

How to take care of a bridle

WorldHorseWelfare

Clean and condition

the bridle regularly to keep it soft and hygienic

Take the bridle apart

regularly to clean it and check it for safety

Wash off the bit

every time the bridle is used, removing all crusted material

Check the bit

for rough edges

Do regular safety checks:

- **Check the leather** for stretching, changes in length, cracks, tearing, and damage
- **Check the buckles and billets**
- **Check the stitching**
