What You Need To Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit D.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by non-binding mediation in our Vancouver, B.C. office or by litigation only in Washington. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate or litigate with the franchisor in Washington than in your own state.

2. **Mandatory Minimum Payments**. You must make minimum royalty payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” in Exhibit I to see whether your state requires other risks to be highlighted.

ITEM 1. The Franchisor and any Parents, Predecessors, and Affiliates

To simplify the language in this disclosure document “You Move Me,” “us,” “our” and “we” means You Move Me LLC, a Washington limited liability company, the franchisor. “Tracksuit Movers” means Tracksuit Movers Inc., a British Columbia, Canada corporation and an affiliate company. “You” means the person who buys a franchise. If you are a corporation, partnership, or other entity, “you” includes your owners.

The Franchisor, its Predecessors and Affiliates

You Move Me was formed on September 12, 2012 and we will conduct business under that name. We are wholly owned by Tracksuit Movers, which was incorporated on September 6, 2012. Tracksuit Movers owns the System and related marks, including the mark “You Move Me,” and licenses them to us for our exclusive use and franchising in the United States. We do not currently have and have not during the ten-year period immediately before the close of our most recent fiscal year, had any predecessors. However, Andrew Wilson as well as Josh Herron and Tyler Staszak, who operated moving business in Tulsa, Oklahoma and Kansas City, Kansas, respectively, under the name Easy Moves, assisted us in developing the You Move Me concept by sharing their knowledge and many years of experience in the moving industry, and consulted with us during the beginning stages of our franchise operations. Mr. Wilson, Mr. Herron and Mr. Staszak became our first franchisees when they converted their two existing moving businesses to You Move Me franchises.

We are in the business of selling commercial and residential moving and packing franchises in the United States. We have no other business activities. Our principal business address, which is the same as that of Tracksuit Movers, is 10th Floor, 333 Seymour Street, Vancouver, BC, Canada, V6G 0G5. We do not have a business address in the United States.

Tracksuit Movers provides shared franchise services, such as marketing, human resources, business technology, legal and finance to the You Move Me system.

Our agents for service of process are disclosed in Exhibit D to this disclosure document.

Our Business Operations

We grant franchises to qualified candidates in the United States for the operation of franchises (each a “**Franchised Business**”) using the System and identified by the name You Move Me and have offered these franchises since 2012. We have not offered franchises in any other line of business, we have no other business activities and have not operated businesses of the type being franchised. Our affiliate company, Tracksuit Movers, does not have any prior business experience, nor do they offer franchises in any line of business in the United States.

Other than as stated above, we have no predecessors or affiliates offering franchises in any line of business, or providing products or services to our franchisees.

The System

We were founded in 2012 by a group of shareholders, including Laurie Baggio, one of our current directors. The founders developed a unique method and system for operating and franchising a moving business (the “**System**”) based in part from the founders’ significant franchising system experience as executives and franchisees of 1-800-GOT-JUNK?. In October 2019, Laurie Baggio purchased all of the shares held by the other shareholders of the Franchisor. The System includes software, brand development,

training, marketing programs and access to the exclusive service of the Sales Center, as well as the mark “You Move Me” and related registered and unregistered marks (collectively, the “Marks”). Tracksuit Movers manages the Sales Center in in Vancouver, British Columbia, which receives telephone and web-based orders and acts as a “point of sale” contact for each customer. The Sales Center schedules all appointments, maintains a detailed client database, conducts follow-up calls with all customers to gauge customer satisfaction and provides you with detailed reports so that you may more effectively manage the Franchised Business. We leverage a national Sales Center, operate a sophisticated web-based dispatch system, and provide you with a comprehensive training program and ongoing business coaching and support.

Market and Regulatory Matters

For the type of moving services provided by You Move Me businesses, that being residential and commercial moving services, there is a recognized and established business opportunity. Consumer demand for reliable, professional and timely moving was the driving force behind the development of the System. You will be competing with other moving businesses, including local and long distance moving companies, individuals performing moving services, and other franchised moving operations.

We obtain the services of a national Sales Center, a sophisticated web-based dispatch system, and provide you with a comprehensive training program and ongoing business coaching and support. Our target market includes homeowners, property managers, realtors, and businesses.

Each municipality has divisions that monitor businesses to ensure they follow all applicable laws. Each jurisdiction will issue a business license if required. You should consult your own local authority’s licensing and standards division for licenses or permits to do business, assumed name registrations and obtain sales tax permits. We are aware of industry specific regulations including, but not limited to, storage and hauling registration requirements, minimum insurance requirements, labor and wage laws, health and safety and sanitation regulations, and safety requirements. There may be specific laws or regulations in your state or municipality regarding the operation of the Franchised Business. The laws in your state or municipality may be more or less stringent. You should examine these laws before purchasing a franchise from us. You may be required to obtain licenses, registrations, authorizations and permissions required under applicable federal, state or local laws to operate your Franchised Business.

Many jurisdictions will require a contractor’s license in order for you to be able to operate, which may require you to have experience in order for you to qualify. You are solely responsible for determining the requirements of such licenses before you sign the franchise agreement and for obtaining such licenses once you become a franchisee.

You will be required to research and to follow all pertinent local, state and federal laws and regulations specific to the residential and commercial moving industry. You will also be required to comply with all general business and commercial vehicle licensure laws and regulations. The Franchised Business will perform commercial and residential moving services. We urge you to make inquiries about laws that may be applicable to your Franchised Business. Because our industry is regulated, and regulations are subject to change, you must be aware of all regulations and keep apprised of changes that may have an impact on the Franchised Business. We have not determined the licensing requirements in your proposed territory, or whether it is possible to obtain necessary licenses. You are solely responsible for determining licensing requirements in your proposed territory before you sign the Franchise Agreement. You may want to obtain a complete copy of your state’s and other applicable statutes and regulations and discuss them with your attorney.

Commissioner of Business Oversight v. You Move Me LLC. Fil Org. ID: 102945. On April 24, 2017, we signed a stipulated Consent Order and Desist and Refrain Order with the California Department of Business Oversight, in which we agreed to pay a \$10,000 administrative penalty and desist and refrain from violating California Corporations Code Sections 31110 (offer or sale of franchises without being registered), 31200 (making untrue statement of material fact in application filed with Commissioner), 31201 (offer or sale of a franchise by written or oral communications that contains an untrue statement of material fact), and 31156 (publication of advertisements unless filed with Commissioner).

ITEM 5. Initial Fees

The initial franchise fee is \$35,000 for one subterritory. Additional subterritories are \$15,000 each. The minimum initial investment is two subterritories. Territories will generally consist of two or three subterritories, but we may offer more or fewer subterritories if, in our sole discretion, circumstances so require. For example, there may be areas with larger populations that will support more than three subterritories. The initial franchise fee of \$50,000 for the first two subterritories is payable to us in a lump sum when you sign the Franchise Agreement. The fee for additional subterritories, if any, is payable to us on the due date mutually agreed upon and stated in the Franchise Agreement. Each portion of the initial franchise fee is fully earned upon receipt and there are no refunds under any circumstances.

The initial franchise fee paid by franchisees in the year ending December 31, 2020 was \$0, because we did not sell any franchises in 2020.

We reserve the right to modify or waive initial fees for particular franchisees on a case-by-case basis. We reserve the right to charge higher initial fees than those disclosed above for a particular territory. Some

of the factors that may lead us to charge more is if a territory had been previously serviced and has a developed market, or if the population or demographics of the particular territory are such that it would be particularly suited for a You Move Me franchise.

TOTAL (Notes 13 and 14)	\$106,500	\$218,860			

Notes:

- (1) This figures includes the initial fee of \$35,000 for the first subterritory, plus \$15,000 each additional subterritory. We require you to purchase at least two subterritories. See Item 5.
- (2) You will also be required to expend \$15,000 on marketing during your first six months of operations (the “**Initial Marketing Expense**”). These funds will be expended by you as we require or as may be required in the Operations Manuals. The Initial Marketing Expense is not

required to be expended upon a renewal of the Franchise Agreement. See Item 11 of this disclosure document, and Section 11.1 of the Franchise Agreement.

- (3) You must obtain computer, telephone and other related equipment that meets our specifications. These amounts represent the estimated cost to purchase this equipment. Item 11 describes the required computer hardware and software in greater detail. You must purchase a cell phone for use in connection with the Franchised Business, and you will be responsible for all costs associated with the use and maintenance of the cell phone. Upon termination or expiration of the Franchise Agreement, we may, at our option, purchase the cell phone number from you for fair market value, or require that you cancel the cell phone number, the costs or penalties of which will be your paid by you.
- (4) This estimates your initial miscellaneous start-up expenses, including your initial truck-based marketing kit, yellow page or Universal Business Listing ads, uniforms, moving equipment, deposits, business licenses and legal expenses. Your expenses may vary substantially, upward or downward, depending upon the nature of your existing operations, whether you currently own computers and telephone equipment and whether you currently have an office. You will also have to pay for insurance on your trucks and equipment, public liability, join our health and safety program, worker's compensation and property insurance for your franchise, and fuel and maintenance costs for your trucks. These figures are estimates and we cannot guarantee that you will not have additional expenses in starting your business.
- (5) The above figures assume you lease two vehicles and include the cost of wrapping your vehicles with the Marks, which we estimate to be \$4,000 per vehicle. However, you are only required to lease one vehicle. Some franchisees with good credit and who meet certain other vendor requirements may be able to lease a vehicle with no payments for the first six months of the lease term, as represented by the low end estimate of \$0 shown above. Costs may vary substantially, especially if you elect to purchase a vehicle rather than lease one. You must purchase or lease vehicles or trucks which meet our standards and specifications, and you are required to use only those vehicles in the operation of any part of the Franchised Business. You are permitted to use those vehicles only for the Franchised Business and for no other reason. You are required to abide strictly to our vehicle requirements and standards, including our requirements for the vehicles to be decorated with our approved graphics package. Your vehicles shall be outfitted, wrapped or decaled to our specifications. Please see Section 5 and Schedule C of the Franchise Agreement for further details.
- (6) You must secure administrative office space for your franchise at the commencement of operations. You must maintain sufficient space to operate computer and telephone equipment and maintain records. We estimate that you will need a minimum of 300 to 400 sq. feet. The above estimate is based upon paying 3 months' of rental payments estimated at \$400 per month. We allow you to operate out of your home during the first year of your operations.
- (7) Training fees for you and one additional employee are included in your initial fee; however, you are responsible for your travel, accommodations and meals while training at our training facility. Costs will vary depending on your proximity to Kansas City, Kansas and the number of people attending training. These expenses are typically not refundable. Per person expected costs are based upon a 10-day estimated stay, with accommodations from \$100-200 per night; one meal per day; air transportation at \$500-1,000 per person, and local transportation at \$10-25 per day.

- (8) You must purchase insurance in accordance with our specifications:

Type	Coverage
Comprehensive Liability	not less than \$2,000,000 per occurrence
Business Interruption	As required by Franchisor
Vehicle Liability	Not less than \$2,000,000 or as required by Franchisor
Worker's Compensation	As required by state law
Employers Liability Insurance	As required by Franchisor, not less than \$2,000,000 per occurrence
Other	As required by law or Franchisor

- (9) The cost of office equipment and supplies will depend on whether you already have such items (such as desk, stationary, etc.). The lower number assumes you have all such items.
- (10) The monthly charge for some of the CRM licenses are charged in CAD. These CAD charges are converted to USD when collected using the prior month's average USD/CAD exchange rate, as listed on the Bank of Canada website. The fee disclosed here is approximated based on the average exchange rate for the calendar year 2020 of 0.7454.
- (11) Governmental or regulatory agencies typically charge fees for permits and operating licenses. Your actual costs may vary from the estimates based on the requirements of federal, state and local government agencies. See also Item 1 of the disclosure document.
- (12) You will need to retain a lawyer, an accountant and other consultants to assist you in establishing your Franchised Business. These fees may vary from location to location depending upon the prevailing rates of local lawyers, accountants and consultants. These fees are typically non-refundable.
- (13) This estimates your initial operating expenses, including working capital, during the initial start-up months. Your costs will depend on factors such as: following You Move Me's methods and procedures; your management skill, experience and business knowledge; local economic conditions; local market for services; prevailing wage rate; competition; sales level reached during the initial period; and lease rates for office space, vehicle and computer and telephone equipment. Additional Funds relate only to costs associated with the Franchised Business and do not cover any owners' draw or personal, "living," unrelated business or other expenses you may have, such as royalty payments, debt service on any loans, state sales or use taxes on goods and service, and a variety of other amounts not expressly described and included in the notes above.
- (14) We relied on our research to compile these estimates. You should review these figures carefully with your business advisors before making any decision to invest in the franchise. Your expenses may vary substantially, upward or downward, depending upon the nature of your existing operations, whether you currently own computers and telephone equipment and whether you have a home office. You will also have to pay for insurance on your truck and equipment, public liability and property insurance for your franchise, and fuel and

maintenance costs for your truck. These figures are estimates and we cannot guarantee that you will not have additional expenses in starting your business.

- (15) Unless otherwise noted, all fees payable to us are non-refundable under any circumstances. Refundability of fees paid to third parties will depend on your negotiation with each party. Neither You Move Me nor its affiliates offer financing of all or any part of the initial investment.

ITEM 8. Restrictions on Sources of Products and Services

You must purchase or lease certain items and services for your Franchised Business from our approved supplier(s) or satisfying our specifications. Except as noted below, you must use the services of the Sales Center and our affiliate, Tracksuit Movers, which is the only approved supplier for Sales Center services. Sometimes we may recommend a supplier, but we will not require you to use that supplier. For other items, such as vehicles, signage, uniforms, moving and packing supplies, marketing materials, insurance, tools, telephone equipment, credit card processing software, equipment and computers, we will provide specifications and you must find suppliers that meet our specifications for those items. We reserve the right, in the future, to serve as, to change, or to designate, an approved supplier for any of these items. Specifications and standards for these items are included in the Operations Manual, and may be updated or modified periodically by us.

Our criteria for supplier approval, as may be needed, may also be included in the Operations Manual, or may be requested from us directly in writing on a case-by-case basis. The intent of the specifications, standards and supplier approval is to create brand consistency throughout North America. Generally, we apply the following criteria, among others, in considering whether a supplier will be an approved supplier:

1. ability to produce the products, services, supplies or equipment to meet our standards and specifications for quality and uniformity as well as our customers' expectations;
2. production and delivery capabilities and ability to meet supply commitments;
3. integrity of ownership (to ensure that its association with You Move Me will not be inconsistent with our image or damage our goodwill);
4. financial stability; and
5. the negotiation of a mutually satisfactory license to protect our intellectual property.

We will advise you within a reasonable time (no more than 30 days) whether the proposed items and supplier(s) meet our specifications, and our approval will not be unreasonably withheld. You will be notified in writing of our approval or disapproval and any revocation of approved suppliers. Suppliers must maintain our standards in accordance with written specifications and any modifications. Failure to correct a deviation from the System's specifications will result in the termination of an approved supplier's status. We reserve the right to require you to reimburse us for reasonable expenses we incur in approving new items or suppliers.

After you have operated the Franchised Business for at least one year, either you or we may elect at any time, upon 30 days' notice, to have you operate your own Franchisee Sales Center under the terms stated in Section 10.9 of the Franchise Agreement. The notice period to transition to using your Franchisee Sales Center may be extended by the non-electing party for an additional 60 days. You may elect to revert back to using our Sales Center (and cease using your Franchisee Sales Center) effective at the beginning of any calendar year as long as at least 30 days' notice is provided to us. We may require you to revert back to using

our Sales Center at any time if you fail to operate your Franchisee Sales Center in accordance with our standards.

In our fiscal year ended December 31, 2020, we received no revenue from our franchisees for required purchases and leases. In the fiscal year ended December 31, 2020, our affiliate, Tracksuit Movers, received \$491,974 in revenue from fees paid by our franchisees for required purchases or leases.

We do not currently, but may in the future, organize branding cooperatives consisting of any number of franchisees. Branding cooperatives may be organized geographically, or along any other parameters that we designate. If your franchise belongs to a branding cooperative established by us, then you will be obliged to participate in the branding cooperative, which may include traveling to attend meetings. If franchisees representing 75% of the revenue in a particular branding cooperative agree, then you will be required to contribute to the branding cooperative. However, you can never be required to contribute a total of more than 3% of your Gross Revenue for all branding cooperatives to which you belong.

We do not currently but intend in the future to negotiate purchase arrangements with some suppliers for the benefit of our franchisees. We and our affiliates did not during our last fiscal year receive any payments from any suppliers based on franchisee purchases or leases, but reserve the right to do so in the future. We do intend to negotiate volume discounts for our franchise system, which may involve rebates paid directly to us.

We are not currently an approved supplier of any items for use in the Franchised Business, and except for Tracksuit Movers which operates the Sales Center, neither are any of our affiliates. Laurie Baggio, our founder and a board member, owns an interest in Tracksuit Movers, but otherwise, none of our officers own an interest in any of our suppliers. The purchase and lease of items from approved suppliers or that meet our specifications are anticipated to represent approximately 35% to 45% of your total expenses in connection with the establishment of the Franchised Business, and approximately 10% to 40% of your total expenses in connection with the ongoing operation of the Franchised Business.

We do not provide material benefits to you based solely on your purchases from or use of designated or approved suppliers.

