A great walk exploring the upper section of Furber Steps. Starting at the Katoomba Kiosk, this walk visits Witches Leap, Juliets Balcony and Vanimans Lookout to loop back to the Kiosk. There are great views down the Kedumba Valley and of many of the surrounding features. A well shaded walk with some pleasant rain forest areas along a well signposted track. There are plenty of stairs, mostly with handrails. Let us begin by acknowledging the Dharug & Gundungurra people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.

The lookout was considered one of the finest views on the Three Sisters in the 1900's. The lookout was named after Chester Melvin Vaniman in 1905, a well-know adventurer and artist from the USA, who visited the Blue Mountains in 1903.
