

COVID-19 Safety Measures for Events Aboard *Roseway*

Updated 11/13/2020

Due to the ongoing COVID-19 pandemic, we are taking the following precautions to protect all guests and crew members:

- We will allow no more than 35 passengers on board for any given sail.
- All guests and crew members are required to wear masks while they are on board.
- Guests will be required to stay above-decks during the sail. Limited access to the head (onboard toilet) may be provided.
- Guests must fill out a COVID-19 screening survey prior to the sail.
- Crew members will administer temperature checks for all guests using a no-touch thermometer before the start of the sail.
- All guests must provide contact information for contact-tracing purposes before the start of the sail.
