Franchisees will establish and operate a business that will manage a walk-in veterinary wellness, preventive and minor illness care clinic that specializes in accessible, affordable, and convenient care for dogs and cats, under the marks PETWELL® and PETWELLCLINIC®.

The total investment necessary to begin operation of a PETWELL® franchise ranges from \$180,000 to \$379,000. This includes \$49,250 which must be paid to the franchisor. If you want development rights, the initial franchise fee is \$49,250 for the first franchise you develop and \$40,000 for each additional franchise, but you are only required to pay 50% of the initial franchise fee for your fourth and any additional outlets you acquire rights to at the time you acquire the development rights. For example, the total investment necessary to begin operation if you acquire development rights for 5 franchises is \$300,000 to \$499,000. This includes \$169,250 that must be paid to the franchisor.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit F.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in Tennessee. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Indiana than in your own state.
2. **Spousal Liability.** Your spouse may be required to sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Short Operating History.** This Franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise with a longer operating history.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING PROVISIONS APPLY ONLY TO
TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

ITEM 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this disclosure document, “PetWell”, “we”, “our” or “us” means the franchisor, PetWell Franchisor LLC. “You” means the franchisee who buys the franchise. If the franchisee is a corporation, partnership, limited liability company or other entity, “you” may also refer to its owner. We are a Delaware limited liability company that was formed on July 2, 2020. Our principal business address is 555 West Jackson Ave., Unit 304, Knoxville, Tennessee 37902. Our agents for service of process are listed on Exhibit F. We began offering franchises as of August 17, 2020. We have never offered any other franchises in any other line of business. We are not currently engaged in any other business activities.

The Franchised Business

We franchise the right to operate a business that will manage a walk-in veterinary wellness and care clinic that specializes in accessible, affordable and convenient wellness, preventive and minor illness care for dogs and cats under the marks PETWELL® and PETWELLCLINIC® (the “Clinic”). Clinics will operate using distinctive proprietary operating procedures, methods and standards that we will license to you during the term of the Franchise Agreement (the “System”).

Management Company Franchise – Two-Tier System

In some states, applicable law requires us to franchise to an entity that does not render veterinary medicine services. In such states, the franchisee will be a management company (a “Management Company”) that in turn will render management services using the Marks and System to a licensed professional entity, such as a professional corporation or professional limited liability company (a “PC”). In this structure, the PC will render all veterinary medicine services associated with the Clinic and the Clinic will be managed by the Management Company that is owned by the franchisee. Consistent with a Memorandum of Understanding (“MOU”), a sample of which is attached at Exhibit I of this disclosure document, we will enter into our standard franchise agreement (“Franchise Agreement”) with the Management Company and the Management Company will enter into a Clinic Management Agreement with the PC. We call this arrangement a “Two-Tier System”.

The PC with whom the Management Company contracts in a Two-Tier System may be establishing its own veterinary practice for the first time or may be converting an existing veterinary practice to a Clinic. As a franchisee, you will establish the location of the Clinic and will provide administrative and support services to the PC through the Management Company, in a manner consistent with our System and the Clinic Management Agreement. The Management Company will not render veterinary medicine services.

Our form of Franchise Agreement is attached as Exhibit A to this disclosure document, and our recommended Clinic Management Agreement is attached as Exhibit C to this disclosure document. Subject to our review and final approval, and subject to applicable law, you may negotiate with the PC and modify certain portions of the Clinic Management Agreement. You are solely responsible for ensuring that the Clinic Management Agreement, the Management Company and the PC comply with all applicable laws at all times.

Direct Franchise – One-Tier System

In states that do not require a Two-Tier System, we will enter into the Franchise Agreement directly with the individual or entity that owns and operates the Clinic. We call this arrangement a “One-Tier System”. There is no Management Company or PC in a One-Tier System.

Development Rights

If qualified, we may grant you development rights according to our Development Rights Agreement included with this disclosure document at Exhibit H (“Development Agreement”). The Development Agreement includes an exclusive territory in which Developers may establish multiple Franchises (at least 2) in accordance with a development schedule that we and the Developer establish at the time the Development Agreement is signed. Each Franchise developed under a Development Agreement is granted under a separate Franchise Agreement (on our then-current form, which may contain materially different terms).

The Franchisor’s Parent, Predecessors and Affiliates

Our parent, PetWellClinic Franchise Holdings LLC (“PWH”) shares our principal business address. Our predecessor is PetWellClinic Franchisor LLC which was the franchisor of the PetWellClinic System from November 15, 2017 to June 16, 2020 and granted one franchise to operate in Tennessee. This franchise agreement has been assigned by PetWellClinic Franchisor LLC to us. PetWellClinic Franchisor LLC is a Tennessee limited liability company and its principal business address is 3075 Lois Lane, Alcoa, Tennessee 37701. PetWellClinic Franchisor LLC underwent a name change in March 2020 and is now known as PetWell IP LLC and is an affiliate of ours. PetWell IP LLC owns the PetWell Marks and licenses us the right to use and license these Marks to our franchisees. Neither we nor our predecessor has ever operated any Clinics but we reserve the right to open Clinics in the future. PWH has never offered franchises in any line of business, and PetWellClinic Franchisor LLC, now known as PetWell IP LLC, has never offered franchises in any other line of business.

Our affiliate, PetWellClinic, LLC, has operated Clinics since May 2012. As of the issuance date of this disclosure document, PetWellClinic, LLC owns and operates 4 Clinics in Tennessee. In January 2010, PetWellClinic was founded and until May 2012, was owned and operated by My Pet’s Animal Hospital, Inc., which was owned by Sam and Julie Meisler. The principal business address of PetWellClinic, LLC is 10549 Kingston Pike, Knoxville, Tennessee 37922. In addition, our affiliate, easyDVM, LLC, a Tennessee limited liability company, licenses its proprietary cloud-based veterinary practice software system to franchisees and to other third parties since June 2016. The principal business address of easyDVM, LLC is 555 West Jackson Ave., Unit 304, Knoxville, Tennessee 37902. Neither PetWellClinic, LLC nor easyDVM LLC has ever offered franchises in any line of business.

Our affiliate, Westside NJ Petwell, LLC, has operated a Clinic since June 2021. As of the issuance date of this disclosure document, Westside NJ Petwell, LLC owns and operates one Clinic in New Jersey. Westside NJ Petwell, LLC’s principal business address is 2290 Route 22, Union, New Jersey 07083. Westside NJ Petwell, LLC has never offered franchises in any line of business.

Through control with funds managed by Westside LLC, a New York-based investment firm, we are affiliated with XD Coffee, LLC, a franchisor that offers franchises for the sale of espresso and related coffee products and services to offices and workplaces and cold brew to

consumers under the “XPRESSO DELIGHT®” name. XD Coffee, LLC’s principal business address is 155 Second Street, Jersey City, New Jersey 07302. XD Coffee, LLC’s predecessor began franchising in 2013. As of June 30, 2021, there were 9 franchised outlets and 2 company-owned outlets operating within the United States. XD Coffee, LLC has not offered franchises in any other line of business, nor has it ever operated a PetWellClinic franchise. XD Coffee, LLC is not obligated to provide products or services to you; however, you may purchase products or services from XD Coffee, LLC if you choose to do so.

Market and Competition

The general market for the veterinary services offered by a Clinic is growing and competitive and while there are a few regional and local competitors offering the same suite of services as PetWellClinics do, there are few national competitors at this time.

Regulatory Matters

In addition to laws and regulations that apply to businesses generally, Clinics are subject to federal, state and local laws and regulations relating to the provision of veterinarian services and the practice of veterinary medicine. Your ability to successfully and profitably operate the Clinic will depend, in part, upon your doing so in compliance with applicable laws and regulations, including veterinary practice specific- laws and regulations. Non-compliance with such laws and regulations can have a material adverse effect on you and the Clinic. As of the issuance date of this disclosure document, the following states have laws which regulate who may own a Clinic that practices veterinary medicine: Alabama, Arkansas, Idaho, New Jersey, Maine, Minnesota, New Hampshire, New York, North Carolina, Rhode Island, South Dakota, Texas, Vermont and Washington. Additionally, most states have laws that regulate who can hold an ownership interest in a professional entity. These statutory requirements can change as additional states may adopt laws regulating the practice of veterinary medicine and those states currently doing so may add to or change their existing laws.

If required by local law, you are responsible for ensuring that the PC meets all licensing, permitting, certification and/or other requirements with respect to the practice of veterinary medicine and that both the PC and the Management Company meet all other licensing, permitting, certification and/or other requirements with respect to operating a business in the locality in which you will practice. If the Clinic employs veterinary care providers other than veterinarians, you must ensure that the PC and those employees follow the laws relating to those providers’ professions. Each state and many localities have their own licensing, permitting or certification schemes and so requirements may vary from Clinic to Clinic.

We have prepared a sample form of Clinic Management Agreement, which is attached as Exhibit C to this disclosure document. The sample form has been prepared with many states’ veterinary medicine laws in mind. However, you should consult with your own advisors and the government agencies in your state and locality for information on how federal, state and local laws apply to you, the Management Company and the PC. You will be responsible for compliance with all laws that are applicable to the services being provided pursuant to the Clinic Management Agreement and to the Clinic and ensuring that the Management Company and PC are in compliance with all laws that are applicable to the services that each renders.

1. If you are operating under a One-Tier System, or a Two-Tier System in which you and the PC do not share common ownership, the term "Gross Sales" means the entire gross receipts of every kind and nature from all products and services sold in, from or in association with the Clinic without reserve or deduction for inability or failure to collect and excluding only the following: (i) the amount of any sales tax levied upon retail sales which is payable to the appropriate governmental authorities (and subsequently actually paid to such authorities); and (ii) refunds made in good faith in accordance with our policies. If you are operating under a Two-Tier System in which you and the PC share common or identical ownership, "Gross Sales" means the entire gross receipts of every kind and nature from all products and services sold in, from or in association with the Clinic which are received by the Management Company without reserve or deduction for inability or failure to collect and excluding only the following: (i) the amount of any sales tax levied upon retail sales which is payable to the appropriate governmental authorities (and subsequently actually paid to such authorities); and (ii) refunds made in good faith in accordance with our policies.
2. We provide training to you and one manager at no charge before you open the Clinic. We do not cover any travel expenses or provide accommodations in connection with any training. We may charge additional fees to provide training to additional persons. You are responsible for all travel and living expenses that you and/or your personnel may incur in connection with initial, additional and refresher training. In addition, you are responsible for our personnel's travel and living expenses if you schedule any on-site training less than 2 weeks in advance of the commencement of such training.
3. We reserve the right to hold meetings for all PetWellClinic franchisees on a regional, national and/or international basis, which meetings will not occur more frequently than

annually. We will determine the duration, curriculum and location of these meetings. We will choose the location for the franchisee meeting, which may be our headquarters, a conference center or a resort or hotel. We are not required to hold such meetings unless we believe it is prudent to do so. These meetings may be used to provide additional training, introduce new products or changes to the System, or for other reasons. We reserve the right to designate that attendance at any franchisee meeting is mandatory for you, your managers, veterinarians and/or other personnel. We reserve the right to charge our then-current training fees for such meetings (currently, \$250/day plus our reasonable costs and expenses), and you will be responsible for paying for all of the expenses incurred by your attendees at the meeting, including travel, lodging, meals and wages.

4. You must fully protect, indemnify, and hold us and our affiliates and associates, licensors, officers, directors, owners, employees, agents, representatives and assigns harmless from and against any and all claims, demands, damages and liabilities of any nature whatsoever arising in any manner, directly or indirectly, out of or in connection with or incidental to the operation of the Clinic (regardless of cause or any concurrent or contributing fault or negligence) or any breach by you or your failure to comply with the terms and conditions of the Franchise Agreement or Clinic Management Agreement.

All figures in Item are estimates. Actual costs will vary for each franchisee depending on a number of factors including size and location of the Clinic, amount of renovation needed, and whether your landlord will provide an allowance for improvements. The amounts payable to us are nonrefundable. Whether other amounts will be refundable depends upon your agreement with the applicable supplier or other party. Estimates provided in this Item for expenditures other than one-time fees are for the pre-opening phase and through the first 3 months of operations. We do not offer direct or indirect financing for any portion of your initial investment.

Notes:

1. You may not need to pay any utility deposits during the first 3 months of operation if you are converting an existing veterinary practice to a Clinic.
2. This estimate includes the cost to pay our designated architect to prepare a layout design and finish schedule for your Clinic.
3. This estimate includes rent payments for 1 month before opening and for the first 3 months of your lease. Real estate costs vary considerably across different markets and locations. The typical Clinic will need approximately 600 to 1,200 square feet of space preferably in a strip mall or similar property accessible from local major thoroughfares. Most of the space will be used for patient waiting and service areas. The cost of leasing Clinic space varies with the location and size of the premises and could range from \$15 to \$35 per square foot in annual costs.
4. This estimate includes amounts for an approved architect to complete the engineering, plumbing, electrical and permitting for the Clinic, in accordance with the design package prepared by our designated architect.
5. This estimate includes amounts needed for construction, remodeling, decorating costs and any other leasehold improvements.
6. The Technology Fee includes the business management and POS software subscription for 3 months.
7. You must purchase and maintain in full force and effect, at your expense and from a company we approve of, insurance that insures both you and us and any other persons we designate by name.
8. We provide training to you and one manager at no charge before you open the Clinic. We do not cover any travel expenses or provide accommodations in connection with any training. We may charge additional fees to provide training to additional persons. You are responsible for all travel and living expenses that you and/or your personnel may incur in connection with initial training. In addition, you are responsible for our personnel's travel and living expenses if you schedule on-site launch week training less than 2 weeks in advance of the commencement of launch week.
9. This estimate will vary depending on whether you elect to use a professional recruiter and the number of veterinarians you recruit, if any. You may not need to recruit any veterinarians if you are a veterinarian.
10. These costs are our estimate of the working capital required to operate through the first 3 months after opening the Clinic and include payment of veterinarian salaries. You may

have additional expenses in starting the business. Your actual costs will depend on your management skill, experience and business acumen, your sales figures during the initial three-month period, and local market and economic conditions. We base our estimate of these expenses on our predecessor's, our franchisees' and affiliates' experiences in opening and operating Clinics since 2010.

If you sign the Development Agreement, you must pay the Development Fee. Your estimated initial investment will be the same as set forth in this Item 7 except for the payment of the Development Fee which includes the initial franchise fee for your second and third Clinics and 50% of the initial franchise fee for the fourth and each additional Clinic. The amount of the Development Fee is calculated by multiplying the number of Clinics you agree to establish and operate in accordance with the development schedule by the applicable initial franchise fee for each Clinic. The initial franchise fee for the second and each additional Clinic developed under the Development Agreement is \$40,000.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must purchase all advertising materials from us or our approved suppliers to ensure uniformity and quality of the advertising. In addition, any equipment, products, inventory, or other items that bear the PETWELL or PETWELLCLINIC logo or have the words "PETWELL" or "PETWELLCLINIC" in them must be bought from us or our approved suppliers. All such supplies must be ordered and delivered through approved suppliers and vendors. You must acquire the business management and POS software from our affiliate, easyDVM, LLC, and our affiliate is the only approved supplier for the business management and POS system. Some of our officers own an interest in easyDVM, LLC. You must also purchase a design package from our designated architect prior to opening the Clinic.

You must purchase all laboratory services, medical supplies, vaccines, parasite control products, and devices, equipment, inventory and all other items used in the Clinic from suppliers we have approved to ensure the quality and uniformity of products and services in the PetWellClinic franchise system. All product specifications and lists of approved suppliers will be included in the Operations Manual. We issue and modify our standards and specifications based on our and our predecessor's experience in franchising, and our affiliate's experience in operating, Clinics. Other than as described in this Item 8, neither we nor our affiliates are currently approved suppliers, though we reserve the right to require you to purchase additional items from us or our affiliates in the future.

PetWell may negotiate purchase arrangements with suppliers and vendors for the benefit of franchisees, in order to obtain the best price using the buying power of the combined franchises. PetWell evaluates suppliers for quality of product, overall pricing of product, ability to deliver product, and shipping costs.

As of the issuance date of this disclosure document, neither PetWell nor its officers derive revenue or other material consideration as a result of required purchases by franchisees from authorized suppliers, but they reserve the right to do so in the future.

We and our affiliates may, and intend to, receive revenue or profits or other material consideration from the purchases you make from us or our affiliates. We or our affiliates may retain any rebates or other payments we receive from suppliers without restriction. During the

last fiscal year, which ended June 30, 2021, we and our affiliates did not receive any revenue from required purchases by franchisees.

Other than potentially discounted pricing, we do not provide material benefits to any franchisee based on the use of suppliers approved by us. There are currently no purchasing or distribution cooperatives that serve our franchisees.

PetWell does provide specific criteria for supplier approval or revocation to franchisees in the Operations Manual and we may permit franchisees to contract with alternative suppliers who meet our criteria for approved suppliers but have not been specifically approved by us. We do not charge a fee for approving additional approved suppliers, but our approval will be based on the ability of the suppliers to ensure the quality and uniformity of products provided to the Clinics. If you submit materials of a supplier to us for approval, we will notify you of the supplier's approval or disapproval within 60 days of receiving all required materials. Our approval may be temporary, and we may revoke our approval of a product, service or supplier at any time if such product, service or supplier does not continue to meet our criteria.

You may not use, or permit the use of, any unauthorized names, trade names or service marks in connection with the Clinic.

PetWell will either assist in the site selection of the Clinic, or you must obtain PetWell's approval of the location from which you will operate the Clinic.

You must obtain the insurance coverage required by the Franchise Agreement from a carrier approved by us, which insures you, us as an additional insured, and any other persons we designate by name. The insurance policies must meet the specifications set forth in the Operations Manual. The required insurance coverage must commence as of the date of the Franchise Agreement. Coverage for all insurance required under the Franchise Agreement shall include all claims, injuries, harms, or loss that may occur, arise, or be asserted at any time, even after termination, expiration, or cancellation of the Franchise Agreement, arising from or relating to the franchise and the Clinic. You must use insurance carriers that are rated A- or better by A.M. Best and Company, Inc. Insurance policies must include at a minimum the following, in accordance with our written standards and specifications:

Commercial General Liability	\$1,000,000 each occurrence \$2,000,000 annual aggregate
Workers' Compensation	As required by law
Professional Liability (in a One-Tier System)	\$1,000,000 each occurrence \$2,000,000 annual aggregate

PetWell estimates that the required purchases and leases described in this Item will constitute approximately 90% of all purchases and leases you will incur to establish the Clinic and approximately 90% of all purchases and leases you will incur to operate the Clinic.

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, PetWell is not required to provide you with any assistance.

Before you begin to operate the Clinic, PetWell will provide:

(1) Evaluation of the location you propose for the Clinic. PetWell will either assist in helping you select a location, or you may select the location for the Clinic subject to PetWell's consent in writing. You must obtain this consent before signing a lease or contract for the site. PetWell does not own the site and lease it to you. In general, the factors which PetWell may consider are set forth in the Operations Manual, but include the general location, neighborhood and zoning of the site, demographic information about the surrounding area including population density, occupancy costs, locations of any similar or complementary businesses and potential for encroachment, proximity to major retail activity, traffic volume, speed and flow, parking, rent, size, layout and such other information as we may require. (See Franchise Agreement, Section 3(a)).

PetWell must approve or disapprove your proposed site within 30 days after receiving a request for approval. If you and PetWell cannot agree on a proposed site, then you must find another site and request PetWell's approval. You must obtain PetWell's approval of a site within 120 days after signing the Franchise Agreement. If you do not do so, your Franchise Agreement may be terminated. (See Franchise Agreement, Section 3(a)).

