This walk explores the Thredbo River from the village then loops around the golf course before returning along the roads to the Valley Terminal. You will see some snow gum forests and enjoy the Thredbo River from many angles. Allow some extra time to sit on a rock beside the river and enjoy the trout swimming past. Let us begin by acknowledging the Ngarigo people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.

Thredbo River Track

Alpine Way

Getting started: From the big map outside the ticket store at the bottom of the Kosciuszko Express Chairlift, this walk follows the 'Riverside Walk' sign down to cross the bridge over Thredbo River. Here the walk turns right onto Friday drive and follows the footpath under the footbridge heading between the road and the river. The walk follows the road past the children's playground (on your left) and beside the car park, past the pond to come to a four-way intersection with 'Diggings Terrace', just past a small pond. Turn right: From the intersection, this walk follows the 'Crackenback Drive' sign across the bridge, over Thredbo River. The walk then comes to a signposted intersection in front of the 'Thredbo Memorial Community Centre'.

This is one of the few lifts operating in the summer months at Thredbo, and is made quite popular by thousands of people walking to the summit of Mt Kosciuszko each year. Lift tickets can be purchased from the store at the bottom of the chairlift. Lift tickets are \$31 return (\$25 one way) per person. This lift is generally closed during November and May for maintenance each year, but the the Snowgum chair can be used at this time instead, this will add extra walking time to you walk.
