The Art Of Anchoring Our Songwriting In Truth

About Brian Doerksen

- Brian, could you tell us a little bit about yourself and your family?
- Talk to us a bit about your latest projects, *Prodigal God* and *Make Love Make War.*

The Art Of Anchoring Our Songwriting In Truth

Brian, your heart to communicate eternal truths in your worship songwriting has had resonance with the 21st century Church. What kinds of thoughts would you have for us today as we write songs for corporate worship?

Q & A

Soon we'll dive into some Q & A with Brian.

If you have a question, please text it in, and put in brackets (mic) or (no mic) - to tell us if you are able to ask your question live on the call.

A Charge To Us All

Give a final "charge" if you would, Brian, as we step forward in rooting our own writing and creativity in truth.

Closing Prayer

Brian, would you take a minute now and pray for all of us listening to this call live and those listening later on the mp3?

All together after prayer:
"Lord, hear our prayer."

A Blessing On Our Guest

Let's pray a pray of blessing together for Brian and his family in their next phase of the journey.