(2) A designated architect and architectural guidelines, color schemes and motifs that meet our uniform appearance and functionality standards. You must construct and/or remodel the Clinic in accordance with local ordinances and building codes and obtain required permits, at your expense. You must submit plans and specifications to us for review before you submit them to any governmental authorities for approval. We may provide advisory assistance regarding your plans and specifications at your expense. (See Franchise Agreement, Section 3(c)).

(3) Advisory assistance in determining the details of appropriate construction, equipment and fixtures for the Clinic at your expense. (See Franchise Agreement, Section 3(c) and (d)).

(4) Advisory assistance with purchase or lease of equipment, inventory and supplies from suppliers and in some instances, written specifications for these items. We do not provide any equipment, inventory, or supplies for the Clinic's development directly or deliver or install such items. We will provide the names of approved suppliers and/or written specifications for certain items. (See Franchise Agreement, Section 3(e), 3(f), 9(a), and 9(h)).

(5) Advisory assistance with, and approval of, opening the Clinic, including advising you with regard to certain mandatory opening equipment and inventory. (See Item 8 and Franchise Agreement, Section 3(e), 3(f), 3(g), and 9(a)).

(6) Advisory assistance with a grand opening marketing campaign to be conducted at your expense. (See Franchise Agreement, Section 8(d)).

(7) Guidelines for staffing the Clinic. Before the Clinic opens for business or anytime thereafter that a new associate doctor is hired, the associate doctor must complete initial training to our satisfaction. Periodically, we may also make various mandatory and optional training

programs available to you, the PC and its veterinarians, as applicable. We may also require you to conduct training programs for the Clinic through approved trainers. These programs may be conducted, with our approval, in a Clinic or other site, or through the Internet or other electronic media. You must timely and successfully complete, and require the PC and all veterinarians (where applicable) to timely and successfully complete, all training that we designate as mandatory. (See Franchise Agreement, Section 9(f)).

Once a franchise is awarded, you will not be charged a fee for the initial franchisee training program, but you are responsible for all costs incurred, including travel and accommodations to attend the program. You may be charged for additional mandatory and optional training, as applicable. You will also be required to complete annual refresher courses, as summarized below. The current fee for refresher training is \$250 per day. For all ongoing training, you and the PC (where applicable) will be responsible for the cost of providing training to Clinic personnel including the cost of materials and salaries. We will not train your personnel and will not manage any of your or the PC's personnel. In the event that the Clinic repeatedly fails to meet our standards, we may require you to participate in additional training programs at a cost of \$250 per day, and you may be required to reimburse us for the costs of providing such training.

Below is a summary of the initial PetWell Training Program that is provided to all franchisees at no additional cost. We offer the initial PetWell Training Program on a monthly basis.

For the training at our headquarters, you and your Manager must attend the training in Knoxville, Tennessee. You are responsible for all costs and expenses incurred while you and your Manager attend the training in Knoxville, Tennessee. In addition, if you schedule any on-site training less than 2 weeks in advance of the commencement of such training, you will be responsible for all of

our costs and expenses incurred while we provide on-site training at your Clinic. If you send more than 2 people to this initial training, we have the right to charge a training fee to you.

PetWell's training instructors are Dr. Sam Meisler, Mr. Hunter Little, Ms. Jacklyn Surrett and Ms. Kim McCullough. Dr. Meisler has worked in the veterinarian clinic industry and related computer software and website development and veterinary practice management education since 1991. Dr. Meisler has been our Chief Executive Officer since July 2020 and has been Chief Executive Officer of our affiliate, PetWellClinic LLC, since April 2012. Mr. Little has had 7 years of experience being a veterinarian assistant and has been with us since our inception in July 2020. Mr. Little joined us in July 2020 and is currently our Chief Operations Officer. Ms. Surrett joined us in March 2021 as a Franchise Support Specialist. Ms. Surrett has over 7 years of experience as a veterinarian assistant and over 4 years of experience in the field of veterinarian clinic operational management. Ms. McCullough joined us in March 2021 as a Franchise Support Specialist. Ms. McCullough has over 10 years of experience as a veterinarian assistant and over 4 years of experience in the field of veterinarian clinic inventory management.

You and the PC and all associated veterinarians (where applicable), must attend and complete initial training to our satisfaction before the Clinic opens for business. You will be evaluated during training on your ability to follow our guidelines for establishing and operating the Clinic and espousing the PetWell brand. In addition to the initial training described above, PetWell may require completion of PetWell's then-current training program before renewing the Franchise Agreement, if you are granted rights to renew the Franchise Agreement.

At your option and upon not less than 35 days' written notice to us, you may receive additional training at our training center in Knoxville, Tennessee or at another agreed-upon location. All expenses of this training will be borne by you, including but not limited to your travel, lodging, meals, compensation and our reasonable costs and expenses including a reasonable training fee at our then-current rates.

We anticipate that franchisees will open the Clinic within 210 days after the date that the Franchise Agreement is signed. The factors that affect this time are locating an approved site, obtaining a lease, construction of improvements to the site, financing, obtaining building permits, zoning and local ordinances, weather conditions, shortages and any delays in installation of equipment, fixtures and signs. Subject to forces beyond your control, if the Clinic is not open and operating within 210 days after the date that the Franchise Agreement is signed we will have the right to terminate the Franchise Agreement.

During the operation of the Clinic, PetWell will:

- (1) Advise and consult with you in connection with the operation of the Clinic (See Franchise Agreement, Section 7(c)).
- (2) Assist you in resolving problems you may incur related to the franchise including, (See Franchise Agreement, Section 7(c)).
- (3) Maintain approved vendors, products and services for the Clinic (See Franchise Agreement, Section 7(d)).
- (4) Loan you our Operations Manual which we may amend from time to time (See Franchise Agreement, Section 7(b)).

(5) If we determine that we may lawfully require certain minimum or maximum prices for products or services, you must adhere to our pricing policies as set forth in the Operations Manual. Otherwise, you may determine the prices at which you sell products and services, as well as the terms and conditions of sale. (See Franchise Agreement, Section 2(e)).

We have the right from time to time to delegate the performance of any portion of our obligations under the Franchise Agreement to third-party designees, whether they are our affiliates, agents, or independent contractors with which we contract to perform such obligations.

Computer System

We require you to purchase or lease hardware and software used for communications, accounting, clinic operations, client/patient transactions, invoices, medical records and recordkeeping. We estimate that the costs of purchasing or leasing the required electronic computer systems will be between \$2,000 and \$5,000. You also must acquire the business management and POS software from our affiliate, easyDVM, LLC and our affiliate is the only approved suppliers for the business management and POS system. Neither we nor our affiliates have the contractual right or obligation to provide maintenance, repairs, upgrades or updates for the computer system.

We will have independent access to the information processed and tracked by the computer systems, and we require monthly profit and loss reports, as well as quarterly balance sheets, e-mailed to us and there are no contractual limits on our rights to access this information.

You will be required to maintain computer hardware that is up-to-date and compatible with the PetWell software suite. We may require you to upgrade your computer systems during the term of the Franchise Agreement and we estimate that the cost of any upgrade should not exceed \$4,000.

Advertising

We administer and control a marketing fund for the purpose of promoting the System as a whole and increasing the goodwill of the Marks (the "**Marketing Services Fund**"). Currently, we do not require you to contribute to the Marketing Services Fund but may require you to do so in the future, upon 30 days written notice from us (which contribution will not exceed 2% of Gross Sales). Other franchisees may contribute to the Marketing Services Fund at different rates due to the form of franchise agreement they signed with us.

We may elect to disseminate marketing and advertising content through Internet-based mediums and social media and print media such as magazine, billboards, flyers, mailers and newspapers. We may use the Marketing Services Fund to cover our in-house costs or the costs of outside agencies in the development, production and dissemination of marketing materials. We may also use the Marketing Services Fund to develop promotional and advertising materials for your use, provide sales training or printed materials to assist you, or in connection with charitable or community service events. The Clinics that we or our affiliates operate are not required to contribute to the Marketing Services Fund on the same basis as our franchisees. Currently, certain of our affiliate-owned Clinics contribute 1% or 2% of Gross Sales to the Marketing Services Fund.

The Marketing Services Fund is not a trust, and we do not owe you fiduciary obligations because of our maintaining, directing or administering the Marketing Services Fund or any other

reason. The Marketing Services Fund may spend in any fiscal year more or less than the total Marketing Services Fund Contributions in that year, borrow from us or others (paying reasonable interest) to cover deficits, or invest any surplus for future use. We will use all interest earned on Marketing Services Fund Contributions to pay costs before using the Marketing Services Fund's other assets. We may incorporate the Marketing Services Fund or operate it through a separate entity whenever we deem appropriate. The successor entity will have all of the rights and duties specified here.

At any time, we may defer or reduce a franchisee's contributions to the Marketing Services Fund. Upon at least 30 days' written notice to you, we may reduce or suspend Marketing Services Fund Contributions and/or operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Marketing Services Fund. If we terminate the Marketing Services Fund, we will (at our option) either spend the remaining Marketing Services Fund assets consistent with the provisions of this Item 11 or distribute the unspent assets to PetWellClinic operators (including us and our affiliates, if applicable) then contributing to the Marketing Services Fund in proportion to their contributions during the previous 12-month period.

We will prepare periodic unaudited financial reports on the Marketing Services Fund and they will be available to you upon written request. Any amounts in the fund not spent during one year will carry over to the next year. We will not use any Marketing Services Fund contributions principally to solicit new franchise sales. Fund contributions are neither separately accounted for nor audited.

We intend to use the Marketing Services Fund to promote the System as a whole and increase the goodwill of the Marks. We do not have any obligation to make expenditures that are proportionate or equivalent to your Marketing Services Fund contributions in the market area of your Protected Area, nor do we guarantee that any Clinic will benefit directly or in proportion to the Marketing Services Fund contributions that it makes.

During the last fiscal year, which ended June 30, 2021, the Marketing Services Fund spent 35% of its total expenditures on production, 15% on media placement, and 50% on general and administrative expenses.

We have no obligation to spend any amount on advertising in your area or territory.

We may on occasion solicit comments from franchisees regarding advertising programs and policies but there is no formal advertising council as of the issuance date of this disclosure document.

You are required to conduct local advertising and marketing, in accordance with applicable law. You must allocate 2% of Gross Sales per week for local advertising to promote the Clinic in the local community. Proof of local marketing expenditures must be submitted to us on a quarterly basis. As of the issuance date of this disclosure document, you are not required to participate in a local or regional advertising cooperative, but we reserve the right to require you to do so in the future and you may be required to contribute a maximum of 1% of your Gross Sales to any such cooperative. If implemented, the funds of any such advertising cooperative will be administered by us and we may form, change, dissolve or merge any advertising cooperative at any time in our sole discretion.

You may use your own marketing materials to promote the Clinic, but all such materials must be pre-approved by us in writing and we reserve the right to prohibit the use of such materials if we, acting reasonably, deem them to be inappropriate.

We operate a website that uses our name and other trademarks. You will not display the Marks on or associate the System with (through a link or otherwise) any website, electronic marketing materials, domain name, address, designation, or listing on the Internet or other communication system without our express consent. If we permit you to display or use the Marks in any such manner, the form, content and appearance of such display or use, and any modifications thereto, must comply with our standards and be approved by us so that we can maintain the common identity of the System and the Marks.

Subject to applicable law, we may develop discount programs or coupon or gift certificate programs in the future. If we do so, you must participate in these programs.

Manuals

During the term of your Franchise Agreement, we will loan you a copy of our confidential proprietary Operations Manual. You will be able to view the table of contents of the operations manual before purchasing a franchise, but may not view any other portion of it before that time. The current version of the manual is 418 pages. The table of contents for the Operations Manual is attached to Exhibit D. We reserve the right to modify and supplement the manual at any time in our discretion. Upon notice, you will be required to comply with all such changes.

ITEM 12

TERRITORY

If you are awarded a franchise, we will grant you the right to operate a Clinic at a location and within a protected area to be approved by us. Your protected area will be an area within a specific area that can be defined using boundaries, zip codes, radius and other means, the size of which will depend on the demographics and density of the population in the area and proximity to other existing or future Clinics. The typical protected area will encompass a population of 100,000 people around the location of the Clinic, depending on such factors as population density, proximity to competitors, household income and trade area highway access.

Provided that you are in compliance with the Franchise Agreement, and except for operating and/or franchising to others to operate clinics identified in whole or in part by the Marks and/or using the System which are located on military bases, government offices, educational facilities, hospitals or other non-traditional locations with a similar captive market that is not reasonably available to Franchisee ("Non-Traditional Site"), we will not establish or operate, or authorize another party to establish or operate, a Clinic utilizing the Marks and the System in the area described in Exhibit A of the Franchise Agreement and identified therein as the protected area (the "Protected Area").

You may not relocate the Clinic or establish additional locations without our written approval. In general, the factors that we may consider in deciding whether to approve your request to relocate include demographic changes with respect to the location of the Clinic, the performance of the Clinic, and our capacity to assist you in relocating. You do not receive any options, rights of first refusal or similar rights to acquire additional franchises.

You will not receive an exclusive territory. You may face competition from other franchisees, from Clinics that we or our affiliates own, or from other channels of distribution or competitive brands that we may control in the future. We will not compensate you for any of our activities in your Protected Area, even if they have an impact on your Clinic.

PetWell reserves all rights that it does not grant to you. You may not conduct any offsite or remote veterinary services without prior written consent from us. You may not sell any products used or offered for sale at the Clinic on a wholesale basis. Except as otherwise provided in the Operations Manual, you may not use other channels of distribution, such as the Internet, catalog sales, telemarketing, and other direct marketing, to solicit patients whose principal home address or place of business is outside of the Protected Area if the patients reside in areas which are not in a reasonably drivable range of the Clinic and/or the patients are located within the protected area of any other franchised or company-owned Clinic. Except as otherwise provided in the Franchise Agreement, we and our affiliates retain the right, in our and their sole discretion and without granting any right to you:

(i) to use or license the use of the Marks or any other trademarks, service marks, logos or commercial symbols in connection with the sale of any services or products other than those directly contemplated being used, offered, or sold by you under the Franchise Agreement.

(ii) to operate and grant to others the right to operate PetWellClinics outside the Protected Area (including at the boundary of the Protected Area) on such terms and conditions as we deem appropriate.

(iii) sell products or services that are identical or similar to and/or competitive with those offered and sold by PetWellClinics, whether identified by the Marks or other trademarks or service marks, through channels of distribution other than the PetWellClinics currently reserved to you in the Protected Area including Internet, other forms of media now or in the future developed, wholesale and mail order channels, without compensating you. The Internet is a channel of distribution reserved exclusively to us, and you may not independently market on the Internet or conduct e-commerce except as otherwise allowed by us in the Operations Manual.

(iv) to establish and operate, and to allow others to establish and operate, anywhere (including inside or outside the Protected Area) businesses offering similar services and products under trademarks and service marks other than the Marks.

(v) to acquire the assets or ownership interests of one or more businesses offering and selling services and products similar to those offered and sold at PetWellClinics (even if such a business operates, franchises, or licenses Competitive Businesses (defined in Section 13.1 below)), and operate, franchise, license, or create similar arrangements for those businesses once acquired, wherever those businesses (or the franchisees or licensees of those businesses) are located or operating, including within the Protected Area;

(vi) to be acquired (whether through acquisition of assets, ownership interests, or otherwise, regardless of the transaction form) by a business offering and selling services and products similar to those offered and sold at PetWellClinics, or by another business, even if such a business operates, franchises, or licenses Competitive Businesses inside or outside the Protected Area.

(vii) to establish, operate, own or franchise any business, including competitive businesses, outside of the Protected Area.

(viii) to engage in all other activities this Agreement does not expressly prohibit.

As of the issuance date of this disclosure document, we do not intend to establish other franchises or company owned outlets to sell similar products or services under a different trademark, but we reserve the right to do so.

Development Agreement

If you sign a Development Agreement, you will receive an exclusive development market to develop Clinics over the term of a development schedule that we set when you sign the Development Agreement (“Market”). In determining the parameter of Markets, we will take into consideration the number of Clinics to be developed, population density, Market demographics, among other criteria. We, our affiliates and other franchisees will not open, operate or franchise a PetWellClinic in the Market during the term of the Development Agreement. But we reserve all other rights contained in the Franchise Agreement.

The Market granted under the Development Agreement will be exclusive for so long as the Development Agreement is in effect. In addition, if you do not comply with the development schedule you will lose exclusivity and your rights to develop additional PetWellClinics in the Market and we may terminate the Development Agreement.

Despite any exclusive rights granted during the term of the Development Agreement, we and our affiliates may operate, and may authorize others to operate, businesses that offer and sell products under different trademarks that are similar to the products we authorize you to sell in the PetWellClinic, including inside your territories and Markets, as applicable. We will not compensate you for any of our activities in your Market.

ITEM 13

TRADEMARKS

PetWell grants you the right to operate a Clinic under the name “PetWellClinic®”, a design logo, as shown on the cover page of this disclosure document, and related trademarks. You must also use other trademarks which we develop or prescribe to identify the Clinic and its services and products. By trademark, we mean trademarks, service marks, trade names, logos and commercial symbols used to identify the Clinic, its services and its products.

You must follow our rules when you use these trademarks. You cannot use a name or mark with modifying words, designs or symbols except for those which PETWELL expressly licenses to you. You may not use the trademarks in the sale of any unauthorized product or service or in a manner not authorized in advance in writing by us. No agreement significantly limits our right to use or license the use of the trademarks.

As of the issuance date of this disclosure document our affiliate, PetWell IP LLC, has filed the following trademarks for registration on the Principal Register of the United States Patent and Trademark Office (USPTO):

Mark	Registration/Application Number	Registration/Application Date	Status
PETWELLCLINIC	4,121,267	April 3, 2012	Registered

Mark	Registration/Application Number	Registration/Application Date	Status
PETWELL	5,855,140	September 10, 2019	Registered
PETWELLCLINIC	90575512	March 12, 2021	Pending

PetWell IP LLC has granted us the rights to use and sublicense the Marks under a Trademark License Agreement dated August 17, 2020 (“License Agreement”). The License Agreement has a perpetual term and may be terminated only if we fail to comply any material obligations under the License Agreement and we fail to cure within 15 days or if we are insolvent, bankrupt or make an assignment for the benefit of creditors. In addition, either party may terminate the License Agreement for convenience upon 60 days’ written notice to the other party. In any event, a termination of the License Agreement will not affect the rights of franchisees under franchise agreements signed before the termination. No agreement significantly limits our rights to use or license Marks in a manner material to the franchise.

All required affidavits for these trademarks have been filed. There is no pending material litigation regarding our use or PetWell IP LLC’s ownership of the trademarks. And there are no currently effective material determinations from the USPTO, the Trademark Trial and Appeal Board, or any state trademark administrator or court, or any pending infringement, opposition or cancellation proceedings involving our trademarks.

We do not know of any superior prior rights or infringing uses that could materially affect your use of the trademarks in the state where the Clinic will be located. You must notify us immediately if you learn about an infringement of or challenge to your use of our trademarks. The Franchise Agreement requires us to protect you against claims of infringement or improper use if you are using the trademarks as required by the Franchise Agreement and if you are in good standing, though it also affords us the sole discretion to determine the course of action to effectuate such protection. You must assist us in protecting our rights, at our expense. If our right to use the trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses.

We have the right to control any administrative proceeding or litigation involving our trademarks. If we decide to add a new trademark, or modify or discontinue the use of any trademark, you must use the new trademark or change or discontinue the use of the trademark, all at your expense.

Except as we may authorize in writing, you may not use the words the trademarks or any other trademark or confusingly similar mark or name in your corporate, partnership, trade name, or legal name, in connection with any business activity or venture, or in connection with any e-mail address, Internet domain name, or as any other electronic identifier. You also may not apply for registration of any trademark or any variation of a confusingly similar mark with any government or other authority.

