Planning Thanksgiving Worship

1. Review The Service Order.

"Find pockets in the order and shape of your service where you can give people an opportunity to say thanks."

(Ex. Visuals, prayer moments, space between songs, fellowship times)

2. Collect Your "Thanks" Resources.

"Gather the worship tools that are at your disposal, so your planning can be intentional and shaped to core resources."

(Ex. Songs, readings, the Table, responsive prayers, welcomes)

3. Season Sets With Thanksgiving Spice.

"Make autumn a season of Thanksgiving leading up to Advent, rather than a day."

(Ex. Ordinary time in the worship year giving way to Advent - extend the season)

4. Connect Thanksgiving & Advent.

"Prepare your congregation for the start of the Worship Year by treating Thanksgiving as a culmination of the Cycle Of Life."

(Ex. Songs, words, readings, prayers.)
