This disclosure document describes a franchise to operate a convenient lubrication, oil change, and light repair business for cars and light trucks using the trade name “Jiffy Lube.”

The initial investment necessary to begin operation of a new freestanding Jiffy Lube service center ranges from \$232,000 to \$520,000 (excluding real estate costs) (and the net total investment with funding ranges from \$232,000 to \$442,650). *See* Item 7. This includes \$35,000 to \$85,000 that must be paid to the franchisor or its affiliate. *See* Item 5. If you purchase an existing Jiffy Lube service center from the franchisor, these costs may vary.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit R.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Texas. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Texas than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

(A) A PROHIBITION ON THE RIGHT OF A FRANCHISEE TO JOIN AN ASSOCIATION OF FRANCHISEES.

(B) A REQUIREMENT THAT A FRANCHISEE ASSENT TO A RELEASE, ASSIGNMENT, NOVATION, WAIVER, OR ESTOPPEL WHICH DEPRIVES A FRANCHISEE OF RIGHTS AND PROTECTIONS PROVIDED IN THE MICHIGAN FRANCHISE INVESTMENT LAW. THIS SHALL NOT PRECLUDE A FRANCHISEE, AFTER ENTERING INTO A FRANCHISE AGREEMENT, FROM SETTling ANY AND ALL CLAIMS.

(C) A PROVISION THAT PERMITS A FRANCHISOR TO TERMINATE A FRANCHISE PRIOR TO THE EXPIRATION OF ITS TERM EXCEPT FOR GOOD CAUSE. GOOD CAUSE SHALL INCLUDE THE FAILURE OF THE FRANCHISEE TO COMPLY WITH ANY LAWFUL PROVISIONS OF THE FRANCHISE AGREEMENT AND TO CURE SUCH FAILURE AFTER BEING GIVEN WRITTEN NOTICE THEREOF AND A REASONABLE OPPORTUNITY, WHICH IN NO EVENT NEED BE MORE THAN 30 DAYS, TO CURE SUCH FAILURE.

(D) A PROVISION THAT PERMITS A FRANCHISOR TO REFUSE TO RENEW A FRANCHISE WITHOUT FAIRLY COMPENSATING THE FRANCHISEE BY REPURCHASE OR OTHER MEANS FOR THE FAIR MARKET VALUE, AT THE TIME OF EXPIRATION, OF THE FRANCHISEE'S INVENTORY, SUPPLIES, EQUIPMENT, FIXTURES, AND FURNISHINGS. PERSONALIZED MATERIALS WHICH HAVE NO VALUE TO THE FRANCHISOR AND INVENTORY, SUPPLIES, EQUIPMENT, FIXTURES, AND FURNISHINGS NOT REASONABLY REQUIRED IN THE CONDUCT OF THE FRANCHISED BUSINESS ARE NOT SUBJECT TO COMPENSATION. THIS SUBSECTION APPLIES ONLY IF: (i) THE TERM OF THE FRANCHISE IS LESS THAN 5 YEARS; AND (ii) THE FRANCHISEE IS PROHIBITED BY THE FRANCHISE OR OTHER AGREEMENT FROM CONTINUING TO CONDUCT SUBSTANTIALLY THE SAME BUSINESS UNDER ANOTHER TRADEMARK, SERVICE MARK, TRADE NAME, LOGOTYPE, ADVERTISING, OR OTHER COMMERCIAL SYMBOL IN THE SAME AREA SUBSEQUENT TO THE EXPIRATION OF THE FRANCHISE OR THE FRANCHISEE DOES NOT RECEIVE AT LEAST 6 MONTHS ADVANCE NOTICE OF FRANCHISOR'S INTENT NOT TO RENEW THE FRANCHISE.

(E) A PROVISION THAT PERMITS THE FRANCHISOR TO REFUSE TO RENEW A FRANCHISE ON TERMS GENERALLY AVAILABLE TO OTHER FRANCHISEES OF THE SAME CLASS OR TYPE UNDER SIMILAR CIRCUMSTANCES. THIS SECTION DOES NOT REQUIRE A RENEWAL PROVISION.

(F) A PROVISION REQUIRING THAT ARBITRATION OR LITIGATION BE CONDUCTED OUTSIDE THIS STATE. THIS SHALL NOT PRECLUDE THE FRANCHISEE FROM ENTERING INTO AN AGREEMENT, AT THE TIME OF ARBITRATION, TO CONDUCT ARBITRATION AT A LOCATION OUTSIDE THIS STATE. [Note: Jiffy Lube International, Inc. reserves the right to challenge this requirement of Michigan law, as it applies to arbitration under the Federal Arbitration Act.]

(G) A PROVISION WHICH PERMITS A FRANCHISOR TO REFUSE TO PERMIT A TRANSFER OF OWNERSHIP OF A FRANCHISE, EXCEPT FOR GOOD CAUSE. THIS

SUBDIVISION DOES NOT PREVENT A FRANCHISOR FROM EXERCISING A RIGHT OF FIRST REFUSAL TO PURCHASE THE FRANCHISE. GOOD CAUSE SHALL INCLUDE, BUT IS NOT LIMITED TO:

(i) THE FAILURE OF THE PROPOSED FRANCHISEE TO MEET THE FRANCHISOR'S THEN CURRENT REASONABLE QUALIFICATIONS OR STANDARDS.

(ii) THE FACT THAT THE PROPOSED TRANSFEREE IS A COMPETITOR OF THE FRANCHISOR OR SUBFRANCHISOR.

(iii) THE UNWILLINGNESS OF THE PROPOSED TRANSFEREE TO AGREE IN WRITING TO COMPLY WITH ALL LAWFUL OBLIGATIONS.

(iv) THE FAILURE OF THE FRANCHISEE OR PROPOSED TRANSFEREE TO PAY ANY SUMS OWING TO THE FRANCHISOR OR TO CURE ANY DEFAULT IN THE FRANCHISE AGREEMENT EXISTING AT THE TIME OF THE PROPOSED TRANSFER.

(H) A PROVISION THAT REQUIRES THE FRANCHISEE TO RESELL TO THE FRANCHISOR ITEMS THAT ARE NOT UNIQUELY IDENTIFIED WITH THE FRANCHISOR. THIS SUBDIVISION DOES NOT PROHIBIT A PROVISION THAT GRANTS TO A FRANCHISOR A RIGHT OF FIRST REFUSAL TO PURCHASE THE ASSETS OF A FRANCHISE ON THE SAME TERMS AND CONDITIONS AS A BONA FIDE THIRD PARTY WILLING AND ABLE TO PURCHASE THOSE ASSETS, NOR DOES THIS SUBDIVISION PROHIBIT A PROVISION THAT GRANTS THE FRANCHISOR THE RIGHT TO ACQUIRE THE ASSETS OF A FRANCHISE FOR THE MARKET OR APPRAISED VALUE OF SUCH ASSETS IF THE FRANCHISEE HAS BREACHED THE LAWFUL PROVISIONS OF THE FRANCHISE AGREEMENT AND HAS FAILED TO CURE THE BREACH IN THE MANNER PROVIDED IN SUBDIVISION (C).

(I) A PROVISION WHICH PERMITS THE FRANCHISOR TO DIRECTLY OR INDIRECTLY CONVEY, ASSIGN, OR OTHERWISE TRANSFER ITS OBLIGATIONS TO FULFILL CONTRACTUAL OBLIGATIONS TO THE FRANCHISEE UNLESS PROVISION HAS BEEN MADE FOR PROVIDING THE REQUIRED CONTRACTUAL SERVICES.

Franchise Disclosure Document

ITEM 1: THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

In this Franchise Disclosure Document (“FDD”), the words, “**JLI**,” “**we**,” “**us**” and “**our**” refer to Jiffy Lube International, Inc. The words, “**you**” and “**your**” refer to the people, partnerships, corporations or other entities who, or which, are considering buying a franchise from us.

The Franchisor:

We are a corporation organized under the laws of the State of Delaware. Our principal business address is 150 N. Dairy Ashford, Houston, Texas 77079. We do business under our corporate name and the name “Jiffy Lube.” We do not conduct business under any other name.

Since 1979, we have offered franchises for the establishment and operation of lubrication, oil change and light repair businesses for cars and light trucks under the “Jiffy Lube[®]” mark. We also operated company owned Jiffy Lube service centers between 1979 and 2009. We have not engaged in any other business activities, and have never offered franchises in any other line of business.

Our agents for service of process are listed in Exhibit “S” to this FDD.

Parents, Predecessors, and Affiliates:

We are a wholly owned subsidiary of Pennzoil-Quaker State Company dba SOPUS Products (“**SOPUS Products**” or “**PQS**”). SOPUS Products is a wholly owned subsidiary of our parent company, Shell USA Inc. (formerly known as Shell Oil Company and referred to in this disclosure document as “**Shell**”), and Shell is a wholly owned subsidiary of Shell Petroleum, Inc. Shell Petroleum, Inc. is a wholly owned subsidiary of Shell Petroleum, N.V., a Dutch corporation owned by Shell plc. (formerly known as Royal Dutch Shell plc.). SOPUS Products, Shell, and Shell Petroleum, Inc. share our principal business address at 150 N. Dairy Ashford, Houston, TX 77079. Shell Petroleum, N.V. maintains a business address at Carel van Bylandtlaan 30, 2596 HR Den Haag, Netherlands. Shell, plc maintains a business address at Shell Centre, London, SE1 7NA, United Kingdom (UK). Our parent companies are sometimes referred to collectively as the “Shell Group” in this FDD.

The Shell Group owns and operates energy and petrochemical companies in more than 70 countries or territories around the world. SOPUS Products, our immediate parent, sells Pennzoil[®], Quaker State[®] and Shell[®] brand motor oils, greases, transmission fluids, filters and other products to our franchisees and to third parties. SOPUS Products also offers funding to our franchisees and to third parties in connection with the purchase of lubricants. SOPUS Products owns the United States registered trademarks Pennzoil[®], Quaker State[®], Pennzoil 10 Minute Oil Change[®], and 10 Minute[®] marks, and is licensed to use the “Shell[®] Rotella[®],” and “Shell Rapid Lube[®]” marks.

Since 1979, SOPUS Products or its predecessors have allowed some customers to identify their fast lube businesses with distinctive signs bearing the marks “Pennzoil 10 Minute Oil Change[®] Center” and “Shell Rapid Lube[®].” Between 1979 and 2009, SOPUS Products or its predecessors also operated quick lube service centers. SOPUS Products allows many of its customers (including some of our franchisees) to display its widely-recognized yellow oval “Pennzoil[®]” and green lettered “Quaker State[®]” signage. SOPUS Products does not charge a franchise fee or royalty for use of these trademarks.

SOPUS Products allows some of its lubricants customers to operate independently-owned fast lubrication centers under the mark “Shell Rapid Lube®.” SOPUS Products does not charge a franchise fee or royalty to these operators. Some of those Shell Rapid Lube centers may compete with Jiffy Lube centers.

Our affiliate, Shell Canada Products, is an Alberta partnership with a principal business address at 400 4th Ave., SW, Calgary AB T2P 2 H5. Since 2001, Shell Canada Products or its predecessors have granted franchises and/or licenses to operate Jiffy Lube service centers in Canada. As of December 31, 2023, there were approximately 16 franchised and 158 licensed Jiffy Lube service centers in Canada.

Our affiliate, Equilon Enterprises LLC dba Shell Oil Products US (“**Equilon**”), maintains its principal business address at 150 N. Dairy Ashford, Houston, TX 77079. Equilon has relationships with third party distributors that market Shell-branded gasoline and sell other products and services at gasoline service stations in the following states: Alabama, Alaska, Arizona, Arkansas, California, Connecticut, Delaware, Hawaii, a portion of Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Massachusetts, Michigan, Mississippi, Missouri, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, Tennessee, Western Texas, Vermont, Washington, West Virginia and Wisconsin. As of December 31, 2023, there were approximately 8,248 Shell-branded gasoline service stations in these states.

Except as stated above, our affiliates have not engaged in any other business activities and have not offered franchises in any other lines of business.

We have no predecessors.

The Franchised Business:

Jiffy Lube service centers (referred to in this FDD as “**service center(s)**”) offer oil change and lubrication services for cars and light trucks, as well as light repair services and other similar or ancillary products and services, some of which we require to be offered and some of which are approved, but optional. Services that are neither required nor approved may not be offered.

If you enter into a Franchise Agreement (as defined below) with us, you will be required to strictly comply with the Franchise Agreement and our Policies & Procedures Manual (“**Policies & Procedures Manual**”), which together will govern your relationship with us. We may periodically revise the contents of the Policies & Procedures Manual, and you must comply with each new or changed standard.

Our primary Jiffy Lube Signature Service® Oil Change involves changing a vehicle’s oil with up to five quarts of quality motor oil and changing the oil filter; inspecting the vehicle’s brake fluid level in transparent reservoirs, serpentine belts, car blades, antifreeze/coolant reservoir levels, engine filtration system, exterior lights, and the chassis (lubricating it when applicable); checking and filling the vehicle’s tire pressure; checking the vehicle’s vital fluids (including the vehicle’s transmission/transaxle, differential, transfer case, power steering, windshield washer and battery water, but excluding sealed batteries); cleaning the exterior windows; and vacuuming the interior floors.

Jiffy Lube service centers may also offer local fleet customers a second type of oil change service, the Value Oil Change Plus (“**VOCP**”). VOCP is an optional oil change service that Jiffy Lube service centers may choose to add to their service menu, but only for local fleet customers.

In addition to the services that franchisees are typically required to offer under the Franchise Agreement (as defined below) and the Policies & Procedures Manual, by executing the Jiffy Lube Multicare Franchise Agreement Addendum in the form attached as Exhibit M-3 to this FDD, franchisees

also agree to use certain types of equipment and to offer the following services at their service centers: (i) battery testing; (ii) battery replacement; (iii) brake replacements; (iv) brake repairs; (v) brake fluid exchange; (vi) spark plug replacement; and (vii) CV joint and boot replacements. Service centers that participate in the Jiffy Lube Multicare Program also have the option to offer certain ancillary services, which currently include, for example: (i) engine diagnostic services; (ii) light engine repairs; (iii) suspension parts replacement; (iv) shock and strut replacement; (v) tire replacement service; (vi) tire repair service; (vii) vehicle heating ventilation and air conditioning repair; (viii) wheel alignment service; and (ix) driveline replacement and repair. Service centers that participate in the Jiffy Lube Multicare Program must employ a technician that has achieved A5 certification from the National Institute for Automotive Service Excellence (ASE). If you or entities under common control or ownership with you collectively own and operate multiple service centers that participate in the Jiffy Lube Multicare Program, you must have at least one A5 certified technician for every one to five service centers in a franchisee's entity group, although you may retain additional certified technicians at your discretion. You will also need to invest in the appropriate equipment and tools to perform these services.

We may modify, discontinue, or add to our optional and/or required services and may test additional service offerings.

We have three versions of our standard form of franchise agreement for a freestanding service center. Except as otherwise indicated in this FDD, we refer to all versions collectively as the “**Franchise Agreement.**”

The first two versions of the Franchise Agreement described in this paragraph involve your participation in one of our products purchase programs. The first version, which is the only version of the Franchise Agreement that we offer to new franchisees (i.e., franchisees who are opening a new service center), is the SOPUS Products/Jiffy Lube Pacesetter Program Franchise Agreement (or “**Pacesetter Franchise Agreement**”). The Pacesetter Franchise Agreement enables the franchisee to participate in the Pacesetter Program (defined below). The second version of the Franchise Agreement is the SOPUS Products/Jiffy Lube Fast Lube Program Franchise Agreement, also known as the “New Way Forward Franchise Agreement” (“**NWF Franchise Agreement**”), and is only applicable to franchisees that currently participate in the Fast Lube Program (defined below). These products supply franchise agreements may be referred to collectively as the “**Product Supply Franchise Agreement.**”

The third version of franchise agreement is referred to in this FDD as the “**Non-Product Supply Franchise Agreement**” and is not offered to new or existing franchisees (i.e., franchisees who are opening a new service center). It does not permit the franchisee to participate in one of our products supply purchase programs, described in the following paragraph.

Under both the SOPUS Products/Jiffy Lube Pacesetter Program “**Pacesetter Program**”, and the SOPUS Products/Jiffy Lube Fast Lube Program (“**Fast Lube Program**”), the franchisee will: (i) pay a reduced royalty fee, (ii) acquire and use in connection with its operation of its franchised Jiffy Lube service center certain products supplied by our affiliate, SOPUS Products, and (iii) contribute to the Jiffy Lube National Advertising Fund (“**NAF**”), as described in Items 6 and 11 below. (These product supply program may be referred to collectively as the “**Product Supply Program.**”)

In addition to signing the Pacesetter Franchise Agreement, franchisees participating in the Pacesetter Program must also sign the “SOPUS Products Pacesetter Agreement for Jiffy Lube Franchisees under the SOPUS Products/Jiffy Lube Pacesetter Program” (“**Pacesetter Supply Agreement,**” see Exhibit M-1 of the FDD), under which the franchisee will obtain the benefits of the Pacesetter Program described above. These documents must be signed at the same time as the Pacesetter Franchise Agreement. The Pacesetter Franchise Agreement will be offered to franchisees that are: (a) signing Franchise Agreements for new locations; (b) renewing an existing Non-Product Supply Franchise

Agreement but wish to participate in the Pacesetter Program; and (c) acquiring Jiffy Lube service centers from existing franchisees that are then operating the service centers under the Pacesetter Program.

Depending on the language contained in the underlying Franchise Agreement, in very limited circumstances, we will offer the NWF Franchise Agreement to: (a) existing franchisees who are participating in the Fast Lubes Program and who are exercising renewal options provided under previously issued franchise agreements, or (b) franchisees acquiring Jiffy Lube service centers from existing franchisees who are not participating in the Fast Lubes Program. Similarly, depending on the language contained in the underlying Franchise Agreement, in very limited circumstances, we will offer the Non-Product Supply Franchise Agreement to existing franchisees who are not participating in the Product Supply Program and who are exercising renewal options provided under previously issued Non-Product Supply Franchise Agreements. In the event we approve the transfer or sale of your service center, and the existing service center operates under a Non-Product Supply Franchise Agreement, we may require that, as one of the conditions of our approval of your transfer or sale, the Non-Product Supply Franchise Agreement terminate and that you execute a Product Supply Franchise Agreement under which the transferred or sold service center will operate.

In addition to signing a NWF Franchise Agreement, franchisees renewing under the Fast Lube Program or acquiring a Jiffy Lube service center from an existing franchisee operating under the Fast Lube Program must also sign, among other agreements: (i) the “Amendment of SOPUS Products/Jiffy Lube Fast Lube Program upon SOPUS Products Termination of the SOPUS Products Fast Lube Agreement” and (ii) the “Amendment to the SOPUS Products Product Supply Agreement for Jiffy Lube Franchisees under the SOPUS Products Fast Lube/Jiffy Lube Pacesetter Program” (“**Fast Lube Supply Agreement Amendment**,” *see* Exhibit M-2 of the FDD), under which the franchisee will obtain the benefits of the Fast Lube Program described above. These documents must be signed at the same time as the NWF Franchise Agreement.

The Pacesetter Supply Agreement and the Fast Lube Supply Agreement Amendment may be referred to collectively, herein, as the “**Product Supply Agreement**.”

The Franchise Agreement is written to apply whether a new Jiffy Lube service center is being built from the ground up or by renovating another space, an existing Jiffy Lube center is being purchased from one of our franchisees, a competitive business is being converted into a Jiffy Lube franchised center, an existing Jiffy Lube franchise agreement is being renewed, or an existing franchised center is being relocated. Addenda to the Franchise Agreement govern the additional needs of new service centers, conversions and renewals. Additional addenda address matters related to the point of sale system for the Jiffy Lube Franchise system. Each of those addenda is included in the Franchise Agreement, shown in Exhibit B-1, to this FDD.

Occasionally, we may acquire Jiffy Lube service centers from franchisees. If you purchase a previously franchised Jiffy Lube service center from us, you must sign a negotiated asset purchase agreement, a Product Supply Agreement applicable to the Pacesetter Program (*see* Exhibits to this FDD), a lease or sublease with us (if applicable), as well as a Franchise Agreement.

In very limited instances, we may negotiate an area development agreement, which will grant the right to sign Franchise Agreements for the establishment of multiple Jiffy Lube service centers within a designated area.

We offer a “Build to Suit” program (“**BTS Program**”) to new and existing franchisees interested in purchasing new service centers. The BTS Program was designed to lower the cost of entry into the oil service and light car repair industry and to streamline the build-out process. Under the BTS Program, JLI’s third party analyst identifies areas within which our approved developers then identify, purchase, and build

service center locations. JLI signs a prime lease with the landlord of the service center premises and subleases the premises to an approved franchisee under a 15-year sublease. A sample sublease agreement is attached as “Exhibit J-1” to this FDD. Note that the sublease provided in this FDD is just a sample. The actual sublease may vary from the sample. If you qualify for and elect to participate in the BTS Program, you will work with a JLI representative to choose your site and select certain design and equipment specifications that fit within your budget. While you will have several design options to choose from, service centers built under the BTS Program will typically have a four bays.). We also require you to execute a Build to Suit Development Agreement in the form attached as Exhibit J-2 to this FDD, which gives you access to our developer’s services and expertise. Under that agreement, if you elect not to proceed with the development of a Service Center at a Preferred Site (both terms, as defined in the Build to Suit Development Agreement), you will owe us liquidated damages for expenses incurred by or paid to the developer in the amount of \$25,000.

If you are not an existing Jiffy Lube franchisee, and if you plan to locate a site and build a new Jiffy Lube service center not under the BTS Program, you will be required to sign a New Construction Addendum. That addendum requires you to develop one service center within a pre-approved area. The New Construction Addendum must be signed at the same time as the Franchise Agreement. After you find a site in the approved area that you want to develop, we will put the address or another description of the site in a Store Address Rider to the Franchise Agreement, and we will agree not to put another service center within three miles of that site unless you consent.

The Franchise Agreement grants you the right to develop only one service center. You will not have any right to develop other service centers in the three-mile area around your service center or in the area originally described in your Franchise Agreement. The Franchise Agreement does not obligate us to offer you any other franchise agreements in the future. The decision about whether to grant a Franchise Agreement rests entirely within our discretion and it is not subject to challenge by you.

After you sign a Franchise Agreement, we will give you basic designs for Jiffy Lube service centers. You will have to hire an architect or other qualified person to modify our plans to meet building codes and zoning requirements. We must approve any changes in order to ensure you will be able to provide the level of customer service we require. However, most service centers feature a “drive-through” building on two levels with floor openings so that a car’s oil can be drained into a container in the lower level and services can be done on the upper and lower levels at the same time. A few free-standing service centers are single level buildings with “lifts” equipped with catwalks. In this style of building, a car and one or two technicians are hydraulically lifted, and services are performed on the catwalk and under the car at the same time. Generally, we require our franchisees to use the drive-through, two-level building design.

In some cases, JLI owns or holds a direct lease on land and buildings where Jiffy Lube service centers exist today. Therefore, if you are thinking about buying a franchise for an existing service center, purchased either from us or from one of our current franchisees, you may have to assume or enter into a lease or sublease with us. For franchisees that are subject to a sublease with us, we may agree to a renewal term of your franchise agreement that coincides with the expiration of the term of your sublease.

Market and Competition:

The market for the kind of services offered at Jiffy Lube service centers is competitive. Many people change the oil in their vehicles and perform some of the services that are provided under the Jiffy Lube Multicare Program themselves, and people who want someone else to do it for them have many choices, including: car and truck dealers; gas stations with service bays, including Shell® branded gasoline service centers operating under license or wholesaler agreements with our affiliate, Equilon; independent

garages; department stores with car repair facilities; mass merchandisers; tire and car repair businesses; and a variety of quick lube businesses, including Shell Rapid Lube businesses, for example.

As a franchisee, you will have to choose the prices you charge for the services you offer. As you consider whether to buy a franchise from us, you should remember that many businesses that offer oil changes and lubrication services charge less than what many of our franchisees currently charge for our Jiffy Lube Signature Service® Oil Change. Franchisees can choose to offer local fleet customers VOCPs for a more competitive pricing offer.

Applicable Laws and Regulations:

Our franchisees are subject to many different kinds of regulations concerning many aspects of their businesses. These regulations are enforced by different jurisdictions, including the federal government and states, counties and cities. Many laws and regulations affect all businesses; examples of these are employee wage, hour, and benefits, requirements that certain notices be posted for employees and tax regulations that describe how long you have to keep records. Before you open any business or buy a franchise from anyone, you should become familiar with all of the general regulations and laws that affect businesses in general and in the jurisdiction where you plan to locate your service center in particular. In addition to such “general” regulations, there are also laws and regulations that have a more specific impact on quick lube businesses. The following provide general descriptions of such laws and regulations; however, it is, at all times, your responsibility to ensure you identify and comply with all specific legal requirements that affect your business.

1. Floor Openings

As noted above, most Jiffy Lube service centers have floor openings in the service bays. The United States Occupational Safety and Health Administration (“**OSHA**”) has a regulation that says if an employee might accidentally fall through a floor opening, then the floor opening either must be physically guarded by something like a railing or a cover, or must be attended to avoid accidents.

Most states have agencies that are similar to OSHA, and most of those agencies also require some sort of device or attention to prevent employee accidents. In Maryland, we asked the Maryland Occupational and Health Administration to give us a “variance,” or an exemption from its similar requirement. That agency agreed that, in Maryland, service centers operated by franchisees would not have to comply with the regulations as long as our franchisees train their employees about the risk of injury by falling into a floor opening, paint “safety stripes” around the floor openings, and hang signs that say something like “Caution: Open Floor.” There is no similar variance in any other state.

OSHA and its state counterparts have many more general regulations that relate to employee safety in the workplace -- regulations requiring “bump hats” for employees who work where they might hurt their heads (e.g., under cars), burn protection where employees work around hot objects (e.g., car engines and exhaust systems), and first aid equipment (e.g., eye wash stations).

2. Storage Tanks

At Jiffy Lube service centers, oil is stored in above-ground or underground storage tanks. These tanks are regulated by the United States Environmental Protection Agency (the “**EPA**”) and by many state and local authorities. Underground tanks should only be used when required by law or regulation.

The EPA’s Spill Prevention, Control and Countermeasure (“**SPCC**”) regulations require, among other things, that for many facilities, plans be developed to prevent and respond to discharges of oil to waterways, and that above-ground storage tanks have dikes or other so-called “secondary containment”

mechanisms so that if the tank leaks, oil will not be released into an area where the spill might not be able to be controlled. For purposes of these regulations, storage tanks located in the basement of a two level Jiffy Lube service center are considered to be “above ground” storage tanks. Some states have adopted spill prevention and response requirements similar to the EPA’s SPCC regulations, and also require the registration of above-ground storage tanks with an associated annual fee for the registration. For example, the West Virginia Legislature formally amended the Aboveground Storage Tank and Public Water Supply Protection Acts, effective June 12, 2015, implementing substantial interim above-ground storage tank requirements.

The EPA and every state have specific regulations related to underground storage tanks. These regulations generally require that the operator of an underground storage tank meet certain tests of financial responsibility and that the tanks themselves be equipped with such spill preventive measures such as overfill and spill control equipment, cathodic protection and leak detection devices. Tanks that are in the ground now must have been upgraded to meet current standards according to a timetable that took into account when the tank was initially put in service, with all underground storage tanks having to meet those standards by the end of 1998. Any tank not meeting the standard by 1998 was to have been removed. If an underground storage tank is taken out of service, and remains out of service for more than 12 months, it must be “closed.” Federal and state regulations provide specifications for tank closure and removal; these regulations typically require notice to appropriate regulatory authorities before any closure or removal work begins, as well as reporting regarding the removal itself. In addition, every state requires registration of underground storage tanks and most require payment of an annual fee associated with registration.

You should be aware of these regulations not only as you consider operating a Jiffy Lube service center, but also as you consider sites that might be suitable for a Jiffy Lube service center. Many suitable sites were once used as gasoline service stations and have abandoned underground gasoline storage tanks. The cost of closing any abandoned tanks and/or dealing with associated contamination issues can be substantial. We recommend that you hire a reputable consultant to conduct an environmental assessment of any site you may wish to develop as a Jiffy Lube service center.

3. Used Oil Management

One byproduct of changing motor oil is used motor oil; using the regulators’ jargon, quick lube centers can be considered “generators” of used oil. The EPA regulates the way businesses that generate used oil handle and recycle or dispose of it. Generators of used oil must store the oil in well-maintained tanks or other containers that are clearly labeled “used oil”. The EPA has decided that it will not consider used oil, *when recycled*, to be a “hazardous waste.” For these purposes, “recycling” includes sale to a refinery or used oil re-processor to be used to make new fuel or lubricants, blending with other products for fuels and, in some cases, burning for heat. Even when used oil is going to be recycled, it can only be shipped by a carrier that has been registered with the EPA and has an EPA identification number.

If used oil is not going to be recycled, then the EPA considers that used oil to be a “solid waste,” subject to regulations it has issued under the Resource Conservation and Recovery Act (“RCRA”). Generators of solid waste have to demonstrate that solid waste is not “hazardous” before they can store, transport or dispose of it. When motor oil is used in a car’s crankcase, it can, and usually does, pick up, for example, heavy metals that could make the used oil “hazardous” if those metals are present in high enough concentrations. A generator of “hazardous waste” is required to handle said waste in specified ways, as well as register with and report to various agencies and prepare a separate manifest for any shipment of the waste to an authorized disposal site. Most landfills cannot accept “hazardous wastes” (and many cannot accept used oil or other fluid wastes even if they are not “hazardous”).

Individual states and some localities have their own used oil regulations. (As a general rule, states and localities may adopt environmental regulations that are *more*, but not less, stringent than federal regulations on the same topic.) Currently, approximately 30 states have used oil requirements that are similar to the federal requirements. Approximately seven states (Illinois, Maine, Nevada, Pennsylvania, Texas, Vermont and Wyoming) have somewhat more stringent regulations than the federal regulations but still treat used oil, when recycled, as “non-hazardous.” At least five states (California, Massachusetts, New Jersey, Rhode Island and New Hampshire) regulate used oil as a “hazardous waste” under all conditions.

In addition to being generators of used oil, many Jiffy Lube service centers are “collectors” of used oil. This means that they take used oil from other sources -- like people who change their own oil -- and arrange for its recycling or disposal. Generally, collectors of used oil are subject to the same regulations as generators with regard to storing used oil and having it transported to a recycling or disposal location. In addition to these regulations, used oil collectors may be required by state or local regulations to register with or be certified by a state or local authority, and to comply with requirements such as posting signs regarding the collection of used oil, etc.

These regulations are complex, detailed and are subject to change. You should become familiar with the federal regulations and the regulations in your state and community before you buy a franchise from us, and you should remember that new regulations with which you will have to comply might be issued during the term of a Franchise Agreement.

4. Used Oil Filter Management

Another byproduct of changing motor oil is used oil filters. Used oil filters must be handled in accordance with the EPA’s RCRA solid waste regulations. The EPA has delegated primary responsibility for implementing RCRA hazardous waste programs to state regulatory authorities in all of the states except for Alaska and Iowa. As with used motor oil that is not going to be recycled, used filters must be determined to be either “hazardous” or “non-hazardous” and must be stored, transported and discarded according to regulations that apply to hazardous or solid wastes, depending on classification. The EPA requires that used oil filters be crushed or punctured and drained for 12 hours to remove all the free flowing used oil, which is then handled with other used oil. Once they have been crushed or punctured and drained, the filters can be disposed of according to state and federal regulations. The EPA has determined that filters that do not have canisters made of a certain alloy of tin and lead are not hazardous once used oil is removed from them, but some states (including California, Florida, Michigan, Minnesota, Rhode Island and Texas) have banned the disposal of all used oil filters from landfills, and more states and localities may follow this lead. Some states impose additional requirements on businesses that handle used filters, such as registration and demonstration of financial responsibility.

5. Antifreeze Management

All Jiffy Lube service centers offer some kind of radiator service. Some radiator services involve draining used antifreeze from a car’s radiator. Used antifreeze -- whether or not it is diluted -- must also be handled in accordance with RCRA solid waste regulations, as well as state and local rules and regulations regarding solid waste disposal.

As with used oil that is not going to be recycled and used filters, used antifreeze must be determined to be either “hazardous” or “non-hazardous” and, at a minimum, must be stored, transported and discarded according to regulations that apply to solid wastes. Some state and local antifreeze management programs impose more stringent requirements.

6. CFC Management

Most Jiffy Lube service centers offer some kind of air conditioning service for cars. As a result of requirements in the Clean Air Act Amendments of 1990, the EPA regulates the way in which chlorofluorocarbons, or “CFCs,” are handled. Today, CFCs are the most widely used component of car air conditioner refrigerants; however, manufacturers of CFCs were required to phase out their production of CFCs by January 1, 2000, and cars being manufactured today have air conditioners that use CFC-free refrigerants.

The EPA requires facilities that change or replace refrigerants containing CFCs to use only equipment that is approved by the EPA. These facilities must also certify to the EPA that all CFC recovery or recycling equipment meets the EPA’s requirements and that only trained technicians are operating this equipment. Technicians must be trained under a program approved by the EPA. CFC-free refrigerants have to be handled in the same way as refrigerants that contain CFCs. CFC-free refrigerants cannot be mixed with refrigerants that have CFCs. Accordingly, to service both cars with air conditioners that use CFCs and cars with air conditioners that use a CFC-free refrigerant, you would have to have separate equipment for each. Vehicle manufacturers may introduce new air conditioning refrigerants on an ongoing basis with approval from the EPA as part of the EPA’s Significant and New Alternatives Policy. Each new refrigerant type requires separate and specifically designed service equipment based on EPA requirements and Society of Automotive Engineers (“SAE”) standards.

7. Floor Sumps and Drains

The EPA has issued regulations controlling various kinds of underground wells that receive liquids. Some categories of “wells” covered by these regulations are floor sumps and drains that are not sealed off from the surrounding soil, which can allow oily wash water and other liquids to enter the environment. Operators typically comply with these requirements by eliminating or sealing all floor sumps and drains to prevent fluids from contact with the environment. We encourage you to install oil water separators for all mop and service sinks.

8. Consumer Protection Laws

Federal and state authorities have instituted consumer and data privacy laws and regulations, and laws and regulations which seek to protect consumers from unfair trade practices and fraud in the marketplace. Some of these state laws have special provisions related to the automobile industry. For example, in California, the Bureau of Automotive Repairs implements and enforces legislation to accomplish its mission to ensure a fair and competitive automotive repair marketplace. You should be familiar with the consumer protection laws in your state and how they might relate to operating a Jiffy Lube service center.

9. Automobile Glass Repair and Replacement Laws

Some states have enacted laws governing the repair and replacement of automobile glass. The laws may require you to obtain a license and comply with other requirements.

As a result, at any given time, Shell is the defendant in a variety of legal actions which may be viewed as ordinary, routine litigation. Such actions may allege, among other things, fraud, unfair practices or comparable allegations. We do not view these actions as material to prospective franchisees. Shell's audited financial statements, which appear as Exhibit A, describe certain of these actions.

5. *Fuentes, Victor v. Royal Dutch Shell PLC (since January 21, 2022 Shell PLC), Shell Oil Company (since March 1, 2022 Shell USA, Inc.), Pennzoil-Quaker State Company, and Jiffy Lube International, Inc.*
In the United States District Court for the Eastern District of Pennsylvania
Cause No. 18-5174
Filed on November 29, 2018
Served on JLI on March 8, 2019

In 2019, on behalf of himself and similarly situated current and former employees of Jiffy Lube franchisees, Mr. Fuentes sued Jiffy Lube alleging that a "no-poach" provision in Jiffy Lube's franchise agreements violated the Sherman Act. The provision allegedly prohibits franchisees from offering work to employees of other franchisees, allegedly stifling competition for workers and suppressing wages.

Previously, in October 2017, Jiffy Lube International, Inc. had informed its franchisees that those provisions of the franchise agreement would not be enforced and then modified its franchise agreement to ensure that existing and future Jiffy Lube franchisees are not contractually restricted from employing current or former employees of other Jiffy Lube franchisees or Jiffy Lube International Inc. In 2020, Fuentes amended his complaint to add another named plaintiff, Cayla Young. Following discovery, Jiffy Lube reached an individual settlement with Ms. Young and a settlement with Mr. Fuentes on behalf of a Philadelphia-area class. Approval of the settlement with Mr. Fuentes on behalf of the Philadelphia-area class is pending before the district court. Following announcement of the settlement, Oscar Jimenez, a former employee of a Jiffy Lube franchisee in California, moved to intervene in the case to assert claims under the Sherman Antitrust Act on behalf of former and current employees of Jiffy Lube franchisees outside the Philadelphia area. Mr. Jimenez also sought to pursue claims under California’s state antitrust law, the Cartwright Act, on behalf of a class of former and current employees of Jiffy Lube franchisees in California. On December 13, 2023, the Court denied Hernandez’s motion to intervene based on timeliness, which should preclude future claims and should effectively end this matter once the settlement is funded.

6. *Bende, Danielle v. JIFFY LUBE, trading as TEAM CAR CARE LLC, TEAM CAR CARE EAST, INC, dba JIFFY LUBE; JIFFY LUBE INTERNATIONAL INC.; and JOHN DOES I-X*
In the Superior court of New Jersey, Burlington County Law Division
Docket No. L-1419-22
Filed on February 8, 2023
Served on February 15, 2023

Plaintiff, a customer of a franchised Jiffy Lube location, alleges that an oil change and other services negligently performed on her vehicle on or about July 30, 2020 constituted, among other things, a violation of the New Jersey Consumer Fraud Act. Plaintiff seeks damages in the amount of \$2,000 for breach of contract and negligent repair work, and treble damages for breach of the New Jersey Consumer Fraud Act. This matter has been referred to the franchisee for handling.

7. *Team Car Care, LLC, Team Car Care East, LLC and Team Car Care West, LLC v. Jiffy Lube International and Pennzoil-Quaker State Company d/b/a SOPUS Products*
In the 185th Judicial District Court in and for Harris County, Texas
Case No. 2023-86199
Filed on December 15, 2023
Served on December 26, 2023

Team Car Care, LLC, Team Car Care East, LLC and Team Car Care West, LLC filed a petition in state court to confirm the arbitration award that was decided in February of 2023. Specifically, TCC is requesting an interpretation of the Labor Per Operating Hour (“LPOH”) matter included in the arbitration and is asking the court to confirm that JLI is not allowed to take a rebate for performance in Q4 2023. TCC is also arguing that JLI has not provided them with reliable data to calculate the LPOH. JLI’s position has been that TCC’s arguments regarding data, even if applied, would not result in TCC’s compliance with the LPOH metric in the consent agreement. The parties are currently negotiating a two month stay that would pause the proceeding.

B. Pending actions – Litigation against the franchisor's directors, trustees, general partners, principal officers, and any other individuals who will have management responsibility relating to the sale or operation of franchises

1. *Nathaniel Watkins vs. James and Amy Parker*
Justice Court, Harris County Texas,

Mr. and Mrs. Parker sold their home to Mr. Watkins in 2022. During the sale, defendants, Mr. and Mrs. Parker, disclosed certain foundation-repair related information, however plaintiff, Mr. Watkins, now claims that additional information regarding the foundation was not included and is claiming damages totaling \$8,900 in estimated repairs plus the cost of the filing. Defendants, however, intend to clarify during the small claims proceeding, anticipated to be set in 2024, that all required information was, indeed, included in the disclosures.

C. Closed actions – Litigation against JLI

1. *Constante, Roberto v. JIFFY LUBE INTERNATIONAL, INC., a Foreign Profit Corporation, ACE LUBE CENTERS, LLC, a Foreign Profit Corporation; and ATLANTIC COAST ENTERPRISES, LLC, a Florida Profit Corporation.*
In the County Court of the Eleventh Judicial Circuit, in and for Miami-Dade County, Florida
Case no. 2022-018037-CC-05(08)
Filed on June 14, 2022
Served on July 6, 2022

Plaintiff, a customer of a franchised Jiffy Lube location, alleges a negligently performed oil change on his vehicle constituted, among other things, a violation of the *Florida Unfair and Deceptive Trade Practices Act*. Plaintiff seeks damages in excess of \$8,000. This matter has been referred to the franchisee for handling. Franchisee advised on May 17, 2023 that the case settled

2. *In the matter of the Arbitration between Team Car Care, LLC (f/k/a Heartland Automotive), Team Car Care East, LLC, and Team Car Care West, LLC, Claimants, against Jiffy Lube International, Inc. and Pennzoil-Quaker State Company d/b/a SOPUS Products, Respondents.*
Institute for Conflict Prevention & Resolution
CPR Case No: G-21-69-S
Commenced by Claimant's Notice of Non-Administered Fast-Track Arbitration dated April 23, 2021
Arbitrator: Hon. A. Howard Matz (Ret.)

The Claimants—Team Car Care, a current franchisee, and two of its subsidiaries, Team Car Care East and Team Car Care West—brought claims against Jiffy Lube and SOPUS Products alleging that they had breached provisions of a Consent Agreement, which was entered into as part of TCC's purchase of a former franchisee. Such alleged breaches included Jiffy Lube's requirement of its consent for the closure of unprofitable stores, its refusal to acknowledge that the COVID-19 pandemic decreased sales and required store closures, improperly withholding rebates, and other unfair and unlawful business practices. The Respondents—Jiffy Lube International and SOPUS Products—denied all allegations and filed the counterclaims seeking: (1) a declaration that the force majeure period relating to the pandemic had ended; (2) a declaration that Claimants breached the Franchise and Product Agreements; (3) a declaration that the Consent Agreement does not permit Claimants to close service centers or fail to renew leases for service center premises without Jiffy Lube's consent; (4) a declaration that Claimants are not entitled to any rebates under the Product Agreement after July 24, 2020; (5) recovery of all rebates under the Product Supply Agreement for all periods after July 24, 2020; (6) a declaration that the Product Agreement permits SOPUS to recover lost profits; (7) a declaration that the Product Agreement is permissible under Washington, Hawaii, and Iowa state law; (8) a declaration that SOPUS is correctly calculating a labor metric under a Consent Agreement between the parties that affects Claimants' ability to receive rebate

payments; and (9) a declaration that Claimants must develop and implement a remedial plan under the Franchise Agreement. Respondents also sought damages based on TCC's store closures.

The arbitrator issued a final award on February 2, 2023, ruling that Jiffy Lube had improperly calculated Claimant's labor metric under the formula in the Consent Agreement and improperly withheld certain rebate payments under the terms of the Consent Agreement, ordering Respondents to pay \$8,211,797 in withheld rebates to Claimants, along with \$1,067,307 in prejudgment interest. The arbitrator also concluded that Claimants were required to obtain Jiffy Lube's consent before closing any stores and that they had failed to do so in certain instances. The arbitrator further determined that rebate reductions under the Consent Agreement were not liquidated damages and could be enforced by Respondents in future, that the Product Agreement did not violate Hawaii, Iowa, or Washington state franchise laws and so Claimants could be required to purchase products from SOPUS Products, that Claimants were required to submit a "corrective action" plan under the Consent Agreement, and that Claimants pay \$2,019,754 in damages based on their unauthorized closures, and \$331,291 in prejudgment interest to Respondents.

3. *Darrell Downing and Sonya Davis v. Jiffy Lube International Inc. and Carnett's Management Company*
Superior Court of Gwinnett County, Georgia
Cause No. 20-A-05732-6
Filed on December 5, 2020
Served on JLI on December 18, 2020
JLI granted summary judgment on July 29, 2022

Plaintiffs, customers of a franchised Jiffy Lube location, filed a complaint alleging that an oil change damaged their vehicle. Plaintiffs brought claims for breach of contract, negligence, deceptive or unfair practices, and bad faith and stubborn litigiousness. Plaintiffs claim an unknown amount of damages. The franchisee has agreed to indemnify us. Defendants filed a motion for summary judgment in summer, 2022 which was granted in their favor, including as to Jiffy Lube, due to the plaintiffs' failure to appear.

4. *Subpoena - In Re Franchise No Poaching Provisions Investigation (Jiffy Lube International Inc.)*
Office of the Attorney General, State of Washington
King County Superior Court
Notice received August 14, 2018
Order Approving Assurance of Discontinuance on December 20, 2018

JLI was served with a civil investigative demand relating to no poaching provisions that had been included in pre-2017 franchise agreements. The State requested copies of all franchise agreements used by JLI for any franchise in the State of Washington in the past five years. JLI asserted that such provisions were removed voluntarily in 2017 with a notice to all franchisees of such change. JLI entered into an Assurance of Discontinuance (AOD) with the State of Washington in which it agreed to, among other things, formally amend existing franchise agreements in the State of Washington within a certain timeframe, amend the other franchise agreements on a nationwide basis as such come up for either renewal or renegotiation during the ordinary course of business, and to notify all franchisees of the existence of the AOD. This matter was closed following the Washington Attorney General's acceptance of the AOD in the enforcement of the Consumer Protection Act and the approval and entry of the AOD by the State of Washington King County Superior Court.

5. *Randy Stevens and Elissa Stevens v. Jiffy Lube International, Inc.*
In the Superior Court of California, Napa County
Cause No. 26-65969
Filed on February 25, 2015

Served on JLI March 4, 2015
Settled March 19, 2019

The plaintiffs were the owners of a former JLI franchise that was terminated in 2013 after the lease for the service center expired and JLI declined to renew the lease with the landlord and enter into a sublease agreement with plaintiffs. The plaintiffs filed suit alleging wrongful termination, breach of contract, failure to provide adequate disclosure in connection with the offer and sale of the franchise, violations of the California Franchise Relations Act, deceptive trade practices, violations of the California Business and Professional Code, and fraud, among other claims. The plaintiffs sought punitive and compensatory damages in an unspecified amount. The case moved from litigation into arbitration, where an award was entered in JLI's favor with no liability. On December 15, 2016, plaintiffs filed a Motion to Vacate the arbitration award in San Francisco Federal District Court. On February 8, 2017, the District Court entered an order denying the plaintiffs' Motion to Vacate the arbitration award. On March 8, 2017, plaintiffs filed a Motion for New Judgment or to Alter or Amend the existing judgment entered by the District Court. The Motion was denied, and the plaintiffs appealed both denials to the 9th Circuit. JLI won both appeals and, ultimately, the parties settled the matter for \$0 with an agreement by JLI not to seek attorneys' fees in exchange for the plaintiffs agreeing not to seek review by the Supreme Court.

6. *Marks, Lisa, et al. v. M.C. LLC dba Jiffy Lube Massachusetts and Jiffy Lube International Inc.*
In the Commonwealth of Massachusetts, Suffolk County
Cause No. SUCV2016-02775-BLS1
Filed on November 14, 2016
Served on November 18, 2016
Settled in April 2018

JLI received a statutory demand letter and a putative Massachusetts state class action was filed. The purported class was described as all consumers in Massachusetts who purchased an oil change at a Massachusetts Jiffy Lube, and to whom a representation was made that the next oil change service was due in a manner that was inconsistent with the manufacturer's oil change maintenance schedule. The plaintiffs sought an unspecified amount of monetary damages, attorney's fees, and an order directing JLI and its franchisee to cease and desist the practices complained of in the complaint. JLI filed a motion to dismiss on December 28, 2016, which was denied. JLI paid \$50,000 to plaintiffs for full settlement of all claims.

7. *Migyanko, Ronald J., individually and on behalf of others similarly situated v. Jiffy Lube International, Inc.*
In the United States District Court for the Western District of Pennsylvania
Cause No. 2:19-cv-00438-NBF
Filed on April 17, 2019
Served on April 18, 2019

Plaintiff's class action lawsuit alleged violations of Title III of the Americans with Disabilities Act (ADA). The Plaintiff alleged that several Jiffy Lube service centers were not in compliance with the ADA because the counter heights and width of the service counters were not compliant and therefore not accessible to people in wheelchairs or scooters. The plaintiff sought to represent all persons with mobility issues that were not able to use the service counters at Jiffy Lube service centers in Pennsylvania and nationwide. The plaintiff is sought declaratory and injunctive relief, including an order directing JLI to make readily achievable alterations to the facilities to make its facilities fully accessible to people with disabilities to the extent required by the ADA and to make all reasonable modifications in policies, practices or procedures necessary to afford accommodations to individuals with disabilities, as well as a declaration determining that the policies and practices of discrimination have resulted in a violation of

Title III of the ADA, plus an award of attorney’s fees, expenses and costs. Mediation was set for September 16, 2019. The mediation resulted in the settlement of the lawsuit in a resolution amount of \$97,000.

D. Litigation Against Franchisees.

1. *Jiffy Lube International Inc, et al. v. Sebring Investment LLC, et al.*
United States District Court for the Southern District of Florida, Fort Pierce Division
Case No. 2:24-cv-14023-AMC
Filed on January 29, 2024

The franchisee for Jiffy Lube Store 4131 located at 991 U.S. 27, Sebring, Florida 33870, requested consent to transfer the store to Sebring Investment LLC—which is in Canada. On October 27, 2023, Jiffy Lube informed the parties that it would not consent to the transfer because Jiffy Lube requires that a prospective franchisee meet its minimum operating requirements and Jiffy Lube did not find that the prospective franchisee has the authority and ability to be able to operate the franchised center from within the United States. On January 11th, we learned, however, that Mori nonetheless “sold” the business and it is still being operated as if it were a Jiffy Lube, with Jiffy Lube’s signage, employees in Jiffy Lube uniforms, who are using and Jiffy Lube’s point-of-sale system and proprietary materials. Sebring Investment LLC, however, is not an approved Jiffy Lube franchisee, and is operating the Franchised Center as if they were an authorized franchisee with a Jiffy Lube service center. As a result, Jiffy Lube filed a Temporary Injunction and a Complaint for Trademark Infringement in January of 2024, seeking an order that Sebring take down all Jiffy Lube branded materials.

Other than the 16 actions described in this Item 3 and the matters described in Shell’s financial statements, no litigation, administrative proceeding or criminal prosecution is required to be disclosed in this Item.

ITEM 4: BANKRUPTCY

No foreign or domestic bankruptcy information is required to be disclosed in this Item.

ITEM 5: INITIAL FEES

Initial Franchise Fee

Product Supply Franchise Agreement

Under the Product Supply Franchise Agreement, the initial franchise fee for a new service center (that is, a service center that either has never operated before or has operated for less than a year under a trade name other than “Jiffy Lube”) is \$35,000, of which \$10,000 is paid when the Franchise Agreement is signed, and the balance of which is paid on the 15th day of the month after the month in which the service center opens for business. While the \$10,000 is earned upon the execution of the Franchise Agreement, and the balance is earned on the 15th day of the month after the month in which the service center opens for business, neither amount is refundable. Franchise fee not uniformly applied if the Franchisee qualifies for a fee waiver under an existing JLI program offering.

Franchisees will be eligible for the “conversion” discount if at the time the Franchise Agreement is executed, the Franchised Center qualifies as a “**Converted Center.**” A Converted Center is one that: (a) has been in continuous operation for at least 12 months before the execution date of the Franchise Agreement (b) prior to the execution of the Franchise Agreement was operating as an automobile service

and repair center which offers lube services under a trademark other than the JIFFY LUBE trademark. The initial franchise fee for a Converted Center is \$17,500, which is not uniformly applied if the Franchisee qualifies for a fee waiver under an existing JLI program offering, fully earned on receipt, and is not refundable for any reason, even if you decide not to proceed with the conversion.

Franchisees who enter into their second, third, fourth, and/or fifth Franchise Agreement with us, through our Significant Growth Funding program for the establishment of “**Conversion Centers**”, “**Replacement Center**” or “**New Service Centers**” as defined in the Significant Growth Amendment (“**SG Amendment**”, included in Attachment C of Exhibit B-1 of this disclosure document) may be eligible for a waiver of the initial franchise fee. Such waiver will apply if the Service Center for which the Franchise Agreement is being entered into is specifically described and included in Exhibit “A” to the SG Amendment, the SG Amendment is fully executed by you and SOPUS, and you meet all of the eligibility requirements set in the SG Amendment. This waiver of the initial franchise fee is uniform for all franchisees who meet the conditions and eligibility requirements for participation in the Significant Growth Funding program.

A Franchisee in good standing who has opened their second, third, fourth, and/or fifth Franchised Center under the BTS Program may be eligible for a waiver of the franchise fee for those second, third, fourth, and/or fifth Franchised Centers. This fee waiver is not uniformly applied.

Under the Product Supply Franchise Agreement, you will purchase certain products from our affiliate, SOPUS Products. We estimate that you will purchase approximately between \$20,000 and \$30,000 worth of these products before you open your Jiffy Lube service center.

Non-Product Supply Franchise Agreement

The Non-Product Supply Franchise Agreement is no longer offered for new or existing service centers and is only offered to franchisees who renew their existing Non-Product Supply Franchise Agreement. In the event you apply to us, and we approve, the relocation of your service center, and the existing service center operates under a Non-Product Supply Franchise Agreement, we may require that, as one of the conditions of our approval of your relocation, the Non-Product Supply Franchise Agreement terminate and that you execute a Product Supply Franchise Agreement under which the new relocated center will operate. On your execution of the Product Supply Franchise Agreement, you will not pay to us an initial franchise fee, but rather the \$7,500 relocation fee. Under the Product Supply Franchise Agreement, you will purchase certain products from our affiliate, SOPUS Products. We estimate that you will purchase approximately between \$20,000 and \$30,000 worth of these products before you open your new relocated center.

Other Information

If you are a party to an area development agreement with us, and if that area development agreement provides a different initial franchise fee for a new Jiffy Lube service center, then as long as your area development agreement is in effect, it will govern the franchise fee you must pay for each new Franchise Agreement you enter.

If you are developing a new service center under the BTS Program, you will be required to pay a security deposit equal to the amount of one month’s rent as identified in your Build to Suit Sublease Agreement. We estimate that monthly rent can range from \$8,000 to \$20,000 per month and therefore, this would be the associated dollar range for a security deposit. The actual amount will depend on the final development cost of the new service center.

The initial \$10,000 of the \$35,000 initial franchise fee for a new Jiffy Lube service center is not refundable. However, if we terminate the Franchise Agreement before the remaining \$25,000 balance is due (as we may, for example, if you are unable to obtain the necessary permits and begin operating the service center within the period described in the Franchise Agreement), then you will have no obligation to pay that remaining balance. Further, we may waive the initial franchise fee for honorably discharged U.S. military veterans, at our option; provided, however, only the first Franchise Agreement executed is eligible for the waiver.

We or our affiliates may, at our own discretion, from time to time, offer promotional programs in the recruitment of new franchisees that may include incentives, discounts, or reduced fee structures. During our 2022 fiscal year, franchisees paid between \$0 and \$35,000 as their initial franchise fee for a new service center under their Product Supply Franchise Agreement.

Notes:

¹ Amounts are based on our prior experience in opening stores or assisting franchisees in opening stores. Variations in location and number of bays may have a significant impact on your actual initial investment.

² Variation in property prices across the country make lease rates difficult to estimate. The range shown in this chart is what we believe to be a normal range for a Build to Suit service center (where the landlord pays for the land and building and the up-front "soft costs" of surveys, site engineering, permitting, soils tests, etc., and for "site costs" (i.e., landscaping, paving, bringing utilities to the site and so forth)). In some areas, you may find market rents to be higher or lower than these figures. Before you decide to buy a franchise from us, you should use the site characteristics defined in this footnote and consult local real estate professionals to determine local rent rates with more precision in the areas in which

you are interested. This chart also assumes that you must pay the first month's rent and an amount equal to one month's rent as a security deposit at the time you sign a lease.

If you choose to buy, rather than rent, a service center, we estimate that the cost to acquire a suitable site might range from \$300,000 to over \$800,000 and building costs (including soft costs and site costs) for a four bay service center might range from \$700,000 to \$1,200,000; however, costs vary and could easily and substantially exceed this range. Some of our franchisees have spent more than \$1 million to buy what they believed to be a good site, and we have approved these sites for development.

The current standard for the construction of a new Jiffy Lube service center building is a four-bay facility. A suitable site should have a frontage of at least 140 feet and a depth of 180 feet. The Jiffy Lube Multicare style building is 94 feet long and 44 feet deep and has approximately 4,400 square feet including a basement space. Smaller sites can be used if there is adjoining common space, such as in a shopping center, but the minimum frontage we are likely to approve for the Jiffy Lube Multicare building is 125 feet. In addition, on an exception basis only, we may approve facilities that have fewer than four bays or greater than four bays, depending on various factors.

We look for property in retail areas with adequate population density, positive population growth, and household income. Characteristics that may affect suitability of a specific site are traffic count (that is, the number of vehicles that pass the site), the speed at which vehicles pass the site, the ease of ingress and egress to and from the site and proximity of competition. We recommend minimum populations of 50,000 people, minimum median household income of \$50,000, 42,000 registered vehicles in a three-mile radius, traffic count by the location of at least 20,000 a day, relatively low speed limits of the adjacent highway or street and traffic composed of both local and long distance travel vehicles; however, sites that are deficient in any one or more of these characteristics may be approved if the deficiency is counterbalanced by strengths in other areas.

³ Equipment for a Jiffy Lube service center is normally purchased or leased by the franchisee directly from the manufacturer or some other vendor. If you participate in the BTS Program, you have the option to purchase and install the equipment yourself, or to elect for the landlord to purchase and install the base equipment (such as product tanks, compressor, pumps, dispensers and supply lines, designated lifts for tire rotations and brakes, and service podiums) and charge you for such products and services. Other than the point of sale computer system, you may buy this equipment from any vendor you choose so long as it meets our standards. We estimate that to buy the necessary equipment and have it installed will cost about \$125,000 - \$325,000 for a four-bay Jiffy Lube Multicare store. This includes the cost of interior and exterior signs meeting our minimum specifications, oil storage tanks, lubrication equipment, compressors, equipment required to provide additional Jiffy Multicare services and furniture for the office and customer waiting area. For stores not offering Jiffy Lube Multicare services, the equipment costs may be less. The cost of point of sale computer hardware (that is, hardware in addition to that which we provide) is *not* included in this estimate.

⁴ We estimate that start-up inventory for a Jiffy Lube service center costs between \$20,000 and \$30,000. If under the Pacesetter or NWF Franchise Agreement, SOPUS Products will supply all of the petroleum products you might need (e.g., motor oil, transmission fluids, greases, etc.), and, in some instances, Pennzoil[®] or Performance brand oil and air filters. Under the Non-Product Supply Franchise Agreement, it is possible to buy all of your inventory from vendors other than SOPUS Products, but it may not be branded with the Pennzoil[®], Quaker State[®] or Jiffy Lube[®] marks.

⁵ We think that it is important for your initial marketing plan to include expenses related to the "grand opening" of your service center. Typical grand opening expenses include direct mail and media advertising and promotional signage and other materials. We estimate that these expenses range from about \$15,000 to about \$20,000 or more (depending on media costs in your market and the population of

the market you are trying to reach) *in addition to* the advertising expenses that are required by the Franchise Agreement. It is also recommended that you set up your Google My Business listings, a free tool that helps small businesses create and manage their location listings, which appear when customers find businesses on Google Search and Maps. It helps businesses attract new customers and share information about what makes them valued.

⁶ This range is for an annual premium. It is our experience that insurance carriers require new franchisees to pay for one year's premium in advance, but existing franchisees can often arrange for monthly payments for their new service centers. Insurance costs may vary widely by state and with the experience of the franchisee.

⁷ We cannot estimate when, if ever, income from a service center will be enough to meet expenses. Almost invariably, you will need working capital in addition to revenue from the service center to cover operating expenses of the service center during its initial phase of operations. Based on our experience, we think that in markets that are familiar with the quick lube concept (which includes most markets today), the initial phase of operations will be at least six months. For that reason, we recommend that your plans include additional funds of at least \$45,000.

⁸ For franchisees acquiring a new site, we do not offer any financing assistance that is specifically tailored for any of the expenses described in this Item 7. SOPUS Products offers several financial assistance programs as described in Item 10. Thus, a franchisee that elects to receive funding can use these funds to help offset initial investment costs when signing the Pacesetter Supply Agreement and the Jiffy Lube Multicare Franchise Agreement Addendum. The estimate will be based on a reasonable number of vehicles per year based on the location and market of the site.

The chart shows our estimate of a franchisee's initial investment for a newly-developed Jiffy Lube service center operated by that franchisee (that is, this chart does not include overhead costs which might be incurred by an absentee operator or multiple-unit franchisee). As we mentioned in Item 5 of this FDD, much of your initial inventory (of lubricants, filters, greases and the like), which you may need before opening and during the initial 6 months of operation of a newly developed service center, shall be purchased from SOPUS Products. Current prices for optional computer hardware or computer upgrades are shown in Exhibit L; these prices are subject to change without notice.

If you acquire an existing freestanding Jiffy Lube service center, your initial investment will be the purchase price you negotiate. You should still consider the other costs in the table, however, such as working capital, insurance and training expenses, and some opening marketing expense.

The chart in this Item 7 does not include any estimate of costs associated with acquiring an existing Jiffy Lube service center from one of our franchisees, or any costs related to the conversion of a center into a Jiffy Lube service center, or a "**Conversion Center**". If you buy a "going business", the price of assets you will be buying will vary widely and cannot be estimated. Physical assets may be valued at their cost, their appraised value, their depreciated value, or by some other method of valuation depending upon the circumstances of sale. The value of goodwill associated with a service center is usually a function of that service center's past and projected cash flow.

ITEM 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

A. Products, equipment and supplies.

We may establish and enforce minimum standards for equipment, products and supplies used by

franchisees in building or operating a Jiffy Lube service center and compile lists of products that meet those specifications. You also must maintain and comply with an effective Pacesetter Supply Agreement with SOPUS Products for the purchase of motor oil and lubricants to be used at your service center. The Product Supply Agreement commits you to buy 100% of bulk motor oil and 85% of non-bulk motor oil from our parent company, SOPUS Products. We require that all motor oil used in the service center is API certified and SAE rated to meet automobile manufacturers' specifications for new car warranties. We require that oil filters, air filters, automatic transmission filters and gaskets also meet automobile manufacturers' specifications for new car warranties. We also require that antifreeze used at the service center meet our strict product standards and specifications. Other than those items, we have not published standards for equipment, products or supplies, and we have not compiled lists of products that meet our standards.

We do make certain recommendations beyond the stated requirements. For example, we strongly recommend that franchisees not use or sell motor oil that does not meet the highest standards established by the American Petroleum Institute. All grades of Pennzoil® and Quaker State® brand motor oils meet the highest standards currently established by the American Petroleum Institute. Most Jiffy Lube franchisees feature Pennzoil® brand motor oil, and many feature Quaker State® or both brands.

We often refer to Pennzoil® brand motor oil in national media commercials. We also produce various types of advertising materials to be used in national and local markets.

SOPUS Products' sales records indicate that it billed franchisees \$257,506,191.36 for the sale of motor oil and other products (excluding car care products) during 2022. In 2022, SOPUS Products had total revenues of \$4,245,087,404 (unaudited). The total amount of sales of oil products to franchisees represents 6.07% of SOPUS Products' total sales in 2022. These revenue and interest income figures are calculated from SOPUS Products' and Pennzoil Lube Center Acceptance Corporation's records and have not been audited.

You must participate in any national or regional fleet customer programs that pertain to the entire Jiffy Lube system. Under these programs, we may negotiate contracts with regional or national fleet customers. Under the terms of such agreement, you must give the fleet customer a discount off of your normal posted price for certain services provided. The type and amount of the discounts are subject to change.

In addition to the required programs, you may also participate in the “**Do Not Exceed**” pricing program (“**DNE**”), a voluntary program designed to provide uniform pricing to fleet management companies (“**FMCs**”). The program secures FMC agreements for new services approved for client vehicles under the Jiffy Lube Multicare program and reduces fleet rejections. The DNE pricing program is subject to modification or termination on written notice.

As of the date of this FDD, we have negotiated an agreement with Wright Express Financial Services Corporation (“**WEX FSC**”), a processor of fleets, to process billing for national and regional fleet customers that will use either the Jiffy Lube® Fleet Card or the Wright Express®/Jiffy Lube® Universal Fleet Card and will require all franchisees to sign an agreement with WEX FSC in the form included in Exhibit K to this FDD. WEX FSC's contact information is as follows: 3995 South 700 East, Suite 450, Salt Lake City, UT 84107, (801) 892-5336. We may discontinue national or regional fleet customer programs, or make participation in the programs optional, at any time.

You may also be required to accept and take all actions that may be required to be able to accept any national payment cards pursuant to any national or regional credit card arrangement that we have made. In addition, you will be required to accept the Jiffy Lube Gift Card®, the Jiffy Lube® Fleet Card,

the Wright Express®/Jiffy Lube® Universal Fleet Card, the Shell Fleet Plus® card, the Shell Small Business™ card, and the Shell Fleet Navigator®.

B. The POS system.

You must utilize our POS System, defined below. We will provide you with a sublicense for the POS software (“**POS Software**”) for a new service center or a converted service center. You will be required to acquire, whether through purchase or lease, computer hardware sufficient to run the POS System, including, but not limited to: a primary central processing unit, one or more bay stations, a communications router, printers, and any other peripherals we may specify (collectively, the “**POS System**”). See Item 11 below for additional details. All equipment shall be brands, models, and specifications as designated by JLI, which will be developed after working with the Jiffy Lube Technology Services Advisory Board (“**TSAB**”) (except where it specifically chooses not to specify a particular selection). If you are taking a transfer of an existing franchised center, you will receive the balance of the lease for the existing system.

Centers with more than three service bays generally lease or buy additional terminals and printers beyond the included three-bay setup. Generally, franchisees use one terminal for each service bay and in some of their busier service centers, they have an additional terminal for the employee who greets customers. The price list shown in Exhibit L to this FDD is for hardware purchased through JLI.

Many franchisees, particularly those with more than one service center, may elect to access aggregated data for all their stores by subscribing to our proprietary Data Delivery Service (“**DDS**”). The franchisee will pay for all hardware, software, tools and connectivity necessary to access and process this data, as well as the DDS monthly subscription fee.

We provide support for the current POS Software under our Franchise Agreement and pursuant to the terms and conditions of the POS Software License Agreement. This support includes telephone availability of specialists in the operation of the software and information supplied electronically *via* broadband communications link. You will pay all costs of operation of the POS System, including: (a) the cost of a broadband connection, if necessary, (b) labor costs, (c) all costs of hardware maintenance, repair, upgrades and replacement, (d) charges for support, which will be charged (on a per installation per franchise entity basis and not a per franchise agreement basis) at a rate set from time to time by us but which will not exceed \$160 per month, unless approved by TSAB or required as a contractual increase approved by us and the TSAB with a designated POS vendor or service provider, and (e) charges for POS Software support services other than those that we have agreed to in the POS Addendum which, if provided by us or our affiliate, will be invoiced to you at the servicing entity’s “per-call” rates according to terms and conditions in effect when the service is performed, together with room, board and travel charges incurred by any service technician. If, on March 26, 2019, you were a party to a Jiffy Lube Franchise Agreement in which we agreed to pay \$27 a month towards communication charges associated with your daily transmission of data required for the operation of the POS System, then we will continue to pay this monthly amount under the terms of any renewal of your Franchise Agreement or any new franchise agreement with us. However, we reserve the right to discontinue the availability of this subsidy to those who were franchisees on March 26, 2019 at any time for any reason.

You must contract with us for hardware support as well under the terms set forth in the Hardware Support Agreement (*see* Attachment B to the POS Addendum). This support includes telephone availability of specialists in the operation of the hardware, especially in connection with the use of the POS Software, information supplied electronically and replacement of covered defective components and parts. The hardware support is currently provided by us or through our contracted third party vendors, with which we have no affiliation. Our support covers the CPU and all peripherals, but does not include on-site

technician visits. The charge for this service is currently \$68.00 per month. The Hardware Support Agreement more fully explains the precise coverage available.

During 2022, we billed \$11.77 million to our franchisees for hardware, hardware equipment leases and software support. This reflects about 8.69% of our total revenues of \$135.51 million for 2022. This is an unaudited number.

You also must install and use, at your cost, communication technology we approve for delivery and receipt of data. We will publish standards and recommended suppliers in our Policies & Procedures Manual. If you sign a new Franchise Agreement with us, you must use broadband for this purpose. Costs for broadband internet are your responsibility, and costs can range from \$40 per store per month to \$120 per store per month. We are not affiliated with any preferred provider of broadband services and receive no compensation from them if you use their broadband service. If you were a party to a Jiffy Lube Franchise Agreement on March 26, 2019 in which we agreed to subsidize your choice of broadband service provider in the amount of \$27 per month, then we will provide such subsidy in any renewal of your Franchise Agreement or new franchise agreement with us. If you are buying an existing store, you must upgrade your system and/or your telephone and other communication service, and you may incur additional monthly fees with a third-party provider at your cost, to allow such communication.

C. Price negotiations for the benefit of franchisees.

You must sign a Pacesetter Supply Agreement. Under the Product Supply Agreement, your product supply pricing for Pennzoil® or Quaker State® product will be based on a formula, and you will receive discounts based on specialty mix purchases, the volume of your purchases, and your participation in the Jiffy Lube Multicare Program.

We negotiated with our Processor regarding fees they charge to franchisees for processing credit cards. See Exhibit K. While we typically do not negotiate purchase agreements with suppliers for the benefit of franchisees, we may occasionally select particular opportunities to negotiate purchase agreements in the future.

D. Cooperatives.

As we mentioned in footnote 3 of Item 6 and as is further described in Item 11 of this FDD, franchisees may be required to join local or regional cooperative associations for the purpose of conducting coordinated marketing efforts in a relevant locality or region. We produce various types of advertising materials that can be used by individual franchisees or by advertising cooperatives. We give these materials to individual franchisees without any charge in addition to those described in Item 6. Franchisees and cooperatives may choose to produce additional advertising materials, subject to our approval, using advertising agencies and other entities that are not affiliated with us.

The Jiffy Lube Association of Franchisees (“JLAF”) sponsors a purchasing cooperative for the benefit of its participating members. During the past few years, we have made contributions to JLAF, but we are not a voting member. We do not participate in negotiations with vendors concerning this cooperative’s programs. Our franchisees are not required to join JLAF. You can get more information on JLAF and this purchasing cooperative by writing to JLAF at:

Jiffy Lube Association of Franchisees, Inc.
11419 Cronridge Drive, Suite 16
Owings Mills, MD 21117

E. Vendors' payments to us.

Other than as disclosed in this section, we do not receive any payments or favorable pricing from any vendor because of that vendor's transactions with our franchisees, although we reserve the right to do so in the future.

F. Benefits for buying from designated sources.

We provide material benefits to franchisees who sign the Franchise Agreement in the form of reduced royalty obligations, reduced advertising spend requirements and support of national advertising, which are described in this FDD. Otherwise, we do not provide material benefits to, or withhold benefits from, our franchisees based on their use of designated or approved sources of products or services.

G. Ownership of Suppliers by our Officers.

Except for equity interests in our ultimate parent, Shell plc, none of our officers currently owns a material interest in any of our suppliers.

ITEM 10: FINANCING

SOPUS Products Financing

SOPUS Products, our parent company, offers several financing programs for its customers, including our franchisees. These programs are described in the tables and notes below. These tables describe programs that are being offered as of the date of this FDD. These programs may be discontinued or modified at any time without notice to us or our franchisees, and new programs may be introduced. In unique situations, SOPUS Products or its subsidiaries may enter into unique financing arrangements with any of its customers (including our franchisees) that are different from the programs described in this Item 10. You may, at any time, repay the outstanding amount of the Funds via Automated Clearing House (“ACH”), or other payment method that may be designated by SOPUS Products without any prepayment penalty. After repayment of all Funds, your Product prices will be as set forth in the Pacesetter Supply Agreement.

For purposes of this Item 10, the following definitions are included in the Pacesetter Supply Agreement: “Advanced Funding”, “Advanced Funding Rate”, “Funds”, “Growth Funding”, “Jiffy Lube Multicare Advanced Funding Rate”, “Jiffy Lube Multicare Growth Funding Rate”, “Jiffy Lube Multicare Repayment Rate”, “Products”, “Repayment Rate”, “Qualifying Products”. For purposes

of this Item 10, the following definitions are included in the Significant Growth Amendment to the SOPUS Products Product Supply Agreement for Jiffy Lube Franchisees under The SOPUS Products/Jiffy Lube Pacesetter Program between PENNZOIL-QUAKER STATE COMPANY, D/B/A SOPUS Products and BUYER: “Significant Growth Funds”, “Significant Growth Advanced Funding”.

(a) Advanced Funding or Significant Growth Advanced Funding

If you receive Advanced Funding you will not be eligible to receive Growth Funding, Jiffy Lube Multicare Advanced Funding, Jiffy Lube Multicare Growth Funding and/or any other funding. If you receive Significant Growth Advanced Funding you will not be eligible to receive Growth Funds, Jiffy Lube Multicare Growth Funds, Advanced Funds, Jiffy Lube Multicare Advanced Funds, and any other funds not included in the Significant Growth Funding Program.

- (i) **Advanced Funding:** Provided you meet the eligibility criteria for Advanced Funding set forth in the Pacesetter Supply Agreement, on the fifth anniversary of the effective date of the Pacesetter Supply Agreement and on every fifth anniversary thereafter (or earlier if there are no funds outstanding or if you repay any previously received funds before the five-year anniversary), you will be eligible to receive advanced funding in five year increments (or less if the Pacesetter Supply Agreement expires in less than five years). The amount of the advanced funds, if any, will be determined by SOPUS Products taking into consideration your credit worthiness and the previous 12 months’ car count for all your service centers multiplied by 1.3, multiplied by 85%, multiplied by the number of years (one to five or a fraction thereof rounded to the nearest month) to be funded, multiplied by the Advanced Funding Rate. The advanced funds received, if any, must be repaid by purchasing from SOPUS Products certain Qualifying Products at prices set forth in the Pacesetter Supply Agreement plus the Repayment Rate; or
- (ii) **Significant Growth Advanced Funding:** Provided you meet the eligibility criteria set forth in the Pacesetter Supply Agreement, and you have signed an SG Amendment, you may be eligible to receive Significant Growth Advanced Funding as defined in the SG Amendment up to 10 years for each of the SG Service Centers as defined in the SG Amendment in lieu of you receiving Growth Funds, Jiffy Lube Multicare Growth Funds, Advanced Funds, Jiffy Lube Multicare Advanced Funds, and any other funds not included in the Significant Growth Funding Program. The amount of the Significant Growth Advanced Funds, if any, will be determined by the terms and conditions of SG Amendment. The Significant Growth Advanced Funds received, if any, must be repaid by purchasing from SOPUS Products certain Qualifying Products at prices set forth in the Pacesetter Supply Agreement plus the Repayment Rate, as further described in the SG Amendment.

The Advanced Funding Rate is currently 35¢ per gallon, and may be increased or decreased by SOPUS Products on 30 days’ notice, but will not be less than 35¢ per gallon. For the Significant Growth Advanced Funds (where Franchisee is funded at the Advanced Funding Rate), the Advanced Funding Rate is currently 35¢ per gallon, and may be increased or decreased by SOPUS Products on 30 days’ notice, but will not be less than 35¢ per gallon.

(b) Growth Funding or Significant Growth Funding where Franchisee is repaying at the Repayment Rate.

If you receive Growth Funding you will not be eligible to receive Advanced Funding, Jiffy Lube Multicare Advanced Funding, Jiffy Lube Multicare Growth Funding, and/or any other funding. If you receive Significant Growth Funding you will not be eligible to receive Growth Funds, Jiffy Lube Multicare Growth Funds, Advanced Funds, Jiffy Lube Multicare Advanced Funds, and any other funds not included in the Significant Growth Funding Program.

- (i) **Growth Funding:** Provided you meet the eligibility criteria set forth in the Pacesetter Supply Agreement, you may receive funding from SOPUS Products for the building, acquisition or conversion of new-to-SOPUS Products or JLI service center(s) (the “**Growth Funds**”) as agreed by the parties. For any new-to-SOPUS Products, or JLI service center, or Replacement Center you add to the Pacesetter Supply Agreement, you will be entitled to receive Growth Funds if and only if the service center (1) is not then a Jiffy Lube service center, or (2) after having purchased bulk products from SOPUS Products on or after February 8, 2011, the Service Center has not ceased purchasing bulk products from SOPUS on or before February 8, 2016, or (3) was not purchasing bulk products from SOPUS before February 8, 2011 and, (4) has not previously received Growth Funds for the newly built, acquired, Replacement Center, or converted service center; Growth Funds eligibility for the Replacement Store requires that all outstanding monetary balances owed by you to SOPUS Products for a service center that is being replaced with the Replacement Center have been paid in full, including all funds; or
- (ii) **Significant Growth Funding:** Provided you meet the eligibility criteria set forth in the Pacesetter Supply Agreement, and you have signed a SG Amendment, you may be eligible to receive “**Significant Growth Funds**” (as defined in the SG Amendment) up to 10 years for each of the SG Service Centers, in lieu of you receiving Growth Funds, Jiffy Lube Multicare Growth Funds, Advanced Funds, Jiffy Lube Multicare Advanced Funds, and any other funds not included in the Significant Growth Funding Program. The amount of the Significant Growth Funds, if any, will be determined by the terms of SG Amendment.

The amount of the Growth or Significant Growth Funds that may be provided to you will be determined by one of the following:

- (i) Growth Funding Formula: the Growth Funding Rate multiplied by (1) the actual car count for the service center to be added, if available, if the service center is a Jiffy Lube franchisee or if not a Jiffy Lube franchisee, by (2) the trailing 12 months’ average per store annual car count of Jiffy Lube service centers in the DMA where your service center will be located, (3) multiplied by 1.3, (4) multiplied by 85%, (5) multiplied by up to five years (or a fraction thereof rounded to the nearest month), but in no event longer than the applicable term of the Franchise Agreement for the service center. A “**DMA**” is a geographic area in the United States in which local television viewing is measured by the Nielson Company. SOPUS Products has the right to designate an alternate third party media and marketing research firm to identify DMAs, or may choose another method of estimating average per store annual car counts for the additional service center(s) you wish to operate, at SOPUS Products’ sole discretion; or
- (ii) Significant Growth Funding Formula: the amount of the Significant Growth Funds, if any, will be determined by the terms and conditions of SG Amendment.

The amount of the Growth or Significant Growth Funds that may be provided to you by SOPUS Product will be repaid by you to SOPUS Products as determined by one of the following:

- (i) Growth Funding Repayment: The amount of the Growth Funds to be repaid by you to SOPUS Products is based on the Growth Funds election you made. If you took the 100% Growth Funds Election then the amount of the Growth Funds to be repaid by you to SOPUS Products will be determined by taking the then-current Repayment Rate dividing it by the Growth Funding Rate and multiplying the result by the amount of the Growth Funds paid to you. If

you took Greater Than 50% Growth Funds Election, then the amount of Growth Funds to be repaid by you to SOPUS Products is the total Growth Funds paid to you minus that portion of the Growth Funds that is equal to half of the amount you would have received had you elected the 100% Growth Funds Election. You will repay the Growth Funds by purchasing from SOPUS Products certain Qualifying Products at prices set forth in the Pacesetter Supply Agreement plus the Repayment Rate, as described in the Pacesetter Supply Agreement. If you took the 50% or Less Growth Funds Election, then no repayment of Growth Funds is required.;

or

- (ii) Significant Growth Funding Repayment: For the Significant Growth Funds (where Franchisee is repaying at the Repayment Rate), the amount of the Significant Growth Funds to be repaid by you to SOPUS Products shall be the Significant Growth Funds you received from SOPUS Products under the SG Amendment minus 50% of the maximum amount of Significant Growth Funds you are eligible to receive under the SG Amendment. You will repay the Significant Growth Funds by purchasing from SOPUS Products certain Qualifying Products at prices set forth in the Pacesetter Supply Agreement plus the Repayment Rate, as further described in the SG Amendment. You are not required to repay Significant Growth Funds paid by SOPUS to you if the amount of Significant Growth Funds you received from SOPUS is 50% or less of the maximum amount of Significant Growth Funds you are eligible to receive under the SG Amendment.

(c) Jiffy Lube Multicare Growth Funding or Significant Growth Funding where Franchisee is repaying at the Jiffy Lube Multicare Repayment Rate.

If you receive Jiffy Lube Multicare Growth Funding, you will not be eligible to receive Growth Funding, Advanced Funding, Jiffy Lube Multicare Advanced Funding, and/or any other funding. If you receive Significant Growth Funding you will not be eligible to receive Growth Funds, Jiffy Lube Multicare Growth Funds, Advanced Funds, Jiffy Lube Multicare Advanced Funds, and any other funds not included in the Significant Growth Funding Program.

For any new-to-SOPUS Products, or new-to-JLI service center, or Replacement Center you add to Exhibit A to the Pacesetter Supply Agreement, you will be entitled to receive the Jiffy Lube Multicare Growth Funds if and only if such service center (1) is not then a Jiffy Lube service center, and/or (2) has not previously received Growth Funds or Jiffy Lube Multicare Growth Funds for the newly built, acquired or

converted service center Jiffy Lube Multicare Growth Funds eligibility for the Replacement Store requires that all monetary balances owed by you to SOPUS Products for a service center that is being replaced with the Replacement Center have been paid in full, including all funds. For any newly built or Replacement service center(s), any SOPUS approved applicable payment of Jiffy Lube Multicare Growth Funds must be made by SOPUS Products within (a) 60 days of the official opening of the service center for normal business operations; or (b) via an alternate payment schedule.

- (ii) **Significant Growth Funds** eligibility: Provided you meet the eligibility criteria set forth in the Pacesetter Product Agreement, and you have signed a SG Amendment, you may be eligible to receive “**Significant Growth Funds**” (as defined in the SG Amendment) up to 10 years for each of the SG Service Centers, in lieu of you receiving Growth Funds, Jiffy Lube Multicare Growth Funds, Advanced Funds, Jiffy Lube Multicare Advanced Funds, and any other funds not included in the Significant Growth Funding Program. The amount of the Significant Growth Funds, if any, will be determined by the terms of the SG Amendment.

The amount of the Jiffy Lube Multicare Growth or Significant Growth Funds that may be provided to you will be determined by one of the following:

- (i) Jiffy Lube Multicare Growth Fund Formula: the Jiffy Lube Multicare Growth Funding Rate multiplied by (1) the trailing 12 months’ actual car count for the service center to be added, if available, if the service center is a JLI franchisee or, if not a JLI franchisee, by (2) the trailing 12 months’ JLI regional average per store annual car count (as determined by JLI in its sole discretion) (3) multiplied by 1.3 (4) multiplied by 85% multiplied by up to five years (or a fraction thereof rounded to the nearest month), but in no event longer than the applicable term of the franchise agreement for that service center; or
- (ii) Significant Growth Fund Formula where Franchisee is repaying at the Jiffy Lube Multicare Repayment Rate: The amount of the Significant Growth Funds, if any, will be determined by the terms and conditions of SG Amendment.

The amount of the Jiffy Lube Multicare Growth Funds or Significant Growth Funds that may be provided to you by SOPUS will be repaid by you to SOPUS as determined by one of the following:

- (i) Jiffy Lube Multicare Growth Funds: The amount of the Jiffy Multicare Growth Funds to be repaid by you to SOPUS Products in accordance with Article 4(f) of the Pacesetter Supply Agreement is based on the Growth Funds election you made. If you took the 100% Growth Funds Election then the amount of Growth Funds to be repaid by you to SOPUS Products will be determined by taking the then current Jiffy Multicare Repayment Rate (defined below), dividing it by the Jiffy Lube Multicare Growth Funding Rate, and multiplying the result by the amount of the Jiffy Lube Multicare Growth Funds paid to you. If you took Greater Than 50% Growth Funds Election, then the amount of Growth Funds to be repaid by you to SOPUS Products is the total Growth Funds paid to you minus that portion of the Growth Funds that is equal to half of the amount you would have received had you elected the 100% Growth Funds Election. If you took the 50% or less Growth Funds Election, then no repayment of Growth Funds is required.

Growth Funds Examples:

100% Growth Funds Election Example:

If you elected the 100% Election and SOPUS Products paid you a \$1,000 in Growth Funds then, you must repay $\$0.35$ (the Repayment Rate) divided by $\$0.70$ (the Growth Funding Rate) = $50\% \times \$1,000 = \500 .

Greater Than 50% Growth Funds Election Example:

If you elected Greater Than 50% Election and SOPUS Products paid you \$750 in Growth Funds, and the Growth Fund maximum is \$1,000 per the Growth Fund Calculation provision, then you must repay \$750 (Growth Funds Paid to you) – \$500 (amount equal to half of the maximum amount you are eligible to receive per the Growth Fund Calculation provision e.g., \$1000/2) = \$750 - \$500 = \$250.

50% or Less Growth Funds Election Example:

If you elected the 50% or Less Election, and SOPUS Products paid you \$500 in Growth Funds and the Growth Funds maximum is \$1000 per the Growth Fund Calculation provision, then you must repay \$500 (Growth Funds Paid to you) - \$500 (amount equal to half of the maximum amount you are eligible to receive per the Growth Fund Calculation provision e.g., \$1000/2) = \$500 - \$500 = \$0.00.

Note that the amounts described in the above examples are those in effect as of the Effective Date and are subject to change as described herein.; or

- (ii) Significant Growth Funding: For the Significant Growth Funds (where Franchisee is repaying at the Jiffy Lube Multicare Repayment Rate), the amount of the Significant Growth Funds to be repaid by you to SOPUS Products shall be 50% of the Significant Growth Funds you received from SOPUS Products under the SG Amendment minus 50% of the maximum amount of Significant Growth Funds you are eligible to receive under the SG Amendment. You will repay the Significant Growth Funds by purchasing from SOPUS Products certain Qualifying Products at prices set forth in the Pacesetter Supply Agreement plus the Repayment Rate, as further described in the SG Amendment. You are not required to repay Significant Growth Funds paid to you by SOPUS if the amount of Significant Growth Funds you received from SOPUS is 50% or less of the maximum amount of Significant Growth Funds you are eligible to receive under the SG Amendment.

(d) Jiffy Lube Multicare Advanced Funding or Significant Growth Advanced Funding where the Franchisee is funded at the Jiffy Lube Multicare Advanced Funding Rate)

If you receive Jiffy Lube Multicare Advanced Funding, you will not be eligible to receive Growth Funding, Advanced Funding, Jiffy Lube Multicare Growth Funds, and/or any other funding. If you receive Significant Growth Advanced Funding you will not be eligible to receive Growth Funds, Jiffy Lube Multicare Growth Funds, Advanced Funds, Jiffy Lube Multicare Advanced Funds, and any other funds not included in the Significant Growth Funding Program.

- (i) **Jiffy Lube Multicare Advanced Funds:** Provided you meet the eligibility criteria for Jiffy Lube Multicare Advanced Funding set forth in the Pacesetter Supply Agreement, on the fifth anniversary of the effective date of the Pacesetter Supply Agreement and on every fifth anniversary thereafter (or earlier if there are no funds outstanding or if you repay any previously received funds before the five-year anniversary), you will be eligible to receive advanced funding in five year increments (or less if the Pacesetter Supply Agreement expires in less than five years). The amount of the advanced funds, if any, will be determined by SOPUS Products taking into consideration your credit worthiness and the previous 12 months' car count for all your service centers multiplied by 1.3, multiplied

by 85%, multiplied by the number of years (one to five or a fraction thereof rounded to the nearest month) to be funded, multiplied by the Jiffy Lube Multicare Advanced Funding Rate. The advanced funds received, if any, must be repaid by purchasing from SOPUS Products certain Qualifying Products at prices set forth in the Pacesetter Supply Agreement plus the Jiffy Lube Multicare Repayment Rate; or

- (i) **Significant Growth Advanced Funds:** Provided you meet the eligibility criteria set forth in the Pacesetter Supply Agreement, and you have signed a SG Amendment, you may be eligible to receive Significant Growth Advanced Funding as defined in the SG Amendment up to 10 years for each of the SG Service Centers, in lieu of you receiving Growth Funds, Jiffy Lube Multicare Growth Funds, Advanced Funds, Jiffy Lube Multicare Advanced Funds, and any other funds not included in the Significant Growth Funding Program. The amount of the Significant Growth Advanced Funds, if any, will be determined by the terms and conditions of the SG Amendment.

The amount of such Jiffy Lube Multicare Advanced or Significant Growth Advanced Funding, if any, will be determined by SOPUS Products taking into consideration your credit worthiness and either of the following:

- (i) Jiffy Lube Multicare Advanced Funding Formula: the previous 12 months' car count for all the service centers multiplied by 1.3 multiplied by 85% multiplied by the number of years (one to five or a fraction thereof rounded to the nearest month) to be funded, multiplied by the Jiffy Lube Multicare Advanced Funding Rate. Based on SOPUS Products review of your credit worthiness at the time of payment, at SOPUS Products sole and absolute discretion, Jiffy Lube Multicare Advanced Funding will be paid by SOPUS Products either (a) within 30 days of you qualifying for the Jiffy Lube Multicare Advanced Funding, or (b) via an alternate payment schedule. Such Jiffy Lube Multicare Advanced Funding received, if any, will be deemed Funds for purposes of the Agreement and repaid as set forth in Article 4(f) of the Pacesetter Supply Agreement; or
- (ii) The Significant Growth Advanced Funding Formula: The amount of the Significant Growth Advanced Funds, if any, will be determined by the terms and conditions of SG Amendment. The Significant Growth Advanced Funds received, if any, must be repaid by purchasing from SOPUS Products certain Qualifying Products at prices set forth in the Pacesetter Supply Agreement plus the Jiffy Lube Multicare Repayment Rate, as further described in the SG Amendment.

If you are eligible to receive Jiffy Lube Multicare Advanced Funding or Significant Growth Advanced Funding but have not repaid previous funds loaned to you by SOPUS Products, you may either:

1. repay to SOPUS Products any outstanding Funds amount via ACH (in accordance with the instructions in Article 10(f) of the Pacesetter Supply Agreement, or other payment method that may be designated by SOPUS Products), and then be eligible to either (a) receive additional Jiffy Lube Multicare Advanced Funds for another five year increment (or less if the Pacesetter Supply Agreement expires in less than five years) and the amount will be determined by SOPUS Products at its sole discretion by taking into consideration your credit worthiness and the last 12 months' service center car count as described in Article 4(e)(ii)(I) of the Pacesetter Supply Agreement, or (b) move from funded pricing to unfunded pricing (as such terms are defined above); or
2. defer eligibility to receive any Jiffy Lube Multicare Advanced or Significant Growth Advanced Funding until such time as you have repaid the Funds; or

3. request that SOPUS Products determine the amount of Jiffy Lube Multicare Advanced Funding you may be entitled to as if you had repaid the Funds in full, as described above and have SOPUS Products deduct from the additional Jiffy Lube Multicare Advanced Funding the amount of the outstanding Funds.

The Jiffy Lube Multicare Advanced Funding Rate is currently 50¢ per gallon, and may be increased or decreased by SOPUS Products on 30 days’ notice, but will not be less than 50¢ per gallon. For the Significant Growth Advanced Funds (where Franchisee is funded at the Jiffy Lube Multicare Advanced Funding Rate) the Jiffy Lube Multicare Advanced Funding Rate is currently 50¢ per gallon, and may be increased or decreased by SOPUS Products on 30 days’ notice, but will not be less than 50¢ per gallon.

ITEM 11: FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

A. Before the service center opens.

We will give you standard plans and equipment specifications for the construction of a Jiffy Lube service center, but before you have a service center built, you must have an architect modify those plans to satisfy local building codes. Your modified plans must be submitted to us for approval before beginning construction (New Construction Addendum). The plans you submit must include branding, image and signage at the facility.

If you qualify and elect to participate in the BTS Program, we, along with our market analyst and developer, will work with you to identify a location for your service center. We will provide you with site layouts and equipment specifications from which to choose, although we will prescribe certain minimum requirements for design and equipment. A developer selected by JLI will prepare an initial proposal with preliminary rent and proposed budget for you to review and approve, and will perform any necessary due diligence on the property, obtain permits, work with local officials, and build the site based on your pre-selected criteria. We also require you to execute a Build to Suit Development Agreement with us in the form attached as Exhibit J-2 to this FDD, which gives you access to our developer’s services and expertise. Under that agreement, if you elect not to proceed with the development of a Service Center at a Preferred Site (both terms, as defined in the Build to Suit Development Agreement), you will owe us liquidated damages for expenses incurred by or paid to the developer in the amount of \$25,000.00.

We provide instructor-led training for Jiffy Lube service center managers. We work with you to schedule the training class. You pay a tuition of \$250 per registered student for face-to-face instructor-led training and \$75 per registered student for virtual instructor-led training, which helps cover the cost of instructors, classroom facilities, training materials and other similar costs. (Franchise Agreement, §5.1.) The training courses are described in greater detail in part F of this Item 11.

If you are buying your first franchise from us, and if the service center is not already in operation as a Jiffy Lube service center, then we will provide operations training and training in the use of the Jiffy

Lube POS System for your initial service center employees; and you will be required to attend a week long training session in Houston, TX (Franchise Agreement, §5.2.).

B. While the franchised business is operating.

While the franchised business is operating, we will continue to offer management training courses for service center managers described in parts A and F of this Item 11 for managers who replace you or your initial manager at the service center. You and the members of your management team (managers and assistant managers) must attend our then-current operations training course for managers every five years, held at a location to be determined by us. (Franchise Agreement, §5.1.5) We may require additional ongoing training of service center managers and employees. In that case, those requirements will be included in our Policies & Procedures Manual, and you will have to make sure that your employees meet these requirements. (Franchise Agreement, §5.3.)

Currently, while the franchised business is operating, you and your employees may contact our POS System software technical support service from 6:00 a.m. until 10:00 p.m. central time, Mondays through Fridays, excluding holidays, for software support of the POS Software. The support service is also available on weekends from 6:30 a.m. until 7:30 p.m. central time on Saturday and 6:00 a.m. until 5:00 p.m. central time on Sundays. We will provide an “on call” service technician to attempt to answer questions relating to the POS Software from any of your employees who have attended a training class that we will provide or approve. (POS Software License Agreement, §9) The POS Software is described in some detail in part B of Item 8 of this FDD. If we receive excessive service calls related to operator error of the POS System, you may be required to provide additional training to your employees on the use of the POS Software. (POS Software License Agreement, §12.4)

We will loan to you a copy of any corrections and updates to or technical notes concerning the Jiffy Lube POS Software or to the User Manual for the POS Software. (POS Software License Agreement, §§11.)

We will pay a portion of the cost of communication charges associated with your daily transmission of data to, or your receipt of any data required for operation of the POS Software from us. (POS Software License Agreement, §17.2, Policies & Procedures Manual, POS Addendum, §17).

We may replace or make changes in the POS System software. Before we do, we will solicit comments from a committee or group of franchisees formed to modify POS System matters or from some representative sample of franchisees. (POS Software License Agreement §18, Policies & Procedures Manual).

We will loan you one copy of our Policies & Procedures Manual and any other manuals dealing with particular phases of the Jiffy Lube system. (Franchise Agreement, §7.2.1 and POS Software License Agreement §11) A copy of the table of contents of our current Policies & Procedures Manual is included in Exhibit Q to this FDD. The following is a description of the number of pages devoted to each subject and the approximate number of pages in the Policies & Procedures Manual.

As we described in Item 8 of this FDD, we may require the equipment, products and supplies you use in connection with the franchised business to meet minimum quality or warranty specifications. We will publish these specifications in our Policies & Procedures Manual. (Franchise Agreement, §7.3.) In addition, if you are signing a Product Supply Franchise Agreement, you must enter into the applicable Product Supply Agreement with SOPUS Products. The Product Supply Agreement requires you to buy 100% of bulk motor oil and 85% on all non-bulk Qualifying Products from SOPUS Products.

We may also compile lists of products that meet our standards. If we do, and if you want to use a product that is not on that list, you must notify us and we will have that product tested (at your expense) and will let you know whether it meets our standards. (Franchise Agreement, §§7.3.2. and 7.3.3)

Our field representatives, or third party vendors that we may designate, may make announced or unannounced inspections of your service center, and may write a report summarizing his or her observations. If such a report is prepared, we will give you a copy. (Franchise Agreement, §7.12.1.)

We may require you to join an advertising cooperative. (Franchise Agreement, §9.2.) Advertising cooperatives are described in this FDD under footnote 2 of Item 6, part D of Item 8 and part F of this Item 11.

All of your advertising must meet our standards. You must submit advertising materials (not including materials we give you) to us for approval. (Franchise Agreement, §9.3.)

We will provide relevant marketing materials to you at no charge. These marketing materials will include some that refer to Pennzoil® brand products, Quaker State® brand products, or the products of other suppliers, and some that just refer to Jiffy Lube (we call these “generic” materials). There is no requirement that the generic materials be equal in number or otherwise to materials that mention suppliers. (Franchise Agreement, §9.4.)

C. Computer system.

We require that our franchisees use a particular POS System and certain other computer hardware and software before opening a service center for business. (Franchise Agreement §§7.9 and 8.2, POS

Software License Agreement, Policies & Procedures Manual). You will be required to acquire, whether through purchase or lease, the equipment that makes up the POS System, which system is more fully described in Part B of Item 8 of this FDD. The specifications for the computer components we require appear in Exhibit L to this FDD (“**Hardware Order Forms**”). All equipment shall be brands, models, and specifications as designated by JLI, after working with the TSAB, except where they specifically choose not to specify a particular selection. The cost to purchase or lease the POS System is approximately \$4,847.42, excluding optional equipment as detailed in Exhibit L. Franchisor does have the right to access the POS System remotely without contractual limits upon access.

Under the Product Supply Franchise Agreement, will provide you with a sublicense for POS Software free of charge (though you will still owe associated support fees as set forth in Item 6) for a point of sale computer system.

Under the Non-Product Supply Franchise Agreement, you assume the existing POS System, along with the associated terms, agreements, and fees that are in place. If you lease the computer hardware, the lease term should be for three years and renewed every three years.

The minimum initial equipment includes a primary central processing unit for the service center with characteristics sufficient to run the then-current version of the POS Software, one or more personal computers to operate at bay or greeter stations (three is typical), computer monitors, a communications router, a tablet, an invoice printer, a reports printer, a payment card reader, a cash drawer, and a network or hub switch. Optional equipment includes static sticker printers, coupon bar code readers, VIN scanners, and bay stations. All equipment must be of the brand, model, and specifications approved by us after consulting with the TSAB in accordance with the TSAB governing documents and agreements.

You must contract with us for hardware support, for which you will pay us \$68 per month (Section 14 of the POS Addendum; Attachment B to Franchise Agreement). There are no contractual limitations on the frequency or cost of hardware replacements or upgrades; however, no changes may be made by us without the approval of TSAB. You will pay all costs of operation of the POS System, including (a) the cost of a broadband connection, if necessary, (b) labor costs, (c) all costs of hardware maintenance, repair, upgrades and replacement, (d) charges for support, which will be charged (on a per installation per franchise entity basis and not a per franchise agreement basis) at a rate set from time to time by us but which will not exceed \$160 per month (unless approved by the TSAB or required as a contractual increase approved by us and the TSAB with a designated POS vendor or service provider), and (e) charges for POS Software support services other than those provided under the POS Addendum which, if provided by us or one of our affiliates, will be invoiced to you at the servicing entity’s “per-call” rates according to terms and conditions in effect when the service is performed, together with room, board and travel charges incurred by any service technician.

No systems other than the one we specify are permitted under the Franchise Agreement described in this FDD.

The POS software package includes cash register functions, an inventory management function, periodic cash control reporting, employee timekeeping, an on-line service “manual” for fluid and filter applications and a customer database, and also supports customer service reviews. The POS Software is the vehicle for required sales reporting to us; daily reports are automatically transmitted to us. A Jiffy Lube POS equipment and upgrade price list is included in this FDD as Exhibit L. See part B of Item 8 for a description of our requirements for Internet capability.

We also require all new franchised centers to have the ability to communicate with us as we require (Franchise Agreement, §8.2.1, Policies & Procedures Manual). Currently we are requiring all new

franchised centers (including transfers of existing centers and relocations) to contract for, install and use a broadband connection for this purpose.

Contemporaneous with signing the Franchise Agreement, you must also contract with us for hardware support by signing the Hardware Support Agreement attached to the POS Addendum.

D. Site selection.

At the time you decide you want to open or acquire a service center, you will either already have a site (and perhaps an operating service center) or you will have to locate a site. If you already have a site, and if your site receives our approval, we will enter into a Franchise Agreement with you.

If you do not have a specific site or you are anticipating converting another business to a Jiffy Lube service center, or otherwise do not expect your store to open immediately, then before we enter into the Franchise Agreement, we may enter either a New Construction Addendum or a Conversion Addendum specifying an area and time period within which you may look for a site or finalize the conversion.

If we do not approve the first site you submit to us, or if we approve a site, but some contingency keeps you from developing the site, then you will have about 30 days from the date we tell you we have not approved the first site or the date you learn of the failure of the contingency to submit another site to us for approval. As with the first site, we will have about 30 days to decide whether to approve the second site. If we do not approve the second site (or if a contingency keeps you from developing that site), then you can again submit a third site for approval, in the same manner and on the same terms as with regard to the second site. We have discretion in determining how many sites you can submit for approval.

After we sign a Franchise Agreement, we cannot *unreasonably* withhold approval of any site you present according to the terms of the Franchise Agreement. We *can* withhold our approval based on demographic or other characteristics from which we conclude that a service center located at such a site is not likely to be successful, or based on our determination that a service center at that site might unreasonably adversely impact another Jiffy Lube service center that exists or is planned when you bring us a site for approval.

After we approve a site, you must buy or lease it within 30 days after the later of (a) our approval, or (b) satisfaction of all contingencies in your contract to purchase or lease the site. The time in which you must act to identify a site and provide us information concerning the site may be extended if, in our sole discretion, we think that you have been acting in good faith and with reasonable diligence. If you cannot find a site we are willing to approve within the time described above, we can terminate the Franchise Agreement.

We also will provide you with assistance in determining a suitable site layout. We will give you basic designs for Jiffy Lube service centers. You will have to hire an architect or other qualified person to modify our plans to meet building codes and zoning requirements, and we have to approve any changes so that we can make sure that you will be able to provide the level of customer service we require.

If you qualify and elect to participate in the BTS Program, we, along with our market analyst and developer, will identify a location for your service center within a chosen territory. You will sign (i) for a new service center, a Pacesetter Franchise Agreement or for a Replacement Center, a Pacesetter Franchise Agreement and/or any other required documents included in the addendums to the Pacesetter Franchise Agreement, (ii) a sublease (in the form attached as Exhibit J-1), and (iii) a Development Agreement (in the form attached as Exhibit J-2) with us prior to our developer beginning any construction at the location. If for some reason after you have signed the Franchise Agreement but before construction has begun, JLI determines that a service center cannot be built on the selected site, JLI and the developer will make

reasonable efforts to find you another location. If another site cannot be located within 60 days of establishing that the first property is not suitable, in JLI’s determination, the Franchise Agreement and sublease will terminate and JLI will return your initial franchise payment.

E. Time until service center opens.

The length of time between signing a Franchise Agreement and opening a Jiffy Lube service center varies widely. If you choose to acquire an existing Jiffy Lube service center or convert a quick lube business operating under a mark other than Jiffy Lube into a service center, you may commence operating your service center almost immediately upon the execution of a Franchise Agreement. Conversely, if you have to locate a site and build a new service center, it may take over two years to open (in extreme cases). In general, for a newly built site, the *earliest* you might expect the service center to open for business following execution of a Franchise Agreement is about 180 days. Factors that may affect this include the necessity of obtaining zoning approvals, whether environmental remediation is required, and obtaining building permits. Even the weather can be a significant factor; for example, excavation of a basement for the service center can be difficult or impossible in very cold weather. You must open the service center within 12 months after the date you sign the Franchise Agreement unless an extension is granted.

F. Operations training course.

Before the opening of the service center, you or the day-to-day decision makers (i.e., manager or delegate) of the service center and, in the case of a corporation, the officers responsible for the operation of the service center, must *successfully* complete Franchise Boot Camp hosted in Houston, Texas, the content and duration of which we determine and update.

Currently, the franchisee operations training program consists of the following:

TRAINING PROGRAM

Subject	Hours of Classroom Training	Hours of On-The-Job Training	Location
JLU CBT Training	Approximately 20 hours; may vary depending on courses/job roles, etc.	NA	JLU Web-based
Boot Camp	NA	40 hours	Houston for back office training plus location-based in-store training

The strategic significance of our operational and service standards, including the J-Team Service Standards (“JTSS”) requires that the key day-to-day operations representative (key management person) complete and ensure that store employees complete the training outlined in the table below. All training, must be completed within the number of days or months outlined under the “**Certification Timeline**” column in the table below, which begins from the date the employee is hired or promoted to the relevant position:

Certification Levels	Certification Timeline	Requirement
Orientation & Safety with 30 days of service or more	30 days	100% of all Employees
JTSS Position 1	45 days	100%
JTSS Position 2	60 days	80%
JTSS Position 3	90 days	80%
JTSS Position 4	120 days	60%
Team Lead/Service Technician	150 days	40%
Service Specialist (15 Ancillary Services)	180 days	50%
Advanced Specialist (Optional Participation)	365 days	25%
Management Training (ASM & SM's)	6 months of promotion	100%
Leadership Training (ASM, SM's)	12 months of promotion	100%

All training certification levels, except for Leadership Training, are based on successfully completing the web-based training component of the course with a passing test score, successfully completing the On the Job Training (“OJT”) for practice and skill building, reviewing the Daily Training Observation Guides with the trainer for feedback and coaching and successfully completing the Proficiency Exam 100% accurately. The training process is ongoing and requires the support and involvement of the franchisee, managers and employees. Recertification is required within two to five years of completion depending on the certification level.

The Leadership Training certification is earned by completing the instructor-led training courses. Franchisees have three options for instructor-led training:

- **Virtual Instructor-Led Training.** We will work with you to schedule the training class. Classes are available every quarter with a tuition of fee of \$75 per student. The minimum class size is eight students with a maximum of sixteen. The virtual leadership course is taught over a 6-week period where each week includes one 1.5-hour session. The virtual instruction-led training uses a blended learning approach between conference calls and self-paced learning.
- **In-Person Instructor-Led Training.** In-Person Instructor-Led Training is provided on request only and will depend on trainer availability. The tuition fee for this class is \$250 per student, which helps cover the cost of instructors, classroom facilities, training materials, and other similar costs. The minimum class size is ten students with a maximum of 16 and a minimum cost of \$2,500.
- **Franchisee Instructor-Led Training.** Jiffy Lube University offers the ability for franchisees to certify their own trainer to provide Leadership Training and certify attendees. The tuition fee for this class is \$250 per student, which helps cover the cost of instructors, classroom facilities, training materials, and other related costs. Trainers are provided with clear expectations, timelines, and goals during their certification process.

Leadership Training recertification is required within five years of completion of this training.

In addition, as of the date of this FDD, we provide web-based training software and associated documents and instructor-led training courses for service center employees covering (a) Jiffy Lube JTSS/JTSS+ procedures, (b) Health, Safety, Security and Environment (HSSE), (c) various ancillary services, and (d) leadership training. Instructors who have provided this training for several years are supervised by Sebastian Mejia, Standards & Training Lead. Sebastian Mejia has worked in the automotive industry since 2002 and he has been with JLI since May 2012.

G. Advertising.

Local Advertising

All of your advertising in any medium must conform to the standards and requirements of the Policies & Procedures Manual. You must submit to us and obtain our prior written approval of all advertising and promotional plans and materials that you wish to use. Any use of any advertising or promotional materials that have not been approved by us in writing will be deemed to be a breach of the Franchise Agreement. You need not submit for approval any materials supplied by us or to which we have given approval within the prior 12 months.

During the term of the Franchise Agreement, we may provide relevant marketing materials to you at no charge. Such marketing materials will include (a) materials which refer to “Jiffy Lube” and to products sold by SOPUS Products and/or “Shell” or other suppliers, and (b) materials which refer to “Jiffy Lube” and do not refer to any specific supplier or service center.

Under the Non-Product Supply Franchise Agreement, we do not have any obligation to advertise the products and services offered at Jiffy Lube service centers. We produce certain advertising materials that can be used by individual franchisees and cooperatives at no charge.

We rely on both our in-house and outside advertising and communications groups to develop advertising and creative marketing strategies and to produce and distribute marketing, merchandising and promotional materials for use by the system.

Local or Regional Advertising

A local or regional advertising cooperative may be formed in a geographic area we determine to be appropriate either (a) at the request of one-half or more of the then-existing franchisees located in that area, or (b) at such other time as we deem appropriate. If a cooperative exists in the area in which your service center is located, then you must become a member of that cooperative as soon as is practical.

You may request that we excuse you from the requirement of membership in a cooperative. Our decision with regard to any requested excuse from membership in a cooperative will be final. Pending resolution of a request to be excused from required membership in a cooperative, you must continue to make the required contributions to the cooperative. We are not required to contribute to cooperatives for company-owned service centers.

Any cooperative must be formed and operated in a form and manner of which we approve. Any advertising and promotional plans and materials the cooperative wishes to use must receive our prior written approval. The cooperative will be responsible to its members to expend the funds entrusted to it in an equitable manner; however, benefits may not be directly proportional to contributions. Any contribution or payment required to be made to a cooperative must be made on or before the 15th day of each month based on the Gross Sales of the service center for the preceding month. The cooperative will use the funds contributed to it by its members to provide advertising in the area the cooperative was formed to serve, and to develop standardized promotional material for advertising programs in that area for the benefit of member franchisees. Our right to approve a cooperative’s operation includes a right to monitor and/or audit advertising expenditures by the cooperative.

National Advertising Fund (“NAF”)

Under the Product Supply Franchise Agreement, you must contribute to a separate and segregated advertising fund, the NAF. You must pay up to 1.5% of the Gross Sales of your service center

(“**Franchisee Ad Fund Commitment**”) to us for contribution to the NAF, which is administered for the purpose of enhancing the goodwill and public image of the brand and system through advertising and sponsorships. You must make contributions to the NAF at the rate we establish, provided that we may not establish a NAF contribution rate in excess of the Franchisee Ad Fund Commitment.

We administer the NAF provided, however, that all uses of NAF monies will be approved by an appointed and/or elected board (“**National Advertising Board**” or “**NAB**”) in accordance with the procedure set forth in the NAB’s by-laws. The NAB will at all times function in accordance with written by-laws approved by us and the NAB. The by-laws will address, among other things, the appointment and/or election of members, eligibility for membership, and the manner and extent to which we shall seek and obtain the approval of the NAB.

Under the current by-laws, the NAB consists of (i) a certain number of franchisee representatives, which shall be determined by the selection criteria below (“**Franchisee Members**”), (ii) two representatives of JLI (“**Franchisor Members**”), and (iii) one representative of SOPUS Products (the “**SOPUS Member**”). Additional members may be added in accordance with the by-laws.

Franchisee Members will be selected as follows:

- (a) Each franchisee, including its affiliates (a “**Franchisee Group**”) accounting for more than 5% of the total gross sales of all service centers will be entitled to appoint one member of the NAB;
- (b) Franchisee Groups with service centers located in the Eastern Region and having service centers located in the United States accounting for between 1% and 5% of the total gross sales of all service centers will be entitled, as a group, to elect one member of the NAB. The Eastern Region will consist of those states listed in the by-laws (32 states, generally in the eastern half of the United States, and the District of Columbia);
- (c) Franchisee Groups with service centers located in the Western Region and having service centers located in the United States accounting for between 1% and 5% of the total gross sales of all service centers will be entitled, as a group, to elect one member of the NAB. The Western Region will consist of those states listed in the by-laws (18 states, generally in the western half of the United States);
- (d) Franchisee Groups with service centers located in the Eastern Region and having service centers located in the United States accounting for less than 1% of the total gross sales of all service centers will be entitled, as a group, to elect one member of the NAB; and
- (e) Franchisee Groups with service centers located in the Western Region and having service centers located in the United States accounting for less than 1% of the total gross sales of all service centers will be entitled, as a group, to elect one member of the NAB.

Total gross sales will be measured once annually for the prior calendar year. We will have sole authority to determine which of the above-described categories apply to each Franchisee Group.

All Franchisor Members will be appointed by JLI. The SOPUS Products Member will be appointed by SOPUS Products. All proposed uses of the NAF must be approved by JLI and the NAB as provided in the by-laws. We have the power to form and dissolve the NAF and, hence the NAB. Any amendment to the by-laws must be approved by JLI.

In accordance with the by-laws, the NAB will strive to spend NAF contributions in a manner that provides advertising benefits to all participating service centers. However, there is no guarantee that all service centers will receive equal advertising benefits in view of regional differences in media costs, varying degrees of market penetration, and other relevant factors. To the extent any NAF monies are not expended during a calendar year, such monies will roll over to the succeeding calendar year(s).

Although the NAF is intended to be of perpetual duration, we may terminate the NAF at any time. On termination, all funds in the NAF at the time of termination will be spent on a final national media buy. In the event of our termination of the NAF, we will be entitled to spend monies in the NAF consistent with the by-laws. Nonetheless, a vote for dissolution of the NAF by participating franchisees may be held on a majority vote of the NAB on or after January 1, 2022. Anytime thereafter, a vote for dissolution of the NAF may be called by a majority vote of the NAB. Dissolution of the NAF will occur on the vote of not less than 95% of all franchise entities, owned by franchisees participating in the NAF and entitled to vote, voting in favor of dissolution, or by us, providing written notice to the Chairperson, of our decision to discontinue the NAF.

We may structure and organize the NAF in ways that most effectively and efficiently accomplish the NAF's objectives. We may therefore, at our sole option, organize or reorganize the NAF as a separate non-profit corporation or other appropriate entity and transfer the NAF's assets to the entity. Franchisee voting rights through the NAB and usage of NAF monies will not be impacted by any structure or organization modification.

NAF monies may be used (i) to pay for the placement of advertising in media of all types expected to have national or system-wide coverage or effect, (ii) to pay for sponsorships of events, teams and organizations expected to have national or system-wide coverage or effect and the advertising and promotion of them, and (iii) for advertising agencies, consultants and third-party service providers that are directly related to projects of a character described in clauses (i)-(ii).

We will produce, at our expense, all advertising placed by or through the NAF. We will have the sole right to determine the content of such advertising, in compliance with the by-laws. In all cases, we will have sole discretion and control over any profile(s) using or relating to the service marks, or that display the service marks, that are maintained on social media channels. We may use part of the NAF monies we collect under the Franchise Agreement to pay or reimburse the costs associated with the development, maintenance and update of the profile(s). We may (but are under no obligation to) establish guidelines under which you may establish profiles or otherwise establish a presence on the social media channels. In that event, you must comply with the standards, protocols and restrictions that we impose on that use.

Advertising and sponsorship efforts funded by the NAF will be focused on the Jiffy Lube® brand and Jiffy Lube services. SOPUS Products' merchandise (including Pennzoil® Motor Oils) may also be included in such advertising and sponsorship efforts. At no time will NAF monies be utilized solely to support or promote the Pennzoil® brand or Pennzoil® products.

For the fiscal year ended December 31, 2022, approximately 100% of NAF expenditures were spent on media placement.

Under a separate agreement between us and JLAF, we meet with the JLAF Marketing Committee a minimum of one time annually to present and review marketing and creative plans and strategy and preliminary production of advertising and marketing materials created for the Jiffy Lube system. JLAF selects the members of its marketing committee; we have no control over the selection process. These meetings are for advisory purposes only.

No funds contributed by franchisees for advertising are used to advertise for new franchisees.

See Item 6 for a description of your obligations to contribute to the NAF and cooperatives.

H. PCI Compliance.

We may enter into national or regional payment card arrangements with vendors. You must take all action to accept any national payment card (including, but not limited to, the Shell Master Card and the Shell Proprietary Cards) in accordance with our payment card arrangements.

ITEM 12: TERRITORY

A. Your territory.

As we mentioned in part D of Item 11 of this FDD, before you enter into a Franchise Agreement with us, we will negotiate the definition of an area within which you may locate a site for your service center. We will describe this area in the New Construction Addendum to the Franchise Agreement. If you do not locate a site or build a service center within the time provided in the New Construction Addendum, we can terminate the New Construction Addendum and Franchise Agreement and sell a franchise in that area to any other prospective franchisee. Other franchisees can then develop a service center at any location in that area (including locations you may have considered).

Once you locate and commit to develop a specific, approved site within the area defined in the New Construction Addendum to the Franchise Agreement, that site will be identified in the Rider to the New Construction Addendum to the Franchise Agreement, and after that, the area described in the New Construction Addendum has no more relevance to the Franchise Agreement.

Subject to any rights we have already granted to other franchisees, without your consent we will not (i) permit another franchisee to open a service center within three miles of your service center; or (ii) establish or operate a service center within three miles of your service center. Jiffy Lube can license another franchisee to open a service center or establish or operate a service center at any location outside of this three-mile ring. You will not have any rights of first refusal or similar rights to acquire a new franchise outside of this three-mile ring.

Under the Franchise Agreement, we do not have any obligation to let you replace a service center or open additional service centers. If you permanently closed a service center, however, with our consent, more than ten years before the expiration of the initial term of your Franchise Agreement, and if we have accepted the new Franchised Center as a replacement for such permanently closed service center (the “**Replacement Center**”), then we will have earned, and you will pay to us our replacement fee of \$12,500. A Replacement Center will exist if: (a) you are a Jiffy Lube franchisee, (b) we agree, in our sole discretion, that you may close an existing Jiffy Lube service center, and the franchise agreement for that service center had more than ten years remaining on its initial term (we are under no obligation to agree to this), (c) we have accepted the proposed Replacement Center as a replacement for the closed service center, (d) the proposed Replacement Center is within the same basic trade area (three mile radius) of the closed service center to be relocated, and (e) the proposed Replacement Center does not materially interfere with the trade area protected for another Service Center not operated by the Franchisee. Circumstances we would consider if you ask to replace a service center would include the demographic characteristics, traffic, and relative costs of the old and proposed new locations, along with other considerations. If we allow you to replace a service center under a Franchise Agreement, you must sign a new franchise agreement and/or any other required documents included in the addendums to the Pacesetter Franchise Agreement (which must be the then current form of the Pacesetter Franchise Agreement, which may include terms that differ substantially from the terms of the Franchise Agreement including, without limitation, requirements to

offer specified services, a higher advertising contribution, increased royalty fees, and the additions of other fees), with the term of the new franchise agreement modified to expire at the end of the term of your current Franchise Agreement. Under the Pacesetter Franchise Agreement, you must sign a New Construction Addendum or Conversion Addendum and pay the replacement fee on such signing.

Under the Franchise Agreement, we do not have any obligation to let you relocate a service center or open additional service centers. If you permanently closed a service center, however, with our consent, more than five years before the expiration of the initial term of your Franchise Agreement, and if we have accepted the new Franchised Center as a replacement for such permanently closed service center (the “**Relocated Center**”), then we will have earned, and you will pay to us our relocation fee of \$7,500. A Relocated Center will exist if: (a) you are a Jiffy Lube franchisee, (b) we agree that you may close an existing Jiffy Lube service center, and the franchise agreement for that service center had more than five years remaining on its initial term (we are under no obligation to agree to this), (c) we have accepted the proposed Relocated Center as a replacement for the closed service center, (d) the proposed Relocated Center is within the same basic trade area (three mile radius) of the closed service center to be relocated, and (e) the proposed Relocated Center does not interfere with the trade area protected for another Service Center not operated by the Franchisee. Circumstances we would consider if you ask to relocate a service center would include the demographic characteristics and relative costs of the old and proposed new locations, along with other considerations. If we allow you to relocate a service center under a Franchise Agreement, you must sign a new franchise agreement and/or any other required documents included in the addendums to the Pacesetter Franchise Agreement (which must be the then-current form of the Pacesetter Franchise Agreement, which may include terms that differ substantially from the terms of the Franchise Agreement including, without limitation, requirements to offer specified services, a higher advertising contribution, increased royalty fees, and the additions of other fees), with the term of the new franchise agreement modified to expire at the end of the term of your current Franchise Agreement. Under the Pacesetter Franchise Agreement, you must sign a New Construction Addendum or Conversion Addendum and pay the relocation fee on such signing.

We reserve the right to establish company-owned service centers outside of any territory granted to you. We reserve the right to develop businesses other than the System, other businesses using the Marks, and conduct activities (including, without limitation, advertising under the Marks) other than the operation and franchising of service centers and to use any trademark, service mark or trade name in connection with those other businesses, both within and outside the three-mile ring and regardless of the economic effect on you, all without granting you any right to use those other business formats, service marks, trademarks or trade names.

As noted in Item 1, in very limited instances we may negotiate an area development agreement. We anticipate that this area development agreement will grant the right to sign multiple franchise agreements for the establishment of service centers in a designated area and that we will agree not to grant others the right to establish service centers in the area during the term of the agreement. As of the date of this FDD, we do not have a standard or sample form of an area development agreement.

B. Other outlets under other trademarks.

SOPUS Products sells Shell[®], Pennzoil[®], Quaker State[®] brand motor oils, greases, transmission fluids, filters and other products to some of our franchised centers, and to other customers, including some that compete with our service centers.

As we mentioned in Item 1, SOPUS Products has licensed, and plans to continue to license, its “Pennzoil 10-Minute Oil Change[®]” trademark and the Shell Rapid Lube[®] trademark to operators of quick lube centers. Under the Product Supply Agreement and the Product Supply Franchise Agreement, SOPUS Products will not (a) authorize any new “Pennzoil 10-Minute Oil Change” signs within a two mile radius

of your service center (except to replace a sign installed before you executed your Product Supply Agreement), or (b) extend major financing to any free-standing quick lube center located within one mile of your service center. (As used in the Product Supply Agreement, “major financing” is defined to include financing substantially in excess of that generally offered by marketers of Castrol®, Valvoline® or other major brands of oil in order to obtain the borrower’s commitment to purchase that marketer’s brand of oil). The Product Supply Agreement does not restrict SOPUS Products’ ability to authorize its customers to display other signs related to the Pennzoil®, Quaker State® or Shell® brands, no matter how close to your service center.

We do not have any policy or procedure for resolving “conflicts” over territory or customers between service centers, on the one hand, and SOPUS Products or Shell customers operating under other trade names, on the other.

C. Modification of your territory.

The continuation of your territorial exclusivity does not depend on the achievement of any particular sales volume, market penetration, or other contingency.

The territorial protection you get from SOPUS Products under the Product Supply Agreement does not depend on SOPUS Products’ continued ownership or control of us and depends on the continuation of that agreement.

You can, of course, agree to modify your territorial protection. For example, you may apply for a new franchise within your exclusive area. (We have no obligation to grant you a new franchise inside or outside of your exclusive territory.)

ITEM 13: TRADEMARKS

A. Principal trademarks.

Under the Franchise Agreement, Jiffy Lube will grant you the non-exclusive right to use the trademarks (“**Marks**”) described in this Item and the trade name “Jiffy Lube” in connection with the franchised business. However, you are not permitted to use the name “Jiffy Lube” (or any confusingly similar name) as part of your corporation’s or partnership’s name or as a part of any internet domain name or user or account name. When you are contemplating any use of the Marks, you must consult Section 3 of the Franchise Agreement.

Even though you will have the limited right to use these Marks, Jiffy Lube will continue to own all of the goodwill associated with these marks and the Jiffy Lube franchise system. The following trademarks are registered on the Principal Register of the United States Patent and Trademark Office (“**USPTO**”) or have applications pending on the Principal Register of the USPTO:

All trademark registrations and applications that are still in use have been and will continue to be maintained in a timely manner. Those of the above Marks that are not registered on the Principal Register of the USPTO do not have as many of the legal benefits and rights as a federally registered mark. If our right to use one or more of the Marks is challenged, you may have to change to an alternative mark upon request, which may increase your expenses.

B. Litigation involving our trademarks.

There are no currently effective adverse determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court involving the Marks identified above. There are no pending claims regarding infringement, opposition or cancellation of these Marks. There is no pending litigation involving the Marks that would significantly affect their ownership or use.

C. Agreements affecting use of our trademarks.

There are no existing agreements that significantly limit rights to use or license the Marks listed above in a way that is material to the franchise described in this FDD.

D. Our obligations to protect your right to use our trademarks.

If you buy a franchise from us, you must notify us if anyone sues you claiming a right to use any of our Marks. We will hold you harmless from, and indemnify you against, all claims for trademark infringement arising out of your operation of a service center, provided that you notify us of the claim within thirty (30) days after you learn about it and we control the litigation in which the claim is made.

You must notify us of any use of these Marks (or any mark that is confusingly similar to them) by anyone other than Jiffy Lube or one of our franchisees. Jiffy Lube will determine what action to take in these situations on a case-by-case basis.

The Franchise Agreement gives Jiffy Lube the right to modify its Marks or substitute other marks and to require you to use the modified or substituted marks in your franchised business, but we will give you a transition period not to exceed two years to implement the changes.

E. Known superior rights to our Marks.

We are not aware of any superior prior rights to our Marks or infringing uses that could materially affect your use of Jiffy Lube's Marks.

ITEM 14: PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

No patents or copyrights are material to the franchise. However, we retain a copyright on the Jiffy Lube POS software described earlier.

We provide to our franchisees certain information we consider proprietary and confidential, including, but not limited to, our Policies & Procedures Manual, the User Manual for the POS System, and several training manuals, all of which describe our standard operating procedures, and all of which we claim copyright right to, and which are also subject to copyright protection. While these documents are loaned to you, they remain the property of Jiffy Lube and you agree to return all such property at the termination of your franchise.

If you buy a franchise from us, you must treat each of these manuals and any other manuals we may develop for the use of our franchisees and company-operated centers as proprietary and confidential. You cannot make any copies of any part of these manuals without Jiffy Lube's prior express written consent, other than to print out one copy of the electronic version for use in your service center.

In addition to your obligation to protect the confidentiality of these manuals and the information contained in them, during the term of the Franchise Agreement, you will learn trade secrets, confidential information, know-how, sales formulae, customer lists, business plans, organizational and operational methods and other proprietary information concerning our methods of doing business and operating a service center. You must keep this information confidential as well and must inform any employee required to receive this information (your service center managers, for example) that it is confidential information. You are entitled to use any confidential information only as permitted in your Franchise Agreement.

ITEM 15: OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

The service center must be under your personal supervision, or under the personal supervision of a manager who has successfully completed our operations training course. If you choose and are approved to offer Jiffy Lube Multicare, you are also required to have at least one technician who has achieved an ASE A5 certification for every one to five stores in your entity group. This requirement means that you or your manager must be present at, or immediately available to, the service center during opening, closing, and peak business hours; during regular inspection of the service center to ensure the highest standards of cleanliness and general appearance; and in providing assistance in training employees. If the franchise will be owned by a corporation, an officer may be required to attend any announced inspection of your service center.

As is noted in Item 14 of this FDD, your managers must also maintain the confidentiality of proprietary information.

As is noted in part F of Item 11 of this FDD, if the franchisee is a corporation, in addition to having your managers trained, your officers who are responsible for operation of the service center must also complete the operations training course. You, if you are an individual, and your officers, directors and stockholders if you are a corporation, may be required to sign separate covenants in which they agree not to compete with us or our franchisees during the term of the Franchise Agreement and after it is terminated.

In certain cases, we may require that a corporate franchisee's obligations under the Franchise Agreement be guaranteed by all of its stockholders.

ITEM 16: RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Our franchisees cannot sell or offer to perform any product or services that, in our judgment, would detract from the Jiffy Lube® concept. That is, you cannot offer major engine overhauls, transmission overhauls, muffler installation, automobile painting, or any other services that are not related to the services approved by Jiffy Lube at your service center. You cannot sell or offer to perform a lube-only service, or a lube-oil-filter only service, or an oil and filter only service other than as approved under the VOCP service which is solely for local fleet customers. You cannot sell any automobile parts or supplies that are not related to the services we offer, or any non-automobile related products or services, unless the parts or supplies or products or services are approved by us. You have to offer certain basic services as we may designate (for example, you must offer Jiffy Lube Signature Service®), but you do not have to provide all the services we authorize.

Approved services are identified in our Policies & Procedures Manual. At times, we may make exceptions to this blanket prohibition (for example, to permit testing of a proposed new service), but we will make those exceptions subject to conditions we believe to be necessary to protect the image of our franchise system.

At this time, we do not have any restrictions regarding the customers with whom you may deal.

ITEM 18: PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19: FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the FDD. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet that you are considering buying; or (2) a franchisor supplements the information provided in Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

On your reasonable request, we will make available written substantiation of the data used in preparing the following information.

This Item 19 sets forth certain historical data. The following tables show sales and vehicle counts of franchised stores for each of the full 2023, 2022, and 2021 calendar years. All franchised service centers which were open for 12 full months in each respective year are included in the tables below. Certain of

the franchised service centers participated in optional programs, such as the Jiffy Lube Brakes & Services program and the extended automotive repair and maintenance services program.

The sales reported is Gross Sales, which means all receipts for goods and services sold in the ordinary course of business, excluding sales tax, coupons, discounts, proceeds of sales of recovered materials and amounts refunded to customers. This number is the basis for payment of royalty fees. Vehicle count reported is the total number of separate customer transactions experienced by a store. Although a store may have serviced the same vehicle on multiple occasions during the calendar year, each occasion would be reported as one vehicle. All data for all stores is reported daily through a point of sale computer system. These figures have not been audited, although we believe them to be reliable.

The Sales Tables and Vehicles Count Tables are broken into four quartiles. Each quartile displays ranges of “High,” “Average,” “Low,” and “Median” annual Gross Sales vehicle counts, and the number and percentage of franchised service centers that exceeded the average in each quartile. The total system is also displayed with the ranges of High, Average, Low and Median for each and the percentage of service centers that exceeded the average.

For purposes of this Item 19, “**Net Adjusted Sales**” are calculated as Gross Sales minus promotions, warranty, non-royalty income, and any national billed fleet discounts.

Some outlets have earned this amount. Your individual results may differ. There is no assurance that you’ll earn as much.

NEW STORE HISTORY

Except as described below, the following tables describe sales and vehicle counts of all new service centers established in each of the, 2021, 2022 and 2023 calendar years. A new service center is a service center that is newly constructed, and not converted from a pre-existing service center or similar automotive service business. The first horizontal set of figures in each chart (which provide information for each of , 2021, 2022 and 2023) describes new service centers which had their first full year of operations in 2021. The second horizontal set of figures in each chart (which provide information for each of 2022 and 2023) describes new service centers which had their first full year of operations in 2022. The third horizontal set of figures in each chart (which provide information for 2023) describes new service centers which had their first full year of operations in 2023. The charts provide sales and vehicle information only for those new service centers which were in operation for all of a particular calendar year.

JIFFY LUBE MULTICARE

Beginning in 2014, Jiffy Lube began offering Brakes and Services. This was followed by the deployment of a new store layout to support the implementation of the full Jiffy Lube Multicare business model. The new store layout features a minimum of four bays, an expanded service offering, and enhanced customer lounges. Some of the expanded services include repairs such as brakes, suspension, spark plugs and tires. Stores adopting the Jiffy Lube Multicare model have shown that these additional services added to existing quick lube services yielded an increase in store sales versus our unit average. The 2023 financial metrics measured from these stores are provided below.

If a store has been open for the full 12 months of any one-year period, the sales amount used in the calculation of the average net adjusted sales in the above chart is the store's actual sales for the store.

If a store has been open for less than a full 12 months of any one-year period, the sales amount used in the calculation of the average net adjusted sales in the above chart is derived by subtracting sales from the first month the store was open from total sales, dividing the remaining number of full months the store was open, multiplied by twelve.

Report of Independent Auditors

The Board of Directors
Shell USA, Inc. and subsidiaries

Opinion

We have audited the consolidated financial statements of Shell USA, Inc. and subsidiaries (the Company), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, and the related consolidated statements of operations and other comprehensive income/(loss), and cash flows for each of the three years in the period ended December 31, 2023, and the related notes (collectively referred to as the “financial statements”).

In our opinion, based on our audits and the report of the other auditors, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2023 and 2022, and the results of its operations and its cash flows for the three years in the period ended December 31, 2023 in accordance with accounting principles generally accepted in the United States of America.

We did not audit the combined financial statements of Aera Energy LLC, an entity in which the Company had a 51.8% interest, and Aera Energy Services Company, an entity in which the Company has a 50.0% interest (collectively “Aera”) as of and for the year ended December 31, 2021. In the financial statements, the Company’s investment in Aera was stated at \$1,695 million as of December 31, 2021, and the Company’s equity in the net income of Aera was stated at \$169 million and (\$516) million for each of the two years in the period ended December 31, 2021. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for Aera, is based solely on the report of the other auditors.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

I. Business Description and Summary of Significant Accounting Policies

Shell USA, Inc. is wholly owned by Shell Petroleum Inc. (SPI), a Delaware corporation, whose shares are indirectly owned 100% by Shell plc (formerly Royal Dutch Shell plc), the parent company. References to "Shell plc" or "Shell" refer collectively to Shell plc and its consolidated subsidiaries.

The Company and its subsidiaries organize their activities through different businesses.

The business also includes the pipeline business, trading of crude oil, oil products and petrochemicals.

The Marketing business comprises the Mobility, Lubricants, and Sectors & Decarbonisation businesses. The Mobility business operates the Company's retail network including electric vehicle charging services. The Lubricants business produces, markets and sells lubricants for road transport, and machinery used in manufacturing, mining, power generation, agriculture and construction. The Sectors & Decarbonisation business sells fuels, specialty products and services including low-carbon energy solutions to a broad range of commercial customers including the aviation, marine, construction and roads, and agricultural sectors.

The Renewables and Energy Solutions business includes renewable power generation, the marketing and trading and optimisation of power and pipeline gas, as well as carbon credits, and digitally enabled customer solutions. The business also includes production and marketing of hydrogen, development of commercial carbon capture and storage hubs, investment in nature-based projects that avoid or reduce carbon emissions.

The Corporate business covers the non-operating activities supporting the Company.

The Company's major accounting policies are presented below to assist the reader in evaluating the Company's consolidated financial statements and disclosures contained in this report.

Basis of Presentation

The consolidated financial statements are prepared under generally accepted accounting principles in the United States (U.S. GAAP). The Company's reporting currency is U.S. dollars. All references to dollars refer to U.S. dollars.

Principles of Consolidation

The consolidated financial statements include the accounts of Shell USA, Inc. and subsidiaries in which the Company directly or indirectly owns more than a 50% voting interest, has the right to exercise a controlling influence, or has the right to obtain the majority of the benefits and be exposed to the majority of the risks.

Investments in entities in which the Company has a significant ownership interest, generally 20% to 50%, and in entities where the Company has greater than 50% ownership but as a result of contractual agreement or otherwise does not exercise control are accounted for using the equity method. Intercompany accounts and transactions are eliminated. Where the Company has transactions involving the purchase or sale of assets with other Shell plc

Shell USA, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

companies, any differences between the sales price and book values resulting from such transactions are recorded as an increase or decrease to earnings reinvested, rather than reflected as a gain or loss in the consolidated statements of operations. In cases where these types of acquisitions/disposals are considered acquisitions/disposals of businesses under common control, the consolidated financial statements are retrospectively adjusted.

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates. Management believes the estimates are reasonable.

Revenue Recognition

Revenue from sales of oil, natural gas, chemicals and other products is recognized at the transaction price to which the Company expects to be entitled, after deducting sales taxes, excise duties and similar levies. For contracts that contain separate performance obligations the transaction price is allocated to those separate performance obligations by reference to their relative standalone selling prices.

Revenue is recognized when control of the products has been transferred to the customer. For sales by Integrated Gas and Upstream operations, revenue is recognized when the product is physically transferred into a vessel, pipe or other delivery mechanism: for sales by refining operations, it is either when the product is placed onboard a vessel or offloaded from the vessel, depending on the contractually agreed terms; and for sales of oil products and chemicals, it is either at the point of delivery or the point of receipt, depending on contractual conditions.

Gains and losses on derivative contracts and the revenue and costs associated with other contracts that are classified as held for trading purposes are reported on a net basis in the consolidated statements of operations. Purchases and sales of hydrocarbons under exchange contracts that are necessary to obtain or reposition feedstocks for refinery operations are presented net in the consolidated statements of operations.

For all performance obligations, payment is typically due in full within 30-60 days of the invoice date.

Cash and Cash Equivalents

Cash and cash equivalents consist of highly liquid investments that are readily convertible into cash and have a maturity of three months or less at date of acquisition. The Company places its cash and cash equivalents with federally insured financial institutions. At times, such balances with financial institutions may be in excess of federally insured limits.

Inventories

Inventories of oils, chemicals, and refined products are valued at the lower of cost or market, predominantly reported on a last-in, first-out (LIFO) basis, and include certain costs directly related to the production process. Natural gas, lubricant, carbon and non-carbon emission inventory and catalyst inventories are valued at the lower of cost on a first-in, first-out (FIFO)

Shell USA, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

basis or net realizable value. Materials and supplies are carried at lower of cost or net realizable value.

Income Taxes

The Company utilizes an asset and liability approach that requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of temporary differences between the carrying amounts and the tax bases of other assets and liabilities.

The U.S. Tax Cuts and Jobs Act (the Tax Reform Act) subjects a U.S. shareholder to current tax on certain earnings of foreign subsidiaries under a provision commonly known as Global Intangible Low-Taxed Income (GILTI). Under U.S. GAAP, an accounting policy election can be made to either recognize deferred taxes for temporary basis differences expected to reverse as GILTI in future years, or to provide for the tax expense related to GILTI in the year the tax is incurred as a period expense only. The Company has elected to account for GILTI in the year the tax is incurred.

Property, Plant and Equipment

Property, plant and equipment are initially recorded in the consolidated balance sheets at cost where it is probable that they will generate future economic benefits. This includes the capitalization of costs associated with asset retirement obligations. Accounting for exploration costs is described separately below (Exploration and Development). Interest is capitalized, as an increase in property, plant, and equipment, on major capital projects during construction. Property, plant and equipment are subsequently recognized at cost less accumulated depreciation (including any impairment) on the consolidated balance sheets.

Exploration and Development

Hydrocarbon exploration costs are accounted for under the successful efforts method: exploration costs are recognized in the consolidated statement of operations when incurred, except that exploratory drilling costs, are included in property, plant and equipment pending determination of proved reserves. Exploration costs capitalized in respect of exploration wells that are more than 12 months old are written off unless (a) proved reserves are booked; or (b) commercially producible quantities of reserves are found and these are subject to further exploration or appraisal activity in that either drilling of additional exploratory wells is under way or firmly planned for the near future or other activities are being undertaken to sufficiently progress the assessing of reserves and the economic and operating viability of the project.

Depreciation, Depletion and Amortization

Property, plant and equipment related to hydrocarbon production activities are depreciated on a unit-of-production basis over the proved developed reserves of the field concerned, other than assets whose useful lives differ from the lifetime of the field and are depreciated using the straight-line method. However, for certain upstream assets, other approaches are applied to determine the reserves base for the purpose of calculating depreciation, such as using management's expectations of future oil and gas prices rather than yearly average prices, to provide a phasing of periodic depreciation charges that more appropriately reflects the expected utilization of the assets concerned. Acquisition costs of unproved properties are assessed for impairment at least annually and transferred to proved oil and gas properties to the extent these costs are associated with successful exploration activities based on the Company's current exploration plans. Other plant and equipment is depreciated on a straight-

Shell USA, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

line basis over their estimated useful lives, which is generally 20 years for refineries and chemical plants, and 18 to 22 years for power plants. Major inspection costs are amortized over 3 to 5 years based on the estimated period before the next planned major inspection. Expenditures for routine maintenance and repairs are expensed as incurred.

Intangible Assets and Goodwill

Intangible assets are separately identified from goodwill and their useful lives are assessed annually. Amortization of intangible assets occurs over the estimated useful life of the intangibles. Goodwill is allocated to the Company's reporting units, is not amortized, and is assessed for impairment at least annually by comparing the fair value of a reporting unit with its carrying amount.

Impairment of Assets

Other than goodwill and properties with no proved reserves (where the basis for carrying costs on the balance sheets is explained under depreciation, depletion and amortization), the carrying amounts of major exploration and production fixed assets are reviewed for impairment indicators quarterly, while all assets are reviewed whenever events or changes in circumstances indicate that the carrying value for those assets may not be recoverable. If assets are determined to be impaired, the carrying value of those assets is written down to fair value. For investments, a loss in the value of the investment that is other than temporary will be recognized in the period it is identified. Assets held for sale are written down to fair value less costs to sell.

Assets are grouped into reporting unit based on separately identifiable and largely independent cash flows. Estimates of future cash flows used in the evaluation of impairment of assets are made using management's forecasts of commodity prices, market supply and demand, potential costs associated with operational greenhouse gas (GHG) emissions, mainly related to CO₂, and forecast product and refining margins. In addition, management takes into consideration the expected useful lives of the manufacturing facilities, exploration and production assets, and expected production volumes. The latter takes into account assessments of field and reservoir performance and includes expectations about both proved reserves and volumes that are expected to constitute proved reserves in the future (unproved volumes), which are risk-weighted utilizing geological, production, recovery and economic projections. Cash flow projections are based on management's most recent operating plan that represents management's best estimate and are risked as appropriate.

Leases

The Company determines if an arrangement is or contains a lease at inception by evaluating whether the contract conveys the right to control the use of identified property, plant, or equipment (an identified asset) for a period of time in exchange for consideration. Leases are classified as either finance leases or operating leases under ASC 842, Leases. A lease is classified as a finance lease if any one of the following criteria are met: the lease transfers ownership of the asset by the end of the lease term, the lease contains an option to purchase the asset that is reasonably certain to be exercised, the lease term is for a major part of the remaining useful life of the asset, or the present value of the lease payments equals or exceeds substantially all of the fair value of the asset. A lease is classified as an operating lease if it does not meet any one of these criteria. The lease classification affects the expense recognition in the consolidated statements of operations. Operating lease costs are recorded entirely in operating expenses. Finance lease costs are split with the amortization of the right-of-use (ROU) asset

Shell USA, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

being recorded as operating expense and the implied interest component being recorded as interest expense.

Operating leases (as lessee) are included in (a) operating lease right-of-use assets, which represent the Company's right to use an identified asset for the lease term, and (b) current operating lease liabilities and non-current operating lease liabilities, which represent the Company's obligation to make payments as set forth in the lease arrangement, in the Company's consolidated balance sheets.

ROU assets and lease liabilities are recognized as operating or finance leases at the commencement date based on the present value of the future minimum lease payments over the lease term. The ROU asset includes any lease payments made but excludes lease incentives and initial direct costs incurred, if any. Variable lease payments that vary because of changes in facts or circumstances after the commencement date of the lease are not included in the minimum lease payments used to measure lease obligations. For lease agreements with lease and non-lease components, the Company generally accounts for each lease components separately from the non-lease components and exclude all non-lease components from the calculation of minimum lease payments in measuring the ROU asset and lease liability. Finance lease expense is recognized as amortization of the ROU asset and interest expense on the lease liability. Operating lease expense for minimum lease payments is recognized on a straight-line basis over the lease term. For any lease modification, the Company will generally reassess the lease classification, remeasure the related lease liability using an updated discount rate, and adjust the related ROU asset under the lease modification guidance under ASC 842.

As most of its leases do not provide an implicit interest rate, the Company uses its incremental borrowing rate (IBR) based on the information available at the commencement date in determining the present value of future payments. The Company estimates an IBR for each lease agreement, taking into consideration the lease contract term, collateral, and entity credit ratings, and utilizes sensitivity analyses to evaluate the reasonableness of the rates determined.

The Company's leases may or may not have options to either extend or terminate the lease. In determining the lease term, the Company considered all available contract extensions that are reasonably certain of occurring.

Leases with an initial term of 12 months or less are not recorded on the consolidated balance sheet as permitted under ASC 842. The Company recognizes lease cost for short-term leases on a straight-line basis over the term of the lease.

Accounts Receivable - Third Parties

Accounts receivable are shown on the consolidated balance sheets net of an allowance for credit losses. The Company adopted *ASU 2016-13 to Topic 326, Financial Instruments - Credit Losses: Measurement of Credit Losses on Financial Instruments*, with a method that reflects current expected credit losses on financial instruments. The measurement of current expected credit losses under the new guidance is applicable to financial assets measured at amortized cost, including third-party trade receivables. The Company uses a provision matrix to calculate current expected credit losses. This provision matrix is based on the Company's historical observed default rates adjusted with forward looking information. If all efforts at collection are unsuccessful, the account will be deemed uncollectible and written off.

Accounts receivable - third parties also include accounts receivable and accounts payable related to Shell Energy North America (US), L.P (SENA, a wholly-owned subsidiary of the

Shell USA, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

Company) trading activities with third parties. Some of these receivables and payables with individual counterparties are subject to master netting arrangements whereby the Company has a right to offset and settles the balances net. Such balances are presented net within accounts receivable - third parties on the consolidated balance sheets. The Company also provides financing to certain counterparties and records interest income related to these receivables using the effective interest method over the term of the loan. The Company uses a provision matrix to calculate current expected credit losses. This provision matrix is based on the Company's historical observed default rates adjusted with forward looking information.

Risk Management Activities

SENA engages in risk management activities for trading and marketing purposes. Derivative instruments are recorded at fair value, unless they satisfy criteria for, and we elect, the normal purchase normal sales exception. Derivative instruments recorded at fair value are presented net by counterparty, where a legal right of offset exists, as assets and liabilities from risk management activities on the consolidated balance sheets. Derivative assets and liabilities are classified as current and long term, based on the period in which they are expected to settle. Unrealized gains and losses associated with contract restructurings and the impact of price movements are recorded in net trading revenue in the period of occurrence. Changes in assets and liabilities from risk management activities result primarily from changes in the valuation of the portfolio of contracts, newly originated transactions and the timing of settlement of certain contracts.

Fair Value

Fair value measurements are estimates of the amounts for which assets or liabilities could be transferred at the measurement date, based on the assumption that such transfers take place between participants in principal markets and, where applicable, taking highest and best use into account. Where available, fair value measurements are derived from prices quoted in active markets for identical assets or liabilities. In the absence of such information, other observable inputs are used to estimate fair value. Inputs derived from external sources are corroborated or otherwise verified, as appropriate. In the absence of publicly available information, fair value is determined using estimation techniques that take into account market perspectives relevant to the asset or liability, in so far as they can reasonably be ascertained, based on predominantly unobservable inputs. For derivative contracts where publicly available information is not available, fair value estimations are generally determined using models and other valuation methods, the key inputs for which include future prices, volatility, price correlation, counterparty non-performance risk, and market liquidity, as appropriate; for other assets and liabilities, fair value estimations are generally based on the net present value of expected future cash flows. The senior leadership team of SENA approves risk management policies and objectives for risk assessment, control and valuation, counterparty credit approval, and the monitoring and reporting of risk exposures.

Concentration of Credit Risk

The Company places its cash with federally insured financial institutions and other Shell plc companies. At times, such balances with financial institutions may be in excess of federally insured limits. The majority of the Company's accounts receivable - third parties is from banks, financial institutions, and customers within the energy industry and is heavily impacted by the underlying price volatility of energy commodities and related products. Collectability is dependent upon the general financial condition of the counterparties, the underlying economic conditions of their specific industries, and their ability to absorb energy price volatility. To lessen its exposure to credit risk, the Company's trading business requires collateral margin deposits

Shell USA, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

from certain customers and enters into master netting agreements to allow the netting of offsetting exposures with the same customer.

Environmental Costs

Environmental costs relating to current operations are expensed. Liabilities are recognized when the costs are considered probable and can be reasonably estimated. Measurement of liabilities is site-specific, based on currently enacted laws and regulations and existing technology and discounted at the rate of 4.50% and 3.25% as of December 31, 2023 and 2022, respectively. Environmental liabilities in connection with sold or closed properties are recognized upon such sale or closure, to the extent they are probable and estimable and not previously reserved. In assessing environmental liabilities, no set-off is made for potential insurance recoveries. Recognition of any joint and several liability is based upon the Company's best estimate of its final pro rata share of the liability. All liabilities are monitored and adjusted regularly as indicated by new facts or changes in law or technology.

