What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit I.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation and/or litigation only in Tennessee. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate or litigate with the franchisor in Tennessee than in your own state.
2. **Spousal Liability.** Your spouse may be asked to sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

MICHIGAN ADDENDUM
BRIDGESTONE BANDAG, LLC
FRANCHISE DISCLOSURE DOCUMENT

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

1. THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

Background on Bandag and its Parents, Predecessors and Affiliates

The franchisor is BRIDGESTONE BANDAG, LLC an Iowa limited liability company, f/k/a Bandag, Incorporated, 200 4th Avenue South, Nashville, Tennessee 37201; (615) 937-1000.

On June 1, 2007, Bandag, Incorporated became Bridgestone Bandag, LLC, a wholly-owned subsidiary of Bridgestone Americas, Inc. (“BSAM”), f/k/a Bridgestone Americas Holding, Inc., as contemplated by the agreement and plan of merger, dated as of December 5, 2006 as amended, by and among Bandag, Incorporated, BSAM and Grip Acquisition Corp. and as of June 1, 2008 it became a direct subsidiary of Bridgestone Americas Tire Operations, LLC (“BATO”) f/k/a Bridgestone Firestone North American Tire, LLC, also a subsidiary of BSAM. Bridgestone Commercial Solutions, a division of BATO, offers certain marketing and support services to Bandag franchisees. The principal business address for both BSAM and BATO is 200 4th Avenue South, Nashville, Tennessee 37201.

Immediately following the merger, also on June 1, 2007, Bandag, Incorporated was converted into an Iowa limited liability company and adopted the name Bridgestone Bandag, LLC. Bridgestone Bandag, LLC does business as Bandag. Bandag’s agents for service of process in states which require registration of franchises are listed in Exhibit I.

Bandag has offered franchises for retreading tires using the Process, as defined below, since 1957. As of December 31, 2021, Bandag had 173 franchised dealerships in the United States and 616 worldwide. Except as discussed below, Bandag and its affiliates have not offered, and do not offer, franchises in any lines of business in the United States.

Our former wholly owned subsidiary Tire Distribution Systems, Inc. was merged into BATO as of December 31, 2009. Tire Distribution Systems, Inc. had operated businesses of the same type conducted by Bandag franchisees since November, 1997. BATO continued to operate the businesses under the d/b/a Tire Distribution Systems (“TDS”) until March 2014. BATO also operated retail locations offering truck tire sales, service and retreading outlets for truck and bus, off-the-road and agricultural tires in the United States under the d/b/a GCR Tire Center. BATO’s first GCR Tire Center operating a Bandag manufacturing location opened in April 1983. In March 2014, BATO combined the operations of both TDS and GCR Tire Centers under the single d/b/a name GCR Tires & Service. As of December 31, 2021, GCR Tires & Service operated 13 Production Facilities and 64 locations offering Bandag products. GCR Tires & Service competes with some Bandag franchisees for certain customer accounts and for certain types of business. GCR Tires & Service may increase or decrease the number of locations it operates, and occasionally may offer to buy certain franchised dealers’ assets and offer to sell locations it operates.

BATO’s principal line of business is the development, manufacturing and marketing of Bridgestone, Firestone and associate and private brand tires. BATO may offer to supply such tires to qualified tire dealers, including Bandag franchisees. BATO is focused on wholesale and original equipment markets supplying passenger, light truck, commercial vehicle, off-road, motorcycle, agricultural and other tires to its customers in the United States. Except as noted above in the discussion regarding GCR Tire Centers, BATO has not operated a Bandag dealership nor has it offered franchises in other lines of business.

Bridgestone Retail Operations, LLC (“BSRO”), f/k/a BFS Retail & Commercial Operations, LLC, including its predecessors, has operated retail tire and automotive service stores, both directly and through various affiliates since 1926. Today, it operates approximately 2,249 company owned stores throughout the United States. BSRO also has a wholly-owned subsidiary known as Credit First National Association (CFNA). CFNA is a federally chartered limited purpose credit card bank. BSRO stores do business under the following trade names: Firestone Complete Auto Care, Tires Plus, Hibdon Tires Plus and Wheel Works. BSRO’s principal business address is 200 4th Avenue S., Nashville, Tennessee 37201.

Except as otherwise described in this Disclosure Document, Bandag has no affiliates which operate businesses of the type conducted by Bandag franchisee, nor offer products or services to Bandag franchisees.

Bandag also offers to Bandag franchisees equipment component hub and rim refurbishing services.

Bandag's affiliate, Bridgestone Bandag Franchising, LLC, absolutely and unconditionally guarantees the performance of our obligations under (a) our franchise registrations that become effective on or after March 20, 2008 in states requiring the registration of the offer and sale of our franchises and (b) our Bandag Dealer Franchise Agreements and related agreements entered into after March 20, 2008. See Item 21 of this Disclosure Document for additional discussion on this guarantee.

The Bandag Franchise

For ease of reference, we refer to the franchisee as "you." If the franchisee is a corporation, partnership or other organization, the references to "you" may include the organization's owners.

Bandag developed a proprietary and distinctive system for a network of full service tire support dealership businesses that purchase rubber, repair patches and other products from Bandag ("Materials") and use the Materials and proprietary Bandag machinery, know-how, tools, and a proprietary cold-bonding retreading process (together, the "Process") to produce retreaded tires in sizes specified by Bandag ("Products") (collectively, the "System"). The System is described in the Bandag Dealer Franchise Agreement ("Franchise Agreement") and Bandag's Franchise System Manual (the "System Manual"). A current Franchise Agreement is included in this Disclosure Document as Exhibit A. Bandag owns various names, trademarks, logos, slogans, and symbols (the "Marks") used in the System.

You will be licensed to operate a Bandag dealership ("Dealership") at a designated location within a designated trade area ("Franchise Territory") using the System and Materials you purchase from Bandag to produce Products which you sell to commercial customers in the Franchise Territory ("Production Facility"). You also will be licensed to sell the Products to commercial customers at one or more sales locations in the Franchise Territory (the "Sales Facility"). Bandag franchisees typically own at least one Production Facility and one or more Sales Facilities. The Franchise Agreement authorizes you to use certain Marks in the operation of the Dealership. You may respond to specific requests from your customers for Bandag products or services at any location, but outside the Franchise Territory to which you are assigned you may not use the Marks to identify any facility and Bandag is not obligated to provide franchisee support services. Bandag franchisees typically operate a full service tire support business directed primarily towards commercial fleet customers. Bandag franchisees usually offer one or more brands of new tires as well as Bandag retreaded tires, and provide maintenance and support services to Bandag customers in one or more Franchise Territories.

Bandag may make changes periodically in the System, the Process, the Marks, authorized Products and authorized ancillary goods and services. You may have to change how you operate, and make additional investments in, the Dealership periodically during the term of the franchise if Bandag makes changes or if the Dealership's equipment or facilities wear out or become obsolete or for other reasons.

Bandag also sells retreading materials, including tread rubber, cushion gum, shoulder extrusion and envelopes for use by customers in producing off-the-road tires with a finished retread diameter greater than 53.5 inches. Effective November 1, 2004, retreading materials for use in producing off-the-road tires in that size range are marketed under the CONTINUUM® brand only, and neither the right to produce off-the-road tires with a finished retread diameter greater than 53.5 inches nor the right to use the CONTINUUM® brand are included in the Bandag franchise. You are prohibited by your Franchise Agreement from using the Process or Materials to produce off-the-road tires with a finished retread diameter greater than 53.5 inches. You are also prohibited from using the Marks with the sale of any off-the-road tires with a finished retread diameter greater than 53.5 inches that you might otherwise produce. See Item 16.

Bandag established and meets regularly, except in extraordinary circumstances, with the Bandag Alliance Council, a board comprised of representatives of Bandag and selected representatives of Bandag franchisees in the United States and Canada. The Bandag Alliance Council advises on issues affecting the Bandag business and network of franchisees in the United States and Canada and assists in developing strategies and tactics for the success of the Bandag System.

Market and Competition

The replacement tire market in which you will operate is highly competitive. You may compete with GCR Tires & Service and with many other national and local dealerships offering competitive goods and services, including independent retread companies, retreading operations of trucking companies, retread operations of stores owned by new tire companies and commercial tire dealers, some of which may be larger, older and/or better financed. Bandag's experience has been that tire support to the trucking industry is tied to the overall performance of the economy and to the level of trucking activity.

Specific Industry Regulation

You must obtain, and at all times during the term of the franchise you must keep in force, all necessary licenses and permits required by public authorities. The Transportation Recall Enhancement, Accountability, and Documentation Act ("TREAD Act"), including the corresponding rules, applies to tire manufacturers, importers of tires and, in certain situations, to retread tire manufacturers. The National Highway Transportation Safety Administration, the federal agency that oversees certain aspects of the tire industry, has proposed and may propose additional rules under the TREAD Act that may affect retread tire manufacturers. There are numerous other federal and state regulations for motor vehicles and components, including tires and wheels, as well as motor vehicle service and repair. You must comply with all of these rules and regulations and should investigate them before deciding whether to purchase a Bandag franchise.

(“Shamrock”), a supplier to some Bandag franchisees, filed this action against Bandag alleging that Bandag (i) unreasonably restrained trade in an alleged market for curing envelopes and certain other accessories used in the Bandag manufacturing process, contrary to § 1 of the Sherman Act (the federal antitrust law) and, (ii) willfully and unlawfully monopolized an alleged market for curing envelopes and certain other accessories used in the Bandag manufacturing process, contrary to § 2 of the Sherman Act. Shamrock asked for an unspecified amount of damages and that the amount awarded be trebled. Shamrock also asked for an award of attorney’s fees and other costs. Bandag denied liability. On March 31, 2010, Bandag filed a motion to dismiss Shamrock’s complaint pursuant to Rule 12(b)(6) of the Federal Rules of Civil Procedure. On March 11, 2011, the Court granted that motion in part, dismissing with prejudice two of Shamrock’s counts against Bandag. The case was settled in August 2012. As part of the settlement, Bandag paid the plaintiff the sum of \$1,000,000.

At your request, Bandag will provide optional supplemental training, recertification training for Certified Retreading Technician status and other retraining for you and/or your key personnel at a mutually convenient time. Bandag also may require periodic retraining of you and any of your managers. If you are in compliance with the Franchise Agreement, Bandag will apply credits you earn under the Bandag Smart Resource Program to cover the costs of this training. (See Item 11 for more information on the Bandag Smart Resource Program) However, if Bandag establishes during a franchise compliance audit that you are in not in compliance with the Franchise Agreement, Bandag may charge you a reasonable fee for training and retraining. As of the date of this Disclosure Document, costs that may be incurred for training expense are estimated at \$500 to \$10,000. The amount of any training or retraining fees may be periodically adjusted by Bandag at its sole discretion, and Bandag reserves the right to impose charges for training and retraining programs for which there is currently no charge. You must pay all travel and living expenses for you and your manager(s) to attend initial and supplemental training.

6. The administrative fee is reimbursement to us for administrative services, e.g., billing, provided to you under the Dealer Subcontract. We may change the amount of the fee periodically, in our sole discretion, but typically not more than once per year.

7. Participation in the QMS ISO9001:2008 Program and BASys information management system programs are optional. See Exhibit D describing the various BASys information management system programs for details.

Total	\$356,500 to \$6,524,200 ^{7,8}			

Notes to Item 7, above:

1. Bandag estimates that you will need at least 1,000 to 10,000 square feet of light industrial/commercial space to operate a Sales Facility, and at least 6,000 to 18,000 square feet of light industrial or commercial space to operate a Production Facility, depending on the size of your operation. Space requirements for Production Facilities increase as production increases. Installation of your Production Facility and/or Sales Facility within facilities you already own or lease usually requires no additional investment in real property. If you do not already own or lease the required space, you are responsible for locating and acquiring the space for your Dealership. The cost to purchase real estate varies widely between locations. You are responsible at your cost for all zoning and land use permitting requirements.

2. Before training begins, you must acquire and install at the Production Facility equipment and machinery used in the Process in accordance with Bandag standards and specifications and establish a Sales Facility. Sales Facilities typically are located on the same premises as the Production Facility. Bandag estimates that the total cost to purchase these items is approximately \$83,500 to \$1,873,000, depending on the size of your operation. The low end of the range addresses the rare situation where an existing Bandag franchisee may be granted a franchise for another Franchise Territory, but is allowed to service that Franchise Territory from its existing Production Facility. In this case, the franchisee's initial investment could be limited to establishing a Sales Facility in the new Franchise Territory.

This estimate includes shipping charges, which may range from \$10,000 to \$32,000, depending on the amount of equipment needed for the size of your Dealership operation. The estimate also includes your cost to hire a contractor to install equipment and machinery. The contractor must follow lay-outs and designs provided by

Bandag to install all equipment and machinery. A representative of Bandag will assist the contractor before and during installation of the equipment for use in the Dealership at no extra charge to you.

3. Optional programs for which the purchase of additional equipment and/or training will be necessary include (i) QMS/ISO (up to \$10,000 per franchised location), and (ii) BASys Suite of Products (between \$1,500 and \$4,555 per franchised location; retread operation with multiple Production Facilities, multiple points-of-sale, numerous outside field services, commercial sales, pick-up drivers and service technicians using the BASys Suite of Products).

4. See Item 8 for a description of your requirements to purchase certain items from Bandag.

5. You must provide required levels of insurance including motor liability and commercial general liability in a minimum amount of \$2,000,000 combined single limit coverage (subject to increase) for bodily injury and property damage, and maintain other insurance required by law, and by your lease or mortgage. If you do not already carry acceptable coverage, initial premiums for the required commercial general liability insurance and motor vehicle liability insurance are estimated to be approximately \$125,000 to \$600,000 per year (with an estimated average of \$190,000). The cost of commercial general liability insurance and motor vehicle liability insurance varies significantly, depending on other business activities conducted at the location of your Dealership which may be covered under the same insurance policy and on other factors (like gross revenues, types of risk and number of locations covered under a policy). The cost of other coverages, including your discretionary purchases, varies widely.

6. This estimates your expenses, including labor costs, travel and living expenses for training, restocking and refinishing costs, in-house accounts receivable financing, warranty program expenses, quality control expenses, and other operating expenses over an arbitrary initial start-up period of three months. These figures are estimates only based on our experience and Bandag does not guarantee that you will not have additional expenses starting the business. Other costs and fees are described in Item 6.

7. Your estimated total initial investment does not include the cost of real estate. See Note 1, above. The initial fees represent actual amounts; we have estimated all other amounts based on our experience. The low estimate is the lowest for each category.

8. Amounts paid to Bandag generally are nonrefundable. We do not offer financing directly or indirectly for any part of the initial investment. See Item 10.

8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must purchase your entire requirements of Materials and you must purchase all of your tire retreading equipment and machinery used in connection with tire and casing inspection, buffing, skiving, cementing and filling, repairing, extruding, building, curing, and moving tires around your shop from Bandag. Bandag will set and periodically may change prices for Materials and for machinery and equipment sold to franchisees. Bandag also will establish and periodically may change credit availability, credit limits, and credit and other payment terms for your Dealership. Bandag also offers franchisees equipment component hub, rim refurbishing services, manufacturing, inventory control, supply chain optimization, fleet management software and related services to Bandag franchisees.

Bandag expects to derive revenue and profit from their sales of Materials and tire retreading equipment and machinery to franchisees. In the year ended December 31, 2021, Bandag's domestic revenues from required purchases were \$454,367,680, or approximately 100% of its total domestic revenues of \$454,367,680 during that period. Bandag estimates that your cost for required purchases will account for approximately 35% to 70% of your total cost to establish your Dealership (approximately 10% to 20% for Materials, and approximately 25% to 50% for equipment and machinery), and approximately 43% to 61% of your total cost to operate your Dealership on an ongoing basis (approximately 41% to 57% for Materials, and approximately 2% to 4% for equipment and machinery). This information is based on Bandag's internal, consolidated accounting records. None of our officers owns an interest in any supplier designated by Bandag.

The Franchise Agreement also requires you to purchase or lease other supplies, fixtures, equipment and certain inventory used in the Dealership that meet standards and specifications required periodically by Bandag. In the absence of a requirement to purchase or obtain products or services from a designated source of supply, you may obtain authorized goods and services from any available source of supply.

We may negotiate purchase arrangements (including price terms) with suppliers for your benefit, but currently do not do so. We do not provide material benefits (e.g., renewal or additional franchises) to you based on use of designated or accepted suppliers. There are no franchisee purchasing or distribution cooperatives.

Before initial training is scheduled to begin, you must provide a Production Facility and Sales Facility that are equipped and furnished in accordance with Bandag’s standards and specifications. Your Dealership may produce and sell only Products and other goods and services, and be identified only by Marks Bandag authorizes, except that you may select whatever line(s) of new tires you wish to offer. You may use and reproduce the Marks only in the manner, color, forms and media we prescribe, and only in association with Products and services Bandag authorizes periodically. You must conform to Bandag’s Logo and Trademark Usage Requirements and Policy, located in the System Manual.

You must use only Materials and ancillary items that Bandag designates by brand or by specification, and offer only Products Bandag designates. You must produce, store, handle, merchandise, package, display and sell Products in accordance with the System Manual. You may not dispose of Bandag equipment or Materials in any way other than as required periodically in the System Manual. You must cooperate with any recall Bandag may make of Products or other items.

Standards and specifications for establishing and operating the Dealership also are described in the System Manual, and the Franchise Agreement requires you to operate the Dealership in accordance with the requirements of the System Manual as revised periodically by Bandag.

Although Bandag establishes standards and specifications for the goods and services that go into the establishment and operation of your Dealership, and periodically may seek certain supply commitments for the benefit of the System from various suppliers, except as provided in the following paragraph, Bandag currently does not approve or disapprove suppliers (as distinguished from the goods or services they supply) and therefore currently maintains no criteria for approving suppliers or communicating approval or revocation of approval of suppliers to franchisees. Bandag may establish that criteria in the future.

You may be directed to vendors able to supply portions of your requirements for certain items used in the ongoing operation of the Dealership. Bandag currently does not receive any payments or other consideration from third party suppliers based on purchases by franchisees from such suppliers, but Bandag reserves the right to receive payments or other consideration in the future. Bandag does not guarantee the availability of independent sources of supply for any particular product or service required to establish or operate a Dealership.

11. FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, Bandag is not obligated to provide any assistance to you.

a. Before you open your Dealership, Bandag will provide you the services described below.

i. Bandag will provide education in the major aspects of establishing and operating your Dealership. (Franchise Agreement, Sections 3.4 and 5.3.) Certified Retread Technician Training is offered throughout the year. Other training is available on an as needed basis, e.g., in connection with installation of certain equipment. Bridgestone Commercial Training Group will coordinate the training programs at the BCS Education Center in LaVergne, Tennessee, and online training on Bridgestone and Firestone Education Network. The programs consist of elearning, videos, instructor led courses, mentoring materials for Retread Plant Management, and other written and visual training materials. Technical Services Group will coordinate field training.

Before your Dealership begins production, all plant personnel of each Retread Facility, must successfully complete all mandatory training programs to the satisfaction of Bridgestone Commercial Solutions. The training must be completed prior to opening of your Production Facility for business. In most cases, the training will be completed at least one week prior to opening. The exact training time may vary, and must follow installation of the equipment upon which plant personnel will be trained. You must undergo training to become a Certified Retread Technician. A Certified Retreading Technician must be available at all times while your Dealership is in production. All repair technicians must successfully complete Certified Repair Training. No separate fee is charged for initial training assistance. The dealer franchisee is responsible for any travel related expenses such as room and board expenses. Bandag will not pay you during training.

iv. Bandag will deliver and assist with installation of equipment purchased from Bandag (Franchise Agreement, Section 5.1).

v. A representative of Bandag will assist a contractor before and during installation of equipment (including fixtures, furnishings and signage purchased or leased by approved suppliers, as described in Item 7 and 8) for use in the Dealership at no extra charge to you.

b. During the operation of your Dealership, Bandag will provide you the services described below.

i. Bandag will use its commercially reasonable best efforts to keep the Process up-to-date and competitive, to support the System in cooperation with franchisees through research, marketing, advanced training, communication and participation in the Bandag Alliance Council (see below), and to act fairly in its dealings with its franchisees. (Franchise Agreement, Section 5.1);

ii. At your request, Bandag will provide optional supplemental training, including recertification training for Certified Retreading Technician status for you and/or your key personnel. Bandag also may in its reasonable discretion require periodic retraining of you and any of your managers. (Franchise Agreement, Section 5.3.) The length of supplemental training, recertification training or other retraining varies, depending on the subject matter. Bandag may charge you a fee for supplemental training, recertification training or other retraining, not to exceed \$500 per person. You must pay all travel, living and incidental expenses for you and your employees to attend supplemental training or retraining. See Item 7. Bandag will not pay you or your employees during supplemental training or retraining.

iii. Bandag may offer your Dealership the opportunity to participate in the following programs or others it may add periodically (participation in these programs is not required; these programs are subject to change and cancellation by Bandag):

Bandag National Account Program (“National Account Program”). A copy of the current National Account Program Description is attached as Exhibit E. As part of the National Account Program, BATO contracts with fleet operators to provide tire retreading and tire repair service. With the consent of these fleet operators, Bandag and BATO subcontract with qualifying franchisees to provide these services in their Franchise Territory. Bandag

allows qualifying franchisees to subcontract with Bandag to provide retreading, related support services, and certain other tire management services. The current form of Bandag Dealer Subcontract (“Dealer Subcontract”) is attached to this Disclosure Document at Exhibit F.

BASys Suite. BASys suite of independent, seamlessly interfaced modules that not only work together, but with other franchisee management software packages to create a complete, fully functional information management system for tire dealers. This modular approach gives you the flexibility to customize the system to your unique business situation by using only those modules that meet your specific needs today, and then add additional modules in the future as your business evolves and your needs change. BASys modules offer all the tools and functionality you need to manage multiple aspects of your business. See Exhibit D to this Disclosure Document for a copy of a BASys Product Program Request Form and Master Agreement for BASys Suite of Products.

