BFT Franchise Holdings, LLC (“we,” “us,” or “our”) offers for sale a franchise to establish and operate a fitness studio that offers and provides functional, group training fitness instruction and related services under our then-current proprietary marks (collectively, the “Marks”), including our current primary mark BFT (each, a “Studio”).

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends that franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in California. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in California than in your own states.
2. **Spousal Obligation**. Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement, even if your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets (perhaps including your house) at risk if your franchise fails.
3. **Minimum Sales Performance**. You must maintain sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

Agent for Service of Process

Our agents for service of process are disclosed in Exhibit B.

The Franchised Business We Offer

We offer for sale a franchise to operate a franchised Studio (each, a “Franchised Business”) pursuant to the terms of our franchise agreement attached to this Disclosure Document as Exhibit A (the “Franchise Agreement”). We expect that a Studio will typically be located in a retail shopping center, and this franchise offering assumes that the size of a typical Studio will be 2,200 to 3,000 square feet in size. We expect and intend to consider alternative sites that may not meet the foregoing general criteria on a case-by-case basis.

Under the Franchise Agreement, you will be awarded the right (and undertake the obligation) to operate your Franchised Business within a designated geographical area wherein you will be able to (a) actively promote the Franchised Business, and (b) solicit new clientele prior to opening and on an ongoing basis once you commence operations (the “Designated Territory”).

If you own an existing fitness facility and meet our other qualifications, we may award you the right to convert your existing fitness business to a franchised Studio that utilizes our Marks and System moving forward – and please note that this type of “conversion” Studio may encounter lower investment requirements than the investment required in connection with establishing a Studio from the ground up.

Each Studio will offer functional training and strength-based group fitness classes in a group or private setting, as well as other services that we authorize (collectively, the “Approved Services”). All classes at your Studio will typically be paid for and scheduled online via the Internet. The Approved Services must be provided by individual(s) that complete a proprietary training program that we refer to in this Disclosure Document as our “Bridge Training Program.” You must have at least one (1) instructor that has successfully completed this Bridge Training Program (each, an “Authorized Coach”) on-site at your Studio during all times of operation to provide these Approved Services. We may require instructors to sign a form of confidentiality and non-solicitation agreement as condition to attending the Bridge Training Program and/or becoming an Authorized Coach.

The Studios are established and operated under a comprehensive design that includes a spacious interior, exercise equipment and apparatuses necessary to provide the Approved Services, specifications, and procedures for operations; quality customer service; management and financial control; training and assistance; and advertising and promotional programs (collectively, the “System”). The System standards, specifications and procedures (collectively, the “System Standards”) are described in our confidential operations manual (the “Manual”). The System and the Manual may be changed, improved and further developed by us as we determine appropriate in our discretion.

The Franchise Agreement is signed by us, by you, and by those of your principals whom we designate as the principal franchisee-operator(s) (the “Designated Operator(s)”) of your Franchised Business. The Designated Operator(s) (there may be up to two such individuals, but only one address to which we communicate in regards to the franchise) named has the authority to act for you in all matters relating to your Studio, including voting

responsibilities. By signing the Franchise Agreement, you and the Designated Operator(s) agree to be individually bound by certain obligations in the Franchise Agreement, including covenants concerning confidentiality and non-competition, and to personally guarantee your performance under the Franchise Agreement. Depending on the type of business activities, which must be fully disclosed prior to signing this document, in which you or your Designated Operator(s) may be involved, we may require you or your Designated Operator(s) to sign additional confidentiality and non-competition agreements.

You (or, if you are an entity, one of your Designated Operators) must at least complete the owner/operator module (the “Owner/OperatorModule”) of our proprietary initial training program (the “Initial Training Program”) prior to the opening of the Franchised Business. The Initial Training Program focus on the operation and management of a Studio from an owner perspective, and our current program is described more fully in Item 11 of this Disclosure Document

Multi-Unit Offering

We also offer qualified individuals and entities the right to open and operate multiple Franchised Businesses within a designated geographical area (the “Development Area”) under our current form of development agreement that is attached to this Disclosure Document as Exhibit J (the “Development Agreement”), which will also outline a schedule or defined period of time in which you must open and commence operating each Franchised Business (a “Development Schedule”).

You will be required to sign a Franchise Agreement for the initial Franchised Business we grant you the right to open within the Development Area at the same time you sign your Development Agreement, and you will need to sign our then-current form of franchise agreement for each of the Franchised Businesses you open under the Development Schedule, which may differ from the current Franchise Agreement included with this Disclosure Document.

You will be required to pay us a one-time development fee that will be calculated based on the number of Franchised Businesses we grant you the right to open under the Development Agreement (the “Development Fee”), but you will not be required to pay a franchise fee at the time you execute your franchise agreements for each Franchised Business you timely develop under your Development Agreement.

Market and Competition

The market for fitness services and studios similar to the franchised Studio being offered is both mature and crowded. You will face competition for members from other gyms, personal trainers, fitness/exercise centers and studios, health clubs and even other System franchisees (subject to the territorial protections and restrictions set forth in Item 12) that provide fitness classes, instruction and/or related services that are similar to the Approved Services.

Applicable Regulations

Some states require that health/fitness facilities have a staff person available during all hours of operation that is certified in basic cardiopulmonary resuscitation or other specialized medical training. Some state or local laws may also require that health/fitness facilities have an automated external defibrillator and/or other first aid equipment on the premises. At a minimum, your Studio will be subject to various federal, state and local laws, and regulations affecting the business, including laws relating to zoning, access for the disabled, and safety and fire standards. You may need the local fire marshals or other local, state or federal agency’s permission before you begin operations.

Importantly, you must make sure you are aware of any and all employment laws, regulations and statutes that are applicable where your franchised Studio is located – you will be solely responsible for all employment-

related decisions relevant to the Studio and must ensure that you consider such laws when (a) making employment determinations and policies, and (b) ensuring compliance with all your franchise agreement terms and obligations to us as an independent contractor and franchisee. There may be local licensing and insurance requirements related to the Studio operations, including workers' compensation insurance, that you will need to ensure compliance with (in addition to your insurance-related requirements in our franchise agreement).

You will also need to ensure that you comply with all music licensing laws and requirements related to any music that your and/or your Authorized Coaches determine to play at the Studio during classes or otherwise. You should examine these and other laws before purchasing a franchise, as you are solely responsible for ensuring you comply with such laws and that your Studio can be operated as required by these applicable laws and in accordance with the terms of your Franchise Agreement.

You should consult with your attorney, and local and state agencies/authorities, before buying a Franchise to determine if there are any specific regulations you must comply with as it relates to offering the Studio products and services to consumers in your state, and consider the effects on you and the cost of compliance. These requirements can affect a broad scope of your operations, including location selection, and hiring of personnel, among other things. If you enter into a franchise agreement with us, you will be required to ensure that our directives, whether set forth in the Manuals or otherwise, are carried out in a manner that is consistent with all applicable laws where your franchised Studio(s) is/are located.

Pending Actions Involving Predecessor

F45 Training Pty Ltd v. Body Fit Training Company Pty Ltd & Ors; Federal Court of Australia, File Number NSD1795/2019. On November 1, 2019, F45 Training Pty Ltd commenced proceedings in the Federal Court of Australia in Sydney against Body Fit Training Company Pty Ltd, Body Fit Training South Yarra Pty Ltd, Body Fit Training Prahran Pty Ltd, Body Fit Training St Kilda Pty Ltd, Body Fit Training Richmond Pty Ltd and Cameron John Falloon (collectively, the Respondents). F45 Training Pty Ltd alleges that the Respondents are infringing its Australian Innovation Patent (the Patents) and that 45 Training Pty Ltd has suffered, and is likely to continue to suffer, loss and damage by reason of the alleged infringement of the Patents. F45 Training Pty Ltd has sought a declaration from the Court that the Respondents have breached the Patents, an order that the Respondents be restrained from conduct which it says infringes the Patents, and damages or in the alternative an account of

profits. The Respondents deny the allegations and are vigorously defending the proceeding. On June 17, 2020, Body Fit Training Company Pty Ltd filed an interlocutory application seeking leave of the Court to file a cross-claim in the proceeding against F45 Training Pty Ltd. The cross-claim alleges that F45 Training Pty Ltd's two Australian patents are, and always have been, invalid and that they should be revoked on the ground that the alleged invention is not a patentable invention as it is not a manner of manufacture. The Court held a trial in December 2020, and we are currently awaiting the judgment.

BODY FIT TRAINING USA INC. and WORLD CLASS FUNCTIONAL TRAINING LLC, vs. F45 TRAINING HOLDINGS INC. and F45 TRAINING PTY LTD. (Case No. 2:20-cv-7081, United States District Court for the Central District of California). On August 6, 2020, Body Fit Training USA, Inc. and World Class Functional Training LLC (collectively, "we") filed a complaint against our competitors F45 Training Holdings Inc. and F45 Training Pty Ltd (collectively, "Defendants"). This action arises from the Australian action described above. In the complaint, we allege that a number of patents held by the Defendants regarding the configuration and operation of a physical fitness gym are invalid and unenforceable. We seek declaratory judgment from the court to hold the patents invalid and unenforceable, and declaratory judgment that our actions in operating, and licensing others to operate, BFT Gyms does not infringe those patents in the United States. On September 18, 2020, Defendants filed a Motion to Dismiss on the argument that the court lacks both subject matter jurisdiction and personal jurisdiction. We intended to respond to the motion. On December 3, 2020, the Court issued an order granting Defendants' Motion to Dismiss based upon a lack of Personal Jurisdiction and denying Body Fit Training's request for additional discovery on the issue of personal jurisdiction.

F45 Training Pty Ltd v Body Fit Training Company Pty Ltd & Ors – New South Wales Supreme Court Proceeding No. 2020/00260250. On September 7, 2020, F45 Training commenced proceedings in the New South Wales Supreme Court against Body Fit Training Company Pty Ltd, Cameron Falloon and Richard Burnett (the Respondents). The claim alleges misleading and deceptive conduct, passing off and registered trade mark infringement by the Respondents. The claim for misleading and deceptive conduct and passing off alleges that the Respondents' have represented to consumers that their fitness related services are in some way associated with, or endorsed or approved by, F45 Training Pty Ltd. The trade mark infringement claim alleges that the Respondent's use of the phrase "BFT CHALLENGE" to market its services is deceptively similar to the registered trade mark held by F45 Training, "F45 CHALLENGE". The Respondents deny the claims in their entirety and are defending the proceeding. Not only are the Respondents defending the claims, on October 13, 2020 the Respondents filed a crossclaim against F45 Training for an order that the F45 CHALLENGE trade mark be cancelled, on the basis that *if* it is deceptively similar to BFT CHALLENGE (which is denied), then it is also deceptively similar to a number of other trade marks containing the word CHALLENGE in relation to fitness services, and which were all registered prior to the F45 CHALLENGE trade mark, with the result that it ought never have been approved by the trade marks office. Directions have been made by the Court for the service of evidence by both parties in support of their claims by June 8, 2021, evidence in response by 20 July 2021 and a further directions hearing on August 3, 2021.

F45 Training Pty Ltd vs. Body Fit Training USA Inc. (Case No. 1:20-cv-01194, United States District Court for the District of Delaware). On September 4, 2020, F45 Training Party Limited ("F45") filed a complaint alleging that we have infringed on a patent owned by F45, U.S. Patent No. 10,143,890 (the "'890 Patent"). F45 is asking the court for compensatory relief, as well pre- and post-judgment interest, a declaration that this case is exceptional within the meaning of 35 U.S.C. § 285 in order to seek attorneys' fees, declaratory judgment that we have violated the '890 Patent, as well as a preliminary and permanent injunction to stop us and related parties from making, using, offering to sell, or importing into the United States any system, and/or using, offering to sell, or selling any service or method, that falls within the scope of any claim of the '890 Patent. We intend to vigorously defend against this suit. On January 22, 2021, Body Fit Training filed a Motion to Dismiss the lawsuit based upon the '890 Patent being patent ineligible under 35 U.S.C. § 101. We are currently awaiting the scheduling of the requested hearing. On July 2, 2021, the Court denied Body Fit Training's Motion to Dismiss, without prejudice to renew its motion under 35 U.S.C. § 101 at summary judgment. The Court has issued a Scheduling Order, a Protective Order, and an ESI Order directed to electronic discovery. The parties have each filed their Initial Disclosures and have served their initial discovery responses as set forth in the Scheduling Order. Body Fit

Training maintains that it has not infringed and does not infringe any valid, patentable, and enforceable claim of the '890 patent asserted by F45. The parties are currently engaged in fact discovery and claim construction briefing, with a hearing on claim construction scheduled for February 18, 2022. The Court's current procedural schedule also sets June 20, 2022 as the closing date for all discovery and February 6, 2023 as the start of trial.

Except as provided above, no litigation is required to be disclosed in this Item.

ITEM 4 BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5 INITIAL FEES

Franchise Agreement

Initial Franchise Fee

You must pay to us a lump sum initial franchise fee of \$60,000 (the "Initial Franchise Fee") for the right to own and operate a single franchised Studio under a Franchise Agreement (whether a start-up or conversion). The Initial Franchise Fee is due upon the signing of the Franchise Agreement. The Initial Franchise Fee shall be fully earned by Franchisor upon payment and is not refundable, in whole or in part, under any circumstances. We expect and intend to impose the Initial Franchise Fee uniformly on all new prospective franchisees that are acquiring franchise rights in connection with a single Franchised Business.

Initial Furniture, Fixtures and Related Supplies Package

You must purchase an initial package of furniture, fixtures and related supplies that is designed to provide you certain of the primary items that you will need in connection with outfitting, equipping and otherwise building out your Studio (the "Initial Furniture and Supplies Package"), and includes the cost of shipping and installation. As of the Issue Date of this Disclosure Document, the Initial Furniture and Supplies Package costs between approximately \$31,000 and \$46,000 and includes certain furniture, fixtures, and other equipment to be used in the Studio (which may include water dispensers, heart rate monitors, cabinetry, retail displays, lockers, benches, lighting systems, telephones, and office furniture). Currently, you must purchase all or most of the Initial Furniture and Supplies Package from us, but we reserve the right to designate another supplier that we approve or designate.

Pre-Sale and Soft Opening Inventory Package

Prior to opening your Studio, you must purchase opening inventory from us at a cost of approximately \$12,000 ("Pre-Sale and Soft Opening Inventory Package"), which includes apparel and other branded merchandise that will be available for resale as part of your Approved Products, including t-shirts, towels, exercise clothing and related accessories. The amount paid for this package is (a) due prior to or upon delivery of this Package (as we determine appropriate), (b) non-refundable under any circumstances, and (c) imposed uniformly on our System franchisees.

Pre-Opening Instructor Training

We estimate that you will cover the Bootcamp Tuition Fee that we charge to provide Authorized Coach Bootcamp (as defined in Item 11) to your initial instructor(s), along with any personnel-related expenses

associated with attending or participating in such training, so that your initial instructor(s) can become Authorized Coaches that offer and provide the Approved Services at your Franchised Business.

Prior to opening, we will typically send one (1) Master Instructor to your Studio, and you will pay us the appropriate Bootcamp Tuition Fee prior to training being conducted. As of the Issuance Date, our Bootcamp Tuition Fee is \$5,000 per Master Instructor. The Bootcamp Tuition Fees are non-refundable.

Technology Fee (1 Month Prior to Opening)

You will be required to commence paying us our then-current Technology Fee monthly, which is currently between \$300 and \$900 per month.

As such, our standard franchise offering assumes and expects that you will pay us your first Technology Fee amounting to \$300 to \$900 (for 1 month) prior to the opening of your Franchised Business. The fee is deemed fully earned upon payment and is not refundable under any circumstances. We expect to impose this fee uniformly on new System franchisees that are awarded any franchise rights in connection with this Disclosure Document.

**Note Regarding Equipment Package and Related Lease Payments*

We strongly recommend, and our standard franchise offering assumes, that you will acquire the package of fitness equipment and other operational equipment we designate that Studio clientele will use in connection with the fitness classes and other Approved Services (collectively, the “Equipment Package”) via a lease-to-own program that you enter into with a third-party provider of these programs. As of the Issue Date, we do not have a specific Approved Supplier for such program services, but we do have a number of providers we can recommend and/or that have worked with other System franchisees as of the Issue Date. Any deposit and/or other lease payments made in connection with the leasing program for the Equipment Package will be paid to a third-party provider you select for your program. The estimated range of investment we estimate you will need to make under this kind of agreement prior to opening and over the first three (3) months that your Franchised Business is operating are disclosed in more fully Item 7 of this Disclosure Document below. If you decide to deviate from our standard franchise offering and elect to purchase the components comprising this Package outright, then the estimated investment range for this package is between \$155,000 to \$175,000 (depending on the size, layout and Studio location), including the shipping services associated with certain components. In these circumstances, we may require that you pay us or, at our option, the supplier we specifically designate prior to opening for this Equipment Package, which will be deemed non-refundable upon payment.

Development Agreement

If we award you the right to develop three (3) or more Franchised Businesses within a given Development Area, you must pay us a one-time Development Fee upon execution of your Development Agreement. Your Development Fee will depend on the number of Franchised Businesses we grant you the right to open within the Development Area, and is calculated as follows: (i) \$45,000 per Franchised Business if you agree to open and operate between three and five Franchised Businesses; (ii) \$40,000 per Franchised Business if you agree to open and operate between six and nine Franchised Businesses; and (iii) \$35,000 per Franchised Business if you agree to open and operate 10 or more Franchised Businesses.

You will be required to enter into our then-current form of franchise agreement for each Franchised Business you wish to open under your Development Agreement, but you will not be required to pay any additional Initial Franchise Fee at the time you execute each of these franchise agreements. If you enter into a Development Agreement, you must execute our current form of Franchise Agreement for the first Studio we grant you the right to open within your Development Area concurrently with the Development Agreement.

Your Development Fee will be deemed fully earned upon payment, and is not refundable under any circumstances. The Development Fee described above is calculated and applied uniformly to all of our franchisees.

Notes to Item 6 Chart:

All fees are uniformly imposed by and are payable to us, unless otherwise noted. No other fees or payments are to be paid to us, nor do we impose or collect any other fees or payments for any third party. Any fees paid to us are non-refundable unless otherwise noted. Fees payable to third parties may be refundable based on your individual arrangements.

¹ **Gross Sales.** Except as provided below, the term “Gross Sales” means the total revenues you derive, directly or indirectly from all business conducted upon, from or in connection with the Studio, less sales taxes or similar taxes imposed by governmental authorities. (See Section 5.3 of the Franchise Agreement for a more complete definition.) Please note that we exclude revenue generated from the provision of the Bridge Training Program by an Authorized Coach engaged by your franchised Studio from the definition of Gross Sales because you are required to pay us a flat fee for each individual that received the required training (as described more fully in the Chart above). You must participate in our then-current electronic funds transfer and reporting program(s). All fees owed and any other amounts designated by us must be received or credited to our account by pre-authorized bank debit by 5:00 p.m. on or before the applicable due date. Your franchised business may be located in a jurisdiction whose taxing authority will subject us to tax assessments on payments you submit to us for the Royalty Fee and Fund contributions. Under such circumstances, you will be required to adjust, or “gross up” your payment to us to account for these taxes.

² **Fund.** We have established the Fund to promote, market and otherwise develop the brand, Marks, System, System Studios and/or the Approved Services (the “Fund”). Once we establish a Fund, we may require you to make a Fund Contribution as described more fully above.

³ **Insurance Policies.** The minimum limits for coverage under many policies will vary depending on various factors, including where you are located and the size of your Studio. See Item 8 of this Disclosure Document for our minimum insurance requirements.

⁴ **Audit Fees.** In the event that an audit discloses an understatement of Gross Sales or other discrepancy equal to or greater than two percent (2%) of Gross sales, in addition to the cost of the audit, you will be required to pay the marketing due on the amount of such understatement, plus late fees and interest.

⁵ **Alternative Supplier Approval.** You may request the approval of an item, product, service or supplier other than (a) the specific items we designate in your Manuals or in writing as required for use in connection with your franchised Studio (each, a “Required Item”), and/or (b) the provider/supplier that we designate as the party from which to purchase a given Required Item (each, an “Approved Supplier”). We may require you to pre-pay any reasonable charges connected with our review and evaluation of any proposal.

Explanatory Notes to Chart 7(A) Above

¹**General.** The initial investment table shows certain expenditures required to establish and operate a Studio from an Authorized Location. Note that these amounts may vary widely, and the amounts you have to spend or invest may be higher or lower than the estimated amounts, depending on location, size of the Studio, marketing conditions and other factors. The estimate above assumes that you will commence operations on or before your “Rent Commencement Date” under any lease you enter into for your Studio. We strongly recommend that you verify actual costs in your area, and for your intended location, and prepare a business plan and have it reviewed by your own independent adviser, like an accountant, before making any commitments to us or anyone else. Due to legal restrictions, we will not prepare, review or comment on any business plan for a prospective franchisee. All amounts payable to us are nonrefundable, unless otherwise noted. Amounts payable to suppliers/vendors are refunded according to arrangements you make with the vendor, if any. Leasing and financing is available for many of the above expenses. We do not offer direct or indirect financing, but we may assist you

in obtaining working capital through other sources. See Items 5 and 6, as well as other portions of this Disclosure Document, for more information regarding the amounts that must be paid to us and/or affiliate either (a) prior to opening, or (b) in the first three (3) months you are required to actively operate your franchised Studio.

²Initial Franchise Fee. The Initial Franchise Fee is non-refundable. The Initial Franchise Fee for a single Studio is \$60,000. We do not provide financing for the Initial Franchise Fee.

³Costs and Expenses Associated with Attending Pre-Opening Training. This estimate is designed to cover the costs and expenses you might incur in connection with you (or if you are an entity, one (1) of your operating principals you designate to be the Designated Operator for the Studio) attending and completing the required initial training described more fully in Item 11 of this Disclosed Document. We will not charge you or your Designated Operator for this portion of our initial training that must be completed on behalf of the franchisee/owner under your Franchise Agreement. You will be responsible for the costs and expenses associated with attending this training (e.g., transportation, meals, lodging and other expenses). We do not charge you a separate fee in connection with providing the Owner/Operator Module and any other required pre-opening training to you (and/or, if applicable, the provision of Designated Manager Module and ancillary training to your Designated Manager). These Modules of the Initial Training Program are covered as part of your franchise fee.

With that said, please note that the Bootcamp Tuition Fee that will be charged in connection with our provision of Bootcamp Training to the initial personnel of your Franchised Business that you wish to serve as “Authorized Coaches” and provide fitness classes and other Approved Services to clientele of your Studio is disclosed in Chart 7(A) above and Explanatory Note No. 14 below.

⁴Real Estate/Lease. If you do not own adequate Studio space that is large enough to develop and buildout a Studio, you must lease suitable premises. These figures assume that the leased premises will be between approximately 2,200 to 3,000 square feet for an Authorized Location, which may be a free-standing location or part of a larger retail/shopping venue that we approve (as part of your site selection process and requirements). It is possible that landlords may determine to base your rent and other occupancy-related charges under a given lease on (a) your actual square footage (rent per square foot), or (b) various variables that impact your base rental rate and/or a rental rate that is based on a percentage of the Gross Sales of your Franchised Business. In addition to base rent, a lease may require you to pay common area maintenance charges (“CAM Charges”), your *pro rata* share of the real estate taxes and insurance, and your *pro rata* share of HVAC and trash removal, which are accounted for in the ranges above. The actual amount you pay under the lease will vary depending on the size of the Studio, the types of charges that are allocated to tenants under the lease, your ability to negotiate with landlords, and the prevailing rental rates in the geographic area. You will also likely be required to pay a security deposit. This estimate assumes your security deposit will amount to approximately one (1) month of rent. Since rental, improvement and other real-estate-related costs can vary significantly by area, it is your responsibility to: (1) independently research all applicable laws and regulations, and real estate market conditions and costs where you plan to locate and operate your facility; and (2) obtain appropriate advice from your own accountant, attorney and real estate professional, before signing any binding documents or making any investments or other commitments, whether to us or anyone else.

⁵Leasehold Improvements. The cost of leasehold improvements associated with the buildout of a Studio will likely vary substantially depending on: (i) the location, size and configuration of the premises; (ii) pre-construction costs (e.g., demolition of existing walls and removal of existing improvements and fixtures); and (iii) cost of materials and labor which may vary based on geography and location. You must adapt our prototypical plans and specifications for the construction and finish-out of the Studio, including approved flooring, mirrors and paint. These amounts may vary substantially based on local conditions, including the availability and prices of labor and materials. Amounts may also vary depending on whether certain of these costs will be incurred by the landlord and allocated over the term of the lease. For clarity, the estimates presented herein are net of tenant improvement credits awarded by the landlord in connection with the buildout of your franchised Studio. Our standard franchise offering assumes that you will be able to negotiate a tenant improvement credit that is

reasonable and consistent with our then current System criteria and/or standards for site selection approval. Our estimate assumes an average tenant improvement allowance of \$90,000. If you wish to enter into any lease that does not meet our System criteria and standards, then we will require that you acknowledge that such a Premises will be outside our standard franchise offering in this Disclosure Document in a signed writing. The low-end of the range reflects modest improvements to a smaller location with significant tenant improvements incurred by the landlord, and the high end reflects significant physical improvements to a larger Studio with limited improvements incurred by the landlord. This range includes the costs associated with (a) architect services, (b) flooring and (c) mechanical, electrical and plumbing engineering. The range of costs also accounts for the typical costs associated with the acquisition of any required local business permits. The costs also include certain music licenses, which could increase depending on the selection of music played in the studio. You should investigate applicable requirements in your area and the related costs, including receiving advice from regulatory agencies and your own lawyer, before making any commitments, whether to us or anyone else. The low end estimate will apply to franchisees who already have the necessary licenses and permits in place prior to executing the franchise agreement.

⁶ Lease-Related Payments in Connection with Leased Exercise Equipment. Our standard franchise offering assumes and expects that a new System franchisee will lease the required exercise equipment necessary to open and initially commence operations. As such, the range above is designated to capture and account for (a) the typical deposit, and (b) lease (or comparable installment) payments you make to a third-party provider we approve (we have pre-approved several as of the Issue Date) for you to lease this equipment. The estimate also includes costs associated with shipping, delivery and installation of the equipment. The initial required amount of exercise equipment for a standard Studio is typically comprised of a package that includes a variety of exercise equipment, weights, mats and accessories. Please note that your actual requirements in connection with these Required Items comprising your Equipment Package will likely depend on the size and layout of the Premises from which you determine to open and operate your franchised Studio.

If you determine not to follow our System-recommended practice of leasing the Equipment Package components and deviate from what our standard franchise offering assumes and expects above, the estimated cost to purchase the exercise equipment comprising the Exercise Package outright will be substantially more expensive at the outset (approximately \$155,000 to \$175,000) and, as of the Issue Date, would be payable to us or our designated supplier of such equipment.

⁷ Furniture, Fixtures and Related Supplies. This is a range of expenses that will be incurred when decorating and furnishing the Studio, and includes certain furniture, fixtures, and other equipment to be used in the Studio (which may include your millwork package, water dispensers, heart rate monitors, cabinetry, retail displays, lockers, benches, lighting systems, telephones, and office furniture), as well as shipping costs.

⁸ Signage. You will need to purchase appropriate signage for your Studio that we approve. The cost of your signage may be more or less than this estimate, and depends on the size, type and method of installation you choose. Each landlord has different restrictions it places on interior and exterior signage that may affect your costs.

⁹ Retail Inventory Package. The typical for-sale items held in opening inventory are branded apparel, including t-shirts, towels, exercise clothing and related accessories.

¹⁰ Audio-Visual Equipment. This figure includes the cost of acquiring the Audio-Visual Package, which includes all audio and visual equipment, as well as your Computer System, and which is disclosed more fully in Item 11 of this Disclosure Document. You must purchase these components from designated vendors and must execute any related software licenses required these vendors require.

¹¹ Licenses and Permits. The range of costs covers the expense to acquire the required local business permits. We make no representations or assurances as to what (if any) licenses, permits, authorizations or otherwise may be required in connection with your Studio. Our estimated costs include building permits, fire inspection, sales

tax permit, retail sales permits, and certain music licenses, which could increase depending on the selection of music played in the Studio. If an electrical permit is necessary, the costs may be more. You should investigate applicable requirements in your area and the related costs, including receiving advice from regulatory agencies and your own lawyer, before making any commitments, whether to us or anyone else.

¹²Technology Fee – 4 Months. This range covers the potential Technology Fee(s) that you will be charged over the first three (3) months of operation and the one (1) month prior to your required opening date under your Franchise Agreement.

¹³Insurance. This estimate is for three (3) months of your minimum required insurance. The actual cost may be more than shown here. You will need to check with your insurance carrier for actual premium quotes and costs, and for the actual amount of deposit. Insurance costs can vary widely, based on the area in which your business is located, your experience with the insurance carrier, the loss experience of the carrier, the amount of deductibles and of coverage, and other factors beyond our control. You should obtain appropriate advice from your own insurance professional before signing any binding documents or making any investments or other commitments, whether to us or anyone else.

¹⁴Initial Marketing Spend (including amounts to be expended as part of Opening Support Program). You are required to expend this “Initial Marketing Spend” in coordination with the pre-opening sales plan we approve or designate for your Studio as part of the opening support program that our approved supplier provides in connection with your Studio, as we determine appropriate in our discretion (the “Opening Support Program”). Typically, we expect your Opening Support Program to commence prior to the “soft opening” of your franchised Studio through your actual opening of the Studio. These funds must be expended on your Opening Support Program and any other pre-opening marketing and/or advertising activities we designate. We may require that you expend any portion of these funds on services or product supplied by one or more of our Approved Suppliers. We will have the right to modify its Opening Support Program as we determine appropriate in our sole discretion. You must provide us with supporting documentation evidencing these expenditures upon our request. This estimate is in addition to your required contributions to the Fund.

¹⁵Training Fees for Initial Authorized Coaches. This is the estimated range of fees that we expect you will expend and pay to us on behalf of the initial instructors you hire or otherwise engage to provide the fitness classes and other Approved Services in accordance with our System standards and specifications.

¹⁶Additional Funds. This is an estimate of certain funds needed to cover your business (not personal) expenses during the first three months of operation of the Studio. These expenses include: initial employee/personnel wages and the costs/expenses that might be incurred in connection with sending your initial staff of prospective Instructors to attend proprietary instructor training prior to your opening; management compensation (but not any draw or salary for you); ongoing purchases of equipment and supplies; marketing expenses/fees and local advertising; ongoing utilities (other than initial deposits); and repairs and maintenance. Your cost will depend upon your management skill, experience and business acumen; local economic conditions; the prevailing wage rate; competition; and sales of the Studio during the period. The information related to the “Additional Funds” estimated range is based on the experience and information reported to us by: (i) our Predecessor and its affiliate based on their respective experience franchising and/or operating a new System Studio; (ii) our affiliate franchisors based on the experience of their affiliate(s) and respective franchisees in developing and initially operating other fitness concepts that involve comparable levels of equipment from a premises that is comparable to the Authorized Location assumed in this Disclosure Document for a System Studio; and (iii) our Approved Suppliers based on the pricing and information made available to us as of the Issue Date.

You will need this kind of additional capital to support on-going costs of your business, such as taxes, loan payments and other expenses, to the extent that revenues do not cover business costs. New businesses (franchised or not) often have larger expenses than revenues. This amount is only an estimate. In addition, the estimates presented relate only to costs associated with the franchised business and do not cover any personal, "living,"

unrelated business or other expenses you may have. The availability and terms of financing to you will depend upon factors such as the availability of financing in general, your credit-worthiness, the collateral security that you may have, and policies of lending institutions concerning the type of business you operate. This estimate does not include any finance charge, interest, or debt service obligation.

¹⁷**Total Estimated Initial Investment.** All of the above figures in Chart 7(A) are being disclosed to describe the estimated initial investment associated with opening and operating a Studio. These are estimates of certain initial start-up expenses for a Studio with this kind of Authorized Location and buildout. The total listed above does not include compensation for your time or labor or any return on your investment. Your costs will vary depending on such factors as: how closely you follow the System; your management and marketing skills, experience and general business ability; and local and general economic conditions, including disposable income. You should review these figures carefully with a business advisor (such as an accountant) before making any commitments. Again, the information in Chart 7(A) above is based on the experience and information reported to us by: (i) our Predecessor and its affiliate based on their respective experience franchising and/or operating a new System Studio; (ii) our affiliate franchisors based on the experience of their affiliate(s) and respective franchisees in developing and initially operating other fitness concepts that involve comparable levels of equipment from a premises that is comparable to the Authorized Location assumed in this Disclosure Document for a System Studio; and (iii) our Approved Suppliers based on the pricing and information made available to us as of the Issue Date.

B. Development Agreement (3-Pack)

| TYPE OF EXPENDITURE ¹ | AMOUNT | METHOD OF PAYMENT | WHEN DUE | TO WHOM PAYMENT IS TO BE MADE |
|---|-------------------------------|--|--|--------------------------------------|
| Development Fee ² | \$135,000 | Lump sum, in cash, certified check or bank wire | At signing of the Development Agreement. | Us |
| Initial Investment to Open Initial Franchised Business ³ | \$302,700 to \$488,600 | See Chart A of this Item 7. | | |
| TOTAL ESTIMATED INITIAL INVESTMENT | \$437,700 to \$623,600 | This is the total estimated initial investment to enter into a Development Agreement for the right to own a total of three Franchised Businesses, as well as the costs to open and commence operating your initial Franchised Business for the first three months (as described more fully in Chart A of this Item 7). See Note 3. | | |

Explanatory Notes to Table B in Item 7:

¹ **General.** All amounts payable to us are nonrefundable, unless otherwise noted. Amounts payable to suppliers/vendors are refunded according to arrangements you make with the vendor, if any. These figures are estimates of the range of your initial costs in the first three months of operating the initial Franchised Business you are granted under your Development Agreement only.

² Development Fee. The Development Fee is non-refundable. The Development Fee is described in greater detail in Item 5 of this Disclosure Document, and this Development Fee is for the right to open and operate a total of three Franchised Businesses (provided you comply with your development obligations under the Development Agreement). If you choose to open more than three Franchised Businesses, your Development Fee will be calculated as follows: (i) \$45,000 per Franchised Business if you are awarded the right to develop between three (3) and five (5) Franchised Businesses; (ii) \$40,000 per Franchised Business if you are awarded the right to develop between six (6) and nine (9) Franchised Businesses; and (iii) \$35,000 per Franchised Business if you are awarded the right to develop 10 or more Franchised Businesses.

³ Initial Investment for Initial Franchised Studio. This figure represents the total estimated initial investment required to open and commence operating the first Franchised Business you agreed to develop under your Development Agreement. You will be required to enter into our then-current form of franchise agreement for the initial Franchised Business you open under your Development Agreement, most likely once you have found a Premises for the business that we approve. The range includes all the items outlined in Chart 7.A. of this Item, except for the \$60,000 Initial Franchise Fee (because you are not required to pay an Initial Franchise Fee for those Franchised Businesses you open under the Development Agreement). It does not include any of the costs you will incur in developing, opening and initially operating any additional Franchised Business(es) that you are required to develop after your initial Franchised Business under your Development Agreement.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must operate all aspects of your Franchised Business in strict conformance with the methods, standards and specifications of our System. Our methods, standards, and specifications will be communicated to you in writing through our confidential Manuals and other proprietary guidelines and writings that we prepare for your use in connection with the Franchised Business and System. We may periodically change our System standards and specifications from time to time, as we deem appropriate or necessary in our sole discretion, and you will be solely responsible for costs associated with complying with any modifications to the System.