We recently became aware of a third-party that re-branded and began using the name “MyPetsWellness” in connection with veterinary and pet wellness services, including in the Tennessee area. We believe that this is an infringing use of our Marks. We sent the third-party a cease-and-desist letter requesting that the party cease using the name. We are currently engaged in settlement discussions with the third-party to protect our rights to the Marks.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

The Clinic does not involve patents and we do not own any patents. We do claim trade secret rights and common law copyrights in our operations manual, though we have not filed for copyright registration.

You must notify us immediately if you learn about a challenge to your use of our copyright materials. We will defend you against claims of infringement if you are using the copyright material as required by the Franchise Agreement and if you are in good standing.

If you learn about a third party's use of these copyright materials which you believe to be unauthorized, you must notify us immediately. We will decide whether or not to take action against the third party, and you must assist us at our expense if we decide to do so. We have the right to control any litigation involving our copyright materials. If we decide to add, modify or discontinue the use of anything covered by a copyright, you must also do so at your expense.

We do not know of any infringing uses that could materially affect your use of our copyright materials.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You are required to participate in and directly operate and manage the Clinic either personally or through a manager approved by us who has completed the initial training program to our satisfaction (the "**Manager**"). You (or the Manager, as applicable) must diligently devote best efforts to the operation and management so as to maximize sales and profits, keeping free from conflicting enterprises or any other activities which would be detrimental to or interference with such operation or management. In a One-Tier System, at all times the Clinic must employ or contract with one or more doctors of veterinary medicine and supporting personnel to operate and be responsible for all veterinary medicine aspects of the Clinic including, without limitation, patient care and all related medical decisions, all in accordance with applicable laws. In a Two-Tier System, at all times the PC must operate and be solely and exclusively responsible for all veterinary medicine aspects of the Clinic, in accordance with applicable laws. The Clinic Management Agreement must require the presence in the Clinic at all times of a professionally licensed veterinarian. Veterinarians need not have an ownership interest in the Clinic but they must complete all of our required training to our satisfaction. All Management Companies, PCs, veterinarians and others who will have access to our confidential Operations Manual must sign a confidentiality and non-competition agreement in a form we approve. You, and if you are married, your spouse, must sign a personal guaranty agreeing to perform obligations of the franchisee, if the franchisee is an entity.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

PetWell requires that Clinics offer and sell veterinary and related services only, including at minimum, all services and products designated in the Operations Manual. This mandate will

not be construed as permitting us to make or influence decisions relating to diagnosis or treatment of Clinic patients, which are matters reserved exclusively for the discretion and judgment of the PC. It is nevertheless important that the System maintain uniformity. This benefits all of our franchisees. For example, we may require you to participate in incentive programs that we develop and promote through our website.

We may also add new services or products that you may be required to offer, or otherwise change the services or products that you are required to offer. There are no limitations on our right to make additions or changes to the System.

ITEM 17

PUBLIC FIGURES

We do not use any public figures to promote our franchise.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

As of June 30, 2021, we had 5 affiliate-owned Clinics and 1 franchised Clinic. One of our affiliate-owned Clinics and our 1 franchised Clinic were not open for a full year as of June 30, 2021; as a result, these outlets are excluded from the historical Gross Sales (as defined below) included below. The table below includes the 4 affiliate-owned Clinics that were open for at least 1 full year as of June 30, 2021 (the “**Covered Clinics**”). The table below describes the total historical Gross Sales for the Covered Clinics for the following periods: (1) calendar year ending December 31, 2019; (2) calendar year ending December 31, 2020; (3) fiscal year ending June 30, 2021; and (4) 12-month period ending September 30, 2021 (the “**Covered Period**”). All of the Covered Clinics are located in Tennessee. Our affiliate reported the below financial data to us. The source of such data was our affiliate’s accounting software P&L data, our affiliate’s payroll processing software, and our affiliate’s POS system.

All of the Covered Clinics were open 6 days a week during the Covered Period, except: (1) the Midland Clinic, which was only open for 1 day a week from January 1, 2019 through July 31, 2019; (2) the Randolph Clinic, which was not open for business prior to June 15, 2020; and (3) the West Hills Clinic, which was open 7 days a week during the Covered Period. Each of these Clinics had 1 veterinarian at the Clinic during each day of operations. The Randolph Clinic is located in an underserved community and near our headquarters, in order to be an easily accessible show location and learning center for our franchisees. There are no other material financial or operational characteristics that we reasonably anticipate to differ from future operational franchise outlets.

“Gross Sales” means the entire gross receipts of every kind and nature from all products and services sold in, from or in association with the Clinic without reserve or deduction for inability

or failure to collect and excluding only the following: (i) the amount of any sales tax levied upon retail sales which is payable to the appropriate governmental authorities (and subsequently actually paid to such authorities); and (ii) refunds made in good faith in accordance with our policies.

PETWELL FRANCHISES, LLC

FRANCHISE AGREEMENT

THIS AGREEMENT is entered into by and between PETWELL FRANCHISOR LLC, a Delaware limited liability company, with its principal business address located at 555 West Jackson Avenue, Unit 304, Knoxville, Tennessee 37902 (“Franchisor”), and _____, a _____, with its principal business address located at: _____ (“Franchisee”). This Agreement is for the establishment of one PETWELLCLINIC® business within the Protected Area.

RECITALS

A. Franchisor is authorized to franchise the establishment and operation of walk-in veterinary wellness and care clinics under the name PETWELLCLINIC®, which specialize in providing accessible, affordable and convenient care for cats and dogs. The PETWELLCLINIC® mission is to improve the quality of life of pets through inviting environments focused on exceptional service for pet owners on a walk-in basis.

B. The franchise includes, without limitation, a license to use the trademark PETWELLCLINIC® and related names, trademarks, service marks, logos, copyrights, designs, emblems, slogans, commercial symbols and other indicia and associated goodwill now or hereafter designated for use by Franchisor in connection with the System, and any and all revisions, modifications and additions thereto, whether or not recorded or registered with the United States Patent and Trademark Office, or any other local, state, federal or foreign agency, registrar or body (the “Marks”); an operations manual incorporating required standards, procedures, policies, and guidelines for business management; recommended veterinary care protocols; and advertising, marketing, and promotional know-how (the “System”).

C. Franchisor desires to grant to Franchisee, and Franchisee desires to obtain from Franchisor, the right to establish and operate a Clinic in accordance with the System and applicable law.

NOW, THEREFORE, in consideration of these premises and the mutual covenants contained herein, the sufficiency of which is acknowledged by the parties, the parties agree as follows:

1. GRANT OF FRANCHISE

(a) Subject to the terms and conditions of this Agreement, Franchisor grants to Franchisee a license to use the Marks and the System solely in the operation of a Clinic in the Protected Area (the “Franchise”). Franchisee acknowledges that adherence to the standards and policies of the System is essential for the continued operation of the Franchise granted by this Agreement.

(b) If required by law applicable in the location of the Clinic, the Franchisee shall manage an approved veterinary clinic pursuant to an approved form of management agreement (“Management Agreement”) between Franchisee, as a management company (“Management

Company”), and a licensed veterinary professional corporation (or comparable entity commonly used in the location of the Clinic) (a “PC”) that is in good standing under all applicable laws (such arrangement, a “Two-Tier System”). If laws applicable in the location of the Clinic permit Franchisee to directly own and operate a veterinary clinic, then Franchisee shall directly operate an approved veterinary clinic pursuant to the terms of this Agreement (“One-Tier System”). In both a One-Tier System and a Two-Tier System, the veterinary clinic that is operated using the Marks and the System is referred to in this Agreement as the “Clinic”.

(c) If Franchisee must operate in a Two-Tier System, then within thirty (30) days of the date of this Agreement, Franchisee shall submit to Franchisor for its approval the name of the PC and information about its owners and employees, as Franchisor may reasonably request. Franchisor shall approve or disapprove of the PC, in Franchisor’s discretion, within thirty (30) days of its receipt of Franchisee’s request for approval. If Franchisor does not approve of the PC, Franchisee shall propose a different PC for Franchisor’s approval. This Agreement may be terminated by Franchisor if Franchisee has not obtained Franchisor’s approval of a PC on or before the date that is one hundred twenty (120) days after the date of this Agreement.

(d) Upon obtaining Franchisor’s approval of a PC, Franchisee shall enter into a Management Agreement with the PC in a form that has been approved by Franchisor. Certain provisions of the Management Agreement (as specified in Section 15 of the form Management Agreement) may not be changed. Other changes must be consistent with this Agreement, the System and all applicable laws, and be approved in advance in writing by Franchisor. Franchisee is prohibited from terminating the Management Agreement without Franchisor’s consent during the term of this Agreement.

(e) If Franchisee is operating in a Two-Tier System, Franchisee acknowledges and agrees that it is not authorized and shall not engage in the practice of veterinary medicine at any time. Under the Management Agreement, Franchisee shall provide the PC with non-veterinary management and administrative services and support in a manner consistent with the System and all applicable laws, and will provide that the PC shall retain exclusive authority and discretion to direct the medical, professional and ethical aspects of the veterinary medical practice at and in affiliation with the Clinic. Without limiting the foregoing, in a Two-Tier System, the PC shall at all times have exclusive ownership of the veterinary medicine practice at the Clinic and the exclusive right and power to employ and manage all veterinarians and veterinary personnel providing veterinary medical services at and in affiliation with the Clinic. Franchisee shall at all times merely provide management and administrative services to the PC.

2. LOCATION

(a) Location. The location for the Clinic is set forth in **Exhibit A** attached hereto and incorporated herein by this reference. If the location of the Clinic has not been determined at the time Franchisee and Franchisor sign this Agreement, then it shall be determined as provided in Section 3 below.

(b) Protected Area. Provided that Franchisee is in compliance with this Agreement, and except for operating and/or franchising to others to operate clinics identified in whole or in part by the Marks and/or using the System which are located on military bases, government

offices, educational facilities, hospitals or other non-traditional locations with a similar captive market that is not reasonably available to Franchisee (“Non-Traditional Site”), Franchisor shall not establish or operate, or authorize another party to establish or operate, a Clinic utilizing the Marks and the System in the area described in **Exhibit A** and identified therein as the protected area (the “Protected Area”).

(c) Limitation Upon Territorial Protection. Franchisee acknowledges the limited nature of the territorial protection granted hereby, and that Franchisor is not granting an exclusive or protected trading area to Franchisee, but rather Franchisor will not establish or operate, nor license any other person to establish or operate, a Clinic in the Protected Area (except to a Non-Traditional Site). Franchisee may not conduct any offsite or remote veterinary services without prior written consent from Franchisor. Franchisee may not sell any products used or offered for sale at the Clinic on a wholesale basis. Except as otherwise provided in the Operations Manual, Franchisee may not directly market to, solicit or service patients whose principal home address or place of business is outside of the Protected Area if those patients reside in areas which are not in a reasonably drivable range of the Clinic or those patients are located within the protected area of any other Clinic.

(d) Franchisor’s Reservation of Rights. Except as otherwise provided in this Agreement, Franchisor and its affiliates retain the right, in their sole discretion and without granting any right to Franchisee:

(i) to use or license the use of the Marks or any other trademarks, service marks, logos or commercial symbols in connection with the sale of any services or products other than those directly contemplated being used, offered, or sold by Franchisee under this Agreement.

(ii) to operate and grant to others the right to operate PetWellClinic outside the Protected Area (including at the boundary of the Protected Area) on such terms and conditions as we deem appropriate.

(iii) sell products or services that are identical or similar to and/or competitive with those offered and sold by PetWell Clinics, whether identified by the Marks or other trademarks or service marks, through channels of distribution other than the PetWellClinics currently reserved to Franchisee in the Protected Area including Internet, other forms of media now or in the future developed, wholesale and mail order channels, without compensating Franchisee. The Internet is a channel of distribution reserved exclusively to us, and Franchisee may not independently market on the Internet or conduct e-commerce except as otherwise allowed by us in the Operations Manual.

(iv) to establish and operate, and to allow others to establish and operate, anywhere (including inside or outside the Protected Area) businesses offering similar services and products under trademarks and service marks other than the Marks.

(v) to acquire the assets or ownership interests of one or more businesses offering and selling services and products similar to those offered and sold at PetWellClinics (even if such a business operates, franchises, or licenses Competitive Businesses (defined in

Section 13.1 below)), and operate, franchise, license, or create similar arrangements for those businesses once acquired, wherever those businesses (or the franchisees or licensees of those businesses) are located or operating, including within the Protected Area.

(vi) to be acquired (whether through acquisition of assets, ownership interests, or otherwise, regardless of the transaction form) by a business offering and selling services and products similar to those offered and sold at PetWellClinics, or by another business, even if such a business operates, franchises, or licenses Competitive Businesses inside or outside the Protected Area.

(vii) to establish, operate, own or franchise any business, including competitive businesses, outside of the Protected Area.

(viii) to engage in all other activities this Agreement does not expressly prohibit.

(e) Maximum Pricing. Franchisor will be permitted, to the extent permitted by relevant law, to establish price ceilings or minimum or maximum allowable prices on the products and services Franchisee offers and sells. Except as so specified by Franchisor or as otherwise required in this Agreement and in the Operations Manual, Franchisee may determine the prices at which Franchisee sell products and services, as well as the terms and conditions of sale.

3. SITE SELECTION AND OPENING

(a) Site Selection. Franchisee agrees and acknowledges that Franchisee is responsible for locating, obtaining financing for, securing appropriate zoning and permits for and equipping the site for the Clinic, though Franchisor may assist with site selection in its sole and exclusive discretion. Franchisor shall provide minimum specifications and guidelines for the site of the Clinic. Franchisee shall provide Franchisor with all relevant information concerning the proposed site including the general location, neighborhood and zoning of the site, demographic information about the surrounding area including population density, occupancy costs, locations of any similar or complementary businesses and potential for encroachment, proximity to major retail activity, traffic volume, speed and flow, parking, rent, size, and such other information as Franchisor may require. Franchisor will approve or disapprove of the proposed site within thirty (30) days after it receives notice of the proposed site and all relevant information thereon from Franchisee. Franchisee must obtain Franchisor's consent to a site for the Clinic within one hundred twenty (120) days after execution of this Agreement. Notwithstanding anything to contrary contained herein, failure to so obtain Franchisor's consent shall constitute a non-curable event of default for which Franchisor may terminate this Agreement upon notice to Franchisee.

(b) Lease. Franchisee shall not sign a lease or contract for the Clinic without first receiving Franchisor's prior written consent to the location. Franchisee shall fully perform all obligations to be performed by Franchisee under the lease or other contract and shall immediately upon receipt of any notice of violation from the landlord or other party to the contract deliver a copy of such notice to Franchisor together with a statement of the steps proposed to be taken by Franchisee in response to the notice. The lease or contract must contain such additional terms and conditions as Franchisor may require to provide for the protection of

Franchisor's rights and interests, including but not limited to a conditional lease assignment in a form acceptable to Franchisor, and including the following:

(i) the absolute and unconditional right of Franchisee to assign its interest in the lease to Franchisor or Franchisor's nominee at any time without the consent of the landlord and without rent increase or penalty;

(ii) the landlord's acknowledgment that Franchisee shall not assign or transfer the lease or any of its rights thereunder or grant any sublease thereunder without the prior written consent of Franchisor;

(iii) the landlord's consent to Franchisee's use of such signage as Franchisor may require;

(iv) the obligation of the landlord to notify Franchisor in writing of any default by Franchisee of any of the terms and conditions of the lease;

(v) that no amendment, addition, or other modification or change be made to the lease without obtaining the prior written consent of Franchisor;

(vi) that upon expiration or termination for any reason of the Agreement, Franchisee's rights under the lease shall, at the option of Franchisor, be transferred and assigned to Franchisor or its nominee without rent increase or penalty immediately upon notice by Franchisor;

(vii) Franchisee's acknowledgment that the landlord may rely upon such notice and shall not be required to inquire into the due execution of such notice or the accuracy of the statements set forth in such notice;

(viii) that such notice shall, without further act or formality, operate as an effective assignment of Franchisee's rights under the lease to Franchisor or its nominee without rent increase or penalty, and the assumption by Franchisor or its nominee of the covenants required to be observed or performed by Franchisee under the lease; provided, however, that landlord agrees and acknowledges that Franchisor and its nominee, if any, shall not assume, and shall have no obligation to the landlord with respect to, any liabilities arising from or relating to Franchisee's actions, failure to act or defaults prior to the assignment of the lease;

(ix) Franchisee's acknowledgment that the landlord shall, upon the written request of Franchisor, disclose to Franchisor all reports, information or data in the landlord's possession respecting sales made in, upon or from the demised premises;

(x) the landlord's acknowledgment that this Agreement contains a right on the part of Franchisor, in the event of expiration or termination of the Agreement for any reason whatsoever, to enter the demised premises and to make any alterations in the exterior or interior decor and signage as Franchisor deems necessary to remove its identification with Franchisor as required by this Agreement and, in the event of the exercise by Franchisor of such right, the landlord further acknowledges that such re-entry by Franchisor shall not constitute an assignment of the lease nor a subletting of the demised premises; and

(xi) that Franchisor shall be a third party beneficiary under the lease.

(xii) Franchisee shall be responsible for all costs associated with the negotiation of the lease. All amounts spent by Franchisor to cure any breach by Franchisee of the lease for the Clinic shall be due Franchisor from Franchisee upon Franchisor's written demand.

(c) Site Development. Franchisee shall develop the site and construct or remodel and equip the Clinic, all in accordance with Franchisor's requirements. Franchisee shall obtain a layout design and finish schedule for the Clinic from Franchisor's designated architect (the "Design Package"). The Design Package is subject to Franchisor's prior written approval. All signage at the Clinic site shall conform to Franchisor's specifications. Franchisee shall also provide Franchisor with written specifications for the construction and equipping of the Clinic in the form of renderings. Franchisor may, in its sole discretion, provide advisory assistance in determining the details of appropriate construction and equipping of the site, at Franchisee's sole expense.

(d) Construction Standards. Franchisee shall be responsible for the establishment and completion of the Clinic, including construction or remodeling and equipment installation. Franchisee agrees that in constructing or remodeling the Clinic, it shall secure all necessary permits and adhere to the plan, design, color scheme and motif of the System as specified by Franchisor and in accordance with the Design Package. Any changes to the standard plans, specifications or Design Package that are necessary to meet the requirements of applicable codes and regulations will be subject to Franchisor's prior review and consent. Franchisee shall submit all plans and specifications to Franchisor for review prior to submitting them to regulatory authorities for approval, and shall not submit plans or any other materials to any regulatory authority or proceed with construction until Franchisor's written consent is obtained. Franchisor may, in its sole discretion, provide advisory assistance regarding plans and specifications, at Franchisee's sole expense.

(e) Fixture and Equipment Standards. Franchisee shall lease or purchase all fixtures and equipment designated by Franchisor, whether such fixtures are required to be leased and purchased from Franchisor or a third party supplier authorized by Franchisor, and shall install, or have installed, in the Clinic all such fixtures and equipment. All fixtures, furnishings, color schemes, machinery, equipment, and accessories shall conform to specifications of design, color, quality, performance, and utility designated and approved by Franchisor.

(f) Sign Standards. Franchisee shall prominently display and maintain in good appearance and condition on the Clinic all System signs of such nature, form, color, illumination, and size, and containing such legends and symbols as Franchisor may require from time to time.

(g) Opening. Franchisee shall not open the Clinic until Franchisor has given its approval in writing. Franchisor may require that Franchisor or its representative conduct an on-site inspection prior to giving its approval. Franchisee shall open the Clinic for business, fully equipped and staffed, within two hundred and ten (210) days of the Effective Date hereof, failure of which shall be good cause for immediate termination upon written notice to Franchisee.