Quality Management System/ISO Program (“QMS/ISO Program”). ISO 9001 is an internationally recognized organization of standards containing requirements for establishing and maintaining a company’s quality management system. Bandag’s quality management system is registered to ISO 9001:2008 standards. Bandag offers this optional program to its franchisees for a fee. Bandag can provide contact information for third party implementation specialists, upon request, ISO certification. The franchisee must continually maintain and improve its management system to maintain ISO certification. Bandag Q-Fund. Bandag currently offers qualified franchisees the opportunity to participate in the Q-Fund designed to promote the use of ancillary products sold and approved by Bandag. Under this program Bandag may accrue a pre-established credit amount for each pound of qualifying tread rubber purchased by an authorized and participating Bandag franchisee. The credit amount is US\$0.05 per/lb. for U.S. franchisees as of April 1, 2016. Q-Fund credits will be accrued in the franchisee’s Q-Fund account on a monthly basis and will be reported as a separate item on franchisee’s monthly Bandag Smart Resource statement. Q-Fund credits are available for use once they are posted to the franchisee’s Q-Fund account. Q-Fund credits are the property of Bandag until that time, if any, as Q-Fund credits are applied by Bandag to reimburse a franchisee for the purchase of a qualified product. All unclaimed Q-Fund credits will expire 18 months after they are accrued, unless the Q-Fund Program is earlier cancelled or the franchisee’s franchise agreement with Bandag is earlier terminated or expires. Accrued Q-Fund Credits are non-refundable and non-transferable and are forfeited upon expiration or termination of the franchise. Bandag reserves the right to change, amend or cancel the Q-Fund Program, in its sole discretion, at any time.

Bandag Smart Resource Program. Bandag currently offers franchisees the Bandag Smart Resource Program under which a pre-established dollar amount (between US\$0.15 and US\$0.18 per/lb. for U.S. franchisees as of March 1, 2017 for most tread sizes and designs) is credited to franchisees for each pound of qualified tread rubber the franchisee purchases. Tread sizes and designs that are being phased out of the Bandag product line are typically subject to reduced Bandag Smart Resource Program credits or no Bandag Smart Resource Program credits at all. Bandag may change or eliminate the per pound credit, or modify or discontinue the Bandag Smart Resource Program, at any time in its sole discretion. You may use your Bandag Smart Resource Program credits (if any) in a manner solely authorized by Bandag, e.g., as a credit against future purchases of specified equipment from Bandag or improvements that enhance the value of your Dealership. Bandag also may authorize you to use Bandag Smart Resource Program credits for local advertising and promotion of Bandag products and services. Bandag will release your Bandag Smart Resource Program credits (if any) for use in purchasing BASys products technology (IT systems and products) sold by Bandag. Additionally, Bandag Smart Resource Program credits can be used for qualified third party products for BASys POS (point of sale). Those products include BASys Manufacturing for retread

plant management and BASys Fleet Analyzer for account acquisition and penetration. Accrued Bandag Smart Resource Program balances are non-refundable and non-transferable and are forfeited upon expiration or termination of the franchise. Bandag provides franchisees monthly statements showing Bandag Smart Resource Program debits, credits and month-end balance.

The costs for participating in these programs, depending upon the program(s) selected, will range from \$2,500 to \$125,000. In addition to the programs described above, Bandag periodically may offer special programs to some or all Bandag franchisees (in its sole discretion), based on criteria established solely by Bandag.

iv. Bandag will use its commercially reasonable best efforts to hire capable sales and technical support personnel, set appropriate performance expectations, and provide them with training and necessary resources and tools, so they can assist and support Bandag franchisees. Bandag will advise you on the management of your Dealership, including the proper display of the Marks; procurement, maintenance and operation of equipment; Product production; customer service; advertising, sales and local marketing; and cost control techniques. (Franchise Agreement, Section 5.4.)

v. Bandag has established and will work with the Bandag Alliance Council, comprised of representatives of Bandag and selected representatives of Bandag franchisees in the United States and Canada. The Bandag Alliance Council advises Bandag on issues affecting the Bandag business and network of franchisees in the United States and Canada, and assists in developing strategies and tactics for the success of the Bandag System. The Bandag Alliance Council serves as a forum for sharing and acting upon concerns of the Bandag Alliance. The operating guidelines of the Bandag Alliance Council are described in the System Manual. (Franchise Agreement, Section 5.5.)

vi. Bandag will make available to you all additional services, facilities, rights and privileges regarding the operation of your Dealership which Bandag makes available periodically to franchisees. (Franchise Agreement, Section 5.6.)

vii. You are not required to participate in or contribute to a Bandag System marketing or sales promotion program or advertising cooperative. You may develop advertising materials for your own use, at your own expense, subject to Bandag's consent to the materials and media (including print, audio, video and computer-transmitted), in writing before you use them. (See Franchise Agreement, Sections 7.4 and 7.5.) Bandag has no advertising council composed of franchisees. Bandag has no contractual obligation to conduct advertising in your Franchise Territory or any other Franchise Territory.

viii. You are not required to buy or use any particular electronic cash registers or computer system. If you participate in the National Account Program, you may (but are not required) use the Bridgestone Firestone Dealer Input Program (the BFDI Program) or a manual system for credit and billing matters. Bandag does not charge the franchisee for a copy of the BFDI Program. Bandag will have independent access to the information generated and stored on the BFDI Program.

c. The typical length of time between the signing of the Franchise Agreement and the opening of a franchisee's business is approximately 90 days. The site for the location of your business is selected by you. Bandag does not provide site location assistance services. Bandag must approve your proposed site, including the surrounding area, before you are provided a Franchise Agreement for signature or pay any consideration to Bandag. Approval of your proposed site is in Bandag's sole discretion. Bandag may take into account the age and size of the premises, its accessibility to major traffic arteries, competition, local economic conditions, as well as other factors applicable in any particular situation.

12. TERRITORY

The Franchise Agreement authorizes you to establish and operate a Production Facility and Sales Facility at a designated location within an Franchise Territory. Typically, the minimum Franchise Territory is one county, but it may include more than one county. It is normally specified by county name or, if necessary, county names.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we or our affiliates control. Bandag is not prohibited from engaging in alternative distribution methods, including through the Internet, within your Franchise Territory, including under the Marks or different trademarks. You will not be compensated by Bandag or any other party if there are any competitive solicitations or sales in your Franchise Territory.

You may respond to specific requests from your customers for Bandag products or services at any location using available and appropriate distribution channels, but outside the Franchise Territory to which you are assigned you may not use the Marks to identify any facility and Bandag is not obligated to provide franchisee support services. This restriction on use of the Marks outside your Franchise Territory to identify any facility limits the channels of distribution that you may use to market Bandag products and services outside your Franchise Territory. Your rights to operate within or outside the Franchise Territory are not conditioned on your achieving a minimum required sales volume, but the Franchise Agreement requires you to use your best efforts to provide adequate sales and service coverage, and manufacturing capacity, as required in the System Manual. As noted in Item 1 of this Disclosure Document, Bandag and its affiliates are engaged in various business activities, including various tire and retreading businesses, and reserve the right to establish, own, license and operate these businesses and other businesses at any location using Bandag's principal trademarks or under trademarks different from the ones that you will use under the franchise agreement. These businesses and activities may have some competitive impact on some Bandag Dealerships.

You may relocate a Production Facility, only with Bandag's written consent, to a suitable site within the Franchise Territory that does not, in Bandag's opinion, infringe upon another Bandag business. The replacement Production Facility must open within 10 days after the prior Production Facility closes, and must conform to all requirements of the Franchise Agreement and to then-current System standards.

No agreements limit Bandag's right to use or license others to use the Principal Trademarks or Bandag's right to use and sublicense others to use the trademarks in any manner relevant to this offering. Bandag knows of no superior prior rights or infringing uses that could materially affect your use of the Principal Trademarks.

You must use the Principal Trademarks and any of Bandag's other trademarks only in the manner set forth in the Franchise Agreement and Bandag's Logo and Trademark Usage Requirements and Policy section of the System Manual, and as specified periodically by Bandag. Bandag's Terms and Conditions of Sale provide that Bandag will, at its own expense, defend any suits that may be instituted by anyone against you for alleged infringement of any United States trademark regarding any products manufactured and furnished by Bandag, if the alleged infringement consists of the use of the products, or parts of the products, in your business, and if you have made all payments then due Bandag. Additionally, you must give Bandag immediate written notice of any suit, transmit immediately to Bandag all processes and other documents served upon you and permit Bandag's counsel, in the name of either you or Bandag, to defend the suit. Bandag owns other patents and also may be granted or acquire other patents periodically. Your suggestions, modifications or additions to this intellectual property (if any) belong to Bandag. Any intellectual property originating from or suggested as a result of your or your employees' or agents' access to Bandag's Process, Products, System or documentation are automatically assigned to, and are the property of, Bandag.

Bandag considers its proprietary System "know-how," the quality of its Products, the service afforded to its customers, and effective marketing, in addition to its patent protection, to be dominant factors in determining the level of success of any Bandag business.

Except as described above, there is no agreement currently in effect which limits Bandag's right to use or license the patents in a manner material to the franchise. There are no currently effective adverse determinations of the U.S. Patent and Trademark Office, or any pending material litigation, regarding the licensed U.S. patents. Bandag is not aware of any material infringement of these U.S. patents.

Bandag will loan you one copy of the Bandag System Manual. Although Bandag has not applied for federal copyright registration of the System Manual or its components, the information in the entire System Manual is proprietary and Bandag owns the copyright in the entire System Manual, and in various advertising and sales promotion materials used in the Bandag System and in your Dealership. All proprietary information and materials furnished to you by Bandag are the property of Bandag and include confidential information which you may not disclose or use other than to operate your Dealership in accordance with the Franchise Agreement.

Bandag's Terms and Conditions of Sale provide that Bandag will, at its own expense, defend any suits that may be instituted by anyone against you for alleged infringement of any United States patent or copyright regarding any products manufactured and furnished by Bandag (Bandag Products), if the alleged infringement consists of the use of the Bandag Products, or parts of the Bandag Products, in your business, and if you have made all payments then due Bandag. Additionally, you must give Bandag immediate written notice of any suit, transmit immediately to Bandag all processes and other documents served upon you and permit Bandag's counsel, in the name of either you or Bandag, to defend the suit. You must provide Bandag all needed information, assistance and authority necessary to defend the suit.

15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You, or your designated Dealership manager, must devote your, or his or her, best efforts and personal full time and attention to the management of your Dealership. If your Dealership is operated by a manager, the manager must successfully complete Bandag's training program.

If you are a corporation, partnership or limited liability company, Bandag may require that one or more shareholders of the corporation, partners in the partnership or members of the limited liability company, as well as their respective spouses, personally guarantee prompt payment and performance of all debts, obligations and liabilities to Bandag, whether arising under the Franchise Agreement or otherwise. See the form of Individual Guaranty attached to this Disclosure Document as Annex A (Exhibit C-1) to the Security Agreement (Exhibit C). Bandag may permit or require a comparable business entity guaranty from an affiliated corporation in lieu of, or in addition to, the Individual Guaranty. We manufacture tread, equipment, and other materials that our Dealers use in our proprietary process to manufacture retreaded tires for sale. We also provide proprietary business process consulting related to the commercial tire business and contract directly with fleet customers who desire access to Bandag products and services. We identify customers and invest in technical, marketing, and sales research for our franchisees. We also advertise Bandag products and services on behalf of the Bandag Alliance. These are some of the investments that create demand for Bandag products and services and that foster our franchisees’ ability to compete with other retreading systems. Our Dealers provide wheel and tire products and services to commercial customers using one or more lines of new tires as well as Bandag retreaded tires and related products and services.

This Agreement establishes and governs the relationship between us, as franchisor and supplier of proprietary materials, equipment and services, and you, as a franchised Bandag Dealer.

To make this Agreement shorter and easier to understand, certain terms which are capitalized in this Agreement are defined in a glossary at the end of the Agreement.

2. FRANCHISE RELATIONSHIP

- 2.1 Bandag Dealership Business. You wish to establish and operate, or continue to operate if this Agreement is being signed in connection with renewal of your franchise, a Bandag Dealership, using the Bandag System and the Licensed Marks, in one or more trade areas defined in Exhibit A (the “Franchise Territory”). You commit to meet or exceed Performance Expectations as outlined in the Manual, provide sales and service coverage and manufacturing capability to support these efforts, and fulfill all Dealer obligations as set forth in this Agreement. This may include an obligation to support and service our fleet customers according to this Agreement and the terms of any other agreement between us relating to a fleet.
- 2.2 Mutual Commitment. This Agreement imposes responsibilities on both parties to do their best to promote and strengthen the Bandag System and brand. We will support and assist the Bandag System; you will continue to invest in your Dealership and remain committed to the Bandag System; and you and we commit to a high degree of mutual cooperation toward Bandag System objectives.

3. GRANT AND ACCEPTANCE OF FRANCHISE

- 3.1 Franchise and Territory. We grant you a non-exclusive franchise to use the Bandag System and the Licensed Marks to operate a Dealership, at a location to which we consent within the Franchise Territory, which (i) sells Products to commercial and fleet

customers in the Franchise Territory (“Sales Facility”), and (ii) where designated in Exhibit B, uses the Bandag System and Materials you purchase from us to produce Products which you sell to commercial and fleet customers in the Franchise Territory (“Production Facility”). Under this Agreement, you may use certain patents we or our Affiliates or subsidiaries own, and periodically designate (entirely or by individual claim) as part of the Bandag System, but you may use them only to use the Bandag System to operate your Dealership under this Agreement, and only for so long as this Agreement remains in effect and the designated patent(s) both remain in effect and are designated by us as part of the Bandag System. The rights granted to you are subject to the following terms and conditions:

- (a) You may respond to specific requests from your customers for Bandag products or services at any location, but outside the Franchise Territory, to which you are assigned, you may not use the Marks to identify any facility and we are not obligated to provide Dealer support services. Franchise Territories are not exclusive territories, may overlap one another, and do not preclude us from establishing or relocating any Dealership facility in or into a Franchise Territory.
- (b) You may produce Products only at the Production Facility (or Facilities) listed on Exhibit B.
- (c) You may relocate a Production Facility only with our written consent, to a suitable site within the Franchise Territory that does not in our opinion infringe upon another Bandag business. The replacement Production Facility must open within 10 days after the prior Production Facility closes, and must conform to all requirements of this Agreement and to then current Bandag System standards.
- (d) You agree to communicate promptly to us each improvement to the Bandag Process, Bandag Method, or Bandag Products that you conceive or develop, and transfer to us, without remuneration, record ownership of all right, title and interest to the improvement and all associated intellectual property rights.
- (e) We will license you to use in your Dealership, any improvements in the Bandag System that we choose to license to the Bandag System, generally.
- (f) We reserve all rights not expressly granted to you in this Agreement.

3.2 Term. This Agreement is for five years, beginning on the Effective Date and expiring at midnight Central Time (U.S. and Canada) on the fifth anniversary of the Effective Date (the “Term”).

3.3 Renewal. The franchise will be automatically renewed for a 5 year term unless you or we give the other party written notice of an election not to renew the franchise at least 6 months prior to the end of the Term. Renewal of the franchise shall be effected by the execution by the parties of our then current form of franchise agreement (which may differ from this Agreement) and the payment of a renewal fee to us in the amount of \$1,000.00. We may condition any renewal of the franchise on your agreement to renovate and upgrade your Dealership (including all Production Facilities and Sales Facilities) to meet our then current standards for the operation of a Bandag Dealership.

At the request of either party, the parties agree to meet on or about 12 months prior to the end of the Term to discuss renewal of this Agreement. If either of us elect not to renew the franchise, we may take any actions we deem appropriate prior to expiration to replace your Dealership or you as a Dealer. If either of us elect not to renew the franchise, we may take actions we deem appropriate to prepare for any necessary transition, but you will remain a Dealer in good standing through the term of your Franchise Agreement unless we mutually agree to terminate at an earlier date.

- 3.4 Initial or Renewal Fee. You agree to pay us upon execution of this Agreement an initial franchise fee of \$2,500.00 if you are purchasing a new franchise or \$1,000 in the event this Agreement is being signed in connection with your renewal of the franchise. Neither the initial franchise fee nor the renewal fee is refundable under any circumstances.
- 3.5 Training. If you are acquiring a new franchise, you or your manager must complete our initial training program to our satisfaction. Each manager of each Production Facility and Sales Facility you operate must successfully complete all required training programs listed in the Manual or otherwise prescribed by us.
- 3.6 Acknowledgments. You acknowledge and agree that:
- (a) Your Dealership includes a combination of all or some sales, service and manufacturing opportunities, and of the Bandag System, that in our opinion best suits the Franchise Territory and the commercial fleet needs therein.
 - (b) We may establish, and periodically modify, one or more categories of Dealers, with different features and benefits based on specified types and levels of Dealer investment and performance.
 - (c) Your Dealership will use only those elements of the Bandag System, produce and sell only those Products, and be identified by and use only those Marks, which we authorize periodically.
 - (d) We developed the Bandag System at considerable expense and investment. Your disclosure or unauthorized or improper use of all or any part of the Bandag System or of our trade secrets or proprietary or Confidential Information would cause us and other Bandag Dealers irreparable harm, and you will not engage in such practices.
 - (e) Dealer Performance and Dealership Standards, as prescribed in Sections 6 and 7 of this Agreement, are vital to the success and integrity of the Bandag System and the Bandag Alliance, and you will conform strictly to these requirements.
 - (f) You will not directly or indirectly sublicense, delegate or transfer any of the rights licensed by this Agreement, except in accordance with Section 8.
 - (g) We and our Affiliates and licensees may conduct various business activities including various tire and retreading businesses. You may be subject to competitive impact from these and other activities.

- (h) Other Bandag Dealers operate under forms of agreement which may differ materially from this one and that standards for these Dealerships may vary from those required of you.

3.7 Acceptance. You represent that you have fully and truthfully completed our franchise application. You accept this Agreement and agree to begin operating your Dealership hereunder within 90 days, unless we agree in writing to an extension. If you (or your designated manager) fail to complete our initial training program to our satisfaction, or to begin operating your Dealership on time, you will thereby voluntarily cancel this Agreement. You agree to operate your Dealership in accordance with the Bandag System, this Agreement, and the Manual at all times.

4. FRANCHISE MANAGEMENT AND EQUITY

4.1 Dealership Management. You, or your qualified manager, must manage the day-to-day operations of your Dealership on a continuous, full-time basis.

4.2 Business Equity. We recognize that you are an independent business owner with a desire to build, protect, and pass on business equity. Although we will use our commercially reasonable best efforts to support you in accordance with this Agreement (see Section 5.1), you are ultimately responsible for your performance and for building equity in your Dealership business.

5. BANDAG SUPPORT SERVICES

5.1 Best Efforts. We will use our commercially reasonable best efforts to keep the Process up-to-date and competitive, to support the Bandag System in cooperation with Dealers through research, marketing, advanced training, communication and participation in the Bandag Alliance Council (see Section 5.5), and to act fairly in our dealings with our Dealers. - 5.3 Training. We will develop and deliver quality training to support Dealers in using Bandag equipment, and PSIP, as follows:

 - (b) At your request, we may provide optional supplemental training for you and/or your key personnel at a mutually convenient time and location.
 - (c) We may, at our reasonable discretion, require periodic retraining of you and any of your managers.
 - (d) We may charge you a reasonable fee for training.
- 5.4 Sales and Technical Support. We will use our commercially reasonable best efforts to hire capable sales and technical support personnel, set appropriate performance expectations, and provide them with training and necessary resources and tools, so they can assist and support Bandag Dealers. We will advise you on the management of your Dealership, including the proper display of the Marks; procurement, maintenance, and operation of equipment; Product production; customer service; advertising, sales and local marketing; and cost control techniques.
- 5.5 Bandag Alliance Council. We have established and work with the Bandag Alliance Council, comprised of representatives of Bandag and selected representatives of Bandag Dealers in the United States and Canada. The Bandag Alliance Council, whose members change periodically according to its By-laws, advises us on issues affecting the Bandag business and the network of Dealers in the United States and Canada, and assists in developing strategies and tactics for the success of the Bandag System. The Bandag Alliance Council serves as a forum for sharing and acting upon concerns of the Bandag Alliance. The operating guidelines of the Bandag Alliance Council are described in the Manual.
- 5.6 Additional Support. We may make available to you any additional services, facilities, marketing resources, rights and privileges relating to the operation of your Dealership which we make available periodically to Dealers in the type of Dealership you currently operate. You understand that certain of these services, facilities and marketing resources may only be made available to Bandag Dealers who have signed our current form of dealer franchise agreement with the operational requirements set forth therein.

You will use your best efforts to:
- (a) Promote and increase the sales of PSIP in the Franchise Territory;

- (b) Achieve and maintain strategic, operational, and financial health through active participation in the Dealer Development Process as defined in this Agreement and described in the Manual; and

6.2 Confidentiality. During and after the Term, neither you nor your employees or agents shall disclose to a third party or the public or use, except to operate the Dealership, any Confidential Information or proprietary information, or trade secret, which we own or disclose to you, or which relates to the Bandag System, the Products or Bandag's business. This includes the entire contents of the Manual and the Agreement. You shall inform your employees and anyone permitted access to Confidential Information of their obligations under this Agreement, and shall take such steps as may be reasonable under the circumstances to prevent any unauthorized disclosure, copying or use of Confidential Information.

6.3 Conflicts of Interest. During the Term, neither you nor any other person referred to in the third paragraph below in this Section 6.3 shall directly or indirectly: (a) purchase, use, produce, sell or supply retread products that compete with Bandag retreads or the Process or System; (b) have any ownership or other interest in, or provide support to, any business that competes with the Process or produces or supplies products that compete with Bandag Retreads, except with our prior written consent. This restriction applies everywhere in the United States, Mexico and Canada. You agree that your compliance with this Section 6.3 will not prevent you from earning a living in other pursuits for which you are qualified, including other aspects of the commercial tire business. You further agree that the covenants contained in this Section 6.3 are reasonable and benefit you and other Bandag Dealers and the Bandag System, as well as us, and you understand that your agreement to these covenants is an important consideration for our entering into this Agreement. You waive any restrictions on our ability to hold you to these obligations.

It is your responsibility to demonstrate your compliance with this Section 6.3. This Section 6.3 also applies to guarantors of this Agreement, your spouse and children who are stakeholders in your Dealership, and if Dealer is a corporation or other entity, your officers, directors, LLC governors, employees, partners, and each controlling person or Owner. For purposes of this Section, "controlling person" means a person or entity who owns 5% or more of the stock, assets or shares of the corporation or other entity.

Notwithstanding your obligations under this Section 6.3, you will be permitted to:

- i. Perform certain services on competitive retread products for national fleet accounts with consent from Bandag. For purposes of this Section 6.3, permitted services shall include repairs, mounting and dismounting products, removal/installation of tire wheel assemblies, balancing, air pressure maintenance, rotation, and fleet inspections. Subject to Section 9.3, all disputes or claims arising out of or related to this Agreement and/or to the parties' relationship pursuant to this Agreement shall be resolved in accordance with the process described in this Section 9.

