Getting started: From the Scenic World main entrance, this walk follows the 'Prince Henry Cliff Walk' signs down the concrete steps and around to the back of the building, where it comes to a wooden footbridge that curves around behind the main car park. At the end of the footbridge, this walk comes to an intersection with the Prince Henry Cliff Walk.

After another 15 m **continue straight**.

Start of an optional side trip: Highly recommended optional sidetrip to Katoomba Falls.

The Katoomba Falls are among the most famous waterfalls in the the Blue Mountains region. The Kedumba River falls about 150 meters in 2 main stages. The Undercliff Track, from the Furber Steps, can be used to access the first landing of the waterfall. The Katoomba Falls can be viewed from most lookouts in the the area, including from the bottom of the falls at Cooks Landing on Federal Pass, or from the track running next to the Kedumba River at the top of the falls. These falls are also a highlight for the trip across the Scenic Skyway.

After another 60 m **continue straight**.

After another 35 m find the "Rainforest Lookout" (15 m on your right).

Unlike many lookouts in the area, Rainforest Lookout does not offer sweeping valley views. Instead, this lookout offers an opportunity to get up close and personal with the canopy of the rainforest. Spend some time in the cool shade listening to the birds and Witches Leap creek passing by. A sign at the lookout explains that there once were wood-fired barbecues here for picnics, but removed due to the toll on the local environment.

After another 50 m come to the "Vaniman's Lookout" (15 m on your left).

After another 125 m find the "Cliffside lookout" (30 m on your right).

This unnamed, fenced lookout is perched on the cliff's edge on Reids Plateau. The lookout has a bench seat and overlooks the Witches Leap area. The view is mostly of the surrounding trees, with glimpses of cliffs on the other side of the valley. There is a nice view of Witches Leap waterfall.

After another 140 m pass a seat (10 m on your right)., has a backrest.
