

## 2019 SUMMER AMBASSADOR SCHOLARSHIP APPLICATION

Many summer ambassador students have received scholarships through community foundations or local Rotary groups. We strongly encourage pursuing such options, as it is a great way for you to engage in your community and share your adventures and exploration.

As our funding is limited, you must qualify to receive a scholarship.  
Scholarships will be given out on a rolling basis.

**Application Deadline: March 1, 2019**