ITEM 10. Financing

We do not offer financing at this time. We do not guarantee any debts, leases or other obligations for you. While not obligated to do so, we may, in our discretion, introduce you to third party financing sources that may, if you meet their qualifications, supply financing options for items required as part of the initial

investment. We and our affiliates do not receive any consideration from introductions to third party financing sources.

ITEM 11. Franchisor’s Assistance, Advertising, Computer Systems, and Training

Except as provided below, You Move Me is not required to provide you with any assistance.

A. Before you open your business, we will:

1. designate your non-exclusive but protected territory (Franchise Agreement, Section 2.2); provide artwork for advertising use, a list of exclusive suppliers of marketing materials and a specification list for decals, signage and trucks – we do not deliver or install decals or signage (Franchise Agreement, Section 7.1);
2. provide you with electronic access to the confidential and copyright-protected series of System manuals, as revised periodically (collectively, the “Operations Manual”) (Franchise Agreement, Section 2.1) (A copy of the Table of Contents of the Operations Manual is attached as Exhibit C to the disclosure document.) You may not copy the Operations Manual other than in the normal operation of the Franchised Business without You Move Me’s permission; and
3. provide an initial training program for you (or, if you are not an individual, your owner) and one employee, which you both must complete to our satisfaction. The training covers all aspects of the business operating system, consisting of both in-class training and in-field training. An outline of the training is provided below (Franchise Agreement, Section 15.1);

B. During the operation of the Franchised Business, we will:

1. obtain and provide to you the services of the Sales Center (Franchise Agreement, Section 10.1);
2. provide access to MoveNet, our intranet system, for two users (additional users may be subject to additional fees) (Franchise Agreement, Section 10.2);
3. administer and maintain the Sales Center Cooperative Fund (Franchise Agreement, Section 10.5);
4. administer and maintain the Marketing Fund (Franchise Agreement, Section 11.3);
5. provide you with general advice, assistance and field support as we deem helpful to you in the ongoing operation, advertising and promotion of the Franchised Business (Franchise Agreement, Section 15.4);
6. continue efforts to establish and maintain high standards of customer satisfaction and professionalism in the System (Franchise Agreement, Section 15.4);
7. coordinate and conduct periodic training programs for franchisees as we in our sole discretion deem necessary, at franchisees’ cost (Franchise Agreement, Section 15.2);

8. on a periodic basis, conduct inspections of the Franchised Business and its operations, and evaluations of the methods and staff employed at the Franchised Business (Franchise Agreement, Sections 9.5 and 14.2); and
9. take initiatives and steps to protect the integrity of the brand (Franchise Agreement, Section 13.6).

Advertising and Marketing

Initial Marketing Expense

You must expend a minimum Initial Marketing Expense of \$15,000. The Initial Marketing Expense will be spent by you in your Territory in order to market and promote the Franchised Business prior to and during the first 6 months of the Franchised Business's start up.

Marketing Fund

We administer and maintain a Marketing Fund (the "Marketing Fund") for regional and national advertising programs with monies collected from franchisees (Franchise Agreement, Section 11.3). You Move Me selects the types of media used and the location of the advertising campaigns administered through the Marketing Fund. We use or may use the following media: print, radio, television, telephone, telephone directories, internet and direct mail. We may also use the funds for general public relations, national accounts, development of marketing materials, and to otherwise obtain and build brand awareness. The focus is on national coverage and marketing development and will be handled in-house at You Move Me or outsourced to Tracksuit Movers or a professional advertising or public relations firm. You may always use your own advertisements beyond those produced by the Marketing Fund, subject to our prior written approval of the advertising, which will be granted or denied no more than 30 days after receipt of the materials you submit. You may not create or maintain a website, social media account or other internet presence in connection with the Franchised Business without our express prior written consent, which may be withheld in our sole discretion.

You must contribute 1% of Gross Revenue to the Marketing Fund. All franchisees and franchisor-owned operations will contribute on the same basis. We will prepare and provide to you upon written request an annual unaudited financial statement of the Marketing Fund. We administer the fund, but we will not receive any compensation for providing services to the Marketing Fund, other than the reimbursement of ordinary and necessary expenses, which may include in-house staff.

We are not obligated to spend a specific amount on advertising in your area. Any unspent amounts in the Marketing Fund will be saved for later spending. No percentage of the Marketing Fund is used for the solicitation of franchisees; however, our advertising and marketing material does contain contact numbers for obtaining information about You Move Me franchises.

During the fiscal year ended December 31, 2020, the Marketing Fund was expended as follows 25% on administrative expenses, including in-house media and marketing personnel, and 75% on other expenses ("other" includes programs and program management). The Marketing Fund is managed by Tracksuit Movers.

Advertising Council

We formed an informal advertising council called MAP to advise us on advertising policies. MAP currently consists of four members from our corporate staff and four franchisee members. Membership in MAP is open to all You Move Me franchisees that want to participate on the council, but we may in the future

set different membership parameters. MAP acts in an advisory capacity only. We make all decisions relating to system advertising. We may change, dissolve or form new advertising councils.

Minimum Local Advertising/Promotion Expenditure

During the first year of operations, you must expend the greater of the Initial Marketing Expenses or 6% of Gross Revenue on local marketing and promotions in the Territory in that first year. During the remainder of the Term and any exercised Renewal Term, you must expend the greater of \$3,600 or 6% of Gross Revenue in each quarter on local marketing and promotions in the Territory.

Branding Cooperatives

We may organize branding cooperatives consisting of any number of franchisees. Branding cooperatives may be organized geographically, or along any other parameters that we designate. If your franchise belongs to a branding cooperative established by us, then you will be obliged to participate in the branding cooperative, which may include traveling to attend meetings. If franchisees representing 75% of the revenue in a particular branding cooperative agree, then you will be required to contribute to the branding cooperative. However, you can never be required to contribute a total of more than 3% of your Gross Revenue for all branding cooperatives to which you belong.

Hardware, Software and Internet Connectivity

You must install and maintain a computer system according to our specifications, as listed in the Operations Manual (Franchise Agreement Section 14.1). Your computer system must include a laptop or tablet computer with the ability to run current versions of Windows, Microsoft Office®, QuickBooks Pro, anti-virus software, and with built-in Bluetooth and Wi-Fi. You must subscribe for Cable or DSL broadband internet service. Your internet connection must not be AOL, Prodigy, or any similar service that requires the end user to use proprietary browser and email software. We estimate the cost to purchase a computer system to our specifications to cost approximately \$3,000. You must also purchase a printer and a mobile phone capable of taking high-definition (HD) photos. If you do not want to buy a mobile phone, you will have to purchase a digital camera.

We will provide you with secure passwords to our proprietary software, MoveNet, through the internet. We will train you on how to use MoveNet. Tracksuit Movers will maintain MoveNet and will provide updates as needed.

Your computer hardware and software must be kept up to date based on our specifications. There are no limitations on the frequency and cost of computer hardware and software upgrades. We are not responsible for providing on-going maintenance, repairs, upgrades or updates to your computer system, except to MoveNet. The cost for maintaining your computer system will vary based on the type of maintenance program, if any, you decide to purchase from third-party vendors.

We will have access at any time to information you enter into MoveNet but not to information entered or stored elsewhere on your computer system. MoveNet will collect sales data associated with the jobs you record and provide reports to you and us in order that we may more efficiently manage the business. Information collected on MoveNet includes financial information and the information you collect from your customers including names, addresses, telephone numbers, and payment details. There are no contractual restrictions on our access to this data. Compiled sales data regarding all franchised businesses in the System will be made available to other franchisees.

Training

Note on COVID-19

As of the date of this Disclosure Document, the COVID-19 pandemic is active throughout the United States. We may need to change our training as a result of restrictions resulting from the pandemic. Some of these changes may include the requirement that training or field visits be delayed, conducted in locations other than those disclosed below, or be conducted virtually.

Initial Training

You and your manager must complete training, to our satisfaction, no later than five weeks before the projected launch date of your business. Prior to attending the training, you will spend two to five days within a local moving business observing their operations. Ten business days of training, split into two phases, takes place at the offices of You Move Me in Kansas City, Kansas. Your first field visit from your Field Advisor (FA) will take place within 120 days after your launch and will contain approximately one additional crew training day.

The initial training program is conducted by members of You Move Me's Field Support, who are led by Prabh Heer. Mr. Heer has led You Move Me's training program since November 2020. He has continuous experience in the field since May 2015, and with You Move Me since May 2015.

The training tools used include the You Move Me Operations Manual, You Move Me Management Playbook, Sales and Marketing Playbook, Production Playbook and the support of an online learning technology and classroom lectures by department heads.

If required, additional training may be scheduled at a later date. All expenses incurred by You Move Me to conduct this additional training are borne by the franchisee. Additional costs may include airfare, hotel and meals.

You must complete the pre-training homework before attending training as well as study the Operations Manual and associated documentation in order to be well prepared for launch.

We generally intend to conduct the initial training program monthly or as often as the number of new Franchise Partners requires. There is currently no charge for attendance at initial training by you (or your owner) and one of your employees. You must, however, pay for all travel and living expenses for you and your attendees; continental breakfasts and lunches will be provided on training days. At least one refresher training course is required each year. We reserve the right to offer or require additional training courses as we deem necessary. Initial training must be successfully completed at least 2 weeks before the commencement of the Franchised Business's operations.

The Table of Contents of our Operations Manual is located at Exhibit C. It contains a total of 254 pages, not including the attached forms and documents.

Site Selection

We require you to secure office space for your Franchised Business. You must maintain sufficient space to operate computer and telephone equipment and maintain records. We estimate that you will need a minimum of approximately 300-400 square feet for both storage space and administrative office space. In addition to the rent you will be required to pay, the cost of office space will depend upon the amount of any deposit you must pay in connection with the rental, build-out costs, or pre-paid rent that the landlord may require. We do not assist you with locating office space and we do not approve the space you choose.

Opening of the Franchised Business

The typical length of time between the signing of the Franchise Agreement and the opening of the Franchised Business is 5 to 12 weeks. Factors affecting this length of time usually include your availability for attending the training session in Kansas City, Kansas, and obtaining the required storage and administrative space if you elect to use commercial space.

ITEM 12. Territory

Protected Territory

You will receive a non-exclusive territory in which to operate the Franchised Business. Your territory will be determined before you sign the Franchise Agreement. We determine territories by developing geographic areas with household populations of approximately 200,000 to 250,000, based on the most recently published data from the U.S. Census Bureau (or such other source as we may indicate to you). Your territory will generally consist of two to four of these geographic areas, each of which will be considered a "subterritory." The minimum population in a subterritory will be 200,000 people, unless in our sole discretion

circumstances require the subterritory to contain a lesser population, in which case we must mutually agree to the smaller size.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. However, the non-exclusivity extends only to our reserved rights with respect to national accounts as described below. We will protect your territory to the extent that we will not operate a company location within your territory; establish another franchisee in your territory; or solicit or accept orders from customers from inside your territory. We may, however, establish franchisor-owned locations, other franchises or sub-franchises outside your territory, regardless of proximity to the boundaries of your territory. We may also establish other franchises or company-owned outlets or other channels of distribution, including the internet, offering similar services under names and trademarks other than the Marks, within or without your territory. Other franchisees or You Move Me may perform moves that terminate within your territory, and you may perform moves that terminate in the territories of other franchisees. Your protected territory relates to the originating location of the move. Also, all moves must terminate within 120 miles of your Territory, and must terminate within the United States.

You are prohibited from soliciting or providing services to customers outside of your protected territory. You do not have the right to use other channels of distribution, such as the internet, catalog sales, telemarketing, or other direct marketing, to make sales outside your territory.

We require you to secure office space for your Franchised Business, although you may operate from your home during your first year of operation. We do not assist you with locating office space and we do not approve the location or relocation of your office space, although it must be within your territory.

Strategic, Regional and National Accounts

We reserve the right (for ourselves and our affiliates), at any time and upon written notice to you, to directly enter into and service national account contracts or strategic alliances, which are businesses that have locations in two or more territories or multiple locations within your territory. We also reserve the right to indirectly establish national accounts with third parties who have customers in your territory, regardless of whether you previously serviced such a customer in the past. We sometimes refer to national accounts as “Commercial Accounts,” “Key Accounts,” “Strategic Accounts,” or “Strategic Alliances.” You will be given the option to service the locations of the national account in your territory, provided that you agree to do so, and continue to do so, under the terms and conditions of our (or our affiliate’s) agreements with the national account. If you fail to agree to service such accounts, we may engage other franchisees or third-parties to service such accounts in your territory without liability or payment of compensation to you.

You may be restricted from soliciting business from or providing services to any national account unless you agree to abide by the terms of our national account contract and sign our National Account Program Participation Agreement. See Exhibit H to this disclosure document.

Additional Franchised Businesses/Subterritories

While we encourage you to expand to your maximum potential, including acquiring additional Franchised Businesses or subterritories, as appropriate, we have implemented the following minimum standards to encourage success. Of course, our approval of an additional Franchised Business or subterritory is not a guarantee that any Franchised Business will be successful, but to gain that approval, you must at minimum meet the following criteria:

- a) You must submit an annual financial statement and current personal net worth statement to show financial ability;
- b) You must have a minimum of 3 to 6 months' operating capital, based on your projections and living expenses;
- c) You must be in good standing and full compliance with all terms and conditions of the existing Franchise Agreement(s) (including minimum performance standards) and truck lease or purchase agreement; and
- d) You must have been in operations in your current Franchised Business for at least 6 months before you may add additional subterritories and at least a year before you may acquire a whole new Franchised Business.

You do not receive options, rights of first refusal or similar rights to acquire additional franchises. We continue to reserve the right to grant or refuse to grant a Franchised Business or territory in our sole discretion. The list above are simply *minimum* standards and we will continue to make a determination of whether or not to grant a Franchised Business based on our own assessment of each franchisee's business acumen. If you wish to acquire an additional subterritory after you commence operations, as a condition to approving this, we may require that you terminate your existing franchise agreement(s) and execute our then-current Franchise Agreement covering all subterritories. The term of this new franchise agreement may, in our sole discretion, coincide with the remainder of the shortest terms left under your prior Franchise Agreement(s). We reserve the right to negotiate the initial fees for such an arrangements based on the facts and circumstances existing at the time.

ITEM 13. Trademarks

We have been granted the exclusive license by Tracksuit Movers to use and license others to use the System and Marks in the United States. The license term is perpetual and will only terminate if we fail to pay royalties to Tracksuit Movers, become bankrupt, or breach the terms of the license which prohibit us from misusing or attempting to transfer the license. During the term of your Franchise Agreement, we will grant you the right to use the System and Marks in the operation of your Franchised Business within a territory. By Marks we mean the trade names, trademarks, service marks and logos used to identify the System. Other than the license referenced above in this Item 13, there are no other agreements currently in effect which significantly limit our rights to use or license the use of such trademarks, service marks, trade names, logotypes or other commercial symbols in any manner material to the Franchised Business.

Tracksuit Movers has registered the following Marks at the U.S. Patent and Trademark Office (“USPTO”) on the Principal Register:

Mark	Registration Date	Registration Number	Status
You Move Me	September 3, 2013	4,397,576	Registered
	September 3, 2013	4,397,575	Registered
OUR MISSION IS TO MOVE YOU, NOT JUST YOUR BOXES	October 13, 2015	4,830,355	Registered

Tracksuit Movers has filed all required affidavits for the above listed Marks.

Tracksuit Movers and the Franchisor also intend to claim common law rights to the Marks upon their continuous, exclusive and extensive use and advertising.

You must use the names and Marks in full compliance with the provisions of the Franchise Agreement and in accordance with our rules. You cannot use any name or Mark as a part of any corporate name with any prefix, suffix or other modifying words, terms, designs or symbols. In addition, you may not use any name or mark associated with the sale of any unauthorized product or service or in any other manner not explicitly authorized in writing by us.

You may not directly or indirectly oppose our right to our trademarks, trade names, trade secrets or business techniques that are part of our business. You must notify us immediately if you learn about a claim against your use of our trademarks. We will take whatever action, if any, we deem appropriate and we have the exclusive right to control any litigation or administrative proceeding involving the Marks licensed to you. We have no obligation to defend you or to take any legal action against others with respect to any claim related to your use of our trademark, and we will not indemnify you against claims of infringement or unfair competition arising out of your use of the Marks.

We have the unlimited right to change the Marks. If we change the Marks, then you must comply with our instructions in this regard. Upon termination of the Franchise Agreement, you must immediately cease all use of the Marks.

There is no currently effective material determination of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, and no pending infringement, opposition or cancellation proceeding or any pending material federal or state court litigation involving the trademarks, service marks, trade names, logotypes or other commercial symbols licensed to us. We do not know of any superior prior rights or infringing uses that could affect your use of the Marks.

ITEM 14. Patents, Copyrights, and Proprietary Information

We do not register claims in patents or copyrights that are material to our business, but Tracksuit Movers does claim proprietary rights and copyright protection to the confidential information contained in the Operations Manual. Tracksuit Movers also claims copyright protection on operational materials specifically associated with the System, including the proprietary advertisements, all materials presented to prospective customers, printed materials and forms associated with the operation of a Franchised Business. Tracksuit Movers licenses to us the right to use the Marks in the operation of the System. You must promptly

tell us when you learn about unauthorized use of any of this proprietary information. We are not obligated to take any action, but will respond to this information as we deem appropriate. Our interests are to protect the integrity of the brand. We will not indemnify you for losses claimed by a third party concerning your use of this information.

