What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in Washington. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Washington than in your own state.
2. **Mandatory Minimum Payments.** You must make minimum royalty, and other payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that the franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its terms except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six (6) months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type or under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, 670 Williams Building, Lansing, Michigan 48913, telephone (517) 373-7117.

THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

In this disclosure document, “we”, “us,” or “our” refers to Surface Experts Franchising LLC. “You” means the person to whom we grant a franchise. If you are a corporation, limited liability company, or other entity, each owner of the franchise entity must sign our Guaranty and Non-Compete Agreement, which means that all of the franchise agreement’s provisions also will apply to your owners.

The Franchisor, Any Parents, Predecessors, and Affiliates

We are a Washington limited liability company formed on July 20, 2018. Our principal business address is 159 South Lincoln St., Suite 321, Spokane, WA 99201.

We do not have any parents or predecessors.

We do not have any affiliates that offer franchises in any line of business or provide products or services to our franchisees.

We do business under our entity name and, “Surface Experts,” and “Surface Experts On Call.”

Exhibit A contains our agents for service of process.

We have offered Surface Experts franchises since 2018.

We also previously offered Area Representative rights to act as our sales and support agent for Surface Experts in certain territories under a separate Franchise Disclosure Document from October 2018 to December 2019.

As of December 31, 2021, we had three Area Representative franchisees. Area Representatives do not have management responsibility related to the franchise but instead identify potential unit franchisees to potentially recruit through this disclosure document. Nonetheless, we include a list of our current area representative franchisees as Exhibit I to this disclosure document.

We do not have any other business activities. Except as provided above, we have not offered franchises in other lines of business.

The Business You Will Conduct

If you sign a franchise agreement with us, you will develop and operate a mobile service business providing minor repairs to interior surfaces such as vinyl, wood, glass, linoleum, tile, laminate, and stainless steel, serving commercial and residential customers. The territory for your Surface Experts Business will be stated in your franchise agreement.

If you purchase a standard size territory, you will start your Surface Experts Business with one wrapped Surface Experts vehicle. You must hire one full-time “Lead Technician” and one

“Business Development” person (on at least a ¾ time basis) when you start your Surface Experts Business. You must devote full-time efforts to the Surface Experts Business.

We operate a national support center which manages customer intake and schedules services to customers.

The general market for interior surface repairs encompasses both residential and commercial clients. This market is well developed and competitive. Sales are year-round. You will compete primarily against independent providers of similar repair services (if they exist in your area).

Laws and Regulations

In some jurisdictions, you will need a general contractor license, a “handyman’s license,” or other governmental permits. The requirements to obtain such a license or permit vary, and may include an application to a state licensing board, coursework, and/or passing an examination. You should inquire with your local state, county and city regulators as to specific regulations that may exist related to light restoration and home services operations. You alone are responsible for investigating and complying with all applicable laws and regulations, despite any information that we may give you.

Notes

1. Franchise Fee; Refunds. The amount of the initial franchise fee is determined by population in your territory. For a territory with up to approximately 325,000 people, the franchise fee is \$75,000. The fee will increase by \$.20 for each additional person in your territory. The high amount would be for a territory with 500,000 population. If you lease an office, your lease security deposit and utility deposits will usually be refundable unless you owe money to the landlord or utility provider. None of the other expenditures in this table will be refundable. Neither we nor any affiliate finances any part of your initial investment.

2. Vehicle Lease. You will begin your Surface Experts franchise with one vehicle dedicated to your Surface Experts Business. The vehicle must be a new white Nissan Kick or Hyundai Kona, and it must have our required vehicle graphics. Due to the vehicle shortage during COVID, Surface Experts is more flexible on the type of vehicles, but it must be approved before purchase. The low-end estimate assumes that you lease your vehicle, with a down payment, first month's payment, and payment towards the vehicle wrap due when you sign the lease. The high-end estimate assumes you purchase your vehicle. We have an optional arrangement with Enterprise under which you would lease/purchase your vehicle with a down-payment of approximately \$5,000.

3. Equipment, Tools, Supplies and Systems. We will sell to you a package with most of the equipment, tools, supplies, and inventory you need to equip a technician. You must also purchase a specific palm sander / vacuum tool from a third-party vendor. You will also need some disposables (such as paper towels) that you may purchase from any source. The estimated initial investment includes \$60 for the Tech Selection Kit.

4. Real Estate. We estimate the low-end of real property, leasehold improvements, and utilities at zero because you may start your business from home. If you rent an office, we expect you will open as a home-based business. Although the Surface Experts Business is primarily a mobile operation, you may want to operate the business from a small office location. The approximate size of a Surface Experts Business is 100 to 200 square feet. If you initially work from home, we reserve the right to require you to lease an appropriate office space in the future. The high initial investment estimate assumes you rent office space in a commercial building.

5. Insurance. Our estimate for the initial cost of insurance is based on payment of initial set up charges plus premium for one quarter (and not for the entire year).

6. Marketing Materials and Uniforms. This is an estimate for marketing related expenses for brochures, handouts, giveaways, promotional material and uniforms for your staff members including shirts, jackets, t-shirts and wearable items to promote the business.

7. Additional Funds. This includes any other required expenses you will incur before operations begin and during the initial period of operations, such as payroll, additional inventory, and other operating expenses in excess of income generated by the business. It does not include any salary or compensation for you. In formulating the amount required for additional funds, we relied on the following factors, basis, and experience: the development of a business similar to

Surface Experts by our owners, the experience of our franchisees, and our research and general knowledge of the industry.

Item 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Generally

We have the right to require you to purchase or lease all goods, services, supplies, fixtures, equipment, inventory, computer hardware and software, real estate, or comparable items related to establishing or operating your Surface Experts Business (1) either from us or our designee, or from suppliers approved by us, or (2) according to our specifications.

Our confidential operations manual (“Franchise Operations Manual”) states our standards, specifications and guidelines for all products and services we require you to obtain in establishing and operating your Surface Experts Business and approved vendors for these products and services. We will notify you of new or modified standards, specifications and guidelines through periodic amendments or supplements to the Brand Standards Manual or through other written communication (including electronic communication such as email or through a system-wide intranet).

Specific Obligations

The following are our current specific obligations for purchases and leases:

A. Vehicle. You must lease or purchase a new white Nissan Kick or Hyundai Elantra GT hatchbacks as your Surface Experts Business vehicle. The vehicle must be wrapped with our required graphics. You and your staff must use this vehicle for all Surface Experts Business work, and only for Surface Experts Business work.

B. Equipment, Tools, and Supplies. We will sell you a package with most of the equipment, tools, and supplies you need to equip a technician. The supplies will last approximately three months. We are the only approved supplier of these items. You must also purchase a palm sander / vacuum tool that we specify, from an independent vendor.

C. Marketing Materials. We will sell to you an initial supply of marketing materials, such as brochures, handouts, giveaways, and promotional material. We are the sole source of these items.

D. Uniforms. We will sell to you an initial supply of staff uniforms, including shirts, jackets, and t-shirts. We are the sole source of these items.

E. Insurance. You must obtain insurance as described in the Franchise Agreement and in our “Franchise Operations Manual” (See Item 8), which includes (i) Commercial General Liability insurance, including products liability coverage, and broad form commercial liability coverage, written on an “occurrence” policy form in an amount of not less than \$1,000,000 single limit per occurrence and \$2,000,000 aggregate limit, (ii) Business Automobile Liability insurance

including owned, leased, non-owned and hired automobiles coverage in an amount of not less than \$1,000,000, and (iii) Workers Compensation coverage as required by state law. Your policies (other than Workers Compensation) must list us and our affiliates as an additional insured, must include a waiver of subrogation in favor of us and our affiliates, must be primary and non-contributing with any insurance carried by us or our affiliates, and must stipulate that we receive 30 days' prior written notice of cancellation.

F. Computer Software and Hardware. You must purchase and use the computer software and hardware that we specify. See Item 11 for more details.

G. Support Center. We will operate a centralized call service on your behalf. The Support Center will provide services such as inbound customer inquiries, scheduling service calls, setting appointments with customers, dispatching technicians to customers, routing service calls to the technicians, assisting the customers, and assisting the technicians throughout the process to ensure a positive customer experience. You pay us 4% of your Gross Sales for this service.

Us or our Affiliates as Supplier

We are currently an approved supplier of goods and services that we source and supply to you, including initial equipment, uniforms, ExpertNet portal, marketing materials and Support Center. We reserve to the right to be a supplier (or the sole supplier) of additional goods or services in the future.

Ownership of Suppliers

Our officers, Jacob and Jack Grady, owns an equity interest in us, an approved supplier.