Approved Services and Approved Products

You may only market, offer, sell and provide the Approved Services, as well as any related or branded apparel, merchandise and/or other products that we specifically require or authorize for sale in conjunction with the Approved Services at your franchised Studio (collectively, the “Approved Products”), in a manner that meets our System standards and specifications. We will provide you with a list of our then-current Approved Products and Services, along with their standards and specifications, as part of the Manuals or otherwise in writing prior to the opening of your Franchised Business. We may update or modify this list in writing at any time.

If you wish to offer any product or service in your Franchised Business other than our Approved Products and Services, or use any item in connection with your Franchised Business that does not meet our System standards and specifications, then you must obtain our prior written approval as described more fully in this Item.

Approved Suppliers

We have the right to require you to purchase any items or services necessary to operate your Franchised Business from a supplier that we approve or designate (each, an “Approved Supplier”), which may include us or our affiliate(s). We will provide you with a list of our Approved Suppliers in writing as part of the Manuals or otherwise in writing, and we may update or modify this list as we deem appropriate.

Currently, we have Approved Suppliers for the following items that you must purchase in connection with the establishment and/or operation of your Franchised Business: (i) the Opening Inventory Package, as well as certain other ongoing inventory items; (ii) certain of the furniture, fixtures and supplies you must acquire to buildout, equip and/or otherwise establish and maintain your Franchised Business operations; (iii) the Bridge

Training Program that your instructors must complete to become Authorized Coach (and related materials); (iv) certain other exercise equipment/supplies; (v) interior graphics and exterior signage; (vi) insurance coverage (subject to applicable law where the Studio is located); (vii) shipping and installation services; (viii) training materials, including the “Webinar Training” associated with the Bridge Training Program; and (ix) proprietary point-of-sale system (the “POS System”); and (x) the software that you must utilize in connection with (a) the POS System, (b) heart rate monitoring equipment, and (c) your franchised Studio otherwise.

Currently, we are the only Approved Supplier for: (i) Opening Inventory Package and certain other ongoing inventory; (ii) the Initial Furniture and Supplies Package; (iii) the technology services we determine to provide as part of our then-current Technology Fee; and (iv) will be the only party that can provide your instructors with the Bridge Training Program (BTP) – other than a franchised Studio that has already has a Master Trainer capable of providing the BTP to your prospective instructors.

In the event you determine to purchase your fitness equipment outright rather than lease this equipment as our standard franchise offering expects and assumes, then we may require you to purchase this equipment from us or another Approved Supplier we designate.

We may develop proprietary products for use in your Franchised Business in the future, including private-label products that bear our Marks, and we may require you to purchase such items from us or our affiliate(s).

Please note that we also have third-party providers that we recommend our System franchisees utilize for the (a) architectural design services, and (b) legal services, that are typically associated with the site you request that Franchisor approve as your Authorized Location and the negotiations associated with the underlying lease for that location. As of the Issue Date, we have one (1) or more providers that we will recommend, but you may ultimately determine to engage a different professional in accordance with the approval process set forth below in this Item 8.

If you wish to purchase a product or service that we require you to purchase from an Approved Supplier from an alternate source, then you must obtain our prior written approval as outlined more fully in this Item. You may only purchase products or services from an alternative supplier if you obtain such prior written approval, regardless of that alternative supplier’s compliance with any relevant criteria or specifications we use to evaluate alternative suppliers. We may provide our standards and specifications for our Approved Products and Services directly to our Approved Suppliers, and may provide these standards and specifications to an alternative supplier you propose if: (i) we approve the supplier in writing as outlined more fully in this Item; and (ii) the alternative supplier agrees to sign our prescribed form of non-disclosure agreement with respect to any confidential information we disclose.

To the extent that we establish standards and specifications for particular non-proprietary items or services, we will publish our requirements in the Manual or make them available to System franchisees upon written request. We may, at any time, in our discretion, change, delete, or add to any of our specifications or quality standards. Such modifications, however, will generally be uniform for all franchisees. We will notify you of any changes to our Manual specifications, or standards in writing, which we may transmit to you electronically.

Except as provided above in this Item: (i) neither we nor any of our affiliates are an Approved Supplier for any items you are required to purchase in connection with your Franchised Business; and (ii) none of our officers own an interest in any of our Approved Suppliers other than us. We reserve the right, however, to designate us or any of our affiliates as an Approved Supplier with respect to any other item you must purchase in connection with your Franchised Business in the future.

Required Purchases and Right to Derive Revenue

The products or services we require you to purchase or lease from an Approved Supplier, or purchase or

lease in accordance with our standards and specifications, are referred to collectively as your “Required Purchases.” We estimate that your required purchases, purchases from Approved Suppliers and purchases that must meet our specifications in total will be about 70% to 95% of your total purchases to establish the Studio and about 35% to 65% of your purchases to continue the operation of the Studio.

We and our affiliates reserve the right to derive revenue from any of the purchases (items or services) that our System franchisees are required to make in connection with the Franchised Business. Given we only commenced offering franchises as of the Issue Date of this Disclosure Document, neither us nor any of our affiliates generated any revenue arising from the sale of Required Items to our System franchisees over our past fiscal year ending December 31, 2020. In its past fiscal year ending June 30, 2021, our Predecessor derived a total of \$1203.08 from its System franchisees’ required purchases.

Non-Approved Product/Service and Alternate Supplier Approval

We may, but are not obligated to, grant your request to: (i) offer any products or services in connection with your Franchised Business that are not part of our then-current Approved Services or Approved Products; or (ii) purchase any item or service we require you to purchase from an Approved Supplier from an alternative supplier.

If you wish to undertake either of these actions, you must request and obtain our approval in writing before: (i) using or offering the non-approved product or service in connection with your Franchised Business; or (ii) purchasing from a non-approved supplier. You must pay our then-current supplier or non-approved product evaluation fee when submitting your request, as well as cover our costs incurred in evaluating your request. We may ask you to submit samples or information so that we can make an informed decision whether the goods, equipment, supplies or supplier meet our specifications and quality standards. In evaluating a supplier that you propose to us, we consider not only the quality of the particular product at issue, but also the supplier’s production and delivery capability, overall business reputation and financial condition. We may provide any alternate supplier you propose with a copy of our then-current specifications for any product(s) you wish the supplier to supply, provided the supplier enters into a confidentiality and non-disclosure agreement in the form we specify. We may also inspect a proposed supplier’s facilities and test its products and/or services, and request that you reimburse our actual costs associated with the testing/inspection.

We will notify you in writing within 30 days after we receive all necessary information and/or complete our inspection or testing to advise you if we approve or disapprove the proposed item and/or supplier. The criteria we use in approving or rejecting new suppliers is proprietary, but we may (although are not required to) make it available to you upon request. Each supplier that we approve must comply with our usual and customary requirements regarding insurance, indemnification and non-disclosure. If we approve any supplier, we will not guarantee your performance of any supply contract with that supplier under any circumstances. We may re-inspect and/or revoke our approval of a supplier or item at any time and for any reason to protect the best interests and goodwill of our System and Marks. The revocation of a previously approved product or alternative supplier is effective immediately when you receive written notice from us of revocation and, following receipt of our notice, you may not place any new orders for the revoked product, or with the revoked supplier.

Purchasing Cooperatives and Right to Receive Compensation

We may, when appropriate, negotiate purchase arrangements, including price terms, with designated and Approved Suppliers on behalf of the System. We may establish strategic alliances or preferred vendor programs with suppliers that are willing to supply some products, equipment, or services to some or all of the Studios in our System. If we do establish those types of alliances or programs, we may: (i) limit the number of approved suppliers with whom you may deal; (ii) designate sources that you must use for some or all products, equipment and services; and (iii) refuse to approve proposals from franchisees to add new suppliers if we believe that approval would not be in the best interests of the System.

We and/or our affiliate(s) may receive payments or other compensation from Approved Suppliers or any other suppliers on account of these suppliers' dealings with us, you, or other Franchised Businesses in the System, such as rebates, commissions or other forms of compensation. We may use any amounts that we receive from suppliers for any purpose that we deem appropriate. We and/or our affiliates may negotiate supply contracts with our suppliers under which we are able to purchase products, equipment, supplies, services and other items at a price that will benefit us and our franchisees.

We reserve the right to create additional purchasing cooperatives in the future. We may negotiate volume purchase agreements with some vendors or Approved Suppliers for the purchase of goods and equipment needed to operate the Studio.

Franchisee Compliance

When determining whether to grant new or additional franchises, we consider many factors, including your compliance with the requirements described in this Item 8. You do not receive any further material benefit as a result of your compliance with these requirements.

Insurance

As a franchise owner, you are required to obtain and maintain, at your sole expense, the insurance coverages and minimum coverage amounts we require in writing, whether via the Manuals or otherwise. The component parts of the Computer System must be purchased from approved suppliers. If we require you to use any proprietary software or to purchase any software from a designated vendor, you must sign any software license agreements that we or the licensor of the software require and any related software maintenance agreements. **ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING**

Except as listed below, we are not required to provide you with any assistance.

A. Pre-Opening Assistance

Franchise Agreement

Before you open the Studio:

1. We will provide you (or, if you are an entity, your Designated Operator), as well as your Designated Manager (if appointed) with the respective initial training that such individuals are required to attend and complete prior to opening your Franchised Business. We will typically provide the Initial Training Program to you and your designated trainees within the 30 days preceding your Studio opening, but that timing will be subject to the availability and schedules of our training personnel. We will provide this Initial Training Program at our corporate headquarters or other training facility we designate, and this initial training (as well as other training provided by us in connection with your Studio) is described more fully below in this Item under the heading "Training". (Franchise Agreement, Section 6.3). We will also provide the Bridge Training Program to the initial instructors that wish to become Authorized Coaches and provide the Approved Services at your Studio, provided you or the instructor pay our then-current BTP Tuition Fee. Other than the training obligations set forth in Item 11, you will be responsible for hiring and training all other Studio employees.

2. If the Authorized Location (defined in Item 12 of this Disclosure Document) for your Studio has not been identified at the time the Franchise Agreement is signed, we will work with you to designate a geographical area within which you must secure an Authorized Location for your Studio (“Designated Market Area”). (Franchise Agreement, Section 1.3). We will also comply with our obligations with respect to site selection assistance and site approval as set forth more fully below in this Item under the heading “Site Selection Assistance and Time to Open”.

3. Prior to you attending your required initial training, we will loan you one copy of the Manual, which contains mandatory and suggested specifications, standards and procedures. The Manual is confidential and remains our property. We may modify the Manual. (Franchise Agreement, Section 6.4). The Table of Contents of the Manual is attached to this Disclosure Document as Exhibit E. The Manual currently consists of 74 pages.

4. Within 30 calendar days of execution of your Franchise Agreement, we will provide you (via the Manual or otherwise) with specifications for the layout and design of the Studio (Franchise Agreement, Sections 6.2, 7.1 and 7.3).

5. Within 30 calendar days of execution of your Franchise Agreement, we will provide you (through the Manual or otherwise) with a list of Required Items and a list of Approved Suppliers (Franchise Agreement, Section 6.6).

6. We will provide you with the Proprietary Initial Inventory Kit, Pre-Opening Sales Kit and Furniture and Fixture Package at the time(s) we determine appropriate prior to your opening, provided you have timely paid for each of these items as required by your Franchise Agreement and as described more fully in this Disclosure Document. We may also work with the Approved Supplier from which you determine to lease the Exercise Equipment Package and our other Approved Suppliers for installing and shipping the same to provide you with that package, or, should you elect not to purchase such equipment outright, provide you with that package or facilitate your acquisition of the same from an Approved Supplier. (Franchise Agreement, Section 6).

7. We will license you the use of the then-current Marks we designate for use in connection with our franchised Studios (Franchise Agreement, Section 4.2).

8. We will consult and advise you on the advertising, marketing and promotion associated with the grand opening of your Studio, as described more fully below in this Item 11. (Franchise Agreement, Sections 6.9 and 9.2).

9. If you enter a Development Agreement, we will designate your Development Area. (Development Agreement, Section 1 and Exhibit A).

B. Site Selection Assistance and Time to Open

Site Selection Assistance

You must assume all costs, liabilities, expenses and responsibility in connection with: (i) locating, obtaining and developing a premises for your Franchised Business; and (ii) constructing, equipping, remodeling and/or building out the premises for use as a Franchised Business, all in accordance with our System standards and specifications. If the Authorized Location for your Studio has not been identified at the time the Franchise Agreement

is signed, we will assign you a Designated Market Area as previously disclosed in this Item. (Franchise Agreement, Section 1.3).

We may provide you with: (i) our current written site selection guidelines, to the extent such guidelines are in place, and any other site selection counseling and assistance we determine is appropriate; and (ii) the contact information of any local real estate broker that we have an existing relationship with and that is familiar with our confidential site selection/evaluation criteria, if we know any such brokers in or around the Designated Market Area you are assigned. (Franchise Agreement, Sections 1.2, 1.3 and 6.1). We do not generally own the premises that System franchisees use for their Studio.

Our guidelines for site selection may require that you conduct, at your expense, an evaluation of the demographics of the market area for the location. Ideally, the Authorized Location of your Studio will be a major, national-tenant, anchored commercial retail center that meets our then-current requirements for population density, demographics, available parking, traffic flow and entrance/exit from the site. The typical Studio will be between 2,200 and 3,000 square feet. (Franchise Agreement, Section 6.1).

If you locate a site, we will approve or disapprove of the site within 30 days after we receive any and all reasonably-requested information regarding your proposed site from you. (Franchise Agreement, Section 1.2). We use a software program to evaluate the demographics of a market area for site selection approval. If we cannot agree on a site, we may extend the time for you to obtain a site, or we may cancel the Franchise Agreement. We must also have the opportunity to review any lease or purchase agreement for a proposed location before you enter into such an agreement. We may condition our approval of any site you propose as an Authorized Location on a number of conditions, including: (i) the inclusion of the terms outlined in Section 7.2 of the Franchise Agreement and Exhibit 5 to the Franchise Agreement in the lease for the location; and (ii) receiving a written representation from the landlord of the premises that you will have the right to operate the Studio, including offering and selling the Approved Products and Approved Services, throughout the term of your Franchise Agreement. (Franchise Agreement, Sections 2.2(C) and 7.2, and Exhibit 5).

You must secure an Authorized Location that we approve within six (6) months of executing your Franchise Agreement for that Franchised Business. If you do not secure a Premises that we approve within this time period, then we reserve the right to terminate your Franchise Agreement. (Franchise Agreement, Section 1.2).

Time to Open: Franchise Agreement

We will authorize the opening of your Studio when (i) all of your pre-opening obligations have been fulfilled, (ii) all required pre-opening training has been completed, including the Bridge Training Program that must be completed by at least one (1) Authorized Coach to be able to provide the Approved Services from your Studio, (iii) all amounts due us have been paid, (iv) copies of all insurance policies (and payment of premiums) and all other required documents have been received by us, and (v) all permits have been approved. (Franchise Agreement, Sections 5.4, 5.7, 6.3 and 10.4).

The typical length of time between the signing of the Franchise Agreement and the time you open your Studio is approximately three (3) to six (6) months. Your total timeframe may be shorter or longer depending on the time necessary to obtain an acceptable premises, to obtain financing, to obtain the permits and licenses for the construction and operation of the Franchised Business, to complete construction or remodeling as it may be affected by weather conditions, shortages, delivery schedules and other similar factors, to complete the interior and exterior of the Franchised Business, including decorating, purchasing and installing fixtures, equipment and signs, and to complete preparation for operating the Franchised Business, including purchasing any inventory or supplies needed prior to opening.

You are required to open your Franchised Business within six (6) months of executing your Franchise Agreement, but we may agree in writing to provide you with an additional three (3) months to open your Studio if you (a) have already secured an approved premises for your Studio, and (b) are otherwise making diligent and

continuous efforts to buildout and otherwise prepare your Franchised Business for opening throughout the six (6) month period following the execution of your Franchise Agreement. If you do not open your Studio within the time period set forth in the Franchise Agreement, we will have the option to terminate your Franchise Agreement. (Franchise Agreement, Sections 1.2 and 2.2).

Time to Open: Development Agreement (if applicable)

If you have entered into a Development Agreement to open and operate multiple Franchised Businesses, your Development Agreement will include a Development Schedule containing a deadline by which you must have each of your Franchised Businesses open and operating. (Development Agreement, Exhibit A).

C. Our Obligations During the Operation of the Franchised Business

Except as listed below, we are not required to provide you with any assistance.

During the operation of a given Franchised Business:

1. We will specify or approve certain equipment and suppliers to be used in the franchised business (Franchise Agreement, Sections 6.6 and 7.1).
2. We will provide additional training to you and any of your personnel at your request, subject to the availability of suitable trainers, including (a) ongoing Bridge Training for new and replacement instructors of your Studio so they can provide that Approved Services as an Authorized Coach, and/or (b) any Master Training you request and we determine appropriate to provide to one (1) of your Authorized Coaches that has demonstrated a high proficiency in providing the Approved Services. You are responsible for any and all fees and costs associated with such additional training (Franchise Agreement, Section 6.3).
3. If you do not obtain and maintain appropriate insurance coverage, we may procure the coverage on your behalf. We will pass the cost onto you. (Franchise Agreement, Section 10.4.D.)
4. We may institute various programs for auditing customer satisfaction and/or other quality control measures (Franchise Agreement, Section 8.2).
5. We will maintain and administer the Fund (the “Fund”) as described more fully under the “Advertising and Marketing” heading below (Franchise Agreement, Section 9.1).

D. Advertising and Marketing

Advertising Generally

You are responsible for local marketing activities to attract members to your Studio. We require you to submit samples of all advertising and promotional materials (and any use of the Marks and/or other forms of commercial identification) for any media, including the Internet, World Wide Web or otherwise. You must first obtain our advanced written approval before employing any form of co-branding, or advertising with other brands, products or services. (Franchise Agreement, Section 9.2).

You must strictly follow the social media guidelines, code of conduct, and etiquette as set forth in the Manual regarding social media activities. Any use of Social Media by you pertaining to the Studio must be in good taste and not linked to controversial, unethical, immoral, illegal or inappropriate content. You will promptly modify or remove any online communication pertaining to the Studio that does not comply with the Franchise Agreement or the Manual. (Franchise Agreement, Section 9.3).

Local Advertising Requirement; Co-Ops

As part of your material obligations under your Franchise Agreement, you must expend at least \$1,500 per month on marketing and advertising materials that we approve in connection with the promotion of your Studio within your Designated Territory (your “Local Advertising Requirement”). Upon our request, you must provide us with an accounting of your monthly expenditures associated with your Local Advertising Requirement, along with invoices and other relevant documentation to support those expenditures. Please be advised that the Local Advertising Requirement is only the minimum amount you must expend each month, and we encourage you to expend additional amounts on the local promotion of your Studio. We are not required to spend any amount on advertising within your Designated Territory.

As of the Issue Date, we have not yet established a local or regional advertising cooperative and we have not created any advertising council composed of franchisees. We may, in the future, decide to form one or more associations and/or sub-associations of System Studios to conduct various marketing-related activities on a cooperative basis (a “Co-Op”). If one or more Co-Ops (local, regional and/or national) are formed covering your area, then you must join and actively participate. All Studios in the designated area may be required to contribute such amounts as are determined from time to time by such Co-Op. Each participating Studio will have one vote in making decisions of the Co-op, but in order to vote the Studio must be in good standing, and all decisions will be subject to our approval. We have the right to establish reasonable procedures for calling and conducting meetings, notices to the participants, and other procedural matters, and will make any governing documents, if any exist, available to you upon request. (Franchise Agreement, Section 9.4).

Initial Marketing Spend; Opening Support Program

In addition to the Local Advertising Requirement, you will be required to expend a minimum of \$15,000 in connection with pre-opening sales activities and other initial launch promotional activities designed to increase visibility of your Franchised Business within your Designated Territory (the “Initial Marketing Spend”). You may be required to expend all or some portion of the Initial Marketing Spend on products/services received from an Approved Supplier we designated or approve, and all materials used in connection with your grand opening campaign must be approved by us if not previously designated for use. We expect that you will typically be required to expend these amounts in the months leading up to your “soft opening” through the actual opening of your Studio. (Franchise Agreement, Section 9.2).

Once your real estate lease is signed, you must be undertaking the “pre-sale” phase of opening your Studio wherein you will develop a plan in coordination with us (and that we approve) for use in connection with your Opening Support Program that is designed to generate Studio clientele or other sales prior to the opening of your Studio, as well as generating prospective leads for sales at your Studio. Currently, your Opening Support Program is provided by our third-party Approved Supplier and is currently overseen by our internal marketing and sales departments. Participation in the Opening Support Program is mandatory, and we may require you to expend certain amounts on services or content that is supplied by one (1) or more of our Approved Supplier(s).

Brand Development Fund

We have established a brand development Fund as previously disclosed in Item 6 of this Disclosure Document to promote and further develop the brand, Marks, System, Studios and/or Approved Services how we determine appropriate in our discretion. As of the Issue Date, we will require you to make a Fund Contribution each payment period amounting to two percent (2%) of the Gross Sales generated by of your Franchised Business over the prior reporting period of operations. (Franchise Agreement, Sections 5.5 and 9.1).

The Fund is administered by us, as we deem appropriate in our discretion. With that said, we may also decide (as we deem appropriate in our discretion) to establish a Fund committee (the “FAC”) to help advise on matters related to the Fund. In the event we establish the FAC, the Fund will still be administered by us with the FAC serving in an advisory capacity only. The Fund will be maintained and operated by us to meet the costs of conducting regional and national advertising and promotional efforts, other brand development activities, as well as related technology

used to implement the foregoing (i.e., digital marketing platform, System web portal) that we determine beneficial to the System. The FAC, if established, will serve in an advisory capacity only. We will direct all public relations, advertising and promotions with sole discretion over the message, creative concepts, materials and media used in the programs and the placement and allocation thereof. We have the power to form, change or dissolve the Fund and/or FAC. We will pay for these activities from the Fund. The Fund contributions may be used for traditional and digital advertising activities, such as website development, social media, public relations, advertising campaigns (television, radio, print or other media), or other promotions which will raise awareness of our brand. (Franchise Agreement, Sections 6.8 and 9.1).

We are not obligated to ensure that Fund activities or dollars are spent equally, on a pro rata basis, either on your Studio, or all Studios in an area. A brief statement regarding the availability of System franchises may be included in advertising and other items produced using the Fund, but we will not otherwise use the Fund to pay for franchise sales or solicitations.

Reasonable disbursements from the Fund will be made solely for the payment of expenses incurred in connection with the general promotion of the Marks and the System, including the cost of formulating, developing and implementing advertising and promotional campaigns; and the reasonable costs of administering the Fund, including accounting expenses and the actual costs of salaries and fringe benefits paid to our employees engaged in administration of the Fund. The Fund is not a trust or escrow account, and we have no fiduciary obligations regarding the Fund. We are not required to audit our Fund expenditures, but we reserve the right to do so and cover the costs associated with the audit from the Fund. Otherwise, we will prepare and make available to our franchisees, upon request, a basic accounting of the Fund for a given fiscal year after 120 days have passed since that year end. Any company-owned or affiliate-owned Studios we may open will contribute to the Fund at the rate provided in our Franchise Disclosure Document. Should the advertising contribution for the System decrease at any time, we have the right to reduce our contribution from company-owned or affiliate-owned Studios to the rate specified for franchised locations.

We are not required to spend all Fund contributions in the fiscal year they are received. You agree to participate in all Fund programs. The Fund may furnish you with marketing, advertising and promotional materials; however, we may require that you pay the cost of producing, shipping and handling for such materials.

Neither we nor our Affiliate collected or expended any Fund Contributions prior to the Issue Date of this Disclosure Document (including the past fiscal year ending December 31, 2021).

E. **Training**

Initial Training and Programs

Prior to opening your Franchised Business, you must ensure that: (i) you or your Designated Operator completes the Owner/Operator Module of the Initial Training Program described below, which will typically last approximately three (3) business days at our corporate headquarters in Irvine, CA or another training facility we designate (most likely in California); (ii) your Designated Manager (if appointed) attends and completes the Designated Manager Module described below; and (iii) at least one (1) (but most likely 2-3) of your initial instructors complete(s) the Bridge Training Program necessary to become an Authorized Coach and provide the Approved Services at your Studio in accordance with System Standards (and that all corresponding BTP Tuition Fees are paid prior to such training being provided). While there is no specific deadline by which you must complete the Initial Training Program, the foregoing training must be completed to our satisfaction prior to opening your Studio.

In the event you are the owner of multiple Studios or otherwise wish to appoint a third-party individual to manage the day-to-day operations of your Franchised Business, then that Designated Manager must complete the Designated Manager Module described below and be approved by us before assuming any management responsibility at your Franchised Business. (Franchise Agreement, Sections 5.7 and 6.3). We do not charge a tuition or training fee for you or your designated trainees (the Designated Operator and, if appropriate, Designated Manager)

to attend their assigned training program module(s) below, provided these individuals attend prior to the opening of your Studio.

You will be responsible for the costs and expenses associated with these individuals attending this initial training (Franchise Agreement, Section 5.7). Our primary initial training programs as of the Issue Date of this Disclosure Document are described below, certain portions of which may be provided via online, remote instruction via webinar or similar learning management system:

Training Personnel and Materials

Steven Stonehouse, our Vice President of Fitness Education, will oversee most aspects of the initial training program. Steven has been with us from our inception, and has over 10 years of experience in the majority of topics set forth in the Charts above via his experience in the fitness industry generally.

We normally conduct our training monthly, as needed, but we reserve the right to change this schedule based on (a) demand, and (b) the availability of our instructors. Our primary instruction is through hands-on training, videos, the Manual and other instructional materials we prepare specifically for one (1) or more of the initial training programs above in this Item. We may substitute other instructors to provide certain parts of the different initial training modules described in this Item 11, but these individuals will have all completed the appropriate portion of the Initial Training Program on which they provide instruction.

On-Site Grand Opening Assistance (Discretionary)

Around the time you first open your Studio, we may send one (1) or more representatives to your Studio to (a) provide assistance and recommendations regarding your opening and initial operations, and/or (b) provide

additional or refresher training associated with the Owner/Operator Module and/or Orientation Program, as we deem appropriate in our discretion. If we determine to provide such on-site assistance, it will typically last between 1-2 business days.

Bridge Training Program – Fees and Involvement of Franchisor

Each of your instructors must complete the Bridge Training Program before they can become an Authorized Coach. We (via one (1) or more of our designated trainer(s)) will provide the Bridge Training Program to the initial instructor(s) you designate prior to opening your Studio, and either you or your instructor will be required to (a) pay us our then-current BTP Tuition Fee as consideration for providing this Program and corresponding testing, and (b) cover the costs associated with attending this Program at one (1) of our corporate training locations. If we determine to allow Authorized Coaches to provide the Bridge Training Program to subsequent instructors or other clientele at your Studio, such Authorized Coach(es) must attend and complete our master training (the “Master Training”) at which time he/she will be a master trainer eligible to provide the Bridge Training Program to others at your Studio (a “Master Trainer”) as part of your Approved Services.

We may, at our option, permit you to provide the Bridge Training Program at your Franchised Business as part of your Approved Services, provided you have an Authorized Coach that has met our then-current criteria to serve as a Master Trainer of the Bridge Training Program. We may modify the Bridge Training Program in any manner we deem appropriate in the Manuals or otherwise in writing. (Franchise Agreement, Section 6.3). As of the Issuance Date of this Disclosure Document, the BTP Tuition Fee is \$1,499/trainee, with \$1,000 payable to us for the intellectual property and training materials associated with the Program, and the remaining \$499 is retained by the franchisee or affiliate owner of the Studio at which the Bridge Training Program is provided (the “BTP Studio Remuneration”).

Additional Training in Connection with Operation of the Franchised Business

We may also provide, and require that you (and your Designated Operator and Designated Manager, as appropriate) attend, up to five (5) days of additional training each year at our designated training facility. We will not charge any training fee in connection with such training that we require you to attend. (Franchise Agreement, Section 6.3).

You may request that we provide certain additional or refresher training to you, either at one (1) of our designated training facilities or on-site at your Franchised Business. We reserve the right to charge you our then-current training fee based on the number of days of such training that we provide at your request (regardless of location). (Franchise Agreement, Section 6.3).

You will be responsible for the costs and expenses associated with you and your designated personnel attending any such additional training described in this Item. (Franchise Agreement, Sections 5.7 and 6.3).

F. Computer System - Hardware and Software

You must acquire a front desk computer, a tablet computer that is capable of running all software we designate or otherwise require you to use in connection with your franchised Studio (collectively, the “Required Software”), including our designated business management software. You must record all of your receipts, expenses, invoices, member lists, class and employee schedules, and other business information promptly utilizing all appropriate Required Software. Currently, our designated business management software is an online/web-based program that is designed to facilitate class scheduling, process member credit and debit card payments, and keep your business records and generating business reports (among other things). At this time, we have approved no other compatible program but we reserve the right to do so at our sole discretion. If our Approved Supplier for any Required Software changes, you must migrate your operations to the new required software at our direction. The details of these standards and requirements will be described in the Manual or otherwise in writing

and may be modified in response to changes in marketing conditions, business operating needs, or technology. (Franchise Agreement, Sections 5.4, 5.6 and 10.3).

You must allow our Approved Supplier upgrade the proprietary database configuration of the Required Software for the computer in your Studio as we determine necessary. This supplier may provide you periodic updates to maintain the software and may charge a fee for preparing the updates and maintaining the software. There are no limitations on the frequency and cost of the updates. The computer system is designed to, among other things, enable us to have immediate, independent access, including access through a file transfer protocol or polling through the internet, to the information monitored by the system, and there is no contractual limitation on our independent access or use of the information we obtain. (Franchise Agreement, Sections 5.4 and 10.3).

The Audio-Visual Package typically includes assorted speakers, displays and other audio and visual equipment, and various mounting and cabling products. We estimate that the Audio-Visual Package will cost approximately \$50,000 to \$60,000, which is payable to our third-party Approved Suppliers prior to opening your Studio.

You must purchase or lease, and thereafter maintain, such computer hardware and software, dedicated high speed communications equipment and services, dedicated telephone and power lines, modem(s), speakers, and other computer-related accessories or peripheral equipment as we may specify, for the purpose of, among other functions, recording Studio sales, scheduling classes, and other functions that we require. You must provide such assistance as may be required to connect your computer system with a computer system used by us. We will have the right, on an occasional or regular basis, to retrieve such data and information from your computer system as we, in our sole and exclusive discretion, consistent with consumer privacy laws, deem necessary. You must operate your computer system in compliance with certain security standards specified by us, which may be modified at our discretion from time to time. In view of the interconnection of computer systems and the necessity that such systems be compatible with each other, you expressly agree that you will strictly comply with our standards and specifications for all item(s) associated with your computer system, and will otherwise operate your computer system in accordance with our standards and specifications. (Franchise Agreement, Sections 5.4 and 10.3).

To ensure full operational efficiency and optimal communication capability between and among computer systems installed by you, us, and other System franchisees, you agree, at your expense, to keep your computer system in good maintenance and repair, and following our determination that it will be economical or otherwise beneficial to the System to promptly install such additions, changes, modifications, substitutions and/or replacement to your computer hardware, software, communications equipment and services, telephone and power lines, and other computer-related facilities, as we direct.

We reserve the right to require you to update or upgrade any computer hardware or software during the term of the franchise, and if we choose to do so, there are no limitations on the cost and frequency of this obligation. The approximate cost of the current Computer System components, which include a front desk computer, around three (3) tablets, printer and credit card swiper, will cost between \$2,000 and \$3,500. There is no initial fee to obtain the Required Software and, as of the Issue Date, you must pay us our then-current Technology Fee (amounting to \$300 to 900 per month per Studio, depending on size of Studio and number of clientele/members) and POS software fees charged by our Approved Supplier (amounting to \$145/month). The approximate cost of any annual maintenance upgrades or updates or maintenance support contracts varies widely from \$0 to \$800 per year (not including the fees mentioned above).

We reserve the right to implement our own technology support and maintenance service, and charge a fee in connection therewith. We have no obligation to provide ongoing maintenance, repairs, upgrades or updates, and any such obligations would be those of the software licensors.

ITEM 12 TERRITORY

Franchise Agreement

Authorized Location and Relocation

You will operate the Studio at a specific location approved by us (referred to as your “Authorized Location”). Once you have secured your Authorized Location, we will provide you a Designated Territory within which you will have certain protected rights.

You will not be permitted to relocate your Studio without our prior written approval, which may be withheld in our discretion. You will be assessed a relocation fee of \$5,000 at the time you submit the proposed location for your relocated Studio. Generally, we do not approve requests to relocate your Studio after a site selection has been made and you have opened for business unless (a) it is due to extreme or unusual events beyond your control, and (b) you are not in default of your Franchise Agreement. If we approve your relocation request, we retain the right to approve your new site location in the same manner and under the same terms that are applied to your first site selection.

Designated Territory

Your Designated Territory may contain up to 50,000 people and will typically be comprised of the geographic area encompassed within a given radius around your Studio location. If your Designated Territory is such a radius, then that radius may be anywhere from two (2) blocks to two (2) miles around your Studio location depending on (a) the population density and other demographics of the area, (b) any existing territorial rights granted in connection with existing Studios, and (c) whether your location is considered part of a major metropolitan area, other downtown area or similar situated central business district that has a large “working population” during relevant operating hours for surrounding businesses (referred to as a “Central Business District”).

Importantly, the size of your Designated Territory may vary from the territory granted to other franchisees based on the location and demographics surrounding your Studio. Your Designated Territory may not be comprised of a typical radius around your Studio location if such a radius would encompass the location of another previously-developed Studio.

The boundaries of your Designated Territory may be described in terms of zip codes, streets, landmarks (both natural and man-made) or county lines, or otherwise delineated on a map. If we determine to base your territory on population, the sources we use to determine the population within your Designated Territory will be based on (a) our then-current territory mapping software, or (b) publicly available population information (such as data published by the U.S. Census Bureau or other governmental agencies and commercial sources).

If you have been granted a Designated Territory, neither we nor our affiliates will open or locate, or authorize any third party the right to open or locate, another Studio utilizing the Marks and System from a physical location within your Designated Territory. For this reason, your Designated Territory is deemed “exclusive” under applicable franchise disclosure laws. Please note our reserved rights described later in this Item.

Your Designated Territory will not be modified by Franchisor for any reason so long as you are not in default of your Franchise Agreement, except in cases where (a) your requested relocation of your Studio is approved and you relocate, and/or (b) at the time of any requested renewal or proposed assignment of the franchise, the population of the Designated Territory is over 50,000. In such cases, we may move or modify the size of your Designated Territory.

Except as expressly provided in the Franchise Agreement, you have no right to exclude, control or impose conditions on the location, operation or otherwise of present or future Studios, using any of the other brands or Marks that we now, or in the future, may offer, and we may operate or license Studios or distribution channels of

any type, licensed, franchised or company-owned, regardless of their location or proximity to the premises and whether or not they provide services similar to those that you offer. You do not have any rights with respect to other and/or related businesses, products and/or services, in which we may be involved, now or in the future.