- 9.1 Notice and Mediation. Each party must first give the other notice, in writing, of any dispute or claim, before taking any steps to litigate a dispute or claim under this Agreement or involving relationship of the parties. The written notice shall specify, to the fullest extent possible, the notifying party's version of the facts and any legal points relevant to the dispute or claim. The written notice shall be sent, by facsimile transmission or express mail, no later than ninety (90) days after the dispute or claim arises. The parties shall then use their mutual best efforts to resolve the dispute or claim

amicably. The mediation shall be conducted under the auspices of the American Arbitration Association (AAA) by a mediator selected from a panel of mediators or another mediator who is mutually agreeable to the parties. The parties will share the cost of the mediation equally. Any and all discussions, negotiations, findings or other statements by the mediator and/or the parties in connection with the mediation, whether oral or written, shall be privileged and confidential and shall not be admissible in evidence in any litigation. If the parties do not resolve the dispute or claim by mediation within ninety (90) days after notification, the party asserting the dispute or claim shall proceed in accordance with the remaining process described in the balance of this Section 9. COMPLIANCE WITH THE REQUIREMENTS OF THIS SECTION 9.1 IS A PREREQUISITE TO ASSERTING ANY DISPUTE OR CLAIM IN LITIGATION. FAILURE TO COMPLY WILL CONSTITUTE A WAIVER OF THE DISPUTE OR CLAIM AND AN ABSOLUTE BAR TO ASSERTING THE DISPUTE OR CLAIM IN LITIGATION. This paragraph does not apply to any disputes arising out of past due amounts you owe to Bandag.

- 9.2 Venue and Jurisdiction. Any action by you against us arising out of or relating to this Agreement shall be brought in the Federal District Court for the Middle District of Tennessee. Any action by us against you arising out of or relating to this Agreement shall be brought in the Federal District Court in the state where your principal place of business is located. We both agree to the jurisdiction and venue of such courts. The prevailing party in any shall be entitled to recover its costs of the proceeding, including its reasonable attorneys' fees.
- 9.3 Injunctive Relief. Your breach of this Agreement could cause irreparable damage to us or to other Bandag Dealers. Therefore, upon a breach or threatened breach of any of the terms of this Agreement, we are entitled to an immediate injunction restraining such breach and/or a decree of specific performance, pending adjudication, without bond, or having to show or prove any actual or irreparable harm or damage, and without regard to the availability of an adequate remedy at law. You agree that preservation of the integrity of the Bandag System and network of Bandag Dealers is a compelling business interest of ours that justifies injunctive relief on that basis.

9.4 WAIVER OF JURY TRIAL.

EACH PARTY HEREBY WAIVES, WITHOUT LIMITATION, ANY RIGHT IT MIGHT OTHERWISE HAVE TO TRIAL BY JURY ON ANY AND ALL CLAIMS ASSERTED AGAINST THE OTHER. EACH PARTY ACKNOWLEDGES THAT IT HAS HAD A FULL OPPORTUNITY TO CONSULT WITH COUNSEL CONCERNING THIS WAIVER, AND THAT THIS WAIVER IS INFORMED, VOLUNTARY, INTENTIONAL, AND NOT THE RESULT OF UNEQUAL BARGAINING POWER.

9.5 LIMITATION OF REMEDIES.

(A) EACH PARTY HEREBY WAIVES, WITHOUT LIMITATION, ANY RIGHT IT MIGHT OTHERWISE HAVE TO ASSERT A CLAIM FOR AND/OR TO RECOVER PUNITIVE, MULTIPLE OR EXEMPLARY DAMAGES FROM THE OTHER.

(B) EACH PARTY HEREBY WAIVES, WITHOUT LIMITATION, ANY RIGHT IT MIGHT OTHERWISE HAVE TO ASSERT A CLAIM FOR AND/OR TO RECOVER CONSEQUENTIAL, INCIDENTAL AND CONTINGENT DAMAGES FROM THE OTHER.

(C) ANY ACTION PURSUANT TO SECTION 9.2 OR 9.3 MUST BE FILED WITHIN ONE (1) YEAR FROM THE TIME OF THE EVENTS GIVING RISE TO THE SUBJECT CLAIMS, OR THOSE CLAIMS WILL BE FOREVER BARRED. EACH PARTY ACKNOWLEDGES THAT IT HAS HAD A FULL OPPORTUNITY TO CONSULT WITH COUNSEL CONCERNING THIS TIME LIMIT, AND THAT ITS AGREEMENT TO THIS TIME LIMIT IS INFORMED, VOLUNTARY, INTENTIONAL, AND NOT THE RESULT OF UNEQUAL BARGAINING POWER.

(D) EACH PARTY ACKNOWLEDGES THAT IT HAS HAD A FULL OPPORTUNITY TO CONSULT WITH COUNSEL CONCERNING THE PROVISIONS OF THIS SECTION 9.5 AND THAT ANY WAIVERS AND LIMITATION PERIODS ARE INFORMED, VOLUNTARY, INTENTIONAL, AND NOT THE RESULT OF UNEQUAL BARGAINING POWER. IN ADDITION, EACH PARTY ACKNOWLEDGES THAT ANY WAIVERS CONTAINED IN THIS SECTION 9.5 ARE NOT UNCONSCIONABLE UNDER THE STANDARDS OF THE UNIFORM COMMERCIAL CODE (“UCC”), AND IS CONSISTENT WITH THE STANDARD TERMS AND CONDITIONS OF SALES OF GOODS BETWEEN THE PARTIES. IF ONE OR MORE OF SUBSECTIONS (A) - (C) OF THIS SECTION 9.5 IS HELD TO BE VOID, UNLAWFUL, OR OTHERWISE UNENFORCEABLE (BECAUSE IT VIOLATES A STATE STATUTE OR OTHERWISE), THAT SHALL HAVE NO EFFECT ON THE VALIDITY AND ENFORCEABILITY OF THE REMAINING SUBSECTIONS. EACH SUBSECTION OF THIS SECTION 9.5 SHALL BE CONSTRUED AS A SEPARATE PROVISION OF THIS AGREEMENT, WITHIN THE MEANING OF SECTION 11.4 OF THIS AGREEMENT (ENTITLED “SEVERABILITY”).

10. TERMINATION.

10.1 Grounds. Either party may terminate this Agreement at any time for “good cause”. Good cause means intentional or material breach of this Agreement by either party, including but not limited to, your:

- (a) Misrepresentation or omission of material information in the application for a franchise;
- (b) Failure to open the Dealership within 90 days after execution of this Agreement;
- (c) Failure to successfully complete required training or provide required training;
- (d) Non-payment of sums due, bankruptcy, or insolvency by any definition;
- (e) Failure to comply with the mutual commitments as outlined in Section 2.2 and the Manual;

- (f) Transfer or attempted Transfer without our consent;
- (g) Abandonment of this Agreement or the Dealership;
- (h) Conviction of or plea of guilty or no contest (or by a principal officer, director or partner of Dealer) to any charge of violation of any law relating to the Dealership, or of any felony that impairs or is reasonably likely to impair the goodwill and/or reputation associated with Bandag or the Marks;
- (i) Failure to comply with Section 6.1 of this Agreement;
- (j) Failure to comply with Section 6.3 of this Agreement;
- (k) Actions or practices that impair or are reasonably likely to impair the goodwill and/or reputation associated with Bandag or the Marks;
- (l) Failure to meet Product Specifications & Manufacturing Requirements or similar requirements as prescribed in the Manual; or
- (m) Unauthorized use of Bandag's Confidential Information.

Good cause which relates solely to a particular Bandag Facility is grounds for termination of your rights with respect to that Bandag Facility only.

Good cause which relates to our business relationship generally (for example, a material misrepresentation in a report, or failure to service a fleet account properly) is grounds for terminating this Agreement entirely.

- 10.2 Notice. The party intending to terminate shall give the other notice specifying the cause for termination. Unless the stated cause includes a repeated or continuous breach of this Agreement, or your insolvency, or your breach of Section 6.1 and/or Section 6.3, the recipient may cure the breach within: 24 hours of notice if the breach is impairment or threatened impairment of the goodwill or reputation associated with Bandag or the Marks; seven days for nonpayment of sums due; and 30 days in all other cases. If the stated cause includes a repeated or continuous breach of this Agreement, or your insolvency, the recipient does not have the right to cure the breach.

For purposes of Sections 10.1 and 10.2, "repeated or continuous breach" means a breach of any one provision of this Agreement more than once or a breach of more than any one provision of this Agreement during the initial and any renewal terms of the franchise.

- 10.3 Consequences. Upon termination or expiration of this Agreement, all rights licensed herein, and your interest herein, revert to us automatically, and you must immediately:
- (a) Stop selling, delivering, servicing or promoting Products at any location;

- (b) Stop using the Marks and Bandag System, any materials containing or depicting the Marks or Bandag System, and any other name or mark confusingly similar to the Marks;
- (c) Settle all accounts and pay all sums due to us or our Affiliates or which we have guaranteed;
- (d) Stop using and return the Manual and all other confidential or trade secret information, distinctive, proprietary or confidential Materials and information, production methods or other techniques, systems, software we furnished to you or know-how we disclosed to you;
- (e) Remove all Bandag inventory, trade dress, and leasehold improvements from all Bandag Facilities operated by the Dealership to eliminate any similarity in design, structure, signage, trade dress, inventory, decor, color or layout to the distinctive appearance and functions of other Bandag Dealerships;
- (f) Immediately cease using Bandag equipment and machinery. At our request, by item, you agree to resell each item of Bandag equipment and machinery to us at an 8 year straight line depreciated value (with no residual) calculated from the date of original shipment, FOB your Dealership. If the equipment is older than 8 years, we may repurchase that equipment at a fair market value assessed by an independent equipment broker selected by us;
- (g) At our request, by type and description, resell to us for an amount equal to the actual amount paid by you, to us, any of the Materials and/or Products then in your possession, less any charges we incur for shipping, freight, packaging, restocking, and the like;
- (h) Provide appropriate skilled workers to properly disconnect and remove any leased and/or repurchased equipment from your facility for packaging and pickup by a freight company consigned by Bandag;
- (i) Assign to us each telephone, facsimile or similar number, electronic address, World Wide Web URL, or any similar access code used by you exclusively for your Bandag Dealership;
- (j) Remove the Marks from all letterhead, signs, directory listings, URLs, e-mail addresses, catalogs, vehicles and all other places you have used them; and
- (k) Cease use of all management systems and technology associated with the System and used by Bandag Dealers.

10.4 Operation After Termination or Expiration. In the event we terminate this Agreement for good cause, you agree that neither you nor your Owners will operate a competitive retread tire business at the premises of your Dealership for a period of one year following the date of termination. The intent of this provision is to protect Bandag's

investment in your Dealership and prevent you from intentionally breaching your Agreement.

11. MISCELLANEOUS PROVISIONS

- 11.1 Interpretation. This Agreement, which includes your application and the Manual, is the entire and final agreement between you and us on its subject. This Agreement supersedes any other agreement or understanding previously made between you and us for the Dealership covered by this Agreement, except for (i) accrued obligations thereunder and/or (ii) a Right of First Refusal dated N/A which is incorporated herein by reference. You have not received or relied upon any representation, understanding, agreement or assurance not set forth herein. Nothing in this or any related Agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you. All rights and remedies provided herein or by law are cumulative. Section headings are for convenience of reference only and do not limit the meaning of this Agreement. Declaratory sentences herein constitute obligations of one or both parties as appropriate in the context.
- 11.2 Survival. Upon termination of this Agreement, all rights and obligations of the parties shall cease, except for your obligations under Sections 6.2, 7.3, 7.4, 7.11, 9, 11.3 and this Section 11.2, which obligations shall survive the termination of this Agreement.
- 11.3 Governing Law. This Agreement is made in Tennessee and, except as provided in Section 6.3 and 7.8, shall be governed by Tennessee law without regard to its conflict of law principles. This Agreement may be waived, modified or varied only by a written document prepared by us and signed by the parties (or by our changes to the Manual). Acquiescence in, or waiver of, any breach is not a waiver of another or subsequent breach. No custom, practice or course of dealing constitutes a waiver of any provision of this Agreement. Performance is suspended or deferred to the extent required by forces beyond a party's control, such as fire, storm, flood, war, civil unrest, or labor disputes.
- 11.4 Severability. If any provision of this Agreement (except Section 6.3), is held unenforceable, it shall be severed from the balance of this Agreement. If Section 6.3 is or becomes illegal or unenforceable, it shall be reformed to the least extent necessary to be lawful and enforceable in the opinion of the arbitrator or court.
- 11.5 Notice. Notices or other communications must be in writing and are given when delivered personally or one business day after being sent by certified mail, to us at our principal office in Nashville, Tennessee, or to you at the Dealership or at the office address shown in this Agreement. Notice also may be given electronically or by facsimile or overnight express.

Brady Fulton – Secretary of Bandag
200 4th Avenue South, Nashville, TN 37201
FultonBrady@bfusa.com

If transmitted electronically, such as by e-mail or by facsimile, such communication shall be deemed delivered the next business day after transmission (and the sender shall bear the burden of proof of delivery).

- 11.6 Relationships. You are an independent contractor, not the employee, agent, partner or joint venturer of Bandag. This Agreement does not create a fiduciary relationship. No person may acquire any interest in or under this Agreement except in accordance with Section 8. No other person, except our Affiliate, is intended to be a beneficiary of this Agreement. If Dealer is more than one person, all are jointly and severally liable hereunder.
- 11.7 Review. You have reviewed this Agreement, our FDD and other relevant information with legal counsel or a professional business advisor of your choosing before entering into this Agreement.
- 11.8 Responsibility. Our responsibilities to you are only those described in this Agreement. You acknowledge that your Dealership will operate in a highly competitive marketplace and that its financial results, including its ultimate success or failure, depend upon your personal management and resources, the competitive environment, and supply and market conditions. You acknowledge, therefore, that we did not, cannot and do not guarantee or represent that your Dealership will achieve any particular level of sales or profit, or be profitable or successful, and you have not relied upon any promise, assurance, understanding or agreement not expressly set forth herein or in our FDD.

and Independent Auditor's Report**

INDEPENDENT AUDITOR'S REPORT

To the Board of Managers and Member of
Bridgestone Bandag Franchising, LLC
Muscatine, Iowa

We have audited the accompanying financial statements of Bridgestone Bandag Franchising, LLC (the "Company"), a wholly-owned subsidiary of Bridgestone Americas Tire Operations, LLC, which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of profit or loss, changes in member's equity, and cash flows for the years then ended, and the related notes to the financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

As discussed in Note 2 to the financial statements, the accompanying financial statements have been prepared from the separate records maintained by the Company and may not necessarily be indicative of the conditions that would have existed or the results of operations if the Company had been operated as an unaffiliated company.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern at least, but not limited to, twelve months from the end of the reporting period, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

BRIDGESTONE BANDAG FRANCHISING, LLC
(A WHOLLY-OWNED SUBSIDIARY OF BRIDGESTONE
AMERICAS TIRE OPERATIONS, LLC)

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF BUSINESS

On March 7, 2008, Bridgestone Bandag Franchising, LLC (“BSBF”) was formed as a wholly-owned subsidiary of Bridgestone Americas, Inc. (“BSAM”). BSBF’s sole purpose is to guarantee the franchisor obligations of Bridgestone Bandag, LLC (“BSBD”), an affiliated company also owned by BSAM. On March 20, 2008, BSBF was funded with \$5,005,000 of cash as an investment by BSAM. Effective June 1, 2008, BSAM transferred its membership interest in BSBF and BSBD to its wholly-owned subsidiary, Bridgestone Americas Tire Operations, LLC (“BATO”).

The businesses of BSBD include the (i) production and sale of pre-cured tread rubber, equipment and supplies used by its franchisees for the retreading of tires primarily for trucks; (ii) sale and maintenance of new and retread tires to principally commercial and industrial customers through a wholly-owned commercial distribution network; and (iii) providing of quick-service truck lubrication, routine tire service and light truck maintenance through BSBD majority-owned retail establishments.

BSBD, as a franchisor, must provide a Franchise Disclosure Document (“FDD”), including its audited financial statements, to prospective franchisees. Federal and state laws allow a franchisor to substitute in the FDD the audited financial statements of an affiliate that guarantees the franchisor’s obligations under its franchise agreement. Accordingly, BSBF’s sole purpose is to guarantee BSBD’s franchisor obligations, and has no distinct business operations.

2. SIGNIFICANT ACCOUNTING POLICIES

Cash and Cash Equivalents – Cash and cash equivalents includes highly liquid, interest-bearing, investments purchased with original maturities of three months or less.

Fair Value of Financial Instruments – The carrying value of cash and cash equivalents and notes receivable from related party approximates fair value because of the short-term nature of the instruments. At December 31, 2021 and 2020, the Company had no financial assets or liabilities that required fair value measurement.

Comprehensive Income – Comprehensive income is defined as the change in equity of a business enterprise during a period from transactions and other events and circumstances from nonowner sources. Comprehensive income for the years ended December 31, 2021 and 2020, is equal to net (loss) income as reported.

Guarantee – BSBF absolutely and unconditionally guarantees the performance of BSBD for all its franchisor obligations under its franchise registrations and dealer franchise agreements (“Franchise Documents”) that became effective after March 20, 2008. The guarantee has no limit and is in force until all franchisor obligations of BSBD under the Franchise Documents have been satisfied or until BSBD’s liability to its franchisees has been completely discharged.

There have been no claims filed against BSBD related to BSBD's obligations under the Franchise Documents. Therefore, BSBF has recorded no liability on the balance sheets related to the guarantee.

Related Party Services and Income Taxes – BSBF is the recipient of related party services from BSAM and BATO including legal, accounting and management. Additionally, BSBF's operating results are included in BSAM's consolidated federal and state tax returns. Based upon an agreement between BSAM, BATO and BSBF, costs excluding audit fees, beginning in 2010, will not be allocated or charged to BSBF. During both 2021 and 2020, BSAM allocated \$13,500 of audit fees to BSBF for professional services performed by our independent auditor. These allocated fees were charged to expense during 2021 and 2020 upon being invoiced by BSAM. As a result of this agreement, the accompanying financial statements of BSBF may not necessarily be indicative of the conditions that would have existed or the results of operations if BSBF had been operated as an unaffiliated company.

On March 21, 2017, the Company entered into an agreement with BSAM to transfer \$4,250,000 of cash from the Federated fund of BSBF to BSAM in exchange for an intercompany note for the same amount repayable in full on March 31, 2018, with an auto renewal option for one additional year unless specifically terminated per the terms of the agreement. In addition, this agreement would remain in full force and effect until the loan is paid in full. As the notice of termination was not issued in 2021 and the loan was not paid during the year 2021, the loan was automatically extended to March 31, 2022. This note bears an interest obligation payable by BSAM, calculated at LIBOR minus 25 basis points per annum with a floor rate of 0%. As a result of the fall in LIBOR, a 0% interest rate is considered for December 2021 (1.11% for January 1, 2021 to March 31, 2021 and 0% for April 1, 2021 to December 31, 2021) with interest payments due on September 30th and March 31st.

Subsequent Events – The Company has evaluated events and transactions that occurred after the balance sheet date for potential recognition or disclosure in the financial statements through March 22, 2022, the date the financial statements were available to be issued. No events or transactions occurred subsequent to December 31, 2021, that would require adjustment to, or disclosure in the financial statements.

IFRS Interest Rate Benchmark Reform – Phase 2

On July 27, 2017, the Financial Conduct Authority in the U.K. announced that it would phase out LIBOR as a benchmark by the end of 2021. However, for U.S. dollar LIBOR, the date has been deferred to June 30, 2023 for certain tenors (including overnight and one, three, six and 12 months), at which time the LIBOR administrator has indicated that it intends to cease publication of U.S. dollar LIBOR.

The Company has an intercompany note agreement with BSAM that uses LIBOR as a benchmark for interest rate calculation. The loan has a 12-month tenor with the agreement being renewed each year for a 12-month period. The non-adoption of this standard has no significant impact on the Company's financial statements.

Bridgestone Bandag Franchising, LLC
Muscatine, Iowa

We have audited the accompanying financial statements of Bridgestone Bandag Franchising, LLC (the "Company"), a wholly-owned subsidiary of Bridgestone Americas Tire Operations, LLC, which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of profit or loss, changes in member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bridgestone Bandag Franchising, LLC as of December 31, 2020 and 2019, and the results of its operations and its cash flows for the years then ended in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board.

Other Matter

As discussed in Note 2 to the financial statements, the accompanying financial statements have been prepared from the separate records maintained by the Company and may not necessarily be indicative of the conditions that would have existed or the results of operations if the Company had been operated as an unaffiliated company.

BRIDGESTONE BANDAG FRANCHISING, LLC (A WHOLLY-OWNED SUBSIDIARY OF BRIDGESTONE AMERICAS TIRE OPERATIONS, LLC)

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

1. DESCRIPTION OF BUSINESS

On March 7, 2008, Bridgestone Bandag Franchising, LLC (“BSBF”) was formed as a wholly-owned subsidiary of Bridgestone Americas, Inc. (“BSAM”). BSBF’s sole purpose is to guarantee the franchisor obligations of Bridgestone Bandag, LLC (“BSBD”), an affiliated company also owned by BSAM. On March 20, 2008, BSBF was funded with \$5,005,000 of cash as an investment by BSAM. Effective June 1, 2008, BSAM transferred its membership interest in BSBF and BSBD to its wholly-owned subsidiary, Bridgestone Americas Tire Operations, LLC (“BATO”).

The businesses of BSBD include the (i) production and sale of pre-cured tread rubber, equipment and supplies used by its franchisees for the retreading of tires primarily for trucks; (ii) sale and maintenance of new and retread tires to principally commercial and industrial customers through a wholly-owned commercial distribution network; and (iii) providing of quick-service truck lubrication, routine tire service and light truck maintenance through BSBD majority-owned retail establishments.

BSBD, as a franchisor, must provide a Franchise Disclosure Document (“FDD”), including its audited financial statements, to prospective franchisees. Federal and state laws allow a franchisor to substitute in the FDD the audited financial statements of an affiliate that guarantees the franchisor’s obligations under its franchise agreement. Accordingly, BSBF’s sole purpose is to guarantee BSBD’s franchisor obligations, and has no distinct business operations.

2. SIGNIFICANT ACCOUNTING POLICIES

Recently adopted accounting framework – Effective January 1, 2020, Bridgestone Americas, Inc. and subsidiaries transitioned from reporting under U.S. Generally Accepted Accounting Principles (“US GAAP”) as determined by the Financial Accounting Standards Board (“FASB”) to reporting under the International Financial Reporting Standards (“IFRS”) as determined by the International Accounting Standards Board (“IASB”). This change in accounting frameworks is at the direction of BSAM’s parent, Bridgestone, to align reporting frameworks across businesses. As a result, BSBF presented its December 31, 2020 financial statements and the 2019 comparatives under the IFRS accounting framework. Due to the limited business purpose and related operations of the entity there are minimal changes for Bridgestone Bandag Franchising, LLC between US GAAP and IFRS.

