Franchising@metalsupermarkets.com

The franchise offered is for a Metal Supermarkets® store (as defined below) that will sell a wide variety of metals and related services primarily to the maintenance and engineering departments of manufacturing facilities as well as maintenance providers, food processors, machine shops, tool and die shops, contractors, welders, fabricators, hospitals, schools, universities and other institutions and service companies, as well as to welders, fabricators, and machine shop and tool and die shop operators. The total investment necessary to begin operation of a Metal Supermarkets franchised business is from \$269,500 to \$501,500. This includes \$57,500 that must be paid to us or our affiliates.

If you enter into a development agreement to establish multiple Metal Supermarkets stores, the development fee (which is paid instead of the initial franchise fees that would be due for those stores) is \$39,500 for the first store, \$25,000 for the second store, and \$15,000 for the third and each store after that. The number of Metal Supermarkets stores that you will develop under the development agreement is determined by a mutual agreement between you and us, but it must be a minimum of two.

HOW TO USE THIS FRANCHISE DISCLOSURE DOCUMENT

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Item 20 or Exhibit E.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor’s direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit B includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Metal Supermarkets business in my area?	Item 12 and the “territory” provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.

What’s it like to be a Metal Supermarkets franchisee?	Item 20 or Exhibit E lists current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

WHAT YOU NEED TO KNOW ABOUT FRANCHISING *GENERALLY*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

SOME STATES REQUIRE REGISTRATION

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

SPECIAL RISKS TO CONSIDER ABOUT *THIS* FRANCHISE

Certain states require that the following risk(s) be highlighted:

- 1 **Out-of-State Dispute Resolution.** The franchise agreement and development agreement require you to resolve disputes with us by mediation in Washington, D.C. and litigation in New York. Out of state mediation and litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate and litigate in Washington, D.C. and New York than in your own state.
- 2 **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

ITEM 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

Unless the context otherwise requires, all references to “Metal Supermarkets,” “MSFA,” “we,” “us,” or “our” refer to the franchisor, Metal Supermarkets Franchising America Inc. and all references to “Franchisee,” “you,” or “your” refer to the person who is granted the right to operate a Metal Supermarkets store under a Franchise Agreement. If you are a corporation, limited liability company, partnership or any other type of legal entity, the provisions of the Franchise Agreement also apply to your owners by virtue of the requirement that all your owners personally guarantee, and be personally bound by, your obligations under the Franchise Agreement and your other contracts with us.

We are a corporation that was formed under the laws of Ontario on October 22, 2010, and we began operations on November 8, 2010. We have offered Metal Supermarkets franchises since December 2010 and have not offered franchises in any other line of business. We have not operated any Stores, but as noted below, our affiliate MSEI has operated Metal Supermarkets stores in the U.S. since August 2017, and our affiliate MSUK has operated Metal Supermarkets stores in the United Kingdom since 1995. We conduct business under our corporate name and as Metal Supermarkets. Our principal business address is 5399 Eglinton Avenue West, Suite 210, Toronto, Ontario, Canada M9C 5K6. Our agents for service of process are listed in Exhibit A.

We do not have a parent company. We have two predecessors. On November 8, 2010 we acquired assets from both Retail Metal Stores, Inc. (formerly known as Metal Supermarkets Corporation), a Delaware corporation (“RMS”) and from Retail Metal Stores, Inc. (formerly known as Metal Supermarkets Corporation), a Canadian corporation (“MS(Canada)”). The last known principal business address of RMS and MS (Canada) was 77 King Street West, Suite 3000, Toronto, Ontario M5K 2A1. RMS and MS (Canada) and their affiliates owned, operated and franchised to others the right to operate Metal Supermarkets stores in Canada, the United States, the United Kingdom and Austria. RMS operated Metal Supermarkets stores (through controlled subsidiaries or affiliates) from June 1997 until August 2011 and offered Metal Supermarkets franchises from July 1994 until November 2010. MS(Canada) operated Metal Supermarkets stores from 1985 until February 2011 and offered Metal Supermarkets franchises from June 1987 until November 2010. On November 8, 2010, RMS assigned to us its U.S. Metal Supermarkets franchise agreements. RMS and its affiliate also sold the Metal Supermarkets trademarks and franchise system to Metal Supermarkets IP Inc., which changed its name to MSKS IP, Inc. (“MSKS”), an affiliate of ours. MSKS has granted to Metal Supermarkets Service Company Inc. (“MSSC”), a wholly-owned subsidiary of MSKS, an exclusive license to use, and to sublicense others to use, the System (as defined below). MSSC has in turn granted to us an exclusive license to use, and to sublicense others to use, the System in the United States. MSSC has also granted Metal Supermarkets Franchising Corporation (“MSFC”), an affiliate of ours, an exclusive license to use, and to sublicense others to use, the System everywhere in the world except the United States, the United Kingdom and the Republic of Ireland. MSSC has also granted to Metal Supermarkets Franchising UK Limited (“MSFK”) an affiliate of ours, an exclusive license to use and to sublicense others to use the System in the United Kingdom and Ireland. The principal business address for MSFK and MSUK is Blaby Business Centre, First Floor, 33 Leicester Road, Blaby, Leics. LE8 4GR, United Kingdom. MSFK owns Metal Supermarkets UK Limited (“MSUK”) which owns and operates six Stores in the United Kingdom. MSFA has granted to Metal Supermarkets Enterprises, Inc. (“MSEI”), an affiliate of ours, the right to operate Stores and to use the System. As of the date of this Disclosure Document, MSEI operates three Stores in the U.S. under franchise agreements with MSFA.

Our affiliate KAM Sharp Franchising America Inc. (“KSFA”) offers franchises for “FlannelJax’s” businesses, which offer services and certain recreational items and merchandise pertaining to or focused on axe-throwing and various other lumberjack-themed recreation and sport activities. As of September 30, 2021

(which was the end of KSFA's last fiscal year), there were one franchised, and four company-owned, "FlannelJax's" businesses in the U.S.

Except as noted above, the principal business address for each of our affiliates is 5399 Eglinton Avenue West, Suite 210, Toronto, Ontario, Canada M9C 5K6. Except for KSFA, which has offered franchises for FlannelJax's businesses in the U.S. since 2018, and MSFC and MSFK, which as noted above have offered Metal Supermarkets franchises outside of the U.S. since November 2010 and October 2011, respectively, none of our affiliates have offered franchises in any line of business.

We grant to qualified individuals and business entities ("you") franchises to own and operate Metal Supermarkets stores ("Stores"). (In this Disclosure Document, "you" means the person or legal entity with whom we enter into an agreement. The term "you" also refers to the direct and indirect owners of a corporation, partnership, limited liability company, limited liability partnership, or other entity that signs a Franchise Agreement as the "franchisee"). Metal Supermarkets Stores are metal warehouse and distribution centers that offer a wide variety of metals and related materials and provide specialized metal services including metal processing, "cut to size" metal pieces, fast delivery, computerized ordering facilities, and sourcing of non-stock and "hard to find" items, with no required minimum limit on order size. Stores sell various grades, sizes and shapes of metals such as aluminum, steel, stainless steel, brass and copper to customers who are typically the maintenance and/or engineering departments of businesses such as manufacturing facilities as well as maintenance providers, food processors, machine shops, tool and die shops, contractors, welders, fabricators, schools and universities, hospitals, hotels other institutions and service companies. Stores are authorized to offer metal processing services which includes, among other things, fabricating, painting, welding, polishing, notching, galvanizing, bending, drilling, punching or cutting of metal.

Franchisees must sign our standard form of franchise agreement (the "Franchise Agreement"), a copy of which is attached as Exhibit C-2. The Franchise Agreement grants you the right to operate a Store using trademarks and service marks, including the mark "Metal Supermarkets" and other service marks and trademarks that we may designate for your use (the "Marks"), market analyses, supplier relationships, sales and marketing methods, training, record keeping, custom-designed computer software and business management, all of which we or our affiliates may periodically improve, further develop or otherwise modify (as fully defined in the Franchise Agreement, the "System").

We also offer to qualified individuals and business entities (a "Developer" or "you") the right to develop an agreed-upon number of Stores within a specific geographic area ("Development Area") under our area development (letter) agreement (the "Development Agreement") (a copy of which is attached as Exhibit C-7). Under a Development Agreement, you will be required to establish an agreed-upon number of Stores within the Development Area, at specific locations (to be specified in separate Franchise Agreements). An important part of the Development Agreement is a development schedule (the "Development Schedule"), which spells out the number of Stores that you agree to have established by certain benchmark dates. As and when Stores are developed under a Development Agreement, you will sign the then-current form of Franchise Agreement that we are offering to new franchisees under the System at that time.

The market for the products and services of Metal Supermarkets stores is developed. By "developed," we mean that the products and services have been offered by the Metal Supermarkets brand for over 30 years. As of the date of this Disclosure Document, there are no national competitors with widespread physical presence in the sale of small quantities of metal, but there are several small chains of three to 10 locations in existence and, in some markets, similar single, independent operators have a market presence. On-line competitors are also active on a national basis. Further, certain larger distributors may sell in small quantities as an adjunct to their normal business, but typically do not offer the same level of service, value-added

processing, inventory diversity or delivery lead times that are offered by Metal Supermarkets stores. You will compete with other metal distributors and on-line competitors that sell in small quantities.

Other than Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act relating to the use of conflict metals and the safety regulations which vary from state to state, we are not aware of any regulations specific to the metals distribution industry. You must, however, comply with all local, state, and federal laws that apply to your Store operations, including, for example, zoning, building code, health, sanitation, no-smoking, EEOC, OSHA, discrimination, employment, sexual harassment, and tax laws. The Americans with Disability Act of 1990 and state equivalents require readily accessible accommodation for disabled persons and therefore may affect your building construction, site elements, entrance ramps, doors, etc. For example, you must obtain permits for your building, and zoning, as well as operational licenses. You must comply with all applicable federal, state, and local laws and regulations during the operation of your Store. You should consult with your attorney concerning those and other local laws and ordinances that may affect your Store's operation.

ITEM 3

LITIGATION

No litigation is required to be disclosed in this Item.

ITEM 4

BANKRUPTCY

No bankruptcy is required to be disclosed in this Item.

ITEM 5

INITIAL FEES

Initial Franchise Fee

You must pay us an application fee of \$5,000 when you sign the Franchise Application (“Application Fee”). The Application Fee is fully refundable, without interest, provided that you have not signed a Franchise Agreement with us. A copy of the Franchise Application is attached as Exhibit C-1.

The standard initial franchise fee is \$39,500 which is payable in full at the time you sign the Franchise Agreement. We will credit your Application Fee against the initial franchise fee.

We participate in the International Franchise Association VetFran Program (the “Vet Fran Program”), which provides a discount on initial franchise fees to veterans of the U.S. Armed Forces who otherwise meet the requirements of the program. For qualified veterans participating in the Vet Fran Program, we will reduce the amount of the initial franchise fee by \$5,000 for the first Franchise Agreement you enter into with us. Thus, the initial franchise fee under the Vet Fran Program is reduced to \$34,500. To qualify, veterans must provide us with adequate documentation of honorable discharge, and the initial franchisee for the Store to be operated must be at least 51% owned by the veteran participating in the Vet Fran program. Veterans participating in the Vet Fran Program who wish to transfer the franchise before opening the Store must pay us the portion of the initial franchise fee that is waived under the program (\$5,000) as a condition to the transfer.

The initial franchise fee is not refundable under any circumstances, including your failure to obtain financing, your failure to successfully complete training, or your failure to lease or purchase the site for the Store within the required time period.

Except as described above, the initial franchise fee is uniform for all franchisees currently being granted a franchise.

Development Fee

If you are going to be a Developer, then you will sign a Development Agreement and pay us a non-refundable development fee (“Development Fee”). The Development Fee is calculated as follows: \$39,500 for the first Franchise Agreement you are obligated to enter into under the Development Agreement, \$25,000 for the second Franchise Agreement you are obligated to enter into under the Development Agreement, and

\$15,000 for the third and each additional Franchise Agreement you are obligated to enter into under the Development Agreement. For example, if you are to develop and establish three Stores under the Development Agreement, the amount of the Development Fee will be \$79,500 (which is the sum of \$39,500 for the first Franchise Agreement, \$25,000 for the second Franchise Agreement, and \$15,000 for the third Franchise Agreement).

If you (and your affiliates) are in full compliance with the Development Agreement, each Franchise Agreement you enter into with us, and all other contracts with us (and our affiliates), then the Development Fee that is paid under the Development Agreement will be in lieu of any initial franchise fees that are due to us under the Franchise Agreements entered into in connection with the Development Agreement. You must, however, pay all other fees associated with opening and operating each Store under the Franchise Agreement and other applicable contracts pertaining to each Store. The Franchise Agreement for the first Store to be developed under a Development Agreement will be in the form that is attached to the Development Agreement, and the Franchise Agreement for each additional Store to be developed under a Development Agreement will be the then-current form of franchise agreement that we are generally offering when the Franchise Agreement is to be signed. The then-current form of Franchise Agreement may differ from the form of Franchise Agreement attached to this disclosure document.

The Development Fee will be due in a lump sum at the time you sign the Development Agreement. The Development Fee is calculated in a uniform manner, but may not be the same absolute number for all developers, because of differences in how many Stores a developer may agree to develop in a particular Development Area.

Initial Advertising Deposit

You must deposit \$15,000 with us upon signing the Franchise Agreement, which is the minimum amount you are required to spend on approved advertising during the first 12 months of the operation of your Store. No interest will be accrued or paid on this deposit. The funds must be spent on approved advertising, and we can periodically revise and specify the expenditures that constitute approved advertising. You must make these advertising expenditures in reasonable regular intervals during this 12-month period, and we have the right to make some of these advertising expenditures on your behalf. You and we will periodically reconcile our expenditures for these purposes, and provide each other with appropriate verification (receipts, etc.) as we specify to substantiate these advertising expenditures. We will draw from your advertising deposit for advertising expenditures we make on your behalf and otherwise adjust the balance of that deposit accordingly. Funds from the advertising deposit will also be released to you to reimburse you for the approved advertising expenditures you make during the first 12 months of the operation of your Store. The initial advertising deposit is not refundable.

Initial Telephone and Facsimile Number Charges

We will obtain, in MSKS's name, the telephone and facsimile numbers and email addresses for use in the operation of your Store before the opening of your Store. You must purchase, lease and/or license a telephone system which we may specify and pay the initial cost/installation. We estimate that the cost for the telephone system and installation charges will not exceed \$3,000. This cost is not refundable. We will own and control the numbers and email addresses, but they will be provided only to you while you are in good standing under your franchise agreement. You will be obligated to reimburse us for all charges we incur in obtaining these numbers as well as any installation charges. You must reimburse us for the continuing monthly service and any long-distance charges associated with the telephone numbers as further disclosed in Item 6.

Additional Training	Will vary based upon courses taken. Currently \$350 per day per instructor, plus travel and accommodation expenses.	As incurred	We will charge per diem fees for instructors' time and materials as we determine.
VoIP Services Agreement Charges	One-time porting cost of \$5 per phone number, plus equipment costs (see Schedule A(i) in VoIP Services Agreement). Also, monthly costs of \$19.95 (for voice per user phone and fax lines) and \$1.75 for standard DID, and phone rentals ranging from \$3 to \$6 per month. Administrative processing fee of \$3 per month.	On or before the 20 th day of each month for equipment used and services rendered during the month	You must pay us this fee to receive hosted software services under the VoIP Services Agreement. These amounts may be increased from time to time to account for charges from third party VoIP services.

NOTE 1: All fees are imposed by and payable to us, except as otherwise noted. All fees are nonrefundable. Generally, all fees are uniformly imposed on our franchisees; however, in certain circumstances we may reduce or waive a fee.

NOTE 2: Gross Sales means all revenue from the sale of all services and products and all other income of every kind and nature related to, derived from, or originating from the Store and the business operated under the Franchise Agreement, including barter and the proceeds of any business interruption insurance policies, whether for cash or credit, and regardless of theft, or of collection. Gross Sales does not include (i) sales taxes or other taxes that you collect from customers and actually pay to the appropriate taxing authorities, or (ii) revenue from the sale of products to other Metal Supermarkets stores.

For purposes of calculating the first 12 months of operation of the Store:

- a. if the Store opens on the 1st through 10th day of a month, then the month in which the Store opens and begins operation shall be deemed the 1st month of operation; and
- b. if the Store opens on the 11th day or later of a month, then the next calendar month shall be considered the 1st month of operation of the Store (even though the royalty fee is due for the partial month in which the Store opens).

Starting in your second full year after the date your Store first opens for business, you must pay us a monthly minimum royalty as follows:

- i. For the second (2nd) year, a monthly minimum royalty of \$1,715;
- ii. For the third (3rd) year, a monthly minimum royalty of \$2,228;
- iii. For the fourth (4th) year, a monthly minimum royalty of \$2,448;
- iv. For the fifth (5th) year, a monthly minimum royalty of \$2,593;
- v. For the sixth (6th) year, a monthly minimum royalty of \$2,813;
- vi. For the seventh (7th) year, a monthly minimum royalty of \$3,031;
- vii. For the eighth (8th) year, a monthly minimum royalty of \$3,289; and
- viii. For the ninth (9th) year and all years after that, a monthly minimum royalty of \$3,579.

If you are an existing franchisee who is entering into a successor franchise agreement, the monthly minimum royalty is \$3,579, subject to annual CPI adjustments effective as of our fiscal year end and the base period being our fiscal year ended September 30, 2021.

Your failure to pay the minimum royalty constitutes a default under the Franchise Agreement and grounds for termination.

All ranges in the charts above are subject to an annual CPI adjustment effective as of our fiscal year end, and the base year is our fiscal year ended September 30, 2021. CPI means the index number in the table means the index number in the table relating to "Consumer Price Index – United States City Average, all Items, for Urban Wage Earners and Clerical Workers" as presently published in the "Monthly Labor Review" of the Bureau of Labor Statistics for the United States Department of Labor (the "Bureau"). In the event the Bureau ceases publishing the Consumer Price Index or materially changes the methods of its computation or other features of it, we may substitute comparable statistics on the purchasing power of the consumer dollar published by the Bureau, another governmental agency or a responsible financial periodical or recognized authority to be chosen by us.

NOTE 3: You must contribute to the Brand Fund. Currently, the amount of the Brand Fund Contribution is 1.5% of Gross Sales. We have the right to increase the Brand Fund Contribution up to a maximum of 2.5% of Gross Sales, with a maximum annual contribution of \$38,582 (subject to CPI adjustment).

We will notify you each year of the amount of the Brand Fund Contribution for that year. There will be a cap on the maximum amount you are required to contribute as set forth below:

<u>Brand Fund Contribution</u>	<u>Maximum Annual Contribution</u>
0.5% of Gross Sales	\$9,030
1.0% of Gross Sales	\$15,071
1.5% of Gross Sales	\$20,497
2.0% of Gross Sales	\$30,076
2.5% of Gross Sales	\$38,582

The Maximum Annual Contribution is subject to annual CPI adjustments effective as of our fiscal year end and the base year being our fiscal year ended September 30, 2021.

If you operate other Metal Supermarkets stores pursuant to other franchise agreements with us and such other Metal Supermarkets stores are in contiguous Protected Territories, then the Metal Supermarkets stores in contiguous Protected Areas are considered to be “Adjoining Stores.”

If you are not in default under the Franchise Agreement, or any other agreements you may have with us, then, with respect only to the Adjoining Stores, the Maximum Annual Contribution described above will be the maximum contribution payable in each year by such Metal Supermarkets store operated by you which generated the greatest Gross Sales in the preceding fiscal year (the “Maximum Contribution Store”), and all other such Metal Supermarkets stores (which are not the Maximum Contribution Store) shall be required to contribute, as a Brand Fund Contribution, a maximum amount equal to (i) 50% of the Maximum Annual Contribution until September 30, 2024, and (ii) 75% of the Maximum Annual Contribution beginning October 1, 2024 and after.

See Item 11 for more information on the Brand Fund Contribution.

NOTE 4: If the final cost is greater than this amount, you will pay additional amount within 30 days of the conference, whether or not you attend. Only one conference fee is due regardless of how many Stores you own. We will notify you of the fee for the subsequent year within 30 days after the end of our fiscal year. We have the right to increase the amount by the greater of (i) 5% over the previous year’s conference fee or (ii) the CPI adjustment (see Note 2 regarding CPI adjustments). The fee noted in the table is for one individual to attend the annual conference. If you choose to send any other individuals, there will be an additional fee, in an amount that we will determine, due to us for each additional individual attending. A Manager, or any other employee of yours, may only attend the annual conference when your Operating Principal is also in attendance. If we choose not to have an annual conference in any given year, then no fee will be due. If you have already paid the annual conference fee for such given year, we will refund it to you without interest.

CATEGORY OF INVESTMENT	AMOUNT (Note 8)	METHOD OF PAYMENT	WHEN DUE	TO WHOM PAID
Development Fee (Note 9)	\$39,500 for the first Store, plus \$25,000 for the second Store, plus \$15,000 for the third and each additional Store; minimum commitment is two Stores	Lump sum	Upon signing the Development Agreement	Us

NOTE 1 When you sign the Franchise Agreement, you must pay an initial franchise fee in an amount that varies depending on the circumstances. See Item 5. We do not finance this or any other fee. See Item 5 for a discussion of the Development Fee due under the Development Agreement.

NOTE 2 You will need to purchase certain items of equipment, including one or more trucks, saws, a shear, as well as office furniture, racking, fixtures, security systems and other improvements. We may recommend that you acquire other processing equipment.

NOTE 3 This estimate includes professional fees, incorporation fees, business permits and licenses.

NOTE 4 You must purchase a computer system as outlined in Item 11 for access to the software which is hosted by us on our system or a third-party system. You will receive hosting services through us to allow you to use the software and you will incur monthly hosting fees (as described in Item 6). These fees are subject to periodic changes. You will still be responsible for any additional third-party charges associated with any of these services including, but not restricted to, local telephone lines and Internet connections.

NOTE 5 You must deposit \$15,000 with us upon signing the Franchise Agreement, which is the minimum amount you are required to spend on approved advertising during the first 12 months of the operation of your Store. No interest will be accrued or paid on this deposit. The funds must be spent on approved advertising, and we can periodically revise and specify the expenditures that constitute approved advertising. You must make these advertising expenditures in reasonable regular intervals during this 12-month period, and we have the right to make some of these advertising expenditures on your behalf. You and we will periodically reconcile our expenditures for these purposes, provide each other with appropriate verification (receipts, etc.) as we specify to substantiate these advertising expenditures. We will draw from your advertising deposit for

advertising expenditures we make on your behalf and otherwise adjust the balance of that deposit accordingly. Funds from the advertising deposit will also be released to you to reimburse you for the approved advertising expenditures you make during the first 12 months of the operation of your Store.

NOTE 6 If you do not own a location for your Store, you must purchase or lease a space approved by us. Stores typically are either free-standing street locations or in multi-tenanted buildings in industrial areas. The cost of purchasing and developing a site for a Store will vary considerably depending on such factors as the location and size of the site and the local real estate market. You will need to purchase or lease a site of approximately 4,000 to 6,000 square feet. We estimate that gross lease costs may range from \$5.50 to \$16.00 per square foot but may vary greatly depending primarily upon the location of the premises.

The figures in the estimate are calculated on the following assumptions: (a) you will have to pay five months' rent (made up of one month's rent before you open, three months' rent after you open, and one month's rent as a security deposit); (b) for space in the range of 4,000-6,000 sq. ft.; (c) at \$5.50 to \$16 per square foot per year. If the site you choose is larger, or has a higher rental cost, or if you cannot negotiate a pre-opening abatement of rent down to one month, then your costs will be higher than those in the chart.

Rent varies considerably from market to market, and from location to location within each market. Rents may vary, based on factors such as availability, general industrial market conditions in the relevant area, the type and nature of improvements needed to the premises, the size of the Store, the terms of the lease, and the desirability of the location. If you decide to purchase the property for the location of your Store, you will incur additional costs that we cannot estimate.

NOTE 7 This estimate, based on our and our affiliates' experience operating stores, is of your pre-opening expenses and working capital requirements for your first three months of operations. We estimate that you will need working capital of \$40,000 to \$90,000 for general operating expenses, including inventory, payroll, payroll expenses, employee withholding taxes, worker's compensation costs, facility operating expenses (such as electricity and gas), insurance, security, repairs and maintenance, local marketing, (excluding the \$15,000 deposited with us for approved advertising) and other costs. Your Store must, at all times, at a minimum be staffed by you (or the Operating Principal) and a minimum of two qualified employees. In our experience, employees typically are paid between \$12 and \$25 per hour, but those amounts may be different depending on the market in which you operate your Store and the compensation approach you choose to take. These figures are estimates, and we cannot assure you that you will not have additional expenses in starting the Store. Your actual cost will depend on factors such as your management skill, experience and business acumen; local economic conditions; the local market for the Store; the prevailing wage rate; competition in the market place; and the sales level reached during the start-up phase. This estimate does not include any amounts for debt service or any of your personal living expenses.

NOTE 8 You may incur additional legal, accounting and other fees for reviewing the Development Agreement. The table does not include an estimate for this. Except as indicated, these fees are not refundable.

NOTE 9 For each Store you develop under the Development Agreement, you will also incur the expenses in the above table for Franchised Stores.

Except as otherwise noted, none of these payments are refundable. These estimates are based on our experience in establishing franchises. You should review these figures carefully with a business advisor, accountant or attorney before making any decision to purchase a franchise.

We do not offer any financing for your initial investment. The availability and terms of financing with third-party lenders will depend on factors such as the availability of financing generally, your creditworthiness, and the policies of lending institutions concerning the type of business to be operated. The Metal Supermarkets brand is approved for eligibility for Small Business Association's ("SBA") loans. This eligibility does not guarantee that you will obtain financing or that any financing you do obtain will meet with our approval, or contain favorable or other specific terms.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

The reputation and goodwill of Metal Supermarkets stores are based on the sale of high-quality metals, other products and services. For this reason, you may only sell and/or provide from your Store metals, other products and services, including metal processing, of a type and at a quality that conforms to our specifications and standards and/or are purchased from suppliers that we approve (which may include us or our affiliates). Currently, we are not an approved supplier of any metals or other products for your Store.

You must purchase or lease and/or install and use all fixtures, furnishings, furniture, equipment, signs and other materials and supplies for your Store of the types, brands and models that we approve as meeting our standards and specifications. Except as otherwise specified, you may purchase or lease approved brands and types of fixtures, furniture, equipment, signs and other materials and supplies from any supplier, which may include us or our affiliates. We may designate ourselves, an affiliate or another third party as the sole approved supplier to provide you with particular equipment, furnishings, fixtures and signs.

Your Store must sell the full range of metals and metal services, and other products and services that we authorize. We can add, modify or delete products and services offered by Stores periodically. Additional authorized products and services may require you to incur additional costs for equipment, inventory, additional personnel, personnel training and leasehold improvements.

We may modify our specifications and standards and the list of approved suppliers periodically. After notice of a modification, you may not reorder any metal products or other products that do not meet our then-current specifications and standards and you may not reorder any items from any supplier which is no longer approved.

As of the date of this Disclosure Document, we are the only approved supplier of certain computer software and e-commerce services. During our most recent fiscal year we received hosting fees (CAN\$575,036) and e-mail fees (CAN\$54,943) for a total of CAN\$629,979, which was 7.6% of our total revenues of CAN\$8,289,986 as shown on our audited financial statements for the year ended September 30, 2021. (As of September 30, 2021, 1.00 Canadian Dollar equaled 0.78908 U.S. Dollars.) Except for these services and fees, neither we nor any persons affiliated with us are an approved supplier of any product or service, and during our most recent fiscal year, neither we nor any persons affiliated with us received any revenues from franchisee purchases of products or services. We reserve the right to be an approved supplier of other products and services in the future. Except for products and services for which we designate a single source of supply, if you propose to order any metals or other products either of a type or from a supplier that is not approved by us, you must first send us sufficient information, specifications and samples concerning the type of product or the supplier so that we can decide whether the product or supplier meets our criteria. We can charge you or the supplier reasonable fees to cover our costs. We may prescribe procedures for the

submission of requests for approval and impose obligations on suppliers that will be incorporated in written agreements. We generally will notify you of our approval of a product or supplier within two weeks after you submit the necessary information to us. We may impose limits on the number of suppliers for any item. We or one of our affiliates may be an approved supplier and, in some circumstances, may be the sole approved supplier.

We may solicit or accept rebates, fees, commissions, extraordinary discounts or other similar allowances (collectively, "rebates") from third-party suppliers as a result of sales to you or business conducted with you, and may use such funds and benefits as we deem appropriate. During our last fiscal year, we did not receive any rebates. We may establish preferred vendor programs. If you participate in any preferred vendor program, you must comply with all requirements of such program. If we designate suppliers, you will be required to purchase products and/or services from them and enter into such contracts or agreements with them or us as we may require.

We establish and modify specifications and standards we impose on franchisees. We do not maintain written standards and specifications for every item. If written standards or specifications exist, we will make them available to you through the Store Operations Manual or other communications in the ordinary course of business. In the absence of written standards or specifications, we may require you to submit a sample and other information about a proposed new item for examination or testing.

We may attempt to negotiate purchase arrangements with suppliers (including price terms) for the benefit of all Metal Supermarkets stores. We will not provide material benefits (e.g., renewal or additional franchises) to you based on your use of designated or approved suppliers. If you want to use another supplier, you must make a written request to us for approval, which approval will not be unreasonably delayed or withheld. You must obtain our approval in writing.

We estimate that your purchases from approved suppliers or in accordance with our specifications will represent approximately 80% to 90% of your total purchases in the establishment of your Store and approximately 80% to 90% of your total purchases in the continuing operation of your Store.

There are no franchisee purchasing or distribution cooperatives. There is no supplier in which an officer of ours owns an interest.

Site Selection

You must select a site for your Store which is acceptable to us (See Item 11).

Purchase and Lease of Premises

Any lease or sublease for the premises of your Store must contain provisions that are reasonably acceptable to us and must include the required Addendum to Lease. (See Exhibit C-3) Before you sign any purchase or lease agreement for Premises, you must submit the agreement to us for our approval.

Development of the Premises

You are responsible for developing your Store and for all expenses associated with it. We will furnish you with prototype plans for a Store. You must modify those prototype plans so that the plans and all specifications comply with all applicable ordinances, building codes and permit requirements and any lease requirements and restrictions. You must submit your plans to us for approval before you start to develop the

Premises. All development must be in accordance with the plans and specifications we have approved and must comply with all applicable laws, ordinances and local rules and regulations.

Telephone, Facsimile, Email Address and Other Telecommunications Numbers

We will obtain, in our name, a telephone and facsimile numbers and e-mail address for use only in the operation of your Store. The telephone and facsimile numbers, as well as the e-mail address will belong to us; however, you must reimburse us immediately for all charges in connection with these numbers. You must pay us a fee for each email address and associated security services, which currently is \$135 per year per address.

E-Commerce Participation Agreement

You must participate in our E-Commerce program and you must execute an E-Commerce Participation Agreement, a copy of which is attached as Exhibit H. We or our Affiliate will own and control the Metal Supermarkets E-Commerce website.

Specifications and Standards

You must comply with all mandatory standards and procedures including: (a) all aspects (other than prices) of authorized products and services offered by your Store and the manner in which they are promoted and sold; (b) sales procedures and services; (c) marketing and advertising programs, (including use of websites and e-mail addresses); (d) dress standards; (e) safety, appearance, cleanliness and standards of service and operation of your Store; (f) days and hours of operation; and (g) accounting and record keeping systems and forms. Our mandatory standards and procedures are described in the Store Operations Manual and the Store Opening Manual. The tables of contents of the Store Operations Manual and the Store Opening Manual are attached to this Document Disclosure as Exhibit D.

Insurance

You must purchase insurance policies, including from a broker/carrier we may designate, and must maintain in force and furnish us evidence of the following coverages: (i) comprehensive general liability and product liability insurance coverage of at least \$2,000,000 in the aggregate and \$1,000,000 per occurrence, and \$1,000,000 for Errors and Omissions; (ii) general casualty insurance covering fire, extended coverage, vandalism and malicious mischief for the replacement value of your Store and its contents; (iii) comprehensive vehicle liability insurance for owned, leased, hired and non-owned vehicles with minimum limits of \$1,000,000 combined single limit for bodily injury and property damages per occurrence; (iv) business interruption insurance equal to nine (9) months of operating expenses or an actual loss sustained; (v) umbrella liability insurance with minimum limits of \$1,000,000; (vi) worker's compensation insurance as prescribed by state law; (vii) any other such insurance coverages or amounts as required by law by your Lease or by agreement related to your Store; and (viii) any other insurance or increases in limits to the above policies that we may periodically require. All liability insurance policies must name us (and our affiliates, officers, directors and employees), as additional insureds, must provide that such insurance is primary insurance with respect to the interests of all additionally named insureds, and must provide that any other insurance maintained by us or by you and/or any subcontractor is excess and not contributing insurance with the insurance required under this Agreement. The policy must contain a waiver by the insurance carrier of all subrogation rights against us. You must provide us with proof of insurance as discussed above prior to opening your Store, and you must provide proof that such insurance remains in force on or before each anniversary date of the opening of your Store.

Computer Hardware and Software

As described in Item 11, we require you to purchase, lease and/or license, at your expense, such technology as we may periodically specify. We currently require you to use certain enterprise planning software. Our affiliate, MSKS is owner and/or licensee of this proprietary software and provides the software to us. A copy of the Hosting Support and Software Agreement is attached to this Disclosure Document as Exhibit C-4.

In approving or disapproving any proposed location, we will consider factors including general location, the number of potential customers in its immediate surroundings, and the distance to any other Metal Supermarkets store outside the Protected Area. Upon your and our agreement as to a proposed location, Schedule B to the Franchise Agreement will identify your Store location and will be signed by both you and us. Once Schedule B has been completed and signed, the location identified in Schedule B will be the “Premises” for purposes of the Franchise Agreement. If you and we are unable to agree on a site for the Store location, the Franchise Agreement will terminate. Under the Development Agreement, we will approve the location and Protected Area of future Stores to be opened according to the site selection terms of each Franchise Agreement for those Stores.

We estimate the time from the date you sign the Franchise Agreement to the date you open your Store to be between three and six months. This time estimate may, however, vary depending on numerous factors, including finding a location, construction schedules and your efforts in completing development. Your Store must be open and operating within five months after the date of the Franchise Agreement.

Training

If you (or your Operating Principal) have not previously owned or operated a Store, before you open your Store, you (or your Operating Principal) and the manager for your Store (“Manager”), if applicable, must attend a training program on the operation of a Metal Supermarkets store at the place and time we designate. You (or your Operating Principal, and your Manager, if applicable) must complete the training program to our satisfaction at least two weeks before opening the Store. If you hire or retain an outside sales representative, he or she may be required to complete the marketing and sales portion of our training program. You may send up to three individuals to the initial training program. If you ask to send more than three

individuals to the initial training program, then you agree to pay us a training fee in the amount of \$1,143 for each additional individual that will attend the initial training program, with payment to be made in full before initial training starts.