Alternative Suppliers

If you want to use a supplier that is not on our list of approved suppliers, you must request our approval in writing. We will grant or revoke approvals of suppliers based on criteria appropriate to the situation, which may include evaluations of the supplier's capacity, quality, financial stability, reputation, and reliability; inspections; product testing, and performance reviews. Our criteria for approving suppliers are not available to you. We permit you to contract with alternative suppliers who meet our criteria only if you request our approval in writing, and we grant approval. There is no fee for us to review or approve an alternate supplier. We will provide you with written notification of the approval or disapproval of any supplier you propose within 30 days after receipt of your request. We may grant approvals of new suppliers or revoke past approvals of suppliers on written notice to you, or by updating our Franchise Operations Manual.

Issuing Specifications and Standards

We issue specifications and standards to you for applicable aspects of the franchise in our Franchise Operations Manual and/or in written directives. We may issue new specifications and standards for any aspect of our brand system, or modify existing specifications and standards, at any time by revising our Franchise Operations Manual and/or issuing new written directives (which may be communicated to you by any method we choose). We will generally (but are not

obligated to) issue new or revised specifications only after testing in our headquarters, in company-owned outlets, and/or a limited market test in multiple units.

Revenue to Us and Our Affiliates

We derive revenue from the required purchases and leases by franchisees. In our last fiscal year ending December 31, 2021, we earned \$361,786 in revenue from required purchases and leases from franchisees representing 15.36% of our total revenue of \$2,355,716 in our last fiscal year.

Proportion of Required Purchases and Leases

We estimate that the required purchases and leases to establish your Surface Experts Business are 30% to 50% of your total purchases and leases to establish your Surface Experts Business.

We estimate that the required purchases and leases of goods and services to operate your Surface Experts Business are 10% to 20% of your total purchases and leases of goods and services to operate your Surface Experts Business.

Payments by Designated Suppliers to Us

We do not currently receive payments from any designated suppliers based on purchases by you or other franchisees, but we may receive such payments in the future.

Purchasing or Distribution Cooperatives

No purchasing or distribution cooperative currently exists.

Negotiated Arrangements

Where possible, we seek to negotiate bulk discounts on items we order for franchisees.

We have a master lease agreement with Enterprise Fleet Management under which you can (but are not obligated to) sublease your Surface Experts vehicle.

Benefits Provided to You for Purchases

We do not provide material benefits to you based on your use of a particular supplier. However, when your franchise is up for renewal, to continue your franchise rights, we require you to be in compliance with your franchise agreement, which includes compliance with any supplier standards that are contained in our Operations Manual.

FINANCING**

We do not offer direct or indirect financing. We do not guarantee your note, lease or obligations.

**Item 11
FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND
TRAINING**

Except as listed below, we are not required to provide you with any assistance.

Our Pre-Opening Obligations

Before you open your Surface Expert Business:

A. *Employees.* We will provide you with suggested guidelines for finding employees (Section 5.2), operational instructions in the Franchise Operations Manual which you can use as part of training new employees (Section 5.3), and our initial training program described below. All hiring decisions and conditions of employment are your sole responsibility.

B. *Necessary equipment, signs, fixtures, opening inventory, and supplies.* We will sell (1) certain equipment, tools, and supplies, (2) our Tech Selection Kit, (3) initial marketing materials, and (4) staff uniforms to you, and we will have these items delivered to you. (Section 5.4) We will provide you a list of our specifications and approved suppliers for other items necessary to open your Surface Experts Business. (Section 5.4) We do not provide, deliver, or install these other items directly; we only provide the names of approved suppliers.

C. *Franchise Operations Manual.* We will give you access to our Franchise Operations Manual (Section 5.1). See Exhibit E for the Table of Contents of our Franchise Operations Manual as of the date of this disclosure document, with the number of pages devoted to each subject. The Franchise Operations Manual contains 242 pages.

D. *Initial Franchisee Training Program.* We will conduct our initial training program for you. (Section 5.4). The current initial training program is described below.

E. *Lead Technician Training Program.* We will conduct our lead technician training program for your Lead Technician. (Section 5.4)

F. *Business plan review.* If you request, we will review your pre-opening business plan and financial projections. (Section 5.4).

G. *Market introduction plan.* We will advise you regarding the planning and execution of your market introduction plan. (Section 5.4).

Site Selection

The Surface Experts Business is primarily a mobile operation and typically home-based. Some franchisees choose to rent a small office space. We do not assist you in (i) locating your site or an office space, if you elect to have one, negotiating the purchase or lease of the site, (ii) conforming the premises to local ordinances and building codes and obtaining any required permits, or (iii) constructing, remodeling, or decorating the premises. You are solely responsible for selecting the location of your Surface Expert Business and we do not need to approve of the site or the area. Because we don't require you to have an office space outside of your home, there is no approval process or time frame for doing so. We generally do not own sites and lease them back to our franchisees.

Length of Time to Open

The typical length of time between signing the franchise agreement and the opening of your Surface Experts Business is six to nine weeks. Factors that may affect the time period include your ability to obtain financing, obtain business permits and licenses, schedule initial training, and hire employees.

Our Post-Opening Obligations

After you open your Surface Experts Business:

A. *Developing products or services you will offer to your customers.* Although it is our intent and practice to refine and develop products or services that you will offer to your customers, the franchise agreement does not obligate us to do so.

B. *Employees.* We will provide you with suggested guidelines for finding employees (Section 5.2), and operational instructions in the Franchise Operations Manual which you can use as part of training new employees (Section 5.3). You will be responsible for hiring, training, directing, scheduling and supervising your employees and independent contractors in the day-to-day operations of the Surface Expert Business.

C. *Ongoing support.* If you request, we will provide advice to you (by telephone or electronic communication) regarding improving and developing your Surface Experts Business, and resolving operating problems you encounter, to the extent we deem reasonable. If we provide in-person support in response to your request, we may charge a fee (currently \$600 per day) plus any out-of-pocket expenses (such as travel, lodging, and meals for our employees providing onsite support). (Section 5.5).

D. *Establishing prices.* Upon your request, we will provide recommended prices for products and services. (Section 5.5).

E. *Establishing and using administrative, bookkeeping, accounting, and inventory control procedures.* We will provide you our recommended procedures for administration, bookkeeping, accounting, and inventory control. (Section 5.5). We may make any such procedures part of required (and not merely recommended) procedures for our system.

F. *Brand Fund.* We will administer the Brand Fund, if we create it (Section 5.5). We will prepare an unaudited annual financial statement of the Brand Fund within 120 days of the close of our fiscal year and will provide the financial statement to you upon request. (Section 9.3)

G. *Support Center Services.* We will operate a centralized support center on your behalf. The support center will provide services such as inbound customer inquiries, scheduling service calls, setting appointments with customers, dispatching technicians to customers, routing service calls to the technicians, assisting the customers, and assisting your technicians throughout the process to ensure a positive customer experience. (Section 5.5).

Advertising

Your own advertising material. You may use your own advertising or marketing material only with our approval. To obtain our approval, you must submit any proposed advertising or marketing material at least 14 days prior to use. If we do not respond, the material is deemed rejected. If you develop any advertising or marketing materials, we may use those materials for any purpose, without any payment to you.

Advertising council. We do not have an advertising council composed of franchisees. The franchise agreement does not give us the power to form an advertising council.

Advertising Cooperatives. We do not currently have any local or regional advertising cooperatives. We have the right to require you to participate in a local or regional advertising cooperative. We will define the area of the cooperative based on media markets, or other geographic criteria that we deem appropriate. Each franchisee in the area would have one vote per outlet (unless the franchisee is in default under its franchise agreement). The amount you must contribute to the cooperative will be determined by vote of the members, but not less than 1% of Gross Sales. The maximum contribution to the co-op will not exceed 4% of Gross Sales unless all members of the co-op unanimously agree to a higher contribution. If our own outlets are members of a cooperative, they must contribute to the cooperative on the same basis as franchisees, and they will vote on the same basis as other members. We administer the cooperative, but we have the right to delegate responsibility for administration to an outside company such as an advertising agency or accounting firm, or to the franchisee members of the cooperative. We have the right to require the cooperative to operate from written bylaws or other governing documents that we determine. The documents are not currently available for you to review. Cooperatives will prepare annual financial statements which will be made available for review only by us and by the members of cooperative. We have the power to require cooperatives to be formed, changed, dissolved, or merged.

Brand Fund. If we start a Brand Fund, then you and all other franchisees must contribute to our Brand Fund. Your contribution will be an amount we determine, not to exceed 2% of Gross Sales per month. Your Brand Fund Contribution will be in addition to all other advertising

requirements set out in this Item 11. Each franchisee will be required to contribute to the Brand Fund, but certain franchisees may contribute on a different basis depending on when they signed their Franchise Agreement. Surface Experts Businesses owned by us will contribute to the Brand Fund on the same basis as franchisees.