Cash and cash equivalents – Cash and cash equivalents includes highly liquid, interest-bearing, investments purchased with original maturities of three months or less.

Fair Value of Financial Instruments – The carrying value of cash and cash equivalents and notes receivable from related party approximates fair value because of the short-term nature of the instruments. At December 31, 2020 and 2019, the Company had no financial assets or liabilities that required fair value measurement.

Comprehensive Income – Comprehensive income is defined as the change in equity of a business enterprise during a period from transactions and other events and circumstances from nonowner sources. Comprehensive income for the years ended December 31, 2020 and 2019, is equal to net income as reported.

Guarantee – BSBF absolutely and unconditionally guarantees the performance of BSBD for all its franchisor obligations under its franchise registrations and dealer franchise agreements (“Franchise Documents”) that became effective after March 20, 2008. The guarantee has no limit and is in force until all franchisor obligations of BSBD under the Franchise Documents have been satisfied or until BSBD’s liability to its franchisees has been completely discharged.

There have been no claims filed against BSBD related to BSBD’s obligations under the Franchise Documents. Therefore, BSBF has recorded no liability on the balance sheets related to the guarantee.

Related Party Services and Income Taxes – BSBF is the recipient of related party services from BSAM and BATO including legal, accounting and management. Additionally, BSBF’s operating results are included in BSAM’s consolidated federal and state tax returns. Based upon an agreement between BSAM, BATO and BSBF, costs excluding audit fees, beginning in 2010, will not be allocated or charged to BSBF. During both 2020 and 2019, BSAM allocated \$13,500 of audit fees to BSBF for professional services performed by our independent auditor. These allocated fees were charged to expense during 2020 and 2019 upon being invoiced by BSAM. As a result of this agreement, the accompanying financial statements of BSBF may not necessarily be indicative of the conditions that would have existed or the results of operations if BSBF had been operated as an unaffiliated company.

On March 21, 2017, the Company entered into an agreement with BSAM to transfer \$4,250,000 of cash from the Federated fund of BSBF to BSAM in exchange for an intercompany note for the same amount repayable in full on March 31, 2018, with an auto renewal option for one additional year unless specifically terminated per the terms of the agreement. In addition, this agreement would remain in full force and effect until the loan is paid in full. As the notice of termination was not issued in 2020 and the loan was not paid during the year 2020, the loan was automatically extended to March 31, 2021. This note bears an interest obligation payable by BSAM, calculated at LIBOR minus 25 basis points per annum (1.11% as of December 2020 and 2.23% as of December 31, 2019) with interest payments due on September 30th and March 31st.

Subsequent Events – The Company has evaluated events and transactions that occurred after the balance sheet date for potential recognition or disclosure in the financial statements through March 19, 2021, the date the financial statements were available to be issued. No events or transactions occurred subsequent to December 31, 2020, that would require adjustment to, or disclosure in the financial statements.

Debtor irrevocably authorizes Secured Party at any time and from time to time to file in any filing office in any UCC jurisdiction any financing statements, continuation statements, information statements and amendments with respect to the Collateral. Debtor also ratifies its authorization of Secured Party’s filing of any such financing statements or amendments filed prior to the date hereof.

5. OTHER ACTIONS. Debtor agrees to take the following actions at Debtor’s expense:

5.1 Collateral in the Possession of a Bailee. If any Collateral is at any time in the possession of a third-party bailee, Debtor shall promptly notify Secured Party thereof and, at Secured Party’s request and option, shall promptly obtain an acknowledgement from the bailee, in form and substance satisfactory to

Secured Party, that the bailee holds such Collateral for the benefit of Secured Party, and that such bailee agrees to comply, without further consent of Debtor, with instructions from Secured Party as to such Collateral. Secured Party shall not give any such instructions unless an Event of Default has occurred and is continuing or would occur after taking into account any action by Debtor with respect to the bailee.

5.2 Further Assurances; Financial Information. At the request and option of Secured Party, Debtor shall take any and all other actions Secured Party may determine to be necessary or useful for the attachment, perfection, and first priority of, and the ability of Secured Party to enforce, Secured Party's security interest in any and all of the Collateral, including, without limitation: (a) executing, delivering, and, where appropriate, filing financing statements and amendments relating thereto under the UCC of Iowa or any other jurisdiction, to the extent, if any, that Debtor's signature thereon is required therefor; (b) causing Secured Party's name to be noted as secured party on any certificate of title for a titled good if such notation is a condition to attachment, perfection, or priority of, or the ability of Secured Party to enforce, Secured Party's security interest in such Collateral; (c) complying with any provision of any statute, regulation, or treaty of the United States as to any Collateral if compliance with such provision is a condition to attachment, perfection, or priority of, or the ability of Secured Party to enforce, Secured Party's security interest in such Collateral; (d) obtaining governmental and other third party waivers, consents and approvals in form and substance satisfactory to Secured Party, including, without limitation, any consent of any licensor, lessor, or other person obligated on Collateral; (e) obtaining waivers from mortgagees and landlords in form and substance satisfactory to Secured Party; and (f) taking all actions under any earlier versions of the UCC of Iowa or under any other law, as reasonably determined by Secured Party to be applicable in Iowa or any other jurisdiction, including any foreign jurisdiction. 6. ALLOCATION OF PAYMENTS. Payments received by Secured Party from or on behalf of Debtor in respect of purchase-money obligations relating to any Collateral shall be allocated as follows: (a) in accordance with the express provisions of a written agreement between the parties with respect to each item of purchase-money collateral; (b) in the absence of a written agreement or a written agreement without any express allocation of payments, in the order and manner in which Secured Party has applied such payment in the ordinary course of its business; or (c) in all other cases, first to items of purchase-money collateral that have been sold by the Debtor in the order in which such items were sold. Secured Party's security interest shall continue in each item of purchase-money collateral after payment of the purchase-money obligation with respect to such item to secure payment of performance of all other Obligations.

9. REPRESENTATIONS AND WARRANTIES CONCERNING COLLATERAL. Debtor further represents and warrants to Secured Party as follows: (a) Debtor is the owner of or has other rights in the Collateral, free from any right or claim of any person or any adverse lien, security interest, or other encumbrance, except for the

security interest created by this Agreement and those security interests identified or described on Schedule A; (b) the current locations of the Collateral are listed on Schedule B; and (c) Debtor has at all times operated its business in compliance with all applicable provisions of the federal Fair Labor Standards Act, as amended, and with all applicable provisions of federal, state, and local statutes and ordinances dealing with the control, shipment, storage, or disposal of hazardous materials or substances.

10. COVENANTS CONCERNING COLLATERAL. Debtor further covenants with Secured Party as follows: (a) the Collateral will be kept at those locations listed on Schedule B; (b) Debtor shall be the owner of or have other rights in the Collateral free from any right or claim of any other person, lien, security interest, or other encumbrance, and Debtor shall defend the same against all claims and demands of all persons at any time claiming the same or any interests therein adverse to Secured Party, except for the security interests identified or described on Schedule A; (c) except for the security interests identified or described on Schedule A, Debtor shall not pledge, mortgage, create, or suffer to exist any right of any person in or claim by any person to the Collateral, or any security interest, lien, or encumbrance in the Collateral in favor of any person, other than Secured Party; (d) Debtor will keep the Collateral in good order and repair and will not use the same in violation of law or any policy of insurance thereon; (e) Debtor will permit Secured Party, or its designee, to inspect the Collateral at any reasonable time, wherever located; (f) Debtor will pay promptly when due all taxes, assessments, governmental charges, and levies upon the Collateral or incurred in connection with the use or operation of such Collateral or incurred in connection with this Agreement; (g) Debtor will continue to operate its business in compliance with all applicable provisions of the federal Fair Labor Standards Act, as amended, and with all applicable provisions of federal, state, and local statutes and ordinances dealing with the control, shipment, storage, or disposal of hazardous materials or substances; and (h) Debtor will not sell or otherwise dispose, or offer to sell or otherwise dispose, of the Collateral or any interest therein, except for sales and leases of inventory in the ordinary course of business.

11. INSURANCE.

11.1 Maintenance of Insurance. Debtor will maintain with financially sound and reputable insurers insurance with respect to its properties and business against such casualties and contingencies as shall be in accordance with general practices of businesses engaged in similar activities in similar geographic areas. Such insurance shall be in such minimum amounts that Debtor will not be deemed a co-insurer under applicable insurance laws, regulations, and policies and otherwise shall be in such amounts, contain such terms, be in such forms, and be for such periods as may be reasonably satisfactory to Secured Party. In addition, all such insurance shall be payable to Secured Party as loss payee. Without limiting the foregoing, Debtor will: (a) keep all its physical property insured with casualty or physical hazard insurance on an "all risks" basis, with broad form flood and earthquake coverages and electronic data processing coverage, with a full replacement cost endorsement and an "agreed amount" clause in an amount equal to 100 percent of the full replacement cost of such property; (b) maintain all such workers' compensation or similar insurance as may be required by law; and (c) maintain, in amounts and with deductibles equal to those generally maintained by businesses engaged in similar activities in similar geographic areas, Commercial General Liability Insurance (including Products, Completed Operations, Independent Contractors Liability, and Contractual Liability coverages) with limits of at least \$2,000,000 combined single limit per occurrence of bodily injury, death, or property damage.

11.2 Insurance Proceeds. The proceeds of any casualty insurance in respect of any casualty loss of any of the Collateral shall, subject to the rights, if any, of other parties with an interest having priority in the property covered thereby: (a) so long as no Event of Default has occurred and is continuing and to the extent that the amount of such proceeds is less than \$50,000, be disbursed to Debtor for direct application by Debtor solely to the repair or replacement of Debtor's property so damaged or destroyed; and (b) in all other circumstances, be held by Secured Party as cash collateral for the Obligations. Secured Party may, at its sole option, disburse from time to time all or any part of such proceeds so held as cash collateral, upon such terms and conditions as Secured Party may reasonably prescribe, for direct application by Debtor solely to the repair

or replacement of Debtor's property so damaged or destroyed, or Secured Party may apply all or any part of such proceeds to the Obligations.

11.3 Continuation of Insurance. All policies of insurance shall provide for at least 30 days' prior written cancellation notice to Secured Party. In the event of failure by Debtor to provide and maintain insurance as herein provided, Secured Party may, at its option, provide such insurance and charge the amount thereof to Debtor. Debtor shall furnish Secured Party with certificates of insurance and policies evidencing compliance with this Section as requested by Secured Party from time to time.

12. COLLATERAL PROTECTION EXPENSES; PRESERVATION OF COLLATERAL.

12.1 Expenses Incurred by Secured Party. In Secured Party's discretion, if Debtor fails to do so, Secured Party may discharge taxes and other encumbrances at any time levied or placed on any of the Collateral, maintain any of the Collateral, make repairs thereto, and pay any necessary filing fees or insurance premiums. Debtor agrees to reimburse Secured Party on demand for all expenditures so made. Secured Party shall have no obligation to Debtor to make any such expenditures, and the making thereof shall not be construed as the waiver or cure of any Event of Default.

12.2 Secured Party's Obligations and Duties. Notwithstanding any contrary provision in this Agreement, Debtor shall remain obligated and liable under each contract or agreement included in the Collateral to be observed or performed by Debtor thereunder. Secured Party shall not have any obligation or liability under any such contract or agreement by reason of or arising out of this Agreement or the receipt by Secured Party of any payment relating to any of the Collateral, and Secured Party shall not be obligated in any manner to perform any of the obligations of Debtor under or pursuant to any such contract or agreement, to make inquiry as to the nature or sufficiency of any payment received by Secured Party in respect of the Collateral, or as to the sufficiency of any performance by any party under any such contract or agreement, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to Secured Party or to which Secured Party may be entitled at any time or times. Secured Party's sole duty with respect to the custody, safe keeping, and physical preservation of the Collateral in its possession, under Section 9-207 of the UCC of Iowa or otherwise, shall be to deal with such Collateral in the same manner as Secured Party deals with similar property for its own account.

13. NOTIFICATION TO ACCOUNT DEBTORS AND OTHER PERSONS OBLIGATED ON COLLATERAL. If an Event of Default occurs and is continuing, Debtor shall, at the request and option of Secured Party, notify account debtors and other persons obligated on any of the Collateral of the security interest of Secured Party in any account, chattel paper, general intangible, instrument, or other Collateral, and that payment thereof is to be made directly to Secured Party or to any financial institution designated by Secured Party as Secured Party's agent therefor; and Secured Party may itself, if an Event of Default shall have occurred and be continuing, without notice to or demand on Debtor, so notify account debtors and other persons obligated on any of the Collateral. After the making of such a request or the giving of any such notification, Debtor shall hold any proceeds of collection of accounts, chattel paper, general intangibles, instruments, and other Collateral received by Debtor as trustee for Secured Party without commingling the same with other funds of Debtor and shall turn the same over to Secured Party in the identical form received, together with any necessary endorsements or assignments. Secured Party shall apply the proceeds of collection of accounts, chattel paper, general intangibles, instruments, and other Collateral received by Secured Party to the Obligations, such proceeds to be immediately credited after final payment in cash or other immediately available funds of the items giving rise to them.

14. SET OFFS. Secured Party, either before or after an Event of Default, may withhold, set off, recoup, or deduct from any amount otherwise due to Debtor from Secured Party and credit such withholding, set off, recoupment, or deduction to the Obligations.

15. POWER OF ATTORNEY.

15.1 Appointment and Powers of Secured Party. Debtor irrevocably constitutes and appoints Secured Party and any of its officers or agents, with full power of substitution, as its true and lawful attorneys-in-fact with full irrevocable power and authority in the place and stead of Debtor or in Secured Party's own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or useful to accomplish the purposes of this Agreement and, without limiting the generality of the foregoing, gives such attorneys the power and right, on behalf of Debtor, without notice to or assent by Debtor, to do the following:

(a) On the occurrence and during the continuance of an Event of Default, generally to sell, transfer, pledge, make any agreement with respect to, or otherwise dispose of or deal with any of the Collateral in such manner as is consistent with the UCC of Iowa and as fully and completely as though Secured Party were the absolute owner thereof for all purposes; and to do, at Debtor's expense, at any time, or from time to time, all acts and things which Secured Party deems necessary or useful to protect, preserve, or realize upon the Collateral and Secured Party's security interest therein; to carry out the intent of this Agreement, all at least as fully and effectively as Debtor might do, including, without limitation, the execution, delivery, and recording, in connection with any sale or other disposition of any Collateral, of the endorsements, assignments, or other instruments of conveyance or transfer with respect to such Collateral; and

(b) To the extent that Debtor's authorization given in Section 4 is not sufficient, to file such financing statements with respect to the Collateral, with or without Debtor's signature, or a photocopy of this Agreement in substitution for a financing statement, as Secured Party may deem appropriate and to execute in Debtor's name such financing statements and amendments thereto and continuation statements which may require Debtor's signature.

15.2 Ratification by Debtor. To the extent permitted by law, Debtor ratifies all that such attorneys shall do or cause to be done pursuant to this Section 15. This power of attorney is a power coupled with an interest and is irrevocable.

15.3 No Duty on Secured Party. The powers conferred on Secured Party in this Agreement are solely to protect its interests in the Collateral and shall not impose any duty on it to exercise any such powers. Secured Party shall be accountable only for the amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its officers, directors, employees, or agents shall be responsible to Debtor for any act or failure to act, except for Secured Party's own gross negligence or willful misconduct.

16. RIGHTS AND REMEDIES. If an Event of Default occurs and is continuing, Secured Party, without any other notice to or demand upon Debtor, shall have in any jurisdiction in which enforcement hereof is sought, in addition to all other rights and remedies, the rights and remedies of a secured party under the UCC of Iowa and any additional rights and remedies which may be provided to a secured party in any jurisdiction in which Collateral is located, including, without limitation, the right to take possession of the Collateral, and for that purpose Secured Party may, so far as Debtor can give authority therefor, enter upon any premises on which the Collateral may be situated and remove the same therefrom. Secured Party may in its discretion require Debtor to assemble all or any part of the Collateral at such location or locations within the jurisdiction(s) of Debtor's principal office(s) or at such other locations as Secured Party may reasonably designate. Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Secured Party shall give to Debtor at least ten Business Days' prior written notice of the time and place of any public sale of Collateral or of the time after which any private sale or any other intended disposition is to be made. Debtor acknowledges that ten Business Days' prior written notice of such sale or sales shall be reasonable notice. In addition, Debtor waives any and all rights that it may have to a judicial hearing in advance of the enforcement of any of Secured Party's rights and remedies hereunder, including, without limitation, its

right following an Event of Default to take immediate possession of the Collateral and to exercise its rights and remedies with respect thereto.

17. STANDARDS FOR EXERCISING RIGHTS AND REMEDIES. To the extent that applicable law imposes duties on Secured Party to exercise remedies in a commercially reasonable manner, Debtor acknowledges and agrees that it is not commercially unreasonable for Secured Party to: (a) fail to incur expenses reasonably deemed significant by Secured Party to prepare Collateral for disposition or otherwise to fail to complete raw material or work in process into finished goods or other finished products for disposition; (b) fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of; (c) fail to exercise collection remedies against account debtors or other persons obligated on Collateral or to fail to remove liens or encumbrances on or any adverse claims against Collateral; (d) exercise collection remedies against account debtors and other persons obligated on Collateral directly or through the use of collection agencies and other collection specialists; (e) advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature; (f) contact other persons, whether or not in the same business as Debtor, for expressions of interest in acquiring all or any portion of the Collateral; (g) hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the collateral is of a specialized nature; (h) dispose of Collateral by utilizing Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets; (i) dispose of assets in wholesale rather than retail markets, (j) disclaim disposition warranties; (k) purchase insurance or credit enhancements to insure Secured Party against risks of loss, collection, or disposition of Collateral or to provide to Secured Party a guaranteed return from the collection or disposition of Collateral; or (l) to the extent deemed appropriate by Secured Party, obtain the services of other brokers, investment bankers, consultants, and other professionals to assist Secured Party in the collection or disposition of any of the Collateral. Debtor acknowledges that the purpose of this Section 17 is to provide non-exhaustive indications of what actions or omissions by Secured Party would fulfill Secured Party's duties under the UCC of Iowa or other law of the state of Iowa or any other relevant jurisdiction in Secured Party's exercise of remedies against the Collateral and that other actions or omissions by Secured Party shall not be deemed to fail to fulfill such duties solely on account of not being specified in this Section 17. Without limiting the foregoing, nothing contained in this Section 17 shall be construed to grant any rights to Debtor or to impose any duties on Secured Party that would not have been granted or imposed by this Agreement or by applicable law in the absence of this Section 17.

18. NO WAIVER BY SECURED PARTY. Secured Party shall not be deemed to have waived any of its rights or remedies in respect of the Obligations or the Collateral unless such waiver shall be in writing and signed by Secured Party. No delay or omission on the part of Secured Party in exercising any right or remedy shall operate as a waiver of such right or remedy or any other right or remedy. A waiver on any one occasion shall not be construed as a bar to or waiver of any right or remedy on any future occasion. All rights and remedies of Secured Party with respect to the Obligations or the Collateral, whether evidenced by this Agreement or by any other instrument, document, or agreement, shall be cumulative and may be exercised singularly, alternatively, successively, or concurrently at such time or times as Secured Party deems expedient.

19. SURETYSHIP WAIVERS BY DEBTOR. Debtor waives demand, notice, protest, notice of acceptance of this Agreement, notice of loans made, credit extended, Collateral received or delivered, or other action taken in reliance hereon and all other demands and notices of any description. With respect to both the Obligations and the Collateral, Debtor assents to any extension or postponement of the time of payment or any other indulgence, to any substitution, exchange, or release of or failure to perfect any security interest in any Collateral, to the addition or release of any party or person primarily or secondarily liable, to the acceptance of partial payment thereon and the settlement, compromising, or adjusting of any thereof, all in such manner and at such time or times as Secured Party may deem advisable. Secured Party shall have no duty as to the collection or protection of the Collateral or any income therefrom, the preservation of rights against prior

parties, or the preservation of any rights pertaining thereto beyond the safe custody thereof as set forth in Subsection 12.2. Debtor further waives all other suretyship defenses.

20. MARSHALLING. Secured Party shall not be required to marshal any present or future collateral (including the Collateral) for, or other assurances of payment of, the Obligations or any of them or to resort to such collateral or other assurances of payment in any particular order, and all of Secured Party's rights and remedies hereunder and in respect of such collateral and other assurances of payment shall be cumulative and in addition to all other rights and remedies, however existing or arising. To the maximum extent permitted by law, Debtor irrevocably waives the provisions of any law relating to the marshalling of collateral (including the Collateral).

21. PROCEEDS OF DISPOSITIONS; EXPENSES. Debtor shall pay to Secured Party on demand any and all expenses, including reasonable attorneys' fees and disbursements, incurred or paid by Secured Party in protecting, preserving, or enforcing Secured Party's rights and remedies under or in respect of any of the Obligations or any of the Collateral. After deducting all of such expenses, the residue of any proceeds of collection or sale or other disposition of the Collateral shall, to the extent actually received in cash, be applied to the payment of the Obligations in such order or preference as Secured Party may determine, proper allowance and provision being made for any Obligations not then due. Upon the final payment and satisfaction in full of all of the Obligations and after making any payments required by Sections 9-608(a)(1)(C) or 9-615(a)(3) of the UCC of Iowa, any excess shall be returned to Debtor. In the absence of final payment and satisfaction in full of all the Obligations, Debtor shall remain liable for any deficiency.

22. OVERDUE AMOUNTS. Until paid, all amounts due and payable by Debtor under this Agreement which are not paid or performed when due shall bear, both before and after judgment, interest at the rate of interest equal to the lesser of eighteen percent per annum or the maximum rate permitted by applicable law. All such interest shall constitute a debt secured by the Collateral.

23. GOVERNING LAW; CONSENT TO JURISDICTION. THIS AGREEMENT IS INTENDED TO AND SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF IOWA, EXCEPT FOR IOWA LAW WITH RESPECT TO CONFLICTS OF LAW. Debtor agrees that any action or claim arising out of, or any dispute in connection with, this Agreement, any rights, remedies, obligations, or duties hereunder, or the performance or enforcement hereof or thereof, may be brought in the courts of the state of Iowa or any federal court sitting in Iowa and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon Debtor by mail at the address set forth on the signature page of this Agreement. Debtor waives any objection that it may now or in the future have to the venue of any such suit or any such court or that such suit is brought in an inconvenient court.

