such offer, provided that if COMPANY exercises such purchase right, it shall have sixty (60) days to prepare for closing. If the offer applies to assets or businesses in addition to the Franchised Business, then the COMPANY will have sixty (60) days to make its decision and one hundred twenty (120) days to prepare for closing. At the COMPANY's option, it may either acquire the Franchised Business and all other assets or businesses described in the offer on the same terms and conditions; or substitute for the price specified in the offer for the Franchised Business, a price to be determined by the following appraisal process.

(c) **Closing:** In the event that COMPANY exercises its rights hereunder, FRANCHISEE shall deliver to COMPANY at closing all sales data and other information which COMPANY may reasonably request regarding FRANCHISEE's operations. If COMPANY has not exercised its right of first refusal within the applicable time period (through no fault of FRANCHISEE or its Owners), FRANCHISEE (or its Owners) may complete the sale to such purchaser pursuant to and on the exact terms of such offer, subject to COMPANY's approval of the Transfer and fulfillment of all conditions otherwise set forth in Section 11.3, which approval shall not be unreasonably withheld. However, if the sale to such purchaser is not completed within one hundred twenty (120) days after delivery of such offer to COMPANY, or if there is a material change in the terms of the proposed Transfer, COMPANY shall again have the right of first refusal herein provided.

(d) **Appraisal:** If FRANCHISEE is transferring assets or businesses in addition to the Franchised Business as part of the transaction, and COMPANY elects to acquire the Franchised Business only, then:

- (i) When COMPANY makes its election, it will specify a purchase price and pay a deposit of 50% of the proposed price to be held in escrow by a mutually acceptable escrow agent;
- (ii) If FRANCHISEE and COMPANY have not agreed on a purchase price within the next 30 days, FRANCHISEE will obtain, at its expense, an appraisal of the Franchised Business from a reputable firm qualified to value businesses acceptable to COMPANY;

- (iii) If such appraisal is lower than the price offered by COMPANY, then it will be the purchase price;
- (iv) If such valuation is higher, then COMPANY may either purchase at such higher price or obtain a final and conclusive appraisal from another reputable and qualified appraiser (with the appraisal costs split between the parties), chosen by consent of both parties, and the purchase price determined by such appraiser will be final and binding;
- (v) The purchase price will be paid at the earlier of the closing or 10 business days following determination;
- (vi) If the purchase price is determined by appraisal because the FRANCHISEE does not accept COMPANY's proposed price, then Transfer and possession of the Franchised Business will occur on payment of the deposit and payment of the balance will be a condition subsequent to closing.

12. **TERM AND RENEWAL.**

12.1 **Term.** The Term and the Franchise shall commence on the date of COMPANY's signature on this Agreement and shall expire on the last day of the calendar month in which the tenth (10th) anniversary of the date hereof occurs, unless this Agreement is terminated sooner in accordance with its terms.

12.2 **Renewal Rights.** Subject to FRANCHISEE's satisfaction of the terms and conditions contained in Section 12.3 below, FRANCHISEE will have a right to renew the Franchise for a period of five (5) years upon expiration of the Term.

12.3 **Renewal Conditions.** In order to renew the Franchise, FRANCHISEE must satisfy all of the following terms and conditions:

(a) FRANCHISEE must have substantially complied with all material provisions of this Agreement during the Term and at the time of renewal must be in full compliance with the terms hereof and not be in default of any of its obligations to COMPANY or its affiliates under any other agreement.

(b) Without limiting (a) above, during the Term, FRANCHISEE must have substantially satisfied the performance requirements as set forth in Section 9.4 hereof.

(c) FRANCHISEE must deliver to COMPANY written notice of its desire to renew the Franchise not more than one hundred eighty (180) days and not less than ninety (90) days prior to the expiration of the Term.

(d) FRANCHISEE (and FRANCHISEE's Owners) must, within thirty (30) days after receipt, execute and deliver to COMPANY the Renewal Agreement, which may contain terms and conditions materially different from the terms and conditions contained in this Agreement; provided, however, that the Consent of Franchisees shall be obtained by COMPANY prior to incorporating in any Renewal Agreement any materially different terms or conditions that would otherwise require the Consent of Franchisees to modify this Agreement.

Failure by FRANCHISEE or its Owners to fulfill either of the conditions set forth in (c) and (d) above shall be deemed an election by FRANCHISEE not to renew the Franchise. If FRANCHISEE gives COMPANY the notice of renewal as set forth in (c) above but COMPANY determines that FRANCHISEE has not satisfied all of the conditions for renewal, COMPANY will, within thirty (30) days of receiving FRANCHISEE's notice of its intent to renew, give FRANCHISEE written notice stating the reasons for COMPANY's refusal to renew the Franchise. COMPANY's failure to deliver such notice within such thirty (30) day period shall not be deemed to be a waiver of COMPANY's right to refuse FRANCHISEE's renewal request.

13. **TERMINATION.**

13.1 **Termination / Default.** Upon the occurrence of any of the events set forth below, each of which shall constitute an event of default, COMPANY shall have the right, in addition to all other rights and remedies available to COMPANY, to terminate this Agreement by delivering a written notice to FRANCHISEE stating that COMPANY elects to terminate this Agreement, which notice shall describe the event of default and FRANCHISEE's right to cure, if applicable. Termination shall be effective immediately upon delivery of such notice in those instances in which FRANCHISEE has no right to cure and shall be effective immediately upon the expiration of any cure period to the extent such default remains uncured, in whole or in part, at the expiration of the relevant cure period. Termination of this Agreement shall constitute a termination of the Franchise. It shall be an event of default if FRANCHISEE (or any of its Owners):

- (a) fails to timely pay any fees, payments for Mailings, or other amounts due to COMPANY, unless such failure is cured within ten (10) days after delivery by COMPANY of notice of such failure;
- (b) abandons or neglects in any material respect the overall operation of the Franchised Business;
- (c) has made any material misrepresentation or omission in the application for the Franchise or any renewal thereof, or in connection with any amendment to this Agreement;
- (d) is convicted of or pleads no contest to any criminal offense likely to adversely affect the reputation of COMPANY, FRANCHISEE, or the VALPAK® System;
- (e) fails, within ten (10) days after notification of noncompliance, to comply with any federal, state or local law applicable to FRANCHISEE or the operation of the Franchised Business; provided however, that such noncompliance shall not constitute an event of default so long as FRANCHISEE contests such legal requirement in good faith and at its own expense by appropriate legal proceedings, and provided further that such legal proceedings effectively forestall any action by any governmental body which would materially and adversely affect the operation of the Franchised Business;
- (f) makes an unauthorized Transfer (including without limitation by sublicense) of an interest in this Agreement, the Franchise, the Franchised Business, or an ownership interest in FRANCHISEE;
- (g) makes any unauthorized use or disclosure of any Confidential Information. makes any unauthorized use of any of the Marks, or engages in any conduct likely to adversely affect the reputation of COMPANY, FRANCHISEE, or the VALPAK® System;

(h) breaches (i) any provision of this Agreement (other than those otherwise described in any other subsection of this Section 13.1) or any specification, standard, or operating procedure prescribed by COMPANY, unless such breach is cured within thirty (30) days after delivery of COMPANY's notice of such breach; (ii) the same provision of this Agreement (other than the performance requirements referred to in Section 9.4) on two or more separate occasions within any period of twelve (12) consecutive months, whether or not such breaches are cured after receipt of notice thereof; or (iii) any provision of this Agreement (other than the performance requirements referred to in Section 9.4) on three (3) or more separate occasions within any period of eighteen (18) consecutive months, whether or not such breaches are cured after receipt of notice thereof;

(i) becomes insolvent (cannot pay its debts as they become due in the ordinary course) or files or has filed against it a petition in bankruptcy;

(j) fails to assign an interest within a one-year period upon death or disability of FRANCHISEE (or any Owner); or

(k) is in breach of any other written agreement with COMPANY or its affiliates.

13.2 **Termination / Performance Requirements.**

(a) **No Competitive Business:** Despite anything contained Section 13.1 to the contrary, if FRANCHISEE fails to satisfy the performance requirements contained in Section 9.4 or COMPANY reasonably believes in good faith that FRANCHISEE has not met its obligation under Section 3.5, but FRANCHISEE and its Owners and affiliates are not engaged in any way in a Competitive Business and FRANCHISEE has not defaulted under Sections 9.4 or 3.5 on three (3) or more separate occasions within any period of twenty four (24) consecutive months during the Term, then:

(i) COMPANY will not terminate this Agreement unless (A) COMPANY has provided FRANCHISEE with 180 days' prior written notice, and (B) FRANCHISEE has not cured the default within such 180-day period;

(ii) provided that, during such 180-day period and thereafter for the duration of the Term, COMPANY may require FRANCHISEE to adopt and adhere to a business plan mutually developed and designed to accomplish FRANCHISEE's performance requirements; and

(iii) provided further, that, if the Territory contains more than one Performance Area and FRANCHISEE's failure to satisfy the performance requirements contained in Section 9.4 relates to less than all of such Performance Areas, then, despite anything to the contrary contained in this Section 13.2, such failure shall not constitute an event of default hereunder.

(b) **Competitive Business:** If FRANCHISEE, its Owners or affiliates is engaged in a Competitive Business, and has failed to satisfy the performance requirements specified in Section 9.4 of this Agreement or COMPANY reasonably believes in good faith that FRANCHISEE has not met its obligations under Section 3.5, then COMPANY may terminate this Agreement:

(i) on sixty (60) days prior written notice; or

- (ii) immediately if FRANCHISEE has violated the requirements or Section 9.4 or 3.5 on three (3) or more separate occasions within any period of twenty-four (24) consecutive months, whether or not such violations are cured after receipt of notice thereof.

(c) **Voting Proxy and Power of Attorney; National Sales Requests:** Despite anything to the contrary contained in this Agreement, if FRANCHISEE fails to cure any default of this Agreement after notice and opportunity to cure, as provided for in this Agreement, then, prior to the expiration or termination of this Agreement, (i) upon notice from COMPANY and without limiting any other right or remedy available to COMPANY, FRANCHISEE grants a proxy and power of attorney to COMPANY to vote on FRANCHISEE's behalf on all matters coming before, and take such actions relating to, the Franchisees Association including, without limitation, matters that require Consent of Franchisees, and (ii) FRANCHISEE shall accept all requests for consent from National Sales. The proxy and power of attorney and the requirement of FRANCHISEE to accept all requests for consent from National Sales, that are described in this Section 13(c) will be automatic, irrevocable and effective on the date of COMPANY's notice and will continue in effect until FRANCHISEE (x) cures the default that is the subject of COMPANY's notice of default, and (y) otherwise remains in full compliance with this Agreement for a period of three (3) consecutive months after the date that FRANCHISEE has cured the default.

14. **POST TERMINATION OBLIGATIONS.**

14.1 **Marks and Confidential Information.** FRANCHISEE agrees that after the termination or expiration of the Franchise, FRANCHISEE will: (i) not disclose to any other person or use, directly or indirectly, any Confidential Information disclosed to or otherwise learned by FRANCHISEE; (ii) not use any Mark or colorable imitation thereof, or any other commercial symbol suggesting or indicating a connection with COMPANY, in any manner or for any purpose; (iii) immediately return to COMPANY any materials containing any Mark, Confidential Information, or otherwise relating to the VALPAK® System, including but not limited to any printed copies of the Operating Procedures; (iv) immediately cancel all fictitious or assumed name or equivalent registrations which incorporate any of the Marks or which are confusingly similar thereto; and (v) immediately furnish to COMPANY evidence satisfactory to COMPANY of FRANCHISEE's compliance with the foregoing obligations.

14.2 **Continuing Obligations.** All obligations of COMPANY and FRANCHISEE which expressly or by their nature survive the termination or expiration of this Agreement shall continue in full force and effect subsequent to and notwithstanding its expiration or termination, and until they are satisfied or by their nature expire.

14.3 **Payment of Amounts Owed to COMPANY.** Immediately upon the effective date of termination or expiration of the Franchise, FRANCHISEE shall pay any fees and amounts owed for products or services purchased by FRANCHISEE from COMPANY, and all other amounts owed to COMPANY or its affiliates or to other VALPAK® Franchisees which are then unpaid, and furnish a complete accounting of all such amounts owed to COMPANY, its affiliates, or other creditors of the Franchised Business. Within fifteen (15) days after the effective date of termination or expiration of the Franchise, COMPANY shall pay to FRANCHISEE any amounts which it then owes to FRANCHISEE, less any amounts then owed by FRANCHISEE to COMPANY.

14.4 **Covenant Not to Compete.** FRANCHISEE (and each Owner) agrees that for the Covenant Period, FRANCHISEE (and each Owner) shall not have any direct or indirect interest as an owner, investor, partner, member, manager, lender, director, officer, employee, consultant, representative or agent, or in any other capacity, in any Competitive Business operating, selling, promoting or Mailing:

(a) within the Territory; or (b) within any other geographic area where COMPANY, its affiliates, or a Franchisee is operating or doing Mailings, or has plans to operate or do Mailings.

