Easy track

Starting from the car park off Mitti Street, Noosa Heads, this return walk explores the coastline of Noosa Heads via the Coastal Track, visiting the Boiling Pot, Dolphin Point, Hell's Gates and Devil's Kitchen viewpoints along with multiple scenic beaches. The lush vegetation coupled with the extraordinary views and the refreshing aura of the Coral Sea offers an unforgettable experience. Try to spot dolphins and whales as you're savoring the stunning scenery, but don't forget to look for koalas on top of the eucalyptus trees as well. Besides the section on Alexandria Beach (which is a stroll on pristine smooth sand), the track is paved all the way through. Remember to cover your head and apply sunscreen. Look out for strong currents at all times if you decide to take a dip in the water. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