ITEM 15. Obligation to Participate in the Actual Operation of the Franchise Business

We require that your Franchised Business be under the direct supervision at all times of one full-time General Manager approved by us. If you are an individual, you will generally be the person who acts as General Manager, but the General Manager can be any person so long as they have been trained and approved by us. Our approval is based on the General Manager having prior sales, marketing and business management experience, and having successfully completed our initial training program. If you acquire territory that is not contiguous with the territory you currently service, then we may require you to sign a separate franchise agreement for that territory, in which case it would be treated as a separate franchise requiring its own General Manager. During the term of the Franchise Agreement, you and your General Manager are prohibited from actively participating in any other business during the required hours of operation of the Franchised Business, unless you have our written approval. There is no requirement that a General Manager own equity in the franchisee or the Franchised Business. We may request that you cause your employees to sign a form of confidentiality agreement approved or provided by us.

All directors, officers, shareholders, partners, or members of an entity franchisee shall each be required to sign an agreement guaranteeing the financial performance of the Franchisee under the Franchise Agreement. A copy of the Guarantee is attached as Exhibit F to this disclosure document.

ITEM 16. Restrictions On What the Franchisee May Sell

You must operate the Franchised Business and perform all services in accordance with the operating guidelines and quality standards that we establish. You may only sell the goods and services approved by us. Unless you or we have elected for you to operate your own Franchisee Sales Center, you may only perform jobs properly processed through the Sales Center. You must operate your business during hours set by You Move Me, which may vary from territory to territory. We have the unlimited right to change the types of authorized goods and services.

The services you are required to provide are residential and commercial local moving services and related services, including assistance with storage. The products we currently permit you to sell are boxes, tape, mattress bags, carpet shields, and similar products used when moving.

You are required to charge by the hour for moving services. We may, from time to time, recommend that you sell the services at a price that we establish, although the price is set by you (subject to our ability to require you to participate in pricing for strategic, regional, or national accounts).

You may request permission to provide additional products or services, and we will grant or deny permission within thirty (30) days of any such request. Any product or service we permit will become a proprietary part of the System and we may permit or require other franchisees to provide such products or services.

With the exception of the territorial and strategic, regional, and national account restrictions described in Item 12, and Section 2 of the Franchise Agreement, we do not place any restrictions upon you that limit the customers to whom you may sell goods or services, provided that you sell services to customers with respect to moves that originate in your Territory.

You will be restricted from competing against us and other franchisees during the term of the Franchise Agreement and for a period of twenty-four months after the termination or expiration of the Franchise Agreement.

Unless either we or you have elected for you to operate your own Franchisee Sales Center, all sales must be completed through our centralized call center or through our website at www.youmove.com. We do not permit you actively making sales by any other means such as internet, telephone, or catalogue. If sales come to you by other means, such as persons approaching unsolicited to book a job, then you may complete the sale, but you must then direct the customer to our web site or our centralized call center to complete the sale. In any other circumstance, you must immediately record such sale in our CRM.

ITEM 18. Public Figures

You Move Me does not use any public figure to promote its franchises.

ITEM 19. Financial Performance Representations

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if (1) a franchisor provides the actual records of an existing outlet you are considering buying, or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

HISTORICAL FINANCIAL PERFORMANCE INFORMATION

The financial performance information provided in this Item 19 is a historic financial performance representation about all of the franchises existing in our franchise system for the relevant period based upon financial information those franchisees reported to us.

The following charts provide information regarding the Gross Revenue for franchised businesses in the United States and Canada. Canadian operations and operations in the United States are substantially similar. There are no characteristics of the Canadian outlets that differ materially from outlets being offered in the United States.

The charts below reflect total and average Gross Revenue for each of the three most recent calendar years franchised businesses and conversion franchised businesses were operated. For purposes of these charts, franchisees are grouped into franchised businesses open between 12 and 24 months, franchised businesses open longer than 24 months, and franchisees that converted existing businesses to franchises, and in the case of system-wide figures for all of North America include franchised businesses that were in existence for at least 1 day in the specified calendar year.

Unless otherwise specified, “Gross Revenue” means the actual gross revenues invoiced to consumers for products and services less taxes collected and credits or refunds given in accordance with the Franchisor’s refund policy.

We have provided you with information to help you make a more informed decision about our franchises. The actual numbers you experience will vary depending upon several factors, including competition, management and market demographics. You should conduct your own research to assist you in preparing projections for your own Franchised Business.

ⁱ Two franchises – Kansas City and Tulsa– operated moving businesses for more than a year prior to becoming franchisees in the You Move Me system. They are represented in the first two tables but also represented separately in the table for “Franchisees that converted existing businesses to franchises”. They are also included in the figures represented in the “Franchisees operating for at least 1 day” table.

ⁱⁱ Four franchisees, LA Metro, LA South, LA North and LA West, were operating as LA Metro and reported combined revenues as one franchised business instead of four. Because we were unable to determine the distribution of revenue from those franchisees separately, we equally divided the revenue of each of the four reporting businesses to establish revenue for four franchisees the purposes of these tables.

ⁱⁱⁱ The four franchisees LA Metro, LA South, LA North and LA West have been collapsed into two franchisees LA Metro and South Bay.

General Note to Charts:

1. The average is calculated by adding all figures up and dividing by the number of figures counted. The median is calculated by placing all figures being counted in order of ascending or descending value and finding the middle figure in the list. If there is an even number of figures, the median is calculated by adding the middle two figures and dividing by two.
2. The number of franchises column includes the number used to calculate the averages for each calendar year.
3. Foreign exchange rates have not been applied to the figures in the charts. USA charts are reported in USD and Canadian charts are reported in CAD.

The actual numbers you experience will vary depending upon several factors, including your individual abilities, competition, management, marketing demographics, and the number of trucks you operate in the territory.

Some franchises have earned this amount. Your individual results may differ. There is no assurance you will earn as much.

The financial performance representations do not reflect the costs of sales or operating expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. The best source of cost and expense data may be from franchisees and former franchisees, some of whom may be listed in Exhibit A.

Written substantiation for the financial performance representation will be made available to you upon reasonable request.

Other than the preceding financial performance representation, we do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting our Franchise Development Manager at 10th Floor, 333 Seymour Street, Vancouver, British Columbia, Canada, V6B 0G5; by phone at 1-855-909-3697 or by email at alex.benjamin@youmoveme.com, and the Federal Trade Commission, and the appropriate state regulatory agencies.

THIS Franchise Agreement (the "**Agreement**") is made effective on the effective date shown in Schedule B (the "**Effective Date**")

BETWEEN:

AND:

B. The distinguishing characteristics of the System currently include, but are not limited to, the trademarks shown in Schedule A and related logos, designs, brands and slogans as may be added or modified from time to time (collectively the "**Marks**"), which are licensed to Franchisor by Tracksuit Movers Inc., a British Columbia company and Affiliate of the Franchisor, which Marks Franchisor licenses to Franchisee under the terms and conditions set forth herein.

C. The System includes, but is not limited to, use and promotion of the Marks, operating procedures, policies, manuals, and techniques designed to enable franchisees to compete in the market for moving services.

D. Franchisee wishes to establish and operate a You Move Me franchise (the "**Franchised Business**") using the System in the Territory described in Schedule B, and to derive the benefits of Franchisor's experience, name, advice and guidance.

NOW THEREFORE in consideration of the recitals and the covenants and agreements herein contained, the parties covenant and agree as follows:

1. DEFINITIONS

1.1 **Definitions and Interpretation.** In this Agreement and in every amendment hereto (unless otherwise specified in any particular amendment), the following shall apply:

(a) "Affiliate" means any entity directly or indirectly controlling or controlled by one or more of Franchisor and members or subsidiaries of Franchisor. In this context, a

2. GRANT OF LICENSE, TERM AND TERRITORY

2.1 **Grant.** Upon the terms, covenants and conditions set forth and referred to in this Agreement, Franchisor grants to Franchisee, and Franchisee accepts from Franchisor, the right and license, for the Term and any duly exercised Renewal Term:

- (a) to establish and operate the Franchised Business from the location named in Schedule B (the “**Franchised Location**”) offering moving services, packing services, storage services, moving supplies, and delivery services (the “**Services**”) within the Territory, pursuant to the System;
- (b) to use the System, the Marks and the Copyrighted Materials in connection with the operation of the Franchised Business and in accordance with this Agreement and the provisions of the Operations Manual, or in such manner as may be approved in advance in writing by Franchisor; and
- (c) to use the copyrighted series of System manuals, including online materials, developed and owned by Franchisor, as revised by Franchisor from time to time (collectively, the “**Operations Manual**”).

2.2 ***Territory and Subterritories.*** The license granted in this Agreement gives Franchisee the right to establish the Franchised Business at the Franchised Location and Franchisee shall only offer Services to customers who are moving from a location within the borders of the geographical area specified in Schedule B, or such further area as may be agreed by Franchisor and Franchisee in writing from time to time (the “**Territory**”), provided that Franchisee may perform moves that terminate within the Territory or outside the Territory so long as (a) the move terminates no more than 120 contiguous miles from the nearest edge of the Territory, (b) the move terminates in the United States, and (c) Franchisee holds all the required licenses and other local, state or federal requirements to operate in the regions where the move terminates and through which the Franchisee must travel in order to complete the move. The Territory may be divided into sub-areas (“**Subterritories**”) depending upon its size, for which the Franchisee shall pay additional initial franchise fees, as set forth in Schedule B. Franchisor may charge such additional initial franchise fees for additional Subterritories as may be agreed by Franchisor and Franchisee in writing from time to time (the “**Subterritory Initial Fees**”). Absent Franchisor’s written consent, or unless otherwise indicated in Schedule B, each Subterritory Initial Fee must be paid in full prior to Franchisee offering Services in that Subterritory. In the event Franchisor and Franchisee desire to add one or more additional Subterritories to the Territory, the Franchisor may require, as a condition of consent to granting such additional Subterritory, that the Franchisee enter into the Franchisor’s then-current form of franchise agreement, the term of which may coincide with the term of this Agreement.

2.3 ***Protected Territory.*** Except as otherwise provided herein, Franchisor agrees not to grant a franchise for another Franchised Business permitting any person to originate moves within the Territory so long as this Agreement is in force and Franchisee is not in default hereunder. Notwithstanding this Section 2.3, Franchisor, for itself and its Affiliates, expressly reserves the right to:

- (a) offer the Services under the Marks through other franchised businesses outside of any Territory, but regardless of proximity to the boundaries of any Territory, and through channels of distribution other than other franchised businesses;
- (b) offer or establish other franchises or company-owned outlets or other channels of distribution, selling or leasing similar products or services under names and trademarks other than the Marks, within or without the Territory;
- (c) upon providing Franchisee with written notice of such intention, enter into and service strategic, regional, or national account contracts or strategic alliance contracts with businesses that have locations within the Territory, regardless of whether Franchisee previously serviced such businesses in the past. Franchisee may be required by Franchisor to service the strategic, regional, or national account locations in the Territory, under the terms and conditions of the applicable agreement between the Franchisor or its Affiliate(s) and the account customers, which agreements shall be negotiated and entered into by Franchisor in its sole discretion, and if Franchisee fails to agree to service such accounts, Franchisor may engage other franchisees or third-parties to service such accounts in the Territory without liability to Franchisee; and

- (d) offer or establish other franchises or company-owned outlets or other channels of distribution, selling or leasing similar products or services under any name or trademark for moves that terminate within the Territory.

2.4 ***Scheduled Opening Date and Subterritory Activation Dates.*** The parties intend that the Franchised Business shall commence operation on the date specified in Schedule B (the “**Scheduled Opening Date**”). Franchisee shall obtain and maintain all licenses, permits and inspection approvals required by law to operate the Franchised Business at the Franchised Location from and after the Scheduled Opening Date. Franchisor may extend the Scheduled Opening Date by up to 60 days on written notice from Franchisee. If the Territory consists of Subterritories, the Franchisee may not offer the Services in any given Subterritory until the later of: (i) such time as the Subterritory Initial Fee for such Subterritory has been paid in full, or (ii) the activation date for such Subterritory specified in Schedule B. The Initial Fee or any Subterritory Initial Fee may be paid in full at any time prior to the due date in the Franchisee's sole discretion. Franchisee may commence operations in a particular Subterritory prior to the Scheduled Opening Date, provided the Subterritory Initial Fee in respect of the particular Subterritory has been paid in full and the Franchisee has provided written notice to the Franchisor of its intended commencement date. Any extension or delay in the Scheduled Opening Date, whether or not approved by Franchisor, shall not thereby extend the due date for any Initial Fee or Subterritory Initial Fee.

2.5 ***Term.*** The term of this Agreement shall commence on the Scheduled Opening Date, whether or not the Franchised Location is open for business on that date and, unless sooner terminated as herein provided, shall continue for a term of 5 years until the expiration date shown in Schedule B (the “**Term**”), subject to the possibility of renewal pursuant to Article 18 of this Agreement.

2.6 ***Guarantee.*** In the event that Franchisee is a corporation or other business entity, all directors, officers, shareholders, partners or members of the Franchisee entity shall be required by Franchisor to sign Franchisor's current form of guarantee (each, a “**Guarantee**”) at the same time as the Franchisee executes this Agreement.

2.7 ***Security Agreement.*** Franchisee shall execute and deliver concurrently with this Agreement a general security agreement (the “**Security Agreement**”) in a form prescribed by the Franchisor, securing all present and future obligations of Franchisee to Franchisor under this Agreement, and any other agreement between Franchisor and the Franchisee.

3. INITIAL FEE AND TAXES

In consideration of Franchisor entering into this Agreement, Franchisee shall pay to Franchisor all portions of the initial fee shown in Schedule B (the “**Initial Fee**”) on or before the due dates set forth in Schedule B. The Initial Fee shall be deemed to be earned in full by Franchisor upon it executing this Agreement and thereafter shall be non-refundable, either in whole or in part.

- (b) business interruption insurance in respect of the Franchised Business;
- (c) owned, hired and non-owned vehicle liability insurance with a policy limit of not less than \$2,000,000 combined single limit for any vehicle used to any extent in the Franchised Business; and
- (d) such other insurance as required in Franchisee's Territory and such revised minimum standards and limits for insurance coverage and other terms as may be specified by Franchisor from time to time.

The insurance providers and types of insurance shall be subject to prior written approval of Franchisor, which Franchisee shall seek in a timely fashion. Franchisor may from time to time require that Franchisee cause such coverages to be added to or otherwise amended in accordance with recommendations of Franchisor's independent insurance advisor. The foregoing insurance coverages, as so amended from time to time, are hereinafter called the "**Coverages.**"

Franchisor, acting reasonably, may elect, at any time, upon the recommendation of its independent insurance advisor, to require Franchisee, either individually or as part of a group of franchisees, to place the Coverages (or any of them) through Franchisor, in which case

Franchisee shall pay its proportionate share (with other franchisees of the System) of all costs thereof, upon receiving invoice(s) therefor.

All policies of insurance for the Coverages shall expressly include Franchisor as well as its officers, directors, employees, subsidiaries, and affiliates as “franchisor/additional insured” and shall require the insurers to defend Franchisee and Franchisor, jointly and severally, in all claims and actions to which the Coverages are applicable. The policies shall further provide that Franchisee’s insurance coverage is primary and non-contributory to any coverage maintained by Franchisor. Such policies shall require provision of 30 days’ notice to Franchisor prior to any amendment, termination, cancellation or modification, and shall require the insurer to defend Franchisee and Franchisor in any action based on personal injury or property damage suffered as a result of or arising out of the operation of the Franchise. Within 10 days of entering into any policy of insurance, and from time to time as such policies are renewed or entered into, Franchisee shall cause insurer to forward a certificate of insurance directly to Franchisor confirming the terms and Coverages set forth in this section 14.4.

Each policy must be issued by an insurance carrier that is licensed in the state in which the Franchised Business is located and must carry a rating of A- or better by A.M. Best Company. Each policy shall contain a waiver by the insurance company of all subrogation rights against the Franchisor. Franchisor shall have the right to approve all insurance carriers.

Franchisee understands and acknowledges that Franchisor is not an insurance broker. Nothing done by Franchisor pursuant to this Section 14.4 shall constitute an assurance that Franchisee has adequate insurance for its assets, business and potential liabilities at the Franchised Business and Franchisee may place additional insurance as it sees fit, upon the advice of its own insurance broker.

14.5 ***Maintain Minimum Capital.*** Franchisee shall maintain, throughout the Term and any exercised Renewal Term, sufficient capital to operate the Franchised Business and which amount may be determined by the Franchisor from time to time.

15. TRAINING AND OTHER OBLIGATIONS OF FRANCHISOR

15.1 ***Training.*** Franchisor shall provide one initial training session of up to fifteen (15) Business Days for up to two (2) employees of Franchisee selected by Franchisee (who must include the prospective initial Management Personnel specified in Schedule B). The format and content of the training program shall be determined solely by Franchisor. The cost of such initial training is included in the Initial Fee. Additional prospective employees of Franchisee may be accommodated for such initial training or for subsequent equivalent training at Franchisee’s request and cost. Franchisee may provide initial training to Management Personnel, but Management Personnel must attend Franchisor’s training within six months of commencing employment. Franchisor may charge its current training fee to Franchisee for providing training other than the cost of training included in the Initial Fee. All training shall be given at times and at a location or locations designated by Franchisor. All expenses incurred by Franchisee and other trainees in connection with and during such training including without limitation those related to transportation, accommodation, meals and other living expenses, wages and other employment benefits shall be at the sole expense

of Franchisee. Neither Franchisor nor any owner of an existing business at which the training is given shall provide wages or employee benefits to Franchisee or other trainees during the training period.