14.5 **Non-solicitation.** FRANCHISEE (and each Owner) covenants and agrees that during the Covenant Period, FRANCHISEE (and each Owner) will not, directly or indirectly, solicit or accept business from any person or entity which was a client or Customer of FRANCHISEE, COMPANY or another Franchisee at or prior to the date of termination or expiration of this Agreement, or from any person actively sought as a prospective client or Customer of FRANCHISEE, COMPANY or another Franchisee prior to the date of termination or expiration of this Agreement, by or on behalf of any Competitive Business.

14.6 **Continuation of Business by COMPANY.** FRANCHISEE acknowledges and agrees that upon termination or expiration of the Franchise, unless COMPANY agrees otherwise, all Customers that were procured and/or serviced by Franchisee during the Term shall immediately and automatically become Customers of COMPANY or its designee(s) and, accordingly, COMPANY or its designee(s) may sell advertising in VALPAK® Envelopes within the Territory to such Customers without compensation to FRANCHISEE (or its Owners).

14.7 **Assignment to COMPANY.** At any time after termination of the Franchise, upon request by COMPANY, FRANCHISEE (or its Owners, if applicable) shall: (a) assign to COMPANY, without payment of any compensation to FRANCHISEE or its Owners (all in accordance with the Conditional Assignment of Phone Numbers and Listings that FRANCHISEE must sign and deliver to COMPANY simultaneously with this Agreement): (i) its right to use all existing telephone numbers used by FRANCHISEE in connection with the operation of the Franchised Business and shall notify the local telephone company and FRANCHISEE's cellular service providers of such assignment; and (ii) any and all email addresses and U.S. Postal Service post office boxes used in any way in the Franchised Business; and (b) grant COMPANY access to, and allow it to make copies of and extracts from, all business records that pertain in any way to the Franchised Business.

15. **MISCELLANEOUS.**

15.1 **Severability and Substitution of Valid Provisions.** Each provision of this Agreement and any portion thereof shall be considered severable and if, for any reason, any such provision of this Agreement is held to be invalid, contrary to, or in conflict with any applicable present or future law or regulation in a final, un-appealable ruling issued by any court, agency or tribunal with competent jurisdiction in a proceeding to which COMPANY is a party, that ruling shall not impair the operation of, or have any other effect upon, other portions of this Agreement. Such other portions shall continue to be given full force and effect and bind the parties hereto, although any portion held to be invalid shall be deemed not to be a part of this Agreement from the date the time for appeal expires, if FRANCHISEE is a party thereto, otherwise upon FRANCHISEE's receipt of a notice of non-enforcement thereof from COMPANY. To the extent that any provision is deemed unenforceable by virtue of its scope in terms of area, length of time, and/or business activity prohibited, but could be made enforceable by reducing any or all thereof, FRANCHISEE and COMPANY agree that same shall be enforced to the fullest extent permissible under applicable law.

If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination of this Agreement than is required hereunder, or the taking of some other action not required hereunder, or if under any applicable and binding law or rule of any jurisdiction any provision of this Agreement or any specification, standard or operating procedure prescribed by COMPANY is invalid or unenforceable, the prior notice and/or other action required by such law or rule shall be substituted for the comparable provisions hereof, and COMPANY shall have the right, in its sole discretion, to modify such

invalid or unenforceable provision, specification, standard or operating procedure to the extent required to be valid and enforceable.

15.2 **No Waiver.** Either party may unilaterally waive or reduce any obligation of or restriction upon the other party under this Agreement, effective upon delivery of written notice thereof to the other, or upon such other effective date stated in the written notice of waiver. Whenever this Agreement requires COMPANY's prior approval or consent, FRANCHISEE shall make a timely written request therefor, and such approval must be in writing to be effective.

COMPANY makes no warranties or guarantees upon which FRANCHISEE (or its Owners) may rely, and assumes no liability or obligation to FRANCHISEE (or its Owners), by granting any waiver, approval or consent to FRANCHISEE, or by reason of any neglect, delay or denial of any request therefor. Any waiver granted by COMPANY shall be without prejudice to any other rights which either party may have, will be subject to continuing review by COMPANY, and may be revoked, in COMPANY's sole discretion, at any time and for any reason, effective upon delivery to FRANCHISEE of ten (10) days' prior written notice.

Neither party shall be deemed to have waived or impaired any right, power or option reserved by this Agreement by virtue of (a) any custom or practice of the parties at variance with the terms hereof; (b) any failure, refusal or neglect of COMPANY or FRANCHISEE to exercise any right under this Agreement or to insist upon exact compliance by the other with its obligations hereunder, including, without limitation, any specification, standard or operating procedure; (c) any waiver, forbearance, delay, failure or omission by COMPANY to exercise any right, power or option with respect to other Franchisees; or (d) the acceptance by COMPANY of any payments due from FRANCHISEE after any breach of this Agreement.

15.3 **Force Majeure.** Except as otherwise provided in this Agreement, neither party shall be liable for loss or damage or deemed to be in breach of this Agreement if its failure to perform its obligations results from: (i) transportation shortages, inadequate supply of material or energy, or the voluntary foregoing of the right to acquire or use any of the foregoing in order to accommodate or comply with the orders, requests, regulations, recommendations or instructions of any federal, state or municipal government or any department or agency thereof; (ii) compliance with any law, ruling, order, regulation, requirement or instruction of any federal, state, or municipal government or any department or agency thereof; (iii) acts of God or, other similar events beyond the reasonable control of COMPANY or FRANCHISEE; (iv) acts or omissions of the other party; or (5) fires, strikes, embargoes, war, acts of terror or riot. Any delay resulting from any of said causes shall extend performance accordingly or excuse performance in whole or in part, as may be reasonable, but in no event shall this provision act to extend or excuse any obligation of FRANCHISEE to pay any amount to COMPANY with respect to that portion of a Mailing for which all or any part of the Production and the Mailing has been performed prior to the date of the occurrence of an event of the nature described in the immediately preceding sentence.

15.4 **Injunctive Relief.** Either party may institute in a court of competent jurisdiction an action or actions for temporary or preliminary injunctive relief. FRANCHISEE agrees that the COMPANY may have such temporary or preliminary injunctive relief without bond, but upon due notice, and FRANCHISEE's sole remedy in the event of the entry of such injunctive relief shall be the dissolution of such injunctive relief, if warranted, upon hearing duly had (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby).

15.5 **Limitation of Claims.** Any and all claims, except for monies due the COMPANY, arising out of or relating to this Agreement or the relationship among the parties hereto shall be barred unless an legal proceeding is commenced within one (1) year from the date FRANCHISEE or the COMPANY knew or should have known of the facts giving rise to such claims.

15.6 **Waiver of Punitive Damages.** The parties waive to the fullest extent permitted by law any right to or claim for any punitive or exemplary damages, except punitive or exemplary damages allowed under federal statute. The parties agree that, in the event of any dispute between them, the party making a claim shall be limited to recovery of any actual damages it sustains.

15.7 **Waiver of Jury Trial.** Each party irrevocably waives trial by jury in any action, proceeding or counterclaim, whether at law or in equity, brought by either party.

15.8 **Cumulative Rights.** The rights of the parties under this Agreement are cumulative, and no exercise of any right under this Agreement by either party shall preclude the exercise or enforcement by either party of any other right which that party is entitled to enforce under this Agreement, or under applicable law.

15.9 **Costs and Attorneys' Fees.** In the event of any dispute or litigation between COMPANY and FRANCHISEE or its Owners arising from or in connection with this Agreement, the prevailing party shall be entitled to recover from the other party all reasonable costs and expenses incurred in connection therewith, including without limitation, reasonable legal, arbitrators', accounting and related fees.

15.10 **Governing Law.** This Agreement, the Franchise and the relationship of the parties shall be governed by the laws of the State of Florida, without regard for its conflicts of laws principles, except that any Florida law regulating the sale of franchises or governing the relationship of a franchisor and its franchisee will not apply unless its jurisdictional requirements are met independently without reference to this Section 15.10.

15.11 **Jurisdiction.** FRANCHISEE and the COMPANY agree that any action arising under this Agreement or otherwise as a result of the relationship between FRANCHISEE and the COMPANY must be commenced in a state or federal court of competent jurisdiction in Tampa, Florida. FRANCHISEE irrevocably submits to the jurisdiction of such courts and waives any objection it may have to either the jurisdiction or venue of such court.

15.12 **Construction.** Section headings in this Agreement are for convenience only, and shall not affect interpretation. This Agreement: (i) is the entire agreement of the parties with respect to its subject matter; (ii) can be amended only in writing signed by both parties, except in the event that amendments to this Agreement may be necessary to comply with or to make this Agreement enforceable under applicable laws and regulations; (iii) shall, except as otherwise herein provided, bind and inure to the benefit of the parties and their respective successors and assigns; (iv) may be executed in any number of counterparts; and (v) does not confer any rights or remedies upon any person not a party hereto.

15.13 **Notices.** All written notices and payments permitted or required by the provisions of this Agreement shall be deemed to be delivered at the time delivered by hand, one (1) business day after transmission by any electronic system, or three (3) business days after being placed in the U.S. Mail by registered or certified mail, addressed to the other party to be notified at its address given on the first page of this Agreement, or at such other business address of which the notifying party shall have been notified from time to time in accordance with this Section. Any required payment or report not actually received by COMPANY during regular business hours on the date due, or properly placed in the U.S. Mail and postmarked by postal authorities at least two (2) business days prior thereto, shall be deemed delinquent.

15.14 **Entire Agreement.** This Agreement supersedes any and all prior negotiations, understandings, representations and agreements. However, nothing in this or any related agreement is intended to disclaim the representations COMPANY made in the Franchise Disclosure Document that the COMPANY furnished to FRANCHISEE.

15.15 **Acknowledgments.** FRANCHISEE (and each Owner) has read this Agreement and COMPANY's Franchise Disclosure Document and understands and accepts the terms, conditions, and covenants contained in this Agreement as being reasonably necessary to maintain COMPANY's standards and thereby to protect and preserve the goodwill of the Marks and the VALPAK® System. FRANCHISEE represents that it has conducted an independent investigation of the Franchise, and recognizes that it involves risks and that its success is dependent upon FRANCHISEE's own business abilities and market conditions and may be affected by competition and other factors outside of FRANCHISEE's control. COMPANY expressly disclaims making, and FRANCHISEE acknowledges that it has not received or relied upon, any guaranty, express or implied, as to the revenues, profits or success of the Franchise described in this Agreement or any representation as to the value of the Marks. FRANCHISEE acknowledges that it has not received or relied upon any representations about the Franchise by COMPANY, or its officers, directors, employees, or agents, that are contrary to the statements made in COMPANY's Franchise Disclosure Document or to the terms contained in this Agreement. FRANCHISEE acknowledges that in all of its dealings with COMPANY, the officers, directors, employees and agents of COMPANY act only in a representative capacity and not in an individual capacity. FRANCHISEE further acknowledges that this Agreement, and all business dealings between FRANCHISEE and such individuals as a result of this Agreement, are solely between FRANCHISEE and COMPANY. FRANCHISEE further represents to COMPANY, as an inducement to its entry into this Agreement, that FRANCHISEE has made no misrepresentation in obtaining the Franchise.

15.16 **No Waiver or Disclaimer of Reliance in Certain States.** The following provision applies only to franchisees and franchises that are subject to state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgment signed or agreed to by FRANCHISEE in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by COMPANY, any franchise seller, or any other person acting on behalf of COMPANY. This provision supersedes any other term of any document executed in connection with the franchise.

This Addendum modifies certain aspects of the Agreement to reflect the fact that FRANCHISEE is obtaining a renewal Franchise and that FRANCHISEE is an experienced Franchisee.

3. **Initial Training.** COMPANY is not required to furnish, and FRANCHISEE is not required to attend New Franchise Owner Training.

4. **Term.** The Term and the Franchise shall commence on the Effective Date and expire on the last day of the calendar month in which the fifth (5th) anniversary of the Effective Date occurs, unless the Agreement is terminated sooner in accordance with its terms.

8. **Security Interest.** If at any time you owe COMPANY any amounts, you agree to comply with Section 9.9 of the Agreement.

VALPAK® INTERMARKET SALES POLICY

Effective April 30, 2024

INTRODUCTION

Sections 3.1 through Section 3.4 of the Franchise Agreement (as amended by the 2004 Amendment, and as may be further amended from time to time, the “Franchise Agreement”) define the rights and obligations of Franchisees to an intermarket sales transaction and to sales by Valpak’s (“COMPANY’S”) National Sales Department. The sales rules that form the basis of these rights and obligations, and further define how parties to an intermarket sales transaction and to sales by the COMPANY’S National Sales Department interact with one another in order to comply, are set forth in this Intermarket Sales Policy.

