Inter-State Studio Franchise, LLC offers individual unit franchises for the operation of an Inter-State Studio® franchised business (a “Inter-State Studio business” or “Business”) offering school pictures, undergraduate portraits, sports and event portraits, packages and yearbooks, and other related services and products. We offer three different models of Inter-state Studio businesses to qualified candidates: (i) a new start-up type photography business; (ii) a conversion of an existing photography business; and (iii) a hybrid between a start-up and a conversion photography business.

The total investment necessary to begin operation of a start-up Inter-State Studio business ranges from \$23,100 to \$48,950, which includes \$12,550 to \$27,600 that must be paid to us or our affiliate. The total investment necessary to begin operation of a conversion Inter-State Studio business ranges from \$13,100 to \$46,450, which includes \$2,550 to \$25,100 that must be paid to us or our affiliate. The total investment necessary to begin operation of a hybrid Inter-State Studio business ranges from \$17,600 to \$53,450, which includes \$10,050 to \$35,100 that must be paid to us or our affiliate.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit C.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Missouri. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Missouri than in your own state.
2. **Financial Condition.** The Franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the Franchisor's financial ability to provide services and support to you.
3. **Supplier Control.** You must purchase all or nearly all of the inventory & supplies necessary to operate your business from Franchisor, its affiliates, or from suppliers that Franchisor designates at prices that the Franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchised business.
4. **Sales Performance Requirement.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted.
5. **Short Operating History.** This Franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise with a longer operating history.
6. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the Franchise Agreement, even if your spouse has no ownership interest in the franchise. This Guarantee will place both your and your spouse's marital and personal assets (perhaps including your house) at risk if your franchise fails.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

**THIS MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE
RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.**

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

If the franchisee has any questions regarding this notice, those questions should be directed to the Michigan Department of Attorney General, Consumer Protection Division, Attn.: Franchise, 670 Law Building, Lansing, Michigan 48913, telephone: (517) 373-7117.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this disclosure document, “we” means Inter-State Studio Franchise, LLC, the franchisor. “You” means the person who buys the franchise. If a corporation, partnership or limited liability company buys a franchise, “you” also may refer to the shareholders of the corporation, partners of the partnership or members of the limited liability company.

The Franchisor

We are a Delaware limited liability company formed on September 11, 2020. Our principal place of business is at 3500 Snyder Ave, Sedalia, MO 65301, and our telephone number is 660-826-1766. Our agents for service of process are disclosed in Exhibit C.

We grant franchises for the operation of Inter-State Studio® businesses under the name “Inter-State Studio” offering school pictures, undergraduate portraits, sports and event portraits, packages, yearbooks, and other related services and products. We began offering franchises for Inter-State Studio businesses in October 2020. We have not directly operated the type of business you will operate, but our affiliate ISS Publishing has, as discussed below. We have never offered franchises in any other line of business.

Parents, Predecessors and Affiliates

Our affiliate, Inter-State Studio & Publishing Co. (“ISS Publishing”), will offer and sell certain products and services to franchisees required for the operation of an Inter-State Studio business, namely prints of pictures and yearbooks, but also identification cards, banners, and other Products. ISS Publishing principal business address is the same as ours. ISS Publishing has never offered franchises in any other line of business. ISS Publishing also offers and sells these products to non-Inter-State Studio businesses, which may be located within your Territory. ISS Publishing also currently sells yearbooks to 3 U.S. military bases located across Canada and Germany. For purposes of clarity, all references to “company-owned” Inter-State Studio businesses shall mean those owned by us or our affiliates.

ISS Publishing has directly operated the type of business you will operate since 1933. ISS Publishing enters into individual annual service agreements with schools and various organizations across the U.S. (each, an “ISS Account”) to be the photographer for picture day and other events. As described in Item 5, we may offer you the right to acquire one or more ISS Accounts from ISS Publishing, but we and ISS Publishing are under no obligation to do so. If we transfer an ISS Account to you, then you may be required to honor certain previously agreed-upon terms with respect to an ISS Account, such as pricing and compensation, for a certain amount of time.

Except as described above, we have no affiliates, predecessors or parents required to be disclosed in this Item 1.

Franchise Offered

You will sign our franchise agreement, attached as Exhibit B (the “Franchise Agreement”), to receive the right to own and operate a franchise for an Inter-State Studio business offering the products and services we approve, and using our formats, designs, methods, specifications, standards, operating and marketing procedures and the Marks (as defined in Item 13), including the trademark “Inter-State Studio®” (collectively, the “System”). We have the right to change or otherwise modify the System at any time.

The geographic area granted to you under the Franchise Agreement is referred to as the “Territory.” Your Business must offer only authorized services and products as described in the Operations Manual (respectively, the “Services” and “Products”). We have the right to add, modify, or delete any Services or Products that you must offer or sell at your Business at any time. We anticipate and expect you to operate your Business out of a home office. If you are a conversion franchisee that already has a brick and mortar office, then your office must comply with our then-current standards and specifications.

You will enter into individual service agreements with schools and local organizations for the right to be the photographer and publisher for picture day and other Services (each, an “Account”), and then sell pictures, yearbooks, and other approved Products to families of children that attend those schools or belong to such organizations. You are required to have a fully executed service agreement with a school or local organization before you provide any Services or sell any Products or Services to a school or local organization.

We offer franchises for an Inter-State Studio business to three types of franchisees: (i) start-up franchisees; (ii) conversion franchisees; and (iii) hybrid franchisees. A start-up franchisee is someone that does not currently operate a portrait or photography business and has little to no prior experience in the industry. A conversion franchisee is someone that has a currently existing portrait or photography business that is similar to the Inter-State Studio business, and who agrees to merge and convert that business into the Inter-State Studio business. Finally, a hybrid franchisee is someone who has experience in the school portrait or photography industry and with our System, but does not currently own and operate their own existing portrait or photography business. Initially a hybrid franchisee’s Inter-State Studio business will consist solely of existing ISS Publishing Accounts that will be assigned to and assumed by the hybrid franchisee’s Inter-State Studio business (each, an “Assigned Account”).

Market and Competition

Inter-State Studio businesses offer school pictures and related Products and Services primarily to schools, sports teams, and community organizations. The Inter-State Studio customer base primarily consists of families with children that attend such schools and organizations, but you may also sell certain Products directly to the schools and organizations.

You may have to compete with other businesses, including franchised operations, national chains and independently owned companies offering services similar to those offered by Inter-State Studio businesses. The market is well developed and sales may be seasonal, primarily in the fall and the spring.

Due to the Covid-19 pandemic, some schools and organizations have elected to intermittently suspend on-site operations, which may have resulted in the cancellation or delay of picture day or packages to families. At the time of issuance of this disclosure document, it is unknown whether there will continue to be suspensions.

Laws and Regulations

We are not aware of any state or federal laws specifically regulating the operation of an Inter-State Studio business. You must also comply with all local, state and federal laws of a more general nature which affect the operation of the Business, including employment, worker’s compensation, insurance, corporate, taxing, licensing, and similar laws and regulations. Please be advised that you must investigate and comply with all of these applicable laws and regulations. You alone are responsible for complying with all applicable laws and regulations, despite any advice or information that we may give you. We have not researched any of these laws to determine their applicability to your Business.

We will require you, and each of your owners, partners, employees, and independent contractors to undergo and pass, to our satisfaction, a complete criminal background check. You may not hire or engage any employees or independent contractors that have not yet passed the background check to our satisfaction.

**ITEM 3
LITIGATION**

No litigation is required to be disclosed in this Item.

**ITEM 4
BANKRUPTCY**

No bankruptcy information is required to be disclosed in this Item.

**ITEM 5
INITIAL FEES**

Start-Up Franchisee - Initial Franchise Fee

The initial franchise fee for a single start-up Inter-State Studio business is \$12,500 (the “Start-Up Initial Franchise Fee”). The Start-Up Initial Franchise Fee is paid to us as a lump sum when you sign the Franchise Agreement and is not refundable under any circumstances.

Conversion Franchisee - Initial Franchise Fee

If you have an existing portrait or photography business that is similar to the Inter-State Studio business, and you agree to merge that business into the Inter-State Studio franchised business, then we will discount the Initial Franchise Fee based on the annual gross revenue for your existing business in your last full fiscal year as shown below (the “Conversion Initial Franchise Fee”):

Conversion Initial Franchise Fee	Annual Gross Revenue
\$10,000	\$149,999 or less
\$7,500	\$150,000 - \$199,999
\$5,000	\$200,000 - \$249,999
\$2,500	\$250,000 or more

We may require you to provide tax returns, audited financial statements, or other documentation, in our discretion, to demonstrate that your business generated such annual gross revenue in your last full fiscal year in order for you to be entitled to the Conversion Initial Franchise Fee. The Conversion Initial Franchise Fee is paid to us as a lump sum when you sign the Franchise Agreement and is not refundable under any circumstances.

Hybrid Franchisee - Initial Franchise Fee

If you have experience in the school portrait or photography industry and with our System, but do not currently own and operate your own existing portrait or photography business, and you agree to accept existing ISS publishing Accounts that we make available to you, then your initial franchise fee will be \$500 per Assigned Account (the “Hybrid Initial Franchise Fee”). The Hybrid Initial Franchise Fee is paid to us as a lump sum when you sign the Franchise Agreement and is not refundable under any circumstances.

For example, if we offer, and the hybrid franchisee accepts, 30 Assigned Accounts at the time of signing the Franchise Agreement, then the Hybrid Initial Franchise Fee shall be equal to \$15,000 (30 x \$500 = \$15,000).

We are under no obligation to offer a minimum number of Assigned Accounts to you. Furthermore, we do not make any promises or guarantees as to the likelihood of success or amount of revenue that you may generate in connection with any Assigned Account, or whether you will secure future service agreements with any Assigned Account. The number of Assigned Accounts made available to Hybrid Franchisee’s will vary based on individual circumstances and therefore the Hybrid Initial Franchise Fee will vary.

Equipment and Uniforms

If you do not have photography equipment and computer software that meets our then-current standards and specifications, then you must purchase such items from us or our affiliate. We estimate that the cost of the photography equipment and computer equipment/software will range from \$0 to \$15,000 for two complete studio outfits (the minimum amount that we recommend), depending upon which items you may need to purchase and how many Accounts you anticipate having at the outset. The high estimate of the range assumes that you will need to purchase all necessary equipment from us. You must pay for the equipment as a lump sum.

You will also have to purchase Inter-State Studio branded shirts from us for uniforms, which we estimate to cost between \$50-\$100, which could vary depending upon the amount you order, and is to be paid as a lump sum.

The amount that you pay for any equipment and uniforms is non-refundable and is fully earned by us upon payment.

Notes:

- (1) Except where otherwise noted, all fees are payable to us, are non-refundable, and are uniformly imposed.
- (2) You shall pay us the Management Fees in accordance with the below chart:

	Annual Gross Revenue	Management Fee to be paid on Annual Gross Revenue within each Tier	Cumulative Management Fees Paid to Us within each Tier
Tier 3	\$0 - \$249,999	7% of Gross Revenues	\$0 - \$17,499
Tier 2	\$250,000 - \$349,999	5% of Gross Revenues	\$17,500 - \$22,499
Tier 1	\$350,000 and above	3% of Gross Revenues	\$22,500+

We reserve the right to establish minimum prices for certain Products that you may offer or sell to an Account solely for purposes of calculating the Management Fee that you must pay us in connection with those Products (“Minimum Attributable Price”). These Minimum Attributable Prices will be set forth in the Operations Manual or otherwise in writing, and the prices that we will use to establish the Minimum Attributable Prices will be based upon our then-current suggested retail price. We reserve the right to modify these Minimum Attributable Prices from time to time. Despite any Minimum Attributable Prices that we may establish, you are permitted to establish your own prices for all Products and Services. If you charge an Account less than or equal to the Minimum Attributable Price, the Minimum Attributable Price will be included in your Gross Revenues (rather than the price you charged the Account). If you charge an Account more than the Minimum Attributable Price, the actual price you charged the Account will be included in your Gross Revenue.

“Gross Revenue” means the aggregate amount of all sales of all Services and Products, and other goods and services, whether for cash, on credit or otherwise, made or provided at or in connection with the Business, including any Products that customers under an Account purchase from us or our affiliate, less the cost of any commissions that you pay to an Account. The term “Gross Revenue” also does not include: (1) any federal, state, municipal or other sales, value added or retailer’s excise taxes paid or accrued by you; or (2) adjustments for net returns on salable goods and discounts allowed to customers on sales. Gross Revenue will not be reduced by the amount of your uncollected Accounts.

For purposes of calculating Gross Revenue, the sale is made at the time in which we or our affiliate ship a pre-paid Product to an Account or customer of your Business. For example, if your customer pays for a Product in January, but the Product does not ship until February, then the sale is deemed to have been made in February, and as such, the Gross Revenue for that Product was generated in February.

“Annual Gross Revenue” means the cumulative amount of Gross Revenue that you generate during each School Year (which runs from July 1 to June 30). The Annual Gross Revenue will be calculated each month on a rolling basis in order to determine the applicable Management Fee that we are entitled to on any given Gross Revenue. The Annual Gross Revenue will be reset to \$0 every year beginning July 1.

We may require you to provide Gross Revenue reports in the form, manner and frequency that we prescribe. This may include copies of cancelled checks of any commissions that you paid to Accounts and other documentation that we may require.

- (3) Under the Franchise Agreement, you hereby authorize us and our affiliates to perform collection services for your Accounts and customers that your Business offers and sells Products and Services to. All Account and customer payments we and our affiliates collect will be deposited into a single bank account used for receipt of all pre-paid Products by Accounts and customers across the entire Inter-State Studio System. All payments you are required to make to us or our affiliates (the “Deductions”) will be deducted from the Gross Revenues (if any) we or our affiliates collect from your Accounts and customers that purchase Products from your Business. After all Deductions have been applied to the amount collected (if any), we will remit the balance to you.

For example, if your customer pre-pays for a Product in January but the Gross Revenue is not generated until February (i.e., because the Product did not ship until February), then in March we will remit to you the Gross Revenue from that sale of the Product minus the Management Fee, Marketing Fee, Technology Fee, and any other amounts that you owe us or our affiliate.

If for any reason you collect any payment directly from an Account or customer, you must report it to us and pay all applicable Deductions to us, or we will apply such Deductions from amounts we collect from other Accounts or customers your Business sells Products to before remitting any balance to you. It is your sole responsibility to ensure that an Account or customer pays for any Products or Services. We or our affiliates will not be required to ship any Products to an Account or customer of your Business until we receive full payment for such Products. We will specify in the Operations Manual, or otherwise in writing, your rights, if any, and procedure to receive advanced payments that we have collected from your Accounts or customers but is not yet classified as Gross Revenue. You will not be entitled to any interest that is generated on any Account or customer payments that we collect and deposited into the dedicated bank account.

- (4) Under certain circumstances, we may offer to transfer to you certain ISS Publishing Accounts (each, a “Transferred Account”), owned by us or our affiliates, which are located in your Territory. The Transfer Account Fee is non-refundable and is fully earned by us upon payment. We are under no obligation to offer any ISS Publishing Accounts to you. Furthermore, we do not make any promises or guarantees as to the likelihood of success or amount of revenue that you may generate in connection with any Transferred Account, or whether you will secure future service agreements with any Transferred Account.
- (5) As further described in Item 12, we may establish a “National Accounts Program” that is designed to generate customer leads as a result of national marketing, strategic alliances and partnerships, or other lead generation efforts we or our affiliates conduct or that otherwise involves National Accounts. You must pay our then-current fees for participation in the National Accounts Program.

Notes:

General: This Table reflects your estimated initial investment for a single Inter-State Studio business operated under a Franchise Agreement. Except where otherwise noted, all fees that you pay to us are non-refundable and all notes shall apply to both start-up/conversion franchisees and hybrid franchisees. Third-party lessors, contractors and suppliers will decide if payments to them are refundable.

(1) Amount:

- a. *Amount Start-Up Franchisee:* The estimates in this column represent estimated initial investment for start-up franchisees only.
- b. *Amount Conversion Franchisee:* The estimates in this column represent estimated initial investment for conversion franchisees only.
- c. *Amount Hybrid Franchisee:* The estimates in this column represent estimated initial investment for hybrid franchisees only.

(2) Initial Franchise Fee: You will pay us the Initial Franchise Fee as more fully described in Item 5.

(a) *Start-Up/ Conversion:* The low estimate in the above chart assumes that you are a conversion franchisee with over \$250,000 in annual gross revenue in the prior year, and

are entitled to a discounted Conversion Initial Franchise Fee equal to \$2,500. The high estimate in the above chart assumes that you are a start-up franchisee and you must pay the full Start-Up Initial Franchise Fee equal to \$12,500.

(b) *Hybrid*: If you are a hybrid franchisee, then you will pay us an Initial Franchise Fee equal to \$500 per Assigned Account that we offer and you accept. The low estimate in the above chart reflects a Hybrid Initial Franchise Fee based upon 20 Assigned Accounts, and the high estimate reflects a Hybrid Initial Franchise Fee based upon 40 Assigned Accounts.

- (3) Equipment: If you do not have photography equipment that meets our then-current standards and specifications, then you will need to purchase such equipment from us or our affiliate. The low estimate assumes that you already own all required equipment that meets our then-current standards and specifications, and the high estimate assumes that you will purchase all of the required equipment from us or our affiliate.
- (4) Vehicle Expenses. We anticipate and assume that you will already own a vehicle that you will use in connection with your Business. The above estimates reflect the amount of gas and other expenses, such as car insurance, that you may incur in the first three months. The amount that you may incur may be higher depending upon the market and geographic scope of your Territory, and if you need to purchase or lease a vehicle for your Business.
- (5) Initial Supplies and Uniforms: You will be required to purchase Inter-State Studio branded shirts. The above estimate also assumes that you will need to purchase general office supplies.
- (6) Training Expenses: For start-up and conversion franchisees, the above estimated range includes salary, benefits, lodging, meals and travel expenses for one person to attend our initial training program. If you are a hybrid franchisee, then you are not required to attend our initial training program, and the above estimate assumes that you will elect not to attend either.
- (7) Licenses, Permits and Professional Fees: This estimate includes expenses related to legal and financial advisor fees, and local license and permit fees.
- (8) Insurance: These amounts estimate the expenses you will incur for insurance premiums during the first 3 months of operations.
- (9) Additional Funds: This amount estimates the expenses you will incur during the first 3 months of operations, including the cost to obtain any necessary components of the Computer System from designated suppliers.
- (10) Total: The estimates in the above chart are based upon our affiliates' experiences in operating Inter-State Studio businesses over the past 10 years. As further described in Item 10, if you meet our credit standards, we will finance the initial franchise fee(s) payable by you under the Franchise Agreement. We will not finance any other portions of your initial investment.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

To ensure a uniform image and uniform quality of Products and Services throughout the System, you must maintain and comply with our quality standards.

Designated Products and Services

You must purchase for use or sale from your Business those products used in or sold from your Business and other services or products we designate from us, our designees or from other suppliers we approve. We (including our affiliates) or our designees may be the designated or sole source of supply for certain services and products. As of the issuance date of this disclosure document, we and our affiliates are the only supplier for certain photography equipment, computer equipment, software, privately labeled shirts and uniforms, printed pictures, yearbooks, paper products, and other Services and Products that you must use in connection with the Business.

