Starting from the car park at the end of Nimboya Road, Marino, this circuit track gives you a tour of Marino Conservation Park. The Marino Botanical Trail is a picturesque walk that winds through coastal heath, visiting Marino Rocks Lighthouse along the way. Walkers can enjoy stunning views of the Adelaide metropolitan area and the coastline, with panoramic vistas that extend all the way to Brighton and Holdfast Bay in the north and Port Stanvac in the south. Marino Rocks Lighthouse was built in 1962 to replace an earlier structure that was destroyed by a sailing ship. Dogs are welcome on a leash on this track. Let us begin by acknowledging the Kaurua people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