24. WAIVER OF JURY TRIAL AND CONSEQUENTIAL DAMAGES. DEBTOR WAIVES ITS RIGHT TO A JURY TRIAL WITH RESPECT TO ANY ACTION OR CLAIM ARISING OUT OF ANY DISPUTE IN CONNECTION WITH THIS AGREEMENT, ANY RIGHTS, REMEDIES, OBLIGATIONS, OR DUTIES HEREUNDER, OR THE PERFORMANCE OR ENFORCEMENT HEREOF OR THEREOF. Except as prohibited by law, Debtor waives any right which it may have to claim or recover in any litigation mentioned in the preceding sentence any special, exemplary, punitive, indirect, incidental, or consequential damages or any damages other than, or in addition to, actual direct damages. Debtor (a) certifies that neither Secured Party nor any representative, agent, or attorney of Secured Party has represented, expressly or otherwise, that Secured Party would not, in the event of litigation, seek to enforce the foregoing waivers or other waivers contained in this Agreement; and (b) acknowledges that by extending credit to Debtor from time to time, Secured Party is relying upon the waivers and certifications contained in this Section 24, among other things.

25. SEVERABILITY. If any clause or portion of a clause contained in this Agreement is finally determined by a court of competent authority to be contrary to the provisions of applicable federal, state, or local law, such clause or portion of a clause shall be invalidated only to the extent required by such law, and all remaining

clauses or portions of a clause contained in this Agreement shall continue to be in full force and effect to the maximum extent not prohibited by applicable law.

26. NOTICES. All notices, requests, and other communications with respect to this Agreement shall be in writing and shall be deemed to have been duly given, made, and received only when personally delivered as documented by a courier's receipt; or upon actual receipt of registered or certified mail, postage prepaid, return receipt requested, addressed as set forth below (or at such other addresses as may be stated in notices similarly given).

27. AMENDMENT. This Agreement may be amended only by a writing executed by an authorized officer of each of the parties to this Agreement.

28. BRIDGESTONE COMPANIES. To the extent that any of the Obligations may be owed at any time to any of the Bridgestone Companies other than Secured Party (whether directly, indirectly, by assignment or otherwise), Debtor acknowledges that Secured Party is acting as agent for such Bridgestone Companies with respect to the security interest granted herein, including without limitation exercising the Secured Party's rights and remedies, and enforcing any of Debtor's obligations, under this Agreement.

29. MISCELLANEOUS. The headings of each section of this Agreement are for convenience only and shall not define or limit the provisions hereof. This Agreement and all rights and obligations hereunder shall be binding on Debtor and its respective successors and permitted assigns, and shall inure to the benefit of Secured Party and its successors and assigns. Debtor may not assign its rights or obligations under this Agreement without prior written approval by the Secured Party. In this Agreement, words and defined terms or phrases importing the singular include the plural and vice versa, and the use of any pronoun includes the corresponding masculine, feminine, and neuter forms. The word "including" is deemed to be followed by the words "without limitation". Nothing in this Agreement shall obligate Secured Party to extend any credit to Debtor at any time or limit Secured Party's sole and absolute discretion to determine timing or amount of any extension of credit to Debtor. All schedules identified in this Agreement are attached and incorporated by reference. The failure to attach or complete any schedule referred to herein shall not be construed to limit, impair, derogate from, or alter any of the provisions of this Agreement.

EXHIBIT C-1
INDIVIDUAL GUARANTY

C-1-1

INDIVIDUAL GUARANTY

This **GUARANTY** (“Guaranty”), is executed as of **DATE**, by **GUARANTOR NAME(S)** (“Guarantor”), an individual residing in **State**, in favor of **BRIDGESTONE BANDAG, LLC**, an Iowa limited liability company, (“Bandag”), on behalf of itself and as agent for its present and future parent, subsidiaries and affiliates (collectively, the “Bridgestone Companies”). Bandag and the Bridgestone Companies are referred to collectively and individually as “Creditor”.

RECITALS

NAME OF CUSTOMER (“Dealer”) is or may become an authorized dealer of Bandag pursuant to one or more existing or future franchise agreements, license agreements or similar agreements between Dealer and Bandag (collectively, the “Franchise Agreement”). Dealer has requested Creditor to extend credit to Dealer to enable Dealer to acquire goods, equipment, materials, software, products, or services from Creditor from time to time, pursuant to the Franchise Agreement or otherwise. It is a condition precedent to any extension of credit by Creditor to Dealer that Guarantor execute and deliver to Creditor a guaranty in substantially the form hereof. To induce the Creditor to supply goods, equipment, materials, software, products; or services to Dealer on credit, Guarantor has agreed to guarantee payment and performance of Dealer’s obligations to Creditor. Guarantor has a direct or indirect beneficial or financial interest in Dealer and will benefit from any extension of credit by Creditor to Dealer.

GUARANTY

In consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which is acknowledged by Guarantor, Guarantor irrevocably, continually, and unconditionally, jointly and severally, agrees as follows:

1. Guarantor guarantees, as primary obligor and not merely as surety, the punctual performance and payment of (i) all indebtedness, obligations, and liabilities of every kind and nature of Dealer to Bandag or any of the Bridgestone Companies, however evidenced, whether now existing or hereafter created or arising, directly or indirectly, primary or secondary, absolute or contingent, joint or several, and however owned, held, or acquired, whether on open account, through discount, overdraft, purchase, direct loan or as collateral, or otherwise (including all purchase-money obligations); and (ii) the timely and full performance by Dealer of each and every duty, agreement, covenant, warranty, undertaking, and indemnity on the part of Dealer contained herein or in the Franchise Agreement or any existing or future contracts, subcontracts, documents, instruments or other agreements to which Dealer and Bandag (or any Bridgestone Company) are parties, or as to which Dealer may otherwise be obligated to Bandag (or any Bridgestone Company), including all modifications, supplements, amendments, and replacements thereto or thereof (collectively, including the Franchise Agreement, the “Related Agreements”), together with interest thereon on the unpaid principal amount from the date of demand on Guarantor at a rate equal to the lesser of eighteen percent per annum or the highest rate permitted by applicable law (collectively, the “Obligations”). The amount of this Guaranty is unlimited. If Dealer fails to perform any of the Obligations when performance is due (including payment), all Obligations shall, at Creditor’s option, immediately become due and payable by Guarantor to Creditor without notice.

2. Guarantor waives: (a) any right to notice of the creation of the Obligations; (b) any rights Guarantor may have by reason of any forbearance, modification, waiver, renewal, or extension that Creditor may grant, or to which Creditor and Dealer may agree, with respect to the Obligations; (c) notice of acceptance of this Guaranty; (d) presentment, demand, notice, or protest of any kind; and (e) all defenses, offsets, and counterclaims based on impairment of collateral, suretyship, or on Guarantor’s status as guarantor of the

Obligations (other than the defense of prior full, final, and indefeasible payment and performance of all Obligations).

3. All payments by Guarantor to Creditor shall be paid in lawful money of the United States of America and shall be payable without set-off, deduction, or counterclaim.

4. Guarantor's obligations under this Guaranty shall not be affected by any bankruptcy, liquidation, reorganization, debt arrangement, receivership, trusteeship, assignment for the benefit of creditors or other insolvency proceedings ("Insolvency Proceedings") instituted by or against Dealer or its property under any applicable federal, state or foreign bankruptcy, reorganization, arrangement, insolvency, receivership, or similar laws ("Insolvency Laws"), or any discharge of any of the Obligations in any such Insolvency Proceedings. This Guaranty shall remain in full force and effect until: (a) all Obligations have been indefeasibly paid in full to Creditor; (b) all obligations and indemnifications of Dealer to Creditor have been fulfilled; and (c) all sums received by Creditor from Dealer or Guarantor are not subject to rescission, disgorgement, avoidance or repayment in connection with any Insolvency Proceedings. Guarantor's obligations hereunder shall be absolute, unconditional, and irrevocable, regardless of whether the Obligations are created before or after the commencement of any Insolvency Proceedings. Guarantor's obligations under this Guaranty shall include, but not be limited to, any interest, late charges, attorneys' fees, or other sums coming due under the terms of any document or agreement creating or evidencing any of the Obligations (without reference to the effect of Insolvency Laws) after the commencement of any Insolvency Proceedings regardless of whether applicable Insolvency Laws permit such sums to be collected from Dealer or to accrue with respect to Dealer.

5. Guarantor waives to the fullest extent possible any and all claims that Guarantor may have against Dealer arising out of any payment by Guarantor to Creditor of any of the obligations under this Guaranty, including, but not limited to, all such claims arising out of any right of subrogation, indemnity, reimbursement, contribution, exoneration, payment, or any other claim, cause of action, right, or remedy against Dealer, whether such claim arises at law, in equity, or out of any written or oral agreement between Guarantor and Dealer or otherwise.

6. The obligations of Guarantor under this Guaranty shall be unconditional and irrevocable, irrespective of any of the following: (a) any lack of legality, validity, or enforceability of any of the documents or agreements creating or evidencing any of the Obligations; (b) any limitation of liability of the Dealer, or its constituent shareholders or members, contained in any document or agreement creating or evidencing any of the Obligations; (c) the existence of any security given to secure any of the Obligations; (d) impossibility or the illegality of performance on the part of Dealer of any of its Obligations; (e) the sale or other transfer of all or any portion of any collateral securing performance of any of the Obligations; (f) Insolvency Proceedings involving Dealer; (g) any stay, disaffirmance, or other action in Dealer's Insolvency Proceedings; (h) any defense that may arise by reason of the incapacity or lack of authority of Dealer or Guarantor or the failure of Creditor to file or enforce a claim against the estate of Dealer in any Insolvency Proceedings; or (i) any other circumstances, occurrence, or condition, whether similar or dissimilar to any of the foregoing, that might otherwise constitute a legal or equitable defense, discharge, or release of a guarantor or surety. If Dealer defaults under any document or agreement creating or evidencing any of the Obligations and Creditor is prevented from accelerating or collecting payment or performance of any of the Obligations (whether because of Dealer's Insolvency Proceedings or any other reason), Creditor shall be entitled to receive from Guarantor, upon demand by Creditor, the sums that would have otherwise been due and payable had such acceleration occurred and had Creditor been permitted to collect such sums from Dealer.

7. Guarantor agrees that Creditor may at any time and from time to time, with or without consideration, release any one or more guarantors of the Obligations, and/or release Dealer from all or any

of the Obligations and/or agree to the substitution, exchange or release of all or any part of the collateral or security for the performance of the Obligations, in each case without notice to, or further consent from, Guarantor. Any such action shall not in any way affect or diminish the liability of Guarantor under this Guaranty. Guarantor waives all claims and defenses against Creditor based on principles of suretyship, including impairment of recourse and impairment of collateral.

8. If any or all of the Obligations are not duly paid or performed by Dealer and are not paid or performed under Section 1 for any reason, Guarantor agrees, as a separate and distinct obligation, to indemnify and hold harmless Creditor from and against all losses (including reasonable attorneys' fees) resulting from the failure of Dealer to pay or perform its Obligations.

9. If Guarantor advances any sums to Dealer or its successors or assigns, or if the Dealer or its successors or assigns are now or hereafter become indebted to Guarantor, such sums or indebtedness shall be subordinate in payment, collection and all other respects to the Obligations. If Guarantor collects any of such sums or indebtedness from Dealer at any time, such collected funds shall be deemed collected and received by Guarantor in trust for Creditor and shall be paid over to Creditor, upon demand by Creditor, for application on account of Dealer's Obligations.

10. Guarantor represents and warrants that: (a) Guarantor has the full power, authority, and legal right to enter into, execute, and deliver this Guaranty; (b) this Guaranty is a valid and binding legal obligation of Guarantor and is fully enforceable against Guarantor in accordance with its terms; (c) the execution, delivery, and performance by Guarantor of this Guaranty will not violate or constitute a default under any indenture, note, loan, or credit agreement or any other agreement or instrument to which Guarantor is a party or is bound; (d) Guarantor has a direct or indirect beneficial or financial interest in Dealer; and (e) if Guarantor or Dealer has delivered to Creditor financial statements of Guarantor, such financial statements were true and correct as of the date prepared, and there has been no material adverse change in the financial condition of Guarantor from the financial condition of Guarantor shown on such financial statements delivered to Creditor.

11. Guarantor agrees that Creditor has no duty to inform Guarantor, now or at any time hereafter, as to any facts concerning Dealer or the Obligations and that Guarantor is fully responsible for being and remaining informed by the Dealer of all circumstances bearing on the status of Dealer and the existence or creation or the risk of nonpayment of the Obligations. Credit may be granted or continued from time to time by Creditor to Dealer without notice to or authorization from Guarantor, regardless of the financial or other condition of the Dealer at the time of any such grant or continuation. Creditor shall have no obligation to disclose or discuss with Guarantor its assessment of the financial condition of Dealer. Guarantor acknowledges that no representations of any kind whatsoever have been made by Creditor to Guarantor.

12. Notwithstanding anything contained in this Guaranty or in any document or agreement creating or evidencing any of the Obligations to the contrary, Guarantor shall be in default under this Guaranty if Insolvency Proceedings are instituted by or against Guarantor or its property under any Insolvency Laws; or if any representation or warranty made by Guarantor in this Guaranty is incorrect or fails to state a material fact that is necessary to make the representation or warranty not misleading; or if Guarantor fails to perform any of its obligations under this Guaranty or breaches any of its covenants under this Guaranty; or if Guarantor causes or incurs a material adverse change in its financial condition from its financial condition shown on its financial statements delivered to Creditor before the date of the Guaranty. Upon the occurrence of any such default, or in the event of the death of Guarantor, Creditor may, at its option, accelerate the date payment or performance of the Obligations is due as to Guarantor.

13. All notices, requests, and other communications with respect to this Guaranty shall be in writing and shall be deemed to have been duly given, made, and received only when personally delivered as

documented by a courier's receipt, or upon actual receipt of registered or certified mail, postage prepaid, return receipt requested, addressed as set forth below (or at such other addresses as may be stated in notices similarly given):

If to Creditor: Bridgestone Bandag, LLC
Attn: Director of Credit
200 4TH Avenue South, Suite 100
Nashville, TN 37201

If to Guarantor: At Guarantor's address set forth on the signature page of this Guaranty.

14. All rights and remedies of Creditor under this Guaranty, any document or agreement creating or evidencing the Obligations, or by law are separate and cumulative, and the exercise of one shall not limit or prejudice the exercise of any other such rights or remedies. The enumeration in this Guaranty of any waivers or consents by Guarantor shall not be deemed exclusive of any additional waivers or consents by Guarantor that may be deemed to exist in law or equity. No delay or omission by Creditor in exercising any such right or remedy shall operate as a waiver of that right. No waiver of any rights and remedies under this Guaranty and no modification or amendment of this Guaranty shall be deemed made by Creditor unless in writing and duly signed by Creditor. Any such written waiver shall apply only to the particular instance specified therein and shall not impair the further exercise of such right or remedy or of any other right or remedy of Creditor, and no single or partial exercise of any right or remedy under this Guaranty shall preclude any other or further exercise thereof or any other right or remedy.

15. Guarantor shall pay to Creditor on demand any and all expenses, including reasonable attorneys' fees and disbursements, incurred or paid by Creditor in protecting, preserving, or enforcing Creditor's rights and remedies under this Guaranty or in respect of any of the Obligations. If Creditor employs counsel to enforce this Guaranty by suit or otherwise, Guarantor will reimburse Creditor, upon demand, for all expenses incurred in connection therewith (including, without limitation, reasonable attorneys' fees) whether or not suit is actually instituted.

16. Creditor shall have, to the fullest extent permitted by law, the right of set-off in respect of all money, credits or other property of Guarantor at any time in the possession of Creditor for all obligations of Guarantor under this Guaranty. After the occurrence of a default under this Guaranty, every such right of set-off may be exercised without notice to Guarantor.

17. This Guaranty shall be binding on Guarantor and Guarantor's successors and permitted assigns. Guarantor may not assign Guarantor's obligations under this Guaranty without a prior written consent signed by an authorized officer of Creditor, which consent may be withheld for any reason. No consent to any assignment shall release Guarantor from any of its obligations under this Guaranty, except to the extent that the written consent of Creditor expressly provides for such release. This Guaranty shall be binding upon Guarantor's heirs, executors, and legal representatives.

18. Nothing contained in this Guaranty is intended to supersede, modify, or otherwise affect any other guaranty or suretyship agreement from Guarantor to Creditor.

19. Guarantor will deliver to Creditor, within ninety (90) days after the end of each calendar year, a financial statement of Guarantor and such other financial information as Creditor may reasonably require, all in reasonable detail and prepared in accordance with accounting principles consistently applied.

20. If Guarantor consists of more than one person, the obligations and liabilities under this Guaranty of those persons shall be joint and several, and the word "Guarantor" shall mean all, some or any of them. In this Guaranty, words and defined terms or phrases importing the singular include the plural and vice versa, the use of any pronoun includes the corresponding masculine, feminine, and neuter forms, and the word "including" is deemed to be followed by the words "without limitation".

21. This Guaranty may be signed in several counterparts, each of which shall be deemed to be an original as against any party whose signature appears thereon, all of which counterparts will together constitute this Guaranty. Each such counterpart shall be valid and enforceable against the party and/or parties by whom it is signed, even if fewer than all of the individuals or entities who are intended to sign this Guaranty or a counterpart of this Guaranty actually sign this Guaranty or a counterpart thereof. Facsimile or other mechanically reproduced signatures shall have the same effect as handwritten signatures for all purposes of this Guaranty.

22. GUARANTOR KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ANY RIGHT GUARANTOR MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON, ARISING OUT OF, OR RELATING TO THIS GUARANTY, THE GUARANTEED OBLIGATIONS, ANY AGREEMENTS IN RESPECT OF THE GUARANTEED OBLIGATIONS, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENT (WHETHER ORAL OR WRITTEN), OR ACTION OF GUARANTOR, DEALER, OR CREDITOR WITH RESPECT TO ANY OF THE FOREGOING. THIS PROVISION IS A MATERIAL INDUCEMENT FOR ANY EXTENSION OF CREDIT TO DEALER BY CREDITOR.

23. This Guaranty and all questions relating to its validity, interpretation, performance, and enforcement shall be governed by and construed according to the laws of the State of Iowa, excluding Iowa law with respect to conflicts of law. Guarantor consents and submits to personal jurisdiction of the federal and state courts located in Iowa for purposes of any litigation arising under or relating to this Guaranty and agrees that service of process may be made and personal jurisdiction over Guarantor obtained in accordance with the applicable laws of Iowa. Guarantor further agrees that any action, suit, or proceeding to enforce this Guaranty may be brought in any state or federal court in Iowa and waives any objection which Guarantor may have to the venue of any such court in any such action, suit, or proceeding. Nothing in this Guaranty shall prevent Creditor from bringing any action, suit, or proceeding to enforce this Guaranty or from exercising any right against any security for the performance of Dealer's Obligations or against any property of Guarantor in any other jurisdiction or state. Initiating such action, suit, or proceeding or taking such action in any other jurisdiction or state shall not, however, constitute a waiver of the provision contained in this section that the laws of Iowa shall govern the rights and obligations of Guarantor and Creditor under this Guaranty.

24. Guarantor: (a) acknowledges that Guarantor has received a copy of the Franchise Agreement; (b) represents to Creditor that Guarantor has read the Franchise Agreement; and (c) agrees to comply with and be bound by the conflicts of interest provisions contained in Section 6, the intellectual property provisions contained in Section 7, and the franchise transfer and succession planning provisions contained in Section 8 of the Franchise Agreement to the same extent and for the same period of time as Dealer and as if Guarantor were named as the dealer or franchisee in the Franchise Agreement.

25. To the extent that any of the Obligations may be owed at any time to any of the Bridgestone Companies other than Bandag, Guarantor acknowledges that Bandag is acting as agent for such Bridgestone Companies with respect to this Guaranty, including the exercise of Creditor's rights and remedies under this Guaranty.

26. This Guaranty contains the entire understanding between Creditor and Guarantor with respect to Guarantor's obligations in connection with the Obligations and any agreement creating or evidencing any of the Obligations, and supersedes all prior and contemporaneous agreements, understandings, inducements, conditions, express or implied, oral or written, except as contained in the Guaranty. Guarantor intends that all provisions of this Guaranty be enforced to the maximum extent permitted by applicable law.

Guarantor has duly executed this Guaranty as of the date stated in the introductory paragraph.

EXHIBIT C-2
ENTITY GUARANTY

ENTITY GUARANTY

This GUARANTY (“Guaranty”), is executed as of **DATE**, by **GUARANTOR LEGAL ENTITY NAME** (“Guarantor”), in favor of **BRIDGESTONE BANDAG, LLC**, an Iowa limited liability company, (“Bandag”), on behalf of itself and as agent for its present and future parent, subsidiaries and affiliates (collectively, the “Bridgestone Companies”). Bandag and the Bridgestone Companies are referred to collectively and individually as “Creditor”.

Recitals

LEGAL ENTITY NAME (“Dealer”) is or may become an authorized dealer of Bandag pursuant to one or more existing or future franchise agreements, license agreements or similar agreements between Dealer and Bandag (collectively, the “Franchise Agreement”). Dealer has requested Creditor to extend credit to Dealer to enable Dealer to acquire goods, equipment, materials, software, products, or services from Creditor from time to time, pursuant to the Franchise Agreement or otherwise. It is a condition precedent to any extension of credit by Creditor to Dealer that Guarantor execute and deliver to Creditor a guaranty in substantially the form hereof. To induce the Creditor to supply goods, equipment, materials, software, products; or services to Dealer on credit, Guarantor has agreed to guarantee payment and performance of Dealer’s obligations to Creditor. Guarantor has a direct or indirect beneficial or financial interest in Dealer and will benefit from any extension of credit by Creditor to Dealer.