Asset Retirement Obligations

Asset retirement obligations (ARO), which arise principally in connection with hydrocarbon production facilities, oil products manufacturing facilities and pipelines, are measured on the basis of current requirements, technology and price levels; the present value is calculated using amounts discounted over the useful economic life of the assets. The liability is recognized (together with a corresponding amount as part of the related property, plant and equipment) once a legal or constructive obligation arises to dismantle an item of property, plant and equipment and to restore the site on which it is located and when a reasonable estimate can be made. The effects of changes resulting from revisions to the timing or the amount of the original estimate of the provision are reflected on a prospective basis, generally by adjustment to the carrying amount of the related property, plant and equipment. However, where there is no related asset, or the change reduces the carrying amount to zero, the effect, or the amount in excess of the reduction in the related asset to zero, is recognized in the consolidated statements of operations. The Company reviews its energy and chemical parks on a regular basis to determine whether any changes in assumptions, including expected life, trigger the need to recognize an ARO.

Currency Translation

The dollar equivalents of exchange gains and losses arising as a result of foreign currency transactions are included in the consolidated statements of operations. Upon consolidation, assets and liabilities of subsidiaries with non-U.S. dollar functional currencies are translated to U.S. dollars at year-end rates of exchange, while their statements of operations and cash flows are translated at quarterly average rates. The resulting translation differences are taken directly to other comprehensive income/(loss) line on the consolidated balance sheets. Upon divestment or liquidation of an entity, cumulative currency translation differences related to that entity are included in the consolidated statements of operations.

Recent Accounting Pronouncements

Standards Adopted

In June 2016, the FASB issued ASU 2016-13 to *Topic 326, Financial Instruments - Credit Losses: Measurement of Credit Losses on Financial Instruments*, which replaces the current incurred loss impairment method with a method that reflects current expected credit losses on financial

Shell USA, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

instruments. The measurement of current expected credit losses under the new guidance is applicable to financial assets measured at amortized cost, including third-party trade receivables.

In January 2017, the FASB issued ASU 2017-04 to *Topic 350, Intangibles - Goodwill and Other*, which eliminates the second step in goodwill impairment test which reduces the cost and complexity of evaluating goodwill for impairment.

The Company adopted these new standards effective January 1, 2023 and do not have material impact on its consolidated financial statements.

Standards Not Yet Adopted

In December 2021, the FASB issued, ASU 2021-08, Business Combinations (Topic 805): Accounting for Contract Assets and Contract Liabilities from Contracts with Customers, which provides that an acquirer applies Accounting Standard Codification ("ASC") Topic 606, Revenue from Contracts with Customers, to recognize and measure contract assets and contract liabilities on the acquisition date in a business combination. The guidance clarifies that companies should apply the definition of a performance obligation in ASC 606 when recognizing contract liabilities assumed in a business combination. The amendment will be effective for the Company in the fiscal year 2024.

2. Fair Market Value

Fair Market Value - Recurring

The Company engages in risk management activities by entering into derivative instruments to manage commodity price risk, primarily natural gas and power, through its subsidiary, SENA. The Company accounts for such derivative trading activity on a mark-to-market basis, net of future physical delivery cost. Under the mark-to-market method of accounting, the derivative commodity instruments with third parties are reflected at fair value.

The Company is required to provide information according to the fair value hierarchy, which ranks the quality and reliability of the information used to determine fair values. Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Company's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels. The Company's fair value measurement techniques incorporate various valuation approaches, including market and income approaches. Financial assets and liabilities carried at fair value are classified and disclosed in one of the following three categories:

- Level 1 - Fair value is based on unadjusted quoted prices for assets or liabilities in active markets. Active markets are those in which transactions for the asset or liability occur in sufficient frequency and volume to provide pricing information on an ongoing basis. Level 1 consists of natural gas and power exchange-traded futures contracts.
- Level 2 - Fair value is based on quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the assets or liabilities, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term. The fair values for Level 2

Shell USA, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

assets or liabilities are generally obtained from third-party broker quotes, independent pricing services, and exchanges. Level 2 primarily consists of physical commodity contracts qualifying as derivatives and over-the-counter financial swaps.

- Level 3 - Fair value is based on unobservable inputs that are significant to the fair value measurement. Level 3 fair value primarily consists of long-term physical commodity contracts qualifying as derivatives where a significant portion of the term of the contract extends beyond the period where there are observable quoted prices or options where the volatility inputs are not observable for the full term of the contract. At each consolidated balance sheet date, SENA analyzes all instruments subject to fair value measurement and includes in Level 3 all of those instruments whose fair value is based on significant unobservable inputs. In cases where there is no corroborative market information obtainable to support significant model inputs, the transaction price is used as the best estimate of fair value.

The following tables summarize the significant unobservable inputs used in the fair value measurement of Level 3 financial assets and liabilities at December 31:

The following sets forth a reconciliation of the changes in fair value of trading derivatives classified as Level 3:

	2023	2022	2021
Balance at January 1	\$ 2,054	\$ 387	\$ 661

Transfers out of Level 3	11	(2)	(8)
Balance at December 31	\$ 1,953	\$ 2,054	\$ 387

Gains and losses (realized and unrealized) from Level 3 trading derivatives are included in sales and other operating revenue on the consolidated statements of operations. Trading derivatives are generally economically hedged as a portfolio across all hierarchy levels. As such, gains or losses associated with Level 3 instruments may not reflect trends occurring in the underlying business.

Accordingly, gains and losses (realized and unrealized) from Level 3 instruments often are offset by gains and losses (realized and unrealized) on instruments classified in Levels 1 and 2. The Company transfers amounts among levels of the fair value hierarchy as of the end of each period. Transfers into Level 3 represent existing assets or liabilities that were previously categorized at a higher level for which the inputs to the Company's models became

Shell USA, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

unobservable. Transfers out of Level 3 represent existing assets or liabilities that were previously classified as Level 3 for which the inputs became observable in accordance with the Company's hierarchy policy. No significant transfers between Level 1 and Level 2 occurred during the years ended December 31, 2023 or 2022.

Fair Market Value - Non-Recurring

Assets are measured at fair value on a non-recurring basis when an impairment is recognized for the assets. Long-lived assets held and used and held for sale are composed of property, plant, and equipment and intangible assets. Level 3 fair values are calculated based on the inputs that are unobservable to other market participants and reflect the Company's own assumptions about the inputs market participants would use in pricing the assets and liabilities developed based on the best information available under the circumstances using internal cash flow models and employed assumptions and discount rates consistent with those the Company uses to evaluate assets of a similar nature.

During 2023, following the annual impairment review, certain Company's property, plant, and equipment in upstream business has been impaired. The fair value was determined using the latest projected cash flow. Projected cash flow projections used in the determination of level 3 fair value were made using management's forecasts of commodity prices, market supply and demand and expected production volumes. The difference in the carrying value and the fair value resulted to a pre-tax impairment of \$873 million and was recognized in the asset impairment and write-offs in the consolidated statement of operations.

Also for the same year, certain intangible assets in the Company's renewables business has been impaired following the Company's annual impairment review. The fair value was determined using the cash flow based on specific outcome and development, with probability weighting, of the renewables project. The difference in the carrying value and fair market value resulted to a pre-tax impairment of \$334 million was recognized in the asset impairment and write-offs in the consolidated statement of operations.

In 2022, there was no significant impairment on long-lived assets held and used and there were no material assets classified as held for sale.

During 2021, property, plant, and equipment assets related to Mobile Refinery and equity accounted investments related to Deer Park Refining Limited Partnership (DPRLP or Deer Park) with total carrying amount of \$904 million, were reclassified to assets held for sale in the consolidated balance sheets and were subsequently written down to fair value less costs to sell, resulting in a pre-tax impairment charge of \$712 million. (Refer to note 3, Significant Acquisitions, Divestments, and Restructurings, for further information.)

Also during 2021, property, plant and equipment assets held and used with carrying amounts of \$688 million were written down to their fair value of \$473 million, resulting in a pre-tax impairment charge of \$215 million. The primary reason for this impairment was due to write-off of certain non-producing leases. Cash flow projections used in the determination of fair value were made using management's forecasts of commodity prices, market supply and demand, and expected production volumes.

Credit Risk

Credit risk relates to the risk of loss that the Company would incur as a result of non-performance by counterparties pursuant to the terms of their contractual obligation. The Company maintains credit policies with regard to its counterparties that management believes significantly minimize overall credit risk. These policies include an evaluation of potential counterparties' financial condition (including credit rating), collateral requirements under certain circumstances, and the use of standardized agreements that allow for the netting of positive and negative exposures associated with a single counterparty. A concentration of counterparties may impact the Company's overall exposure to credit risk, either positively or negatively, in that the counterparties may be similarly affected by changes in economic, regulatory, or other conditions.

Certain SENA agreements contain credit-risk-related contingent features that are impacted by SENA's credit rating. If SENA's credit rating is downgraded, counterparties to derivative instruments could request additional collateral on derivative instruments in net liability positions. If SENA fell below investment grade, the credit-risk-related contingent features underlying these agreements would have required SENA to post an additional \$1,476 million and \$3,948 million of collateral for the years ended December 31, 2023 and 2022, respectively. The fair value of the derivatives in a net liability position with credit-risk contingent features is \$1,460 million and \$3,955 million for the years ended December 31, 2023 and 2022, respectively.

3. Acquisitions, Divestments, and Others

Landmark Acquisition

In June 2022, the Company completed the acquisition of 50% equity interest owned by Landmark Industries Holdings, LTD. (Landmark) in the equity accounted retail investment Texas Petroleum Group, LLC (TPG, a 50/50 joint venture between the Company and Landmark) for \$869 million. The Company, through SENA, has variable interests in several project-financing companies capitalized with a combination of debt and equity. The primary business of these companies is to develop, construct, and own power plant assets and sell the electrical output of the assets. These companies have entered into energy conversion agreements (ECAs) whereby SENA pays a monthly fee for the right to call the generating plant capacity, thereby allowing SENA to convert its gas into power to be sold by SENA, with the last ECA expiring in 2024. The Company has not provided financial or other support to these variable interest entities (VIEs) during the years ended December 31, 2023 or 2022, except for the monthly payments under the ECA.

The Company evaluated these VIEs and included consideration of the ability to control overall plant strategy. The approach to determining which entity holds the power and rights was based on powers held as of the reporting date. The primary beneficiary of a VIE is generally the party

Shell USA, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

that both: (1) has the power to make decisions that most significantly affect the economic performance of the VIE and (2) has the obligation to absorb losses or the right to receive benefits that in either case could potentially be significant to the VIE. Based on this analysis, the Company concluded that it does not have the power to direct the most significant activities nor hold the obligation to absorb losses and receive benefits of these VIEs. Therefore, the Company is not the primary beneficiary of these VIEs. The maximum exposure to loss as a result of its involvement with the VIEs is limited to the capacity payments of \$47 million and \$220 million as of December 31, 2023 and 2022, respectively.

At December 31, 2023 and 2022, the Company has \$47 million and \$220 million, respectively in finance lease obligations related to these VIEs, with interest rates ranging from 6.91% to 8.60% at December 31, 2023 and 2022. The finance lease obligation represents the present value of minimum lease payments that the Company must pay to these entities. The maturity for this lease is in 2024, coinciding with the capacity payment schedules for each ECA contract.

At December 31, 2023 and 2022, the remaining finance leases of \$570 million and \$582 million, respectively are leases of plant and machinery and related assets.

8. Derivatives

The Company offers price risk management services in connection with its energy trading activities, primarily through its subsidiary, SENA. These services are provided through a variety of financial instruments and other energy trading contracts, including forward contracts, which commit SENA to purchase or sell energy commodities in the future; swap agreements, which require payments to (or receipt of payments from) counterparties based on the differential between a fixed and variable price for the commodity, options, futures contracts and other contractual arrangements. Foreign exchange (FX) risk associated with the fair value of the energy commodities portfolio is managed using a variety of financial instruments.

The availability and use of these types of contracts allow SENA to manage its contractual commitments, manage its exposure relative to the volatility of market prices, and take advantage of selected arbitrage opportunities. SENA is also able to secure additional sources of physical supply or create additional markets for existing supply through the use of exchange-for-physical transactions allowed by the New York Mercantile Exchange. The management of these types of transactions is referred to herein as price risk management activities. Although SENA generally attempts to balance its physical and financial purchase and sale contracts in terms of quantities and contract performance, net open positions often exist or are established through the origination of new transactions and SENA's assessment of, and response to, changing market conditions. SENA will at times create a net open position or allow a net open position to continue when it believes, based upon market information, that future price movements will be consistent with its net open position.

To the extent that SENA has an open position, it is exposed to the risk that fluctuating market prices may adversely impact its financial position or results of operations. SENA has established trading policies and exposure limits that are monitored and reviewed by management on a daily basis to manage these exposures.

of 11 years. Biofuel certificates and renewable power certificates acquired for compliance purposes are recognized at cost as intangible assets. These certificates are not amortized, however, will be derecognized once remitted and when the corresponding emissions liability is settled. Customer relationships mostly consist of intangibles recognized during the separation of assets, liabilities and businesses of Motiva Enterprises LLC in 2017 and relate to the future benefits associated with branded and unbranded Retail and Distribution Company contracts. Customer relationships are amortized over 15 years. Development assets are primarily related to development pipeline and are amortized for 35 years. Capitalized software is amortized over an estimated useful life ranging from three to five years.

The Company's amortization expense for the next five years is expected to be as follows: 2024 - \$158 million, 2025 - \$149 million, 2026 - \$144 million, 2027 - \$137 million and 2028 - \$103 million.

The following are the balances for each class of intangibles for the years ended December 31:

12. Goodwill

Goodwill is assessed for impairment annually or more frequently when events or changes in circumstances indicate that the carrying value of a reporting unit more likely than not exceeds its fair value. Fair values are based on risk-adjusted future cash flows and third party valuation. There was a \$375 million goodwill impairment in 2023 as a result of annual impairment review and it is primarily coming from the renewables business, \$89 million was recognized in 2022, and nil in 2021. These impairments are recognized in asset impairments and write-offs in the consolidated statement of operations.

The changes in the carrying amount of goodwill for the years ended December 31 are as follows:

	2023	2022
Goodwill	\$ 4,721	\$ 4,658

14. Employee Benefits

Plan Amendment

Effective January 1, 2022, the Shell Medicare Complimentary plan was closed to new participants, resulting in a decrease in benefit obligation of \$115 million for other postretirement benefit plans. This is included in benefit obligation as a plan amendment and other comprehensive income (loss) as a negative prior service cost.

Curtailment

As a result of severances and divestitures during 2022, a group of employees was terminated and curtailment accounting was required. The curtailment recognition of prior service cost/credit and special termination benefits are reported as part of the net periodic benefit cost.

Settlement

In 2022 and 2021, settlement accounting was required for the Shell Non-qualified Pension Plan due to lump-sum payments being greater than the sum of the service cost and the interest cost. The settlement resulted in an accelerated recognition of a previously unrecognized loss of \$18 million and \$85 million, respectively, which is reported as part of the net periodic benefit cost. In 2021, settlement accounting was also required for the Shell Postretirement Benefit Plans due to the settlement of the retiree portion of the retiree life obligation of the plan. The settlement resulted in an accelerated recognition of a previously unrecognized loss of \$47 million, which is reported as part of the net periodic benefit cost.

The Company and certain of its subsidiaries and related parties provide defined benefit pension plans and other post-retirement benefit plans for employees. Following is a reconciliation of the changes in the Shell Pension plans' ("The Plan") benefit obligations and fair values of assets during 2023, 2022 and 2021 and a statement of the funded status of these plans as of December 31 of each year. The Company uses a measurement date of December 31 for all of its plans.

Plan Assets

The Shell Pension Trust's ("The Trust") overall investment strategy includes a target allocation of 45% return seeking assets, which consists of 23% listed equities, 8% fixed income, 7% private equity, 5% real estate, and 2% other alternatives. The target allocation for liability hedge is 55%, which consists of 25% long duration, 12.5% medium duration, and 17.5% long duration U.S. Treasuries based on a comprehensive asset and liability study that considers asset diversification, the liability structure, and liability requirements. The asset class exposures are regularly rebalanced. Rebalancing is done either by physically rebalancing to target allocations or through a derivative overlay using equity and debt futures and currency forward contracts. Investment strategy is to invest aggregate assets to seek risk-adjusted returns in a cost-efficient environment. Performance is evaluated relative to appropriate benchmarks, and investment guidelines are actively monitored.

Commingled Funds and Pooled Separate Accounts:

Valued based on the net asset value (NAV) of the trust units held by the Plan at year end as reported in the audited financial statements of the collective trust. The NAV is used as a practical expedient to estimate fair value. The fair value is based on the fair value of the underlying investments of the trust. Underlying securities for which quotations are readily available are valued at the closing market quotation in the principal market in which such securities are normally traded. Underlying securities for which quotations are not readily available are valued at amortized cost, which approximates current value. Investments in underlying funds are valued at their closing net asset value. Transactions (purchases and sales) may occur daily and there are no redemption restrictions on these funds. In addition, the following are also included:

Insurance Contracts

Reflected at current contract value, which estimates fair value as determined by the Insurance Company.

Futures

Valued at the final settlement price set by an exchange on which they are principally traded.

Forward Foreign Currency Contracts

Valued using WM Reuters FX closing rates. The Bank of New York Mellon employs standard interpolation methodology based on the WM Reuters FX rates.

Short-term Investments

Cash and quoted short-term instruments, including commercial paper having 60 days or less to maturity are recorded at amortized cost, which approximates fair value.

Shell USA, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

Common and Preferred stocks, Corporate bonds and Government securities

Level 1 classified securities are valued at the closing price reported on the active market on which the individual securities are traded. Level 2 classified securities are valued utilizing such inputs as matrix pricing, market corroborated pricing and yield curves and indices.

Partnerships

Valued based on the fair value of partnerships investments held by the Plan at year-end as reported in the audited financial statements of the general partners. This category includes investments in private companies held by limited partnerships, investments in private real estate, and investments in funds pursuing alternative investment opportunities other than private equity and real estate. These investments generally do not provide for redemption rights for their investors. As such, the Trust must wait until the underlying assets are sold and cash proceeds are distributed. The current portfolio of partnerships is expected to liquidate over a period of 7 - 15 years.

Term Loans

Valued based on third party pricing using evaluated broker quotes. The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There are no fair value of assets classified as Level 3 during 2023.

Cash Flows

Contributions

The Company expects to contribute \$239 million to its pension plans and \$136 million to its other post-retirement benefit plans in 2024.

15. Contingencies and Commitments

General

In the ordinary course of business, the Company is subject to a number of contingencies arising from litigation and claims brought by governmental authorities, including tax authorities, and private parties. The operations and earnings of the Company continue, from time to time, to be affected to varying degrees by political, legislative, fiscal and regulatory developments, including those relating to the protection of the environment and indigenous groups in the states in which it operates. The industries, in which the Company is engaged, are also subject to physical risks of various types.

The amounts claimed in relation to such events and, if such claims against the Company were successful, the costs of implementing the remedies sought in the various cases could be substantial. Based on information available to date and taking into account that in some cases it is not practicable to estimate the possible magnitude or timing of any resultant payments, management believes that the foregoing is not expected to have a material adverse impact on the Company's consolidated financial statements. However, there remains a high degree of uncertainty around these contingencies, as well as their potential effect on future operations, earnings, cash flows and the Company's financial condition.

Pesticide Litigation

The Company, along with another agricultural chemical pesticide manufacturer and several distributors, has been sued by public and quasi-public water purveyors, water storage districts, and private landowners alleging responsibility for groundwater contamination caused by applications of chemical pesticides. There are approximately 24 such cases currently pending, four claims made but not yet filed, and an active subpoena for records. These matters assert various theories of strict liability and negligence, seeking to recover actual damages, including drinking well treatment and remediation costs. Most assert claims for punitive damages. While the Company continues to vigorously defend these actions, in January 2018 an environmental regulatory standard became effective in the State of California, where a majority of the suits are pending. The 2018 standard requires public water systems state-wide to perform quarterly or monthly sampling of their drinking water sources for a chemical contained in certain pesticides. Water systems deemed out of compliance with the regulatory standard must take corrective action to resolve the exceedance or take the potable water source out of service. In response to this regulatory standard, the Company monitors the sampling results to determine the number of wells potentially impacted. Based on the claims asserted and the Company's history with regard to amounts paid to resolve varying actions, management does not expect the outcome of the matters pending at December 31, 2023, to have a material adverse impact on the Company. However, there remains a high degree of uncertainty regarding the potential

Shell USA, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

outcome of some of these pending lawsuits, as well as their potential effect on future operations, earnings, cash flows and the Company's financial condition.

Climate Change Litigation

The Company, along with other energy companies, industry associations, and others have been named in several matters alleging responsibility for the impacts of climate change due to the use of fossil fuels. These matters assert a number of different theories of liability for a wide variety of harms, including but not limited to, impacts to public and private infrastructure, natural resources, and public health and services. As of December 31, 2023, 21 lawsuits naming the Company as a defendant were pending, two claims were filed but not yet served, and one petition to preserve testimony was pending. Management believes the outcome of these matters should be resolved in a manner favorable to the Company, but there remains a high degree of uncertainty regarding the ultimate outcome of these lawsuits, as well as their potential effect on future operations, earnings, cash flows and the Company's financial condition.

Western Energy Crisis Litigation

California utilities, state agencies and the Attorney General filed multiple complaints against market participants including Coral Power (now SENA) pertaining to the period in 2000 – 2001 when electricity prices in the Western United States briefly reached unprecedented highs. The complaints sought refunds for both short-term and long-term electricity sales. The Federal Energy Regulatory Commission (FERC) approved a settlement reached between the parties specific to SENA's short-term electricity sales in May 2018. The long-term contract claims, which were not settled, assert over \$1,000 million in alleged unjust and unreasonable charges. In December 2023, FERC found that the rates under the long-term contract are not presumed to have been just and reasonable and ordered another trial-type evidentiary hearing to determine whether the rates were proper and if not, to determine what refunds, if any, are due. SENA denies its rates were either unjust or unreasonable, has raised multiple legal and regulatory challenges throughout the life of the litigation, and will continue to vigorously defend the claims. While this matter is not expected to have a material adverse impact on the Company's financial statements, there remains a high degree of uncertainty regarding the potential outcome of this lawsuit, as well as its potential effect on its future operations, earnings, cash flows and financial condition.

Gasoline Additive Litigation

The Company, along with numerous other defendants, has been sued by 3 governmental entities, alleging responsibility for groundwater contamination caused by releases of oxygenate additives contained in gasoline. The plaintiffs assert various theories of liability, including product liability, and seek to recover actual and punitive damages, including treatment and clean-up costs. While this matter is not expected to have a material adverse impact on the Company's financial statements, there remains a high degree of uncertainty regarding the potential outcome of this lawsuit, as well as its potential effect on future operations, earnings, cash flows and the Company's financial condition.

Others

Certain federal, state, and local tax returns and filings are subject to examination by the respective taxing authorities, and certain interpretations by the Company of complex tax statutes, regulations, and practices could be challenged during the ordinary course of the audit process. Based on developments to date, the Company's management anticipates that it will be able to meet related obligations without a material adverse effect on its consolidated financial statements.

The Company is a party to various other claims and possible legal action arising in the ordinary course of business. There is considerable uncertainty inherent in any litigation or governmental proceeding. Based on the information currently available to management, it is the Company's belief that the ultimate resolution of these outstanding claims will not have a material adverse effect on its consolidated balance sheets, statements of income and other comprehensive income, or statements of cash flows.

Notes to Consolidated Financial Statements

In certain divestment transactions, liabilities related to asset retirement obligations are de-recognized upon transfer of these obligations to the buyer. For certain of these obligations the Company has issued guarantees to third parties and continues to be liable in case the primary obligor is not able to meet its obligation. These potential obligations arising from issuance of these guarantees are assessed to be remote.

Guarantees

At December 31, 2023, the Company had outstanding guarantees related to commitments as follows:

- Guarantee of contingent equity contribution to a pipeline joint venture with a maximum exposure of \$101 million maturing 2034.
- Guarantee of the payment obligations of an offshore wind company with a maximum exposure of \$120 million.
- Guarantee of contribution to a renewables joint venture with a maximum exposure of \$263 million.
- Guarantee of the payment of tax credit obligation of a wind joint venture with a maximum exposure of \$329 million.

In addition to the foregoing, at December 31, 2023, the Company has other guarantees issued in the normal course of business that individually do not exceed \$100 million. All such contractual obligations are expected to be fulfilled with no adverse consequences material to the Company's operations or financial condition.

The ARO liability reflects the estimated present value of the amount of dismantlement, removal, site reclamation, and similar activities associated with the Company. The Company utilizes current retirement costs to estimate the expected cash outflows for retirement obligations. The Company estimates the ultimate productive life of the properties, a risk-adjusted discount rate, and an inflation factor in order to determine the current present value of this obligation. To the extent future revisions to these assumptions impact the present value of the existing ARO liability, a corresponding adjustment is made to the property, plant and equipment.

Liabilities settled primarily relate to individual properties, platforms, and facilities plugged and abandoned during the period.

Accretion expense of \$72 million, \$59 million and \$76 million is included within the interest expense amounts for 2023, 2022, and 2021, respectively.

- D.** Franchisee wishes to locate, acquire, open and operate a Service Center utilizing the System at the location identified in the addendum as specified in Section 1.1 strictly in accordance with the terms and conditions of this Agreement.
- E.** Based upon the information provided by Franchisee to Franchisor in Franchisor’s prospective franchisee application process, Franchisor has decided to grant to Franchisee a license to develop a Service Center that strictly utilizes the System in accordance with the terms and conditions of this Agreement.

NOW THEREFORE, in consideration of the undertakings and commitments of each party to the other party set forth in this Agreement, the parties agree as follows:

1. GRANT OF FRANCHISE

- 1.1 Franchisor hereby grants to Franchisee a non-exclusive license to use the System, including the Trademarks, as is and as they may be modified from time to time in connection with the operation of a Service Center whose location is described in the addendum attached to this Agreement in strict conformance with this Agreement. Franchisee agrees to establish a Service Center utilizing the System only at the location described in the addendum attached to this Agreement and incorporated herein (the “**Franchised Center**”). Except as expressly stated herein, Franchisor reserves the right to operate and grant as many other franchises for the operation of the System anywhere in the world as it shall, in its sole discretion, elect. Franchisee acknowledges that the granting of this non-exclusive license does not confer Franchisee the right to acquire any other such licenses.
- 1.2 Subject to any rights granted by Franchisor to others under the terms of any franchise agreement or development agreement existing on the date of execution of this Agreement, during the term of this Agreement, Franchisor will not operate or authorize anyone else to operate another Service Center within a radius of three miles around the Franchised Center (the “**Three Mile Area**”). Franchisee has no rights outside of the Three Mile Area, and Franchisor may operate or authorize third parties to operate a Service Center anywhere outside of the Three Mile Area, even if such location lies in close proximity to the Three Mile Area. Franchisor specifically reserves the right to conduct any activity not expressly restricted by this Agreement.
- 1.3 Franchisor specifically reserves all rights that are not expressly granted to Franchisee by this Agreement.
- 1.4 Notwithstanding anything to the contrary, Franchisor reserves the right to conduct or authorize others to conduct national or regional fleet account solicitations and advertising activities within or outside of the Three Mile Area as Franchisor may choose.
- 1.5 Franchisor reserves the right to develop businesses, other than the System or businesses using Trademarks used in connection with the System, and conduct activities (including, without limitation, advertising under the Trademark) other than the operation and franchising of Service Centers and to use any Trademark, service mark, trademark or trade name in connection with those other businesses, both within and outside the Three Mile Area and regardless of the economic effect on Franchisee, all without granting Franchisee any right to use those other business formats, service marks, trademarks or trade names.

2. TERM AND RENEWAL

2.1 Initial Terms

Except as otherwise provided for in this Agreement, the initial term of this Agreement (the “**Term**”) shall expire on the 20th anniversary of the date the Franchised Center first opens for business as a Service Center. For all purposes under this Agreement, the date the Franchised Center first opens for business shall be the date verified in writing by Franchisor and delivered by Franchisor to Franchisee in a form substantially similar to the Notice

- 2.2.4 Franchisee executes Franchisor's then-current standard form of franchise agreement, which (a) may require Franchisee to, among other things, acquire and use in connection with its operation of the Service Center certain products supplied by Franchisor's affiliate, Pennzoil-Quaker State Company dba SOPUS Products ("**SOPUS Products**"). (The program which includes this requirement to purchase such products is referred to herein as the "**SOPUS Products/Jiffy Lube Pacesetter Program**" or "**Products Program**"); and (b) may contain terms materially different than the terms of this Agreement, including, without limitation, requirements to offer specified services, a higher advertising contribution, increased royalty fees, and the addition of other fees, and which will be further modified as follows:
 - 2.2.4.1 the term of which shall be the renewal term as specified in Section 2.2, but with no further renewal right; and
 - 2.2.4.2 franchise fee shall be as set forth in Section 2.2.11 below;
- 2.2.5 Franchisee has paid or otherwise timely satisfied all monetary obligations owed by Franchisee to Franchisor and its affiliates and any indebtedness of Franchisee which is guaranteed by Franchisor or its affiliates has been timely paid or otherwise has been satisfied before the beginning of the renewal term;
- 2.2.6 Franchisee completes to Franchisor's satisfaction, as and when Franchisor shall reasonably require, all of the maintenance, refurbishing, renovating and

remodeling of the Franchised Center, its equipment and furnishings, including that which is necessary to conform to and comply with Franchisor's then current specifications;

- 2.2.7 Franchisee and Franchisor execute a mutual release in a form prescribed by Franchisor of any and all claims against each other and their respective affiliates, officers, directors, equity holders, representatives, agents and employees except:
 - 2.2.7.1 claims of which either Franchisor or Franchisee has given written notice to the other party before the date of the renewal provided that any such claim shall be lost and forever waived in the event such claim is not resolved or suit instituted within the earlier of (i) one year from the date of the renewal, or (ii) the expiration of the otherwise applicable statutory or contractual limitations period;

- 2.2.8 Franchisee qualifies as a franchisee in accordance with Franchisor's then current qualification requirements;
- 2.2.9 **The Franchised Center premises are not the subject of any then-pending notice of violation of any environmental law, rule, regulation or code issued by a governmental authority; provided, however, that if Franchisee provides evidence satisfactory to Franchisor that it is diligently working to be in compliance with all such laws, rules, regulations and codes and to cure any prior violations thereof, and meets all other requirements of this Section 2.2, then Franchisor may approve the renewal request.**
- 2.2.10 Prior to the beginning of the renewal term, Franchisee, its managers and Franchised Center employees meet Franchisor's then current training requirements;
- 2.2.11 Franchisee pays to Franchisor a renewal fee equal to \$10,000 adjusted upward in proportion to the rate of inflation from the date the Franchised Center initially opened to the date three months prior to the date of the renewal, as measured by the Consumer Price Index for urban wage earners and clerical workers, U.S. city average (all items, base period: 1982-84 = 100); and
- 2.2.12 If Franchisor is unable to lawfully offer Franchisee its then-current form of franchise agreement at the time of renewal, Franchisor and Franchisee agree to

extend the initial Term or the renewal term, as applicable, of this Agreement on a month to month basis until such time as Franchisor is able to lawfully offer Franchisee its then current form of franchise agreement plus 60 days.

2.3 Relocation Terms

2.3.1 If Franchisor has approved a Franchised Center as a Relocated Center, as described in Section 4.1.4, Franchisor may require any or all of the following as conditions of its approval:

2.3.1.1 Franchisee may be required to satisfy all accrued monetary obligations to Franchisor and its affiliates;

3. TRADEMARKS AND CONFIDENTIALITY REQUIREMENTS

3.1 Ownership of Trademarks

The Trademarks are owned by Franchisor. Franchisee acknowledges that its use of the Trademarks is a temporary use, that such use is permitted under a license from Franchisor and that Franchisor retains all ownership in the Trademarks and in all goodwill generated by the Trademarks.

3.2 Franchisee's use of the Trademarks

With respect to Franchisee's use of the Trademarks:

- 3.2.1** Franchisee shall use only the Trademarks designated by Franchisor in connection with the operation and promotion of the Franchised Center. Franchisee shall not use the Trademarks in combination with any other trademarks, service marks, trade names, logos or trade dress in such a manner as to diminish, dilute or alter the Trademarks. Franchisee shall use the Trademarks only in the manner authorized and permitted by Franchisor.
- 3.2.2** Franchisee shall use the Trademarks only for the operation and promotion of the Franchised Center.
- 3.2.3** Franchisee's right to use the Trademarks is limited to such uses as are expressly authorized under this Agreement and any unauthorized use thereof shall constitute a default under this Agreement.
- 3.2.4** Franchisee shall not use the Trademarks as part of its corporate or other legal name or in an internet domain, user, or account name. Upon Franchisee's written request, subject to availability and at Franchisee's sole cost and expense, Franchisor may establish a domain name utilizing one or more of the Trademarks and license such domain name to Franchisee for Franchisee's use.
- 3.2.5** Franchisee agrees not to represent in any manner that it has any ownership in the Trademarks or the right to use the Trademarks, except as provided in this Agreement. Franchisee further agrees that its use of the Trademarks shall not create in its favor any right, title or interest in or to the Trademarks and that all such use shall inure to the sole benefit of Franchisor.
- 3.2.6** During the Term of this Agreement and any renewal thereof, Franchisee shall identify itself as an authorized, independently owned franchisee of the Franchised Center in conjunction with any use of the Trademarks including, but not limited to, on invoices, receipts, contracts, web sites, corporate identifications as well as in conspicuous locations on the premises of the Franchised Center. Franchisee acknowledges that the requirements imposed upon it by Franchisor concerning Franchisee's use of the Trademark, the Manual (as defined in Section 7.2.1) and the System Manuals (as defined in Section 3.4 and 7.2.1) are for the benefit of the System and expressly do not rise to the level of Franchisor's control over Franchisee's business and Franchisee is fully responsible for its own conduct,

including but not limited to the independent operation of its business; providing health, safety, security, and environmental safeguards in connection therewith; and implementing its own employment practices and procedures in compliance with the law.

- 3.2.7** Franchisor will hold harmless and indemnify Franchisee and its officers, directors, equity holders, agents and employees against all claims for patent or service mark infringement arising out of Franchisee's use of the Trademarks in a manner consistent with the license granted by this Agreement, provided Franchisee notifies Franchisor in writing within 30 days after learning of the claim and provided Franchisor has the right to control any litigation or adversary proceeding resulting from such claim. Franchisee agrees to cooperate with and assist Franchisor in protecting the Trademarks, any other trademarks, service marks, patents, or copyrights owned by or licensed to Franchisor and shall immediately inform Franchisor, in writing, of any suspected or actual infringements or other improper action with respect to such Trademarks that shall come to the attention of Franchisee. Determination of actions to be taken in response to such notice shall be made solely by Franchisor. Franchisee agrees to be a named party in any action taken if so requested by Franchisor and to provide Franchisor with full cooperation with reference to any such action. In the event that Franchisee is made a party to any litigation directly concerning the use of any of the Trademarks, Franchisee shall immediately notify Franchisor of such fact.
- 3.2.8** Franchisee acknowledges that Franchisor may modify the Trademarks or substitute other service marks, trade name, trademarks or commercial symbols for the Trademarks as part of the System and may require Franchisee to use such modified or substituted service marks, trade name, trademarks or commercial symbols. If Franchisee is in compliance with the provisions of this Section 3.2.8 and Section 9.3, Franchisor agrees to implement a reasonable transition period, not to exceed two years, for Franchisee to implement any significant modification to the Trademarks.
- 3.2.9** Franchisee shall not at any time put in issue or contest, either directly or indirectly, the validity of the Trademarks or Franchisor's ownership and other rights in and to the Trademarks. Franchisee recognizes the goodwill associated with the Trademarks and acknowledges that such goodwill belongs to Franchisor. Nothing in this Agreement shall give Franchisee an interest in any of the Trademarks, the goodwill associated with the Trademarks, or in any trademark, trade name, trade dress, service mark or other material containing the Trademarks. Franchisee understands and agrees that there is extended by this Agreement permission, uncoupled with an interest, to use the Trademarks in connection with the operation and promotion of the Franchised Center.
- 3.2.10** Franchisee agrees that it will cease all use of any of the Trademarks immediately upon expiration or termination of this Agreement. Franchisee acknowledges that failure immediately to cease all use of any of the Trademarks upon expiration or termination of this Agreement will result in immediate and irreparable injury to

Franchisor and Franchisee agrees to pay all reasonable attorneys' fees, costs, and expenses (and interest on such attorneys' fees, costs, and expenses) incurred by Franchisor in obtaining specific performance of, or an injunction against violation of the requirements of this Section.

3.3 Assumed Name Registration

If Franchisee desires to register its assumed name or is required to do so by any statute, regulation, rule or ordinance, Franchisee shall promptly file with the applicable government agency a notice of its intent to conduct business under the name "Jiffy Lube". Promptly upon expiration or termination of this Agreement, Franchisee shall execute and file such documents as may be necessary to revoke or terminate such assumed name registration. If Franchisee fails to promptly cancel or revoke its assumed name registration in accordance with this provision, Franchisee hereby irrevocably appoints Franchisor as its attorney-in-fact to do so for and on behalf of Franchisee.

3.4 Confidential Information

Franchisee acknowledges that during its relationship with Franchisor it will acquire knowledge of trade secrets, confidential information, know-how, training, marketing, sales formula(s), organizational and operational methods and other information concerning the System and the operation of a Service Center that is proprietary to Franchisor. Franchisee will treat as confidential all information designated by Franchisor to be confidential ("**Confidential Information**"); provided, however that Confidential Information shall not include information which Franchisee can demonstrate came to Franchisee's attention prior to disclosure thereof by Franchisor or which at the time of disclosure by Franchisor to Franchisee had become part of the public domain through publication or communication by others who did not have a confidentially obligation with respect to such information. The training materials, software, Manual and any additional manuals developed by Franchisor concerning particular phases of the System ("**System Manuals**") or this Agreement are Confidential Information without any separate designation of confidentiality being made by Franchisor.

3.5 Franchisee's Confidentiality Obligations

Franchisee acknowledges that any unauthorized use or disclosure of the Confidential Information to unauthorized third parties will result in immediate and irreparable injury to Franchisor and Franchisee agrees to pay all reasonable attorneys' fees, costs, and expenses (and interest on such attorneys' fees, costs, and expenses) incurred by Franchisor in obtaining specific performance of, or an injunction against violation of the requirements of this Section. Franchisee agrees that it will:

3.5.1 Not use or allow use of any Confidential Information, except in connection with the operation of the Franchised Center;

3.5.2 Disclose Confidential Information to individuals actively involved in the operation or management of the Franchised Center, but must limit such

disclosures to those individuals who reasonably need to know the Confidential Information in order to discharge their responsibilities for Franchisee and will instruct any individual to whom any Confidential Information is disclosed that the information is confidential, may only be used in connection with the operation of the Franchised Center and may not be disclosed to others;

- 3.5.3** Store the Confidential Information in a reasonably secure place and will not allow any Confidential Information to be photocopied, transmitted or distributed to anyone not expressly authorized to have access pursuant to the terms of this Agreement; and
- 3.5.4** Notify Franchisor in writing as soon as practical of either a breach or unauthorized disclosure of Confidential Information or that it may be required to disclose Confidential Information in order to protect Franchisor's interests or to comply with an order of a court or administrative body and use all reasonable efforts to obtain an order from the court or administrative body before which the matter is pending, requiring the parties to such matter to keep the Confidential Information confidential.

3.6 Ownership of Ideas

In consideration of Franchisor's disclosure of Confidential Information to Franchisee, Franchisee agrees that if during the Term of this Agreement, Franchisee (or any of its officers, directors and employees) develops any idea, innovation or invention that can be used in conjunction with the System and that can legally be protected, then Franchisee will execute or will cause its officer, director and/or employee to execute an assignment of all rights in and to that idea, innovation or invention to Franchisor, giving Franchisor complete ownership of such idea, innovation or invention without additional consideration.

4. FRANCHISE FEE, ROYALTIES AND OTHER FEES

4.1.1 New Service Center

If the Franchised Center is a new Service Center, meaning that it has not been in continuous operation for at least the previous twelve month period as a Jiffy Lube Service Center and is not otherwise a Converted, Replacement, or Relocated Center (as defined below), Franchisee will pay Franchisor a franchisee fee of \$35,000 of which \$10,000 is earned by Franchisor and due upon Franchisee's execution of this Agreement and, unless this Agreement is terminated prior to the day on which the Franchised Center opens for business under the trade name "Jiffy Lube", the remaining \$25,000 is earned by Franchisor and due on the 15th day of the month after the month in which the Franchised Center opens for business. All Service Centers leased to franchisees under the Franchisor's Build to Suit Program ("**BTS Program**"), as defined by Franchisor, will be considered new Service Centers and subject to the \$35,000 franchise fee as described herein.

Once paid to Franchisor, all franchise fees are non-refundable. A Franchisee in good standing who has opened their second, third, fourth, and/or fifth Franchised Center under the BTS Program may be eligible for a waiver of the franchise fee for those second, third, fourth, and/or fifth Franchised Center, but such waiver may not be combined with any other offers or incentives.

4.1.1.1 Significant Growth Fund – Franchised Center

Franchisor will waive the franchise fee for a Franchised Center if, at the time this Agreement is executed, (a) that Franchised Center is specifically described and included in Exhibit “A” to the Significant Growth Amendment to the SOPUS Products Product Supply Agreement (“**SG Amendment**,” and included in Attachment C of this Agreement); (b) Franchisee enters into the SG Amendment with respect to that Franchised Center, and (c) Franchisee meets all of the eligibility requirements included in the SG Amendment to participate in the Significant Growth Funding Program.

Converted Centers include Franchised Centers that are developed under Franchisor’s BTS Program. If the Franchised Center does not qualify as a Converted Center, then upon the execution of this Agreement, Franchisor will have earned and Franchisee will pay Franchisor a franchise fee of \$35,000, \$10,000 of which is earned by Franchisor and due upon Franchisee’s execution of this Agreement and, unless this Agreement is terminated prior to the day on which the Franchised Center opens for business under the trade name “Jiffy Lube”, the remaining \$25,000 is earned by Franchisor and due on the 15th day of the month after the month in which the location opens for business as a Service Center. Once paid to Franchisor, all franchise fees are non-refundable.

4.1.2.1 Significant Growth Fund – Converted Center

Significant Growth Funding Program, but such waiver may not be combined with any other offers or incentives.

4.1.3 Replacement Center

If Franchisee permanently closed a Service Center (with Franchisor's consent) more than ten years before the expiration of the initial term of the franchise agreement or license agreement pursuant to which such Service Center was operated, and if Franchisor has accepted the Franchised Center as a replacement for such permanently closed Service Center ("**Replacement Center**"), then Franchisor will have earned and Franchisee will pay a replacement fee of \$12,500 upon execution of this Agreement. For purposes of this Agreement, a Replacement Center will exist if, as of the Effective Date: (a) the Franchisee is a Jiffy Lube franchisee, (b) Franchisor, in its sole discretion, agrees that Franchisee may close an existing Jiffy Lube Service Center and the franchise agreement for that service center had more than ten years remaining on its initial term (Franchisor is under no obligation to agree to this), (c) Franchisor has accepted the proposed Replacement Center as a replacement for the closed Service Center, and (d) the proposed Replacement Center does not materially interfere with the trade area protected for another Service Center not operated by the Franchisee. Once paid to Franchisor, all franchise fees are non-refundable.

4.1.4 Relocated Center

If Franchisee permanently closed a Service Center (with Franchisor's consent) more than five years before the expiration of the initial term of the franchise agreement or license agreement pursuant to which such Service Center was operated, and if Franchisor has accepted the Franchised Center as a replacement for such permanently closed Service Center ("**Relocated Center**"), then Franchisor will have earned and Franchisee will pay a relocation fee of \$7,500 upon execution of this Agreement. Once paid to Franchisor, all franchise fees are non-refundable.

4.1.5 Transfer

If this Agreement is a replacement of an existing franchise agreement that is being transferred to a new owner, then no franchise fee is required, but the transferee will pay Franchisor the transfer fee described in Section 10.2.4(h) of this Agreement. This Section does not affect any transfer fee required under other provisions of this Agreement or any previous agreement or agreement with the transferor.

4.1.6 Acquisition of an Existing Company Operated Center

If Franchisee is buying a Service Center owned by Franchisor, then the standard franchise fee of \$35,000 shall apply and shall be paid as provided in the asset purchase agreement between Franchisor and Franchisee. Once paid to Franchisor, all franchise fees are non-refundable.

4.1.7 Renewal

If this Agreement is a renewal of an existing franchise agreement, then no franchise fee is required; provided that, upon execution of this Agreement, Franchisee will pay Franchisor the Renewal Fee described in Section 2.2.11 of this Agreement.

4.1.8 Area Development Rights and Prior Agreements

Notwithstanding anything to the contrary, if Franchisee is a party to an area development agreement with Franchisor which (a) is in effect when this Agreement is executed and (b) provides for some lower franchise fee or some other time for payment than what is described in this Section 4.1, then the provisions of that area development agreement will supersede this Section 4.1 with regard to the amount and time of payment of the franchise fee.

4.2 Royalties

4.2.1 Royalty Amount

1. If as of the date of signing this Agreement the Franchised Center is or will be a new Jiffy Lube location (either a non-Jiffy Lube site being converted to a Jiffy Lube or a newly built Jiffy Lube location) then Franchisee will pay Franchisor a monthly royalty based on a certain percent of “**Gross Sales**” (as defined in Section 4.2.3 of this Agreement) at the Franchised Center as follows:

During the first six months in which the Franchised Center is open for business, Franchisee will pay no monthly royalty. Thereafter, Franchisee will pay a monthly royalty of four percent (4%) of Gross Sales.

Royalty payments are due on the 15th day of the month. Thus, the first royalty payment will be due on the 15th day of the 7th month after the month

in which the Franchised Center opens for business and thereafter on the 15th day of each month, based on Gross Sales for the preceding month.

2. If as of the date of signing this Agreement the Franchised Center is an existing Jiffy Lube location, Relocated Center or Replacement Center, then Franchisee will pay Franchisor a monthly royalty equal to four percent (4%) of the Gross Sales at the Franchised Center. Royalty payments are due on the 15th day of the month after the month in which the Franchised Center opens for business and thereafter on the 15th day of each month, based on Gross Sales for the preceding month.

4.2.2 Prompt Payment Discount

1. If as of the date of signing the Agreement the Franchised Center is or will be a new Jiffy Lube location (either a non-Jiffy Lube site being converted to a Jiffy Lube or a newly built Jiffy Lube location) then commencing the second six months in which the Franchised Center is open for business, if (a) Franchisee is current on all of its obligations to Franchisor and its affiliates and (b) the monthly royalty is received at a lockbox designated by Franchisor, or wire transferred to an account designated by Franchisor, on or before the date on which it is due (that is, the 15th of a given month), then Franchisee may deduct from its royalty payment for that month a prompt payment discount equal to one percent (1%) of the Gross Sales of the Franchised Center for the preceding month.
2. If as of the date of signing this Agreement the Franchised Center is an existing Jiffy Lube location then if (a) Franchisee is current on all of its obligations to Franchisor and its affiliates and (b) the monthly royalty is received at a lockbox designated by Franchisor, or wire transferred to an account designated by Franchisor, on or before the date on which it is due (that is, the 15th of a given month), then Franchisee may deduct from its royalty payment for that month a prompt payment discount equal to one percent (1%) of the Gross Sales of the Franchised Center for the preceding month.

4.2.3 Gross Sales Definition

For purposes of this Agreement, the term “**Gross Sales**” means all receipts of Franchisee for services provided and goods sold at the Franchised Center, including payments (a) in cash, (b) by credit or debit card or (c) in barter transactions, without any deduction for costs incurred by Franchisee in connection with operation of the Franchised Center. In the case of barter transactions, the fair market value of goods or services received by Franchisee in exchange for goods and services provided by Franchisee is to be included in the Franchised Center’s Gross Sales. For the avoidance of all doubt and notwithstanding the provisions of Section 4.2.4, receipts associated with

inspection services and other government regulated services shall be considered as Gross Sales on which the royalty is due and not as a sales tax or similar tax.

4.2.4 Exclusions from Gross Sales

Notwithstanding the provisions of Section 4.2.3 of this Agreement, the Franchised Center's Gross Sales do not include (a) the amount of any sales taxes or similar taxes based on sales collected by Franchisee from consumers and paid by Franchisee to the taxing authority, (b) any bona fide refunds to consumers, (c) cash discounts from the usual price for goods or services offered at the Franchised Center, (d) the proceeds of sales of used motor oil or other recovered fluids and materials and (e) discounts for national or local fleets. For the avoidance of any doubt, processing fees paid to credit card companies or in connection with fleet processing may not be deducted from Gross Sales for purposes of this Section.

4.2.5 Service Charge

If any payment to Franchisor is not received by the entity to which the payment is due (a "Creditor") on or before the date on which the payment is due, then in addition to any other rights or remedies the Creditor may have and subject to any other written agreement, the past due amount will bear interest from the due date until paid at the lesser of (a) two percent (2%) per month, or (b) the highest rate of interest allowed by law. Any late payments received by a Creditor may be applied, in the discretion of the Creditor, first to reduce the accrued interest and next the principal amount.

4.3 Taxes

Franchisee will pay any bona fide taxes or related interest or penalties imposed by any taxing authorities on any fees, royalties or other charges collected by Franchisor from Franchisee pursuant to this Agreement or otherwise, provided that Franchisee will not be required to pay any taxes based on Franchisor's income or net worth.

5. TRAINING

5.1 Operations Training Courses for Service Center Managers

- i. Franchisor will offer an operations training course for Service Center managers, having a duration and content as Franchisor may determine. Franchisor's operations training course will be offered in training venues selected by Franchisor. Franchisor will pay for instructors, classroom facilities, training manuals and other, similar costs associated with its operations training course, provided that if Franchisor holds and Franchisee or its managers attend a session of Franchisor's operations training course in some area other than the area in which Franchisor's principal place of business is located, then Franchisee may be required to pay a share of the cost of renting classroom space and the instructors' travel expenses in the same proportion as the number of individuals

representing Franchisee bear to all attendees of that session. Franchisee will pay all costs associated with its or its employees' salaries or wages while attending Franchisor's operations training course, as well as those individuals' transportation, meals, lodging and incidental personal expenses while attending the course. Provided that Franchisor's conduct is not grossly negligent or in violation of any discrimination, harassment or similar law, Franchisee shall indemnify and hold Franchisor harmless from any and all claims that any of Franchisee's employees may bring against Franchisor while attending the training courses.

- ii. Before the Franchised Center is opened for business, Franchisee's initial managers (and Franchisee, if Franchisee is an individual or Franchisee's officers who are responsible for operation of the Franchised Center) must successfully complete Franchisor's operations training course for Service Center managers.
- iii. Any person employed by Franchisee as manager of the Franchised Center after Franchisee's initial managers will attend and complete Franchisor's operations training course before assuming any duties as manager.
- iv. Before attending Franchisor's operations training course for managers, an individual (a) must have spent at least two weeks working at a Service Center under the supervision of an individual who has successfully completed Franchisor's operations training course and (b) must have successfully completed certain prerequisite training courses prescribed by Franchisor.
- v. Every five years, Franchisee or Franchisee's officers who are responsible for the operation of the Franchised Center and Franchisee's managers will be required to complete Franchisor's operations training course for managers successfully in its then-current form unless Franchisor, in its sole discretion, waives this requirement.
- vi. At its sole cost and expense, Franchisee agrees and shall require its store level employees to timely participate in any training and obtain such certifications, licenses, permits and technical or operational training as may be specified by Franchisor in the Manual from time to time.
- vii. Notwithstanding any provision of this Section 5, Franchisee may conduct an operations training course for managers of the Franchised Center other than the initial managers of the Franchised Center, provided that Franchisor has approved, in writing, the content and administration of Franchisee's operations training course for managers. Franchisor may review Franchisee's operations training course periodically (a) to ensure that it is at least as comprehensive as the

operations training course then being offered by Franchisor, (b) to ensure that its content does not deviate from the requirements of the Manual, and (c) to verify that managers are being trained in a timely manner. Franchisor will notify Franchisee of any deficiencies in its training course for managers. If Franchisee fails to take action to cure such deficiencies within a reasonable time, Franchisor may revoke its approval of Franchisee's operations training course and may require Franchisee's managers to attend Franchisor's operations training course until such time as the deficiencies have been corrected.

5.2 Training for Initial Employees of the Franchised Center

If Franchisee does not operate any Service Center other than the Franchised Center, and if the Franchised Center was not in operation as a Service Center before the date of this Agreement, then Franchisor will provide operations training, and training in the use of Franchisor's point of sale computer system, for the initial employees of the Franchised Center at the Franchised Center. Such training will be scheduled by Franchisor in coordination with Franchisee to occur in conjunction with the opening of the Franchised Center. Franchisor will pay for the salary and travel expenses incurred by its trainer; Franchisee will pay any other expenses associated with this training. Franchisee or Franchisee's officers who are responsible for the operation of the Franchised Center will be present during this initial training period.

5.3 Other Training

Franchisee will ensure that its employees satisfy all training requirements specified in the Manual from time to time, and that they maintain consistently high standards of skill, efficiency and quality of workmanship.

6. ACCOUNTING PROCEDURES

6.1 Preservation of Records

Franchisee will maintain and preserve proper and complete books, records and accounts for at least seven years from the close of the fiscal year to which the books, records and accounts are related.

6.2 Submission of Financial Statements

6.2.1 Annual Financial Statements

Within 120 days after the end of each fiscal year of Franchisee, Franchisee will provide Franchisor with a statement of Franchisee's income or loss (a "**Profit and Loss Statement**") and a statement of Franchisee's financial position (sometimes called a "**Balance Sheet**") with respect to such Fiscal Year, reviewed by an independent certified public accountant, both for the Franchised Center and for all of Franchisee's Jiffy Lube-related business prepared in accordance with generally accepted accounting principles. All of the financial information furnished by Franchisee to Franchisor will be correct in all material respects and certified as accurate and in compliance with all applicable provisions of this Agreement, the Manual and the Systems Manuals (as such terms are defined in Section 7.2 hereof) by the responsible person designated by Franchisee within Franchisee's organization.

6.2.2 Quarterly Financial Statements

Within 30 days after the end of any calendar quarter, Franchisee will provide Franchisor with a Profit and Loss Statement and a Balance Sheet with regard to the calendar quarter just ended prepared in accordance with generally accepted accounting principles and certified as true and accurate by the person responsible within Franchisee's organization.

6.2.3 The financial statements described in this Section 6.2 shall be prepared in such format and delivered to Franchisor by such means (including, without limitation, electronically) as Franchisor may designate in the Manual after consulting with franchisee representatives of appropriate committees of any representative franchisee organizations representing more than fifty percent (50%) of franchised Jiffy Lube service centers

6.3 Audits

Franchisor and its duly authorized representatives, agents or auditors shall have the right to audit Franchisee's books, documents and other material as it pertains to the Franchised Center and Franchisee's "**Jiffy Lube**" operations and shall have access thereto during ordinary business hours and shall be free to make copies of any materials thereto. Franchisee agrees to cooperate with Franchisor in any audit Franchisor chooses to conduct. In connection with occasional audits of Franchisee's business, Franchisee will furnish Franchisor with a copy of all federal, state and local tax returns filed by Franchisee for the

period being audited with respect to the Franchised Center. Franchisor will have the right from time to time to request such additional financial, statistical or other information pertaining to or otherwise affecting the Franchised Center or Franchisee's performance under this Agreement as Franchisor may reasonably deem to be desirable.

6.4 Audit Discrepancies

If any examination or audit of Franchisee's books and records discloses an understatement in any report of two percent (2%) or more of the Gross Sales of the Franchised Center, then in addition to paying the royalty owed on the theretofore unreported Gross Sales, with the additional service charge specified in Section 4.2.5 of this Agreement, Franchisee will reimburse Franchisor for its costs of having Franchisee's books examined or audited. The provisions of this Section 6.4 are in addition to any other rights or remedies Franchisor may have, including termination of this Agreement as provided in Section 13 of this Agreement.

6.5 Use of Financial Information

Franchisor may use any financial statements, sales reports, or other financial or statistical information pertaining to the Franchised Center provided by Franchisee in connection with Franchisor's efforts to attract additional franchisees and/or to obtain financing or raise capital; provided that Franchisor may not use such information in any manner by which such information is or could be traceable to, or identify, Franchisee or the Franchised Center (except with respect to Franchisor's efforts to sell the Franchised Center if it is acquired from Franchisee). In addition, Franchisor may disclose any such information that is required to be disclosed by any federal or state requirements, court orders, etc. Except as specifically provided in this Section 6.5, Franchisor will treat such information as confidential and will not disclose or sell such information or use it for the benefit of any other person or entity. Franchisor and any entity that controls, is controlled by or is under common control with Franchisor ("**Affiliates**"), including, without limitation, Shell Oil Company and SOPUS Products (as defined in Section 7.3.2), may also disclose and share among themselves any and all information pertaining to Franchisee and the Franchised Center to the extent required, and for the sole purpose of supporting a party's fulfillment of its obligations set forth in this Agreement.

6.6 Franchisor's Right to Obtain Information

If Franchisee fails to provide the information required in this Section 6, Franchisor will have the right, but not the obligation, to obtain such information and Franchisee will be responsible for any reasonable costs and expenses incurred in connection with gathering or reporting such information.

7. OPERATION OF THE FRANCHISED CENTER

7.1 Supervision by a Trained Manager

The Franchised Center at all times will be under the personal supervision of an individual who has completed Franchisor's operations training course (or an alternate course approved by Franchisor) successfully. As used in this Agreement, "**personal supervision**" means that the individual (a) will be present at, or readily available to, the Franchised Center at opening, closing and peak business hours, (b) will inspect the Franchised Center regularly to insure the highest standards of cleanliness and general appearance, and (c) will assist in training employees.

7.2 The Manual and the System Manuals

7.2.1 Franchisee agrees to operate the Franchised Center in strict conformance with the Policies and Procedures Manual developed by Franchisor for use in connection with the Products Program (the "**Manual**") and any System Manuals. System Manuals which may be issued by Franchisor from time to time describe particular phases of the System. Such System Manuals may be in different types of media, including computer-based training, on-the-job training, booklets, brochures, video, seminars, classroom training and other such types of media as Franchisor may develop from time to time. The Manual and all System Manuals are and will remain the exclusive property of Franchisor. A copy of the Manual and each System Manual will be loaned to Franchisee for the term of this Agreement either via hard copy, electronically, or both.

7.2.2 Franchisee understands and agrees that the System may from time to time be modified, and that such modifications to the System may require modifications in the Manual or the System Manuals or issuance of new System Manuals. Franchisee agrees that in the event of any such modifications to the System and the Manual or the System Manuals, it will operate the Franchised Center in strict conformance with the Manual and the System Manuals as so modified. Any amendments or revisions to the Manual or System Manuals shall be effective seven days after receipt by Franchisee of such amendments or revisions. Franchisee will ensure that the copy of the Manual and any System Manuals loaned to Franchisee are kept current. In the event of any dispute as to the contents of any such Manual or System Manuals, the contents of the master copy of such Manual or System Manuals maintained by Franchisor at its principal place of business will be definitive.

7.3 Approved Products and Supplies

7.3.1 From time to time, Franchisor may prescribe certain minimum quality and/or warranty specifications for equipment, products and supplies used by the System in connection with building and operating a Service Center. To the extent that Franchisor elects to do so, these specifications will be listed in the Manual or otherwise in writing.

- 7.3.2 Contemporaneous with the execution of this Agreement, Franchisee shall execute the product supply agreement attached hereto as Attachment C (the “**Product Supply Agreement**”). Franchisee shall, at all times during the Term of this Agreement, including all renewal terms, maintain and comply with an effective supply agreement with SOPUS Products, in a form approved by Franchisor, for the purchase of motor oil and lubricants to be used by the Franchised Center. Such Product Supply Agreement may, among other things, designate that a percentage of the Franchised Center’s needs of motor oil and lubricants be purchased from SOPUS Products. Failure to maintain such Product Supply Agreement or Franchisee’s breach of such supply agreement shall constitute a default of this Agreement, for which Franchisor may terminate this Agreement pursuant to Section 13.3.1 hereof. Notwithstanding the above, in no event shall SOPUS Products’ termination of such Product Supply Agreement without cause constitute a default hereunder.
- 7.3.2.1 Franchisee agrees and acknowledges that the termination or expiration of the Products Program and/or any supply agreement with SOPUS Products for the purchase of motor oil and lubricants to be used by the Franchised Center shall not be deemed to constitute a constructive termination of this Agreement.
- 7.3.2.2 In the event that SOPUS Products terminates the Product Supply Agreement, the Amendment of Jiffy Lube SOPUS Products/Jiffy Lube Pacesetter Program Agreement Upon SOPUS Products’ Termination of the Product Supply Agreement, attached hereto as Attachment D, shall automatically become effective.
- 7.3.3 From time to time, Franchisor may compile lists of products that meet Franchisor’s specifications and may modify existing lists. If Franchisee desires to use a product that is omitted from a list of similar products (excluding only such products as Franchisee has agreed to purchase pursuant to the Product Supply Agreement), Franchisee will notify Franchisor in writing before using such product. At Franchisor’s request, Franchisee will provide a sample of the product and any relevant technical data to Franchisor. Franchisor, at a commercially reasonable cost and within a commercially reasonable time frame, will test the product at Franchisee’s expense to determine whether the product meets Franchisor’s minimum standards. If Franchisor determines that the product does not meet its standards, Franchisee will not use such product in the Franchised Center.
- 7.3.4 **FRANCHISOR DOES NOT PROVIDE ANY WARRANTY OR GUARANTEE TO FRANCHISEE CONCERNING PRODUCTS APPROVED BY FRANCHISOR BUT MANUFACTURED OR SOLD BY OTHERS, INCLUDING, WITHOUT LIMITATION, FRANCHISOR’S AFFILIATES.**

7.4 Payment of Amounts Due

Franchisee will promptly and without offset or deduction pay any money owed to Franchisor, any affiliate of Franchisor or any advertising cooperative or the National Advertising Fund (both further described in Section 9) when such money is due.

7.5 Maintenance of the Franchised Center

- 7.5.1** At its own expense, Franchisee will maintain and periodically paint and renovate the interior and exterior of the Franchised Center in such manner as Franchisor may reasonably prescribe from time to time so as to maintain standards of appearance consistent with the quality image of the System.
- 7.5.2** From time to time while this Agreement is in effect, Franchisor may change the design specifications for signs, emblems, logos, lettering and pictorial materials displayed on or at the Franchised Center. Upon receipt of notice of such changes, Franchisee will promptly alter the signs at the Franchised Center to conform to the revised specifications. Such revision will be at Franchisee's expense if revision occurs no more often than once in 72-month period.
- 7.5.3** From time to time while this Agreement is in effect, Franchisor may require the Franchised Center to be remodeled at Franchisee's expense once every 10 years, provided that Franchisee will not be required to remodel the Franchised Center if the time when the remodeling would be required is within one year of the expiration of the term of this Agreement, but provided further that such remodeling may be required as a condition of renewal of this Agreement. **If Franchisor requires the Franchised Center to be remodeled, then Franchisee shall commence such remodeling not later than 720 days after receipt of notice thereof from Franchisor, and shall diligently and continuously perform such remodeling thereafter, and complete such remodeling within the time period prescribed by Franchisor considering all attending circumstances, which shall be in no event more than 36 months after receipt of such notice.**

7.6 Fleet Customers

7.6.1 Participation in National or Regional Fleet Customer Agreements

For purposes of this Agreement, a “**Fleet Customer**” is defined herein as a consumer who is a member of a group with a fleet of vehicles with which Franchisor has a credit arrangement or with whom Franchisor has otherwise negotiated a discount from the franchisees' normal posted prices. From time to time, Franchisor may enter into national or regional Fleet Customer programs pursuant to which Franchisor commits, for the benefit of the System that System franchisees will provide a negotiated discount to such national or regional Fleet Customers on services obtained at a Service Center and will follow certain operational rules for servicing Fleet Customer vehicles at Service Centers. Such

discount shall be based off of Franchisee's normal posted prices for the services requested. Franchisee hereby agrees to participate in such national or regional Fleet Customer programs and comply with the terms of any arrangement negotiated between Franchisor and the national or regional Fleet Customer. Franchisor hereby agrees that it shall promptly provide Franchisee with the details of any arrangement that it may have with a national or regional Fleet Customer to the extent that such details involves or otherwise affects Franchisee.

7.6.2 Fleet Credits and Debits

- 7.6.2.1** As used in this Agreement, the term “**Fleet Credits**” refers to amounts to which Franchisee may be entitled from Franchisor as a consequence of Franchisee's having provided goods or services to a Fleet Customer, subject to processing charges imposed by Franchisor and specified by Franchisor from time to time. Franchisor will specify each Fleet Customer's documentary requirements to Franchisee electronically or in writing from time to time during the term of this Agreement. A “**Fleet Debit**” is a reversal of a Fleet Credit previously granted in cases in which, for example, a Fleet Credit was mistakenly granted, or a Fleet Customer declines to pay an invoice for a reason Franchisor determines to be reasonable.
- 7.6.2.2** Franchisor may apply Fleet Credits owed to Franchisee, without notice, to reduce current and past due amounts owed by Franchisee to Franchisor and/or its subsidiaries.
- 7.6.2.3** If Franchisee maintains a credit balance on its account for two consecutive months, and if that credit balance is greater than \$250, then within 10 days of Franchisor's receipt of a written request for payment from Franchisee, Franchisor will pay the amount of the credit balance to Franchisee by check or electronic transfer of funds.

7.7 Retail Pricing

Franchisee may determine the retail prices for products and services offered at the Franchised Center in its sole discretion. Franchisor or other System franchisees may advertise or recommend specified retail price; however, such recommendations are suggestions only, and do not bind Franchisee to adopt any particular prices or pricing strategy.

7.8 Hours of Operation and Staffing

The Franchised Center will be open for business during normal business hours and for the minimum hours and days specified in the Manual. Franchisee shall at all times employ and have at the Franchised Center a staff of trained, competent and qualified personnel as necessary or desired to conduct the operations of the Franchised Center as described in the Manual and training materials. Franchisee shall have sole authority and discretion

regarding all employment matters relating to the Franchised Center, including, without limitation, hiring, firing, discipline, compensation, benefits, and scheduling.

7.9 Use of Franchisor’s Point of Sale Computer System and other Communications Systems

Franchisee agrees to utilize the point of sale computer system designated by Franchisor in the operation of the Franchised Center. Franchisee understands and agrees that such point of sale computer system may be developed by and proprietary to Franchisor. Franchisee further agrees to install and utilize such commercially reasonable computer and other equipment necessary to participate in any electronic communication facility that Franchisor may designate from time to time.

7.10 Acceptance of Payment Cards

Franchisee is free to accept any consumer or commercial payment card that it wishes; provided, however, Franchisee must, at its own expense, lease or purchase equipment and/or software necessary, and must have arrangements in place with a financial institution or institutions, to enable Franchisee’s Jiffy Lube service center to accept Visa, MasterCard, American Express, and such other credit cards (including, but not limited to, the Shell Master Card, etc.) as Franchisor may designate from time to time, for payment from its customers. At all times, Franchisee must maintain credit-card relationships with the credit- and debit-card issuers or sponsors, check or credit verification services, financial-center services, and electronic-funds-transfer systems that Franchisor designates as mandatory, and Franchisee must not use any such services or providers that Franchisor has not approved in writing or for which Franchisor has revoked its approval. Franchisor has the right to modify its requirements and designate additional approved or required methods of payment and vendors for processing such payments, and to revoke its approval of any service provider. Franchisee must comply with all credit-card policies, as prescribed in the Policies and Procedures Manual. Franchisee must comply with, and is solely responsible for ensuring that the Jiffy Lube service center complies with, the Payment Card Industry Data Security Standards (“**PCI DSS**”) as they may be revised and modified by the Payment Card Industry Security Standards Council (see www.pcisecuritystandards.org), or such successor or replacement organization and/or in accordance with other standards as Franchisor may specify, and the Fair and Accurate Credit Transactions Act (“**FACTA**”). Franchisee shall also upgrade periodically its POS and POS Software to ensure Franchisees’ compliance with all such laws, regulations, and guidelines. This may include completing periodically an audit questionnaire, penetration testing upon request by Franchisor or its designee, maintaining a secure environment including “**locking down**” on-premises POS equipment if required, and protecting passwords.

7.11 Prohibited Activities

In order to preserve consistency and uniformity within the System and goodwill associated with Service Centers and the Trademarks, Franchisee shall offer for sale at the Franchised Center only such services authorized by Franchisor in the Manual or otherwise in writing. All authorized services shall be offered, sold, installed and delivered in accordance with

Franchisor's standards and specifications as described by Franchisor in the Manual or otherwise in writing.

7.12 Inspections by Franchisor

7.12.1 Franchisor may make announced or unannounced inspections of the Franchised Center to ensure compliance with all requirements of this Agreement, including the Manual and System Manuals. At the conclusion of this inspection, Franchisor may prepare a written report. If such a report is prepared, Franchisor may give Franchisee's Franchised Center manager a copy and will send or deliver a copy to Franchisee's principal place of business. Franchisee may, but is not required to, acknowledge or contest Franchisor's conclusions and observations. Neither an acknowledgment by a manager who is not an officer of Franchisee nor Franchisee's failure to contest the report will constitute a waiver of Franchisee's ability to timely contest any part of the report at some later time.

7.12.2 As set forth in Section 6.3 and at reasonable times during normal business hours, Franchisor or its representatives will be allowed to inspect books and records pertaining to the Franchised Center or any part of Franchisee's Jiffy Lube business, including books and financial accounts maintained at Franchisee's principal place of business or elsewhere which may be necessary in order to confirm Franchisee's compliance with any provision of this Agreement (including advertising records in the possession of Franchisee's advertising agency which may be necessary to confirm Franchisee's compliance with the requirements of Section 9 of this Agreement). Franchisor may require that an officer of Franchisee accompany Franchisor and the manager of the Franchised Center during an announced inspection of the Franchised Center. Likewise, Franchisor may require that a person familiar with Franchisee's accounting practices or a representative of Franchisee's advertising agency be present at any announced visit to Franchisee's principal place of business.

7.13 Signs

Franchisee agrees to purchase or lease and to display at the Franchised Center signs, emblems, logos, lettering and pictorial materials, both attached to the Franchised Center building and free-standing, that conform to Franchisor's then current specifications, with only those modifications to which Franchisor agrees in order to meet requirements of local sign ordinances. Except for signage pertaining to product advertisements and provided that such product signage does not detract from the signage bearing one or more of the Trademarks, Franchisee may not display signs, emblems, logos, lettering or pictorial materials not approved by Franchisor, in writing, both as to specification and placement.

7.14 Terrorist and Money Laundering Activities

Franchisee represents and warrants to Franchisor that neither Franchisee nor its principals, nor any of the respective affiliates is identified, either by name or an alias, pseudonym or nickname, on the lists of "**Specially Designated Nationals**" or "**Blocked Persons**"

maintained by the U.S. Treasury Department's Office of Foreign Assets Control (texts currently available at www.treas.gov/offices/enforcement/ofac). Further, Franchisee represents and warrants that neither it nor any principal, executive officer or affiliate referred to above has violated and agrees not to violate any law prohibiting corrupt business practices, money laundering or the aid or support of persons who conspire to commit acts of terror against any person or government, including acts prohibited by the U.S. Patriot Act (text currently available at www.epic.org/privacy/terrorism/hr3162.html), U.S. Executive Order 13224 (text currently available at <https://www.state.gov/j/ct/rls/other/des/122570.htm>), or any similar law. The foregoing constitute continuing representations and warranties, and Franchisee shall immediately notify Franchisor in writing of the occurrence of any event or the development of any circumstance that might render any of the foregoing representations and warranties false, inaccurate or misleading.

8. POINT OF SALE COMPUTER SYSTEM

8.1 Initial POS Hardware

Prior to the date on which the Franchised Center opens for business, Franchisee shall acquire, whether through purchase or lease, computer hardware sufficient to run the designated POS System in the Service Center. If leased, the lease term should be for three years and renewed every three years. This minimum initial equipment will include but may not be limited to up to: a primary central processing unit (CPU) for the Center with characteristics sufficient to run the then-current version of the POS Software, one or more personal computers to operate as bay or greeter stations (three is typical), computer monitors, a communications router, a tablet, an invoice printer, a reports printer, a payment card reader, a cash drawer, Uninterrupted Power Supply (UPS), and a network hub or switch. Additional equipment is optional at Franchisee's discretion, including but not limited to: static sticker printers, coupon bar code readers, VIN scanners, bay stations. All equipment shall be brands, models and specifications approved by Franchisor after consulting with the Technology Services Advisory Board ("TSAB") in accordance with the TSAB governing documents and agreements.

8.2 The POS Addendum which is being signed contemporaneously herewith, specifically incorporated by reference herein, and attached hereto as Attachment B contain the remaining provisions of this section.

9. ADVERTISING

9.1 Minimum Expenditure on Advertising

9.1.1 If a National Advertising Fund ("NAF") (as further described in Section 9.5) is formed, Franchisee will make monthly contributions to the Fund as prescribed in Section 9.5.1.

9.1.2 If a local or regional advertising Cooperative association (a "Cooperative") is formed for any locality, region or trading area in which the Franchised Center is located, Franchisee will make monthly contributions to the Cooperative equal to

the local advertising expenditure requirements set forth in Section 9.1.3 hereof, provided that if Franchisor has consented in writing to the Cooperative's assessment of monthly contributions at a lower rate, then Franchisee will contribute to the Cooperative at the rate to which Franchisor has consented or determined, and will spend the balance of the local advertising expenditure requirements set forth in Section 9.1.3 hereof on local advertising in accordance with Section 9.1.3. Franchisee's required contribution to the Cooperative shall, in any event, be reduced by an amount equal to Franchisee's required contribution to the NAF. If no Cooperative is formed for any locality, region or trading area in which the Franchised Center is located, or if Franchisee is excused from the requirement to become a member of such Cooperative pursuant to Section 9.2.2 of this Agreement, then Franchisee will spend the amount specified in Section 9.1.3 of this Amendment on local advertising. Franchisee will be deemed to have satisfied this requirement if Franchisee's aggregate calendar year expenditures on local advertising equal or exceed the local advertising spend requirement set forth in Section 9.1.3.

9.1.3 Franchisee will spend on local advertising compliant with Section 9.3 hereof an amount equal to four percent (4%) of the Gross Sales from the Franchised Center for all Gross Sales received during any calendar month for which Franchisee is not required to contribute to the NAF (because, for example, the NAF has not been established or the NAF has been discontinued). During all calendar months for which Franchisee is required to contribute to the NAF, Franchisee will spend on local advertising compliant with Section 9.3 hereof an amount equal to two and one-half percent (2.5%) of the Gross Sales of the Franchised Center. Franchisee will be deemed to have satisfied this requirement if Franchisee's aggregate calendar-year expenditures on local advertising for all Jiffy Lube service centers located in the United States and owned by Franchisee and its affiliates (which shall include individuals and entities controlled by, controlling or under common control with Franchisee) equal or exceed the applicable monthly amounts described above in this Section 9.1.3. and the local advertising expenditure requirements in all other applicable franchise agreements to which Franchisee and its affiliates are parties. Franchisee will be deemed not to have satisfied this requirement if Franchisee's aggregate calendar-year expenditures on local advertising for all Jiffy Lube service centers located in the United States and owned by Franchisee and its affiliates do not equal or exceed the applicable monthly amounts described above in this Section 9.1.3. and the local advertising expenditure requirements in all other applicable franchise agreements to which Franchisee and its affiliates are parties. Franchisee's required local advertising expenditure shall be reduced by an amount equal to Franchisee's contribution to the Cooperative. Notwithstanding the above, if Franchisee's aggregate calendar-year expenditures for local advertising do not equal or exceed the amount described above in this Section 9.1.3, during such calendar year, in addition to any other rights and remedies available to Franchisor, Franchisor may, at its option, require that: (a) Franchisee expend such deficiency amount on local

advertising required hereunder during the then current calendar year or (b) Franchisee pay the amount of the deficiency to the NAF.

- 9.1.4** Franchisee shall deliver to Franchisor such proof of Franchisee's compliance with the advertising expenditure requirements of this Section 9.1 at such times and in such manner (including, without limitation, electronically) as Franchisor may prescribe from time to time in the Manual or otherwise in writing.

9.2 Formation of a Cooperative

- 9.2.1** A Cooperative will be formed in a geographic area determined by Franchisor to be appropriate either (a) at the request of one-half or more of the then-existing franchisees located in that area, or (b) at such other time as Franchisor deems appropriate. If a Cooperative exists in the area in which the Franchised Center is located, then Franchisee will become a member of such Cooperative as soon as is practical.

- 9.2.2** Franchisee may request that Franchisor excuse it from the requirement of membership in a Cooperative. Franchisor's decision with regard to any requested excuse from membership in a Cooperative will be final. Pending resolution of a request to be excused from required membership in a Cooperative, Franchisee will continue to make the required contributions to the Cooperative.

- 9.2.3** Any Cooperative will be formed and operated in a form and manner of which Franchisor approves. Any advertising and promotional plans and materials the Cooperative wishes to use must receive Franchisor's prior written approval. The Cooperative will be responsible to its members to expend the funds entrusted to it in an equitable manner; however, benefits may not be directly proportional to contributions. Any contribution or payment required to be made to a Cooperative must be made on or before the 15th day of each month based on the Gross Sales of the Franchised Center for the preceding month. The Cooperative will use the funds contributed to it by its members to provide advertising in the area the Cooperative was formed to serve, and to develop standardized promotional material for advertising programs in that area for the benefit of member franchisees. Franchisor's right to approve a Cooperative's operation includes a right to monitor and/or audit advertising expenditures by the Cooperative.

9.3 Approval of Advertising by Franchisor

All of Franchisee's advertising in any medium will conform to the standards and requirements of the Manual. Franchisee will submit to Franchisor and obtain Franchisor's prior written approval of all advertising and promotional plans and materials that Franchisee wishes to use. **Any use of any advertising or promotional materials that have not been approved by Franchisor in writing shall be deemed to be a breach of this Agreement.** Franchisee need not submit for approval any materials supplied by Franchisor or to which Franchisor has given approval within the prior 12 months.

9.4 Advertising Materials Provided by Franchisor

During the term of this Agreement, Franchisor will provide relevant marketing materials at no charge to Franchisee. Such marketing materials will include (a) materials which refer to “**Jiffy Lube**” and to products sold by SOPUS Products and/or “**Shell**” or other suppliers (“**Supplier Materials**”) and (b) materials which refer to “**Jiffy Lube**” and do not refer to any specific supplier to Service Centers (“**Generic Materials**”).

9.5 NAF

9.5.1 Franchisee shall pay one and one-half percent (1.5%) of the Gross Sales of the Franchised Center (“**Franchisee Ad Fund Commitment**”) to Franchisor for contribution to a separate and segregated national advertising fund, the NAF, which Franchisor administers for the purpose of enhancing the goodwill and public image of the brand and System through advertising and sponsorships. Franchisee agrees to make contributions to the NAF at the rate Franchisor establishes, provided that Franchisor may not establish a NAF contribution rate in excess of the Franchisee Ad Fund Commitment.

9.5.2 Franchisor shall administer the NAF, provided, however, that all uses of NAF monies shall be approved by an appointed and/or elected board (“**National Advertising Board**” or “**NAB**”) in accordance with the procedures set forth in the NAF by-laws. The NAB shall at all times function in accordance with written by-laws approved by Franchisor and the NAB. The by-laws shall address, among other things, the appointment and/or election of members, eligibility for membership, and the manner and extent to which Franchisor shall seek and obtain the approval of the NAB. Franchisor shall comply with the by-laws, as they may be amended from time to time by the NAB, with Franchisor’s approval. The purpose of the NAB is to effectively and efficiently implement national advertising and communication strategies in accordance and alignment with Franchisor’s marketing strategy to benefit the Jiffy Lube lubrication and oil change businesses (owned and operated by franchisees) and the Jiffy Lube brand and marks, by facilitating candid and open communication between franchisees and Franchisor regarding the NAF and the activities related to the NAF. However, such purpose may be modified in accordance with a change to the by-laws.

9.5.3 To the extent feasible, Franchisor shall strive to spend NAF contributions in a manner that provides advertising benefits to all participating Service Centers. However, Franchisor does not guarantee that all Service Centers shall receive equal advertising benefits in view of regional differences in media costs, varying degrees of market penetration in different Service Centers and other relevant factors. To the extent any NAF monies are not expended during a calendar year, such monies shall roll over to the succeeding calendar year(s).

9.5.4 Although the NAF is intended to be of perpetual duration, Franchisor may terminate the NAF at any time. Upon termination, all funds in the NAF at the

time of termination will be spent on a final national media buy. In the event of Franchisor's termination of the NAF, Franchisor will be entitled to spend monies in the NAF consistent with the by-laws. Notwithstanding the above, a vote for dissolution of the NAF by participating franchisees at the end of the first four years of existence of the NAF may be held upon a majority vote of the NAB. Anytime thereafter, a vote for dissolution of the NAF may be called by a majority vote of the NAB. Dissolution of the NAF will occur upon the vote in favor of dissolution by not less than ninety five percent (95%) of all franchisee entities participating in the NAF and entitled to vote.

- 9.5.5** Franchisor reserves the right to structure and organize the NAF in ways that, in Franchisor's judgment, most effectively and efficiently accomplish the NAF's objectives. Franchisor may therefore, at its sole option, organize or reorganize the NAF as a separate non-profit corporation or other appropriate entity and transfer the NAF's assets to the entity. Franchisee voting rights through the NAB and usage of NAF funds will not be impacted by any structure or organization modification.
- 9.5.6** NAF monies may be used (i) to pay for the placement of advertising in media of all types expected to have national or system-wide coverage or effect, (ii) to pay for sponsorships of events, teams, and organizations expected to have national or system-wide coverage or effect and the advertising and promotion thereof, and (iii) for advertising agencies, consultants, third-party service providers that are directly related to projects of a character described in clauses (i)-(ii).
- 9.5.7** Franchisor shall produce, at Franchisor's expense all advertising placed by or through the NAF. Franchisor shall have the sole right to determine the content of such advertising, in compliance with the by-laws.
- 9.5.8** Advertising and sponsorship efforts funded by the NAF will be focused on the Jiffy Lube[®] brand and Jiffy Lube services. SOPUS Products' products (including Pennzoil[®] motor oils) may also be included in such advertising and sponsorship efforts. At no time will NAF monies be utilized solely to support or promote the Pennzoil[®] brand or Pennzoil[®] products.

10. TRANSFERABILITY OF INTERESTS

10.1 Transfer by Franchisor

Franchisor may transfer or assign all or any part of its rights or obligations under this Agreement to any person or entity.

10.2 Transfer by Franchisee

- 10.2.1** Franchisee acknowledges that its rights and duties under this Agreement are personal to Franchisee, and that Franchisor has granted this franchise in reliance on Franchisee's business skill, financial capacity and other factors. Franchisee

may not assign any of its rights or delegate any of its duties under this Agreement or pledge this Agreement to secure a loan or other obligation, without the prior written consent of Franchisor. Franchisee may not sell or otherwise dispose of any interest in the Franchised Center without Franchisor's prior written consent. Franchisor has no obligation to consent to the assignment of Franchisee's rights or delegation of its duties under this Agreement. Franchisor has no obligation to consent to the sale or other disposal of the Franchised Center to a corporation the stock of which is traded on any public stock exchange including the National Association of Securities Dealers Automated Quotation system ("NASDAQ").

10.2.2 If Franchisee is a corporation, limited liability company, partnership or other business entity ("**Business Entity**"), no owner of an equity interest in Franchisee may sell or otherwise dispose of its interest in Franchisee, or pledge its interest in Franchisee to secure a loan or other obligation, without Franchisor's prior written consent, except that an owner of an equity interest in Franchisee may sell its, his or her interest to another equity interest holder in Franchisee without Franchisor's consent if such sale or disposition, alone or together with other sales, does not result in a change of control of Franchisee. If Franchisee is a Business Entity, Franchisee may not cause new equity interests to be issued to any person, except to another equity interest holder in Franchisee, without Franchisor's prior written consent. Franchisor is under no obligation to consent to the issuance of new equity in Franchisee to a Business Entity whose equity securities are traded on any public stock exchange, including NASDAQ.

10.2.3 Neither Franchisee nor any owner of an equity interest of Franchisee may register Franchisee's securities for sale pursuant to the Securities Act of 1933 or any state's securities laws. Neither Franchisee nor any owner of Franchisee's securities may cause the equity securities of Franchisee to be traded on any public stock exchange, including NASDAQ.

10.2.4 Franchisor may, in its sole discretion, require any or all of the following as conditions to its approval of a proposed assignment of this Agreement, the sale of the Franchised Center or a change in control of Franchisee:

10.2.4.1 The transferor may be required to satisfy all accrued monetary obligations of the transferor to Franchisor and its subsidiaries and affiliates;

10.2.4.2 The transferor may be required to execute, in a form satisfactory to Franchisor, a general release of any and all claims in favor of Franchisor, and its subsidiaries, affiliates, and their respective officers, directors, equity holders, agents, employees, and such other related parties, except:

10.2.4.2.1 claims of which either Franchisor or Franchisee has given written notice to the other party before the date of the transfer *provided* that any such claim shall be lost and forever waived in the event

such claim is not resolved or suit instituted within the earlier of (1) two years from the date of the transfer, or (2) the expiration of the otherwise applicable statutory or contractual limitations period;

10.2.4.2.2 claims by Franchisor for royalties, reminder mail charges, fleet account debits, computer hardware support charges, rents, additional rents and other similar periodic, liquidated or readily calculable indebtedness arising under this or any other agreement;

10.2.4.2.3 claims by Franchisee for fleet account credits and other periodic, liquidated or readily calculable indebtedness arising under this or any other agreement; and

10.2.4.2.4 claims by Franchisor to enforce any obligations arising under Section 14 or Section 15.1.3;

10.2.4.3 If the transfer is an assignment of Franchisee's rights and a delegation of Franchisee's duties under this Agreement, the transferee and its equity holders may be required to

10.2.4.3.1 execute Franchisor's then current form of franchise agreement applicable to the Products Program, for a term ending on the expiration date of this Agreement;

which may include terms that may differ substantially from the terms of the Agreement including, without limitation, requirements to offer specified services, a higher advertising contribution, increased royalty fees, and the addition of other fees; and

10.2.4.3.2 execute such other ancillary agreements (including a lease or sublease, option agreement or contingent assignment and assumption agreement) as Franchisor may require for a Service Center then being newly franchised; and

10.2.4.3.3 complete to Franchisor's satisfaction, as and when Franchisor shall reasonably require, all of the maintenance, refurbishing, renovating and remodeling of the Franchised Center, its equipment and furnishings, including that which is necessary to conform to and comply with Franchisor's then current specifications.

10.2.4.4 If the transfer is of a controlling interest in Franchisee, Franchisee and its new equity holders may be required to:

10.2.4.4.1 execute Franchisor's then-current form of franchise agreement, applicable to the Products Program for a term ending on the expiration date of this Agreement,;

which may include terms that may differ substantially from the terms of the Agreement including, without limitation, requirements to offer specified services, a higher advertising contribution, increased royalty fees, and other fees; and

10.2.4.4.2 such other ancillary agreements (including a lease or sublease, option agreement or contingent assignment and assumption agreement) as Franchisor may require for a Service Center then being newly franchised; and

10.2.4.4.3 complete to Franchisor's satisfaction, as and when Franchisor shall reasonably require, all of the maintenance, refurbishing, renovating and remodeling of the Franchised Center, its equipment and furnishings, including that which is necessary to conform to and comply with Franchisor's then current specifications;

10.2.4.5 The transferee shall be required to submit to Franchisor a financial statement and other documentation reasonably required by Franchisor, sufficient to demonstrate to Franchisor's satisfaction that the transferee meets Franchisor's managerial and business standards; possesses a good moral character, business reputation, and credit rating; has the aptitude and ability to operate the Franchised Center (as may be evidenced by prior related business experience or otherwise); and has adequate financial resources and capital to operate the Franchised Center;

10.2.4.6 The transferee may be required to make payments accrued before the transfer but not yet due at the time of the transfer, except those obligations which are specifically the responsibility of the transferor;

10.2.4.7 An individual transferee or officers of a corporate transferee who will be involved in the operation of the Franchised Center may be required to complete any training programs then in effect for franchisees;

10.2.4.8 If the transfer is an assignment of Franchisee's rights and a delegation of Franchisee's duties under this Agreement, or if the transfer is of a controlling interest in Franchisee including where the transfer is to an existing equity holder, the transferee shall be required to pay Franchisor a transfer fee in an amount equal to \$3,500, plus all actual expenses incurred by Franchisor in connection with the transfer;

10.2.5 If Franchisor requires the transferee to sign a new franchise agreement which differs from this Agreement, then Franchisor shall promptly deliver to both

the transferor and the transferee a copy of Franchisor’s legally required Federal Disclosure Document (“FDD”) and shall satisfy any other then applicable statutory obligations relating to the offer and sale of franchises; and

10.2.6 If Franchisor allowed Franchisee to install and use a point of sale computer system other than the system prescribed by Franchisor, then prior to transfer, Franchisee must install and begin using the POS system and the POS Software then prescribed by Franchisor for use in all Service Centers.

10.2.7 Franchisor may condition its consent to a pledge of this Agreement to secure a loan or other obligation as follows:

10.2.4.9 Franchisee shall provide Franchisor with complete copies of any instruments evidencing such loan or obligation and any agreement granting or describing the security for such debt (the “**Debt Agreements**”). Franchisor may require, among other things: (i) that a default under the Debt Agreements constitute a default under this Agreement and all other agreements between Franchisor and Franchisee; (ii) that the creditor give Franchisor notice of any default by the borrower under the terms of any of the Debt Agreements; (iii) that such notice be contemporaneous with any notice to the borrower; (iv) that if the borrower does not cure the noticed default within the time provided for such cure (if any), then within a period of 30 days after the expiration of any cure period available to Franchisee, Franchisor may cure the borrower’s default by paying to the lending institution all money due to it under the Debt Agreements, excluding any prepayment penalties; (v) that upon such cure by Franchisor, the lending institution will assign to Franchisor all of its rights under this Agreement, the lease of the premises at which the Franchised Center is located, and any other rights pertaining to Franchisee’s Jiffy Lube business as the lending institution may hold; (vi) that if Franchisor fails to cure this Agreement in the manner described above, the lending institution to which this Agreement is pledged or assigned as collateral will be bound to all of the terms of this Agreement and may not transfer this Agreement to any other person or entity without Franchisor’s prior written consent; and (vii) that a default under this Agreement or any other agreement between Franchisor and/or its subsidiaries and Franchisee constitute a default under the Debt Agreements.

10.3 Transfer to Franchisee’s Corporation or Partnership

If Franchisee is an individual or group of individuals, and if a proposed transfer is to a Business Entity formed by Franchisee without distributing stock, units, partnership interests or any other ownership interest to any person other than Franchisee, Franchisor’s consent to the proposed transfer may be conditioned on the following requirements in addition to those specified in Section 10.2.4 of this Agreement:

- 10.3.1** Each certificate representing an ownership interest in the Business Entity transferee will be conspicuously marked with a statement to the effect that an ownership interest in the transferee is held subject to the terms of this Agreement, and that further transfer of such ownership interest is subject to the terms of this Agreement;
- 10.3.2** All owners of equity interests in the Business Entity of the transferee may be required (a) jointly and severally to guarantee the Business Entity transferee’s performance of its obligations under this Agreement and (b) to agree to the terms of this Agreement that apply to equity holders, members or partners of Business Entity franchisees; and
- 10.3.3** The Business Entity transferee may be required to give Franchisor copies of its articles of incorporation, certificate of partnership, by-laws, and all other governing documents, together with copies of relevant resolutions, including the resolution authorizing the transferee to accept the rights and assume the duties of Franchisee under this Agreement.

10.4 Transfer and Issuance of Securities

- 10.4.1** Franchisee will not authorize a transfer of any of its stock or other securities, or enter such a transfer on its records, unless the transfer complies with the provisions of this section. All certificates representing Franchisee’s stock or other securities will be conspicuously marked with a statement similar to the following:

The transfer of this security is subject to the terms and conditions of a Franchise Agreement between Jiffy Lube International, Inc., and [the Franchisee’s name] dated _____. Reference is made to said Franchise Agreement and to the Articles of Incorporation and By-laws of this [entity].

- 10.4.2** Neither Franchisee nor any owner of an equity interest in Franchisee will make any public offerings of the securities of Franchisee, whether or not such an offering would effect a change in control of Franchisee. For purposes of this Agreement, a “**public offering**” is an offer of securities of Franchisee either requiring registration under the Securities Act of 1933 or a similar statute or directed, in the aggregate, to more than 10 offerees.

10.5 Franchisor’s Right of First Refusal

- 10.5.1** If Franchisee wishes to accept a bona fide offer from a person other than Franchisor (an “**Offeror**”) to purchase or otherwise acquire (by merger, reorganization, exchange or the like) an interest in Franchisee, the Franchised Center or an interest in the Franchised Center, Franchisee will notify Franchisor in writing of the precise terms of such offer and provide Franchisor with copies of all documents containing such terms and Franchisor will have 20 days after receipt of such written notice and such copies to send written notice to Franchisee that Franchisor or a party designated by Franchisor will purchase or otherwise acquire an interest in Franchisee, the Franchised Center (or an interest in the

Franchised Center) as the case may be on the same terms and conditions offered by the third party or their cash equivalent, subject to Franchisor's inspection of the Franchised Center and determination that it is reasonably free from contamination by hazardous wastes or substances.

- 10.5.2** If any owner of an equity interest in Franchisee desires to accept a bona fide offer from an Offeror to purchase that equity holder's interest in Franchisee, that equity owner will notify Franchisor in writing of the precise terms of such offer and Franchisor will have 20 days after receipt of such written notice, to send written notice to that equity owner that Franchisor or a party designated by Franchisor intends to purchase that equity owner's interest on the same terms and conditions offered by the third party or their cash equivalent, subject to Franchisor's inspection of the Franchised Center and determination that it is reasonably free from contamination by hazardous wastes or substances.
- 10.5.3** If Franchisor exercises its rights under Sections 10.5.1 or 10.5.2 of this Agreement, but if the parties cannot agree on the cash equivalent of the Offeror's offer, then Franchisor will designate an independent appraiser at Franchisor's expense, and the appraiser's determination will be binding on both parties.
- 10.5.4** If Franchisor exercises its rights under Sections 10.5.1 or 10.5.2 of this Agreement, then closing on such purchase must occur within the earlier of 60 days from (i) the date of Franchisor's written notice to the seller of Franchisor's exercise of such rights or (ii) the date the parties received the report of the appraiser as per Section 10.5.3.
- 10.5.5** If Franchisor does not exercise its rights under Sections 10.5.1 or 10.5.2 of this Agreement, then, subject to Franchisor's rights to approve the proposed transfer, the seller may transfer the Franchised Center or interest in the Franchised Center or Franchisee (as the case may be) to the Offeror on the exact terms contained in the Offeror's offer. Any material change in the terms of the Offeror's offer before closing will constitute a new offer subject to the same rights of first refusal by Franchisor as in the case of an initial offer. Franchisor's failure to exercise its rights under Sections 10.5.1 or 10.5.2 of this Agreement will not constitute a waiver of any other provision of this Agreement, including all of the requirements of this Section 10 with respect to Franchisor's right to approve, and to impose conditions on, a proposed transfer.

10.6 Transfer to a Member of the Immediate Family.

If a proposed transferee of the Franchised Center or an interest in Franchisee is a member of the immediate family (parent, spouse, son, daughter or sibling) of the proposed transferor, Franchisor will not have any right of first refusal as provided in Section 10.5 of this Agreement; however, Franchisor retains all of the rights described in this Section 10 with respect to Franchisor's right to approve, and to impose conditions on, a proposed transfer.

10.7 Transfer Upon Death or Permanent Incapacity.

Upon (a) the death or permanent incapacity of an individual Franchisee or an equity interest holder in a Franchisee who, at the time of his or her death or incapacity, has the right to control Franchisee, or upon (b) the dissolution of a Business Entity Franchisee, then the executor, administrator, personal representative or trustee of such person or entity will transfer such person's interest to a third party approved by Franchisor within a reasonable time. Such transfers, including, without limitation, transfers by devise or inheritance, will be subject to the same conditions as apply to any other transfer except that in the event of an approved transfer to a member of the immediate family (parent, spouse, son, daughter or sibling) of an individual Franchisee or an equity owner of a Business Entity Franchisee, then Franchisor may not require a fee in connection with the transfer. For purposes of this Section, a person shall be considered to be permanently incapacitated when his or her personal physician certifies a disability as permanent or when a person is unable to perform his or her normal duties on a full-time basis for 90 consecutive days or 90 out of any 120 days.

10.8 Non-Waiver of Claims.

Franchisor's consent to any transfer in the manner prescribed by this Section 10 will not constitute a waiver of any claims Franchisor may have against the transferor. Franchisor's consent to any transfer in the manner prescribed by this Section 10 will not be deemed a waiver of Franchisor's right to demand exact compliance with the terms of this Agreement by the transferee.

11. INSURANCE

11.1 Before opening for business and throughout the term of this Agreement, Franchisee will secure, maintain and pay for insurance as follows:

11.1.1 Property insurance, insuring the Franchised Center, including its building, equipment, supplies and inventory, against loss or damage by fire, windstorm and other risks usually insured against by owners of similar property in the area in which the Franchised Center is located (such as flood insurance if the Franchised Center is located in a flood plain and earthquake insurance if the Franchised Center is located in an area known to be susceptible to earthquakes). Such coverage may not be less than eighty percent (80%) of the replacement cost of the insured assets. Unless otherwise prohibited by any third party under a lease arrangement, any damage to the Franchised Center will be repaired, and the Franchised Center will be restored or rebuilt within 120 days from the date of loss or damage.

11.1.2 Employer's liability insurance with a minimum limit of \$1,000,000 and workers' compensation insurance as prescribed by the law of the state or jurisdiction in which the Franchised Center is located. (This insurance will be secured and maintained as soon as Franchisee has employees, including any time during any training class held before the Franchised Center opens for business.)

- 11.1.3** Commercial General Liability Insurance in an amount not less than \$3,000,000 for combined single limit bodily injury and personal damage, subject to a \$3,000,000 annual aggregate insuring Franchisee and Franchisor against any liability that may accrue against them or any of them on account of (a) any occurrence in or about the Franchised Center during the term of this Agreement or (b) in consequence of Franchisee's operation of the Franchised Center, when such occurrence results in actual or alleged personal injury, death or property damage.
- 11.1.4** Garagekeepers' liability insurance in an amount not less than \$60,000 per occurrence in conjunction with the care, custody and control of vehicles at the Franchised Center.
- 11.1.5** Business interruption insurance, which includes rent obligations covering a period of not less than 6 months.
- 11.2** Franchisor reserves the right and Franchisee hereby agrees to increase the minimum insurance coverage thresholds set forth in Sections 11.1.1, 11.1.2, 11.1.3 and 11.1.4 upon not less than 120 days prior written notice and provided that, to the extent that it is contractually able, Franchisor requires such minimum insurance coverage thresholds increases of each System franchisee on a consistent basis and the minimum insurance coverage required is reasonable when compared with businesses and operations similar to that described herein.
- 11.3** All insurance policies required by this Agreement will be issued by a company with a Best's Key Rating Guide[®] rating of "A" or better.
- 11.4** Whenever requested, but not more than once each calendar year, Franchisee shall promptly furnish evidence satisfactory to Franchisor that such insurances are in effect. To the maximum extent permitted by applicable law, all insurance policies maintained by Franchisee in accordance with this Section and any other insurance maintained applicable to Franchisee's performance hereunder shall provide a waiver of subrogation in favor of Franchisor and any joint operation parties, and name Franchisor (and its shareholders and subsidiaries) and any parties in joint operation with Franchisor as additional named insureds with respect to all applicable insurance coverage with terms equivalent to ISO CG 20 26 11 85.
- 11.5** Any such insurance shall be regarded as primary insurance underlying any other insurance available to Franchisor. These insurance requirements shall not be limited by the liability and indemnity provisions contained in this Agreement. Insurance policies shall give Franchisor at least 30 days written notice of cancellation, non-renewal or material change and any deductible or retention of insurable risks shall be for Franchisee's account. If it is judicially determined that any of the insurance obligations under this Agreement are unenforceable in any respect under applicable law, said obligations shall automatically be amended to conform to the maximum limits and other provisions in the applicable law for so long as the law is in effect.

11.6 If Franchisee fails to procure or continue any of the insurance described in this Section 11, then Franchisor is authorized, but not obligated, to procure the same and Franchisee will promptly reimburse Franchisor for the cost of such insurance.

12. **HOLD HARMLESS**

EXCEPT AS PROVIDED IN SECTION 3.2.7 OF THIS AGREEMENT WITH REGARD TO CLAIMS INVOLVING THE TRADEMARKS, FRANCHISEE WILL TIMELY DEFEND, RELEASE, HOLD HARMLESS, AND INDEMNIFY FRANCHISOR, FRANCHISOR'S SUBSIDIARIES, AND THEIR RESPECTIVE OFFICERS, DIRECTORS, SHAREHOLDERS, AGENTS AND EMPLOYEES, FROM AND AGAINST ANY AND ALL LOSSES, EXPENSES, JUDGMENTS, CLAIMS, REASONABLE ATTORNEYS' FEES, COSTS, AND EXPENSES (AND INTEREST ON SUCH FEES, COSTS, AND EXPENSES), AND DAMAGES ARISING OUT OF OR IN CONNECTION WITH ANY CLAIM ARISING DIRECTLY OR INDIRECTLY FROM, AS A RESULT OF, OR IN CONNECTION WITH FRANCHISEE'S OPERATION OF THE FRANCHISED CENTER, THIS AGREEMENT, AND/OR FRANCHISEE OR FRANCHISEE'S EMPLOYEES' ACTIONS OR INACTION REGARDLESS OF WHETHER FRANCHISOR CONTRIBUTED TO, OR IS ALLEGED TO HAVE CONTRIBUTED TO THE CLAIM BY ITS OWN ACTIVE OR PASSIVE NEGLIGENCE. 13.2 Termination without Opportunity to Cure by Franchisee

Upon the occurrence of any of the defaults described in this Section 13.2, Franchisor may terminate this Agreement and all rights granted under this Agreement without affording Franchisee any opportunity to cure the default, and such termination will be effective immediately upon Franchisee's receipt of notice of the default.

If any default described in a notice of default given under this Section 13.3.1 is not cured, or if a cure is not begun and diligently pursued, within the time provided by this Section 13.3.1 (or such longer period as applicable law may require), then Franchisor may terminate this Agreement without further notice to Franchisee, effective immediately upon the expiration of the period provided by this Section 13.3.1 (or such longer period as applicable law may require). For purposes of this Agreement, a default consisting of the failure to maintain the supply agreement with SOPUS Products described in Section 7.3.2. (resulting other than from the termination thereof by SOPUS Products or Franchisee without cause pursuant to Section 22(a) of such agreement) may be cured only by executing a new supply agreement with SOPUS Products in compliance with Section 7.3.2., provided however that nothing in this Section 13.3.1. shall be construed to require SOPUS Products to enter into a supply agreement with Franchisee.

13.3.2 Without limitation to the provisions of Section 13.3.1, and in addition to Franchisor's rights under Section 13.2.3, if Franchisee's default is such that Franchisee's conduct reflects negatively upon System or the Trademarks or, in Franchisor's opinion, could have an adverse impact on Franchisor or other System franchisees, then Franchisor may, at its option, require Franchisee to develop and successfully implement a plan, at Franchisee's sole cost and expense to cure the default (a "**Remedial Plan**"). Such Remedial Plan must (i) be approved by Franchisor, (ii) include such remedial action and such schedule for completion thereof as Franchisor may designate, and (iii) include a detailed description of the actions Franchisee will take to help ensure that similar violations will not occur in the future. For purposes of this Section, such Remedial Plan may, at Franchisor's option, include, without limitation, the following:

- a) under-cover video mystery shops for a pre-determined amount of time, paid for by Franchisee; provided that such all mystery shop reports, analyses, videos, audio tapes and other methods of investigation are promptly made available to Franchisor for its review;
- b) additional training conducted by a third party paid for by Franchisee;
- c) additional advertising contributions by Franchisee in an amount to be agreed between Franchisee and Franchisor;
- d) ineligibility for development opportunities for Franchisee and its affiliates for a pre-determined amount of time;
- e) the transfer of an ownership interest in Franchisee or a transfer of this Agreement, to a third party approved by Franchisor; and/or
- f) such other brand building or remedial actions as Franchisor may reasonably require.

13.4 Defaults Under Other Agreements or Arrangements

13.4.1 Franchisee will promptly and without offset or deduction pay any money owed to Franchisor, any Affiliate of Franchisor (including, without limitation, SOPUS Products), the NAF or any Cooperative when such money is due; Franchisee's failure to do so will constitute a default under this Agreement for which a notice of default may be given under Section 13.3.1 of this Agreement.

13.4.2 Entities controlled by or under common control with Franchisee will make all payments to Franchisor and Franchisor's subsidiaries when those payments are due, without offset or deduction. Such entities' failure to do so will constitute a default under this Agreement for which a notice of default may be given under Section 13.3.1 of this Agreement. For purposes of this Agreement, an entity is "**controlled by**" Franchisee if Franchisee owns a majority of the voting stock or

partnership interest of the entity, or if Franchisee has a contractual right to manage the entity. An entity is “**under common control**” with Franchisee if some combination of the owners of a majority of the voting stock or partnership interest of Franchisee also own a majority of the voting stock or partnership interest of the entity.

13.4.3 If Franchisee is controlled by or under common control with one or more other franchisees of Franchisor, then at Franchisor’s option Franchisee shall cause each other such franchisee to execute the Agreement in the space provided in Section 19 of this Agreement to signify its agreement that Franchisee’s failure to make all payments to Franchisor and Franchisor’s subsidiaries when those payments are due, without offset or deduction, or a material default under this Agreement, will constitute a default under each franchise agreement with each other such franchisee as if such franchisee had failed to make a payment to Franchisor under each franchise agreement to which it is a party, with regard to which Franchisor may give notice of default in the manner provided by such other franchise agreement(s).

13.4.4 A default by Franchisee or any entity controlled by or under common control with Franchisee under the terms of any loan guaranteed in whole or in part by Franchisor or Franchisor’s parents or affiliates after expiration of any notice or cure provisions provided for under the loan documents will constitute a default under this Agreement for which a notice of default may be given under Section 13.3.1 of this Agreement.

13.5 Defaults by Franchisor

In the event of a material default by Franchisor of its obligations to Franchisee under this Agreement (a) Franchisor will have 30 days after its receipt of a written notice of default from Franchisee within which to cure any default under this Agreement, or (b) if a default is of a nature that it cannot reasonably be completely cured in 30 days, Franchisor must begin and diligently pursue a cure within 30 days after its receipt of a written notice of default from Franchisee, but may have a reasonable time within which to cure such default. If any default described in a notice of default given under this Section 13.5 is not cured, or if a cure is not begun and diligently pursued within the time provided by this Section 13.5, then Franchisee may terminate this Agreement without further notice to Franchisor, effective immediately upon the expiration of the period provided by this Section 13.5.

13.6 Notice Required by Law

Notwithstanding anything to the contrary, in the event any valid, applicable law or regulation of a competent governmental authority having jurisdiction over this franchise and the parties hereto shall limit Franchisor’s rights of termination hereunder or shall require longer notice periods than those set forth herein, this Agreement shall be deemed amended to conform to the minimum notice periods or restrictions upon termination required by such laws and regulations. Franchisor shall not, however, be precluded from contesting the validity, enforceability or applicability or application of such laws or

regulations in any action, arbitration, hearing or dispute relating to this Agreement or the termination thereof.

14. OBLIGATIONS UPON EXPIRATION OR TERMINATION

Upon (a) expiration or termination of this Agreement for any reason whatsoever, or, as applicable (b) transfer of the Franchised Center:

- 14.1** If as a result of an expiration or termination of this Agreement, Franchisee vacates the Franchised Center and Franchisor obtains possession of the Franchised Center, then Franchisor will either reimburse Franchisee or credit Franchisee's accounts with Franchisor with an amount equal to one-half of the then-current price, for any tools, equipment and non-inventory personal property owned by Franchisee and remaining at the Franchised Center at the time of the expiration or termination of this Agreement plus the lesser of Franchisee's actual cost or the fair market value of any usable inventory owned by Franchisee and remaining at the Franchised Center at the time of the expiration or termination of this Agreement.
- 14.2** Franchisee will promptly surrender to Franchisor or, if so directed by Franchisor, destroy and immediately discontinue the use of, all items and materials bearing any of Franchisor's service marks, trademarks or trade names and all signs, structures, literature, forms, or promotional advertising materials, and any other article of personal property using the Trademarks or the words "Jiffy Lube" or any name, service mark or trademark which may be confusingly similar to any of the Trademarks.
- 14.3** If Franchisee retains possession of the Franchised Center, then at its own expense, Franchisee will make whatever changes in the building Franchisor may reasonably require so as (a) to differentiate the business conducted at the Franchised Center after expiration or termination of this Agreement from the business conducted at a Service Center and (b) to differentiate the Franchised Center from Service Centers.
- 14.4** If Franchisee retains possession of the Franchised Center, Franchisee will offer to Franchisor all inventory marked with any of the Trademarks at Franchisee's original purchase price less a ten percent (10%) restocking charge. Franchisee will dispose of any inventory bearing any Trademarks that is not repurchased by Franchisor in the manner prescribed by Franchisor at the time.
- 14.5** Franchisee will discontinue any telephone listings, radio and newspaper advertising, and any other form of commitment which may in any way identify Franchisee as a Jiffy Lube franchisee.
- 14.6** Franchisee will return to Franchisor the Manual, all System Manuals and all copies of Confidential Information acquired by Franchisee before the termination or expiration of this Agreement.
- 14.7** Franchisee will not continue to use any Confidential Information, systems or procedures learned as a result of, or covered by, this Agreement.

- 14.8** Franchisee will return or destroy all POS Software together with any manuals, disks or other media containing or describing the POS Software.
- 14.9** If Franchisee fails to comply with its obligations under this Section 14, Franchisor may enter the Franchised Center and remove the Confidential Information and materials marked with any of the Trademarks, without liability to Franchisee and without being deemed to have committed a trespass or any other tort.
- 14.10** Franchisee and Franchisor will make a prompt, final accounting upon expiration or termination of this Agreement or its transfer with Franchisor's consent, and any sums owed by either party to the other will be paid immediately.
- 14.11** The provisions of this Section 14 survive expiration or termination of this Agreement.

15. COVENANTS NOT TO COMPETE

Franchisee acknowledges that the methods of doing business and other elements of which the System is composed are distinctive and have been developed by Franchisor at great effort, time and expense. While this Agreement is in effect, Franchisee will have regular and continuing access to Confidential Information and training regarding the System. Franchisee has the obligation to promote and develop the Franchised Center. Franchisee accordingly agrees as follows:

15.1 "In Term Covenants"

15.1.1 Franchisee and each of the equity owners, officers and directors of Franchisee who sign this Agreement in the space following Section 19 covenant that during the term of this Agreement, neither Franchisee nor any of the signing Franchisee's respective equity owners, officers, directors or employees will divert or attempt to divert any business or customer of the Franchised Center to any competitor, by direct or indirect inducement, for itself or through, on behalf of, or in conjunction with any person.

15.1.2 [INTENTIONALLY DELETED]

15.1.3 Franchisee and each of the equity holders, officers and directors of Franchisee who sign this Agreement in the space following Section 19, covenant that during the term of this Agreement, neither Franchisee nor any of its equity holders, officers or directors will own, maintain, engage in, have any interest in, be employed by, or perform any service for any business which is the same as or substantially similar to the business conducted by the Franchised Center or a Service Center and which is located within the state in which the Franchised Center is located or within 10 miles of any other Service Center in the United States, either directly or indirectly, for itself or through, on behalf of, or in conjunction with any other person. "**Substantially similar**" as used herein is defined as any business which provides services that are either approved or required pursuant to this Agreement or the Manual and that maintains more than

twenty percent (20%) of its net sales through oil change services measured either on an annual or monthly basis at Franchisor's sole discretion.

15.2 "Post Term Covenants"

15.2.1 [INTENTIONALLY DELETED]

15.2.2 Franchisee and each equity holder, officers and directors of Franchisee who sign this Agreement in the space following Section 19 covenant that for a period of three years after the expiration or termination of this Agreement (regardless of the cause of termination) or transfer of this Agreement, neither Franchisee nor any of its equity holders, officers or directors will own, maintain, engage in, have any interest in or perform any service for any business which is the same as or substantially similar to the business conducted under this Agreement or at a Service Center, and which is located: (a) at the site of or within a 10-mile radius of the Franchised Center, or (b) within a 10-mile radius of any Service Center within the state in which the Franchised Center is located, or (c) within a 10-mile radius of any Service Center in the United States, either directly or indirectly, for itself or through, on behalf of, or in conjunction with any other person. "**Substantially similar**" as used herein is defined as any business which provides services that are either approved or required pursuant to this Agreement or the Manual and that maintains more than twenty percent (20%) of its net sales through oil change services measured either on an annual or monthly basis at Franchisor's sole discretion.

15.2.3 The provisions of this Section 15.2 shall survive expiration or termination of this Agreement.

15.3 Covenants from Others

At Franchisor's request, unless otherwise prohibited by law, Franchisee will obtain covenants similar in substance to those set forth in this Section 15 from any of its directors, officers, management employees or equity holders who do not sign this Agreement. Such covenants will be in a form prescribed by Franchisor and may include an acknowledgement of other obligations of Franchisee that may affect Franchisee's officers, directors, management, employees and equity holders. To the extent that such covenants relate to periods following expiration or termination of this Agreement, or transfer of the Franchised Center or an interest in Franchisee, then such provisions survive such expiration, termination or transfer.

15.4 Consent to Injunctive Relief

Franchisee acknowledges that its violation of the provisions of this Section 15 would result in irreparable injury to Franchisor for which no adequate remedy at law would be available. Franchisee consents to the issuance of an injunction prohibiting any conduct by Franchisee in violation of the provisions of this Section 15.

15.5 Construction

15.5.1 The parties agree that each of the covenants set forth in this Section 15 are to be construed independently of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section 15 is held unenforceable by a court or agency having valid jurisdiction in a final decision in a matter to which Franchisor is a party, then Franchisee agrees to be bound by any covenant which is less restrictive than, but included within, the terms of such unenforceable covenant and which imposes the maximum duty that is enforceable, as if the resulting covenant were separately stated in this Section 15.

15.5.2 Franchisee understands and acknowledges that Franchisor may reduce the scope of any covenant set forth in this Section 15 without Franchisee's separate consent, and that such reduction in scope will be effective immediately upon Franchisee's receipt of written notice thereof. Franchisee agrees that it will comply with any covenant as so reduced in scope.

15.6 Permitted Ownership of Publicly Traded Corporations

Nothing in this Section 15 is intended to, or does, prohibit any ownership by Franchisee or any of its equity holders, officers, directors or employees of less than a three percent beneficial interest in the equity securities of any publicly-traded corporation.

16. MISCELLANEOUS

16.1 Franchisee is an Independent Contractor

This Agreement does not create a fiduciary or other special relationship between Franchisor and Franchisee. Franchisee is an independent contractor with the right to complete control and direction of the Franchised Center, subject only to the conditions and covenants established within this Agreement, the Manual and the System Manuals. No agency, employment, or partnership is created or implied by the terms of this Agreement. Franchisee's business is totally separate from Franchisor. Franchisee acknowledges and agrees that Franchisor is not, and nothing in this Agreement or the Policies and Procedures Manual is intended to make, the Franchisor the employer or joint employer of Franchisee's employees. Neither party to this Agreement will represent to anyone that it may act for the other party or that it has an agency, employment or partnership relationship with the other. Neither party has authority to act for or on behalf of the other in any manner. Neither party may create obligations or debts binding upon the other. Neither party is responsible for any obligations, expenses or debts of the other. No employee of Franchisee is an employee of Franchisor, and no employee of Franchisor is an employee of Franchisee.

16.2 Compliance with Law

16.2.1 Franchisee is solely responsible for and will comply with all laws, regulations, ordinances and environmental and industry standards applicable to the operation of the Franchised Center. Franchisee, and not Franchisor, will secure, maintain

and pay for all licenses, permits, certificates and inspections required by applicable laws. Franchisee, and not Franchisor, will pay all occupation, privilege, franchise, sales, use, employment, income and other taxes attributable to Franchisee's construction, operation or ownership of the Franchised Center. Franchisee, and not Franchisor, will pay all water, sewer, gas, telephone, electric or other utility charges assessed or charged by reason of Franchisee's construction, operation or ownership of the Franchised Center.

16.3 Effect of Partial Invalidity

This Agreement is to be construed in accordance with all applicable federal, state and local laws and regulations; any provision of this Agreement which is contrary to those laws and regulations will be deemed to be modified to the extent required to render it lawful. If any provision of this Agreement is determined to be partially or wholly invalid, that determination will not affect the validity of any other provision of this Agreement, and the remaining provisions will remain in full force and effect. If any provision of this Agreement is determined to be only partially invalid, the remainder of such provision will continue to be enforced if the valid remainder of the provision continues to reflect the originally apparent intent of the parties.

16.4 Waiver and Estoppel

Any failure by Franchisor or Franchisee to promptly avail itself of any default on the part of the other will not operate as an estoppel so as to prevent the non-defaulting party from asserting the default at a subsequent time.

16.5 No Third Party Beneficiaries

Franchisee acknowledges that it is not an intended third party beneficiary of any franchise agreement between Franchisor and any other person, including any other franchisee.

16.6 Force Majeure

If as a result of Force Majeure any party is rendered unable, wholly or in part, to carry out its obligations under this Agreement (except for the payment of money) then the obligations of the party giving such notice, so far as and to the extent that the obligations are affected by such Force Majeure, shall be suspended during the continuance of any inability so caused, but for no longer period. For purposes of this Agreement, "**Force Majeure**" shall be inclusive of but not limited to the following events: flood, hurricane or other acts of God; war, civil disturbance, labor dispute, strike, lockout or compliance with any law, order, rule or regulation, whether similar or dissimilar, beyond the reasonable control of the said party. The party claiming Force Majeure shall notify the other party of the Force Majeure situation within a reasonable time (not to exceed 30 days) after the occurrence of the facts relied on and shall keep the other party informed of all significant developments. The notice of Force Majeure shall give full details of said Force Majeure, and also (if possible) estimate the period of time that said party will require to remedy the Force Majeure or to resume performance of its obligations under this Agreement. The

affected party shall use all reasonable diligence to remove or overcome the Force Majeure situation, but shall not be obligated to settle any labor dispute except on terms acceptable to it and all such disputes shall be handled within the sole discretion of the affected party.

16.7 Time

Time is of the essence in this Agreement.

16.8 Interpretation

The caption headings of this Agreement are for convenience only and will in no way affect the manner in which any provision hereof is construed. Whenever the context requires, the singular will include the plural, the plural will include the singular, and any gender will include all other genders. **IF FRANCHISEE IS A GROUP OF INDIVIDUALS, THEIR LIABILITY WILL BE JOINT AND SEVERAL.** Use of the word “**will**” denotes a mandatory activity (*e.g.*, “Franchisee *will* pay royalties,” “Franchisee *will not* disclose Confidential Information”). Use of the word “**may**,” but not with the word “**not**” denotes a discretionary activity (*e.g.*, “Franchisor *may* terminate this Agreement under certain circumstances); use of the word “**may**” with the word “**not**” denotes a mandatory prohibition (*e.g.*, “Franchisee *may not* sell the Franchised Center”). If Franchisee is a partnership, references to “**Franchisee**” are intended to refer to all of the partnership Franchisee’s general partners.

16.9 Notices

Absent notice to the contrary in writing, any and all notices required to be given to Franchisor or Franchisee under this Agreement may be sent using the version of e-signature software currently approved by Franchisor, which software may be changed at Franchisor’s sole discretion, or may be sent by overnight courier or facsimile (with receipt of confirmed transmission) addressed to such party at the address set forth beneath the signature of that party’s representative in Section 19 of this Agreement. Notices to officers or directors of either party may be sent to the address specified for the party itself.

16.10 Accuracy of Information

Franchisee hereby represents and warrants to Franchisor that the information provided by Franchisee to Franchisor in the Franchisor’s application process is true, accurate and complete.

16.11 Governing Law and Venue; Dispute Resolution

16.11.1 Except as otherwise stipulated in Sections 16.11.2 and 16.11.4, or unless expressly prohibited by the franchising statutes of the state in which the Franchised Center is located, this Agreement shall for all purposes be governed by and interpreted and enforced in accordance with the internal laws of the state of Delaware, except that its conflicts of law principles shall not apply.

- 16.11.2** The parties agree to use their best efforts to resolve and settle by direct, private negotiation any claim, controversy or dispute (a “**Dispute**”) that arises under or in relation to this Agreement or that concerns the relationship created by this Agreement.
- 16.11.3** If the parties cannot resolve and settle a Dispute by private negotiation within 60 days after one party gives the other written notice that a Dispute exists, the parties mutually agree to submit the Dispute to non-binding mediation (“**Mediation**”), as follows:
- 16.11.3.1** If Franchisor has requested the Mediation, such Mediation shall occur in Houston, Texas. If Franchisee has requested the Mediation, such Mediation shall occur in the city in which the Franchised Center is located. Mediation shall occur before a single mediator, using the facilities and mediation rules of a professional dispute-resolution organization selected by Franchisor and reasonably acceptable to Franchisee (the “**Mediation Organization**”). If the parties cannot agree on a Mediation Organization, they will use the facilities and mediation rules of the National Franchise Mediation Program.
- 16.11.3.2** The parties shall jointly select a mediator from the panel of mediators maintained by the Mediation Organization. The mediator must be either a retired judge or an individual experienced in business format franchising or franchise law who has no prior social, business or professional relationship with either party. If the parties are unable to agree on a mediator within 30 days after the Dispute is submitted to Mediation, the Mediation Organization will select a mediator who possesses the indicated qualifications.
- 16.11.3.3** The parties will share the Mediation filing fee equally, but will otherwise separately bear their own costs and expenses (including legal fees) of participating in the Mediation process. Each party agrees to send at least one representative to the Mediation conference who has authority to enter into binding contracts on that party’s behalf. Each party further agrees to sign a confidentiality agreement that exempts the mediator from disclosing, orally or in writing, any information the other party discloses to the mediator in confidence at any stage of the Mediation process.
- 16.11.3.4** If either party fails or refuses to participate in Mediation in accordance with this Section 16.11.2, the other shall be entitled to immediately submit the Dispute to binding arbitration in accordance with Section 16.12.4.
- 16.11.4** If the parties cannot fully resolve and settle a Dispute through Mediation within 30 days after the Mediation conference concludes, all unresolved issues involved in the Dispute shall be submitted to binding arbitration, as follows:

- (i) Either party may make a demand for arbitration. A claimant shall make a demand for arbitration promptly after a Dispute has arisen; but, in any event, before the applicable statute of limitations would bar the institution of legal or equitable proceedings based on the Dispute.
- (ii) Arbitration proceedings shall be conducted in the city in which Mediation occurred (or was scheduled to occur) before a single arbitrator, using the facilities and commercial arbitration rules of the Mediation Organization or another professional dispute-resolution organization selected by Franchisor and reasonably acceptable to Franchisee (the “**Arbitration Organization**”). If Franchisor selects an Arbitration Organization other than the Mediation Organization and Franchisee reasonably objects to Franchisor’s choice, the parties will use the American Arbitration Association's facilities and commercial arbitration rules.
- (iii) The Arbitration Organization’s expedited arbitration procedure shall apply to the arbitration proceedings. To the greatest extent permitted by law, Franchisor and Franchisee waive the application of all rules of discovery and evidence which the Arbitration Organization’s expedited procedure does not expressly make applicable.
- (iv) The parties shall jointly select an arbitrator from the panel of arbitrators maintained by the Arbitration Organization. The arbitrator must be either a retired judge or an attorney experienced in the practice of franchise law who has no prior social, business or professional relationship with either party, and who agrees to follow and apply the express provisions of this Agreement in determining his or her award. If the parties are unable to agree on an arbitrator within 30 days after the arbitration demand is filed, the Arbitration Organization will select an arbitrator who possesses the indicated qualifications.
- (v) The arbitrator’s award shall be final and binding on all parties, and neither party shall have any right to contest or appeal the arbitrator’s award except on the grounds expressly provided by the United States Arbitration Act (the “**Arbitration Act**”). The party who demands arbitration shall pay the arbitration filing fee, but the parties will otherwise separately bear their own costs and expenses (including legal fees) of participating in the arbitration process. Responsibility for the arbitrator’s fees and expenses shall be determined as part of the arbitrator’s award.
- (vi) The procedures contemplated by and the enforceability of this Section 16.12.4 shall be governed by the Arbitration Act and shall be interpreted and enforced in accordance with United States federal judicial interpretations of the Arbitration Act.
- (vii) Notwithstanding Sections 16.12.3 and 16.12.4 the parties mutually agree that Franchisor will not be obligated to mediate or arbitrate any claim

arising from Franchisee's alleged infringement of the Trademarks, or other alleged misappropriation of Franchisor's intellectual property. The parties agree that any action based on infringement of any of the Trademarks or misappropriation of Franchisor's other intellectual property shall be governed by and interpreted and enforced in accordance with the United States Trademark (Lanham) Act or the United States Copyright Act (whichever applies to the particular action), and shall be litigated exclusively in any federal District Court sitting in Harris County, Texas. The parties further agree to submit to the jurisdiction and venue of any such federal District Court and that service of process by certified mail, return receipt requested, shall be sufficient to confer *in personam* jurisdiction over them in connection with any intellectual property litigation.

- (viii) Further, notwithstanding Sections 16.12.3 and 16.12.4 the parties mutually agree that Franchisor shall not be obligated to mediate or arbitrate any claim arising from Franchisee's failure to pay when due any royalty or other monetary obligation to Franchisor, unless Franchisee asserts a counterclaim based on Franchisor's alleged breach of a material obligation under this Agreement, in which case Franchisor's suit will be stayed and the entire matter will be referred to arbitration. The parties agree that any action to collect any sums that Franchisee owes Franchisor shall be litigated exclusively in any federal or state District Court sitting in Harris County, Texas. The parties further agree to submit to the jurisdiction and venue of any such federal or state District Court and that service of process by certified mail, return receipt requested, shall be sufficient to confer *in personam* jurisdiction over them in connection with any collection litigation.

16.11.5 No right or remedy herein conferred upon or reserved to Franchisor is exclusive of any other right or remedy herein, or by law or equity provided or permitted; but each shall be cumulative of any other right or remedy provided in this Agreement.

16.11.6 ANY AND ALL CLAIMS AND ACTIONS ARISING OUT OF OR RELATING TO THIS AGREEMENT (INCLUDING, BUT NOT LIMITED TO, THE OFFER AND SALE OF THIS FRANCHISE), THE RELATIONSHIP OF THE FRANCHISOR AND FRANCHISEE OR FRANCHISEE'S OPERATION OF THE FRANCHISED CENTER, BROUGHT BY FRANCHISEE SHALL BE COMMENCED WITHIN 24 MONTHS FROM THE OCCURRENCE OF THE FACTS GIVING RISE TO SUCH CLAIM OR ACTION, OR SUCH CLAIM OR ACTION SHALL BE BARRED.

16.11.7 FRANCHISOR AND FRANCHISEE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER OF THEM AGAINST THE OTHER.

16.11.8 FRANCHISOR AND FRANCHISEE HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM OF LOST PROFITS AND/OR ANY CONSEQUENTIAL, PUNITIVE, MULTIPLE OR EXEMPLARY DAMAGES AGAINST THE OTHER, AND AGREE THAT IN THE EVENT OF A DISPUTE BETWEEN THEM, EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY IT.

16.12 Counterparts

This Agreement may be executed in multiple counterparts, each of which will be an original, but all of which will constitute the same instrument.

16.13 Entire Agreement

This Agreement and the Addenda attached hereto comprise the entire agreement between the parties concerning the subject matter of this Agreement and supersede all prior written or oral agreements or representations; provided that nothing in this Section 16.13 shall be deemed a waiver of Franchisee's reliance on any representation made by Franchisor in the disclosure document provided to Franchisee and referenced in Section 18.c) below. The provisions of this Agreement will be binding upon the parties and any permitted transferees. Except as otherwise specified herein, this Agreement may not be amended or modified except in writing, signed by the parties.

16.14 Immunity for Certain Limited Disclosures

Notwithstanding anything in this Agreement to the contrary, Franchisee and its officers, directors, shareholders, agents and representatives, may, in accordance with any applicable law including the federal Defend Trade Secrets Act, disclose Confidential/Proprietary Information, including Jiffy Lube's trade secrets, (a) in confidence, to federal, state, or local government officials, or to an attorney of Franchisee, for the sole purpose of reporting or investigating a suspected violation of law; or (b) in a document filed in a lawsuit or other legal proceeding, but only if the filing is made under seal and protected from public disclosure. Nothing in this Agreement is intended to conflict with any applicable law or create liability for disclosures expressly allowed by law.

17. ANTI-MONEY LAUNDERING AND ANTI-CORRUPTION LAWS.

17.1 For the purposes of this Agreement, “**Anti-Corruption Laws**” shall mean (a) the United States Foreign Corrupt Practices Act of 1977; (b) the United Kingdom Bribery Act 2010; and (c) all applicable national, regional, provincial, state, municipal or local laws and regulations that prohibit tax evasion, money laundering or otherwise dealing in the proceeds of crime or the bribery of, or the providing of unlawful gratuities, facilitation payments, or other benefits to, any government official or any other person.

17.2 Each party represents, warrants, and covenants that in connection with this Agreement and the business resulting therefrom:

- (i) it is aware of and will comply with Anti-Corruption Laws;
- (ii) it has not made, offered, authorized, or accepted, and will not directly or indirectly make, offer, authorize, or accept, any payment, gift, promise, or other advantage, to or for the use or benefit of any government official or any other person where that payment, gift, promise, or other advantage would comprise a facilitation payment or otherwise violate the Anti-Corruption Laws;
- (iii) it has maintained and will maintain adequate written policies and procedures to comply with applicable national, regional, provincial, state, municipal or local laws and regulations that prohibit tax evasion, money laundering or otherwise dealing in the proceeds of crime or the bribery of, or the providing of unlawful gratuities, facilitation payments, or other benefits to, any government official or any other person or, alternatively, has made itself aware of and shall adhere to the Shell General Business Principles and the Shell Code of Conduct (www.shell.com/about-us/our-values);
- (iv) it has maintained and will maintain adequate internal controls, including but not limited to using commercially reasonable efforts to ensure that all transactions are accurately recorded and reported in its books and records to reflect truly the activities to which they pertain, such as the purpose of each transaction, with whom it was entered into, for whom it was undertaken, or what was exchanged;
- (v) it will retain such books and records for the period required by applicable law or a party’s own retention policies, whichever is longer;
- (vi) in the event a party becomes aware it has breached an obligation in this paragraph, it will promptly notify the other party, subject to the preservation of legal privilege;
- (vii) it has taken reasonable measures to require any subcontractors, agents, or any other third parties to also comply with the foregoing requirements in this paragraph; and

(viii) only a party shall make payments to the other party, except with that other party's written consent. Subject to the preservation of legal privilege, during the Term and for seven years thereafter and on reasonable notice, each party shall have a right, and the other party shall take all reasonable steps to enable this right, to audit the other party's relevant books and records with respect to compliance with this paragraph. Without limitation to any other available remedies, where a party (the "First Party") fails, or its subcontractors, agents, or other third parties fail, to comply with the Anti-Corruption Laws in connection with this Agreement or the business resulting therefrom, the other party (the "Second Party"), acting in good faith, shall have a right to notify the First Party in writing of such failure to comply and, if the written notice contains reasonable detail about the failure to comply then, if the failure is incapable of being cured or, if capable of cure and the First Party does not cure the failure to comply within 60 calendar days following receipt of the written notice, the Second Party shall have the right to terminate the Agreement on further written notice to the First Party.

17.3 Nothing in this Agreement shall require a party to perform any part of this Agreement or take any actions if, by doing so, the party would not comply with the Anti-Corruption Laws. The obligations in this paragraph shall survive the termination or expiry of this Agreement.

POS ADDENDUM

POS ADDENDUM

THIS ADDENDUM is added to and made a part of the Jiffy Lube Franchise Agreement (the “**Agreement**”) for the Jiffy Lube Service Center or Centers identified on the signature page hereto (the “**Center**”):

1. Franchise Agreement: The Franchise Agreement, as amended by this Addendum, remains in full force and effect in accordance with its terms. Provisions in the Franchise Agreement regarding a Point of Sale (“**POS**”) system are replaced with the provisions of this Addendum.

2. Vendor Contracts: Following the date of this Addendum, Franchisee further agrees to enter into new, renewing or revised contracts related to the POS system which, where required by the TSAB Operating Guidelines, have been approved by the TSAB, including but not limited to POS software vendors, POS hardware vendors, support and maintenance vendors, integrated payment card vendors and other vendors or service providers that may be required with respect to the POS system. For the avoidance of doubt, Franchisee will not be required to enter into any new direct agreement with a software vendor, hardware vendor or supply and maintenance vendor providing the new POS system described in this Addendum, without TSAB approval.

3. Obligation to Use System/Minimum Functionality Standards:

3.1 Franchisee’s failure to use the POS system required by JLI will constitute a default under the Agreement, unless Franchisee’s failure is due to Franchisee’s exercise of a right to terminate its agreement with a required POS vendor designated by JLI at the time of signing this Addendum or any required POS vendor approved by the TSAB thereafter.

3.2 The POS System provided by JLI will include the Minimum Functionality Standards and Additional Features beyond the Minimum Functionality Standards described in Attachment E. JLI will ensure that updates, upgrades or replacements to the POS system will at a minimum meet the “**Minimum Functionality Standards**” and include the “**Additional Features**” described in Attachment E, or features agreed upon by TSAB that supersede the listed “**Additional Features**”.

4. Arbitration of Disputes: In the event of a dispute between JLI and a Franchisee as to whether a Franchisee has validly exercised a right to terminate its agreement with a POS vendor required by the Agreement, such dispute will be resolved by binding arbitration according to this paragraph notwithstanding other dispute resolution provisions in the Agreement to the contrary. Either party may make a demand for arbitration. JLI and Franchisee will agree on the arbitrator within 30 days of receipt of a demand for arbitration. If the parties are unable to agree on the arbitrator, the parties will use the American Arbitration Association’s facilities. The arbitrator must be either a retired judge or an attorney experienced in the practice of franchise law who has no prior social, business or professional relationship with either party and who agrees to follow and apply the express provisions of this Addendum in determining his or her award. If the parties are unable to agree on an arbitrator within 30 days after the arbitration demand is filed, the

American Arbitration Association will select an arbitrator who possesses the requisite qualifications. JLI and Franchisee shall engage the services of a neutral arbitrator for purposes of this paragraph, and arbitration proceedings shall take place in a location specified by the arbitrator in Delaware. The parties shall share in the arbitrator's fees equally, but will otherwise separately bear their own costs and expenses (including legal fees) of participating in the arbitration process. Within 30 days of selection of an arbitrator, JLI and Franchisee shall each provide to the arbitrator a written statement explaining the basis for their belief as to whether a default exists. Such statements shall not exceed 10 pages in length, including any exhibits and excluding the applicable contract. Within 30 days of receipt of each party's written statement, the arbitrator will issue a binding decision as to whether or not a default exists.

5. Confidential Information: Franchisee and JLI agree that information entered into the POS System, including customer information, is "**Confidential Information**" within the meaning of the Franchise Agreement.

6. Training: JLI will provide Franchisee with POS System training near the time of installation. JLI will update existing computer-based training courses, as needed, and develop new course materials suitable for educating and training users on changes and new features of the new POS system. "Live" instructor-led web-based training sessions will be provided throughout the POS rollout period to afford users the opportunity to attend prior to installation of the new system. Additionally, specific training sessions will be hosted by JLI, as needed, for specific targeted users and topics, such as a session for back office users on administering standardized items and services. All new and modified training materials will be presented to the JLAF training committee and the TSAB for review and feedback. JLI will pay all costs associated with development and presentation of training materials including, but not limited to producing the live instructor-led training sessions, course content, help guides and reference materials. Franchisee will pay labor expenses for its employees to attend training and will be responsible for providing an environment suitable for its employees to take the web-based training.

7. Roll Out/Installation: The POS system will be installed in each Center by a trained employee or contractor of the deployment firm selected by the designated POS development vendor for their expertise and prior experience with deployments and installations. The designated POS vendor and deployment firm will consult with JLI and the TSAB regarding the scheduling, timing and methods to be used during the deployment process. Installations shall occur after regular business hours, or during business hours with Franchisee consent. JLI will provide remote support to all stores as they are converted to the new POS System via additional dedicated support desk staff trained on the new system. A unique phone number or menu option on the existing number will be provided for direct access to these support technicians.

8. Compliance: Each of Franchisee and JLI will take actions necessary to comply with all applicable laws and regulations related to its respective use of the POS System including, but not limited to, the Payment Card Industry – Data Security Standards, as amended or updated from time to time ("**PCI-DSS**"), concerning payment cards accepted by Franchisee through the POS System. Each of Franchisee and JLI shall maintain appropriate business continuity procedures and systems to provide the security of Payment Card Data in the event of a disruption, disaster or failure of such party's data systems that accept, transmit or store Payment Card Data. As used herein, "**Payment Card Data**" means any data associated with a payment card or otherwise

protected under the PCI-DSS, as amended or updated from time to time, including: (a) “**card holder data**” which includes (i) primary account number; (ii) cardholder name; and (iii) expiration date; (b) “**sensitive authentication data**” which includes (i) magnetic strip data; (ii) CVC2, CVV2, CID; (iii) PIN and PIN Block information; and (iv) any security-related information; and (c) other information used to authenticate cardholders and/or authorize payment card transactions. JLI will consult with PCI-DSS compliance experts and include TSAB in discussions related to PCI-DSS compliance.

8.1 **Liability:** To the extent that JLI implements a requirement for franchisees related to PCI-DSS compliance without franchisee participation or TSAB approval, JLI acknowledges its liability in proportion to its allocable share of its negligence, joint negligence, or willful misconduct. Each of Franchisee and JLI acknowledges its responsibility and potential liability with regard to PCI-DSS compliance that is within its total or partial control and also acknowledges its duty to mitigate damages and liability for any PCI-DSS matters where possible regardless of whether completely in its control. However, except as provided in Section 10, in no event will either party be liable to the other party for any special, indirect, incidental, or consequential damages as arising out of or relating to PCI-DSS compliance.

8.2 **Responsibilities:** Each of Franchisee and JLI agrees to take actions to ensure PCI-DSS compliance on items that are within its control. Actions may include but are not limited to periodically completing an audit questionnaire, PCI-DSS self-certification, or penetration testing upon request by the other party, maintaining a secure environment including “**locking down**” on-premises POS equipment if required, protecting passwords, not unnecessarily retaining payment card information, and other actions if required by PCI-DSS. JLI agrees to provide updates and information related to PCI-DSS compliance to Franchisees. JLI further agrees to arrange for a third party (preferably the existing credit card processor or such party’s designee who has recognized expertise in PCI-DSS) to provide training and assistance related to PCI-DSS compliance to Franchisees. Furthermore, JLI will ensure that any new agreement or amendment entered into with a credit card processor after the date of this Addendum will include a requirement for such credit card processor to provide training and assistance related to PCI-DSS to the Franchisees. However, Franchisee specifically acknowledges that JLI’s commitment to providing updates and arranging for training or assistance by third parties does not in any way alleviate Franchisees’ responsibility to make their own informed compliance decisions and ensure PCI-DSS compliance on any issue within their sole or partial control to the extent such compliance is within their control.

9. **Security Incident:** If either party has reason to believe that any, unauthorized access to or use of Payment Card Data (as defined in Section 9) or any breach or potential breach of the safety and security requirements under this Addendum (a “**Security Incident**”) has occurred, such party (the “**responsible party**”) shall (a) within 72 hours, notify the other party (the “**affected party**”) of such Security Incident, (b) investigate the Security Incident within 72 hours of such notification, (c) preserve records and other evidence relating to the Security Incident and (d) provide the affected party with a written report on the outcome of its investigation including any

risk to the Payment Card Data. If the Security Incident was caused in whole or in part by the acts or omissions of the responsible party or its agents, then the responsible party shall (i) provide the affected party with a corrective action plan describing the actions the responsible party will take, or has taken, to respond to the Security Incident, (ii) in accordance with the reasonable directions of the affected party, remediate the effects of the Security Incident and mitigate any risk that may arise from the Security Incident, and (iii) provide the affected party with assurance reasonably satisfactory to such affected party that such Security Incident shall not recur. The responsible party shall reimburse the affected party for reasonable direct damages incurred in connection with a Security Incident to the extent caused in whole or in part by the acts or omissions of the responsible party or its agents including, but not limited to, the costs of breach containment and remediation, notifying affected persons and governmental authorities, providing credit monitoring and identity theft resolution services to affected persons, reissuance of credit cards, charges for operating expenses of the card brands, fraud recovery costs assessed by the card brands, fines and penalties imposed by the card brands under PCI-DSS, forensic investigations and reasonable attorneys' fees, costs, and expenses (and interest on such attorneys' fees, costs, and expenses). For clarity, the damages described in the preceding sentence shall not be considered consequential damages for the purposes of this Addendum and are not subject to the exclusion of damages in Section 23(a) below.

10. POS Software License: JLI will enter into a contractual relationship with a designated vendor to develop the Jiffy Lube POS System, and will sublicense its rights to use POS System software (“**POS Software**”) pursuant to the terms of the POS Software License Agreement attached hereto (the “**POS Software License Agreement**”). The POS Software license provided by JLI is part of the System, and accordingly is covered by the non-exclusive license of the System granted to Franchisee in the Franchise Agreement. In the event that the designated POS vendor should change again, TSAB approval is required for the new vendor to re-establish these same licensing provisions with the new vendor.

11. JLI's Right to License: JLI's affiliates will have their own rights to license the POS System, and JLI retains the right to its own use of the POS System and the right to sublicense to JLI's affiliates its rights to use the POS System, provided that (i) in accordance with the terms of JLI's agreement with its vendor, JLI affiliates will not have rights to license components of the POS System that are exclusive to JLI under JLI's licensing agreement with its vendor and (ii) JLI will not use in the U.S. or Canada or sublicense to its affiliates its right to use in the U.S. or Canada components of the POS System that are exclusive to JLI under JLI's licensing agreement with its vendor for a purpose or application that will be in competition with the Jiffy Lube System in the U.S. and Canada.

12. TSAB: JLI agrees to consult with the TSAB and/or seek approvals from the TSAB as specified in the TSAB Operating Guidelines on matters related to POS, including POS System hardware, POS software and hardware support, POS-related vendors, vendor selection, vendor contract terms, vendor performance, and all POS issues involving costs that will be borne by Franchisees. JLI agrees not to impose additional costs or increases on Franchisees directly or through a POS vendor without the TSAB's approval of all such costs or increases. For POS decisions and issues where TSAB approval is not required, the TSAB shall be consulted, but has no authority to bind JLI, and JLI is free to solicit input from any source and make those decisions. **AS LONG AS THE TSAB OPERATING GUIDELINES ARE FOLLOWED,**

FRANCHISEE AGREES THAT RECOMMENDATIONS MADE BY JLI OR MADE BY THE TSAB AND ADOPTED BY JLI REGARDING REQUIRED POS VENDORS, SUPPORT, SERVICES, HARDWARE AND COST PROVISIONS ARE BINDING ON FRANCHISEE, WHETHER OR NOT FRANCHISEE PARTICIPATES IN THE TSAB OR JLAF. IN THE EVENT THAT POS COSTS INCREASE DUE TO CONTRACTUAL PROVISIONS AGREED UPON BY JLI AND THE TSAB, FRANCHISEE SPECIFICALLY ACKNOWLEDGES AND AGREES THAT SUCH PRICE ESCALATION WILL BE PASSED ONTO FRANCHISEES ON A PRORATED PER CENTER BASIS. JLI and Franchisee each agree to provide to TSAB copies of all notices of default or termination issued by JLI or Franchisee to a POS system vendor or issued by a POS system vendor to JLI or Franchisee, so that the TSAB can take steps needed to manage vendor performance.

13. [Intentionally Deleted]

14. Computer Hardware: Franchisee shall acquire, whether through purchase or lease, computer hardware sufficient to run the designated POS System, including, but not limited to: a primary central processing unit (CPU) for the Center with characteristics sufficient to run the then-current version of the POS Software, one or more bay stations, a communications router, printers, and other peripherals as needed. All equipment shall be brands, models and specifications as designated by JLI after working with the TSAB in accordance with the TSAB Operating Guidelines, except where they specifically choose not to specify and leave the selection to each Franchisee. Additionally, Franchisee agrees to acquire certain designated equipment (CPUs, routers, other) only from a specific designated vendor approved by the TSAB; equipment that is not so designated may be obtained through any acquisition channel. Franchisee must contract with Franchisor for hardware support as indicated in Attachment B – Hardware Support Agreement of this Addendum. Franchisee shall not install any unapproved software on or attach unapproved hardware to any component on which the Jiffy Lube POS system is installed.

15. Existing POS Component Sublease Agreements: JLI will honor its obligations under existing POS component sublease agreements for the remainder of their respective initial three (3) year sublease terms, excluding the dot matrix invoice printer which must be replaced with a laser printer when the new POS system is installed into each Jiffy Lube Service Center. Franchisee agrees that all POS equipment that requires a lease (see “**Equipment Automatically Renewed at End of Lease in the Hardware Support Agreement**”) will be current and on a three (3) year sublease at the time of installation of the new POS System.

16. POS Software: JLI will provide to Franchisee a sublicense to use the POS Software pursuant to the POS Software License Agreement. From time to time while the Agreement is in effect, JLI may also provide new, revised or enhanced versions of the POS Software. Franchisee may not use any other POS software in place of that provided by JLI to operate the designated POS System.

17. Back Office Component: The POS Software also includes a back office component. Franchisee is not required to accept and use a back office component in conjunction with the designated POS System; however, if Franchisee uses a back office component, in conjunction with the designated POS system, it must be the one provided with the designated POS system.

18. Broadband Connection: Franchisee must contract for, install and use a broadband connection sufficient to support POS operations and applications as defined in DSL/Cable Requirements Understanding (Attachment A).

19. Software Support: Franchisee will contract with JLI to use its initial chosen designees, as agreed-upon with JLAF leadership, for software support of the JLI-required updated POS System. JLI agrees to consult with and gain approvals from the TSAB on all future POS software support decisions and issues as specified in the TSAB Operating Guidelines. Franchisees will look solely to the POS System vendor to address performance issues specific to each Franchisee. JLI will actively manage overall vendor performance as it relates to issues impacting the entire Jiffy Lube system.

20. Information Disclosure: Franchisee authorizes JLI and JLI's designated POS vendors to share information regarding Franchisee and Franchisee's Center with each other and with the TSAB, but only as required for purposes of enabling JLI and the TSAB to manage vendor performance or otherwise address POS System issues, including without limitation, Franchisee's name, ownership, site number and address, and a copy of Franchisee's agreements with the POS System vendor, Franchisee's and the POS System vendor's payment or performance history, or notices of default or termination between Franchisee and the POS System vendor or notices of termination between JLI and Franchisee.

21. Indemnification: JLI shall defend, indemnify and hold harmless Franchisee from and against any and all third party claims, losses, damages, suits, fees, judgments, costs and expenses (collectively referred to as "**Claims**") directly related to the subject matter of this Addendum, including reasonable attorneys' fees, incurred in responding to such Claim, that Franchisee may suffer or incur to the extent that such Claims arise out of or are in connection with: (i) JLI's or its agents' failure to comply with all applicable laws, regulations and/or PCI-DSS; and (ii) a Security Incident caused by JLI or its agents, *provided*, however, that Franchisee promptly notifies Franchisor in writing of the Claim, allows Franchisor to defend the Claim with attorneys of Franchisor's choice, and reasonably cooperates with Franchisor, at Franchisor's cost, in the course of its defense of such Claim. For the avoidance of doubt, a Jiffy Lube franchisee will not be considered an agent of JLI for purposes of this paragraph. Accordingly, in no event will a compliance failure or Security Incident caused by a Jiffy Lube franchisee give rise to JLI's duty to indemnify Franchisee. Further, Franchisee specifically acknowledges its duty to mitigate any damages or potential damages regardless of the cause of or responsibility for the Security Incident or compliance failure to the extent such mitigation is within Franchisee's control.