1. DEFINITIONS

As used in this Intermarket Sales Policy, the terms below shall have the meanings which follow them. Other capitalized terms used herein, and not defined below, shall have the meanings ascribed to them in the Franchise Agreement, as amended.

“**Advertising Agency**” means a business organization set up to provide a variety of advertising related services to clients, including, without limitation, the creation, design, scheduling and placement of advertising messages in an assortment of media, who seek assistance in their advertising activities and operates as the authorized Purchasing Representative.

“**Aggregation**” occurs when an Advertiser, through a single Purchasing Representative, centralizes the authority to make decisions regarding the purchase of VALPAK® Advertising for an organization that collectively, prior to this decision, had the foregoing purchasing decisions made independently by separate Purchasing Representatives. An “aggregation” effectively consolidates some or all of the purchasing decisions into the Territory of one Franchisee and removes the decision-making authority from two or more separate Purchasing Representatives that were located in other franchisee territories and that may have had such authority prior to the “aggregation”.

“**Top Down**” Aggregation”: “Top Down” Aggregation occurs when an Advertiser’s corporate headquarters, or its advertising agency of record, initiates a national or regional advertising purchase on behalf of its local franchises (or distributors) using either (i) corporate funds; or (ii) marketing or advertising funds contributed by the local franchise (or distributor) to corporate headquarters or its advertising agency of record for such general purposes.

“**Group Buy (“Bottom Up”) Aggregation**”: Group Buy (“Bottom Up”) Aggregation occurs when an Advertiser’s corporate headquarters, or its advertising agency of record, coordinates, facilitates and approves a national or regional advertising purchase on behalf of its local franchises (or distributors), but which, as opposed to a Top Down Aggregation, is paid for directly by its local franchises (or distributors) through its corporate headquarters or advertising agency of record.

“**Consumer Packaged Goods**” (“CPG”) means mass-produced goods packaged by manufacturers and sold through retail outlets. Categories of CPG products include beverage, food, pet supplies, tobacco, household supplies, baby care, cosmetics, dietary supplements, perfume, toiletries and over-the-counter remedies.

“CPMP” means circulation per Mailing Period.

“**Current Intermarket Business – Inbound**” means any Advertising Insert accepted by the Mailing Franchisee from another Franchisee or National Sales for distribution in VALPAK® Envelopes in the Mailing Franchisee’s Territory and mailed at least one (1) time within the prior six (6) month period.

“**Franchisee Payment Matrix**” means the schedule of fees specified in **Schedule A** (also referred to as the “Matrix”).

“**Designated Key Account**” means an Advertiser (i) who has mailed within the prior twelve (12) month period; or (ii) who is under current contract to mail over a twelve (12) month period, five million (5,000,000) or more Advertising Inserts, or other advertising products offered by COMPANY, for distribution in VALPAK® Envelopes.

“**Direct Response Advertising**” means advertising which solicits consumers to place orders by mail, phone or the Internet for the product or service advertised, but shall not include (i) advertising for products or services to be delivered to or provided at the consumer’s home by the Advertiser’s employees or agents, or (ii) advertising for products or services which can be obtained by consumers at any of Advertiser’s retail store locations which, collectively, constitute the major source of sales revenue for such products and/or services being advertised.

“**F List Account**” means the top thirty (30) VALPAK® Franchisee Advertisers measured by the Advertiser’s total annual VALPAK® Advertising circulation and the greatest number of VALPAK® Franchisees selling such VALPAK® Advertising. F List Accounts are listed on **Schedule F** which will be updated by COMPANY on an annual basis.

“**Franchisee**” means a party who has executed a Franchise Agreement with COMPANY that grants certain rights with respect to the VALPAK® System to such party for a defined Territory (as opposed to FRANCHISEE (all capital letters), which under a Franchise Agreement means that particular party to the Franchise Agreement).

“**Independent Franchisee**” means a Franchisee other than an “Owned and Operated Franchisee.”

“**Intermarket Consent Form**” means the form to be delivered by a Territory Franchisee that, upon execution, and subject to the terms and conditions of the Franchise Agreement and the Intermarket Sales Policy, grants the right to a Selling Franchisee to sell to an Advertiser in said Territory Franchisee’s Territory VALPAK® Advertising regardless of the area of distribution. The current form is attached as **Schedule E**.

“**Mailing Activity**” means a sequence of two or more Mailings for a single Advertiser without an intervening period of time greater than twelve consecutive Mailing Periods.

“**Mailing Franchisee**” means a Franchisee in whose Territory VALPAK® Envelopes are being distributed.

“**Mailing Period**” means the period of time required for an Advertising Insert, or other advertising products offered by COMPANY, distributed in a VALPAK® Envelope, to complete a single national mailing cycle in all COMPANY mailing regions.

“**Marketing Fee(s)**” or “**Association Fee(s)**” refer (as explained more fully in Section 5.4(c) below) to required payments at a rate and according to mailing cycles to be mutually agreed upon from time to time

between the COMPANY and VFA for Advertising Inserts placed by a Selling Franchisee or National Sales in a Mailing Franchisee's NTAS.

“**Matrix**” – see “**Franchisee Payment Matrix**” above.

“**Matrix Analysis Period**” means the month of June of each year.

“**National Sales Rules**” means the provisions of Section 3 of this Intermarket Sales Policy that govern the activities of National Sales hereunder.

“**Owned and Operated Franchisee**” means a Franchisee owned and operated by Valpak Franchise Operations, LLC (or a successor to that entity).

“**Remnant**” means an Advertising Insert that is accepted by a Mailing Franchisee on a space-available, randomly scheduled basis.

“**Selling Franchisee**” means a Franchisee who sells VALPAK® Advertising under the terms and conditions of a Franchise Agreement with COMPANY and/or in accordance with the VALPAK® System and the terms and conditions of this Intermarket Sales Policy.

“**Territory**” means the geographic area described and designated as the “Territory” in a Franchise Agreement entered into between COMPANY and Franchisee.

“**Territory Franchisee**” means a Franchisee in whose Territory another Franchisee, or National Sales, wishes (i) to sell VALPAK® Advertising; or (ii) to solicit and sell to Advertisers VALPAK® Advertising for intermarket distribution.

“**Territory Fee**” means a fee that is paid by National Sales or a Selling Franchisee to a Territory Franchisee following the execution of a VALPAK® Sales Agreement with an Advertiser, where such VALPAK® Sales Agreement was executed by National Sales or the Selling Franchisee with a Purchasing Representative located in the Territory Franchisee's Territory. Territory Fees are listed on **Schedule A**.

“**Unduplicated Circulation**” means the number of individual households or business addresses distributed per Mailing Period.

“**VALPAK® Advertising**” means Advertising Inserts, or other advertising products offered by COMPANY, for distribution through the VALPAK® System.

“**VALPAK® Sales Agreement**” means the contract form executed by and between a Franchisee or National Sales, as applicable, and an Advertiser for the sale of VALPAK® Advertising Inserts, or other advertising products offered by COMPANY, to be distributed through the VALPAK® System.

“**VFA**” means the Valpak Franchisees Association Inc., a Delaware non-stock corporation.

2. SALES RULES GOVERNING FRANCHISEE TRANSACTIONS

- 2.1 A Selling Franchisee must obtain written consent from the applicable Territory Franchisee, or COMPANY if the territory is not owned by a Franchisee, prior to any discussions with a Purchasing Representative related to the sale of VALPAK® Advertising if the Purchasing Representative is located outside of the Selling Franchisee's Territory.
- 2.2 The Intermarket Consent Form must be used in all instances where prior consent is required under the Intermarket Sales Policy. Intermarket Consent Forms and related notices shall be sent via email. Franchisees shall be permitted to negotiate additional conditions for consent which are not included in the Intermarket Consent Form.
- 2.3 Selling Franchisees, Territory Franchisees and COMPANY shall be required to maintain copies of all Intermarket Consent Forms to which they have been a party. At any time, COMPANY shall have the right to request, and Franchisee shall be obligated to provide to COMPANY, copies of any, and all, Intermarket Consent Forms. Franchisee's failure to comply with any COMPANY request for copies of Intermarket Consent Forms shall be grounds for default under the Franchise Agreement.
- 2.4 Territory Franchisees shall be required to respond to all Selling Franchisee consent requests within three (3) business days of receipt of an Intermarket Consent Form from a Selling Franchisee. Should the Territory Franchisee (i) fail to respond to a Selling Franchisee's Intermarket Consent Form within the requisite three (3) day time period, or (ii) expressly deny such consent request, COMPANY reserves the right, after making a determination, in its sole and binding discretion that the Territory Franchisee has not made, or will not make, a commercially reasonable effort to procure the advertising business of the Advertiser listed on the Intermarket Consent Form, to grant the Selling Franchisee the right to sell to the Advertiser listed on the Intermarket Consent Form VALPAK® Advertising into Selling Franchisee's Territory.
- 2.5 Upon execution of any sale that is made as a result of a validly executed Intermarket Consent Form, or the grant of such rights by COMPANY pursuant to section 2.4 above, the Selling Franchisee shall be obligated to pay the Territory Franchisee the Territory Fee specified in **Schedule A** unless agreed otherwise.
- 2.6 Validly executed Intermarket Consent Forms shall remain in effect for so long as Mailing Activity continues. A Territory Franchisee is prohibited from calling on an Advertiser, for the purpose of selling VALPAK® Advertising, during the time period that a validly executed Intermarket Consent Form is in effect. At such time that a twelve (12) month period elapses between Mailings for an Advertiser listed on an Intermarket Consent Form, the rights and obligations of the parties established under the applicable Intermarket Consent Form shall terminate immediately. Furthermore, if the Selling Franchisee, after receiving consent from the Territory Franchisee or COMPANY, as the case may be, fails to obtain a written agreement for the sale of VALPAK® Advertising within ninety (90) days, the Intermarket Consent Form, and all related rights, shall terminate. Notwithstanding the foregoing, a Selling Franchisee may request successive ninety (90) day extensions, if appropriate. A Territory Franchisee, or COMPANY, may not unreasonably withhold consent to such request. In any event, extensions granted in accordance with the foregoing conditions shall not exceed one (1) year from the date of the initial grant of consent unless otherwise mutually agreed upon in writing.

- 2.7 An Intermarket Consent Form may be terminated at any time (i) by the Selling Franchisee, or (ii) by mutual consent of the parties. Any such termination shall not relieve a party of any obligations it has incurred under the Intermarket Consent Form.
- 2.8 A Territory Franchisee may not grant consent to a Selling Franchisee to call on an account in Territory Franchisee's Territory without the express written consent of COMPANY once the Territory Franchisee has given notice to COMPANY that it has offered its Territory for sale and COMPANY has listed such Territory for sale.

3. RULES GOVERNING NATIONAL SALES TRANSACTIONS

The following categories determine the rights and obligations of Franchisee and National Sales (each a "party", or collectively referred to as the "parties") with respect to the activities of National Sales regarding the solicitation and sale of VALPAK® Advertising.

- 3.1 Category A Accounts. A "Category A Account" is an Advertiser who advertises solely within the single Franchisee Territory where its Purchasing Representative is located, or within a single "Designated Market Area" as defined by Neilson Media Research ("DMA") provided that the Purchasing Representative and a portion of the DMA is located within the Franchisee Territory. COMPANY agrees that neither it, nor National Sales, shall have the right to solicit or sell VALPAK® Advertising to Category A Accounts.
- 3.2 Category B Accounts. A "Category B Account" is an Advertiser who (i) advertises in another, or multiple other, Franchisee Territory(ies) outside of the DMA of the Franchisee in whose Territory its Purchasing Representative is located; and (ii) is not listed as a "Category C Account". National Sales *may* solicit and sell VALPAK® Advertising to Category B Accounts if it receives consent from the Territory Franchisee to do so.

(a) National Sales Consent Requests

- (i) National Sales may solicit and sell VALPAK® Advertising to Category B Accounts but only after it has received consent from the Territory Franchisee to do so. Such consent must be received (i) prior to any discussions with a Purchasing Representative related to the sale of VALPAK® Advertising if the contact was initiated by a National Sales representative; or (ii) prior to any discussions with a Purchasing Representative related to pricing if the contact was initiated by the Advertiser. If consent is received, National Sales will add the Advertiser to the National Sales Category B Account list as an "active" account (as described below).
- (ii) Territory Franchisees must respond to all National Sales consent requests within three (3) days.
- (iii) If National Sales does not receive consent, either by the Territory Franchisee expressly denying such consent or by failing to respond to a consent request within the three (3) day period, Territory Franchisee will be notified by COMPANY that it will be obligated to contact the Advertiser within five (5) days for the purpose of soliciting and selling VALPAK® Advertising.
- (iv) Unless otherwise agreed to by the parties, any failure on behalf of the Territory Franchisee to contact the Advertiser within the requisite five (5) day period may

result in a notification from COMPANY that National Sales will proceed to contact the Advertiser for the purpose of soliciting and selling VALPAK® Advertising and add the Advertiser to the National Sales Category B Account list as an “active” account (as defined below).