Guaranty

In consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which is acknowledged by Guarantor, Guarantor irrevocably, continually, and unconditionally, jointly and severally, agrees as follows:

1. Guarantor guarantees, as primary obligor and not merely as surety, the punctual performance and payment of (i) all indebtedness, obligations, and liabilities of every kind and nature of Dealer to Bandag or any of the Bridgestone Companies, however evidenced, whether now existing or hereafter created or arising, directly or indirectly, primary or secondary, absolute or contingent, joint or several, and however owned, held, or acquired, whether on open account, through discount, overdraft, purchase, direct loan or as collateral, or otherwise (including all purchase-money obligations); and (ii) the timely and full performance by Dealer of each and every duty, agreement, covenant, warranty, undertaking, and indemnity on the part of Dealer contained herein or in the Franchise Agreement or any existing or future contracts, subcontracts, documents, instruments or other agreements to which Dealer and Bandag (or any Bridgestone Company) are parties, or as to which Dealer may otherwise be obligated to Bandag (or any Bridgestone Company), including all modifications, supplements, amendments, and replacements thereto or thereof (collectively, including the Franchise Agreement, the “Related Agreements”), together with interest thereon on the unpaid principal amount from the date of demand on Guarantor at a rate equal to the lesser of eighteen percent per annum or the highest rate permitted by applicable law (collectively, the “Obligations”). The amount of this Guaranty is unlimited. If Dealer fails to perform any of the Obligations when performance is due (including payment), all Obligations shall, at Creditor’s option, immediately become due and payable by Guarantor to Creditor without notice.
2. Guarantor waives: (a) any right to notice of the creation of the Obligations; (b) any rights Guarantor may have by reason of any forbearance, modification, waiver, renewal, or extension that Creditor may grant, or to which Creditor and Dealer may agree, with respect to the Obligations; (c) notice of acceptance of this Guaranty; (d) presentment, demand, notice, or protest of any kind; and (e) all defenses, offsets, and counterclaims based on impairment of collateral, suretyship, or on Guarantor’s status as guarantor of the Obligations (other than the defense of prior full, final, and indefeasible payment and performance of all Obligations).
3. All payments by Guarantor to Creditor shall be paid in lawful money of the United States of America and shall be payable without set-off, deduction, or counterclaim.

4. Guarantor's obligations under this Guaranty shall not be affected by any bankruptcy, liquidation, reorganization, debt arrangement, receivership, trusteeship, assignment for the benefit of creditors or other insolvency proceedings ("Insolvency Proceedings") instituted by or against Dealer or its property under any applicable federal, state or foreign bankruptcy, reorganization, arrangement, insolvency, receivership, or similar laws ("Insolvency Laws"), or any discharge of any of the Obligations in any such Insolvency Proceedings. This Guaranty shall remain in full force and effect until: (a) all Obligations have been indefeasibly paid in full to Creditor; (b) all obligations and indemnifications of Dealer to Creditor have been fulfilled; and (c) all sums received by Creditor from Dealer or Guarantor are not subject to rescission, disgorgement, avoidance or repayment in connection with any Insolvency Proceedings. Guarantor's obligations hereunder shall be absolute, unconditional, and irrevocable, regardless of whether the Obligations are created before or after the commencement of any Insolvency Proceedings. Guarantor's obligations under this Guaranty shall include, but not be limited to, any interest, late charges, attorneys' fees, or other sums coming due under the terms of any document or agreement creating or evidencing any of the Obligations (without reference to the effect of Insolvency Laws) after the commencement of any Insolvency Proceedings regardless of whether applicable Insolvency Laws permit such sums to be collected from Dealer or to accrue with respect to Dealer.

5. Guarantor waives to the fullest extent possible any and all claims that Guarantor may have against Dealer arising out of any payment by Guarantor to Creditor of any of the obligations under this Guaranty, including, but not limited to, all such claims arising out of any right of subrogation, indemnity, reimbursement, contribution, exoneration, payment, or any other claim, cause of action, right, or remedy against Dealer, whether such claim arises at law, in equity, or out of any written or oral agreement between Guarantor and Dealer or otherwise.

6. The obligations of Guarantor under this Guaranty shall be unconditional and irrevocable, irrespective of any of the following: (a) any lack of legality, validity, or enforceability of any of the documents or agreements creating or evidencing any of the Obligations; (b) any limitation of liability of the Dealer, or its constituent shareholders or members, contained in any document or agreement creating or evidencing any of the Obligations; (c) the existence of any security given to secure any of the Obligations; (d) impossibility or the illegality of performance on the part of Dealer of any of its Obligations; (e) the sale or other transfer of all or any portion of any collateral securing performance of any of the Obligations; (f) Insolvency Proceedings involving Dealer; (g) any stay, disaffirmance, or other action in Dealer's Insolvency Proceedings; (h) any defense that may arise by reason of the incapacity or lack of authority of Dealer or Guarantor or the failure of Creditor to file or enforce a claim against the estate of Dealer in any Insolvency Proceedings; or (i) any other circumstances, occurrence, or condition, whether similar or dissimilar to any of the foregoing, that might otherwise constitute a legal or equitable defense, discharge, or release of a guarantor or surety. If Dealer defaults under any document or agreement creating or evidencing any of the Obligations and Creditor is prevented from accelerating or collecting payment or performance of any of the Obligations (whether because of Dealer's Insolvency Proceedings or any other reason), Creditor shall be entitled to receive from Guarantor, upon demand by Creditor, the sums that would have otherwise been due and payable had such acceleration occurred and had Creditor been permitted to collect such sums from Dealer.

7. Guarantor agrees that Creditor may at any time and from time to time, with or without consideration, release any one or more guarantors of the Obligations and/or release Dealer from all or any of the Obligations; and/or agree to the substitution, exchange or release of all or any part of the collateral or security for the performance of the Obligations, in each case without notice to, or further consent from, Guarantor. Any such action shall not in any way affect or diminish the liability of Guarantor under this Guaranty. Guarantor waives all claims and defenses against Creditor based on principles of suretyship, including impairment of recourse and impairment of collateral.

8. If any or all of the Obligations are not duly paid or performed by Dealer and are not paid or performed under Section 1 for any reason, Guarantor agrees, as a separate and distinct obligation, to indemnify and hold harmless Creditor from and against all losses (including reasonable attorneys' fees) resulting from the failure of Dealer to pay or perform its Obligations.

9. If Guarantor advances any sums to Dealer or its successors or assigns, or if the Dealer or its successors or assigns are now or hereafter become indebted to Guarantor, such sums or indebtedness shall be subordinate in payment, collection and all other respects to the Obligations. If Guarantor collects any of such sums or indebtedness from Dealer at any time, such collected funds shall be deemed collected and received by Guarantor in trust for Creditor and shall be paid over to Creditor, upon demand by Creditor, for application on account of Dealer's Obligations.

10. Guarantor represents and warrants that: (a) Guarantor has the full power, authority, and legal right to enter into, execute, and deliver this Guaranty; (b) this Guaranty is a valid and binding legal obligation of Guarantor and is fully enforceable against Guarantor in accordance with its terms; (c) the execution, delivery, and performance by Guarantor of this Guaranty will not violate or constitute a default under any indenture, note, loan, or credit agreement or any other agreement or instrument to which Guarantor is a party or is bound; (d) Guarantor has a direct or indirect beneficial or financial interest in Dealer; and (e) if Guarantor or Dealer has delivered to Creditor financial statements of Guarantor, such financial statements were true and correct as of the date prepared, and there has been no material adverse change in the financial condition of Guarantor from the financial condition of Guarantor shown on such financial statements delivered to Creditor.

11. Guarantor agrees that Creditor has no duty to inform Guarantor, now or at any time hereafter, as to any facts concerning Dealer or the Obligations and that Guarantor is fully responsible for being and remaining informed by the Dealer of all circumstances bearing on the status of Dealer and the existence or creation or the risk of nonpayment of the Obligations. Credit may be granted or continued from time to time by Creditor to Dealer without notice to or authorization from Guarantor, regardless of the financial or other condition of the Dealer at the time of any such grant or continuation. Creditor shall have no obligation to disclose or discuss with Guarantor its assessment of the financial condition of Dealer. Guarantor acknowledges that no representations of any kind whatsoever have been made by Creditor to Guarantor.

12. Notwithstanding anything contained in this Guaranty or in any document or agreement creating or evidencing any of the Obligations to the contrary, Guarantor shall be in default under this Guaranty if Insolvency Proceedings are instituted by or against Guarantor or its property under any Insolvency Laws; or if any representation or warranty made by Guarantor in this Guaranty is incorrect or fails to state a material fact that is necessary to make the representation or warranty not misleading; or if Guarantor fails to perform any of its obligations under this Guaranty or breaches any of its covenants under this Guaranty; or if Guarantor causes or incurs a material adverse change in its financial condition from its financial condition shown on its financial statements delivered to Creditor before the date of the Guaranty. Upon the occurrence of any such default, Creditor may, at its option, accelerate the date payment or performance of the Obligations is due as to Guarantor.

13. All notices, requests, and other communications with respect to this Guaranty shall be in writing and shall be deemed to have been duly given, made, and received only when personally delivered as documented by a courier's receipt, or upon actual receipt of registered or certified mail, postage prepaid, return receipt requested, addressed as set forth below (or at such other addresses as may be stated in notices similarly given):

If to Creditor: Bridgestone Bandag, LLC
Director of Credit
200 4th Avenue South Suite 100
Nashville, TN 37201

If to Guarantor: At Guarantor's address set forth on the signature page of this Guaranty.

14. All rights and remedies of Creditor under this Guaranty, any document or agreement creating or evidencing the Obligations, or by law are separate and cumulative, and the exercise of one shall not limit or prejudice the exercise of any other such rights or remedies. The enumeration in this Guaranty of any waivers or consents by Guarantor shall not be deemed exclusive of any additional waivers or consents by Guarantor that may be deemed to exist in law or equity. No delay or omission by Creditor in exercising any such right or remedy

shall operate as a waiver of that right. No waiver of any rights and remedies under this Guaranty and no modification or amendment of this Guaranty shall be deemed made by Creditor unless in writing and duly signed by Creditor. Any such written waiver shall apply only to the particular instance specified therein and shall not impair the further exercise of such right or remedy or of any other right or remedy of Creditor, and no single or partial exercise of any right or remedy under this Guaranty shall preclude any other or further exercise thereof or any other right or remedy.

15. Guarantor shall pay to Creditor on demand any and all expenses, including reasonable attorneys' fees and disbursements, incurred or paid by Creditor in protecting, preserving, or enforcing Creditor's rights and remedies under this Guaranty or in respect of any of the Obligations. If Creditor employs counsel to enforce this Guaranty by suit or otherwise, Guarantor will reimburse Creditor, upon demand, for all expenses incurred in connection therewith (including, without limitation, reasonable attorneys' fees) whether or not suit is actually instituted.

16. Creditor shall have, to the fullest extent permitted by law, the right of set-off in respect of all money, credits or other property of Guarantor at any time in the possession of Creditor for all obligations of Guarantor under this Guaranty. After the occurrence of a default under this Guaranty, every such right of set-off may be exercised without notice to Guarantor.

17. This Guaranty shall be binding on Guarantor and Guarantor's successors and permitted assigns. Guarantor may not assign Guarantor's obligations under this Guaranty without a prior written consent signed by an authorized officer of Creditor, which consent may be withheld for any reason. No consent to any assignment shall release Guarantor from any of its obligations under this Guaranty, except to the extent that the written consent of Creditor expressly provides for such release.

18. Nothing contained in this Guaranty is intended to supersede, modify, or otherwise affect any other guaranty or suretyship agreement from Guarantor to Creditor.

19. Guarantor will not dissolve or liquidate and will not sell, transfer or otherwise dispose of all or a substantial part of its assets to, or consolidate with, or merge into, any person or entity or permit any other person or entity to merge into Guarantor, without the prior written consent of Creditor, which consent may be withheld for any reason.

20. Guarantor will deliver to Creditor, within ninety (90) days after the end of each fiscal year of Guarantor, a consolidated financial statement of Guarantor and such other financial information as Creditor may reasonably require, all in reasonable detail and prepared in accordance with accounting principles consistently applied.

21. If Guarantor consists of more than one partnership, corporation, or other entity, the obligations and liabilities under this Guaranty of those firms and corporations shall be joint and several, and the word "Guarantor" shall mean all, some or any of them. In this Guaranty, words and defined terms or phrases importing the singular include the plural and vice versa, the use of any pronoun includes the corresponding masculine, feminine, and neuter forms, and the word "including" is deemed to be followed by the words "without limitation".

22. This Guaranty may be signed in several counterparts, each of which shall be deemed to be an original as against any party whose signature appears thereon, all of which counterparts will together constitute this Guaranty. Each such counterpart shall be valid and enforceable against the party and/or parties by whom it is signed, even if fewer than all of the individuals or entities who are intended to sign this Guaranty or a counterpart of this Guaranty actually sign this Guaranty or a counterpart thereof. Facsimile or other mechanically reproduced signatures shall have the same effect as handwritten signatures for all purposes of this Guaranty.

23. GUARANTOR KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ANY RIGHT GUARANTOR MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON, ARISING OUT OF, OR RELATING TO THIS GUARANTY, THE GUARANTEED OBLIGATIONS, ANY AGREEMENTS IN RESPECT OF THE GUARANTEED OBLIGATIONS, OR ANY COURSE OF CONDUCT,

COURSE OF DEALING, STATEMENT (WHETHER ORAL OR WRITTEN), OR ACTION OF GUARANTOR, DEALER, OR CREDITOR WITH RESPECT TO ANY OF THE FOREGOING. THIS PROVISION IS A MATERIAL INDUCEMENT FOR ANY EXTENSION OF CREDIT TO DEALER BY CREDITOR.

24. This Guaranty and all questions relating to its validity, interpretation, performance, and enforcement shall be governed by and construed according to the laws of the State of Iowa, excluding Iowa law with respect to conflicts of law. Guarantor consents and submits to personal jurisdiction of the federal and state courts located in Iowa for purposes of any litigation arising under or relating to this Guaranty and agrees that service of process may be made and personal jurisdiction over Guarantor obtained in accordance with the applicable laws of Iowa. Guarantor further agrees that any action, suit, or proceeding to enforce this Guaranty may be brought in any state or federal court in Iowa and waives any objection which Guarantor may have to the venue of any such court in any such action, suit, or proceeding. Nothing in this Guaranty shall prevent Creditor from bringing any action, suit, or proceeding to enforce this Guaranty or from exercising any right against any security for the performance of Dealer's Obligations or against any property of Guarantor in any other jurisdiction or state. Initiating such action, suit, or proceeding or taking such action in any other jurisdiction or state shall not, however, constitute a waiver of the provision contained in this section that the laws of Iowa shall govern the rights and obligations of Guarantor and Creditor under this Guaranty.

25. Guarantor: (a) acknowledges that Guarantor has received a copy of the Franchise Agreement; (b) represents to Creditor that Guarantor has read the Franchise Agreement; and (c) agrees to comply with and be bound by the conflicts of interest provisions contained in Section 6, the intellectual property provisions contained in Section 7, and the franchise transfer and succession planning provisions contained in Section 8 of the Franchise Agreement to the same extent and for the same period of time as Dealer and as if Guarantor were named as the dealer or franchisee in the Franchise Agreement.

28. To the extent that any of the Obligations may be owed at any time to any of the Bridgestone Companies other than Bandag, Guarantor acknowledges that Bandag is acting as agent for such Bridgestone Companies with respect to this Guaranty, including the exercise of Creditor's rights and remedies under this Guaranty.

26. This Guaranty contains the entire understanding between Creditor and Guarantor with respect to Guarantor’s obligations in connection with the Obligations and any agreement creating or evidencing any of the Obligations, and supersedes all prior and contemporaneous agreements, understandings, inducements, conditions, express or implied, oral or written, except as contained in the Guaranty. Guarantor intends that all provisions of this Guaranty be enforced to the maximum extent permitted by applicable law.

Guarantor has duly executed this Guaranty as of the date stated in the introductory paragraph.

If Customer is delinquent in its payments, Bridgestone Bandag, LLC may, upon written notice to Customer, modify the payment terms to require full payment before the provision of all Products or Services or require other assurances to secure Customer's payment obligations hereunder. Customer will pay all bank charges, taxes, duties, levies and other costs and commissions associated with other methods of invoicing and payment. Bridgestone Bandag, LLC may suspend Customer's use of the BASys Manufacturing System and the fulfillment of Orders for which payment is overdue until the overdue amount is paid in full.

3.3 Taxes. EXHIBIT E

NATIONAL ACCOUNT PROGRAM DESCRIPTION

DESCRIPTION OF NATIONAL ACCOUNT PROGRAMS**Set Program**

A program with set pricing agreed upon between BATO and the National Account. The National Account signs an agreement with BATO. In a Set Program, retread and repair process are negotiated between BATO and the National Account. Agreed upon prices are 'set' in the BATO billing system and the National Account customer will be invoiced at those agreed upon 'set' prices.

Dealer reimbursement will follow Standard Reimbursement policies for retreads and repairs unless otherwise informed.

Negotiated Program

A program with negotiated pricing between National Account locations and servicing dealer(s). On a Negotiated Program, ALL retreads and repairs are negotiated between the National Account and the local Bandag Dealer. An agreement is signed between BATO and the National Account to establish the program. Selected servicing BATO dealers submit agreed upon pricing to BATO. BATO loads and maintains 'negotiated' retread and repair pricing in the BATO billing system and the National Account will be invoiced at those 'negotiated' prices. Dealer reimbursement will be the same as the fleet price e.g. pass-through, unless otherwise informed.

All Other Factor / Off Factor

In addition to a Set or Negotiated retread/repair pricing program, an All Other Factor or Off Factor is applied to each National Account program. This allows the National Account to purchase products that are not 'set' or 'negotiated', in the event of an emergency or otherwise. An off factor is established and applied to the Suggested Truck/Light Truck Price list book in effect at the time of billing.

Dealer reimbursement will follow Standard Reimbursement policies for retreads and repairs unless otherwise informed.

SERVICE PRICING**Standard Service and Labor Rates**

A National Account Standard Service and Labor Rate (SSLR) book is established by BATO for service pricing. The SSLR is typically updated annually, but may be updated more frequently. A fleet will pay SSLR unless a dealer chooses to bill less than SSLR. A dealer may not bill over SSLR. BATO will invoice a National Account at or below (if a dealer enters a lower price) SSLR.

Dealer reimbursement will be the same as the fleet price e.g. pass-through, minus a standard administrative fee, unless otherwise informed. A few service types are exempt the administrative fee.

Contract Service Pricing

Contract Service Pricing is when one or more service rates are negotiated between BATO and the National Account customer. In this case, BATO will load the agreed upon price for the Fleet's selected, primary, servicing dealer(s). When a selected, primary, or servicing dealer bills a Contract Service to a National Account, the contracted rate will be invoiced to the National Account. The National Account will be invoiced at SSLR for services billed through all other dealers (dealer not selected as primary).

Dealer reimbursement will be the same as the fleet price e.g. pass-through, minus a standard administrative fee, unless otherwise informed. A few service types are exempt the administrative fee.

1.02 EXHIBITS. The following exhibits are attached to and form a part of this Agreement:

Exhibit A: Dealer Locations

**ARTICLE 2
SUBCONTRACT/DEALER OBLIGATIONS**

2.01 SUBCONTRACT FOR PRODUCTS AND SERVICES.

- (1) Subject to the provisions of this Agreement, Bandag and BATO appoint Dealer as a non-exclusive subcontractor to provide the P&S to Customers from the Dealer Locations identified in Exhibit A in accordance with this Agreement (including the Manual) and the Franchise Agreement.
- (2) Dealer shall have the right to refuse to accept any order for the P&S from a Customer.
- (3) If Dealer accepts an order for P&S from a Customer, Dealer agrees that it shall provide P&S to such Customer strictly in accordance with all of the specifications of the P&S in such order, the provisions of this Agreement (including the Manual), and the Franchise Agreement.
- (4) Unless otherwise specified in the Manual, all P&S (including BANDAG Retreads) provided by the Dealer to a Customer pursuant to this Agreement shall be deemed to be a sale of such P&S by Dealer to BATO for resale by BATO to such Customer.

2.02 DESIGNATED DEALERS; NON-OUTSOURCING AGREEMENTS. Bandag developed the Sales Agreements to meet the demands of Customers which require an agreement with one supplier of P&S (including BANDAG Retreads) providing, on a national or regional basis: (a) standardized products and services; (b) uniform pricing and terms; (c) centralized billing and communications; and (d) a national warranty program. Many Customers also expressed the desire that Dealers not contact them seeking to provide P&S under the Sales Agreements. Consequently, each Customer with a Non-Outsourcing Agreement may request the Designated Dealer for each of its Service Locations, subject to approval of Bandag and BATO. If Dealer is selected as the Designated Dealer for a Customer's Service Location as contemplated by the previous sentence, Bandag or BATO shall notify Dealer of such selection. Dealer acknowledges that each such Customer with a Non-Outsourcing Agreement has the right to request the Designated Dealers for each of its Service Locations (subject only to the approval of Bandag and BATO and the consent of each selected dealer) and to request a change of Designated Dealers from time to time, without the consent of the incumbent Designated Dealers. Notwithstanding the foregoing, Dealer shall have the right with respect to all Customers who are parties to Non-Outsourcing Agreements to: (a) accept orders from such Customers for the provision of P&S (i) for drive-in business and (ii) at Service Locations for which Dealer has not been selected as the Designated Dealer if such orders are initiated by the Customer and not solicited by Dealer; and (b) solicit orders from any Customer for Other Products and Services. If Bandag selects Dealer as a Designated Dealer to supply P&S to any Customers with Outsourcing Agreements, Bandag, BATO and Dealer shall enter into an Outsourcing Addendum amending and supplementing this Agreement with respect to the provision of P&S by Dealer as a Designated Dealer to Customers with Outsourcing Agreements.

2.03 FACILITIES; PERSONNEL; MATERIALS; EQUIPMENT. Dealer agrees to provide all of the necessary facilities, personnel, materials, and equipment and shall otherwise do all things necessary for the provision of P&S by Dealer hereunder. Without limiting the generality of the foregoing, in accordance with the provisions of the Manual, Dealer agrees to maintain: (a) a sufficient inventory of approved new tires, used tires, retreaded tires, tire rims, and other materials required by the Manual; and (b) service

equipment, an adequate stock of service parts, and appropriate tools and equipment necessary for Dealer to provide the P&S.

2.04 BANDAG DEALER SUBCONTRACT MANUAL. Bandag shall loan to Dealer one copy of its proprietary and confidential Bandag Dealer Subcontract Manual (the "Manual") for each of the Dealer Locations identified as a Manufacturing Location in Exhibit A, setting forth the requirements, procedures, standards, and specifications of the P&S to be provided to the Customers. The Manual shall include: (a) means for the Dealer to verify the identity of Customers; (b) Customer Program Guides setting forth the specifications of P&S for each Customer; and (c) Pricing Guides for each Customer for which Dealer is a Designated Dealer and other materials setting forth the compensation to be credited to Dealer's Accounts ("Charges") as payment for the provision of P&S by Dealer to a Customer pursuant to this Agreement and any administration or service fees or charges to be debited to Dealer's Accounts ("Administration Fees") for the administrative services provided to Dealer by Bandag hereunder. In addition and without limiting the generality of the foregoing, the Manual may establish rules, policies, specifications, requirements, and procedures for: (i) materials, equipment, and supplies to be used in the provision of P&S; (ii) inventory requirements and methods of inventory tracking, management and control (including Custodial Property); (iii) bookkeeping and accounting; (iv) insurance; (v) Bandag's National Warranty Program and other applicable warranty programs; and (vi) meeting any other requirements of a Sales Agreement. Bandag may amend, replace, substitute, or add to any of the provisions of the Manual from time to time and will deliver copies thereof to Dealer. Dealer shall at all times ensure that its copy of the Manual is kept current and up-to-date. In the event of any dispute as to the contents of the Manual, the terms of the master copy of the Manual maintained by Bandag shall be controlling.