22. Limitation of Liability:

22.1 IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS) SUSTAINED OR INCURRED REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT OR OTHERWISE, INCLUDING WITHOUT LIMITATION NEGLIGENCE, STRICT LIABILITY OR OTHERWISE, AND WHETHER OR NOT SUCH DAMAGES WERE FORESEEN OR UNFORESEEN AND REGARDLESS OF WHETHER A PARTY HAD RECEIVED NOTICE OR HAD

BEEN ADVISED, OR KNEW OR SHOULD HAVE KNOWN, OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES.

22.2 THE MAXIMUM CUMULATIVE LIABILITY OF EITHER PARTY TO THE OTHER PARTY RELATING TO THIS ADDENDUM OR ANY TRANSACTION CONTEMPLATED BY THIS ADDENDUM AND EITHER PARTY'S MAXIMUM REMEDY TO THE OTHER PARTY FOR ANY AND ALL CAUSES RELATING TO THIS ADDENDUM AND ANY TRANSACTION CONTEMPLATED BY THIS ADDENDUM WHETHER ARISING IN CONTRACT (INCLUDING BREACH OF CONTRACT OR BREACH OF WARRANTY), IN TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY), OR ANY OTHER THEORY OF RELIEF (INCLUDING ANY CLAIMS FOR INDEMNIFICATION ARISING UNDER THIS ADDENDUM), SHALL BE LIMITED TO ONE HUNDRED THOUSAND DOLLARS (\$100,000.00) IN THE AGGREGATE. NOTWITHSTANDING THE FOREGOING, THE MAXIMUM CUMULATIVE, TOTAL LIABILITY OF EITHER PARTY ARISING UNDER SECTIONS 9, 10 AND 22 SHALL BE LIMITED TO THREE HUNDRED THOUSAND DOLLARS (\$300,000). THE EXISTENCE OF ONE OR MORE CLAIMS WILL NOT ENLARGE THE FOREGOING LIMITS.

22.3 THE AFOREMENTIONED LIMITATION OF LIABILITY AND EXCLUSION OF DAMAGES SHALL APPLY EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

22.4 FOR THE AVOIDANCE OF DOUBT, THIS SECTION 23 APPLIES ONLY TO THE SUBJECT MATTER OF THIS ADDENDUM AND DOES NOT AMEND THE HOLD HARMLESS AND INDEMNITY PROVISIONS IN THE FRANCHISE AGREEMENT FOR ANY OTHER PURPOSE.

23. Attachments/Effective Dates

23.1 Franchisee agrees to the terms of the DSL/Cable Requirements Understanding attached hereto.

23.2 Effective Dates:

The provisions of this POS Addendum and Hardware Support Agreement (Attachment B) are effective as of the date reflected below in Section 24. However, the previous Hardware Service Support rate will remain in effect for each store until it is converted to the new POS system, and then will increase to the new Hardware Service Support rate reflected in Attachment B.

The POS Software License Agreement (Attachment C) is effective as of the date the updated POS Software is installed at the Center. The previous Software Support rate will remain in effect for each store until it is converted to the new POS

system, and then will increase to the new rate as described in section 17.3 of the POS Software License Agreement.

The Data Delivery Service Agreement (Attachment D) is effective for each Franchisee subscribing to the DDS service as of the date the updated POS Software is installed at any Center belonging to the Franchisee. However, the rates defined in the Data Delivery Service Agreement shall not be effective until the month in which 90% of a Franchisee's Centers have been converted to the updated POS System.

23.3 There may be circumstances under which JLI will not be in a position to roll out the updated POS System to the Jiffy Lube system following execution of this Addendum by Franchisee. The parties' obligations in this Addendum which are intrinsic to the roll out of the updated POS System will not be effective until the updated POS System has been deployed, and any obligation of Franchisee to make payments for the updated POS System will not be effective until the updated POS System has been deployed in the Center (i.e. the POS Software has been installed in the Center as part of system-wide deployment of the POS System following laboratory testing and testing in pilot Centers).

24. Miscellaneous Provisions:

24.1 The Agreement and this Addendum may not be further modified or amended except in a writing signed by the parties.

24.2 The Agreement, as modified by this Addendum, constitutes the entire agreement between the parties concerning the subject matter hereof and supersedes all prior written or oral agreements or representations.

24.3 This Addendum may be signed in one or more counterparts (including by means of faxed or electronically scanned signature pages), all of which shall be considered one and the same agreement.

24.4 In the event of any conflict between the terms and provisions of the Agreement and this Addendum regarding an issue specifically related to the POS system and addressed in this Addendum, this Addendum shall control. Notwithstanding the foregoing, in the event of any conflict between the terms and provisions of the Agreement and this Addendum, the Agreement shall control to the extent such issues do not relate to the POS system or are not issues that are addressed in this Addendum.

25. Signatures: To confirm their agreement to the terms, conditions and acknowledgements set forth above, each party has caused its representative to set his or her signature in the space provided below as of the dates set forth below opposite their respective

signatures. This POS addendum may be executed in duplicate originals. Facsimile signatures shall be considered binding.

DSL/CABLE REQUIREMENTS UNDERSTANDING

Stores are required to use a broadband technology (e.g., DSL/Cable) to connect to a POS VPN (Virtual Private Network) for applications supplied by Jiffy Lube International, Inc. (“**JLI**”) or for applications supplied by a JLI approved vendor. It is important that the Franchisee carefully review and understand the requirements for broadband technology listed below. JLI cannot guarantee current features, functions and applications associated with the point-of-sale (“**POS**”) system or other JLI-supplied services or services supplied by a JLI approved vendor will operate properly if these requirements are not met.

DSL/Cable User and Service Provider Requirements

- Provide a business class static IP address with a minimum bandwidth of 10mb download and 5mb upload, with recommended 100mb download and 20mb upload. This is a minimum recommendation to allow connection to the hosting network and have full POS functionality. Additional bandwidth could be needed to add functions such as video monitoring.
- The POS VPN hosting environment does not support MAC address reservation to Static IP addresses managed by the ISP’s DHCP server.
- The POS VPN hosting environment does not support any DHCP configuration on our devices to connect to the ISP.
- Multiple static IP addresses along with a DSL/Cable modem with multiple Ethernet ports are preferred (not required)
- Broadband provider should not filter or block PPTP, IPSec or related tunneling protocols.
- Broadband provider should not use PPPoE or other logon account-based broadband access. Access to the DSL or Cable circuit should not require installation of PPPoE drivers or third party software on any store equipment.
- Each Center must lease and use the current designated VPN router or any new VPN router designated by JLI and approved by the TSAB. Routers shall be leased and obtained from the designated POS hardware vendor. No changes to the router should be attempted without approval from the designated POS VPN hosting group or designated POS support group.
- If devices other than those designated for use in the POS system and approved by JLI and the TSAB will be sharing the broadband connection, then a switch or router will be required on the connection to segregate the VPN router from the other devices. Only switches or routers approved by JLI and the TSAB may be used in Centers.

- Broadband provider must support multiple connections from a store over a single link. Provider equipment must be configurable to pass IPsec sessions, providing a secure way to pass data to/from the POS VPN hosting environment.
- In some rare instances, ISP standard broadband modems/routers are not compatible with POS VPN hosting environment components and can only be verified at the time of installation. It is suggested you contact your provider to verify the make and model of the provider default modem or other required equipment and ask POS Support if there are any known issues with implementation of that equipment.
- The ISP and provided equipment must support an MTU size of 1400 or greater.
- JLI and designated POS vendors are not responsible for resolution of communication related problems of external broadband providers. JLI and designated POS vendors can only verify whether the POS application at the store and that the host environment at the Data Center are functioning properly. The Franchisee will be responsible for working with the ISP to troubleshoot and resolve communication problems.

ATTACHMENT B TO POS ADDENDUM

1. The service level described in this Section 1 will be the same across all Franchisee’s locations (i.e., all stores have the same support). Hardware support coverage can only be initiated in conjunction with the start of a new equipment lease term.

Service calls for Critical Equipment received on Saturday will be shipped for Monday delivery. Calls received after 3:00 PM CST weekdays and 1:00 CST PM Saturdays will be shipped the following business day.

Defective equipment must be returned within 3 days of receipt of replacement equipment. Return shipping costs are included during this time period. After 3 days, the Franchisee assumes return shipping costs. If the equipment is not returned within 5 days, the Franchisee will be invoiced for the replacement cost of the hardware.

Critical equipment, as listed in Exhibit B hereto, is covered through overnight shipment of replacement equipment. All other supported equipment is covered through ground shipping of replacement equipment. No on-site visits by service technicians are included. Currently, JLI ships all equipment, including non-critical equipment, overnight. JLI will set an effective date on which only Critical Equipment will be shipped overnight as described herein, and that date shall be effective for all Centers.

A new lease will automatically be initiated and new equipment covered by the lease shall be sent to replace certain equipment as the current lease terminates. For certain optional gear, such as Bay CPUs or wireless access points, franchisees will have the option to not initiate a new lease, but the old equipment must be taken out of service unless JLI explicitly grants permission for it to remain in service. Exhibit B contains a current list of equipment for which leases will be automatically renewed.

Franchisee will pay **\$68.00** per store per month for the Hardware Support Coverage described herein. Such rate will become effective for each Center upon installation of the updated POS Software into the Center.

2. Franchisee will supply a dedicated electrical power line as required on the manufacturer’s specification for the listed equipment or as deemed necessary by JLI.

3. Franchisee will notify JLI or its designated agent when service is required.

4. This Hardware Support Agreement is nontransferable and is applicable only to equipment under a current lease or otherwise explicitly agreed to by JLI and the TSAB. The use of any unauthorized materials, added software, hardware, or services will automatically cause this Hardware Support Agreement to become null and void.

5. Franchisee agrees to the terms set forth in Exhibit A to this Hardware Support Agreement.
6. JLI will service (or arrange for a third party to service) the equipment described in Section 1, and replace without additional charge all covered parts worn out through reasonable and normal use and provide emergency service. Damage or losses resulting from abuse, misuse or acts of God are not covered. Ribbons, paper and other consumables are not covered.
7. ONLY “**COVERED HARDWARE**” AS LISTED ON EXHIBIT B IS COVERED UNDER THE TERMS OF THIS HARDWARE SUPPORT AGREEMENT.
8. All equipment returned at the end of the lease must be of the same manufacture, model, and configuration as originally leased and must be in good, working condition. Franchisee understands that Franchisee will be responsible for an additional charge for equipment that is returned in less than good working condition.
9. Either party may terminate this Hardware Support Agreement upon not less than 90 days prior notice.

NO TERMS OR CONDITIONS, EXPRESSED OR IMPLIED, ARE AUTHORIZED UNLESS THEY ARE WRITTEN IN THIS HARDWARE SUPPORT AGREEMENT OR ADDENDUM TO WHICH IT IS ATTACHED OR IN AN AMENDMENT TO THIS AGREEMENT SIGNED BY FRANCHISEE AND JLI. THIS HARDWARE SUPPORT AGREEMENT SHALL BECOME EFFECTIVE ONLY AFTER EXECUTION BY FRANCHISEE AND A JLI OFFICER.

EXHIBIT A TO HARDWARE SUPPORT AGREEMENT

GENERAL PROVISIONS

1. **PURPOSE.** This Hardware Support Agreement covers the cost of covered hardware parts and labor for adjustments, repairs and replacement of parts necessitated by normal use of the equipment and as specifically provided. Damage or losses resulting from accident, misuse or other events such as fire, theft, water damage, power surges or for any other cause external to the machine are not covered. The use of unauthorized parts, components, modifications or personnel to affect repairs or changes will cause this Agreement to be null and void.
2. **TERMS.** This Hardware Support Agreement shall become effective immediately upon execution of the POS Addendum and attachments. Franchisee shall pay JLI, monthly in advance, the monthly charges shown in Section 1 of this Hardware Support Agreement for hardware support. This Hardware Support Agreement shall be for a three-year term from the original installation date of the covered hardware and continue indefinitely until cancellation by either party. Cancellation of this Hardware Support Agreement caused by the Franchisee does not release the Franchisee of the full balance due under this Hardware Support Agreement. Balance upon default will become immediately due and payable. Payment in full of payment owed under this Hardware Support Agreement will reinstate the Hardware Support Agreement for the balance of the term. However, JLI assumes no responsibility and specifically disclaims any liability for damages occurring during the period this Hardware Support Agreement is not in effect.
3. **AMENDMENTS.** Oral agreements are not part of this Hardware Support Agreement. No one is authorized to change, alter or amend the terms or conditions of this Hardware Support Agreement unless agreed to in writing by an officer of JLI.
4. **CANCELLATION.** This Hardware Support Agreement may be cancelled by either party at any time provided that written notice is received at least ninety (90) days prior to the desired cancellation date. Charges relative to this Hardware Support Agreement are not refundable either partially or fully. However, if cancellation is effected by JLI, then payment, based pro rata on the unused portion of this Hardware Support Agreement, will be refunded. In the event the manufacturer shall cease to make, service or stock a part(s) JLI shall no longer be obligated to maintain it under the terms of this Hardware Support Agreement.
5. **RELOCATION.** This Hardware Support Agreement is assigned to the equipment at the location specified and is transferable only if the equipment should be relocated to another area within the service area of JLI. However, any cost that may be involved in the relocation of the equipment specified is not covered by this Agreement.
6. **DISCLAIMER OF WARRANTY.** JLI expressly disclaims warranties of any kind and nature. Only manufacturer warranties are available to Franchisee. JLI's responsibilities under this Hardware Support Agreement shall be limited to obtaining support and repair or replacement of covered hardware from an appropriate vendor in accordance with the terms of this Agreement.
7. **SUPPLIES.** If Franchisee uses other than JLI's recommended supplies, and if such supplies result in excessive service calls or are not compatible with the equipment, then the coverage under this Hardware Support Agreement may not apply. Under the same circumstances

this Hardware Support Agreement may be terminated with a refund of the unused portion. Subsequent service will then be provided only on a charge per call basis.

8. **POWER SURGE PROTECTOR.** Franchisee agrees to purchase and install a JLI approved power surge protector prior to operation of any of the equipment covered under this Hardware Support Agreement. Failure by the Franchisee to at all times operate the power surge protector when equipment is in use shall at the option of JLI render this Hardware Support Agreement null and void.

9. **REPAIR DOWN TIME.** In the event covered equipment malfunctions and JLI, or its designated third party vendor, is not able to remedy the situation via phone support, then JLI, at its option, may either authorize on-site service or ship out replacement component(s) with return shipping authorized for the defective component(s). In the event JLI determines that the malfunction was due to operator error, then Franchisee agrees to pay all shipping costs and JLI time and billing charges in making the repair. JLI liability is specifically limited to repair and/or replacement of defective hardware covered by this Hardware Support Agreement.

10. **DISCLAIMER.** IN NO EVENT SHALL JLI BE LIABLE TO FRANCHISEE FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES IN ANY WAY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE HARDWARE. IN ADDITION, JLI'S LIABILITY TO FRANCHISEE FOR DIRECT DAMAGES ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE HARDWARE SHALL IN NO EVENT EXCEED THE TOTAL AMOUNT ACTUALLY PAID BY FRANCHISEE FOR THE HARDWARE. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to Franchisee.

ATTACHMENT C TO POS ADDENDUM

JIFFY LUBE® POS SOFTWARE LICENSE AGREEMENT

THIS POS SOFTWARE LICENSE AGREEMENT (the “**POS License Agreement**”) is made effective upon the installation of the updated POS Software in the Center as provided for in the POS Addendum (“**Addendum**”) to which this document is Attachment C, by and between JLI and Franchisee, as specifically identified in the Addendum.

RECITALS

This POS License Agreement describes the terms and conditions under which Franchisor licenses to Franchisee the right to use the Jiffy Lube POS Software in the operation of the Center. Capitalized terms in this POS License Agreement shall have the same definition as in the Franchise Agreement between the parties (the “**Agreement**”).

1. License. Franchisor hereby grants to Franchisee a non-exclusive license to use the POS Software, as is and as it may be modified from time to time in connection only with the operation of the Center identified in the Agreement, in strict conformance with this POS License Agreement. The POS Software is part of the System.
2. Term. This POS License Agreement becomes effective upon installation of the POS Software on computer hardware approved by Franchisor in Franchisee’s Service Center and ends upon the expiration or termination of the Agreement.
3. Ownership. Franchisee will acquire no ownership in the POS Software. If the POS Software is shared between multiple computer workstations on a communications network (not including “bay terminals” at the Franchised Center), each computer workstation must have its own separate POS Software. When this POS License Agreement expires or is terminated, Franchisee will return to Franchisor or destroy all copies of the POS Software provided by Franchisor (including copies in memory or data storage apparatus under Franchisee’s control) together with any manuals, disks or other media containing or describing the POS Software; Franchisee will then warrant in writing to Franchisor within 30 days of termination or expiration of this POS License Agreement that the POS Software, related materials and all copies thereof have been returned to Franchisor or destroyed.
4. Restrictions on Copying.
 - 4.1 Restrictions on Copying. Franchisee may copy the POS Software, in whole or in part, only for backup and archive purposes. No more than one copy that can be executed or “run” may be in existence at any one time. Each copy will include, in readable format, any and all confidential, proprietary and copyright notices or markings contained on the original provided by Franchisor.
 - 4.2 Communication of Restrictions. Franchisee agrees to communicate the restrictions that apply to use and copying the POS Software to Franchisee’s employees and to other agents of Franchisee who use the POS Software.

5. Prohibition of Unauthorized Use. Franchisee will not knowingly use, or permit anyone else to use any portion of the POS Software for the purpose of deriving its source code. Franchisee agrees to use all reasonable efforts to ensure that Franchisee's employees and other agents who use the POS Software abide by the terms and conditions of this POS License Agreement insofar as it relates to the POS Software. If Franchisee becomes aware that the POS Software is being used in a manner not authorized by this POS License Agreement or the Agreement, Franchisee will immediately use all reasonable efforts to cause such unauthorized use of the POS Software immediately to cease. Franchisee will notify Franchisor of any unauthorized use as soon as practical after its discovery.

6. Copyright. The POS Software is protected by copyright and/or similar laws against unfair competition. Depending upon the POS Software provided, the copyright may be owned by Franchisor or by an affiliate of Franchisor or an unrelated entity. Franchisee may be held responsible by the copyright owner for use of the POS Software in any manner not authorized by this POS License Agreement.

7. Limited Warranties.

7.1 Limited Warranties.

(a) Conformance with Documentation. Franchisor warrants that for a period of 180 days from date of delivery of the POS Software to Franchisee, the POS Software performance and functional behavior will conform in all material ways to the performance defined in documentation relating to the POS Software (*e.g.*, manuals, guides, exclusion documents and computer-aided instructions); *provided*, however, that Franchisor does not warrant that the operation of the POS Software will be uninterrupted or error-free. Franchisee's sole and exclusive remedy for any failure of the POS Software to conform to the warranty described in this Section 7.1(a) is to notify Franchisor in writing of such nonconformity within 180 days of the POS Software's delivery to Franchisee. Franchisor will immediately notify TSAB of such nonconformity following Franchisor's receipt of the initial notice from Franchisee. Franchisor's sole obligation under this Section 7.1(a) will be to remedy the nonconformance issue within a reasonable time after Franchisor receives the notice of nonconformity.

(b) No Viruses. Franchisor represents and warrants that the initial release of the new POS Software delivered by Franchisor to Franchisee and all subsequent releases, updates, upgrades, enhancement and bug fixes do not and will not contain any virus or any other contaminant, or disabling devices, including, but not limited to, codes, commands or instructions that: (i) disrupt, damage or interfere with Franchisee's use of its computer or telecommunications facilities for its commercial purposes, (ii) permit Franchisor or its licensors to access, remotely or otherwise, the POS Software programs or Franchisee's data, information or systems, including its network, with the exception of normal support activities performed by JLI or its providers; (iii) cause harmful, malicious or hidden procedures, routines or mechanisms which could cause the POS Software to cease functioning or damage or corrupt data, storage media programs, equipment

or communications or otherwise interfere with Franchisee's operations; (iv) perform functions which are not an appropriate part of the functionality of the POS Software and whose result is to disrupt, disable or impair the use or operation of such POS Software; or (v) contaminate the POS Software, or modifies, destroys, records or transmits data, or code without the intent or permission of the Franchisee or performs any other actions which have the effect of materially impairing Franchisee's use of its computer or telecommunications systems for commercial purposes in compliance with the Franchise Agreement. JLI expressly disclaims any warranty against viruses or other destructive programs or codes which may enter Franchisee's systems, including the POS System and updates thereto once delivered by Franchisor to Franchisee, as a result of Franchisee or third party actions. Franchisor will provide current virus protection and make reasonable efforts to keep it up to date, and consult with TSAB regarding implementation of reasonable user access security protocols and firewall protection. Furthermore, Franchisor will not make any changes to the security measures used by Franchisor in connection with the POS system that would be contrary to industry standard best practices and/or create a security vulnerability without first obtaining TSAB's prior written consent.

(c) Compatibility. Franchisor represents and warrants to Franchisee that it will make every reasonable effort to ensure that the POS Software integrates and operates in conjunction with, without any corresponding diminution in functionality or performance, any and all updates, upgrades, security patches, bug fixes and/or any other similar security or performance-enhancement releases made available to Franchisee in connection with any widely-deployed operating system or similar software within ninety (90) days of Franchisee's receipt of any such release.

(d) Compliance with Law. Franchisor represents and warrants to Franchisee that it will comply with its reasonable interpretation of all applicable laws, statutes, rules and regulations applicable in the performance of its obligations under this Addendum, including, without limitation, any export or import control laws and regulations that are applicable to Franchisor's business and/or to the licensing of the POS Software to Franchisee hereunder and/or the Software Support Services provided to Franchisee hereunder.

7.2 DISCLAIMER OF OTHER WARRANTIES. THE EXPRESS LIMITED WARRANTIES SET FORTH IN SECTION 7.1 OF THIS POS LICENSE AGREEMENT ARE IN LIEU OF ALL OTHER EXPRESS WARRANTIES. THE IMPLIED WARRANTY OF MERCHANTABILITY IS LIMITED TO THE DURATION OF THE EXPRESS LIMITED WARRANTY. FRANCHISOR DISCLAIMS ALL OTHER EXPRESS AND IMPLIED WARRANTIES WITH REGARD TO THE POS SOFTWARE, INCLUDING ANY IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE AND, FOLLOWING EXPIRATION OF THE EXPRESS LIMITED WARRANTY, THE IMPLIED WARRANTY OF MERCHANTABILITY OR ANY WARRANTY OF

CONFORMITY TO MODELS, SAMPLES OR PROTOTYPES. FRANCHISOR ALSO DISCLAIMS ANY AND ALL WARRANTIES OF OR REPRESENTATIONS CONCERNING THE POS SOFTWARE MADE BY PERSONS OTHER THAN FRANCHISOR OR ITS AUTHORIZED REPRESENTATIVES.

7.3 Possible Warranty Rights Under State Law. Some states do not allow limitations on how long an implied warranty lasts; if this is the case in the state in which the Franchised Center is located, the limitation in Section 7 of this Agreement will not apply to Franchisee.

8. Indemnification. At Franchisor's expense, Franchisor will defend Franchisee from and against any and all third party claims, losses, damages, suits, fees, judgments, costs and expenses (collectively referred to as "**Claims**") which may be incurred by, asserted against, or recoverable from Franchisee arising out of or relating to a Claim that the POS Software infringes upon or misappropriates any patent, trade secret, copyright or other intellectual property or proprietary right, *provided* that Franchisee promptly notifies Franchisor in writing of the Claim, allows Franchisor to defend the Claim with attorneys of Franchisor's choice, and cooperates with Franchisor, at Franchisor's cost, in the course of its defense of such Claim. Because Franchisor is willing to undertake Franchisee's defense of these Claims, as set forth above, Franchisor will not be responsible for Franchisee's litigation fees or expenses, or costs associated with voluntary settlements by Franchisee unless Franchisor has agreed in writing to pay such fees, expenses or costs. To settle or avoid a Claim or possible Claim of infringement, Franchisor may, at its option and at no cost to Franchisee, obtain a license from the owner of software upon which the POS Software is or may be claimed to infringe, or modify the POS Software, or substitute different POS Software that is substantially equivalent to the infringing portion of the POS Software provided, however, that the modified version does not materially adversely affect the functions or features of the POS Software. Franchisor is not liable for any infringement due to the extent that (a) the POS Software being modified to specifications provided by Franchisee, or (b) the POS Software being used in combination with equipment, software, or supplies not provided or specified by Franchisor, in the documentation or User Guide and such infringement would not have occurred but for such combination or unintended or unauthorized use of the POS Software. Franchisor makes no other express or implied warranty of non-infringement and, except as provided in this Section 8, accepts no other liability in connection with infringement by the POS Software upon any patent, trade secret, or copyright. For clarity, no limitation of liability or exclusion of consequential damages in this POS License Agreement or the Addendum shall limit Franchisor's obligation to defend Franchisee pursuant to this Section.

9. Technical Support. Franchisee and its employees may contact Franchisor's POS Software technical support service ("**Software Support Service**") by telephone, electronic, fax or written communication from 7:00 a.m. to 8:00 p.m., central time prevailing in Houston, Texas, Mondays through Fridays, excluding holidays. Franchisor will provide an "on call" service technician to attempt to answer questions relating to the POS Software on a limited basis in addition to the hours listed above. The Software Support Service will (a) attempt to answer the reasonable questions of Franchisee and its employee pertaining to (i) the POS Software documentation ("**User Guide**") and (ii) the use and operation of the POS Software, (b) receive reports of known or suspected errors in the User Manual and the POS Software, and (c) provide Franchisees and their employees with corrections and/or "workarounds" for reported errors.

10. Franchisor represents, warrants and covenants to Franchisee that the availability of the POS Software and the response time service level agreements (“SLAs”) will correspond to the SLAs provided from JLI’s POS Software hosting agent, or JLI will pursue contractual provisions with agent to restore services to agreed-upon levels. Furthermore, Franchisor represents that it has or will provide TSAB with a copy of the SLAs for the POS Software provided from the POS Software hosting agent to Franchisor, including service remediation or restoration terms, which may be redacted to remove irrelevant or confidential information. JLI will provide an online User Guide that will be accessible to all authorized POS users.

11. POS Software Maintenance Corrections. Franchisor will loan Franchisee one copy of any corrections to the POS Software or the User Manual.

12. Service Limitations.

12.1 Remote Services Only. Unless otherwise provided in this POS License Agreement, the Software Support Service is remote services only.

12.2 Exclusions from Software Support Service. The Software Support Service does not include failure of software due to equipment or software not meeting Franchisor’s specifications, catastrophe, operator error, fault or negligence on the part of Franchisee or its employees, or other, similar damages.

12.3 Withdrawal of Software Support Service. Franchisor may withdraw individual items from coverage under this Agreement upon 120 days’ prior written notice, if such items are no longer generally in use by Franchisor or its franchisees.

12.4 Additional Training. Franchisee may be required to provide additional training to its employees if excessive service calls related to operator error occur.

13. Media Distribution. Unless otherwise provided in this Agreement, Franchisor will distribute POS Software media via broadband.

14. No Unauthorized Use or Alteration of the POS Software. Franchisor’s obligation to provide Software Support Service does not extend to any modification or alteration of the POS Software (other than by Franchisor’s authorized personnel) or any unauthorized use of the POS Software. Franchisee shall not modify, or permit its employees to modify, the POS Software. Franchisee shall not use, or permit its employees to use, the POS Software in any way except in connection with operation of the Center.

15. No Implied Assistance or Documentation. Except as provided in this POS License Agreement, Franchisor has no obligation to provide any enhancements, upgrades, updates, new releases or assistance with regard to the POS Software.

16. Costs Associated with the POS System.

16.1 Costs of Installation. Franchisee will pay all costs associated with installation of the POS System at the Center, including any extraordinary costs resulting from special installation needs (such as construction, remodeling, rewiring, additional wiring, or telephone line installation), and for all costs of hardware in addition to that which is provided by Franchisor pursuant to the Agreement.

16.2 [Intentionally Deleted]

16.3 Franchisee's Other Costs. Except as provided in Section 16.2 of this Agreement, Franchisee will pay all costs of operation of the POS system, including (a) the cost of a broadband connection, if necessary, (b) labor costs, (c) all costs of hardware maintenance, licenses, repair, upgrades and replacement, (d) charges for support, which shall be charged (on a per installation per franchise entity basis and not a per franchise agreement basis) at a rate set from time to time by Franchisor but which shall not exceed \$160 per month, unless approved by TSAB or required as a contractual increase approved by JLI and the TSAB with a designated POS vendor or service provider and (e) charges for POS Software support services other than those provided under this Agreement which, if provided by Franchisor or an affiliate of Franchisor, will be invoiced to Franchisee at the servicing entity's "per-call" rates according to terms and conditions in effect when the service is performed, together with room, board and travel charges incurred by any service technician.

17. Operation of the POS System. Franchisee will operate the POS system according to the standards and procedures prescribed by Franchisor from time to time, including but not limited to the standards and methods for communication with Franchisor as stipulated in the Manual. Franchisee will, among other things, transmit individual invoice information daily to Franchisor, including specified customer data (such as customer names and addresses including postal zip codes). Except as otherwise provided in the Agreement, Franchisor may not sell, disclose, or use data transmitted to it by Franchisee for the benefit of any other person or entity without Franchisee's consent.

18. Changes in the POS System. From time to time, Franchisor may find it desirable to modify or replace the POS Software it has provided to the Franchisee or to change the specifications for, and require the replacement of, the POS hardware used in conjunction with the POS Software. Franchisor will solicit comments from franchisees before making any substantial modification in the POS system. Franchisor may satisfy this obligation by soliciting comments from (a) a committee or group of franchisees formed specifically to monitor POS matters (which may also include representatives of Franchisor); or (b) from a representative sample of Franchisor franchisees.

19. Restriction on Provision of Unique POS Characteristics to Others. Franchisor may develop other proprietary POS software for the System, or may license POS software for use by the System from others, each of which shall be deemed to be included as POS Software as defined in this Agreement. Without TSAB approval, Franchisor may not license, sublicense, furnish, or provide any enhancements to the POS system developed specifically for Franchisor to any person or entity which may be in competition with the Jiffy Lube System other than a Jiffy Lube franchisee or a Center operated by Franchisor or an affiliate of Franchisor.

20. Amendments. Oral agreements are not part of this POS License Agreement. No one is authorized to change, alter or amend the terms or conditions of this POS License Agreement unless agreed to in writing by an officer of Franchisor and Franchisee.

21. Transfer. Franchisee may not transfer this POS License Agreement or Franchisee's rights under this POS License Agreement except in conjunction with a transfer permitted by the Agreement.

22. Conflicts. Should any conflicts occur between this POS License Agreement and the Franchise Agreement, the terms and conditions of this POS License Agreement shall control.

23. Default.

23.1 Franchisor's Right to Terminate Without an Opportunity to Cure. If Franchisee defaults on the restrictions described in Sections 5 or 14 of this POS License Agreement, Franchisor may terminate this POS License Agreement without notice to Franchisee and without an opportunity to cure.

23.2 Default under Franchise Agreement. If either party defaults under any of its obligations under this POS License Agreement except a default covered by Section 24.1, the breaching party shall have thirty (30) days in which to reasonably cure such default after the non-breaching party's notice to the breaching party or if such default is of a nature that it cannot reasonably be completely cured in thirty (30) days, the breaching party must begin and diligently pursue a cure within thirty (30) days after its receipt of a written notice of default from the non-breaching party, but may have a reasonable time within which to cure such default. If any default described in the notice of default given under this Section is not cured or a cure not begun and diligently pursued within the time provided in this Section, then the non-breaching party may terminate this POS License Agreement without further notice.

24. Bankruptcy Matters. In the event of the insolvency of, or the voluntary or involuntary filing of a petition in bankruptcy by or against Franchisor or its licensors of the POS Software, in order to preserve fully Franchisee's rights under Section 365(n) of the Bankruptcy Code of the United States (11 U.S.C. Section 365 (n)) (the "**Bankruptcy Code**"), the following provisions shall apply:

24.1 The parties agree that it is their intent: (i) to obtain for Franchisee the broadest possible interpretation of the protection afforded licensees under the provisions of Section 365(n) of the Bankruptcy Code; and (ii) that Franchisee's business operations not be disrupted in any manner in the event that the intellectual property and any related property and services that are the subject of this Agreement are not available from Franchisor in the manner contemplated by this Agreement.

24.2 The parties further agree that to the extent that this Agreement is determined to be an executory contract under Section 365 of the Bankruptcy Code, it is an intellectual property license within the meaning of Section 365(n)(1) of the Bankruptcy Code.

24.3 If a bankruptcy proceeding is commenced and this Agreement is rejected by Franchisor, as appropriate, the trustee in bankruptcy, upon such rejection Franchisee shall have the right, at Franchisee's option, either to terminate this Agreement or to elect to retain its licensed rights to the POS Software under the terms of this Agreement.

25. Escrow.

25.1 Escrow Account: Franchisor shall at its expense establish an escrow account with an intellectual property escrow agent reasonably acceptable to TSAB (the “**Escrow Agent**”) pursuant to an escrow agreement (“**Escrow Agreement**”) for the safekeeping of the Source Code for all POS Software, including the source code for all updates and upgrades to the Software as such updates and upgrades are made available by Franchisor. Franchisor warrants and covenants that it will provide TSAB with the name and contact information of the Escrow Agent within ninety (90) days of the POS system becoming 98% available to the Franchisee. As used herein, “**Source Code**” shall include all or any portion of the source code relating to the POS Software or any other declarations, instructions, functions, loops or other statements controlling the function of such POS Software, in each case together with all modifications, revisions, updates, and upgrades thereto. Franchisor shall execute documentation necessary to name TSAB, or if TSAB ceases to exist, JLAF, or if JLAF ceases to exist, “franchisees operating under an effective Jiffy Lube Franchise Agreement”, as a third party beneficiary of the Escrow Agreement (such party referred to herein as the “**Current Escrow Beneficiary**”) in the event that JLI ceases to serve as Franchisor and there is no successor to assume the position of the Franchisor. Upon execution of the Escrow Agreement, Franchisor shall provide the Current Escrow Beneficiary with a copy of the Escrow Agreement and the contact information for the Escrow Agent and shall notify Current Escrow Beneficiary immediately in writing of any changes to the Escrow Agreement or such contact information.

25.2 Escrow Event: The Escrow Agreement shall provide that the Escrow Agent will release the Source Code for the POS Software and other related documentation to Current Escrow Beneficiary in the event that JLI ceases to operate as Franchisor in the normal course of business and there is no successor to assume the role as the Jiffy Lube Franchisor.

25.3 License: In the event that the Escrow Agent releases the Source Code to the Current Escrow Beneficiary, Franchisor hereby grants the Current Escrow Beneficiary a source code license to use, copy, and modify the Source Code to the extent necessary to continue to use and maintain the POS Software as contemplated by this POS License Agreement and for no other purpose. Franchisor will promptly and continuously provide to the Escrow Agent any updates and upgrades, and all documentation related thereto which have been implemented for Franchisee’s version of the POS System. The Source Code will be in a form suitable for reproduction and use by computer and photocopy equipment and will consist of a full source language statement of the program or programs comprising the POS Software and complete program maintenance documentation that comprises the pre-coding detail design specifications, and all other material necessary to allow a reasonably skilled programmer or analyst to maintain the POS Software without the assistance of Franchisor or reference to any other materials.

26. Notices. Absent notice to the contrary in writing, any and all notices required to be given to Franchisor or Franchisee under this POS License Agreement will be sent by overnight courier or facsimile (with receipt of confirmed transmission) addressed to such part at the address set forth beneath the signature of that party’s representative below.

27. Governing Law and Venue. The parties agree to be bound by the provisions of the Agreement relating to governing law and dispute resolution with respect to the interpretation and

enforcement of this POS License Agreement; provided, however, that the parties agree that the state or federal courts of the defendant's principal place of business will have exclusive jurisdiction over the resolution of all disputes that arise under this POS License Agreement, and each party irrevocably submits to the personal jurisdiction of such courts. For illustration purposes only, if Franchisee initiates a claim against Franchisor under this POS License Agreement, Franchisee must initiate such claim in the state or federal courts of the county and state in which Franchisor has its principal place of business.

28. Miscellaneous.

28.1 Waiver and Estoppel. Any failure by Franchisor or Franchisee to promptly avail itself of any default of the other will not operate as an estoppel so as to prevent the non-defaulting party from asserting the default at a subsequent time.

28.2 Parties Covered. The word "**Franchisee**" in this POS License Agreement also includes the equity holders, officers and directors of a corporate Franchisee, and all partners of a partnership Franchisee with respect to all provisions of this POS License Agreement relating to the use or restrictions on use of the POS Software.

28.3 Interpretations. The caption headings of this POS License Agreement are for convenience only and will in no way affect the manner in which any provision hereof is construed. Whenever the context requires, the singular will include the plural, the plural will include the singular and any gender will include all other genders.

ATTACHMENT D – TO POS ADDENDUM

JIFFY LUBE DATA DELIVERY SERVICE AGREEMENT

This Data Delivery Service Agreement (“**DDS Agreement**”) is entered into by and between Jiffy Lube International, Inc. (“**JLI**”) and Franchisee (also referred to herein as “**Entity**” or “**Franchisee Entity**”) as specifically identified in the POS Addendum (“**Addendum**”) to which this DDS Agreement is attached as Attachment D. This DDS Agreement becomes effective as of the date that the updated POS Software is installed in the Franchisee’s first Center as provided in the Addendum.

RECITALS

In POSnet, JLI had developed and supported a proprietary Data Delivery Service (“**DDS**”) consisting of a series of internal processes and software, which delivered Jiffy Lube Franchisee Entity specific data to the respective Entity for each of the Franchise Centers (“**Center**”) the Entity owns. With the new POS system, the same Entity specific data will be maintained in centrally hosted accessible databases, such that each Entity may connect when it desires to access or retrieve its data. Data will be available near real time, meaning shortly after it arrives into the corporate database from each Center.

Franchisee wishes to license from JLI the DDS upon the terms and conditions contained in this DDS Agreement and JLI has consented to license to Franchisee its DDS upon the terms and conditions contained in this DDS Agreement.

TERMS AND CONDITIONS

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

1. License. During the term of this DDS Agreement, JLI hereby grants to Franchisee a non-exclusive, non-transferable license to use DDS solely for use with business attributable to Jiffy Lube® branded automotive lubrication and preventive maintenance centers licensed to Franchisee pursuant to Franchise Agreements entered into between JLI and Franchisee.
2. Operating Environment. Franchisee understands and agrees that it must establish and maintain, at its own expense, an operating environment suitable for accessing and processing DDS data. Franchisee is responsible for ongoing maintenance of the environment. JLI assumes no responsibility in supporting any DDS environments or processes beyond the corporate source DDS database for each subscribing Entity.
3. Establishment of DDS. JLI requires thirty days advance notice (as established by receipt of this signed Agreement from Franchisee) to provision DDS for a Franchisee Entity and provide access credentials.
4. Fees. The monthly fee for DDS per entity group, not entity, is based on the number of stores, \$200 for 1 to 25 stores, \$400 for 26 to 99 stores, or \$850 for > 99 stores. The monthly fee will be billed to Franchisee Entity via its regular monthly statement from JLI.

The monthly fees described here shall not go into effect until 90% of a Franchisee's centers have been converted to the new POS system, at which time it will supersede the former fees. The fee structure will be reviewed annually and is subject to change upon not less than 30 days prior written notice with approval by the TSAB.

All costs associated with establishing and maintaining the specified environment will be at the expense of the Franchisee Entity.

5. Use of Service Provider. Franchisee Entity may request in writing that a third party service (“**Service Provider**”) to receive data on its behalf. No arrangement will be made directly with a Service Provider without Franchisee's specific written request. JLI reserves the right to decline to utilize any Service Provider requested by Franchisee Entity for any reason. If JLI grants Franchisee Entity's request to use a Service Provider, Franchisee Entity understands that such Service Provider will be subject to JLI review and audit procedures. Franchisee Entity further understands that it shall be responsible for ensuring Service Provider's compliance with the terms and conditions of this DDS Agreement, including, without limitation, the provisions of Paragraph 87 (Confidentiality). Franchisee Entity shall remain solely responsible for fulfilling the provisions of Paragraph 4 (Fees).

The Service Provider may be subject to a separate fee structure as established between the Service Provider and JLI. JLI reserves the right to revoke use of any Service Provider by Franchisee Entity for any reason upon not less than 90 days prior written notice or without notice for cause.

6. Restrictions. DDS data should be accessed from a single location per Franchisee Entity. That is, a Franchisee or its nominated Service Provider should access data, not both. This restriction is inclusive of ad-hoc requests regardless of the requestor. The DDS service shall be used exclusively for a Franchisee Entity or its nominated service provider to access or retrieve Franchisee's Jiffy Lube® store-generated data. Any other use of DDS in its entirety or any component thereof is strictly prohibited by Franchisee Entity or its designated Service Provider.

Neither Franchisee Entity nor designated Service Provider may alter any component of the DDS service without express written consent of JLI. Components include, but are not limited to, tables, views, indices, stored procedures, or other tools or applications loaded for explicit purpose of enabling the DDS service. Franchisee Entity acknowledges that any change to any component of DDS could disrupt operation of the DDS service and cease the flow of data to the designated location. In such an event, JLI will not guarantee when service could be restored.

JLI is not obligated to provide support for any processes utilizing the data delivered by DDS. Any downstream process or query built on the database is the sole responsibility of Franchisee Entity or its approved Service Provider.

Franchisee Entity or its approved Service Provider is responsible for establishing and following their own data back up and retention policy, including executing any data archival or purge for data delivered via DDS over time. JLI will keep data for the last 12

full months plus the current month for a Franchisee Entity's Centers in the Franchisee Entity's DDS database. Data older than that will be purged from the Franchisee Entity's DDS database and it will be the responsibility of the Franchisee Entity to maintain and save it locally if the Franchisee Entity wishes to keep the data for a longer period.

7. Technical Requirements. DDS subscribing entities must have a terrestrial broadband connection with a minimum bandwidth speed of 5mb for uploads and 10mb for downloads, with recommended 100mb download and 20mb upload. DDS subscribing entities must also use a VPN router initially designated by JLI or any new router designated by JLI and approved by the TSAB, to establish a constant hardware VPN tunnel from the Franchisee Entity's back office site to the cloud site where their DDS data resides. One VPN router will be necessary for each DDS subscription for use by subscribing Franchisee or his designee. Each Franchisee Entity will be provided with VPN connection instructions and account credentials to use with the established hardware VPN tunnel to access the Franchisee Entity's DDS data. JLI reserves the rights to add, modify, change or delete any of its technical requirements upon not less than 60 days prior written notice, after consulting or seeking approval from the TSAB as specified in the TSAB Operating Guidelines.
8. Confidentiality. Franchisee Entity acknowledges that by reason of the disclosure to Franchisee Entity of details concerning DDS, Franchisee Entity is in a position of special trust and confidence with respect to JLI. Franchisee Entity acknowledges that the value of DDS could be substantially impaired if wrongfully disclosed to third parties. Franchisee Entity shall use all reasonable efforts to ensure that DDS (including any individual components and associated documentation), and any portion thereof, on magnetic tape or disk or in any other form, is not disclosed or made available to any other third party except as expressly provided in this DDS Agreement.

Franchisee Entity shall not use, in any manner, DDS other than as expressly authorized in this DDS Agreement and shall take every reasonable precaution to protect the confidentiality of the same.

On expiration or termination of this DDS Agreement for any reason, Franchisee Entity shall promptly return all copies of DDS and cause its approved Service Provider to do the same.

Franchisee Entity agrees to never attempt to access any data other than its own, and agrees to report any suspected improper attempts to access its own data.

9. No Warranties.
 - a. JLI does not warrant that the operation of DDS will be uninterrupted or error-free. Franchisee Entity's sole and exclusive remedy for failure of DDS to conform in all material ways with this DDS Agreement is limited to return DDS to JLI and notify JLI in writing of such nonconformity.
 - b. JLI shall not be responsible for any damage an unauthorized code may do to DDS or the hardware.
 - c. **JLI DISCLAIMS ALL EXPRESS OR IMPLIED WARRANTIES WITH**

RESPECT TO DDS, INCLUDING WITHOUT LIMITATION ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT OR ANY WARRANTY OF CONFORMITY TO MODELS, SAMPLES OR PROTOTYPES. JLI ALSO DISCLAIMS ANY AND ALL WARRANTIES OF OR REPRESENTATIONS CONCERNING DDS MADE BY PERSONS OTHER THAN JLI OR ITS AUTHORIZED REPRESENTATIVES. IN NO EVENT WILL JLI BE LIABLE TO FRANCHISEE ENTITY OR ITS SERVICE PROVIDER FOR ANY SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES INCLUDING LOSS OF PROFITS, LOSS OF REVENUE OR SAVINGS, BUSINESS INTERRUPTIONS, DATA LOSS, LOSS OF BUSINESS OPPORTUNITY OR GOODWILL) IN ANY WAY ARISING OUT OF OR RELATING TO DDS EVEN IF THE LOSS WAS REASONABLY FORESEEABLE.

10. Term. Unless sooner terminated as provided in this DDS Agreement, this DDS Agreement is for a term of one year and shall thereafter automatically renew for additional one year periods.
11. Termination. This DDS Agreement may be terminated as follows:
 - a. By either party upon not less than 60 days prior written notice; or
 - b. By JLI upon 30 days prior written notice if Franchisee Entity fails to remit the fees specified herein on or before their due date;
 - c. By JLI immediately if Franchisee Entity or its approved Service Provider breach any provision of this Agreement other than as set forth in Paragraph 4 (concerning fees)
12. Severability. If any term or provision in this DDS Agreement or its application to any person or circumstance is invalid, illegal, or unenforceable to any extent, the remainder of this DDS Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated herein is not affected in any manner adverse to either party. If any term or provision is determined to be invalid, illegal or incapable of being enforced, the parties shall negotiate in good faith to modify this DDS Agreement in order to affect the original intent of the parties as closely as possible in an acceptable manner.
13. No Waiver. The failure of any of the parties to enforce any of the provisions of this DDS Agreement at any time shall not be construed to be a continuing waiver of such provision unless specifically and expressly so notified by such party in writing which writing expressly states it is a waiver. No waiver of any breach of this DDS Agreement shall be held to be a waiver of any other breach.
14. No Partnership. Nothing in this DDS Agreement shall be deemed to constitute a partnership between the parties nor constitute any party the agent of any other party for any purpose. No party is granted and no party shall exercise any perceived right or authority to assume or create any obligation or responsibility, including without limitation, contractual obligations and obligations based on warranties or guarantees on behalf of or

in the name of any other party.

15. Notices. Notices, demands or other communications required or permitted to be given or made hereunder shall be in writing and delivered personally or sent by fax, addressed to the intended recipient at its address set out below each parties respective signature to this agreement or to such other address or fax number as such party may from time to time duly notify to the others of a different address. Any such notice, demand or communication shall, unless the contrary is proved, be deemed to have been duly served:
 - a. If given or made by fax upon receipt by the sender of the recipient party's answer back code at the end of transmission; or
 - b. If sent by hand, when delivered at the address of the intended recipient.
16. No Third Party Beneficiaries. This DDS Agreement is not intended to confer any benefits upon, or create any rights in favor of, any person or entity other than the parties hereto.
17. No Assignment. Franchisee Entity may not assign this DDS Agreement or any of its rights and obligations under this DDS Agreement.
18. Headings. Any headings used herein are for convenience in reference only and are not a part of this DDS Agreement, nor shall they in any way affect the interpretation hereof.
19. Rules of Construction. The rules of construction that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this DDS Agreement or any amendments, exhibits, or schedules to this DDS Agreement.
20. Entire Agreement. This DDS Agreement constitutes the complete and only agreement among the parties on the subject matter of this DDS Agreement and replaces all previous oral or written agreements, contracts, understandings and communications of the parties in respect of the subject matter of this DDS Agreement. This DDS Agreement may only be amended in a writing duly signed by authorized representatives of both parties.

Upon receipt of such notification, SOPUS shall determine the Removed Service Center's applicable portion of the unpaid Funds by prorating to the Removed Service Center a portion of the remaining Funds by using the Service Center's trailing twelve (12) months' car count as a ratio to BUYER's total trailing twelve months car count for all its Service Centers. The remaining Funds shall be calculated by subtracting any Funds repaid by the BUYER via the Repayment Rate since the Effective Date of this Agreement (the “**Removed Service Center's Purchase Requirement**”). If SOPUS determines that BUYER does not have the ability to comply with the Removed Service Center's Purchase Requirement by applying it to the remaining Service Centers, then within 30 days of the deletion of the Removed Service Center from Exhibit A, BUYER shall pay SOPUS an amount equal to the Removed Service Center's Purchase Requirement. If SOPUS determines that BUYER can fulfill the Removed Service Center's Purchase Requirement or a portion thereof through the remaining Service Centers, then for

that portion of the obligation that BUYER can fulfill, BUYER has the option of (1) paying the original Advanced Funding Rate used at the time Funds were provided, times the portion of the Removed Service Center's Purchase Requirement that could be absorbed by the remaining Service Centers or (2) applying the portion of the Removed Service Center's Purchase Requirement that could be absorbed by the remaining Service Centers to the Annual Product Purchase Requirement of the remaining Service Centers to the remaining Funds of the remaining Service Centers via the Repayment Rate.

- (c) Upon the termination of this Agreement prior to the expiration of the Purchase Term, or in the event (1) this Agreement terminates for any reason or (2) BUYER fails to satisfy the Annual Product Purchase Requirement during the Purchase Term, BUYER shall immediately pay SOPUS all amounts due pursuant to this Agreement, unless otherwise agreed to the contrary by the Parties.

4. FUNDING

As of execution of this Agreement by the Parties, the Parties acknowledge that any Funds owed to SOPUS by BUYER prior to this Agreement are calculated as of _____ ("Assessment Date"). Buyer shall have fifteen (15) days to provide written notice if BUYER does not agree with the amount of Funds specified by SOPUS.

- (a) **Conversion of Pre-Existing Obligations.** BUYER agrees that it has existing commitments to repay certain obligations in accordance with pre-existing agreements with SOPUS, including but not limited to, those relating to the purchase of JLI stores or the repayment of previously advanced funds as the case may be. Consequently, the Parties agree that SOPUS is hereby providing the Conversion Funds to be applied toward satisfaction of the obligations under the following agreements that BUYER has with SOPUS: (List Agreement Title(s), Effective Date(s), IMS #(s)) (together with any amendments thereto, the "**Pre-existing Agreements**"). The Parties further agree that such outstanding obligations for such Pre-Existing Agreements shall be repaid by BUYER in accordance with Article 4 (f) below. **[OPTION: - INTENTIONALLY LEFT BLANK.]**

For purposes of this Agreement, funded pricing shall mean the price of Product as set forth in Article 5 below plus the Repayment Rate and unfunded pricing shall mean the price of Product as set forth in Article 5 below without the Repayment Rate surcharge.

(b) **Advanced Funding**

- (i) Eligibility: Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER has repaid the Funds received, if any, in accordance with the terms hereof, (3) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, (4) SOPUS determines in its sole and absolute discretion, at the time of each disbursement, that BUYER's credit worthiness is acceptable; (5) that all accounts receivable are current; and (6) that all notes or guarantees that SOPUS, JLI, or their affiliates enter into with or for the benefit of BUYER, including but not limited to and UNL Program loans, are current and not in default, on the fifth anniversary of the Effective Date and on every fifth anniversary thereafter or earlier if there are no Funds outstanding or if BUYER repays any

previously received Funds prior to such five year anniversary, BUYER will be eligible to receive Advanced Funding in five year increments (or less if the Agreement expires in less than five years). The amount of such Advanced Funding, if any, shall be determined by SOPUS taking into consideration BUYER's credit worthiness and the previous 12 months' car count for all the Service Centers multiplied by 1.3 multiplied by eighty-five percent (85%) multiplied by the number of years (1 to 5 or a fraction thereof rounded to the nearest month) to be funded multiplied by the Advanced Funding Rate. Based on SOPUS's review of BUYER's credit worthiness at the time of payment, at SOPUS's sole and absolute discretion, Advanced Funding shall be paid by SOPUS either (a) within sixty (60) days of BUYER qualifying for such Advanced Funding or (b) via an alternate payment schedule. Such Advanced Funding received, if any, shall be deemed Funds for purposes of this Agreement and repaid as set forth in Article 4 (f) below.

(ii) Options: BUYER may be eligible to receive Advanced Funding, if BUYER has not yet repaid the Funds previously received, BUYER, at its option, may:

- (1) repay to SOPUS any outstanding Funds amount via payment by ACH (in accordance with the instructions in Article 10 (f) below), or other payment method that may be designated by SOPUS, and thereafter be eligible to either (a) receive additional Advanced Funding for another five year increment (or less if the Agreement expires in less than five years) and the amount of such shall be determined by SOPUS at its sole discretion by taking into consideration BUYER's credit worthiness and the last 12 months' Service Center car count as described in Article 4 (b) (i) , or (b) move from funded pricing to unfunded pricing (as such terms are defined in Article 4 (a) above); or
- (2) defer eligibility to receive any Advanced Funding until such time as BUYER has repaid the Funds; or
- (3) request that SOPUS determine the amount of Advanced Funding BUYER may be entitled to for the next five-year period as if BUYER had repaid the Funds in full, as described in Article 4 (b) (i) and have SOPUS deduct from such additional Advanced Funding the amount of the outstanding Funds.

(c) Growth Funding

- (i) Eligibility: Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, (3) SOPUS determines in its sole and absolute discretion, at the time of each disbursement, that BUYER's credit worthiness is acceptable; and (4) that all accounts receivable and that all notes or guarantees that SOPUS, JLI, or their affiliates enter into with or for the benefit of BUYER, including but not limited to UNL Program loans, are current and not in default, BUYER will be eligible to receive additional funding from SOPUS for the building, acquisition or conversion of new to SOPUS or JLI Service Center(s) at the time the new Exhibit A is agreed by the Parties as set forth in 1(v). For any new to SOPUS or JLI Service Center added by BUYER to Exhibit A, BUYER will be entitled to receive Growth Funding if

and only if such Service Center (1) is not then a Jiffy Lube service center and/or (2) has not previously received Growth Funding for the newly built, acquired or converted Service Center. For any new to SOPUS or JLI Service Center added by BUYER to Exhibit A as a Replacement Center, BUYER will be entitled to receive Growth Funding if and only if such Service Center (1) is not then a Jiffy Lube Service Center and/or (2) has not previously received Growth Funding for the Replacement Center and/ or (3) if Growth Funding was received by BUYER for the Service Center that is being replaced with a Replacement Center, then BUYER has paid in full all outstanding monetary balances to SOPUS for that Service Center, including all Funds. For any newly built or Replacement Service Center(s), any applicable payment shall be made by SOPUS within sixty (60) days of the official opening of the Service Center for normal business operations.

(ii) Based on SOPUS's review of BUYER's credit worthiness at the time of payment, at SOPUS's sole and absolute discretion, any Growth Funding would be paid to BUYER either (a) within sixty (60) days of BUYER qualifying for such Growth Funds or (b) via an alternate payment schedule.

(iii) Calculation: The amount of the Growth Funds that may be provided to BUYER shall be determined by the following formula: the Growth Funding Rate multiplied by (1) the trailing 12 months' actual car count for the Service Center to be added, if available, if the Service Center is a JLI franchisee or if not a JLI franchisee, by (2) the trailing 12 months' JLI regional average per store annual car count (as determined by JLI in its sole discretion) multiplied by 1.3 multiplied by eighty five percent (85%) multiplied by up to five (5) years (or a fraction thereof rounded to the nearest month), but in no event longer than the applicable term of the Franchise Agreement for that Service Center.

(iv) Repayment Amount: All Growth Funds that must be repaid to SOPUS by BUYER under this Agreement will be repaid in accordance with Article 4 (f) below, where BUYER elects to take 100% of the amount it is eligible to receive per the Growth Funds Calculation provision included in this Agreement ("**100% Growth Funds Election**"), the amount of Growth Funds that must be repaid by BUYER to SOPUS hereunder shall be determined by taking the then current Repayment Rate dividing it by the Growth Funding Rate and multiplying the result by the amount of the Growth Funds paid to BUYER.

Subject to the approval of SOPUS, BUYER may elect to receive Growth Funds that are more than 50% but less than 100% of the total amount it is eligible to receive per the Growth Funds Calculation included in this Agreement ("**Greater Than 50% Growth Funds Election**"). If BUYER elects the 50% or More Election, and it is approved by SOPUS, the amount of Growth Funds that must be repaid by BUYER to SOPUS hereunder is an amount equal to the total Growth Funds paid to BUYER minus that

portion of the Growth Funds that is equal to half of the amount that BUYER would have received had it elected to take the 100% Growth Funds Election.

Subject to SOPUS approval, BUYER may elect to receive Growth Funds that are 50% or less of the total amount it is eligible to receive under the 100% Growth Funds Election (“**50% or Less Growth Funds Election**”). If BUYER elects the 50% or Less Growth Fund Election, and it is approved by SOPUS, BUYER is not required to repay that portion of the Growth Funds to SOPUS that is equal to the 50% or Less Election.

Growth Funds Examples:

100% Growth Funds Election Example:

If BUYER elected the 100% Election and SOPUS paid \$1,000 in Growth Funds to BUYER then, BUYER must repay \$0.35 (the Repayment Rate) divided by \$0.70 (the Growth Funding Rate) = $50\% \times \$1,000 = \500 .

Greater Than 50% Growth Funds Election Example:

If BUYER elected Greater Than 50% Election and SOPUS paid \$750 in Growth Funds to BUYER, and the Growth Fund maximum is \$1,000 per the Growth Fund Calculation provision, then Buyer must repay \$750 (Growth Funds Paid to BUYER) – \$500 (amount equal to half of the maximum amount BUYER is eligible to receive per the Growth Fund Calculation provision e.g., $\$1000/2$) = $\$750 - \$500 = \$250$

50% or Less Growth Funds Election Example:

If BUYER elected the 50% or Less Election, and SOPUS paid \$500 in Growth Funds to BUYER and the Growth Funds maximum is \$1000 per the Growth Fund Calculation provision, then BUYER must repay \$500 (Growth Funds Paid to BUYER) - \$500 (amount equal to half of the maximum amount BUYER is eligible to receive per the Growth Fund Calculation provision e.g., $\$1000/2$) = $\$500 - \$500 = \$0.00$.

Note that the amounts described in the above example are those in effect as of the Effective Date and are subject to change as described herein.

(d) **Jiffy Lube Multicare Funding** –

To the extent BUYER receives Jiffy Lube Multicare Advanced Funding and/or Jiffy Lube Multicare Growth Funding, BUYER shall not be eligible to receive Growth Funding, and/or Advanced Funding as defined herein.

OPTIONAL: As of execution of this Agreement by the Parties, the Parties acknowledge that any Funds owed to SOPUS by BUYER prior to this Agreement are calculated as of _____ (“**Assessment Date**”). Buyer shall have fifteen (15) days to provide written notice if BUYER does not agree with the amount of Funds specified by SOPUS.

(i) **Jiffy Lube Multicare Growth Funding**

- (I) Eligibility: Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, (3) BUYER is enrolled and in full compliance with Jiffy Lube Multicare Program, (4) SOPUS determines in its sole and absolute discretion, at the time of each disbursement, that BUYER's credit worthiness is acceptable; and (5) that all accounts receivable and that all notes or guarantees that SOPUS, JLI, or their affiliates enter into with or for the benefit of BUYER, including but not limited to UNL Program loans, are current and not in default, BUYER will be eligible to receive additional funding from SOPUS for the building, acquisition or conversion of new to SOPUS or JLI Service Center(s) (the "**Jiffy Lube Multicare Growth Funds**") at the time the new Exhibit A is agreed by the Parties as set forth in 1 (v). For any new to SOPUS or JLI Service Center added by BUYER to Exhibit A, BUYER will be entitled to receive the Jiffy Lube Multicare Growth Funds if and only if such Service Center (1) is not then a Jiffy Lube Service Center, and/or (2) has not previously received Growth Funds or Jiffy Lube Multicare Growth Funds for the newly built, acquired or converted Service Center. For any new to SOPUS or JLI Service Center added by BUYER to Exhibit A as a Replacement Center, BUYER will be entitled to receive Multicare Growth Funding if and only if such Service Center (1) is not then a Jiffy Lube Service Center and/or (2) has not previously received Multicare Growth Funding for the Replacement Center and/ or (3) If Multicare Growth Funding was received by BUYER for the Service Center that is being replaced with a Replacement Center, then BUYER has paid in full all outstanding amounts due to SOPUS for that Service Center, including all Funds. For any newly built or Replacement Service Center(s), any applicable payment shall be made by SOPUS within sixty (60) days of the official opening of the Service Center for normal business operations.
- (II) Based on SOPUS's review of BUYER's credit worthiness at the time of payment, at SOPUS's sole and absolute discretion, any Jiffy Lube Multicare Growth Funds would be paid to BUYER either (a) within thirty days of BUYER qualifying for such Jiffy Lube Multicare Growth Funds or (b) via an alternate payment schedule.
- (III) Calculation: the amount of the Jiffy Lube Multicare Growth Funds that may be provided to BUYER shall be determined by the following formula: the Jiffy Lube Multicare Growth Funding Rate multiplied by (1) the trailing 12 months' actual car count for the Service Center to be added, if available, if the Service Center is a JLI franchisee or if not a JLI franchisee, by (2) the trailing 12 months' JLI regional average per store annual car count (as determined by JLI in its sole discretion) multiplied by 1.3 multiplied by eighty five percent (85%)

multiplied by up to five (5) years (or a fraction thereof rounded to the nearest month), but in no event longer than the applicable term of the Franchise Agreement for that Service Center (3). For Service Centers with previous Growth Funds enrolled in Jiffy Lube Multicare Program the amount of the Jiffy Lube Multicare Growth Funds that may be provided to BUYER shall be determined by the following formula: the Growth Funding Rate multiplied by (1) the trailing 12 months' actual car count for the Service Center to be added, if available, if the Service Center is a JLI franchisee or if not a JLI franchisee, by (2) the trailing 12 months' JLI regional average per store annual car count (as determined by JLI in its sole discretion) multiplied by 1.3 multiplied by eighty five percent (85%) multiplied by up to five (5) years (or a fraction thereof rounded to the nearest month), but in no event longer than the applicable term of the Franchise Agreement for that Service Center and subtract previously paid Growth Funds from pre-existing agreements.

(IV) Repayment Amount: The amount of the Jiffy Lube Multicare Growth Funds to be repaid by BUYER to SOPUS in accordance with Article 4 (f) below shall be determined by taking the then current Jiffy Multicare Repayment Rate dividing it by the Growth Funding Rate and multiplying the result by the amount of the Jiffy Lube Multicare Growth Funds paid to BUYER. For example, if SOPUS paid \$1,000 in Jiffy Lube Multicare Growth Funds to BUYER, BUYER must repay \$0.50 (the Jiffy Lube Multicare Repayment Rate) divided by \$1.00 (the Growth Funding Rate) = 50% x \$1,000 = \$500. Note that the amounts described in the above example are those in effect as of the Effective Date and are subject to change as described herein.

(ii) Jiffy Lube Multicare Advanced Funding

- i. Eligibility: Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER has repaid the Funds received, if any, in accordance with the terms hereof, (3) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, (4) BUYER is enrolled and in full compliance with Jiffy Lube Multicare Program, (5) SOPUS determines in its sole and absolute discretion, at the time of each disbursement, that BUYER's credit worthiness is acceptable; (6) that all accounts receivable are current; and (7) that all notes or guarantees that SOPUS, JLI, or their affiliates enter into with or for the benefit of BUYER, including but not limited to UNL Program loans, are current and not in default, if there are no Funds outstanding, BUYER will be eligible to receive Jiffy Lube Multicare Advanced Funding in five year increments (or less if the Agreement expires in less than five years).

- II. Calculation: The amount of such Jiffy Lube Multicare Advanced Funding, if any, shall be determined by SOPUS taking into consideration BUYER's credit worthiness and the previous 12 months' car count for all the Service Centers multiplied by 1.3 multiplied by eighty-five percent (85%) multiplied by the number of years (1 to 5 or a fraction thereof rounded to the nearest month) to be funded multiplied by the Jiffy Lube Multicare Advanced Funding Rate. Based on SOPUS's review of BUYER's credit worthiness at the time of payment, at SOPUS's sole and absolute discretion, Jiffy Lube Multicare Advanced Funding shall be paid by SOPUS either (a) within thirty days of BUYER qualifying for such Jiffy Lube Multicare Advanced Funding or (b) via an alternate payment schedule. Such Jiffy Lube Multicare Advanced Funding received, if any, shall be deemed Funds for purposes of this Agreement and repaid as set forth in Article 4 (f) below.
- III. Options: BUYER may be eligible to receive Jiffy Lube Multicare Advanced Funding, BUYER has not yet repaid the Funds previously received, BUYER, at its option, may:
1. repay to SOPUS any outstanding Funds amount via payment by ACH (in accordance with the instructions in Article 10 (f) below), or other payment method that may be designated by SOPUS, and thereafter be eligible to either (a) receive additional Jiffy Lube Multicare Advanced Funds for another five year increment (or less if the Agreement expires in less than five years) and the amount of such shall be determined by SOPUS at its sole discretion by taking into consideration BUYER's credit worthiness and the last 12 months' Service Center car count as described in Article 4 (d) (ii) (I) above, or (b) move from funded pricing to unfunded pricing (as such terms are defined in Article 4 (a) above); or
 2. defer eligibility to receive any Jiffy Lube Multicare Advanced Funding until such time as BUYER has repaid the Funds; or
 3. request that SOPUS determine the amount of Jiffy Lube Multicare Advanced Funding BUYER may be entitled to for the next five-year period as if BUYER had repaid the Funds in full, as described in Article 4 d (ii) (I) above and have SOPUS deduct from such additional Jiffy Lube Multicare Advanced Funding the amount of the outstanding Funds.

(e) **INTENTIONALLY LEFT BLANK**

- (f) **Payment and Repayment of Funds** – The Parties agree that the total Funds provided by SOPUS to BUYER shall be repaid by BUYER by purchasing from SOPUS the Qualifying Products at the prices set forth herein plus the Repayment Rate, or Jiffy Lube Multicare Repayment Rate, as applicable. BUYER may, at any time, repay the outstanding amount of the Funds via ACH, or other payment method that may be designated by SOPUS, without any prepayment penalty. After such repayment, BUYER’s Product prices will be as set forth in Article 5 below without the Repayment Rate, or Jiffy Lube Multicare Repayment Rate, as applicable. BUYER agrees that Funds shall be paid by SOPUS by way of automatic deposit into BUYER’s business account using the National Automated Clearing House Association (“ACH”) funds transfer system in accordance with the 1994 / 1997 ACH Rules, as amended from time to time, or such other payment method as may be determined by SOPUS.
- (g) **Discontinuance and Revisions** – Notwithstanding anything to the contrary contained in this Agreement, SOPUS reserves the right to modify, amend and discontinue any funding mechanism or funding program contained herein, at any time, including, without limitation, amending the amount of such funding to an amount greater than those rates described in Article 1 hereof, the method and form of payment, and the conditions or eligibility. In the event SOPUS discontinues any funding program described in this Article 4, SOPUS shall initiate a replacement program or payment mechanism to provide to BUYER, in an equivalent form, an amount equal to the funds that would otherwise be or become due under the discontinued funding program.

5. **PRODUCT PURCHASE PRICE AND REBATES**

- (a) The product purchase prices set forth below shall be effective no sooner than the first day of the second month following the date that SOPUS executes this Agreement. Pricing for all Products shall be in accordance with the following terms:
- (i) The price for all Products shall be at SOPUS’s then current price at time of order, as may be communicated by SOPUS on a quarterly basis, in accordance with this Article 5, in addition to the then current Repayment Rate if applicable, plus taxes, and applicable surcharges and fees, including, without limitation, waste, recycle and environmental fees.
- (ii) The price for select Pennzoil and/or Quaker State Bulk, Drum and Ecobox motor oil products specified in Exhibit B shall be determined in accordance with the formula price methodology more specifically set forth in Exhibit B. BUYER shall receive a per gallon price discount, if applicable, based on BUYER’s annual volume purchases (“**Tiered Volume Discount**”) as described in the Tiered Volume Discount Table in Exhibit D. To the extent SOPUS develops new Product(s) that are applicable to formula pricing, SOPUS will provide BUYER with the formula price methodology that applies to such new Product(s).
- (iii) BUYER shall receive additional price discounts, if applicable, per gallon on passenger car motor oil (“**PCMO**”) and heavy duty engine oil (“**HDEO**”) products purchased (“**Tiered Conventional Bulk Discount**”) in accordance the Tiered Conventional Bulk Discount Table in Exhibit C.

- (iv) BUYER acknowledges that all Product prices may increase or decrease throughout the Term of this Agreement; provided, however, that such increase or decrease in the prices for Products shall be determined on a quarterly basis on January 1, April 1, July 1 and October 1 of each calendar year (“**Price Review Date**”) during the Term of this Agreement and with such price change taking effect on the first day of the following month, February 1, May 1, August 1 and November 1 (“**Price Effective Date**”). The Price Review Dates and the Price Effective Dates as may be modified by SOPUS, in its sole and absolute discretion, by providing BUYER ninety (90) days advanced written notice. SOPUS shall notify BUYER of any price changes ten (10) days prior to the Price Effective Date.
- (v) If industry requirements change in the future, such as, but not limited to a shift from GF5 to the next industry standard and any further changes thereafter, SOPUS reserves the right to change prices as necessary to cover the associated changes in base oil and non base oil related costs upon the effective date SOPUS begins meeting the requirement, with thirty (30) days written notice to BUYER. For the expected move to a new specification, the base price in effect at the time will be adjusted by an amount up to the average price move undertaken for Pennzoil and/or Quaker State bulk conventional Product for customers not participating in the SOPUS Products/Jiffy Lube Fast Lube Program to meet the applicable industry requirement change. Additionally, based on the change in formulation, the A% & B% (reference Exhibit B for formula details) will be recalculated and the underlying base oil indices used may be changed to an industry specified equivalent index. Backup information, including new base oils information and formula change will be provided ten (10) days prior to the time the pricing change is to go into effect in accordance with (iv) above.
- (b) Product Mix Rebate. Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, and (3) that all accounts receivable and SOPUS/JLI notes are current and in good standing, then SOPUS shall pay BUYER a quarterly rebate (the “**Product Mix Rebate**”) based on the percentage of invoiced orders of Champion and Exceptional Products (“**Product Mix**”) purchased by all of BUYER’s Service Centers during each Quarterly Period calculated as a percentage of the PCMO and HDEO invoiced by SOPUS. In addition to the Product Mix Rebate, if BUYER meets certain Product Mix percentages as described above and specified percentages of invoiced orders of Exceptional Products purchased by all of BUYER’s Service Centers during each Quarterly Period calculated as a percentage of the PCMO and HDEO invoiced by SOPUS, BUYER is eligible to an additional \$0.50 rebate as shown below. The table below sets forth the amount of the Product Mix Rebate that would be paid in each of the percent ranges specified for Champion and Exceptional Products:

AS OF 9/1/2016

Quarterly Product Mix Rebate Per Gallon	25-29.99% Product Mix	30-34.99% Product Mix	35-49.99% Product Mix and <40% Exceptional	35-49.99% Product Mix and >40% Exceptional	50-59.99% Product Mix and <40% Exceptional	50-59.99% Product Mix and >40% Exceptional	>60% Product Mix and with 30-39.99% Exceptional	>60% Product Mix and >40% Exceptional
Champion Products Rebate/Gal	\$0.75	\$1.00	\$1.25	\$1.25	\$1.25	\$1.25	\$1.40	\$1.40
Exceptional Products Rebate per gallon	\$2.00	\$2.50	\$3.25	\$3.75	\$4.00	\$4.50	\$4.50	\$5.00

For the avoidance of doubt and for illustration purposes only, the following examples depict how the Product Mix Rebate would be calculated in a hypothetical situation. However, the example will not be binding on the Parties in any way.

Example: If BUYER’s aggregated Service Center invoiced purchases of Product Mix as a percentage to PCMO and HDEO invoiced purchases in one Quarterly Period equals 34.9%, SOPUS, in this example, would pay to BUYER the sum of \$1.00 per gallon for each gallon of Champion Products and \$2.50 per gallon for each gallon of Exceptional Products invoiced during such Quarterly Period.

SOPUS shall provide the Product Mix Rebate within thirty (30) days of the end of each Quarterly Period for Champion and Exceptional Products invoiced during that Quarterly Period as verified by SOPUS. In the event this Agreement terminates for any reason before the completion of the then-current Quarterly Period, BUYER will receive the Product Mix Rebate for the portion of that Quarterly Period in which the Agreement was in effect within thirty (30) days of the end of that Quarterly Period or within thirty (30) days of termination, whichever is less. All Product Mix Rebates paid hereunder shall be paid directly to BUYER’s corporate offices and not to a Service Center.

- (c) Jiffy Lube Multicare Rebate. Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, (3) BUYER has at minimum one (1) Jiffy Lube Multicare Service Center (as defined below) enrolled and in full compliance with Jiffy Lube Multicare Program and the Jiffy Lube Multicare Requirements, and (4) that all accounts receivable and SOPUS/JLI notes are current and in good standing, then SOPUS shall pay BUYER an annual rebate (the “**Jiffy Lube Multicare Rebate**”) to franchisees with a minimum of 75% of eligible and enrolled Service Centers participating in Jiffy Lube Multicare Program, (“**Jiffy Lube Multicare Service Center(s)**”) during each Annual Period, and additional rebate tiers are determined by the calculation of revenue derived from required or approved services pursuant to the Jiffy Lube Multicare Franchise Agreement Addendum for Jiffy Lube Multicare Service Centers (“**Jiffy Lube Multicare**

Revenue”) divided by the annual revenue from all services at all Service Centers for the calendar year.

The table below sets forth the amount of the Jiffy Lube Multicare Rebate that would be paid in each of the percent ranges specified:

Annual Jiffy Lube Multicare Rebate	75% Jiffy Lube Multicare Participation Rate	75% Jiffy Lube Multicare Participation Rate and min of 15% Jiffy Lube Multicare Revenue	75% Jiffy Lube Multicare Participation Rate and min of 30% Jiffy Lube Multicare Revenue	75% Jiffy Lube Multicare Participation Rate and min of 40% Jiffy Lube Multicare Revenue
	\$0.05	\$0.10	\$0.15	\$0.20

6. PRODUCT STEWARDSHIP. BUYER agrees that it will not mix or blend any SOPUS Product with any other product or other substance whatsoever, will not mix or blend two or more brands, grades or viscosities of SOPUS Products with one another, and will not represent that any product not manufactured or supplied by SOPUS is a SOPUS Product. To assure quality in the handling of bulk products, BUYER agrees that it will not offer any bulk quantity of any SOPUS Product for sale to any person who BUYER knows or reasonably should know intends to resell such Product. All equipment used for the transfer, storage, or handling of Bulk Product which bears SOPUS’s Identification or which are painted in accordance with SOPUS’s specifications shall be used exclusively for SOPUS Products.

BUYER will allow SOPUS, its employees, authorized distributors, or designees to enter BUYER’s place of business at any time during normal business hours to obtain such samples or conduct such tests or inspections as may, in SOPUS’s judgment, be reasonably required to determine that BUYER is complying with its obligations under this Agreement.

BUYER shall dispose of all drums, pails, cans, or other containers (“**Containers**”) which bear SOPUS’s Identification in accordance with all applicable laws, rules and regulations. At SOPUS’s request, BUYER will supply documentation certifying that every waste oil hauler is certified to dispose of used lubricants, filters and Containers.

7. [If APPLICABLE, OTHERWISE DELETE AND INSERT THE WORDS “INTENTIONALLY LEFT BLANK”] JOINT AND SEVERAL LIABILITY. Each entity identified in the first paragraph of this Agreement and collectively referred to as the BUYER is hereby jointly and severally liable for the acts and omissions of each other and for all BUYER obligations set forth herein. A breach or default by one entity shall be deemed a breach and default of all the entities collectively for purposes of this Agreement and SOPUS may sue, settle with or release (wholly or partly) one or more of the BUYER entities without releasing or otherwise affecting the obligations of the other BUYER entities hereunder.

8. LICENSE. Subject to the terms and conditions of this Agreement, SOPUS, as owner or licensee of various trademarks related to the Products including but not limited to Quaker State, Pennzoil and Formula Shell (collectively, “**Identification**”) grants a non-exclusive license to BUYER, in the United States of America during the Term of this Agreement, to use and display such trademarks for the resale of Products purchased from SOPUS in connection with this Agreement.

9. SIGNS. SOPUS or one of SOPUS’s contract distributors may loan to BUYER appropriate signage bearing the Identification at no charge to BUYER. To the greatest extent permissible under local regulations, internal and external signage shall comply with SOPUS and JLI approved standards. BUYER has no right to display the loaned signs (or similar signs) at any location other than BUYER’s Service Center. This Agreement does not grant to BUYER any right to permit others to use the Trademark or to use the Trademark in any manner other than on the loaned signs. All costs associated with installation of the loaned sign at BUYER’s Service Center shall be borne solely by BUYER. Signs shall be displayed in such a manner as to make clear that SOPUS Products are featured at BUYER’s Service Center. Any loaned signs shall remain the sole property of SOPUS or SOPUS’s contract distributor, and must be returned to SOPUS or SOPUS’s contract distributor, as the case may be, according to SOPUS’s or the contract distributor’s instructions, within thirty days after the effective date of the termination of this Agreement, in the same condition as when originally delivered to BUYER’s Service Center, reasonable wear and tear excepted. BUYER shall promptly display an appropriate sign at BUYER’s Service Center stating plainly that BUYER’s Service Center is an independently owned and operated business.

10. ORDERS, PAYMENT TERMS AND CREDIT REQUIREMENTS.

- (a) BUYER shall order all Products from SOPUS via such mechanisms as are approved by SOPUS. Orders are not final until accepted by SOPUS in SOPUS’s electronic ordering system and are subject to SOPUS General Terms and Conditions in effect on the date of delivery. SOPUS objects to the inclusion of any different or additional terms proposed by BUYER and if they are included in BUYER’s acceptance, a contract for sale will result upon SOPUS’ General Terms and Conditions.
- (b) SOPUS will invoice BUYER for all products and/or services sold as shipped. BUYER shall pay each invoice when due in accordance with the pricing terms set forth herein without deduction, setoff, discount, allowance, notice or demand, in United States dollars pursuant to paragraph (f) below.
- (c) Each Party agrees and undertakes to the other that, in connection with this Agreement, it is knowledgeable about and will comply with all laws, regulations, rules and requirements relating to anti-bribery or anti-money laundering applicable to its performance of this Agreement. BUYER represents and warrants to SOPUS that its payments to SOPUS shall not constitute the proceeds of crime in the contravention of anti-money laundering laws. SOPUS may terminate this Agreement immediately upon written notice to the BUYER, if in its reasonable judgment supported by credible evidence, the BUYER is in breach of any of the provisions of this clause and has failed to provide information demonstrating such compliance. Only the BUYER shall pay the invoice from SOPUS. No party other than the BUYER shall pay the invoice without the prior consent of SOPUS.

- (d) The credit terms and line of credit (“**Credit**”) are extended to BUYER at SOPUS's sole discretion, which Credit may be withdrawn or modified at any time, without prior notification to BUYER. When requested by SOPUS, BUYER agrees to provide, and cause any guarantor of BUYER to provide, periodic financial statements, in addition to applicable notes and schedules. BUYER shall not fail to disclose information to SOPUS concerning any material fact for the purpose of inducing SOPUS to extend, continue or increase Credit. If BUYER's ability to pay or credit worthiness shall deteriorate in SOPUS's sole judgment, SOPUS may require security and/or change terms of sale. BUYER acknowledges that SOPUS's reducing, withholding or terminating of Credit privileges does not constitute a constructive termination of this Agreement, nor does it relieve BUYER of any duties or obligations under this Agreement or any other obligation or Agreement.
- (e) If BUYER fails to comply with the terms of this section, all amounts owed to SOPUS for any obligation shall immediately become due and payable and SOPUS shall have the right, but not the obligation to (i) charge the highest financing charge permitted by applicable law, (ii) set off or equitably recoup amounts due from BUYER against any amount due to BUYER under this or any other agreement between the Parties up to the total amount outstanding and (iii) to suspend making all further delivery of all products until all indebtedness is paid in full.

- (f) If at any time during the Term of this Agreement, BUYER disputes the amount payable to SOPUS for any of the products delivered, or any other obligations, BUYER shall pay the amount BUYER reasonably believes is due in accordance with SOPUS terms as stated on the disputed invoice(s) and notify SOPUS in writing of the details of the dispute within fifteen (15) days of receipt of the invoice. BUYER agrees that its failure to do so within fifteen days shall be considered as an admission by BUYER that SOPUS's invoices are correct.
- (g) At SOPUS's sole discretion, BUYER will pay any amounts due by credit card, or by ACH, per the below instructions. If BUYER is to pay by ACH, BUYER will maintain (i) an account ("**BUYER Account**") with a commercial bank that shall be a member of the automated clearing house system (the "**ACH System**") and (ii) such authorizations as may be necessary to enable SOPUS or its designated collecting agent to obtain payments due under this Agreement from the BUYER Account through the ACH System. BUYER shall not terminate the BUYER Account or such authorizations at any time during the Term of this Agreement without having provided 60 days prior written notice thereof to SOPUS, which notice shall specify the institution at which a substitute BUYER Account has been established and the account number of such substitute BUYER Account, and certifying that all authorizations necessary to enable SOPUS or its collection agent to obtain payments due under this Agreement from such substitute BUYER Account through the ACH System have been given and are then in effect. By not later than the opening of business on each day that any payment shall be due under this Agreement, BUYER shall cause an amount, in immediately available funds, equal to such payment to be available for withdrawal from the BUYER Account by the SOPUS or its collection agent. BUYER may withdraw from the BUYER Account any funds remitted by SOPUS to the BUYER Account for the account of BUYER.

11. EVENTS OF DEFAULT. BUYER shall be in default of this Agreement upon the occurrence at any time of any of the following events (collectively, "**Events of Default**"):

- (a) BUYER fails to satisfy the Annual Product Purchase Requirement set forth in Articles 1(c) and 3(a);
- (b) The liquidation, termination, bankruptcy or dissolution of BUYER;
- (c) BUYER defaults on any (i) loan, funding agreement, sales agreement or any other agreement, including but not limited to, the applicable Franchise Agreements for each of the Service Centers, between BUYER and SOPUS or BUYER and a SOPUS affiliated entity, (ii) any other agreement or financial obligation to which SOPUS or a SOPUS affiliated entity is a guarantor of BUYER's obligations thereunder, or (iii) if any such agreement is terminated for any reason;

- (d) If BUYER is past due on any payments due hereunder and fails to cure such default within ten (10) days of receiving notice from SOPUS; or
- (e) Any other material breach by BUYER of any obligation hereunder and fails to cure such breach within thirty (30) days of receiving notice from SOPUS.

Following an Event of Default, SOPUS shall recover from BUYER any then-outstanding sums due under this Agreement and reasonable attorney's fees and costs that may be incurred by SOPUS to recover such sums. The remedies of SOPUS, as provided in this Agreement, and by law, shall be cumulative and concurrent and may be pursued separately, successively or together as often as occasion shall arise, at the sole discretion of SOPUS. The acceptance by SOPUS of any payment under this Agreement which is less than the payment required to be made hereunder shall not (i) constitute a waiver of or impair, reduce, release or extinguish any remedy of SOPUS or the rights of SOPUS to exercise the foregoing option or any other option granted to SOPUS at that time or at any subsequent time, or nullify any prior exercise of any such option, or (ii) impair, reduce, release, extinguish or adversely affect the obligations of BUYER under this Agreement.

12. RECORDS AND AUDITS. BUYER agrees that it will maintain adequate records throughout the Purchase Term of this Agreement confirming the actual purchases of Products under this Agreement. At any reasonable time and upon reasonable notice, SOPUS and its duly authorized representatives, agents or auditors shall have the right to audit BUYER's records, books, documents and other material as it pertains to BUYER's performance of its obligations under this Agreement, including but not limited to, the amount of actual Products being purchased in relation to the Annual Product Purchase Requirement (the "**Records**"). SOPUS and its duly authorized representatives, agents or auditors shall have access to the Records during ordinary business hours, and shall be free to make copies of any relevant Records. BUYER agrees to cooperate with SOPUS in any audit SOPUS chooses to conduct. In connection with occasional audits, BUYER will furnish SOPUS with such additional financial, statistical or other information pertaining to or otherwise affecting BUYER's Service Centers or BUYER's performance under this Agreement as SOPUS may reasonably deem to be desirable.

13. COLLECTION COSTS. If the Funds are not repaid in accordance with the provisions of this Agreement when the Funds or any portion thereof shall become due to SOPUS, or if the collection of the Funds or any portion thereof or any other amount due pursuant to this Agreement, including but not limited to invoiced amounts for Products purchased by BUYER, is placed with an attorney for collection, whether before or after the termination of this Agreement, BUYER agrees to pay all costs of collection, including, but not limited to, reasonable attorneys' fees and expenses incurred by SOPUS.

14. USE OF FUNDS. The BUYER agrees that Funds provided hereunder will be used for business, commercial, investment or other similar purposes related to the Service Center and no portion thereof will be used or are being used for personal, family or household use. In addition, BUYER agrees any Jiffy Lube Multicare Advanced Funding and/or Jiffy Lube Multicare Growth Funding will be used to for business, commercial, investment or other similar purposes related to BUYER's Jiffy Lube Multicare Service Center(s).

15. ASSIGNMENT, DELEGATION, AND SUCCESSION.

- (a) If BUYER sells or otherwise transfers ownership of, or the right to operate, all of BUYER's Service Centers, BUYER shall, with SOPUS's written permission, which permission shall not be unreasonably withheld, completely assign this Agreement to its transferee, and will cause its transferee to assume all of BUYER's obligations under this Agreement in which case, BUYER shall be released of all further obligations hereunder provided SOPUS has agreed to such release in writing. BUYER will give written notice to SOPUS of the complete legal name of any transferee before the effective date of any transfer. If BUYER does not completely assign this Agreement to its transferee, such that the transferee assumes all of BUYER's obligations under this Agreement, BUYER agrees that SOPUS shall recover from BUYER any then-outstanding sums due and reasonable costs that may be incurred by SOPUS to recover such amounts.
- (b) If BUYER sells or otherwise transfers ownership of, or the right to operate, some but not all of BUYER's Service Centers, BUYER shall, with SOPUS's written permission, require the transferee to sign a similar agreement to this Agreement with SOPUS, including assuming a Removed Service Center's Purchase Requirement as determined in Article 3 (b), as well as the other obligations of BUYER under this Agreement in which case, BUYER, shall be released of all further obligations related to the Removed Service Center's Purchase Requirement provided SOPUS has agreed to such release in writing, which will include amending Exhibit (A) to remove the Removed Service Center(s). If the Removed Service Center's Purchase Requirements are not assumed by the transferee or purchaser, any payments due to SOPUS as a result of such sale or transfer shall be determined in accordance with Article 3 (b).
- (c) SOPUS may, upon written notice to BUYER, assign its rights under this Agreement at any time to (i) any subsidiary or affiliated entity; (ii) a purchaser of or other successor to all or a portion of the stocks or assets in SOPUS or the assets or stocks of the business to which this Agreement relates; or (iii) a distributor that is authorized by SOPUS to deliver and sell SOPUS products.

16. DELIVERY, TITLE, AND RISK OF LOSS. SOPUS or its authorized distributors shall deliver the Products to BUYER at BUYER's designated delivery point(s) as agreed to by SOPUS in a separate notice furnished to BUYER. SOPUS may determine the method of transportation and the type of equipment in which such deliveries are made. For Bulk Products, title and risk of loss shall pass to BUYER when the Products pass the fill tube connection into BUYER's equipment. For drummed and packaged Products, title and risk of loss shall pass to BUYER upon the unloading of such drummed or packaged Products from SOPUS's transportation equipment. BUYER shall bear the cost of transportation to BUYER's designated delivery points. The cost of transportation shall, at SOPUS's discretion, be included in the schedule price or be included as a separate item on the invoice. Orders for the Products must specify at least the minimum quantities required at SOPUS's shipping point for the applicable method of delivery unless otherwise agreed to by SOPUS. SOPUS may, at its discretion, make delivery in smaller quantities, and SOPUS may, in its sole discretion, charge BUYER additional fees in connection with such deliveries if the original order did not meet such minimum quantities.

17. INDEPENDENT STATUS OF BUYER. This Agreement shall not be deemed to reserve, give, or grant to SOPUS any right to manage or control the day-to-day business of BUYER or any operator of the Service Center, and neither BUYER nor the operator of a Service Center nor its or their employees or authorized distributors shall be considered joint ventures, partners, authorized distributors, or employees of SOPUS for any reason or for any purpose whatsoever. BUYER or any operator of the Service Center is, and shall be at all times, an independent business entity that is free to set its own selling prices and terms of sale, and generally conduct its business as it determines subject to the obligations set forth in this Agreement.

18. CUSTOMER COMPLAINTS. BUYER will respond (in writing if requested by SOPUS) to any inquiries or complaints received by BUYER or SOPUS in connection with (i) BUYER's performance and/or (ii) of any consumer served by BUYER and promptly take reasonable action to correct or satisfactorily resolve each such inquiry or complaint.

19. FORCE MAJEURE. Neither Party shall be in breach of this Agreement or otherwise be liable to the other Party for its failure to fulfill any Term of this Agreement, other than the obligation to pay any sum when due or to provide security for credit (e.g. letter of credit), if and to the extent that such fulfillment has been delayed, hindered, curtailed or prevented by a "**Force Majeure Event**", meaning any of the following:

- (a) any act of God, fire, explosion, landslide or earthquake; or
- (b) any storm, hurricane, flood, tidal wave or other adverse weather condition; or
- (c) any war (whether declared or not), revolution, act of civil or military authority, riot, blockade, embargo, trade sanction, terrorism, sabotage, or civil commotion; or
- (d) any epidemic or quarantine restriction; or
- (e) any strike, lock-out or labor dispute from whatever cause (whether or not SOPUS, SOPUS's supplier, BUYER or BUYER's supplier, as the case may be, is a Party thereto or might be able to influence or procure the settlement thereof); or
- (f) any compliance with any law, regulation or ordinance or with any order, demand or request of any international, national, local or other port, transportation or governmental authority or agency or any body or person purporting to be or to act for such authority or agency or any corporation directly or indirectly controlled by any of them; or
- (g) any unavailability of or interference with the usual means of transporting Product; or
- (h) any unplanned shutdown or shutdown in anticipation of a breakdown or malfunction affecting the plant; or

- (j) any circumstance or event outside the Party's reasonable control.

When a Force Majeure Event results in a shortfall of Product available to meet all SOPUS's supply obligations, SOPUS may apportion any reduced quantity of Product among itself and its customers and Affiliates in any manner it determines to be fair and reasonable. SOPUS shall not be required to acquire Product to replenish any shortfall in Product arising as a result of a Force Majeure Event. Should SOPUS acquire any quantity of Product following a Force Majeure Event, SOPUS may use or distribute, without apportioning, such Product at SOPUS's sole discretion. BUYER may acquire any shortfall quantity of Product from other sources at BUYER's own risk and cost. Any quantity of Product consequently not delivered will be deducted from any applicable remaining quantity obligation under this Agreement unless the Parties agree otherwise in writing. The Party whose ability to perform its obligations under this Agreement is affected by a Force Majeure Event shall promptly notify the other Party in writing with reasonable details of such event. The affected Party shall give prompt notice to the non-affected Party of the end of the Force Majeure Event, and shall resume full performance under the Agreement as soon as reasonably possible. No Force Majeure Event shall have the effect of extending the Term of the Agreement or of terminating the Agreement unless agreed by the Parties in writing.

20. INDEMNITY AND HOLD HARMLESS. BUYER, to the maximum extent permitted by law, shall defend, protect, indemnify and hold harmless SOPUS, its parent, affiliate and subsidiary companies, and their respective officers, employees and authorized distributors (“**Indemnified Parties**”), against all claims, demands or causes of action, suits, damages, liabilities, judgments, losses and expenses (including, without limitation, attorneys’ fees and costs of litigation, whether incurred for an Indemnified Party’s primary defense or for enforcement of its indemnification rights, which may be incurred by an Indemnified Party or asserted by BUYER (including, without limitation, BUYER’s employees, contractors and authorized distributors) or by any third party on account of (I) any personal injury, disease or death of any person(s), damage to or loss of any property, or money damages or specific performance owed to any third party (by contract or operation of law), and any fines, penalties, assessments, environmental response costs or injunctive obligations caused by, arising out of, or in any way incidental to or in connection with, actions or omissions of BUYER (including, without limitation, its employees, contractors and authorized distributors) or any third party including, without limitation, (1) the sole negligence, fault or strict liability of BUYER and (2) the concurrent negligence, fault or strict liability of BUYER and any third party; and (II) any breach of any representation, warranty or covenant of BUYER contained in this Agreement.

21. INSURANCE REQUIREMENTS. BUYER shall maintain, at its sole cost, the insurance coverage set forth below with companies satisfactory to SOPUS with full policy limits applying, but not less than as stated. With the exception of Workers’ Compensation insurance policies, all such policies shall be endorsed to show “Pennzoil-Quaker State Company, d/b/a SOPUS Products” as an additional insured. Certificates evidencing the required insurance coverage shall be delivered to SOPUS prior to the Effective Date of this Agreement. BUYER will submit updated certificates to SOPUS once per calendar year certifying the required insurance is being maintained per the contract requirements. Such certificates shall provide that any change restricting or reducing coverage or the cancellation of any policies under which certificates are issued shall not be valid as respects SOPUS’s interest until SOPUS has received thirty (30) days’ notice in writing of such change or cancellation. Further, it shall state that it is primary coverage and not concurrent or excess over other valid insurance which may be available to SOPUS.

- (a) Workers' Compensation Insurance as required by laws and regulations applicable to and covering employees of BUYER engaged in the performance of the work under this Agreement.
- (b) Employer's Liability Insurance protecting BUYER against common law liability, in the absence of statutory liability, for employee bodily injury arising out of the master-servant relationship with a limit of not less than \$1,000,000.00.
- (c) Commercial General Liability Insurance including products/completed operations with limits of liability of not less than \$1,000,000.00 per occurrence. This policy shall cover, among other risks, the contractual liability assumed under the indemnification provision set forth in this Agreement.
- (d) Business Automobile Liability Insurance for all operations of BUYER including owned, non-owned, and hired vehicles with limits of liability of not less than: Bodily Injury \$1,000,000.00 per person, \$1,000,000.00 per accident; Property Damage \$1,000,000.00 or a Combined Single Limit of \$1,000,000.00 for bodily injury and property damage.
- (e) Garage-keeper's Legal Liability Insurance with a limit of not less than twenty-five thousand dollars (\$25,000.00) per occurrence.

Nothing contained in these provisions relating to coverage and amounts shall operate as a limitation of BUYER's liability in tort or contract under the terms of this Agreement.

22. TERMINATION. This Agreement may be terminated:

- (a) By SOPUS, for any reason, after **MONTH DAY, YEAR**, upon delivery of not less than sixty (60) days prior written notice thereof to the BUYER. For the avoidance of doubt the parties agree and understand that neither party may terminate this Agreement without cause prior to **MONTH DAY, YEAR**; or
- (b) At any time by mutual consent in writing; or
- (c) By SOPUS in the event that BUYER breaches or defaults on any material provision of this Agreement, by giving written notice to BUYER and allowing BUYER thirty (30) days from the date of such notice within which to cure the breach or adopt good faith measures to prevent the repetition of a default which cannot be cured prospectively. However, subject to provision 22(a), SOPUS may, in its sole discretion, terminate this Agreement, with immediate effect, if it determines the breach cannot be cured; or
- (d) By SOPUS in the event that any debt owed by BUYER to SOPUS, a third party, provided SOPUS is a guarantor of such debt or financial obligation, SOPUS's affiliates (including, without limitation, JLI) or its assignee is past due, by giving written notice to BUYER and allowing ten (10) days from the date of such notice within which to pay the past-due debt in full.

Upon termination, BUYER shall remain responsible for the payment for any and all Products purchased from SOPUS during or subsequent to the Term of this Agreement and any other outstanding sums due or advanced under this Agreement, including but not limited to the Funds (such Fund repayment to be determined by subtracting from the Funds the amount equal to the gallons purchased since the Effective Date of this Agreement multiplied by the then current Repayment Rate), and such sums shall become due and payable within thirty (30) days from the effective date of termination.

23. NON-WAIVER. Neither Party's failure to enforce any provision of this Agreement will constitute a waiver of its right to enforce such provision at some later time. A Party's waiver of one breach or series of breaches of this Agreement will not constitute a waiver of subsequent breaches.

24. NOTICES. Any notice related to this Agreement, and required or permitted to be given under this Agreement by one Party to the other shall only be effective if in writing, addressed to the other Party as provided below, and either (a) delivered in person, or (b) delivered by registered mail, or (c) delivered by private, prepaid overnight commercial courier. Notwithstanding the foregoing, notices from SOPUS to BUYER may alternatively be made: (a) by email transmission, when it will be considered given and effective at the time of transmission; or (b) by facsimile with confirmation statement of transmission; and, for notification of any Product price changes only, by (c) online intranet postings, when it will be considered given and effective at the time of posting by SOPUS onto the intranet site, or (d) by any other communication method as may be designated by SOPUS by written notice to BUYER. 25. WARRANTIES AND DISCLAIMERS. SOPUS warrants that all products sold to BUYER under this Agreement shall be merchantable and shall meet SOPUS's then current specifications. **SOPUS MAKES NO OTHER WARRANTIES OF ANY KIND AS TO THE PRODUCTS SOLD TO BUYER UNDER THIS AGREEMENT, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE.**

26. PRODUCT CLAIMS/LIMITATION OF DAMAGES. SOPUS shall have no liability to BUYER for any defect in quality or shortage in quantity of any Product delivered unless (a) BUYER gives SOPUS notice of BUYER's claim within 48 hours after delivery of such Product, or in the case of any latent defect in quality, within 48 hours after BUYER's discovery of such defect; (b) SOPUS is given reasonable opportunity to inspect the Product and to take and test samples thereof; and (c) in case of delivery by tank car or vessel, the claim, if for anything other than latent defect in quality, is allowed by SOPUS before the Product is unloaded from the tank car or vessel. Every notice of claim shall set forth fully the facts on which the claim is based.

With the exception of actions brought by SOPUS to enforce its rights under Articles 3, 6 and 8, neither Party shall be liable for any indirect, special, incidental, consequential, or punitive damages whether under tort, contract, strict liability, statute, or otherwise. Notwithstanding anything to the contrary in this Agreement, SOPUS's and any of SOPUS's Affiliates total liability to BUYER for any claim arising out of or in connection with this Agreement for breach of contract, breach of warranty, breach of statutory duty or negligence including, but not limited to, SOPUS's negligence or other tort, whether by virtue of strict liability or otherwise, will not exceed the purchase price of the relevant delivery of Products if delivered, or if the above breach of Agreement consists of a failure to deliver, the price of the Products had it been delivered and invoiced. In no event shall SOPUS's and any of SOPUS's affiliates' total liability under this Agreement to BUYER exceed two hundred fifty thousand and no/100 dollars (\$250,000).

27. BUYER'S WARRANTIES. BUYER represents and warrants to SOPUS that: (a) it has taken all action necessary to authorize the execution, delivery and performance of this Agreement; (b) this Agreement has been executed and delivered by a duly authorized officer or other authorized person of BUYER; (c) this Agreement does not violate or conflict with BUYER's constituent documents, any outstanding securities, indentures, material agreements to which it is a party, any similar agreement with any other supplier of motor oil and/or lubricants or any law, rule or regulation applicable to BUYER and constitutes the valid and binding obligation of BUYER, enforceable against BUYER in accordance with its terms. BUYER further warrants that it will remain in good standing in its state of incorporation during the Term of this Agreement.

28. TERRITORIAL PROTECTION. During the Term of this Agreement, SOPUS will not:

- (a) Authorize the installation of any new "Pennzoil 10-Minute Oil Change" sign within two miles of a Service Center, provided that SOPUS shall have the right to replace such signs in the normal course of business if they were installed before the execution of this Agreement; or
- (b) Extend new "major financing" to any free-standing quick lube center located within one mile of a Service Center. For purposes of this provision, "**major financing**" means financing substantially in excess of that generally offered by the companies owning the registered trademarks Castrol®, Valvoline® and other major marketers of motor oil, and their distributors, in order to obtain the borrower's commitment to purchase that marketer's brand of motor oil (excluding financing packages made available only to franchisees of those marketers or their affiliates), and "**quick lube center**" means any stand-alone automotive service center whose primary business is to provide fast, convenient lubrication and fluid maintenance services.

29. ENTIRE AGREEMENT. This Agreement supersedes any prior agreements, representations, negotiations or correspondence between the Parties concerning motor oil or lubricant purchases at this Service Center, including, but not limited to, any SOPUS Products Product Supply Agreement for Jiffy Lube Franchisees under the SOPUS Products/Jiffy Lube Fast Lube Program, but does not relieve them from any outstanding obligations for payment or delivery of product under a prior agreement. This Agreement supersedes the Standard Terms on the reverse of any BUYER purchase contract or orders or confirmation of BUYER or any agent or broker of BUYER. There are no oral agreements upon which the Parties have relied. The words used in this Agreement have been chosen carefully to express the Parties' mutual understanding. No Agreement or representation, whether oral or written, made before the date of this Agreement may be considered to change this Agreement as it is written, and no subsequent agreement, representation, or course of conduct may be considered to amend this Agreement unless a proposed amendment is written and is signed by both Parties to this Agreement. No waiver by SOPUS of any default by BUYER shall be deemed a waiver of any subsequent default.

30. CONFIDENTIALITY. The terms set forth in this Agreement are to be and remain confidential between SOPUS and BUYER but SOPUS may disclose and share such terms and any and all information (including but not limited to personal financial statements and tax returns) received from or pertaining to BUYER (or any individual guarantor of BUYER) with those of SOPUS' affiliates (including but not limited to JLI, Shell Oil Products US and Shell Shared Services (Asia), BV), their officers, directors, employees, agents or representatives (as well as primary financial institutions) having a need to know about or to be involved in the contemplated transactions or performance of this Agreement. Whether or not the contemplated transaction is completed, the nature of this Agreement will remain confidential during the Term of this Agreement. If the confidential nature of this Agreement, and the subsequent transaction contemplated hereunder by SOPUS and BUYER, do not remain confidential between the Parties as a result of the actions of BUYER, SOPUS may, at its option, be relieved of any further obligations hereunder or under any other agreements.

31. LEGAL REQUIREMENTS. BUYER shall comply fully and require its Service Center to comply fully with all applicable laws, regulations, judicial and administrative orders, and guidelines of any Governmental Authority regarding the receipt, handling, storage, dispensing, disposal, labeling, advertising, promotion, and sale of products and services sold by BUYER or the Service Center. Without limiting the foregoing, such compliance shall include all requirements of the Clean Air Act, 42 U.S.C. 7401 et seq. and all requirements of the Americans With Disabilities Act, 42 U.S.C. 12101 et seq.

32. TAXES. BUYER shall pay all U.S. federal, U.S. state, and U.S. local tax or other U.S. taxes that are directly imposed on transactions governed by the Agreement. "**Tax or Taxes**" include the following U.S. taxes: federal, state, and local excise taxes, sales and transaction taxes, gross receipts taxes, utility taxes, environmental taxes and fees or any other taxes that SOPUS may be required to collect or pay on the transactions governed by this Agreement. BUYER shall not be liable for any of SOPUS's income taxes or any franchise tax measured by capital, capital stock, net worth, gross margin or gross profit including any withholding taxes imposed on gross amounts, any minimum or alternative minimum tax or any taxes imposed by law on SOPUS that are prohibited by law from being passed on to BUYER. Further, BUYER shall not be liable to SOPUS for any employment related tax, fee, or charge. BUYER shall not be liable for any of SOPUS's inventory based taxes, ad valorem taxes or property taxes. BUYER shall be responsible for filing

returns and paying inventory based taxes, ad valorem taxes and property taxes on property and/or inventory that they own on the assessment date. Further, if this Agreement involves goods imported into the U.S. (50 states, District of Columbia, Puerto Rico), the Party acting as the Importer of Record for U.S. Customs purposes shall be liable for paying any applicable import related fees and/or tax, such as customs duties, harbor maintenance fees, merchandise processing fees, and oil spill fees.

Notwithstanding the above, SOPUS shall not collect, and BUYER shall not pay, any such Tax or duty for which BUYER furnishes to SOPUS a properly completed exemption certificate or a direct payment permit certificate or for which SOPUS may claim an available exemption from Tax, such as an exemption for export. BUYER shall be responsible for any Tax, interest and penalty if such exemption certificate or direct payment permit certificate is disallowed by the proper taxing authority.

In the event that a refund opportunity arises with respect to any Tax paid by one Party as a result of the transactions governed by this Agreement, both Parties shall reasonably work together to pursue such refund. If one Party receives a refund or a credit for any Tax paid by the other Party with respect to the Agreement, then the Party receiving the refund or credit agrees to refund to that other Party the full amount of such refund or credit. However, if this Agreement involves goods for which U.S. import duty drawback can be claimed, the Parties may separately negotiate the sharing of such drawback refund.

SOPUS will furnish to BUYER a properly completed I.R.S. Form W-8 or I.R.S. Form W-9, as appropriate, to enable BUYER to determine if U.S. income tax withholding is required. If U.S. withholding applies, BUYER will withhold amounts on its payments to SOPUS as required under U.S. law, unless SOPUS provides BUYER with the appropriate documentation to mitigate such tax.

33. SEVERABILITY. If, for any reason, a provision or provisions contained in this Agreement are held to be invalid, illegal, or otherwise void, the remaining provisions of this Agreement shall not be affected and shall continue in full force and effect.

34. NO FRANCHISE. BUYER acknowledges that this Agreement does not create, extend, or renew a franchise under any local, state, or federal law.

35. GOVERNING LAW AND ALTERNATIVE DISPUTE RESOLUTION.

This Agreement and any claim or proceeding arising out of or in connection with this Agreement or its subject matter or formation, including any question regarding its existence, validity, interpretation, breach, or termination, and any non-contractual claim, will be exclusively governed by and construed in accordance with the laws of the State of Texas excluding choice of law principles that provide otherwise.

Any claim or proceeding arising out of or in connection with this Agreement or its subject matter or formation, including any question regarding its existence, validity, interpretation, breach, or termination, and any non-contractual claim, will be finally and exclusively resolved by arbitration

by the International Institute for Conflict Prevention and Resolution (“**CPR**”) under its then current administered arbitration rules. The arbitration will be governed exclusively by the Federal Arbitration Act, 9 U.S.C. §§ 1-16.

The arbitral tribunal, to be appointed in accordance with the rules, will consist of one arbitrator. However, if either party asserts the amount in controversy exceeds USD \$5 million, then the tribunal will consist of three arbitrators. The seat of the arbitration will be Houston, Texas, USA. The language of the arbitration will be English.

Any award rendered by the tribunal must be made in writing and will be final and binding on the parties. The parties agree to carry out any award without delay. The parties agree to keep all aspects of the arbitration confidential and, except to the extent required by law, the parties will not disclose or cause disclosure of any aspect of the proceedings, documentation, any partial or final award or order, or any other matter connected with the arbitration to any other Person without the prior written consent of the other party. Nothing in this section should be construed as preventing either party from seeking conservatory or similar interim relief from any court with competent jurisdiction. The parties waive any rights to any punitive or exemplary damages, and the tribunal shall not award such damages.

Each party hereby waives to the fullest extent permitted by law: (a) any right under the laws of any jurisdiction to apply to any court or other judicial authority to determine any preliminary point of law; and (b) any right it may otherwise have under the laws of any jurisdiction to appeal or otherwise challenge any arbitral award made pursuant to this article. Judgment upon any award or order may be entered in any court having jurisdiction over the claim or proceeding.

36. ANTI-MONEY LAUNDERING AND ANTI-CORRUPTION LAWS. For the purposes of this Agreement, “**Anti-Corruption Laws**” shall mean (a) the United States Foreign Corrupt Practices Act of 1977; (b) the United Kingdom Bribery Act 2010; and (c) all applicable national, regional, provincial, state, municipal or local laws and regulations that prohibit tax evasion, money laundering or otherwise dealing in the proceeds of crime or the bribery of, or the providing of unlawful gratuities, facilitation payments, or other benefits to, any government official or any other person.

- (b) it has not made, offered, authorized, or accepted, and will not directly or indirectly make, offer, authorize, or accept, any payment, gift, promise, or other advantage, to or for the use or benefit of any government official or any other person where that payment, gift, promise, or other advantage would comprise a facilitation payment or otherwise violate the Anti-Corruption Laws;
- (c) it has maintained and will maintain adequate written policies and procedures to comply with applicable national, regional, provincial, state, municipal or local laws and regulations that prohibit tax evasion, money laundering or otherwise dealing in the proceeds of crime or the bribery of, or the providing of unlawful gratuities, facilitation payments, or other benefits to, any government official or any other person or, alternatively, has made itself aware of and shall adhere to the Shell

General Business Principles and the Shell Code of Conduct (www.shell.com/about-us/our-values);

- (d) it has maintained and will maintain adequate internal controls, including but not limited to using commercially reasonable efforts to ensure that all transactions are accurately recorded and reported in its books and records to reflect truly the activities to which they pertain, such as the purpose of each transaction, with whom it was entered into, for whom it was undertaken, or what was exchanged;
- (e) it will retain such books and records for the period required by Applicable Law or a Party's own retention policies, whichever is longer;
- (f) in the event a Party becomes aware it has breached an obligation in this paragraph, it will promptly notify the other Party, subject to the preservation of legal privilege;
- (g) it has taken reasonable measures to require any subcontractors, agents, or any other third parties to also comply with the foregoing requirements in this paragraph; and
- (h) only a Party shall make payments to the other Party, except with that other Party's written consent. Subject to the preservation of legal privilege, during the Term and for seven (7) years thereafter and on reasonable notice, each Party shall have a right, and the other Party shall take all reasonable steps to enable this right, to audit the other Party's relevant books and records with respect to compliance with this paragraph. Without limitation to any other available remedies, where a Party (the First Party) fails, or its subcontractors, agents, or other third parties fail, to comply with the Anti-Corruption Laws in connection with this Agreement or the business resulting therefrom, the other Party (the Second Party), acting in good faith, shall have a right to notify the First Party in writing of such failure to comply and, if the written notice contains reasonable detail about the failure to comply then, if the failure is incapable of being cured or, if capable of cure and the First Party does not cure the failure to comply within sixty (60) calendar days following receipt of the written notice, the Second Party shall have the right to terminate the Agreement on further written notice to the First Party.

Nothing in this Agreement shall require a Party to perform any part of this Agreement or take any actions if, by doing so, the Party would not comply with the Anti-Corruption Laws. The obligations in this paragraph shall survive the termination or expiry of this Agreement.

37. MULTIPLE COUNTERPARTIES. This Agreement may be executed electronically and delivered (including by facsimile transmission or electronic pdf) in multiple counterparts, each of which shall be deemed an original for all purposes and all of which shall be deemed, collectively, one agreement.

“4(c) Significant Growth Funding Program.

- (i) Applicability to SG Service Centers Only. Notwithstanding anything to the contrary contained in this Agreement, and in lieu of and not in addition to receiving Growth Funds, Jiffy Lube Multicare Growth Funds, or any other incentive funding or payment program, the Significant Growth Funding program described below—consisting of the Significant Growth Funds and the Significant Growth Advanced Funds, each as defined below—applies only to “**SG Service Centers**” which are defined as BUYER’s second through fifth JIFFY LUBE Service Centers included in Exhibit “A” for which BUYER has established, opens, and continuously operates, at its sole expense, all or a combination of:
- a. Converted Center whereby BUYER has entered into a Conversion Addendum to the Jiffy Lube International, Inc. Franchise Agreement for that center; and/or
 - b. New Service Center whereby BUYER has entered into a New Construction Addendum to the Jiffy Lube International, Inc. for that center; and/or
 - c. A Replacement Center whereby BUYER has entered into a Conversion Addendum to the Jiffy Lube Inc. Franchise Agreement or a New Construction Addendum to the Jiffy Lube International Inc. for that center; and

which also meets each of the eligibility requirements described under Significant Growth Funds or Significant Growth Advanced Funds, as applicable.

(ii) Significant Growth Funds.

- a. Eligibility. Provided: (a) BUYER is not in default, and is in full compliance with, the Agreement, this Amendment, any applicable Franchise Agreement, and any other agreement by and between the Parties, JLI, and any of their affiliates; (b) SOPUS determines in its sole and absolute discretion and at the time of each disbursement, that BUYER’s credit worthiness is acceptable; (c) all accounts receivable are current; ; (d) all notes or guarantees that SOPUS, JLI, or their affiliates enter into with or for the benefit of BUYER, including but not limited to UNL Program loans, are current and not in default; (e) contemporaneously with the signing of this Amendment, BUYER signs, or BUYER has signed, a Franchise Agreement for each SG Service Center; (f) all of the SG Service Centers are open no later than December 31, 2027; (g) SOPUS is not or did not supply motor oil or lubricant products to any of the SG Service Centers, other than under the Agreement, including this Amendment; (h) BUYER meets the eligibility requirements for either (1) Growth Funds as set forth in Section 4(c) of the Agreement, or (2) Jiffy Lube Multicare Growth Funding as set forth in Section 4 (d); (i) if the SG Service Center is a Replacement Center then BUYER must repay all Funds owed to SOPUS Products for the franchise center that is being replaced with a Replacement Center; and (j) the location for the SG Service Center is owned or leased by BUYER and Jiffy Lube International is not a prime lessee for any of the SG Service Centers.

After the signing of this Amendment and so long as BUYER is and continues to remain in full compliance with eligibility requirements listed above and the terms and conditions of this Amendment, BUYER will be eligible to receive funds from SOPUS for the SG Service Centers, which will be calculated in accordance with the “Calculation” - entitled provision in Section 4(e)(ii)(c) of this Agreement (the “**Significant Growth Funds**”). The payment of the Significant Growth Funds to BUYER shall be subject to the sole and absolute discretion of SOPUS.

- b. Payment. Based on SOPUS’s review of BUYER’s credit worthiness at the time of payment or any other factor, at SOPUS’s sole and absolute discretion and subject to the eligibility requirements described herein, any Significant Growth Funds for the applicable SG Service Center(s) would be paid by SOPUS to BUYER as a tiered payment program either (a) within sixty (60) days after the official opening of a minimum of two SG Service Centers as a Jiffy Lube for normal business operations for each SG Service Center; or (b) via an alternate payment schedule determined by SOPUS. For the avoidance of doubt, SOPUS will not issue payment of any Significant Growth Funds unless Buyer has opened and is continuously operating a minimum of two Converted Centers or New Service Centers, or Replacement Center, or a combination thereof, and such funds will not be paid in the event less than two Converted Centers, New Service Centers, or Replacement Center are open and operating.

c. Calculation. The amount of the Significant Growth Funds that may be provided to BUYER shall be determined as follows: the Growth Funding Rate or the Jiffy Lube Multicare Growth Funding Rate, as applicable to the Buyer per the Agreement, multiplied by (1) the trailing 12 months' JLI regional average per store annual car count (as determined by JLI in its sole discretion) for each New or Converted applicable SG Service Center (2) multiplied by 1.3 (3) multiplied by eighty five percent (85%) (4) multiplied by up to ten (10) years but in no event longer than the applicable term of the Franchise Agreement for the applicable SG Service Center.

d. Repayment Amount. The amount of the Significant Growth Funds to be repaid by BUYER to SOPUS in accordance with Section 4(f) of the Agreement shall be the Significant Growth Funds paid by SOPUS to BUYER minus 50% of the total maximum amount of the Significant Growth Funds that it is eligible to receive per the Calculation of Significant Growth Funds hereunder. BUYER is not required to repay Significant Growth Funds paid by SOPUS to BUYER hereunder if it received 50% or less of the maximum amount it is eligible to receive per the Calculation for Significant Growth Funds included hereunder.

(iii) Significant Growth Advanced Funding. Notwithstanding anything to the contrary contained in the Agreement, and in lieu of and not in addition to receiving advanced funding under any other incentive program offered by SOPUS or JLI, such as Advanced Funding or the Jiffy Lube Multicare Advanced Funding, the following shall apply in connection with an SG Service Center, in accordance with the following terms and conditions:

a. Eligibility. Provided: (a) BUYER for its SG Service Center has satisfied the eligibility requirements included in Section 4(e)(ii)a of this Agreement; (b) BUYER is otherwise compliant with the terms of the Amendment in order to obtain Significant Growth Funds; and (c) SOPUS has elected to grant BUYER Significant Growth Funds, then BUYER will be eligible to receive advanced funding in connection with the SG Service Center (the "**Significant Growth Advanced Funds**").

b. Payment. Based on SOPUS's review of BUYER's credit worthiness at the time of payment or any other factor, at SOPUS's sole and absolute discretion and subject to the eligibility requirements described herein, any Significant Growth Advanced Funding for the applicable SG Service Center(s) would be paid by SOPUS to BUYER as a tiered payment program either (a) within sixty (60) days after the official opening of a minimum of two SG Service Centers as a Jiffy Lube for normal business operations for each SG Service Center; or (b) via an alternate payment schedule determined by SOPUS. For the avoidance of doubt, SOPUS will not issue payment of any Significant Growth Advanced Funds unless Buyer has opened and is continuously operating a minimum of two Converted Centers or New Service Centers, or a combination thereof, and such funds will not be paid in the event less than two Converted Centers or New Service Centers are open and operating.

c. Calculation. The amount of the Significant Growth Advanced Funds that may be provided to BUYER shall be determined as follows: The Advance Funding Rate or the Jiffy Lube Multicare Advance Funding Rate, as applicable multiplied by (1) the trailing 12 months' JLI regional average per store annual car count (as determined by JLI in its sole discretion) (2) multiplied by 1.3, (3) multiplied by eighty five percent (85%), (4) multiplied by up to ten (10) years. Based on SOPUS's review of BUYER's credit worthiness at the time of payment, at SOPUS's sole and absolute discretion, Significant Growth Advanced Funds shall be paid by SOPUS either (a) within sixty (60) days of the official opening of the Service Center as a Jiffy Lube for normal business operation or (b) via an alternate payment schedule determined by SOPUS.

d. Repayment. The amount of the Significant Growth Advanced Funds to be repaid by BUYER to SOPUS in accordance with Section 4(f) of the Agreement shall be 100% of the Significant Growth Advanced Funds paid by SOPUS to BUYER hereunder. Such Significant Growth Advanced Funds received by BUYER, if any.

(iv) For purposes of clarification, if BUYER owns and operates, for example, two New Service Centers, is otherwise eligible under the terms of this Amendment for participation in the Significant Growth Fund Program and has complied with all other obligations hereunder, Significant Growth Funds and/or Significant Growth Advanced Funds will only be paid as to the second New Service Center opened and in operation, and such New Service Center will be designated as an “**SG Service Center**” and included in Exhibit “A” of this Amendment. For additional clarification, provided all terms and conditions hereunder are met, payment will solely be issued for the second through fifth SG Service Centers.

(v) Funding Limits: Notwithstanding anything to the contrary contained herein, in no event shall the Significant Growth Funds plus the Significant Growth Advanced Funds paid by SOPUS exceed fifty percent (50%) of the total acquisition or construction cost for the SG Service Centers, as determined by SOPUS or JLI, for the SG Service Centers. ALSO, TO THE EXTENT BUYER RECEIVES JIFFY LUBE MULTICARE ADVANCED FUNDING, JIFFY LUBE MULTICARE GROWTH FUNDING, GROWTH FUNDING, ADVANCED FUNDING, AND/OR ANY OTHER INCENTIVE FUNDING OR PAYMENT RELATED TO OR IN CONNECTION WITH ANY SG SERVICE CENTER, BUYER IS NOT ELIGIBLE TO AND THEREFORE WILL NOT RECEIVE SIGNIFICANT GROWTH FUNDS AND SIGNIFICANT GROWTH ADVANCED FUNDS AS DEFINED HEREIN FOR THE APPLICABLE SG SERVICE CENTER.

(vi) SOPUS’s Right to Suspension Payments under this Amendment and Right to Terminate this Amendment. In the event BUYER or a particular SG Service Center fails to meet the eligibility requirements applicable to BUYER’s receipt of any Significant Growth Funds and/or Significant Growth Advanced Funding, SOPUS may, in its sole and absolute discretion, either elect to either: (1) suspend and temporarily cease all payments to BUYER under the terms of this Amendment until such time as BUYER and/or its applicable SG Service Center once again qualifies for such payments, (2) unilaterally remove the SG Service Center that no longer qualifies (whether as a result of the BUYER’s failure to meet eligibility requirements or the SG Service Center’s) from Exhibit A on written notice to BUYER; or (3) elect to terminate this Amendment on written notice to BUYER, where such termination will be effective as to all SG Service Centers. All obligations of BUYER to repay funds received under the terms of this Amendment will survive the termination or expiration of this Amendment.

SOPUS’s rights under this Section 4(e)(vi) are in addition to and in the event of any conflict, supersede, Section 11 of the Agreement (Events of Default).

(vii) The Significant Growth Funds that SOPUS shall provide BUYER in accordance with the terms and conditions in this Amendment will be (\$ _____)(_____) dollars and zero cents, and BUYER will repay SOPUS (\$ _____)(*insert amount spelled out) in accordance with the terms and conditions in this Amendment; and.

(viii) The Significant Growth Advanced Funds that SOPUS shall provide BUYER in accordance with the terms and conditions in this Amendment will be (\$ _____)(_____) dollars and zero cents, and BUYER will repay SOPUS (\$ _____), and (_____) in accordance with the terms and conditions in this Amendment.”

4. Termination. Section 22(a) of the Agreement is deleted and replaced with the following:

“22(a) By SOPUS, for any reason, after **MONTH DAY, YEAR**, upon delivery of not less than sixty (60) days prior written notice thereof to the BUYER. For the avoidance of doubt the parties agree and understand that neither party may terminate this Agreement without cause prior to **MONTH DAY, YEAR**; or”

5. Termination. The following is added as a new Section 22(e) of the Agreement:

“22(e) Additionally, on the termination or expiration of the Agreement or of this Amendment, BUYER shall pay or repay to SOPUS any outstanding sums due or advanced under this Amendment, including but not limited to, the Significant Growth Funds and the Significant Growth Advanced Funds paid to BUYER. The amount of the Significant Growth Funds and the amount of Significant Growth Advanced Funds to be repaid to SOPUS may only be reduced by the amount of those funds that were already repaid to SOPUS pursuant to the terms and conditions set forth in this Amendment. The repayment to SOPUS of the Significant Growth Funds and the Significant Growth Advanced Funds shall occur within thirty (30) days from the effective date of termination or expiration.”

6. Miscellaneous. All references to “**Agreement**” in the Agreement shall be deemed to include this Amendment. Capitalized terms used herein but not defined herein have the meaning ascribed to such terms in the

Agreement or the Franchise Agreement. Except as amended and modified by this Amendment effective all of the terms and conditions of the Agreement shall remain in full force and effect. In the event any conflict arises between the terms of the Agreement and the terms of this Amendment, the terms of this Amendment will control.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be executed by their duly authorized representatives.

UPON SOPUS PRODUCTS' TERMINATION OF THE
SOPUS PRODUCTS PRODUCT SUPPLY AGREEMENT**

**AMENDMENT OF SOPUS PRODUCTS/JIFFY LUBE PACESETTER PROGRAM
UPON SOPUS PRODUCTS' TERMINATION OF THE
SOPUS PRODUCTS PRODUCT SUPPLY AGREEMENT**

WHEREAS, Jiffy Lube International, Inc., a Delaware corporation having its principal place of business at 150 N. Dairy Ashford, Houston, Texas 77079, U.S.A. (“**Franchisor**”) and the franchisee identified on the signature page hereto (“**Franchisee**”), have entered into a Franchise Agreement for the SOPUS Products/Jiffy Lube Pacesetter Program (the “**Franchise Agreement**”) for the Jiffy Lube Quick Lube Center identified on the signature page hereto (the “**Service Center**”);

WHEREAS, Franchisor offers - the SOPUS Products/Jiffy Lube Pacesetter Program Agreement, which Franchisee has entered into.

WHEREAS, the SOPUS Products/Jiffy Lube Pacesetter Program Agreement requires that a franchisee contemporaneously enter a product supply agreement (“**PSA**”) with Franchisor’s affiliate, Pennzoil-Quaker State Company dba SOPUS Products (“**SOPUS Products**”);

WHEREAS, Franchisee has accordingly entered into a PSA with SOPUS Products;

WHEREAS, the Franchise Agreement contains provisions which are unique to the SOPUS Products/Jiffy Lube Pacesetter Program and contingent upon Franchisee and SOPUS Products having a contemporaneously valid PSA;

WHEREAS, the PSA provides a right for SOPUS Products to terminate the PSA and upon the exercise of such right certain provisions of the Franchise Agreement must be amended to reflect Franchisor’s form of franchise agreement which is not contingent upon a valid PSA;

NOW THEREFORE, in consideration of the undertakings and commitments of each party to the other party set forth in this Amendment, the parties agree as follows:

In the event that SOPUS Products exercises its right to terminate the PSA attached to the Franchise Agreement as Attachment C pursuant to Section 22 thereof (or exercises the right to terminate any replacement or successor agreement among such parties for the supply of motor oil and lubricants to be used by the Service Center pursuant to a comparable right to terminate without cause), the following provisions of the Franchise Agreement shall automatically be amended as follows :

1. The current Section 1.5 is renumbered to 1.6 and a new Section 1.5 is added as follows:
 - 1.5 During the term of this Agreement (but only as long as SOPUS Products directly or indirectly owns or controls Franchisor), SOPUS Products has agreed with Franchisor that it will not:
 - 1.5.1 Authorize the installation of any new “Pennzoil 10-Minute Oil Change” sign within two miles of the Franchised Center, provided that SOPUS Products may maintain and replace such signs in the normal course of business if they were installed before the date of this Amendment; or

- 1.5.2 Extend new “major financing” to any free-standing quick lube center located within one mile of the Franchised Center. For purposes of this provision, “**major financing**” means financing substantially in excess of that generally offered by the companies owning the registered trademarks Castrol[®], Valvoline[®] and other major marketers of motor oil, and their distributors, in order to obtain the borrower’s commitment to purchase that marketer’s brand of motor oil (excluding financing packages made available only to franchisees of those marketers or their affiliates), and “**quick lube center**” means any automotive service center whose primary business is to provide fast, convenient lubrication and fluid maintenance services.
2. The language in Section 2.2.4 appearing immediately prior to 2.2.4.1 shall be deleted in its entirety and shall have no force or effect and the following language shall be substituted in lieu thereof:
- 2.2.4 Franchisee executes Franchisor’s then-current standard form of franchise agreement which may contain terms materially different than the terms of this Agreement, including, without limitation, requirements to offer specified services, a higher royalty fee and a higher advertising contribution, and which will be further modified as follows:
3. The language in Section 2.3.1.3 shall be deleted in its entirety and shall have no force or effect and the following shall be substituted in lieu thereof:
- 2.3.1.3 Franchisee may be required to execute Franchisor’s then current form of franchise agreement, for a term ending on the expiration date of this Agreement, provided the new franchise agreement will not change adversely to Franchisee:
- (i) Section 1 (grant of franchise);
- (ii) Section 2.2 (renewal rights, if any);
- (iii) Section 4.2 (royalty rates); and
- (iv) Sections 10.2, 10.3, 10.4, 10.6 and 10.7 (transferability of the franchise).
4. The language in Section 4.2.1 of the Franchise Agreement will be deleted in its entirety and the following shall be substituted in lieu thereof:

4.2.1 **Royalty Amount**

Franchisee will pay Franchisor a monthly royalty equal to five percent (5%) of the “**Gross Sales**” (as defined in Section 4.2.3 of this Agreement) at the Franchised Center. Royalty payments are due on the

15th day of the month after the month in which the Franchised Center opens for business and thereafter on the 15th day of each month, based on Gross Sales for the preceding month.

5. The language in Section 7.2.1 of the Franchise Agreement shall be deleted in its entirety and shall have no force or effect and the following shall be substituted in lieu thereof:

7.2.1 Franchisee agrees to operate the Franchised Center in strict conformance with the Policies and Procedures Manual (the “**Manual**”) and any System Manuals. System Manuals which may be issued by Franchisor from time to time describe particular phases of the System. Such System Manuals may be in different types of media, including computer based training, on-the-job training, booklets, brochures, video, seminars, classroom training and other such types of media as Franchisor may develop from time to time. The Manual and all System Manuals are and will remain the exclusive property of Franchisor. A copy of the Manual and each System Manual will be loaned to Franchisee for the term of this Agreement either via hard copy, electronically, or both.

6. The language in Section 7.3.2 shall be deleted in its entirety and shall have no force or effect and the following shall be substituted in lieu thereof:

7.3.2 From time to time, Franchisor may compile lists of products that meet Franchisor’s specifications, and may modify existing lists. If Franchisee desires to use a product that is omitted from a list of similar products, Franchisee will notify Franchisor in writing before using such product. At Franchisor’s request, Franchisee will provide a sample of the product and any relevant technical data to Franchisor. Franchisor, at a commercially reasonable cost and within a commercially reasonable time frame, will test the product at Franchisee’s expense to determine whether the product meets Franchisor’s minimum standards. If Franchisor determines that the product does not meet its standards, Franchisee will not use such product in the Franchised Center.

7. The language in Section 9.1 shall be deleted in its entirety and shall have no force or effect and the following shall be substituted in lieu thereof:

9.1 Minimum Expenditure on Advertising

9.1.1 Franchisee will spend or contribute five percent (5%) of the Gross Sales of the Franchised Center for advertising and promotion of the Franchised Center, as follows:

9.1.1.1 If a local or regional advertising cooperative association (a “**Cooperative**”) is formed for any locality, region or trading area in which the Franchised Center is located, Franchisee will make monthly contributions to the Cooperative equal

to five percent (5%) of the Gross Sales of the Franchised Center for the preceding month, provided that if Franchisor has consented in writing to the Cooperative's assessment of monthly contributions at a lower rate, then Franchisee will contribute to the Cooperative at the rate to which Franchisor has consented, and will spend the balance of five percent (5%) of the Gross Sales of the Franchised Center on local advertising; or

9.1.1.2 If no Cooperative is formed for any locality, region or trading area in which the Franchised Center is located, or if Franchisee is excused from the requirement to become a member of such a Cooperative pursuant to Section 9.2.2 of this Agreement, then Franchisee will spend five percent (5%) of the Gross Sales of the Franchised Center on local advertising. Franchisee will be deemed to have satisfied this requirement if Franchisee's aggregate calendar-year expenditures on local advertising equal or exceed five percent (5%) of the aggregate Gross Sales of the Franchised Center during that calendar year.

8. Section 9.5 shall be deleted in its entirety and shall have no force or effect.

9. The language in Section 10.2.4.3 shall be deleted in its entirety and shall have no force or effect and the following shall be substituted in lieu thereof:

10.2.4.3 If the transfer is an assignment of Franchisee's rights and a delegation of Franchisee's duties under this Agreement, the transferee and its equity holders may be required to

i) execute Franchisor's then current form of franchise agreement, for a term ending on the expiration date of this Agreement; provided the new franchise agreement will not change adversely to the transferee:

Section 1 (grant of franchise);

Section 2.2 (renewal rights, if any);

Section 4.2 (royalty rates); and

Sections 10.2, 10.2, 10.4, 10.6 and 10.7 (transferability of the franchise); and

and remodeling of the Franchised Center, its equipment and furnishings, including that which is necessary to conform to and comply with Franchisor's then current specifications;

10. The language in Section 13.3.1 shall be deleted in its entirety and shall have no force or effect and the following shall be substituted in lieu thereof:

13.3.1 Except as provided in sections 13.1 and 13.2 of this Agreement, (a) Franchisee will have 30 days after its receipt of a written notice of any monetary default from Franchisor within which to cure any default under this Agreement, (b) Franchisee will have five days after its receipt of a written notice that it is engaging in unauthorized services at a Franchised Center to cease such unauthorized services, (c) except as set forth in section 13.3.1 (a) or 13.3.1(b), Franchisee will have 30 days after its receipt of a written notice of any other default of this Agreement, the Manual or any of the System Manuals or (d) if a default is not a monetary default or the cessation of unauthorized services at a Franchised Center and is of a nature that it cannot reasonably be completely cured in 30 days, Franchisee must begin and diligently pursue a cure within 30 days after its receipt of a written notice of default from Franchisor, but may have a reasonable time within which to cure such default. If any default described in a notice of default given under this section 13.3.1 is not cured, or if a cure is not begun and diligently pursued, within the time provided by this section 13.3.1 (or such longer period as applicable law may require), then Franchisor may terminate this Agreement without further notice to Franchisee, effective immediately upon the expiration of the period provided by this section 13.3.1 (or such longer period as applicable law may require).

1.3. If Franchisee subleases a site or improvements from Franchisor under Franchisor’s Build to Suit Program

NEW CONSTRUCTION ADDENDUM
To The Jiffy Lube International, Inc.
Franchise Agreement

For New Construction Of A Jiffy Lube® Franchised Service Center

This **New Construction Addendum** (“**Addendum**”), effective this ____ day of _____, 20__ (“**Effective Date**”) by and between Jiffy Lube International, Inc. (“**Franchisor**”) and _____ (“**Franchisee**”) (collectively, the “**Parties**”), contains additional provisions to the Franchise Agreement executed by the Parties on _____, as follows:

1. Area.

1.1 *Description of the Site.*

Pursuant to the Franchise Agreement, Franchisor has granted Franchisee a right to locate, acquire, open and operate one Jiffy Lube Franchised Service Center (“**Service Center**”). However, at this point in the process, either a location has not been specifically identified, a postal address for the Service Center has not been assigned, the Service Center location has been identified but the Service Center has not been built, and/or the lease for the Service Center site has not been finalized.

Franchisee has, or if Franchisee has been approved to operate under the Build to Suit Program, then Developer and Franchisor have, located the site or a general area in which to search for a suitable site, as described below (“**Area**” or “**Site**”, as applicable) for the construction or improvement of the Service Center:

The Site and Area are defined in this Addendum only for the purpose of identifying an area or site which Franchisor has agreed to reserve for geographical protection, as provided for in the Franchise Agreement, during the acquisition and construction of the Service Center and not as an attempt to define any particular trading area or customer base or to grant Franchisee any rights or protections other than specifically described herein or in the Franchise Agreement. This Addendum does not give Franchisee any territorial rights outside of the Site or Area.

Once Franchisee has obtained an official postal or street address for a Site and the Site has been approved by Franchisor in writing pursuant to Section 2 of this Addendum, the street address will be identified in the “**Location Rider**” attached hereto as Exhibit A.

1.2 *Exclusivity*

The exclusive right for franchisees to locate, acquire, open and operate a Service Center in the Area or on the Site will expire on ____, but may be extended on a month-to-month basis if, in Franchisor’s sole discretion, Franchisor determines that Franchisee has been acting in good faith and with reasonable diligence in attempting to secure and/or construct the Service Center. After the expiration of this period, if a Site has not been identified, approved, and

purchased or leased, the Franchise Agreement will terminate as provided in Section 4, and Franchisee will have no exclusive right to operate a Service Center in the Area or at the Site.

Franchisee acknowledges that Franchisor has made no representation that Franchisee will be able to obtain all necessary governmental consents and permits to enable it to develop a Service Center at that Site.

2. Location of the Service Center

2.1 (a) When Franchisor owns or leases the site:

If Franchisor or one of its affiliates already owns, or is the prime lessee of, the desired site for the Service Center, then Franchisee will enter into a lease or sublease of such premises with Franchisor or its affiliate (as the case may be), and the Location Rider will be executed contemporaneously with this Addendum.

(b) When Franchisee owns or leases the site:

If Franchisee already owns or leases a site for the Service Center, then Franchisor will execute the Location Rider upon receipt of Franchisor's approval of the site.

2.2 When neither Franchisor nor Franchisee owns or leases the Site; site identification:

2.2.1 Franchisee shall identify a specific site at which to locate the Service Center. Within 90 days of the date of the Franchise Agreement, Franchisee will submit to Franchisor (a) certain site acceptance materials identifying the proposed Site and describing relevant demographic and cost factors concerning the Site, and (b) a copy of the contract to purchase or lease the Site, which may be contingent on (i) Franchisor's approval of the Site, (ii) Franchisee's obtaining all required zoning and/or building permits, (iii) Franchisee's obtaining necessary financing, and/or (iv) negotiation of and agreement to the terms of such contract to purchase or lease the Site.

2.2.2 Within approximately 30 days of Franchisor's receipt of all of the information required in Section 2.2.1 of this Addendum, together with any other information reasonably required by Franchisor, Franchisor will determine whether to approve the site for development of the Service Center and will notify Franchisee of its determination in writing.

2.2.3 If a permitted contingency fails, then Franchisee will have the greater of (a) [30] days from the date of Franchisee's receipt of notice of an adverse determination of the failure of a permitted contingency, or (b) the expiration of [120] days from the date the Franchise Agreement is executed, within which to provide site acceptance materials concerning another site together with a copy of the contract to purchase or lease the site which, again, may be contingent on Franchisor's approval of the site or on Franchisee's obtaining all required zoning or building permits and necessary financing, but will be subject to no other conditions. Within approximately [30] days of Franchisor's receipt of all of the site acceptance materials for the second site, together with any other information reasonably required by Franchisor, Franchisor will determine whether to approve that site for development as the Service Center and will notify Franchisee of its determination in writing. If the second site is not approved or if a permitted contingency with

regard to the second site fails, and if no more than [150] days have elapsed since the Effective Date of this Addendum, Franchisee may submit site acceptance materials and other relevant information for a third site, in the same manner and on the same terms as the second site. Franchisee may submit no more than three potential sites in total.

2.2.4 Franchisor may not unreasonably withhold its approval of any site in the Area which is presented by Franchisee, provided, however, that approval of a site may be withheld based on demographic or other characteristics from which Franchisor reasonably concludes that a service center located at such site is not likely to be successful, or based on Franchisor's sole determination that a service center at such site might unreasonably adversely impact a service center existing or planned at the time the approval is sought. (This provision is not intended to, and does not, give any rights to any person other than Franchisor, and does not give Franchisee any rights with regard to the area surrounding the Service Center in addition to those rights granted in Sections 1.2 and 1.5 of the Franchise Agreement.)

2.3 *When neither Franchisor nor Franchisee owns or leases the site; site acquisition:*

Franchisee will acquire a lease or fee interest in the approved Site and provide Franchisor with a final, executed copy of the lease or purchase contract within 30 days after the later of (a) Franchisee's receipt of notice of Franchisor's approval of a Site submitted to Franchisor pursuant to Section 2.2 of this Addendum, or (b) satisfaction of all permitted contingencies in Franchisee's contract to purchase or lease such site.

2.3.1 If Franchisee owns or has acquired a fee interest in a Site, then within 30 days of the later of (a) such acquisition or (b) execution of the Franchise Agreement, Franchisee will execute an option agreement giving Franchisor the right, but not an obligation, to purchase or lease the Site and improvements located thereon upon termination or expiration of the Franchise Agreement.

2.3.2 If Franchisee has acquired a lease interest in a Site or improvements located at a Site from a party other than Franchisor or one of its affiliates, then within 30 days of the later of (a) execution of such lease or (b) execution of this Addendum, Franchisee will execute, and will cause its lessor to execute, a contingent assignment and assumption agreement giving Franchisor the right, but not an obligation, to assume Franchisee's rights and obligations in connection with such lease upon termination or expiration of the Franchise Agreement.

2.4 *Extensions of time.*

The period of time in which Franchisee must perform any act required by this Section 2 may be extended if, in Franchisor's sole discretion, Franchisor determines that Franchisee has been acting in good faith and with reasonable diligence in attempting to perform the act required. Any such extension of time must be in writing and must be signed by an officer of Franchisor in order to be binding.

3. Building and Opening the Service Center

3.1 Standard plans; appearance of the Service Center.

Franchisor will provide standard plans and equipment specifications for the

construction of a Service Center; however, before having the Service Center built, Franchisee will arrange for such building plans and equipment specifications to be modified by a person authorized to make such modifications under local ordinances or regulations in order to satisfy applicable building code requirements and/or other local requirements. Franchisee acknowledges that the design and appearance of the Service Center are part of the System, as defined in the Franchise Agreement, and that uniformity within the System is essential to the System's success. Therefore, Franchisee agrees that it will make no change to the exterior elevations or floor plan specified in Franchisor's standard building plans or designs without Franchisor's prior written consent. The obligations of the Franchisee in this Section 3.1 are not applicable to service centers leased to franchisees under the Build to Suit Program.

3.2 *Permits.*

After site approval by Franchisor, Franchisee will diligently pursue all necessary zoning and/or building permits. Franchisee is responsible for securing all permits and other governmental approvals necessary for construction and operation of the Service Center. At Franchisor's request, Franchisee will give Franchisor a copy of the actual city-approved site plan showing easements, access and building position, a copy of the city-approved building plans and design, and a copy of any soils report prepared by or for Franchisee. The obligations of the Franchisee in this Section 3.2 are not applicable to service centers leased to franchisees under the Build to Suit Program.

3.3 *Construction and opening.*

Franchisee will cause construction of the Service Center to begin within 30 days after Franchisee obtains all permits required to begin construction. During construction of the Service Center, Franchisee will install a free-standing sign designating the Site to be the site of a Jiffy Lube Service Center in a form, size and style approved in writing by Franchisor. Construction will be sufficiently complete for a certificate of occupancy to be issued within six months of groundbreaking. In any event, Franchisee will open the Service Center within 12 months after the effective date of the Franchise Agreement. The obligations of the Franchisee in this Section 3.3 are not applicable to service centers leased to franchisees under the Build to Suit Program.

3.4 *Effect of failure to locate an approved Service Center site.*

If the Franchise Agreement is terminated because of a failure to locate an approved Site within the time provided by Section 2 of this Addendum, Franchisor may offer a franchise for the Site or for any site within the Area (including sites which may have been under consideration by Franchisee) to any other franchisee, all without liability to Franchisee.

3.5 *Extensions of time.*

The period of time in which Franchisee must perform any act required by this Section 3 may be extended if, in Franchisor's sole discretion, reasonably applied, Franchisor determines that Franchisee has been acting in good faith and with reasonable diligence in attempting to perform the act required. Any such extension of time must be in

writing and must be signed by a duly authorized representative of Franchisor in order to be binding.

4. Default

If Franchisee fails to (i) acquire a lease or fee interest in an approved site within the time set forth in this Addendum, or (ii) open the Service Center within the time provided by Section 3 of this Addendum, then Franchisor may terminate the Franchise Agreement without affording Franchisee any opportunity to cure the default, and such termination shall be effective immediately upon Franchisee's receipt of notice of the default. Any portion of the franchise fees earned by the Franchisor and paid or due pursuant to the Franchise Agreement prior to termination as provided by this section remain non-refundable.

For the avoidance of doubt, any business which maintains more than ten percent (10%) of its net sales through oil change and lubrication services measured either on an annual or semi-annual basis at Franchisor's sole discretion or offers any automotive service which is the same or similar to a service that is a service required to be offered by Franchisees pursuant to the Franchise Agreement or the Manual, and under the automotive service categories of "Oil Change," "Lubrication Service," "Brake Service," and "Tire Service",⁴ is substantially similar for purposes of this Article. 11.2 To the extent that on March 1, 2017, (i) Franchisee was a Jiffy Lube Franchisee and (ii) it or any of its equity owners, officers or directors owned and operated an independent business which provides such services that did not otherwise violate the covenants not to compete contained in this Addendum or the Franchise Agreement, such independent business will be listed on Exhibit B hereto and grandfathered in and excepted from the applicable covenants not to compete contained herein. If Franchisee performs “Tire Service” at any non-Jiffy Lube branded service centers and does not otherwise violate the covenants not to compete contained in this Addendum or the Franchise Agreement, Franchisee will be allowed to amend Exhibit B when seven hundred fifty (750) Service Centers have undergone Store Deployment. Franchisor shall provide notice to Franchisee when seven hundred (700) Service Centers have completed Store Deployment. Franchisee specifically acknowledges that it may not use any of Franchisor’s confidential or proprietary information including but not limited to materials, processes, training modules, or trademarks, in connection with the operation of any such independent business. CODE Section 31000 et seq., and the California Franchise Relations Act, CAL. BUS. & PROF. CODE Section 20000 et seq., (collectively, the “Act”), Jiffy Lube International, Inc. and _____ (“_____”), hereby amend the Franchise Agreement between them dated _____ (the “Agreement”) as follows:

1. The California Department of Financial Protection and Innovation requires that certain provisions contained in franchise documents be amended to be consistent with California law, including the California Franchise Investment Law, CAL. CORP. CODE Section 31000 et seq., and the California Franchise Relations Act, CAL. BUS. & PROF. CODE Section 20000 et seq., (collectively, the “Act”). To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

To the extent the Franchise Agreement contains a provision that is inconsistent with these laws, these laws will control.

3. The Franchise Agreement requires you to execute a general release of claims upon renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). 4. If the Franchise Agreement requires payment of liquidated damages that is inconsistent with California Civil Code Section 1671, the liquidated damage clause may be unenforceable.

5. If the Franchise Agreement contains a covenant not to compete which extends beyond the expiration or termination of the Agreement, the covenant may be unenforceable under California law.

6. If the Franchise Agreement requires litigation, arbitration, or mediation to be conducted in a forum other than the State of California, the requirement may be unenforceable under California law.

7. If the Franchise Agreement requires that it be governed by a state’s law other than the State of California, such requirement may be unenforceable.

8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise. In the event of any conflict between the terms of this Amendment and the terms of the Franchise Agreement, the terms of this Amendment shall prevail.

Stat. ch. 815 para. 705/1 – 705/44 (1994) (the “**Illinois Franchise Act**”), Jiffy Lube International, Inc. and _____ (“_____”), hereby amend the Franchise Agreement between them dated _____ (the “**Agreement**”) as follows:

1. Section 705/19 and 705/20 of the Illinois Franchise Act provide rights to franchisees concerning nonrenewal and termination of a franchise. If the Agreement contains a provision that is inconsistent with the Illinois Franchise Act, the Illinois Franchise Act will control.

2. Section 41 of the Illinois Franchise Act states that “any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of this Act is void.” To the extent that any provision in the Agreement is inconsistent with Illinois law, Illinois law will control.

3. Any provision that designates jurisdiction or venue or required Franchisee to agree to jurisdiction or venue in a forum outside of Illinois is void with respect to any cause of action which is otherwise enforceable in Illinois, except arbitration may take place outside the state of Illinois.

4. If this Agreement requires that it be governed by a state's law, other than the State of Illinois, to the extent that such law conflicts with the Illinois law, Illinois law will control.

5. To the extent that the Illinois Franchise Act prohibits the disclaimer of representations contained in a franchisor’s Franchise Disclosure Document, the Agreement is amended to include representations made in Franchisor’s Franchise Disclosure Document to the extent required by law.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

MARYLAND AMENDMENT TO FRANCHISE AGREEMENT**

For purposes of complying with the requirements of Maryland law, including the Maryland Franchise Registration and Disclosure Law, Md. Code Ann., Bus. Reg. §§ 14-201 through 14-233 (the “**Maryland Franchise Act**”), Jiffy Lube International, Inc. and _____ (“_____”), hereby amend the Franchise Agreement between them dated _____ (the “**Agreement**”) as follows:

1. Any provision requiring you to sign a general release of any and all claims against us as a condition of renewal, sale, and/or assignment/transfer shall not apply to claims arising under the Maryland Franchise Registration and Disclosure Law.

2. Any provision requiring you to bring an action against us in any state other than Maryland shall not apply to claims arising under the Maryland Franchise Registration and Disclosure Law. You may bring an action in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

3. All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel, or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

4. Notwithstanding anything to the contrary set forth in the Agreement, any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three (3) years after the grant of the franchise.