Classroom, in-Store and webinar training is conducted by our officers, associates and outside companies or individuals. We reserve the right to periodically change trainers. We will select an appropriate Metal Supermarkets store for your on-the-job training. You will be responsible for your own compensation (or the compensation of your Operating Principal) and that of your Manager and sales representative (if applicable) and any travel, lodging and living expenses incurred in connection with attendance at the training program. You can include any other employees you think necessary in the initial training program.

We will not charge any additional fees for attending the initial training programs. Neither you nor your employees will receive any compensation from us for services performed during training. The initial training program is not scheduled on any set time table. Rather, it is scheduled on an as-needed basis. Before you open your Store and for a period of one year following the date that you open your Store, we will provide you with access, at our expense, to an online metal product knowledge training program provided by a third party.

Before opening your Store, you must complete to our satisfaction the on-line training program, which is approximately 45 hours (20 hours of metal-based learning and 25 hours on topics related to the operation of the business). In addition to completing the training, you must participate in weekly conference calls with our pre-opening team to make sure that you are progressing to our satisfaction toward the opening of your Store.

Instructional materials for the initial training program include the Store Operations Manual, videos, on-line training and customer service materials. The subjects covered and approximate hours of classroom and on-the-job training are described in the table below.

If you (or your Operating Principal) have not previously owned or operated a Store, you and your staff must be present for additional training that will occur at your Store the week prior to your opening and the week of your opening. This training will be facilitated by one or more of our field supervisors. We will be responsible for the compensation of the field supervisors as well as their travel and accommodation expenses during this time.

If your Operating Principal or Manager cease active management or employment at the Store, or if at any time we disapprove of the Operating Principal or Manager, then you must enroll a qualified replacement (who must be reasonably acceptable to us) in our next available initial training program. The replacement must attend and successfully complete the initial training program, to our reasonable satisfaction.

The training program consists of approximately six working days of classroom training at our head office in Toronto, Ontario, Canada or online, five working days at a Toronto or Minneapolis area Metal Supermarkets stores, and up to fourteen working days in your store with a field supervisor. Our Training, New Store & Service Manager is Jason Jackson. He has over 22 years of experience with us and our predecessor company and more than 22 years of experience in the field, all relevant to the subjects he teaches. Other instructors may be involved in the training programs, each of whom will have at least one year of experience with us and at least five years of experience with the subject matter taught.

In addition to the initial training program, we may require you (or your Operating Principal) and your Manager, if applicable, to attend and successfully complete periodic or additional training programs for which we may charge reasonable fees (currently \$350 per day per instructor, plus the instructors' travel and accommodation expenses).

Advertising Programs

We have established a Brand Fund (“Fund”). The Fund is for the creation and development of marketing, advertising and related program materials. You currently must make a monthly contribution to the Fund (subject to adjustment) of 1.5% of Gross Sales. We have the right to periodically adjust the amount of the contribution, as we deem appropriate. However, the monthly contribution fee shall in no event exceed 2.5% of Gross Sales. Within 30 days of our fiscal year end, we will notify you of the amount of the Brand Fund Contribution for that year. There will be a cap on the maximum amount you are required to contribute as set forth below:

<u>Brand Fund Contribution</u>	<u>Maximum Annual Contribution</u>
0.5% of Gross Sales	\$9,030
1.0% of Gross Sales	\$15,071
1.5% of Gross Sales	\$20,497
2.0% of Gross Sales	\$30,076
2.5% of Gross Sales	\$38,582

The amount of the Maximum Annual Contribution is subject to annual CPI adjustments effective as of our fiscal year end and the base year is our fiscal year ended September 30, 2021.

If you operate other Metal Supermarkets stores pursuant to other franchise agreements with us and such other Metal Supermarkets stores are in contiguous Protected Areas, then your Store together with your other Metal Supermarkets stores in contiguous Protected Areas are considered to be “Adjoining Stores.”

If you are not in default under any of your franchise agreements with us, then, with respect only to the Adjoining Stores, the Maximum Annual Contribution described above will be the maximum contribution payable in each year by such Metal Supermarkets store operated by you which generated the greatest Gross Sales in the preceding fiscal year (the “Maximum Contribution store”), and all other such Metal Supermarkets stores (which are not the Maximum Contribution store) will contribute, as a Brand Fund Contribution, a maximum amount equal to 50% of the Maximum Annual Contribution up to and including September 30, 2024, and seventy five percent (75%) effective October 1, 2024 and after.

Any Metal Supermarkets stores owned by us and our affiliates in the United States will contribute to the Fund on the same basis. The Fund will not spend any money on advertising that is principally a solicitation for the sale of new franchises. We will not be required to spend any set amount or percentage in your area (from the Fund or otherwise).

We will have sole control over all aspects of programs financed by the Fund including international, national or regional media, creative concepts, materials and endorsements. Although the Fund will be intended to maximize general recognition and patronage of the Marks for the benefit of all Metal Supermarkets stores, we cannot assure you that any particular Metal Supermarkets Store will benefit directly or pro rata from the placement of advertising, or that expenditures from the Fund will be made in the United States or in the Protected Area. The Fund may be used to pay for the cost of preparing, producing, management and placement of materials and programs we select, including video, audio, written, internet, social media and other electronic media, and for the cost of engaging advertising, creative and technical agencies and consultants or talent as well as supporting market and customer research, measurement and analysis activities. The Fund may be used to pay for reasonable salaries, benefits, administrative costs and overhead expenses that we or our Affiliates may incur or that are allocated to activities related to the administration or

management of the Fund and its programs, including conducting market research, preparing advertising and marketing materials and collecting and accounting for contributions to the Fund.

During our last fiscal year ending September 30, 2021, we spent 0.23% of the Brand Fund on production, 10.39% on wages and benefits, 48.94% on media placement, 2.44% on public relations, 3.99% on customer satisfaction and customer research, 12.16% on store sales assistance including tele-prospecting and 21.86% on website development and content management.

The Fund will be accounted for separately from our other funds, but may be deposited in any of our general accounts and commingled with our other funds and funds of our Affiliates. The Fund will not be audited. While our goal generally will be to balance the Fund on an annual basis, from time to time the Fund may run either a surplus or a deficit. All disbursements from the Fund shall be first from income and then from contributions. We may spend in any fiscal year an amount greater or less than the aggregate contributions of all Metal Supermarkets stores to the Fund in that year, and the Fund may borrow from us or other lenders to cover deficits in the Fund or cause the Fund to invest any surplus for future use by the Fund. We will prepare annually an unaudited statement of monies collected and costs incurred by the Fund and furnish you a copy upon your written request. Except as otherwise provided in the Franchise Agreement, we assume no direct or indirect liability or obligation with respect to the maintenance, direction or administration of the Fund. We will not act as trustee or in any other fiduciary capacity with respect to the Fund. We and/or our Affiliates may maintain other marketing and/or advertising funds in other regions or countries and certain costs and/or expenses relating thereto may be shared among the various funds, including the Fund. We and/or our Affiliates have the right to co-mingle or separate such funds or combine administrative functions of such funds, including the Fund, to create one or more funds for Canada and/or the United States and/or elsewhere, and/or to allocate all or a portion of such funds, including the Fund, to regional, national or international advertising and marketing administered by us, or to co-operatives administered by one or more groups of franchisees on a basis that we determine.

There is no advertising council composed of franchisees. However, we sponsor a franchisee advisory council ("FAC") that has a marketing subcommittee that we appoint. The subcommittee provides input on marketing and advertising ideas, concepts, results and policies. We have the power to form, change and dissolve the FAC or the marketing subcommittee.

You are not required to participate in any advertising cooperative.

We may, but are not required to, provide you with sales and marketing assistance, including updating the database of potential customers in the Protected Area, telemarketing, and other sales and marketing programs that we may develop. You may use advertising and promotional materials not prepared or previously approved by us only with our prior approval as described in Item 8. Restrictions on your use of particular advertising media, including web sites and the Internet, are described in Item 8 and below.

Franchisee Advertising

You must deposit \$15,000 with us upon signing the Franchise Agreement, which is the minimum amount you are required to spend on approved advertising during the first 12 months of the operation of your Store. No interest will be accrued or paid on this deposit. The funds must be spent on approved advertising, and we can periodically revise and specify the expenditures that constitute approved advertising. You must make these advertising expenditures in reasonable regular intervals during this 12-month period, and we have the right to make some of these advertising expenditures on your behalf. You and we will periodically reconcile our expenditures for these purposes, provide each other with appropriate verification (receipts, etc.) as we specify to substantiate these advertising expenditures. We will draw from your advertising deposit for advertising expenditures we make on your behalf and otherwise adjust the balance of that deposit accordingly.

Funds from the advertising deposit will also be released to you to reimburse you for the approved advertising expenditures you make during the first 12 months of the operation of your Store. Expenditures for directory listings do not count toward the \$15,000 requirement for the first 12 months of your operations.

For each subsequent year co-terminus with our fiscal year, you must spend on approved advertising programs at least the greater of \$10,000 or 1.0% of Gross Sales accrued during such period (for the period of time between the end of your first 12 months of operations and the start of our then next fiscal year, the \$10,000 annual minimum requirement will be prorated). You must submit documentation of your advertising expenditures at such times and in such form as we designate. If you fail to make any required advertising expenditures, we have the right to require you to contribute the amount of any deficiency to the Fund to be used by us for general advertising and promotion.

We have the right to periodically designate in the Operations Manual the expenditures that will or will not be permitted to constitute approved advertising, but advertising programs that we may approve include: (a) any amounts spent for advertising media; and (b) the cost of producing approved materials necessary to participate in these media, if not provided by us. Advertising expenditures will not be approved for items which we, in our reasonable judgment, deem inappropriate for meeting this minimum advertising requirement, including permanent on-premises signs, maintaining vehicles (even though such vehicles may display the Marks). You must use such advertising and media placement agencies as we periodically designate. For local or regional advertising whose scope includes more than one Metal Supermarkets store, the advertising must identify each applicable Metal Supermarkets store, and the cost of that advertising must be reasonably apportioned among all Metal Supermarkets stores listed in that advertisement.

Online Sites (as defined below) are considered as “marketing” under the Franchise Agreement, and are subject (among other things) to our review and prior written approval before they may be used (as described above). As used in the Franchise Agreement, the term “Online Site” means one or more related documents, designs, pages, or other communications that can be accessed through electronic means, including, for example, the Internet, World Wide Web, webpages, microsites, social networking sites (e.g., Facebook, Twitter, LinkedIn, YouTube, Google Plus, Pinterest, etc.), blogs, vlogs, applications to be installed on mobile devices (e.g., iPad or Android apps), and other applications, etc., and that refers to the Store, Marks, us, or the System. In connection with any Online Site, the Franchise Agreement provides that you may not establish an Online Site, nor may you offer, promote, or sell any products or services, or make any use of the Marks, through the Internet without our prior written approval. As a condition to granting consent, we will have the right to establish any requirement that we deem appropriate, including for example a requirement that your only presence on the Internet will be through one or more webpages that we establish on our website.

Computer Hardware, Software, Communications and Technology Systems

You will have to abide by our requirements concerning the computer, communications and technology system, including: (a) back office systems, data, audio, video (including managed video security surveillance), telephone, voice messaging, retrieval, and transmission systems for use at Metal Supermarkets stores, between or among Metal Supermarkets stores, and between and among the Store, and you, and us; (b) physical, electronic, and other security systems and measures; (c) printers and other peripheral devices; (d) archival back-up systems; and (e) internet access mode (e.g., form of telecommunications connection) and speed (collectively, all of the above are referred to as the “Computer System”). Some of the hardware and software that you will use in connection with the Computer System is the proprietary property of third parties which may include our affiliates. We have not approved any hardware or software in place of these systems and programs, although we reserve the right to do so in the future. We have the right to specify the brands, types, makes, and models of your Computer System.

As of the date of this Disclosure Document, the estimated purchase price of the Computer System and any perpetual third-party software licenses is \$4,000 to \$7,500 while the fees for use of third-party software are \$25 to \$35 per month per user based on a minimum of five (5) users, and the Hosting Fee costs to access and utilize our proprietary software will range from \$511 to \$678 per month, depending on your annual Gross Sales. In addition, there may be additional expenses and periodic changes as described in Item 6. Neither we nor our affiliates or any third party has any obligation to provide ongoing maintenance, repairs, upgrades or updates, except as provided in the Hosting Support and Software Agreement (see below and see Exhibit C- 4). You are required to periodically upgrade the Computer System (hardware and software) as we require. There is no contractual limit on the frequency or cost of upgrades. You must duly execute and deliver such technology agreements as we may periodically require. This includes the VoIP Services Agreement (attached as Exhibit C-5) that we currently require you to enter into in connection with Jive Communications, Inc. providing you with hosted VoIP PBX service, IP service, local telephone service, and other information and communications services. You must abide by the terms of such agreements, including payment of all fees owed under the agreements. You must not use any technology in the operation of your Store without our express prior approval. The current estimated annual cost of optional or required maintenance, administration, updating, upgrading or support contracts is \$500 to \$1,000. It may be significantly greater if we impose material upgrade requirements in any given year.

At your expense, you will take such actions and measures as we may periodically require for you to access the internet connection to our hosted solution and to protect the security of networks we make available to you, including inserting “firewalls” and other security devices between such networks, interfaces or systems. We may make such inspections and tests as we deem necessary to verify compliance with these requirements.

All data you collect or provide on your Computer System, whether or not uploaded to our system from your system, and/or downloaded from your system to our system is and will be owned exclusively by us, and we will have the right to use such data in any manner that we deem appropriate without compensation to you. We will have independent access to the information generated and stored in your system. We have the right to retrieve and use such data and information from your Computer System as we deem desirable, with any cost of retrieval to be borne by you; provided, however, that we agree to comply with all applicable privacy laws in connection with the retrieval, use, storage and transmission of such data and information, provided that you must ensure that you obtain all necessary consents to ensure that we can collect, use and disclose customers’ personal information in the manner set out in our privacy policy.

To ensure full operational efficiency and optimum communication capability between and among computer systems, you agree at your expense, to keep your computer and communications systems in good condition, and to promptly install such additions, changes, modifications, substitutions or replacements to technology, including hardware, software, telephone and power lines, and other computer-related facilities, as we direct.

MSSC provides hosting services to us that we provide to you. You must enter into a Hosting Support and Software Agreement, a current copy of which is attached to this Disclosure Document as Exhibit C-4. We require you to purchase at least three computers and two printers to our specifications. You will receive support for the hosting services as part of the monthly hosting services fee.

You may be required to implement and use new or additional software. The required software provides all the basic functions of a standard point of sale system, including facilitating purchase transactions, receipt generation and sales tracking. In addition to these basic functions, it manages inventory, metal procurement, tracks cost of goods sold, generates invoices, provides in-depth business reports and analytics and performs all required accounting functions.

ITEM 12

TERRITORY

Franchise Agreement

The Franchise Agreement grants you the right to own and operate a Metal Supermarkets store at a specific location within a protected area (the “Premises”). We and you will mutually agree, and designate in Schedule A to the Franchise Agreement, a geographical area called the “Protected Area.” The Protected Area will be a geographical area that includes in our reasonable estimate at least 750 manufacturing facilities, tool and die shops and other potential customers of your Metal Supermarkets store.

Within 60 days after the date of the Franchise Agreement, you must propose to us for our approval a location for your Store within the Protected Area. We and you will then complete and sign Schedule B to the Franchise Agreement. At that time, the location identified in Schedule B will be deemed the “Premises” for purposes of the Franchise Agreement. If you want to relocate your Store, we will approve of the relocation provided that: (1) the new location is in the Protected Area, and (2) the new location meets our then-current standards.

During the term of the Franchise Agreement, and so long as you are in compliance with the terms of the Franchise Agreement, we will not: (a) operate (directly or through an affiliate), nor grant to another person the right to operate, any Metal Supermarkets store with a physical location within your Protected Area; or (b) establish (directly or through an affiliate), nor grant to other persons the right to establish, a business within your Protected Area that offers or sells the same range of metal products and metal processing services as are offered by Metal Supermarkets stores generally.

Other than those territorial protections noted above, we reserve all other rights, and can do anything, anywhere, on any basis we choose, including the following things:

- operate, and grant others the right to operate, Metal Supermarkets stores at any location outside the Protected Area;
- operate, and license others to operate, any business of any kind inside or outside the Protected Area, so long as those businesses (i) are not Metal Supermarkets stores operated within the Protected Area, or (ii) do not sell the same range of metal products and metal processing services as are offered by Metal Supermarkets stores generally;
- acquire (or be acquired) and then operate any business of any kind (including a business selling the same range of metal products and metal processing services as are offered by Metal Supermarkets stores generally), whether located inside or outside the Protected Area; and
- offer, advertise, sell and distribute, or license others to offer, advertise, sell and distribute, directly or indirectly, any products or services using any marks (including the Marks), from any location or to any purchaser (which means we can, among other things, sell products and services at wholesale and to purchasers in the Protected Area through stores, mail order, and on the Internet, under our Marks or as private-labeled items).

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

You may not conduct the business of your Store or use the System at any other location, or relocate your Store, without our prior written consent. You may not solicit any customers (e.g. through telemarketing, emailing, faxing, Internet, catalog sales, telemarketing or other direct marketing and other sales and marketing efforts that we reasonably designate) who are located outside your Protected Area. You will operate your Store in a Protected Area as further described below. We do not pay any compensation for soliciting or accepting orders in your area. However, we manage the Metal Supermarkets E-Commerce site in the United States. You must sign the E-Commerce Participation Agreement (see Exhibit H) and you may be referred work to be performed for E-Commerce customers in your geographic area and receive compensation for such work. You do not have the right to advertise on the Internet or otherwise conduct e-commerce except through the Metal Supermarkets E-Commerce website.

You may only offer and sell products and services from the Store and only according to the requirements in the Franchise Agreement and the Operations Manual. You may not advertise your Store nor solicit, offer or sell any products or services through any means other than as permitted in the Franchise Agreement. This means, for example, that you may not offer or sell products or services from satellite locations, temporary locations, by use of catalogs, the Internet, or through any other electronic or other media. You must exert your best efforts to fully exploit the commercial potential for your Store within the Protected Area and you must not directly or indirectly solicit any customer or prospect (including, for example, through telemarketing, e-mailing, Internet, SMS (or text) messaging, faxing and other electronic methods, as well as mailer programs and other sales or marketing efforts that we reasonably determine constitutes a solicitation) whose business address (or the location to which you deliver your products or services) is located outside of the Protected Area. We will, in our discretion, exert efforts seeking to restrict Metal Supermarkets stores owned and operated by independent third parties under franchise, license or other arrangements from directly soliciting customers whose principal business address (or the location where products and services are delivered) is located within the Protected Area. You acknowledge, however, that we have no liability for the conduct of a franchisee who does not comply with our requirements or restrictions.

You agree not to advertise your Store nor to offer or sell any products or services of your Store through any medium we reasonably determine to be inappropriate, including the Internet or websites.

Even though you have a Protected Area, we may advertise and provide ordering and fulfillment services (or to authorize another person to fulfill any customer orders) for products and services authorized for Metal Supermarkets stores to customers located within the Protected Area, through the Internet or other form of electronic media, on such terms and conditions we deem appropriate, except to the extent we may agree otherwise by a separate agreement with you. In connection with that, you agree to abide by such reasonable requirements and restrictions as we may periodically impose. We may require you to participate in any such endeavors, including participation with pages on any of our Websites, and to execute such agreements and pay such fees as we deem reasonably appropriate.

Continuation of your rights to the Protected Area does not depend on achievement of a certain sales volume, market penetration or other contingency. However, there are minimum royalties which you are required to pay. We may not alter or modify your Protected Area without your written agreement. We do not grant franchisees options, rights of first refusal or similar rights to acquire additional franchises within the Protected Area or in contiguous territories.

Neither we nor any affiliate operates, franchises, or has plans to operate or franchise a business which sells or will sell similar goods or services under a different trademark.

Development Agreement

Under the Development Agreement, and as described in Item 1, if you sign a Development Agreement, you will receive a Development Area in which you must develop Metal Supermarkets Stores. During the term of the Development Agreement, and so long as you are in compliance with the terms of the Development Agreement, we will not: (a) operate (directly or through an affiliate), nor grant to another person the right to operate, any Metal Supermarkets store with a physical location within your Development Area; or (b) establish (directly or through an affiliate), nor grant to other persons the right to establish, a business within your Development Area that offers or sells the same range of metal products and metal processing services as are offered by Metal Supermarkets stores generally. Under the Development Agreement, we will approve the location and Protected Area of future Stores to be opened according to the site selection terms of each Franchise Agreement for those Stores.

Other than those territorial protections noted above, we reserve all other rights under the Development Agreement, and can do anything, anywhere, on any basis we choose, including the following things:

- operate, and grant others the right to operate, Metal Supermarkets stores at any location outside the Development Area;
- operate, and license others to operate, any business of any kind inside or outside the Development Area, so long as those businesses (i) are not Metal Supermarkets stores operated within the Development Area, or (ii) do not sell the same range of metal products and metal processing services as are offered by Metal Supermarkets stores generally;
- acquire (or be acquired) and then operate any business of any kind (including a business selling the same range of metal products and metal processing services as are offered by Metal Supermarkets stores generally), whether located inside or outside the Development Area; and
- offer, advertise, sell and distribute, or license others to offer, advertise, sell and distribute, directly or indirectly, any products or services using any marks (including the Marks), from any location or to any purchaser (which means we can, among other things, sell products and services at wholesale and to purchasers in the Development Area through stores, mail order, and on the Internet, under our Marks or as private-labeled items).

You will not have any options, rights of first refusal, or similar rights to acquire additional franchises, development rights, or other rights under the Development Agreement. Other than your obligation to meet the Development Schedule provided under the Development Agreement, continuation of your rights regarding the Development Area are not contingent upon your having met any particular sales volume, market penetration, or any other contingency, and we don't have any right to alter the Development Area provided under your Development Agreement.

ITEM 13

TRADEMARKS

Status of Principal Marks

The following is a list of the service marks which are registered on the Principal Register of the United States Patent and Trademark Office ("PTO") and which are licensed to you under the Franchise Agreement:

MARK	REGISTRATION NUMBER	REGISTRATION DATE
	3,638,672	June 16, 2009
THE CONVENIENCE STORES FOR METAL	3,638,671	June 16, 2009
METAL SUPERMARKETS	4,275,469	January 15, 2013

All rights to the trademark registrations are owned by MSKS. MSKS has granted MSSC the exclusive right to sublicense the Marks and MSSC has in turn granted us the exclusive right (under the License Agreement noted below) to use and sublicense the use of the Marks in the United States. All required affidavits of use and renewals have been filed. None of these Marks are subject to any pending material litigation or any pending infringement, opposition or cancellation proceedings.

There are no currently effective material determinations of the PTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, nor are there any pending infringement, opposition or cancellation proceedings or material litigation, involving any of the above-identified marks. There are no infringing uses actually known to us that could materially affect your use of any of the above-identified marks.

Effective November 8, 2010, we entered a license agreement (the “License Agreement”) with MSSC under which we have an exclusive license to use and sublicense the Marks and the System in the United States. The License Agreement has an initial term of 30 years, with automatic renewal rights for subsequent 10-year terms. The License Agreement may be terminated in the event that we fail to cure a default (e.g., maintain quality standards, failure to pay royalty) under the License Agreement within 30 days after we receive a notice of default. If the License Agreement terminates, we will lose our right to use the Marks and may have to substitute alternate marks in connection with the operation and franchising of Metal Supermarkets stores, including your Store. In consideration for the right to use and sublicense the Marks and System, we pay a monthly royalty or dividend to MSSC. Otherwise, there are no agreements currently in effect which significantly limit our rights to use or license the Marks in any manner material to the franchise.

Franchise Agreement

The Franchise Agreement grants you the right to use the trademarks and service marks that identify the services and/or products offered by Metal Supermarkets stores, including the mark Metal Supermarkets (the “Marks”). If we decide to modify or discontinue use of any Mark or to use one or more additional or substitute trademarks or service marks, you must comply with our directions within a reasonable time after notice. We will have no liability or obligation whatsoever with respect to any required modification or discontinuance of any Mark or promotion of a substitute trademark or service mark.

You must promptly notify us of any suspected infringement of the Marks, any known challenge to the validity of any Mark, or any known challenge to our ownership of, or your right to use, the Marks. We and MSKS have the right to direct and control any administrative proceeding or litigation, or other

adjudicative proceeding involving the Marks, including any settlement. We have the sole right, but not the obligation, to take action against use by others that may constitute infringement of the Marks.

If you have used the Marks in accordance with the Franchise Agreement, then we will defend you at our expense against any third-party claim, suit, or demand involving the Marks arising out of your use, provided you have timely notified us of such claim and as long as you and your owners are in compliance with the Franchise Agreement and all other agreements with us. If you have used the Marks but not in accordance with the Franchise Agreement, then we, MSKS or MSSC will have the right to defend you (but at your expense), or settle the matter at our discretion, against such third-party claims, suits, or demands. To the extent that such litigation is the result of your use of the Marks in a manner inconsistent with the terms of the Franchise Agreement, then you must reimburse us for the cost of such litigation (or, upon our written request, pay our legal fees directly), including reasonable attorneys' fees, court costs, discovery costs, and all other related expenses, as well as the cost of any judgment or settlement. MSKS, MSSC or we are entitled to prosecute, defend and/or settle any action arising out of your use of any Mark, and if MSKS, MSSC or we undertake to prosecute, defend and/or settle any such matter, we will have no obligation to indemnify or reimburse you for any fees or disbursements of any legal counsel you retain.

If we undertake the defense or prosecution of any litigation or other similar proceeding relating to the Marks, you must sign any and all documents, and do those acts and things that may, in our counsel's opinion, be necessary to carry out the defense or prosecution of that matter (including becoming a nominal party to any legal action).

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents that are material to the franchise.

MSKS claims copyright protection for the Store Operations Manual and all printed and/or electronically transmitted advertising and promotional materials. MSKS has not registered any of the materials to which it claims copyright protection.

Notes:

1. Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

2. Tables 1 and 2 above provide quarterly Gross Sales information for each new franchised Store that was first opened during our fiscal years, 2013, 2014, 2015, 2016, 2017, 2018, 2019 and 2020 (the period from October 1, 2012 to September 30, 2020) and that operated for at least 12 or 24 full months since then until our fiscal year end on September 30, 2021. A total of 46 newly-opened franchised Stores operated for 12 full months during that period, and 38 newly-opened franchised Stores were operational for 24 full months during that period. Each month of operation is a full calendar month, which means if a Store was not open and in operation for the first and last days of each of the relevant quarters of our fiscal year noted in the Table, that Store was not included in the results.

3. Table 4 presents Gross Margin results. Gross Margin is Gross Sales of a Store less cost of goods sold, expressed as a percentage of total Gross Sales.

- a. Except for the cost of goods sold incorporated into the calculation of Gross Margin, Table 4 does not reflect other operating expenses or other costs that must be deducted from the Gross Sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs you will incur in operating your Store. Our current and former franchisees, who are listed in this disclosure document, may be one source of this information.
- b. Gross Sales means all revenue from the sale of all services and products and all other income of every kind and nature related to, derived from, or originating from a Store and the business operated under the Franchise Agreement, including barter and the proceeds of any business interruption insurance policies, whether for cash or credit, and regardless of theft, or of collection. Gross Sales does not include (i) sales taxes or other taxes that you collect from customers and actually pay to the appropriate taxing authorities, or (ii) revenue from the sale of products to other Metal Supermarkets stores.

4. Table 4 presents Gross Profit results. Gross Profit is Gross Sales of a Store less cost of goods sold, expressed as a dollar amount. This does not include the cost of outside processing, employee costs, royalties or other fees.

5. The information included in the financial performance representation was accumulated from internally generated Store financial information from these franchised businesses.

6. We recommend that you make your own independent investigation to determine whether or not the franchise may be profitable, and consult with professional advisors before signing the Franchise Agreement.

7. Some Stores have sold this amount. Your individual results may differ. There is no assurance that you'll sell as much.

Independent Auditor's Report

To the shareholders of Metal Supermarkets Franchising America Inc.

Opinion

We have audited the accompanying financial statements of Metal Supermarkets Franchising America Inc. (the "Company"), which comprise the balance sheet as at September 30, 2021, and the statements of operations, shareholder's equity and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at September 30, 2021, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Metal Supermarkets Franchising America Inc.

Notes to the financial statements

September 30, 2021

(Expressed in of Canadian dollars)

1. Organizational Nature of Business

Metal Supermarkets Franchising America Inc. (the "Company") franchises wholesale metal stores. The Company was incorporated under the Business Corporations Act (Ontario) on October 22, 2010, and franchises stores in the United States ("U.S.").

As of September 30, 2021, the Company had 76 (69 in 2020) franchised stores in the U.S. The Company enters into franchise agreements that have initial terms of 10 years and may be renewed for an additional 10 year period for a renewal fee.

2. Significant accounting policies

The financial statements have been prepared by the Company in Canadian dollars and are in accordance with the accounting principles generally accepted in the United States of America ("U.S. GAAP"). The significant accounting policies are as follows:

Cash

Cash and cash equivalents consist of cash on hand and bank balances and investments in money market instruments with original maturities of three months or less.

The carrying amount approximates fair value because of the short-term nature of these instruments.

Accounts receivable

Accounts receivable is recorded at the invoiced amount. Balances are determined to be past due based on the due date.

The allowance for doubtful accounts is the Company's best estimate of the amount of probable credit losses in the Company's existing accounts receivable. The Company determines the allowance based on historical write-off experience, customer payment history and current economic data. The Company reviews its allowance for doubtful accounts periodically.

Revenue recognition

The Company follows ASC 606, *Revenue from Contracts with Customers*. Revenue is based on the consideration to which the Company expects to be entitled in a contract with a customer and excludes amounts collected on behalf of third parties. The Company recognizes revenue when it transfers control of a good or service to a customer. The Company uses the five-step approach to revenue recognition as described in Note 3.

The Company's franchisees are required to pay royalties to the Company based on their sales. The Company recognizes royalty revenue when it is earned under the terms of the franchise agreement, which is when the franchisee generates the associated revenue, and when collection is reasonably assured.

The Company's franchisees are required to pay non-refundable initial franchise fees upon signing a franchise agreement. The Company recognizes initial franchise fee revenue when all material obligations of the Company in relation to the initial fees have been substantially performed and collection is reasonably assured. Initial franchise fees and deposits received in advance are deferred until such time as all material obligations of the Company have been substantially performed.

The Company earns e-commerce revenue from online sales which are outsourced to franchisees. The Company recognizes revenue on e-commerce sales once goods have been delivered to the customer and collection is reasonably assured.

Metal Supermarkets Franchising America Inc.

Notes to the financial statements

(Expressed in of Canadian dollars)

2. Significant accounting policies (continued)

Revenue recognition (continued)

The Company's franchisees are required to pay hosting fees for services provided by the Company. The Company recognizes hosting revenue when it is earned under the terms of the agreement, which is when the hosting services are provided, and collection is reasonably assured.

Franchise agreements

Costs for the franchise agreements, which were incurred by the Company, have been capitalized and are reviewed for impairment when the facts and circumstances indicate that the carrying value of the asset may not be recoverable. Franchise agreements are tested for impairment based on discounted cash flows and, if impaired, are written down to fair value based on the discounted cash flows. Amortization is provided on a straight-line basis once the agreements are signed based on the estimated 10 years useful life of the franchise agreement.

The franchise fee revenue, calculated as the initial franchise fee paid upon signing a franchise agreement less the revenue recognized for pre-opening services as described in Note 3, is recognized as revenue over the life of the franchise agreement. Fees relating to renewals of franchise agreements are accounted for as revenue over the 10-year estimated useful life.

Capital assets

Capital assets are recorded at cost less accumulated amortization.

Amortization is provided on a straight-line basis for the assets listed below once the assets are put into use based on the estimated useful life of the asset as follows:

Store equipment	Straight-line over 5 years
-----------------	----------------------------

Brand fund

The Company receives monthly advertising fees from franchisees as a percentage of their gross revenue, at primarily 1.5% (1% in 2020). These funds are set aside and used for marketing, advertising and related programs and materials for the benefit of the Company's franchisees.

In accordance with the agreements with the franchisees, when the amount of fees that the Company has received from franchisees exceeds the amount spent to date, the amount is recognized as a liability at period end. Conversely, if the amount spent by the Company exceeds the amount collected from the franchisees the excess amount is recognized as a prepaid at period end.

Goodwill

Goodwill is an asset representing the future economic benefits arising from other assets acquired in a business combination that are not individually identified and separately recognized. Goodwill is not amortized, but reviewed for impairment at least annually in accordance with the provisions of ASC 350, *Intangibles – Goodwill and Other*.

Management evaluates goodwill, at a minimum, on an annual basis and whenever events and changes in circumstances suggest that the carrying amount may not be recoverable. In accordance with ASC 350, impairment of goodwill is tested at the reporting unit level by comparing the reporting unit's carrying amount, including goodwill, to the fair value of the reporting unit. If the carrying amount of the reporting unit exceeds its fair value, goodwill is considered impaired and a second step is performed to measure the amount of impairment loss, if any.

Metal Supermarkets Franchising America Inc.

Notes to the financial statements

September 30, 2021

(Expressed in of Canadian dollars)

2. Significant accounting policies (continued)

Goodwill (continued)

Management concluded that the fair value did exceed the carrying amount and no impairment loss was recorded for the years ended September 30, 2021 and 2020.

Impairment of long-lived assets

Long-lived assets and definite life intangibles are reviewed for possible impairment whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. An estimate of undiscounted future net cash flows of the assets over the remaining useful lives is used in determining whether the carrying value of the assets is recoverable. If the carrying values of the assets exceed the anticipated future cash flows of the assets, an impairment loss equal to the difference between the carrying values of the assets and their estimated fair values is recognized.

Impairment of long-lived assets is assessed at the lowest levels for which there are identifiable cash flows that are independent from other groups of assets. The evaluation of long-lived assets requires the use of estimates of future cash flows. Management believes that there has been no impairment of the Company's long-lived assets as of September 30, 2021 and 2020.

Foreign currency translation

The Company's functional currency is the Canadian dollar. Foreign denominated assets, liabilities and operating items of the Company are initially measured in Canadian dollars at the exchange rate prevailing at the respective transaction dates. At the end of each reporting period foreign currency denominated monetary assets and liabilities, which are outstanding at period end, are measured at exchange rates prevailing on the balance sheet date. Gains and losses arising from these foreign currency translations are recognized in the statement of operations.

Included in the financial statements are the following Canadian equivalent amounts denominated in U.S. dollars:

	2021	2020
	Can\$	Can\$
Cash	1,512,681	1,226,117
Accounts receivable	806,981	619,835
Accounts payable	64,815	133,681

Income taxes

The Company's income tax provision has been determined using the asset and liability approach of accounting for income taxes. Under this approach, deferred income taxes represent the future tax consequences expected to occur when the reported amounts of assets and liabilities are recovered or paid. The income tax provision represents income taxes paid or payable for the current period plus the change in deferred taxes during the period. Deferred income taxes result from differences between the financial and tax bases of assets and liabilities and are adjusted for tax rates and tax laws when changes are enacted. A valuation allowance is provided against deferred income tax assets when it is more likely than not that all or some portion of the deferred income tax assets will not be realized. Interest and penalties related to uncertain tax positions are recognized as components of income tax benefit or expense in the statement of operations.

