This walk becomes more interesting once you reach the end of the service trail section and start on the bush track. There are great views going down the hill, and once at Bola Creek the track meanders alongside the creek, through a dark forest, until meeting up with Lady Carrington Dr. Let us begin by acknowledging the Dharawal people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.

Getting started: From the intersection, this walk heads along the dark gravel service trail in the opposite direction to the arrow on the signpost. The track soon turns left and after approximately 50m, the track turns from the dark gravel to yellow sand. The track soon passes an old trig point on the left to continue for approximately 30m to the intersection.

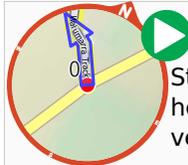

After another 600 m (at the intersection of Lady Carrington Drive & Forest Path) **continue straight**, to head along Lady Carrington Drive.

After another 15 m head through/around the gate.

After another 7 m to find the car park.

At the intersection of Sir Bertram Stevens Drive & Walumarra Track **Start** heading along *Walumarra Track* (a vehicle track).

After 255 m pass the "Garie" (25 m on your left).

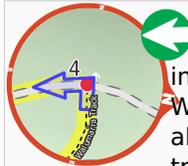

After another 3 m come to the end.

About 20 m past the end is "Pinch Point".

Pinchpoints between rocks. The widest space is between the 5th and 6th rock from the fence (at the west side of car park) is 56cm wide.

After another 3.7 km (at the intersection of Lady Carrington Drive & Walumarra Track) **turn left**, to head along Lady Carrington Drive (a vehicle track).

After another 40 m find the "Bola Picnic Area" (115 m on your right).

Bola Picnic Area, in the Royal National Park, is at the intersection of Lady Carrington Drive and Forest Island Track, beside Bola Creek. You will find a small clearing with a picnic table in a gorgeous rainforest setting, surrounded by tall trees and ferns scattered through the area. There is no car access to the picnic area, making this a lovely quiet area.