- (v) Notwithstanding the foregoing, Territory Franchisees operating under a notice of default from COMPANY, pursuant to the Franchise Agreement, are prohibited from denying a National Sales consent request for any reason.

(b) Category B Account Lists

- (i) National Sales and Territory Franchisees shall maintain a list of their “active” Category B Accounts. An account is “active” if it is an account with which a party can demonstrate that it is using commercially reasonable efforts, in an ongoing manner, to obtain a VALPAK® Sales Agreement. Evidence of such ongoing efforts shall be mutually agreed upon and shall include, at a minimum, items verifying two-way contact with the account such as call reports, and frequent communications by phone or email.
- (ii) If, after meeting the foregoing requirements, a party fails to obtain a written agreement with an account within one (1) year of its initial contact, the account will no longer be considered “active” and should be removed from the Category B Account list. An extension of six (6) months may be granted if a party can demonstrate that commercially reasonable efforts are continuing in the effort to obtain a written VALPAK® Advertising Agreement. In the event an account is removed from a Territory Franchisee’s Category B List in accordance with this section, National Sales, upon notification to the Territory Franchisee, will be permitted to call on such account without obtaining consent.
- (iii) All Franchisee and National Sales Category B Accounts lists in effect as of the effective date of this 2004 Intermarket Sales Policy shall remain in effect.
- (c) All Franchisee and National Sales Category B Accounts lists in effect as of the effective date of this 2004 Intermarket Sales Policy shall remain in effect in accordance with the 2002 Intermarket Sales Policy rules pertaining to such accounts.

3.3 Category C.

- (a) A “Category C Account” is an Advertiser that has minimum annual sales revenues of \$500 million. Category C Accounts are listed on www.insidevalpak.com, or other such web site designated by COMPANY from time to time (the “Category C List”). The Category C List will consist of a maximum of five hundred (500) Advertisers, with COMPANY reserving the right to edit the list at any time (i.e. a “rolling list”), and will be published by region or other agreed upon geographic designation. National Sales may not add accounts to the Category C List (i) that have had sales activity with a Franchisee in the last twelve (12) months; or (ii) are listed on a Franchisee’s Category B Account list. All Consumer-Packaged Goods manufacturers and Direct Response companies shall be categorized as Category C Accounts, but are not required to be included on the Category C List of five hundred (500) Advertisers. Additionally, Advertisers in the “franchised dining” category as defined in the “Food Program” section of the Production Handbook shall not be included as Category C Accounts. National Sales shall have the right to solicit and sell advertising

services to any Category C Account wherever located and for mailings anywhere. Prior to COMPANY meeting on-site with a Category C Account, National Sales shall use its best efforts to notify the Territory Franchisee of the time and date of such on-site meeting.

- (b) **“No Call Rule”**. Franchisee agrees not to call on Category C Accounts listed on the Category C List that are “active”, as defined in Section 3.2(b)(i).
- (c) **Large and Multi-National Corporations**. Distinct, name brand divisions of large companies that (i) have a designated Purchasing Representative, and (ii) qualify as Category C Accounts, must be listed as separate entities on the Category C List. For example: If calling on the Macy’s and/or Bloomingdale’s division of Federated Department Stores, each division must be listed separately, not Federated Department Stores. Additionally, if a Category C Account has multiple Purchasing Representatives, each must be listed separately.

3.4 **Category F (“F List Accounts”)**. Except with respect to Strategic Selling Opportunity (a/k/a “SSO”), Art Reference Directory (a/k/a “ARD”), Network Sales, and other similar programs that have been developed by COMPANY and approved by the VFA (or other such committee appointed by the VFA to conduct such approval process), National Sales shall not initiate contact with any F List Account for the purpose of selling VALPAK® Advertising. So long as an Advertiser is participating in a Group Buy Aggregation it cannot be categorized as an F List Account and added to Schedule F when the annual update of Schedule F occurs. Any Franchisee negatively affected by an action of the VFA under this Section 3.4 may appeal such action to the Dispute Resolution Team, whose decision shall be final.

4. **DESIGNATED KEY ACCOUNTS**

4.1 In the event a Purchasing Representative for a Designated Key Account changes or relocates, the Designated Key Account shall remain the account of the original Selling Franchisee, or National Sales, as the case may be, (both being referred to in this section as the “Current Seller”) under the following conditions:

- (a) Within thirty (30) days of the change or relocation of the Purchasing Representative, the Current Seller must send written notification to both COMPANY and the new Territory Franchisee informing them of its intent to continue to call on and sell VALPAK® Advertising to the Designated Key Account. If such notice is not received by the new Territory Franchisee within the requisite thirty (30) day notice period, the Current Seller will automatically lose its ability to follow the Designated Key Account.
- (b) The Designated Key Account continues to mail a minimum of five million (5,000,000) Advertising Inserts in VALPAK® Envelopes per year.

At the point that the Designated Key Account fails to mail the requisite yearly minimum of five million (5,000,000) Advertising Inserts, or its relationship with the Current Seller is terminated, it will become the account of the Franchisee in whose Territory the Purchasing Representative is located. Notwithstanding the foregoing, a Designated Key Account will become the account of the Franchisee into whose Territory the new Purchasing Representative is located if the new Purchasing Representative so requests.

When a Purchasing Representative for a Designated Key Account changes or relocates, and subsequently chooses to sever relations with the Current Seller and commence relations with the

new Territory Franchisee, an “Account Relocation Fee” of \$1.50/M is due and payable by the new Territory Franchisee to the Current Seller. The Account Relocation Fee is based on total circulation mailed by the Advertiser after commencing relations with the new Territory Franchisee. The term of payment of Account Relocation Fees is equal to the length of time the Advertiser qualified as a Designated Key Account with the former Selling Franchisee (or National Sales), but shall not exceed four (4) years. Account Relocation Fees apply only to the most recent relocation between the new Territory Franchisee(s) and former Selling Franchisee(s) (or National Sales).

- 4.2 For the period of time that the Current Seller retains the Designated Key Account, it shall pay the Franchisee in whose Territory the Purchasing Representative is newly located a Territory Fee in accordance with the Territory Fee provisions described in Section 5.4(b) below.

If the Purchasing Representative change involves an Agency, Current Seller discussions with the Agency are limited to those pertaining strictly to the Advertiser Current Seller is doing business with. Notwithstanding anything to the contrary contained herein, any account that, by way of its own decision, achieves or loses status as an aggregated account, in whole or in part, shall not qualify as a Designated Key Account regardless of whether or not it has met, or continues to meet, Designated Key Account type circulation requirements, and, as such, the Franchisee (or National Sales) of the formerly, or presently, aggregated account shall not be entitled to continue to call on the account, nor receive an Account Relocation Fee as described in this Section 4.

5. “MUST CARRY” AND THE FRANCHISEE PAYMENT MATRIX

5.1 “Must Carry”

- (a) Subject to the “**Must Carry Exceptions**” listed below, a Mailing Franchisee shall be obligated to fulfill (“**Must Carry**”) any inbound intermarket order for which it is offered any required applicable compensation specified on the Franchisee Payment Matrix.
- (b) Mailing Franchisees shall be notified by Selling Franchisee or COMPANY in all instances where Must Carry intermarket orders are being placed in their Territory.

5.2 Intermarket Must Carry Exceptions

- (a) Must Carry intermarket orders for VALPAK® Advertising are automatically placed for distribution in the Mailing Franchisee’s Territory unless the Mailing Franchisee rejects the order within three (3) business days of receipt of the notice of the proposed intermarket order provided the notice for an intermarket order contains the correct trade name and category of the intermarket Advertiser. If the foregoing requirements are satisfied, and none of the following circumstances apply, a Mailing Franchisee may not refuse to accept a Must Carry intermarket order.
 - (i) The Mailing Franchisee determines in its reasonable discretion that the advertisement would violate local community standards. Such advertisements may include, but shall not be limited to, advertisements of a suggestive sexual nature, advertisements promoting political candidates or politically sensitive issues, advertisements promoting organized religion or church groups, advertisements for family planning-abortion clinics, advertisements for gaming activities, advertisements that promote tobacco products, advertisements for psychic services or advertisements that violate federal, state or local law. Notwithstanding Franchisee’s right to reject advertisements under this Section 5.2(b)(i),

COMPANY reserves the right, at any time, to refuse any advertisement that does not meet COMPANY standards, violates any federal, state or local law, or may, by its nature, reflect negatively on the goodwill and reputation of COMPANY.

- (ii) The Advertising Insert is for the same brand name product(s) and/or service(s) as an Advertising Insert that is already scheduled to be included in the same VALPAK® Envelope.
 - (iii) The Advertising Insert is from an Advertiser for which the Mailing Franchisee is owed fees for prior mailings. Such fees must be from two (2) to, but not greater than, twelve (12) months delinquent and must be owed by the same business entity. A Mailing Franchisee may reject a Must Carry intermarket order pursuant to this Section 5.2(a)(iii) at any time regardless of whether or not the Must Carry intermarket order was accepted on a date prior to the occurrence of the past due fees.
 - (iv) The Advertising Insert is from a Selling Franchisee that owes the Mailing Franchisee past due amounts for other intermarket orders. A Mailing Franchisee may reject a Must Carry intermarket order pursuant to this Section 5.2(a)(iv) at any time regardless of whether or not the Must Carry intermarket order was accepted on a date prior to the occurrence of the past due fees.
 - (v) The Advertising Insert, or other advertising product offered by COMPANY, for distribution in VALPAK® Envelopes, is from an Advertiser that has a current written VALPAK® Sales Agreement in place with the Mailing Franchisee for VALPAK® Advertising.
 - (vi) Any inbound Advertising Insert from an Advertiser that a Mailing Franchisee believes, based on the existence of (i) a state consumer affairs complaint (e.g. state attorney general's office) and, (ii) negative local media coverage of such Advertiser, will cause the Mailing Franchisee to incur a significant loss of business. The negative media must be verifiable and coverage must appear locally and be generally accessible to consumers in the Mailing Franchisee's Territory, e.g. newspaper, television, radio and their related internet sites, and the state consumer affairs complaint must be confirmed by a copy of the filing.
 - (vii) The Advertising Insert falls into a category of which the Mailing Franchisee is currently carrying four (4) or more pieces within an individual NTA. Advertising Inserts cannot be rejected under this Section 5.2(a)(vii) if the Inbound Advertiser has mailed in the NTA® three (3) times within the last twelve (12) months. The rejection must be based on a specific category (NAIC sub-category). For example, pizza restaurants – not dining establishments, carpet cleaners – not household cleaning services, handyman services – not building or remodeling contractors. Franchisees who have sub-categories that are subject to this exception must list them, and maintain such list, on www.insidevalpak.com in an area designated by COMPANY.
- (b) Notwithstanding Section 5.2(a), a Mailing Franchisee may reject a specific intermarket order at any time after it has become ninety (90) days past due in payments owed by the Selling Franchisee for such intermarket order.

5.3 [LEFT INTENTIONALLY BLANK]

5.4 **Intermarket Compensation**

(a) **The “Matrix Fee”**

- (i) In order for an intermarket order to receive Must Carry status, a Selling Franchisee or National Sales, must, in addition to the Insertion Fees, pay to the Mailing Franchisee the applicable “Matrix Fee”, as specified in the “Franchisee Payment Matrix” listed on **Schedule A**.
- (ii) Regardless of whether an Advertiser has ceased doing business, or has filed for bankruptcy protection, or for any reason has not paid the Selling Franchisee, the Selling Franchisee shall remain obligated to pay any required applicable Matrix and Insertion Fees for any intermarket mailing completed in accordance with the Intermarket Sales Policy.
- (iii) A Selling Franchisee or National Sales shall be permitted to negotiate and offer compensation fees for intermarket orders, including, without limitation, orders for Remnants, that are lower than those listed on the Franchisee Payment Matrix with the Mailing Franchisee. Agreed to intermarket compensation below Matrix rates is not subject to Must Carry rules.

(iv) **Must Carry / Inventory Management of PlusOne**

- a. All inbound orders of PlusOne into a market will be considered entitled to “Must Carry” status and a franchisee may not reject any inbound PlusOne order other than based on inventory levels.
- b. Markets will be able to reserve inventory levels of PlusOne equal to that market’s local sell-through performance percentage (calculated as set forth below) plus 10%.
 - 1) Average local sell-through performance percentage of PlusOne over rolling 6 months will be used to calculate the reserve inventory levels.
 - 2) To avoid excessive cost around programming, franchisees themselves are required to manage their reserve inventory levels and should reject inbound PlusOne pieces from other franchisees if they do not have adequate inventory available.
- c. If a market is unreasonably reserving inventory levels of PlusOne and rejecting pieces, this will need to be resolved under the Dispute Resolution procedures set forth in Section 10 below. By way of example only, assuming that the franchisee’s average local sell-through performance percentage over the rolling 6 months is 30%, under the requirements one adds 10% to that number (pursuant to Section 5.4(a)(iv)b. above), that franchisee is required to accept inbound PlusOne pieces for 60% of his volume because that franchisee’s reserve inventory level is 40%.

