Interpretation and statements

Interpretation will be provided in the six official languages of the United Nations (Arabic, Chinese, English, French, Russian and Spanish). Delegates are requested to send a copy of their statement to interpret@who.int **at least 30 minutes in advance**. This does not prevent delegates from making changes upon delivery, but it will facilitate clarity and accuracy in all languages. When submitting a statement by email please specify, both in the subject line of the email and at the top of the attached statement, the name of the country/group, the meeting (for example, Plenary, Committee A or Committee B) and the number of the relevant agenda item. Delegates are requested to deliver statements at a normal speaking pace. Rapid delivery risks impeding clarity and accuracy in interpretation. Statements provided in advance are treated as confidential and checked against delivery for the purpose of the official record.

Online registration is required for the Tenth session of the Conference of the Parties (COP10). Delegates who have already completed their registration for COP10 do not need to register again. Arrangements for conduct of discussion in Plenary, Committee A and B meetings

For the conduct of plenary meetings, interventions by delegates will be monitored by a “traffic light”. Individual statements are limited to three minutes (330 words) and statements on behalf of a WHO region to four minutes (440 words).

Delegations wishing to speak in the general debate are invited to notify the Convention Secretariat as soon as possible by email with the subject line “Request for general debate statement” to cop10-mop3@who.int. Delegations are encouraged to opt for group or regional statements, in lieu of individual statements.
