2. New construction projects are not eligible as state law requires installation of HET toilets in all new construction.
3. Limit: Three (3) HET rebates per residential account or Ten (10) HET rebates per multi-family or commercial accounts within a five-year period.
4. One application per water utility account number, only.
5. For more information, call **(650) 589-1435**

REQUIREMENTS:

1. Must be a customer in the Westborough Water District area.
2. Purchase and **install** an EPA WaterSense labeled het 1.3 gallon (or less).
3. HETs must be purchased from July 1, 2020 and June 30, 2021, and the rebate application postmarked, within 90 days of the HET purchase date.
4. Submit completed application **along** with original receipt for EPA WaterSense labeled HET 1.3 gallon (or less). If you need the receipt(s) returned, please enclose a self-addressed, stamped envelope with your application.
5. Installation of HET may be subject to inspection.
6. After requirements are met, rebate checks will be issued within six weeks.

DISCLAIMER

Westborough Water District reserves the right to deny any applicant who does not meet all the requirements outlined above. Due to circumstances beyond our control, Westborough Water District cannot guarantee that the installation of the HET toilets will result in lower costs, nor are we responsible for any damage which may occur to the participants property as a result of the HET Toilet Program.