Office

You must have a quiet and organized office where you operate the Business. The office may be, and we expect it to be, a home office, and you may store any necessary Products, equipment, supplies, inventory, and other items that are necessary for the operation of the Business at your home office. If you wish to purchase or lease real estate for the operation of your Business, then you must locate a site for your Business that we consent to, and you may not sign a lease for the site until we have given our consent in writing. We accept office locations on a case by case basis, considering items such as size, appearance and other physical characteristics of the site, demographic characteristics, and other commercial characteristics, such as rental obligations and other lease terms.

Equipment, Products, Signs & Vehicles

In operating your Business, you may purchase only the types of equipment, products, supplies, and signs that we require and have approved as meeting our then-current specifications and standards for quality, design, appearance, function and performance as set forth in our confidential Operations Manual (the "Operations Manual") or otherwise in writing. We or our affiliate may be an approved supplier of one or more of these items. We may require you to purchase certain equipment and products from us or our affiliate.

You also agree to maintain the condition and appearance of the vehicle(s) you and your employees use in operating the Business, and repair or replace the vehicle(s) as we may require. We assume that your employees will use their own vehicles in connection with providing the Services and Products to customers, however, if at any time in our reasonable judgment, the general state of repair, appearance or cleanliness of the vehicle(s) does not meet our then-current standards, we will so notify you, specifying the action you must take to correct the deficiency.

Computer Hardware and Software

We currently require you to purchase certain computer hardware and software that we designate from our designated third-party supplier or other approved suppliers (if any). See Item 11 for further information.

Insurance

You must purchase and maintain in force, at your expense, insurance at a minimum in the types of coverage and amounts we specify in the Operations Manual or otherwise in writing. All insurance policies will: (1) be issued by an insurance carrier(s) acceptable to us and having an A.M. Best rating of A or higher; (2) name us and our affiliates, and their respective officers, directors, managers and employees, as additional insured parties; (3) contain a waiver of the insurance company's right of subrogation against us; (4) contain the above-mentioned insurance coverage for each Business that you operate; and (5) provide

that we will receive 30 days' prior written notice of a material change in or termination, expiration or cancellation of any policy (or such shorter period as the insurance carrier may require and as we may approve). We periodically may, with prior written notice to you, increase the minimum liability protection requirements, and require different or additional kinds of insurance to reflect inflation or changes in standards of liability. If at any time you fail to maintain in effect any insurance coverage we require, or to provide satisfactory evidence of such coverage, we, at our option, may obtain insurance coverage for you, and in addition to having you reimburse us for the cost of the insurance that we obtain on your behalf, we may require you to pay us an administrative fee equal to 5% of the insurance premium. You agree to promptly sign any applications or other forms or instruments required to obtain any insurance and pay to us, on demand, all premiums and other costs we incur in obtaining the insurance for you. You will provide us with copies of the certificate of insurance, insurance policy endorsements and other evidence of compliance with these requirements as we periodically require at least 2 weeks before you take possession and commence development of the Business premises and at such other times as we may require.

Advertising and Promotional Approval

We will develop, and make available to you, marketing packets for prospective Accounts (each, a "Marketing Packet") upon your request. Marketing Packets may include sample pictures, sample yearbooks, and promotional products, as we may determine in our discretion. The Marketing Fee that you must pay us entitles you to receive as many Marketing Packets as you may need for prospective Accounts throughout the term at no additional cost to you, and have customers whose email addresses that we obtain from you or an Account receive marketing emails from us.

In addition, to the extent you conduct any advertising for your Business, you must obtain our prior written consent before using any advertising and promotional materials in promoting the Business. See Item 11 for further information regarding advertising programs.

Supplier and Product Approval

We will provide you with lists of approved manufacturers, suppliers and distributors (the "Approved Suppliers List") and approved products and services, other inventory items, equipment, signs, supplies and other items or services necessary to operate your Business (the "Approved Supplies List"). The Approved Suppliers List may specify the specific manufacturer of a specific product or piece of equipment, in which case you can purchase those products only from a source identified on the Approved Suppliers List. We, an affiliate of ours, or a third-party vendor or supplier periodically may be the only approved supplier or lessor for certain products or services. The lists specify the suppliers and the products and services that we have approved for use in the System. We may revise these lists and provide you with a copy of approved lists as we deem advisable. If you propose to use any product, material, equipment, sign or other item that we have not approved, or purchase any items from any supplier that we have not approved, you must first notify us in writing and must provide us with sufficient information, specifications, samples photographs, drawings or other information to permit us to determine whether the product, service, material, equipment, or other item (or brand of such item) complies with our specifications, or the supplier meets our approved supplier criteria. We will notify you of our decision within a reasonable time following our receipt of all information requested, generally within 30 days. You must pay us \$100 plus our reasonable costs and expenses that we incur in connection with the inspection, evaluation, and testing. We may re-inspect the facilities and products of any supplier or approved item and revoke our approval of any item or supplier failing to continue to meet any of our criteria, and require you to cease using, offering, or selling such item or supplier immediately. We will send written notice of any revocation of an approved supplier or supply. As part of the approval process, we may require that a proposed supplier sign a supplier agreement covering such items as insurance, product quality, trademark use, and indemnification. We do not provide material benefits to you based on your use of designated or approved sources of supply.

We apply certain general criteria in approving a proposed supplier, including the supplier’s quality and pricing of products, ability to provide products/services that meet our specifications, responsiveness, quickness to market with new items, financial stability, credit program for franchisees, freight costs, and the ability to provide support to the System (merchandising, field assistance, education and training respecting sales and use of products and services).

We received a total of \$4,000 (or 1% of our total revenue of \$385,486) as a result of franchisee purchases or leases during the fiscal year ended December 31, 2021. Our affiliate, ISS Publishing, received a total of \$946,522 in revenue as a result of franchisee purchases or leases during the fiscal year ended December 31, 2021.

One or more of our officers have an interest in us and our affiliates, as well as our supplier, Convertible Solutions, LLC (“Convertible Solutions”), for certain paper products. Convertible Solutions is a subsidiary of ISS Publishing. No officer owns a material interest in any other supplier.

Miscellaneous

We may negotiate prices for numerous products for the benefit of the System, but not for any individual franchisee. If you receive a Transferred Account, then you may be required to honor certain previously agreed-upon terms with respect to an ISS Account, such as pricing and compensation, for a certain amount of time.

There is no purchasing or distribution cooperative in the System. We may, however, attempt to receive volume discounts for the System.

We and our affiliates may derive revenue directly or in the form of rebates or other payments from suppliers, based on purchases made by our franchisees. Although we and our affiliates currently do not receive rebates or other payments from suppliers, we and our affiliates reserve the right to receive rebates or other payments in the future.

We estimate that your purchase of required products, equipment, software, marketing materials and other items meeting our specifications will account for approximately 10% to 100% of your total costs incurred in establishing your Business, and approximately 75% to 95% of your ongoing costs (but 100% of your printed pictures, yearbooks, and other Products costs) to operate the Business.

ITEM 10 FINANCING

If you meet our qualifications, including a credit check, we may make optional financing available to you.

In those situations, we may finance your Initial Franchise Fee(s) for up to 24 months, provided you sign the Promissory Note (the "Promissory Note") attached as Exhibit F at the time you sign the Franchise Agreement. The effective annual interest rate will be the lesser of 18 percent or the maximum rate permitted by law. The Promissory Note will be paid over a total of four equal payments, with 2 payments being made each calendar year (on May 15th and November 15th). There is no prepayment penalty and the rule of 78 does not apply (the rule of 78 is a method of computing interest which requires the interest originally calculated to still be paid even if prepaid). No security interest is required and no person other than you and, if you are an entity, those individuals who are required to sign the form Personal Guaranty attached to the Franchise Agreement, must sign the Promissory Note.

If you do not pay on time, we can call the loan and demand immediate payment of the full outstanding balance and obtain court costs and attorney's fees if a collection action is necessary. We also have the right to terminate your franchise agreement if you do not make your payments on time and do not cure your default within 10 days. The Promissory Note requires that you waive your rights to notice of a collection action and to assert defenses to collection against us. It is not our current practice to sell these notes to third parties, although we are not restricted from doing so in the future.

Other than as described above, we do not offer direct or indirect financing, do not guarantee your loans, lease or other obligations, and do not receive payments or other consideration for the placement of

financing. We reserve the right to terminate our financing program at any time, offer different terms or assist franchisees in obtaining financing in the future.

ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

- (6) Provide you with lists of approved suppliers and approved products, equipment, or services, including the Products and Services, necessary to operate your Business (Franchise Agreement – Section 9(E)).

We are not required to provide you any assistance with hiring of any employees.

Office Location

The Business may be, and we expect it to be, operated from a home office, and you may store any necessary Products, equipment, supplies, inventory, and other items that are necessary for the operation of the Business at your home office. In the event you wish to lease or acquire real estate for your Business, then you must obtain our prior written consent with respect to a proposed site before purchasing or signing a lease. If you are a conversion franchisee that already has a brick and mortar office, then your office must comply with our then-current standards and specifications. We do not provide any assistance in locating or evaluating a site for your Business.

Marketing and Advertising

Except for the Marketing Fee, you are not required to spend any amounts on marketing or local advertising. If you elect to conduct any other advertising or marketing for your Business, then all advertisements and marketing materials must comply with our then-current standards and specifications, and you may only use approved advertising and promotional materials in promoting the Business. If you desire to use any advertising or promotional materials in promoting the Business which we previously have not previously approved, you must submit all materials to us for our written approval before using any such materials, which approval will not be unreasonably withheld. If we do not approve those advertising or promotional materials within 10 days after you submit those materials to us, then they are considered to be disapproved and you may not use the materials.

You are not required to participate in any marketing fund, and we currently do not plan on establishing one.

You must participate in all advertising and promotional programs we establish in the manner we direct. You must, at your expense, participate in, and honor all provisions of any gift cards, loyalty programs, coupons, and discounts that we have established or may establish and as we may modify.

We retain the sole right to market on the Internet, including all use of websites, domain names, URL's, linking, advertising, and co-branding arrangements. You may not independently market on the Internet, or use any domain name, address, locator, link, metatag, or search technique, with words or symbols similar to the Marks. We intend that any Inter-State Studio franchisee website be accessed only through our home page. We may require you to provide us content for our website and Internet marketing. We retain the right to approve any linking or other use of our website. Except as we may authorize in writing, you also may not use any e-mail address which we have not authorized for use in operating the Business, or conduct any activity on "social media" or related social networking website.

You will not be required to join or participate in a local or regional advertising cooperative. As of the issuance date of this disclosure document, we do not have an advertising council composed of franchisees. We are also not required to spend any amount of advertising in your territory.

Development Time

The typical length of time between our acceptance of the Franchise Agreement and the opening of your Business is expected to vary from 1 to 3 months. This period may be longer or shorter, depending on the time of year, availability of financing, how soon you can attend training or other factors. You must complete development and open your Business within 6 months following the date of the Franchise Agreement. If you fail to do so, we may terminate the Franchise Agreement.

Training

Before you open your Business, your Operating Principal must attend our initial training program. Our initial training program is conducted in Sedalia, Missouri or another location we designate, and we may conduct any portion of it via teleconference, video conference, or through other remote/virtual means. We currently plan to offer the initial training program once or more each calendar quarter, or as we deem necessary. The instructional materials for all training programs include the Operations Manual, handouts and visual aids, and will include lecture, classroom discussion, hands-on demonstration and/or practice training at a designated facility. You are not required to complete the initial training program a certain number of days after signing the franchise agreement or a certain number of days before you commence operations, but you must successfully complete it before you open your Business.

The initial training program includes instruction relating to Business operations, photography training, understanding the equipment and product use, sales training, and general sales and marketing.

You may not open your Business unless the Operating Principal has successfully completed the requisite initial training program to our satisfaction. If we determine that the proposed Operating Principal is not qualified to manage the Business, we will allow you to select a substitute Operating Principal to complete the initial training program at an additional expense to you.

We recognize that start-up, conversion, and hybrid franchisees joining our system will vary widely in the amount of previous experience they have in the school picture photography industry and photography skills. While no previous photography experience is required to operate an Inter-State Studio business, the amount of training required to achieve the operational benchmarks will vary by individual. We reserve the right to extend or reduce requirements based on the training outcomes achieved and prior experience.

If you are a hybrid franchisee, then we anticipate that your Operating Principal will have the requisite experience and familiarity with our System, and therefore will not be required to attend any portion of our initial training program.

If we do not require your Operating Principal to attend any portion of our initial training program, then we may require you to sign a form acknowledging your Operating Principal's decision to waive attending Phase I, II, and/or III of initial training, as applicable.

Phase I: Your Operating Principal must attend and successfully complete the Phase I initial training program if you are a conversion or a start-up franchisee.

TRAINING PROGRAM – PHASE I

Subject	Classroom Training Hours	Hours of On-the-Job Training	Location
Photography Training	0-40	0	Sedalia, Missouri, or another location we designate.
Operations Training	24	0	Sedalia, Missouri, or another location we designate.
Total	64	0	

Phase II: The Operating Principal for a start-up franchisee will be required to attend and successfully complete the following Phase II initial training program before opening its Business. Conversion franchisees are not required to attend the Phase II initial training provided that they can demonstrate to our satisfaction that they have sufficient experience in this industry and already possess the requisite knowledge in order to perform the Services and functions that are taught during Phase II. We will offer Phase II and III training at regular intervals throughout the year.

TRAINING PROGRAM – PHASE II

Subject	Classroom Training Hours	Hours of On-the-Job Training	Location
Photography Training (Varies by Season)	24 – 40	0	Sedalia, Missouri, or another location we designate.
Sales Training	24	16	Sedalia, Missouri, or another location we designate.
Total	48 – 64	16	

Phase III: After the Business opens, the Operating Principal for a start-up franchisee will also be required to attend and successfully complete 4 additional seasonal photography training sessions throughout the first year of operations. These subsequent photography training sessions will focus on the mechanics of different types of photography shoots that you must offer (undergraduate fall portraits, undergraduate spring portraits, classroom groups, sports and special events portraits, and senior portraits). You may not offer or sell any of the Services or Products that are taught during Phase III until your Operating Principal has successfully completed the Phase III training session for that type of Service or Product. Each of the 4 additional seasonal photography training sessions will consist of 24-40 hours of classroom training in Sedalia, Missouri or another location we designate. Conversion franchisees are not required to attend Phase III training provided that they can demonstrate to our satisfaction that they have sufficient experience in this industry and already possess the requisite knowledge in order to perform the Services and functions that are taught during Phase III. We will offer Phase III training at regular intervals throughout the year.

The entire initial training program is subject to change due to updates in materials, changes or additions to the services offered, introduction of new methods and techniques, manuals and personnel. The subjects and time periods allocated to the subjects actually taught to specific franchisees may vary, based on the experience of the persons being trained.

Our initial training program will primarily be conducted by our or our affiliate’s representatives or designees, which currently includes Frank Lombardo, Gig Brzycki, and John Goalder, each of which are employees of our affiliate ISS Publishing.

Frank Lombardo, ISS publishing National Photography Manager, will coordinate all photography training. He has been in the industry for over 24 years, and has been with ISS Publishing for 7 years.

Gig Brzycki, ISS Publishing Director of Training and Development, will coordinate the sales training. He has 26 years of school photography experience in the industry, and has been with ISS Publishing for over 26 years.

John Goalder, ISS Publishing Director of Franchise & Affiliates, will coordinate the operations training. He has over 16 years experience in the industry, and he has been with ISS Publishing for 17 years.

In addition, all new or replacement Operating Principals must complete our designated initial training program, and we may charge you a reasonable fee for those new or additional individuals who attend the initial training program.

We may require that the Operating Principal attend all supplemental and refresher training programs that we designate. We may decide the time and place of training and may charge you a reasonable fee for these supplemental and refresher training programs, which is currently \$500 for the first day and \$250 for each additional day, plus our costs and expenses in connection with such training.

We periodically may hold or sponsor franchise conventions and meetings relating to new Services or Products, new operational procedures or programs, training, business management, sales and sales promotion, or any other topic we designate. These franchise conventions and meetings may be optional or mandatory, as we designate. Your Operating Principal must attend, at your expense, all mandatory franchise conventions and meetings we may hold. We reserve the right to charge you our then-current fee for any annual franchise convention or meeting that we sponsor or designate, regardless of your attendance. We currently do not charge an annual convention fee.

We do not charge a fee for your initial Operating Principal to attend Phase I, II or III of the initial training program, regardless if you are a start-up or conversion franchisee. You are, however, solely responsible for the compensation, travel, lodging and living expenses your Operating Principal and your employees incur in attending the initial training program, supplemental or refresher training programs, and any franchise conventions or meetings. You also are solely responsible for paying your employees and providing all necessary insurance, including worker's compensation insurance, for you and your employees, while you and your employees attend training or any franchise conventions or meetings.

Computer System.

You must purchase (or lease), use, maintain and update computer and other systems and software programs, a smart phone, and a printer, which meet our specifications as they evolve over time and which, in some cases, may only be available from designated suppliers (the "Computer System"). The Computer System also includes the management and reporting system, including all existing or future communication or data storage systems, applications, and components thereof and associated services, which we have developed or selected for the System (the "Management Software"). The required Computer System can access the internet and has the capabilities to receive a high-speed internet connection. The Computer System will also be used to report and communicate with us for your accounting and record keeping and for other uses as we designate. You must maintain your Computer System's network and you must promptly update and otherwise change your computer hardware and software systems as we require, at your expense. You must pay all amounts charged by any supplier or licensor of the systems and programs used by you, including charges for use, maintenance, support and/or update of these systems or programs. We will have direct access to the data regarding the Business.

You must pay us our then-current Technology Fee, which we may use for developing, researching, operating, maintaining, implementing, modifying, and/or upgrading any technology used in connection with the System as we deem appropriate in our sole discretion. Additionally, the Technology Fee currently provides access to Google Suite. Your right to use our Management Software is currently included in the Technology Fee.

As of the issuance date of this disclosure document, the required Computer System includes: a laptop computer, smartphone, our proprietary Management Software and certain other software programs provided by third-parties. We estimate that the initial cost for the Computer System will range from \$500 to \$3,000.

We also may independently access financial information and customer data (“Customer Data”) produced by or otherwise located on your Computer System. There are no contractual limitations on our right to access the information and data. You must comply with all laws and regulations relating to privacy and data protection, and must comply with any privacy policies or data protection and breach response policies we periodically may establish. You cannot use the Customer Data for any purpose other than the operation of the Business consistent with our standards of use. We will periodically establish policies respecting the Business Customer Data.

You may be required to obtain ongoing maintenance and repairs respecting the Computer System, as well as upgrades or updates respecting the Management Software. We estimate the cost of optional or required maintenance, updates and upgrades will be \$100 to \$500 per year. There are no contractual limitations on the frequency and cost of additional maintenance or repair. You must incorporate these upgrades and updates to the Computer System. We, our affiliates, and third-party suppliers are not currently required to provide any ongoing maintenance, repairs, upgrades or updates to you.

Operations Manual.

The Operations Manual consists of one or more manuals, technical bulletins or other written materials and may be modified by us periodically. The Operations Manual may be in printed or in an electronic format in our discretion. We reserve the right to require you to use an electronic version of the Operations Manual and to require you to access the document using the Internet or an intranet created and supported by us. The Operations Manual currently contains 1151 pages. The Table of Contents for the Operations Manual is attached to this disclosure document as Exhibit I.