15.2 **Retraining.** In the event that Franchisee is not operating the Franchised Business in full accordance with the System and this Agreement, which determination Franchisor shall make in its sole discretion, Franchisor shall have the right to send its representatives to the Franchised Location to conduct such retraining of the representatives and employees of Franchisee as Franchisor determines to be appropriate in the circumstances. Franchisee shall reimburse Franchisor upon demand for all out-of-pocket costs incurred by Franchisor in connection with such retraining, including all transportation, lodging and meal expenses incurred by and reasonable hourly charges for representatives of Franchisor providing the retraining.

15.3 **Initial and Ongoing Goods and Services.** Franchisor shall provide to Franchisee:

- (a) an initial inventory of supplies to be used in connection with the Franchised Business (the “**Supplies**”), in such types and quantities determined by Franchisor in its sole discretion;
- (b) login and Password for access to MoveNet;
- (c) additional training materials developed by Franchisor from time to time;
- (d) marketing materials and other sales aids developed by Franchisor from time to time (to be provided at Franchisee’s cost);
- (e) promotional assistance at the time when the Franchised Business opens for business and ongoing promotional assistance on a reasonable basis thereafter;
- (f) regular communications to keep Franchisee up to date with respect to important developments in the System; and
- (g) ongoing reviews and a summary annual review of the operation and management of the Franchised Business which shall be conducted by one or more representatives of Franchisor.

15.4 **Continuing Availability.** Franchisor shall make one of its representatives at its head office available to Franchisee during Franchisor’s normal business hours, for consultation and guidance with respect to operation or management of the Franchised Business. Reasonable consultation and guidance shall be given by correspondence, telephone, and email. One or more representatives of the Franchisor shall make a minimum of one field visit a year to the Franchised Business for purposes of performing a review. Franchisor shall also co-ordinate and conduct periodic training programs for franchisees as Franchisor, in its sole discretion, deems necessary.

16. REMEDIES UPON DEFAULT BY FRANCHISEE

16.1 *Definition of “Material Default”*. For the purposes of this Agreement, the phrase “**Material Default**” shall mean any one of the following defaults by the Franchisee:

- (a) failure to pay any sum due to Franchisor, any Affiliate or nominee of Franchisor, Franchisee’s landlord, any governmental authority, the lessor of any of the Vehicles, supplier of any item of Supplies or other inventory to the Franchised Business, or any other third party providing any goods or services to the Franchised Business, for a period of 15 days after written notice of such default has been delivered to Franchisee;
- (b) failure to comply with any other obligation of Franchisee contained in this Agreement or any other agreement between Franchisee and Franchisor or any Affiliate or nominee of Franchisor for a period of 30 days after written notice of such default has been delivered by Franchisor to Franchisee; provided, however, that if the nature of such default is such that it cannot be cured within a 30-day period, and Franchisee takes reasonable action to cure such default immediately upon receiving such notice and diligently continues to do so, then Franchisee shall have such additional period of time as is reasonably necessary to cure such default;
- (c) failure to commence operation of the Franchised Business on the Scheduled Opening Date as provided herein or doing anything or omitting to do anything which causes the Franchised Business to be closed for business or otherwise not operating in full compliance with this Agreement for 5 consecutive Business Days or any 5 Business Days in any 30 consecutive day period, without the prior written consent of Franchisor, unless the Franchised Business ceased operation by reason of force majeure, strike, fire, natural disaster, unavoidable casualty or any other cause beyond Franchisee’s control and not caused or continued, directly or indirectly, by an act or omission of Franchisee or any of its employees, directors, officers, agents or other representatives. In such a case, Franchisee shall diligently employ all reasonable measures to resume the Franchised Business as soon as possible;
- (d) failure to remain in good standing under all Vehicle Leases, or doing or omitting to do anything which gives anyone the right to terminate a Vehicle Lease or take possession of any of the Vehicles;
- (e) failure to comply with any of Franchisee’s obligations under the Security Agreement;
- (f) (i) Franchisee becoming insolvent (as revealed by its books and records or otherwise) in that it is unable generally to meet all of its obligations as they become due, (ii) the Franchisee files, or has filed against it, a petition (or similar pleading) in bankruptcy under federal bankruptcy laws or any similar legislation, (iii) a receiver, receiver-manager, trustee in bankruptcy or similar officer is temporarily or permanently appointed to take charge of Franchisee’s affairs or any of Franchisee’s property, (iv) dissolution proceedings are commenced by or against Franchisee or it otherwise ceases its corporate existence (whether voluntarily or involuntarily), (v) Franchisee goes into liquidation, either voluntarily or under an order of a court of competent jurisdiction, (vi) Franchisee makes a general

assignment for the benefit of creditors or otherwise acknowledges insolvency, (vii) Franchisee sells or purports to sell or transfer or otherwise loses possession or ownership or control of all or a substantial part of the assets used in the Franchised Business, (viii) Franchisee allows any item of personal property used in the Franchised Business to become attached, executed against, levied upon or subject to sequestration or extent, without obtaining the release of such attachment, execution, levy, sequestration or extent within 5 days, (ix) Franchisee allows any judgment to be entered against Franchisee or any of its affiliates of which Franchisee has notice (actual or constructive) arising out of or relating to operation of the Franchised Business without satisfying such judgment or securing it by payment into Court within 30 days, or (x) Franchisee is enjoined from operating the Franchised Business and such injunction is not dismissed, stayed or set aside within thirty (30) days;

- (g) an assignment or attempted assignment, at law or at equity, of this Agreement by Franchisee, including an involuntary assignment under applicable family relations laws, in whole or in part, without obtaining the prior written consent of Franchisor as required by this Agreement;
- (h) Franchisee or any of its directors, officers, employees, agents or other representatives attempting to assign, transfer or convey any part of its interest in the System, including any of the Marks, Know-How, Copyrighted Material or other copyrights, Operations Manual, trade secrets, systems, methods of operation or format, or discloses, copies or uses or permits the use of any of the foregoing, or if Franchisee uses or permits the use of any of the foregoing in a manner or at a location not authorized in advance in writing by Franchisor;
- (i) 30 days after Franchisee's receipt of notice from Franchisor, Franchisee continually failing to offer for sale any approved Service, or offering to sell any service from the Franchised Location that is not part of the Services or has not been designated or approved in writing by Franchisor;
- (j) Franchisee intentionally falsifying, misrepresenting or misstating to Franchisor any information contained in a financial statement, report or other document which Franchisee provides to Franchisor whether prior to or after the execution of this Agreement;
- (k) Franchisee engaging in misleading advertising or operating the Franchised Business in a dishonest, illegal or unethical manner, or having its business license for the Franchised Business suspended or revoked;
- (l) Franchisee failing to rectify diligently any order issued by a governmental or regulatory authority concerning breach of any health, safety or other regulation or legal requirement applicable to the Franchised Business within the time frame required by the government authority;
- (m) a personal or corporate Franchisee or any director or officer of a corporate Franchisee being convicted of an offence which in the reasonable opinion of Franchisor could

bring the System, any of the Marks or any other part of the goodwill established thereby into disrepute; and

- (n) Franchisee receiving three (3) or more notices of default under this Section 16.1 or Section 16.2 in any 12 month period, whether or not such defaults are cured after notice.

For greater certainty the defaults which do not have an opportunity to cure specified, shall be deemed incurable.

16.2 **Cross Default.** If one or more of Franchisee, a member of its Management Personnel, or any partnership or joint venture or corporation in which one or more of Franchisee and a member of its Management Personnel has a controlling interest, is a franchisee pursuant to another franchise agreement with Franchisor respecting another franchised business, a default under this Agreement shall constitute a default under such other franchise agreement, and vice-versa, with the like remedies available to Franchisor, and should such other franchise agreement for any reason therein be terminated, Franchisor may, at its option, terminate this Agreement.

16.3 **Termination for Material Default.** Franchisor may terminate this Agreement, forthwith upon giving written notice to Franchisee, if Franchisee commits any single Material Default.

16.4 **Appointment of Receiver or Receiver-Manager.** Upon a Material Default by Franchisee, Franchisor may in writing appoint a receiver or receiver-manager (in either case, the “**Receiver**”) of the assets of Franchisee and may remove any Receiver so appointed and appoint a replacement from time to time. A Receiver shall be deemed the agent of Franchisee and Franchisor shall not be responsible for any misconduct or negligence on the part of the Receiver. The Receiver shall have power to:

- (a) enter upon and take possession of the inventory of Supplies, the Vehicle Lease, the Vehicles, all other inventory and all other assets used in or offered for sale by the Franchised Business (collectively, the “**Assets**”) with power to exclude Franchisee, its employees, agents and other representatives therefrom, without becoming liable as a creditor in possession;
- (b) preserve, protect and maintain the Assets and make such replacements thereof and repairs and additions thereto as Franchisor may deem advisable;
- (c) sell, lease, assign or otherwise dispose of or concur in selling, leasing, assigning or otherwise disposing of all or any part of the Assets, whether by public or private sale or lease or otherwise, in such manner, at such price as can be reasonably obtained therefor and on such terms as to credit and with such conditions of sale and stipulations as to title or conveyance or evidence of title or otherwise as to Franchisor may seem reasonable, provided that Franchisee shall not be entitled to be credited with the proceeds of any such sale, lease or other disposition until the monies therefor are actually received; and

- (d) exercise all other rights and remedies provided to Franchisor by this Agreement, the Security Agreement and any Guarantee to the extent permitted by law or to such lesser extent permitted by its appointment, the Receiver shall have all the powers of Franchisor hereunder, and in addition shall have power to carry on the Franchised Business of Franchisee and for such purpose from time to time to borrow money either secured or unsecured, and if secured by a security on any of the Assets, any such security may rank in priority to or behind the security constituted by the Security Agreement. Subject to applicable law and the claims, if any, of the creditors of Franchisee ranking in priority to the security constituted by this Agreement and the Security Agreement, all amounts realized from the disposition of the Assets pursuant to this Agreement and the Security Agreement shall be applied as Franchisor, in its sole discretion, may direct as follows:
- (i) in or toward payment of all costs, charges and expenses (including legal fees and disbursements on a solicitor and own client basis) incurred by Franchisor in connection with or incidental to:
 - (1) the exercise by Franchisor of all or any of the powers granted to it pursuant to this Agreement or the Security Agreement; and
 - (2) the appointment of the Receiver and the exercise by the Receiver of all or any of the powers granted to the Receiver pursuant to this Agreement and the Security Agreement, including the Receiver's reasonable remuneration and all out goings properly payable by the Receiver;
 - (ii) in or toward payment to Franchisor of all interest referred to in this Agreement and unpaid;
 - (iii) in or toward payment to Franchisor of all principal and other monies (except interest) due as provided or referred to in this Agreement; and
 - (iv) any surplus shall be paid to Franchisee.

If the amounts realized from the disposition of the Assets are not sufficient to pay Franchisee's obligations in full to Franchisor, then Franchisee shall immediately pay to Franchisor the amount of such deficiency.

16.5 ***Other Remedies for Default.*** In the event of a default of this Agreement, whether or not a Material Default, and in addition to the other remedies provided in this Agreement, at law or in equity, Franchisor may:

- (a) bring such action for restraining order, injunction (including an interim injunction) decree of specific performance or other similar relief, without the need to post any bond or other security in connection therewith, as may be necessary to compel Franchisee to comply with Franchisee's obligations contained or referred to in this Agreement. In this regard, Franchisee acknowledges that certain breaches of this Agreement would result in loss to Franchisor for which Franchisor could not be

adequately compensated in damages by a monetary award. Accordingly, Franchisee agrees that in the event of any such breach of this Agreement, Franchisor shall, in addition to all the remedies available to Franchisor at law or in equity, be entitled as a matter of right to the relief outlined in this Subsection 16.5(a) to ensure compliance by Franchisee with the provisions of this Agreement and preservation of Franchisor's rights;

- (b) without waiving any claim for default hereunder and without prior notice to Franchisee, take whatever steps Franchisor deems necessary to cure any default by Franchisee hereunder for the account of and on behalf of Franchisee, and Franchisee hereby irrevocably appoints Franchisor as its attorney to do so, and the related expenses incurred by Franchisor shall be due and payable forthwith by Franchisee upon demand and shall be deemed to be an amount owing to Franchisor hereunder;
- (c) without waiving any claim for default hereunder and without prior notice to Franchisee, enter upon any premises upon which the Franchised Business is conducted without being liable to Franchisee in any way for such entry, for the purposes of securing the return of any of Franchisor's property, performing or compelling performance of Franchisee's obligations to Franchisor and protecting Franchisor's rights upon expiration or termination of this Agreement;
- (d) (i) reduce the Territory; (ii) remove the exclusivity provided in the Territory (allowing Franchisor to grant or operate other Franchised Businesses in the Territory); (iii) withhold, postpone, or forgo any services, licenses, rights, payments, orders, access to strategic, regional, or national accounts, any electronic systems or other materials (including without limitation MoveNet or any successor system used to communicate orders to Franchisee), or any other obligations imposed on Franchisor by this Agreement until Franchisee cures its violation or otherwise remedies the default to Franchisor's satisfaction; or (iv) any combination of (i), (ii), and (iii);
- (e) require attendance of Franchisee and, or alternatively, one or more of its employees at such training programs as Franchisor in its sole discretion deems necessary or appropriate, and Franchisee shall pay Franchisor's then-applicable fee for such training as well as all costs related to attendance at such training; and, or alternatively
- (f) send a dedicated field advisor or trainer to the Franchised Location to perform such training with such employees as Franchisor determines is necessary for such time period specified by Franchisor, and Franchisee shall pay the costs related to the attendance of such field advisor or trainer, including travel-related costs and applicable training fees as specified by Franchisor.

16.6 Damages based on Material Default. In the event of a termination of this Agreement by Franchisor based on a Material Default, Franchisor shall have the right to claim and recover damages from Franchisee and such damages shall include, without limitation, loss of the benefit of Franchisor's bargain hereunder. It is acknowledged by Franchisee that the benefit of Franchisor's bargain hereunder shall include the Royalties which Franchisor would have expected to receive for the unexpired balance of the Term (or Renewal Term, if it is then in force).

16.7 **Telephone Number(s) and Email Addresses.** Rights to the telephone or facsimile number or numbers and any and all email addresses, social media accounts including, but not limited to, Facebook, Twitter, Instagram or such other forms of social media, whether or not yet invented or created, which are utilized in connection with the Franchised Business from time to time shall be held by Franchisee in trust for Franchisor and, on expiration or earlier termination of this Agreement, Franchisee hereby irrevocably authorizes Franchisor to do whatever is necessary (including executing documents in the name of Franchisee) to transfer all rights to such telephone or facsimile numbers, email addresses and social media accounts to Franchisor or an assignee of Franchisor. Franchisee shall not use any personal or residential telephone numbers in the operation of the Franchised Business. If Franchisee does so, those numbers shall be subject to the provisions of this Section 16.7.

16.8 **Liquidated Damages for Breach of Franchise Agreement.** Compliance by Franchisee and all of its employees with all standards and obligations set out in this Agreement and the Operations Manual (collectively, the “**Standards**”) is integral to the goodwill of the System. Franchisee agrees to pay as liquidated damages such amounts as detailed in the Operations Manual from time to time should Franchisor discover that Franchisee has breached any such standard, which liquidated damages Franchisee acknowledges are a reasonable pre-estimation of the internal and, or alternatively, external cost to Franchisor related to such breaches, and are not a penalty. Such liquidated damages will range from \$25 to \$2,000 for each violation, and may be assessed for each day Franchisee is found to be in violation. Any liquidated damages assessed shall be due and payable by Franchisee within ten (10) days of Franchisor providing notice to Franchisee of a violation. Franchisee’s obligation to pay liquidated damages as provided for herein is *not* an exclusive remedy. Franchisor may elect to pursue any other remedies available to it, including without limitation the right to enjoin continuing violations or termination of this Agreement.

16.9 **Remedies Cumulative.** The rights and remedies of Franchisor contained in this Article 16 and elsewhere in this Agreement or in a document referred to in this Agreement are cumulative and no exercise or enforcement of any right or remedy by Franchisor shall preclude its exercise or enforcement of any other right or remedy to which Franchisor is entitled by law, in equity or otherwise.

17. FRANCHISEE’S OBLIGATIONS UPON EXPIRATION OR TERMINATION

17.1 **Payment of Accounts.** Within 15 days after expiration or termination of this Agreement (or on such later date as such debts are due), Franchisee shall pay all outstanding Royalties, Marketing Royalties, Sales Center Fees, amounts owing under any Branding Cooperative, all amounts due for Supplies, and all other amounts payable by Franchisee (whether to Franchisor or any of its Affiliates) together with accrued interest charges thereon in accordance with Section 22.1.

