Starting from Point Clare Train Station, this walk takes you to Woy Woy Train Station through Brisbane Water National Park, optionally visiting the Kariong Hieroglyphs (Gosford Glyphs) along the way. Besides Egypt and Sudan, this site has the most Egyptian Hieroglyphs. Although, the authenticity of these is still in question. There have been many stories told and myths debunked through the years, but the debate goes on. Other than that, expect a peaceful hike along water through a lovely forest. Try to identify the birds you hear as you make your way through the park. Keep in mind that dogs are not allowed. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
