This is a good walk, a highlight being the delightful Lily Pond picnic area, with its lush vegetation and attractive flowers. This walk travels through eucalyptus forest as well as one section of road walking through a quiet suburban street. The side trip to Richley Park is worthwhile to access the extra facilities there. A recommended walk that doesn't attract the crowds. Let us begin by acknowledging the Awabakal & Worimi people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