Metal Supermarkets Franchising America Inc.

Notes to the financial statements

(Expressed in of Canadian dollars)

2. Significant accounting policies (continued)

Income taxes (continued)

The Company may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by the taxing authorities based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. Unrecognized tax benefits are tax benefits claimed in tax returns that do not meet these recognition and measurement standards.

Financial instruments

The Company follows ASC 820-10, Fair Value Measurements and Disclosures, as amended by ASU 2016-01, Financial Instruments – Overall: Recognition and Measurement of Financial Assets and Financial Liabilities, for fair value measurements of financial and nonfinancial assets and liabilities and for fair value measurements of nonfinancial items that are recognized or disclosed at fair value in the financial statements on a recurring or nonrecurring basis.

ASC 820-10 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 – Quoted prices in active markets for identical assets or liabilities.

Level 2 – Inputs, other than quoted prices in active markets, that are observable either directly or indirectly.

Level 3 – Unobservable inputs based on the Company's assumptions.

Financial instruments are recorded at fair value when acquired or issued and subsequently measured at cost or amortized cost less impairment, if applicable. Financial assets are tested for impairment when changes in circumstances indicate the asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are charged to the financial instrument for those measured at amortized cost.

The Company's financial assets and financial liabilities consist of those amounts referred to in Note 8.

Use of estimates

In preparing the Company's financial statements, in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Key components of the financial statements requiring management to make estimates include allowances for uncollectible accounts receivable and due from related companies, accounts payable and accrued liabilities, the useful lives and potential impairment of long-lived assets, asset valuations, the calculation of income taxes and valuation of deferred income taxes and related valuation allowance and liabilities under legal contingencies.

Actual results could differ from these estimates. By their nature, these estimates are subject to measurement uncertainty and the effect on the financial statements of changes in such estimates in future periods could be significant.

Standards, Amendments and Interpretations not yet effective

ASC 842 leases

On February 25, 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*, which supersedes the lease requirements in Topic 840, *Leases*. This guidance is effective for years beginning after December 15, 2021, with earlier adoption permitted. The adoption of this standard is not expected to have a significant impact on the financial statements.

ASC 326 financial instruments - "Credit Losses"

On June 16, 2016, the FASB issued ASU No. 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of credit losses on financial instruments*. The amendments in this ASU affect entities holding financial assets and net investments in leases that are not accounted for at fair value through net income. The amendments affect loans, debt securities, trade receivables, net investments in leases, off-balance-sheet credit exposures, reinsurance receivables, and any other financial assets not excluded from the scope that have the contractual right to receive cash. The amendments in this update affect an entity to varying degrees depending on the credit quality of the assets held by the entity, their duration, and how the entity applies current U.S. GAAP. This guidance is effective for years beginning after December 15, 2022. The Company has not yet analyzed the impact of this standard, if any, on its financial statements.

Income taxes

During December 2019, the FASB issued ASU No. 2019-12, *Income Taxes (Topic 740)*. The amendments in this update affect entities within the scope of Topic 740 by removing certain exceptions to the general principles, and also improve consistent application of and simplify U.S. GAAP for other areas, in Topic 740. This guidance is effective for years beginning after December 15, 2021. The Company has not yet analyzed the impact of this standard, if any, on its financial statements.

3. New accounting standard effective in the current year

First time adoption of Accounting Standards Codification 606 ("ASC 606"), Revenue from Contracts with Customers

In the current year, the Company adopted ASC 606 using the full-retrospective method. The Company's revenue is derived from the franchising of wholesale metal stores. Revenues include royalties, initial franchise/license fees, e-commerce and hosting fees. Details of the new standard are described below.

ASC 606 provides a five-step analysis of contracts to determine when and how revenue is recognized and replaces most existing revenue recognition guidance in U.S. GAAP. The core principle of ASC 606 is that an entity should recognize revenue to reflect the transfer of goods and services to customers in an amount equal to the consideration the entity receives or expects to receive.

3. New accounting standard effective in the current year (continued)

First time adoption of Accounting Standards Codification 606 ("ASC 606"), Revenue from Contracts with Customers (continued)

As part of the adoption of ASC 606, the Company elected to use the following transitional practical expedients:

- revenue from contracts which begin and end in the same fiscal year has not been restated;
- all contract modifications that occurred prior to the date of initial application when identifying the satisfied and unsatisfied performance obligations, determining the transaction price, and allocating the transaction price have been reflected in the aggregate.

The Company applies the following five step framework to recognize revenue:

- Step 1: Identify the contract with a customer
- Step 2: Identify the performance obligations in the contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations in the contract
- Step 5: Recognize revenue when (or as) the entity satisfies a performance obligation

Many of the Company's contracts contain multiple performance obligations, such as when franchisee licenses are sold with on-site support activities. The Company recognizes revenue when control of the services or products are transferred to a customer, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those services or products. The Company is principally responsible for the satisfaction of its distinct performance obligations, which are satisfied either at a point in time or over a period of time.

Performance obligations satisfied at a point in time

Royalties

The Company recognizes royalty revenue when it is earned under the terms of the franchise agreement, which is when the franchisee generates the associated revenue by transferring control over ordered items, which is the point at which the customer obtains physical possession of the goods, legal title is transferred, the customer has all the risks and rewards of ownership and an obligation to pay for the goods is created.

E-commerce

The Company earns e-commerce revenue from online sales which are outsourced to franchisees. The Company recognizes revenue on e-commerce sales once control is transferred to customers over ordered items, which is the point at which the customer obtains physical possession of the goods, legal title is transferred, the customer has all the risks and rewards of ownership and an obligation to pay for the goods is created.

Hosting fees

The Company's franchisees are required to pay hosting fees for services provided by the Company. The Company recognizes hosting revenue when it is earned under the terms of the agreement, which is when the hosting services are provided, which is the point at which the customer receives the services, material obligations of the Company have been substantially performed and an obligation to pay for the services is created.

3. New accounting standards effective in the current year (continued)

First time adoption of Accounting Standards Codification 606 ("ASC 606"), Revenue from Contracts with Customers (continued)

Performance obligations satisfied at a point in time (continued)

Initial franchise/license fees

The Company's franchisees are required to pay non-refundable initial franchise fees upon signing a franchise agreement. This initial fee includes the price for initial franchise license and on-site support services offered to the franchisee upon opening of a new franchise. The Company adopted the practical expedient under the Accounting Standard Update ("ASU") 2021-02, *Franchisors – Revenue from Contracts with Customers* (Sub-Topic 952-606).

Under the practical expedient the Company accounts for pre-opening services as distinct from the franchise license and are recognized upon opening of the franchise location. Pre-opening services for the Company include site selection, initial training of the franchisee and on-site opening support. The Company has elected to use the practical expedient and elects to account for all pre-opening services as a single performance obligation as the services are consistent with the list in 952-606-25-2.

As a result, the following retrospective adjustments were made to previously reported figures:

- Retained earnings as at October 1, 2019 decreased by \$895,101 and deferred revenue increased by \$895,101.
- Royalties and franchise fees revenue for the year-ended September 30, 2020 decreased by \$130,502 and deferred revenue increased by \$130,502.
- Royalties and franchise fees revenue for the year-ended September 30, 2021 decreased by \$91,926 and deferred revenue increased by \$91,926. The cumulative adjustment to deferred revenue and royalties and franchise fees revenue is \$1,071,436 as at September 31, 2021.
- As a result of the above adjustments a foreign exchange gain was recognized during the year of \$50,032 (2020 foreign exchange loss of \$3,939)

Performance obligations satisfied over a period of time

Initial franchise/license fees

The Company enters into franchise contracts that include the right to use the franchise licenses throughout the term of the contract, typically for a period of 10 years or less.

Revenue from franchise licenses is recognized ratably over the contractual period using a time-based measure of progress as franchisees receive the benefits from their contractually agreed-upon term. Initial franchise fees and deposits received in advance are deferred until such time as all material obligations of the Company have been substantially performed.

8. Financial instruments risks

The fair values of cash, accounts receivable, due from related companies, accounts payable and accrued liabilities and due to related companies approximate their carrying values due to the short term nature of these financial instruments.

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Company is exposed to credit risk resulting from the possibility that a customer or counterparty to a financial instrument defaults on their financial obligations; if there is a concentration of transactions carried out with the same counterparty; or of financial obligations, which have similar economic characteristics such that they could be similarly affected by changes in economic conditions. The Company's financial instruments that are exposed to concentrations of credit risk relate primarily to accounts receivable which are due from franchises included in accounts receivable and due from related companies. Given the impact of the COVID-19 pandemic on the retail industry, the credit risk associated with related party receivables have increased as the Company's related parties have been adversely impacted by ongoing restrictions and corresponding sales activity. The Company continues to monitor the net cash flows generated by its related parties in evaluating any potential loss on related party receivables.

(Expressed in of Canadian dollars)

8. Financial instruments risks (continued)

Liquidity risk

Liquidity risk is the risk that the Company encounters difficulty in meeting its obligations associated with financial liabilities. Liquidity risk includes the risk that, as a result of operational liquidity requirements, the Company will not have sufficient funds to settle a transaction on the due date; will be forced to sell financial assets at a value, which is less than what they are worth; or may be unable to settle or recover a financial asset. Liquidity risk arises primarily from accounts payable and accrued liabilities and due to related companies.

9. Commitments

In 2010, the Company entered into an IP License Agreement with Metal Supermarkets Service Company Inc., a related company under common control. Under the terms of this agreement, the Company has committed to pay licensing fees based on 32% of royalty revenue and 12% of hosting fees received by it less the aggregate adjusted dividend amount paid on the Class X preferred share for a 30 year period in exchange for the IP services provided to it by Metal Supermarkets Service Company Inc.

10. Income taxes

A reconciliation between income tax expense and the product of accounting profit before income taxes multiplied by the Company's blended income tax rate for the years ending September 30, 2021 and 2020 are as follows:

	2021	2020
	\$	\$
Net income for the year	3,861,527	1,832,682
Combined basic federal and provincial tax rates	26.50%	26.50%
Expected income tax expense	1,023,305	485,661
Permanent difference	(140,027)	152,792
Foreign tax credits	(501,139)	(576,572)
Other	109,058	216,780
	491,197	278,661

The tax effect of significant components of the Company's deferred income tax asset are as follows:

	2021	2020
	\$	\$
Franchise agreements	62,000	39,000

11. COVID-19

On March 11, 2020, the World Health Organization characterized the outbreak of a strain of the novel coronavirus ("COVID-19") as a pandemic which has resulted in a series of public health and emergency measures that have been put in place to combat the spread of the virus. Although the impact on the financial results has not been significant to date, the duration and impact of COVID-19 is unknown at this time and it is not possible to reliably estimate the impact that the length and severity of these developments will have on the financial results and condition of the Company in future periods.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of September 30, 2020 and 2019 and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Metal Supermarkets Franchising America Inc. Notes to Financial Statements (Expressed in Canadian dollars)

September 30, 2020 and 2019

1. Organizational Nature of Business

Metal Supermarkets Franchising America Inc. (the "Company") franchises wholesale metal stores. The Company was incorporated under the Business Corporations Act (Ontario) on October 22, 2010, and franchises stores in the United States ("U.S.").

As of September 30, 2020, the Company had 69 (2019 - 62) franchised stores in the U.S. The Company enters into franchise agreements that have initial terms of 10 years and may be renewed for an additional 10 year period for a renewal fee.

2. Significant Accounting Policies

The financial statements have been prepared by the Company in Canadian dollars and are in accordance with the accounting principles generally accepted in the United States of America ("U.S. GAAP"). The significant accounting policies are as follows:

Revenue Recognition

The Company's franchisees are required to pay royalties to the Company based on their sales. The Company recognizes royalty revenue when it is earned under the terms of the franchise agreement, which is when the franchisee generates the associated revenue, and when collection is reasonably assured.

The Company's franchisees are required to pay non-refundable initial franchise fees upon signing a franchise agreement. The Company recognizes initial franchise fee revenue when all material obligations of the Company in relation to the initial fees have been substantially performed and collection is reasonably assured.

Initial franchise fees and deposits received in advance are deferred until such time as all material obligations of the Company have been substantially performed.

The Company earns e-commerce revenue from online sales which are outsourced to franchisees. The Company recognizes revenue on e-commerce sales once goods have been delivered to the customer and collection is reasonably assured.

The Company's franchisees are required to pay hosting fees for services provided by the Company. The Company recognizes hosting revenue when it is earned under the terms of the agreement, which is when the hosting services are provided and collection is reasonably assured.

Cash

Cash and cash equivalents consist of cash on hand and bank balances and investments in money market instruments with original maturities of three months or less.

The carrying amount approximates fair value because of the short term nature of these instruments.

September 30, 2020 and 2019

2. Significant Accounting Policies (Continued)

Accounts Receivable

Accounts receivable are recorded at the invoiced amount. Balances are determined to be past due based on the due date.

The allowance for doubtful accounts is the Company's best estimate of the amount of probable credit losses in the Company's existing accounts receivable. The Company determines the allowance based on historical write-off experience, customer payment history and current economic data. The Company reviews its allowance for doubtful accounts periodically.

Franchise Agreements

Franchise agreements costs for designing the franchise agreements, which were incurred by the Company, have been capitalized and are reviewed for impairment when the facts and circumstances indicate that the carrying value of the asset may not be recoverable. Franchise agreements are tested for impairment based on discounted cash flows and, if impaired, are written down to fair value based on the discounted cash flows.

Fees related to renewals of franchise agreements are accounted for as revenue in the period in which the renewal takes place.

Goodwill

Management evaluates goodwill, at a minimum, on an annual basis and whenever events and changes in circumstances suggest that the carrying amount may not be recoverable. In accordance with Accounting Standards Codification (ASC) Topic 350, "Intangibles - Goodwill and other", impairment of goodwill is tested at the reporting unit level by comparing the reporting unit's carrying amount, including goodwill, to the fair value of the reporting unit. If the carrying amount of the reporting unit exceeds its fair value, goodwill is considered impaired and a second step is performed to measure the amount of impairment loss, if any.

Management concluded that the fair value did exceed the carrying amount and no impairment loss was recorded for the years ended September 30, 2020 and 2019.

Impairment of Long-lived Assets

Long-lived assets and definite life intangibles held and used by the Company are reviewed for possible impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. If the undiscounted value of the future cash flows expected to result from the use and eventual disposition of the long-lived asset is less than the carrying amount of the asset, an impairment loss is recognized for the amount by which the carrying amount of the long-lived asset exceeds its fair value. Management believes that there has been no impairment of the Company's long-lived assets as of September 30, 2020 and 2019.

2. Significant Accounting Policies (Continued)

Foreign Currency Translation

The Company's functional currency is the Canadian dollar. Foreign denominated assets, liabilities and operating items of the Company are initially measured in Canadian dollars at the exchange rate prevailing at the respective transaction dates. Monetary assets and liabilities denominated in foreign currencies, which are outstanding at period end, are measured at exchange rates prevailing on the balance sheet date.

Included in the financial statements are the following Canadian equivalent amounts denominated in U.S. dollars:

	2020	2019
Cash	CDN \$ 1,226,117	CDN \$1,059,503
Accounts receivable	CDN 619,835	CDN 619,009
Accounts payable	CDN 133,681	CDN 106,834

Income Taxes

The Company uses an asset and liability approach that requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been recognized in the Company's financial statements or tax returns as well as loss carry forwards. These deferred taxes are measured by applying enacted tax rates. Future tax benefits are adjusted downward via a valuation allowance. Significant temporary differences arise from differences in accounting and tax bases for withholding taxes and contingent liability.

Tax benefits are recognized only for tax positions that are more likely than not to be sustained upon examination by tax authorities. The amount recognized is measured as the largest amount of benefit that is greater than 50% likely to be realized upon ultimate settlement. Unrecognized tax benefits are tax benefits claimed in tax returns that do not meet these recognition and measurement standards.

Financial Instruments

Financial instruments are recorded at fair value when acquired or issued and subsequently measured at cost or amortized cost less impairment, if applicable. Financial assets are tested for impairment when changes in circumstances indicate the asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are charged to the financial instrument for those measured at amortized cost.

Use of Estimates

In preparing the Company's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Estimates are used when accounting for items and matters such as allowances for uncollectible accounts receivable and due from related companies, accounts payable and accrued liabilities, asset valuations, impairment assessments, taxes and related valuation allowance.

Actual results could differ from these estimates. By their nature, these estimates are subject to measurement uncertainty and the effect on the financial statements of changes in such estimates in future periods could be significant.

2. Significant Accounting Policies (Continued)

Brand Fund

The Company receives monthly advertising fees from franchisees based primarily at 1% (2019 - 1%) of their sales. These fees are set aside and used for marketing, advertising and related programs and materials for the benefit of the Company's franchisees.

Standards, Amendments and Interpretations Not Yet Effective

At the date of authorization of these financial statements, certain new standards, amendments and interpretations to existing standards have been published by the IASB and FASB but are not yet effective, and have not been early adopted by the Company.

Information on new standards, amendments and interpretations that are expected to be relevant to the Company's financial statements is provided below. Certain other new standards, amendments, and interpretations have been issued by management is still assessing the impact on the Company's financial statements.

ASC 606 Revenue From Contracts With Customers

ASC 606 Revenue From Contracts With Customers, is based on the core principle to recognize revenue to depict the transfer of goods or services to customers in an amount that reflects the consideration which the entity expects to be entitled in exchange for those goods or services. ASC 606 focuses on the transfer of control. ASC 606 replaces all of the revenue guidance that previously existed in U.S. GAAP. ASC 606 is effective for private-company franchisors for fiscal years beginning after December 15, 2020. The Company is currently in the process of evaluating the impact of adoption of this guidance on the financial statements.

ASC 842 Leases

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842), which supersedes ASC Topic 840, Leases and creates a new topic, ASC 842, Leases. The new guidance requires the recognition of lease assets and liabilities for operating leases with terms of more than 12 months. The ASU is effective for reporting periods beginning after December 15, 2021, with early adoption permitted. The adoption of this standard is not expected to have a significant impact on the financial statements.

ASC 326 Financial Instruments - "Credit Losses"

In November 2019, the FASB issued 2019-10 to defer the effective dates for private companies, not-for-profit organizations and certain smaller reporting companies applying standards on current expected credit losses. The new effective dates are annual periods beginning after December 15, 2022 for current expected credit losses. In addition, the FASB also issued 2019-11 to address issues raised during the implementation of ASU 2016-3 "Financial Instruments - Credit Losses" (Topic 326): Measurement of Credit Losses on Financial Instruments. The Company is currently in the process of evaluating the impact of adoption of this guidance on the consolidated financial statements.

6. Financial Instrument Risks

Fair value

The Company accounts for certain financial assets and liabilities at fair value following the provisions of ASC 820. This Topic applies to certain assets and liabilities that are being measured and reported on a fair value basis. The Topic defines fair value, establishes a framework for measuring fair value in accordance with GAAP, and expands disclosure about fair value measurements. This Topic enables the reader of the financial statements to assess the inputs used to develop those measurements by establishing a hierarchy for ranking the quality and reliability of the information used to determine fair values. The statement requires that financial assets and liabilities carried at fair value be classified and disclosed in one of the following three categories:

Level 1 - quoted market prices in active markets for identical assets or liabilities

Level 2 - observable market based inputs or unobservable inputs that are corroborated by market data

Level 3 - unobservable inputs that are not corroborated by market data

The fair values of cash, accounts receivable, due from related companies, accounts payable and accrued liabilities and due to related companies approximate their carrying values due to the short term nature of these financial instruments

Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Company is exposed to credit risk resulting from the possibility that a customer or counterparty to a financial instrument defaults on their financial obligations; if there is a concentration of transactions carried out with the same counterparty; or of financial obligations, which have similar economic characteristics such that they could be similarly affected by changes in economic conditions. The Company's financial instruments that are exposed to concentrations of credit risk relate primarily to accounts receivable which are due from franchises included in accounts receivable and due from related companies. Given the impact of the COVID-19 pandemic on the retail industry, the credit risk associated with related party receivables have increased as the Company's related parties have been adversely impacted by ongoing restrictions and corresponding sales activity. The Company continues to monitor the net cash flows generated by its related parties in evaluating any potential loss on related party receivables.

Liquidity Risk

Liquidity risk is the risk that the Company encounters difficulty in meeting its obligations associated with financial liabilities. Liquidity risk includes the risk that, as a result of operational liquidity requirements, the Company will not have sufficient funds to settle a transaction on the due date; will be forced to sell financial assets at a value, which is less than what they are worth; or may be unable to settle or recover a financial asset. Liquidity risk arises primarily from accounts payable and accrued liabilities and due to related companies. Liquidity risk has changed in the current year due to the impact of the COVID-19 pandemic (refer to Note 9) and the corresponding impact on operations.

Metal Supermarkets Franchising America Inc. Notes to Financial Statements (in Canadian dollars)

September 30, 2020 and 2019

7. Commitments

In 2010, the Company entered into an IP License Agreement with Metal Supermarkets Service Company Inc., a related company under common control. Under the terms of this agreement, the Company has committed to pay licensing fees based on 32% of royalty revenue and 12% of hosting fees received by it less the aggregate adjusted dividend amount paid on the Class X preferred share for a 30 year period in exchange for the IP services provided to it by Metal Supermarkets Service Company Inc.

8. Income Taxes

A reconciliation between income tax expense and the product of accounting loss before income taxes multiplied by the Company's blended income tax rate for the years ending September 30, 2020 and 2019 are as follows:

	2020	2019
Net income for the year	\$ 1,967,123	\$ 1,890,073
Combined basic federal and provincial tax rates	26.50%	26.50%
Expected income tax expense	\$ 521,288	\$ 500,869
Permanent difference	152,792	120,059
Foreign tax credits	(576,572)	(453,054)
Other	181,153	(65,789)
Income tax expense	278,661	102,085

The tax effect of significant components of the Company's deferred income tax asset are as follows:

	2020	2019
Franchise agreements	\$ 39,000	\$ 35,000

9. Subsequent Events

In accordance with ASC 855, the Company has evaluated whether any subsequent events that require recognition or disclosure in the accompanying financial statements and related notes thereto have taken place through January 22, 2021, the date these financial statements were available to be issued.

Subsequent to year end, the impact of COVID-19 in the United States and on the global economy increased significantly. As the impacts of COVID-19 continue, there could be further impact on the Company and its clients. Management is actively monitoring the effect on the financial condition, liquidity, operations, suppliers, industry and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the Company is not able to fully estimate the effects of the COVID-19 outbreak on its operations, financial condition, or liquidity at this time.

FRANCHISE AGREEMENT**

THIS AGREEMENT (including all Schedules, the “Agreement”) is made as of the _____ day of _____, 202____, by and between:

- **METAL SUPERMARKETS FRANCHISING AMERICA INC.** (“Franchisor” or “we”), an Ontario corporation, with its principal business offices located at 5399 Eglinton Avenue West, Suite 210, Toronto, Ontario, Canada M9C 5KC; and

- _____ (“Franchisee” or “you”), a(n) _____, whose principal address is _____; e-mail: _____ [PERSONAL EMAIL ADDRESS]. Tel: _____;

1. INTRODUCTION AND DEFINITIONS.

1.1 Metal Supermarkets Stores

We franchise Metal Supermarkets stores in the United States. Our Affiliate, MSKS IP Inc. (“MSKS”), owns a system for developing and operating Metal Supermarkets stores (collectively, the “System” as more fully defined below). MSKS has granted to its subsidiary, Metal Supermarkets Service Company Inc. (“MSSC”) an exclusive license to use, and to sublicense others to use, the System. MSSC has in turn granted to us an exclusive license to use, and to sublicense others to use, the System in the United States. We, MSKS or MSSC may periodically improve or otherwise change the System.

1.2 Acknowledgments

You acknowledge and agree that: (a) you have carefully read this Agreement and our franchise disclosure document (including all exhibits); (b) you understand the terms of this Agreement and the Ancillary Agreements and accept them as being reasonable and necessary for us to maintain brand standards, the uniformity of our high quality standards at all Metal Supermarkets stores, and to protect the goodwill of the Marks and the integrity of the System for our benefit as well as the benefit of our franchisees generally; (c) you have conducted an independent investigation of the business contemplated by this Agreement and recognize that an investment in a Metal Supermarkets store involves business risks, that its success is largely dependent on your own abilities, efforts and financial resources and that the nature of the business of Metal Supermarkets stores may change over time; (d) you have had the opportunity to seek advice of legal counsel of your choosing regarding the terms of this Agreement and the Ancillary Agreements; (e) you have not received or relied on any representation, warranty, guarantee or assurance, express, implied or collateral, as to the revenues, profits or success of the business contemplated by this Agreement; (f) MSKS owns, and has indirectly granted to us, an exclusive license to use, and to sublicense others to use, all of the rights and title to the Metal Supermarkets business and system as it is currently operated and as it may change over time due to changes and enhancements to the System, business offering, or methods of conducting business; and (g) you do not have any rights or title to any of the business methods or technologies that are used in connection with the System other than those that are expressly granted by this Agreement or the Ancillary Agreements.

1.3 Your Representations

You represent and warrant to us, and agree, that: (a) neither you nor any of your Owners has made any untrue statement of any material fact or has omitted to state any material fact in obtaining the rights granted hereunder; (b) neither you nor any of your Owners has any direct or indirect legal or beneficial interest in a Competitive Business (as defined below), except as completely and accurately disclosed in your original franchise application; and (c) the execution and performance of this Agreement or any Ancillary Agreement will not violate any other agreement to which you or any of your Owners may be bound. You recognize that we have approved your franchise application or renewal in reliance on all of the statements you and your Owners have made in connection therewith.

Notwithstanding this obligation to dedicate their full time and attention to the operation of the Store, we acknowledge that this Owner may serve as the Operating Principal for other Metal Supermarkets stores that you own in addition to the Store. We have the ongoing right to approve or disapprove of the service of the Operating Principal as to the role that he or she plays in your business; if any time we disapprove of such an individual, you agree to remove him/her from the role of Operating Principal, (but you understand and agree that our disapproval of the Operating Principal’s service in a particular role is not meant to be, and should not be construed as, any instruction or demand on our part that the individual should be dismissed as an employee and/or as an Owner).

(r) “Operations Manual” means our confidential operations manual, as we may periodically amend and supplement, which may consist of one or more manuals, containing our mandatory and suggested standards, specifications and operating policies and procedures relating to the development and operation of Metal Supermarkets stores and other information relating to your obligations under this Agreement. (w) “Qualified Affiliate” means an Affiliate of yours: (1) in which you directly or indirectly control or own 50% or more of the equity interest or voting power; (2) which directly or indirectly controls or owns 50% or more of the equity interest or voting power in you; or (3) the principal individual owner (i.e., the person who directly controls or owns 50% or more of the equity interest or voting power) is also the principal individual owner of you (i.e., the person who directly controls you or owns 50% or more of your equity interest or voting power).

(y) “System” means the business methods, systems, hardware and software (including the Computer System and Required Software, as those terms are defined below), designs and arrangements for developing and operating Metal Supermarkets stores, including the Marks; the Confidential Information; building design and layout; equipment standards; standards and specifications for metal products and other authorized products and services; training and assistance; inventory ordering and control systems; marketing programs; and certain operations and business standards and policies.

2. GRANT OF RIGHTS.

2.1 Grant of Franchise

Subject to the terms of this Agreement, we grant you the right, and you assume the obligation, to operate the Store at the Premises, and to use the System solely in connection therewith, for a term of ten (10) years, starting on the date of this Agreement (the “Term”). You may not conduct the business of your Store or use the System anywhere other than the Premises, or relocate your Store, without our consent.

2.2 Selection of Location

(a) Within a reasonable period of time, not to exceed sixty (60) days after the date of this Agreement, you agree to propose to us a location for your Store within your Protected Area, which location is subject to our approval.

(b) You agree to submit to us all information about the proposed location that we request, and we have no obligation to consider a proposed location until we receive from you a complete site analysis report for such proposed location. You agree not to execute any lease or purchase agreement for, nor commit to any other binding obligation to purchase or occupy, any proposed location until we have approved the location and the form of lease (and/or sublease) in accordance with the terms of Section 4.1. In determining whether to approve or disapprove any proposed location, we will consider such factors as we deem relevant, including general location, the number of potential customers in its immediate surroundings, and the distance to any other Metal Supermarkets store located outside the Protected Area. We have no liability whatsoever to you or anyone else for approving or disapproving a proposed location. Upon approval of a proposed location, we will identify the location in Schedule B. Upon completion of Schedule B, both parties agree to sign and attach it to this Agreement, and Schedule B shall then be part of this Agreement.

(c) Neither our site selection requirements, our approval of the Premises, nor any information we may impart to you about the Premises or the Protected Area constitutes a representation, warranty, guarantee or assurance of any kind, express, implied or collateral, that your Store will be profitable or successful. Our approval of the Premises merely signifies that we will permit you to operate your Store at that site. Your decision to develop and operate your Store at the Premises is based solely on your own independent investigation and judgment and not in reliance on any approvals or information from us.

(d) You agree not to relocate the Store without our prior written consent. Any proposed relocation will be subject to our review of the proposed new site in accordance with 2.2(b) under our then-current standards for site selection, except that we will also have the right to take into consideration

any matters that we may determine to consider. If we approve a relocation of the Store, you agree to pay us a fee of One Thousand One Hundred Nineteen Dollars (\$1,119) (subject to an annual CPI adjustment effective as of our fiscal year end, the base year being our fiscal year end of September 30, 2021), and also reimburse us for the out-of-pocket costs that we incur in connection with reviewing and approving your proposed relocation (including travel and related costs, and our attorneys' fees, if any).

2.3 Your Territorial Protection

During the Term, except as otherwise provided in Section 2.4 below, we will not, so long as you are in compliance with the terms of this Agreement:

(a) operate (directly or through an Affiliate), nor grant to another person the right to operate, any Metal Supermarkets store with a physical location within the Protected Area; or

(b) establish (directly or through an Affiliate), nor grant to other persons the right to establish, a business within the Protected Area that offers or sells the same range of metal products and metal processing services as are offered by Metal Supermarkets stores generally.

2.4 Our Reservation of Rights

Other than the territorial protections we grant to you in Section 2.3 above, we reserve all other rights, and can do anything, anywhere, on any basis we choose, including, without limitation, the following things:

(a) operate, and grant others the right to operate, Metal Supermarkets stores at any location outside the Protected Area;

(b) operate, and license others to operate, any business of any kind inside or outside the Protected Area, so long as those businesses (i) are not Metal Supermarkets stores operated within the Protected Area, or (ii) do not sell the same range of metal products and metal processing services as are offered by Metal Supermarkets stores generally;

(c) acquire (or be acquired) and then operate any business of any kind (including a business selling the same range of metal products and metal processing services as are offered by Metal Supermarkets stores generally), whether located inside or outside the Protected Area; and

(d) offer, advertise, sell and distribute, or license others to offer, advertise, sell and distribute, directly or indirectly, any products or services using any marks (including the Marks), from any location or to any purchaser (which means we can, among other things, sell products and services at wholesale and to purchasers in the Protected Area through stores, mail order, and on the Internet, under our Marks or as private-labeled items).

2.5 Limits on Where You May Sell

You may only offer and sell products and services from the Store, only in accordance with this Agreement and the procedures set forth in the Operations Manuals. You agree not to advertise your Store and not to solicit, offer or sell any products or services through any means other than as permitted in this Agreement; and therefore, for example, you agree not to offer or sell products or services from satellite locations, temporary locations, by use of catalogs, the Internet, or through any other electronic or other media. You agree to exert your best efforts to fully exploit the commercial potential for your Store within the Protected Area and you will not directly or indirectly solicit any customer or prospect (including, for

example, through telemarketing, e-mailing, Internet, SMS (or text) messaging, faxing and other electronic methods, as well as mailer programs and other sales or marketing efforts that we reasonably determine constitutes a solicitation) whose business address (or the location to which you deliver your products or services) is located outside of the Protected Area. We will, in our discretion, exert efforts seeking to restrict Metal Supermarkets stores owned and operated by independent third parties under franchise, license or other arrangements from directly soliciting customers whose principal business address (or the location where products and services are delivered) is located within the Protected Area. You acknowledge and agree that we have no liability for the conduct of a franchisee who does not comply with our requirements or restrictions.

3. FEES.

3.1 Initial Franchise Fee

You agree to pay us an initial franchise fee in the amount of Thirty-Nine Thousand Five Hundred Dollars (\$39,500). The initial franchise fee is fully earned by us and payable by you upon signing this Agreement and, except as otherwise provided herein, is non-refundable in whole or in part for any reason whatsoever. Any application fee you have paid to us in connection with your application for the rights conferred by this Agreement shall be credited against the initial franchise fee.

3.2 Monthly Royalty Fees

(a) For each of the first twelve months of operation of a newly opened Store, you agree to pay us, on or before the twentieth (20th) day of the next month, a reduced royalty fee based upon your Gross Sales during the immediately preceding full or partial month, as follows:

- i. For the first twelve months of operation, the royalty fee will be equal to 60% of the royalty fee calculated under Section 3.2(b); and
- ii. For the purpose of calculating the first 12 months of operation of the Store in this Section 3.2(a) and in Section 3.2(c) below:
 - a. if the Store opens on the 1st through 10th day of a month, then the month in which the Store opens and begins operation shall be deemed the first month of operation; and
 - b. if the Store opens on the 11th day or later of a month, then the next calendar month shall be considered the first month of operation of the Store (even though the royalty fee amount as provided in Section 3.2(a)(i) above is due for the partial month in which the Store opens).

(b) Except as otherwise provided in Section 3.2(a), you agree to pay us each month, on or before the twentieth (20th) day of that month, a royalty fee based on your Gross Sales during the immediately preceding full or partial month as follows (subject to an annual CPI adjustment effective as of our fiscal year end and the base year being our fiscal year ended September 30, 2021):

- i. On Gross Sales up to \$125,000, a royalty fee of six percent (6%) of such Gross Sales;
- ii. On Gross Sales from \$125,001 to \$185,000, a royalty fee of five percent (5%) of such Gross Sales; and

- iii. On Gross Sales from \$185,001 or more, a royalty fee of three percent (3%) of such Gross Sales.

(c) Notwithstanding the terms of Section 3.2(b) above, you must pay to us a minimum royalty fee beginning at the start of the first (1st) fiscal year of the Franchisor (i.e. October 1 through September 30) that immediately follows the first (1st) full twelve (12) months of the Store's operations, calculated from the first day the Store opened (regardless of any previous transfers of ownership of the Store or temporary closures). The minimum royalty fee is calculated as the greater of a monthly minimum royalty as set forth below (subject to an annual CPI adjustment effective as of our fiscal year end and the base year being our fiscal year ended September 30, 2021) or the royalty fee as set out under Section 3.2(b):

- i. For the second (2nd) year, a monthly minimum royalty of \$1,715;
- ii. For the third (3rd) year, a monthly minimum royalty of \$2,228;
- iii. For the fourth (4th) year, a monthly minimum royalty of \$2,448;
- iv. For the fifth (5th) year, a monthly minimum royalty of \$2,593;
- v. For the sixth (6th) year, a monthly minimum royalty of \$2,813;
- vi. For the seventh (7th) year, a monthly minimum royalty of \$3,031;
- vii. For the eighth (8th) year, a monthly minimum royalty of \$3,289; and
- viii. For the ninth (9th) year or any year thereafter, a monthly minimum royalty of \$3,579.