The Brand Fund will be administered by us, or our affiliate or designees, at our discretion, and we may use a professional advertising agency or media buyer to assist us. The Brand Fund will be in a separate bank account, commercial account or savings account.

We have complete discretion on how the Brand Fund will be utilized. We may use the Brand Fund for any expenditure that we, in our sole discretion, deem necessary or appropriate to promote or improve the Surface Experts system or the Surface Experts brand. For example, we may use the Brand Fund for: (i) developing, maintaining, administering, directing, preparing or reviewing advertising and marketing materials, promotions and programs, including social media management; (ii) public awareness of any of the Marks; (iii) public and consumer relations and publicity; (iv) brand development; (v) research and development of technology, products and services; (vi) website development (including social media) and search engine optimization; (vii) development and implementation of quality control programs; (viii) conducting market research; (ix) changes and improvements to the System; (x) the fees and expenses of any advertising agency we engage to assist in producing or conducting advertising or marketing efforts; (xi) collecting and accounting for Brand Fund Contributions; (xii) preparing and distributing financial accountings of the Brand Fund; (xiii) conducting quality assurance programs and other reputation management functions; and (xiv) our and our affiliates' expenses associated with direct or indirect labor, administrative, overhead, or other expenses incurred in relation to any of these activities.

We do not guarantee that advertising expenditures from the Brand Fund will benefit you or any other franchisee directly, on a pro rata basis, or at all. We are not obligated to spend any amount on advertising in the geographical area where you are or will be located. We may use the fund for local, regional or national marketing, and any other purpose to promote the Surface Experts brand. We will not use the Brand Fund Contributions for advertising that is principally a solicitation for the sale of Franchises, but we reserve the right to include a notation in any advertisement or website indicating "Franchises Available" or similar phrasing.

We assume no fiduciary duty to you or other direct or indirect liability or obligation to collect amounts due to the Brand Fund or to maintain, direct or administer the Brand Fund. Any unused funds that were collected in any calendar year will be applied to the following year's funds, and we reserve the right to contribute or loan additional funds to the Brand Fund on any terms we deem reasonable.

The Brand Fund is not audited. Upon your written request, we will make available an annual accounting for the Brand Fund that shows how the Brand Fund proceeds have been spent for the previous year. We did not spend any money from the Brand Fund in our most recently concluded fiscal year.

Required Local Advertising Spend. After you open, you must spend at least \$500 each month on marketing your Surface Experts Business. This amount is only a minimum, and we do

not represent that is the optimal amount of money for you spend on marketing. Any salary or payment towards a salesperson will count towards this requirement.

Customer programs. At your expense, you must offer pre-paid systems and participate in any customer loyalty programs, membership/subscription programs, or customer incentive programs, that we determine from time to time. We do not currently have any such programs.

Computer Systems

You will need an office computer for your main office, and a smartphone for each driver. Your payment of technology fees provides you with access for six users to the ExpertNet software package. The package currently includes Vonigo management software, Office 365, an e-mail address, a applicant tracking system (Careerplug) and a VOIP phone number through RingCentral. The system is designed to provide you with daily management systems and infrastructure as it relates to management, financials and daily transactions. It coordinates scheduling, dispatch, management and execution of work that occurs in the field, with additional functions such as work order management, route planning and optimization, payments systems, marketing, and fleet management. It generates and stores data on employees, sales, work orders, key performance indicators, and other metrics. We require you to use Vonigo to track and complete work orders and sales activity; invoices

You must use QuickBooks Online for your accounting and bookkeeping. Vonigo integrates with QuickBooks.

The technology fee for the ExpertNet software package is currently \$240 per month. Currently, additional email addresses are \$5 per month. We estimate that the annual cost of any optional or required maintenance, updating, upgrading, or support contracts will be \$2,800 to \$3,000.

We are not obligated to provide any ongoing maintenance, repairs, upgrades, or updates, and we do not require you enter into any such contract with a third party, except to the extent included in your monthly subscription for the ExpertNet software.

You must upgrade or update any system when we determine. There is no contractual limit on the frequency or cost of this obligation.

You must give us independent access to the information that will be generated or stored in these systems. The information that we may access will include sales, customer data, and reports. There is no contractual limitation on our right to access the information.

trademarks or service marks as a Surface Experts Business. Continuation of your territorial exclusivity does not depend on any contingency. There are no circumstances that permit us to modify your territorial rights.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

If the franchise business is owned by an entity, we do not require that the general manager own any equity in the entity.

Restrictions on Your Manager

If we request, you must have your general manager (and your technicians, salespeople, and other key employees that we reasonably designate) sign a confidentiality and non-compete agreement. We will not require you to enter into a confidentiality and non-compete agreement that violates applicable state law. We do not require you to place any other restrictions on your manager.

Item 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

If we change or add to our required products and services, the changes or additions will remain in permanent effect, unless we specify otherwise. The amount you must pay for the changes or additions will depend upon the nature and type of changes or additions. There are no limitations on our rights to make changes to the required products and services offered by you. You must discontinue selling and offering for sale any products and services that we disapprove. We reserve the right to establish minimum and maximum resale prices for use with multi-area marketing programs and special price promotions.

You may not establish an account or participate in any social networking sites or blogs or mention or discuss the Surface Experts Franchise, us or any of our affiliates without our prior written consent and as subject to our online policy. Our online policy may completely prohibit

you from any use of our trademarks in social networking sites or other online use. You may not sell products through other channels of distribution such as wholesale, Internet or mail order sales. You may service customers located outside of your territory. PUBLIC FIGURES**

We do not use any public figure to promote our franchise.

Item 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

As of December 31, 2021, we had 37 franchised Surface Experts Businesses (each a “Franchised Location”). The tables below provide information for the 24 Franchised Locations that were open and operating for at least 12 months as of the end of the 2021 calendar year (“Reporting Group”). We have excluded 13 Franchised Locations that opened in 2021 and did not operate for a full year, one of which terminated within the same year.

The information in the tables below is a historical financial performance representation for the 2021 calendar year for the Reporting Group (the “Reporting Period”). The financial information was prepared from internal accounting records and reports. The numbers have not been audited but we have no reason to doubt their accuracy.

Here, we set forth the Gross Revenue of those 24 franchised outlets, sorting the outlets by their Average Annual Gross Revenue.

Notes Applicable to both FPR’s

The information is based on information generated from monthly reports that were provided to us by the franchisees for the periods cited. We did not verify or audit this information after it was provided to us by our franchisees.

1. For purposes of this Item 19, “Gross Revenue” means the revenue received from services performed at, from, or through the Surface Experts Business. “Gross Revenue Per Job” is the total Gross Revenue received from a single job. “Revenue Per Repair” is the revenue received from a single repair. There may be more than one repair on any given job. The highest Gross Revenue Per Job was \$409.77 and the lowest was \$173.61.
2. “Monthly Rent” is the cost of rent for office space. Some franchises have a home office while others have a commercial office space.
3. Hourly wage for Business Development Persons and Lead Technicians and other technicians is a base wage and does not include benefits or bonus. Salaries are converted to hourly wages based on an assumed 2,000 hour annual workload.
4. Cost of goods sold per job is calculated as the value of product (filler, paint, etc.) and other materials used up in the performance of each job. It is based on the value of product or cost of goods sold as reported to us by franchisees.
5. The financial performance representations in Table 1 do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your

franchised business. Franchisees or former franchisees, listed in the Disclosure Document, may be one source of this information.

6. Expenses not shown in Table 1 include royalties, support center fees, technology fees, accounting expenses, bank fees, uniforms, marketing expenses, tools, compliance costs, interest expense, meals and entertainment, advertising, cell phone, automobile, insurance, repair and maintenance, federal taxes, depreciation and amortization.
7. We had 15 franchisees report Rent and COGS information to us, and 18 reported Wage data to us. We averaged those responses to compile the Expenses results shown in Table 2.

Some outlets have sold this amount. Your individual results may differ. There is no assurance you'll sell as much.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Other than the preceding financial performance representation, Surface Experts Franchising LLC does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Jacob Grady, 159 South Lincoln St., Suite 321, Spokane, WA 99201, and 509-381-5884, the Federal Trade Commission, and the appropriate state regulatory agencies.

2. GRANT OF LICENSE

2.1 Grant. Surface Experts Franchising grants to Franchisee the right to operate a Surface Experts business solely in the Territory. Franchisee shall develop, open and operate a Surface Experts business in the Territory for the entire term of this Agreement.