(h) Relocation. Franchisee may not relocate the Clinic, or establish additional Clinics, without Franchisor's prior written consent which Franchisor may grant or deny as Franchisor deems best. Franchisor may condition relocation approval on (i) the new site and its lease being acceptable to Franchisor, (ii) Franchisee paying Franchisor a reasonable relocation fee to cover Franchisor's costs in approving the location which shall not exceed Two Thousand Five Hundred (\$2,500) Dollars; (iii) Franchisee confirming that this Agreement remains in effect and governs the Clinic's operation at the new site with no change in the Term or, at Franchisor's option, Franchisee signing Franchisor's then-current form of franchise agreement to govern the Clinic at the new site for a new franchise term, (iv) Franchisee signing a general release, in a form satisfactory to Franchisor, of any and all claims against Franchisor and its owners, affiliates, officers, directors, employees, agents and representatives, (v) Franchisee continuing to operate the Clinic at its original site until Franchisor authorizes its closure, and (vi) Franchisee taking, within the timeframe Franchisor specifies and at Franchisee's own expense, all action Franchisor requires to de-brand and de-identify the Clinic's former premises so it no longer is associated in any manner (in Franchisor's opinion) with the System and the Marks.

FRANCHISEE ACKNOWLEDGES THAT ALTHOUGH FRANCHISOR MAY HAVE BEEN INVOLVED IN THE LOCATION AND PROTECTED AREA SELECTION PROCESS AND MAY HAVE REVIEWED INFORMATION ABOUT THE CLINIC, THE PROTECTED AREA, AND OTHER ASPECTS OF THE CLINIC, AND WHERE APPLICABLE, THE PC OR MANAGEMENT AGREEMENT, FRANCHISOR MAKES NO WARRANTY, REPRESENTATION OR GUARANTY OF ANY KIND WITH RESPECT TO THE LOCATION OR THE SUCCESS OR PROFITABILITY OF THE CLINIC.

4. TERM OF AGREEMENT

Except as otherwise provided in this Section 4, this Agreement shall commence on the date it is signed by Franchisor and shall continue for ten (10) years, subject to earlier termination as provided herein ("Term"). The term of the lease or other contracts (including options) Franchisee enters into for the location of the Clinic shall be for such period of time. If Franchisee is acquiring an existing Clinic, or converting an existing Clinic to a franchise, the Term of this Agreement shall be the shorter of: (a) the remaining term of the transferor's franchise agreement, if applicable; and (b) the remaining term of the existing lease (including options) for the Clinic.

5. RENEWAL OF FRANCHISE

Subject to compliance with each and every one of the conditions set forth below, Franchisee has the option to renew the right to operate the Clinic for one (1) additional term of ten (10) years:

(a) Written Notice. Franchisee gives Franchisor written notice of its election to renew not less than six (6) months and not more than nine (9) months prior to the expiration of the term;

(b) No Default. Franchisee, when notice is given and at the time of renewal, is not in default of any material provision of either this Agreement or any other agreement between Franchisee and Franchisor or their affiliates;

(c) No Monetary Obligations Outstanding. All monetary obligations owed by Franchisee to Franchisor or its affiliate have been satisfied prior to renewal;

(d) Renewal Fee. Franchisee shall pay Franchisor an amount equal to Twenty-Five Hundred Dollars (\$2,500), which fee shall be paid to Franchisor prior to the expiration of the term;

(e) General Release. Franchisee must execute and deliver a general release of Franchisor and its affiliates, officers, directors, shareholders, employees, agents and representatives in a form acceptable to Franchisor;

(f) Lease. Franchisee furnishes Franchisor with a copy of a lease for the Clinic premises indicating that Franchisee has the right to the premises for the renewal term;

(g) Updates. The Clinic must meet Franchisor's then-current requirements or Franchisee must make all expenditures necessary to update the Clinic to meet those requirements;

(h) Re-Training. Franchisee and those of Franchisee's other personnel as Franchisor deems necessary shall have successfully completed any retraining or refresher training course Franchisor may require;

(i) Current Agreement. Franchisee shall sign Franchisor's then-current form of Franchise Agreement for a ten (10) year term. Franchisee acknowledges that the then-current form of Franchise Agreement may contain terms that are materially different from those set forth in this Agreement; and

(j) No Repeated Defaults. Franchisee shall not have, during the term of this Agreement or the preceding renewal term, received three (3) or more notices of default in any twenty-four (24) month period.

Franchisee shall have no right to enter into a new agreement with Franchisor if Franchisee fails to comply with each of the conditions set forth above in a timely manner or if Franchisee fails to return to Franchisor any documents within thirty (30) days after Franchisor has delivered them to Franchisee.

6. FEES

(a) Initial Franchise Fee. In consideration of the franchise granted herein, Franchisee shall pay to Franchisor an initial franchise fee in the amount set forth on Exhibit A attached hereto in full upon execution of this Agreement. The initial franchise fee is deemed to be fully earned immediately upon payment and is non-refundable.

(b) Royalty Fee. Franchisee shall pay to Franchisor a non-refundable continuing royalty of seven percent (7%) of Gross Sales per week during the term, payable on Monday of each week on sales for the previous week ("Royalty Fee"). For purposes of this Agreement, if Franchisee is operating under a One-Tier System, or a Two-Tier System in which Franchisee and the PC do not share common ownership, then "Gross Sales" means the entire gross receipts of

every kind and nature from all products and services sold in, from or in association with the Clinic without reserve or deduction for inability or failure to collect and excluding only the following: (i) the amount of any sales tax levied upon retail sales which is payable to the appropriate governmental authorities (and subsequently actually paid to such authorities); and (ii) refunds made in good faith in accordance with Franchisor's policies. If Franchisee is operating under a Two-Tier System in which the Franchisee and PC share common or identical ownership, then "Gross Sales" means the entire gross receipts of every kind and nature from all products and services sold in, from or in association with the Clinic which are received by the Management Company without reserve or deduction for inability or failure to collect and excluding only the following: (i) the amount of any sales tax levied upon retail sales which is payable to the appropriate governmental authorities (and subsequently actually paid to such authorities); and (ii) refunds made in good faith in accordance with Franchisor's policies.

(c) Marketing Services Fund Contribution. Franchisee shall contribute to the Marketing Services Fund (as defined in Section 8(a) below) the amount Franchisor periodically specifies, not to exceed two percent (2%) of the Clinic's weekly Gross Sales, payable on Monday of each week on sales for the previous week (the "Marketing Services Fund Contribution"). Franchisor shall give Franchisee thirty (30) days' written notice before the first Marketing Services Fund Contribution is due and before any increase to the Marketing Services Fund Contribution.

(d) Technology/Software Fee. Franchisee shall pay to Franchisor or its affiliate a technology fee equal to Two Hundred and Fifty Dollars (\$250) per month ("Technology Fee"), payable on the first Monday of each month, for use of Franchisor's designated business management and POS software. Franchisor may increase the Technology Fee, upon written notice to Franchisee, by up to twenty percent (20%) annually, provided that it shall not exceed Five Hundred Dollars (\$500) per month during the term of this Agreement.

(e) Due Date. Franchisor may require that payments be made by electronic funds transfer, cash, check, certified check, bank draft, money order, automatic pre-authorized payment plan or such other method as Franchisor may specify from time to time. Franchisee shall execute and deliver such instruments as are necessary and appropriate to affect such transfers. Franchisor shall have the right to vary the frequency of the due date and the method of payment from time to time.

(f) Non-payment. If Franchisor does not receive Franchisee's Royalty Fee or any other payment hereunder by the dates they are due, Franchisee acknowledges that, in addition to exercising all other rights and remedies that Franchisor has, Franchisor may terminate this Agreement.

(g) Charge on Late Payments. In addition to all other rights and remedies that accrue to Franchisor, late or overdue payments shall bear interest after the due date at the rate of the lesser of one and one-half percent (1-1/2%) per month or the highest applicable rate allowed by law. In addition, late payments and late reports will be subject to a late payment penalty of Two Hundred and Fifty Dollars (\$250) per occurrence. Franchisee acknowledges that this provision does not constitute agreement by Franchisor to accept such payments after they are due or a commitment to extend credit to, or otherwise finance such amounts.

(h) No Withholding of Payment. Franchisee agrees that Franchisee will not, on the grounds of the alleged non-performance by Franchisor of any of its obligations hereunder or for any other reason whatsoever, withhold payment of any amounts due, nor shall Franchisee have any right of offset.

(i) Application of Payments; Right of Offset. Notwithstanding any designation by Franchisee, Franchisor shall have discretion to apply any payments by Franchisee to any past due indebtedness of Franchisee. In addition, Franchisor shall have the right to offset any amounts due to it or its affiliates against any amounts to be paid to Franchisee.

(j) Weekly Reporting. Franchisee shall provide to Franchisor on a weekly basis, an itemized report of the Gross Sales and Franchisee's profit and loss for the prior week. This report must be certified by Franchisee to be true and correct. The report will be in the form and will include such supporting documentation as Franchisor may reasonably demand from time to time. All Royalty and Marketing Services Fund Contributions due based upon Gross Sales for the preceding week will accompany the report.

(k) Quarterly Reporting. Franchisee shall provide to Franchisor on a quarterly basis, on or before the twentieth (20th) day of each month following each calendar quarter, an income and expense statement and a balance sheet in such form and detail as shall from time to time be reasonably required by Franchisor in respect of the Clinic during the preceding calendar quarter, which shall be certified as accurate by Franchisee.

(l) Annual Reporting. Franchisee shall also provide to Franchisor on an annual basis, within ninety (90) days following the end of each fiscal year of Franchisee, a balance sheet and a profit and loss statement for the Clinic for the preceding fiscal year, prepared by a certified public accountant in accordance with generally accepted accounting principles applied on a consistent basis from year to year, which shall contain such detail as shall from time to time be reasonably required by Franchisor in respect of the Clinic during the previous fiscal year. In the event Franchisee has been in default under this Agreement during such fiscal year, then upon the reasonable written request of Franchisor, said financial statements shall be audited.

7. DUTIES OF FRANCHISOR

(a) Training and Support.

(i) Initial Training. Franchisee and Franchisee's manager shall successfully complete Franchisor's initial training to Franchisor's satisfaction before the Clinic opens for business. Franchisee shall complete the initial training within ninety (90) days of execution of this Agreement. Franchisor reserves the right to approve Franchisee's trainees.

(ii) Evaluation. Franchisor shall have the right, during the initial training program, to further evaluate Franchisee's fitness to operate under this Agreement. In the event Franchisee fails to successfully complete the initial training program, Franchisor shall have the right to terminate this Agreement.

(iii) **Training Fees.** Franchisee shall not be charged an additional training fee for training of Franchisee and one manager. Franchisor may charge additional fees to provide initial training to additional persons.

(iv) **Additional Training.** At Franchisee's option and upon not less than thirty-five (35) days' prior written notice to Franchisor, Franchisee may receive additional training at Franchisor's training center or at another location designated by Franchisor. All expenses of this training will be borne by Franchisee and Franchisor's reasonable costs and expenses including a training fee.

(v) **Refresher Training.** From time to time Franchisor may provide refresher training and may require that Franchisee or its Manager attend and complete to Franchisor's satisfaction. These programs will be held at locations designated by Franchisor and Franchisee will be solely responsible for paying all expenses associated with attending any refresher training. Franchisor may charge reasonable training fees for such training.

(vi) **Expenses.** Franchisee shall be responsible for all travel and living expenses, if any, that Franchisee and other personnel may incur in connection with initial, additional or refresher training. In addition, Franchisee will be responsible for all of Franchisor's and its personnel's travel and living expenses if Franchisee schedules any on-site training less than two (2) weeks in advance of the commencement of such training.

(b) **Operations Manual.** Franchisor will loan to Franchisee for use during the term of this Agreement a copy of Franchisor's proprietary and confidential operations manuals which Franchisor may amend from time to time, containing mandatory specifications, standards, operating procedures and rules for the System (collectively, the "Operations Manual"). All such specifications, standards, operating procedures and rules made applicable to Franchisee from time to time in the Operations Manual, or otherwise communicated to Franchisee in writing, shall constitute requirements of Franchisee and shall be kept confidential by Franchisee. None of the obligations of Franchisor set forth in the Operations Manual are intended to be and shall not be construed to be incorporated in this Agreement. Franchisee will not at any time copy any part of these materials, disclose any information contained in them to others or permit others access to them. Franchisee acknowledges and agrees that the Operations Manual may be modified from time to time to reflect changes in the System; provided, however, that no such modification shall alter Franchisee's fundamental status and rights under this Agreement. All modifications to the Operations Manual shall be binding upon Franchisee upon being delivered to Franchisee. Franchisee agrees to accept, implement and adopt any such modifications at Franchisee's own cost. The Operations Manual will contain proprietary information belonging to Franchisor and Franchisee acknowledges that the Operations Manual is, and shall remain, the property of Franchisor. Franchisee shall promptly return the Operations Manual to Franchisor upon termination or expiration of this Agreement. All references herein to the Agreement shall include the provisions of the Operations Manual and all such mandatory specifications, standards, procedures and rules, and such additions and modifications thereto. Franchisee understands and agrees that it is of substantial value to Franchisor and other franchisees of Franchisor, as well as to Franchisee, that the System maintain a common identity. Franchisee agrees and acknowledges that full compliance with each and every detail of the System and the Operations Manual is essential to preserve, maintain and enhance the reputation, trade demand

and goodwill of the System and the Marks and that failure of Franchisee to operate the Clinic in accordance with the System and the Operations Manual can cause damage to all of the other parties described above, as well as to Franchisee. Consistent with the goals of the System, Franchisee shall be responsible for the day-to-day operation of Franchisee's business.

(c) Advice and Consultation. Franchisor shall advise and consult with Franchisee periodically in connection with the development and operation of the Clinic and reasonably attempt to assist Franchisee to resolve any operating problems that may arise. Franchisor shall communicate to Franchisee its know-how, new developments, techniques, and improvements in business management and services which are pertinent to the operation of the Clinic in accordance with the System, all subject to Franchisee's obligation to maintain in confidence such information as would not ordinarily be disclosed.

(d) Maintenance of Approved Vendors. During the operation of the Clinic, Franchisor will maintain approved vendors, products and services for the Clinic.

(e) Delegation of Obligations. Franchisor shall have the right from time to time to delegate the performance of any portion or all of its obligations under this Agreement to third-party designees, whether they are Franchisor's affiliates, agents, or independent contractors with which Franchisor contracts to perform such obligations.

8. MARKETING

(a) Marketing Services Fund. Franchisor administers and controls a marketing fund for the purpose of promoting the System as a whole and increasing the goodwill of the Marks (the "Marketing Services Fund"). Franchisee agrees to contribute the Marketing Services Fund Contribution to the Marketing Services Fund. Franchisee agrees and acknowledges that required contributions to the Marketing Services Fund will be deposited in Franchisor's general operating account, may be commingled with Franchisor's general operating funds and may be deemed an asset of Franchisor. Franchisor will not be required to administratively segregate the Marketing Services Fund on its books and records. Franchisor will conduct advertising and marketing of the System and other services as Franchisor deems desirable to promote and enhance the reputation of the System, including, without limitation, producing materials for use in connection with such advertising and marketing, providing sales training or printed materials to assist with sales, or in connection with charitable or community service events. We will not use any Marketing Services Fund contributions principally to solicit new franchise sales. Franchisee understands, acknowledges and agrees that all decisions regarding advertising and marketing, including without limitation the type, quantity, timing, placement and choice of media, market areas and advertising agencies shall be made by Franchisor and shall be final and binding. Franchisee agrees and acknowledges that all costs of the formulation, development and production of any advertising and promotion (including without limitation the proportionate compensation of Franchisor's employees who devote time and render services in connection with such advertising and promotional programs or the administration, accounting and collection of the Marketing Services Fund Contributions) will be paid from the Marketing Services Fund. Franchisor does not have any obligation to make expenditures that are proportionate or equivalent to Franchisee's Marketing Services Fund Contributions in the market area of the Protected Area, nor does Franchisor represent that Franchisee will benefit directly or pro rata

from the placement of advertising. Franchisor and its affiliates are not required to contribute to the Marketing Services Fund on the same basis as required for franchisees. The Marketing Services Fund is not a trust, and Franchisor does not owe Franchisee fiduciary obligations because of Franchisor's maintaining, directing or administering the Marketing Services Fund or any other reason. The Marketing Services Fund may spend in any fiscal year more or less than the total Market Services Fund Contributions in that year, borrow from Franchisor or others (paying reasonable interest) to cover deficits, or invest any surplus for future use. Franchisor will use all interest earned on Marketing Services Fund Contributions to pay costs before using the Marketing Services Fund's other assets. Franchisor will prepare periodic unaudited financial reports of Marketing Services Fund collections and expenses and give Franchisee such reports upon written request. Franchisor may incorporate the Marketing Services Fund or operate it through a separate entity whenever Franchisor deems appropriate. The successor entity will have all of the rights and duties specified in this Section 8(a). Franchisor has the right, but no obligation, to use collection agents and institute legal proceedings at the Marketing Services Fund's expense to collect Marketing Services Fund contributions. Franchisor also may forgive, waive, settle and compromise all claims by or against the Marketing Services Fund. Except as expressly provided in this Section 8(a), Franchisor assumes no direct or indirect liability or obligation to Franchisee for maintaining, directing or administering the Marketing Services Fund. Franchisor may at any time defer or reduce a Clinic operator's contributions to the Marketing Services Fund and, upon at least thirty (30) days' written notice to Franchisee, reduce or suspend Marketing Services Fund contributions and/or operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Marketing Services Fund. If Franchisor terminates the Marketing Services Fund, Franchisor will (at its option) either spend the remaining Marketing Services Fund assets in accordance with this Section 8(a) or distribute the unspent assets to Clinic operators (including Franchisor and its affiliates, if applicable) then contributing to the Marketing Services Fund in proportion to their contributions during the preceding twelve (12)-month period.

(b) Franchisee Website. Franchisor reserves the right to require Franchisee to establish and operate a website that meets Franchisor's specifications and which may be linked to Franchisor's website; in the absence of such a written directive, Franchisee shall not operate a website relating to the Clinic or the System.

(c) Approval of Advertising. All advertising copy and other materials Franchisee proposes to use shall be in strict accordance and conformity with the standards, formats and specimens set forth in the Operations Manual. Franchisee shall purchase all advertising materials from Franchisor or its approved suppliers to ensure uniformity and quality of the advertising. Franchisee shall submit the proposed advertising material to Franchisor in advance of publication and shall use only such advertising copy and materials as have been approved in writing by Franchisor. Franchisee may not advertise in any media whose primary circulation is outside of the Protected Area except with Franchisor's prior written consent.

(d) Grand-Opening Advertising. Franchisee shall conduct a grand opening advertising program to promote opening of the Clinic in the Protected Area. The program shall begin approximately thirty (30) days before and continue for approximately ninety (90) days after the opening of the Clinic. Franchisee must spend at least Five Thousand Dollars (\$5,000) on the grand opening advertising program. Franchisee shall submit to Franchisor for

Franchisor's approval the grand opening marketing plan no later than sixty (60) days prior to the opening of the Clinic. Franchisee acknowledges and agrees that adequate pre-opening advertising is essential to the success of the Clinic and agrees to conduct such advertising in connection with the opening of the Clinic in accordance with Franchisor's directions.

(e) Local Marketing Expenditures. As of the date of this Agreement, Franchisee is required to allocate two percent (2%) of Gross Sales per week for local advertising to promote the Clinic in the local community. Proof of local marketing expenditures shall be submitted to Franchisor quarterly. Local marketing content shall be submitted to Franchisor for review and approval in accordance with Section 8(c).

(f) Advertising Cooperatives. Franchisor reserves the right to require Franchisee to participate in local and/or regional advertising cooperatives and Franchisee may be required to contribute up to one percent (1%) of Gross Sales per week to such advertising cooperative. The funds of any such advertising cooperative will be administered by Franchisor and Franchisor may form, change, dissolves or merge any advertising cooperative at any time in its sole discretion.