3.3 Interest on Late Payments; Late Fees

All amounts which you owe us or any of our Affiliates will bear interest after their due date at the rate of sixteen percent (16%) per annum, not to exceed the highest rate permitted by law. In addition, we have the right to assess service charges for any checks or other payment methods that are returned or otherwise refused for insufficient funds. You agree to pay us a \$100 late fee for each payment owed to us under this Agreement which we receive after its due date or for which there are insufficient funds. The late fee is not interest or a penalty. It is used to compensate us for increased administrative and management costs due to late payment. Notwithstanding the foregoing, your failure to pay all amounts when due constitutes grounds for termination of this Agreement as provided in Section 12.

3.4 Electronic Transfer of Funds

You agree to sign an electronic transfer of funds authorization in the form attached as Schedule F and/or such other documents as we periodically designate, to authorize and direct your bank or financial institution to transfer either electronically or through some other method of payment designated by us, directly to our account or our Affiliates' account and to charge your account all amounts due to us and our Affiliates from you. Your authorizations must permit us and our Affiliates to designate the amount to be sufficient to allow us and our affiliates to collect the amounts owed to us or our Affiliates when due. You are responsible for any penalties, fines or other similar expenses associated with the transfer of funds. You acknowledge and agree that we have the right to require you to pay either by electronic transfer of funds or through some other method of payment designated by us, regardless of whether we impose the same requirement on other Metal Supermarkets franchisees.

3.5 Application of Payments; Offsets

We intend to apply payments made by you first to interest and to the oldest outstanding amounts due to us or our Affiliates regardless of any contrary designation by you. However, we have the right to apply any payments by you to any of your past due indebtedness for the initial franchise fee, royalties, purchases or any other past due indebtedness to us or any of our Affiliates. If we or our Affiliates owe you any money, we have the right to offset amounts owed to us and our Affiliates against what is owed to you. However, you agree that all payments owed by you will be made as and when due without any setoff, deduction or prior demand.

3.6 Brand Fund Contribution

(a) We have established a Brand Fund (the "Fund") in accordance with the provisions of Section 7.10, and, subject to any maximum annual contribution levels we establish, you agree to pay us a monthly fee equal to a percent, as determined by us (not to exceed 2.5%), of your Gross Sales to fund the Fund (the "Brand Fund Contribution"). The Brand Fund Contribution is payable on or before the twentieth (20th) day of each month based on your Gross Sales accrued during the immediately preceding month.

(b) Within thirty (30) days of our fiscal year end, we will notify you of any change in the amount of the Brand Fund Contribution for that year. There will be a cap on the maximum amount you are required to contribute as set forth below:

<u>Brand Fund Contribution</u>	<u>Maximum Annual Contribution</u>
0.5% of Gross Sales	\$9,030
1.0% of Gross Sales	\$15,071
1.5% of Gross Sales	\$20,497
2.0% of Gross Sales	\$30,076
2.5% of Gross Sales	\$38,582

The Maximum Annual Contribution is subject to annual CPI adjustments effective as of our fiscal year end and the base year being our fiscal year ended September 30, 2021. Effective October 1, 2024, the Maximum Annual Contribution shall no longer be a cap or maximum contribution. As of October 1, 2024, once your Brand Fund Contribution equals the Maximum Annual Contribution, you shall continue to provide a Brand Fund Contribution at fifty percent (50%) of the declared Brand Fund Contribution rate.

(c) If you or a Qualified Affiliate operate other Metal Supermarkets stores pursuant to other franchise agreements with us and such other Metal Supermarkets stores are in contiguous Protected Territories to your Store operated under this Agreement, then your Store under this Agreement, together with your other Metal Supermarkets stores under separate agreements in contiguous Protected Areas, are considered to be "Adjoining Stores."

(d) If you are not in default under this Agreement, any Ancillary Agreements, or any other agreements that you or a Qualified Affiliate has entered into with us, then, with respect only to the Adjoining Stores, the Maximum Annual Contribution described above will be the maximum contribution payable in each year by such Metal Supermarkets store operated by you which generated the greatest Gross Sales in the preceding fiscal year (the "Maximum Contribution Store"), and all other such Metal

Supermarkets stores (which are not the Maximum Contribution Store) shall be required to contribute, as a Brand Fund Contribution, a maximum amount equal to (i) fifty percent (50%) of the Maximum Annual Contribution until September 30, 2024, and (ii) seventy five percent (75%) of the Maximum Annual Contribution beginning October 1, 2024 and thereafter. Further, as of October 1, 2024, as noted under Section 3.6(b), the Maximum Annual Contribution shall no longer be a cap or maximum, and once your Brand Fund Contribution equals the Maximum Annual Contribution, you shall continue to provide a Brand Fund Contribution at fifty percent (50%) of the declared Brand Fund Contribution rate.

3.7 Advertising Expenditures

Upon signing this Agreement, you agree to deposit with us Fifteen Thousand Dollars (\$15,000) which is the minimum amount you are required to spend on approved advertising during the first twelve (12) months of the operation of your Store. No interest will be accrued or paid on this deposit. During the first twelve (12) months of the operation of your Store, you are required to spend these funds on approved advertising. We have the right, as described in Section 7.8(b) below, to periodically specify expenditures that are permitted to constitute approved advertising. You must make these advertising expenditures in reasonable regular intervals during this 12-month period, and we have the right to make these advertising expenditures on your behalf. You and we will periodically reconcile our expenditures for these purposes, and provide each other with appropriate verification (receipts, etc.) as we specify to substantiate these advertising expenditures. You authorize us to draw from your advertising deposit for advertising expenditures we make on your behalf and otherwise adjust the balance of that deposit accordingly. Funds from the advertising deposit will also be released to you to reimburse you for the approved advertising expenditures you make during the first twelve (12) months of the operation of your Store.

3.8 Conference Fee

(a) You agree that you (or your Operating Principal) will travel to and attend our annual conference. You agree to pay us a monthly fee as a deposit to cover a portion of your share of the cost of our annual conference. This fee applies whether or not you attend the annual conference and is not refundable except as set forth in this Section. The initial monthly fee will be \$97.00 and, within thirty (30) days after our fiscal year end, we will notify you of the monthly fee for our new fiscal year (that is, our fiscal year just started). We have the right to increase the fee by the greater of the change in CPI or five percent (5%) of the previous year's annual conference fee. This fee is due and payable by the twentieth (20th) day of each month and is payable in the same manner as the royalty fee. This fee is a deposit and not your total cost for the annual conference. The final cost of the annual conference may be higher than the aggregate you have contributed and you will pay any additional cost on our request. The payment noted in this Section 3.8(a) is for one individual to attend the annual conference. If you choose to send any other individuals there will be an additional fee, in an amount that we will determine, due to us for each additional individual attending. A Store Manager, or any other employee of yours, may only attend the annual conference when your Operating Principal is also in attendance. If we choose not to have an annual conference in any given year, then no fee will be due. If you have already paid the annual conference fee for such given year, we will refund it to you without interest.

(b) The annual conference is a vital element in the development and operation of the Metal Supermarkets System and your failure to attend will result in additional costs being incurred by us in communicating relevant information regarding updates to and training on the System. Without prejudice to our other rights under the Agreement, in the event you (or your Operating Principal) fail to attend and participate in the entire annual conference, you agree to pay us a fee in the amount of Three Thousand Thirty-Three Dollars (\$3,033) (subject to an annual CPI adjustment effective as of our fiscal year end and the base year being our fiscal year ended September 30, 2021), which must be paid within thirty (30) days after the end of the annual conference. If you or a Qualified Affiliate operate other Metal Supermarkets

stores pursuant to other franchise agreements with us, you are required to only pay the conference fee in Section 3.8(a) for one (1) Store (or, if applicable, the fee for failure to attend the conference in this Section 3.8(b) for one (1) Store).

3.9 Tax Payments

You will pay all state and local franchise, use and similar taxes that may be imposed on us as the result of our receipt or accrual of the Initial Franchise Fee, the Royalty Fee, the Marketing Fees, or other fees that are referenced in this Agreement, whether assessed against you through withholding or other means or whether paid by us directly. In either case, you shall pay us (and to the appropriate governmental authority) such additional amounts as are necessary to provide us, after taking such taxes into account (including any additional taxes imposed on such additional amounts), with the same amounts that we would have received or accrued had such withholding or other payment, whether by you or by us, not been required.

4. DEVELOPMENT OF YOUR STORE.

4.1 Purchase or Lease of Premises

(a) You agree to lease, sublease or purchase the Premises within thirty (30) days after we approve the Premises as set forth in Section 2.2. You agree not to execute a Property Contract without our prior written approval during the term of this Agreement (or after the term of this Agreement as restricted under Section 10.4 below). We must approve in writing the terms of any Property Contract, and you agree to deliver a copy to us for our approval no less than seven (7) days before you sign it. You acknowledge and agree that our approval of the Property Contract for the Premises shall be conditioned upon the execution by you and the landlord of the “Addendum to Lease” (if the Premises is leased or subleased). We will provide the form of Addendum to Lease to you. Notwithstanding the terms of the Property Contract or Addendum to Lease, you acknowledge and agree that we will have the following rights:

- i. The right to allow us to elect to take an assignment of a leasehold interest upon termination or expiration of your rights under this Agreement, or upon the termination or expiration of your rights under a Property Contract, without the landlord’s additional consent, and with an acknowledgment by the landlord that we have no liability or obligation whatsoever under the Property Contract until and unless we assume the Property Contract upon termination or expiration of this Agreement;
- ii. The right and requirement that the landlord for the Premises provide us with a copy of any notice of default under the Property Contract at the same time as such notice is given to you (as the lessee or sublessee under the Property Contract), and this notice will grant us the right (but not the obligation) to cure any defaults under the Property Contract within the period in which you had to cure any such default should you fail to do so;
- iii. The right to display and use the Marks in accordance with the specifications required by the Operations Manual, subject only to the provisions of applicable law;
- iv. The right that the Premises be used solely for the operation of a Metal Supermarkets store;
- v. The obligation, upon our request, to de-identify the Premises as a Metal Supermarkets store and to promptly remove all Marks, signs, décor, Trade Dress, and other items which we reasonably request be removed as being distinctive and indicative of a Metal Supermarkets store and the System, and the right under the Property Contract to permit us to have

sufficient access to the interior and exterior of the Premises so that we may de-identify the Premises, as provided above, at your cost;

- vi. That any default under a Property Contract shall also constitute a default under this Agreement, and any default under this Agreement shall also constitute a default under a Property Contract; and
- vii. The right to remain in possession of the Premises for at least the Term of this Agreement.

(b) Our approval of the Property Contract does not constitute a representation, warranty, guarantee or assurance of any kind, express, implied or collateral, as to its fairness or suitability or as to your ability to comply with its terms. We do not, by virtue of approving the Property Contract, assume any liability or responsibility to you or to any third parties. You agree to deliver a copy of the fully signed Property Contract to us within five (5) days after its execution.

(c) Pursuant to Section 11.3 herein, if you are a corporation, partnership or limited liability corporation or company, you may not own the Premises. Also, neither you nor any Qualified Affiliate may own the Premises without our prior written consent. We may condition our consent of the ownership of the Premises on you or the Qualified Affiliate entering into written agreements with us that shall include provisions that: (a) require that the Premises be used only for the operation of your Store, (b) give us a right to lease the Premises upon commercially reasonable terms upon termination or expiration of this Agreement for a period that is the greater of the balance of the Term or two (2) years, and (c) grant other rights to us necessary to protect our interests.

4.2 Development and Opening of Your Store

You agree to open your Store within six (6) months after the date of this Agreement. You are solely responsible for developing your Store and for all expenses associated with it. We will furnish you prototype plans for a Metal Supermarkets store after the Property Contract is signed. You may modify the prototype plans only with our prior written consent, and only to the extent necessary to comply with all applicable laws, regulations, ordinances, building codes and permit requirements and any lease requirements and restrictions. All development must be in accordance with the prototype plans and specifications we have approved and must comply with our Operational Manuals and all applicable laws, regulations, ordinances, building codes and local rules and regulations. We may periodically inspect the Premises during its development. Your Store may not be opened for business until we notify you that all our requirements for opening have been met. You must reimburse us for any costs and expenses we incur prior to the opening of your Store as a result of what we deem to be your lack of organization or planning (for example, if our representative(s) travel(s) to the Store to provide pre-opening assistance and a condition that is within your control or responsibility occurs such that we must return to the Store at a later date, or extend our original visit, following the correction of that condition).

4.3 Equipment, Furniture and Signs

(a) You agree to purchase or lease and use all equipment, communication and computer systems, furnishings, fixtures and signs for your Store of the types, brands and models that we approve for Metal Supermarkets stores as meeting our standards and specifications. You agree to purchase or lease and use approved types, brands or models of equipment, fixtures, furnishings, signs and systems from suppliers specified by us. You agree that we may designate ourselves, an Affiliate or another third party as an exclusive supplier to provide you with particular equipment (including communication systems, computer hardware and software), furnishings, fixtures and signs. We may modify the list of approved types, brands,

models, and/or suppliers and you may not, after receipt of notice of such modification, reorder any type, brand or model from any supplier that is no longer approved.

(b) If you propose to purchase or lease and use any equipment, fixtures, furnishings or signs of a type, brand or model that we have not previously approved or from a supplier that is not our exclusive supplier, you agree to notify us and submit to us such information as we may request. We have the right to charge reasonable fees to cover our costs for this service.

4.4 Telephone, E-Mail and Other Telecommunications Services

(a) We will obtain, in MSKS's name, the telephone numbers and e-mail addresses for your Store, which you will have the right to use during the Term. We will permit you to use one or more e-mail addresses that we designate (presently, using the "metalsupermarkets.com" domain) during the term of this Agreement for an annual fee that we periodically determine for each e-mail address and its associated security protection (currently \$135.00 per e-mail address), and you agree that you will not use (nor permit the use of) any other e-mail addresses in the operation of the Store. You agree to bear all costs associated with your Store's phone system, phone service, telecommunications service, and e-mail service, and other technology, and to reimburse us or our Affiliates for any expenses that we (or they) incur on your behalf (notwithstanding any other agreement with us or with any of our Affiliates). If there are third party vendors that provide some or all of these services, you agree to pay the vendor or us (upon our request) if we have directly paid (or will pay) the provider.

(b) You acknowledge and agree that all telephone numbers, e-mail addresses, URLs, domain names, social media platforms, and other communication numbers and contact information and directory listings for your Store are MSKS's property, and that MSKS and we have the right to transfer, terminate or amend such properties as either MSKS or we deem appropriate. You agree to execute and deliver to us the Assignment of Telephone Numbers attached to this Agreement as Appendix G-1 and the Assignment of Domain Names, URLs and Email Addresses attached to this Agreement as Appendix G-2. If MSKS or we take any action pursuant to this Section, the third-party provider and all listing agencies may accept this Agreement as conclusive evidence of MSKS or our exclusive rights in such properties, and MSKS's or our authority to direct their amendment, termination or transfer without any liability to you.

4.5 Pre-Opening Assistance

If you (or your Operating Principal) have not previously owned or operated a Metal Supermarkets store, we will provide or cause to be provided to you with such pre-opening assistance as we deem appropriate.

4.6 Initial Customer List

We will furnish you a database of potential customers located in your Protected Area in order to facilitate initial solicitation of customer orders. You acknowledge and agree that this database and all updates thereto are part of the Customer Information and are MSKS's property. You agree to update, maintain and communicate to us this database and related information on an ongoing basis as we may periodically require.

4.7 Customer Information

MSKS owns all Customer Information, including updates and additions made by you, and has granted to us, indirectly, an exclusive license to use and to sublicense the use of such Customer Information. Nothing in this Agreement grants you any ownership interest in or to the Customer Information. You

hereby assign and transfer to us all rights, including intellectual property rights, you may have in and to the Customer Information, and you waive any rights you may have or develop in and to the Customer Information.

5. TRAINING AND GUIDANCE.

5.1 Initial Training Program

Prior to our approval of the opening of the Store, you, the Operating Principal, and if applicable, the Manager, must complete or have completed the Initial Training Program to our satisfaction. If your Operating Principal or Manager cease active management or employment at the Store, or if at any time we disapprove of the Operating Principal or Manager (each who may have been previously approved) then a qualified replacement (who must be acceptable to us) must attend and successfully complete our next available Initial Training Program.

We will not charge any fees for attendance of up to three (3) individuals at the Initial Training Program provided in conjunction with the Store opening. Otherwise you agree to pay us a training fee in the amount of One Thousand One Hundred Forty-Three Dollars (\$1,143) (subject to an annual CPI adjustment effective as of our fiscal year end, the base year being our fiscal year ended September 30, 2021) for each individual that will attend the Initial Training Program, with payment to be made in full before training starts. You will be responsible for all expenses (including compensation, travel, meals and lodging) incurred by all individuals you send to the Initial Training Program.

5.2 On-Going Guidance

We will furnish you periodic guidance with respect to the System, including improvements and changes to it. Such guidance will be furnished in the form of the Operations Manual, bulletins and other written materials, webinars, consultations by telephone or in person at our offices or at your Store, or by any other means of communication including postings, e-mail and other means, including through our Extranet. We may require you (or your Operating Principal) and or your Manager, to attend and successfully complete periodic or additional training programs (which includes the annual conference) for which we may charge reasonable fees, such as the annual conference as outlined in Section 3.8. If you hire or retain an outside sales representative, he or she may be required to complete the marketing and sales portion of our training program. You acknowledge that: (a) we have the right to charge you fees for any mandatory training programs, regardless of whether you attend or not; and (b) your failure to attend any mandatory training program for any reason whatsoever constitutes an admission that you have received all necessary training, advice and assistance under this Agreement and otherwise to successfully operate your Store. Your, or your Operating Principal's or Manager's, failure to attend or successfully complete any mandatory training program constitutes a breach of this Agreement. The foregoing acknowledgements are not in lieu of any other remedy we may have for your failure to attend any mandatory training programs.

If requested by you, we may provide special assistance for which you will be required to pay the per diem fees and charges we may periodically establish.

5.3 Sales and Marketing Assistance

We, including in conjunction with the Fund, may, but are not required to, provide you with sales and marketing assistance as we may deem appropriate, including updating the database of potential customers in the Protected Area and assistance with other sales and marketing programs we or the Fund

may periodically develop. You are responsible for ensuring that you comply with all applicable telemarketing, internet or e-mail, consumer protection, privacy and similar laws or regulations.

5.4 Periodic Visits

We will visit your Store, when and as frequently as we deem appropriate, to evaluate and provide advice on your Store's operations and compliance with the System.

5.5 Operations Manual

We will provide you access to the Operations Manual. We reserve the right to provide the Operations Manual in hard copy, electronic form or any other form as we may select. At your expense, you will acquire any necessary equipment and technology to receive and use the Operations Manual in its various forms and execute such agreements as may be necessary in connection therewith. You agree to comply with all mandatory standards, specifications and operating procedures and other obligations contained in the Operations Manual. We may modify the Operations Manual to document or reflect changes in standards, specifications and operating procedures and other obligations imposed on you, provided no addition or modification may alter your fundamental status and rights under this Agreement. Mandatory specifications, standards and operating procedures and other obligations we periodically prescribe in the Operations Manual, or otherwise communicate to you in writing, constitute provisions of this Agreement as if fully set forth herein. All references to this Agreement include all such mandatory specifications, standards and operating procedures and other obligations imposed on you. Any required or mandatory standards, specifications, operating procedures and other obligations exist to protect our interests in the System, and not for the purpose of establishing any control or duty or take control over these matters that are reserved to you. You agree that if there is any dispute as to the contents of the Operations Manual, the terms of the master copy of the Operations Manual that we maintain in our home office will be controlling. You agree that at all times, you will treat the Operations Manual, any other manuals that we create (or approve) for use in the operation of the Store, and the information contained in those materials, as Confidential Information, and you also agree to use your best efforts to maintain such information as secret and confidential. You agree that you will never copy, duplicate, record, or otherwise reproduce those materials, in whole or in part, nor will you otherwise make those materials available to any unauthorized person.

6. YOUR ORGANIZATION AND MANAGEMENT

6.1 Disclosure of Ownership Interests

You and each of your Owners represents, warrants and agrees that Schedule C is current, complete and accurate. You agree that an updated Schedule C will be furnished promptly to us, so that Schedule C (as so revised and signed by you) is at all times current, complete and accurate. Each person who is an Owner at the time this Agreement is entered into, or who later becomes an Owner as approved pursuant to Section 11 below, must execute an Owner's Personal Guaranty, in the form attached to this Agreement as Schedule D or as we may otherwise designate, undertaking to personally guarantee, and to be personally bound jointly and severally by, the terms of this Agreement. Each Owner must be an individual acting in his personal capacity, unless we waive this requirement in writing.

6.2 Management of Store

If you are, or at any time become, a business corporation, partnership, limited liability company or other legal entity, you agree to designate in writing an Operating Principal to operate your Store. You (or your Operating Principal): (a) agree to exert your full-time and best efforts to the operation of your Store

and other Metal Supermarkets stores you operate; and (b) may not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility or time commitments or that otherwise may conflict with your obligations hereunder. We may require you to appoint an employee as Manager of the Store. You agree that your Store shall at all times be managed by you (or your Operating Principal) or a Manager. None of your Owners, the Operating Principal, or Manager may have any direct or indirect ownership interest in a Competitive Business.

7. OPERATING STANDARDS.

7.1 Authorized Metals and Other Products and Services

(a) You agree that your Store will offer for sale the full range of metals and metal services, and such other products and services, that we periodically authorize for Metal Supermarkets stores. You agree to exert your best efforts to market and sell all such products and services and to capitalize on the full potential of your Store in the Protected Area. We have the right to periodically add, modify or delete products and services offered by Metal Supermarkets stores. You acknowledge and agree that additional authorized products and services may require you to incur additional costs for equipment, inventory, additional personnel, personnel training and leasehold improvements.

(b) If you fail to obtain and sell, or maintain, the range of metals and other products in stock that we periodically require, we may notify you in writing, in which case you agree to obtain and sell, or obtain, sell and maintain in stock, such metals and other products that we periodically require. If you do not do so, we may, at our election, obtain the metals and other products on your behalf. Immediately upon written request by us, you agree to pay all costs of obtaining the full range of inventory for your Store.

(c) You agree that your Store will not, without our approval, offer any products or services that we have not authorized for Metal Supermarkets stores. Your Store may not be used for any purpose other than the operation of a Metal Supermarkets store in compliance with this Agreement. You agree that your Store will offer courteous, efficient and high-quality services in accordance with our standards.

7.2 Purchase of Metals and Other Products

(a) You acknowledge that the reputation and goodwill of Metal Supermarkets stores is based on the sale of high-quality metals and other products and services. Therefore, you agree that your Store will only sell metals and other products of the type and quality that conform to our specifications and standards and are purchased from suppliers (which may include us and any of our Affiliates) which we approve.

(b) We may periodically modify our specifications, standards and approved suppliers. After notice of such modification, you may not reorder any metal products or other products that do not meet our then current specifications and standards or reorder any such items from any supplier which is no longer approved.

(c) If you propose to order any metals or other products of a type or from a supplier, which is not then approved by us, you agree to first submit to us sufficient information, specifications and samples concerning such type of metal or other product or such supplier so that we can decide whether such product or supplier meets our criteria. We have the right to charge reasonable fees to cover our costs. We may prescribe procedures for the submission of requests for approval and impose obligations on suppliers, which we may require to be incorporated in written agreements. We may impose limits on the number of suppliers for any items.

(d) We have the right to solicit and accept rebates, fees, commissions, discounts or other similar allowances (collectively, “rebates”) from any third-party supplier as a result of sales to you or business conducted with you, and may use such rebates as we deem appropriate. Further, we and our Affiliates reserve the right to be an approved supplier, and in some circumstances, the sole approved supplier of various products and services. Anything that you purchase from us or from an Affiliate of ours will be at the then-current price in effect.

(e) We also have the right to establish preferred vendor and designated supplier programs. You agree to comply with all requirements of any such programs. If we designate suppliers, you will be required to purchase products and / or services from them and enter into such contracts or agreements with them or us as we may require.

7.3 Condition of Store

(a) You agree to maintain the condition and appearance of your Store and any of its motor vehicles so that it is clean and attractive. You agree to repair and maintain your Store’s equipment, fixtures, motor vehicles, furnishings, signage, layout and decor as we may reasonably require, including replacing worn-out or obsolete equipment, fixtures, furnishings and signs. If at any time the general state of repair, appearance or cleanliness of your Store or its fixtures, equipment, furnishings, motor vehicles, or signs does not meet our standards, we may notify you and specify the action you must take to correct such deficiency. If, within ten (10) days after receiving such notice, you fail or refuse to initiate and thereafter continue in good faith and with due diligence a bona fide program to complete such required repair or maintenance, we, or our agents, have the right (in addition to our rights under Section 12), but not the obligation, to enter the Premises and perform such repair or maintenance on your behalf and at your expense. You agree to promptly reimburse us for the costs and expenses we and our representative(s) incur in connection with performing such repairs or maintenance.

(b) You agree to periodically upgrade, remodel, and/or make such modifications, refurbishments, and additions to your Store and motor vehicles as we may reasonably require. You may not make any alterations to your Store, or make any replacements, relocations or alterations of fixtures, equipment, furnishings or signs, without our approval.

7.4 Specifications and Standards

(a) The Operations Manual contains both requirements and recommendations for the operation of a Metal Supermarkets Store. Any mandatory standards exist to protect our interest in the System and the Marks and not for the purpose of establishing any control, or the duty to take control, over those matters that clearly are reserved to you. You agree to comply with all mandatory specifications, standards and operating procedures, as those may be periodically modified (whether contained in the Operations Manual or any other written or electronic communication) relating to the operation of a Metal Supermarkets Store, including (i) authorized products and services offered by your Store and manner in which they are promoted and sold; (ii) sales procedures and services; (iii) marketing and advertising programs (including use of websites and e-mail addresses); (iv) appearance, cleanliness, uniforms and standards of service and operation of your Store; (v) days and hours of operation; (vi) training of your Operating Principal and Manager; and (vii) computer software and record keeping systems including accounting and forms. If you request, and we agree to provide, computer software and record keeping systems support and we determine that such support is necessary because you did not comply with our specifications, standards or procedures, then you agree to pay our then-current computer support fee for those services.

(b) We may periodically suggest prices at which authorized products and services offered by your Metal Supermarkets Store may be sold or offered for sale. Although you generally have the right to

establish prices for the products and services you sell, we reserve the right to establish and enforce prices, both minimum and maximum, that your Metal Supermarkets Store will sell products and services for, to the extent permitted by applicable law.

7.5 Compliance with Laws

You agree to comply with all federal, state, and local laws, rules, and regulations, and shall timely obtain any and all permits, certificates, or licenses necessary for the full and proper conduct of the business franchised under this Agreement (including, without limitation, licenses to do business and laws relating to handling and storage of products, fictitious name registrations, sales tax permits, and fire clearances). You agree to notify us in writing within five (5) days after: (i) the commencement of any legal or administrative action, or the issuance of any order of any court, agency or other governmental instrumentality that may adversely affect the operation of your Store or your financial condition; or (ii) the delivery of any notice of violation or alleged violation of any law, ordinance or regulation. You agree to adhere to the highest standards of honesty, integrity, fair dealing and ethical conduct in all dealings with us, as well as your customers, suppliers, landlords, lessors and the public.

7.6 Personnel

(a) You agree that your Store will at all times be staffed by a sufficient number of competent and trained employees who are periodically trained to meet our brand standards. You will always be solely responsible for (and exclusive control over) all employment decisions for your Store, including those related to hiring, firing, remuneration, personnel policies, benefits, record keeping, supervision and discipline, and regardless of whether you received advice from us on these subjects.

(b) You and your staff (including the Operating Principal) agree that you will, at all times, work cooperatively and professionally with us and with our representatives, and will develop, cultivate, and at all times maintain a cooperative, cordial, respectful, and professional work environment for your staff and among all of the Owners of the Store.

7.7 Insurance

(a) You agree to purchase and maintain in force at your sole expense and from a company we approve insurance that insures both you and us and our Affiliates and any other persons or entities we designate by name. The insurance policies must include, at a minimum:

(i) commercial general liability insurance covering claims for personal injuries and property damage with minimum limits of \$1,000,000 per occurrence, \$2,000,000 general aggregate, \$2,000,000 products/completed operations aggregate, and \$1,000,000 for Errors and Omissions;

(ii) employer's liability insurance with minimum limits of \$1,000,000 for bodily injury caused by accident or disease, or the minimum required by state law (whichever is greater);

(iii) vehicle liability for owner, leased, hired and non-owned vehicles with minimum limits of \$1,000,000 combined single limit for bodily injury and property damage per occurrence;

(iv) umbrella liability insurance with minimum limits of \$1,000,000;

(v) worker's compensation insurance;

(vi) any other such insurance coverages or amounts as required by law or agreement related to your Store; and

(vii) any other insurance or increases in limits to the foregoing as we may periodically require, or provide in the Operations Manual.

(b) All liability insurance policies must name us and our Affiliates, and each of our and their officers, directors and employees as additional insureds, must provide that such insurance is primary insurance with respect to the interests of all additionally named insureds, and must provide that any other insurance maintained by us or by you or any subcontractor is excess and not contributing insurance with the insurance required under this Agreement. The policy must contain a waiver by the insurance carrier of all subrogation rights against us.

(c) You agree to deliver to us at commencement and annually or at our request a proper certificate evidencing the existence of such insurance coverage and your compliance with the provisions of this subparagraph. The insurance certificate must show our status as an additional insured (as noted above) and provide that we will be given thirty (30) days' prior written notice of material change in or termination or cancellation of the policy. We also may request copies of all policies. We may periodically modify, upon written notice to you, the required minimum limits and by written notice to you, as conditions require, to reflect changes in relevant circumstances, industry standards, experiences in the Metal Supermarkets System, standards of liability and higher damage awards. In the event of such notification, you agree to immediately cause the modification of the policy, and evidence thereof, in accordance with our request. If at any time you do not procure or maintain the insurance coverage required by this Agreement, we have the right, but not the obligation, to procure insurance coverage and to charge the same to you, together with a reasonable fee for the expenses we incur in doing so, payable by you immediately upon notice. We also have the right to terminate this Agreement for cause should you fail to comply with this provision.

7.8 Advertising

(a) After the first twelve (12) months of operation of your Store, during each year co-terminus with our fiscal year, you agree to spend on approved advertising programs (as noted in Section 7.8(b)), at a minimum, the greater of \$10,000 or 1.0% of Gross Sales accrued during such period (and for the period between the end of your first twelve (12) months of operations and the start of our then next fiscal year, the \$10,000 annual minimum requirement will be pro-rated). You must deliver to us documentation of your advertising expenditures at such times and in such form as we periodically designate. If you fail to make any required advertising expenditures, we have the right to require you to contribute the amount of any deficiency to the Fund to be used in accordance with Section 7.10.

(b) We have the right to periodically designate in our Operations Manual the expenditures that will or will not be permitted to constitute approved advertising, but advertising programs that we may approve include: (a) any amounts spent for advertising media; and (b) the cost of producing approved materials necessary to participate in these media, if not provided by us. Advertising expenditures will not be approved for items which we, in our reasonable judgment, deem inappropriate for meeting this minimum advertising requirement, including permanent on-premises signs, maintaining vehicles (even though such vehicles may display the Marks). You agree to use such advertising, media placement and public relations agencies as we may periodically designate. For local or regional advertising whose scope includes more than one Metal Supermarkets store, the advertising must identify each applicable Metal Supermarkets store, and the cost of such advertising shall be reasonably apportioned among all Metal Supermarkets stores listed in that advertisement.

(c) All of your advertising must be in such media and of such type and format as we may approve, must be conducted in a dignified manner and must conform to our social media policy and such standards and requirements as we periodically specify. You agree to submit to us for our prior approval, samples of all advertising and promotional materials not prepared or currently approved by us and which vary from our standard advertising and promotional materials. You must reimburse us for the costs and expenses we incur in connection with the review and approval of any unapproved advertising materials, including any changes or revisions we make in connection with such materials. All of your advertising and promotion must comply with all applicable laws, be completely factual and conform to the highest standards of ethical advertising. In addition to any other provision of this Agreement, you will be solely responsible for compliance with any laws pertaining to sending e-mails and other electronic messages, including but not limited to the Controlling the Assault of Non-Solicited Pornography and Marketing Act of 2003 (known as the “**CAN-SPAM Act of 2003**”), the California Consumer Privacy Act, and the Canada Anti-Spam Law that came into force as of July 1, 2014 (“**CASL**”). You agree to refrain from any business or advertising practice that may, in our opinion, be injurious to our business, to the business of other Metal Supermarkets stores or to the goodwill associated with the Marks or System.

7.9 Online Sites

(a) You agree not to advertise your Store or to offer or sell any products or services of your Store through Online Sites or any other medium we periodically determine to be inappropriate.

(b) Unless we have otherwise approved in writing, you agree to neither establish nor permit any other party to establish an Online Site relating in any manner whatsoever to the Store or referring to the Marks. We will have the right, but not the obligation, to provide one or more references or webpage(s), as we may periodically designate, within our Online Site. However, if we give you our prior written consent to have a separate Online Site (which we are not obligated to approve), then each of the following provisions shall apply:

(i) You agree to not establish or use any Online Site without our prior approval.

(ii) Any Online site owned or maintained by or for your benefit will be deemed “advertising” under this Agreement, and will be subject to (among other things) our approval under Section 7.8 above.

(iii) Before establishing any Online Site, you agree to submit to us, for our prior approval, a sample of the proposed Online Site domain name, format, visible content (including, without limitation, proposed screen shots, links, and other content), and non-visible content (including, without limitation, meta tags, cookies, and other electronic tags) in the form and manner we may reasonably require.

(iv) You may not use or modify such Online Site without our prior approval as to such proposed use or modification.

(v) In addition to any other applicable requirements, you agree to comply with the standards and specifications for Online Sites that we may periodically prescribe in the Operations Manual or otherwise in writing (including, but not limited to, requirements pertaining to designating us as the sole administrator or co administrator of the Online Site).

(vi) If we require, you agree to establish such hyperlinks to our Online Site and others as we may request in writing.

(vii) If we require you to do so, you agree to make weekly or other periodic updates to our Online Site to reflect information regarding specials and other promotions at your Store.

(viii) We may require you to make us the sole administrator (or co-administrator) of any social networking pages that you maintain or that are maintained on your behalf, and we will have the right (but not the obligation) to exercise all of the rights and privileges that an administrator may exercise.

