Smooth & flat

A very pleasant and easy stroll along a path to a stunning view. Starting from Barnetts Road car park you follow the footpath through the picnic area, past the playground then meander gently downhill through the open forest among the scribbly gum trees. You soon discover a fenced lookout platform with amazing views up and down the Berowra Valley. The views of trees go on forever, on a clear day you can even see the Blue Mountains. Let us begin by acknowledging the Darug and Guringai Country people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