17.2 **Discontinuance.** Upon expiration or termination of this Agreement, Franchisee shall immediately cease operations as a You Move Me franchisee, discontinue use or display of the Marks, MoveNet, Operations Manual, Copyrighted Materials and other materials provided by Franchisor such as advertising materials and training materials, trade secrets, systems, methods of operation, format and goodwill of the System. Franchisee shall also forthwith

change the color scheme of the Franchised Location and Vehicles to one that differentiates it from the color scheme of the System and shall remove all signage and murals related to the System from the Franchised Location and Vehicles. Franchisee shall not thereafter operate or do business under any name or in any manner that might tend to give the general public the impression that Franchisee is directly or indirectly associated, affiliated, licensed by or related to Franchisor or the System, and Franchisee shall not, directly or indirectly, use any Mark, or any other name, logo, signage, symbol, insignia, slogan, advertising, copyright, Copyrighted Materials, design, trade secret, process, system, method of operation or format confusingly similar to or colorably imitative of those used by the System. Franchisee acknowledges the proprietary rights of Franchisor as set out in this Agreement and agrees to return to Franchisor the Operations Manual, all advertising and training materials and all other confidential information relating to the System, as well as all other property of Franchisor, forthwith upon expiration or earlier termination of this Agreement.

17.3 **Power of Attorney.** Following expiration or earlier termination of this Agreement, Franchisor may execute in Franchisee's name and on Franchisee's behalf all documents necessary or advisable in Franchisor's judgment to terminate Franchisee's use of the Marks and Franchisor is hereby irrevocably appointed as Franchisee's attorney to do so, and such appointment, to the extent permitted by applicable law, shall survive the incapacity or death of an individual Franchisee.

17.4 **Right of Franchisor to Repurchase.** In the event of expiration or termination of this Agreement, Franchisor shall have the option, exercisable by written notice to Franchisee, to purchase from Franchisee free and clear of any lien, charge, encumbrance or security interest (except the Security Agreement) not previously approved by Franchisor, all or any portion of Franchisee's supplies or equipment for the Franchised Business at a price equal to 50% of Franchisee's originally invoiced cost thereof.

18. RENEWAL

If Franchisee is in full compliance with this Agreement, has not at any time committed any Material Default, whether or not remedied, and meets Franchisor's then current standard requirements for franchisees, and the Franchisee has not been habitually in default under this Agreement or any other franchise agreement between Franchisee and Franchisor, whether or not the Franchisor has issued notices of default, then Franchisor shall enter into a new franchise agreement with Franchisee for the renewal term(s) specified in Schedule B (the "**Renewal Term**"), upon the following terms and conditions:

- (a) Franchisee must give written notice of the election of renewal to Franchisor not more than twelve (12) calendar months nor less than nine (9) calendar months prior to expiration of the Term;
- (b) Franchisee shall, not less than six (6) calendar months prior to expiration of the Term, execute Franchisor's then-current form of franchise agreement, and not less than 30 days prior to expiration of the Term Franchisee shall pay to Franchisor a non-refundable renewal fee of \$5,000;

- (c) Franchisee shall execute and, if Franchisee is a corporation, partnership or joint venture, shall cause all of its then current shareholders (both legal and beneficial), directors, officers, partners and joint venturers to execute a general release, in a form provided by Franchisor, of any and all claims against Franchisor and its Affiliates and their respective officers, directors, shareholders, employees, agents and other representatives with respect to the Term; and
- (d) at the time of execution of a renewal franchise agreement, Franchisee shall not have been given notice of a default under this Agreement or any other agreement or obligation Franchisee may have with Franchisor (such as, but not limited to, another franchise agreement within the System) including, but not limited to, all obligations to pay Royalties, Marketing Royalties, Sales Center Fees, interest charges, audit fees and other amounts, and all obligations to comply with the Operations Manual, including trade name and logo guidelines.

If Franchisee continues to operate after the end of the Term or any Renewal Term without exercising an option to renew, Franchisee shall be deemed to be operating on a month to month basis under the terms and conditions of this Agreement. In such circumstances, and notwithstanding the foregoing, Franchisor may on 10 days written notice terminate this Agreement.

19. ASSIGNMENT OR TRANSFER

19.1 *Assignment or Transfer by Franchisee.* Franchisee acknowledges that the rights and duties created by this Agreement are personal to Franchisee and that Franchisor has entered into this Agreement in reliance upon the individual or collective character, skill, aptitude, attitude, business ability and financial capacity of Franchisee (or its principals, in the case of a corporate Franchisee). Therefore, except as expressly provided herein, neither this Agreement nor any of the rights and privileges of Franchisee contained herein, nor the Franchised Business or any part of it, nor any share or interest in Franchisee (if an entity) may be voluntarily, involuntarily, directly or indirectly (including by operation of law) assigned, sold, pledged, hypothecated, subdivided, sublicensed, optioned, diluted (such as by stock allotment) or otherwise transferred or encumbered, at law or at equity. Any assignment or transfer not expressly permitted by this Agreement shall constitute a breach of this Agreement and shall not be effective to convey any interest in this Agreement or the Franchised Business.

Without limiting the foregoing, Franchisee shall not assign or transfer, in whole or in part, Franchisee's interest in this Agreement or the Franchised Business except upon the terms and conditions provided in this Article 19. Any such assignment or transfer shall require the prior written consent of Franchisor, which Franchisor will not withhold unreasonably. In the event that Franchisee receives Franchisor's consent to an assignment or transfer, Franchisee shall be subject to the conditions set out in Section 19.3. Franchisor may refuse to consent to an assignment or transfer if any default has occurred and has not been remedied. By way of illustration and not limitation, Franchisor may withhold its consent if the proposed assignee or transferee does not meet Franchisor's then-current requirements for new franchisees, is and will remain involved in any way in another business similar to the Franchised Business, is not in Franchisor's opinion financially or operationally capable of performing the then-current obligations of System franchisees, or has had previous business experience or lack of

experience which, in the sole discretion of Franchisor, suggests that the proposed assignee or transferee may not be a suitable franchisee of the System. Franchisor's consent to any assignment or transfer shall not constitute a waiver of any claim, demand, action or cause of action which it may have against Franchisee, and shall not constitute a release of any Guarantee or other third party guarantee or covenant for performance of this Agreement by Franchisee.

19.2 *Transfer of Interest in Corporate Franchisee.* Without limiting Section 19.1, in the event that Franchisee is a corporation, partnership or other form of business organization, any material change in the legal or beneficial ownership of Franchisee, whether by agreement, court order, or by operation of law shall be deemed to be an assignment or transfer of this Agreement by Franchisee. For the purposes of this paragraph, a material change in ownership shall be any cumulative: (a) issuance or series of issuances of voting shares (or comparable voting units) that constitutes, in the aggregate, more than 5% of all outstanding voting shares (or comparable voting units); or (b) transaction or number or series of transactions (including, without limitation, any sale, assignment, transfer or disposition) resulting in a change in the legal or beneficial ownership of voting shares (or comparable voting units) that constitutes, in the aggregate, more than 5% of all outstanding voting shares (or comparable voting units).

19.3 *Conditions of Consent.* Any consent given to Franchisee to assign, transfer, sell or otherwise alienate or modify Franchisee's interest in this Agreement, in whole or in part, and the Franchised Business shall be subject to the following conditions (none of which limit in any way the discretion of Franchisor to grant or reasonably withhold its consent to any proposed assignment or transfer):

- (a) Franchisee shall submit all proposed advertisements for the sale of the Franchised Business and all the material terms and conditions of any proposed transfer or assignment to Franchisor for prior written approval;
- (b) Franchisee shall pay a non-refundable fee of \$10,000 to Franchisor, of which \$2,500 shall be payable upon the Franchisee's declaration of an intent to sell the Franchised Business and the remainder payable on execution by the proposed assignee of Franchisor's then-current form of franchise agreement;
- (c) Franchisor may charge the assignee a non-refundable administration fee of \$5,000, which shall be payable prior to and as a condition of any assignment;
- (d) the assignee shall execute Franchisor's then-current form of franchise agreement for a term equal to the remainder of the Term or such other term as agreed to by Franchisor and the assignee;
- (e) Franchisee shall return to Franchisor all manuals and materials provided hereunder, for re-issuance to the assignee or destruction, at Franchisor's sole discretion;
- (f) Franchisee and its principals shall each execute a release in the form provided by Franchisor and described in Section 19.5. Notwithstanding any assignment or transfer, Franchisee shall not be released from any of its obligations by Franchisor;

- (g) the assignee or transferee and its designated management personnel shall have completed to Franchisor's satisfaction Franchisor's then-current training program;
- (h) all obligations of Franchisee under this Agreement and under all documents relating hereto and any or all other agreements then in effect between Franchisor or its nominee and Franchisee shall be in good standing;
- (i) Franchisee shall provide evidence sufficient to Franchisor, acting reasonably, that the assignee has either taken an assignment or deemed assignment of the Vehicle Lease (with the consent of the lessor), or that the Vehicle Lease has been terminated and the proposed assignee has entered into a new Vehicle Lease meeting Franchisor's then current specifications; and
- (j) the assignee and, if the assignee is a corporation or other business entity, all such directors, officers, shareholders, partners or members of the assignee entity as shall be required by Franchisor, shall execute each of Franchisor's then-current forms of security agreement and guarantee agreement.

19.4 ***Transfer to an Entity by Personal Franchisee.*** If Franchisee is an individual, then his or her assignment of this Agreement to an entity formed solely for the purpose of owning and operating the Franchised Business pursuant to this Agreement, including but not limited to a corporation, limited liability company, limited liability partnership, limited partnership or any other form of entity, shall not be deemed to be an assignment of this Agreement, on condition that at least 21 days prior to an assignment being effected, Franchisee provides full written details of the proposed assignment to Franchisor and both Franchisee and proposed assignee certify in such writing that:

- (a) Franchisee is possessed of and shall retain at all times during the Term and any exercised Renewal Term, indefeasibly vested legal and beneficial ownership of not less than 75% of the outstanding voting equity of the assignee entity;
- (b) Franchisee is and shall remain the principal officer, chairman, director, member, partner, or manager of the assignee entity;
- (c) Franchisee shall remain liable, jointly and severally with the assignee entity and guarantors, for all obligations of Franchisee contained herein, and concurrently with the assignment, the assignor shall execute and become bound by the Franchisor's then-current form of guarantee;
- (d) all equity holders (both legal and equitable), members, partners, managers, directors and officers of the assignee entity as directed by Franchisor shall execute Franchisor's then current form of guarantee whereby they shall jointly and severally guarantee performance of this Agreement by the entity;
- (e) the assignor assigns to the assignee all Security Agreements related to this Agreement;

- (f) the assignor assigns to the assignee all Assets, leases, intangibles (including without limitation, insurance contracts), and all other assets held by the assignor that are necessary for or used in the Franchised Business; and
- (g) the assignee has no material liabilities that would affect the ability of the assignee to carry on the Franchised Business.

19.5 **Franchisee's Release of Claims.** It shall be a condition of Franchisor's consent to any assignment, including an assignment described in Section 19.4, that Franchisee and its principals each deliver to Franchisor a complete release of all claims against Franchisor and its Affiliates and their respective directors, officers, shareholders, members, managers, partners, employees, agents and other representatives in respect of all obligations arising under or pursuant to this Agreement, such release shall be in a form provided by Franchisor.

19.6 **Death, Incapacity or Permanent Disability.** In the event of the death or permanent disability of a personal Franchisee (or a principal of Franchisee where Franchisee is an entity or other entity), then Franchisee or estate of a deceased personal Franchisee shall have the right, within 6 months after such event, to assign this Agreement to an assignee who is, in Franchisor's opinion, financially and operationally capable of performing the obligations of Franchisee hereunder, provided that each of the conditions set out in Section 19.3 are fulfilled to the reasonable satisfaction of Franchisor. For the purposes of this Section 19.6, permanent disability means the inability of the personal Franchisee or principal to manage effectively the day-to-day operation of the Franchised Business for a period of 30 days. During any period of disability (permanent or otherwise) or pending assignment or in the event of death, in the event the Franchisee does not or is unable to replace the General Manager as required by Section 12.3, Franchisor may appoint a competent and trained manager to operate the Franchised Business for the account of Franchisee. The substitute manager shall be deemed for all purposes to be the agent or employee of Franchisee. Franchisor shall not be liable to Franchisee or to any creditor of the Franchised Business for any debt, obligation, contract, loss or damage incurred, or for any purchase made during any period in which the Franchised Business is so managed.

19.7 **Right of First Refusal.** If Franchisee or its shareholders shall at any time determine to sell, assign or transfer this Agreement or an interest in the Franchised Business or any equity interest in Franchisee (if an entity), then Franchisee shall provide Franchisor with a copy of the written offer from a fully disclosed purchaser. Franchisor shall have the right, exercisable by written notice delivered to Franchisee within 15 days from the date of delivery of a bona fide offer, to purchase such interest for the price and on the terms and conditions contained in such offer, provided that Franchisor may substitute cash for any form of payment proposed in such offer and shall have not less than 60 days to prepare for closing. Franchisor may, at closing, pay any of Franchisee's trade creditors out of the purchase price, and set off against the purchase price any unpaid debts of Franchisee to Franchisor. If Franchisor does not exercise its right of first refusal, Franchisee (or other vendor) may complete the sale to such purchaser pursuant to and on the terms of such offer, subject to compliance with the consent and approval requirements of this Article 19; provided, however, that if the sale to such purchaser does not complete within 90 days after delivery of such offer to Franchisor, or if there is a material change in the terms of the sale, then Franchisor shall again have a new right of first refusal as herein provided.

19.8 **Assignment by Franchisor.** This Agreement may be assigned in whole or in part by Franchisor and, if Franchisor makes a full assignment to a third party and the third party agrees in writing to assume all of the obligations and liabilities of Franchisor hereunder, then Franchisor shall automatically be released from all obligations and liabilities hereunder. A partial assignment by Franchisor may include an assignment of the Royalties payable by Franchisee.

19.9 **Legend on Share Certificates.** If Franchisee is an entity, Franchisee shall cause all shares of its capital stock, unit certificates or similar agreements or indications of ownership, to include the following legend, with necessary changes:

The Corporation and the securities evidenced by this certificate are subject to, and the disposition and transfer of such securities are restricted by, a franchise agreement dated as of [Effective Date], between the Corporation and YOU MOVE ME LLC, a Washington limited liability company, a copy of which may, at the request of any shareholder of the corporation, be examined at the principal business office of the Corporation during normal business hours.

20. NON-COMPETITION

Except as expressly permitted by this Agreement or by any other written agreement between Franchisor and Franchisee, during the currency of this Agreement and for a period of 24 months after expiration of the Term or any exercised Renewal Term or earlier termination of this Agreement, Franchisee and its principals shall not:

- (a) directly or indirectly,
- (b) in any capacity whatsoever,
- (c) either alone or in any relationship with any other person, firm, corporation or other business organization,
- (d) as an employee, consultant, principal, agent, member, partner, shareholder, investor, lender, director, officer, guarantor, indemnitor, creditor, supplier, landlord or sublandlord,
- (e) within the Territory,
- (f) within the territory of any franchised business of the System (including one owned by Franchisor or one of its Affiliates) which is in existence at the date of expiration or sooner termination of this Agreement, or
- (g) within the metropolitan area in which the Territory is situated, more particularly described in Schedule B,

compete with the System (or any similar system owned by Franchisor or its Affiliates) or (i) carry on, engage or be financially concerned or interested in, or (ii) advise, supervise,

manage, supply, loan money to or guarantee or indemnify the duties or obligations of any other person, firm, corporation or other entity engaged in or concerned with or interested in any business engaging in any enterprise similar in nature to the System, or offering for sale any products or services similar to the Services. This Article 20 shall also continue to apply to Franchisee in the case of any assignment of this Agreement or any sale of the Franchised Business or transfer or allotment of shares of Franchisee. This Article 20 shall survive the expiration or sooner termination of this Agreement and any assignment, transfer or sale hereunder. Franchisee acknowledges that by reason of the unique nature and considerable value of the Marks and the business reputation associated with Franchisor and the System, including methods of operating, format and related proprietary rights and by reason of Franchisee's knowledge of and association and experience with the System, the provisions of this Article 20 are reasonable and commensurate for the protection of the legitimate business interests of Franchisor, its Affiliates and franchisees. Franchisor may, by written notice to Franchisee, reduce one or more of the temporal, territorial or scope of restricted activities aspects of non-competition provided in this Article 20.

21. INDEMNITY

Except as otherwise provided in this Agreement, Franchisee agrees to indemnify and save harmless Franchisor, its subsidiaries, Affiliates, shareholders, directors, officers, employees, agents, assignees and other franchisees from and against, and to reimburse them for, all liabilities, obligations, and consequential damages, taxes, costs, losses and actual legal expenses incurred by them in connection with any claim, litigation or other action or proceeding arising out of the operation of the Franchised Business by Franchisee including any action or other proceeding related to a breach of this Agreement or any other agreement between Franchisee and Franchisor or its Affiliate(s). Franchisee shall be responsible for and shall pay and satisfy any judgment or settlement that may arise out of any such claim, litigation, action or proceeding. Without limiting the generality of the foregoing, Franchisee agrees that if Franchisor is made a party to any lawsuit or any other action or proceeding in connection with the Franchised Business or the activities of Franchisee or any of its affiliates, Franchisor may, at its sole option, either (a) permit Franchisee to conduct the defense or prosecution of the matter at the cost of Franchisee; or (b) take conduct of the defense or prosecution, in which case all expenses thereof shall be borne or reimbursed by Franchisee. This indemnity shall continue in full force after termination or expiration of this Agreement.

22. MISCELLANEOUS

22.1 *Interest on Overdue Amounts.* All payments required to be made by Franchisee to Franchisor under or pursuant to this Agreement shall bear simple interest from and after their respective due dates until paid in full at the rate of 24% per annum or such other rate as Franchisor may specify in writing from time to time or the maximum rate permitted by law if lower.