2.2 Protected Territory.

(a) Limitation. Franchisee shall not solicit or market to potential customers outside of the Territory, except for solicitations or marketing which are primarily targeted inside the Territory and which incidentally reach potential customers outside of the Territory.

(b) Service. Franchisee shall not serve customers outside of the Territory without Surface Experts Franchising’s prior written permission. Surface Experts Franchising may withdraw permission at any time. If Franchisee serves a customer outside of the Territory without Surface Experts Franchising’s prior written permission, Surface Experts Franchising may impose a fee equal to \$500 per job. This fee is a reasonable estimate of Surface Experts Franchising’s internal cost of personnel time attributable to addressing Franchisee’s breach of this Section, and it is not a penalty or estimate of all damages arising from Franchisee’s breach. This fee is in addition to all of Surface Experts Franchising’s other rights and remedies. If Surface Experts Franchising permits Franchisee to serve a customer outside of the Territory, Surface Experts Franchising may at any time sell the territory where such customer is located to another franchisee, and Surface Experts Franchising may require Franchisee to transfer the customer to the franchisee.

(c) Exclusivity. Surface Experts Franchising shall not establish, nor license the establishment of, another business within the Territory or which serves customers located in the Territory selling the same or similar goods or services under the same or similar trademarks or service marks as a Surface Experts business. However, Franchisee may face competition from other franchisees, from outlets that Surface Experts Franchising owns, or from other channels of distribution or competitive brands that Surface Experts Franchising controls. Surface Experts Franchising retains the right to:

- (i) serve (or authorize other franchisees to serve) customers in the Territory if Franchisee is in default, or if Franchisee is incapable of meeting customer demand in the Territory (in Surface Experts Franchising’s reasonable opinion);

- (ii) serve (or authorize other franchisees to serve) a particular customer in the Territory if Franchisee fails to properly serve such customer, or if Surface Experts Franchising reasonably believes that Franchisee will not properly serve such customer;
- (iii) establish and license others to establish and operate Surface Experts businesses outside the Territory;
- (iv) operate and license others to operate businesses anywhere that do not sell the same or similar goods or services under the same or similar trademarks or service marks as a Surface Experts business; and
- (v) sell and license others to sell Surface Experts products and services to customers in the Territory through alternative channels of distribution (including the internet) so long as such products and services are not provided through a Surface Experts outlet in the Territory, and are different from the products and services provided by Franchisee (Franchisee agrees that it may not sell products through alternative channels of distribution such as wholesale, Internet or mail order sales).

(d) Policies. Surface Experts Franchising may set policies binding on all franchisees regarding soliciting, marketing, and serving customers in another franchisee's territory, and Surface Experts Franchising may waive or modify such policies in any circumstance as Surface Experts Franchising determines. If Franchisee obtains a customer in the protected territory of another franchisee, then, in addition to all other rights and remedies Surface Experts Franchising may have, Surface Experts Franchising may in its discretion (i) require Franchisee to transfer the customer to such other franchisee, (ii) require Franchisee to pay such other franchisee 75% of the Gross Sales received from such customer, or (iii) fashion such other remedy as Surface Experts Franchising deems appropriate.

(e) Referrals. Surface Experts Franchising may set policies binding on all franchisees regarding referral fees (and other terms and conditions) when a customer is referred from one Surface Experts business to another. Surface Experts Franchising may waive or modify such policies in any circumstance as Surface Experts Franchising determines.

2.3 Franchisee Control. Franchisee represents that Attachment 1 (i) identifies each owner, officer and director of Franchisee, and (ii) describes the nature and extent of each owner's interest in Franchisee. If any information on Attachment 1 changes (which is not a Transfer), Franchisee shall notify Surface Experts Franchising within 10 days.

2.4 Principal Executive. Franchisee agrees that the person designated as the "Principal Executive" on the Summary Page is the executive primarily responsible for the Business and has decision-making authority on behalf of Franchisee. The Principal Executive must have at least 50% ownership interest in Franchisee. The Principal Executive must participate in the direct operation of the Business and must devote full-time and attention to the Business during normal business hours for a minimum of 3 full years. If the Principal Executive dies, becomes incapacitated, transfers his/her interest in Franchisee, or otherwise ceases to be the executive

primarily responsible for the Business, Franchisee shall promptly designate a new Principal Executive, subject to Surface Experts Franchising's reasonable approval.

2.5 Guaranty. If Franchisee is an entity, then Franchisee shall have each Owner sign a personal guaranty of Franchisee's obligations to Surface Experts Franchising, in the form of Attachment 2.

2.6 No Conflict. Franchisee represents to Surface Experts Franchising that Franchisee and each of its Owners (i) are not violating any agreement (including any confidentiality or non-competition covenant) by entering into or performing under this Agreement, (ii) are not a direct or indirect owner of any Competitor, and (iii) are not listed or "blocked" in connection with, and are not in violation under, any anti-terrorism law, regulation, or executive order.

3. TERM

3.1 Term. This Agreement commences on the Effective Date and continues for 10 years.

3.2 Successor Agreement. When the term of this Agreement expires, Franchisee may enter into a successor agreement for up to two additional periods of five years each, subject to the following conditions prior to each expiration:

- (i) Franchisee notifies Surface Experts Franchising of the election to renew between 90 and 180 days prior to the end of the term;
- (ii) Franchisee (and its affiliates) are in compliance with this Agreement and all other agreements with Surface Experts Franchising (or any of its affiliates) at the time of election and at the time of renewal;
- (iii) Franchisee has made or agrees to make (within a period of time acceptable to Surface Experts Franchising) changes to the Business as Surface Experts Franchising requires to conform to the then-current System Standards;
- (iv) Franchisee and its Owners execute Surface Experts Franchising's then-current standard form of franchise agreement and related documents (including personal guaranty), which may be materially different than this form (including, without limitation, higher and/or different fees), except that (A) Franchisee will not pay another initial franchise fee, (B) Franchisee will not receive more renewal or successor terms than described in this Section, and (C) the Territory will not be changed;
- (v) Franchisee pays a renewal fee of \$5,000; and
- (vi) Franchisee and each Owner executes a general release (on Surface Experts Franchising's then-standard form) of any and all claims against Surface Experts Franchising, its affiliates, and their respective owners, officers, directors, agents and employees.

4. FEES

4.1 Initial Franchise Fee. Upon signing this Agreement, Franchisee shall pay an initial franchise fee in the amount stated on the Summary Page. This initial franchise fee is not refundable.

4.2 Royalty Fee. In Franchisee's first year of operation, Franchisee shall pay Surface Experts Franchising a monthly royalty fee (the "Royalty Fee") equal to 8% of Gross Sales. Thereafter, the monthly Royalty Fee will equal the greater of (i) 8% of Gross Sales or (ii) \$1,600 (the "Minimum Royalty") (provided that if Franchisee purchase a larger Territory with more than 500,000 people, Surface Experts Franchising will increase the Minimum Royalty to \$1,800 per month after 18 months). The Royalty Fee for any given month is due on the 5th day of the following month.

4.3 Brand Fund Contribution.

(a) Brand Fund Contribution. If Surface Experts Franchising establishes a Brand Fund (the "Brand Fund") for marketing, developing and promoting the System, Marks and Surface Experts businesses, then Franchisee shall pay Surface Experts Franchising a contribution to the Brand Fund (the "Brand Fund Contribution") in an amount or percentage determined by Surface Experts Franchising, not to exceed 2% of Franchisee's Gross Sales per month. Franchisee will pay the Brand Fund Contribution at the same time as the Royalty Fee.

(b) Market Cooperative Contribution. If the Business participates in a Market Cooperative, then Franchisee shall contribute to the Market Cooperative a percentage of Gross Sales (or other amount) determined by the Market Cooperative not to exceed 4% of Franchisee's Gross Sales per month (the "Market Cooperative Contribution"). Franchisee will pay the Marketing Cooperative Contribution at the same time as the Royalty Fee.

4.4 Support Center Services Fee. Franchisee shall pay Surface Experts Franchising a monthly fee (the "Support Center Services Fee") equal to 4% of Gross Sales in exchange for the support center services described in Section 5.5(f), unless Surface Experts Franchising in its discretion permits Franchisee to operate its own call center. Franchisee will pay the Support Center Services Fee at the same time as the Royalty Fee.

4.5 Technology Fee. Franchisee shall pay Surface Experts Franchising a monthly fee (the "Technology Fee") in the then-current amount (currently \$250 per month) in exchange for up to six users of the "ExpertNet" operations portal, field service management software for up to five persons, access to Office 365 for the owner and salesperson, the voice-over-IP (VOIP) phone system with one telephone number, a job placement software for hiring, and website and SEO management. Additional email addresses and additional persons shall be subject to additional charges. Surface Experts Franchising may modify ExpertNet and its functionality in the future. 4.6 Replacement / Additional Training Fee. If Franchisee sends an employee to Surface Experts Franchising's training program after opening, Surface Experts Franchising may charge its then-current training fee. As of the date of this Agreement, there is not training fee for a replacement Lead Technician, so long as the Lead Technician attends a regularly-scheduled training class.