ITEM 12 TERRITORY

You will be granted a Territory in which to operate the Business under the Franchise Agreement. Your Territory will generally consist of a student enrollment population containing approximately 30,000 to 50,000 enrolled students (the “Enrollment Population”) at the time of signing your Franchise Agreement, but it may also be based on other demographics and characteristics, including number of schools, proximity of schools, home values or average income, proximity to other Inter-State Studio franchisees or company-owned businesses, and other characteristics of the surrounding area, and the amount and size of urban, suburban and rural areas. Except as provided below, you will maintain rights to your Territory even though the Enrollment Population in your Territory may increase or decrease. We have the exclusive right to determine the boundaries of your Territory in our sole discretion.

You will not receive an exclusive territory. You may face competition from other franchisees, from businesses that we own or from other channels of distribution or competitive brands that we control.

You may be granted, in our sole discretion, express written permission to sell Services or Products to Accounts in an unsold territory adjacent to your Territory (the “Adjacent Territory”). If the Adjacent Territory is subsequently granted to another franchisee, you will be permitted to continue offering and selling Services and Products to your existing Accounts in the Adjacent Territory with our prior written consent.

As a result, an existing Inter-State Studio business may have an existing Account in your Territory at the time you sign the Franchise Agreement (a “Pre-Existing Account”), and therefore: (a) the existing Inter-State Studio business may be permitted to continue soliciting, offering and selling to the Pre-Existing Account(s) in your Territory without compensation to you; and (b) you will not be permitted to solicit, offer, or sell to the Pre-Existing Accounts within your Territory without our prior written consent.

Additionally, if you are a conversion franchisee and, immediately before converting, your business has an existing Account in an existing Inter-State Studio company-owned or franchisee’s territory (the “Occupied Territory”), then subject to certain conditions we specify you will be permitted to continue soliciting, offering and selling Services and Products to those same existing accounts in the Occupied Territory as an Inter-State Studio franchisee (each, a “Conversion Account”), but you may not solicit, offer, or sell to any other prospective Accounts in the Occupied Territory. As a result, a business that becomes a conversion franchisee after you sign the Franchise Agreement will be permitted to continue soliciting, offering and selling to Conversion Accounts in your Territory without compensation to you. You also will not be permitted to solicit, offer, or sell to Conversion Accounts within your Territory without our prior written consent.

If we or another Inter-State Studio business refers a prospective Account to you that is located within your Territory, then within 5 business days of you receiving the referral, you must notify us in writing whether or not you are able and willing to solicit, offer, sell, and perform the Services and Products to that Account. If you notify us that you are unable or unwilling to solicit, offer, sell, and perform the Services and Products to that Account, or if you fail to notify us within those 5 business days whether or not you accept or reject the referred Account, then we, our affiliates, or any other Inter-State Studio franchisee that we designate may solicit, offer, sell and perform the Services and Products to that prospective Account in your Territory with no obligation to compensate you.

We may adopt and implement a territory infringement policy (“Territory Infringement Policy”), which may include provisions for financial penalties in addition to, or in lieu of, termination of this Agreement following a violation of the Territorial Infringement Policy. The Territory Infringement Policy will become part of the System standards, and we expect that all franchisees under the System will abide by this policy. Such financial penalties may include, among other things: (a) your obligation to repay to the local franchisee or operator the gross profit generated by you outside of your Territory, and in our affiliate’s or another franchisee territory; (b) we may deduct from your periodic distributions an amount equal to the Gross Revenue generated from the provision of services outside of your Territory; and/or (c) you pay us a policy infringement fee, which is currently \$1,000 per violation.

Except as otherwise described in this Item 12, we or our affiliate will not operate, or grant franchises for, an Inter-State Studio business within your Territory, unless you do not achieve the Minimum Annual Attendance Quota as set forth below. A “School Year” is measured from July 1st to June 30th of every year. At the end of your first partial School Year (which is the period starting as of the effective date of your Franchise Agreement through the first June 30th), we will calculate the average daily student attendance among your Accounts within your Territory (the “Annual Attendance”). During your first full School Year and each School Year thereafter, you must attain the following increase in the Annual Attendance from the prior partial or full School Year (the “Minimum Annual Attendance Quota”):

Calendar Year	Minimum Annual Attendance Quota
First Full School Year	15% increase
Second Full School Year	10% increase
Third Full School Year and each Full School Year after that	5% increase

The failure to achieve these Minimum Annual Attendance Quotas is a material breach of the Franchise Agreement. If you fail to meet your Minimum Annual Attendance Quota, then we have the right to grant additional franchises within the Territory and/or reduce the size of your Territory.

We reserve the right to modify your Territory at the time you execute a renewal Franchise Agreement to conform the size of your Territory to our then-current standards for protected territories that are being granted to new franchisees, for example, if there has been an increase or decrease in the Enrollment Population or number of qualified schools within your original Territory, or if we use different standards or calculations in determining the size of territories.

Among other rights, we (for ourselves and our affiliates) reserve the following rights, without compensation to you:

1. To own, franchise, or operate Inter-State Studio businesses outside of the Territory, regardless of the proximity to your Business or Territory;
2. To offer and sell Products and Services to, and permit franchisees the right to offer and sell Products and Services to, Pre-Existing Accounts and/or Conversion Accounts within and outside of your Territory;
3. To use the Marks and the System to sell any products or services, similar to those which you will sell, through any alternate channels of distribution (including channels of distribution such as the Internet, television, mail order, or catalog sales) within or outside of the Territory;
4. To use and license the use of other proprietary and non-proprietary marks or methods, if the marks or methods are not the same as or confusingly similar to the Marks, whether in alternative channels of distribution, at any area including within the Territory, which may be the same as, similar to or different from the Business operated by you;
5. To purchase or be purchased by, or merge or combine with, any business, including a business that competes directly with your Business, wherever located;
6. To acquire and convert to the System operated by us any businesses offering services similar to the Business including those businesses operated by competitors or otherwise operated independently or as part of, or in association with, any other system or chain, whether franchised or corporately owned and whether located or operating inside or outside of the Territory;
7. To directly or indirectly offer and sell Services and Products to National Accounts (as defined below) located inside or outside the Territory as described further below; and
8. All other rights not granted to you under the Franchise Agreement.

We may establish a “National Accounts Program” that is designed to generate customer leads as a result of national marketing, strategic alliances and partnerships, or other lead generation efforts we or our affiliates conduct or that otherwise involves National Accounts. The term “National Account” means those customers or accounts we designate, in our sole and absolute discretion, as desiring central billing accounts, or that have 2 or more locations, and such locations are located in more than one franchised or company-owned territory or market. We may permit you to participate in the National Accounts Program and service National Accounts in your Protected Territory under the terms of the National Accounts Program as described in the Operations Manual or as we otherwise describe in writing. You understand that: (1) we will establish the rules under which you may participate, (2) we retain the absolute discretion in determining whether you may participate in the National Accounts Program; and (3) we may terminate, modify, or replace the National Accounts Program at any time. You must pay our then-current fees for participation in the National Accounts Program.

We recommend that you concentrate all marketing and other solicitation of Accounts and customers inside your Territory for your Business.

You may not relocate your Territory or establish additional Inter-State Studio businesses without our prior written consent, which we may withhold in our sole discretion. Such requests are evaluated on a case-by-case basis, including consideration of whether you are currently in compliance with your Franchise Agreement, territory availability, and other fact-specific considerations.

We do not grant to you any options, rights of first refusal or similar rights to acquire additional franchises within a particular territory. You will not have the right to subfranchise or sublicense any of your rights under the Franchise Agreement.

Our affiliate ISS Publishing may sell certain Products that are authorized for sale at an Inter-State Studio business, such as including printed pictures and yearbooks, to businesses operated by competitors or otherwise operated independently or as part of, or in association with, any other system or chain, within and outside of your Territory. Except as disclosed, neither we nor any affiliate operates, franchises, or has any current plans to operate or franchise any business selling the Products and Services authorized for sale at an Inter-State Studio business under any other trademark or service mark.

ITEM 13 TRADEMARKS

The Franchise Agreement grants you the nonexclusive right to use the trademark “Inter-State Studio” and other trademarks, service marks, and logos (the “Marks”). Our affiliate, ISS Publishing, owns the following service marks registered on the Principal Register with the United States Patent and Trademark Office (“USPTO”) and it intends to file all required affidavits and renewals:

Principal Trademarks	Registration No.	Registration Date
INTER-STATE	1017707	Aug. 05, 1975
INTER-STATE STUDIO	1981242	June 18, 1996
INTER-STATE STUDIO (and Design)	5321836	Oct. 31, 2017

Our right to use and license others to use the Marks is exercised under a trademark license agreement (the “TM Agreement”) with ISS Publishing dated September 11, 2020. Under the TM Agreement, we are granted the right to use and to permit others to use the Marks. The TM Agreement has a 20-year term, with automatic 1-year renewal terms. If we were ever to lose our right to the Marks, ISS Publishing is required under the TM Agreement to allow our franchisees to maintain their rights to use the

Marks in accordance with their franchise agreements. Also, the franchise agreements will be assigned to ISS Publishing. Other than the TM Agreement, there are no agreements in effect which significantly limit our rights to use or license the Marks in any state in a manner material to Inter-State Studio franchises.

We have the right to periodically change the list of Marks. Your use of the Marks and any goodwill is to our exclusive benefit and you retain no rights in the Marks. You also retain no rights in the Marks when the Franchise Agreement expires or terminates. You may not use any Mark or portion of any Mark as part of any corporate or any trade name, or any modified form or in the sale of any unauthorized product or service, or in any unauthorized manner. You may not use any Mark or portion of any Mark on any website without our prior written approval.

There are currently no effective material determinations by the U.S. Patent and Trademark Office, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, or any pending infringement, opposition or cancellation proceeding, or any pending material litigation, involving the principal Marks that are relevant to your use in any state. There are currently no agreements in effect that significantly limit our rights to use or license the use of any principal Marks in any manner material to the franchise.

You must notify us immediately in writing of any apparent infringement of or challenge to your use of any Mark, or any claim by any person of any rights in any Mark or any similar trade name or trademark of which you become aware. You must not communicate with any person other than us, our affiliates and our respective legal counsel regarding any infringement, challenge or claim. We or our affiliates may take any action we deem appropriate and have the right to exclusively control any litigation or other proceeding arising out of any infringement, challenge or claim relating to any Mark. You will sign all documents, provide assistance and take all action as we may reasonably request to protect and maintain our interests in any litigation or other proceeding or to otherwise protect and maintain our interests in the Marks.

We agree to reimburse you for all damages and expenses that you incur in any trademark infringement proceeding disputing your authorized use of any Mark under this Agreement, provided you have notified us immediately upon your becoming aware of such infringement, you comply with our directions in responding to the proceeding, and you have used the Mark(s) in compliance with this Agreement, the Operations Manual, and other directives from us. At our option, we may defend or control the defense of any proceeding arising from your use of any Mark under this Agreement.

You cannot make any changes or substitutions to the Marks unless we so direct in writing. We reserve the right, in our discretion, to modify or discontinue use of any Mark, or to use one or more additional or substitute trademarks or service marks. In such event, you will, at your expense, comply with such modification or substitution within a reasonable time after we notify you.

ITEM 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents or copyrights currently registered that are material to the franchise. No patents are material to us at this time and we do not have any pending patent applications that are material to the franchise.

We do claim copyright ownership and protection for the Operations Manual as well as our marketing copy and design, written training materials, the content and design of our website, computer software programs, and for certain other written materials we provide to assist you in operating your Business. Although we have not filed an application for copyright registration, we and our affiliates claim

common law and federal copyrights in these items. We grant you the right to use this proprietary and copyrighted information in connection with your operation of your Business, but these copyrights remain our or our affiliates' sole property.

We own certain proprietary or confidential information relating to the operation of Inter-State Studio businesses, including information in the Operations Manual and the Management Software (the "Confidential Information"). You must keep confidential during and after the term of the Franchise Agreement the Confidential Information. When your Franchise Agreement expires or terminates, you must return to us all Confidential Information and all other copyright material. You must notify us immediately if you learn of an unauthorized use of the Confidential Information. We are not obligated to take any action and we will have the sole right to decide the appropriate response to any unauthorized use of the Confidential Information. You must comply with all changes to the Operations Manual at your cost.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You must designate an individual we approve and who successfully completes our required training to be the operating principal (the "Operating Principal"). The Operating Principal must be an "Owner" (as defined below). The Operating Principal is responsible for day-to-day Business operations. The Operating Principal assumes his/her responsibilities on a full-time basis and may not engage in any other business or other activity that requires any significant management responsibility or time commitments, or that otherwise may conflict with his/her obligations as an Inter-State Studio franchisee. In addition, at all times, the Business must be under the direct, on-site supervision of the Operating Principal approved by us. If you are an individual, we anticipate that you will be the Operating Principal.

You must own and operate the Business through an entity, and not in your individual capacity. Each individual who owns any legal ownership interest in the franchisee entity is considered an "Owner" and must sign the Personal Guaranty attached to the Franchise Agreement. These people agree to discharge all obligations of the franchisee entity to us under the Franchise Agreement and are bound by all of its provisions, including maintaining the confidentiality of Confidential Information described in Item 14 and complying with the non-compete covenants described in Item 17. We may, at our option, require the spouse of any Owner to sign the Personal Guaranty too.

If at any time the Operating Principal does not manage the Business, we immediately may appoint a manager to manage the Business for you and charge you a reasonable fee for these management services.

We, as a matter of policy, will not assist you in any decision-making process that may affect the operations of your Business. The success or failure of the franchise as a business enterprise is dependent on your efforts. The licensing of this franchise should not be considered by anyone who is unfamiliar with standard business practices or is unwilling to accept the responsibilities associated with running a small business.

ITEM 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and sell in your Business, and only offer and sell, those Products and Services that we have approved. You are prohibited from offering or selling products and services not authorized by us. You must at all times maintain an inventory of approved equipment and other items in such quantities and variety that we direct. We may add new Products or Services that you must offer at or use in your Business. Our right to modify the Products and Services to be offered at a Business is not limited.

PUBLIC FIGURES**

We do not use any public figure to promote our franchise.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Presented below are the historic gross revenue figures for the seven Inter-State Studios franchised businesses that were open and operating for at least five months as of December 31, 2021 (the “Franchised Businesses”), and experienced one full fall/winter school picture season. Each of the seven Franchised Businesses included below began operations as a franchised business in either July or August 2021, however, five of the seven Franchised Businesses were previously company-owned outlets that were sold to franchisees. One franchised business is excluded from this Item 19 because it commenced operations in December 2021.

Please carefully read all of the information in this Item 19, and all of the notes following the charts, in conjunction with your review of the historical data.

Gross Revenue by Franchised Business Between July/August 2021 through December 31, 2021

Franchised Business	Number of Accounts	Gross Revenue
1	65	\$381,528
2	31	\$230,699
3	40	\$194,732
4	88	\$698,069
5	159	\$624,027
6	45	\$273,091
7	80	\$420,195

Notes to Chart:

Some outlets have sold this amount. Your individual results may differ. There is no assurance that you will sell as much.

“Gross Revenue” means the aggregate amount of all sales of all Services and Products, and other goods and services, whether for cash, on credit or otherwise, made or provided at or in connection with the Franchised Business, including any Products that customers under an Account purchase from us or our affiliate, less the cost of any commissions that the franchisee paid to an Account. The term “Gross Revenue” also does not include: (1) any federal, state, municipal or other sales, value added or retailer’s excise taxes paid or accrued by a franchised business; or (2) adjustments for net returns on salable goods and discounts allowed to customers on sales.

“Account” means a school or other local organization in which the franchisee has the right to be the photographer and publisher for picture day and to provide other services to.

Franchised Businesses 2-5 and 7 were company-owned outlets that had been open and operating between 3 to 20+ years, and were then sold to franchisees, which included transferring the existing Accounts to those Franchised Businesses in July and August 2021. Franchised Businesses 1 and 6 were not company-owned outlets, but Franchised Business 1 acquired a number of Accounts from another company-owned outlet.

Fall/winter are the busier seasons in school photography, so it would not be appropriate to assume that the Gross Revenue generated during the five months ended as of December 31, 2021 may be annualized in order to calculate total Gross Revenue over a 12-month period.

You should conduct an independent investigation of the costs and expenses you will incur in operating your Business.

The financial information we used in preparing the preceding financial performance representations was based entirely upon unaudited information reported to us by each affiliate that operates the respective Location. Prospective franchisees or sellers of franchises should be advised that no certified public accountant has audited these figures or expressed his/her opinion with regard to their contents or form.

Written substantiation of all financial performance information presented in this financial performance representation will be made available to you in our main office upon reasonable request.

Other than the preceding financial performance representations, we do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Ivan Pierce III, 3500 Snyder Ave, Sedalia, MO 65301, 660-826-1766, the Federal Trade Commission, and the appropriate state regulatory agencies.

Inter-State Studio Franchise, LLC

Opinion

We have audited the financial statements of Inter-State Studio Franchise, LLC (the Company), which comprise the balance sheets as of December 31, 2021 and 2020, and the related statements of operations, members' deficit and cash flows for the year ended December 31, 2021 and the period from October 7, 2020 (inception) through December 31, 2020, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Inter-State Studio Franchise, LLC as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the year ended December 31, 2021 and the period from October 7, 2020 (inception) through December 31, 2020 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of Inter-State Studio Franchise, LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in *Note 3* to the financial statements, in 2021, the Company adopted new accounting guidance regarding recognition of revenue with customers. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Inter-State Studio Franchise, LLC's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Inter-State Studio Franchise, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Inter-State Studio Franchise, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Inter-State Studio Franchise, LLC

Notes to Financial Statements

December 31, 2021 and 2020

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

Inter-State Studio Franchise, LLC (the Company) was formed September 11, 2020, with operations commencing on October 7, 2020. The Company was established to operate as a franchisor of the Inter-State Studio & Publishing Co. trademarks and business model. The potential franchisees offers a variety of services including school portraits, yearbook publishing and commercial printing throughout the United States of America.

The Company began executing franchise agreements with franchisees in the year ended December 31, 2021. General and administrative start-up expenses consist primarily of administrative support, marketing costs and professional fees.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents

The Company considers all liquid investments with original maturities of three months or less to be cash equivalents. At December 31, 2021 and 2020, cash equivalents consisted primarily of operating checking accounts.

Notes Receivable

Notes receivable are stated at the outstanding principal amount, net of allowance for uncollectible notes. Outstanding notes accrue interest based on the terms of the respective note agreements. Delinquent notes are written off based on individual credit evaluation and specific circumstances of the borrower.

At December 31, 2021, management believes that all notes receivable are fully collectible.

Deferred Revenue

Revenue from fees for initial franchise fee's from customers is deferred and recognized over the periods to which the fees relate.

Revenue Recognition

Revenue is recognized when control of the promised goods or services is transferred to the Company's customers, in an amount that reflects the consideration that it expects to be entitled to in exchange for those goods or services. The amount and timing of revenue recognition varies based on the nature of the goods or services provided and the terms and conditions of the customer contract. See *Note 3* for additional information about the Company's revenue.

Inter-State Studio Franchise, LLC

Notes to Financial Statements

December 31, 2021 and 2020

Income Taxes

The Company is not directly subject to income taxes under the provisions of the Internal Revenue Code and applicable state laws. Therefore, taxable income or loss is reported to the individual members for inclusion in their respective tax returns and no provision for federal and state income taxes has been included in the accompanying financial statements.

Subsequent Events

Subsequent events have been evaluated through March 18, 2022, which is the date the financial statements were available to be issued.

Note 2: Related Party Transactions

The Company has entered into a trademark licensing agreement with Inter-State Studio & Publishing Co., a related party. The agreement grants a royalty-free license to use and sublicense the trademarks of Inter-State Studio & Publishing Co. The Company is also charged a monthly fee for its use of administrative support, services and technology by Inter-State Studio & Publishing Co.