While you and other BFT Studios will be able to provide the Approved Services to any potential client that visits or otherwise reaches out to your Studio, you will not be permitted to actively solicit or recruit clients outside your Designated Territory, unless we provide our prior written consent. You will not be permitted to advertise and promote your Franchised Business via advertising that is directed at those outside your Designated Territory without our prior written consent, which we will not unreasonably withhold provided (a) the area you wish to advertise in is contiguous to your Designated Territory, and (b) that area has not been granted to any third party in connection with a Studio (or Development Agreement) of any kind.

We may choose, in our sole discretion, to evaluate your Studio for compliance with the System Standards using various methods (including, but not limited to, inspections, field service visits, surveillance camera monitoring, member comments/surveys, and secret shopper reports). You must meet minimum standards for cleanliness, equipment condition, repair and function, and customer service. Your employees, including independent contractors, must meet minimum standards for courteousness and customer service. (Franchise Agreement, Section 8.8A)

Unless waived by us due to unique market conditions, you must meet a certain Minimum Monthly Gross Revenue Quota. If Franchisee fails to achieve and maintain average monthly gross revenues of \$30,000 by the 1st year anniversary of the opening of the Studio and average monthly gross revenues of \$40,000 by the end of the 2nd year anniversary and each succeeding year thereafter, Franchisor may institute a corrective training program and/or require Franchisee to perform additional local marketing. If Franchisee fails to meet the Minimum Monthly Gross Revenue Quota for 36 consecutive months at any time during the term of the Franchise Agreement, Franchisor may institute a mandatory corrective training program or terminate the Franchise Agreement upon notice to you.

Development Agreement

If you are granted the right to open three or more Franchised Businesses under our form of Development Agreement, then we will provide you with a Development Area upon execution of this agreement. The size of your Development Area will substantially vary from other System developers based on: (i) the number of Franchised Businesses we grant you the right to open and operate; and (ii) the location and demographics of the general area where we mutually agree you will be opening these locations. The boundaries of your Development Area may be described in terms of zip codes, streets, landmarks (both natural and man-made) or county lines, or otherwise delineated on a map attached to the Data Sheet.

Each Franchised Business you timely open and commence operating under our then-current form of franchise agreement will be operated: (i) from a distinct site located within the Development Area that we approve, in accordance with our then-current site selection criteria; and (ii) within its own Designated Territory that we will define once the site for that Franchised Business has been approved.

We will not own or operate, or license a third party the right to own or operate, a Studio utilizing the Marks and System within the Development Area until the earlier of: (i) the date we define the Designated Territory of the final Franchised Business you were granted the right to operate under the Development Agreement; or (ii) the expiration or termination of the Development Agreement for any reason. Your Development Area will be exclusive during this time period.

Upon the occurrence of any one of the events described in the preceding paragraph, your territorial rights within the Development Area will be terminated, except that each Franchised Business that you have opened and are continuously operating as of the date of such occurrence will continue to enjoy the territorial rights within

their respective Designated Territories that were granted under the franchise agreement(s) you entered into for those Franchised Business(es).

You must comply with your development obligations under the Development Agreement, including your Development Schedule, in order to maintain your exclusive rights within the Development Area. If you do not comply with your Development Schedule, we may terminate your Development Agreement and any further development rights you have under that agreement. Otherwise, we will not modify the size of your Development Area except by mutual written agreement signed by both parties.

Reserved Rights

We and our parent/affiliates reserve the exclusive right to conduct the following activities under the Franchise Agreement and/or Development Agreement (as appropriate): (i) establish and operate, and license any third party the right to establish and operate, other Studios and Franchised Businesses using the Marks and System at any location outside of your Designated Territory(ies) and, if applicable, Development Area; (ii) market, offer and sell products and services that are similar to the products and services offered by the Franchised Business under a different trademark or trademarks at any location, within or outside the Designated Territory(ies) and, if applicable, the Development Area; (iii) use the Marks and System, as well as other such marks we designate, to distribute any Approved Products and/or Services in any alternative channel of distribution, within or outside the Territory(ies) and Development Area (including the Internet, mail order, catalog sales, toll-free numbers, wholesale stores, etc.), as further described below; (iv) to acquire, merge with, or otherwise affiliate with, and after that own and operate, and franchise or license others to own and operate, any business of any kind, including, without limitation, any business that offers products or services the same as or similar to the Approved Products and Services (but under different marks), within or outside your Designated Territory(ies) and, if applicable, Development Area; (v) operate and grant others the right to operate Studios at "Non-Traditional Locations," including (a) "big box" gyms and/or fitness facilities operating under a mark other than the Proprietary Marks, (b) military bases, (c) shopping malls, (d) airports, stadiums, arenas and/or other sports, entertainment and captive venues, (e) major industrial or office complexes, (f) hotels, (g) train stations, travel plazas and/or other transportation centers, (h) casinos, hospitals and/or academic institutions, that are within and outside the Designated Territory and, if applicable, Development Area, on any terms and conditions we deem appropriate; and (vi) use the Marks and System, and license others to use the Marks and System, to engage in any other activities not expressly prohibited in your Franchise Agreement and, if applicable, your Development Agreement.

Neither the Franchise Agreement nor Development Agreement grants you any right to engage in any of the activities outlined in the preceding paragraph, or to share in any of the proceeds received by us, our parent/affiliates or any third party from these activities, unless we otherwise agree in writing. Further, we have no obligation to provide you any compensation for soliciting or accepting orders (via alternate channels of distribution) within your Territory.

Internet Sales / Alternative Channels of Commerce

We may sell products and services to members located anywhere, even if such products and services are similar to what we sell to you and what you offer at your Studio. We may use the internet or alternative channels of commerce to sell branded products and services. You may only sell the products and services from your approved Studio location, and may only use the internet or alternative channels of commerce to offer or sell the products and services, as permitted by us, in order to register members for classes. We may require you to submit samples of all advertising and promotional materials (and any use of the Marks and/or other forms of commercial identification) for any media, including the Internet, World Wide Web or otherwise. We retain the right to approve or disapprove of such advertising, in our sole discretion. Any use of social media by you pertaining to the Studio must be in good taste and not linked to controversial, unethical, immoral, illegal or inappropriate content. We reserve the right to "occupy" any social media websites/pages and be the sole provider of information regarding the Studio on such websites/pages (e.g., a system-wide Facebook page). At our request, you will promptly modify or remove any online communication pertaining to the Studio that does not comply with the Franchise Agreement

or the Manual. You are not prohibited from obtaining members over the Internet provided your Internet presence and content comply with the requirements of the Franchise Agreement.

Additional Disclosures

Neither the Franchise Agreement nor the Development Agreement provides you with any right or option to open and operate additional Franchised Businesses (other than as specifically provided for in your Development Agreement if you are granted multi-unit development rights). Regardless, each Franchised Business you are granted the right to open and operate must be governed by its own specific form of Franchise Agreement.

We have not established other franchises or company-owned outlets or another distribution channel offering or selling similar products or services under a different trademark. We have not established, nor do we presently intend to establish, other franchised or company-owned businesses that are similar to the Franchised Business and that sell our Approved Products and Services under a different trade name or trademark, but we reserve the right to do so in the future without your consent. Certain of our affiliates are involved with franchising and other activities as previously disclosed in Item 1 of this Disclosure Document, and such affiliates reserve the right to continue conducting franchising and other activities.

ITEM 13 TRADEMARKS

We grant you a limited license to use the then-current Marks we designate in connection with the operation of your franchised Studio. We may supplement, substitute and/or otherwise modify the Marks we designate for licensing in connection with our System and your Studio as we determine appropriate in our discretion. As of the Issue Date, we currently license our System franchisees the right to use the following Marks that are registered and owned by our affiliate on the Principal Register of the United States Patent and Trademark Office (the “USPTO”):

| Mark | Registration No. | Registration Date |
|---|-------------------------|--------------------------|
| BFT | 6,477,914 | September 7, 2021 |
|  | 6,490,486 | September 21, 2021 |

We expect and intend to submit all affidavits and other filings necessary to maintain the registrations above. We assert common law rights with respect to certain of our Marks since based on that date these Marks were first used in commerce.

There are no presently effective determinations of the United States Patent and Trademark Office, the Trademark Administrator of any state, or any court, nor any pending material litigation involving any of the Marks (other than the litigation disclosed in Item 3) which are relevant to their use in any state. There are no pending interference actions or opposition or cancellation proceedings that significantly limit our rights to use, or license the use of, the Marks in any manner material to the System.

If it becomes advisable, in our sole discretion, for us to modify or discontinue use of any of the Marks, or use one or more additional or substitute Mark, you must comply with our directions to modify or otherwise discontinue the use of such Mark within a reasonable time after notice by us. We will not be obligated to compensate you for any costs you incur in connection with any such modification or discontinuance.

You must immediately notify us of any apparent infringement of or challenge to your use of the mark. Although not obligated to do so, we will take any action deemed appropriate and will control any

litigation or proceeding. You must cooperate with any litigation relating to the Marks which we or our affiliates, or the Licensor, might undertake. We will have the right, but the Franchise Agreement does not require us, to indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving any of the Marks, or subject to an unfavorable administrative or judicial determination.

We are not aware of any prior superior rights or infringing uses that would materially affect your use of the Marks. But, there is always a possibility that there might be one or more businesses, similar to the business covered by the Franchise, operating in or near the area(s) where you may do business, using a name, trademark and/or trade dress similar to the Marks and with superior rights to the name and/or trademark. We strongly urge you to research this possibility, using telephone directories, local filings and other means, before you pay any money, sign any documents or make any binding commitments. If you do not research the possibility of other trademarks in this business, you may be at risk. As of the Issue Date, there are no agreements currently in effect, which significantly limit our rights to use or license the use of the Marks.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We do not own any registered patents or pending patent applications that are material to the franchise. We do, however, claim common law copyright and trade secret protection for several aspects of the franchise System including, without limitation, our Manual, certain forms, advertisements, promotional materials, source code, training materials, advertising, business materials and other Confidential Information as defined below.

There currently are no effective determinations of the Copyright Office (or any court regarding any of the copyrighted materials. There are no agreements in effect which significantly limit our right to use or license the copyrighted materials. Finally, there are no infringing uses actually known to us that could materially affect your use of the copyrighted materials in any state. No agreement requires us to protect or defend any copyrights or you in connection with any copyrights.

In general, our proprietary information includes “Confidential Information” as defined in Section 12 of the Franchise Agreement, some of which is contained in our Manual, and includes, among other things, all information (current and future) relating to the operation of the Studio or the System, including, among other things, all: (i) manuals, training, techniques, processes, policies, procedures, systems, data and know how regarding the development, marketing, operation and franchising of the Studios; (ii) designs, specifications and information about products and services and (iii) all information regarding members and suppliers, including any statistical and/or financial information and all lists. We disclose to you Confidential Information needed for the operation of a BFT franchise, and you may learn additional information during the term of your franchise. We have all rights to the Confidential Information and your only interest in the Confidential Information is the right to use it under your Franchise Agreement.

Both during and after the term of your Franchise Agreement, you must use the Confidential Information only for the operation of your Studio under a Franchise Agreement; maintain the confidentiality of the Confidential Information; not make or distribute, or permit to be made or distributed, any unauthorized copies of any portion of the Confidential Information; and (iii) follow all prescribed procedures for prevention of unauthorized use or disclosure of the Confidential Information. (Franchise Agreement, Section 12)

We have the right to use and authorize others to use all ideas, techniques, methods and processes relating to the Studio that you or your employees conceive or develop.

You also agree to fully and promptly disclose all ideas, techniques and other similar information relating to the franchise business that are conceived or developed by you and/or your employees. We will have a perpetual right to use, and to authorize others to use, those ideas, etc. without compensation or other obligation.

ITEM 15

**OBLIGATION TO PARTICIPATE
IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS**

Under the Franchise Agreement, we do not require, but do recommend, that you (or the Designated Operator) personally supervise the Studio. You may appoint a Designated Manager we approve to manage daily operations of your Studio. We will not unreasonably withhold our approval of any Designated Manager you propose, provided the individual has successfully completed the Owner/Operator Module of our Initial Training Program and, if that individual will be providing any Approved Services, the Bridge Training Program (or BTP). Once approved, your Designated Manager may assist in the direct, day-to-day supervision of the operations of the Studio, or to be the on-premises supervisor if you choose not to personally supervise the Studio. If you are a business entity, your Designated Manager need not hold an ownership interest in the business to be the on-premises supervisor.

You are solely responsible for the hiring and management of the Studio employees, for the terms of their employment and for ensuring their compliance with any training or other requirements established by us. You will keep us advised, in writing, of any Designated Manager involved in the operation of the Studio and their contact information. Your Franchised Business must, at all times, be managed by and staffed with at least one (1) individual who has successfully completed the Owner/Operator Module of our Initial Training Program.

It is important to note that we are not your employer, and that you will have the right and responsibility to control all decisions related to recruiting, hiring or firing any personnel, including any therapists or other specialized/licensed personnel you use to perform the Approved Services at your franchised Studio. Please note that nothing in this Disclosure Document or any agreement you enter into with us will create any type of employer or joint employer relationship between (a) you and/or your personnel, and (b) us.

You and your managers and employees must comply with the confidentiality provisions described in Item 14. You must execute a personal guaranty concurrently with the signing of the Franchise Agreement. If you are a legal entity, having more than one owner, all owners, shareholders, partners, joint venturers, and any other person who directly or indirectly owns a 10% or greater interest in the franchised business must execute a personal guaranty.

**ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL**

You must offer for sale and sell only and all those Approved Products and Services, and deal only with those suppliers, that we authorize or require, and have authorized (See Item 8). Principally, this means you must purchase the amount and type of equipment and offer only those types of fitness and training classes that we authorize. Failure to comply with our purchasing restrictions may result in the termination of your Franchise Agreement. We may supplement, revise and/or modify our Approved Products and Services as we deem appropriate from time to time, as well as our System standards and specifications associated with the provision of these products/services. These changes will be outlined in our Manuals or otherwise in writing, and there are no contractual limitations on our right to make these types of changes.

If we discontinue any Approved Service or Approved Product previously offered by the Franchised Business, then you must cease offering or selling such product/service within a reasonable time, unless such product/service represents a health or safety hazard (in which case you must immediately comply upon receipt of notice from us). You may not use the location of your Franchised Business for any other business purpose other than the operation of your Franchised Business. You must also ensure that you comply and respect all System policies and procedures regarding Member reciprocity amongst other Studio locations, and if and when made available to such Members, any reciprocity and/or universal pass to attend classes at the fitness studios operated under our affiliate franchisors' respective brands.

You may not advertise, offer for sale or sell, any products and/or services that we have not authorized. We reserve the right to change the types of authorized products and services at any time in our discretion. You agree to promptly undertake all changes as we require from time to time, without limit, except we will not require you to thoroughly modernize or remodel the Studio any more often than once every 5 years. You will not make any material alterations to your Studio or its appearance as originally approved by us without our prior written approval.

You must refrain from any merchandising, advertising, or promotional practice that is unethical or may be injurious to our business and/or other franchised businesses or to the goodwill associated with the Marks. Subject to the conditions set forth above, we do not impose any restrictions with regards to the customers to whom you may sell goods and services. (Franchise Agreement, Section 4.2).

FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

BACKGROUND

The Table below in this Item 19 discloses the historical performance of the only System Studio that was open and operating over the entirety of the trailing 12-month period ending October 31, 2021 (the “Measurement Period”). Specifically, this Table discloses (i) the Gross Sales generated by this affiliate-owned Studio over the Measurement Period, along with (ii) the percentage of those Gross Sales that is (in actuality or as an estimate) in connection with (a) Estimated Royalties and Estimated Fund Contributions (collectively, the “Estimated Fees”), (b) Advertising and Marketing, (c) Labor Expenses, (d) Rent, (e) certain other operating costs/expenses (as disclosed in the Explanatory Notes following the Table below), and (f) Legal and Professional Services, over that same Measurement Period.

This Table excludes the results of the only other System Studio that is open and operating as of the Issue Date of this amended FDD because it had not yet opened as of the commencement of the Measurement Period.

Only the Disclosed Studio has achieved these amounts. Your individual results may differ. There is no assurance you will achieve as much.

Written substantiation of the data used in preparing the financial performance representations described above will be made available to you upon reasonable request.

| Performance over Trailing 12-Month Period Ending October 31, 2021 | Amount | Percentage of Gross Sales |
|--|--------------------|------------------------------|
| Gross Sales ¹ | \$1,033,270 | 100% |
| Estimated Royalties ² | \$72,329 | |
| Estimated Fund Contributions ³ | \$20,665 | |

| | | |
|---|------------------|------------|
| Advertising & Marketing ⁴ | \$37,620 | |
| Labor Expenses ⁵ | \$164,026 | |
| Rent ⁶ | \$ 219,648 | |
| Other Certain Operating Expenses ⁷ | \$69,502 | |
| Legal and Professional Services ⁸ | \$5,040 | |
| Gross Sales Less Disclosed Operating Costs and Expenses in Table Above⁹ | \$444,440 | 43% |

Explanatory Notes to Above Table:

1. *Gross Sales.* The term “Gross Sales” means the total revenue generated by the Disclosed Studio over the applicable Measurement Period, which was derived from the following: (i) sale of class packages; (ii) revenue received in connection with Classpass® sales; (iii) the offer and sale of retail merchandise; and (iv) private training and events held at the Disclosed Studio at issue. Please note that, as of the Issuance Date, a System franchisee will be authorized and permitted to provide and generate Gross Sales via each of the activities noted above, as well as the offer and sale of ongoing memberships for the right to attend and participate in classes at a franchised Studio. Please also note that, as of the Issuance Date, we understand and expect that the Disclosed Studios will commence the promotion, offer and sale of memberships where Studio clientele pay a monthly fee for the right to attend up to a designated number of classes in a given calendar month at that Studio.
2. *Estimated Royalties.* The term “Estimated Royalty” means the Royalty Fee that each Affiliate Business would have had to pay us over the Measurement Period if that Studio were owned by a System franchisee and governed by our current form of Franchise Agreement. We calculated the Estimated Royalty for each Measurement Period by multiplying the combined Gross Sales generated by the Studio over that Measurement Period by 0.07 to account for the Royalty Fee of 7% set forth and required under our current form of Franchise Agreement. It is important to note that the “Estimated Royalty” figures provided for the Disclosed Studio is only an estimate, and that the Studio did not actually pay us this amount because it is not subject to a form of franchise agreement with us.
3. *Estimated Fund Contributions.* The term “Estimated Fund Contribution” means the Fund Contribution that the Disclosed Studio would have had to pay us over the Measurement Period if that Studio were owned by a System franchisee and governed by our current form of Franchise Agreement. We calculated the Estimated Fund Contribution for each Measurement Period by multiplying the combined Gross Sales generated by the Studio over that Measurement Period by 0.02 to account for the Fund Contribution of 2% set forth and required under our current form of Franchise Agreement. It is important to note that the “Estimated Fund Contribution” figures provided for the Disclosed Studio is only an estimate, and that the Studio did not actually pay us this amount because it is not subject to a form of franchise agreement with us.
4. *Advertising and Marketing.* The term “Advertising and Marketing” means the amounts that the Disclosed Studio expended in total in connection with marketing, advertising and promoting over each Measurement Period, including digital marketing and other advertising activities within its trading area.
5. *Labor Expense.* The term “Labor Expense” means the amounts that were incurred in connection with the direct labor and other personnel associated with the operation of the Disclosed Studio over the applicable Measurement Period. It does not account for any kind of compensation or consideration paid to (a) the owner of the Disclosed Studio, and/or (b) the Designated Manager (primary manager) of that Studio. Please be advised that you may be required to engage a Designated Manager or other Studio management as part of your Franchised Business operations.

6. *Rent.* The term “Rent” means the amount that the Disclosed Studio was required to pay in rent and common area maintenance charges under the lease for the premises of that Studio. This range does not account for (a) any kind of rent deferral afforded by the landlord in connection with the Lease during the Measurement Period or prior to that time, or (b) any corresponding payments the Affiliate Studio was required to be made in connection with any such deferral during the Measurement Period.
7. *Other Certain Operating Expenses.* The term “Other Certain Operating Expenses” means that amounts that the Disclosed Studio expended in connection with the following operating expenses over the applicable Measurement Period: (i) amortization, depreciation or interest; (ii) costs or expenses related to debt services, including any financing agreement you enter into in connection with your equipment package; (iii) owner or officer compensation; (iv) meals and entertainment or other variable expenses. For purposes of clarity, this term and figure does not account for any other operating costs or expenses that we incurred in connection with the ownership and operation of the Disclosed Studio over the Measurement Period.
8. *Legal and Professional Expenses.* The term “Legal and Professional Expenses” means that amount that the owner of the Disclosed Studio reported to Franchisor as amounts expended on legal, accounting and other professional services associated with the ongoing operation of that Studio over the Measurement Period.
9. *Gross Sales Less Disclosed Operating Costs and Expenses in Table Above.* The term “Gross Revenue Less Total COGS, Total Operating Expenses and Total Estimated Fees” is calculated by taking the Gross Revenue generated by that Center over a given Measurement Period and subtracting the Total COGS, Contract Services and Other Labor, Rent, Marketing and Advertising, other Disclosed Operating Costs and the appropriate Estimated Fees, associated with the combined operations of the two (2) Affiliate Centers over that same Measurement Period. It does not account for any other operating costs or expenses not specifically identified in the Explanatory Note No. 7 above.

**BFT
FRANCHISE AGREEMENT**

In a number of places in this Franchise Agreement, you are asked to initial certain items to show that they have been fully discussed with you, and read, understood and agreed to by you. Initialing those areas does not lessen the importance of other areas or mean they are not fully enforceable.

This BFT Franchise Agreement (this “Agreement”) is entered into as of the ____ day of _____, 20__ between BFT Franchise Holdings, LLC, a Delaware limited liability company, doing business as “BFT” (“Franchisor”) and _____, or his/her/their assignee, if a partnership, corporation or limited liability company is later formed (“Franchisee”), upon the following terms, conditions, covenants and agreements:

RECITALS

A. Franchisor, by and through its affiliates/principals, owns, has developed and administers a system and franchise opportunity, including various fitness and exercise techniques and methods, trade secrets, copyrights, confidential and proprietary information and other intellectual property rights (collectively, the “System”) for the establishment and operation of group training fitness studios (each, a “Studio”) identified by the “BFT” trade name and/or other trademarks and service marks that Franchisor designates now or in the future to be licensed hereunder as part of the System (collectively, the “Marks”).

B. The System includes the Marks and trade secrets, proprietary methods and information and procedures for the establishment and operation of Studios, including, without limitation, confidential manuals (collectively, the “Manual”), training methods, fitness equipment, furniture and fixtures, marketing, advertising and sales promotions, cost controls, accounting and reporting procedures, personnel management, distinctive interior design and display procedures, and color scheme and décor (collectively, the “Trade Dress”).

C. Franchisor grants to qualified persons who are willing to undertake the required investment and effort, a franchise to own and operate a Studio utilizing the System and Marks to offer and provide: (i) an array of group training fitness classes focused on cardio and/or strength training and related fitness instruction that Franchisor authorizes (collectively, the “Approved Services”), which may include providing the proprietary instructor training program associated with the System (the “Bridge Training Program”) if approved by Franchisor and subject to the terms of this Agreement; and (ii) certain merchandise and other products Franchisor authorizes for sale in conjunction with the Approved Services and Studio operations (collectively, the “Approved Products”).

D. Franchisee desires to obtain a franchise to use the System and Marks in the development and operation of a Studio at the location specified in this Agreement (the “Studio”).

E. Franchisee has independently investigated the business contemplated by this Agreement, and recognizes that the nature of the business may change over time, that an investment in a Studio involves business risks, and that the venture’s success depends primarily upon Franchisee’s business abilities and efforts.

NOW, THEREFORE, in consideration of the foregoing, the fees and other sums payable by Franchisee and of the mutual covenants contained in this Agreement, the parties agree as follows:

1. GRANT OF FRANCHISE; LOCATION

1.1 **Grant.** You agree at all times faithfully, honestly and diligently to perform your obligations under this Agreement and to use your best efforts to promote BFT and your Studio. Accordingly, Franchisor grants to Franchisee the non-exclusive right and license to:

A. Establish and operate a single Studio utilizing only the System and the Marks, at a single location that has been authorized by Franchisor (the “Authorized Location”), in accordance with the provisions and for the term specified in this Agreement;

B. Use only the Marks of Franchisor under the terms of this Agreement to identify and promote the foregoing Studio governed by this Agreement; and

C. Use the proprietary System methods and know-how, as set forth periodically in Franchisor’s operations manual and other manuals (collectively, the “Manual” or “Manuals”), training programs, or that are otherwise communicated to Franchisee.

1.2 **Site Approval Process.** Franchisor will assist Franchisee in connection with site selection by: (i) providing Franchisee with its then-current site selection criteria, to the extent such criteria has been reduced to writing; and (ii) providing Franchisee with access to a local real estate broker that is familiar with Franchisor’s confidential site evaluation criteria, to the extent Franchisor has established relationships with such brokers in or around the Designated Market Area (as defined in Section 1.3 below). Franchisor will use commercially reasonable efforts to approve or reject a proposal for an Authorized Location within 30 days of the date Franchisor receives all reasonably-requested information regarding the proposed site. Franchisor’s approval of the proposed site shall be deemed to be a binding addendum to this Agreement upon Franchisor and Franchisee’s execution of Exhibit 1, which is attached hereto and incorporated herein by reference, and which will set forth the Authorized Location.

A. Franchisor agrees not to unreasonably withhold approval of a site that meets its then-current site criteria. Franchisee acknowledges that Franchisor’s approval of a proposed site is permission only and not an assurance or guaranty to Franchisee of the availability, suitability or success of a location, and cannot create a liability for Franchisor. While Franchisor will provide site selection assistance as specified in Section 6.1 herein, Franchisee alone is ultimately responsible for selecting and developing an acceptable location for the Studio. Franchisee agrees to hold Franchisor harmless with respect to the selection of the Authorized Location by Franchisee.

B. Franchisee must (i) obtain lawful possession of an Authorized Location by lease, purchase or other method, and (ii) open the Studio to the public for regular, continuous business, within six (6) months of the date that Franchisor accepts this Agreement. The opening date may be extended an additional three (3) months in certain instances pursuant to Section 2.2(D) below. Franchisor has the right to terminate this Agreement if Franchisee fails to select a site for the Studio that meets Franchisor’s approval within the time period allotted above.

1.3 **Authorized Location & Designated Territory.** If the Authorized Location has not been identified at the time this Agreement is signed, Franchisee must identify a site approved by Franchisor within the following geographic area: _____

_____ (“Designated Market Area”). Once the Authorized Location for the Studio has been secured by Franchisee, Franchisee agrees to enter into the form of Authorized Location Addendum attached hereto as Exhibit 1 detailing the Authorized Location. Franchisor agrees that, so long as Franchisee is in good standing, neither it nor its affiliates will operate or establish, or authorize another BFT franchisee to operate or establish, a Studio using the BFT

System or Marks from a physical location within a certain geographical area surrounding the Authorized Location (“Designated Territory”). The Designated Territory, if any, will be defined in Exhibit 1, hereto. Franchisor will have the right to modify the boundaries of the Designated Territory in the event (a) Franchisee relocates the Franchised Business, or (b) at the time of any requested renewal or proposed assignment of the franchise, the population of the Designated Territory is over 50,000, with said modifications designed to afford Franchisee with a territory that contains a population that is similar to that contained within the original territory at the time this Agreement is signed.

Franchisee (or, if Franchisee is an entity, one of its operating principals) and its proposed Designated Manager (as defined in Section 8.6 of this Agreement) must attend and complete the appropriate initial training to Franchisor’s satisfaction, as set forth in Section 6.3 of this Agreement.

2.2 **Conditions.** The rights being licensed herein are subject, without limitation, to the following conditions:

A. Franchisee’s business and the Studio shall be identified only by those Marks approved in writing by Franchisor with at least one exterior sign as designated by Franchisor.

Any person or entity that at any time after the date of this Agreement becomes an Owner, pursuant to Section 14 or otherwise, shall, as a condition of becoming an Owner, execute Franchisor’s then-current form of Personal Guaranty. Failure to comply with this Section or any misrepresentation by Franchisee as to the parties that are Owners under this Section constitutes a material violation of this Agreement.

C. Franchisee shall submit the lease for the Studio to Franchisor for its written consent before Franchisee executes the lease for the Authorized Location. The lease must contain the provisions outlined in Section 7.2 and Exhibit 5 (“Lease Addendum”).

D. Franchisee agrees that it shall open the Studio for regular, continuous business no later than six (6) months after this Agreement is signed by Franchisor. Franchisee’s failure or refusal to execute and return Franchisor’s then-current standard form Franchise Agreement to Franchisor within thirty (30) days after receipt by Franchisee shall constitute Franchisee’s election not to renew;

B. Franchisee shall demonstrate that it has the right to remain in possession of the Authorized Location for the duration of the renewal term, or that it has been able to secure and develop an alternative site acceptable to Franchisor;

C. In consideration of each such renewal of the franchise, Franchisee shall execute a general release in the form and substance satisfactory to Franchisor, releasing any and all claims against Franchisor and its affiliates, officers, directors, employees and agents;

F. Franchisee shall pay to Franchisor a renewal fee equal to \$10,000 for a successor franchise; and

G. Franchisee shall have given Franchisor written notice of renewal no less than 90 days or more than 180 days before expiration of the initial term.

3.3 **Franchisor's Refusal to Renew Franchise.** Franchisor may refuse to renew the franchise if Franchisee is in default under this Agreement, or any other agreement with Franchisor or an affiliate of Franchisor, or if Franchisee fails to satisfy any of the foregoing conditions. Subject to the above, Franchisor will not unreasonably deny renewal of a Franchise.

3.4 **Notice of Expiration Required by Law.** If applicable law requires that Franchisor give a longer period of notice to Franchisee than herein provided prior to the expiration of the initial term or any additional term, Franchisor will give such additional required notice. Franchisee may not communicate with any person other than Franchisor and its counsel in connection with any such use or infringement. Franchisor will have discretion to determine what steps, if any, are to be taken in any instance of unauthorized use or infringement of any of its Marks and will have complete control of any litigation or settlement in connection with any claim of an infringement or unfair competition or unauthorized use with respect to the Marks. Franchisee will execute any and all instruments and documents and will assist and cooperate with any suit or other action undertaken by Franchisor with respect to such unauthorized use or infringement such as by giving testimony or furnishing documents or other evidence. Franchisor will be responsible for legal expenses incurred by Franchisor in connection with any litigation or other legal proceeding involving such third party. The Initial Franchise Fee shall be fully earned by Franchisor upon payment and is not refundable under any circumstance.

5.2 **Royalty Fee.** Beginning on the day the Studio starts generating revenue from its business operations, and continuing during the term of this Agreement, Franchisee agrees to pay Franchisor, weekly, without setoff, credit or deduction of any nature, a royalty fee equal to seven percent (7%) of the Gross Sales (as that term is defined in Section 5.3, below) generated by the Studio over the immediately preceding week (the "Royalty" or "Royalty Fee").

5.3 **Gross Sales.** Gross Sales means the total revenue generated by the Studio, including all revenue generated from the sale and provision of any and all gift cards and other approved products and services at or through the Studio and all proceeds from any business interruption insurance related to the non-operation of the Studio, whether such revenues are evidenced by cash, check, credit, charge, account, barter or exchange. "Gross Sales" does not include (a) any sales tax and equivalent taxes that are collected by Franchisee for or on behalf of any governmental taxing authority and paid thereto, (b) the value of any allowance issued or granted to any client of the Studio that is credited in good faith by Franchisee in full or partial satisfaction of the price of the approved products or services offered in connection with the Studio, or (c) the remuneration that Franchisee is entitled to receive in connection with any authorized Bridge Training Programs that are provided to clients pursuant to Section 8(D)(2) of this Agreement.

Over the term of this Agreement, Franchisee will be responsible for (a) maintaining and/or replacing the items comprising the Fitness Equipment and Other FFE Package, and (b) maintaining certain levels of inventory with respect to those items comprising the Proprietary Opening Inventory Kit, as set forth more fully in this Agreement.

B. Franchisee further agrees to install at its expense and use the membership accounting, cost control, point of sale ("POS") and inventory control systems through the supplier Franchisor designates. The designated, or approved, supplier(s) for these services will be updated in the Manuals as changes are

made. Over the term of this Agreement, Franchisee will also be required to pay Franchisor's then-current designated provider for the software program(s) that Franchisor prescribes for use in connection with the Studio and the POS (each, a "Software Fee"), with the parties agreeing and acknowledging that such Software Fees may be modified upon reasonable written notice to Franchisee.

5.5 **Fund Contribution.** Franchisor has established a brand development fund to promote, market and otherwise develop the System, Marks and Franchisor's brand generally (the "Fund"). Franchisee is required to contribute two percent (2%) of the Gross Sales of its Studio to this Fund (the "Fund Contribution"). Franchisee's contribution obligations hereunder will commence once the Studio commences operations. The Fund Contribution will typically be paid in the same manner and at the same interval that the Royalty Fee is collected based on the Gross Sales of the Studio over the immediately preceding reporting period.

5.6 **Technology Fee.** Franchisee must pay Franchisor the System's then-current technology fee (the "Technology Fee") as consideration for certain technology-related services that Franchisor may determine to pay for all or some portion of as part of the System, which may include: (a) website development and hosting, (b) establishing a System-wide intranet or other type of website portal for the System (a "Website Portal") of any kind, (c) proprietary or customized software licensed by Franchisor or its affiliates to assist with the day-to-day operations of the Studio, and/or (d) any other technology that Franchisor determines appropriate, in its discretion, for use in connection with Franchisee's Franchised Business and determines to provide as part of the Technology Fee. Franchisor may modify the Technology Fee upon thirty (30) days' written notice to Franchisee.

5.7 **Training-Related Fees.** As described more fully in this Agreement, Franchisee and certain of its personnel will: (i) be required to attend and complete certain initial training before the Studio can open for operations, as well as certain ongoing training, as described more fully in Section 6 of this Agreement; and (ii) have the right to request that Franchisor provide certain kinds of training or on-site assistance, subject to the availability of Franchisor's training personnel. While certain initial and ongoing training will be provided by Franchisor without charging any kind of tuition or training fee, Franchisee (or its personnel) will be responsible for ensuring Franchisor receives its then-current tuition or training fee, as applicable, in connection with any Bridge Training Program or other training that Franchisor provides hereunder that involves such a fee.

5.8 **Other Amounts Due in Connection with Franchised Business.** Franchisee will also be responsible for timely payment of any other required fees or amounts necessary to purchase ongoing marketing materials, inventory, supplies, software and/or other items from Franchisor, its affiliates or other third-party supplier as described in this Agreement.