4.7 Non-Compliance Fee. Surface Experts Franchising may charge Franchisee \$500 for any instance of non-compliance with the System Standards or this Agreement (other than Franchisee's non-payment of a fee owed to Surface Experts Franchising) which Franchisee fails to cure after 30 days' notice. If the non-compliance is a failure to make any required report to Surface Experts Franchising when due, it may charge the non-compliance fee immediately (without the 30 days' notice and opportunity to cure). Thereafter, Surface Experts Franchising may charge Franchisee \$250 per week until Franchisee ceases such non-compliance. This fee is a reasonable estimate of Surface Experts Franchising's internal cost of personnel time attributable to addressing the non-compliance, and it is not a penalty or estimate of all damages arising from Franchisee's breach. The non-compliance fee is in addition to all of Surface Experts Franchising's other rights and remedies (including default and termination under Section 14.2).

4.8 Reimbursement. Surface Experts Franchising may (but is never obligated to) pay on Franchisee's behalf any amount that Franchisee owes to a supplier or other third party. If Surface Experts Franchising does so or intends to do so, Franchisee shall pay such amount plus a 10% administrative charge to Surface Experts Franchising within 15 days after invoice by Surface Experts Franchising accompanied by reasonable documentation.

4.9 Payment Terms.

(a) Method of Payment. Franchisee shall pay the Royalty Fee, Brand Fund Contribution, and any other amounts owed to Surface Experts Franchising by pre-authorized bank draft or in such other manner as Surface Experts Franchising may require. Franchisee shall comply with Surface Experts Franchising's payment instructions.

(b) Calculation of Fees. Franchisee shall report monthly Gross Sales to Surface Experts Franchising by the 5th day of the following month. If Franchisee fails to report monthly Gross Sales, then Surface Experts Franchising may withdraw estimated Royalty Fees and Brand Fund Contributions equal to 125% of the last Gross Sales reported to Surface Experts Franchising, and the parties will true-up the actual fees after Franchisee reports Gross Sales. Franchisee acknowledges that Surface Experts Franchising has the right to remotely access Franchisee's software systems to calculate Gross Sales.

(c) Late Fees and Interest. If Franchisee does not make a payment on time, Franchisee shall pay a \$100 "late fee" plus interest on the unpaid amount at a rate equal to 18% per year (or, if such payment exceeds the maximum allowed by law, then interest at the highest rate allowed by law).

(d) Insufficient Funds. Surface Experts Franchising may charge \$30 for any payment returned for insufficient funds (or, if such amount exceeds the maximum allowed by law, then the fee allowed by law).

(e) Costs of Collection. Franchisee shall repay any costs incurred by Surface Experts Franchising (including reasonable attorney fees) in attempting to collect payments owed by Franchisee.

(f) Application. Surface Experts Franchising may apply any payment received from Franchisee to any obligation and in any order as Surface Experts Franchising may determine, regardless of any designation by Franchisee.

(g) Obligations Independent; No Set-Off. The obligations of Franchisee to pay to Surface Experts Franchising any fees or amounts described in this Agreement are not dependent on Surface Experts Franchising's performance and are independent covenants by Franchisee. - (iv) cease doing business under any of the Marks.

14.4 Remove Identification. If Franchisee operates from a Location other than Franchisee's home, then within 30 days after termination or expiration, Franchisee shall at its own expense "de-identify" the Location so that it no longer contains the Marks, signage, or any trade dress of a Surface Experts business, to the reasonable satisfaction of Surface Experts Franchising. Franchisee shall comply with any reasonable instructions and procedures of Surface Experts Franchising for de-identification. If Franchisee fails to do so within 30 days after this Agreement expires or is terminated, Surface Experts Franchising may enter the Location to remove the Marks and de-identify the Location. In this event, Surface Experts Franchising will not be charged with trespass nor be accountable or required to pay for any assets removed or altered, or for any damage caused by Surface Experts Franchising.

14.5 Other Claims. Termination of this Agreement by Surface Experts Franchising will not affect or discharge any claims, rights, causes of action or remedies (including claims for Surface Experts Franchising's lost future income after termination), which Surface Experts Franchising may have against Franchisee, whether arising before or after termination.

14.6 Purchase Option. When this Agreement expires or is terminated, Surface Experts Franchising will have the right (but not the obligation) to purchase any or all of the assets related to the Business. To exercise this option, Surface Experts Franchising must notify Franchisee no later than 30 days after this Agreement expires or is terminated. The purchase price for all assets that Surface Experts Franchising elects to purchase will be the lower of (i) the book value of such assets as declared on Franchisee's last filed tax returns or (ii) the fair market value of the assets. If

the parties cannot agree on fair market value within 30 days after the exercise notice, the fair market value will be determined by an independent appraiser reasonably acceptable to both parties. The parties will equally share the cost of the appraisal. Surface Experts Franchising's purchase will be of assets only (free and clear of all liens), and the purchase will not include any liabilities of Franchisee. The purchase price for assets will not include any factor or increment for any trademark or other commercial symbol used in the business, the value of any intangible assets, or any goodwill or "going concern" value for the Business. Surface Experts Franchising may withdraw its exercise of the purchase option at any time before it pays for the assets. Franchisee will sign a bill of sale for the purchased assets and any other transfer documents reasonably requested by Surface Experts Franchising. If Surface Experts Franchising exercises the purchase option, Surface Experts Franchising may deduct from the purchase price: (a) all amounts due from Franchisee; (b) Franchisee's portion of the cost of any appraisal conducted hereunder; and (c) amounts which Surface Experts Franchising paid or will pay to third parties to satisfy indebtedness owed by Franchisee to third parties. If any of the assets are subject to a lien, Surface Experts Franchising may pay a portion of the purchase price directly to the lienholder to pay off such lien. Surface Experts Franchising may withhold 25% of the purchase price for 90 days to ensure that all of Franchisee's taxes and other liabilities are paid. Surface Experts Franchising may assign this purchase option to another party.

15. TRANSFERS

15.1 By Surface Experts Franchising. Surface Experts Franchising may transfer or assign this Agreement, or any of its rights or obligations under this Agreement, to any person or entity, and Surface Experts Franchising may undergo a change in ownership and/or control, without the consent of Franchisee.

15.2 By Franchisee. Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that Surface Experts Franchising entered into this Agreement in reliance on Franchisee's business skill, financial capacity, personal character, experience, and business ability. Accordingly, Franchisee shall not conduct or undergo a Transfer without providing Surface Experts Franchising at least 60 days prior notice of the proposed Transfer, and without obtaining Surface Experts Franchising's consent. In granting any such consent, Surface Experts Franchising may impose conditions, including, without limitation, the following:

- (i) Surface Experts Franchising receives a transfer fee equal to \$10,000 plus any broker fees and other out-of-pocket costs incurred by Surface Experts Franchising;
- (ii) the proposed assignee and its owners have completed Surface Experts Franchising's franchise application processes, meet Surface Experts Franchising's then-applicable standards for new franchisees, and have been approved by Surface Experts Franchising as franchisees;
- (iii) the proposed assignee is not a Competitor;
- (iv) the proposed assignee executes Surface Experts Franchising's then-current form of franchise agreement and any related documents, which form may contain

materially different provisions than this Agreement (provided, however, that the proposed assignee will not be required to pay an initial franchise fee);

- (v) all owners of the proposed assignee provide a guaranty in accordance with Section 2.5;
- (vi) Franchisee has paid all monetary obligations to Surface Experts Franchising and its affiliates, and to any lessor, vendor, supplier, or lender to the Business, and Franchisee is not otherwise in default or breach of this Agreement or of any other obligation owed to Surface Experts Franchising or its affiliates;
- (vii) the proposed assignee and its owners and employees undergo such training as Surface Experts Franchising may require;
- (viii) Franchisee, its Owners, and the transferee and its owners execute a general release of Surface Experts Franchising in a form satisfactory to Surface Experts Franchising; and
- (ix) the Business fully complies with all of Surface Experts Franchising's most recent System Standards.

15.3 Transfer for Convenience of Ownership. If Franchisee is an individual, Franchisee may Transfer this Agreement to a corporation or limited liability company formed for the convenience of ownership after at least 15 days' notice to Surface Experts Franchising, if, prior to the Transfer: (1) the transferee provides the information required by Section 2.3; (2) Franchisee provides copies of the entity's charter documents, by-laws (or operating agreement) and similar documents, if requested by Surface Experts Franchising, (3) Franchisee owns all voting securities of the corporation or limited liability company, and (4) Franchisee provides a guaranty in accordance with Section 2.5.