5. The Agreement provides that disputes are resolved through arbitration. The Maryland Franchise Registration and Disclosure Law states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Article 18 ACKNOWLEDGEMENTS of the Franchise Agreement is deleted in its entirety and replaced with the following:

8. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of Maryland law applicable to the provisions are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met

MINNESOTA AMENDMENT TO FRANCHISE DISCLOSURE DOCUMENT
AND FRANCHISE AGREEMENT

For purposes of complying with the requirements of Minnesota law, including the Minnesota Franchise Act, Minn. Stat. §§ 80C.01 - 80C.22 (the “**Act**”) and the rules and regulations promulgated thereunder by the Minnesota Commissioner of Commerce (the “**Rules**”), Jiffy Lube International, Inc. and _____ (“_____”), hereby amend the Franchise Disclosure Document and Franchise Agreement between them dated _____ (the “**Agreement**”) as follows:

1. The Minnesota Department of Commerce requires that the Franchisor indemnify Minnesota Franchisees against liability to third parties resulting from claims by third parties that the Franchisee’s use of the Proprietary Marks infringes trademark rights of the third party. Franchisor does not indemnify against the consequences of Franchisee’s use of the Proprietary Marks except in accordance with the requirements of the Agreement, and, as a condition to indemnification, Franchisee must provide notice to Franchisor of any such claim within ten (10) days after the earlier of (i) actual notice of the claim or (ii) receipt of written notice of the claim, and must therein tender the defense of the claim to Franchisor. If Franchisor accepts the tender of defense, Franchisor has the right to manage the defense of the claim including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim. If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement shall be superseded by the Act’s requirements and shall have no force or effect.

2. Franchise Act, Sec. 80C.14, Subd. 4., requires, except in certain specified cases, that a Franchisee be given written notice of a Franchisor’s intention not to renew 180 days prior to expiration of the franchise and that the Franchisee be given sufficient opportunity to operate the franchise in order to enable the Franchisee the opportunity to recover the fair market value of the franchise as a going concern. If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement shall be superseded by the Act’s requirements and shall have no force or effect.

3. Franchise Act, Sec. 80C.14, Subd. 3., requires, except in certain specified cases, that a Franchisee be given 90 days’ notice of termination (with 60 days to cure). If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement shall be superseded by the Act’s requirements and shall have no force or effect.

4. If the Agreement and/or the Disclosure Document requires Franchisee to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Franchise Act, such release shall exclude claims arising under the Franchise Act, and such acknowledgments shall be void with respect to claims under the Act.

5. If the Agreement and/or the Disclosure Document requires that it be governed by a state’s law, other than the State of Minnesota, those provisions shall not in any way abrogate or reduce any rights of the Franchisee as provided for in the Franchise Act, including the right to submit matters to the jurisdiction of the courts of Minnesota.6. If the Agreement and/or the Disclosure Document requires Franchisee to sue Franchisor outside the State of Minnesota, those provisions shall not in any way abrogate or reduce any rights of the Franchisee as provided for in the Franchise Act, including the right to submit matters to the jurisdiction of the courts of Minnesota. As such, the disclosure in risk factor 1 on the State Cover Page of the Disclosure Document that the Agreement requires Franchisee to sue outside the State of Minnesota is not applicable because of the Franchise Act.7. Minn. Rule 2860.4400J. prohibits the Franchisor from requiring You to consent to liquidated damages and prohibits waiver of a jury trial. If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Minn. Rule, the provisions of the Agreement and/or the Disclosure Document shall be superseded by the Minn. Rule’s requirements and shall have no force or effect.

8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

9. Article 18 ACKNOWLEDGEMENTS of the Franchise Agreement is deleted in its entirety and replaced with the following:

BEFORE SIGNING THIS AGREEMENT, FRANCHISEE SHOULD READ IT CAREFULLY WITH THE ASSISTANCE OF LEGAL COUNSEL. 10. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of Minnesota law applicable to the provisions are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met.

11. All other provisions of the Agreement are hereby ratified and confirmed.

WASHINGTON AMENDMENT TO FRANCHISE AGREEMENT

For purposes of complying with the requirements of Washington law, including the Washington Franchise Investment Protection Act, Chapter 19.100 RCW (the “Act”), Jiffy Lube International, Inc. and _____ (“_____”), hereby amend the Franchise Agreement between them dated _____ (the “Agreement”) as follows:

1. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.
2. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
3. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
5. Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.
6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.
7. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

FRANCHISE AGREEMENT

THIS AGREEMENT (the “**Agreement**”) is made _____ (the “**Execution Date**”), by and between JIFFY LUBE INTERNATIONAL, INC., a Delaware corporation, having its principal place of business at 150 N. Dairy Ashford, Houston, TX 77079, U.S.A. (“**Franchisor**”) and _____, a[n] [type of entity] [individual(s)], with [its] [his/her/their] principal [place of business] [residence] at _____ (“**Franchisee**”).

RECITALS

- A.** Franchisor has spent considerable time, effort and money developing a nationally recognized brand and owns a unique system for providing lubrication and preventive fluid maintenance and light repair services to cars and light trucks using the registered trademark “Jiffy Lube®” (the “**System**”). The distinguishing characteristics of the System include methods for locating, building and operating Jiffy Lube® Service Centers (the “**Service Centers**”), proprietary trademarks, trade dress, software, training materials and operational methods and manuals and methods for marketing the services offered at the Service Center and which may be modified, improved, discontinued or further developed by Franchisor from time to time.
- B.** Franchisor owns the property rights and interests in and to and utilizes the “Jiffy Lube” trademark, the “Flying J” logo and certain other service marks, symbols, word marks, trademarks, trade names and trade dress as currently designated, or as may hereinafter be designated by Franchisor in writing, in connection with the System (the “**Trademarks**”).
- C.** Franchisor continues to develop, use and control the use of the Trademarks in order to identify for the public the source of services marketed thereunder and in association with the System and to represent the System’s high standards of quality, appearance and service.
- D.** Franchisee wishes to locate, acquire, open and operate a Service Center utilizing the System at the location identified in the addendum as specified in Section 1.1 strictly in accordance with the terms and conditions of this Agreement.
- E.** Based upon the information provided by Franchisee to Franchisor in Franchisor’s prospective franchisee application process, Franchisor has decided to grant to Franchisee a license to develop a Service Center that strictly utilizes the System in accordance with the terms and conditions of this Agreement.

NOW THEREFORE, in consideration of the undertakings and commitments of each party to the other party set forth in this Agreement, the parties agree as follows:

1. GRANT OF FRANCHISE

- 1.1 Franchisor hereby grants to Franchisee a non-exclusive license to use the System, including the Trademarks, as is and as they may be modified from time to time in connection with the operation of a Service Center whose location is described in the addendum attached to this Agreement in strict conformance with this Agreement. Franchisee agrees to establish a Service Center utilizing the System only at the location described in the addendum attached to this Agreement and incorporated herein (the “**Franchised Center**”). Except as expressly stated herein, Franchisor reserves the right to operate and grant as many other franchises for the operation of the System anywhere in the world as it shall, in its sole discretion, elect. Franchisee acknowledges that the granting of this non-exclusive license does not confer Franchisee the right to acquire any other such licenses.
- 1.2 Subject to any rights granted by Franchisor to others under the terms of any franchise agreement or development agreement existing on the date of execution of this Agreement, during the term of this Agreement, Franchisor will not operate or authorize anyone else to operate another Service Center within a radius of three miles around the Franchised Center (the “**Three Mile Area**”). Franchisee has no rights outside of the Three Mile Area, and Franchisor may operate or authorize third parties to operate a Service Center anywhere outside of the Three Mile Area, even if such location lies in close proximity to the Three Mile Area. Franchisor specifically reserves the right to conduct any activity not expressly restricted by this Agreement.
- 1.3 Franchisor specifically reserves all rights that are not expressly granted to Franchisee by this Agreement.
- 1.4 Notwithstanding anything to the contrary, Franchisor reserves the right to conduct or authorize others to conduct national or regional fleet account solicitations and advertising activities within or outside of the Three Mile Area as Franchisor may choose.
- 1.5 Franchisor reserves the right to develop businesses, other than the System or businesses using Trademarks used in connection with the System, and conduct activities (including, without limitation, advertising under the Trademark) other than the operation and franchising of Service Centers and to use any Trademark, service mark, trademark or trade name in connection with those other businesses, both within and outside the Three Mile Area and regardless of the economic effect on Franchisee, all without granting Franchisee any right to use those other business formats, service marks, trademarks or trade names.

2. TERM AND RENEWAL

2.1 Initial Terms

Except as otherwise provided for in this Agreement, the initial term of this Agreement (the “**Term**”) shall expire on the 20th anniversary of the date the Franchised Center first opens for business as a Service Center. For all purposes under this Agreement, the date the Franchised Center first opens for business shall be the date verified in writing by Franchisor and delivered by Franchisor to Franchisee in a form substantially similar to the Notice

attached hereto as Attachment A. Franchisee agrees and shall be obligated to operate the Franchised Center and perform its obligations as set forth herein for the full Term of this Agreement.

2.2 Renewal Terms

Franchisee may, at its option, renew its right to operate the Franchised Center for one consecutive renewal term of 10 years, to commence on the date of expiration of the initial term, provided that:

- 2.2.1 Franchisee is not in default of its obligations pursuant to this Agreement, or any amendment hereof or successor thereto, and any other agreement between Franchisee and Franchisor and/or Franchisor's affiliates that relate to the Franchised Center at the time of giving its notice to renew and at the time of renewal;
- 2.2.2 Franchisee has not received more than two notices of default from Franchisor or any of its subsidiaries (whether or not such defaults were subsequently cured) during the previous five years;
- 2.2.3 Franchisee gives Franchisor written notice of such election to renew not less than six months nor more than 12 months prior to the end of the initial Term;
- 2.2.4 Franchisee executes Franchisor's then-current standard form of franchise agreement, which (a) may require Franchisee to, among other things, acquire and use in connection with its operation of the Service Center certain products supplied by Franchisor's affiliate, Pennzoil-Quaker State Company dba SOPUS Products ("**SOPUS Products**"). (The program which includes this requirement to purchase such products is referred to herein as the "**SOPUS Products/Jiffy Lube Fast Lube Program**" or "**Products Program**"); and (b) may contain terms materially different than the terms of this Agreement, including, without limitation, requirements to offer specified services, a higher royalty fee and a higher advertising contribution, and which will be further modified as follows:
 - 2.2.4.1 the term of which shall be the renewal term as specified in Section 2.2, but with no further renewal right; and
 - 2.2.4.2 franchise fee shall be as set forth in Section 2.2.11 below;
- 2.2.5 Franchisee has paid or otherwise timely satisfied all monetary obligations owed by Franchisee to Franchisor and its affiliates and any indebtedness of Franchisee which is guaranteed by Franchisor or its affiliates has been timely paid or otherwise has been satisfied before the beginning of the renewal term;
- 2.2.6 Franchisee completes to Franchisor's satisfaction, as and when Franchisor shall reasonably require, all of the maintenance, refurbishing, renovating and remodeling of the Franchised Center, its equipment and furnishings, including

that which is necessary to conform to and comply with Franchisor's then current specifications;

- 2.2.7** Franchisee and Franchisor execute a mutual release in a form prescribed by Franchisor of any and all claims against each other and their respective affiliates, officers, directors, equity holders, representatives, agents and employees except:
- 2.2.7.1** claims of which either Franchisor or Franchisee has given written notice to the other party before the date of the renewal provided that any such claim shall be lost and forever waived in the event such claim is not resolved or suit instituted within the earlier of (i) one year from the date of the renewal, or (ii) the expiration of the otherwise applicable statutory or contractual limitations period;
 - 2.2.7.2** claims by Franchisor for royalties, reminder mail charges, fleet accounts, computer hardware support charges, software charges, rent, additional rent and other similarly periodic, liquidated or readily calculable indebtedness arising under this or any other agreement; and
 - 2.2.7.3** claims by Franchisee for fleet account credits and other periodic, liquidated or readily calculable indebtedness arising under this or any other agreement;
- 2.2.8** Franchisee qualifies as a franchisee in accordance with Franchisor's then current qualification requirements;
- 2.2.9** **The Franchised Center premises are not the subject of any then-pending notice of violation of any environmental law, rule, regulation or code issued by a governmental authority; provided, however, that if Franchisee provides evidence satisfactory to Franchisor that it is diligently working to be in compliance with all such laws, rules, regulations and codes and to cure any prior violations thereof, and meets all other requirements of this Section 2.2, then Franchisor may approve the renewal request.**
- 2.2.10** Prior to the beginning of the renewal term, Franchisee, its managers and Franchised Center employees meet Franchisor's then current training requirements;
- 2.2.11** Franchisee pays to Franchisor a renewal fee equal to \$10,000 adjusted upward in proportion to the rate of inflation from the date the Franchised Center initially opened to the date three months prior to the date of the renewal, as measured by the Consumer Price Index for urban wage earners and clerical workers, U.S. city average (all items, base period: 1982-84 = 100); and
- 2.2.12** If Franchisor is unable to lawfully offer Franchisee its then-current form of franchise agreement at the time of renewal, Franchisor and Franchisee agree to extend the initial Term or the renewal term, as applicable, of this Agreement on

a month to month basis until such time as Franchisor is able to lawfully offer Franchisee its then current form of franchise agreement plus 60 days.

2.3 Relocation Terms

2.3.1 If Franchisor has approved a Franchised Center as a Relocated Center, as described in Section 4.1.4, Franchisor may require any or all of the following as conditions of its approval:

2.3.1.1 Franchisee may be required to satisfy all accrued monetary obligations to Franchisor and its affiliates;

2.3.1.2 Franchisee may be required to execute, with Franchisor, a mutual release, in a form satisfactory to Franchisor, of any and all claims against each other and their respective subsidiaries or affiliates (as appropriate), officers, directors, equity holders, agents and employees, except:

- (i) claims of which either Franchisor or Franchisee has given written notice to the other party before the date of the transfer provided that any such claim shall be lost and forever waived in the event such claim is not resolved or suit instituted within the earlier of (1) two years from the date of the transfer, or (2) the expiration of the otherwise applicable statutory or contractual limitations period;
- (ii) claims by Franchisor for royalties, reminder mail charges, fleet account debits, computer hardware support charges, rent and additional rent and other similarly period, liquidated or readily calculable indebtedness arising under this or any other agreement;
- (iii) claims by Franchisee for fleet account credits and other periodic, liquidated or readily calculable indebtedness arising under this or any other agreement; and
- (iv) claims by Franchisor to enforce any obligations arising under Section 14 or Section 15.1.3.

2.3.1.3 Franchisee may be required to execute Franchisor's then current form of franchise agreement applicable to the Products Program, for a term ending on the expiration date of this Agreement, provided the new franchise agreement will not change adversely to Franchisee:

- (i) Section 1 (grant of franchise);
- (ii) Section 2.2 (renewal rights, if any);
- (iii) Section 4.2 (royalty rates); and

- (iv) Section 10.2, 10.3, 10.4, 10.6 and 10.7 (transferability of the franchise).

3. TRADEMARKS AND CONFIDENTIALITY REQUIREMENTS

3.1 Ownership of Trademarks

The Trademarks are owned by Franchisor. Franchisee acknowledges that its use of the Trademarks is a temporary use, that such use is permitted under a license from Franchisor and that Franchisor retains all ownership in the Trademarks and in all goodwill generated by the Trademarks.

3.2 Franchisee's use of the Trademarks

With respect to Franchisee's use of the Trademarks:

- 3.2.1** Franchisee shall use only the Trademarks designated by Franchisor in connection with the operation and promotion of the Franchised Center. Franchisee shall not use the Trademarks in combination with any other trademarks, service marks, trade names, logos or trade dress in such a manner as to diminish, dilute or alter the Trademarks. Franchisee shall use the Trademarks only in the manner authorized and permitted by Franchisor.
- 3.2.2** Franchisee shall use the Trademarks only for the operation and promotion of the Franchised Center.
- 3.2.3** Franchisee's right to use the Trademarks is limited to such uses as are expressly authorized under this Agreement and any unauthorized use thereof shall constitute a default under this Agreement.
- 3.2.4** Franchisee shall not use the Trademarks as part of its corporate or other legal name or in an internet domain, user, or account name. Upon Franchisee's written request, subject to availability and at Franchisee's sole cost and expense, Franchisor may establish a domain name utilizing one or more of the Trademarks and license such domain name to Franchisee for Franchisee's use.
- 3.2.5** Franchisee agrees not to represent in any manner that it has any ownership in the Trademarks or the right to use the Trademarks, except as provided in this Agreement. Franchisee further agrees that its use of the Trademarks shall not create in its favor any right, title or interest in or to the Trademarks and that all such use shall inure to the sole benefit of Franchisor.
- 3.2.6** During the Term of this Agreement and any renewal thereof, Franchisee shall identify itself as an authorized, independently owned franchisee of the Franchised Center in conjunction with any use of the Trademarks including, but not limited to, on invoices, receipts, contracts, web sites, corporate identifications as well as in conspicuous locations on the premises of the Franchised Center. Franchisee acknowledges that the requirements imposed upon it by Franchisor concerning

Franchisee's use of the Trademark, the Manual (as defined in Section 7.2.1) and the System Manuals (as defined in Section 3.4 and 7.2.1) are for the benefit of the System and expressly do not rise to the level of Franchisor's control over Franchisee's business and Franchisee is fully responsible for its own conduct, including but not limited to the independent operation of its business; providing health, safety, security, and environmental safeguards in connection therewith; and implementing its own employment practices and procedures in compliance with the law.

- 3.2.7** Franchisor will hold harmless and indemnify Franchisee and its officers, directors, equity holders, agents and employees against all claims for patent or service mark infringement arising out of Franchisee's use of the Trademarks in a manner consistent with the license granted by this Agreement, provided Franchisee notifies Franchisor in writing within 30 days after learning of the claim and provided Franchisor has the right to control any litigation or adversary proceeding resulting from such claim. Franchisee agrees to cooperate with and assist Franchisor in protecting the Trademarks, any other trademarks, service marks, patents, or copyrights owned by or licensed to Franchisor and shall immediately inform Franchisor, in writing, of any suspected or actual infringements or other improper action with respect to such Trademarks that shall come to the attention of Franchisee. Determination of actions to be taken in response to such notice shall be made solely by Franchisor. Franchisee agrees to be a named party in any action taken if so requested by Franchisor and to provide Franchisor with full cooperation with reference to any such action. In the event that Franchisee is made a party to any litigation directly concerning the use of any of the Trademarks, Franchisee shall immediately notify Franchisor of such fact.
- 3.2.8** Franchisee acknowledges that Franchisor may modify the Trademarks or substitute other service marks, trade name, trademarks or commercial symbols for the Trademarks as part of the System and may require Franchisee to use such modified or substituted service marks, trade name, trademarks or commercial symbols. If Franchisee is in compliance with the provisions of this Section 3.2.8 and Section 9.3, Franchisor agrees to implement a reasonable transition period, not to exceed two years, for Franchisee to implement any significant modification to the Trademarks.
- 3.2.9** Franchisee shall not at any time put in issue or contest, either directly or indirectly, the validity of the Trademarks or Franchisor's ownership and other rights in and to the Trademarks. Franchisee recognizes the goodwill associated with the Trademarks and acknowledges that such goodwill belongs to Franchisor. Nothing in this Agreement shall give Franchisee an interest in any of the Trademarks, the goodwill associated with the Trademarks, or in any trademark, trade name, trade dress, service mark or other material containing the Trademarks. Franchisee understands and agrees that there is extended by this Agreement permission, uncoupled with an interest, to use the Trademarks in connection with the operation and promotion of the Franchised Center.

3.2.10 Franchisee agrees that it will cease all use of any of the Trademarks immediately upon expiration or termination of this Agreement. Franchisee acknowledges that failure immediately to cease all use of any of the Trademarks upon expiration or termination of this Agreement will result in immediate and irreparable injury to Franchisor and Franchisee agrees to pay all reasonable attorneys' fees, costs, and expenses (and interest on such attorneys' fees, costs, and expenses) incurred by Franchisor in obtaining specific performance of, or an injunction against violation of the requirements of this Section.

3.3 Assumed Name Registration

If Franchisee desires to register its assumed name or is required to do so by any statute, regulation, rule or ordinance, Franchisee shall promptly file with the applicable government agency a notice of its intent to conduct business under the name "Jiffy Lube". Promptly upon expiration or termination of this Agreement, Franchisee shall execute and file such documents as may be necessary to revoke or terminate such assumed name registration. If Franchisee fails to promptly cancel or revoke its assumed name registration in accordance with this provision, Franchisee hereby irrevocably appoints Franchisor as its attorney-in-fact to do so for and on behalf of Franchisee.

3.4 Confidential Information

Franchisee acknowledges that during its relationship with Franchisor it will acquire knowledge of trade secrets, confidential information, know-how, training, marketing, sales formula(s), organizational and operational methods and other information concerning the System and the operation of a Service Center that is proprietary to Franchisor. Franchisee will treat as confidential all information designated by Franchisor to be confidential ("**Confidential Information**"); provided, however that Confidential Information shall not include information which Franchisee can demonstrate came to Franchisee's attention prior to disclosure thereof by Franchisor or which at the time of disclosure by Franchisor to Franchisee had become part of the public domain through publication or communication by others who did not have a confidentially obligation with respect to such information. The training materials, software, Manual and any additional manuals developed by Franchisor concerning particular phases of the System ("**System Manuals**") or this Agreement are Confidential Information without any separate designation of confidentiality being made by Franchisor.

3.5 Franchisee's Confidentiality Obligations

Franchisee acknowledges that any unauthorized use or disclosure of the Confidential Information to unauthorized third parties will result in immediate and irreparable injury to Franchisor and Franchisee agrees to pay all reasonable attorneys' fees, costs, and expenses (and interest on such attorneys' fees, costs, and expenses) incurred by Franchisor in obtaining specific performance of, or an injunction against violation of the requirements of this Section. Franchisee agrees that it will:

- 3.5.1 Not use or allow use of any Confidential Information, except in connection with the operation of the Franchised Center;
- 3.5.2 Disclose Confidential Information to individuals actively involved in the operation or management of the Franchised Center, but must limit such disclosures to those individuals who reasonably need to know the Confidential Information in order to discharge their responsibilities for Franchisee and will instruct any individual to whom any Confidential Information is disclosed that the information is confidential, may only be used in connection with the operation of the Franchised Center and may not be disclosed to others;
- 3.5.3 Store the Confidential Information in a reasonably secure place and will not allow any Confidential Information to be photocopied, transmitted or distributed to anyone not expressly authorized to have access pursuant to the terms of this Agreement; and
- 3.5.4 Notify Franchisor in writing as soon as practical of either a breach or unauthorized disclosure of Confidential Information or that it may be required to disclose Confidential Information in order to protect Franchisor's interests or to comply with an order of a court or administrative body and use all reasonable efforts to obtain an order from the court or administrative body before which the matter is pending, requiring the parties to such matter to keep the Confidential Information confidential.

3.6 Ownership of Ideas

In consideration of Franchisor's disclosure of Confidential Information to Franchisee, Franchisee agrees that if during the Term of this Agreement, Franchisee (or any of its officers, directors and employees) develops any idea, innovation or invention that can be used in conjunction with the System and that can legally be protected, then Franchisee will execute or will cause its officer, director and/or employee to execute an assignment of all rights in and to that idea, innovation or invention to Franchisor, giving Franchisor complete ownership of such idea, innovation or invention without additional consideration.

4. FRANCHISE FEE, ROYALTIES AND OTHER FEES

4.1 Franchise Fee

4.1.1 New Construction

Intentionally deleted – The FAST LUBE PROGRAM (NWF) Franchise Agreement is not offered for construction of new Jiffy Lube locations under the terms of this Agreement.

4.1.2 Converted Center

Intentionally deleted – The FAST LUBE PROGRAM (NWF) Franchise Agreement is not offered for conversion of quick lube service centers under a trade name other than “Jiffy Lube” to a Jiffy Lube location.

4.1.3 Replacement Center

Intentionally deleted – The FAST LUBE PROGRAM (NWF) Franchise Agreement is not offered for replacement of a Jiffy Lube location.

4.1.4 Relocated Center

If Franchisee permanently closed a Service Center (with Franchisor’s consent) more than five years before the expiration of the initial term of the franchise agreement or license agreement pursuant to which such Service Center was operated, and if Franchisor has accepted the Franchised Center as a replacement for such permanently closed Service Center (“**Relocated Center**”), then Franchisor will have earned and Franchisee will pay a relocation fee of \$7,500 upon execution of this Agreement. For purposes of this Agreement, a Relocated Center will exist if, as of the Effective Date: (a) the Franchisee is a Jiffy Lube franchisee, (b) Franchisor agrees that Franchisee may close an existing Jiffy Lube service center and terminate the franchise agreement for that service center more than five years before its initial term would otherwise expire (Franchisor is under no obligation to agree to this), (c) Franchisor has accepted the proposed Relocated Center as a replacement for the closed Service Center, (d) the proposed Relocated Center is within the same basic trade area (three mile radius) of the Service Center to be relocated and (e) the proposed Relocated Center does not interfere with the three mile trade area protected for another Service Center not operated by the Franchisee. Franchised Centers built under Franchisor’s BTS Program do not qualify as Relocated Centers. Once paid to Franchisor, all franchise fees are non-refundable.

4.1.5 Transfer

If this Agreement is a replacement of an existing franchise agreement that is being transferred to a new owner, then no franchise fee is required, but the transferee will pay Franchisor the transfer fee described in Section 10.2.4(h) of this Agreement. This Section does not affect any transfer fee required under other provisions of this Agreement or any previous agreement or agreement with the transferor.

4.1.6 Acquisition of an Existing Company Operated Center

If Franchisee is buying a Service Center owned by Franchisor, then the standard franchise fee of \$35,000 shall apply and shall be paid as provided in the asset

purchase agreement between Franchisor and Franchisee. Once paid to Franchisor, all franchise fees are non-refundable.

4.1.7 Renewal

If this Agreement is a renewal of an existing franchise agreement, then no franchise fee is required; provided that, upon execution of this Agreement, Franchisee will pay Franchisor the Renewal Fee described in Section 2.2.11 of this Agreement.

4.1.8 Area Development Rights and Prior Agreements

Notwithstanding anything to the contrary, if Franchisee is a party to an area development agreement with Franchisor which (a) is in effect when this Agreement is executed and (b) provides for some lower franchise fee or some other time for payment than what is described in this Section 4.1, then the provisions of that area development agreement will supersede this Section 4.1 with regard to the amount and time of payment of the franchise fee.

4.2 Royalties

4.2.1 Royalty Amount

1. If as of the date of signing this Agreement the Franchised Center is or will be a new Jiffy Lube location (either a non-Jiffy Lube site being converted to a Jiffy Lube or a newly built Jiffy Lube location) then Franchisee will pay Franchisor a monthly royalty based on a certain percent of “**Gross Sales**” (as defined in Section 4.2.3 of this Agreement) at the Franchised Center as follows:

During the first six months in which the Franchised Center is open for business, Franchisee will pay no monthly royalty. Thereafter, Franchisee will pay a monthly royalty of four percent (4%) of Gross Sales.

Royalty payments are due on the 15th day of the month. Thus, the first royalty payment will be due on the 15th of the 7th month after the month in which the Franchised Center opens for business and thereafter on the 15th day of each month, based on Gross Sales for the preceding month.

2. If as of the date of signing this Agreement the Franchised Center is an existing Jiffy Lube location then Franchisee will pay Franchisor a monthly royalty equal to four percent (4%) of the Gross Sales at the Franchised Center. Royalty payments are due on the 15th day of the month after the month in which the Franchised Center opens for business and thereafter on the 15th day of each month, based on Gross Sales for the preceding month.

4.2.2 Prompt Payment Discount

1. If as of the date of signing the Agreement the Franchised Center is or will be a new Jiffy Lube location (either a non-Jiffy Lube site being converted to a Jiffy Lube or a newly built Jiffy Lube location) then commencing the second six months in which the Franchised Center is open for business, if (a) Franchisee is current on all of its obligations to Franchisor and its affiliates and (b) the monthly royalty is received at a lockbox designated by Franchisor, or wire transferred to an account designated by Franchisor, on or before the date on which it is due (that is, the 15th of a given month), then Franchisee may deduct from its royalty payment for that month a prompt payment discount equal to one percent (1%) of the Gross Sales of the Franchised Center for the preceding month.
2. If as of the date of signing this Agreement the Franchised Center is an existing Jiffy Lube location then if (a) Franchisee is current on all of its obligations to Franchisor and its affiliates and (b) the monthly royalty is received at a lockbox designated by Franchisor, or wire transferred to an account designated by Franchisor, on or before the date on which it is due (that is, the 15th of a given month), then Franchisee may deduct from its royalty payment for that month a prompt payment discount equal to one percent (1%) of the Gross Sales of the Franchised Center for the preceding month.

4.2.3 Gross Sales Definition

For purposes of this Agreement, the term “**Gross Sales**” means all receipts of Franchisee for services provided and goods sold at the Franchised Center, including payments (a) in cash, (b) by credit or debit card or (c) in barter transactions, without any deduction for costs incurred by Franchisee in connection with operation of the Franchised Center. In the case of barter transactions, the fair market value of goods or services received by Franchisee in exchange for goods and services provided by Franchisee is to be included in the Franchised Center’s Gross Sales. For the avoidance of all doubt and notwithstanding the provisions of Section 4.2.4, receipts associated with inspection services and other government regulated services shall be considered as Gross Sales on which the royalty is due and not as a sales tax or similar tax.

4.2.4 Exclusions from Gross Sales

Notwithstanding the provisions of Section 4.2.3 of this Agreement, the Franchised Center’s Gross Sales do not include (a) the amount of any sales taxes or similar taxes based on sales collected by Franchisee from consumers and paid by Franchisee to the taxing authority, (b) any bona fide refunds to consumers, (c) cash discounts from the usual price for goods or services offered at the Franchised Center, (d) the proceeds of sales of used motor oil or other recovered fluids and materials and (e) discounts for national or local fleets. For the avoidance of any doubt, processing fees paid to credit card companies or in connection with fleet processing may not be deducted from Gross Sales for purposes of this Section.

4.2.5 Service Charge

If any payment to Franchisor is not received by the entity to which the payment is due (a “**Creditor**”) on or before the date on which the payment is due, then in addition to any other rights or remedies the Creditor may have and subject to any other written agreement, the past due amount will bear interest from the due date until paid at the lesser of (a) two percent (2%) per month, or (b) the highest rate of interest allowed by law. Any late payments received by a Creditor may be applied, in the discretion of the Creditor, first to reduce the accrued interest and next the principal amount.

4.3 Taxes

Franchisee will pay any bona fide taxes or related interest or penalties imposed by any taxing authorities on any fees, royalties or other charges collected by Franchisor from Franchisee pursuant to this Agreement or otherwise, provided that Franchisee will not be required to pay any taxes based on Franchisor’s income or net worth.

5. TRAINING

5.1 Operations Training Courses for Service Center Managers

- i. Franchisor will offer an operations training course for Service Center managers, having a duration and content as Franchisor may determine. Franchisor’s operations training course will be offered in training venues selected by Franchisor. Franchisor will pay for instructors, classroom facilities, training manuals and other, similar costs associated with its operations training course, provided that if Franchisor holds and Franchisee or its managers attend a session of Franchisor’s operations training course in some area other than the area in which Franchisor’s principal place of business is located, then Franchisee may be required to pay a share of the cost of renting classroom space and the instructors’ travel expenses in the same proportion as the number of individuals representing Franchisee bear to all attendees of that session. Franchisee will pay all costs associated with its or its employees’ salaries or wages while attending Franchisor’s operations training course, as well as those individuals’ transportation, meals, lodging and incidental personal expenses while attending the course. Provided that Franchisor’s conduct is not grossly negligent or in violation of any discrimination, harassment or similar law, Franchisee shall indemnify and hold Franchisor harmless from any and all claims that any of Franchisee’s employees may bring against Franchisor while attending the training courses.
- ii. Before the Franchised Center is opened for business, Franchisee’s initial managers (and Franchisee, if Franchisee is an individual or Franchisee’s officers who are responsible for operation of the Franchised Center)

must successfully complete Franchisor's operations training course for Service Center managers.

- iii. Any person employed by Franchisee as manager of the Franchised Center after Franchisee's initial managers will attend and complete Franchisor's operations training course before assuming any duties as manager.
- iv. Before attending Franchisor's operations training course for managers, an individual (a) must have spent at least two weeks working at a Service Center under the supervision of an individual who has successfully completed Franchisor's operations training course and (b) must have successfully completed certain prerequisite training courses prescribed by Franchisor.
- v. Every five years, Franchisee or Franchisee's officers who are responsible for the operation of the Franchised Center and Franchisee's managers will be required to complete Franchisor's operations training course for managers successfully in its then-current form unless Franchisor, in its sole discretion, waives this requirement.
- vi. At its sole cost and expense, Franchisee agrees and shall require its store level employees to timely participate in any training and obtain such certifications, licenses, permits and technical or operational training as may be specified by Franchisor in the Manual from time to time.
- vii. Notwithstanding any provision of this Section 5, Franchisee may conduct an operations training course for managers of the Franchised Center other than the initial managers of the Franchised Center, provided that Franchisor has approved, in writing, the content and administration of Franchisee's operations training course for managers. Franchisor may review Franchisee's operations training course periodically (a) to ensure that it is at least as comprehensive as the operations training course then being offered by Franchisor, (b) to ensure that its content does not deviate from the requirements of the Manual, and (c) to verify that managers are being trained in a timely manner. Franchisor will notify Franchisee of any deficiencies in its training course for managers. If Franchisee fails to take action to cure such deficiencies within a reasonable time, Franchisor may revoke its approval of Franchisee's operations training course and may require Franchisee's managers to attend Franchisor's operations training course until such time as the deficiencies have been corrected.

5.2 Training for Initial Employees of the Franchised Center

If Franchisee does not operate any Service Center other than the Franchised Center, and if the Franchised Center was not in operation as a Service Center before the date of this

Agreement, then Franchisor will provide operations training, and training in the use of Franchisor's point of sale computer system, for the initial employees of the Franchised Center at the Franchised Center. Such training will be scheduled by Franchisor in coordination with Franchisee to occur in conjunction with the opening of the Franchised Center. Franchisor will pay for the salary and travel expenses incurred by its trainer; Franchisee will pay any other expenses associated with this training. Franchisee or Franchisee's officers who are responsible for the operation of the Franchised Center will be present during this initial training period.

5.3 Other Training

Franchisee will ensure that its employees satisfy all training requirements specified in the Manual from time to time, and that they maintain consistently high standards of skill, efficiency and quality of workmanship.

6. ACCOUNTING PROCEDURES

6.1 Preservation of Records

Franchisee will maintain and preserve proper and complete books, records and accounts for at least seven years from the close of the fiscal year to which the books, records and accounts are related.

6.2 Submission of Financial Statements

6.2.1 Annual Financial Statements

Within 120 days after the end of each fiscal year of Franchisee, Franchisee will provide Franchisor with a statement of Franchisee's income or loss (a "**Profit and Loss Statement**") and a statement of Franchisee's financial position (sometimes called a "**Balance Sheet**") with respect to such Fiscal Year, reviewed by an independent certified public accountant, both for the Franchised Center and for all of Franchisee's Jiffy Lube-related business prepared in accordance with generally accepted accounting principles. All of the financial information furnished by Franchisee to Franchisor will be correct in all material respects and certified as accurate and in compliance with all applicable provisions of this Agreement, the Manual and the Systems Manuals (as such terms are defined in Section 7.2 hereof) by the responsible person designated by Franchisee within Franchisee's organization.

6.2.2 Quarterly Financial Statements

Within 30 days after the end of any calendar quarter, Franchisee will provide Franchisor with a Profit and Loss Statement and a Balance Sheet with regard to the calendar quarter just ended prepared in accordance with generally accepted accounting principles and certified as true and accurate by the person responsible within Franchisee's organization.

6.2.3 The financial statements described in this Section 6.2 shall be prepared in such format and delivered to Franchisor by such means (including, without limitation, electronically) as Franchisor may designate in the Manual after consulting with franchisee representatives of appropriate committees of any representative franchisee organizations representing more than fifty percent (50%) of franchised Jiffy Lube service centers

6.3 Audits

Franchisor and its duly authorized representatives, agents or auditors shall have the right to audit Franchisee's books, documents and other material as it pertains to the Franchised Center and Franchisee's "Jiffy Lube" operations and shall have access thereto during ordinary business hours, and shall be free to make copies of any materials thereto. Franchisee agrees to cooperate with Franchisor in any audit Franchisor chooses to conduct. In connection with occasional audits of Franchisee's business, Franchisee will furnish Franchisor with a copy of all federal, state and local tax returns filed by Franchisee for the period being audited with respect to the Franchised Center. Franchisor will have the right from time to time to request such additional financial, statistical or other information pertaining to or otherwise affecting the Franchised Center or Franchisee's performance under this Agreement as Franchisor may reasonably deem to be desirable.

6.4 Audit Discrepancies

If any examination or audit of Franchisee's books and records discloses an understatement in any report of two percent (2%) or more of the Gross Sales of the Franchised Center, then in addition to paying the royalty owed on the theretofore unreported Gross Sales, with the additional service charge specified in Section 4.2.5 of this Agreement, Franchisee will reimburse Franchisor for its costs of having Franchisee's books examined or audited. The provisions of this Section 6.4 are in addition to any other rights or remedies Franchisor may have, including termination of this Agreement as provided in Section 13 of this Agreement.

6.5 Use of Financial Information

Franchisor may use any financial statements, sales reports, or other financial or statistical information pertaining to the Franchised Center provided by Franchisee in connection with Franchisor's efforts to attract additional franchisees and/or to obtain financing or raise capital; provided that Franchisor may not use such information in any manner by which such information is or could be traceable to, or identify, Franchisee or the Franchised Center (except with respect to Franchisor's efforts to sell the Franchised Center if it is acquired from Franchisee). In addition, Franchisor may disclose any such information that is required to be disclosed by any federal or state requirements, court orders, etc. Except as specifically provided in this Section 6.5, Franchisor will treat such information as confidential and will not disclose or sell such information or use it for the benefit of any other person or entity. Franchisor and any entity that controls, is controlled by or is under common control with Franchisor ("**Affiliates**"), including, without limitation, Shell Oil

Company and SOPUS Products (as defined in Section 7.3.2), may also disclose and share among themselves any and all information pertaining to Franchisee and the Franchised Center to the extent required, and for the sole purpose of supporting a party's fulfillment of its obligations set forth in this Agreement.

6.6 Franchisor's Right to Obtain Information

If Franchisee fails to provide the information required in this Section 6, Franchisor will have the right, but not the obligation, to obtain such information and Franchisee will be responsible for any reasonable costs and expenses incurred in connection with gathering or reporting such information.

7. OPERATION OF THE FRANCHISED CENTER

7.1 Supervision by a Trained Manager

The Franchised Center at all times will be under the personal supervision of an individual who has completed Franchisor's operations training course (or an alternate course approved by Franchisor) successfully. As used in this Agreement, "**personal supervision**" means that the individual (a) will be present at, or readily available to, the Franchised Center at opening, closing and peak business hours, (b) will inspect the Franchised Center regularly to insure the highest standards of cleanliness and general appearance, and (c) will assist in training employees.

7.2 The Manual and the System Manuals

7.2.1 Franchisee agrees to operate the Franchised Center in strict conformance with the Policies and Procedures Manual developed by Franchisor for use in connection with the Products Program (the "**Manual**") and any System Manuals. System Manuals which may be issued by Franchisor from time to time describe particular phases of the System. Such System Manuals may be in different types of media, including computer based training, on-the-job training, booklets, brochures, video, seminars, classroom training and other such types of media as Franchisor may develop from time to time. The Manual and all System Manuals are and will remain the exclusive property of Franchisor. A copy of the Manual and each System Manual will be loaned to Franchisee for the term of this Agreement either via hard copy, electronically, or both.

7.2.2 Franchisee understands and agrees that the System may from time to time be modified, and that such modifications to the System may require modifications in the Manual or the System Manuals or issuance of new System Manuals. Franchisee agrees that in the event of any such modifications to the System and the Manual or the System Manuals, it will operate the Franchised Center in strict conformance with the Manual and the System Manuals as so modified. Any amendments or revisions to the Manual or System Manuals shall be effective seven days after receipt by Franchisee of such amendments or revisions. Franchisee will ensure that the copy of the Manual and any System Manuals

loaned to Franchisee are kept current. In the event of any dispute as to the contents of any such Manual or System Manuals, the contents of the master copy of such Manual or System Manuals maintained by Franchisor at its principal place of business will be definitive.

7.3 Approved Products and Supplies

7.3.1 From time to time, Franchisor may prescribe certain minimum quality and/or warranty specifications for equipment, products and supplies used by the System in connection with building and operating a Service Center. To the extent that Franchisor elects to do so, these specifications will be listed in the Manual or otherwise in writing.

7.3.2 Contemporaneous with the execution of this Agreement, Franchisee shall execute the product supply agreement attached hereto as Attachment C (the “**Product Supply Agreement**”). Franchisee shall, at all times during the Term of this Agreement, including all renewal terms, maintain and comply with an effective supply agreement with SOPUS Products, in a form approved by Franchisor, for the purchase of motor oil and lubricants to be used by the Franchised Center. Such Product Supply Agreement may, among other things, designate that a percentage of the Franchised Center’s needs of motor oil and lubricants be purchased from SOPUS Products. Failure to maintain such Product Supply Agreement or Franchisee’s breach of such supply agreement shall constitute a default of this Agreement, for which Franchisor may terminate this Agreement pursuant to Section 13.3.1 hereof. Notwithstanding the above, in no event shall SOPUS Products’ termination of such Product Supply Agreement without cause constitute a default hereunder.

7.3.2.1 Franchisee agrees and acknowledges that the termination or expiration of the Products Program and/or any supply agreement with SOPUS Products for the purchase of motor oil and lubricants to be used by the Franchised Center shall not be deemed to constitute a constructive termination of this Agreement.

7.3.2.2 In the event that SOPUS Products terminates the Product Supply Agreement, the Amendment of Jiffy Lube SOPUS Products/Jiffy Lube Fast Lube Program Agreement Upon SOPUS Products’ Termination of the Product Supply Agreement, attached hereto as Attachment D, shall automatically become effective.

7.3.3 From time to time, Franchisor may compile lists of products that meet Franchisor’s specifications, and may modify existing lists. If Franchisee desires to use a product that is omitted from a list of similar products (excluding only such products as Franchisee has agreed to purchase pursuant to the Product Supply Agreement), Franchisee will notify Franchisor in writing before using such product. At Franchisor’s request, Franchisee will provide a sample of the product and any relevant technical data to Franchisor. Franchisor, at a

commercially reasonable cost and within a commercially reasonable time frame, will test the product at Franchisee's expense to determine whether the product meets Franchisor's minimum standards. If Franchisor determines that the product does not meet its standards, Franchisee will not use such product in the Franchised Center.

7.3.4 FRANCHISOR DOES NOT PROVIDE ANY WARRANTY OR GUARANTEE TO FRANCHISEE CONCERNING PRODUCTS APPROVED BY FRANCHISOR BUT MANUFACTURED OR SOLD BY OTHERS, INCLUDING, WITHOUT LIMITATION, FRANCHISOR'S AFFILIATES.

7.4 Payment of Amounts Due

Franchisee will promptly and without offset or deduction pay any money owed to Franchisor, any affiliate of Franchisor or any advertising cooperative or the National Advertising Fund (both further described in Section 9) when such money is due.

7.5 Maintenance of the Franchised Center

7.5.1 At its own expense, Franchisee will maintain and periodically paint and renovate the interior and exterior of the Franchised Center in such manner as Franchisor may reasonably prescribe from time to time so as to maintain standards of appearance consistent with the quality image of the System.

7.5.2 From time to time while this Agreement is in effect, Franchisor may change the design specifications for signs, emblems, logos, lettering and pictorial materials displayed on or at the Franchised Center. Upon receipt of notice of such changes, Franchisee will promptly alter the signs at the Franchised Center to conform to the revised specifications. Such revision will be at Franchisee's expense if revision occurs no more often than once in 72-month period.

7.5.3 From time to time while this Agreement is in effect, Franchisor may require the Franchised Center to be remodeled at Franchisee's expense once every 10 years, provided that Franchisee will not be required to remodel the Franchised Center if the time when the remodeling would be required is within one year of the expiration of the term of this Agreement, but provided further that such remodeling may be required as a condition of renewal of this Agreement. **If Franchisor requires the Franchised Center to be remodeled, then Franchisee shall commence such remodeling not later than 720 days after receipt of notice thereof from Franchisor, and shall diligently and continuously perform such remodeling thereafter, and complete such remodeling within the time period prescribed by Franchisor considering all attending circumstances, which shall be in no event more than 36 months after receipt of such notice.**

7.6 Fleet Customers

7.6.1 Participation in National or Regional Fleet Customer Agreements

For purposes of this Agreement, a “**Fleet Customer**” is defined herein as a consumer who is a member of a group with a fleet of vehicles with which Franchisor has a credit arrangement or with whom Franchisor has otherwise negotiated a discount from the franchisees’ normal posted prices. From time to time, Franchisor may enter into national or regional Fleet Customer programs pursuant to which Franchisor commits, for the benefit of the System that System franchisees will provide a negotiated discount to such national or regional Fleet Customers on services obtained at a Service Center and will follow certain operational rules for servicing Fleet Customer vehicles at Service Centers. Such discount shall be based off of Franchisee’s normal posted prices for the services requested. Franchisee hereby agrees to participate in such national or regional Fleet Customer programs and comply with the terms of any arrangement negotiated between Franchisor and the national or regional Fleet Customer. Franchisor hereby agrees that it shall promptly provide Franchisee with the details of any arrangement that it may have with a national or regional Fleet Customer to the extent that such details involves or otherwise affects Franchisee.

7.6.2 Fleet Credits and Debits

- 7.6.2.1** As used in this Agreement, the term “**Fleet Credits**” refers to amounts to which Franchisee may be entitled from Franchisor as a consequence of Franchisee’s having provided goods or services to a Fleet Customer, subject to processing charges imposed by Franchisor and specified by Franchisor from time to time. Franchisor will specify each Fleet Customer’s documentary requirements to Franchisee electronically or in writing from time to time during the term of this Agreement. A “**Fleet Debit**” is a reversal of a Fleet Credit previously granted in cases in which, for example, a Fleet Credit was mistakenly granted, or a Fleet Customer declines to pay an invoice for a reason Franchisor determines to be reasonable.
- 7.6.2.2** Franchisor may apply Fleet Credits owed to Franchisee, without notice, to reduce current and past due amounts owed by Franchisee to Franchisor and/or its subsidiaries.
- 7.6.2.3** If Franchisee maintains a credit balance on its account for two consecutive months, and if that credit balance is greater than \$250, then within 10 days of Franchisor’s receipt of a written request for payment from Franchisee, Franchisor will pay the amount of the credit balance to Franchisee by check or electronic transfer of funds.

7.7 Retail Pricing

Franchisee may determine the retail prices for products and services offered at the Franchised Center in its sole discretion. Franchisor or other System franchisees may advertise or recommend specified retail price; however, such recommendations are suggestions only, and do not bind Franchisee to adopt any particular prices or pricing strategy.

7.8 Hours of Operation and Staffing

The Franchised Center will be open for business during normal business hours and for the minimum hours and days specified in the Manual. Franchisee shall at all times employ and have at the Franchised Center a staff of trained, competent and qualified personnel as necessary or desired to conduct the operations of the Franchised Center as described in the Manual and training materials. Franchisee shall have sole authority and discretion regarding all employment matters relating to the Franchised Center, including, without limitation, hiring, firing, discipline, compensation, benefits, and scheduling.

7.9 Use of Franchisor's Point of Sale Computer System and other Communications Systems

Franchisee agrees to utilize the point of sale computer system designated by Franchisor in the operation of the Franchised Center. Franchisee understands and agrees that such point of sale computer system may be developed by and proprietary to Franchisor. Franchisee further agrees to install and utilize such commercially reasonable computer and other equipment necessary to participate in any electronic communication facility that Franchisor may designate from time to time.

7.10 Acceptance of Payment Cards

Franchisee is free to accept any consumer or commercial payment card that it wishes; provided, however, Franchisee must, at its own expense, lease or purchase equipment and/or software necessary, and must have arrangements in place with a financial institution or institutions, to enable Franchisee's Jiffy Lube service center to accept Visa, MasterCard, American Express, and such other credit cards (including, but not limited to, the Shell Master Card, etc.) as Franchisor may designate from time to time, for payment from its customers. At all times, Franchisee must maintain credit-card relationships with the credit- and debit-card issuers or sponsors, check or credit verification services, financial-center services, and electronic-funds-transfer systems that Franchisor designates as mandatory, and Franchisee must not use any such services or providers that Franchisor has not approved in writing or for which Franchisor has revoked its approval. Franchisor has the right to modify its requirements and designate additional approved or required methods of payment and vendors for processing such payments, and to revoke its approval of any service provider. Franchisee must comply with all credit-card policies, as prescribed in the Policies and Procedures Manual. Franchisee must comply with, and is solely responsible for ensuring that the Jiffy Lube service center complies with, the Payment Card Industry Data Security Standards ("PCI DSS") as they may be revised and modified by the Payment

Card Industry Security Standards Council (see www.pcisecuritystandards.org), or such successor or replacement organization and/or in accordance with other standards as Franchisor may specify, and the Fair and Accurate Credit Transactions Act (“FACTA”). Franchisee shall also upgrade periodically its POS and POS Software to ensure Franchisees’ compliance with all such laws, regulations, and guidelines. This may include completing periodically an audit questionnaire, penetration testing upon request by JLI or its designee, maintaining a secure environment including “locking down” on-premises POS equipment if required, and protecting passwords.

7.11 Prohibited Activities

In order to preserve consistency and uniformity within the System and goodwill associated with Service Centers and the Trademarks, Franchisee shall offer for sale at the Franchised Center only such services authorized by Franchisor in the Manual or otherwise in writing. All authorized services shall be offered, sold, installed and delivered in accordance with Franchisor’s standards and specifications as described by Franchisor in the Manual or otherwise in writing.

7.12 Inspections by Franchisor

7.12.1 Franchisor may make announced or unannounced inspections of the Franchised Center to ensure compliance with all requirements of this Agreement, including the Manual and System Manuals. At the conclusion of this inspection, Franchisor may prepare a written report. If such a report is prepared, Franchisor may give Franchisee’s Franchised Center manager a copy and will send or deliver a copy to Franchisee’s principal place of business. Franchisee may, but is not required to, acknowledge or contest Franchisor’s conclusions and observations. Neither an acknowledgment by a manager who is not an officer of Franchisee nor Franchisee’s failure to contest the report will constitute a waiver of Franchisee’s ability to timely contest any part of the report at some later time.

7.12.2 As set forth in Section 6.3 and at reasonable times during normal business hours, Franchisor or its representatives will be allowed to inspect books and records pertaining to the Franchised Center or any part of Franchisee’s Jiffy Lube business, including books and financial accounts maintained at Franchisee’s principal place of business or elsewhere which may be necessary in order to confirm Franchisee’s compliance with any provision of this Agreement (including advertising records in the possession of Franchisee’s advertising agency which may be necessary to confirm Franchisee’s compliance with the requirements of Section 9 of this Agreement). Franchisor may require that an officer of Franchisee accompany Franchisor and the manager of the Franchised Center during an announced inspection of the Franchised Center. Likewise, Franchisor may require that a person familiar with Franchisee’s accounting practices or a representative of Franchisee’s advertising agency be present at any announced visit to Franchisee’s principal place of business.

7.13 Signs

Franchisee agrees to purchase or lease and to display at the Franchised Center signs, emblems, logos, lettering and pictorial materials, both attached to the Franchised Center building and free-standing, that conform to Franchisor's then current specifications, with only those modifications to which Franchisor agrees in order to meet requirements of local sign ordinances. Except for signage pertaining to product advertisements and provided that such product signage does not detract from the signage bearing one or more of the Trademarks, Franchisee may not display signs, emblems, logos, lettering or pictorial materials not approved by Franchisor, in writing, both as to specification and placement.

7.14 Terrorist and Money Laundering Activities

Franchisee represents and warrants to Franchisor that neither Franchisee nor its principals, nor any of the respective affiliates is identified, either by name or an alias, pseudonym or nickname, on the lists of "Specially Designated Nationals" or "Blocked Persons" maintained by the U.S. Treasury Department's Office of Foreign Assets Control (texts currently available at www.treas.gov/offices/enforcement/ofac). Further, Franchisee represents and warrants that neither it nor any principal, executive officer or affiliate referred to above has violated and agrees not to violate any law prohibiting corrupt business practices, money laundering or the aid or support of persons who conspire to commit acts of terror against any person or government, including acts prohibited by the U.S. Patriot Act (text currently available at www.epic.org/privacy/terrorism/hr3162.html), U.S. Executive Order 13224 (text currently available at <https://www.state.gov/j/ct/rls/other/des/122570.htm>), or any similar law. The foregoing constitute continuing representations and warranties, and Franchisee shall immediately notify Franchisor in writing of the occurrence of any event or the development of any circumstance that might render any of the foregoing representations and warranties false, inaccurate or misleading.

8. POINT OF SALE COMPUTER SYSTEM

8.1 Initial POS Hardware

Prior to the date on which the Franchised Center opens for business, Franchisee shall acquire, whether through purchase or lease, computer hardware sufficient to run the designated POS System in the Service Center. If leased, the lease term should be for three years and renewed every three years. This minimum initial equipment will include but may not be limited to up to: a primary central processing unit (CPU) for the Center with characteristics sufficient to run the then-current version of the POS Software, one or more personal computers to operate as bay or greeter stations (three is typical), computer monitors, a communications router, an invoice printer, a reports printer, a payment card reader, a cash drawer, Uninterrupted Power Supply (UPS), and a network hub or switch. Additional equipment is optional at Franchisee's discretion, including but not limited to: static sticker printers, coupon bar code readers, VIN scanners, iPad tablets, bay stations. All equipment shall be brands, models and specifications approved by JLI after consulting with

the Technology Services Advisory Board (“TSAB”) in accordance with the TSAB governing documents and agreements.

- 8.2** The POS Addendum which is being signed contemporaneously herewith, specifically incorporated by reference herein, and attached hereto as Attachment B contain the remaining provisions of this Section 8.

9. ADVERTISING

9.1 Minimum Expenditure on Advertising

9.1.1 If a National Advertising Fund (“NAF”) (as further described in Section 9.5) is formed, Franchisee will make monthly contributions to the Fund as prescribed in Section 9.5.1.

9.1.2 If a local or regional advertising Cooperative association (a “**Cooperative**”) is formed for any locality, region or trading area in which the Franchised Center is located, Franchisee will make monthly contributions to the Cooperative equal to the local advertising expenditure requirements set forth in Section 9.1.3 hereof, provided that if Franchisor has consented in writing to the Cooperative’s assessment of monthly contributions at a lower rate, then Franchisee will contribute to the Cooperative at the rate to which Franchisor has consented or determined, and will spend the balance of the local advertising expenditure requirements set forth in Section 9.1.3 hereof on local advertising in accordance with Section 9.1.3. Franchisee’s required contribution to the Cooperative shall, in any event, be reduced by an amount equal to Franchisee’s required contribution to the NAF. If no Cooperative is formed for any locality, region or trading area in which the Franchised Center is located, or if Franchisee is excused from the requirement to become a member of such Cooperative pursuant to Section 9.2.2 of this Agreement, then Franchisee will spend the amount specified in Section 9.1.3 of this Amendment on local advertising. Franchisee will be deemed to have satisfied this requirement if Franchisee’s aggregate calendar year expenditures on local advertising equal or exceed the local advertising spend requirement set forth in Section 9.1.3.

9.1.3 Franchisee will spend on local advertising compliant with Section 9.3 hereof an amount equal to four percent (4%) of the Gross Sales from the Franchised Center for all Gross Sales received during any calendar month for which Franchisee is not required to contribute to the NAF (because, for example, the NAF has not been established or the NAF has been discontinued). During all calendar months for which Franchisee is required to contribute to the NAF, Franchisee will spend on local advertising compliant with Section 9.3 hereof an amount equal to two and one-half percent (2.5%) of the Gross Sales of the Franchised Center. Franchisee will be deemed to have satisfied this requirement if Franchisee’s aggregate calendar-year expenditures on local advertising for all Jiffy Lube service centers located in the United States and owned by Franchisee and its affiliates (which shall include individuals and entities controlled by, controlling

or under common control with Franchisee) equal or exceed the applicable monthly amounts described above in this Section 9.1.3. and the local advertising expenditure requirements in all other applicable franchise agreements to which Franchisee and its affiliates are parties. Franchisee will be deemed not to have satisfied this requirement if Franchisee's aggregate calendar-year expenditures on local advertising for all Jiffy Lube service centers located in the United States and owned by Franchisee and its affiliates do not equal or exceed the applicable monthly amounts described above in this Section 9.1.3. and the local advertising expenditure requirements in all other applicable franchise agreements to which Franchisee and its affiliates are parties. Franchisee's required local advertising expenditure shall be reduced by an amount equal to Franchisee's contribution to the Cooperative. Notwithstanding the above, if Franchisee's aggregate calendar-year expenditures for local advertising do not equal or exceed the amount described above in this Section 9.1.3, during such calendar year, in addition to any other rights and remedies available to Franchisor, Franchisor may, at its option, require that: (a) Franchisee expend such deficiency amount on local advertising required hereunder during the then current calendar year or (b) Franchisee pay the amount of the deficiency to the NAF.

- 9.1.4** Franchisee shall deliver to Franchisor such proof of Franchisee's compliance with the advertising expenditure requirements of this Section 9.1 at such times and in such manner (including, without limitation, electronically) as Franchisor may prescribe from time to time in the Manual or otherwise in writing.

9.2 Formation of a Cooperative

- 9.2.1** A Cooperative will be formed in a geographic area determined by Franchisor to be appropriate either (a) at the request of one-half or more of the then-existing franchisees located in that area, or (b) at such other time as Franchisor deems appropriate. If a Cooperative exists in the area in which the Franchised Center is located, then Franchisee will become a member of such Cooperative as soon as is practical.
- 9.2.2** Franchisee may request that Franchisor excuse it from the requirement of membership in a Cooperative. Franchisor's decision with regard to any requested excuse from membership in a Cooperative will be final. Pending resolution of a request to be excused from required membership in a Cooperative, Franchisee will continue to make the required contributions to the Cooperative.
- 9.2.3** Any Cooperative will be formed and operated in a form and manner of which Franchisor approves. Any advertising and promotional plans and materials the Cooperative wishes to use must receive Franchisor's prior written approval. The Cooperative will be responsible to its members to expend the funds entrusted to it in an equitable manner; however, benefits may not be directly proportional to contributions. Any contribution or payment required to be made to a Cooperative must be made on or before the 15th day of each month based on the Gross Sales of the Franchised Center for the preceding month. The Cooperative will use the

funds contributed to it by its members to provide advertising in the area the Cooperative was formed to serve, and to develop standardized promotional material for advertising programs in that area for the benefit of member franchisees. Franchisor's right to approve a Cooperative's operation includes a right to monitor and/or audit advertising expenditures by the Cooperative.

9.3 Approval of Advertising by Franchisor

All of Franchisee's advertising in any medium will conform to the standards and requirements of the Manual. Franchisee will submit to Franchisor and obtain Franchisor's prior written approval of all advertising and promotional plans and materials that Franchisee wishes to use. **Any use of any advertising or promotional materials that have not been approved by Franchisor in writing shall be deemed to be a breach of this Agreement.** Franchisee need not submit for approval any materials supplied by Franchisor or to which Franchisor has given approval within the prior 12 months. If Franchisor's written disapproval of advertising materials submitted by Franchisee is not received by Franchisee within 15 days from the date Franchisor receives such materials, Franchisor will be deemed to have given the required approval.

9.4 Advertising Materials Provided by Franchisor

During the term of this Agreement, Franchisor will provide print, radio and/or television marketing materials at no charge to Franchisee. Such marketing materials will include (a) materials which refer to "Jiffy Lube" and to products sold by SOPUS Products and/or "Shell" or other suppliers ("**Supplier Materials**") and (b) materials which refer to "Jiffy Lube" and do not refer to any specific supplier to Service Centers ("**Generic Materials**").

9.5 NAF

9.5.1 Franchisee shall pay one and one-half percent (1.5%) of the Gross Sales of the Franchised Center ("**Franchisee Ad Fund Commitment**") to JLI for contribution to a separate and segregated national advertising fund, the NAF, which Franchisor administers for the purpose of enhancing the goodwill and public image of the brand and System through advertising and sponsorships. Franchisee agrees to make contributions to the NAF at the rate Franchisor establishes, provided that Franchisor may not establish a NAF contribution rate in excess of the Franchisee Ad Fund Commitment.

9.5.2 Franchisor shall administer the NAF, provided, however, that all uses of NAF monies shall be approved by an appointed and/or elected board ("**National Advertising Board**" or "**NAB**") in accordance with the procedures set forth in the NAF by-laws. The NAB shall at all times function in accordance with written by-laws approved by Franchisor and the NAB. The by-laws shall address, among other things, the appointment and/or election of members, eligibility for membership, and the manner and extent to which Franchisor shall seek and obtain the approval of the NAB. Franchisor shall comply with the by-laws, as they may be amended from time to time by the NAB, with Franchisor's approval. The

purpose of the NAB is to effectively and efficiently implement national advertising and communication strategies in accordance and alignment with Franchisor's marketing strategy to benefit the Jiffy Lube lubrication and oil change businesses (owned and operated by franchisees) and the Jiffy Lube brand and marks, by facilitating candid and open communication between franchisees and Franchisor regarding the NAF and the activities related to the NAF. However, such purpose may be modified in accordance with a change to the by-laws.

- 9.5.3** To the extent feasible, Franchisor shall strive to spend NAF contributions in a manner that provides advertising benefits to all participating Service Centers. However, Franchisor does not guarantee that all Service Centers shall receive equal advertising benefits in view of regional differences in media costs, varying degrees of market penetration in different Service Centers and other relevant factors. To the extent any NAF monies are not expended during a calendar year, such monies shall roll over to the succeeding calendar year(s).
- 9.5.4** Although the NAF is intended to be of perpetual duration, Franchisor may terminate the NAF at any time. Upon termination, all funds in the NAF at the time of termination will be spent on a final national media buy. In the event of Franchisor's termination of the NAF, Franchisor will be entitled to spend monies in the NAF consistent with the by-laws. Notwithstanding the above, a vote for dissolution of the NAF by participating franchisees at the end of the first four years of existence of the NAF may be held upon a majority vote of the NAB. Anytime thereafter, a vote for dissolution of the NAF may be called by a majority vote of the NAB. Dissolution of the NAF will occur upon the vote in favor of dissolution by not less than ninety five percent (95%) of all franchisee entities participating in the NAF and entitled to vote.
- 9.5.5** Franchisor reserves the right to structure and organize the NAF in ways that, in Franchisor's judgment, most effectively and efficiently accomplish the NAF's objectives. Franchisor may therefore, at its sole option, organize or reorganize the NAF as a separate non-profit corporation or other appropriate entity and transfer the NAF's assets to the entity. Franchisee voting rights through the NAB and usage of NAF funds will not be impacted by any structure or organization modification.
- 9.5.6** NAF monies may be used (i) to pay for the placement of advertising in media of all types, including, without limitation, radio, television, cable, digital, Internet, and print advertising, expected to have national or system-wide coverage or effect, (ii) to pay for sponsorships of events, teams, and organizations expected to have national or system-wide coverage or effect and the advertising and promotion thereof, and (iii) for advertising agencies, consultants, third-party service providers that are directly related to projects of a character described in clauses (i)-(ii).

- 9.5.7** Franchisor shall produce, at Franchisor's expense all advertising placed by or through the NAF. Franchisor shall have the sole right to determine the content of such advertising, in compliance with the by-laws.
- 9.5.8** Advertising and sponsorship efforts funded by the NAF will be focused on the Jiffy Lube® brand and Jiffy Lube services. SOPUS Products' products (including Pennzoil® motor oils) may also be included in such advertising and sponsorship efforts. At no time will NAF monies be utilized solely to support or promote the Pennzoil® brand or Pennzoil® products.

10. TRANSFERABILITY OF INTERESTS

10.1 Transfer by Franchisor

Franchisor may transfer or assign all or any part of its rights or obligations under this Agreement to any person or entity.

10.2 Transfer by Franchisee

10.2.1 Franchisee acknowledges that its rights and duties under this Agreement are personal to Franchisee, and that Franchisor has granted this franchise in reliance on Franchisee's business skill, financial capacity and other factors. Franchisee may not assign any of its rights or delegate any of its duties under this Agreement, or pledge this Agreement to secure a loan or other obligation, without the prior written consent of Franchisor. Franchisee may not sell or otherwise dispose of any interest in the Franchised Center without Franchisor's prior written consent. Franchisor has no obligation to consent to the assignment of Franchisee's rights or delegation of its duties under this Agreement. Franchisor has no obligation to consent to the sale or other disposal of the Franchised Center to a corporation the stock of which is traded on any public stock exchange including the National Association of Securities Dealers Automated Quotation system ("NASDAQ").

10.2.2 If Franchisee is a corporation, limited liability company, partnership or other business entity ("**Business Entity**"), no owner of an equity interest in Franchisee may sell or otherwise dispose of its interest in Franchisee, or pledge its interest in Franchisee to secure a loan or other obligation, without Franchisor's prior written consent, except that an owner of an equity interest in Franchisee may sell its, his or her interest to another equity interest holder in Franchisee without Franchisor's consent if such sale or disposition, alone or together with other sales, does not result in a change of control of Franchisee. If Franchisee is a Business Entity, Franchisee may not cause new equity interests to be issued to any person, except to another equity interest holder in Franchisee, without Franchisor's prior written consent. Franchisor is under no obligation to consent to the issuance of new equity in Franchisee to a Business Entity whose equity securities are traded on any public stock exchange, including NASDAQ.

10.2.3 Neither Franchisee nor any owner of an equity interest of Franchisee may register Franchisee's securities for sale pursuant to the Securities Act of 1933 or any

state's securities laws. Neither Franchisee nor any owner of Franchisee's securities may cause the equity securities of Franchisee to be traded on any public stock exchange, including NASDAQ.

10.2.4 Franchisor may, in its sole discretion, require any or all of the following as conditions to its approval of a proposed assignment of this Agreement, the sale of the Franchised Center or a change in control of Franchisee:

10.2.4.1 The transferor may be required to satisfy all accrued monetary obligations of the transferor to Franchisor and its subsidiaries and affiliates;

10.2.4.2 The transferor may be required to execute, with Franchisor, a mutual release, in a form satisfactory to Franchisor, of any and all claims against each other and their respective subsidiaries or affiliates (as appropriate), officers, directors, equity holders, agents and employees, except:

10.2.4.2.1 claims of which either Franchisor or Franchisee has given written notice to the other party before the date of the transfer *provided* that any such claim shall be lost and forever waived in the event such claim is not resolved or suit instituted within the earlier of (1) two years from the date of the transfer, or (2) the expiration of the otherwise applicable statutory or contractual limitations period;

10.2.4.2.2 claims by Franchisor for royalties, reminder mail charges, fleet account debits, computer hardware support charges, rents, additional rents and other similar periodic, liquidated or readily calculable indebtedness arising under this or any other agreement;

10.2.4.2.3 claims by Franchisee for fleet account credits and other periodic, liquidated or readily calculable indebtedness arising under this or any other agreement; and

10.2.4.2.4 claims by Franchisor to enforce any obligations arising under Section 14 or Section 15.1.3;

10.2.4.3 If the transfer is an assignment of Franchisee's rights and a delegation of Franchisee's duties under this Agreement, the transferee and its equity holders may be required to

10.2.4.3.1 execute Franchisor's then current form of franchise agreement applicable to the Products Program, for a term ending on the expiration date of this Agreement; provided, the new franchise agreement will not change adversely to the transferee:

Section 1 (grant of franchise);

Section 2.2 (renewal rights, if any);

Section 4.2 (royalty rates); and

Sections 10.2, 10.3, 10.4, 10.6 and 10.7 (transferability of the franchise); and

10.2.4.3.2 execute such other ancillary agreements (including a lease or sublease, option agreement or contingent assignment and assumption agreement) as Franchisor may require for a Service Center then being newly franchised; and

10.2.4.3.3 complete to Franchisor's satisfaction, as and when Franchisor shall reasonably require, all of the maintenance, refurbishing, renovating and remodeling of the Franchised Center, its equipment and furnishings, including that which is necessary to conform to and comply with Franchisor's then current specifications.

10.2.4.4 If the transfer is of a controlling interest in Franchisee, Franchisee and its new equity holders may be required to:

10.2.4.4.1 execute Franchisor's then-current form of franchise agreement, applicable to the Products Program for a term ending on the expiration date of this Agreement, provided the new franchise agreement will not change adversely to franchisee:

Section 1 (grant of franchise)

Section 2.2 (renewal rights, if any);

Section 4.2 (royalty rates); and

Sections 10.2, 10.3, 10.4, 10.6 and 10.7 (transferability of the franchise); and

10.2.4.4.2 such other ancillary agreements (including a lease or sublease, option agreement or contingent assignment and assumption agreement) as Franchisor may require for a Service Center then being newly franchised; and

10.2.4.4.3 complete to Franchisor's satisfaction, as and when Franchisor shall reasonably require, all of the maintenance, refurbishing, renovating and remodeling of the Franchised Center, its equipment and furnishings, including that which is necessary to

conform to and comply with Franchisor's then current specifications;

10.2.4.5 The transferee shall be required to submit to Franchisor a financial statement and other documentation reasonably required by Franchisor, sufficient to demonstrate to Franchisor's satisfaction that the transferee meets Franchisor's managerial and business standards; possesses a good moral character, business reputation, and credit rating; has the aptitude and ability to operate the Franchised Center (as may be evidenced by prior related business experience or otherwise); and has adequate financial resources and capital to operate the Franchised Center;

10.2.4.6 The transferee may be required to make payments accrued before the transfer but not yet due at the time of the transfer, except those obligations which are specifically the responsibility of the transferor;

10.2.4.7 An individual transferee or officers of a corporate transferee who will be involved in the operation of the Franchised Center may be required to complete any training programs then in effect for franchisees;

10.2.4.8 If the transfer is an assignment of Franchisee's rights and a delegation of Franchisee's duties under this Agreement, or if the transfer is of a controlling interest in Franchisee including where the transfer is to an existing equity holder, the transferee shall be required to pay Franchisor a transfer fee in an amount equal to \$3,500, plus all actual expenses incurred by Franchisor in connection with the transfer;

10.2.5 If Franchisor requires the transferee to sign a new franchise agreement which differs from this Agreement, then Franchisor shall promptly deliver to both the transferor and the transferee a copy of Franchisor's legally required Franchise Disclosure Document ("FDD") and shall satisfy any other then applicable statutory obligations relating to the offer and sale of franchises; and

10.2.6 If Franchisor allowed Franchisee to install and use a point of sale computer system other than the system prescribed by Franchisor, then prior to transfer, Franchisee must install and begin using the POS system and the POS Software then prescribed by Franchisor for use in all Service Centers.

10.2.7 Franchisor may condition its consent to a pledge of this Agreement to secure a loan or other obligation as follows:

10.2.7.1 Franchisee shall provide Franchisor with complete copies of any instruments evidencing such loan or obligation and any agreement granting or describing the security for such debt (the "Debt Agreements"). Franchisor may require, among other things: (i) that a default under the Debt Agreements constitute a default under this Agreement and all other agreements between Franchisor and Franchisee; (ii) that the creditor give Franchisor notice of any default by the borrower under the terms of any of the Debt Agreements; (iii) that such

notice be contemporaneous with any notice to the borrower; (iv) that if the borrower does not cure the noticed default within the time provided for such cure (if any), then within a period of 30 days after the expiration of any cure period available to Franchisee, Franchisor may cure the borrower's default by paying to the lending institution all money due to it under the Debt Agreements, excluding any prepayment penalties; (v) that upon such cure by Franchisor, the lending institution will assign to Franchisor all of its rights under this Agreement, the lease of the premises at which the Franchised Center is located, and any other rights pertaining to Franchisee's Jiffy Lube business as the lending institution may hold; (vi) that if Franchisor fails to cure this Agreement in the manner described above, the lending institution to which this Agreement is pledged or assigned as collateral will be bound to all of the terms of this Agreement and may not transfer this Agreement to any other person or entity without Franchisor's prior written consent; and (vii) that a default under this Agreement or any other agreement between Franchisor and/or its subsidiaries and Franchisee constitute a default under the Debt Agreements.

10.3 Transfer to Franchisee's Corporation or Partnership

If Franchisee is an individual or group of individuals, and if a proposed transfer is to a Business Entity formed by Franchisee without distributing stock, units, partnership interests or any other ownership interest to any person other than Franchisee, Franchisor's consent to the proposed transfer may be conditioned on the following requirements in addition to those specified in Section 10. 2.4 of this Agreement:

- 10.3.1** Each certificate representing an ownership interest in the Business Entity transferee will be conspicuously marked with a statement to the effect that an ownership interest in the transferee is held subject to the terms of this Agreement, and that further transfer of such ownership interest is subject to the terms of this Agreement;
- 10.3.2** All owners of equity interests in the Business Entity of the transferee may be required (a) jointly and severally to guarantee the Business Entity transferee's performance of its obligations under this Agreement and (b) to agree to the terms of this Agreement that apply to equity holders, members or partners of Business Entity franchisees; and
- 10.3.3** The Business Entity transferee may be required to give Franchisor copies of its articles of incorporation, certificate of partnership, by-laws, and all other governing documents, together with copies of relevant resolutions, including the resolution authorizing the transferee to accept the rights and assume the duties of Franchisee under this Agreement.

10.4 Transfer and Issuance of Securities

10.4.1 Franchisee will not authorize a transfer of any of its stock or other securities, or enter such a transfer on its records, unless the transfer complies with the provisions of this Section 10.44. All certificates representing Franchisee's stock or other securities will be conspicuously marked with a statement similar to the following:

The transfer of this security is subject to the terms and conditions of a Franchise Agreement between Jiffy Lube International, Inc., and [the Franchisee's name] dated _____. Reference is made to said Franchise Agreement and to the Articles of Incorporation and By-laws of this [entity].

10.4.2 Neither Franchisee nor any owner of an equity interest in Franchisee will make any public offerings of the securities of Franchisee, whether or not such an offering would effect a change in control of Franchisee. For purposes of this Agreement, a "public offering" is an offer of securities of Franchisee either requiring registration under the Securities Act of 1933 or a similar statute or directed, in the aggregate, to more than 10 offerees.

10.5 Franchisor's Right of First Refusal

10.5.1 If Franchisee wishes to accept a bona fide offer from a person other than Franchisor (an "Offeror") to purchase or otherwise acquire (by merger, reorganization, exchange or the like) an interest in Franchisee, the Franchised Center or an interest in the Franchised Center, Franchisee will notify Franchisor in writing of the precise terms of such offer and provide Franchisor with copies of all documents containing such terms and Franchisor will have 20 days after receipt of such written notice and such copies to send written notice to Franchisee that Franchisor or a party designated by Franchisor will purchase or otherwise acquire an interest in Franchisee, the Franchised Center (or an interest in the Franchised Center) as the case may be on the same terms and conditions offered by the third party or their cash equivalent, subject to Franchisor's inspection of the Franchised Center and determination that it is reasonably free from contamination by hazardous wastes or substances.

10.5.2 If any owner of an equity interest in Franchisee desires to accept a bona fide offer from an Offeror to purchase that equity holder's interest in Franchisee, that equity owner will notify Franchisor in writing of the precise terms of such offer and Franchisor will have 20 days after receipt of such written notice, to send written notice to that equity owner that Franchisor or a party designated by Franchisor intends to purchase that equity owner's interest on the same terms and conditions offered by the third party or their cash equivalent, subject to Franchisor's inspection of the Franchised Center and determination that it is reasonably free from contamination by hazardous wastes or substances.

- 10.5.3** If Franchisor exercises its rights under Sections 10.5.1 or 10.5.2 of this Agreement, but if the parties cannot agree on the cash equivalent of the Offeror's offer, then Franchisor will designate an independent appraiser at Franchisor's expense, and the appraiser's determination will be binding on both parties.
- 10.5.4** If Franchisor exercises its rights under Sections 10.5.1 or 10.5.2 of this Agreement, then closing on such purchase must occur within the earlier of 60 days from (i) the date of Franchisor's written notice to the seller of Franchisor's exercise of such rights or (ii) the date the parties received the report of the appraiser as per Section 10.5.3.
- 10.5.5** If Franchisor does not exercise its rights under Sections 10.5.1 or 10.5.2 of this Agreement, then, subject to Franchisor's rights to approve the proposed transfer, the seller may transfer the Franchised Center or interest in the Franchised Center or Franchisee (as the case may be) to the Offeror on the exact terms contained in the Offeror's offer. Any material change in the terms of the Offeror's offer before closing will constitute a new offer subject to the same rights of first refusal by Franchisor as in the case of an initial offer. Franchisor's failure to exercise its rights under Sections 10.5.1 or 10.5.2 of this Agreement will not constitute a waiver of any other provision of this Agreement, including all of the requirements of this Section 10 with respect to Franchisor's right to approve, and to impose conditions on, a proposed transfer.

10.6 Transfer to a Member of the Immediate Family

If a proposed transferee of the Franchised Center or an interest in Franchisee is a member of the immediate family (parent, spouse, son, daughter or sibling) of the proposed transferor, Franchisor will not have any right of first refusal as provided in Section 10.5 of this Agreement; however, Franchisor retains all of the rights described in this Section 10 with respect to Franchisor's right to approve, and to impose conditions on, a proposed transfer.

10.7 Transfer Upon Death or Permanent Incapacity

Upon (a) the death or permanent incapacity of an individual Franchisee or an equity interest holder in a Franchisee who, at the time of his or her death or incapacity, has the right to control Franchisee, or upon (b) the dissolution of a Business Entity Franchisee, then the executor, administrator, personal representative or trustee of such person or entity will transfer such person's interest to a third party approved by Franchisor within a reasonable time. Such transfers, including, without limitation, transfers by devise or inheritance, will be subject to the same conditions as apply to any other transfer except that in the event of an approved transfer to a member of the immediate family (parent, spouse, son, daughter or sibling) of an individual Franchisee or an equity owner of a Business Entity Franchisee, then Franchisor may not require a fee in connection with the transfer. For purposes of this Section, a person shall be considered to be permanently incapacitated when his or her personal physician certifies a disability as permanent or when a person is unable to perform his or her normal duties on a full-time basis for 90 consecutive days or 90 out of any 120

days.

10.8 Non-Waiver of Claims

Franchisor's consent to any transfer in the manner prescribed by this Section 10 will not constitute a waiver of any claims Franchisor may have against the transferor. Franchisor's consent to any transfer in the manner prescribed by this Section 10 will not be deemed a waiver of Franchisor's right to demand exact compliance with the terms of this Agreement by the transferee.

11. INSURANCE

11.1 Before opening for business and throughout the term of this Agreement, Franchisee will secure, maintain and pay for insurance as follows:

11.1.1 Property insurance, insuring the Franchised Center, including its building, equipment, supplies and inventory, against loss or damage by fire, windstorm and other risks usually insured against by owners of similar property in the area in which the Franchised Center is located (such as flood insurance if the Franchised Center is located in a flood plain and earthquake insurance if the Franchised Center is located in an area known to be susceptible to earthquakes). Such coverage may not be less than eighty percent (80%) of the replacement cost of the insured assets. Unless otherwise prohibited by any third party under a lease arrangement, any damage to the Franchised Center will be repaired, and the Franchised Center will be restored or rebuilt within 120 days from the date of loss or damage.

11.1.2 Employer's liability insurance with a minimum limit of \$1,000,000 and workers' compensation insurance as prescribed by the law of the state or jurisdiction in which the Franchised Center is located. (This insurance will be secured and maintained as soon as Franchisee has employees, including any time during any training class held before the Franchised Center opens for business.)

11.1.3 Commercial General Liability Insurance in an amount not less than \$3,000,000 for combined single limit bodily injury and personal damage, subject to a \$3,000,000 annual aggregate insuring Franchisee and Franchisor against any liability that may accrue against them or any of them on account of (a) any occurrence in or about the Franchised Center during the term of this Agreement or (b) in consequence of Franchisee's operation of the Franchised Center, when such occurrence results in actual or alleged personal injury, death or property damage.

11.1.4 Garagekeepers' liability insurance in an amount not less than \$60,000 per occurrence in conjunction with the care, custody and control of vehicles at the Franchised Center.

- 11.1.5** Business interruption insurance, which includes rent obligations covering a period of not less than 6 months.
- 11.2** Franchisor reserves the right and Franchisee hereby agrees to increase the minimum insurance coverage thresholds set forth in Sections 11.1.1, 11.1.2, 11.1.3 and 11.1.4 upon not less than 120 days prior written notice and provided that, to the extent that it is contractually able, Franchisor requires such minimum insurance coverage thresholds increases of each System franchisee on a consistent basis and the minimum insurance coverage required is reasonable when compared with businesses and operations similar to that described herein.
- 11.3** All insurance policies required by this Agreement will be issued by a company with a Best's Key Rating Guide[®] rating of "A" or better.
- 11.4** Whenever requested, but not more than once each calendar year, Franchisee shall promptly furnish evidence satisfactory to Franchisor that such insurances are in effect. To the maximum extent permitted by applicable law, all insurance policies maintained by Franchisee in accordance with this Section and any other insurance maintained applicable to Franchisee's performance hereunder shall provide a waiver of subrogation in favor of Franchisor and any joint operation parties, and name Franchisor (and its shareholders and subsidiaries) and any parties in joint operation with Franchisor as additional named insureds with respect to all applicable insurance coverage with terms equivalent to ISO CG 20 26 11 85.
- 11.5** Any such insurance shall be regarded as primary insurance underlying any other insurance available to Franchisor. These insurance requirements shall not be limited by the liability and indemnity provisions contained in this Agreement. Insurance policies shall give Franchisor at least 30 days written notice of cancellation, non-renewal or material change and any deductible or retention of insurable risks shall be for Franchisee's account. If it is judicially determined that any of the insurance obligations under this Agreement are unenforceable in any respect under applicable law, said obligations shall automatically be amended to conform to the maximum limits and other provisions in the applicable law for so long as the law is in effect.
- 11.6** If Franchisee fails to procure or continue any of the insurance described in this Section 11, then Franchisor is authorized, but not obligated, to procure the same and Franchisee will promptly reimburse Franchisor for the cost of such insurance.

12. HOLD HARMLESS

Franchisee must initial

EXCEPT AS PROVIDED IN SECTION 3.2.7 OF THIS AGREEMENT WITH REGARD TO CLAIMS INVOLVING THE TRADEMARKS, FRANCHISEE WILL TIMELY DEFEND, RELEASE, HOLD HARMLESS, AND INDEMNIFY FRANCHISOR, FRANCHISOR’S SUBSIDIARIES, AND THEIR RESPECTIVE OFFICERS, DIRECTORS, SHAREHOLDERS, AGENTS AND EMPLOYEES, FROM AND AGAINST ANY AND ALL LOSSES, EXPENSES, JUDGMENTS, CLAIMS, REASONABLE ATTORNEYS’ FEES, COSTS, AND EXPENSES (AND INTEREST ON SUCH FEES, COSTS, AND EXPENSES), AND DAMAGES ARISING OUT OF OR IN CONNECTION WITH ANY CLAIM ARISING DIRECTLY OR INDIRECTLY FROM, AS A RESULT OF, OR IN CONNECTION WITH FRANCHISEE’S OPERATION OF THE FRANCHISED CENTER, THIS AGREEMENT, AND/OR FRANCHISEE OR FRANCHISEE’S EMPLOYEES’ ACTIONS OR INACTION REGARDLESS OF WHETHER FRANCHISOR CONTRIBUTED TO, OR IS ALLEGED TO HAVE CONTRIBUTED TO THE CLAIM BY ITS OWN ACTIVE OR PASSIVE NEGLIGENCE. FRANCHISEE WILL PROMPTLY NOTIFY FRANCHISOR OF ANY CLAIMS OR ACTIONS FILED BY OR AGAINST FRANCHISEE IN CONNECTION WITH THE OPERATION OF THE FRANCHISED CENTER AND, UPON REQUEST, WILL FURNISH FRANCHISOR WITH COPIES OF DOCUMENTS RELATING TO SUCH CLAIMS OR ACTIONS.

13. DEFAULT AND TERMINATION

13.1 Franchisee’s Bankruptcy and Related Matters

Except to the extent prohibited by applicable law (such as the U.S. Bankruptcy Code), Franchisee will be deemed to be in default under this Agreement, and all rights granted in this Agreement will automatically terminate without notice to Franchisee, if Franchisee (a) becomes insolvent, (b) makes a general assignment for the benefit of creditors, (c) suffers the filing of a voluntary or involuntary bankruptcy petition which is not dismissed within 60 days after filing, (d) is adjudicated a bankrupt, (e) suffers temporary or permanent court-appointed receivership of substantially all of its property, (f) suffers or permits execution levied against Franchisee’s business or property, (g) suffers or permits suit to be filed to foreclose any lien or mortgage against the premises or equipment of the Franchised Center and such suit is not dismissed within 30 days, or (h) suffers or permits the real property at which the Franchised Center is located, or personal property located at the Franchised Center, to be sold after levy thereupon by any sheriff, marshal, or constable, provided, however, that Franchisee will not be deemed to be in default if such execution, levy or sale affects only personal property which can be removed from the Franchised Center without material disruption to the business conducted at the Franchised Center.

13.2 Termination without Opportunity to Cure by Franchisee

Upon the occurrence of any of the defaults described in this Section 13.2, Franchisor may terminate this Agreement and all rights granted under this Agreement without affording Franchisee any opportunity to cure the default, and such termination will be effective immediately upon Franchisee's receipt of notice of the default.

- 13.2.1** Franchisee fails to repair, restore or rebuild any material loss or damage to the Franchised Center within the time provided by Section 11.1.1 of this Agreement.
- 13.2.2** Franchisee discontinues operation of the Franchised Center, or loses the right to possession of the premises at which the Franchised Center is located or otherwise forfeits the right to do business where the Franchised Center is located.
- 13.2.3** Franchisee (or one of Franchisee's officers, directors, security holders, members, unit holders, general partners or affiliates) is convicted of, or pleads guilty or no contest to, a felony or a crime involving moral turpitude, consumer fraud, or any other crime or offense that in Franchisor's sole opinion is reasonably likely to have an adverse effect on the System or the Trademarks, or the goodwill associated with the System or the Trademarks.
- 13.2.4** The construction, maintenance or operation of the Franchised Center results in a threat or danger to public health or safety.
- 13.2.5** Franchisee transfers or attempts to transfer an interest in the Franchised Center without Franchisor's prior written consent, contrary to the provisions of Section 10 of this Agreement.
- 13.2.6** A security holder of Franchisee transfers or attempts to transfer an interest in Franchisee without Franchisor's prior written consent, contrary to the provisions of Section 10 of this Agreement.
- 13.2.7** Franchisee fails to comply with the in-term covenants set forth in Section 15.1 of this Agreement.
- 13.2.8** Franchisee discloses Confidential Information, contrary to the provisions of Section 3.4 of this Agreement, provided that disclosures by former, non-officer employees of Franchisee will not be grounds for termination of this Agreement.
- 13.2.9** Franchisee knowingly makes any material false statements in any reports or financial information submitted to Franchisor or otherwise commits an act of fraud with respect to Franchisee's rights or obligations under this Agreement.

13.3 Franchisee's Opportunity to Cure Certain Defaults

- 13.3.1** Except as provided in Sections 13.1 and 13.2 of this Agreement, (a) Franchisee will have 30 days after its receipt of a written notice of any monetary default from Franchisor within which to cure any default under this Agreement, (b) Franchisee

will have five (5) days after its receipt of a written notice that it is engaging in unauthorized services at a Franchised Center to cease such unauthorized services, (c) except as set forth in Section 13.3.1(a) or (b), Franchisee will have 30 days after its receipt of a written notice of any other default of this Agreement, the Manual, any of the System Manuals or any non-monetary default under any agreement between Franchisee and Franchisor's Affiliate within which to cure the default or (d) if a default is not a monetary default or the offering of unauthorized services at a Franchised Center and is of a nature that it cannot reasonably be completely cured in 30 days, Franchisee must begin and diligently pursue a cure within 30 days after its receipt of a written notice of default from Franchisor, but may have a reasonable time, as determined by Franchisor, within which to cure such default. If any default described in a notice of default given under this Section 13.3.1 is not cured, or if a cure is not begun and diligently pursued, within the time provided by this Section 13.3.1 (or such longer period as applicable law may require), then Franchisor may terminate this Agreement without further notice to Franchisee, effective immediately upon the expiration of the period provided by this Section 13.3.1 (or such longer period as applicable law may require). For purposes of this Agreement, a default consisting of the failure to maintain the supply agreement with SOPUS Products described in Section 7.3.2. (resulting other than from the termination thereof by SOPUS Products or Franchisee without cause pursuant to Section 22(a) of such agreement) may be cured only by executing a new supply agreement with SOPUS Products in compliance with Section 7.3.2., provided however that nothing in this Section 13.3.1. shall be construed to require SOPUS Products to enter into a supply agreement with Franchisee.

13.3.2 Without limitation to the provisions of Section 13.3.1, and in addition to Franchisor's rights under Section 13.2.3, if Franchisee's default is such that Franchisee's conduct reflects negatively upon System or the Trademarks or, in Franchisor's opinion, could have an adverse impact on Franchisor or other System franchisees, then Franchisor may, at its option, require Franchisee to develop and successfully implement a plan, at Franchisee's sole cost and expense to cure the default (a "**Remedial Plan**"). Such Remedial Plan must (i) be approved by Franchisor, (ii) include such remedial action and such schedule for completion thereof as Franchisor may designate, and (iii) include a detailed description of the actions Franchisee will take to help ensure that similar violations will not occur in the future. For purposes of this Section, such Remedial Plan may, at Franchisor's option, include, without limitation, the following:

- a) under-cover video mystery shops for a pre-determined amount of time, paid for by Franchisee; provided that such all mystery shop reports, analyses, videos, audio tapes and other methods of investigation are promptly made available to Franchisor for its review;
- b) additional training conducted by a third party paid for by Franchisee;

- c) additional advertising contributions by Franchisee in an amount to be agreed between Franchisee and Franchisor;
- d) ineligibility for development opportunities for Franchisee and its affiliates for a pre-determined amount of time;
- e) the transfer of an ownership interest in Franchisee or a transfer of this Agreement, to a third party approved by Franchisor; and/or
- f) such other brand building or remedial actions as Franchisor may reasonably require.

13.4 Defaults Under Other Agreements or Arrangements

13.4.1 Franchisee will promptly and without offset or deduction pay any money owed to Franchisor, any Affiliate of Franchisor (including, without limitation, SOPUS Products), the NAF or any Cooperative when such money is due; Franchisee's failure to do so will constitute a default under this Agreement for which a notice of default may be given under Section 13.3.1 of this Agreement.

13.4.2 Entities controlled by or under common control with Franchisee will make all payments to Franchisor and Franchisor's subsidiaries when those payments are due, without offset or deduction. Such entities' failure to do so will constitute a default under this Agreement for which a notice of default may be given under Section 13.3.1 of this Agreement. For purposes of this Agreement, an entity is "controlled by" Franchisee if Franchisee owns a majority of the voting stock or partnership interest of the entity, or if Franchisee has a contractual right to manage the entity. An entity is "under common control" with Franchisee if some combination of the owners of a majority of the voting stock or partnership interest of Franchisee also own a majority of the voting stock or partnership interest of the entity.

13.4.3 If Franchisee is controlled by or under common control with one or more other franchisees of Franchisor, then at Franchisor's option Franchisee shall cause each other such franchisee to execute the Agreement in the space provided in Section 19 of this Agreement to signify its agreement that Franchisee's failure to make all payments to Franchisor and Franchisor's subsidiaries when those payments are due, without offset or deduction, or a material default under this Agreement, will constitute a default under each franchise agreement with each other such franchisee as if such franchisee had failed to make a payment to Franchisor under each franchise agreement to which it is a party, with regard to which Franchisor may give notice of default in the manner provided by such other franchise agreement(s).

13.4.4 A default by Franchisee or any entity controlled by or under common control with Franchisee under the terms of any loan guaranteed in whole or in part by Franchisor or Franchisor's parents or affiliates after expiration of any notice or

cure provisions provided for under the loan documents will constitute a default under this Agreement for which a notice of default may be given under Section 13.3.1 of this Agreement.

13.5 Defaults by Franchisor

In the event of a material default by Franchisor of its obligations to Franchisee under this Agreement (a) Franchisor will have 30 days after its receipt of a written notice of default from Franchisee within which to cure any default under this Agreement, or (b) if a default is of a nature that it cannot reasonably be completely cured in 30 days, Franchisor must begin and diligently pursue a cure within 30 days after its receipt of a written notice of default from Franchisee, but may have a reasonable time within which to cure such default. If any default described in a notice of default given under this Section 13.5 is not cured, or if a cure is not begun and diligently pursued within the time provided by this Section 13.5, then Franchisee may terminate this Agreement without further notice to Franchisor, effective immediately upon the expiration of the period provided by this Section 13.5.

13.6 Notice Required by Law

Notwithstanding anything to the contrary, in the event any valid, applicable law or regulation of a competent governmental authority having jurisdiction over this franchise and the parties hereto shall limit Franchisor's rights of termination hereunder or shall require longer notice periods than those set forth herein, this Agreement shall be deemed amended to conform to the minimum notice periods or restrictions upon termination required by such laws and regulations. Franchisor shall not, however, be precluded from contesting the validity, enforceability or applicability or application of such laws or regulations in any action, arbitration, hearing or dispute relating to this Agreement or the termination thereof.

14. OBLIGATIONS UPON EXPIRATION OR TERMINATION

Upon (a) expiration or termination of this Agreement for any reason whatsoever, or, as applicable (b) transfer of the Franchised Center:

- 14.1** If as a result of an expiration or termination of this Agreement, Franchisee vacates the Franchised Center and Franchisor obtains possession of the Franchised Center, then Franchisor will either reimburse Franchisee or credit Franchisee's accounts with Franchisor with an amount equal to one-half of the then-current price, for any tools, equipment and non-inventory personal property owned by Franchisee and remaining at the Franchised Center at the time of the expiration or termination of this Agreement plus the lesser of Franchisee's actual cost or the fair market value of any usable inventory owned by Franchisee and remaining at the Franchised Center at the time of the expiration or termination of this Agreement.
- 14.2** Franchisee will promptly surrender to Franchisor or, if so directed by Franchisor, destroy and immediately discontinue the use of, all items and materials bearing any of Franchisor's service marks, trademarks or trade names and all signs, structures, literature, forms, or

promotional advertising materials, and any other article of personal property using the Trademarks or the words “Jiffy Lube” or any name, service mark or trademark which may be confusingly similar to any of the Trademarks.

- 14.3** If Franchisee retains possession of the Franchised Center, then at its own expense, Franchisee will make whatever changes in the building Franchisor may reasonably require so as (a) to differentiate the business conducted at the Franchised Center after expiration or termination of this Agreement from the business conducted at a Service Center and (b) to differentiate the Franchised Center from Service Centers.
- 14.4** If Franchisee retains possession of the Franchised Center, Franchisee will offer to Franchisor all inventory marked with any of the Trademarks at Franchisee’s original purchase price less a ten percent (10%) restocking charge. Franchisee will dispose of any inventory bearing any Trademarks that is not repurchased by Franchisor in the manner prescribed by Franchisor at the time.
- 14.5** Franchisee will discontinue any telephone listings, radio and newspaper advertising, and any other form of commitment which may in any way identify Franchisee as a Jiffy Lube franchisee.
- 14.6** Franchisee will return to Franchisor the Manual, all System Manuals and all copies of Confidential Information acquired by Franchisee before the termination or expiration of this Agreement.
- 14.7** Franchisee will not continue to use any Confidential Information, systems or procedures learned as a result of, or covered by, this Agreement.
- 14.8** Franchisee will return or destroy all POS Software together with any manuals, disks or other media containing or describing the POS Software.
- 14.9** If Franchisee fails to comply with its obligations under this Section 14, Franchisor may enter the Franchised Center and remove the Confidential Information and materials marked with any of the Trademarks, without liability to Franchisee and without being deemed to have committed a trespass or any other tort.
- 14.10** Franchisee and Franchisor will make a prompt, final accounting upon expiration or termination of this Agreement or its transfer with Franchisor’s consent, and any sums owed by either party to the other will be paid immediately.
- 14.11** The provisions of this Section 14 survive expiration or termination of this Agreement.

15. COVENANTS NOT TO COMPETE

Franchisee acknowledges that the methods of doing business and other elements of which the System is composed are distinctive and have been developed by Franchisor at great effort, time and expense. While this Agreement is in effect, Franchisee will have regular and continuing access to Confidential Information and training regarding the System. Franchisee has the obligation to promote and develop the Franchised Center. Franchisee accordingly agrees as follows:

15.1 “In Term Covenants”

15.1.1 Franchisee and each of the equity owners, officers and directors of Franchisee who sign this Agreement in the space following Section 19 covenant that during the term of this Agreement, neither Franchisee nor any of the signing Franchisee’s respective equity owners, officers, directors or employees will divert or attempt to divert any business or customer of the Franchised Center to any competitor, by direct or indirect inducement, for itself or through, on behalf of, or in conjunction with any person.

15.1.2 [INTENTIONALLY DELETED]

15.1.3 Franchisee and each of the equity holders, officers and directors of Franchisee who sign this Agreement in the space following Section 19, covenant that during the term of this Agreement, neither Franchisee nor any of its equity holders, officers or directors will own, maintain, engage in, have any interest in, be employed by, or perform any service for any business which is the same as or substantially similar to the business conducted by the Franchised Center or a Service Center and which is located within the state in which the Franchised Center is located or within 10 miles of any other Service Center in the United States, either directly or indirectly, for itself or through, on behalf of, or in conjunction with any other person. “Substantially similar” as used herein is defined as any business which provides services that are either approved or required pursuant to this Agreement or the Manual and that maintains more than twenty percent (20%) of its net sales through oil change services measured either on an annual or monthly basis at Franchisor’s sole discretion.

15.2 “Post Term Covenants”

15.2.1 [INTENTIONALLY DELETED]

15.2.2 Franchisee and each equity holder, officers and directors of Franchisee who sign this Agreement in the space following Section 19 covenant that for a period of three years after the expiration or termination of this Agreement (regardless of the cause of termination) or transfer of this Agreement, neither Franchisee nor any of its equity holders, officers or directors will own, maintain, engage in, have any interest in or perform any service for any business which is the same as or substantially similar to the business conducted under this Agreement or at a

Service Center, and which is located: (a) at the site of or within a 10-mile radius of the Franchised Center, or (b) within a 10-mile radius of any Service Center within the state in which the Franchised Center is located, or (c) within a 10-mile radius of any Service Center in the United States, either directly or indirectly, for itself or through, on behalf of, or in conjunction with any other person. “Substantially similar” as used herein is defined as any business which provides services that are either approved or required pursuant to this Agreement or the Manual and that maintains more than twenty percent (20%) of its net sales through oil change services measured either on an annual or monthly basis at Franchisor’s sole discretion.

15.2.3 The provisions of this Section 15.2 shall survive expiration or termination of this Agreement.

15.3 Covenants from Others

At Franchisor’s request, unless otherwise prohibited by law, Franchisee will obtain covenants similar in substance to those set forth in this Section 15 from any of its directors, officers, management employees or equity holders who do not sign this Agreement. Such covenants will be in a form prescribed by Franchisor and may include an acknowledgement of other obligations of Franchisee that may affect Franchisee’s officers, directors, management, employees and equity holders. To the extent that such covenants relate to periods following expiration or termination of this Agreement, or transfer of the Franchised Center or an interest in Franchisee, then such provisions survive such expiration, termination or transfer.

15.4 Consent to Injunctive Relief

Franchisee acknowledges that its violation of the provisions of this Section 15 would result in irreparable injury to Franchisor for which no adequate remedy at law would be available. Franchisee consents to the issuance of an injunction prohibiting any conduct by Franchisee in violation of the provisions of this Section 15.

15.5 Construction

15.5.1 The parties agree that each of the covenants set forth in this Section 15 are to be construed independently of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section 15 is held unenforceable by a court or agency having valid jurisdiction in a final decision in a matter to which Franchisor is a party, then Franchisee agrees to be bound by any covenant which is less restrictive than, but included within, the terms of such unenforceable covenant and which imposes the maximum duty that is enforceable, as if the resulting covenant were separately stated in this Section 15.

15.5.2 Franchisee understands and acknowledges that Franchisor may reduce the scope of any covenant set forth in this Section 15 without Franchisee’s separate consent, and that such reduction in scope will be effective immediately upon Franchisee’s

receipt of written notice thereof. Franchisee agrees that it will comply with any covenant as so reduced in scope.

15.6 Permitted Ownership of Publicly Traded Corporations

Nothing in this Section 15 is intended to, or does, prohibit any ownership by Franchisee or any of its equity holders, officers, directors or employees of less than a three percent beneficial interest in the equity securities of any publicly-traded corporation.

16. MISCELLANEOUS

16.1 Franchisee is an Independent Contractor

This Agreement does not create a fiduciary or other special relationship between Franchisor and Franchisee. Franchisee is an independent contractor with the right to complete control and direction of the Franchised Center, subject only to the conditions and covenants established within this Agreement, the Manual and the System Manuals. No agency, employment, or partnership is created or implied by the terms of this Agreement. Franchisee's business is totally separate from Franchisor. Franchisee acknowledges and agrees that Franchisor is not, and nothing in this Agreement or the Policies and Procedures Manual is intended to make, the Franchisor the employer or joint employer of Franchisee's employees. Neither party to this Agreement will represent to anyone that it may act for the other party or that it has an agency, employment or partnership relationship with the other. Neither party has authority to act for or on behalf of the other in any manner. Neither party may create obligations or debts binding upon the other. Neither party is responsible for any obligations, expenses or debts of the other. No employee of Franchisee is an employee of Franchisor, and no employee of Franchisor is an employee of Franchisee.

16.2 Compliance with Law

16.2.1 Franchisee is solely responsible for and will comply with all laws, regulations, ordinances and environmental and industry standards applicable to the operation of the Franchised Center. Franchisee, and not Franchisor, will secure, maintain and pay for all licenses, permits, certificates and inspections required by applicable laws. Franchisee, and not Franchisor, will pay all occupation, privilege, franchise, sales, use, employment, income and other taxes attributable to Franchisee's construction, operation or ownership of the Franchised Center. Franchisee, and not Franchisor, will pay all water, sewer, gas, telephone, electric or other utility charges assessed or charged by reason of Franchisee's construction, operation or ownership of the Franchised Center.

16.3 Effect of Partial Invalidity

This Agreement is to be construed in accordance with all applicable federal, state and local laws and regulations; any provision of this Agreement which is contrary to those laws and regulations will be deemed to be modified to the extent required to render it lawful. If any provision of this Agreement is determined to be partially or wholly invalid, that

determination will not affect the validity of any other provision of this Agreement, and the remaining provisions will remain in full force and effect. If any provision of this Agreement is determined to be only partially invalid, the remainder of such provision will continue to be enforced if the valid remainder of the provision continues to reflect the originally apparent intent of the parties.

16.4 Waiver and Estoppel

Any failure by Franchisor or Franchisee to promptly avail itself of any default on the part of the other will not operate as an estoppel so as to prevent the non-defaulting party from asserting the default at a subsequent time.

16.5 No Third Party Beneficiaries

Franchisee acknowledges that it is not an intended third party beneficiary of any franchise agreement between Franchisor and any other person, including any other franchisee.

16.6 Force Majeure

If as a result of Force Majeure any party is rendered unable, wholly or in part, to carry out its obligations under this Agreement (except for the payment of money) then the obligations of the party giving such notice, so far as and to the extent that the obligations are affected by such Force Majeure, shall be suspended during the continuance of any inability so caused, but for no longer period. For purposes of this Agreement, "**Force Majeure**" shall be inclusive of but not limited to the following events: flood, hurricane or other acts of God; war, civil disturbance, labor dispute, strike, lockout or compliance with any law, order, rule or regulation, whether similar or dissimilar, beyond the reasonable control of the said party. The party claiming Force Majeure shall notify the other party of the Force Majeure situation within a reasonable time (not to exceed 30 days) after the occurrence of the facts relied on and shall keep the other party informed of all significant developments. The notice of Force Majeure shall give full details of said Force Majeure, and also (if possible) estimate the period of time that said party will require to remedy the Force Majeure or to resume performance of its obligations under this Agreement. The affected party shall use all reasonable diligence to remove or overcome the Force Majeure situation, but shall not be obligated to settle any labor dispute except on terms acceptable to it and all such disputes shall be handled within the sole discretion of the affected party.

16.7 Time

Time is of the essence in this Agreement.

16.8 Interpretation

The caption headings of this Agreement are for convenience only and will in no way affect the manner in which any provision hereof is construed. Whenever the context requires, the singular will include the plural, the plural will include the singular, and any gender will include all other genders. **IF FRANCHISEE IS A GROUP OF INDIVIDUALS, THEIR**

LIABILITY WILL BE JOINT AND SEVERAL. Use of the word “will” denotes a mandatory activity (e.g., “Franchisee *will* pay royalties,” “Franchisee *will not* disclose Confidential Information”). Use of the word “may,” but not with the word “not” denotes a discretionary activity (e.g., “Franchisor *may* terminate this Agreement under certain circumstances); use of the word “may” with the word “not” denotes a mandatory prohibition (e.g., “Franchisee *may not* sell the Franchised Center”). If Franchisee is a partnership, references to “Franchisee” are intended to refer to all of the partnership Franchisee’s general partners.

16.9 Notices

Absent notice to the contrary in writing, any and all notices required to be given to Franchisor or Franchisee under this Agreement may be sent using the version of e-signature software currently approved by Franchisor, which software may be changed at Franchisor’s sole discretion, or may be sent by overnight courier or facsimile (with receipt of confirmed transmission) addressed to such party at the address set forth beneath the signature of that party’s representative in Section 19 of this Agreement. Notices to officers or directors of either party may be sent to the address specified for the party itself.

16.10 Accuracy of Information

Franchisee hereby represents and warrants to Franchisor that the information provided by Franchisee to Franchisor in the Franchisor’s application process is true, accurate and complete.

16.11 Governing Law and Venue; Dispute Resolution

16.11.1 Except as otherwise stipulated in Sections 16.11.2 and 16.11.4, or unless expressly prohibited by the franchising statutes of the state in which the Franchised Center is located, this Agreement shall for all purposes be governed by and interpreted and enforced in accordance with the internal laws of the state of Delaware, except that its conflicts of law principles shall not apply.

16.11.2 The parties agree to use their best efforts to resolve and settle by direct, private negotiation any claim, controversy or dispute (a “**Dispute**”) that arises under or in relation to this Agreement or that concerns the relationship created by this Agreement.

16.11.3 If the parties cannot resolve and settle a Dispute by private negotiation within 60 days after one party gives the other written notice that a Dispute exists, the parties mutually agree to submit the Dispute to non-binding mediation (“**Mediation**”), as follows:

16.11.3.1 If Franchisor has requested the Mediation, such Mediation shall occur in Houston, Texas. If Franchisee has requested the Mediation, such Mediation shall occur in the city in which the Franchised Center is located. Mediation shall occur before a single mediator, using the

facilities and mediation rules of a professional dispute-resolution organization selected by Franchisor and reasonably acceptable to Franchisee (the “**Mediation Organization**”). If the parties cannot agree on a Mediation Organization, they will use the facilities and mediation rules of the National Franchise Mediation Program.

16.11.3.2 The parties shall jointly select a mediator from the panel of mediators maintained by the Mediation Organization. The mediator must be either a retired judge or an individual experienced in business format franchising or franchise law who has no prior social, business or professional relationship with either party. If the parties are unable to agree on a mediator within 30 days after the Dispute is submitted to Mediation, the Mediation Organization will select a mediator who possesses the indicated qualifications.

16.11.3.3 The parties will share the Mediation filing fee equally, but will otherwise separately bear their own costs and expenses (including legal fees) of participating in the Mediation process. Each party agrees to send at least one representative to the Mediation conference who has authority to enter into binding contracts on that party’s behalf. Each party further agrees to sign a confidentiality agreement that exempts the mediator from disclosing, orally or in writing, any information the other party discloses to the mediator in confidence at any stage of the Mediation process.

16.11.3.4 If either party fails or refuses to participate in Mediation in accordance with this Section 16.11.2, the other shall be entitled to immediately submit the Dispute to binding arbitration in accordance with Section 16.12.4.

16.11.4 If the parties cannot fully resolve and settle a Dispute through Mediation within 30 days after the Mediation conference concludes, all unresolved issues involved in the Dispute shall be submitted to binding arbitration, as follows:

- (i) Either party may make a demand for arbitration. A claimant shall make a demand for arbitration promptly after a Dispute has arisen; but, in any event, before the applicable statute of limitations would bar the institution of legal or equitable proceedings based on the Dispute.
- (ii) Arbitration proceedings shall be conducted in the city in which Mediation occurred (or was scheduled to occur) before a single arbitrator, using the facilities and commercial arbitration rules of the Mediation Organization or another professional dispute-resolution organization selected by Franchisor and reasonably acceptable to Franchisee (the “**Arbitration Organization**”). If Franchisor selects an Arbitration Organization other than the Mediation Organization and Franchisee reasonably objects to

Franchisor's choice, the parties will use the American Arbitration Association's facilities and commercial arbitration rules.

- (iii) The Arbitration Organization's expedited arbitration procedure shall apply to the arbitration proceedings. To the greatest extent permitted by law, Franchisor and Franchisee waive the application of all rules of discovery and evidence which the Arbitration Organization's expedited procedure does not expressly make applicable.
- (iv) The parties shall jointly select an arbitrator from the panel of arbitrators maintained by the Arbitration Organization. The arbitrator must be either a retired judge or an attorney experienced in the practice of franchise law who has no prior social, business or professional relationship with either party, and who agrees to follow and apply the express provisions of this Agreement in determining his or her award. If the parties are unable to agree on an arbitrator within 30 days after the arbitration demand is filed, the Arbitration Organization will select an arbitrator who possesses the indicated qualifications.
- (v) The arbitrator's award shall be final and binding on all parties, and neither party shall have any right to contest or appeal the arbitrator's award except on the grounds expressly provided by the United States Arbitration Act (the "**Arbitration Act**"). The party who demands arbitration shall pay the arbitration filing fee, but the parties will otherwise separately bear their own costs and expenses (including legal fees) of participating in the arbitration process. Responsibility for the arbitrator's fees and expenses shall be determined as part of the arbitrator's award.
- (vi) The procedures contemplated by and the enforceability of this Section 16.12.4 shall be governed by the Arbitration Act and shall be interpreted and enforced in accordance with United States federal judicial interpretations of the Arbitration Act.
- (vii) Notwithstanding Sections 16.12.3 and 16.12.4 the parties mutually agree that Franchisor will not be obligated to mediate or arbitrate any claim arising from Franchisee's alleged infringement of the Trademarks, or other alleged misappropriation of Franchisor's intellectual property. The parties agree that any action based on infringement of any of the Trademarks or misappropriation of Franchisor's other intellectual property shall be governed by and interpreted and enforced in accordance with the United States Trademark (Lanham) Act or the United States Copyright Act (whichever applies to the particular action), and shall be litigated exclusively in any federal District Court sitting in Harris County, Texas. The parties further agree to submit to the jurisdiction and venue of any such federal District Court and that service of process by certified mail, return receipt requested, shall be sufficient to confer *in personam* jurisdiction over them in connection with any intellectual property litigation.

(viii) Further, notwithstanding Sections 16.12.3 and 16.12.4 the parties mutually agree that Franchisor shall not be obligated to mediate or arbitrate any claim arising from Franchisee's failure to pay when due any royalty or other monetary obligation to Franchisor, unless Franchisee asserts a counterclaim based on Franchisor's alleged breach of a material obligation under this Agreement, in which case Franchisor's suit will be stayed and the entire matter will be referred to arbitration. The parties agree that any action to collect any sums that Franchisee owes Franchisor shall be litigated exclusively in any federal or state District Court sitting in Harris County, Texas. The parties further agree to submit to the jurisdiction and venue of any such federal or state District Court and that service of process by certified mail, return receipt requested, shall be sufficient to confer *in personam* jurisdiction over them in connection with any collection litigation.

16.11.5 No right or remedy herein conferred upon or reserved to Franchisor is exclusive of any other right or remedy herein, or by law or equity provided or permitted; but each shall be cumulative of any other right or remedy provided in this Agreement.

16.11.6 ANY AND ALL CLAIMS AND ACTIONS ARISING OUT OF OR RELATING TO THIS AGREEMENT (INCLUDING, BUT NOT LIMITED TO, THE OFFER AND SALE OF THIS FRANCHISE), THE RELATIONSHIP OF THE FRANCHISOR AND FRANCHISEE OR FRANCHISEE'S OPERATION OF THE FRANCHISED CENTER, BROUGHT BY FRANCHISEE SHALL BE COMMENCED WITHIN 24 MONTHS FROM THE OCCURRENCE OF THE FACTS GIVING RISE TO SUCH CLAIM OR ACTION, OR SUCH CLAIM OR ACTION SHALL BE BARRED.

16.11.7 FRANCHISOR AND FRANCHISEE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER OF THEM AGAINST THE OTHER.

16.11.8 FRANCHISOR AND FRANCHISEE HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM OF LOST PROFITS AND/OR ANY CONSEQUENTIAL, PUNITIVE, MULTIPLE OR EXEMPLARY DAMAGES AGAINST THE OTHER, AND AGREE THAT IN THE EVENT OF A DISPUTE BETWEEN THEM, EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY IT.

16.12 Counterparts

This Agreement may be executed in multiple counterparts, each of which will be an original, but all of which will constitute the same instrument.

16.13 Entire Agreement

This Agreement and the Addenda attached hereto comprise the entire agreement between the parties concerning the subject matter of this Agreement and supersede all prior written or oral agreements or representations; provided that nothing in this Section 16.13 shall be deemed a waiver of Franchisee's reliance on any representation made by Franchisor in the disclosure document provided to Franchisee and referenced in Section 18.c) below. The provisions of this Agreement will be binding upon the parties and any permitted transferees. Except as otherwise specified herein, this Agreement may not be amended or modified except in writing, signed by the parties.

16.14 Immunity for Certain Limited Disclosures

Notwithstanding anything in this Agreement to the contrary, Franchisee and its officers, directors, shareholders, agents and representatives, may, in accordance with any applicable law, including the federal Defend Trade Secrets Act, disclose Confidential Information, including Jiffy Lube's trade secrets, (a) in confidence, to federal, state, or local government officials, or to an attorney of Franchisee, for the sole purpose of reporting or investigating a suspected violation of law; or (b) in a document filed in a lawsuit or other legal proceeding, but only if the filing is made under seal and protected from public disclosure. Nothing in this Agreement is intended to conflict with any applicable law or create liability for disclosures expressly allowed by law.

17. ANTI-MONEY LAUNDERING AND ANTI-CORRUPTION LAWS.

17.1 For the purposes of this Agreement, "Anti-Corruption Laws" shall mean (a) the United States Foreign Corrupt Practices Act of 1977; (b) the United Kingdom Bribery Act 2010; and (c) all applicable national, regional, provincial, state, municipal or local laws and regulations that prohibit tax evasion, money laundering or otherwise dealing in the proceeds of crime or the bribery of, or the providing of unlawful gratuities, facilitation payments, or other benefits to, any government official or any other person.

17.2 Each party represents, warrants, and covenants that in connection with this Agreement and the business resulting therefrom:

- (i) it is aware of and will comply with Anti-Corruption Laws;
- (ii) it has not made, offered, authorized, or accepted, and will not directly or indirectly make, offer, authorize, or accept, any payment, gift, promise, or other advantage, to or for the use or benefit of any government official or any other person where that payment, gift, promise, or other advantage would comprise a facilitation payment or otherwise violate the Anti-Corruption Laws;
- (iii) it has maintained and will maintain adequate written policies and procedures to comply with applicable national, regional, provincial, state, municipal or local laws and regulations that prohibit tax evasion, money laundering or otherwise dealing in the proceeds of crime or the bribery of, or the providing of unlawful

gratuities, facilitation payments, or other benefits to, any government official or any other person or, alternatively, has made itself aware of and shall adhere to the Shell General Business Principles and the Shell Code of Conduct (www.shell.com/about-us/our-values);

- (iv) it has maintained and will maintain adequate internal controls, including but not limited to using commercially reasonable efforts to ensure that all transactions are accurately recorded and reported in its books and records to reflect truly the activities to which they pertain, such as the purpose of each transaction, with whom it was entered into, for whom it was undertaken, or what was exchanged;
- (v) it will retain such books and records for the period required by applicable law or a party's own retention policies, whichever is longer;
- (vi) in the event a party becomes aware it has breached an obligation in this paragraph, it will promptly notify the other party, subject to the preservation of legal privilege;
- (vii) it has taken reasonable measures to require any subcontractors, agents, or any other third parties to also comply with the foregoing requirements in this paragraph; and
- (viii) only a party shall make payments to the other party, except with that other party's written consent. Subject to the preservation of legal privilege, during the Term and for seven years thereafter and on reasonable notice, each party shall have a right, and the other party shall take all reasonable steps to enable this right, to audit the other party's relevant books and records with respect to compliance with this paragraph. Without limitation to any other available remedies, where a party (the "First Party") fails, or its subcontractors, agents, or other third parties fail, to comply with the Anti-Corruption Laws in connection with this Agreement or the business resulting therefrom, the other party (the "Second Party"), acting in good faith, shall have a right to notify the First Party in writing of such failure to comply and, if the written notice contains reasonable detail about the failure to comply then, if the failure is incapable of being cured or, if capable of cure and the First Party does not cure the failure to comply within 60 calendar days following receipt of the written notice, the Second Party shall have the right to terminate the Agreement on further written notice to the First Party.

17.3 Nothing in this Agreement shall require a party to perform any part of this Agreement or take any actions if, by doing so, the party would not comply with the Anti-Corruption Laws. The obligations in this paragraph shall survive the termination or expiry of this Agreement.

POS ADDENDUM

POS ADDENDUM

THIS ADDENDUM is added to and made a part of the Jiffy Lube Franchise Agreement (the “Agreement”) for the Jiffy Lube Service Center or Centers identified on the signature page hereto (the “Center”):

1. Franchise Agreement: The Franchise Agreement, as amended by this Addendum, remains in full force and effect in accordance with its terms. Provisions in the Franchise Agreement regarding a Point of Sale (“POS”) system are replaced with the provisions of this Addendum.

2. Vendor Contracts: Following the date of this Addendum, Franchisee further agrees to enter into new, renewing or revised contracts related to the POS system which, where required by the TSAB Operating Guidelines, have been approved by the TSAB, including but not limited to POS software vendors, POS hardware vendors, support and maintenance vendors, integrated payment card vendors and other vendors or service providers that may be required with respect to the POS system. For the avoidance of doubt, Franchisee will not be required to enter into any new direct agreement with a software vendor, hardware vendor or supply and maintenance vendor providing the new POS system described in this Addendum, without TSAB approval.

3. Obligation to Use System/Minimum Functionality Standards:

3.1 Franchisee’s failure to use the POS system required by JLI will constitute a default under the Agreement, unless Franchisee’s failure is due to Franchisee’s exercise of a right to terminate its agreement with a required POS vendor designated by JLI at the time of signing this Addendum or any required POS vendor approved by the TSAB thereafter.

3.2 The POS System provided by JLI will include the Minimum Functionality Standards and Additional Features beyond the Minimum Functionality Standards described in Attachment E. JLI will ensure that updates, upgrades or replacements to the POS system will at a minimum meet the “Minimum Functionality Standards” and include the “Additional Features” described in Attachment E, or features agreed upon by TSAB that supersede the listed “Additional Features”.

4. Arbitration of Disputes: In the event of a dispute between JLI and a Franchisee as to whether a Franchisee has validly exercised a right to terminate its agreement with a POS vendor required by the Agreement, such dispute will be resolved by binding arbitration according to this paragraph notwithstanding other dispute resolution provisions in the Agreement to the contrary. Either party may make a demand for arbitration. JLI and Franchisee will agree on the arbitrator within 30 days of receipt of a demand for arbitration. If the parties are unable to agree on the arbitrator, the parties will use the American Arbitration Association’s facilities. The arbitrator must be either a retired judge or an attorney experienced in the practice of franchise law who has no prior social, business or professional relationship with either party and who agrees to follow

and apply the express provisions of this Addendum in determining his or her award. If the parties are unable to agree on an arbitrator within 30 days after the arbitration demand is filed, the American Arbitration Association will select an arbitrator who possesses the requisite qualifications. JLI and Franchisee shall engage the services of a neutral arbitrator for purposes of this paragraph, and arbitration proceedings shall take place in a location specified by the arbitrator in Delaware. The parties shall share in the arbitrator's fees equally, but will otherwise separately bear their own costs and expenses (including legal fees) of participating in the arbitration process. Within 30 days of selection of an arbitrator, JLI and Franchisee shall each provide to the arbitrator a written statement explaining the basis for their belief as to whether a default exists. Such statements shall not exceed 10 pages in length, including any exhibits and excluding the applicable contract. Within 30 days of receipt of each party's written statement, the arbitrator will issue a binding decision as to whether or not a default exists.

5. Confidential Information: Franchisee and JLI agree that information entered into the POS System, including customer information, is "Confidential Information" within the meaning of the Franchise Agreement.

6. Training: JLI will provide Franchisee with POS System training near the time of installation. JLI will update existing computer-based training courses, as needed, and develop new course materials suitable for educating and training users on changes and new features of the new POS system. "Live" instructor-led web-based training sessions will be provided throughout the POS rollout period to afford users the opportunity to attend prior to installation of the new system. Additionally, specific training sessions will be hosted by JLI, as needed, for specific targeted users and topics, such as a session for back office users on administering standardized items and services. All new and modified training materials will be presented to the JLAF training committee and the TSAB for review and feedback. JLI will pay all costs associated with development and presentation of training materials including, but not limited to producing the live instructor-led training sessions, course content, help guides and reference materials. Franchisee will pay labor expenses for its employees to attend training and will be responsible for providing an environment suitable for its employees to take the web-based training.

7. Roll Out/Installation: The POS system will be installed in each Center by a trained employee or contractor of the deployment firm selected by the designated POS development vendor for their expertise and prior experience with deployments and installations. The designated POS vendor and deployment firm will consult with JLI and the TSAB regarding the scheduling, timing and methods to be used during the deployment process. Installations shall occur after regular business hours, or during business hours with Franchisee consent. JLI will provide remote support to all stores as they are converted to the new POS System via additional dedicated support desk staff trained on the new system. A unique phone number or menu option on the existing number will be provided for direct access to these support technicians.

8. Compliance: Each of Franchisee and JLI will take actions necessary to comply with all applicable laws and regulations related to its respective use of the POS System including, but not limited to, the Payment Card Industry – Data Security Standards, as amended or updated from time to time ("PCI-DSS"), concerning payment cards accepted by Franchisee through the POS System. Each of Franchisee and JLI shall maintain appropriate business continuity procedures and systems to provide the security of Payment Card Data in the event of a disruption, disaster or

failure of such party's data systems that accept, transmit or store Payment Card Data. As used herein, "Payment Card Data" means any data associated with a payment card or otherwise protected under the PCI-DSS, as amended or updated from time to time, including: (a) "card holder data" which includes (i) primary account number; (ii) cardholder name; and (iii) expiration date; (b) "sensitive authentication data" which includes (i) magnetic strip data; (ii) CVC2, CVV2, CID; (iii) PIN and PIN Block information; and (iv) any security-related information; and (c) other information used to authenticate cardholders and/or authorize payment card transactions. JLI will consult with PCI-DSS compliance experts and include TSAB in discussions related to PCI-DSS compliance.

8.1 **Liability:** To the extent that JLI implements a requirement for franchisees related to PCI-DSS compliance without franchisee participation or TSAB approval, JLI acknowledges its liability in proportion to its allocable share of its negligence, joint negligence, or willful misconduct. Each of Franchisee and JLI acknowledges its responsibility and potential liability with regard to PCI-DSS compliance that is within its total or partial control and also acknowledges its duty to mitigate damages and liability for any PCI-DSS matters where possible regardless of whether completely in its control. However, except as provided in Section 10, in no event will either party be liable to the other party for any special, indirect, incidental, or consequential damages as arising out of or relating to PCI-DSS compliance.

8.2 **Responsibilities:** Each of Franchisee and JLI agrees to take actions to ensure PCI-DSS compliance on items that are within its control. Actions may include but are not limited to periodically completing an audit questionnaire, PCI-DSS self-certification, or penetration testing upon request by the other party, maintaining a secure environment including "locking down" on-premises POS equipment if required, protecting passwords, not unnecessarily retaining payment card information, and other actions if required by PCI-DSS. JLI agrees to provide updates and information related to PCI-DSS compliance to Franchisees. JLI further agrees to arrange for a third party (preferably the existing credit card processor or such party's designee who has recognized expertise in PCI-DSS) to provide training and assistance related to PCI-DSS compliance to Franchisees. Furthermore, JLI will ensure that any new agreement or amendment entered into with a credit card processor after the date of this Addendum will include a requirement for such credit card processor to provide training and assistance related to PCI-DSS to the Franchisees. However, Franchisee specifically acknowledges that JLI's commitment to providing updates and arranging for training or assistance by third parties does not in any way alleviate Franchisees' responsibility to make their own informed compliance decisions and ensure PCI-DSS compliance on any issue within their sole or partial control to the extent such compliance is within their control.

9. **Security Incident:** If either party has reason to believe that any, unauthorized access to or use of Payment Card Data (as defined in Section 9) or any breach or potential breach of the safety and security requirements under this Addendum (a "Security Incident") has occurred, such party (the "responsible party") shall (a) within 72 hours, notify the other party (the "affected party") of such Security Incident, (b) investigate the Security Incident within 72 hours of such

notification, (c) preserve records and other evidence relating to the Security Incident and (d) provide the affected party with a written report on the outcome of its investigation including any risk to the Payment Card Data. If the Security Incident was caused in whole or in part by the acts or omissions of the responsible party or its agents, then the responsible party shall (i) provide the affected party with a corrective action plan describing the actions the responsible party will take, or has taken, to respond to the Security Incident, (ii) in accordance with the reasonable directions of the affected party, remediate the effects of the Security Incident and mitigate any risk that may arise from the Security Incident, and (iii) provide the affected party with assurance reasonably satisfactory to such affected party that such Security Incident shall not recur. The responsible party shall reimburse the affected party for reasonable direct damages incurred in connection with a Security Incident to the extent caused in whole or in part by the acts or omissions of the responsible party or its agents including, but not limited to, the costs of breach containment and remediation, notifying affected persons and governmental authorities, providing credit monitoring and identity theft resolution services to affected persons, reissuance of credit cards, charges for operating expenses of the card brands, fraud recovery costs assessed by the card brands, fines and penalties imposed by the card brands under PCI-DSS, forensic investigations and reasonable attorneys' fees, costs, and expenses (and interest on such attorneys' fees, costs, and expenses). For clarity, the damages described in the preceding sentence shall not be considered consequential damages for the purposes of this Addendum and are not subject to the exclusion of damages in Section 23(a) below.

10. POS Software License: JLI will enter into a contractual relationship with a designated vendor to develop the Jiffy Lube POS System, and will sublicense its rights to use POS System software ("POS Software") pursuant to the terms of the POS Software License Agreement attached hereto (the "POS Software License Agreement"). The POS Software license provided by JLI is part of the System, and accordingly is covered by the non-exclusive license of the System granted to Franchisee in the Franchise Agreement. In the event that the designated POS vendor should change again, TSAB approval is required for the new vendor to re-establish these same licensing provisions with the new vendor.

11. JLI's Right to License: JLI's affiliates will have their own rights to license the POS System, and JLI retains the right to its own use of the POS System and the right to sublicense to JLI's affiliates its rights to use the POS System, provided that (i) in accordance with the terms of JLI's agreement with its vendor, JLI affiliates will not have rights to license components of the POS System that are exclusive to JLI under JLI's licensing agreement with its vendor and (ii) JLI will not use in the U.S. or Canada or sublicense to its affiliates its right to use in the U.S. or Canada components of the POS System that are exclusive to JLI under JLI's licensing agreement with its vendor for a purpose or application that will be in competition with the Jiffy Lube System in the U.S. and Canada.

12. TSAB: JLI agrees to consult with the TSAB and/or seek approvals from the TSAB as specified in the TSAB Operating Guidelines on matters related to POS, including POS System hardware, POS software and hardware support, POS-related vendors, vendor selection, vendor contract terms, vendor performance, and all POS issues involving costs that will be borne by Franchisees. JLI agrees not to impose additional costs or increases on Franchisees directly or through a POS vendor without the TSAB's approval of all such costs or increases. For POS decisions and issues where TSAB approval is not required, the TSAB shall be consulted, but has

no authority to bind JLI, and JLI is free to solicit input from any source and make those decisions. **AS LONG AS THE TSAB OPERATING GUIDELINES ARE FOLLOWED, FRANCHISEE AGREES THAT RECOMMENDATIONS MADE BY JLI OR MADE BY THE TSAB AND ADOPTED BY JLI REGARDING REQUIRED POS VENDORS, SUPPORT, SERVICES, HARDWARE AND COST PROVISIONS ARE BINDING ON FRANCHISEE, WHETHER OR NOT FRANCHISEE PARTICIPATES IN THE TSAB OR JLAF. IN THE EVENT THAT POS COSTS INCREASE DUE TO CONTRACTUAL PROVISIONS AGREED UPON BY JLI AND THE TSAB, FRANCHISEE SPECIFICALLY ACKNOWLEDGES AND AGREES THAT SUCH PRICE ESCALATION WILL BE PASSED ONTO FRANCHISEES ON A PRORATED PER CENTER BASIS.** JLI and Franchisee each agree to provide to TSAB copies of all notices of default or termination issued by JLI or Franchisee to a POS system vendor or issued by a POS system vendor to JLI or Franchisee, so that the TSAB can take steps needed to manage vendor performance.

13. [Intentionally Deleted]

14. Computer Hardware: Franchisee shall acquire, whether through purchase or lease, computer hardware sufficient to run the designated POS System, including, but not limited to: a primary central processing unit (CPU) for the Center with characteristics sufficient to run the then-current version of the POS Software, one or more bay stations, a communications router, printers, and other peripherals as needed. All equipment shall be brands, models and specifications as designated by JLI after working with the TSAB in accordance with the TSAB Operating Guidelines, except where they specifically choose not to specify and leave the selection to each Franchisee. Additionally, Franchisee agrees to acquire certain designated equipment (CPUs, routers, other) only from a specific designated vendor approved by the TSAB; equipment that is not so designated may be obtained through any acquisition channel. Franchisee must contract with Franchisor for hardware support as indicated in Attachment B – Hardware Support Agreement of this Addendum. Franchisee shall not install any unapproved software on or attach unapproved hardware to any component on which the Jiffy Lube POS system is installed.

15. Existing POS Component Sublease Agreements: JLI will honor its obligations under existing POS component sublease agreements for the remainder of their respective initial three (3) year sublease terms, excluding the dot matrix invoice printer which must be replaced with a laser printer when the new POS system is installed into each Jiffy Lube Service Center. Franchisee agrees that all POS equipment that requires a lease (see “Equipment Automatically Renewed at End of Lease in the Hardware Support Agreement) will be current and on a three (3) year sublease at the time of installation of the new POS System.

16. POS Software: JLI will provide to Franchisee a sublicense to use the POS Software pursuant to the POS Software License Agreement. From time to time while the Agreement is in effect, JLI may also provide new, revised or enhanced versions of the POS Software. Franchisee may not use any other POS software in place of that provided by JLI to operate the designated POS System.

17. Back Office Component: The POS Software also includes a back office component. Franchisee is not required to accept and use a back office component in conjunction with the

designated POS System; however, if Franchisee uses a back office component, in conjunction with the designated POS system, it must be the one provided with the designated POS system.

18. Broadband Connection: Franchisee must contract for, install and use a broadband connection sufficient to support POS operations and applications as defined in DSL/Cable Requirements Understanding (Attachment A).

19. Software Support: Franchisee will contract with JLI to use its initial chosen designees, as agreed-upon with JLAF leadership, for software support of the JLI-required updated POS System. JLI agrees to consult with and gain approvals from the TSAB on all future POS software support decisions and issues as specified in the TSAB Operating Guidelines. Franchisees will look solely to the POS System vendor to address performance issues specific to each Franchisee. JLI will actively manage overall vendor performance as it relates to issues impacting the entire Jiffy Lube system.

20. Information Disclosure: Franchisee authorizes JLI and JLI's designated POS vendors to share information regarding Franchisee and Franchisee's Center with each other and with the TSAB, but only as required for purposes of enabling JLI and the TSAB to manage vendor performance or otherwise address POS System issues, including without limitation, Franchisee's name, ownership, site number and address, and a copy of Franchisee's agreements with the POS System vendor, Franchisee's and the POS System vendor's payment or performance history, or notices of default or termination between Franchisee and the POS System vendor or notices of termination between JLI and Franchisee.

21. Indemnification: JLI shall defend, indemnify and hold harmless Franchisee from and against any and all third party claims, losses, damages, suits, fees, judgments, costs and expenses (collectively referred to as "Claims") directly related to the subject matter of this Addendum, including reasonable attorneys' fees, incurred in responding to such Claim, that Franchisee may suffer or incur to the extent that such Claims arise out of or are in connection with: (i) JLI's or its agents' failure to comply with all applicable laws, regulations and/or PCI-DSS; and (ii) a Security Incident caused by JLI or its agents, *provided*, however, that Franchisee promptly notifies Franchisor in writing of the Claim, allows Franchisor to defend the Claim with attorneys of Franchisor's choice, and reasonably cooperates with Franchisor, at Franchisor's cost, in the course of its defense of such Claim. For the avoidance of doubt, a Jiffy Lube franchisee will not be considered an agent of JLI for purposes of this paragraph. Accordingly, in no event will a compliance failure or Security Incident caused by a Jiffy Lube franchisee give rise to JLI's duty to indemnify Franchisee. Further, Franchisee specifically acknowledges its duty to mitigate any damages or potential damages regardless of the cause of or responsibility for the Security Incident or compliance failure to the extent such mitigation is within Franchisee's control.

22. Limitation of Liability:

22.1 IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS) SUSTAINED OR INCURRED REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT OR OTHERWISE, INCLUDING WITHOUT LIMITATION

NEGLIGENCE, STRICT LIABILITY OR OTHERWISE, AND WHETHER OR NOT SUCH DAMAGES WERE FORESEEN OR UNFORESEEN AND REGARDLESS OF WHETHER A PARTY HAD RECEIVED NOTICE OR HAD BEEN ADVISED, OR KNEW OR SHOULD HAVE KNOWN, OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES.

22.2 THE MAXIMUM CUMULATIVE LIABILITY OF EITHER PARTY TO THE OTHER PARTY RELATING TO THIS ADDENDUM OR ANY TRANSACTION CONTEMPLATED BY THIS ADDENDUM AND EITHER PARTY'S MAXIMUM REMEDY TO THE OTHER PARTY FOR ANY AND ALL CAUSES RELATING TO THIS ADDENDUM AND ANY TRANSACTION CONTEMPLATED BY THIS ADDENDUM WHETHER ARISING IN CONTRACT (INCLUDING BREACH OF CONTRACT OR BREACH OF WARRANTY), IN TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY), OR ANY OTHER THEORY OF RELIEF (INCLUDING ANY CLAIMS FOR INDEMNIFICATION ARISING UNDER THIS ADDENDUM), SHALL BE LIMITED TO ONE HUNDRED THOUSAND DOLLARS (\$100,000.00) IN THE AGGREGATE. NOTWITHSTANDING THE FOREGOING, THE MAXIMUM CUMULATIVE, TOTAL LIABILITY OF EITHER PARTY ARISING UNDER SECTIONS 9, 10 AND 22 SHALL BE LIMITED TO THREE HUNDRED THOUSAND DOLLARS (\$300,000). THE EXISTENCE OF ONE OR MORE CLAIMS WILL NOT ENLARGE THE FOREGOING LIMITS.

22.3 THE AFOREMENTIONED LIMITATION OF LIABILITY AND EXCLUSION OF DAMAGES SHALL APPLY EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

22.4 FOR THE AVOIDANCE OF DOUBT, THIS SECTION 23 APPLIES ONLY TO THE SUBJECT MATTER OF THIS ADDENDUM AND DOES NOT AMEND THE HOLD HARMLESS AND INDEMNITY PROVISIONS IN THE FRANCHISE AGREEMENT FOR ANY OTHER PURPOSE.

23. Attachments/Effective Dates

23.1 Franchisee agrees to the terms of the DSL/Cable Requirements Understanding attached hereto.

23.2 Effective Dates:

The provisions of this POS Addendum and Hardware Support Agreement (Attachment B) are effective as of the date reflected below in Section 24. However, the previous Hardware Service Support rate will remain in effect for each store until it is converted to the new POS system, and then will increase to the new Hardware Service Support rate reflected in Attachment B.

The POS Software License Agreement (Attachment C) is effective as of the date the updated POS Software is installed at the Center. The previous Software Support rate will remain in effect for each store until it is converted to the new POS system, and then will increase to the new rate as described in section 17.3 of the POS Software License Agreement.

The Data Delivery Service Agreement (Attachment D) is effective for each Franchisee subscribing to the DDS service as of the date the updated POS Software is installed at any Center belonging to the Franchisee. However, the rates defined in the Data Delivery Service Agreement shall not be effective until the month in which 90% of a Franchisee's Centers have been converted to the updated POS System.

23.3 There may be circumstances under which JLI will not be in a position to roll out the updated POS System to the Jiffy Lube system following execution of this Addendum by Franchisee. The parties' obligations in this Addendum which are intrinsic to the roll out of the updated POS System will not be effective until the updated POS System has been deployed, and any obligation of Franchisee to make payments for the updated POS System will not be effective until the updated POS System has been deployed in the Center (i.e. the POS Software has been installed in the Center as part of system-wide deployment of the POS System following laboratory testing and testing in pilot Centers).

24. Miscellaneous Provisions:

24.1 The Agreement and this Addendum may not be further modified or amended except in a writing signed by the parties.

24.2 The Agreement, as modified by this Addendum, constitutes the entire agreement between the parties concerning the subject matter hereof and supersedes all prior written or oral agreements or representations.

24.3 This Addendum may be signed in one or more counterparts (including by means of faxed or electronically scanned signature pages), all of which shall be considered one and the same agreement.

24.4 In the event of any conflict between the terms and provisions of the Agreement and this Addendum regarding an issue specifically related to the POS system and addressed in this Addendum, this Addendum shall control. Notwithstanding the foregoing, in the event of any conflict between the terms and provisions of the Agreement and this Addendum, the Agreement shall control to the extent such issues do not relate to the POS system or are not issues that are addressed in this Addendum.

25. Signatures: To confirm their agreement to the terms, conditions and acknowledgements set forth above, each party has caused its representative to set his or her signature in the space provided below as of the dates set forth below opposite their respective

signatures. This POS addendum may be executed in duplicate originals. Facsimile signatures shall be considered binding.

DSL/CABLE REQUIREMENTS UNDERSTANDING

Stores are required to use a broadband technology (e.g., DSL/Cable) to connect to a POS VPN (Virtual Private Network) for applications supplied by Jiffy Lube International, Inc. (“JLI”) or for applications supplied by a JLI approved vendor. It is important that the Franchisee carefully review and understand the requirements for broadband technology listed below. JLI cannot guarantee current features, functions and applications associated with the point-of-sale (“POS”) system or other JLI-supplied services or services supplied by a JLI approved vendor will operate properly if these requirements are not met.

DSL/Cable User and Service Provider Requirements

- Provide a business class static IP address with a minimum bandwidth of 10mb download and 5mb upload, with recommended 100mb download and 20mb upload. This is a minimum recommendation to allow connection to the hosting network and have full POS functionality. Additional bandwidth could be needed to add functions such as video monitoring.
- The POS VPN hosting environment does not support MAC address reservation to Static IP addresses managed by the ISP’s DHCP server.
- The POS VPN hosting environment does not support any DHCP configuration on our devices to connect to the ISP.
- Multiple static IP addresses along with a DSL/Cable modem with multiple Ethernet ports are preferred (not required)
- Broadband provider should not filter or block PPTP, IPSec or related tunneling protocols.
- Broadband provider should not use PPPoE or other logon account-based broadband access. Access to the DSL or Cable circuit should not require installation of PPPoE drivers or third party software on any store equipment.
- Each Center must lease and use the current designated VPN router or any new VPN router designated by JLI and approved by the TSAB. Routers shall be leased and obtained from the designated POS hardware vendor. No changes to the router should be attempted without approval from the designated POS VPN hosting group or designated POS support group.
- If devices other than those designated for use in the POS system and approved by JLI and the TSAB will be sharing the broadband connection, then a switch or router will be required on the connection to segregate the VPN router from the other devices. Only switches or routers approved by JLI and the TSAB may be used in Centers.

- Broadband provider must support multiple connections from a store over a single link. Provider equipment must be configurable to pass IPsec sessions, providing a secure way to pass data to/from the POS VPN hosting environment.
- In some rare instances, ISP standard broadband modems/routers are not compatible with POS VPN hosting environment components and can only be verified at the time of installation. It is suggested you contact your provider to verify the make and model of the provider default modem or other required equipment and ask POS Support if there are any known issues with implementation of that equipment.
- The ISP and provided equipment must support an MTU size of 1400 or greater.
- JLI and designated POS vendors are not responsible for resolution of communication related problems of external broadband providers. JLI and designated POS vendors can only verify whether the POS application at the store and that the host environment at the Data Center are functioning properly. The Franchisee will be responsible for working with the ISP to troubleshoot and resolve communication problems.

ATTACHMENT B TO POS ADDENDUM

HARDWARE SUPPORT AGREEMENT

This Hardware Support Agreement is made effective as of the date reflected in the POS Addendum (“Addendum”) to which this document is Attachment B, by and between JLI and Franchisee, as specifically identified in the Addendum.

1. The service level described in this Section 1 will be the same across all Franchisee’s locations (i.e., all stores have the same support). Hardware support coverage can only be initiated in conjunction with the start of a new equipment lease term.

Service calls for Critical Equipment received on Saturday will be shipped for Monday delivery. Calls received after 3:00 PM CST weekdays and 1:00 CST PM Saturdays will be shipped the following business day.

Defective equipment must be returned within 3 days of receipt of replacement equipment. Return shipping costs are included during this time period. After 3 days, the Franchisee assumes return shipping costs. If the equipment is not returned within 5 days, the Franchisee will be invoiced for the replacement cost of the hardware.

Critical equipment, as listed in Exhibit B hereto, is covered through overnight shipment of replacement equipment. All other supported equipment is covered through ground shipping of replacement equipment. No on-site visits by service technicians are included. Currently, JLI ships all equipment, including non-critical equipment, overnight. JLI will set an effective date on which only Critical Equipment will be shipped overnight as described herein, and that date shall be effective for all Centers.

A new lease will automatically be initiated and new equipment covered by the lease shall be sent to replace certain equipment as the current lease terminates. For certain optional gear, such as Bay CPUs or wireless access points, franchisees will have the option to not initiate a new lease, but the old equipment must be taken out of service unless JLI explicitly grants permission for it to remain in service. Exhibit B contains a current list of equipment for which leases will be automatically renewed.

Franchisee will pay **\$68.00** per store per month for the Hardware Support Coverage described herein. Such rate will become effective for each Center upon installation of the updated POS Software into the Center.

2. Franchisee will supply a dedicated electrical power line as required on the manufacturer's specification for the listed equipment or as deemed necessary by JLI.

3. Franchisee will notify JLI or its designated agent when service is required.

4. This Hardware Support Agreement is nontransferable and is applicable only to equipment under a current lease or otherwise explicitly agreed to by JLI and the TSAB. The use of any unauthorized materials, added software, hardware, or services will automatically cause this Hardware Support Agreement to become null and void.

5. Franchisee agrees to the terms set forth in Exhibit A to this Hardware Support Agreement.
6. JLI will service (or arrange for a third party to service) the equipment described in Section 1, and replace without additional charge all covered parts worn out through reasonable and normal use and provide emergency service. Damage or losses resulting from abuse, misuse or acts of God are not covered. Ribbons, paper and other consumables are not covered.
7. ONLY "COVERED HARDWARE" AS LISTED ON EXHIBIT B IS COVERED UNDER THE TERMS OF THIS HARDWARE SUPPORT AGREEMENT.
8. All equipment returned at the end of the lease must be of the same manufacture, model, and configuration as originally leased and must be in good, working condition. Franchisee understands that Franchisee will be responsible for an additional charge for equipment that is returned in less than good working condition.
9. Either party may terminate this Hardware Support Agreement upon not less than 90 days prior notice.

NO TERMS OR CONDITIONS, EXPRESSED OR IMPLIED, ARE AUTHORIZED UNLESS THEY ARE WRITTEN IN THIS HARDWARE SUPPORT AGREEMENT OR ADDENDUM TO WHICH IT IS ATTACHED OR IN AN AMENDMENT TO THIS AGREEMENT SIGNED BY FRANCHISEE AND JLI. THIS HARDWARE SUPPORT AGREEMENT SHALL BECOME EFFECTIVE ONLY AFTER EXECUTION BY FRANCHISEE AND A JLI OFFICER.

EXHIBIT A TO HARDWARE SUPPORT AGREEMENT

GENERAL PROVISIONS

1. **PURPOSE.** This Hardware Support Agreement covers the cost of covered hardware parts and labor for adjustments, repairs and replacement of parts necessitated by normal use of the equipment and as specifically provided. Damage or losses resulting from accident, misuse or other events such as fire, theft, water damage, power surges or for any other cause external to the machine are not covered. The use of unauthorized parts, components, modifications or personnel to affect repairs or changes will cause this Agreement to be null and void.
2. **TERMS.** This Hardware Support Agreement shall become effective immediately upon execution of the POS Addendum and attachments. Franchisee shall pay JLI, monthly in advance, the monthly charges shown in Section 1 of this Hardware Support Agreement for hardware support. This Hardware Support Agreement shall be for a three-year term from the original installation date of the covered hardware and continue indefinitely until cancellation by either party. Cancellation of this Hardware Support Agreement caused by the Franchisee does not release the Franchisee of the full balance due under this Hardware Support Agreement. Balance upon default will become immediately due and payable. Payment in full of payment owed under this Hardware Support Agreement will reinstate the Hardware Support Agreement for the balance of the term. However, JLI assumes no responsibility and specifically disclaims any liability for damages occurring during the period this Hardware Support Agreement is not in effect.
3. **AMENDMENTS.** Oral agreements are not part of this Hardware Support Agreement. No one is authorized to change, alter or amend the terms or conditions of this Hardware Support Agreement unless agreed to in writing by an officer of JLI.
4. **CANCELLATION.** This Hardware Support Agreement may be cancelled by either party at any time provided that written notice is received at least ninety (90) days prior to the desired cancellation date. Charges relative to this Hardware Support Agreement are not refundable either partially or fully. However, if cancellation is effected by JLI, then payment, based pro rata on the unused portion of this Hardware Support Agreement, will be refunded. In the event the manufacturer shall cease to make, service or stock a part(s) JLI shall no longer be obligated to maintain it under the terms of this Hardware Support Agreement.
5. **RELOCATION.** This Hardware Support Agreement is assigned to the equipment at the location specified and is transferable only if the equipment should be relocated to another area within the service area of JLI. However, any cost that may be involved in the relocation of the equipment specified is not covered by this Agreement.
6. **DISCLAIMER OF WARRANTY.** JLI expressly disclaims warranties of any kind and nature. Only manufacturer warranties are available to Franchisee. JLI's responsibilities under this Hardware Support Agreement shall be limited to obtaining support and repair or replacement of covered hardware from an appropriate vendor in accordance with the terms of this Agreement.
7. **SUPPLIES.** If Franchisee uses other than JLI's recommended supplies, and if such supplies result in excessive service calls or are not compatible with the equipment, then the coverage under this Hardware Support Agreement may not apply. Under the same circumstances

this Hardware Support Agreement may be terminated with a refund of the unused portion. Subsequent service will then be provided only on a charge per call basis.