7.10 Brand Fund

(a) We have established and administer the Fund for the creation, development, placement and management of marketing, advertising and related programs and materials. We have sole determination over all aspects of all programs financed by the Fund, including international, national and/or regional media, creative concepts, materials and endorsements. Although the Fund is intended to maximize general recognition and patronage of the Marks for the benefit of all Metal Supermarkets stores, we cannot assure you that any particular Metal Supermarkets store will benefit directly or pro rata from the placement of advertising or that expenditures from the Fund will be made in the United States or in the Protected Area. The Fund may be used to pay for the cost of preparing, producing, management and placement of materials and programs we select, including video, audio, written, Internet and other electronic media, and for the cost of engaging advertising, creative and technical agencies, consultants or talent as well as supporting market and customer research, measurement and analysis activities. We may furnish you with marketing, advertising and promotional materials at cost, plus any related administrative, shipping, handling and storage charges.

(b) Brand Fund Contributions payable pursuant to Section 3.6 will be deposited in the Fund. We agree that all Metal Supermarkets stores located in the United States that we own will contribute to the Fund on the same basis as you are required to under this Agreement. The Fund will be accounted for separately from our other funds, but may be deposited in any of our general accounts and commingled with our other funds and funds of our Affiliates. The Fund may be used to pay for reasonable salaries, benefits, administrative costs and overhead which we or our Affiliates may incur or which are allocated to activities related to the administration or management of the Fund and its programs, including conducting market and customer research, preparing advertising and marketing materials and collecting and accounting for contributions to the Fund. All disbursements from the Fund will be made first from income and then from contributions. We have the right to spend an amount greater or lesser than the amount of the Fund Contributions in any year. The Fund may borrow from us or others to cover deficits in the Fund or cause the Fund to apply any surplus for future use by the Fund. We will internally prepare annually a statement of monies collected and costs incurred by the Fund and furnish you with a copy upon your written request. Except as otherwise expressly provided in this Section 7.10, we assume no direct or indirect liability or obligation with respect to the maintenance, direction or administration of the Fund. The Fund is not a trust fund, an escrow fund or a separate bank account and we do not act as trustee or in any other fiduciary capacity with respect to the Fund.

(c) You acknowledge and agree that we and/or our Affiliates may maintain other marketing and/or advertising funds in other regions or countries and that certain costs and/or expenses relating thereto may be shared among the various funds, including the Fund. We and/or our Affiliates, have the right to commingle or separate such funds or combine administrative functions of such funds, including the Fund, to create one or more funds for Canada and/or the United States or elsewhere, and/or to allocate all or a portion of such funds, including the Fund, to regional, national or international advertising and marketing administered by us, or to co-operatives administered by one or more groups of franchisees on a basis that we determine.

You also agree to promptly pay us for any expenditures or payments we choose (or are required) to make to trade creditors or vendors on your behalf to pay for obligations that you incurred in connection with the operation of your Store (for example, products and/or services that you ordered but did not pay for). We may share credit information with our Affiliates, and each of our Affiliates have the right to use this information in order to determine how much, if any, credit to provide to you.

7.13 Your Right to Contest Liabilities

If there is a bona fide dispute as to your liability for taxes assessed or other indebtedness, you may contest the validity or the amount of the tax or indebtedness in accordance with procedures of the taxing authority or applicable law; however, in no event will you permit a tax sale or seizure by levy of execution or similar writ or warrant, or attachment by a creditor, to occur against the premises of the Franchised Business, or any improvements thereon.

7.14 E-Commerce

You agree to participate in our E-Commerce program as it exists from time to time and you will execute an E-Commerce Participation Agreement in the form and manner that we periodically designate. You acknowledge and agree that we or our Affiliate will own and control the Metal Supermarkets E-Commerce website. You agree to abide by such reasonable requirements and restrictions, including the payment of fees, relating to the E-Commerce program as we may periodically impose.

You acknowledge and agree that certain associations between you or the Store or the Proprietary Marks or the System, on the one hand, and certain charitable, political, religious, cultural, special interest, or other types of groups, organizations, causes, or activities, on the other, however well-intentioned and legal, may create an unwelcome, unfair, or unpopular association with, or an adverse effect on, our reputation or the goodwill associated with the Proprietary Marks. Accordingly, you agree that you will not, without our prior written consent, take any actions that are, or which may be perceived by the public to be, taken in the name of, in connection or association with you, the Proprietary Marks, the Store, us, or the System involving either (i) the donation of any money, products, services, goods, or other items to, or (ii) the promotion of any charitable, political, religious, cultural, special interest, or other type of organization, group, or activity.

9. TRADEMARKS

9.1 Ownership of the Marks

You acknowledge that the Marks are valid and that MSKS owns the Marks as of the date of this Agreement. Your right to use the Marks is derived solely from this Agreement and is limited to conducting business pursuant to and in compliance with this Agreement. Your unauthorized use of any of the Marks constitutes a breach of this Agreement and an infringement of MSKS's, MSSC's and our rights to the Marks. This Agreement does not confer on you any goodwill or other interests in the Marks. Your use of the Marks and any goodwill established thereby inures to the exclusive benefit of us, MSKS, MSSC and our other Affiliates. All provisions of this Agreement applicable to the Marks apply to any additional or substitute trademarks and service marks we authorize you to use. You may not at any time during or after the Term contest, or assist any other person in contesting, the validity or ownership of any of the Marks.

9.2 Use of the Marks

(a) You agree to use the Marks as the sole identification of your Store. You agree to identify yourself as the independent owner in the following manner or in any other manner we prescribe in writing:

“This store is operated by an independent franchisee of Metal Supermarkets Franchising America Inc. The METAL SUPERMARKETS trademarks used by the franchisee are owned and licensed to the franchisee by MSKS IP Inc.”

We have the right to require different or additional such notices in your Store (both in the customer-facing areas as well as in the back areas).

(b) You agree to use the Marks as we prescribe in connection with the sale of authorized products and services and in a manner which conforms in nature and quality to the specifications, standards, and procedures that we periodically prescribe and communicate to you. You may not use any Mark (or any abbreviation, modification, confusingly similar variation, or colorable imitation) as part of any corporate or legal business name or in any other manner not expressly authorized by us in writing. You agree to hold yourself out to the public as an independent contractor operating the Store pursuant to a license from us.

You agree to display a sign in a prominent place on your Store premises indicating that your Store is independently owned by you. You agree to clearly indicate on your business checks, stationery, purchase orders, receipts, and other written materials that you are the owner of your Store and that you are a Metal Supermarkets franchisee. You may use the Marks on various materials, such as business cards, stationery, purchase orders and checks, provided you: (i) accurately depict the Marks on the materials; (ii) include a statement on the materials indicating that you independently own and operate your Store; and (iii) do not use the Marks in connection with any other trademarks, trade names or service marks unless we specifically approve it in writing prior to the use.

(c) You agree to permit us, our Affiliates and our authorized representatives, at all reasonable times, to enter the Premises for the purpose of inspecting your products and services and the sale, advertisement or performance of your products and services, and any relevant documents, materials and records, in order to determine that you are complying with this Section 9.2.

(d) You agree that you will not, either during or after the term of this Agreement, use any of the Marks or any similar word, phrase or symbol: (i) as part of any domain name or electronic address you maintain on the internet, the World Wide Web, or any other similar proprietary or common carrier electronic delivery system; or (ii) in any user name, screen name or profile in connection with any Online Site, except in accordance with our guidelines periodically set forth in the Operations Manual or otherwise in writing. We reserve the right to require our approval of any message you compose for an Online Site or commentary for any other website before you post such message or commentary.

(e) You agree that you will not, under any circumstances, use the Marks in connection with (and/or on) any HR-related document (including but not limited to employment applications, employment agreements, paychecks, pay stubs, employee handbooks, and/or otherwise in connection with labor or other employee-relations matters).

9.3 Discontinuance of Use of Marks

If we determine it is advisable at any time for us and/or you to modify or discontinue use of any Mark and/or use one or more additional or substitute trademarks or service marks, you agree to comply with our directions within a reasonable time after notice. We will have no liability or obligation whatsoever with respect to any such required modification or discontinuance of any Mark or the promotion of a substitute trademark or service mark.

9.4 Infringements and Claims

(a) You agree to promptly notify us of any suspected infringement of the Marks, any known challenge to the validity of any Mark, or any known challenge to our ownership of, or your right to use, the Marks licensed under this Agreement. You acknowledge that we and MSKS have the right to direct and control any administrative proceeding or litigation, or other adjudicative proceeding involving the Marks, including any settlement thereof. We have the right, but not the obligation, to take action against use by others that may constitute infringement of the Marks.

(b) If you have used the Marks in accordance with this Agreement, then we will defend you at our expense against any third-party claim, suit, or demand involving the Marks arising out of your use thereof, provided you have timely notified us of such claim and provided further that you and your Owners are in compliance with this Agreement and all other agreements entered into with us or any of our Affiliates. If you have used the Marks but not in accordance with this Agreement, then we, MSKS or MSSC will have the right to defend you (but at your expense), or settle the matter at our discretion, against such third-party claims, suits, or demands. To the extent that such dispute (whether in litigation or otherwise) is the result

of your use of the Marks in a manner inconsistent with the terms of this Agreement, then you agree to reimburse us for the cost of such litigation or dispute (or, upon our written request, pay our legal fees directly), including without limitation reasonable attorneys' fees, court costs, discovery costs, and all other related expenses, as well as the cost of any judgment or settlement. MSKS, MSSC or we are entitled to prosecute, defend and/or settle any action arising out of your use of any Mark, and if MSKS, MSSC or we undertake to prosecute, defend and/or settle any such matter, we will have no obligation to indemnify or reimburse you for any fees or disbursements of any legal counsel retained by you.

(c) If we undertake the defense or prosecution of any litigation or other similar proceeding relating to the Marks, you agree to sign any and all documents, and do those acts and things that may, in our counsel's opinion, be necessary to carry out the defense or prosecution of that matter (including but not limited to becoming a nominal party to any legal action).

10. RESTRICTIVE COVENANTS.

10.1 Confidential Information

(a) You shall not, during the term of this Agreement or at any time thereafter, communicate, divulge, or use for the benefit of any other person, persons, partnership, entity, association, or corporation any Confidential Information that may be communicated to you, of which you may be apprised, and/or that you may have learned by virtue of your operation of the Store. You may divulge our Confidential Information only to those of your employees as must have access to it in order to operate the Store.

(b) Any and all information, knowledge, know how, and techniques that we designate as confidential shall be deemed Confidential Information, except information that you can demonstrate came to your attention before disclosure of that information by us; or which, at or after the time of our disclosure to you, had become or later becomes a part of the public domain, through publication or communication by others.

(c) You acknowledge that any failure to comply with the requirements of this Section 10.1 will cause us irreparable injury, and you agree to pay all costs (including, without limitation, reasonable attorneys' fees, court costs, discovery costs, and all other related expenses) that we incur in obtaining specific performance of, or an injunction against violation of, the requirements of this Section 10.1.

10.2 In-Term Covenants

During the Term, you shall not:

10.3 Information Exchange

You acknowledge and agree that the value of the System is maximized by our evaluating and, if we deem appropriate, incorporating into the System innovations suggested, developed or employed by franchisees of Metal Supermarkets stores. If such innovations from other Metal Supermarkets store franchisees are incorporated in the System, you will be entitled to use them as part of the System licensed hereunder. You acknowledge and agree that you have a reciprocal obligation to us hereunder and therefore agree to disclose to us, and that we will subsequently own, all ideas, concepts, methods, techniques and products relating to the development, marketing and/or operation of a Metal Supermarkets store that you conceive, employ or develop. If we or MSKS adopt any of them as part of the System, they will be deemed MSKS's sole and exclusive property, or, at MSKS's determination, our sole and exclusive property, as if they had been conceived or developed by you under a Contract of Service with MSKS, or us, as applicable and deemed to be works made-for-hire for MSKS. You agree to execute assignments and other documents we require to evidence our or MSKS's ownership, as applicable, and to assist MSKS and us in securing intellectual property rights in such ideas, concepts, methods, techniques or products. You agree to ensure that any person who wholly or partially assisted in the creation and development of such ideas, concepts, methods, techniques or products executes a waiver of his or her rights.

i. directly or indirectly own a legal or beneficial interest in, or render services or give advice to, any Competitive Business operating at: (A) the Premises; (B) within the Protected Area; (C) which operates within a fifteen (15) mile radius from the Premises; and/or (D) within a ten (10) mile radius of any other Metal Supermarkets store;

ii. take any action that could reasonably be considered to directly or indirectly solicit (e.g., through telemarketing, e-mailing, faxing, mailer program, Internet or mobile application and/or any other marketing efforts that we reasonably determine to constitute a solicitation) any former, current or prospective customer of your Store; and/or

iii. directly or indirectly own a legal or beneficial interest in, or render services or give advice to any entity which grants franchises, licenses or other interests to others to operate any Competitive Business.

(b) You acknowledge that your Store will benefit materially from the use of the System, that we have a legally protectable interest in the System and that the foregoing covenants are reasonable and necessary elements to the protection of the System and therefore are an integral part of this Agreement. You also acknowledge that you possess skills and abilities of a general nature and have the opportunity for exploiting such skills in other ways, so that enforcement of the covenants made in this Section will not deprive any of you of your personal goodwill or ability to earn a living.

(c) If, at any time during the two-year period following expiration or termination of this Agreement, and/or a transfer as contemplated in Section 11 below, you do not comply with your obligations under this Section 10.4 or 10.5 below, then you agree that the time during which you are not complying with these obligations will be added to the end of the two-year period to ensure a full two years of compliance with these obligations in every circumstance.

(d) The restrictions in Section 10.2 and this Section 10.4 shall not apply to: (A) the ownership or operation of other Metal Supermarkets stores that are licensed or franchised by us or any of our Affiliates; or (B) the ownership of shares of a class of securities that are listed on a stock exchange or traded on the over-the-counter market and that represent less than five percent (5%) of that class of securities.

10.5 Non-Solicitation

For a period of two (2) years, starting on the effective date of termination or expiration (without grant of a successor franchise) of this Agreement (as well as any termination pursuant to a transfer as contemplated under this Agreement), you agree that you will not, directly or indirectly, solicit any former, current, and/or prospective customers or vendors of your Store.

10.6 Personal Covenants

You agree to require and obtain execution of covenants similar to those set forth in this Section 10 (as modified to apply to an individual), from your Operating Principal and Manager. The covenants required by this section shall be in the form that we prescribe and must, among other things, designate us as a third-party beneficiary of such covenants with the independent right to enforce them.

11. TRANSFER OF AGREEMENT.

11.1 Transfer by You Subject to Our Approval

(a) You and/or your Owners may effect a Transfer of the Franchise (as defined below) subject to our approval and subject to you complying with all the applicable provisions of this Section 11. You agree to submit to us all information we require in order to determine whether to approve a proposed Transfer of the Franchise, and we agree to notify you of our approval or disapproval within a reasonable period of time, not to exceed thirty (30) days, after we have received all requested information relating to the proposed Transfer of the Franchise.

(b) As used in this Agreement and as always subject to the approval of the Franchisor, “Transfer of the Franchise” means the voluntary or involuntary, direct or indirect, sale, assignment, transfer, pledge, grant of a security interest in, and/or any other disposition of: (1) this Agreement; (2) any right or obligation under this Agreement; (3) any ownership interest in Franchisee; and/or (4) the assets, revenues, and/or income of your Store. The term Transfer of the Franchise includes: (1) any issuance or redemption of a legal or beneficial ownership interest in the capital stock of Franchisee; (2) any merger or consolidation of Franchisee, whether or not Franchisee is the surviving corporation; (3) any transfer as a result of a divorce, insolvency or dissolution proceeding or otherwise by operation of law; (4) any transfer on the death of Franchisee or any Owner of Franchisee by will, declaration of trust or under the laws of intestate succession; and (5) any foreclosure of your Store or your transfer, surrender or loss of possession, control or management of your Store.

(c) You or your Owners may not sell, transfer or assign, or purport to sell, transfer or assign, any ownership interest in or to any Confidential Information, Customer Information, or goodwill associated with the System, either as part of a Transfer of the Franchise or otherwise. In the event of a proposed Transfer of the Franchise, you agree to advise any prospective transferee of MSKS’s ownership of such information and our license to use and sublicense the use of such information. You also agree to advise any prospective transferee that such information does not form part of the purchased assets. Should we approve the Transfer of the Franchise, you may, subject to compliance by you and the transferee with all relevant privacy laws relating to the retrieval, use, storage and transmission of personal information of such customers, provide such Customer Information to the transferee. You may also at that time deliver any

supplier lists to the transferee. You may not retain or use any Customer Information or supplier information, in any format or media, in whole or in part, for any purpose, after the Transfer of the Franchise.

(d) Our approval of a Transfer of the Franchise does not constitute: (a) a representation as to the fairness of the terms of any agreement or arrangement between you or your Owners and the transferee, the completeness or accuracy of any of the information you have provided to the transferee or as to the prospects of success of your Store by the transferee; or (b) a release of you and your Owners, a waiver of any claims against you or your Owners or a waiver of our right to demand the transferee's exact compliance with this Agreement. Any approval shall apply only to the specific Transfer of the Franchise being proposed and shall not constitute an approval of, nor shall be deemed to have any effect on, any other transfer of the Franchise.

11.2 Conditions for Approval

If we have not exercised our rights under Section 11.6, then we will not unreasonably withhold our approval of a Transfer of the Franchise that meets all of our internal restrictions, requirements, factors, considerations and conditions that we may periodically require, but you acknowledge and agree that our consent to and approval of a Transfer of the Franchise is subject to, among other things, all of the following:

(a) you and your Owners and Affiliates must be in compliance with the provisions of this Agreement and all other agreements with us or any of our Affiliates, whether relating to your Store or any other Metal Supermarkets store;

(b) the transferee (and its owners) must meet our then-applicable, standards, for Metal Supermarkets store franchisees;

(c) the transferee (or its Operating Principal) and its Manager, if applicable, must complete our Initial Training Program to our satisfaction;

(d) the transferee (and its owners) must execute our then current standard form of franchise agreement and related documents used in the state in which your Store is located (which may contain provisions materially different from those contained in this Agreement including different royalties, term and other rights and obligations);

(e) to defray our expenses incurred in connection with the transfer process, including the training of the transferee, and to compensate us for waiving the Initial Franchise Fee for the approved transferee under their franchise agreement, you must pay us a transfer fee that is segmented into the following three (3) components:

- i. A transfer approval fee of Two Thousand Five Hundred Dollars (\$2,500), required in each instance of your request for our approval of each prospective transferee, due at and as a condition of the request for approval;
- ii. A transfer transferee training fee of Five Thousand Dollars (\$5,000), required for training the approved transferee and due prior to and as condition of the commencement of such transferee's training; and
- iii. A transfer closing fee of Ten Thousand and Five Hundred Dollars (\$10,500), required for processing the Transfer and due prior to and as a condition of closing or effecting the Transfer.

(f) all of the parties to the transaction (including you, your Owners and Affiliates, and the transferee, and its Owners and Affiliates) must sign our consent to transfer agreement, in the form that we provide (which will include, among other things, a general release of all claims against us and our Affiliates, stockholders, officers, directors, members, managers, employees, agents, successors and assigns);

(g) the terms of the proposed Transfer of the Franchise must not in our sole judgment place an unreasonable financial or operational burden on the transferee;

(h) any financing you or any of your Owners or Affiliates offer the transferee must be subordinate to any current or future obligations of the transferee to us;

(i) you, your Owners and your Operating Principal must execute a non-competition covenant, in form and substance satisfactory to us, in favor of us and the transferee, agreeing that, for a period of two (2) years, starting on the effective date of the Transfer, you, your Owners and Operating Principal will not: (1) directly or indirectly own a legal or beneficial interest in, or render services or give advice to: i) any Competitive Business operating at the Premises, ii) any Competitive Business operating within the Protected Area, iii) any Competitive Business operating within a fifteen (15) mile radius from the Premises, iv) any Competitive Business operating within a ten (10) mile radius of any other Metal Supermarkets store in existence, or v) any entity which grants franchises, licenses or other interests to others to operate any Competitive Business; or (2) directly or indirectly solicit (e.g., through telemarketing, e-mailing, faxing, mailer program, social media, Internet, Online Sites, and mobile applications, and other marketing efforts that we reasonably determine to constitute a solicitation) any former, current or prospective customer of your Store. The foregoing restrictions on competitive activities do not apply to: (i) the ownership or operation of other Metal Supermarkets stores that are licensed or franchised by us or any of our Affiliates; or (ii) the ownership of shares of a class of securities that are listed on a stock exchange or traded on the over-the-counter market and that represent less than five percent (5%) of that class of securities;

(j) each of the transferee's owners must execute an Owner's Personal Guaranty, in the form attached to this Agreement as Schedule D or as we may otherwise designate, undertaking to personally guarantee, and to be personally bound jointly and severally by, the terms of this Agreement;

(k) you shall be responsible for and must pay any broker or sales commission fees charged by any third party that is engaged in connection with introducing the transferee and/or facilitating the Transfer, and shall indemnify us from having to pay any such fees;

(l) we will have the right to communicate with the proposed buyer (and its counsel) and to: truthfully answer their questions about our System, our company, and your operations; exchange information; and seek information from the buyer about their qualifications and characteristics (and the proposed transferor(s) and the proposed buyer(s) must cooperate with us in this regard);

(m) the transferor must acknowledge and agree that the transferor shall remain bound by all of the covenants contained in Section 10 of this Agreement;

(n) the transferee and landlord must sign and deliver to us a new Lease Addendum if the lease or sublease for the Premises is to be transferred as part of the Transfer; and

(o) you, your Owners, your Operating Principal and Affiliates must execute such other documents and do such other things as we may reasonably require to protect our rights under this Agreement and any other agreements between you, your owners and your Affiliates and us and our Affiliates.

11.3 Transfer to An Entity

We will not withhold our consent to the assignment of this Agreement to a corporation, partnership or limited liability corporation that you form for the convenience of ownership, provided that: (a) the entity has and will have no other business besides operating the Store, and the Parties acknowledge and agree that ownership of property, even if it is the Premises, is “another business” that is not permitted; (b) you satisfy the conditions in Section 11.2 above; and (c) the Owners hold equity interests in the new entity in the same proportion shown in Schedule C of this Agreement. We will not impose a transfer fee as required under Section 11.2(e) for such a transfer, provided that you reimburse us for any out-of-pocket expenses that we incur in reviewing and/or documenting a Transfer under this Section 11.3. No such assignment will relieve you or your Owners of your obligations hereunder, and you and your Owners remain jointly and severally liable for all obligations hereunder.

11.4 Special Transfers

In the case of any transfer of interests held in the Franchisee among any of your then-current Owners (whom we have previously approved), we will not: (a) require payment of a transfer fee for such a transfer, so long as you instead reimburse us for the out-of-pocket expenses (including attorneys’ fees) we incur in connection with reviewing, documenting, and approving the transfer ; and (b) apply our right of first refusal under Section 11.6 to any Transfer of the Franchise to any member of the immediate family of Franchisee (if an individual) or any member of the immediate family of a then-current Owners (whom we have previously approved in writing) of Franchisee (if Franchisee is a corporation, limited liability company, or partnership). Except as noted above, all other conditions of Section 11 shall apply to a Transfer of the Franchise as contemplated under this Section 11.4.

11.5 Death or Disability of Franchisee

Upon your death or permanent disability, or the death or permanent disability of an Owner who has a controlling interest in the Franchisee entity, the executor, administrator or other personal representative of such person must transfer his or her interest in this Agreement or in Franchisee to a third party approved by us in accordance with all of the applicable provisions of this Section 11 within a reasonable period of time, not to exceed nine (9) months from the date of death or permanent disability.

11.6 Franchisor’s Right of First Refusal

(a) If you or any of your Owners desires to transfer the Franchise for legal consideration, you or such Owner must obtain a bona fide, executed written offer and earnest money deposit in the amount of at least ten percent (10%) of the offering price from a responsible and fully disclosed potential purchaser and must deliver immediately to us a complete and accurate copy of such offer, together with copies of all other agreements, documents and other information (written or oral) you or your agents have delivered to the potential purchaser. If the potential purchaser proposes to buy any other property or rights from you or any of your Owners or Affiliates as part of the bona fide offer, the proposal for such property or rights must be set forth in a separate, contemporaneous offer that is disclosed to us, and the price and terms of purchase offered to you or your Owners for the Transfer of the Franchise must reflect the bona fide price offered therefor and may not reflect any value for any other property or rights.

(b) We have the option, exercisable by notice delivered to you or your Owners within thirty (30) days from the date of delivery of a complete and accurate copy of such offer to us, to purchase such interest for the price and on the terms and conditions contained in such offer, provided that: (a) we may substitute cash for any form of payment proposed in such offer; (b) our credit shall be deemed equal to the credit of any proposed purchaser; and (c) we will have not less than ninety (90) days from the option

exercise date to consummate the transaction. We have the right to investigate and analyze the business, assets and liabilities and all other matters we deem necessary or desirable in order to make an informed investment decision with respect to the fairness of the terms of our right of first refusal. We may conduct such investigation and analysis in any manner we deem reasonably appropriate and you and your Owners agree to cooperate fully with us in connection therewith.

(c) If we exercise our option to purchase, we are entitled to purchase such interest subject to all representations and warranties, closing documents and indemnities as we reasonably may require. If we do not exercise our option to purchase, you or your Owners may complete the sale to such potential purchaser pursuant to and on the exact terms of such offer, subject to our approval of the transfer as provided in Sections 11.1 and 11.2, provided that if the sale to such potential purchaser is not completed within ninety (90) days after delivery of such offer to us, or if there is a change that we deem to be material in the terms of the offer, you agree to promptly notify us and we will have an additional option to purchase (on the terms of the revised offer, if any, and otherwise as set forth herein) during the thirty (30) day period following your notification of the expiration of the ninety (90) day period or the material change to the terms of the offer.

11.7 Securities Offerings By Franchisee

All materials for an offering of stock, ownership, and/or partnership interests in you or any of your affiliates that are required by law must be submitted to us for review as described below before such materials are filed with any government agency. Any materials to be used in any exempt offering must be submitted to us for such review before their use.

(a) You agree that: (i) no offering by you or any of your affiliates may imply (by use of the Proprietary Marks or otherwise) that we are participating in an underwriting, issuance, or offering of your securities or your affiliates; (ii) our review of any offering will be limited solely to the relationship between you and us (and, if applicable, any of your affiliates and us); and (iii) we will have the right, but not obligation, to require that the offering materials contain such written statements as we may require concerning the limitations stated above.

(b) You (and the offeror if you are not the offering party), your Principals, and all other participants in the offering must fully indemnify us and all of the Franchisor Parties (as defined in Section 15.3 below) in connection with the offering.

(c) For each proposed offering, you agree to pay us a non-refundable fee of Ten Thousand Dollars (\$10,000) or such greater amount as is necessary to reimburse us for our reasonable costs and expenses (including legal and accounting fees) for reviewing the proposed offering.

(d) You agree to give us written notice at least thirty (30) days before the date that any offering or other transaction described in this Section 11.7 starts. Any such offering will be subject to all of the other provisions of this Section 11; and further, without limiting the foregoing, it is agreed that any such offering will be subject to our approval as to the structure and voting control of the offeror (and you, if you are not the offeror) after the financing is completed.

(e) You must also, for the remainder of the term of the Agreement, submit to us for our review and prior written approval all additional securities documents you are required to prepare and file (or use) in connection with any offering of stock, ownership, and/or partnership interests. You must reimburse us for our reasonable costs and expenses we incur in connection with our review of those materials.

11.8 Franchisee Bankruptcy

(a) If you or any of your Owners file or become the subject of a petition for relief under Title 11 of the United States Code or under any successor or similar federal or state bankruptcy, insolvency or receivership statute (hereafter referred to as “Franchisee’s Bankruptcy”), and, for any reason, this Agreement is not terminated pursuant to Section 12, then you shall immediately inform us of Franchisee’s Bankruptcy and disclose the specific court in which such action is pending.

(b) You acknowledge that this Agreement is an executory contract. In the event of Franchisee’s Bankruptcy, promptly upon written demand by us, but in no event more than thirty (30) days following such demand, you shall determine whether to assume or reject this Agreement as an executory contract, shall advise us of your decision, shall advise us of the manner in which you propose to provide us with adequate assurances of future performance, and shall diligently pursue any required approvals.

(c) In the event of Franchisee’s Bankruptcy, if you wish to assign to any person or entity who has made a *bona fide* offer to accept an assignment of this Agreement, then notice of such proposed assignment, setting forth the name and address of the proposed assignee and all of the terms and conditions of the proposed assignment, shall be given to us within twenty (20) days after receipt of such proposed assignee’s offer to accept the assignment of this Agreement, and, in any event, within ten (10) days prior to the date that the application is made to a court of competent jurisdiction for authority and approval to enter into such assignment and we shall thereupon have a right of first refusal on the terms and conditions set forth in Section 11.6, except that we may deliver notice of our exercise of our right of first refusal at any time prior to the effective date of the proposed assignment.

11.9 Transfer by Franchisor

We have the right to transfer or assign all or any part of our rights or obligations under this Agreement to any person or legal entity. If the assignee shall expressly assume and agree to perform all of our obligations under this Agreement accruing after the date of assignment, then the assignee shall become solely responsible for such obligations and we, as the assignor shall have no liability therefore. In addition, and without limiting the foregoing, we may sell our assets; may sell our securities in a public offering or in a private placement; may merge, amalgamate or reorganize with or acquire other corporations, or be acquired by another corporation; and may undertake any refinancing, recapitalization, leveraged buy-out, or other economic or financial restructuring.

12. TERMINATION OF AGREEMENT.

12.1 Immediate Termination

You will be in material breach of this Agreement, and this Agreement will automatically terminate without notice, if we so determine, if you become insolvent or are unable to pay your debts as they mature; or if a receiver or other custodian, permanent or temporary, is appointed for your business, assets or property; or if you request the appointment of a receiver or make a general assignment for the benefit of creditors; or if final judgment against you in the amount of Twenty-Five Thousand Dollars (\$25,000) or more remains unsatisfied of record for thirty (30) days or longer; or if your bank accounts, property or accounts receivable are attached; or if execution is levied against your business or property; or if suit is filed to foreclose any lien or mortgage against any of your assets and such suit is not dismissed within thirty (30) days; if you are adjudicated bankrupt or insolvent; or if you voluntarily dissolve or liquidate; or if a petition is filed against you for dissolution or liquidation and such petition is not dismissed within thirty (30) days.

12.2 Termination Upon Notice

In addition to our right to terminate pursuant to other provisions of this Agreement and under applicable law, you will be in breach of this Agreement and we will have the right to terminate this Agreement, effective upon delivery of notice of termination to you, if you or any of your Owners, Operating Principal or Affiliates:

- (a) fail to open your Store and start business, as provided in Section 4.2;
- (b) knowingly maintain false books or records, submit any false reports, or make any material misstatement or omission to us (including, but not limited to, information provided as part of your application for this franchise);
- (c) suffer cancellation or termination of the lease or sublease for your Store;
- (d) are convicted of, or plead no contest to, a felony, a crime involving moral turpitude, or any other crime or offense that we believe is reasonably likely to have an adverse effect on the System, the Marks, the goodwill associated therewith, or our interest therein;
- (e) make an unauthorized Transfer of the Franchise or any of the assets utilized in the operation of the Franchise;
- (f) make any unauthorized use or disclosure of any Confidential Information or use, duplicate or disclose any portion of the Operations Manual in violation of this Agreement;
- (g) are in breach of or in default under any other agreement with us or any of our Affiliates relating to this or any other Metal Supermarkets store;
- (h) after opening your Store, you fail for any reason to have it open for business for any four (4) consecutive days or clearly demonstrate or announce that you have ceased operations;
- (i) are past due in the payment of rent under the lease for the Premises of your Store for fifteen (15) days or more;
- (j) engage in any conduct which could in our opinion materially impair the goodwill associated with the trademarks and/or the System;
- (k) understate your Gross Sales, in any report to us, by four percent (4%) or more; or
- (l) fail on three (3) or more separate occasions within any period of twenty-four, (24) consecutive months to pay when due royalties or other payments due us or any of our Affiliates, or otherwise fail to comply with this Agreement or any mandatory specification, standard or operating procedure, whether or not such failures are corrected after notice of default is delivered to you and whether or not such failures relate to the same or different matters.

12.3 Termination Upon Notice and Opportunity to Cure

Except as otherwise provided in Sections 12.1 and 12.2 of this Agreement, upon any other default by you, we may terminate this Agreement only by giving written notice of termination (in the manner set forth under Section 16.13 below) stating the nature of such default to you at least thirty (30) days prior to the effective date of termination (or in the case of your non-payment of any amounts due to us under this

Agreement, at least ten (10) days prior to the effective date of termination); provided, however, that you may avoid termination by immediately initiating a remedy to cure such default, curing it to our satisfaction, and by promptly providing proof thereof to us within the 30-day (or 10-day) period. If any such default is not cured within the specified time, or such longer period as applicable law may require, this Agreement shall terminate without further notice to you, effective immediately upon the expiration of the 30-day period (10-day period for non-payment defaults) or such longer period as applicable law may require.

13. RIGHTS TO A SUCCESSOR FRANCHISE.

13.1 Your Right to Acquire A Successor Franchise

You have the right, subject to the conditions contained in this Section 13; to acquire a successor franchise for your Store for one (1) additional term, if upon expiration of the Term: (a) you, your Owners, Operating Principal and any Affiliates are in compliance with this Agreement and all other agreements with us or any of our Affiliates, whether relating to your Store or any other Metal Supermarkets store, and you and your Owners have been, in our opinion, in substantial compliance with this Agreement and all other agreements with us or any of our Affiliates throughout the Term where material periods of a failure to comply with the obligations, covenants, standards or requirements of any agreement or our System during the Term may substantiate a lack of compliance; (b) you pay us a successor franchise fee as further described below; (c) you maintain the right to possession of the Premises for the term of the successor franchise agreement; and (d) enter into an agreement with us whereby you agree within a specified time period, starting on the signing of a successor franchise agreement, to remodel your Store, add or replace fixtures, furnishings, equipment and signs and otherwise modify your Store to upgrade your Store to the specifications and standards then applicable for new Metal Supermarkets stores. The successor franchise fee (which is the fee you must pay as consideration for renewing the right to operate the Store and use the System solely in connection therewith for a successor term, including the services that we will provide at the time of renewal) is Ten Thousand Dollars (\$10,000). The successor franchise fee is payable to us in full at the time you provide us with notice under Section 13.2 below that you intend to acquire a successor term, and is non-refundable unless we determine not to grant you a successor franchise. The length of the successor term will be equal to the initial term of our then-current Franchise Agreement.

13.2 Notices

You agree to give us notice of your desire to acquire a successor franchise at least one hundred and eighty (180) days prior to the expiration of this Agreement. We will give you notice, not later than sixty (60) days after receipt of your notice, of our decision whether you have the right to acquire a successor franchise pursuant to Section 13.1. Notwithstanding that our notice may state that you have the right to acquire a successor franchise for your Store, such acquisition right will be subject to your continued compliance with all the provisions of this Agreement up to the date of its expiration. If we determine you do not have the right to a successor franchise, as above provided, then this Agreement shall expire at the end of the Term and you, all of your Owners and Operating Principal shall be subject to all of the provisions applicable on expiration, including those contained in Sections 10.4 and 14.

