Starting at Seaforth Oval, this walk follows the Engravings track parallel to the Wakehurst Parkway to the end of Bantry Bay Road, Forestville. The first half of the walk is along bush track and the second half follows a service trail. The engravings, after which this track is named, are fenced off to protect the area, the fence limits the view of the rock platform and engravings. Let us begin by acknowledging the Guringai people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