(g) Discounts and Coupons. Subject to applicable law, from time to time as part of the advertising and promotional activities conducted by Franchisor, Franchisor may institute discount programs and issue coupons. Franchisee agrees to accept such coupons and to redeem them in accordance with Franchisor's policies then in effect and to participate in such discount programs, as the same may be incorporated in the Operations Manual.

(h) No Fiduciary Duty. Nothing in this Section 8 or anywhere in this Agreement creates a fiduciary relationship between the parties, nor shall anything herein be deemed to create any trust or agency duties between the parties. No covenant shall be implied to vary or interpret the terms of this provision.

9. DUTIES OF FRANCHISEE

In addition to its duties as set forth elsewhere in this Agreement, Franchisee agrees to perform the following:

(a) Specifications. To promote uniformity and quality, and to protect the integrity of the Marks, Franchisee agrees to the following restrictions regarding the Clinic:

(i) Proprietary Products. Franchisor has developed the System using or incorporating trade secrets or confidential information (the "Trade Secrets") which may include future services and products developed and authorized for use in PetWell Clinic businesses. Franchisee agrees to purchase all supplies required for operation of the Clinic and other items which may be specified by Franchisor from time to time ("Proprietary Products") only from Franchisor, or a supplier designated by Franchisor. Franchisee must purchase all vaccines, parasite control products and devices, equipment and inventory and all other items used in the Clinic from suppliers approved by Franchisor.

(ii) All Other Products and Supplies. Franchisor may from time to time establish and publish reasonable specifications for the types of products and supplies authorized

for use in connection with the operation of the Clinic. Franchisee may purchase any other products and supplies so long as such products or supplies meet Franchisor's specifications or from suppliers approved by Franchisor, as specified in the Operations Manual. Franchisor may, in its sole discretion, approve suppliers selected by Franchisee provided the following conditions are first met:

(A) Franchisee shall submit a written request to Franchisor for approval of the supplier;

(B) The supplier shall demonstrate to Franchisor's satisfaction that it is able to supply an item to Franchisee meeting Franchisor's specifications for such item, including but not limited to, providing Franchisor with samples;

(C) The supplier shall demonstrate to Franchisor's satisfaction that the supplier is of good standing in the business community with respect to its financial soundness and the reliability of its product or service; and

(D) In the event the item to be supplied is required to bear one of the Marks, such supplier must execute a license agreement (which may include a royalty payment) in a form acceptable to Franchisor.

Until and unless Franchisor notifies Franchisee in writing that it has approved a supplier, Franchisee must continue to purchase from previously approved suppliers. Franchisor will notify Franchisee of its approval or disapproval of a supplier within sixty (60) days of receiving all required materials. At any time, Franchisor may revoke its approval of any product, service or supplier that does not continue to meet its standards. If Franchisor determines that a previously approved supplier no longer conforms to such standards, it shall so notify Franchisee and Franchisee shall thereupon discontinue making purchases from supplier.

(iii) Clinic Operation and Appearance. The Clinic must be open and operating for business a minimum of five (5) days per week. In addition, Franchisee agrees to maintain the appearance, maintenance and cleanliness of the Clinic in accordance with all mandatory standards, specifications and operating procedures prescribed from time to time by Franchisor. Without limiting that obligation, Franchisee must take the following actions during the Term at Franchisee's sole expense: (i) thorough cleaning, repainting, and redecorating of the Clinic's interior and exterior at intervals Franchisor periodically specifies and at Franchisor's direction; (ii) interior and exterior repair of the Clinic and the site as needed; and (iii) repair or replacement, at Franchisor's direction, of damaged, worn-out, unsafe, non-functioning, or obsolete equipment at intervals Franchisor periodically specifies.

(b) Revenue and Rebates. Franchisor and/or Franchisor's affiliates may derive revenue based on Franchisee's purchases and leases, including, without limitation, from charging Franchisee (at prices exceeding Franchisor's and their affiliates' costs) for services and products Franchisor or its affiliates sell Franchisee and from promotional allowances, volume discounts, and other amounts paid to Franchisor and its affiliates by suppliers that Franchisor designates, approves, or recommends for some or all PetWellClinic franchisees. Franchisor and its affiliates may use all amounts received from suppliers, whether or not based on Franchisee's and other

franchisees' prospective or actual dealings with them, without restriction for any purposes Franchisor and its affiliates deem appropriate.

(c) Confidential Information and Operations. Franchisee acknowledges that the information contained in the Operations Manual constitutes confidential and trade secret information. Additionally, Franchisor may provide Franchisee with other information which has been designated by Franchisor as "Confidential," "Trade Secret," or "Proprietary Information." Without the prior written consent of Franchisor, Franchisee shall neither disclose the contents of the Operations Manual to any person, except employees of Franchisee for purposes related solely to the operation of the Clinic, nor reprint or reproduce the Operations Manual, or any other confidential or proprietary information or trade secrets in whole or in part for any purpose. Upon request by Franchisor, Franchisee shall obtain agreements from its personnel prohibiting disclosure of any trade secret or proprietary information.

(d) Operation of Clinic. Franchisee shall participate in and directly operate and manage the Clinic either personally or through a manager approved by Franchisor who has completed the initial training program to Franchisor's satisfaction (the "Manager") and shall diligently devote Franchisee's best efforts to the operation and management so as to maximize sales and profits, keeping free from conflicting enterprises or any other activities which would be detrimental to or interfere with such operation or management. Franchisee shall operate and maintain the Clinic only within the Protected Area and only in accordance with the business standards, procedures, policies, and techniques comprising the System as specified in the Operations Manual. In a One-Tier System, at all times the Clinic shall employ or contract with one or more doctors of veterinarian medicine and supporting personnel to operate and be responsible for all veterinary medicine aspects of the Clinic including, without limitation, patient care and related medical decisions, all in accordance with applicable laws. In a Two-Tier System, at all times a PC shall operate and be solely and exclusively responsible for all veterinary medicine aspects of the Clinic, in accordance with applicable laws.

(e) Remodeling of Clinic. During the term of this Agreement, Franchisor may require Franchisee to remodel, redecorate, purchase new equipment and/or refurbish the Clinic to meet Franchisor's then-current System standards. Franchisee shall be required to expend up to Twenty-Five Thousand Dollars (\$25,000) every five (5) years during the Term for such remodeling, redecorating or refurbishing of the Clinic and the premises in which it is located; provided, however, that Franchisor shall not require such remodeling, redecorating or refurbishing of the Clinic during the last two (2) years of the Term unless required as a condition of offering Franchisee the right to enter into a renewal franchise agreement in accordance with Section 5(g) of this Agreement.

(f) Sales Records and Reports. Franchisee understands and agrees that both technological and operational developments may require Franchisee to upgrade, maintain, repair, and update software systems during the term of this Agreement or upon its renewal. Franchisee will upgrade, maintain, repair and update the systems in order to assume and discharge all of the System related tasks specified, and as modified from time to time, by Franchisor. Franchisee agrees to execute any and all necessary agreements and pay fees in connection with the licensing, maintenance and upgrade of systems which may be in excess of the estimated expenditures. There are no limits or restrictions regarding the cost or frequency with which Franchisee will be

required to manage the software systems. Franchisor may obtain independent access to the information in the software system, and reserves the right to request records from Franchisee at any time.

(g) Legal Compliance. At its sole expense, Franchisee shall comply with all federal, state, and local laws, ordinances and regulations applicable to the ownership and operation of the business and Clinic.

(h) Staffing. If Franchisee is required to operate under a Two-Tier System, the PC shall staff veterinarians to operate the veterinarian medicine aspects of the Clinic and Franchisee shall employ a Manager to operate the Management Company and day-to-day operations of the Clinic if Franchisee is unable to do so on-premises on a day-to-day basis. If Franchisee is operating under a One-Tier System, Franchisee shall hire a veterinarian to operate the veterinary medicine aspects of the Clinic and a Manager to manage the day-to-day operations of the Clinic if Franchisee is unable to do so on-premises on a day-to-day basis. Before the Clinic opens for business or anytime thereafter that a new veterinarian is hired, the veterinarian must complete initial training to Franchisor's satisfaction. From time to time, Franchisor may also make various mandatory and optional training programs available to Franchisee, the PC (where applicable) and its veterinarians, as applicable. Franchisee agrees to timely and successfully complete, and to require the PC (where applicable) and all veterinarians to timely and successfully complete all training that Franchisor designates as mandatory.

(i) Right of Inspection. Franchisee shall allow the agents and representatives of Franchisor to enter the Clinic at any time for the purpose of examining and inspecting fixtures, furnishings, signs, equipment, products, supplies, and staffing of the Clinic to determine whether Franchisee is in compliance with this Agreement and the standards and policies of the System. In order to monitor the System, Franchisor shall have the right to conduct quality assurance audits, employ mystery customers and conduct customer surveys. If Franchisee shall fail to operate the Clinic in accordance with the System, Franchisor may, at its option, and at Franchisee's expense, and in addition to any other remedies of Franchisor hereunder, place a representative of Franchisor in the Clinic until Franchisor shall determine in its sole discretion that there is compliance.

(j) Books and Records. Franchisee shall keep books of account in accordance with good accounting practices which fully and accurately disclose Gross Sales and which accurately reflect current results of the operation of the Clinic. Franchisee shall permit Franchisor, or its agent or representative to inspect and examine Franchisee's books and records at reasonable times. If any audit discloses that reported Gross Sales of Franchisee have been understated, Franchisee shall immediately pay to Franchisor the amounts due, together with late charges as provided herein, and shall reimburse Franchisor for any and all expenses incurred in connection with or attributable to the audit including, without limitation, accounting and legal fees, and travel expenses for Franchisor's agents and representatives. Such payments shall be without prejudice to any other rights and remedies Franchisor may have under this Agreement or otherwise. Franchisee shall maintain the books and records of the Clinic for at least three (3) years.

(k) Computer Systems. Franchisee must lease, purchase or otherwise acquire all software and hardware which meets Franchisor's specifications as prescribed in the Operations Manual. Franchisee must install and use in the operation of the Clinic the proprietary software for all client/patient transactions, invoices, medical records and Clinic operations, communications, accounting, clinic operations, client/patient transactions, invoices, medical records and recordkeeping, as prescribed by Franchisor from time to time. Franchisor shall have independent access to and use of the information and data on Franchisee's computer systems.

(l) Required Disclosure. Franchisee acknowledges that Franchisor may be required by law, regulation or other legal requirement, or may deem it advisable, to disclose information regarding Franchisee or the operation of the Clinic, including without limitation, earnings or other financial performance information. Franchisee agrees that Franchisor shall be entitled to disclose such information and that Franchisor shall have the right to determine the extent and manner in which such disclosure will be made. If Franchisor does not have the information necessary for the disclosure Franchisor determines it will make, Franchisee shall provide such information to Franchisor promptly upon Franchisor's request.

(m) Notification of Legal Proceedings. Franchisee shall notify Franchisor in writing within ten (10) days of the commencement of any action, suit or proceeding, or of the issuance of any order, writ, injunction, award, or decree of any court or government agency which may adversely affect Franchisee's financial condition or ability to perform its duties or meet its obligations hereunder.

(n) Periodic Meetings with Franchisor. Franchisee must attend periodic meetings (the "Periodic Meetings") with Franchisor to discuss the Clinic's compliance with, and implementation of, the System. Franchisor will determine the frequency of the Periodic Meetings. The Periodic Meetings may be conducted via telephone, videocall, or any other means of communication designated by Franchisor. Franchisor may change the frequency of the Periodic Meetings upon written notice to Franchisee. Franchisee, or if Franchisee is an entity, at least one owner with at least a ten percent (10%) ownership interest in Franchisee, must attend each Periodic Meeting, unless Franchisor excuses Franchisee's attendance in writing in advance of a Periodic Meeting. If Franchisee, or an owner with at least a ten percent (10%) ownership interest in Franchisee (if Franchisee is an entity), fails to attend at least seventy-five percent (75%) of the Periodic Meetings in any calendar year (not including those Periodic Meetings for which Franchisor has excused Franchisee's attendance in advance), such failure shall constitute a non-curable event of default for which Franchisor may terminate this Agreement upon notice to Franchisee.

10. INSURANCE

At all times during the term of this Agreement, Franchisee shall maintain in full force and effect at its sole cost and expense Commercial General Liability Insurance with minimum limits of liability of One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate, including products liability, completed operations, property damage, contractual liability, independent contractors liability, owned and non-owned and hired automobile coverage, and personal injury coverage, including umbrella coverage, and such other limits and coverages as Franchisor may recommend from time to time. Franchisee shall also

maintain in full force and effect at its sole cost and expense, workers compensation insurance as required by law and, in a One-Tier System, Professional Liability Insurance with minimum limits of liability of One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate. Franchisor and all other subsidiaries, affiliates and other parties designated by Franchisor from time to time shall be named as additional insureds. Franchisee shall provide Franchisor with certificates of insurance evidencing coverage, which certificates shall be renewed and provided annually and shall contain such detailed information as Franchisor may from time to time request, and Franchisee shall also provide Franchisor with full and complete copies of any and all of the above policies including copies of any renewals or modifications thereto upon request of Franchisor. All insurance policies must be issued by an insurance company licensed to do business in the state where the Clinic is located, approved by Franchisor, and rated A- or better by A.M. Best & Company, Inc. Franchisee shall cause the companies to agree by endorsement or separate written document that Franchisor shall be given at least twenty (20) days' prior written notice of termination, expiration, cancellation, modification or reduction in coverage limits of any such policy. All insurance policies must contain a blanket waiver of the insurer's rights of subrogation in respect of or against Franchisor and its officers, agents, employees and representatives; and will not contain any insured vs. insured exclusion clause, but will contain a severability clause providing that each policy will be treated as though a separate insurance policy had been issued to each named insured. Upon failure of Franchisee to maintain in effect any of the insurance required, or to furnish to Franchisor satisfactory evidence of such insurance, Franchisor may, in its discretion, obtain insurance coverage on behalf of Franchisee, and Franchisee agrees to promptly execute applications or instruments required to obtain any such insurance and to pay to Franchisor, on demand, all costs, premiums and other expenses incurred by Franchisor.

11. INDEMNITY

Franchisee shall, during the term of this Agreement and after the termination or expiration of this Agreement, protect, defend, indemnify and hold Franchisor, and its affiliates and associates, licensors, officers, directors, owners, employees, agents, representatives and assignees (the "Indemnified Parties") harmless against any and all liability for all claims of every kind or nature arising in any way out of or relating to Franchisee's actions or failure to act, whether personal or in connection with the operation of the Clinic, any other actions or failure to act by Franchisee, its agents or representatives or any breach of this Agreement. For purposes of this indemnification, "claims" means and includes all obligations, actual and consequential damages, losses, claims, judgments, demands, liens, reckonings, accounts and costs incurred in the defense of any claim (such as, by way of illustration, but not limitation, accountants', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses). Franchisor shall have the right to defend any such claim against it with counsel of its own choosing and Franchisee agrees to cooperate fully with Franchisor in connection with the defense of any claim. Franchisee shall have no right to settle or refuse to settle any claim; Franchisor shall retain all right to do so. In addition, Franchisee agrees to cooperate fully with Franchisor in any other claims brought by or against Franchisor. The defense of such claim, litigation or administrative proceeding by an Indemnified Party, or by Franchisee on an Indemnified Party's behalf, shall be at the sole cost and expense of Franchisee, who shall hold each Indemnified Party free and harmless from all such obligations and liabilities and shall reimburse an Indemnified Party for all expenses incurred therein, including attorneys'

fees. Further, an Indemnified Party shall have the right independently to take any action it may deem necessary, in its sole discretion, to protect and defend itself against any threatened action subject to indemnification hereunder, without regard to expense, forum or other parties that may be involved.

12. MARKS AND TRADE DRESS

(a) Ownership of Marks and Goodwill. Franchisee's right to use the Marks is derived solely from, and is subject to, the terms and conditions of this Agreement. Such right is limited to the operation of the Clinic in accordance with this Agreement and all mandatory standards, specifications and operating procedures prescribed from time to time by Franchisor. Franchisee acknowledges that the Marks are valid trademarks. Franchisee agrees not to contest or oppose, nor to assist anyone else to contest or oppose, directly or indirectly, the ownership or use of, application for, or registration of, or the validity or enforceability of, any of the Marks. Franchisee also agrees not to acquire or use any trademarks that are similar or identical to the Marks. Franchisee agrees that its usage of the Marks and any goodwill established thereby shall inure to the exclusive benefit of Franchisor and or its affiliates.

The Marks and other aspects of the System are subject to replacement, addition, deletion, and other modification by Franchisor in its sole discretion. If any such action is taken by Franchisor, Franchisee will promptly accept and use such replacement, addition, deletion, and other modification, and, in the case of the System, display such changed Marks as if they were part of the System as of the effective date of this Agreement (and replace, add, remove or modify the Mark(s) that have been so changed), and Franchisee will bear the cost of conforming the Clinic to any such replacement, modification, addition, deletion, or other change.

(b) Limitations on Franchisee's Use of Marks and Trade Dress. If local laws require that Franchisee file a registration stating that Franchisee is conducting business under an assumed name or trade name, Franchisee shall state in such document that it is conducting such business as a franchisee of Franchisor. Franchisee shall not use any of the Marks or similar words or colorable imitations thereof as part of any name of any corporation, partnership, limited liability company or other business entity, or with any other prefix, suffix or other modifying words, terms, designs or symbols, or in any modified form or as part of any domain name, web address or similar electronic use; nor may Franchisee use any of the Marks in connection with the sale of any unauthorized products or service or in any other manner not explicitly authorized in writing by Franchisor. Franchisee will not use or display, or permit the use or display, of the trademarks, trade names, service marks, insignias, logotypes or any other commercial symbols or trade dress of any other person or entity in connection with the Clinic without the prior written consent of Franchisor, or as expressly permitted in the Operations Manual.

(c) Defense of Trademarks.

(i) In the event that Franchisee receives notice or learns of a claim, suit, demand or proceeding against Franchisee on account of any alleged infringement, unfair competition, or similar matter relating to Franchisee's use of the Marks or of any of Franchisor's copyrights in accordance with the terms of this Agreement, Franchisee shall promptly notify Franchisor of such claim, suit, demand or proceeding. Franchisee shall have no power, right, or

authority to settle or compromise any such claim by a third party without the prior written consent of Franchisor. Provided that Franchisee is in full compliance with this Agreement, Franchisor shall defend Franchisee against any claim by a third party against Franchisee for Franchisee's use of the Marks and copyrighted material in accordance with this Agreement, using attorneys of Franchisor's choosing. Franchisor may elect to compromise or settle any such claim, at its sole discretion. Franchisee agrees to cooperate fully with Franchisor in connection with any such defense. Franchisee irrevocably grants Franchisor authority and power of attorney to defend or settle such claims, demands, suits or proceedings.

(ii) In the event that Franchisee receives notice or is informed or learns that any third party, that Franchisee believes to be unauthorized to use the Marks, is using the Marks or any variants thereof, or is using any of Franchisor's, or its affiliate's copyrights, Franchisee shall promptly notify Franchisor. Thereupon, Franchisor shall, in its sole discretion, determine whether or not it wishes to undertake any action against such third party on account of said person's alleged infringement of the Marks or copyrights. In the event Franchisor undertakes such action, it shall have the authority and power of attorney to defend or settle such action. Franchisee agrees to render such assistance as Franchisor shall reasonably demand to carry out the prosecution of any such action. Franchisee shall have no right to prosecute any claim of any kind or nature whatsoever against such alleged infringer for or on account of said alleged infringement.

(d) Copyright. Franchisee acknowledges that Franchisor has developed, and may further develop during the term of this Agreement, certain artistic designs (e.g. business cards and Clinic materials), and certain other word combinations and other materials designated for use by Franchisee. Franchisee acknowledges that Franchisor and/or its affiliate retains all right, title and interest thereto as provided by copyright law to the originator of works and, further, that Franchisee is licensed to use such copyrighted materials solely in accordance with the terms and during the term of this Agreement.