5.9 **Electronic Transfer; Right to Modify Collection Interval.**

A. The Royalty Fee, Fund Contribution and any other fees owed to Franchisor or its affiliates, will be automatically debited from Franchisee's point-of-sale operating account administered by the designated supplier of point-of-sale services on a weekly basis throughout the Term, unless Franchisor provides reasonable written notice that Franchisor is modifying the collection interval (*e.g.*, notifying Franchisee that Franchisor will be collecting Royalty Fee, Fund Contribution and other recurring amounts due on a monthly rather than weekly basis, with such monthly fees based on the Gross Sales of the Studio over the preceding calendar month).

B. All amounts due to Franchisor for the purchase of products, services or otherwise are due upon receipt of an invoice from Franchisor. Any payment or report not actually received by Franchisor on or before the due date is overdue.

C. Franchisee agrees to complete and execute an “Electronic Funds Transfer Agreement” (attached as Exhibit 2 to this Agreement) and any other form, including, without limitation, an “Electronic Debit Authorization” (attached as Exhibit 3 to this Agreement) for the purpose of authorizing an electronic debit, and to submit any information required by Franchisor for such authorization.

D. Franchisee is required to use only the POS system provided by the designated supplier and will pay the designated provider directly for all fees associated with the use of the designated provider’s software. 5.10 **Interest and Late Charges.** Amounts due to Franchisor (except interest on unpaid amounts due) not paid when due shall bear interest from the date due until paid at the lesser of one and one-half percent (1.5%) per month, or the highest rate of interest allowed by law. Franchisor may also recover its reasonable attorneys’ fees, costs and other expenses incurred in collecting amounts owed by Franchisee.

I have read Article 5, understand it, and agree to comply with each of its Sections.

6. SITE SELECTION AND TRAINING REQUIREMENTS; FRANCHISOR SERVICES

6.1 **Site Selection and Lease Negotiations.** Although Franchisor will provide the site selection assistance described in Section 1.2 of this Agreement, Franchisee is solely responsible for locating, obtaining and evaluating the suitability and prospects of the Studio location, for the review and negotiation of its lease, and for hiring an attorney or other advisor to review and help negotiate the lease. The Authorized Location must meet Franchisor’s then-current System standards and specifications, as set forth in the Manuals or otherwise in writing by Franchisor. Franchisor reserves the right to charge a reasonable fee for performing any Franchisee-requested on-site evaluation to cover incurred expenses, including, but not limited to, travel, lodging, meals and wages. Franchisor agrees not to unreasonably withhold approval of a site that meets its site criteria.

6.2 **Unit Development.** Franchisor shall consult and advise Franchisee on the proper display of the Marks, layout and design, procurement of fitness and other equipment (such as weights, cardio equipment, heart monitors, mats, etc.), furniture, fixtures, surveillance cameras with audio, initial inventories, recruiting personnel, and managing construction or remodeling of the Studio. After Franchisee has executed a lease for the Authorized Location, Franchisor shall deliver to Franchisee specifications and standards for building, equipment, furnishings, fixtures, surveillance cameras with audio, layout, design and signs relating to the Authorized Location and shall provide reasonable consultation in connection with the development of the Studio. Franchisee’s architect must make any layout, design and specifications provided by Franchisor site-specific. Franchisee agrees to make no changes, alterations or modifications whatsoever to the selected layout and design without obtaining prior written consent from Franchisor.

6.3 **Training Requirements and Remedies.** Franchisee agrees and acknowledges that the following training obligations and requirements must be strictly complied with and adhered to at all times during the Term:

A. *Initial Training Requirements.* Prior to opening the Studio, Franchisee must ensure that: (i) Franchisee (or, if an entity, its Operating Principal) completes the appropriate model of Franchisor’s initial training program that is designed for the owner and operator of the Studio (the “Owner/Operator Module”); (ii) any and all initial instructors that Franchisee wishes to have provide the Approved Services at the Studio successfully complete the Bridge Training Program and related testing, described more fully below, as

required for such instructors to become authorized to provide the fitness training classes and certain other Approved Services at the Studio (each, an “Authorized Instructor”); and (iii) if Franchisee has engaged a Designated Manager as described more fully in Section 8.6 of this Agreement, such Designated Manager has completed the module of Franchisor’s initial training program designed for this kind of manager (the “Designated Manager Module”).

1. Owner and Designated Manager Training. The Owner/Operator Module and Designated Manager Module will typically be provided at one (1) of Franchisor’s corporate training locations located in California, and Franchisee will be responsible for all costs and expenses associated with the attending these modules. Franchisor will provide each of the foregoing modules to one (1) person tuition-free, provided the two (2) individuals attend at the same time prior to the opening of the Studio and subject to the schedules and availability of its training staff. Otherwise, Franchisor reserves the right to charge its then-current training fee (“Training Fee”) to any other individuals that wish to attend these modules.

2. Bridge Training Program for Initial and Subsequent Instructors. In order to provide the Approved Services at the Studio, an instructor must complete the Bridge Training Program and related testing to become an Authorized Instructor. The Bridge Training Program will typically be provided (a) on-site at a Studio that is owned by another franchisee (a “Franchisee Studio”), or (b) one (1) of our affiliates (a “Corporate Studio”). In the event an instructor completes the Bridge Training Program at a Franchisee Studio, then Franchisor reserves the right to have one (1) of its master trainers (each, a “Master Trainer”) review the instructor’s testing results before approving that individual to serve as an Authorized Instructor and provide Approved Services from the Studio. Franchisee, or the instructor at issue, will be required to (a) pay the then-current fee associated with providing the Bridge Training Program (the “ITP Tuition Fee”) for each instructor that attends the same, and (b) cover the related costs and expenses associated with attending and completing the Bridge Training Program at a Studio that is authorized to provide the Bridge Training Program (as described more fully in Section 8.4(D) of this Agreement). Franchisor recommends that at least one (1) of the initial instructors at the Studio attend the Bridge Training Program around the same time that the Owner/Operator Module is completed by Franchisee. Any and all individuals that wish to attend the Bridge Training Program must execute a prescribed form of agreement wherein that individual agrees to: (i) not disclose or use the confidential or proprietary portions of the Bridge Training Program for any competitive purpose during and after that individual’s employment with Franchisee; and (ii) not to solicit existing or prospective customers of the Franchisee’s Studio during their employ or engagement with Franchisee and for a period of two (2) years thereafter.

3. Remote Instruction. Franchisor has the right to provide, and require that Franchisee or other required trainee participate in and complete, portions of the training described in this Section that are provided remotely via the Internet or similar learning management system that permits the Franchisor to determine whether Franchisee and/or other required trainee is actively participating in the webinar or other instruction at issue.

4. Remedies for Non-Compliance. If any of the individuals described in this Section fail to successfully complete the applicable training required by this Section before the time Franchisee is required to open the Studio hereunder, Franchisor may terminate this Agreement upon written notice to Franchisee. In the event Franchisee permits (a) anyone other than an Authorized Instructor to provide the Approved Services from the Studio, or (b) the Studio to be open and operating without an Authorized Instructor on-site at the Studio, Franchisor may default Franchisee as set forth in Section 15.1 of this Agreement. Franchisor, as part of its right to inspect and audit the operations of the Franchised Business on an ongoing basis, may require that Franchisee demonstrate that all required personnel have participated in and successfully completed the Bridge Training Program. If Franchisee fails to comply, Franchisor reserves the right to charge Franchisee its then-current penalty fee (“Penalty Fee”) for each day that Franchisee permits

anyone other than an Authorized Instructor to provide any Approved Services or related instruction in connection with the Studio.

B. *Discretionary On-Site Assistance.* Around the time the Studio is opening, Franchisor may send one (1) or more representatives to the Studio to (i) provide assistance and recommendations regarding the opening and initial operations of the Studio, and/or (ii) provide additional or refresher training associated with the Owner/Operator Module and/or the Bridge Training Program, all as Franchisor determines appropriate in its discretion (collectively, the “Discretionary On-Site Assistance”). In the event Franchisor notifies Franchisee that it will be providing the Discretionary On-Site Assistance, such assistance typically lasts one (1) to two (2) days and Franchisee must ensure that Franchisee (or its Operating Principal), all management personnel and Authorized Instructors are in attendance at the Studio during those days. In the event this assistance is provided, Franchisee may be required by Franchisor to cover all costs/expenses that Franchisor incurs in connection with sending its support personnel to provide this on-site assistance at Franchisee’s Studio.

C. *Ongoing/Refresher Training.* Franchisor may provide, and require that Franchisee, as well as any of its management personnel attend, up to five (5) days of additional training each year at a training facility that Franchisor designates (without charging Franchisee any Training Fee as described in Section 5.7 of this Agreement). Franchisee may also request that Franchisor provide certain additional or refresher training to Franchisee, either at one (1) of Franchisor’s designated training facilities or on-site at Franchisee’s Studio, but Franchisor reserves the right to charge Franchisee its then-current Training Fee based in connection with any training that Franchisor provides at Franchisee’s request. Such training will be provided subject to the availability and schedules of Franchisor’s training personnel.

D. *Remedial Training.* If Franchisor determines that Franchisee is operating the Franchised Business in a manner that is not consistent with the terms of this Agreement or the Manuals, or if Franchisee is otherwise in material default of this Agreement, Franchisor may also require that Franchisee, its Designated Manager (if applicable) and/or certain Authorized Instructors of the Studio attend and complete up to five (5) additional days of training at (a) Franchisor’s designated training facility, (b) the Studio, or (c) other location Franchisor designates, that is designed to address the default or other non-compliance issue (the “Remedial Training”). Franchisor may require Franchisee and its designated trainees to pay Franchisor its then-current Training Fee in connection with attending Remedial Training.

E. *Master Training.* In the event Franchisee wishes to have one (1) of the Studio’s Authorized Instructors provide the Bridge Training Program at the Studio to instructors as part of the Approved Services, as described more fully in Section 8.4(D) of this Agreement, then that Authorized Instructor must attend and complete an additional training course provided by Franchisor’s master trainer designed to provide the Authorized Instructor with additional instruction necessary for that individual to become a master trainer that can provide the Bridge Training Program (each, a “Master Trainer”). Franchisor is not obligated to approve any Franchisee request to send a given Authorized Instructor to master training, and Franchisee must: (i) not be in default of any provision of this Agreement as a condition to Franchisor’s approval of such a request; and (ii) pay Franchisor its then-current Training Fee in connection with any master training provided under this Section.

F. *Costs and Expenses.* Franchisee will be responsible for the costs and expenses associated with Franchisee and its personnel attending and completing all of the training described in this Section, including without limitation, any costs related to travel, lodging, meals and (if appropriate) wages/compensation for personnel.

6.4 **Operations Manual.** Franchisor will grant Franchisee online access to an electronic version of the Manual during the term of this Agreement. The Manual is anticipated to codify existing mandatory and

suggested specifications, standards and operating procedures currently prescribed by Franchisor. Franchisee acknowledges that Franchisor may from time to time revise its Systems as well as the contents of the Manual, and Franchisee agrees to comply with each new or changed standard and specification upon notice from Franchisor. The Manual shall remain the sole property of Franchisor and shall be kept confidential by Franchisee both during the Term of this Agreement and subsequent to the termination, expiration, or non-renewal of this Agreement. If Franchisee, intentionally or otherwise through its gross negligence, compromises the secure access to the online version of the Manual (or any hard copy of the Manual), including, but not limited to, allowing unauthorized users access to the Manual and its confidential contents, Franchisee will be required to pay Franchisor liquidated damages in the amount of \$10,000, to compensate Franchisor for the breach and related damage to the System.

6.5 **Continuing Services.** Franchisor shall provide such continuing advisory assistance and information to Franchisee in the development and operation of the Studio as Franchisor deems advisable in its discretion. Such assistance may be provided, in Franchisor’s discretion, by Franchisor’s directives, System bulletins, meetings and seminars, telephone, computer, e-mail, fax, personal visits, newsletters or manuals.

6.6 **Approved Lists.** Franchisor shall provide and from time to time, add to, alter or delete, at Franchisor’s discretion, lists of specifications, approved distributors and suppliers, approved services and products, including, but not limited to, fitness equipment and gear, and other materials and supplies used in the operation of the Studio. Franchisor, or an affiliate of Franchisor, may be a designated or approved supplier of certain equipment, gear, merchandise, apparel and supplies.

6.7 **Pricing.** BFT has developed an image that is based in part on affordable prices for fitness services offered by the System. To promote a consistent consumer experience, and to maximize the value of the products and services Studios offer, Franchisor may require fixed minimum prices for any products or services offered by the System and Franchisee. Franchisee is obligated to use the pricing required by Franchisor, unless Franchisor consents to changes in local pricing offered by Franchisee in order to (i) allow Franchisee to respond to unique, local, marketing conditions, competition, or expenses; or (ii) comply with changes or interpretations in state or federal anti-trust laws. Consistent with state or federal law, Franchisor reserves the right to change or eliminate its pricing program in the future, or to move from a required to recommended pricing structure.

6.8 **Fund.** As detailed in Section 9.1 of this Agreement, the Fund is maintained and administered by Franchisor with, if established, the assistance of the marketing fund committee (“MFC”) to meet the costs of conducting regional and national advertising and promotional activities (including the cost of advertising campaigns, test marketing, marketing surveys, public relations activities and marketing materials) which Franchisor and the MFC deem beneficial to the System.

6.9 **Grand Opening Advertising Assistance.** Franchisor will, as it deems appropriate in its discretion, consult and advise Franchisee on the advertising, marketing and promotion for the grand opening of the Studio.

I have read Article 6, understand it, and agree to comply with each of its Sections.

7. FACILITY STANDARDS, LEASE AND CONSTRUCTION

7.1 **Facility Specifications.** Franchisee’s Studio shall meet the following conditions:

The Studio shall be laid out, designed, constructed or improved, equipped and furnished in accordance with Franchisor's standards and specifications. Equipment, furnishings, fixtures, surveillance cameras with audio, I and signs for the Studio shall be purchased from suppliers approved or designated by Franchisor. Franchisee may remodel or alter the Studio, or change its equipment, furniture or fixtures, only with Franchisor's consent. Franchisee must obtain necessary permits, licenses and other legal or architectural requirements. The Studio shall contain or display only signage that has been specifically approved or designed by Franchisor.

The Studio and all fitness equipment shall be maintained in accordance with standards and specifications established by Franchisor or prescribed after inspection of the Studio. Franchisee shall promptly repair or replace defective or obsolete equipment, signage, fixtures or any other item of the interior or exterior that is in need of repair, refurbishing or redecorating in accordance with such standards established (and updated from time to time) by Franchisor or as may be required by Franchisee's lease.

Franchisee recognizes that the System will evolve. The fitness industry must respond to new fads, new forms of exercise, new equipment and new training techniques. The BFT System must change to meet customer demands. Franchisee further understands that fitness equipment and other equipment wears out, breaks down, or becomes obsolete. Consequently, from time to time, as Franchisor requires, Franchisee must modernize and/or replace items of the Trade Dress or Studio equipment as may be necessary for the Studio to conform to the standards for new Studios. Further, Franchisee will be required to thoroughly modernize or remodel the Studio when requested by Franchisor, but no more than once every 5 years. This may include replacing fitness equipment and gear, and other updates and improvements. Franchisee acknowledges that this obligation could result in Franchisee making extensive structural changes to, and significantly remodeling and renovating the Studio, and Franchisee agrees to incur, without limitation, any capital expenditures required in order to comply with this obligation and Franchisor's requirements. Within 60 days after receiving written notice from Franchisor, Franchisee shall have plans prepared according to the standards and specifications that Franchisor prescribes and Franchisee must submit those plans to Franchisor for its approval. Franchisee agrees to complete all work according to the plans that Franchisor approves within the time period that Franchisor reasonably specifies and in accordance with this Agreement. Franchisor, or its Affiliate, will hold themselves, and the Studios they operate (if any) to the same high standard, and same frequency for replacement and renovation as is expected of Franchisee.

The Studio shall contain signage prominently identifying Franchisee by name as an independently owned and operated franchisee of Franchisor.

The Studio must have a surveillance camera with audio purchased from a designated approved supplier installed at the Studio. The camera(s) must be web accessible. The camera(s) will be used by Franchisee to monitor teacher performance, quality assurance and safety. Franchisor has an absolute right to also review and monitor the camera(s) for the same purposes as Franchisee, and to ensure compliance with the System. Franchisee is responsible for ensuring customer consent and for any failure to obtain such consent. Franchisee agrees to indemnify Franchisor for any breaches of privacy from Franchisee's use of any surveillance camera.

7.2 **Lease.** Franchisee is solely responsible for purchasing or leasing a suitable site for the Studio. Franchisee must utilize one of the designated retail real estate attorneys listed in the Manual, or otherwise communicated to Franchisee, to review and negotiate the lease for the Studio. Franchisee must submit the lease for the Studio to Franchisor for its written consent before Franchisee executes the lease for the Authorized Location. Franchisor will not withhold consent arbitrarily; however, any lease must contain substantially the following provisions: (1) "The leased premises will be used only for the operation of a BFT Franchise;" (2) "The employees of Franchisor will have the right to enter the leased premises to make

any modifications necessary to protect the System and proprietary marks thereof;” (3) “Lessee agrees that Lessor may, upon request of Franchisor disclose to said Franchisor all reports, information or data in Lessor’s possession with respect to sales made in, upon or from the leased premises;” and (4) a conditional assignment clause to be contained in a lease rider in a form approved by Franchisor, which shall provide that Franchisor (or its designee) may, upon termination, expiration, non-renewal or proposed assignment of this Agreement, at Franchisor’s sole option, take an assignment of Franchisee’s interest thereunder, without the consent of the Lessor or property owner, without liability for accrued obligations, payment of additional consideration or increase in rent, and at any time thereafter, reassign the lease to a new franchisee. Franchisor’s execution of this Agreement is conditioned upon the above-referenced lease addendum in the form attached hereto, as Exhibit 5 (“Lease Addendum”), which shall be signed by Franchisee and attached and made part of the lease for the Studio. Franchisee acknowledges that it has been advised to have any lease reviewed by Franchisee’s own legal counsel.

7.3 **Unit Development.** Franchisee agrees that after obtaining possession of the Authorized Location, Franchisee will promptly, at Franchisee’s sole expense:

7.3.1 Obtain any standard plans and/or specifications from Franchisor;

7.3.2 Employ a qualified licensed architect, as required by state or local codes, to prepare all drawings, designs, plans and specifications for the Studio, and submit same to Franchisor for review and approval prior to commencing construction;

7.3.3 Complete the construction or remodeling of the Studio in full and strict compliance with plans and specifications approved by Franchisor, and in compliance with all applicable ordinances, building codes and permit requirements;

7.3.4 Purchase or lease, in accordance with Franchisor’s standards and specifications, all fitness equipment, fixtures, inventory, supplies and signs required for the Studio;

7.3.5 Hire and train the initial operating personnel according to Franchisor’s standards and specifications; and

7.3.6 Complete development of and have the Studio open for business not later than six (6) months after the date that Franchisor accepts this Agreement.

7.4 **Franchisee’s Responsibility.** Although Franchisor may provide Franchisee with various standard or sample plans and specifications with respect to constructing and equipping the Studio, it is Franchisee’s sole responsibility to construct and equip the Studio in compliance with all applicable federal, state and local laws and regulations, including, without limitation, all building codes, fire and safety codes, environmental laws, Occupational Safety and Health Administration laws, health laws, sanitation laws, Americans with Disabilities Act, and all other requirements that may be prescribed by any federal, state or local governmental agency. . Franchisee is also solely responsible for ensuring that Franchisee and the Franchised Business comply with all music licensing laws in connection with any music that Franchisee and/or any staff at the Studio determines to play at the Studio. Franchisee further acknowledges and agrees that Franchisee is, and will continue to be at all times during the Term, solely responsible for all employment decisions and to comply with all state, federal, and local hiring laws and functions of the Studio, including without limitation, those related to hiring, firing, training, wage and hour requirements, compensation, promotion, record-keeping, supervision, and discipline of employees, paid or unpaid, full or part-time.

I have read Article 7, understand it, and agree to comply with each of its sub-sections.

8. STUDIO IMAGE AND OPERATING STANDARDS

8.1 **Compliance.** Franchisee acknowledges and agrees that every detail regarding the appearance and operation of the Studio is important to Franchisor, Franchisee, the System and other BFT franchisees in order to maintain high and uniform operating standards, to increase demand for the classes sold by all franchisees, and to protect Franchisor's reputation and goodwill, and, accordingly, Franchisee agrees to comply strictly at all times with the requirements of this Agreement and Franchisor's standards and specifications (whether contained in the Manual or any other written or oral communication to Franchisee by Franchisor) relating to the appearance or operation of the Studio. Franchisee acknowledges that other Studios may operate under different forms of agreement with Franchisor, and that the rights and obligations of the parties to other agreements may differ from those hereunder.

8.2 **Franchisor's Right to Inspection.** To determine whether Franchisee is complying with this Agreement and Franchisor's standards and specifications, Franchisor reserves the right to supervise, determine and approve the standards of appearance, quality and service pertinent to the Studio including, without limitation, the right at any reasonable time and without prior notice to Franchisee to: (1) inspect and examine the business premises, fitness equipment, facilities and operation of the Studio in person or by web accessible surveillance cameras with audio, which are required to be installed in each classroom in the Studio; (2) interview Franchisee and Franchisee's employees, including any independent contractors; (3) interview Franchisee's members and customers, suppliers and any other person with whom Franchisee does business; (4) confer with members and staff of government agencies with authority over Franchisee about matters relevant to the Studio; and (5) use "mystery shoppers," who may pose as customers and evaluate Franchisee and Franchisee's operations.

8.3 **Personnel.** Franchisee agrees to employ in the operation of the Studio only persons of high character and ability who maintain and exhibit traits of enthusiasm, cleanliness, neatness, friendliness, honesty and loyalty, it being recognized by Franchisee that such persons are necessary in order to promote and maintain customer satisfaction and the goodwill of the System. Franchisee agrees to staff the Studio at all times with a sufficient number of qualified, competent personnel who have been trained in accordance with Franchisor's standards. Franchisee shall be considered the employer of all employees and independent contractors of the Studio. It is the sole responsibility of Franchisee to hire, discipline, discharge and establish wages, hours, benefits, employment policies and other terms and conditions of employment for its employees and independent contractors. Franchisee is responsible for obtaining its own independent legal advice regarding the employment of employees and independent contractors, and complying with any and all applicable laws pertaining thereto. Franchisor shall have no responsibility for the terms and conditions of Franchisee's relationship with Franchisee's employees and/or independent contractors. Franchisee shall engage in no discriminatory employment practices and shall in every way comply with all applicable laws, rules and regulations of federal, state and local governmental agencies, including, without limitation, all wage-hour, civil rights, immigration, employee safety and related employment and payroll related laws. Franchisee shall make all necessary filings with, and pay all taxes and fees due to, the Internal Revenue Service and all other federal, state and local governmental agencies or entities to which filings and payments are required. Franchisee acknowledges that nothing in this Section or Agreement shall, or may be construed to, create any type of employer or joint employer relationship between (a) Franchisee or any of Franchisee's personnel, and (b) Franchisor in any matter.

8.4 **Products and Services to be Offered for Sale.**

A. *Approved Services and Approved Products Generally.* Franchisee acknowledges that the presentation of a uniform image to the public and the offering of uniform services and products is an essential element of a successful franchise system. In order to insure consistency, quality and uniformity throughout the System, Franchisee agrees (1) to sell or offer for sale only the services or products that have been expressly approved for sale by Franchisor; (2) to sell or offer for sale all services and products required by Franchisor; (3) not to deviate from Franchisor's standards and specifications; and (4) to discontinue selling and offering for sale any services or products that Franchisor may, in its discretion, disapprove at any time. Franchisor shall supply Franchisee with a list of suppliers from which Franchisee is required to purchase fitness equipment, products or services for the Studio. Franchisor may change this list from time to time, and upon notification to Franchisee, Franchisee shall only purchase fitness equipment, products or services from approved suppliers as specified on the changed list. Franchisor, or an affiliate of Franchisor, may be a designated or approved supplier of certain equipment, gear, merchandise, apparel and supplies. Franchisee agrees to keep the Studio and fitness equipment in clean condition, with all equipment well-maintained and operational, and be able at all times during business hours to provide members with all services and products specified by Franchisor.

B. *Required Use of Approved Suppliers.* Franchisee agrees that all exercise equipment must be purchased exclusively from approved suppliers, must be maintained according to manufacturer or Franchisor specifications, as applicable. Franchisee acknowledges and agrees that Franchisor is (or may at any time in future become) an approved or designated supplier for fitness equipment, other equipment, products, logo items, signage and artwork, that Franchisor may derive income from the sale of such items, and that the price charged by Franchisor may reflect a profit.

C. *No Deviation or Supplement with Regards to Approved Services and/or Related Methodology.* Franchisee and any Authorized Instructors must provide all System-associated classes and other Approved Services in strict accordance with the standards and specifications and methodologies set forth in the Manual and in other training materials provided by Franchisor. Franchisee agrees not to add any exercises, choreography, or positions that are not approved by Franchisor, and Franchisee agrees not to leave out any exercises, choreography, or positions that are required by Franchisor.

D. *Franchisor Approval of Master Trainer and Provision of Bridge Training Program as Part of the Approved Services at the Studio.* The parties agree and acknowledge that Franchisee may not offer or provide the Bridge Training Program at the Studio or otherwise, unless and until: (i) Franchisor approves an Authorized Instructor to attend and complete the master training program described in Section 6.3(E) of this Agreement; (ii) Franchisee or the Authorized Instructor at issue pays Franchisor the required Training Fee associated with the training; that Authorized Instructor completes the foregoing program and is approved as a Master Trainer; and (iii) Franchisor provides written notice to that System franchisee at issue that the Master Trainer can provide the Bridge Training Program at one (1) or more System Studio(s) (the "ITP Supplemental Service Conditions"). In the event the ITP Supplemental Service Conditions are satisfied, only the Master Trainer(s) that have satisfied the conditions may provide the Bridge Training Program at System Studio(s), subject to the following terms:

1. Franchisee (and any other System franchisee that employs or otherwise supplies the Master Trainer) must ensure that its Master Trainer provides the Bridge Training Program in strict accordance with System standards and specifications, as well as the materials that Franchisor provides for use in connection with the provision of the Bridge Training Program (the "ITP Materials");

2. With regards to each client that enrolls to take the Bridge Training Program at the Studio, Franchisee agrees and acknowledges that: (i) Franchisor will receive the full then-current ITP

Training Fee associated with providing the Program to that client from the client directly via online scheduling/payment or other method Franchisor designates; (ii) unless Franchisor agrees otherwise in a separate writing, Franchisee may not accept any ITP Training Fee; and (iii) Franchisor will be entitled to its then-current portion of the ITP Training Fee as consideration for the intellectual property and ITP Materials associated with the Program before remitting the balance of the ITP Training Fee to the System franchisee that employs or is otherwise supplying the Master Trainer that is providing the Program; and

3. Any revenue generated by Franchisee in connection with the provision of the Bridge Training Program by a Master Trainer that Franchisee employs or otherwise contracts with directly to provide such Program will not be accounted for in the definition of “Gross Sales” of the Studio for purposes of calculating the Royalties or Fund Contribution due to Franchisor hereunder, and will be accounted for separate and apart from all other Gross Sales of the Studio in required financial reporting under this Agreement.

E. *Non-Approved Services, Products or Suppliers.* If Franchisee proposes to offer for sale any other products, classes or services that have not been approved by Franchisor, Franchisee shall first notify Franchisor in writing and submit sufficient information, specifications and samples concerning such product, classes and/or supplier and/or service for a determination by the Franchisor whether such product, classes or supplier of service complies with the Franchisor’s specifications and standards and/or whether such supplier meets the Franchisor’s approved supplier criteria. Franchisor shall, within ninety (90) days, notify Franchisee in writing whether or not such proposed product, class and/or supplier or service is approved, as determined in Franchisor’s discretion. Franchisor reserves the right to charge Franchisee reasonable costs in connection with Franchisor’s review, evaluation and approval of alternative suppliers. These charges may include reimbursement for travel, accommodations, meal expenses, and personnel wages. Franchisor may from time to time prescribe procedures for the submission of requests for approved products and/or suppliers or services and obligations that approved suppliers must assume (which may be incorporated in a written agreement to be executed by approved suppliers). Franchisor reserves the right to revoke its approval of a previously authorized supplier, product, class or service when Franchisor determines in its discretion that such supplier, product, class or service is not meeting the specifications and standards established by Franchisor. If Franchisor modifies its list of approved products, classes and/or suppliers and/or services, Franchisee shall not, after receipt in writing of such modification, reorder any product or utilize any supplier, product, class or service that is no longer approved.

F. *Franchisor Rights.* Franchisee acknowledges and agrees that Franchisor may sell products and services to members located anywhere, even if such products and services are similar to what Franchisor sells to Franchisee and what Franchisee offers at the Studio. Franchisor may use the internet or alternative channels of commerce to sell BFT brand products and services. Franchisee may only sell the products and services from the Studio’s approved location, and may only use the internet or alternative channels of commerce to offer or sell the products and services, as permitted by Franchisor, in order to register members for classes. Nothing in the foregoing shall prohibit Franchisee from obtaining members over the Internet provided Franchisee’s internet presence and content comply with the requirements of this Agreement.

G. *Advertising Outside Designated Territory.* Unless Franchisor agrees otherwise, Franchisee may not actively solicit potential members or customers, or otherwise promote the Franchised Business through any targeted advertising/marketing, outside of the Designated Territory. Nothing in this Agreement, however, shall prohibit Franchisee from servicing members and other customers that contact Franchisee or the Studio, regardless of where those members/customers reside or work.

H. *No Unauthorized Sales of Certain Items.* Unless Franchisor directs or agrees otherwise in writing, Franchisee agrees not to sell vitamins, supplements or other nutritional products or food items, including bottled water, at the Studio.

I. *Penalty Fee.* Franchisor reserves the right to charge its then-current per day Penalty Fee for each day Franchisee offers or sells unauthorized products or services from the Studio, including in connection with the offer or provision of the Bridge Training Program in a manner that is not consistent with this Agreement.

8.5 **Compliance with Laws.** Franchisee agrees to comply with all federal, state and local laws, rules, and regulations and shall as soon as practicable, but in any event prior to the opening for business of the Studio, obtain all municipal and state permits, certificates or licenses necessary to operate the Studio and shall file and publish, if required by applicable law, a certificate of doing business (whether under a fictitious name or otherwise). Franchisee acknowledges and agrees that it has the sole responsibility to investigate and comply with any applicable laws in the state where the Studio is located that are specific to the operation of a health/fitness studio. For example, some states require that health/fitness facilities have a staff person available during all hours of operation that is certified in basic cardiopulmonary resuscitation or other specialized medical training. Some state or local laws may also require that health/fitness facilities have an automated external defibrillator and/or other first aid equipment on the premises. Franchisee shall operate and maintain the Studio in strict compliance with all employment laws, building codes, fire and safety codes, environmental laws, Occupational Safety and Health Administration laws, health and safety laws, sanitation laws, Americans with Disabilities Act and any other requirements that may be prescribed by any federal, state or local governmental agency. Franchisee agrees to immediately provide Franchisor with a copy of any notice received by Franchisee from any state, local or governmental agency pertaining to compliance with any codes or requirements, or the failure to comply with any codes or requirements, at the Studio. Franchisee hereby certifies and represents that Franchisee, and any of its affiliates, any of its partners, members, shareholders or other equity owners, and their respective employees, officers, directors representatives or agents, are not acting, directly or indirectly, for or on behalf of any person, group, entity or nation named by any Executive Order or the United States Treasury Department as a terrorist, “Specially Designated National and Blocked Person,” or other banned or blocked person, entity, nation or transaction pursuant to any law, order, rule or regulation that is enforced or administered by the Office of Foreign Assets Control. Franchisee hereby agrees to defend, indemnify and hold harmless Franchisor from and against any and all claims, damages, losses, risks, liabilities and expenses (including attorneys’ fees and costs) arising from or related to any breach of the certifications set forth in this paragraph.

8.6 **Operational Efforts.** Franchisee may appoint a Designated Manager to assist in the direct, day-to-day, supervision of the operations of the Studio, provided that Designated Manager successfully completes the Designated Manager Training Program prior to commencing any management responsibilities at the Studio. Franchisee agrees to keep Franchisor advised, in writing, of any manager and all teachers involved in the operation of the franchised business and their contact information. Franchisee agrees to keep the Studio open for the hours stated in the Manual and as deemed appropriate by Franchisor. If Franchisee does not have a Designated Manager, then Franchisee (or its Operating Principal, as applicable) must be on-site at the Studio during normal business hours to manage day to day operations.

8.7 **Good Standing.** Franchisee will be considered in “Good Standing” if Franchisee is not in default of any obligation to Franchisor or any of Franchisor’s affiliates, whether arising under this Agreement or any other agreement between Franchisee and Franchisor (or any of Franchisor’s affiliates), the Manual or other System requirements.

8.8 **Performance Standards.** Franchisee and Franchisor have a shared interest in the Studio performing at or above the System Standards. Franchisor would not have entered into this franchise relationship if Franchisor had anticipated that Franchisee would not meet these Performance Standards.

A. *System Standards.* Franchisor may choose, in its sole discretion, to evaluate the Studio for compliance with the System Standards using various methods (including, but not limited to, inspections, field service visits, surveillance camera monitoring, member comments/surveys, and secret shopper reports.) Franchisee must meet minimum standards for cleanliness, equipment condition, repair and function, and customer service. Franchisee's employees, including any independent contractors, must meet minimum standards for courteousness and customer service.

B. *Minimum Monthly Gross Revenue Quota.* Unless waived by Franchisor due to unique market conditions, Franchisee must meet a certain Minimum Monthly Gross Revenue Quota. If Franchisee fails to achieve and maintain average monthly gross revenues of \$30,000 by the 1st year anniversary of the opening of the Studio and average monthly gross revenues of \$40,000 by the end of the 2nd year anniversary and each succeeding year thereafter, then Franchisor may institute a corrective training program and/or require Franchisee to perform additional local marketing. If Franchisee fails to meet the Minimum Monthly Gross Revenue Quota for 36 consecutive months at any time during the Term of this Agreement, Franchisor, at its sole discretion, may institute a mandatory corrective training program or terminate this Agreement upon written notice to Franchisee.

9. ADVERTISING AND MARKETING

9.1 **Fund.**

A. Franchisee is required to pay the appropriate Fund Contribution to Franchisor as described in Section 5.5 of this Agreement. In the event Franchisor increases the Fund Contribution from what it is as of the date this Agreement is signed, Franchisor will provide at least 60 days' written notice of such increase in the Fund Contribution.

B. The Fund is administered by Franchisor as it deems appropriate in its discretion. Franchisor may establish a committee to serve in an advisory capacity only with respect to providing guidance and advice on Fund-related matters (the "MFC"), but Franchisor is under no obligation to do so. In the event an MFC is established in connection with the Fund, it will serve in an advisory capacity only, and will have no management, control or decision-making authority in connection with the Fund. Franchisor will determine how best to structure and administer the Fund in its discretion, and Franchisor will have the right to dissolve any MFC it might have previously established upon 30 days' written notice to Franchisee. The Fund is maintained and operated by Franchisor, as it deems appropriate in its discretion, to meet the costs of conducting regional and national advertising, promotional, marketing activities, as well as related technology and other brand development activities, that are deemed most beneficial to the System.

