Reference Questionnaire:

Greetings, and thank you for acting as a reference for a potential Junior Watch Officer aboard the Schooner Roseway.

As a reference, you should be a teacher, employer, coach or someone who has observed the applicant in a position of responsibility and can attest to his/her character and personality. You should not be a family member or peer.

A detailed recommendation from you, offering specific information about the accomplishments, qualifications, and suitability of the applicant will be helpful in determining if this student is a good fit for the summer program.

If accepted, this student will be living aboard a historic sailing ship for weeks with 20 other people. They will be standing watches on deck, serving in the galley, practicing public speaking and ethical awareness, and participating in community service projects in coastal and island communities.

Please be candid in your assessment of the applicant's personal qualities as your views will be seriously considered. If necessary, feel free to use additional sheets of paper or attach this form to a letter. **Your honesty will not necessarily inhibit an applicant for being accepted but will flag areas that need improvement during the program.**