8. **POWER SURGE PROTECTOR.** Franchisee agrees to purchase and install a JLI approved power surge protector prior to operation of any of the equipment covered under this Hardware Support Agreement. Failure by the Franchisee to at all times operate the power surge protector when equipment is in use shall at the option of JLI render this Hardware Support Agreement null and void.

9. **REPAIR DOWN TIME.** In the event covered equipment malfunctions and JLI, or its designated third party vendor, is not able to remedy the situation via phone support, then JLI, at its option, may either authorize on-site service or ship out replacement component(s) with return shipping authorized for the defective component(s). In the event JLI determines that the malfunction was due to operator error, then Franchisee agrees to pay all shipping costs and JLI time and billing charges in making the repair. JLI liability is specifically limited to repair and/or replacement of defective hardware covered by this Hardware Support Agreement.

10. **DISCLAIMER.** IN NO EVENT SHALL JLI BE LIABLE TO FRANCHISEE FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES IN ANY WAY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE HARDWARE. IN ADDITION, JLI'S LIABILITY TO FRANCHISEE FOR DIRECT DAMAGES ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE HARDWARE SHALL IN NO EVENT EXCEED THE TOTAL AMOUNT ACTUALLY PAID BY FRANCHISEE FOR THE HARDWARE. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to Franchisee.

ATTACHMENT C TO POS ADDENDUM

JIFFY LUBE® POS SOFTWARE LICENSE AGREEMENT

THIS POS SOFTWARE LICENSE AGREEMENT (the “**POS License Agreement**”) is made effective upon the installation of the updated POS Software in the Center as provided for in the POS Addendum (“Addendum”) to which this document is Attachment C, by and between JLI and Franchisee, as specifically identified in the Addendum.

RECITALS

This POS License Agreement describes the terms and conditions under which Franchisor licenses to Franchisee the right to use the Jiffy Lube POS Software in the operation of the Center. Capitalized terms in this POS License Agreement shall have the same definition as in the Franchise Agreement between the parties (the “**Agreement**”).

1. License. Franchisor hereby grants to Franchisee a non-exclusive license to use the POS Software, as is and as it may be modified from time to time in connection only with the operation of the Center identified in the Agreement, in strict conformance with this POS License Agreement. The POS Software is part of the System.
2. Term. This POS License Agreement becomes effective upon installation of the POS Software on computer hardware approved by Franchisor in Franchisee’s Service Center and ends upon the expiration or termination of the Agreement.
3. Ownership. Franchisee will acquire no ownership in the POS Software. If the POS Software is shared between multiple computer workstations on a communications network (not including “bay terminals” at the Franchised Center), each computer workstation must have its own separate POS Software. When this POS License Agreement expires or is terminated, Franchisee will return to Franchisor or destroy all copies of the POS Software provided by Franchisor (including copies in memory or data storage apparatus under Franchisee’s control) together with any manuals, disks or other media containing or describing the POS Software; Franchisee will then warrant in writing to Franchisor within 30 days of termination or expiration of this POS License Agreement that the POS Software, related materials and all copies thereof have been returned to Franchisor or destroyed.
4. Restrictions on Copying.
 - 4.1 Restrictions on Copying. Franchisee may copy the POS Software, in whole or in part, only for backup and archive purposes. No more than one copy that can be executed or “run” may be in existence at any one time. Each copy will include, in readable format, any and all confidential, proprietary and copyright notices or markings contained on the original provided by Franchisor.
 - 4.2 Communication of Restrictions. Franchisee agrees to communicate the restrictions that apply to use and copying the POS Software to Franchisee’s employees and to other agents of Franchisee who use the POS Software.

5. Prohibition of Unauthorized Use. Franchisee will not knowingly use, or permit anyone else to use any portion of the POS Software for the purpose of deriving its source code. Franchisee agrees to use all reasonable efforts to ensure that Franchisee's employees and other agents who use the POS Software abide by the terms and conditions of this POS License Agreement insofar as it relates to the POS Software. If Franchisee becomes aware that the POS Software is being used in a manner not authorized by this POS License Agreement or the Agreement, Franchisee will immediately use all reasonable efforts to cause such unauthorized use of the POS Software immediately to cease. Franchisee will notify Franchisor of any unauthorized use as soon as practical after its discovery.

6. Copyright. The POS Software is protected by copyright and/or similar laws against unfair competition. Depending upon the POS Software provided, the copyright may be owned by Franchisor or by an affiliate of Franchisor or an unrelated entity. Franchisee may be held responsible by the copyright owner for use of the POS Software in any manner not authorized by this POS License Agreement.

7. Limited Warranties.

7.1 Limited Warranties.

(a) Conformance with Documentation. Franchisor warrants that for a period of 180 days from date of delivery of the POS Software to Franchisee, the POS Software performance and functional behavior will conform in all material ways to the performance defined in documentation relating to the POS Software (*e.g.*, manuals, guides, exclusion documents and computer-aided instructions); *provided*, however, that Franchisor does not warrant that the operation of the POS Software will be uninterrupted or error-free. Franchisee's sole and exclusive remedy for any failure of the POS Software to conform to the warranty described in this Section 7.1(a) is to notify Franchisor in writing of such nonconformity within 180 days of the POS Software's delivery to Franchisee. Franchisor will immediately notify TSAB of such nonconformity following Franchisor's receipt of the initial notice from Franchisee. Franchisor's sole obligation under this Section 7.1(a) will be to remedy the nonconformance issue within a reasonable time after Franchisor receives the notice of nonconformity.

(b) No Viruses. Franchisor represents and warrants that the initial release of the new POS Software delivered by Franchisor to Franchisee and all subsequent releases, updates, upgrades, enhancement and bug fixes do not and will not contain any virus or any other contaminant, or disabling devices, including, but not limited to, codes, commands or instructions that: (i) disrupt, damage or interfere with Franchisee's use of its computer or telecommunications facilities for its commercial purposes, (ii) permit Franchisor or its licensors to access, remotely or otherwise, the POS Software programs or Franchisee's data, information or systems, including its network, with the exception of normal support activities performed by JLI or its providers; (iii) cause harmful, malicious or hidden procedures, routines or mechanisms which could cause the POS Software to cease functioning or damage or corrupt data, storage media programs, equipment

or communications or otherwise interfere with Franchisee's operations; (iv) perform functions which are not an appropriate part of the functionality of the POS Software and whose result is to disrupt, disable or impair the use or operation of such POS Software; or (v) contaminate the POS Software, or modifies, destroys, records or transmits data, or code without the intent or permission of the Franchisee or performs any other actions which have the effect of materially impairing Franchisee's use of its computer or telecommunications systems for commercial purposes in compliance with the Franchise Agreement. JLI expressly disclaims any warranty against viruses or other destructive programs or codes which may enter Franchisee's systems, including the POS System and updates thereto once delivered by Franchisor to Franchisee, as a result of Franchisee or third party actions. Franchisor will provide current virus protection and make reasonable efforts to keep it up to date, and consult with TSAB regarding implementation of reasonable user access security protocols and firewall protection. Furthermore, Franchisor will not make any changes to the security measures used by Franchisor in connection with the POS system that would be contrary to industry standard best practices and/or create a security vulnerability without first obtaining TSAB's prior written consent.

(c) Compatibility. Franchisor represents and warrants to Franchisee that it will make every reasonable effort to ensure that the POS Software integrates and operates in conjunction with, without any corresponding diminution in functionality or performance, any and all updates, upgrades, security patches, bug fixes and/or any other similar security or performance-enhancement releases made available to Franchisee in connection with any widely-deployed operating system or similar software within ninety (90) days of Franchisee's receipt of any such release.

(d) Compliance with Law. Franchisor represents and warrants to Franchisee that it will comply with its reasonable interpretation of all applicable laws, statutes, rules and regulations applicable in the performance of its obligations under this Addendum, including, without limitation, any export or import control laws and regulations that are applicable to Franchisor's business and/or to the licensing of the POS Software to Franchisee hereunder and/or the Software Support Services provided to Franchisee hereunder.

7.2 DISCLAIMER OF OTHER WARRANTIES. THE EXPRESS LIMITED WARRANTIES SET FORTH IN SECTION 7.1 OF THIS POS LICENSE AGREEMENT ARE IN LIEU OF ALL OTHER EXPRESS WARRANTIES. THE IMPLIED WARRANTY OF MERCHANTABILITY IS LIMITED TO THE DURATION OF THE EXPRESS LIMITED WARRANTY. FRANCHISOR DISCLAIMS ALL OTHER EXPRESS AND IMPLIED WARRANTIES WITH REGARD TO THE POS SOFTWARE, INCLUDING ANY IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE AND, FOLLOWING EXPIRATION OF THE EXPRESS LIMITED WARRANTY, THE IMPLIED WARRANTY OF MERCHANTABILITY OR ANY WARRANTY OF

CONFORMITY TO MODELS, SAMPLES OR PROTOTYPES. FRANCHISOR ALSO DISCLAIMS ANY AND ALL WARRANTIES OF OR REPRESENTATIONS CONCERNING THE POS SOFTWARE MADE BY PERSONS OTHER THAN FRANCHISOR OR ITS AUTHORIZED REPRESENTATIVES.

7.3 Possible Warranty Rights Under State Law. Some states do not allow limitations on how long an implied warranty lasts; if this is the case in the state in which the Franchised Center is located, the limitation in Section 7 of this Agreement will not apply to Franchisee.

8. Indemnification. At Franchisor's expense, Franchisor will defend Franchisee from and against any and all third party claims, losses, damages, suits, fees, judgments, costs and expenses (collectively referred to as "Claims") which may be incurred by, asserted against, or recoverable from Franchisee arising out of or relating to a Claim that the POS Software infringes upon or misappropriates any patent, trade secret, copyright or other intellectual property or proprietary right, *provided* that Franchisee promptly notifies Franchisor in writing of the Claim, allows Franchisor to defend the Claim with attorneys of Franchisor's choice, and cooperates with Franchisor, at Franchisor's cost, in the course of its defense of such Claim. Because Franchisor is willing to undertake Franchisee's defense of these Claims, as set forth above, Franchisor will not be responsible for Franchisee's litigation fees or expenses, or costs associated with voluntary settlements by Franchisee unless Franchisor has agreed in writing to pay such fees, expenses or costs. To settle or avoid a Claim or possible Claim of infringement, Franchisor may, at its option and at no cost to Franchisee, obtain a license from the owner of software upon which the POS Software is or may be claimed to infringe, or modify the POS Software, or substitute different POS Software that is substantially equivalent to the infringing portion of the POS Software provided, however, that the modified version does not materially adversely affect the functions or features of the POS Software. Franchisor is not liable for any infringement due to the extent that (a) the POS Software being modified to specifications provided by Franchisee, or (b) the POS Software being used in combination with equipment, software, or supplies not provided or specified by Franchisor, in the documentation or User Guide and such infringement would not have occurred but for such combination or unintended or unauthorized use of the POS Software. Franchisor makes no other express or implied warranty of non-infringement and, except as provided in this Section 8, accepts no other liability in connection with infringement by the POS Software upon any patent, trade secret, or copyright. For clarity, no limitation of liability or exclusion of consequential damages in this POS License Agreement or the Addendum shall limit Franchisor's obligation to defend Franchisee pursuant to this Section.

9. Technical Support. Franchisee and its employees may contact Franchisor's POS Software technical support service ("Software Support Service") by telephone, electronic, fax or written communication from 7:00 a.m. to 8:00 p.m., central time prevailing in Houston, Texas, Mondays through Fridays, excluding holidays. Franchisor will provide an "on call" service technician to attempt to answer questions relating to the POS Software on a limited basis in addition to the hours listed above. The Software Support Service will (a) attempt to answer the reasonable questions of Franchisee and its employee pertaining to (i) the POS Software documentation ("User Guide") and (ii) the use and operation of the POS Software, (b) receive reports of known or suspected errors in the User Manual and the POS Software, and (c) provide Franchisees and their employees with corrections and/or "workarounds" for reported errors.

10. Franchisor represents, warrants and covenants to Franchisee that the availability of the POS Software and the response time service level agreements (“SLAs”) will correspond to the SLAs provided from JLI’s POS Software hosting agent, or JLI will pursue contractual provisions with agent to restore services to agreed-upon levels. Furthermore, Franchisor represents that it has or will provide TSAB with a copy of the SLAs for the POS Software provided from the POS Software hosting agent to Franchisor, including service remediation or restoration terms, which may be redacted to remove irrelevant or confidential information. JLI will provide an online User Guide that will be accessible to all authorized POS users.

11. POS Software Maintenance Corrections. Franchisor will loan Franchisee one copy of any corrections to the POS Software or the User Manual.

12. Service Limitations.

12.1 Remote Services Only. Unless otherwise provided in this POS License Agreement, the Software Support Service is remote services only.

12.2 Exclusions from Software Support Service. The Software Support Service does not include failure of software due to equipment or software not meeting Franchisor’s specifications, catastrophe, operator error, fault or negligence on the part of Franchisee or its employees, or other, similar damages.

12.3 Withdrawal of Software Support Service. Franchisor may withdraw individual items from coverage under this Agreement upon 120 days’ prior written notice, if such items are no longer generally in use by Franchisor or its franchisees.

12.4 Additional Training. Franchisee may be required to provide additional training to its employees if excessive service calls related to operator error occur.

13. Media Distribution. Unless otherwise provided in this Agreement, Franchisor will distribute POS Software media via broadband.

14. No Unauthorized Use or Alteration of the POS Software. Franchisor’s obligation to provide Software Support Service does not extend to any modification or alteration of the POS Software (other than by Franchisor’s authorized personnel) or any unauthorized use of the POS Software. Franchisee shall not modify, or permit its employees to modify, the POS Software. Franchisee shall not use, or permit its employees to use, the POS Software in any way except in connection with operation of the Center.

15. No Implied Assistance or Documentation. Except as provided in this POS License Agreement, Franchisor has no obligation to provide any enhancements, upgrades, updates, new releases or assistance with regard to the POS Software.

16. Costs Associated with the POS System.

16.1 Costs of Installation. Franchisee will pay all costs associated with installation of the POS System at the Center, including any extraordinary costs resulting from special installation needs (such as construction, remodeling, rewiring, additional wiring, or telephone line installation), and for all costs of hardware in addition to that which is provided by Franchisor pursuant to the Agreement.

16.2 [Intentionally Deleted]

16.3 Franchisee's Other Costs. Except as provided in Section 16.2 of this Agreement, Franchisee will pay all costs of operation of the POS system, including (a) the cost of a broadband connection, if necessary, (b) labor costs, (c) all costs of hardware maintenance, licenses, repair, upgrades and replacement, (d) charges for support, which shall be charged (on a per installation per franchise entity basis and not a per franchise agreement basis) at a rate set from time to time by Franchisor but which shall not exceed \$160 per month, unless approved by TSAB or required as a contractual increase approved by JLI and the TSAB with a designated POS vendor or service provider and (e) charges for POS Software support services other than those provided under this Agreement which, if provided by Franchisor or an affiliate of Franchisor, will be invoiced to Franchisee at the servicing entity's "per-call" rates according to terms and conditions in effect when the service is performed, together with room, board and travel charges incurred by any service technician.

17. Operation of the POS System. Franchisee will operate the POS system according to the standards and procedures prescribed by Franchisor from time to time, including but not limited to the standards and methods for communication with Franchisor as stipulated in the Manual. Franchisee will, among other things, transmit individual invoice information daily to Franchisor, including specified customer data (such as customer names and addresses including postal zip codes). Except as otherwise provided in the Agreement, Franchisor may not sell, disclose, or use data transmitted to it by Franchisee for the benefit of any other person or entity without Franchisee's consent.

18. Changes in the POS System. From time to time, Franchisor may find it desirable to modify or replace the POS Software it has provided to the Franchisee or to change the specifications for, and require the replacement of, the POS hardware used in conjunction with the POS Software. Franchisor will solicit comments from franchisees before making any substantial modification in the POS system. Franchisor may satisfy this obligation by soliciting comments from (a) a committee or group of franchisees formed specifically to monitor POS matters (which may also include representatives of Franchisor); or (b) from a representative sample of Franchisor franchisees.

19. Restriction on Provision of Unique POS Characteristics to Others. Franchisor may develop other proprietary POS software for the System, or may license POS software for use by the System from others, each of which shall be deemed to be included as POS Software as defined in this Agreement. Without TSAB approval, Franchisor may not license, sublicense, furnish, or provide any enhancements to the POS system developed specifically for Franchisor to any person or entity which may be in competition with the Jiffy Lube System other than a Jiffy Lube franchisee or a Center operated by Franchisor or an affiliate of Franchisor.

20. Amendments. Oral agreements are not part of this POS License Agreement. No one is authorized to change, alter or amend the terms or conditions of this POS License Agreement unless agreed to in writing by an officer of Franchisor and Franchisee.

21. Transfer. Franchisee may not transfer this POS License Agreement or Franchisee's rights under this POS License Agreement except in conjunction with a transfer permitted by the Agreement.

22. Conflicts. Should any conflicts occur between this POS License Agreement and the Franchise Agreement, the terms and conditions of this POS License Agreement shall control.

23. Default.

23.1 Franchisor's Right to Terminate Without an Opportunity to Cure. If Franchisee defaults on the restrictions described in Sections 5 or 14 of this POS License Agreement, Franchisor may terminate this POS License Agreement without notice to Franchisee and without an opportunity to cure.

23.2 Default under Franchise Agreement. If either party defaults under any of its obligations under this POS License Agreement except a default covered by Section 24.1, the breaching party shall have thirty (30) days in which to reasonably cure such default after the non-breaching party's notice to the breaching party or if such default is of a nature that it cannot reasonably be completely cured in thirty (30) days, the breaching party must begin and diligently pursue a cure within thirty (30) days after its receipt of a written notice of default from the non-breaching party, but may have a reasonable time within which to cure such default. If any default described in the notice of default given under this Section is not cured or a cure not begun and diligently pursued within the time provided in this Section, then the non-breaching party may terminate this POS License Agreement without further notice.

24. Bankruptcy Matters. In the event of the insolvency of, or the voluntary or involuntary filing of a petition in bankruptcy by or against Franchisor or its licensors of the POS Software, in order to preserve fully Franchisee's rights under Section 365(n) of the Bankruptcy Code of the United States (11 U.S.C. Section 365 (n)) (the "Bankruptcy Code"), the following provisions shall apply:

24.1 The parties agree that it is their intent: (i) to obtain for Franchisee the broadest possible interpretation of the protection afforded licensees under the provisions of Section 365(n) of the Bankruptcy Code; and (ii) that Franchisee's business operations not be disrupted in any manner in the event that the intellectual property and any related property and services that are the subject of this Agreement are not available from Franchisor in the manner contemplated by this Agreement.

24.2 The parties further agree that to the extent that this Agreement is determined to be an executory contract under Section 365 of the Bankruptcy Code, it is an intellectual property license within the meaning of Section 365(n)(1) of the Bankruptcy Code.

24.3 If a bankruptcy proceeding is commenced and this Agreement is rejected by Franchisor, as appropriate, the trustee in bankruptcy, upon such rejection Franchisee shall have the right, at Franchisee's option, either to terminate this Agreement or to elect to retain its licensed rights to the POS Software under the terms of this Agreement.

25. Escrow.

25.1 Escrow Account: Franchisor shall at its expense establish an escrow account with an intellectual property escrow agent reasonably acceptable to TSAB (the "Escrow Agent")

pursuant to an escrow agreement (“Escrow Agreement”) for the safekeeping of the Source Code for all POS Software, including the source code for all updates and upgrades to the Software as such updates and upgrades are made available by Franchisor. Franchisor warrants and covenants that it will provide TSAB with the name and contact information of the Escrow Agent within ninety (90) days of the POS system becoming 98% available to the Franchisee. As used herein, “Source Code” shall include all or any portion of the source code relating to the POS Software or any other declarations, instructions, functions, loops or other statements controlling the function of such POS Software, in each case together with all modifications, revisions, updates, and upgrades thereto. Franchisor shall execute documentation necessary to name TSAB, or if TSAB ceases to exist, JLAF, or if JLAF ceases to exist, “franchisees operating under an effective Jiffy Lube Franchise Agreement”, as a third party beneficiary of the Escrow Agreement (such party referred to herein as the “Current Escrow Beneficiary”) in the event that JLI ceases to serve as Franchisor and there is no successor to assume the position of the Franchisor. Upon execution of the Escrow Agreement, Franchisor shall provide the Current Escrow Beneficiary with a copy of the Escrow Agreement and the contact information for the Escrow Agent and shall notify Current Escrow Beneficiary immediately in writing of any changes to the Escrow Agreement or such contact information.

25.2 Escrow Event: The Escrow Agreement shall provide that the Escrow Agent will release the Source Code for the POS Software and other related documentation to Current Escrow Beneficiary in the event that JLI ceases to operate as Franchisor in the normal course of business and there is no successor to assume the role as the Jiffy Lube Franchisor.

25.3 License: In the event that the Escrow Agent releases the Source Code to the Current Escrow Beneficiary, Franchisor hereby grants the Current Escrow Beneficiary a source code license to use, copy, and modify the Source Code to the extent necessary to continue to use and maintain the POS Software as contemplated by this POS License Agreement and for no other purpose. Franchisor will promptly and continuously provide to the Escrow Agent any updates and upgrades, and all documentation related thereto which have been implemented for Franchisee’s version of the POS System. The Source Code will be in a form suitable for reproduction and use by computer and photocopy equipment and will consist of a full source language statement of the program or programs comprising the POS Software and complete program maintenance documentation that comprises the pre-coding detail design specifications, and all other material necessary to allow a reasonably skilled programmer or analyst to maintain the POS Software without the assistance of Franchisor or reference to any other materials.

26. Notices. Absent notice to the contrary in writing, any and all notices required to be given to Franchisor or Franchisee under this POS License Agreement will be sent by overnight courier or facsimile (with receipt of confirmed transmission) addressed to such part at the address set forth beneath the signature of that party’s representative below.

27. Governing Law and Venue. The parties agree to be bound by the provisions of the Agreement relating to governing law and dispute resolution with respect to the interpretation and enforcement of this POS License Agreement; provided, however, that the parties agree that the state or federal courts of the defendant’s principal place of business will have exclusive jurisdiction

over the resolution of all disputes that arise under this POS License Agreement, and each party irrevocably submits to the personal jurisdiction of such courts. For illustration purposes only, if Franchisee initiates a claim against Franchisor under this POS License Agreement, Franchisee must initiate such claim in the state or federal courts of the county and state in which Franchisor has its principal place of business.

28. Miscellaneous.

28.1 Waiver and Estoppel. Any failure by Franchisor or Franchisee to promptly avail itself of any default of the other will not operate as an estoppel so as to prevent the non-defaulting party from asserting the default at a subsequent time.

28.2 Parties Covered. The word “Franchisee” in this POS License Agreement also includes the equity holders, officers and directors of a corporate Franchisee, and all partners of a partnership Franchisee with respect to all provisions of this POS License Agreement relating to the use or restrictions on use of the POS Software.

28.3 Interpretations. The caption headings of this POS License Agreement are for convenience only and will in no way affect the manner in which any provision hereof is construed. Whenever the context requires, the singular will include the plural, the plural will include the singular and any gender will include all other genders.

ATTACHMENT D – TO POS ADDENDUM

JIFFY LUBE DATA DELIVERY SERVICE AGREEMENT

This Data Delivery Service Agreement (“DDS Agreement”) is entered into by and between Jiffy Lube International, Inc. (“JLI”) and Franchisee (also referred to herein as “Entity” or “Franchisee Entity”) as specifically identified in the POS Addendum (“Addendum”) to which this DDS Agreement is attached as Attachment D. This DDS Agreement becomes effective as of the date that the updated POS Software is installed in the Franchisee’s first Center as provided in the Addendum.

RECITALS

In POSnet, JLI had developed and supported a proprietary Data Delivery Service (“DDS”) consisting of a series of internal processes and software, which delivered Jiffy Lube Franchisee Entity specific data to the respective Entity for each of the Franchise Centers (“Center”) the Entity owns. With the new POS system, the same Entity specific data will be maintained in centrally hosted accessible databases, such that each Entity may connect when it desires to access or retrieve its data. Data will be available near real time, meaning shortly after it arrives into the corporate database from each Center.

Franchisee wishes to license from JLI the DDS upon the terms and conditions contained in this DDS Agreement and JLI has consented to license to Franchisee its DDS upon the terms and conditions contained in this DDS Agreement.

TERMS AND CONDITIONS

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

1. License. During the term of this DDS Agreement, JLI hereby grants to Franchisee a non-exclusive, non-transferable license to use DDS solely for use with business attributable to Jiffy Lube® branded automotive lubrication and preventive maintenance centers licensed to Franchisee pursuant to Franchise Agreements entered into between JLI and Franchisee.
2. Operating Environment. Franchisee understands and agrees that it must establish and maintain, at its own expense, an operating environment suitable for accessing and processing DDS data. Franchisee is responsible for ongoing maintenance of the environment. JLI assumes no responsibility in supporting any DDS environments or processes beyond the corporate source DDS database for each subscribing Entity.
3. Establishment of DDS. JLI requires thirty days advance notice (as established by receipt of this signed Agreement from Franchisee) to provision DDS for a Franchisee Entity and provide access credentials.
4. Fees. The monthly fee for DDS per entity group, not entity, is based on the number of stores, \$200 for 1 to 25 stores, \$400 for 26 to 99 stores, or \$850 for > 99 stores. The monthly fee will be billed to Franchisee Entity via its regular monthly statement from JLI.

The monthly fees described here shall not go into effect until 90% of a Franchisee's centers have been converted to the new POS system, at which time it will supersede the former fees. The fee structure will be reviewed annually and is subject to change upon not less than 30 days prior written notice with approval by the TSAB.

All costs associated with establishing and maintaining the specified environment will be at the expense of the Franchisee Entity.

5. Use of Service Provider. Franchisee Entity may request in writing that a third party service ("Service Provider") to receive data on its behalf. No arrangement will be made directly with a Service Provider without Franchisee's specific written request. JLI reserves the right to decline to utilize any Service Provider requested by Franchisee Entity for any reason. If JLI grants Franchisee Entity's request to use a Service Provider, Franchisee Entity understands that such Service Provider will be subject to JLI review and audit procedures. Franchisee Entity further understands that it shall be responsible for ensuring Service Provider's compliance with the terms and conditions of this DDS Agreement, including, without limitation, the provisions of Paragraph 87 (Confidentiality). Franchisee Entity shall remain solely responsible for fulfilling the provisions of Paragraph 4 (Fees).

The Service Provider may be subject to a separate fee structure as established between the Service Provider and JLI. JLI reserves the right to revoke use of any Service Provider by Franchisee Entity for any reason upon not less than 90 days prior written notice or without notice for cause.

6. Restrictions. DDS data should be accessed from a single location per Franchisee Entity. That is, a Franchisee or its nominated Service Provider should access data, not both. This restriction is inclusive of ad-hoc requests regardless of the requestor. The DDS service shall be used exclusively for a Franchisee Entity or its nominated service provider to access or retrieve Franchisee's Jiffy Lube® store-generated data. Any other use of DDS in its entirety or any component thereof is strictly prohibited by Franchisee Entity or its designated Service Provider.

Neither Franchisee Entity nor designated Service Provider may alter any component of the DDS service without express written consent of JLI. Components include, but are not limited to, tables, views, indices, stored procedures, or other tools or applications loaded for explicit purpose of enabling the DDS service. Franchisee Entity acknowledges that any change to any component of DDS could disrupt operation of the DDS service and cease the flow of data to the designated location. In such an event, JLI will not guarantee when service could be restored.

JLI is not obligated to provide support for any processes utilizing the data delivered by DDS. Any downstream process or query built on the database is the sole responsibility of Franchisee Entity or its approved Service Provider.

Franchisee Entity or its approved Service Provider is responsible for establishing and following their own data back up and retention policy, including executing any data archival or purge for data delivered via DDS over time. JLI will keep data for the last 12

full months plus the current month for a Franchisee Entity's Centers in the Franchisee Entity's DDS database. Data older than that will be purged from the Franchisee Entity's DDS database and it will be the responsibility of the Franchisee Entity to maintain and save it locally if the Franchisee Entity wishes to keep the data for a longer period.

7. Technical Requirements. DDS subscribing entities must have a terrestrial broadband connection with a minimum bandwidth speed of 5mb for uploads and 10mb for downloads, with recommended 100mb download and 20mb upload. DDS subscribing entities must also use a VPN router initially designated by JLI or any new router designated by JLI and approved by the TSAB, to establish a constant hardware VPN tunnel from the Franchisee Entity's back office site to the cloud site where their DDS data resides. One VPN router will be necessary for each DDS subscription for use by subscribing Franchisee or his designee. Each Franchisee Entity will be provided with VPN connection instructions and account credentials to use with the established hardware VPN tunnel to access the Franchisee Entity's DDS data. JLI reserves the rights to add, modify, change or delete any of its technical requirements upon not less than 60 days prior written notice, after consulting or seeking approval from the TSAB as specified in the TSAB Operating Guidelines.
8. Confidentiality. Franchisee Entity acknowledges that by reason of the disclosure to Franchisee Entity of details concerning DDS, Franchisee Entity is in a position of special trust and confidence with respect to JLI. Franchisee Entity acknowledges that the value of DDS could be substantially impaired if wrongfully disclosed to third parties. Franchisee Entity shall use all reasonable efforts to ensure that DDS (including any individual components and associated documentation), and any portion thereof, on magnetic tape or disk or in any other form, is not disclosed or made available to any other third party except as expressly provided in this DDS Agreement.

Franchisee Entity shall not use, in any manner, DDS other than as expressly authorized in this DDS Agreement and shall take every reasonable precaution to protect the confidentiality of the same.

On expiration or termination of this DDS Agreement for any reason, Franchisee Entity shall promptly return all copies of DDS and cause its approved Service Provider to do the same.

Franchisee Entity agrees to never attempt to access any data other than its own, and agrees to report any suspected improper attempts to access its own data.

9. No Warranties.
 - a. JLI does not warrant that the operation of DDS will be uninterrupted or error-free. Franchisee Entity's sole and exclusive remedy for failure of DDS to conform in all material ways with this DDS Agreement is limited to return DDS to JLI and notify JLI in writing of such nonconformity.
 - b. JLI shall not be responsible for any damage an unauthorized code may do to DDS or the hardware.
 - c. **JLI DISCLAIMS ALL EXPRESS OR IMPLIED WARRANTIES WITH**

RESPECT TO DDS, INCLUDING WITHOUT LIMITATION ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT OR ANY WARRANTY OF CONFORMITY TO MODELS, SAMPLES OR PROTOTYPES. JLI ALSO DISCLAIMS ANY AND ALL WARRANTIES OF OR REPRESENTATIONS CONCERNING DDS MADE BY PERSONS OTHER THAN JLI OR ITS AUTHORIZED REPRESENTATIVES. IN NO EVENT WILL JLI BE LIABLE TO FRANCHISEE ENTITY OR ITS SERVICE PROVIDER FOR ANY SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES INCLUDING LOSS OF PROFITS, LOSS OF REVENUE OR SAVINGS, BUSINESS INTERRUPTIONS, DATA LOSS, LOSS OF BUSINESS OPPORTUNITY OR GOODWILL) IN ANY WAY ARISING OUT OF OR RELATING TO DDS EVEN IF THE LOSS WAS REASONABLY FORESEEABLE.

10. Term. Unless sooner terminated as provided in this DDS Agreement, this DDS Agreement is for a term of one year and shall thereafter automatically renew for additional one year periods.
11. Termination. This DDS Agreement may be terminated as follows:
 - a. By either party upon not less than 60 days prior written notice; or
 - b. By JLI upon 30 days prior written notice if Franchisee Entity fails to remit the fees specified herein on or before their due date;
 - c. By JLI immediately if Franchisee Entity or its approved Service Provider breach any provision of this Agreement other than as set forth in Paragraph 4 (concerning fees)
12. Severability. If any term or provision in this DDS Agreement or its application to any person or circumstance is invalid, illegal, or unenforceable to any extent, the remainder of this DDS Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated herein is not affected in any manner adverse to either party. If any term or provision is determined to be invalid, illegal or incapable of being enforced, the parties shall negotiate in good faith to modify this DDS Agreement in order to affect the original intent of the parties as closely as possible in an acceptable manner.
13. No Waiver. The failure of any of the parties to enforce any of the provisions of this DDS Agreement at any time shall not be construed to be a continuing waiver of such provision unless specifically and expressly so notified by such party in writing which writing expressly states it is a waiver. No waiver of any breach of this DDS Agreement shall be held to be a waiver of any other breach.
14. No Partnership. Nothing in this DDS Agreement shall be deemed to constitute a partnership between the parties nor constitute any party the agent of any other party for any purpose. No party is granted and no party shall exercise any perceived right or authority to assume or create any obligation or responsibility, including without limitation,

contractual obligations and obligations based on warranties or guarantees on behalf of or in the name of any other party.

15. Notices. Notices, demands or other communications required or permitted to be given or made hereunder shall be in writing and delivered personally or sent by fax, addressed to the intended recipient at its address set out below each parties respective signature to this agreement or to such other address or fax number as such party may from time to time duly notify to the others of a different address. Any such notice, demand or communication shall, unless the contrary is proved, be deemed to have been duly served:
 - a. If given or made by fax upon receipt by the sender of the recipient party's answer back code at the end of transmission; or
 - b. If sent by hand, when delivered at the address of the intended recipient.
16. No Third Party Beneficiaries. This DDS Agreement is not intended to confer any benefits upon, or create any rights in favor of, any person or entity other than the parties hereto.
17. No Assignment. Franchisee Entity may not assign this DDS Agreement or any of its rights and obligations under this DDS Agreement.
18. Headings. Any headings used herein are for convenience in reference only and are not a part of this DDS Agreement, nor shall they in any way affect the interpretation hereof.
19. Rules of Construction. The rules of construction that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this DDS Agreement or any amendments, exhibits, or schedules to this DDS Agreement.
20. Entire Agreement. This DDS Agreement constitutes the complete and only agreement among the parties on the subject matter of this DDS Agreement and replaces all previous oral or written agreements, contracts, understandings and communications of the parties in respect of the subject matter of this DDS Agreement. This DDS Agreement may only be amended in a writing duly signed by authorized representatives of both parties.
21. Governing Law. This DDS Agreement shall be governed by the laws of the State of Texas, without reference to its conflict of laws provisions.

3. PRODUCT PURCHASES; PAYMENT CALCULATION.

(a) SOPUS agrees to sell and BUYER agrees to buy, receive, and pay SOPUS for all Products purchased from SOPUS, including but not limited to the Products described in Article 1(1). BUYER agrees to (1) purchase at least the Annual Product Purchase Requirement during each Annual Period and that (2) no more than 30% of BUYER's total passenger car motor oil ("PCMO") and heavy duty engine oil ("HDEO") invoiced from SOPUS Products shall be Formula Shell bulk conventional motor oil. BUYER shall remain responsible for the payment for any and all Products purchased during or subsequent to the termination of this Agreement. BUYER agrees and acknowledges that only purchases of Qualifying Products directly from SOPUS shall be calculated in determining whether BUYER has met the purchase requirements described herein.

(b) Unless otherwise agreed in writing by the parties, in the event that a Service Center is removed from Exhibit A (the "Removed Service Center") for any reason including, but not limited to, non-renewal of the applicable Franchise Agreement, its closure or sale, unless the requirements of Article 15 are met, BUYER shall provide SOPUS with at least 60 days advanced written notice. Upon receipt of such notification, SOPUS shall determine the Removed Service Center's applicable portion of the unpaid Funds by prorating to the Removed Service Center a portion of the remaining Funds by using the Service Center's trailing twelve (12) months' car count as a ratio to BUYER's total trailing twelve months car count for all its Service Centers. The remaining Funds shall be calculated by subtracting any Funds repaid by the BUYER via the Repayment Rate since the Effective Date of this Agreement (the "Removed Service Center's Purchase Requirement"). If SOPUS determines that BUYER does not have the ability to comply with the Removed Service Center's Purchase Requirement by applying it to the remaining Service Centers, then within 30 days of the deletion of the Removed Service Center from Exhibit A, BUYER shall pay SOPUS an amount equal to the Removed Service Center's Purchase Requirement. If SOPUS determines that BUYER can fulfill the Removed Service Center's Purchase Requirement or a portion thereof through the remaining Service Centers, then for that portion of the obligation that BUYER can fulfill, BUYER has the option of (1) paying the original Advanced Funding Rate used at the time Funds were provided, times the portion of the Removed Service Center's Purchase Requirement that could be absorbed by the remaining Service Centers or (2) applying the portion of the Removed Service Center's Purchase Requirement that could be absorbed by the remaining Service Centers to the Annual Product Purchase Requirement of the remaining Service Centers to the remaining Funds of the remaining Service Centers via the Repayment Rate.

(c) In the event (1) this Agreement terminates for any reason or (2) BUYER fails to satisfy the Annual Product Purchase Requirement during the Purchase Term, or upon the termination of the Agreement prior to the expiration of the Purchase Term, unless otherwise agreed to the contrary by the parties, BUYER shall immediately pay SOPUS all amounts due hereunder.

4. FUNDING

(a) **Conversion of Pre-Existing Obligations.** BUYER agrees that it has existing commitments to repay certain obligations in accordance with pre-existing agreements with SOPUS, including but not limited to, those relating to the purchase of JLI stores or the repayment of previously advanced funds as the case may be. Consequently, the parties agree that SOPUS is hereby providing the Conversion Funds to be applied toward

satisfaction of the obligations under the following agreements that BUYER has with SOPUS: (List Agreement Title(s), Effective Date(s), IMS #(s)) (together with any amendments thereto, the “Pre-existing Agreements”). The parties further agree that such outstanding obligations for such Pre-Existing Agreements are hereby being converted from units to gallons which shall correspond to \$00,000.00 US dollars under this Agreement and repayment of such Conversion Funds shall take place in accordance with Article 4 (e) below. For purposes of satisfaction of the Conversion Funds only, Pennzoil and Quaker State filter Products shall be measured as four (4) oil filters for every one (1) gallon. Performax oil filters will be measured at four (4) oil filters for every one (1) gallon.

For illustration purposes only, the following example depicts how the Conversion Funds would be calculated in a hypothetical situation. However, the example will not be binding on the parties in any way.

Example: If BUYER has a pre-existing unit obligation to SOPUS of 9,927 units at \$.55/unit funding rate and BUYER’s trailing twelve month car count is 6,000, the obligation would be valued at the existing funding rate and converted to Advanced Funding obligation as follows: 9,927 units multiplied by \$.55/unit ($9,927 \times .55 = \$5,460$). To illustrate how long repayment is likely to take at the Advanced Funding Repayment Rate, the Advanced Funding obligation is divided by BUYER’s trailing twelve month car count multiplied by 1.3 gallons/car ($(\$5,460 / (6,000 \times 1.3) = 2$ years). Note that the obligation will always be in dollars which will be repaid via the purchase of gallons of Qualifying Products at funded pricing. Upon payoff of any Conversion Funds received pursuant to (e) below, BUYER may be eligible for Advanced Funds.

For purposes of this Agreement, funded pricing shall mean the price of Product as set forth in Article 5 below plus the Repayment Rate and unfunded pricing shall mean the price of Product as set forth in Article 5 below without the Repayment Rate surcharge.

(b) **IF APPLICABLE, OTHERWISE DELETE AND INSERT THE WORDS “INTENTIONALLY LEFT BLANK”** **Initial Advanced Funding**

- (i) Eligibility: SOPUS will provide Initial Advanced Funding to BUYER in consideration of Products purchased hereunder to be provided to BUYER by SOPUS **[OPTION – CHOOSE ONE AND CHANGE FONT TO BLACK: “within thirty days of the Effective Date, OR “in five equal annual installments within 30 days of each anniversary of the Effective Date”]**, provided BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, and SOPUS determines in its sole and absolute discretion, at the time of each disbursement, that BUYER’s credit worthiness is acceptable; all accounts receivable are current; and all SOPUS/JLI notes are paid off and that any UNL Program loans are current and not in default. Such Initial Advanced Funding received, if any, shall be deemed Funds for purposes of this Agreement and repaid as set forth in Article 4 (e) below.
- (ii) Calculation: The amount of the Initial Advanced Funding that will be provided to BUYER shall be determined by the following formula: previous twelve months’ car

count for all of the Service Centers (as determined by SOPUS) multiplied by 1.3 gallons multiplied by eighty five percent (85%) multiplied by five (5) multiplied by the Advanced Funding Rate minus Conversion Funds provided in accordance with 4 (a), if any.

(c) **Advanced Funding**

- a) Eligibility: Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER has repaid the Funds received, if any, in accordance with the terms hereof, (3) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, (4) SOPUS determines in its sole and absolute discretion, at the time of each disbursement, that BUYER's credit worthiness is acceptable; (5) that all accounts receivable are current; and (6) that all notes or guarantees that SOPUS, JLI, or their affiliates enter into with or for the benefit of BUYER, including but not limited to UNL Program loans, are current and not in default, on the fifth anniversary of the Effective Date and on every fifth anniversary thereafter or earlier if there are no Funds outstanding or if BUYER repays any previously received Funds prior to such five year anniversary, BUYER will be eligible to receive Advanced Funding in five year increments (or less if the Agreement expires in less than five years). The amount of such Advanced Funds, if any, shall be determined by SOPUS taking into consideration BUYER's credit worthiness and the previous 12 months' car count for all the Service Centers multiplied by 1.3 multiplied by eighty five percent (85%) multiplied by the number of years (1 to 5 or a fraction thereof rounded to the nearest month) to be funded multiplied by the Advanced Funding Rate. Based on SOPUS's review of BUYER's credit worthiness at the time of payment, at SOPUS's sole and absolute discretion, Advanced Funds shall be paid by SOPUS either (a) within thirty days of BUYER qualifying for such Advanced Funds or (b) via an alternate payment schedule. Such Advanced Funds received, if any, shall be deemed Funds for purposes of this Agreement and repaid as set forth in Article 4 (e) below.
- (ii) Options: If on the fifth (5th) anniversary of the Effective Date, or any anniversary in which BUYER may be eligible to receive Advanced Funding, BUYER has not yet repaid the Funds previously received, BUYER, at its option, may:
- (1) repay to SOPUS any outstanding Funds amount via payment by ACH (in accordance with the instructions in Article 10 (f) below), or other payment method that may be designated by SOPUS, and thereafter be eligible to either (a) receive additional Advanced Funds for another five year increment (or less if the Agreement expires in less than five years) and the amount of such shall be determined by SOPUS at its sole discretion by taking into consideration BUYER's credit worthiness and the last 12 months' Service Center car count

as described in 4 (c) (i) above, or (b) move from funded pricing to unfunded pricing (as such terms are defined in Article 4 (a) above); or

- (2) defer eligibility to receive any Advanced Funds until such time as BUYER has repaid the Funds; or
- (3) request that SOPUS determine the amount of Advanced Funding BUYER may be entitled to for the next five year period as if BUYER had repaid the Funds in full, as described in 4 (c) (i) above and have SOPUS deduct from such additional Advanced Fund the amount of the outstanding Funds.

(d) Growth Funding

- (i) Eligibility: Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, (3) SOPUS determines in its sole and absolute discretion, at the time of each disbursement, that BUYER's credit worthiness is acceptable; and (4) that all accounts receivable and that all notes or guarantees that SOPUS, JLI, or their affiliates enter into with or for the benefit of BUYER, including but not limited to UNL Program loans, are current and not in default, BUYER will be eligible to receive additional funding from SOPUS for the building, acquisition or conversion of new to SOPUS or JLI Service Center(s) (the "Growth Funds") at the time the new Exhibit A is agreed by the parties as set forth in 1 (r). For any new to SOPUS or JLI Service Center added by BUYER to Exhibit A subsequent to February 8, 2011, BUYER will be entitled to receive Growth Funds if and only if such Service Center (1) is not then a Jiffy Lube service center, or (2) after having purchased Bulk Products from SOPUS Products on or after February 8, 2011, such Service Center has not ceased purchasing Bulk Products from SOPUS on or before February 8, 2016, or (3) was not purchasing Bulk Products from SOPUS prior to February 8, 2011 and, (4) has not previously received Growth Funds for the newly built, acquired or converted Service Center. For any newly built Service Center(s), any applicable payment shall be made by SOPUS within sixty (60) days of the official opening of the Service Center for normal business operations.
- (ii) Based on SOPUS's review of BUYER's credit worthiness at the time of payment, at SOPUS's sole and absolute discretion, any Growth Funds would be paid to BUYER either (a) within thirty days of BUYER qualifying for such Growth Funds or (b) via an alternate payment schedule.
- (iii) Calculation: The amount of the Growth Funds that may be provided to BUYER shall be determined by the following formula: the Growth Funding Rate multiplied by (1) the actual car count for the Service Center to be added, if available, if the Service Center is a JLI franchisee or if not a JLI franchisee, by (2) the trailing 12 months' JLI regional average per store annual car count (as determined by JLI in its sole discretion) multiplied by 1.3 multiplied by eighty five percent (85%)

multiplied by up to five (5) years (or a fraction thereof rounded to the nearest month), but in no event longer than the applicable term of the Franchise Agreement for that Service Center.

Repayment Amount: The amount of the Growth Funds to be repaid by BUYER to SOPUS in accordance with Article 4 (e) below shall be determined by taking the then current Repayment Rate dividing it by the Growth Funding Rate and multiplying the result by the amount of the Growth Funds paid to BUYER. For example, if SOPUS paid \$1,000 in Growth Funds to BUYER, BUYER must repay $\$0.35$ (the Repayment Rate) divided by $\$0.70$ (the Growth Funding Rate) = $50\% \times \$1,000 = \500 .

Note that the amounts described in the above example are those in effect as of the Effective Date and are subject to change as described herein.

- (e) **Payment and Repayment of Funds** - The parties agree that the total Funds provided by SOPUS to BUYER shall be repaid by BUYER by purchasing from SOPUS the Qualifying Products at the Prices set forth herein plus the Repayment Rate. BUYER may, at any time, repay the outstanding amount of the Funds via ACH, or other payment method that may be designated by SOPUS, without any prepayment penalty. After such repayment, BUYER's Product prices will be as set forth in Article 5 below without the Repayment Rate. BUYER agrees that Funds shall be paid by SOPUS by way of automatic deposit into BUYER's business account using the National Automated Clearing House Association ("ACH") funds transfer system in accordance with the 1994 / 1997 ACH Rules, as amended from time to time, or such other payment method as may be determined by SOPUS.
- (f) **Discontinuance, and Revisions** – Notwithstanding anything to the contrary contained in this Agreement, SOPUS reserves the right to modify, amend and discontinue any funding mechanism or funding program contained herein, at any time, including, without limitation, amending the amount of such funding to an amount greater than those rates described in Article 1 hereof, the method and form of payment, and the conditions or eligibility. In the event SOPUS discontinues any funding program described in this Article 4, SOPUS shall initiate a replacement program or payment mechanism to provide to BUYER, in an equivalent form, an amount equal to the funds that would otherwise be or become due under the discontinued funding program.

5. PRODUCT PURCHASE PRICE AND REBATES

- (a) The Product Purchase Prices set forth below shall be effective no sooner than the first day of the second month following the date that SOPUS executes this Agreement. Pricing for all Products shall be in accordance with the following terms:
 - (i) The price for all Products shall be at SOPUS's then current price at time of order, as may be communicated by SOPUS on a quarterly basis, in accordance with this Article 5, in addition to the then current Repayment Rate if applicable, plus taxes,

and applicable surcharges and fees, including, without limitation, waste, recycle and environmental fees.

- (ii) The price for Pennzoil and/or Quaker State Bulk conventional motor oil shall be determined in accordance with the formula price methodology more specifically set forth in Exhibit B and taking into consideration any adjustments for tiered discounts set forth in tables I and II of Exhibit B.
- (iii) The price for Formula Shell bulk conventional motor oil shall be determined in accordance with SOPUS's then current price at time of order minus any earned discount as more specifically set forth in Exhibit C.
- (iv) The Formula Shell conventional bulk price, before adding any earned discounts, shall move at the same time as and consistent with formula price adjustments for Pennzoil bulk conventional Products as described in (ii) above.
- (v) BUYER acknowledges that all Product prices may increase or decrease throughout the Term of this Agreement; provided, however, that such increase or decrease in the prices for Products shall be determined on a quarterly basis on January 1, April 1, July 1 and October 1 of each calendar year ("Price Review Date") during the Term of this Agreement and with such price change taking effect on the first day of the following month, February 1, May 1, August 1 and November 1 ("Price Effective Date"). The Price Review Dates and the Price Effective Dates as may be modified by SOPUS, in its sole and absolute discretion, by providing BUYER ninety (90) days advanced written notice. SOPUS shall notify BUYER of any price changes ten (10) days prior to the Price Effective Date.
- (vi) If industry requirements change in the future, such as, but not limited to a shift from GF5 to the next industry standard and any further changes thereafter, SOPUS reserves the right to change prices as necessary to cover the associated changes in base oil and non base oil related costs upon the effective date SOPUS begins meeting the requirement, with thirty (30) days written notice to BUYER. For the expected move to a new specification, the base price in effect at the time will be adjusted by an amount up to the average price move undertaken for Formula Shell, Pennzoil and/or Quaker State bulk conventional Product for customers not participating in the SOPUS Products/Jiffy Lube Fast Lube Program to meet the applicable industry requirement change. Additionally, based on the change in formulation, the A% & B% (reference Exhibit B for formula details) will be recalculated and the underlying base oil indices used may be changed to an industry specified equivalent index. Backup information, including new base oils information and formula change will be provided ten (10) days prior to the time the pricing change is to go into effect in accordance with (v) above. At such time, SOPUS shall provide BUYER with a new Exhibit B which shall replace the existing Exhibit B and shall be incorporated and made a part of this Agreement.

(b) **Specialty Products Rebate.** Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, and (3) that all accounts

receivable and SOPUS/JLI notes are current and in good standing, then SOPUS shall pay BUYER a quarterly rebate (the “Specialty Rebate”) based on the percentage of invoiced orders of Specialty Products purchased by all of BUYER’s Facilities during each Quarterly Period calculated as a percentage of the PCMO and HDEO invoiced by SOPUS. For the avoidance of doubt, the parties agree that Formula Shell semi synthetic and Formula Shell synthetic motor oil Products shall not be deemed Specialty Products for purposes of this Agreement. The table below sets forth the amount of the Specialty Rebate that would be paid in each of the percent ranges specified:

AS OF 2/1/2011

	Specialty Oil %	25-29.99%	30-34.99%	35-49.99%	>50%
Quarterly Rebate Per Gallon	High Mileage PCMO	\$0.75	\$1.00	\$1.25	\$1.25
	Synthetic Blend PCMO and HDEO	\$0.75	\$1.00	\$1.25	\$1.25
	Full Synthetic PCMO and HDEO	\$2.00	\$2.50	\$3.25	\$4.00
	Euro Full Synthetic PCMO	\$2.00	\$2.50	\$3.25	\$4.00

For the avoidance of doubt and for illustration purposes only, the following examples depict how the Specialty Product Rebate would be calculated in a hypothetical situation. However, the example will not be binding on the parties in any way.

Example: If BUYER’s aggregated Service Center invoiced purchases of Specialty Products as a percentage to PCMO and HDEO invoiced purchases in one Quarterly Period equals 34.9%, SOPUS, in this example, would pay to BUYER the sum of \$2.50 per gallon for each gallon of Pennzoil Synthetic motor oil invoiced during such Quarterly Period.

SOPUS shall provide the Specialty Products Rebate within thirty (30) days of the end of each Quarterly Period for Specialty Products invoiced during that Quarterly Period as verified by SOPUS. In the event this Agreement terminates for any reason before the completion of the then-current Quarterly Period, BUYER will receive the Specialty Rebate for the portion of that Quarterly Period in which the Agreement was in effect within thirty (30) days of the end of that Quarterly Period or within thirty (30) days of termination, whichever is less. All Specialty Rebates paid hereunder shall be paid directly to BUYER’s corporate offices and not to a Service Center.

6. PRODUCT STEWARDSHIP. BUYER agrees that it will not mix or blend any SOPUS Product with any other product or other substance whatsoever, will not mix or blend two or more brands, grades or viscosities of SOPUS Products with one another, and will not represent that any product not manufactured or supplied by SOPUS is a SOPUS Product. To assure quality in the handling of bulk products, BUYER agrees that it will not offer any bulk quantity of any SOPUS Product for sale to any person who BUYER knows or reasonably should know intends to resell such Product. All equipment used for the transfer, storage, or handling of Bulk Product which bears SOPUS's Identification or which are painted in accordance with SOPUS's specifications shall be used exclusively for SOPUS Products.

BUYER will allow SOPUS, its employees, authorized distributors, or designees to enter BUYER's place of business at any time during normal business hours to obtain such samples or conduct such tests or inspections as may, in SOPUS's judgment, be reasonably required to determine that BUYER is complying with its obligations under this Agreement.

BUYER shall dispose of all drums, pails, cans, or other containers ("Containers") which bear SOPUS's Identification in accordance with all applicable laws, rules and regulations. At SOPUS's request, BUYER will supply documentation certifying that every waste oil hauler is certified to dispose of used lubricants, filters and Containers.

7. ~~If APPLICABLE, OTHERWISE DELETE AND INSERT THE WORDS "INTENTIONALLY LEFT BLANK"~~ JOINT AND SEVERAL LIABILITY. Each entity identified in the first paragraph of this Agreement and collectively referred to as the BUYER is hereby jointly and severally liable for the acts and omissions of each other and for all BUYER obligations set forth herein. A breach or default by one entity shall be deemed a breach and default of all the entities collectively for purposes of this Agreement and SOPUS may sue, settle with or release (wholly or partly) one or more of the BUYER entities without releasing or otherwise affecting the obligations of the other BUYER entities hereunder.

8. LICENSE. Subject to the terms and conditions of this Agreement, SOPUS, as owner or licensee of various trademarks related to the Products including but not limited to Quaker State, Pennzoil and Formula Shell (collectively, "Identification") grants a non-exclusive license to BUYER, in the United States of America during the Term of this Agreement, to use and display such trademarks for the resale of Products purchased from SOPUS in connection with this Agreement.

9. SIGNS. SOPUS or one of SOPUS's contract distributors may loan to BUYER appropriate signage bearing the Identification at no charge to BUYER. To the greatest extent permissible under local regulations, internal and external signage shall comply with SOPUS and JLI approved standards. BUYER has no right to display the loaned signs (or similar signs) at any location other than BUYER's Service Center. This Agreement does not grant to BUYER any right to permit others to use the Trademark or to use the Trademark in any manner other than on the loaned signs. All costs associated with installation of the loaned sign at BUYER's Service Center shall be borne solely by BUYER. Signs shall be displayed in such a manner as to make clear that SOPUS Products are featured at BUYER's Service Center. Any loaned signs shall remain the sole property of SOPUS or SOPUS's contract distributor, and must be returned to SOPUS or SOPUS's contract distributor, as the case may be, according to SOPUS's or the contract distributor's instructions, within thirty days after the effective date of the termination of this Agreement, in the same

condition as when originally delivered to BUYER's Service Center, reasonable wear and tear excepted. BUYER shall promptly display an appropriate sign at BUYER's Service Center stating plainly that BUYER's Service Center is an independently owned and operated business.

10. ORDERS, PAYMENT TERMS AND CREDIT REQUIREMENTS.

(a) BUYER shall order all Products from SOPUS via such mechanisms as are approved by SOPUS. Orders are not final until accepted by SOPUS in SOPUS's electronic ordering system and are subject to SOPUS General Terms and Conditions in effect on the date of delivery. SOPUS objects to the inclusion of any different or additional terms proposed by BUYER and if they are included in BUYER's acceptance, a contract for sale will result upon SOPUS' General Terms and Conditions.

(b) SOPUS will invoice BUYER for all products and/or services sold as shipped. BUYER shall pay each invoice when due in accordance with the pricing terms set forth herein without deduction, setoff, discount, allowance, notice or demand, in United States dollars pursuant to paragraph (f) below.

(c) The credit terms and line of credit ("Credit") are extended to BUYER at SOPUS's sole discretion, which Credit may be withdrawn or modified at any time, without prior notification to BUYER. When requested by SOPUS, BUYER agrees to provide, and cause any guarantor of BUYER to provide, periodic financial statements, in addition to applicable notes and schedules. BUYER shall not fail to disclose information to SOPUS concerning any material fact for the purpose of inducing SOPUS to extend, continue or increase Credit. If BUYER's ability to pay or credit worthiness shall deteriorate in SOPUS's sole judgment, SOPUS may require security and/or change terms of sale. BUYER acknowledges that SOPUS's reducing, withholding or terminating of Credit privileges does not constitute a constructive termination of this Agreement, nor does it relieve BUYER of any duties or obligations under this Agreement or any other obligation or Agreement.

(d) If BUYER fails to comply with the terms of this section, all amounts owed to SOPUS for any obligation shall immediately become due and payable and SOPUS shall have the right, but not the obligation to (i) charge the highest financing charge permitted by applicable law, (ii) set off or equitably recoup amounts due from BUYER against any amount due to BUYER under this or any other agreement between the parties up to the total amount outstanding and (iii) to suspend making all further delivery of all products until all indebtedness is paid in full.

(e) If at any time during the Term of this Agreement, BUYER disputes the amount payable to SOPUS for any of the products delivered, or any other obligations, BUYER shall pay the amount BUYER reasonably believes is due in accordance with SOPUS terms as stated on the disputed invoice(s) and notify SOPUS in writing of the details of the dispute within fifteen (15) days of receipt of the invoice. BUYER agrees that its failure to do so within fifteen days shall be considered as an admission by BUYER that SOPUS's invoices are correct.

(f) At SOPUS sole discretion, BUYER will pay any amounts due by credit card, or by ACH, per the below instructions. If BUYER is to pay by ACH, BUYER will maintain (i) an account ("BUYER Account") with a commercial bank that shall be a member of the automated clearing house system (the "ACH System") and (ii) such authorizations as may be necessary to enable

SOPUS or its designated collecting agent to obtain payments due under this Agreement from the BUYER Account through the ACH System. BUYER shall not terminate the BUYER Account or such authorizations at any time during the Term of this Agreement without having provided 60 days prior written notice thereof to SOPUS, which notice shall specify the institution at which a substitute BUYER Account has been established and the account number of such substitute BUYER Account, and certifying that all authorizations necessary to enable SOPUS or its collection agent to obtain payments due under this Agreement from such substitute BUYER Account through the ACH System have been given and are then in effect. By not later than the opening of business on each day that any payment shall be due under this Agreement, BUYER shall cause an amount, in immediately available funds, equal to such payment to be available for withdrawal from the BUYER Account by the SOPUS or its collection agent. BUYER may withdraw from the BUYER Account any funds remitted by SOPUS to the BUYER Account for the account of BUYER.

11. EVENTS OF DEFAULT. BUYER shall be in default of this Agreement upon the occurrence at any time of any of the following events (collectively, “Events of Default”):

(a) BUYER fails to satisfy the Annual Product Purchase Requirement set forth in Articles 1(c) and 3(a);

(b) The liquidation, termination, bankruptcy or dissolution of BUYER;

(c) BUYER defaults on any (i) loan, funding agreement, sales agreement or any other agreement, including but not limited to, the applicable Franchise Agreements for each of the Service Centers, between BUYER and SOPUS or BUYER and a SOPUS affiliated entity, (ii) any other agreement or financial obligation to which SOPUS or a SOPUS affiliated entity is a guarantor of BUYER’s obligations thereunder, or (iii) if any such agreement is terminated for any reason;

(d) If BUYER is past due on any payments due hereunder and fails to cure such default within ten (10) days of receiving notice from SOPUS; or

(e) Any other material breach by BUYER of any obligation hereunder and fails to cure such breach within thirty (30) days of receiving notice from SOPUS.

Following an Event of Default, SOPUS shall recover from BUYER any then-outstanding sums due under this Agreement and reasonable attorney's fees and costs that may be incurred by SOPUS to recover such sums. The remedies of SOPUS, as provided in this Agreement, and by law, shall be cumulative and concurrent and may be pursued separately, successively or together as often as occasion shall arise, at the sole discretion of SOPUS. The acceptance by SOPUS of any payment under this Agreement which is less than the payment required to be made hereunder shall not (i) constitute a waiver of or impair, reduce, release or extinguish any remedy of SOPUS or the rights of SOPUS to exercise the foregoing option or any other option granted to SOPUS at that time or at any subsequent time, or nullify any prior exercise of any such option, or (ii) impair, reduce, release, extinguish or adversely affect the obligations of BUYER under this Agreement.

12. RECORDS AND AUDITS. BUYER agrees that it will maintain adequate records throughout the Purchase Term of this Agreement confirming the actual purchases of Products under this Agreement. At any reasonable time and upon reasonable notice, SOPUS and its duly authorized

representatives, agents or auditors shall have the right to audit BUYER's records, books, documents and other material as it pertains to BUYER's performance of its obligations under this Agreement, including but not limited to, the amount of actual Products being purchased in relation to the Annual Product Purchase Requirement (the "Records"). SOPUS and its duly authorized representatives, agents or auditors shall have access to the Records during ordinary business hours, and shall be free to make copies of any relevant Records. BUYER agrees to cooperate with SOPUS in any audit SOPUS chooses to conduct. In connection with occasional audits, BUYER will furnish SOPUS with such additional financial, statistical or other information pertaining to or otherwise affecting BUYER's Service Centers or BUYER's performance under this Agreement as SOPUS may reasonably deem to be desirable.

13. COLLECTION COSTS. If the Funds are not repaid in accordance with the provisions of this Agreement when the Funds or any portion thereof shall become due to SOPUS, or if the collection of the Funds or any portion thereof or any other amount due pursuant to this Agreement, including but not limited to invoiced amounts for Products purchased by BUYER, is placed with an attorney for collection, whether before or after the termination of this Agreement, BUYER agrees to pay all costs of collection, including, but not limited to, reasonable attorneys' fees and expenses incurred by SOPUS.

14. USE OF FUNDS. The BUYER agrees that Funds provided hereunder will be used for business, commercial, investment or other similar purposes related to the Service Center and no portion thereof will be used or are being used for personal, family or household use.

15. ASSIGNMENT, DELEGATION, AND SUCCESSION.

(a) If BUYER sells or otherwise transfers ownership of, or the right to operate, all of BUYER's Service Centers, BUYER shall, with SOPUS's written permission, which permission shall not be unreasonably withheld, completely assign this Agreement to its transferee, and will cause its transferee to assume all of BUYER's obligations under this Agreement in which case, BUYER shall be released of all further obligations hereunder provided SOPUS has agreed to such release in writing. BUYER will give written notice to SOPUS of the complete legal name of any transferee before the effective date of any transfer. If BUYER does not completely assign this Agreement to its transferee, such that the transferee assumes all of BUYER's obligations under this Agreement, BUYER agrees that SOPUS shall recover from BUYER any then-outstanding sums due and reasonable costs that may be incurred by SOPUS to recover such amounts.

(b) If BUYER sells or otherwise transfers ownership of, or the right to operate, some but not all of BUYER's Service Centers, BUYER shall, with SOPUS's written permission, require the transferee to sign a similar agreement to this Agreement with SOPUS, including assuming a Removed Service Center's Purchase Requirement as determined in Article 3 (b), as well as the other obligations of BUYER under this Agreement in which case, BUYER, shall be released of all further obligations related to the Removed Service Center's Purchase Requirement provided SOPUS has agreed to such release in writing, which will include amending Exhibit (A) to remove the Removed Service Center(s). If the Removed Service Center's Purchase Requirements are not assumed by the transferee or purchaser, any payments due to SOPUS as a result of such sale or transfer shall be determined in accordance with Article 3 (b).

(c) SOPUS may, upon written notice to BUYER, assign its rights under this Agreement at any time to (i) any subsidiary or affiliated entity; (ii) a purchaser of or other successor to all or a portion of the stocks or assets in SOPUS or the assets or stocks of the business to which this Agreement relates; or (iii) a distributor that is authorized by SOPUS to deliver and sell SOPUS products.

16. DELIVERY, TITLE, AND RISK OF LOSS. SOPUS or its authorized distributors shall deliver the Products to BUYER at BUYER's designated delivery point(s) as agreed to by SOPUS in a separate notice furnished to BUYER. SOPUS may determine the method of transportation and the type of equipment in which such deliveries are made. For Bulk Products, title and risk of loss shall pass to BUYER when the Products pass the fill tube connection into BUYER's equipment. For drummed and packaged Products, title and risk of loss shall pass to BUYER upon the unloading of such drummed or packaged Products from SOPUS's transportation equipment. BUYER shall bear the cost of transportation to BUYER's designated delivery points. The cost of transportation shall, at SOPUS's discretion, be included in the schedule price or be included as a separate item on the invoice. Orders for the Products must specify at least the minimum quantities required at SOPUS's shipping point for the applicable method of delivery unless otherwise agreed to by SOPUS. SOPUS may, at its discretion, make delivery in smaller quantities, and SOPUS may, in its sole discretion, charge BUYER additional fees in connection with such deliveries if the original order did not meet such minimum quantities.

17. INDEPENDENT STATUS OF BUYER. This Agreement shall not be deemed to reserve, give, or grant to SOPUS any right to manage or control the day-to-day business of BUYER or any operator of the Service Center, and neither BUYER nor the operator of a Service Center nor its or their employees or authorized distributors shall be considered joint ventures, partners, authorized distributors, or employees of SOPUS for any reason or for any purpose whatsoever. BUYER or any operator of the Service Center is, and shall be at all times, an independent business entity that is free to set its own selling prices and terms of sale, and generally conduct its business as it determines subject to the obligations set forth in this Agreement.

18. CUSTOMER COMPLAINTS. BUYER will respond (in writing if requested by SOPUS) to any inquiries or complaints received by BUYER or SOPUS in connection with (i) BUYER's performance and/or (ii) of any consumer served by BUYER and promptly take reasonable action to correct or satisfactorily resolve each such inquiry or complaint.

19. FORCE MAJEURE.

Neither party shall be in breach of this Agreement or otherwise be liable to the other party for its failure to fulfill any Term of this Agreement, other than the obligation to pay any sum when due or to provide security for credit (e.g. letter of credit), if and to the extent that such fulfillment has been delayed, hindered, curtailed or prevented by a "Force Majeure Event", meaning any of the following:

- (a) any act of God, fire, explosion, landslide or earthquake; or
- (b) any storm, hurricane, flood, tidal wave or other adverse weather condition; or
- (c) any war (whether declared or not), revolution, act of civil or military authority, riot, blockade, embargo, trade sanction, terrorism, sabotage, or civil commotion; or
- (d) any epidemic or quarantine restriction; or

- (e) any strike, lock-out or labor dispute from whatever cause (whether or not SOPUS, SOPUS's supplier, BUYER or BUYER's supplier, as the case may be, is a party thereto or might be able to influence or procure the settlement thereof); or
- (f) any compliance with any law, regulation or ordinance or with any order, demand or request of any international, national, local or other port, transportation or governmental authority or agency or any body or person purporting to be or to act for such authority or agency or any corporation directly or indirectly controlled by any of them; or
- (g) any unavailability of or interference with the usual means of transporting Product; or
- (h) any unplanned shutdown or shutdown in anticipation of a breakdown or malfunction affecting the plant; or

- (j) any circumstance or event outside the party's reasonable control.

When a Force Majeure Event results in a shortfall of Product available to meet all SOPUS's supply obligations, SOPUS may apportion any reduced quantity of Product among itself and its customers and Affiliates in any manner it determines to be fair and reasonable. SOPUS shall not be required to acquire Product to replenish any shortfall in Product arising as a result of a Force Majeure Event. Should SOPUS acquire any quantity of Product following a Force Majeure Event, SOPUS may use or distribute, without apportioning, such Product at SOPUS's sole discretion. BUYER may acquire any shortfall quantity of Product from other sources at BUYER's own risk and cost. Any quantity of Product consequently not delivered will be deducted from any applicable remaining quantity obligation under this Agreement unless the parties agree otherwise in writing. The party whose ability to perform its obligations under this Agreement is affected by a Force Majeure Event shall promptly notify the other party in writing with reasonable details of such event. The affected party shall give prompt notice to the non-affected party of the end of the Force Majeure Event, and shall resume full performance under the Agreement as soon as reasonably possible. No Force Majeure Event shall have the effect of extending the Term of the Agreement or of terminating the Agreement unless agreed by the parties in writing.

20. INDEMNITY AND HOLD HARMLESS. BUYER, to the maximum extent permitted by law, shall defend, protect, indemnify and hold harmless SOPUS, its parent, affiliate and subsidiary companies, and their respective officers, employees and authorized distributors (“Indemnified Parties”), against all claims, demands or causes of action, suits, damages, liabilities, judgments, losses and expenses (including, without limitation, attorneys’ fees and costs of litigation, whether incurred for an Indemnified Party’s primary defense or for enforcement of its indemnification rights, which may be incurred by an Indemnified Party or asserted by BUYER (including, without limitation, BUYER’s employees, contractors and authorized distributors) or by any third party on account of (I) any personal injury, disease or death of any person(s), damage to or loss of any property, or money damages or specific performance owed to any third party (by contract or operation of law), and any fines, penalties, assessments, environmental response costs or injunctive obligations caused by, arising out of, or in any way incidental to or in connection with, actions or omissions of BUYER (including, without limitation, its employees, contractors and authorized distributors) or any third party including, without limitation, (1) the sole negligence, fault or strict liability of BUYER and (2) the concurrent negligence, fault or strict liability of BUYER and any third party; and (II) any breach of any representation, warranty or covenant of BUYER contained in this Agreement.

21. INSURANCE REQUIREMENTS. BUYER shall maintain, at its sole cost, the insurance coverage set forth below with companies satisfactory to SOPUS with full policy limits applying, but not less than as stated. With the exception of Workers' Compensation insurance policies, all such policies shall be endorsed to show "Pennzoil-Quaker State Company, d/b/a SOPUS Products" as an additional insured. Certificates evidencing the required insurance coverage shall be delivered to SOPUS prior to the Effective Date of this Agreement. BUYER will submit updated certificates to SOPUS once per calendar year certifying the required insurance is being maintained per the contract requirements. Such certificates shall provide that any change restricting or reducing coverage or the cancellation of any policies under which certificates are issued shall not be valid as respects SOPUS's interest until SOPUS has received thirty (30) days' notice in writing of such change or cancellation. Further, it shall state that it is primary coverage and not concurrent or excess over other valid insurance which may be available to SOPUS.

(a) Workers' Compensation Insurance as required by laws and regulations applicable to and covering employees of BUYER engaged in the performance of the work under this Agreement.

(b) Employer's Liability Insurance protecting BUYER against common law liability, in the absence of statutory liability, for employee bodily injury arising out of the master-servant relationship with a limit of not less than \$1,000,000.00.

(c) Commercial General Liability Insurance including products/completed operations with limits of liability of not less than \$1,000,000.00 per occurrence. This policy shall cover, among other risks, the contractual liability assumed under the indemnification provision set forth in this Agreement.

(d) Business Automobile Liability Insurance for all operations of BUYER including owned, non-owned, and hired vehicles with limits of liability of not less than: Bodily Injury \$1,000,000.00 per person, \$1,000,000.00 per accident; Property Damage \$1,000,000.00 or a Combined Single Limit of \$1,000,000.00 for bodily injury and property damage.

(e) Garage-keeper's Legal Liability Insurance with a limit of not less than twenty-five thousand dollars (\$25,000.00) per occurrence.

Nothing contained in these provisions relating to coverage and amounts shall operate as a limitation of BUYER's liability in tort or contract under the terms of this Agreement.

22. TERMINATION. This Agreement may be terminated:

(a) By SOPUS, for any reason, after (INSERT DATE), upon delivery of not less than sixty (60) days prior written notice thereof to BUYER; or

(b) At any time by mutual consent in writing; or

(c) By SOPUS in the event that BUYER breaches or defaults on any material provision of this Agreement, by giving written notice to BUYER and allowing BUYER thirty (30) days from

the date of such notice within which to cure the breach or adopt good faith measures to prevent the repetition of a default which cannot be cured prospectively; or

Upon termination, BUYER shall remain responsible for the payment for any and all Products purchased from SOPUS during or subsequent to the Term of this Agreement and any other outstanding sums due or advanced under this Agreement, including but not limited to the Funds (such Fund repayment to be determined by subtracting from the Funds the amount equal to the gallons purchased since the Effective Date of this Agreement multiplied by the then current Repayment Rate), and such sums shall become due and payable within thirty (30) days from the effective date of termination.

23. NON-WAIVER. Neither party's failure to enforce any provision of this Agreement will constitute a waiver of its right to enforce such provision at some later time. A party's waiver of one breach or series of breaches of this Agreement will not constitute a waiver of subsequent breaches.

24. NOTICES. Any notice related to this Agreement, and required or permitted to be given under this Agreement by one party to the other shall only be effective if in writing, addressed to the other party as provided below, and either (a) delivered in person, or (b) delivered by registered mail, or (c) delivered by private, prepaid overnight commercial courier. under this Agreement shall be merchantable and shall meet SOPUS's then current specifications. **SOPUS MAKES NO OTHER WARRANTIES OF ANY KIND AS TO THE PRODUCTS SOLD TO BUYER UNDER THIS AGREEMENT, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE.**

26. PRODUCT CLAIMS/LIMITATION OF DAMAGES. SOPUS shall have no liability to BUYER for any defect in quality or shortage in quantity of any Product delivered unless (a) BUYER gives SOPUS notice of BUYER's claim within 48 hours after delivery of such Product, or in the case of any latent defect in quality, within 48 hours after BUYER's discovery of such defect; (b) SOPUS is given reasonable opportunity to inspect the Product and to take and test samples thereof; and (c) in case of delivery by tank car or vessel, the claim, if for anything other than latent defect in quality, is allowed by SOPUS before the Product is unloaded from the tank car or vessel. Every notice of claim shall set forth fully the facts on which the claim is based.

With the exception of actions brought by SOPUS to enforce its rights under Articles 3, 6 and 8, neither party shall be liable for any indirect, special, incidental, consequential, or punitive damages whether under tort, contract, strict liability, statute, or otherwise. Notwithstanding anything to the contrary in this Agreement, SOPUS's and any of SOPUS's Affiliates total liability to BUYER for any claim arising out of or in connection with this Agreement for breach of contract, breach of warranty, breach of statutory duty or negligence including, but not limited to, SOPUS's negligence or other tort, whether by virtue of strict liability or otherwise, will not exceed the purchase price of the relevant delivery of Products if delivered, or if the above breach of Agreement consists of a failure to deliver, the price of the Products had it been delivered and invoiced. In no event shall SOPUS's and any of SOPUS's affiliates total liability under this Agreement to BUYER exceed two hundred fifty thousand and no/100 dollars (\$250,000).

27. BUYER'S WARRANTIES. BUYER represents and warrants to SOPUS that: (a) it has taken all action necessary to authorize the execution, delivery and performance of this Agreement; (b) this Agreement has been executed and delivered by a duly authorized officer or other authorized person of BUYER; (c) this Agreement does not violate or conflict with BUYER's constituent documents, any outstanding securities, indentures, material agreements to which it is a party, any similar agreement with any other supplier of motor oil and/or lubricants or any law, rule or regulation applicable to BUYER and constitutes the valid and binding obligation of BUYER, enforceable against BUYER in accordance with its terms. BUYER further warrants that it will remain in good standing in its state of incorporation during the Term of this Agreement.

28. TERRITORIAL PROTECTION. During the Term of this Agreement, SOPUS will not:

(a) Authorize the installation of any new "Pennzoil 10-Minute Oil Change" sign within two miles of a Service Center, provided that SOPUS shall have the right to replace such signs in the normal course of business if they were installed before the execution of this Agreement; or

(b) Extend new "major financing" to any free-standing quick lube center located within one mile of a Service Center. For purposes of this provision, "major financing" means financing substantially in excess of that generally offered by the companies owning the registered trademarks Castrol®, Valvoline® and other major marketers of motor oil, and their distributors, in order to obtain the borrower's commitment to purchase that marketer's brand of motor oil (excluding

financing packages made available only to franchisees of those marketers or their affiliates), and “quick lube center” means any stand alone automotive service center whose primary business is to provide fast, convenient lubrication and fluid maintenance services.

29. ENTIRE AGREEMENT. This Agreement supersedes any prior agreements, representations, negotiations or correspondence between the parties concerning motor oil or lubricant purchases at this Service Center, but does not relieve them from any outstanding obligations for payment or delivery of product under a prior agreement. This Agreement supersedes the Standard Terms on the reverse of any BUYER purchase contract or orders or confirmation of BUYER or any agent or broker of BUYER. There are no oral agreements upon which the parties have relied. The words used in this Agreement have been chosen carefully to express the parties' mutual understanding. No Agreement or representation, whether oral or written, made before the date of this Agreement may be considered to change this Agreement as it is written, and no subsequent agreement, representation, or course of conduct may be considered to amend this Agreement unless a proposed amendment is written and is signed by both parties to this Agreement. No waiver by SOPUS of any default by BUYER shall be deemed a waiver of any subsequent default.

30. CONFIDENTIALITY. The terms set forth in this Agreement are to be and remain confidential between SOPUS and BUYER but SOPUS may disclose and share such terms and any and all information (including but not limited to personal financial statements and tax returns) received from or pertaining to BUYER (or any individual guarantor of BUYER) with those of SOPUS' affiliates (including but not limited to JLI, Shell Oil Products US and Shell Shared Services (Asia), BV), their officers, directors, employees, agents or representatives (as well as primary financial institutions) having a need to know about or to be involved in the contemplated transactions or performance of this Agreement. Whether or not the contemplated transaction is completed, the nature of this Agreement will remain confidential during the Term of this Agreement. If the confidential nature of this Agreement, and the subsequent transaction contemplated hereunder by SOPUS and BUYER, do not remain confidential between the parties as a result of the actions of BUYER, SOPUS may, at its option, be relieved of any further obligations hereunder or under any other agreements.

31. LEGAL REQUIREMENTS. BUYER shall comply fully and require its Service Center to comply fully with all applicable laws, regulations, judicial and administrative orders, and guidelines of any Governmental Authority regarding the receipt, handling, storage, dispensing, disposal, labeling, advertising, promotion, and sale of products and services sold by BUYER or the Service Center. Without limiting the foregoing, such compliance shall include all requirements of the Clean Air Act, 42 U.S.C. 7401 et seq. and all requirements of the Americans With Disabilities Act, 42 U.S.C. 12101 et seq.

32. TAXES. BUYER shall pay all U.S. federal, U.S. state, and U.S. local tax or other U.S. taxes that are directly imposed on transactions governed by the Agreement. "Tax or Taxes" include the following U.S. taxes: federal, state, and local excise taxes, sales and transaction taxes, gross receipts taxes, utility taxes, environmental taxes and fees or any other taxes that SOPUS may be required to collect or pay on the transactions governed by this Agreement. BUYER shall not be liable for any of SOPUS's income taxes or any franchise tax measured by capital, capital stock, net worth, gross margin or gross profit including any withholding taxes imposed on gross amounts, any minimum or alternative minimum tax or any taxes imposed by law on SOPUS that are prohibited by law from being passed on to BUYER. Further, BUYER shall not be liable to SOPUS

for any employment related tax, fee, or charge. BUYER shall not be liable for any of SOPUS's inventory based taxes, ad valorem taxes or property taxes. BUYER shall be responsible for filing returns and paying inventory based taxes, ad valorem taxes and property taxes on property and/or inventory that they own on the assessment date. Further, if this Agreement involves goods imported into the U.S. (50 states, District of Columbia, Puerto Rico), the party acting as the Importer of Record for U.S. Customs purposes shall be liable for paying any applicable import related fees and/or tax, such as customs duties, harbor maintenance fees, merchandise processing fees, and oil spill fees.

Notwithstanding the above, SOPUS shall not collect, and BUYER shall not pay, any such Tax or duty for which BUYER furnishes to SOPUS a properly completed exemption certificate or a direct payment permit certificate or for which SOPUS may claim an available exemption from Tax, such as an exemption for export. BUYER shall be responsible for any Tax, interest and penalty if such exemption certificate or direct payment permit certificate is disallowed by the proper taxing authority.

In the event that a refund opportunity arises with respect to any Tax paid by one party as a result of the transactions governed by this Agreement, both parties shall reasonably work together to pursue such refund. If one party receives a refund or a credit for any Tax paid by the other party with respect to the Agreement, then the party receiving the refund or credit agrees to refund to that other party the full amount of such refund or credit. However, if this Agreement involves goods for which U.S. import duty drawback can be claimed, the parties may separately negotiate the sharing of such drawback refund.

SOPUS will furnish to BUYER a properly completed I.R.S. Form W-8 or I.R.S. Form W-9, as appropriate, to enable BUYER to determine if U.S. income tax withholding is required. If U.S. withholding applies, BUYER will withhold amounts on its payments to SOPUS as required under U.S. law, unless SOPUS provides BUYER with the appropriate documentation to mitigate such tax.

33. SEVERABILITY. If, for any reason, a provision or provisions contained in this Agreement are held to be invalid, illegal, or otherwise void, the remaining provisions of this Agreement shall not be affected and shall continue in full force and effect.

34. NO FRANCHISE. BUYER acknowledges that this Agreement does not create, extend, or renew a franchise under any local, state, or federal law.

35. GOVERNING LAW AND ALTERNATIVE DISPUTE RESOLUTION.

(a) **Governing Law.** Except for subsection (d) hereof which shall be governed and enforced under the Federal Arbitration Act, this Agreement shall be construed in accordance with the laws of Texas, without giving effect to principles of conflicts of laws, unless the dispute arises out of services provided on an offshore platform in which case the law of the state adjacent to the platform shall govern, or unless otherwise agreed to in writing by the parties.

(b) **Resolution Procedures.** Any Dispute shall be resolved in accordance with this clause, which provides the sole and exclusive procedures for resolution, except if either or both parties are

sued by a third party in a court proceeding, each party can assert any indemnity claim or any other claim against the other arising out of or relating to this Agreement in the court proceeding.

(c) **Mediation.** The parties shall endeavor to resolve any Dispute by mediation under the International Institute for Conflict Prevention and Resolution (“CPR”) Mediation Procedure in effect on the date of this Agreement (“CPR Mediation Procedure”), except as modified herein, by one party serving a written request on the other. The mediation shall be held in Houston, Texas. If the Dispute is not resolved within sixty (60) days of the initial written request for mediation, or sooner if the mediation is terminated under the CPR Mediation Procedure before such time, there shall be no further obligation to mediate.

(d) **Arbitration.** Any Dispute that remains unresolved sixty (60) days after a written request for mediation, or sooner if the mediation is terminated under the CPR Mediation Procedure before such time, shall be finally resolved by arbitration under the CPR Rules for Non-Administered Arbitration in effect on the date of this Agreement (“Rules”), which are incorporated except as modified herein. Arbitration shall be commenced within two (2) years of the date of the underlying activities giving rise to the dispute except that this period of limitations shall be tolled during the mediation phase specified above. The parties hereby waive their right to arbitrate or contest in any forum disputes arising outside this two-year period, notwithstanding any longer periods generally available under any otherwise applicable statute, common law or other authority. There shall be one arbitrator chosen in accordance with Rule 6.4 of the Rules.

Discovery shall be permitted only to the extent, if any, expressly authorized by the arbitrator upon a showing of substantial need by the party seeking discovery. In resolving any discovery dispute, the arbitrator shall require a requesting party to justify the time and expense that its request may involve, and may condition granting a request on payment of part or all of the cost by the party seeking the information. The parties agree that the decisions of the arbitrator with respect to discovery are final and binding and waive any right to later challenge an arbitral award on that basis under the Federal Arbitration Act or other applicable law.

The place of arbitration shall be Houston, Texas. There shall be no right or authority for any claims to be arbitrated on a class action basis. Hearings shall be held on consecutive days without interruption, absent unusual circumstances. The arbitrator shall endeavor to issue an award within eight (8) months of the appointment of the last arbitrator, but failure to meet that timetable shall not affect the validity of the award. Judgment upon the award rendered by the arbitrator may be entered by any court having jurisdiction.

PENNZOIL/QUAKER STATE BULK CONVENTIONAL PRICING MECHANISM

Prices for the Products described below shall be adjusted pursuant to the formula described herein first on April 1, 2011 and thereafter on each Price Review Dates, with new pricing effective on the following Price Effective Date (February 1, May 1, August 1 and November 1 or on such other dates as may be designated by SOPUS in accordance with the terms of this Agreement). Documentation supporting the price increase shall be provided to BUYER at least ten (10) days prior to a price change taking effect. Pricing for all products will be based on SOPUS price in effect at the time of order. Prices to BUYER for Pennzoil and Quaker State Bulk conventional Products are based on tiers, constructed using BUYER's total trailing twelve (12) month car count.

Except as otherwise described below, pricing shall be adjusted by taking an average base oil price for the most recent 3-month period, ending one day before the pricing review date (Bn) and dividing by the average base oil price for the previous recent 3-month period (Bo) for each respective Product, which base oil daily posting data can currently be found by BUYER at: www.icislor.com. These results shall be utilized to change the pricing here under pursuant to the formula below, where Pn represents the newly calculated price that BUYER shall pay for the subsequent Quarterly Period, and Po represents the calculated price for the previous Quarterly Period. In regards to Po, the price used on the initial Price Review Date will be as outlined below. For all subsequent adjustments, Po will reflect the price from the prior quarter. Base Oil averages and formula calculation percentages will often have more than two decimals. In this calculation the final Pn will be rounded to two decimal places. A% shall equal the formula portion of the price or the molecular cost of the base oil and B% shall equal the portion of the price not driven by formula or Product costs not related to base oils, each as initially shown in the Table below. The A% and B% will vary by Product as documented in table below

Price Adjustment Formula

$$Pn = Po \times [A\% \times (Bn/Bo) + B\%] *$$

For illustration purposes only, the following examples depict how the price adjustment mechanism would work, as of January 1, 2011, in hypothetical situations and are not be binding on the parties in any way:

Flat market:	$\$7.25 * [(\$3.86/3.86) * 66\% + 34\%]=\7.25 (Pn)
Increasing market:	$\$7.25 * [(\$4.00/3.86) * 66\% + 34\%]=\7.42 (Pn)
Decreasing market:	$\$7.25 * [(\$3.86/4.00) * 66\% + 34\%]=\7.08 (Pn)

ATTACHMENT D TO FRANCHISE AGREEMENT

**AMENDMENT OF SOPUS PRODUCTS/JIFFY LUBE FAST LUBE PROGRAM
UPON SOPUS PRODUCTS' TERMINATION OF THE
SOPUS PRODUCTS PRODUCT SUPPLY AGREEMENT**

**AMENDMENT OF SOPUS PRODUCTS/JIFFY LUBE FAST LUBE PROGRAM
UPON SOPUS PRODUCTS' TERMINATION OF THE
SOPUS PRODUCTS PRODUCT SUPPLY AGREEMENT**

WHEREAS, Jiffy Lube International, Inc., a Delaware corporation having its principal place of business at 150 N. Dairy Ashford, Houston, TX 77079, U.S.A. ("**Franchisor**") and the franchisee identified on the signature page hereto ("**Franchisee**"), have entered into a Franchise Agreement for the SOPUS Products/Jiffy Lube Fast Lube Program (the "**Franchise Agreement**") for the Jiffy Lube Quick Lube Center identified on the signature page hereto (the "**Service Center**");

WHEREAS, Franchisor offers two forms of franchise agreements - the SOPUS Products/Jiffy Lube Fast Lube Program Agreement, which Franchisee has entered into, and the Non-Product Supply Franchise Agreement;

WHEREAS, the SOPUS Products/Jiffy Lube Fast Lube Program Agreement requires that a franchisee contemporaneously enter a product supply agreement ("**PSA**") with Franchisor's affiliate, Pennzoil-Quaker State Company dba SOPUS Products ("**SOPUS Products**");

WHEREAS, Franchisee has accordingly entered into a PSA with SOPUS Products;

WHEREAS, the Franchise Agreement contains provisions which are unique to the SOPUS Products/Jiffy Lube Fast Lube Program and contingent upon Franchisee and SOPUS Products having a contemporaneously valid PSA;

WHEREAS, the PSA provides a right for SOPUS Products to terminate the PSA and upon the exercise of such right certain provisions of the Franchise Agreement must be amended to reflect Franchisor's alternative form of franchise agreement which is not contingent upon a valid PSA;

NOW THEREFORE, in consideration of the undertakings and commitments of each party to the other party set forth in this Amendment, the parties agree as follows:

In the event that SOPUS Products exercises its right to terminate the PSA attached to the Franchise Agreement as Attachment C pursuant to Section 22(a) thereof (or exercises the right to terminate any replacement or successor agreement among such parties for the supply of motor oil and lubricants to be used by the Service Center pursuant to a comparable right to terminate without cause), the following provisions of the Franchise Agreement shall automatically be amended as follows in order to reflect the terms of the Non-Product Supply Franchise Agreement:

1. The current Section 1.5 is renumbered to 1.6 and a new Section 1.5 is added as follows:
 - 1.5 During the term of this Agreement (but only as long as SOPUS Products directly or indirectly owns or controls Franchisor), SOPUS Products has agreed with Franchisor that it will not:
 - 1.5.1 Authorize the installation of any new "Pennzoil 10-Minute Oil Change" sign within two miles of the Franchised Center, provided that SOPUS Products may maintain and replace such signs in the

normal course of business if they were installed before the date of this Amendment; or

1.5.2 Extend new “major financing” to any free-standing quick lube center located within one mile of the Franchised Center. For purposes of this provision, “major financing” means financing substantially in excess of that generally offered by the companies owning the registered trademarks Castrol[®], Valvoline[®] and other major marketers of motor oil, and their distributors, in order to obtain the borrower’s commitment to purchase that marketer’s brand of motor oil (excluding financing packages made available only to franchisees of those marketers or their affiliates), and “quick lube center” means any automotive service center whose primary business is to provide fast, convenient lubrication and fluid maintenance services.

2. The language in Section 2.2.4 appearing immediately prior to 2.2.4.1 shall be deleted in its entirety and shall have no force or effect and the following language shall be substituted in lieu thereof:

2.2.4 Franchisee executes Franchisor’s then-current standard form of franchise agreement which may contain terms materially different than the terms of this Agreement, including, without limitation, requirements to offer specified services, a higher royalty fee and a higher advertising contribution, and which will be further modified as follows:

3. The language in Section 2.3.1.3 shall be deleted in its entirety and shall have no force or effect and the following shall be substituted in lieu thereof:

2.3.1.3 Franchisee may be required to execute Franchisor’s then current form of franchise agreement, for a term ending on the expiration date of this Agreement, provided the new franchise agreement will not change adversely to Franchisee:

(i) Section 1 (grant of franchise);

(ii) Section 2.2 (renewal rights, if any);

(iii) Section 4.2 (royalty rates); and

(iv) Sections 10.2, 10.3, 10.4, 10.6 and 10.7 (transferability of the franchise).

4. The language in Section 4.2.1 of the Franchise Agreement will be deleted in its entirety and the following shall be substituted in lieu thereof:

4.2.1 **Royalty Amount**

Franchisee will pay Franchisor a monthly royalty equal to five percent (5%) of the “**Gross Sales**” (as defined in Section 4.2.3 of this Agreement) at the Franchised Center. Royalty payments are due on the 15th day of the month after the month in which the Franchised Center opens for business and thereafter on the 15th day of each month, based on Gross Sales for the preceding month.

5. The language in Section 7.2.1 of the Franchise Agreement shall be deleted in its entirety and shall have no force or effect and the following shall be substituted in lieu thereof:

7.2.1 Franchisee agrees to operate the Franchised Center in strict conformance with the Policies and Procedures Manual (the “**Manual**”) and any System Manuals. System Manuals which may be issued by Franchisor from time to time describe particular phases of the System. Such System Manuals may be in different types of media, including computer based training, on-the-job training, booklets, brochures, video, seminars, classroom training and other such types of media as Franchisor may develop from time to time. The Manual and all System Manuals are and will remain the exclusive property of Franchisor. A copy of the Manual and each System Manual will be loaned to Franchisee for the term of this Agreement either via hard copy, electronically, or both.

6. The language in Section 7.3.2 shall be deleted in its entirety and shall have no force or effect and the following shall be substituted in lieu thereof:

7.3.2 From time to time, Franchisor may compile lists of products that meet Franchisor’s specifications, and may modify existing lists. If Franchisee desires to use a product that is omitted from a list of similar products, Franchisee will notify Franchisor in writing before using such product. At Franchisor’s request, Franchisee will provide a sample of the product and any relevant technical data to Franchisor. Franchisor, at a commercially reasonable cost and within a commercially reasonable time frame, will test the product at Franchisee’s expense to determine whether the product meets Franchisor’s minimum standards. If Franchisor determines that the product does not meet its standards, Franchisee will not use such product in the Franchised Center.

7. The language in Section 9.1 shall be deleted in its entirety and shall have no force or effect and the following shall be substituted in lieu thereof:

9.1 Minimum Expenditure on Advertising

9.1.1 Franchisee will spend or contribute five percent (5%) of the Gross Sales of the Franchised Center for advertising and promotion of the Franchised Center, as follows:

9.1.1.1 If a local or regional advertising cooperative association (a “**Cooperative**”) is formed for any locality, region or trading area in which the Franchised Center is located, Franchisee will make monthly contributions to the Cooperative equal to five percent (5%) of the Gross Sales of the Franchised Center for the preceding month, provided that if Franchisor has consented in writing to the Cooperative’s assessment of monthly contributions at a lower rate, then Franchisee will contribute to the Cooperative at the rate to which Franchisor has consented, and will spend the balance of five percent (5%) of the Gross Sales of the Franchised Center on local advertising; or

9.1.1.2 If no Cooperative is formed for any locality, region or trading area in which the Franchised Center is located, or if Franchisee is excused from the requirement to become a member of such a Cooperative pursuant to Section 9.2.2 of this Agreement, then Franchisee will spend five percent (5%) of the Gross Sales of the Franchised Center on local advertising. Franchisee will be deemed to have satisfied this requirement if Franchisee’s aggregate calendar-year expenditures on local advertising equal or exceed five percent (5%) of the aggregate Gross Sales of the Franchised Center during that calendar year.

8. Section 9.5 shall be deleted in its entirety and shall have no force or effect.

9. The language in Section 10.2.4.3 shall be deleted in its entirety and shall have no force or effect and the following shall be substituted in lieu thereof:

10.2.4.3 If the transfer is an assignment of Franchisee’s rights and a delegation of Franchisee’s duties under this Agreement, the transferee and its equity holders may be required to

i) execute Franchisor’s then current form of franchise agreement, for a term ending on the expiration date of this Agreement; provided the new franchise agreement will not change adversely to the transferee:

Section 1 (grant of franchise);

Section 2.2 (renewal rights, if any);

Section 4.2 (royalty rates); and

Sections 10.2, 10.2, 10.4, 10.6 and 10.7 (transferability of the franchise); and

ii) execute such other ancillary agreements (including a lease or sublease, option agreement or contingent assignment and assumption

agreement) as Franchisor may require for a Service Center then being newly franchised; and (iii) complete to Franchisor's satisfaction, as and when Franchisor shall reasonably require, all of the maintenance, refurbishing, renovating and remodeling of the Franchised Center, its equipment and furnishings, including that which is necessary to conform to and comply with Franchisor's then current specifications;

10. The language in Section 13.3.1 shall be deleted in its entirety and shall have no force or effect and the following shall be substituted in lieu thereof:

NEW CONSTRUCTION ADDENDUM
To The Jiffy Lube International, Inc.
Franchise Agreement

For New Construction Of A Jiffy Lube® Franchised Service Center

This **New Construction Addendum** (“Addendum”), effective this ____ day of _____, 201__ (“Effective Date”) by and between Jiffy Lube International, Inc. (“Franchisor”) and _____ (“Franchisee”) (collectively, the “Parties”), contains additional provisions to the Franchise Agreement executed by the Parties on _____, as follows:

1. Area.

1.1 *Description of the Site.*

Pursuant to the Franchise Agreement, Franchisor has granted Franchisee a right to locate, acquire, open and operate one Jiffy Lube Franchised Service Center (“Service Center”). However, at this point in the process, either a location has not been specifically identified, a postal address for the Service Center has not been assigned, the Service Center location has been identified but the Service Center has not been built, and/or the lease for the Service Center site has not been finalized.

Franchisee has, or if Franchisee has been approved to operate under the Build to Suit Program, then Developer and Franchisor have, located the site or a general area in which to search for a suitable site, as described below (“Area” or “Site”, as applicable) for the construction or improvement of the Service Center:

The Site and Area are defined in this Addendum only for the purpose of identifying an area or site which Franchisor has agreed to reserve for geographical protection, as provided for in the Franchise Agreement, during the acquisition and construction of the Service Center and not as an attempt to define any particular trading area or customer base or to grant Franchisee any rights or protections other than specifically described herein or in the Franchise Agreement. This Addendum does not give Franchisee any territorial rights outside of the Site or Area.

Once Franchisee has obtained an official postal or street address for a Site and the Site has been approved by Franchisor in writing pursuant to Section 2 of this Addendum, the street address will be identified in the “Location Rider” attached hereto as Exhibit A.

1.2 *Exclusivity*

The exclusive right for franchisees to locate, acquire, open and operate a Service Center in the Area or on the Site will expire on ____, but may be extended on a month-to-month basis if, in Franchisor’s sole discretion, Franchisor determines that Franchisee has been acting in good faith and with reasonable diligence in attempting to secure and/or construct the Service

Center. After the expiration of this period, if a Site has not been identified, approved, and purchased or leased, the Franchise Agreement will terminate as provided in Section 4, and Franchisee will have no exclusive right to operate a Service Center in the Area or at the Site.

Franchisee acknowledges that Franchisor has made no representation that Franchisee will be able to obtain all necessary governmental consents and permits to enable it to develop a Service Center at that Site.

2. Location of the Service Center

2.1 (a) When Franchisor owns or leases the site:

If Franchisor or one of its affiliates already owns, or is the prime lessee of, the desired site for the Service Center, then Franchisee will enter into a lease or sublease of such premises with Franchisor or its affiliate (as the case may be), and the Location Rider will be executed contemporaneously with this Addendum.

(b) When Franchisee owns or leases the site:

If Franchisee already owns or leases a site for the Service Center, then Franchisor will execute the Location Rider upon receipt of Franchisor's approval of the site.

2.2 When neither Franchisor nor Franchisee owns or leases the Site; site identification:

2.2.1 Franchisee shall identify a specific site at which to locate the Service Center. Within 90 days of the date of the Franchise Agreement, Franchisee will submit to Franchisor (a) certain site acceptance materials identifying the proposed Site and describing relevant demographic and cost factors concerning the Site, and (b) a copy of the contract to purchase or lease the Site, which may be contingent on (i) Franchisor's approval of the Site, (ii) Franchisee's obtaining all required zoning and/or building permits, (iii) Franchisee's obtaining necessary financing, and/or (iv) negotiation of and agreement to the terms of such contract to purchase or lease the Site.

2.2.2 Within approximately 30 days of Franchisor's receipt of all of the information required in Section 2.2.1 of this Addendum, together with any other information reasonably required by Franchisor, Franchisor will determine whether to approve the site for development of the Service Center and will notify Franchisee of its determination in writing.

2.2.3 If a permitted contingency fails, then Franchisee will have the greater of (a) [30] days from the date of Franchisee's receipt of notice of an adverse determination of the failure of a permitted contingency, or (b) the expiration of [120] days from the date the Franchise Agreement is executed, within which to provide site acceptance materials concerning another site together with a copy of the contract to purchase or lease the site which, again, may be contingent on Franchisor's approval of the site or on Franchisee's obtaining all required zoning or building permits and necessary financing, but will be subject to no other conditions. Within approximately

[30] days of Franchisor's receipt of all of the site acceptance materials for the second site, together with any other information reasonably required by Franchisor, Franchisor will determine whether to approve that site for development as the Service Center and will notify Franchisee of its determination in writing. If the second site is not approved or if a permitted contingency with regard to the second site fails, and if no more than [150] days have elapsed since the Effective Date of this Addendum, Franchisee may submit site acceptance materials and other relevant information for a third site, in the same manner and on the same terms as the second site. Franchisee may submit no more than three potential sites in total.

2.2.4 Franchisor may not unreasonably withhold its approval of any site in the Area which is presented by Franchisee, provided, however, that approval of a site may be withheld based on demographic or other characteristics from which Franchisor reasonably concludes that a service center located at such site is not likely to be successful, or based on Franchisor's sole determination that a service center at such site might unreasonably adversely impact a service center existing or planned at the time the approval is sought. (This provision is not intended to, and does not, give any rights to any person other than Franchisor, and does not give Franchisee any rights with regard to the area surrounding the Service Center in addition to those rights granted in Sections 1.2 and 1.5 of the Franchise Agreement.)

2.3 *When neither Franchisor nor Franchisee owns or leases the site; site acquisition:*

Franchisee will acquire a lease or fee interest in the approved Site and provide Franchisor with a final, executed copy of the lease or purchase contract within 30 days after the later of (a) Franchisee's receipt of notice of Franchisor's approval of a Site submitted to Franchisor pursuant to Section 2.2 of this Addendum, or (b) satisfaction of all permitted contingencies in Franchisee's contract to purchase or lease such site.

2.3.1 If Franchisee owns or has acquired a fee interest in a Site, then within 30 days of the later of (a) such acquisition or (b) execution of the Franchise Agreement, Franchisee will execute an option agreement giving Franchisor the right, but not an obligation, to purchase or lease the Site and improvements located thereon upon termination or expiration of the Franchise Agreement.

2.3.2 If Franchisee has acquired a lease interest in a Site or improvements located at a Site from a party other than Franchisor or one of its affiliates, then within 30 days of the later of (a) execution of such lease or (b) execution of this Addendum, Franchisee will execute, and will cause its lessor to execute, a contingent assignment and assumption agreement giving Franchisor the right, but not an obligation, to assume Franchisee's rights and obligations in connection with such lease upon termination or expiration of the Franchise Agreement.

2.4 *Extensions of time.*

The period of time in which Franchisee must perform any act required by this Section 2 may be extended if, in Franchisor's sole discretion, Franchisor determines that Franchisee has been acting in good faith and with reasonable diligence in attempting to perform the act required. Any such extension of time must be in writing and must be signed by an officer of Franchisor in order to be binding.

3. Building and Opening the Service Center

3.1 Standard plans; appearance of the Service Center.

Franchisor will provide standard plans and equipment specifications for the construction of a Service Center; however, before having the Service Center built, Franchisee will arrange for such building plans and equipment specifications to be modified by a person authorized to make such modifications under local ordinances or regulations in order to satisfy applicable building code requirements and/or other local requirements. Franchisee acknowledges that the design and appearance of the Service Center are part of the System, as defined in the Franchise Agreement, and that uniformity within the System is essential to the System's success. Therefore, Franchisee agrees that it will make no change to the exterior elevations or floor plan specified in Franchisor's standard building plans or designs without Franchisor's prior written consent. The obligations of the Franchisee in this Section 3.1 are not applicable to service centers leased to franchisees under the Build to Suit Program.

3.2 *Permits.*

After site approval by Franchisor, Franchisee will diligently pursue all necessary zoning and/or building permits. Franchisee is responsible for securing all permits and other governmental approvals necessary for construction and operation of the Service Center. At Franchisor's request, Franchisee will give Franchisor a copy of the actual city-approved site plan showing easements, access and building position, a copy of the city-approved building plans and design, and a copy of any soils report prepared by or for Franchisee. The obligations of the Franchisee in this Section 3.2 are not applicable to service centers leased to franchisees under the Build to Suit Program.

3.3 *Construction and opening.*

Franchisee will cause construction of the Service Center to begin within 30 days after Franchisee obtains all permits required to begin construction. During construction of the Service Center, Franchisee will install a free-standing sign designating the Site to be the site of a Jiffy Lube Service Center in a form, size and style approved in writing by Franchisor. Construction will be sufficiently complete for a certificate of occupancy to be issued within six months of groundbreaking. In any event, Franchisee will open the Service Center within 12 months after the effective date of the Franchise Agreement. The obligations of the Franchisee in this Section 3.3 are not applicable to service centers leased to franchisees under the Build to Suit Program.

3.4 *Effect of failure to locate an approved Service Center site.*

If the Franchise Agreement is terminated because of a failure to locate an approved Site within the time provided by Section 2 of this Addendum,

Franchisor may offer a franchise for the Site or for any site within the Area (including sites which may have been under consideration by Franchisee) to any other franchisee, all without liability to Franchisee.

3.5 *Extensions of time.*

The period of time in which Franchisee must perform any act required by this Section 3 may be extended if, in Franchisor's sole discretion, reasonably applied, Franchisor determines that Franchisee has been acting in good faith and with reasonable diligence in attempting to perform the act required. Any such extension of time must be in writing and must be signed by a duly authorized representative of Franchisor in order to be binding.

4. Default

If Franchisee fails to (i) acquire a lease or fee interest in an approved site within the time set forth in this Addendum, or (ii) open the Service Center within the time provided by Section 3 of this Addendum, then Franchisor may terminate the Franchise Agreement without affording Franchisee any opportunity to cure the default, and such termination shall be effective immediately upon Franchisee's receipt of notice of the default. Any portion of the franchise fees earned by the Franchisor and paid or due pursuant to the Franchise Agreement prior to termination as provided by this section remain non-refundable.

If Franchisee performs "Tire Service" at any non-Jiffy Lube branded service centers and does not otherwise violate the covenants not to compete contained in this Addendum or the Franchise Agreement, Franchisee will be allowed to amend Exhibit B when seven hundred fifty (750) Service Centers have undergone Store Deployment. Franchisor shall provide notice to Franchisee when seven hundred (700) Service Centers have completed Store Deployment. Franchisee specifically acknowledges that it may not use any of Franchisor's confidential or proprietary information including but not limited to materials, processes, training modules, or trademarks, in connection with the operation of any such independent business. Solely for purposes of this Article XI of this Addendum (and not for any other purpose), the term "Tire Service" shall mean tire replacement, balancing, and installation.

12.4 Upon the expiration of the current term of each of Franchisee’s Franchise Agreements (as specified on Exhibit A), Franchisor may terminate this Addendum for convenience at its own discretion upon providing Franchisee with 60 days’ prior written notice.

12.5 The termination of this Addendum, for whatever reason, will not prejudice any of the accrued rights, claims or liabilities of either Franchisee or Franchisor hereunder. CODE Section 20000 et seq., (collectively, the “Act”), Jiffy Lube International, Inc. and _____ (“_____”), hereby amend the Franchise Agreement between them dated _____ (the “Agreement”) as follows:

1. The California Department of Financial Protection and Innovation requires that certain provisions contained in franchise documents be amended to be consistent with California law, including the California Franchise Investment Law, CAL. CORP. CODE Section 31000 et seq., and the California Franchise Relations Act, CAL. BUS. & PROF. CODE Section 20000 et seq., (collectively, the “Act”). To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

3. The Franchise Agreement requires you to execute a general release of claims upon renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). 4. If the Franchise Agreement requires payment of liquidated damages that is inconsistent with California Civil Code Section 1671, the liquidated damage clause may be unenforceable.

5. If the Franchise Agreement contains a covenant not to compete which extends beyond the expiration or termination of the Agreement, the covenant may be unenforceable under California law.

6. If the Franchise Agreement requires litigation, arbitration, or mediation to be conducted in a forum other than the State of California, the requirement may be unenforceable under California law.

7. If the Franchise Agreement requires that it be governed by a state’s law other than the State of California, such requirement may be unenforceable.

8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise. In the event of any conflict between the terms of this Amendment and the terms of the Franchise Agreement, the terms of this Amendment shall prevail.

9. Article 18 ACKNOWLEDGEMENTS of the Franchise Agreement is deleted in its entirety and replaced with the following:

BEFORE SIGNING THIS AGREEMENT, FRANCHISEE SHOULD READ IT CAREFULLY

Stat. ch. 815 para. 705/1 – 705/44 (1994) (the “Illinois Franchise Act”), Jiffy Lube International, Inc. and _____ (“_____”), hereby amend the Franchise Agreement between them dated _____ (the “Agreement”) as follows:

1. Section 705/19 and 705/20 of the Illinois Franchise Act provide rights to franchisees concerning nonrenewal and termination of a franchise. If the Agreement contains a provision that is inconsistent with the Illinois Franchise Act, the Illinois Franchise Act will control.

2. Section 41 of the Illinois Franchise Act states that “any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of this Act is void.” To the extent that any provision in the Agreement is inconsistent with Illinois law, Illinois law will control.

3. Any provision that designates jurisdiction or venue or required Franchisee to agree to jurisdiction or venue in a forum outside of Illinois is void with respect to any cause of action which is otherwise enforceable in Illinois, except arbitration may take place outside the state of Illinois.

4. If this Agreement requires that it be governed by a state's law, other than the State of Illinois, to the extent that such law conflicts with the Illinois law, Illinois law will control.

5. To the extent that the Illinois Franchise Act prohibits the disclaimer of representations contained in a franchisor’s Franchise Disclosure Document, the Agreement is amended to include representations made in Franchisor’s Franchise Disclosure Document to the extent required by law.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

MARYLAND AMENDMENT TO FRANCHISE AGREEMENT**

For purposes of complying with the requirements of Maryland law, including the Maryland Franchise Registration and Disclosure Law, Md. Code Ann , Bus. Reg. §§ 14-201 through 14-233 (the “Maryland Franchise Act”), Jiffy Lube International, Inc. and _____ (“_____”), hereby amend the Franchise Agreement between them dated _____ (the “Agreement”) as follows:

1. Any provision requiring you to sign a general release of any and all claims against us as a condition of renewal, sale, and/or assignment/transfer shall not apply to claims arising under the Maryland Franchise Registration and Disclosure Law.

2. Any provision requiring you to bring an action against us in any state other than Maryland shall not apply to claims arising under the Maryland Franchise Registration and Disclosure Law. You may bring an action in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

3. All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel, or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

4. Notwithstanding anything to the contrary set forth in the Agreement, any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three (3) years after the grant of the franchise.

5. The Agreement provides that disputes are resolved through arbitration. The Maryland Franchise Registration and Disclosure Law states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Article 18 ACKNOWLEDGEMENTS of the Franchise Agreement is deleted in its entirety and replaced with the following:

BEFORE SIGNING THIS AGREEMENT, FRANCHISEE SHOULD READ IT CAREFULLY

8. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of Maryland law applicable to the provisions are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met

MINNESOTA AMENDMENT TO FRANCHISE DISCLOSURE DOCUMENT
AND FRANCHISE AGREEMENT

For purposes of complying with the requirements of Minnesota law, including the Minnesota Franchise Act, Minn. Stat. §§ 80C.01 - 80C.22 (the “Act”) and the rules and regulations promulgated thereunder by the Minnesota Commissioner of Commerce (the “Rules”), Jiffy Lube International, Inc. and _____ (“_____”), hereby amend the Franchise Disclosure Document and Franchise Agreement between them dated _____ (the “Agreement”) as follows:

1. The Minnesota Department of Commerce requires that the Franchisor indemnify Minnesota Franchisees against liability to third parties resulting from claims by third parties that the Franchisee’s use of the Proprietary Marks infringes trademark rights of the third party. Franchisor does not indemnify against the consequences of Franchisee’s use of the Proprietary Marks except in accordance with the requirements of the Agreement, and, as a condition to indemnification, Franchisee must provide notice to Franchisor of any such claim within ten (10) days after the earlier of (i) actual notice of the claim or (ii) receipt of written notice of the claim, and must therein tender the defense of the claim to Franchisor. If Franchisor accepts the tender of defense, Franchisor has the right to manage the defense of the claim including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim. If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement shall be superseded by the Act’s requirements and shall have no force or effect.

2. Franchise Act, Sec. 80C.14, Subd. 4., requires, except in certain specified cases, that a Franchisee be given written notice of a Franchisor’s intention not to renew 180 days prior to expiration of the franchise and that the Franchisee be given sufficient opportunity to operate the franchise in order to enable the Franchisee the opportunity to recover the fair market value of the franchise as a going concern. If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement shall be superseded by the Act’s requirements and shall have no force or effect.

3. Franchise Act, Sec. 80C.14, Subd. 3., requires, except in certain specified cases, that a Franchisee be given 90 days’ notice of termination (with 60 days to cure). If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement shall be superseded by the Act’s requirements and shall have no force or effect.

4. If the Agreement and/or the Disclosure Document requires Franchisee to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Franchise Act, such release shall exclude claims arising under the Franchise Act, and such acknowledgments shall be void with respect to claims under the Act.

5. If the Agreement and/or the Disclosure Document requires that it be governed by a state’s law, other than the State of Minnesota, those provisions shall not in any way abrogate or reduce any rights of the Franchisee as provided for in the Franchise Act, including the right to submit matters to the jurisdiction of the courts of Minnesota.

6. If the Agreement and/or the Disclosure Document requires Franchisee to sue Franchisor outside the State of Minnesota, those provisions shall not in any way abrogate or reduce any rights of the Franchisee as provided for in the Franchise Act, including the right to submit matters to the jurisdiction of the courts of Minnesota. As such, the disclosure in risk factor 1 on the State Cover Page of the Disclosure Document that the Agreement requires Franchisee to sue outside the State of Minnesota is not applicable because of the Franchise Act.

7. Minn. Rule 2860.4400J. prohibits the Franchisor from requiring You to consent to liquidated damages and prohibits waiver of a jury trial. If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Minn. Rule, the provisions of the Agreement and/or the Disclosure Document shall be superseded by the Minn. Rule’s requirements and shall have no force or effect.

8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made

by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

9. Article 18 ACKNOWLEDGEMENTS of the Franchise Agreement is deleted in its entirety and replaced with the following:

BEFORE SIGNING THIS AGREEMENT, FRANCHISEE SHOULD READ IT CAREFULLY WITH THE ASSISTANCE OF LEGAL COUNSEL. 10. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of Minnesota law applicable to the provisions are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met.

WASHINGTON AMENDMENT TO FRANCHISE AGREEMENT

For purposes of complying with the requirements of Washington law, including the Washington Franchise Investment Protection Act, Chapter 19.100 RCW (the “Act”), Jiffy Lube International, Inc. and _____ (“_____”), hereby amend the Franchise Agreement between them dated _____ (the “Agreement”) as follows:

1. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.
2. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
3. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
5. Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.
6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.
7. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

JIFFY LUBE®
FRANCHISE AGREEMENT

THIS AGREEMENT (the “**Agreement**”) is made _____ (the “**Execution Date**”), by and between JIFFY LUBE INTERNATIONAL, INC., a Delaware corporation, having its principal place of business at 150 N. Dairy Ashford, Houston, TX 77079, U.S.A. (“**Franchisor**”) and _____, a[n] [type of entity] [individual(s)], with [its] [his/her/their] principal [place of business] [residence] at _____ (“**Franchisee**”).

RECITALS

- A.** Franchisor has spent considerable time, effort and money developing a nationally recognized brand and owns a unique system for providing lubrication and preventive fluid maintenance and repair services to cars and light trucks using the registered trademark “Jiffy Lube®” (the “**System**”). The distinguishing characteristics of the System include methods for locating, building and operating Jiffy Lube® Service Centers (the “**Service Centers**”), proprietary trademarks, trade dress, software, training materials and operational methods and manuals and methods for marketing the services offered at the Service Center and which may be modified, improved, discontinued or further developed by Franchisor from time to time.
- B.** Franchisor owns the property rights and interests in and to and utilizes the “Jiffy Lube” trademark, the “Flying J” logo and certain other service marks, symbols, word marks, trademarks, trade names and trade dress as currently designated, or as may hereinafter be designated by Franchisor in writing, in connection with the System (the “**Trademarks**”).
- C.** Franchisor continues to develop, use and control the use of the Trademarks in order to identify for the public the source of services marketed thereunder and in association with the System and to represent the System’s high standards of quality, appearance and service.
- D.** Franchisee wishes to locate, acquire, open and operate a Service Center utilizing the System at the location identified in the addendum as specified in Section 1.1 strictly in accordance with the terms and conditions of this Agreement.
- E.** Based upon the information provided by Franchisee to Franchisor in Franchisor’s prospective franchisee application process, Franchisor has decided to grant to Franchisee a license to develop a Service Center that strictly utilizes the System in accordance with the terms and conditions of this Agreement.

NOW THEREFORE, in consideration of the undertakings and commitments of each party to the other party set forth in this Agreement, the parties agree as follows:

1. GRANT OF FRANCHISE

- 1.1** Franchisor hereby grants to Franchisee a non-exclusive license to use the System, including the Trademarks, as is and as they may be modified from time to time in connection with the operation of a Service Center whose location is described in the addendum attached to this Agreement in strict conformance with this Agreement. Franchisee agrees to establish a

Service Center utilizing the System only at the location described in the addendum attached to this Agreement and incorporated herein (the “**Franchised Center**”). Except as expressly stated herein, Franchisor reserves the right to operate and grant as many other franchises for the operation of the System anywhere in the world as it shall, in its sole discretion, elect. Franchisee acknowledges that the granting of this non-exclusive license does not confer Franchisee the right to acquire any other such licenses.

- 1.2 Subject to any rights granted by Franchisor to others under the terms of any franchise agreement or development agreement existing on the date of execution of this Agreement, during the term of this Agreement, Franchisor will not operate or authorize anyone else to operate another Service Center within a radius of three miles around the Franchised Center (the “**Three Mile Area**”). Franchisee has no rights outside of the Three Mile Area, and Franchisor may operate or authorize third parties to operate a Service Center anywhere outside of the Three Mile Area, even if such location lies in close proximity to the Three Mile Area. Franchisor specifically reserves the right to conduct any activity not expressly restricted by this Agreement.
- 1.3 Franchisor specifically reserves all rights that are not expressly granted to Franchisee by this Agreement.
- 1.4 Notwithstanding anything to the contrary, Franchisor reserves the right to conduct or authorize others to conduct national or regional fleet account solicitations and advertising activities within or outside of the Three Mile Area as Franchisor may choose.
- 1.5 During the term of this Agreement (but only as long as Pennzoil–Quaker State Company directly or indirectly owns or controls Franchisor), Pennzoil-Quaker State Company has agreed with Franchisor that it will not:
 - 1.5.1 Authorize the installation of any new “Pennzoil 10-Minute Oil Change” sign within two miles of the Franchised Center, provided that Pennzoil-Quaker State Company may replace such signs in the normal course of business if they were installed before the date of this Agreement; or
 - 1.5.2 Extend new “major financing” to any free-standing quick lube center located within one mile of the Franchised Center. For purposes of this provision, “major financing” means financing substantially in excess of that generally offered by the companies owning the registered trademarks Castrol[®], Valvoline[®] and other major marketers of motor oil, and their distributors, in order to obtain the borrower’s commitment to purchase that marketer’s brand of motor oil (excluding financing packages made available only to franchisees of those marketers or their affiliates), and “quick lube center” means any automotive service center whose primary business is to provide fast, convenient lubrication and fluid maintenance services.
- 1.6 Franchisor reserves the right to develop businesses other than the System and conduct activities (including, without limitation, advertising under the Trademark) other than the operation and franchising of Service Centers and to use any Trademark, service mark, trademark or trade name in connection with those other businesses, both within and outside the Three Mile Area and regardless of the economic effect on Franchisee, all without granting Franchisee any right to use those other business formats, service marks, trademarks

or trade names.

2. TERM AND RENEWAL

2.1 Initial Terms

Except as otherwise provided for in this Agreement, the initial term of this Agreement (the “**Term**”) shall expire on the twentieth (20th) anniversary of the date the Franchised Center first opens for business as a Service Center. For all purposes under this Agreement, the date the Franchised Center first opens for business shall be the date verified in writing by Franchisor and delivered by Franchisor to Franchisee in a form substantially similar to the Notice attached hereto as Attachment A. Franchisee agrees and shall be obligated to operate the Franchised Center and perform its obligations as set forth herein for the full Term of this Agreement.

2.2 Renewal Terms

Franchisee may, at its option, renew its right to operate the Franchised Center for two consecutive renewal terms of ten (10) years each, each such renewal term to commence on the date of expiration of the immediately preceding term, provided that:

- 2.2.1 Franchisee is not in default of its obligations pursuant to this Agreement, or any amendment hereof or successor thereto, and any other agreement between Franchisee and Franchisor and/or Franchisor’s affiliates that relate to the Franchised Center at the time of giving its notice to renew and at the time of renewal;
- 2.2.2 Franchisee has not received more than two (2) notices of default from Franchisor or any of its subsidiaries (whether or not such defaults were subsequently cured) during the previous five (5) years;

(The program which includes this requirement to purchase such products is referred to herein as the “**SOPUS Products/Jiffy Lube Pacesetter Program**” or “**Products Program**”); and (b) may contain terms materially different than the terms of this Agreement, including, without limitation, requirements to offer specified services, a higher royalty fee and a higher advertising contribution, and which will be further modified as follows:
 - 2.2.4.1 the term of which shall be the renewal term as specified in Section 2.2, but whose renewal rights shall be limited to one renewal period if the franchise agreement is for Franchisee’s first renewal period hereunder or no further renewal periods if the renewal is for the Franchisee’s second renewal period hereunder; and
 - 2.2.4.2 franchise fee shall be as set forth in Section 2.2.11 below;
- 2.2.5 Franchisee has paid or otherwise timely satisfied all monetary obligations owed by Franchisee to Franchisor and its affiliates and any indebtedness of Franchisee which

is guaranteed by Franchisor or its affiliates has been timely paid or otherwise has been satisfied before the beginning of any renewal term;

- 2.2.6** Franchisee completes to Franchisor's satisfaction, as and when Franchisor shall reasonably require, all of the maintenance, refurbishing, renovating and remodeling of the Franchised Center, its equipment and furnishings, including that which is necessary to conform to and comply with Franchisor's then current specifications;
- 2.2.7** Franchisee and Franchisor execute a mutual release in a form prescribed by Franchisor of any and all claims against each other and their respective affiliates, officers, directors, equity holders, representatives, agents and employees except:
 - 2.2.7.1** claims of which either Franchisor or Franchisee has given written notice to the other party before the date of the renewal provided that any such claim shall be lost and forever waived in the event such claim is not resolved or suit instituted within the earlier of (i) one year from the date of the renewal, or (ii) the expiration of the otherwise applicable statutory or contractual limitations period;
 - 2.2.7.2** claims by Franchisor for royalties, reminder mail charges, fleet accounts, computer hardware support charges, software charges, rent, additional rent and other similarly periodic, liquidated or readily calculable indebtedness arising under this or any other agreement; and
 - 2.2.7.3** claims by Franchisee for fleet account credits and other periodic, liquidated or readily calculable indebtedness arising under this or any other agreement;
- 2.2.8** Franchisee qualifies as a franchisee in accordance with Franchisor's then current qualification requirements;
- 2.2.9** The Franchised Center premises are not the subject of any then-pending notice of violation of any environmental law, rule, regulation or code issued by a governmental authority; provided, however, that if Franchisee provides evidence satisfactory to Franchisor that it is diligently working to be in compliance with all such laws, rules, regulations and codes and to cure any prior violations thereof, and meets all other requirements of this Section 2.2, then Franchisor will approve the renewal request.
- 2.2.10** Prior to the beginning of the renewal term, Franchisee, its managers and Franchised Center employees meet Franchisor's then current training requirements;
- 2.2.11** Franchisee pays to Franchisor a renewal fee equal to \$10,000 for the first renewal term and \$7,500 for the second renewal term, each adjusted upward in proportion to the rate of inflation from the date the Franchised Center initially opened to the date three months prior to the date of the renewal, as measured by the Consumer Price Index for urban wage earners and clerical workers, U.S. city average (all items, base period: 1982-84 = 100); and
- 2.2.12** If Franchisor is unable to lawfully offer Franchisee its then-current form of Franchise Agreement at the time for renewal, Franchisor and Franchisee agree to extend the initial Term or the first renewal term as applicable of this Agreement on a month to month basis until such time as Franchisor is able to lawfully offer

Franchisee its then current form of franchise agreement plus 60 days.

2.3 Relocation Terms

2.3.1 If Franchisee has permanently closed a Service Center with Franchisor's consent more than five years before the expiration of the initial term of the franchise agreement or license agreement pursuant to which such Service Center was operated, and if Franchisor has accepted the Franchised Center as a replacement for such permanently closed Service Center, Franchisor may, in its sole discretion, require any or all of the following as conditions of its approval:

2.3.1.1 Franchisee may be required to satisfy all accrued monetary obligations to Franchisor and its affiliates;

2.3.1.2 Franchisee may be required to execute, with Franchisor, a mutual release, in a form satisfactory to Franchisor, of any and all claims against each other and their respective subsidiaries or affiliates (as appropriate), officers, directors, equity holders, agents and employees, except:

- (i) claims of which either Franchisor or Franchisee has given written notice to the other party before the date of the transfer provided that any such claim shall be lost and forever waived in the event such claim is not resolved or suit instituted within the earlier of (1) two years from the date of the transfer, or (2) the expiration of the otherwise applicable statutory or contractual limitations period;
- (ii) claims by Franchisor for royalties, reminder mail charges, fleet account debits, computer hardware support charges, rent and additional rent and other similarly period, liquidated or readily calculable indebtedness arising under this or any other agreement;
- (iii) claims by Franchisee for fleet account credits and other periodic, liquidated or readily calculable indebtedness arising under this or any other agreement; and
- (iv) claims by Franchisor to enforce any obligations arising under Section 14 or Section 15.2

2.3.1.3 Franchisee may be required to execute Franchisor's then current form of franchise agreement, for a term ending on the expiration date of this Agreement, provided the new franchise agreement will not change adversely to Franchisee:

- (i) Section 1 (grant of franchise);
- (ii) Section 2.2 (renewal rights, if any);
- (iii) Section 4.2 (royalty rates); and
- (iv) Sections 10.2, 10.3, 10.4, 10.6 and 10.7 (transferability of the franchise).

3. TRADEMARKS AND CONFIDENTIALITY REQUIREMENTS

3.1 Ownership of Trademarks

The Trademarks are owned by Franchisor. Franchisee acknowledges that its use of the Trademarks is a temporary use, that such use is permitted under a license from Franchisor and that Franchisor retains all ownership in the Trademarks and in all goodwill generated by the Trademarks.

3.2 Franchisee's use of the Trademarks

With respect to Franchisee's use of the Trademarks:

- 3.2.1** Franchisee shall use only the Trademarks designated by Franchisor in connection with the operation and promotion of the Franchised Center. Franchisee shall not use the Trademarks in combination with any other trademarks, service marks, trade names, logos or trade dress in such a manner as to diminish, dilute or alter the Trademarks. Franchisee shall use the Trademarks only in the manner authorized and permitted by Franchisor.
- 3.2.2** Franchisee shall use the Trademarks only for the operation and promotion of the Franchised Center.
- 3.2.3** Franchisee's right to use the Trademarks is limited to such uses as are expressly authorized under this Agreement and any unauthorized use thereof shall constitute a default under this Agreement.
- 3.2.4** Franchisee shall not use the Trademarks as part of its corporate or other legal name or in an internet domain, user, or account name. Upon Franchisee's written request, subject to availability and at Franchisee's sole cost and expense, Franchisor may establish a domain name utilizing one or more of the Trademarks and license such domain name to Franchisee for Franchisee's use.
- 3.2.5** Franchisee agrees not to represent in any manner that it has any ownership in the Trademarks or the right to use the Trademarks, except as provided in this Agreement. Franchisee further agrees that its use of the Trademarks shall not create in its favor any right, title or interest in or to the Trademarks and that all such use shall inure to the sole benefit of Franchisor.
- 3.2.6** During the Term of this Agreement and any renewal thereof, Franchisee shall identify itself as an authorized, independently owned franchisee of the Franchised Center in conjunction with any use of the Trademarks including, but not limited to, on invoices, receipts, contracts, web sites, corporate identifications as well as in conspicuous locations on the premises of the Franchised Center. Franchisee acknowledges that the requirements imposed upon it by Franchisor concerning Franchisee's use of the Trademark, the Manual and the System Manuals are for the benefit of the System and expressly do not rise to the level of Franchisor's control over Franchisee's business and Franchisee is fully responsible for its own conduct.
- 3.2.7** Franchisor will hold harmless and indemnify Franchisee and its officers, directors, equity holders, agents and employees against all claims for patent or service mark infringement arising out of Franchisee's use of the Trademarks in a manner consistent with the license granted by this Agreement, provided Franchisee notifies Franchisor in writing within 30 days after learning of the claim and provided Franchisor has the right to control any litigation or adversary proceeding resulting

from such claim. Franchisee agrees to cooperate with and assist Franchisor in protecting the Trademarks, any other trademarks, service marks, patents, or copyrights owned by or licensed to Franchisor and shall immediately inform Franchisor, in writing, of any suspected or actual infringements or other improper action with respect to such Trademarks that shall come to the attention of Franchisee. Determination of actions to be taken in response to such notice shall be made solely by Franchisor. Franchisee agrees to be a named party in any action taken if so requested by Franchisor and to provide Franchisor with full cooperation with reference to any such action. In the event that Franchisee is made a party to any litigation directly concerning the use of any of the Trademarks, Franchisee shall immediately notify Franchisor of such fact.

- 3.2.8** Franchisee acknowledges that Franchisor may modify the Trademarks or substitute other service marks, trade name, trademarks or commercial symbols for the Trademarks as part of the System and may require Franchisee to use such modified or substituted service marks, trade name, trademarks or commercial symbols. If Franchisee is in compliance with the provisions of this Section 3.2 and Section 9.3, Franchisor agrees to implement a reasonable transition period, not to exceed two (2) years, for Franchisee to implement any significant modification to the Trademarks.
- 3.2.9** Franchisee shall not at any time put in issue or contest, either directly or indirectly, the validity of the Trademarks or Franchisor's ownership and other rights in and to the Trademarks. Franchisee recognizes the goodwill associated with the Trademarks and acknowledges that such goodwill belongs to Franchisor. Nothing in this Agreement shall give Franchisee an interest in any of the Trademarks, the goodwill associated with the Trademarks, or in any trademark, trade name, trade dress, service mark or other material containing the Trademarks. Franchisee understands and agrees that there is extended by this Agreement permission, uncoupled with an interest, to use the Trademarks in connection with the operation and promotion of the Franchised Center.
- 3.2.10** Franchisee agrees that it will cease all use of any of the Trademarks immediately upon expiration or termination of this Agreement. Franchisee acknowledges that failure immediately to cease all use of any of the Trademarks upon expiration or termination of this Agreement will result in immediate and irreparable injury to Franchisor and Franchisee agrees to pay all reasonable attorneys' fees, costs, and expenses (including interest on such fees, costs, and expenses) incurred by Franchisor in obtaining specific performance of, or an injunction against violation of the requirements of this Section.

3.3 Assumed Name Registration

If Franchisee desires or is required to by any statute, regulation, rule or ordinance, Franchisee shall promptly file with the applicable government agency a notice of its intent to conduct business under the name "Jiffy Lube". Promptly upon expiration or termination of this Agreement, Franchisee shall execute and file such documents as may be necessary to revoke or terminate such assumed name registration. If Franchisee fails to promptly cancel or revoke its assumed name registration in accordance with this provision, Franchisee hereby irrevocably appoints Franchisor as its Attorney in fact to do so for and on behalf of

Franchisee.

3.4 Confidential Information

Franchisee acknowledges that during its relationship with Franchisor it will acquire knowledge of trade secrets, confidential information, know-how, training, marketing, sales formula, organizational and operational methods and other information concerning the System and the operation of a Service Center that is proprietary to Franchisor. Franchisee will treat as confidential all information designated by Franchisor to be confidential (“**Confidential Information**”); provided, however that Confidential Information shall not include information which Franchisee can demonstrate came to Franchisee’s attention prior to disclosure thereof by Franchisor or which at the time of disclosure by Franchisor to Franchisee had become part of the public domain through publication or communication by others who did not have a confidentially obligation with respect to such information. The training materials, software, Manual and any additional manuals developed by Franchisor concerning particular phases of the System (“**System Manuals**”) or this Agreement are Confidential Information without any separate designation of confidentiality being made by Franchisor.

3.5 Franchisee’s Confidentiality Obligations

Franchisee acknowledges that any unauthorized use or disclosure of the Confidential Information to unauthorized third parties will result in immediate and irreparable injury to Franchisor and Franchisee agrees to pay all reasonable attorneys’ fees, costs, and expenses (including interest on such fees, costs, and expenses) incurred by Franchisor in obtaining specific performance of, or an injunction against violation of the requirements of this Section. Franchisee agrees that it will

- 3.5.1** Not use or allow use of any Confidential Information, except in connection with the operation of the Franchised Center;
- 3.5.2** Disclose Confidential Information to individuals actively involved in the operation or management of the Franchised Center, but must limit such disclosures to those individuals who reasonably need to know the Confidential Information in order to discharge their responsibilities for Franchisee and will instruct any individual to whom any Confidential Information is disclosed that the information is confidential, may only be used in connection with the operation of the Franchised Center and may not be disclosed to others;
- 3.5.3** Store the Confidential Information in a reasonably secure place and will not allow any Confidential Information to be photocopied or distributed to anyone not expressly authorized to have access pursuant to the terms of this Agreement; and
- 3.5.4** Notify Franchisor in writing as soon as practical that it may be required to disclose Confidential Information in order to protect Franchisor’s interests or to comply with an order of a court or administrative body and use all reasonable efforts to obtain an order from the court or administrative body before which the matter is pending, requiring the parties to such matter to keep the Confidential Information confidential.

3.6 Ownership of Ideas

In consideration of Franchisor’s disclosure of Confidential Information to Franchisee, Franchisee agrees that if during the Term of this Agreement, Franchisee (or any of its officers, directors and employees) develops any idea, innovation or invention that can be

used in conjunction with the System and that can legally be protected, then Franchisee will execute or will cause its officer, director and/or employee to execute an assignment of all rights in and to that idea, innovation or invention to Franchisor, giving Franchisor complete ownership of such idea, innovation or invention without additional consideration.

4. FRANCHISE FEE, ROYALTIES AND OTHER FEES

4.1 Franchise Fee

4.1.1 New Construction

Intentionally deleted – The Non-Product Supply Franchise Agreement is not offered for construction of new Jiffy Lube locations under the terms of this Agreement.

4.1.2 Converted Center

Intentionally deleted – The Non-Product Supply Franchise Agreement is not offered for conversion of quick lube service centers under a trade name other than “Jiffy Lube” to a Jiffy Lube location under the terms of this Agreement.

4.1.3 Replacement Center

Intentionally deleted – The Non-Product Supply Franchise Agreement is not offered for replacement of a Jiffy Lube location under the terms of this Agreement.

4.1.4 Relocated Center

If Franchisee has permanently closed a Service Center with Franchisor’s consent more than five years before the expiration of the initial term of the franchise agreement or license agreement pursuant to which such Service Center was operated, and if Franchisor has accepted the Franchised Center as a replacement for such permanently closed Service Center, then Franchisor will have earned and Franchisee will pay a relocation fee of \$7,500 upon execution of this Agreement. Once paid to Franchisor, all franchise fees are non-refundable.

4.1.5 Transfer

If this Agreement is a replacement of an existing Franchise Agreement that is being transferred to a new owner, then no franchise fee is required. This Section does not affect any transfer fee required under other provisions of this Agreement or any previous agreement or agreement with the transferor.

4.1.6 Acquisition of an Existing Company Operated Center

If Franchisee is buying a Service Center owned by Franchisor, then the standard franchise fee of \$35,000 shall apply and shall be paid as provided in the asset purchase agreement between Franchisor and Franchisee. Once paid to Franchisor, all franchise fees are non-refundable.

4.1.7 Renewal

If this Agreement is a renewal of an existing franchise agreement, then no franchise fee is required, but Franchisee will pay Franchisor upon execution of this Agreement the Renewal Fee described in Section 2.2.11 to this Agreement.

4.1.8 Area Development Rights and Prior Agreements

Notwithstanding anything to the contrary, if Franchisee is a party to an area development agreement with Franchisor which (a) is in effect when this Agreement is executed and (b) provides for some lower franchise fee or some other time for payment than is described in this Section 4.1, then the provisions of that area development agreement will supersede this Section 4.1 with regard to the amount and time of payment of the franchise fee.

4.2 Royalties

4.2.1 Royalty Amount

Franchisee will pay Franchisor a monthly royalty equal to five percent (5%) of the “**Gross Sales**” (as defined in Section 4.2.3 of this Agreement) at the Franchised Center. Royalty payments are due on the 15th day of the month after the month in which the Franchised Center opens for business and thereafter on the 15th day of each month, based on Gross Sales for the preceding month.

4.2.2 Prompt Payment Discount

If (a) Franchisee is current on all of its obligations to Franchisor and its subsidiaries and (b) the monthly royalty is received at a lockbox designated by Franchisor, or wire transferred to an account designated by Franchisor, on or before the date on which it is due (that is, the 15th of a given month), then Franchisee may deduct from its royalty payment for that month a prompt payment discount equal to one percent (1%) of the Gross Sales of the Franchised Center for the preceding month.

4.2.3 Gross Sales Definition

For purposes of this Agreement, the term “**Gross Sales**” means all receipts of Franchisee for services provided and goods sold at the Franchised Center, including payments (a) in cash, (b) by credit or debit card or (c) in barter transactions, without any deduction for costs incurred by Franchisee in connection with operation of the Franchised Center. In the case of barter transactions, the fair market value of goods or services received by Franchisee in exchange for goods and services provided by Franchisee is to be included in the Franchised Center’s Gross Sales. For the avoidance of all doubt and notwithstanding the provisions of Section 4.2.4, receipts associated with inspection services and other government regulated services shall be considered as Gross Sales on which the royalty is due and not as a sales tax or similar tax.

4.2.4 Exclusions from Gross Sales

Notwithstanding the provisions of Section 4.2.3 of this Agreement, the Franchised Center’s Gross Sales do not include (a) the amount of any sales taxes or similar taxes based on sales collected by Franchisee from consumers and paid by Franchisee to the taxing authority, (b) any bona fide refunds to consumers, (c) cash discounts from the usual price for goods or services offered at the Franchised Center, (d) the proceeds of sales of used motor oil or other recovered fluids and materials and (e) discounts for national or local fleets. Processing fees paid to credit card companies or in connection with fleet processing may not be deducted from Gross Sales for purposes of this Section.

4.2.5 Service Charge

If any payment to Franchisor or its subsidiaries is not received by the entity to which

the payment is due (a “**Creditor**”) on or before the date on which the payment is due, then in addition to any other rights or remedies the Creditor may have and subject to any other written agreement, the past due amount will bear interest from the due date until paid at the lesser of (a) two percent per month, or (b) the highest rate of interest allowed by law. Any late payments received by a Creditor may be applied, in the discretion of the Creditor, first to reduce the accrued interest and next the principal amount.

4.3 Taxes

Franchisee will pay any bona fide taxes or related interest or penalties imposed by any taxing authorities on any fees, royalties or other charges collected by Franchisor from Franchisee pursuant to this Agreement or otherwise, provided that Franchisee will not be required to pay any taxes based on Franchisor’s income or net worth.

5. TRAINING

5.1 Operations Training Courses for Service Center Managers

- 5.1.1** Franchisor will offer an operations training course for Service Center managers, having a duration and content as Franchisor may determine. Franchisor’s operations training course will be offered in training venues selected by Franchisor. Franchisor will pay for instructors, classroom facilities, training manuals and other, similar costs associated with its operations training course, provided that if Franchisor holds and Franchisee or its managers attend a session of Franchisor’s operations training course in some area other than the area in which Franchisor’s principal place of business is located, then Franchisee may be required to pay a share of the cost of renting classroom space and the instructors’ travel expenses in the same proportion as the number of individuals representing Franchisee bear to all attendees of that session. Franchisee will pay all costs associated with its or its employees’ salaries or wages while attending Franchisor’s operations training course, as well as those individuals’ transportation, meals, lodging and incidental personal expenses while attending the course. Provided that Franchisor’s conduct is not grossly negligent or in violation of any discrimination, harassment or similar law, Franchisee shall indemnify and hold Franchisor harmless from any and all claims that any of Franchisee’s employees may bring against Franchisor while attending the training courses.
- 5.1.2** Before the Franchised Center is opened for business, Franchisee’s initial managers (and Franchisee, if Franchisee is an individual or Franchisee’s officers who are responsible for operation of the Franchised Center) must successfully complete Franchisor’s operations training course for Service Center managers.
- 5.1.3** Any person employed by Franchisee as manager of the Franchised Center after Franchisee’s initial managers will attend and complete Franchisor’s operations training course before assuming any duties as manager.
- 5.1.4** Before attending Franchisor’s operations training course for managers, an individual (a) must have spent at least two weeks working at a Service Center under the supervision of an individual who has successfully completed Franchisor’s operations training course and (b) must have successfully completed certain

prerequisite training courses prescribed by Franchisor.

- 5.1.5** Every five years, Franchisee or Franchisee's officers who are responsible for the operation of the Franchised Center and Franchisee's managers will be required to complete Franchisor's operations training course for managers successfully in its then-current form unless Franchisor, in its sole discretion, waives this requirement.
- 5.1.6** At its sole cost and expense, Franchisee and its store level employees agree to timely participate in any training and obtain such certifications, licenses, permits and technical or operational training as may be specified by Franchisor in the Manual from time to time.
- 5.1.7** Notwithstanding any provision of this Section 5, Franchisee may conduct an operations training course for managers of the Franchised Center other than the initial managers of the Franchised Center, provided that Franchisor has approved, in writing, the content and administration of Franchisee's operations training course for managers. Franchisor may review Franchisee's operations training course periodically (a) to ensure that it is at least as comprehensive as the operations training course then being offered by Franchisor, (b) to ensure that its content does not deviate from the requirements of the Manual, as hereinafter defined, and (c) to verify that managers are being trained in a timely manner. Franchisor will notify Franchisee of any deficiencies in its training course for managers. If Franchisee fails to take action to cure such deficiencies within a reasonable time, Franchisor may revoke its approval of Franchisee's operations training course and may require Franchisee's managers to attend Franchisor's operations training course until such time as the deficiencies have been corrected.

5.2 Training for Initial Employees of the Franchised Center

If Franchisee does not operate any Service Center other than the Franchised Center, and if the Franchised Center was not in operation as a Service Center before the date of this Agreement, then Franchisor will provide operations training, and training in the use of Franchisor's point of sale computer system, for the initial employees of the Franchised Center at the Franchised Center. Such training will be scheduled by Franchisor in coordination with Franchisee to occur in conjunction with the opening of the Franchised Center. Franchisor will pay for the salary and travel expenses incurred by its trainer; Franchisee will pay any other expenses associated with this training. Franchisee or Franchisee's officers who are responsible for the operation of the Franchised Center will be present during this initial training period.

5.3 Other Training

Franchisee will ensure that its employees satisfy all training requirements specified in the Manual from time to time, and that they maintain consistently high standards of skill, efficiency and quality of workmanship.

6. ACCOUNTING PROCEDURES

6.1 Preservation of Records

Franchisee will maintain and preserve proper and complete books, records and accounts for at least seven years from the close of the fiscal year to which the books, records and accounts are related.

6.2 Submission of Financial Statements

6.2.1 Annual Financial Statements

Within 120 days after the end of each fiscal year of Franchisee, Franchisee will provide Franchisor with a statement of Franchisee's income or loss (a "**Profit and Loss Statement**") and a statement of Franchisee's financial position (sometimes called a "**Balance Sheet**") with respect to such Fiscal Year, reviewed by an independent certified public accountant, both for the Franchised Center and for all of Franchisee's Jiffy Lube-related business prepared in accordance with generally accepted accounting principles. All of the financial information furnished by Franchisee to Franchisor will be correct in all material respects and certified as accurate and in compliance with all applicable provisions of this Agreement, the Manual and the Systems Manuals (as such terms are defined in Section 7.2 hereof) by the responsible person within Franchisee's organization.

6.2.2 Quarterly Financial Statements

Within 30 days after the end of any calendar quarter, Franchisee will provide Franchisor with a Profit and Loss Statement and a Balance Sheet with regard to the calendar quarter just ended prepared in accordance with generally accepted accounting principals and certified as true and accurate by the person responsible within Franchisee's organization.

6.3 Audits

Franchisor and its duly authorized representatives, agents or auditors shall have the right to audit Franchisee's books, documents and other material as it pertains to the Franchised Center and Franchisee's "Jiffy Lube" operations and shall have access thereto during ordinary business hours, and shall be free to make copies of any materials thereto. Franchisee agrees to cooperate with Franchisor in any audit Franchisor chooses to conduct. In connection with occasional audits of Franchisee's business, Franchisee will furnish Franchisor with a copy of all federal, state and local tax returns filed by Franchisee for the period being audited with respect to the Franchised Center. Franchisor will have the right from time to time to request such additional financial, statistical or other information pertaining to or otherwise affecting the Franchised Center or Franchisee's performance under this Agreement as Franchisor may reasonably deem to be desirable.

6.4 Audit Discrepancies

If any examination or audit of Franchisee's books and records discloses an understatement in any report of two percent or more of the Gross Sales of the Franchised Center, then in addition to paying the royalty owed on the theretofore unreported Gross Sales, with the additional service charge specified in Section 4.2.5 of this Agreement, Franchisee will reimburse Franchisor for its costs of having Franchisee's books examined or audited. The provisions of this Section 6.4 are in addition to any other rights or remedies Franchisor may have, including termination of this Agreement as provided in Section 13 of this Agreement.

6.5 Use of Financial Information

Franchisor may use any financial statements, sales reports, or other financial or statistical information pertaining to the Franchised Center provided by Franchisee in connection with Franchisor's efforts to attract additional franchisees and/or to obtain financing or raise capital; provided that Franchisor may not use such information in any manner by which such information is or could be traceable to, or identify, Franchisee or the Franchised Center

(except with respect to Franchisor's efforts to sell the Franchised Center if it is acquired from Franchisee). In addition, Franchisor may disclose any such information that is required to be disclosed by any federal or state requirements, court orders, etc. Except as specifically provided in this Section 6.5, Franchisor will treat such information as confidential and will not disclose or sell such information or use it for the benefit of any other person or entity.

6.6 Franchisor's Right to Obtain Information

If Franchisee fails to provide the information required in this Section 6, Franchisor will have the right, but not the obligation, to obtain such information and Franchisee will be responsible for any reasonable costs and expenses incurred in connection with gathering or reporting such information.

7. OPERATION OF THE FRANCHISED CENTER

7.1 Supervision by a Trained Manager

The Franchised Center at all times will be under the personal supervision of an individual who has completed Franchisor's operations training course (or an alternate course approved by Franchisor) successfully. As used in this Agreement, "**personal supervision**" means that the individual (a) will be present at, or readily available to, the Franchised Center at opening, closing and peak business hours, (b) will inspect the Franchised Center regularly to insure the highest standards of cleanliness and general appearance, and (c) will assist in training employees.

7.2 The Manual and the System Manuals

7.2.1 Franchisee agrees to operate the Franchised Center in strict conformance with the Policies and Procedures Manual (the "**Manual**") and any System Manuals. System Manuals which may be issued by Franchisor from time to time describe particular phases of the System. Such System Manuals may be in different types of media, including computer based training, on-the-job training, booklets, brochures, video, seminars, classroom training and other such types of media as Franchisor may develop from time to time. The Manual and all System Manuals are and will remain the exclusive property of Franchisor. One copy of the Manual and each System Manual will be loaned to Franchisee for the term of this Agreement.

7.2.2 Franchisee understands and agrees that the System may from time to time be modified, and that such modifications to the System may require modifications in the Manual or the System Manuals or issuance of new System Manuals. Franchisee agrees that in the event of any such modifications to the System and the Manual or the System Manuals, it will operate the Franchised Center in strict conformance with the Manual and the System Manuals as so modified. Any amendments or revisions to the Manual or System Manuals shall be effective seven (7) days after receipt by Franchisee of such amendments or revisions. Franchisee will ensure that the copy of the Manual and any System Manuals loaned to Franchisee are kept current. In the event of any dispute as to the contents of any such Manual or System Manuals, the contents of the master copy of such Manual or System Manuals maintained by Franchisor at its principal place of business will be definitive.

