About Your Members Personal Liability Policy

This Policy is arranged by SEIB Insurance Brokers Limited who are an insurance intermediary. The language of this Policy and all related communications will be in English. This Policy has been purchased by the Association for the benefit of its Members, as defined within this Policy.

This Policy wording explains the insurance provided under this contract. The Policy is a contract between the Association and the insurer(s) stated in the Schedule. Any reference in this document to 'We', 'Us', 'Our' or the 'Insurer' is a reference to the insurer(s) stated on the Schedule.

In return for the Association having paid or agreed to pay the premium for the Period of Insurance, We will pay a valid claim to You, the Member, subject to the terms contained in or endorsed on the Policy.

Each Section may include terms, Definitions, Conditions and Exclusions unique to the Section which should be read in conjunction with the Policy Definitions, Conditions and Exclusions.

An Endorsement forms an addition to the Policy and varies the insurance provided.

The Schedule or Appendix and any Endorsement should be read together for precise details of Your insurance protection.

Please take care to review all documentation carefully to understand the cover that this Association policy provides.

You should pay particular attention to any terms, conditions, limits and exclusions including Endorsements which may require You to take action.

Important information:

In the event of a claim, or any situation that may give rise to a claim, You must notify SEIB Insurance Brokers Limited as soon as you become aware – please see 'How to make a claim' on page 7.

Duty of Fair Presentation

This Policy is a contract between the Association and the Insurer.

Please read the whole document carefully. It is important that:

- You understand what the Policy covers and does not cover; You understand Your own duties.
- Please contact SEIB Insurance Brokers Limited if You would like to ask any questions.

Important Notice – the Association

You are required to make a fair presentation of the risk to Insurers.

If You breach Your duty to provide a fair presentation and any such breach was deliberate or reckless, Insurers may regard the Policy as if it never existed and are not required to return any paid Premium to You.

If the breach was not deliberate or reckless, Insurer's remedy shall depend upon what Insurers would have done if You had complied with the duty of fair presentation:

- 1) Insurers may regard the Policy as if it never existed if Insurers would not have entered into the Policy on any terms in the absence of the breach. In this case, the Insurers must return the premium paid (and, if applicable, You must return any payments made by Insurers under the terms of the Policy);
- 2) If the Insurers would have entered into the Policy, but on different terms (other than terms relating to premium) the Policy is to be treated as if those different terms applied from the outset, if the Insurers so require;
- 3) If the Insurers would have entered into the Policy but would have charged a higher premium, the Insurers may reduce the amount to be paid on a Claim (and, if applicable, the amount already paid on prior claims) by the proportion the premium actually paid bears to the premium that would have been charged. This remedy may apply in addition to the remedy at 2) above.

Terms and Conditions

Where:

- i) there has been a failure to comply with a term (express or implied) of this Policy, other than a term which defines the risk as a whole; and
- ii) compliance with such term would tend to reduce the risk of loss of a particular kind and/or loss at a particular location and/or loss at a particular time, the Insurer cannot rely on the breach of such term to exclude, limit or discharge its liability if You show that the failure to comply with such term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

If You breach any warranty in this Policy, the Insurer's liability under the Policy shall be suspended from the time of the breach until the time when the breach is remedied (if it is capable of being remedied). The Insurer will have no liability to You for any loss which occurs, or which is attributable to something happening, during the period when the Insurer's liability is suspended.