(b) **The “Association Fees” and “Marketing Fees”**

- (i) In connection with all orders:
- the Mailing Franchisee must pay to the COMPANY the Marketing Fees on all Advertising Inserts mailed in VALPAK® Envelopes in the Mailing Franchisee’s Territory;
 - the Selling Franchisee (or National Sales, if applicable) must reimburse the Mailing Franchisee for the Marketing Fees on Advertising Inserts they (*i.e.*, the Selling Franchisee or National Sales, whichever is applicable) place in Mailing Franchisee’s VALPAK® Envelopes;
 - the Marketing Fees which the Company receives from Independent Franchisees will be remitted to the VFA as Association Fees as long as the VFA represents a majority of the Independent Franchisees (thereafter such Marketing Fees will be retained by the Company);
 - all other Marketing Fees received by the COMPANY will be retained by the COMPANY; and
 - with respect to both the Marketing Fees and the Association Fees, the COMPANY and the VFA will attempt to agree on how they will be spent, but if they cannot agree, the COMPANY will have the right to determine how the Marketing Fees are to be spent for marketing purposes and the VFA will determine how the Association Fees are to be spent.
- (ii) Regardless of whether an Advertiser has ceased doing business, or has filed for bankruptcy protection, or for any reason has not paid the Selling Franchisee, the Selling Franchisee shall remain obligated to reimburse the Mailing Franchisee with respect to Association Fees or Marketing Fees (whichever is applicable) in accordance with Section 5.4(c)(i) above.
- (iii) In order for an intermarket order to receive Must Carry status, compliance by the Selling Franchisee with Sections 5.4(c)(i) and (ii) above is required.

(c) **The “Territory Fee”**

- (i) If a Selling Franchisee or National Sales executes a VALPAK® Sales Agreement for the sale of VALPAK® Advertising with an Advertiser with a Purchasing Representative located within the Territory Franchisee’s Territory, the Selling Franchisee or National Sales shall be obligated to pay the appropriate “**Territory Fee**” to the Territory Franchisee, as specified in **Schedule A**. The appropriate Territory Fee is due on all NTA’s® mailed as a result of the foregoing VALPAK® Sales Agreement, including NTA’s® located within the Territory Franchisee’s Territory.
- (ii) Selling Franchisees shall pay Territory Fees directly to Territory Franchisees. COMPANY shall issue credits to Territory Franchisees for Territory Fees due from

National Sales. Territory Fees shall be due and payable thirty (30) days after the Mailing Period ends.

- (iii) National Sales has no obligation to pay a Territory Fee to any Territory Franchisee for Direct Response Advertising or Consumer Packaged Goods Advertising.

5.5 Reimbursement for Overweight Postage

National Sales and Selling Franchisees will pay, and Mailing Franchisees will be reimbursed for, overweight postage under the following conditions:

(a) Payment of Overweight Postage Fees

- (i) National Sales shall reimburse Mailing Franchisee for overweight Advertising Inserts inserted into VALPAK® Envelopes for distribution which have achieved overweight status or will achieve overweight status by virtue of the inclusion of the overweight Advertising Insert.
- (ii) A Selling Franchisee must pay the overweight postage fee listed on **Schedule B** on each individual overweight intermarket Advertising Insert mailed. Such overweight postage fee shall be paid to, and administered by, COMPANY in accordance with this Intermarket Sales Policy.
- (iii) For those intermarket agreements that are subject to the terms and conditions of Section 5.3 above, and were not executed in accordance with the 2002 Intermarket Sales Policy, the Mailing Franchisee shall be obligated to pay the overweight postage fee listed on **Schedule B** for each individual overweight intermarket Advertising Insert mailed. Such overweight postage fees shall be paid to, and administered by, COMPANY in accordance with this Intermarket Sales Policy.

(b) Reimbursement of Overweight Postage Fees

- (i) Mailing Franchisees shall be entitled to reimbursement, from National Sales and/or Selling Franchisees, for the payment of applicable overweight postage fees in instances where an overweight Advertising Insert is inserted for distribution into a VALPAK® Envelope that has achieved overweight status.
- (ii) In the event Selling Franchisee and National Sales have both inserted overweight Advertising Inserts into a VALPAK® Envelope for distribution, and the VALPAK® Envelope has achieved overweight status, overweight postage fees due for reimbursement as a result of the insertion of such Advertising Inserts shall be divided between Selling Franchisee and National Sales proportionately.

An Advertising Insert and a VALPAK® Envelope achieve overweight status when they *equal or* exceed the weights listed on **Schedule B** for a “Standard Advertising Insert” and a “Standard VALPAK® Envelope”.

6. SUPPLIED ADVERTISING INSERTS PRINTED BY THIRD PARTIES

Mailing Franchisees will pay COMPANY the insertion rates listed on **Schedule C** for those Advertising Inserts included in VALPAK® Envelopes in a Mailing that meets all VALPAK® standards and are printed

by third parties. Notwithstanding the terms and conditions of the Franchise Agreement, the COMPANY may review and adjust the rates listed on **Schedule C** at its sole discretion upon six (6) months prior written notice.

7. MARKETING AND SALES ASSISTANCE

In certain instances, Franchisee may give referrals to National Sales, or Franchisee and National Sales may collaborate on sales calls to Advertisers for the purpose of selling VALPAK® Advertising. Depending on the outcome, compensation may be due to one or more of the parties. Any compensation due shall be negotiated in accordance with the guidelines of the “**Collaboration Fee Schedule**” listed below. In all instances where referral or sales assistance is provided as described herein, the parties shall remain separate entities and in no way shall such activities constitute a joint venture. The activities described in this Section 7 are subject to the terms and conditions of the Franchise Agreement and the Intermarket Sales Policy.

COLLABORATION FEE SCHEDULE

Marketing and Sales Assistance Compensation Rates

7.1 “Intra Territory Passive Referral”

Franchisee refers the name of a contact at an advertising prospect’s place of business to a National Sales Account Executive and assists National Sales in obtaining an appointment. Prior to this referral Franchisee has made no contact with the Advertiser for the purpose of selling VALPAK® Advertising. The National Sales Account Executive accepts the referral and calls on the Advertiser. Franchisee relinquishes any future rights that it may have in the account as long as there is Mailing Activity for the Advertiser.

If a Sale is made:

(i) COMPANY will pay Franchisee a two (2%) percent referral fee in addition to a Territory Fee based on the “retail insertion fee” collected from the Advertiser for VALPAK® Advertising for one (1) year. Franchisee may designate the consecutive twelve (12) month period upon which referral fees shall be calculated, however, Franchisee must make such designation within twenty-four (24) months of the first Mailing, otherwise Franchisee will lose the right to receive such referral fees. (For the purposes of this Section 7, “retail insertion fee” shall be equal to the total print and insert gross rate less the wholesale print cost.)

(ii) Subsequent to the referral fee payment period, and for so long as Mailing Activity continues, COMPANY will pay Franchisee a Territory Fee and a Matrix Fee for the portion of the Mailing mailed inside of Franchisee’s Territory and a Territory Fee for everything mailed outside of the Franchisee’s Territory.

7.2 “Intra Territory Active Referral”

Franchisee makes the initial sales call on the advertising prospect. Franchisee determines that it does not wish to service the account. Franchisee then offers to turn the account over to National Sales for sales and service, relinquishing any future rights that Franchisee may have in the account National Sales accepts as long as there is Mailing Activity for the Advertiser.

If a Sale is made:

(i) COMPANY will pay Franchisee an eight (8%) percent referral fee in addition to a Territory Fee based on the retail insertion fee collected from the Advertiser for VALPAK® Advertising for one (1) year. Franchisee may designate the consecutive twelve (12) month period upon which referral fees shall be calculated, however,

Franchisee must make such designation within twenty-four (24) months of the first Mailing, otherwise Franchisee will lose the right to receive such referral fees.

(ii) Subsequent to the referral fee payment period, and for so long as Mailing Activity, continues, COMPANY will pay Franchisee a Territory Fee and a Matrix Fee for the portion of the Mailing mailed inside of Franchisee's Territory and a Territory Fee for everything mailed outside of Franchisee's Territory.

7.3 "Inter Territory Passive Referral"

A Franchisee may, in the manner described in Section 7.1 above, refer an account located in another Franchisee's Territory to National Sales. Such referral is subject to the Territory Franchisee's right of first refusal and consent. It shall be the obligation of National Sales to ensure that Territory Franchisee's right of first refusal has been exercised prior to any discussions related to pricing with the advertising prospect.

If a Sale is made:

(i) Beginning with the first Mailing, and for so long as Mailing Activity continues, COMPANY will pay the Territory Franchisee a Territory Fee and a Matrix Fee for the portion of the Mailing mailed inside of the Territory Franchisee's Territory and a Territory Fee for everything mailed outside of Franchisee's Territory.

(ii) COMPANY will pay the referring Franchisee a two (2%) percent referral fee based on the retail insertion fee collected from the Advertiser for VALPAK® Advertising for one (1) year. Franchisee may designate the consecutive twelve (12) month period upon which referral fees shall be calculated, however, Franchisee must make such designation within twenty-four (24) months of the first Mailing, otherwise Franchisee will lose the right to receive such referral fees.

7.4 "Inter Territory Active Referral"

A Franchisee may, in the manner described in Section 7.2 above, and subsequent to receiving consent from the Territory Franchisee to call on such account, refer an account located in another Franchisee's Territory to National Sales. Such referral is subject to the Territory Franchisee's right of first refusal and consent. It shall be the obligation of National Sales to ensure that Territory Franchisee's right of first refusal has been exercised prior to any discussions related to pricing with the advertising prospect.

If a Sale is made:

(i) Beginning with the first Mailing, and for so long as Mailing Activity continues, COMPANY will pay the Territory Franchisee a Territory Fee and a Matrix Fee for the portion of the Mailing mailed inside of the Territory Franchisee's Territory and a Territory Fee for everything mailed outside of Franchisee's Territory.

(ii) COMPANY will pay the referring Franchisee an eight (8%) percent referral fee based on the retail insertion fee collected from the Advertiser for VALPAK® Advertising for one (1) year. Franchisee may designate the consecutive twelve (12) month period upon which referral fees shall be calculated, however, Franchisee must make such designation within twenty-four (24) months of the first Mailing, otherwise Franchisee will lose the right to receive such referral fees.

7.5 "National Sales On-site Presentation"

National Sales provides sales tools and a National Sales Account Executive to Franchisee for a one-day on-site sales presentation. The account remains a Franchisee account.

If a sale is made Franchisee shall pay to COMPANY a two (2%) percent referral fee based on the retail insertion fee collected from the Advertiser for Advertising Inserts mailed during the first year beginning with the first Mailing. Regardless of whether a sale is made or not, Franchisee shall pay all actual out-of-pocket expenses incurred by the National Sales Account for the on-site presentation, including travel and out-of-pocket costs.

7.6 “COMPANY Financed Franchisee Account”

Franchisee provides primary, day-to-day, contact to Advertiser for the purposes of sales and service. COMPANY provides financing and administrative services (the “**Administrative Services**”) and authorizes and provides pricing for all VALPAK® Advertising Insert sales activity with Advertiser.

COMPANY will pay Franchisee a fifteen (15%) percent sales commission on the retail insertion fees collected from the Advertiser for so long as COMPANY provides Administrative Services and pricing.

Sales volumes will be credited towards “Achievement Club” totals of Franchisee’s sales representative if appropriate.

8. AGGREGATION

8.1 “Top Down” Aggregation:

- (a) A Selling Franchisee, or National Sales must notify COMPANY *prior* to the initiation of *any* Aggregation activity, including, without limitation, any discussions with a Purchasing Representative related to the pricing of VALPAK® Advertising. Upon such notification by a party of its desire to “aggregate” the advertising business of an Advertiser, COMPANY will provide the Selling Franchisee(s) and/or National Sales with a detailed analysis and assessment of the effects the proposed Aggregation will have on all parties involved.
- (b) Any party desiring to aggregate must provide COMPANY and all affected Selling Franchisee(s) (the “Impacted Dealers”) with a list of all of the Advertiser locations being proposed for “aggregation” and any, and all, business or trade names under which the Advertiser conducts business.
- (c) COMPANY will post aggregated Advertisers in a location accessible to all Franchisees and National Sales (e.g. www.insidevalpak.com) with a brief description of the aggregated activity.
- (d) “Top Down” Aggregations are *not* subject to payment of any fees by Selling Franchisee or National Sales to Impacted Franchisees other than applicable Territory and Matrix fees, and a Displacement Fee equal to that described in Section 8.2 below.
- (e) Franchisees receiving Displacement Fees are prohibited from calling on Advertisers participating in Top Down Aggregations, during the term of the Top Down Aggregation, for the purpose of soliciting and selling VALPAK® Advertising for the Mailing dates in effect for the Top Down Aggregation.
- (f) Selling Franchisee and National Sales must complete a “Top Down” Aggregation through contacts with corporate headquarters, or its advertising agency of record, and may not have any contact with the local independent or company owned franchise (or distributor) without written permission of the Territory Dealer.