2.05 ORDERS; DELIVERY RECEIPT. Dealer agrees that it shall accept an order for P&S with respect to an Outsourcing Agreement and Emergency Tire Assistance™ only from Bandag. With respect to all other orders, Dealer agrees that it shall, before accepting any order for P&S from a Customer, review the order carefully to verify: (a) that the order is being submitted by a Customer identified in the Manual; and (b) compliance with the P&S specifications set forth in the Manual applicable to such Customer. If Dealer is unable to supply BANDAG Retreads specified in an order (or an acceptable substitute specified in the Manual) from a Customer within a reasonable time, Dealer and the Customer may agree to substitute other BANDAG Retreads (a "Substitute Retread"). Dealer agrees with respect to each accepted order for P&S: (m) promptly and faithfully to provide all of the P&S which are the subject of any order which complies with the requirements of the Manual in accordance with the provisions of this Agreement, the Franchise Agreement, and the Manual; and (n) when P&S are supplied by Dealer pursuant to such order, to complete Bandag's most current delivery receipt form applicable to the respective Customer (a "Delivery Receipt") in accordance with the instructions printed thereon (if the order involves Substitute Retreads or Other Products and Services, the Substitute Retread or the Other Products and Services and the respective prices thereof shall be identified in the appropriate spaces on the Delivery Receipt) and obtain the signature of an authorized employee of the Customer ordering the P&S in the space provided on the form. Within seven business days after Dealer receives the information from the Customer necessary to complete the Delivery Receipt, Dealer shall, as directed by BATO: (x) mail a copy of each Delivery Receipt to BATO; or (y) transmit the information contained in each Delivery Receipt to BATO via the internet through the Bridgestone Firestone Dealer Direct Input system (Web DDI). If Dealer is unable to obtain information from the Customer which will enable Dealer to complete the Delivery Receipt in a timely manner, Dealer shall notify BATO of the situation, so that BATO can take appropriate action with the Customer.

2.06 EMERGENCY TIRE ASSISTANCE™. Dealer agrees to use its best efforts to provide Emergency Tire Assistance™ to each Customer as ordered by Bandag from time to time.

2.07 DEALER WARRANTY. In addition to any other express or implied warranties, Dealer expressly warrants to Bandag and BATO that all P&S performed or supplied by Dealer hereunder shall: (a) conform to specifications applicable to each Customer communicated to Dealer as part of an order of a

Customer and with all requirements of this Agreement (including applicable portions of the Manual); (b) shall be free from defect in material or workmanship and be performed in a good and workmanlike manner; and (c) comply with, or be manufactured or performed in accordance with, all applicable federal, state, provincial, territorial, and local laws and regulations. Dealer's warranties will run to the Bandag Indemnified Parties. Dealer, at its expense, shall promptly replace or correct defective or nonconforming P&S when notified of such nonconformity or defect by BATO or Customer or, at BATO's option, promptly reimburse BATO or its designee for the costs of correcting such defective or nonconforming P&S.

2.08 OTHER PRODUCTS AND SERVICES.

- (1) If Dealer sells or provides any Other Products and Services to a Customer, Dealer, in supplying such Other Products and Services, is acting as an independent contractor contracting directly with such Customer and not as the agent, subcontractor, or representative of Bandag or BATO. Under no circumstances shall Bandag or BATO be responsible or liable in any manner whatsoever for the performance or quality of any Other Products and Services. Dealer shall identify any Other Products and Services to a Customer as products or services which are outside the scope of the P&S. Unless otherwise expressly provided in the Manual, the sale of casings and scrap tire disposal are excluded from the P&S for each Customer, and the pricing and terms of sale for casings or for scrap tire disposal for each Customer shall be mutually agreed upon between the Dealer and each Customer as part of the Other Products and Services supplied by the Dealer to such Customer.
- (2) BATO, at its option, may agree from time to time to bill a Customer for tire related Other Products and Services, accept payment thereon from the Customer on behalf of Dealer, and credit Dealer's Accounts with BATO with respect to such Other Products and Services in accordance with Section 5.02. The prices and other terms of sale for Other Products and Services shall be as mutually agreed from time to time between Dealer and each Customer purchasing such Other Products and Services from Dealer. Dealer shall be solely responsible for the collection and payment of all sales, use, privilege, ad valorem, excise, goods and services or other taxes which are payable to any federal, state, provincial, territorial or other government agency with respect to amounts billed by BATO to a Customer for Other Products and Services on Dealer's behalf and the filing of all returns or reports with respect to such taxes.
- (3) Under no circumstances shall BATO be responsible for collecting any sum billed to a Customer by BATO in respect of any Other Products and Services or resolving any disputes with respect to such Other Products and Services. Dealer shall be solely responsible for collecting all sums billed by BATO to a Customer for Other Products and Services which are not voluntarily paid to BATO and for resolving all disputes relating, directly or indirectly, to such Other Products and Services.

2.09 DEALER WARRANTY AND PRODUCT RECALL ASSISTANCE. During and after the term of this Agreement, Dealer shall take or perform all actions in respect of any P&S supplied to any of the Customers by Dealer or other Bandag dealers which are necessary to: (a) validate fully any warranty; (b) file and process any warranty claim; or (c) participate in any product recall. Without limiting the generality of the foregoing, Dealer agrees to participate in and comply with the requirements of all warranty programs identified in the Manual with respect to BANDAG Retreads manufactured by Dealer or other Bandag dealers.

2.10 OTHER SUBCONTRACTORS. BATO reserves the right to provide any products or services (including P&S) directly to each of the Customers under their respective Sales Agreements or to let other subcontracts for the supply of products and services (including P&S) to the Customers in connection with

such agreements. Dealer shall cooperate with and coordinate its activities with the activities of BATO and other BATO subcontractors (including other Bandag Dealers) in the provision of products and services (including P&S) to the Customers so that the work of BATO and all other BATO subcontractors will proceed with efficiency and dispatch.

2.11 CUSTODIAL PROPERTY.

- (1) Ownership of and title to any Custodial Property delivered by a Customer, Bandag or any of its Affiliates or Suppliers, to Dealer for processing or storage shall remain with the respective Customer, Bandag, Affiliate or Supplier, as the case may be, and any such Custodial Property shall be held by Dealer, without charge, on a bailment basis, subject to the directions of the respective owner of such Custodial Property. Dealer is not authorized to remove, charge, mortgage, encumber, grant a security interest in or otherwise deal with or sell any Custodial Property for its own account.
- (2) Dealer shall be responsible for any shortages of or damage or loss to Custodial Property while such Custodial Property is stored at any of the Dealer Locations or is otherwise under Dealer's care, custody or control.
- (3) Upon termination of this Agreement for any reason, the removal of Dealer as a Designated Dealer for any Service Location(s) or as otherwise directed by Bandag, Dealer agrees to permit Bandag or Bandag's designee to enter the Dealer Location(s) or any premises under Dealer's care, custody or control and to remove any Custodial Property.
- (4) Dealer authorizes Bandag and each Customer, Bandag Affiliate or Supplier to file such financing statements as any of the foregoing may deem necessary from time to time to put third parties on notice of their respective ownership of any Custodial Property.

**ARTICLE 3
COMMUNICATIONS AND RECORD KEEPING**

3.01 COORDINATION OF COMMUNICATIONS AND REPORTING OF INFORMATION. The parties recognize that the effective provision of P&S to a Customer is dependent on close and regular communication managed and coordinated by Bandag through its information systems, among Bandag, each Customer, Dealer, and other Bandag subcontractors and Bandag Affiliates. To this end, Dealer will participate fully in this communication process by providing timely communications and reporting, in such form and manner as Bandag may require, as to all matters relating to the provision of P&S by Dealer, including, but not limited to, all matters which must be reported by BATO to a Customer pursuant to the terms of a Sales Agreement. Dealer will be responsible for the accuracy and completeness of any report, data, or information provided by it to Bandag or BATO in accordance with this Agreement.

3.02 BOOKS AND RECORDS. Dealer will keep proper records of P&S supplied by Dealer hereunder in accordance with the provisions of the Manual and permit Bandag or any Bandag Affiliate to inspect, copy, and audit such records. Dealer agrees that Bandag and any Bandag Affiliate may furnish copies of the same to a Customer in an effort to answer questions or resolve disputes concerning P&S supplied by Dealer hereunder, and Dealer will cooperate fully and completely with Bandag in its efforts to answer such questions or resolve such disputes.

**ARTICLE 4
ASSIGNMENT**

4.01 ASSIGNMENT. Bandag and BATO have entered into this Agreement with Dealer based on Bandag's evaluation of Dealer's experience, capacity, and ability to provide the P&S. Accordingly, this Agreement and all of Dealer's rights and obligations hereunder are personal to Dealer, and Dealer shall not voluntarily, involuntarily, or by operation of law assign, delegate, subcontract, or otherwise transfer this Agreement or any of Dealer's rights or obligations hereunder without Bandag's prior written consent. Bandag may assign, subcontract or delegate all or any part of Bandag's or BATO's rights or obligations under this Agreement without Dealer's consent. Subject to the foregoing, this Agreement shall enure to the benefit of, and be binding on, the parties hereto and each of their respective successors and permitted assigns.

4.02 NO RELIEF FROM LIABILITY. No assignment, subcontract, delegation, or transfer of this Agreement or any of Dealer's rights or obligations hereunder by Dealer and no granting of any approval or consent thereto by Bandag or BATO shall relieve Dealer of any of its liabilities or obligations under this Agreement. Without limiting the generality of the foregoing, Dealer shall properly direct and control its subcontractors and shall have full responsibility for all of P&S provided by them on behalf of Dealer hereunder.

4.03 INDEPENDENT STATUS OF SUBCONTRACTORS. Nothing contained in this Agreement and no act of Dealer shall create any contractual relationship between any subcontractor of Dealer and Bandag or BATO.

**ARTICLE 5
DEALER ACCOUNTS AND PAYMENT**

5.01 DEALER ACCOUNTS. Dealer shall at all times participate in BATO's automatic debit/credit transfer program for the debiting or crediting of Dealer's account(s) with BATO ("Accounts") for amounts due either Dealer or BATO pursuant to the terms of this Agreement. If any Affiliate of Dealer is or, during the term of this Agreement, becomes a BATO authorized reseller of Bridgestone and/or Firestone brand tires, Dealer authorizes BATO to use Dealer's Affiliate Account for the purpose of crediting or debiting amounts due to or from Dealer under this Agreement. Dealer agrees to execute and deliver to BATO such documents and instruments as BATO may deem necessary from time to time to establish and maintain Dealer's participation in such automatic debit/credit transfer program. BATO shall credit or debit Dealer's Accounts with BATO for the amount due to or from Dealer hereunder in accordance with the provisions of this Agreement.

5.02 PAYMENT.

- (1) Dealer shall promptly provide BATO and, if so requested, Bandag, with all information in respect of P&S supplied by Dealer hereunder in accordance with Section 2.05 of this Agreement or, if applicable, Other Products and Services, in accordance with the requirements of the Manual, to enable BATO to invoice the applicable Customer for P&S or Other Products and Services furnished by Dealer hereunder on a timely basis.
- (2) BATO shall credit Dealer's Accounts for the Charges, less deductions for any Administration Fees or casing buybacks, in respect of the P&S supplied by Dealer to Customers pursuant to this Agreement. Unless otherwise expressly provided in the Manual, Dealer agrees that the Charges are complete, and no additional charges of any type shall be added without the express written consent of BATO including, but not limited to, charges for equipment, labor, material, scrap tire disposal, pickup and delivery, freight, shipping, taxes (including, but not limited to, sales, use, privilege, ad valorem, goods and

services, excise or other taxes), storage, or insurance.

- (3) Credits for the Charges and a provisional credit of the amount charged to the Customer by Dealer for Other Products and Services, less deductions for any Administration Fees, shall be made to Dealer's Accounts within two days after the date BATO's invoice in respect of such P&S and Other Products and Services is sent to the Customer. If the Customer fails to pay any charges for Other Products and Services within 60 days of the date of the invoice for such Other Products and Services or otherwise disputes any charges for such Other Products and Services, BATO may, at its option, debit Dealer's Accounts for the amount previously credited to Dealer's Accounts with respect to such Other Products and Services.
- (4) Dealer agrees that the Charges shall be the only compensation owing from BATO to Dealer for the provision of all P&S to the Customers by Dealer hereunder and all of Dealer's obligations under this Agreement, and Dealer accepts such compensation as payment in full for all expenses incurred by Dealer in providing P&S to the Customers hereunder and all of Dealer's obligations under this Agreement.

5.03 SET OFFS. Dealer agrees that BATO may withhold, set off, or deduct from any amount otherwise due to Dealer, such amount as may be reasonably necessary to reimburse, indemnify, or protect BATO or any of its Affiliates from any expense, loss, or damage of any nature including, without limitation, any adjustment of compensation to BATO on account of a dispute with a Customer as to the amount owing by a Customer under a Sales Agreement caused by any of the Dealer Responsible Parties, or any loss or damage which may be due to the default by Dealer in the performance of any of its obligations under this Agreement, or the breach of any representation or warranty given by Dealer to Bandag and/or BATO hereunder.

ARTICLE 6 INDEMNITY

6.01 DEALER INDEMNITY.

- (1) To the maximum extent permitted by law, Dealer shall defend, protect, indemnify, and hold harmless the Bandag Indemnified Parties from and against any and all Indemnified Costs sustained or incurred by or asserted against any of the Bandag Indemnified Parties that arise or result from, or relate to any: (a) act or omission of any of the Dealer Responsible Parties (including, without limitation, the negligence, strict liability, or willful misconduct of any of the Dealer Responsible Parties), except to the extent that such Indemnified Costs are caused directly by the negligent acts of Bandag or BATO; or (b) breach of this Agreement by Dealer (including any breach of warranty); or (c) violation of federal, state, provincial, territorial, or local law, ordinance, rule, regulation, or standard by any of the Dealer Responsible Parties, including, without limitation, any Health and Safety Laws; or (d) provision of P&S or Other Products and Services by Dealer.
- (2) If any suit, claim, or other proceeding shall be asserted against any of the Bandag Indemnified Parties on account of any cause of action referred to in Subsection 6.01(1), then Dealer shall promptly indemnify and hold harmless the Bandag Indemnified Parties and shall pay to Bandag or BATO all Indemnified Costs as provided in Subsection 6.01(1), that may be incurred or paid by or on behalf of any of the Bandag Indemnified Parties in connection with such suit, claim, or other proceeding, on demand. Bandag and/or BATO may, at their option and at Dealer's expense, assume the defense of any legal proceedings or settlement discussions relating to the foregoing or any other matter for

which Dealer is required to indemnify any of the Bandag Indemnified Parties under this Agreement. Alternatively, at Bandag's or BATO's option, Dealer shall, at Dealer's expense, assume defense of and responsibility for all or any part of such legal proceedings or discussions, subject to Dealer keeping Bandag and BATO informed at all times in writing as to the status thereof and provided that the defense shall be through legal counsel reasonably acceptable to Bandag and BATO and that no admission of liability shall be made by Dealer without the prior written consent of Bandag and BATO. Bandag and BATO may, at their expense, retain counsel of their choosing to participate in the defense of any such suit, claim, or other proceeding.

- (3) In any and all suits, claims, or other proceedings against the Bandag Indemnified Parties by any of the Dealer Responsible Parties, the indemnification obligation under Subsection 6.01(1) of this Agreement shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for Dealer or any other Person under workers' compensation legislation, disability benefit acts, or other employee benefit acts.

6.02 COOPERATION ON CLAIMS. Dealer shall, and shall ensure that each of the Dealer Responsible Parties, cooperate fully with Bandag and BATO in the reporting, investigation, prosecution, or defense of any and all accidents, claims, and suits against any of the Bandag Indemnified Parties arising out of, or relating to, or in connection with any claim which is subject to indemnification under the provisions of this Article 6.

6.03 INDEMNIFICATION OBLIGATIONS ABSOLUTE. Dealer's covenants of indemnity in this Agreement shall continue in full force and effect notwithstanding any insurance coverage that Dealer may carry. The insolvency or bankruptcy of any insurance company, or failure of any insurance company to pay any claim accruing shall not be held to waive any provisions of this Agreement with respect to the indemnification obligations of Dealer hereunder.

ARTICLE 7 INSURANCE

7.01 INSURANCE. During the term of this Agreement, Dealer shall, without limiting its obligations or liabilities herein, maintain and keep in force the following insurance with limits not less than those stated below or such greater amounts as Bandag or any Sales Agreement may require from time to time:

insurance shall cover all owned, hired, or non-owned motor vehicles, trailers, or semi-trailers.

- (d) Any other insurance which Dealer is required by law to provide or which may be required by any of the Sales Agreements and set forth in the Manual.

The policy limits required by Subsections 7.01(b) and 7.01(c) of this Agreement may be satisfied in part by excess liability or umbrella insurance policies, provided that all insurance policies comply with the requirements of Section 7.02 of this Agreement.

7.02 TERMS OF INSURANCE. The insurance obtained by Dealer pursuant to Section 7.01 shall be provided in accordance with the following terms and conditions:

- (a) The terms of the insurance required by Section 7.01 must be satisfactory to Bandag and BATO. Dealer shall provide Bandag and BATO or their designated certificate of insurance administrator with certificates of insurance with respect to the insurance required by Section 7.01 at such times as Bandag and BATO may request from time to time. Insurance certificates which indicate excess liability or umbrella coverage must also indicate the types of underlying coverage to which such excess liability or umbrella coverage applies. Each certificate of insurance shall require that 30 days' prior written notice be given to Bandag and BATO of any cancellation or renewal of any such policy or policies or of any change material to the interest of Bandag or BATO.

7.03 WAIVER OF CLAIMS. To the maximum extent permitted by law, Dealer waives and releases all rights against the Bandag Indemnified Parties for damages for losses or claims for bodily injury, property damage, or other insured losses or claims to the extent the same are covered by insurance required to be maintained by Dealer pursuant to Section 7.01 of this Agreement.

**ARTICLE 8
CONFIDENTIAL INFORMATION AND INTELLECTUAL PROPERTY RIGHTS**

8.01 CONFIDENTIALITY.

- (1) Dealer agrees at all times, both during and after the termination of this Agreement for any reason whatsoever (whether with or without cause), to hold the Confidential Information in the strictest confidence, and not to use, publish, or disclose such information to any Person (except those employees of Dealer who have a need to know such information in order to provide P&S hereunder) without prior written authorization of an officer of Bandag or BATO. Dealer shall be responsible to the Bandag Indemnified Parties for any disclosure or use of the Confidential Information contrary to the provisions of this Agreement by any of Dealer's employees or any other Person to whom Dealer has

disclosed such information, whether or not Bandag had consented to such disclosure.

- (2) Notwithstanding the provisions of Subsection 8.01(1), Dealer may disclose Confidential Information to the extent required by court order or request of a governmental agency, provided that Dealer uses reasonable efforts to limit the disclosure by means of a protective order or a request for confidential treatment and provides Bandag and BATO a reasonable opportunity to review the disclosure before it is made and to seek, at Bandag's and/or BATO's expense, a protective order with respect to such disclosure.

8.02 OWNERSHIP OF MANUAL. One copy of Bandag's proprietary and confidential Manual shall be loaned to Dealer for each Dealer Location identified as a Manufacturing Location in Exhibit A for the term of this Agreement. Dealer shall not at any time, without Bandag's prior written consent, copy, duplicate, record, or otherwise reproduce the Manual or any information contained therein, in whole or in part, or otherwise disclose or make the same available to any Person, except that Dealer may make copies of the Program Guides for those employees of Dealer who require the use of the Program Guides to provide P&S hereunder (For greater certainty, all such copies of the Program Guides shall be: (a) part of the Manual; (b) the sole and exclusive property of Bandag; and (c) subject to the use and confidentiality restrictions of this Agreement). Dealer agrees that the Manual shall be used exclusively in the provision of P&S to Customers by Dealer, and the Manual shall, at all times, remain Confidential Information and the sole property of Bandag.

8.03 INTELLECTUAL PROPERTY. Dealer acknowledges that Bandag and its licensors have valuable Intellectual Property rights associated with the P&S, the Confidential Information, and any documentation relating to any of the foregoing and that such Intellectual Property shall remain at all times the sole property of Bandag or its licensors. Dealer agrees to grant and assign, and does hereby irrevocably grant and assign to Bandag and its successors and assigns all worldwide right, title, and interest in any and all Intellectual Property that is developed or conceived by Dealer or its agents, employees or representatives in connection with the performance of the P&S pursuant to this Agreement or based on access to the Confidential Information and the documentation relating thereto. Dealer acknowledges and agrees that anything which is capable of copyright protection made, designed or developed pursuant to this Agreement shall be a "work made for hire" for Bandag. Dealer agrees to: (a) provide all reasonable assistance to Bandag, at Bandag's expense and without additional consideration, to secure, perfect, register, apply and defend for Bandag's benefit all protectable Intellectual Property including patents, trademarks, trade secrets and copyrights; and (b) to disclose to Bandag any potentially protectable Intellectual Property that is developed or conceived by Dealer or its agents, employees or representatives in connection with the performance of the P&S pursuant to this Agreement or based on access to the Confidential Information and the documentation relating thereto. Dealer warrants that all of its agents, employees or representatives who are or will be permitted access to the Confidential Information and the documentation relating thereto by Dealer have agreed to assign and have assigned to Bandag their rights to any Intellectual Property that is developed in connection with the performance of the P&S pursuant to this Agreement or based on access to the Confidential Information and the documentation relating thereto.

8.04 RETURN OF MANUAL. Dealer agrees that Dealer will return all copies of the Manual and any information contained therein (including all copies of all Program Guides) to Bandag at its request, or promptly after the termination of this Agreement. Notwithstanding the return of the Manual to Bandag, all Confidential Information (including the Manual), shall be held and utilized by Dealer strictly in accordance with the provisions of this Agreement and the Franchise Agreement.

8.05 EQUITABLE RELIEF. Dealer understands and agrees that, because of the unique nature of the Confidential Information, Bandag and BATO will suffer irreparable harm if Dealer fails to comply with any of Dealer's obligations under Article 8 of this Agreement, and monetary damages will be inadequate to compensate Bandag or BATO for such breach. Accordingly, Dealer agrees that Bandag and BATO shall, in addition to any other remedies available to them at law or in equity, be entitled to preliminary and

permanent injunctive relief with respect to any breach or threatened breach of any provision of this Article 8, without the necessity of posting a bond or similar security or proving actual damages or irreparable harm.