(e) Discontinuance of Use of Marks. If it becomes advisable at any time in Franchisor's sole discretion for Franchisee to modify or discontinue use of any Mark or any items of trade dress, or use one or more additional or substitute marks or items, Franchisee agrees to comply with Franchisor's directions to modify or otherwise discontinue the use of such Mark or item of trade dress and to accept, use and display such additional marks or items of trade dress within a reasonable time after notice thereof by Franchisor but in no event more than thirty (30) days after receiving notice from Franchisor. Franchisor shall not be obligated to compensate Franchisee for any costs incurred by Franchisee in connection with any such addition, substitution, modification or discontinuance.

(f) Internet Website. Franchisee will not display the Marks on or associate the System with (through a link or otherwise) any website, electronic marketing materials, domain name, address, designation, or listing on the Internet or other communication system without the express consent of Franchisor. If Franchisor permits Franchisee to display or use the Marks in any such manner, the form, content and appearance of such display or use, and any modifications thereto, must comply with the Franchisor's standards and be approved by Franchisor so that Franchisor can maintain the common identity of the System and the Marks.

(g) Domain Name. Franchisee acknowledges that Franchisor's domain name is the sole property of Franchisor and its affiliates. Franchisee will not, directly or indirectly, use, register, obtain or maintain a registration for any Internet domain name, address, or other designation that contains any Mark or any mark that is in Franchisor's sole opinion confusingly similar, including misspellings and acronyms. Upon Franchisor's request, Franchisee must promptly take all steps to cancel or transfer to Franchisor or its designee any such domain name, address, or other designation under its control.

13. NON-COMPETITION

(a) Franchisee acknowledges that Franchisor could not protect the Trade Secrets against unauthorized use or disclosure and could not achieve a free exchange of ideas and information among franchisees in the System if Franchisee held interests in any competitive business. Franchisee acknowledges that Franchisor grants the rights to Franchisee in part in consideration of, and in reliance upon, Franchisee's agreement to deal exclusively with Franchisor. Therefore, Franchisee shall not at any time during the term of this Agreement, individually or in conjunction with any person or entity, have any interest as an owner, investor, shareholder, partner, member, lender, director, officer, manager, employee, consultant, guarantor, representative, or agent or in any other manner whatsoever, directly or indirectly, carry on or be engaged in, financially or otherwise, or advise in the establishment or operation of any business involving or related to operating a Clinic, the offering of veterinary pet care, wellness, vaccination, and parasite clinic services ("Competitive Business"), or sale of assets related thereto, except as Franchisor may otherwise agree.

(b) In addition, for two (2) years after the termination or expiration of this Agreement, Franchisee shall not carry on, be engaged in or advise in the establishment or operation of any business involving or related to the operation of a Clinic or similar businesses described in section (a) above except (i) pursuant to Franchise Agreements with Franchisor, or (ii) if Franchisee is not then a party to any other Franchise Agreement with Franchisor, only in an area that is at least ten (10) miles from any location in which a PETWELLCLINIC business (including Franchisee's former Clinic) that is operating or being established. Franchisee agrees and acknowledges that this restriction represents only a limited one on Franchisee's ability to conduct a business and that the purpose of this covenant is not to deprive Franchisee of a means of livelihood, and will not do so, but is rather to protect the goodwill and interest of Franchisor and the System.

(c) Without limiting anything contained in this Agreement, Franchisee shall require veterinarians who work at the Clinic for two (2) or more days per week at any given time to enter into a non-competition agreement stating that, upon termination of such veterinarian's work with Franchisee or the PC, as applicable, such veterinarian shall not, during the term of its work with the Clinic, and for a period of two (2) years thereafter, individually or in conjunction with any person or entity, have any interest as an owner, investor, shareholder, partner, member, lender, director, officer, manager, employee, consultant, guarantor, representative, or agent or in any other manner whatsoever, directly or indirectly, carry on or be engaged in, financially or otherwise, or advise in the establishment or operation of, a Competitive Business in a location that is within ten (10) miles of any PetWellClinic® business, whether then existing or in development.

(d) Covenants contained in this Section 13 shall be construed as severable and independent and shall be interpreted and applied consistently with the requirements of reasonableness and equity. The period, the geographic area and the scope of the restrictions on Franchisee's activities are divisible so that if any provision of the restrictions is invalid, that provision shall be automatically modified to the extent necessary to make it valid.

(e) Franchisee shall require and obtain execution of agreements similar to those set forth in this Section 13 including agreements applicable upon the termination of a person's relationship with Franchisee that shall be effective for a period of two (2) years after such termination from all officers, directors, and holders of a beneficial interest of ten percent (10%) or more of the equity of any entity directly or indirectly controlling Franchisee, if Franchisee is an entity.

(f) All agreements required by this Section 13 shall be in forms satisfactory to Franchisor, including without limitation specific identification of Franchisor as a third-party beneficiary with the independent right to enforce them.

14. ASSIGNMENT; TRANSFER

(a) By Franchisor. This Agreement is fully transferable and assignable by Franchisor, in whole or in part, and shall inure to the benefit of any assignee, transferee or other legal successor to its interest herein.

(b) By Franchisee.

(i) The rights granted to Franchisee in this Agreement are personal and Franchisee acknowledges that Franchisor is entering into this Agreement in reliance upon and in consideration of the individual character, skill, attitude, business ability and financial capacity of Franchisee or, if Franchisee is a corporation, partnership, limited liability company or other entity, of its principal owners and officers or partners. Accordingly, Franchisee shall not transfer (as defined below) this Agreement or any interest herein without Franchisor's prior written consent and without offering Franchisor a right of first refusal. In addition, during the term of this Agreement, Franchisee's governing documents (if Franchisee is a corporation, partnership, limited liability company or other entity) must provide that no transfer of any ownership interest may be made except in accordance with this Agreement, and any securities that Franchisee issues must bear a conspicuous printed legend to this effect. Any attempt at a transfer that violates the provisions of this Section shall constitute a material breach of this Agreement and shall convey no right or interest in this Agreement and shall therefore be void. A transfer by an individual franchisee to an entity that is wholly owned by Franchisee and the sole business of which is the operation of the Clinic shall not be subject to Franchisor's right of first refusal nor shall Franchisee be required to pay the transfer fee set forth below; provided that Franchisee notifies Franchisor in advance of the transfer and provides Franchisor with all documents Franchisor deems necessary or advisable including without limitation, an assumption agreement and personal guaranty by Franchisee as an individual. Franchisee shall reimburse Franchisor for its expenses in documenting such a transfer.

(ii) For purposes hereof, “transfer” means any voluntary, involuntary, direct or indirect assignment, sale, division, encumbrance, hypothecation, mortgage, pledge or other transfer by Franchisee, in whole or in part, of any interest in this Agreement, any interest in the Clinic or more than twenty-five percent (25%) of the ownership of Franchisee (either by one or by a series of transfers), if Franchisee is a corporation, partnership, limited liability company or other entity. “Transfer” shall also include, in the event of Franchisee’s death, a transfer to the surviving spouse, heirs, estate or other representative of Franchisee (the “Survivor”).

(iii) Franchisor may require fulfillment of any or all of the following conditions precedent to the granting of consent to any Transfer:

(A) The transferee must meet Franchisor’s standards for quality of character, financial capacity and experience required of a new franchisee.

(B) The transferee must complete to Franchisor’s exclusive satisfaction, the training programs Franchisor then requires of new franchisees.

(C) Franchisee must pay all fees in full which are owed to Franchisor or Affiliates and third-party suppliers.

(D) If required by the lease or sublease for the Location, the lessor or sublessor must have consented to the assignment or sublease of the Clinic premises to the transferee. All veterinary clinic equipment must be inspected and certified by a qualified professional inspector to be in good working order and free of operational defects.

(E) Franchisee shall pay to Franchisor a nonrefundable transfer request fee in the amount of Two Thousand Five Hundred Dollars (\$2,500).

(F) Franchisee will enter into an agreement to subordinate, to the transferee’s obligations to Franchisor, any obligations of the transferee to make installment payments of the purchase price to Franchisee. The form of the subordination is subject to Franchisor’s approval.

(G) The transferee will refurbish the Clinic, including the veterinary clinic equipment and signage to conform to the then-current standards for new Clinics as prescribed in the Operations Manual and the Standards.

(H) Franchisee will pay Franchisor a commission in the amount of Ten percent (10%) of the gross transfer price (excluding the price of real property, if any) if Franchisor obtains the transferee for Franchisee.

(I) The transferee will execute all documents Franchisor requires of new franchisees, which will include the then-current franchise agreement used by Franchisor in the grant of franchises which may contain economic and other terms which are materially different from those contained in this Agreement. The term will be for the unexpired term of this Agreement or for a new full term, at the sole discretion of Franchisor.

(J) Franchisee and all of its owners must execute a general release on Franchisor's then-current standard form.

(c) Right of First Refusal. Franchisee shall provide Franchisor with complete information on the proposed transferee and terms of the transfer. Within sixty (60) days of receipt of the complete information and documents from Franchisee, Franchisor will inform Franchisee (i) whether it will exercise its right of first refusal, and (ii) if not, whether it will consent to the transfer. In the event that Franchisor notifies Franchisee that it will exercise its right of first refusal, except as provided below, Franchisor or its nominee will accept the transfer upon the same terms and conditions as set forth in the instruments and documents which embodied the proposed transfer. Franchisor shall not be required, by exercise of its right of first refusal, to perform obligations of the proposed transferee which are merely incidental to the transfer (e.g., employment agreements in favor of individuals, and brokers or finders fees to be paid by the proposed transferee to Franchisee or to any principal of Franchisee). Moreover, Franchisor shall have not less than sixty (60) days from the delivery of Franchisor's notice of exercise to consummate the transfer. If Franchisor elects not to exercise its right of first refusal and consents to the proposed transferee, Franchisee may consummate the proposed transfer, but only upon the terms and conditions set forth in the notice submitted to Franchisor.

15. OPERATION IN THE EVENT OF ABSENCE, DISABILITY OR DEATH

The parties hereto acknowledge that it is imperative that the Clinic be operated without any interruption and in a manner that will not cause harm to the Clinic or the System. In order to insure such continued operation, in the event that Franchisee, or any of its owners, is not able to operate the Clinic, by reason of illness, disability, death, or otherwise, and within thirty (30) days of such illness or death, Franchisee's executor or representative has not transferred the franchise in accordance with the provisions of this Agreement, Franchisee authorizes Franchisor or Franchisor's nominee to operate the Clinic for as long as Franchisor deems necessary and practicable without waiver of any other rights or remedies Franchisor may have under this Agreement. All proceeds from the operation of the Clinic during such period of operation by Franchisor shall be separately accounted for, and the expenses of the Business, including Franchisor's management fee, which shall be equal to twenty percent (20%) of monthly Gross Sales, shall be charged to said proceeds. If Franchisor, in its sole discretion, temporarily operates the Clinic as provided in this section, Franchisee agrees to hold harmless and fully indemnify Franchisor and any representative(s) of Franchisor who may act hereunder.

16. DEFAULT AND TERMINATION

The following provisions are in addition to and not in limitation of any other rights and remedies Franchisor may have at law or in equity, all of which are expressly reserved. The exercise by Franchisor of any right or remedy shall not be deemed an election of remedies.

(a) With Notice and No Opportunity to Cure. This Agreement shall immediately terminate on delivery of notice of termination to Franchisee by Franchisor upon the occurrence of any of the following events, each of which is deemed to be an incurable breach of this Agreement and each of which is deemed to be "good cause":

If Franchisee:

(i) has made any material misrepresentations or omissions in the franchise application or in any report Franchisee has submitted to Franchisor pursuant to this Agreement;

(ii) abandons the Clinic by failing to operate it for five (5) consecutive business days or for any shorter period in such circumstances that render reasonable the conclusion that Franchisee does not intend to continue operating the Clinic, unless such failure is due to disaster or similar reasons beyond Franchisee's control;

(iii) attempts to make or makes an unauthorized assignment, encumbrance or other transfer of Franchisee's rights or obligations under this Agreement;

(iv) is a party to any other agreement with Franchisor or its affiliates that is terminated for Franchisee's breach thereof;

(v) loses its lease for the Clinic;

(vi) fails to timely cure a default under its lease for the Clinic;

(vii) has its Clinic closed by any state or local authorities for health or public safety reasons;

(viii) is operating in a Two-Tier System and terminates the Management Agreement without Franchisor's prior consent;

(ix) makes any unauthorized use of the Marks or Trade Secrets or makes any duplication or disclosure of any Trade Secrets including but not limited to any portion of the Operations Manual;

(x) becomes insolvent or admits in writing to its inability to pay its debts as they mature, or makes an assignment for the benefit of creditors, files a petition under any foreign, state or United States bankruptcy act, receivership statute, or the like or if such a petition is filed by a third party, or if an application for a receiver is made by anyone and such petition or application is not resolved favorably to Franchisee within ninety (90) days; or if the same should occur to a principal owner, a control person or guarantor;

(xi) causes any default under this Agreement, or engages in any conduct, that impairs or is likely to impair the goodwill associated with the Marks or any of Franchisor's other intellectual property;

(xii) is convicted by a trial court of, or pleads no contest to, a felony, regardless of the nature of the charges, or any misdemeanor that brings or tends to bring the Marks or any of Franchisor's other intellectual property into disrepute, or impairs or tends to impair Franchisee's reputation or the goodwill of the Marks or any of Franchisor's other intellectual property; or if the same should occur to a principal, control person or guarantor;

(xiii) shall at any time have the Clinic or its assets seized, taken over or foreclosed by a government official in the exercise of such official's duties, or by a creditor, lien holder or lessor of Franchisee, or a writ or levy of execution shall issue against the franchise granted hereunder or the goods and chattels of Franchisee;

(xiv) fails, for a period of three (3) days after notification of non-compliance, to comply with any federal, state or local law or regulations applicable to the operation of the Clinic;

(xv) intentionally under-reports its Gross Sales to Franchisor;

(xvi) fails to transmit any health department or similar reports to Franchisor immediately upon Franchisee's receipt of the same;

(xvii) if a judgment against Franchisee in the amount of more than Five Thousand Dollars (\$5,000) remains unsatisfied (unless an appeal is filed or a supersedeas bond is secured) for a period of more than thirty (30) days;

(xviii) if the United States government designates Franchisee or any person affiliated with Franchisee a "specially designated national" or "blocked person;"

(xix) any default by Franchisee that is the second (2nd) same or similar default within any twelve (12) month consecutive period or the third (3rd) default of any type within any twenty-four (24) month consecutive period; or

(xx) or, if Franchisee is an entity, an owner with at least a ten percent (10%) ownership interest in Franchisee, fails to attend at least seventy-five percent (75%) of the Periodic Meetings in any calendar year, not including those Periodic Meetings for which Franchisor excused Franchisee's attendance in advance.

(b) With Notice and Opportunity to Cure. This Agreement shall terminate upon Franchisee's failure to cure any of the following, each of which is deemed to be "good cause":

(i) Failure to cure any default under this Agreement or the Operations Manual within thirty (30) days from the date of Franchisor's issuance of a written notice of default; or

(ii) Failure to pay amounts due or failure to submit required reports within ten (10) days after notice thereof is delivered to Franchisee.

(iii) Failure to cure a Health Default within twenty-four (24) hours after notice thereof is delivered to Franchisee. A "Health Default" occurs when a default under this Agreement occurs that violates any health, safety, or veterinary licensing law or regulation, violates any System standard, or when the operation of the Clinic presents a health or safety hazard to the public.

A termination under this Section 16(b) will be accomplished by mailing or delivering to Franchisee written notice of termination that will identify the grounds for termination. Unless

otherwise specified in Franchisor's written notice, the termination will be effective immediately upon Franchisor's issuance of the written notice of termination.

(c) No Waiver. The description of any default in any notice served upon Franchisee shall in no way preclude Franchisor from specifying additional or supplemental defaults in any action, arbitration, hearing or suit relating to this Agreement or the termination hereof.

(d) Enforcement. Franchisee acknowledges that the decision to enforce or not to enforce compliance with its rules and regulations by other franchisees shall not affect Franchisor's right to enforce such rules and regulations against Franchisee, even under similar circumstances.

17. RIGHTS AND OBLIGATIONS UPON TERMINATION OR EXPIRATION

(a) Payment of Amounts Owed to Franchisor. Franchisee agrees to pay Franchisor immediately after the effective date of termination or expiration of this Agreement, all amounts due to Franchisor and all other amounts owed to Franchisor or its affiliates which are then unpaid.

(b) Marks. After the termination or expiration of this Agreement, Franchisee shall:

(i) not directly or indirectly at any time or in any manner identify Franchisee or any business with which Franchisee is affiliated as a current or former franchisee or licensee of Franchisor, or as otherwise associated with Franchisor, or use any Mark, any imitation thereof or other indicia of the Clinic in any manner or for any purpose, or utilize for any purpose any trade name, trade or service mark or other commercial symbol that suggests or indicates a connection or association, or former connection or association, with Franchisor or the System;

(ii) at Franchisor's option, return or destroy (and if destroyed, Franchisee must set forth with particularity in a writing signed by Franchisee or a principal thereof the items destroyed) all supplies bearing any Marks;

(iii) refrain from engaging in a competing business as provided in Section 13 above;

(iv) stop using the Marks and the System and return to Franchisor all copies of the Operations Manual and all other proprietary information, including, without limitation, customer lists;

(v) stop all use of all telephone numbers, facsimile numbers, e-mail addresses, home pages, websites and the like that are associated with the Clinic and the System and cooperate with Franchisor in causing all applicable telephone companies and other service providers to reassign such numbers and addresses to Franchisor or its nominee including, without limitation, signing telephone transfer forms upon the execution of this Agreement or upon demand by Franchisor for use by Franchisor upon expiration or termination of this Agreement;

(vi) refrain from soliciting clients of the Clinic, and turn over all client information and data to Franchisor;

- (vii) take such action as may be required to cancel all fictitious or assumed name or equivalent registrations relating to Franchisee's use of any Marks;
- (viii) assist in the smooth transition of the Clinic to any successor franchisee;
- (ix) refrain from making any disparaging comments regarding Franchisor or the System; and
- (x) comply with all further requirements set forth in the Operations Manual.

(c) Option to Purchase the Assets of the Clinic. After the termination or expiration of this Agreement, Franchisor shall have the option, exercisable by giving Franchisee written notice before or within thirty (30) days after the effective date of termination or expiration of this Agreement, to purchase the assets associated with the Clinic that Franchisor designates. Franchisor has the unrestricted right to assign this purchase option to a third party (including an affiliate or another franchisee) which will then have the rights and obligations described in this Section 17(c). Franchisor is entitled to all customary representations, warranties, and indemnities, including representations and warranties regarding ownership and condition of, and title to, the assets being acquired; liens and encumbrances on assets; validity of contracts and liabilities affecting the assets, contingent or otherwise; and indemnities for all actions, events, and conditions that existed or occurred in connection with the Clinic before the closing of the purchase. Franchisee agrees (at Franchisor's option) to assign the lease for the Clinic's premises to Franchisor for the remainder of its term (including renewal options).

(d) Determination of Purchase Price. If Franchisor elects to purchase all or substantially all of the operating assets associated with the Clinic, the purchase price for those assets will be their fair market value, although fair market value will not include any value for (a) the franchise or any rights granted by this Agreement, (b) goodwill attributable to the Marks, brand image, and other intellectual property, or (c) participation in the System or network of PetWell Clinics. In all cases, Franchisor may exclude from the assets purchased any operating assets or other items not reasonably necessary (in function or quality) to the Clinic's operation or that Franchisor has not approved as meeting System standards. Franchisor and Franchisee must work together in good faith to agree upon the assets' fair market value within fifteen (15) days after Franchisor delivers notice exercising Franchisor's rights under Section 17(c) hereof. If Franchisor and Franchisee cannot agree on fair market value within this fifteen (15) day period, fair market value will be determined by the appraisal process set forth in Section 17(e) below.