15.4 Transfer upon Death or Incapacity. Upon the death or incapacity of Franchisee (or, if Franchisee is an entity, the Owner with the largest ownership interest in Franchisee), the executor, administrator, or personal representative of that person must Transfer the Business to a third party approved by Surface Experts Franchising (or to another person who was an Owner at the time of death or incapacity of the largest Owner) within nine months after death or incapacity. Such transfer must comply with Section 15.2.

15.5 Surface Experts Franchising's Right of First Refusal. Before Franchisee (or any Owner) engages in a Transfer (except under Section 15.3, or to a co-Owner, or to a spouse, sibling, or child of an Owner), Surface Experts Franchising will have a right of first refusal, as set forth in this Section. Franchisee (or its Owners) shall provide to Surface Experts Franchising a copy of the terms and conditions of any Transfer. For a period of 30 days from the date of Surface Experts Franchising's receipt of such copy, Surface Experts Franchising will have the right, exercisable by notice to Franchisee, to purchase the assets subject of the proposed Transfer for the same price and on the same terms and conditions (except that Surface Experts Franchising may substitute cash for any other form of payment). If Surface Experts Franchising does not exercise its right of first refusal, Franchisee may proceed with the Transfer, subject to the other terms and conditions of this Article.

15.6 No Sublicense. Franchisee has no right to sublicense the Marks or any of Franchisee's rights under this Agreement.

15.7 No Lien on Agreement. Franchisee shall not grant a security interest in this Agreement to any person or entity. If Franchisee grants an "all assets" security interest to any lender or other secured party, Franchisee shall cause the secured party to expressly exempt this Agreement from the security interest.

16. INDEMNITY

16.1 Indemnity. Franchisee shall indemnify and defend (with counsel reasonably acceptable to Surface Experts Franchising) Surface Experts Franchising, its parent entities, subsidiaries and affiliates, and their respective owners, directors, officers, employees, agents, successors and assignees (collectively, "Indemnitees") against all Losses in any Action by or against Surface Experts Franchising and/or any Indemnitee directly or indirectly related to, or alleged to arise out of, the operation of the Business. Notwithstanding the foregoing, Franchisee shall not be obligated to indemnify an Indemnitee from Actions arising as a result of any Indemnitee's intentional misconduct or negligence. Any delay or failure by an Indemnitee to notify Franchisee of an Action shall not relieve Franchisee of its indemnity obligation except to the extent (if any) that such delay or failure materially prejudices Franchisee. Franchisee shall not settle an Action without the consent of the Indemnitee. This indemnity will continue in effect after this Agreement ends.

16.2 Assumption. An Indemnitee may elect to assume the defense and/or settlement of any Action subject to this indemnification, at Franchisee's expense. Such an undertaking shall not diminish Franchisee's obligation to indemnify the Indemnitees.

17. DISPUTE RESOLUTION

17.1 Arbitration.

(a) Disputes Subject to Arbitration. Except as expressly provided in subsection (c) and (d), any controversy or claim arising out of or relating to this Agreement (including its formation and any question of arbitrability) shall be resolved by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, including the Optional Rules for Emergency Measures of Protection. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction.

(b) Location. The place of arbitration shall be the city and state where Surface Experts Franchising's headquarters are located.

(c) Injunctive Relief. Either party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Either party also may, without waiving any remedy or right to arbitrate under this Agreement, seek from any court having jurisdiction any interim or provisional injunctive relief.

(d) Intellectual Property Claims. Either party may bring a claim involving an alleged infringement of any of Surface Experts Franchising's intellectual property rights in a court authorized to hear such claims under Section 17.5 of this Agreement.

(e) Confidentiality. All documents, information, and results pertaining to any arbitration or lawsuit will be confidential, except as required by law or as required for Surface Experts Franchising to comply with laws and regulations applicable to the sale of franchises.

(f) Performance During Arbitration or Litigation. Unless this Agreement has been terminated, Surface Experts Franchising and Franchisee will comply with this Agreement and perform their respective obligations under this Agreement during the arbitration or litigation process.

17.2 Damages. In any controversy or claim arising out of or relating to this Agreement, each party waives any right to punitive or other monetary damages not measured by the prevailing party's actual damages, except damages expressly authorized by federal statute and damages expressly authorized by this Agreement. In the event of termination of this Agreement prior to the expiration of the term due to Franchisee's default, Surface Experts Franchising's actual damages will include its lost future income from Royalty Fees and other amounts that Franchisee would have owed to Surface Experts Franchising but for the termination.

17.3 Waiver of Class Actions. The parties agree that any claims will be arbitrated, litigated, or otherwise resolved on an individual basis, and waive any right to act on a class-wide basis.

17.4 Time Limitation. Any arbitration or other legal action arising from or related to this Agreement must be instituted within two years from the date such party discovers the conduct or event that forms the basis of the arbitration or other legal action. The foregoing time limit does not apply to claims (i) by one party related to non-payment under this Agreement by the other party, (ii) for indemnity under Article 16, or (iii) related to unauthorized use of Confidential Information or the Marks.

17.5 Venue Other Than Arbitration. For any legal proceeding not required to be submitted to arbitration, the parties agree that any such legal proceeding will be brought in the United States District Court where Surface Experts Franchising's headquarters is then located. If there is no federal jurisdiction over the dispute, the parties agree that any such legal proceeding will be brought in the court of record of the state and county where Surface Experts Franchising's headquarters is then located. Each party consents to the jurisdiction of such courts and waives any objection that it, he or she may have to the laying of venue of any proceeding in any of these courts.

17.6 Legal Costs. In any legal proceeding (including arbitration) related to this Agreement or any guaranty, the non-prevailing party shall pay the prevailing party's attorney fees, costs and other expenses of the legal proceeding. "Prevailing party" means the party, if any, which prevailed upon the central litigated issues and obtained substantial relief.

18. MISCELLANEOUS

18.1 Relationship of the Parties. The parties are independent contractors, and neither is the agent, partner, joint venturer, or employee of the other. Surface Experts Franchising is not a fiduciary of Franchisee. Surface Experts Franchising does not control or have the right to control Franchisee or its Business. Any required specifications and standards in this Agreement and in the System Standards exist to protect Surface Experts Franchising's interest in the System and the Marks, and the goodwill established in them, and not for the purpose of establishing any control, or duty to take control, over the Business. Surface Experts Franchising has no liability for Franchisee's obligations to any third party whatsoever.

18.2 No Third-Party Beneficiaries. This Agreement does not confer any rights or remedies upon any person or entity other than Franchisee, Surface Experts Franchising, and Surface Experts Franchising's affiliates.

18.3 Entire Agreement. This Agreement constitutes the entire agreement of the parties and supersedes all prior negotiations and representations. Nothing in this Agreement or in any related agreement is intended to disclaim the representations made by Surface Experts Franchising in its franchise disclosure document.

18.4 Modification. No modification or amendment of this Agreement will be effective unless it is in writing and signed by both parties. This provision does not limit Surface Experts Franchising's rights to modify the Franchise Operations Manual or System Standards.

18.5 Consent; Waiver. No consent under this Agreement, and no waiver of satisfaction of a condition or nonperformance of an obligation under this Agreement will be effective unless it is in writing and signed by the party granting the consent or waiver. No waiver by a party of any right will affect the party's rights as to any subsequent exercise of that right or any other right. No delay, forbearance or omission by a party to exercise any right will constitute a waiver of such right.

18.6 Cumulative Remedies. Rights and remedies under this Agreement are cumulative. No enforcement of a right or remedy precludes the enforcement of any other right or remedy.

18.7 Severability. The parties intend that (i) if any provision of this Agreement is held by an arbitrator or court to be unenforceable, then that provision be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded, and (ii) if an unenforceable provision is modified or disregarded, then the rest of this Agreement will remain in effect as written.

18.8 Governing Law. The laws of the state of where the Business is located (without giving effect to its principles of conflicts of law) govern all adversarial proceedings between the parties. The parties agree that any state's law for the protection of franchisees or business opportunity purchasers (including but not limited to Washington's Franchise Investment Protection Act, RCW 19.100) will not apply unless its jurisdictional requirements are met independently without reference to this Section 18.8.