7.3 Approved Products and Supplies

- 7.3.1** From time to time, Franchisor may prescribe certain minimum quality and/or warranty specifications for equipment, products and supplies used by the System in connection with building and operating a Service Center. To the extent that Franchisor elects to do, these specifications will be listed in the Manual or otherwise in writing.
- 7.3.2** From time to time, Franchisor may compile lists of products that meet Franchisor's specifications, and may modify existing lists. If Franchisee desires to use a product that is omitted from a list of similar products, Franchisee will notify Franchisor in writing before using such product. At Franchisor's request, Franchisee will provide a sample of the product and any relevant technical data to Franchisor. Franchisor, at a commercially reasonable cost and within a commercially reasonable time frame, will test the product at Franchisee's expense to determine whether the product meets Franchisor's minimum standards. If Franchisor determines that the product does not meet its standards, Franchisee will not use such product in the Franchised Center.
- 7.3.3** **FRANCHISOR DOES NOT PROVIDE ANY WARRANTY OR GUARANTEE TO FRANCHISEE CONCERNING PRODUCTS APPROVED BY FRANCHISOR BUT MANUFACTURED OR SOLD BY OTHERS.**

7.4 Payment of Amounts Due

Franchisee will promptly and without offset or deduction pay any money owed to Franchisor, any subsidiary of Franchisor (including, Jiffy Lube International of Maryland, Inc., and Q Lube, Inc.) or any advertising cooperative when such money is due.

7.5 Maintenance of the Franchised Center

- 7.5.1** At its own expense, Franchisee will maintain and periodically paint and renovate the interior and exterior of the Franchised Center in such manner as Franchisor may reasonably prescribe from time to time so as to maintain standards of appearance consistent with the quality image of the System.
- 7.5.2** From time to time while this Agreement is in effect, Franchisor may change the design specifications for signs, emblems, logos, lettering and pictorial materials displayed on or at the Franchised Center. Upon receipt of notice of such changes, Franchisee will promptly alter the signs at the Franchised Center to conform to the revised specifications. Such revision will be at Franchisee's expense if revision occurs no more often than once in any seventy-two (72) month period.
- 7.5.3** From time to time while this Agreement is in effect, Franchisor may require the Franchised Center to be remodeled at Franchisee's expense once every ten years, provided that Franchisee will not be required to remodel the Franchised Center if the time when the remodeling would be required is within one year of the expiration of the term of this Agreement, but provided further that such remodeling may be required as a condition of renewal of this Agreement. If Franchisor requires the Franchised Center to be remodeled, then Franchisee shall commence such remodeling not later than seven hundred twenty (720) days after receipt of notice thereof from Franchisor, and shall diligently and continuously perform such remodeling thereafter, and complete such remodeling within the time period

prescribed by Franchisor considering all attending circumstances, which shall be in no event more than thirty-six (36) months after receipt of such notice.

7.6 Fleet Customers

7.6.1 Participation in National or Regional Fleet Customer Agreements

From time to time, Franchisor may enter into national or regional Fleet Customer programs pursuant to which Franchisor commits, for the benefit of the System that System franchisees will provide a negotiated discount to such national or regional Fleet Customers on services obtained at a Service Center and will follow certain operational rules for servicing Fleet Customer vehicles at Service Centers. Such discount shall be based off of Franchisee's normal posted prices for the services requested. Franchisee hereby agrees to participate in such national or regional Fleet Customer programs and comply with the terms of any arrangement negotiated between Franchisor and the national or regional Fleet Customer. Franchisor hereby agrees that it shall promptly provide Franchisee with the details of any arrangement that it may have with a national or regional Fleet Customer to the extent that such details involves or otherwise affects Franchisee.

7.6.2 Fleet Credits and Debits

7.6.2.1 As used in this Agreement, the term "**Fleet Credits**" refers to amounts to which Franchisee may be entitled from Franchisor as a consequence of Franchisee's having provided goods or services to a consumer with a fleet of vehicles with which Franchisor has a credit arrangement (a "**Fleet Customer**"), subject to processing charges imposed by Franchisor and specified by Franchisor from time to time. Franchisor will specify each Fleet Customer's documentary requirements to Franchisee electronically or in writing from time to time during the term of this Agreement. A "**Fleet Debit**" is a reversal of a Fleet Credit previously granted in cases in which, for example, a Fleet Credit was mistakenly granted, or a Fleet Customer declines to pay an invoice for a reason Franchisor determines to be reasonable.

7.6.2.2 Franchisor may apply Fleet Credits owed to Franchisee, without notice, to reduce current and past due amounts owed by Franchisee to Franchisor and/or its subsidiaries.

7.6.2.3 If Franchisee maintains a credit balance on its account for two consecutive months, and if that credit balance is greater than \$250, then within ten days of Franchisor's receipt of a written request for payment from Franchisee, Franchisor will pay the amount of the credit balance to Franchisee by check or electronic transfer of funds.

7.7 Retail Pricing

Franchisee may determine the retail prices for products and services offered at the Franchised Center in its sole discretion. Franchisor or other System franchisees may advertise or recommend specified retail price; such recommendations are suggestions only, and do not bind Franchisee to adopt any particular prices or pricing strategy.

7.8 Hours of Operation and Staffing

The Franchised Center will be open for business during normal business hours and for the minimum hours and days specified in the Manual. Franchisee shall at all times employ and have at the Franchised Center a staff of trained, competent and qualified personnel as necessary or desired to conduct the operations of the Franchised Center as described in the Manual and training materials. Franchisee shall have sole authority and discretion regarding all employment matters relating to Franchisee's Jiffy Lube service center, including, without limitation, all hiring, firing, discipline, compensation, benefits, and scheduling.

7.9 Use of Franchisor's Point of Sale Computer System and other Communications Systems

Franchisee agrees to utilize the point of sale computer system designated by Franchisor in the operation of the Franchised Center. Franchisee understands and agrees that such point of sale computer system may be developed by and proprietary to Franchisor. Franchisee further agrees to install and utilize such commercially reasonable computer and other equipment necessary to participate in any electronic communication facility that Franchisor may designate from time to time.

7.10 Acceptance of Payment Cards

Franchisee is free to accept any consumer or commercial payment card that it wishes; provided, however, Franchisee must, at its own expense, lease or purchase equipment and/or software necessary, and must have arrangements in place with a financial institution or institutions, to enable Franchisee's Jiffy Lube service center to accept Visa, MasterCard, American Express, and such other credit cards (including, but not limited to, the Shell Master Card, etc.) as Franchisor may designate from time to time, for payment from its customers. At all times, Franchisee must maintain credit-card relationships with the credit- and debit-card issuers or sponsors, check or credit verification services, financial-center services, and electronic-funds-transfer systems that Franchisor designates as mandatory, and Franchisee must not use any such services or providers that Franchisor has not approved in writing or for which Franchisor has revoked its approval. Franchisor has the right to modify its requirements and designate additional approved or required methods of payment and vendors for processing such payments, and to revoke its approval of any service provider. Franchisee must comply with all credit-card policies, as prescribed in the Policies and Procedures Manual. Franchisee must comply with, and is solely responsible for ensuring that the Jiffy Lube service center complies with, the Payment Card Industry Data Security Standards ("PCI DSS") as they may be revised and modified by the Payment Card Industry Security Standards Council (see www.pcisecuritystandards.org), or such successor or replacement organization and/or in accordance with other standards as Franchisor may specify, and the Fair and Accurate Credit Transactions Act ("FACTA"). Franchisee shall also upgrade periodically its POS and POS Software to ensure Franchisees' compliance with all such laws, regulations, and guidelines. This may include completing periodically an audit questionnaire, penetration testing upon request by JLI or its designee, maintaining a secure environment including "locking down" on-premises POS equipment if required, and protecting passwords.

7.11 Prohibited Activities

In order to preserve consistency and uniformity within the System and goodwill associated with Service Centers and the Trademarks, Franchisee shall offer for sale at the Franchised Center only such services authorized by Franchisor from time to time in the Manual or otherwise in writing. All authorized services shall be offered, sold, installed and delivered in accordance with Franchisor's standards and specifications as described by Franchisor in the Manual or otherwise in writing.

7.12 Inspections by Franchisor

7.12.1 Franchisor may make announced or unannounced inspections of the Franchised Center to ensure compliance with all requirements of this Agreement, including the Manual and System Manuals. At the conclusion of this inspection, Franchisor may prepare a written report. If such a report is prepared, Franchisor may give Franchisee's Franchised Center manager a copy and will send or deliver a copy to Franchisee's principal place of business. Franchisee may, but is not required to, acknowledge or contest Franchisor's conclusions and observations; neither an acknowledgment by a manager who is not an officer of Franchisee nor Franchisee's failure to contest the report will constitute a waiver of Franchisee's ability to timely contest any part of the report at some later time.

7.12.2 As set forth in Section 6.3 and at reasonable times during normal business hours, Franchisor or its representatives will be allowed to inspect books and records pertaining to the Franchised Center or any part of Franchisee's Jiffy Lube business, including books and financial accounts maintained at Franchisee's principal place of business or elsewhere which may be necessary in order to confirm Franchisee's compliance with any provision of this Agreement (including advertising records in the possession of Franchisee's advertising agency which may be necessary to confirm Franchisee's compliance with the requirements of Section 9 of this Agreement). Franchisor may require that an officer of Franchisee accompany Franchisor and the manager of the Franchised Center during an announced inspection of the Franchised Center. Likewise, Franchisor may require that a person familiar with Franchisee's accounting practices or a representative of Franchisee's advertising agency be present at any announced visit to Franchisee's principal place of business.

7.13 Signs

Franchisee agrees to purchase or lease and to display at the Franchised Center signs, emblems, logos, lettering and pictorial materials, both attached to the Franchised Center building and free-standing, that conform to Franchisor's then current specifications, with only those modifications to which Franchisor agrees in order to meet requirements of local sign ordinances. Except for signage pertaining to product advertisements and provided that such product signage does not detract from the signage bearing one or more of the Trademarks, Franchisee may not display signs, emblems, logos, lettering or pictorial materials not approved by Franchisor, in writing, both as to specification and placement.

7.14 Terrorist and Money Laundering Activities

Franchisee represents and warrants to Franchisor that neither Franchisee nor its principals, nor any of the respective affiliates is identified, either by name or an alias, pseudonym or nickname, on the lists of "Specially Designated Nationals" or "Blocked Persons" maintained by the U.S. Treasury Department's Office of Foreign Assets Control (texts currently

available at www.treas.gov/offices/enforcement/ofac). Further, Franchisee represents and warrants that neither it nor any principal, executive officer or affiliate referred to above has violated and agrees not to violate any law prohibiting corrupt business practices, money laundering or the aid or support of persons who conspire to commit acts of terror against any person or government, including acts prohibited by the U.S. Patriot Act (text currently available at www.epic.org/privacy/terrorism/hr3162.html), U.S. Executive Order 13224 (text currently available at <https://www.state.gov/j/ct/rls/other/des/122570.htm>), or any similar law. The foregoing constitute continuing representations and warranties, and Franchisee shall immediately notify Franchisor in writing of the occurrence of any event or the development of any circumstance that might render any of the foregoing representations and warranties false, inaccurate or misleading.

8. POINT OF SALE COMPUTER SYSTEM

8.1 Initial POS Hardware

Prior to the date on which the Franchised Center opens for business, Franchisee shall acquire, whether through purchase or lease, computer hardware sufficient to run the designated POS System in the Service Center. If leased, the lease term should be for three years and renewed every three years. This minimum initial equipment will include but may not be limited to up to: a primary central processing unit (CPU) for the Center with characteristics sufficient to run the then-current version of the POS Software, one or more personal computers to operate as bay or greeter stations (three is typical), computer monitors, a communications router, an invoice printer, a reports printer, a payment card reader, a cash drawer, Uninterrupted Power Supply (UPS), and a network hub or switch. Additional equipment is optional at Franchisee's discretion, including but not limited to: static sticker printers, coupon bar code readers, VIN scanners, iPad tablets, bay stations. All equipment shall be brands, models and specifications approved by JLI after consulting with the Technology Services Advisory Board ("TSAB") in accordance with the TSAB governing documents and agreements.

9. ADVERTISING

9.1 Minimum Expenditure on Advertising

9.1.1 Franchisee will spend or contribute five percent (5%) of the Gross Sales of the Franchised Center for advertising and promotion of the Franchised Center, as follows:

9.1.1.1 If a local or regional advertising Cooperative association (a "**Cooperative**") is formed for any locality, region or trading area in which the Franchised Center is located, Franchisee will make monthly contributions to the Cooperative equal to five percent (5%) of the Gross Sales of the Franchised Center for the preceding month, provided that if Franchisor has consented in writing to the Cooperative's assessment of monthly contributions at a lower rate, then Franchisee will contribute to the Cooperative at the rate to which Franchisor has consented, and will spend the balance of five percent (5%) of the Gross Sales of the Franchised Center on local advertising; or

9.1.1.2 If no Cooperative is formed for any locality, region or trading area in which the Franchised Center is located, or if Franchisee is excused from the requirement to become a member of such a Cooperative pursuant to Section 9.2.2 of this Agreement, then Franchisee will spend five percent (5%) of the Gross Sales of the Franchised Center on local advertising. Franchisee will be deemed to have satisfied this requirement if Franchisee's aggregate calendar-year expenditures on local advertising equal or exceed five percent (5%) of the aggregate Gross Sales of the Franchised Center during that calendar year.

9.2 Formation of a Cooperative

9.2.1 A Cooperative will be formed in a geographic area determined by Franchisor to be appropriate either (a) at the request of one-half or more of the then-existing franchisees located in that area, or (b) at such other time as Franchisor deems appropriate. If a Cooperative exists in the area in which the Franchised Center is located, then Franchisee will become a member of such Cooperative as soon as is practical.

9.2.2 Franchisee may request that Franchisor excuse it from the requirement of membership in a Cooperative. Franchisor's decision with regard to any requested excuse from membership in a Cooperative will be final. Pending resolution of a request to be excused from required membership in a Cooperative, Franchisee will continue to make the required contributions to the Cooperative.

9.2.3 Any Cooperative will be formed and operated in a form and manner of which Franchisor approves. Any advertising and promotional plans and materials the Cooperative wishes to use must receive Franchisor's prior written approval. The Cooperative will be responsible to its members to expend the funds entrusted to it in an equitable manner; however, benefits may not be directly proportional to contributions. Any contribution or payment required to be made to a Cooperative must be made on or before the 15th day of each month based on the Gross Sales of the Franchised Center for the preceding month. The Cooperative will use the funds contributed to it by the members of the Cooperative to provide advertising in the area the Cooperative was formed to serve, and to develop standardized promotional material for advertising programs in that area for the benefit of member franchisees. Franchisor's right to approve a Cooperative's operation includes a right to monitor and/or audit advertising expenditures by the Cooperative.

9.3 Approval of Advertising by Franchisor

All of Franchisee's advertising in any medium will conform to the standards and requirements of the Manual. Franchisee will submit to Franchisor and obtain Franchisor's prior written approval of all advertising and promotional plans and materials that Franchisee wishes to use. **Any use of any advertising or promotional materials that have not been approved by Franchisor in writing shall be deemed to be a breach of this Agreement.** Franchisee need not submit for approval any materials supplied by Franchisor or to which Franchisor has given approval within the prior 12 months.

9.4 Advertising Materials Provided by Franchisor

During the term of this Agreement, Franchisor will provide relevant marketing materials at no charge to Franchisee. Such marketing materials will include (a) materials which refer to “Jiffy Lube” and to products sold by Franchisor’s affiliate, Pennzoil-Quaker State Company and/or “Shell” or other suppliers (“**Supplier Materials**”) and (b) materials which refer to “Jiffy Lube” and do not refer to any specific supplier to Service Centers (“**Generic Materials**”).

If Franchisee is a Business Entity, Franchisee may not cause new equity interests to be issued to any person, except to another equity interest holder in Franchisee, without Franchisor’s prior written consent. Franchisor is under no obligation to consent to the issuance of new equity in Franchisee to a Business Entity whose equity securities are traded on any public stock exchange, including NASDAQ.

 - (iv) claims by Franchisor to enforce any obligations arising under Section 14 or Section 15.2;

 - i) execute Franchisor's then current form of franchise agreement, for a term ending on the expiration date of this Agreement; provided the new franchise agreement will not change adversely to the transferee:

(iii) Section 4.2 (royalty rates); and

(iv) Sections 10.2, 10.3, 10.4, 10.6 and 10.7 (transferability of the franchise); and

ii) such other ancillary agreements (including a lease or sublease, option agreement or contingent assignment and assumption agreement) as Franchisor may require for a Service Center then being newly franchised; and

(iii) complete to Franchisor's satisfaction, as and when Franchisor shall reasonably require, all of the maintenance, refurbishing, renovating and remodeling of the Franchised Center, its equipment and furnishings, including that which is necessary to conform to and comply with Franchisor's then current specifications;

- e) The transferee shall be required to submit to Franchisor a financial statement and other documentation reasonably required by Franchisor, sufficient to demonstrate to Franchisor's satisfaction that the transferee meets Franchisor's managerial and business standards; possesses a good moral character, business reputation, and credit rating; has the aptitude and ability to operate the Franchised Center (as may be evidenced by prior related business experience or otherwise); and has adequate financial resources and capital to operate the Franchised Center;
- f) The transferee may be required to make payments accrued before the transfer but not yet due at the time of the transfer, except those obligations which are specifically the responsibility of the transferor;
- g) An individual transferee or officers of a corporate transferee who will be involved in the operation of the Franchised Center may be required to complete any training programs then in effect for franchisees;
- h) If the transfer is an assignment of Franchisee's rights and a delegation of Franchisee's duties under this Agreement, or if the transfer is of a controlling interest in Franchisee, the transferee shall be required to pay Franchisor a transfer fee in an amount equal to \$3,500, plus all actual expenses incurred by Franchisor in connection with the transfer;

10.2.5 If Franchisor requires the transferee to sign a new franchise agreement which differs from this Agreement, then Franchisor shall promptly deliver to both the transferor and the transferee a copy of Franchisor's legally required Disclosure Document and shall satisfy any other then applicable statutory obligations relating to the offer and sale of franchises; and

10.2.6 If Franchisor allowed Franchisee to install and use a point of sale computer

system other than the system prescribed by Franchisor, then prior to transfer, Franchisee must install and begin using the POS system and the POS Software then prescribed by Franchisor for use in all Service Centers.

10.2.7 Franchisor may condition its consent to a pledge of this Agreement to secure a loan or other obligation as follows:

10.2.7.1 Franchisee shall provide Franchisor with complete copies of any instruments evidencing such loan or obligation and any agreement granting or describing the security for such debt (the “**Debt Agreements**”). Franchisor may require, among other things: (i) that a default under the Debt Agreements constitute a default under this Agreement and all other agreements between Franchisor and Franchisee; (ii) that the creditor give Franchisor notice of any default by the borrower under the terms of any of the Debt Agreements, (iii) that such notice be contemporaneous with any notice to the borrower; (iv) that if the borrower does not cure the noticed default within the time provided for such cure (if any), then within a period of 30 days after the expiration of any cure period available to Franchisee, Franchisor may cure the borrower’s default by paying to the lending institution all money due to it under the Debt Agreements, excluding any prepayment penalties; (v) that upon such cure by Franchisor, the lending institution will assign to Franchisor all of its rights under this Agreement, the lease of the premises at which the Franchised Center is located, and any other rights pertaining to Franchisee’s Jiffy Lube business as the lending institution may hold; (vi) that if Franchisor fails to cure this Agreement in the manner described above, the lending institution to which this Agreement is pledged or assigned as collateral will be bound to all of the terms of this Agreement and may not transfer this Agreement to any other person or entity without Franchisor’s prior written consent; and (vii) that a default under this Agreement or any other agreement between Franchisor and/or its subsidiaries and Franchisee constitute a default under the Debt Agreements.

10.3 Transfer to Franchisee’s Corporation or Partnership

If Franchisee is an individual or group of individuals, and if a proposed transfer is to a Business Entity formed by Franchisee without distributing stock, units, partnership interests or any other ownership interest to any person other than Franchisee, Franchisor’s consent to the proposed transfer may be conditioned on the following requirements in addition to those specified in Section 10.2.4 of this Agreement:

10.3.1 Each certificate representing an ownership interest in the Business Entity transferee will be conspicuously marked with a statement to the effect that an ownership interest in the transferee is held subject to the terms of this Agreement, and that further transfer of such ownership interest is subject to the terms of this Agreement;

10.3.2 All owners of equity interests in the Business Entity of the transferee may be required (a) jointly and severally to guarantee the Business Entity transferee’s performance of its obligations under this Agreement and (b) to agree to the terms of this Agreement that apply to equity holders, members or partners of Business

Entity franchisees; and

- 10.3.3** The Business Entity transferee may be required to give Franchisor copies of its articles of incorporation, certificate of partnership, by-laws, and all other governing documents, together with copies of relevant resolutions, including the resolution authorizing the transferee to accept the rights and assume the duties of Franchisee under this Agreement.

10.4 Transfer and Issuance of Securities

- 10.4.1** Franchisee will not authorize a transfer of any of its stock or other securities, or enter such a transfer on its records, unless the transfer complies with the provisions of this Section 10.4. All certificates representing Franchisee's stock or other securities will be conspicuously marked with a statement similar to the following:

The transfer of this security is subject to the terms and conditions of a Franchise Agreement between Jiffy Lube International, Inc., and [the Franchisee's name] dated _____. Reference is made to said Franchise Agreement and to the Articles of Incorporation and By-laws of this [entity].

- 10.4.2** Neither Franchisee nor any owner of an equity interest in Franchisee will make any public offerings of the securities of Franchisee, whether or not such an offering would effect a change in control of Franchisee. For purposes of this Agreement, a "public offering" is an offer of securities of Franchisee either requiring registration under the Securities Act of 1933 or a similar statute or directed, in the aggregate, to more than 10 offerees.

10.5 Franchisor's Right of First Refusal

- 10.5.1** If Franchisee wishes to accept a bona fide offer from a person other than Franchisor (an "Offeror") to purchase or otherwise acquire (by merger, reorganization, exchange or the like) an interest in Franchisee, the Franchised Center or an interest in the Franchised Center, Franchisee will notify Franchisor in writing of the precise terms of such offer and provide Franchisor with copies of all documents containing such terms and Franchisor will have 20 days after receipt of such written notice and such copies to send written notice to Franchisee that Franchisor or a party designated by Franchisor will purchase or otherwise acquire an interest in Franchisee, the Franchised Center (or an interest in the Franchised Center) as the case may be on the same terms and conditions offered by the third party or their cash equivalent, subject to Franchisor's inspection of the Franchised Center and determination that it is reasonably free from contamination by hazardous wastes or substances.

- 10.5.2** If any owner of an equity interest in Franchisee desires to accept a bona fide offer from an Offeror to purchase that equity holder's interest in Franchisee, that equity owner will notify Franchisor in writing of the precise terms of such offer and Franchisor will have 20 days after receipt of such written notice, to send written notice to that equity owner that Franchisor or a party designated by Franchisor intends to purchase that equity owner's interest on the same terms and conditions offered by the third party or their cash equivalent, subject to Franchisor's inspection of the Franchised Center and determination that it is reasonably free from contamination by hazardous wastes or substances.

- 10.5.3** If Franchisor exercises its rights under Sections 10.5.1 or 10.5.2 of this Agreement, but if the parties cannot agree on the cash equivalent of the Offeror's offer, then Franchisor will designate an independent appraiser at Franchisor's expense, and the appraiser's determination will be binding on both parties.
- 10.5.4** If Franchisor exercises its rights under Sections 10.5.1 or 10.5.2 of this Agreement, then closing on such purchase must occur within the earlier of 60 days from (i) the date of Franchisor's written notice to the seller of Franchisor's exercise of such rights or (ii) the date the parties received the report of the appraiser as per Section 10.5.3.
- 10.5.5** If Franchisor does not exercise its rights under Sections 10.5.1 or 10.5.2 of this Agreement, then, subject to Franchisor's rights to approve the proposed transfer, the seller may transfer the Franchised Center or interest in the Franchised Center or Franchisee (as the case may be) to the Offeror on the exact terms contained in the Offeror's offer. Any material change in the terms of the Offeror's offer before closing will constitute a new offer subject to the same rights of first refusal by Franchisor as in the case of an initial offer. Franchisor's failure to exercise its rights under Sections 10.5.1 or 10.5.2 of this Agreement will not constitute a waiver of any other provision of this Agreement, including all of the requirements of this Section 10 with respect to Franchisor's right to approve, and to impose conditions on, a proposed transfer.

10.6 Transfer to a Member of the Immediate Family.

If a proposed transferee of the Franchised Center or an interest in Franchisee is a member of the immediate family (parent, spouse, son, daughter or sibling) of the proposed transferor, Franchisor will not have any right of first refusal as provided in Section 10.5 of this Agreement; however, Franchisor retains all of the rights described in this Section 10 with respect to Franchisor's right to approve, and to impose conditions on, a proposed transfer.

10.7 Transfer Upon Death or Permanent Incapacity.

Upon (a) the death or permanent incapacity of an individual Franchisee or an equity interest holder in a Franchisee who, at the time of his or her death or incapacity, has the right to control Franchisee, or upon (b) the dissolution of a Business Entity Franchisee, then the executor, administrator, personal representative or trustee of such person or entity will transfer such person's interest to a third party approved by Franchisor within a reasonable time. Such transfers, including, without limitation, transfers by devise or inheritance, will be subject to the same conditions as apply to any other transfer except that in the event of an approved transfer to a member of the immediate family (parent, spouse, son, daughter or sibling) of an individual Franchisee or an equity owner of a Business Entity Franchisee, then Franchisor may not require a fee in connection with the transfer. For purposes of this Section, a person shall be considered to be permanently incapacitated when his or her personal physician certifies a disability as permanent or when a person is unable to perform his or her normal duties on a full-time basis for 90 consecutive days or 90 out of any 120 days.

10.8 Non-Waiver of Claims.

Franchisor's consent to any transfer in the manner prescribed by this Section 10 will not constitute a waiver of any claims Franchisor may have against the transferor. Franchisor's consent to any transfer in the manner prescribed by this Section 10 will not be deemed a waiver of Franchisor's right to demand exact compliance with the terms of this Agreement

by the transferee.

11. INSURANCE

11.1 Before opening for business and throughout the term of this Agreement, Franchisee will secure, maintain and pay for insurance as follows:

11.1.1 Property insurance, insuring the Franchised Center, including its building, equipment, supplies and inventory, against loss or damage by fire, windstorm and other risks usually insured against by owners of similar property in the area in which the Franchised Center is located (such as flood insurance if the Franchised Center is located in a flood plain and earthquake insurance if the Franchised Center is located in an area known to be susceptible to earthquakes). Such coverage may not be less than 80% of the replacement cost of the insured assets. Unless otherwise prohibited by any third party under a lease arrangement, any damage to the Franchised Center will be repaired, and the Franchised Center will be restored or rebuilt within 120 days from the date of loss or damage.

11.1.2 Employer's liability insurance with a minimum limit of \$1,000,000 and workers' compensation insurance as prescribed by the law of the state or jurisdiction in which the Franchised Center is located. (This insurance will be secured and maintained as soon as Franchisee has employees, including any time during any training class held before the Franchised Center opens for business.)

11.1.3 Commercial General Liability Insurance in an amount not less than \$3,000,000 for combined single limit bodily injury and personal damage, subject to a \$3,000,000 annual aggregate insuring Franchisee and Franchisor against any liability that may accrue against them or any of them on account of (a) any occurrence in or about the Franchised Center during the term of this Agreement or (b) in consequence of Franchisee's operation of the Franchised Center, when such occurrence results in actual or alleged personal injury, death or property damage.

11.1.4 Garagekeepers' liability insurance in an amount not less than \$60,000 per occurrence in conjunction with the care, custody and control of vehicles at the Franchised Center.

11.1.5 Business interruption insurance, which includes rent obligations covering a period of not less than six months.

11.2 Franchisor reserves the right and Franchisee hereby agrees to increase the minimum insurance coverage thresholds set forth in Sections 11.1.2, 11.1.3, 11.1.4 and 11.1.5 upon not less than 120 days prior written notice and provided that, to the extent that it is contractually able, Franchisor requires such minimum insurance coverage thresholds increases of each System franchisee on a consistent basis and the minimum insurance coverage required is reasonable when compared with businesses and operations similar to that described herein.

11.3 All insurance policies required by this Agreement will be issued by a company with a Best's Key Rating Guide® rating of "A" or better.

11.4 Whenever requested, but not more than once each calendar year, Franchisee shall promptly furnish evidence satisfactory to Franchisor that such insurances are in effect.

To the maximum extent permitted by applicable law, all insurance policies maintained by Franchisee in accordance with this Section and any other insurance maintained applicable to Franchisee's performance hereunder shall provide a waiver of subrogation in favor of Franchisor and any joint operation parties, and name Franchisor (and its shareholders and subsidiaries) and any parties in joint operation with Franchisor as additional named insureds with respect to all applicable insurance coverage with terms equivalent to ISO CG 20 26 11 85.

11.5 Any such insurance shall be regarded as primary insurance underlying any other insurance available to Franchisor. These insurance requirements shall not be limited by the liability and indemnity provisions contained in this Agreement. Insurance policies shall give Franchisor at least thirty (30) days written notice of cancellation, non-renewal or material change and any deductible or retention of insurable risks shall be for Franchisee's account. If it is judicially determined that any of the insurance obligations under this Agreement are unenforceable in any respect under applicable law, said obligations shall automatically be amended to conform to the maximum limits and other provisions in the applicable law for so long as the law is in effect.

11.6 If Franchisee fails to procure or continue any of the insurance described in this Section 11, then Franchisor is authorized, but not obligated, to procure the same and Franchisee will promptly reimburse Franchisor for the cost of such insurance.

12. HOLD HARMLESS

FRANCHISEE WILL

PROMPTLY NOTIFY FRANCHISOR OF ANY CLAIMS OR ACTIONS FILED BY OR AGAINST FRANCHISEE IN CONNECTION WITH THE OPERATION OF THE FRANCHISED CENTER AND, UPON REQUEST, WILL FURNISH FRANCHISOR WITH COPIES OF DOCUMENTS RELATING TO SUCH CLAIMS OR ACTIONS.

13. DEFAULT AND TERMINATION

13.1 Franchisee's Bankruptcy and Related Matters

Except to the extent prohibited by applicable law (such as the U.S. Bankruptcy Code), Franchisee will be deemed to be in default under this Agreement, and all rights granted in this Agreement will automatically terminate without notice to Franchisee, if Franchisee (a) becomes insolvent, (b) makes a general assignment for the benefit of creditors, (c) suffers the filing of a voluntary or involuntary bankruptcy petition which is not dismissed within 60 days after filing, (d) is adjudicated a bankrupt, (e) suffers temporary or permanent court-appointed receivership of substantially all of its property, (f) suffers or permits execution levied against Franchisee's business or property, (g) suffers or permits suit to be filed to foreclose any lien or mortgage against the premises or equipment of the Franchised Center and such suit is not dismissed within 30 days, or (h) suffers or permits the real property at which the Franchised Center is located, or personal property located at the Franchised Center, to be sold after levy thereupon by any sheriff, marshal, or constable, provided, however, that Franchisee will not be deemed to be in default if such execution, levy or sale affects only personal property which can be removed from the Franchised Center without material disruption to the business conducted at the Franchised Center.

13.2 Termination without Opportunity to Cure by Franchisee

Upon the occurrence of any of the defaults described in this Section 13.2, Franchisor may terminate this Agreement and all rights granted under this Agreement without affording Franchisee any opportunity to cure the default, and such termination will be effective immediately upon Franchisee's receipt of notice of the default.

13.2.1 Franchisee fails to repair, restore or rebuild any material loss or damage to the Franchised Center within the time provided by Section 11.1.1 of this Agreement.

13.2.2 Franchisee discontinues operation of the Franchised Center, or loses the right to possession of the premises at which the Franchised Center is located or otherwise forfeits the right to do business where the Franchised Center is located.

13.2.3 Franchisee (or one of Franchisee's officers, directors, security holders, members, unit holders, general partners or affiliates) is convicted of, or pleads guilty or no contest to, a felony or a crime involving moral turpitude, consumer fraud, or any other crime or offense that in Franchisor's sole opinion is reasonably likely to have an adverse effect on the System or the Trademarks, or the goodwill associated with the System or the Trademarks.

13.2.4 The construction, maintenance or operation of the Franchised Center results in a threat or danger to public health or safety.

13.2.5 Franchisee transfers or attempts to transfer an interest in the Franchised Center

without Franchisor's prior written consent, contrary to the provisions of Section 10 of this Agreement.

- 13.2.6 A security holder of Franchisee transfers or attempts to transfer an interest in Franchisee without Franchisor's prior written consent, contrary to the provisions of Section 10 of this Agreement.
- 13.2.7 Franchisee fails to comply with the in-term covenants set forth in Section 15.1 of this Agreement.
- 13.2.8 Franchisee discloses Confidential Information, contrary to the provisions of Section 3.4 of this Agreement, provided that disclosures by former, non-officer employees of Franchisee will not be grounds for termination of this Agreement.
- 13.2.9 Franchisee knowingly makes any material false statements in any reports or financial information submitted to Franchisor or otherwise commits an act of fraud with respect to Franchisee's rights or obligations under this Agreement.

13.3 Franchisee's Opportunity to Cure Certain Defaults

- 13.3.1 Except as provided in Sections 13.1 and 13.2 of this Agreement, (a) Franchisee will have 30 days after its receipt of a written notice of any monetary default from Franchisor within which to cure any default under this Agreement, (b) Franchisee will have five (5) days after its receipt of a written notice that it is engaging in unauthorized services at a Franchised Center to cease such unauthorized services, (c) except as set forth in Section 13.3.1 (a) or 13.3.1(b), Franchisee will have 30 days after its receipt of a written notice of any other default of this Agreement, the Manual or any of the System Manuals or (d) if a default is not a monetary default or the cessation of unauthorized services at a Franchised Center and is of a nature that it cannot reasonably be completely cured in 30 days, Franchisee must begin and diligently pursue a cure within 30 days after its receipt of a written notice of default from Franchisor, but may have a reasonable time within which to cure such default. If any default described in a notice of default given under this Section 13.3.1 is not cured, or if a cure is not begun and diligently pursued, within the time provided by this Section 13.3.1 (or such longer period as applicable law may require), then Franchisor may terminate this Agreement without further notice to Franchisee, effective immediately upon the expiration of the period provided by this Section 13.3.1 (or such longer period as applicable law may require).
- 13.3.2 Without limitation to the provisions of Section 13.3.1, and in addition to Franchisor's rights under Section 13.2.3, if Franchisee's default is such that Franchisee's conduct reflects negatively upon System or the Trademarks or, in Franchisor's opinion, could have an adverse impact on Franchisor or other System franchisees, then Franchisor may, at its option, require Franchisee to develop and successfully implement a plan, at Franchisee's sole cost and expense to cure the default (a "**Remedial Plan**"). Such Remedial Plan must (i) be approved by Franchisor, (ii) include such remedial action and such schedule for completion thereof as Franchisor may designate, and (iii) include a detailed description of the actions Franchisee will take to help ensure that similar violations will not occur in the future. For purposes of this Section, such Remedial Plan may, at Franchisor's option, include, without limitation, the following:
 - a) under-cover video mystery shops for a pre-determined amount of time, paid for by Franchisee; provided that such all mystery shop reports,

- analyses, videos, audio tapes and other methods of investigation are promptly made available to Franchisor for its review;
- b) additional training conducted by a third party paid for by Franchisee;
 - c) additional advertising contributions by Franchisee in an amount to be agreed between Franchisee and Franchisor;
 - d) ineligibility for development opportunities for Franchisee and its affiliates for a pre-determined amount of time; and/or
 - e) the transfer of an ownership interest in Franchisee or a transfer of this Agreement, to a third party approved by Franchisor; and/or
 - f) such other brand building or remedial actions as Franchisor may reasonably require.

13.4 Defaults Under Other Agreements or Arrangements

- 13.4.1** Franchisee will promptly and without offset or deduction pay any money owed to Franchisor, any subsidiary of Franchisor or any Cooperative when such money is due; Franchisee's failure to do so will constitute a default under this Agreement for which a notice of default may be given under Section 13.3.1 of this Agreement.
- 13.4.2** Entities controlled by or under common control with Franchisee will make all payments to Franchisor and Franchisor's subsidiaries when those payments are due, without offset or deduction; such entities' failure to do so will constitute a default under this Agreement for which a notice of default may be given under Section 13.3.1 of this Agreement. For purposes of this Agreement, an entity is "controlled by" Franchisee if Franchisee owns a majority of the voting stock or partnership interest of the entity, or if Franchisee has a contractual right to manage the entity; an entity is "under common control" with Franchisee if some combination of the owners of a majority of the voting stock or partnership interest of Franchisee also own a majority of the voting stock or partnership interest of the entity.
- 13.4.3** If Franchisee is controlled by or under common control with one or more other franchisees of Franchisor, then at Franchisor's option Franchisee shall cause each other such franchisee to execute the Agreement in the space provided in Section 19 of this Agreement to signify its agreement that Franchisee's failure to make all payments to Franchisor and Franchisor's subsidiaries when those payments are due, without offset or deduction, or a material default under this Agreement, will constitute a default under each franchise agreement with each other such franchisee as if such franchisee had failed to make a payment to Franchisor under each franchise agreement to which it is a party, with regard to which default Franchisor may give notice of default in the manner provided by such other franchise agreement(s).

13.5 Defaults by Franchisor

In the event of a material default by Franchisor of its obligations to Franchisee under this Agreement (a) Franchisor will have 30 days after its receipt of a written notice of default from Franchisee within which to cure any default under this Agreement, or (b) if a default is of a nature that it cannot reasonably be completely cured in 30 days, Franchisor must begin and diligently pursue a cure within 30 days after its receipt of a written notice of default from Franchisee, but may have a reasonable time within which to cure such default. If any default

described in a notice of default given under this Section 13.5 is not cured, or if a cure is not begun and diligently pursued within the time provided by this Section 13.5, then Franchisee may terminate this Agreement without further notice to Franchisor, effective immediately upon the expiration of the period provided by this Section 13.5.

13.6 Notice Required by Law

Notwithstanding anything to the contrary, in the event any valid, applicable law or regulation of a competent governmental authority having jurisdiction over this franchise and the parties hereto shall limit Franchisor's rights of termination hereunder or shall require longer notice periods than those set forth herein, this Agreement shall be deemed amended to conform to the minimum notice periods or restrictions upon termination required by such laws and regulations. Franchisor shall not, however, be precluded from contesting the validity, enforceability or applicability or application of such laws or regulations in any action, arbitration, hearing or dispute relating to this Agreement or the termination thereof.

14. OBLIGATIONS UPON EXPIRATION OR TERMINATION

Upon (a) expiration or termination of this Agreement for any reason whatsoever, or, as applicable (b) transfer of the Franchised Center:

14.1 If as a result of an expiration or termination of this Agreement, Franchisee vacates the Franchised Center and Franchisor obtains possession of the Franchised Center, then Franchisor will either reimburse Franchisee or credit Franchisee's accounts with Franchisor with an amount equal to one-half of the then-current price, for any tools, equipment and non-inventory personal property owned by Franchisee and remaining at the Franchised Center at the time of the expiration or termination of this Agreement plus the lesser of Franchisee's actual cost or the fair market value of any usable inventory owned by Franchisee and remaining at the Franchised Center at the time of the expiration or termination of this Agreement.

14.2 Franchisee will promptly surrender to Franchisor or, if so directed by Franchisor, destroy and immediately discontinue the use of, all items and materials bearing any of Franchisor's service marks, trademarks or trade names and all signs, structures, literature, forms, or promotional advertising materials, and any other article of personal property using the Trademarks or the words "Jiffy Lube" or any name, service mark or trademark which may be confusingly similar to any of the Trademarks.

14.3 If Franchisee retains possession of the Franchised Center, then at its own expense, Franchisee will make whatever changes in the building Franchisor may reasonably require so as (a) to differentiate the business conducted at the Franchised Center after expiration or termination of this Agreement from the business conducted at a Service Center and (b) to differentiate the Franchised Center from Service Centers.

14.4 If Franchisee retains possession of the Franchised Center, Franchisee will offer to Franchisor all inventory marked with any of the Trademarks at Franchisee's original purchase price less a ten percent restocking charge. Franchisee will dispose of any inventory bearing any of Trademarks that is not repurchased by Franchisor in the manner prescribed by Franchisor at the time.

14.5 Franchisee will discontinue any telephone listings, radio and newspaper advertising, and any other form of commitment which may in any way identify Franchisee as a Jiffy Lube franchisee.

- 14.6** Franchisee will return to Franchisor the Manual, all System Manuals and all copies of Confidential Information acquired by Franchisee before the termination or expiration of this Agreement.
- 14.7** Franchisee will not continue to use any Confidential Information, systems or procedures learned as a result of, or covered by, this Agreement.
- 14.8** Franchisee will return or destroy all POS Software together with any manuals, disks or other media containing or describing the POS Software.
- 14.9** If Franchisee fails to comply with its obligations under this Section 14, Franchisor may enter the Franchised Center and remove the Confidential Information and materials marked with any of the Trademarks, without liability to Franchisee and without being deemed to have committed a trespass or any other tort.
- 14.10** Franchisee and Franchisor will make a prompt, final accounting upon expiration or termination of this Agreement or its transfer with Franchisor's consent, and any sums owed by either party to the other will be paid immediately.
- 14.11** The provisions of this Section 14 survive expiration or termination of this Agreement.

15. COVENANTS NOT TO COMPETE

Franchisee acknowledges that the methods of doing business and other elements of which the System is composed are distinctive and have been developed by Franchisor at great effort, time and expense. While this Agreement is in effect, Franchisee will have regular and continuing access to Confidential Information and training regarding the System. Franchisee has the obligation to promote and develop the Franchised Center. Franchisee accordingly agrees as follows:

15.1 "In Term Covenants"

- 15.1.1** Franchisee and each of the equity owners, officers and directors of Franchisees who sign this Agreement in the space following Section 19, covenant that during the term of this Agreement, neither it nor any of their respective equity owners, officers, directors or employees will divert or attempt to divert any business or customer of the Franchised Center to any competitor, by direct or indirect inducement, for itself or through, on behalf of, or in conjunction with any person.
- 15.1.2** [INTENTIONALLY DELETED]
- 15.1.3** Franchisee and each of the equity holders, officers and directors of Franchisee who sign this Agreement in the space following Section 19, covenant that during the term of this Agreement, neither Franchisee nor any of its equity holders, officers or directors will own, maintain, engage in, have any interest in, be employed by, or perform any service for any business which is the same as or substantially similar to the business conducted by the Franchised Center or Service Center and which is located within the state in which the Franchised Center is located or within ten (10) miles of any other Service Center in the United States, either directly or indirectly, for itself or through, on behalf of, or in conjunction with any other person.

15.2 “Post Term Covenants”

15.2.1 [INTENTIONALLY DELETED]

15.2.2 Franchisee and each equity holder, officers and directors of Franchisee who sign this Agreement in the space following Section 19, covenant that for a period of three years after the expiration or termination of this Agreement (regardless of the cause of termination) or transfer of this Agreement, neither Franchisee nor any of its equity holders, officers or directors will own, maintain, engage in, have any interest in or perform any service for any business, which is the same as or substantially similar to the business conducted under this Agreement or a Service Center, and which is located: (a) at the site of or within a ten-mile radius of the Franchised Center, or (b) within a ten-mile radius of any Service Center within the state in which the Franchised Center is located, or (c) within a ten-mile radius of any Service Center in the United States, either directly or indirectly, for itself or through, on behalf of, or in conjunction with any other person.

15.2.3 The provisions of this Section 15.2 shall survive expiration or termination of this Agreement.

15.3 Covenants from Others

At Franchisor’s request, unless otherwise prohibited by law, Franchisee will obtain covenants similar in substance to those set forth in this Section 15 from any of its directors, officers, management employees or equity holders who do not sign this Agreement. Such covenants will be in a form prescribed by Franchisor and may include an acknowledgement of other obligations of Franchisee that may affect Franchisee’s officers, directors management employees and equity holders. To the extent that such covenants relate to periods following expiration or termination of this Agreement, or transfer of the Franchised Center or an interest in Franchisee, then such provisions survive such expiration, termination or transfer.

15.4 Consent to Injunctive Relief

Franchisee acknowledges that its violation of the provisions of this Section 15 would result in irreparable injury to Franchisor for which no adequate remedy at law would be available. Franchisee consents to the issuance of an injunction prohibiting any conduct by Franchisee in violation of the provisions of this Section 15.

15.5 Construction

15.5.1 The parties agree that each of the covenants set forth in this Section 15 are to be construed independently of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section 15 is held unenforceable by a court or agency having valid jurisdiction in a final decision in a matter to which Franchisor is a party, then Franchisee agrees to be bound by any covenant which is less restrictive than, but included within, the terms of such unenforceable covenant and which imposes the maximum duty that is enforceable, as if the resulting covenant were separately stated in this Section 15.

15.5.2 Franchisee understands and acknowledges that Franchisor may reduce the scope of any covenant set forth in this Section 15 without Franchisee’s separate consent, and that such reduction in scope will be effective immediately upon Franchisee’s receipt of written notice thereof. Franchisee agrees that it will comply with any covenant

as so reduced in scope.

15.6 Permitted Ownership of Publicly Traded Corporations

Nothing in this Section 15 is intended to, or does, prohibit any ownership by Franchisee or any of its equity holders, officers, directors or employees of less than a three percent beneficial interest in the equity securities of any publicly-traded corporation.

16. MISCELLANEOUS

16.1 Franchisee is an Independent Contractor

This Agreement does not create a fiduciary or other special relationship between Franchisor and Franchisee. Franchisee is an independent contractor with the right to complete control and direction of the Franchised Center, subject only to the conditions and covenants established within this Agreement, the Manual and the System Manuals. No agency, employment, or partnership is created or implied by the terms of this Agreement. Franchisee's business is totally separate from Franchisor. Franchisee acknowledges and agrees that Franchisor is not, and nothing in this Agreement or the Policies and Procedures Manual is intended to make the Franchisor, the employer or joint employer of Franchisee's employees. Neither party to this Agreement will represent to anyone that it may act for the other party or that it has an agency, employment or partnership relationship with the other. Neither party has authority to act for or on behalf of the other in any manner. Neither party may create obligations or debts binding upon the other. Neither party is responsible for any obligations, expenses or debts of the other. No employee of Franchisee is an employee of Franchisor, and no employee of Franchisor is an employee of Franchisee.

16.2 Compliance with Law

Franchisee is solely responsible for and will comply with all laws, regulations, ordinances and environmental and industry standards applicable to the operation of the Franchised Center. Franchisee, and not Franchisor, will secure, maintain and pay for all licenses, permits, certificates and inspections required by applicable laws. Franchisee, and not Franchisor, will pay all occupation, privilege, franchise, sales, use, employment, income and other taxes attributable to Franchisee's construction, operation or ownership of the Franchised Center. Franchisee, and not Franchisor, will pay all water, sewer, gas, telephone, electric or other utility charges assessed or charged by reason of Franchisee's construction, operation or ownership of the Franchised Center.

16.3 Effect of Partial Invalidity

This Agreement is to be construed in accordance with all applicable federal, state and local laws and regulations; any provision of this Agreement which is contrary to those laws and regulations will be deemed to be modified to the extent required to render it lawful. If any provision of this Agreement is determined to be partially or wholly invalid, that determination will not affect the validity of any other provision of this Agreement, and the remaining provisions will remain in full force and effect. If any provision of this Agreement is determined to be only partially invalid, the remainder of such provision will continue to be enforced if the valid remainder of the provision continues to reflect the originally apparent intent of the parties.

16.4 Waiver and Estoppel

Any failure by Franchisor or Franchisee to promptly avail itself of any default on the part of the other will not operate as an estoppel so as to prevent the non-defaulting party from asserting the default at a subsequent time.

16.5 No Third Party Beneficiaries

Franchisee acknowledges that it is not an intended third party beneficiary of any franchise agreement between Franchisor and any other person, including any other franchisee.

16.6 Force Majeure

If as a result of Force Majeure any party is rendered unable, wholly or in part, to carry out its obligations under this Agreement (except for the payment of money) then the obligations of the party giving such notice, so far as and to the extent that the obligations are affected by such Force Majeure, shall be suspended during the continuance of any inability so caused, but for no longer period. For purposes of this Agreement, “**Force Majeure**” shall be inclusive of but not limited to the following events: flood, hurricane or other acts of God; war, civil disturbance, labor dispute, strike, lockout or compliance with any law, order, rule or regulation, whether similar or dissimilar, beyond the reasonable control of the said party. The party claiming Force Majeure shall notify the other party of the Force Majeure situation within a reasonable time (not to exceed thirty (30) days) after the occurrence of the facts relied on and shall keep the other party informed of all significant developments. The notice of Force Majeure shall give full details of said Force Majeure, and also (if possible) estimate the period of time that said party will require to remedy the Force Majeure or to resume performance of its obligations under this Agreement. The affected party shall use all reasonable diligence to remove or overcome the Force Majeure situation, but shall not be obligated to settle any labor dispute except on terms acceptable to it and all such disputes shall be handled within the sole discretion of the affected party.

16.7 Time

Time is of the essence of this Agreement.

16.8 Interpretation

The caption headings of this Agreement are for convenience only and will in no way affect the manner in which any provision hereof is construed. Whenever the context requires, the singular will include the plural, the plural will include the singular, and any gender will include all other genders. **IF FRANCHISEE IS A GROUP OF INDIVIDUALS, THEIR LIABILITY WILL BE JOINT AND SEVERAL.** Use of the word “will” denotes a mandatory activity (e.g., “Franchisee *will* pay royalties,” “Franchisee *will not* disclose Confidential Information”). Use of the word “may,” but not with the word “not” denotes a discretionary activity (e.g., “Franchisor *may* terminate this Agreement under certain circumstances); use of the word “may” with the word “not” denotes a mandatory prohibition (e.g., “Franchisee *may not* sell the Franchised Center”). If Franchisee is a partnership, references to “Franchisee” are intended to refer to all of the partnership Franchisee’s general partners.

16.9 Notices

Absent notice to the contrary in writing, any and all notices required to be given to Franchisor or Franchisee under this Agreement may be sent using the version of e-signature software currently approved by Franchisor, which software may be changed at Franchisor's sole discretion, or may be sent by overnight courier or facsimile (with receipt of confirmed transmission) addressed to such party at the address set forth beneath the signature of that party's representative in Section 19 of this Agreement. Notices to officers or directors of either party may be sent to the address specified for the party itself.

16.10 Accuracy of Information

Franchisee hereby represents and warrants to Franchisor that the information provided by Franchisee to Franchisor in the Franchisor's application process is true, accurate and complete.

16.11 Governing Law and Venue; Dispute Resolution

16.11.1 Except as otherwise stipulated in Sections 16.11.3 and 16.11.4, or unless expressly prohibited by the franchising statutes of the state in which the Franchised Center is located, this Agreement shall for all purposes be governed by and interpreted and enforced in accordance with the internal laws of the state of Delaware, except that its conflicts of law principles shall not apply.

16.11.2 The parties agree to use their best efforts to resolve and settle by direct, private negotiation any claim, controversy or dispute (a "**Dispute**") that arises under or in relation to this Agreement or that concerns the relationship created by this Agreement.

16.11.3 If the parties cannot resolve and settle a Dispute by private negotiation within 60 days after one party gives the other written notice that a Dispute exists, the parties mutually agree to submit the Dispute to non-binding mediation, as follows:

16.11.3.1 If Franchisor has requested the Mediation, such Mediation shall occur in Houston, Texas. If Franchisee has requested the Mediation, such Mediation shall occur in the city in which the Franchised Center is located. Mediation shall occur before a single mediator, using the facilities and mediation rules of a professional dispute-resolution organization selected by Franchisor and reasonably acceptable to Franchisee (the "**Mediation Organization**"). If the parties cannot agree on a Mediation Organization, they will use the facilities and mediation rules of the National Franchise Mediation Program.

16.11.3.2 The parties shall jointly select a mediator from the panel of mediators maintained by the Mediation Organization. The mediator must be either a retired judge or an individual experienced in business format franchising or franchise law who has no prior social, business or professional relationship with either party. If the parties are unable to agree on a mediator within 30 days after the Dispute is submitted to mediation, the Mediation Organization will select a mediator who possesses the indicated qualifications.

16.11.3.3 The parties will share the mediation filing fee equally, but will otherwise separately bear their own costs and expenses (including legal fees) of participating in the mediation process. Each party agrees to send at least

one representative to the mediation conference who has authority to enter into binding contracts on that party's behalf. Each party further agrees to sign a confidentiality agreement that exempts the mediator from disclosing, orally or in writing, any information the other party discloses to the mediator in confidence at any stage of the mediation process.

16.11.3.4 If either party fails or refuses to participate in mediation in accordance with this Section 16.11.3, the other shall be entitled to immediately submit the Dispute to binding arbitration in accordance with Section 16.11.4.

16.11.4 If the parties cannot fully resolve and settle a Dispute through mediation within 30 days after the mediation conference concludes, all unresolved issues involved in the Dispute shall be submitted to binding arbitration, as follows:

- (i) Either party may make a demand for arbitration. A claimant shall make a demand for arbitration promptly after a Dispute has arisen; but, in any event, before the applicable statute of limitations would bar the institution of legal or equitable proceedings based on the Dispute.
- (ii) Arbitration proceedings shall be conducted in the city in which Mediation occurred (or was scheduled to occur) before a single arbitrator, using the facilities and commercial arbitration rules of the Mediation Organization or another professional dispute-resolution organization selected by Franchisor and reasonably acceptable to Franchisee (the "**Arbitration Organization**"). If Franchisor selects an Arbitration Organization other than the Mediation Organization and Franchisee reasonably objects to Franchisor's choice, the parties will use the American Arbitration Association's facilities and commercial arbitration rules.
- (iii) The Arbitration Organization's expedited arbitration procedure shall apply to the arbitration proceedings. To the greatest extent permitted by law, Franchisor and Franchisee waive the application of all rules of discovery and evidence the Arbitration Organization's expedited procedure does not expressly make applicable.
- (iv) The parties shall jointly select an arbitrator from the panel of arbitrators maintained by the Arbitration Organization. The arbitrator must be either a retired judge or an attorney experienced in the practice of franchise law who has no prior social, business or professional relationship with either party and who agrees to follow and apply the express provisions of this Agreement in determining his or her award. If the parties are unable to agree on an arbitrator within 30 days after the arbitration demand is filed, the Arbitration Organization will select a arbitrator who possesses the indicated qualifications.
- (v) The arbitrator's award shall be final and binding on all parties, and neither party shall have any right to contest or appeal the arbitrator's award except on the grounds expressly provided by the United States Arbitration Act (the "**Arbitration Act**"). The party who demands arbitration shall pay the arbitration filing fee, but the parties will otherwise separately bear their own costs and expenses (including legal fees) of participating in the arbitration

process. Responsibility for the arbitrator's fees and expenses shall be determined as part of the arbitrator's award.

- (vi) The procedures contemplated by and the enforceability of this Section 16.11.4 shall be governed by the Arbitration Act and shall be interpreted and enforced in accordance with United States federal judicial interpretations of the Arbitration Act.
- (vii) Notwithstanding Sections 16.11.3 and 16.11.4, the parties mutually agree that Franchisor will not be obligated to mediate or arbitrate any claim arising from Franchisee's alleged infringement of the Trademarks, or other alleged misappropriation of Franchisor's intellectual property. The parties agree that any action based on infringement of any of the Trademarks or misappropriation of Franchisor's other intellectual property shall be governed by and interpreted and enforced in accordance with the United States Trademark (Lanham) Act or the United States Copyright Act (whichever applies to the particular action), and shall be litigated exclusively in any federal District Court sitting in Harris County, Texas. The parties further agree to submit to the jurisdiction and venue of any such federal District Court and that service of process by certified mail, return receipt requested, shall be sufficient to confer *in personam* jurisdiction over them in connection with any intellectual property litigation.
- (viii) Further, notwithstanding Sections 16.11.3 and 16.11.4, the parties mutually agree that Franchisor shall not be obligated to mediate or arbitrate any claim arising from Franchisee's failure to pay when due any royalty or other monetary obligation to Franchisor, unless Franchisee asserts a counterclaim based on Franchisor's alleged breach of a material obligation under this Agreement, in which case Franchisor's suit will be stayed and the entire matter will be referred to arbitration. The parties agree that any action to collect any sums that Franchisee owes Franchisor shall be litigated exclusively in any federal or state District Court sitting in Harris County, Texas. The parties further agree to submit to the jurisdiction and venue of any such federal or state District Court and that service of process by certified mail, return receipt requested, shall be sufficient to confer *in personam* jurisdiction over them in connection with any collection litigation.

16.11.5 No right or remedy herein conferred upon or reserved to Franchisor is exclusive of any other right or remedy herein, or by law or equity provided or permitted; but each shall be cumulative of any other right or remedy provided in this Agreement.

16.11.6 ANY AND ALL CLAIMS AND ACTIONS ARISING OUT OF OR RELATING TO THIS AGREEMENT (INCLUDING, BUT NOT LIMITED TO, THE OFFER AND SALE OF THIS FRANCHISE), THE RELATIONSHIP OF THE FRANCHISOR AND FRANCHISEE OR FRANCHISEE'S OPERATION OF THE FRANCHISED CENTER, BROUGHT BY FRANCHISEE SHALL BE COMMENCED WITHIN TWENTY FOUR (24) MONTHS FROM THE OCCURRENCE OF THE FACTS GIVING RISE TO SUCH CLAIM OR ACTION, OR SUCH CLAIM OR ACTION SHALL BE

BARRED.

16.11.7 FRANCHISOR AND FRANCHISEE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER OF THEM AGAINST THE OTHER.

16.11.8 FRANCHISOR AND FRANCHISEE HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM OF LOST PROFITS AND/OR ANY CONSEQUENTIAL, MULTIPLE, PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER, AND AGREE THAT IN THE EVENT OF A DISPUTE BETWEEN THEM, EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY IT.

16.12 Counterparts

This Agreement may be executed in multiple counterparts, each of which will be an original, but all of which will constitute the same instrument.

16.13 Entire Agreement

This Agreement and the Addenda attached hereto comprise the entire agreement between the parties concerning the subject matter of this Agreement and supersede all prior written or oral agreements or representations; provided that nothing in this Section 16.13 shall be deemed a waiver of Franchisee's reliance on any representation made by Franchisor in the disclosure document provided to Franchisee and referenced in Section 18.c) below. The provisions of this Agreement will be binding upon the parties and any permitted transferees. Except as otherwise specified herein, this Agreement may not be amended or modified except in writing, signed by the parties.

16.14 Immunity for Certain Limited Disclosures

Notwithstanding anything in this Agreement to the contrary, Franchisee and its officers, directors, shareholders, agents and representatives, may, in accordance with any applicable law including the federal Defend Trade Secrets Act, disclose Confidential Information, including Jiffy Lube's trade secrets, (a) in confidence, to federal, state, or local government officials, or to an attorney of Franchisee, for the sole purpose of reporting or investigating a suspected violation of law; or (b) in a document filed in a lawsuit or other legal proceeding, but only if the filing is made under seal and protected from public disclosure. Nothing in this Agreement is intended to conflict with any applicable law or create liability for disclosures expressly allowed by law.

17. ANTI-MONEY LAUNDERING AND ANTI-CORRUPTION LAWS.

- 17.1 For the purposes of this Agreement, “Anti-Corruption Laws” shall mean (a) the United States Foreign Corrupt Practices Act of 1977; (b) the United Kingdom Bribery Act 2010; and (c) all applicable national, regional, provincial, state, municipal or local laws and regulations that prohibit tax evasion, money laundering or otherwise dealing in the proceeds of crime or the bribery of, or the providing of unlawful gratuities, facilitation payments, or other benefits to, any government official or any other person.
- 17.2 Each party represents, warrants, and covenants that in connection with this Agreement and the business resulting therefrom:
- (i) it is aware of and will comply with Anti-Corruption Laws;
 - (ii) it has not made, offered, authorized, or accepted, and will not directly or indirectly make, offer, authorize, or accept, any payment, gift, promise, or other advantage, to or for the use or benefit of any government official or any other person where that payment, gift, promise, or other advantage would comprise a facilitation payment or otherwise violate the Anti-Corruption Laws;
 - (iii) it has maintained and will maintain adequate written policies and procedures to comply with applicable national, regional, provincial, state, municipal or local laws and regulations that prohibit tax evasion, money laundering or otherwise dealing in the proceeds of crime or the bribery of, or the providing of unlawful gratuities, facilitation payments, or other benefits to, any government official or any other person or, alternatively, has made itself aware of and shall adhere to the Shell General Business Principles and the Shell Code of Conduct (www.shell.com/about-us/our-values);
 - (iv) it has maintained and will maintain adequate internal controls, including but not limited to using commercially reasonable efforts to ensure that all transactions are accurately recorded and reported in its books and records to reflect truly the activities to which they pertain, such as the purpose of each transaction, with whom it was entered into, for whom it was undertaken, or what was exchanged;
 - (v) it will retain such books and records for the period required by applicable law or a party’s own retention policies, whichever is longer;
 - (vi) in the event a party becomes aware it has breached an obligation in this paragraph, it will promptly notify the other party, subject to the preservation of legal privilege;
 - (vii) it has taken reasonable measures to require any subcontractors, agents, or any other third parties to also comply with the foregoing requirements in this paragraph; and
 - (viii) only a party shall make payments to the other party, except with that other party’s written consent. Subject to the preservation of legal privilege, during the Term and for seven years thereafter and on reasonable notice, each party shall

have a right, and the other party shall take all reasonable steps to enable this right, to audit the other party's relevant books and records with respect to compliance with this paragraph. Without limitation to any other available remedies, where a party (the "First Party") fails, or its subcontractors, agents, or other third parties fail, to comply with the Anti-Corruption Laws in connection with this Agreement or the business resulting therefrom, the other party (the "Second Party"), acting in good faith, shall have a right to notify the First Party in writing of such failure to comply and, if the written notice contains reasonable detail about the failure to comply then, if the failure is incapable of being cured or, if capable of cure and the First Party does not cure the failure to comply within 60 calendar days following receipt of the written notice, the Second Party shall have the right to terminate the Agreement on further written notice to the First Party.

17.3 Nothing in this Agreement shall require a party to perform any part of this Agreement or take any actions if, by doing so, the party would not comply with the Anti-Corruption Laws. The obligations in this paragraph shall survive the termination or expiry of this Agreement.

POS ADDENDUM

THIS ADDENDUM is added to and made a part of the Jiffy Lube Franchise Agreement (the "Agreement") for the Jiffy Lube Service Center or Centers identified on the signature page hereto (the "Center"):

1. Franchise Agreement: The Franchise Agreement, as amended by this Addendum, remains in full force and effect in accordance with its terms. Provisions in the Franchise Agreement regarding a Point of Sale ("POS") system are replaced with the provisions of this Addendum.

2. Vendor Contracts: Following the date of this Addendum, Franchisee further agrees to enter into new, renewing or revised contracts related to the POS system which, where required by the TSAB Operating Guidelines, have been approved by the TSAB, including but not limited to POS software vendors, POS hardware vendors, support and maintenance vendors, integrated payment card vendors and other vendors or service providers that may be required with respect to the POS system. For the avoidance of doubt, Franchisee will not be required to enter into any new direct agreement with a software vendor, hardware vendor or supply and maintenance vendor providing the new POS system described in this Addendum, without TSAB approval.

3. Obligation to Use System/Minimum Functionality Standards: 3.1 Franchisee's failure to use the POS system required by JLI will constitute a default under the Agreement, unless Franchisee's failure is due to Franchisee's exercise of a right to terminate its agreement with a required POS vendor designated by JLI at the time of signing this Addendum or any required POS vendor approved by the TSAB thereafter.

3.2 The POS System provided by JLI will include the Minimum Functionality Standards and Additional Features beyond the Minimum Functionality Standards described in Attachment E. JLI will ensure that updates, upgrades or replacements to the POS system will at a minimum meet the "Minimum Functionality Standards" and include the "Additional Features" described in Attachment E, or features agreed upon by TSAB that supersede the listed "Additional Features".

4. Arbitration of Disputes: In the event of a dispute between JLI and a Franchisee as to whether a Franchisee has validly exercised a right to terminate its agreement with a POS vendor required by the Agreement, such dispute will be resolved by binding arbitration according to this paragraph notwithstanding other dispute resolution provisions in the Agreement to the contrary. Either party may make a demand for arbitration. JLI and Franchisee will agree on the arbitrator within 30 days of receipt of a demand for arbitration. If the parties are unable to agree on the arbitrator, the parties will use the American Arbitration Association's facilities. The arbitrator must be either a retired judge or an attorney experienced in the practice of franchise law who has no prior social, business or professional relationship with either party and who agrees to follow and apply the express provisions of this Addendum in determining his or her award. If the parties are unable to agree on an arbitrator within 30 days after the arbitration demand is filed, the

American Arbitration Association will select an arbitrator who possesses the requisite qualifications. JLI and Franchisee shall engage the services of a neutral arbitrator for purposes of this paragraph, and arbitration proceedings shall take place in a location specified by the arbitrator in Delaware. The parties shall share in the arbitrator's fees equally, but will otherwise separately bear their own costs and expenses (including legal fees) of participating in the arbitration process. Within 30 days of selection of an arbitrator, JLI and Franchisee shall each provide to the arbitrator a written statement explaining the basis for their belief as to whether a default exists. Such statements shall not exceed 10 pages in length, including any exhibits and excluding the applicable contract. Within 30 days of receipt of each party's written statement, the arbitrator will issue a binding decision as to whether or not a default exists.

5. Confidential Information: Franchisee and JLI agree that information entered into the POS System, including customer information, is "Confidential Information" within the meaning of the Franchise Agreement.

6. Training: JLI will provide Franchisee with POS System training near the time of installation. JLI will update existing computer-based training courses, as needed, and develop new course materials suitable for educating and training users on changes and new features of the new POS system. "Live" instructor-led web-based training sessions will be provided throughout the POS rollout period to afford users the opportunity to attend prior to installation of the new system. Additionally, specific training sessions will be hosted by JLI, as needed, for specific targeted users and topics, such as a session for back office users on administering standardized items and services. All new and modified training materials will be presented to the JLAF training committee and the TSAB for review and feedback. JLI will pay all costs associated with development and presentation of training materials including, but not limited to producing the live instructor-led training sessions, course content, help guides and reference materials. Franchisee will pay labor expenses for its employees to attend training and will be responsible for providing an environment suitable for its employees to take the web-based training.

7. Roll Out/Installation: The POS system will be installed in each Center by a trained employee or contractor of the deployment firm selected by the designated POS development vendor for their expertise and prior experience with deployments and installations. The designated POS vendor and deployment firm will consult with JLI and the TSAB regarding the scheduling, timing and methods to be used during the deployment process. Installations shall occur after regular business hours, or during business hours with Franchisee consent. JLI will provide remote support to all stores as they are converted to the new POS System via additional dedicated support desk staff trained on the new system. A unique phone number or menu option on the existing number will be provided for direct access to these support technicians.

8. Compliance: Each of Franchisee and JLI will take actions necessary to comply with all applicable laws and regulations related to its respective use of the POS System including, but not limited to, the Payment Card Industry – Data Security Standards, as amended or updated from time to time ("PCI-DSS"), concerning payment cards accepted by Franchisee through the POS System. Each of Franchisee and JLI shall maintain appropriate business continuity procedures and systems to provide the security of Payment Card Data in the event of a disruption, disaster or failure of such party's data systems that accept, transmit or store Payment Card Data. As used herein, "Payment Card Data" means any data associated with a payment card or otherwise

protected under the PCI-DSS, as amended or updated from time to time, including: (a) “card holder data” which includes (i) primary account number; (ii) cardholder name; and (iii) expiration date; (b) “sensitive authentication data” which includes (i) magnetic strip data; (ii) CVC2, CVV2, CID; (iii) PIN and PIN Block information; and (iv) any security-related information; and (c) other information used to authenticate cardholders and/or authorize payment card transactions. JLI will consult with PCI-DSS compliance experts and include TSAB in discussions related to PCI-DSS compliance.

8.1 **Liability:** To the extent that JLI implements a requirement for franchisees related to PCI-DSS compliance without franchisee participation or TSAB approval, JLI acknowledges its liability in proportion to its allocable share of its negligence, joint negligence, or willful misconduct. Each of Franchisee and JLI acknowledges its responsibility and potential liability with regard to PCI-DSS compliance that is within its total or partial control and also acknowledges its duty to mitigate damages and liability for any PCI-DSS matters where possible regardless of whether completely in its control. However, except as provided in Section 10, in no event will either party be liable to the other party for any special, indirect, incidental, or consequential damages as arising out of or relating to PCI-DSS compliance.

8.2 **Responsibilities:** Each of Franchisee and JLI agrees to take actions to ensure PCI-DSS compliance on items that are within its control. Actions may include but are not limited to periodically completing an audit questionnaire, PCI-DSS self-certification, or penetration testing upon request by the other party, maintaining a secure environment including “locking down” on-premises POS equipment if required, protecting passwords, not unnecessarily retaining payment card information, and other actions if required by PCI-DSS. JLI agrees to provide updates and information related to PCI-DSS compliance to Franchisees. JLI further agrees to arrange for a third party (preferably the existing credit card processor or such party’s designee who has recognized expertise in PCI-DSS) to provide training and assistance related to PCI-DSS compliance to Franchisees. Furthermore, JLI will ensure that any new agreement or amendment entered into with a credit card processor after the date of this Addendum will include a requirement for such credit card processor to provide training and assistance related to PCI-DSS to the Franchisees. However, Franchisee specifically acknowledges that JLI’s commitment to providing updates and arranging for training or assistance by third parties does not in any way alleviate Franchisees’ responsibility to make their own informed compliance decisions and ensure PCI-DSS compliance on any issue within their sole or partial control to the extent such compliance is within their control.

9. **Security Incident:** If either party has reason to believe that any, unauthorized access to or use of Payment Card Data (as defined in Section 9) or any breach or potential breach of the safety and security requirements under this Addendum (a “Security Incident”) has occurred, such party (the “responsible party”) shall (a) within 72 hours, notify the other party (the “affected party”) of such Security Incident, (b) investigate the Security Incident within 72 hours of such notification, (c) preserve records and other evidence relating to the Security Incident and (d) provide the affected party with a written report on the outcome of its investigation including any

risk to the Payment Card Data. If the Security Incident was caused in whole or in part by the acts or omissions of the responsible party or its agents, then the responsible party shall (i) provide the affected party with a corrective action plan describing the actions the responsible party will take, or has taken, to respond to the Security Incident, (ii) in accordance with the reasonable directions of the affected party, remediate the effects of the Security Incident and mitigate any risk that may arise from the Security Incident, and (iii) provide the affected party with assurance reasonably satisfactory to such affected party that such Security Incident shall not recur. The responsible party shall reimburse the affected party for reasonable direct damages incurred in connection with a Security Incident to the extent caused in whole or in part by the acts or omissions of the responsible party or its agents including, but not limited to, the costs of breach containment and remediation, notifying affected persons and governmental authorities, providing credit monitoring and identity theft resolution services to affected persons, reissuance of credit cards, charges for operating expenses of the card brands, fraud recovery costs assessed by the card brands, fines and penalties imposed by the card brands under PCI-DSS, forensic investigations and reasonable attorneys' fees, costs, and expenses (and interest on such attorneys' fees, costs, and expenses). For clarity, the damages described in the preceding sentence shall not be considered consequential damages for the purposes of this Addendum and are not subject to the exclusion of damages in Section 23(a) below.

10. POS Software License: JLI will enter into a contractual relationship with a designated vendor to develop the Jiffy Lube POS System, and will sublicense its rights to use POS System software ("POS Software") pursuant to the terms of the POS Software License Agreement attached hereto (the "POS Software License Agreement"). The POS Software license provided by JLI is part of the System, and accordingly is covered by the non-exclusive license of the System granted to Franchisee in the Franchise Agreement. In the event that the designated POS vendor should change again, TSAB approval is required for the new vendor to re-establish these same licensing provisions with the new vendor.

11. JLI's Right to License: JLI's affiliates will have their own rights to license the POS System, and JLI retains the right to its own use of the POS System and the right to sublicense to JLI's affiliates its rights to use the POS System, provided that (i) in accordance with the terms of JLI's agreement with its vendor, JLI affiliates will not have rights to license components of the POS System that are exclusive to JLI under JLI's licensing agreement with its vendor and (ii) JLI will not use in the U.S. or Canada or sublicense to its affiliates its right to use in the U.S. or Canada components of the POS System that are exclusive to JLI under JLI's licensing agreement with its vendor for a purpose or application that will be in competition with the Jiffy Lube System in the U.S. and Canada.

12. TSAB: JLI agrees to consult with the TSAB and/or seek approvals from the TSAB as specified in the TSAB Operating Guidelines on matters related to POS, including POS System hardware, POS software and hardware support, POS-related vendors, vendor selection, vendor contract terms, vendor performance, and all POS issues involving costs that will be borne by Franchisees. JLI agrees not to impose additional costs or increases on Franchisees directly or through a POS vendor without the TSAB's approval of all such costs or increases. For POS decisions and issues where TSAB approval is not required, the TSAB shall be consulted, but has no authority to bind JLI, and JLI is free to solicit input from any source and make those decisions. **AS LONG AS THE TSAB OPERATING GUIDELINES ARE FOLLOWED,**

FRANCHISEE AGREES THAT RECOMMENDATIONS MADE BY JLI OR MADE BY THE TSAB AND ADOPTED BY JLI REGARDING REQUIRED POS VENDORS, SUPPORT, SERVICES, HARDWARE AND COST PROVISIONS ARE BINDING ON FRANCHISEE, WHETHER OR NOT FRANCHISEE PARTICIPATES IN THE TSAB OR JLAF. IN THE EVENT THAT POS COSTS INCREASE DUE TO CONTRACTUAL PROVISIONS AGREED UPON BY JLI AND THE TSAB, FRANCHISEE SPECIFICALLY ACKNOWLEDGES AND AGREES THAT SUCH PRICE ESCALATION WILL BE PASSED ONTO FRANCHISEES ON A PRORATED PER CENTER BASIS. JLI and Franchisee each agree to provide to TSAB copies of all notices of default or termination issued by JLI or Franchisee to a POS system vendor or issued by a POS system vendor to JLI or Franchisee, so that the TSAB can take steps needed to manage vendor performance.

13. Fees/Credits: [Intentionally Deleted]

14. Computer Hardware: Franchisee shall acquire, whether through purchase or lease, computer hardware sufficient to run the designated POS System, including, but not limited to: a primary central processing unit (CPU) for the Center with characteristics sufficient to run the then-current version of the POS Software, one or more bay stations, a communications router, printers, and other peripherals as needed. All equipment shall be brands, models and specifications as designated by JLI after working with the TSAB in accordance with the TSAB Operating Guidelines, except where they specifically choose not to specify and leave the selection to each Franchisee. Additionally, Franchisee agrees to acquire certain designated equipment (CPUs, routers, other) only from a specific designated vendor approved by the TSAB; equipment that is not so designated may be obtained through any acquisition channel. Franchisee must contract with Franchisor for hardware support as indicated in Attachment B – Hardware Support Agreement of this Addendum. Franchisee shall not install any unapproved software on or attach unapproved hardware to any component on which the Jiffy Lube POS system is installed.

15. Existing POS Component Sublease Agreements: JLI will honor its obligations under existing POS component sublease agreements for the remainder of their respective initial three (3) year sublease terms, excluding the dot matrix invoice printer which must be replaced with a laser printer when the new POS system is installed into each Jiffy Lube Service Center. Franchisee agrees that all POS equipment that requires a lease (see “Equipment Automatically Renewed at End of Lease in the Hardware Support Agreement) will be current and on a three (3) year sublease at the time of installation of the new POS System.

16. POS Software: JLI will provide to Franchisee a sublicense to use the POS Software pursuant to the POS Software License Agreement. From time to time while the Agreement is in effect, JLI may also provide new, revised or enhanced versions of the POS Software. Franchisee may not use any other POS software in place of that provided by JLI to operate the designated POS System.

17. Back Office Component: The POS Software also includes a back office component. Franchisee is not required to accept and use a back office component in conjunction with the designated POS System; however, if Franchisee uses a back office component, in conjunction with the designated POS system, it must be the one provided with the designated POS system.

18. Broadband Connection: Franchisee must contract for, install and use a broadband connection sufficient to support POS operations and applications as defined in DSL/Cable Requirements Understanding (Attachment A).

19. Software Support: Franchisee will contract with JLI to use its initial chosen designees, as agreed-upon with JLAF leadership, for software support of the JLI-required updated POS System. JLI agrees to consult with and gain approvals from the TSAB on all future POS software support decisions and issues as specified in the TSAB Operating Guidelines. Franchisees will look solely to the POS System vendor to address performance issues specific to each Franchisee. JLI will actively manage overall vendor performance as it relates to issues impacting the entire Jiffy Lube system.

20. Information Disclosure: Franchisee authorizes JLI and JLI's designated POS vendors to share information regarding Franchisee and Franchisee's Center with each other and with the TSAB, but only as required for purposes of enabling JLI and the TSAB to manage vendor performance or otherwise address POS System issues, including without limitation, Franchisee's name, ownership, site number and address, and a copy of Franchisee's agreements with the POS System vendor, Franchisee's and the POS System vendor's payment or performance history, or notices of default or termination between Franchisee and the POS System vendor or notices of termination between JLI and Franchisee.

21. Indemnification: JLI shall defend, indemnify and hold harmless Franchisee from and against any and all third party claims, losses, damages, suits, fees, judgments, costs and expenses (collectively referred to as "Claims") directly related to the subject matter of this Addendum, including reasonable attorneys' fees, incurred in responding to such Claim, that Franchisee may suffer or incur to the extent that such Claims arise out of or are in connection with: (i) JLI's or its agents' failure to comply with all applicable laws, regulations and/or PCI-DSS; and (ii) a Security Incident caused by JLI or its agents, *provided*, however, that Franchisee promptly notifies Franchisor in writing of the Claim, allows Franchisor to defend the Claim with attorneys of Franchisor's choice, and reasonably cooperates with Franchisor, at Franchisor's cost, in the course of its defense of such Claim. For the avoidance of doubt, a Jiffy Lube franchisee will not be considered an agent of JLI for purposes of this paragraph. Accordingly, in no event will a compliance failure or Security Incident caused by a Jiffy Lube franchisee give rise to JLI's duty to indemnify Franchisee. Further, Franchisee specifically acknowledges its duty to mitigate any damages or potential damages regardless of the cause of or responsibility for the Security Incident or compliance failure to the extent such mitigation is within Franchisee's control.

22. Limitation of Liability:

22.1 IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS) SUSTAINED OR INCURRED REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT OR OTHERWISE, INCLUDING WITHOUT LIMITATION NEGLIGENCE, STRICT LIABILITY OR OTHERWISE, AND WHETHER OR NOT SUCH DAMAGES WERE FORESEEN OR UNFORESEEN AND REGARDLESS OF WHETHER A PARTY HAD

RECEIVED NOTICE OR HAD BEEN ADVISED, OR KNEW OR SHOULD HAVE KNOWN, OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES.

22.2 THE MAXIMUM CUMULATIVE LIABILITY OF EITHER PARTY TO THE OTHER PARTY RELATING TO THIS ADDENDUM OR ANY TRANSACTION CONTEMPLATED BY THIS ADDENDUM AND EITHER PARTY'S MAXIMUM REMEDY TO THE OTHER PARTY FOR ANY AND ALL CAUSES RELATING TO THIS ADDENDUM AND ANY TRANSACTION CONTEMPLATED BY THIS ADDENDUM WHETHER ARISING IN CONTRACT (INCLUDING BREACH OF CONTRACT OR BREACH OF WARRANTY), IN TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY), OR ANY OTHER THEORY OF RELIEF (INCLUDING ANY CLAIMS FOR INDEMNIFICATION ARISING UNDER THIS ADDENDUM), SHALL BE LIMITED TO ONE HUNDRED THOUSAND DOLLARS (\$100,000.00) IN THE AGGREGATE. NOTWITHSTANDING THE FOREGOING, THE MAXIMUM CUMULATIVE, TOTAL LIABILITY OF EITHER PARTY ARISING UNDER SECTIONS 9, 10 AND 22 SHALL BE LIMITED TO THREE HUNDRED THOUSAND DOLLARS (\$300,000). THE EXISTENCE OF ONE OR MORE CLAIMS WILL NOT ENLARGE THE FOREGOING LIMITS.

22.3 THE AFOREMENTIONED LIMITATION OF LIABILITY AND EXCLUSION OF DAMAGES SHALL APPLY EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

22.4 FOR THE AVOIDANCE OF DOUBT, THIS SECTION 23 APPLIES ONLY TO THE SUBJECT MATTER OF THIS ADDENDUM AND DOES NOT AMEND THE HOLD HARMLESS AND INDEMNITY PROVISIONS IN THE FRANCHISE AGREEMENT FOR ANY OTHER PURPOSE.

23. Attachments/Effective Dates

23.1 Franchisee agrees to the terms of the DSL/Cable Requirements Understanding attached hereto.

23.2 Effective Dates:

The provisions of this POS Addendum and Hardware Support Agreement (Attachment B) are effective as of the date reflected below in Section 24. However, the previous Hardware Service Support rate will remain in effect for each store until it is converted to the new POS system, and then will increase to the new Hardware Service Support rate reflected in Attachment B.

The POS Software License Agreement (Attachment C) is effective as of the date the updated POS Software is installed at the Center. The previous Software Support rate will remain in effect for each store until it is converted to the new POS system, and then will increase to the new rate as described in Section 17.3 of the POS Software License Agreement.

The Data Delivery Service Agreement (Attachment D) is effective for each Franchisee subscribing to the DDS service as of the date the updated POS Software is installed at any Center belonging to the Franchisee. However, the rates defined in the Data Delivery Service Agreement shall not be effective until the month in which 90% of a Franchisee's Centers have been converted to the updated POS System.

23.3 There may be circumstances under which JLI will not be in a position to roll out the updated POS System to the Jiffy Lube system following execution of this Addendum by Franchisee. The parties' obligations in this Addendum which are intrinsic to the roll out of the updated POS System will not be effective until the updated POS System has been deployed, and any obligation of Franchisee to make payments for the updated POS System will not be effective until the updated POS System has been deployed in the Center (i.e. the POS Software has been installed in the Center as part of system-wide deployment of the POS System following laboratory testing and testing in pilot Centers).

24. Miscellaneous Provisions:

24.1 The Agreement and this Addendum may not be further modified or amended except in a writing signed by the parties.

24.2 The Agreement, as modified by this Addendum, constitutes the entire agreement between the parties concerning the subject matter hereof and supersedes all prior written or oral agreements or representations.

24.3 This Addendum may be signed in one or more counterparts (including by means of faxed or electronically scanned signature pages), all of which shall be considered one and the same agreement.

24.4 In the event of any conflict between the terms and provisions of the Agreement and this Addendum regarding an issue specifically related to the POS system and addressed in this Addendum, this Addendum shall control. Notwithstanding the foregoing, in the event of any conflict between the terms and provisions of the Agreement and this Addendum, the Agreement shall control to the extent such issues do not relate to the POS system or are not issues that are addressed in this Addendum.

25. Signatures: To confirm their agreement to the terms, conditions and acknowledgements set forth above, each party has caused its representative to set his or her signature in the space provided below as of the dates set forth below opposite their respective signatures. This POS addendum may be executed in duplicate originals. Facsimile signatures shall be considered binding.

DSL/CABLE REQUIREMENTS UNDERSTANDING

Stores are required to use a broadband technology (e.g., DSL/Cable) to connect to a POS VPN (Virtual Private Network) for applications supplied by Jiffy Lube International, Inc. (“JLI”) or for applications supplied by a JLI approved vendor. It is important that the Franchisee carefully review and understand the requirements for broadband technology listed below. JLI cannot guarantee current features, functions and applications associated with the point-of-sale (“POS”) system or other JLI-supplied services or services supplied by a JLI approved vendor will operate properly if these requirements are not met.

DSL/Cable User and Service Provider Requirements

- Provide a business class static IP address with a minimum bandwidth of 10mb download and 5mb upload, with recommended 100mb download and 20mb upload. This is a minimum recommendation to allow connection to the hosting network and have full POS functionality. Additional bandwidth could be needed to add functions such as video monitoring.
- The POS VPN hosting environment does not support MAC address reservation to Static IP addresses managed by the ISP’s DHCP server.
- The POS VPN hosting environment does not support any DHCP configuration on our devices to connect to the ISP.
- Multiple static IP addresses along with a DSL/Cable modem with multiple Ethernet ports are preferred (not required)
- Broadband provider should not filter or block PPTP, IPSec or related tunneling protocols.
- Broadband provider should not use PPPoE or other logon account-based broadband access. Access to the DSL or Cable circuit should not require installation of PPPoE drivers or third party software on any store equipment.
- Each Center must lease and use the current designated VPN equip or any new VPN router designated by JLI and approved by the TSAB. Routers shall be leased and obtained from the designated POS hardware vendor. No changes to the router should be attempted without approval from the designated POS VPN hosting group or designated POS support group.
- If devices other than those designated for use in the POS system and approved by JLI and the TSAB will be sharing the broadband connection, then a switch or router will be required on the connection to segregate the VPN router from the other devices. Only switches or routers approved by JLI and the TSAB may be used in Centers.

- Broadband provider must support multiple connections from a store over a single link. Provider equipment must be configurable to pass IPsec sessions, providing a secure way to pass data to/from the POS VPN hosting environment.
- In some rare instances, ISP standard broadband modems/routers are not compatible with POS VPN hosting environment components and can only be verified at the time of installation. It is suggested you contact your provider to verify the make and model of the provider default modem or other required equipment and ask POS Support if there are any known issues with implementation of that equipment.
- The ISP and provided equipment must support an MTU size of 1400 or greater.
- JLI and designated POS vendors are not responsible for resolution of communication related problems of external broadband providers. JLI and designated POS vendors can only verify whether the POS application at the store and that the host environment at the Data Center are functioning properly. The Franchisee will be responsible for working with the ISP to troubleshoot and resolve communication problems.

ATTACHMENT B TO POS ADDENDUM

HARDWARE SUPPORT AGREEMENT

This Hardware Support Agreement is made effective as of the date reflected in the POS Addendum (“Addendum”) to which this document is Attachment B, by and between JLI and Franchisee, as specifically identified in the Addendum.

1. The service level described in this Section 1 will be the same across all Franchisee’s locations (i.e., all stores have the same support). Hardware support coverage can only be initiated in conjunction with the start of a new equipment lease term.

Service calls for Critical Equipment received on Saturday will be shipped for Monday delivery. Calls received after 3:00 PM CST weekdays and 1:00 CST PM Saturdays will be shipped the following business day.

Defective equipment must be returned within 3 days of receipt of replacement equipment. Return shipping costs are included during this time period. After 3 days, the Franchisee assumes return shipping costs. If the equipment is not returned within 5 days, the Franchisee will be invoiced for the replacement cost of the hardware.

Critical equipment, as listed in Exhibit B hereto, is covered through overnight shipment of replacement equipment. All other supported equipment is covered through ground shipping of replacement equipment. No on-site visits by service technicians are included. Currently, JLI ships all equipment, including non-critical equipment, overnight. JLI will set an effective date on which only Critical Equipment will be shipped overnight as described herein, and that date shall be effective for all Centers.

A new lease will automatically be initiated and new equipment covered by the lease shall be sent to replace certain equipment as the current lease terminates. For certain optional gear, such as Bay CPUs or wireless access points, franchisees will have the option to not initiate a new lease, but the old equipment must be taken out of service unless JLI explicitly grants permission for it to remain in service. Exhibit B contains a current list of equipment for which leases will be automatically renewed.

Franchisee will pay **\$68.00** per store per month for the Hardware Support Coverage described herein. Such rate will become effective for each Center upon installation of the updated POS Software into the Center.

2. Franchisee will supply a dedicated electrical power line as required on the manufacturer's specification for the listed equipment or as deemed necessary by JLI.

3. Franchisee will notify JLI or its designated agent when service is required.

4. This Hardware Support Agreement is nontransferable and is applicable only to equipment under a current lease or otherwise explicitly agreed to by JLI and the TSAB. The use of any unauthorized materials, added software, hardware, or services will automatically cause this Hardware Support Agreement to become null and void.

5. Franchisee agrees to the terms set forth in Exhibit A to this Hardware Support Agreement.
6. JLI will service (or arrange for a third party to service) the equipment described in Section 1, and replace without additional charge all covered parts worn out through reasonable and normal use and provide emergency service. Damage or losses resulting from abuse, misuse or acts of God are not covered. Ribbons, paper and other consumables are not covered.
7. ONLY "COVERED HARDWARE" AS LISTED ON EXHIBIT B IS COVERED UNDER THE TERMS OF THIS HARDWARE SUPPORT AGREEMENT.
8. All equipment returned at the end of the lease must be of the same manufacture, model, and configuration as originally leased and must be in good, working condition. Franchisee understands that Franchisee will be responsible for an additional charge for equipment that is returned in less than good working condition.
9. Either party may terminate this Hardware Support Agreement upon not less than 90 days prior notice.

NO TERMS OR CONDITIONS, EXPRESSED OR IMPLIED, ARE AUTHORIZED UNLESS THEY ARE WRITTEN IN THIS HARDWARE SUPPORT AGREEMENT OR ADDENDUM TO WHICH IT IS ATTACHED OR IN AN AMENDMENT TO THIS AGREEMENT SIGNED BY FRANCHISEE AND JLI. THIS HARDWARE SUPPORT AGREEMENT SHALL BECOME EFFECTIVE ONLY AFTER EXECUTION BY FRANCHISEE AND A JLI OFFICER.

EXHIBIT A TO HARDWARE SUPPORT AGREEMENT

GENERAL PROVISIONS

1. **PURPOSE.** This Hardware Support Agreement covers the cost of covered hardware parts and labor for adjustments, repairs and replacement of parts necessitated by normal use of the equipment and as specifically provided. Damage or losses resulting from accident, misuse or other events such as fire, theft, water damage, power surges or for any other cause external to the machine are not covered. The use of unauthorized parts, components, modifications or personnel to affect repairs or changes will cause this Agreement to be null and void.
2. **TERMS.** This Hardware Support Agreement shall become effective immediately upon execution of the POS Addendum and attachments. Franchisee shall pay JLI, monthly in advance, the monthly charges shown in Section 1 of this Hardware Support Agreement for hardware support. This Hardware Support Agreement shall be for a three-year term from the original installation date of the covered hardware and continue indefinitely until cancellation by either party. Cancellation of this Hardware Support Agreement caused by the Franchisee does not release the Franchisee of the full balance due under this Hardware Support Agreement. Balance upon default will become immediately due and payable. Payment in full of payment owed under this Hardware Support Agreement will reinstate the Hardware Support Agreement for the balance of the term. However, JLI assumes no responsibility and specifically disclaims any liability for damages occurring during the period this Hardware Support Agreement is not in effect.
3. **AMENDMENTS.** Oral agreements are not part of this Hardware Support Agreement. No one is authorized to change, alter or amend the terms or conditions of this Hardware Support Agreement unless agreed to in writing by an officer of JLI.
4. **CANCELLATION.** This Hardware Support Agreement may be cancelled by either party at any time provided that written notice is received at least ninety (90) days prior to the desired cancellation date. Charges relative to this Hardware Support Agreement are not refundable either partially or fully. However, if cancellation is effected by JLI, then payment, based pro rata on the unused portion of this Hardware Support Agreement, will be refunded. In the event the manufacturer shall cease to make, service or stock a part(s) JLI shall no longer be obligated to maintain it under the terms of this Hardware Support Agreement.
5. **RELOCATION.** This Hardware Support Agreement is assigned to the equipment at the location specified and is transferable only if the equipment should be relocated to another area within the service area of JLI. However, any cost that may be involved in the relocation of the equipment specified is not covered by this Agreement.
6. **DISCLAIMER OF WARRANTY.** JLI expressly disclaims warranties of any kind and nature. Only manufacturer warranties are available to Franchisee. JLI's responsibilities under this Hardware Support Agreement shall be limited to obtaining support and repair or replacement of covered hardware from an appropriate vendor in accordance with the terms of this Agreement.
7. **SUPPLIES.** If Franchisee uses other than JLI's recommended supplies, and if such supplies result in excessive service calls or are not compatible with the equipment, then the coverage under this Hardware Support Agreement may not apply. Under the same circumstances

this Hardware Support Agreement may be terminated with a refund of the unused portion. Subsequent service will then be provided only on a charge per call basis.

8. **POWER SURGE PROTECTOR.** Franchisee agrees to purchase and install a JLI approved power surge protector prior to operation of any of the equipment covered under this Hardware Support Agreement. Failure by the Franchisee to at all times operate the power surge protector when equipment is in use shall at the option of JLI render this Hardware Support Agreement null and void.

9. **REPAIR DOWN TIME.** In the event covered equipment malfunctions and JLI, or its designated third party vendor, is not able to remedy the situation via phone support, then JLI, at its option, may either authorize on-site service or ship out replacement component(s) with return shipping authorized for the defective component(s). In the event JLI determines that the malfunction was due to operator error, then Franchisee agrees to pay all shipping costs and JLI time and billing charges in making the repair. JLI liability is specifically limited to repair and/or replacement of defective hardware covered by this Hardware Support Agreement.

10. **DISCLAIMER.** IN NO EVENT SHALL JLI BE LIABLE TO FRANCHISEE FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES IN ANY WAY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE HARDWARE. IN ADDITION, JLI'S LIABILITY TO FRANCHISEE FOR DIRECT DAMAGES ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE HARDWARE SHALL IN NO EVENT EXCEED THE TOTAL AMOUNT ACTUALLY PAID BY FRANCHISEE FOR THE HARDWARE. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to Franchisee.

ATTACHMENT C TO POS ADDENDUM

JIFFY LUBE® POS SOFTWARE LICENSE AGREEMENT

THIS POS SOFTWARE LICENSE AGREEMENT (the “**POS License Agreement**”) is made effective upon the installation of the updated POS Software in the Center as provided for in the POS Addendum (“Addendum”) to which this document is Attachment C, by and between JLI and Franchisee, as specifically identified in the Addendum.

RECITALS

This POS License Agreement describes the terms and conditions under which Franchisor licenses to Franchisee the right to use the Jiffy Lube POS Software in the operation of the Center. Capitalized terms in this POS License Agreement shall have the same definition as in the Franchise Agreement between the parties (the “**Agreement**”).

1. License. Franchisor hereby grants to Franchisee a non-exclusive license to use the POS Software, as is and as it may be modified from time to time in connection only with the operation of the Center identified in the Agreement, in strict conformance with this POS License Agreement. The POS Software is part of the System.
2. Term. This POS License Agreement becomes effective upon installation of the POS Software on computer hardware approved by Franchisor in Franchisee’s Service Center and ends upon the expiration or termination of the Agreement.
3. Ownership. Franchisee will acquire no ownership in the POS Software. If the POS Software is shared between multiple computer workstations on a communications network (not including “bay terminals” at the Franchised Center), each computer workstation must have its own separate POS Software. When this POS License Agreement expires or is terminated, Franchisee will return to Franchisor or destroy all copies of the POS Software provided by Franchisor (including copies in memory or data storage apparatus under Franchisee’s control) together with any manuals, disks or other media containing or describing the POS Software; Franchisee will then warrant in writing to Franchisor within 30 days of termination or expiration of this POS License Agreement that the POS Software, related materials and all copies thereof have been returned to Franchisor or destroyed.
4. Restrictions on Copying.
 - 4.1 Restrictions on Copying. Franchisee may copy the POS Software, in whole or in part, only for backup and archive purposes. No more than one copy that can be executed or “run” may be in existence at any one time. Each copy will include, in readable format, any and all confidential, proprietary and copyright notices or markings contained on the original provided by Franchisor.
 - 4.2 Communication of Restrictions. Franchisee agrees to communicate the restrictions that apply to use and copying the POS Software to Franchisee’s employees and to other agents of Franchisee who use the POS Software.

5. Prohibition of Unauthorized Use. Franchisee will not knowingly use, or permit anyone else to use any portion of the POS Software for the purpose of deriving its source code. Franchisee agrees to use all reasonable efforts to ensure that Franchisee's employees and other agents who use the POS Software abide by the terms and conditions of this POS License Agreement insofar as it relates to the POS Software. If Franchisee becomes aware that the POS Software is being used in a manner not authorized by this POS License Agreement or the Agreement, Franchisee will immediately use all reasonable efforts to cause such unauthorized use of the POS Software immediately to cease. Franchisee will notify Franchisor of any unauthorized use as soon as practical after its discovery.

6. Copyright. The POS Software is protected by copyright and/or similar laws against unfair competition. Depending upon the POS Software provided, the copyright may be owned by Franchisor or by an affiliate of Franchisor or an unrelated entity. Franchisee may be held responsible by the copyright owner for use of the POS Software in any manner not authorized by this POS License Agreement.

7. Limited Warranties.

7.1 Limited Warranties.

(a) Conformance with Documentation. Franchisor warrants that for a period of 180 days from date of delivery of the POS Software to Franchisee, the POS Software performance and functional behavior will conform in all material ways to the performance defined in documentation relating to the POS Software (*e.g.*, manuals, guides, exclusion documents and computer-aided instructions); *provided*, however, that Franchisor does not warrant that the operation of the POS Software will be uninterrupted or error-free. Franchisee's sole and exclusive remedy for any failure of the POS Software to conform to the warranty described in this Section 7.1(a) is to notify Franchisor in writing of such nonconformity within 180 days of the POS Software's delivery to Franchisee. Franchisor will immediately notify TSAB of such nonconformity following Franchisor's receipt of the initial notice from Franchisee. Franchisor's sole obligation under this Section 7.1(a) will be to remedy the nonconformance issue within a reasonable time after Franchisor receives the notice of nonconformity.

(b) No Viruses. Franchisor represents and warrants that the initial release of the new POS Software delivered by Franchisor to Franchisee and all subsequent releases, updates, upgrades, enhancement and bug fixes do not and will not contain any virus or any other contaminant, or disabling devices, including, but not limited to, codes, commands or instructions that: (i) disrupt, damage or interfere with Franchisee's use of its computer or telecommunications facilities for its commercial purposes, (ii) permit Franchisor or its licensors to access, remotely or otherwise, the POS Software programs or Franchisee's data, information or systems, including its network, with the exception of normal support activities performed by JLI or its providers; (iii) cause harmful, malicious or hidden procedures, routines or mechanisms which could cause the POS Software to cease functioning or damage or corrupt data, storage media programs, equipment or communications or otherwise interfere with Franchisee's operations; (iv)

perform functions which are not an appropriate part of the functionality of the POS Software and whose result is to disrupt, disable or impair the use or operation of such POS Software; or (v) contaminate the POS Software, or modifies, destroys, records or transmits data, or code without the intent or permission of the Franchisee or performs any other actions which have the effect of materially impairing Franchisee's use of its computer or telecommunications systems for commercial purposes in compliance with the Franchise Agreement. JLI expressly disclaims any warranty against viruses or other destructive programs or codes which may enter Franchisee's systems, including the POS System and updates thereto once delivered by Franchisor to Franchisee, as a result of Franchisee or third party actions. Franchisor will provide current virus protection and make reasonable efforts to keep it up to date, and consult with TSAB regarding implementation of reasonable user access security protocols and firewall protection. Furthermore, Franchisor will not make any changes to the security measures used by Franchisor in connection with the POS system that would be contrary to industry standard best practices and/or create a security vulnerability without first obtaining TSAB's prior written consent.

(c) Compatibility. Franchisor represents and warrants to Franchisee that it will make every reasonable effort to ensure that the POS Software integrates and operates in conjunction with, without any corresponding diminution in functionality or performance, any and all updates, upgrades, security patches, bug fixes and/or any other similar security or performance-enhancement releases made available to Franchisee in connection with any widely-deployed operating system or similar software within ninety (90) days of Franchisee's receipt of any such release.

(d) Compliance with Law. Franchisor represents and warrants to Franchisee that it will comply with its reasonable interpretation of all applicable laws, statutes, rules and regulations applicable in the performance of its obligations under this Addendum, including, without limitation, any export or import control laws and regulations that are applicable to Franchisor's business and/or to the licensing of the POS Software to Franchisee hereunder and/or the Software Support Services provided to Franchisee hereunder.

7.2 DISCLAIMER OF OTHER WARRANTIES. THE EXPRESS LIMITED WARRANTIES SET FORTH IN SECTION 7.1 OF THIS POS LICENSE AGREEMENT ARE IN LIEU OF ALL OTHER EXPRESS WARRANTIES. THE IMPLIED WARRANTY OF MERCHANTABILITY IS LIMITED TO THE DURATION OF THE EXPRESS LIMITED WARRANTY. FRANCHISOR DISCLAIMS ALL OTHER EXPRESS AND IMPLIED WARRANTIES WITH REGARD TO THE POS SOFTWARE, INCLUDING ANY IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE AND, FOLLOWING EXPIRATION OF THE EXPRESS LIMITED WARRANTY, THE IMPLIED WARRANTY OF MERCHANTABILITY OR ANY WARRANTY OF CONFORMITY TO MODELS, SAMPLES OR PROTOTYPES. FRANCHISOR ALSO DISCLAIMS ANY AND ALL WARRANTIES OF OR REPRESENTATIONS

CONCERNING THE POS SOFTWARE MADE BY PERSONS OTHER THAN FRANCHISOR OR ITS AUTHORIZED REPRESENTATIVES.

7.3 Possible Warranty Rights Under State Law. Some states do not allow limitations on how long an implied warranty lasts; if this is the case in the state in which the Franchised Center is located, the limitation in Section 7 of this Agreement will not apply to Franchisee.

8. Indemnification. At Franchisor's expense, Franchisor will defend Franchisee from and against any and all third party claims, losses, damages, suits, fees, judgments, costs and expenses (collectively referred to as "Claims") which may be incurred by, asserted against, or recoverable from Franchisee arising out of or relating to a Claim that the POS Software infringes upon or misappropriates any patent, trade secret, copyright or other intellectual property or proprietary right, *provided* that Franchisee promptly notifies Franchisor in writing of the Claim, allows Franchisor to defend the Claim with attorneys of Franchisor's choice, and cooperates with Franchisor, at Franchisor's cost, in the course of its defense of such Claim. Because Franchisor is willing to undertake Franchisee's defense of these Claims, as set forth above, Franchisor will not be responsible for Franchisee's litigation fees or expenses, or costs associated with voluntary settlements by Franchisee unless Franchisor has agreed in writing to pay such fees, expenses or costs. To settle or avoid a Claim or possible Claim of infringement, Franchisor may, at its option and at no cost to Franchisee, obtain a license from the owner of software upon which the POS Software is or may be claimed to infringe, or modify the POS Software, or substitute different POS Software that is substantially equivalent to the infringing portion of the POS Software provided, however, that the modified version does not materially adversely affect the functions or features of the POS Software. Franchisor is not liable for any infringement due to the extent that (a) the POS Software being modified to specifications provided by Franchisee, or (b) the POS Software being used in combination with equipment, software, or supplies not provided or specified by Franchisor, in the documentation or User Guide and such infringement would not have occurred but for such combination or unintended or unauthorized use of the POS Software. Franchisor makes no other express or implied warranty of non-infringement and, except as provided in this Section 8, accepts no other liability in connection with infringement by the POS Software upon any patent, trade secret, or copyright. For clarity, no limitation of liability or exclusion of consequential damages in this POS License Agreement or the Addendum shall limit Franchisor's obligation to defend Franchisee pursuant to this Section.

9. Technical Support. Franchisee and its employees may contact Franchisor's POS Software technical support service ("Software Support Service") by telephone, electronic, fax or written communication from 7:00 a.m. to 8:00 p.m., central time prevailing in Houston, Texas, Mondays through Fridays, excluding holidays. Franchisor will provide an "on call" service technician to attempt to answer questions relating to the POS Software on a limited basis in addition to the hours listed above. The Software Support Service will (a) attempt to answer the reasonable questions of Franchisee and its employee pertaining to (i) the POS Software documentation ("User Guide") and (ii) the use and operation of the POS Software, (b) receive reports of known or suspected errors in the User Manual and the POS Software, and (c) provide Franchisees and their employees with corrections and/or "workarounds" for reported errors.

10. Franchisor represents, warrants and covenants to Franchisee that the availability of the POS Software and the response time service level agreements ("SLAs") will correspond to the SLAs provided from JLI's POS Software hosting agent, or JLI will pursue contractual provisions with agent to restore services to agreed-upon levels. Furthermore, Franchisor represents that it has or

will provide TSAB with a copy of the SLAs for the POS Software provided from the POS Software hosting agent to Franchisor, including service remediation or restoration terms, which may be redacted to remove irrelevant or confidential information. JLI will provide an online User Guide that will be accessible to all authorized POS users.

11. POS Software Maintenance Corrections. Franchisor will loan Franchisee one copy of any corrections to the POS Software or the User Manual.

12. Service Limitations.

12.1 Remote Services Only. Unless otherwise provided in this POS License Agreement, the Software Support Service is remote services only.

12.2 Exclusions from Software Support Service. The Software Support Service does not include failure of software due to equipment or software not meeting Franchisor's specifications, catastrophe, operator error, fault or negligence on the part of Franchisee or its employees, or other, similar damages.

12.3 Withdrawal of Software Support Service. Franchisor may withdraw individual items from coverage under this Agreement upon 120 days' prior written notice, if such items are no longer generally in use by Franchisor or its franchisees.

12.4 Additional Training. Franchisee may be required to provide additional training to its employees if excessive service calls related to operator error occur.

13. Media Distribution. Unless otherwise provided in this Agreement, Franchisor will distribute POS Software media via broadband.

14. No Unauthorized Use or Alteration of the POS Software. Franchisor's obligation to provide Software Support Service does not extend to any modification or alteration of the POS Software (other than by Franchisor's authorized personnel) or any unauthorized use of the POS Software. Franchisee shall not modify, or permit its employees to modify, the POS Software. Franchisee shall not use, or permit its employees to use, the POS Software in any way except in connection with operation of the Center.

15. No Implied Assistance or Documentation. Except as provided in this POS License Agreement, Franchisor has no obligation to provide any enhancements, upgrades, updates, new releases or assistance with regard to the POS Software.

16. Costs Associated with the POS System.

16.1 Costs of Installation. Franchisee will pay all costs associated with installation of the POS System at the Center, including any extraordinary costs resulting from special installation needs (such as construction, remodeling, rewiring, additional wiring, or telephone line installation), and for all costs of hardware in addition to that which is provided by Franchisor pursuant to the Agreement.

16.2 Franchisor's Minimum Costs. [Intentionally Deleted]

16.3 Franchisee's Other Costs. Except as provided in Section 16.2 of this Agreement, Franchisee will pay all costs of operation of the POS system, including (a) the cost of a

broadband connection, if necessary, (b) labor costs, (c) all costs of hardware maintenance, licenses, repair, upgrades and replacement, (d) charges for support, which shall be charged (on a per installation per franchise entity basis and not a per franchise agreement basis) at a rate set from time to time by Franchisor but which shall not exceed \$160 per month, unless approved by TSAB or required as a contractual increase approved by JLI and the TSAB with a designated POS vendor or service provider and (e) charges for POS Software support services other than those provided under this Agreement which, if provided by Franchisor or an affiliate of Franchisor, will be invoiced to Franchisee at the servicing entity's "per-call" rates according to terms and conditions in effect when the service is performed, together with room, board and travel charges incurred by any service technician.

17. Operation of the POS System. Franchisee will operate the POS system according to the standards and procedures prescribed by Franchisor from time to time, including but not limited to the standards and methods for communication with Franchisor as stipulated in the Manual. Franchisee will, among other things, transmit individual invoice information daily to Franchisor, including specified customer data (such as customer names and addresses including postal zip codes). Except as otherwise provided in the Agreement, Franchisor may not sell, disclose, or use data transmitted to it by Franchisee for the benefit of any other person or entity without Franchisee's consent.

18. Changes in the POS System. From time to time, Franchisor may find it desirable to modify or replace the POS Software it has provided to the Franchisee or to change the specifications for, and require the replacement of, the POS hardware used in conjunction with the POS Software. Franchisor will solicit comments from franchisees before making any substantial modification in the POS system. Franchisor may satisfy this obligation by soliciting comments from (a) a committee or group of franchisees formed specifically to monitor POS matters (which may also include representatives of Franchisor); or (b) from a representative sample of Franchisor franchisees.

19. Restriction on Provision of Unique POS Characteristics to Others. Franchisor may develop other proprietary POS software for the System, or may license POS software for use by the System from others, each of which shall be deemed to be included as POS Software as defined in this Agreement. Without TSAB approval, Franchisor may not license, sublicense, furnish, or provide any enhancements to the POS system developed specifically for Franchisor to any person or entity which may be in competition with the Jiffy Lube System other than a Jiffy Lube franchisee or a Center operated by Franchisor or an affiliate of Franchisor.

20. Amendments. Oral agreements are not part of this POS License Agreement. No one is authorized to change, alter or amend the terms or conditions of this POS License Agreement unless agreed to in writing by an officer of Franchisor and Franchisee.

21. Transfer. Franchisee may not transfer this POS License Agreement or Franchisee's rights under this POS License Agreement except in conjunction with a transfer permitted by the Agreement.

22. Conflicts. Should any conflicts occur between this POS License Agreement and the Franchise Agreement, the terms and conditions of this POS License Agreement shall control.

23. Default.

23.1 Franchisor's Right to Terminate Without an Opportunity to Cure. If Franchisee defaults on the restrictions described in Sections 5 or 14 of this POS License Agreement, Franchisor may terminate this POS License Agreement without notice to Franchisee and without an opportunity to cure.

23.2 Default under Franchise Agreement. If either party defaults under any of its obligations under this POS License Agreement except a default covered by Section 24.1, the breaching party shall have thirty (30) days in which to reasonably cure such default after the non-breaching party's notice to the breaching party or if such default is of a nature that it cannot reasonably be completely cured in thirty (30) days, the breaching party must begin and diligently pursue a cure within thirty (30) days after its receipt of a written notice of default from the non-breaching party, but may have a reasonable time within which to cure such default. If any default described in the notice of default given under this Section is not cured or a cure not begun and diligently pursued within the time provided in this Section, then the non-breaching party may terminate this POS License Agreement without further notice.

24. Bankruptcy Matters. In the event of the insolvency of, or the voluntary or involuntary filing of a petition in bankruptcy by or against Franchisor or its licensors of the POS Software, in order to preserve fully Franchisee's rights under Section 365(n) of the Bankruptcy Code of the United States (11 U.S.C. Section 365 (n)) (the "Bankruptcy Code"), the following provisions shall apply:

24.1 The parties agree that it is their intent: (i) to obtain for Franchisee the broadest possible interpretation of the protection afforded licensees under the provisions of Section 365(n) of the Bankruptcy Code; and (ii) that Franchisee's business operations not be disrupted in any manner in the event that the intellectual property and any related property and services that are the subject of this Agreement are not available from Franchisor in the manner contemplated by this Agreement.

24.2 The parties further agree that to the extent that this Agreement is determined to be an executory contract under Section 365 of the Bankruptcy Code, it is an intellectual property license within the meaning of Section 365(n)(1) of the Bankruptcy Code.

24.3 If a bankruptcy proceeding is commenced and this Agreement is rejected by Franchisor, as appropriate, the trustee in bankruptcy, upon such rejection Franchisee shall have the right, at Franchisee's option, either to terminate this Agreement or to elect to retain its licensed rights to the POS Software under the terms of this Agreement.

25. Escrow.

25.1 Escrow Account: Franchisor shall at its expense establish an escrow account with an intellectual property escrow agent reasonably acceptable to TSAB (the "Escrow Agent") pursuant to an escrow agreement ("Escrow Agreement") for the safekeeping of the Source Code for all POS Software, including the source code for all updates and upgrades to the Software as such updates and upgrades are made available by Franchisor. Franchisor warrants and covenants that it will provide TSAB with the name and contact information of the Escrow Agent within ninety (90) days of the POS system becoming 98% available to the Franchisee. As used herein, "Source Code" shall include all or any portion of the source code relating to the POS Software or any other declarations, instructions, functions, loops or other statements controlling the function of such POS Software, in each case together

with all modifications, revisions, updates, and upgrades thereto. Franchisor shall execute documentation necessary to name TSAB, or if TSAB ceases to exist, JLAF, or if JLAF ceases to exist, “franchisees operating under an effective Jiffy Lube Franchise Agreement”, as a third party beneficiary of the Escrow Agreement (such party referred to herein as the “Current Escrow Beneficiary”) in the event that JLI ceases to serve as Franchisor and there is no successor to assume the position of the Franchisor. Upon execution of the Escrow Agreement, Franchisor shall provide the Current Escrow Beneficiary with a copy of the Escrow Agreement and the contact information for the Escrow Agent and shall notify Current Escrow Beneficiary immediately in writing of any changes to the Escrow Agreement or such contact information.

25.2 Escrow Event: The Escrow Agreement shall provide that the Escrow Agent will release the Source Code for the POS Software and other related documentation to Current Escrow Beneficiary in the event that JLI ceases to operate as Franchisor in the normal course of business and there is no successor to assume the role as the Jiffy Lube Franchisor.

25.3 License: In the event that the Escrow Agent releases the Source Code to the Current Escrow Beneficiary, Franchisor hereby grants the Current Escrow Beneficiary a source code license to use, copy, and modify the Source Code to the extent necessary to continue to use and maintain the POS Software as contemplated by this POS License Agreement and for no other purpose. Franchisor will promptly and continuously provide to the Escrow Agent any updates and upgrades, and all documentation related thereto which have been implemented for Franchisee’s version of the POS System. The Source Code will be in a form suitable for reproduction and use by computer and photocopy equipment and will consist of a full source language statement of the program or programs comprising the POS Software and complete program maintenance documentation that comprises the pre-coding detail design specifications, and all other material necessary to allow a reasonably skilled programmer or analyst to maintain the POS Software without the assistance of Franchisor or reference to any other materials.

26. Notices. Absent notice to the contrary in writing, any and all notices required to be given to Franchisor or Franchisee under this POS License Agreement will be sent by overnight courier or facsimile (with receipt of confirmed transmission) addressed to such part at the address set forth beneath the signature of that party’s representative below.

27. Governing Law and Venue. The parties agree to be bound by the provisions of the Agreement relating to governing law and dispute resolution with respect to the interpretation and enforcement of this POS License Agreement; provided, however, that the parties agree that the state or federal courts of the defendant’s principal place of business will have exclusive jurisdiction over the resolution of all disputes that arise under this POS License Agreement, and each party irrevocably submits to the personal jurisdiction of such courts. For illustration purposes only, if Franchisee initiates a claim against Franchisor under this POS License Agreement, Franchisee must initiate such claim in the state or federal courts of the county and state in which Franchisor has its principal place of business.

28. Miscellaneous.

28.1 Waiver and Estoppel. Any failure by Franchisor or Franchisee to promptly avail itself of any default of the other will not operate as an estoppel so as to prevent the non-

defaulting party from asserting the default at a subsequent time.

28.2 Parties Covered. The word “Franchisee” in this POS License Agreement also includes the equity holders, officers and directors of a corporate Franchisee, and all partners of a partnership Franchisee with respect to all provisions of this POS License Agreement relating to the use or restrictions on use of the POS Software.

28.3 Interpretations. The caption headings of this POS License Agreement are for convenience only and will in no way affect the manner in which any provision hereof is construed. Whenever the context requires, the singular will include the plural, the plural will include the singular and any gender will include all other genders.

ATTACHMENT D – TO POS ADDENDUM

JIFFY LUBE DATA DELIVERY SERVICE AGREEMENT

This Data Delivery Service Agreement (“DDS Agreement”) is entered into by and between Jiffy Lube International, Inc. (“JLI”) and Franchisee (also referred to herein as “Entity” or “Franchisee Entity”) as specifically identified in the POS Addendum (“Addendum”) to which this DDS Agreement is attached as Attachment D. This DDS Agreement becomes effective as of the date that the updated POS Software is installed in the Franchisee’s first Center as provided in the Addendum.

RECITALS

In POSnet, JLI had developed and supported a proprietary Data Delivery Service (“DDS”) consisting of a series of internal processes and software, which delivered Jiffy Lube Franchisee Entity specific data to the respective Entity for each of the Franchise Centers (“Center”) the Entity owns. With the new POS system, the same Entity specific data will be maintained in centrally hosted accessible databases, such that each Entity may connect when it desires to access or retrieve its data. Data will be available near real time, meaning shortly after it arrives into the corporate database from each Center.

Franchisee wishes to license from JLI the DDS upon the terms and conditions contained in this DDS Agreement and JLI has consented to license to Franchisee its DDS upon the terms and conditions contained in this DDS Agreement.

TERMS AND CONDITIONS

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

1. License. During the term of this DDS Agreement, JLI hereby grants to Franchisee a non-exclusive, non-transferable license to use DDS solely for use with business attributable to Jiffy Lube® branded automotive lubrication and preventive maintenance centers licensed to Franchisee pursuant to Franchise Agreements entered into between JLI and Franchisee.
2. Operating Environment. Franchisee understands and agrees that it must establish and maintain, at its own expense, an operating environment suitable for accessing and processing DDS data. Franchisee is responsible for ongoing maintenance of the environment. JLI assumes no responsibility in supporting any DDS environments or processes beyond the corporate source DDS database for each subscribing Entity.
3. Establishment of DDS. JLI requires thirty days advance notice (as established by receipt of this signed Agreement from Franchisee) to provision DDS for a Franchisee Entity and provide access credentials.
4. Fees. The monthly fee for DDS per entity group, not entity, is based on the number of stores, \$200 for 1 to 25 stores, \$400 for 26 to 99 stores, or \$850 for > 99 stores. The monthly fee will be billed to Franchisee Entity via its regular monthly statement from JLI. The monthly fees described here shall not go into effect until 90% of a Franchisee’s centers

have been converted to the new POS system, at which time it will supersede the former fees. The fee structure will be reviewed annually and is subject to change upon not less than 30 days prior written notice with approval by the TSAB.

All costs associated with establishing and maintaining the specified environment will be at the expense of the Franchisee Entity.

5. Use of Service Provider. Franchisee Entity may request in writing that a third party service (“Service Provider”) to receive data on its behalf. No arrangement will be made directly with a Service Provider without Franchisee’s specific written request. JLI reserves the right to decline to utilize any Service Provider requested by Franchisee Entity for any reason. If JLI grants Franchisee Entity’s request to use a Service Provider, Franchisee Entity understands that such Service Provider will be subject to JLI review and audit procedures. Franchisee Entity further understands that it shall be responsible for ensuring Service Provider’s compliance with the terms and conditions of this DDS Agreement, including, without limitation, the provisions of Paragraph 807 (Confidentiality). Franchisee Entity shall remain solely responsible for fulfilling the provisions of Paragraph 04 (Fees).

The Service Provider may be subject to a separate fee structure as established between the Service Provider and JLI. JLI reserves the right to revoke use of any Service Provider by Franchisee Entity for any reason upon not less than 90 days prior written notice or without notice for cause.

6. Restrictions. DDS data should be accessed from a single location per Franchisee Entity. That is, a Franchisee or its nominated Service Provider should access data, not both. This restriction is inclusive of ad-hoc requests regardless of the requestor. The DDS service shall be used exclusively for a Franchisee Entity or its nominated service provider to access or retrieve Franchisee’s Jiffy Lube® store-generated data. Any other use of DDS in its entirety or any component thereof is strictly prohibited by Franchisee Entity or its designated Service Provider.

Neither Franchisee Entity nor designated Service Provider may alter any component of the DDS service without express written consent of JLI. Components include, but are not limited to, tables, views, indices, stored procedures, or other tools or applications loaded for explicit purpose of enabling the DDS service. Franchisee Entity acknowledges that any change to any component of DDS could disrupt operation of the DDS service and cease the flow of data to the designated location. In such an event, JLI will not guarantee when service could be restored.

JLI is not obligated to provide support for any processes utilizing the data delivered by DDS. Any downstream process or query built on the database is the sole responsibility of Franchisee Entity or its approved Service Provider.

Franchisee Entity or its approved Service Provider is responsible for establishing and following their own data back up and retention policy, including executing any data archival or purge for data delivered via DDS over time. JLI will keep data for the last 12 full months plus the current month for a Franchisee Entity’s Centers in the Franchisee Entity’s DDS database. Data older than that will be purged from the Franchisee Entity’s

DDS database and it will be the responsibility of the Franchisee Entity to maintain and save it locally if the Franchisee Entity wishes to keep the data for a longer period.

7. Technical Requirements. DDS subscribing entities must have a terrestrial broadband connection with a minimum bandwidth speed of 5mb for uploads and 10mb for downloads, with recommended 100mb download and 20mb upload. DDS subscribing entities must also use a VPN router initially designated by JLI or any new router designated by JLI and approved by the TSAB, to establish a constant hardware VPN tunnel from the Franchisee Entity's back office site to the cloud site where their DDS data resides. One VPN router will be provided per each DDS subscription for use by subscribing Franchisee or his designee. Each Franchisee Entity will be necessary for VPN connection instructions and account credentials to use with the established hardware VPN tunnel to access the Franchisee Entity's DDS data. JLI reserves the rights to add, modify, change or delete any of its technical requirements upon not less than 60 days prior written notice, after consulting or seeking approval from the TSAB as specified in the TSAB Operating Guidelines.

8. Confidentiality. Franchisee Entity acknowledges that by reason of the disclosure to Franchisee Entity of details concerning DDS, Franchisee Entity is in a position of special trust and confidence with respect to JLI. Franchisee Entity acknowledges that the value of DDS could be substantially impaired if wrongfully disclosed to third parties. Franchisee Entity shall use all reasonable efforts to ensure that DDS (including any individual components and associated documentation), and any portion thereof, on magnetic tape or disk or in any other form, is not disclosed or made available to any other third party except as expressly provided in this DDS Agreement.

Franchisee Entity shall not use, in any manner, DDS other than as expressly authorized in this DDS Agreement and shall take every reasonable precaution to protect the confidentiality of the same.

On expiration or termination of this DDS Agreement for any reason, Franchisee Entity shall promptly return all copies of DDS and cause its approved Service Provider to do the same.

Franchisee Entity agrees to never attempt to access any data other than its own, and agrees to report any suspected improper attempts to access its own data.

9. No Warranties.
 - a. JLI does not warrant that the operation of DDS will be uninterrupted or error-free. Franchisee Entity's sole and exclusive remedy for failure of DDS to conform in all material ways with this DDS Agreement is limited to return DDS to JLI and notify JLI in writing of such nonconformity.
 - b. JLI shall not be responsible for any damage an unauthorized code may do to DDS or the hardware.
 - c. **JLI DISCLAIMS ALL EXPRESS OR IMPLIED WARRANTIES WITH RESPECT TO DDS, INCLUDING WITHOUT LIMITATION ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT OR ANY**

WARRANTY OF CONFORMITY TO MODELS, SAMPLES OR PROTOTYPES. JLI ALSO DISCLAIMS ANY AND ALL WARRANTIES OF OR REPRESENTATIONS CONCERNING DDS MADE BY PERSONS OTHER THAN JLI OR ITS AUTHORIZED REPRESENTATIVES.

IN NO EVENT WILL JLI BE LIABLE TO FRANCHISEE ENTITY OR ITS SERVICE PROVIDER FOR ANY SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES INCLUDING LOSS OF PROFITS, LOSS OF REVENUE OR SAVINGS, BUSINESS INTERRUPTIONS, DATA LOSS, LOSS OF BUSINESS OPPORTUNITY OR GOODWILL) IN ANY WAY ARISING OUT OF OR RELATING TO DDS EVEN IF THE LOSS WAS REASONABLY FORESEEABLE.

10. Term. Unless sooner terminated as provided in this DDS Agreement, this DDS Agreement is for a term of one year and shall thereafter automatically renew for additional one year periods.
11. Termination. This DDS Agreement may be terminated as follows:
 - a. By either party upon not less than 60 days prior written notice; or
 - b. By JLI upon 30 days prior written notice if Franchisee Entity fails to remit the fees specified herein on or before their due date;
 - c. By JLI immediately if Franchisee Entity or its approved Service Provider breach any provision of this Agreement other than as set forth in Paragraph 04 (concerning fees)
12. Severability. If any term or provision in this DDS Agreement or its application to any person or circumstance is invalid, illegal, or unenforceable to any extent, the remainder of this DDS Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated herein is not affected in any manner adverse to either party. If any term or provision is determined to be invalid, illegal or incapable of being enforced, the parties shall negotiate in good faith to modify this DDS Agreement in order to affect the original intent of the parties as closely as possible in an acceptable manner.
13. No Waiver. The failure of any of the parties to enforce any of the provisions of this DDS Agreement at any time shall not be construed to be a continuing waiver of such provision unless specifically and expressly so notified by such party in writing which writing expressly states it is a waiver. No waiver of any breach of this DDS Agreement shall be held to be a waiver of any other breach.
14. No Partnership. Nothing in this DDS Agreement shall be deemed to constitute a partnership between the parties nor constitute any party the agent of any other party for any purpose. No party is granted and no party shall exercise any perceived right or authority to assume or create any obligation or responsibility, including without limitation, contractual obligations and obligations based on warranties or guarantees on behalf of or in the name of any other party.

15. Notices. Notices, demands or other communications required or permitted to be given or made hereunder shall be in writing and delivered personally or sent by fax, addressed to the intended recipient at its address set out below each parties respective signature to this agreement or to such other address or fax number as such party may from time to time duly notify to the others of a different address. Any such notice, demand or communication shall, unless the contrary is proved, be deemed to have been duly served:
 - a. If given or made by fax upon receipt by the sender of the recipient party's answer back code at the end of transmission; or
 - b. If sent by hand, when delivered at the address of the intended recipient.
16. No Third Party Beneficiaries. This DDS Agreement is not intended to confer any benefits upon, or create any rights in favor of, any person or entity other than the parties hereto.
17. No Assignment. Franchisee Entity may not assign this DDS Agreement or any of its rights and obligations under this DDS Agreement.
18. Headings. Any headings used herein are for convenience in reference only and are not a part of this DDS Agreement, nor shall they in any way affect the interpretation hereof.
19. Rules of Construction. The rules of construction that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this DDS Agreement or any amendments, exhibits, or schedules to this DDS Agreement.
20. Entire Agreement. This DDS Agreement constitutes the complete and only agreement among the parties on the subject matter of this DDS Agreement and replaces all previous oral or written agreements, contracts, understandings and communications of the parties in respect of the subject matter of this DDS Agreement. This DDS Agreement may only be amended in a writing duly signed by authorized representatives of both parties.
21. Governing Law. This DDS Agreement shall be governed by the laws of the State of Texas, without reference to its conflict of laws provisions.

**NEW CONSTRUCTION ADDENDUM
To The Jiffy Lube International, Inc.
Franchise Agreement**

For New Construction Of A Jiffy Lube® Franchised Service Center

The following additional provisions are hereby added to the Franchise Agreement dated _____, between Jiffy Lube International, Inc. (“Franchisor”) and _____ (“Franchisee”).

1. Area.

1.1 Description of the Area.

Franchisor grants Franchisee a right to locate, acquire, open and operate one Service Center in the area described below (the “Area”).

After a specific site for the Franchised Center has been identified by Franchisee and approved by Franchisor pursuant to Section 2 of this Addendum, the street address of that site will be identified in a Location Rider to this Addendum.

1.2 Exclusivity

Franchisee’s right to locate, acquire, open and operate a Service Center in the Area will be exclusive until the earlier of:

(a) The date on which a specific site for the Franchised Center identified by Franchisee is approved by Franchisor pursuant to Franchisor’s execution of the Location Rider to this Addendum pursuant to Section 2.1(a) or Section 2.1(b) of this Addendum; or

(b) The expiration of the time provided in Section 2.2 of this Addendum within which Franchisee may locate a specific site for the Franchised Center and secure Franchisor’s approval of that location by Franchisor’s execution of the Location Rider to this Addendum pursuant to Section 2.2 of this Addendum.

After the expiration of the period described in this Section 1.2, the definition of the Area will have no further relevance to this Addendum and, except as provided in Section 3.4 of this Agreement, Franchisee will have no exclusive right to operate a Service Center in the Area. The Area is defined in this Addendum only for the purpose of identifying an area in which Franchisee has a right to locate the Franchised Center and not as an attempt to define any particular trading area or customer base. This Addendum does not give Franchisee any

territorial rights outside of the Area.

Franchisee acknowledges that Franchisor has made no representation that Franchisee will be able to locate a suitable site within the Area, or that, if a site is found, Franchisee will be able to obtain all necessary governmental consents to enable it to develop a Service Center at that site.

2. Location of the Service Center

2.1 (a) When Franchisor owns or leases the site:

If Franchisor or one of its affiliates owns, or is the prime lessee of, the site of the Franchised Center, then Franchisee will enter into a lease or sublease of such premises with Franchisor or its affiliate (as the case may be), and the Location Rider to this Addendum identifying the specific site of the Franchised Center will be executed contemporaneously with this Addendum.

(b) When Franchisee owns or leases the site:

- (i) New Franchisees (herein defined) are required to contract with Baum Realty Group (“Baum”) for site analysis services in advance of submitting a location owned or leased by the New Franchisee to Franchisor for approval. Existing Franchisees (herein defined) who already own or lease a proposed site may choose to contract with Baum for site analysis services, but are not required to do so. Franchisee will comply with all obligations owed to Baum under the agreement entered into between Franchisee and Baum; Franchisee’s failure to enter into an agreement with Baum if required or comply with its obligations to Baum under the agreement between Franchisee and Baum will constitute a default under the Franchise Agreement for which a notice of default may be given under Section 13.3.1 of the Franchise Agreement. Franchisees hiring Baum who already own or lease a proposed location will pay Baum a site analysis fee of \$2,500 upon contracting with Baum. As used herein, the term “New Franchisees” means franchisees new to the Jiffy Lube system as of April 30, 2011 or thereafter. As used herein, the term “Existing Franchisees” means franchisees who have already executed one or more franchise agreements with Franchisor in advance of April 30, 2011.
- (ii) If JLI approves a location owned or leased by Franchisee as the site of the Franchised Center then Franchisor will execute the Location Rider to this Addendum.

2.2 When neither Franchisor nor Franchisee owns or leases the site; site identification:

If neither Franchisor nor any Franchisee owns, or is the prime lessee of, the site of the

Franchised Center or the improvements located at the Franchised Center, then:

2.2.1 New Franchisees who do not already own or lease their proposed location are required to contract with Baum for real estate management services, including site analysis services, in advance of submitting a location to JLI for approval. Existing Franchisees (herein defined) who do not already own or lease their proposed location may choose to contract with Baum for real estate management services, including site analysis services, but are not required to do so. Franchisee will comply with all obligations owed to Baum under the agreement entered into between Franchisee and Baum; Franchisee's failure to enter into an agreement with Baum if required or comply with its obligations to Baum under its the agreement between Franchisee and Baum will constitute a default under the Franchise Agreement for which a notice of default may be given under Section 13.3.1 of the Franchise Agreement. Franchisees hiring Baum for real estate management services, including site analysis services will pay Baum a real estate management services fee of \$8,500 upon contracting with Baum.

2.2.2 Franchisee agrees to identify a specific site in the Area at which the Franchised Center can be located. Within 90 days of the date of the Franchise Agreement, Franchisee will submit to Franchisor (a) a site acceptance package ("SAP") in a form prescribed by Franchisor, identifying the site proposed for the Franchised Center and describing relevant demographic and cost factors concerning the site and (b) a copy of the contract to purchase or lease the site which may be contingent on (i) Franchisor's approval of the site, (ii) Franchisee's obtaining all required zoning and/or building permits (iii) obtaining necessary financing and/or (iv) negotiation of and agreement upon the terms of such contract to purchase or lease the site.

2.2.3 Within approximately 30 days of Franchisor's receipt of all of the information required in Section 2.2.1 of this Addendum, together with any other information reasonably required by Franchisor, Franchisor will determine whether to approve the site for development as the Franchised Center and will notify Franchisee of its determination.

2.2.4 If Franchisor notifies Franchisee of its determination not to approve a site, or if Franchisor approves a site, but a permitted contingency fails, then Franchisee will have the greater of (a) 30 days from the date of Franchisee's receipt of notice of an adverse determination by Franchisor or of the failure of a permitted contingency or (b) the expiration of 120 days from the date the Franchise Agreement is executed, within which to provide a SAP concerning another site together with a copy of the contract to purchase or lease the site which, again, may be contingent on Franchisor's approval of the site or on Franchisee's obtaining all required zoning or building permits and necessary financing, but will be subject to no other conditions. Within approximately 30 days of Franchisor's receipt of the SAP for the second site, together with any other information reasonably required by Franchisor, Franchisor will determine whether to approve that site for development as the Franchised Center and will notify Franchisee of its determination. If the second site is not approved or if a permitted contingency with regard to the second site fails, and if no more than 150 days have elapsed since the date of this Agreement, Franchisee may submit a third SAP and other relevant information, in the same manner and on the same terms as with regard to the second site; Franchisee may submit no more than three SAP's in total.

2.2.5 Franchisor may not unreasonably withhold its approval of any site in the Area which is presented by Franchisee, provided, however, that approval of a site may be withheld

based on demographic or other characteristics from which Franchisor reasonably concludes that a service center located at such a site is not likely to be successful, or based on Franchisor's sole determination that a Service Center at such a site might unreasonably adversely impact a Service Center existing or planned at the time the approval is sought (this provision is not intended to, and does not, give any rights to any person other than Franchisor, and does not give Franchisee any rights with regard to the area surrounding the Franchised Center in addition to those rights granted in Sections 1.2 and 1.5 of the Franchise Agreement).

2.3 *When neither Franchisor nor Franchisee owns or leases the site; site acquisition:*

Franchisee will acquire a lease or fee interest in the approved site and provide Franchisor with a copy of the lease or purchase contract within 30 days after the later of (a) Franchisee's receipt of notice of Franchisor's approval of a site submitted to Franchisor pursuant to Section 2.2 of this Addendum, or (b) satisfaction of all permitted contingencies in Franchisee's contract to purchase or lease such site.

2.3.1 If Franchisee owns or has acquired a fee interest in a site, then within 30 days of the later of (a) such acquisition or (b) execution of the Franchise Agreement, Franchisee will execute an option agreement giving Franchisor the right, but not an obligation, to purchase or lease such site and improvements located at such site upon termination or expiration of the Franchise Agreement.

2.3.2 If Franchisee has acquired a lease interest in a site or improvements located at such site from a party other than Franchisor or one of its affiliates, then within 30 days of the later of (a) execution of such lease or (b) execution of this Agreement, Franchisee will execute, and will cause its lessor to execute, a contingent assignment and assumption agreement giving Franchisor the right, but not an obligation, to assume Franchisee's rights and obligations in connection with such lease upon termination or expiration of the Franchise Agreement.

2.4 *Extensions of time.*

The period of time in which Franchisee must perform any act required by this Section 2 may be extended if, in Franchisor's sole discretion, Franchisor determines that Franchisee has been acting in good faith and with reasonable diligence in attempting to perform the act required. Any such extension of time must be in writing and must be signed by an officer of Franchisor in order to be binding.

3. Building and Opening the Franchised Center

3.1 *Standard plans; appearance of the Franchised Center.*

Franchisor will provide standard plans and equipment specifications for the construction of a Service Center; however, before having the Franchised Center built, Franchisee will arrange for such building plans and equipment specifications to be modified by a person authorized to make such modifications under local ordinances or regulations in order to satisfy applicable building code requirements and/or other local requirements. Franchisee acknowledges that the design and appearance of the Franchised Center are part of the

System and that uniformity within the System is essential to the System's success. Therefore, Franchisee agrees that it will make no change to the exterior elevations or floor plan specified in Franchisor's standard building plans or designs without Franchisor's prior written consent.

3.2 *Permits.*

After site approval by Franchisor, Franchisee will diligently pursue all necessary zoning and/or building permits. Franchisee is responsible for securing all permits and other governmental approvals necessary for construction and operation of the Franchised Center. At Franchisor's request, Franchisee will give Franchisor a copy of the actual city-approved site plan showing easements, access and building position, a copy of the city-approved building plans and design, and a copy of any soils report prepared by or for Franchisee.

3.3 *Construction and opening.*

Franchisee will cause construction of the Franchised Center to begin within 30 days after Franchisee obtains all permits required to begin construction. During construction of the Franchised Center, Franchisee will install a free-standing sign designating the site to be the site of a Jiffy Lube service center in a form, size and style approved in writing by Franchisor. Construction will be sufficiently complete for a certificate of occupancy to be issued within four months of groundbreaking. In any event, Franchisee will open the Franchised Center within 12 months after the date of the Franchise Agreement.

3.4 *Effect of failure to locate an approved Service Center site.*

If the Franchise Agreement is terminated because of a failure to locate an approved site within the time provided by Section 2 of this Addendum, Franchisor may offer a franchise for the Area or any site within the Area (including sites which may have been under consideration by Franchisee) to any other franchisee, all without liability to Franchisee.

3.5 *Extensions of time.*

The period of time in which Franchisee must perform any act required by this Section 3 may be extended if, in Franchisor's sole discretion, reasonably applied, Franchisor determines that Franchisee has been acting in good faith and with reasonable diligence in attempting to perform the act required. Any such extension of time must be in writing and must be signed by a duly authorized representative of Franchisor in order to be binding.

4. Default

If Franchisee fails to (i) acquire a lease or fee interest in an approved site within the time set forth in this Addendum, or (ii) open the Franchised Center within the time provided by Section 3 of this Addendum or (iii) contract with Baum if required by the terms of this Addendum or comply with the terms of any agreement entered into between Franchisee and Baum, then

Franchisor may terminate the Franchise Agreement without affording Franchisee any opportunity to cure the default, and such termination shall be effective immediately upon Franchisee's receipt of notice of the default.

This provision supersedes any other term of any document executed in connection with the franchise. In the event of any conflict between the terms of this Amendment and the terms of the Franchise Agreement, the terms of this Amendment shall prevail.

9. Article 18 ACKNOWLEDGEMENTS of the Franchise Agreement is deleted in its entirety and replaced with the following:

MARYLAND AMENDMENT TO FRANCHISE AGREEMENT

For purposes of complying with the requirements of Maryland law, including the Maryland Franchise Registration and Disclosure Law, Md. Code Ann , Bus. Reg. §§ 14-201 through 14-233 (the “Maryland Franchise Act”), Jiffy Lube International, Inc. and _____ (“_____”), hereby amend the Franchise Agreement between them dated _____ (the “Agreement”) as follows:

1. Any provision requiring you to sign a general release of any and all claims against us as a condition of renewal, sale, and/or assignment/transfer shall not apply to claims arising under the Maryland Franchise Registration and Disclosure Law.

2. Any provision requiring you to bring an action against us in any state other than Maryland shall not apply to claims arising under the Maryland Franchise Registration and Disclosure Law. You may bring an action in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

3. All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel, or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

4. Notwithstanding anything to the contrary set forth in the Agreement, any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three (3) years after the grant of the franchise.

The Maryland Franchise Registration and Disclosure Law states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

MINNESOTA AMENDMENT TO FRANCHISE DISCLOSURE DOCUMENT
AND FRANCHISE AGREEMENT

For purposes of complying with the requirements of Minnesota law, including the Minnesota Franchise Act, Minn. Stat. §§ 80C.01 - 80C.22 (the “Act”) and the rules and regulations promulgated thereunder by the Minnesota Commissioner of Commerce (the “Rules”), Jiffy Lube International, Inc. and _____ (“_____”), hereby amend the Franchise Disclosure Document and Franchise Agreement between them dated _____ (the “Agreement”) as follows:

1. The Minnesota Department of Commerce requires that the Franchisor indemnify Minnesota Franchisees against liability to third parties resulting from claims by third parties that the Franchisee’s use of the Proprietary Marks infringes trademark rights of the third party. Franchisor does not indemnify against the consequences of Franchisee’s use of the Proprietary Marks except in accordance with the requirements of the Agreement, and, as a condition to indemnification, Franchisee must provide notice to Franchisor of any such claim within ten (10) days after the earlier of (i) actual notice of the claim or (ii) receipt of written notice of the claim, and must therein tender the defense of the claim to Franchisor. If Franchisor accepts the tender of defense, Franchisor has the right to manage the defense of the claim including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim. If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement shall be superseded by the Act’s requirements and shall have no force or effect.

2. Franchise Act, Sec. 80C.14, Subd. 4., requires, except in certain specified cases, that a Franchisee be given written notice of a Franchisor’s intention not to renew 180 days prior to expiration of the franchise and that the Franchisee be given sufficient opportunity to operate the franchise in order to enable the Franchisee the opportunity to recover the fair market value of the franchise as a going concern. If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement shall be superseded by the Act’s requirements and shall have no force or effect.

3. Franchise Act, Sec. 80C.14, Subd. 3., requires, except in certain specified cases, that a Franchisee be given 90 days notice of termination (with 60 days to cure). If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement shall be superseded by the Act’s requirements and shall have no force or effect.

4. If the Agreement and/or the Disclosure Document requires Franchisee to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Franchise Act, such release shall exclude claims arising under the Franchise Act, and such acknowledgments shall be void with respect to claims under the Act.

5. If the Agreement and/or the Disclosure Document requires that it be governed by a state’s law, other than the State of Minnesota, those provisions shall not in any way abrogate or reduce any rights of the Franchisee as provided for in the Franchise Act, including the right to submit matters to the jurisdiction of the courts of Minnesota.

6. If the Agreement and/or the Disclosure Document requires Franchisee to sue Franchisor outside the State of Minnesota, those provisions shall not in any way abrogate or reduce any rights of the Franchisee as provided for in the Franchise Act, including the right to submit matters to the jurisdiction of the courts of Minnesota. As such, the disclosure in risk factor 1 on the State Cover Page of the Disclosure Document that the Agreement requires Franchisee to sue outside the State of Minnesota is not applicable because of the Franchise Act.

7. Minn. Rule 2860.4400J. prohibits the Franchisor from requiring You to consent to liquidated damages and prohibits waiver of a jury trial. If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Minn. Rule, the provisions of the Agreement and/or the Disclosure Document shall be superseded by the Minn. Rule’s requirements and shall have no force or effect.

8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

9. Article 18 ACKNOWLEDGEMENTS of the Franchise Agreement is deleted in its entirety and replaced with the following:

BEFORE SIGNING THIS AGREEMENT, FRANCHISEE SHOULD READ IT CAREFULLY WITH THE ASSISTANCE OF LEGAL COUNSEL..

10. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of Minnesota law applicable to the provisions are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met.

11. All other provisions of the Agreement are hereby ratified and confirmed.

There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
3. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
5. Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.
6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.
7. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

OPTION AGREEMENT

Grantor: [Grantor's name]
[Grantor's primary business address]
[Grantor's primary business telephone number]

Grantee: Jiffy Lube International, Inc.
150 N. Dairy Ashford, Houston, TX 77079
713/546-4100

Property: [Street address, City, State, Zip if available]
See legal description in Exhibit A.

THIS OPTION AGREEMENT ("Agreement") is made as of _____, 20__, by and among the "Grantor" named above, the "Grantee" named above and the "Lender" identified below.

WITNESSETH:

FIRST, Grantor desires to operate a Jiffy Lube® service center under a franchise agreement (the "Franchise Agreement") with Grantee, at the "Property" described above and more particularly described in Exhibit A; and

SECOND, Grantor intends to secure financing of a loan in the amount of \$_____ from the Lender (the "Loan") by granting to the Lender a deed of trust or mortgage (a "Deed of Trust") of the Property; and

THIRD, as a condition to the grant of the Franchise Agreement to Grantor, Grantee requires that this option to purchase or to lease the Property be granted to the Grantee, according to the terms set forth below;

NOW, THEREFORE, for consideration (the receipt and sufficiency of which is acknowledged), the parties agree as follows:

1. GRANT OF OPTION

1.1 Grantor hereby grants to Grantee the following options: (a) the exclusive and irrevocable option to purchase the Property, together with fixtures, furnishings, equipment, tools and inventory theretofore used at the property in connection with its operation as a Jiffy Lube service center (the "Purchase Option") for its then-current fair market value (the "Purchase Price") as determined by an average of three appraisals prepared by one appraiser selected and paid by Grantee, one selected and paid by the Grantor and one, the cost of which shall be shared equally by the Grantor and the Grantee, selected by the other two appraisers, and (b) the exclusive and irrevocable option to lease the Property and to purchase the fixtures, furnishings, equipment, tools and inventory theretofore used at the property in connection with its operation as a Jiffy Lube service center from Grantor for the then-current fair market rental value as determined by the same appraisal process described in clause (a) of this section 1.1 (the "Lease Option"). (In this Agreement, the Purchase Option and the Lease Option are sometimes called the "Options").

1.2 The Options shall expire if Grantee does not notify Grantor of its wish to exercise the Options within 90 days from the date on which the Franchise Agreement (or any replacement of the Franchise Agreement) expires without renewal or is otherwise terminated. Following expiration of this option, upon demand by Grantor, Grantee shall execute and deliver to Grantor a written release of this Agreement.

1.3 Grantee may exercise either Option upon the occurrence of any one of the following events and after the expiration of applicable cure periods, if any:

- (a) Expiration of the Franchise Agreement between Grantee and Grantor.

(b) Termination of the Franchise Agreement between Grantee and Grantor due to Grantor's default.

(c) Default by Grantor under the terms of any note evidencing the Loan and/or the Deed of Trust.

[(d) Default by Grantor under the terms of a certain area development agreement ("Area Development Agreement") between Grantee and Grantor dated _____, excluding a default in the nature of a failure to develop a required number of service centers.]

[(e) Default by Grantor under the terms of a certain Lease concerning the Property, made between _____ and _____ and dated _____.]

2. EXERCISE OF OPTION

The Options may be exercised by written notice to Grantor delivered to Grantor within 90 days of any of the events described in section 1 of this Agreement and in accordance with the requirements for notices set forth in section 8 of this Agreement. Such notice shall specify a place and date within sixty (60) days from the date such notice is mailed, for the closing ("Closing") of the purchase of the Property or the lease of the Property, whichever the case may be.

3. PURCHASE PRICE

If the Purchase Option is exercised, the Purchase Price for the Property shall be paid in cash by wire transfer or by a bank check. If the Lease Option is exercised, the parties acknowledge that a Purchase Price is inapplicable and Grantee's obligations will be as set forth in the lease document described in section 4 of this Agreement.

4. TRANSFER DOCUMENTS

If Grantee exercises the Purchase Option, the sale of the Property will be effected by the delivery by Grantor to Grantee of (a) a duly executed bill of sale identifying the Jiffy Lube Service Center and other personal property being sold to Grantee and (b) a duly executed deed (the "Deed") conveying good and merchantable title to the Property to Grantee, free and clear of all liens, encumbrances and defects other than the Loan and Deed of Trust, and containing such warranties as are customary in the state in which the Property is located (in addition to those representations and warranties set forth in section 5 of this Agreement). If Grantee exercises the Lease Option, the lease of the Property will be effected by delivery by Grantor to Grantee of a duly executed lease agreement substantially in the form attached to this Agreement as Exhibit B (the "Lease"), with a fair market rental value as determined in accordance with Paragraph 1.

5. REPRESENTATIONS AND WARRANTIES

At Closing, Grantor shall represent and warrant the following, which representations and warranties shall survive for one year after Closing, or if Grantor cannot so represent and warrant, Grantor shall provide notice of the same to Grantee and Grantee may terminate its exercise of the Options:

(a) Title to the Property is good and merchantable in fee simple and the Property and personal property being sold to Grantee is free and clear of all liens, leases, encumbrances and other matters, except those items waived by Grantee.

(b) Grantor has the right, power and authority to convey its interest in the Property in accordance with the terms and conditions of this Agreement.

(c) Grantor has neither received notice nor is aware of any condition which is, or with the passage of time will be, a violation of: (i) any law, ordinance, resolution, statute, rule or regulation of, or special assessment imposed by any governmental agency or any quasi-governmental agency with respect to the Property or any part thereof; (ii) any right-of-way, easement or other encumbrance affecting the Property, either as the servient or dominant estate; or (iii) any covenant, restriction or condition imposed upon the Property or any part thereof by any instrument in the chain of title to the Property, or otherwise affecting the title to the Property.