At December 31, 2021 and 2020, respectively, the Company has recorded accounts payable of \$210,887 and \$90,979 due to Inter-State Studio & Publishing Co.

Note 3: Revenue from Contracts with Customers

Change in Accounting Principle

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers* (Topic 606), that replaces existing revenue recognition guidance. The new standard requires companies to recognize revenue in a way that depicts the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. In addition, Topic 606 requires disclosures of the nature, amount, timing and uncertainty of revenue and cash flows arising from contracts with customers. The Company has applied the new standard to all contracts not complete at the date of adoption.

As the Company had not recognized revenue in a period prior to the year beginning January 1, 2021, the Company's adoption of Topic 606 did not result in a change to the timing of revenue recognition.

Inter-State Studio Franchise, LLC

Notes to Financial Statements

December 31, 2021 and 2020

Performance Obligations

Revenue is measured as the amount of consideration the Company expects to receive in exchange for transferring distinct goods or providing services to customers. The Company's revenue consists substantially of franchise fees, royalty fees, and equipment sales and is reported net of sales discounts, rebates, incentives, returns and other allowances offered to customers.

The Company recognizes franchise fees for the sales of individual territories on a straight-line basis over the initial contract term when the obligations of the Company are substantially complete, not to exceed the estimated amount of cash to be received. Royalties and advertising fees are recognized as franchise territories generate sales. Equipment sales are recognized at the point in time when the title of the assets transfer to the customer.

Disaggregation of Revenue

The following table presents the Company's revenues disaggregated by the timing of such revenue recognized during the year ended December 31, 2021 and the period ended December 31, 2020:

	<u>2021</u>	<u>2020</u>
Timing of revenue and recognition		
At a point in time	\$ 123,306	\$ -
Over a period of time	<u>262,180</u>	<u>-</u>
	<u>\$ 385,486</u>	<u>\$ -</u>

The Company has determined that the nature, amount, timing and uncertainty of revenue and cash flows are affected by the geographic territories where services reside.

Contract Balances

The following table provides information about the Company's contract liabilities from contracts with customers:

	<u>2021</u>	<u>2020</u>
Contract liabilities, beginning of period	\$ -	\$ -
Contract liabilities, end of period	152,606	-

Significant Judgments

For contracts where control is transferred over time, the Company recognizes revenue over time as progress is made toward satisfying the performance obligations of each contract. The Company measures a contract's progress on a straight-line basis over the term of its franchise agreements.

Inter-State Studio Franchise, LLC

Notes to Financial Statements

December 31, 2021 and 2020

In respect of contracts for which the transaction price includes amounts contingent on future events, the Company estimates the amount to be included in the transaction price based on its experience with such contracts and only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized will not occur when the uncertainty is eventually resolved.

Accounting Policies and Practical Expedients Elected

For incremental costs of obtaining a contract, the Company elected a practical expedient, which permits an entity to recognize incremental costs to obtain a contract as an expense when incurred if the amortization period is less than one year. This election had an immaterial effect on the Company's financial statements.

The Company has elected to use the practical expedient provided in ASC 952-606 that allows a private-company franchisor that has entered into a franchise agreement to treat certain pre-opening services provided to a franchisee as distinct from the franchise license. The Company has also elected to recognize the pre-opening services that are subject to the practical expedient as a single performance obligation.

Note 4: Notes Receivable

The Company provides financing to franchisees for the purchase of franchises and operating loans for working capital and equipment needs. The related notes generally are payable over terms ranging from one to four years, with semi-annual payments. Notes bear interest at rates determined by the credit risk of the franchisee, which is based on a variety of credit quality indicators, including prior payment experience and franchisee financial information. The notes are collateralized by the underlying franchise. The debtors' ability to repay the notes is dependent upon the performance of the individual franchise.

Management considers notes receivable to be impaired if the amounts due exceed the fair value of the amounts it expects to collect, and estimates an allowance for doubtful accounts based on the excess.

Note 5: Significant Estimates and Concentrations

Accounting principles generally accepted in the United States of America require disclosure of certain significant estimates and current vulnerabilities due to certain concentrations. Those matters include the following:

Major Supplier

Approximately 76 percent of the Company's sales for the year ended December 31, 2021 were from the Company's four largest customers.

D. “Gross Revenue” means the aggregate amount of all sales of all Services and Products, and other goods and services, whether for cash, on credit or otherwise, made or provided at or in connection with the Business, including any Products and Services that customers under an Account purchase from us or our affiliate, less the cost of any commissions that you pay to an Account. The term “Gross Revenue” also does not include: (1) any federal, state, municipal or other sales, value added or retailer’s excise taxes paid or accrued by you; or (2) adjustments for net returns on salable goods and discounts allowed to

customers on sales. Gross Revenue will not be reduced by the amount of your uncollected Accounts. For purposes of calculating Gross Revenue, the sale is made and generated at the time in which we or our affiliate ship the Product to the Account or customer. For example, if your customer pays for a Product in January, but the Product does not ship until February, then the sale is deemed to have been made in February, and as such, the Gross Revenue for that Product was generated in February.

E. “Marks” means the Inter-State Studio trademark and service mark, the related design logo, and other trademarks, service marks, domain names, logos, slogans, and commercial symbols that we have designated, or may in the future designate, for use in the System.

F. “National Accounts” means those customers or accounts we designate, in our sole and absolute discretion, as desiring central billing accounts, or that have two (2) or more locations, and such locations are located in more than one franchised or company-owned territory or market.

G. “Operating Principal” means the designated Owner responsible for the day-to-day operation of the Business. We must approve the Operating Principal and the Operating Principal must successfully complete our initial training program and all mandatory follow-up training programs.

H. “Owner” means any person or entity who directly or indirectly owns an ownership interest in you.

I. “Person” means any individual or entity.

J. “Products” means pictures, yearbooks, and other products and accessories that we periodically may modify or otherwise approve for sale from the Business.

K. “School Year” means the time period of July 1 to June 30.

L. “Services” means the photography services, and other related services authorized for Inter-State Studio franchised businesses, as we periodically may modify or otherwise approve for sale from the Business.

M. “System” means the Inter-State Studio system which includes the sale of Services and Products under the Marks at Inter-State Studio franchised businesses, using certain distinctive types of products, equipment (including the Management Software (as defined in Section 6 below)), supplies, Confidential Information, business techniques, methods and procedures, and sales promotion programs, as we periodically may modify and further improve.

N. “Territory” means the geographic area, identified in Exhibit A, that we determine.

2. GRANT OF FRANCHISE; TERRITORY

A. Grant of Franchise, Location and Territory. Subject to the provisions contained in this Agreement, we grant you the right to own and operate a franchised Inter-State Studio Business in a Territory we approve and to use the Marks and other aspects of the System in operating the Business. The location of the Business and your Territory are identified in Exhibit A.

B. Nature of Your Territory.

1. During the term of this Agreement (as described in Section 3), if you are in compliance with the terms of this Agreement, and except as otherwise provided in this Agreement,

we will not directly operate or franchise other Persons to operate any other Inter-State Studio business within the Territory. You may not operate your Business or offer or sell Products or Services outside of your Territory without our prior written consent. The license granted to you under this Agreement is personal in nature, may not be used in any area other than within the Territory without our prior written consent, and does not include the right to sell any Services or Products identified by the Marks at any location other than in the Territory without our prior written consent. This Agreement does not include the right to sell any Services or Products identified by the Marks through any other channels of distribution, including the Internet (or any other existing or future form of electronic commerce).

2. You may be granted, in our sole discretion, express written permission to sell Services or Products to Accounts in an unsold territory adjacent to your Territory (the “Adjacent Territory”). If the Adjacent Territory is subsequently granted to another franchisee, you will be permitted to continue offering and selling Services and Products to your existing Accounts in the Adjacent Territory with our prior written consent in accordance with any inter-Territory policies that we have set forth in our Operations Manual or otherwise in writing.

3. An existing Inter-State Studio business may have an existing Account in your Territory at the time you sign the Franchise Agreement (a “Pre-Existing Account”), and therefore: (a) the existing Inter-State Studio business may be permitted to continue soliciting, offering and selling to the Pre-Existing Account(s) in your Territory without compensation to you; and (b) you will not be permitted to solicit, offer, or sell to those Pre-Existing Accounts within your Territory without our prior written consent. Any Pre-Existing Accounts located within your Territory are described in Exhibit A to this Agreement.

4. Additionally, a business that becomes a conversion Inter-State Studio franchisee after you sign this Agreement who already had a school or local organization as an account located within in your Territory (each, a “Conversion Account”) may be permitted to continue soliciting, offering and selling Products and Services to those Conversion Accounts in your Territory during the term of this Agreement without compensation to you. You also will not be permitted to solicit, offer, or sell to any Conversion Accounts within your Territory without our prior written consent. You acknowledge and agree that we cannot predict which accounts, if any, may subsequently become Conversion Accounts in your Territory, and that a conversion franchisee offering or selling Products and Services to Conversion Accounts in your Territory does not infringe upon your territorial rights granted to you under this Agreement.

5. If we or another Inter-State Studio business refers a prospective Account to you that is located within your Territory, then within 5 business days of you receiving the referral, you must notify us in writing whether or not you are able and willing to solicit, offer, sell, and perform the Services and Products to that Account. If you notify us that you unable or unwilling to solicit, offer, sell, and perform the Services and Products to that Account, or if you fail to notify us within those 5 business days whether or not you accept or reject the referred Account, then we, our affiliates, or any other Inter-State Studio franchisee that we designate may solicit, offer, sell and perform the Services and Products to that prospective Account in your Territory with no obligation to compensate you.

6. We may adopt and implement a territory infringement policy in the Operations Manual or otherwise in writing (“Territory Infringement Policy”), which may include provisions for financial penalties in addition to, or in lieu of, termination of this Agreement following a violation of the Territorial Infringement Policy. The Territory Infringement Policy will become part of the System standards, and we expect that all franchisees under the System will abide by this

policy. Such financial penalties may include, among other things: (a) your obligation to repay to the local franchisee or us or our affiliates the gross profit generated by you outside of your Territory, and in our or our affiliate's or another franchisee's territory; (b) we may deduct from your periodic distributions an amount equal to the Gross Revenue generated from the provision of services outside of your Territory; and/or (c) you pay us or our affiliate a policy infringement fee per violation.

7. You will not have the right to subfranchise or sublicense any of your rights under this Agreement. You will not use the Business for any purposes other than the operation of an Inter-State Studio business. You acknowledge that neither the designation of your Territory or selling any Transferred Accounts (as defined below in this Section 2) to you constitutes a representation or guaranty express or implied as to the potential success that your Business may have in the Territory or with respect to any Transferred Account.

C. Transferred Account. Under certain circumstances, we may offer to transfer to you certain accounts owned by us or our affiliates that are located in your Territory (each, a "Transferred Account") in exchange for the payment of our then-current Transferred Account fee (the "Transfer Account Fee"). The Transfer Account Fee is non-refundable and is fully earned by us upon payment. If you acquire a Transferred Account, we may require you to honor any previously agreed upon prices and/or Services and Products to be rendered to the Transferred Account. Any Transferred Account that you acquire shall be deemed your Account going forward, and we may require you to sign any documents required by us or the Transferred Account to memorialize the fact that it is your Account henceforth. We are under no obligation to offer any accounts owned by us or our affiliates located in your Territory to you. Furthermore, we do not make any promises or guarantees as to the likelihood of success or amount of revenue that you may generate in connection with any Transferred Account, or whether you will secure future service agreements with any Transferred Account. The Transfer Account Fee is in addition to, and not in lieu of, the fees applicable to Accounts described in in Section 4.

D. Rights Reserved to us. We (for us and our affiliates) retain:

1. The right to own, franchise, or operate Inter-State Studio businesses outside of the Territory, regardless of the proximity to your Business or Territory;

2. The right to offer and sell Products and Services to, and grant the right for franchises to offer and sell Products and Services to Pre-Existing Accounts and/or Conversion Accounts within and outside of your Territory;

3. The right to use the Marks and the System to sell any products or services, similar to those which you will sell, through any alternate channels of distribution (including channels of distribution such as the Internet, television, mail order, or catalog sales) within or outside of the Territory;

4. The right to use and license the use of other proprietary and non-proprietary marks or methods, if the marks or methods are not the same as or confusingly similar to the Marks, whether in alternative channels of distribution, at any area including within the Territory, which may be the same as, similar to or different from the Business operated by you;

5. The right to purchase or be purchased by, or merge or combine with, any business, including a business that competes directly with your Business, wherever located;

6. The right to acquire and convert to the System operated by us any businesses offering services similar to the Business including those businesses operated by competitors or otherwise operated independently or as part of, or in association with, any other system or chain, whether franchised or corporately owned and whether located or operating inside or outside of the Territory;

7. The right to directly or indirectly offer and sell Services and Products to National Accounts located inside or outside the Territory as described further below; and

8. All other rights not granted to you under this Agreement.

E. Minimum Annual Attendance Quota. At the conclusion of your first partial School Year (which commences as of the Effective Date of this Agreement and concludes on the first June 30th) we will calculate the average daily student attendance among your Accounts within your Territory (the “Annual Attendance”). During your first full School Year and each School Year thereafter, you must attain the following increase in the Annual Attendance from the prior partial or full School Year (the “Minimum Annual Attendance Quota”):

Calendar Year	Minimum Annual Attendance Quota
First Full School Year	15% increase
Second Full School Year	10% increase
Third Full School Year and each Full School Year after that	5% increase

If you fail to meet your Minimum Annual Attendance Quota, then we have the right to grant additional franchises within the Territory and/or reduce the size of your Territory.

3. TERM OF FRANCHISE; RENEWAL RIGHTS

A. Term. The term of this Agreement will be for five (5) years commencing on the date of this Agreement (the “Effective Date”).

B. Renewal Terms. You will have the right to enter into a successor agreement for the Business for two (2) additional renewal terms of five (5) years each, provided you satisfy the following conditions respecting each renewal term:

1. You have given us written notice at least one hundred eighty (180) days but no more than three hundred and sixty (360) days before the end of the term of this Agreement of your intention to enter into a successor agreement;

2. You have complied with all of the material provisions of this Agreement and all other agreements between you and us or any of our respective affiliates, including the payment of all monetary obligations you owe to us or our affiliates, and have complied with our material System standards and procedures;

3. If you operate your Business from a physical location that is separate from a home office, then you must, at your expense, make such reasonable capital expenditures necessary to remodel and refurbish the Business premises so that the Business reflects our then-current standards and specifications for the physical appearance of new Inter-State Studio businesses;

4. Both an Owner we approve and the Operating Principal complete, to our satisfaction, any new training and refresher programs as we may reasonably require. You are responsible for travel, living and compensation costs of attendees;

5. You sign our then-current standard Franchise Agreement which may differ materially from the provisions of this Agreement; and

7. You and each Owner sign a general release, in form acceptable to us, of all claims against us and our affiliates, and each of their respective officers, directors, managers, members, shareholders, employees, and agents.

We reserve the right to modify your Territory at the time you execute a renewal Franchise Agreement to conform the size of your Territory to our then-current standards for territories that are being granted to new franchisees.

4. INITIAL FRANCHISE AND OTHER FEES

A. Initial Franchise Fee. You will pay us an “Initial Franchise Fee” in the amount set forth in Exhibit A to this Agreement. The Initial Franchise Fee is payable when you sign this Agreement and is not refundable.

B. Management Fee. You will pay us a non-refundable Management Fee in the amounts described in the below chart. The Management Fee is due and paid on the 15th of each calendar month (or as described in the Operations Manual) based on Gross Revenue generated by your Business in the immediately preceding calendar month, with your fee percentage determined by the Annual Gross Revenue.

	Annual Gross Revenue	Management Fee to be paid on Annual Gross Revenue within each Tier	Cumulative Management Fees Paid to Us within each Tier
Tier 3	\$0 - \$249,999	7% of Gross Revenues	\$0 - \$17,499
Tier 2	\$250,000 - \$349,999	5% of Gross Revenues	\$17,500 - \$22,499
Tier 1	\$350,000 and above	3% of Gross Revenues	\$22,500+

1. “Annual Gross Revenue” means the cumulative amount of Gross Revenue that you generate during each full or partial School Year. The Annual Gross Revenue will be calculated each month on a rolling basis in order to determine the applicable Management Fee that you must pay on any given Gross Revenue. The calculation of your Annual Gross Revenue will be reset to \$0 every year beginning July 1.

2. We may require you to provide Gross Revenue reports in the form, manner and frequency that we prescribe. This may include a detailed description of any commissions that you paid to Accounts and other information or documentation regarding Gross Revenue and/or commissions (including cancelled checks or other evidence of payment) that we may require.

3. We reserve the right to establish minimum prices for certain Products that you may offer or sell to an Account solely for purposes of calculating the Management Fee that you must pay us in connection with those Products (“Minimum Attributable Price”). These Minimum Attributable Prices will be set forth in the Operations Manual or otherwise in writing, and the prices that we will use to establish the Minimum Attributable Prices will be based upon our then-current suggested retail price. We reserve the right to modify these Minimum Attributable Prices from time to time. Despite any Minimum Attributable Prices that we may establish, you are permitted to establish your own prices for all Products and Services. If you charge an Account less than or equal

to the Minimum Attributable Price, the Minimum Attributable Price will be included in your Gross Revenues (rather than the price you charged the Account). If you charge an Account more than the Minimum Attributable Price, the actual price you charged the Account will be included in your Gross Revenue.

C. Marketing Fee. As further described in Section 5(A)(2) below, you must pay us a monthly non-refundable marketing fee equal to 3% of your Gross Revenue generated by your Business during the immediately preceding month (the “Marketing Fee”). You must pay us the Marketing Fee at the same time and in the same manner as the Management Fee.

D. Technology Fee. You must pay us our then-current monthly technology fee (the “Technology Fee”), which we may use to offset costs related to the Management Software, including one or more proprietary software programs, our website, and for any other purpose we determine in our discretion. We may increase the Technology Fee upon written notice to you. The Technology Fee (if applicable) for each month is due and payable on the 15th day of each month in the same manner as the Management Fee.

E. Interest on Late Payments. All Management Fees, Marketing Fees, and other amounts which you owe to us or our affiliates will bear interest after the due date at the lesser of: (1) eighteen percent (18%) per year; or (2) the maximum contract rate of interest permitted by law in the state in which the Business is located.

F. Collections, Remittance, and Deductions.

1. You hereby authorize us and our affiliates to perform collection services for your Accounts and customers to whom your Business offers and sells Products and Services. All Account and customer payments we and our affiliates collect on behalf of Inter-State Studio franchisees will be deposited into a single bank account used for receipt of all pre-paid Products by Accounts and customers across the entire Inter-State Studio System. All payments you are required to make to us or our affiliates, including the amounts identified below, (the “Deductions”), will be deducted from the amounts (if any) we or our affiliates collect from your Accounts and customers that purchase Products or Services from your Business. We will remit to you on the 15th of each calendar month the balance of the Gross Revenue in the immediately preceding calendar month after the Deductions noted below are made:

- i. Management Fees;
- ii. Marketing Fee;
- iii. Technology Fee;
- iv. Any promissory notes installments due to us (if applicable);
- v. Our and our affiliates costs and expenses for materials, production, and shipping Products to your Accounts and customers; and
- vi. Any other amounts payable to us or our affiliates.

