A Worshipper's Character
Session 6

1. If you get to your _____without character, the _____ will destroy you.

   How do you get to your promise *with* character? You walk in His *will,* not His *promise*.

   The promise of God *is not* the will of God!

   – The promise is for inspiration. The will is for doing.
   – You can only do His will.

   Hebrews 10:36 (NIV)
   You need to persevere so that **when you have done the will of God, you will receive what He has promised**. *(emphasis added)*

   The journey between the promise given and the promise received is called

   _____.

   There are no shortcuts to a promise, only willful obedience to His will.

   This process is called "suffering."

   Romans 5:3–4 (NIV)
   Not only so, but we also rejoice in *(not for)* our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope.

   The goal of Christianity is not to live pain-free; it is to become Christ-like.

   Pain is not our_____; it is only proof that one exists.

   Show me a gift without process and I will show you a fall waiting to happen.

   We need to be separated from our gifts so that we do not get our identity from our gifts but from who we are in Christ.