**ARTICLE 9
HEALTH AND SAFETY MATTERS**

9.01 HEALTH AND SAFETY. Dealer acknowledges that each Customer has the right, from time to time, to establish, modify, amend, and enforce rules and regulations with respect to the performance of the P&S or the presence of the Dealer Responsible Parties at a Service Location, including, without limitation, rules and regulations with respect to health and safety programs or matters, environmental management, emergency response and evacuation, fire prevention, site security, or hazard communication. Dealer agrees to comply with all such rules and regulations and to cause the Dealer Responsible Parties to comply with such rules and regulations.

**ARTICLE 10

10.03 BANDAG TERMINATION. Notwithstanding the provisions of Section 10.02, Bandag, at its option, may terminate this Agreement in its entirety or Dealer's right to provide P&S to any Customer by giving written notice of such termination to Dealer (such termination to be effective as of a date specified in such notice), on the occurrence of any of the following events:

- (a) the termination or expiration of any of Dealer's Franchise Agreements; or
- (b) a request of a Customer that Dealer not be permitted to provide P&S under its Sales Agreement; or
- (c) the termination or expiration of the Sales Agreement with a Customer.
- (d) any breach by Dealer of any provision of this Agreement with (including the Manual), unless Dealer cures after Dealer's receipt of notice of such breach from Bandag or BATO.

10.04 STOP WORK ORDER. Bandag may, at its option, and from time to time, issue a stop work order to Dealer with respect to a Customer. Upon receipt of a stop work order from Bandag, Dealer shall immediately stop accepting orders for P&S from such Customer subject to the stop work order until further written notice from Bandag.

10.05 CONTINUATION OF SERVICES. During the pendency of any disputes and prior to the effective date of the termination of this Agreement, Dealer shall, at Bandag's option, continue providing P&S or any other work in progress under this Agreement, and BATO shall continue to credit or debit Dealer's Accounts for P&S provided by Dealer in accordance with and subject to the provisions of this

Agreement.

10.06 NO DAMAGES FOR TERMINATION. The parties have considered the possibility that one or both parties may incur expenses and suffer losses as a result of the termination of this Agreement, and the parties have nevertheless agreed that neither party shall be liable to the other party for any damages relating, directly or indirectly, to the termination of this Agreement for any reason.

**ARTICLE 11
MISCELLANEOUS**

11.01 COMPLIANCE WITH CODES AND LAWS. Dealer shall keep itself fully informed of and shall observe, keep, and perform, and shall cause the Dealer Responsible Parties to observe, keep, and perform, all existing and future laws, including, without limitation, environmental laws, Health and Safety Laws, ordinances, rules, codes, orders, regulations, licenses and permits, and other binding determinations of any government or governmental authority, department, or agency having jurisdiction over Dealer's operations contemplated by this Agreement.

11.02 PERMITS. Dealer shall apply for, pay for, obtain, maintain, and renew all necessary licenses and permits including, but not limited to, all those required by all environmental laws, which are required by any relevant government authority having jurisdiction over Dealer's operations contemplated by this Agreement.

11.03 STATUS OF PARTIES. Dealer is an independent contractor and not an agent or representative of Bandag or BATO. Nothing contained in this Agreement is intended, and nothing shall be construed to create, an agency, employer-employee, co-employer, partnership, or joint venture relationship between the parties.

11.04 SEVERABILITY. If for any reason any provision of this Agreement, including but not limited to any provision relating to termination of this Agreement, shall be deemed by a court of competent jurisdiction to be legally invalid or unenforceable in any jurisdiction to which it applies, the validity of the remainder of the Agreement shall not be affected. Such provision shall be deemed modified to the minimum extent necessary to make such provision consistent with applicable law, and, in its modified form, such provision shall then be enforceable and enforced.

11.05 INTERPRETATION. In this Agreement, words and defined terms or phrases importing the singular include the plural and vice versa, and the use of any gender is applicable to any other gender. The headings of the Articles and Sections in this Agreement are inserted for convenience of reference only and shall not affect the construction of this Agreement or any part of it. The parties intend that all provisions of this Agreement will be enforceable to the maximum extent permitted by law. With respect to any provisions in this Agreement in which Bandag or BATO is permitted to make certain modifications, determinations, and exceptions, they shall be within Bandag's or BATO's sole and absolute discretion unless otherwise expressly provided in this Agreement. Unless otherwise expressly provided in the Manual, all references to currency in the Manual shall mean legal tender of the United States of America. This Agreement and the Manual are intended by the parties to be complementary; however, in the event of inconsistencies between any provision of this Agreement and the provisions of the Manual, the provisions of the Manual shall control.

STATE OR FEDERAL COURT LOCATED IN THE STATE OF IOWA AND EACH PARTY HEREBY AGREES TO SUBMIT TO THE PERSONAL AND EXCLUSIVE JURISDICTION OF SUCH COURTS; AND (B) SHALL BE DETERMINED BY A COURT SITTING WITHOUT A JURY, AND THE PARTIES WAIVE ALL RIGHTS TO A JURY TRIAL IN ANY SUCH PROCEEDING, ACTION OR SUIT. All claims between Bandag or BATO and Dealer related to this Agreement will be litigated individually, and Dealer will not consolidate or seek class treatment for any claim unless previously agreed to in writing by Bandag or BATO, as the case may be.

11.07 ENTIRE CONTRACT. Subject to the provisions of this Section 11.07, this Agreement constitutes and contains the entire and only agreement between the parties and supersedes and cancels any and all pre-existing agreements and understandings between the parties relating to Dealer's subcontracts with Bandag and/or BATO to provide P&S to Customers under the Sales Agreements, except for the rights and obligations of the parties under prior written agreements which, pursuant to the terms of such agreements, survive the expiration or termination of such agreements. No agreement or understanding modifying the terms of this Agreement shall be binding on a party unless made in the Manual or in writing and signed by both parties.

11.08 SURVIVAL OF RIGHTS AND OBLIGATIONS. 11.10 WAIVER. No waiver by either party, whether express or implied, of its rights under any provision of this Agreement shall constitute a waiver of the party's rights under such provisions at any other time or a waiver of the party's rights under any other provision of this Agreement. To be effective, any waiver must be in writing and signed by the waiving party.

11.11 NOTICES. All notices, requests, and other communications required under this Agreement shall be in writing and shall be deemed to have been duly given, made, and received only when personally delivered as documented by a courier's receipt; or upon actual receipt of registered or certified mail, postage prepaid, return receipt requested; or by facsimile upon actual receipt, addressed as set forth below each party's signature on the signature page of this Agreement (or at such other addresses as may be stated in notices similarly given).

The Bandag Smart Resource is a program available to help Bandag dealers make capital improvements and certain other investments in their Bandag retread business. This program will be administered by Bridgestone Bandag, LLC hereinafter referred to as Bandag.

I. RATES & RESOURCE AVAILABILITY

Credit accruals to a dealer's Bandag Smart Resource Fund ("Fund Credits") may be earned based on a pre-established credit amount for each pound of qualifying tread rubber purchased by the dealer for use at the dealer's Bandag retread facility.

Any Fund Credits are available, in Bandag's sole discretion and on a case by case basis, to the dealer only after, and if, Bandag approves the dealer's requested use of the proposed Fund Credits. Until that time, the dealer has no interest in, or right to use, the proposed Fund Credits. Bandag reserves the right to adjust the Fund Credit accrual mechanism for causes which may include, without limitation, a dealer's failure to meet Franchise Compliance Audit (or equivalent) standards.

All Fund Credits will be available for use only after the Fund Credits are created by including the Fund Credits on the dealer's monthly Bandag Smart Resource Fund statement.

II. EXPENDITURES & CLAIM REQUIREMENTS

Fund Credits may be used for specific capacity and capability expenditures detailed in the following pages. Requests may also be made for approval of other types of expenditures, which will be reviewed to determine if, in Bandag's opinion, the proposed expenditure would be of mutual business benefit to both Bandag and the dealer. Approval of such requests will be at the sole discretion of Bandag.

Three-Year Smart Resource Plan

During each annual business planning period, BCS Market Team members will work with dealer principals to proactively develop a documented three-year plan for capital expenditures to address capacity and capability needs that improve and contribute to the success of their Bandag business. Dealer commitment to this plan will remove most priority restrictions from remaining (accrued or expected to be accrued) Bandag Smart Resource funds that are not required to execute the three-year plan. Excess funds may be used for marketing and sales initiatives to drive retail Bandag sales as agreed upon by dealer and BCS Market Team.

Requests for Fund Credits must be made by completing a Bandag Smart Resource Form within six months of incurring the expenses for which Fund Credits are claimed. Fund Credits that are approved will be issued to the dealer's account within 30 days following approval.

III. BANDAG SMART RESOURCE FUND USES

A dealer may use Fund Credits for a variety of Bandag-related items, including: purchases of Bandag equipment, expand retreading facilities, invest in information technology and systems, enter into local marketing or promotional programs within the dealer's Area of Opportunity as defined in the dealer's Bandag Dealer Franchise Agreement or comparable agreement, obtain extra sales help, eliminate hazardous areas in the dealer's retread facility to lower insurance costs, or make other investments directly contributing to the future success of the dealer's Bandag retreading business.

Fund Credits may not be used for items which could be considered of a consumable nature, nor may they be used to purchase tread rubber or applied in payment of a dealer's debt to Bandag.

IV. BANDAG SMART RESOURCE FUND USAGE PRIORITIES

Priority areas for approval and use of Fund Credits have been established and listed in order of priority below:

1. Retread Technology – Bandag Manufacturing & BASys Systems: the focus in priority #1 is to have in place current model Bandag designed / manufactured / designated retread equipment* to maximize quality, uptime, efficiency and parts availability. In addition, each dealer location should have the BASys Manufacturing installed and operational to collect and report data useful in manufacturing and reporting.

Priority 1 Items include current model equipment for the major work stations in the retread plant

(see your TSR for complete listing of current model equipment):

- Initial inspection; Electronic and Shearography inspection technology
- Buffing
- Extrusion
- Building
- Curing
- BASys Manufacturing (hardware, software)

* Bandag Equipment Model Obsolescence refers to equipment that is no longer in the Bandag new equipment product line for sale and includes components that can no longer be sourced as new or reconditioned parts for replacement. Components considered obsolete are no longer available and are difficult, or impractical, to create design solutions to resolve equipment model obsolescence. Please consult your local Technical Services Representative for the latest list of Bandag equipment considered obsolete and difficult to provide parts support.

2. Bandag Dealership Improvements – The focus in priority #2 is to promote clean, safe and well lit manufacturing facilities as well as consistency across all Bandag Dealers. These improvements should be in line with the specifications outlined in the **Bandag Facilities Guide**.

Priority 2 Items include:

- Lighting requirements
- Paint & floor finish standards
- Plant cleanliness and organization
- Air and electrical capacities
- Monorail layout efficiency

3. Productivity and Compliance – The focus in priority #3 is to promote retread plant efficiency, quality, consistency and employee retread training and certification.

Priority 3 Items include:

- QMS – ISO Certification
- Material Flow Implementation and Management Training Course
- Bandag Financial Model Training Course
- Certified Retread Technician Training Course
- Retread Production Manager course (RPM)

4. Sales and Service Training – The focus in priority #4 is to promote consistently effective and well-trained sales and service personnel at all Bandag Dealerships.

Priority 4 Items include:

- Bridgestone/Bandag Sales and Service Training Programs
- Advanced Tire Analysis Training

Fund Credits may also be approved for reimbursement of attendance at other Bandag course offerings; however, priority is assigned to those specifically listed in priorities #3 and #4 above.

5. Other Items or Expenditures – Only when priorities #1, #2, #3 & #4 listed above have been satisfied and reviewed/approved by Bandag, would Credit Funds be approved for use with items and expenditures in other areas.

A. Examples of such other items or expenditures are:

- Sales and Service Vehicles
- Service Equipment
- Vehicle Maintenance
- Non-Bandag Training
- Individual replacement parts for current model retread equipment listed in Priority #1 items costing \$5,000 or more
- Environmental initiatives such as alternative energy or recycling capabilities (e.g., solar or wind installations, bailing equipment for tread poly)
- Tablet technology for use by dealer sales representatives (note: iOS is Bridgestone's preferred platform)

Other items and expenditures may be eligible for up to 100% reimbursement from a dealer's Bandag Smart Resource Fund, but are subject to a reimbursement limitation equal to the amount the dealer paid for such item or expenditure multiplied by a fraction, the numerator of which is the dealer's total revenue from the sale of Bandag retread products to fleets during the dealer's most recently concluded fiscal year and the denominator of which is the dealer's total business revenue from all sources during the dealer's most recently concluded fiscal year. For example, if Bandag represents 30% of a dealer's total revenue, then Bandag will reimburse up to 30% of this non-Bandag item or expenditure. Bandag will designate another appropriate time frame for measurement of dealer's sales volume if dealer has been a Bandag dealer for less than a complete fiscal year.

B. Local Retail Marketing Initiatives

- Advertising, promotional and support materials for local marketing initiatives for Bandag retail sales may be submitted for claim.
- All expenses must be reviewed and approved by Bandag prior to expensing.
- No more than 15% of outstanding fund balance may be used towards funding these initiatives.

C. Purchases of casings

- Smart Resource funds may be used to reimburse purchases of casings provided the following guidelines are met:
 - Grade A or B radial casings only
 - Maximum of \$15 per casing will be reimbursed
 - Casings must be retreaded by the purchasing dealer
 - No more than 15% of outstanding fund balance may be used towards the purchase of casings

D. Expenditures not meeting requirements above may be submitted for reimbursement provided the following criteria are met:

- Dealer has an approved three-year capital expenditure plan in place (see Section II), and the plan's completion will not be hindered by this newly requested reimbursement.
- The item is not eligible for the Q-Fund program.
- The item is not considered a consumable item.
- The item is not covered under warranty.
- Approval for reimbursement is required by CSM, TSR, ZTM and ZD.

V. ADMINISTRATION & APPROVAL PROCESS

1. Annual Credit Fund Expenditure Plan. Prior to any Credit Funds being approved for a given calendar year, each dealer, in conjunction with the dealer's BCS Market Team, must complete a Bandag Smart Resource Fund Expenditure Planning Form (the "Annual Credit Fund Expenditure Plan") outlining the year's expected capital investments for 80% of the anticipated Credit Funds for which approval is sought. This completed Annual Credit Fund Expenditure Plan remains with the dealer and the dealer's BCS Market Team. A copy of the dealer's Annual Credit Fund Expenditure Plan is also forwarded to the Bandag Smart Resource program administrator (to enable proper scheduling of equipment or other items). The Annual Credit Fund Expenditure Plan, or any changes to the dealer's Annual Credit Fund Expenditure Plan, will be managed by the dealer's BCS Market Team.

2. Approval Process. The following rules apply to the approval process:

- a. All purchases for which reimbursement by Fund Credits is sought require completion of the *Bandag Smart Resource Form*, to be submitted no later than 6 months from the invoice date. The only exceptions to this rule are:
 - **Major Equipment Purchases.** For major equipment purchases, the program form will be completed by the Global Equipment Coordinator. If payment from the dealer's Bandag Smart Resource Fund is the chosen method of payment, it must be so designated on the Equipment Order Form.
 - **Participation in Bandag Dealers Groups and Bandag Training Classes.** Use of the Bandag Smart Resource Fund for participation in Bandag Dealers groups and Bandag training classes does not require that a Bandag Smart Resource Form be submitted by the BCS Market Team. These transactions will be processed automatically by the Dealer Customer Service Department (DCS).

- **BASys Manufacturing Related Purchases.** Purchases of BASys- related items through Open Road Technologies (ORT) may be eligible for direct reimbursement from the dealer's Smart Resource account. These items may include hardware, software, services, monthly ASP fees, and hardware and software maintenance fees billed through ORT. Purchases of consumable items, such as labels, ribbons, work order books, etc are not eligible for direct reimbursement. Upon submission and approval of the Authorization Agreement (see page 12), this process would eliminate the need to remit payment to ORT for applicable invoices received from them and to submit reimbursement requests for credits from the dealer's Bandag Smart Resource account. The availability of this option is contingent upon meeting the Bandag Smart Resource Fund usage priorities outlined in this policy and at the discretion of your BCS representative. *Please see your BCS representative for more information.*
- b. There is a \$2,000 minimum per transaction request for Bandag Smart Resource Fund reimbursement. No request totaling less than \$2,000 will be processed.
- c. All Program requests must be approved and submitted by the dealer's local BCS Market Team (except for any specific examples listed in this policy).
- d. All requests outside of priority group #1 and #2 must be approved by Bandag's Dealer Channel Manager.
- e. All requests over \$10,000, with the exception of major equipment and BASys IT products, must be approved by Zone Technical Manager.
- f. The ZTM & RM approval limit for equipment sold by Bandag and IT products is \$250,000.
- g. Anything above the ZD & ZTM approval limit must be approved by the Vice President of Sales, and Manager of Technical Services.

VI. PROGRAM VARIABLES

The tread designs and sizes currently qualifying for Fund Credits accrual and the current per pound accrual rate are available upon request from DCS. Bandag reserves the right in its sole discretion to make changes in the list of products qualifying for the Fund Credits, as well as the per pound accrual rate, at any time without prior notice. Additionally, the product specific process will determine if any products will have a reduced Fund Credits accrual rate during any reduction and subsequent elimination of these tread products.

VII. BANDAG SMART RESOURCE FUND TERMS & CONDITIONS

1. Bandag reserves the right to change, amend or cancel this program at any time.
2. Should the business relationship between Bandag and a dealer be terminated for any reason or expire, Fund Credits remaining in the dealer's account shall expire concurrent with the date of termination or expiration and the dealer shall have no further interest in or rights thereto. This includes Fund Credit requests that have been approved for use but not disbursed as of the date of termination or expiration.
3. Notwithstanding anything in this program to the contrary, Bandag reserves the right in its sole and absolute discretion to cancel all Fund Credits, including those that have been approved for use but not yet disbursed, remaining in the dealer's account immediately upon dealer or Bandag notifying the other party that the notifying party intends to terminate the business relationship or that the notifying party intends to allow the business relationship to expire.
4. The balance in a dealer's Bandag Smart Resource Fund at the date of termination or expiration of the business relationship between Bandag and the dealer may not be transferred except under special circumstances where a current Bandag dealer is purchasing another existing Bandag dealer. Otherwise, Fund Credits cannot be transferred between or among dealers.
5. If there is a negative balance in the to-be-terminated or expiring dealer's Bandag Smart Resource Fund account, the negative balance will first be deducted in full from any amount owed dealer by Bandag in connection with the termination or expiration process, such as from amounts due dealer for repurchased inventory. Dealer, and dealer's guarantors, shall immediately pay Bandag any remaining amount in the event such deductions do not completely compensate Bandag for the negative balance in dealer's Bandag Smart Resource Fund account.
6. In the event that Bandag, at its sole discretion, cancels or terminates the Bandag Smart Resource program, any accrued Credit Funds already in a dealer's account at the time of cancellation or termination will be the property of the dealer subject to the then current provisions of the Bandag Smart Resource program and must be used within 12 months following such notice of cancellation or termination. Fund Credits not utilized or approved within 12 months following cancellation or termination will be extinguished as of the first anniversary date of the cancellation or termination, and the dealer shall have no further interest in or rights thereto.
7. Fund Credits generated under the Bandag Smart Resource program cannot be used to purchase tread rubber or applied in payment of a dealer's debt to Bandag.
8. Bandag shall have sole discretion to determine the actual amount of Fund Credits in the dealer's account and shall be entitled to adjust the account at any time for credits, debits, returned goods, or other appropriate reasons.

9. Sales tax and shipping on items that are being submitted on a Bandag Smart Resource Form are considered reimbursable and should be included in the claim.
10. No Fund Credits will be issued to any dealer who is past due or in default with respect to any of their payment obligations to Bandag. At Bandag's discretion, Fund Credits may be suspended, and Bandag may suspend the further accrual of Fund Credits, in the event of a dealer's failure to meet Franchise Compliance Audit (or equivalent) standards.
11. Bandag prohibits claims for reimbursement of a particular amount attributable to an item or expenditure from being submitted under more than one reimbursement program. Bandag reserves the right to reject claims or charge back Fund Credits for previously submitted claims if it is discovered that a claim has already been submitted for reimbursement or reimbursed under a different reimbursement program.

VIII. BANDAG SMART RESOURCE FORM

Following are instructions to complete the Bandag Smart Resource Form:

- A. Pre-Printed Claim Number.
- B. Enter dealer name, address, and dealer number.
- C. Check the block for the type of request.
- D. The monthly payment option is a way to reduce the administrative workload for recurring credit requests. When using this option, make sure to include the amount to deduct each month. The proof of performance documents only need to be submitted once.
- E. Check the box labeled "Credit Request" if you are requesting a credit be issued for the full amount.
- F. If this is a monthly withdrawal, enter the total estimated payment you will make for the program. Bandag will issue credits only up to the amount you estimated when you submitted your claim. If during the year you discover that you underestimated this amount, submit an explanation with each credit request that would cause you to go over the pre-approved amount. If this is a credit request, enter the amount you are requesting credit for each invoice.
- G. This area is completed by Bandag to enter the approved credit amount.
- H. Enter the subtotal of all amounts for each reason code in the Amount Requested column.
- I. Enter the total of all amounts in the Amount Requested column.
- J. Sign the form and attach the required proof of performance items. The Bandag Smart Resource Form is available on Entirenet* or from your Bandag CSM.

3. The following language is added to the “Remarks” column of the line-item titled “Interest” in Item 6 of the Franchiser Disclosure Document:

- b. California Business and Professions Code Sections 20000 through 200043 provide rights to the franchisee concerning termination, transfer, or nonrenewal, of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.
- c. The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A § 101, et. seq.).

**WASHINGTON ADDENDUM TO FRANCHISE AGREEMENT,
QUESTIONNAIRE, AND RELATED AGREEMENTS**

This addendum (the "Addendum") to the Bandag Dealer Franchise Agreement dated _____, _____, 201__ (the "Agreement") is made and entered into by and between Bridgestone Bandag, LLC ("Bandag") and _____ ("Franchisee") and amends the Agreement as follows:

Notwithstanding anything to the contrary set forth in the Agreement, the following provisions shall supersede and apply to all franchises the offer and sale of which are governed by the Washington Franchise Investment Protection Act, RCW §§ 19.100.010 to 19.100.940 (the "Act"):

1. **WASHINGTON LAW**. The following paragraphs are added to the end of the Franchise Agreement:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

IN WITNESS WHEREOF, Bandag and Franchisee have caused this Addendum to the Agreement to be executed, effective as of the date of execution by Bandag.