22.2 *Application of Payments.* Franchisor shall have sole discretion to apply any payments made by Franchisee to any past due indebtedness of Franchisee, including but not necessarily limited to Royalties, Marketing Royalties, Sales Center Fees, purchases from Franchisor, or any of its Affiliates, interest or other indebtedness. Payments towards any

particular account shall first be applied towards interest on arrears, if any, then towards principal.

22.3 ***Parties are Independent Contractors.*** The parties intend by this Agreement to establish the relationship of franchisor and franchisee, each as an independent contractor, and it is not the intention of either party to establish a fiduciary relationship, to undertake a joint venture, to make Franchisee in any sense an agent, employee, affiliate, associate or partner of Franchisor or to confer on Franchisee any authority to act in the name of or on behalf of Franchisor.

22.4 ***Conformity with Laws.*** If any statute, law, by-law, ordinance or regulation promulgated by any competent authority with jurisdiction over any part of this Agreement or the Franchised Business or any court order pertaining to this Agreement requires a longer or different notice period than that specified herein, the notice period shall automatically be deemed to be amended so as to conform with the minimum requirements of such statute, law, by-law, ordinance, regulation or court order.

22.5 ***Additional Franchises.*** Franchisee acknowledges that Franchisor may from time to time grant franchises for additional Franchised Businesses under terms that may differ materially from the terms of this Agreement and that consequently Franchisor's obligations and rights with respect to its various franchises may from time to time differ materially from those provided in this Agreement.

22.6 ***Waiver.*** Franchisor reserves the right, from time to time, to waive observance or performance of any obligation imposed on Franchisee by this Agreement. No waiver of any default of any term, proviso, covenant or condition of this Agreement by Franchisor shall constitute a waiver by Franchisor of any prior, concurrent or subsequent default of the same or any other term, proviso, covenant or condition hereof. No waiver shall be effective unless executed by Franchisor in writing.

22.7 ***Entire Agreement.*** Unless acknowledged and agreed in writing by both parties, this Agreement, all Security Agreements, and all Guarantees set forth the entire agreement between Franchisor and Franchisee and contain all of the representations, warranties, terms, conditions, provisos, covenants, undertakings and conditions agreed upon by them with reference to the subject matter hereof. All other representations, warranties, terms, conditions, provisos, covenants, understandings and agreements, whether oral or written (including without limitation any letter of intent between the parties and other pre-contractual representations), are waived and are superseded by this Agreement. However, nothing in this Agreement or related agreements is intended to disclaim any representation made by the Franchisor in the franchise disclosure document furnished to the Franchisee as required prior to entering into this Franchise Agreement.

22.8 ***Amendments.*** This Agreement can be amended or added to only by a writing executed by both Franchisor and Franchisee.

22.9 ***Further Assurances.*** Franchisor and Franchisee shall each acknowledge, execute and deliver all such further documents, instruments or assurances and shall each perform such

further acts or deeds as may be necessary or advisable from time to time to give full effect to this Agreement.

22.10 **Severability.** If any article, section or subsection of this Agreement or any portion thereof is determined to be indefinite, invalid, illegal or otherwise void, voidable or unenforceable, then it shall automatically be severed from this Agreement and the balance of this Agreement shall continue in full force and effect.

22.11 **Governing Law.** This Agreement shall be construed and interpreted according to the laws of the state of Washington, except that no Washington statute or regulation shall apply or shall give rise to any right or claim unless the Territory is in the State of Washington and such statute or regulation would apply to this Agreement by its own terms in the absence of any choice of law provision. The King County Superior Court in Seattle or the U.S. District Court in Seattle, as appropriate, shall have exclusive jurisdiction to entertain any proceeding relating to or arising out of this Agreement, and Franchisee and Franchisor each consent to the jurisdiction of such Courts in all matters related to this Agreement; provided that Franchisor may obtain relief in such other jurisdictions as may be necessary or desirable to obtain declaratory, injunctive or other relief to enforce the provisions of this Agreement.

22.12 **Resolution of Disputes.**

- (a) Except for matters described in clauses (i) through (iii), inclusive, in Section 22.12(c) below, upon which Franchisor may take immediate action, Franchisor and Franchisee agree to use their best efforts to settle all disputes between them quickly, amicably and in the most cost effective and discreet fashion. To that end, each party agrees that before filing suit or pursuing similar legal action, it shall notify the other party in writing of any dispute or claim arising out of or relating to this Agreement that the notifying party wishes to resolve. Such notice shall include a statement of the dispute, describing to the fullest extent possible the notifying party's version of the facts surrounding the dispute or claim together with an explanation of its position and all elements of any claim (the "**Statement of Dispute**"). The parties shall then use their best efforts to communicate with each other to try to resolve the dispute. If the dispute or claim has not been resolved within 30 days after receipt of the written notification of dispute, the parties may then turn to other dispute resolution alternatives.
- (b) At any time during the 30-day period following receipt by the recipient party of the Statement of Dispute, either party may demand non-binding mediation before an independent mediator on the basis of the Statement of Dispute and, if such demand is made by a party, the other party agrees to participate. Such mediation shall be held at the offices of Franchisor or such other site designated by Franchisor within 30 days of receipt of the notifying party's mediation demand. The parties shall meet face-to-face for a minimum of eight (8) hours before a representative of a mediation organization approved by all such parties and/or entities or a court-appointed mediator if the parties cannot agree on a mediation organization. The mediation shall take place in Vancouver, BC. At least one principal of each party, with authority to settle the dispute, shall attend the mediation meeting. The

Franchisor and Franchisee shall share equally the cost of the mediator, regardless of the outcome of the mediation, or the ultimate resolution of any dispute. The parties agree not to take any further steps in any lawsuit between them during mediation, unless necessary to avoid irreparable harm or required by law.

- (c) To the extent (i) Franchisor seeks injunctive or other equitable relief pursuant to this Agreement, or (ii) Franchisor is a party to litigation brought by third parties as a direct or indirect result of or in connection with the operation of the Franchised Business, or (iii) this Agreement is terminated pursuant to the provisions of Article 16 of this Agreement, the dispute resolution requirements under Subsections 22.12(a) and (b) above do not apply. In addition, the application of the dispute resolution provisions set forth above in Subsections 22.12(a) and (b) shall not preclude Franchisor from terminating this Agreement for any Material Default pursuant to Article 16 after any applicable cure period has expired and Franchisee has failed to cure such Material Default.

22.13 **Prevailing Party.** The prevailing party in any legal proceedings commenced to resolve a dispute between Franchisor and Franchisee shall be entitled to recover from the losing party legal fees on a full indemnity basis plus any and all other expenses incurred by the prevailing party in bringing or defending such legal proceedings.

22.14 **Survival of Covenants.** The terms, provisions, covenants, conditions and obligations contained in or imposed by this Agreement which, by their terms, require performance by Franchisee after the expiration or other termination of this Agreement, shall be and remain enforceable after such termination.

22.15 **Inurement.** This Agreement inures to the benefit of and is binding upon Franchisor and Franchisee and their respective heirs, executors, administrators, legal personal representatives, permitted successors and permitted assigns.

22.16 **Potential Earnings.** Franchisee fully understands and acknowledges that the success of the Franchised Business to be established hereunder shall, to a great extent, be dependent upon the personal time and efforts contributed by Franchisee and Franchisee's employees (as well as Franchisee's partners or directors if Franchisee is a partnership or a corporation). Franchisee acknowledges that neither Franchisor nor anyone else has represented, warranted or guaranteed to Franchisee that Franchisee shall enjoy financial success in owning and operating the Franchised Business. Franchisee also acknowledges that all sales, income and profit projections (whether verbal, in writing or a combination of the two) which have been made by the Franchisee are based on the Franchisee's own expectations and assumptions about future economic conditions (excluding, however, potential competition by third parties which the Franchisee cannot predict) which Franchisee believes to be reasonable, but neither Franchisor nor anyone else has made any representation, warranty or guarantee regarding the level of Gross Revenue, net income or profit margins which may be achieved at the Franchised Business and that, in the final analysis, the results achieved at the Franchised Business will be particular to it, in the same way that financial results individually achieved by existing franchised businesses are particular to them. Franchisee accepts the risk of the Franchised Business not achieving the levels of Gross Revenue and net income during the Term which Franchisee hopes to achieve.

22.17 Acknowledgements by Franchisee. Franchisee acknowledges that he, she or it has received, has had ample time to read and study, and has read and studied this Agreement and fully understands its provisions. Franchisee further acknowledges that it has had an adequate opportunity to be advised by legal counsel and accounting professionals of its own choosing regarding all aspects of this Agreement and the relationship created thereby.

Franchisee acknowledges that all restrictions in this Agreement are necessary and fundamental to the protection of the legitimate business interests of Franchisor and all of its franchisees and, having regard to the interests of Franchisor and Franchisee, are reasonable, and all defenses to the strict enforcement thereof by Franchisor are hereby waived by Franchisee.

Franchisee acknowledges that it is solely responsible for investigation of all regulations applicable to the Franchised Business and for obtaining all necessary permits to operate the Franchised Business, and Franchisor makes no representation as to such regulations, if any, or that such licenses or permits are available, nor has Franchisor undertaken any such investigation on its own.

Franchisee acknowledges that Franchisor may conduct investigations and make inquiries of any persons as Franchisor, in its reasonable judgment, deems appropriate concerning the credit standing, character and personal qualifications of Franchisee and the partners, shareholders, directors and officers of Franchisee, and Franchisee, by its execution hereof, hereby on its own behalf and on behalf of its partners, shareholders, directors and officers (whose authorization to do so Franchisee expressly represents that it has) consents and agrees to Franchisor conducting any investigations and making any inquiries that Franchisor considers appropriate.

22.18 Time of Essence. Time shall be of the essence for all purposes of this Agreement.

22.19 Notices. Any notice required or permitted to be given by this Agreement shall be in writing and shall be deemed to have been duly given if delivered by hand, sent by confirmed facsimile (with concurrent mailing of the original thereof), nationally-recognized overnight courier, or mailed by certified or registered mail, postage prepaid, addressed to Franchisor and to Franchisee at their respective addresses set out on page 1 hereof or to such other address as the respective parties may give notice of in the same manner. Any such notice shall be deemed to have been given and received, if delivered when delivered, or, when sent if sent by confirmed facsimile (and mailing of the original thereof) if mailed, on the third Business Day following the mailing thereof; provided, however, that no notice which is mailed shall be deemed to be received if between the time of mailing and the third Business Day thereafter there is any labor dispute, strike or lockout affecting mail in the geographic areas in which the notice is mailed or intended to be received.

22.20 Schedules. Schedules and other documents attached or referred to in this Agreement are incorporated into and form an integral part of this Agreement.

22.21 **Submission of Agreement.** The submission of this Agreement to Franchisee does not constitute an offer by Franchisor. This Agreement shall only become effective when it has been executed by both Franchisor and Franchisee.

22.22 **Signatures.** A digital or fax copy of any signature to this Agreement and any related agreement or amendment thereto shall be deemed to be an original signature and shall be effective as such.

IN WITNESS WHEREOF Franchisor and Franchisee have executed this Agreement on the date or dates set forth below, with effect from the Effective Date shown in Schedule B.

To the Member of

YOU MOVE ME LLC

Opinion

We have audited the financial statements of YOU MOVE ME LLC (the "LLC"), which comprise the balance sheets as at December 31, 2020 and December 31, 2019, and the statements of net (loss) income, changes in member's deficiency and cash flows for the years then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the LLC as at December 31, 2020 and December 31, 2019, and its results of operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other matter

The financial statements of YOU MOVE ME LLC for the year ended December 31, 2019 were audited by another auditor who expressed an unmodified opinion on those statements on February 18, 2021.

YOU MOVE ME LLC

Notes to the Financial Statements

(Expressed in US dollars)
December 31, 2020 and 2019

1. Operations and economic dependence

YOU MOVE ME LLC (the “LLC”) was incorporated under the laws of the State of Washington as a limited liability company. The LLC was created to sell franchise rights throughout the United States of America for the operation of businesses that provide residential and commercial moving services.

The LLC is a wholly-owned subsidiary of Tracksuit Movers Inc., a company incorporated under the laws of British Columbia, Canada. The LLC is dependent on Tracksuit Movers Inc. for financial and administrative support.

As at December 31, 2020, the LLC had 15 (2019 – 17) operating franchises in the United States of America and sold Nil (2019 – Nil) new franchises during the year then ended.

During the year, the spread of COVID-19 severely impacted many local economies around the globe. In many countries, including Canada and the United States, businesses are being forced to cease or limit operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing and closures of non-essential services have triggered significant disruptions and impacts on businesses and their operations. Governments and central banks have responded with monetary and fiscal interventions to stabilize economic conditions. While governments and central banks have reacted with monetary and fiscal interventions designed to stabilize economic conditions, the duration and extent of the impact of the COVID-19 outbreak, as well as the effectiveness of government and central bank responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of the consequences of COVID-19, as well as the impact on the financial position and results of the LLC for future periods. Management will continue to monitor and assess the situation and respond accordingly.

2. Summary of significant accounting policies

Basis of presentation

These financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”).

Use of estimates

The presentation of financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements as well as reported revenues and expenses for the periods being reported. Estimates include the valuation of accounts receivables, deferred income taxes and contingencies. Actual results may differ significantly from those estimates.

Related party transactions

Related party transactions are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

December 31, 2020 and 2019

2. Summary of significant accounting policies (continued)

Revenue recognition

In accordance with Revenue from Contracts with Customers (“ASC 606”), the LLC recognizes revenue when its customer obtains control of the goods or services, in an amount that reflects the consideration which the LLC expects to be entitled in exchange for those goods or services. To determine revenue recognition for arrangements that the Company determines are within the scope of ASC 606, it performs the following five steps:

- i. identify the contract(s) with a customer;
- ii. identify the performance obligations in the contract;
- iii. determine the transaction price;
- iv. allocate the transaction price to the performance obligations in the contract; and
- v. recognize revenue when (or as) the entity satisfies a performance obligation.

Royalty fees revenue is based on a fixed percentage of sales earned by the franchise locations. Royalties are recorded as revenue as the fees are earned and become receivable from the franchisees and collection is reasonably assured.

Franchise fees includes initial fees paid by new franchise locations and franchise renewal fees. Initial franchise fee deposits are deferred and not recognized as revenue until all material services or conditions related to the sale have been substantially completed. Substantial completion is deemed to occur when the franchise commences operations. Revenue from renewal agreements are deferred and recognized over the related term of the franchise agreement as the services are provided.

The Sales Centre schedules sales opportunities for individual franchisees. Franchisees contribute a percentage of their gross revenue to the Sales Centre to cover the cost of maintaining and developing the Sales Centre and related software. These charges are recorded as the fees are earned and become receivable from the franchisees.

The Ad Fund is used to finance marketing campaigns and promotional programs that Tracksuit Movers Inc. undertakes on behalf of its franchisees to increase sales and enhance the reputation of the LLC and its franchise owners. Franchisees contribute a percentage of their gross revenue to the Ad Fund and these contributions are recorded when the fees are earned and become receivable from the franchisees.

Costs related to supporting the Sales Centre and Ad Fund are incurred by Tracksuit Movers Inc. Ad Fund and Sales Centre fees collected are remitted to Tracksuit Movers Inc. ASC 606 requires a gross presentation on the statement of net (loss) income for fees received and related costs for the Sales Centre and Ad Fund.

Accounts receivable

Receivables are recorded at contractual prices. Accounts receivable generally reflect amounts due for ongoing Royalty, Sales Centre and Ad Fund fees. An allowance for doubtful accounts is maintained for estimated losses resulting from the inability of franchisees and other certain customers to make required payments.

Notes to the Financial Statements

December 31, 2020 and 2019

2. Summary of significant accounting policies (continued)

Income taxes

The LLC has elected to be a taxable entity. The LLC follows the asset and liability method of accounting for income taxes. Under this method, current income taxes are recognized for the estimated income taxes payable for the current period. Deferred income tax assets and liabilities are provided based on the estimated future tax effects of temporary differences between financial statement carrying amounts of assets and liabilities and their respective tax bases as well as the benefit of losses available to be carried forward to future years for income tax purposes.

Deferred income tax assets and liabilities are measured using enacted income tax rates that are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred income tax assets and liabilities of a change in tax rates is recognized in operations in the period that includes the enactment date. A valuation allowance is recorded for deferred income tax assets when it is more likely than not that such deferred income tax assets will not be realized.

The LLC recognizes interest and penalties related to certain income tax positions in income tax expense. The LLC has no provision for uncertain income tax positions or for interest or penalties related to uncertain tax positions at December 31, 2020 and 2019.

Foreign currency transactions

The functional and reporting currency of the LLC is the United States dollar. The United States dollar is used as the functional currency as the United States is the primary economic environment in which the LLC operates.

Monetary assets and liabilities denominated in foreign currencies are translated at the year end exchange rates. Revenue and expense items denominated in foreign currencies are translated using the monthly average exchange rate. Exchange gains and losses, if any, are recognized in the statements of net (loss) income.

Reacquired or repossessed franchise rights

Upon reacquisition or repossession of franchise rights that constitute a cancellation by the LLC of the original sale, any refunds issued are accounted for as a reduction of revenue in the period that the franchise rights are reacquired or repossessed. Any deferred revenue remaining is written-off at the time of cancellation.

