HOW TO USE

An Audio Devotional Experience

Welcome To...

A Well Worn Path, Volume 1
From Dunn & Wilt

This is a brief "How To" showing you just one way you can use this very special audio series to renew yourself and others. In the download file, or on the CD, each devotional is its own track. The tracks are designed to be listened to either 1) in order, or 2) shuffled. It's your choice.

HOW TO USE THIS AUDIO DEVOTIONAL EXPERIENCE

1. Drag all files onto your iPhone, iPod or MP3 player - or use the CD.

2. Each day, select the track number that corresponds with the calendar day you are on that particular month.

3. When finished with your 2 minute devotional, select the *A Well Worn Path/ Doxology & Anthem Prayer Track*. As the final track plays, pray for your family, friends, government, local church and city/town.

4. Conclude by singing the *Doxology & Anthem* with us at the end of that track – to start your day in worship.