13.3 New Agreements

(a) If you have the right to acquire a successor franchise in accordance with Section 13.1 and state your desire to exercise that right in accordance with Section 13.2, we and you (and your Owners) will execute our then-current standard form franchise agreement and all Ancillary Agreements (including personal guarantees by your Owners and an agreement to remodel the Store to comply with Section 13.1(d) on such terms as we deem appropriate). All of these agreements may contain provisions materially different from those contained in this Agreement and our current Ancillary Agreements. You and your Owners agree

to also execute general releases, in form and substance satisfactory to us, releasing us, and our Affiliates, officers, directors, employees, agents, successors and assigns, from any and all claims. Failure by you (and your Owners) to sign such agreements and releases within thirty (30) days after delivery to you will be deemed an election by you not to acquire a successor franchise for your Store.

(b) In the event that you do not provide us with the 180 days' notice, we determine that you do not qualify for a successor franchise pursuant to the terms of Section 13.1 above, or you do not sign the new agreements and general releases within thirty (30) days of delivery to you, we have the right to market the franchise for the Protected Area in any manner we deem appropriate, including through brokers or other agents.

13.4 Holdover Situation

If, for any reason, you continue to operate your Store after the expiration of the Term without having been granted a successor franchise, you shall be deemed to be operating on a month-to-month basis under the terms and conditions of this Agreement, provided, however, that there will be a 50% increase in the amount of royalties payable by you during any such holdover period. In such circumstances, and notwithstanding the foregoing, we may, on ten (10) days written notice, terminate this Agreement.

14. EFFECT OF TERMINATION OR EXPIRATION.

14.1 Payment of Outstanding Amounts

You agree to pay us and our Affiliates, within thirty (30) days after the effective date of termination or expiration (without grant of a successor franchise) of this Agreement, all royalties, amounts owed for purchases from us or our Affiliates, interest due on any of the foregoing and all other amounts owed to us or our Affiliates which are then unpaid. You also agree to pay all of your suppliers any outstanding amounts that are not subject to bona fide dispute.

14.2 Discontinue Use of Marks and Confidential Information

Upon any termination or expiration (without the grant of a successor franchise) of this Agreement, you agree to immediately do all of the following:

(a) Immediately and permanently cease to use, in any manner whatsoever, any confidential methods, procedures and techniques associated with the System, the Mark "Metal Supermarkets," and all other Marks and distinctive forms, slogans, signs, symbols, and devices associated with the System (including all signs, advertising materials, displays, stationery, forms, e-mail addresses, and any other articles which display the Marks), and you shall not thereafter, directly or indirectly, represent to the public or hold yourself out as our present or former franchisee (except to the extent that you are authorized to do so under another valid franchise agreement with us for a different Metal Supermarkets store).

(b) Take such action as may be required to cancel all fictitious or assumed name registrations relating to your use of any Mark.

(c) Notify, and take such other action as necessary, but only as directed by us, the telecommunications companies and all telephone and online directory publishers of the termination or expiration of any rights you may have to use any numbers, designations, addresses or listings associated with your Store and to authorize transfer of such listings to us or at our direction (unless you know that we already own such listings). You acknowledge that, as between you and us, we have the rights to and interest in all telephone, telecopy and other telecommunications numbers and listings associated with your Store.

You authorize us, and hereby appoint us and any of our officers as your attorney in fact, to direct the appropriate third parties to transfer any numbers, identities and listings relating to your Store to us or at our direction, should you fail or refuse to do so, and the appropriate parties may accept such direction or this Agreement as conclusive evidence of our exclusive rights in such numbers, identities and listings and our authority to direct their transfer.

(d) If we do not exercise our right to purchase the assets of your Store pursuant to Section 14.4, and subject at all times to your obligations under Section 10.4 above, promptly remove from the Premises, and discontinue using for any purpose, all signs, fixtures, equipment, Trade Dress, advertising materials, forms and other materials and supplies which display any of the Marks or any distinctive features, images, or designs associated with Metal Supermarkets stores and, at your expense, make such alterations as may be necessary to distinguish the Premises so clearly from its former appearance as a Metal Supermarkets store as to prevent any possibility of confusion by the public;

(e) Immediately cease to use all Confidential Information and return to us all such Confidential Information and any extracts, copies of derivative works therefrom, including the Operations Manual and any other confidential materials which we have loaned to you.

(f) Immediately discontinue any mode of communications on the Internet or other communications system directly or indirectly relating to your Store, including any Web sites, social media platforms, links, or pages and e-mail addresses associated with your Store, and immediately take all steps required by us to transfer any domain name associated with your Store to us. You irrevocably appoint the person who is then our president as your duly authorized agent and attorney-in-fact to execute all instruments and take all steps to transfer such domain names to us.

(g) Immediately cease to use (and return to us all copies of) all technology licensed by us or any of our Affiliates and comply with your obligations under any technology license agreements.

(h) Provide us with a complete list, in a format satisfactory to us, of all Customer Information and destroy any remaining copies of such Customer Lists.

(i) Within thirty (30) days after the effective date of termination or expiration, you will furnish us evidence satisfactory to us of your compliance with the foregoing obligations.

(j) Upon expiration or termination of this Agreement, you shall not, directly or indirectly, sell, assign, transfer, lease or otherwise dispose of any inventory or assets used in the operation of your Store, including the lease for the premises, to any Competitive Business, or to any person whose use of such inventory or assets would be a violation of the terms of Section 10 above.

14.3 Customer Lists

For absolute clarity, upon any termination or expiration (without the grant of a successor franchise) of this Agreement, we and our Affiliates will have the unrestricted right, without paying you any consideration, to offer and sell, and to permit other franchisees of ours to offer and sell, any products and/or services, to any and all former, current and prospective customers of your former Store. You acknowledge and agree that all Customer Information is Confidential Information, and belongs exclusively to MSKS. You further acknowledge and agree that MSKS has granted to us, indirectly, an exclusive license to use, and to grant sublicenses to others to use Confidential Information, you shall not retain or use any Confidential Information, including but not limited to, Customer Information, in any format or media, in whole or in part, for any purpose, after any termination or expiration of this Agreement. You acknowledge

and agree that breach of this provision, including direct or indirect solicitation by you, your Owners or by your Operating Principal, shall entitle us to seek and obtain injunctive relief.

14.4 Our Option to Purchase Your Store

(a) Upon termination or expiration of this Agreement (without grant of a successor franchise in accordance with Section 13), we will have the option to be exercised within thirty (30) days after termination or expiration, or thirty (30) days prior to expiration (if you have failed to provide us with notice to elect a successor franchise within 180 days before expiration of this Agreement, or after providing us with such notice you fail to execute the successor franchise agreement more than thirty (30) days prior to expiration), to purchase from you any or all of the equipment, signs, fixtures, supplies, and inventory related to the operation of the Store (those assets that we choose to purchase are referred to as the “Purchased Assets”). You agree to enter into with us a purchase agreement for the Purchased Assets, in such form and containing such provisions as we may specify, within twenty (20) days after our delivery of such document to you. You agree to cooperate and facilitate our acquisition of Purchased Assets, and shall sign such documents and do such things for such purpose. If we elect to exercise our option to purchase the Purchased Assets as provided for in this Section 14.4, we will have the right to set off against and reduce the purchase price by any and all amounts owed by you to us or our affiliates.

(b) The purchase price for the Purchased Assets will be the net book value (as defined below). “net book value” shall mean the net book value of your Store’s tangible assets we choose to purchase as of the time of termination or expiration, determined by reference to the financial statements, using our standard chart of accounts and conforming to generally accepted accounting principles (consistently applied) that you are required to submit to us pursuant to Section 8. However: (1) each depreciable asset will be valued at the lesser of the net value of the asset as depreciated: (a) on a “straight line” basis from the date of its acquisition over its useful life without provision for salvage value; or (b) according to the method you use for federal income tax purposes; and (2) we may exclude from the assets purchased any fixtures, equipment, furniture, signs, products, materials or supplies of your Store that have not been acquired in compliance with this Agreement. If we are not satisfied for any reason with the accuracy of any financial information you have submitted to us or that reside on our system and which is used to determine the purchase price, or if none have been submitted or made available, net book value will be determined by an audit conducted by certified public accountants we select, the cost of which will be borne by you. The results of such audit will be final and binding on both parties.

(c) The purchase price, as determined above, for the Purchased Assets shall be paid 50% in cash at the closing, which shall take place no later than thirty (30) days after the delivery of our purchase agreement to you. The remainder of the purchase price (plus accrued and unpaid interest on the unpaid balance, at the Prime Rate, as defined below, from and after the closing date) shall be payable on the first anniversary of the closing date. If you disagree with the purchase price for the Purchased Assets set out in the purchase agreement, whether or not an audit is conducted as permitted under Section 14.4(b) above, you nevertheless agree to enter into the purchase agreement we require, however, we agree to reasonably discuss the purchase price with you following the closing and, if applicable, conduct an audit by certified public accountants we select (the cost of which will be borne by you). Any revisions to the purchase price that we and you agree upon during these discussions (and, if applicable, following an audit) will be adjusted at the time we pay the remainder of the purchase price on the first anniversary of the closing date. The “Prime Rate” shall be the prime rate as of the date of closing (or the next business day, if closing is not on a business day) as published in The Wall Street Journal, Eastern edition, or such other publication that we may select.

(d) You agree that, at our option, you will assign to us any interest which you have in the lease or sublease for the Premises upon which the Store is operated and/or for the building from which the Store is operated.

14.5 Continuing Obligations

All obligations under this Agreement which expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect until they are satisfied in full or by their nature expire.

15. RELATIONSHIP OF THE PARTIES.

15.1 Independent Contractors

(a) You and we, as between ourselves, are and will be independent contractors. Neither this Agreement nor the dealings of the parties pursuant to this Agreement will create any fiduciary relationship or any other relationship of trust or confidence between the parties hereto.

(b) Nothing contained in this Agreement, or arising from the conduct of the parties hereunder, is intended to make either party a general or special agent, joint venturer, partner or employee of the other for any purpose whatsoever. You agree to conspicuously identify yourself in all dealings with customers, lessors, contractors, suppliers, public officials, employees and others as the owner of your Store and agree to place such other notices of independent ownership at the Store and on forms, business cards, stationery, advertising and other materials as we may periodically require.

(c) You may not make any express or implied agreements, warranties, guarantees or representations or incur any debt in our name or on our behalf or represent that the relationship of the parties hereto is anything other than that of independent contractors. We will not be obligated by or have any liability under any agreements made by you with any third party or for any representations made by you to any third party. We will not be obligated for any damages to any person or property arising directly or indirectly out of the operation of your business hereunder.

15.2 Your Independence. You acknowledge and agree that:

(i) we are not the employer or co-employer of any of your employees (even though we may provide you with advice, guidance, and training that may be applicable or available to your employees), and we will not play any role in decisions regarding their employment (including but not limited to matters such as recruitment, hiring, scheduling, compensation, employee relations, labor matters, review, and/or dismissal);

(ii) the guidance that we provide and requirements under which you will operate are intended to promote and protect the value of the brand and the Marks;

(iii) when forming and in operating your business, you had to adopt standards to operate that business, and that instead of developing and implementing your own standards (or those of another party), you chose to adopt and implement our standards for your business (including but not limited to our System and the requirements under this Agreement); and

(iv) when forming and in operating your business, you agree to adopt standards to operate that business, and that instead of developing and implementing your own standards (or those of

another party), you chose to adopt and implement our standards for your business (including our System and the requirements under this Agreement); and

(v) you have made and (will remain responsible at all times) all of the organizational and basic decisions about establishing and forming your entity, operating your business (including but not limited to adopting our standards as your standards), hiring, scheduling and disciplining employees, engaging professional advisors, and all other facets of your operation.

15.3 Indemnification

(a) You agree to indemnify, defend, and hold harmless each of the Franchisor Parties against any and all Damages that arise directly or indirectly from any Asserted Claim and/or from your breach of this Agreement. Your indemnity obligations will survive the expiration or termination of this Agreement, and will not be affected by the presence of any applicable insurance policies and coverages that you or we may maintain.

(b) As used in Section 15.3(a) above, the parties agree that the following terms will have the following meanings:

(i) “Asserted Claim” means any allegation, claim or complaint that is the result of, or in connection with, your exercise of your rights and/or carrying out of your obligations under this Agreement (including, but not limited to, any claim associated with your operation of the Store, data breaches and similar incidents, and otherwise), and/or any default by you under this Agreement, notwithstanding any claim that any Franchisor Party was or may have been negligent.

(ii) “Damages” means all claims, demands, causes of action, suits, damages, liabilities, fines, penalties, assessments, judgments, losses, and expenses (including, without limitation, all expenses, costs and lawyers’ fees incurred for any indemnified party’s primary defense or for enforcement of its indemnification rights).

(iii) “Franchisor Parties” means us, our shareholders, parents, subsidiaries, and Affiliates, and their and our respective officers, directors, members, managers, employees, and agents.

15.4 Taxes

You agree to promptly pay to us an amount equal to all taxes levied or assessed, including unemployment taxes, sales taxes, use taxes, withholding taxes, excise taxes, personal property taxes, intangible property taxes, gross receipt taxes, taxes on royalties, any similar taxes or levies, imposed upon or required to be collected or paid by us by reason of the furnishing of products, intangible property (including trademarks) or services to you. In the event of a *bona fide* dispute as to your liability for taxes, you may contest your liability in accordance with applicable law.

16. MISCELLANEOUS

16.1 Mediation

Except as otherwise provided in Section 16.4 below or in the instance where the Store has been closed or this Agreement has been terminated, the parties agree that no civil action, lawsuit, or other dispute will be commenced in a court of law until the matter has been submitted to non-binding mediation conducted by the JAMS Alternative Dispute Resolution Center in Washington, D.C. in accordance with JAMS’ then-current rules for mediation of international commercial disputes. Both parties agree to

cooperate in connection with any such mediation, and understand that they will be required to sign a confidentiality agreement before participating in any mediation proceeding. The parties further agree to equally share all mediation service provider fees and charges and pay these fees or retainers in advance of commencement of mediation. Further, each party otherwise acknowledges that they are responsible for their own fees and expenses relative to their participation in mediation. If a party fails to provide timely payment of their allocation of shared mediation service provider fees, this failure shall be considered and acknowledged by all parties as a waiver of any obligation to apply this or any mediation obligation to the contemplated dispute. The mediation will take place in Washington, D.C. (unless the parties mutually agree to mediate in another city). Once either party has submitted a dispute to mediation, the obligation to attend will be binding on both parties. Each party will bear its own costs with respect to the mediation.

16.2 Venue

If a dispute is not settled through mediation conducted under Section 16.1 above within thirty (30) days after a dispute has been submitted to mediation in accordance with Section 16.1, or such additional period as the parties may agree upon in writing, then, subject to Section 16.4 below, you agree that any action that you bring against us, in any court, whether federal or state, must be brought only within the federal or state courts having jurisdiction over Erie County, New York. Any action that we bring against you in any court, whether federal or state, may be brought within the federal or state courts having jurisdiction over Erie County, New York. The parties agree that this Section 16.2 shall not be construed as preventing either party from removing an action from state to federal court; provided, however, that venue shall be as set forth above. The parties hereby waive all questions of personal jurisdiction or venue for the purpose of carrying out this provision.

16.3 Governing Law

The parties agree that the State of New York has a deep and well-developed history of business decisional law. For this reason, the parties agree that all relations between us and you, and any and all disputes between us and you, whether sounding in contract, tort, or otherwise, are to be exclusively construed in accordance with and/or governed by the laws of the State of New York (without reference to and without applying New York (or any other) choice of law or conflicts of law principles) (except to the extent governed by the US Trademark Act of 1946 (the Lanham Act; 15 U.S.C. § 1050, et seq.), as amended). If, however, any provision of this Agreement would not be enforceable under the laws of New York, and if the Store is located outside of New York and the provision would be enforceable under the laws of the state in which the Store is located, then the provision in question (and only that provision) will be interpreted and construed under the laws of that state. Nothing in this Section 16.3 is intended to invoke the application of any franchise, business opportunity, antitrust, "implied covenant," unfair competition, fiduciary or any other doctrine of law of the State of New York or any other state which would not otherwise apply absent this Section 16.3.

16.4 Injunctive Relief

Nothing contained in this Agreement shall bar our right to obtain injunctive relief against actual or threatened conduct that will cause us loss or damages for which no adequate remedy at law may be available or which may cause us irreparable harm, under the applicable equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions. We are entitled to such injunctive relief without the need to post a bond, and you agree to waive any requirement that we post an injunction bond. The entry of such injunctive relief does not preclude us from obtaining any other relief that we may be entitled to in equity or at law.

16.5 Costs and Attorneys' Fees

You agree to pay us all damages, costs and expenses (including without limitation reasonable attorneys' fees, court costs, discovery costs, and all other related expenses) that we incur at any time in: (a) obtaining injunctive or other relief including the successful initiation and proof of claim for the enforcement of any provisions of this Agreement (including without limitation Sections 9 and 12 above); or (b) successfully defending a claim from you that we misrepresented the terms of this Agreement, fraudulently induced you to sign this Agreement, that the provisions of this Agreement are not fair, were not properly entered into, and/or that the terms of this Agreement (as it may be amended by its terms) do not exclusively govern the parties' relationship.

16.6 Limitations on Legal Claims

(a) Waiver of Jury Trials. Each party to this Agreement irrevocably waives trial by jury in any action, proceeding, or counterclaim, whether at law or in equity, brought by either of them against the other, whether or not there are other parties in such action or proceeding.

(b) Must Bring Claims Within Two Years. Each party to this Agreement agrees that any and all claims and actions arising out of or relating to this Agreement, the parties' relationship, and/or your operation of the franchised business, brought by any party hereto against the other (except for claims seeking indemnification hereunder), must be commenced within two (2) years from the occurrence of the facts giving rise to such claim or action, or, it is expressly acknowledged and agreed by all parties, such claim or action will be irrevocably barred.

(c) Waiver of Punitive Damages. Each party to this Agreement hereby waives to the fullest extent permitted by law any right to or claim of any punitive or exemplary damages against the other, and agree that in the event of a dispute between them each will be limited to the recovery of any actual damages it has sustained.

(d) No Class Actions. Any action arising from a dispute in connection with this Agreement shall be conducted on an individual basis, and not as part of a consolidated, common, or class action.

16.7 Entire Agreement; Severability and Substitution of Provisions

(a) This Agreement and the exhibits referred to herein constitute the entire, full, and complete contract between the parties concerning the subject matter hereof, supersede all prior agreements, and no other representations other than those in this Agreement have induced either party to execute this Agreement. However, nothing in this Section (or elsewhere in this Agreement) is intended as, nor will it be interpreted to be, a disclaimer by us of any representation that we made in our Franchise Disclosure Document ("FDD") (including the exhibits and any amendments to the FDD).

(b) Except for those changes that we are permitted to make unilaterally under this Agreement, no amendment, change, or variance from this Agreement will be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing.

(c) Except as expressly provided to the contrary herein, each portion, section, part, term, and/or provision of this Agreement will be considered severable; and if, for any reason, any section, part, term, and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such will not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms, and/or provisions of this Agreement as may remain otherwise intelligible; and the latter will continue to be given full force and effect and bind

the parties hereto; and said invalid portions, sections, parts, terms, and/or provisions will be deemed not to be a part of this Agreement.

(d) If there is a conflict between any applicable law and the terms of this Agreement, then on our request you agree to cooperate with us and our counsel and to execute an amending letter that we require to replace the original term with a new term that is reasonably consistent and in compliance with law.

(e) Except as expressly provided to the contrary herein, nothing in this Agreement is intended, nor will be deemed, to confer upon any person or legal entity other than you, we, and such of our respective successors and assigns as may be contemplated (and, as to you, permitted) by Section 11 above, any rights or remedies under or by reason of this Agreement.

(f) All captions in this Agreement are intended solely for the convenience of the parties, and no caption will be deemed to affect the meaning or construction of any provision hereof.

(g) All provisions of this Agreement which, by their terms or intent, are designed to survive the expiration or termination of this Agreement, will so survive the expiration and/or termination of this Agreement.

(h) All consents that you are required to obtain pursuant to this Agreement must be in writing, and if we have not given consent in writing, our consent will be deemed to not have been given.

(i) Although we may exercise any of our rights, carry out any of our obligations, or otherwise discharge any of our duties under this Agreement directly, through the use of employees, independent contractors, professional advisors (for example, a CPA), or otherwise, we will still remain responsible for the proper performance of our obligations to you under this Agreement.

(j) Each party will bear all of the costs of exercising its rights and carrying out its responsibilities under this Agreement, except as otherwise provided.

(k) This Agreement may be signed in counterparts, and signature pages may be exchanged by e-mail, mail, or other transmission method the parties may agree upon, and each such counterpart, when taken together with all other identical copies of this Agreement also signed in counterpart, will be considered as one complete Agreement.

16.8 Waiver of Obligations

We and you may by written instrument unilaterally waive or reduce any obligation of the other under this Agreement. Any waiver granted by us will be without prejudice to any other rights we may have and may be revoked at any time and for any reason, effective upon delivery to you of ten (10) days' prior notice. You and we may not be deemed to have waived any right reserved by this Agreement by virtue of any custom or practice of the parties at variance with it; any failure, refusal or neglect by you or us to exercise any right under this Agreement or to insist upon exact compliance by the other with its obligations hereunder; any waiver, forbearance, delay, failure or omission by us to exercise any right, whether of the same, similar or different nature, with respect to other Metal Supermarkets stores or franchises; or the acceptance by us of any payments due from you after any breach of this Agreement.

16.9 Exercise of Rights

The rights of Franchisor and Franchisee hereunder are cumulative and no exercise or enforcement by Franchisor or Franchisee of any right or remedy hereunder will preclude the exercise or enforcement by

Franchisor or Franchisee of any other right or remedy hereunder which Franchisor or Franchisee is entitled to enforce by law.

16.10 Construction

(a) The language of this Agreement will be construed according to its fair meaning and not strictly against any party, regardless who drafted this Agreement.

(b) The introduction, personal guarantees, schedules and addenda (if any) to this Agreement, as well as the Operations Manual, are a part of this Agreement and constitute the entire agreement of the parties.

(c) Except as otherwise expressly provided herein, there are no other oral or written agreements, understandings, representations or statements relating to the subject matter of this Agreement that either party may or does rely on or that will have any force or effect. Nothing in this Agreement will be deemed to confer any rights or remedies on any person or legal entity not a party hereto, other than successors and assigns of any party to this Agreement whose interests is assigned in accordance with its terms.

(d) This Agreement may not be modified except by written agreement signed by both parties.

(e) The headings of sections are for convenience only and do not limit or construe their contents.

(f) The words “includes” or “including” will be construed to mean “including but not limited to.” References to section numbers are to section numbers in this Agreement, unless otherwise indicated.

(g) The term “Franchisee” or “you” is applicable to one or more persons, a corporation, limited liability company, or a partnership and its owners individually, as the case may be.

(h) If two or more persons are at any time Franchisee hereunder, or Franchisee is owned by two or more Owners, whether as partners, joint venturers or otherwise, then their obligations and liabilities to us will be joint and several.

(i) Whenever this Agreement requires the approval or consent of either party, the other party must make written request therefor, and such approval or consent must be obtained in writing prior to the action or item for which approval is sought. This Agreement is binding on the parties hereto and their respective executors, administrators, heirs, assigns and successors in interest. This Agreement may be executed in multiple copies, each of which will be deemed an original. Time is of the essence in this Agreement.

16.11 Anti-Terrorism Laws

You and the Owners agree to comply with and/or to assist us to the fullest extent possible in our efforts to comply with Anti-Terrorism Laws (as defined below). In connection with such compliance, you and the Owners certify, represent, and warrant that none of their respective property or interests are “blocked” under any of the Anti-Terrorism Laws and that neither you nor any of the Owners are in violation of any of the Anti-Terrorism Laws. You also agree not to knowingly hire or do business with (or continue to employ or do business with) any party who is blocked under any of the Anti-Terrorism Laws. The term “Anti-Terrorism Laws” means Executive Order 13224 issued by the President of the United States, as

supplemented, the USA PATRIOT Act, and all other laws and regulations addressing or in any way relating to terrorist acts and/or acts of war.

16.12 Our Reasonable Business Judgment

We and you acknowledge and agree that this Agreement (and the relationship of the parties which arises from this Agreement) grants us the right to make decisions, take actions and/or refrain from taking actions consistent with your explicit rights and obligations hereunder that may affect favorably or adversely your interests. You understand and agree that we may operate and change the System and our business in any manner that is not expressly and specifically prohibited by this Agreement. Whenever we have reserved in this Agreement a right and/or discretion to take or withhold an action, or to grant or decline to grant you a right to take or withhold an action, except as otherwise expressly and specifically provided in this Agreement, we may make our decision or exercise our right and/or discretion on the basis of our judgment of what is in our best interests, including without limitation, our judgment of what is in the best interests of our franchise network, at the time our decision is made (our “reasonable business judgment”), without regard to: (1) whether other reasonable or even arguably preferable alternative decisions or actions could have been made by us; (2) whether our decision or the action we take promotes our financial or other individual interest; (3) whether our decision or the action we take applies differently to you and one (1) or more other franchisees; or (4) whether our decision or the exercise of our rights is adverse to your individual interests or the individual interests of any other particular franchisees. We will have no liability to you for any such decision or exercise of our rights.

16.13 Notices and Communications

(a) Notices. Any and all notices, consents or approvals required or permitted under this Agreement shall be in writing and shall be personally delivered, sent by certified mail, or by e-mail from us to you (to your e-mail address shown in the introductory paragraph of this Agreement) which affords the sender evidence of delivery, of rejected delivery, or attempted delivery to the respective parties at the addresses, unless and until a different physical address has been designated by written notice to the other party of that party’s physical new address. Any notice by a means that affords the sender evidence of delivery, rejected delivery, or delivery not possible because the recipient has moved or changed and left no forwarding address shall be deemed to have been given at the date and time of receipt, rejected, and/or attempted delivery. The Operations Manual, any changes that we make to the Operations Manual, and/or any other written instructions that we provide relating to operational matters, are not considered to be “notices” for the purpose of the delivery requirements in this Section 16.13.

(b) Email Communications. The parties acknowledge and agree that exchanging information by e-mail is an important way to enable quick, effective, and efficient communication, and that each is entitled to rely on the other’s use of e-mail for communicating as part of the economic bargain underlying this Agreement. To facilitate the use of e-mail to exchange information, each of us authorizes transmission of e-mail and transmission of e-mail by Official Senders (on matters pertaining to the business described under this Agreement) to the other during the term of this Agreement. In order to implement the terms of this Section, each of us agrees that: (i) the other’s Official Senders are authorized to send e-mails to those of its employees as it may occasionally designate for the purpose of communicating with it; (ii) it will cause its parents, officers, directors, and employees to give their consent (in an e-mail, electronically, or in a pen-and-paper writing, as each of us may reasonably require, including as may be necessary to satisfy the CAN-SPAM Act of 2003 and CASL consent requirements) to Official Senders’ transmission of e-mails to those persons, and that such persons must not opt-out, or otherwise ask to no longer receive e-mails, from Official Senders during the time that such person works for or is affiliated with it; and (iii) it will not opt-out, or otherwise ask to no longer receive e-mails, from Official Senders during the term of this Agreement.

16.14 Receipt of Disclosure Document and Agreement

You acknowledge having received our franchise disclosure document (“FDD”) at least fourteen (14) calendar days before signing a binding agreement or making any payment to us relating to this Agreement. You acknowledge, agree, and confirm that except for the information disclosed in Item 19 of our FDD, we did not provide you (or your representatives) with data on the historic performance of Metal Supermarkets stores nor did we give you (or your representatives) data to predict the potential performance of your Store.

16.15 General Release

If this Agreement is not the first contract between you (and/or your affiliates) and us, then you agree to the following:

You (on behalf of yourself and your parent, subsidiaries and affiliates and their respective past and present officers, directors, shareholders, members, managers, agents and employees, in their corporate and individual capacities) and all guarantors of your obligations under this Agreement (collectively, “Releasors”) freely and without any influence forever release and covenant not to sue Metal Supermarkets Franchising America Inc., our parent, subsidiaries and affiliates, and their respective past and present officers, directors, members, managers, shareholders, agents and employees, in their corporate and individual capacities (collectively “Releasees”), with respect to any and all claims, demands, liabilities and causes of action of whatever kind or nature, whether known or unknown, vested or contingent, suspected or unsuspected (collectively, “claims”), which any Releasor now owns or holds or may at any time have owned or held, including, without limitation, claims arising under federal, state and local laws, rules and ordinances and claims arising out of, or relating to this Agreement and all other agreements between any Releasor and any Releasee, the sale of any franchise to any Releasor, the development and operation of the Franchised Store and the development and operation of all other stores operated by any Releasor that are franchised by any Releasee. (Each party represents and warrants to the others, and agrees, that it may later learn of new or different facts, but that still, it is that party’s intention to fully, finally, and forever release all of the claims that are released above. This includes the parties’ waiver of state laws that might apply to limit a release (such as Calif. Civil Code Section 1542, which states that “[a] general release does not extend to claims which the creditor does not know or suspect exist in his [or her] favor at the time of executing the release, which if known by him [or her] must have materially affected his [or her] settlement with the debtor”.) You expressly agree that fair consideration has been given by us for this General Release and you fully understand that this is a negotiated, complete and final release of all claims. This General Release does not release any claims arising from representations made in our Franchise Disclosure Document and its exhibits or otherwise impair or affect any claims that arise after the date of this Agreement.

OWNERS' PERSONAL GUARANTY OF FRANCHISEE'S OBLIGATIONS

In order to induce Metal Supermarkets Franchising America Inc. (“**Franchisor**”) to execute the “Metal Supermarkets” Franchise Agreement between Franchisor and _____ (“**Franchisee**”), dated _____, 202____ (the “**Agreement**”), each of the undersigned parties, jointly and severally, hereby unconditionally guarantee to Franchisor and its successors and assigns that all of Franchisee’s obligations (monetary and otherwise) under the Agreement (and all other contracts that Franchisee has entered into with Franchisor (the “**Contracts**”)) will be punctually paid and performed.

Upon demand by Franchisor, the undersigned each hereby jointly and severally agree to immediately make each payment required of Franchisee under the Agreement and any Contract and waive any right to require Franchisor to: (a) proceed against Franchisee for any payment required under the Agreement or any Contract; (b) proceed against or exhaust any security from Franchisee; (c) pursue or exhaust any remedy, including any legal or equitable relief, against Franchisee; and/or (d) give notice of demand for payment by Franchisee. Without affecting the obligations of the undersigned under this Guaranty, Franchisor may, without notice to the undersigned, extend, modify, or release any indebtedness or obligation of Franchisee, or settle, adjust, or compromise any claims against Franchisee, and the undersigned each hereby jointly and severally waive notice of same and agree to be and remain bound by any and all such amendments and changes to the Agreement.

The undersigned each hereby jointly and severally agree to defend, indemnify and hold Franchisor harmless against any and all losses, damages, liabilities, costs, and expenses (including without limitation reasonable attorneys’ fees, court costs, discovery costs, expert witness costs, and all other related expenses) resulting from, consisting of, or arising out of or in connection with any failure by Franchisee to perform any obligation of Franchisee under the Agreement or any Contract, any amendment thereto, or any other agreement executed by Franchisee referred to therein.

Each of the undersigned persons hereby acknowledge and agree to be individually bound by all of the Franchisee’s covenants, obligations and undertakings in the Agreement and Contracts. This includes, but is not limited to, the covenants in Section 9 (generally regarding Trademarks), Section 10 (generally regarding confidentiality and covenants against competition), Section 11 (generally regarding transfers), and Section 14 (generally regarding post-termination provisions of the Agreement) of the Agreement.

The undersigned acknowledge and agree that:

(a) this Guaranty does not grant them any rights under the Agreement or any Contract, and does not grant the right to use any of Franchisor’s marks (including but not limited to the “Metal Supermarkets” marks) or the system licensed to Franchisee under the Agreement;

(b) that they have read, in full, and understand, all of the provisions of the Agreement and each Contract that are referred to above in this paragraph, as well as Franchisor’s franchise disclosure document, and that they intend to fully comply with those provisions as if they were printed here; and

(c) that they have conducted an independent investigation of the business contemplated by the Agreement, and have had the opportunity to consult with a lawyer of their own choosing in deciding whether to sign this Guaranty.

This Guaranty will terminate upon the termination or expiration of all obligations of Franchisee under the Agreement and any Contract, except that all obligations and liabilities of the undersigned which arose from events which occurred on or before the effective date of such termination will remain in full force and effect until satisfied or discharged by the undersigned, and all covenants which by their terms continue in force after the expiration or termination of the Agreement or any Contract will remain in force according to their terms. Upon the death of an individual guarantor, the estate of such guarantor will be bound by this Guaranty, but only for defaults and obligations under this Agreement or any Contract existing at the time of death; and the obligations of the other guarantors will continue in full force and effect.

Unless specifically stated otherwise, the terms used in this Guaranty will have the same meaning as in the Agreement, and will be interpreted and construed in accordance with Section 16 of the Agreement (including but not limited to the waiver of jury trials, the agreement to bring claims within one year after the occurrence of the facts giving rise to such claim or action, the waiver (to the fullest extent permitted by law) of any right to or claim of any punitive or exemplary damages, and the exclusive application of New York law, without application of New York choice of law principles).

IN WITNESS WHEREOF, intending to be legally bound by this Guaranty, each of the undersigned has signed this Guaranty as of the date of the Agreement.

RECITALS

A. WHEREAS, you and Metal Supermarkets Franchising America Inc, entered into a franchise agreement pursuant to which you were granted the right to operate a Metal Supermarkets Store at _____ ("Original Franchise Agreement").

B. WHEREAS, the Original Franchise Agreement is expiring and you desire to enter into a successor Franchise Agreement.

C. WHEREAS, the parties are on this date entering into a successor Franchise Agreement ("Franchise Agreement").

D. WHEREAS _____ has/have personally guaranteed the Franchisee's obligations under the Franchise Agreement and has/have executed the Owners' Personal Guaranty of Franchisee's Obligations.

E. WHEREAS, the parties desire to amend the Franchise Agreement on the terms and conditions contained herein.

NOW, THEREFORE, in consideration of the foregoing premises and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. The foregoing recitals are true in substance and in fact.

2. Section 2.1 of the Franchise Agreement is deleted and replaced with the following:
 - This grant of franchise is provided as a successor to an expired franchise grant for the Store. Under the expired franchise agreement and herein, you have agreed, within a specified time period commencing as of execution of this successor Franchise Agreement, to remodel your Store, add or replace fixtures, furnishings, equipment and signs and otherwise modify your Store to upgrade your Store to the specifications and standards now applicable for a Metal Supermarkets store. In compliance with these obligations, and thereby conditional upon the completion of certain works under enumerated timelines as further described under attachment (i.e. Attachment G-Paragraph 2) and subject to the terms of this Agreement, we grant you the right, and you assume the obligation, to operate the Store at the location selected by you pursuant to Section 2.2 (the “Premises”), and to use the System solely in connection therewith, for a term of ten (10) years, starting on the date of this Agreement (the “Term”). You may not conduct the business of your Store or use the System anywhere other than the Premises, or relocate your Store, without our consent.