8.2 **Group Buy (“Bottom Up”) Aggregation:** As with Top-Down Aggregations, Group Buy Aggregations must be cleared through COMPANY in the manner provided in Section 8.1(a) and 8.1(b) above prior to any discussions with a Purchasing Representative related to the pricing of VALPAK® Advertising.

In the event a Group Buy occurs, Impacted Franchisees may be eligible for additional fees (“Impacted Seller Compensation”). Impacted Seller Compensation fees are as follows:

- (a) **Service Fee.** The Service Fee is \$30.00 per 10,000 unduplicated circulation, which is paid by the Selling Franchisee or National Sales, and is in addition to the applicable Matrix Fee. The purpose of the Service Fee is to compensate Territory Franchisees for their efforts in maintaining customer relations with accounts that have been aggregated, and encourage them to continue mailing by participating in the Group Buy.
- (b) **Displacement Fee.** Territory Franchisees, who have sold local accounts that have mailed in the previous twelve (12) months, and have been aggregated as a result of the Group Buy (“Displaced Sellers”), are eligible for Displacement Fees. Displacement Fees are due and payable at the same time Matrix Fees are paid by the Selling Franchisee or National Sales in accordance with the following schedule:
 - (i) For unduplicated circulation previously sold and mailed within Franchisee’s Territory:

\$30.00 per 10,000 increments
 - (ii) For unduplicated circulation previously sold and mailed as outbound intermarket:

\$15.00 per 10,000 increments
 - (iii) Displacement Fees are due only for those mailings and circulation that have been “displaced” at the time of the initial Group Buy, which shall remain a set figure for the purposes of calculating maximum Displacement Fees due as described herein.
 - (iv) Displacement Fees are calculated on 10,000 increments of unduplicated circulation mailed in the twelve (12) months prior to the first Group Buy, in-Territory and/or outbound orders. Increments of less than 10,000 will be pro-rated.
 - (v) Eligible Franchisees will receive Displacement Fees for four (4) years from the date of the first Group Buy, or up to the last mailing of the Group Buy, whichever occurs first.

Franchisees receiving Displacement Fees and/or Service Fees are prohibited from calling on Advertisers participating in a Group Buys, during the term of the Group Buy, for the purpose of soliciting and selling VALPAK® Advertising for the Mailing dates in effect for the Group Buy, but may solicit and sell VALPAK® Advertising for Mailing dates not included in the Group Buy, and/or other products offered by COMPANY not included in the Group Buy. Franchisees are encouraged however, and in the case of those receiving Service Fees are required, to contact Advertisers participating in Group Buys to encourage the Advertiser to continue participating in the Group Buy.

- (c) Any transaction that can be categorized as a Group Buy in effect, and under contract, as of the effective date of this 2005 Intermarket Sales Policy, and that otherwise complies with this

Agreement, shall not be subject to any Service or Displacement Fees, as described herein, for the term of such transaction.

9. AGENCIES

- 9.1 A Selling Franchisee or National Sales shall be permitted to transact business with an agency that is acting as a Purchasing Representative on behalf, and at the direction of, an Advertiser who desires to purchase VALPAK® Advertising. Any such transactions must be executed in accordance with the terms and conditions of the Franchise Agreement, as amended, and the Intermarket Sales Policy.
- 9.2 Selling Franchisee and National Sales acknowledge and agree that it shall not be permitted to retain, establish, or transact business with an agency for the purpose of circumventing the terms and conditions of the Franchise Agreement or the Intermarket Sales Policy. Any such action will be subject to the dispute resolution process.

10. DISPUTE RESOLUTION

When any violative actions, actual or attempted, arise under this Intermarket Sales Policy, it is the responsibility of the parties involved to negotiate a settlement. However, in those cases where the involved parties are unable to arrive at a mutually satisfactory agreement, the following arbitration procedure will be implemented:

- (a) Both parties are to submit, in writing, to the Vice-President of Franchise Relations of COMPANY, all information which they may have regarding the dispute. This information will include, but is not limited to, a narrative description of the dispute, copies of all related agreements, invoices, layouts, proofs, intermarket confirmation forms, and checks, as well as a description of any attempts previously made to settle the dispute.
- (b) The Senior Vice-President, Franchise Development and counsel for the VFA will select three “disinterested” Franchisees which consist of two Independent Franchisees and one Owned and Operated Franchisee to serve on any given dispute. The Owned and Operated Franchisee representative leader must run a market day-to-day. The three selected Franchisees, which must be “disinterested” (i.e., not involved in the underlying dispute), will serve to mediate the dispute as the “Dispute Resolution Team.” The Senior Vice-President, Franchise Development will coordinate the activities of the Dispute Resolution Team.
- (c) Decisions of the Dispute Resolution Team are binding, and it is expected that the actions required by their decisions will be implemented immediately. If financial transactions are necessary to carry out the mandate of the Dispute Resolution Team, and these transactions do not occur within ten (10) working days of the notification of the Dispute Resolution Team’s decision, COMPANY retains the right to use a “credit/debit” system (i.e. debit “at-fault” Franchisee’s VALPAK® account, credit injured Franchisee’s VALPAK® account) to ensure compliance. Furthermore, in those instances where the Dispute Resolution Team has determined that a franchisee has been financially harmed by the actions of another as a result of violations of the Intermarket Sales Policy, it may award damages retroactive over the length of the violation, or two (2) years, whichever is less. Such damages may include up to two hundred percent (200%) of the profits obtained by the breaching franchisee as a result of its violative actions. Repayment plans covering damage awards shall be at the discretion of the Dispute Resolution Team, but in no instance shall the length of any such plan exceed two (2) years.

- (d) Decisions of the Dispute Resolution Team may be appealed to the President of COMPANY, but such appeal must be made in writing no later than ten (10) working days after notification of the Dispute Resolution Team's decision. The President's decision is final except as to decisions which substantially support the position of National Sales or any company owned and operated VALPAK® Franchise, in which event, the VFA shall, in its sole discretion, have the authority and standing to appeal the decision by filing suit in the jurisdiction and venue provided in the Franchise Agreement seeking actual damages and/or injunctive relief along with reasonable attorney's fees and costs, otherwise, the affected Franchisee may have such similar right.
- (e) Violations of any section of the Intermarket Sales Policy shall constitute a breach of the Franchise Agreement.
- (f) **Safe Harbor.** The following shall not be deemed to be violations of the Intermarket Sales Policy rules:
 - (i) If a Selling Franchisee or National Sales seeks and obtains a written opinion from the Vice-President of Franchise Relations concerning the propriety of a specific sales contact or act and upon receipt of such opinion, substantially complies with the opinion in good faith, such party shall not be in violation of this Intermarket Sales Policy if such opinion was given in error or is subsequently modified or withdrawn, provided, such party complies with the revised opinion upon notice thereof. Any VALPAK® Sales Agreement entered into prior to such notice shall remain valid.
 - (ii) If a Selling Franchisee or National Sales responds to a request from an agency for information without knowledge of the identity of the Advertiser represented by such agency prior to complying with the requirements of Section 9, it shall not be a violation of this Intermarket Sales Policy, provided that neither party quotes any specific price for VALPAK® Advertising.

11. ELECTRONIC ADVERTISING

- 11.1 **Rights and Obligations.** COMPANY offers an array of Electronic Advertising Services to Advertisers and will continue to develop and offer new services to Advertisers as technology, advertising, Advertisers, consumers and the market evolve. Electronic Advertising Services that COMPANY offers for sale to Advertisers through the VALPAK® System includes, without limitation, electronic coupons, email, SMS text applications, mobile applications and any other local or national promotional advertising distributed electronically. FRANCHISEES and National Sales have been granted the right to sell Electronic Advertising with the understanding that COMPANY may, at any time, vary the duties, rights, obligations, compensation, pricing and vary the terms and conditions by which a party may participate in the sale and distribution of Electronic Advertising and Electronic Advertising Services, either as part of the Intermarket Sales Policy, or otherwise.
- 11.2 **Sales Rules.** Except as otherwise expressly stated herein, the sale of Electronic Advertising is subject to the obligations or restrictions for sales activities under the Intermarket Sales Policy.
- 11.3 **Compensation.** Compensation eligible to be earned by FRANCHISEE from the sale of Electronic Advertising, and how it is calculated, will be included on **Schedule H** which will be posted on InsideValpak.com and changed periodically as COMPANY determines appropriate.

- 11.4 Acceptance of Electronic Advertisements. Electronic Advertising in any form may not be rejected by a FRANCHISEE.
- 11.5 Intermarket Fees. No intermarket compensation described in the Intermarket Sales Policy, including, without limitation, Territory, Matrix, Marketing, Association, Designated Key Account and Aggregation Fees shall apply to the sale of Electronic Advertising.
- 11.6 Electronic Advertising Services Fees. COMPANY charges FRANCHISEE fees for Electronic Advertising Services, i.e. the services provided by COMPANY which make Electronic Advertising available to Advertisers. Electronic Advertising Service Fees may be in the form of fixed fees based on NTAS® mailed and/or wholesale charges based on application, or both. COMPANY will post all Electronic Advertising Service Fees for general access. Electronic Advertising Services Fees will appear on monthly plant bills and are subject to change from time-to-time in COMPANY'S sole discretion.
- 11.7 Electronic Advertising Compensation Plan. In order to encourage teamwork and incentivize the promotion and sale of Electronic Advertising Services on Valpak.com and other sites, COMPANY has developed a separate compensation system for its FRANCHISEES. In order to qualify and participate in the Electronic Advertising compensation plan (the "**EAC Plan**") FRANCHISEES must be in full compliance with their Franchise Agreements to the extent that (i) they are current with all monies owed to COMPANY; and (ii) unless otherwise in receipt of a waiver from COMPANY, they do not own, operate or have any ownership or management interest in a Competitive Business ("**Eligibility**"). Both the EAC Plan and Eligibility may be altered, changed, modified or discontinued at any time by COMPANY. However, any adjustment or discontinuation will only be on a going-forward basis and will not be retroactive to amounts already earned, if any, by a FRANCHISEE. The current form of the EAC Plan and the Eligibility are attached as **Schedule H**. Notwithstanding the foregoing, any FRANCHISEE forfeits any rights that they may have to any payments due (but unpaid) or other benefits arising out of the EAC Plan if such FRANCHISEE either does not meet the Eligibility, or such FRANCHISEE no longer is a party to a Franchise Agreement with COMPANY (for both payments and benefits up to the date such FRANCHISEE loses its right to participate and in the future).
- 11.8 Special Circumstances of Sale. Electronic Advertising Services have different applications and may have a set of unique circumstances related to their sale which must be adhered to either due to legal requirements or technological constraints. If this is the case, such special circumstances will be listed on **Schedule H** from time to time as they arise. Also included with the posting will be items such as start date, unique sales procedures, credit policy and compensation.
- 11.9 COMPANY Reserved Rights. Subject to the terms and conditions of the Franchise Agreement, COMPANY reserves the right, in its sole discretion, to maintain all aspects of any COMPANY owned and operated Internet web site (including those owned by its affiliates) including, without limitation, the design, look-and-feel, operational access, and content.

SCHEDULE G

[Intentionally Omitted]

SCHEDULE H

[Version 9.25.14]

Purpose of Schedule H: To enumerate the duties, rights, obligations, compensation, pricing and terms and conditions by which FRANCHISEE may participate in the sale and distribution of certain Electronic Advertising and Electronic Advertising Services. Schedule H will be posted on InsideValpak.com, or other website designated by COMPANY. COMPANY may, from time to time, make changes to the terms and conditions for the sale and distribution of Electronic Advertising and Electronic Advertising Services. COMPANY may also modify, change, cancel or discontinue specific Electronic Advertising and/or Electronic Advertising offerings.

DEFINITIONS

“EAC Plan Compensation” means compensation that may be earned by eligible franchisees under the EAC Plan described in Section 11. Any program under which EAC Plan Compensation is available will be labeled **“(EAC Plan Compensation Eligible)”**.

“Digital” and **“Digital Services”** are more modern terms that are synonymous with “Electronic Advertising” and “Electronic Advertising Services” and may be used interchangeably throughout.

“E-Commerce Partner(s)” means an internet-based company with which COMPANY has executed a revenue share agreement.