C. Franchisor has complete control and discretion over how to administer the Fund and Fund Contributions to determine the advertising, marketing and public relations programs and activities financed by the Fund, including the creative concepts, materials and endorsements used and the geographic market, media placement and allocation. Franchisee agrees that the Fund may be used to pay the costs of preparing and producing associated materials and programs as Franchisor may determine, including the use of social media; video, audio and written advertising materials employing advertising agencies; sponsorship of sporting, charitable or similar events; administering regional, national and multi-regional advertising programs including purchasing direct mail and other media advertising, website development/operation and to pay Internet, Intranet, URL, (800) or similar number, and other charges, fees and/or expenses, including

employing advertising agencies to assist with marketing efforts; and supporting public relations, market research and other advertising, promotional and marketing activities. A brief statement regarding the availability of BFT franchises and details about the franchise offering may be included in advertising and other items produced using the Fund.

D. Franchisor may spend in any calendar year more or less than the total Advertising Contributions to the Fund in that year. Franchisor may cause the Fund to invest any surplus for future use by the Fund. Franchisor may borrow from Franchisor or other lenders on behalf of the Fund to cover deficits of the Fund.

E. Franchisor and/or any Franchisor-Related Persons/Entities can provide goods, services, materials, etc. (including administrative services and/or “in-house advertising agency” services) and be compensated and/or reimbursed for the same by the Fund, provided that any such compensation must be reasonable in amount. Franchisor can arrange for goods, services, materials, etc. (including administrative services) to be provided by independent persons/companies and all related costs, fees, etc. will be paid by the Fund.

F. The Fund is accounted for separately from Franchisor’s other funds and Franchisor will not use the Fund for its general operating expenses. All taxes of any kind incurred in connection with or related to the Fund, its activities, contributions to the Fund and/or any other Fund aspect, whether imposed on Franchisor, the Fund or any other related party, will be the sole responsibility of the Fund. Franchisor will not be required to audit the Fund, but will provide an annual accounting of the Fund at the written request of Franchisee that is made 120 days after the fiscal year at issue. All interest earned on monies contributed to, or held in, the Fund will be remitted to the Fund and will be subject to the restrictions of the relevant Franchise Agreement(s).

G. Franchisee agrees and acknowledges that the Fund Contributions are intended to maximize general public recognition of and the acceptance of the Intellectual Property for the benefit of the System as a whole. Notwithstanding the foregoing, Franchisor undertakes no obligation, in administering the Fund Contributions to make expenditures for Franchisee that are equivalent or proportionate to Franchisee’s contribution, or to insure that any particular BFT business benefits directly or *pro rata* from advertising or promotion conducted with the Fund Contributions.

H. Franchisor maintains the right to terminate the collection and disbursement of the Fund Contributions and the Fund. Upon termination, Franchisor will disburse the remaining funds for the purposes authorized under this Agreement.

I. In the event Franchisor or any Affiliate of Franchisor owns and operates a Studio utilizing the System, such Studio(s) will contribute to the Fund on the same basis that franchised Studios in the System are required to contribute.

9.2 **Grand Opening Advertising; Local Marketing Activities.**

A. Franchisee must spend a minimum of Fifteen Thousand Dollars (\$15,000) in connection with the grand opening and initial launch marketing of the Studio around the time the Studio opens, as reasonably directed by Franchisor (the “Grand Opening Advertising Spend”). Franchisor may also require that Franchisee expend all or any portion of the Grand Opening Advertising Spend on initial marketing/advertising and/or public relations materials or services that are purchased from an Approved Supplier.

B. Franchisee is responsible for local advertising and marketing activities to attract members to the Studio. Franchisee must expend at least \$1,500 per month on approved local advertising and marketing activities designed to promote the Studio within the Designated Territory. Upon Franchisor’s written request, Franchisee must provide Franchisor with an accounting of all expenditures made by Franchisee to comply with this Section, along with any invoices or other documentation to support such expenditures.

C. Franchisee’s advertising will be in good taste and conform to ethical and legal standards and our requirements. Franchisor may require Franchisee to submit samples of all advertising and promotional materials (and any use of the Marks and/or other forms of commercial identification) for any media, including the Internet, World Wide Web or otherwise. Franchisor retains the right to approve or disapprove of such advertising, in its sole discretion. Franchisee agrees not to use any materials or programs disapproved by Franchisor.

D. Franchisor must approve any form of co-branding, or advertising with other brands, products or services, in writing, in advance.

9.3 **Social Media Activities.** As used in this Agreement, the term “Social Media” is defined as a network of services, including, but not limited to, blogs, microblogs, and social networking sites (such as Facebook®, LinkedIn® and MySpace®), video-sharing and photo-sharing sites (such as YouTube and Flickr), review sites (such as Yelp® and Urbanspoon®), marketplace sites (such as eBay® and Craigslist®), Wikis, chat rooms and virtual worlds, that allows participants to communicate online and form communities around shared interests and experiences. While it can be a very effective tool for building brand awareness, it can also be devastating to a brand if used improperly. Therefore, Franchisee must strictly follow the Social Media guidelines, code of conduct, and etiquette as set forth in the Manual. Any use of Social Media by Franchisee pertaining to the Studio must be in good taste and not linked to controversial, unethical, immoral, illegal or inappropriate content. Franchisor reserves the right to "occupy" any Social Media websites/pages and be the sole provider of information regarding the Studio on such websites/pages (e.g., a system-wide Facebook page). At Franchisor’s request, Franchisee will promptly modify or remove any online communication pertaining to the Studio that does not comply with this Agreement or the Manual.

9.4 **Franchisee Marketing Group(s) (“Co-Ops”).** Franchisor may decide to form one or more associations and/or sub-associations of Studios to conduct various marketing-related activities on a cooperative basis (a “Co-Op”). If one or more Co-Ops (local, regional and/or national) are formed covering Franchisee’s area, then Franchisee must join and actively participate. Each Studio will be entitled to one (1) vote, but in order to vote the Studio must be in Good Standing. Franchisee may be required to contribute such amounts as are determined from time to time by such Co-Ops.

10. FINANCIAL REPORTS, AUDITS, COMPUTER SYSTEM AND INSURANCE REQUIREMENTS

10.1 **Records and Reports.** Franchisee shall maintain and preserve for four (4) years or such period as may be required by law (whichever is greater) from the date of their preparation such financial information relating to the Studio as Franchisor may periodically require, including without limitation, Franchisee’s sales and use tax returns, register tapes and reports, sales reports, purchase records, and full, complete and

accurate books, records and accounts prepared in accordance with generally accepted accounting principles and in the form and manner prescribed by Franchisor. Franchisee agrees that its financial records shall be accurate and up-to-date at all times. Franchisee agrees to promptly furnish any and all financial information, including tax records and returns, relating to the Studio to Franchisor on request.

Such review will take place at the Studio or Franchisee's head office (if different), or both, and Franchisee agrees to provide all information pertaining to the Studio requested by Franchisor during its review. If the review is done because of a failure by Franchisee to furnish reports, supporting records or other required information or to furnish the reports and information on a timely basis, Franchisee shall reimburse Franchisor for all costs of the audit or review including, without limitation, travel, lodging, wage expense and reasonable accounting and legal expense. The foregoing remedies shall be in addition to any other remedies Franchisor may have under this Agreement or applicable law.

10.3 **Computer System and Software.** Franchisee must acquire a computer for use in the operation of the Studio. Franchisee agrees to record all of its receipts, expenses, invoices, member lists, class and employee schedules and other business information promptly in the computer system and use the software that Franchisor specifies or otherwise approves. Franchisor reserves the right to change the computer system, and the accounting, business operations, customer service and other software at any time. Data, including names, addresses, contact information, and credit card or payment information of members of the Studio will be captured on the required software, and will become the joint property of Franchisee and Franchisor during the Term of this Agreement. Franchisee will provide Franchisor with any passwords necessary to access the business information for the Studio that is stored on the required software and online. Franchisor may use such information to communicate directly to the members of the Studio, and to provide updates, information, newsletters, and special offers to the members. Franchisee must upgrade and maintain the computer system and software in the Studio, as required by Franchisor from time to time, and pay any fees associated with such upgrades. Upon expiration or termination of this Agreement, Franchisee shall have no further access or rights to the member information and Franchisor shall be the sole owner of such information.

10.4 **Insurance.**

Within sixty (60) days of receipt of notice from Franchisor, Franchisee agrees to revise its coverage, as specified in any notice from Franchisor.

D. Franchisor reserves the right to designate, or require pre-approval of, the provider of any insurance required in connection with the Studio.

E. Franchisee’s obligation to obtain and maintain insurance shall not be limited by reason of any insurance that may be maintained by Franchisor nor relieve Franchisee of liability under the indemnity provisions set forth in this Agreement. contain a clause requiring notice to Franchisor thirty (30) days in advance of any cancellation or material change or cancellation to any such policy. Franchisee shall give Franchisor certificates of coverage at least annually. Failure to obtain or the lapse of any of the required insurance coverage shall be grounds for the immediate termination of this Agreement pursuant to Section 15.1, and Franchisee agrees that any losses, claims or causes of action arising after the lapse of or termination of insurance coverage will be the sole responsibility of Franchisee and that Franchisee will hold Franchisor harmless from all such losses, claims and/or causes of action. In addition, but not to the exclusion of the foregoing remedy, if Franchisee fails to procure or maintain the required insurance, Franchisor shall have the right and authority, but not the obligation, to procure immediately the insurance and Franchisee shall reimburse Franchisor for the cost of the insurance plus reasonable expenses immediately upon written notice. Franchisee is required to submit to Franchisor a copy of a Certificate of Insurance, with Franchisor as an additional insured, showing compliance with the foregoing requirements at least thirty (30) days before Franchisee commences operation of the Studio. Franchisor shall have a security interest in all insurance proceeds to the extent Franchisee has any outstanding obligations to Franchisor.

11. RELATIONSHIP OF THE PARTIES; INDEMNIFICATION

11.1 **Independent Contractor.** The only relationship between Franchisor and Franchisee created by this Agreement is that of independent contractor. The business conducted by Franchisee is completely separate and apart from any business that may be operated by Franchisor and nothing in this Agreement shall create a fiduciary relationship between them or constitute either party as agent, legal representative, subsidiary, joint venturer, partner, employee, servant or fiduciary of the other party for any purpose whatsoever. Franchisee shall hold itself out to the public as an independent contractor operating the business pursuant to a license from Franchisor, and Franchisee agrees to take such action including exhibiting a notice to that effect in such content, form and place as Franchisor may specify. It is further specifically agreed that Franchisee is not an affiliate of Franchisor and that neither party shall have authority to act for the other in any manner to create any obligations or indebtedness that would be binding upon the other party. Neither party shall be in any way responsible for any acts and/or omissions of the other, its agents, servants or employees and no representation to anyone will be made by either party that would create an implied or apparent agency or other similar relationship by and between the parties.

11.2 **Indemnification.** Franchisee, as a material part of the consideration to be rendered to Franchisor, agrees to indemnify, defend and hold Franchisor, as well as Franchisor's directors, officers, principals/owners, managers, shareholders, affiliates, subsidiaries, employees, servants, agents, successors and assignees (collectively, the "Indemnitees"), harmless from and against any and all losses, damage, claims, demands, liabilities and causes of actions of every kind or character and nature, as well as costs and expenses incident thereto (including reasonable attorneys' fees and court costs), that are brought against any of the Indemnitees (collectively, the "Claims") that arise out of or are otherwise related to Franchisee's (a) breach or attempted breach of, or misrepresentation under, this Agreement or in connection with the offer/sale of the Studio prior to the execution of this Agreement, (b) ownership, construction, development, management, or operation of the Studio in any manner and/or (c) gross negligence or intentional misconduct. Notwithstanding the foregoing, at Franchisor's option, Franchisor may choose to engage counsel and defend against any such Claim and may require immediate reimbursement from the Franchisee of all expenses and fees incurred in connection with such defense

12. CONFIDENTIAL INFORMATION

12.1 Franchisor's Confidential Information.

A. Franchisee acknowledges and agrees that all information relating to the System and to the development and operation of the Studio, including, without limitation, the Manual, Franchisor's training program, members and supplier lists, or other information or know-how distinctive to a BFT Franchise (all of the preceding information is referred to herein as the "Confidential Information") are considered to be proprietary and trade secrets of Franchisor. Franchisee agrees that all Confidential Information is to be held in the strictest of confidence during and after the term of this Agreement and is not to be divulged to anyone directly or indirectly at any time, except to Franchisee's Studio employees, including any independent contractors, with a need to know the information in order to operate the Studio. Upon Franchisor's request, Franchisee shall require the Studio's employees and any independent contractors to execute a nondisclosure and non-competition agreement in a form satisfactory to Franchisor. Franchisee shall not acquire any interest in the Confidential Information other than the right to utilize it in the Studio and agrees not to copy, duplicate, record or otherwise reproduce any Confidential Information, in whole or in part, nor otherwise make them available to any unauthorized person, nor use them in any other business or in any manner not specifically authorized or approved in writing by Franchisor. Franchisee shall adopt and implement all reasonable procedures to prevent unauthorized use, duplication or disclosure of Franchisor's Confidential Information. If Franchisee or Franchisee's employees or any independent contractors learn about an unauthorized use of any trade secret or confidential materials, Franchisee must promptly notify Franchisor. Franchisor is not obligated to take any action, but will respond to the information as it deems appropriate. If Franchisee at any time conducts, owns, consults with, is employed by or otherwise assists a similar or competitive business to that franchised hereunder, the doctrine of "inevitable disclosure" will apply, and it will be presumed that Franchisee is in violation of this covenant; and in such case, it shall be Franchisee's burden to prove that Franchisee is not in violation of this covenant.

B. Franchisee agrees that any new concept, process or improvement in the operation or promotion of the Studio developed by or on behalf of Franchisee that relates to or enhances the BFT Operating System, or any aspect of Franchisor's business, shall be the sole property of Franchisor, and Franchisee shall promptly notify Franchisor and shall provide Franchisor with all documents and necessary information and execute all necessary documents to memorialize said ownership, or, if necessary, Franchisee's assignment of such ownership to Franchisor, without compensation. Franchisee acknowledges that Franchisor may utilize or disclose such information to other Franchisees.

12.2 **No Other Interests.** Franchisee further acknowledges that Franchisor would be unable to protect its Confidential Information against unauthorized use or disclosure and would be unable to encourage a free exchange of ideas and information among BFT franchisees if its franchisees were permitted to hold an interest in other fitness or Studio businesses and otherwise to compete with Franchisor. Therefore, during the term of this Agreement, Franchisee must comply with the competitive covenant provisions of Article 13 herein.

12.3 **Injunctive Relief.** Franchisee expressly agrees that the existence of any claims it may have against Franchisor, whether or not arising out of this Agreement, shall not constitute a defense to the enforcement of this Article 12. Franchisee acknowledges and agrees that any failure to comply with the requirements of this Article 12 will cause Franchisor irreparable injury for which no adequate remedy at law is available,

and Franchisee accordingly agrees that Franchisor shall be entitled to injunctive relief as specified in Section 16.2 herein to enforce the terms of this Article 12. Franchisee shall pay all costs and expenses, including, without limitation, reasonable attorneys' fees, incurred by Franchisor in connection with the enforcement of this Article 12. The foregoing remedies shall be in addition to any other remedies Franchisor may have under this Agreement or applicable law.

I have read Article 12, understand it, and agree to comply with each of its Sections.

13. COVENANTS NOT TO COMPETE

13.1 Non-Competition Covenants of Franchisee.

A. *During the Term of this Agreement.* Neither Franchisee, its principals, owners, or guarantors, nor any immediate family of Franchisee, its principals, owners, or guarantors ("Restricted Parties"), may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation own, maintain, engage in, be employed or serve as an officer, director, or principal of, lend money or extend credit to, lease/sublease space to, or have any interest in or involvement with any (a) fitness or exercise business, (b) any fitness or exercise marketing or consulting business, (c) any business offering products of a similar nature to those of the Studio, or (d) in any business or entity which franchises, licenses or otherwise grants to others the right to operate such aforementioned businesses described in subparts (a)-(c) of this Section (each, a "Competing Business"). Furthermore, the Restricted Parties shall not divert, or attempt to divert, any prospective customer to a Competing Business in any manner.

B. *After the Term of this Agreement.* For two (2) years after the expiration, termination or non-renewal (by Franchisor or by Franchisee for any reason) of this Agreement or after Franchisee has assigned its interest in this Agreement, the Restricted Parties shall not own, maintain, engage in, be employed as an officer, director, or principal of, lend money to, extend credit to, lease/sublease space to, or have any interest in or involvement with, any other Competing Business: (i) at the Authorized Location; or (ii) within a ten (10) mile radius of (a) the Authorized Location, or (b) any other Franchised Studio or Corporate Studio that is open, under lease or otherwise under development as of the date this Agreement expires or is terminated.

13.2 Non-Solicitation Covenants.

A. *During the Term of this Agreement.* Franchisee agrees not to employ or seek to employ any person employed by Franchisor or by any other franchisee of Franchisor, or otherwise directly or indirectly induce or seek to induce such person to leave his or her employment during the term of this Agreement, without first obtaining the consent of Franchisor or any other franchisee of Franchisor. Instructors and sales staff may work at more than one Studio. Franchisee acknowledges that Franchisor has the right to offer to sell or to sell a BFT franchise to any employee of Franchisee.

B. *After the Term of this Agreement.* For two (2) years after the expiration, termination or non-renewal (by Franchisor or by Franchisee for any reason) of this Agreement or after Franchisee has assigned its interest in this Agreement, the Restricted Parties shall not (i) solicit business from customers of Franchisee's former Studio, (ii) contact any of Franchisor's suppliers or vendors for any competitive business purpose, or (iii) subject and to the extent permitted by applicable law where the Studio and/or employee at issue are located, solicit any of Franchisor's other employees, or the employees of Franchisor's affiliates or any other System franchisee, to discontinue employment.

13.3 **Enforcement of Covenants.**

A. Franchisee expressly agrees that the existence of any claims it may have against Franchisor, whether or not arising out of this Agreement, shall not constitute a defense to the enforcement of the covenants in this Article 13. Franchisee acknowledges and agrees that in view of the nature of the System and the business of Franchisor, the restrictions contained in this Article 13 are reasonable and necessary to protect the legitimate interests of the System and Franchisor. Franchisee further acknowledges and agrees that Franchisee’s violation of the terms of this Article 13 will cause irreparable injury to Franchisor for which no adequate remedy at law is available, and Franchisee accordingly agrees that Franchisor shall be entitled to preliminary and permanent injunctive relief and damages, as well as, an equitable accounting of all earnings, profits, and other benefits arising from such violation, which remedies shall be cumulative and in addition to any other rights or remedies to which Franchisor shall be entitled. Franchisee agrees to waive any bond that may be required or imposed in connection with the issuance of any preliminary or provisional relief. Franchisee shall pay all costs and expenses, including, without limitation, reasonable attorneys’ fees, incurred by Franchisor in connection with the enforcement of this Article 13. If Franchisee violates any restriction contained in this Article 13, and it is necessary for Franchisor to seek equitable relief, the restrictions contained herein shall remain in effect until two (2) years after such relief is granted. If Franchisee contests the enforcement of Article 13 and enforcement is delayed pending litigation, and if Franchisor prevails, the period of non-competition shall be extended for an additional period equal to the period of time that enforcement of this Article 13 is delayed.

B. Franchisee agrees that the provisions of this covenant not to compete are reasonable. If, however, any court should find this Article 13 or any portion of this Article 13 to be unenforceable and/or unreasonable, the court is authorized and directed to reduce the scope or duration (or both) of the provision(s) in issue to the extent necessary to render it enforceable and/or reasonable and to enforce the provision so revised.

C. Franchisor shall have the right, in Franchisor’s discretion, to reduce the scope of any covenant not to compete set forth in this Agreement, or any portion thereof, without Franchisee’s consent, effective immediately upon receipt by Franchisee of written notice thereof, and Franchisee shall comply with any covenant as so modified.

I have read Article 13, understand it, and agree to comply with each of its Sections.

14. TRANSFER OF INTEREST

14.1 **Franchisor’s Approval Required.** All rights and interests of Franchisee arising from this Agreement are personal to Franchisee and except as otherwise provided in this Article 14, Franchisee shall not, without Franchisor’s prior written consent, voluntarily or involuntarily, by operation of law or otherwise, sell, assign, transfer, pledge or encumber its interest in this Agreement, in the license granted hereby, in the assets of the Studio, any of its rights hereunder, or in the lease for the premises at which the Studio is located, and any purported sale, assignment, transfer, pledge or encumbrances shall be null and void. If Franchisee is a corporation, limited liability, partnership, or an individual or group of individuals, any assignment (or new issuance), directly or indirectly, occurring as a result of a single transaction or a series of transactions that alters the Percentage of Ownership Interest reflected in Section 17.3 of this Agreement must promptly be reported to Franchisor and is a “transfer” within the meaning of this Article 14.

14.2 Conditions for Approval of Transfer. Franchisor shall not unreasonably withhold its approval of a proposed transfer, provided that the prospective transferee, in Franchisor's reasonable judgment, is of good moral character and reputation, has no conflicting interests, has a good credit rating and sufficient and competent business experience, aptitude and financial resources acceptable to Franchisor's then-current standards for franchisees; and that the following conditions are met: (1) Franchisee pays Franchisor a transfer fee in an amount equal to \$10,000, except in certain situations where an administrative fee is applicable as set forth in this Section; (2) Franchisee signs a general release of all claims in favor of Franchisor and related parties in Franchisor's prescribed form; (3) the Studio and equipment must be upgraded, refurbished or repaired if Franchisor, in its sole discretion, decides it is necessary; (4) at Franchisor's option, transferee (and, if appropriate, its owners) must (a) execute Franchisor's then-current form of franchise agreement that will then govern the balance of the term of this Agreement, or (b) enter into a form of assignment and consent to transfer whereby transferee (and, if appropriate, its owners) agree to assume all of Franchisee's obligations and covenants under this Agreement; and (5) the transferee (a) completes (or has its Operating Principal complete) the Owner/Operator Module and has its Designated Manager complete the Designated Manager Training Program, and (b) has at least one (1) Authorized Instructor prior to reopening, and/or resuming the provision of Approved Services at, the Studio. Instead of the traditional transfer fee, Franchisor shall only charge Franchisee an administrative fee at the time of proposing a transfer amounting to (i) \$500 if Franchisee is an individual (or individuals) and Franchisee wishes to transfer its rights hereunder to an entity that is wholly owned by such individual(s), or (ii) \$1,500 if the transfer is from Franchisee hereunder to an immediate family member of Franchisee.

14.3 Permitted Transfers to a Corporation or LLC or Affiliate Company. If Franchisee is an individual or partnership, and desires to assign and transfer its rights, assets and obligations under this Agreement to a corporation or limited liability company that is wholly-owned by Franchisee and formed for the convenience of ownership, it may do so without approval from Franchisor, and without payment of a transfer fee, so long as the terms and conditions of this Agreement remain unchanged, and the Franchisee shall own and control all of the equity and voting power of all issued and outstanding stock of the transferee corporation or all of the equity and voting power of the limited liability company and, if Franchisee is more than one individual, each individual shall have the same proportionate ownership interest in the corporation or limited liability company as he or she had in Franchisee prior to the transfer.

14.4 Death or Disability of Franchisee. In the event of the death or disability of Franchisee, if an individual, or of a stockholder of a corporate Franchisee, or of a partner of a Franchisee which is a partnership, or a member of a Franchisee which is a limited liability company, the transfer of Franchisee's or the deceased stockholder's, partner's or member's interest in this Agreement to his or her heirs, trust, personal representative or conservators, as applicable, must occur within six (6) months of the death or disability, but, shall not be deemed a transfer by Franchisee (provided that the responsible management employees or agents of Franchisee have been satisfactorily trained at Franchisor's Initial Training) nor obligate Franchisee to pay any transfer fee. If Franchisor determines (i) there is no imminent transfer to a qualified successor or (ii) there is no heir or other principal person capable of operating the Studio, Franchisor shall have the right, but not the obligation, to immediately appoint a manager and commence operating the Studio on behalf of Franchisee. Franchisee shall be obligated to, and shall pay to Franchisor all reasonable costs and expenses for such management assistance, including without limitation, the manager's salary, room and board, travel expenses and all other related expenses of the Franchisor appointed manager. Operation of the Studio during any such period shall be for and on behalf of Franchisee, provided that Franchisor shall only have a duty to utilize reasonable efforts and shall not be liable to Franchisee or its owners for any debts, losses or obligations incurred by the Studio, or to any creditor of Franchisee for any supplies, inventory, equipment, furniture, fixtures or services purchased by the Studio during any period in which it is managed by a Franchisor appointed manager. Franchisor may, in its sole discretion, extend the six (6) month period of time for completing a transfer contemplated by this Section.

14.5 **Relocation.** Franchisee may not relocate the Studio from the Authorized Location without Franchisor’s prior written approval, which Franchisor may provide in its sole discretion. Franchisee agrees and acknowledges that: (i) it must pay Franchisor a \$5,000 relocation fee at the time Franchisee makes any relocation request; and (ii) Franchisor is not likely to approve any relocation request unless (a) due to extreme circumstances that are beyond Franchisee’s control, and (b) Franchisee is in full compliance with this Agreement.

14.6 **Transfer by Franchisor.** Franchisor shall have the right to transfer or assign all or any part of its rights or obligations herein to any person or legal entity, directly or indirectly, by merger, assignment, pledge or other means.

(14) Franchisee, after curing a default pursuant to Section 15.1B herein, commits the same act of default again within any twelve (12) consecutive month period whether or not such default is cured after notice thereof is delivered to Franchisee, or if Franchisee received three (3) or more default notices from Franchisor within any twelve (12) consecutive monthly period whether or not such defaults were related to the same problem or were cured after notice thereof was delivered to Franchisee.

B. **Termination with Notice.** In addition to the provisions of Section 15.1A, if Franchisee shall be in default under the terms of this Agreement and the default shall not be cured or remedied (to Franchisor's satisfaction) within thirty (30) days after receipt of written notice from Franchisor (or 10 days' prior notice in the event of a default that is described in Subsections (6), (7) or (8) below), in addition to all other remedies available to Franchisor at law or in equity, Franchisor may immediately terminate this Agreement. 15.2 **Cross-Default.** If there are now, or hereafter shall be, other franchise agreements or any other agreements in effect between Franchisee and Franchisor and/or any of Franchisor's affiliates, a default by Franchisee under the terms and conditions of this or any other such agreement, shall at the option of Franchisor, constitute a default under all such agreements.

15.3 **Obligations of Franchisee upon Termination, Expiration or Non-Renewal.** Immediately upon termination, expiration or non-renewal of this Agreement for any reason:

A. All rights, privileges and licenses granted by Franchisor to Franchisee shall immediately cease and be null and void and of no further force and effect, and all such rights, privileges and licenses shall immediately revert to Franchisor;

F. Franchisee shall pay all sums owing to Franchisor and its approved suppliers for outstanding amounts owed under the Franchise Agreement and otherwise in connection with the Studio. In the event of termination for any default of Franchisee, such sums shall include all damages, costs and expenses, including reasonable legal fees, incurred by Franchisor as a result of the default;

G. Franchisee shall comply with the covenants set forth in Articles 12 and 13 of this Agreement; and

H. Franchisee shall, at Franchisor's option, assign to Franchisor any interest that Franchisee has in any lease for the premises of the Studio;

I. Franchisor shall have the option, exercisable by giving written notice thereof within thirty (30) days from the date of such termination, expiration or non-renewal to purchase any and all equipment, furniture, fixtures, signs, sundries and supplies owned by Franchisee and used in the Studio, at the lesser of (i) Franchisee's cost less depreciation computed on a reasonable straight line basis (as determined in accordance with generally accepted accounting principles and consistent with industry standards and customs) or (ii) fair market value of such assets, less (in either case) any outstanding liabilities of the Studio.

In addition, Franchisor shall have the option to assume Franchisee's lease for the lease location of the Studio, or if an assignment is prohibited, a sublease for the full remaining term on the same terms and conditions as Franchisee's lease. No value will be attributed to the value of the Marks or the System or to the assignment of the lease (or sublease) for the premises or the assignment of any other assets used in conjunction with the Studio, and Franchisor will not be required to pay any separate consideration for any such assignment or sublease. If the parties cannot agree on fair market value within thirty (30) days of Franchisor's notice of intent to purchase, fair market value shall be determined by an experienced, professional and impartial third party appraiser without regard to goodwill or going concern value, designated by Franchisor and acceptable to Franchisee, whose determination shall be final and binding on both parties. The cost of such appraisal shall be borne equally by Franchisor and Franchisee. If the parties cannot agree upon an appraiser one shall be appointed by the American Arbitration Association, upon petition of either party. Franchisor shall have the right to withhold from the purchase price funds sufficient to pay all outstanding debts and liabilities of Franchisee and the Studio and to pay such debts and liabilities from such funds.

J. Termination, expiration or non-renewal of this Agreement shall not affect, modify or discharge any claims, rights, causes of action or remedies, which Franchisor may have against Franchisee, whether under this Agreement or otherwise, for any reason whatsoever, whether such claims or rights arise before or after termination.

15.4 **Franchisor's Rights and Remedies in Addition to Termination.**

A. If Franchisee shall be in default in the performance of any of its obligations or breach any term or condition of this Agreement, in addition to Franchisor's right to terminate this Agreement, and without limiting any other rights or remedies to which Franchisor may be entitled at law or in equity, Franchisor may, at its election, immediately or at any time thereafter, and without notice to Franchisee cure such default for the account of and on behalf of Franchisee including, without limitation, entering upon and taking possession of the Studio and to taking in the name of Franchisee, all other actions necessary to effect the provisions of this Agreement and any such entry or other action shall not be deemed a trespass or other illegal act, and Franchisor shall not be liable in any manner to Franchisee for so doing, and Franchisee shall pay the entire cost thereof to Franchisor on demand, including reasonable compensation to Franchisor for the management of the Studio.

B. As an alternative to Franchisor's exercising its rights under Section 15.4A, above, and only in the event of a premature termination of this Agreement, Franchisee shall pay Franchisor liquidated damages in an amount equal to the sum of the royalties paid to Franchisor for the twenty four (24) months prior to the termination of this Agreement; provided, however exercise of this right shall not preclude Franchisor's right to seek injunctive relief as outlined in Section 16.5. Franchisee's payment to Franchisor would not be a penalty for breaching this Franchise Agreement, but rather a reasonable estimate of the losses Franchisor would incur in the event of the closure of Franchisee's franchised business. Should Franchisor elect to enforce its right to liquidated damages under this Section, Franchisee's obligation to pay such damages would be in addition to Franchisee's obligations to (i) pay all amounts still owed to Franchisor, and (ii) adhere to Franchisee's other post-termination obligations. Franchisor's right to payment of liquidated damages would be in addition to all other post-termination remedies available to Franchisor under the law.

I have read Article 15, understand it, and agree to comply with each of its Sections.

16. RESOLUTION OF DISPUTES

16.1 **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of California without reference to the state's conflict of laws principles (subject to state law), except that: (i) any disputes or actions involving any non-competition covenants set forth in this Agreement or any other Franchise Agreement, including the interpretation and enforcement thereof, must be governed by the law of the state where the Development Area or Studio, as applicable, is located.; and (ii) any franchise-specific or franchise-applicable laws of California, including those related to pre-sale disclosure and the franchise relationship generally, will not apply to this Agreement or franchise awarded hereunder unless the awarding of said franchise meets all jurisdiction and other requirements to specifically fall within the scope of such California laws, regulations or statutes without reference to, and independent of, any reference to this choice of law provision.

16.2 **Internal Dispute Resolution.** Franchisee must first bring any claim or dispute between Franchisee and Franchisor to Franchisor's management and make every effort to resolve the dispute internally. Franchisee must exhaust this internal dispute resolution procedure before Franchisee may bring Franchisee's dispute before a third party. This agreement to first attempt resolution of disputes internally shall survive termination or expiration of this Agreement.

16.3 **Mediation.** At Franchisor's option, all claims or disputes between Franchisee and Franchisor (or its affiliates) arising out of, or in any way relating to, this Agreement or any other agreement by and between Franchisee and Franchisor (or its affiliates), or any of the parties' respective rights and obligations arising from such agreement, which are not first resolved through the internal dispute resolution procedure set forth in Section 16.1 above, will be submitted first to mediation to take place at Franchisor's then-current corporate headquarters under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any legal action against Franchisor or its affiliates with respect to any such claim or dispute, Franchisee must submit a notice to Franchisor, which specifies, in detail, the precise nature and grounds of such claim or dispute. Franchisor will have a period of thirty (30) days following receipt of such notice within which to notify Franchisee as to whether Franchisor or its affiliates elects to exercise its option to submit such claim or dispute to mediation. Franchisee may not commence any action against Franchisor or its affiliates with respect to any such claim or dispute in any court unless Franchisor fails to exercise its option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by Franchisor. Franchisor's rights to mediation, as set forth herein, may be specifically enforced by Franchisor. Each party will bear its own cost of mediation and Franchisor and Franchisee will share mediator fees equally. This agreement to mediate will survive any termination or expiration of this Agreement. The parties will not be required to first attempt to mediate a controversy, dispute, or claim through mediation if such controversy, dispute, or claim concerns an allegation that a party has violated (or threatens to violate, or poses an imminent risk of violating): (a) any federally protected intellectual property rights in the Marks, the System, or in any Confidential Information or other confidential information; (b) any of the restrictive covenants contained in this Agreement; and (c) any of Franchisee's payment obligations under this Agreement.

16.4 **Mandatory Binding Arbitration.** Except as provided in Section 16.5 of this Agreement, Franchisee and Franchisor agree that any claim, dispute, suit, action, controversy, or proceeding of any type whatsoever including any claim for equitable relief and/or where either party is acting as a "private attorney general," suing pursuant to a statutory claim or otherwise, between or involving Franchisee and Franchisor on whatever theory and/or facts based, and whether or not arising out of this Agreement, (each a "Claim") will be processed in the following manner:

A. Franchisee and Franchisor each expressly waives all rights to any court proceeding, except as expressly provided in Section 16.5 below;

B. All Claims shall be submitted to and resolved by binding arbitration that will take place at Franchisor's headquarters or other location that Franchisor designates in Orange County, California, before and in accordance with the arbitration rules of the American Arbitration Association. Judgment upon the award rendered by the arbitrator shall be entered in any Court having jurisdiction thereof.

C. Franchisor and Franchisee agree that any arbitration between Franchisor and Franchisee shall be of Franchisee's individual claim and that the claim subject to arbitration shall not be arbitrated on a class-wide basis.

D. This arbitration provision shall be deemed to be self-executing, and in the event either party fails to appear at any properly noticed arbitration proceeding, an award may be entered against such party notwithstanding said failure to appear.

E. In no event shall Franchisor be liable to Franchisee for punitive damages in any action arising out of or relating to this Agreement, or any breach, termination or cancellation hereof.

F. Any arbitration proceeding involving this Agreement or the Studio generally, including all demands, other filings and evidence submitted in connection with such proceeding, must be kept strictly confidential by Franchisee and its representatives, unless Franchisor agrees otherwise in writing.