(d) Grantor has no knowledge of any condemnation or eminent domain proceedings pending or contemplated against the Property or any part of or interest in the Property, and has received no notice, oral or

written of the desire of any public authority or other entity to take or use the Property or any part of or interest in the Property.

(e) Grantor is not a party to, and has no knowledge of, any pending or threatened litigation affecting the Property or any part of or interest in the Property, or affecting Grantor's right to sell or lease the Property. Grantor shall give Grantee prompt notice of any such litigation of which Grantor becomes aware before Closing.

(f) Neither the execution of the Deed, a bill of sale or the Lease, or the consummation of the transaction contemplated by such documents will: (i) conflict with, or result in a breach of, the terms, conditions or provisions of, or constitute a default under, any agreement or instrument to which Grantor is a party; (ii) violate any restrictions to which Grantor is subject; or (iii) constitute a violation of any applicable code, resolution, law, statute, regulation, ordinance, rule, judgment, decree or order.

(g) Other than this Agreement, there are no leases, tenancies or occupancy agreements affecting the Property or any part of the Property and, apart from the Grantor, there are no parties in possession or entitled to possession of any portion of the Property as lessees or tenants at sufferance.

(h) Grantor has no knowledge of any unrecorded rights-of-way, easements, restrictions, liens or encumbrances affecting the Property or any part of the Property.

(i) The Property is free of hazardous or toxic wastes, substances, or materials, contaminants, pesticides, or radioactive or other materials (except those substances or materials contemplated by the License Agreement), the removal of which is required or the maintenance of which is prohibited, penalized, or regulated by any local, state or federal agency, authority or governmental unit. To the best of Grantor's knowledge, the Property does not contain any asbestos, nor has there been any significant spill or leakage of any petroleum-based substance such as gasoline or oil on the Property.

(j) Grantee may elect to cure any violation of the representations and warranties set forth in this section 5, and may deduct the cost of such cure from the Purchase Price or offset such cost against rent due under the Lease.

6. RECORDING

This Agreement (without its Exhibit B) is intended to be recorded among the land records of the jurisdiction in which the Property is located and the covenants and conditions herein shall run with the land.

7. LOAN DEFAULT

7.1 Lender will (a) send Grantee notice of any default by the Grantor in connection with the Loan or Deed of Trust at the same time and in the same manner as any such notice to Grantor; (b) send written notice to Grantee of Grantor's failure to cure such default during any applicable cure period and stating the amount necessary to pay all amounts due from Grantor to Lender in connection with the Loan (including any prepayment premium, interest or other charges) as of a date 30 days from the date of such notice; and (c) afford Grantee 30 days after the sending of the notice set forth in clause (b) of this section 7 to repay the Loan and cause Lender to release the Deed of Trust by paying the amount described in such notice. Nothing in this Agreement requires Grantee to cure any default under the Loan or Deed of Trust. If Grantee repays the Loan as provided in this section 7, Grantor shall promptly reimburse Grantee for the costs and expenses incurred by Grantee together with interest thereon at the rate of 2% per month or the highest rate allowed by law. If Grantor fails so to reimburse Grantee, Grantee may deduct the amount paid to Lender from the Purchase Price to be paid at Closing or offset against rent due under the Lease.

7.2 Grantor may not grant any deed of trust other than the Deed of Trust or otherwise encumber the Property without Grantee's consent.

8. MISCELLANEOUS

8.1 *Invalid Provisions.* If any provision of this Agreement is deemed or held to be illegal, invalid or unenforceable, such provision (an "unenforceable provision") shall be fully severable; this Agreement shall be construed and enforced as if such unenforceable provision had never been a part of it, and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the unenforceable provision or by

its severance from this Agreement. In addition, this Agreement shall be deemed to be amended by inserting in the place of any unenforceable provision a provision as similar in terms to the unenforceable provision as possible while being legal, valid and enforceable.

8.2 *Further Assurances.* From time to time after Grantee's exercise, if any, of either of the Options, at Grantee's request Grantor shall execute and deliver all such other instruments of conveyance, assignment, transfer and deliver and take all such other action as Grantee may reasonably request in order to more effectively transfer, convey and assign the Property to Grantee. Until Grantee exercises either of the Options, at Grantor's request, Grantee shall from time to time provide estoppel certificates stating that Grantee has not exercised either of the Options. All charges incident to the conveyance, transfer and sale of the Property to Grantee shall be paid by Grantee and the Grantor in accordance with the custom prevailing in the locality where the Property is located. Each party shall pay its own legal expenses.

8.3 *Assignment.* This Agreement shall be binding upon and inure to the benefit of the parties and their respective heirs, legal representatives and successors. Upon any conveyance of the Property, Grantor shall promptly provide Grantee with a copy of the deed or other document evidencing the conveyance.

THIS OPTION AGREEMENT ("Agreement") is made as of _____, 20__, by and between the "Grantor" named above, the "Grantee" named above.

WITNESSETH:

FIRST, Grantor desires to operate a Jiffy Lube® service center under a franchise agreement (the "Franchise Agreement") with Grantee, at the "Property" described above and more particularly described in Exhibit A; and

SECOND, as a condition to the grant of the Franchise Agreement to Grantor, Grantee requires that this option to purchase or to lease the Property be granted to its subsidiary, the Grantee, according to the terms set forth below;

NOW, THEREFORE, for consideration (the receipt and sufficiency of which is acknowledged), the parties agree as follows:

1. GRANT OF OPTION

1.1 Grantor hereby grants to Grantee the following options: (a) the exclusive and irrevocable option to purchase the Property, together with fixtures, furnishings, equipment, tools and inventory theretofore used at the property in connection with its operation as a Jiffy Lube service center (the "Purchase Option") for its then-current fair market value (the "Purchase Price") as determined by an average of three appraisals prepared by one appraiser selected and paid by Grantee, one selected and paid by the Grantor and one, the cost of which shall be shared equally by the Grantor and the Grantee, selected by the other two appraisers, and (b) the exclusive and irrevocable option to lease the Property and to purchase the fixtures, furnishings, equipment, tools and inventory theretofore used at the property in connection with its operation as a Jiffy Lube service center from Grantor for the then-current fair market rental value as determined by the same appraisal process described in clause (a) of this section 1.1 (the "Lease Option"). (In this Agreement, the Purchase Option and the Lease Option are sometimes called the "Options").

1.2 The Options shall expire if Grantee does not notify Grantor of its wish to exercise the Options within 90 days from the date on which the Franchise Agreement (or any replacement of the Franchise Agreement) expires without renewal or is otherwise terminated. Following expiration of this option, upon demand by Grantor, Grantee shall execute and deliver to Grantor a written release of this Agreement.

1.3 Grantee may exercise either Option upon the occurrence of any one of the following events and after the expiration of applicable cure periods, if any:

- (a) Expiration of the Franchise Agreement between Grantee and Grantor.
- (b) Termination of the Franchise Agreement between Grantee and Grantor due to Grantor's default.
- (c) Discontinuation by the Grantor of operation of a Jiffy Lube service center on the Property, whether voluntarily or involuntarily.

[(d) Default by Grantor under the terms of a certain area development agreement ("Area Development Agreement") between Grantee and Grantor dated _____, excluding a default in the nature of a failure to develop a required number of service centers.]

[(e) Default by Grantor under the terms of a certain Lease concerning the Property, made between _____ and _____ and dated _____.]

2. EXERCISE OF OPTION

The Options may be exercised by written notice to Grantor delivered to Grantor within 90 days of any of the events described in section 1 of this Agreement and in accordance with the requirements for notices set forth in section 8 of this Agreement. Such notice shall specify a place and date within sixty (60) days from the date such notice is mailed, for the closing ("Closing") of the purchase of the Property or the lease of the Property, whichever the case may be.

3. PURCHASE PRICE

If the Purchase Option is exercised, the Purchase Price for the Property shall be paid in cash by wire transfer or by a bank check. If the Lease Option is exercised, the parties acknowledge that a Purchase Price is inapplicable and Grantee's obligations will be as set forth in the lease document described in section 4 of this Agreement.

4. TRANSFER DOCUMENTS

If Grantee exercises the Purchase Option, the sale of the Property will be effected by the delivery by Grantor to Grantee of (a) a duly executed bill of sale identifying the Jiffy Lube Service Center and other personal property being sold to Grantee and (b) a duly executed deed (the "Deed") conveying good and merchantable title to the Property to Grantee, free and clear of all liens, encumbrances and defects other than the Loan and Deed of Trust, and containing such warranties as are customary in the state in which the Property is located (in addition to those representations and warranties set forth in section 5 of this Agreement). If Grantee exercises the Lease Option, the lease of the Property will be effected by delivery by Grantor to Grantee of a duly executed lease agreement substantially in the form attached to this Agreement as Exhibit B (the "Lease"), with a fair market rental value as determined in accordance with Paragraph 1.

(a) Title to the Property is good and merchantable in fee simple and the Property and personal property being sold to Grantee is free and clear of all liens, leases, encumbrances and other matters, except those items waived by Grantee.

(b) Grantor has the right, power and authority to convey its interest in the Property in accordance with the terms and conditions of this Agreement.

Property. Grantor shall give Grantee prompt notice of any such litigation of which Grantor becomes aware before Closing.

(j) Grantee may elect to cure any violation of the representations and warranties set forth in this section 5, and may deduct the cost of such cure from the Purchase Price or offset such cost against rent due under the Lease.

6. **RECORDING**

This Agreement (without its Exhibit B) is intended to be recorded among the land records of the jurisdiction in which the Property is located and the covenants and conditions herein shall run with the land.

7. **MISCELLANEOUS**

7.1 *Invalid Provisions.* If any provision of this Agreement is deemed or held to be illegal, invalid or unenforceable, such provision (an "unenforceable provision") shall be fully severable; this Agreement shall be construed and enforced as if such unenforceable provision had never been a part of it, and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the unenforceable provision or by its severance from this Agreement. THIS CONTINGENT ASSIGNMENT AND ASSUMPTION AGREEMENT ("Agreement") is made as of _____, 20__ by and between _____, a _____ corporation ("Assignor"), **Jiffy Lube International, Inc.**, a Delaware corporation ("Assignee") and _____, a _____ corporation ("Lessor").

FIRST, Assignor is a tenant of certain property generally known by the address set forth above, pursuant to a Lease/Sublease/Assignment of Lease dated _____, by and between Lessor and Assignor (the "Lease").

SECOND, Assignor has a franchise to operate a Jiffy Lube® service center on the leased property pursuant to a Franchise Agreement (the "Franchise Agreement") dated _____ by and between Assignor and Assignee.

NOW, THEREFORE, for consideration, the receipt and sufficiency of which is acknowledged, the parties agree as follows:

WITNESSETH

1. ASSIGNMENT

1.1 Assignor shall, and does hereby, assign its rights and delegate its duties under the Lease to Assignee according to the terms and conditions set forth in this Agreement, including Assignee's election and at its absolute and sole discretion, upon the happening of any of the following events:

(a) Default by Assignor under the terms of the Lease, which default is not cured by Assignor within the time provided in the Lease.

(b) Assignee cures any default by Assignor under the terms of any then existing lease or sublease, between Assignor and Lessor, of property used to operate an automotive quick lubrication center,

(c) Expiration of the Franchise Agreement; or

(d) Termination of the Franchise Agreement due to Assignor's default under the terms of the Lease; or

(e) Voluntary institution of any insolvency or bankruptcy proceedings as a debtor or insolvent on the part of Assignor or involuntary insolvency or bankruptcy proceedings brought against Assignor which are not dismissed within 60 days of their being filed.

1.2 This assignment shall only be effective as of the date (the "Effective Date") on which Lessor receives written notice from Assignee, which Assignee may send in its sole and absolute discretion, that:

(a) Assignee will cure all previously noticed defaults of Assignor under the Lease and that Assignee will, and does by such notice, assume all of the Assignor's rights and obligations under the Lease, or

(b) An event described in section 1.1 of this Agreement has occurred and that Assignee will, and does by such notice, assume all of the Assignor's rights and obligations under the Lease.

2. ASSIGNOR'S DEFAULT UNDER THE LEASE

Lessor agrees that during the term of the Lease, it shall give Assignee written notice of all defaults of Assignor. After Assignee's receipt of the written notice, Lessor further agrees to give Assignee ten (10) days, or the

period provided to the Assignor in the Lease (whichever is longer) ("Assignee's Cure Period") within which to cure such a default. Prior to taking any action to terminate the Lease, Lessor agrees that Assignee shall have the right, in its absolute and sole discretion to cure the default under the Lease within an extended notice period of thirty (30) days after receipt of the written notice from the Lessor to the Assignee that the Assignor has failed to cure a default. Notwithstanding the foregoing in this Section 2, if the nature of the default is one that it cannot be satisfied by the payment of monies due under the Lease and the default cannot be cured or the obligations of the Lease cannot be performed by Assignee without first obtaining possession of the leased premises, then Assignee shall have additional time as may be reasonably necessary to acquire possession of the premises, provided that within the 30-day period after receipt of the written notice from the Lessor the Assignee (i) gives Lessor written notice of its intent to cure such default, (ii) describes the action intended to be taken to obtain possession of the premises, and (iii) diligently pursues such action to completion. To the extent that Assignee deems necessary, Lessor agrees to assist Assignee in obtaining possession of the premises. Notwithstanding anything in the Lease to the contrary, Lessor agrees that it will not terminate the Lease during this 30-day period.

If Assignee spends money to cure a default, Assignor shall promptly reimburse Assignee within [x] days of receipt of the cost incurred by Assignee in connection with such performance, together with interest thereon at the rate of two (2%) per month, or the highest rate allowed by law.

Nothing in this Assignment shall obligate Assignee to cure any default unless Assignee elects to assume the Lease. Lessor agrees not to terminate the Lease as to Assignee before the end of the Assignee's Cure Period.

3. LEASE AMENDMENTS

Lessor and Assignor hereby agree the parties shall not enter into any amendment, supplement, or modification of the Lease (each an "Amendment") which impacts Assignee's rights under this Agreement in any respect, without prior written consent of the Assignee. Additionally, Lessor agrees to provide Assignee with a written copy of any Amendment that is consented to by Assignee within ten (10) days of its full execution.

4. LESSOR'S CONSENT

Lessor hereby consents to the terms and provisions of this Agreement and to the possible assignment of the Lease to the Assignee.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day and year first above written.

INDIVIDUAL GUARANTY

THIS INDIVIDUAL GUARANTY (the "GUARANTY") is dated the ____ day of _____, 20 ____

[Insert name], an individual residing at [INSERT ADDRESS], (the "GUARANTOR"), has a financial or other substantial interest in [INSERT CORPORATE NAME OF FRANCHISEE] whose registered address is at [INSERT REGISTERED ADDRESS] (together with its successors and assigns, the "DEBTOR").

In order to induce Jiffy Lube International, Inc., Pennzoil-Quaker State Company dba SOPUS Products, their affiliates, subsidiaries, successors or assigns (collectively, "COMPANY") to extend credit to or otherwise become the creditor of the DEBTOR, GUARANTOR agrees as follows:

1. As an inducement to COMPANY to grant credit or assume a risk of loss from time to time for royalties, rents, sales of products, loan of funds, loan of equipment, or any other extension of credit or loan of property to DEBTOR, GUARANTOR shall pay to COMPANY immediately upon demand and without deduction of any claim, setoff, or counterclaim of DEBTOR the full amount of all debt due to COMPANY from DEBTOR, together with all expenses to collect or enforce any obligations under this guaranty (including reasonable attorney's fees) incurred by COMPANY as a result of the default of DEBTOR or GUARANTOR. This Guaranty shall constitute a guarantee of payment and not of collection. In consideration of COMPANY accepting this GUARANTY, the GUARANTOR:
 - (a) as a primary obligation and not as surety guarantees to COMPANY the due and punctual performance by the DEBTOR of all of its obligations, warranties, duties, liabilities and undertakings under and pursuant to any and all contractual obligations between the DEBTOR and COMPANY when and as such obligations, duties, liabilities and undertakings shall become due, payable and/or performable according to their terms; and
 - (b) agrees, in addition to its obligations set out in paragraph 1(a) above, to indemnify and keep indemnified COMPANY against all losses, damage, costs and expenses which COMPANY may incur arising out of or in connection with the failure by the DEBTOR to perform any of its obligations, warranties, duties, liabilities or undertakings under and pursuant to such agreements;

Provided always that in no event and under no circumstances shall the liability of the GUARANTOR under this clause exceed the liability of the DEBTOR according to the terms of such agreements.

Upon receipt of a first written demand from COMPANY, the GUARANTOR shall, without proof or any other conditions either perform or observe the prior obligations of the DEBTOR as set out in paragraph 1(a) above, or shall forthwith pay to COMPANY all money, losses, damages, costs and expenses on an indemnity basis as set out in paragraph 1(b) above provided that the liability of the GUARANTOR hereunder shall not exceed the liability of the DEBTOR to COMPANY according to the terms of their agreements.

2. This GUARANTY is irrevocable and the GUARANTOR shall not in any way be released or discharged or otherwise absolved of liability hereunder by reason of, and the GUARANTOR hereby waives notice of, any of the following:
 - (a) the termination or expiration of any agreement by and between COMPANY and the DEBTOR or default by the DEBTOR;
 - (b) any forbearance or waiver of any right of action or remedy DEBTOR may have against COMPANY, or negligence by COMPANY in enforcing any right of action or remedy afforded under the agreements between COMPANY and the DEBTOR;
 - (c) any other bond, security or Guaranty held or obtained by COMPANY for any of the obligations of the DEBTOR or any release or waiver thereof;
 - (d) any act or omission of the DEBTOR pursuant to any other arrangement with the GUARANTOR, any change in the relationship between the GUARANTOR and the DEBTOR or dispute or

disagreement between COMPANY and the DEBTOR under or in relation to any agreement between them or otherwise;

- (e) any disability or incapacity or change in status or constitution of the DEBTOR or the GUARANTOR, including death;
 - (f) the issue of any acceptance certificate or completion certificate;
 - (g) any breach of any agreement by or other default of COMPANY;
 - (h) any agreement between COMPANY and the DEBTOR or any provision thereof being or becoming illegal, invalid, void, voidable or unenforceable;
 - (i) any right to receive disclosures from COMPANY of the DEBTOR'S financial condition and risk, and GUARANTOR assumes all responsibility for staying informed as to DEBTOR'S financial condition;
 - (j) the liquidation, administration, receivership, insolvency or any change in the name or status of the GUARANTOR, the DEBTOR or COMPANY; and/or
 - (k) any other matter or things whereby the obligations of the GUARANTOR hereunder might under any applicable law be discharged or affected.
3. The GUARANTOR authorises the DEBTOR to make any addendum, variation or amendment to any agreement or arrangement DEBTOR may have with COMPANY without reference to the GUARANTOR, the due and punctual performance of which addendum, variation or supplement shall be likewise guaranteed by the GUARANTOR in accordance with the terms of this GUARANTY.
4. Nothing herein shall be construed as an obligation of COMPANY to extend credit to DEBTOR. Records of COMPANY showing accounts between DEBTOR and COMPANY shall be admissible in evidence in any action involving this GUARANTY, and such records shall be prima facie proof of the items stated therein.
5. The obligations of the GUARANTOR hereunder are primary and not by way of surety only and the GUARANTOR shall not be entitled as against COMPANY to any right of set off or counterclaim whatsoever and howsoever arising. COMPANY shall not be obliged to take any action in any court or arbitral proceedings against the DEBTOR, to make any claim against or any demand of the DEBTOR or to enforce any other security, bond or Guaranty held by it in respect of the obligations of the DEBTOR or to exercise levy or enforce any distress, diligence or other process of execution against the DEBTOR. In the event that COMPANY brings proceedings against the DEBTOR, the GUARANTOR will be bound by any findings of fact, interim or final award or judgement made by an arbitral tribunal or the court in such proceedings. The GUARANTOR shall indemnify and keep indemnified COMPANY on demand by COMPANY against all losses, actions, claims, costs, charges, expenses and liabilities suffered or incurred by COMPANY in respect of this GUARANTY (including the costs, charges and expenses incurred in the enforcement of any of the provisions of this GUARANTY or occasioned by any breach by the GUARANTOR of any of its obligations to COMPANY under this GUARANTY). Further, this GUARANTY shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the amounts due by DEBTOR to COMPANY is rescinded or must otherwise be returned by COMPANY by reason of any judgment, decree or order of any court or administrative body or any settlement or compromise upon the insolvency, dissolution, liquidation, bankruptcy or arrangement for the benefit of creditors made by DEBTOR, all as though such payment had not been made.
6. This GUARANTY is a continuing GUARANTY of all current and future debt, obligations, warranties, duties, liabilities and undertakings owed by DEBTOR to COMPANY and accordingly shall remain in full force and effect (notwithstanding any intermediate satisfaction by the DEBTOR) until all obligations, warranties, duties, liabilities and undertakings now or hereafter to be carried out or performed by the DEBTOR shall have been satisfied or performed in full and is not revocable and is in addition to and not in substitution for and shall not merge with any other right, remedy, Guaranty or security which COMPANY may at any time hold for the performance of such obligations and may be enforced without first having recourse to any such security. When all obligations, warranties, duties, liabilities and undertakings now or hereafter to be carried out or performed by DEBTOR under any agreement or understanding with COMPANY shall have been satisfied and performed in full and accepted by COMPANY, this GUARANTY shall become of no further effect.

7. The GUARANTOR shall have five (5) days from the date of demand to make payment in full to COMPANY. The GUARANTOR shall pay interest in the amount of 1.5% per month or the highest rate allowed by law, whichever is less, on any amount due under this GUARANTY from the date being five (5) days from the date of the demand up to and including the date of full payment (as well as before any judgement) which interest shall accrue on the outstanding debt from the due date until payment is made.
8.
 - (a) Until all amounts which may be or become payable by DEBTOR to COMPANY have been irrevocably paid in full, the GUARANTOR shall not as a result of this GUARANTY or any payment or performance under this GUARANTY be subrogated to any right or security of COMPANY or claim or prove in competition with COMPANY against the DEBTOR or any other person or demand or accept repayment of any monies or claim any right of contribution, set-off exercised by the GUARANTOR in breach of this provision and any such monies so obtained shall be held by the GUARANTOR in trust for and shall be promptly paid to COMPANY.
 - (b) The GUARANTOR shall not hold any security from the DEBTOR in respect of this GUARANTY and any such security which is held in breach of this provision shall be held by the GUARANTOR in trust for and shall promptly be transferred to COMPANY.
 - (c) Until all amounts which may be or become payable under any agreement or understanding between COMPANY and the DEBTOR or this GUARANTY have been irrevocably paid in full, if (notwithstanding the provisions of sub-paragraphs (a) and (b)), the GUARANTOR has any rights of subrogation against the DEBTOR or any rights to prove in a liquidation of the DEBTOR, the GUARANTOR agrees to exercise such rights in accordance with the directions of COMPANY.
9.
 - (a) The GUARANTOR warrants that this GUARANTY is its legally binding obligation, enforceable in accordance with its terms, and that all necessary governmental and other consents and authorisations for the giving and implementation of this GUARANTY have been obtained.
 - (b) The GUARANTOR warrants and confirms that the entering into, giving and performance of this GUARANTY will not breach any applicable law, its constitutional documents or any other restriction or agreement which may be binding on the GUARANTOR.
 - (c) The GUARANTOR warrants and undertakes to COMPANY that it shall take all necessary action directly or indirectly to perform the obligations expressed to be assumed by it or contemplated by this GUARANTY and to implement the provisions of this GUARANTY.
 - (d) The GUARANTOR warrants and confirms to COMPANY that it has not entered into this GUARANTY in reliance upon, nor has it been induced to enter into this GUARANTY by any representation, warranty or undertaking made by or on behalf of COMPANY (whether express or implied and whether pursuant to statute or otherwise) which is not set out in this GUARANTY.
10. The GUARANTOR acknowledges that COMPANY shall be entitled to assign the benefit of this GUARANTY or any part thereof, any interest therein or thereunder and any right thereunder, whether part, existing or future, at any time without consent. COMPANY shall inform the GUARANTOR of each and every assignment. GUARANTOR shall not assign its rights, title and interest in and to this GUARANTY or otherwise transfer its obligations and liabilities arising under the GUARANTY without the prior written consent of COMPANY, which may be withheld in its sole discretion.
11. All documents and notices arising out of or in connection with this GUARANTY shall be served upon the GUARANTOR at its address as stated above or on the process agent appointed by it pursuant to clause 20 hereof.

The GUARANTOR may change its nominated address for service of documents or notices to another address in the same country as the address stated herein but only by prior written notice to COMPANY.

12. COMPANY's rights under this GUARANTY are cumulative and not exclusive of any rights provided by law or in any agreement or understanding between COMPANY and the DEBTOR and may be exercised from time to time and as often as COMPANY deems expedient.
13. COMPANY may make several demands under this GUARANTY.
14. GUARANTOR acknowledges that GUARANTOR has reasonable knowledge of DEBTOR'S business operations and practices. GUARANTOR hereby waives notice of acceptance, financing arrangements, notice of orders, sales and deliveries to DEBTOR, notice of the amounts due, and notice of all defaults or disputes with DEBTOR as well as notice of settlements or adjustments of such defaults or disputes. Without affecting this liability in any respect, GUARANTOR consents to and waives notice of all changes of terms, withdrawal or extension of credit or of time to pay, release of whole or part of the indebtedness, settlement or compromise of differences, acceptance or release of security, acceptance of notes, trade acceptances, or any other form of obligation for DEBTOR'S indebtedness, and the demand, protest, and notice of protest of such instruments or their endorsements. GUARANTOR also consents to and waives notice of any arrangements or settlements made in or out of court in the event of receivership, liquidation, bankruptcy, workout, or assignment for benefit of creditors of or by DEBTOR, and anything whatsoever which may be done or waived by or between COMPANY and DEBTOR, or COMPANY and any other person whose claim against DEBTOR has been or shall be assigned or transferred to COMPANY.
15. GUARANTOR agrees and consents to the use and processing of its personal information, including financial information, by COMPANY, its affiliates, and service providers in enforcing the terms of this GUARANTY. GUARANTOR's personal information will be collected, used, and processed in accordance with COMPANY's Customer, Supplier, and Business Partner Privacy Rules for the legitimate business purpose of executing this GUARANTY.
16. Any waiver by COMPANY of the terms of this GUARANTY or any consent or approval given by COMPANY shall only be effective if given in writing and then only for the purpose and upon the terms and conditions if any on which it is given.
17. If at any time any one or more of the provisions of this GUARNTTEE is or becomes illegal, invalid or otherwise unenforceable in any respect neither the legality, validity or enforceability of the remaining provisions of this GUARANTY nor the legality, validity or enforceability of such provision under the law shall in any way be affected or impaired as a result.
18. This GUARANTY shall be governed by and construed in accordance with the laws of the State of Texas without reference to its conflict of laws provisions.
19. The courts of Harris County, Texas are to have exclusive jurisdiction in relation to the enforcement of this GUARANTY or to settle any dispute arising out of, or in connection with this GUARANTY. This submission is irrevocable and is for the exclusive benefit of COMPANY. Nothing contained herein shall, however, limit the right of COMPANY to take proceedings to enforce this GUARANTY against the GUARANTOR in any other court or in the courts of more than one jurisdiction at the same time. The GUARANTOR irrevocably waives any objection, on the ground of forum non conveniens or on any other ground, to the taking of enforcement proceedings or settling of disputes in any court referred to in this clause.
20. The GUARANTOR appoints [] of [] as its process agent to receive on its behalf service of process in any proceedings in the State of Texas. Service upon the process agent shall be good service upon the GUARANTOR whether or not it is forwarded to and received by the GUARANTOR. If for any reason the process agent ceases to be able to act as process agent, or no longer has an address in the State of Texas, the GUARANTOR irrevocably agrees to appoint a substitute process agent in the State of Texas acceptable to COMPANY and to deliver to COMPANY a copy of the substitute process agent's acceptance of that appointment within 5 days. In order to induce Jiffy Lube International, Inc., Pennzoil-Quaker State Company dba SOPUS Products, and their affiliates, subsidiaries, successors and assigns (collectively "COMPANY") to extend credit to or otherwise become the creditor of the DEBTOR, GUARANTOR agrees as follows:

1. As an inducement to COMPANY to grant credit or assume a risk of loss from time to time for royalties, rents, sales of products, loan of funds, loan of equipment, or any other extension of credit or loan of property to DEBTOR, GUARANTOR shall pay to COMPANY immediately upon demand and without deduction of any claim, setoff, or counterclaim of DEBTOR the full amount of all debt due to COMPANY from DEBTOR, together with all expenses to collect or enforce any obligations under this guaranty (including reasonable attorney's fees) incurred by COMPANY as a result of the default of DEBTOR or GUARANTOR. This Guaranty shall constitute a guarantee of payment and not of collection. In consideration of COMPANY accepting this GUARANTY, the GUARANTOR:
 - (a) as a primary obligation and not as surety guarantees to COMPANY the due and punctual performance by the DEBTOR of all of its obligations, warranties, duties, liabilities and undertakings under and pursuant to any and all contractual obligations between the DEBTOR and COMPANY when and as such obligations, duties, liabilities and undertakings shall become due, payable and/or performable according to their terms; and
 - (b) agree, in addition to its obligations set out in paragraph 1(a) above, to indemnify and keep indemnified COMPANY against all losses, damage, costs and expenses which COMPANY may incur arising out of or in connection with the failure by the DEBTOR to perform any of its obligations, warranties, duties, liabilities or undertakings under and pursuant to such agreements;

Provided always that in no event and under no circumstances shall the liability of the GUARANTOR under this clause exceed the liability of the DEBTOR according to the terms of such agreements.

Upon receipt of a first written demand from COMPANY, the GUARANTOR shall, without proof or any other conditions either perform or observe the prior obligations of the DEBTOR as set out in paragraph 1(a) above, or shall forthwith pay to COMPANY all money, losses, damages, costs and expenses on an indemnity basis as set out in paragraph 1(b) above provided that the liability of the GUARANTOR hereunder shall not exceed the liability of the DEBTOR to COMPANY according to the terms of their agreements.

2. This GUARANTY is irrevocable and the GUARANTOR shall not in any way be released or discharged or otherwise absolved of liability hereunder by reason of, and the GUARANTOR hereby waives notice of, any of the following:

 - (c) any other bond, security or GUARANTY held or obtained by COMPANY for any of the obligations of the DEBTOR or any release or waiver thereof;
 - (d) any act or omission of the DEBTOR pursuant to any other arrangement with the GUARANTOR, any change in the relationship between the GUARANTOR and the DEBTOR or dispute or disagreement between COMPANY and the DEBTOR under or in relation to any agreement between them or otherwise;

- (e) any disability or incapacity or change in status or constitution of the DEBTOR or the GUARANTOR (including death, if DEBTOR is an individual);
 - (f) the issue of any acceptance certificate or completion certificate;
 - (g) any breach of any agreement by or other default of COMPANY;
 - (h) any agreement between COMPANY and the DEBTOR or any provision thereof being or becoming illegal, invalid, void, voidable or unenforceable;
 - (i) any right to receive disclosures from COMPANY of the DEBTOR'S financial condition and risk, and GUARANTOR assumes all responsibility for staying informed as to DEBTOR'S financial condition
 - (j) the liquidation, administration, receivership, insolvency or any change in the name or status of the GUARANTOR, the DEBTOR or COMPANY; and/or
 - (k) any other matter or things whereby the obligations of the GUARANTOR hereunder might under any applicable law be discharged or affected.
3. The GUARANTOR authorises the DEBTOR to make any addendum, variation or amendment to any agreement or arrangement DEBTOR may have with COMPANY without reference to the GUARANTOR, the due and punctual performance of which addendum, variation or supplement shall be likewise guaranteed by the GUARANTOR in accordance with the terms of this GUARANTY.
4. Nothing herein shall be construed as an obligation of COMPANY to extend credit to DEBTOR. Records of COMPANY showing accounts between DEBTOR and COMPANY shall be admissible in evidence in any action involving this GUARANTY, and such records shall be prima facie proof of the items stated therein.
5. The obligations of the GUARANTOR hereunder are primary and not by way of surety only and the GUARANTOR shall not be entitled as against COMPANY to any right of set off or counterclaim whatsoever and howsoever arising. Further, this GUARANTY shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the amounts due by DEBTOR to COMPANY is rescinded or must otherwise be returned by COMPANY by reason of any judgment, decree or order of any court or administrative body or any settlement or compromise upon the insolvency, dissolution, liquidation, bankruptcy or arrangement for the benefit of creditors made by DEBTOR, all as though such payment had not been made.
6. This GUARANTY is a continuing GUARANTY of all current and future debt, obligations, warranties, duties, liabilities and undertakings owed by DEBTOR to COMPANY and accordingly shall remain in full force and effect (notwithstanding any intermediate satisfaction by the DEBTOR) until all obligations, warranties, duties, liabilities and undertakings now or hereafter to be carried out or performed by the DEBTOR shall have been satisfied or performed in full and is not revocable and is in addition to and not in substitution for and shall not merge with any other right, remedy, GUARANTY or security which COMPANY may at any time hold for the performance of such obligations and may be enforced without first having recourse to any such security. When all obligations, warranties, duties, liabilities and undertakings now or hereafter to be carried out or performed by DEBTOR under any agreement or understanding with COMPANY shall have been satisfied and performed in full and accepted by COMPANY, this GUARANTY shall become of no further effect.
7. The GUARANTOR shall have five (5) days from the date of demand to make payment in full to COMPANY. The GUARANTOR shall pay interest in the amount of 1.5% per month or the highest rate allowed by law, whichever is less, on any amount due under this GUARANTY from the date being five (5) days from the date of the demand up to and including the date of full payment (as well as before any

judgement) which interest shall accrue on the outstanding debt from the due date until payment is made.

- (a) Until all amounts which may be or become payable by DEBTOR to COMPANY have been irrevocably paid in full, the GUARANTOR shall not as a result of this GUARANTY or any payment or performance under this GUARANTY be subrogated to any right or security of COMPANY or claim or prove in competition with COMPANY against the DEBTOR or any other person or demand or accept repayment of any monies or claim any right of contribution, set-off exercised by the GUARANTOR in breach of this provision and any such monies so obtained shall be held by the GUARANTOR in trust for and shall be promptly paid to COMPANY.
- (b) The GUARANTOR shall not hold any security from the DEBTOR in respect of this GUARANTY and any such security which is held in breach of this provision shall be held by the GUARANTOR in trust for and shall promptly be transferred to COMPANY.
- (c) Until all amounts which may be or become payable under any agreement or understanding between COMPANY and the DEBTOR or this GUARANTY have been irrevocably paid in full, if (notwithstanding the provisions of sub-paragraphs (a) and (b)), the GUARANTOR has any rights of subrogation against the DEBTOR or any rights to prove in a liquidation of the DEBTOR, the GUARANTOR agrees to exercise such rights in accordance with the directions of COMPANY.

8.

- (a) The GUARANTOR warrants that this GUARANTY is its legally binding obligation, enforceable in accordance with its terms, and that all necessary governmental and other consents and authorizations for the giving and implementation of this GUARANTY have been obtained.
- (b) The GUARANTOR warrants and confirms that the entering into, giving and performance of this GUARANTY will not breach any applicable law, its constitutional documents or any other restriction or agreement which may be binding on the GUARANTOR.
- (c) The GUARANTOR warrants and undertakes to COMPANY that it shall take all necessary action directly or indirectly to perform the obligations expressed to be assumed by it or contemplated by this GUARANTY and to implement the provisions of this GUARANTY.
- (d) The GUARANTOR warrants and confirms to COMPANY that it has not entered into this GUARANTY in reliance upon, nor has it induced to enter into this GUARANTY by any representation, warranty or undertaking made by or on behalf of COMPANY (whether express or implied and whether pursuant to statute or otherwise) which is not set out in this GUARANTY.

9. The GUARANTOR acknowledges that COMPANY shall be entitled to assign the benefit of this GUARANTY or any part thereof, any interest therein or thereunder and any right thereunder, whether part, existing or future, at any time without consent. COMPANY shall inform the GUARANTOR of each and every assignment. GUARANTOR shall not assign its rights, title and interest in and to this GUARANTY or otherwise transfer its obligations and liabilities arising under the GUARANTY without the prior written consent of COMPANY, which may be withheld in its sole discretion.

The GUARANTOR may change its nominated address for service of documents or notices to another address in the same country as the address stated herein but only by prior written notice to COMPANY.

11. COMPANY's rights under this GUARANTY are cumulative and not exclusive of any rights provided by law or in any agreement or understanding between COMPANY and the DEBTOR and may be exercised from time to time and as often as COMPANY deems expedient.

GUARANTOR also consents to and waives notice of any arrangements or settlements made in or out of court in the event of receivership, liquidation, bankruptcy, workout, or assignment for benefit of creditors of or by DEBTOR, and anything whatsoever which may be done or waived by or between COMPANY and DEBTOR, or COMPANY and any other person whose claim against DEBTOR has been or shall be assigned or transferred to COMPANY.

14. Any waiver by COMPANY of the terms of this GUARANTY or any consent or approval given by COMPANY shall only be effective if given in writing and then only for the purpose and upon the terms and conditions if any on which it is given.
15. If at any time any one or more of the provisions of this GUARNTTEE is or becomes illegal, invalid or otherwise unenforceable in any respect neither the legality, validity or enforceability of the remaining provisions of this GUARANTY nor the legality, validity or enforceability of such provision under the law shall in any way be affected or impaired as a result.

17. The courts of Harris County, Texas are to have exclusive jurisdiction in relation to the enforcement of this GUARANTY or to settle any dispute arising out of, or in connection with this GUARANTY. This submission is irrevocable and is for the exclusive benefit of COMPANY. Nothing contained herein shall, however, limit the right of COMPANY to take proceedings to enforce this GUARANTY against the GUARANTOR in any other court or in the courts of more than one jurisdiction at the same time. The GUARANTOR irrevocably waives any objection, on the ground of forum non conveniens or on any other ground, to the taking of enforcement proceedings or settling of disputes in any court referred to in this clause 17.

In the event that the GUARANTOR fails to appoint a substitute process agent, it shall be effective service for COMPANY to serve the process upon the last known address in the State of Texas of the last known process agent for the GUARANTOR notified to COMPANY, notwithstanding that such process agent is no longer found at such address or has ceased to act.

2.3 *Defects; Improper Workmanship; Warranties.* Notwithstanding anything to the contrary contained in this Sublease, Tenant, at its sole cost and expense, shall promptly make all repairs, replacements and restoration resulting from any defect or improper workmanship resulting from its installation of equipment and/or Initial Improvements under Exhibit "B". If Tenant fails to commence such repairs, replacements or restoration within thirty (30) days after receipt of written notice from Landlord or Prime Landlord, or if Tenant fails to diligently prosecute such repairs, replacements or restoration to completion, Landlord, by written notice to Tenant, may elect to perform such work, and Tenant shall reimburse Landlord's actual cost thereof, plus an administrative charge of fifteen percent (15%) of such actual costs, as Additional Rent or as a reimbursement to Landlord within fifteen (15) days of written demand thereof from Landlord. The obligations contained in this subsection are herein called "*Tenant's Warranty Obligations.*" Tenant's Warranty Obligations shall not include any equipment or improvements procured and installed by Prime Landlord.

2.4 *Delivery of Leased Premises.* Upon receipt of the Delivery Notice (as such term is defined in the Prime Lease) from Prime Landlord, Landlord shall, within a reasonable time thereafter, provide Tenant written notice of the anticipated date for delivery of the Leased Premises (the "*Anticipated Delivery Date*"); provided, however, if the date for delivery of the Leased Premises is delayed or otherwise does not occur on the Anticipated Delivery Date, this Sublease shall not be void or voidable, nor shall Landlord be liable to Tenant for any loss or damage resulting therefrom. Promptly following Landlord's request, Tenant and Landlord shall execute the Rent Commencement Letter stipulating and agreeing to the Commencement Date and the other matters set forth therein.

3. Rent and Other Expenses.

3.1 *Monthly Rent.*

Beginning on the Commencement Date and thereafter on the first day of each calendar month during the Term, Tenant shall pay Landlord, as the "*Monthly Rent*" hereunder, one hundred percent (100%) of the monthly rent that is payable by Landlord, as tenant under the Prime Lease, exclusive of Additional Rent or other charges, plus the "*Administrative Fee*", without any offset, counterclaim or deduction. If the Commencement Date shall be on a day other than the first day of the month, then the first and last rental

payments shall be prorated; for example, if the Commencement Date were January 15, then the Monthly Rent for the period beginning January 15 would be the Monthly Rent multiplied by 17/31.

Tenant hereby acknowledges that, although the initial monthly rent payable under the Prime Lease has been estimated based upon the Initial Estimate (as such term is defined in the Prime Lease), such monthly rent is subject to one or more adjustments upwards as more particularly described in the Prime Lease; and Tenant expressly agrees to be bound by the terms of the Prime Lease with respect to any adjustment of the rent thereunder. Tenant agrees to pay as Monthly Rent, the monthly rent payable by Landlord under the Prime Lease, in addition to Additional Rent, the Delayed Rent Repayment (herein defined), and other amounts payable by Landlord under the Prime Lease.

3.2 *Additional Rent.* Upon receiving an invoice or invoices from Landlord, Tenant shall pay to Landlord as Additional Rent, without any offset, counterclaim or deduction: (i) any and all taxes, assessments, levies, and other charges imposed in connection with the Leased Premises, the Prime Lease or this Sublease, including without limitation, all of the real and personal property taxes assessed or charged upon the Leased Premises and all other improvements thereon by any governmental agency or authority, together with any sales tax attributable to sums owed under the Prime Lease or this Sublease, for any and all periods during the Term; (ii) any and all taxes, assessments, rates, levies, charges and all other amounts imposed upon Landlord by virtue of the Prime Lease during the Term; (iii) any common area maintenance costs or assessments (if any) during the Term; and (iv) any and all other fees or expenses, without limitation, payable by Tenant as provided or permitted in this Sublease.

3.3 *Holdover Rent.* In the event Tenant remains in possession of the Leased Premises after the expiration or termination of this Sublease, then Tenant shall be considered a tenant at sufferance and shall pay to Landlord, the greater of: (i) any holdover rent required to be paid to Prime Landlord under the Prime Lease and (ii) holdover rent for the period that Tenant remains in possession in the amount of two hundred percent (200%) of the Monthly Rent. In addition to the foregoing holdover rent, Tenant shall also be liable for any and all damages, costs (including attorney's fees), liability and expenses incurred by Landlord under the Prime Lease or otherwise as a result of such holding over. The holdover rent due under this Section 3.3 shall be in addition to the obligation to pay Landlord the Delayed Rent Repayment described in Section 3.4.

3.4 *Delayed Rent Repayment.* If Landlord extends the Prime Lease Term (as defined in the Prime Lease) and the Sublease Term beyond the fifteenth (15th) Lease Year (such extension otherwise defined in the Prime Lease as the first Extension Term), during that first Extension Term, in addition to each payment of Monthly Rent by Tenant during that first Extension Term, Tenant shall pay Landlord a sum equal to one-sixtieth (1/60th) of the Monthly Rent payable during the first full month after the Commencement Date, multiplied by six (6). Alternatively, within thirty (30) days following the commencement of the first Extension Term, Tenant may pay Landlord a sum equal to the Monthly Rent payable during the first full month after the Commencement Date, multiplied by six (6). However, in the event Landlord does not extend the Prime Lease Term and Sublease Term, upon the earliest of the following to occur: (i) termination of this Sublease (even if the Tenant becomes a holdover tenant pursuant to Section 3.3); (ii) termination of the Prime Lease; (iii) termination of the Franchise Agreement; (iv) Landlord's assignment of Prime Lease to Tenant under Section 12 herein; or (v) a Transfer by Tenant under Section 16.1 herein, Tenant shall pay Landlord a lump sum equal to the Monthly Rent payable during the first full month after the Commencement Date, multiplied by six (6), within fifteen (15) days after such termination, assignment, or Transfer, as applicable. The sums payable from Tenant to Landlord under this Section 3.4 shall be known as the "**Delayed Rent Repayment**". This Delayed Rent Repayment shall be paid in addition to any Monthly Rent due and payable by Tenant to Landlord and shall be deemed to be Additional Rent for all purposes. Tenant's obligation to pay the Delayed Rent Repayment shall survive the termination of the Sublease.

3.5 *Other Expenses.*

(a) Tenant shall pay directly to the utility companies, governmental units or private entities (including any property management company), as applicable, promptly, as and when due: (i) all charges for any service used or consumed on or in connection with the Leased Premises (including, without limitation, all charges for water, electricity, gas, sewer service, steam, refuse collection and telephone, internet or other telecommunications services); (ii) all costs associated with Tenant's occupancy of or operations at the Leased Premises (including but not limited to disposal of used oil and other hazardous wastes); (iii) all costs associated with repairs to and maintenance of the Leased Premises that Landlord is required to make under the Prime Lease (which may include, without limitation, roof repairs, structural repairs, HVAC, electrical and plumbing repairs, repairs to pavement and sidewalks, all connections with the street including gas, water, and sewer mains, periodic painting of the improvements, and landscaping, as applicable, as well as removal of hazardous substances or remediation of any condition affecting soil or groundwater at the Leased Premises); (iv) all personal property taxes imposed upon any of Tenant's property (including, without limitation, Tenant's fixtures, equipment or inventory); and (v) any and all costs and expenses which are payable by Landlord as tenant under the Prime Lease, including but not limited to any costs required to be paid by Landlord pursuant to the Prime Lease related to any declarations or restrictive covenants or other instruments of record affecting the Leased Premises. For the avoidance of all doubt, it is the intention of the parties that Landlord shall not be required to bear any cost or expense associated with the Leased Premises.

(b) Without limiting the foregoing, Tenant agrees to keep the Leased Premises free of rubbish, graffiti or other unsightly conditions and further agrees to keep the Leased Premises, including all landscaping, in a neat and presentable condition at all times.

(c) If Tenant fails to pay any cost or expense associated with occupying or operating the Leased Premises when such payment is due, then Landlord may, but is not required to, pay such cost or expense and immediately charge Tenant therefor as Additional Rent. Additionally, if Tenant fails to timely perform any of the repairs or maintenance obligations contemplated by this provision, then Landlord may, but is not required to, perform in Tenant's stead. Tenant hereby agrees to pay the costs or expenses incurred by Landlord for such maintenance or repairs, plus an additional fee of fifteen percent (15%) of such costs or expenses to cover the time and effort expended by Landlord, as Additional Rent.

3.6 *Security Deposit.* Upon the later of execution of this Sublease by Tenant or execution of the Rent Commencement Letter, Tenant shall pay to Landlord a security deposit equal to the amount of one (1) month of Monthly Rent, which for the purposes of this Section 3.5 Monthly Rent only will be calculated as one hundred percent (100%) of one twelfth (1/12) of the Initial Annual Rent (as such term is defined in the Prime Lease) (the "**Security Deposit**"), to be held by Landlord as security for performance by Tenant of all obligations imposed on Tenant under this Sublease, to remedy defaults in the payment of Monthly Rent, Additional Rent and other charges due hereunder and to repair damages to the Leased Premises caused by Tenant. Landlord may commingle the Security Deposit with other funds belonging to Landlord and Tenant shall not be entitled to interest thereon. If Tenant shall perform all such obligations, said sum shall be refunded to Tenant following termination of this Sublease, without interest and subject to offset for any repairs needed to the Leased Premises; provided, however, Landlord may retain the Security Deposit until such time as any amounts due from Tenant in accordance with this Sublease have been determined and paid to Landlord in full and Tenant has fully performed its obligations in accordance with Section 19 hereof. If Tenant shall default on any of its obligations, Landlord, in addition to any other remedies it may have, shall be entitled to apply such sum toward Landlord's damages and/or for the other purposes specified above, and Tenant shall pay to Landlord on demand the amount so applied in order to restore the Security Deposit to its original amount. In no event shall the Security Deposit be used by Tenant as the last payment of Monthly Rent. Tenant shall not assign or encumber the Security Deposit. Landlord may transfer the Security Deposit to a purchaser of the Leased Premises or to the holder of any mortgage or beneficiary under any deed of trust encumbering the Leased Premises or any part thereof, and Tenant shall look solely to the new landlord for the return thereof.

3.7 *Interest on Late Payments.* All sums (including, without limitation, Monthly Rent and

Additional Rent) not paid by Tenant when due, regardless of whether Tenant is provided any notice of such delinquency, shall bear interest at the rate (“**Default Rate**”) of eighteen percent (18%) per annum, or the maximum non-usurious interest rate allowed by law, whichever is less, calculated from the due date until paid by Tenant. Such interest shall be immediately payable as Additional Rent.

3.8 *Form of Payment.* Tenant’s payment of Monthly Rent, Additional Rent and any other monies owed to Landlord pursuant to this Sublease shall be made by way of Electronic Funds Transfer (“**EFT**”) through the Automated Clearing House (“**ACH**”), and Tenant agrees to such payment method and authorizes Landlord to initiate debit entries to Tenant’s designated bank account pursuant to the provisions of this Sublease and the ACH Agreement attached hereto and incorporated herein as Exhibit “E” at any time on or after the date such amounts are due and owing to Landlord (the “**Direct Debit System**”). Landlord may (but shall not be obligated to) provide to Tenant, for reference only, an invoice of such amounts prior to any debit entry. This authorization shall continue after termination of this Sublease until Tenant has paid Landlord in full for all Tenant’s outstanding financial obligations to Landlord. Tenant shall execute such other authorizations for ACH transfers as Landlord’s and Tenant’s respective banks may require from time to time. Failure by Tenant to authorize, fund and maintain payment to Landlord by way of the Direct Debit System shall be considered a breach of this Sublease, unless such Direct Debit System is not currently available to Landlord or Landlord otherwise approves a different payment method, and Landlord reserves all rights and remedies that it may have pursuant to this Sublease. Should the Direct Debit System not be available to Landlord, due to technical issues or otherwise, subject to Landlord’s approval of such payment method, Tenant may choose to pay Landlord by check or by wire transfer until such Direct Debit System is available, at which time Tenant shall use the Direct Debit System as described herein. In addition to all other rights and remedies that Landlord has under this Sublease, Tenant shall be liable to Landlord for its full administrative costs associated with Tenant’s failure to comply with this provision.

3.9 *Triple Net Sublease.* This Sublease shall be deemed and construed to be a “net lease”. The Monthly Rent shall be absolutely net to Landlord and shall be paid to Landlord (and/or, if Landlord so elects, to Prime Landlord) free of any charges, assessments, impositions or deductions of any kind and without a statement, deduction or set-off for any reason; and Tenant shall pay as Additional Rent all costs, taxes, insurance premiums, and all costs of operating, maintaining, repairing, and restoring the Leased Premises, to the extent required of Tenant under this Sublease or the Prime Lease.

4. Use of Leased Premises

4.1 *Use as a “Jiffy Lube” Service Center.* Following execution of the Franchise Agreement, Tenant shall use and occupy the Leased Premises solely for the purposes of operating an automobile service center under the service mark “Jiffy Lube” in strict accordance with the Franchise Agreement and the policies and procedures specified from time to time by Landlord as franchisor under the Franchise Agreement, such as any future obligations to provide Jiffy Lube International, Inc.’s brakes and services, if applicable to this Leased Premises. Tenant shall not use, permit or suffer the use of the Leased Premises for any other purpose. If, in Landlord’s sole opinion, Tenant uses the Leased Premises for purposes other than the sole permitted use of operating an automobile service center under the service mark “Jiffy Lube” in strict accordance with the Franchise Agreement and the policies and procedures specified by Landlord as franchisor under the Franchise Agreement, then, if Tenant fails to cure such breach within the Grace Period (as defined in Section 15.1(b)), Landlord shall have, in addition to any and all other remedies available to Landlord pursuant to this Sublease and the Franchise Agreement, the option of, after the Grace Period expires: (a) terminating this Sublease or (b) continuing this Sublease in full force and collecting a sum equal to two (2) times the Monthly Rent effective at the time of such breach and continuing thereafter per month until such breach is cured, in addition to any other monies that may be then payable to Landlord under this Sublease, as liquidated damages and not as a penalty, for harm to Landlord’s franchise interest caused by the breach of this Sublease by Tenant. If such breach occurs on more than one occasion, Landlord shall be entitled to the foregoing remedy on each such occasion; provided, however, that in no event shall Landlord be deemed to have waived its other rights

and remedies hereunder. From and after the Effective Date, Tenant covenants and agrees, at its cost and expense, to perform, observe and comply with all of the terms, covenants and conditions to be performed, observed or complied with by (a) the tenant under the Prime Lease, subject to Prime Landlord's obligations relating to Punch List Items (as such term is defined in the Prime Lease) and to the Warranty Obligations (as such term is defined in the Prime Lease), and (b) once the Franchise Agreement is executed, the franchisee under the Franchise Agreement, including, without limitation, with respect to the use, maintenance and repair of the Leased Premises.

4.2 *Compliance with Law.* Landlord shall deliver the Leased Premises to Tenant as of the Commencement Date in compliance with all applicable laws, codes, ordinances, rules and regulations of all governmental authorities having jurisdiction over the Leased Premises (including, without limitation, all zoning ordinances and requirements for governmental permits and/or approvals), expressly including, without limitation, any imposed on the Leased Premises by virtue of Tenant's intended use and occupancy of the Leased Premises as a "Jiffy Lube" service center. However, all installations, alterations or additions made by the Tenant prior to the delivery of the Leased Premises shall comply with all laws, codes, ordinances, rules and regulations of all governmental authorities having jurisdiction over the Leased Premises or over Tenant (including, without limitation, all zoning ordinances and requirements for governmental permits and/or approvals), expressly including, without limitation, any imposed on the Leased Premises by virtue of Tenant's intended use and occupancy of the Leased Premises as a "Jiffy Lube" service center. Following the Commencement Date, Tenant shall comply with all laws, codes, ordinances, rules and regulations of all governmental authorities having jurisdiction over the Leased Premises or over Tenant (including, without limitation, all zoning ordinances and requirements for governmental permits and/or approvals, for which Tenant shall be solely responsible), as well as any rules and regulations promulgated by Landlord from time to time, and shall indemnify, defend and hold harmless the Landlord Parties from any and all losses, claims, damages, liabilities, costs and expenses (including reasonable attorneys' fees) arising or resulting from the breach, following the Commencement Date, of any such laws, codes, ordinances, rules and/or regulations, including, without limitation, the Americans with Disabilities Act (42 U.S.C. § 12101 et. seq.) and such other current act or other subsequent acts (whether state or federal) addressing like issues as are enacted or amended (collectively, the "*ADA*"). **TENANT FURTHER AGREES TO INDEMNIFY, DEFEND AND HOLD HARMLESS THE LANDLORD PARTIES FROM ANY AND ALL EXPENSES, LIABILITIES, COSTS OR DAMAGES SUFFERED BY ANY OF THE LANDLORD PARTIES AS A RESULT OF ADDITIONAL OBLIGATIONS WHICH MAY BE IMPOSED ON THE LEASED PREMISES FOLLOWING THE COMMENCEMENT DATE UNDER ANY AND ALL SUCH LAWS, CODES, ORDINANCES, RULES AND REGULATIONS BY VIRTUE OF TENANT'S OPERATIONS AND/OR OCCUPANCY. HOWEVER, SUCH INDEMNITY IS SUBJECT TO SECTION 4.3 HEREIN.** Tenant acknowledges that it will be wholly responsible for any provision of this Sublease which could arguably be construed as authorizing a violation of the ADA. Any such provision shall be interpreted in a manner which permits compliance with the ADA and is hereby amended to permit such compliance.

4.3 *Initial ADA Compliance.* Notwithstanding anything to the contrary in this Sublease, Tenant shall have no responsibility, and Landlord expressly releases Tenant from all liability related to, the compliance of the Leased Premises and Initial Improvements with the ADA prior to the date Tenant takes occupancy of the Leased Premises (except to the extent such Initial Improvements were installed by or on behalf of Tenant). Landlord shall provide Tenant with a copy of a certification of ADA compliance provided by Prime Landlord and shall use commercially reasonable efforts to enforce Prime Landlord's representations in the Prime Lease of ADA compliance.

5. Alterations

5.1 *Consent Required.* Tenant shall not make any alterations, additions or improvements (except for those alterations or improvements that Tenant elects to be responsible for procuring and installing under Options 1 or 2 of Exhibit "B") that constitute a material modification or structural change, including but not

limited to modifications or changes to the roof, roof membrane, roof drain, roof covering, load-bearing walls, columns, lintels, beams, footings, floor slabs, masonry walls, or if such alteration, addition, or improvement could cost greater than \$100,000, to the Leased Premises (collectively, “*Alterations*”) without the prior written consent of Landlord (which consent shall not be unreasonably withheld, conditioned, or delayed). Any such approved Alterations must be made in full compliance with the terms of the Prime Lease, and if Prime Landlord must likewise consent and fails to do so, such consent by Landlord shall not be deemed given.

5.2 *Compliance with Requirements.* Following the Commencement Date, to the extent that Alterations are required, either because of law or requirements of Landlord (in its capacity as franchisor under the Franchise Agreement once executed or otherwise), Tenant shall promptly install, at Tenant’s sole cost and expense, the structures, fixtures, equipment and other property necessary to comply with such requirements. All such work may be inspected by Landlord at reasonable times and upon reasonable notice. Tenant shall promptly and diligently perform its work hereunder in a good and workmanlike manner and in accordance with (and shall otherwise comply with) all applicable federal, state and local statutes, codes and regulations, including, without limitation, the ADA.

5.3 *Prohibition Against Liens.* In no event shall the title or interest in and to the Leased Premises of any of the Landlord Parties be subject to liens arising from or in connection with any work undertaken by or on behalf of Tenant (including, without limitation, Alterations), even if the Prime Lease or this Sublease requires Tenant to undertake such work. Tenant agrees to pay promptly when due the entire cost of any Alterations and to keep the Leased Premises at all times free of liens and claims for liens for labor and materials for work undertaken by Tenant. Tenant further consents and agrees to execute all required documentation needed for the recording of all required notices to avoid the interest of any of the Landlord Parties in and to the Leased Premises being subject to liens and/or claims of lien for labor and materials for work undertaken by Tenant.

5.4 *Insurance/Indemnity Relating to Alterations.* Prior to the commencement of any Alterations and throughout the making of such Alterations, Tenant shall procure, or if an independent contractor is making such Alterations for Tenant, cause the contractor to procure: (a) an appropriate and sufficient Builder’s Risk insurance policy insuring Landlord, Prime Landlord and Tenant, (b) a commercial general liability insurance policy, with completed operation (or similar) endorsement, with limits of not less than \$3,000,000 per occurrence insuring Landlord, Prime Landlord and Tenant against any liability which may arise in connection with the Alterations, (c) worker’s compensation insurance in statutory limits, and (d) such other insurance which may be reasonably required by Landlord. Such insurance shall comply with the requirements set forth in Section 6 of this Sublease. **TENANT AGREES TO INDEMNIFY, DEFEND AND HOLD HARMLESS THE LANDLORD PARTIES FROM AND AGAINST ANY CLAIM, LOSS, LIABILITY OR DAMAGE (INCLUDING, WITHOUT LIMITATION, REASONABLE ATTORNEYS’ FEES) RESULTING OR ARISING FROM OR IN CONNECTION WITH ANY WORK UNDERTAKEN BY OR ON BEHALF OF TENANT (INCLUDING, WITHOUT LIMITATION, ALTERATIONS).** Further, if requested by Landlord, Tenant shall furnish (i) a bond or other security satisfactory to Landlord against any such claim, loss, liability or damage and/or (ii) certificates of insurance (on forms satisfactory to Landlord) evidencing the insurance required hereby.

5.5 *Landlord’s Self-Help Right.* If any claim for a lien arises against the Leased Premises by reason of work undertaken by Tenant, and such claim is not discharged, bonded or otherwise satisfied by Tenant to Landlord’s satisfaction within fifteen (15) days after Tenant is made aware of such lien(s), Landlord may pay such claim and proceed to obtain the discharge and release thereof; and Tenant shall pay Landlord as Additional Rent the amount paid by Landlord to obtain the discharge and release thereof, plus a fee of fifteen percent (15%) of such amount to cover the time and effort expended by Landlord, together with all court costs and all attorneys’ fees immediately upon demand. Nothing contained in this Sublease is intended to, nor shall be construed by anyone to, permit the creation of any lien against Landlord’s interest in the Leased Premises. Furthermore, nothing in this Sublease is intended to authorize Tenant to do or cause any

work or labor to be done or any materials to be supplied for the account of Landlord, and any such work or labor shall be solely for Tenant's account and at Tenant's risk and expense.

5.6 *Survival.* The terms of this Section 5 shall survive the termination or expiration of this Sublease.

6. Insurance; Indemnity; Limitation of Liability

6.1 *Coverage.* At Tenant's sole cost and expense, Tenant shall obtain policies providing the insurance coverage required to be maintained: (i) under the Prime Lease or (ii) under the Franchise Agreement or the Franchise Agreement form provided to Tenant if the Franchise Agreement is not executed as of the Effective Date of this Sublease, whichever of (i) or (ii) imposes the greatest insurance requirement for any individual characteristic of insurance, and Tenant shall also obtain, at its cost, business interruption insurance in an amount sufficient to cover Tenant's rent obligations under this Sublease during the period of any damage or destruction to the Leased Premises and the restoration of the Leased Premises due to any such damage or destruction, and such other insurance as Landlord may reasonably require from time to time. If applicable, at Tenant's sole cost and expense, Tenant shall also obtain auto liability insurance that covers its owned, non-owned, and hired vehicles, if any, with a limit as required by law or \$1,000,000 per occurrence, whichever is higher, or if Tenant does not obtain such auto liability insurance, Tenant accepts full responsibility for its owned, non-owned, and hired vehicles, if any.

6.2 *Insurance Policies.* Tenant shall maintain such policies in effect at all times during the Term. All insurance policies that are required to be procured by Tenant under this Sublease shall be obtained from reputable insurance companies rated A- or better (and otherwise reasonably acceptable to Landlord) and authorized to engage in the business of providing general liability and property insurance in the State in which the Leased Premises are located, and shall name Prime Landlord, Landlord, any successors or assigns of Landlord under the Franchise Agreement or under this Sublease, and the holder of any mortgage or beneficiary under any deed of trust covering the Leased Premises as additional insured parties or loss payees, as applicable. Tenant shall have no right to self-insure. Tenant shall be responsible for and pay the deductible or otherwise excluded portion of any covered loss. All insurance policies required to be obtained by Tenant must provide that Landlord shall automatically be notified by the insurance carrier(s) thirty (30) days prior to cancellation or material change of said policies. Tenant shall cause to be submitted to Landlord certificates of insurance (on forms satisfactory to Landlord) certifying that the required coverage is in effect. Such certificates shall be submitted to Landlord at least five (5) days following the date on which Substantial Completion is achieved, and at such other times as Landlord may reasonably request or as otherwise required by the Prime Lease. Upon Landlord's request, Tenant shall also provide copies of such insurance policies.

6.3 *Failure to Insure.* In the event Tenant shall fail to obtain and/or maintain the insurance coverages required by this Section, Landlord may, at its option, obtain and/or maintain such coverages in Tenant's name or as Tenant's agent, in which case Tenant shall reimburse Landlord, immediately upon Landlord's demand, for the amount of premiums and other charges expended by Landlord to obtain and/or maintain required coverages, together with interest thereon from the date of Landlord's payment at the Default Rate.

6.4 *Tenant's Insurance Primary.* All of the insurance policies that Tenant is required to maintain under this Sublease will be primary insurance in relation to any similar insurance that may be maintained by Landlord without any right of contribution from the Landlord's insurance policies, if any.

6.5 GENERAL INDEMNITY.

(a) NEITHER LANDLORD, PRIME LANDLORD NOR THEIR RESPECTIVE AGENTS, AFFILIATES, CONTRACTORS, INVITEES, EMPLOYEES, TRUSTEES, DIRECTORS, PARTNERS, SHAREHOLDERS, MEMBERS, OFFICERS OR SERVANTS, MORTGAGEE(S), OR

ANY OTHER CORPORATE ENTITY AFFILIATED WITH LANDLORD, AS WELL AS LANDLORD AND ITS SUCCESSORS AND ASSIGNS AS LANDLORD UNDER THIS SUBLEASE OR AS FRANCHISOR UNDER THE FRANCHISE AGREEMENT ONCE EXECUTED (COLLECTIVELY, THE “*LANDLORD PARTIES*”) SHALL BE LIABLE FOR, AND TENANT SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS THE LANDLORD PARTIES FROM AND AGAINST, ALL SUITS, DAMAGES, CLAIMS, DEMANDS, LOSSES, ACTIONS, LIABILITIES AND COSTS (INCLUDING ATTORNEYS' FEES) FOR ANY INJURY OR DEATH TO ANY PERSON OR FOR ANY DAMAGE TO OR LOSS OF ANY PROPERTY ON OR ABOUT THE LEASED PREMISES CAUSED BY THE NEGLIGENCE OR OTHER TORTIOUS CONDUCT, OR BREACH OR NON-PERFORMANCE OF ANY DUTIES OR OBLIGATIONS UNDER THIS SUBLEASE, THE PRIME LEASE OR THE FRANCHISE AGREEMENT (ONCE EXECUTED), BY TENANT, ITS EMPLOYEES, SUBTENANTS, INVITEES OR BY ANY OTHER PERSON ENTERING THE LEASED PREMISES UNDER EXPRESS OR IMPLIED INVITATION OF TENANT, OR ARISING OUT OF TENANT'S USE OR OCCUPANCY OF THE LEASED PREMISES (INCLUDING, WITHOUT LIMITATION, ANY HOLDING OVER BY TENANT IN THE LEASED PREMISES BEYOND THE EXPIRATION OR EARLIER TERMINATION OF THIS SUBLEASE).

(b) TO THE EXTENT PERMITTED BY LAW, THE LANDLORD PARTIES SHALL NOT BE LIABLE OR RESPONSIBLE FOR ANY LOSS OR DAMAGE TO ANY PROPERTY OR THE PERSONALTY OF ANY PERSON, OR FOR THE DEATH OR INJURY TO ANY PERSON, OCCASIONED BY THEFT, FIRE, CASUALTY, ACT OF GOD, PUBLIC ENEMY, INJUNCTION, RIOT, STRIKE, INSURRECTION, WAR, COURT ORDER, REQUISITION OF OTHER GOVERNMENTAL BODY OR AUTHORITY, BY THIRD PARTIES OR BY ANY OTHER MATTER, OR FOR ANY INJURY OR DAMAGE OR INCONVENIENCE WHICH MAY ARISE THROUGH REPAIR OR ALTERATION OF ANY PART OF THE LEASED PREMISES, OR FAILURE TO MAKE REPAIRS, OR FROM THE SUSPENSION OR UNAVAILABILITY OF UTILITY SERVICE OR FROM ANY CAUSE WHATSOEVER, EXCEPT TO THE EXTENT CAUSED BY THE NEGLIGENCE OF ANY OF THE LANDLORD PARTIES OR LANDLORD'S FAILURE TO COMPLY WITH ITS OBLIGATIONS UNDER THIS SUBLEASE: (I) THE LANDLORD PARTIES SHALL NOT BE RESPONSIBLE OR LIABLE FOR ANY DAMAGE OR LIABILITY RESULTING THEREFROM TO TENANT OR ANY THIRD PARTY CLAIMANT, AND (II) TENANT AGREES TO INDEMNIFY, DEFEND AND HOLD HARMLESS THE LANDLORD PARTIES FOR ALL LOSS, DAMAGE, LIABILITIES, ATTORNEYS' FEES AND COURT COSTS INCURRED RESULTING FROM ANY SUCH CLAIMS. IT IS SPECIFICALLY UNDERSTOOD AND AGREED THAT THERE SHALL BE NO PERSONAL LIABILITY OF ANY OF THE LANDLORD PARTIES WITH RESPECT TO ANY OF THE COVENANTS, CONDITIONS OR PROVISIONS OF THIS SUBLEASE. NOTWITHSTANDING THE FOREGOING, THE TERMS OF THIS SUBPART (b) SHALL NOT APPLY TO, AND LANDLORD SHALL NOT BE RELEASED FROM, LANDLORD'S NEGLIGENCE OR WILLFUL MISCONDUCT OR LANDLORD'S FAILURE TO COMPLY WITH ITS OBLIGATIONS UNDER THIS SUBLEASE.

(c) NEITHER TENANT NOR ITS AGENTS, AFFILIATES, CONTRACTORS, EMPLOYEES, TRUSTEES, DIRECTORS, PARTNERS, SHAREHOLDERS, MEMBERS, OFFICERS OR SERVANTS, MORTGAGEE(S), OR ANY OTHER CORPORATE ENTITY AFFILIATED WITH TENANT, AS WELL AS TENANT AND ITS SUCCESSORS AND ASSIGNS AS TENANT UNDER THIS SUBLEASE OR AS FRANCHISEE UNDER THE FRANCHISE AGREEMENT ONCE EXECUTED (COLLECTIVELY, THE “*TENANT PARTIES*”) SHALL BE LIABLE FOR, AND LANDLORD SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS THE TENANT PARTIES FROM AND AGAINST, ALL SUITS, DAMAGES, CLAIMS, DEMANDS, LOSSES, ACTIONS, LIABILITIES AND COSTS (INCLUDING ATTORNEYS' FEES) FOR ANY INJURY OR DEATH TO ANY PERSON OR FOR ANY DAMAGE TO OR LOSS OF ANY

PROPERTY ON OR ABOUT THE LEASED PREMISES CAUSED BY THE NEGLIGENCE OR OTHER TORTIOUS CONDUCT, OR BREACH OR NON-PERFORMANCE OF ANY DUTIES OR OBLIGATIONS UNDER THIS SUBLEASE, THE PRIME LEASE OR THE FRANCHISE AGREEMENT (ONCE EXECUTED), BY LANDLORD PARTIES.

(d) LANDLORD SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS THE TENANT PARTIES FROM AND AGAINST, ALL SUITS, DAMAGES, CLAIMS, DEMANDS, LOSSES, ACTIONS, LIABILITIES AND COSTS (INCLUDING ATTORNEYS' FEES) TO THE SAME EXTENT LANDLORD IS ACTUALLY INDEMNIFIED FOR SUCH BY PRIME LANDLORD UNDER THE PRIME LEASE, AND LANDLORD AGREES TO USE COMMERCIALY REASONABLE EFFORTS TO ENFORCE PRIME LANDLORD'S INDEMNITY OBLIGATIONS UNDER THE PRIME LEASE FOR THE BENEFIT OF BOTH LANDLORD AND TENANT.

(e) NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, (I) TENANT HEREBY RELEASES THE LANDLORD PARTIES FROM ANY AND ALL LIABILITY FOR NEGLIGENCE TO THE EXTENT OF THE INSURANCE COVERAGE PROVIDED FOR UNDER THIS SUBLEASE AND (II) UNDER NO CIRCUMSTANCES SHALL THE LANDLORD PARTIES OR THE TENANT PARTIES BE LIABLE FOR SPECIAL, INDIRECT, PUNITIVE, OR CONSEQUENTIAL DAMAGES.

6.6 WAIVER OF SUBROGATION. TENANT AGREES THAT THE LANDLORD PARTIES SHALL NOT BE LIABLE FOR ANY LOSS OR DAMAGE WHICH IS (OR WOULD HAVE BEEN) COVERED BY TENANT'S INSURANCE REQUIRED UNDER THE TERMS OF THIS SUBLEASE, REGARDLESS OF CAUSE OR FAULT, INCLUDING, WITHOUT LIMITATION, ANY LOSS OR DAMAGE CAUSED BY THE NEGLIGENT ACTIONS OF ANY OF THE LANDLORD PARTIES; AND TENANT HEREBY WAIVES ITS RIGHTS OF RECOVERY AGAINST ANY OF THE LANDLORD PARTIES FOR ANY LOSS INSURED BY FIRE, CASUALTY, EXTENDED COVERAGE AND OTHER PROPERTY INSURANCE POLICIES EXISTING FOR THE BENEFIT OF TENANT. FURTHERMORE, TENANT SHALL CAUSE ITS INSURERS TO WAIVE ANY AND ALL RIGHTS OF SUBROGATION. TENANT SHALL OBTAIN ANY SPECIAL ENDORSEMENTS REQUIRED BY ITS INSURER(S) TO EVIDENCE THE COMPLIANCE WITH THE AFOREMENTIONED WAIVER. IT IS THE EXPRESS INTENTION OF THE PARTIES HERETO THAT THIS WAIVER SHALL CONTROL OVER ANY INDEMNITY BY LANDLORD (IF ANY) OR LIMITATION OF LIABILITY CONTAINED IN THIS SUBLEASE.

6.7 LIMITATION OF LIABILITY. NOTWITHSTANDING ANY PROVISION TO THE CONTRARY SET FORTH IN THIS SUBLEASE, IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER OR ANY OF THEIR RESPECTIVE AGENTS, REPRESENTATIVES, OR EMPLOYEES FOR ANY LOST PROFITS, INCIDENTAL, PUNITIVE, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, WHETHER UNDER THEORY OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, OR OTHERWISE.

6.8 *Survival.* The terms of this Section 6 shall survive the termination or expiration of this Sublease.

7. Casualty

7.1 *Notice to Landlord.* Tenant shall give prompt notice to Landlord and Prime Landlord if the Leased Premises are damaged, in whole or in part, by fire, windstorm, water, hurricane, tornado, flooding or any other cause whatsoever (in each case, a "*Casualty*").

7.2 *Termination of Sublease.*

(a) If the Leased Premises are damaged by any Casualty to such an extent that Prime Landlord is entitled to, and does, terminate the Prime Lease, this Sublease shall terminate on the same date on which the Prime Lease is terminated, but Tenant shall not be relieved from its obligation to pay the Delayed Rent Repayment unless Landlord is relieved of such obligation by the Prime Landlord under the Prime Lease.

(b) If the Leased Premises, or any portion thereof, are damaged by any Casualty and the Prime Lease gives the tenant thereunder the right to terminate the Prime Lease, then Landlord may (but shall not be obligated to) terminate both the Prime Lease and this Sublease, in which event this Sublease shall terminate on the same date on which the Prime Lease is terminated.

(c) Upon termination of this Sublease in accordance with this provision, all right, title and interest of Tenant in and to any property insurance proceeds, less and except only insurance proceeds for Tenant's personalty or inventory, shall be promptly assigned by written instrument to Landlord and any property insurance proceeds previously received by Tenant, less and except only insurance proceeds for Tenant's personalty or inventory, shall be promptly paid to Landlord.

7.3 *No Termination or Abatement of Rent.* If any damage by Casualty shall render the Leased Premises untenantable, in whole or in part, then (a) except as expressly set forth in Section 7.2, this Sublease shall not terminate; and (b) Tenant shall not be entitled to any abatement of Monthly Rent, Additional Rent or any other amounts due hereunder or under the Prime Lease (except that, to the extent that an abatement is permitted under the terms of the Prime Lease, there shall be a corresponding abatement under this Sublease [e.g., to the extent monthly rent payable under the Prime Lease is abated, all Monthly Rent under this Sublease shall be abated]).

7.4 *Repair Following Damage.* If this Sublease is not terminated after damage by any Casualty, the provisions of the Prime Lease shall govern the restoration and repair of the Leased Premises, except that Tenant shall, at its sole cost and expense, perform such restoration and repair to be performed by the tenant under the Prime Lease and shall diligently pursue such restoration and repair to its completion in a manner consistent with the provisions of the Prime Lease. For the avoidance of all doubt, it is the intention of the parties that Landlord shall not be obligated to restore or repair the Leased Premises or to bear any cost or expense associated therewith.

8. Condemnation

The Prime Lease shall govern the effect of a complete or partial condemnation, or exercise of any right of eminent domain or private purchase in lieu of condemnation or exercise of any right of eminent domain, except as follows:

(a) If, under the Prime Lease, Prime Landlord is entitled to, and does, terminate the Prime Lease, this Sublease shall terminate on the same date on which the Prime Lease is terminated, but Tenant shall not be relieved from its obligation to pay the Delayed Rent Repayment unless Landlord is relieved of such obligation by the Prime Landlord under the Prime Lease.

(b) If the Prime Lease allows Landlord, as tenant under the Prime Lease, to terminate the Prime Lease, then Landlord may (but shall not be obligated to) terminate both the Prime Lease and this Sublease, in which event this Sublease shall terminate on the same date on which the Prime Lease is terminated, but Tenant shall not be relieved from its obligation to pay the Delayed Rent Repayment unless Landlord is relieved of such obligation by the Prime Landlord under the Prime Lease.

(c) To the extent permitted under the Prime Lease, Tenant shall have the right to claim, prove and receive in the condemnation proceeding such award as may be allowed solely with respect to

Tenant's personal property at the Leased Premises which, under the terms of the Prime Lease and this Sublease, will not become the property of Landlord or Prime Landlord upon the termination of this Sublease or the Prime Lease. To the extent permitted under the Prime Lease, Landlord may (but shall not be obligated to) transfer and assign its rights, duties and obligations in, to and concerning any condemnation claim of whatever kind to Tenant, and Tenant shall assume such rights, duties and obligations.

(d) In the event of any condemnation of the Leased Premises, in whole or in part, then (i) except as expressly set forth in this Section 8, this Sublease shall not terminate; and (ii) Tenant shall not be entitled to any abatement of Monthly Rent, Additional Rent or any other amounts due hereunder or under the Prime Lease (except that, to the extent that an abatement is permitted under the terms of the Prime Lease, there shall be a corresponding abatement under this Sublease [e.g., to the extent monthly rent payable under the Prime Lease is abated, all Monthly Rent under this Sublease shall be abated]).

(e) In the event of a partial condemnation, the provisions of the Prime Lease shall govern the restoration and repair of the Leased Premises, except that Tenant shall, at its sole cost and expense, perform any restoration and repair to be performed by the tenant under the Prime Lease (or, if not specifically addressed in the Prime Lease, then consistent with the terms of Section 7.4 hereof). To the extent that Tenant is required to restore and repair, Tenant shall have the right to claim, prove and receive in the condemnation proceeding such awards as may reimburse Tenant for its costs and expenses incurred in performing such restoration and repair of the Leased Premises, subject to the terms of the Prime Lease.

9. Right of Entry

Tenant shall permit Landlord, Prime Landlord and their respective agents and representatives to enter into and upon any part of the Leased Premises at all reasonable hours to inspect the same (including for activities involving Hazardous Substances), clean or make repairs, alterations or additions thereto, as Landlord or Prime Landlord may deem necessary or desirable, and Tenant shall not be entitled to any abatement or reduction of rent by reason thereof. In exercising this right, Landlord agrees to use reasonable efforts to cause each such entry to be made in a manner which minimizes, to the extent practicable, disturbance of Tenant's conduct of its business. Landlord agrees to provide Tenant reasonable prior notice (which may be oral) of such entry (other than recurring entry or entry necessitated by emergencies) to the extent feasible. To the extent permitted under and as required by the Prime Lease, prior to the expiration of this Sublease, Landlord or Prime Landlord may post suitable notice on the Leased Premises that the same are "For Rent" or "For Sale" and may show the Leased Premises to prospective tenants and purchasers at reasonable times.

10. Quiet Enjoyment

So long as Tenant shall timely pay the Monthly Rent, Additional Rent and all other sums owed under this Sublease, and so long as Tenant shall timely perform all the covenants, obligations and provisions of this Sublease to be performed by Tenant, then Tenant shall peaceably and quietly occupy and enjoy the Leased Premises during the Term, without hindrance by Landlord or any person(s) claiming under or through Landlord, subject, however, to the terms and conditions of the Prime Lease and this Sublease. Tenant hereby acknowledges that the Leased Premises are being subleased to Tenant subject to the validly existing and enforceable rights, interests and estates of third parties, whether or not such rights, interests, or estates are set forth in recorded documents, in connection with any restrictions, easements, mineral interests, claims, encumbrances and any and all other matters affecting the Leased Premises, including, without limitation, the Permitted Exceptions (as such term is defined in the Prime Lease). Notwithstanding the foregoing, if Landlord or Prime Landlord terminates the Prime Lease pursuant to any right of termination under the Prime Lease, this Sublease shall also be terminated effective as of the termination date of the Prime Lease.

11. Surrender of Leased Premises

11.1 *Surrender; Removal of Tenant's Property.* On or before the last day of the Term, Tenant shall

(i) peaceably and quietly leave, surrender and yield up to Landlord the Leased Premises, free of subtenancies, broom clean and in good order and condition except for reasonable wear and tear; (ii) subject to Section 20 hereof, and provided that Tenant is not in default hereunder, remove from the Leased Premises all signs (including, without limitation, any marks from Landlord's signs that constitute the intellectual property of Tenant), trade fixtures capable of being removed without material damage to the Leased Premises, furniture, equipment and other personal property owned by Tenant, which shall not include those items designated as Prime Landlord's property under the Prime Lease, (collectively, "**Tenant's Property**") and, if required by Landlord, any Alterations to the Leased Premises; (iii) promptly repair any damage caused by such removal; and (iv) otherwise comply with all of the obligations of the tenant and conditions for surrender of the Leased Premises under the Prime Lease. Notwithstanding the foregoing, Landlord has the right to require that Tenant remove certain Tenant's Property (the "**Required Removal of Property**") by giving Tenant written notice of such requirement at least thirty (30) days prior to the expiration of the Lease. **TENANT SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS THE LANDLORD PARTIES FROM AND AGAINST ALL DAMAGES TO THE LEASED PREMISES CAUSED BY THE REMOVAL OF TENANT'S PROPERTY OR REQUIRED REMOVAL OF PROPERTY (AS APPLICABLE) FROM THE LEASED PREMISES.** Any of Tenant's Property and/or Required Removal of Property (as applicable) not so removed may, at Landlord's election and without limiting Landlord's right to compel removal thereof, be deemed abandoned and either may be retained by Landlord as its property or be disposed of, without accountability, in such manner as Landlord may see fit. In the event Tenant fails to comply with the terms of this Section, and Landlord elects to dispose of Tenant's Property and/or Required Removal of Property (as applicable), Tenant agrees to pay Landlord the removal, disposal and/or storage costs as Additional Rent.

11.2 *Landlord's Right to Enter.* To the extent permitted by law, Landlord reserves the right to enter the Leased Premises following the termination or expiration of this Sublease; to change locks of any building at the Leased Premises without furnishing a new key to Tenant; to store, return, retain and/or dispose of any of Tenant's Property at the Leased Premises and apply the proceeds of such sale to Tenant's accounts with Landlord; and/or to have Tenant's Property and/or Required Removal of Property (as applicable) stored at Tenant's expense, with or without resort to judicial process. Landlord shall have no liability to Tenant for excluding Tenant from the Leased Premises following the termination or expiration of this Sublease.

11.3 *Survival.* The provisions of this Section shall survive the expiration or termination of this Sublease.

12. Extension Options

Provided that Tenant is not in default under this Sublease, the Franchise Agreement, or any other agreement between Landlord and Tenant, if the Prime Lease contains one or more extension options, Tenant may request in writing that Landlord exercise such extension options under the Prime Lease. Such written request, which shall be sent to Landlord in accordance with the notice provisions of Section 26.4 of this Sublease, must be received by Landlord at least sixty (60) days prior to the deadline by which Landlord must exercise its extension option under the Prime Lease. Upon Landlord's timely receipt of Tenant's written request, Landlord may, but shall not be obligated to, exercise its extension option under the Prime Lease, in its sole and absolute discretion. In the event Landlord elects to extend the Prime Lease pursuant to any extension options or automatic extension or renewal provisions under the Prime Lease, Landlord shall give Tenant notice of such election no less than sixty (60) days prior to the expiration of the then current term of the Prime Lease. Tenant shall have thirty (30) days from receipt of such notice in which to give Landlord written notice of its election to either extend the Term of this Sublease concurrently with the extension of the term of the Prime Lease or to terminate this Sublease as of the expiration of the then current Term (i.e., the date immediately prior to the commencement of the "Extension Term" as such term is defined in the Prime Lease). However, Tenant's election to extend the Term of the Sublease shall be subject to Landlord's approval. Upon Landlord's approval, the "Term" of this Sublease shall be the Term as so extended by such Prime Lease extension option. The Monthly Rent payable during such extension period shall be calculated as

set forth in Section 3.1 and 3.4 of this Sublease, unless otherwise agreed to in a written amendment to this Sublease that is signed by both parties. All other provisions of this Sublease shall remain effective and unchanged during any extended term. Notwithstanding the foregoing, in no event may Tenant request the exercise by Landlord of an extension option under the Prime Lease (a) unless and until Tenant has properly exercised its extension options (if any) under the Franchise Agreement, including meeting all of the conditions precedent to exercising its extension options under the Franchise Agreement, and (b) if the exercise of such extension option would cause the Term of this Sublease to exceed the term of the Franchise Agreement, unless Landlord agrees, in its sole and absolute discretion, that upon the exercise of such extension option, the Term of this Sublease will be coterminous with the term of the Franchise Agreement.

If Landlord elects, in its sole discretion (even if Tenant requests that Landlord exercise such extension option) not to exercise an extension option under the Prime Lease, Landlord shall provide Tenant reasonable notice thereof. After Landlord provides notice to Tenant of its intention not to exercise such extension option under the Prime Lease, (a) if the Tenant is not in default of this Sublease, the Franchise Agreement, or any other agreement between Landlord and Tenant, (b) if the Tenant has met all of the conditions precedent to extending the Franchise Agreement, and (c) if any restrictions, conditions precedent, or prior consent requirements for the assignment of the Prime Lease are satisfied or properly waived by any applicable approving party, Tenant may request Landlord to assign the Prime Lease to Tenant by sending a written request thereof to Landlord at least fifteen (15) days before the deadline by which Landlord must exercise its extension option under the Prime Lease. If (a) through (c) of the above conditions in this paragraph are satisfied, Landlord will then assign the Prime Lease to Tenant. If Tenant does not provide such written request for an assignment of the Prime Lease, if Tenant is in default of either this Sublease or the Franchise Agreement, if Tenant fails to meet all of the conditions precedent to extending the Franchise Agreement, or if the restrictions, conditions precedent, or any required consents are not satisfied for assignment of the Prime Lease, then the Term of this Sublease shall expire upon the expiration of the Prime Lease in accordance with Section 1(f) of this Sublease.

13. Prime Lease

13.1 *Performance by Tenant.* Tenant acknowledges that it has received and reviewed a copy of the Prime Lease. In addition to the other provisions of this Sublease which impose upon Tenant the obligation to perform and comply with certain specified provisions contained in the Prime Lease, Tenant covenants and agrees that it will perform, observe and comply, at its cost and expense, with all of the terms, covenants, conditions and obligations to be performed, observed or complied with by the tenant under the Prime Lease arising on and after the Effective Date of this Sublease, except for those provisions, if any, inherently capable of being performed only by Landlord. Tenant shall (i) not commit any act or omission which would constitute a default under the Prime Lease or might cause the Prime Lease or the rights of Landlord, as tenant under the Prime Lease, to be canceled, terminated, forfeited or surrendered, or which would or might make Landlord liable for any damages, claims or penalty, and (ii) indemnify and hold Landlord harmless from and against any loss, cost, liability, claim, damage or expense incurred in connection with or arising out of Tenant's failure to perform Landlord's obligations under the Prime Lease with respect to the Leased Premises, and required to be performed by Tenant as provided herein.

13.2 *Performance by Landlord; Representations and Warranties of Prime Landlord.* So long as Landlord (or its successors or assigns) is the tenant under the Prime Lease, Landlord shall perform all covenants contained in the Prime Lease that are inherently capable of being performed only by Landlord. If Prime Landlord notifies Landlord of a default under the Prime Lease or provides any other notice to Landlord under the Prime Lease (other than any notices that are unrelated to any terms, covenants, conditions or obligations to be performed by Tenant as set forth in Section 13.1 above or to any rights conferred upon Tenant by this Sublease), Landlord shall forward such notice to Tenant. In the event Landlord does not timely comply with those terms of the Prime Lease, if any, inherently capable of being performed only by Landlord, Tenant shall have the right to take such action in the name of Landlord as Tenant deems reasonably

appropriate, and (so long as Tenant is not in default under this Sublease) Landlord shall reimburse Tenant for Tenant's reasonable costs and expenses in connection therewith. Landlord shall provide to Tenant copies of all representations and warranties that are provided by Prime Landlord to Landlord pursuant to the Prime Lease promptly following receipt by Landlord. Notwithstanding the foregoing, Landlord shall not be liable with respect to any representations or warranties contained in the Prime Lease, nor shall Landlord be deemed to have made any such representations or warranties to Tenant by virtue of any express incorporation of the terms and provisions of the Prime Lease into this Sublease. However, Landlord agrees to use reasonable diligence to enforce for the benefit of Landlord Parties and Tenant Parties all warranties and guarantees of any work or materials and to reasonably cooperate with Tenant in making any claims to the Prime Landlord that Landlord reasonably determines, or that Landlord and Tenant mutually determine, are related to (a) any warranties or representations made by the Prime Landlord under the Prime Lease or (b) related to the Prime Landlord's Warranty Obligations as defined in the Prime Lease. If any matter under this Sublease requires the consent of Landlord, Landlord shall not be obligated to consent to such matter if Landlord is required to obtain the consent of Prime Landlord under the Prime Lease and Prime Landlord withholds such consent.

13.3 *No Rights or Options.* None of the undertakings or covenants made by Prime Landlord to Landlord, as tenant under the Prime Lease, are made by Landlord under this Sublease to Tenant unless specifically set forth in this Sublease. Additionally, Tenant shall not have the right to exercise any rights or options granted or afforded to Landlord under the Prime Lease, including, by way of illustration, any extension or renewal options, preferential rights, purchase options, rights of first refusal, termination rights, hold rights, expansion rights or contraction rights, unless specifically granted by Landlord to Tenant in this Sublease or by Prime Landlord to Tenant (as Subtenant Franchisee) in the Prime Lease.

13.4 *Prime Landlord's Default.* Except as otherwise expressly set forth herein, Landlord shall have no liability whatsoever to Tenant as a consequence of Prime Landlord's failure or delay in performing its obligations under the Prime Lease. Tenant's obligations under this Sublease shall not be impaired nor shall the performance thereof be excused because of any default of Prime Landlord or any failure or delay on Prime Landlord's part in performing its obligations under the Prime Lease, except and only to the extent that Landlord's performance under the Prime Lease is excused because of any default of Prime Landlord or any failure or delay on the part of Prime Landlord in performing its obligations under the Prime Lease.

14. Time Limits

14.1 *Shorter Time Limit.* Except for instances where a time limit is specifically set forth in this Sublease, if the Prime Lease provides for a time limit for (a) notice to Landlord from Prime Landlord or (b) performance by Landlord in response to such notice, then the time limit under this Sublease for the corresponding (x) notice to Tenant from Landlord or (y) performance by Tenant shall be five (5) days less than the time limit in the Prime Lease.

14.2 *Longer Time Limit.* Except for instances where a time limit is specifically set forth in this Sublease, if the Prime Lease provides for a time limit for (a) notice from Landlord to Prime Landlord or (b) performance by Prime Landlord in response to such notice, then the time limit under this Sublease for the corresponding (x) notice from Tenant to Landlord or (y) performance by Landlord shall be five (5) days longer than the time limit in the Prime Lease.

15. Default

15.1 *Events of Default.* The following events shall be deemed to be events of default by Tenant under this Sublease (each, an "**Event of Default**"):

(a) If Tenant fails to timely pay when due any installment of Monthly Rent, regularly occurring Additional Rent or other regularly occurring monetary amount due under this Sublease or the Prime Lease, and such failure shall continue beyond the Grace Period, as defined in Section 15.1(b). If Tenant fails

to timely pay when due any non-regularly occurring Additional Rent or other monetary amount due under this Sublease or the Prime Lease and such failure shall continue for a period of fifteen (15) days after Tenant's receipt of written notice that such payment is past due.

(b) If (i) Tenant fails to comply with any of the non-monetary terms, covenants or conditions of this Sublease or the Prime Lease, (ii) such failure would not constitute a default by the tenant under the Prime Lease, and (iii) such failure continues beyond the Grace Period. As used herein, the term "**Grace Period**" shall mean a period of ten (10) days after Tenant is given written notice of default; provided, however, that if such failure is of such a nature that it cannot reasonably be cured within ten (10) days, then the Grace Period shall be extended so long as (x) Tenant begins to cure the default within ten (10) days after Tenant is given written notice of default, and (y) Tenant diligently pursues the cure to its completion, and (z) such extended Grace Period does not exceed forty-five (45) days.

(c) If (i) Tenant fails to comply with any of the non-monetary terms, covenants or conditions of this Sublease or the Prime Lease, (ii) such failure would constitute a default by the tenant under the Prime Lease, and (iii) such failure continues for a period that is the lesser of (y) the Grace Period and (z) the applicable grace and/or notice period (if any) provided in the Prime Lease.

(d) If Tenant vacates or abandons the Leased Premises or ceases to conduct operations on the Leased Premises in accordance with the terms of this Sublease and the Prime Lease without Landlord's prior written consent (which consent may be granted or withheld in Landlord's sole discretion).

(e) If Tenant shall become insolvent or make an assignment for the benefit of creditors, or if Tenant shall file a petition (or a petition shall be filed against Tenant) under any section or chapter of the National Bankruptcy Act, as amended, or under any similar law or statute of the United States or any state therein, or if Tenant shall be adjudged bankrupt in any proceeding filed by or against Tenant.

(f) If Tenant engages in operations on the Leased Premises that exceed the scope of the sole permitted use of the Leased Premises of operating an automobile service center under the service mark "Jiffy Lube" in strict accordance with the Franchise Agreement and the policies and procedures specified by Landlord from time to time as franchisor under the Franchise Agreement, and such operations continue beyond the Grace Period.

(g) The occurrence of any default under (i) any other lease, sublease or other agreement now existing or hereafter entered into between Tenant (or its affiliates) and Landlord (or its affiliates) and relating to the use or occupancy of real property upon which Tenant operates (or intends to operate) an automobile service center or (ii) any franchise agreement entered into between Tenant (or its affiliates) and Landlord (or its affiliates) that relates to or governs the business conducted on the real property covered by any such other lease, sublease or other agreement (collectively, the "**Other Agreements**").

(h) The occurrence of any default under the Franchise Agreement or, if not yet executed as of the date of the Event of Default, under the Jiffy Lube International, Inc. Franchise Agreement form.

15.2 *Landlord's Remedies.* Upon the occurrence of any Event of Default by Tenant (beyond any applicable notice and cure period), Landlord may immediately terminate this Sublease and/or, at Landlord's sole and absolute discretion, pursue any other remedy now or hereafter allowed by law, including, without limitation, the remedy described in _____ (lessor may continue lease in effect after lessee's breach and abandonment and recover rent as it becomes due, if lessee has the right to sublet or assign with Landlord's consent, subject only to reasonable limitations).

(a) In the event that Landlord elects to terminate this Lease pursuant to this Section 15.2, then Landlord may recover from Tenant:

(i) the worth at the time of award of any unpaid rent, including any Monthly Rent and Additional Rent under this Sublease, and other sums due and payable by Tenant which had been earned at the time of such termination; plus

(ii) the worth at the time of the award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; plus

(iii) the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that Tenant proves could be reasonably avoided; plus

(iv) any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under this Sublease or which, in the ordinary course of things, would be likely to result therefrom.

As used in subsections (i) and (ii) above, the "worth at the time of award" is computed by allowing interest at the lower of ten percent (10%) per annum or the highest rate legally permitted. As used in subsection (iii) above, the "worth at the time of award" is computed by discounting such amount at the discount rate of the Federal Reserve Bank of _____ at the time of award plus one percent (1%).

(b) Upon any termination of this Sublease, whether by lapse of time or otherwise, Tenant shall surrender possession and vacate the Leased Premises immediately, and deliver possession thereof to Landlord, and Tenant hereby grants to Landlord full and free license to use any lawful means to enter into and upon the Leased Premises in such event and to repossess the Leased Premises and to expel or remove Tenant and any others who may be occupying or be within the Leased Premises and to remove Tenant's signs and other evidence of tenancy and all other property of Tenant therefrom without being deemed in any manner guilty of trespass, eviction or forcible entry or detainer, and without incurring any liability for any damage resulting therefrom.

(c) If Landlord determines in its reasonable discretion that Tenant is in default, beyond any applicable notice and cure periods, in its obligations to maintain, repair or replace anything for which Tenant is responsible under this Sublease, then Landlord may, at Landlord's option, enter into and upon the Leased Premises with (or in the case of an emergency or if Tenant shall have vacated the Leased Premises, without) five (5) days' notice and correct the same, without being deemed in any manner guilty of trespass, eviction or forcible entry and detainer and without incurring any liability for any damage or interruption of Tenant's business resulting therefrom. If Tenant shall have vacated the Leased Premises, Landlord may at Landlord's option re-enter the Leased Premises and make any and all such changes, alterations, revisions, additions and other improvements in or about the Leased Premises as Landlord shall elect, all without any abatement of any of the Monthly Rent, Additional Rent or other sums otherwise to be paid by Tenant under this Sublease, except to the extent required by law. Likewise, if Tenant defaults in making any payment to or for the benefit of Landlord (as required by this Sublease) or in the performance of any other obligation imposed on it by this Sublease, and shall not cure such default within the time periods provided for herein, then Landlord (without waiving any claim of breach or for damages) at any time thereafter may make such payment or cure such other default for the account of Tenant. In each such case, Tenant shall pay, upon demand, as Additional Rent the costs or expenses incurred by Landlord in curing Tenant's default or failure, plus an additional fee of fifteen percent (15%) of such costs and expenses to cover the time and effort expended by Landlord.

(d) Landlord may, at Landlord's option (to the extent permitted by law), change the locks of the Leased Premises without Tenant's consent. Landlord will post a notice on the door of the Leased Premises informing Tenant where a new key may be obtained. However, to the extent permitted by law,

Landlord is under no obligation to furnish Tenant with a new key for the Leased Premises unless and until Tenant has cured the Event of Default.

(e) Tenant shall be liable to Landlord for any and all damages incurred by Landlord as a result of any default under the Prime Lease by Landlord (as tenant) to the extent caused by the act or omission of Tenant.

(f) In addition to all other remedies set forth in this Sublease, (i) Landlord shall be entitled to all of the rights and remedies available to Prime Landlord under the Prime Lease and (ii) Landlord may seek all rights and remedies, at law or in equity, relating to any Event of Default.

15.3 *Pursuit of Remedies.* Forbearance by Landlord to enforce one or more of the remedies herein provided upon an Event of Default shall not be deemed or construed to constitute a waiver of such default. The remedies set forth above are not exclusive of one another, and Landlord may pursue one or more of such remedies, either alone, consecutively or simultaneously.

15.4 *Other Expenses.* If, on account of any breach or default by Landlord or Tenant in its obligations under the terms and conditions of this Sublease, it shall become necessary or appropriate for the other party to employ or consult with an attorney concerning, or to enforce or defend, any of such party's rights or remedies arising under this Sublease, the defaulting party agrees to pay all of the non-defaulting party's attorneys' fees so incurred. In addition to any other amounts due hereunder, Tenant shall reimburse Landlord for all other costs and expenses of any sort incurred by Landlord in repossessing the Leased Premises or otherwise enforcing or pursuing any of Landlord's rights and remedies hereunder, to the extent permitted by law.

15.5 *No Waiver.* No act or thing done by Landlord or its agents or failure to act by Landlord or its agents prior to the expiration of the Term of this Sublease shall be deemed a termination of this Sublease, or constitute an eviction or an acceptance of the surrender of the Leased Premises; and no agreement to terminate this Sublease or accept a surrender of said Leased Premises shall be valid, unless in writing signed by Landlord. No waiver by Landlord of any violation or breach of any of the terms, provisions and covenants contained in this Sublease shall be deemed or construed to constitute a waiver of any other violation or breach of any of the terms, provisions and covenants contained in this Sublease. Landlord's acceptance of the payment of Monthly Rent, Additional Rent or other payments after the occurrence of an Event of Default shall not be construed as a waiver of such default, unless Landlord so notifies Tenant in writing. Forbearance by Landlord in enforcing one or more of the remedies provided in this Sublease upon an Event of Default shall not be deemed or construed to constitute a waiver of such default or of Landlord's right to enforce any such remedies with respect to such default or any subsequent default.

15.6 *Tenant Property.* Upon the occurrence of any Event of Default by Tenant (beyond any applicable notice and cure periods), any and all property which may be removed from the Leased Premises by Landlord pursuant to the authority of this Sublease or of law, to which Tenant is or may be entitled (including, without limitation, Tenant's Property), may be handled, removed, disposed of and/or stored, as the case may be, by or at the direction of Landlord but at the risk, cost and expense of Tenant, and Landlord shall in no event be responsible for the value, preservation or safekeeping thereof. Any of such property may, at Landlord's election and without limiting Landlord's right to compel removal thereof, be disposed of, without accountability, in such manner as Landlord may see fit. Tenant shall pay to Landlord, upon demand, any and all expenses incurred in such removal and/or disposal and all storage charges against such property. Any such property of Tenant not retaken by Tenant from storage within thirty (30) days after removal from the Leased Premises shall, at Landlord's option, be deemed conveyed by Tenant to Landlord under this Sublease as by a bill of sale without further payment or credit by Landlord to Tenant.

15.7 *Remedies Relating to Other Agreements.* Upon the occurrence of either (a) any Event of

Default under this Sublease or (b) any event of default under any of the Other Agreements as described in Section 15.1(g) hereof, Landlord shall be entitled to exercise any and all remedies available to Landlord under the terms of this Sublease and of any of the Other Agreements.

15.8 *Remedies Under Prime Lease.* Notwithstanding anything to the contrary contained herein, this Sublease shall at all times be subject to, and the rights and remedies of Landlord hereunder shall at all times be subordinate to, the rights and remedies of Prime Landlord under the Prime Lease.

15.9 *Survival of Remedies.* The provisions of Section 15 shall survive any expiration or termination of this Sublease.

16. Assignment and Subletting

16.1 *Transfer by Tenant.* Tenant shall not allow or permit a transfer of this Sublease, the Leased Premises or any estate or interest therein, by operation of law or otherwise, and shall not assign, convey, mortgage, pledge or encumber this Sublease or any part thereof, or sublease all or any portion of the Leased Premises, or grant any license, concession or other right of occupancy with respect to any portion of the Leased Premises (collectively, a “*Transfer*”) to another without, in each case, obtaining Landlord’s prior written consent. Landlord’s consent shall not be unreasonably withheld; provided, however, that if Prime Landlord’s consent is required under the Prime Lease and Prime Landlord fails to give its consent, then it shall be reasonable for Landlord to withhold Landlord’s consent. Notwithstanding the occurrence of any Transfer by Tenant, Tenant shall remain liable to Landlord for any duties, liabilities and obligations under this Sublease.

16.2 *Transfer by Landlord.* Landlord shall have the right to freely assign or otherwise transfer its interests under this Sublease or with regard to the Leased Premises without the consent of Tenant. Upon receipt of notice of such assignment, Tenant shall look solely to the assignee or recipient of such transfer for the performance of all obligations of the landlord under this Sublease, and Landlord shall be released from any further obligations hereunder.

17. SUBORDINATION AND ATTORNMENT; ESTOPPEL CERTIFICATES

17.1 This Sublease and all of the rights of Tenant hereunder are and shall be subject and subordinate to the lien of any and all mortgages, deeds of trust, deeds to secure debts or other security instruments hereinafter placed by Landlord on the Leased Premises or any part thereof, and to any and all renewals, modifications, consolidations, replacements, extensions, or substitutions of any such instruments (collectively, “*Mortgages*” and each, a “*Mortgage*”); provided, however, that if any such Mortgage is foreclosed, Tenant covenants and agrees to attorn to any such lender (or its successor) as its landlord, and this Sublease shall continue in full force and effect as a direct sublease between Tenant and such party upon all terms, conditions, and agreements set forth herein. Notwithstanding the foregoing, the subordination of Tenant’s interests hereunder to any existing or future ground lease, mortgage, deed of trust, or other security instrument, to the extent that Landlord has a valid interest in such Mortgage, shall be conditioned upon Tenant's receipt of an executed and acknowledged Subordination, Non-Disturbance and Attornment Agreement (“*SNDA*”), in form and substance reasonably acceptable to Tenant and to Landlord, from the applicable mortgagee, trustee, deed of trust beneficiary, ground lessor, or security holder requesting the subordination. Notwithstanding such subordination, Tenant’s right to quiet possession of the Leased Premises shall not be disturbed if Tenant is not in default and so long as Tenant observes and performs all of the provisions of this Sublease. If a commercially reasonable form of written subordination, attornment, and non-disturbance agreement is required by a holder of any Mortgage (which, for purposes of this Section 17, shall also include a beneficiary named in any deed of trust), Tenant agrees to promptly execute, acknowledge and deliver the same in a form and substance reasonably acceptable to Landlord following receipt and a reasonable opportunity to review.

17.2 At any time when the holder of a Mortgage has given Tenant written notice of its interest in this Sublease, Tenant may not exercise any remedies for default by Landlord unless and until the holder of such Mortgage shall have received written notice of such default and at least thirty (30) days to cure such default (or such additional time as may be agreed upon by Tenant and the holder of a Mortgage).

17.3 Subject to any termination rights of Tenant provided in this Sublease, in the event of (i) a sale or other transfer of Landlord's interest in the Leased Premises, or (ii) the purchase or other acquisition of the Leased Premises or Landlord's interest therein in a foreclosure sale or by deed in lieu of foreclosure under any Mortgage, or pursuant to a power of sale contained in any Mortgage, then, in any of such events Tenant shall, at the request of Landlord or Landlord's successor in interest, attorn to and recognize the transferee or purchaser as the landlord under this Sublease for the balance of the Term then remaining, and, thereafter, this Sublease shall continue as a direct agreement between such transferee or purchaser, as "Landlord," and Tenant, as "Tenant." Further, upon the request of Landlord or Landlord's successor in interest, Tenant shall execute any further written instruments that may be necessary or appropriate (in the discretion of Landlord or Landlord's successor in interest) to memorialize, confirm or effectuate the provisions of this Section.

17.4 Within twenty (20) days following request in writing from the other party, each of Landlord and Tenant shall execute, acknowledge and deliver estoppel certificates to the other party or the holder of any Mortgage in form and substance reasonably satisfactory to Landlord, Tenant, and the holder of such Mortgage and (a) certifying that this Sublease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Sublease, as so modified, is in full force and effect); (b) stating the date to which the Monthly Rent and other charges are paid in advance, if any; (c) acknowledging that there are not, to the knowledge of the party giving the certificate, any uncured defaults on the part of the other party hereunder, or specifying such defaults if any are claimed; and (d) stating other matters as may be reasonably requested.

17.5 If the Prime Lease is subordinated to any Mortgage placed by Prime Landlord on the Leased Premises, then, provided that Landlord provides Tenant with a copy of a SNDA complying with the requirements of the Prime Lease and specifically acknowledging and permitting this Sublease, this Sublease shall automatically be subordinate to such Mortgage without the execution of any further subordination agreement by Tenant, and Tenant shall comply with the provisions of this Section 17 in connection with such subordination.

18. Property Condition

Subject to Tenant's election to be responsible for the procurement and installation of certain equipment and/or Initial Improvements under Options 1 or 2 of Exhibit "B", Prime Landlord will construct the Initial Improvements that are part of the Leased Premises in accordance with the plans and specifications more particularly described in the Prime Lease (the "*Plans*") and pursuant to the terms of the Prime Lease. To the extent Landlord is given the opportunity to inspect or investigate the Leased Premises and/or the Initial Improvements, Landlord shall give Tenant notice of the same and the opportunity for an agent or representative of Tenant to be present at, and participate in, such inspection or investigation. To the extent Landlord is given any reports or notices regarding construction of the Initial Improvements under the Prime Lease, Landlord shall promptly provide a copy of the same to Tenant. Furthermore, Tenant shall be given the opportunity to make an independent investigation of the Leased Premises at a mutually acceptable time before the Anticipated Delivery Date, including conducting such non-invasive tests or surveys as Tenant deems necessary in its sole and absolute discretion. Notwithstanding the foregoing, upon the achievement of Substantial Completion and once Tenant has taken possession of the Leased Premises, Tenant shall be deemed to have accepted the Leased Premises, subject to Prime Landlord's obligations relating to Punch List Items and to the Warranty Obligations and subject to Landlord's obligations as set forth in Section 4.3 above, and

to have determined that the Leased Premises are suitable for operation of a “Jiffy Lube” service center without further alteration or improvements. However, Prime Landlord’s Warranty Obligations (as defined in the Prime Lease) shall not include any equipment or Initial Improvements procured and installed by Tenant in accordance with this Sublease, and Prime Landlord’s Warranty Obligations shall not extend to items damaged by Tenant or its agents in connection with the installation of any such equipment or improvements. **EXCEPT AS OTHERWISE PROVIDED IN THIS SUBLEASE OR THE PRIME LEASE, LANDLORD HEREBY MAKES NO WARRANTIES AS TO THE CONDITION OF THE LEASED PREMISES. TENANT ACKNOWLEDGES THAT IT HAS THE OBLIGATION, AND HAS HAD OR WILL BE PROVIDED SUFFICIENT OPPORTUNITY, TO CONDUCT, AT TENANT’S SOLE COST AND EXPENSE, ALL DUE DILIGENCE TO THE EXTENT TENANT, IN TENANT’S SOLE DISCRETION, DEEMS NECESSARY TO BECOME FAMILIAR WITH THE CONDITION OF THE LEASED PREMISES. TENANT HEREBY AFFIRMS THAT EITHER TENANT OR TENANT’S AGENT HAS OR WILL HAVE INSPECTED THE LEASED PREMISES, INCLUDING THE BUILDING AND IMPROVEMENTS THEREON, AND HAS SATISFIED OR WILL HAVE SATISFIED ITSELF AS TO ITS CONDITION, AND (PROVIDED THAT SUBSTANTIAL COMPLETION IS ACHIEVED PURSUANT TO THE TERMS OF THE PRIME LEASE) ACCEPTS SAME “AS IS, WHERE IS” WITHOUT ANY WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED, BY LANDLORD, EXCEPT AS OTHERWISE PROVIDED IN THIS SUBLEASE OR THE PRIME LEASE. WITHOUT LIMITING THE FOREGOING, LANDLORD SPECIFICALLY DISCLAIMS THE WARRANTIES OF HABITABILITY, SUITABILITY, MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE OR ANY OTHER WARRANTIES THAT MIGHT OTHERWISE BE IMPLIED BY LAW. IN THAT CONNECTION, TENANT ACKNOWLEDGES THAT THIS SUBLEASE IS ENTERED INTO BY TENANT WITHOUT RELIANCE BY TENANT ON ANY REPRESENTATION, WARRANTY OR AGREEMENT OF LANDLORD, EITHER WRITTEN OR ORAL, EXPRESS OR IMPLIED, OTHER THAN THOSE SET FORTH HEREIN AND IN THE PRIME LEASE (IF ANY).** Notwithstanding the foregoing, Landlord agrees to reasonably cooperate with Tenant in making any claims to the Prime Landlord that Landlord, in its reasonable discretion, determines are related to (a) any warranties or representations made by the Prime Landlord under the Prime Lease or (b) related to the Prime Landlord’s Warranty Obligations as defined in the Prime Lease. Subject to Tenant’s acknowledgements and agreements regarding Landlord’s representations and warranties as provided above, nothing herein is intended to waive as to a party other than Landlord: (a) any contractual rights; (b) any patent or latent defects or unknown conditions; (c) any rights to proceed against any designers or contractors and/or to seek reimbursement or action from any party causing a condition requiring repair; (d) any negligence; (e) breach of contract; (f) strict liability; (g) any express or implied warranties not expressly waived herein; or (h) any statutes of repose or limitations for claims under _____.

19. Environmental Compliance

(a) As used herein, the term “*Hazardous Substance*” means any pollutant, toxic substance, hazardous waste, hazardous material or oil as defined in or pursuant to the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. Section 9601 et seq.) as amended; the Hazardous Materials Transportation Act (49 U.S.C. Section 1801 et seq.), as amended; the Resource Conservation and Recovery Act (42 U.S.C. Section 6901 et seq.), as amended; the federal Clean Water Act (33 U.S.C. Section 1321); and any other applicable federal, state, county, municipal or other local environmental or health and safety laws or regulations existing as of the date hereof or hereafter enacted (collectively, “*Environmental Laws*”). The term “Hazardous Substance” further includes, but is not limited to asbestos, polychlorinated biphenyls (sometimes called “PCBs”), lead-based paints, any petroleum products (including crude oil or any fraction thereof), any natural gas, natural gas liquids, synthetic gas, and liquefied natural gas, underground storage tanks (except septic tanks), whether empty, filled or partially filled with any substance, and any substance that by any Environmental Laws requires special handling or notification of its collection, storage, treatment or disposal.

(b) Tenant shall not (and shall not permit its subtenants or their respective agents and employees (collectively, “*Tenant’s Agents*”) to) use, generate, store, dispose of, release, or permit the use, generation, storage, disposal, or release of Hazardous Substances on or about the Leased Premises except in a manner and quantity necessary for the ordinary performance of Tenant’s business and in strict compliance with all Environmental Laws. If Tenant breaches its obligations under this Section, Landlord or Prime Landlord may immediately take any and all action reasonably appropriate to remedy the same, including taking all appropriate action to clean up or remediate any contamination resulting from Tenant’s use, generation, storage, disposal, or release of Hazardous Substances. **TENANT SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS THE LANDLORD PARTIES FROM AND AGAINST ANY AND ALL CLAIMS, DEMANDS, LIABILITIES, CAUSES OF ACTION, SUITS, JUDGMENTS, DAMAGES AND EXPENSES (INCLUDING REASONABLE ATTORNEYS’ FEES AND COST OF CLEANUP AND REMEDIATION) TO THE EXTENT ARISING FROM OR IN CONNECTION WITH: (i) THE FAILURE OF TENANT OR TENANT’S AGENTS TO COMPLY WITH THE PROVISIONS OF THIS LEASE, OR (ii) THE USE, GENERATION, ABATEMENT, REMOVAL, REMEDIATION, STORAGE, DISPOSAL, RELEASE, DISCHARGE OR TRANSPORT OF ANY HAZARDOUS SUBSTANCES BY TENANT OR ANY OF TENANT’S AGENTS ON OR ABOUT THE LEASED PREMISES.** The terms of this Section shall survive the expiration or termination of this Sublease for a period of two (2) years following the later to occur of (i) the date on which this Sublease expires or is terminated and Tenant vacates the Leased Premises, or (ii) the date on which the Baseline Condition described below is established.

(c) Tenant, at its sole cost and expense, shall clean up any release or discharge of Hazardous Substances attributable to its use of the Leased Premises during the Term of this Sublease, other than in the ordinary course of Tenant’s business (if Tenant does not violate any Environmental Laws in the ordinary course of its business) and in compliance with all Environmental Laws. Tenant shall, at Landlord’s option (in its sole and absolute discretion), have a Phase 1 of the Leased Premises performed within fifteen (15) days after the expiration or earlier termination of this Sublease by a contractor selected and/or approved by Landlord. If the results of the Phase 1 reveal environmental concerns at the Leased Premises attributable to the use of the Leased Premises by Tenant or Tenant’s Agents during the Term of this Sublease that requires further investigation pursuant to Environmental Laws or based on the recommendations set forth in the Phase 1, Tenant shall also conduct a Phase 2 environmental assessment of the Leased Premises or such other inquiries as may be recommended by such Phase 1 utilizing a contractor or consultant selected and/or approved by Landlord. The Phase 1 and (if necessary) the Phase 2 shall be at Tenant’s sole expense, and Tenant shall provide to Landlord a copy of each within five (5) business days after Tenant’s receipt of written reports from its contractor showing the results of Phase 1 and Phase 2, if applicable, but in no event later than sixty (60) days after the expiration or earlier termination of this Sublease (with respect to the Phase 1) or one hundred fifty (150) days after the expiration or earlier termination of this Sublease (with respect to the Phase 2). The Phase 1 and Phase 2, if required, shall be certified to Landlord, Prime Landlord, Tenant, and the holders of any Mortgages, if any. Such Phase 1 and Phase 2, if required, shall establish the environmental status of the Leased Premises as of the termination of this Sublease, which is hereinafter referred to as the “*Baseline Condition*.” Notwithstanding the foregoing, Landlord may, at its option (in its sole and absolute discretion), perform the Phase 1 and, if applicable, the Phase 2 required by this Section 19(c), in which case Tenant shall reimburse Landlord, immediately upon Landlord’s demand, for all of Landlord’s costs and expenses associated therewith.

(d) If any governmental authority having jurisdiction over the environmental condition of the Leased Premises makes a written demand or order for investigation or remediation in connection with Hazardous Substances at the Leased Premises in levels greater than levels approved by a governmental authority with jurisdiction for commercial properties and as a result of the use of the Leased Premises by Tenant or Tenant’s Agents, then Tenant shall promptly and diligently perform any and all required investigation, assessment, removal, remediation, monitoring, treatment, and disposal of any Hazardous Substances detected at the Leased Premises in connection with such demand and arising from Tenant’s use

thereof.

(e) Notwithstanding anything to the contrary contained in this Sublease, if Tenant has any remaining obligations in connection with this Section 19 after the expiration or termination of this Sublease, subject to the terms of the Prime Lease, Tenant and its agents, contractors, employees and representatives shall have the right to access the Leased Premises at mutually acceptable times after the end of the Term in order to perform its obligations in connection with this Section 19; provided, however, that (i) Tenant shall provide no less than forty-eight (48) hours' prior written notice to Landlord, prior to accessing the Leased Premises, and (ii) Tenant shall repair, at its sole expense, any damage caused to the Leased Premises in connection with its performance of such obligations. Tenant and Landlord, at Landlord's option, shall enter into an access agreement regarding this right of access, which agreement shall provide an indemnity from Tenant to Landlord for any damages to property directly caused by Tenant's performance of its obligations set forth in Section 19(d), if any, which indemnity shall terminate two (2) years after a determination from such governmental authority with jurisdiction that no further action is required by Tenant. Notwithstanding the foregoing, Tenant shall use commercially reasonable efforts not to interfere with the reasonable use and enjoyment of the Leased Premises or interfere with the operations of Landlord, Prime Landlord or any subsequent occupant of the Leased Premises to the extent that Tenant can avoid such interference without materially impairing the performance of its obligations in connection with this Section 19.

(f) Upon reasonable prior notice (but no less than twenty-four (24) hours), and without notice in the event of an emergency, Landlord and/or Prime Landlord shall have the right to inspect Tenant's operations on the Leased Premises at all business hours (and at any time in the event of an emergency) to ascertain Tenant's compliance with the provisions of this Section 19. Landlord shall have the right, but not the obligation, to enter upon the Leased Premises and perform any obligation of Tenant under this Sublease that Tenant has not performed, including, without limitation, any environmental investigation, assessment, cleanup or remediation necessary due to a default by Tenant under this Section 19, without waiving or reducing Tenant's liability for Tenant's default under this Section 19, in which event Tenant shall be liable for reimbursement of all of Landlord's reasonable costs and expenses associated therewith within thirty (30) days after receiving from Landlord a copy of the invoice for such work, plus a fee of fifteen percent (15%) of such amount to cover the time and effort expended by Landlord, together with all court costs and all attorneys' fees.

(g) The provisions of this Section 19 shall survive any expiration or termination of this Sublease.

20. Landlord's Contractual Security Interest

To secure the payment of all Monthly Rent, Additional Rent and all other sums owed to Landlord pursuant to this Sublease, and subject to the terms of the Prime Lease, Tenant hereby grants to Landlord (in addition to any statutory liens) a valid contractual security interest upon all goods, wares, equipment, fixtures, furniture, improvements and other personal property of Tenant presently, or which may hereafter be, situated on or in the Leased Premises (including, without limitation, Tenant's Property), and all proceeds thereof. Such property shall not be removed from the Leased Premises (other than in the ordinary course of Tenant's business) without the prior written consent of Landlord and until all Monthly Rent, Additional Rent or other sums then due to Landlord, or to become due to Landlord hereunder, shall first have been paid, and all of the covenants, agreements and conditions hereof shall have been fully complied with and performed by Tenant. This Section constitutes a security agreement for purposes of Article 9 of the Uniform Commercial Code. Upon the occurrence of an Event of Default by Tenant, Landlord may, in addition to any other remedies provided herein, enter upon the Leased Premises and take possession of any and all goods, wares, equipment, fixtures, furniture, improvements and other personal property of Tenant situated in the Leased Premises (including, without limitation, Tenant's Property), without liability for trespass or conversion, and sell the

same at public or private sale, with or without having such property at the sale, after giving Tenant reasonable notice of the time and place of such sale. Unless otherwise provided by law, and without intending to exclude any other method of providing reasonable notice, the requirement of reasonable notice shall be satisfied if such notice is given in the manner prescribed in this

Sublease at least seven (7) days before the time of the sale. In the event of any sale made pursuant to this Section, the general description of the types of property to be sold shall be advertised in a daily newspaper published in the county in which the property is located for five (5) consecutive days before the date of the sale. The proceeds from any such disposition, less any and all expenses connected with the taking of possession, holding and selling of the property (including reasonable attorneys' fees and legal expenses), shall be applied as a credit against the indebtedness secured by the security interest granted in this Section. Any surplus shall be paid to Tenant or as otherwise required by law. Any deficiencies shall be paid by Tenant forthwith to Landlord. Within ten (10) days after Landlord's written request, Tenant agrees to execute and deliver to Landlord a financing statement in a form sufficient to perfect the security interest of Landlord in the aforementioned property and proceeds thereof under the Uniform Commercial Code (or corresponding state statute(s)), and, in the event of failure to do so, Landlord may, in addition to any other remedies for breach of covenant hereunder, execute and deliver the same as agent and attorney-in-fact of Tenant, and Tenant hereby irrevocably appoints Landlord as its agent and attorney-in-fact for such specific purpose. Notwithstanding anything to the contrary contained in this Sublease, any lien held by Landlord upon goods, wares, equipment, trade fixtures, furniture, leasehold improvements and other personal property of Tenant (including, without limitation, Tenant's Property) shall be subordinate and inferior at all times to any purchase money liens relating to such property or to the first lien to be held in favor of Tenant's primary institutional lender whose name and address are provided to Landlord by written notice in accordance with Section 26.4 hereof. Tenant shall not be required to obtain any waiver of Landlord's lien as a prerequisite to granting a first lien to such purchase money lenders or primary lender, nor shall Landlord be required to execute any further instrument evidencing Landlord's subordination of its lien pursuant hereto.

21. Termination of Franchise Agreement

Notwithstanding anything to the contrary contained herein, upon any termination of the Franchise Agreement or in the event that a Franchise Agreement between Landlord and Tenant is not fully executed within three (3) months after the Effective Date of this Sublease, Landlord shall have the option, which may be exercised in its sole and absolute discretion, to terminate this Sublease upon written notice to Tenant. Such option is personal to Jiffy Lube International, Inc. (and its affiliates), as landlord under this Sublease. Upon any transfer of this Sublease that results in neither Jiffy Lube International, Inc. nor an affiliate thereof being the landlord hereunder, the terms of this provision shall be null and void.

22. Brokers

Each party represents that there are no brokers, brokerage fees or commissions due and payable by virtue of this Sublease. **EACH PARTY SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS THE OTHER PARTY AGAINST ANY LIABILITY ARISING FROM ANY CLAIMS FOR SUCH COMPENSATION BY ANYONE CLAIMING THROUGH THE INDEMNIFYING PARTY, INCLUDING COURT COSTS AND ATTORNEYS' FEES.**

23. Office of Foreign Assets Control (“OFAC”)

23.1 *Representation by Landlord.* Landlord hereby warrants and represents that: (i) neither Landlord nor any of its affiliates is or will become a Prohibited Person (as that term is defined in the OFAC) at any time prior to the expiration of the Term; (ii) Landlord is in full compliance, and shall be in full compliance with all applicable orders, rules, regulations and recommendations of the OFAC of the U.S. Department of the Treasury at all times during the Term; and (iii) Landlord is not named as a “specially designated national” or a “blocked person” on any list published at any time prior to the expiration of the Term by the U.S. Department of the Treasury Office of Foreign Assets Control at its official website, www.ustreas.gov/offices/enforcement/ofac or at any replacement list or website.

23.2 *Representation by Tenant.* Tenant hereby warrants and represents that: (i) neither Tenant nor any of its affiliates is or will become a Prohibited Person (as that term is defined in the OFAC) at any time prior to the expiration of the Term; (ii) Tenant is in full compliance, and shall be in full compliance with all applicable orders, rules, regulations and recommendations of the OFAC of the U.S. Department of the Treasury at all times prior to the expiration of the Term; and (iii) Tenant is not named as a “specially designated national” or a “blocked person” on any list published at any time prior to the expiration of the Term by the U.S. Department of the Treasury Office of Foreign Assets Control at its official website, www.ustreas.gov/offices/enforcement/ofac or at any replacement list or website.

In the event that Tenant or any of its Related Parties supply staff that

Tenant undertakes to immediately notify Landlord if in connection with this Sublease or the business resulting therefrom it receives or becomes aware of any request from a Government Official or any person for any payment, gift, promise or other advantage of the type mentioned in this subsection 24.3.

Tenant acknowledges that the contents of this Sublease may be disclosed by Landlord to third parties for the purposes of demonstrating compliance with this subsection 24.3.

Tenant represents and warrants that neither it nor any of its Related Parties is a Government Official or other person who could assert illegal influence on behalf of Landlord or its Affiliates. If any of the foregoing becomes a Government Official, Tenant shall promptly notify Landlord.

24.4 Audit Rights, Internal Controls and Records Keeping.

For the purposes of documenting compliance with Anti-Bribery Laws, Tenant shall maintain, either physically, by electronic media or on microfilm, all records and information related to the execution or performance of this Sublease for a period of five (5) years after the expiration or termination of this Sublease.

26.8 *Waiver.* The failure of any party to insist upon strict performance of any of the terms or conditions of this Sublease, or to exercise any of its rights under this Sublease, shall not operate as a waiver of such rights, and such party shall have the right to enforce such rights at any time and take such action as may be lawful and authorized under this Sublease, at law or in equity. Notwithstanding the foregoing, no waiver of any condition or covenant of this Sublease by any party shall be deemed to imply or constitute a further waiver of the same of any other condition or covenant of said Sublease.

26.9 *Time of the Essence.* Time is of the essence with respect to the performance of every provision of this Sublease.

26.10 *Recording of Sublease.* Neither Landlord nor Tenant shall record this Sublease, but at the request of either party hereto, and subject to any consent requirements under the Prime Lease, both parties shall execute a short form memorandum hereof in form and substance satisfactory to Landlord, which memorandum may be recorded. The cost of recording such memorandum, including any transfer or recording taxes or fees, shall be borne by Tenant.

26.11 *Submission of Sublease.* The submission of this Sublease for examination does not constitute an offer to lease the Leased Premises and this Sublease becomes effective only upon the full execution of this Sublease by the parties.

26.12 *Survival.* The provisions of this Sublease relating to indemnification from one party to the other party shall survive any termination or expiration of this Sublease. 26.15 *Radon Gas.* RADON is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed Federal and State guidelines (may) have been found in buildings in _____. JIFFY LUBE BUILD TO SUIT DEVELOPMENT AGREEMENT

This Jiffy Lube Build to Suit Development Agreement (the “Agreement”) is made and entered into as of [_____] (the “Effective Date”), by and between Jiffy Lube International, Inc., a Delaware corporation, having its principal place of business at 150 N. Dairy Ashford, Houston, Texas 77079, U.S.A. (“Franchisor”) and [_____] a [_____] (“Franchisee”).

RECITALS

- A. Franchisee seeks to pursue the development of a build-to-suit Jiffy Lube branded service center (the “Service Center”) at the following location: [_____] (the “Site”).
- B. Franchisor, subject to final approval of the Site by the Jiffy Lube Real Estate Committee and Franchisor, has agreed to Franchisee’s ability to develop a build-to-suit Jiffy Lube branded service center at the Site.
- C. Franchisee desires to use the assistance of a Developer for certain services related to the development of the Service Center.
- D. Franchisee acknowledges that Franchisor will become liable to Developer for certain services performed by the Developer based on orders, direction and decisions made by Franchisee.
- E. Franchisor and Franchisee desire to enter into this Agreement so that Franchisee can reimburse Franchisor for any liability or indebtedness of Franchisor caused by Franchisee.

NOW THEREFORE, in consideration of the undertakings and commitments of each party to the other party set forth in this Agreement, the parties agree as follows:

ARTICLE I TERM

1.1 The term of this Agreement shall commence as of the Effective Date and shall continue until _____, unless extended or sooner terminated in accordance with the terms of this Agreement. The term of this Agreement shall automatically renew for one (1) year periods, unless terminated by either party by written notice at least one hundred twenty (120) days prior to the end of the then current term. The period from the date of this Agreement until the date this Agreement is terminated pursuant to the terms of this Agreement shall be known as the “Term.” Notwithstanding the foregoing, the Term of this Agreement shall be extended with respect to any Approved Sites (as defined in ARTICLE II below) until a Project Lease (defined below) is executed with respect to each such Approved Site.

ARTICLE II SITE DEVELOPMENT

2.1 Franchisee acknowledges that, prior to execution of this Agreement, Developer may have (i) entered into a purchase contract with the owner of the Site, and (ii) prepared and submitted to Franchisor (Real Estate committee) and Franchisee a site development package, including an “Initial Budget.” Upon approval of the Initial Budget by Franchisor and Franchisee, as evidenced by the execution of this

Agreement, the total cost set forth in such development package shall be deemed the “Initial Estimate” and the site shall be deemed an “Approved Site” for all purposes under this Agreement.

2.2 Franchisee acknowledges that, upon execution of this Agreement, the Developer may revise the Initial Estimate to reflect, among other things, actual bids received from contractors, subcontractors, and other vendors, and additional work resulting from governmental requirements or site conditions discovered during the due diligence period. Such a revised budget shall be referred to as the “Updated Estimate.” If the Updated Estimate is equal to or less than 105% of the Initial Estimate, otherwise known as the “Maximum Project Costs,” and Franchisee does not object in writing to such Proposed Final Project Budget within five (5) business days after receipt of the same, the Updated Estimate shall be deemed to have been accepted by Franchisee. Upon execution of the Lease, all provisions of this Agreement shall terminate unless previously terminated as per Article III.

ARTICLE III PROJECT TERMINATION

3.1 If the Updated Estimate exceeds one hundred five percent (105%) of the Initial Estimate, Developer may elect to (1) terminate the proposed project without penalty, (2) accept the additional costs for its own account, or (3) attempt to negotiate a cost sharing with Franchisee.

3.2 Franchisor may elect to terminate this Agreement without penalty, at any time, by providing ten (10) days’ written notice to Franchisee, and without penalty to the Franchisee.

3.3 If Franchisee elects not to proceed with the development of a Service Center at the Approved Site after the Effective Date of this Agreement, Franchisee shall owe liquidated damages to Franchisor to reimburse Franchisor for expenses incurred by and/or paid to Developer in an amount equal to Twenty-Five Thousand Dollars (\$25,000.00) related to the Approved Site. In Franchisor’s sole discretion, Franchisor shall either add the \$25,000.00 in liquidated damages to the Franchisee’s monthly invoice, and the amounts owed shall be payable according to the payment terms associated with the invoice, or payment of the \$25,000.00 in liquidated damages shall become due and payable to Franchisee in a manner acceptable by the Franchisor within five (5) business days of the notice provided by Franchisee to Franchisor.

3.4 Notwithstanding the foregoing, Franchisee reserves the right to terminate this Agreement, without the payment of any liquidated damages, by written notice to Franchisor upon the occurrence of any Developer Default. For purposes of this Agreement, the term “Developer Default” means a failure by Developer to perform any of the material obligations described in this Agreement that has not been cured within thirty (30) days after written notice of the failure to perform is given by Franchisee to Franchisor; provided, however, that if such failure or violation cannot reasonably be performed, cured or remedied within such thirty (30) day period, and if Developer shall have commenced in good faith to cure the violation within such thirty (30) day period and shall continue to diligently pursue such cure, Franchisee acknowledges that Developer shall have an additional reasonable period of time to cure the violation before a Developer Default is deemed to have occurred.

3.5 Notwithstanding anything to the contrary in this Agreement, neither party shall be liable to the other for special, incidental, consequential, punitive or exemplary damages under this Agreement.

ARTICLE IV FORCE MAJEURE

4.1 Delays or failure of either party or Developer in the performance of its required obligations shall be excused if caused by circumstances beyond the reasonable control of the party affected, including, but not limited to, acts of God, strikes, labor holiday, fire, flood, windstorm, explosion, riot, war, sabotage, action or request of governmental authority, accident, inability to obtain material, equipment or transportation, provided that a prompt notice of such delay is given and the parties shall be diligent in attempting to remove such cause(s) and thereafter perform such obligations as soon as reasonably practicable under the circumstances; provided, however, that nothing in this paragraph shall excuse a party's failure to any sums due and owing hereunder.

ARTICLE V ARBITRATION

5.1 The parties hereto understand and agree that each will be irreparably injured if this Agreement is not enforced with respect to the development of Approved Sites and the other rights and obligations of the parties hereunder. The parties further covenant and agree that any controversy, claim, or dispute arising out of or relating to any obligation under this Agreement shall be settled by binding arbitration pursuant to the Federal Arbitration Act, and shall be administered in accordance with the applicable rules of the American Arbitration Association (the "AAA"). Unless the decision of the arbitrators provides otherwise, each party shall bear its own attorneys' fees and arbitration costs in any arbitration proceeding pursuant to this Paragraph. 1 Scope, purpose and interpretation of these Terms and Conditions

1.1 Understanding these Terms and Conditions and Your Agreement

- a) These Terms and Conditions govern the Services and are effective on the date you sign your Application and are subject to our approval of you as a customer consistent with our credit underwriting policies and procedures.
- b) These Terms and Conditions and the other JPMC Documents form the Agreement and represent the entire understanding between the Parties and replace any previous relevant agreements for the Services.
- c) By using the Services you agree to all terms of the Agreement.
- d) The Agreement shall continue until it is terminated by you or us.
- e) You will use the Services for business purposes only and not for personal or consumer purposes.
- f) You agree that the Agreement governs any use of the Services that may have occurred before the Agreement became effective.
- g) You agree that in entering this Agreement you have not relied on statements or representations we have made.

1.2 Interpreting this Agreement

- a) Capitalized terms are defined throughout and at the end of this Agreement.
- b) If there is an inconsistency between this Agreement and any JPMC Document, the terms of this Agreement will prevail.
- c) In each JPMC Document:
 - section headings are for convenience only and do not affect its meaning
 - “include” or “including” means “including without limitation”
 - “can” and “may” have the same meaning and allow a Party to take, or not take, any action in its discretion
 - “will”, “shall” and “must” have the same meaning and require a Party to take, or not take an action
 - a reference to a document includes all changes, amendments, schedules, exhibits, and supplements to it, and
 - a word has the same meaning in both its singular and plural forms.
- d) If this Agreement permits us to make a decision, give consent or approve anything, it will be at our discretion, in good faith and conclusive.

1.3 Changes to the Agreement

- a) We can change this Agreement, including suspending or discontinuing any service, by giving you notice and any change is effective from the date indicated on our notice. We will try, but are not required, to give you 30 days’ notice before the effective date of any change in a Fee.
- b) When we give you notice of a change to this Agreement and you continue to use the Services, you accept such change from the date it takes effect.
- c) We can also notify you about any feature we add, delete or modify. If you use our new or modified features, you agree to any related requirements we tell you about.
- d) Our failure to exercise or delay exercising a right under the JPMC Documents is neither a waiver of any right nor does it preclude us from further exercise of any right. Any waiver by us is not effective unless it is signed by us.

2 Use of the Services

2.1 Exclusivity

- a) You agree that for all transactions that originate in the U.S.:
 - we will be your exclusive provider of payment processing services, and
 - you will submit all such transactions to us for processing.
-

2.2 Complying with Card Network Rules and Chase Requirements

- a) The Card Network Rules:
 - are generally available directly from the Card Networks, and
 - govern the Services and your acceptance of Cards.
- b) You agree:
 - to comply with all Card Network Rules, including the Chase Requirements applicable to your Chase Transactions, applicable Legal Requirements and the Security Standards
 - not to cause us to violate the Card Network Rules or Security Standards, and
 - to reimburse us for all Card Network Liabilities.
- c) A Card Network may require, and you will fully cooperate with:
 - an investigation, review, audit, or inspection of your business (including your premises), directly or through us or an agent, to ensure you are complying with the Card Network Rules and Security Standards, and/or
 - the engagement of a forensic investigator approved by the Card Network to investigate any known or suspected Security Breach affecting you, your Systems or your Merchant Service Providers.

2.3 User Guides

- a) You will comply with our user guides related to the Services.

2.4 Authorizing Transactions

- a) Each Transaction must have a valid authorization code.
- b) The authorization code is not a representation from us, a Card Network, or any card-issuing bank that a Transaction:
 - is valid or undisputed, or
 - will not be subject to Chargeback.
- c) You will not originate any Transaction that violates a Legal Requirement or the Card Network Rules.
- d) We are not obligated to process a Transaction or follow an Instruction if we have a good faith reason to deny it, such as suspected fraud.

2.5 Transmitting Transaction data

- a) We will transmit your Transaction data to the applicable Card Network. If a Transaction involves an Eligible Chase Card, we will process it directly as a Chase Transaction.

2.6 Your Settlement Account

- a) You will designate in Proper Form, and maintain, one or more Settlement Accounts to receive settlement funds.
- b) We will fund your Settlement Account for the amount of your Transactions minus all Fees. We will have no responsibility for any settlement of Transactions involving Card Networks that settle funds directly to you.
- c) You authorize us to initiate ACH, wire transfer, or other electronic credit and debit entries to your Settlement Account for amounts owed by or to you under this Agreement, regardless of the source of the account's funds.
- d) Your Settlement Account will remain open while we provide you with our Services and for at least 180 days afterwards (or longer as we may request). During this time you will:
 - ensure that we are permitted to initiate debit and credit entries to or from the Settlement Account
 - not do anything that would prevent us from debiting or crediting a Settlement Account, including closing the Account, revoking our authority to debit the account, or imposing a debit block without giving us at least ten business days' notice and designating a new Settlement Account for our use, and
 - ensure the Settlement Account is used for business purposes only, and not for personal or consumer purposes.

2.7 Accepting equipment

- a) If we sell or otherwise provide you with terminals or other equipment:
 - we are the equipment reseller, and not the manufacturer
 - we will give you pricing and any additional terms (including any manufacturer's warranty) before purchase, and
 - by accepting the equipment, you agree to any related additional terms.

2.9
American Express
(AMEX) OptBlue

- a) If you want to participate in the American Express OptBlue Program then you must comply with the requirements set forth in **Exhibit 1** to this Agreement. Capitalized terms not otherwise defined in Exhibit 1 shall have the meaning set forth in this Agreement.

2.10
Transaction restrictions

- a) You will not submit any Transaction that:
- originates from a business or store location outside of the U.S.

 - could damage the Card Network's goodwill or reputation.
- b) Unless indicated on your Application, you will not submit any Transaction representing an installment sale, a full or partial pre-payment, a deferred payment plan charge, or a recurring billing transaction, or otherwise submit any Transaction until all goods or services are shipped or provided.
- c) You will give us at least 30 days' notice of:
- significant changes to your business, products or services, or
 - any increase in the average time between taking payment and the shipment or delivery of the goods or services which that payment relates to (where we have previously approved you accepting advance payment).
- d) Except as the Card Network Rules allow, you will not give a customer cash as part of a Transaction, including when they are redeeming a prepaid Card.
- e) At every point of interaction, you will clearly and explicitly tell your customer who you are, and distinguish yourself from any third party such as a third-party merchant or your supplier.
- f) You will not sell, buy, give, exchange or otherwise disclose Card Information or any materials including Card Information to anyone other than us, a Card Network, or for a valid request from a Government Authority.

3 Fees, Chargebacks, Refunds and Reserves

3.1
Paying Fees and other
amounts due

- a) You will pay all Fees in full and consistent with the JPMC Documents without set-off or counterclaim. We can debit Fees from your Settlement Account without notifying you regardless of whether we previously provided you with invoices for Fees.
- b) You will pay or reimburse us for our reasonable attorney fees and other costs in connection with any Claims or disputes under this Agreement.
- c) Our Fee Schedule, or any invoice that we provide to you, is the official record of Fees you owe us. If there is a discrepancy between the Fee Schedule and another JPMC Document, we will determine which amount is correct.
- d) In addition to any Fees you pay us, we may also receive commissions, rebates, interchange or other compensation from third parties related to any Service.
- e) The Fees may be adjusted to reflect (i) increases by Card Networks in interchange, assessments, (ii) other Card Network fees, additional fees imposed by the Card Networks, or (iii) increases in third party fees identified in this Agreement or in the JPMC Documents. You will pay all such adjusted fees and each such adjustment shall become effective on the date the fee is implemented by the Card Network or third party provider.
-

- b) You are responsible for all Refunds submitted for processing, including ones third parties submit using your credentials without your authorization.

3.3 Holding a Reserve

- c) We will hold and control any required Reserve.
- d) The Reserve will not bear interest, and we can commingle the Reserve with other funds.

5. Card Network Charges

Card Network Charges

A significant portion of the fees that Paymentech, LLC, also known as Chase Merchant Services ("CMS") charges consists of fees and other charges that CMS pays to the various card networks and payment systems ("Card Networks").

These charges (collectively referred to in this Schedule A as "Card Network Fees", include, but are not limited to, interchange rates, assessments, file transmission fees, access fees, and international and cross border fees, and will be charged to Merchant in addition to the rates set forth above. Whether a particular Card Network Fee applies may be based on a number of factors, such as the type of card or payment method presented, specific information contained within the Transaction, how and when the Transaction is processed, and the merchant's domicile and industry.

Please note that CMS may, from time to time, elect not to charge for certain existing, new or increased Card Network Fees. If CMS elects not to charge any Card Network Fees, CMS reserves the right to begin doing so at any time in the future (including with respect to existing, new or increased Card Network Fees), upon notice to Merchant. No such Card Network Fees will be imposed retroactively.

* Mastercard assesses the Mastercard Acquiring License Fee annually to each Acquirer based on the total annual volume of Mastercard-branded sales (excluding Maestro PIN debit volume) of its U.S. domiciled merchants. To fairly distribute the fee across all CMS Mastercard-accepting merchants, a rate of 0.004% will be applied to all of Merchant's Mastercard gross sales transactions.

Safetech Encryption Devices

If Merchant obtains point of sale device(s) from CMS for use with Safetech Encryption, the following additional fees shall be assessed: (a) a one-time fee of \$10.90 per device; and (b) an encryption injection fee of \$34.95 per device per occurrence. These assessments are in addition to the above Safetech Encryption Fee(s). If Merchant obtains point of sale device(s) from a third party, additional fees may apply. Merchant acknowledges and understands that its use of any fraud mitigation or security enforcement solution (e.g. an encryption product or service), whether provided to merchant by CMS or a third party, in no way limits Merchant's obligation to comply with the Security Standards or Merchant's liabilities set forth in this Agreement.

WRIGHT EXPRESS[®] MERCHANT CHARGE CARD AGREEMENT

JIFFY LUBE FRANCHISEES

The merchant (the "Merchant") identified in the Wright Express Charge Card Agreement Application understands that Wright Express LLC ("WEX LLC") and Wright Express Financial Services Corporation ("WEX FSC"), a wholly-owned subsidiary of WEX LLC, each operate a commercial fleet charge card program (the "Program"). Pursuant to the Program, WEX LLC and WEX FSC issue and service commercial fleet charge cards which may be used by fleet purchasers of motor fuels and or vehicle-related products and services. Merchant wishes to participate in the Program by accepting such charge cards at its retail locations. As used in the numbered sections of this Agreement, the term "WEX" shall mean and refer to (a) WEX FSC when the right, duty or liability hereunder arises from use of a charge card issued by WEX FSC bearing the Wright Express[®] trademark, and (b) WEX LLC when the right, duty or liability hereunder arises from use of any other charge card bearing the Wright Express[®] trademark. Charge cards issued or serviced by WEX LLC or WEX FSC bearing the Wright Express[®] trademark are hereafter collectively referred to as the "Card" or "Cards." Notwithstanding the foregoing, Card or Card(s) shall not include any charge card also bearing the MasterCard trademark. As settlement agent and servicer for WEX FSC, WEX LLC shall make all payments to Merchant on WEX FSC's behalf. WEX LLC, as WEX FSC's servicer, shall also be responsible for all of WEX FSC's communications with Merchant. WEX LLC shall not have any rights, duties or liabilities as principal hereunder for Cards issued by WEX FSC and acts solely as settlement agent and servicer with respect to such Cards. Likewise, WEX FSC shall not have any rights, duties or liabilities hereunder other than for Cards it issues. Merchant, WEX and WEX FSC agree as follows, subject to approval of the Application by WEX LLC and WEX FSC:

1. **Administration of Charge Card Program.** Merchant understands and acknowledges that the Program is operated by WEX and that WEX has adopted certain procedures to be followed by Merchants participating in the Program. Such procedures now in effect, and as may be amended by WEX from time to time, are set forth in full and incorporated herein as Exhibit A, Card Sale Procedures for Merchant Transactions, and Merchant agrees to comply with such procedures.
2. **Honoring Charge Cards.** Merchant agrees to honor at its participating retail sites any Cards properly presented by any person authorized to use such Card (the "Cardholder") for the purchase of goods or services, excluding cash equivalent transactions, authorized by WEX from time to time ("Products"). Transactions involving the use of any Card are hereafter referred to as "Card Sales." WEX will pay Merchant for each Card Sale generated and presented in accordance with this Agreement and the Card Sale Procedures for Merchant Transactions. Merchant shall not submit to WEX any sales draft except sales drafts arising from sales occurring under the Program in accordance with this Agreement and the Card Sale Procedures for Merchant Transactions.
3. **Honoring Sales Drafts.**
 - (a) WEX will pay Merchant for each Card Sale reported by Merchant to WEX; provided, however, that WEX may reject any Card Sales that are not presented to WEX within thirty (30) days of the date of the Card Sale. Each Card Sale shall be deemed to create a sales draft issued by the Cardholder instructing the Card issuer to pay Merchant. WEX shall honor such sales drafts issued in conformity with the terms of this Agreement.
 - (b) If information pertaining to any Card Sale is garbled in transmission such that part or all of the record is likely to vary from what Merchant transmitted, then WEX may advise Merchant of the suspected inaccuracy and request retransmission of the record or other appropriate confirmation. WEX may, with notice to Merchant, withhold payment for such Card Sales until the record is retransmitted or Merchant provides other appropriate confirmation. Similarly, if Merchant has not provided WEX with information that this Agreement requires Merchant to provide WEX and that WEX needs to interpret, verify, or validate a Card Sale, then WEX may, with notice to Merchant, withhold payment for such Card Sale until Merchant sends WEX the necessary information. WEX may make appropriate adjustments in its settlements with Merchant to reflect the receipt or correction of any such Card Sale information.
 - (c) Merchant shall reimburse WEX upon demand all amounts previously paid to Merchant with respect to any Card Sale as to which (i) there shall have been any material breach by Merchant, its employee(s) or agents of any term, representation, condition or warranty set forth in this Agreement and such breach is not subject to cure or is not cured within ten (10) days of notice of such from WEX, or (ii) the Cardholder or any other person obligated for payment has asserted a defense, claim or offset against payment based upon (A) any act, omission or alleged wrongful conduct of Merchant or any employee or agent of Merchant, or (B) any other defense, claim or offset against payment based on the quality or sufficiency of Products which relate to such Card Sale (hereinafter collectively, "Chargeback").
 - (i) The amount due for any Chargeback shall be the aggregate of the unpaid indebtedness due on such Card Sale at the time of Chargeback.
 - (ii) Any obligation of Merchant to pay Chargebacks pursuant to this Agreement shall be unconditional and shall not be waived, released or affected by any settlement, extension, compromise of forbearance or other indulgence or agreement made or granted by WEX with or to any Cardholder or other obligor. Additionally, failure to issue a Chargeback with knowledge of a breach of warranty or other defect shall not be deemed a waiver of any of WEX's rights with respect to such Card Sale. WEX will expend normal business efforts to obtain remedies against Cardholder, but shall not be required to exhaust its remedies against Cardholder or other persons or Products as a condition precedent to requiring performance by Merchant of its Chargeback obligations hereunder.
4. **Fees.**
 - (a) Merchant shall pay WEX a fee which shall be deducted by WEX from the amount of each Card Sale hereunder. The Discount Fee shall be 2.85% of the transaction value. The "transaction value," as such term is used in this Agreement, shall mean total amount charged for Product sold, as reflected on the data transmitted to WEX, including any taxes, if applicable.
 - (b) The Discount Fee is exclusive of any network transaction fee incurred by Merchant.
 - (c) It is understood between the parties that it is the intent of the parties to process all transactions electronically. WEX reserves the right to increase the Discount Fee to 6.5% if the Merchant continues to process transactions telephonically and does not process transactions electronically after ninety (90) days prior notice from WEX ("Telephonic Discount Fee").
 - (d) Merchant shall not surcharge or impose additional fees upon Cardholders who present the Card for payment under the terms of this Agreement.