3. Section 2.2(a) and (b) of the Franchise Agreement are deleted in their entirety and replaced with the following:
 - (a) The parties acknowledge that the Store is currently being operated at the Premises identified in Schedule B to the Franchise Agreement. The Protected Area is identified in Schedule A to the Franchise Agreement.
 - (b) Neither our continued approval of the Premises, nor any information we may impart to you about the Premises or the Protected Area constitutes a representation, warranty, guarantee or assurance of any kind, express, implied or collateral, that your Store will be profitable or successful. Your decision to continue to operate your Store at the Premises is based solely on your own independent investigation and judgment and not in reliance on any approvals or information from us.

4. The first sentence of Section 3.1 of the Franchise Agreement is deleted and replaced with the following:

“You have agreed to pay us a successor franchise fee as determined under the franchise agreement that governed you immediately prior to this Term.”

5. Save and except, Section 3.2(a)(ii), Section 3.2(a) is deleted.

6. Section 3.2(c) of the Franchise Agreement is deleted in its entirety and replaced with the following:

“Notwithstanding Section 3.2(b) above, (subject to an annual CPI adjustment effective as of our fiscal year end and the base year being our fiscal year ended September 30, 2021), you agree to pay us each month, on or before the twentieth (20th) day of that month, the greater of a monthly minimum royalty of \$3,579.00 or the royalty fee as set out under Section 3.2(b).”

7. Section 3.7 of the Franchise Agreement is deleted in its entirety.
8. The first sentence of the first paragraph of Section 4.1(a) of the Franchise Agreement is deleted in its entirety.
9. The first two sentences of Section 4.2 of the Franchise Agreement are deleted in their entirety and replaced with the following:

“You are solely responsible for the continued development and operation of your Store and for all expenses associated with it.”
10. The following language is added at the end of Section 4.2 of the Franchise Agreement:

“If you choose to relocate your Store (with our approval) we will furnish you prototype plans for a then-current Metal Supermarkets store. Your Store may not be relocated or opened for business in a relocated location until we notify you that all our requirements for opening have been met. The current location, as identified in Schedule B, is approved for use as a Store.”
11. Section 4.5 of the Franchise Agreement is deleted in its entirety.
12. The first two sentences of Section 4.6 of the Franchise Agreement are deleted in their entirety and are replaced with the following:

“You acknowledge and agree that the database of potential customers and customers in your Protected Area that has been provided to you or that you have generated, and all updates thereto, are part of the Customer Information and are our and MSKS’s property.”

13. Section 5.1 of the Franchise Agreement is deleted in its entirety and replaced with the following:

“You acknowledge that you are not required to attend and complete the Initial Training Program and that you already received adequate initial training. If your Operating Principal or Manager cease active management or employment at the Store, or if at any time we disapprove of the Operating Principal or Manager (who may have been previously approved), then you agree to enroll a qualified replacement (who must be reasonably acceptable to us) in our next available Initial Training Program and to pay us a training fee in the amount that we will set for each individual that will attend the this training program, with payment to be made in full before training starts. The replacement must attend and successfully complete the Initial Training Program, to our reasonable satisfaction.”

14. The first sentence of Section 5.5 of the Franchise Agreement is deleted and replaced with the following:

“You acknowledge receiving access to the Operations Manual.”

15. Section 13.1 of the Franchise Agreement is deleted, as there are no additional renewal or successor terms.

16. You agree to sign the Assignments attached hereto as Appendices G-1 and G-2.

17. All capitalized terms used but not defined herein shall have the same meaning as ascribed to them in the Franchise Agreement.

18. In consideration of our agreement to enter into a successor Franchise Agreement with you and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, you, for yourself and for each of your owners, heirs, executors, administrators, insurers, attorneys, agents, representatives, successors and assigns, affiliates, directors, officers and shareholders, and on behalf of any other party claiming an interest through them (collectively and individually referred to as the “Franchisee Parties” for purposes of this Section), hereby releases and forever discharges us and each of our respective affiliates, subsidiaries, divisions, insurers, indemnitors, attorneys, successors and assigns, together with all of their past and present directors, officers, employees, attorneys, agents, assigns and representatives in their capacities as such (collectively and individually referred to as the “Franchisor Parties” for purposes of this Section), of and from any and all actions, suits, proceedings, claims, complaints, charges, judgments, executions, whether liquidated or unliquidated, known or unknown, asserted or unasserted, absolute or contingent, accrued or not accrued, which the Franchisee Parties may now or in the future own or hold against the Franchisor Parties (collectively referred to as the “Claims”), for known or unknown damages or other losses.

Except as may be prohibited by applicable law, the release of Claims is intended by the Franchisee Parties to be a full and unconditional general release, as that phrase is used and commonly interpreted, extending to all claims of any nature, whether or not known, expected or anticipated. The Franchisee Parties acknowledge that the consideration for this release constitutes full and complete satisfaction of any damages to them and that claims or facts in addition to or different from those which are now known or believed to exist with respect to the matters mentioned herein may later be discovered and that it is the Franchisee Parties’ intention to fully and forever release

any and all matters, regardless of the possibility of later discovered claims or facts. The Franchisee Parties further acknowledge that they have had adequate opportunity to gather all information necessary to enter into this Section and to grant the releases contained herein, and need no further information or knowledge of any kind that would otherwise influence the decision to enter into this release. This release is and shall be and remain a full, complete and unconditional general release.

The Franchisee Parties represent and warrant, and agree, that each may later learn of new or different facts, but that still, it is that party's intention to fully, finally, and forever release all of the Claims that are released above. This includes the parties' waiver of state laws that might apply to limit a release (such as Calif. Civil Code Section 1542, which states that "[a] general release does not extend to claims which the creditor does not know or suspect exist in his [or her] favor at the time of executing the release, which if known by him [or her] must have materially affected his [or her] settlement with the debtor").

19. In all other respects, the Franchise Agreement will remain enforceable according to its terms.

IN WITNESS WHEREOF, intending to be legally bound by this Amendment, the parties have executed and delivered this Amendment on the day and year first above written.

5. If Franchisor assumes the Lease, as above provided, Franchisor may further assign the Lease to another person or entity to operate a Metal Supermarkets store at the Premises, subject to Landlord's consent, which consent will not be unreasonably withheld or delayed. Landlord agrees to execute such further documentation to confirm its consent to the assignments permitted under this Addendum as Franchisor may reasonably request.

6. Landlord and Franchisee hereby further acknowledge that in the event the Franchise Agreement expires (without renewal) or is terminated, Franchisee is obligated to take certain steps under the Franchise Agreement to de-identify the location as a Metal Supermarkets store. To the extent Franchisor believes that the Franchisee is not in compliance with this de-identification requirement, Landlord agrees to permit Franchisor, its employees or agents, to enter the Premises and remove signs, decor and materials displaying any marks, designs or logos owned by Franchisor, provided Franchisor shall bear the expense of repairing any damage to the Premises as a result thereof.

7. Landlord and Franchisee agree that if Landlord is an Owner or an Affiliate of the Franchisee, as defined in the Franchise Agreement, and Landlord proposes to sell the Premises, prior to the sale of the Premises, the Lease shall be amended to reflect a rental rate and other terms that are the reasonable and customary rental rates and terms prevailing in the community where the Metal Supermarkets store is located.

8. Landlord shall deliver to Franchisor a copy of any notice of default or termination of the Lease at the same time such notice is delivered to Franchisee. Copies of any and all notices required or permitted hereby or by the Lease shall also be sent to Franchisor at 5399 Eglinton Avenue West, Suite 210, Toronto, Ontario Canada M9C 5K6, or such other address as Franchisor shall specify by written notice to Landlord.

During the Term, Franchisor (whether on its own behalf or through an Affiliate and/or a designated third party) will operate, provide and maintain the MetalTech Software in the Hosting Environment and will make the Hosted Solution available to User via the Internet for its permitted use solely in connection with the operation of the Franchise Business at the Premises and in accordance with the terms and conditions of this Agreement.

2.2 Right to Use Hosted Solution. Franchisor hereby grants to User the non-exclusive, non-transferable right to access the Hosted Solution via the Internet, and to use the Hosted Solution in object code form only, during the Term subject to the terms and conditions of this Agreement. In accordance with the Franchise Agreement, User is solely responsible for obtaining all technology as specified by Franchisor. User is solely responsible for: (i) the selection, implementation and maintenance of an Internet connection to User’s satisfaction that will at all times be sufficient to permit User (and its Authorized Users) to use the Hosted Solution and any other technology selected by the User from time to time; and (ii) the security and integrity of its own computers, systems and Internet connection, and is required to have current licensed copies of commercially reasonable security and anti-virus software installed in such computers and systems.

Franchisor will have the right to assume that any individual accessing or using the Hosted Solution under a given User Identity is the individual associated with such User Identity in its records and will grant access to User's User Information and other capabilities accordingly. User will be entirely responsible for the acts and omissions of anyone using a User Identity associated with User's name in Franchisor's records as though such acts and omissions were the acts and omissions of User, whether or not such acts or omissions or the use of the User Identity were authorized by User. If User wishes to terminate or modify the access rights of any of its Authorized Users, User will be entirely responsible for notifying Franchisor to change such Authorized User's access settings or disable such Authorized User's User Identity. User will notify Franchisor immediately of any known or suspected unauthorized use of a User Identity registered to User or any other known or suspected breach of security.

4.2 Security Risks; Availability. User acknowledges that Internet-based and software solutions cannot be made perfectly secure or reliable and that data Processing entails the likelihood of some human and machine errors, omissions, downtime, delays, and losses, including inadvertent loss or corruption of data, which may give rise to losses or damage. User accepts responsibility for adopting reasonable measures to limit its exposure with respect to such potential losses and damage. While Franchisor will use its good faith and reasonable efforts to provide a high level of availability for the Hosted Solution, availability may be impacted adversely by a number of factors over which Franchisor has limited or no control, and for which Franchisor will not be liable. The availability of the Hosted Solution is also subject to scheduled downtime for maintenance purposes, unscheduled maintenance, and general system outages. While Franchisor will work in good faith to resolve problems in a reasonable manner, taking into account the scope and effect of the problems, Franchisor does not commit to specific service levels with respect to the Hosted Solution. Without limiting the generality of the foregoing, under no circumstances shall Franchisor be liable for any damages or claims related to the lack of availability of Hosted Solution for any reason whatsoever, including without limitation, any inability by either Franchisor or User to establish or maintain a connection to the Internet at any time.

For the protection of User and its Authorized Users, Franchisor reserves the right, at its sole discretion (i) to deactivate any User Identity; (ii) to require Authorized User(s) to change User Identities; or (iii) to deny, limit or terminate access to the Hosted Solution or any portion thereof, at any time, as necessary or advisable to protect the security and integrity of the MetalTech Software or the Hosting Environment. Whenever Franchisor is able to do so without compromising the security or integrity of the Hosted Solution, Franchisor will give User reasonable notice before taking such action. If Franchisor determines, in its sole discretion, that it is advisable to take immediate action, without prior notice to User, Franchisor will notify User as soon as reasonably practicable of its action and, if it can do so without compromising the security of the Hosted Solution or any investigation, the reason for the action.

User agrees to use the Proprietary Information only during the Term (as defined below) and to take all steps reasonably necessary to maintain and protect the Proprietary Information in the strictest confidence for the benefit of Franchisor. User agrees that it will not, at any time, including after this Agreement expires or terminates, without the express written permission of Franchisor, disclose any of the Proprietary Information directly or indirectly to any third party. Franchisor may amend such privacy policy from time to time by posting a revised privacy policy at <http://metalsupermarkets.com/privacy-policy/> and User covenants to obtain and comply with such privacy policy as amended from time to time in accordance with this Section 5.4. Franchisor shall have the right to retrieve and use any or all User Information provided however that it complies with all relevant privacy laws in connection with such data and information.

In addition, User's failure to comply with the terms or conditions of this Agreement will also be considered a material breach of the Franchise Agreement.

8.3 In-Term Termination and Access Suspension. In addition to Franchisor's rights to terminate this Agreement as provided in Section 8.2, with respect to non-payment of fees owed Franchisor under this Agreement, Franchisor reserves the right to deny access or terminate this Agreement if User does not pay, when due, amounts due to Franchisor under this Agreement. If User defaults in its payment obligations, Franchisor reserves the right at its sole discretion to alter monthly fees (not to exceed an increase of 125% of the then current monthly system access fee) and/or require annual prepayment of such fees.

8.4 Obligations Upon Expiration or Termination. If this Agreement expires or is terminated for any reason:

- (a) User will pay all amounts owed to Franchisor; and
- (b) User's (and all Authorized Users') access to the Hosted Solution will immediately terminate; and
- (c) User will immediately cease all use of the Hosted Solution; and

- (d) User will immediately return to Franchisor all copies of any Proprietary Information or proprietary materials of Franchisor in User's possession.

8.5 Post-Termination Restriction. User hereby acknowledges and agrees that: (i) the Hosted Solution includes Proprietary Information (including without limitation trade secrets) that is unique and valuable to Franchisor and its Affiliates; and (ii) Franchisor and its Affiliates have invested considerable human resources and financial resources to customize the Hosted Solution to support all franchisees of Franchisor; and (iii) all fees paid by User to Franchisor pursuant to this Agreement, the Franchise Agreement or any other agreement will not fully compensate Franchisor for developing the Proprietary Information or permitting User to access the Hosted Solution in accordance with this Agreement; and (iv) Franchisor would not grant the rights to User as contemplated in this Agreement without the User covenanting and agreeing to the restriction set out in the paragraph below.

In further consideration for Franchisor entering into this Agreement and granting those rights to User as set out herein, User hereby covenants and agrees that during the term of this Agreement, and continuing for a period of two (2) years from the termination or expiry of this Agreement for any reason whatsoever, User shall not directly or indirectly use, or engage or retain any Affiliate or third party to use on its behalf or provide services to User, any software that relies upon, employs, or otherwise is based upon in any way whatsoever, any software licensed by OpenBravo S.L.U., any of its Affiliates or any third party granted rights by OpenBravo S.L.U. or any of its Affiliates.

9. GENERAL TERMS

9.1 Assignment. Neither this Agreement nor any rights granted hereby, nor any ownership interest in User, may be, directly or indirectly, assigned or otherwise transferred by User without the prior written consent of Franchisor. Any attempt by User to assign this Agreement, any rights, duties or obligations under this Agreement, or an ownership interest in User, without such consent will be void and without force or effect. Franchisor may condition its consent to any such assignment on, among other things, the simultaneous assignment of the Franchise Agreement to the same assignee. This Agreement will be binding upon and inure to the benefit of the parties' permitted successors and assigns. Franchisor may transfer and either directly or indirectly assign this Agreement (in whole or in part) and any rights granted hereby to any person or legal entity at its sole discretion.

9.2 Severability. If any provision of this Agreement is held to be invalid, illegal or unenforceable for any reason, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby. Any such provision will be deemed modified to the least degree necessary to remedy such invalidity while retaining, to the maximum extent possible, the intent of the parties and the economic effect of the invalid provision.

9.3 Relationship of Parties. Franchisor and User will be and will act as independent contractors, and neither party is authorized to act as an agent or partner of, or joint-venturer with, the other party for any purpose. Neither party by virtue of this Agreement will have any right, power, or authority to act or create any obligation, express or implied, on behalf of the other party. This Agreement is not a franchise agreement, and does not grant to User any right to use in any manner Franchisor's Marks (as defined in the Franchise Agreement) or any other rights not granted to User under this Agreement.

9.4 Dispute Resolution. Any and all controversies, disputes or claims arising from or relating to this Agreement, the Hosted Solution, and any Services or deliverables that may be provided will be resolved in the same manner provided in the Franchise Agreement.

9.5 Governing Law. This Agreement and all issues arising from or relating to this Agreement, the Hosted Solution, and any services or deliverables that may be provided will be governed by and construed under the laws of the State of New York.

9.6 Force Majeure. Franchisor will not be liable for any damages or penalty for any delay in performance of, or failure to perform, any obligation hereunder or for failure to give the other party prior notice thereof when such delay or failure is due to a force majeure, including the elements, acts of God, delays in transportation, delays in delivery by vendors, war, terrorism, unavailability of the Internet, delays or failures causes by third parties (including without limitations any matter related to the Hosting Environment) or any other causes beyond Franchisor's reasonable control. If and to the extent that User fails to cooperate with Franchisor, its Affiliates or licensors fully in the performance of any Services, or

User's delay or failure to perform causes a delay or failure by Franchisor, its Affiliates or licensors, then Franchisor will be relieved from its obligation to perform in accordance with this Agreement to the extent due to User's delay or failure.

9.7 Non-Waivers. No express or implied waiver by either party of any event of default hereunder will in any way be, or be construed as, a waiver of any future or subsequent event of default.

9.8 Costs and Attorneys' Fees. If Franchisor claims in any judicial or arbitration proceeding that User owes Franchisor or any of its Affiliates money or that User has otherwise breached this Agreement and Franchisor prevails on such claim(s), then Franchisor will be awarded its costs and expenses incurred in connection with such proceedings, including reasonable attorneys' fees.

9.8 Exercise of Rights. The rights of Franchisor and User hereunder are cumulative and no exercise or enforcement by Franchisor or User of any right or remedy hereunder will preclude the exercise or enforcement by Franchisor or User of any other right or remedy hereunder which Franchisor or User is entitled to enforce by law.

9.9 Construction. The language of this Agreement will be construed according to its fair meaning and not strictly against any party, regardless who drafted this Agreement. The exhibits and addenda (if any) to this Agreement are a part of this Agreement and constitute the entire agreement of the parties. Except as otherwise expressly provided herein, there are no other oral or written agreements, understandings, representations or statements relating to the subject matter of this Agreement, other than the franchise disclosure document delivered by Franchisor, that either party may or does rely on or that will have any force or effect. Nothing in this Agreement will be deemed to confer any rights or remedies on any person or legal entity not a party hereto, other than successors and assigns of any party to this Agreement whose interests is assigned in accordance with its terms. This Agreement may not be modified except by written agreement signed by both parties.

The headings of sections are for convenience only and do not limit or construe their contents. The word "including" will be construed to include the words "without limitation." The term "User" is applicable to one or more persons, a corporation, limited liability company or a partnership and its owners individually, as the case may be. If two or more persons are at any time User hereunder, or User is owned by two or more people, whether as partners, joint venturers or otherwise, then their obligations and liabilities to Franchisor will be joint and several.

Whenever this Agreement requires the approval or consent of either party, the other party must make written request therefor, and such approval or consent must be obtained in writing. This Agreement is binding on the parties hereto and their respective executors, administrators, heirs, assigns and successors in interest. This Agreement may be executed in multiple copies, each of which will be deemed an original. Time is of the essence in this Agreement.

9.10 Reasonable Business Judgment. Franchisor and User acknowledge and agree that this Agreement (and the relationship of the parties which arises from this Agreement) grants Franchisor the right to make decisions, take actions and/or refrain from taking actions not inconsistent with User's explicit rights and obligations hereunder that may affect favourably or adversely User's interests. User understands and agrees that Franchisor may operate and change the Hosted Solution in any manner that is not expressly and specifically prohibited by this Agreement. Whenever Franchisor has reserved in this Agreement a right and/or discretion to take or withhold an action, or to grant or decline to grant User a right to take or withhold an action, except as otherwise expressly and specifically provided in this Agreement, Franchisor may make its decision or exercise its right and/or discretion on the basis of its judgment of what is in its best interests, including without limitation our judgment of what is in the best interests of its franchise network, at the time its decision is made (its "reasonable business judgment"), without regard to: (1) whether other reasonable or even arguably preferable alternative decisions or actions could have been made by Franchisor; (2) whether its decision or the action it takes promotes its financial or other individual interest; (3) whether its decision or the action it takes applies differently to User and one (1) or more other franchisees; or (4) whether its decision or the exercise of its rights is adverse to User's individual interests or the individual interests of any other particular franchisees. Franchisor will have no liability to User for any such decision or exercise of its rights

9.11 Notices and Payments. Any and all notices and consents required or permitted under this Agreement shall be delivered to the other party in the same manner, and at the same address, provided in the Franchise Agreement. No restrictive endorsement accompanying any payment will bind Franchisor, and Franchisor's acceptance of any such payment may not constitute an accord and satisfaction.

9.12 Entire Agreement. The parties acknowledge that this Agreement and the mutually agreed upon Service Orders, if any, sets forth the complete, exclusive and integrated understanding of the parties which supersedes all proposals or prior agreements, oral or written, and all other prior communications, statements or representations between the parties relating to the subject matter of this Agreement except as expressly set out herein. In the event of a conflict between the terms of this Agreement and any Service Order, the terms of this Agreement will prevail. If User uses a non-Franchisor form to order any services, the parties agree that such form is for User's convenience only, and that any terms in addition to, or conflicting with, those in this Agreement will be null and void. Nothing in this Section is intended to negate any representation made in the applicable Franchise Disclosure Document delivered by Franchisor to User prior to the execution of the Franchise Agreement. The language of this Agreement will be construed according to its fair meaning and not strictly against any party, regardless who drafted this Agreement.

9.13 Survival. Any terms of this Agreement that by their nature should survive termination or expiration of this Agreement, will survive, including without limitation, terms governing ownership, confidentiality, disclaimers of warranty, limitations of liability, and this Section 9.

9.14 Further Assurances. User agrees, at Franchisor's request and reasonable expense, to provide reasonable assistance and cooperation to Franchisor, its Affiliates, its licensors and their designees, and to give testimony and execute documents and to take such further acts reasonably requested by the other to acquire, transfer, maintain, perfect, and enforce Franchisor's, its Affiliates and licensor's intellectual property rights in and to the Hosted Solution and every part thereof.

9.15 Counterparts. This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail or other means of electronic transmission is deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the Effective Date.

User must obtain any Services through Franchisor, and Franchisor will coordinate with Jive directly for User's initial setup. However, User may access tier 1 phone support for the Services directly from Jive at any time for no additional cost to User.

7. Obtaining Equipment. User may obtain equipment for use with the Services directly from Jive. Any such arrangements will be directed between User and Jive and subject to Jive's credit approval. Franchisor will not be a party to, nor liable for, any such equipment arrangements.

 - a. The term ("Term") of this Agreement will be co-extensive with the Franchise Agreement and will expire or terminate automatically, save and except as noted below, and without the requirement of further action by Franchisor upon expiration or termination of the Franchise Agreement for any reason. Franchisor also may terminate this Agreement, with or without cause, effective 15 days after notice thereof to User or immediately upon any termination of the Master Services Agreement. User's breach or failure to comply with the terms or conditions of this Agreement or any other agreement with Franchisor, including the Franchise Agreement, will be considered a material breach of this Agreement, conferring on Franchisor the right to terminate this Agreement, effective upon notice thereof. In addition, User's failure to comply with the terms or conditions of this Agreement or the Terms of Service (as amended by the Master Services Agreement) will also be considered a material breach of the Franchise Agreement.
 - b. If this Agreement expires or is terminated for any reason:
 - (1) User will pay all amounts owed to Franchisor; and
 - (2) User's access to the Services will immediately terminate; and
 - (3) User will immediately cease all use of the Services.
11. In-Term Termination and Access Suspension. In addition to Franchisor's rights to terminate this Agreement as provided in Section 10, Franchisor reserves the right to deny access or terminate this Agreement if User does not pay, when due, amounts due to Franchisor hereunder.
12. Limit of Liability. User acknowledges that the Services will be provided solely by Jive and Franchisor shall not be liable for any claims whatsoever by User with respect to the Services. Jive is an independent service provider and is not under the control, directly or indirectly, of Franchisor. User covenants and agrees that Franchisor shall not be liable to User for any act or omission by Jive or any other third party and Franchisor shall not be liable for any claims whatsoever arising in respect of the Services or any agreements between User and Jive regarding equipment. User agrees that Franchisor may use this Agreement as a full and complete defense to any claim of any type whatsoever by User with respect to Jive and/or the Services. User covenants and agrees to indemnify and hold Franchisor harmless from any and all claims initiated by User against Jive or any third party in connection with the Services wherein Jive or such third party makes a claim for damages against, or contribution from, Franchisor.
13. Assignment. Neither this Agreement nor any rights granted hereby, nor any ownership interest in User, may be, directly or indirectly, assigned or otherwise transferred by User without the prior written consent of Franchisor. Any attempt by User to assign this Agreement, any rights, duties or obligations under this Agreement, or an ownership interest in User, without such consent will be void and without force or effect. Franchisor may condition its consent to any such assignment on, among other things, the simultaneous assignment of the Franchise Agreement to the same assignee. This Agreement will be binding upon and inure to the benefit of the

parties' permitted successors and assigns. Franchisor may transfer and either directly or indirectly assign this Agreement (in whole or in part) and any rights granted hereby to any person or legal entity at its sole discretion.

14. Severability. If any provision of this Agreement is held to be invalid, illegal or unenforceable for any reason, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby. Any such provision will be deemed modified to the least degree necessary to remedy such invalidity while retaining, to the maximum extent possible, the intent of the parties and the economic effect of the invalid provision.
15. Relationship of Parties. Franchisor and User will be and will act as independent contractors, and neither party is authorized to act as an agent or partner of, or joint venturer with, the other party for any purpose. No party by virtue of this Agreement will have any right, power, or authority to act or create any obligation, express or implied, on behalf of the other party. This Agreement is not a franchise agreement, and does not grant to User any right to use in any manner Franchisor's Marks (as defined in the Franchise Agreement) or any other rights not granted to User under this Agreement.
16. Dispute Resolution. Any and all controversies, disputes or claims arising from or relating to this Agreement, the Services, and any Services or deliverables that may be provided will be resolved in the same manner provided in the Franchise Agreement.
17. Governing Law. This Agreement and all issues arising from or relating to this Agreement, the Services, and any services or deliverables that may be provided will be governed by and construed under the laws of the State of New York.
18. Non-Waivers. No express or implied waiver by either party of any event of default hereunder will in any way be, or be construed as, a waiver of any future or subsequent event of default.
19. Costs and Attorneys' Fees. If Franchisor claims in any judicial or arbitration proceeding that User owes Franchisor or any of its Affiliates money or that User has otherwise breached this Agreement and Franchisor prevails on such claim(s), then Franchisor will be awarded its costs and expenses incurred in connection with such proceedings, including reasonable attorneys' fees.
20. Exercise of Rights. The rights of Franchisor and User hereunder are cumulative and no exercise or enforcement by Franchisor or User of any right or remedy hereunder will preclude the exercise or enforcement by Franchisor or User of any other right or remedy hereunder which Franchisor or User is entitled to enforce by law.
21. Construction. The language of this Agreement will be construed according to its fair meaning and not strictly against any party, regardless who drafted this Agreement. The exhibits and addenda (if any) to this Agreement are a part of this Agreement and constitute the entire agreement of the parties. Except as otherwise expressly provided herein, there are no other oral or written agreements, understandings, representations or statements relating to the subject matter of this Agreement, other than the franchise disclosure document delivered by Franchisor, that either party may or does rely on or that will have any force or effect. Nothing in this Agreement will be deemed to confer any rights or remedies on any person or legal entity not a party hereto, other than successors and assigns of any party to this Agreement whose interests is assigned in accordance with its terms. This Agreement may not be modified except by written agreement signed by both parties.

The headings of sections are for convenience only and do not limit or construe their contents. The word "including" will be construed to include the words "without limitation." The term "User" is applicable to one or more persons, a corporation, limited liability company or a partnership and its owners individually, as the case may be. If two or more persons are at any time User hereunder, or User is owned by two or more people, whether as partners, joint venturers or otherwise, then their obligations and liabilities to Franchisor will be joint and several.

Whenever this Agreement requires the approval or consent of either party, the other party must make written request therefor, and such approval or consent must be obtained in writing. This Agreement is binding on the parties hereto and their respective executors, administrators, heirs, assigns and successors in interest. This Agreement may be executed in multiple copies, each of which will be deemed an original. Time is of the essence in this Agreement.

22. Reasonable Business Judgment. Franchisor and User acknowledge and agree that this Agreement (and the relationship of the parties which arises from this Agreement) grants Franchisor the right to make decisions, take actions and/or refrain from taking actions not inconsistent with User's explicit rights and obligations hereunder that may affect favourably or adversely User's interests. User understands and agrees that Franchisor may operate and change the Services in any manner that is not expressly and specifically prohibited by this Agreement. Whenever Franchisor has reserved in this Agreement a right and/or discretion to take or withhold an action, or to grant or decline to grant User a right to take or withhold an action, except as otherwise expressly and specifically provided in this Agreement, Franchisor may make its decision or exercise its right and/or discretion on the basis of its judgment of what is in its best interests, including without limitation our judgment of what is in the best interests of its franchise network, at the time its decision is made (its "reasonable business judgment"), without regard to: (1) whether other reasonable or even arguably preferable alternative decisions or actions could have been made by Franchisor; (2) whether its decision or the action it takes promotes its financial or other individual interest; (3) whether its decision or the action it takes applies differently to User and one (1) or more other franchisees; or (4) whether its decision or the exercise of its rights is adverse to User's individual interests or the individual interests of any other particular franchisees. Franchisor will have no liability to User for any such decision or exercise of its rights
23. Notices and Payments. Any and all notices and consents required or permitted under this Agreement shall be delivered to the other party in the same manner, and at the same address, provided in the Franchise Agreement. No restrictive endorsement accompanying any payment will bind Franchisor, and Franchisor's acceptance of any such payment may not constitute an accord and satisfaction.
24. Entire Agreement. The parties acknowledge that this sets forth the complete, exclusive and integrated understanding of the parties which supersedes all proposals or prior agreements, oral or written, and all other prior communications, statements or representations between the parties relating to the subject matter of this Agreement except as expressly set out herein. Nothing in this Section is intended to negate any representation made in the applicable Franchise Disclosure Document delivered by Franchisor to User prior to the execution of the Franchise Agreement. The language of this Agreement will be construed according to its fair meaning and not strictly against any party, regardless who drafted this Agreement.
25. Survival. Any terms of this Agreement that by their nature should survive termination or expiration of this Agreement, will survive, including without limitation, terms governing ownership, confidentiality, disclaimers of warranty, limitations of liability, and this Section 25.
26. Further Assurances. User agrees, at Franchisor's request and reasonable expense, to provide reasonable assistance and cooperation to Franchisor, its Affiliates, Jive and their designees.
27. Counterparts. This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail or other means of electronic transmission is deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

JIVE COMMUNICATIONS, INC.
MASTER SERVICES AGREEMENT

This master services agreement (the "Agreement") is dated August 17, 2015 and is between Jive Communications, Inc., a Delaware corporation ("Jive"), and Metal Supermarkets Franchising America Inc., a corporation incorporated pursuant to the laws of the Province of Ontario, Canada, with respect to Franchisees (as defined below) in the United States of America and Metal Supermarkets Franchising Corporation, a company incorporated under the laws of Canada, with respect to Franchisees in Canada (together the "Franchisor"). The parties desire to enter into this Agreement to grant the Franchisor the right to authorize individual franchisees of the Franchisor (each a "Franchisee") to obtain business telephone service and equipment from Jive.

The parties agree as follows:

1. **Terms of Service; Other Terms.**

(a) Jive and the Franchisor hereby acknowledge and agree that the Franchisor may grant to Franchisees the right to use the Services subject to the terms and conditions of this Agreement.

(b) The parties will be bound by Jive's terms of service available at www.jive.com/legal, a copy of which is attached hereto as Exhibit C (the "Terms of Service"), except as modified by this Agreement. In the event of a conflict between the Terms of Service and this Agreement, this Agreement will prevail to the extent required to resolve such conflict.

(c) Capitalized terms not defined in this Agreement shall have the meaning ascribed to them in the Terms of Service. However, for purposes of this Agreement, the term "Customer" in the Terms of Service includes all Franchisees and the Franchisor except in provisions related to equipment purchase or rental in which case "Customer" shall refer solely to Franchisees.

(d) The parties acknowledge and agree that: (1) Franchisor will be purchasing the Services from Jive for some or all of its Franchisees from time to time, and Franchisor will be solely liable for all costs relating to such Services; and (2) Franchisor will not purchase, or be involved with in any way, or be liable for any amounts relating to, any equipment that any Franchisee wishes to obtain from Jive, and Jive and each Franchisee will be permitted to enter into any agreement related to equipment provided that such agreements do not also provide any Services.

(e) All requests to add, change, remove or terminate Services for any Franchisee will be delivered to Jive solely by the Franchisor and Jive shall not accept or act upon any requests or communications received directly or indirectly from any Franchisee with respect to any Services. Jive acknowledges that the Franchisor owns all telephone numbers used by the Franchisees for the Services and agrees not to take any action with respect to any telephone number used by any Franchisee (including any request from any party to port or otherwise transfer any telephone number used by any Franchisee) other than in accordance with written instructions from the Franchisor.

(f) Jive shall separately track use of the Services by each Franchisee for billing purposes.

(g) Each Franchisee will be solely responsible to provide to Jive or Franchisor all information required to comply with Jive's 911 and Service Availability Policy, including the physical location of each device used to access the Services. Franchisor covenants and agrees to relay to Jive any such information provided to Franchisor by any Franchisee.

(h) Jive covenants and agrees not to contact any Franchisee in any way whatsoever other than: (1) to deliver Tier 1 support; and (2) to deliver a copy of the monthly invoice to each Franchisee for Services used by such Franchisee (provided that all such invoices are also addressed to, and contemporaneously delivered to, the Franchisor). Notwithstanding the foregoing, Jive may contact any Franchisee with regards to any equipment that is used, or to be used, by such Franchisee in connection with the Services, including the delivery and collection of any invoice for any such equipment.

(i) Jive shall immediately deliver to the Franchisor any and all written communications received by Jive from any Franchisee relating to the Services, including all billing disputes.

(j) Jive may modify the Terms of Service from time to time to take effect on that date which is one year after such modification has been posted online at jive.com/legal, provided always that Jive notifies Franchisor in writing of such modifications within 90 days of such posting.

(k) This Agreement shall be in effect for 1 year from the date hereof and shall automatically renew for successive periods of 1 year unless either party delivers notice of termination not less than 30 days before the end of the then current term.

(l) Jive hereby represents and warrants that it has the necessary authority to provide the Services throughout the United States of America and Canada (the "Territory") and that it has obtained, and will maintain at all times, all licenses, registrations and other government authorizations required to provide the Services throughout the Territory.

(m) Neither Franchisor nor any of the Franchisees shall be required to pay any taxes or other costs imposed by government authorities in connection with the provision of the Services other than: (1) for Franchisees located in the United States of America: fees for the North American Numbering Plan, Universal Service Fund, and Telephone Relay Service; state and local sales and telecommunications taxes, and 911 fees; or (2) for Franchisees located in Canada: goods and services tax, harmonized sales tax, provincial services tax, provincial sales tax, and 911 fees. Jive may only modify the foregoing fees after giving 90 days' notice to Franchisor.

(n) Franchisor shall require each Franchisee to enter into an agreement substantially similar to the form of Metal Supermarkets Jive Services Agreement, a copy of which is attached hereto as Exhibit A. Franchisor shall have the right to change the form of such agreement from time to time provided Jive gives its prior written consent, which consent is not to be unreasonably withheld. Jive acknowledges and accepts Section 4 of the Metal Supermarkets Jive Services Agreement which states that the enumerated sections of the Terms of Service (as amended by this Agreement) shall govern any disputes between Franchisee and Jive.

