

## Alex and the Friendly Elephant

Alex was a boy who lived near the jungle. One hot afternoon, he heard a strange sound coming from the trees. Alex went to see what it was and found a baby elephant stuck in some vines. He carefully untangled the vines and freed the elephant.

Alex named the elephant Ellie and brought her water to drink.

Every day, Alex and Ellie would explore the jungle together. One day, they found a river and splashed around to cool off. Ellie used her trunk to spray water, making Alex laugh. Alex and Ellie became best friends and helped each other whenever they could. They had many exciting adventures in the jungle