Recent accounting pronouncements not yet adopted

In June 2016, the FASB issued ASU No. 2016-13, *Measurement of credit losses on financial instruments*. The ASU requires measurement and recognition of expected credit losses for financial assets held by the LLC. The ASU requires entities to estimate an expected lifetime credit loss on financial assets ranging from short-term trade accounts receivable to long-term financings. The ASU is effective for the LLC beginning or after December 15, 2022, including interim periods in fiscal year 2022.

2. Summary of significant accounting policies (continued)

Recent accounting pronouncements not yet adopted (continued)

In May 2019, the FASB issued ASU No. 2019-05, *Financial Instruments—Credit Losses* (Topic 326). The ASU provides final guidance that allows entities to make an irrevocable one-time election upon adoption of the new credit losses standard to measure financial assets at amortized cost (except held-to maturity securities) using the fair value option. The ASU is effective for the LLC beginning on or after December 15, 2022, including interim periods in fiscal year 2022.

In December 2019, the FASB issued ASU No. 2019-12, *Simplifying the Accounting for Income Taxes*. This ASU removes certain exceptions for investments, intra-period tax allocations and interim calculations, and adds guidance to reduce complexity in accounting for income taxes. The ASU is effective for the LLC for fiscal years, and interim periods within those fiscal years, beginning January 1, 2021. Early adoption is permitted. The LLC is in the process of assessing the impact of this ASU on its results of operations, cash flows, financial position and disclosures.

In June 2020, the FASB issued ASU No. 2020-05, *Revenue from Contracts with Customers* (Topic 606) and *Leases* (Topic 842). The ASU defers the effective dates of these standards to provide relief to certain entities as a result of the widespread adverse economic effects and business disruptions caused by the COVID-19 pandemic. Topic 606 was already adopted by the LLC for the fiscal year ending December 31, 2019. However, Topic 842 has now been deferred for the LLC for fiscal years beginning on or after December 15, 2021. The LLC is currently evaluating the new guidance to determine the impact it will have on its financial statements.

In January 2021, the FASB issued ASU No. 2021-02, *Franchisors—Revenue from Contracts with Customers* (Subtopic 952-606). The ASU is in response to stakeholder concerns about the cost and complexity of applying *Revenue from Contracts with Customers* (Topic 606) to determine the amount and timing of revenue recognition for initial franchise fees, especially for franchisors that are start-ups or have a small number of franchise units. The amendments in Subtopic 952-606 are intended to reduce the cost and complexity of applying Topic 606 to pre-opening services for franchisors that are not public business entities by provided a practical expedient for applying Topic 606 to pre-opening services. The ASU is effective for interim and annual periods beginning after December 15, 2020. The LLC is currently evaluating the new guidance to determining the impact it will have on its financial statements.

YOU MOVE ME LLC

Notes to the Financial Statements

(Expressed in US dollars)
December 31, 2020 and 2019

3. Deferred income tax assets

Deferred income tax assets reflect the net tax effects of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for income tax purposes.

	<u>2020</u>	<u>2019</u>
Deferred income tax assets		
Deferred franchise fees	\$ -	\$ 796
Other temporary differences	<u>29,230</u>	<u>13,714</u>
Total before valuation allowance	<u>29,230</u>	14,510
Valuation allowance	<u>(29,230)</u>	<u>(14,510)</u>
Net deferred income tax assets	<u>\$ -</u>	<u>\$ -</u>

The ultimate realization of deferred tax assets is dependent on the generation of future taxable income by the LLC during the period in which those temporary differences become deductible. Deferred tax assets are carried at their estimated net realizable value. Management considers the scheduled realization of deferred tax assets, projected future taxable income and tax planning strategies when assessing net realizable value. Carrying values of deferred tax assets are subject to change in the event that management's estimates of taxable income through the carryforward period change.

The LLC does not have any significant uncertain tax positions. In the normal course of business, the LLC is subject to audits by the taxation authorities in the United States. Tax years ranging from 2016 to 2020 remain subject to examination in the United States.

4. Income taxes

	<u>2020</u>	<u>2019</u>
Income taxes consist of:		
Provision for income taxes based on combined federal and state income tax rate of 24.10% (2019 - 23.99%)	\$ (11,730)	\$ 2,808
Increase (decrease) in income taxes resulting from:		
Temporary differences and other adjustments	<u>13,255</u>	<u>(1,348)</u>
	<u>\$ 1,525</u>	<u>\$ 1,460</u>

The provision for income taxes differs from the amount computed by applying the statutory federal income tax rate of 24.10% (2019 – 23.99%) to income before income taxes. The other differences above are due to changes in the state apportionment and the movement in valuation allowance on losses available for carryforwards affecting the provision for income taxes.

During the year ended December 31, 2020, carryforward non-capital losses of \$Nil (2019 - \$1,641) were utilized to reduce taxable income.

5. Related party transactions

During the years ended December 31, 2020 and 2019, the LLC paid the following fees to its parent company, Tracksuit Movers Inc.:

	<u>2020</u>	<u>2019</u>
Management and administration fees	\$ 620,250	\$ 785,016
Sales Centre fees	295,668	556,917
Licensing fees	242,476	315,777
Ad Fund fees	69,048	185,641
	<u>\$ 1,227,442</u>	<u>\$ 1,843,351</u>

The LLC and Tracksuit Movers Inc. entered into a license agreement (the "Agreement"). Under the Agreement, the LLC has been granted an exclusive license solely in the United States to grant sublicenses to third parties in accordance with a franchise agreement and to use certain intellectual property of Tracksuit Movers Inc. amongst other things.

Amounts charged to the LLC by Tracksuit Movers Inc. are pursuant to a transfer pricing agreement between Tracksuit Movers Inc. and the LLC that sets out formulas and calculation methodologies believed by management to result in fees that approximate those that third party service providers or licensors would charge in similar situations.

At December 31, 2020, amounts due from related party include \$1 (2019 - \$1) due from Tracksuit Movers (USA) Inc., a company under common control.

At December 31, 2020, amounts due to parent company include \$1,080,445 (2019 - \$752,820) due to Tracksuit Movers Inc.

The related party payables are unsecured, non-interest bearing, have no fixed terms of repayment and are considered operating in nature.

6. Member's equity

Since incorporation, the LLC has one membership unit with nominal value of \$1. The membership unit is owned by Tracksuit Movers (USA) Inc., a company incorporated under the laws of British Columbia, Canada.

(Expressed in US dollars)
December 31, 2020 and 2019

7. Financial instruments

Fair value

The carrying values of cash, accounts receivable, accounts payable and accrued liabilities and due to/from related party approximate their fair value due to the short-term maturities of these instruments.

The LLC enters into foreign currency transactions with its parent company, Tracksuit Movers Inc., and has a balance due to related party that is denominated in Canadian dollars. The LLC is exposed to the financial risk of earnings fluctuations arising from changes in foreign exchange rates and the degree of volatility of these rates. The LLC does not use derivative financial instruments to reduce its exposure to foreign currency risk.

The standard establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted market prices in active markets for identical assets or liabilities.

Level 2: Inputs other than Level 1 inputs that are either directly or indirectly observable such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable; or other inputs not directly observable, but derived principally from, or corroborated by, observable market data.

Level 3: Unobservable inputs that are supported by little or no market activity.

Interest rate risk

All of the LLC's financial assets and liabilities are non-interest bearing.

Credit risk

Management evaluates its customers to assess credit risk and believes it has made adequate provisions for uncollectible amounts.

8. Contingent liabilities

The LLC may, from time to time, be subject to claims and legal proceedings brought against it in the normal course of business. Management believes that adequate provisions have been made in the accounts where required and that the ultimate resolution of such contingencies will not have a material adverse effect on the financial position of the LLC.

There are no outstanding claims or legal proceedings as at December 31, 2020 and December 31, 2019.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of YOU MOVE ME LLC as of December 31, 2019 and 2018, and the results of its operations and its cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

YOU MOVE ME LLC

Notes to Financial Statements
(Expressed in US dollars)

Years ended December 31, 2019 and 2018

1. Nature of operations:

YOU MOVE ME LLC (the "LLC") was incorporated under the laws of the State of Washington as a limited liability company. The LLC was created to sell franchise rights throughout the United States of America for the operation of businesses that provide residential and commercial moving services. The LLC is dependent upon Tracksuit Movers Inc., a company incorporated under the laws of British Columbia, Canada, for financial support. Tracksuit Movers Inc. and the LLC are under common control.

As at December 31, 2019, the Company had 17 (2018 - 18) operating franchises in the United States of America and sold nil (2018 - four) new franchise during the year then ended.

2. Summary of significant accounting policies:

(a) Basis of presentation:

These financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

(b) Use of estimates:

The presentation of financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements as well as reported revenues and expenses for the periods being reported. Estimates include the valuation of accounts receivables, deferred income tax assets and contingent liabilities. Actual results may differ significantly from those estimates.

(c) Revenue recognition:

Policy applied during 2018 prior to the adoption of ASC 606 *Revenue from Contracts with Customers*:

(i) Royalty fees:

Royalty fees revenue is based on a fixed percentage of sales earned by franchise locations. Royalties are recorded as revenue as the fees are earned and become receivable from the franchisees and collection is reasonably assured.

(ii) Franchise fees:

Franchise fees includes initial fees paid by new franchise locations and franchise renewal fees. Initial franchise fee deposits are deferred and not recognized as revenue until all material services or conditions related to the sale have been substantially completed. Substantial completion is deemed to occur when the franchise commences operations. Initial franchise fees collected, which are subject to refund, are deferred and not recognized as revenue until all refund provisions terminate or expire. Costs relating to initial franchise sales are expensed as incurred.

Years ended December 31, 2019 and 2018

2. Summary of significant accounting policies (continued):

(c) Revenue recognition (continued):

(ii) Franchise fees (continued):

Franchise renewal fees are included in franchise fee revenue. Franchise renewal fees are recognized when the franchise renewal agreement is signed and executed.

During the year ended December 31, 2019, the LLC adopted ASC 606 Revenue from Contracts with Customers (note 2(i)).

(iii) Sales Centre and Ad Fund:

The Sales Centre schedules sales opportunities for individual franchisees. Franchisees contribute 4% of their gross revenue to the Sales Centre to cover the cost of maintaining and developing the Sales Centre and related software. These charges are recorded as the fees are earned and become receivable from the franchisees.

Ad Fund is used to finance marketing campaigns and promotional programs that Tracksuit Movers Inc., a Canadian company under common control, undertakes on behalf of its franchisees to increase sales and enhance the reputation of the LLC and its franchise owners. Franchisees contribute 1% of their gross revenue to the Ad Fund and these contributions are recorded when the fees are earned and become receivable from the franchisees.

Costs related to supporting the Sales Centre and Ad Fund are incurred by Tracksuit Movers Inc. Ad Fund and Sales Centre fees collected are remitted to Tracksuit Movers Inc.

The LLC has evaluated its status as a principal or agent by assessing the gross versus net indicators for the above transactions. The LLC has concluded that it is acting as an agent in the Sales Centre and Ad Fund and records the revenue and expenditures on a net basis. The LLC is not considered the primary obligor, does not bear risk of loss and has no latitude in establishing prices on the services. Contributions received with respect to the Ad Fund and Sales Centre in 2018 \$186,527 and \$572,143 respectively. Payments made to Tracksuit Movers Inc. related to the Ad Fund and Sales Centre in 2018 were \$186,527 and \$572,143 respectively.

(d) Accounts receivable:

Receivables are recorded at contractual prices. Accounts receivable generally reflect amounts due for ongoing royalty, Sales Centre fees, and Ad Fund fees. An allowance for doubtful accounts is maintained for estimated losses resulting from the inability of franchisees and other certain customers to make required payments.

YOU MOVE ME LLC

Notes to Financial Statements
(Expressed in US dollars)

Years ended December 31, 2019 and 2018

2. Summary of significant accounting policies (continued):

(e) Income taxes:

The LLC has elected to be a taxable entity. The LLC follows the asset and liability method of accounting for income taxes. Under this method, current income taxes are recognized for the estimated income taxes payable for the current period. Deferred income tax assets and liabilities are provided based on the estimated future tax effects of temporary differences between financial statement carrying amounts of assets and liabilities and their respective tax bases as well as the benefit of losses available to be carried forward to future years for income tax purposes.

Deferred income tax assets and liabilities are measured using enacted income tax rates that are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred income tax assets and liabilities of a change in tax rates is recognized in operations in the period that includes the enactment date. A valuation allowance is recorded for deferred income tax assets when it is more likely than not that such deferred income tax assets will not be realized.

The LLC recognizes interest and penalties related to certain income tax positions in income tax expense. The LLC has no provision for uncertain income tax positions or for interest or penalties related to uncertain tax positions at December 31, 2019 and 2018.

(f) Related party transactions:

Related party transactions are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

(g) Foreign currency transactions:

The functional and reporting currency of the LLC is the United States ("U.S.") dollar. The U.S. dollar is used as the functional currency as U.S. dollar is the primary economic environment in which the LLC operates.

Monetary assets and liabilities denominated in foreign currencies are translated at the year end exchange rates. Revenue and expense items denominated in foreign currencies are translated using the monthly average exchange rate. Exchange gains and losses, if any, are recognized in the statements of net income.

(h) Reacquired or repossessed franchise rights:

Upon reacquisition or repossession of franchise rights that constitute a cancellation by the LLC of the original sale, any refunds issued are accounted for as a reduction of revenue in the period that the franchise rights are reacquired or repossessed. Any deferred revenue remaining is written-off at the time of cancellation.

2. Summary of significant accounting policies (continued):

(i) Changes in significant accounting policies:

ASC 606, Revenue from Contracts with Customers ("ASC 606"):

In May 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update 2014-09, *Revenue from Contracts with Customers* (Topic 606) and has since issued various amendments which provide additional clarification and implementation guidance. This standard has been codified as ASC 606. This guidance outlines a single, comprehensive model for entities to use in accounting for revenue arising from contracts with customers and superseded most revenue recognition guidance issued by the FASB, including industry specific guidance. On January 1, 2019, the LLC adopted ASC 606 using the modified retrospective method.

The LLC calculated the cumulative effect of initially applying ASC 606 which would result in an adjustment to the opening balance of retained earnings. As the amount was insignificant it was not recorded. The comparative information has not been restated and continues to be reported under the accounting standards in effect for those periods.

The LLC has determined that the new standard has changed the timing of revenue recognition for franchise renewal fees recorded in franchise fee revenues. Previously, revenue from franchise renewal fees were recognized when all material conditions relating to the sale of the franchise have been performed which is generally when the franchisee signs the franchise renewal agreement and the fee is paid by the franchisee. Under the new standard, revenue from renewal agreements are deferred and recognized over the related term of the franchise agreement as the services are provided.

The LLC has also determined that ASC 606 requires a gross presentation on the statement of net income for fees received and related costs for the Ad Fund and Sales Centre. The LLC had previously determined that it acted as an agent for accounting purposes with regard to these Ad Fund and Sales Centre fees and costs. As a result, the LLC historically presented the activities related to Ad Fund and Sales Centre net in its statements of net income and statements of cash flows.

ASC 606 did not have a significant impact on the LLC's accounting policies with respect to the other revenue streams.

2. Summary of significant accounting policies (continued):

(i) Changes in significant accounting policies (continued):

Impact on the statement of net income for the year ended December 31, 2019:

December 31, 2019	As reported	Adjustments	Balances Without the Adoption of ASC 606
Sales Centre fees	\$ 556,917	\$ (556,917)	\$ -
Ad Fund fees	185,641	(185,641)	-
Sales Centre expense	556,917	(556,917)	-
Ad Fund expense	185,641	(185,641)	-

There was no material impact on the LLC's balance sheet and cash flows as at and for the year ended December 31, 2019.

(j) Recent accounting pronouncements not yet adopted:

In February 2016, the FASB established Topic 842, *Leases*, by issuing Accounting Standards Update No. 2016-02, which requires lessors to classify leases as a sales-type, direct financing, or operating lease. Topic 842 was subsequently amended by ASU No. 2018-01, *Land Easement Practical Expedient for Transition to Topic 842*; ASU No. 2018-10, *Codification Improvements to Topic 842, Leases*; and ASU No. 2018-11, *Targeted Improvements*. A lease is a sales-type lease if any one of five criteria are met, each of which indicate that the lease, in effect, transfers control of the underlying asset to the lessee. If none of those five criteria are met, but two additional criteria are both met, indicating that the lessor has transferred substantially all the risks and benefits of the underlying asset to the lessee and a third party, the lease is a direct financing lease. All leases that are not sales type or direct financing leases are operating leases. The new guidance is effective for fiscal years beginning after December 15, 2021, with early adoption permitted. The adoption of this standard is not expected to have a material impact on the LLC's financial statements.

In June 2016, the FASB issued ASU No. 2016-13, *Measurement of credit losses on financial instruments*. The ASU requires measurement and recognition of expected credit losses for financial assets held by the LLC. The ASU requires entities to estimate an expected lifetime credit loss on financial assets ranging from short-term trade accounts receivable to long-term financings. The ASU is effective for the LLC beginning or after December 15, 2022, including interim periods in fiscal year 2022.