2. If for any reason you collect any payment directly from an Account or customer, you must report it to us and pay all applicable Deductions to us and our affiliates, or we will apply such Deductions from amounts we collect from other Accounts or customers that your Business

sells Products to before remitting any balance to you. It is your sole responsibility to ensure that an Account or customer pays for any Products or Services. We and our affiliates will not be required to ship any Products to an Account or customer until we or our affiliates receive full payment for such Products. We will specify in the Operations Manual or otherwise in writing to you, any rights that you may have (if any) to receive advanced payments that we have collected from your Accounts or customers that are not yet classified as Gross Revenue. You will not be entitled to any interest that is generated on any Account or customer payments that we or our affiliates collect on your behalf.

3. You shall not be entitled to any payments or remittance of Gross Revenue from us or our affiliates upon the expiration or termination of this Agreement except in connection with any Products that we already received full payment for as of the expiration or terminate date but such Products had yet to ship as of the expiration or terminate date (the “Final Products”). We will remit such payments and Gross Revenues to you, minus all Deductions, once we ship the Final Products to the customers. You will not be entitled to any payments or remittance of Gross Revenue for any Products that are purchased or paid for by your customers after the expiration or termination date of this Agreement.

G. Electronic Transfer of Funds. We will require you to sign an electronic transfer of funds authorization, attached as Exhibit C to this Agreement, and other documents as we periodically designate to authorize your bank to transfer, either electronically or through some other method of payment we designate, directly to our account and to charge your account for all Management Fees, Marketing Fees, and other amounts you owe us. Your authorization will permit us to designate the amount to be transferred from your account. You must maintain a balance in your accounts sufficient to allow us to collect the amounts owed to us when due. You will be responsible for any penalties, fines or similar expenses associated with the transfer of funds described herein. We may also use this account to remit the balance of any Gross Revenue generated in the immediately preceding calendar month after the Deductions.

H. Application of Payments. We have discretion to apply any payments received from you, or any of your Accounts or customers that purchase Products based upon Services that your Business provided to an Account, toward any amount due to us or any of our affiliates.

I. Withholding Payments Unlawful. You agree that you will not withhold payment of any Management Fees, Marketing Fees, or any other amount due to us or our affiliates, and that the alleged non-performance or breach of any of our obligations under the Franchise Agreement or any related agreement does not establish a right at law or in equity to withhold payments due us for Management Fees, Marketing Fees or any other amounts due.

J. Tax Indemnification. You will indemnify us and reimburse us for all income, capital, gross receipts, sales, and other taxes that the state in which the Business is located imposes as a result of your operation of the Business or the license of any of our intangible property in the jurisdiction in which the Business is located. If more than one Inter-State Studio business is located in such jurisdiction, they will share the liability in proportion to their Gross Sales from the franchised business, except in the case of sales taxes and gross receipts taxes, which will be divided in proportion to taxable sales to you. If applicable, this payment is in addition to the Management Fee payments described above.

5. MARKETING

A. Marketing.

1. We will develop, and make available to you, marketing packets for prospective Accounts (each, a “Marketing Packet”) upon your request. Marketing Packets may include sample pictures, sample yearbooks, and promotional products, as we may determine in our discretion. If you or an Account provides us with email addresses for your customers, we may also conduct direct marketing to those customers via email. Additionally, we may advertise and conduct marketing on social media and other forms of media that we determine in our discretion.
2. You must pay us the monthly Marketing Fee, which entitles you to receive as many Marketing Packets as you may need for prospective Accounts throughout the term at no additional cost to you, and have customers whose email addresses that we obtain from you or an Account receive marketing emails from us. We may also, but are not required to, use the Marketing Fee for any other means that we determine in our sole discretion. Your payment of the Marketing Fee does not go into and is not a marketing fund, trust, or escrow account. We are under no obligation to spend the Marketing Fees that we collect except as described in this Section 5(A)(2).

B. Local Marketing and Business Promotion. Except for the Marketing Fee, you are not required to spend any amounts on marketing or local advertising. If you elect to conduct any other advertising or marketing for your Business, then all advertisements and marketing materials must comply with our then-current standards and specifications, and you may only use approved advertising and promotional materials in promoting the Business. If you desire to use any advertising or promotional materials in promoting the Business which we have not previously approved, you must submit all materials to us for our written approval before using any such materials, which approval will not be unreasonably withheld. If we do not approve those advertising or promotional materials within 10 days after you submit those materials to us, then they are considered to be disapproved and you may not use the materials.

C. Participation in Certain Programs and Promotions. You must participate in all advertising and promotional programs we establish in the manner we direct. You must, at your expense, participate in, and honor all provisions of any gift card and/or loyalty program that we have established or may establish and as we may modify, as further described in the Operations Manual. You also must honor all coupons and discounts as we may reasonably specify in the Operations Manual or otherwise in writing. You must also participate in any mystery shopper program or compliance assessments we require.

6. DEVELOPMENT AND OPENING OF THE BUSINESS

A. Office Premises. You must have a quiet and organized office where you operate the Business. The office may be, and we expect it to be, a home office, and you may store any necessary Products, equipment, supplies, inventory, and other items that are necessary for the operation of the Business at your home office. If you wish to purchase or lease real estate for the operation of your Business, then you must locate a site for your Business that we consent to, and you may not sign a lease for the site until we have given our consent in writing. When evaluating a site for your Business, we may consider items such as size, appearance and other physical characteristics of the site, demographic characteristics, and other commercial characteristics, such as rental obligations and other lease terms.

B. Computer System and Management Software. You must acquire, use, maintain, and update, such computer hardware and software, printer, smartphone, and related items, which meet our standards and

specifications as they evolve over time, as set forth in the Operations Manual or otherwise in writing, for your Business (the “Computer System”). The Computer System also includes the management and reporting system, including all existing or future communication or data storage systems, applications, components thereof and associated service, which we have developed or selected for the System (the “Management Software”). The Management Software may include one or more proprietary or other software programs developed or customized for us, which we may require you to use. We may require you to enter into our or our designee’s standard form software license agreement in connection with your use of any Management Software. We reserve the right to assign our rights, title and interest in any Management Software to a third party we designate or to replace the Management Software. In such event, you may be required to enter into a separate computer software license agreement specified by the third party supplier of the Management Software and pay any separate fees imposed under that agreement. You must participate in our designated Payment Card Industry (“PCI”) compliance program if we establish such a program and pay the then-current fee associated with such program. If we do not designate a separate PCI compliance program, you must take all necessary steps to comply with all applicable PCI data security standards. We also may access financial information and customer data produced by or otherwise located on your Management Software (collectively the “Customer Data”). During the Term, we and you will have joint ownership of the Customer Data that is stored on the Computer System, although you will be responsible for obtaining all customer consents necessary to allow us to use the Customer Data for various purposes as we may identify. We will periodically establish policies respecting the Customer Data. You must comply with all laws and regulations relating to privacy and data protection, and must comply with any privacy policies or data protection and breach response policies we periodically may establish. You must notify us immediately of any suspected data breach at or in connection with the Business. You will have Internet access with a form of high-speed connection as we require. You will use an e-mail address we designate for communication with us. The computer hardware component of the Computer System must comply with specifications we develop. We have the right to designate a single source from which you must purchase the Computer System, Management Software, any software or hardware components thereof or associated service, and we or our affiliates may be that single source. You will be required to use and, at our discretion, pay for all future updates, supplements and modifications to the Computer System. It is your responsibility to protect yourself from disruptions, Internet access failures, Internet content failures, and attacks by hackers and other unauthorized intruders and you waive any and all claims you may have against us as the direct or indirect result of such disruptions, failures and attacks.

C. Business Opening. You must comply with any Business opening requirements we periodically describe in the Operations Manual. You will not open the Business and commence operations without our prior written approval. You agree to successfully complete the initial training program described in Section 7 of this Agreement and open the Business and commence operations within six (6) months following the Effective Date.

D. Relocation of Business. You will not relocate the Territory, your office, or establish additional Inter-State Studio business without our prior written consent, which we may withhold in our sole discretion.

7. TRAINING AND OPERATING ASSISTANCE

A. Training. Before the opening of the Business, we will provide to the Operating Principal an initial training program on the operation of an Inter-State Studio business, provided at a place and time we designate. We may also conduct any portion of it via teleconference, video conference, or through other remote/virtual means. The Operating Principal must attend and successfully complete our pre-opening initial training program prior to opening the Business.

1. The initial training program for the Operating Principal will take place over a period of several weeks. The initial training program may include online tutorials, classroom instruction and on-site training relating to Business operations, photography training, understanding the equipment and product use, sales training, and general sales and marketing. If, during the initial training program, we determine that the Operating Principal is not qualified to manage the Business, we will notify you and you must select and enroll a substitute Operating Principal in the initial training program.

2. The initial training program that you must attend and successfully complete before opening your Business will only cover a limited number of the types of Services that you must offer, which will be based upon the time of year that you attend the initial training program. After the Business opens, the Operating Principal will be required to attend and successfully complete 4 additional seasonal photography training sessions throughout the first year of operations. These subsequent photography training sessions will focus on the mechanics of different types of photography shoots that you must offer. You may not offer or sell the Services or Products that are taught during a seasonal photography training session until your Operating Principal has successfully completed the respective seasonal photography training. Each of the seasonal photography training sessions will take place in Sedalia, Missouri or another location we designate.

3. In addition, all new Operating Principals must complete our designated initial training program. We may charge you a reasonable fee for those new or additional individuals who attend the initial training program.

4. We may require that the Operating Principal attend all supplemental and refresher training programs that we designate. We may charge you a reasonable fee for these supplemental and refresher training programs.

5. You are solely responsible for the compensation, travel, lodging and living expenses you and your employees incur in attending the initial training program, as well as any supplemental or refresher training programs. You also are solely responsible for paying your employees and providing all necessary insurance, including worker's compensation insurance, for you and your employees, while you and your employees attend training.

6. The entire initial training program is subject to change due to updates in materials, changes or additions to the services offered, introduction of new methods and techniques, manuals and personnel. The subjects and time periods allocated to the subjects actually taught to specific franchisees may vary, based on the experience of the persons being trained.

7. We will determine, in our sole discretion, whether your Operating Principal may forego attending one or more portions of the initial training based upon the Operating Principal's level of school photography experience, familiarity with our System, business acumen, and any other characteristics that we may determine. If we do not require your Operating Principal to attend one or more portions of our initial training program and they waive their right to attend, then we may require you to sign a form acknowledging your Operating Principal's decision to waive attending the respective portion(s) of the initial training program.

B. Opening Assistance. If you are designated as a "Start-Up Business" on Exhibit A to this Agreement, then we may, in our sole discretion, provide you with the services of one of our representatives for up to three (3) days to assist you in the opening and initial operations of the Business. We will determine the number of days and the time at which our representative is available to you. You must reimburse us for all travel, lodging and living expenses incurred by our representatives to provide such on-site assistance.

We do not anticipate providing any such onsite opening assistance if you are designated as a “Conversion Business” or a “Hybrid Business” on Exhibit A to this Agreement, or if we waive the right for your Operating Principal to attend one or more portions of our initial training program pursuant to Section 7(A)(5) above.

C. Operating Assistance. We will advise you on operational issues and provide assistance in operating the Business as we deem appropriate. Operating assistance may include advice regarding the following:

1. additional Services and Products authorized for sale at Inter-State Studio businesses;
2. selecting, purchasing and marketing products, equipment, and other approved materials and supplies; and
3. establishing and operating administrative, bookkeeping, accounting, inventory control, sales and general operating procedures for the proper operation of an Inter-State Studio business.

We will provide such guidance, in our discretion, through our Operations Manual, bulletins or other written materials, telephone conversations and/or meetings at our office or at a location in your Territory in conjunction with an inspection of the Business. In the event you are unable or unwilling to complete a job for an Account of yours, and we, our affiliate, or another Inter-State Studio franchisee performs the Services for that job, then you must reimburse the party their costs and expenses that they incurred in performing such Services.

D. Operations Manual. We will provide on loan to you, during the term of this Agreement, electronic (Internet) access to an Operations Manual, which may include other handbooks, manuals and written materials (collectively, the “Operations Manual”) for Inter-State Studio businesses. The Operations Manual will contain mandatory and suggested specifications, standards and operating procedures that we develop for Inter-State Studio businesses and information relating to your other obligations. Any required specifications, standards and operating procedures exist to protect our interests in the System and the Marks and to create a uniform customer experience, and not for the purpose of establishing any control or duty to take control over those matters that are reserved to you. We may add to, and otherwise modify, the Operations Manual to reflect changes in authorized Services and Products, and specifications, standards and operating procedures of an Inter-State Studio business. The master copy of the Operations Manual that we maintain at our principal office or on our website, and make available to you by hard copy or electronic access, will control if there is a dispute involving the contents of the Operations Manual.

E. Conventions and Meetings. We periodically may hold or sponsor franchise conventions and meetings relating to new Services or Products, new operational procedures or programs, training, business management, sales and sales promotion, or any other topic we determine. These franchise conventions and meetings may be optional or mandatory, as we designate. Your Operating Principal must attend, at your expense, all mandatory franchise conventions and meetings we may hold. We reserve the right to charge you a fee for any annual franchise convention or meeting that we sponsor or designate, regardless of your attendance.

8. MARKS

A. Ownership and Goodwill of Marks. You acknowledge that you have no interest in or to the Marks and that your right to use the Marks is derived solely from this Agreement and is limited to the

conduct of business in compliance with this Agreement and all applicable specifications, standards and operating procedures that we require during the term of the Franchise. You agree that the use of the Marks and any goodwill established exclusively benefits us, and that you receive no interest in any goodwill related to your use of the Marks or the System. You must not, at any time during the term of this Agreement or after your termination or expiration, contest or assist any other Person in contesting the validity or ownership of any of the Marks.

B. Limitations on Your Use of Marks. You agree to use the Marks as the sole identification of the Business, but you must identify yourself as the independent owner in the manner we direct. You must not use any Mark as part of any corporate or trade name or in any modified form, nor may you use any Mark in selling any unauthorized product or service or in any other manner we do not expressly authorize in writing. You agree to display the Marks prominently and in the manner we direct on all signs and forms. Subject to our rights described in this Agreement, you agree to obtain fictitious or assumed name registrations as may be required under applicable law.

C. Restrictions on Internet and Website Use. We retain the sole right to advertise the System on the Internet and to create, operate, maintain and modify, or discontinue the use of, a website using the Marks. You have the right to access and participate in our website as further described in Section 9(M) below. Except as we may authorize in writing, however, you will not: (1) link or frame our website; (2) conduct any business or offer to sell or advertise any Products or Services or similar products or services on the Internet (or any other existing or future form of electronic communication) including e-mail marketing or other digital marketing; (3) create or register any Internet domain name in any connection with the Business; (4) use any e-mail address which we have not authorized for use in operating the Business; and (5) conduct any activity on “social media” or related social networking website other than as we have expressly authorized in writing. You will not register, as Internet domain names, any of the Marks that we now or hereafter may own or any abbreviation, acronym or variation of the Marks, or any other name that could be deemed confusingly similar.

D. Notification of Infringements and Claims. You must notify us immediately in writing of any apparent infringement of or challenge to your use of any Mark, or any claim by any Person of any rights in any Mark or any similar trade name, trademark or service mark of which you become aware. You must not communicate with any Person other than us and our counsel regarding any infringement, challenge or claim. We may take any action we deem appropriate and have the right to exclusively control any litigation or other proceeding arising out of any infringement, challenge or claim relating to any Mark. You will sign all documents, provide assistance and take all action as we may reasonably request to protect and maintain our interests in any litigation or other proceeding or to otherwise protect and maintain our interests in the Marks.

E. Litigation. We agree to reimburse you for all damages and expenses that you incur in any trademark infringement proceeding disputing your authorized use of any Mark under this Agreement, provided you have notified us immediately upon your becoming aware of such infringement, you comply with our directions in responding to the proceeding, and you have used the Mark(s) in compliance with this Agreement, the Operations Manual, and other directives from us. At our option, we may defend or control the defense of any proceeding arising from your use of any Mark under this Agreement.

F. Changes. You cannot make any changes or substitutions to the Marks unless we so direct in writing. We reserve the right, in our discretion, to modify or discontinue use of any Mark, or to use one or more additional or substitute trademarks or service marks. In such event, you will, at your expense, comply with such modification or substitution within a reasonable time after notice by us.

9. BUSINESS IMAGE AND OPERATING STANDARDS

A. Condition and Appearance of Business. You agree to maintain the condition and appearance of the Business as we may require modify from time to time. You will replace worn out or obsolete equipment, signs, uniforms, and other items used in connection with your Business. If you lease or purchase property for your Business, you must also replace worn out or obsolete furniture, fixtures, equipment, and décor of the Business premises. If at any time in our reasonable judgment, the general state of repair, appearance or cleanliness of the Business or other fixtures, equipment, furniture or signs do not meet our then-current standards, we will so notify you, specifying the action you must take to correct the deficiency.

B. Business Alterations. If you lease or purchase real estate for the operation of your Business, you cannot alter the premises or appearance of the Business or make any unapproved replacements of or alterations to the fixtures, equipment, furniture or signs of the Business without our prior written approval. We may, in our discretion and at your sole expense, correct any alterations to the Business that we have not previously approved.

C. Restriction on Use of Premises. You agree that you will not, without our prior written approval, offer from the Business any services or products we have not then authorized for use or sale for Inter-State Studio businesses, nor will the Business be used for any purpose other than the operation of an Inter-State Studio business in compliance with this Agreement.

D. Your Hiring and Training of Employees. You will hire all employees of the Business, and be exclusively responsible for the terms of their employment, scheduling, benefits, disciplining, compensation, and all other personnel decisions. You will implement a training program for Business employees in compliance with our requirements. You will maintain at all times a staff of trained employees sufficient to operate the Business in compliance with our standards. You must ensure that all Business employees comply with all licenses and certifications respecting the Business as we may require or as federal, state and/or local authorities may require. At all times, the Business must be under the direct, on-site supervision of the Operating Principal.

E. Authorized Products, Supplies and Equipment. You agree to offer and sell from the Business all and only the Services and Products that we have approved as being suitable for sale and meeting the standards of quality and uniformity for the System. In addition, you agree to use in the operation of the Business only such products, supplies and equipment which we have approved as being suitable for use and meeting the standards of quality and uniformity for the System and are purchased from suppliers we have approved (which may include us and/or our affiliates). We periodically may modify the lists of approved products, supplies, equipment, brands and suppliers. If you propose to offer for sale or use in operating the Business any products, supplies or equipment which we have not approved, you must first notify us in writing and provide sufficient information, specifications and samples concerning the brand and/or supplier to permit us to determine whether the brand complies with our specifications and standards and/or the supplier meets our approved supplier criteria. We will notify you within sixty (60) days whether the proposed brand and/or supplier is approved. We may develop procedures for the submission of a request for approved items, brands or suppliers and obligations that approved suppliers must assume (which may be incorporated in a written agreement to be signed by the approved supplier). Each time you propose a new item, brand, or supplier be approved, you must pay us \$100 plus our reasonable costs and expenses that we incur in connection with inspecting, evaluating, and testing the proposed item, brand, or supplier. We may re-inspect the facilities and products of any supplier or approved item and revoke our approval of any item or supplier failing to continue to meet any of our criteria, and require you to cease using, offering, or selling such item or supplier immediately. We may impose limits on the number of suppliers and/or brands for any products, supplies or equipment sold or used in the Business or otherwise related to the

Franchise, and we may require that you use only one supplier for any products, supplies or equipment. You agree that certain products, materials, and other items and supplies may only be available from one source, and we or our affiliates may be that source. WE AND OUR AFFILIATES MAKE NO WARRANTY AND EXPRESSLY DISCLAIM ALL WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE, RESPECTING PRODUCTS, EQUIPMENT (INCLUDING ANY REQUIRED POINT-OF-SALE SYSTEMS), SUPPLIES, FIXTURES, FURNISHINGS OR OTHER ITEMS THAT ARE MANUFACTURED OR DISTRIBUTED BY THIRD PARTIES AND THAT WE APPROVE FOR USE IN THE SYSTEM.

