Hope is gone, flesh is weak

Nothing left, here we seek

Open the grave, roll the stone away

And raise us up, this is our prayer

Can these stones live(C), can they breathe(G)

Raise(Am) up to praise Your once again(F)

Breath of new life(C), stir our hearts(G)

Mine(Am) us to sing Your fame again(F)

Can these stones live

Speak Your word, give us hope

Bring new life, Christ alone

A precious jewel, The Cornerstone

To offer up, all we own