18.9 Notices. Any notice will be effective under this Agreement only if made in writing and delivered as set forth in this Section to: (A) if to Franchisee, addressed to Franchisee at the notice address set forth in the Summary Page; and (B) if to Surface Experts Franchising, addressed to 159 South Lincoln St., Suite 321, Spokane, WA 99201. Any party may designate a new address for notices by giving notice of the new address pursuant to this Section. Notices will be effective upon receipt (or first rejection) and must be: (1) delivered personally; (2) sent by registered or certified U.S. mail with return receipt requested; or (3) sent via overnight courier. Notwithstanding the foregoing, Surface Experts Franchising may amend the Franchise Operations Manual, give binding notice of changes to System Standards, and deliver notices of default by electronic mail or other electronic communication.

18.10 Holdover. If Franchisee continues operating the Business after the expiration of the term without a renewal agreement or successor franchise agreement executed by the parties in accordance with Section 3.2, then at any time thereafter (regardless of any course of dealing by the parties), Surface Experts Franchising may by giving written notice to Franchisee (the “Holdover Notice”) either (i) require Franchisee to cease operating the Business and comply with all post-closing obligations effective immediately upon giving notice or effective on such other date as Surface Experts Franchising specifies, or (ii) bind Franchisee to a renewal term of 5 years, collect the renewal fee this Agreement specified in Section 3.2(v), and deem Franchisee and its Owners to have made the general release of liability described in Section 3.2(vi).

18.11 Joint and Several Liability. If two or more people sign this Agreement as “Franchisee”, each will have joint and several liability.

18.12 No Offer and Acceptance. Delivery of a draft of this Agreement to Franchisee by Surface Experts Franchising does not constitute an offer. This Agreement shall not be effective unless and until it is executed by both Franchisee and Surface Experts Franchising.

19. CERTIFICATION OF FRANCHISOR’S COMPLIANCE

By signing this Agreement, Franchisee acknowledges the following:

- (1) Franchisee understands all the information in Surface Experts Franchising’s Disclosure Document.
- (2) Franchisee understands the success or failure of the Business will depend in large part upon Franchisee’s skills, abilities and efforts and those of the persons Franchisee employs, as well as many factors beyond Franchisee’s control such as weather, competition, interest rates, the economy, inflation, labor and supply costs, and the marketplace.
- (3) That no person acting on Surface Experts Franchising’s behalf made any statement or promise regarding the costs involved in operating a Surface Experts franchise that is not in the Disclosure Document or that is contrary to, or different from, the information in the Disclosure Document.

- (4) That no person acting on Surface Experts Franchising’s behalf made any claim or representation to Franchisee, orally, visually, or in writing, that contradicted the information in the Disclosure Document.
- (5) That no person acting on Surface Experts Franchising’s behalf made any statement or promise regarding the actual, average or projected profits or earnings, the likelihood of success, the amount of money Franchisee may earn, or the total amount of revenue a Surface Experts franchise will generate, that is not in the Disclosure Document or that is contrary to, or different from, the information in the Disclosure Document.
- (6) That the financial performance information contained in Item 19 was for a business that operated under a different brand name than “Surface Experts”.
- (7) That no person acting on Surface Experts Franchising’s behalf made any statement or promise or agreement, other than those matters addressed in this Agreement, concerning advertising, marketing, media support, market penetration, training, support service, or assistance that is contrary to, or different from, the information contained in the Disclosure Document.
- (8) Franchisee understands that this Agreement contains the entire agreement between Surface Experts Franchising and Franchisee concerning the Surface Experts franchise, which means that any oral or written statements not set out in this Agreement will not be binding. GUARANTY AND NON-COMPETE AGREEMENT

This Guaranty and Non-Compete Agreement (this "Guaranty") is executed by the undersigned person(s) (each, a "Guarantor") in favor of Surface Experts Franchising LLC, a Washington limited liability company ("Surface Experts Franchising").

Background Statement: _____ ("Franchisee") desires to enter into a Franchise Agreement with Surface Experts Franchising for the franchise of a Surface Experts business (the "Franchise Agreement"; capitalized terms used but not defined in this Guaranty have the meanings given in the Franchise Agreement). Guarantor owns an equity interest in Franchisee. Guarantor is executing this Guaranty in order to induce Surface Experts Franchising to enter into the Franchise Agreement.

Guarantor agrees as follows:

1. Guaranty. Guarantor hereby unconditionally guarantees to Surface Experts Franchising and its successors and assigns that Franchisee shall pay and perform every undertaking, agreement and covenant set forth in the Franchise Agreement and further guarantees every other liability and obligation of Franchisee to Surface Experts Franchising, whether or not contained in the Franchise Agreement. Guarantor shall render any payment or performance required under the Franchise Agreement or any other agreement between Franchisee and Surface Experts Franchising upon demand from Surface Experts Franchising. Guarantor waives (a) acceptance and notice of acceptance by Surface Experts Franchising of this Guaranty; (b) notice of demand for payment of any indebtedness or nonperformance of any obligations of Franchisee; (c) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed; (d) any right Guarantor may have to require that an action be brought against Franchisee or any other person or entity as a condition of liability hereunder; (e) all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Franchisee arising as a result of the execution of and performance under this Guaranty by the undersigned; (f) any law which requires that Surface Experts Franchising make demand upon, assert claims against or collect from Franchisee or any other person or entity (including any other guarantor), foreclose any security interest, sell collateral, exhaust any remedies or take any other action against Franchisee or any other person or entity (including any other guarantor) prior to making any demand upon, collecting from or taking any action against the undersigned with respect to this Guaranty; and (g) any and all other notices and legal or equitable defenses to which Guarantor may be entitled.

2. Confidential Information. With respect to all Confidential Information Guarantor shall (a) adhere to all security procedures prescribed by Surface Experts Franchising for maintaining confidentiality, (b) disclose such information to its employees only to the extent necessary for the operation of the Business; (c) not use any such information in any other business or in any manner not specifically authorized or approved in writing by Surface Experts Franchising, (d) exercise the highest degree of diligence and make every effort to maintain the confidentiality of all such information during and after the term of the Franchise Agreement, (e) not copy or otherwise reproduce any Confidential Information, and (f) promptly report any unauthorized disclosure or

use of Confidential Information. Guarantor acknowledges that all Confidential Information is owned by Surface Experts Franchising or its affiliates (except for Confidential Information which Surface Experts Franchising licenses from another person or entity). Guarantor acknowledges that all customer data generated or obtained by Guarantor is Confidential Information belonging to Surface Experts Franchising. This Section will survive the termination or expiration of the Franchise Agreement indefinitely.

3. Covenants Not to Compete.

(a) Restriction - In Term. During the term of the Franchise Agreement, Guarantor shall not directly or indirectly operate, have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor.

(b) Restriction – Post Term. For two years after the Franchise Agreement expires or is terminated for any reason (or, if applicable, for two years after a Transfer by Guarantor), Guarantor shall not directly or indirectly operate, have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor operating in any of Franchisee’s Territory or the territory of any other Surface Experts business operating on the date of expiration, termination or transfer, as applicable.

(c) Interpretation. Guarantor agrees that each of the foregoing covenants is independent of any other covenant or provision of this Guaranty or the Franchise Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any court or arbitrator, then the parties intend that the court or arbitrator modify such restriction to the extent reasonably necessary to protect the legitimate business interests of Surface Experts Franchising. Guarantor agrees that the existence of any claim it or Franchisee may have against Surface Experts Franchising shall not constitute a defense to the enforcement by Surface Experts Franchising of the covenants of this Section. If Guarantor fails to comply with the obligations under this Section during the restrictive period, then the restrictive period will be extended an additional day for each day of noncompliance.

4. Modification. Guarantor agrees that Guarantor’s liability hereunder shall not be diminished, relieved or otherwise affected by (a) any amendment of the Franchise Agreement, (b) any extension of time, credit or other indulgence which Surface Experts Franchising may from time to time grant to Franchisee or to any other person or entity, or (c) the acceptance of any partial payment or performance or the compromise or release of any claims.

5. Governing Law; Dispute Resolution. This Guaranty shall be governed by and construed in accordance with the laws of the state of where the Business is located (without giving effect to its principles of conflicts of law). The parties agree that any state’s law for the protection of franchisees or business opportunity purchasers (including but not limited to Washington’s Franchise Investment Protection Act, RCW 19.100) will not apply unless its jurisdictional requirements are met independently without reference to this Section 6. The provisions of Article 17 (Dispute Resolution) of the Franchise Agreement apply to and are incorporated into this Guaranty as if fully set forth herein. Guarantor shall pay to Surface Experts Franchising all costs incurred by Surface Experts Franchising (including reasonable attorney fees) in enforcing this Guaranty. If multiple Guarantors sign this Guaranty, each will have joint and several liability.