F. Safety Standards. You must comply with all applicable governmental safety standards in operating and maintaining your Business. You also must comply with any higher standards that we prescribe.

G. Business Operation. We will approve the days and hours of operation for the Business and you may not modify those hours of operation without our prior written consent.

H. Standards of Service. You must at all times give prompt, courteous and efficient service to your customers. You must, in all dealings with your customers and suppliers and the public, adhere to the highest standards of honesty, integrity and fair dealing.

I. Specifications, Standards and Procedures. You acknowledge that each and every detail of the appearance and operation of the Business is important to us and other Inter-State Studio businesses. You agree to maintain the highest standards of quality and service in the Business and agree to comply with all mandatory specifications, standards and operating procedures (whether contained in the Operations Manual or any other written or oral communication to you) relating to the appearance or operation of an Inter-State Studio business, including:

1. type and quality of Services and Products and Product procurement;
2. methods and procedures relating to marketing and customer service;
3. qualifications, dress, general appearance and demeanor of Business employees. Each of your employees will wear only those uniforms which we have approved in writing;
4. conducting criminal background checks on all employees and independent contractors of your Business;
5. the style, make and/or type of equipment (including computer equipment) used in operating the Business; and
6. Business marketing and promotion.

J. Compliance with Laws and Good Business Practices. You must secure and maintain in force all required licenses, permits and certificates relating to the operation of the Business, and must operate the Business in full compliance with all applicable laws, ordinances and regulations, including all labor and employment laws. You must notify us in writing within five (5) days of the commencement of any action, suit, proceeding or investigation, and of the issuance of any order, injunction, or award of decree, by any court, agency, or other governmental instrumentality that may adversely affect the operation or financial condition of you or the Business. You will not conduct any business or advertising practice which injures our business, the System or the goodwill associated with the Marks and other Inter-State Studio businesses.

K. Management of the Business/Conflicting Interests. The Business must at all times be under the direct supervision of the Operating Principal. The person who is responsible for the day-to-day supervision of the Business (i.e., the Operating Principal) must at all times faithfully, honestly and diligently perform his or her obligations and continuously use best efforts to promote and enhance the business of the Business. The person who is responsible for the day-to-day supervision of the Business must assume his or her responsibilities on a full-time basis and must not engage in any other business or other activity, directly or indirectly, that requires any significant management responsibility, time commitments, or otherwise may conflict with your obligations.

If at any time the Operating Principal is not managing the Business, we immediately may appoint a manager to maintain Business operations on your behalf. Our appointment of a manager of the Business does not relieve you of your obligations or constitute a waiver of our right to terminate the Franchise under Section 15 below. We are not liable for any debts, losses, costs or expenses you incur in operating the Business or to any of your creditors for any products, materials, supplies or services purchased by the Business while it is managed by our appointed manager. We may charge a reasonable fee for management services and cease to provide management services at any time.

L. Insurance.

1. You agree to purchase and maintain in force, at your expense, insurance at a minimum for the following types of coverages, or such other types of coverage and amounts we specify in the Operations Manual or otherwise in writing: (a) comprehensive general liability insurance with limits not less than \$1,000,000 each occurrence and \$2,000,000 in the aggregate; (b) data security/cyber breach liability coverage with limits not less than \$2,000,000 each occurrence and in the aggregate; (c) commercial automobile liability insurance for all owned, hired, and non-owned vehicles used in connection with the Business with limits of not less than \$1,000,000 combined single limit for bodily injury and property damage; and (d) all minimum insurance requirements required by law in your Territory.

2. All insurance policies will: (a) be issued by an insurance carrier(s) acceptable to us and that have an A.M. Best rating of A or higher; (b) will name us and our affiliates, and their respective officers, directors, managers, and employees, as an additional insured; (c) contain a waiver of the insurance company's right of subrogation against us; (d) contain the above-mentioned insurance coverage for each Inter-State Studio business that you operate; and (e) provide that we will receive thirty (30) days' prior written notice of a material change in or termination, expiration or cancellation of any policy (or such shorter period as the insurance carrier may require and approved by us). We periodically may, with prior written notice to you, increase the minimum liability protection requirements, and require different or additional kinds of insurance to reflect inflation or changes in standards of liability. If at any time you fail to maintain in effect any insurance coverage we require, or to furnish satisfactory evidence thereof, we, at our option, may obtain insurance coverage for you. You agree to promptly sign any applications or other forms or instruments required to obtain any insurance and pay to us, on demand, any costs and premiums we incur, together with an administrative fee equal to five percent (5%) of the insurance premium. You will provide us with copies of the certificate of insurance, insurance policy endorsements and other evidence of compliance with these requirements as we periodically require at least two (2) weeks before you take possession and commence development of the Business premises and at such other times as we may require. In addition, you will provide to us a copy of the evidence of the renewal or extension of each insurance policy in a form we require. Your obligation to obtain and maintain these insurance policies in the amounts specified will not be limited in any way by reason of any insurance that we may maintain, nor does your procurement of required insurance relieve you of liability under the indemnity obligations described in Section 18. Your insurance

procurement obligations under this Section are separate and independent of your indemnity obligations. We do not represent or warrant that any insurance that you are required to purchase will provide you with adequate coverage. The insurance requirements specified in this Agreement are for our protection. You should consult with your own insurance agents, attorneys and other insurance advisors to determine the level of insurance protection you need and desire, in addition to the coverage and limits we require.

M. Participation in Internet Website. You will participate in an Inter-State Studio website listed on the Internet or other online communications and participate in any intranet system we control. We will, at our discretion, determine the content and use of an Inter-State Studio website and intranet system and will establish rules under which you may or will participate. We will retain all rights relating to the Inter-State Studio website and intranet system and may alter or terminate the website or intranet system upon thirty (30) days' notice to you. Your general conduct on the Internet and the Inter-State Studio intranet system, and specifically your use of the Marks or any advertising on the Internet (including the domain name and any other Marks we may develop as a result of participation in the Internet), will be subject to the provisions of this Agreement. You acknowledge that certain information obtained through your online participation in the website or intranet system is considered Confidential Information, including access codes and identification codes. Your right to participate in the Inter-State Studio website or intranet system or otherwise use the Marks or the System on the Internet will terminate when this Agreement expires or terminates.

N. National Accounts. We may establish a "National Accounts Program" that is designed to generate customer leads as a result of national marketing, strategic alliances and partnerships, or other lead generation efforts we or our affiliates conduct or that otherwise involves National Accounts. We may permit you to participate in the National Accounts Program and service National Accounts in your Territory under the terms of the National Accounts Program as described in the Operations Manual or as we otherwise describe in writing. You understand that: (1) we will establish the rules under which you may participate, (2) we retain the absolute discretion in determining whether you may participate in the National Accounts Program; and (3) we may terminate, modify, or replace the National Accounts Program at any time. You acknowledge and agree that, in addition to the Management Fees described in Section 4(B) above, you must pay our then-current fees for participation in the National Accounts Program.

O. Criminal Background Checks. We will require your Operating Principal, and each of your Owners, partners, employees, and independent contractors to undergo and pass, to our satisfaction, a complete criminal background check. You may not hire or engage any employees or independent contractors that have not yet passed the background check to our satisfaction.

10. RECORDS AND REPORTS

A. Accounting and Records. During the term of this Agreement, you will, at your expense, establish and maintain at a business location within the Territory and retain for a minimum of five (5) years from the date of their preparation, an accounting and record keeping system we designate that will generate complete and accurate books, records, and accounts relating to the Business (the "Records"). The accounting and record keeping system will include accounting and reporting software that we periodically direct. The Records must be prepared in the form and manner we direct in the Operations Manual or otherwise in writing, and must include the following: (1) cash receipts journal and general ledger; (2) all tax returns relating to the Business and each of its Owners; (3) monthly balance sheets and profit and loss statements; and (4) such other records and information as we periodically may request. You must preserve the Records and submit reports electronically, consistent with our requirements. You will ensure that we have electronic access at all times to the Records and related reports. If at any time you fail to fully comply

with your obligations under this Section 10, we may require that you engage, at your expense, a third party accounting firm or other service provider that we designate to satisfy the requirements of this Section 10.

B. Reports and Tax Returns. You will deliver or allow us access to the following: (1) daily statements relating to Gross Revenue accompanying your payment of monthly Management Fees; (2) daily statements relating to any amounts that you receive directly from customers, regardless of form of payment (cash, check, or otherwise) for pre-paid Products; (3) at our request, monthly income statements in a format we require; (4) at our request, profit and loss statements for the Business at such intervals as we periodically may require; (5) at our request, an annual profit and loss statement and source and use of funds statement for the Business for the year and a balance sheet for the Business as of the end of the year, prepared in accordance with GAAP; (6) at our request, all tax returns relating to the Business and each of its Owners; and (7) copies of executed services agreements that you have entered into with your Accounts. You also will provide to us copies of all Records and other information and supporting documents as we designate. All financial statements, reports and information must be on forms we approve and that you have signed and verified.

11. INSPECTION AND AUDITS

A. Our Right to Inspect the Business. To determine whether you are complying with this Agreement, we may, at any time during business hours and without prior notice to you, inspect the Business, observe the provision of the Services, and test, sample, inspect and evaluate your supplies, equipment and Products as well as the storage of those items. You will fully cooperate with our representatives making any inspection and will permit our representatives to take photographs or videotapes of the Business and to interview employees and customers of the Business.

B. Our Right to Examine Books and Records. We may, at all reasonable times and without prior notice to you, examine, audit, or request copies of the Records, including the books, records and state and/or federal income tax records and returns of any Owner. You must maintain all Records and supporting documents at all times at the office premises. You will make financial and other information available at a location we reasonably request, and will allow us (and our agents) full and free access to any such information. You otherwise will fully cooperate with our representative and independent accountants hired to conduct any examination or audit.

C. Result of Audit; Unreported Gross Revenue. If any examination or audit discloses an understatement of Gross Revenue, you will pay to us, within fifteen (15) days after receipt of the examination or audit report, the Management Fees and any Marketing Fees due on the amount of the understatement, plus interest (at the rate provided in Section 4(C) above) from the date originally due until the date of payment. You must reimburse us for the cost of the audit or examination, including the charges of any independent accountants and the travel expenses, room and board and compensation of our employees, if: (1) an examination or audit is necessary because you failed to timely provide required information; or (2) any examination or audit results in a determination that Gross Revenue for any month are understated by greater than two percent (2%). The foregoing remedies are in addition to all of our other remedies and rights under applicable law.

12. CONFIDENTIAL INFORMATION/IMPROVEMENTS

A. Confidential Information. You acknowledge and agree that you do not acquire any interest in the Confidential Information, other than the right to use it in developing and operating the Business pursuant to this Agreement, and that the use or duplication of the Confidential Information in any other business constitutes an unfair method of competition. You acknowledge and agree that the Confidential Information is proprietary and is our trade secret and is disclosed to you solely on the condition that you:

(1) will not use the Confidential Information in any other business or capacity; (2) will maintain the absolute confidentiality of the Confidential Information during and after the term of this Agreement; (3) will not make unauthorized copies of any Confidential Information disclosed in written form; (4) will adopt and implement all reasonable procedures we direct to prevent unauthorized use or disclosure of the Confidential Information, including restrictions on disclosure to Business employees; and (5) will sign a Confidentiality Agreement and will require the Operating Principal and other managers, employees and agents with access to Confidential Information to sign such an agreement in a form we approve.

The restrictions on your disclosure and use of the Confidential Information will not apply to disclosure of Confidential Information in judicial or administrative proceedings to the extent you are legally compelled to disclose this information, if you use your best efforts to maintain the confidential treatment of the Confidential Information, and provide us the opportunity to obtain an appropriate protective order or other assurance satisfactory to us of confidential treatment for the information required to be so disclosed.

B. Improvements. You must fully and promptly disclose to us all ideas, concepts, products, process methods, techniques, improvements, additions and Customer Data relating to the development and/or operation of an Inter-State Studio business or the System, or any new trade names, service marks or other commercial symbols, or associated logos relating to the operation of the Business, or any advertising or promotion ideas related to the Business (collectively, the “Improvements”) that you, the Owners or your employees or agents conceive or develop during the term of this Agreement. You and your Owners, agents and employees acknowledge and agree that: (1) all Customer Data is jointly owned during the term of this Agreement as further described in Section 6(B) above and becomes our property upon expiration or termination of this Agreement; and (2) any other Improvement immediately becomes our property. You and your Owners, agents or employees must sign all documents necessary to evidence the assignment of each Improvement to us without any additional compensation, and cooperate with us and in securing such right. We may use the Improvement and disclose and/or license the Improvement for use by others. You must not introduce any Improvement or any additions or modifications of or to the System into the Business without our prior written consent.

13. COVENANTS

A. Organization. You and each Owner covenants that:

1. You are organized and validly exist under the laws of the state where you were formed and are qualified and authorized to do business in the jurisdiction where the Territory and Business is located;

2. Your articles of incorporation, certificate of formation, bylaws, operating agreement or other organizational documents (as applicable, the “Authorizing Documents”) at all times will provide that your business activities will be limited exclusively to the ownership and operation of the Business, unless you otherwise obtain our written consent;

3. You have the power under the Authorizing Documents to sign this Agreement and comply with the provisions of this Agreement;

4. You must provide us copies of all Authorizing Documents and any other documents, agreements or resolutions we request in writing;

5. The names of all Owners are accurately stated on the Guaranty attached hereto as Exhibit B; and

6. You will maintain a current schedule of the Owners and their ownership interests (including the Owners' names, address and telephone numbers) at all times and will immediately provide us with an updated ownership schedule if there is any change in ownership.

B. Non-Solicitation of Accounts/Customers. You covenant that, during the term of this Agreement, and for a period of eighteen (18) months after this Agreement expires or is terminated or the date on which you cease to operate the Business, whichever is later, you will not, directly or indirectly solicit or divert, or attempt to solicit or divert, any business, Account or customer of the Business or any other Inter-State Studio businesses or the System to any "Competing Business" (as defined in Section 13(E) below).

C. Covenant Not to Compete During Term. You (and the Operating Principal and each other Owner) will not, during the term of this Agreement, directly or as an employee, agent, consultant, partner, officer, director, manager, member, or shareholder of any other person, firm, entity, partnership or business: (i) solicit or divert, or attempt to solicit or divert, any Accounts, customers, or business of the Business to any Competing Business or perform any act that would damage the goodwill associated with the Marks or the System; or (ii) own, operate, lease, franchise, conduct, engage in, be connected with, have any interest in, or assist any person or entity engaged in any Competing Business (including any e-commerce or Internet-based business), except: (1) with our prior written consent; (2) the ownership of securities listed on a stock exchange or traded on the over-the-counter market that represent one percent (1%) or less of that class of securities; or (3) under a separate agreement between you and us.

D. Post-Term Covenant Not to Compete. You (and the Operating Principal and each other Owner) will not, for a period of eighteen (18) months after this Agreement expires or is terminated or the date on which you cease to operate the Business, whichever is later, directly or as an employee, agent, consultant, partner, officer, director, manager, member or shareholder of any other person, firm, entity, partnership or corporation: (1) solicit or divert, or attempt to solicit or divert, any Accounts, customers, or business of the Business to any Competing Business or perform any act that would damage the goodwill associated with the Marks or the System; (2) own, operate, lease, franchise, conduct, engage in, be connected with, having any interest in, or assist any person or entity engaged in any Competing Business which is located in the former Territory of the Business; or (3) own, operate, lease, franchise, conduct, engage in, be connected with, having any interest in, or assist any person or entity engaged in any Competing Business that is located within a 25-mile radius of any part of the former Territory of the Business or any other then-existing Inter-State Studio business territory, whether the then-existing business is owned by an Inter-State Studio franchisee, us, or our affiliate; provided, however, that this Section 13(D) will not apply to: (i) other Inter-State Studio businesses that you operate under separate Inter-State Studio franchise agreements; or (ii) the ownership of securities listed on a stock exchange or traded on the over-the-counter market that represent one percent (1%) or less of that class of securities.

E. Competing Business. "Competing Business" means any business that offers or sells any school sponsored or related photography services (including, without limitation, school portraits, class or group pictures, school sports or team photographs, school functions and events pictures, or graduation pictures), school sponsored photography accessories (including, without limitation, yearbooks or student identification cards), independent and non-school related sports and recreation leagues photography services, or any other offerings or items similar to the Services and Products, including any other business that may be confusingly similar to an Inter-State Studio business.

F. Covenants from Individuals. In order to protect our legitimate business interests in and to the Confidential Information and trade secrets, each individual who attends our training program or has access to any Confidential Information or trade secrets shall be required to sign a confidentiality and non-

competition agreement substantially in the form attached as Exhibit D to this Agreement. You shall be responsible for ensuring compliance with such agreements.

G. Injunctive Relief. You agree that damages alone cannot adequately compensate us if there is a violation of any covenant in this Section in that injunctive relief is essential for our protection. You therefore agree that we may seek injunctive relief without posting any bond or security, in addition to the remedies that may be available to us at equity or law, if you or anyone acting on your behalf violates any covenant in this Section. The covenants stated in this Section will survive the termination or expiration of this Agreement.

14. ASSIGNMENT

A. By Us. This Agreement is fully assignable by us and benefits our successors and assigns. Any such assignment will require the assignee to fulfill our obligations under this Agreement. You acknowledge and agree that, following the effective date of any such assignment, you will look solely to the transferee or assignee, and not to us, for the performance of all obligations under this Agreement. Separately, we may assign or delegate to an affiliate or other third party certain of our obligations under this Agreement without assigning our interest in this Agreement. In such instance, we will remain the party ultimately responsible for the performance of such obligation(s).

B. Your Assignment or Sale of Substantially all of Your Assets. You understand that we have granted the Franchise under this Agreement in reliance upon the individual or collective character, aptitude, attitude, business ability and financial capacity of your Owners. You (and your Owners) will not transfer (whether voluntary or involuntary), assign or otherwise dispose of, in one or more transactions, your business, the Business, substantially all or all of the assets of the Business, this Agreement or any interest in you unless you obtain our prior written consent. We will not unreasonably withhold our consent to an assignment of this Agreement, provided you comply with any or all of the following conditions which we may, in our discretion, deem necessary:

1. All of your accrued monetary obligations to us and our affiliates have been satisfied, and you otherwise are in good standing under this Agreement and any other agreement between you and us;
2. The transferee (or the Operating Principal, if applicable) is approved by us and demonstrates to our satisfaction that he/she meets our then-current managerial, financial and business standards for new Inter-State Studio businesses, possesses a good business reputation and credit rating, and has the aptitude and ability to operate the Business. You understand that we may communicate directly with the transferee during the transfer process to respond to inquiries, as well as to ensure that the transferee meets our qualifications;
3. The transferee enters into a written agreement, in form satisfactory to us, assuming and agreeing to discharge all of your obligations and covenants under this Agreement for the remainder of your term or, at our option, signs our then-current standard form of franchise agreement (which may contain materially different terms and conditions than this Agreement);
4. The transferee and the new Operating Principal (if applicable) successfully complete the initial training program required of new Inter-State Studio businesses;
5. If applicable and required, the lessor of the Business premises consents to your assignment or sublease of the premises to the transferee;

6. You pay us a transfer fee equal to twenty-five percent (25%) of our then-current standard initial franchise fee applicable to new Inter-State Studio businesses, plus our reasonable costs and expenses that we incur in connection with the transfer;

7. You and each Owner sign a general release, in a form and substance satisfactory to us, of any and all claims against us and our affiliates, officers, directors, employees and agents, except to the extent limited or prohibited by applicable law; and

8. You and each Owner sign an agreement, in form satisfactory to us, in which you and each Owner covenant to observe the post-termination covenant not to compete and all other applicable post-termination obligations.

