

Tom's Big Surprise

Tom loved to explore his backyard. One sunny afternoon, he found a small, hidden box under a big tree. Tom opened the box and saw something shiny inside. It was a golden key!

Tom wondered what the key could unlock. He looked around and spotted an old, rusty shed at the far end of the yard.

Tom tried the key in the shed's lock. To his surprise, it fit perfectly!

Inside the shed, Tom found an old bicycle covered with a sheet. The bicycle had bright red wheels and a shiny bell. Tom was excited and couldn't wait to ride it. It was the best surprise ever!

.....
What did Tom find under the big tree?

What was inside the box?

Where did Tom find the old bicycle?

What color were the bicycle's wheels?
