

Mount Greville Circuit

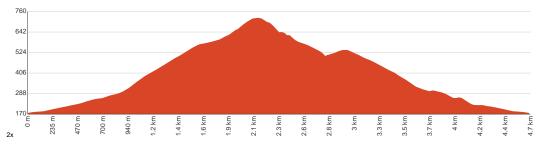

Starting from Mount Greville Car Park on Mount Greville Road, Moogerah, this circuit walk takes you up to the summit of Mount Greville and the Slab Rock Lookout nearby, exploring two gorgeous gorges along the way. Mount Greville's volcanic summit will welcome you after you make your way up the Palm Gorge. Take a break and enjoy the views as they are well-deserved after that demanding climb. Speaking of views, the Slab Rock will provide you spectacular ones over Lake Moogerah and Mount Edwards. Enjoy the interchanging vegetation as you go through both the gorges, and maybe take a stick(or bring proper hiking poles) from the ground to help you on the descent. Hiking shoes are recommended as there will be scrambling and loose rocks. The track gets slippery and dangerous when wet, so check the forecast beforehand to avoid injuries. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