(e) Appraisal Process. Fair market value will be determined by one (1) independent accredited appraiser upon whom Franchisor and Franchisee agree who, in conducting the appraisal, will be bound by the criteria specified in Section 17(d) above. Franchisor and Franchisee agree to select the appraiser within fifteen (15) days after Franchisor delivers its purchase notice (if Franchisor and Franchisee do not agree on fair market value before then). If Franchisor and Franchisee cannot agree on a mutually-acceptable appraiser within the fifteen (15) day period, Franchisor will send Franchisee a list of three (3) independent appraisers, and Franchisee must within seven (7) days select one (1) of them to be the designated appraiser to determine the purchase price. If Franchisee fails to select one (1) of the appraisers proposed by Franchisor within such seven (7) day period, then Franchisor has the right to select the appraiser

in its sole discretion, and such selection shall be binding upon Franchisee. Franchisor and Franchisee will share equally the appraiser's fees and expenses. Within thirty (30) days after delivery of notice commencing the appraisal process outline in this Section 17(e), Franchisor and Franchisee each must send the appraiser their respective calculations of the purchase price, with such detail and supporting documents as the appraiser reasonably requests and according to the criteria specified above. Within fifteen (15) days after receiving both calculations, the appraiser must decide whether Franchisor's proposed purchase price or Franchisee's proposed purchase price most accurately reflects the assets' fair market value. The appraiser has no authority to compromise between the two (2) proposed purchase prices; it is authorized only to choose one or the other. The appraiser's choice will be the purchase price and shall be deemed to be final and binding upon the parties.

(f) Closing. Franchisor will pay the purchase price at the closing, which will take place not later than thirty (30) days after the purchase price is determined. However, Franchisor may decide after the purchase price is determined not to complete the purchase and will have no liability to Franchisee for choosing not to do so. Franchisor may set off against the purchase price, and reduce the purchase price by, any and all amounts Franchisee owes to Franchisor (or its affiliates). At the closing, Franchisor agrees to deliver instruments transferring to Franchisor: (a) good and merchantable title to the assets purchased, free and clear of all liens and encumbrances, with all sales and transfer taxes paid by Franchisee; (b) all of the Clinic's licenses and permits that may be assigned; and (c) possessory rights to the Clinic's premises.

(g) Continuing Obligations. All obligations of the parties that expressly or by nature survive the expiration or termination of this Agreement, including without limitation, Sections 11, 12 and 13, shall continue in full force and effect subsequent to and notwithstanding its expiration or termination until they are satisfied in full or by nature expire.

18. CONDEMNATION AND CASUALTY

(a) Franchisee shall give Franchisor notice of any proposed taking through the exercise of the power of eminent domain, at the earliest possible time. If Franchisee relocates the Clinic in accordance with the terms of Section 3(h) above, and Franchisee opens a new Clinic at a new location in accordance with Franchisor's specifications within one (1) year of the closing of its original Clinic, the new Clinic will thereafter be deemed to be the Clinic franchised under this Agreement. If such a condemnation takes place and Franchisee either does not intend to open or does not open, for whatever reason, a new Clinic at a new location approved by Franchisor within one (1) year of the date Franchisee has ceased operations at its original Clinic, then this Agreement shall terminate immediately upon notice by Franchisor to Franchisee.

(b) If the Clinic is damaged by fire or other casualty, Franchisee will expeditiously repair the damage. If the damage or repair requires closing the Clinic, Franchisee will immediately notify Franchisor, will repair or rebuild the Clinic in accordance with Franchisor's specifications, and will reopen the Clinic for continuous business operations as soon as reasonably practicable (but in any event within one (1) year after closing of the Clinic), giving Franchisor advance notice of the date of reopening. If the Clinic is not reopened in accordance with this paragraph, this Agreement shall terminate immediately upon notice by Franchisor to Franchisee.

19. UNAVOIDABLE DELAYS

In the event of failure to perform or delays in the performance of any duties hereunder caused by forces not within the reasonable preventive control of the party due to perform, for example (without limitation), government regulations, fire, flood, labor disputes, natural disasters, acts of God, civil disorders, riots, insurrections, work stoppages, slowdowns or disputes, or other similar events, such failures or delays shall not cause a default in said performance, but, in the event of delay, the parties shall extend the time of performance for a period of time equivalent to the length of delay, or for such other reasonable period of time as agreed to between the parties, provided that such extension shall not enlarge or extend the term of Agreement.

20. INVALID OR UNENFORCEABLE PROVISIONS

If any provision of this Agreement, or its application to any person or circumstances, is invalid or unenforceable, then the remainder of this Agreement or the application of such provision to other persons or circumstances shall not be affected thereby.

21. RELATIONSHIP BETWEEN PARTIES

(a) Nothing herein contained shall be deemed or construed to create the relationship of principal and agent, partnership, joint venture or employment, or a fiduciary relationship, and neither party shall hold itself out as an agent, legal representative, partner, subsidiary, joint venturer, servant or employee of the other party or its affiliate. With respect to all matters pertaining to the operation of the Clinic, Franchisee is, and shall be, an independent contractor. Neither Franchisor nor Franchisee has the right to bind or obligate the other to any obligations or debts.

(b) It is acknowledged that Franchisee is the independent owner of its business, shall be in full control thereof, and shall conduct such business in accordance with its own judgment and discretion, subject only to the provisions of this Agreement. Franchisee shall conspicuously identify itself as the independent owner of its business and as a franchisee of Franchisor. No party hereto shall be obligated by, or have any liability for, any agreements, representations or warranties made by the other nor shall Franchisor be liable for any damages to any person or property, directly or indirectly, arising out of the operation of Franchisee's business, whether caused by Franchisee's negligent or willful action or failure to act. Neither party shall have liability for any sale, use, excise, income, property or other tax levied upon the business conducted by the other party or in connection with the Franchise.

22. WAIVER

No failure of Franchisor or Franchisee to exercise any power hereunder granted, or to insist on strict compliance by the other with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms hereof shall constitute a waiver of either party's right to demand exact compliance with the terms hereof. Waiver by either party of any particular default by the other shall not affect or impair any rights with respect to any subsequent default of the same or of a different nature; nor shall any delay or omission of either party to exercise any rights arising from a default affect or impair any rights as to said default or any subsequent default.

23. NOTICES

All notices hereunder shall be hand delivered or sent by express mail, federal express or air courier or by registered or certified mail to Franchisor and Franchisee at the respective addresses set forth on the first page of this Agreement, unless Franchisor and/or Franchisee shall from time to time change said addresses by written notice to the other as provided herein. Any notice given by registered or certified mail shall be deemed received by the party to whom it is addressed on the third day after such notice is deposited in the United States mail with postage thereon fully prepaid, return receipt requested. Any notice given by express mail, federal express or air courier shall be deemed given the next business day.

24. APPLICABLE LAW

This Agreement shall be governed in all respects and aspects by the laws of the State of Tennessee, subject to the Lanham Act (15 U.S.C. 1051 et seq.).

25. RESOLUTION OF DISPUTES

(a) Upon the occurrence of any dispute or disagreement between the parties hereto arising out of or in connection with any term or provision of this Agreement, the subject matter hereof, or the interpretation or enforcement hereof (in each case, a "Dispute"), the Dispute shall first be submitted to arbitration in Knoxville, Tennessee or in the future the county in which Franchisor's headquarters is the located, administered by the American Arbitration Association ("AAA"), or its successor, in accordance with the AAA rules and procedures then in effect. The parties agree that any and all Disputes that are submitted to arbitration in accordance with this Agreement shall be decided by one (1) neutral arbitrator who is a retired judge or attorney licensed to practice law in Tennessee (or such other location where Franchisor's headquarters is then located) who is experienced in complex commercial transactions (franchise experience is preferred but not required). If the parties are unable to agree on an arbitrator, AAA shall designate the arbitrator. The parties will cooperate with AAA and with one another in selecting the arbitrator and in scheduling the arbitration proceedings in accordance with applicable AAA procedures. The arbitration shall be conducted in accordance with the AAA rules. Any party may commence the arbitration process called for in this Agreement by filing a written demand for arbitration with AAA, with a copy to the other party. The party seeking arbitration must submit the following in addition to any demand or filing required by AAA: a full and specific description of the claim(s) under this Agreement including without limitation an identification of the specific provisions that the other party has breached, documentary evidence of the facts alleged by the complaining party and a declaration under penalty of perjury that all facts stated in the claim and documentation are true and correct and do not fail to state facts known to the complaining party that are material to the determination of the Dispute. Any award issued as a result of such arbitration shall be final and binding between the parties thereto and shall be enforceable by any court having jurisdiction over the party against whom enforcement is sought. The parties expressly acknowledge and understand that by entering into this Agreement, they each are waiving their respective rights to have any Dispute between the parties hereto adjudicated by a court or by a jury.

(b) The parties recognize that their relationship is unique and that each franchisee is situated differently from all other franchisees, and that no one franchisee can adequately represent the interest of others. Therefore, the parties agree that any arbitration, suit, action or other legal proceeding shall be conducted and resolved on an individual basis only and not on a class-wide, multiple plaintiff, consolidated or similar basis.

(c) The prevailing party in any legal proceeding will be entitled to recover as an element of such party's cost of arbitration, suit or proceeding, and not as damages, reasonable attorneys' fees to be fixed by the arbitrator or by the court. Nothing in this Agreement shall be construed as limiting or precluding either party from bringing any action in any court of competent jurisdiction for injunctive or other extraordinary relief, without the necessity of posting a bond (and if bond shall nevertheless be required, the parties agree that the sum of \$100.00 shall be sufficient), in connection with the Marks, Trade Secrets, Confidential Information, Proprietary Information. The parties shall have the immediate right to seek such injunctive or other extraordinary relief at any time, including without limitation, during the pendency of an arbitration or other proceeding. This covenant shall be independent, severable and enforceable notwithstanding any other rights or remedies which such party may have.

EXHIBIT B
STATE ADDENDA

**ADDENDUM TO
PETWELL FRANCHISOR LLC
FRANCHISE DISCLOSURE DOCUMENT**

The following are additional disclosures for the PetWell Franchisor LLC Franchise Disclosure Document required by various state franchise laws. Each provision of these additional disclosures will not apply unless, with respect to that provision, the jurisdictional requirements of the applicable state franchise registration and disclosure law are met independently without reference to these additional disclosures.

CALIFORNIA

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

2. Neither the franchisor nor any person in Item 2 of the Disclosure Document is subject to any currently-effective order of any national securities association or exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such person from membership in such association or exchange.

3. OUR WEBSITE, www.petwellclinic.com, HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THE WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT www.dfpi.ca.gov.

4. The following paragraphs are added at the end of Item 17 of the Disclosure Document:

California Law Regarding Termination and Nonrenewal. California Business and Professions Code Sections 20000 through 20043 provide rights to franchisees concerning transfer, termination, or nonrenewal of a franchise. If the Franchise Agreement contains any provision that is inconsistent with the law, the law will control.

Post-Termination Noncompetition Covenants. The Franchise Agreement contains a covenant not to compete that extends beyond the termination of the franchise. This provision might not be enforceable under California law.

Applicable Law. The Franchise Agreement requires application of the laws of the State of Tennessee. This provision might not be enforceable under California law.

The Franchise Agreement provides for termination upon insolvency, bankruptcy, or re-organization. This provision might not be enforceable under federal bankruptcy law (11 U.S.C.A. Sections 101 et seq.).

Material Modification. Section 31125 of the Franchise Investment Law requires us to give you a disclosure document approved by the Commissioner of Financial Protection and Innovation before we ask you to consider a material modification of your franchise agreement.

Release. You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

Arbitration. The Franchise Agreement requires binding arbitration. Arbitration will occur where we have our principal business address when the arbitration demand is filed (it currently is in Knoxville, Tennessee), with each party bearing its own costs. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

ILLINOIS

The following statements are added to the end of Item 17:

Except for the Federal Arbitration Act that applies to arbitration, Illinois law governs the Franchise Agreement.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Franchisees' rights upon termination and non-renewal are set forth in Sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

MARYLAND

1. The "Summary" sections of Items 17(c) and (m) in the Franchise Agreement chart in the Franchise Disclosure Document, captioned "Requirements for you to renew or extend" and "Conditions for our approval of transfer," are amended by adding the following:

The general release required as a condition of renewal, sale, and/or assignment/transfer will not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

2. The "Summary" section of Item 17(h) in the Franchise Agreement chart in the Franchise Disclosure Document, captioned "'Cause' defined – non-curable defaults," is amended by adding the following:

The Agreement provides for termination upon your insolvency. This provision might not be enforceable under federal bankruptcy law (11 U.S.C. Sections 101 *et seq.*), but we will enforce it to the extent enforceable.

3. The “Summary” section of Item 17(v) in the Franchise Agreement chart in the Franchise Disclosure Document, captioned “Choice of forum,” is amended to read as follows:

Subject to arbitration requirements, litigation generally must be in courts located closest to where we have our principal business address when the action is commenced (it currently is in Knoxville, Tennessee), although you may, subject to your arbitration obligations, commence a lawsuit against us in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

4. The following is added at the end of the charts in Item 17 of the Franchise Disclosure Document:

Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

MINNESOTA

The following statements are added to the end of Item 17:

1. With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subds. 3, 4, and 5, which require (except in certain specified cases) that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non-renewal of the franchise agreement; and that consent to the transfer of the franchise will not be unreasonably withheld.

2. Minnesota Statutes, Section 80C.21 and Minnesota Rule 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce any of franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C, or franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

3. The franchisor will protect the franchisee's right to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).

4. Minnesota Rule 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

5. The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rule 2860.4400J. A court will determine if a bond is required.

6. The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5.

NEW YORK

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT F OR YOUR PUBLIC LIBRARY FOR SOURCES OF INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN THAT ANYTHING IN THE FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND NEW YORK STATE DEPARTMENT OF LAW, BUREAU OF INVESTOR PROTECTION AND SECURITIES, 28 LIBERTY STREET, 21ST FLOOR, NEW YORK, NEW YORK 10005. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added to the end of Item 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

- A. No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.
- B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.
- C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.
- D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law,

resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of Item 4:

Neither the franchisor, its affiliate, its predecessor, officers, or general partner during the 10-year period immediately before the date of the offering circular: (a) filed as debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code; (b) obtained a discharge of its debts under the bankruptcy code; or (c) was a principal officer of a company or a general partner in a partnership that either filed as a debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code or that obtained a discharge of its debts under the U.S. Bankruptcy Code during or within 1 year after that officer or general partner of the franchisor held this position in the company or partnership.

4. The following is added to the end of Item 5:

The initial franchise fee constitutes part of our general operating funds and will be used as such in our discretion.

5. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for franchisee to renew or extend,” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

6. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”:

You may terminate the agreement on any grounds available by law.

7. The following is added to the end of the “Summary” section of Item 17(j), titled “Assignment of contract by franchisor”:

However, no assignment will be made except to an assignee who in good faith and judgment of the franchisor, is willing and financially able to assume the franchisor's obligations under the Franchise Agreement.

8. The following is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum”, and Item 17(w), titled “Choice of law”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

VIRGINIA

1. The “Summary” section of Item 17(h) in the Franchise Agreement chart in the Franchise Disclosure Document is amended by adding the following:

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to use undue influence to induce a franchisee to surrender any rights given to him under the franchise. If any provision of the franchise agreement involves the use of undue influence by the franchisor to induce a franchisee to surrender any rights given to him under the franchise, that provision may not be enforceable. Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the Franchise Agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

**RIDER TO THE PETWELL FRANCHISOR LLC
FRANCHISE AGREEMENT FOR USE IN MARYLAND**

THIS RIDER (the "Rider") is entered into by and between PetWell Franchisor LLC, a Delaware limited liability company, with its principal business address located at 555 West Jackson Avenue, Unit 304, Knoxville, Tennessee 37902 ("Franchisor"), and _____ with its principal business address located at: _____ ("Franchisee").

1. **BACKGROUND.** Franchisor and Franchisee are parties to that certain Franchise Agreement dated _____, 20__ that has been signed at the same time as this Rider (the "Franchise Agreement"). This Rider is annexed to and forms part of the Franchise Agreement. This Rider is being signed because (a) Franchisee is a resident of the State of Maryland, and/or (b) Franchisee's franchised business will be located or operated in Maryland.

2. **RELEASES.** Sections 3(h), 5(e), and 14(b)(iii)(J) of the Franchise Agreement are amended by adding the following:

The general release required as a condition of renewal, sale, and/or assignment/transfer will not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

3. **TERMINATION.** Section 16(a)(x) of the Franchise Agreement is amended by adding the following:

Termination upon bankruptcy might not be enforceable under federal bankruptcy law (11 U.S.C. Sections 101 et seq.), but Franchisor intends to enforce this provision to the extent enforceable.

4. **NON-WAIVER.** The following language is added to the end of Sections 22, 27 and 31 of the Franchise Agreement:

All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

5. **GOVERNING LAW/CONSENT TO JURISDICTION.** Section 24 of the Franchise Agreement is amended by adding the following language:

Despite anything to the contrary stated above, Maryland law will apply to claims arising under the Maryland Franchise Registration and Disclosure Law.

6. **RESOLUTION OF DISPUTES.** The following language is added to the end of Section 25 of the Franchise Agreement:

This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is unfair or a deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act,

there is some dispute as to whether this forum selection requirement is legally enforceable.

Subject to Franchisee's arbitration obligations, nothing in this Section affects Franchisee's right under the Maryland Franchise Registration and Disclosure Law to bring a lawsuit in Maryland for claims arising under that law.

7. LIMITATION OF CLAIMS. The following language is added as Section 25(f)(iii) of the Franchise Agreement:

Any limitation of claims will not act to reduce the three (3) year statute of limitations afforded Franchisee for bringing a claim under the Maryland Franchise Registration and Disclosure Law.

ILLINOIS LAW MODIFICATIONS

1. The Illinois Attorney General’s Office requires that certain provisions contained in franchise documents be amended to be consistent with Illinois law, including the Franchise Disclosure Act of 1987, 815 ILCS 705/1-44 (West 2016) (the “Act”). To the extent that this Agreement contains provisions that are inconsistent with the following, those provisions are amended as follows:

**AMENDMENT TO PETWELL FRANCHISOR LLC
DEVELOPMENT RIGHTS AGREEMENT
FOR THE STATE OF MARYLAND**

The PETWELL FRANCHISOR LLC Development Rights Agreement between _____ (“Franchisee” or “You”) and PETWELL FRANCHISOR LLC (“Franchisor”) dated _____ (the “Agreement”) shall be amended by the addition of the following language, which shall be considered an Integral part of the Agreement (the “Amendment”).

MARYLAND LAW MODIFICATIONS

1. The Maryland Securities Division requires that certain provisions contained in franchise documents be amended to be consistent with the Maryland Franchise Registration and Disclosure Law. To the extent that this Agreement contains provisions that are inconsistent with the following, those provisions are amended as follows:

A general release required as a condition of renewal, sale and/or assignment/transfer will not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

A franchisee may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

This Agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection is legally enforceable.

2. All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

IN WITNESS WHEREOF, the parties have executed and delivered this Agreement effective on the date stated on the first page above.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

PETWELL FRANCHISOR LLC
(A Limited Liability Company)
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021

NOTE 1. ORGANIZATION

PetWell Franchisor LLC (the "Company"), a wholly-owned subsidiary of PetWellClinic Franchise Holdings, LLC (the "Parent"), was formed on July 2, 2020, as a Delaware limited liability company to sell franchises pursuant to a non-exclusive license agreement dated August 17, 2020, between the Company and PetWell IP, LLC (the "Licensor"), an entity related to the Company by common ownership and control. Pursuant to the Company's standard franchise agreement, franchisees will operate a business under the "PetWell" name and system that will manage walk-in veterinary wellness clinics dedicated to helping dog and cat owners protect their pets from diseases and parasites through wellness care and prevention products, as well as treating minor ailments and managing chronic conditions in North America.

