Exciting News!

The District is working on designing a new user-friendly website which will allow customers to access most information with one or two clicks. We will continue to update you on this project. ☺

District Parking Spaces

The District has leased off-site parking spaces for employees in order to free up spaces for customers in our main lot. Although we encourage customers to sign up for electronic bill payment, there are now more parking spaces available. ☺

Sign-Up for Electronic Bill Payment and Avoid Late Fees!

The District encourages all customers to sign up for electronic bill payment services to facilitate timely payment of their water and eliminate late charges and penalties. If you haven't already signed up for electronic bill payment, please sign up now. By signing up, you never have to remember whether or not you paid your water bill and never incur late fees again. You will still continue to receive your bi-monthly water bill statement which includes your water usage and amount to be deducted from your checking, savings, Visa, or MasterCard account.

Please note that when paying your bills online using your own bank, can delay the District receiving your payment to 10 business days because banks often delay mailing until they have a number of checks. This can cause you to incur late fees.

The District charges the following:

LATE CHARGES AND PENALTIES

Unpaid Balances after 20 days of the billing date, a 3.5% of the past-due amount or a minimum charge of \$3.50, whichever is greater.

Unpaid Balances after 30 days of the billing date, **an additional** 5% of the past-due amount or a minimum charge of \$5.00, whichever is greater.

Shut Off Notice Fee (previously Door Collection Fee): A \$30.00 charge will be added to the amount due once a notice for shutoff has been issued for non-payment.

Reconnection Charges: Charges to have water turned back on are \$50.00 during regular business hours and \$115.00 after office hours (this includes weekends and holidays). **It is unlawful** for anyone other than Westborough Water District personnel to turn the water on. Violation will result in meter removal and a \$50.00 fee.

Return Check Fees

A \$30.00 fee shall be charged to any customer for any check (or ACH entry) returned by the bank unpaid.

Charge Back Fees

A \$40.00 fee shall be charged to any customer for any credit card reversals (charge back) by the credit card company. ☺
