Moderate track

Starting from Silent Grove Camping Area, Wunaamin Conservation Park, this return walk takes you on a stroll along a creek line. You can enjoy the rainforest setting and observe the wildlife in tranquillity. The abundant supply of water allows the area to flourish and the animals to thrive, giving visitors a unique experience. The path follows a creek line and can be uneven at certain sections with rock hoppings. Additionally, it can get extremely hot in the area; you can bring plenty of water and prefer to traverse early in the morning and evening. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
