¹ In the context of the postponement of the Tenth session of the Conference of the Parties (COP10) to the WHO Framework Convention on Tobacco Control (WHO FCTC) due to security reasons communicated by Panama, the Bureau of the Conference of the Parties (COP) to the WHO FCTC approved arrangements for COP10 to be held during a *de minimis* virtual session, using videoconferencing technology. COP10 will be resumed at an in-person session in Panama at a later date. This *de minimis* session will only consider an abridged agenda, as articulated in document FCTC/COP/10/1 Add.2.

² During the opening of the session, Parties will be invited to consider the adoption of special procedures to regulate the conduct of the *de minimis* virtual session of COP10.

³ The COP will be invited to provisionally consider and adopt on an interim basis the proposed Workplan and Budget for the financial period 2024–2025, to ensure continuity of operations of the Convention Secretariat beyond 31 December 2023. The proposed Workplan and Budget for the financial period 2024–2025 adopted on an interim basis will be subject to amendment upon the adoption of the Workplan and Budget for the financial period 2024–2025 at the resumed COP10 in 2024. The committees of the Conference of the Parties will not convene.

⁴ Under this item, Parties will be invited to consider the suspension of COP10 until it can meet in a resumed session in 2024.