16.5 Other Proceedings (Right to Injunctive Relief). Franchisee acknowledges and agrees that irreparable harm could be caused to Franchisor by Franchisee's violation of certain provisions of this Agreement and, as such, in addition to any other relief available at law or equity, Franchisor shall be entitled to obtain in any court of competent jurisdiction, without bond, restraining orders or temporary or permanent injunctions in order to enforce, among other items, the provisions of this Agreement relating to: (i) Franchisee's use of the Marks and Confidential Information (including any proprietary software used in connection with the Studio); (ii) the in-term covenant not to compete, as well as any other violations of the restrictive covenants set forth in this Agreement; (iii) Franchisee's obligations on termination or expiration of this Agreement; (iv) disputes and controversies based on or arising under the Lanham Act, or otherwise involving the Marks, as now or hereafter amended; (v) disputes and controversies involving enforcement of the Franchisor's rights with respect to confidentiality under this Agreement; and (vi) the prohibition of any act or omission by Franchisee or its employees that constitutes a violation of applicable law, threatens Franchisor's franchise system or threatens other franchisees of Franchisor. Franchisee's only remedy if such an injunction is entered will be the dissolution of the injunction, if appropriate, and Franchisee waives all damage claims if the injunction is wrongfully issued.

16.6 Choice of Forum.

A. Franchisee acknowledges and agrees that this Agreement is entered into in California and that, except for those actions described in Sections 16.4 and 16.5 above, any action brought by either party against the other for the purpose of enforcing the terms and provisions of this Agreement (provided such action is not subject to the arbitration proceeding pursuant to the terms of this Agreement or applicable law) shall be instituted solely in a state or federal court having subject matter jurisdiction thereof only in California in the judicial district in which Franchisor has its principal place of business and in no other court and that Franchisee irrevocably waives any objection Franchisee may have to the exclusive jurisdiction or the exclusive venue of such court.

B. If Franchisee institutes any arbitration or other legal proceedings in any venue or other court other than those specified, Franchisee shall assume all of Franchisor's costs in connection therewith, including, without limitation, reasonable attorney fees regardless of the outcome of such arbitration or legal proceedings.

C. Franchisee acknowledges that Franchisor may bring an action in any other court of competent jurisdiction to seek and obtain injunctive relief as set forth in Section 16.5 above, including to enforce Franchisee's non-compete obligations hereunder.

16.7 **Waiver of Punitive Damages.** Franchisee hereby waives to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) against Franchisor arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agrees that in the event of a dispute, that Franchisee's recovery is limited to actual damages. If any other term of this Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions shall continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages. Nothing in this Section or any other provision of this Agreement shall be construed to prevent Franchisor from claiming and obtaining expectation or consequential damages, including lost future royalties for the balance of the term of this Agreement if it is terminated due to Franchisee's default, which the parties agree and acknowledge Franchisor may claim under this Agreement.

16.8 **WAIVER OF JURY TRIAL.** THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. THIS WAIVER SHALL APPLY TO ANY MATTER WHATSOEVER BETWEEN THE PARTIES HERETO WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THIS AGREEMENT, THE PERFORMANCE OF EITHER PARTY, AND/OR FRANCHISEE'S PURCHASE FROM FRANCHISOR OF THE FRANCHISE AND/OR ANY GOODS OR SERVICES.

16.9 **WAIVER OF CLASS ACTIONS.** THE PARTIES AGREE THAT ALL PROCEEDINGS ARISING OUT OF OR RELATED TO THIS AGREEMENT, OR THE SALE OF THE FRANCHISED BUSINESS, WILL BE CONDUCTED ON AN INDIVIDUAL, NOT A CLASS-WIDE BASIS, AND THAT ANY PROCEEDING BETWEEN FRANCHISEE, FRANCHISEE'S GUARANTORS AND FRANCHISOR OR ITS AFFILIATES/OFFICERS/EMPLOYEES MAY NOT BE CONSOLIDATED WITH ANY OTHER PROCEEDING BETWEEN FRANCHISOR AND ANY OTHER THIRD PARTY.

16.10 **Attorneys' Fees and Costs.**

A. If legal action or arbitration is necessary to enforce the terms and conditions of this Agreement, the prevailing party shall be entitled to recover reasonable compensation for preparation, investigation, court costs, arbitration costs (if applicable) and reasonable attorneys' fees, from the non-prevailing party as fixed by an arbitrator or court of competent jurisdiction.

B. Separate and distinct from the right of a prevailing party to recover expenses, costs and fees in connection with any legal proceeding or arbitration, the prevailing party shall also be entitled to receive all expenses, costs and reasonable attorneys' fees incurred in connection with the enforcement of any arbitration award or judgment entered. Furthermore, the right to recover post-arbitration award and post-judgment expenses, costs and attorneys' fees shall be severable and shall survive any award or judgment and shall not be deemed merged into such judgment.

C. Apart from the obligations above in this Section 16.10, Franchisee agrees and acknowledges that it will be responsible for the legal fees and other costs that Franchisor incurs in connection with certain modifications that Franchisor agrees to make to the Franchise Agreement, including without limitation, modifications made to address the following situations: (i) relocation; or (ii) any other amendment to extend a given performance deadline of Franchisee, modify the territory awarded hereunder, or otherwise modify, amend or supplement this Agreement in any way at the request of Franchisee or as necessary for Franchisee to avoid this Agreement being in default or subject to termination. Franchisor may set forth flat fee amounts designed to help defray the costs associated with addressing certain of the foregoing situations in the context of this Agreement or any other agreement with Franchisor, whether in the Manuals or otherwise in a writing distributed to System franchisees.

16.11 **No Withholding of Payments.** Franchisee shall not withhold all or any part of any payment to Franchisor or any of its affiliates on the grounds of Franchisor’s alleged nonperformance or as an offset against any amount Franchisor or any of Franchisor’s affiliates allegedly may owe Franchisee under this Agreement or any related agreements.

16.12 **Limitation of Actions.** Franchisee further agrees that no cause of action arising out of or under this Agreement may be maintained by Franchisee against Franchisor unless brought before the expiration of one (1) year after (a) the act, transaction or occurrence upon which such action is based or (b) the expiration of one year after the Franchisee becomes aware, or should have become aware after reasonable investigation, of facts or circumstances reasonably indicating that Franchisee may have a claim against Franchisor hereunder, whichever occurs sooner. Any claim, action, or other proceeding not brought against Franchisor or its affiliates within this period shall be barred as a claim, counterclaim, defense, or set-off. Franchisee hereby waives the right to obtain any remedy based on alleged fraud, misrepresentation, or deceit by Franchisor, including, without limitation, rescission of this Agreement, in any mediation, judicial, or other adjudicatory proceeding arising hereunder, except upon a ground expressly provided in this Agreement, or pursuant to any right expressly granted by any applicable statute expressly regulating the sale of franchises, or any regulation or rules promulgated thereunder.

16.13 **Third Party Beneficiaries.** Franchisor’s officers, directors, shareholders, agents and/or employees are express third-party beneficiaries of the provisions of this Agreement, including the dispute resolution provisions set forth in this Section 16, each having authority to specifically enforce the right to mediate/arbitrate claims asserted against such person(s) by Franchisee.

Subsequent acceptance by Franchisor of any payment(s) due it under this Agreement shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

Notwithstanding any other provision of this Agreement which limits the right of prospective Third-Party Beneficiaries, any Nonparty Affiliate may rely on this provision and enforce it against any Contracting Party or other Person or entity.

**EXHIBIT 2 TO THE
BFT FRANCHISE AGREEMENT**

ELECTRONIC FUNDS TRANSFER AGREEMENT

This Electronic Funds Transfer Agreement (the "Agreement") is made on this ___ day of _____, 20__ by and between BFT Franchise Holdings, LLC ("Franchisor"), and _____ or their assignee, if a partnership, corporation or limited liability company is later formed ("Franchisee").

Whereas, Franchisor and Franchisee are parties to a BFT Franchise Agreement executed on even date herewith (the "Franchise Agreement") and desire to enter into an Addendum to the Franchise Agreement;

Now, therefore in consideration of the mutual promises contained herein and as an inducement to Franchisor to execute the Franchise Agreement, the parties agree as follows:

A. Franchisee shall pay any and all fees and other charges in connection with this Addendum and the Franchise Agreement (including, without limitation, the Royalty Fees, contributions to the Fund and any other payments due to Franchisor by Franchisee, and any applicable late fees and interest charges) by electronic, computer, wire, automated transfer, ACH debiting, and bank clearing services (collectively "electronic funds transfers" or "EFT"), and Franchisee shall undertake all action necessary to accomplish such transfers.

B. Upon execution and delivery of this Agreement, Franchisee shall execute and deliver two (2) originals of the "Electronic Debit Authorization" attached as Exhibit 3 to the Franchise Agreement, which authorizes Franchisee's bank or other financial institution to accept debit originations, electronic debit entries, or other EFT, and electronically deposit fees and contributions owing Franchisor directly to Franchisor's bank account(s). Upon Franchisor's request, Franchisee shall deliver to Franchisor all additional information that Franchisor deems necessary (including, without limitation, financial institution of origin and relevant accounts and ABA/transit numbers for any new bank accounts that Franchisee opens after the date of this Addendum) in connection with such EFT.

C. By executing this Addendum, Franchisee authorizes Franchisor to withdraw funds at such days and times as Franchisor shall determine via EFT from Franchisee's bank account for all fees and other charges in connection with the Franchise Agreement and this Addendum, as described in the first sentence of this paragraph. Franchisee authorizes weekly ACH debits via EFT based on an amount equal to the total weekly amount due Franchisor, as set forth in Section 5 of the Franchise Agreement.

D. Franchisee is responsible for paying all service charges and other fees imposed or otherwise resulting from action by Franchisee's bank in connection with EFT by Franchisor, including, without limitation, any and all service charges and other fees arising in connection with any EFT by Franchisor not being honored or processed by Franchisee's bank for any reason and a Fifty Dollar (\$50) charge by Franchisor for processing the EFT. Upon written notice by Franchisor to Franchisee, Franchisee may be required to pay any amount(s) due under the Franchise Agreement and/or this Addendum directly to Franchisor by check or other non-electronic means in lieu of EFT at Franchisor's discretion. It shall be a non-curable event of default under Article 15 of the Franchise Agreement if Franchisee closes any bank account without completing all of the following forthwith after such closing: (1) immediately notifying Franchisor thereof in writing, (2) immediately establishing another bank account, and (3) executing and delivering to Franchisor all documents necessary for Franchisor to begin and continue making withdrawals from such bank account by EFT as this Addendum permits.

E. Except as specifically set forth in this Addendum, the Franchise Agreement shall remain in full force and effect in accordance with its terms and conditions. This Addendum is attached to and upon execution becomes an integral part of the Franchise Agreement.

F. Wherefore, the parties have set forth their hand and seal on the day and date first above written.

Notes to Financial Statement
(amounts in thousands)

Note 1 – Organization and Description of Business

BFT Franchise Holdings, LLC (the “Company”), a Delaware limited liability company (LLC), was formed on October 6, 2021. The single member of the Company is Xponential Fitness LLC, a Delaware limited liability company (the “Member”). The Company was formed for the purpose of acquiring certain assets relating to the concept and brand known as Body Fit Training™, BFT™, including ownership of all intellectual property rights and the rights to license and franchise the concept and brand globally. BFT offers community-based 50-minute functional, high-energy strength, cardio, and conditioning-based classes across multiple workout programs, each designed to achieve the unique health goals of its members. There were no operations of the Company prior to October 14, 2021.

The Member contributed \$2,000 in cash on October 14, 2021, to fund the Company’s operations, and is in process of filing its first Franchise Disclosure Document (“FDD”) under this LLC entity. The Company cannot enter into any new franchise agreements until the FDD is filed and considered effective.

The Company intends to offer and sell franchises under the name “Body Fit Training”. The Company will sell franchises and hold the related license agreement for studios sold under the franchise agreement. As of October 14, 2021, the company has not sold any franchise agreements or the rights to develop any franchise units under any area development agreements.

Financial Condition – The accompanying financial statement is prepared in accordance with generally accepted accounting principles applicable to a going concern, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The Member is responsible for managing and overseeing the day-to-day operations of the Company. The Member will allocate expenses to the Company based on shared services and will sweep cash from and to the Company as needed. The Company will rely on resources from the Member to support operations and the Member has committed to continue to provide financial support to the Company for the Company’s franchising operations for at least the next twelve months from the date of issuance of the Company’s financial statements.

Use of estimates – The preparation of the financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities as of the date of the financial statements. Actual results could differ from these estimates under different assumptions or conditions.

Note 2 – Summary of Significant Accounting Policies

Basis of presentation – The Company’s financial statement has been prepared in accordance with accounting principles generally accepted in the United States (“US GAAP”).

Cash and cash equivalents – The Company considers all highly liquid investments purchased with an original maturity of ninety days or less to be cash equivalents.

Concentration of credit risk – The Company holds its cash balances in one financial institution. As the cash balances exceed the amounts covered by the Federal Deposit Insurance Corporation, the excess balances could be at a risk of loss.

Goodwill and intangible assets – Intangible assets consist of goodwill and identifiable intangible assets, which consists of trademarks, franchise agreements and internal use software.

The Company tests for impairment of goodwill annually or sooner whenever events or circumstances indicate that goodwill might be impaired. The annual impairment test is performed as of the first day of the Company's fourth quarter. The test begins with a qualitative assessment, where qualitative factors and their impact on critical inputs are assessed to determine whether it is more likely than not that the fair value is less than its carrying value. If the Company determines there is an indication of impairment based on the qualitative assessment, it is required to perform a quantitative assessment. The Company generally determines the estimated fair value using a discounted cash flow approach, giving consideration to the market valuation approach. If the carrying value exceeds the estimate of fair value, a write-down is recorded. The Company calculates impairment as the excess of the carrying value of goodwill over the estimated fair value.

The recoverability of the carrying values of all intangible assets with finite lives is evaluated when events or changes in circumstances indicate an asset's value may be impaired. Impairment testing is based on a review of forecasted undiscounted operating cash flows. If such analysis indicates that the carrying value of these assets is not recoverable, the carrying value of such assets is reduced to fair value, which is determined based on discounted future cash flows, through a charge to the statement of operations.

Accrued expenses – Accrued expenses consisted of the payments expected to be paid within 12 months from the balance sheet date, relating to the contingent consideration liability and the Company's portion of Australian transfer tax payable ("Stamp Tax"), which was recorded as an acquisition-related expense. See Note 3 for additional information.

Income taxes – As a single member LLC, the Company is considered a disregarded entity. As such, the Company itself is typically not subject to an income tax liability as the taxable income or loss of the Company is passed through to the Member. Therefore, no liability for federal income taxes has been included in the financial statement. The Company accounts for uncertain tax positions in accordance with Accounting Standards Codification Topic 740, *Income Taxes* ("ASC 740"). ASC 740 prescribes a recognition threshold and measurement process for accounting for uncertain tax positions and provides guidance on various related matters such as derecognition, interest, penalties and required disclosures. As of October 14, 2021, the Company does not have any uncertain tax positions.

Fair value measurements – ASC 820, Fair Value Measurements and Disclosures, applies to all financial assets and financial liabilities that are measured and reported on a fair value basis and requires disclosures that establishes a framework for measuring fair value and expands disclosure about fair value measurements. ASC 820 establishes a valuation hierarchy for disclosures of the inputs to valuations used to measure fair value.

This hierarchy prioritizes the inputs into three broad levels as follows:

Level 1 – Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that can be accessed at the measurement date.

Level 2 – Inputs include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability (i.e., interest rates and yield curves), and inputs that are derived principally from or corroborated by observable market data by correlation or other means (market corroborated inputs).

Level 3 – Unobservable inputs that reflect assumptions about what market participants would use in pricing the asset or liability. These inputs would be based on the best information available, including the Company's own data.

Note 3 – Business Combinations

The Company completed the following acquisition which contains Level 3 fair value measurements related to the recognition of goodwill and intangibles.

On October 13, 2021, the Company entered into an Asset Purchase Agreement (“APA”) with GRPX Live Pty Ltd., an Australian corporation, and its affiliates (the “Seller”) whereby the Company acquired certain assets relating to the concept and brand known as Body Fit Training™ or BFT™. Assets acquired include franchise rights, brand, intellectual property and the rights to manage and license the franchise business (the “Franchise System”). The Company also assumed certain contingent liabilities associated with the purchased assets and provided certain indemnifications to the Seller. This acquisition is expected to enhance the Company’s franchise offerings and provide a platform for future growth, which the Company believes is complimentary to its portfolio of franchises.

Consideration for the transaction included cash of \$60,000 AUD (\$44,322 USD based on the currency exchange rate as of the purchase date), which was provided in the form of a capital contribution from the Member. In addition, the Company agreed to pay contingent consideration to the Seller consisting of quarterly cash payments based on the sales of the Franchise System and equipment packages in the U.S. and Canada, as well as a percentage of royalties collected by the Company, provided that aggregate minimum payments of \$5,000 AUD (approximately \$3,694 USD based on the currency exchange rate as of the purchase date) are required to be paid to the Seller for the two year period ending December 31, 2023 and the aggregate amount of such payments for the two year period ending December 31, 2023 is subject to a maximum of \$14,000 AUD (approximately \$10,342 USD based on the currency exchange rate as of the purchase date). Based on the preliminary purchase price allocation, the Company has determined that the fair value of the estimated contingent consideration liability as of the acquisition date is \$9,388 and is recorded in Accrued expenses and Contingent consideration from acquisitions sections of the balance sheet.

In addition, the Company entered into a Master Franchise Agreement (“MFA”) with an affiliate of the Seller (the “Master Franchisee”), pursuant to which the Company granted the Master Franchisee the master franchise rights for the Body Fit Training™ and BFT™ brands in Australia, New Zealand and Singapore. In exchange, the Company will receive certain fees and royalties, including a percentage of the revenue generated by the Master Franchisee under the MFA. The MFA contains an option for the Company to repurchase the master franchise rights granted under the MFA in either 2023 or 2024 at a purchase price based on the Master Franchisee’s EBITDA. If the Company (or a designee of the Company) does not exercise the option by April 10, 2025 and is unable to identify a third party buyer for the MFA, then the Company might be required to pay a cancellation fee to the Master Franchisee which would be material to the Company. If the Master Franchisee rejects an offer to repurchase the franchise rights, then the cancellation fee is not required to be paid.

At the acquisition date, there were certain claims and lawsuits against the Seller for which the Company and the Member have agreed to indemnify the Seller. The claims and lawsuits relate to alleged patent and trademark infringements. Plaintiff alleges that plaintiff has suffered, and is likely to continue to suffer, loss and damage due to breach of the patents by the Seller and is seeking damages or in the alternative an account of profits. The Seller has filed a cross-claim alleging that the defendant’s two Australian patents are, and always have been, invalid and that they should be revoked. The Court held a trial in December 2020, and the Seller and the Company are currently awaiting the judgment.

As a part of the preliminary purchase accounting, the Company has not recorded any liability for the potential cancelation fee (which was evaluated in accordance with ASC 805, Business Combinations) and potential legal indemnification liability (which was evaluated in accordance with ASC 450, Contingencies). The Company continues to evaluate additional information in relation to these matters, including information that existed as of the acquisition date.

The transaction was accounted for as a business combination using the acquisition method of accounting, which requires the assets acquired and the liabilities assumed to be recorded at their respective fair value as of the date of the transaction. The excess of the purchase price over the estimated fair value of the net assets and liabilities was allocated to goodwill. The Company determined the estimated fair values after review and consideration of relevant information as of the acquisition date, including discounted cash flows, quoted market prices and estimates made by management.

The allocation of the purchase price presented below was based on management's preliminary estimate of the fair values of the acquired assets and assumed liabilities using valuation techniques including income, cost and market

approaches. These valuation techniques incorporate the use of expected future revenues, cash flows and growth rates as well as estimated discount rates commensurate with the risk involved. Trademark was valued using the relief from royalty method and is considered to have a 10-year life. Franchise Agreements were valued using the excess earnings method and are considered to have an approximate 8.5-year life. Internal use software was valued using the cost method and is considered to have a three-year life. The goodwill of \$21,210 arising from the acquisition consists largely of the synergies expected from combining the operations of the Company and BFT.

As of the acquisition date, the Company conducted its preliminary evaluation of information that existed as of the acquisition date and prepared the preliminary purchase price allocation of the underlying acquired assets and liabilities. Any future adjustments, to be identified during the adjustment window will be offset against goodwill.

The following table summarizes the fair values of the assets acquired and liabilities assumed as of the acquisition date based on the preliminary purchase price allocation (in thousands):

| | |
|----------------------|-------------------------|
| Goodwill | \$ 21,210 |
| Intangible assets | <u>32,500</u> |
| Total purchase price | <u><u>\$ 53,710</u></u> |

Goodwill and intangible assets recognized from this acquisition are expected to not be tax deductible.

Note 4 – Goodwill and Intangible Assets

Goodwill represents the excess of cost over the fair value of identifiable net assets acquired related to the business acquisition described in Note 3. Goodwill is not amortized but is tested annually for impairment or more frequently if indicators of potential impairment exist. Goodwill totals \$21,210 at October 14, 2021.

Intangible assets consisted of the following:

| | | <u>October 14, 2021</u> | | |
|-------------------------|--|-------------------------|-------------------------------------|-------------------------|
| | <u>Amortization period (years)</u> | <u>Gross amount</u> | <u>Accumulated amortization</u> | <u>Net amount</u> |

CALIFORNIA

ADDENDUM TO DISCLOSURE DOCUMENT

California Corporations Code, Section 31125 requires the franchisor to give the franchisee a disclosure document, approved by the Department of Financial Protection and Innovation, prior to a solicitation of a proposed material modification of an existing franchise.

Our website has not been reviewed or approved by the California Department of Financial Protection and Innovation. Any complaints concerning the content of this website may be directed to the California Department of Financial Protection and Innovation at www.dfpi.ca.gov.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

Registration of this franchise does not constitute approval, recommendation, or endorsement by the Commissioner.

1. The following language is added to the end of Item 3 of the Disclosure Document:

Neither BFT Franchise Holdings, LLC, nor any person identified in Item 2, or an affiliate or franchise broker offering franchises under our principal trademark is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such person from membership in such association or exchange.

2. The following paragraphs are added at the end of Item 17 of the Disclosure Document:

The Franchise Agreement requires franchisee to execute a general release of claims upon renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order thereunder is void.

California Business and Professions Code Sections 20000 through 20043 provide rights to franchisees concerning termination, transfer or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement requires application of the laws of the state where the business is located. This provision may not be enforceable under California law.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Orange County, California, with the costs being borne by the non-prevailing party. The prevailing party shall be entitled to recover reasonable compensation for expenses, costs and fees in connection with arbitration, including reasonable attorney's fees. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5 Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

3. The following language is added to the end of Item 19 of the Disclosure Document:

The earnings claim set forth in certain portions of Item 19 of the Disclosure Document only describes Gross Sales (as defined therein) and therefor does not include costs of sales, operating expenses, or other costs or expenses that must be deducted from gross revenue or gross sales figures to obtain net income or profit.

2. The “**Summary**” section of Item 17(w), entitled **Choice of law**, is deleted and replaced with the following:

Illinois law applies.
3. Illinois law governs the agreement(s) between the parties to this franchise.

1. Governing Law.
 - a. Section 16.7 of the Franchise Agreement, “**CHOICE OF LAWS,**” is deleted in its entirety and replaced with the following:

EXCEPT TO THE EXTENT GOVERNED BY THE UNITED STATES TRADEMARK ACT OF 1946 (LANHAM ACT, 15 U.S.C. 3. Section 41 of the Illinois Franchise Disclosure Act provide that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void. Accordingly, insofar as the Franchise Agreement requires you to waive your rights under the Illinois franchise law, these requirements are deleted from the Franchise Agreement. This provision will not prevent the franchisor from requiring you to sign a general release of claims as part of a negotiated settlement of a dispute or actual lawsuit filed under any of the provisions of the Act, nor shall it prevent the arbitration of any claim pursuant to the provisions of Title 9 of the United States Code.

IN WITNESS WHEREOF, each of the undersigned hereby acknowledges having read this Amendment, understands and consents to be bound by all of its terms.

MICHIGAN

ADDENDUM TO DISCLOSURE DOCUMENT

The following disclosures are required by the State of Michigan:

1. THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents related to a franchise:

- A. A prohibition on the right of a franchisee to join an association of franchisees.
- B. A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives a franchisee of rights and protections provided in the Michigan Franchise Investment Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- C. A provision that permits a franchisor to terminate a franchise prior to the expiration of this term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- D. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchise's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years, and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- E. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- F. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- G. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. The subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - 1) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - 2) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

3) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

4) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

H. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (C).

I. A provision which permits the franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless a provision has been made for providing the required contractual services.

2. If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00 the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

3. THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENFORCEMENT BY THE ATTORNEY GENERAL.

Any questions regarding this notice should be direct to:

Note: Despite paragraph F above, we intend to enforce fully the provisions of the arbitration section contained in the Franchise Agreement. We believe that paragraph F is unconstitutional and cannot preclude us from enforcing our arbitration section. You acknowledge that we will seek to enforce this section as well.

VIRGINIA

ADDENDUM TO DISCLOSURE DOCUMENT

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for BFT Franchise Holdings, LLC for use in the Commonwealth of Virginia shall be amended as follows:

The following statement is added to Item 17.h:

“Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the franchise agreement does not constitute “reasonable cause”, as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.”

WASHINGTON

ADDENDUM TO DISCLOSURE DOCUMENT

The State Cover Page is amended to include the following Risk Factor:

Use of Franchise Brokers. The franchisor may use the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Exhibit D of the FDD, the Statement of Prospective Franchisee, is revised to omit Question Number 7 and the last paragraph.

WASHINGTON

AMENDMENT TO FRANCHISE AGREEMENT AND DEVELOPMENT AGREEMENT

In recognition of the requirements of the Washington Franchise Investment Protection Act (RCW 19.100.180), the parties to the attached Franchise Agreement and/or Development Agreement agree as follows:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

**BFT FRANCHISE HOLDINGS, LLC
AREA DEVELOPMENT AGREEMENT**

THIS AREA DEVELOPMENT AGREEMENT (the “Agreement”), is made and entered into this _____ day of _____, 20____, by and between: (i) BFT Franchise Holdings, LLC, a limited liability company formed and operating under the laws of the State of Delaware whose principal business address is 17877 Von Karman Avenue, Suite 100, Irvine, California 92614 (the “Franchisor”); and (ii) _____, a/n _____ with a business address at _____ (the “Developer”).

WITNESSETH:

WHEREAS, as the result of the expenditure of time, effort and expense, Franchisor has created a unique and distinctive proprietary system (hereinafter the “System”) for the establishment, development and operation of BFT Studios (each, a “Studio”) that offer (a) group cardio and/or strength training classes and related services, as well as other services that Franchisor authorizes (collectively, the “Approved Services”), and (b) certain merchandise and other products Franchisor authorizes for sale in conjunction with the Approved Services and Studio operations (collectively, the “Approved Products”), to the general public and/or through a membership-based program, under the mark BFT.

WHEREAS, Franchisor owns the System and the right to use the Proprietary Marks (as defined below), and grants the right and license to others to use the System and the Proprietary Marks;

WHEREAS, the distinguishing characteristics of the System include, without limitation, proprietary methodology and procedures for the establishment and operating procedures, site selection guidance and criteria, specifications for the design, layout and construction of the interior of the Studio, standards and specifications for the furniture, fixtures and equipment located within a Studio, established relationships with approved or designated suppliers for certain products and services, and standards and specifications for advertising, bookkeeping, sales and other aspects of operating a Studio.

WHEREAS, Franchisor identifies the System and licenses the use of certain trade names, service marks, trademarks, emblems and indicia of origin, including the mark BFT and other trade names, service marks and trademarks as are now designated and may hereafter be designated by Franchisor in writing for use with the System (the “Proprietary Marks”);

WHEREAS, Developer desires the right to develop, own and operate multiple Studios under the System in a defined geographic area under a Development Schedule (the “Development Schedule”) set forth in this Agreement; and

WHEREAS, Developer acknowledges that Developer has conducted an independent investigation of the business contemplated by this Agreement and recognizes that, like any other business, the nature of the business conducted as a Studio may evolve and change over time, that an investment in a Studio involves a business risk and the success of the venture is largely dependent upon Developer’s business abilities and efforts.

NOW, THEREFORE, the parties, in consideration of the mutual undertakings and commitments set forth in this Agreement, the receipt and sufficiency of which are hereby acknowledged, agree as follows

1. REFERENCES AND DEFINITIONS

A. DEVELOPMENT AREA

“Development Area” means the geographic area described in Exhibit A.

B. DEVELOPMENT SCHEDULE/DEVELOPMENT PERIOD

“Development Schedule” means the schedule for Developer to open and operate a specific cumulative number of Studios as set forth in Exhibit B to this Agreement. Each “Development Period” is a period of time set forth in the Development Schedule wherein Developer must meet each specific development obligations.

C. FRANCHISE AGREEMENT

Except for the royalty fee and the advertising contributions, which shall remain the same in each franchise agreement executed pursuant to this Agreement and any extensions of this Agreement, the term “Franchise Agreement” means the then-current form of agreements (including the franchise agreement and any exhibits, riders, collateral assignments of leases or subleases, shareholder guarantees and preliminary agreements) that Franchisor customarily uses in the granting of a franchise for the ownership and operation of a Studio.

Concurrent with the execution of this Agreement, Developer shall execute the Franchise Agreement for the first Studio that Developer is granted the right to open within the Development Area hereunder. Franchisor, in its sole discretion, but subject to the express provisions contained herein, may modify or amend in any respect the standard form of Franchise Agreement it customarily uses in granting a franchise for a Studio.

The parties agree and acknowledge that: (i) Developer must timely execute Franchisor’s then-current form of Franchise Agreement for each Studio that Developer is required to open and commence operating pursuant to the Development Schedule; and (ii) Franchisor may, in its discretion, modify or amend the form of Franchise Agreement that Franchisor is using as of the date this Agreement is executed as it deems appropriate for (a) use in the System generally, and (b) execution by the parties in connection with the Studios that Developer must subsequently open and commence operating under this Agreement.

D. PRINCIPALS

The term “Principals” includes, collectively and individually, Developer’s owners; if Developer is an entity, any officers and directors of Developer (including the officers and directors of any general partner of Developer) and any person and of any entity directly owning and/or controlling ten percent (10%) or more of Developer, or a managing member or manager of a limited liability company. The initial Principals shall be listed in Exhibit D. The Principals must execute an agreement in substantially the form of the attached Guaranty and Assumption of Obligations (immediately following this Agreement) undertaking to be bound jointly and severally to all provisions of this Agreement.

2. USE OF SYSTEM

Developer acknowledges, and does not contest, Franchisor's exclusive ownership and rights to each and every aspect of the System. Developer's right to developer Studios is specifically limited to the Development Area, as well as the terms and conditions of this Agreement and Franchise Agreements executed pursuant thereto.

3. GRANT OF DEVELOPMENT RIGHTS

A. GRANT AND TERM

In reliance on the representations and warranties of Developer and its Principals, Franchisor grants to Developer, and Developer hereby accepts the right and obligation to develop, a designated number of Studios within the Development Area in full compliance with the terms of this Agreement, including the timely development obligations to open a specific cumulative number of Studios over prescribed periods of time as established in the Development Schedule; and in full compliance with all obligations and provisions under the form(s) of Franchise Agreement entered into for the right to own and operate each individual Studio.

The term of this Agreement shall commence upon full execution of this Agreement and, unless earlier terminated by Franchisor pursuant to the terms hereof, this Agreement shall expire upon the earlier of: (i) the date Developer timely opens the last Studio it is required to open and commence operations within the Development Area pursuant to this Agreement; or (ii) the last day of the last Development Period on the Development Schedule. Developer acquires no rights under this Agreement to develop Studios outside the Development Area. Upon expiration or termination of this Agreement for any reason, Developer will have no rights whatsoever within the Development Area (other than any territorial rights that Franchisor has granted to Developer in connection with any Studio(s) that Developer has timely opened pursuant to a Franchise Agreement as required by the Development Schedule prior to the date this Agreement is terminated or expires).

B. COMMITMENT OF DEVELOPER

Franchisor has granted these rights in reliance on the business skill, financial capability, personal character and expectations of performance by the Developer and its Principals. This Agreement is for the purpose of developing and operating the Studios, and is not for the purpose of reselling the rights granted by this Agreement.

C. DEVELOPMENT PLAN

The following conditions and approvals are conditions precedent before the right of Developer to develop each Studio becomes effective. At the time Developer selects a site for each Studio, Developer must satisfy the operational, financial and training requirements, set forth below:

(1) Operational: Developer must be in substantial compliance with the material terms and conditions of this Agreement and all Franchise Agreements granted Developer. For each Studio operated by Developer, Developer must be in substantial compliance with the standards, specifications, and procedures set forth and described in the Manuals (defined in the Franchise Agreement).

(2) Financial: Developer and the Principals must satisfy Franchisor's financial criteria for Developers and Principals with respect to Developer's operation of its existing Studios, if any, and the proposed Studio. Developer must be in compliance and not been in default during the twelve (12) months

preceding Developer's request for approval, of any monetary obligations of Developer to Franchisor or its affiliate under any Franchise Agreement granted under this Agreement.

D. EXECUTION OF FRANCHISE AGREEMENT

This Agreement is not a Franchise Agreement and does not grant Developer any right or license to operate a Studio, or to provide services, or to distribute goods, or any right or license in the Proprietary Marks. Developer must timely execute Franchisor's then-current form of Franchise Agreement for each Studio that Developer is required to open under the Development Schedule.

4. DEVELOPMENT RIGHTS AND OBLIGATIONS

A. RESERVATION OF RIGHTS

Franchisor (on behalf of itself and its affiliate(s), parent(s) and subsidiaries) retains the rights, in its sole discretion and without granting any rights to Developer: (1) to itself operate, or to grant other persons the right to operate, Studios at locations and on terms Franchisor deems appropriate outside the Development Area granted Developer, and (2) to sell the products and services authorized for Studios under the Proprietary Marks or under other trademarks, service marks and commercial symbols through dissimilar channels of distribution and under terms Franchisor deems appropriate within and outside the Development Area, including, but not limited to, by electronic means, such as the Internet, and by web sites established by Franchisor, as we determine, in our sole discretion.

In addition, Franchisor, any other developer and any other authorized person or entity shall have the right, at any time, to advertise and promote the System, in the Development Area. Developer acknowledges and agrees that Developer is only granted the right to develop and operate Studios within the Development Area. Accordingly, within and outside the Development Area, Franchisor and its affiliate and its subsidiaries may also offer and sell, and may authorize others to offer and sell products and services identified by the Proprietary Marks (including memberships and gift cards) at or from any location.