We may expand upon, and provide more details related to, the conditions for transfer and our consent as described in this Section 14(B), and may do so in the Operations Manual or otherwise in writing.

C. Death or Disability. If the Operating Principal dies or is permanently disabled, the remaining Owners must appoint (if necessary) a competent Operating Principal acceptable to us within a reasonable time, not to exceed thirty (30) days, from the date of death or permanent disability. The appointed Operating Principal must satisfactorily complete our designated training program. If an approved Operating Principal is not appointed within thirty (30) days after the Operating Principal's death or permanent disability, we may, but are not required to, immediately appoint an Operating Principal to maintain Business operations on your behalf until an approved assignee can assume the management and operation of the Business. Our appointment of an Operating Principal does not relieve you of your obligations, and we will not be liable for any debts, losses, costs or expenses you incur in operating the Business or to any creditor of yours for any products, materials, supplies or services purchased by the Business while it is managed by our appointed manager. We may charge a reasonable fee for management services and may cease to provide management services at any time.

If the Operating Principal dies or is permanently disabled, his/her executor, administrator, or other personal representative must transfer his/her interest within a reasonable time, not to exceed twelve (12) months from the date of death or permanent disability, to a person we approve. Such transfers, including transfers by devise or inheritance, will be subject to conditions contained in Section 14(B) above.

D. Public or Private Offerings. Subject to Section 14(B) above, if you (or any of your Owners) desire to raise or secure funds by the sale of securities (including common or preferred stock, bonds, debentures or general or limited partnership interests) in you or any affiliate of you, you agree to submit any written information to us before your inclusion of that information in any registration statement, prospectus or similar offering circular or memorandum and must obtain our written consent to the method of financing before any offering or sale of securities. Our written consent will not imply or represent our approval respecting the method of financing, the offering literature submitted to us or any other aspect of the offering. No information respecting us or any of our affiliates will be included in any securities disclosure document, unless we furnish the information in writing in response to your written request, which request will state the specific purpose for which the information is to be used. Should we, in our discretion, object to any reference to us or any of our affiliates in the offering literature or prospectus, the literature or prospectus will not be used unless and until our objections are withdrawn. We assume no responsibility for the offering.

The prospectus or other literature used in any offering must contain the following language in boldface type on the first textual page:

“NEITHER INTER-STATE STUDIO FRANCHISE, LLC NOR ANY OF ITS AFFILIATES: (A) IS DIRECTLY OR INDIRECTLY THE ISSUER OF THE SECURITIES OFFERED, (B) ASSUMES ANY RESPONSIBILITY RESPECTING THIS OFFERING AND/OR THE ADEQUACY OR ACCURACY OF THE INFORMATION CONTAINED HEREIN, OR (C) ENDORSES OR MAKES ANY RECOMMENDATION RESPECTING THE INVESTMENT CONTEMPLATED BY THIS OFFERING.”

E. Our Right of First Refusal. If you or your Owners at any time desire to sell or assign for consideration the Franchise, the Business, an ownership interest representing (in the aggregate with any prior transfers) fifty percent (50%) or more of the ownership in you or all or substantially all of your assets, you or your Owners must obtain a bona fide, executed written offer from a responsible and fully disclosed purchaser and must deliver a copy of the offer to us. We have the right, exercisable by written notice delivered to you or your Owners within thirty (30) days following receipt of the proposed offer, to purchase the interest in the Business or ownership interest in you for the price and on terms contained in the offer. We may substitute cash for any non-cash form of payment proposed in the offer and will have a minimum of sixty (60) days to prepare for closing. If we do not exercise our right of first refusal, you or your Owners may complete the sale to the proposed purchaser under the terms of the offer, provided you and the Owners otherwise comply with this Section 14. If the sale to the proposed purchaser is not completed within one hundred twenty (120) days after delivery of the offer to us, or if there is a material change in the terms of the sale, we again will have the right of first refusal.

F. Guaranty. All of your Owners will sign the Guaranty and Assumption of Obligations Agreement in the form attached to this Agreement as Exhibit B (the “Personal Guaranty”). We may also require the spouse of any Owner to sign the Personal Guaranty. Any person or entity that at any time after the date of this Agreement becomes an Owner of yours under the provisions of this Section 14 or otherwise will, as a condition of becoming an Owner, sign the Guaranty Agreement.

15. OUR TERMINATION RIGHTS

A. Automatic Termination. This Agreement will automatically terminate without notice or an opportunity to cure upon the occurrence of any of the following defaults:

1. If you make an assignment for the benefit of creditors, file a voluntary petition in bankruptcy, are adjudicated bankrupt or insolvent, file or acquiesces in the filing of a petition seeking reorganization or arrangement under any federal or state bankruptcy or insolvency law, or consent to or acquiesce in the appointment of a trustee or receiver for you or the Franchised Business;

2. If proceedings are commenced to have you adjudicated bankrupt or to seek your reorganization under any state or federal bankruptcy or insolvency law, and such proceedings are not dismissed within 60 days, or a trustee or receiver is appointed for you or the Franchised Business without your consent, and the appointment is not vacated within 60 days; or

3. If you purport to sell, transfer or otherwise dispose of you or any interest in this Agreement or the Franchised Business in violation of Section 14 hereof.

B. Termination Upon Notice. We have the right to terminate this Agreement upon notice to you without providing you an opportunity to cure for any of the following breaches or defaults:

1. If you or the Operating Principal fail to satisfactorily complete the initial training program or fail to open and commence operations of the Business at such time as provided in this Agreement;
2. If you or any of your managers, directors, officers or any Operating Principal make a material misrepresentation or omission in the application for the Business or any time thereafter, including, without limitation understating Gross Revenue in any report you submit to us by more than 2% in a particular month;
3. If you or any of your managers, directors, officers or any Operating Principal are convicted of, or plead guilty to or no contest to a felony, a crime involving moral turpitude, or any other crime or offense that we believe will injure the System, the Marks or the goodwill associated therewith, or if we reasonably believe that you have committed such a felony, crime or offense;
4. If you voluntarily or otherwise abandon the Business without our prior written consent. The term “abandon” means your failure to operate the Business for a period of 5 consecutive business days without notification to your Accounts or our prior written consent;
5. If you are involved in any act or conduct which materially impairs or otherwise is prejudicial to the goodwill associated with the name Inter-State Studio or any of the Marks or the System, or otherwise violate any provision hereof pertaining to Marks or Confidential Information or misuse the Marks or Confidential Information;
6. If you develop or use an unapproved website in connection with the Business or otherwise conduct any unauthorized activity on the Internet in violation of Section 9(M) above;
7. If you fail to pay us, our affiliate(s), or any approved or designated supplier any amount that is due and owed to that party, and fail to cure such breach within 10 days of the date you receive written notice from us (or any other party that is owed money) regarding such breach;
8. If there are insufficient funds in your designated bank account to cover a check or EFT payment to us 3 or more times within any 12 month period;
9. If you (or any Owner) violate any in-term restrictive covenant set forth in Section 13 of this Agreement, or any of the other restrictive covenants set forth in this Agreement;
10. If you fail, within 15 days after notification of non-compliance by federal, state or local government authorities, to comply with any law or regulation applicable to the Business;
11. If you offer or sell any unauthorized or unapproved products or services at or from the Business;
12. If you willfully and repeatedly deceive customers relative to the source, nature or quality of goods sold;
13. If you fail to comply with one or more material requirements of this Agreement on 3 or more separate occasions within any 12-month period, regardless of whether or not those breaches were cured;
14. You violate the Territory Infringement Policy;

15. You violate any “no touching” policy described in the Operating Manual or otherwise in writing; or

16. If the nature of your breach makes it not curable.

C. Termination upon Notice and 30 Days’ Notice to Cure. Except for those defaults set forth in Sections 15(A) and 15(B) of this Agreement, we may terminate this Agreement upon notice to you in the event you: (i) breach or violate any other covenant, obligation, term, condition, warranty, or certification under this Agreement, including your failure to comply with any other term or condition of this Agreement, the Operating Manual, or any ancillary agreement between you and us (or our affiliate); and (ii) fail to cure such default(s) within 30 days after being provided with notice thereof.

C. Management of Business While You are in Default. In addition to our termination rights described in Sections 15(A) and 15(B) above, while you are in default of this Agreement, we may, but are not required to, manage, or designate a third party to manage, the Business on your behalf. Our, or our designee’s, management of the Business does not relieve you of your obligations and neither we nor our designee will be liable for any debts, losses, costs or expenses incurred in operating the Business or to any of your creditors for any materials supplies or services purchased by the Business while we, or our designee, manage it. We, or our designee, may charge you a fee for management services and may cease providing management services at any time.

D. Applicable Law. If the provisions of this Section 15 are inconsistent with applicable law, the applicable law will apply.

16. YOUR TERMINATION RIGHTS

You may terminate this Agreement if we violate any material obligation of us to you and fail to cure such violation within sixty (60) days after our receipt of written notice from you; provided, however, that you are in substantial compliance with the Agreement at the time of giving such notice of termination. Your written notice will identify the violation and demand that it be cured.

17. YOUR OBLIGATIONS UPON TERMINATION OR EXPIRATION

A. Post-Term Duties. If this Agreement expires or is terminated for any reason, you will:

1. immediately cease operation of the Business and using the Marks as well as any confusingly similar trademarks or service marks;

2. within ten (10) days after termination, pay all amounts due and owing to us or our affiliates, including all Management Fees, Marketing Fees and accrued interest due under this Agreement;

3. discontinue using, and return to us by priority United States mail with a tracking number, any hard copies of, the Operations Manuals and any other manuals, advertising materials, and all other printed materials relating to the operation of the Business;

4. assign to us or, at our discretion, disconnect the telephone number for the Business. You acknowledge that we have the sole right to and interest in all telephone numbers and directory listings associated with the Marks, and you authorize us, and appoint us as your attorney-in-fact, to direct the telephone company and all listing agencies to transfer such numbers and listings to us;

5. remove from the Business all signs, posters, fixtures, decals, and other materials that are distinctive of an Inter-State Studio business or bear the name “Inter-State Studio” or other Marks;
6. take all necessary action to cancel all fictitious or assumed name or equivalent registrations relating to your use of any of the Marks;
7. immediately cease using Confidential Information (including all Customer Data) and return to us all documents in your possession that contain Confidential Information;
8. comply with all other applicable provisions of this Agreement, including the non-compete provisions.

Upon termination or expiration of this Franchise Agreement for any reason, your right to use the name “Inter-State Studio” and the other Marks and the System will immediately terminate and you (and the Owners) will not in any way associate yourself/themselves as being associated with us. If you fail to immediately remove all signs and other materials bearing the Marks, we may do so at your expense.

B. Continuing Obligations. All obligations of us and you which expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect following its expiration or termination and until they are satisfied or expire.

18. RELATIONSHIP OF THE PARTIES/INDEMNIFICATION

A. Relationship of the Parties. We and you are independent contractors. Neither party is the agent, legal representative, partner, subsidiary, joint venture or employee of the other. Neither party will independently obligate the other to any third parties or represent any right to do so. This Agreement does not reflect or create a fiduciary relationship or a relationship of special trust or confidence. You must conspicuously identify yourself at the premises of the Business and in all dealings with customers, lessors, contractors, suppliers, public officials and others as the owner of the Business under a franchise agreement from us, and must place other notices of independent ownership on signs, forms, stationery, advertising and other materials as we require.

B. Your Indemnification Obligations. You agree to indemnify and hold us and our subsidiaries, affiliates, stockholders, members, directors, officers, employees and agents harmless against, and to reimburse us or them for, any loss, liability or damages arising out of or relating to your ownership or operation of the Business, and all reasonable costs of defending any claim brought against us or any of them or any action in which us or any of them is named as a party (including reasonable attorneys’ fees) unless the loss, liability, damage or cost is solely due to our breach of this Agreement, gross negligence or willful misconduct. You must pay all losses, liability or damages we incur pursuant to your obligations of indemnity under this Section 18(B) regardless of any settlement, actions or defense we undertake or the subsequent success or failure of any settlement, actions or defense. Further, you agree to give us immediate notice of any such action, proceeding, demand or investigation brought against you or the Business. We may, at our option, designate counsel, at your expense, to defend or settle such action, proceeding, demand or investigation brought against you or the Business. This obligation does not diminish your indemnification obligations under this Section 18(B).

C. Our Indemnification Obligations. We agree to indemnify and hold you and your officers, directors and agents harmless against, and to reimburse you and them for, any loss, liability or damage solely arising from or relating to our breach of this Agreement, gross negligence or willful misconduct, and

all reasonable costs of defending any claim brought against you or them or any action in which you or they are named as a party (including reasonable attorneys' fees).

D. Survival. The indemnities and assumptions of liabilities and obligations continue in full force and effect after the expiration or termination of this Agreement.

19. DISPUTE RESOLUTION

A. Mediation. Except as otherwise stated in this Section 19(A), the parties agree to submit any claim, controversy or dispute arising out of or relating to this Agreement (and attachments) or the relationship created by this Agreement to non-binding mediation before bringing such claim, controversy or dispute to arbitration or to a court. The mediation will be conducted either through an individual mediator or a mediator appointed by a mediation services organization, experienced in the mediation of disputes between you and us, agreed upon by the parties. If the parties do not agree upon a mediator or mediation services organization within fifteen (15) days after either party has notified the other of its desire to seek mediation, the dispute will be mediated by the American Arbitration Association pursuant to its rules governing mediation, in the county where our headquarters is located. The costs and expenses of mediation, including compensation of the mediator, will be borne equally by the parties. If the parties cannot resolve the claim, controversy or dispute within sixty (60) days after conferring with the mediator, either party may submit such claim, controversy or dispute to the appropriate court as described in Section 19(B) below. We may bring an action under the applicable provisions of this Section 19 without first submitting the action to mediation under this Section 19(A): (1) for injunctive relief, (2) involving the possession or disposition of, or other relief relating to, real property; or (3) for monies you owe us.

B. Arbitration. Except to the extent we elect to enforce the provisions of this Agreement by injunction as provided in Section 19(C) below, all disputes, claims and controversies between the parties arising under or in connection with this Agreement, the relationship between the parties, the offer or sale of this Agreement or the Business, or the making, performance or interpretation of this Agreement (including claims of fraud in the inducement and other claims of fraud in the arbitrability of any matter) that have not been settled by or are not otherwise subject to mediation as described in Section 19(A) above will be resolved by arbitration on an individual basis under the authority of the Federal Arbitration Act in the county where our headquarters is located. Any arbitration proceeding may not be consolidated with any other arbitration proceeding, and you agree not to seek joinder of any claims with those with any other party. The arbitrator(s) will have a minimum of five (5) years' experience in franchising or distribution law and will have the right to award specific performance of this Agreement. The proceedings will be conducted under the Commercial Arbitration Rules of the American Arbitration Association, or the rules of such other arbitration services organization as the parties otherwise may agree upon in writing, to the extent such rules are not inconsistent with the provisions of this arbitration provision or the Federal Arbitration Act. The decision of the arbitrator(s) will be final and binding on all parties; provided, however, the arbitrator(s) may not under any circumstances: (1) stay the effectiveness of any pending termination of this Agreement; (2) assess punitive or exemplary damages; or (3) make any award which extends, modifies or suspends any lawful term of this Agreement or any reasonable standard of business performance we establish. Any arbitration proceeding will be limited to controversies between you and us, and will not be expanded to include any other Inter-State Studio franchisee or include any class action claims. This Section 19 will survive termination or nonrenewal of this Agreement under any circumstances. Judgment upon the award of arbitrator(s) may be entered in any court having jurisdiction thereof. During any arbitration proceeding, we and you will fully perform our respective obligations under this Agreement. The parties agree that all arbitration proceedings, including any arbitration award or ruling, will be confidential in nature, except as otherwise required by law or court order or as necessary to confirm, vacate or enforce the award and for disclosure in confidence to the parties' respective attorneys and tax advisors.

C. Injunctive Relief. Notwithstanding Sections 19(A) and (B) above, you recognize that a single franchisee's failure to comply with the terms of its agreement could cause irreparable damage to us and/or to some or all other Inter-State Studio businesses. Therefore, if you breach or threaten to breach any of the terms of this Agreement, we will be entitled to an injunction restraining such breach and/or a decree of specific performance, without showing or proving any actual damage, together with recovery of reasonable attorneys' fees and other costs incurred in obtaining such equitable relief, until such time as a final and binding determination is made by the arbitrators.

D. Attorneys' Fees. You will pay all of our costs, expenses, and interest, including reasonable attorneys' fees, that we incur in enforcing any term, condition or provision of this Agreement or in seeking to enjoin any violation of this Agreement by you, your Operating Principal, or any Owner. In the event an action, proceeding, or claim is initiated under Section 19(B) or 19(C), then the nonprevailing party will pay all costs, expenses, and interest, including reasonable attorneys' fees, the prevailing party incurs in any action brought to enforce or interpret any provision of this Agreement or to enjoin any violation of this Agreement.

20. ENFORCEMENT

A. Severability. All provisions of this Agreement are severable and this Agreement will be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein and partially valid and enforceable provisions will be enforced to the extent valid and enforceable. If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination of or non-renewal of this Agreement than is required, or the taking of some other action not required, or if under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any specification, standard or operating procedure prescribed by us are invalid or unenforceable, the prior notice and/or other action required by law or rule will be substituted for the comparable provisions.

B. Waiver of Obligations. No delay, waiver, omission, or forbearance on the part of us to exercise any right, option, duty, or power arising out of any breach or default by you or any other franchisee under any of the terms, provisions, covenants, or conditions of this Agreement, and no custom or practice by the parties at variance with the terms of this Agreement, shall constitute a waiver by us to enforce any such right, option, duty, or power as against you, or as to subsequent breach or default by you. Subsequent acceptance by us of any payments due to us hereunder shall not be deemed to be a waiver by us of any preceding or succeeding breach by you of any terms, provisions, covenants, or conditions of this Agreement.

C. Rights of Parties Are Cumulative. The rights of us and you are cumulative and no exercise or enforcement by either party of any right or remedy precludes the exercise or enforcement by such party of any other right or remedy to which such party is entitled by law or equity to enforce.

D. Venue. Subject to the provisions of Sections 19(A) and 19(B) above, any cause of action, claim, suit or demand allegedly arising from or related to this Agreement or the relationship of the parties must be brought exclusively in any state or federal court of competent jurisdiction in the county where our headquarters is located. We also have the right to file any such suit against you in the federal or state court where the Business is located. Any such action will be conducted on an individual basis, and not as part of a consolidated, common, or class action, and you and your Owners waive any and all rights to proceed on a consolidated, common, or class basis. Each of us and you irrevocably consents to the jurisdiction of such courts and waive all rights to challenge personal jurisdiction and venue.

