Circuit

↑ 19 m
↓ 20 m

Moderate track

This is a pleasant loop walk, close to Cherrybrook. The walk crosses Disturbed Creek (not officially named) a couple of times and includes some nice scenery along the creek with ferns, grasstrees and eucalypt forest. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.

Getting started: From the intersection behind the gate at the end of Blackwattle Place, the walk follows the management trail steeply downhill to cross the concrete causeway. The track then meanders along before coming to the intersection with another management trail (which goes steeply down the hill on the right).