Franchisor and its affiliate(s)/parent(s) further reserve the right to: (i) establish and operate, and license any third party the right to establish and operate, other Studios and Franchised Businesses using the Marks and System at any location outside of Development Area; (ii) market, offer and sell products and services that are similar to the products and services offered by the Franchised Business under a different trademark or trademarks at any location, within or outside the Development Area; (iii) use the Marks and System, as well as other such marks we designate, to distribute any Approved Products and/or Services in any alternative channel of distribution, within or outside the Development Area (including the Internet, mail order, catalog sales, toll-free numbers, wholesale stores, etc.); (iv) to acquire, merge with, or otherwise affiliate with, and after that own and operate, and franchise or license others to own and operate, any business of any kind, including, without limitation, any business that offers products or services the same as or similar to the Approved Products and Services (but under different marks), within or outside the Development Area; (v) operate and grant others the right to operate Studios at "Non-Traditional Locations," including (a) "big box" gyms and/or fitness facilities operating under a mark other than the Proprietary Marks, (b) military bases, (c) shopping malls, (d) airports, stadiums, arenas and/or other sports, entertainment and captive venues, (e) major industrial or office complexes, (f) hotels, (g) train stations, travel plazas and/or other transportation centers, (h) casinos, hospitals and/or academic institutions, that are within and outside the Development Area, on any terms and conditions we deem appropriate; and (vi) use the Marks and System, and license others to use the Marks and System, to engage in any other activities not expressly prohibited in the Development Agreement.

Franchisor may be acquired (whether through acquisition of assets, ownership interests or otherwise, regardless of the form of transaction), by a business providing products and similar services to those provided at a Studio, or by another business, even if such business operates, franchises and/or licenses competitive businesses within the Development Area granted by the Area Development Agreement and within the Designated Territory granted by a Franchise Agreement.

Franchisor has the right to own, operate and license others to own and operate other business concepts in and outside the Development Area consistent with the terms of this Section.

Franchisor has no obligation and will not pay Developer if it exercises any of the rights specified above within the Development Area granted by the Area Development Agreement or within the Designated Territory granted by a Franchise Agreement.

B. RIGHTS DURING DEVELOPMENT PERIODS

Subject to Section 4(A) and the other terms of this Agreement, if Developer (i) is in compliance with the material terms and conditions contained in this Agreement, including the timely development obligations to open a specific cumulative number of Studios over prescribed periods of time as established in Exhibit B (the "Development Schedule"), and (ii) is in substantial compliance with all material obligations under Franchise Agreements executed by Developer for individual Studios under this Agreement; then during the Development Schedule, Franchisor: (i) will grant Developer the right to own and operate Studios located within the Development Area pursuant to the terms of this Agreement; and (ii) will not operate (directly or through its affiliate), nor grant a franchise for the location of, any Studio within the Development Area, except for franchises granted to Developer under this Agreement.

If Developer, for any reason within his control, fails to comply with the Development Schedule, this failure constitutes a material default of this Agreement, and Franchisor has the right to terminate this Agreement pursuant to Section 14 of this Agreement. In the event Developer fails to cure the noticed default within the time allowed under Section 14, Franchisor may terminate this Agreement and grant individual or area development franchises within the Development Area to third parties or own and operate Studios owned by Franchisor or by the affiliate of Franchisor. Franchisor and Developer agree that the timely development of Studios by Developer in compliance with the Development Schedule will control the rights granted Developer by this Agreement, regardless of the time period granted Developer to open a Studio pursuant to a Franchise Agreement for such Studio. Upon termination of this Agreement, all rights granted Developer revert to Franchisor, who is free to franchise any other person to use the System within the Development Area or to itself own and operate Studios within the Development Area.

Notwithstanding anything contained in this Section, Franchisor will provide Developer with a one-time reasonable extension of time not to exceed ninety (90) days to comply with its development obligations in any one of the Development Period as set forth in the Development Schedule (see Exhibit B), provided: (i) Developer has already executed a lease for, or otherwise obtained, a Premises that Franchisor approves for any Studio(s) it is required to open and operate during that Development Period; and (ii) Developer notifies Franchisor of its need for such an extension no less than thirty (30) days prior to expiration of that Development Period. The parties agree and acknowledge that Franchisor's grant of this one-time extension under this Section will not extend, modify or otherwise affect the expiration of any of Developer's subsequent Development Periods or subsequent development obligations.

C. DEVELOPMENT OBLIGATIONS

Developer will at all times faithfully, honestly, and diligently perform his obligations under this Agreement and will continuously exert his best efforts to timely promote and enhance the development of

Studios within the Development Area. Developer agrees to open and operate the cumulative number of Studios at the end of each Development Period set forth in the Development Schedule (see Exhibit B). Developer agrees that compliance with the Development Schedule is the essence of this Agreement.

D. EXPIRATION OR TERMINATION

After this Agreement expires or terminates for any reason, Franchisor shall have the absolute right to own and operate, or license other parties the right to own and operate Studios, in the Development Area, except in those Designated Territories granted under each Franchise Agreement that Developer enters into pursuant to this Agreement.

5. STUDIO CLOSINGS

If during the term of this Agreement, Developer ceases to operate any Studio developed under this Agreement for any reason, Developer must develop a replacement Studio to fulfill Developer's obligation to have open and in operation the required number of Studios upon the expiration of each Development Period. The replacement Studio must be open and in operation within nine (9) months after Developer ceases to operate the Studio to be replaced or Developer will be in material breach of this Agreement. If, during the term of this Agreement, Developer, in accordance with the terms of any Franchise Agreement for a Studio developed under this Agreement, transfers its interests in that Studio, a transferred Studio shall continue to be counted in determining whether the Developer has complied with the Development Schedule so long as it continues to be operated as a Studio. If the transferred Studio ceases to be operated as a Studio, it will not count toward Developer's compliance with the Development Schedule.

6. PROCEDURE FOR EXERCISING DEVELOPMENT RIGHTS

Developer shall enter into a separate Franchise Agreement with Franchisor for each Studio developed pursuant to this Agreement. The Franchise Agreement to be executed for the first Studio to be developed by Developer under this Agreement must be executed and delivered to Franchisor concurrently with the execution and delivery of this Agreement. All subsequent Studios developed under this Agreement must be established and operated under the then-current form of Franchise Agreement then being used by Franchisor for Studios under the System. The then-current form of Franchise Agreement may differ from the form attached as Exhibit C; however, the provisions regarding royalty fees and advertising contributions shall remain as established in Exhibit C. Developer must execute the then-current form of Franchise Agreement for each Studio to be developed under this Agreement

Developer acknowledges that the projected opening dates for each Studio set forth in the Development Schedule are reasonable requirements. Developer must execute a Franchise Agreement for each Studio by the earlier of: (i) fifteen (15) days from the date a lease is signed for a location that Franchisor approves for the Studio at issue; and (ii) the date necessary for Developer to otherwise comply with its development obligations under this Agreement.

7. DUTIES OF DEVELOPER

A. ORGANIZATION OF DEVELOPER

Developer makes the following representations, warranties and covenants and accepts the following continuing obligations:

(1) If Developer is a corporation, limited liability company or a partnership, Developer represents, warrants and covenants that: (i) Developer is duly organized and validly existing under the state

law of its formation; (ii) Developer is duly qualified and is authorized to do business in each jurisdiction which requires such qualification; (iii) the execution and performance of this Agreement are within Developer's corporate power, if Developer is a corporation or if Developer is a partnership permitted under Developer's written partnership agreement, or if Developer is a limited liability company, permitted under the management agreement;

(2) If Developer is a corporation, copies of its articles of incorporation, bylaws, other governing documents, any amendments, resolutions of the Board of Directors authorizing entry into and performance of this Agreement, shall be promptly furnished to Franchisor. If Developer is a partnership, copies of Developer's written partnership agreement and other governing documents shall be promptly furnished to Franchisor before the execution of this Agreement. If Developer is a limited liability company, copies of Developer's organizational documents and management agreement shall be promptly furnished to Franchisor;

(3) If Developer is a corporation, partnership, limited liability company, or other form of legal entity other than an individual, Developer shall maintain at all times a current list of all owners of record and all beneficial owners of any class of voting securities in Developer or, if Developer is a partnership, Developer shall maintain at all times a current list of all owners of an interest in the partnership, or, if Developer is a limited liability company, it shall maintain at all times a current list of managers and members of the limited liability company;

(4) If, after the execution of this Agreement, any person ceases to qualify as one of the Developer's Principal's (as defined in Section 1), or if Developer believes in the event any individual later qualifies as one of Principals, Developer shall promptly notify Franchisor and that person shall execute any documents (including, as applicable, this Agreement) as Franchisor may reasonably require;

(5) If Developer is a corporation, Developer must maintain stop-transfer instructions against the transfer of its records of any equity security and each stock certificate of the corporation shall have conspicuously endorsed upon it a statement in a form satisfactory to Franchisor that it is held subject to all restrictions imposed upon assignments by this Agreement; provided, however, that the requirements of this Section 7 shall not apply to a publicly held corporation. If Developer is a partnership, its written partnership agreement shall provide that ownership of an interest in the partnership is held subject to and that further assignment or transfer is subject to restrictions imposed on assignments by this Agreement. If Developer is a limited liability company, its articles of organization and operating agreement must provide that ownership interests are subject to restrictions on transfers imposed on assignments by this Agreement;

(6) Developer agrees to maintain at all times throughout the term of this Agreement, sufficient working capital to fulfill its obligations under this Agreement; and

(7) Each Principal who has right, title, or interest of ten percent (10%) or more in the ownership of Developer, must each execute and bind themselves to the confidentiality and noncompetition covenants set forth in the Confidentiality Agreement and Ancillary Covenants Not to Compete (Exhibit E). The Principals agree to jointly and severally guarantee the performance of all of Developer's obligations, under the terms of this Agreement, except the obligation to open Studios.

B. REQUIREMENTS OF REPRESENTATIVE

Upon the execution of this Agreement, Developer must designate and retain an individual throughout the term of this Agreement to act on behalf of Developer in all transactions with Developer concerning Developer's obligations under this Agreement (the "Representative"). If Developer is an individual, Developer must perform all obligations of the Representative. The Representative must use

reasonable efforts to do the following, during the entire period he serves in that capacity: (1) maintain a direct or indirect ownership interest in the Developer; (2) devote substantial time and reasonable efforts to the supervision and conduct of the business contemplated by this Agreement and execute this Agreement as one of the Principals; and (3) meet Franchisor's standards and criteria for a Representative as set forth in the Manuals or otherwise in writing by Franchisor. If the Representative or any designee is not able to continue to serve in the capacity of Representative or no longer qualifies, Developer must promptly notify Franchisor and designate a replacement.

C. BEST EFFORTS

Developer must use his best efforts to substantially comply with all requirements of federal, state and local rules, regulations and orders.

8. SITE SELECTION, LEASES, FRANCHISE AGREEMENT

A. SELECTION OF SITE BY DEVELOPER

Developer assumes all costs, liabilities, expenses and responsibilities for locating, obtaining, financing and developing sites for Studios, and for constructing and equipping Studios at those sites. The selection of a site and the development of a Studio at any site is the responsibility of Developer. The selection of a site by Developer is subject to our approval and must be in compliance with Franchisor's site selection procedures and its standards for demographic characteristics, parking, traffic patterns and the predominant character of the neighborhood, and other commercial characteristics of the site and any other factors Franchisor may consider relevant in reviewing a site selected by Developer. Developer must not enter into a binding commitment with a prospective seller or lessor of real estate with respect to the site for a Studio until Franchisor has approved the proposed site. Developer specifically acknowledges that the selection of a site by Developer in compliance with Franchisor's site selection procedures and the approval of a site by Franchisor does not constitute a representation, promise or guarantee by Franchisor that the site and the Studio to be operated at that site will be profitable or successful. Developer acknowledges that factors governing the success of a Studio are unpredictable and beyond Franchisor's control. Franchisor is not responsible to Developer or to any other person or entity if a site approved by Franchisor fails to meet Developer's expectations for revenue or operational criteria.

B. DEMOGRAPHIC INFORMATION

Before acquiring a site for any Studio by lease or purchase, Developer must locate a site for the Studio that satisfies the site selection guidelines Franchisor provides to Developer and must submit to Franchisor, in the form Franchisor specifies, a description of the site, a demographic study and other information and materials Franchisor may reasonably require and shall represent in writing that Developer has the option or other firm commitment to obtain the site. Franchisor will review information provided by Developer for the site which may include the population of the work force or residents, character of the neighborhood, household income, ingress and egress, and trade area. If on-site evaluations by Franchisor are requested by Developer or determined to be necessary by Franchisor, then Franchisor or its designee will, at Franchisor's expense, provide a single on-site inspection in connection with each Studio that Developer is required to open hereunder at Franchisor's expense. Developer must reimburse Franchisor for the reasonable expenses Franchisor incurs for any additional on-site evaluations, including, but not limited to, the cost of travel, lodging, meals and wages of Franchisor's representatives and employees.

C. LEASE OR PURCHASE OF SITE

Developer shall not make any binding commitment to purchase or lease real estate for a proposed site for a Studio until the proposed site has been approved by Franchisor and a Franchise Agreement has been executed by Franchisor and Developer (or its affiliate) for a Studio at such site. Developer shall provide Franchisor with a copy of either the proposed contract of sale or lease relating to the site before the Franchise Agreement is executed. Developer must comply with the conditions set forth in the Franchise Agreement at issue in connection with the signing of such a lease, including ensuring that both Developer and the landlord for the proposed site execute Franchisor's prescribed form of Collateral Assignment of Lease. Developer must use any approved or designated suppliers that Franchisor designates in connection with the site selection and acquisition process.

D. FRANCHISE AGREEMENT

Franchisor will deliver a Franchise Agreement, in the then-current form, to Developer for execution by Developer (or its affiliate). With the execution of this Agreement, Developer must concurrently execute the Franchise Agreement establishing Developer's first Studio and return both this Agreement and the Franchise Agreement to Franchisor. If Developer fails to execute the Franchise Agreement, Franchisor may, at its sole discretion, revoke its approval of the site and its offer to grant Developer a franchise to operate a Studio at the site.

9. DEVELOPMENT FEE

Concurrently with the execution of this Agreement, Developer must pay to Franchisor a nonrefundable area development fee equal to \$ _____ (the "Development Fee"). The Development Fee is deemed fully earned by Franchisor upon execution of this Agreement in consideration of lost development opportunities and is nonrefundable under any circumstances. Developer will not be required to pay any additional initial franchise fee for each Studio opened pursuant to this Agreement upon executing a Franchise Agreement for that Studio.

10. SUPERIORITY OF INDIVIDUAL FRANCHISE AGREEMENT

Developer understands and agrees that any and all individual Franchise Agreements executed by Developer and Franchisor for Studios within the Development Area are independent of this Agreement. The continued effectiveness of any Franchise Agreement does not depend on the continued effectiveness of this Area Development Agreement. If any conflict arises with this Agreement and any Franchise Agreement, the Franchise Agreement controls, has precedence and superiority (except with respect to the opening deadline for each Studio Developer is granted the right to open under this Agreement).

11. COVENANTS

A. Developer and the Representative covenant that during the term of this Agreement, except as otherwise approved in writing by Franchisor, Developer and the Representative must devote substantial time, energy and best efforts to the management and operation of the development activities required under this Agreement.

B. Developer acknowledges that, as a participant in Franchisor's System, Developer will receive proprietary and confidential information and materials, trade secrets, and the unique methods, procedures and techniques that Franchisor has developed. As such, Developer agrees to the covenants in this Section to protect Franchisor, the System, Proprietary Marks and Franchisor's other franchisees and developers.

(1) During the term of this Agreement, neither Developer, its Principals, owners, officers or guarantors, nor any immediate family of Developer, its Principals, owners, officers or guarantors, may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation:

(a) Own, maintain, engage in, be employed or serve as an officer, director, or principal of, lend money or extend credit to or have any interest in or involvement with, any: (i) group or personal cardio or strength training or other fitness, exercise or personal training business; (ii) any fitness, exercise or personal training marketing or consulting business; (iii) any business offering products of a similar nature to those of the Studio (each, a “Competing Business”); or (iv) offers or grants licenses or franchises, or establishes joint ventures, for the ownership or operation of a Competing Business. For purposes of this Agreement, a Competing Business does not include: (A) any business operated by Developer under a Franchise Agreement with Franchisor; or (B) any business operated by a publicly-traded entity in which Developer owns less than two percent (2%) legal or beneficial interest

(b) Employ or seek to employ any person who is at that time employed by Franchisor, Franchisor’s affiliates or any other System franchisee or developer, or otherwise directly or indirectly induce or seek to induce such person to leave his or her employment thereat; or

(c) Divert, or attempt to divert, any prospective customer to a Competing Business in any manner.

(2) For a period of two (2) years after the expiration and nonrenewal, transfer or termination of this Agreement, regardless of the cause, neither Developer, its Principals, owners, officers and guarantors, nor any member of the immediate family of Developer, its Principals, owners, officers or guarantors, may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation, be involved with any business that competes in whole or in part with Franchisor by offering or granting licenses or franchises, or establishing joint ventures, for the ownership or operation of a Competing Business. The geographic scope of the covenant contained in this Section is any location where Franchisor can demonstrate it has offered or sold franchises as of the date this Agreement is terminated or expires.

(3) For a period of two (2) years after the expiration and nonrenewal, transfer or termination of this Agreement, regardless of the cause, neither Developer, its Principals, owners, officers and guarantors, nor any member of the immediate family of Developer, its Principals, owners, officers or guarantors, may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation:

(a) Own, maintain, engage in, be employed as an officer, director, or principal of, lend money to, extend credit to or have any interest in or involvement with any other Competing Business: (i) within the Development Area; or (ii) within a forty (40) mile radius of the perimeter of the Development Area being granted hereunder or any other designated territory or development area licensed by Franchisor to a Studio (whether franchised or company-owned) at any time from the date of expiration or termination of this Agreement through the date Franchisee attempts to undertake the competitive activity at issue; or

(b) Solicit business from customers of Developer’s former Studios or contact any of Franchisor’s suppliers or vendors for any competitive business purpose, nor solicit any of Franchisor’s other employees, or the employees of Franchisor’s affiliates or any other System franchisee or developer to discontinue employment.

C. It is the parties' intent that the provisions of this Section 11 be judicially enforced to the fullest extent permissible under applicable law. Accordingly, the parties agree that any reduction in scope or modification of any part of the noncompetition provisions contained herein shall not render any other part unenforceable. In the event of the actual or threatened breach of this Section 11 by Developer, any of Developer's Principals, or any member of the immediate family of Developer or Developer's Principals, Franchisor shall be entitled to an injunction restraining such person from any such actual or threatened breach. Developer acknowledges that the covenants contained herein are necessary to protect the goodwill of other System franchisees and developers, and the System. Developer further acknowledges that covenants contained in this Section 11 are necessary to protect Franchisor's procedures and know-how transmitted during the term of this Agreement. Developer agrees that in the event of the actual or threatened breach of this Section 11, Franchisor's harm will be irreparable and that Franchisor has no adequate remedy at law to prevent such harm. Developer and the Principals agree to pay all costs and expenses (including reasonable attorneys' fees) incurred by Franchisor in connection with the enforcement of this Section 11. Developer acknowledges and agrees on Developer's own behalf and on behalf of the persons who are liable under this Section 11 that each has previously worked or been gainfully employed in other careers and that the provisions of this Section 11 in no way prevent any such person from earning a living. Developer further acknowledges and agrees that the time limitation of this Section 11 shall be tolled during any default under this Section 11.

D. Developer must ensure that all management personnel of Developer's Studios opened under this Agreement, as well as any officers or directors of Developer, execute Franchisor's then-current form of Confidentiality and Non-Competition Agreement. Developer must furnish Franchisor a copy of each executed agreement.

E. Developer hereby agrees that the existence of any claim Developer may have against Franchisor, whether or not arising from this Agreement, shall not constitute a defense to Franchisor's enforcement of the covenants contained in this Section 11. Developer agrees to pay all costs and expenses (including reasonable attorneys' fees) that Franchisor incurs in connection with the enforcement of this Section 11.

F. Notwithstanding the foregoing, Franchisor reserves the right, in its sole discretion, to reduce the period of time or geographic scope of the non-competition covenants set forth in this Section 11 and in Exhibit E, by written notice to Developer.

12. RELATIONSHIP OF THE PARTIES

A. The parties agree that this Agreement does not create a fiduciary relationship between them, that Developer is an independent contractor and must at all times represent itself as an independent contractor. This Agreement does not create either party as an agent, legal representative, subsidiary, joint venturer, partner, employee or joint employer. Developer shall hold itself out to the public as an independent contractor operating pursuant to this Agreement. Developer agrees to take any action necessary to that end, including without limitation, exhibiting a notice on signage and member contracts, as required by Franchisor as to content and manner of disclosure.

B. Developer understands and agrees that nothing in this Agreement authorizes Developer to make any contract, agreement, warranty or representation on Franchisor's behalf, or to incur any debt or other obligation in Franchisor's name and that Franchisor shall in no event assume liability for, or be deemed liable under this Agreement as a result of any such action, or for any act or omission of Developer in the conduct of its business pursuant to this Agreement or any claim or judgment arising therefrom.

C. Developer and each of the Principals shall, at all times, indemnify and hold harmless Franchisor and its affiliate, successors and assigns and the officers, directors, shareholders, agents, representatives and employees of each of them (“Indemnitees”) from all losses and expenses incurred in connection with any formal or informal action, suit, proceeding, claim, demand, investigation or inquiry or any settlement thereof, which arises out of or is based upon the action or negligence of Developer or any Principal in any of the following:

(1) The infringement, alleged infringement, or any other violation or alleged violation of any Proprietary Mark or other proprietary right owned by Franchisor;

(2) Claims of sexual harassment or discrimination by Developer’s employees or by a guest at the Studio;

(3) The violation of any federal, state or local law, regulation, rule, standard or directive, or any industry standard, including without limitation, health, sanitation and safety laws and regulations;

(4) Libel, slander or any other form of defamation of Franchisor or the System, by Developer or the Principals;

(5) The violation or breach by Developer or any of the Principals of any warranty, representation, agreement or obligation of this Agreement or any Franchise Agreement; and

(6) Acts, errors or omissions of Developer or any of its agents, servants, employees, contractors, partners, affiliates or representatives.

Notwithstanding anything contained in this Section 12(C), Developer will not be required to indemnify, defend or hold Franchisor harmless for any claims or causes of action that arise solely out of Franchisor’s gross negligence or willful misconduct.

D. Developer and each of the Principals agree to give Franchisor immediate notice of any such action, suit, proceeding, claim, demand, inquiry or investigation.

E. Franchisor may, at any time and without notice, as it, in its reasonable discretion, consent, or agree to settlement, or take such other remedial or corrective action as it deems expedient with respect to the action, suit, proceeding, claim, demand, inquiry or investigation.

F. All losses and expenses incurred under this Section 12 shall be chargeable to and shall be paid by Developer or any of the Principals pursuant to this Section 12, regardless of any actions, activity or defense undertaken by Franchisor or the subsequent success or failure of such actions, activity or defense. However, Franchisor will indemnify Developer from losses or expenses resulting from the direct result of Franchisor’s negligence or intentional acts.

G. The phrase “losses and expenses” shall include, without limitation, all monetary losses, compensatory, exemplary or punitive damages, fines, actual costs, expenses, lost profits, reasonable attorneys’ fees, court costs, settlement amounts, judgments, damages to Franchisor’s reputation and goodwill, costs of financing or advertising material and media costs and all expenses of recall, refunds, compensation, public notices and such other amounts incurred in connection with the matters described.

H. Developer must give Franchisor notice of any such action immediately upon Developer having received notice of any such action, claim or proceeding.

I. Under no circumstances shall Indemnitees be required or obligated to seek recovery from third parties or otherwise mitigate their losses in order to maintain a claim against Developer. Developer and the Principals agree that the failure of Franchisor to pursue recovery or mitigate loss from third parties will in no way reduce the amounts recoverable from Developer or the Principals.

J. Developer and the Principals expressly agree that the terms of this Section 12 shall continue in full force and effect after the termination, expiration or transfer of this Agreement or any interest herein.

13. PROPRIETARY MARKS

A. Developer acknowledges that Developer has no interest in or to the Proprietary Marks and Developer's right to use the Proprietary Marks is derived solely from the individual Franchise Agreements entered into between Developer and Franchisor for the purpose of operating Studios. Developer agrees that all usage of the Proprietary Marks by Developer and any goodwill established exclusively benefits Franchisor. Developer agrees that after termination or expiration of this Agreement, Developer will not, except with respect to Studios operated by Developer under individual Franchise Agreements, directly or indirectly, at any time or in any manner identify itself or any business as a Developer or former Developer of, or otherwise associated with, Franchisor or use in any manner or for any purpose any Proprietary Mark or other indicia of a Studio or any colorable imitation.

B. Developer must not use any Proprietary Mark as part of any corporate or trade names or with any prefix, suffix, or other modifying words, terms, designs, or symbols, or in any modified form, nor may Developer use any Proprietary Mark in connection with any business or activity, other than the business conducted by Developer under Franchise Agreements entered into between Developer and Franchisor, or in any other manner not explicitly authorized in writing by Franchisor.

C. Developer must immediately notify Franchisor in writing of any apparent infringement of or challenge to Developer's use of any Proprietary Mark, or claim by any person of any rights in any Proprietary Mark or similar trade name, trademark, or service mark of which Developer becomes aware. Developer must not communicate with any person other than Franchisor and its counsel regarding any infringement, challenge or claim. Franchisor has sole discretion to take action it deems appropriate and the right to exclusively control any litigation, U.S. Patent and Trademark Office proceeding or other administrative proceeding arising out of any infringement, challenge, or claim or otherwise relating to any Proprietary Mark.

D. Franchisor has registered the domain name www.bodyfittraining.com. Developer acknowledges that Franchisor is the lawful and sole owner of this domain name, which incorporates the trademark BFT. Developer agrees not to register the trademark BFT or any of the Proprietary Marks now or hereafter owned by Franchisor or any abbreviation, acronym or variation of the Proprietary Marks, or any other name that could be deemed confusingly similar, as Internet domain names, including, but not limited to, generic and country code top level domain names available at the present time or in the future.

E. Developer agrees and acknowledges that this Agreement does not grant Developer any rights whatsoever to use any Proprietary Mark, and that such rights are only granted through Developer's timely execution of a Franchise Agreement that will govern the operation of a Studio that Developer is required to open pursuant to the Development Schedule.

14. TERMINATION

A. Franchisor may terminate this Agreement for a material default of this Agreement by Developer and all rights granted herein shall automatically terminate upon written notice to Developer, upon the occurrence of any of the following:

(1) If Developer becomes insolvent, makes a general assignment for the benefit of creditors; files a voluntary petition in bankruptcy, or an involuntary petition is filed against Developer in bankruptcy; or Developer is adjudicated bankrupt; or if a bill in equity or other proceeding for the appointment of a receiver of Developer or other custodian for Developer or assets is filed and consented to by Developer; or if a receiver or other custodian (permanent or temporary) of Developer's assets or property, or any part thereof, is appointed by a court of competent jurisdiction; or if a proceeding for a composition of creditors under any state or federal law should be initiated against Developer; or if a final judgment remains unsatisfied or of record for thirty (30) days or longer, (unless supersedeas bond is filed); or if Developer is dissolved; or if execution is levied against Developer; or if a suit to foreclose any lien or mortgage against the premises or Studio is levied; or if the real or personal property of Studio is sold after levy thereon by any sheriff, marshal or law officer;

(2) If Developer or any of its Principals fail to comply with Section 11 of this Agreement;

(3) If Developer or a Principal discloses the contents of the Manuals or other confidential information contrary to this Agreement;

(4) If an immediate threat or danger to public health or safety results from the operation of a Studio operated by Developer under a Franchise Agreement;

(5) If Developer or a Principal has made material misrepresentations in connection with its application for the franchise;

(6) If Developer fails on three (3) or more occasions within any one (1) year period to comply with one (1) or more provisions of this Agreement, whether or not such failures to comply are cured after notice thereof is delivered to Developer; or

(7) Failure to comply with the conditions of transfer of any interest in Developer as required of this Agreement.

B. Franchisor may terminate this Agreement and all rights granted herein, upon thirty (30) days written notice to Developer, or a less time as specified below, for a material default of this Agreement, which shall constitute good cause for termination and the failure of Developer to cure the good cause for termination within the notice period. Good cause for termination shall be the occurrence of any one of the following events of default:

(1) If Developer fails to meet the development requirements set forth in the Development Schedule;

(2) If Developer fails to develop, open and operate each Studio and execute each Franchise Agreement in compliance with this Agreement;

(3) If Developer fails to designate a qualified replacement Representative;

(4) If Developer misappropriates, misuses or makes any unauthorized use of the Proprietary Marks or materially impairs the goodwill associated with the Proprietary Marks or with the System and does not cure such default following written notice from Franchisor;

(5) If Developer, fails, refuses or is unable to promptly pay when due any monetary obligation to Franchisor or its affiliate required by this Agreement, or by any Franchise Agreement or any other agreement between the parties and does not cure the monetary default within fourteen (14) days following written notice from Franchisor;

(6) If Developer fails to correct a deficiency of a health, sanitation, or safety issue after notice of such deficiency is issued by a local, state, or federal agency or regulatory authority; or

(7) If Developer fails to comply with any other material term or material condition imposed by this Agreement or any Franchise Agreement executed pursuant thereto.

C. Failure of Developer to cure the default within the specified time, or a longer period of time as applicable law may require, will result in Developer's rights under this Agreement to be terminated effective on the expiration of the notice period, and without further notice to Developer.

D. Upon termination of this Agreement, Developer has no right to establish or operate any Studio for which an individual Franchise Agreement has not already been executed by both Franchisor and Developer, as well as delivered to Developer, as of the date of termination. Franchisor, effective upon termination of this Agreement, shall have the absolute right and is entitled to establish, and to license others to establish, Studios in the Development Area, except as may be otherwise provided under any Franchise Agreement which is then in effect between Franchisor and Developer.

E. No default under this Agreement shall constitute a default under any Franchise Agreement between the parties, unless Developer's acts or omissions also violate the terms and conditions of the applicable Franchise Agreement.

F. No right or remedy herein conferred upon or reserved to the Franchisor is exclusive of any other right or remedy provided or permitted by law or in equity.

15. EFFECT OF TERMINATION AND EXPIRATION

All obligations of Franchisor and Developer under this Agreement, which expressly or by their nature survive the expiration or termination of this Agreement, continue in full force and effect after the expiration or termination of this Agreement and until they are satisfied in full or by their nature expire.

16. TRANSFER OF INTEREST

A. BY FRANCHISOR

Franchisor has the absolute right to transfer or assign this Agreement and all or any part of its rights, duties or obligations to any person or legal entity without the consent of or notice to Developer. This Agreement shall inure to the benefit of, and be binding on the successors and assigns of Franchisor.

B. DEVELOPER MAY NOT ASSIGN WITHOUT APPROVAL OF THE FRANCHISOR

Developer understands and acknowledges that the rights and duties created by this Agreement are personal to Developer and its owners and that Franchisor has granted these rights to Developer in reliance upon the individual or collective character, skill, aptitude, attitude, business ability and financial capacity of Developer and/or its owners. Unless otherwise provided with respect to an assignment to an entity controlled by Developer as provided in Section 16(D), none of these rights nor any ownership interest in Developer may be voluntarily, involuntarily, directly or indirectly, assigned, sold, conveyed, pledged, sub-franchised or otherwise transferred by Developer or its owners (including by merger or consolidation, by issuance of additional securities representing an ownership interest in Developer, by conversion of a general partnership to a limited partnership, by transfer or creation of an interest as a general partner of a partnership, by transfer of an interest in Developer or in this Agreement in a divorce proceeding, or if Developer or an owner of Developer dies, by will, declaration of or transfer in trust or the laws of the intestate succession) without the approval of Franchisor. Any attempted assignment or transfer without such approval will constitute a breach of this Agreement and will not transfer any rights or interests to such assignee or transferee.

C. CONDITIONS FOR APPROVAL OF ASSIGNMENT

If Developer is in substantial compliance with this Agreement, Franchisor shall not unreasonably withhold its approval of an assignment or transfer contemplated by Section 16(B) so long as the proposed assignee or transferer has good and moral character, sufficient business experience and aptitude to develop and own and operate Studios, and otherwise meets Franchisor's then-current standards for developers and System franchisees. Franchisor may require that any one or more of the following conditions be met before, or concurrently with, the effective date of any such assignment or transfer:

(1) All the accrued monetary obligations of Developer or any of its affiliates and all other outstanding obligations to Franchisor or its affiliate arising under this Agreement or any Franchise Agreement or other agreement between them and all trade accounts and any other debts to Franchisor, of whatsoever nature, prior to the transfer becoming effective shall be satisfied;

(2) Developer and its affiliates are not in material default of any substantive provision of this Agreement, any amendment hereof or successor hereto, or any Franchise Agreement granted pursuant to its terms, or other agreement between Developer or any of its affiliates and Franchisor or its affiliate;

(3) Developer and its Principals, as applicable, shall have executed a general release, in a form satisfactory to Franchisor, releasing Franchisor of any and all claims against Franchisor and its affiliate and their respective past and present partners, the past and present officers, directors, shareholders, partners, agents, representatives, independent contractors, servants and employees of each of them, in their corporate and individual capacities, including, without limitation, claims arising under or related to this Agreement and any other agreements between Developer and Franchisor, or under federal, state or local laws, rules, and regulations or orders;

(4) The transferee shall demonstrate to Franchisor's satisfaction that the transferee meets the criteria considered by Franchisor when reviewing a prospective developer's application for development rights, including, but not limited to, Franchisor's managerial and business experience standards, that the transferee possesses good moral character, business reputation and credit rating; that the transferee has the aptitude, financial resources and capital committed for the operation of the business, and

the geographic proximity of other territories with respect to which transferee has been granted development rights or of other Studios operated by transferee, if any;

(5) The transferee must, at Franchisor's option, either (i) execute Franchisor's then-current form of development agreement to govern the remainder of the Development Schedule, or (ii) sign a written assumption agreement, in a form prescribed by Franchisor, assuming full, unconditional, joint and several liability from the date of the transfer of all obligations, covenants and agreements of Developer in this Agreement. If transferee is a corporation, limited liability company or a partnership, transferee's shareholders, partners, members or other investors, as applicable, shall also execute the form of agreement Franchisor designates;

(6) Developer shall pay a transfer fee equal to fifty percent (50%) of the Development Fee to Franchisor at the time of transfer, unless the transfer is being made: (i) to an immediate family member of Developer that Franchisor approves pursuant to Section 16(F); or (ii) in the form of an encumbrance of the assets of any Franchised Business (or a subordinating Franchisor's security interest in such assets) as a necessary condition to obtain SBA or traditional bank financing;

(7) Developer acknowledges and agrees that each condition, which must be met by the transferee, is reasonable and necessary; and

(8) Developer must pay any referral fees or commissions that may be due to any franchise broker, sales agent or other third party upon the occurrence of such assignment.

Franchisor's consent to a transfer of any interest in Developer described herein shall not constitute a waiver of any claims it may have against the transferring party, nor shall it be deemed a waiver of Franchisor's right to demand exact compliance with any of the terms of this Agreement by the transferee. Upon an approved transfer under this Section, Developer will only be bound by, and liable in connection with, its post-term obligations under this Agreement.