WEX reserves the right to change these fees upon thirty (30) days' notice to Merchant.

5. **Payment.**
 - (a) WEX shall initiate an electronic funds transfer to an account at a bank participating in the automated clearing house network designated by Merchant no later than **thirty (30) calendar days** following the receipt of the required evidence of each Card Sale at the designated WEX Processing Center, in the face amount of each Card Sale as reflected on the sales slip or on data automatically transmitted to WEX, less any WEX Discount Fee. Any Card Sale data received by WEX from Merchant before 5:00 p.m. (eastern standard time) shall be treated as having been received on the next business day. WEX may periodically offset or deduct from Merchant's payment hereunder any amounts due to WEX from Merchant pursuant to this Agreement. In the event that the calendar day set forth above for payment is a Saturday, Sunday or other holiday, then payment shall be made on the next business day.
 - (b) Any amounts due to Merchant from WEX as a result of the submission of a sales draft may be paid, at Merchant's option, to Merchant's network provider. WEX's payment to Merchant's network provider constitutes payment in full to Merchant under the terms of this Agreement.
6. **General Covenants, Representations and Warranties of Merchant.**

As of the date hereof, and as of the date of each Card Sale reported to WEX hereunder, Merchant hereby represents and warrants that it:

 - (a) is a sole proprietor, partnership, corporation or limited liability company duly organized, validly existing and in good standing;
 - (b) has all the necessary licenses and permits to conduct its business; and,
 - (c) this Agreement constitutes Merchant's legal, valid and binding obligation, enforceable in accordance with its terms.
7. **Covenants, Representations and Warranties of Merchant with Respect to Card Sales.** As of the date hereof and as of the date of each Card Sale reported to WEX, the Merchant represents and warrants that:
 - (a) Each sales draft submitted to WEX shall represent a bona fide Card Sale of Products sold in the ordinary course of business of the Merchant identified in the Wright Express Merchant Charge Card Application for the total sales price reported in the invoice or other data concerning such account furnished by the Merchant to WEX. Merchant has paid or shall pay all taxes assessed by any authority with respect to the Card Sale;
 - (b) The Merchant shall have performed all of its obligations to Cardholder in connection with the Card Sale evidenced thereby;
 - (c) It shall involve no Card Sale other than the one described therein;
 - (d) It shall be in complete compliance with this Agreement and all applicable material laws, rules and regulations governing the same and a true and complete copy of the sales slip or transaction receipt shall be made available to the Cardholder at the time of the Card Sale;
 - (e) All Products covered by each Card Sale shall have been delivered by the Merchant to the buyer and accepted by such buyer;
 - (f) Each Product covered by a Card Sale shall have such quality and grade as represented by the seller dispensing such Product;
 - (g) All sales slips or other writings which bear a signature purporting to be that of a buyer or an authorized card user, and all electronically or hardware generated invoices, records or transactions, or memoranda of sales, shall be genuine and not forged or unauthorized.

- (h) Merchant hereby makes the additional warranties, representations and covenants set forth in Exhibit A of this Agreement. Each of the representations and warranties made by Merchant shall be true and correct as of the date hereof and as to the date of any Card Sale. Any breach of the representations, warranties, or covenants contained in this Agreement with respect to any Card Sale shall be cured if and when Merchant reimburses WEX for such Card Sale in accordance with the chargeback provisions of Section 3(c) above.

8. Report Production

- (a) WEX shall, on a timely basis, either transmit electronically or provide to Merchant or its designee, electronically or in a manner mutually agreed upon, a report of all transactions relating to the funds transferred.
- (b) WEX will provide daily summary settlement reports reflecting gross sales, net sales and amounts due to Merchant.
- (c) At Merchant's request, WEX shall also produce and deliver to Merchant such standard reports as are provided to Merchants in the Program from time to time. All such reports shall be provided to Merchant at its address set forth in the Application (or such other address as Merchant has in writing directed WEX LLC or WEX FSC to use) promptly upon completion thereof. Any reports in addition to customary reports shall be prepared and shipped at Merchant's expense in accordance with WEX's fee schedule as in effect from time to time.

9. Data Input and Transmission.

- (a) In the event that Merchant or its network fails to provide the input data or Card Sales at the time required, Merchant agrees that WEX may extend, as necessary, the time for the completion of the processing of such data; provided, WEX shall not extend the time for payment under §4 beyond the period provided therein.
- (b) Data supplied to WEX shall meet WEX's reasonable standard specifications as provided to Merchant from time to time and shall be in good and usable condition.
- (c) At no time shall Merchant send manual, paper tickets to WEX unless requested by WEX. It is the intention of both parties that all transactions shall be processed electronically by Merchant.
- (d) Any significant technical specification enhancements proposed by WEX are subject to 120 days written notification from WEX to Merchant or its designee and approval by Merchant, which approval shall not be unreasonably withheld.

10. Responsibilities of Merchant.

- (a) Merchant is responsible for the data entry of information by its personnel, or representatives, operation and maintenance of the associated input equipment, and provision of all networking services.
- (b) Merchant agrees that if corrections or additional processing is necessitated by incorrect posting or defective input by Merchant's employees or representatives, then **SERVICEMERCHANT** shall pay for all reasonable charges for such additional processing.
- (c) Merchant shall review each report promptly upon receipt. The failure of Merchant to notify WEX within sixty (60) days of receipt of the applicable report as to any errors contained in such report shall constitute Merchant's acceptance of such report as complete and satisfactory performance of WEX under this Agreement.
- (d) Merchant agrees that services rendered under this Agreement shall not relieve Merchant from any obligations to maintain records.
- (e) Payment of all taxes, fees and other charges relating to purchases made shall be the responsibility of Merchant, and WEX shall have no obligation with respect to the collection, payment or reporting of such taxes.
- (f) Prior to the initiation of the first live transaction, Merchant shall obtain from WEX the necessary acceptance certification for networks and point-of-sale (POS) services utilized by Merchant for processing of Card Sales pursuant to this Agreement. Merchant will also supply to WEX, as part of the certification process and for ongoing customer service needs, test terminals representing Merchant's site POS options. All software upgrades will be supplied to WEX as they are released for testing, and prior to being released for field use for WEX certification.
- (g) Merchant is responsible for the timely correction of all settlement report error file transaction listings reported by WEX on its error file report. Error file transactions include: unidentified site location, unidentified vehicle number, improper product code, and incorrect price. Timely correction is considered within ten (10) business days of receipt of the error file report from WEX. If Merchant fails to correct the error file report, WEX will not remit payment to Merchant in accordance with §5. Merchant can elect to have WEX work and correct the error file on Merchant's behalf by providing a request in writing. WEX will charge its prevailing rate for such services.
- (h) Merchant hereby authorizes WEX to refer to a default price per gallon table which may be used when the calculated price per gallon for the transaction falls outside of WEX's acceptable range of pricing which is updated by WEX from time to time based upon existing market conditions. The table is based upon average price per gallon data collected from all merchants in the Merchant's service area. Use of the default price per gallon does not affect the transaction value submitted for settlement and is only used to facilitate reporting to fleet customers.
- (i) Merchant hereby authorizes WEX to refer to the authorization log to obtain information to complete the processing of transactions in the event that errors are detected by WEX during processing. It is understood by the parties that the information contained in the authorization log is the "actual, real-time" information received by WEX from the Merchant at the time the use of the charge card issued by or bearing the WEX logo was authorized. It is further understood that if sufficient information is not available in the authorization log to correct any errors in the transaction file received by Merchant or Merchant's network for processing, then these transactions will be returned in accordance with this Agreement for correction. Use of the authorization log does not relieve the Merchant from its obligations under this Agreement to provide accurate and timely transaction data for processing.

11. Term

Unless sooner terminated pursuant to the provisions of §12 hereof, this Agreement shall remain in effect until December 31, 2006. Thereafter, this Agreement shall automatically renew for additional two (2) year terms immediately upon expiration of the term then in effect, unless written notice of termination shall have been sent by certified or registered mail by either party to the other party at least ninety (90) days prior to termination of the term in effect. Upon termination, Merchant shall (a) cease entering into Card Sales using the Card or Cards with respect to which this Agreement is terminated; (b) cease promoting the same pursuant to this Agreement, and; (c) return an unused materials or supplies issued by WEX with respect to any Card. Termination shall not affect either party's respective rights with respect to transactions using such Card(s) entered into before termination.

12. Termination

Either WEX or Merchant may terminate this Agreement upon the occurrence of any of the following: (a) the failure to comply with any of the covenants or the terms, conditions, agreements and limitations set forth in this Agreement, and such failure continues for more than thirty (30) days following written notice from any other party hereto; (b) any representation or warranty made in connection with the transaction contemplated by this Agreement shall prove to have been false or misleading in any material respect, except that for the purpose of this Section only, a breach of any representation or warranty made by Merchant with respect to any Card Sale pursuant to §7 hereof may be cured by reimbursement to WEX of the amount of the Card Sale in accordance with the provisions hereof; (c) the making of an assignment for the benefit of creditors or the institution of any bankruptcy or insolvency proceeding by any party hereto; (d) the institution by a third party of any bankruptcy proceeding against any party hereto which is not dismissed within thirty (30) days; or (e) the dissolution or determination of operations of any party hereto other than in connection with a merger or sale of substantially all of such party's assets. Notwithstanding the above, either party may terminate this Agreement at any time upon delivery of written notice of termination fifteen (15) days prior to the effective date of such termination. When terminated, whether for cause or not, Merchant and WEX shall both continue to be liable for any transactions entered into or rights created or obligations incurred prior to termination, subject to the provisions of this Agreement.

13. Warranties and Disclaimers

- (a) WEX hereby agrees to exercise its best efforts to provide accurate and complete reports, based upon the data transmitted to WEX by Merchant or its network. Notwithstanding the foregoing or any other provision of this Agreement, except to the extent the amount due to Merchant may have been inaccurately reported, thereby requiring further payment to Merchant, WEX shall not be responsible for the accuracy and completeness of such reports and shall not be liable for any loss, liability or damages, including consequential damages resulting from any inaccuracy or incompleteness of such reports. **EXCEPT AS EXPRESSLY STATED HEREIN, WEX HEREBY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, CONCERNING SERVICES COVERED BY THIS AGREEMENT, INCLUDING ALL WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE.** Neither party shall be liable to the other for any damages resulting from performance or failure to perform pursuant to this Agreement, unless such performance or failure to perform is due to gross negligence or willful misconduct. Notwithstanding the foregoing, neither party shall be liable to the other for any indirect, special, incidental or consequential damages, including, but not limited to, lost profits even if the parties have knowledge of the possibility of such damages. Furthermore, Merchant agrees and acknowledges that WEX will not be liable to Merchant for any damages resulting from the performance or the failure to perform of any Automated Clearing House Association.

For any Cardlock or unattended sites, notwithstanding anything else contained in this paragraph, Merchant hereby indemnifies and agrees to hold WEX harmless of and from any and all loss, cost, damage or expense arising out of or relating to the claims of third parties for personal injury or property damage resulting from use or misuse of any of Merchant's facilities or products.

Exhibit A
CARD SALE PROCEDURES
FOR MERCHANT TRANSACTIONS

1.1 CARD SALES

- A. Merchant shall provide at Merchant's expense all necessary equipment to permit the electronic acceptance of the Card at its locations and to collect sales data and to transmit the same to WEX's data center. The sales data shall include the capture and transmission to WEX of account, vehicle, driver identification number, sales date, sales time, site identification number, authorization number, product, quantity, sales dollars, odometer, and such other information as WEX and Merchant may mutually agree upon.
- B. Each Card Sale shall be evidenced by a record in a form mutually acceptable to Merchant and WEX from time to time.
 - i. Merchant will obtain and record for each Card Sale an authorization number provided by WEX or its designated authorizing network.
 - ii. For Card Sales effected and recorded through an Island Card Reader machine or similar device (collectively "ICR") the transaction shall be completed and recorded in such a manner as WEX and Merchant may mutually agree upon from time to time. In addition, Merchant shall make available to the Cardholders a true and complete copy of a receipt of the transaction ("Transaction Receipt").
 - iii. For Card Sales effected and recorded through an electronic authorization terminal, each transaction shall be evidenced by a record in a form mutually acceptable to Merchant and WEX from time to time ("Sales Slip") and completed by Merchant as follows:
 - a. Merchant shall legibly record on the Sales Slip all information required in accordance with operating procedures reasonably prescribed by WEX from time to time;
 - b. Merchant shall require the Cardholder to sign the Sales Slip, assuming it is a non-island reader transaction; and
 - c. Merchant shall provide to the Cardholder a true and complete copy of the Sales Slip upon completion of each Card Sale.
- C. For all Card Sales effected, Merchant shall for a period of one year maintain a true and complete record of the transaction (the "Evidence") in a manner satisfactory to WEX (including the signed Sales Slip for transactions effected through an electronic authorization terminal).
- D. Merchant shall maintain and provide the Evidence of Card Sales to WEX on reasonable request of WEX, such Evidence to be provided within ten (10) business days of WEX's request. Failure to provide such Evidence shall permit WEX to require Chargeback pursuant to Section 3 (c) of the Agreement.

1.2 MANUAL CARD SALES AT ELECTRONIC SITES

- A. It is the intent of the parties that all Card Sales will be effected and recorded electronically. In instances where this is not possible, the initial sale may be effected and recorded manually ("Manual Card Sale"), and thereafter recorded electronically by Merchant. In addition to the procedures contained in Sections 1.1 and 1.3 of this Exhibit A, the following procedures shall be followed:
- B. As soon as possible after effecting the Manual Card Sale, the sales data shall be recorded electronically by Merchant. If Manual Card Sales data cannot be recorded electronically Merchant shall send a copy of the Sales Slip to WEX at such of WEX's processing centers as WEX may designate from time to time;
- C. For those Manual Card Sales which are not subsequently recorded electronically by Merchant pursuant to Section 1.2(1) above, WEX reserves the right in addition to fees charged under Section 5 of the Agreement, to charge a manual transaction fee of \$0.20 per transaction;
- D. Merchant shall follow such other procedures as may be reasonably prescribed by WEX from time to time.

1.3 AUTHORIZATION FOR ALL CARD SALES

- A. Merchant shall effect no Card Sales through use of an expired Card or when advised, upon authorization inquiry, that the Card is not to be honored. Merchant shall make an authorization inquiry to WEX or such authorization center as may be designated by WEX from time to time by telephone or other designated means before effecting any Card Sales.
- B. If Merchant is unable to obtain an authorization for a Card Sale due to the fact that the communication facilities designated by WEX are at the time not operable, Merchant may make a Manual Card Sale. WEX will establish dollar limits for the amount of exposure WEX will accept on the above Manual Card Sales. These limits are currently \$35.00 per transaction and \$250.00 per day per location. WEX reserves the right to change these limits from time to time. All Manual Card Sales that exceed the established limits, both per transaction and in the aggregate, shall be at the credit risk of Merchant. Merchant shall never make any Card Sale without specific authorization where Merchant believes or has reason to believe that the Card may be counterfeit or stolen or the transaction is in any way fraudulent or otherwise suspicious.
- C. In the event that Merchant is unable to submit a transaction to WEX for processing electronically, Merchant may:
 - i. use a third party provider to process manual, paper tickets so that the transaction is submitted to WEX electronically for processing;
 - ii. keep a record of the required account and transaction information and submit electronically at a later time to WEX when the electronic processing systems are up and running. It is understood and agreed that the Merchant assumes all responsibility for the security of the account information that it may maintain in order to submit the transaction. In addition, Merchant assumes any and all risk and liability in the event that at the time of submission, the transaction is not authorized or otherwise accepted by WEX for processing. In either case, the transaction may be rejected or returned to Merchant in accordance with these card sale procedures and the chargeback provisions of this Agreement.
- D. Upon approval by WEX or a designated authorization center, Merchant shall write the authorization number given by WEX or the authorization center on the Sales Slip. Transparency Principles: COMPLIANCE REQUIREMENTS

Synchrony Bank promotes full transparency and disclosure to all applicants for its credit card program (the “Synchrony Bank Financing Program”). To assure that applicants are aware of several key attributes of the Synchrony Bank Financing Program, you hereby agree as follows:

1. You will ensure that training on how to offer, process and transact with the Synchrony Bank Financing Program is integrated into your existing associate training program. Helpful training materials including videos, self-paced courses and pre-recorded webinars can be found online at Synchrony’s Learning Center: www.mysynchrony.com/learningcenter.
2. Your customers must receive the Credit Card Agreement in writing and have the opportunity to review it and other disclosures in the application brochure before signing an application.
3. You must retain each applicant’s signature page and sales receipts in a secure location for no less than 25 months from the date of the application. Failure to keep and, upon request, produce the signature page to Synchrony Bank may expose your business to an automatic chargeback upon consumer dispute.
4. Fees may not be charged to consumers for applying for credit or for using their Synchrony Bank account to finance purchases. These fees have been called Administration Fees, Documentation Fees or other generic terms. All are prohibited by your Card Acceptance Agreement with Synchrony Bank and you will be responsible for refunding customers accordingly.
5. You or your staff must inform all Synchrony Bank Financing Program applicants of the following:
 - The Synchrony Bank Financing Program is a credit card and is NOT an in-house credit program. The Synchrony Bank Financing Program is NOT an interest-free credit card.
 - Cardholders should be provided with information about the different special financing options available to them and how they work before requested to choose which one to use for their specific purchase. It is especially important that cardholders understand the basic features of No Interest, Reduced Interest and Deferred Interest /No Interest if Paid in Full options, if all these type of promotions are being offered. The key concepts include:
 - The length of the promotion
 - Whether the promotion expires and if so what happens upon expiration
 - Required payments during the promotional term
 - For Deferred Interest promotions, deferred interest accrues on the outstanding balance during the promotional period from the date of the transaction. Finance charges can be avoided ONLY IF the promotional balance is paid off prior to the end of the promotional period.
6. You must complete the document that provides the promotional terms to the customer. These may be referred to as sales slips, sales receipts or Optional Financing Plan (OFP) forms (not required for online sale transactions – these will auto print through Business Center). For all Synchrony Bank promotional transactions, obtain the cardholder’s signature on the printed sales receipt.
7. You will advise customers of any policy regarding returns/refunds.
8. These program guidelines are designed to provide transparency for cardholders. Synchrony Bank reserves the right to monitor your adherence to these and other Synchrony Bank Financing Program policies subject to the consequences defined in your Card Acceptance Agreement.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or “doing business as” (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity’s name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a “disregarded entity.” See Regulations section 301.7701-2(c)(2)(iii). Enter the owner’s name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity’s name on line 2, “Business name/disregarded entity name.” If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.

You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

5. Card Network Charges

Card Network Charges

A significant portion of the fees that Paymentech, LLC, also known as Chase Merchant Services ("CMS") charges consists of fees and other charges that CMS pays to the various card networks and payment systems ("Card Networks").

These charges (collectively referred to in this Schedule A as "Card Network Fees", include, but are not limited to, interchange rates, assessments, file transmission fees, access fees, and international and cross border fees, and will be charged to Merchant in addition to the rates set forth above. Whether a particular Card Network Fee applies may be based on a number of factors, such as the type of card or payment method presented, specific information contained within the Transaction, how and when the Transaction is processed, and the merchant's domicile and industry.

Please note that CMS may, from time to time, elect not to charge for certain existing, new or increased Card Network Fees. If CMS elects not to charge any Card Network Fees, CMS reserves the right to begin doing so at any time in the future (including with respect to existing, new or increased Card Network Fees), upon notice to Merchant. No such Card Network Fees will be imposed retroactively.

* Mastercard assesses the Mastercard Acquiring License Fee annually to each Acquirer based on the total annual volume of Mastercard-branded sales (excluding Maestro PIN debit volume) of its U.S. domiciled merchants. To fairly distribute the fee across all CMS Mastercard-accepting merchants, a rate of 0.004% will be applied to all of Merchant's Mastercard gross sales transactions.

Safetech Encryption Devices

If Merchant obtains point of sale device(s) from CMS for use with Safetech Encryption, the following additional fees shall be assessed: (a) a one-time fee of \$10.90 per device; and (b) an encryption injection fee of \$34.95 per device per occurrence. These assessments are in addition to the above Safetech Encryption Fee(s). If Merchant obtains point of sale device(s) from a third party, additional fees may apply. Merchant acknowledges and understands that its use of any fraud mitigation or security enforcement solution (e.g. an encryption product or service), whether provided to merchant by CMS or a third party, in no way limits Merchant's obligation to comply with the Security Standards or Merchant's liabilities set forth in this Agreement.

Transparency Principles: COMPLIANCE REQUIREMENTS

Synchrony Bank promotes full transparency and disclosure to all applicants for its credit card program (the "Synchrony Bank Financing Program"). To assure that applicants are aware of several key attributes of the Synchrony Bank Financing Program, you hereby agree as follows:

1. You will ensure that training on how to offer, process and transact with the Synchrony Bank Financing Program is integrated into your existing associate training program. Helpful training materials including videos, self-paced courses and pre-recorded webinars can be found online at Synchrony's Learning Center: www.mysynchrony.com/learningcenter.
2. Your customers must receive the Credit Card Agreement in writing and have the opportunity to review it and other disclosures in the application brochure before signing an application.
3. You must retain each applicant's signature page and sales receipts in a secure location for no less than 25 months from the date of the application. Failure to keep and, upon request, produce the signature page to Synchrony Bank may expose your business to an automatic chargeback upon consumer dispute.
4. Fees may not be charged to consumers for applying for credit or for using their Synchrony Bank account to finance purchases. These fees have been called Administration Fees, Documentation Fees or other generic terms. All are prohibited by your Card Acceptance Agreement with Synchrony Bank and you will be responsible for refunding customers accordingly.
5. You or your staff must inform all Synchrony Bank Financing Program applicants of the following:
 - The Synchrony Bank Financing Program is a credit card and is NOT an in-house credit program. The Synchrony Bank Financing Program is NOT an interest-free credit card.
 - Cardholders should be provided with information about the different special financing options available to them and how they work before requested to choose which one to use for their specific purchase. It is especially important that cardholders understand the basic features of No Interest, Reduced Interest and Deferred Interest /No Interest if Paid in Full options, if all these type of promotions are being offered. The key concepts include:
 - The length of the promotion
 - Whether the promotion expires and if so what happens upon expiration
 - Required payments during the promotional term
 - For Deferred Interest promotions, deferred interest accrues on the outstanding balance during the promotional period from the date of the transaction. Finance charges can be avoided ONLY IF the promotional balance is paid off prior to the end of the promotional period.
6. You must complete the document that provides the promotional terms to the customer. These may be referred to as sales slips, sales receipts or Optional Financing Plan (OFP) forms (not required for online sale transactions – these will auto print through Business Center). For all Synchrony Bank promotional transactions, obtain the cardholder's signature on the printed sales receipt.
7. You will advise customers of any policy regarding returns/refunds.
8. These program guidelines are designed to provide transparency for cardholders. Synchrony Bank reserves the right to monitor your adherence to these and other Synchrony Bank Financing Program policies subject to the consequences defined in your Card Acceptance Agreement.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or “doing business as” (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity’s name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a “disregarded entity.” See Regulations section 301.7701-2(c)(2)(iii). Enter the owner’s name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity’s name on line 2, “Business name/disregarded entity name.” If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

IF the entity/person on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation
• Individual • Sole proprietorship, or • Single-member limited liability company (LLC) owned by an individual and disregarded for U.S. federal tax purposes.	Individual/sole proprietor or single-member LLC
• LLC treated as a partnership for U.S. federal tax purposes, • LLC that has filed Form 8832 or 2553 to be taxed as a corporation, or • LLC that is disregarded as an entity separate from its owner but the owner is another LLC that is not disregarded for U.S. federal tax purposes.	Limited liability company and enter the appropriate tax classification. (P= Partnership; C= C corporation; or S= S corporation)
• Partnership	Partnership
• Trust/estate	Trust/estate

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

A—An organization exempt from tax under section 501(a) or any individual retirement plan as defined in section 7701(a)(37)

M—A tax exempt trust under a section 403(b) plan or section 457(g) plan

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.

You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions.

You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. ABOUT THE PROCESS

The following are steps to creating your new store's Entity specific POS Database. All new stores, opening as a Jiffy Lube service center for the first time; or when a store changes entity via a store transfer or ownership change, data at the store and at corporate has to be updated. Scheduling will occur after closing (financial) occurs for the donor store or transferring store. New stores will require a donor store to be designated. Ideally another store in the same entity or a nearby store of another Franchisee, providing we receive that Franchisee's permission. If this is an existing store being transferred to a new entity, the POS Database will be transferred from the former entity/donor store (referred to hereafter as Former Entity) to the acquiring entity (referred to hereafter as Acquiring Entity). The Acquiring Entity has the option to keep some data from the existing store's POS Database or to "discard" all POS data and copy data from one of the Acquiring Entity's existing stores. These options are indicated on the Data Reload Checklist.

***** DO NOT FORWARD ANY COMMUNICATIONS DIRECTLY TO THE STORE *****

REQUIREMENTS & ASSUMPTIONS

For information needed, requests, or to obtain soft copy of this document, email jiffy-lube-pos-support@shell.com.

1	The POS Data Reload Checklist must be completed and submitted to JLI POS Support at least 15 business days before the date of the store transfer to allow for IT scheduling and staffing.
2	The POS Data Reload Checklist should be completed by the Acquiring Entity's JLI District Manager and a representative from the Acquiring Entity that holds authority to make decisions about data. JLI POS Support will assist as needed.
3	On the last night of operations under the Former Entity, each store must close normally, including reconciling all credit cards. Do not shut down the POS system. The POS system needs to remain on for the data to update.
4	If the Acquiring Entity is retaining former entity employees, those employees need to be linked to their home store (store being acquired) to keep employee data.
5	The maximum number of stores that can be transferred in one night will depend on other activity such as End of Lease replacements, POS enhancement releases, day of the week, and holidays.
6	Credit card processing will be changed as part of the transfer process. All contracts and set up with the current JLI card processor must be handled at least 1 week prior to transfer.

DATA CONSIDERATIONS

► Store Transfer Type

Explain transfer types here

1	New Store to New Entity Group Put scenario explanation here
2	New Store to Existing Entity Group Explain here
3	Existing Entity Group/Store to Existing Entity Group Explain here
4	Existing Entity Group/Store to New Entity Group Explain here
5	Closed Store to New Entity Group Explain here
6	Closed Store to Existing Entity Group Explain here

7	<p>Existing Entity Group/Name Change Explain here.</p>
---	---

► **Store items and services (including packages)**

The Acquiring Entity will need to choose one of the following options

1	<p>Keep all information exactly as it exists from the store being transferred (Retain Current Data) Implications: Items, packages, services and Otto Care information will be exactly as it was for the store prior to the transfer. Any credits, wildcards, upcharges or store categories that exist will be added to the Acquiring Entity. Since this is entity level data, it would be available to ALL Acquiring Entity stores after the store transfer.</p>
2	<p>Discard all information and copy data from an existing store of the Acquiring Entity (Use Donor Store) Implications: Only master file information (items, services) is copied. All inventory, lot and usage data is lost. Inventory will need to be recounted and entered into POS the first morning after the store transfer.</p>

► **Promotions**

The Acquiring Entity Group will need to choose one of the following options

- > New store opening under an existing Entity Group will automatically inherit that Entity Group's promotion structure
- > New store opening under a new Entity Group, promotions will be copied from the donor store's Entity Group.

1	<p><u>Keep promotions in effect as the Former Entity</u> Implications: Former Entity's promotions will be merged with those already existing with the Acquiring Entity. All Former Entity promotion codes that already exist with the Acquiring Entity will be discarded. Promotions must be distributed by the Acquiring Entity after transfer to new store(s) if the Acquiring Entity uses store level promotion distribution.</p>
2	<p><u>Discard promotions</u> Implications: Acquiring Entity will have to distribute promotions to the new store(s) manually.</p>

► **Employees**

Data transferred includes the employee and user records, pay set up information, time history and payroll history for the last 45 days. The Acquiring Entity Group has 3 choices for transferring employee data.

Note: New entity group opening a new store, do not copy employee data from a donor store's entity group.

- | | |
|---|--|
| 1 | Copy all active employees from the Former Entity with a home store designation of the store being transferred. Former Entity employees need to be linked to their home store (store being acquired) to keep employee data. |
| 2 | Copy all active employees from the Former Entity with a home store designation of the store being transferred AND all back office users (those with NULL home store designations) of the Former Entity. Former Entity employees need to be linked to their home store (store being acquired) to keep employee data. |
| 3 | Do NOT copy any employee data. This option would make sense when the Acquiring Entity is planning on running the new store(s) with Acquiring Entity's established staff, or when the Acquiring Entity is acquiring only a few members of the Former Entity staff. All employee data must be added manually after the store transfer using the employee set up function.
Note, if this option is selected JLI will not be able to go back to recover employee data information. All employee data will be lost and employees will have to start their JLU training from the beginning. |

► **Fleets**

If the Former Entity used MyFleetCenter or JLI National fleet accounts and the Acquiring Entity intends to use the same, no action is required. **Note**, local fleets not billed by MyFleetCenter will not transfer. The Acquiring Entity will need to obtain the local fleet listing from the Former Entity prior to the store transfer for manual entry after the transfer.

GROW POS Data Reload Process

This is a Voluntary program and applies only to JLI designated fleet management fleet companies at present those accounts are **ARI/HOLMAN, BBL Leasing, Donlen, Element, Emkay, Enterprise, Lease Plan, MAP/Wheels, Mike Albert Leasing, Merchants and Union Leasing.**

Applies only to oil changes, but to all oil changes for these fleet accounts

Pricing for oil changes for **2021-2022** program year (goes from July 1 to June 30 with annual renewal) are:

44.99 Conventional

64.99 Blend and High Mileage

89.99 Synthetic

Pricing includes first 5 quarts of oil and standard oil filter

Extra quarts oil and special filters are at posted retail price

The JLI negotiated national fleet discount is applied to the above prices

GROW has specific service codes that must be set up and activated by you if participating, service codes are FMC1-25

Parts and labor must equal the agreed upon prices above

Participation is at legal entity level, not store level. All stores in the same legal entity name must either participate or not.

Once annually a renewal process occurs if there are changes to the program that qualifies for an Opt Out process. This includes a price reduction and/or a new fleet company added to the DNE program. All stores are automatically set to participation status unless the franchisee responds within the Opt Out window (communicated by JLI via JL News) that they wish to opt out. The opt out process is done via a link in JiffyMarketing.com, and active only during the Opt Out window (at least two weeks).

Consequences of not participating are:

-Fleet management companies reserve the right to direct their vehicles to participating stores only

-Fleet management companies reserve the right to question oil change prices and attempt to negotiate at time of sale for all non-participating stores

-Any issues encountered with the fleet management companies, whether questions or incorrectly rejected invoices based on price, must be managed entirely by the franchisee. JLI will not dedicate staff to assist

With either decision on participation, GROW will be set up by JLI that allows your store(s) to use either the standard SS oil change service codes, or the DNE FMC service codes on fleet management accounts. Stores will not have a choice on which codes to use on these accounts, and GROW will give them appropriate messages if the wrong code is attempted to be used on the wrong account.

Please review the above and let me know if you have questions, and your decision to participate or not. The decision is required to be made before store opening. The actual GROW setup by JLI cannot occur until just before the store is opened.

If SOPUS discontinues the sale of any Product under this Agreement and does not then offer an alternative, comparably equivalent product as determined by SOPUS, upon prior written approval from SOPUS, BUYER shall be relieved of its obligation to purchase such discontinued Product from SOPUS and may purchase such discontinued Product or a comparably equivalent product from a source other than SOPUS until and unless SOPUS subsequently offers such discontinued Product or an alternative, comparably equivalent product as determined by SOPUS. If SOPUS’s supply of any Products sold at the place from which deliveries thereof are usually made is, or will be, insufficient at any time for SOPUS to meet the requirements of its customers, contract or non-contract, which normally are, or would be, met from such place, then SOPUS will apportion deliveries to BUYER and its other customers in accordance with its then current policy of apportionment or allocation of supply, without obligation on SOPUS’s part to supplement its supply at such supply point or to change its supply point for BUYER or any other customer.

2. TERM. This Agreement shall be effective during the Purchase Term unless earlier terminated or otherwise extended in accordance with the provisions of this Agreement.

3. PRODUCT PURCHASES; PAYMENT CALCULATION.

- (a) SOPUS agrees to sell and BUYER agrees to buy, receive, and pay SOPUS for all Products purchased from SOPUS, including but not limited to the Products described in Article 1(s). BUYER agrees to (1) purchase at least the Annual Product Purchase Requirement during each Annual Period. BUYER shall remain responsible for the payment for any and all Products purchased during or subsequent to the termination of this Agreement. BUYER agrees and acknowledges that only purchases of Qualifying Products directly from SOPUS shall be calculated in determining whether BUYER has met the purchase requirements described herein.
- (b) Unless otherwise agreed in writing by the Parties, in the event that a Service Center is removed from Exhibit A (the "Removed Service Center") for any reason including, but not limited to, non-renewal of the applicable Franchise Agreement, its closure or sale, unless the requirements of Article 15 are met, BUYER shall provide SOPUS with at least 60 days advanced written notice. Upon receipt of such notification, SOPUS shall determine the Removed Service Center's applicable portion of the unpaid Funds by prorating to the Removed Service Center a portion of the remaining Funds by using the Service Center's trailing twelve (12) months' car count as a ratio to BUYER's total trailing twelve months car count for all its Service Centers. The remaining Funds shall be calculated by subtracting any Funds repaid by the BUYER via the Repayment Rate since the Effective Date of this Agreement (the "Removed Service Center's Purchase Requirement"). If SOPUS determines that BUYER does not have the ability to comply with the Removed Service Center's Purchase Requirement by applying it to the remaining Service Centers, then within 30 days of the deletion of the Removed Service Center from Exhibit A, BUYER shall pay SOPUS an amount equal to the Removed Service Center's Purchase Requirement. If SOPUS determines that BUYER can fulfill the Removed Service Center's Purchase Requirement or a portion thereof through the

remaining Service Centers, then for that portion of the obligation that BUYER can fulfill, BUYER has the option of (1) paying the original Advanced Funding Rate used at the time Funds were provided, times the portion of the Removed Service Center's Purchase Requirement that could be absorbed by the remaining Service Centers or (2) applying the portion of the Removed Service Center's Purchase Requirement that could be absorbed by the remaining Service Centers to the Annual Product Purchase Requirement of the remaining Service Centers to the remaining Funds of the remaining Service Centers via the Repayment Rate.

- (c) Upon the termination of this Agreement prior to the expiration of the Purchase Term, or in the event (1) this Agreement terminates for any reason or (2) BUYER fails to satisfy the Annual Product Purchase Requirement during the Purchase Term, BUYER shall immediately pay SOPUS all amounts due pursuant to this Agreement, unless otherwise agreed to the contrary by the Parties.

4.FUNDING

As of execution of this Agreement by the Parties, the Parties acknowledge that any Funds owed to SOPUS by BUYER prior to this Agreement are calculated as of _____ ("Assessment Date"). Buyer shall have fifteen (15) days to provide written notice if BUYER does not agree with the amount of Funds specified by SOPUS.

- (a) **Conversion of Pre-Existing Obligations.** BUYER agrees that it has existing commitments to repay certain obligations in accordance with pre-existing agreements with SOPUS, including but not limited to, those relating to the purchase of JLI stores or the repayment of previously advanced funds as the case may be. Consequently, the Parties agree that SOPUS is hereby providing the Conversion Funds to be applied toward satisfaction of the obligations under the following agreements that BUYER has with SOPUS: (List Agreement Title(s), Effective Date(s), IMS #(s)) (together with any amendments thereto, the "Pre-existing Agreements"). The Parties further agree that such outstanding obligations for such Pre-Existing Agreements shall be repaid by BUYER in accordance with Article 4 (f) below. **[OPTION: - INTENTIONALLY LEFT BLANK.]**

For purposes of this Agreement, funded pricing shall mean the price of Product as set forth in Article 5 below plus the Repayment Rate and unfunded pricing shall mean the price of Product as set forth in Article 5 below without the Repayment Rate surcharge.

(b) **Advanced Funding**

- (i) Eligibility: Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER has repaid the Funds received, if any, in accordance with the terms hereof, (3) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, (4) SOPUS determines in its sole and absolute discretion, at the time of each disbursement, that BUYER's credit worthiness is acceptable; (5) that all accounts receivable are current; and (6) that all notes or guarantees that SOPUS, JLI, or their affiliates enter into with or for the benefit of BUYER, including but not limited to and UNL Program loans, are current and not in default, on the fifth anniversary of the Effective Date and on every fifth

anniversary thereafter or earlier if there are no Funds outstanding or if BUYER repays any previously received Funds prior to such five year anniversary, BUYER will be eligible to receive Advanced Funding in five year increments (or less if the Agreement expires in less than five years). The amount of such Advanced Funding, if any, shall be determined by SOPUS taking into consideration BUYER's credit worthiness and the previous 12 months' car count for all the Service Centers multiplied by 1.3 multiplied by eighty-five percent (85%) multiplied by the number of years (1 to 5 or a fraction thereof rounded to the nearest month) to be funded multiplied by the Advanced Funding Rate. Based on SOPUS's review of BUYER's credit worthiness at the time of payment, at SOPUS's sole and absolute discretion, Advanced Funding shall be paid by SOPUS either (a) within sixty (60) days of BUYER qualifying for such Advanced Funding or (b) via an alternate payment schedule. Such Advanced Funding received, if any, shall be deemed Funds for purposes of this Agreement and repaid as set forth in Article 4 (f) below.

(ii) Options: BUYER may be eligible to receive Advanced Funding, if BUYER has not yet repaid the Funds previously received, BUYER, at its option, may:

- (1) repay to SOPUS any outstanding Funds amount via payment by ACH (in accordance with the instructions in Article 10 (f) below), or other payment method that may be designated by SOPUS, and thereafter be eligible to either (a) receive additional Advanced Funding for another five year increment (or less if the Agreement expires in less than five years) and the amount of such shall be determined by SOPUS at its sole discretion by taking into consideration BUYER's credit worthiness and the last 12 months' Service Center car count as described in Article 4 (b) (i) , or (b) move from funded pricing to unfunded pricing (as such terms are defined in Article 4 (a) above); or
- (2) defer eligibility to receive any Advanced Funding until such time as BUYER has repaid the Funds; or
- (3) request that SOPUS determine the amount of Advanced Funding BUYER may be entitled to for the next five-year period as if BUYER had repaid the Funds in full, as described in Article 4 (b) (i) and have SOPUS deduct from such additional Advanced Funding the amount of the outstanding Funds.

(c) Growth Funding

- (i) Eligibility: Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, (3) SOPUS determines in its sole and absolute discretion, at the time of each disbursement, that BUYER's credit worthiness is acceptable; and (4) that all accounts receivable and that all notes or guarantees that SOPUS, JLI, or their affiliates enter into with or for the benefit of BUYER, including but not limited to UNL Program loans, are current and not in default, BUYER will be eligible to receive additional funding from SOPUS for the building, acquisition or conversion of new to SOPUS or JLI Service Center(s) at the

time the new Exhibit A is agreed by the Parties as set forth in 1(v). For any new to SOPUS or JLI Service Center added by BUYER to Exhibit A, BUYER will be entitled to receive Growth Funding if and only if such Service Center (1) is not then a Jiffy Lube service center and/or (2) has not previously received Growth Funding for the newly built, acquired or converted Service Center. For any new to SOPUS or JLI Service Center added by BUYER to Exhibit A as a Replacement Center, BUYER will be entitled to receive Growth Funding if and only if such Service Center (1) is not then a Jiffy Lube Service Center and/or (2) has not previously received Growth Funding for the Replacement Center and/ or (3) if Growth Funding was received by BUYER for the Service Center that is being replaced with a Replacement Center, then BUYER has paid in full all outstanding monetary balances to SOPUS for that Service Center, including all Funds For any newly built or Replacement Service Center(s), any applicable payment shall be made by SOPUS within sixty (60) days of the official opening of the Service Center for normal business operations.

- (ii) Based on SOPUS's review of BUYER's credit worthiness at the time of payment, at SOPUS's sole and absolute discretion, any Growth Funding would be paid to BUYER either (a) within sixty (60) days of BUYER qualifying for such Growth Funds or (b) via an alternate payment schedule.
- (iii) Calculation: The amount of the Growth Funds that may be provided to BUYER shall be determined by the following formula: the Growth Funding Rate multiplied by (1) the trailing 12 months' actual car count for the Service Center to be added, if available, if the Service Center is a JLI franchisee or if not a JLI franchisee, by (2) the trailing 12 months' JLI regional average per store annual car count (as determined by JLI in its sole discretion) multiplied by 1.3 multiplied by eighty five percent (85%) multiplied by up to five (5) years (or a fraction thereof rounded to the nearest month), but in no event longer than the applicable term of the Franchise Agreement for that Service Center.
- (iii) Repayment Amount: All Growth Funds that must be repaid by to SOPUS by BUYER under this Agreement will be repaid in accordance with Article 4 (f) below, where BUYER elects to take 100% of the amount it is eligible to receive per the Growth Funds Calculation provision included in this Agreement ("**100% Growth Funds Election**"), the amount of Growth Funds that must be repaid by BUYER to SOPUS hereunder shall be determined by taking the then current Repayment Rate dividing it by the Growth Funding Rate and multiplying the result by the amount of the Growth Funds paid to BUYER

Subject to the approval of SOPUS, BUYER may elect to receive Growth Funds that are more than 50% but less than 100% of the total amount it is eligible to receive per the Growth Funds Calculation included in this Agreement ("**Greater Than 50% Growth Funds Election**"). If BUYER elects Greater Than 50% Election, and it is approved by SOPUS, the amount of Growth Funds that must be repaid by BUYER to SOPUS hereunder is an amount equal to the total Growth Funds paid to BUYER minus that portion of the Growth Funds that is equal to half of the amount that BUYER would have received had it elected to take the 100% Growth Funds Election.

Subject to SOPUS approval, BUYER may elect to receive Growth Funds that are 50% or less of the total amount it is eligible to receive under the 100% Growth Funds Election (“**50% or Less Growth Funds Election**”). If BUYER elects the 50% or Less Growth Fund Election, and it is approved by SOPUS, BUYER is not required to repay that portion of the Growth Funds to SOPUS that is equal to the 50% or Less Election.

Growth Funds Examples:

100% Growth Funds Election Example:

If BUYER elected the 100% Election and SOPUS paid \$1,000 in Growth Funds to BUYER then, BUYER must repay $\$0.35$ (the Repayment Rate) divided by $\$0.70$ (the Growth Funding Rate) = $50\% \times \$1,000 = \500 .

Greater Than 50% Growth Funds Election Example:

If BUYER elected Greater Than 50% Election and SOPUS paid \$750 in Growth Funds to BUYER, and the Growth Fund maximum is \$1,000 per the Growth Fund Calculation provision, then Buyer must repay \$750 (Growth Funds Paid to BUYER) – \$500 (amount equal to half of the maximum amount BUYER is eligible to receive per the Growth Fund Calculation provision e.g., $\$1000/2$) = $\$750 - \$500 = \$250$

50% or Less Growth Funds Election Example:

If BUYER elected the 50% or Less Election, and SOPUS paid \$500 in Growth Funds to BUYER and the Growth Funds maximum is \$1000 per the Growth Fund Calculation provision, then BUYER must repay \$500 (Growth Funds Paid to BUYER) - \$500 (amount equal to half of the maximum amount BUYER is eligible to receive per the Growth Fund Calculation provision e.g., $\$1000/2$) = $\$500 - \$500 = \$0.00$.

Note that the amounts described in the above example are those in effect as of the Effective Date and are subject to change as described herein.

(d) **Jiffy Lube Multicare Funding** –

To the extent BUYER receives Jiffy Lube Multicare Advanced Funding and/or Jiffy Lube Multicare Growth Funding, BUYER shall not be eligible to receive Growth Funding, and/or Advanced Funding as defined herein.

OPTIONAL: As of execution of this Agreement by the Parties, the Parties acknowledge that any Funds owed to SOPUS by BUYER prior to this Agreement are calculated as of _____ (“Assessment Date”). Buyer shall have fifteen (15) days to provide written notice if BUYER does not agree with the amount of Funds specified by SOPUS.

(i) **Jiffy Lube Multicare Growth Funding**

- (I) Eligibility: Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER is in full compliance

with this Agreement and any applicable Franchise Agreement, (3) BUYER is enrolled and in full compliance with Jiffy Lube Multicare Program, (4) SOPUS determines in its sole and absolute discretion, at the time of each disbursement, that BUYER's credit worthiness is acceptable; and (5) that all accounts receivable and that all notes or guarantees that SOPUS, JLI, or their affiliates enter into with or for the benefit of BUYER, including but not limited to UNL Program loans, are current and not in default, BUYER will be eligible to receive additional funding from SOPUS for the building, acquisition or conversion of new to SOPUS or JLI Service Center(s) (the "Jiffy Lube Multicare Growth Funds") at the time the new Exhibit A is agreed by the Parties as set forth in 1 (v). For any new to SOPUS or JLI Service Center added by BUYER to Exhibit A, BUYER will be entitled to receive the Jiffy Lube Multicare Growth Funds if and only if such Service Center (1) is not then a Jiffy Lube Service Center, and/or (2) has not previously received Growth Funds or Jiffy Lube Multicare Growth Funds for the newly built, acquired or converted Service Center. For any new to SOPUS or JLI Service Center added by BUYER to Exhibit A as a Replacement Center, BUYER will be entitled to receive Multicare Growth Funding if and only if such Service Center (1) is not then a Jiffy Lube Service Center and/or (2) has not previously received Multicare Growth Funding for the Replacement Center and/or (3) If Multicare Growth Funding was received by BUYER for the Service Center that is being replaced with a Replacement Center, then BUYER has paid in full all outstanding monetary balances due to SOPUS for that Service Center, including all Funds. For any newly built or Replacement Service Center(s), any applicable payment shall be made by SOPUS within sixty (60) days of the official opening of the Service Center for normal business operations.

- (II) Based on SOPUS's review of BUYER's credit worthiness at the time of payment, at SOPUS's sole and absolute discretion, any Jiffy Lube Multicare Growth Funds would be paid to BUYER either (a) within thirty days of BUYER qualifying for such Jiffy Lube Multicare Growth Funds or (b) via an alternate payment schedule.
- (III) Calculation: the amount of the Jiffy Lube Multicare Growth Funds that may be provided to BUYER shall be determined by the following formula: the Jiffy Lube Multicare Growth Funding Rate multiplied by (1) the trailing 12 months' actual car count for the Service Center to be added, if available, if the Service Center is a JLI franchisee or if not a JLI franchisee, by (2) the trailing 12 months' JLI regional average per store annual car count (as determined by JLI in its sole discretion) multiplied by 1.3 multiplied by eighty five percent (85%) multiplied by up to five (5) years (or a fraction thereof rounded to the nearest month), but in no

event longer than the applicable term of the Franchise Agreement for that Service Center (3). For Service Centers with previous Growth Funds enrolled in Jiffy Lube Multicare Program the amount of the Jiffy Lube Multicare Growth Funds that may be provided to BUYER shall be determined by the following formula: the Growth Funding Rate multiplied by (1) the trailing 12 months' actual car count for the Service Center to be added, if available, if the Service Center is a JLI franchisee or if not a JLI franchisee, by (2) the trailing 12 months' JLI regional average per store annual car count (as determined by JLI in its sole discretion) multiplied by 1.3 multiplied by eighty five percent (85%) multiplied by up to five (5) years (or a fraction thereof rounded to the nearest month), but in no event longer than the applicable term of the Franchise Agreement for that Service Center and subtract previously paid Growth Funds from pre-existing agreements.

- (IV) Repayment Amount: The amount of the Jiffy Lube Multicare Growth Funds to be repaid by BUYER to SOPUS in accordance with Article 4 (f) below shall be determined by taking the then current Jiffy Multicare Repayment Rate dividing it by the Growth Funding Rate and multiplying the result by the amount of the Jiffy Lube Multicare Growth Funds paid to BUYER. For example, if SOPUS paid \$1,000 in Jiffy Lube Multicare Growth Funds to BUYER, BUYER must repay \$0.50 (the Jiffy Lube Multicare Repayment Rate) divided by \$1.00 (the Growth Funding Rate) = $50\% \times \$1,000 = \500 . Note that the amounts described in the above example are those in effect as of the Effective Date and are subject to change as described herein.

(ii) **Jiffy Lube Multicare Advanced Funding**

- (I) Eligibility: Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER has repaid the Funds received, if any, in accordance with the terms hereof, (3) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, (4) BUYER is enrolled and in full compliance with Jiffy Lube Multicare Program, (5) SOPUS determines in its sole and absolute discretion, at the time of each disbursement, that BUYER's credit worthiness is acceptable; (6) that all accounts receivable are current; and (7) that all notes or guarantees that SOPUS, JLI, or their affiliates enter into with or for the benefit of BUYER, including but not limited to UNL Program loans, are current and not in default, if there are no Funds outstanding, BUYER will be eligible to receive Jiffy Lube Multicare Advanced Funding in five year increments (or less if the Agreement expires in less than five years).

- (II) Calculation: The amount of such Jiffy Lube Multicare Advanced Funding, if any, shall be determined by SOPUS taking into consideration BUYER's credit worthiness and the previous 12 months' car count for all the Service Centers multiplied by 1.3 multiplied by eighty-five percent (85%) multiplied by the number of years (1 to 5 or a fraction thereof rounded to the nearest month) to be funded multiplied by the Jiffy Lube Multicare Advanced Funding Rate. Based on SOPUS's review of BUYER's credit worthiness at the time of payment, at SOPUS's sole and absolute discretion, Jiffy Lube Multicare Advanced Funding shall be paid by SOPUS either (a) within thirty days of BUYER qualifying for such Jiffy Lube Multicare Advanced Funding or (b) via an alternate payment schedule. Such Jiffy Lube Multicare Advanced Funding received, if any, shall be deemed Funds for purposes of this Agreement and repaid as set forth in Article 4 (f) below.
- (III) Options: BUYER may be eligible to receive Jiffy Lube Multicare Advanced Funding, BUYER has not yet repaid the Funds previously received, BUYER, at its option, may:
1. repay to SOPUS any outstanding Funds amount via payment by ACH (in accordance with the instructions in Article 10 (f) below), or other payment method that may be designated by SOPUS, and thereafter be eligible to either (a) receive additional Jiffy Lube Multicare Advanced Funds for another five year increment (or less if the Agreement expires in less than five years) and the amount of such shall be determined by SOPUS at its sole discretion by taking into consideration BUYER's credit worthiness and the last 12 months' Service Center car count as described in Article 4 (d) (ii) (I) above, or (b) move from funded pricing to unfunded pricing (as such terms are defined in Article 4 (a) above); or
 2. defer eligibility to receive any Jiffy Lube Multicare Advanced Funding until such time as BUYER has repaid the Funds; or
 3. request that SOPUS determine the amount of Jiffy Lube Multicare Advanced Funding BUYER may be entitled to for the next five-year period as if BUYER had repaid the Funds in full, as described in Article 4 d (ii) (I) above and have SOPUS deduct from such additional Jiffy Lube Multicare Advanced Funding the amount of the outstanding Funds.

(e) **INTENTIONALLY LEFT BLANK**

(f) **Payment and Repayment of Funds** – The Parties agree that the total Funds provided by SOPUS to BUYER shall be repaid by BUYER by purchasing from SOPUS the

Qualifying Products at the prices set forth herein plus the Repayment Rate, or Jiffy Lube Multicare Repayment Rate, as applicable. BUYER may, at any time, repay the outstanding amount of the Funds via ACH, or other payment method that may be designated by SOPUS, without any prepayment penalty. After such repayment, BUYER's Product prices will be as set forth in Article 5 below without the Repayment Rate, or Jiffy Lube Multicare Repayment Rate, as applicable. BUYER agrees that Funds shall be paid by SOPUS by way of automatic deposit into BUYER's business account using the National Automated Clearing House Association ("ACH") funds transfer system in accordance with the 1994 / 1997 ACH Rules, as amended from time to time, or such other payment method as may be determined by SOPUS.

- (g) **Discontinuance and Revisions** – Notwithstanding anything to the contrary contained in this Agreement, SOPUS reserves the right to modify, amend and discontinue any funding mechanism or funding program contained herein, at any time, including, without limitation, amending the amount of such funding to an amount greater than those rates described in Article 1 hereof, the method and form of payment, and the conditions or eligibility. In the event SOPUS discontinues any funding program described in this Article 4, SOPUS shall initiate a replacement program or payment mechanism to provide to BUYER, in an equivalent form, an amount equal to the funds that would otherwise be or become due under the discontinued funding program.

5. **PRODUCT PURCHASE PRICE AND REBATES**

- (a) The product purchase prices set forth below shall be effective no sooner than the first day of the second month following the date that SOPUS executes this Agreement. Pricing for all Products shall be in accordance with the following terms:
- (i) The price for all Products shall be at SOPUS's then current price at time of order, as may be communicated by SOPUS on a quarterly basis, in accordance with this Article 5, in addition to the then current Repayment Rate if applicable, plus taxes, and applicable surcharges and fees, including, without limitation, waste, recycle and environmental fees.
 - (ii) The price for select Pennzoil and/or Quaker State Bulk, Drum and Ecobox motor oil products specified in Exhibit B shall be determined in accordance with the formula price methodology more specifically set forth in Exhibit B. BUYER shall receive a per gallon price discount, if applicable, based on BUYER's annual volume purchases ("Tiered Volume Discount") as described in the Tiered Volume Discount Table in Exhibit D. To the extent SOPUS develops new Product(s) that are applicable to formula pricing, SOPUS will provide BUYER with the formula price methodology that applies to such new Product(s).
 - (iii) BUYER shall receive additional price discounts, if applicable, per gallon on passenger car motor oil ("PCMO") and heavy duty engine oil ("HDEO") products purchased ("Tiered Conventional Bulk Discount") in accordance the Tiered Conventional Bulk Discount Table in Exhibit C.

(iv) BUYER acknowledges that all Product prices may increase or decrease throughout the Term of this Agreement; provided, however, that such increase or decrease in the prices for Products shall be determined on a quarterly basis on January 1, April 1, July 1 and October 1 of each calendar year (“Price Review Date”) during the Term of this Agreement and with such price change taking effect on the first day of the following month, February 1, May 1, August 1 and November 1 (“Price Effective Date”). The Price Review Dates and the Price Effective Dates as may be modified by SOPUS, in its sole and absolute discretion, by providing BUYER ninety (90) days advanced written notice. SOPUS shall notify BUYER of any price changes ten (10) days prior to the Price Effective Date.

(v) If industry requirements change in the future, such as, but not limited to a shift from GF5 to the next industry standard and any further changes thereafter, SOPUS reserves the right to change prices as necessary to cover the associated changes in base oil and non base oil related costs upon the effective date SOPUS begins meeting the requirement, with thirty (30) days written notice to BUYER. For the expected move to a new specification, the base price in effect at the time will be adjusted by an amount up to the average price move undertaken for Pennzoil and/or Quaker State bulk conventional Product for customers not participating in the SOPUS Products/Jiffy Lube Fast Lube Program to meet the applicable industry requirement change. Additionally, based on the change in formulation, the A% & B% (reference Exhibit B for formula details) will be recalculated and the underlying base oil indices used may be changed to an industry specified equivalent index. Backup information, including new base oils information and formula change will be provided ten (10) days prior to the time the pricing change is to go into effect in accordance with (iv) above.

(b) Product Mix Rebate. Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, and (3) that all accounts receivable and SOPUS/JLI notes are current and in good standing, then SOPUS shall pay BUYER a quarterly rebate (the “Product Mix Rebate”) based on the percentage of invoiced orders of Champion and Exceptional Products (“Product Mix”) purchased by all of BUYER’s Service Centers during each Quarterly Period calculated as a percentage of the PCMO and HDEO invoiced by SOPUS. In addition to the Product Mix Rebate, if BUYER meets certain Product Mix percentages as described above and specified percentages of invoiced orders of Exceptional Products purchased by all of BUYER’s Service Centers during each Quarterly Period calculated as a percentage of the PCMO and HDEO invoiced by SOPUS, BUYER is eligible to an additional \$0.50 rebate as shown below. The table below sets forth the amount of the Product Mix Rebate that would be paid in each of the percent ranges specified for Champion and Exceptional Products:

AS OF 9/1/2016

Quarterly Product Mix	25-29.99% Product Mix	30-34.99% Product Mix	35-49.99% Product Mix and <40% Exceptional	35-49.99% Product Mix and >40% Exceptional	50-59.99% Product Mix and <40% Exceptional	50-59.99% Product Mix and >40% Exceptional	>60% Product Mix and with 30 – 39.99%	>60% Product Mix and > 40% Exceptional
-----------------------	-----------------------	-----------------------	--	--	--	--	---------------------------------------	--

Rebate Per Gallon							Exceptional	
Champion Products Rebate/Gal	\$0.75	\$1.00	\$1.25	\$1.25	\$1.25	\$1.25	\$1.40	\$1.40
Exceptional Products Rebate per gallon	\$2.00	\$2.50	\$3.25	\$3.75	\$4.00	\$4.50	\$4.50	\$5.00

For the avoidance of doubt and for illustration purposes only, the following examples depict how the Product Mix Rebate would be calculated in a hypothetical situation. However, the example will not be binding on the Parties in any way.

Example: If BUYER's aggregated Service Center invoiced purchases of Product Mix as a percentage to PCMO and HDEO invoiced purchases in one Quarterly Period equals 34.9%, SOPUS, in this example, would pay to BUYER the sum of \$1.00 per gallon for each gallon of Champion Products and \$2.50 per gallon for each gallon of Exceptional Products invoiced during such Quarterly Period.

SOPUS shall provide the Product Mix Rebate within thirty (30) days of the end of each Quarterly Period for Champion and Exceptional Products invoiced during that Quarterly Period as verified by SOPUS. In the event this Agreement terminates for any reason before the completion of the then-current Quarterly Period, BUYER will receive the Product Mix Rebate for the portion of that Quarterly Period in which the Agreement was in effect within thirty (30) days of the end of that Quarterly Period or within thirty (30) days of termination, whichever is less. All Product Mix Rebates paid hereunder shall be paid directly to BUYER's corporate offices and not to a Service Center.

- (c) Jiffy Lube Multicare Rebate. Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, (3) BUYER has at minimum one (1) Jiffy Lube Multicare Service Center (as defined below) enrolled and in full compliance with Jiffy Lube Multicare Program and the Jiffy Lube Multicare Requirements, and (4) that all accounts receivable and SOPUS/JLI notes are current and in good standing, then SOPUS shall pay BUYER an annual rebate (the "Jiffy Lube Multicare Rebate") to franchisees with a minimum of 75% of eligible and enrolled Service Centers participating in Jiffy Lube Multicare Program, ("Jiffy Lube Multicare Service Center(s)") during each Annual Period, and additional rebate tiers are determined by the calculation of revenue derived from required or approved services pursuant to the Jiffy Lube Multicare Franchise Agreement Addendum for Jiffy Lube Multicare Service Centers ("Jiffy Lube Multicare Revenue") divided by the annual revenue from all services at all Service Centers for the calendar year.

The table below sets forth the amount of the Jiffy Lube Multicare Rebate that would be paid in each of the percent ranges specified:

Annual Jiffy Lube Multicare Rebate	75% Jiffy Lube Multicare Participation Rate	75% Jiffy Lube Multicare Participation Rate and min of 15% Jiffy Lube Multicare Revenue	75% Jiffy Lube Multicare Participation Rate and min of 30% Jiffy Lube Multicare Revenue	75% Jiffy Lube Multicare Participation Rate and min of 40% Jiffy Lube Multicare Revenue

6. PRODUCT STEWARDSHIP. BUYER agrees that it will not mix or blend any SOPUS Product with any other product or other substance whatsoever, will not mix or blend two or more brands, grades or viscosities of SOPUS Products with one another, and will not represent that any product not manufactured or supplied by SOPUS is a SOPUS Product. To assure quality in the handling of bulk products, BUYER agrees that it will not offer any bulk quantity of any SOPUS Product for sale to any person who BUYER knows or reasonably should know intends to resell such Product. All equipment used for the transfer, storage, or handling of Bulk Product which bears SOPUS's Identification or which are painted in accordance with SOPUS's specifications shall be used exclusively for SOPUS Products.

BUYER will allow SOPUS, its employees, authorized distributors, or designees to enter BUYER's place of business at any time during normal business hours to obtain such samples or conduct such tests or inspections as may, in SOPUS's judgment, be reasonably required to determine that BUYER is complying with its obligations under this Agreement.

BUYER shall dispose of all drums, pails, cans, or other containers ("Containers") which bear SOPUS's Identification in accordance with all applicable laws, rules and regulations. At SOPUS's request, BUYER will supply documentation certifying that every waste oil hauler is certified to dispose of used lubricants, filters and Containers.

7. If APPLICABLE, OTHERWISE DELETE AND INSERT THE WORDS "INTENTIONALLY LEFT BLANK" JOINT AND SEVERAL LIABILITY. Each entity identified in the first paragraph of this Agreement and collectively referred to as the BUYER is hereby jointly and severally liable for the acts and omissions of each other and for all BUYER obligations set forth herein. A breach or default by one entity shall be deemed a breach and default of all the entities collectively for purposes of this Agreement and SOPUS may sue, settle with or release (wholly or partly) one or more of the BUYER entities without releasing or otherwise affecting the obligations of the other BUYER entities hereunder.

8. LICENSE. Subject to the terms and conditions of this Agreement, SOPUS, as owner or licensee of various trademarks related to the Products including but not limited to Quaker State, Pennzoil and Formula Shell (collectively, "Identification") grants a non-exclusive license to BUYER, in the United States of America during the Term of this Agreement, to use and display

such trademarks for the resale of Products purchased from SOPUS in connection with this Agreement.

9.SIGNS. SOPUS or one of SOPUS's contract distributors may loan to BUYER appropriate signage bearing the Identification at no charge to BUYER. To the greatest extent permissible under local regulations, internal and external signage shall comply with SOPUS and JLI approved standards. BUYER has no right to display the loaned signs (or similar signs) at any location other than BUYER's Service Center. This Agreement does not grant to BUYER any right to permit others to use the Trademark or to use the Trademark in any manner other than on the loaned signs. All costs associated with installation of the loaned sign at BUYER's Service Center shall be borne solely by BUYER. Signs shall be displayed in such a manner as to make clear that SOPUS Products are featured at BUYER's Service Center. Any loaned signs shall remain the sole property of SOPUS or SOPUS's contract distributor, and must be returned to SOPUS or SOPUS's contract distributor, as the case may be, according to SOPUS's or the contract distributor's instructions, within thirty days after the effective date of the termination of this Agreement, in the same condition as when originally delivered to BUYER's Service Center, reasonable wear and tear excepted. BUYER shall promptly display an appropriate sign at BUYER's Service Center stating plainly that BUYER's Service Center is an independently owned and operated business.

10.ORDERS, PAYMENT TERMS AND CREDIT REQUIREMENTS.

- (a) BUYER shall order all Products from SOPUS via such mechanisms as are approved by SOPUS. Orders are not final until accepted by SOPUS in SOPUS's electronic ordering system and are subject to SOPUS General Terms and Conditions in effect on the date of delivery. SOPUS objects to the inclusion of any different or additional terms proposed by BUYER and if they are included in BUYER's acceptance, a contract for sale will result upon SOPUS' General Terms and Conditions.
- (b) SOPUS will invoice BUYER for all products and/or services sold as shipped. BUYER shall pay each invoice when due in accordance with the pricing terms set forth herein without deduction, setoff, discount, allowance, notice or demand, in United States dollars pursuant to paragraph (f) below.
- (c) Each Party agrees and undertakes to the other that, in connection with this Agreement, it is knowledgeable about and will comply with all laws, regulations, rules and requirements relating to anti-bribery or anti-money laundering applicable to its performance of this Agreement. BUYER represents and warrants to SOPUS that its payments to SOPUS shall not constitute the proceeds of crime in the contravention of anti-money laundering laws. SOPUS may terminate this Agreement immediately upon written notice to the BUYER, if in its reasonable judgment supported by credible evidence, the BUYER is in breach of any of the provisions of this clause and has failed to provide information demonstrating such compliance. Only the BUYER shall pay the invoice from SOPUS. No party other than the BUYER shall pay the invoice without the prior consent of SOPUS.

- (d) The credit terms and line of credit ("Credit") are extended to BUYER at SOPUS's sole discretion, which Credit may be withdrawn or modified at any time, without prior notification to BUYER. When requested by SOPUS, BUYER agrees to provide, and cause any guarantor of BUYER to provide, periodic financial statements, in addition to applicable notes and schedules. BUYER shall not fail to disclose information to SOPUS concerning any material fact for the purpose of inducing SOPUS to extend, continue or increase Credit. If BUYER's ability to pay or credit worthiness shall deteriorate in SOPUS's sole judgment, SOPUS may require security and/or change terms of sale. BUYER acknowledges that SOPUS's reducing, withholding or terminating of Credit privileges does not constitute a constructive termination of this Agreement, nor does it relieve BUYER of any duties or obligations under this Agreement or any other obligation or Agreement.
- (e) If BUYER fails to comply with the terms of this section, all amounts owed to SOPUS for any obligation shall immediately become due and payable and SOPUS shall have the right, but not the obligation to (i) charge the highest financing charge permitted by applicable law, (ii) set off or equitably recoup amounts due from BUYER against any amount due to BUYER under this or any other agreement between the Parties up to the total amount outstanding and (iii) to suspend making all further delivery of all products until all indebtedness is paid in full.
- (f) If at any time during the Term of this Agreement, BUYER disputes the amount payable to SOPUS for any of the products delivered, or any other obligations, BUYER shall pay the amount BUYER reasonably believes is due in accordance with SOPUS terms as stated on the disputed invoice(s) and notify SOPUS in writing of the details of the dispute within fifteen (15) days of receipt of the invoice. BUYER agrees that its failure to do so within fifteen days shall be considered as an admission by BUYER that SOPUS's invoices are correct.
- (g) At SOPUS's sole discretion, BUYER will pay any amounts due by credit card, or by ACH, per the below instructions. If BUYER is to pay by ACH, BUYER will maintain (i) an account ("BUYER Account") with a commercial bank that shall be a member of the automated clearing house system (the "ACH System") and (ii) such authorizations as may be necessary to enable SOPUS or its designated collecting agent to obtain payments due under this Agreement from the BUYER Account through the ACH System. BUYER shall not terminate the BUYER Account or such authorizations at any time during the Term of this Agreement without having provided 60 days prior written notice thereof to SOPUS, which notice shall specify the institution at which a substitute BUYER Account has been established and the account number of such substitute BUYER Account, and certifying that all authorizations necessary to enable SOPUS or its collection agent to obtain payments due under this Agreement from such substitute BUYER Account through the ACH System have been given and are then in effect. By not later than the opening of business on each day that any payment shall be due under this Agreement, BUYER shall cause an amount, in immediately available funds, equal to such payment to be available for withdrawal from the BUYER Account by the SOPUS or its collection agent. BUYER may withdraw from the BUYER Account any funds remitted by SOPUS to the BUYER Account for the account of BUYER.

11.EVENTS OF DEFAULT. BUYER shall be in default of this Agreement upon the occurrence at any time of any of the following events (collectively, “Events of Default”):

- (a) BUYER fails to satisfy the Annual Product Purchase Requirement set forth in Articles 1(c) and 3(a);
- (b) The liquidation, termination, bankruptcy or dissolution of BUYER;
- (c) BUYER defaults on any (i) loan, funding agreement, sales agreement or any other agreement, including but not limited to, the applicable Franchise Agreements for each of the Service Centers, between BUYER and SOPUS or BUYER and a SOPUS affiliated entity, (ii) any other agreement or financial obligation to which SOPUS or a SOPUS affiliated entity is a guarantor of BUYER’s obligations thereunder, or (iii) if any such agreement is terminated for any reason;
- (d) If BUYER is past due on any payments due hereunder and fails to cure such default within ten (10) days of receiving notice from SOPUS; or
- (e) Any other material breach by BUYER of any obligation hereunder and fails to cure such breach within thirty (30) days of receiving notice from SOPUS.

Following an Event of Default, SOPUS shall recover from BUYER any then-outstanding sums due under this Agreement and reasonable attorney's fees and costs that may be incurred by SOPUS to recover such sums. The remedies of SOPUS, as provided in this Agreement, and by law, shall be cumulative and concurrent and may be pursued separately, successively or together as often as occasion shall arise, at the sole discretion of SOPUS. The acceptance by SOPUS of any payment under this Agreement which is less than the payment required to be made hereunder shall not (i) constitute a waiver of or impair, reduce, release or extinguish any remedy of SOPUS or the rights of SOPUS to exercise the foregoing option or any other option granted to SOPUS at that time or at any subsequent time, or nullify any prior exercise of any such option, or (ii) impair, reduce, release, extinguish or adversely affect the obligations of BUYER under this Agreement.

12.RECORDS AND AUDITS. BUYER agrees that it will maintain adequate records throughout the Purchase Term of this Agreement confirming the actual purchases of Products under this Agreement. At any reasonable time and upon reasonable notice, SOPUS and its duly authorized representatives, agents or auditors shall have the right to audit BUYER’s records, books, documents and other material as it pertains to BUYER’s performance of its obligations under this Agreement, including but not limited to, the amount of actual Products being purchased in relation to the Annual Product Purchase Requirement (the “Records”). SOPUS and its duly authorized representatives, agents or auditors shall have access to the Records during ordinary business hours, and shall be free to make copies of any relevant Records. BUYER agrees to cooperate with SOPUS in any audit SOPUS chooses to conduct. In connection with occasional audits, BUYER will furnish SOPUS with such additional financial,

statistical or other information pertaining to or otherwise affecting BUYER's Service Centers or BUYER's performance under this Agreement as SOPUS may reasonably deem to be desirable.

13.COLLECTION COSTS. If the Funds are not repaid in accordance with the provisions of this Agreement when the Funds or any portion thereof shall become due to SOPUS, or if the collection of the Funds or any portion thereof or any other amount due pursuant to this Agreement, including but not limited to invoiced amounts for Products purchased by BUYER, is placed with an attorney for collection, whether before or after the termination of this Agreement, BUYER agrees to pay all costs of collection, including, but not limited to, reasonable attorneys' fees and expenses incurred by SOPUS.

14.USE OF FUNDS. The BUYER agrees that Funds provided hereunder will be used for business, commercial, investment or other similar purposes related to the Service Center and no portion thereof will be used or are being used for personal, family or household use. In addition, BUYER agrees any Jiffy Lube Multicare Advanced Funding and/or Jiffy Lube Multicare Growth Funding will be used to for business, commercial, investment or other similar purposes related to BUYER's Jiffy Lube Multicare Service Center(s).

15.ASSIGNMENT, DELEGATION, AND SUCCESSION.

- (a) If BUYER sells or otherwise transfers ownership of, or the right to operate, all of BUYER's Service Centers, BUYER shall, with SOPUS's written permission, which permission shall not be unreasonably withheld, completely assign this Agreement to its transferee, and will cause its transferee to assume all of BUYER's obligations under this Agreement in which case, BUYER shall be released of all further obligations hereunder provided SOPUS has agreed to such release in writing. BUYER will give written notice to SOPUS of the complete legal name of any transferee before the effective date of any transfer. If BUYER does not completely assign this Agreement to its transferee, such that the transferee assumes all of BUYER's obligations under this Agreement, BUYER agrees that SOPUS shall recover from BUYER any then-outstanding sums due and reasonable costs that may be incurred by SOPUS to recover such amounts.
- (b) If BUYER sells or otherwise transfers ownership of, or the right to operate, some but not all of BUYER's Service Centers, BUYER shall, with SOPUS's written permission, require the transferee to sign a similar agreement to this Agreement with SOPUS, including assuming a Removed Service Center's Purchase Requirement as determined in Article 3 (b), as well as the other obligations of BUYER under this Agreement in which case, BUYER, shall be released of all further obligations related to the Removed Service Center's Purchase Requirement provided SOPUS has agreed to such release in writing, which will include amending Exhibit (A) to remove the Removed Service Center(s). If the Removed Service Center's Purchase Requirements are not assumed by the transferee or purchaser, any payments due to SOPUS as a result of such sale or transfer shall be determined in accordance with Article 3 (b).
- (c) SOPUS may, upon written notice to BUYER, assign its rights under this Agreement at any time to (i) any subsidiary or affiliated entity; (ii) a purchaser of or other successor to all or a portion of the stocks or assets in SOPUS or the assets or stocks of the business

to which this Agreement relates; or (iii) a distributor that is authorized by SOPUS to deliver and sell SOPUS products.

16.DELIVERY, TITLE, AND RISK OF LOSS. SOPUS or its authorized distributors shall deliver the Products to BUYER at BUYER's designated delivery point(s) as agreed to by SOPUS in a separate notice furnished to BUYER. SOPUS may determine the method of transportation and the type of equipment in which such deliveries are made. For Bulk Products, title and risk of loss shall pass to BUYER when the Products pass the fill tube connection into BUYER's equipment. For drummed and packaged Products, title and risk of loss shall pass to BUYER upon the unloading of such drummed or packaged Products from SOPUS's transportation equipment. BUYER shall bear the cost of transportation to BUYER's designated delivery points. The cost of transportation shall, at SOPUS's discretion, be included in the schedule price or be included as a separate item on the invoice. Orders for the Products must specify at least the minimum quantities required at SOPUS's shipping point for the applicable method of delivery unless otherwise agreed to by SOPUS. SOPUS may, at its discretion, make delivery in smaller quantities, and SOPUS may, in its sole discretion, charge BUYER additional fees in connection with such deliveries if the original order did not meet such minimum quantities.

17.INDEPENDENT STATUS OF BUYER. This Agreement shall not be deemed to reserve, give, or grant to SOPUS any right to manage or control the day-to-day business of BUYER or any operator of the Service Center, and neither BUYER nor the operator of a Service Center nor its or their employees or authorized distributors shall be considered joint ventures, partners, authorized distributors, or employees of SOPUS for any reason or for any purpose whatsoever. BUYER or any operator of the Service Center is, and shall be at all times, an independent business entity that is free to set its own selling prices and terms of sale, and generally conduct its business as it determines subject to the obligations set forth in this Agreement.

18.CUSTOMER COMPLAINTS. BUYER will respond (in writing if requested by SOPUS) to any inquiries or complaints received by BUYER or SOPUS in connection with (i) BUYER's performance and/or (ii) of any consumer served by BUYER and promptly take reasonable action to correct or satisfactorily resolve each such inquiry or complaint.

19. FORCE MAJEURE.

Neither Party shall be in breach of this Agreement or otherwise be liable to the other Party for its failure to fulfill any Term of this Agreement, other than the obligation to pay any sum when due or to provide security for credit (e.g. letter of credit), if and to the extent that such fulfillment has been delayed, hindered, curtailed or prevented by a "Force Majeure Event", meaning any of the following:

- (a) any act of God, fire, explosion, landslide or earthquake; or
- (b) any storm, hurricane, flood, tidal wave or other adverse weather condition; or
- (c) any war (whether declared or not), revolution, act of civil or military authority, riot, blockade, embargo, trade sanction, terrorism, sabotage, or civil commotion; or
- (d) any epidemic or quarantine restriction; or

- (e) any strike, lock-out or labor dispute from whatever cause (whether or not SOPUS, SOPUS's supplier, BUYER or BUYER's supplier, as the case may be, is a Party thereto or might be able to influence or procure the settlement thereof); or
- (f) any compliance with any law, regulation or ordinance or with any order, demand or request of any international, national, local or other port, transportation or governmental authority or agency or any body or person purporting to be or to act for such authority or agency or any corporation directly or indirectly controlled by any of them; or
- (g) any unavailability of or interference with the usual means of transporting Product; or
- (h) any unplanned shutdown or shutdown in anticipation of a breakdown or malfunction affecting the plant; or

- (j) any circumstance or event outside the Party's reasonable control.

When a Force Majeure Event results in a shortfall of Product available to meet all SOPUS's supply obligations, SOPUS may apportion any reduced quantity of Product among itself and its customers and Affiliates in any manner it determines to be fair and reasonable. SOPUS shall not be required to acquire Product to replenish any shortfall in Product arising as a result of a Force Majeure Event. Should SOPUS acquire any quantity of Product following a Force Majeure Event, SOPUS may use or distribute, without apportioning, such Product at SOPUS's sole discretion. BUYER may acquire any shortfall quantity of Product from other sources at BUYER's own risk and cost. Any quantity of Product consequently not delivered will be deducted from any applicable remaining quantity obligation under this Agreement unless the Parties agree otherwise in writing. The Party whose ability to perform its obligations under this Agreement is affected by a Force Majeure Event shall promptly notify the other Party in writing with reasonable details of such event. The affected Party shall give prompt notice to the nonaffected Party of the end of the Force Majeure Event, and shall resume full performance under the Agreement as soon as reasonably possible. No Force Majeure Event shall have the effect of extending the Term of the Agreement or of terminating the Agreement unless agreed by the Parties in writing.

20. INDEMNITY AND HOLD HARMLESS. BUYER, to the maximum extent permitted by law, shall defend, protect, indemnify and hold harmless SOPUS, its parent, affiliate and subsidiary companies, and their respective officers, employees and authorized distributors ("Indemnified Parties"), against all claims, demands or causes of action, suits, damages, liabilities, judgments, losses and expenses (including, without limitation, attorneys' fees and costs of litigation, whether incurred for an Indemnified Party's primary defense or for enforcement of its indemnification rights, which may be incurred by an Indemnified Party or asserted by BUYER (including, without limitation, BUYER's employees, contractors and authorized distributors) or by any third party on account of (I) any personal injury, disease or death of any person(s), damage to or loss of any property, or money damages or specific performance owed to any third party (by contract or operation of law), and any fines, penalties, assessments, environmental response costs or injunctive obligations caused by, arising out of, or in any way incidental to or in connection with, actions or omissions of BUYER (including,

without limitation, its employees, contractors and authorized distributors) or any third party including, without limitation, (1) the sole negligence, fault or strict liability of BUYER and (2) the concurrent negligence, fault or strict liability of BUYER and any third party; and (II) any breach of any representation, warranty or covenant of BUYER contained in this Agreement.

21.INSURANCE REQUIREMENTS. BUYER shall maintain, at its sole cost, the insurance coverage set forth below with companies satisfactory to SOPUS with full policy limits applying, but not less than as stated. With the exception of Workers' Compensation insurance policies, all such policies shall be endorsed to show "Pennzoil-Quaker State Company, d/b/a SOPUS Products" as an additional insured. Certificates evidencing the required insurance coverage shall be delivered to SOPUS prior to the Effective Date of this Agreement. BUYER will submit updated certificates to SOPUS once per calendar year certifying the required insurance is being maintained per the contract requirements. Such certificates shall provide that any change restricting or reducing coverage or the cancellation of any policies under which certificates are issued shall not be valid as respects SOPUS's interest until SOPUS has received thirty (30) days' notice in writing of such change or cancellation. Further, it shall state that it is primary coverage and not concurrent or excess over other valid insurance which may be available to SOPUS.

This policy shall cover, among other risks, the contractual liability assumed under the indemnification provision set forth in this Agreement.
- (d) Business Automobile Liability Insurance for all operations of BUYER including owned, non-owned, and hired vehicles with limits of liability of not less than: Bodily Injury \$1,000,000.00 per person, \$1,000,000.00 per accident; Property Damage \$1,000,000.00 or a Combined Single Limit of \$1,000,000.00 for bodily injury and property damage.
- (e) Garage-keeper's Legal Liability Insurance with a limit of not less than twenty-five thousand dollars (\$25,000.00) per occurrence.

Nothing contained in these provisions relating to coverage and amounts shall operate as a limitation of BUYER's liability in tort or contract under the terms of this Agreement.

25. WARRANTIES AND DISCLAIMERS. SOPUS warrants that all products sold to BUYER under this Agreement shall be merchantable and shall meet SOPUS's then current specifications. **SOPUS MAKES NO OTHER WARRANTIES OF ANY KIND AS TO THE PRODUCTS SOLD TO BUYER UNDER THIS AGREEMENT, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE.**

26. PRODUCT CLAIMS/LIMITATION OF DAMAGES. SOPUS shall have no liability to BUYER for any defect in quality or shortage in quantity of any Product delivered unless (a) BUYER gives SOPUS notice of BUYER's claim within 48 hours after delivery of such Product, or in the case of any latent defect in quality, within 48 hours after BUYER's discovery of such defect; (b) SOPUS is given reasonable opportunity to inspect the Product and to take and test samples thereof; and (c) in case of delivery by tank car or vessel, the claim, if for anything other than latent defect in quality, is allowed by SOPUS before the Product is unloaded from the tank car or vessel. Every notice of claim shall set forth fully the facts on which the claim is based.

With the exception of actions brought by SOPUS to enforce its rights under Articles 3, 6 and 8, neither Party shall be liable for any indirect, special, incidental, consequential, or punitive damages whether under tort, contract, strict liability, statute, or otherwise. Notwithstanding anything to the contrary in this Agreement, SOPUS's and any of SOPUS's Affiliates total liability to BUYER for any claim arising out of or in connection with this Agreement for breach of contract, breach of warranty, breach of statutory duty or negligence including, but not limited to, SOPUS's negligence or other tort, whether by virtue of strict liability or otherwise, will not exceed the purchase price of the relevant delivery of Products if delivered, or if the above breach of Agreement consists of a failure to deliver, the price of the Products had it been delivered and invoiced. In no event shall SOPUS's and any of SOPUS's affiliates' total liability under this Agreement to BUYER exceed two hundred fifty thousand and no/100 dollars (\$250,000).

27. BUYER'S WARRANTIES. BUYER represents and warrants to SOPUS that: (a) it has taken all action necessary to authorize the execution, delivery and performance of this Agreement; (b) this Agreement has been executed and delivered by a duly authorized officer or other authorized person of BUYER; (c) this Agreement does not violate or conflict with BUYER's constituent documents, any outstanding securities, indentures, material agreements to which it is a party, any similar agreement with any other supplier of motor oil and/or lubricants or any law, rule or regulation applicable to BUYER and constitutes the valid and binding obligation of BUYER, enforceable against BUYER in accordance with its terms. BUYER further warrants that it will remain in good standing in its state of incorporation during the Term of this Agreement.

28. TERRITORIAL PROTECTION. During the Term of this Agreement, SOPUS will not:

- (a) Authorize the installation of any new "Pennzoil 10-Minute Oil Change" sign within two miles of a Service Center, provided that SOPUS shall have the right to replace such signs in the normal course of business if they were installed before the execution of this Agreement; or
- (b) Extend new "major financing" to any free-standing quick lube center located within one mile of a Service Center. For purposes of this provision, "major financing" means

financing substantially in excess of that generally offered by the companies owning the registered trademarks Castrol®, Valvoline® and other major marketers of motor oil, and their distributors, in order to obtain the borrower's commitment to purchase that marketer's brand of motor oil (excluding financing packages made available only to franchisees of those marketers or their affiliates), and "quick lube center" means any stand-alone automotive service center whose primary business is to provide fast, convenient lubrication and fluid maintenance services.

29.ENTIRE AGREEMENT. This Agreement supersedes any prior agreements, representations, negotiations or correspondence between the Parties concerning motor oil or lubricant purchases at this Service Center, including, but not limited to, any SOPUS Products Product Supply Agreement for Jiffy Lube Franchisees under the SOPUS Products/Jiffy Lube Fast Lube Program, but does not relieve them from any outstanding obligations for payment or delivery of product under a prior agreement. This Agreement supersedes the Standard Terms on the reverse of any BUYER purchase contract or orders or confirmation of BUYER or any agent or broker of BUYER. There are no oral agreements upon which the Parties have relied. The words used in this Agreement have been chosen carefully to express the Parties' mutual understanding. No Agreement or representation, whether oral or written, made before the date of this Agreement may be considered to change this Agreement as it is written, and no subsequent agreement, representation, or course of conduct may be considered to amend this Agreement unless a proposed amendment is written and is signed by both Parties to this Agreement. No waiver by SOPUS of any default by BUYER shall be deemed a waiver of any subsequent default.

30.CONFIDENTIALITY. The terms set forth in this Agreement are to be and remain confidential between SOPUS and BUYER but SOPUS may disclose and share such terms and any and all information (including but not limited to personal financial statements and tax returns) received from or pertaining to BUYER (or any individual guarantor of BUYER) with those of SOPUS' affiliates (including but not limited to JLI, Shell Oil Products US and Shell Shared Services (Asia), BV), their officers, directors, employees, agents or representatives (as well as primary financial institutions) having a need to know about or to be involved in the contemplated transactions or performance of this Agreement. Whether or not the contemplated transaction is completed, the nature of this Agreement will remain confidential during the Term of this Agreement. If the confidential nature of this Agreement, and the subsequent transaction contemplated hereunder by SOPUS and BUYER, do not remain confidential between the Parties as a result of the actions of BUYER, SOPUS may, at its option, be relieved of any further obligations hereunder or under any other agreements.

31.LEGAL REQUIREMENTS. BUYER shall comply fully and require its Service Center to comply fully with all applicable laws, regulations, judicial and administrative orders, and guidelines of any Governmental Authority regarding the receipt, handling, storage, dispensing, disposal, labeling, advertising, promotion, and sale of products and services sold by BUYER or the Service Center. Without limiting the foregoing, such compliance shall include all requirements of the Clean Air Act, 42 U.S.C. 7401 et seq. and all requirements of the Americans With Disabilities Act, 42 U.S.C. 12101 et seq.

32.TAXES. BUYER shall pay all U.S. federal, U.S. state, and U.S. local tax or other U.S. taxes that are directly imposed on transactions governed by the Agreement. "Tax or Taxes" include the following U.S. taxes: federal, state, and local excise taxes, sales and transaction taxes, gross

receipts taxes, utility taxes, environmental taxes and fees or any other taxes that SOPUS may be required to collect or pay on the transactions governed by this Agreement. BUYER shall not be liable for any of SOPUS's income taxes or any franchise tax measured by capital, capital stock, net worth, gross margin or gross profit including any withholding taxes imposed on gross amounts, any minimum or alternative minimum tax or any taxes imposed by law on SOPUS that are prohibited by law from being passed on to BUYER. Further, BUYER shall not be liable to SOPUS for any employment related tax, fee, or charge. BUYER shall not be liable for any of SOPUS's inventory based taxes, ad valorem taxes or property taxes. BUYER shall be responsible for filing returns and paying inventory based taxes, ad valorem taxes and property taxes on property and/or inventory that they own on the assessment date. Further, if this Agreement involves goods imported into the U.S. (50 states, District of Columbia, Puerto Rico), the Party acting as the Importer of Record for U.S. Customs purposes shall be liable for paying any applicable import related fees and/or tax, such as customs duties, harbor maintenance fees, merchandise processing fees, and oil spill fees.

Notwithstanding the above, SOPUS shall not collect, and BUYER shall not pay, any such Tax or duty for which BUYER furnishes to SOPUS a properly completed exemption certificate or a direct payment permit certificate or for which SOPUS may claim an available exemption from Tax, such as an exemption for export. BUYER shall be responsible for any Tax, interest and penalty if such exemption certificate or direct payment permit certificate is disallowed by the proper taxing authority.

In the event that a refund opportunity arises with respect to any Tax paid by one Party as a result of the transactions governed by this Agreement, both Parties shall reasonably work together to pursue such refund. If one Party receives a refund or a credit for any Tax paid by the other Party with respect to the Agreement, then the Party receiving the refund or credit agrees to refund to that other Party the full amount of such refund or credit. However, if this Agreement involves goods for which U.S. import duty drawback can be claimed, the Parties may separately negotiate the sharing of such drawback refund.

SOPUS will furnish to BUYER a properly completed I.R.S. Form W-8 or I.R.S. Form W-9, as appropriate, to enable BUYER to determine if U.S. income tax withholding is required. If U.S. withholding applies, BUYER will withhold amounts on its payments to SOPUS as required under U.S. law, unless SOPUS provides BUYER with the appropriate documentation to mitigate such tax.

33. SEVERABILITY. If, for any reason, a provision or provisions contained in this Agreement are held to be invalid, illegal, or otherwise void, the remaining provisions of this Agreement shall not be affected and shall continue in full force and effect.

34. NO FRANCHISE. BUYER acknowledges that this Agreement does not create, extend, or renew a franchise under any local, state, or federal law.

35. GOVERNING LAW AND ALTERNATIVE DISPUTE RESOLUTION.

This Agreement and any claim or proceeding arising out of or in connection with this Agreement or its subject matter or formation, including any question regarding its existence, validity, interpretation, breach, or termination, and any non-contractual claim, will be exclusively governed by and construed in accordance with the laws of the State of Texas excluding choice of law principles that provide otherwise.

Any claim or proceeding arising out of or in connection with this Agreement or its subject matter or formation, including any question regarding its existence, validity, interpretation, breach, or termination, and any non-contractual claim, will be finally and exclusively resolved by arbitration by the International Institute for Conflict Prevention and Resolution (“CPR”) under its then current administered arbitration rules. The arbitration will be governed exclusively by the Federal Arbitration Act, 9 U.S.C. §§ 1-16.

The arbitral tribunal, to be appointed in accordance with the rules, will consist of one arbitrator. However, if either party asserts the amount in controversy exceeds USD \$5 million, then the tribunal will consist of three arbitrators. The seat of the arbitration will be Houston, Texas, USA. The language of the arbitration will be English.

Any award rendered by the tribunal must be made in writing and will be final and binding on the parties. The parties agree to carry out any award without delay. The parties agree to keep all aspects of the arbitration confidential and, except to the extent required by law, the parties will not disclose or cause disclosure of any aspect of the proceedings, documentation, any partial or final award or order, or any other matter connected with the arbitration to any other Person without the prior written consent of the other party. Nothing in this section should be construed as preventing either party from seeking conservatory or similar interim relief from any court with competent jurisdiction. The parties waive any rights to any punitive or exemplary damages, and the tribunal shall not award such damages.

Each party hereby waives to the fullest extent permitted by law: (a) any right under the laws of any jurisdiction to apply to any court or other judicial authority to determine any preliminary point of law; and (b) any right it may otherwise have under the laws of any jurisdiction to appeal or otherwise challenge any arbitral award made pursuant to this article. Judgment upon any award or order may be entered in any court having jurisdiction over the claim or proceeding.

36. ANTI-MONEY LAUNDERING AND ANTI-CORRUPTION LAWS. For the purposes of this Agreement, “Anti-Corruption Laws” shall mean (a) the United States Foreign Corrupt Practices Act of 1977; (b) the United Kingdom Bribery Act 2010; and (c) all applicable national, regional, provincial, state, municipal or local laws and regulations that prohibit tax evasion, money laundering or otherwise dealing in the proceeds of crime or the bribery of, or the providing of unlawful gratuities, facilitation payments, or other benefits to, any government official or any other person.

Each Party represents, warrants, and covenants that in connection with this Agreement and the business resulting therefrom:

- (i) it is aware of and will comply with Anti-Corruption Laws;
- (ii) it has not made, offered, authorized, or accepted, and will not directly or indirectly make, offer, authorize, or accept, any payment, gift, promise, or other

advantage, to or for the use or benefit of any government official or any other person where that payment, gift, promise, or other advantage would comprise a facilitation payment or otherwise violate the Anti-Corruption Laws;

- (iii) it has maintained and will maintain adequate written policies and procedures to comply with applicable national, regional, provincial, state, municipal or local laws and regulations that prohibit tax evasion, money laundering or otherwise dealing in the proceeds of crime or the bribery of, or the providing of unlawful gratuities, facilitation payments, or other benefits to, any government official or any other person or, alternatively, has made itself aware of and shall adhere to the Shell General Business Principles and the Shell Code of Conduct (www.shell.com/about-us/our-values);
- (iv) it has maintained and will maintain adequate internal controls, including but not limited to using commercially reasonable efforts to ensure that all transactions are accurately recorded and reported in its books and records to reflect truly the activities to which they pertain, such as the purpose of each transaction, with whom it was entered into, for whom it was undertaken, or what was exchanged;
- (v) it will retain such books and records for the period required by Applicable Law or a Party's own retention policies, whichever is longer;
- (vi) in the event a Party becomes aware it has breached an obligation in this paragraph, it will promptly notify the other Party, subject to the preservation of legal privilege;
- (vii) it has taken reasonable measures to require any subcontractors, agents, or any other third parties to also comply with the foregoing requirements in this paragraph; and
- (viii) only a Party shall make payments to the other Party, except with that other Party's written consent. Subject to the preservation of legal privilege, during the Term and for seven (7) years thereafter and on reasonable notice, each Party shall have a right, and the other Party shall take all reasonable steps to enable this right, to audit the other Party's relevant books and records with respect to compliance with this paragraph. Without limitation to any other available remedies, where a Party (the First Party) fails, or its subcontractors, agents, or other third parties fail, to comply with the Anti-Corruption Laws in connection with this Agreement or the business resulting therefrom, the other Party (the Second Party), acting in good faith, shall have a right to notify the First Party in writing of such failure to comply and, if the written notice contains reasonable detail about the failure to comply then, if the failure is incapable of being cured or, if capable of cure and the First Party does not cure the failure to comply within sixty (60) calendar days following receipt of the written notice, the Second Party shall have the right to terminate the Agreement on further written notice to the First Party.

Nothing in this Agreement shall require a Party to perform any part of this Agreement or take any actions if, by doing so, the Party would not comply with the Anti-Corruption Laws. The obligations in this paragraph shall survive the termination or expiry of this Agreement.

OILS: $P_n = P_o \times [(B_n/B_o) \times A\% + (A_n/A_o) \times B\% + C\%]$

Basis Date: November 1, 2016

This will be the date B_o , A_o , and P_o are based on

A = The portion of the product price attributed to the cost of base oils

B = Portion of product price attributed to chemicals other than base oil

C = The portion of the product price attributed to the cost of filling, processing, transport, etc.

P_o = Price for product at Basis Date

P_n = New Purchase Price calculated each period

B_o = base oil posted price(s) for each respective base oil calculated July 1, 2016 – September 30, 2016 which is equal to:

Group II Light = 2.24

Group II Mid = 2.35

Group III Light = 4.00

Group III Mid = 4.06

B_n = average base oil posted price for each respective base oil for the most recent period *Based on the arithmetic mean of weekly quotations of **the appropriate base oil index** as posted as published by ICIS-LOR (www.icislors.com) in USD/Gal over the three months preceding the price revision date (with one month lag). The first adjustment only will be the average for October 1, 2016 – December 31, 2016.*

A_o = average PPI posting June 1, 2016 – August 31, 2016 which is equal to 264.1.

A_n = average PPI posting for most recent period

The newly calculated additive index based on the arithmetic mean of monthly producer price index over the three months preceding the price revision date (with two month lag), as published by the Bureau of Labor Statistics (<http://data.bls.gov/pdq/querytool.jsp?survey=wp>) as of the first working day of the quarter of which the price adjustment takes effect; Group 06 Chemicals and allied products, Item 06 Chemicals and allied products, not seasonally adjusted. The first adjustment only will be the average for September, 2016 – November, 2016.

For illustration purposes only, the following examples depict how the price adjustment mechanism would work, as of November 1, 2016, in hypothetical situations and are not binding on the parties in any way:

2. TERM. This Agreement shall be effective during the Purchase Term unless earlier terminated or otherwise extended in accordance with the provisions of this Agreement.

3. PRODUCT PURCHASES; PAYMENT CALCULATION.

(a) SOPUS agrees to sell and BUYER agrees to buy, receive, and pay SOPUS for all Products purchased from SOPUS, including but not limited to the Products described in Article 1(1). BUYER agrees to (1) purchase at least the Annual Product Purchase Requirement during each Annual Period and that (2) no more than 30% of BUYER's total passenger car motor oil ("PCMO") and heavy duty engine oil ("HDEO") invoiced from SOPUS Products shall be Formula Shell bulk conventional motor oil. BUYER shall remain responsible for the payment for any and all Products purchased during or subsequent to the termination of this Agreement. BUYER agrees and acknowledges that only purchases of Qualifying Products directly from SOPUS shall be calculated in determining whether BUYER has met the purchase requirements described herein.

(b) Unless otherwise agreed in writing by the parties, in the event that a Service Center is removed from Exhibit A (the "Removed Service Center") for any reason including, but not limited to, non-renewal of the applicable Franchise Agreement, its closure or sale, unless the requirements of Article 15 are met, BUYER shall provide SOPUS with at least 60 days advanced written notice. Upon receipt of such notification, SOPUS shall determine the Removed Service Center's applicable portion of the unpaid Funds by prorating to the Removed Service Center a portion of the remaining Funds by using the Service Center's trailing twelve (12) months' car count as a ratio to BUYER's total trailing twelve months car count for all its Service Centers. The remaining Funds shall be calculated by subtracting any Funds repaid by the BUYER via the Repayment Rate since the Effective Date of this Agreement (the "Removed Service Center's Purchase Requirement"). If SOPUS determines that BUYER does not have the ability to comply with the Removed Service Center's Purchase Requirement by applying it to the remaining Service Centers, then within 30 days of the deletion of the Removed Service Center from Exhibit A, BUYER shall pay SOPUS an amount equal to the Removed Service Center's Purchase Requirement. If SOPUS determines that BUYER can fulfill the Removed Service Center's Purchase Requirement or a portion thereof through the remaining Service Centers, then for that portion of the obligation that BUYER can fulfill, BUYER has the option of (1) paying the original Advanced Funding Rate used at the time Funds were provided, times the portion of the Removed Service Center's Purchase Requirement that could be absorbed by the remaining Service Centers or (2) applying the portion of the Removed Service Center's Purchase Requirement that could be absorbed by the remaining Service Centers to the Annual Product Purchase Requirement of the remaining Service Centers to the remaining Funds of the remaining Service Centers via the Repayment Rate.

(c) In the event (1) this Agreement terminates for any reason or (2) BUYER fails to satisfy the Annual Product Purchase Requirement during the Purchase Term, or upon the termination of the Agreement prior to the expiration of the Purchase Term, unless otherwise agreed to the contrary by the parties, BUYER shall immediately pay SOPUS all amounts due hereunder.

4. FUNDING

(a) **Conversion of Pre-Existing Obligations.** BUYER agrees that it has existing commitments to repay certain obligations in accordance with pre-existing agreements with SOPUS, including but not limited to, those relating to the purchase of JLI stores or the repayment of previously advanced funds as the case may be. Consequently, the parties agree that SOPUS is hereby providing the Conversion Funds to be applied toward

satisfaction of the obligations under the following agreements that BUYER has with SOPUS: (List Agreement Title(s), Effective Date(s), IMS #(s)) (together with any amendments thereto, the “Pre-existing Agreements”). The parties further agree that such outstanding obligations for such Pre-Existing Agreements are hereby being converted from units to gallons which shall correspond to \$00,000.00 US dollars under this Agreement and repayment of such Conversion Funds shall take place in accordance with Article 4 (e) below. For purposes of satisfaction of the Conversion Funds only, Pennzoil and Quaker State filter Products shall be measured as four (4) oil filters for every one (1) gallon. Performax oil filters will be measured at four (4) oil filters for every one (1) gallon.

For illustration purposes only, the following example depicts how the Conversion Funds would be calculated in a hypothetical situation. However, the example will not be binding on the parties in any way.

Example: If BUYER has a pre-existing unit obligation to SOPUS of 9,927 units at \$.55/unit funding rate and BUYER’s trailing twelve month car count is 6,000, the obligation would be valued at the existing funding rate and converted to Advanced Funding obligation as follows: 9,927 units multiplied by \$.55/unit ($9,927 \times .55 = \$5,460$). To illustrate how long repayment is likely to take at the Advanced Funding Repayment Rate, the Advanced Funding obligation is divided by BUYER’s trailing twelve month car count multiplied by 1.3 gallons/car ($(\$5,460 / (6,000 \times 1.3)) = 2$ years). Note that the obligation will always be in dollars which will be repaid via the purchase of gallons of Qualifying Products at funded pricing. Upon payoff of any Conversion Funds received pursuant to (e) below, BUYER may be eligible for Advanced Funds.

For purposes of this Agreement, funded pricing shall mean the price of Product as set forth in Article 5 below plus the Repayment Rate and unfunded pricing shall mean the price of Product as set forth in Article 5 below without the Repayment Rate surcharge.

(b) IF APPLICABLE, OTHERWISE DELETE AND INSERT THE WORDS “INTENTIONALLY LEFT BLANK” Initial Advanced Funding

- (i) Eligibility: SOPUS will provide Initial Advanced Funding to BUYER in consideration of Products purchased hereunder to be provided to BUYER by SOPUS **OPTION – CHOOSE ONE AND CHANGE FONT TO BLACK: “within thirty days of the Effective Date, OR “in five equal annual installments within 30 days of each anniversary of the Effective Date”**], provided BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, and SOPUS determines in its sole and absolute discretion, at the time of each disbursement, that BUYER’s credit worthiness is acceptable; all accounts receivable are current; and all SOPUS/JLI notes are paid off and that any UNL Program loans are current and not in default. Such Initial Advanced Funding received, if any, shall be deemed Funds for purposes of this Agreement and repaid as set forth in Article 4 (e) below.
- (ii) Calculation: The amount of the Initial Advanced Funding that will be provided to BUYER shall be determined by the following formula: previous twelve months’ car

count for all of the Service Centers (as determined by SOPUS) multiplied by 1.3 gallons multiplied by eighty five percent (85%) multiplied by five (5) multiplied by the Advanced Funding Rate minus Conversion Funds provided in accordance with 4 (a), if any.

(c) **Advanced Funding**

- a) Eligibility: Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER has repaid the Funds received, if any, in accordance with the terms hereof, (3) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, (4) SOPUS determines in its sole and absolute discretion, at the time of each disbursement, that BUYER's credit worthiness is acceptable; (5) that all accounts receivable are current; and (6) that all notes or guarantees that SOPUS, JLI, or their affiliates enter into with or for the benefit of BUYER, including but not limited to UNL Program loans, are current and not in default, on the fifth anniversary of the Effective Date and on every fifth anniversary thereafter or earlier if there are no Funds outstanding or if BUYER repays any previously received Funds prior to such five year anniversary, BUYER will be eligible to receive Advanced Funding in five year increments (or less if the Agreement expires in less than five years). The amount of such Advanced Funds, if any, shall be determined by SOPUS taking into consideration BUYER's credit worthiness and the previous 12 months' car count for all the Service Centers multiplied by 1.3 multiplied by eighty five percent (85%) multiplied by the number of years (1 to 5 or a fraction thereof rounded to the nearest month) to be funded multiplied by the Advanced Funding Rate. Based on SOPUS's review of BUYER's credit worthiness at the time of payment, at SOPUS's sole and absolute discretion, Advanced Funds shall be paid by SOPUS either (a) within thirty days of BUYER qualifying for such Advanced Funds or (b) via an alternate payment schedule. Such Advanced Funds received, if any, shall be deemed Funds for purposes of this Agreement and repaid as set forth in Article 4 (e) below.
- (ii) Options: If on the fifth (5th) anniversary of the Effective Date, or any anniversary in which BUYER may be eligible to receive Advanced Funding, BUYER has not yet repaid the Funds previously received, BUYER, at its option, may:
- (1) repay to SOPUS any outstanding Funds amount via payment by ACH (in accordance with the instructions in Article 10 (f) below), or other payment method that may be designated by SOPUS, and thereafter be eligible to either (a) receive additional Advanced Funds for another five year increment (or less if the Agreement expires in less than five years) and the amount of such shall be determined by SOPUS at its sole discretion by taking into consideration BUYER's credit worthiness and the last 12 months' Service Center car count

as described in 4 (c) (i) above, or (b) move from funded pricing to unfunded pricing (as such terms are defined in Article 4 (a) above); or

- (2) defer eligibility to receive any Advanced Funds until such time as BUYER has repaid the Funds; or
- (3) request that SOPUS determine the amount of Advanced Funding BUYER may be entitled to for the next five year period as if BUYER had repaid the Funds in full, as described in 4 (c) (i) above and have SOPUS deduct from such additional Advanced Fund the amount of the outstanding Funds.

(d) Growth Funding

- (i) Eligibility: Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, (3) SOPUS determines in its sole and absolute discretion, at the time of each disbursement, that BUYER's credit worthiness is acceptable; and (4) that all accounts receivable and that all notes or guarantees that SOPUS, JLI, or their affiliates enter into with or for the benefit of BUYER, including but not limited to UNL Program loans, are current and not in default, BUYER will be eligible to receive additional funding from SOPUS for the building, acquisition or conversion of new to SOPUS or JLI Service Center(s) (the "Growth Funds") at the time the new Exhibit A is agreed by the parties as set forth in 1 (r). For any new to SOPUS or JLI Service Center added by BUYER to Exhibit A subsequent to February 8, 2011, BUYER will be entitled to receive Growth Funds if and only if such Service Center (1) is not then a Jiffy Lube service center, or (2) after having purchased Bulk Products from SOPUS Products on or after February 8, 2011, such Service Center has not ceased purchasing Bulk Products from SOPUS on or before February 8, 2016, or (3) was not purchasing Bulk Products from SOPUS prior to February 8, 2011 and, (4) has not previously received Growth Funds for the newly built, acquired or converted Service Center. For any newly built Service Center(s), any applicable payment shall be made by SOPUS within sixty (60) days of the official opening of the Service Center for normal business operations.
- (ii) Based on SOPUS's review of BUYER's credit worthiness at the time of payment, at SOPUS's sole and absolute discretion, any Growth Funds would be paid to BUYER either (a) within thirty days of BUYER qualifying for such Growth Funds or (b) via an alternate payment schedule.
- (iii) Calculation: The amount of the Growth Funds that may be provided to BUYER shall be determined by the following formula: the Growth Funding Rate multiplied by (1) the actual car count for the Service Center to be added, if available, if the Service Center is a JLI franchisee or if not a JLI franchisee, by (2) the trailing 12 months' JLI regional average per store annual car count (as determined by JLI in its sole discretion) multiplied by 1.3 multiplied by eighty five percent (85%)

multiplied by up to five (5) years (or a fraction thereof rounded to the nearest month), but in no event longer than the applicable term of the Franchise Agreement for that Service Center.

- (iv) **Repayment Amount:** The amount of the Growth Funds to be repaid by BUYER to SOPUS in accordance with Article 4 (e) below shall be determined by taking the then current Repayment Rate dividing it by the Growth Funding Rate and multiplying the result by the amount of the Growth Funds paid to BUYER. For example, if SOPUS paid \$1,000 in Growth Funds to BUYER, BUYER must repay $\$0.35$ (the Repayment Rate) divided by $\$0.70$ (the Growth Funding Rate) = $50\% \times \$1,000 = \500 . Note that the amounts described in the above example are those in effect as of the Effective Date and are subject to change as described herein.
- (e) **Payment and Repayment of Funds** - The parties agree that the total Funds provided by SOPUS to BUYER shall be repaid by BUYER by purchasing from SOPUS the Qualifying Products at the Prices set forth herein plus the Repayment Rate. BUYER may, at any time, repay the outstanding amount of the Funds via ACH, or other payment method that may be designated by SOPUS, without any prepayment penalty. After such repayment, BUYER's Product prices will be as set forth in Article 5 below without the Repayment Rate. BUYER agrees that Funds shall be paid by SOPUS by way of automatic deposit into BUYER's business account using the National Automated Clearing House Association ("ACH") funds transfer system in accordance with the 1994 / 1997 ACH Rules, as amended from time to time, or such other payment method as may be determined by SOPUS.
- (f) **Discontinuance, and Revisions** – Notwithstanding anything to the contrary contained in this Agreement, SOPUS reserves the right to modify, amend and discontinue any funding mechanism or funding program contained herein, at any time, including, without limitation, amending the amount of such funding to an amount greater than those rates described in Article 1 hereof, the method and form of payment, and the conditions or eligibility. In the event SOPUS discontinues any funding program described in this Article 4, SOPUS shall initiate a replacement program or payment mechanism to provide to BUYER, in an equivalent form, an amount equal to the funds that would otherwise be or become due under the discontinued funding program.

5. PRODUCT PURCHASE PRICE AND REBATES

(a) The Product Purchase Prices set forth below shall be effective no sooner than the first day of the second month following the date that SOPUS executes this Agreement. Pricing for all Products shall be in accordance with the following terms:

- (i) The price for all Products shall be at SOPUS's then current price at time of order, as may be communicated by SOPUS on a quarterly basis, in accordance with this Article 5, in addition to the then current Repayment Rate if applicable, plus taxes,

and applicable surcharges and fees, including, without limitation, waste, recycle and environmental fees.

- (ii) The price for Pennzoil and/or Quaker State Bulk conventional motor oil shall be determined in accordance with the formula price methodology more specifically set forth in Exhibit B and taking into consideration any adjustments for tiered discounts set forth in tables I and II of Exhibit B.
- (iii) The price for Formula Shell bulk conventional motor oil shall be determined in accordance with SOPUS's then current price at time of order minus any earned discount as more specifically set forth in Exhibit C.
- (iv) The Formula Shell conventional bulk price, before adding any earned discounts, shall move at the same time as and consistent with formula price adjustments for Pennzoil bulk conventional Products as described in (ii) above.
- (v) BUYER acknowledges that all Product prices may increase or decrease throughout the Term of this Agreement; provided, however, that such increase or decrease in the prices for Products shall be determined on a quarterly basis on January 1, April 1, July 1 and October 1 of each calendar year ("Price Review Date") during the Term of this Agreement and with such price change taking effect on the first day of the following month, February 1, May 1, August 1 and November 1 ("Price Effective Date"). The Price Review Dates and the Price Effective Dates as may be modified by SOPUS, in its sole and absolute discretion, by providing BUYER ninety (90) days advanced written notice. SOPUS shall notify BUYER of any price changes ten (10) days prior to the Price Effective Date.
- (vi) If industry requirements change in the future, such as, but not limited to a shift from GF5 to the next industry standard and any further changes thereafter, SOPUS reserves the right to change prices as necessary to cover the associated changes in base oil and non base oil related costs upon the effective date SOPUS begins meeting the requirement, with thirty (30) days written notice to BUYER. For the expected move to a new specification, the base price in effect at the time will be adjusted by an amount up to the average price move undertaken for Formula Shell, Pennzoil and/or Quaker State bulk conventional Product for customers not participating in the SOPUS Products/Jiffy Lube Fast Lube Program to meet the applicable industry requirement change. Additionally, based on the change in formulation, the A% & B% (reference Exhibit B for formula details) will be recalculated and the underlying base oil indices used may be changed to an industry specified equivalent index. Backup information, including new base oils information and formula change will be provided ten (10) days prior to the time the pricing change is to go into effect in accordance with (v) above. At such time, SOPUS shall provide BUYER with a new Exhibit B which shall replace the existing Exhibit B and shall be incorporated and made a part of this Agreement.

(b) **Specialty Products Rebate.** Provided (1) BUYER is not then in default of this Agreement or any applicable Franchise Agreement, (2) BUYER is in full compliance with this Agreement and any applicable Franchise Agreement, and (3) that all accounts

receivable and SOPUS/JLI notes are current and in good standing, then SOPUS shall pay BUYER a quarterly rebate (the “Specialty Rebate”) based on the percentage of invoiced orders of Specialty Products purchased by all of BUYER’s Facilities during each Quarterly Period calculated as a percentage of the PCMO and HDEO invoiced by SOPUS. For the avoidance of doubt, the parties agree that Formula Shell semi synthetic and Formula Shell synthetic motor oil Products shall not be deemed Specialty Products for purposes of this Agreement. The table below sets forth the amount of the Specialty Rebate that would be paid in each of the percent ranges specified:

AS OF 2/1/2011

	Specialty Oil %	25-29.99%	30-34.99%	35-49.99%	>50%
Quarterly Rebate Per Gallon	High Mileage PCMO	\$0.75	\$1.00	\$1.25	\$1.25
	Synthetic Blend PCMO and HDEO	\$0.75	\$1.00	\$1.25	\$1.25
	Full Synthetic PCMO and HDEO	\$2.00	\$2.50	\$3.25	\$4.00
	Euro Full Synthetic PCMO	\$2.00	\$2.50	\$3.25	\$4.00

For the avoidance of doubt and for illustration purposes only, the following examples depict how the Specialty Product Rebate would be calculated in a hypothetical situation. However, the example will not be binding on the parties in any way.

Example: If BUYER’s aggregated Service Center invoiced purchases of Specialty Products as a percentage to PCMO and HDEO invoiced purchases in one Quarterly Period equals 34.9%, SOPUS, in this example, would pay to BUYER the sum of \$2.50 per gallon for each gallon of Pennzoil Synthetic motor oil invoiced during such Quarterly Period.

SOPUS shall provide the Specialty Products Rebate within thirty (30) days of the end of each Quarterly Period for Specialty Products invoiced during that Quarterly Period as verified by SOPUS. In the event this Agreement terminates for any reason before the completion of the then-current Quarterly Period, BUYER will receive the Specialty Rebate for the portion of that Quarterly Period in which the Agreement was in effect within thirty (30) days of the end of that Quarterly Period or within thirty (30) days of termination, whichever is less. All Specialty Rebates paid hereunder shall be paid directly to BUYER’s corporate offices and not to a Service Center.

6. PRODUCT STEWARDSHIP. BUYER agrees that it will not mix or blend any SOPUS Product with any other product or other substance whatsoever, will not mix or blend two or more brands, grades or viscosities of SOPUS Products with one another, and will not represent that any product not manufactured or supplied by SOPUS is a SOPUS Product. To assure quality in the handling of bulk products, BUYER agrees that it will not offer any bulk quantity of any SOPUS Product for sale to any person who BUYER knows or reasonably should know intends to resell such Product. All equipment used for the transfer, storage, or handling of Bulk Product which bears SOPUS's Identification or which are painted in accordance with SOPUS's specifications shall be used exclusively for SOPUS Products.

BUYER will allow SOPUS, its employees, authorized distributors, or designees to enter BUYER's place of business at any time during normal business hours to obtain such samples or conduct such tests or inspections as may, in SOPUS's judgment, be reasonably required to determine that BUYER is complying with its obligations under this Agreement.

BUYER shall dispose of all drums, pails, cans, or other containers ("Containers") which bear SOPUS's Identification in accordance with all applicable laws, rules and regulations. At SOPUS's request, BUYER will supply documentation certifying that every waste oil hauler is certified to dispose of used lubricants, filters and Containers.

7. [If APPLICABLE, OTHERWISE DELETE AND INSERT THE WORDS "INTENTIONALLY LEFT BLANK"] JOINT AND SEVERAL LIABILITY. Each entity identified in the first paragraph of this Agreement and collectively referred to as the BUYER is hereby jointly and severally liable for the acts and omissions of each other and for all BUYER obligations set forth herein. A breach or default by one entity shall be deemed a breach and default of all the entities collectively for purposes of this Agreement and SOPUS may sue, settle with or release (wholly or partly) one or more of the BUYER entities without releasing or otherwise affecting the obligations of the other BUYER entities hereunder.

8. LICENSE. Subject to the terms and conditions of this Agreement, SOPUS, as owner or licensee of various trademarks related to the Products including but not limited to Quaker State, Pennzoil and Formula Shell (collectively, "Identification") grants a non-exclusive license to BUYER, in the United States of America during the Term of this Agreement, to use and display such trademarks for the resale of Products purchased from SOPUS in connection with this Agreement.

9. SIGNS. SOPUS or one of SOPUS's contract distributors may loan to BUYER appropriate signage bearing the Identification at no charge to BUYER. To the greatest extent permissible under local regulations, internal and external signage shall comply with SOPUS and JLI approved standards. BUYER has no right to display the loaned signs (or similar signs) at any location other than BUYER's Service Center. This Agreement does not grant to BUYER any right to permit others to use the Trademark or to use the Trademark in any manner other than on the loaned signs. All costs associated with installation of the loaned sign at BUYER's Service Center shall be borne solely by BUYER. Signs shall be displayed in such a manner as to make clear that SOPUS Products are featured at BUYER's Service Center. Any loaned signs shall remain the sole property of SOPUS or SOPUS's contract distributor, and must be returned to SOPUS or SOPUS's contract distributor, as the case may be, according to SOPUS's or the contract distributor's instructions, within thirty days after the effective date of the termination of this Agreement, in the same

condition as when originally delivered to BUYER's Service Center, reasonable wear and tear excepted. BUYER shall promptly display an appropriate sign at BUYER's Service Center stating plainly that BUYER's Service Center is an independently owned and operated business.

10. ORDERS, PAYMENT TERMS AND CREDIT REQUIREMENTS.

(a) BUYER shall order all Products from SOPUS via such mechanisms as are approved by SOPUS. Orders are not final until accepted by SOPUS in SOPUS's electronic ordering system and are subject to SOPUS General Terms and Conditions in effect on the date of delivery. SOPUS objects to the inclusion of any different or additional terms proposed by BUYER and if they are included in BUYER's acceptance, a contract for sale will result upon SOPUS' General Terms and Conditions.

(b) SOPUS will invoice BUYER for all products and/or services sold as shipped. BUYER shall pay each invoice when due in accordance with the pricing terms set forth herein without deduction, setoff, discount, allowance, notice or demand, in United States dollars pursuant to paragraph (f) below.

(c) The credit terms and line of credit ("Credit") are extended to BUYER at SOPUS's sole discretion, which Credit may be withdrawn or modified at any time, without prior notification to BUYER. When requested by SOPUS, BUYER agrees to provide, and cause any guarantor of BUYER to provide, periodic financial statements, in addition to applicable notes and schedules. BUYER shall not fail to disclose information to SOPUS concerning any material fact for the purpose of inducing SOPUS to extend, continue or increase Credit. If BUYER's ability to pay or credit worthiness shall deteriorate in SOPUS's sole judgment, SOPUS may require security and/or change terms of sale. BUYER acknowledges that SOPUS's reducing, withholding or terminating of Credit privileges does not constitute a constructive termination of this Agreement, nor does it relieve BUYER of any duties or obligations under this Agreement or any other obligation or Agreement.

(d) If BUYER fails to comply with the terms of this section, all amounts owed to SOPUS for any obligation shall immediately become due and payable and SOPUS shall have the right, but not the obligation to (i) charge the highest financing charge permitted by applicable law, (ii) set off or equitably recoup amounts due from BUYER against any amount due to BUYER under this or any other agreement between the parties up to the total amount outstanding and (iii) to suspend making all further delivery of all products until all indebtedness is paid in full.

(e) If at any time during the Term of this Agreement, BUYER disputes the amount payable to SOPUS for any of the products delivered, or any other obligations, BUYER shall pay the amount BUYER reasonably believes is due in accordance with SOPUS terms as stated on the disputed invoice(s) and notify SOPUS in writing of the details of the dispute within fifteen (15) days of receipt of the invoice. BUYER agrees that its failure to do so within fifteen days shall be considered as an admission by BUYER that SOPUS's invoices are correct.

(f) At SOPUS sole discretion, BUYER will pay any amounts due by credit card, or by ACH, per the below instructions. If BUYER is to pay by ACH, BUYER will maintain (i) an account ("BUYER Account") with a commercial bank that shall be a member of the automated clearing house system (the "ACH System") and (ii) such authorizations as may be necessary to enable

SOPUS or its designated collecting agent to obtain payments due under this Agreement from the BUYER Account through the ACH System. BUYER shall not terminate the BUYER Account or such authorizations at any time during the Term of this Agreement without having provided 60 days prior written notice thereof to SOPUS, which notice shall specify the institution at which a substitute BUYER Account has been established and the account number of such substitute BUYER Account, and certifying that all authorizations necessary to enable SOPUS or its collection agent to obtain payments due under this Agreement from such substitute BUYER Account through the ACH System have been given and are then in effect. By not later than the opening of business on each day that any payment shall be due under this Agreement, BUYER shall cause an amount, in immediately available funds, equal to such payment to be available for withdrawal from the BUYER Account by the SOPUS or its collection agent. BUYER may withdraw from the BUYER Account any funds remitted by SOPUS to the BUYER Account for the account of BUYER.

11. EVENTS OF DEFAULT. BUYER shall be in default of this Agreement upon the occurrence at any time of any of the following events (collectively, “Events of Default”):

(a) BUYER fails to satisfy the Annual Product Purchase Requirement set forth in Articles 1(c) and 3(a);

(b) The liquidation, termination, bankruptcy or dissolution of BUYER;

(c) BUYER defaults on any (i) loan, funding agreement, sales agreement or any other agreement, including but not limited to, the applicable Franchise Agreements for each of the Service Centers, between BUYER and SOPUS or BUYER and a SOPUS affiliated entity, (ii) any other agreement or financial obligation to which SOPUS or a SOPUS affiliated entity is a guarantor of BUYER’s obligations thereunder, or (iii) if any such agreement is terminated for any reason;

(d) If BUYER is past due on any payments due hereunder and fails to cure such default within ten (10) days of receiving notice from SOPUS; or

(e) Any other material breach by BUYER of any obligation hereunder and fails to cure such breach within thirty (30) days of receiving notice from SOPUS.

Following an Event of Default, SOPUS shall recover from BUYER any then-outstanding sums due under this Agreement and reasonable attorney's fees and costs that may be incurred by SOPUS to recover such sums. The remedies of SOPUS, as provided in this Agreement, and by law, shall be cumulative and concurrent and may be pursued separately, successively or together as often as occasion shall arise, at the sole discretion of SOPUS. The acceptance by SOPUS of any payment under this Agreement which is less than the payment required to be made hereunder shall not (i) constitute a waiver of or impair, reduce, release or extinguish any remedy of SOPUS or the rights of SOPUS to exercise the foregoing option or any other option granted to SOPUS at that time or at any subsequent time, or nullify any prior exercise of any such option, or (ii) impair, reduce, release, extinguish or adversely affect the obligations of BUYER under this Agreement.

12. RECORDS AND AUDITS. BUYER agrees that it will maintain adequate records throughout the Purchase Term of this Agreement confirming the actual purchases of Products under this Agreement. At any reasonable time and upon reasonable notice, SOPUS and its duly authorized

representatives, agents or auditors shall have the right to audit BUYER's records, books, documents and other material as it pertains to BUYER's performance of its obligations under this Agreement, including but not limited to, the amount of actual Products being purchased in relation to the Annual Product Purchase Requirement (the "Records"). SOPUS and its duly authorized representatives, agents or auditors shall have access to the Records during ordinary business hours, and shall be free to make copies of any relevant Records. BUYER agrees to cooperate with SOPUS in any audit SOPUS chooses to conduct. In connection with occasional audits, BUYER will furnish SOPUS with such additional financial, statistical or other information pertaining to or otherwise affecting BUYER's Service Centers or BUYER's performance under this Agreement as SOPUS may reasonably deem to be desirable.

13. COLLECTION COSTS. If the Funds are not repaid in accordance with the provisions of this Agreement when the Funds or any portion thereof shall become due to SOPUS, or if the collection of the Funds or any portion thereof or any other amount due pursuant to this Agreement, including but not limited to invoiced amounts for Products purchased by BUYER, is placed with an attorney for collection, whether before or after the termination of this Agreement, BUYER agrees to pay all costs of collection, including, but not limited to, reasonable attorneys' fees and expenses incurred by SOPUS.

14. USE OF FUNDS. The BUYER agrees that Funds provided hereunder will be used for business, commercial, investment or other similar purposes related to the Service Center and no portion thereof will be used or are being used for personal, family or household use.

15. ASSIGNMENT, DELEGATION, AND SUCCESSION.

(a) If BUYER sells or otherwise transfers ownership of, or the right to operate, all of BUYER's Service Centers, BUYER shall, with SOPUS's written permission, which permission shall not be unreasonably withheld, completely assign this Agreement to its transferee, and will cause its transferee to assume all of BUYER's obligations under this Agreement in which case, BUYER shall be released of all further obligations hereunder provided SOPUS has agreed to such release in writing. BUYER will give written notice to SOPUS of the complete legal name of any transferee before the effective date of any transfer. If BUYER does not completely assign this Agreement to its transferee, such that the transferee assumes all of BUYER's obligations under this Agreement, BUYER agrees that SOPUS shall recover from BUYER any then-outstanding sums due and reasonable costs that may be incurred by SOPUS to recover such amounts.

(b) If BUYER sells or otherwise transfers ownership of, or the right to operate, some but not all of BUYER's Service Centers, BUYER shall, with SOPUS's written permission, require the transferee to sign a similar agreement to this Agreement with SOPUS, including assuming a Removed Service Center's Purchase Requirement as determined in Article 3 (b), as well as the other obligations of BUYER under this Agreement in which case, BUYER, shall be released of all further obligations related to the Removed Service Center's Purchase Requirement provided SOPUS has agreed to such release in writing, which will include amending Exhibit (A) to remove the Removed Service Center(s). If the Removed Service Center's Purchase Requirements are not assumed by the transferee or purchaser, any payments due to SOPUS as a result of such sale or transfer shall be determined in accordance with Article 3 (b).

(c) SOPUS may, upon written notice to BUYER, assign its rights under this Agreement at any time to (i) any subsidiary or affiliated entity; (ii) a purchaser of or other successor to all or a portion of the stocks or assets in SOPUS or the assets or stocks of the business to which this Agreement relates; or (iii) a distributor that is authorized by SOPUS to deliver and sell SOPUS products.

16. DELIVERY, TITLE, AND RISK OF LOSS. SOPUS or its authorized distributors shall deliver the Products to BUYER at BUYER's designated delivery point(s) as agreed to by SOPUS in a separate notice furnished to BUYER. SOPUS may determine the method of transportation and the type of equipment in which such deliveries are made. For Bulk Products, title and risk of loss shall pass to BUYER when the Products pass the fill tube connection into BUYER's equipment. For drummed and packaged Products, title and risk of loss shall pass to BUYER upon the unloading of such drummed or packaged Products from SOPUS's transportation equipment. BUYER shall bear the cost of transportation to BUYER's designated delivery points. The cost of transportation shall, at SOPUS's discretion, be included in the schedule price or be included as a separate item on the invoice. Orders for the Products must specify at least the minimum quantities required at SOPUS's shipping point for the applicable method of delivery unless otherwise agreed to by SOPUS. SOPUS may, at its discretion, make delivery in smaller quantities, and SOPUS may, in its sole discretion, charge BUYER additional fees in connection with such deliveries if the original order did not meet such minimum quantities.

17. INDEPENDENT STATUS OF BUYER. This Agreement shall not be deemed to reserve, give, or grant to SOPUS any right to manage or control the day-to-day business of BUYER or any operator of the Service Center, and neither BUYER nor the operator of a Service Center nor its or their employees or authorized distributors shall be considered joint ventures, partners, authorized distributors, or employees of SOPUS for any reason or for any purpose whatsoever. BUYER or any operator of the Service Center is, and shall be at all times, an independent business entity that is free to set its own selling prices and terms of sale, and generally conduct its business as it determines subject to the obligations set forth in this Agreement.

18. CUSTOMER COMPLAINTS. BUYER will respond (in writing if requested by SOPUS) to any inquiries or complaints received by BUYER or SOPUS in connection with (i) BUYER's performance and/or (ii) of any consumer served by BUYER and promptly take reasonable action to correct or satisfactorily resolve each such inquiry or complaint.

19. FORCE MAJEURE.

Neither party shall be in breach of this Agreement or otherwise be liable to the other party for its failure to fulfill any Term of this Agreement, other than the obligation to pay any sum when due or to provide security for credit (e.g. letter of credit), if and to the extent that such fulfillment has been delayed, hindered, curtailed or prevented by a "Force Majeure Event", meaning any of the following:

- (a) any act of God, fire, explosion, landslide or earthquake; or
- (b) any storm, hurricane, flood, tidal wave or other adverse weather condition; or
- (c) any war (whether declared or not), revolution, act of civil or military authority, riot, blockade, embargo, trade sanction, terrorism, sabotage, or civil commotion; or
- (d) any epidemic or quarantine restriction; or

- (e) any strike, lock-out or labor dispute from whatever cause (whether or not SOPUS, SOPUS's supplier, BUYER or BUYER's supplier, as the case may be, is a party thereto or might be able to influence or procure the settlement thereof); or
- (f) any compliance with any law, regulation or ordinance or with any order, demand or request of any international, national, local or other port, transportation or governmental authority or agency or any body or person purporting to be or to act for such authority or agency or any corporation directly or indirectly controlled by any of them; or
- (g) any unavailability of or interference with the usual means of transporting Product; or
- (h) any unplanned shutdown or shutdown in anticipation of a breakdown or malfunction affecting the plant; or
- (i) any SOPUS's inability to acquire from its usual supply source(s) for this Agreement or on terms it deems reasonable for the Product or any material, labor, service, utility or facility necessary for manufacturing the Product; or
- (j) any circumstance or event outside the party's reasonable control.

When a Force Majeure Event results in a shortfall of Product available to meet all SOPUS's supply obligations, SOPUS may apportion any reduced quantity of Product among itself and its customers and Affiliates in any manner it determines to be fair and reasonable. SOPUS shall not be required to acquire Product to replenish any shortfall in Product arising as a result of a Force Majeure Event. Should SOPUS acquire any quantity of Product following a Force Majeure Event, SOPUS may use or distribute, without apportioning, such Product at SOPUS's sole discretion. BUYER may acquire any shortfall quantity of Product from other sources at BUYER's own risk and cost. Any quantity of Product consequently not delivered will be deducted from any applicable remaining quantity obligation under this Agreement unless the parties agree otherwise in writing. The party whose ability to perform its obligations under this Agreement is affected by a Force Majeure Event shall promptly notify the other party in writing with reasonable details of such event. The affected party shall give prompt notice to the non-affected party of the end of the Force Majeure Event, and shall resume full performance under the Agreement as soon as reasonably possible. No Force Majeure Event shall have the effect of extending the Term of the Agreement or of terminating the Agreement unless agreed by the parties in writing.

20. INDEMNITY AND HOLD HARMLESS. BUYER, to the maximum extent permitted by law, shall defend, protect, indemnify and hold harmless SOPUS, its parent, affiliate and subsidiary companies, and their respective officers, employees and authorized distributors (“Indemnified Parties”), against all claims, demands or causes of action, suits, damages, liabilities, judgments, losses and expenses (including, without limitation, attorneys’ fees and costs of litigation, whether incurred for an Indemnified Party’s primary defense or for enforcement of its indemnification rights, which may be incurred by an Indemnified Party or asserted by BUYER (including, without limitation, BUYER’s employees, contractors and authorized distributors) or by any third party on account of (I) any personal injury, disease or death of any person(s), damage to or loss of any property, or money damages or specific performance owed to any third party (by contract or operation of law), and any fines, penalties, assessments, environmental response costs or injunctive obligations caused by, arising out of, or in any way incidental to or in connection with, actions or omissions of BUYER (including, without limitation, its employees, contractors and authorized distributors) or any third party including, without limitation, (1) the sole negligence, fault or strict liability of BUYER and (2) the concurrent negligence, fault or strict liability of BUYER and any third party; and (II) any breach of any representation, warranty or covenant of BUYER contained in this Agreement.

21. INSURANCE REQUIREMENTS. BUYER shall maintain, at its sole cost, the insurance coverage set forth below with companies satisfactory to SOPUS with full policy limits applying, but not less than as stated. With the exception of Workers' Compensation insurance policies, all such policies shall be endorsed to show "Pennzoil-Quaker State Company, d/b/a SOPUS Products" as an additional insured. Certificates evidencing the required insurance coverage shall be delivered to SOPUS prior to the Effective Date of this Agreement. BUYER will submit updated certificates to SOPUS once per calendar year certifying the required insurance is being maintained per the contract requirements. Such certificates shall provide that any change restricting or reducing coverage or the cancellation of any policies under which certificates are issued shall not be valid as respects SOPUS's interest until SOPUS has received thirty (30) days' notice in writing of such change or cancellation. Further, it shall state that it is primary coverage and not concurrent or excess over other valid insurance which may be available to SOPUS.

(a) Workers' Compensation Insurance as required by laws and regulations applicable to and covering employees of BUYER engaged in the performance of the work under this Agreement.

(b) Employer's Liability Insurance protecting BUYER against common law liability, in the absence of statutory liability, for employee bodily injury arising out of the master-servant relationship with a limit of not less than \$1,000,000.00.

(c) Commercial General Liability Insurance including products/completed operations with limits of liability of not less than \$1,000,000.00 per occurrence. This policy shall cover, among other risks, the contractual liability assumed under the indemnification provision set forth in this Agreement.

(d) Business Automobile Liability Insurance for all operations of BUYER including owned, non-owned, and hired vehicles with limits of liability of not less than: Bodily Injury \$1,000,000.00 per person, \$1,000,000.00 per accident; Property Damage \$1,000,000.00 or a Combined Single Limit of \$1,000,000.00 for bodily injury and property damage.

(e) Garage-keeper's Legal Liability Insurance with a limit of not less than twenty-five thousand dollars (\$25,000.00) per occurrence.

Nothing contained in these provisions relating to coverage and amounts shall operate as a limitation of BUYER's liability in tort or contract under the terms of this Agreement.

22. TERMINATION. This Agreement may be terminated:

(a) By SOPUS, for any reason, after (INSERT DATE), upon delivery of not less than sixty (60) days prior written notice thereof to BUYER; or

(b) At any time by mutual consent in writing; or

(c) By SOPUS in the event that BUYER breaches or defaults on any material provision of this Agreement, by giving written notice to BUYER and allowing BUYER thirty (30) days from

the date of such notice within which to cure the breach or adopt good faith measures to prevent the repetition of a default which cannot be cured prospectively; or

(d) By SOPUS in the event that any debt owed by BUYER to SOPUS, a third party, provided SOPUS is a guarantor of such debt or financial obligation, SOPUS's affiliates (including, without limitation, JLI) or its assignee is past due, by giving written notice to BUYER and allowing ten (10) days from the date of such notice within which to pay the past-due debt in full.

Upon termination, BUYER shall remain responsible for the payment for any and all Products purchased from SOPUS during or subsequent to the Term of this Agreement and any other outstanding sums due or advanced under this Agreement, including but not limited to the Funds (such Fund repayment to be determined by subtracting from the Funds the amount equal to the gallons purchased since the Effective Date of this Agreement multiplied by the then current Repayment Rate), and such sums shall become due and payable within thirty (30) days from the effective date of termination.

23. NON-WAIVER. Neither party's failure to enforce any provision of this Agreement will constitute a waiver of its right to enforce such provision at some later time. A party's waiver of one breach or series of breaches of this Agreement will not constitute a waiver of subsequent breaches.

24. NOTICES. Any notice related to this Agreement, and required or permitted to be given under this Agreement by one party to the other shall only be effective if in writing, addressed to the other party as provided below, and either (a) delivered in person, or (b) delivered by registered mail, or (c) delivered by private, prepaid overnight commercial courier. Notwithstanding the foregoing, notices from SOPUS to BUYER may alternatively be made: (a) by email transmission, when it will be considered given and effective at the time of transmission; or (b) by facsimile with confirmation statement of transmission; and, for notification of any Product price changes only, by (c) online intranet postings, when it will be considered given and effective at the time of posting by SOPUS onto the intranet site, or (d) by any other communication method as may be designated by SOPUS by written notice to BUYER. 25. WARRANTIES AND DISCLAIMERS. SOPUS warrants that all products sold to BUYER

under this Agreement shall be merchantable and shall meet SOPUS's then current specifications. **SOPUS MAKES NO OTHER WARRANTIES OF ANY KIND AS TO THE PRODUCTS SOLD TO BUYER UNDER THIS AGREEMENT, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE.**

26. PRODUCT CLAIMS/LIMITATION OF DAMAGES. SOPUS shall have no liability to BUYER for any defect in quality or shortage in quantity of any Product delivered unless (a) BUYER gives SOPUS notice of BUYER's claim within 48 hours after delivery of such Product, or in the case of any latent defect in quality, within 48 hours after BUYER's discovery of such defect; (b) SOPUS is given reasonable opportunity to inspect the Product and to take and test samples thereof; and (c) in case of delivery by tank car or vessel, the claim, if for anything other than latent defect in quality, is allowed by SOPUS before the Product is unloaded from the tank car or vessel. Every notice of claim shall set forth fully the facts on which the claim is based.

With the exception of actions brought by SOPUS to enforce its rights under Articles 3, 6 and 8, neither party shall be liable for any indirect, special, incidental, consequential, or punitive damages whether under tort, contract, strict liability, statute, or otherwise. Notwithstanding anything to the contrary in this Agreement, SOPUS's and any of SOPUS's Affiliates total liability to BUYER for any claim arising out of or in connection with this Agreement for breach of contract, breach of warranty, breach of statutory duty or negligence including, but not limited to, SOPUS's negligence or other tort, whether by virtue of strict liability or otherwise, will not exceed the purchase price of the relevant delivery of Products if delivered, or if the above breach of Agreement consists of a failure to deliver, the price of the Products had it been delivered and invoiced. In no event shall SOPUS's and any of SOPUS's affiliates total liability under this Agreement to BUYER exceed two hundred fifty thousand and no/100 dollars (\$250,000).

27. BUYER'S WARRANTIES. BUYER represents and warrants to SOPUS that: (a) it has taken all action necessary to authorize the execution, delivery and performance of this Agreement; (b) this Agreement has been executed and delivered by a duly authorized officer or other authorized person of BUYER; (c) this Agreement does not violate or conflict with BUYER's constituent documents, any outstanding securities, indentures, material agreements to which it is a party, any similar agreement with any other supplier of motor oil and/or lubricants or any law, rule or regulation applicable to BUYER and constitutes the valid and binding obligation of BUYER, enforceable against BUYER in accordance with its terms. BUYER further warrants that it will remain in good standing in its state of incorporation during the Term of this Agreement.

28. TERRITORIAL PROTECTION. During the Term of this Agreement, SOPUS will not:

(a) Authorize the installation of any new "Pennzoil 10-Minute Oil Change" sign within two miles of a Service Center, provided that SOPUS shall have the right to replace such signs in the normal course of business if they were installed before the execution of this Agreement; or

(b) Extend new "major financing" to any free-standing quick lube center located within one mile of a Service Center. For purposes of this provision, "major financing" means financing substantially in excess of that generally offered by the companies owning the registered trademarks Castrol®, Valvoline ® and other major marketers of motor oil, and their distributors, in order to obtain the borrower's commitment to purchase that marketer's brand of motor oil (excluding

financing packages made available only to franchisees of those marketers or their affiliates), and “quick lube center” means any stand alone automotive service center whose primary business is to provide fast, convenient lubrication and fluid maintenance services.

29. ENTIRE AGREEMENT. This Agreement supersedes any prior agreements, representations, negotiations or correspondence between the parties concerning motor oil or lubricant purchases at this Service Center, but does not relieve them from any outstanding obligations for payment or delivery of product under a prior agreement. This Agreement supersedes the Standard Terms on the reverse of any BUYER purchase contract or orders or confirmation of BUYER or any agent or broker of BUYER. There are no oral agreements upon which the parties have relied. The words used in this Agreement have been chosen carefully to express the parties' mutual understanding. No Agreement or representation, whether oral or written, made before the date of this Agreement may be considered to change this Agreement as it is written, and no subsequent agreement, representation, or course of conduct may be considered to amend this Agreement unless a proposed amendment is written and is signed by both parties to this Agreement. No waiver by SOPUS of any default by BUYER shall be deemed a waiver of any subsequent default.

30. CONFIDENTIALITY. The terms set forth in this Agreement are to be and remain confidential between SOPUS and BUYER but SOPUS may disclose and share such terms and any and all information (including but not limited to personal financial statements and tax returns) received from or pertaining to BUYER (or any individual guarantor of BUYER) with those of SOPUS' affiliates (including but not limited to JLI, Shell Oil Products US and Shell Shared Services (Asia), BV), their officers, directors, employees, agents or representatives (as well as primary financial institutions) having a need to know about or to be involved in the contemplated transactions or performance of this Agreement. Whether or not the contemplated transaction is completed, the nature of this Agreement will remain confidential during the Term of this Agreement. If the confidential nature of this Agreement, and the subsequent transaction contemplated hereunder by SOPUS and BUYER, do not remain confidential between the parties as a result of the actions of BUYER, SOPUS may, at its option, be relieved of any further obligations hereunder or under any other agreements.

31. LEGAL REQUIREMENTS. BUYER shall comply fully and require its Service Center to comply fully with all applicable laws, regulations, judicial and administrative orders, and guidelines of any Governmental Authority regarding the receipt, handling, storage, dispensing, disposal, labeling, advertising, promotion, and sale of products and services sold by BUYER or the Service Center. Without limiting the foregoing, such compliance shall include all requirements of the Clean Air Act, 42 U.S.C. 7401 et seq. and all requirements of the Americans With Disabilities Act, 42 U.S.C. 12101 et seq.

32. TAXES. BUYER shall pay all U.S. federal, U.S. state, and U.S. local tax or other U.S. taxes that are directly imposed on transactions governed by the Agreement. "Tax or Taxes" include the following U.S. taxes: federal, state, and local excise taxes, sales and transaction taxes, gross receipts taxes, utility taxes, environmental taxes and fees or any other taxes that SOPUS may be required to collect or pay on the transactions governed by this Agreement. BUYER shall not be liable for any of SOPUS's income taxes or any franchise tax measured by capital, capital stock, net worth, gross margin or gross profit including any withholding taxes imposed on gross amounts, any minimum or alternative minimum tax or any taxes imposed by law on SOPUS that are prohibited by law from being passed on to BUYER. Further, BUYER shall not be liable to SOPUS

for any employment related tax, fee, or charge. BUYER shall not be liable for any of SOPUS's inventory based taxes, ad valorem taxes or property taxes. BUYER shall be responsible for filing returns and paying inventory based taxes, ad valorem taxes and property taxes on property and/or inventory that they own on the assessment date. Further, if this Agreement involves goods imported into the U.S. (50 states, District of Columbia, Puerto Rico), the party acting as the Importer of Record for U.S. Customs purposes shall be liable for paying any applicable import related fees and/or tax, such as customs duties, harbor maintenance fees, merchandise processing fees, and oil spill fees.

Notwithstanding the above, SOPUS shall not collect, and BUYER shall not pay, any such Tax or duty for which BUYER furnishes to SOPUS a properly completed exemption certificate or a direct payment permit certificate or for which SOPUS may claim an available exemption from Tax, such as an exemption for export. BUYER shall be responsible for any Tax, interest and penalty if such exemption certificate or direct payment permit certificate is disallowed by the proper taxing authority.

In the event that a refund opportunity arises with respect to any Tax paid by one party as a result of the transactions governed by this Agreement, both parties shall reasonably work together to pursue such refund. If one party receives a refund or a credit for any Tax paid by the other party with respect to the Agreement, then the party receiving the refund or credit agrees to refund to that other party the full amount of such refund or credit. However, if this Agreement involves goods for which U.S. import duty drawback can be claimed, the parties may separately negotiate the sharing of such drawback refund.

SOPUS will furnish to BUYER a properly completed I.R.S. Form W-8 or I.R.S. Form W-9, as appropriate, to enable BUYER to determine if U.S. income tax withholding is required. If U.S. withholding applies, BUYER will withhold amounts on its payments to SOPUS as required under U.S. law, unless SOPUS provides BUYER with the appropriate documentation to mitigate such tax.

33. SEVERABILITY. If, for any reason, a provision or provisions contained in this Agreement are held to be invalid, illegal, or otherwise void, the remaining provisions of this Agreement shall not be affected and shall continue in full force and effect.

34. NO FRANCHISE. BUYER acknowledges that this Agreement does not create, extend, or renew a franchise under any local, state, or federal law.

35. GOVERNING LAW AND ALTERNATIVE DISPUTE RESOLUTION.

(a) **Governing Law.** Except for subsection (d) hereof which shall be governed and enforced under the Federal Arbitration Act, this Agreement shall be construed in accordance with the laws of Texas, without giving effect to principles of conflicts of laws, unless the dispute arises out of services provided on an offshore platform in which case the law of the state adjacent to the platform shall govern, or unless otherwise agreed to in writing by the parties.

(b) **Resolution Procedures.** Any Dispute shall be resolved in accordance with this clause, which provides the sole and exclusive procedures for resolution, except if either or both parties are

sued by a third party in a court proceeding, each party can assert any indemnity claim or any other claim against the other arising out of or relating to this Agreement in the court proceeding.

(c) **Mediation.** The parties shall endeavor to resolve any Dispute by mediation under the International Institute for Conflict Prevention and Resolution (“CPR”) Mediation Procedure in effect on the date of this Agreement (“CPR Mediation Procedure”), except as modified herein, by one party serving a written request on the other. The mediation shall be held in Houston, Texas. If the Dispute is not resolved within sixty (60) days of the initial written request for mediation, or sooner if the mediation is terminated under the CPR Mediation Procedure before such time, there shall be no further obligation to mediate.

(d) **Arbitration.** Any Dispute that remains unresolved sixty (60) days after a written request for mediation, or sooner if the mediation is terminated under the CPR Mediation Procedure before such time, shall be finally resolved by arbitration under the CPR Rules for Non-Administered Arbitration in effect on the date of this Agreement (“Rules”), which are incorporated except as modified herein. Arbitration shall be commenced within two (2) years of the date of the underlying activities giving rise to the dispute except that this period of limitations shall be tolled during the mediation phase specified above. The parties hereby waive their right to arbitrate or contest in any forum disputes arising outside this two-year period, notwithstanding any longer periods generally available under any otherwise applicable statute, common law or other authority. There shall be one arbitrator chosen in accordance with Rule 6.4 of the Rules.

INFORMATION REQUIRED BY THE STATE OF WASHINGTON

The state of Washington has a statute, RCW § 19.100.180, which may supersede the Franchise Agreement in your relationship with Jiffy Lube International, Inc., including in the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with Jiffy Lube International, Inc., including in the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator. However, Jiffy Lube reserves the right to challenge this requirement of Washington law under the Federal Arbitration Act.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by the franchisee shall not include rights under the Washington Franchise Investment Protection Act, except when executed pursuant to a negotiated settlement after the Franchise Agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act, such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they may reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

INFORMATION REQUIRED BY THE STATE OF CALIFORNIA

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT AT LEAST 14 DAYS PRIOR TO EXECUTION OF AGREEMENT.

OUR WEBSITE CAN BE FOUND AT www.jiffylube.com. OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AND COMPLAINTS CONCERNING THE CONTENTS OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT www.dfpi.ca.gov.

SECTION 31125 OF THE CALIFORNIA CORPORATIONS CODE REQUIRES US TO GIVE YOU A DISCLOSURE DOCUMENT, IN A FORM CONTAINING THE INFORMATION THAT THE COMMISSIONER MAY BY RULE OR ORDER REQUIRE, BEFORE A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

If each owner of the franchise is required to execute a personal guaranty. Doing so could jeopardize the marital assets of non-owner spouses domiciled in community property states such as California.

Under California law, an agreement between a seller and a buyer regarding the price at which the buyer can resell a product (known as vertical price-fixing or resale price maintenance) is illegal. Therefore, requirements on franchisees to sell goods or services at specific prices set by the franchisor may be unenforceable.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Item 3, Additional Disclosure:

Neither we nor any person described in Item 2 of the Disclosure Document is subject to any currently effective order of any National Securities Association or National Securities Exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq. suspending or expelling such persons from membership in such association or exchange.

Item 17, Additional Disclosure:

The franchise agreement requires franchisee to execute a general release of claims upon renewal or transfer of the franchise agreement. California Corporations Code Section 31512 provides that any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive

compliance with any provision of that law or any rule or order there under is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 – 20043).

The franchise agreement requires application of the laws of Texas. This provision may not be enforceable under California law.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. §101 et seq.).

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.
