Starting from Thornbill Drive, Greenbank, this walk takes you on a circuit in the Spring Mountain Forest Park via multiple walking tracks. Expect to find yourself in a great scenery featuring plenty of bird species and wildlife. Some of those bird species include cockatoos, finches and even eagles. You'll be exploring the lively woodland along maintained tracks that are runnable as well. Adding the refreshing breeze to the mix makes this a great summer walk, although wearing a hat is recommended. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