(o) Jive acknowledges that Franchisor shall provide a copy of this Agreement to each Franchisee that uses the Services and agrees that each Franchisee may rely upon this Agreement as if such Franchisee was a party hereto.

(p) Jive may assign its rights and delegate its obligations under this agreement to Jive Communications Technology Canada, Ltd. as necessary to provide Services to Franchisees in Canada.

2. Services; Equipment.

(a) Jive shall provide Services to Franchisor and equipment to Franchisees for the prices stated in Exhibit B.

(b) Franchisor acknowledges that a Franchisee will not be able to rent equipment from Jive unless the Franchisor commits to one year of Services.

(c) Jive shall provide to Franchisees tier 1 phone support, available all day every day, for no additional cost to Franchisor or any Franchisee.

(d) Jive shall not accept or take any action to process a number port request from a Franchisee or any party purportedly authorized by a Franchisee. Jive shall only accept such direction from Franchisor. Jive shall immediately deliver to the Franchisor a copy of all such requests received by Jive with respect to any Franchisee.

3. Payment.

(a) Jive shall submit to Franchisor at accounting@metalsupermarkets.com on the 1st of each month a separate invoice for each Franchisee using Services during that calendar month. The amount invoiced will include all Service Charges and Other Charges, excluding charges for equipment.

(b) Franchisor shall pay all invoiced amounts for Services within 30 days.

(c) Jive will directly invoice Franchisees for any equipment charges.

4. Termination.

(a) Jive may terminate Services to a Franchisee if: (1) Franchisor fails to pay for the Services provided to such Franchisee in accordance with this Agreement; or (2) if such Franchisee fails to pay Jive for any equipment charges incurred by such Franchisee. However, prior to any such termination, Jive will give Franchisor written notice not less than seven (7) days prior to any such termination and Franchisor shall have the option, but not the obligation, to cure any such defaults. In the event Franchisor does not so cure such defaults within such seven day period, Jive may then exercise its rights pursuant to the Terms of Service (as amended by this Agreement) but only with respect to such Franchisee.

(b) Jive may terminate Services to a Franchisee based on that Franchisee's violation of the Terms of Service (as amended by this Agreement), including provisions regarding payment for equipment.

(c) Paragraphs (a) and (b) in this section do not authorize Jive to terminate Services to one Franchisee based on conduct of another Franchisee.

Jive Terms of Service

See attached.

JIVE COMMUNICATIONS, INC.
TERMS OF SERVICE

These terms of service govern the purchase and use of the business communications service and related equipment provided by Jive Communications, Inc. (“Jive”) and are between Jive and the “Customer” identified in a signed sales quote.

The parties agree as follows:

1. **Term.** Unless the sales quote states otherwise, the services are provided on a month-to-month basis, and the term begins on the date Jive first activates Services for the Customer.

2. **Extension of Term.** (a) Except as stated in section 2(b), if the sales quote states an initial term longer than one month, this agreement will be automatically extended for an unlimited number of successive one-year periods unless the Customer delivers notice of termination no less than 30 days before the end of the term.

(b) Instead of automatic extension under section 2(a), the Customer may elect to extend this agreement after the initial term on a month-to-month basis by delivering notice of its election to Jive no less than 30 days before the end of the term.

3. **Early Termination.** If the sales quote states an initial term longer than one month and the Customer terminates this agreement for any reason or if Jive terminates this agreement because of the Customer’s breach, the Customer shall pay an early termination fee equal to the lesser of (1) \$50 per device or SIP trunk for every six-month interval, or part thereof, between the date of termination and the end of the term or (2) all applicable Service Charges through the end of the term.

4. **Adding or Removing Services.** The Customer may add Services to its account at any time, and Jive will prorate the Service Charges for the first month. To reduce the number of Services, or to terminate this agreement, the Customer must notify Jive no less than 10 days before the end of the term, and the reduction or termination will take effect after the end of the term. The Customer will be deemed to have terminated this agreement if the Customer removes all devices and SIP trunks from its account.

5. **Equipment Purchase and Cancellation.** (a) The Customer may cancel an equipment purchase without any fee by notifying Jive no later than 24 hours after submitting the order.

(b) After 24 hours, the Customer may cancel an equipment purchase or reject delivered equipment by delivering written notice to Jive no later than 5 business days after delivery of the equipment. The Customer shall pay a 30% restocking fee for all equipment purchases canceled or rejected under this section 5(b). Jive will not accept any returned equipment that is not in like-new condition, that is returned without its original packaging, or that is returned more than 30 days after the date of delivery.

6. **Equipment Rental.** If the Customer is renting any equipment from Jive, the terms of the Equipment Rental Agreement, available at jive.com/legal/equipment-rental-agreement/, are hereby incorporated by reference.

7. **Appropriate Use.** The Services are for the Customer’s own commercial or governmental use only. Jive may immediately terminate this agreement if it determines that the Customer is reselling Services or is using them in any way that is defamatory, harassing, or threatening or is otherwise

inconsistent with applicable laws or these terms of service. If the Customer wants to use Services from outside the United States, it must determine whether doing so is legal in that location.

8. **Reasonable Use.** The Customer acknowledges (1) that any reference Jive has made to “unlimited” minutes or features refers to Jive’s practice not to charge users on a per-minute or per-use basis when use is reasonable and (2) that Jive does not offer “unlimited” plans for call center operations, fax spamming, or other activities that use an extraordinary amount of connectivity to the public switched telephone network (the “PSTN”). Jive may limit PSTN connectivity, impose per-minute charges for excessive use, or terminate this agreement if it determines that the Customer’s average per-user PSTN connectivity is unreasonable as compared to other customers.

9. **Billing; Billing Disputes.** (a) Jive shall invoice the Customer each month for the Service Charges, Rental Charges, and any Other Charges. Except as permitted under section 9(c), the Customer shall pay each invoice in full by the due date.

(b) If this agreement is terminated, all unpaid Service Charges, Rental Charges and Other Charges will become due immediately.

(c) To dispute an unpaid invoice, the Customer must, no later than the due date of the invoice, (1) notify Jive of the dispute and (2) pay all undisputed portions of the invoice. To dispute a paid invoice, the Customer must notify Jive of the dispute no later than 60 days after the date of the invoice. If the Customer fails to pay the undisputed portions of an invoice by the due date of the invoice, or if it fails to provide notice as required in this section, it hereby waives its right to dispute any portion of the invoice. The Customer must notify Jive of any billing dispute by phone at (801) 426-5782, option 3, by email at billing@jive.com, or by delivering notice to Jive Communications, Inc., Attn: Accounts Receivable, 1275 West 1600 North, Suite 100, Orem, UT 84057.

10. **Non-Appropriation of Funds.** If the Customer is a school or other government agency, and (1) funds are not appropriated to pay for the Services or functionally similar services in any fiscal period during the term of the agreement, (2) operating funds are not otherwise available to pay the Service Charges and Other Charges, (3) there is no other legal procedure available to pay the Service Charges and Other Charges, and (4) the non-appropriation did not result from any act or omission of the Customer, the Customer may terminate this agreement on the last day of the last fiscal period for which appropriations were received. The Customer shall provide notice of the non-appropriation no less than 30 days before the termination under this section is to become effective.

11. **Government Fees and Taxes.** Jive pays taxes and other costs imposed by government authorities in connection with its provision of Services. Jive may charge the Customer a regulatory fee to recover any such taxes or other costs associated with Services provided to the Customer, regardless of whether Jive has passed on such taxes or costs in the past. Jive may increase or decrease the regulatory fee without notice.

12. **Late Fees.** (a) Jive may charge a late fee up to \$15 or 1.5%, whichever is greater, for any amount unpaid by the due date. Jive may charge a separate late fee for each whole or partial billing period the Customer’s payment is late.

(b) Jive will charge a late fee for a disputed amount if (1) it was not paid by the due date and (2) Jive determines that the Customer disputed the charge in bad faith.

(c) Jive may use collection services to recover unpaid charges and may report late payments to credit bureaus or other entities. The Customer shall pay any attorneys' fees or other amounts Jive spends to collect unpaid charges.

13. **Returned Check Fees.** Jive may charge up to the maximum amount permitted by law if the Customer's banking institution dishonors or reverses a check, draft, or other payment.

14. **911 Dialing; Service Availability; Location Information.** (a) The Customer acknowledges (1) that it has read and understood Jive's 911 and Service Availability Policy, which is available at jive.com/legal/911-service-availability-policy/, and (2) that 911 dialing service offered by Jive ("Jive 911 Dialing") differs from 911 dialing service offered by traditional telephone carriers in the ways described in the 911 and Service Availability Policy, including that Jive 911 Dialing will not function if the Customer loses electrical power or broadband internet connection or if anything on the Customer's wide area network or local area network blocks the Customer's connection to Jive's platform.

(b) The Customer shall provide Jive the physical location of each device used to make or receive calls, and Jive shall not initiate Services until it has received this information. If the Customer relocates any device, it shall promptly notify Jive's Fulfillment Department of the device's new location by phone at (801) 717-1556, or by e-mail at fulfillment@jive.com and shall pay any fees associated with updating the location database.

(c) Location and callback information associated with a device will normally be automatically forwarded to an emergency dispatch center when using Jive 911 Dialing. Because some emergency dispatch centers are not equipped to receive such location and callback information, the Customer acknowledges that it may need to provide location and callback information verbally. Automatic forwarding of location and callback information is not activated for any device until Jive notifies Customer by e-mail that it has been activated.

15. **Limit of Liability.** (a) Jive and its representatives will not be liable for any damages or other claim arising from any person's use of or inability to use the Services because of a failure or degradation of a third party provider's network, a failure or degradation of broadband internet service, a force majeure event, or any other third-party cause, whether the claim is founded in breach of contract, breach of warranty, negligence or any other theory of liability.

(b) In no event will Jive's total liability under this agreement exceed the amount the Customer paid to Jive in the month before the event giving rise to the claim.

16. **Disclaimer of Warranties.** Jive hereby disclaims the implied warranties of merchantability, fitness for a particular purpose, noninfringement of intellectual property rights, and all other express or implied warranties for the Services and any related equipment.

17. **Manufacturer's Warranty.** Jive hereby assigns to the Customer all rights it has under any manufacturer's warranty for equipment it sells to the Customer. Subject to section 16, Jive may assist the Customer in obtaining replacement or service under the manufacturer's warranty.

18. **Indemnification.** The Customer shall indemnify Jive and its representatives against any claims arising from the use or inability to use the Services by the Customer or its representatives unless the claim arises from Jive's gross negligence or reckless conduct.

19. **Shipment.** Risk of loss or damage to equipment during shipment belongs to the shipping party unless the receiving party has requested a different shipping carrier, in which case the receiving party bears the risk. After the equipment arrives at the location specified by the receiving party, the risk of loss or damage belongs to the receiving party.

20. **Call Recording.** The Customer acknowledges that it has read and understood Jive's Call Recording Information, available at jive.com/legal/call-recording-info.

21. **Entire Agreement; Modification.** These terms of service constitute the entire agreement between Jive and the Customer and supersede any previous agreement. Jive may modify this agreement by posting revised terms online at jive.com/legal, without additional notice to the Customer. The revised terms of service will take effect 30 days after posting. No other modification to these terms of service will be effective unless made in a writing signed by both parties to the agreement.

22. **Binding Arbitration.** Except for collection efforts under section 12(c) and enforcement of an arbitration order under this section 22, if the parties are unable to resolve any dispute arising from this agreement by direct negotiation, they shall resolve the dispute through binding arbitration in Salt Lake City, Utah before a single arbitrator from the American Arbitration Association in accordance with its Commercial Arbitration Rules. The parties hereby waive any right to a jury trial in connection with any claim arising from this agreement.

23. **Attorney's Fees.** If any arbitration or legal proceeding is validly instituted to enforce the terms of this agreement, the prevailing party may recover its attorneys' fees and other costs.

24. **Governing Law; Personal Jurisdiction; Venue.** This agreement is governed by the laws of the State of Utah without regard to its conflicts-of-law provisions. If any litigation is validly instituted in connection with this agreement, the parties hereby consent to the exclusive personal jurisdiction of the courts in Utah and waive any objection as to venue or inconvenient forum.

25. **Waiver of Rights.** Failure to enforce a right or provision under this agreement does not constitute a waiver of that right or provision.

26. **Severability.** If any part of this agreement is declared unenforceable by a court, all other parts will remain enforceable.

27. **Survival.** Sections 3, 9, 12, 13, 15, 16, 17, 18, 22, 23, 24, 25, 26, 27, 28, and 29 of these terms of service will survive termination of this agreement.

28. **Notices.** (a) Jive shall deliver any notice to the Customer to the mailing address, fax number, or e-mail address stated in the sales quote. Except for billing disputes under section 9(c) or location updates under section 14(b), the Customer shall deliver any notice to Jive by fax to 385-309-0012, by e-mail to legal@jive.com, or by delivering it to 1275 West 1600 North, Suite 100, Orem, UT 84057. SAMPLE GENERAL RELEASE

You (on behalf of yourself and your parent, subsidiaries and affiliates and their respective past and present officers, directors, shareholders, members, managers, agents and employees, in their corporate and individual capacities) and all guarantors of your obligations under this Agreement (collectively, "Releasors") freely and without any influence forever release and covenant not to sue Metal Supermarkets Franchising America Inc., our parent, subsidiaries and affiliates, and their respective past and present officers, directors, members, managers, shareholders, agents and employees, in their corporate and individual capacities (collectively "Releasees"), with respect to any and all claims, demands, liabilities and causes of action of whatever kind or nature, whether known or unknown, vested or contingent, suspected or unsuspected (collectively, "claims"), which any Releasor now owns or holds or may at any time have owned or held, including, without limitation, claims arising under federal, state and local laws, rules and ordinances and claims arising out of, or relating to the Franchise Agreement and all other agreements between any Releasor and any Releasee, the sale of any franchise to any Releasor, the development and operation of the Franchised Store and the development and operation of all other stores operated by any Releasor that are franchised by any Releasee. ADDRESS

Attention:

Re: Area Development Agreement

Dear Gentlemen:

We are pleased to be entering into this Area Development Agreement (the “**Agreement**”) with you today. As used in this Agreement, the term “**you**” means _____, and includes any affiliate where an “Affiliate” is an entity other than you that, directly or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with, you. Therefore, all rights that are granted to you under the terms of this Agreement include rights that are granted to Affiliates as well as to you, without the further need to refer to the Affiliates under this Agreement. Further, the terms “**we**” and “**MSFA**” mean Metal Supermarkets Franchising America Inc.

We are pleased to be entering into (or to have entered into) a franchise and related agreements with you for your first Metal Supermarkets store (collectively the “**First Store Agreement**”). That store is referred to in this Agreement as the “**First Store.**”

In addition to the rights that we have granted under the First Store Agreement with respect to the First Store (where the territory and other granted rights are as further described under the franchise agreement found under attached exhibit), you have asked that we provide you with the right to develop two (2) additional Metal Supermarkets stores, which we are willing to do, subject to the terms and conditions that are set out in this Agreement.

1. DEVELOPMENT

This Agreement relates to the terms under which you agree to develop “Metal Supermarkets” stores (“MS Stores”) within the Development Area that is specified on the Data Sheet (Exhibit A) attached to this Agreement. Each MS Store will be established under the terms of separate franchise and related agreements (each, a “Franchise Agreement”) that will specify, among other things, the approved location of each such MS Store. Each MS Store will also, under the terms of a Franchise Agreement, operate using our proprietary system (“System”) and using certain trade names (for example, the “METAL SUPERMARKETS” mark and logo), service marks, trademarks, logos, emblems, and indicia of origin, as well as other trade names, service marks, and trademarks that we may periodically designate in writing for use in connection with the System (all of these are referred to as our “Proprietary Marks”).

2. DEVELOPMENT SCHEDULE

You agree to establish each of the MS Stores required under this Agreement according to the development schedule that is specified on the Data Sheet (Exhibit A) attached to this Agreement (referred to as the “Development Schedule”).

3. TERM

The term of this Agreement starts only when both parties have signed below, and ends on the last date specified in the Development Schedule, unless this Agreement is terminated earlier (the “Term”).

4. FEES

In consideration of the development rights granted under this Agreement, you agree to pay MSFA a development fee of Forty Thousand Dollars (\$40,000) (the "Development Fee"), which shall be paid to us upon signing this Agreement. The Development Fee is calculated in the following manner:

- a) The portion of the Development Fee for the first MS Store you are obligated to develop pursuant to this Agreement (which is the first MS Store after the First Store), will be Twenty-Five Thousand Dollars (\$25,000).
- b) The portion of the Development Fee for the second MS Store, and each additional MS Store that you are obligated to develop pursuant to this Agreement will be Fifteen Thousand Dollars (\$15,000).
- c) The Development Fee shall be fully earned when we receive it from you and it shall be non-refundable in consideration of administrative and other expenses we incur and for the development opportunities lost or deferred as a result of the rights we have granted to you under this Agreement.
- d) If you are in full compliance with this Agreement, each Franchise Agreement you have entered into with us, and all other contracts with us (and our affiliates), then the Development Fee that is paid under this Agreement will be in lieu of any initial franchise fees due under the Franchise Agreements entered into in connection with franchises (stores) granted pursuant to the terms of this Agreement. By way of example, if you are to develop and establish two (2) MS Stores under a Development Schedule, the amount of the Development Fee will be \$40,000 (which is the sum of \$25,000 for the first store granted under the Development Schedule and \$15,000 for the second store granted under the Development Schedule, thereby reflecting that (so long as you are in compliance with all agreements as noted above), that you will not be required to pay the "initial franchise fee" that is otherwise due to us at the time you enter into Franchise Agreements for the 2 stores referenced under the Development Schedule. You agree, however, that you must pay all other fees associated with opening and operating each MS Store under the Franchise Agreements and other applicable contracts pertaining to each MS Store. Further, you agree that the Development Fee is separate and distinct from fees, including the initial franchise fee, payable pursuant to the terms of the First Store Agreement.

5. DEVELOPMENT RIGHTS

During the Term, except as otherwise provided in paragraph 6 below, we will not, so long as you are in compliance with the terms of this Agreement:

- a) operate (directly or through an affiliate), nor grant to another person the right to operate, any Metal Supermarkets store with a physical location within the Development Area; or
- b) establish (directly or through an affiliate), nor grant to other persons the right to establish, a business within the Development Area that offers or sells the same range of metal products and metal processing services as are offered by Metal Supermarkets stores generally.

6. RESERVATION OF RIGHTS

Other than the territorial protections we grant to you in paragraph 5 above, we reserve all other rights, and can do anything, anywhere, on any basis we choose, including, without limitation, the following things:

- a) operate, and grant others the right to operate, Metal Supermarkets stores at any location outside the Development Area;
- b) operate, and license others to operate, any business of any kind inside or outside the Development Area, so long as those businesses are not Metal Supermarkets stores operated

- within the Development Area, or do not sell the same range of metal products and metal processing services as are offered by Metal Supermarkets stores generally;
- c) acquire (or be acquired) and then operate any business of any kind (including a business selling the same range of metal products and metal processing services as are offered by Metal Supermarkets stores generally), whether located inside or outside the Development Area; and
 - d) offer, advertise, sell and distribute, or license others to offer, advertise, sell and distribute, directly or indirectly, any products or services using any marks (including the Proprietary Marks), from any location or to any purchaser (which means we can, among other things, sell products and services at wholesale and to purchasers in the Development Area through stores, mail order, and on the Internet, under our Proprietary Marks or as private-labeled items).

7. NO LICENSE TO USE THE MARKS OR SYSTEM

This Agreement does not confer upon you any license to use, in any manner whatsoever, the Proprietary Marks or System, or any other trademarks, trade names, or system. To the extent that we are licensing those rights to you, that license is set out only under the Franchise Agreements.

8. SIGNING A NEW FRANCHISE AGREEMENT

You must sign a Franchise Agreement for each new MS Store. Each of those Franchise Agreements will specify the site at which each of the new MS Stores will be operated. The Franchise Agreement for each MS Store that you develop under this Agreement will be the form of franchise and related agreements that we are then generally offering at the time each such Franchise Agreement is signed, except that the “Protected Area” as defined in each of the Franchise Agreements to be entered into under the Development Schedule will be as specified on the Data Sheet (Exhibit A) attached to this Agreement.

You must sign the Franchise Agreement for each MS Store and send that Franchise Agreement back to MSFA for countersignature at the time that we require, sufficiently in advance of the date by which your MS Store must be opened under the Development Schedule.

9. PROVISIONS OF THE FIRST STORE AGREEMENT INCORPORATED BY REFERENCE

The parties agree that the provisions of the following sections of the First Store Agreement (attached as Exhibit B) are incorporated by reference into this Agreement as if they were printed in this Agreement, and that the provisions noted above and below also apply to all of your actions (and/or your failure to act) under this Agreement:

- 9.1 Section 7.8 - Insurance
- 9.2 Section 11 - Transfer of Agreement (but also see paragraph 10 below)
- 9.3 Section 12 - Termination of Agreement (but also see paragraph 11 below)
- 9.4 Section 14 - Effect of Termination or Expiration
- 9.5 Section 10 – Restrictive Covenants
- 9.6 Section 15.3 - Taxes
- 9.7 Section 15 - Relationship of the Parties
- 9.8 Section 16.8 – Waiver of Obligations
- 9.9 Section 13.2 - Notices
- 9.10 Section 16.7 - Severability and Substitution of Provisions
- 9.11 Section 16.1 – 16.6 - Miscellaneous (You specifically acknowledge and agree that the provisions in Section 16.1 through 16.6 of the First Store Agreement apply to this Agreement as well. Among other things, the provisions of Section 16.1 through 16.6 provide (in the detail spelled out in the First Store Agreement) that you are waiving trial by jury, that you are waiving the right to seek or collect punitive damages, that you are waiving participation in a common or class action against MSFA, and that you are agreeing to arbitration and venue for legal action in Toronto, Ontario, all as specified in Sections 16.1 through 16.6 of the First Store Agreement.)

10. TRANSFERS

You understand that the rights we have granted to you under this Agreement are personal to you and are based on our assessment of your abilities, promises and commitments to develop and operate MS Stores. Accordingly, you acknowledge and agree that you do not have the right under this Agreement or otherwise to sell, assign, transfer, pledge, grant a security interest in, and/or dispose in any other way, directly or indirectly: (1) this Agreement; (2) any right or obligation under this Agreement; or (3) any ownership interest (direct or indirect) in you.

11. DEFAULTS

In addition to the provisions of paragraph 9.3 of this Agreement, above, you will be in default under this Agreement if:

- a) You do not have the First Store open and in operation by the time required under the First Store Agreement; or
- b) You do not meet your obligations under the Development Schedule, or
- c) if any agreement between you (and/or your affiliates) and MSFA (and our affiliates) is terminated (including but not limited to any Franchise Agreements).

If you are in default of this paragraph 11, then all of your rights under this Agreement will automatically terminate at that time, without the need for any notice to you of such default, and also without the need to provide you with a cure period within which to cure those defaults (except to the extent otherwise required under applicable law).

12. ENTIRE AGREEMENT AND AMENDMENT

This Agreement, together with the provisions of the First Store Agreement that are incorporated by reference pursuant to paragraph 9 above and the Data Sheet that is attached to this Agreement, together constitute the entire, full, and complete contract between the parties concerning the subject matter hereof, and supersede all prior agreements (and with no other representations having induced you to sign this Agreement). The parties acknowledge and agree that they relied only on the words printed in this Agreement (and the Data Sheet, and the provisions of the First Store Agreement that are incorporated by reference) in deciding whether to enter into this Agreement. Except for those permitted to be made unilaterally by MSFA under this Agreement, no amendment, change, or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing. Nothing in this Agreement (including this paragraph 12) is meant to disclaim any statement that we have made in our franchise disclosure document.

13. CONFIRMATION THAT YOU READ THE ENTIRE CONTRACT

You acknowledge that you have read the entire First Store Agreement attached to this Agreement as Exhibit B (including but not limited to the provisions of the First Store Agreement that are referenced (and/or incorporated by reference as if printed here in full) into this Agreement.

14. CAPTIONS

The headings and captions in this Agreement are merely for the sake of convenience and are not meant (and shall not be deemed) to change or have any affect upon the meaning of this Agreement and/or the First Store Agreement.

15. EFFECT

This Agreement takes effect only if and when both you and we have signed below where indicated.

[signature page to follow]

To confirm that you are in agreement with, and will abide by, this Agreement, kindly sign below where indicated and return a signed copy of this Agreement and a check for the Development Fee due under paragraph 4 above (based on Exhibit A) to us.

**ADDENDUM TO THE METAL SUPERMARKETS DISCLOSURE DOCUMENT FOR THE
STATE OF MARYLAND**

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

Pursuant to COMAR 02.02.08 16L, the general release required as a condition of sale, renewal and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, 670 Williams Building, Lansing, Michigan 48913, telephone (517) 373-7117.

2. 4. Pursuant to Minnesota Statutes, Section 80C.17, Subd. 5, no action may be commenced pursuant to the Minnesota Franchise Law more than three years after the cause of action accrues.

5. Item 17(m) is revised to provide that you will not be required to assent to a general release.

**ADDENDUM TO THE METAL SUPERMARKETS DISCLOSURE DOCUMENT FOR THE
STATE OF RHODE ISLAND**

§ 19-28.1-14 of the Rhode Island Franchise Investment Act provides that “A provision in a franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.”

ADDENDUM TO THE METAL SUPERMARKETS DISCLOSURE DOCUMENT FOR THE STATE OF WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

- 2.4 Notwithstanding anything in this Agreement to the contrary, the Participant hereby acknowledges their express and unconditional approval and agreement to perform such Work for the established price and terms as set forth in the Work Order, which by reference includes all terms and conditions of this Agreement including the Operating Manual. Participant waives all claims against Franchisor or their respective employees, agents, directors, or officers for any amounts incurred in performing the Work that exceeds the price set forth in the Work Order established by the Franchisor.
- 2.5 Participant acknowledges and agrees that (i) Franchisor will pay Participant for the Work as stated in the Work Order, (ii) Customer is not responsible for paying Participant any amount related to the Work, (iii) Franchisor will charge its Customer a different price than the amount it will pay Participant for the Work, and (iv) Royalties, as defined under the Franchise Agreement, are due and payable on all amounts Participant receives for the Work performed, in accordance with the terms and conditions set forth in the Franchise Agreement.
- 2.6 Payments will be disbursed to Participant via check or automatic deposit within fifteen (15) days after the month end in which the Work is completed. For example, for Work completed in August, payment will be made to Participant by September 15th.

3 Warranty

- 3.1 Participant warrants that all products and materials used to complete the Work will be prime materials and will be free of any defects in material and workmanship, will comply with all applicable industry standards and specifications for such material, and material test reports will be available on selected items if requested and if available.
- 3.2 Participant agrees that if notified by a Customer or Franchisor of any complaint relating to the Work, Participant will perform all warranty work required within twenty-four (24) hours of notice of the complaint, or any longer period that is acceptable to Franchisor or its customer. If a Franchisor customer contacts Participant directly with a complaint, Participant agrees to notify Franchisor of such complaint with details on how the complaint will be resolved.
- 3.3 Participant shall be responsible for the cost and administration of all warranty work, including but not limited to cutting, processing or packaging errors in connection with the warranty work, regardless of whether the warranty work is performed by Franchisor, Participant or another sub-contractor due to timing, customer request, logistics or any other reasonable basis. Franchisor shall have the absolute right to recover the reasonable cost or value of any warranty work performed, including all related handling and administration costs from Participant, whether by set-off against amounts owed to Participant or otherwise.

4 Records

- 4.1 Participant shall maintain full and complete records of all transactions arising out of or relating to Work performed under this Agreement, and other books and records as are customarily maintained in the ordinary course of business, for a period of at least seven (7) years. Franchisor shall have the right to audit such transactions, books and records for verifying quality and compliance with the terms of this Agreement.
- 4.2 Participant shall submit any records requested by Franchisor for audit within five (5) business days of the request, unless otherwise mutually agreed by the parties. If Participant fails to provide the records requested, Franchisor will have the right to terminate this Agreement by sending Participant written notice of termination. Participant acknowledges and agrees that Franchisor may recover any payment owed to Franchisor by Participant by means of set-off against amounts owed to Participant or otherwise. The aforementioned remedies will not be the exclusive remedies for any breach of this Agreement but will be in addition to all other remedies available at law or equity to Franchisor.

5 Liability for Damages; Release and Indemnification

- 5.1 In addition to and specifically not as a replacement of the indemnity terms as set out under the Franchise Agreement, the Participant hereby releases and discharges Franchisor and all of its successors, assigns, directors, officers, agents, employees, and affiliated companies, and their respective officers, directors, agents and employees (collectively and individually "Indemnified Party"), from and against all claims, demands, liabilities, or causes of action of any kind or type whatsoever, including those arising from the partial or sole negligence of any Indemnified Party, whether arising by operation of law, contract, warranty, tort, or otherwise, that Participant ever had, has or may in the future have against any indemnified party arising from, related to, or connected with the Work generated or performed pursuant to this Agreement or any act or omission in the performance of such Work by the Participant.
- 5.2 Participant further agrees to indemnify, defend, and hold Indemnified Party harmless from any claims, costs, and expenses, including attorney fees, that may be asserted against or incurred by any of them as a result of claims, including those arising from the partial or sole negligence of any Indemnified Party, by any other party or entity alleging damage or claims of any kind or nature, including punitive damages, that arise out of, are related to, or are connected with the Work generated or performed pursuant to this Agreement or any act or omission in the performance of such Work by Participant.

6 Duration of Agreement and Termination

- 6.1 This Agreement shall remain in effect until: (i) Franchisor with or without cause, and for any reason whatsoever, gives written notice of termination to the Participant at the address set forth below at least ten (10) days in advance of such termination; (ii) terminated as

otherwise provided in this Agreement; or (iii) Participant's Franchise Agreement expires or is terminated.

- 6.2 In the event of termination, Participant agrees that Participant will no longer represent to any party that Participant is a participant in Franchisor's E-Commerce Platform network. Participant further acknowledges and agrees that all Customers are Franchisor's customers and, upon termination of this Agreement, all Confidential Information (as defined in Section 12), including all Franchisor customer contact information and customer lists, must be returned to Franchisor.
- 6.3 Notwithstanding any termination of this Agreement, Participant agrees to perform any warranty work that is required in connection with Work performed by Participant prior to the termination of this Agreement. If Participant refuses to perform such warranty work as provided for herein, Franchisor may refer the work to another participant or perform the work itself and shall be entitled to reimbursement from Participant for the warranty work performed.
- 6.4 It is understood that various aspects of the E-Commerce Platform, some of which may be referred to in this Agreement, may from time to time be altered or modified by Franchisor for any reason. These changes may be made without the consent or approval of Participant.

7 Referrals and Non-Exclusivity

Participant understands and acknowledges that participation in Franchisor's E-Commerce Platform network is non-exclusive. Franchisor may contract with other participants, and may provide Customers with a choice of one or more participants. Participant expressly acknowledges that neither Franchisor nor any other person or entity acting on its behalf has made any commitments to it as to the volume or type of Work to be referred under the terms of this Agreement, and that Participant shall not acquire any proprietary right to any of Franchisor's customers by virtue of participation in Franchisor's E-Commerce Platform network.

8 Independent Contractor

Participant and Franchisor are independent contractors. Neither party is the agent, legal representative, partner, subsidiary, joint-venturer or employee of the other. Neither party may obligate the other or represent any right to do so. This Agreement does not reflect or create a fiduciary relationship of special trust or confidence. Participant at all times shall be responsible for the payment of any and all insurance premiums and other business expenses that Participant may incur in connection with the Work performed under this Agreement. Participant acknowledges that Franchisor shall have no obligations to Participant other than as specifically provided for in this Agreement with regard to the subject matter.

9 Assignment and Subcontracting

The rights and obligations under this Agreement, including the right to perform the Work are personal to Participant, and may not be sub-contracted, assigned, transferred or otherwise delegated to any third party, except as may be agreed to in writing by Franchisor.

11 Waiver

No waiver by either party of any breach by the other party, nor any delay or failure by either party to enforce any provision of this Agreement, will be deemed to be a waiver of any other or subsequent breach or be deemed an estoppel to enforce the non-breaching party's rights with respect to that or any other or subsequent breach. This Agreement may not be waived, altered or rescinded, in whole or in part, except by a writing signed by Franchisor and Participant.

12 Confidentiality

As used in this Agreement, the term "Confidential Information" is as defined under the Franchise Agreement.

Participant acknowledges the confidential and proprietary nature of the Confidential Information and agrees that the information: (a) will be kept confidential by the Participant, and will be used only for the purpose of performing Work and/or services under this Agreement or other agreements with Franchisor; and (b) will not be used or disclosed by the Participant other than for the purpose of performing Work and/or services

In the event of any breach or threatened breach of this section, Franchisor shall be entitled to equitable relief, including injunctive relief and specific performance. Such remedies will not be the exclusive remedies for any breach of this Agreement but will be in addition to all other remedies available at law or equity to Franchisor.

13 Taxes

Participant agrees that it will reimburse Franchisor for any state or local tax which is assessed against Franchisor relating to the Work performed by Participant under the terms of this Agreement.

14 Severability

Should one or more clauses of this Agreement be held void or unenforceable for any reason by any court of competent jurisdiction, such clause or clauses will be deemed to be separable in such jurisdiction and the remainder of this Agreement will be deemed to be valid and in full force and effect and the terms of this Agreement will be equitably adjusted so as to compensate the appropriate party for any consideration lost because of the elimination of such clause or clauses. It is the intent and expectation of each of the parties that each provision of this Agreement will be honored, carried out and enforced as written. Consequently, each of the parties agrees that any provision of this Agreement sought to be enforced in any proceeding hereunder will, at the election of the party seeking enforcement and notwithstanding the availability of an adequate remedy at law, be enforced by specific performance or any other equitable remedy.

15 Governing Law and Venue

This Agreement will be construed and enforced in accordance with the laws of the jurisdiction referenced under the Franchise Agreement, without regard to principles of conflicts of law. Any and all disputes, controversies, or claims arising from or relating to this Agreement, the Hosted Solution, and any services or deliverables that may be provided will be resolved according to the dispute resolution procedures set forth in the Franchise Agreement. The provisions of this Section will survive the termination of this Agreement. Nothing in this Section 15 is intended to invoke the application of any franchise, business opportunity, antitrust, "implied covenant," unfair competition, fiduciary or any other doctrine of law which would not otherwise apply absent this Section 15.

16 Entire Agreement

This Agreement, and the documents referred to herein, constitute the entire agreement between the parties with respect to the subject matter hereof and embody all prior agreements and negotiations with respect to the subject matter hereof. There are no

representations or warranties of any kind, express or implied, except as contained herein. No amendment will be binding unless in writing and signed by the party against whom enforcement is sought. All representations, warranties, agreements and all other provisions of this Agreement which by their terms or by reasonable implication are intended to survive the closing of this transaction will survive it.

IN WITNESS WHEREOF, this Agreement has been executed to be effective as of the date first written above.
