A great way to explore the Lane Cove Valley from Epping Station, this walk loops around North Epping, returning to the station. There are many sights to be seen along this walk, with Whale Rock and Brown's Waterhole being a couple of highlights. The walk explores Devlins Creek, upper Lane Cove River and Terry's Creek. A lovely way to spend a few hours. Let us begin by acknowledging the Darug people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