E. Governing Law. Subject to our rights under federal trademark laws and the parties' rights under the Federal Arbitration Act, all claims arising out of or relating to this Agreement and/or the parties'

relationship will be governed by, and will be interpreted in accordance with, the procedural and substantive laws of the State of Missouri, irrespective of any conflict of laws. The parties agree that any state law or regulation applicable to the offer or sale of franchises or the franchise relationship will not apply unless the jurisdictional provisions are independently met. Franchisee waives, to the fullest extent permitted by law, the rights and protections provided by any such franchise law or regulation.

F. Binding Effect. This Agreement is binding upon the parties and their respective executors, administrators, heirs, assigns, and successors in interest, and will not be modified except by written agreement signed by both you and us. Except as provided above, this Agreement is not intended, and will not be deemed, to confer any rights or remedies upon any person or legal entity not a party to this Agreement.

G. References. If you consist of two or more individuals, such individuals will be jointly and severally liable, and references to you in this Agreement will include all such individuals.

H. Interpretation of Rights and Obligations. The following provisions will apply to and govern the interpretation of this Agreement, the parties' rights under this Agreement and the relationship between the parties:

1. Our Rights. Whenever this Agreement provides that we have or reserve (retain) a certain right, that right is absolute and the parties intend that our exercise of that right will not be subject to any limitation or review. We have the right to operate, administrate, develop and change the System in any manner that is not specifically precluded by the provisions of this Agreement.

2. Our Reasonable Business Judgment. Whenever we reserve discretion in a particular area or where we agree or are required to exercise our rights reasonably or in good faith, we will satisfy our obligations whenever we exercise "reasonable business judgment" in making our decision or exercising our rights. A decision or action by us will be deemed to be the result of "reasonable business judgment," even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended to promote or benefit the System generally even if the decision or action also promotes a financial or other individual interest of ours. Examples of items that will promote or benefit the System include enhancing the value of the Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization, and improving the competitive position of the System. Neither you nor any third party (including a trier of fact) will substitute their judgment for our reasonable business judgment.

I. WAIVER OF PUNITIVE DAMAGES. YOU AND WE AND OUR AFFILIATES AGREE TO WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, THE RIGHT TO OR A CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF ANY DISPUTE BETWEEN US, EACH WILL BE LIMITED TO THE RECOVERY OF ACTUAL DAMAGES SUSTAINED BY US.

J. WAIVER OF JURY TRIAL. YOU AND WE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM AGAINST THE OTHER, WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION OR PROCEEDING.

K. Force Majeure. If any party fails to perform any obligation under this Agreement due to a cause beyond the control of and without the negligence of such party, such failure will not be deemed a breach of this Agreement, provided such party uses reasonable best efforts to perform such obligations as

soon as possible under the circumstances. Such causes include strikes, wars, riots, civil commotion, and acts of government, except as may be specifically provided for elsewhere in this Agreement.

L. Notice of Potential Profit. We advise you that we and/or our affiliates may make available to you goods, products and/or services for use in the Business on the sale of which we and/or our affiliates may make a profit. We further advise you that we and our affiliates may receive consideration from suppliers and manufacturers respecting sales of goods, products or services to you or in consideration for services provided or rights license to such Persons. You agree that we and our affiliates will be entitled to such profits and consideration.

M. Limitation of Actions. Subject to any applicable statute of limitations, you and we agree that neither party will have the right to bring any claim or action against the other party unless the action or claim is commenced within one (1) year after the offended party has knowledge of the facts giving rise to the action or claim.

N. Entire Agreement. The “Introduction” section, the exhibit(s) to this Agreement, and that certain Disclosure Acknowledgment Agreement signed contemporaneously by you are a part of this Agreement, which represents the entire agreement of the parties, and there are no other oral or written understandings or agreements between us and you relating to the subject matter of this Agreement. Nothing in the Agreement is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you.

21. NOTICES

All written notices and reports permitted or required to be delivered by the provisions of this Agreement will be delivered by hand, sent by a recognized overnight delivery service or by registered U.S. Mail, or by other means which provides the sender with evidence of delivery, or of rejected delivery, and addressed to the party to be notified at the address stated herein or at such other address as may have been designated in writing to the other party. Any notice by a means which provides the sender with evidence of delivery, or rejected delivery, will be deemed to have been given at the date and time of receipt or rejected delivery.

22. ACKNOWLEDGEMENTS

A. Success of Franchised Business. The success of the business venture you intend to undertake under this Agreement is speculative and depends, to a large extent, upon your (or the Owner’s) ability as an independent businessman, and your active participation in the daily affairs of the Business as well as other factors. We do not make any representation or warranty, express or implied, as to the potential success of the business venture.

B. Independent Investigation. You acknowledge that you have entered into this Agreement after making an independent investigation of our operations and not upon any representation as to gross revenues, volume, potential earnings or profits which you might be expected to realize, nor has anyone made any other representation, which is not expressly stated herein, to induce you to accept this Franchise and sign this Agreement.

C. Existing Business Arrangements. You and each Owner represent and warrant that your execution of this Agreement, and/or your performance of your rights and obligations hereunder, shall not constitute or result in a breach of a previous or existing contract (whether written or oral) entered into between you and/or any Owner, on the one hand, and a third party, on the other hand.

D. **Receipt of Documents.** Except for filling in the blank provisions and changes made as a result of negotiations that you initiated, you acknowledge that you received a copy of the complete Franchise Agreement, and exhibits attached hereto, at least seven (7) calendar days before the date on which this Agreement was executed. You further acknowledge that you received the disclosure document required by the trade regulation rule of the Federal Trade Commission entitled “Franchise Disclosure Document” at least fourteen (14) calendar days prior to the date on which this Agreement was executed. You represent that you have read this Agreement in its entirety and that you have been given the opportunity to clarify any provisions that you did not understand and to consult with any attorney or other professional advisor. You further represent that you understand the provisions of this Agreement and agree to be bound.

E. **Other Franchises.** You acknowledge that other Inter-State Studio businesses have or will be granted franchises at different times and in different situations, and further acknowledge that the provisions of such franchises may vary substantially from those contained in this Agreement.

Intending to be legally bound, the parties to this Agreement have executed and delivered this Agreement as of the Effective Date.

2. Franchisor possesses certain proprietary and confidential information relating to the operation of the System, which includes the Operations Manual, trade secrets, and copyrighted materials, methods, and other techniques and know-how (the “**Confidential Information**”).

3. Any and all manuals, trade secrets, copyrighted materials, methods, information, knowledge, know-how, and techniques which Franchisor specifically designates as confidential shall be deemed to be Confidential Information for purposes of this Confidentiality Agreement.

4. As _____ of the Franchisee, Franchisor and/or Franchisee will disclose the Confidential Information to me in furnishing to me the training program and subsequent ongoing training, Franchisor’s operations manual (the “**Operations Manual**”) and other general assistance during the term of this Confidentiality Agreement.

5. I will not acquire any interest in the Confidential Information, other than the right to utilize it in the operation of the Franchised Business during the term hereof, and the use or duplication of the Confidential Information for any use outside the System would constitute an unfair method of competition.

6. The Confidential Information is proprietary, involves trade secrets of Franchisor, and is disclosed to me solely on the condition that I agree, and I do hereby agree, that I shall hold in strict confidence all Confidential Information and all other information designated by Franchisor as confidential. Unless Franchisor otherwise agrees in writing, I will disclose and/or use the Confidential Information only in connection with my duties as _____ of the Franchisee, and will continue not to disclose any such information even after I cease to be in that position and will not use any such information even after I cease to be in that position unless I can demonstrate that such information has become generally known or easily accessible other than by the breach of an obligation of Franchisee under the Franchise Agreement.

7. Except as otherwise approved in writing by Franchisor, I shall not, while in my position with the Franchisee and for a continuous uninterrupted period commencing upon the cessation or termination of my position with Franchisee, regardless of the cause for termination, and continuing for an eighteen (18) month period thereafter, either directly or indirectly, for myself or through, on behalf of, or in conjunction with any other person, partnership, corporation, or other limited liability company own, maintain, engage in, be employed by, advise, assist, invest in, franchise, make loans to, or have any interest in any business that engages in a Competing Business (as defined below in this Section 7) that is located within a 25-mile radius of any part of the Franchisee's designated territory or any other then-existing Inter-State Studio business territory. This restriction does not apply to my ownership of less than one percent (1%) beneficial interest in the outstanding securities of any publicly-held corporation. "Competing Business" means any business that offers or sells any school sponsored or related photography services (including, without limitation, school portraits, class or group pictures, school sports or team photographs, school functions and events pictures, or graduation pictures), school sponsored photography accessories (including, without limitation, yearbooks or student identification cards), independent and non-school related sports and recreation leagues photography services, or any other offerings or items similar to the Services and Products, including any other business that may be confusingly similar to an Inter-State Studio business.

8. I agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Confidentiality Agreement. If all or any portion of a covenant in this Confidentiality Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an un-appealed final decision to which Franchisor is a party, I expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Confidentiality Agreement.

9. I understand and acknowledge that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Confidentiality Agreement, or any portion thereof, without my consent, effective immediately upon receipt by me of written notice thereof, and I agree to comply forthwith with any covenant as so modified.

10. Franchisor is a third-party beneficiary of this Confidentiality Agreement and may enforce it, solely and/or jointly with the Franchisee. I am aware that my violation of this Confidentiality Agreement will cause Franchisor and the Franchisee irreparable harm; therefore, I acknowledge and agree that the Franchisee and/or Franchisor may apply for the issuance of an injunction preventing me from violating this Confidentiality Agreement, and I agree to pay the Franchisee and Franchisor all the costs it/they incur(s), including, without limitation, legal fees and expenses, if this Confidentiality Agreement is enforced against me. Due to the importance of this Confidentiality Agreement to the Franchisee and Franchisor, any claim I have against the Franchisee or Franchisor is a separate matter and does not entitle me to violate, or justify any violation of this Confidentiality Agreement.

11. This Confidentiality Agreement shall be construed under the laws of the State of Missouri. The only way this Confidentiality Agreement can be changed is in writing signed by both the Franchisee and me.

12. With respect to all claims, controversies and disputes, I irrevocably consent to personal jurisdiction and submit myself to the jurisdiction of the state courts located in Pettis County, Missouri, and the United States District Court for the Western District of Missouri. I acknowledge that this Confidentiality Agreement has been entered into in the state of Missouri, and that I am to receive valuable information emanating from Franchisor's headquarters in Missouri. In recognition of the information and

its origin, I hereby irrevocably consent to the personal jurisdiction of the state and federal courts of Missouri as set forth above. Notwithstanding the foregoing, I acknowledge and agree that Franchisor or the Franchisee may bring and maintain an action against me in any court of competent jurisdiction for injunctive or other extraordinary relief against threatened conduct that will cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary and permanent injunctions.

MINNESOTA ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT

To the extent the Minnesota Franchise Act, Minn. Stat. §§80C.01 – 80C.22 applies, the terms of this Addendum apply.

State Cover Page and Item 17, Additional Disclosures:

Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside of Minnesota, requiring waiver of a jury trial or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Disclosure Document shall abrogate or reduce any of your rights as provided for in Minn. Stat. Sec. 80C, or your rights to any procedure, forum or remedies provided for by the laws of the jurisdiction.

Franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. A court will determine if a bond is required.

Item 5, Additional Disclosure:

Payment of the initial franchise fee is deferred until such time as the franchisor completes its initial obligations and franchisee is open for business.

Item 6, Additional Disclosure:

NSF checks are governed by Minn. Stat. 604.113, which puts a cap of \$30 on service charges.

Item 13, Additional Disclosures:

The Minnesota Department of Commerce requires that a franchisor indemnify Minnesota Franchisees against liability to third parties resulting from claims by third parties that the franchisee's use of the franchisor's trademark infringes upon the trademark rights of the third party. The franchisor does not indemnify against the consequences of a franchisee's use of a franchisor's trademark except in accordance with the requirements of the franchise agreement, and as the condition to an indemnification, the franchisee must provide notice to the franchisor of any such claim immediately and tender the defense of the claim to the franchisor. If the franchisor accepts tender of defense, the franchisor has the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, or to determine whether to appeal a final determination of the claim.

Item 17, Additional Disclosures:

Any condition, stipulation or provision, including any choice of law provision, purporting to bind any person who, at the time of acquiring a franchise is a resident of the State of Minnesota or in the case of a partnership or corporation, organized or incorporated under the laws of the State of Minnesota, or purporting to bind a person acquiring any franchise to be operated in the State of Minnesota to waive compliance or which has the effect of waiving compliance with any provision of the Minnesota Franchise Law is void.

We will comply with Minn. Stat. Sec. 80C.14, subs. 3, 4 and 5, which requires, except in certain specified cases, that a franchisee be given 90 days notice of termination (with 60 days to cure), 180 days notice for nonrenewal of the Franchise Agreement, and that consent to the transfer of the franchise will not be unreasonably withheld.

Minnesota Rule 2860.4400D prohibits a franchisor from requiring a franchisee to assent to a general release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statute §§80C.01 – 80C.22.

The limitations of claims section must comply with Minn. Stat. Sec. 80C.17, subd. 5.

MINNESOTA ADDENDUM TO FRANCHISE AGREEMENT

To the extent the Minnesota Franchise Act, Minn. Stat. §§80C.01 – 80C.22 applies, the terms of this Addendum apply.

1. Notwithstanding anything to the contrary contained in the Franchise Agreement, to the extent that the Franchise Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

With respect to franchises governed by Minnesota Franchise Law, franchisor shall comply with Minn. Stat. Sec. 80C.14, subd. 4 which requires that except for certain specified cases, that franchisee be given 180 days' notice for non-renewal of this Franchise Agreement.

The Minnesota Department of Commerce requires that franchisor indemnify franchisees whose franchise is located in Minnesota against liability to third parties resulting from claims by third parties that the franchisee's use of franchisor's trademarks ("Marks") infringe upon the trademark rights of the third party. Franchisor does not indemnify against the consequences of a franchisee's use of franchisor's trademark but franchisor shall indemnify franchisee for claims against franchisee solely as it relates to franchisee's use of the Marks in accordance with the requirements of the Franchise Agreement and franchisor's standards. As a further condition to indemnification, the franchisee must provide notice to franchisor of any such claim immediately and tender the defense of the claim to franchisor. If franchisor accepts tender of defense, franchisor has the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, or to determine whether to appeal a final determination of the claim.

Franchisee will not be required to assent to a release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statute §§ 80C.01 – 80C.22.

With respect to franchises governed by Minnesota Franchise Law, franchisor shall comply with Minn. Stat. Sec. 80C.14, subd. 3 which requires that except for certain specified cases, a franchisee be given 90 days' notice of termination (with 60 days to cure). Termination of the franchise by the franchisor shall be effective immediately upon receipt by franchisee of the notice of termination where its grounds for termination or cancellation are: (1) voluntary abandonment of the franchise relationship by the franchisee; (2) the conviction of the franchisee of an offense directly related to the business conducted according to the Franchise Agreement; or (3) failure of the franchisee to cure a default under the Franchise Agreement which materially impairs the goodwill associated with the franchisor's trade name, trademark, service mark, logo type or other commercial symbol after the franchisee has received written notice to cure of at least twenty-four (24) hours in advance thereof.

According to Minn. Stat. Sec. 80C.21 in Minnesota Rules or 2860.4400J, the terms of the Franchise Agreement shall not in any way abrogate or reduce your rights as provided for in Minn. Stat. 1984, Chapter 80C, including the right to submit certain matters to the jurisdiction of the courts of Minnesota. In addition, nothing in this Franchise Agreement shall abrogate or reduce any of franchisee's rights as provided for in Minn. Stat. Sec. 80C, or your rights to any procedure, forum or remedy provided for by the laws of the State of Minnesota.

Any claims franchisee may have against the franchisor that have arisen under the Minnesota Franchise Laws shall be governed by the Minnesota Franchise Law.

The Franchise Agreement contains a waiver of jury trial provision. This provision may not be enforceable under Minnesota law.

Franchisee consents to the franchisor seeking injunctive relief without the necessity of showing actual or threatened harm. A court shall determine if a bond or other security is required.

The Franchise Agreement contains a liquidated damages provision. This provision may not be enforceable under Minnesota law.

Any action pursuant to Minnesota Statutes, Section 80C.17, Subd. 5 must be commenced no more than 3 years after the cause of action accrues.

Payment of the initial franchise fee is deferred until such time as the franchisor completes its initial obligations and franchisee is open for business.

2. Any capitalized terms that are not defined in this Addendum shall have the meaning given them in the Franchise Agreement.

3. Except as expressly modified by this Addendum, the Franchise Agreement remains unmodified and in full force and effect.

This Addendum is being entered into in connection with the Franchise Agreement. In the event of any conflict between this Addendum and the Franchise Agreement, the terms and conditions of this Addendum shall apply.

Any provision requiring franchisees to consent to the jurisdiction of courts outside North Dakota or to consent to the application of laws of a state other than North Dakota may be unenforceable under North Dakota law. Any mediation or arbitration will be held at a site agreeable to all parties. If the laws of a state other than North Dakota govern, to the extent that such law conflicts with North Dakota law, North Dakota law will control.

Any general release the franchisee is required to assent to as a condition of renewal is not intended to nor shall it act as a release, estoppel or waiver of any liability franchisor may have incurred under the North Dakota Franchise Investment Law.

Covenants not to compete during the term of and upon termination or expiration of the franchise agreement are enforceable only under certain conditions according to North Dakota law. If the Franchise Agreement contains a covenant not to compete that is inconsistent with North Dakota law, the covenant may be unenforceable.

The Franchise Agreement includes a waiver of exemplary and punitive damages. This waiver may not be enforceable under North Dakota law.

The Franchise Agreement stipulates that the franchisee shall pay all costs and expenses incurred by franchisor in enforcing the agreement. For North Dakota franchisees, the prevailing party is entitled to recover all costs and expenses, including attorneys' fees.

The Franchise Agreement requires the franchisee to consent to a waiver of trial by jury. This waiver may not be enforceable under North Dakota law.

The Franchise Disclosure Document and Franchise Agreement state that franchisee must consent to the jurisdiction of courts outside that State of North Dakota. That requirement may not be enforceable under North Dakota law.

The Franchise Disclosure Document and Franchise Agreement may require franchisees to consent to termination or liquidated damages. This requirement may not be enforceable under North Dakota law.

The Franchise Agreement requires the franchisee to consent to a limitation of claims within one year. To the extent this requirement conflicts with North Dakota law, North Dakota law will apply.

Covenants not to compete during the term of and upon termination or expiration of the franchise agreement are enforceable only under certain conditions according to North Dakota law. If the Franchise Agreement contains a covenant not to compete that is inconsistent with North Dakota law, the covenant may be unenforceable.

The choice of law other than the State of North Dakota may not be enforceable under the North Dakota Franchise Investment Law. If the laws of a state other than North Dakota govern, to the extent that such law conflicts with North Dakota law, North Dakota law will control.

The requirement that arbitration be held outside the State of North Dakota may not be enforceable under the North Dakota Franchise Investment Law. Any mediation or arbitration will be held at a site agreeable to all parties.

The requirement that a franchisee consent to termination or liquidated damages has been determined by the Commissioner to be unfair, unjust and inequitable within the intent of the North Dakota Franchise Investment Law. This requirement may not be enforceable under North Dakota law.

The Franchise Agreement states that franchisee must consent to the jurisdiction of courts located outside the State of North Dakota. This requirement may not be enforceable under North Dakota law.

The Franchise Agreement requires the franchisee to consent to a limitation of claims within one year. To the extent this requirement conflicts with North Dakota law, North Dakota law will apply.