The Company is a limited liability company and, therefore, the member is not liable for the debts, obligations or other liabilities of the Company, whether arising in contract, tort or otherwise, unless the member has signed a specific guarantee.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Revenue recognition

The Company has early adopted Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") No. 2021-02, *Franchisors - Revenue from Contracts with Customers* (Subtopic 952-606) ("ASU 2021-02") (see Note 3). The Company derives its revenues from franchise fees, royalties, transfer fees and marketing fund fees.

Franchise fees, royalties, transfer fees and marketing fund fees

Contract consideration from franchisees primarily consists of initial or renewal franchise fees, development fees, sales-based royalties, sales-based marketing fund fees and transfer fees. Development agreements ("DAs") grant a franchisee the right to develop two or more franchise territories. The Company collects an up-front fee for the grant of such rights. The initial franchise fees and up-front development fees are nonrefundable and collected when the underlying franchise agreement is signed by the franchisee. Sales-based royalties and marketing fund fees are payable monthly. Transfer fees are payable by a franchisee for the transfer of its franchise unit to another franchisee and are due when a transfer to a third party occurs.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue recognition (continued)

Franchise fees, royalties, transfer fees and marketing fund fees (continued)

The Company's primary performance obligations under the franchise agreement include the granting of certain rights to access the Company's intellectual property in addition to a variety of activities relating to the opening of a franchise unit. Those costs would include site selection, training and other such activities commonly referred to collectively as "pre-opening activities." Pre-opening activities consistent with those under ASU 2021-02 are recognized as a single performance obligation. For all other pre-opening activities, if any, the Company will determine if a certain portion of those pre-opening activities provided is not brand specific and provides the franchisee with relevant general business information that is separate from the operation of a Company-branded franchise unit. The portion of pre-opening activities, if any, that is not brand specific will be deemed to be distinct as it provides a benefit to the franchisee and is not highly interrelated to the use of the Company's intellectual property and therefore accounted for as a separate performance obligation. All other pre-opening activities will be determined to be highly interrelated to the use of the Company's intellectual property and therefore accounted for as a component of a single performance obligation which is satisfied along with granting of certain rights to use the Company's intellectual property over the term of each franchise agreement.

The Company estimates the stand-alone selling price of pre-opening activities using an adjusted market assessment approach. The Company first allocates the initial franchise fees and the fixed consideration under the franchise agreement to the stand-alone selling price of the pre-opening activities and the residual, if any, to the right to access the Company's intellectual property. Consideration allocated to pre-opening activities, other than those included under ASU 2021-02, which are not brand specific is recognized when those performance obligations are satisfied. Consideration allocated to pre-opening activities included under ASU 2021-02 is recognized when those performance obligations are satisfied.

Initial and renewal franchise fees allocated to the right to access the Company's intellectual property are recognized as revenue on a straight-line basis over the term of the respective franchise agreement. DAs generally consist of an obligation to grant the right to open two or more territories. These development rights are not distinct from franchise agreements; therefore, up-front fees paid by franchisees for development rights are deferred and apportioned to each franchise agreement signed by the franchisee. The pro-rata amount apportioned to each franchise agreement is recognized as revenue in the same manner as initial and renewal franchise fees.

Royalties are earned based on a percentage of a franchisee's gross revenues over the term of the franchise agreement, as defined in each respective franchise agreement. Franchise royalties represent sales-based royalties that are related entirely to the use of the Company's intellectual property and are recognized as franchisee sales occur and the royalty is deemed collectible.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue recognition (continued)

Marketing fund

The Company reserves the right to establish a marketing fund to collect and administer funds contributed for use in advertising and promotional programs for franchise units. Marketing fund fees are collected from franchisees based on a percentage of franchisee gross revenues. The Company has determined that it acts as a principal in the collection and administration of the brand development fund and therefore recognizes the revenues and expenses related to the marketing fund on a gross basis. The Company has determined that the right to access its intellectual property and administration of the marketing fund are highly interrelated and, therefore, are accounted for as a single performance obligation. As a result, revenues from the marketing fund represent sales-based royalties related to the right to access the Company's licensed intellectual property, which are recognized as franchisee sales occur. When marketing fund fees exceed the related marketing fund expenses in a reporting period, advertising costs are accrued up to the amount of marketing fund revenues recognized.

Other revenues

The Company will recognize revenue from other fees and other services provided to the franchisees as a single performance obligation when the services are rendered.

Incremental costs of obtaining a contract

The Company capitalizes direct and incremental costs, principally consisting of commissions, associated with the sale of franchises which are amortized over the term of the franchise agreements and DAs. In the case of costs paid related to DAs, for which no signed franchise agreement has been signed, these costs are deferred until the signed franchise agreement is received.

Accounts receivable

Accounts receivable are stated at the amount the Company expects to collect. The Company maintains allowances for doubtful accounts for estimated losses resulting from the inability of some of its franchisees to make required payments. Management considers the following factors when determining the collectibility of specific franchisee accounts: franchisee creditworthiness, past transaction history with the franchisee, and current economic industry trends. If the financial conditions of the Company's franchisees were to deteriorate, adversely affecting their ability to make payments, additional allowances would be required. Based on management's assessment, the Company provides for estimated uncollectible amounts through a charge to earnings and a credit to a valuation allowance. Balances that remain outstanding after the Company has made reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. The Company had no allowances for doubtful accounts at June 30, 2021.

Property and equipment

Property and equipment are carried at cost, less accumulated depreciation and amortization. Expenditures for maintenance and repairs are expensed as incurred, while renewals and betterments that materially extend the life of an asset are capitalized. The costs of assets sold, retired, or otherwise disposed of, and the related accumulated depreciation and amortization are eliminated from the accounts, and any resulting gain

or loss is recognized. The Company capitalizes qualified costs related to software obtained for internal use. Software obtained for internal use has generally been enterprise-level business and finance software that is customized to meet the Company's specific operational requirements.

Depreciation and amortization are provided for using the straight-line and various accelerated methods over the estimated useful lives of the assets, which are as follows:

Computer and equipment	3 - 5 years
Leasehold improvements	Shorter of useful life or lease term

Income taxes

The Company is treated as a partnership for tax purposes and, as such, is not liable for federal or state income taxes. As a single-member limited liability company and, therefore, a disregarded entity for income tax purposes, the Company's assets and liabilities are combined with and included in the income tax return of the Parent. Accordingly, the accompanying financial statements do not include a provision or liability for federal or state income taxes.

Uncertain tax positions

The Company recognizes and measures its unrecognized tax benefits in accordance with FASB Accounting Standards Codification ("ASC") 740, *Income Taxes*. Under that guidance, management assesses the likelihood that tax positions will be sustained upon examination based on the facts, circumstances and information, including the technical merits of those positions, available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available or when an event occurs that requires a change. There were no uncertain tax positions at June 30, 2021.

The Parent files income tax returns in the U.S. federal jurisdiction and in various state jurisdictions.

Advertising

Advertising costs are expensed as incurred and amounted to \$73,040 for the period from July 2, 2020 (inception) through June 30, 2021.

Franchised outlets

The following data reflects the status of the Company's franchises as of June 30, 2021:

Franchises sold	13
Franchises purchased	-
Franchised outlets in operation	6
Franchisor-owned outlets in operation	-

Subsequent events

In accordance with FASB ASC 855, *Subsequent Events*, the Company has evaluated subsequent events through October 28, 2021, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or disclosure in the financial statements.

PETWELL FRANCHISOR LLC
(A Limited Liability Company)
NOTES TO FINANCIAL STATEMENTS

NOTE 3. RECENTLY ADOPTED ACCOUNTING STANDARDS

In January 2021, FASB issued ASU 2021-02, which permits franchisors that are not public business entities, to elect a practical expedient to account for pre-opening services provided to their franchisees as distinct from the franchise license if the pre-opening services are consistent with those included in ASU 2021-02. This accounting policy election would recognize, when satisfied, all those pre-opening services as a single performance obligation. This standard is effective in interim and annual periods beginning after December 15, 2020, with early adoption permitted. The standard requires a full retrospective transition to the date ASC 606 was adopted.

The Company elected to early adopt ASU 2021-02 as of July 2, 2020, the date of the Company's inception.

NOTE 4. REVENUES AND RELATED CONTRACT BALANCES

In May 2014, FASB issued Topic 606, with several clarifying updates issued subsequently. In conjunction with Topic 606, a new subtopic, ASC 340-40, *Other Assets and Deferred Costs – Contracts with Customers*, was also issued. The updated standard replaces most existing revenue recognition and certain cost standards under U.S. GAAP, including industry-specific standards. Collectively, Topic 606 and Subtopic 340-40 are referred to as "ASC 606." ASC 606 requires an entity to recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

Disaggregated revenues

The Company derives its revenues from franchisees located throughout the United States. The economic risks of the Company's revenues are dependent on the strength of the economy in the United States, and its ability to collect on its contracts. The Company disaggregates revenue from contracts with customers by timing of revenue recognition by type of revenues, as it believes this best depicts how the nature, amount, timing and uncertainty of revenue and cash flows are affected by economic factors.

Revenues by timing of recognition for the period from July 2, 2020 (inception) through June 30, 2021:

<i>Point in time:</i>	
Franchise fees	\$ 15,000
Royalties	9,610
Marketing fund revenue	<u>21,275</u>
Total point in time	45,885
 <i>Over time:</i>

NOTE 5. MEMBER'S DEFICIT AND MANAGEMENT'S PLANS

The Company has incurred a net loss of \$617,200, an accumulated member's deficit of \$117,315 and negative cash flows from operations of \$252,228 as of June 30, 2021. Since inception, the Company's operations have been funded through the initial capital contributions.

PETWELL FRANCHISOR LLC
(A Limited Liability Company)
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021

NOTE 5. MEMBER'S DEFICIT AND MANAGEMENT'S PLANS (CONTINUED)

Subsequent to period end, management has taken several actions to improve operating cash flows mainly through the sales of franchise agreements and the anticipated opening of franchised units. As of the date these financial statements were available to be issued, the Company continues to sell franchises and royalties are expected to increase as the Company opens additional franchised units. The Company believes that the combination of the actions taken will enable it to meet its funding requirements for one year from the date these financial statements were available to be issued. If necessary, management of the Company has been advised that the members of the Parent will continue to provide any financial assistance needed by the Company should its cash flows from operations combined with its cash balances not be sufficient to meet its working capital needs. Management believes that the members of the Parent have the intent and ability to provide the funds needed, if any, to continue to fund the operations of the Company for at least one year from the date these financial statements were available to be issued.

NOTE 6. CONCENTRATION OF CREDIT RISK

Cash

The Company may place its cash, which may at times be in excess of Federal Deposit Insurance Corporation insurance limits, with a major financial institution. Management believes that this policy will limit the Company's exposure to credit risk.

Accounts receivables

Concentration of credit risk with respect to receivables is limited due to the number of franchisees in the Company's customer base and their geographic dispersion. The Company provides an allowance for doubtful accounts equal to the estimated collection losses based on historical experience coupled with a review of the current status of existing receivables.

NOTE 7. PROPERTY AND EQUIPMENT

Property and equipment consisted of the following at June 30, 2021:

Computers and equipment	\$ 5,140
Leasehold improvements	<u>1,134</u>

Property and equipment, net	<u><u>\$ 5,288</u></u>

Depreciation and amortization expense amounted to \$986 for the period from July 2, 2020 (inception) through June 30, 2021.

During the 2020 calendar year, the World Health Organization declared the novel coronavirus ("COVID") to constitute a "Public Health Emergency of International Concern." DEVELOPMENT RIGHTS AGREEMENT

PETWELLCLINIC®
DEVELOPMENT RIGHTS AGREEMENT

THIS DEVELOPMENT RIGHTS AGREEMENT (the “**Agreement**”) is made and entered into as of _____, 20__ (the “**Effective Date**,” regardless of the dates of the parties’ signatures), between, PetWell Franchisor LLC, a Delaware limited liability company with its principal business address at 555 West Jackson Avenue, Knoxville, Tennessee 37902 (“**we**,” “**us**” or “**our**”), and _____, whose principal business address is _____ (“**you**” or “**your**”).

1. Background. We and you (or your Controlled Affiliate, as defined in Section 2) are signing or have signed a franchise agreement dated as of _____ (the “**Existing Agreement**”) pursuant to which you (or your Controlled Affiliate) operate or will operate a Clinic at _____. All capitalized terms used but not defined in this Agreement shall have the meanings in the Existing Agreement. We and you are signing this Agreement because you have requested the right to develop and operate a number of Clinics within a certain geographic area over a certain period of time, and we are willing to grant you such development rights if you comply with the terms of this Agreement.

2. Grant of Development Rights. Subject to your compliance with this Agreement, we hereby grant you (and your Controlled Affiliates) the right to develop _____ (_____) new Clinics, including the Clinic to be operated under the Existing Agreement, according to a mandatory development schedule (the “**Schedule**”) identified on Exhibit A to this Agreement, within the geographic area described on Exhibit B to this Agreement (the “**Market**”). In this Agreement, “**Controlled Affiliate**” means any corporation, limited liability company or other Entity: (a) of which you or one or more of your owners owns one hundred percent (100%) of the total authorized ownership interests and has the power unilaterally, without the consent or approval of any other person or Entity, to direct and control the Entity’s management and policies; and (b) that is approved by us in our sole judgment to own and operate a Clinic.

3. No PetWell Clinics in Market. Provided you and your Controlled Affiliates are in full compliance with this Agreement and all other agreements between you (or any of your Controlled Affiliates) and us (or any of our affiliates), including, without limitation, the Existing Agreement and all other franchise agreements then in effect between you (or any Controlled Affiliate) and us for the operation of Clinics, then, during the term of this Agreement only, except as otherwise provided in this Agreement, neither we nor our affiliates will operate, or authorize any other party to operate, a Clinic that has its physical location within the Market. We (and any affiliates that we may have from time to time) shall at all times have the right to engage in any activities we or they deem appropriate that are not expressly prohibited by this Agreement, whenever and wherever we or they desire, including, without limitation, those which we now reserve in the Existing Agreement. After this Agreement expires or is terminated, regardless of the reason, we (and our affiliates) may operate, and authorize any other parties to operate, Clinics located within the Market and engage, and allow others to engage, in any other activities we desire within and outside the Market without any restrictions whatsoever, subject only to your (or any of your Controlled Affiliate’s) rights under then-existing franchise agreements with us.

4. Development Fee. A Development Fee in the amount of _____ (“**Development Fee**”) is due and owing to us upon execution of this Agreement which is equal to the sum of initial franchise fees for the second and third Clinics and fifty percent (50%) of the initial franchise fee for the fourth and any additional Clinics you will be developing under this Agreement and the Schedule.

5. Development Obligations. To maintain your rights under this Agreement, you and/or your Controlled Affiliates must sign franchise agreements for, develop, open and continuously operate in accordance with the System the agreed-upon number of Clinics within the Market by the dates set forth on the Schedule. Time is of the essence under this Agreement and the Schedule. You or a Controlled Affiliate will operate each Clinic under a separate franchise agreement (and related documents) with us. The franchise agreement (and related documents) that you or your Controlled Affiliate will sign for each Clinic will be the form of franchise agreement and any ancillary agreements we then customarily use in granting franchises for Clinics, including, without limitation, personal guarantees (collectively, the “**Franchise Documents**”), any or all of the terms of which may differ materially from the terms contained in the Existing Agreement and any later versions of our agreements.

6. No Sublicensing Rights or Rights to Use Marks. This Agreement does not grant you any right to license others to operate Clinics. Only you (and your Controlled Affiliates) have rights to develop Clinics pursuant to this Agreement and only under Franchise Documents with us. This Agreement does not grant you (or your Controlled Affiliates) any right to use, or authorize others to use, the Marks in any manner. Your (and your Controlled Affiliates’) right to use the Marks arises only under Franchise Documents with us.

7. Development of Additional Franchises. You must deliver to us for our review materials and information we request for Clinic you propose to develop, and your (or your Controlled Affiliate’s) financial and operational ability to develop and operate each proposed Clinic, including the proposed Manager for the Clinic. Despite any assistance, information or recommendations that we provided or will provide (whether before or after the Effective Date) with respect to any Clinic, we have made and will make no representations or warranties of any kind, express or implied, of the suitability or likelihood of success of any Clinic.

8. Grant of Franchises. If we accept your (or your Controlled Affiliate’s) financial and operational ability to develop and operate the proposed Clinic, then you or your Controlled Affiliate (and your or its owners) must sign separate Franchise Documents for that Clinic. If you or your Controlled Affiliate (and your or its owners) do not sign separate Franchise Documents within the time periods set forth in the Schedule, then we may terminate this Agreement according to Section 10. After you (or your Controlled Affiliate) signs the Franchise Documents, their terms and conditions will control the development and operation of the Clinic, although the opening deadline is controlled by the Schedule.

9. Term. The term of this Agreement begins on the Effective Date and ends on the date when (a) you (or your Controlled Affiliate) open the final Clinic under the Schedule, or (b) this Agreement otherwise is terminated, whichever occurs first.

10. Termination. We may terminate this Agreement and your right to develop additional Clinics within the Market at any time, effective upon delivery of written notice of termination, if: (a) you fail to satisfy either your development obligations under the Schedule or any other obligation under this Agreement, which defaults you have no right to cure; or (b) the Existing Agreement or any Franchise Documents between us and you (or any Controlled Affiliate) for a Clinic is terminated by us or you (or the Controlled Affiliate) for any reason.

11. Assignment. You (and your owners) acknowledge that we are granting you the rights under this Agreement because of our perception of your (and your owners') individual and collective character, skill, business acumen, financial capability and proven ability to operate Clinics according to our System standards. These rights are personal to you and your owners. Therefore, you and your owners may not assign this Agreement or any of your ownership interests (whether directly or indirectly) without our prior written approval, which we may grant or withhold for any or no reason. We may assign this Agreement or any of our ownership interests (whether directly or indirectly) without restriction.

You acknowledge that consistency of ownership and control of all Franchises in the Market at all times is necessary for uniformity of the System and protection of the goodwill associated with the Marks. Therefore, you and your owners agree that if you, any of your owners, or any Controlled Affiliate seeks to enter into any transfer that would (if consummated) require our approval pursuant to this Section 11 or the applicable Franchise Documents, regardless of the form of transaction, then we may condition our approval of that transfer (in addition to any other conditions set forth in this Agreement or the applicable Franchise Documents) on the simultaneous transfer to that transferee of other rights, interests, obligations, assets, and/or ownership interests such that, following such transfer, you (or your successor in interest) own and operate (directly or through your Controlled Affiliates) all of the Clinics in the Market.

12. Incorporation of Other Terms. Sections 9.3(c) (Confidential Information and Operations), 11 (Indemnification), 12 (Marks and Trade Dress), 13 (Non-Competition), 21 (Relationship Between Parties), 25 (Resolution of Disputes), and 25 (Applicable Law) of the Existing Agreement are incorporated by reference in this Agreement and will govern all aspects of our relationship with you under this Agreement and the construction of this Agreement as if fully restated within the text of this Agreement. This Agreement, together with the Existing Agreement, supersedes all prior agreements and understandings, whether oral and written, between the parties relating to its subject matter, and there are no oral or other written understandings, representations, or agreements between the parties relating to the subject matter of this Agreement. This Agreement may be signed in multiple counterparts, but all such counterparts together shall be considered one and the same instrument. The provisions of this Agreement may be amended or modified only by written agreement signed by the party to be bound.