“Net Sales Revenue(s)” means revenues received by COMPANY less any taxes, chargebacks, credits, credit card processing fees, brokerage fees, syndication costs, distribution and marketing costs and other expenses incurred by COMPANY and its affiliates that are direct variable costs associated with the sale and distribution of Electronic Advertising and/or Electronic Advertising Services; all pursuant to the accounting methods adopted by COMPANY from time to time. COMPANY will determine the method, manner, procedures and processes for distribution of such net sales revenues from and among its franchisees based on such criteria as it will develop from time to time.

1. ELIGIBILITY REQUIREMENTS for EAC PLAN

- In order to receive compensation under the EAC Plan, FRANCHISEE must be in full compliance with its Franchise Agreement to the extent that it is current with all monies owed to COMPANY. Unless otherwise expressly stated, compensation earned under the EAC Plan is paid on a monthly basis and will appear on plant bills.

E-Commerce Partners (EAC Plan Compensation Eligible)

- COMPANY will distribute among its eligible franchisees (including COMPANY- franchisees) twenty-five percent (25%) of the Net Sales Revenues, if any, paid to COMPANY by E-Commerce Partners as a result of consumers using Digital Services obtained on Valpak.com that originated from E-Commerce Partners. Compensation earned will be credited on a monthly basis and will appear on plant bills.

2. DIGITAL PRODUCTS AND SERVICES

- COMPANY will list all currently available digital product and service offerings, and related wholesale pricing structures, on www.insidevalpak.com. As digital product and service offerings are added or eliminated, or wholesale rates change, InsideValpak.com will be updated accordingly.
- COMPANY will distribute among its eligible franchisees (including COMPANY- franchisees) twenty-five percent (25%) of the Net Sales Revenues derived by National Sales from the sales of Digital Products and Services. Compensation earned will be credited on a monthly basis and will appear on plant bills.

3. A LA CARTE SERVICES

From time-to-time COMPANY may offer a la carte Digital Services (e.g. SEO, mobile website optimization). Each such service, its availability and wholesale rate charge will be published by COMPANY on www.insidevalpak.com.

4. PER FRANCHISE CALCULATION OF “TWENTY-FIVE PERCENT (25%) OF THE NET SALES REVENUES”

The percentage of the “twenty-five percent (25%) of Net Sales Revenues derived by National Sales from the sale of Digital Services” that each individual eligible FRANCHISEE will receive on a monthly basis is based on a weighted percentage of the amount of wholesale revenue, both print and digital, that an eligible franchisee generates for COMPANY. The example below demonstrates how the monthly amount is calculated.

FRANCHISEE generates 10% of COMPANY’S total wholesale print revenue and 4% of COMPANY’S total wholesale digital revenue. These percentages are then weighted at 60% and 40% respectively. [60% of 10% = 6% and 40% of 4% = 1.6%] By adding the two weighted percentages together FRANCHISEE will arrive at the percentage of the “twenty-five percent (25%) of Net Sales Revenue derived by National Sales from the sale of Digital Services” that it will receive, if eligible. [6% + 1.6% = 7.6%]

SBA ADDENDUM TO THE VALPAK® FRANCHISE AGREEMENT

INSTRUCTIONS FOR USE OF SBA FORM 2462 ADDENDUM TO FRANCHISE AGREEMENT

SBA has issued a revised version of the Addendum to Franchise Agreement (SBA Form 2462) which became effective January 1, 2018. SBA's Standard Operating Procedure (SOP) 50 10 5(J) explains updates made to the franchise review process for the 7(a) and 504 loan programs. By executing this Addendum, the franchisor agrees that any terms in its franchise agreement or any other document the franchisor requires the franchisee to sign that are related to control by the franchisor or its franchisees (resulting in a determination by SBA of affiliation between the Franchisor and its franchisees, as defined in 13 CFR part 121 and SBA's Standard Operating Procedure 50 10) will not be enforced against the franchisee during the life of the SBA-guaranteed loan.

SBA Form 2462 has **three** locations with drop down menu options at the beginning of the form (see example below). Once a drop down option is chosen (i.e. #1 "Franchise" #2 "Franchisor" and #3 "Franchisee"), the user must hit the "tab" key to automatically populate the appropriate term in all fields.

Example of Drop-Down Options

The image shows a portion of the SBA Form 2462. On the left is the SBA logo. The main text reads: "ADDENDUM TO Franchise AGREEMENT". A dropdown menu is open under "Franchise", showing options: Franchise, License, Distributor, Membership, and Other. A red box labeled "1" points to the "ADDENDUM TO" dropdown. Below this, the text says: "THIS ADDENDUM ("Addendum") is made between _____, 20____, by and located at _____ ("Franchisor"), and _____ ("Franchisee"), located at _____". Red boxes labeled "2" and "3" point to the "Franchisor" and "Franchisee" dropdown menus respectively.

Once the drop down options have populated in all three locations, the remaining fillable fields must be completed manually (see example below). These fields will either be blank or contain the language "(Enter type of)" or "(type of agreement)." In each of these fields, enter the type of agreement, e.g., franchise, license, dealer, membership, etc. When completing SBA Form 2462, the text may not be altered except to insert the information required to complete the form.

Example of Fillable Fields to be Completed Manually

FORCED SALE OF ASSETS

- If Franchisor _____ has the option to purchase the business personal assets upon default or termination of the Franchise _____ Agreement and the parties are unable to agree on the value of the assets, the value will be determined by an appraiser chosen by both parties. If the Franchisee _____ owns the real estate where the franchisee _____ location is operating, Franchisee _____ will not be required to sell the real estate upon default or termination, but Franchisee _____ may be required to lease the real estate for the remainder of the (enter type of) _____ term (excluding additional renewals) for fair market value.

Note to Parties: This Addendum only addresses "affiliation" between the Franchisor _____ and Franchisee _____. Additionally, the applicant Franchisee _____ and the (type of agreement) _____ system must meet all SBA eligibility requirements.

ADDENDUM TO LICENSE

¹ AGREEMENT

THIS ADDENDUM (“Addendum”) is made and entered into on _____, 20____, by and between _____ (“Licensor”), located at _____, and _____ (“Licensee”), located at _____.

Licensor _____ and Licensee _____ entered into a License _____ Agreement on _____, 20____, (such Agreement, together with any amendments, the “License Agreement”). Licensee _____ is applying for financing(s) from a lender in which funding is provided with the assistance of the U. S. Small Business Administration (“SBA”). SBA requires the execution of this Addendum as a condition for obtaining SBA-assisted financing.

In consideration of the mutual promises below and for good and valuable consideration, the receipt and sufficiency of which the parties acknowledge the parties agree that notwithstanding any other terms in the License _____ Agreement or any other document Licensor _____ requires Licensee _____ to sign:

CHANGE OF OWNERSHIP

- If Licensee _____ is proposing to transfer a partial interest in Licensee _____ and Franchisor _____ has an option to purchase or a right of first refusal with respect to that partial interest, Franchisor _____ may exercise such option or right only if the proposed transferee is not a current owner or family member of a current owner of Licensee _____. If the Franchisor _____’s consent is required for any transfer (full or partial), Franchisor _____ will not unreasonably withhold such consent. In the event of an approved transfer of the (Enter type of) _____ interest or any portion thereof, the transferor will not be liable for the actions of the transferee Licensee _____.

FORCED SALE OF ASSETS

- If Franchisor _____ has the option to purchase the business personal assets upon default or termination of the License _____ Agreement and the parties are unable to agree on the value of the assets, the value will be determined by an appraiser chosen by both parties. If the Licensee _____ owns the real estate where the licensee _____ location is operating, Licensee _____ will not be required to sell the real estate upon default or termination, but Licensee _____ may be required to lease the real estate for the remainder of the (enter type of) _____ term (excluding additional renewals) for fair market value.

¹ While relationships established under license, jobber, dealer and similar agreements are not generally described as “franchise” relationships, if such relationships meet the Federal Trade Commission’s (FTC’s) definition of a franchise (see 16 CFR § 436), they are treated by SBA as franchise relationships for franchise affiliation determinations per 13 CFR § 121.301(f)(5).

COVENANTS

- If the Licensee owns the real estate where the licensee location is operating, Franchisor has not and will not during the term of the License Agreement record against the real estate any restrictions on the use of the property, including any restrictive covenants, branding covenants or environmental use restrictions. If any such restrictions are currently recorded against the Licensee's real estate, they must be removed in order for the Licensee to obtain SBA-assisted financing.

EMPLOYMENT

- Franchisor will not directly control (hire, fire or schedule) Licensee's employees. For temporary personnel franchises, the temporary employees will be employed by the Licensee not the Franchisor.

As to the referenced License Agreement, this Addendum automatically terminates when SBA no longer has any interest in any SBA-assisted financing provided to the Licensee.

Except as amended by this Addendum, the License Agreement remains in full force and effect according to its terms.

Franchisor and Licensee acknowledge that submission of false information to SBA, or the withholding of material information from SBA, can result in criminal prosecution under 18 U.S.C. 1001 and other provisions, including liability for treble damages under the False Claims Act, 31 U.S.C. §§ 3729 - 3733.

WHEREAS, Company has developed software known as VPOFFICE, as may be updated, upgraded, amended or otherwise modified by Company from time to time (“**VPOffice**” or “**Software**”); and

WHEREAS, Franchisee is a party to a franchise agreement (a “**Franchise Agreement**”) with Company or its affiliates, and Franchisee desires to utilize such Software in conjunction with the business operations Franchisee engages in pursuant to such Franchise Agreement; and

NOW, THEREFORE, in consideration of the premises and mutual covenants of this Agreement, the Parties hereto agree as follows:

2. TERM

Franchisee’s right and license to use the Software shall be effective for the same term of Franchisee’s Franchise Agreement, as renewed, extended or replaced (the “**Term**”), or until terminated in accordance with the express provisions of this Agreement.

Upon termination, Franchisee shall discontinue the use of and shall return to Company all copies of the Software and/or related documentation and shall destroy, and document in writing such destruction of, any embodiments of these materials stored in or on a reusable electronic or similar medium, including but not limited to memory, disk packs, tape, and other peripheral devices. Termination of the license by Franchisee or Company shall in no event entitle Franchisee to a refund of any license fees.

3. RESTRICTIONS ON USE

Except as expressly provided herein, Franchisee may use the Software solely for internal business purposes related to the franchised business carried on by Franchisee pursuant to the Franchise Agreement. Except as otherwise expressly provided herein, Franchisee shall not be permitted to transfer, sublicense or

otherwise assign its rights in the Software to any third party nor allow any third party to access or use the Software. Franchisee shall not have the right to alter or modify the Software without the express prior authorization of Company. Franchisee shall not have the right to reverse engineer the Software to develop any other computer program. Franchisee may not copy all or any part of the Software without Company's consent.

4. CLIENT RESPONSIBILITY

Franchisee shall be solely responsible for obtaining, maintaining and operating at its expense all computer hardware and software necessary for the use of the Software being licensed pursuant to this Agreement, as more fully described in the "VPOFFICE Service Level Agreement & Procedures", attached as Schedule A hereto, and incorporated by reference herein.

5. SOFTWARE LICENSE FEES

During the Term, Franchisee shall pay to Company the monthly Software License Fee set forth in the Valpak Franchisee Operating Procedures from time to time. Payment shall be due on the first day of each month beginning on the date of this Agreement, or on such other day as Company may designate in the Valpak Franchisee Operating Procedures. In the event that Franchisee's market size increases or decreases, Company shall increase or decrease Franchisee's Software License Fee accordingly, but shall not increase or decrease Franchisee's Software License Fee more than one (1) time per year. If Company licenses additional software, it may charge additional fees.

6. CONFIDENTIALITY

Franchisee recognizes that the Software is the proprietary and confidential property of Company. Accordingly, Franchisee shall not, without the prior written consent of Company, disclose or reveal to any third party, or utilize for its own benefit other than pursuant to this Agreement, Software or services provided by Company hereunder. Franchisee further agrees to take all reasonable precautions to preserve the confidentiality of Company's Software and shall assume responsibility that its employees will similarly preserve this information against third parties. The provisions of this clause shall survive termination or expiration of this Agreement.

Franchisee shall take no steps in attempting to reverse engineer the Software.

Company acknowledges that data input into the VPOffice® system by Franchisee (the "Franchisee Data") is the confidential and proprietary information of Franchisee and shall be regarded as such. Company shall have the right to access the Franchisee Data listed on Schedule A to this Agreement for the sole purpose of compiling data for analysis purposes. In the event Company wishes to access Franchisee Data not listed on Schedule A, Company shall only be permitted to do so upon first obtaining the prior written consent of the Franchisee. Other than for compiling and analyzing data in the aggregate, Company shall not share or distribute any information contained in the Franchisee Data, in any form whatsoever, with any of Company's subsidiaries or affiliates, or any third party other than the Valpak Franchise Association without the express written consent of the Franchisee.