INDEPENDENT AUDITORS' REPORT

To the Members Surface Experts Franchising, LLC

We have audited the accompanying financial statements of Surface Experts Franchising, LLC (the "Company"), which comprise the balance sheets as of December 31, 2021, 2020 and 2019 and the related statements of operations and members' equity (deficit) and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2021, 2020 and 2019, and the results of their operations and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date of this report.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SURFACE EXPERTS FRANCHISING, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021, 2020 AND 2019

NOTE 1 – DESCRIPTION OF BUSINESS

Surface Experts Franchising, LLC (the “Company”), was formed on September 1, 2018 and is engaged in the business of selling and supporting surface repair franchises within the United States of America. These franchisees provide surface repair services within their territories and pay royalties to the Company on their operations.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Company follows accounting standards set by the Financial Accounting Standards Board (“FASB”). The FASB sets accounting principles generally accepted in the United States of America (“GAAP”).

Reclassifications

Certain items in the 2020 financial statements have been reclassified to conform to the 2019 and 2021 financial statement presentation

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Accounts Receivable

Accounts receivable include royalty and call center fees charged by the Company. When necessary, the Company records an allowance for doubtful accounts based on specifically identified amounts that senior management believes to be uncollectible. After all attempts to collect a receivable have failed, the receivable is written off against the allowance. The Company had an allowance of \$122,469 at December 31, 2021. The Company determined no allowance was deemed necessary at December 31, 2020 and 2019.

Revenue Recognition

Revenues for the Company are disaggregated into the following revenues streams: Franchise Fees, Training Fees, Royalties and Call Center Fees and Other.

The Company sells franchises which grant franchisees a right to operate within a designated territory. These franchises are conveyed through a Franchise Agreement. The sale of the franchises is reflected within Franchise Fees in the accompanying statement of operations and retained earnings.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021, 2020 AND 2019

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (Continued)

Management has allocated the transaction price of franchise fee based upon the standalone selling price of its underlying performance obligations of a training program and the rights to operate as a franchisee of the Company. No amount of the franchise is allocated to Royalty and Call Center Fees, as these are recognized on a monthly basis.

Following execution of the Franchise Agreement, the franchisee purchases equipment and completes a training program.

Revenues from the training program are included within franchise fees on the accompanying statement of operations. The training program is completed typically 90-120 days following execution of the Franchise Agreement. Upon completion of the training program, the franchisee begins operations in their designated territory. The right to operate within the territory represents the Company fulfilling its performance obligation over the Franchise Agreement. Revenues associated with the training program are recognized at the point in time where the franchisee has completed the training program. Total training fees for 2021, 2020, and 2019 were \$783,551 and \$178,833, and \$275,881, respectively.

The Franchise Fee is based upon the fair value of the territory in which the franchisee is licensed to operate. Franchise Fees are recognized on a straight-line basis, beginning upon completion of the training program, over the term of the Franchise Agreement, which is 10 years. This is done on a straight-line basis, as the license to operate as a franchisee of the Company is of equal value across the term of the franchise agreement. Revenues associated with this license were \$345,461 and \$805,304 and for 2021, and 2020, respectively. There were no associated fees during 2019.

Collection of Franchise Fees typically occurs within a year of execution of the Franchise Agreement. Amounts receivable associated with Franchise Agreements are included in Franchise Agreement Assets, as discussed further in Note 3.

Under the terms of the Franchise Agreement, the Company collects Royalty and Call Center Fees that range from 4% to 8% of a franchisee's monthly sales. These fees are considered variable consideration. GAAP requires variable consideration that is to be recognized over the term of the franchise agreement to be estimated at the inception of the Franchise Agreement. Deferred revenue and a note receivable would be recognized at inception of the Franchise Agreement based on this estimate. GAAP specifically excludes these fees from this treatment. Given the nature of the business, the constraints associated with estimating these fees cannot be overcome in order to determine an estimate of the variable consideration that would not be likely to result in a significant reversal. Accordingly, the fees are recognized in the month in which services are performed for customers. Amounts receivable associated with Royalty, Call Center and Technology Fees are included within accounts receivable on the accompanying balance sheet.

Other revenues include sales of equipment in the form of supplies, tools and uniforms to franchisees as well as rental income from vehicles that are leased to franchisees. These revenues are recognized at the point in time which the franchisee takes delivery of the equipment. These leases are discussed further in Note 4.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Company's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and accounts receivable. The Company maintains its cash in bank deposits which, at times, may exceed federally-insured limits. The Company has not experienced any losses in such accounts. If liquidity issues arise in the global credit and capital markets, it is at least reasonably possible that these changes in risks could materially affect the amounts reported in the accompanying financial statements.

The Company experienced a disruption of normal business operations caused from COVID-19 during 2021 and subsequent to year end. The overall financial impact cannot be determined through the date of this report, however, it is reasonably possible that changes in risk in the near term could occur which could result in a material change to the financial statements.

Property and Equipment

Property and equipment are recorded at cost. Property and equipment are depreciated using the straight-line method over the estimated useful lives of the assets. The cost and accumulated depreciation for property and equipment sold, retired, or otherwise disposed of are relieved from the accounts, and resulting gains and losses are recognized currently. Minor maintenance, repairs, and renewals are expensed as incurred.

Property and equipment, net is summarized as follows at December 31:

	Estimated Useful Life	2021	2020	2019
Furniture and fixtures	7 years	\$ 10,318	\$ 10,318	\$ 10,318
Less: accumulated depreciation		<u>(5,430)</u>	<u>(3,474)</u>	<u>(737)</u>
		<u>\$ 4,888</u>	<u>\$ 6,844</u>	<u>\$ 9,581</u>

Depreciation expense was \$1,956, \$2,737, and \$737 for the years ended December 31, 2021, 2020, and 2019, respectively.

Income Taxes

The Company is treated as a partnership for federal and state income tax purposes with the earnings and losses of the entity being included in the members' income tax returns. Consequently, the Company's income or loss is presented without a provision or credit for federal and state income taxes.

The Company annually evaluates all federal and state income tax positions. This process includes an analysis of whether these income tax positions the Company takes meet the definition of an uncertain tax position under the Income Taxes Topic of the Financial Accounting Standards Codification. In general, the Company is no longer subject to tax examinations for the years ending before December 31, 2019.

Paycheck Protection Program Loan

In April 2020, the Company obtained a Small Business Administration (“SBA”) loan under the Paycheck Protection Program (“PPP”) in the amount of \$50,360. The PPP loan bore interest at 1% was to follow the repayment terms outlined by the Coronavirus Aid, Relief, and Economic Securities Act (the “CARES Act”) and the Paycheck Protection Program Flexibility Act (“PPPFA”). In April of 2021 the Company applied for forgiveness and was notified that they received forgiveness for this loan.

In February 2021, the Organization obtained an additional SBA loan under the second round of PPP in the amount of \$59,488. The PPP loan bore interest at 1% and was to follow the repayment terms outlined by the CARES Act and Payroll Protection Program Flexibility Act (“PPPFA”). During 2021 the Company applied for forgiveness and was notified that they received forgiveness for this loan.

Subsequent Events

Management has evaluated subsequent events through the date of this report, which is the date the financial statements were available to be issued.

The Company has two non-cancelable operating leases covering its office spaces, which both expire in 2024. With respect to the Late Fee described in Item 6, this Item is amended to disclose that the maximum rate of interest permitted under California law is 10%.

3. The following paragraphs are added at the end of Item 17 of the Disclosure Document:

The Franchise Agreement requires franchisee to sign a general release of claims upon renewal or transfer of the Franchise Agreement. California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Spokane, Washington, with the costs being borne equally by Franchisor and Franchisee. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the laws of Washington. This provision may not be enforceable under California law.

Item 17.w. of the Disclosure Document is revised to provide:

Rhode Island law applies.

VIRGINIA ADDENDUM TO DISCLOSURE DOCUMENT

As to franchises governed by the Virginia Retail Franchising Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

1. In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document is amended as follows:

Additional Disclosure: The following statements are added to Item 17.h.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the franchise agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

Fee Deferral

The Virginia State Corporation Commission’s Division of Securities and Retail Franchising requires us to defer payment of the initial franchise fee and other initial payments owed by franchisees to the franchisor until the franchisor has completed its pre-opening obligations under the franchise agreement.

WASHINGTON ADDENDUM TO DISCLOSURE DOCUMENT

As to franchises governed by the Washington Franchise Investment Protection Act, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Use of Franchise Brokers. The franchisor uses the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

Fee Deferral

In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all initial training that it is entitled to under the franchise agreement or offering circular, and (b) is open for business.

WASHINGTON RIDER TO FRANCHISE AGREEMENT

If any of the terms of the Franchise Agreement are inconsistent with the terms below, the terms below control.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.
