Student credentials

This Diploma Supplement follows the model developed by the European Commission, Council of Europe and UNESCO/CEPES. The purpose of the supplement is to provide sufficient independent data to improve the international 'transparency' and fair academic and professional recognition of qualifications (diplomas, degrees, certificates etc.). It is designed to provide a description of the nature, level, context, content and status of the studies that were pursued and successfully completed by the individual named on the original qualification to which this supplement is appended. It should be free from any value judgements, equivalence statements or suggestions about recognition. Information in all eight sections should be provided. Where information is not provided, an explanation should give the reason why.

1. Information identifying the holder of the qualification

- 1.1. Full name: Tomáš Garrigue Masaryk
- 1.2. Date of birth (dd/mm/yyyy): 13/01/2025
- 1.3. Student identification number: 0000000000

2. Information identifying the qualification

- 2.1. Name of qualification and (if applicable) title conferred (in original language): Master of Business Administration
- 2.2. Main field(s) of study for the qualification: Business Administration
- 2.3. Name and status of awarding institution (in original language): Woolf
- 2.4. Name and status of institution (in different from 2.3) administering studies:
Woolf (established in 2018) is an accredited Higher Education Institution in Malta with license 2019-015 from the Malta Further and Higher Authority.
- 2.5. Language of instruction/examination: English

3. Information on the level and duration of the qualification

- 3.1. Level of qualification: ECTS Accredited (EQF7)
- 3.2. Standard Programme Length: 12 months
- 3.3. Standard Programme Delivery Length: 15 months
- 3.4. Access requirements: Undergraduate Degree or Equivalent

4. Information on the programme completed and the results obtained

4.1. Programme learning outcomes:

Knowledge

Learning Outcomes for Knowledge obtained at the end of the programme

The learner will be able to:

- a) Students will be able to critically evaluate theories of organisational structures, management techniques, business models, and methods of market entry, and improving product metrics.
- b) Students will be able to recall specialised knowledge, including knowledge which is at the forefront of business, finance, marketing, risk management and compliance, globalisation, data analytics, digital transformation, and leadership.
- c) Students will be able to critically analyse the societal, regulatory, and political contexts, global and local, in which real-world businesses operate.
- d) Students will be able to apply current best practices used by businesses to create value for stakeholders and selected customers and consumers.
- e) Students will be able to apply data-driven, quantitative patterns of thinking beyond that regular knowledge typically

associated with the entry level of the programme.

- f) Students will be able to formulate research-based solutions to practical problems in environments of incomplete information.
- g) Students will be able to manage decisions with autonomy in complex and unpredictable environments.
- h) Students will be able to organise projects and people in a way that is responsive to changes in the wider business environment.
- i) Students will be able to demonstrate learning skills needed to maintain continued, self-directed study.
- j) Students will be able to critically analyse and apply governance concepts and ESG principles to enhance ethical decision-making, regulatory compliance, and organisational performance across industries.

Skills

Learning Outcomes for Skills obtained at the end of the programme

The learner will be able to:

- a) Apply advanced, innovative, and multi-disciplinary problem-solving skills.
- b) Communicate business plans clearly and unambiguously to specialised and non-specialised audiences.
- c) Demonstrate advanced abilities related to operational procedures and implement them in response to changing environments.
- d) Critically evaluate alternative approaches through analytics, computational methods, and modelling on the basis of academic scholarship and case studies, demonstrating reflection on social and ethical responsibilities.
- e) Formulate business judgements and plans despite incomplete information by integrating knowledge and approaches from diverse domains including anthropology, ethnography, and sociology.
- f) Enquire critically into the theoretical strategies for executing a business plan.
- g) Exhibit new skills in response to emerging knowledge and techniques and demonstrate leadership skills and innovation in complex and unpredictable contexts.
- h) Demonstrate professional norms, values, and skills in a real-world business environment.
- i) Apply technological skills to generate innovative solutions and improve business outcomes by aligning technological capacity of the organisation/business with high-impact leadership.
- j) Evaluate and communicate the impact of ESG standards and corporate governance practices on business operations, demonstrating sound judgement in recommending strategic initiatives that promote sustainability, risk management, and long-term value creation in diverse corporate settings.

Competencies

Learning Outcomes for Competences obtained at the end of the programme

The learner will be able to:

- a) Formulate research-based solutions to practical problems in environments of incomplete information.
- b) Manage decisions with autonomy in complex and unpredictable environments.
- c) Organise projects and people in a way that is responsive to changes in the wider business environment.
- d) Demonstrate learning skills needed to maintain continued, self-directed study.

4.2. Programme details, individual credits gained and grades/marks obtained: Refer to the first page of this transcript

4.3. Grading system and, if available, grade distribution table: Refer to the first page of this transcript.

5. Information on the function of the qualification

5.1. Access to further study: Degree Programmes may entitle access to EQF8 Level Study

5.2. Access to a regulated profession (if applicable): Not Applicable

6. Additional information

6.1. Further information sources: <https://legal.woolf.university/accreditation>

7. Certification of the supplement

7.1. Transcript issued and signed on 13 January 2025 by:

7.2.