7. SOFTWARE MAINTENANCE SERVICES

Company shall perform those maintenance and support services (the "Maintenance Services") described in Section I of the "Service Level Agreement" attached hereto.

Enhancements. Any updates, upgrades, enhancements or modifications made by Company to the Software shall be promptly provided to Franchisee and automatically included in this Agreement.

A. Company represents and warrants that it has no actual knowledge that Franchisee's use of the Software infringes any valid rights of any third party.

B. Company represents and warrants that the Software will perform in accordance with the specifications provided by Company to Franchisee, a copy of which will accompany this Agreement. THE WARRANTY PROVIDED HEREIN IS IN LIEU OF ALL OTHER WARRANTIES OR CONDITIONS, EITHER EXPRESS, IMPLIED, STATUTORY OR COLLATERAL, INCLUDING ANY THAT MAY ARISE EITHER BY AGREEMENT BETWEEN THE PARTIES OR BY OPERATION OF LAW, INCLUDING THE WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

C. Limitation of Liability. IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES, DAMAGES FOR LOSS OF PROFITS, REVENUE, DATA OR USE, INCURRED BY FRANCHISEE OR ANY THIRD PARTY, WHETHER IN AN ACTION IN CONTRACT, BREACH OF WARRANTY OR TORT OR OTHER LEGAL THEORY, EVEN IF COMPANY OR ANY OTHER PERSON COULD REASONABLY FORESEE OR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

9. INDEMNITY

Company agrees to defend, indemnify, and hold Franchisee, and its officers, directors, agents, and employees, harmless against all costs, expenses, and losses (including reasonable lawyers' fees and costs) incurred through claims of third parties against Franchisee based on a breach by Company of any representation and warranty made in this Agreement as well as for any third-party claim of infringement of its intellectual property rights based on Franchisee's use of the Software.

10. TERMINATION

Upon the expiration or termination of Franchisee's Franchise Agreement, all rights granted to Franchisee under this Agreement shall forthwith terminate and immediately revert to Company and Franchisee shall discontinue all use of the Software and the like.

11. FORCE MAJEURE

Neither Party shall be liable for, or will be considered in breach of or default under this Agreement on account of, any delay or failure to perform as required by this Agreement as a result of any causes or conditions that are beyond such Party's reasonable control and that such Party is unable to overcome through the exercise of commercially reasonable diligence. If any force majeure event occurs, the effected Party will give prompt written notice to the other Party and will use commercially reasonable efforts to minimize the impact of the event.

12. ASSIGNMENT

Franchisee's rights described in this Agreement are neither assignable, transferable, nor divisible to anyone else under any circumstances whatsoever, except as part of the transfer of the Franchise Agreement in accordance with its terms. Any other purported transfer or assignment of this Agreement shall be void. However, Company may assign or delegate its rights and obligations under this Agreement.

IN WITNESS WHEREOF, the Parties hereto, intending to be legally bound hereby, have each caused to be affixed hereto its or his/her hand and seal as shown below.

SECTION I

Purpose

This Service Level Agreement for VPOffice (the “Maintenance Agreement”) will define the support standards that the Franchisee, the Franchise Application Support Team, Second Level Support Groups, and the Corporate Support Center (CSC) have agreed to. This document will list hours and scope of support and will specify the depth of support to be provided. It will also formulate a plan for evaluating the quality of support and identify any weaknesses in the support plan. This is a living document subject to revision, by Company in its sole discretion, when necessary.

Term

The term of this Maintenance Agreement shall begin on the Effective Date of the VPOffice Software License Agreement. Thereafter, and for so long as Company makes Maintenance Services for the Software generally available to franchisees, Franchisee shall pay maintenance fees in accordance with the then-current rate schedule published by Company for such services.

Franchise Application Support Team (“FAST”)

The Franchise Application Support Team (“FAST”) will act as the primary point of contact between the Franchisee and the Second Level Support Group. FAST will make every effort to resolve any issue or request during the initial call. In the event the request/issue cannot be resolved, FAST will forward the support request to the SLSG for escalation. It is the responsibility of FAST and the SLSG to document the support process in the Service Center ticket.

Second Level Support Group (“SLSG”)

All SLSG’s will respond within specified time frames (See Section III) for any issues escalated by FAST or the CSC.

Hours of Support

FAST support services are available from 7:00 AM – 8:00 PM EST, Monday through Friday, excluding Valpak observed holidays. FAST and SLSG shall be available after hours for emergencies.

Emergency Contact Information

FAST and the Company data center maintain a listing of all emergency contact numbers for ITSS, Supervisors, Managers and Directors of Valpak Direct Marketing Systems, LLC

Annual Software Support and Maintenance Fees

Software Support and Maintenance Fees (the “Maintenance Fees”) are based on the twelve (12) month average size of the “Franchisee’s Market”, which is defined as the number of unduplicated addresses that the Franchisee mails within their market per Mailing. In the event that Franchisee’s Market size increases or decreases, Company shall increase or decrease Franchisee’s Maintenance Fee accordingly, but shall not increase or decrease Franchisee’s Maintenance Fee more than one (1) time per year. Maintenance Fees shall be invoiced on a monthly basis, due and payable on the first day of each month. Additionally, following the initial Maintenance Term, Maintenance Fees may be increased or decreased, whichever the case may

be, thereafter from one year to the next by a percentage equal to the change in the U.S. Department of Labor Consumer Price Index.

MAINTENANCE FEES/MONTHLY PAYMENT SCHEDULE				
Micro Market 0 – 80,000	Small Market 80,001 – 150,000	Medium Market 150,001 – 300,000	Large Market 300,001 – 499,999	Macro Market 500,000+
\$78.00	\$87.00	\$97.00	\$105.00	\$180.00

SECTION II

Company Responsibilities

Availability

The VPOffice system will be available 7x24 (7 days Monday – Sunday/24 hours a day) with the exception of Sundays from 6:00 am – 12:00 pm ET. This is reserved as a maintenance window for periodic hardware/database maintenance.

On occasion it may be necessary to disrupt the availability to perform preventative maintenance. All Franchisees will be notified 24 hours prior to any such interruption. If an interruption is required to perform maintenance of an urgent nature, an attempt will be made to notify all Franchisees.

Data – Backup and Recovery

Backup and Recovery

Company ensures that all data is backed up on a regular basis. Backups are performed in a manner that no data is at risk for non-catastrophic failure and no more than twenty-four (24) hours of data is at risk in the event of a catastrophic outage.

Quality

Procedure

Company comprehensively tests all code and changes for VPOffice. Testing includes both supported functionality and adequate system performance.

Trouble Reporting and Management

FAST is available as specified in Section I for reporting of any and all issues related to the system. Management of these issues will comply guidelines specified in Section III.

Release Schedule

Update versions of the software will be scheduled in periodic releases. Under certain circumstances, updated versions may be implemented more frequently to fix defects or implement needed enhancements.

Franchisee Responsibilities

Hardware

Franchisees are responsible for acquiring and maintaining hardware that satisfies the minimum supported configuration. Company validates that the minimum supported configuration meets performance and availability requirements for the standard install set. If the Franchisee uses the same hardware to concurrently execute other software, additional hardware may be required. Company is available to provide technical advice and will not guarantee performance in non-standard configurations.

Minimum Supported Configuration

Processor:	Pentium 4/Core 2/AMD Athlon
Display:	256 bit colour 1024x768 resolution
Disk Space:	500 MB
Operating System:	Windows Server 2008 Compatible
Printer:	Windows 2000 compatible

Telecommunications

Franchisees are responsible to obtain a stable Internet connection. Minimum bandwidth requirements are listed above.

Software

Franchisees must accept any configuration and registry settings required by Company to execute the software. Franchisees must use version levels of executable programs, including DLLs and drivers, required. Company does not guarantee compatibility of VPOffice with any non-supported software installed on the same hardware used for VPOffice.

Franchisees must accept and use the current version level of software supplied by Company. No attempts to modify or extend the software can be made by the Franchisee or their employees.

Security

Franchisees and their employees must comply with password and other security procedures established by Company. This includes changing passwords for VPOffice access on a regular cycle. Typical IT standards dictate a 45-day expiration on passwords.

***Severity levels and SLAs are defined by the CSC and SLSG, not by the end user. Careful consideration will be taken when determining the severity of the reported issue.*

SECTION IV

Business Critical Calls

Business critical calls are defined as Severity 1 or Severity 2 issues/requests. (See Section III for definition of severity levels.) These types of calls shall be escalated to the appropriate SLSG through emergency escalation procedures to include advisement of management.

- ❖ A call is not acted upon in a timely manner.
- ❖ Follow up is not completed resulting in delayed closure of the call.

If it becomes necessary to escalate the call, FAST will contact the SLSG support technician and manager. FAST will assume role of liaison between the SLSGs and the Franchisee until the request or issue is resolved satisfactorily.

Escalation Path

The escalation path begins if any of the escalation scenarios above occurs, the end user indicates the call is business critical, or FAST determines the issue to be business critical.

WASHINGTON FRANCHISE DISCLOSURE DOCUMENT**

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

**CONDITIONAL ASSIGNMENT OF
TELEPHONE NUMBERS, LISTINGS AND ADDRESSES**

THIS CONDITIONAL ASSIGNMENT OF TELEPHONE NUMBERS, LISTINGS AND ADDRESSES (this “**Assignment**”) is effective as of _____, between **VALPAK DIRECT MARKETING SYSTEMS, LLC**, a Delaware limited liability company, with its principal place of business at 1 Valpak Avenue North, St. Petersburg, Florida 33716 (“**we,**” “**us**” or “**our**”) and _____, a _____, with its principal place of business at _____ (“**you**” or “**your**”). You and we are sometimes referred to collectively as the “**parties**” or individually as a “**party.**”

BACKGROUND INFORMATION:

We grant franchises for the operation of Valpak® franchised businesses using our System and Marks (a “**Franchised Business**”). An integral part of our System is that Franchised Businesses operate according to our distinctive business formats, methods, procedures, designs, layouts, signs, equipment, trade dress, standards and specifications. In order to protect our interest in the System and the Marks, we will have the right to control the telephone numbers, directory listings and postal addresses of Franchised Business if the Franchise Agreement to which you are a party (said agreement, as amended or renewed from time to time, herein referred to as the “**Franchise Agreement**”) ends for any reason.

OPERATIVE TERMS:

You and we agree as follows:

1. **Conditional Assignment:** You assign to us, all of your right, title and interest in and to all of the following used in any way by the Franchised Business or associated with any official matter: (a) telephone numbers and regular, classified or other telephone directory listings; and (b) post office box addresses, mail box addresses, postal drop addresses or the like (regardless whether they are sold, leased, issued, granted or assigned to you by any private or governmental party) (collectively, the “**Numbers, Listings and Addresses**”) associated with the Marks and used from time to time in connection with the operation of Franchised Business. We will have no liability or obligation of any kind whatsoever arising from or in connection with this Assignment, unless we notify the telephone company, mail or postal service and/or the listing agencies with which you have placed Numbers, Listings or Addresses (collectively, the “**Provider**”) to effectuate the assignment of the Numbers, Listings and/or Addresses to us. Upon termination or expiration of the Franchise Agreement we will have the right and authority to ownership of the Numbers, Listings and Addresses. In such event, you will have no further right, title or interest in the Numbers, Listings and Addresses and you will remain liable to the Provider for all past due or other fees owing to the Provider on or before the date on which the assignment to us is effective. As between us and you, upon termination or expiration of the Franchise Agreement, we will have the sole right to and interest in the Numbers, Listings and Addresses.

2. **Power of Attorney:** You irrevocably appoint us as your true and lawful attorney-in-fact to: (a) direct the Provider to effectuate the assignment of the Numbers, Listings and/or Addresses to us; and (b) sign on your behalf such documents and take such actions as may be necessary to effectuate the assignment. Notwithstanding anything else in this Assignment, however, you will immediately notify and instruct the Provider to effectuate the assignment described in this Assignment to us when, and only when: (i) the Franchise Agreement is terminated or expires; and (ii) we instruct you to so notify the Provider. If you fail to promptly direct the Provider to effectuate the assignment of the Numbers, Listings and Addresses to us, we will direct the Provider to do so. The Provider may accept our written direction, the Franchise Agreement or this Assignment as conclusive proof of our exclusive rights in and to the Numbers, Listings and Addresses upon such termination or expiration. The assignment will become immediately and automatically effective upon Provider’s receipt of such notice from you or us. If the Provider requires that you and/or we sign the Provider’s assignment forms or other documentation at the time of termination or

expiration of the Franchise Agreement, our signature on such forms or documentation on your behalf will effectuate your consent and agreement to the assignment. At any time, you and we will perform such acts and sign and deliver such documents as may be necessary to assist in or accomplish the assignment described herein upon termination or expiration of the Franchise Agreement.
