Starting from the car park on McLaughlan Road, The Spectacles, this walk takes you on a circuit near The Spectacles Wetlands. This is one of the two walks in the area, and it goes through the bushland and the forestation. You can traverse in the bush setting whilst enjoying the variety of birdlife and flora with wildflowers and fungi such as eucalyptus, wattle and paperbark trees. You can do this walk after the Spectacles Aboriginal Heritage Loop to have a more complete experience. Additionally, dogs are allowed in the park as long as they are on a leash. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
