

# Clay's Resort Jellystone Park™ Transition FAQs

## General

### **What sort of changes to the property should we anticipate?**

In addition to lots of new signage, we're making some updates and additions around the park. You'll notice ongoing construction in certain parts of the property, primarily near the water park and 93 entrance gate. This is all done in an effort to provide you with more included amenities like a water zone and swimming pool!

### **Has Clay's Resort changed ownership?**

Nope! We are still owned and operated by Northgate Resorts, we're just getting a fresh new look and name to continue to reach families looking for an amazing camping experience.

### **Will the quiet hours be longer?**

Nope, our quiet hours (11PM - 8AM) will be enforced by park staff, but will not be changed.

### **Are the pavilions still operating as event spaces?**

Yes! Pavilions and party tents are still available to rent for hosting your large group outings. We're currently finalizing our 2022 catering menu, entertainment add-ons and rental prices.

### **How will this affect Country Fest and other festivals?**

We will still be hosting Country Fest and other upcoming festivals. Our Deluxe Camping for Country Fest is already sold out!

### **Can I still bring my golf cart?**

Seasonal campers are still allowed to bring in their personal golf cart, for an annual registration fee of \$50. However, overnight campers will no longer be able to bring in their own golf cart, unless it is required for ADA purposes. We've expanded our fleet of golf carts and limo carts for overnight campers to rent!

### **Will Yogi Bear™ be around?**

Yes! Yogi and his friends will be joining us. Keep an eye out for bear sightings, and you can even invite them to visit your campsite for special occasions!

### **Will you still be offering water park passes?**

Absolutely! Our Adventure Water Park will still be available for day-use guests who purchase water park passes, season passes, and group packages! These will be available to purchase later this spring!