D. ASSIGNMENT TO A CORPORATION OR LIMITED LIABILITY COMPANY

(1) Notwithstanding the provisions of this Section 16 of this Agreement, upon thirty (30) days' prior written notice to Franchisor, and without payment of a transfer fee, Developer may assign this Agreement to a corporation or limited liability company that conducts no business other than the development and/or operation of Studios. Developer shall be the owner of all the voting stock or interest of the corporation or limited liability company, or if Developer is more than one individual, each individual shall have the same proportionate ownership interest in the corporation as he had in Developer before the transfer. Developer and each of its Principals, as applicable, may transfer, sell or assign their respective interests in Developer, by and amongst themselves with Franchisor's prior written consent, which consent shall not be unreasonably withheld; but may be conditioned on compliance with Section 11, except that such transfer, sale or assignment shall not effect a change in the controlling interest in Developer.

(2) Any person who is or becomes a shareholder or member of Developer or has or acquires beneficial ownership of any shares of stock equal to or greater than ten percent (10%) ownership interest in Developer must execute an agreement in substantially the form of the attached Guaranty and Assumption of Obligations undertaking to be bound jointly and severally to all provisions of this Agreement. Developer must furnish Franchisor at any time upon request a certified copy of the articles of incorporation or articles of organization and a list, in a form Franchisor requires, of all shareholders or members of record and all persons having beneficial ownership of shares of stock, reflecting their respective interests in Developer.

E. RIGHT OF FIRST REFUSAL

If Developer receives and desires to accept any bona fide offer to transfer an ownership interest in this Agreement from a third party, then the Developer shall promptly notify Franchisor in writing and send Franchisor an executed copy of the contract of transfer. Franchisor shall have the right and option, exercisable within thirty (30) days after actual receipt of such notification or of the executed contract of transfer which shall describe the terms of the offer, to send written notice to Developer that Franchisor intends to purchase the Developer's interest on the same terms and conditions offered by the third party. Closing on the purchase must occur within sixty (60) days from the date of notice by Franchisor to the Developer of Franchisor's election to purchase. If Franchisor elects not to accept the offer within the thirty (30) day period, Developer shall have a period not to exceed sixty (60) days to complete the transfer subject to the conditions for approval set forth in Section 16(C) of this Agreement. Any material change in the terms of any offer before closing shall constitute a new offer subject to the same rights of first refusal by Franchisor as in the case of an initial offer. Failure of Franchisor to exercise the option afforded by this Section 16 shall not constitute a waiver of any other provision of this Agreement. If the offer from a third party provides for payment of consideration other than cash or involves certain intangible benefits, Franchisor may elect to purchase the interest proposed to be sold for the reasonable cash equivalent, or any publicly-traded securities, including its own, or intangible benefits similar to those being offered. If the parties cannot agree within a reasonable time on the reasonable cash equivalent of the non-cash part of the offer, then such amount shall be determined by an independent appraiser designated by Franchisor, and his determination shall be binding.

F. DEATH OR DISABILITY

Upon the death or permanent disability of Developer (or the managing shareholder, managing member or partner), the executor, administrator, conservator or other personal representative of that person, or the remaining shareholders, partners or members, must appoint a competent manager that is approved by Franchisor within ninety (90) days from the date of death or permanent disability (the "90 Day Period"). Before the end of the 90 Day Period, the appointed manager must attend and successfully complete Franchisor's training program and must either execute Franchisor's then-current form of area development agreement for the unexpired term of this Agreement, or furnish a personal guaranty of any partnership, corporate or limited liability company Developer's obligations to Franchisor and Franchisor's affiliates. If the Studio is not being managed by a Franchisor approved manager during the 90 Day Period, Franchisor is authorized, but is not required, to immediately appoint a manager to maintain the operations of Developer's Studios for and on behalf of Developer until an approved assignee is able to assume the management and operation of the Studio. Franchisor's appointment of a manager of the Studio does not relieve Developer of his obligations, and Franchisor is not liable for any debts, losses, costs or expenses incurred in the operations of the Studio or to any creditor of Developer for any products, materials, supplies or services purchased by the Studio during any period in which it is managed by Franchisor's appointed manager. Franchisor has the right to charge a reasonable fee for management services and to cease to provide management services at any time. Franchisor's right of first refusal set forth in Section 16(E) will not apply to a transfer under this Section if the transferee is an immediate family member of Developer that Franchisor approves.

G. PUBLIC OR PRIVATE OFFERINGS

(1) Developer acknowledges that the written information used to raise or secure funds can reflect upon Franchisor. Developer agrees to submit any written information intended to be used for that purpose to Franchisor before its inclusion in any registration statement, prospectus or similar offering circular or memorandum. This requirement applies under the following conditions: (i) if Developer attempts to raise or secure funds by the sale of securities in Developer or any affiliate of Developer

(including common or preferred stock, bonds, debentures or general or limited partnership interest) and (ii) if any of its owners attempt to raise or secure funds by the sale of securities in Developer or any affiliate of Developer (including common or preferred stock, bonds, debentures or general or limited partnership interests) Developer (or any of its owners) agrees not to use the written materials submitted to Franchisor or any other written materials to raise or secure funds unless and until Franchisor approves of the language. No information respecting Franchisor or its affiliate shall be included in any securities disclosure document, unless that information has been furnished to Franchisor, in writing, pursuant to the written request of the Developer. The written request shall state the specific purpose for which the information is to be used. Should Franchisor, in its sole discretion, object to any reference to Franchisor or its affiliate or any of their businesses in the offering literature or prospectus, the literature or prospectus shall not be used unless and until the objections of Franchisor are withdrawn. Franchisor assumes no responsibility for the offering whatsoever. Developer must pay Franchisor a public offering fee of Three Thousand Five Hundred Dollars (\$3,500) for the costs to Franchisor to review the information. The written consent of Franchisor pursuant to this Paragraph G does not imply or constitute the approval of Franchisor with respect to the method of financing, the offering literature submitted to Franchisor or any other aspect of the offering.

(2) The prospectus or other literature utilized in any offering must contain the following language in bold-face type on the first textual page:

“NEITHER BFT FRANCHISE HOLDINGS, LLC NOR ITS AFFILIATE NOR ANY OF ITS AFFILIATE’S SUBSIDIARIES IS DIRECTLY OR INDIRECTLY THE ISSUER OF THE SECURITIES OFFERED. NEITHER BFT FRANCHISE HOLDINGS, LLC NOR ITS AFFILIATE NOR ANY OF ITS AFFILIATE’S SUBSIDIARIES ASSUMES ANY RESPONSIBILITY WITH RESPECT TO THIS OFFERING AND/OR THE ADEQUACY OR ACCURACY OF THE INFORMATION SET FORTH, INCLUDING ANY STATEMENTS MADE WITH RESPECT TO ANY OF THEM. NEITHER BFT FRANCHISE HOLDINGS, LLC NOR ITS AFFILIATE NOR ANY OF ITS AFFILIATE’S SUBSIDIARIES ENDORSES OR MAKES ANY RECOMMENDATION WITH RESPECT TO THE INVESTMENT CONTEMPLATED BY THIS OFFERING.”

(3) Developer and each of its owners agrees to indemnify, defend and hold harmless Franchisor and its affiliate, and their respective officers, directors, employees and agents, from any and all claims, demands, liabilities, and all costs and expenses (including reasonable attorneys’ fees) incurred by Franchisor as the result of the offer or sale of securities. This Agreement applies to any and all claims, demands, liabilities, and all costs and expenses (including reasonable attorneys’ fees) asserted by a purchaser of any security or by a governmental agency. Franchisor has the right (but not the obligation) to defend any claims, demands or liabilities and/or to participate in the defense of any action to which Franchisor or its affiliate or any of their respective officers, directors, employees or agents is named as a party.

H. NOTICE TO FRANCHISOR

Provided Developer is not then a public company, if any person holding an interest in Developer (other than Developer or a Principal, which parties shall be subject to the provisions set forth above) transfers such interest, then Developer shall promptly notify Franchisor of such proposed transfer in writing and provide information as Franchisor may reasonably request before the transfer. The transferee may not be one of Franchisor’s competitors. The transferee must execute a Confidentiality Agreement and Ancillary Covenants Not to Compete in the form then required by Franchisor, which form shall be in substantially the same form attached hereto as Exhibit E. Franchisor also reserves the right to designate the transferee as one of the Principals. If Developer is a public company, this provision applies only to transfers in interest

by Principals or to any person or entity controlling more than ten percent (10%) of Developer's voting stock.

17. APPROVALS

A. Wherever this Agreement requires the prior approval or consent of Franchisor, Developer shall make a timely written request to Franchisor for such approval or consent.

B. Franchisor makes no warranties or guarantees upon which Developer may rely and assumes no liability or obligation to Developer or to any third party to which it would not otherwise be subject, by providing any waiver, approval, advise, consent, or services to Developer in connection with this Agreement, or by any reason of neglect, delay or denial of any request therefor.

18. NONWAIVER

A. No failure of Franchisor to exercise any power reserved to it by this Agreement, or to insist upon strict compliance by Developer or Principals with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver or estoppel of Franchisor's right to demand exact compliance with any of the terms herein and Developer and the Principals warrant and undertake that it shall not rely on such failure, custom or practice. Waiver by Franchisor of any particular default by Developer or any of the Principals shall not affect or impair Franchisor's rights with respect to any subsequent default of the same, similar or different nature, nor shall delay, forbearance, or omission of Franchisor to exercise any power or right arising out of any breach or default by its other developers or by Developer of any of the terms, provisions, or covenants hereof, affect or impair Franchisor's right to exercise the same, nor shall such constitute a waiver by Franchisor of any right hereunder, or the right to declare any subsequent breach or default and to terminate this Agreement prior to the expiration of its term. Subsequent acceptance by Franchisor of any payments due to it hereunder shall not be deemed to be a waiver by Franchisor of any preceding breach by Developer of any terms, covenants or conditions of this Agreement.

B. All rights and remedies of the parties hereto shall be cumulative and not alternative, in addition to and not exclusive of any other rights or remedies which are provided for herein or which may be available at law or in equity in case of any breach, failure or default or threatened breach, failure or default of any term, provision or condition of this Agreement, the rights and remedies of the parties hereto shall be continuing and shall not be exhausted by any one or more uses thereof, and may be exercised at any time or from time to time as often as may be expedient; and any option or election to enforce any such right or remedy may be exercised or taken at any time and from time to time. The expiration or early termination of this Agreement shall not discharge or release Developer from any liability or obligation then accrued, or any liability or obligation continuing beyond, or arising out of, the expiration or early termination of this Agreement.

19. DEVELOPER'S RECORDS AND REPORTS

A. Developer must keep accurate records concerning all transactions and written communications between Franchisor and Developer relating to the development and operation of Studios in the Development Area. Franchisor's duly authorized representative has the right, following reasonable notice, at all reasonable hours of the day to examine all Developer's records with respect to the subject matter of this Agreement, and has full and free access to records for that purpose and for the purpose of making extracts. All records must be kept available for at least three (3) years after preparation.

B. Developer must furnish to Franchisor monthly written reports regarding Developer's progress on the development of Studios under this Agreement.

20. NOTICES AND PAYMENTS

All written notices and reports permitted or required to be delivered by the provisions of this Agreement or of the Manuals shall be deemed so delivered at the time delivered by hand or by e-mail with receipt confirmed by the receiving party or one (1) business day after sending by overnight courier with delivery confirmed and addressed to the party to be notified at its most current address of which the notifying party has been notified. The following addresses for the parties shall be used unless and until a different address has been designated by written notice to the other party:

21. GOVERNING LAW

A. This Agreement is governed by the laws of the state of California without reference to this state's conflict of laws principles (subject to state law), except that: (i) any disputes or actions involving any non-competition covenants set forth in any agreement with us, including the interpretation and enforcement thereof, must be governed by the law of the state where the Studio is located.; and (ii) any franchise-specific or franchise-applicable laws of California, including those related to pre-sale disclosure and the franchise relationship generally, will not apply to this Agreement or franchise awarded hereunder unless the awarding of said franchise specifically falls within the scope of such California laws, regulations or statutes without reference to and independent of any reference to this choice of law provision.

22. ARBITRATION AND OTHER DISPUTE RESOLUTION PROVISIONS

A. Developer must first bring any claim or dispute between Developer and Franchisor to Franchisor's management and make every effort to resolve the dispute internally. Developer must exhaust this internal dispute resolution procedure before Developer may bring Developer's dispute before a third

party. This agreement to first attempt resolution of disputes internally shall survive termination or expiration of this Agreement.

B. At Franchisor's option, all claims or disputes between Developer and Franchisor (or its affiliates) arising out of, or in any way relating to, this Agreement or any other agreement by and between Developer and Franchisor (or its affiliates), or any of the parties' respective rights and obligations arising from such agreement, which are not first resolved through the internal dispute resolution procedure set forth in Section 22(A) above, will be submitted first to mediation to take place at Franchisor's then-current headquarters under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any legal action against Franchisor or its affiliates with respect to any such claim or dispute, Developer must submit a notice to Franchisor, which specifies, in detail, the precise nature and grounds of such claim or dispute. Franchisor will have a period of thirty (30) days following receipt of such notice within which to notify Developer as to whether Franchisor or its affiliates elects to exercise its option to submit such claim or dispute to mediation. Developer may not commence any action against Franchisor or its affiliates with respect to any such claim or dispute in any court unless Franchisor fails to exercise its option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by Franchisor. Franchisor's rights to mediation, as set forth herein, may be specifically enforced by Franchisor. Each party will bear its own cost of mediation and Franchisor and Developer will share mediator fees equally. This agreement to mediate will survive any termination or expiration of this Agreement. The parties will not be required to first attempt to mediate a controversy, dispute, or claim through mediation as set forth in this Section 22(B) if such controversy, dispute, or claim concerns an allegation that a party has violated (or threatens to violate, or poses an imminent risk of violating): (i) any federally protected intellectual property rights in the Proprietary Marks, the System, or in any confidential information; (ii) any of the restrictive covenants contained in this Agreement; and (iii) any of Developer's payment obligations under this Agreement.

C. Developer and Franchisor believe that it is important to resolve any disputes amicably, quickly, cost effectively and professionally, and to return to business as soon as possible. Subject to Sections 22(D)-(E) of this Agreement, Developer and Franchisor have agreed that the provisions of this Article 22 support these mutual objectives and, therefore, agree that any litigation, claim, dispute, suit, action, controversy, or proceeding of any type whatsoever including any claim for equitable relief and/or where either party is acting as a "private attorney general," suing pursuant to a statutory claim or otherwise, between or involving Developer and Franchisor on whatever theory and/or facts based, and whether or not arising out of this Agreement, ("Claim") will be processed in the following manner:

- a. Developer and Franchisor each expressly waives all rights to any court proceeding, except as expressly provided in Sections 22(B) and 22(C), below.
- b. All Claims shall be submitted to and resolved by binding arbitration in Orange County, California, before and in accordance with the arbitration rules of the American Arbitration Association. Judgment upon the award rendered by the arbitrator shall be entered in any Court having jurisdiction thereof.
- c. Franchisor and Developer agree that any arbitration between Franchisor and Developer shall be of Developer's individual claim and that the claim subject to arbitration shall not be arbitrated on a class-wide basis.

- d. This arbitration provision shall be deemed to be self-executing, and in the event either party fails to appear at any properly noticed arbitration proceeding, an award may be entered against such party notwithstanding said failure to appear.
- e. In no event shall Franchisor be liable to Developer for punitive damages in any action arising out of or relating to this Agreement, or any breach, termination or cancellation hereof.
- f. Any arbitration proceeding conducted under this Section, including all demands, filings and evidence submitted in connection therewith, must be kept strictly confidential, unless Franchisor agrees otherwise in writing.

D. Developer acknowledges and agrees that irreparable harm could be caused to Franchisor by Developer's violation of certain provisions of this Agreement and, as such, in addition to any other relief available at law or equity, Franchisor shall be entitled to obtain in any court of competent jurisdiction, without bond, restraining orders or temporary or permanent injunctions in order to enforce, among other items, the provisions of this Agreement relating to: (i) Developer's use of the Proprietary Marks and confidential information; (ii) the in-term covenant not to compete, as well as any other violations of the restrictive covenants set forth in this Agreement; (iii) Developer's obligations on termination or expiration of this Agreement; (iv) disputes and controversies based on or arising under the Lanham Act, as now or hereafter amended; (v) disputes and controversies involving enforcement of the Franchisor's rights with respect to confidentiality under this Agreement; and (vi) to prohibit any act or omission by Developer or its employees that constitutes a violation of applicable law, threatens Franchisor's franchise system or threatens other franchisees of Franchisor. Developer's only remedy if such an injunction is entered will be the dissolution of the injunction, if appropriate, and Developer waives all damage claims if the injunction is wrongfully issued.

E. Franchisor's officers, directors, shareholders, agents and/or employees are express third party beneficiaries of the provisions of this Agreement, including the dispute resolution provisions set forth in Section 22 of this Agreement, each having authority to specifically enforce the right to mediate claims asserted against such person(s) by Developer.

F. As a condition precedent to commencing an action for damages or for violation or breach of this Agreement, Developer must notify Franchisor within thirty (30) days after the occurrence of the violation or breach, and failure to timely give such notice shall preclude any claim for damages.

G. Developer shall not withhold all or any part of any payment to Franchisor or any of its affiliates on the grounds of Franchisor's alleged nonperformance or as an offset against any amount Franchisor or any of Franchisor's affiliates allegedly may owe Developer under this Agreement or any related agreements.

H. Developer further agrees that no cause of action arising out of or under this Agreement may be maintained by Developer against Franchisor unless brought before the expiration of one (1) year after the act, transaction or occurrence upon which such action is based or the expiration of one year after the Developer becomes aware of facts or circumstances reasonably indicating that Developer may have a claim against Franchisor hereunder, whichever occurs sooner, and that any action not brought within this period shall be barred as a claim, counterclaim, defense, or set-off. Developer hereby waives the right to obtain any remedy based on alleged fraud, misrepresentation, or deceit by Franchisor, including, without limitation, rescission of this Agreement, in any mediation, judicial, or other adjudicatory proceeding arising hereunder, except upon a ground expressly provided in this Agreement, or pursuant to any right expressly

granted by any applicable statute expressly regulating the sale of franchises, or any regulation or rules promulgated thereunder.

I. Developer hereby waives to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) against Franchisor arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agrees that in the event of a dispute, that Developer's recovery is limited to actual damages. If any other term of this Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions shall continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages. Nothing in this Section or any other provision of this Agreement shall be construed to prevent Franchisor from claiming and obtaining expectation or consequential damages, including lost future royalties for the balance of the term of this Agreement if it is terminated due to Developer's default, which the parties agree and acknowledge Franchisor may claim under this Agreement.

J. THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. THIS WAIVER SHALL APPLY TO ANY MATTER WHATSOEVER BETWEEN THE PARTIES HERETO WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THIS AGREEMENT OR THE PERFORMANCE OF EITHER PARTY.

K. THE PARTIES AGREE THAT ALL PROCEEDINGS ARISING OUT OF OR RELATED TO THIS AGREEMENT WILL BE CONDUCTED ON AN INDIVIDUAL, NOT A CLASS-WIDE BASIS, AND THAT ANY PROCEEDING BETWEEN DEVELOPER, DEVELOPER'S GUARANTORS AND FRANCHISOR OR ITS AFFILIATES/OFFICERS/EMPLOYEES MAY NOT BE CONSOLIDATED WITH ANY OTHER PROCEEDING BETWEEN FRANCHISOR AND ANY OTHER THIRD PARTY.

23. ENFORCEMENT

A. SEVERABILITY AND SUBSTITUTION OF VALID PROVISIONS

(1) Except as expressly provided to the contrary in this Agreement, each section, paragraph, term and provision of this Agreement, is considered severable and if, for any reason, any portion of this Agreement is held to be invalid, contrary to, or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency or tribunal with competent jurisdiction in a proceeding to which Franchisor is a party, that ruling shall not impair the operation of, or have any other effect upon, other portions of this Agreement as may remain otherwise intelligible, which shall continue to be given full force and effect and bind the parties to this Agreement, although any portion held to be invalid shall be deemed not to be a part of this Agreement from the date the time for appeal expires, if Developer is a party, otherwise upon Developer's receipt of a notice of non-enforcement from Franchisor.

(2) If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination of this Agreement than is required in this Agreement, or the taking of some other action not required, or if under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any specification, standard or operating procedure Franchisor prescribes is invalid or unenforceable, the prior notice and/or other action required by law or rule shall be substituted for the comparable provisions, and Franchisor has the right, in its sole discretion, to modify the invalid or unenforceable provision, specification, standard or operating procedure to the extent required to be valid and enforceable. Developer agrees to be bound by any promise or covenant imposing the maximum duty

permitted by law which is prescribed within the terms of any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions, or any specification, standard or operating procedure Franchisor prescribes, any portion or portions which a court may hold to be unenforceable in a final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with a court order. Modifications to this Agreement shall be effective only in that jurisdiction, unless Franchisor elects to give them greater applicability, and this Agreement shall be enforced as originally made and entered into in all other jurisdictions.

B. EXCEPTIONS

Neither Franchisor nor Developer are liable for loss or damage or deemed to be in breach of this Agreement if its failure to perform its obligations results from: (1) transportation shortages, inadequate supply of labor, material or energy, or the voluntary foregoing of the right to acquire or use any of the foregoing in order to accommodate or comply with the orders, requests, regulations, recommendations or instructions of any federal, state or municipal government or any department or agency; (2) compliance with any law, ruling, order, regulation, requirement or instruction of any federal, state, or municipal government or any department or agency; (3) acts of God; (4) acts or omissions of the other party; (5) fires, strikes, embargoes, war or riot; or (6) any other similar event or cause. Any delay resulting from any of these causes shall extend performance accordingly or excuse performance, in whole or in part, as may be reasonable.

C. RIGHTS OF PARTIES ARE CUMULATIVE

The rights of Franchisor and Developer under this Agreement are cumulative and no exercise or enforcement by Franchisor or Developer of any right or remedy precludes the exercise or enforcement by Franchisor or Developer of any other right or remedy which Franchisor or Developer is entitled by law to enforce.

D. COSTS AND ATTORNEYS' FEES

If Developer is in breach or default of any monetary or non-monetary obligation under this Agreement or any related agreement between Developer and Franchisor and/or Franchisor's affiliates, and Franchisor engages an attorney to enforce Franchisor's rights (whether or not formal judicial proceedings are initiated), Developer must reimburse Franchisor for all costs/expenses incurred in connection with enforcing its rights under this Agreement including all reasonable attorneys' fees, court costs and arbitration expenses. If Developer institutes any legal action to interpret or enforce the terms of this Agreement, and Developer's claim in such action is denied or the action is dismissed, Franchisor is entitled to recover Franchisor's reasonable attorneys' fees, and all other reasonable costs and expenses incurred in defending against same, and to have such an amount awarded as part of the judgment in the proceeding.

E. VARIANCES

Developer acknowledges that Franchisor has and may at different times approve exceptions or changes from the uniform standards of the System in Franchisor's absolute sole discretion, which Franchisor deems desirable or necessary under particular circumstances. Developer understands that he has no right to object to or automatically obtain such variances, and any exception or change must be approved in advance from Franchisor in writing. Developer understands existing Developers may operate under different forms of agreements and that the rights and obligations of existing Developers may differ materially from this Agreement.

F. BINDING EFFECT

This Agreement is binding upon the parties of this Agreement and their respective executors, administrators, heirs, assigns and successors in interest, and shall not be modified except by written agreement signed by both Developer and Franchisor.

G. CONSTRUCTION/INTEGRATION CLAUSE

This Agreement, all exhibits to this Agreement and all ancillary agreements executed contemporaneously with this Agreement constitute the entire agreement between the parties with reference to the subject matter of this Agreement and supersede any and all prior negotiations, undertakings, representations, and agreements. Nothing in this Agreement or in any related agreement, however, is intended to disclaim the representations Franchisor made in the FDD that Franchisor furnished to Developer. Developer acknowledges that Developer is entering into this Agreement, and all ancillary agreements executed contemporaneously with this Agreement, as a result of Developer's own independent investigation of the franchised business and not as a result of any representations about Franchisor made by Franchisor's shareholders, officers, directors, employees, agents, representatives, independent contractors, attorneys, or Developers, which are contrary to the terms set forth in this Agreement or of any franchise disclosure document, offering circular, prospectus, or other similar document required or permitted to be given to Developer pursuant to applicable law.

Developer hereby acknowledges and further represents and warrants to Franchisor that:

1. Developer has placed no reliance on any oral or written statements, whether referred to as representations, warranties, inducements, or otherwise, which are not contained in this Agreement or in the Franchise Disclosure Document;
2. Developer has entered into this Agreement after making an independent investigation of Franchisor's operations and the System;
3. Franchisor has not made any guarantee or provided any assurance that the business location will be successful or profitable regardless of whether Franchisor may have approved of the franchise or site location;
4. Developer has (a) read this Agreement in its entirety and understands its contents; (b) been given the opportunity to clarify any provisions that Developer did not understand and (c) had the opportunity to consult with professional advisors regarding the operation and effect of the Agreement and the operation of the System;
5. Developer has, together with its advisors, sufficient knowledge and experience in financial and business matters to make an informed decision with respect to the franchise offered by Franchisor; and
6. Developer has received a copy of the Franchise Disclosure Document not later than the first personal meeting held to discuss the sale of a franchise, or fourteen (14) calendar days before execution of this Agreement or fourteen (14) calendar days before any payment of any consideration.

Except as may have been disclosed at Item 19 of Franchisor's Franchise Disclosure Document, Developer represents and warrants to Franchisor that no claims, representations, or warranties regarding the earnings, sales, profits, success or failure of the franchised business have been made to Developer and no such claims, representations or warranties have induced Developer to enter into this Agreement.

Except for those changes permitted to be made unilaterally by Franchisor, no amendment, change or variance from this Agreement is binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing.

24. CAVEAT

A. The success of the business venture contemplated to be undertaken by this Agreement is speculative and depends, to a large extent, upon the ability of the Developer as an independent business person, and the active participation of Developer in the daily affairs of the business as well as other factors. Franchisor does not make any representation or warranty, express or implied, as to the potential success of the business venture contemplated hereby.

B. Developer acknowledges that it has entered into this Agreement after making an independent investigation of Franchisor's operations and not upon any representation as to gross sales, volume, potential earnings or profits which Developer in particular might be expected to realize, nor has anyone made any other representation which is not expressly set forth in this Agreement, to induce the Developer to accept this franchise and execute this Agreement.

C. Developer represents and acknowledges that he has received a copy of this Agreement, with all blanks filled in, from Franchisor at least seven (7) calendar days before the date of execution of this Agreement. Developer further represents that he understands the terms, conditions and obligations of this Agreement and agrees to be bound.

25. MISCELLANEOUS

A. Except as otherwise expressly provided, nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies upon any person or legal entity who is not a party to this Agreement.

B. The headings of the several sections and paragraphs are for convenience only and do not define, limit or construe the contents of sections or paragraphs.

C. The "Developer" as used in this Agreement is applicable to one (1) or more persons, a corporation or a partnership or limited partnership or limited liability company as the case may be, and the singular usage includes the plural and the masculine and neuter usages include the other and the feminine. If two (2) or more persons are at any time Developer under this Agreement, their obligations and liabilities to Franchisor shall be joint and several. References to "Developer" and "Assignee" which are applicable to an individual or individuals shall mean the owner or owners of the equity or operating control of Developer or the Assignee, if Developer or the Assignee is a corporation, partnership, limited partnership or limited liability company.

This Agreement shall be executed in multiple copies, each of which shall be deemed an original.

WHEREAS, Franchisor has obtained the right to develop a unique system (the “System”) for the development and operation of Studios under the name and mark BFT (“Studios”); and

WHEREAS, the System includes, but is not limited to, certain trade names, service marks, trademarks, logos, emblems and indicia of origin, including, but not limited to, the mark BFT and other trade names, service marks, trademarks, logos, insignia, slogans, emblems, designs and commercial symbols as Franchisor may develop in the future to identify for the public the source of services and products marketed under the marks and under the System and representing the System’s high standards of quality, appearance, service and all information relating to the System and to the development and operation of the Studio, including, without limitation, the operating manual, Franchisor’s training program, members and supplier lists, or other information or know-how distinctive to a STUDIO; all of which Franchisor may change, improve and further develop and which Franchisor uses in connection with the operation of the System (collectively, the “Confidential Information”); and

WHEREAS, the Proprietary Marks and Confidential Information provide economic advantages to Franchisor and are not generally known to, and are not readily ascertainable by proper means by, Franchisor’s competitors who could obtain economic value from knowledge and use of the Confidential Information; and

WHEREAS, Franchisor has taken and intends to take all reasonable steps to maintain the confidentiality and secrecy of the Confidential Information; and

WHEREAS, Franchisor has granted Developer the limited right to develop a Studio using the System, the Proprietary Marks and the Confidential Information, pursuant to an Area Development Agreement entered into on _____, 20__ (“Area Development Agreement”), by and between Franchisor and Developer; and

WHEREAS, Franchisor and Developer have agreed in the Area Development Agreement on the importance to Franchisor and to Developer and other licensed users of the System of restricting the use, access and dissemination of the Confidential Information; and

WHEREAS, it is necessary for certain employees, agents, independent contractors, officers, directors and equity interest holders of Developer, or any entity having an interest in Developer (“Covenantor”) to have access to and to use some of all of the Confidential Information in the management and operation of Developer’s Studio using the System; and

WHEREAS, Covenantor wishes and needs to receive and use the Confidential Information in the course of his employment or association in order to effectively perform the services for Developer; and

WHEREAS, Covenantor acknowledges that receipt of and the right to use the Confidential Information constitutes independent valuable consideration for the representations, promises and covenants made by Covenantor.

NOW, THEREFORE, in consideration of the mutual covenant and obligations contained in this Agreement, the parties agree as follows:

Confidentiality Agreement

1. Franchisor and/or Developer shall disclose to Covenantor some or all of the Confidential Information relating to the System. All information and materials, including, without limitation, manuals, drawings, specifications, techniques and compilations of data which Franchisor provides to Developer and/or Covenantor are deemed Confidential Information for the purposes of this Agreement.

2. Covenantor shall receive the Confidential Information in confidence and must, at all times, maintain them in confidence, and use them only in the course of his employment or association with a Developer and then only in connection with the development and/or operation by Developer of a Studio for so long as Developer is licensed by Franchisor to use the System.

3. Covenantor shall not at any time make copies of any documents or compilations containing some or all of the Confidential Information without Franchisor's express written permission.

4. Covenantor shall not at any time disclose or permit the disclosure of the Confidential Information except to other employees of Developer and only to the limited extent necessary to train or assist other employees of Developer in the development or operation of a Studio.

5. Covenantor must surrender any material containing some or all of the Confidential Information to Developer or Franchisor, upon request, or upon termination of employment by Developer, or upon conclusion of the use for which the information or material may have been furnished to Covenantor.

6. Covenantor shall not at any time, directly or indirectly, do any act that would or would likely be injurious or prejudicial to the goodwill associated with the Confidential Information and the System.

7. Franchisor loans all manuals to Developer for limited purposes only and they remain the property of Franchisor and may not be reproduced, in whole or in part, without Franchisor's written consent.

Covenants Not to Compete

1. In order to protect the goodwill and unique qualities of the System and the confidentiality and value of the Confidential Information during the term of this Agreement, and in consideration for the disclosure to Covenantor of the Confidential Information, Covenantor further agrees and covenants as follows:

b. Not to employ, or seek to employ, any person who is at the time or was within the preceding one hundred eighty (180) days employed by Franchisor, its affiliate or any Developer of Franchisor, or otherwise directly or indirectly induce such person to leave that person's employment except as may occur in connection with Developer's employment of that person if permitted under the Area Development Agreement; and

c. Except with respect to Studios operated under a valid and existing Franchise Agreement between Developer (or Developer's affiliates) and Franchisor, own, maintain, operate, engage in, or have any financial or beneficial interest in (including any interest in corporations, partnerships, trusts, limited liability companies, unincorporated associations or joint ventures), advise, assist or make loans to, any Competing Business (as defined below) or a business that is of a character and concept similar to a Studio. For purposes of this Agreement, a "Competing Business" is defined as any business that (1) derives at least ten percent (10%) of its revenue from sales generated from the provision of any fitness training or instruction or other Approved Services and Approved Products that are offered at a Studio, or (2) grants franchises or licenses to others to operate the type of business described in subpart (1) of this Section.

2. In further consideration for the disclosure to Covenantor of the Confidential Information and to protect the uniqueness of the System, Covenantor agrees and covenants that for two (2) years following the earlier of the expiration, termination or transfer of all Developer's interest in the Area Development Agreement or the termination of his association with or employment by Developer, Covenantor will not without the prior written consent of Franchisor:

a. Divert or attempt to divert, directly or indirectly, any business, business opportunity or customer of the Studios to any competitor;

Except with respect to Studios operated under Franchise Agreements between Developer and its affiliates, and Franchisor or its affiliate or any of its subsidiaries, own, maintain, operate, engage in, or have any financial or beneficial interest in (including any interest in corporations, partnerships, trusts, limited liability companies, unincorporated associations or joint ventures), advise, assist or make loans to, any Competing Business or a business that is of a character and concept similar to a Studio (i) within the Development Area granted to Developer; or (ii) within a forty (40) mile radius of the perimeter of the Development Area being granted to Developer or any other designated territory or development area licensed by Franchisor to a Studio as of the date of expiration, termination or transfer of all Developer's interest in the Area Development Agreement or the termination of Covenantor's association with or employment by Developer.

Miscellaneous

1. Developer shall make all commercially reasonable efforts to ensure that Covenantor acts as required by this Agreement.

2. Covenantor agrees that in the event of a breach of this Agreement, Franchisor would be irreparably injured and be without an adequate remedy at law. Therefore, in the event of a breach, or threatened or attempted breach of any of the provisions, Franchisor is entitled to enforce the provisions of

this Agreement and is entitled, in addition to any other remedies available to it at law or in equity, including the right to terminate the Area Development Agreement, to a temporary and/or permanent injunction and a decree for the specific performance of the terms of this Agreement, without the necessity of showing actual or threatened harm and without being required to furnish a bond or other security.

3. Covenantor agrees to pay all expenses (including court costs and reasonable attorneys' fees) incurred by Franchisor and Developer in enforcing this Agreement.

4. Any failure by Franchisor to object to or take action with respect to any breach of this Agreement by Covenantor shall not operate or be construed as a waiver of or consent to that breach or any subsequent breach by Covenantor.

COVENANTOR FURTHER AGREES THAT VENUE FOR ANY PROCEEDING RELATING TO OR ARISING OUT OF THIS AGREEMENT SHALL BE ONE OF THE COURTS DESCRIBED ABOVE IN THIS SECTION; PROVIDED, HOWEVER, WITH RESPECT TO ANY ACTION WHICH INCLUDES INJUNCTIVE RELIEF OR OTHER EXTRAORDINARY RELIEF, FRANCHISOR MAY BRING SUCH ACTION IN ANY COURT IN ANY STATE WHICH HAS JURISDICTION.

6. The parties acknowledge and agree that each of the covenants contained in this Agreement are reasonable limitations as to time, geographical area, and scope of activity to be restrained and do not impose a greater restraint than is necessary to protect the goodwill or other business interests of Franchisor. The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in any unappealed final decision to which Franchisor is a part, Covenantor expressly agrees to be bound by any lesser covenant subsumed within the terms of the covenant that imposes the maximum duty permitted by law as if the resulting covenant were separately stated in and made a part of this Agreement.