2. Summary of significant accounting policies (continued):

(j) Recent accounting pronouncements not yet adopted (continued):

In May 2019, the FASB issued ASU No. 2019-05, *Financial Instruments—Credit Losses* (Topic 326). The ASU provides final guidance that allows entities to make an irrevocable one-time election upon adoption of the new credit losses standard to measure financial assets at amortized cost (except held-to maturity securities) using the fair value option. The ASU is effective for the LLC beginning or after December 15, 2022, including interim periods in fiscal year 2022.

In December 2019, the FASB issued ASU No. 2019-12, *Simplifying the Accounting for Income Taxes*. This ASU removes certain exceptions for investments, intra-period tax allocations and interim calculations, and adds guidance to reduce complexity in accounting for income taxes. The ASU is effective for the LLC for fiscal years, and interim periods within those fiscal years, beginning January 1, 2021. Early adoption is permitted. The LLC is in the process of assessing the impact of this ASU on its results of operations, cash flows, financial position and disclosures. The LLC is currently evaluating the new guidance to determining the impact it will have on its financial statements.

3. Deferred income tax assets:

Deferred income tax assets reflect the net tax effects of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for income tax purposes.

	2019	2018
Deferred income tax assets:		
Deferred franchise fees	\$ 796	\$ 1,348
Non-capital losses available for carry forwards	-	111,055
Other temporary differences	13,714	15,939
Total before valuation allowance	14,510	128,342
Valuation allowance	(14,510)	(128,342)
Net deferred income tax assets	\$ -	\$ -

The LLC has non-capital losses totaling nil (2018 - \$449,969) which are available to reduce taxable income in future years.

YOU MOVE ME LLC

Notes to Financial Statements
(Expressed in US dollars)

Years ended December 31, 2019 and 2018

3. Deferred income tax assets (continued):

The ultimate realization of deferred income tax assets is dependent on the generation of future taxable income by the LLC during the period in which those temporary differences become deductible. Deferred income tax assets are carried at their estimated net realizable value. Management considers the scheduled realization of deferred income tax assets, projected future taxable income and tax planning strategies when assessing net realizable value. Carrying values of deferred income tax assets are subject to change in the event that management's estimates of taxable income through the carryforward period change.

The LLC does not have any significant uncertain tax positions. In the normal course of business the LLC is subject to audits by the taxation authorities in the United States. Tax years ranging from 2015 to 2019 remain subject to examination in the United States.

4. Income taxes:

	2019	2018
Income taxes consist of:		
Provision for income taxes based on combined federal and state income tax rate of 23.99% (2018 - 24.68%)	\$ 2,808	\$ 1,771
Increase in income taxes resulting from:		
Permanent differences	-	825
Temporary differences and other adjustments	(1,348)	(6,071)
Utilization of loss carryforward	-	(382)
	(1,348)	(5,628)
	\$ 1,460	\$ (3,857)

The provision for income taxes differs from the amount computed by applying the statutory federal and state income tax rate of 23.99% (2018 - 24.68%) to income before income taxes. The other differences above are due changes in the state apportionment and the movement in valuation allowance on losses available for carryforwards affecting the provision for income taxes.

During the year ended December 31, 2019, carryforward non-capital losses of \$1,641 (2018 - \$1,546) were utilized to reduce taxable income.

The Tax Cut and Job Act ("TCJA") was enacted on December 22, 2017, effective January 1, 2018. The TCJA reduced the United States federal corporate tax rate from 35% to 21%. Certain deferred tax assets were remeasured based on the rates at which they are expected to reverse in the future. The effects of the rate change are included in temporary differences and other adjustments above.

7. Financial instruments:

(a) Fair value:

The carrying value of cash, accounts receivable, accounts payable and accrued liabilities, and due to/from related parties, approximate their fair value due to the short-term maturities of these instruments.

Management does not believe that the LLC's financial instruments are exposed to any significant foreign exchange risk.

The standard establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value.

These tiers include:

- Level 1 defined as quoted prices in active markets for identical instruments;
- Level 2 defined as observable prices in active markets for similar instruments, prices for identical or similar instruments in non-active markets, directly observable market inputs, or market inputs not directly observable but derived from or corroborated by observable market data; and
- Level 3 defined as unobservable inputs based on an entity's own assumptions.

(b) Interest rate risk:

All of the LLC's financial assets and liabilities are non-interest bearing.

(c) Credit risk:

Management evaluates its customers to assess credit risk and believes it has made adequate provisions for uncollectible amounts.

8. Contingent liabilities:

The LLC may, from time to time, be subject to claims and legal proceedings brought against it in the normal course of business. Management believes that adequate provisions have been made in the accounts where required and that the ultimate resolution of such contingencies will not have a material adverse effect on the financial position of the LLC.

There are no outstanding claims or legal proceedings as at December 31, 2019.

4. So long as the provisions of this Guarantee continue in effect, any right of the Guarantor to receive at any time any payment of or on account of any of the Guarantor's Claims will be subordinated to every right of the Franchisor to receive payment of or on account of any of the Obligations and the Guarantor shall not commence any action, take any proceeding, collect or receive any payment upon, by set-off or counterclaim or in any other manner, any of the Guarantor's Claims, or assign, charge, mortgage, pledge, sell, transfer or otherwise encumber or give a security interest in or to any of the Guarantor's Claims.

The existence of multiple franchisees in the System creates opportunities to enter into accounts with other entities that have multiple locations in more than one territory in the System (each, a “**National Account**”) for the benefit of Participating Franchisees by leveraging the national scope of the System.
- C. The establishment of National Accounts is best facilitated by the establishment of a program, upon the terms set out herein, whereby the Franchisor will have the authority to negotiate National Accounts on behalf of the System as a whole, whether acting as agent or as principal (the “**Program**”).

Now therefore, the Franchisor and the Participating Franchisee agree as follows:

1. **Interpretation.** All capitalized terms not otherwise defined herein shall have the same meaning as under the Franchise Agreement.
2. **Agency or General Contractor.** The Franchisor or an affiliate may enter into National Account agreements as agent or as general contractor as follows:
 - (a) Where the Franchisor enters into a National Account agreement as agent, it shall act as agent on behalf of the Participating Franchisee, and the Participating Franchisee hereby appoints Franchisor as its attorney-in-fact to do so.
 - (b) Where the Franchisor enters into a National Account agreement as general contractor, it shall enter into such agreement as principal, and may subcontract the services to such National Account to the Participating Franchisee, provided that Franchisee services such National Account in accordance with the terms and conditions of the particular National Account agreement.
3. **National Account Terms.** Franchisor may enter into National Accounts upon any terms it determines, in good faith, to be commercially viable for the System, including, without limitation:
 - (a) The provision of discounts the National Account off of regular retail pricing, whether or not based upon volume.
 - (b) The payment of commissions to the National Account or any party referring the National Account whether on a one-time or on an ongoing basis.
 - (c) The establishment of fixed pricing or pricing models unique to the National Account.

(d) The provision of service levels or standards unique to the National Account, including the requirement to provide service within required time periods or the provision of regularly scheduled service.

(e) The provision of centralized billing for the National Account through the Franchisor or its affiliate.

(f) The requirement for the Participating Franchisee to obtain insurance levels required by the National Account, including the addition of the National Account or Franchisor's assignee as a name insured or additional insured on applicable insurance policies.

(g) The requirement that the Participating Franchisee comply with additional terms of service required by the National Account, including but not limited to employee training and investigation, reporting, and invoicing procedures.

4. **Acknowledgements.** The Participating Franchisee acknowledges and agrees to the following:

(a) The Franchisor may discontinue the Program for any reason, at any time.

(b) The Participating Franchisee may elect to withdraw from the Program upon 30 days written notice to the Franchisor, provided that the Participating Franchisee acknowledges that withdrawal from the Program will result in the Participating Franchisee being precluded from servicing any National Account, and will allow the Franchisor to offer other franchisees or other third parties the opportunity to service National Accounts in the Participating Franchisee's Territory.

(c) Franchisor may at any time terminate a particular Franchisee from the Program or a particular National Account if the Franchisee commits a default under the Franchise Agreement, whether or not such default amounts to a Material Default under the terms of the Franchise Agreement, or if the Participating Franchisee fails to service a particular National Account strictly in accordance with the applicable terms and conditions.

(d) The Franchisor makes no representation to the Participating Franchisee that any particular National Account will be of any direct or indirect benefit to the Participating Franchisee, or that the Participating Franchisee will in fact have the opportunity to service any National Account.

(e) Franchisors may withhold applicable Royalties on National Account work or any other amounts owing to the Franchisor from any payments to the Franchisee on account of Services provided to a National Account.

(f) Franchisor may assign this Agreement to any of its Affiliates from time to time.

(g) Franchisor may include such other terms from time to time as may be set out in the Operations Manual.

State Specific Addenda

STATE SPECIFIC ADDENDA

The following are state specific changes for certain franchise registration states and are applicable to you only if you are covered by the franchise law of the referenced state:

CALIFORNIA

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

The following modifications are to the YOU MOVE ME LLC Franchise Disclosure Document and may supersede, to the extent then required by valid applicable state law, certain portions of the Franchise Agreement dated _____, 20__.

Items 5 and 7 of the Disclosure Document and Section 3 and Schedule B of the Franchise Agreement are amended to provide that initial franchise fees are paid when our pre-opening obligations to you are complete and you are ready to commence business.

The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise be delivered together with the Disclosure Document.

You must sign a general release of claims if you renew or transfer your franchise rights. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000-31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 - 20043).

Neither we, nor any person or franchise broker disclosed in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling these persons from membership in this association or exchange.

The Franchise Agreement requires application of the laws of the State of Washington. This provision may not be enforceable under California law.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec 101 et seq.).

The Franchise Agreement contains a covenant not to compete that extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement contains a liquidated damages clause, which, under Civil Code Sec. 1671, may not be enforceable.

If the Franchise Agreement contains any provision that allows us to recover liquidated damages or termination payments, and if that provision is held unenforceable by an arbitrator or court of competent jurisdiction or if we waive that provision, then we are permitted instead to recover contractual damages caused by any breach of contract or default by you.

California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination, transfer or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

Section 31125 of the California Corporation Code requires us to give you a Disclosure Document, in the form and containing the information as the Commissioner of Business Oversight may by rule or order require, before we ask you to consider a proposed material modification of your franchise agreement.

ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT www.dfpi.ca.gov.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

ACKNOWLEDGMENT:

It is agreed that any applicable part of the foregoing state law addendum supersedes any inconsistent portion of the Franchise Agreement dated the ____ day of _____, 20__, and of the Franchise disclosure document, but only to the extent they are then valid requirements of an applicable and enforceable state law, and for only so long as such state law remains in effect.

MICHIGAN DISCLOSURE PAGE

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on your right to join an association of franchisees.
- (b) A requirement that you assent to a release, assignment, novation, waiver, or estoppel that deprives you of rights and protections provided in this act. This shall not preclude you, after entering into a Franchise Agreement, from settling any and all claims.
- (c) A provision that permits us to terminate a franchise before the expiration of its term except for good cause. Good cause shall include your failure to comply with any lawful provision of the Franchise Agreement and to cure the failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure the failure.
- (d) A provision that permits us to refuse to renew your franchise without fairly compensating you by repurchase or other means for the fair market value at the time of expiration of your inventory, supplies, equipment, fixtures, and furnishings. Personalized materials that have no value to us and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applied only if: (i) the term of the franchise is less than 5 years and (ii) you are prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area after the expiration of the franchise or you do not receive at least 6 months advance notice of our intent not to renew the franchise.
- (e) A provision that permits us to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude you from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision that permits us to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent us from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet our then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of us or our subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) You or your proposed transferee's failure to pay any sums owing to us or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

(h) A provision that requires you to resell to us items that are not uniquely identified with us. This subdivision does not prohibit a provision that grants to us a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants us the right to acquire the assets of a franchise for the market or appraised value of the assets if you have breached the lawful provisions of the Franchise Agreement and have failed to cure the breach in the manner provided in subdivision (c).

(i) A provision that permits us to directly or indirectly convey, assign, or otherwise transfer our obligations to fulfill contractual obligations to you unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Any questions regarding this notice should be directed to:

Michigan Department of Attorney General
Consumer Protection Division
Attn: Franchise Section
525 W. Ottawa Street
G. Mennen Williams Building, 1st Floor
Lansing, Michigan 48933
Telephone Number: (517) 373-7117

Any provision in the Franchise Agreement specifying that litigation between us and you is to take place outside of Michigan is amended to provide instead that litigation will be brought either in the forum designated in the Franchise Agreement or in the state or federal courts located in Detroit, Michigan, and the parties consent to the jurisdiction of those courts; provided, however, that we reserve the right to seek relief in any other jurisdiction as may be necessary or desirable to obtain declaratory, injunctive, or other relief to enforce the provisions and restrictions of the Franchise Agreement. This amendment will have no effect on the forum or venue of any arbitration proceeding between us and you.

MINNESOTA

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

The following modifications are to the YOU MOVE ME LLC Franchise Disclosure Document and may supersede, to the extent then required by valid applicable state law, certain portions of the Franchise Agreement dated _____, 20__.

Minn. Stat. Sec. 80C.21 and Minn. Rule Part 2860.4400J, may prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the Disclosure Document or Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

We will comply with Minnesota Statute 80C.14 subdivisions 3, 4, and 5, which require (except in certain specified cases), that you be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement; and that consent to the transfer will not be unreasonably withheld.

We will protect your right to use the primary trademark, service mark, trade name, logotype or other commercial symbol or indemnify you from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of our primary trade name.

Minnesota Rule 2860.4400D may prohibit us from requiring you to assent to a general release.

In accordance with Minnesota Rule 2860.4400J, to the minimum extent required by law, the Disclosure Document and the Franchise Agreement are modified so that we can not require you to waive your rights to a jury trial or to waive rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction, or to consent to liquidated damages, termination penalties, or judgment notes; provided that this part shall not bar an exclusive arbitration clause.

Any statements in the Disclosure Document and Franchise Agreement stating that we are entitled to injunctive relief are amended to read "we may seek injunctive relief." A court will determine if a bond is required.

Provisions in the Disclosure Document and Franchise Agreement limiting your right to file claims, that are inconsistent with Minnesota Statute Sec. 80C.17, Subd. 5, are amended to the minimum extent required by Minnesota law.

Items 5 and 7 of the Disclosure Document and Section 3 and Schedule B of the Franchise Agreement are amended to provide that initial franchise fees are paid when our pre-opening obligations to you are complete and you are ready to commence business.

ACKNOWLEDGMENT:

It is agreed that any applicable part of the foregoing state law addendum supersedes any inconsistent portion of the Franchise Agreement dated the ____ day of _____, 20__, and of the Franchise disclosure document, but only to the extent they are then valid requirements of an applicable and enforceable state law, and for only so long as such state law remains in effect.

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT D OR YOUR PUBLIC LIBRARY FOR SERVICES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is to be added at the end of Item 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

- A. No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.
- B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.
- C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.
- D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from

membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled “**Requirements for franchisee to renew or extend**,” and Item 17(m), entitled “**Conditions for franchisor approval of transfer**”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled “**Termination by franchisee**”:

You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” sections of Item 17(v), titled “**Choice of forum**”, and Item 17(w), titled “**Choice of law**”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

ACKNOWLEDGMENT:

It is agreed that any applicable part of the foregoing state law addendum supersedes any inconsistent portion of the Franchise Agreement dated the ____ day of _____, 20__, and of the Franchise disclosure document, but only to the extent they are then valid requirements of an applicable and enforceable state law, and for only so long as such state law remains in effect.

WASHINGTON

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT,
DISCLOSURE QUESTIONNAIRE AND CERTIFICATION, AND RELATED AGREEMENTS

The following modifications are to the YOU MOVE ME LLC Franchise Disclosure Document and may supersede, to the extent then required by valid applicable state law, certain portions of the Franchise Agreement dated _____, 20__.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Items 5 and 7 of the Disclosure Document and Section 3 and Schedule B of the Franchise Agreement are amended to provide that initial franchise fees are paid when our pre-opening obligations to you are complete and you are ready to commence business.

ACKNOWLEDGMENT:

It is agreed that any applicable part of the foregoing state law addendum supersedes any inconsistent portion of the Franchise Agreement dated the ____ day of _____, 20__, and of the Franchise disclosure document, but only to the extent they are then valid requirements of an applicable and enforceable state law, and for only so long as such state law remains in effect.

WISCONSIN

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT

With respect to Franchise Agreements governed by Wisconsin law, the following shall supersede any inconsistent provision:

The Wisconsin Fair Dealership Law applies to most franchise agreements in the state and prohibits termination, cancellation, nonrenewal or substantial change in the competitive circumstances of a dealership agreement without good cause. The Law further provides that 90 days' prior written notice of the proposed termination, etc. must be given to the dealer. The dealer has 60 days to cure the deficiency and if the deficiency is so cured the notice is void. The Disclosure Document and Franchise Agreement are hereby modified to state that the Wisconsin Fair Dealership Law, to the extent applicable, supersedes any provisions in the Franchise Agreement that are inconsistent with that Law. Wis. Stats. Ch. 135, The Wisconsin Fair Dealership Law. SEC 32.06(3), Wis. Adm. Code.

ACKNOWLEDGMENT:

It is agreed that any applicable part of the foregoing state law addendum supersedes any inconsistent portion of the Franchise Agreement dated the ____ day of _____, 20__, and of the Franchise disclosure document, but only to the extent they are then valid requirements of an applicable and enforceable state law, and for only so long as such state law remains in effect.
